facility the most facilitating facility

6
00:00:45,620 --> 00:00:43,860

that's just Attila dollar for ever been

7
00:00:46,910 --> 00:00:45,630

a while been a minute yeah what happened

8
00:00:50,540 --> 00:00:46,920

a completely good time right now though

9
00:00:54,830 --> 00:00:50,550

because we've been diving into all kinds

10
00:00:57,410 --> 00:00:54,840

of all kinds all right felt like oh cool

11
00:01:00,170 --> 00:00:57,420

the guy from mom oh gosh what's this me

12
00:01:04,820 --> 00:01:00,180

please go ahead you guys knows so I'm

13
00:01:06,530 --> 00:01:04,830

kind yeah phila wouldn't fail on my part

14

00:01:10,970 --> 00:01:06,540

there I hope you guys are having a

15

00:01:13,160 --> 00:01:10,980

really good new year first of all and

16

00:01:16,300 --> 00:01:13,170

we'll get back on topic we had an

17

00:01:20,690 --> 00:01:16,310

eventful holiday season lots of family

18

00:01:24,650 --> 00:01:20,700

yeah it's always a wonderful time I'm

19

00:01:25,350 --> 00:01:24,660

sure you all have those kind of special

20

00:01:27,870 --> 00:01:25,360

teams

21

00:01:31,410 --> 00:01:27,880

well yeah everybody has those times

22

00:01:37,640 --> 00:01:31,420

around holidays were [h__h] don't go their

23

00:01:41,220 --> 00:01:37,650

way now this is the first 45 minute

24

00:01:45,560 --> 00:01:41,230

that's amazing that is the explosive

25

00:01:48,780 --> 00:01:45,570

Tory explosions of all explosions yes

26

00:01:50,850 --> 00:01:48,790

but I don't know maybe we've got a lot

27

00:01:52,830 --> 00:01:50,860

to talk about but the good news is I

28

00:01:56,780 --> 00:01:52,840

have a book here that's going to help us

29

00:02:03,120 --> 00:01:56,790

and um first what we need to talk about

30

00:02:04,290 --> 00:02:03,130

tonight is the desert yes contact and

31

00:02:06,060 --> 00:02:04,300

your contact in the desert I'm gonna

32

00:02:07,469 --> 00:02:06,070

keep saying yeah contact in the desert

33

00:02:09,350 --> 00:02:07,479

we need just let them know we're

34

00:02:12,530 --> 00:02:09,360

resonating our spots for the camping

35

00:02:16,800 --> 00:02:12,540

we'll be out there is reservation word

36

00:02:20,460 --> 00:02:16,810

where's I've ordered reservation no it's

37

00:02:23,699 --> 00:02:20,470

a no we have reserved thank you

38

00:02:26,670 --> 00:02:23,709

falsified kids the word is a reason we

39

00:02:28,770 --> 00:02:26,680

have reserved our Kevin Scott for the

40

00:02:30,479 --> 00:02:28,780

whole lifetime we're getting there the

41

00:02:32,430 --> 00:02:30,489

day before and leaving the day after so

42

00:02:34,440 --> 00:02:32,440

that means I mean oh you guys come and

43

00:02:38,370 --> 00:02:34,450

follow us with chill party and torn

44

00:02:47,070 --> 00:02:38,380

nights we're gonna be camping on I hope

45

00:02:48,780 --> 00:02:47,080

there's no probing I don't know how this

46

00:02:51,750 --> 00:02:48,790

goes down this is definitely my first

47

00:02:52,949 --> 00:02:51,760

time so it's the point you know I

48

00:02:54,150 --> 00:02:52,959

thought it was all it's only been around

49

00:02:56,370 --> 00:02:54,160

a couple years but it's been around a

50

00:02:58,110 --> 00:02:56,380

long time but I will tell you this like

51
00:03:00,420 --> 00:02:58,120
I don't want to promote the event too

52
00:03:03,000 --> 00:03:00,430
much because obviously they're not

53
00:03:04,770 --> 00:03:03,010
giving us any sponsorship money or

54
00:03:06,870 --> 00:03:04,780
anything like that but word a word for

55
00:03:08,729 --> 00:03:06,880
low budgeting it we're ballin on a

56
00:03:11,280 --> 00:03:08,739
budget yeah so we could use some

57
00:03:12,920 --> 00:03:11,290
sponsorship money actually in contact in

58
00:03:15,930 --> 00:03:12,930
the desert is getting anybody from this

59
00:03:23,770 --> 00:03:15,940
there's lots of big just the biggest

60
00:03:30,559 --> 00:03:27,740
panels at this contact in the desert

61
00:03:33,290 --> 00:03:30,569
event they've cut like let's see Linda

62
00:03:35,090 --> 00:03:33,300
Moulton Howe they've got really mm-hmm

63
00:03:38,240 --> 00:03:35,100

dr. Steven Greer which we talked about

64

00:03:43,150 --> 00:03:38,250

all he's gonna be there yep Wow yep

65

00:03:45,530 --> 00:03:43,160

David Wilcock and then oh my gosh

66

00:03:46,880 --> 00:03:45,540

there's just a whole line of people that

67

00:03:49,220 --> 00:03:46,890

you're gonna want to see georgios gonna

68

00:03:52,610 --> 00:03:49,230

be there George otsuka giorgio is gonna

69

00:03:55,340 --> 00:03:52,620

be camping yes and so that's gonna be

70

00:03:57,229 --> 00:03:55,350

just exciting and we do plan on seeing

71

00:04:01,040 --> 00:03:57,239

if we can get the scoop you guys like

72

00:04:04,910 --> 00:04:01,050

maybe maybe I can jump on dr. Steven

73

00:04:10,490 --> 00:04:04,920

Greer back and hold on his muscles no we

74

00:04:13,040 --> 00:04:10,500

can be like oh sexy girl well yes it

75

00:04:18,140 --> 00:04:13,050

feels like with you too yeah I believe

76

00:04:22,400 --> 00:04:18,150

that's just gonna dr. Greer no can we

77

00:04:31,880 --> 00:04:22,410

interview you know and i'll be like we

78

00:04:33,170 --> 00:04:31,890

need to okay that was a toilet flush are

79

00:04:34,670 --> 00:04:33,180

you guys getting the sound effects if

80

00:04:36,620 --> 00:04:34,680

you're not allowed us to know because is

81

00:04:39,740 --> 00:04:36,630

anybody on Chad know what the heck that

82

00:04:41,930 --> 00:04:39,750

we posted it what the heck you get 45

83

00:04:43,760 --> 00:04:41,940

minutes with us 15 minutes gone eating

84

00:04:45,469 --> 00:04:43,770

the food with that listen here we're

85

00:04:46,969 --> 00:04:45,479

seven minutes into this and normally I'd

86

00:04:48,110 --> 00:04:46,979

already be like trying to speed through

87

00:04:49,969 --> 00:04:48,120

it because I want to get through

88

00:04:52,250 --> 00:04:49,979

everything but we could just sit we just

89

00:04:54,529 --> 00:04:52,260

be kosher we're gonna have we're talking

90

00:04:56,420 --> 00:04:54,539

Joe we don't have to be in a rush mm-hmm

91

00:04:59,120 --> 00:04:56,430

so everybody sit there you know grab

92

00:05:01,820 --> 00:04:59,130

some your car key grab an apple I'm

93

00:05:06,080 --> 00:05:01,830

intense and here sit down and shitty

94

00:05:08,900 --> 00:05:06,090

crunch her in the head you know Louis

95

00:05:11,180 --> 00:05:08,910

96

00:05:13,130 --> 00:05:11,190

97

00:05:15,790 --> 00:05:13,140

100

00:05:25,150 --> 00:05:23,460

go kart go go kart a go go kart so

101

00:05:27,210 --> 00:05:25,160

anyway here's my steamer

102

00:05:29,800 --> 00:05:27,220

if you guys don't catch that that's the

103

00:05:32,290 --> 00:05:29,810

Richard Simmons on the David Letterman

104

00:05:34,810 --> 00:05:32,300

Show it is one of the most are you

105

00:05:40,390 --> 00:05:34,820

talking about laughs orange because we

106

00:05:43,060 --> 00:05:40,400

have 45 minutes to talk about things so

107

00:05:45,550 --> 00:05:43,070

I mean what do you want from me is the

108

00:05:47,500 --> 00:05:45,560

real question how's our followers doing

109

00:05:51,490 --> 00:05:47,510

I just want to say thank you to all of

110

00:05:53,770 --> 00:05:51,500

111

00:05:55,270 --> 00:05:53,780

board our social media bandwagon mm-hmm

112

00:05:59,760 --> 00:05:55,280

we've got i'm just going to name a few

113

00:06:02,740 --> 00:05:59,770

like there's code UFO is giving us some

114

00:06:05,110 --> 00:06:02,750

some love hysteria 51 by the way we

