live from the facility so I I gotta say

4  
00:00:34,220 --> 00:00:31,510  
things have died down a little bit at

5  
00:00:37,080 --> 00:00:34,230  
the facility mainly because of the or a

6  
00:00:41,670 --> 00:00:37,090  
beldam problem but now that that's kind

7  
00:00:46,649 --> 00:00:41,680  
of now that that is kind of cleared up

8  
00:00:50,430 --> 00:00:46,659  
we are back under scrutiny an

9  
00:00:51,960 --> 00:00:50,440

got some really cool updated news and he

26

00:01:50,580 --> 00:01:47,909

went there specifically by himself so

27

00:01:52,349 --> 00:01:50,590

deftly specifically not by himself but

28

00:01:52,800 --> 00:01:52,359

he went there we're not there he went

29

00:01:54,870 --> 00:01:52,810

there

30

00:01:58,169 --> 00:01:54,880

yes by him so I don't know he was fine

38

00:02:26,280 --> 00:02:24,760

we really open up this program and

42  
00:02:36,569 --> 00:02:34,510

we're having can we mix that one from

46  
00:02:57,059 --> 00:02:51,489  
the sound board Joe please thanks

47  
00:03:02,069 --> 00:02:57,069  
because that one just is not so that's

48  
00:03:05,819 --> 00:03:02,079  
spreaker.com SPR ii AKA art.com

49  
00:03:08,640 --> 00:03:05,829  
chord slash UFO Bros TV we are on all

50  
00:03:14,729 --> 00:03:08,650  
things social media so following Twitter

51  
00:03:17,879 --> 00:03:14,739  
is at uf0 Bros TV and that's because

52  
00:03:19,500 --> 00:03:17,889  
Twitter took our original UFO Bros TV

53  
00:03:21,270 --> 00:03:19,510  
locked it down and won't give it back to

54  
00:03:24,059 --> 00:03:21,280  
us so no yes

55  
00:03:26,300 --> 00:03:24,069  
I like wrote Twitter and I was like can

56  
00:03:29,009 --> 00:03:26,310  
you unlock my account and they were like

57  
00:03:33,659 --> 00:03:29,019  
nope and I was like please and they were

58  
00:03:36,460 --> 00:03:33,669  
like nope and so I was like please again

59  
00:03:52,020 --> 00:03:51,190  
oh no and they were like Gong you are

60  
00:03:55,180 --> 00:03:52,030  
out of control

61  
00:03:57,940 --> 00:03:55,190  
your and I think it's been a while Joe

62  
00:04:01,810 --> 00:03:57,950  
since we've done a probe cast on a

63  
00:04:04,230 --> 00:04:01,820

Saturday night at 9 p.m. yeah so so far

64

00:04:06,100 --> 00:04:04,240

so good

65

00:04:10,180 --> 00:04:06,110

did you say kids

66

00:04:11,590 --> 00:04:10,190

yeah got kids what are those anyway are

67

00:04:13,180 --> 00:04:11,600

they like those little short people that

68

00:04:16,360 --> 00:04:13,190

run around and get into things and yeah

69

00:04:17,800 --> 00:04:16,370

they do this thing called crying and

70

00:04:29,620 --> 00:04:17,810

they always want like a pudding snack or

71

00:04:33,100 --> 00:04:29,630

something I love this road time by the

72

00:04:35,080 --> 00:04:33,110

way I think oh well that's not the hey

73

00:04:37,600 --> 00:04:35,090

we need to tell people about bro zoning

74

00:04:40,030 --> 00:04:37,610

we've never talked about it like we've

75

00:04:47,010 --> 00:04:40,040

mentioned it but we have not talked

76

00:04:52,530 --> 00:04:48,800

[Music]

