

**CIA UFO**

**FILES**

**RELEASED!**

**BREAKING NEWS!!!**

1  
00:00:18,740 --> 00:00:14,600  
hey what's up everybody I'm in it I'm

2  
00:00:23,240 --> 00:00:18,750  
Joe ugly you and we are the UFO pros and

3  
00:00:25,970 --> 00:00:23,250  
I am nighty-night I'm kind of shaking

4  
00:00:29,210 --> 00:00:25,980  
right now yeah we were preparing for

5  
00:00:32,870 --> 00:00:29,220  
tonight's podcast just like normal until

6  
00:00:37,000 --> 00:00:32,880  
I got a message that the CIA has

7  
00:00:40,729 --> 00:00:37,010  
published its entire history online

8  
00:00:42,290 --> 00:00:40,739  
blowed my mind like it was just 15

9  
00:00:43,610 --> 00:00:42,300  
minutes before we were gonna podcast you

10  
00:00:44,959 --> 00:00:43,620  
know and we were like we've been

11  
00:00:46,819 --> 00:00:44,969  
searching through the database

12  
00:00:48,619 --> 00:00:46,829  
scrambling to try to find pieces of

13  
00:00:50,510 --> 00:00:48,629

anything we could like share with you

14

00:00:53,180 --> 00:00:50,520

guys and remember guys this is straight

15

00:00:54,500 --> 00:00:53,190

from the FBI say a website so it's

16

00:00:56,630 --> 00:00:54,510

checking the government official it is

17

00:00:59,060 --> 00:00:56,640

there you guys need to go check it out I

18

00:01:01,369 --> 00:00:59,070

I I'm wondering is this the disclosure

19

00:01:03,260 --> 00:01:01,379

that a lot of you know what they say

20

00:01:05,719 --> 00:01:03,270

people in ufology world were saying that

21

00:01:08,480 --> 00:01:05,729

Obama might disclose before leaving

22

00:01:10,399 --> 00:01:08,490

office the CIA said this was labor

23

00:01:14,390 --> 00:01:10,409

intensive and that they were hoping to

24

00:01:16,310 --> 00:01:14,400

release it I think even even later but

25

00:01:18,740 --> 00:01:16,320

they ended up really seeing it sooner

26

00:01:22,300 --> 00:01:18,750

and this even includes and I'm just

27

00:01:25,940 --> 00:01:22,310

reading here access to this historically

28

00:01:29,149 --> 00:01:25,950

significant collection is no la Mer no

29

00:01:32,090 --> 00:01:29,159

longer limited by geography so

30

00:01:35,090 --> 00:01:32,100

apparently these are 13 million files

31

00:01:38,719 --> 00:01:35,100

that were only accessible on a handful

32

00:01:40,760 --> 00:01:38,729

of computers like older top-secret this

33

00:01:42,050 --> 00:01:40,770

is top secret [h\_\_h] that was only on a

34

00:01:45,859 --> 00:01:42,060

few computers that they've published

35

00:01:47,990 --> 00:01:45,869

online like now like today and we were

36

00:01:49,850 --> 00:01:48,000

checking we could see that some of the

37

00:01:52,160 --> 00:01:49,860

document creations were just a few weeks

38

00:01:55,399 --> 00:01:52,170

ago and that the published date was

39

00:01:58,219 --> 00:01:55,409

today and it's kind of blowing our mind

40

00:02:01,069 --> 00:01:58,229

and I wonder if we were one of the first to

41

00:02:02,929 --> 00:02:01,079

actually maybe kind of break this news

42

00:02:04,060 --> 00:02:02,939

that's kind of exciting and exciting and

43

00:02:06,060 --> 00:02:04,070

you know what though I was recently

44

00:02:07,980 --> 00:02:06,070

documentation

45

00:02:09,390 --> 00:02:07,990

and you guys the stuff that's on there

46

00:02:11,880 --> 00:02:09,400

you guys got to get on there and check

47

00:02:12,450 --> 00:02:11,890

it out could you put a link in the

48

00:02:14,400 --> 00:02:12,460

description

49

00:02:16,800 --> 00:02:14,410

oh yeah and you know can I just say look

50

00:02:19,830 --> 00:02:16,810

this is what the CIA says that none of

51  
00:02:22,110 --> 00:02:19,840  
the information is cherry-picks it's the

52  
00:02:24,840 --> 00:02:22,120  
full history it's good and bad what I

53  
00:02:27,780 --> 00:02:24,850  
mean of course there could be so this is

54  
00:02:28,860 --> 00:02:27,790  
reactive documents but there's just just

55  
00:02:33,690 --> 00:02:28,870  
astray from the horse's mouth

56  
00:02:39,540 --> 00:02:33,700  
straight from the horse's mouth the

57  
00:02:41,220 --> 00:02:39,550  
archive is massive you guys and you know

58  
00:02:43,290 --> 00:02:41,230  
just little stuff there like

59  
00:02:46,200 --> 00:02:43,300  
developments on their activities

60  
00:02:48,870 --> 00:02:46,210  
throughout you know our history is going

61  
00:02:50,720 --> 00:02:48,880  
to be coming out as people like us and

62  
00:02:54,630 --> 00:02:50,730  
others start we actually as researching

63  
00:02:56,970 --> 00:02:54,640

what these documents are it's crazy so

64

00:02:59,220 --> 00:02:56,980

so much documentation yeah

65

00:03:02,040 --> 00:02:59,230

and I'm shaking with excitement I was

66

00:03:04,170 --> 00:03:02,050

telling y'all like I was saying I don't

67

00:03:07,470 --> 00:03:04,180

maybe it's just me maybe I read a bad

68

00:03:09,690 --> 00:03:07,480

article but I think this might be it you

69

00:03:10,949 --> 00:03:09,700

know and it it we're not saying it is

70

00:03:13,620 --> 00:03:10,959

but it could be if some of the

71

00:03:17,010 --> 00:03:13,630

documentation that just came out you

72

00:03:19,800 --> 00:03:17,020

know I was reading every time

73

00:03:21,930 --> 00:03:19,810

what do you keep doing that you sound

74

00:03:30,660 --> 00:03:21,940

like the lady from Saturday Night Live

75

00:03:35,130 --> 00:03:30,670

no anyway whatever about some of the

76

00:03:40,130 --> 00:03:37,320

they don't want to there's two pull

77

00:03:43,260 --> 00:03:40,140

there's two things they do not want to

78

00:03:45,510 --> 00:03:43,270

they would they want to they wanted a

79

00:03:49,590 --> 00:03:45,520

release I know I kind of kind of like

80

00:03:54,960 --> 00:03:49,600

cheeky is one was psychological so

81

00:03:56,760 --> 00:03:54,970

basically using their minds and I can't

82

00:03:58,740 --> 00:03:56,770

remember but one was said psychological

83