115

00:06:06,580 --> 00:06:05,120

support them on patreon and would you

116

00:06:09,940 --> 00:06:06,590

recommend if you don't want as a board

117

00:06:11,050 --> 00:06:09,950

us I patreon support hit hysteria 51

118

00:06:12,580 --> 00:06:11,060

because they're doing good work over

119

00:06:15,130 --> 00:06:12,590

there yeah and I just wanna make a shout

120

00:06:21,220 --> 00:06:15,140

123

00:06:28,540 --> 00:06:26,060

know we might be interrupted by children

124

00:06:30,580 --> 00:06:28,550

its potential it's a potentially there's

125

00:06:33,190 --> 00:06:30,590

all kinds of people here from all ages

126

00:06:35,680 --> 00:06:33,200

at this facility so when all right we

127

00:06:37,810 --> 00:06:35,690

might be interrupted by children but I

128

00:06:38,800 --> 00:06:37,820

155
00:08:06,730 --> 00:08:02,420
there is a disclosure movement coming

156
00:08:08,620 --> 00:08:06,740
and that um we're going to be on the

157
00:08:11,380 --> 00:08:08,630
wave we've got somebody in the chat room

158
00:08:16,810 --> 00:08:11,390
here and there making fun of it said

159
00:08:18,490 --> 00:08:16,820
their name as they should be so uh how

160
00:08:21,190 --> 00:08:18,500
do you pronounce your name is it a

161
00:08:23,140 --> 00:08:21,200
Japanese name and by the way we're

162
00:08:26,020 --> 00:08:23,150
talking about our one of our followers

163
00:08:32,320 --> 00:08:26,030

here on on Twitter the one I was trying

164

00:08:35,800 --> 00:08:32,330

to say before at a QR oh yes anyone were

165

00:08:37,600 --> 00:08:35,810

any word on the anshar nothing what is

166

00:08:39,130 --> 00:08:37,610

an ant shark we're going to see if

167

00:08:41,050 --> 00:08:39,140

that's an alien you're talking about

168

00:08:45,790 --> 00:08:41,060

we're gonna get to that here pretty soon

169

00:08:47,680 --> 00:08:45,800

so just hang tight as we were pitching

170

00:08:49,930 --> 00:08:47,690

you guys basically hey tell your friends

171

00:08:51,460 --> 00:08:49,940

tell your mom tell people you hate about

172

00:08:54,220 --> 00:08:51,470

173

00:08:57,310 --> 00:08:54,230

chard uh yeah if you just could do a

174

00:09:00,370 --> 00:08:57,320

quick search on an char ANS har I'm not

175

00:09:05,130 --> 00:09:00,380

entirely certain if the Henshaw worse

176

00:09:11,230 --> 00:09:08,440

dead air not good reading stuff trying

177

00:09:14,770 --> 00:09:11,240

to get it good all right but we're going

178

00:09:16,930 --> 00:09:14,780

to be out there and then there is also

179

00:09:18,610 --> 00:09:16,940

00:09:47,080 --> 00:09:44,600

on the road all day today or I'm gonna

191

00:09:50,920 --> 00:09:47,090

192

00:09:52,720 --> 00:09:50,930

on where you're going which you know is

193

00:09:55,720 --> 00:09:52,730

194

00:09:58,180 --> 00:09:55,730

followers um like oily organic mama or

209
00:10:52,030 --> 00:10:47,470
its is either oily organic mama or oil

210
00:10:54,670 --> 00:10:52,040
your ganic mama it's ugly yeah probably

211
00:10:56,110 --> 00:10:54,680
other I'm having a hard time with names

212
00:10:58,960 --> 00:10:56,120
tonight I don't know my dealer names

213
00:11:00,580 --> 00:10:58,970

names names names the musical fruit the

214

00:11:06,210 --> 00:11:00,590

more you say him the more you forget him

215

00:11:10,090 --> 00:11:08,050

speaking of we're talking about alien

216

00:11:13,120 --> 00:11:10,100

faces on both entities we're going to

217

00:11:14,230 --> 00:11:13,130

pause for just a quick break and thanks

218

00:11:15,850 --> 00:11:14,240

for listening this is a 45 minute

219

00:11:17,710 --> 00:11:15,860

podcast we haven't talked about much yet

220

00:11:18,820 --> 00:11:17,720

or just doing a quick update so if

221

00:11:20,950 --> 00:11:18,830

you're listening you don't know my

222

00:11:22,840 --> 00:11:20,960

about us or if you're on our podcast or

223

00:11:24,700 --> 00:11:22,850

on YouTube just take this minute check

224

00:11:26,890 --> 00:11:24,710

us out go to our social media we're on

225

00:11:37,590 --> 00:11:26,900

all things at UFO bros TV we'll be back

226

00:12:09,690 --> 00:12:01,579

you

227

00:12:11,700 --> 00:12:09,700

some new equipment here so if for some

228

00:12:13,140 --> 00:12:11,710

reason this doesn't work we will find

229

00:12:16,860 --> 00:12:13,150

out what I'm going to basically do is

230

00:12:19,700 --> 00:12:16,870

try to do two things on the same device

231

00:12:23,790 --> 00:12:19,710

and see if we can make it happen so

232

00:12:26,940 --> 00:12:23,800

let's see what happens if I do this here

233

00:12:29,250 --> 00:12:26,950

we are hope you guys can hear me if you

234

00:12:32,010 --> 00:12:29,260

can hear me tweet me and say we can't

235

00:12:33,810 --> 00:12:32,020

hear you we're really new to um kind of

236

00:12:35,430 --> 00:12:33,820

this little upgrade situation and we're

237

00:12:37,620 --> 00:12:35,440

you know learning just like everybody

238

00:12:40,440 --> 00:12:37,630

else but we're going to talk about like

239

00:12:42,570 --> 00:12:40,450

I know that a lot of our followers well

240

00:12:44,220 --> 00:12:42,580

not a lot but a few amongst I guess the

241

00:12:46,320 --> 00:12:44,230

few that we have so I guess it seems

242

00:12:48,240 --> 00:12:46,330

like a lot but the handful that have

243

00:12:50,100 --> 00:12:48,250

come forward and said hey why are you

244

00:12:51,660 --> 00:12:50,110

guys always talking about the grades you

245

00:12:53,970 --> 00:12:51,670

guys are always commenting on the graves

246

00:12:56,610 --> 00:12:53,980

every picture you show has a gray in it

247

00:12:59,910 --> 00:12:56,620

and you know I was thinking why is that

248

00:13:03,090 --> 00:12:59,920

why do we only show the greys and I

249

00:13:06,210 --> 00:13:03,100

think probably for Joe and I yep when we

250

00:13:08,670 --> 00:13:06,220

look at the greys they just seem to me

251
00:13:10,680 --> 00:13:08,680
to be what they would look like

252
00:13:12,690 --> 00:13:10,690
especially the more humanoid looking

253
00:13:16,860 --> 00:13:12,700
ones you know me people comment saying

254
00:13:18,210 --> 00:13:16,870
um the one with skinny Bob yeah every

255
00:13:22,530 --> 00:13:18,220
single person that I've shown that

256
00:13:24,210 --> 00:13:22,540
footage to they're like oh a CGI but it

257
00:13:25,920 --> 00:13:24,220
may be could be replicated but I don't

258
00:13:27,060 --> 00:13:25,930
know I I seriously believe that's

259
00:13:31,290 --> 00:13:27,070
exactly what they're supposed to look

260
00:13:34,019 --> 00:13:31,300
like I agree um totally totally agree

261
00:13:36,840 --> 00:13:34,029
with you one hundred percent I mean no

262
00:13:38,340 --> 00:13:36,850
doubt I think that's what they're

263
00:13:41,310 --> 00:13:38,350

supposed to look like are supposed to

264

00:13:44,730 --> 00:13:41,320

represent another talking about taller

265

00:13:47,070 --> 00:13:44,740

ones yes grayish or the other ones that

266

00:13:48,449 --> 00:13:47,080

are brownish right we're going to get

267

00:13:49,860 --> 00:13:48,459

into that too there's quite a few

268

00:13:51,930 --> 00:13:49,870

different here that i'm going to show

269

00:13:55,829 --> 00:13:51,940

you guys and you know maybe i'll also

270

00:13:57,030 --> 00:13:55,839

show a few of them on our Instagram and

271

00:14:00,180 --> 00:13:57,040

Twitter there's some pretty amazing

272

00:14:03,030 --> 00:14:00,190

pictures in this book I got a hold of

273

00:14:06,060 --> 00:14:03,040

it's amazing and you know I actually

274