77

00:04:58,980 --> 00:04:52,540

Frozone Rosa Rosa

78

00:05:00,180 --> 00:04:58,990

it's the Frozone layer I have a tendency

79

00:05:03,120 --> 00:05:00,190

to think of the same thing at the same

80

00:05:06,180 --> 00:05:03,130

time it's super eerie y'all I'll tell

81

00:05:08,760 --> 00:05:06,190

you because we've been on many trips and

82

00:05:12,390 --> 00:05:08,770

we've done many things together in the

83

00:05:14,010 --> 00:05:12,400

spirit of UFOs and extraterrestrials and

84

00:05:17,940 --> 00:05:14,020

the stories and all these great things

85

00:05:20,400 --> 00:05:17,950

and we always have a moment it feels

86

00:05:21,840 --> 00:05:20,410

like we're we just reconnect and we like

87

00:05:22,410 --> 00:05:21,850

can literally finish each other's

88

00:05:32,750 --> 00:05:22,420

sentences

89

00:05:35,400 --> 00:05:32,760

so easy so that's what bro zoning is and

90

00:05:40,100 --> 00:05:35,410

we're back because we're out of the

91

00:05:42,990 --> 00:05:40,110

frozen that was pretty much that was it

92

00:05:44,760 --> 00:05:43,000

it's cool and we're doing it more what

93

00:05:49,800 --> 00:05:44,770

did we what happened today Joe that we

94

00:05:52,890 --> 00:05:49,810

did it on that stupid movie a Christmas

95

00:05:57,230 --> 00:05:52,900

toy from was that in the 80s Joe yeah

96

00:06:00,840 --> 00:05:57,240

back in the 80s there was this it's so

97

00:06:02,910 --> 00:06:00,850

obscure and random essentially here's

98

00:06:06,990 --> 00:06:02,920

the way I put it it's the Toy Story

99

00:06:08,310 --> 00:06:07,000

movie the Toy Story story yeah but with

100

00:06:10,350 --> 00:06:08,320

puppets

101  
00:06:17,430 --> 00:06:10,360  
it's a Jim Hansen cleaner Jim Henson

102  
00:06:18,990 --> 00:06:17,440  
production back in the 80s and it's

103  
00:06:21,570 --> 00:06:19,000  
about this toy that gets forgotten

104  
00:06:24,480 --> 00:06:21,580  
because the new flashy toy comes and

105  
00:06:28,260 --> 00:06:24,490  
it's the biggest bestest thing basically

106  
00:06:31,380 --> 00:06:28,270  
like Toy Story and anyway to sum it all

107  
00:06:36,990 --> 00:06:31,390  
up it was just so weird today we I said

108  
00:06:38,370 --> 00:06:37,000  
to Joe I wish no I said this Christmas

109  
00:06:39,480 --> 00:06:38,380  
we're not gonna have a bed we're gonna

110  
00:06:42,330 --> 00:06:39,490  
have a great Christmas this Christmas

111  
00:06:49,189 --> 00:06:42,340  
right like like back in the day yeah and

112  
00:06:55,020 --> 00:06:51,510  
does it mean like cat toy

113  
00:07:00,090 --> 00:06:55,030

and I said no frickin way I was just

114

00:07:13,920 --> 00:07:00,100

thinking of that Lu awkward so there you

115

00:07:15,030 --> 00:07:13,930

go that was our pros own for the day for

116

00:07:19,740 --> 00:07:15,040

any of you that have eardrums I

117

00:07:21,629 --> 00:07:19,750

apologize I shut down actually the

118

00:07:24,240 --> 00:07:21,639

microphone fell down during that little

119

00:07:28,050 --> 00:07:24,250

bit shall we call it so I we do

120

00:07:32,030 --> 00:07:28,060

apologize we are getting better crap Joe

121

00:07:35,159 --> 00:07:32,040

we're gonna invest in new microphones

122

00:07:40,110 --> 00:07:35,169

new mixer and some things that I think's

123

00:07:45,810 --> 00:07:40,120

gonna turn I'm calling it

124

00:07:49,950 --> 00:07:45,820

UFO Bros HD HD as in huge

125

00:08:00,510 --> 00:07:49,960

we've had a lot of interaction on social

139

00:08:58,470 --> 00:08:53,830

media with a lot of these like UFO cons

140

00:08:59,640 --> 00:08:58,480

141

00:09:01,500 --> 00:08:59,650

whatever let the people know we do a

147

00:09:21,360 --> 00:09:19,000

really really funny presentation that I

148

00:09:24,060 --> 00:09:21,370

think most people would enjoy and the

149

00:09:24,870 --> 00:09:24,070

premise behind it is a good one of

150

00:09:27,240 --> 00:09:24,880

course

151  
00:09:31,220 --> 00:09:27,250

been commenting on our last podcast

161  
00:10:11,090 --> 00:10:08,890  
thank you for that we talked about the

162  
00:10:13,380 --> 00:10:11,100  
connection between the Nazi bell and

163  
00:10:15,390 --> 00:10:13,390

Kecksburg Pennsylvania incident they're

164

00:10:18,420 --> 00:10:15,400

two very similar incidents and he

165

00:10:22,410 --> 00:10:18,430

tweeted us saying it's basically it's

166

00:10:26,180 --> 00:10:22,420

interesting that nobody talks about that

167

00:10:29,880 --> 00:10:26,190

connection and I said hey we do so

168

00:10:31,680 --> 00:10:29,890

that's right and if you're listening and

169

00:10:33,640 --> 00:10:31,690

you want to know about the Kecksburg

170

00:10:38,500 --> 00:10:33,650

Pennsylvania

171

00:10:41,930 --> 00:10:38,510

crash I guess you could call it and the

172

00:10:45,110 --> 00:10:41,940

UFO I guess you could not UFO sorry the

173

00:10:47,990 --> 00:10:45,120

174

00:10:54,380 --> 00:10:48,000

think it'll I call it scusi die good

175

00:10:56,570 --> 00:10:54,390

176  
00:10:57,980 --> 00:10:56,580  
back really get your tongue going or can

177  
00:11:01,730 --> 00:10:57,990  
died CAW

178

186  
00:11:31,750 --> 00:11:28,260  
and Emery thank you

187  
00:11:37,820 --> 00:11:31,760  
and here's a quick social update show on

188  
00:11:40,070 --> 00:11:37,830

our poll we did a poll which asked which

189

00:11:43,190 --> 00:11:40,080

ufologist should we interview on our

190

00:11:45,350 --> 00:11:43,200

probe cast and remember we had before we

191

00:11:48,070 --> 00:11:45,360

had Giorgio tsoukalos we had dr. Steven

192

00:11:56,080 --> 00:11:48,080

Greer Linda Moulton Howe and Bob Lazar

193

00:12:01,490 --> 00:11:56,090

yes who the winner was Giorgio tsoukalos

194

00:12:02,230 --> 00:12:01,500

five-car and then Bob Lazar with second

195

00:12:05,030 --> 00:12:02,240

place

196

00:12:10,880 --> 00:12:05,040

funny thing dr. Steven Greer I'm so

197

00:12:18,860 --> 00:12:16,550

we're getting to it that one I like that

198

00:12:24,860 --> 00:12:18,870

one was really loud man

199

00:12:27,680 --> 00:12:24,870

yes oh jeez the soundboard master here's

200

00:12:29,800 --> 00:12:27,690

the thing Joe you have to learn to do

201  
00:12:33,170 --> 00:12:29,810  
the timing of the soundboard right I

202  
00:12:35,840 --> 00:12:33,180  
usually am right on cue well we were I I

203  
00:12:41,150 --> 00:12:35,850  
mean we which is high in you we're told

204  
00:12:42,980 --> 00:12:41,160  
there's no 99 fire you you know for you

205  
00:12:45,440 --> 00:12:42,990  
to tell me to fire myself no there was a

206  
00:12:47,540 --> 00:12:45,450  
youtube commenter that told us which is

207  
00:12:50,300 --> 00:12:47,550  
you and need for me to tell you because

208  
00:12:54,010 --> 00:12:50,310  
I'm not you that you indeed aspire for

209  
00:12:58,780 --> 00:12:54,020  
your irresponsibility on the sound

210  
00:13:04,250 --> 00:13:02,360  
you anyway all right

211  
00:13:06,650 --> 00:13:04,260  
