

EXCLUSIVE!
INTERVIEW

JEREMY CORBELL'S EXTRAORDINARY BELIEFS

weaponize your curiosity

1
00:00:34,670 --> 00:00:17,770

[Music]

2
00:00:41,850 --> 00:00:37,830

hey what's up everybody I'm in it I'm

3
00:00:44,189 --> 00:00:41,860

Joe and we are the UFOs and we're coming

4
00:00:47,430 --> 00:00:44,199

at you live from the facility Phillipa

5
00:00:51,600 --> 00:00:47,440

the facility I don't mind Joe he just

6
00:00:55,229 --> 00:00:51,610

decided to have some nuts right now so

7
00:00:59,029 --> 00:00:55,239

you may be hearing nuts in his mouth

8
00:01:02,490 --> 00:00:59,039

while he's talking so just be cautious

9
00:01:04,859 --> 00:01:02,500

what you may hear energy what drill mix

10
00:01:07,740 --> 00:01:04,869

oh wow can you get on the microphone

11
00:01:12,090 --> 00:01:07,750

like it's not snack time

12
00:01:13,499 --> 00:01:12,100

you know I'm like we're like a minute

13
00:01:15,930 --> 00:01:13,509

into our show and you're like I'm gonna

14

00:01:18,540 --> 00:01:15,940

have knit some nuts I'm gonna have me a

15

00:01:20,070 --> 00:01:18,550

soda I'm like we got a special guest on

16

00:01:23,400 --> 00:01:20,080

tonight man aren't you excited I'm

17

00:01:27,660 --> 00:01:23,410

really excited I know you are and we've

18

00:01:31,050 --> 00:01:27,670

got by the way who I have actually been

19

00:01:33,929 --> 00:01:31,060

following Jeremy for a while and I first

20

00:01:37,140 --> 00:01:33,939

was introduced to him by watching one of

21

00:01:39,569 --> 00:01:37,150

his amazing films called lazar cosmic

22

00:01:42,510 --> 00:01:39,579

whistleblower because I am a huge bob

23

00:01:43,950 --> 00:01:42,520

lazar fan and so that's actually what

24

00:01:46,740 --> 00:01:43,960

led me into learning about Jeremy and

25

00:01:50,120 --> 00:01:46,750

then of course just more and more you

26

00:01:52,319 --> 00:01:50,130

know investigations and seeing who is

27

00:01:55,380 --> 00:01:52,329

saying what in the you know you fo

28

00:01:57,510 --> 00:01:55,390

community he just just he doesn't go

29

00:01:59,700 --> 00:01:57,520

away but I mean that in a good way you

30

00:02:03,569 --> 00:01:59,710

know he's making his way up and he's got

31

00:02:05,280 --> 00:02:03,579

a lot of great information to share so

32

00:02:08,340 --> 00:02:05,290

I'm excited to have him on the show and

33

00:02:10,199 --> 00:02:08,350

ask him all about his journeys and get

34

00:02:12,060 --> 00:02:10,209

his thoughts on this crazy UFO

35

00:02:15,600 --> 00:02:12,070

phenomenon so that's going to be super

36

00:02:19,050 --> 00:02:15,610

fun for anybody that's listening live

37

00:02:21,150 --> 00:02:19,060

make sure you join us in the chatroom we

38

00:02:24,680 --> 00:02:21,160

are there taking any questions that you

39

00:02:27,630 --> 00:02:24,690

might have about mr. Jeremy Korbel at

40

00:02:30,930 --> 00:02:27,640

Jeremy Korbel by the way on Twitter and

41

00:02:32,390 --> 00:02:30,940

on Instagram I want to make sure I'm

42

00:02:35,649 --> 00:02:32,400

getting that right

43

00:02:42,589 --> 00:02:35,659

so Joe I saw you getting the car ready

44

00:02:45,680 --> 00:02:42,599

yeah yeah is it fixed almost are we

45

00:02:47,839 --> 00:02:45,690

going to have any blowouts or explosions

46

00:02:52,430 --> 00:02:47,849

on our way to Joshua Tree we got pretty

47

00:02:55,430 --> 00:02:52,440

explosions Noah's just a just

48

00:02:58,819 --> 00:02:55,440

unnecessary mess of things that went

49

00:03:01,910 --> 00:02:58,829

wrong I'm supposed to okay are you here

50

00:03:05,780 --> 00:03:01,920

hi I'm here hi you to the show Joe how

51
00:03:08,300 --> 00:03:05,790
are you today okay I just wanted to make

52
00:03:11,000 --> 00:03:08,310
sure I get it right it is Jeremy Korb

53
00:03:13,750 --> 00:03:11,010
that's with two L's on both Twitter and

54
00:03:16,610 --> 00:03:13,760
Instagram make sure you're following and

55
00:03:20,149 --> 00:03:16,620
we're gonna bring him on the show here

56
00:03:22,369 --> 00:03:20,159
in just a minute and we'll obviously

57
00:03:25,550 --> 00:03:22,379
have him you know give us more

58
00:03:27,649 --> 00:03:25,560
information but before we get to Jeremy

59
00:03:34,250 --> 00:03:27,659
who is listening by the way so watch

60
00:03:38,930 --> 00:03:34,260
what you say Joe for because you're the

61
00:03:42,379 --> 00:03:38,940
one eating nuts can we get on with it

62
00:03:43,940 --> 00:03:42,389
yes we can so by the way uh as everybody

63
00:03:45,650 --> 00:03:43,950

knows cuz I know we haven't said it yet

64

00:03:47,659 --> 00:03:45,660

but you know we're going to contact in

65

00:03:50,390 --> 00:03:47,669

the desert very very excited for this

66

00:03:50,690 --> 00:03:50,400

one and you sound excited show try that

67

00:03:54,740 --> 00:03:50,700

again

68

00:03:56,599 --> 00:03:54,750

I am excited okay we spent a good deal

69

00:03:59,750 --> 00:03:56,609

of our day today actually looking at

70

00:04:02,599 --> 00:03:59,760

some of the UFOs oh yeah that they see

71

00:04:04,250 --> 00:04:02,609

there at night under night-vision and

72

00:04:07,610 --> 00:04:04,260

they use laser pointers and I was like

73

00:04:09,559 --> 00:04:07,620

hmm so I'm interested to go Asian what

74

00:04:12,110 --> 00:04:09,569

the night vision they were using night

75

00:04:15,500 --> 00:04:12,120

vision no God will have any no we don't

76

00:04:17,120 --> 00:04:15,510

we can't afford that I was excited to

77

00:04:19,849 --> 00:04:17,130

hopefully maybe get a pair of

78

00:04:22,610 --> 00:04:19,859

night-vision binoculars on Amazon for

79

00:04:25,939 --> 00:04:22,620

\$19 and till I realized that not what

80

00:04:27,439 --> 00:04:25,949

they were so with that being said we're

81

00:04:29,029 --> 00:04:27,449

excited to see maybe wills have an

82

00:04:30,680 --> 00:04:29,039

encounter maybe we'll finally have our

83

00:04:32,089 --> 00:04:30,690

paranormal experience you know I'll tell

84

00:04:35,150 --> 00:04:32,099

you we got somebody on Twitter that

85

00:04:37,100 --> 00:04:35,160

seems to think that we are oh that's

86

00:04:39,159 --> 00:04:37,110

right yeah it's kind of like interesting

87

00:04:42,629 --> 00:04:39,169

slash creepy on the way

88

00:04:47,619 --> 00:04:42,639

yeah by the way so and yeah we're like

89

00:04:50,709 --> 00:04:47,629

his name is lime jell-o super-fantastic

90

00:04:52,959 --> 00:04:50,719

got Twitter name he says go to the

91

00:04:57,879 --> 00:04:52,969

desert you'll find what you're looking

92

00:05:00,010 --> 00:04:57,889

for they have sent a ship I don't care

93

00:05:05,260 --> 00:05:00,020

who you are when somebody tweets that to

94

00:05:06,969 --> 00:05:05,270

you you like eyes forget off and then

95

00:05:08,379 --> 00:05:06,979

you're like that's they're fine what I

96

00:05:14,019 --> 00:05:08,389

don't want that to happen I don't want

97

00:05:18,249 --> 00:05:14,029

to ship sent for me um if anybody out

98

00:05:21,909 --> 00:05:18,259

there is sending ships um please do it

99

00:05:24,779 --> 00:05:21,919

in a somewhat lit residential area where

100

00:05:27,820 --> 00:05:24,789

Joe and I feel safe and comfortable and

101
00:05:30,070 --> 00:05:27,830
not popping out of trees and bushes how

102
00:05:31,600 --> 00:05:30,080
does that sound okay yeah that's the

103
00:05:33,010 --> 00:05:31,610
kind of paranormal experience we want

104
00:05:35,980 --> 00:05:33,020
with other people

105
00:05:38,379 --> 00:05:35,990
not alone right yeah and you know

106
00:05:41,260 --> 00:05:38,389
talking alike paranormal experiences in

107
00:05:45,339 --> 00:05:41,270
general I'm excited to talk to Jeremy

108
00:05:47,589 --> 00:05:45,349
about what he thinks how the UFO

109
00:05:50,110 --> 00:05:47,599
phenomenon is connected with just this

110
00:05:52,209 --> 00:05:50,120
overall sort of paranormal phenomenon

111
00:05:53,860 --> 00:05:52,219
that we've kind of talked about several

112
00:05:55,929 --> 00:05:53,870
times it'll be cool to get his take on

113
00:05:57,550 --> 00:05:55,939

that because I know you know he's

114

00:06:03,929 --> 00:05:57,560

mentioned it before so that'll be super

115

00:06:08,260 --> 00:06:03,939

cool we have Brianna in the chatroom and

116

00:06:11,050 --> 00:06:08,270

she says that she was one of the lucky

117

00:06:13,179 --> 00:06:11,060

ones to witness last year's massive

118

00:06:14,709 --> 00:06:13,189

sighting at contact in the desert which

119

00:06:20,200 --> 00:06:14,719

you know we talked a little bit about

120

00:06:23,379 --> 00:06:20,210

that and I watched the footage and I'm

121

00:06:24,959 --> 00:06:23,389

like what is that I mean these some of

122

00:06:27,730 --> 00:06:24,969

these things like they fly in formation

123

00:06:32,320 --> 00:06:27,740

they change the direction I mean I don't

124

00:06:34,059 --> 00:06:32,330

know that satellites do that so I mean

125

00:06:35,499 --> 00:06:34,069

just using common sense thinking I don't

126

00:06:38,529 --> 00:06:35,509

think that's a satellite but it's

127

00:06:41,379 --> 00:06:38,539

something are you everything is just

128

00:06:44,820 --> 00:06:41,389

just hi welcome to psych referring your

129

00:06:47,310 --> 00:06:44,830

face towards it move it

130

00:06:51,060 --> 00:06:47,320

like a mother another inch there we go

131

00:06:53,300 --> 00:06:51,070

alright we almost have Jeremy time Joe

132

00:06:55,830 --> 00:06:53,310

well he's gonna mow we were going to but

133

00:06:59,550 --> 00:06:55,840

alien on board popped in and said yeah

134

00:07:03,650 --> 00:06:59,560

hey guys look our two fans are on thank

135

00:07:06,450 --> 00:07:03,660

you of they love us they really love us

136

00:07:08,730 --> 00:07:06,460

real quick because when we start

137

00:07:13,170 --> 00:07:08,740

chatting with Jeremy we're going to have

138

00:07:16,200 --> 00:07:13,180

a non-stop fabulous fest so I want to

139

00:07:19,380 --> 00:07:16,210

just do a few shout out on social media

140

00:07:22,970 --> 00:07:19,390

TRO Don Hyde's been giving us retweets

141

00:07:26,760 --> 00:07:22,980

Nick hold dome I think or dome a

142

00:07:33,350 --> 00:07:26,770

something Joe you should read them in uh

143

00:07:38,580 --> 00:07:33,360

character voices you got Joshua Farah uh

144

00:07:42,480 --> 00:07:38,590

Laden that the alien blood Christopher

145

00:07:47,670 --> 00:07:42,490

will [h__\h] us I think Ozzy should read us

146

00:07:48,710 --> 00:07:47,680

some of our social media followers come

147

00:07:55,770 --> 00:07:48,720

on Nick

148

00:07:55,780 --> 00:07:59,300

[Music]

149

00:07:59,310 --> 00:08:11,660

[h__\h] chair over okay Craig frog oh

150

00:08:20,240 --> 00:08:16,580

you guys alone cherries or anything okay

151

00:08:23,000 --> 00:08:20,250

now to live with Sharla

152

00:08:27,380 --> 00:08:23,010

don't give a you lying Thank You Ozzy

153

00:08:30,650 --> 00:08:27,390

Sharon please come take him away [h__h]