00:04:00,630 --> 00:03:58,750

warfare mm-hmm without straightening

84

00:04:03,949 --> 00:04:00,640

documentation so some of these documents

85

00:04:09,780 --> 00:04:03,959

you guys are briefing documents or

86

00:04:11,490 --> 00:04:09,790

cables or letters of recommendation of

87

00:04:14,000 --> 00:04:11,500

what to do as an example like Joe was

88

00:04:17,539 --> 00:04:14,010

talking about the document we saw that

89

00:04:20,750 --> 00:04:17,549

by the way our computers so many tabs

90

00:04:24,409 --> 00:04:20,760

open that we can't even like crazy

91

00:04:26,000 --> 00:04:24,419

because we're crazy because we're going

92

00:04:27,500 --> 00:04:26,010

through and you know we're using certain

93

00:04:30,320 --> 00:04:27,510

search terms to figure out you know what

94

00:04:32,540 --> 00:04:30,330

documents contain what and they're all

95

00:04:34,700 --> 00:04:32,550

over the place they're they're not where

96

00:04:37,250 --> 00:04:34,710

you think they are you type in UFO or

97

00:04:38,750 --> 00:04:37,260

alien or alien UFO you're just gonna

98

00:04:41,150 --> 00:04:38,760

regular page and it'll just bring up

99

00:04:43,940 --> 00:04:41,160

something about a UFO there's a lot of

100

00:04:46,490 --> 00:04:43,950

info on UFOs on there there is a lot and

101  
00:04:48,170 --> 00:04:46,500  
we just few minutes before it's podcast

102  
00:04:51,350 --> 00:04:48,180  
we're trying to scramble try to piece

103  
00:04:57,260 --> 00:04:51,360  
little things together and you guys got

104  
00:04:59,150 --> 00:04:57,270  
chicken it's crazy crazy so I'm just

105  
00:05:02,510 --> 00:04:59,160  
kind of like going through some stuff

106  
00:05:04,460 --> 00:05:02,520  
here and like here's a report Advisory

107  
00:05:06,200 --> 00:05:04,470  
Panel meeting on flying or unidentified

108  
00:05:13,250 --> 00:05:06,210  
flying objects this is a report from

109  
00:05:21,409 --> 00:05:13,260  
1953 and that's a pretty large report

110  
00:05:22,490 --> 00:05:21,419  
here yeah so it looks like the way this

111  
00:05:24,190 --> 00:05:22,500  
works you guys if you're gonna be

112  
00:05:26,810 --> 00:05:24,200  
searching these files it looks as though

113  
00:05:28,490 --> 00:05:26,820

the search is able to identify some

114

00:05:30,620 --> 00:05:28,500

words but then you have to really you

115

00:05:32,090 --> 00:05:30,630

know you know like as an example I've

116

00:05:35,029 --> 00:05:32,100

got 28 pages here that I'm trying to

117

00:05:36,590 --> 00:05:35,039

just kind of googly-eye real quick and

118

00:05:47,270 --> 00:05:36,600

look for certain things that are gonna

119

00:05:49,219 --> 00:05:47,280

pop out baby up Scottie but of course so

120

00:05:51,469 --> 00:05:49,229

this one's actually interestingly not

121

00:05:53,330 --> 00:05:51,479

talking about the Foo Fighters and the

122

00:05:55,640 --> 00:05:53,340

balls of light this this document here

123

00:05:57,260 --> 00:05:55,650

they're really I don't think anybody's

124

00:05:59,060 --> 00:05:57,270

probably ever even seen this document

125

00:06:01,400 --> 00:05:59,070

they're also talking about police ufos

126

00:06:03,020 --> 00:06:01,410

although all of the reports on ufos that

127

00:06:05,540 --> 00:06:03,030

the police saw and they didn't know what

128

00:06:07,640 --> 00:06:05,550

to do what to say you know they had to

129

00:06:09,920 --> 00:06:07,650

call FBI and say they're here oh can i

130

00:06:14,180 --> 00:06:09,930

get your writing in that mm-hmm it's in

131

00:06:16,760 --> 00:06:14,190

there I was reading something it's crazy

132

00:06:22,720 --> 00:06:16,770

how how much information released were

133

00:06:26,950 --> 00:06:24,730

sorry guys I'm I'm totally up he

134

00:06:27,730 --> 00:06:26,960

literally ain't over you know over my

135

00:06:31,060 --> 00:06:27,740

head here we are

136

00:06:33,490 --> 00:06:31,070

I'm sorry very yeah I'm just scrolling

137

00:06:37,240 --> 00:06:33,500

through these pages and you know it's

138

00:06:39,010 --> 00:06:37,250

organized somewhat well but and also you

139

00:06:41,230 --> 00:06:39,020

never know what kind of file you're

140

00:06:43,270 --> 00:06:41,240

going to be looking at sometimes it's

141

00:06:43,870 --> 00:06:43,280

like a newspaper clipping which I find

142

00:06:46,750 --> 00:06:43,880

interesting

143

00:06:48,670 --> 00:06:46,760

the CIA skipping yeah they cut it out

144

00:06:50,980 --> 00:06:48,680

things on yeah took a flow wreck of it

145

00:06:53,260 --> 00:06:50,990

so I think that I think maybe it's

146

00:06:55,990 --> 00:06:53,270

probably far more telling than it seems

147

00:06:58,420 --> 00:06:56,000

the fact that they have they have like

148

00:07:00,640 --> 00:06:58,430

magazines that talked about UFOs they

149

00:07:02,200 --> 00:07:00,650

have photocopies of these in here Dan

150

00:07:04,090 --> 00:07:02,210

things are confiscated that they took

151

00:07:07,530 --> 00:07:04,100

probably before they were printed or

152

00:07:11,770 --> 00:07:07,540

they part were printed them attracted

153

00:07:15,220 --> 00:07:11,780

they're out there they're watching we're

154

00:07:23,080 --> 00:07:15,230

watching for your dog alcohol gotta be

155

00:07:24,790 --> 00:07:23,090

careful so so you guys please here's a

156

00:07:27,670 --> 00:07:24,800

document right here guys job right now

157

00:07:29,950 --> 00:07:27,680

go check it out at CIA this is an

158

00:07:34,290 --> 00:07:29,960

intelligence Advisory Committee

159

00:07:38,350 --> 00:07:34,300

I guess memorandum on flying

160

00:07:40,090 --> 00:07:38,360

unidentified objects it says here this

161

00:07:42,310 --> 00:07:40,100

is the cover letter so I'm just kind of

162

00:07:45,280 --> 00:07:42,320

breaking this down I'm gonna try to read

163

00:07:47,410 --> 00:07:45,290

it to you word for word attached is a

164

00:07:50,470 --> 00:07:47,420

