UNACKNOWLEDGED

AN EXPOSÉ OF THE WORLD'S GREATEST SECRET

@ufobrostv #probecast

1
00:00:16,660 --> 00:00:33,210

[Music]

2
00:00:42,479 --> 00:00:36,790

hey what's up that round body I'm in it

3
00:00:44,979 --> 00:00:42,489

and I'm Joe and we are that UFO Bros and

4
00:00:49,210 --> 00:00:44,989

certainly we're coming at you live from

5
00:00:50,920 --> 00:00:49,220

the facility yeah let me tell you what a

6
00:00:53,469 --> 00:00:50,930

facility it is for those of you tuning

7
00:00:55,450 --> 00:00:53,479

actually wait you know what Joe people

8
00:00:59,259 --> 00:00:55,460

don't tune in and you will no they don't

9
00:01:04,259 --> 00:00:59,269

it's if you're subscribing for the first

10
00:01:08,499 --> 00:01:04,269

time we are at the facility it is a 24/7

11
00:01:12,760 --> 00:01:08,509

facility that includes regular security

12
00:01:16,960 --> 00:01:12,770

tours and regular debriefings and it is

13
00:01:20,020 --> 00:01:16,970

a highly hostile situation however

14

00:01:21,969 --> 00:01:20,030

access granted yes we find the time to

15

00:01:24,670 --> 00:01:21,979

sneak away and talk about the things

16

00:01:27,670 --> 00:01:24,680

that we love like aliens and UFOs now

17

00:01:29,220 --> 00:01:27,680

while we do it this is the way we do it

18

00:01:31,360 --> 00:01:29,230

until the way Joe don't Lee yes for you

19

00:01:36,280 --> 00:01:31,370

while we do it the silly way we do it

20

00:01:38,790 --> 00:01:36,290

because we act and you know we try to go

21

00:01:41,380 --> 00:01:38,800

to everything we can imagine ufo-related

22

00:01:44,800 --> 00:01:41,390

do you know let's talk about we've been

23

00:01:46,860 --> 00:01:44,810

to Roswell Joe yeah that was a fun trip

24

00:01:50,289 --> 00:01:46,870

we've been to area 51

25

00:01:53,430 --> 00:01:50,299

we've been to alien Con we've been take

26

00:01:56,020 --> 00:01:53,440

various UFO sighting locations

27

00:01:59,700 --> 00:01:56,030

excursions excursions as we like to we

28

00:02:03,969 --> 00:01:59,710

like to call them excursion and recently

29

00:02:08,649 --> 00:02:03,979

we've been at the premier world premiere

30

00:02:11,860 --> 00:02:08,659

of dr. Steven Greer newest documentary

31

00:02:15,509 --> 00:02:11,870

about the alien presence titled

32

00:02:23,050 --> 00:02:20,559

why huh why is there a toilet flush Joe

33

00:02:25,660 --> 00:02:23,060

I don't know you said the magic way what

34

00:02:28,360 --> 00:02:25,670

was the magic word I don't remember but

35

00:02:31,300 --> 00:02:28,370

that was some what let's not what do you

36

00:02:37,440 --> 00:02:31,310

think of it is eye-opener it's it's

37

00:02:39,399 --> 00:02:37,450

truly it is a point of disclosure if

38

00:02:43,390 --> 00:02:39,409

confirmation I don't think you need any

39

00:02:44,770 --> 00:02:43,400

more I think that the documentary is

40

00:02:52,140 --> 00:02:44,780

very well put together

41

00:02:55,710 --> 00:02:52,150

um and ultimately the contents that it

42

00:02:58,089 --> 00:02:55,720

that the contents of the film are all

43

00:03:01,479 --> 00:02:58,099

every single piece seems to me to be

44

00:03:03,509 --> 00:03:01,489

explosive in terms of pretty much what

45

00:03:06,670 --> 00:03:03,519

the reality is because every single

46

00:03:10,080 --> 00:03:06,680

person that's interviewed is very high

47

00:03:12,460 --> 00:03:10,090

up in the command chain of command the

48

00:03:13,809 --> 00:03:12,470

command of chand what the hell is that

49

00:03:15,970 --> 00:03:13,819

that sounds like some kind of Buddhist

50

00:03:19,030 --> 00:03:15,980

[h__\h] aiming the highest up on the

51
00:03:22,830 --> 00:03:19,040
chain of command of various branches and

52
00:03:26,860 --> 00:03:22,840
levels of the US military as well as

53
00:03:29,379 --> 00:03:26,870
Canadian military as well as oh I mean

54
00:03:31,149 --> 00:03:29,389
the list goes on and on a country it's

55
00:03:33,939 --> 00:03:31,159
definitely something that you should it

56
00:03:35,259 --> 00:03:33,949
will mean well we can't give what learn

57
00:03:41,050 --> 00:03:35,269
it hold on don't tell me what they

58
00:03:42,369 --> 00:03:41,060
should do yeah we got hey John I so go

59
00:03:45,640 --> 00:03:42,379
ahead what were you saying Joe alright

60
00:03:47,680 --> 00:03:45,650
I'm what I was saying what along we

61
00:03:50,140 --> 00:03:47,690
experienced something that nobody else

62
00:03:51,369 --> 00:03:50,150
will cuz they'll never be put out like

63
00:03:54,580 --> 00:03:51,379

that well you're gonna lose see it one

64
00:03:57,219 --> 00:03:54,590
way what do you mean tell me more about

65
00:03:58,899 --> 00:03:57,229
this you know we went sawing they're not

66
00:04:00,789 --> 00:03:58,909
gonna put them out movie theaters you're

67
00:04:03,250 --> 00:04:00,799
going to watch it digitally we got to

68
00:04:05,860 --> 00:04:03,260
see it live on a big old screen and we

69
00:04:07,659 --> 00:04:05,870
got see dr. Greer you heard nothing more

70
00:04:09,089 --> 00:04:07,669
feet from us he looked at we're not

71
00:04:12,670 --> 00:04:09,099
gonna tell him the whole story yet

72
00:04:14,110 --> 00:04:12,680
because Joe we're only four minutes into

73
00:04:15,430 --> 00:04:14,120
the frickin show we're gonna get we

74
00:04:18,750 --> 00:04:15,440
can't give it all away in the beginning

75
00:04:21,930 --> 00:04:18,760
you got to learn some behind come on

76
00:04:24,150 --> 00:04:21,940
hey hey yeah and it looks as though Joe

77
00:04:26,370 --> 00:04:24,160
has this around until there's a frickin

78
00:04:27,870 --> 00:04:26,380
soundboard again hopefully love some

79
00:04:33,150 --> 00:04:27,880
appearances from various celebrities

80
00:04:36,240 --> 00:04:33,160
that tends to happen um we're gonna

81
00:04:37,860 --> 00:04:36,250
share a little secret not entirely but

82
00:04:41,400 --> 00:04:37,870
we're just gonna give you guys a little

83
00:04:42,990 --> 00:04:41,410
hint of something super awesome we're

84
00:04:45,120 --> 00:04:43,000
not for sure we're not for sure but

85
00:04:48,330 --> 00:04:45,130
something super awesome that we got to

86
00:04:50,490 --> 00:04:48,340
do while we were at LA and when we were

87
00:04:51,780 --> 00:04:50,500
preparing for the premiere of

88
00:04:53,790 --> 00:04:51,790

unacknowledged we got to go into a

89

00:04:56,250 --> 00:04:53,800
meeting with somebody very special very

90

00:04:59,790 --> 00:04:56,260
special I mean if everything works out

91

00:05:02,990 --> 00:04:59,800
it could be so cool for the UFO Bros and

92

00:05:06,930 --> 00:05:03,000
the followers and what that means to our

93

00:05:11,760 --> 00:05:06,940
contribution to disclose your Joe don't

94

00:05:14,160 --> 00:05:11,770
you think absolutely and that's

95

00:05:15,660 --> 00:05:14,170
ultimately what we're looking for we're

96

00:05:17,190 --> 00:05:15,670
looking to we're looking for answers

97

00:05:24,480 --> 00:05:17,200
just as much as everyone else even

98

00:05:35,790 --> 00:05:24,490
though you know it you just did a I

99

00:05:39,320 --> 00:05:35,800
didn't [h__\h] do you remember you're

100

00:05:42,030 --> 00:05:39,330
gonna say I can see it in your eyes

101
00:05:43,500 --> 00:05:42,040
leymah ladies and gentlemen that is what

102
00:05:52,560 --> 00:05:43,510
you get when you're having an adult

103
00:05:54,600 --> 00:05:52,570
evening oh my gracious so I mean I think

104
00:05:56,400 --> 00:05:54,610
Joe we play a bigger part in disclosure

105
00:05:57,780 --> 00:05:56,410
than most people might think and I say

106
00:06:01,050 --> 00:05:57,790
that we're not just common even though

107
00:06:03,480 --> 00:06:01,060
we are comedy but we're not right we I

108
00:06:05,280 --> 00:06:03,490
mean we always tell people Joe

109
00:06:07,770 --> 00:06:05,290
we are literally tripping and crashing

110
00:06:10,230 --> 00:06:07,780
our way into you follow me and we're

111
00:06:14,340 --> 00:06:10,240
having a freaking great time along the

112
00:06:16,680 --> 00:06:14,350
way you only live once Joe and I will

113
00:06:19,800 --> 00:06:16,690

have a full head of gray hair soon

114

00:06:22,950 --> 00:06:19,810

enough we can be professorial and preach

115

00:06:25,200 --> 00:06:22,960

our UFO gospel and those sorts of things

116

00:06:27,210 --> 00:06:25,210

at another time right now we're gonna go

117

00:06:28,680 --> 00:06:27,220

out what public will our private land

118

00:06:32,820 --> 00:06:28,690

whether they like it or not spend the

119

00:06:34,580 --> 00:06:32,830

night exactly like we did at Roswell

120

00:06:40,080 --> 00:06:34,590

[Music]