154

00:08:33,320 --> 00:08:30,660

well thank you to those last people that

155

00:08:35,870 --> 00:08:33,330

were mumbled out for following us and

156

00:08:38,510 --> 00:08:35,880

actually you know supporting us because

157

00:08:39,560 --> 00:08:38,520

we really have no idea what we're doing

158

00:08:41,690 --> 00:08:39,570

but we're having a great time

159

00:08:43,940 --> 00:08:41,700

I'm like making a pizza I just put a

160

00:08:47,330 --> 00:08:43,950

show together on it maybe you come

161

00:08:50,900 --> 00:08:47,340

around maybe does never know hopefully

162

00:08:52,850 --> 00:08:50,910

the the the crust is a rolling craft

163

00:08:56,570 --> 00:08:52,860

alien crust okay now we're talking about

164

00:08:58,850 --> 00:08:56,580

nothing so symbolic I am absolutely time

165

00:09:01,820 --> 00:08:58,860

to bring somebody of the correct

166

00:09:04,880 --> 00:09:01,830

maturity and mind frame to maybe help us

167

00:09:08,900 --> 00:09:04,890

talk about this subject for you know for

168

00:09:12,820 --> 00:09:08,910

once so what I'd like to do is stop the

169

00:09:15,530 --> 00:09:12,830

music and just have a huge audience

170

00:09:17,780 --> 00:09:15,540

round of applause for mr. Jeremy Korbel

171

00:09:20,000 --> 00:09:17,790

who we are inviting on right now

172

00:09:22,850 --> 00:09:20,010

everybody welcome hey Jeremy are you

173

00:09:26,570 --> 00:09:22,860

there I am how you doing we're doing

174

00:09:27,740 --> 00:09:26,580

pretty good man um thanks for joining us

175

00:09:30,920 --> 00:09:27,750

and taking time out of your busy

176

00:09:32,660 --> 00:09:30,930

schedule to like you know chat with Joe

177

00:09:34,760 --> 00:09:32,670

and I and you know we kind of have a

178

00:09:37,070 --> 00:09:34,770

weird or different way of doing things

179

00:09:39,440 --> 00:09:37,080

but you know we do in we do enjoy it so

180

00:09:41,360 --> 00:09:39,450

thank you it's nice yeah it's nice to

181

00:09:42,950 --> 00:09:41,370

meet you Matt Joe and now I appreciate

182

00:09:44,750 --> 00:09:42,960

what you guys are doing you know humor

183

00:09:46,760 --> 00:09:44,760

can shed a light on very uncomfortable

184

00:09:49,070 --> 00:09:46,770

subjects you know famous comedians like

185

00:09:51,470 --> 00:09:49,080

Bill Hicks George Carlin Richard Pryor

186

00:09:53,300 --> 00:09:51,480

they all did this so humor is a great

187

00:09:55,310 --> 00:09:53,310

vehicle for capturing minds and I

188

00:09:57,950 --> 00:09:55,320

appreciate what you're doing great man

189

00:10:01,040 --> 00:09:57,960

hey look see I told you if we brought on

190

00:10:03,230 --> 00:10:01,050

somebody intelligent they would validate

191

00:10:05,020 --> 00:10:03,240

you know what we're doing here in some

192

00:10:07,520 --> 00:10:05,030

ways so thank you for that Jeremy and

193

00:10:09,560 --> 00:10:07,530

when I was kind of just kind of learning

194

00:10:11,450 --> 00:10:09,570

about you going through your information

195

00:10:13,870 --> 00:10:11,460

I thought it was awesome to see that you

196

00:10:16,340 --> 00:10:13,880

have a martial arts background and um

197

00:10:17,990 --> 00:10:16,350

you know those are some huge

198

00:10:19,700 --> 00:10:18,000

accomplishments I thought maybe take a

199

00:10:22,910 --> 00:10:19,710

minute just kind of tell us you know

200

00:10:24,590 --> 00:10:22,920

about your martial arts journey not

201
00:10:26,350 --> 00:10:24,600
journey but an app shot you know like

202
00:10:28,820 --> 00:10:26,360
what you've been able to accomplish yeah

203
00:10:30,410 --> 00:10:28,830
the snapshot is a lot of punches to the

204
00:10:32,519 --> 00:10:30,420
head and throwing people around but

205
00:10:34,920 --> 00:10:32,529
essentially jiu-jitsu was and I

206
00:10:37,050 --> 00:10:34,930
you know life's passion you know I was 9

207
00:10:39,569 --> 00:10:37,060
years old started it and you know lived

208
00:10:42,540 --> 00:10:39,579
it loved it and it still influences the

209
00:10:44,730 --> 00:10:42,550
way that I think and what I do today it

210
00:10:49,980 --> 00:10:44,740
was a very profound part of my journey

211
00:10:52,739 --> 00:10:49,990
like you said and how does that does

212
00:10:56,629 --> 00:10:52,749
that drive the same Drive you had to be

213
00:10:59,189 --> 00:10:56,639

proficient in in in martial arts is that

214

00:11:02,759 --> 00:10:59,199

carry over into your studies of the

215

00:11:04,920 --> 00:11:02,769

phenomenon in the UFO phenomenon yeah

216

00:11:06,389 --> 00:11:04,930

absolutely I mean you know jiu-jitsu was

217

00:11:08,069 --> 00:11:06,399

the only thing I was really good at and

218

00:11:10,679 --> 00:11:08,079

that's why I gravitated towards it I

219

00:11:13,590 --> 00:11:10,689

wasn't good at other things and when it

220

00:11:16,009 --> 00:11:13,600

comes to investigation and filmmaking

221

00:11:18,749 --> 00:11:16,019

you know definitely the the mental

222

00:11:21,179 --> 00:11:18,759

aspects of jiu-jitsu the warrior

223

00:11:23,819 --> 00:11:21,189

mentality going after something because

224

00:11:26,040 --> 00:11:23,829

you know it could be the truth that is

225

00:11:28,290 --> 00:11:26,050

influenced absolutely by the path of the

226

00:11:30,809 --> 00:11:28,300

martial arts the difference is you slip

227

00:11:33,030 --> 00:11:30,819

in the field of filmmaking and you make

228

00:11:34,619 --> 00:11:33,040

a mistake you can edit back over it you

229

00:11:37,920 --> 00:11:34,629

know in jiu-jitsu to usually get knocked

230

00:11:39,840 --> 00:11:37,930

out so that sense of urgency you know to

231

00:11:42,230 --> 00:11:39,850

get it right the first time and be

232

00:11:45,449 --> 00:11:42,240

methodical about it and inch by inch

233

00:11:47,160 --> 00:11:45,459

yard by yard that's absolutely comes

234

00:11:49,619 --> 00:11:47,170

from jiu-jitsu I wouldn't have gotten

235

00:11:52,319 --> 00:11:49,629

where I got today investigating in the

236

00:11:55,259 --> 00:11:52,329

UFO phenomenon if I wasn't patient

237

00:11:57,119 --> 00:11:55,269

I wasn't concise I wasn't principled you

238

00:11:59,579 --> 00:11:57,129

wait yeah and you're very it takes a

239

00:12:01,319 --> 00:11:59,589

tremendous amount of tenacity to be able

240

00:12:03,840 --> 00:12:01,329

to accomplish what you've accomplished

241

00:12:07,230 --> 00:12:03,850

and I think that that's so key in this

242

00:12:09,420 --> 00:12:07,240

whole UF ology world with you know some

243

00:12:10,740 --> 00:12:09,430

of the biggest speakers and the people

244

00:12:13,160 --> 00:12:10,750

that have the most to say is that

245

00:12:17,249 --> 00:12:13,170

they're very consistent they're very

246

00:12:19,139 --> 00:12:17,259

tenacious they stick with it and you

247

00:12:21,780 --> 00:12:19,149

know I could thoroughly see how that's

248

00:12:23,790 --> 00:12:21,790

making such a huge impact for you and

249

00:12:25,470 --> 00:12:23,800

whether that's intentional or not for

250

00:12:29,009 --> 00:12:25,480

you I think that a lot of people in the

251
00:12:32,639 --> 00:12:29,019
UFO community look up to to what you're

252
00:12:35,239 --> 00:12:32,649
doing and have a huge respect for the

253
00:12:37,769 --> 00:12:35,249
care you take and interviewing a lot of

254
00:12:40,259 --> 00:12:37,779
you know a lot of people that you know

255
00:12:43,860 --> 00:12:40,269
we we all hold so dear like well like

256
00:12:44,660 --> 00:12:43,870
for real though bob lazar everybody I

257
00:12:47,990 --> 00:12:44,670
think

258
00:12:49,910 --> 00:12:48,000
who is into this topic either knows or

259
00:12:53,650 --> 00:12:49,920
should know about mr. Bob Lazar which

260
00:12:58,610 --> 00:12:53,660
we've covered on several probe casts Joe

261
00:13:00,530 --> 00:12:58,620
but uh you know Jeremy actually sat down

262
00:13:03,230 --> 00:13:00,540
with him and had a conversation did you

263
00:13:05,150 --> 00:13:03,240

know that no you didn't because you

264

00:13:11,000 --> 00:13:05,160

watched what was the one that you were

265

00:13:14,170 --> 00:13:11,010

watching the interview with BCI yes yes

266

00:13:16,580 --> 00:13:14,180

yes by the way anybody listening um