proposed letter to secretary love it

165

00:07:53,290 --> 00:07:50,480

from the DCI recommending the initiation

166

00:07:55,290 --> 00:07:53,300

of fundamental scientific research with

167

00:07:58,030 --> 00:07:55,300

respect to the nature and cause of

168

00:08:01,360 --> 00:07:58,040

unidentified flying objects flying

169

00:08:03,840 --> 00:08:01,370

saucers keep in mind this is directly

170

00:08:06,850 --> 00:08:03,850

from the Central Intelligence Agency

171

00:08:10,090 --> 00:08:06,860

website I mean like this isn't a fake

172

00:08:12,580 --> 00:08:10,100

document so so this is basically a

173

00:08:15,580 --> 00:08:12,590

proposal because as I'm just kind of

174

00:08:17,380 --> 00:08:15,590

scrolling through here there's a few

175

00:08:23,940 --> 00:08:17,390

concerns here it is

176

00:08:26,740 --> 00:08:23,950

this document dated October 2nd 1952

177

00:08:29,200 --> 00:08:26,750

memorandum to the director of Central

178

00:08:32,890 --> 00:08:29,210

Intelligence through the Deputy Director

179

00:08:35,579 --> 00:08:32,900

from assistant director of Office of

180

00:08:40,269 --> 00:08:35,589

Scientific intelligence okay

181

00:08:42,459 --> 00:08:40,279

problem to determine a whether or not

182

00:08:44,259 --> 00:08:42,469

there are national security implications

183

00:08:48,250 --> 00:08:44,269

in the problem of unidentified flying

184

00:08:50,350 --> 00:08:48,260

objects be whether or not adequate study

185

00:08:52,480 --> 00:08:50,360

and research is currently being directed

186

00:08:55,050 --> 00:08:52,490

to this problem in its relation to such

187

00:08:57,970 --> 00:08:55,060

national security implications and see

188

00:09:00,579 --> 00:08:57,980

what further investigation and research

189

00:09:03,519 --> 00:09:00,589

should be instituted by whom and under

190

00:09:05,470 --> 00:09:03,529

what ages and guys this is coming

191

00:09:07,120 --> 00:09:05,480

straight from the CIA website yes

192

00:09:08,620 --> 00:09:07,130

straight from FBI CIA top-secret stuff

193

00:09:10,569 --> 00:09:08,630

so you guys could definitely go check it

194

00:09:12,970 --> 00:09:10,579

out I was just reading a few things off

195

00:09:14,530 --> 00:09:12,980

so that we can be on track here and tell

196

00:09:16,389 --> 00:09:14,540

you what just came out what's going on

197

00:09:18,430 --> 00:09:16,399

so this could be the disclosure we're

198

00:09:21,250 --> 00:09:18,440

not saying it is but maybe like as an

199

00:09:23,530 --> 00:09:21,260

example paragraph three here says flying

200

00:09:24,759 --> 00:09:23,540

saucers pose two elements of danger

201

00:09:27,490 --> 00:09:24,769

which have national security

202

00:09:29,590 --> 00:09:27,500

implications the first involves mass

203

00:09:31,840 --> 00:09:29,600

psychological considerations and the

204

00:09:34,269 --> 00:09:31,850

second concerns the vulnerability of the

205

00:09:37,960 --> 00:09:34,279

United States to air attack that's all

206

00:09:40,449 --> 00:09:37,970

the batteries are amplified in Tab A

207

00:09:43,660 --> 00:09:40,459

which Marlene Kelly certain but here's

208

00:09:45,850 --> 00:09:43,670

the action recommended that the director

209

00:09:48,040 --> 00:09:45,860

of Central Intelligence advised the

210

00:09:50,470 --> 00:09:48,050

National Security Council of the

211

00:09:53,800 --> 00:09:50,480

implications of flying saucers problem

212

00:09:56,800 --> 00:09:53,810

and request that research be initiated

213

00:09:58,780 --> 00:09:56,810

that the DCI discussed this subject with

214

00:10:01,780 --> 00:09:58,790

the psychological strategy board a

215

00:10:05,350 --> 00:10:01,790

memorandum to the director psychological

216

00:10:07,449 --> 00:10:05,360

strategy board so there it looks as

217

00:10:13,509 --> 00:10:07,459

though you have got to be kidding no I'm

218

00:10:15,870 --> 00:10:13,519

not this is this is real this has it

219

00:10:18,460 --> 00:10:15,880

just continues and it talks about

220

00:10:19,840 --> 00:10:18,470

paragraph after paragraph open up a

221

00:10:22,180 --> 00:10:19,850

document it's just all over the place

222

00:10:26,160 --> 00:10:22,190

it's not in order so you guys gotta kind

223

00:10:36,189 --> 00:10:33,879

reading here guys so aliens UFOs but of

224

00:10:37,990 --> 00:10:36,199

course a real you be I don't know I

225

00:10:39,790 --> 00:10:38,000

think we're starting to find out you be

226

00:10:43,300 --> 00:10:39,800

the judge well talking about that stuff

227

00:10:45,000 --> 00:10:43,310

and as I'm scanning this excuse me does

228

00:10:49,110 --> 00:10:45,010

not compute is you better compute

229

00:10:55,750 --> 00:10:49,120

self-destruct sorry turns off dropping

230

00:11:07,480 --> 00:11:03,270

hmm okay you are one pathetic loser I

231

00:11:10,300 --> 00:11:07,490

guess was rewriter Hammett I read it

232

00:11:13,540 --> 00:11:10,310

just knows news was just posted it was

233

00:11:15,070 --> 00:11:13,550

exactly of today yeah and you guys you

234

00:11:18,100 --> 00:11:15,080

know these documents are so detailed

235

00:11:20,740 --> 00:11:18,110

it's absolutely mind-boggling and you

236

00:11:21,850 --> 00:11:20,750

know like I don't know how much we're

237

00:11:24,070 --> 00:11:21,860

gonna get through you know there's

238

00:11:26,290 --> 00:11:24,080

thirteen million uh pages in 45 minutes

239

00:11:28,660 --> 00:11:26,300

yeah so what we're gonna do hey Joe if

240

00:11:30,940 --> 00:11:28,670

you could take a minute I'm gonna keep

241

00:11:32,950 --> 00:11:30,950

pulling up some documents if you could

242

00:11:36,520 --> 00:11:32,960

do some social media shoutouts while I

243

00:11:37,540 --> 00:11:36,530

take a look at what's going on oh also

244

00:11:42,630 --> 00:11:37,550

we want to bring to everybody's

245

00:11:46,330 --> 00:11:42,640

attention that [wwgott/louisville.tv.com](http://wwgott/louisville.tv.com)