121

00:06:42,149 --> 00:06:40,090

it's true we have a Roswell fetish if

122

00:06:43,619 --> 00:06:42,159

you'll not we're talking about in LA

123

00:06:46,740 --> 00:06:43,629

remember you couldn't be good pretty

124

00:06:49,710 --> 00:06:46,750

great right weird like a total you can

125

00:06:51,749 --> 00:06:49,720

play this now well so back to well we

126

00:06:54,210 --> 00:06:51,759

went to okay so our gala first of all we

127

00:06:57,510 --> 00:06:54,220

got coffee oh wait no we went to the

128

00:06:58,559 --> 00:06:57,520

mall look looking for UFO and alien gear

129

00:07:00,409 --> 00:06:58,569

at Spencer's

130

00:07:04,230 --> 00:07:00,419

and it was like freaking 30 minutes away

131

00:07:05,370 --> 00:07:04,240

yeah 30 minutes away we got there and

132

00:07:07,620 --> 00:07:05,380

there's absolutely nothing in the store

133

00:07:13,260 --> 00:07:07,630

so like we're hungry so basically drove

134

00:07:18,270 --> 00:07:13,270

30 minutes ETA's \$10 salad going give me

135

00:07:21,420 --> 00:07:18,280

the shot there we go that is exactly how

136

00:07:24,180 --> 00:07:21,430

we felt and by the way on our excursion

137

00:07:26,939 --> 00:07:24,190

we drank way too much soda and way too

138

00:07:28,320 --> 00:07:26,949

much sugar oh wait we're already fat

139

00:07:31,850 --> 00:07:28,330

enough and we don't need to be doing

140

00:07:35,010 --> 00:07:31,860

that I know it's raw thinking ho ho ho

141

00:07:37,230 --> 00:07:35,020

exactly that we look like to Santa

142

00:07:39,629 --> 00:07:37,240

Clauses I know what you're thinking I

143

00:07:41,219 --> 00:07:39,639

already know people and we're working on

144

00:07:42,870 --> 00:07:41,229

that we've made a commitment to cutback

145

00:07:50,519 --> 00:07:42,880

sugar except for tonight given a little

146

00:07:51,330 --> 00:07:50,529

bit of one and well I think it's funny

147

00:07:52,439 --> 00:07:51,340

when we were actually gonna start

148

00:07:55,640 --> 00:07:52,449

talking about what happened when we got

149

00:07:57,719 --> 00:07:55,650

to acknowledge but before we do that

150

00:08:00,059 --> 00:07:57,729

we're gonna talk about what's going on

151
00:08:02,850 --> 00:08:00,069
in social media Joe I'm gonna turn we're

152
00:08:05,490 --> 00:08:02,860
still just floated by people want to

153
00:08:09,450 --> 00:08:05,500
know why did we go to this place

154
00:08:11,490 --> 00:08:09,460
what place the production we went to

155
00:08:13,469 --> 00:08:11,500
this place in this meeting because it

156
00:08:15,240 --> 00:08:13,479
could potentially have to do with the

157
00:08:16,469 --> 00:08:15,250
future of your fo Bros TV and that's all

158
00:08:17,999 --> 00:08:16,479
I got to say let's all actually know

159
00:08:19,080 --> 00:08:18,009
that is actually that farinelli to

160
00:08:19,740 --> 00:08:19,090
that's straight to the point and it's

161
00:08:22,769 --> 00:08:19,750
not-

162
00:08:24,149 --> 00:08:22,779
know it's fantastically amazing it's not

163
00:08:25,740 --> 00:08:24,159

a little blue we can't talk about

164

00:08:27,990 --> 00:08:25,750

nothing we can talk about anything or

165

00:08:32,850 --> 00:08:28,000

nothing but what we can say is you know

166

00:08:37,750 --> 00:08:35,769

all I know is we enjoy what we do and

167

00:08:39,279 --> 00:08:37,760

we're passionate and we think that a lot

168

00:08:42,069 --> 00:08:39,289

of our followers and listeners are too

169

00:08:44,590 --> 00:08:42,079

as an example coming back from the

170

00:08:46,750 --> 00:08:44,600

premiere today talking to AJ for what an

171

00:08:51,370 --> 00:08:46,760

hour and a half on loan at least oh my

172

00:08:55,000 --> 00:08:51,380

god I love that guy that guy is very

173

00:08:56,800 --> 00:08:55,010

very intellectual and he has a lot of

174

00:08:58,660 --> 00:08:56,810

very interesting insight utilities very

175

00:08:59,769 --> 00:08:58,670

passionate about it I know and I love it

176

00:09:00,670 --> 00:08:59,779

and there's nothing I don't I don't

177

00:09:01,930 --> 00:09:00,680

think there's anything better than

178

00:09:03,699 --> 00:09:01,940

talking to some buddies equally

179

00:09:06,730 --> 00:09:03,709

passionate about this subject as we are

180

00:09:08,350 --> 00:09:06,740

yeah and AJ is just so much fun

181

00:09:10,780 --> 00:09:08,360

and I love I don't know about you Joe

182

00:09:13,380 --> 00:09:10,790

but I love hearing him go on a rant yeah

183

00:09:16,120 --> 00:09:13,390

it's it's just garbage its garbage

184

00:09:17,410 --> 00:09:16,130

that's that's my agent president only

185

00:09:22,000 --> 00:09:17,420

because I love the guy what is it Long

186

00:09:24,699 --> 00:09:22,010

Island Long Island yeah access denied

187

00:09:26,590 --> 00:09:24,709

well I know I tried but hopefully we can

188

00:09:31,560 --> 00:09:26,600

get AJ on tonight he can show us a

189

00:09:33,490 --> 00:09:31,570

better East Coast yeah access granted

190

00:09:36,759 --> 00:09:33,500

thank you I'm glad that I have your

191

00:09:42,999 --> 00:09:36,769

approval can we take a moment and talk

192

00:09:48,170 --> 00:09:46,910

can you stop okay thank you in the

193

00:09:52,490 --> 00:09:48,180

middle of the night I had to go pee oh

194

00:09:54,559 --> 00:09:52,500

this is a story I got up everything was

195

00:09:57,170 --> 00:09:54,569

fine I made it to the toilet but on my

196

00:10:00,410 --> 00:09:57,180

way back to the bed I stepped on a

197

00:10:01,850 --> 00:10:00,420

rather sturdy platform like alyssa feels

198

00:10:03,379 --> 00:10:01,860

nicely this is nice

199

00:10:06,710 --> 00:10:03,389

let me just keep putting my whole

200

00:10:08,059 --> 00:10:06,720

[h__h] weight on it got in the bed woke

201
00:10:10,009 --> 00:10:08,069
up only to found out that I put a

202
00:10:12,680 --> 00:10:10,019
big-ass dent in the back of my [h__\h]