by the way I'm gonna do just like a

212  
00:13:09,530 --> 00:13:06,660  
basic summary here on the Rendlesham

213  
00:13:11,230 --> 00:13:09,540

forest incident and then we're going to

214

00:13:18,860 --> 00:13:11,240

take a short break and we're gonna call

215

00:13:20,780 --> 00:13:18,870

alien on board bring him aboard by the

216

00:13:27,050 --> 00:13:20,790

way we've got some really cool video and

217

00:13:29,900 --> 00:13:27,060

pictures to share - so the Rendlesham

218

00:13:33,950 --> 00:13:29,910

forest incident i mean it's also known

219

00:13:35,630 --> 00:13:33,960

as Britain's Roswell is undoubtedly one

220

00:13:37,790 --> 00:13:35,640

of the best documented and most

221

00:13:41,630 --> 00:13:37,800

significant military encounters with a

222

00:13:43,700 --> 00:13:41,640

craft of unknown origin or UFO basically

223

00:13:48,550 --> 00:13:43,710

this incident spans several days way

224

00:13:52,700 --> 00:13:48,560

back in 1980 in the revolution forest

225

00:13:57,920 --> 00:13:52,710

which is like a large pine forest in

226

00:14:01,910 --> 00:13:57,930

Suffolk England nearby the two NATO air

227

00:14:05,650 --> 00:14:01,920

bases and so basically this happened

228

00:14:08,570 --> 00:14:05,660

between two bases

229

00:14:14,170 --> 00:14:08,580

RAF Bentwaters and RAF Woodbridge by the

230

00:14:17,870 --> 00:14:14,180

way other new air bases yeah yeah so

231

00:14:21,260 --> 00:14:17,880

here's the deal here's the deal

232

00:14:22,570 --> 00:14:21,270

according to USA of security patrolmen

233

00:14:26,960 --> 00:14:22,580

on duty

234

00:14:29,420 --> 00:14:26,970

the object was described as being

235

00:14:32,500 --> 00:14:29,430

metallic in appearance and triangular in

236

00:14:34,640 --> 00:14:32,510

shape Joe did you hear about this no

237

00:14:39,860 --> 00:14:34,650

approximately two to three meters across

238

00:14:42,650 --> 00:14:39,870

the base and it I guess was so bright

239

00:14:43,880 --> 00:14:42,660

was it illuminated the entire force

240

00:14:48,140 --> 00:14:43,890

I don't know how do we do that

241

00:14:50,120 --> 00:14:48,150

conversion I think was it 3 3 feet we're

242

00:14:53,630 --> 00:14:50,130

terrible terrible Americans we do

243

00:14:59,810 --> 00:14:53,640

everything in feed inches and in degree

244

00:15:01,880 --> 00:14:59,820

degrees and feet and yeah but basically

245

00:15:09,110 --> 00:15:01,890

I mean it wasn't huge but it wasn't

246

00:15:13,340 --> 00:15:09,120

small that's what she's anyway and we're

247

00:15:17,950 --> 00:15:13,350

back so it was so bright Jill I get

248

00:15:22,580 --> 00:15:20,840

basically it had been viewed by all

249

00:15:24,860 --> 00:15:22,590

these different military personnel they

250

00:15:28,450 --> 00:15:24,870

were witnesses to it a lot of which

251

00:15:30,950 --> 00:15:28,460

actually made sketches of said craft

252

00:15:32,900 --> 00:15:30,960

even going into so much detail as

253

00:15:35,480 --> 00:15:32,910

describing certain markings and symbols

254

00:15:38,750 --> 00:15:35,490

on the craft which you and I both have

255

00:15:39,260 --> 00:15:38,760

talked about alien and they're on the

256

00:15:41,330 --> 00:15:39,270

bill

257

00:15:44,270 --> 00:15:41,340

they're on the fell they were a float

258

00:15:47,870 --> 00:15:44,280

and the bell though remember is supposed

259

00:15:49,760 --> 00:15:47,880

to Nazi technology and that's number AJ

260

00:15:51,770 --> 00:15:49,770

reminded us of that by the way AJ if

261

00:15:54,770 --> 00:15:51,780

you're out there how are you we want to

262

00:15:59,980 --> 00:15:54,780

see you back on the show soon yes yes

263

00:16:03,740 --> 00:15:59,990

and this rock like I said had these

264

00:16:06,410 --> 00:16:03,750

hieroglyphic type symbols all around it

265

00:16:10,040 --> 00:16:06,420

it was triangular in shape and just to

266

00:16:12,110 --> 00:16:10,050

kind of give you guys a little taste of

267

00:16:19,070 --> 00:16:12,120

what some of these people that and

268

00:16:22,970 --> 00:16:19,080

witnesses said here's one from Sargent

269

00:16:24,680 --> 00:16:22,980

bud Stefan's it didn't crash it landed

270

00:16:29,450 --> 00:16:24,690

so by the way that's the correction it

271

00:16:32,480 --> 00:16:29,460

wasn't crash exactly that's that's the

272

00:16:34,430 --> 00:16:32,490

good thing so here is sergeant Adrian

273

00:16:37,670 --> 00:16:34,440

bust Inza I think that's how you

274

00:16:39,650 --> 00:16:37,680

pronounce it when I arrived it was going

275

00:16:42,140 --> 00:16:39,660

in and out through the trees and at one

276  
00:16:43,910 --> 00:16:42,150  
stage it was hovering then it went over

277  
00:16:46,070 --> 00:16:43,920  
to a clearing at the hedge of the forest

278  
00:16:48,320 --> 00:16:46,080  
by the time we got to the clearing it

279  
00:16:50,810 --> 00:16:48,330  
had already landed when this thing

280  
00:16:51,530 --> 00:16:50,820  
landed halt was already there I didn't

281  
00:16:54,110 --> 00:16:51,540  
see it land

282  
00:16:57,620 --> 00:16:54,120  
I saw it take off it kind of hovered it

283  
00:16:58,340 --> 00:16:57,630  
first and then like took off and here's

284  
00:17:00,980 --> 00:16:58,350  
another person

285  
00:17:03,350 --> 00:17:00,990  
sergeant Monroe nevels saying there were

286  
00:17:05,090 --> 00:17:03,360  
three objects or lights the largest

287  
00:17:07,730 --> 00:17:05,100  
light was the leading or command vessel

288  
00:17:10,040 --> 00:17:07,740

the lights were three vessels that moved

289

00:17:12,020 --> 00:17:10,050

independently of each other they were

290

00:17:14,150 --> 00:17:12,030

moving and were able to jump from

291

00:17:19,310 --> 00:17:14,160

Woodbridge and show up over Bentwaters

292

00:17:21,199 --> 00:17:19,320

in less than a second so these are kind

293

00:17:22,910 --> 00:17:21,209

of some descriptions of what these

294

00:17:28,100 --> 00:17:22,920

people encountered at Rendlesham forest

295

00:17:34,300 --> 00:17:28,110

and our friend alien on board went there

296

00:17:38,560 --> 00:17:34,310

I think you press the wrong button

297

00:17:41,290 --> 00:17:38,570

yeah are we meant to give him a clap or

298

00:17:45,730 --> 00:17:41,300

something right thank you

299

00:17:48,040 --> 00:17:45,740

all right wrong by the way any other

300

00:17:50,230 --> 00:17:48,050

boards awesome so thank you for very

301  
00:17:52,300 --> 00:17:50,240  
being kind of our correspondent on this

302  
00:17:55,060 --> 00:17:52,310  
because you're like on a different

303  
00:17:57,940 --> 00:17:55,070  
continent now okay

304  
00:18:01,840 --> 00:17:57,950  
so what we're gonna do now we've got to

305  
00:18:04,960 --> 00:18:01,850  
call alien on board get them on site and

306  
00:18:07,600 --> 00:18:04,970  
then we'll be back to talk some more

307  
00:18:13,030 --> 00:18:07,610  
about the Rendlesham or incidents so

308  
00:18:57,470 --> 00:18:47,340  
[Music]