00:14:12,060 --> 00:14:06,070

found it searching through random google

275

00:14:14,790 --> 00:14:12,070

images it was crazy and I was amazed at

276

00:14:23,190 --> 00:14:14,800

these illustrations and

277

00:14:24,930 --> 00:14:23,200

inch into detail of hmm I'm concerned

278

00:14:28,500 --> 00:14:24,940

can you guys hear us out there i'm not

279

00:14:29,900 --> 00:14:28,510

sure if you can or for just breaking in

280

00:14:32,550 --> 00:14:29,910

and out if we're breaking it out we are

281

00:14:41,530 --> 00:14:32,560

because what I'm trying to do is like I

282

00:14:45,910 --> 00:14:43,990

okay can you guys hear us just let us

283

00:14:47,829 --> 00:14:45,920

know give us a tweet give us give us a

284

00:14:49,509 --> 00:14:47,839

tweet is something if you were not able

285

00:14:50,650 --> 00:14:49,519

to get a little shouty and if you're

286

00:14:52,960 --> 00:14:50,660

hearing this after the facts are you

287

00:14:55,509 --> 00:14:52,970

have to listen to it yeah yeah we

288

00:14:57,340 --> 00:14:55,519

apologize do you anyway huh they've

289

00:15:02,769 --> 00:14:57,350

Carla in the room Carlos using the first

290

00:15:04,720 --> 00:15:02,779

one in maybe not tonight okay so yeah I

291

00:15:09,090 --> 00:15:04,730

they do hear us good cuz you know I was

292

00:15:15,160 --> 00:15:09,100

concerned make sure they can hear it so

293

00:15:16,840 --> 00:15:15,170

um tell us about the new logo Joe before

294

00:15:18,540 --> 00:15:16,850

we get into the alien Oh while I pull

295

00:15:23,079 --> 00:15:18,550

this up because you guys it's awesome

296

00:15:25,749 --> 00:15:23,089

Joe made the hand drew the new logo yes

297

00:15:28,559 --> 00:15:25,759

and there's some more cool art coming

298

00:15:31,329 --> 00:15:28,569

your way that Joe is going to be doing

299

00:15:32,889 --> 00:15:31,339

and like we said in our tweet and our

300

00:15:35,740 --> 00:15:32,899

Instagram post if you join us in

301

00:15:40,199 --> 00:15:35,750

speaker in the chat room we will gladly

302

00:15:43,749 --> 00:15:40,209

make you a custom background UFO bro

303

00:15:45,100 --> 00:15:43,759

image so just let us know and I see

304

00:15:46,990 --> 00:15:45,110

who's in the chat room so you know they

305

00:15:49,509 --> 00:15:47,000

could just remind me but tell them like

306

00:15:50,740 --> 00:15:49,519

what inspired cuz to be honest we've

307

00:15:53,620 --> 00:15:50,750

been actually working on this since

308

00:15:55,360 --> 00:15:53,630

Roswell we have been American em ideas

309

00:15:57,150 --> 00:15:55,370

we sat in starbucks for hours and got

310

00:15:59,889 --> 00:15:57,160

diarrhea true thank you so much coffee

311

00:16:01,509 --> 00:15:59,899

tell that was a lot of diary that was a

312

00:16:04,300 --> 00:16:01,519

lot of coffee but anyway tell along

313

00:16:05,620 --> 00:16:04,310

rhythm well we've been juggling with the

314

00:16:08,889 --> 00:16:05,630

ideas like everybody's got a flying

315

00:16:10,780 --> 00:16:08,899

saucer everybody's got you know the the

316

00:16:14,110 --> 00:16:10,790

grey alien face you know it's everywhere

317

00:16:15,670 --> 00:16:14,120

that's you know and I was looking I was

318

00:16:17,769 --> 00:16:15,680

like well there's a hand as a green hand

319

00:16:20,889 --> 00:16:17,779

for fingers hey by the way one of our

320

00:16:22,930 --> 00:16:20,899

chatters just says original logo guys

321

00:16:25,240 --> 00:16:22,940

great work thank you that's awesome

322

00:16:26,920 --> 00:16:25,250

justice thanks well he I'm sorry I don't

323

00:16:29,769 --> 00:16:26,930

think in here you have a microphone duh

324

00:16:31,300 --> 00:16:29,779

thank you I really appreciate it I done

325

00:16:32,889 --> 00:16:31,310

a lot of artwork stuff but I was just

326

00:16:35,019 --> 00:16:32,899

trying to think of something four

327

00:16:36,670 --> 00:16:35,029

fingers alien hand was kind of going

328

00:16:39,999 --> 00:16:36,680

that way of doing something all sigh no

329

00:16:41,530 --> 00:16:40,009

sketching the F for the UFO and kind of

330

00:16:43,360 --> 00:16:41,540

brought the top of it around it looked

331

00:16:45,280 --> 00:16:43,370

like a TV then I put all intent on it

332

00:16:47,290 --> 00:16:45,290

and Bob's your uncle and then of course

333

00:16:49,720 --> 00:16:47,300

I get a hold of it and I'm like well

334

00:16:54,889 --> 00:16:49,730

what about this yeah mr. critique II

335

00:16:57,799 --> 00:16:54,899

this is part of my personality

336

00:16:59,059 --> 00:16:57,809

anyway I also know how to step out of

337

00:17:01,160 --> 00:16:59,069

the way when somebody's really great at

338

00:17:02,869 --> 00:17:01,170

something so I'm so glad he came up with

339

00:17:04,460 --> 00:17:02,879

it because we were throwing out so many

340

00:17:07,220 --> 00:17:04,470

ideas and we were going to try to pay

341

00:17:09,169 --> 00:17:07,230

somebody yes and that was the feeling

342

00:17:11,029 --> 00:17:09,179

when you had it right yeah your head

343

00:17:12,740 --> 00:17:11,039

because I knew it you grab the tablet

344

00:17:15,429 --> 00:17:12,750

you said nope nope it's none of this and

345

00:17:19,220 --> 00:17:15,439

by the way we had spent hours and hours

346

00:17:28,429 --> 00:17:19,230

outlining this design my son we said

347

00:17:31,789 --> 00:17:28,439

that'd that was exactly how I felt when

348

00:17:38,090 --> 00:17:31,799

it came up on the screen anyway enough

349

00:17:39,860 --> 00:17:38,100

about the logo um how about this what

350

00:17:41,480 --> 00:17:39,870

we're gonna get into here today this

351

00:17:45,500 --> 00:17:41,490
evening probably in the morning

352

00:17:50,539 --> 00:17:45,510
somewhere else is in it solutely exit

353

00:17:53,000 --> 00:17:50,549
yes is excellent um how grays and then

354

00:17:55,370 --> 00:17:53,010
the tallest brownish green ones there

355

00:17:57,590 --> 00:17:55,380
are the stinky ones I'm sir some people

356

00:18:03,399 --> 00:17:57,600
have their own opinion on it and what

357

00:18:08,240 --> 00:18:03,409
reptile species there is a reptile DNA I

358

00:18:09,769 --> 00:18:08,250
just it's kind of hard for me to think

359

00:18:11,330 --> 00:18:09,779
that I mean there there could be there

360

00:18:13,610 --> 00:18:11,340
could be different species that visit us

361

00:18:15,380 --> 00:18:13,620
we don't even know about far as we know

362

00:18:17,510 --> 00:18:15,390
it's a little green one this booklet and

363

00:18:19,789 --> 00:18:17,520

I just since we're jumping into it it's

364

00:18:23,450 --> 00:18:19,799

called a visual guide to alien beings

365

00:18:24,590 --> 00:18:23,460

and um it will freaking blow your mind I

366

00:18:27,620 --> 00:18:24,600

don't really know the entire story

367

00:18:31,580 --> 00:18:27,630

behind this but it's by somebody named

368

00:18:33,350 --> 00:18:31,590

David W chase chosse II and that's

369

00:18:35,090 --> 00:18:33,360

actually where I pulled the image on our

370

00:18:38,330 --> 00:18:35,100

Instagram and Twitter from definitely

371

00:18:40,010 --> 00:18:38,340

not our image so I wanted to yes so make

372

00:18:44,240 --> 00:18:40,020

sure to give the the artist the credit

373

00:18:46,310 --> 00:18:44,250

but heat look at this job okay oh wow

374

00:18:48,080 --> 00:18:46,320

you guys can't see it you need to

375

00:18:50,600 --> 00:18:48,090

download it i'll probably try to put a

376

00:18:52,460 --> 00:18:50,610

link but it's this beautiful artwork you

377