203
00:10:15,949 --> 00:10:12,690
iPad Pro and it's pushing on the glass

204
00:10:20,449 --> 00:10:15,959
and making a red like it's not that bad

205
00:10:21,920 --> 00:10:20,459
you can still use it well we're using it

206
00:10:26,120 --> 00:10:21,930
right now but it still pisses me off

207
00:10:29,329 --> 00:10:26,130
that's all yeah I mean I went to go for

208
00:10:34,699 --> 00:10:29,339
a piss I stepped on it and it pisses me

209
00:10:37,249 --> 00:10:34,709
off and by the way I'm trying to hop in

210
00:10:39,590 --> 00:10:37,259
the chat room Joe but the software seems

211
00:10:42,860 --> 00:10:39,600
to be freezing and I cannot switch over

212
00:10:44,629 --> 00:10:42,870
into the chat room so unfortunately for

213
00:10:47,090 --> 00:10:44,639

any of you that are in the chat room I

214

00:10:48,949 --> 00:10:47,100

love you you guys any comments or

215

00:10:51,110 --> 00:10:48,959

questions just leave them down at our

218

00:11:02,120 --> 00:10:59,910

a day so we're constantly looking we're

223

00:11:14,540 --> 00:11:12,120

consulate following people just getting

224

00:11:16,519 --> 00:11:14,550

in on it you know just leave a comment

225

00:11:19,519 --> 00:11:16,529

you tube anywhere we'll definitely

226

00:11:21,290 --> 00:11:19,529

answer you back know you know as ever

227

00:11:23,660 --> 00:11:21,300

best ability we do our best

228

00:11:26,749 --> 00:11:23,670

I will admit we had a moment where we

229

00:11:28,400 --> 00:11:26,759

were so busy that unfortunately um

230

00:11:30,620 --> 00:11:28,410

heroes on the back burner

231

00:11:32,720 --> 00:11:30,630

had it I mean I know Joe was pulling

232

00:11:34,970 --> 00:11:32,730

multiple 12-hour shifts back to that oh

233

00:11:36,379 --> 00:11:34,980

yeah and it was absolutely necessary and

234

00:11:37,639 --> 00:11:36,389

you know of course one of those things

235

00:11:40,160 --> 00:11:37,649

there was nothing you could do about it

236

00:11:42,110 --> 00:11:40,170

so in addition to me I was pulling

237

00:11:43,639 --> 00:11:42,120

multiple 12-hour shifts as well and you

238

00:11:45,559 --> 00:11:43,649

know we would just work any works and

239

00:11:50,290 --> 00:11:45,569

work you working yeah just one of those

240

00:11:53,410 --> 00:11:50,300

uh yeah what does mystery yeah

241

00:11:56,750 --> 00:11:53,420

[Music]