309  
00:19:01,490 --> 00:18:57,480  
hey everybody and we're back now we've

310  
00:19:03,530 --> 00:19:01,500  
got a lien on board on the line who by

311  
00:19:06,890 --> 00:19:03,540  
the way what time is it where you're at

312  
00:19:11,800 --> 00:19:06,900  
right now oh it's about 20 plus 5

313  
00:19:16,610 --> 00:19:11,810

I am Wow so for us it's just a lovely

314

00:19:18,020 --> 00:19:16,620

9:20 p.m. on a Saturday evening so so

315

00:19:23,150 --> 00:19:18,030

you're already into the future basically

316

00:19:24,980 --> 00:19:23,160

you're our time traveler so first before

317

00:19:36,740 --> 00:19:24,990

we get started let's give a big round of

318

00:19:39,860 --> 00:19:36,750

applause so tell me man how was the

319

00:19:46,100 --> 00:19:39,870

visit at Rendlesham forest what was it

320

00:19:48,230 --> 00:19:46,110

like apart from the UFO aspect of it it

321

00:19:51,590 --> 00:19:48,240

was really nice the forest just going

322

00:19:54,650 --> 00:19:51,600

out it was really good

323

00:19:57,950 --> 00:19:54,660

they had a lot of information there on

324

00:20:01,100 --> 00:19:57,960

the London and everything and the model

325

00:20:04,990 --> 00:20:01,110

itself was really cool showed you some

326

00:20:10,730 --> 00:20:05,000

of the pictures of the markings on the

327

00:20:13,670 --> 00:20:10,740

it craft and it was really cool and got

328

00:20:16,190 --> 00:20:13,680

some cool information and so it really

329

00:20:19,280 --> 00:20:16,200

strange that I'll think you'll find

330

00:20:23,720 --> 00:20:19,290

pretty cool that my dad found out about

331

00:20:28,640 --> 00:20:23,730

it really and what was that please do

332

00:20:31,400 --> 00:20:28,650

share with us say in there's a few

333

00:20:35,690 --> 00:20:31,410

different sides of the story but those a

334

00:20:40,840 --> 00:20:35,700

few bits that said the craft was

335

00:20:48,890 --> 00:20:43,220

substance or something around the forest

336

00:20:51,230 --> 00:20:48,900

and where the London was the it said

337

00:20:53,720 --> 00:20:51,240

they had to cut down a lot of trees to

338

00:20:55,060 --> 00:20:53,730

decontaminate it and this was back in

339

00:20:57,399 --> 00:20:55,070

the 80s

340

00:21:00,279 --> 00:20:57,409

they would have replanted these trees

341

00:21:03,370 --> 00:21:00,289

and my dad's a trichologist which he

342

00:21:05,499 --> 00:21:03,380

just knows I think about trees and you

343

00:21:08,519 --> 00:21:05,509

might not know this but apparently trees

344

00:21:11,590 --> 00:21:08,529

have genders which is really weird and

345

00:21:16,570 --> 00:21:11,600

wow that must explain this tree out here

346

00:21:17,919 --> 00:21:16,580

must be female [h\_\_\h] look that's a

347

00:21:20,950 --> 00:21:17,929

female tree right there it's always

348

00:21:22,330 --> 00:21:20,960

dropping [h\_\_\h] come above I don't know

349

00:21:25,509 --> 00:21:22,340

that mean that's not reference to

350

00:21:26,919 --> 00:21:25,519

females by the way I mean I I love let

351

00:21:36,279 --> 00:21:26,929

me tell you I love women

352

00:21:44,980 --> 00:21:36,289

ok i investing for women okay your hatch

353

00:21:46,299 --> 00:21:44,990

oh because I had to get out of I tend to

354

00:21:50,139 --> 00:21:46,309

do that anyway we're gonna get back to

355

00:21:53,590 --> 00:21:50,149

this so they by the way did you say your

356

00:21:58,180 --> 00:21:53,600

dad is a tree what it just what did you

357

00:22:03,490 --> 00:21:58,190

said trichologist a tree colleges that

358

00:22:06,879 --> 00:22:03,500

is the coolest like name of a profession

359

00:22:09,630 --> 00:22:06,889

already never heard your dad must be

360

00:22:10,919 --> 00:22:09,640

really fun to talk to

361

00:22:14,320 --> 00:22:10,929

[Music]