246

00:11:48,550 --> 00:11:46,340

was just put up there's all kinds of a

247

00:11:53,440 --> 00:11:48,560

swag on there if you guys want to

248

00:11:56,040 --> 00:11:53,450

contribute to our fund age and help us

249

00:11:59,440 --> 00:11:56,050

continue our adventures but their shirts

250

00:12:01,600 --> 00:11:59,450

all of the designs are by me I drew them

251  
00:12:05,380 --> 00:12:01,610  
all and we put them on shirts and other

252  
00:12:07,570 --> 00:12:05,390  
sweaters and little hats bags if you

253  
00:12:10,930 --> 00:12:07,580  
glad we want to so if you guys just

254  
00:12:15,610 --> 00:12:10,940  
contribute to us we would greatly

255  
00:12:19,330 --> 00:12:15,620  
greatly appreciate it so let's yeah we

256  
00:12:23,920 --> 00:12:19,340  
gotta give it up to AJ la blazar

257  
00:12:29,430 --> 00:12:23,930  
Carla of course I see a lot of them the

258  
00:12:37,710 --> 00:12:29,440  
UFO sun-earth let's see here you folks

259  
00:12:45,310 --> 00:12:39,520  
whoever else is listening let's give you

260  
00:12:46,530 --> 00:12:45,320  
all shut down but anyway um master

261  
00:12:50,130 --> 00:12:46,540  
mastaba

262  
00:12:53,470 --> 00:12:50,140  
yeah methylene addict alien addict and

263  
00:12:57,100 --> 00:12:53,480

anything aboard excuse me guys all the

264

00:12:58,570 --> 00:12:57,110

regulars but yes and we just we usually

265

00:13:00,100 --> 00:12:58,580

let you guys know we had decided to go

266

00:13:02,920 --> 00:13:00,110

to contact in the desert and we are

267

00:13:05,470 --> 00:13:02,930

going to the workshop despite a yeah we

268

00:13:08,090 --> 00:13:05,480

agree with the baba baba that dr. Greer

269

00:13:14,480 --> 00:13:08,100

here is a Bob Lazar

270

00:13:16,430 --> 00:13:14,490

Chabot dr. Greer that even though he is

271

00:13:17,930 --> 00:13:16,440

probably even him was probably someone

272

00:13:19,070 --> 00:13:17,940

of his lackeys or something that did

273

00:13:22,160 --> 00:13:19,080

that

274

00:13:23,900 --> 00:13:22,170

far

275

00:13:26,390 --> 00:13:23,910

dizzy to sit there and look at Twitter

276

00:13:26,780 --> 00:13:26,400

all day I think he's got a lack can you

277

00:13:29,780 --> 00:13:26,790

did it

278

00:13:33,410 --> 00:13:29,790

we whiz so erased a player mentioned us

279

00:13:35,180 --> 00:13:33,420

okay but anyways about our store all the

280

00:13:36,800 --> 00:13:35,190

orders are free shipping so you pay for

281

00:13:39,740 --> 00:13:36,810

the shirt it's free shipping straight to

282

00:13:40,970 --> 00:13:39,750

your door it would help us out great I'm

283

00:13:46,700 --> 00:13:40,980

actually going to purchase a bunch

284

00:13:50,060 --> 00:13:46,710

myself and yeah check out the store

285

00:13:56,570 --> 00:13:50,070

give us a like like us on Facebook

286

00:14:01,760 --> 00:13:56,580

Twitter Instagram and YouTube all all

287

00:14:02,840 --> 00:14:01,770

the social medias and so well we're

288

00:14:04,160 --> 00:14:02,850

gonna take a quick break right here for

289

00:14:05,810 --> 00:14:04,170

just one second or gather our thoughts

290

00:14:07,340 --> 00:14:05,820

and we are with you yeah guys we might

291

00:14:08,660 --> 00:14:07,350

have to do more than a 45 minute podcast

292

00:14:11,120 --> 00:14:08,670

and we have to do several of these

293

00:14:13,780 --> 00:14:11,130

because there's so much information and

294

00:14:16,400 --> 00:14:13,790

we just got to take a minute so you're

295

00:14:26,220 --> 00:14:16,410

celebrating all other triggers wonderful

296

00:14:26,230 --> 00:15:11,170

you

297

00:15:16,150 --> 00:15:13,600

hey thanks for hanging out for that

298

00:15:19,300 --> 00:15:16,160

jacket you get some collective thought

299

00:15:23,310 --> 00:15:19,310

going here but um I won't get about some

300

00:15:27,730 --> 00:15:23,320

more shout outs see there's Grif - 877

301

00:15:32,019 --> 00:15:27,740

Carlitos 17:26 just give us a shout outs

302

00:15:36,310 --> 00:15:32,029

on the instagramers for those of you

303

00:15:40,510 --> 00:15:36,320

just tuning in we found some on the CIA

304

00:15:42,730 --> 00:15:40,520

website we found some disclosed UFO and

305

00:15:44,410 --> 00:15:42,740

extraterrestrial documentation that

306

00:15:45,430 --> 00:15:44,420

we've been going over and it's doing

307

00:15:47,590 --> 00:15:45,440

some research right now trying to

308

00:15:52,150 --> 00:15:47,600

collect some stuff together but we just

309

00:15:55,540 --> 00:15:52,160