267

00:13:18,560 --> 00:13:16,590

we're going to make sure we get all of

268

00:13:20,300 --> 00:13:18,570

Jeremy's info out there so that you guys

269

00:13:21,320 --> 00:13:20,310

can check out his short films they're

270

00:13:23,030 --> 00:13:21,330

fantastic

271

00:13:24,820 --> 00:13:23,040

and they've lived it a lot they pack a

272

00:13:28,460 --> 00:13:24,830

lot of punch in a short amount of code a

273

00:13:31,100 --> 00:13:28,470

very informational so just as an example

274

00:13:34,400 --> 00:13:31,110

I just want to take a few minutes here

275

00:13:39,230 --> 00:13:34,410

and discuss the bob lazar cosmic

276

00:13:42,500 --> 00:13:39,240

whistleblower short film now Jeremy what

277

00:13:45,260 --> 00:13:42,510

what made you decide to get in touch and

278

00:13:48,560 --> 00:13:45,270

ultimately cover this whole Bob Lazar

279

00:13:50,120 --> 00:13:48,570

story what was your motivation yeah well

280

00:13:51,830 --> 00:13:50,130

okay so first I just want to comment

281

00:13:53,960 --> 00:13:51,840

what you said before it's something that

282

00:13:56,180 --> 00:13:53,970

I've been noticing in the UFO field you

283

00:13:59,720 --> 00:13:56,190

know tenacity is very important like you

284

00:14:02,060 --> 00:13:59,730

brought up but consistency is not as we

285

00:14:03,410 --> 00:14:02,070

learn new things we need to evolve our

286

00:14:05,750 --> 00:14:03,420

ideas and move forward if you have

287

00:14:07,730 --> 00:14:05,760

somebody saying the same thing over and

288

00:14:09,950 --> 00:14:07,740

over you have to kind of wonder about

289

00:14:11,510 --> 00:14:09,960

that you know are they evolving in their

290

00:14:14,180 --> 00:14:11,520

understanding because this subject

291

00:14:16,430 --> 00:14:14,190

matter it does change and it does evolve

292

00:14:20,600 --> 00:14:16,440

and we have to pay attention to that I

293

00:14:22,280 --> 00:14:20,610

think with Bob Lazar who have you know

294

00:14:25,220 --> 00:14:22,290

been able to get to know very well over

295

00:14:28,400 --> 00:14:25,230

these years to the you know to whatever

296

00:14:31,550 --> 00:14:28,410

degree I would say it was absolutely

297

00:14:33,890 --> 00:14:31,560

accidental how I started with Bob Lazar

298

00:14:37,250 --> 00:14:33,900

I mean I was absolutely on the path

299

00:14:39,320 --> 00:14:37,260

looking into this field I went first to

300

00:14:41,630 --> 00:14:39,330

the Godfather of conspiracy as I like to

301

00:14:44,630 --> 00:14:41,640

call him John Lear and you know all

302

00:14:48,050 --> 00:14:44,640

paths in ufology kind of go through John

303

00:14:51,110 --> 00:14:48,060

in the early days and that's how I first

304

00:14:53,390 --> 00:14:51,120

met Bob Lazar was was through John and

305

00:14:54,890 --> 00:14:53,400

of course I knew who bob was we all know

306

00:14:56,330 --> 00:14:54,900

who Bob is if you look into the UFO

307

00:14:57,840 --> 00:14:56,340

field because he is a credible

308

00:15:00,569 --> 00:14:57,850

individual

309

00:15:02,759 --> 00:15:00,579

has had an incredible experience he's

310

00:15:05,340 --> 00:15:02,769

you know passed multiple polygraph tests

311

00:15:07,439 --> 00:15:05,350

and he has actually told a consistent

312

00:15:09,900 --> 00:15:07,449

story in the right way and that he is

313

00:15:12,420 --> 00:15:09,910

basically told you his life experiences

314

00:15:13,160 --> 00:15:12,430

whether you can accept it or we can

315

00:15:15,990 --> 00:15:13,170

accept it or not

316

00:15:18,540 --> 00:15:16,000

Balthazar's telling the truth so that

317

00:15:20,490 --> 00:15:18,550

was a pretty incredible opportunity to

318

00:15:23,040 --> 00:15:20,500

talk with Bob but those conversations

319

00:15:24,210 --> 00:15:23,050

have continued over years oh man that's

320

00:15:29,309 --> 00:15:24,220

amazing

321

00:15:32,189 --> 00:15:29,319

and I know that um he he's not really

322

00:15:36,569 --> 00:15:32,199

active in the UFO community isn't that

323

00:15:38,879 --> 00:15:36,579

right oh yeah I mean he absolutely 100%

324

00:15:42,059 --> 00:15:38,889

tries to stay away from it you know the

325

00:15:45,389 --> 00:15:42,069

UFO subject has done nothing good for

326

00:15:48,629 --> 00:15:45,399

Bob Lazar he literally came out to tell

327

00:15:50,910 --> 00:15:48,639

his story as an act of self-protection

328

00:15:53,519 --> 00:15:50,920

it wasn't heroic it wasn't because he

329

00:15:55,740 --> 00:15:53,529

felt the world should know although now

330

00:15:58,410 --> 00:15:55,750

I think he might be changing his thought

331

00:16:01,079 --> 00:15:58,420

process on that but at the time it was

332

00:16:02,999 --> 00:16:01,089

really to save his own hide and you know

333

00:16:05,519 --> 00:16:03,009

I think you know 25 almost 30 years

334

00:16:08,280 --> 00:16:05,529

later since Bob did that told about how

335

00:16:11,069 --> 00:16:08,290

he worked at a sub base of area 51 yeah

336

00:16:14,519 --> 00:16:11,079

held s for back-engineering

337

00:16:16,590 --> 00:16:14,529

alien technology or attempting to it was

338

00:16:19,530 --> 00:16:16,600

an impossible goal he said but

339

00:16:22,139 --> 00:16:19,540

attempting to I think he now sees that a

340

00:16:26,579 --> 00:16:22,149

he's not going to get his draw back pay

341

00:16:28,769 --> 00:16:26,589

and be that these do raise big questions

342

00:16:31,170 --> 00:16:28,779

and some some of which might have

343

00:16:33,269 --> 00:16:31,180

disturbing answers and bob has put

344

00:16:36,780 --> 00:16:33,279

himself on the line and really talked

345

00:16:38,910 --> 00:16:36,790

about it now so there will be more about

346

00:16:41,670 --> 00:16:38,920

em coming from Bob in the near future

347

00:16:43,439 --> 00:16:41,680

but in general he likes to stay away

348

00:16:45,449 --> 00:16:43,449

from the UFO topic because it's done

349

00:16:49,079 --> 00:16:45,459

nothing but cause heartache for him

350

00:16:53,939 --> 00:16:49,089

right I could see that I mean what an

351

00:16:57,230 --> 00:16:53,949

incredible story and I believe him and

352

00:17:01,980 --> 00:16:57,240

I'll tell you that was the first

353

00:17:03,809 --> 00:17:01,990

interview and I what I'm what I mean the

354

00:17:07,330 --> 00:17:03,819

first I mean the original George Knapp

355

00:17:12,400 --> 00:17:09,400

really blew my mind and I really

356

00:17:14,770 --> 00:17:12,410

believed in there was he just didn't

357

00:17:18,210 --> 00:17:14,780

sound like somebody that was making it

358

00:17:21,010 --> 00:17:18,220

up it was very clear to me that

359

00:17:23,950 --> 00:17:21,020

something very spectacular happened to

360

00:17:25,720 --> 00:17:23,960

him and that's always been so intriguing

361

00:17:29,560 --> 00:17:25,730

to me which is always you know which has

362

00:17:32,200 --> 00:17:29,570

been leading me and Joe on these crazy

363

00:17:34,390 --> 00:17:32,210

adventures because you know we wanna we

364

00:17:36,940 --> 00:17:34,400

we don't want to just read about it we

365

00:17:39,430 --> 00:17:36,950

want to see it we want to touch it we

366

00:17:40,870 --> 00:17:39,440

want to feel it you know so I I admire

367

00:17:42,190 --> 00:17:40,880

that I think that's really important a

368

00:17:43,990 --> 00:17:42,200

lot of people who sit back on their

369

00:17:47,860 --> 00:17:44,000

computers and they make judgments based

370

00:17:49,990 --> 00:17:47,870

upon videos and really you do have to go

371

00:17:52,030 --> 00:17:50,000

see and meet and experience these people

372

00:17:54,190 --> 00:17:52,040

for yourselves it's one thing to hear

373

00:17:56,920 --> 00:17:54,200

Bob Lazar you know through the great

374

00:17:58,870 --> 00:17:56,930

series of news reports that George Knapp

375

00:18:01,000 --> 00:17:58,880

has done obviously it's another thing to

376

00:18:02,860 --> 00:18:01,010

meet him in person and hear that story

377

00:18:04,780 --> 00:18:02,870

and I think you know George Knapp you

378

00:18:06,580 --> 00:18:04,790

know he's my mentor in journalism he

379

00:18:09,010 --> 00:18:06,590

definitely had that experience early on

380