00:18:53,960 --> 00:18:52,470

can see here look at all these are all

378

00:18:57,590 --> 00:18:53,970

different accountings of people's

379

00:19:01,279 --> 00:18:57,600

descriptions so feels like as an example

380

00:19:02,210 --> 00:19:01,289

for this page on these different aliens

381

00:19:04,669 --> 00:19:02,220

you

382

00:19:07,960 --> 00:19:04,679

he's I think what he does is he takes

383

00:19:11,779 --> 00:19:07,970

the ones that he thinks for the most

384

00:19:13,100 --> 00:19:11,789

really a praying mantis yeah we're gonna

385

00:19:14,720 --> 00:19:13,110

talk about that one because there is

386

00:19:16,850 --> 00:19:14,730

some characteristics i guess about that

387

00:19:17,960 --> 00:19:16,860

chicken fingers yeah there's chicken

388

00:19:20,750 --> 00:19:17,970

fingers in there's like these little

389

00:19:22,460 --> 00:19:20,760

short blue guys which were in the movie

390

00:19:24,950 --> 00:19:22,470

communion we're going to talk about Bill

391

00:19:29,240 --> 00:19:24,960

oh my I don't know it was that a

392

00:19:33,020 --> 00:19:29,250

cross-eyed asian guy I don't know but

393

00:19:35,419 --> 00:19:33,030

look at these look at this it looks like

394

00:19:38,470 --> 00:19:35,429

skinny Bob to me yeah and then here you

395

00:19:42,260 --> 00:19:38,480

can see what the people's description of

396

00:19:44,870 --> 00:19:42,270

you know very smooth had more of a

397

00:19:47,740 --> 00:19:44,880

jawline than this with like a arrow

398

00:19:50,029 --> 00:19:47,750

pointing to the diagram so just very

399

00:19:52,070 --> 00:19:50,039

specific and detailed and high

400

00:19:54,049 --> 00:19:52,080

resolution so I mean I showed me this

401
00:19:56,659 --> 00:19:54,059
you know to be honest with you I just

402
00:19:58,760 --> 00:19:56,669
found it today just like accidentally

403
00:20:00,289 --> 00:19:58,770
stumbled upon it like it even explains

404
00:20:05,240 --> 00:20:00,299
here that there's tall greys guys

405
00:20:07,669 --> 00:20:05,250
they're like mantis type and some are

406
00:20:09,500 --> 00:20:07,679
more mantis-like or someone more gray

407
00:20:12,080 --> 00:20:09,510
like they're up to seven feet which is

408
00:20:16,039 --> 00:20:12,090
detailed in here they talk about the

409
00:20:18,049 --> 00:20:16,049
tall beings in quotations the strieber

410
00:20:21,380 --> 00:20:18,059
being referring to of course the whitley

411
00:20:23,690 --> 00:20:21,390
strieber case which is you know which

412
00:20:25,100 --> 00:20:23,700
started the whole probe because we are

413
00:20:27,529 --> 00:20:25,110

proving hard tonight let me tell you

414

00:20:30,980 --> 00:20:27,539

we're gonna be proven hardest do me well

415

00:20:34,100 --> 00:20:30,990

not you I mean cuz to me but that show

416

00:20:36,860 --> 00:20:34,110

of that book sorry then sparked the

417

00:20:40,390 --> 00:20:36,870

movie communion which I tried to watch I

418

00:20:43,399 --> 00:20:40,400

tried to watch it with walking in it and

419

00:20:46,820 --> 00:20:43,409

he ends up dancing all these two who put

420

00:20:49,190 --> 00:20:46,830

me in the movie that was a good one I've

421

00:20:51,350 --> 00:20:49,200

been waiting for that one bro now we

422

00:20:53,810 --> 00:20:51,360

give you our of applause man here's give

423

00:20:57,460 --> 00:20:53,820

you round of applause round of applause

424

00:20:59,470 --> 00:20:57,470

everybody I tried having guitar

425

00:21:03,870 --> 00:20:59,480

I think experience and education be

426
00:21:06,909 --> 00:21:03,880
awarded kemosiri alone pay me for this

427
00:21:08,140 --> 00:21:06,919
hey worked wienis' world is like almost

428
00:21:09,430 --> 00:21:08,150
halfway through and we've been started

429
00:21:11,560 --> 00:21:09,440
the book so let's get into this thing

430
00:21:13,390 --> 00:21:11,570
sheesh I hope everybody can hear me it's

431
00:21:15,549 --> 00:21:13,400
not a quick break for a second so we get

432
00:21:17,020 --> 00:21:15,559
our already took a break so we got to

433
00:21:19,810 --> 00:21:17,030
keep continuing because there's a lot to

434
00:21:23,169 --> 00:21:19,820
cover here because there's two different

435
00:21:24,520 --> 00:21:23,179
strieber type beings one of which like I

436
00:21:29,020 --> 00:21:24,530
said it's about a four and a half to

437
00:21:31,750 --> 00:21:29,030
five foot tall being the other one which

438
00:21:34,510 --> 00:21:31,760

is depicted in the communion movie as

439

00:21:42,880 --> 00:21:34,520

well as described pretty accurately in

440

00:21:47,230 --> 00:21:42,890

the book is a a blue three foot five to

441

00:21:49,510 --> 00:21:47,240

four being like a stocky blue where do

442

00:21:51,370 --> 00:21:49,520

people just seven out a they flower as a

443

00:21:52,539 --> 00:21:51,380

from know my question is this directly

444

00:21:54,490 --> 00:21:52,549

from the government resist from people

445

00:21:55,960 --> 00:21:54,500

sightings of what they've seen so these

446

00:21:58,720 --> 00:21:55,970

soldiers you say this is out of four

447

00:22:00,070 --> 00:21:58,730

people that three of them from other

448

00:22:02,590 --> 00:22:00,080

parts of the United States seen these

449

00:22:06,419 --> 00:22:02,600

beings yes with this what this artist

450

00:22:09,789 --> 00:22:06,429

has done is take multiple accountings of

451
00:22:12,460 --> 00:22:09,799
you know what they call a touched by an

452
00:22:15,250 --> 00:22:12,470
alien or whatever alien yeah counter and

453
00:22:17,200 --> 00:22:15,260
yeah tries to get like what they look

454
00:22:19,630 --> 00:22:17,210
like yeah and sketches them based on

455
00:22:21,250 --> 00:22:19,640
what those the descriptions that the

456
00:22:25,029 --> 00:22:21,260
witness is gay then he comes up with

457
00:22:26,649 --> 00:22:25,039
multiple versions and you know some of

458
00:22:29,470 --> 00:22:26,659
these get me like we got to talk about

459
00:22:31,450 --> 00:22:29,480
the praying mantis people because there

460
00:22:36,760 --> 00:22:31,460
are some descriptions in here of the

461
00:22:39,130 --> 00:22:36,770
praying mantis people and that's what

462
00:22:43,470 --> 00:22:39,140
we're talking about so if you guys move

463
00:22:46,779 --> 00:22:43,480

on an that you can but I up for this one

464

00:22:51,149 --> 00:22:46,789

it's been a long time since they've

465

00:22:58,970 --> 00:22:51,159

reported or done any documentaries on

466

00:23:03,269 --> 00:23:01,080

reptilian it's usually about the grains

467

00:23:05,130 --> 00:23:03,279

you know or largely great I've never

468

00:23:07,919 --> 00:23:05,140

heard anybody really or like we said in

469

00:23:10,649 --> 00:23:07,929

the movies some squid like thing which

470

00:23:12,990 --> 00:23:10,659

that's where this starts to starts to

471

00:23:18,180 --> 00:23:13,000

kind of bug me a little bit is they

472

00:23:27,990 --> 00:23:18,190

start to become so insect or if not

473

00:23:31,740 --> 00:23:28,000

insect if that's not the word not not a

474

00:23:34,350 --> 00:23:31,750

million delicious entrees it now what's

475

00:23:35,759 --> 00:23:34,360

with these prime mantis type is that

476

00:23:38,250 --> 00:23:35,769

what the more insect looking is supposed

477

00:23:40,019 --> 00:23:38,260

to be reptilian we'll look see you as me

478

00:23:41,789 --> 00:23:40,029

carrying here you can see and I know you

479

00:23:47,490 --> 00:23:41,799

guys are praying mantis that's yeah it's

480

00:23:48,990 --> 00:23:47,500

from 10 and I had a whole bunch of

481

00:23:55,080 --> 00:23:49,000