want to say that our WWE Phobos tv.com

310

00:15:56,710 --> 00:15:55,550

store is open and our website so if you

311

00:15:59,380 --> 00:15:56,720

guys want check it out with all kinds of

312

00:16:01,240 --> 00:15:59,390

cool swag there all the everything has

313

00:16:04,780 --> 00:16:01,250

free shipping on it shipped to your door

314

00:16:06,910 --> 00:16:04,790

and so we just got that up and running

315

00:16:09,070 --> 00:16:06,920

that'd be great it'll great to the cause

316

00:16:11,470 --> 00:16:09,080

every bit of it goes to our adventures

317

00:16:13,570 --> 00:16:11,480

to give you guys great content so if you

318

00:16:16,540 --> 00:16:13,580

guys want to be a patreon patron go to

319

00:16:17,940 --> 00:16:16,550

patreon.com/scishow fo Bros TV become a

320

00:16:20,260 --> 00:16:17,950

patron there's all kinds of great stuff

321

00:16:24,130 --> 00:16:20,270

you guys get a Skype call with us if you

322

00:16:32,110 --> 00:16:24,140

do \$5 and we're lucky if you guys become

323

00:16:39,439 --> 00:16:32,120

a patron so funny thing yeah I'm reading

324

00:16:43,619 --> 00:16:41,639

that's a big one

325

00:16:51,660 --> 00:16:43,629

anybody ask anything I'll say raise hand

326

00:16:52,949 --> 00:16:51,670

nobody this is this is amazing so well

327

00:16:56,429 --> 00:16:52,959

here's something interesting

328

00:17:00,869 --> 00:16:56,439

you got funding yeah artifacts of

329

00:17:06,179 --> 00:17:00,879

extraterrestrial origin I think did I

330

00:17:09,149 --> 00:17:06,189

read this sorry guys I know that we're

331

00:17:10,529 --> 00:17:09,159

here and we're live and that's kind of

332

00:17:11,760 --> 00:17:10,539

the fun part about being live is you

333

00:17:13,529 --> 00:17:11,770

never know what the hell's gonna happen

334

00:17:14,549 --> 00:17:13,539

Louis I'm here going through these

335

00:17:21,750 --> 00:17:14,559

documents trying to see if there's

336

00:17:24,569 --> 00:17:21,760

anything that is breaking or actually

337

00:17:26,760 --> 00:17:24,579

definitively stated it's gotta be

338

00:17:28,289 --> 00:17:26,770

defended it's on the CIA website well

339

00:17:30,450 --> 00:17:28,299

that's what I'm looking for is something

340

00:17:33,480 --> 00:17:30,460

that I can say hey this document

341

00:17:34,710 --> 00:17:33,490

actually says you know the wording in a

342

00:17:37,080 --> 00:17:34,720

way where you can't understand that's

343

00:17:40,380 --> 00:17:37,090

exactly what's happening but still it's

344

00:17:41,549 --> 00:17:40,390

I hope this isn't gonna be one of those

345

00:17:43,700 --> 00:17:41,559

things where you know it's up to your

346

00:17:50,370 --> 00:17:43,710

interpretation like maybe another

347

00:17:52,590 --> 00:17:50,380

another you know another hurdle right

348

00:17:56,610 --> 00:17:52,600

that now we have to decode what these

349

00:17:58,560 --> 00:17:56,620

meetings are and I don't think a lot of

350

00:18:01,020 --> 00:17:58,570

people have seen these documents and

351

00:18:02,669 --> 00:18:01,030

I'll tell you guys just looking at the

352

00:18:05,010 --> 00:18:02,679

document creation dates to the CIA

353

00:18:07,560 --> 00:18:05,020

website some of them are November of

354

00:18:09,000 --> 00:18:07,570

just this last year early late December

355

00:18:11,730 --> 00:18:09,010

of justice last year and as early as

356

00:18:13,139 --> 00:18:11,740

this week create documents those are

357

00:18:15,210 --> 00:18:13,149

crude documents but before that they

358

00:18:17,010 --> 00:18:15,220

were released on those layouts like 2001

359

00:18:19,320 --> 00:18:17,020

2000 when we say create a document we

360

00:18:21,630 --> 00:18:19,330

mean that that's when basically it was

361

00:18:24,320 --> 00:18:21,640

scanned and created as a document for

362

00:18:27,630 --> 00:18:24,330

the website not that it was an invent in

363

00:18:31,220 --> 00:18:27,640

2016 or 17 these are very old stuff from

364

00:18:33,840 --> 00:18:31,230

the 50s guys 40s and 50s and you know I

365

00:18:36,990 --> 00:18:33,850

certainly hope we find something on here

366

00:18:45,240 --> 00:18:37,000

about Roswell that'd be amazing but I'm

367

00:18:47,160 --> 00:18:45,250

gonna it's it's hard because what get

368

00:18:49,380 --> 00:18:47,170

this yet huh

369

00:18:51,930 --> 00:18:49,390

again the websites not unavailable why

370

00:18:58,920 --> 00:18:51,940

is the website unavailable she found out

371

00:19:00,960 --> 00:18:58,930