00:18:11,950 --> 00:18:09,020

I mean it's a shocking story the Bob

381

00:18:14,170 --> 00:18:11,960

Lazar story but as you got a sense you

382

00:18:15,850 --> 00:18:14,180

know by watching him talk you got a

383

00:18:18,160 --> 00:18:15,860

sense that he's telling the truth that

384

00:18:20,050 --> 00:18:18,170

he's being genuine and I can reflect

385

00:18:22,060 --> 00:18:20,060

that back to you and tell you I am

386

00:18:24,520 --> 00:18:22,070

certain I no longer have the luxury of

387

00:18:26,410 --> 00:18:24,530

disbelief Bob Lazar is telling the truth

388

00:18:28,000 --> 00:18:26,420

and I know that's hard for people to

389

00:18:29,620 --> 00:18:28,010

understand they don't want to believe it

390

00:18:32,440 --> 00:18:29,630

some people want to believe it too much

391

00:18:35,440 --> 00:18:32,450

you should have skepticism and even Bob

392

00:18:37,690 --> 00:18:35,450

says by the scientific standard I can't

393

00:18:39,760 --> 00:18:37,700

prove to you what I'm saying so you

394

00:18:42,820 --> 00:18:39,770

should dismiss me and if you do dismiss

395

00:18:45,640 --> 00:18:42,830

me pass it on he doesn't want people to

396

00:18:50,320 --> 00:18:45,650

see him as a UFO Messiah he's just

397

00:18:53,680 --> 00:18:50,330

reporting the news I love that he's a

398

00:18:54,820 --> 00:18:53,690

smart guy too smart extremely smart he

399

00:18:57,220 --> 00:18:54,830

is one of the smartest scientists I've

400

00:18:58,870 --> 00:18:57,230

ever met he's actually been very helpful

401
00:19:04,000 --> 00:18:58,880
to me on other scientific endeavors oh

402
00:19:06,160 --> 00:19:04,010
how fantastic that's like um also just

403
00:19:08,560 --> 00:19:06,170
kind of talking about some of the other

404
00:19:11,560 --> 00:19:08,570
films like nano man is a great example

405
00:19:15,430 --> 00:19:11,570
of some of the other kind of things

406
00:19:19,230 --> 00:19:15,440
you're looking into and go ahead and

407
00:19:20,890 --> 00:19:19,240
give us like a just a short you know

408
00:19:23,380 --> 00:19:20,900
synapse

409
00:19:25,840 --> 00:19:23,390
Nasus description of what nano man is

410
00:19:29,020 --> 00:19:25,850
about the film sure that you have yes

411
00:19:31,420 --> 00:19:29,030
and yes a nano man is an ongoing series

412
00:19:33,760 --> 00:19:31,430
of short films that explore these

413
00:19:35,980 --> 00:19:33,770

different scientific aspects that a guy

414

00:19:38,560 --> 00:19:35,990

that I call nano man his real name is

415

00:19:41,320 --> 00:19:38,570

Chris Cooper looks into I was first told

416

00:19:43,450 --> 00:19:41,330

to go look into his propulsion system

417

00:19:45,160 --> 00:19:43,460

from some military intelligence guys

418

00:19:46,540 --> 00:19:45,170

that I know that basically said this

419

00:19:48,100 --> 00:19:46,550

guy's doing really interesting stuff

420

00:19:50,200 --> 00:19:48,110

with propulsion you should check it out

421

00:19:52,120 --> 00:19:50,210

and he might be interested in other

422

00:19:54,220 --> 00:19:52,130

stuff so I go out there and I start

423

00:19:56,530 --> 00:19:54,230

filming him in Vermont we go through his

424

00:19:58,780 --> 00:19:56,540

space drive which is one of my shorts

425

00:20:01,780 --> 00:19:58,790

it's an atypical propulsion system

426

00:20:04,150 --> 00:20:01,790

similar to the M Drive I imagine but

427

00:20:07,570 --> 00:20:04,160

basically as I went down the rabbit hole

428

00:20:10,780 --> 00:20:07,580

with this you know nano physicist again

429

00:20:12,930 --> 00:20:10,790

who I called nano man uh it became very

430

00:20:16,360 --> 00:20:12,940

clear that he got a lot of his

431

00:20:17,680 --> 00:20:16,370

inspiration from what we would call the

432

00:20:18,670 --> 00:20:17,690

phenomenon or the extra-terrestrial

433

00:20:21,660 --> 00:20:18,680

issue

434

00:20:25,390 --> 00:20:21,670

he's a firm believer that one day humans

435

00:20:26,950 --> 00:20:25,400

will be the extraterrestrials in fact as

436

00:20:29,440 --> 00:20:26,960

my friend Lee Spiegel from The

437

00:20:31,600 --> 00:20:29,450

Huffington Post said we ourselves are

438

00:20:33,250 --> 00:20:31,610

living on an exoplanet if you're looking

439

00:20:35,950 --> 00:20:33,260

at it from any other way but from Earth

440

00:20:38,890 --> 00:20:35,960

right so that was the fundamental drive

441

00:20:41,170 --> 00:20:38,900

of nano man he knew that there are

442

00:20:44,110 --> 00:20:41,180

civilizations who are technologically

443

00:20:47,020 --> 00:20:44,120

advanced who have beat the time-space uh

444

00:20:48,880 --> 00:20:47,030

you know problem with travel and he was

445

00:20:50,980 --> 00:20:48,890

determined to get as close and is

446

00:20:53,200 --> 00:20:50,990

determined to get as close as he can

447

00:20:55,540 --> 00:20:53,210

with material science with propulsion

448

00:20:57,760 --> 00:20:55,550

and with energy sources so this series

449

00:20:59,620 --> 00:20:57,770

which you can see I think to of right

450

00:21:02,950 --> 00:20:59,630

now you'll be able to see little

451
00:21:05,260 --> 00:21:02,960
snippets of who nano man is what his

452
00:21:07,540 --> 00:21:05,270
goals are and over the years that I've

453
00:21:09,730 --> 00:21:07,550
been filming him you'll see where all of

454
00:21:12,970 --> 00:21:09,740
that culminates as the series unveils oh

455
00:21:16,330 --> 00:21:12,980
I can't wait I got to tell you man the

456
00:21:19,510 --> 00:21:16,340
to be continued they always kill me you

457
00:21:22,000 --> 00:21:19,520
know they kill me too that's life no I

458
00:21:25,390 --> 00:21:22,010
mean look I'm a one-person show I film

459
00:21:27,610 --> 00:21:25,400
direct edit sound everything for every

460
00:21:29,890 --> 00:21:27,620
film I do people scream at me every day

461
00:21:32,380 --> 00:21:29,900
why don't you do more shouldn't this be

462
00:21:33,779 --> 00:21:32,390
free are you kidding me I mean to be

463
00:21:36,810 --> 00:21:33,789

able to put my time into

464

00:21:38,430 --> 00:21:36,820

this as a singular person you know it

465

00:21:41,879 --> 00:21:38,440

has been quite an achievement to get all

466

00:21:44,489 --> 00:21:41,889

the work that I do have out I'm happy to

467

00:21:46,529 --> 00:21:44,499

say that very soon one of my films will

468

00:21:49,289 --> 00:21:46,539

be widely distributed and that's patient

469

00:21:52,109 --> 00:21:49,299

17 ah man that's going to be fantastic

470

00:21:54,330 --> 00:21:52,119

well and I totally know you mean from

471

00:21:59,279 --> 00:21:54,340

you know that respect Wow I have not

472

00:22:01,769 --> 00:21:59,289

produced any sort of like films as you

473

00:22:03,719 --> 00:22:01,779

have but you know it does take a lot and

474

00:22:05,430 --> 00:22:03,729

I can imagine you by yourself and

475

00:22:07,589 --> 00:22:05,440

everything that you do by the way which

476
00:22:10,379 --> 00:22:07,599
is top of the line and everything always

477
00:22:12,330 --> 00:22:10,389
looks good sounds good you can really

478
00:22:16,200 --> 00:22:12,340
tell that you are passionate about this

479
00:22:18,839 --> 00:22:16,210
subject and you know we appreciate that

480
00:22:20,430 --> 00:22:18,849
and we appreciate that especially as you

481
00:22:22,129 --> 00:22:20,440
know like Joe and I we're just coming

482
00:22:24,839 --> 00:22:22,139
into this we've been doing this since

483
00:22:26,879 --> 00:22:24,849
November of last year and we're just

484
00:22:30,419 --> 00:22:26,889
like normal people and we just want to

485
00:22:34,049 --> 00:22:30,429
know more about these extraordinary

486
00:22:36,389 --> 00:22:34,059
things these phenomenon these UFOs these

487
00:22:38,310 --> 00:22:36,399
you know are there interdimensional

488
00:22:41,310 --> 00:22:38,320

beings there are so many questions being

489

00:22:45,239 --> 00:22:41,320

raised right now in ufology and a lot of

490

00:22:47,249 --> 00:22:45,249

which i think is totally not i think

491

00:22:48,989 --> 00:22:47,259

it's garbage a lot of it it's absolute

492

00:22:51,599 --> 00:22:48,999

[h__h] yeah there's what do you think

493

00:22:54,749 --> 00:22:51,609

is legit out there biggest [h__h]