242

00:11:59,620 --> 00:11:56,760

absolutely a mystery let me have a

243

00:12:03,139 --> 00:11:59,630

little city step e access denied

244

00:12:05,019 --> 00:12:03,149

um I would appreciate an access granted

245

00:12:10,449 --> 00:12:05,029

on the fact that this is a lovely Merlot

246

00:12:16,759 --> 00:12:13,699

all right and we're bad character

247

00:12:19,189 --> 00:12:16,769

everybody doing I know I think that's

248

00:12:20,840 --> 00:12:19,199

about where we're at right now I did

249

00:12:23,150 --> 00:12:20,850

tweet but let's go over to social media

250

00:12:24,410 --> 00:12:23,160

Joe because we got a lot of there's like

251

00:12:28,189 --> 00:12:24,420

four people that really care about us

252

00:12:29,720 --> 00:12:28,199

253

00:12:34,550 --> 00:12:29,730

that infinite fulness of Twitter's

261

00:12:56,569 --> 00:12:53,850

because you probably can't find us

262

00:13:02,629 --> 00:12:56,579

270

00:13:28,040 --> 00:13:26,670

and just because I'm sure a lot of

271

00:13:31,160 --> 00:13:28,050

people are listening that's probably not

272

00:13:33,259 --> 00:13:31,170

those people but you've got to hear we

273

00:13:35,090 --> 00:13:33,269

got to tell people how much we

274

00:13:36,740 --> 00:13:35,100

appreciate them we also want to tell

275

00:13:38,660 --> 00:13:36,750

276

293

00:14:27,140 --> 00:14:24,540

294

00:14:29,960 --> 00:14:27,150

Joe we have some Emmy award-winning

295

00:14:32,920 --> 00:14:29,970

producers following us did you know that

296

00:14:36,320 --> 00:14:32,930

we also have staff from various other

297

00:14:38,420 --> 00:14:36,330

like paranormal shows following us in

298

00:14:38,780 --> 00:14:38,430

retweeting and talking to us you already

299

00:14:43,340 --> 00:14:38,790

knew that

300

00:14:46,970 --> 00:14:43,350

yeah they've only been doing this since

301
00:14:49,700 --> 00:14:46,980
November of 2016 and for those of you

302
00:14:52,400 --> 00:14:49,710
who don't know we came together because

303
00:14:54,560 --> 00:14:52,410
we went through a really bad horse of

304
00:14:56,660 --> 00:14:54,570
our significant others at the exact same

305
00:14:59,420 --> 00:14:56,670
time which is weird weirdest thing ever

306
00:15:02,420 --> 00:14:59,430
we were both homeless actually for

307
00:15:04,070 --> 00:15:02,430
several weeks and that's what prompted

308
00:15:06,020 --> 00:15:04,080
us to go to Roswell and you know what

309
00:15:08,240 --> 00:15:06,030
we've never told anybody very funny one

310
00:15:12,190 --> 00:15:08,250
first and then we like two days later we

311
00:15:15,290 --> 00:15:12,200
went to Roswell yes and we use that as

312
00:15:17,990 --> 00:15:15,300
living I mean we lived it we breathed it

313
00:15:21,110 --> 00:15:18,000

we immersed ourselves completely 1% in

314

00:15:23,330 --> 00:15:21,120

it what hires in it the most important

315

00:15:25,700 --> 00:15:23,340

thing job was that but we've got to know

316

00:15:29,540 --> 00:15:25,710

each other I mean it had been what 10

317

00:15:32,390 --> 00:15:29,550

plus years years easily since we because

318

00:15:34,580 --> 00:15:32,400

of how you were with your work and your

319

00:15:39,650 --> 00:15:34,590

business and me and mine and it just it

320

00:15:41,930 --> 00:15:39,660

was too busy I know and then you had

321

00:15:43,540 --> 00:15:41,940

children come out of somebody's vajayjay

322

00:15:47,210 --> 00:15:43,550

oh sorry

323

00:15:48,890 --> 00:15:47,220

but seriously yeah all jokes aside two

324

00:15:52,580 --> 00:15:48,900

different lives two different lifestyles

325

00:15:54,590 --> 00:15:52,590

we were both doing our thing I'm not

326

00:15:57,350 --> 00:15:54,600

lying I'm mad I'm not being a baby I'm

327

00:15:58,670 --> 00:15:57,360

just saying we were doing the adult

328

00:16:00,800 --> 00:15:58,680

thing we're putting our lives together

329

00:16:02,150 --> 00:16:00,810

with our significant others we were

330

00:16:04,010 --> 00:16:02,160

building businesses we're building lives

331

00:16:08,630 --> 00:16:04,020

and then you know here we are in our mid

332

00:16:12,390 --> 00:16:08,640

30s and we hit I knew yeah lease on life

333

00:16:17,340 --> 00:16:12,400

I'd enter in 35 - congratulations Joe

334

00:16:23,750 --> 00:16:17,350

yeah hold on hold on don't even take a

335

00:16:36,420 --> 00:16:23,760

break oh yes I'm gonna do it hey are you

336

00:16:46,890 --> 00:16:36,430

you happy birthday to you did you guys

337

00:16:51,980 --> 00:16:46,900

Annika zone happy birthday oh oh no that

338

00:16:58,080 --> 00:16:51,990

is not okay to play that frequency see

339

00:17:01,170 --> 00:16:58,090

everybody listen I already gave myself a

340

00:17:05,100 --> 00:17:01,180

round of applause I don't need you you

341

00:17:06,690 --> 00:17:05,110

know to zipper on your mojo but look

342

00:17:09,540 --> 00:17:06,700

you're my best friend

343

00:17:10,740 --> 00:17:09,550

yep and I tell you everything you tell

344

00:17:12,960 --> 00:17:10,750

me everything and we're really helping

345

00:17:17,390 --> 00:17:12,970

our each other through this next

346

00:17:22,130 --> 00:17:20,420

and I'm grateful to you and I'm telling

347

00:17:23,840 --> 00:17:22,140

you when we get on the road man I feel

348

00:17:26,630 --> 00:17:23,850

like we are just exactly where we're

349

00:17:30,010 --> 00:17:26,640

supposed to be yeah we are whether it's

350

00:17:32,750 --> 00:17:30,020

Roswell area 51 various sort of like a

351

00:17:36,140 --> 00:17:32,760

UFO sighting areas with the Northern

352

00:17:37,970 --> 00:17:36,150

California also along Arizona and Los

353

00:17:42,080 --> 00:17:37,980

Angeles Bay Area we've been to several

354

00:17:44,480 --> 00:17:42,090

places where we are looking to

355

00:17:46,130 --> 00:17:44,490

experience the phenomenon and I think

356

00:17:48,860 --> 00:17:46,140

that's very important for us for

357

00:17:50,510 --> 00:17:48,870

actually everybody to do that like I

358

00:17:52,370 --> 00:17:50,520

really this is what our plan what our

359

00:17:55,340 --> 00:17:52,380

really plan wanted to do was to go to

360

00:17:57,700 --> 00:17:55,350

every single crash site major crash like

361

00:17:59,870 --> 00:17:57,710

the United States just one big circle

362

00:18:01,880 --> 00:17:59,880

and just get all the information

363

00:18:03,830 --> 00:18:01,890

talk to the town's folk maybe old ed

364

00:18:07,820 --> 00:18:03,840

early grandma Betty I'm talking about

365

00:18:10,130 --> 00:18:07,830

you know her uncle's found the piece or

366

00:18:11,600 --> 00:18:10,140

something and she pulls out of a book or

367

00:18:13,820 --> 00:18:11,610

something she'll you know stuff like

368

00:18:18,560 --> 00:18:13,830

that that's that's what I'm hoping for

369

00:18:21,860 --> 00:18:18,570

you know well we're gonna get into we're

370

00:18:24,470 --> 00:18:21,870

not quite ready to get into this is what

371

00:18:26,180 --> 00:18:24,480

my well actually you know what we're at

372

00:18:27,380 --> 00:18:26,190

a point in the the probe cast that we

373

00:18:28,640 --> 00:18:27,390

can she get into the unacknowledged

374

00:18:30,290 --> 00:18:28,650

start dangerous this couldn't do that

375

00:18:31,220 --> 00:18:30,300

and you know we'll cover other things at

376

00:18:34,640 --> 00:18:31,230

the end how's that sound

377

00:18:36,530 --> 00:18:34,650

he he's producing the wrong way out

378

00:18:39,440 --> 00:18:36,540

tonight he doesn't know what he's doing

379

00:18:42,770 --> 00:18:39,450

he's going off the flim-flam he's going

380

00:18:46,400 --> 00:18:42,780

off the fly okay well let me ask you

381

00:18:48,980 --> 00:18:46,410

this do you program the show yes

382

00:18:51,020 --> 00:18:48,990

no you down you're full of the crapola

383

00:18:55,520 --> 00:18:51,030

bro you don't prove nope you just show

384

00:18:57,590 --> 00:18:55,530

up yes he says yeah that's correct you

385

00:18:59,330 --> 00:18:57,600

just show up clip on a microphone and a

386

00:19:01,040 --> 00:18:59,340

little a little bit and that's it yes

387

00:19:05,900 --> 00:19:01,050

and I love it and that's why I love you

388

00:19:08,300 --> 00:19:05,910

nope yes I do I think it was funny just

389

00:19:10,280 --> 00:19:08,310

I do I've done a whole sentence without

390

00:19:13,240 --> 00:19:10,290

say a damn word I know and that's what

391

00:19:19,130 --> 00:19:13,250

that's the beauty of your ability with

392

00:19:21,020 --> 00:19:19,140

that exactly soundboard so here we are

393

00:19:26,010 --> 00:19:21,030

ladies and gentlemen on our way to the

394

00:19:32,320 --> 00:19:29,350

we drove six hours to get there wait why

395

00:19:40,150 --> 00:19:32,330

do I get crickets I don't know it's your

396

00:19:41,980 --> 00:19:40,160

cracky what do you mean by cracky I have

397

00:19:43,060 --> 00:19:41,990

no clue is it my voice is cracking no

398

00:19:45,130 --> 00:19:43,070

let's just go come on

399

00:19:46,780 --> 00:19:45,140

that's a weird thing to say cracky that

400

00:19:47,530 --> 00:19:46,790

makes people think that maybe I do crack

401
00:19:51,400 --> 00:19:47,540
or something

402
00:19:54,280 --> 00:19:51,410
no you Duke actually you know what I'm

403
00:19:56,560 --> 00:19:54,290
just gonna say this for those of you who

404
00:19:59,650 --> 00:19:56,570
have watched the on the road to Roswell

405
00:20:02,470 --> 00:19:59,660
episode if only you knew how much of

406
00:20:05,080 --> 00:20:02,480
Joe's ass crack I had to edit out of

407
00:20:08,590 --> 00:20:05,090
that thing I think you would probably

408
00:20:10,390 --> 00:20:08,600
appreciate why rigging that up that dead

409
00:20:15,070 --> 00:20:10,400
that's that's you're the one calling

410
00:20:18,010 --> 00:20:15,080
crack I said cracky well the word black

411
00:20:20,799 --> 00:20:18,020
is in there you understand it's in there

412
00:20:22,990 --> 00:20:20,809
but the problem is is that that is

413
00:20:26,560 --> 00:20:23,000

completely off top you can't go along

414

00:20:30,760 --> 00:20:26,570

saying any words you want we have people

415