you're on it wait wait hold on why did

372

00:19:02,850 --> 00:19:00,970

you just get in did you see kicked out

373

00:19:04,410 --> 00:19:02,860

of CIA website okay no I'm back that was

374

00:19:06,000 --> 00:19:04,420

weird it said it was unavailable maybe

375

00:19:11,190 --> 00:19:06,010

maybe there was just me tapping my

376

00:19:12,990 --> 00:19:11,200

finger too quickly so you guys what do

377

00:19:14,370 --> 00:19:13,000

you think the website just taking I know

378

00:19:15,750 --> 00:19:14,380

look here's the thing I just want to

379

00:19:18,090 --> 00:19:15,760

talk about this but I do want to talk

380

00:19:21,140 --> 00:19:18,100

about the website because we put quite a

381

00:19:26,520 --> 00:19:21,150

bit of time into that Joe and I did all

382

00:19:30,810 --> 00:19:26,530

designs are original and Joe has created

383

00:19:33,270 --> 00:19:30,820

them in mmm it's good stuff guys there's

384

00:19:34,920 --> 00:19:33,280

really good stuff if you purchase

385

00:19:36,840 --> 00:19:34,930

anything from our store we do get a

386

00:19:38,790 --> 00:19:36,850

small profit which is awesome it's not

387

00:19:41,520 --> 00:19:38,800

huge but it's going to help us continue

388

00:19:43,890 --> 00:19:41,530

to do what we do and be goofy and silly

389

00:19:45,980 --> 00:19:43,900

and Jimmy but still bring you know

390

00:19:50,610 --> 00:19:45,990

common attention to this

391

00:19:52,410 --> 00:19:50,620

extraterrestrial UFO subject and that's

392

00:19:54,540 --> 00:19:52,420

what I think originally I was going to

393

00:19:58,320 --> 00:19:54,550

talk about in tonight's broadcast was

394

00:20:06,390 --> 00:19:58,330

ufology certain ufologists and what that

395

00:20:09,330 --> 00:20:06,400

means and as a youth apologist we are no

396

00:20:13,770 --> 00:20:09,340

meet as ufologists you know we have a

397

00:20:15,180 --> 00:20:13,780

good time with this okay maybe it's

398

00:20:17,340 --> 00:20:15,190

because our lives haven't been

399

00:20:18,930 --> 00:20:17,350

threatened yet maybe it's because we

400

00:20:20,970 --> 00:20:18,940

haven't had a visit from the men in

401  
00:20:23,790 --> 00:20:20,980  
black I mean I don't really know to what

402  
00:20:25,500 --> 00:20:23,800  
extent some of these people you know

403  
00:20:28,020 --> 00:20:25,510  
have dealt with the government as they

404  
00:20:31,320 --> 00:20:28,030  
say but for us we're just you know

405  
00:20:34,980 --> 00:20:31,330  
having a good time we we're enjoying

406  
00:20:37,110 --> 00:20:34,990  
ourselves and I think that's okay don't

407  
00:20:41,040 --> 00:20:37,120  
don't you think Joe that there is room

408  
00:20:44,610 --> 00:20:41,050  
in ufology or you know a little bit of

409  
00:20:46,500 --> 00:20:44,620  
humor hi consider it a little light I

410  
00:20:48,180 --> 00:20:46,510  
mean you know it is really it's

411  
00:20:49,710 --> 00:20:48,190  
fascinating and it's something to be

412  
00:20:52,740 --> 00:20:49,720  
serious about and very passionate about

413  
00:20:53,970 --> 00:20:52,750

what people are but a lot of people

414

00:20:55,110 --> 00:20:53,980

don't think the other side of the funny

415

00:20:58,799 --> 00:20:55,120

side that's

416

00:21:00,960 --> 00:20:58,809

we're still you know we're still real

417

00:21:03,150 --> 00:21:00,970

about it we still you know passionate

418

00:21:04,830 --> 00:21:03,160

about it and who still believe but

419

00:21:08,549 --> 00:21:04,840

there's got to be a comedy side to it

420

00:21:09,840 --> 00:21:08,559

it's also serious I mean I think people

421

00:21:11,520 --> 00:21:09,850

like sometimes make a joke of it but

422

00:21:12,930 --> 00:21:11,530

we're like but another joke

423

00:21:15,299 --> 00:21:12,940

here's an interesting thing that

424

00:21:19,920 --> 00:21:15,309

happened I guess not not too long ago

425

00:21:24,000 --> 00:21:19,930

hmm was a lot of companies were

426  
00:21:27,840 --> 00:21:24,010  
requiring some of their most I guess you

427  
00:21:29,640 --> 00:21:27,850  
could say educated staff members like

428  
00:21:31,020 --> 00:21:29,650  
PhDs and that sort of thing people that

429  
00:21:32,430 --> 00:21:31,030  
were really really really be bee do bee

430  
00:21:34,200 --> 00:21:32,440  
do bee do bee really smart people that

431  
00:21:44,190 --> 00:21:34,210  
have their PhDs and their doctors and

432  
00:21:50,990 --> 00:21:44,200  
all that stuff go hey Ted can you guys

433  
00:21:51,000 --> 00:21:59,160  
[Music]