information on these guys here and I

482

00:23:58,230 --> 00:23:55,090

seem to have lost it or podcast here oh

483

00:24:01,019 --> 00:23:58,240

my gosh hang with me guys I'm just going

484

00:24:02,970 --> 00:24:01,029

through this book I've been through it

485

00:24:04,440 --> 00:24:02,980

today because one thing that really

486

00:24:10,830 --> 00:24:04,450

caught my attention and it was the

487

00:24:17,159 --> 00:24:10,840

Hornet wasps type which are these eyes a

488

00:24:19,409 --> 00:24:17,169

little more i would say vertical rather

489

00:24:22,470 --> 00:24:19,419

than offset of like your typical gray

490

00:24:24,389 --> 00:24:22,480

with two antennas they're generally

491

00:24:26,519 --> 00:24:24,399

depicted as brown so that might be the

492

00:24:28,350 --> 00:24:26,529

Browns that you're talking about yes the

493

00:24:31,409 --> 00:24:28,360

Browns are supposed to be they they have

494

00:24:36,790 --> 00:24:31,419

a smell to them yes also heard about

495

00:24:41,050 --> 00:24:40,000

I am having a hard time and this is

496

00:24:43,740 --> 00:24:41,060

where we need our listeners in our

497

00:24:46,240 --> 00:24:43,750

chatters I'm having the hardest time

498

00:24:49,240 --> 00:24:46,250

understanding where the tall eight

499

00:24:52,930 --> 00:24:49,250

there's the tall tall greys there's the

500

00:24:56,170 --> 00:24:52,940

tall white then there's the small Grey's

501
00:24:58,900 --> 00:24:56,180
so you've got seven and nine foot beings

502
00:25:01,150 --> 00:24:58,910
which are generally the tall greys are

503
00:25:02,890 --> 00:25:01,160
the tall whites and then you have the

504
00:25:06,280 --> 00:25:02,900
three and a half to four foot beings

505
00:25:08,230 --> 00:25:06,290
which is your typical sort of greys but

506
00:25:12,220 --> 00:25:08,240
then when you start going over to the

507
00:25:15,360 --> 00:25:12,230
kind of the insect I guess portion of

508
00:25:17,380 --> 00:25:15,370
this so-called species you start getting

509
00:25:21,460 --> 00:25:17,390
mountain you know what I'm asking up I

510
00:25:25,300 --> 00:25:21,470
know the movie up what I called district

511
00:25:28,000 --> 00:25:25,310
nine oh really is that the movie yeah

512
00:25:32,380 --> 00:25:28,010
that's not a porno name is it no I don't

513
00:25:35,770 --> 00:25:32,390

think either well you never know because

514

00:25:40,540 --> 00:25:35,780

sometimes even know your rights district

515

00:25:42,370 --> 00:25:40,550

nine that's it oh yeah I I wait border

516

00:25:44,800 --> 00:25:42,380

no one point our way home let's take one

517

00:25:46,750 --> 00:25:44,810

step back take to some sport so here we

518

00:25:48,640 --> 00:25:46,760

are with the Hornets where r with the

519

00:25:53,080 --> 00:25:48,650

praying mantises were with the

520

00:25:54,730 --> 00:25:53,090

reptilians which supposedly because I

521

00:25:57,480 --> 00:25:54,740

had to do some research on this little

522

00:26:00,280 --> 00:25:57,490

bit have infiltrated the government and

523

00:26:03,240 --> 00:26:00,290

there are people that actually believe

524

00:26:06,220 --> 00:26:03,250

members of the government are indeed

525

00:26:10,660 --> 00:26:06,230

reptilian either genetically modified

526

00:26:15,150 --> 00:26:10,670

reptilian or they are reptilian in

527

00:26:17,830 --> 00:26:15,160

disguise reptilians in disguise yeah

528

00:26:20,020 --> 00:26:17,840

sorry that just popped in my head I

529

00:26:24,370 --> 00:26:20,030

think that's a little silly to be honest

530

00:26:27,340 --> 00:26:24,380

with you I don't see the purpose of an

531

00:26:31,420 --> 00:26:27,350

intergalactic being coming down here to

532

00:26:34,090 --> 00:26:31,430

where I'm you know a skin suit to be

533

00:26:36,280 --> 00:26:34,100

part of our awful politics which really

534

00:26:40,150 --> 00:26:36,290

doesn't get too much know they have

535

00:26:41,830 --> 00:26:40,160

noticed that make I forget the reptilian

536

00:26:43,210 --> 00:26:41,840

part of it just the whole fact that

537

00:26:45,400 --> 00:26:43,220

enjoyed one ever so remember that

538

00:26:46,750 --> 00:26:45,410

remember that video again maybe maybe

539

00:26:48,610 --> 00:26:46,760

they're all reptilians that's house of

540

00:26:49,930 --> 00:26:48,620

crazy [h__\h] let me that's maybe that's

541

00:26:50,530 --> 00:26:49,940

the best we can describe it looks what

542

00:26:53,260 --> 00:26:50,540

Jillian

543

00:26:55,720 --> 00:26:53,270

maybe they are obtained or they say that

544

00:26:59,490 --> 00:26:55,730

their shape-shifting reptilians I don't

545

00:27:01,990 --> 00:26:59,500

think so because I think they're just

546

00:27:04,660 --> 00:27:02,000

it's kind of hard to explain there the

547

00:27:07,480 --> 00:27:04,670

more like whitish all the reptilians

548

00:27:10,200 --> 00:27:07,490

know well are you talking or what

549

00:27:12,880 --> 00:27:10,210

reptilians are more brownish looking yet

550

00:27:14,050 --> 00:27:12,890

brownish green and it's hard to tell

551
00:27:18,220 --> 00:27:14,060
sometimes some of these sketches are

552
00:27:21,570 --> 00:27:18,230
just in black and white and to be honest

553
00:27:24,460 --> 00:27:21,580
I feel like an artist of this caliber

554
00:27:27,370 --> 00:27:24,470
recreating these races the way that they

555
00:27:31,650 --> 00:27:27,380
are the way that they are is really

556
00:27:35,500 --> 00:27:31,660
almost like a as close as you can get to

557
00:27:37,180 --> 00:27:35,510
the actual siding or being able to get

558
00:27:39,370 --> 00:27:37,190
as close as you can to actually looking

559
00:27:43,000 --> 00:27:39,380
at this yes potential being from another

560
00:27:45,070 --> 00:27:43,010
planet and there's over 200 pages you

561
00:27:46,120 --> 00:27:45,080
guys and like I said we're going to go

562
00:27:49,000 --> 00:27:46,130
ahead and actually no we're going to

563
00:27:52,000 --> 00:27:49,010

post that around a tree on that's where

564

00:27:54,730 --> 00:27:52,010

we'll post it the link to this book this

565

00:27:57,300 --> 00:27:54,740

high-resolution PDF i will post on our

566

00:28:00,370 --> 00:27:57,310

patreon account so if you're a patreon

567

00:28:03,820 --> 00:28:00,380

really drink you will be able to get

568

00:28:04,960 --> 00:28:03,830

this book and if you're really really

569

00:28:07,090 --> 00:28:04,970

smart i'm sure you can find it online

570

00:28:10,660 --> 00:28:07,100

but you know we like to make things

571

00:28:12,400 --> 00:28:10,670

convenient and easy for you all so now

572

00:28:17,140 --> 00:28:12,410

let's check this out there's the also

573

00:28:22,870 --> 00:28:17,150

the cat l'd grades okay and these are

574

00:28:24,460 --> 00:28:22,880

based on interviews of May of 98 with it

575

00:28:26,740 --> 00:28:24,470

looks like somebody who did not want to

576

00:28:29,740 --> 00:28:26,750

keep their name public it's just a few

577

00:28:31,560 --> 00:28:29,750

initials but there's more and more of

578

00:28:35,350 --> 00:28:31,570

these accountings of these cloaked

579

00:28:38,890 --> 00:28:35,360

beings that look like greys and so

580

00:28:41,830 --> 00:28:38,900

here's just kind of a description wears

581

00:28:46,960 --> 00:28:41,840

a black coke with cloak sorry maybe I do

582

00:28:49,660 --> 00:28:46,970

want to go nothing i ste hood stylee

583

00:28:52,720 --> 00:28:49,670

hood slightly pointed at top toward the

584

00:28:55,090 --> 00:28:52,730

back opening his wide could see ears if

585