00:20:36,850 --> 00:20:30,770

we have tens of people that listen to

416

00:20:39,280 --> 00:20:36,860

this probe cast so and we're on the road

417

00:20:41,590 --> 00:20:39,290

and we're heading down south as you know

418

00:20:43,000 --> 00:20:41,600

we're Northern California we're going

419

00:20:44,770 --> 00:20:43,010

along the most beautiful stretches of

420

00:20:47,470 --> 00:20:44,780

Highway we're having the most fabulous

421

00:20:50,520 --> 00:20:47,480

time or singing Joe is doing the robot

422

00:20:58,390 --> 00:20:50,530

and acting crazy

423

00:21:00,190 --> 00:20:58,400

so I go let's pull off off near the

424

00:21:02,320 --> 00:21:00,200

location so let's get to where the

425

00:21:05,049 --> 00:21:02,330

premiere is and we'll find somewhere to

426

00:21:07,270 --> 00:21:05,059

pull off and sleep the whole time we're

427

00:21:09,549 --> 00:21:07,280

going there Joe saying what I'm like

428

00:21:12,310 --> 00:21:09,559

okay I think we should do with why we're

429

00:21:15,940 --> 00:21:12,320

like up in the grapevine let's find a

430

00:21:18,220 --> 00:21:15,950

place up there yeah and I'm like I don't

431

00:21:20,140 --> 00:21:18,230

wanna let's keep going let's keep going

432

00:21:21,700 --> 00:21:20,150

so I was like okay just you know just

433

00:21:24,730 --> 00:21:21,710

like we talked about the money thing I'm

434

00:21:27,940 --> 00:21:24,740

like okay he was like okay and so here

435

00:21:32,110 --> 00:21:27,950

we are going down this road and we start

436

00:21:34,540 --> 00:21:32,120

to slowly see more tents on the side of

437

00:21:37,990 --> 00:21:34,550

the street and the tents start to eat

438

00:21:40,600 --> 00:21:38,000

tent te NT people living

439

00:21:42,430 --> 00:21:40,610

and then you start to see that grow and

440

00:21:43,720 --> 00:21:42,440

then before you know it what what do we

441

00:21:46,149 --> 00:21:43,730

see on the street you see probably it's

442

00:21:50,889 --> 00:21:46,159

probably 20 foot high by 15 feet wide

443

00:21:53,320 --> 00:21:50,899

trash pile trash bags just just on the

444

00:21:55,419 --> 00:21:53,330

in like a diaper been walked driving

445

00:21:57,129 --> 00:21:55,429

down the road quite literally near the

446

00:21:58,930 --> 00:21:57,139

middle of the road and freaking like

447

00:22:00,850 --> 00:21:58,940

just in the outskirts of downtown Los

448

00:22:02,769 --> 00:22:00,860

Angeles okay so we're going down would

449

00:22:05,169 --> 00:22:02,779

passing Hollywood driving down

450

00:22:07,720 --> 00:22:05,179

there's people went in to clean our wing

451
00:22:11,860 --> 00:22:07,730
joke or whatever red and done the smell

452
00:22:13,779 --> 00:22:11,870
you guys horrible I can't even describe

453
00:22:16,299 --> 00:22:13,789
the scent and by the way it makes me

454
00:22:19,180 --> 00:22:16,309
feel really bad for people living in

455
00:22:21,909 --> 00:22:19,190
that area I mean I couldn't imagine

456
00:22:23,560 --> 00:22:21,919
living amongst that trash and among

457
00:22:26,110 --> 00:22:23,570
those scents do you know what I think it

458
00:22:29,200 --> 00:22:26,120
is I think it's gentrification are you

459
00:22:32,499 --> 00:22:29,210
familiar with that term gentrification

460
00:22:36,129 --> 00:22:32,509
managing gentrification is when a city

461
00:22:40,889 --> 00:22:36,139
county whatever allows a certain area to

462
00:22:44,169 --> 00:22:40,899
become so old so rundown and so gross

463
00:22:46,810 --> 00:22:44,179

that the cost to buy out the areas in

464

00:22:50,740 --> 00:22:46,820

rebuild is near nothing well not nothing

465

00:22:53,649 --> 00:22:50,750

but solo compared to like a more upscale

466

00:22:55,539 --> 00:22:53,659

sort of area so what that means is those

467

00:22:57,129 --> 00:22:55,549

areas while they're now what we say

468

00:22:59,860 --> 00:22:57,139

gentrified at some point in the future

469

00:23:02,230 --> 00:22:59,870

we hope those would be probably you know

470

00:23:04,749 --> 00:23:02,240

new booming businesses maybe they'll be

471

00:23:07,149 --> 00:23:04,759

on Marie Callender's maybe there will be

472

00:23:09,759 --> 00:23:07,159

an Olive Garden maybe there'll be a

473

00:23:12,190 --> 00:23:09,769

Chipotle maybe there will be a Boston

474

00:23:13,749 --> 00:23:12,200

Market maybe they'll be amazing maybe

475

00:23:18,690 --> 00:23:13,759

there'll be a Mervyn's maybe they'll be

476

00:23:22,570 --> 00:23:18,700

a t.j.maxx you should go the point is

477

00:23:27,580 --> 00:23:22,580

they let that [h__\h] die they work they

478

00:23:30,039 --> 00:23:27,590

break it down and then they rebuilt so -

479

00:23:34,779 --> 00:23:30,049

so pal if you've seen South Park it's

480

00:23:37,539 --> 00:23:34,789

sort of so PI over and over again thank

481

00:23:39,399 --> 00:23:37,549

you so then we turn around I'm like I'm

482

00:23:41,080 --> 00:23:39,409

so I'm like okay let's just keep going

483

00:23:43,119 --> 00:23:41,090

we'll pass it find somewhere else can I

484

00:23:44,799 --> 00:23:43,129

pause you I just want to go back in time

485

00:23:47,200 --> 00:23:44,809

for a moment you know from the very

486

00:23:50,200 --> 00:23:47,210

start of this entire journey Joe has

487

00:23:51,280 --> 00:23:50,210

been telling me who be good asleep the

488

00:23:53,140 --> 00:23:51,290

whole time

489

00:23:54,850 --> 00:23:53,150

you can see where we gonna pull up

490

00:23:57,400 --> 00:23:54,860

moving in sleep and I'm like you're not

491

00:23:59,140 --> 00:23:57,410

up man shut up it's gonna be fine

492

00:24:00,250 --> 00:23:59,150

continue with your short yeah so I'm

493

00:24:07,700 --> 00:24:00,260

just like we need to figure out we're

494

00:24:14,420 --> 00:24:11,620

so we keep going that all of a sudden

495

00:24:17,120 --> 00:24:14,430

I'm like okay where we at now he's like

496

00:24:18,710 --> 00:24:17,130

um if Compton we're only farther we're

497

00:24:19,880 --> 00:24:18,720

going to Compton I'm like okay well he's

498

00:24:22,460 --> 00:24:19,890

like okay let's go right no that's

499

00:24:24,500 --> 00:24:22,470

Inglewood yeah I'm like all right let's

500

00:24:26,660 --> 00:24:24,510

turn around go packager pass the trash

501

00:24:30,320 --> 00:24:26,670

pile turn left at the old lady with this

502

00:24:32,840 --> 00:24:30,330

squeegee turn right on to a ten Highway

503

00:24:34,130 --> 00:24:32,850

and if I need to free we go back up the

504

00:24:35,870 --> 00:24:34,140

mountain a little bit but we kept going

505

00:24:37,310 --> 00:24:35,880

away in the freeway for like 40 minutes

506

00:24:39,530 --> 00:24:37,320

it's like 40 minutes we run back and

507

00:24:41,090 --> 00:24:39,540

forth and I end up at a golf course to

508

00:24:42,890 --> 00:24:41,100

camp out and we was like [h__h] it and

509

00:24:45,830 --> 00:24:42,900

then Joe took a poopa tee do I don't

510

00:24:47,360 --> 00:24:45,840

know know where it was amazing Joe likes

511

00:24:50,330 --> 00:24:47,370

to pull out the middle of nowhere i l

512

00:24:54,020 --> 00:24:50,340

think offend him so anyway you gotta go

513

00:24:57,140 --> 00:24:54,030

you gotta go gotta go so we are the next

514

00:24:59,330 --> 00:24:57,150

day we're doing our thing we go to the

515

00:25:02,750 --> 00:24:59,340

coffee bean we go to our super important

516

00:25:07,520 --> 00:25:02,760

meeting then look at some sushi it's

517

00:25:09,440 --> 00:25:07,530

pretty good x1 so here we come down into

518

00:25:11,570 --> 00:25:09,450

downtown Hollywood making our way to the

519

00:25:13,190 --> 00:25:11,580

unacknowledged premier pull and get into

520

00:25:15,440 --> 00:25:13,200

the parking garage we're really so so

521

00:25:17,810 --> 00:25:15,450

excited we're like whoo like the

522

00:25:19,490 --> 00:25:17,820

Keystone outside says unacknowledged big

523

00:25:22,340 --> 00:25:19,500

as hell big you know like five foot

524

00:25:24,590 --> 00:25:22,350

letters or whatever we go in there's

525

00:25:28,730 --> 00:25:24,600

probably a couple hundred people the

526
00:25:30,770 --> 00:25:28,740
moment we walk in some guy turns to us

527
00:25:33,920 --> 00:25:30,780
and says oh you guys celebrities here's

528
00:25:39,040 --> 00:25:33,930
the VIP ticket are you celebrities and

529
00:25:43,190 --> 00:25:39,050
I'm like well kinda yeah

530
00:25:44,900 --> 00:25:43,200
so Joe goes he's like okay so you need

531
00:25:47,780 --> 00:25:44,910
to go to the Falcons I wait a minute

532
00:25:50,530 --> 00:25:47,790
wait a minute are you well this is for

533
00:25:52,970 --> 00:25:50,540
VIP only and we were like well whatever

534
00:25:56,390 --> 00:25:52,980
on second thought Joe I wish we just

535
00:25:57,920 --> 00:25:56,400
took that VIP and went upstairs and done

536
00:26:00,050 --> 00:25:57,930
the red carpet we should see what you

537
00:26:01,310 --> 00:26:00,060
just done it done it and filled it cuz

538
00:26:02,990 --> 00:26:01,320

we were like what we feel like what

539

00:26:05,090 --> 00:26:03,000

celebrities I don't know what would you

540

00:26:07,370 --> 00:26:05,100

gain were celebrities and we're having

541

00:26:10,760 --> 00:26:07,380

fun with it and then we go up and of

542

00:26:13,280 --> 00:26:10,770

course Greer has the spread yeah he's

543

00:26:15,500 --> 00:26:13,290

got the books he's got the t-shirts he's

544

00:26:17,330 --> 00:26:15,510

got the tote bags he's got the posters

545

00:26:20,780 --> 00:26:17,340

got the signed posters he's got the sign

546

00:26:21,690 --> 00:26:20,790

books I mean there is plenty of [h__h] to

547

00:26:23,040 --> 00:26:21,700

buy

548

00:26:26,120 --> 00:26:23,050

book and saw about a book with his

549

00:26:30,600 --> 00:26:26,130

signature net edges on the back because

550

00:26:33,090 --> 00:26:30,610

Joe we love daddy we are the sons of

551
00:26:34,440 --> 00:26:33,100
ufology he is the father and call it

552
00:26:37,050 --> 00:26:34,450
with that that would be all you not me

553
00:26:37,980 --> 00:26:37,060
by the way later on in our probe cast

554
00:26:41,360 --> 00:26:37,990