434  
00:22:03,010 --> 00:22:00,820  
sorry guys we just had a little

435  
00:22:05,190 --> 00:22:03,020  
technical difficulty but what we stam

436  
00:22:07,690 --> 00:22:05,200  
mike i know we were talking about

437  
00:22:09,070 --> 00:22:07,700  
companies requiring like you know people

438  
00:22:11,500 --> 00:22:09,080

that are doctors and that sort of thing

439

00:22:15,310 --> 00:22:11,510

to get some social classes and

440

00:22:18,460 --> 00:22:15,320

understand how to interact with people

441

00:22:22,300 --> 00:22:18,470

socially because a lot of the people

442

00:22:25,300 --> 00:22:22,310

that seem to be very analytical minded

443

00:22:27,430 --> 00:22:25,310

tend to be a put off for some people

444

00:22:29,110 --> 00:22:27,440

socially and i wonder if maybe that's

445

00:22:32,200 --> 00:22:29,120

the case there are so many freaking

446

00:22:36,750 --> 00:22:32,210

geniuses in ufology I mean talk about

447

00:22:39,970 --> 00:22:36,760

people that have PhD on PhD I mean it is

448

00:22:44,770 --> 00:22:39,980

unheard of in this field to have this

449

00:22:47,530 --> 00:22:44,780

many scientists and doctors and you know

450

00:22:51,270 --> 00:22:47,540

PhDs and masters and all those people

451  
00:22:54,880 --> 00:22:51,280  
that have spent their lifetime on

452  
00:22:57,010 --> 00:22:54,890  
education and you know new theories and

453  
00:22:59,230 --> 00:22:57,020  
those sorts of things have come forth

454  
00:23:00,670 --> 00:22:59,240  
and are part of this but do you think

455  
00:23:03,910 --> 00:23:00,680  
that maybe a trip oh hold on

456  
00:23:06,280 --> 00:23:03,920  
so what I'm saying is they're so

457  
00:23:09,130 --> 00:23:06,290  
analytical and focused on the fact that

458  
00:23:11,200 --> 00:23:09,140  
maybe they just don't have any time in

459  
00:23:12,700 --> 00:23:11,210  
their day for a fart joke that's what

460  
00:23:14,740 --> 00:23:12,710  
I'm trying to say well yeah or can't

461  
00:23:16,840 --> 00:23:14,750  
take a fart joke cuz there's no serious

462  
00:23:19,510 --> 00:23:16,850  
but what about this what would what if

463  
00:23:22,060 --> 00:23:19,520

all the PG scientists are you'll follow

464

00:23:26,620 --> 00:23:22,070

just everything what if disclosure came

465

00:23:27,940 --> 00:23:26,630

out and they're wrong well that would

466

00:23:31,570 --> 00:23:27,950

never happen because they would say this

467

00:23:33,640 --> 00:23:31,580

disclosure hasn't happened I guess so

468

00:23:35,530 --> 00:23:33,650

but I have a feeling they're just go you

469

00:23:37,240 --> 00:23:35,540

know but I'm telling you there's gonna

470

00:23:39,040 --> 00:23:37,250

be a bombshell in these documents you

471

00:23:41,050 --> 00:23:39,050

wait until people get their hands on

472

00:23:42,760 --> 00:23:41,060

this [h\_\_h] and they start searching it

473

00:23:45,610 --> 00:23:42,770

well obviously I'm gonna tell you

474

00:23:47,710 --> 00:23:45,620

there's going to be a wave of news over

475

00:23:49,120 --> 00:23:47,720

the next few weeks two months once this

476  
00:23:51,840 --> 00:23:49,130  
actually starts getting around and

477  
00:23:55,470 --> 00:23:51,850  
people are researching this you wait I

478  
00:23:58,600 --> 00:23:55,480  
think we accidentally stumbled upon it

479  
00:24:02,260 --> 00:23:58,610  
my name is Davi

480  
00:24:03,700 --> 00:24:02,270  
you suck I know I know and it's a good

481  
00:24:06,730 --> 00:24:03,710  
thing I actually got off the CIA's

482  
00:24:08,380 --> 00:24:06,740  
website because uh I couldn't stop Joe I

483  
00:24:09,910 --> 00:24:08,390  
know I know what shouldn't be doing the

484  
00:24:13,990 --> 00:24:09,920  
rest of night yeah you guys you know it

485  
00:24:15,760 --> 00:24:14,000  
P is just look look let me tell you

486  
00:24:17,230 --> 00:24:15,770  
exactly what I'm looking for Joe and

487  
00:24:18,760 --> 00:24:17,240  
anything any of you are out there search

488  
00:24:20,740 --> 00:24:18,770

the CIA's website I'm gonna publish the

489

00:24:22,470 --> 00:24:20,750

link once we're done hopefully they take

490

00:24:25,299 --> 00:24:22,480

it down for me hopefully it doesn't

491

00:24:27,940 --> 00:24:25,309

search it and I'm trying to find a

492

00:24:36,810 --> 00:24:27,950

document created within the last few

493

00:24:40,720 --> 00:24:36,820

months that has some substance and some

494

00:24:43,720 --> 00:24:40,730

verbage or wording or statement or

495

00:24:46,150 --> 00:24:43,730

letter or you know presidential brief

496

00:24:48,760 --> 00:24:46,160

whatever it is that talks about the fact

497

00:24:50,169 --> 00:24:48,770

that there are extraterrestrials and the

498

00:24:52,270 --> 00:24:50,179

fact that we have extraterrestrial

499

00:24:55,780 --> 00:24:52,280

artifacts and the fact that you know I

500

00:24:57,640 --> 00:24:55,790

mean it is gonna be in there I feel like

501  
00:24:59,020 --> 00:24:57,650  
it is and that's what I'm gonna do I'm

502  
00:25:01,270 --> 00:24:59,030  
gonna be searching I wanna be looking

503  
00:25:03,490 --> 00:25:01,280  