494

00:22:57,149 --> 00:22:54,759

right now I mean I could name probably

495

00:22:59,729 --> 00:22:57,159

50 people that are just making things up

496

00:23:02,489 --> 00:22:59,739

because they sound cool secret space

497

00:23:04,589 --> 00:23:02,499

program blue beings this I'm in contact

498

00:23:05,999 --> 00:23:04,599

with this person and that being let me

499

00:23:08,669 --> 00:23:06,009

give me a [h__h] break I mean

500

00:23:10,919 --> 00:23:08,679

ultimately there is truth you know there

501
00:23:12,659 --> 00:23:10,929
is signal to the noise but it seems like

502
00:23:14,070 --> 00:23:12,669
noise is the new black I mean it's

503
00:23:16,769 --> 00:23:14,080
absolutely ridiculous that's

504
00:23:18,479 --> 00:23:16,779
self-importance the self-importance and

505
00:23:20,700 --> 00:23:18,489
the false messiahs and everybody that

506
00:23:22,499 --> 00:23:20,710
collects a following around this look

507
00:23:24,389 --> 00:23:22,509
I'm just reporting the news when I do

508
00:23:27,749 --> 00:23:24,399
the work that I do and you don't need to

509
00:23:31,249 --> 00:23:27,759
make this [h__\h] up it is so fantastic it

510
00:23:34,680 --> 00:23:31,259
is so exceptionally bizarre it is so

511
00:23:37,019 --> 00:23:34,690
absolutely sensational as it is to

512
00:23:39,659 --> 00:23:37,029
sensationalize any of it or try to

513
00:23:41,999 --> 00:23:39,669

position yourself as this like Messiah

514

00:23:43,720 --> 00:23:42,009

important person it's reefing

515

00:23:47,410 --> 00:23:43,730

governments when you're not

516

00:23:49,720 --> 00:23:47,420

that is absolute [\h__\h] oh you know no

517

00:23:51,310 --> 00:23:49,730

and the deal is you know like you said

518

00:23:52,960 --> 00:23:51,320

you're just two normal guys and you're

519

00:23:54,760 --> 00:23:52,970

interested in this and your brothers and

520

00:23:55,690 --> 00:23:54,770

you're kind of going on this path so

521

00:23:58,330 --> 00:23:55,700

here's the deal man

522

00:24:00,280 --> 00:23:58,340

the seeker is the finder the more you go

523

00:24:03,160 --> 00:24:00,290

into this subject the better you're

524

00:24:05,680 --> 00:24:03,170

going to get at reading [\h__\h] and the

525

00:24:07,330 --> 00:24:05,690

more skeptical minded you can be then

526

00:24:09,340 --> 00:24:07,340

the more you'll be able to look into it

527

00:24:11,080 --> 00:24:09,350

and be able to teach you know kind of

528

00:24:12,910 --> 00:24:11,090

separate the wheat from the chaff is

529

00:24:16,030 --> 00:24:12,920

what George Knapp likes to say yeah you

530

00:24:18,580 --> 00:24:16,040

know Stu you know Stu find the truth to

531

00:24:20,830 --> 00:24:18,590

part the Seas of [\h__\h]

532

00:24:23,110 --> 00:24:20,840

which there is mostly of and find the

533

00:24:25,420 --> 00:24:23,120

truth and usually it's not people you

534

00:24:28,500 --> 00:24:25,430

know who are proclaiming to be these

535

00:24:30,310 --> 00:24:28,510

like you know very important people

536

00:24:31,600 --> 00:24:30,320

reincarnated as these alien

537

00:24:34,360 --> 00:24:31,610

whistleblowers I mean I don't [\h__\h]

538

00:24:36,640 --> 00:24:34,370

know people are crazy well the truth is

539

00:24:40,540 --> 00:24:36,650

there ya know I was just gonna say I'm

540

00:24:42,300 --> 00:24:40,550

so um I'm gonna use the Neph word I'm so

541

00:24:45,280 --> 00:24:42,310

[h__h] happy to hear you say it

542

00:24:48,910 --> 00:24:45,290

it seems as though we're on the same

543

00:24:51,490 --> 00:24:48,920

page here because um coming right into

544

00:24:55,720 --> 00:24:51,500

this you know we were going down kind of

545

00:24:57,670 --> 00:24:55,730

those uh uh you know uh G calls a

546

00:24:59,290 --> 00:24:57,680

messiah or we call them you know the

547

00:25:01,390 --> 00:24:59,300

information keeper

548

00:25:04,210 --> 00:25:01,400

you know the person that's supposed to

549

00:25:05,710 --> 00:25:04,220

be the knowledge holder and we know we

550

00:25:08,380 --> 00:25:05,720

went through a quite a few of those

551
00:25:09,940 --> 00:25:08,390
sorts of in and out of those kind of can

552
00:25:11,350 --> 00:25:09,950
I guess you could say online communities

553
00:25:15,790 --> 00:25:11,360
or whatnot until we were just stepping

554
00:25:16,960 --> 00:25:15,800
back going the digital the peanut butter

555
00:25:18,670 --> 00:25:16,970
they're [\h__\h] nuts

556
00:25:20,560 --> 00:25:18,680
they're [\h__\h] crazy and they're all

557
00:25:24,490 --> 00:25:20,570
contradicting themselves but they all

558
00:25:26,620 --> 00:25:24,500
sit on the same stage and and it's very

559
00:25:28,930 --> 00:25:26,630
much like you said it's these big

560
00:25:30,640 --> 00:25:28,940
followings which I gotta ask you how do

561
00:25:32,880 --> 00:25:30,650
you feel about talking about names

562
00:25:43,470 --> 00:25:35,820
love nails by heavier this name called

563
00:25:47,070 --> 00:25:43,480

Steven career you know sure here we feel

564

00:25:48,750 --> 00:25:47,080

very unacknowledged oh do you oh I'm so

565

00:25:52,049 --> 00:25:48,760

sorry I'm sure if you pay enough money

566

00:25:54,710 --> 00:25:52,059

you could feel acknowledged we tried we

567

00:25:57,090 --> 00:25:54,720

really did we went to the premiere and

568

00:25:58,650 --> 00:25:57,100

we were sown acknowledged but I have a

569

00:26:02,310 --> 00:25:58,660

signed book I gave him fifty dollars for

570

00:26:04,799 --> 00:26:02,320

its fantastic look you know it's funny

571

00:26:06,539 --> 00:26:04,809

it's really not the people it's it's

572

00:26:09,150 --> 00:26:06,549

more like you know even if the messenger

573

00:26:10,770 --> 00:26:09,160

dies you know even if you realize it's a

574

00:26:12,720 --> 00:26:10,780

false prophet you realize that this

575

00:26:15,659 --> 00:26:12,730

person right is not what they say they

576

00:26:17,610 --> 00:26:15,669

are you know is there truth in the

577

00:26:19,320 --> 00:26:17,620

information and so you can have the most

578

00:26:21,690 --> 00:26:19,330

ridiculous person

579

00:26:25,049 --> 00:26:21,700

who's bringing information forward and

580

00:26:26,100 --> 00:26:25,059

that information could be valuables you

581

00:26:27,000 --> 00:26:26,110

don't want to throw the baby out with

582

00:26:30,510 --> 00:26:27,010

the bathwater

583

00:26:33,840 --> 00:26:30,520

yes but but essentially I do not you

584

00:26:36,330 --> 00:26:33,850

know feel passionate about people that

585

00:26:38,220 --> 00:26:36,340

just you know a over-exaggerated who

586

00:26:39,840 --> 00:26:38,230

they are and their position to make

587

00:26:42,299 --> 00:26:39,850

themselves seem more powerful and that's

588

00:26:44,460 --> 00:26:42,309

a jujitsu trick and then you know to is

589

00:26:45,780 --> 00:26:44,470

people that just make things up which

590

00:26:46,560 --> 00:26:45,790

you wouldn't and people are [h__h]