we're going to talk about our very

555
00:26:43,230 --> 00:26:41,370
interesting interaction with mr. Greer

556
00:26:45,780 --> 00:26:43,240
so let's talk about the unacknowledged

557
00:26:49,050 --> 00:26:45,790
sonic adventure we go in whatever is

558
00:26:51,740 --> 00:26:49,060
waiting for 50 minutes in right Grier

559
00:26:53,970 --> 00:26:51,750
comes out we're like four feet from him

560
00:26:58,440 --> 00:26:53,980
you were right up close we got in front

561
00:27:00,690 --> 00:26:58,450
which is good and bad and I it was good

562
00:27:02,430 --> 00:27:00,700
for it was good to see him up front but

563
00:27:04,760 --> 00:27:02,440

watch the movie I just kept going during

564

00:27:06,900 --> 00:27:04,770

the movie these are great seats because

565

00:27:08,570 --> 00:27:06,910

Steven wears teeth were like 20 feet

566

00:27:16,470 --> 00:27:08,580

high

567

00:27:19,200 --> 00:27:16,480

they were giant I was like man that's a

568

00:27:21,840 --> 00:27:19,210

big mouth and then you gotta read the

569

00:27:23,760 --> 00:27:21,850

screen from left to right the big mop

570

00:27:24,960 --> 00:27:23,770

that's a big mouth and you're looking up

571

00:27:30,390 --> 00:27:24,970

you got a crick in your neck for two

572

00:27:33,680 --> 00:27:30,400

hours I'm like great seats like in the

573

00:27:38,070 --> 00:27:33,690

whole time he's like I just look quietly

574

00:27:40,320 --> 00:27:38,080

and the whole time I'm going because we

575

00:27:42,840 --> 00:27:40,330

had fantastic seeds like way at the top

576
00:27:44,910 --> 00:27:42,850
where we can see the screen but when I

577
00:27:46,650 --> 00:27:44,920
heard that Grier was gonna be speaking

578
00:27:49,710 --> 00:27:46,660
I'm like we need to go down front and we

579
00:27:52,110 --> 00:27:49,720
got front row Joe come with attention

580
00:27:54,510 --> 00:27:52,120
he's staring at us pretty hard

581
00:27:56,580 --> 00:27:54,520
he's like oh he kept looking at us I

582
00:27:58,650 --> 00:27:56,590
have a feeling he knew who we were and

583
00:28:00,450 --> 00:27:58,660
there's a few reasons for that later on

584
00:28:03,150 --> 00:28:00,460
we'll tell you another reason but there

585
00:28:05,820 --> 00:28:03,160
was a security guard like two feet from

586
00:28:08,580 --> 00:28:05,830
us yeah staring at us staring at us he

587
00:28:12,660 --> 00:28:08,590
talking into his microphone it was very

588
00:28:17,070 --> 00:28:12,670

strange and Greer spoke he was brilliant

589

00:28:19,170 --> 00:28:17,080

is fantastic of course he's so appealing

590

00:28:22,740 --> 00:28:19,180

he always has the right answers he's

591

00:28:24,270 --> 00:28:22,750

charismatic he's great storyteller and I

592

00:28:26,280 --> 00:28:24,280

enjoyed it I'm not you know I enjoy

593

00:28:28,920 --> 00:28:26,290

listening to him talk for 30 minutes

594

00:28:31,950 --> 00:28:28,930

what about you yes it was interesting

595

00:28:33,240 --> 00:28:31,960

right hearing about these technologies

596

00:28:34,990 --> 00:28:33,250

and what they could do to change our

597

00:28:37,600 --> 00:28:35,000

lives on this planet

598

00:28:40,779 --> 00:28:37,610

what they mean for the future about

599

00:28:44,470 --> 00:28:40,789

everybody is if everybody wants to see

600

00:28:45,820 --> 00:28:44,480

this movie for some disclosure and we're

601
00:28:48,510 --> 00:28:45,830
not going to talk about it because what

602
00:28:52,840 --> 00:28:48,520
we're gonna do is under the podcast

603
00:28:55,899 --> 00:28:52,850
probe cap I call it The Prodigy cast we

604
00:28:57,279 --> 00:28:55,909
can I'm gonna answer it there because

605
00:28:59,320 --> 00:28:57,289
you know why I don't want to release

606
00:29:02,560 --> 00:28:59,330
anything from the movie no no no no

607
00:29:04,000 --> 00:29:02,570
until ERISA that wouldn't be fair no one

608
00:29:06,190 --> 00:29:04,010
cuz it'll be spoiler and I wanna do that

609
00:29:09,520 --> 00:29:06,200
but but it was it was a good experience

610
00:29:11,260 --> 00:29:09,530
and it's shocking it is shocking can we

611
00:29:14,470 --> 00:29:11,270
just talk about the one thing that we

612
00:29:16,120 --> 00:29:14,480
thought yeah okay no no no no no listen

613
00:29:19,330 --> 00:29:16,130

okay I won't go into detail but I will

614

00:29:21,430 --> 00:29:19,340

say if any of you are following the

615

00:29:23,440 --> 00:29:21,440

disclosure project in your following dr.

616

00:29:26,350 --> 00:29:23,450

Brewers work I will tell you that if you

617

00:29:28,630 --> 00:29:26,360

dive into the testimonials on their

618

00:29:31,539 --> 00:29:28,640

YouTube and on their website for most of

619

00:29:34,299 --> 00:29:31,549

these military professionals you're

620

00:29:37,720 --> 00:29:34,309

going to find those testimonies in the

621

00:29:41,289 --> 00:29:37,730

actual film the coolest thing was the

622

00:29:43,390 --> 00:29:41,299

newest testimonials the newest experts

623

00:29:46,450 --> 00:29:43,400

the newest people that claim to be

624

00:29:48,549 --> 00:29:46,460

involved in the cover-up of this entire

625

00:29:52,029 --> 00:29:48,559

phenomenon UFOs aliens whatever you want

626

00:29:54,250 --> 00:29:52,039

to call it there's really thank you

627

00:29:57,669 --> 00:29:54,260

thank you Joe there was one point in

628

00:29:59,470 --> 00:29:57,679

particular where one of these I guess

629

00:30:01,360 --> 00:29:59,480

you could call them whistleblowers or

630

00:30:04,630 --> 00:30:01,370

people that have worked in these black

631

00:30:08,039 --> 00:30:04,640

operation projects talked about

632

00:30:10,029 --> 00:30:08,049

understanding the power source from the

633

00:30:13,120 --> 00:30:10,039

extraterrestrial vehicles and I'm just

634

00:30:16,450 --> 00:30:13,130

gonna say that it was super super

635

00:30:18,880 --> 00:30:16,460

interesting that was I dug it I dug

636

00:30:20,380 --> 00:30:18,890

listening to people talk about the

637

00:30:24,120 --> 00:30:20,390

reverse engineering of alien technology

638

00:30:28,330 --> 00:30:24,130

I loved hearing about people recovering

639

00:30:30,430 --> 00:30:28,340

alien bodies alien vehicles describing

640

00:30:31,840 --> 00:30:30,440

the interfaces between the beings and

641

00:30:33,850 --> 00:30:31,850

the vehicles and how that worked out but

642

00:30:36,040 --> 00:30:33,860

that was so frickin interesting you are

643

00:30:38,690 --> 00:30:36,050

giving some school

644

00:30:40,310 --> 00:30:38,700

LM not I haven't in being specific

645

00:30:41,510 --> 00:30:40,320

[h__\h] it doesn't matter if it's

646

00:30:45,650 --> 00:30:41,520

specific they don't want to tell what

647

00:30:46,940 --> 00:30:45,660

goes on in the home ah Joe everything

648

00:30:48,410 --> 00:30:46,950

I'm saying is common sense

649

00:30:54,080 --> 00:30:48,420

there's beings they interface with

650

00:31:02,690 --> 00:30:58,880

and that's what I'm saying access denied

651

00:31:04,490 --> 00:31:02,700

well the followers of UFO Bros TV are

652

00:31:08,300 --> 00:31:04,500

just gonna have to watch it and you know

653

00:31:11,960 --> 00:31:08,310

what dr. Greer if you're listening you

654

00:31:15,790 --> 00:31:11,970

blocked us on Twitter I thus far Joe and

655

00:31:22,700 --> 00:31:15,800

I have spent money

656

00:31:25,100 --> 00:31:22,710

drumroll please on the TV outside ticket

657

00:31:28,130 --> 00:31:25,110

to the movie I bought your damn book for

658

00:31:30,740 --> 00:31:28,140

50 bucks a box exam free download of

659

00:31:32,870 --> 00:31:30,750

unacknowledged off I sinned it's been

660

00:31:35,390 --> 00:31:32,880

100 bucks again contact me desert we're

661

00:31:36,950 --> 00:31:35,400

calling the contest in the desert least

662

00:31:38,360 --> 00:31:36,960

you could do is give me two into your

663

00:31:40,790 --> 00:31:38,370

time and say hello thank you for being

664

00:31:43,640 --> 00:31:40,800

supportive access granted

665

00:31:49,460 --> 00:31:43,650

well that's how I happened so here we

666

00:31:52,940 --> 00:31:49,470

are we want you in it is all me I know I

667

00:31:55,490 --> 00:31:52,950

mean I think that the title of the movie

668

00:31:57,320 --> 00:31:55,500

was more about you and me as anything

669

00:32:01,160 --> 00:31:57,330

else because I don't know about you but

670

00:32:02,210 --> 00:32:01,170

I felt so unacknowledged yeah even

671

00:32:04,640 --> 00:32:02,220

though we're acknowledged and I'll tell

672

00:32:07,430 --> 00:32:04,650

you guys why we left the lobby at the

673

00:32:09,740 --> 00:32:07,440

end of the movie we built out now we

674

00:32:10,730 --> 00:32:09,750

rushed out we rushed out everybody else

675

00:32:14,390 --> 00:32:10,740

is still in the theater we rushed out

676
00:32:16,670 --> 00:32:14,400
why because Greer says if you meet me

677
00:32:19,670 --> 00:32:16,680
come talk to me afterwards or tomorrow

678
00:32:21,830 --> 00:32:19,680
before I get on my flight and tell me if

679
00:32:24,410 --> 00:32:21,840
you want to be a part of this you want

680
00:32:27,080 --> 00:32:24,420
to be helpful in disclosure if you have

681
00:32:30,260 --> 00:32:27,090
ideas and I'm like Joe and I are like

682
00:32:32,660 --> 00:32:30,270
duh sure we have tens of followers I

683
00:32:36,080 --> 00:32:32,670
mean we could do really something with

684
00:32:38,480 --> 00:32:36,090
this so we're like let's go talk to dr.

685
00:32:39,650 --> 00:32:38,490
Greer and I told Joe hey by the way

686
00:32:41,660 --> 00:32:39,660
we're going to be standing around

687
00:32:44,120 --> 00:32:41,670
waiting to talk to dr. Greer I just want

688
00:32:47,720 --> 00:32:44,130

to give you a heads up on it so I walk

689

00:32:52,100 --> 00:32:47,730

up here he is his whole security detail

690

00:32:54,020 --> 00:32:52,110

surrounding him he looks sent out and I

691

00:32:56,840 --> 00:32:54,030

say excuse me excuse me I'd like to say

692

00:32:58,490 --> 00:32:56,850

hi to dr. Greer before I leave I look at

693

00:33:01,820 --> 00:32:58,500

dr. Greer he's about three feet away

694

00:33:04,100 --> 00:33:01,830

from me he looks at me I say hi dr.