362

00:22:18,999 --> 00:22:14,330

okay so you like trees that is of course

363

00:22:21,700 --> 00:22:19,009

if you like trees but anything else you

364

00:22:23,680 --> 00:22:21,710

said like this dripping you know it

365

00:22:27,490 --> 00:22:23,690

makes me think of when the two wands

366

00:22:29,320 --> 00:22:27,500

touch and Harry Potter you don't see

367

00:22:31,090 --> 00:22:29,330

their jobs when Harry Potter and

368

00:22:33,700 --> 00:22:31,100

Voldemort and they fight in their wands

369

00:22:37,389 --> 00:22:33,710

I'm Jimmy Harry Potter yes you have

370

00:22:38,830 --> 00:22:37,399

anyway one the ones I like that we're

371

00:22:40,180 --> 00:22:38,840

arguing about what you haven't haven't

372

00:22:42,190 --> 00:22:40,190

done that I do or do not know that you

373

00:22:45,100 --> 00:22:42,200

have Jeff anyway well the ones touch all

374

00:22:47,230 --> 00:22:45,110

this like weird like trippy foamy kind

375

00:22:49,029 --> 00:22:47,240

of stuff starts coming down like it's

376

00:22:50,769 --> 00:22:49,039

really interesting effect in that movie

377

00:22:52,840 --> 00:22:50,779

so really for those of you out there I

378

00:22:53,950 --> 00:22:52,850

imagine it would be something similar to

379

00:22:57,039 --> 00:22:53,960

that what about you do you think he's

380

00:22:59,529 --> 00:22:57,049

passed something like that uh no

381

00:23:02,480 --> 00:22:59,539

actually seen Harry Potter

382

00:23:06,110 --> 00:23:02,490

you have got to be kidding me

383

00:23:11,060 --> 00:23:06,120

help how can you have not seen Harry

384

00:23:13,639 --> 00:23:11,070

Potter sure my brother went to this

385

00:23:16,240 --> 00:23:13,649

thing could Harry Potter world but I

386

00:23:21,649 --> 00:23:16,250

didn't guy who cyan't see the movies I

387

00:23:24,620 --> 00:23:21,659

see you're more into like aliens and

388

00:23:26,870 --> 00:23:24,630

UFOs in life and an intelligent life in

389

00:23:30,409 --> 00:23:26,880

extraterrestrial life so let me ask you

390

00:23:36,259 --> 00:23:30,419

this in your opinion do you think that

391

00:23:39,169 --> 00:23:36,269

this was a craft from another world that

392

00:23:41,269 --> 00:23:39,179

landed in Rendlesham forest or do you

393

00:23:43,549 --> 00:23:41,279

think that this was potentially one of

394

00:23:47,570 --> 00:23:43,559

our crafts that maybe we had created

395

00:23:49,789 --> 00:23:47,580

what's your thoughts on that well like I

396

00:23:53,779 --> 00:23:49,799

was saying with the trees there to

397

00:23:56,899 --> 00:23:53,789

decontaminate yeah and my dad said this

398

00:23:59,419 --> 00:23:56,909

is back in the 80s but there's shop down

399

00:24:03,289 --> 00:23:59,429

these trees and the age of these trees

400

00:24:04,490 --> 00:24:03,299

were around 25 to 30 years old which I

401  
00:24:05,749 --> 00:24:04,500  
thought was really weird because that

402  
00:24:11,210 --> 00:24:05,759  
would have been around the time that

403  
00:24:13,779 --> 00:24:11,220  
this happened but my thoughts on it the

404  
00:24:18,350 --> 00:24:13,789  
fact that it's so well documented and

405  
00:24:21,259 --> 00:24:18,360  
the people who saw it were a military

406  
00:24:25,460 --> 00:24:21,269  
and they're trained they got a trained

407  
00:24:27,909 --> 00:24:25,470  
eye and if they see a an unidentified

408  
00:24:32,269 --> 00:24:27,919  
flying object it's safe to say say

409  
00:24:33,830 --> 00:24:32,279  
identify flying object um as well as I

410  
00:24:37,720 --> 00:24:33,840  
don't know if you've seen it's called

411  
00:24:41,930 --> 00:24:37,730  
the hope tape or something no he's a

412  
00:24:44,269 --> 00:24:41,940  
recording of him in the forest I think

413  
00:24:46,340 --> 00:24:44,279

as it was occurring which is really

414

00:24:50,539 --> 00:24:46,350

coughing you can look up on YouTube or

415

00:24:53,629 --> 00:24:50,549

something yes that is interesting I

416

00:24:58,369 --> 00:24:53,639

we've got to check that now is this the

417

00:25:00,950 --> 00:24:58,379

incident where when someone touched it

418

00:25:04,279 --> 00:25:00,960

they received a binary message is that

419

00:25:08,180 --> 00:25:04,289

this story I don't remember yeah I think

420

00:25:11,340 --> 00:25:08,190

it is actually because I think they

421

00:25:13,909 --> 00:25:11,350

recently cracked this code

422

00:25:18,930 --> 00:25:13,919

something they found out we're men and

423

00:25:21,870 --> 00:25:18,940

someone said it was like some of the

424

00:25:24,539 --> 00:25:21,880

things men it was time and some were

425

00:25:27,840 --> 00:25:24,549

locations some people may think it was

426

00:25:30,029 --> 00:25:27,850

our craft from a different time coming

427

00:25:32,279 --> 00:25:30,039

back and stuff which is quite

428

00:25:36,659 --> 00:25:32,289

interesting I think that's even more

429

00:25:39,539 --> 00:25:36,669

interesting so because they they talk

430

00:25:42,480 --> 00:25:39,549

about this craft triangular almost kind

431

00:25:45,779 --> 00:25:42,490

of yet triangular that's the best way to

432

00:25:47,430 --> 00:25:45,789

put it with these markings what's your

433

00:25:50,850 --> 00:25:47,440

take on the markings there were only a

434

00:25:52,980 --> 00:25:50,860

few they look Egyptian but interestingly

435

00:25:55,140 --> 00:25:52,990

enough a lot of those markings are

436

00:25:59,370 --> 00:25:55,150

similar to the markings on the ancient

437

00:26:01,080 --> 00:25:59,380

Japanese encounter story that we talked

438

00:26:02,940 --> 00:26:01,090

about on our Instagram we'll have to

439

00:26:05,010 --> 00:26:02,950

actually probably cover that separately

440

00:26:07,770 --> 00:26:05,020

but anyway what's your take on those

441

00:26:10,470 --> 00:26:07,780

symbols and you got to get up close and

442

00:26:12,840 --> 00:26:10,480

personal with you know the giant model

443

00:26:14,909 --> 00:26:12,850

of the ship and see you know what those

444

00:26:17,159 --> 00:26:14,919

look like what are your what which are

445

00:26:20,909 --> 00:26:17,169

thoughts on those symbols or writing or

446

00:26:23,820 --> 00:26:20,919

whatever it was it was fairly quite

447

00:26:26,760 --> 00:26:23,830

interesting I think on the Roswell craft

448

00:26:31,020 --> 00:26:26,770

as well it had some sort of hieroglyphic

449

00:26:34,200 --> 00:26:31,030

type writing on it as well and people

450

00:26:38,250 --> 00:26:34,210

said this and rows were connected but I

451

00:26:41,580 --> 00:26:38,260

don't know um but I'm not sure if it's

452

00:26:44,760 --> 00:26:41,590

some sort of marking system on the craft

453

00:26:48,710 --> 00:26:44,770

or something but I thought was really

454

00:26:52,890 --> 00:26:48,720

strange and the person I think it was

455

00:26:55,770 --> 00:26:52,900

Jim I'm his second name his name was Jim

456

00:27:00,720 --> 00:26:55,780

who witnessed it actually got to touch

457

00:27:02,940 --> 00:27:00,730

the UFO and he touched the markings and

458

00:27:07,549 --> 00:27:02,950

the craft he said the craft was smooth

459

00:27:10,919 --> 00:27:07,559

and the markings were like sandpaper um

460

00:27:14,399 --> 00:27:10,929

but I'm not really sure about the

461

00:27:16,980 --> 00:27:14,409

markings actually well you know there is

462

00:27:19,190 --> 00:27:16,990

a story that we covered before called

463

00:27:25,220 --> 00:27:19,200

the carrot project yeah

464

00:27:30,770 --> 00:27:25,230

and that's clear et which was a which

465

00:27:33,650 --> 00:27:30,780