591

00:26:49,020 --> 00:26:46,570

crazy

592

00:26:50,909 --> 00:26:49,030

they just make [h__h] up because it sells

593

00:26:52,620 --> 00:26:50,919

tickets and they get their face on some

594

00:26:56,010 --> 00:26:52,630

television show yeah they're talking

595

00:26:56,730 --> 00:26:56,020

puppets yep so essentially you got to be

596

00:26:59,220 --> 00:26:56,740

the judge of that

597

00:27:02,070 --> 00:26:59,230

I can tell you who I think is legit or

598

00:27:04,530 --> 00:27:02,080

not legit and honestly it's up to you

599

00:27:07,409 --> 00:27:04,540

anyway I will tell you one person to

600

00:27:09,560 --> 00:27:07,419

look out for being new to this I think a

601
00:27:12,780 --> 00:27:09,570
lot of people are going to miss this

602
00:27:16,020 --> 00:27:12,790
Jacques Vallee will be speaking at

603
00:27:17,430 --> 00:27:16,030
contact in the desert Jacques valet is

604
00:27:19,470 --> 00:27:17,440
probably one of the most important

605
00:27:21,840 --> 00:27:19,480
voices in the you know discussing

606
00:27:24,480 --> 00:27:21,850
ufology and the whole phenomenon for the

607
00:27:27,299 --> 00:27:24,490
last 50 years but the guy is a french

608
00:27:29,039 --> 00:27:27,309
scientist who was like for example in

609
00:27:32,580 --> 00:27:29,049
the movie Close Encounters of the Third

610
00:27:34,110 --> 00:27:32,590
Kind a movie he modeled that French

611
00:27:36,690 --> 00:27:34,120
scientist in that movie after Jacques

612
00:27:38,090 --> 00:27:36,700
Vallee Jacques Vallee has been deeply

613
00:27:42,240 --> 00:27:38,100

embedded with government agencies

614

00:27:44,910 --> 00:27:42,250

studying this phenomenon for decades so

615

00:27:46,980 --> 00:27:44,920

someone like that who's coming out

616

00:27:49,620 --> 00:27:46,990

the woodwork for contact in the desert

617

00:27:51,810 --> 00:27:49,630

now mind you he hasn't spoken in many

618

00:27:53,640 --> 00:27:51,820

years on this subject

619

00:27:56,010 --> 00:27:53,650

I mean we're decades really he's kept

620

00:27:59,220 --> 00:27:56,020

quiet he's written some books many books

621

00:28:01,860 --> 00:27:59,230

but to have him speaking a contact in

622

00:28:04,500 --> 00:28:01,870

the desert that's the kind of person you

623

00:28:06,120 --> 00:28:04,510

should go see all these New Age people

624

00:28:08,910 --> 00:28:06,130

coming out and saying that they're

625

00:28:11,340 --> 00:28:08,920

seeing this and doing that don't dismiss

626
00:28:13,610 --> 00:28:11,350
them all but make sure to catch someone

627
00:28:15,870 --> 00:28:13,620
like Jacques valet while you can that's

628
00:28:17,400 --> 00:28:15,880
you know I just want to piggyback on

629
00:28:20,010 --> 00:28:17,410
what you're saying because we've kind of

630
00:28:22,500 --> 00:28:20,020
covered this same sort of topic at the

631
00:28:27,260 --> 00:28:22,510
past actually say recently in our probe

632
00:28:30,420 --> 00:28:27,270
cast just which is I feel as though any

633
00:28:33,420 --> 00:28:30,430
theory or story that is so wrapped

634
00:28:35,430 --> 00:28:33,430
around an individual is something you

635
00:28:37,670 --> 00:28:35,440
got to watch out for and you know

636
00:28:39,480 --> 00:28:37,680
there's a number of these kind of

637
00:28:40,920 --> 00:28:39,490
personalities and they have these

638
00:28:43,250 --> 00:28:40,930

amazing stories and they go to

639

00:28:47,760 --> 00:28:43,260

Antarctica and you know blue bubbles and

640

00:28:49,980 --> 00:28:47,770

and the whole entire premise of their

641

00:28:53,300 --> 00:28:49,990

stories just is is all wrapped around

642

00:28:56,160 --> 00:28:53,310

them and rather than presenting

643

00:29:00,180 --> 00:28:56,170

information for people to gather and I

644

00:29:02,730 --> 00:29:00,190

say for people like you know go to these

645

00:29:06,150 --> 00:29:02,740

events don't let somebody like Corey

646

00:29:09,960 --> 00:29:06,160

good or you know I guess you could say a

647

00:29:12,450 --> 00:29:09,970

hotly debated sort of personality you

648

00:29:14,490 --> 00:29:12,460

should go and you should listen and you

649

00:29:17,850 --> 00:29:14,500

should pick from that what makes sense

650

00:29:19,350 --> 00:29:17,860

to you don't go to it like this is veal

651
00:29:20,940 --> 00:29:19,360
you know person that's got all the

652
00:29:24,000 --> 00:29:20,950
information this is the person I must

653
00:29:26,190 --> 00:29:24,010
learn from and if I'm not doing XYZ and

654
00:29:27,540 --> 00:29:26,200
you know did it it it's just

655
00:29:29,460 --> 00:29:27,550
churn it's just starts turning into

656
00:29:31,260 --> 00:29:29,470
religion so be careful

657
00:29:33,570 --> 00:29:31,270
don't go yeah what are your thoughts on

658
00:29:36,030 --> 00:29:33,580
that you know I mean my thoughts are

659
00:29:38,700 --> 00:29:36,040
absolutely mirrored to yours you're just

660
00:29:40,890 --> 00:29:38,710
saying it for me and I absolutely agree

661
00:29:43,020 --> 00:29:40,900
it's very important this subject matter

662
00:29:45,180 --> 00:29:43,030
and it's important to go and to

663
00:29:47,400 --> 00:29:45,190

experience you know these people that

664

00:29:50,790 --> 00:29:47,410

are talking and giving information you

665

00:29:52,710 --> 00:29:50,800

know but essentially it is your job I

666

00:29:54,060 --> 00:29:52,720

mean this is again what George Knapp

667

00:29:56,240 --> 00:29:54,070

likes to say it's our job to investigate

668

00:29:59,480 --> 00:29:56,250

the unexplained

669

00:30:01,399 --> 00:29:59,490

not explain the uninvestigated so when

670

00:30:04,310 --> 00:30:01,409

you look at someone who's telling you

671

00:30:07,520 --> 00:30:04,320

information put out your hand and say

672

00:30:09,590 --> 00:30:07,530

show me the proof if you can't validate

673

00:30:11,899 --> 00:30:09,600

something like basic military

674

00:30:13,880 --> 00:30:11,909

credentials from somebody and they're

675

00:30:16,279 --> 00:30:13,890

claiming to have worked with in a secret

676

00:30:18,919 --> 00:30:16,289

program within the military well that's

677

00:30:20,360 --> 00:30:18,929

a little suspect and there are there are

678

00:30:22,130 --> 00:30:20,370

forms that everybody signs when they

679

00:30:24,289 --> 00:30:22,140

leave certain military positions and you

680

00:30:25,940 --> 00:30:24,299

can find those discharge forms so for

681

00:30:28,880 --> 00:30:25,950

example like in the anonymous film in

682

00:30:32,440 --> 00:30:28,890

the short now I can and will never be

683

00:30:35,600 --> 00:30:32,450

able to prove that he was actually CIA

684

00:30:37,730 --> 00:30:35,610

working in capacity for the real project

685

00:30:41,390 --> 00:30:37,740

Bluebook like he claims is he's but what

686

00:30:43,159 --> 00:30:41,400

I could confirm is that he was in the

687

00:30:45,770 --> 00:30:43,169

military he did have proper discharge

688

00:30:47,510 --> 00:30:45,780

papers he had literally no reason to

689

00:30:49,490 --> 00:30:47,520

speak with us that day in fact his wife

690

00:30:52,039 --> 00:30:49,500

didn't want him to even in his old age

691

00:30:54,289 --> 00:30:52,049

and the fact he was dying and she didn't

692

00:30:57,080 --> 00:30:54,299

want him to because she believed what he

693

00:30:59,000 --> 00:30:57,090

saw was not an alien but was a diamond

694

00:31:01,880 --> 00:30:59,010

and so her religious beliefs were

695

00:31:03,200 --> 00:31:01,890

compelling him not to talk to us so

696

00:31:05,450 --> 00:31:03,210

you've got people with a lot to lose

697

00:31:07,279 --> 00:31:05,460

nothing to gain and they're on their

698

00:31:09,020 --> 00:31:07,289

deathbed and they want to talk to a film

699

00:31:11,330 --> 00:31:09,030

crew and they don't even want their face

700

00:31:13,460 --> 00:31:11,340

shown it was this big argument not

701
00:31:15,230 --> 00:31:13,470
argument but I could persuaded him that

702
00:31:17,810 --> 00:31:15,240
it has a lot more power we can show his

703
00:31:20,120 --> 00:31:17,820
face never giving away his real name he

704
00:31:23,630 --> 00:31:20,130
is deceased now but his testimony stands

705
00:31:26,810 --> 00:31:23,640
so my point is make sure to try and

706
00:31:29,600 --> 00:31:26,820
validate the basic claims from people if

707
00:31:31,820 --> 00:31:29,610
they say they're a doctor see if you can

708
00:31:33,020 --> 00:31:31,830
find out if they are a doctor if they

709
00:31:34,880 --> 00:31:33,030
say that they've worked in the military

710
00:31:37,159 --> 00:31:34,890
try to see if they've worked in the

711
00:31:39,470 --> 00:31:37,169
military so but but yes I agree with you

712
00:31:41,630 --> 00:31:39,480
go to things like contact in the desert

713
00:31:43,159 --> 00:31:41,640

just keep your mind open yeah but don't

714

00:31:45,890 --> 00:31:43,169

let your brains fall out there you go

715

00:31:47,930 --> 00:31:45,900

man and I think sometimes people can get

716

00:31:50,090 --> 00:31:47,940

get wrapped up in that feeling it's one

717

00:31:53,090 --> 00:31:50,100

way or the other which is you know I

718

00:31:54,860 --> 00:31:53,100

better believe it all or you know right

719

00:31:56,149 --> 00:31:54,870

why would I go to that event I'm not

720

00:31:58,250 --> 00:31:56,159