00:28:57,250 --> 00:28:55,100

it had them which it doesn't can see

586

00:29:00,130 --> 00:28:57,260

face when looking right at it from the

587

00:29:03,970 --> 00:29:00,140

front face is not deeply recessed in

588

00:29:06,190 --> 00:29:03,980

shadow pale sickly white all

589

00:29:09,190 --> 00:29:06,200

Oh beneath the cheekbone unbelievably

590

00:29:14,140 --> 00:29:09,200

spindly skinny kid with cloak size of a

591

00:29:17,830 --> 00:29:14,150

small child yeah that would creep this

592

00:29:20,140 --> 00:29:17,840

laughs but see the key part of this is

593

00:29:23,289 --> 00:29:20,150

that they're supposedly supposedly a cat

594

00:29:29,350 --> 00:29:23,299

I here yes for webbed fingers lizard

595

00:29:34,720 --> 00:29:29,360

claws Tennessee it makes you wonder is

596

00:29:37,539 --> 00:29:34,730

person crazy or because there's also the

597

00:29:41,020 --> 00:29:37,549

Nordics which oh yeah I heard about that

598

00:29:42,970 --> 00:29:41,030

a little bit bigger eyes I've heard

599

00:29:49,539 --> 00:29:42,980

about the Nordic since several on

600

00:29:53,710 --> 00:29:49,549

several different excuse me several

601
00:29:58,539 --> 00:29:53,720
different sort of topics one being there

602
00:30:01,990 --> 00:29:58,549
is a there is a really big belief in the

603
00:30:04,240 --> 00:30:02,000
Nordics they seem to be as common areas

604
00:30:06,210 --> 00:30:04,250
but nobody's talking about them and the

605
00:30:10,030 --> 00:30:06,220
Nordics for those of you who don't know

606
00:30:11,799 --> 00:30:10,040
come from I think I don't know the

607
00:30:13,900 --> 00:30:11,809
Nordics and the palladiums that may be

608
00:30:15,490 --> 00:30:13,910
where I'm not sure if the Nordics or the

609
00:30:17,799 --> 00:30:15,500
palladiums are different or the same

610
00:30:18,909 --> 00:30:17,809
maybe or our listeners can practice on

611
00:30:20,560 --> 00:30:18,919
that because we're all kind of learning

612
00:30:24,909 --> 00:30:20,570
together there's so many here there's no

613
00:30:26,289 --> 00:30:24,919

way to know what's what and maybe what's

614

00:30:29,200 --> 00:30:26,299

what we should do is just narrow it down

615

00:30:31,539 --> 00:30:29,210

Joe okay that's what we're gonna do

616

00:30:33,520 --> 00:30:31,549

something about bigger I because I will

617

00:30:38,680 --> 00:30:33,530

say they're not there does not seem to

618

00:30:41,140 --> 00:30:38,690

be enough just info it's all crap out

619

00:30:44,799 --> 00:30:41,150

there sorry bitching fest right now from

620

00:30:47,590 --> 00:30:44,809

Emmet a crap is out there I'm sick of

621

00:30:50,110 --> 00:30:47,600

the thumbnails that show you you know a

622

00:30:52,440 --> 00:30:50,120

spaceship invading and then you click on

623

00:30:55,659 --> 00:30:52,450

it and it's a I don't know butterflies

624

00:30:58,030 --> 00:30:55,669

somewhere at night you know is very

625

00:31:01,030 --> 00:30:58,040

frustrating to me so we don't want to do

626
00:31:02,740 --> 00:31:01,040
that and we want to get to the bottom of

627
00:31:04,780 --> 00:31:02,750
this we just want to provide the info we

628
00:31:09,280 --> 00:31:04,790
want to get it to you guys we don't want

629
00:31:12,010 --> 00:31:09,290
it to be like crap it took me hours to

630
00:31:13,810 --> 00:31:12,020
dig just to get this info because there

631
00:31:15,640 --> 00:31:13,820
was so much information I'm still

632
00:31:16,780 --> 00:31:15,650
overwhelmed looking at it I mean to be

633
00:31:19,240 --> 00:31:16,790
honest I don't know if we'll be able to

634
00:31:20,560 --> 00:31:19,250
do it in 45 minutes but you know i wanna

635
00:31:23,380 --> 00:31:20,570
talk about like the prank bit the

636
00:31:29,440 --> 00:31:23,390
praying mantis beings this this was

637
00:31:33,370 --> 00:31:29,450
based on an interview in 95 and i guess

638
00:31:34,780 --> 00:31:33,380

this is the message it is time for us to

639

00:31:37,410 --> 00:31:34,790

merge with the mainstream of

640

00:31:39,490 --> 00:31:37,420

civilization time to join the Galactic

641

00:31:42,100 --> 00:31:39,500

transdimensional community of

642

00:31:44,760 --> 00:31:42,110

intelligent life our isolation and

643

00:31:51,270 --> 00:31:44,770

separation will end we are not alone

644

00:31:54,510 --> 00:31:51,280

apparently that's what this being yeah

645

00:31:57,970 --> 00:31:54,520

teluk telepathically commuted to this

646

00:32:02,590 --> 00:31:57,980

witness here so they've got little black

647

00:32:04,600 --> 00:32:02,600

feelers very thin crease running along

648

00:32:07,960 --> 00:32:04,610

next to the eye but the eyes protrude

649

00:32:09,460 --> 00:32:07,970

out the side like a praying mantis they

650

00:32:11,230 --> 00:32:09,470

even showed two little mandibles here

651

00:32:13,600 --> 00:32:11,240

it's pretty detailed it's very very nice

652

00:32:16,060 --> 00:32:13,610

art even X but you showing like the

653

00:32:17,920 --> 00:32:16,070

thumbs yet closing thumb thumb and there

654

00:32:21,160 --> 00:32:17,930

were little fuzzy velcro pads on the

655

00:32:27,010 --> 00:32:21,170

hand that's just straight in sick to me

656

00:32:30,880 --> 00:32:27,020

and there is also a drawing of a male

657

00:32:34,480 --> 00:32:30,890

and a female and apparently males do

658

00:32:35,890 --> 00:32:34,490

have the phallus like sort of bosses

659

00:32:37,780 --> 00:32:35,900

other people that understand what

660

00:32:39,700 --> 00:32:37,790

phalluses its penis basically we're

661

00:32:44,290 --> 00:32:39,710

talking about wieners the gun we using

662

00:32:46,060 --> 00:32:44,300

alien wieners only you bro so I guess

663

00:32:49,960 --> 00:32:46,070

this is their exploration strategy

664

00:32:53,800 --> 00:32:49,970

strategy they search for a suitable

665

00:32:55,660 --> 00:32:53,810

world and timeline with thought travel

666

00:32:57,190 --> 00:32:55,670

then take their ships they're physically

667

00:32:59,350 --> 00:32:57,200

by bending time which you know we've

668

00:33:01,150 --> 00:32:59,360

talked about that moving diagonal

669

00:33:02,950 --> 00:33:01,160

diagonally through time instead of

670

00:33:05,410 --> 00:33:02,960

straight through space like rockets to

671

00:33:08,430 --> 00:33:05,420

see talking about this stuff back here

672

00:33:10,600 --> 00:33:08,440

and this is an eyewitness that's pretty

673

00:33:15,210 --> 00:33:10,610

credible to me that's exactly how the

674

00:33:23,560 --> 00:33:22,060

now there is a kind of bouncing around

675

00:33:25,330 --> 00:33:23,570

here there is a I don't to call it a

676

00:33:27,970 --> 00:33:25,340

cult it's a religion

677

00:33:31,410 --> 00:33:27,980

or something there called the Raelians

678

00:33:35,020 --> 00:33:31,420

have you heard of these guys know okay

679

00:33:37,060 --> 00:33:35,030

this guy is named Raya and I think he's

680

00:33:40,210 --> 00:33:37,070

in from France oh my gosh up i'm not

681

00:33:41,530 --> 00:33:40,220

wrong but one day in the 70s he was

682

00:33:46,870 --> 00:33:41,540

driving along the beautiful countryside

683

00:33:54,240 --> 00:33:46,880

and a flying saucer emerged down and out

684

00:33:59,260 --> 00:33:54,250

came a being now the being looked like a

685

00:34:03,900 --> 00:33:59,270

nordic but with long black hair hmm and

686

00:34:07,930 --> 00:34:03,910

he claims that this alien being told

687

00:34:12,250 --> 00:34:07,940

you're full of it told him uh all the

688

00:34:14,640 --> 00:34:12,260

secrets of the universe and that what he

689