695

00:33:06,320 --> 00:33:04,110

Greer and Joe what does he say he looks

696

00:33:08,310 --> 00:33:06,330

at em it goes hi

697

00:33:16,720 --> 00:33:08,320

it looks back at his phone

698

00:33:20,350 --> 00:33:16,730

like it's you away I personally think

699

00:33:22,269 --> 00:33:20,360

he's annoyed by us oh yeah I mean and

700

00:33:23,830 --> 00:33:22,279

you know what his followers have message

701
00:33:27,039 --> 00:33:23,840
us and told us is because we look like

702
00:33:29,529 --> 00:33:27,049
the tinfoil hat wearing kind of garish

703
00:33:31,799 --> 00:33:29,539
look hold on that may be on the first

704
00:33:34,330 --> 00:33:31,809
impression but we really do have

705
00:33:36,340 --> 00:33:34,340
understanding of this phenomena itself I

706
00:33:40,629 --> 00:33:36,350
mean in the basics as he does know who

707
00:33:44,430 --> 00:33:40,639
we are he has to okay something is easy

708
00:33:49,330 --> 00:33:44,440
yeah and you know I can't get all of AJ

709
00:33:51,759 --> 00:33:49,340
but nonetheless I think that our

710
00:33:55,269 --> 00:33:51,769
conversation is interesting but I

711
00:33:57,879 --> 00:33:55,279
definitely recommend any of you to pick

712
00:34:01,299 --> 00:33:57,889
up the book also go ahead and download

713
00:34:04,810 --> 00:34:01,309

or get digitally the documentary kidding

714

00:34:06,700 --> 00:34:04,820

page for this event sponsored know why

715

00:34:10,399 --> 00:34:06,710

were even helping dr. Greer right now

716

00:34:13,500 --> 00:34:10,409

after the few burns we've had

717

00:34:14,220 --> 00:34:13,510

exactly we're cuckoo but you know what

718

00:34:18,450 --> 00:34:14,230

that says

719

00:34:19,980 --> 00:34:18,460

we're greater than the issue I think Joe

720

00:34:21,210 --> 00:34:19,990

and I have no problem showing up to

721

00:34:23,879 --> 00:34:21,220

maybe somewhere where we maybe feel

722

00:34:27,980 --> 00:34:23,889

uninvited or not welcome but we do that

723

00:34:31,889 --> 00:34:27,990

because who cares we're talking about

724

00:34:33,839 --> 00:34:31,899

UFOs aliens and the potential that the

725

00:34:35,339 --> 00:34:33,849

government is disclosing this from our

726

00:34:37,889 --> 00:34:35,349

not disclosing that they're hiding it

727

00:34:39,599 --> 00:34:37,899

from us and they're actively hiding and

728

00:34:42,139 --> 00:34:39,609

they're actively participating but

729

00:34:45,089 --> 00:34:42,149

they're just slamming the door on us

730

00:34:47,940 --> 00:34:45,099

right in our face we can get that class

731

00:34:49,200 --> 00:34:47,950

well I do feel a little like dr. grills

732

00:34:54,089 --> 00:34:49,210

gotta lighten up a little bit and

733

00:34:57,809 --> 00:34:54,099

understand what our true purpose is yes

734

00:35:01,559 --> 00:34:57,819

Joe blows the alien on a regular basis

735

00:35:04,530 --> 00:35:01,569

to keep it inflated yes we walk around

736

00:35:07,980 --> 00:35:04,540

with an inflated alien but it's really

737

00:35:11,280 --> 00:35:07,990

only to draw attention to the subject at

738

00:35:18,839 --> 00:35:11,290

hand which is oh boy here we go

739

00:35:19,530 --> 00:35:18,849

no God got it thank you thank you Joe

740

00:35:21,420 --> 00:35:19,540

well fine

741

00:35:27,809 --> 00:35:21,430

what's the issue in hand go ahead and

742

00:35:29,520 --> 00:35:27,819

phone solution which is the phenomenon

743

00:35:32,069 --> 00:35:29,530

and there is something happening it's

744

00:35:36,630 --> 00:35:32,079

documented it's documented it's on

745

00:35:39,359 --> 00:35:36,640

radars it's on radars it's it's that the

746

00:35:44,160 --> 00:35:39,369

problem is it's the media exactly and

747

00:35:46,440 --> 00:35:44,170

also it's it's how the executive

748

00:35:50,460 --> 00:35:46,450

branches ran exactly which is illegal

749

00:35:54,329 --> 00:35:50,470

and what we find is these deep dark

750

00:35:56,270 --> 00:35:54,339

projects are illegal and that's a big

751
00:35:59,099 --> 00:35:56,280
reason why we're not getting disclosure

752
00:36:01,740 --> 00:35:59,109
because they're so secretive and so

753
00:36:03,450 --> 00:36:01,750
illegal that quite literally anybody

754
00:36:06,020 --> 00:36:03,460
alive that's been involved in this

755
00:36:09,720 --> 00:36:06,030
cover-up for the past 60 70 years is

756
00:36:13,530 --> 00:36:09,730
potentially a candidate for a lawsuit or

757
00:36:15,750 --> 00:36:13,540
some kind of repercussions for hiding

758
00:36:16,620 --> 00:36:15,760
this and deceiving the American public I

759
00:36:17,810 --> 00:36:16,630
don't know why they're trying to keep

760
00:36:23,270 --> 00:36:17,820
this so hush-hush

761
00:36:24,800 --> 00:36:23,280
because it needs to come out giving it

762
00:36:28,490 --> 00:36:24,810
hush-hush because there's a trillion

763
00:36:31,520 --> 00:36:28,500

dollars on the line there are businesses

764

00:36:34,700 --> 00:36:31,530

and factories that produce oil petroleum

765

00:36:36,620 --> 00:36:34,710

all sorts of things that run our country

766

00:36:39,650 --> 00:36:36,630

the energy difference of hundred dollars

767

00:36:41,690 --> 00:36:39,660

a year or something like that or

768

00:36:44,390 --> 00:36:41,700

billions a year tens of billions a year

769

00:36:45,680 --> 00:36:44,400

are disappeared a-and there's hundreds

770

00:36:47,780 --> 00:36:45,690

of trillions of dollars a year and

771

00:36:56,840 --> 00:36:47,790

divided up into the eg two thousand do

772

00:37:00,310 --> 00:36:56,850

you see zeal what what thank you thank

773

00:37:05,800 --> 00:37:02,150

are you done Joe

774

00:37:13,390 --> 00:37:05,810

whatever well I'm just telling ya yeah

775

00:37:16,880 --> 00:37:13,400

thank you so let me ask you this Joe

776

00:37:21,950 --> 00:37:16,890

okay on a scale of one to 10 what do you

777

00:37:24,170 --> 00:37:21,960

give unacknowledged for me and why well

778

00:37:27,550 --> 00:37:24,180

this is the thing is that I am not like

779

00:37:30,950 --> 00:37:27,560

you well I am kind of you but you watch

780

00:37:32,810 --> 00:37:30,960

every little interview every little

781

00:37:34,880 --> 00:37:32,820

snippet every little clip you read all

782

00:37:38,440 --> 00:37:34,890

this so for me the hours person that

783

00:37:44,360 --> 00:37:38,450

grabs this movie the jaws are gonna drop

784

00:37:46,280 --> 00:37:44,370

because it's just it those are good

785

00:37:48,110 --> 00:37:46,290

aren't they oh my god these are so good

786

00:37:51,620 --> 00:37:48,120

cider cheddar cheese puffs thingies and

787

00:37:56,540 --> 00:37:51,630

I need to eat them continue John there's

788

00:38:00,260 --> 00:37:56,550

so much information it's overwhelming

789

00:38:04,600 --> 00:38:00,270

and I will tell you the cases that

790

00:38:07,310 --> 00:38:04,610

doctor dr. Greer brings forth and the

791

00:38:09,440 --> 00:38:07,320

insight and the depth he has to

792

00:38:11,990 --> 00:38:09,450

knowledge within the government says

793

00:38:14,690 --> 00:38:12,000

something and it says something for our

794

00:38:15,560 --> 00:38:14,700

nation it says something for our

795

00:38:17,150 --> 00:38:15,570

democracy

796

00:38:19,430 --> 00:38:17,160

especially when the truth is revealed as

797

00:38:21,380 --> 00:38:19,440

what I'm saying when people realize that

798

00:38:25,190 --> 00:38:21,390

there is a cover-up they're just gonna

799

00:38:27,140 --> 00:38:25,200

still think it's a hoax it's gonna tick

800

00:38:28,700 --> 00:38:27,150

it's a hoax they don't care it could be

801

00:38:31,190 --> 00:38:28,710

played right in front of them here it is

802

00:38:33,440 --> 00:38:31,200

all that picture that's that CGI

803

00:38:35,900 --> 00:38:33,450

everybody do that well it's interesting

804

00:38:37,760 --> 00:38:35,910

because the documentary also talks about

805

00:38:40,550 --> 00:38:37,770

the false flag initiative which by the

806

00:38:42,440 --> 00:38:40,560

way we have covered on another podcast

807