crazy like that

721

00:32:00,110 --> 00:31:58,260

you know there's multiple kinds of views

722

00:32:02,090 --> 00:32:00,120

people could take on it but ultimately

723

00:32:06,529 --> 00:32:02,100

who cares go there get the information

724

00:32:07,180 --> 00:32:06,539

don't let it be the the the the the

725

00:32:09,220 --> 00:32:07,190

death

726

00:32:11,140 --> 00:32:09,230

or the you know of your further

727

00:32:13,180 --> 00:32:11,150

investigation if you get some crappy

728

00:32:16,960 --> 00:32:13,190

information this is the way I think

729

00:32:20,110 --> 00:32:16,970

about it we all pay for education we all

730

00:32:22,330 --> 00:32:20,120

do it okay sometimes you get a professor

731

00:32:24,160 --> 00:32:22,340

that is not very good and is not

732

00:32:27,070 --> 00:32:24,170

teaching correctly and is giving you the

733

00:32:29,320 --> 00:32:27,080

incorrect science etc well you know it's

734

00:32:31,270 --> 00:32:29,330

up to us I think as Jeremy has said to

735

00:32:34,330 --> 00:32:31,280

really pick the pieces that make sense

736

00:32:37,180 --> 00:32:34,340

for us and you know and then in further

737

00:32:39,010 --> 00:32:37,190

investigate those things yeah and you

738

00:32:41,020 --> 00:32:39,020

know look at ask for evidence you know

739

00:32:43,360 --> 00:32:41,030

that's the whole thing you know don't

740

00:32:44,800 --> 00:32:43,370

just accept things ask for evidence now

741

00:32:47,110 --> 00:32:44,810

this whole community of people that

742

00:32:49,480 --> 00:32:47,120

talks about these things there are a lot

743

00:32:51,030 --> 00:32:49,490

of great people and there's a lot of

744

00:32:53,740 --> 00:32:51,040

truth and there's a lot of hard-working

745

00:32:55,870 --> 00:32:53,750

investigation and it is in our hands

746

00:32:57,970 --> 00:32:55,880

it's in the average person's hands to

747

00:32:59,920 --> 00:32:57,980

shine a light on this very important

748

00:33:03,370 --> 00:32:59,930

subject because our military and our

749

00:33:05,800 --> 00:33:03,380

government has taken a complete complete

750

00:33:08,410 --> 00:33:05,810

you know disinformation hands-off

751

00:33:11,800 --> 00:33:08,420

approach you know they've you know

752

00:33:13,990 --> 00:33:11,810

created obstacles for you to engage this

753

00:33:16,300 --> 00:33:14,000

topic starting with the FBI trying to

754

00:33:19,690 --> 00:33:16,310

quote/unquote demystify the UFO

755

00:33:22,500 --> 00:33:19,700

experience because the belief in UFOs is

756

00:33:26,110 --> 00:33:22,510

as dangerous to national security as

757

00:33:28,630 --> 00:33:26,120

UFOs themselves so there's there's a big

758

00:33:30,850 --> 00:33:28,640

obstacle in anybody's way to begin with

759

00:33:33,040 --> 00:33:30,860

there used to be the laughs factor the

760

00:33:35,560 --> 00:33:33,050

idea that oh we are the only people you

761

00:33:38,080 --> 00:33:35,570

know in this universe now that's

762

00:33:40,270 --> 00:33:38,090

changing and now science is catching up

763

00:33:42,570 --> 00:33:40,280

and now essentially people are more

764

00:33:44,800 --> 00:33:42,580

open-minded so take that opportunity

765

00:33:47,170 --> 00:33:44,810

like threading a needle take that

766

00:33:49,540 --> 00:33:47,180

opportunity and make sure to look into

767

00:33:50,800 --> 00:33:49,550

this it's a great time to be involved in

768

00:33:53,070 --> 00:33:50,810

this subject matter because we're

769

00:33:57,670 --> 00:33:53,080

learning new things every day

770

00:34:00,820 --> 00:33:57,680

yeah and you know what it's gonna cost

771

00:34:03,880 --> 00:34:00,830

you you know unless you sit at home on

772

00:34:05,620 --> 00:34:03,890

YouTube and read the same [h__\h] on Google

773

00:34:07,390 --> 00:34:05,630

over and over again you're gonna have to

774

00:34:10,510 --> 00:34:07,400

you're gonna have to pay for people's

775

00:34:14,860 --> 00:34:10,520

information it sucks but that's what it

776

00:34:17,080 --> 00:34:14,870

is and that is important to the people

777

00:34:18,880 --> 00:34:17,090

that are producing the information and

778

00:34:20,440 --> 00:34:18,890

getting the information out there you

779

00:34:22,240 --> 00:34:20,450

know I mean

780

00:34:25,809 --> 00:34:22,250

I think people should be paid for their

781

00:34:28,539 --> 00:34:25,819

work and if it if you pay for it and it

782

00:34:29,710 --> 00:34:28,549

sucks that's just how it goes but take

783

00:34:32,680 --> 00:34:29,720

something from it

784

00:34:34,509 --> 00:34:32,690

you know um ancient aliens is kind of a

785

00:34:37,000 --> 00:34:34,519

good example of a show that you know

786

00:34:40,240 --> 00:34:37,010

doesn't bother me but I'm not super

787

00:34:42,940 --> 00:34:40,250

super have to you know watch every

788

00:34:45,819 --> 00:34:42,950

episode but I will at times get a piece

789

00:34:48,909 --> 00:34:45,829

of something and go yeah that's you know

790

00:34:50,169 --> 00:34:48,919

I need to research that piece or portion

791

00:34:52,029 --> 00:34:50,179

or whatever it is they're talking about

792

00:34:54,099 --> 00:34:52,039

and then that leads into other things

793

00:34:55,960 --> 00:34:54,109

into other things into other things and

794

00:34:58,930 --> 00:34:55,970

I think that that's just a really smart

795

00:35:02,200 --> 00:34:58,940

way of approaching the topic the

796

00:35:04,870 --> 00:35:02,210

speaker's the leaders you know people

797

00:35:08,579 --> 00:35:04,880

that hold you know you could say that

798

00:35:12,130 --> 00:35:08,589

wait what is it uh the father of ufology

799

00:35:14,529 --> 00:35:12,140

that's worth it we're those yeah sorry I

800

00:35:17,950 --> 00:35:14,539

got yeah no absolutely I mean just a few

801
00:35:20,200 --> 00:35:17,960
bucks yeah no absolutely like I mean you

802
00:35:22,480 --> 00:35:20,210
you know you always have the option for

803
00:35:24,190 --> 00:35:22,490
example not buying one of my films cool

804
00:35:25,990 --> 00:35:24,200
don't buy it you know if you're

805
00:35:26,650 --> 00:35:26,000
interested in it and you want to see

806
00:35:28,839 --> 00:35:26,660
what this is about

807
00:35:30,670 --> 00:35:28,849
then you purchase the film you know

808
00:35:32,650 --> 00:35:30,680
whether you like it or you don't like it

809
00:35:35,170 --> 00:35:32,660
it does help me to continue what I'm

810
00:35:36,819 --> 00:35:35,180
doing but you know things like this when

811
00:35:39,339 --> 00:35:36,829
you when you go to an event there's a

812
00:35:41,019 --> 00:35:39,349
lot of education going on surrounding

813
00:35:42,460 --> 00:35:41,029

the speakers it's the people - I mean

814

00:35:44,319 --> 00:35:42,470

everybody's there for a reason

815

00:35:46,079 --> 00:35:44,329

everybody a lot of people come there

816

00:35:48,910 --> 00:35:46,089

because they've had an experience

817

00:35:51,160 --> 00:35:48,920

because they're looking for answers I

818

00:35:53,170 --> 00:35:51,170

mean I just had a police officer of 27

819

00:35:55,480 --> 00:35:53,180

years call me up never told anybody but

820

00:35:57,099 --> 00:35:55,490

his wife about his UFO experience and he

821

00:35:59,829 --> 00:35:57,109

drew it out wrote me a handwritten

822

00:36:01,749 --> 00:35:59,839

letter and it's not about getting his

823

00:36:03,970 --> 00:36:01,759

name out it's just compelling personal

824

00:36:06,789 --> 00:36:03,980

first-hand testimony he's not seeking

825

00:36:09,519 --> 00:36:06,799

fame he's not seeking money nothing like

826

00:36:12,400 --> 00:36:09,529

that so essentially when you go to these

827

00:36:14,349 --> 00:36:12,410

things your greatest resource is not the

828

00:36:16,029 --> 00:36:14,359

speakers on the stage right like I'll be

829

00:36:17,950 --> 00:36:16,039

one of the speakers on the stage I'm not

830

00:36:19,660 --> 00:36:17,960

your greatest resource your greatest

831

00:36:21,910 --> 00:36:19,670

resource will be each other because

832

00:36:23,890 --> 00:36:21,920

everybody has come to that event because

833

00:36:26,440 --> 00:36:23,900

they're curious they're as I like to say

834

00:36:28,240 --> 00:36:26,450

their curiosity has been weaponized to

835

00:36:30,849 --> 00:36:28,250

the point where instead of just being

836

00:36:32,660 --> 00:36:30,859

curious they actually went out to try to

837

00:36:34,970 --> 00:36:32,670

see and seek answers

838

00:36:36,650 --> 00:36:34,980

and so you see a lot of that at you know

839

00:36:38,569 --> 00:36:36,660

conventions like contact in the desert

840

00:36:41,720 --> 00:36:38,579

which will be coming up pretty soon and

841

00:36:44,420 --> 00:36:41,730

the you know the sad part is there's

842

00:36:46,009 --> 00:36:44,430

always people that prey upon you know

843

00:36:47,480 --> 00:36:46,019

those experiences of other people for

844

00:36:50,299 --> 00:36:47,490

their own personal game you have kind of

845

00:36:51,859 --> 00:36:50,309

predators everywhere so it's funny when

846

00:36:54,079 --> 00:36:51,869

I go to these things and people will

847

00:36:56,690 --> 00:36:54,089

come up to me and say I had X Y & Z

848

00:37:01,660 --> 00:36:56,700

experience who should I go talk with I