was a in an in the 80s it was apparently

466

00:27:35,150 --> 00:27:33,660

some research done on extraterrestrial

467

00:27:37,940 --> 00:27:35,160

artifacts actually in Palo Alto

468

00:27:41,210 --> 00:27:37,950

California of all places and on these

469

00:27:43,370 --> 00:27:41,220

artifacts were symbols hieroglyphics I'd

470

00:27:45,170 --> 00:27:43,380

like the ones from the Roswell play yeah

471

00:27:48,710 --> 00:27:45,180

we've seen that we were trying to like

472

00:27:50,960 --> 00:27:48,720

compare them yeah and your clothes when

473

00:27:52,430 --> 00:27:50,970

you research project karat which by the

474

00:27:55,070 --> 00:27:52,440

way Linda Moulton Howe is one of the

475

00:27:58,550 --> 00:27:55,080

people to to break that story you

476

00:28:00,530 --> 00:27:58,560

learned that these symbols in relation

477

00:28:03,170 --> 00:28:00,540

to project carrot and the handbook and

478

00:28:05,270 --> 00:28:03,180

the person that you know supposedly

479

00:28:08,300 --> 00:28:05,280

release all the information or leaked it

480

00:28:12,740 --> 00:28:08,310

or whatever that these symbols are like

481

00:28:15,500 --> 00:28:12,750

an encoded software to us they just look

482

00:28:18,380 --> 00:28:15,510

like a symbol but I've heard that what

483

00:28:22,310 --> 00:28:18,390

they do is determine the orientation of

484

00:28:26,450 --> 00:28:22,320

pieces of the ship in placement and that

485

00:28:29,450 --> 00:28:26,460

the ship's you know any way related to

486

00:28:31,670 --> 00:28:29,460

project here it there they were not held

487

00:28:35,990 --> 00:28:31,680

together by anything any means physical

488

00:28:39,590 --> 00:28:36,000

they were inoperable pieces that wants

489

00:28:41,600 --> 00:28:39,600

these symbols activated I don't know how

490

00:28:44,380 --> 00:28:41,610

they activated all the pieces would

491

00:28:49,400 --> 00:28:44,390

automatically go into place and and and

492

00:28:52,130 --> 00:28:49,410

and also I guess is has everything about

493

00:28:54,080 --> 00:28:52,140

space and time encoded in those symbols

494

00:28:56,240 --> 00:28:54,090

which is interesting because alien on

495

00:28:58,930 --> 00:28:56,250

board said that you know he got

496

00:29:03,080 --> 00:28:58,940

coordinates zeros and ones from touching

497

00:29:04,520 --> 00:29:03,090

the craft and maybe he got some encoding

498

00:29:09,200 --> 00:29:04,530

from the symbol that's like reasonable

499

00:29:11,120 --> 00:29:09,210

to assume don't you think Joe yeah what

500

00:29:15,989 --> 00:29:11,130

is Christopher Walken had to say about

501  
00:29:15,999 --> 00:29:26,669  
what is Tigger say look at long ears

502  
00:29:36,989 --> 00:29:30,610  
so go ahead alien on board your turn

503  
00:29:42,869 --> 00:29:39,279  
there's just what I'm feeling when I say

504  
00:29:47,560 --> 00:29:42,879  
but go for it the day the day after the

505  
00:29:50,169 --> 00:29:47,570  
London captain Holt and a team of our

506  
00:29:52,749 --> 00:29:50,179  
people came back to the site and they

507  
00:29:56,440 --> 00:29:52,759  
actually found three indentations on the

508  
00:29:59,340 --> 00:29:56,450  
ground and they said the actual craft

509  
00:30:03,279 --> 00:29:59,350  
looked like the Apollo Lunar Lander

510  
00:30:05,680 --> 00:30:03,289  
except it only had three legs and those

511  
00:30:08,409 --> 00:30:05,690  
indentations on the ground and they took

512  
00:30:11,399 --> 00:30:08,419  
radiation readings and it was ten times

513  
00:30:16,960 --> 00:30:11,409

as much as it should be

514

00:30:20,859 --> 00:30:16,970

and to this day the people who are at

515

00:30:25,659 --> 00:30:20,869

that suffer from radiation exposure I

516

00:30:26,859 --> 00:30:25,669

think oh man that's terrible yeah you

517

00:30:31,950 --> 00:30:26,869

know what that reminds me of here's

518

00:30:36,519 --> 00:30:34,269

folks forgive me I don't remember what

519

00:30:41,409 --> 00:30:36,529

year I read a lot of crap but I

520

00:30:45,850 --> 00:30:41,419

memorized hardly awful but the cash in

521

00:30:48,999 --> 00:30:45,860

case was a in fact what we call an ARV

522

00:30:53,499 --> 00:30:49,009

or alien reproduction vehicle that I

523

00:30:57,009 --> 00:30:53,509

guess we had tried to combine alien

524

00:31:00,070 --> 00:30:57,019

engine technology with our technology in

525

00:31:03,279 --> 00:31:00,080

some way and we created this you know

526  
00:31:05,590 --> 00:31:03,289  
anti-gravity craft but where it gets

527  
00:31:08,560 --> 00:31:05,600  
interesting in the cash Landrum case is

528  
00:31:11,799 --> 00:31:08,570  
the people that witnessed it saw its

529  
00:31:15,669 --> 00:31:11,809  
spewing something out the side and they

530  
00:31:18,850 --> 00:31:15,679  
were badly burned they were no it was

531  
00:31:21,159 --> 00:31:18,860  
like a gas fit or I guess a ready

532  
00:31:24,430 --> 00:31:21,169  
radiation gas of some sort or just

533  
00:31:26,379 --> 00:31:24,440  
radiation but they were burned so bad

534  
00:31:29,289 --> 00:31:26,389  
that they escalated all the way through

535  
00:31:32,739 --> 00:31:29,299  
court and ultimately they ended up Lou

536  
00:31:35,440 --> 00:31:32,749  
because of course the government

537  
00:31:37,810 --> 00:31:35,450  
wouldn't acknowledge this secret project

538  
00:31:42,940 --> 00:31:37,820

so they ended up with nothing in the end

539

00:31:47,619 --> 00:31:42,950

but I think it's interesting that rate

540

00:31:52,930 --> 00:31:47,629

you know that plays such a big role is

541

00:31:58,029 --> 00:31:52,940

this radiation and I do have a question

542

00:32:00,999 --> 00:31:58,039

though why landing feet if they're

543

00:32:06,119 --> 00:32:01,009

anti-gravity I don't know what's your

544

00:32:17,039 --> 00:32:14,519

actually before that I'm not sure but

545

00:32:19,419 --> 00:32:17,049

the craft itself apparently was

546

00:32:23,349 --> 00:32:19,429

anti-gravity because it had no wings or

547

00:32:29,470 --> 00:32:23,359

engine propulsion system but yes with

548

00:32:35,769 --> 00:32:29,480

the had that it had London unless there

549

00:32:41,799 --> 00:32:35,779

was a crew of aliens they went out and

550

00:32:48,700 --> 00:32:41,809

they had to leave it neither ship

551  
00:32:49,239 --> 00:32:48,710  
unmanned but I don't know see say that

552  
00:32:56,289 --> 00:32:49,249  
one more time

553  
00:33:01,470 --> 00:32:56,299  
maybe our point of origin is the fact

554  
00:33:04,629 --> 00:33:01,480  
that usually ground is earth right so

555  
00:33:06,489 --> 00:33:04,639  
like or maybe somehow by touching the

556  
00:33:08,560 --> 00:33:06,499  
soil because that were you're thinking

557  
00:33:11,039 --> 00:33:08,570  
it out or something or some way to

558  
00:33:14,349 --> 00:33:11,049  
repower it maybe or Nina's Wendy's feet

559  
00:33:15,759 --> 00:33:14,359  
to actually touch the physical soil you

560  
00:33:18,759 --> 00:33:15,769  
know what that reminds me reminds me of

561  
00:33:20,379 --> 00:33:18,769  
this movie called Avatar where there was

562  
00:33:23,080 --> 00:33:20,389  
this neural network in the entire planet

563  
00:33:30,820 --> 00:33:23,090

and the planet could feel you and if you

564

00:33:32,590 --> 00:33:30,830

died you can go inside a tree hot wings

565

00:33:34,779 --> 00:33:32,600

you know if I could live in a tree I

566

00:33:36,730 --> 00:33:34,789

would except for not next to that tree

567

00:33:46,840 --> 00:33:36,740

out there she's a [h\_\_\h]