for anything that could be breaking

504  
00:25:05,760 --> 00:25:03,500  
anything that we could put up to the

505  
00:25:09,340 --> 00:25:05,770  
world get it out as fast as possible

506  
00:25:15,039 --> 00:25:09,350  
these were just published so by all

507  
00:25:17,289 --> 00:25:15,049  
means we're gonna go ahead and turn to

508  
00:25:19,630 --> 00:25:17,299  
social media again and you know like Joe

509  
00:25:23,650 --> 00:25:19,640  
said we are very engaged with our social

510  
00:25:25,750 --> 00:25:23,660  
media yeah and you know we got some new

511  
00:25:32,289 --> 00:25:25,760  
followers just now on Instagram we've

512  
00:25:35,950 --> 00:25:32,299  
got yo gifts and did you shout out to

513  
00:25:37,450 --> 00:25:35,960

x3r zero tolerance on Instagram yeah

514

00:25:40,960 --> 00:25:37,460

this person's giving us a lot of love so

515

00:25:41,770 --> 00:25:40,970

thank you so much and we've also got

516

00:25:44,650 --> 00:25:41,780

Dwayne Hatton

517

00:25:45,159 --> 00:25:44,660

thank you sure are you giving our

518

00:25:50,049 --> 00:25:45,169

followers

519

00:25:58,000 --> 00:25:50,059

kisses well here's one for the sting

520

00:26:00,880 --> 00:25:58,010

wisher that's not a kiss that's you know

521

00:26:05,850 --> 00:26:00,890

slurping oh god you are you need to

522

00:26:05,860 --> 00:26:11,030

[Music]

523

00:26:15,690 --> 00:26:13,650

speaking of farts man you guys gonna see

524

00:26:18,960 --> 00:26:15,700

our Instagram video about a dog for my

525

00:26:20,630 --> 00:26:18,970

dog farting you're free to go my dog

526

00:26:24,330 --> 00:26:20,640

[Music]

527

00:26:30,060 --> 00:26:24,340

farts but hey you parks and disclosure I

528

00:26:31,710 --> 00:26:30,070

guess they go Hanny oh is horrible so

529

00:26:33,570 --> 00:26:31,720

you know you guys we're gonna keep

530

00:26:35,280 --> 00:26:33,580

searching through some of this and I'm

531

00:26:36,690 --> 00:26:35,290

just going to take a second and read a

532

00:26:42,660 --> 00:26:36,700

little bit from this news article

533

00:26:46,200 --> 00:26:42,670

morning directly from CNN and published

534

00:26:58,310 --> 00:26:46,210

today 848 p.m. but of course that was

535

00:27:00,990 --> 00:26:58,320

three hours ago yeah I know

536

00:27:03,510 --> 00:27:01,000

I'll try to read this might my brain is

537

00:27:07,140 --> 00:27:03,520

acting this part me seven times already

538

00:27:09,030 --> 00:27:07,150

but listen here the documents they shed

539

00:27:12,930 --> 00:27:09,040

some light on the agency's activity

540

00:27:15,540 --> 00:27:12,940

throughout Vietnam Korean cold war

541

00:27:17,220 --> 00:27:15,550

conflicts it's even I guess he's filed

542

00:27:19,620 --> 00:27:17,230

even include documents pertaining to

543

00:27:22,700 --> 00:27:19,630

purport UFO sightings and the

544

00:27:25,440 --> 00:27:22,710

organization's Stargate program

545

00:27:30,030 --> 00:27:25,450

investigating possible psychic abilities

546

00:27:33,150 --> 00:27:30,040

and what could be done with them what

547

00:27:35,850 --> 00:27:33,160

the hell there are so many people that

548

00:27:37,860 --> 00:27:35,860

talked about a Stargate program David

549

00:27:39,810 --> 00:27:37,870

Wilcox talks about a Stargate program I

550

00:27:42,060 --> 00:27:39,820

thought he was crazy and we had a movie

551  
00:27:44,010 --> 00:27:42,070  
poster you know what I'm gonna do right

552  
00:27:46,650 --> 00:27:44,020  
now while you guys are on we're gonna go

553  
00:27:48,450 --> 00:27:46,660  
search this and just so you know it's

554  
00:27:50,160 --> 00:27:48,460  
the Central Intelligence Freedom of

555  
00:27:54,450 --> 00:27:50,170  
Information Act and electronic reading

556  
00:28:00,690 --> 00:27:54,460  
room library so that's where I'm

557  
00:28:00,700 --> 00:28:11,520  
shut up this is interesting

558  
00:28:16,900 --> 00:28:15,760  
yeah it's we're gonna look in this and

559  
00:28:18,730 --> 00:28:16,910  
you know what we're gonna do is I think

560  
00:28:20,800 --> 00:28:18,740  
we're gonna cut tonight at about a 30

561  
00:28:22,300 --> 00:28:20,810  
minute podcast because we got look at

562  
00:28:24,220 --> 00:28:22,310  
will will use a lot more information

563  
00:28:25,840 --> 00:28:24,230

yeah and I what I want to do is be

564

00:28:28,840 --> 00:28:25,850

focused on what I'm talking about and

565

00:28:30,610 --> 00:28:28,850

I'm searching and you know I don't want

566

00:28:32,560 --> 00:28:30,620

to leave our our listeners hanging you

567

00:28:34,300 --> 00:28:32,570

know for me to find the info so we're at

568

00:28:36,070 --> 00:28:34,310

about 30 minutes here and we're gonna

569

00:28:38,860 --> 00:28:36,080

take a short break if you want to chat

570

00:28:41,560 --> 00:28:38,870

with us live join us on [speaker.com](https://www.speaker.com) /u

571

00:28:45,340 --> 00:28:41,570

of Rose TV will be back on here in about

572

00:28:51,700 --> 00:28:45,350

30 minutes at 9 p.m. here on the west

573

00:28:53,830 --> 00:28:51,710

coast and I mimic Joe and we are the UFO