00:34:16,960 --> 00:34:14,650

was to do was to build a religion and

690

00:34:20,470 --> 00:34:16,970

that they needed to build a temple of

691

00:34:22,900 --> 00:34:20,480

some sort to welcome back the beans and

692

00:34:26,500 --> 00:34:22,910

that they will not come back until this

693

00:34:28,030 --> 00:34:26,510

enormous temple is built in some sort of

694

00:34:29,980 --> 00:34:28,040

place I mean that's the gist of it okay

695

00:34:33,490 --> 00:34:29,990

yeah but it is really like a free love

696

00:34:34,960 --> 00:34:33,500

kind of society very hippie esque which

697

00:34:39,040 --> 00:34:34,970

is fine there's nothing wrong with that

698

00:34:42,760 --> 00:34:39,050

but it's very different kind of religion

699

00:34:45,910 --> 00:34:42,770

and their whole entire religious

700

00:34:48,310 --> 00:34:45,920

experiences based off you know this

701
00:34:50,950 --> 00:34:48,320
other being that I think that it was

702
00:34:53,140 --> 00:34:50,960
from with the Palladian I believe really

703
00:34:56,380 --> 00:34:53,150
yeah and people talk about the plate

704
00:34:58,630 --> 00:34:56,390
Ian's there the Palladian the Nordics

705
00:35:02,980 --> 00:34:58,640
are all supposedly they ain't playin now

706
00:35:07,930 --> 00:35:02,990
right now the good guys the the Hornets

707
00:35:11,710 --> 00:35:07,940
the the lizard types at such other

708
00:35:16,150 --> 00:35:11,720
reptilians tend to be staged as the bad

709
00:35:17,890 --> 00:35:16,160
guys now yeah bad guys huh oh

710
00:35:21,010 --> 00:35:17,900
interesting hey look we've got a cheddar

711
00:35:26,380 --> 00:35:21,020
saying a army sergeant Clifford stone

712
00:35:29,200 --> 00:35:26,390
and yes I have watched that disclosure

713
00:35:31,090 --> 00:35:29,210

piece has encountered and treated

714

00:35:34,480 --> 00:35:31,100

praying mantis type beings out in the

715

00:35:35,650 --> 00:35:34,490

field and says there's 45 plus types of

716

00:35:39,099 --> 00:35:35,660

ETS

717

00:35:41,950 --> 00:35:39,109

you know 45 I know and I saw another one

718

00:35:44,380 --> 00:35:41,960

that says over 90 different type of

719

00:35:46,900 --> 00:35:44,390

species yeah you don't think that we

720

00:35:52,089 --> 00:35:46,910

need to do I think we need to just start

721

00:35:54,880 --> 00:35:52,099

with the Grace and get get all in one

722

00:35:58,420 --> 00:35:54,890

place as much information as we can and

723

00:36:00,900 --> 00:35:58,430

do each I don't know what we'll do maybe

724

00:36:04,539 --> 00:36:00,910

they're either book or sketch something

725

00:36:06,160 --> 00:36:04,549

that details it because first of all

726

00:36:08,740 --> 00:36:06,170

it's really unfortunate that this book

727

00:36:10,770 --> 00:36:08,750

isn't in print because it's being

728

00:36:14,140 --> 00:36:10,780

pirated it's kind of only way to see it

729

00:36:16,630 --> 00:36:14,150

of course I don't condone that and if I

730

00:36:19,270 --> 00:36:16,640

can purchase it I will the link that i

731

00:36:22,510 --> 00:36:19,280

have gives me access to the to read the

732

00:36:23,740 --> 00:36:22,520

book for a short amount of time so i'm

733

00:36:26,650 --> 00:36:23,750

not really sure how that works into the

734

00:36:28,299 --> 00:36:26,660

equation but definitely gonna want to

735

00:36:29,529 --> 00:36:28,309

check that out folks definitely wanna

736

00:36:30,880 --> 00:36:29,539

check that out and also while you're on

737

00:36:33,130 --> 00:36:30,890

our patreon page make sure you check out

738

00:36:34,299 --> 00:36:33,140

all the other stuff that none of you

739

00:36:38,049 --> 00:36:34,309

have been able to see because you're not

740

00:36:40,900 --> 00:36:38,059

a patreon and if you're a patreon patron

741

00:36:44,019 --> 00:36:40,910

on you get you get stuff and it's fun

742

00:36:48,430 --> 00:36:44,029

and we have a good time so by the way

743

00:36:50,230 --> 00:36:48,440

thank you for the contribution there on

744

00:36:52,539 --> 00:36:50,240

the Clifford stone story I'm going to

745

00:36:55,390 --> 00:36:52,549

have to go back and and kind of

746

00:36:58,890 --> 00:36:55,400

re-education that whole situation that's

747

00:37:06,940 --> 00:37:02,500

anybody else think out there that there

748

00:37:13,480 --> 00:37:06,950

is more than 45 what more than 99 maybe

749

00:37:18,120 --> 00:37:13,490

we should do a poll and maybe the amount

750

00:37:21,190 --> 00:37:18,130

of aliens out there are so vast that

751
00:37:25,029 --> 00:37:21,200
it's way beyond our comprehension and

752
00:37:28,450 --> 00:37:25,039
the fact that everything is zeroed in on

753
00:37:32,319 --> 00:37:28,460
the greys which is said to be you know

754
00:37:34,750 --> 00:37:32,329
yeah one of many species why is it that

755
00:37:37,210 --> 00:37:34,760
that was put in front of us probably

756
00:37:39,789 --> 00:37:37,220
because it was the most benevolent look

757
00:37:42,490 --> 00:37:39,799
benevolent looking face the nicest

758
00:37:45,069 --> 00:37:42,500
looking face in it and then it got

759
00:37:48,720 --> 00:37:45,079
distorted it got turned into the eyes

760
00:37:51,810 --> 00:37:48,730
became more you know turned out and it

761
00:37:53,610 --> 00:37:51,820
thinkgeek you know basically like my

762
00:37:55,620 --> 00:37:53,620
sweater that you that you got me in my

763
00:37:58,050 --> 00:37:55,630

UFO hat that has the alien head same

764

00:38:00,060 --> 00:37:58,060

alien which is kind of why we didn't

765

00:38:03,120 --> 00:38:00,070

want to put it in the logo because it's

766

00:38:06,570 --> 00:38:03,130

it's obviously a beautiful idea it's a

767

00:38:07,890 --> 00:38:06,580

great we love alien heads we love alien

768

00:38:10,770 --> 00:38:07,900

head by the way through there's the new

769

00:38:13,250 --> 00:38:10,780

aliens out there listening we have a few

770

00:38:15,870 --> 00:38:13,260

minutes table you just have a cocktail

771

00:38:19,530 --> 00:38:15,880

maybe we'll have the pink off Mabel have

772

00:38:22,320 --> 00:38:19,540

some tail maybe well I'm sorry and we're

773

00:38:24,180 --> 00:38:22,330

back hi we're back you know this is what

774

00:38:28,110 --> 00:38:24,190

happens Joe when you leave me in charge

775

00:38:29,940 --> 00:38:28,120

of this podcast for 45 minutes but

776

00:38:32,340 --> 00:38:29,950

anyway I just think there could be so

777

00:38:35,310 --> 00:38:32,350

many out there and that part of soft

778

00:38:39,410 --> 00:38:35,320

disclosure is to put the more benign

779

00:38:42,150 --> 00:38:39,420

face out there the one that seems to be

780

00:38:43,590 --> 00:38:42,160

easy enough to present to the public

781

00:38:45,060 --> 00:38:43,600

enough over and over and over and over

782

00:38:46,410 --> 00:38:45,070

and over again in so many more forms

783

00:38:49,380 --> 00:38:46,420

that of course we just become more and

784

00:38:51,750 --> 00:38:49,390

more used to it and so when we do see

785

00:38:54,090 --> 00:38:51,760

the darn thing we're not that surprised

786

00:38:55,950 --> 00:38:54,100

and it's funny enough doing hatton I

787

00:38:58,110 --> 00:38:55,960

believe one of our social media flowers

788

00:38:59,820 --> 00:38:58,120

he said hey I've been face-to-face with

789

00:39:01,290 --> 00:38:59,830

them they don't really surprise me they

790

00:39:04,020 --> 00:39:01,300

don't really make me excited they're

791

00:39:06,330 --> 00:39:04,030

just they're just there and you know

792

00:39:10,140 --> 00:39:06,340

what I want to feel that way I thought I