568

00:33:48,490 --> 00:33:46,850

oh yeah so we're gonna we're gonna let

569

00:33:50,649 --> 00:33:48,500

alien on board we're gonna give him here

570

00:33:52,870 --> 00:33:50,659

just like maybe a minute or so to share

571

00:33:55,330 --> 00:33:52,880

anything else he finds compelling

572

00:33:57,669 --> 00:33:55,340

interesting or something that our

573

00:33:59,019 --> 00:33:57,679

followers listeners subscriber need to

574

00:34:01,690 --> 00:33:59,029

maybe know about Rendlesham forest

575

00:34:05,649 --> 00:34:01,700

before we let you go on to other things

576

00:34:08,169 --> 00:34:05,659

mainly sleep probably so i'm giving up

577

00:34:14,700 --> 00:34:08,179

to you you got one minute to to update

578

00:34:17,440 --> 00:34:14,710

us anything new by the way a few things

579

00:34:21,129 --> 00:34:17,450

quite a lot of people at the air force

580

00:34:26,260 --> 00:34:21,139

base who saw it didn't really wanna

581

00:34:28,960 --> 00:34:26,270

report seeing a UFO because usually when

582

00:34:31,990 --> 00:34:28,970

you see it when you report UFO you'd get

583

00:34:35,460 --> 00:34:32,000

decommissioned or something like that

584

00:34:39,070 --> 00:34:35,470

and until now i think quite a lot of

585

00:34:40,359 --> 00:34:39,080

people have just retired coming out with

586

00:34:44,740 --> 00:34:40,369

their stories because back then

587

00:34:49,990 --> 00:34:44,750

obviously you wouldn't wanna get taken

588

00:34:52,899 --> 00:34:50,000

out just for group on UFO um which is

589

00:34:55,480 --> 00:34:52,909

also quite compelling because they had

590

00:35:00,030 --> 00:34:55,490

nothing to gain by a reporting these

591

00:35:03,670 --> 00:35:00,040

UFOs they could lose their job over

592

00:35:07,780 --> 00:35:03,680

another thing is the air force base was

593

00:35:12,930 --> 00:35:07,790

said to have a lot of nuclear weapons

594

00:35:16,210 --> 00:35:12,940

and some theories say like the UFOs was

595

00:35:20,470 --> 00:35:16,220

came down to disarm these or they were

596

00:35:26,290 --> 00:35:20,480

interested in the nukes or something and

597

00:35:28,570 --> 00:35:26,300

heard the molten lava was actually the

598

00:35:31,060 --> 00:35:28,580

nukes had been destroyed and they were

599

00:35:35,250 --> 00:35:31,070

just trying out the ship or something

600

00:35:41,410 --> 00:35:35,260

but um interesting interesting

601  
00:35:43,270 --> 00:35:41,420  
so this is definitely more involved than

602  
00:35:44,740 --> 00:35:43,280  
just you know landing in the forest it

603  
00:35:51,370 --> 00:35:44,750  
maybe has something to do like he says

604  
00:35:53,560 --> 00:35:51,380  
with nuclear related sort of concerns

605  
00:35:57,300 --> 00:35:53,570  
and that seems to be an overarching

606  
00:36:02,079 --> 00:35:57,310  
issue in this whole alien UFO

607  
00:36:05,170 --> 00:36:02,089  
triangle is they do not like our nuclear

608  
00:36:08,349 --> 00:36:05,180  
technology at all they find it

609  
00:36:10,599 --> 00:36:08,359  
threatening and then by they of course I

610  
00:36:12,730 --> 00:36:10,609  
mean you know extraterrestrial beings or

611  
00:36:15,310 --> 00:36:12,740  
from or what we call interdimensional

612  
00:36:19,329 --> 00:36:15,320  
which whatever you want to call them

613  
00:36:21,120 --> 00:36:19,339

they're both technically I think I think

614

00:36:22,780 --> 00:36:21,130

if you can be interstellar you're also

615

00:36:24,130 --> 00:36:22,790

interdimensional that's my thought

616

00:36:25,480 --> 00:36:24,140

because you're literally bending

617

00:36:29,680 --> 00:36:25,490

space-time there's all kinds of weird

618

00:36:31,960 --> 00:36:29,690

physics behind it but by the way thank

619

00:36:34,440 --> 00:36:31,970

you mister alien on board let's give him

620

00:36:38,410 --> 00:36:34,450

a round of applause and thanking him for

621

00:36:41,440 --> 00:36:38,420

joining us on the show by the way for

622

00:36:43,060 --> 00:36:41,450

all of our listeners we're gonna take a

623

00:36:44,349 --> 00:36:43,070

quick break say goodbye to alien on

624

00:36:45,970 --> 00:36:44,359

board and we'll be back because we have

625

00:36:50,020 --> 00:36:45,980

a few more things to tell you guys about

626

00:36:50,030 --> 00:37:11,450

[Music]