00:38:46,010 --> 00:38:42,450

so make sure you check that out so do

808

00:38:47,900 --> 00:38:46,020

you understand what a false flag is but

809

00:38:50,260 --> 00:38:47,910

what Grier calls a cosmic false flag

810

00:38:52,220 --> 00:38:50,270

which essentially is sabotaging yourself

811

00:38:54,100 --> 00:38:52,230

to make it look as though you are

812

00:38:56,390 --> 00:38:54,110

attacked by somebody else or to

813

00:38:59,120 --> 00:38:56,400

insinuating issues with other people

814

00:39:03,590 --> 00:38:59,130

we're not getting into that one no we

815

00:39:05,600 --> 00:39:03,600

don't the time come on we got the time

816

00:39:09,050 --> 00:39:05,610

Joe we only have like less than 6

817

00:39:14,180 --> 00:39:09,060

minutes left yes we have 10 people

818

00:39:17,600 --> 00:39:14,190

agilent's though so what are you giving

819

00:39:20,060 --> 00:39:17,610

her a scale one to ten for 99.5 because

820

00:39:23,060 --> 00:39:20,070

as an average person this movie is not

821

00:39:25,070 --> 00:39:23,070

made for you apologists it's not made

822

00:39:28,610 --> 00:39:25,080

for the UFO community it's made for the

823

00:39:29,840 --> 00:39:28,620

every single average person that does

824

00:39:33,100 --> 00:39:29,850

not know what's going on that needs to

825

00:39:36,080 --> 00:39:33,110

know I love it you're so right and

826

00:39:38,120 --> 00:39:36,090

that's what I got yes and that's why I

827

00:39:40,730 --> 00:39:38,130

tell a lot of you fellow ufologists and

828

00:39:42,740 --> 00:39:40,740

researchers if you're looking for a

829

00:39:45,320 --> 00:39:42,750

bombshell and unacknowledged

830

00:39:47,050 --> 00:39:45,330

you're more than likely not going to get

831

00:39:48,950 --> 00:39:47,060

it especially if you are heavily

832

00:39:52,220 --> 00:39:48,960

researching this topic and you've

833

00:39:54,530 --> 00:39:52,230

already watched the testimonials I will

834

00:39:56,870 --> 00:39:54,540

say though he does leave something for

835

00:39:59,600 --> 00:39:56,880

fellow ufologists and researchers there

836

00:40:01,280 --> 00:39:59,610

is brand-new testimonial in there that

837

00:40:04,340 --> 00:40:01,290

you need to watch and it's interesting

838

00:40:07,700 --> 00:40:04,350

how they lose shown on this stuff yes

839

00:40:09,260 --> 00:40:07,710

so and since in this you know probe

840

00:40:11,750 --> 00:40:09,270

casts we're talking specifically about

841

00:40:14,930 --> 00:40:11,760

Grier and you know the unacknowledged

842

00:40:17,630 --> 00:40:14,940

thing give it a listen I give it an

843

00:40:20,450 --> 00:40:17,640

eight iron eight out of ten I'll give a

844

00:40:22,670 --> 00:40:20,460

9.5 because the information that was

845

00:40:26,050 --> 00:40:22,680

given I give it an eight because I feel

846

00:40:29,630 --> 00:40:26,060

is though the UFO footage

847

00:40:30,410 --> 00:40:29,640

it wasn't compelling to me maybe one or

848

00:40:32,600 --> 00:40:30,420

two clips

849

00:40:33,740 --> 00:40:32,610

well when the frickin screens 100 feet

850

00:40:36,329 --> 00:40:33,750

high by 100 feet long

851

00:40:39,150 --> 00:40:36,339

you're up front all the pizzas gonna be

852

00:40:41,309 --> 00:40:39,160

real close to your face okay fair enough

853

00:40:42,690 --> 00:40:41,319

so maybe when we actually watch it in a

854

00:40:44,519 --> 00:40:42,700

smaller screen will understand yeah I

855

00:40:47,160 --> 00:40:44,529

think so when you're going left or right

856

00:40:48,930 --> 00:40:47,170

your neck going all the way left all the

857

00:40:51,299 --> 00:40:48,940

way right just to read something I think

858

00:40:56,670 --> 00:40:51,309

that the pixels gonna be about five feet

859

00:40:59,789 --> 00:40:56,680

by four feet okay fair enough now I do

860

00:41:03,210 --> 00:40:59,799

recommend that I haven't read the book

861

00:41:04,980 --> 00:41:03,220

um I'll get even thumb through yet no

862

00:41:08,460 --> 00:41:04,990

but I know there's a lot of information

863

00:41:10,710 --> 00:41:08,470

in it is that [\h__\h] ton of material from

864

00:41:12,480 --> 00:41:10,720

the back of the [\h__\h] no you can't do

865

00:41:14,640 --> 00:41:12,490

that he's got the signature on it

866

00:41:18,539 --> 00:41:14,650

I had no idea we're talking about Joe

867

00:41:19,829 --> 00:41:18,549

but I will say this much we love what we

868

00:41:21,299 --> 00:41:19,839

do we're going to continue bringing as

869

00:41:25,170 --> 00:41:21,309

much information as we can we're going

870

00:41:27,240 --> 00:41:25,180

to continue to go to as many places as

871

00:41:29,910 --> 00:41:27,250

we can and you know be a part of what's

872

00:41:31,799 --> 00:41:29,920

going on in ufology and well we don't

873

00:41:34,049 --> 00:41:31,809

have any answer specifically to the holy

874

00:41:35,910 --> 00:41:34,059

boys questions well hopefully one day we

875

00:41:38,730 --> 00:41:35,920

would be there for our part will you be

876

00:41:40,440 --> 00:41:38,740

part of the unveiling if that's our goal

877

00:41:45,809 --> 00:41:40,450

and we want to connect the general

878

00:41:48,329 --> 00:41:45,819

public to this deep dark crazy you know

879

00:41:51,420 --> 00:41:48,339

ufology world and I will say those of us

880

00:41:54,059 --> 00:41:51,430

who are involved can be jaded at times

881

00:41:56,490 --> 00:41:54,069

we can be jaded at the volume of

882

00:41:59,220 --> 00:41:56,500

information we can be jaded at the

883

00:42:02,279 --> 00:41:59,230

volume of lies and secrecy but to the

884

00:42:04,980 --> 00:42:02,289

average person they're busy paying their

885

00:42:06,990 --> 00:42:04,990

mortgage and their their van and taking

886

00:42:08,579 --> 00:42:07,000

their kids to soccer and getting the

887

00:42:12,120 --> 00:42:08,589

house sweating getting groceries and

888

00:42:25,410 --> 00:42:12,130

going to work and saving a buyer comes I

889

00:42:28,259 --> 00:42:25,420

do okay okay anyway just a thought I am

890

00:42:30,630 --> 00:42:28,269

Joe and I really encourage people who

891

00:42:33,630 --> 00:42:30,640

are kind of you know caught in the

892

00:42:35,640 --> 00:42:33,640

mundane day-to-day cycle of wake up do

893

00:42:37,740 --> 00:42:35,650

this go to work come home that's exactly

894

00:42:42,329 --> 00:42:37,750

what I did but till this [h__h] happened

895

00:42:44,609 --> 00:42:42,339

with me I got to see now like home life

896

00:42:46,470 --> 00:42:44,619

is gone and night you can when you get

897

00:42:47,220 --> 00:42:46,480

out of the rat race you start to go whoa

898

00:42:49,470 --> 00:42:47,230

there's some

899

00:42:51,859 --> 00:42:49,480

there's a phenomenon going on here it's

900

00:42:54,570 --> 00:42:51,869

documented people are talking about it

901
00:42:55,859 --> 00:42:54,580
we're oblivious to it we're so busy in

902
00:42:56,910 --> 00:42:55,869
our day-to-day lives and I'm not saying

903
00:42:58,740 --> 00:42:56,920
there's anything wrong with that I'm

904
00:43:01,710 --> 00:42:58,750
just saying that if one person could

905
00:43:03,120 --> 00:43:01,720
wake up at a time and go okay hold on so

906
00:43:05,730 --> 00:43:03,130
let me take a step out of reality and we

907
00:43:07,560 --> 00:43:05,740
can step out of religion religion my

908
00:43:10,260 --> 00:43:07,570
life what we're not saying completely

909
00:43:11,910 --> 00:43:10,270
you know keep your faith whatever you

910
00:43:14,010 --> 00:43:11,920
have of course I'm not saying like

911
00:43:15,840 --> 00:43:14,020
forget your whole life but I am saying

912
00:43:19,410 --> 00:43:15,850
challenge your beliefs challenge you're

913
00:43:23,400 --> 00:43:19,420

definite the world in reality ours was

914

00:43:26,460 --> 00:43:23,410

in this film unacknowledged and so if

915

00:43:28,410 --> 00:43:26,470

that's something for you makes you watch

916

00:43:29,970 --> 00:43:28,420

it but we're at the end of our probe

917

00:43:32,310 --> 00:43:29,980