793

00:39:11,940 --> 00:39:10,150

could I could meet the greys I don't

794

00:39:13,770 --> 00:39:11,950

want to meet I don't meet the lizards

795

00:39:15,750 --> 00:39:13,780

ones and I don't want to meet the Hornet

796

00:39:17,100 --> 00:39:15,760

my brother no I'm hoping I'll either I

797

00:39:19,350 --> 00:39:17,110

want to meet the grace to I wonder what

798

00:39:21,510 --> 00:39:19,360

they're about well they say remember I'm

799

00:39:24,210 --> 00:39:21,520

sorry to cut you off damn it oh that's

800

00:39:26,370 --> 00:39:24,220

okay um but the supposed to remember

801
00:39:28,320 --> 00:39:26,380
that the contact desert on which one is

802
00:39:32,130 --> 00:39:28,330
by supposed to be huge huge disclosure

803
00:39:37,470 --> 00:39:32,140
on naked change humanity no no no is it

804
00:39:39,030 --> 00:39:37,480
not humanity no it's not that not at the

805
00:39:41,070 --> 00:39:39,040
contact in the Dell which one is it then

806
00:39:42,150 --> 00:39:41,080
you're thinking of it's an event I'm not

807
00:39:45,530 --> 00:39:42,160
gonna I'm not ready to talk about it yet

808
00:39:51,350 --> 00:39:45,540
okay but there is an event

809
00:39:53,750 --> 00:39:51,360
and it sounds pretty awesome because the

810
00:39:55,970 --> 00:39:53,760
people involved are high up high

811
00:39:58,670 --> 00:39:55,980
involved individuals and the people that

812
00:40:02,240 --> 00:39:58,680
are going to be at this event are really

813
00:40:05,990 --> 00:40:02,250

not ufologists or prominent people in

814

00:40:09,170 --> 00:40:06,000

ancient alien theory and whatnot how

815

00:40:10,940 --> 00:40:09,180

much I'm excuse me oh that's all right

816

00:40:21,140 --> 00:40:10,950

we you know we'll do we'll give you a

817

00:40:23,870 --> 00:40:21,150

round of applause for them so they can I

818

00:40:26,000 --> 00:40:23,880

get back on topic here Joe your amazing

819

00:40:27,830 --> 00:40:26,010

art skills are just throwing me off and

820

00:40:31,700 --> 00:40:27,840

I'm gonna do it myself and we're four

821

00:40:33,860 --> 00:40:31,710

minutes countdown is happy gun four

822

00:40:35,840 --> 00:40:33,870

minutes huh yeah so what we're talking

823

00:40:39,070 --> 00:40:35,850

about were the different gray types yes

824

00:40:42,320 --> 00:40:39,080

like I said there's the tall grace which

825

00:40:46,760 --> 00:40:42,330

from reading this I tend to be more

826

00:40:49,100 --> 00:40:46,770

sensitive and empathetic or at least the

827

00:40:52,880 --> 00:40:49,110

witnesses have been have felt that from

828

00:40:54,830 --> 00:40:52,890

them whereas the smaller Gray's tend to

829

00:40:56,960 --> 00:40:54,840

be more of the workhorses or like the

830

00:40:58,760 --> 00:40:56,970

busy like if in an ant colony they would

831

00:41:01,250 --> 00:40:58,770

be the workers worker ants or the worker

832

00:41:03,740 --> 00:41:01,260

bees and you know they just get the job

833

00:41:05,390 --> 00:41:03,750

done and so a lot of people are afraid

834

00:41:08,360 --> 00:41:05,400

of them according to what I was reading

835

00:41:10,130 --> 00:41:08,370

because they seem so emotionless and and

836

00:41:13,400 --> 00:41:10,140

in fact they are they are emotionless

837

00:41:16,130 --> 00:41:13,410

because they just do what they do yes

838

00:41:18,110 --> 00:41:16,140

their job isn't to be emotional yes I

839

00:41:23,690 --> 00:41:18,120

don't know any job as be if you do let

840

00:41:28,120 --> 00:41:23,700

me know Carla is here well very

841

00:41:35,050 --> 00:41:28,130

intimated about time mr. you are them

842

00:41:40,010 --> 00:41:35,060

it's okay Joe just in your bed meet you

843

00:41:42,500 --> 00:41:40,020

susana's along I'm back okay we're sorry

844

00:41:44,840 --> 00:41:42,510

guys it's 25 minutes with us by the way

845

00:41:47,000 --> 00:41:44,850

this is exactly what it's like in the

846

00:41:50,060 --> 00:41:47,010

car with us you want to go on a drive

847

00:41:52,640 --> 00:41:50,070

like I set a whole lot more farting and

848

00:41:54,260 --> 00:41:52,650

arguing none of the arguing is just me

849

00:41:55,430 --> 00:41:54,270

won't shut up I just keep making noises

850

00:41:57,580 --> 00:41:55,440

and stuff till we find something it's

851
00:42:02,960 --> 00:41:57,590

funny

852
00:42:06,200 --> 00:42:02,970

but all I'm worth yeah she says she

853
00:42:09,680 --> 00:42:06,210

missed us to I'm like yeah get your hand

854
00:42:11,390 --> 00:42:09,690

off your hip oh yeah we should live

855
00:42:12,860 --> 00:42:11,400

streaming this sunday i try to you to

856
00:42:14,150 --> 00:42:12,870

live streaming it failed miserably by

857
00:42:16,490 --> 00:42:14,160

the way it was terrible you were there

858
00:42:18,020 --> 00:42:16,500

yeah I was there I'll try to get my

859
00:42:19,640 --> 00:42:18,030

nephew to help me and then he said by

860
00:42:25,510 --> 00:42:19,650

the way like my 10 year old nephew who

861
00:42:28,600 --> 00:42:25,520

is a genius and I call him my IT support

862
00:42:30,650 --> 00:42:28,610

I was trying to figure it out and

863
00:42:31,880 --> 00:42:30,660

accidentally hit live and he goes oh it

864

00:42:34,280 --> 00:42:31,890

looks like you're live I'm like how do

865

00:42:36,020 --> 00:42:34,290

you know that he said because YouTube

866

00:42:38,270 --> 00:42:36,030

tells me I'm like oh yes this is right

867

00:42:39,800 --> 00:42:38,280

so I'm learning from you know I'm

868

00:42:41,750 --> 00:42:39,810

learning from the younger generations I

869

00:42:44,990 --> 00:42:41,760

can't believe how smart that kid is I

870

00:42:46,550 --> 00:42:45,000

know he just needs some sunlight ain't

871

00:42:49,910 --> 00:42:46,560

nothing like a ten-year-old hacker yeah

872

00:42:51,230 --> 00:42:49,920

we're two minutes here 11-12 how my work

873

00:42:53,420 --> 00:42:51,240

two minutes here two minutes two minutes

874

00:42:55,010 --> 00:42:53,430

okay so I'm gonna get tougher just

875

00:42:56,840 --> 00:42:55,020

jibber jabber in China fieria what's ya

876

00:42:59,510 --> 00:42:56,850

goes alright we're the MIT yep that was

877

00:43:03,050 --> 00:42:59,520

the man babies nephew there with a baby

878

00:43:05,750 --> 00:43:03,060

I mean we are the man babies um we're

879

00:43:09,020 --> 00:43:05,760

gonna take a hold on guys we've got it

880

00:43:10,970 --> 00:43:09,030

we got a sick child here Jill's gotta go

881

00:43:12,980 --> 00:43:10,980

order well guys I'll catch you later i

882

00:43:15,440 --> 00:43:12,990

gotta get her to bed so uh see you guys

883

00:43:18,170 --> 00:43:15,450

so I gotta go hey it happens right well

884

00:43:21,080 --> 00:43:18,180

people I don't have any children so I

885

00:43:23,210 --> 00:43:21,090

don't to put anybody to bed except for

886

00:43:27,200 --> 00:43:23,220

myself but we're going to wrap this up

887

00:43:29,330 --> 00:43:27,210

today with your homework which is you

888

00:43:32,270 --> 00:43:29,340

got to go to our patreon page and check

889

00:43:34,520 --> 00:43:32,280

out this book and you'll be able to see

890

00:43:36,050 --> 00:43:34,530

exactly what we're talking about and to

891

00:43:39,020 --> 00:43:36,060

be honest with you I wanted to try to

892

00:43:41,660 --> 00:43:39,030

narrow down the types of alien species

893

00:43:45,470 --> 00:43:41,670

and get more information on them but I

894

00:43:50,420 --> 00:43:45,480

became overwhelmed with the potential of

895

00:43:54,170 --> 00:43:50,430

there being this many potential aliens I

896