627

00:37:21,120 --> 00:37:16,980

whoo we're back we're back we order

628

00:37:22,680 --> 00:37:21,130

alien on board thank you so much great

629

00:37:25,050 --> 00:37:22,690

information I'll tell you there's

630

00:37:27,810 --> 00:37:25,060

nothing I love more than any recent news

631

00:37:30,720 --> 00:37:27,820

or updates on any of these old I guess

632

00:37:34,380 --> 00:37:30,730

you could call them old or older UFO

633

00:37:36,060 --> 00:37:34,390

alien stories what do you think landed

634

00:37:39,510 --> 00:37:36,070

there Jeff

635

00:37:46,010 --> 00:37:39,520

three indentations that could be three

636

00:37:48,390 --> 00:37:46,020

being invitations three being

637

00:37:52,170 --> 00:37:48,400

indications from the hovering force what

638

00:37:53,490 --> 00:37:52,180

the hell is that oh god let's give a

639

00:37:56,910 --> 00:37:53,500

pretty moment to think about what that

640

00:37:58,530 --> 00:37:56,920

meant you know like the crash sent down

641

00:38:00,150 --> 00:37:58,540

beings and the flu mutations could be

642

00:38:08,730 --> 00:38:00,160

the three being and mutations from the

643

00:38:12,390 --> 00:38:08,740

beam personally personally I prefer your

644

00:38:15,300 --> 00:38:12,400

first explanation I think that could

645

00:38:18,780 --> 00:38:15,310

very well be maybe it's sort of a couple

646

00:38:20,790 --> 00:38:18,790

purposes supports the ship and connects

647

00:38:22,290 --> 00:38:20,800

it to the ground in some way and maybe

648

00:38:23,490 --> 00:38:22,300

there's a totally different sort of

649

00:38:26,730 --> 00:38:23,500

science there that we don't know about

650

00:38:28,410 --> 00:38:26,740

well obviously we don't how the hell are

651  
00:38:35,550 --> 00:38:28,420  
these people getting here how you know

652  
00:38:43,750 --> 00:38:39,880  
they seem to be investigating our

653  
00:38:47,380 --> 00:38:43,760  
nuclear situation I've heard they've

654  
00:38:49,240 --> 00:38:47,390  
taken action like alien on board set you

655  
00:38:51,609 --> 00:38:49,250  
know essentially annihilating nuclear

656  
00:38:54,850 --> 00:38:51,619  
warheads and then there's also another

657  
00:38:56,710 --> 00:38:54,860  
story about there's another gentleman

658  
00:38:59,400 --> 00:38:56,720  
from the disclosure project who talks

659  
00:39:02,910 --> 00:38:59,410  
about it the PhD and he it talks about

660  
00:39:05,740 --> 00:39:02,920  
being part of a nuclear test launch

661  
00:39:08,200 --> 00:39:05,750  
missile launch and he's and it was

662  
00:39:10,750 --> 00:39:08,210  
videotaping the whole thing and he said

663  
00:39:13,060 --> 00:39:10,760

that they had this new like tracking

664

00:39:15,400 --> 00:39:13,070

system for video so that they could

665

00:39:18,190 --> 00:39:15,410

actually track the missile and what he

666

00:39:20,200 --> 00:39:18,200

saw was something fly in by the way this

667

00:39:23,190 --> 00:39:20,210

missiles going thousands and thousands

668

00:39:30,720 --> 00:39:23,200

of miles per hour something just flew in

669

00:39:41,859 --> 00:39:30,730

shined a beam flew away they do not like

670

00:39:45,910 --> 00:39:41,869

they go and every single movie yeah it

671

00:39:49,599 --> 00:39:45,920

just makes me think that I think that

672

00:39:51,640 --> 00:39:49,609

they would step in I hope if something

673

00:39:53,950 --> 00:39:51,650

crazy happens you know especially with

674

00:39:57,940 --> 00:39:53,960

the tensions with Russia and everything

675

00:40:01,240 --> 00:39:57,950

end of getting more and you know tighter

676

00:40:04,150 --> 00:40:01,250

or you know there's a lot going on in

677

00:40:06,220 --> 00:40:04,160

the world right now tell you that yeah

678

00:40:09,280 --> 00:40:06,230

and you know and you know and I want to

679

00:40:13,810 --> 00:40:09,290

know what people think getting back to

680

00:40:21,550 --> 00:40:13,820

this subject was this time travelers was

681

00:40:25,410 --> 00:40:21,560

this you know advanced craft of some

682

00:40:28,210 --> 00:40:25,420

sort was this a you know super advanced

683

00:40:30,609 --> 00:40:28,220

technology that we don't know of I would

684

00:40:33,270 --> 00:40:30,619

probably go with the latter and say that

685

00:40:38,670 --> 00:40:33,280

this was definitely not something

686

00:40:43,630 --> 00:40:41,260

the characteristics in the way that it

687

00:40:46,960 --> 00:40:43,640

moved the way that it hovered the

688

00:40:50,590 --> 00:40:46,970

spewing of whatever this lava type of

689

00:40:53,530 --> 00:40:50,600

stuff was the the heightened radiation

690

00:40:54,790 --> 00:40:53,540

signature left the indentations that's

691

00:40:56,350 --> 00:40:54,800

the only thing I think's weird but I

692

00:41:01,770 --> 00:40:56,360

think you kind of covered that question

693

00:41:07,960 --> 00:41:01,780

well I would say it's definitely not us

694

00:41:12,450 --> 00:41:07,970

no way so this is just another mystery

695

00:41:16,860 --> 00:41:12,460

to add to the ever-growing mystery list

696

00:41:23,410 --> 00:41:16,870

and just like Roswell will it ever be

697

00:41:25,300 --> 00:41:23,420

solved I don't know I'm trying to keep

698

00:41:30,310 --> 00:41:25,310

my hopes up about disclosure soon though

699

00:41:33,070 --> 00:41:30,320

Joe yeah that's exactly then again

700

00:41:34,600 --> 00:41:33,080

people might lose their mind I think

701

00:41:38,230 --> 00:41:34,610

people could take it I don't think of

702

00:41:41,080 --> 00:41:38,240

the economic system or so she left

703

00:41:42,780 --> 00:41:41,090

yes system could take that news that's

704

00:41:47,080 --> 00:41:42,790

my opinion

705

00:41:49,060 --> 00:41:47,090

exactly and I I had a great podcast at

706

00:41:59,080 --> 00:41:49,070

probe cast what do you think we did some

707

00:42:00,910 --> 00:41:59,090

good and you know I wanted to just add a

708

00:42:02,940 --> 00:42:00,920

detail on from our past conversation

709

00:42:06,940 --> 00:42:02,950

with alien on board

710

00:42:09,430 --> 00:42:06,950

apparently this object went across a

711

00:42:11,890 --> 00:42:09,440

60-mile radar within two three seconds

712

00:42:13,200 --> 00:42:11,900

without making a sound like breaking his

713

00:42:17,140 --> 00:42:13,210

number or anything just enough just

714

00:42:19,110 --> 00:42:17,150

instantaneous movement so I just wanted

715

00:42:22,950 --> 00:42:19,120

to add that in because I know we were

716

00:42:28,510 --> 00:42:22,960

wondering how quick that it that's just

717

00:42:29,350 --> 00:42:28,520

so fast that you have to be able to bend

718

00:42:33,840 --> 00:42:29,360

space-time

719

00:42:36,460 --> 00:42:33,850

that's not propulsion type technology

720

00:42:39,300 --> 00:42:36,470

that's what that's exactly what I think

721

00:42:43,230 --> 00:42:39,310

that's how I think if the crafts work I

722

00:42:44,920 --> 00:42:43,240

think they have a way of generating

723

00:42:47,770 --> 00:42:44,930

gravity

724

00:42:49,930 --> 00:42:47,780

and then they can use that exactly using

725

00:42:54,359 --> 00:42:49,940

gravity to manipulate their ability to

726

00:42:59,200 --> 00:42:54,369

move throughout space-time and you know

727

00:43:02,740 --> 00:42:59,210

and no inertia exactly no problems with

728

00:43:05,079 --> 00:43:02,750

speeding or slowing down or the effects

729

00:43:07,780 --> 00:43:05,089

as such so it's really amazing and I

730

00:43:11,680 --> 00:43:07,790

hope that one day we get the truck that

731

00:43:13,030 --> 00:43:11,690

would be nice and you know maybe we

732

00:43:16,329 --> 00:43:13,040

should move we should do a podcast about

733

00:43:17,859 --> 00:43:16,339

food I think that's great you know we

734

00:43:20,829 --> 00:43:17,869

should do it wish do with feeling at it

735

00:43:22,359 --> 00:43:20,839

yes because they I know over there at

736

00:43:25,359 --> 00:43:22,369

that YouTube channel are all about

737

00:43:27,089 --> 00:43:25,369

debunking people who are putting out

738

00:43:31,089 --> 00:43:27,099

misinformation

739

00:43:33,490 --> 00:43:31,099

crap so we need to get that you're the

740

00:43:37,390 --> 00:43:33,500

alien Eric if you're listening I will I

741

00:43:39,970 --> 00:43:37,400

will reply through email and also just

742

00:43:42,309 --> 00:43:39,980

to let you guys know we will still be

743

00:43:44,680 --> 00:43:42,319

put indeed at contact in the desert

744

00:43:46,690 --> 00:43:44,690

make sure yes if you aren't registered

745

00:43:47,230 --> 00:43:46,700

for that you should it's gonna be

746

00:43:49,839 --> 00:43:47,240

amazing

747

00:43:53,289 --> 00:43:49,849

we're going to the dr. Steven Greer

748

00:43:58,059 --> 00:43:53,299

workshop I wonder if we'll be escorted

749

00:44:01,950 --> 00:43:58,069

out with security well and I only say

750

00:44:07,930 --> 00:44:04,120

exactly I'm not that sad though because

751  
00:44:14,870 --> 00:44:07,940  
he's the one that got police pulled and

752  
00:44:20,600 --> 00:44:16,060  
[Music]

753  
00:44:22,850 --> 00:44:20,610  
well you know polls this school is dirty

754  
00:44:28,490 --> 00:44:22,860  
mind you kick anyway it's cozy

755  
00:44:33,800 --> 00:44:28,500  
like a hundred so we have survived the

756  
00:44:35,780 --> 00:44:33,810  
dam we did it is not exploded we did not

757  
00:44:38,990 --> 00:44:35,790  
need an arc so all that work and effort

758  
00:44:41,330 --> 00:44:39,000  
was for absolutely nothing and we're

759  
00:44:44,180 --> 00:44:41,340  
okay but you know what we're gonna go

760  
00:44:46,070 --> 00:44:44,190  
ahead and leave it here if you have any

761  
00:44:47,720 --> 00:44:46,080  
questions or thoughts about Rendlesham

762  
00:44:49,790 --> 00:44:47,730