849

00:37:05,660 --> 00:37:01,670

say run away run away as fast as you can

850

00:37:08,900 --> 00:37:05,670

leave a document write down your

851

00:37:10,940 --> 00:37:08,910

experience don't let it be tarnished by

852

00:37:13,789 --> 00:37:10,950

anybody here who wants to impose their

853

00:37:15,319 --> 00:37:13,799

own ideas now you then and then if you

854

00:37:17,779 --> 00:37:15,329

want to share it with me share it in the

855

00:37:20,150 --> 00:37:17,789

after but don't go talk with people they

856

00:37:22,069 --> 00:37:20,160

will fill your heads with nonsense there

857

00:37:24,079 --> 00:37:22,079

are a few people that I would say you

858

00:37:27,470 --> 00:37:24,089

could trust but first thing you should

859

00:37:30,200 --> 00:37:27,480

do is catalog your experiences raw on

860

00:37:32,630 --> 00:37:30,210

your own and then to someone like me you

861

00:37:35,599 --> 00:37:32,640

can submit that really can send that to

862

00:37:36,170 --> 00:37:35,609

me yeah people do every day and then you

863

00:37:39,319 --> 00:37:36,180

know either

864

00:37:41,690 --> 00:37:39,329

a they don't want their story told or B

865

00:37:42,890 --> 00:37:41,700

they don't mind if they get answers and

866

00:37:45,589 --> 00:37:42,900

then if it's something that I feel like

867

00:37:47,569 --> 00:37:45,599

I can learn more about help them then I

868

00:37:49,700 --> 00:37:47,579

will if it's beyond my scope of

869

00:37:51,769 --> 00:37:49,710

understanding which is often what I say

870

00:37:53,630 --> 00:37:51,779

when it's batshit crazy then I'll just

871

00:37:56,240 --> 00:37:53,640

be like sorry I can't help you

872

00:37:58,220 --> 00:37:56,250

but the people that do come that are

873

00:38:00,499 --> 00:37:58,230

legitimately you know how to experience

874

00:38:01,970 --> 00:38:00,509

it want more answers on you know that is

875

00:38:04,160 --> 00:38:01,980

where I've been most effective in

876

00:38:06,230 --> 00:38:04,170

working kind of below the radar with

877

00:38:10,160 --> 00:38:06,240

people that like want to learn more

878

00:38:14,569 --> 00:38:10,170

about what they saw that's fantastic

879

00:38:17,120 --> 00:38:14,579

advice so you know that means Joe we

880

00:38:19,789 --> 00:38:17,130

should just probe cast the moment we

881

00:38:24,049 --> 00:38:19,799

have our our experience is that we just

882

00:38:26,390 --> 00:38:24,059

have to be cast ready easy I want to ask

883

00:38:29,809 --> 00:38:26,400

you Jeremy uh have you had any

884

00:38:32,749 --> 00:38:29,819

paranormal or you know UFOs sort of

885

00:38:34,819 --> 00:38:32,759

experiences you know you know first of

886

00:38:36,680 --> 00:38:34,829

all let's like make sure we're talking

887

00:38:38,059 --> 00:38:36,690

about the same thing so it is my

888

00:38:39,529 --> 00:38:38,069

understanding or my current

889

00:38:41,359 --> 00:38:39,539

understanding and I reserve the right to

890

00:38:42,829 --> 00:38:41,369

change my opinion at any time depending

891

00:38:45,049 --> 00:38:42,839

on what information that I have that

892

00:38:46,040 --> 00:38:45,059

might be new but at this time it is my

893

00:38:49,340 --> 00:38:46,050

understanding

894

00:38:51,590 --> 00:38:49,350

the UFO phenomenon is part of a much

895

00:38:55,730 --> 00:38:51,600

larger phenomenon yeah that it's

896

00:38:58,130 --> 00:38:55,740

possible that things like you know ghost

897

00:39:01,400 --> 00:38:58,140

experiences psychic experiences remote

898

00:39:03,920 --> 00:39:01,410

viewing you know even the paranormal

899

00:39:06,380 --> 00:39:03,930

like skinwalker ranch that all of these

900

00:39:10,100 --> 00:39:06,390

things are interconnected in some way

901
00:39:11,750 --> 00:39:10,110
earlier so when we say ufology or UFOs

902
00:39:14,480 --> 00:39:11,760
we're really talking about the

903
00:39:17,720 --> 00:39:14,490
phenomenon the phenomenon expresses

904
00:39:19,790 --> 00:39:17,730
itself as UFOs in my best articulation

905
00:39:22,670 --> 00:39:19,800
of it at this point but it doesn't

906
00:39:24,530 --> 00:39:22,680
necessarily mean that that's the reality

907
00:39:26,720 --> 00:39:24,540
it means that's what we're seeing and

908
00:39:28,670 --> 00:39:26,730
experiencing but my understanding of it

909
00:39:30,950 --> 00:39:28,680
is quite different now I mean my talk is

910
00:39:33,500 --> 00:39:30,960
UFO is a Clockwork Orange that should

911
00:39:36,100 --> 00:39:33,510
give you an idea of that famous Stanley

912
00:39:39,190 --> 00:39:36,110
Kubrick film a book by Anthony Burgess

913
00:39:41,930 --> 00:39:39,200

you know about something that is

914

00:39:45,440 --> 00:39:41,940

mechanistic or robotic by nature like an

915

00:39:48,350 --> 00:39:45,450

artificial intelligence that appears to

916

00:39:51,710 --> 00:39:48,360

be conscious and intelligent so have you

917

00:39:53,030 --> 00:39:51,720

had so perience right so now that we

918

00:39:55,609 --> 00:39:53,040

understand that we're talking about the

919

00:39:57,440 --> 00:39:55,619

same thing yeah I'd say in some ways

920

00:40:00,050 --> 00:39:57,450

I've had a variety of experiences you

921

00:40:01,820 --> 00:40:00,060

know I've had the you know precognition

922

00:40:04,220 --> 00:40:01,830

you know which is that weird thing like

923

00:40:05,990 --> 00:40:04,230

right before a car accident you know

924

00:40:07,730 --> 00:40:06,000

I've had the remote viewing experience

925

00:40:09,770 --> 00:40:07,740

you know how did I know that that's not

926
00:40:12,890 --> 00:40:09,780
through typical sources means now I've

927
00:40:15,260 --> 00:40:12,900
never seen a shiny disc flying saucer or

928
00:40:17,720 --> 00:40:15,270
a [h__h] mothership you know what I

929
00:40:20,300 --> 00:40:17,730
would tell the truth if I did I really

930
00:40:22,609 --> 00:40:20,310
would love to see it I know ever seen it

931
00:40:24,650 --> 00:40:22,619
but have I sure [h__h] seen a lot of

932
00:40:27,710 --> 00:40:24,660
lights in the sky that do some crazy

933
00:40:29,870 --> 00:40:27,720
things that are totally atypical of

934
00:40:32,120 --> 00:40:29,880
known propulsion but I've never been

935
00:40:34,130 --> 00:40:32,130
contacted I don't have the you know the

936
00:40:37,220 --> 00:40:34,140
key or the source of the knowledge I'm

937
00:40:40,280 --> 00:40:37,230
just you know a investigative filmmaker

938
00:40:42,710 --> 00:40:40,290

that's looking into this so no I haven't

939

00:40:45,380 --> 00:40:42,720

had a proper UFO experience well

940

00:40:48,230 --> 00:40:45,390

hopefully when we have ours and you have

941

00:40:50,840 --> 00:40:48,240

yours we can compare notes so we're down

942

00:40:53,960 --> 00:40:50,850

here to just a few minutes left and I

943

00:40:55,970 --> 00:40:53,970

got Rick to ask you a question Jeremy

944

00:40:58,180 --> 00:40:55,980

it's very important to me so but if I

945

00:41:01,930 --> 00:40:58,190

could just have everybody

946

00:41:05,230 --> 00:41:01,940

she's quiet so Jeremy I want you to go

947

00:41:10,509 --> 00:41:05,240

back in time to sitting next to Bob

948

00:41:17,499 --> 00:41:10,519

Lazar and you're sitting there you lean

949

00:41:22,960 --> 00:41:17,509

over to say something into his ear what

950

00:41:25,059 --> 00:41:22,970

does he smell like that me you know

951
00:41:26,499 --> 00:41:25,069
that's an important I want to like I

952
00:41:30,339 --> 00:41:26,509
would like to know what Michael Jackson

953
00:41:32,140 --> 00:41:30,349
smelled like you know like how do you

954
00:41:35,579 --> 00:41:32,150
know man I think I think sometimes we're

955
00:41:38,680 --> 00:41:35,589
smelling ourselves you know what I mean

956
00:41:41,380 --> 00:41:38,690
maybe I just think of things weird but

957
00:41:44,910 --> 00:41:41,390
can you imagine you're there and and I

958
00:41:48,670 --> 00:41:44,920
say that because you know what sense do

959
00:41:50,710 --> 00:41:48,680
ingrain memories in our heads so that's

960
00:41:52,180 --> 00:41:50,720
that's what that's absolutely true it's

961
00:41:54,009 --> 00:41:52,190
actually the sense that is most

962
00:41:55,839 --> 00:41:54,019
prominent foreign graining memories in

963
00:41:58,269 --> 00:41:55,849

our head Nina's memories can be you know

964

00:42:00,339 --> 00:41:58,279

recalled from from you know smell a lot

965

00:42:01,720 --> 00:42:00,349

better than any other thing but yeah I'd

966

00:42:03,430 --> 00:42:01,730

have to say you know really

967

00:42:06,099 --> 00:42:03,440

existentially you're probably just

968

00:42:08,769 --> 00:42:06,109

smelling yourself dude damnit I'm

969

00:42:11,019 --> 00:42:08,779

thinking you know you smell Bob Lazar

970

00:42:12,579 --> 00:42:11,029

and then you know a couple years later

971

00:42:14,559 --> 00:42:12,589

you walk into Walmart and there's a

972

00:42:17,079 --> 00:42:14,569

weird smell and you're like oh my god

973

00:42:19,269 --> 00:42:17,089

I'm thinking a Bob Lazar you know there

974

00:42:21,460 --> 00:42:19,279

has been every product made on this

975

00:42:23,259 --> 00:42:21,470

planet because of Bob Lazar we would not

976

00:42:25,420 --> 00:42:23,269

know the name everything you want if it

977

00:42:28,029 --> 00:42:25,430

wasn't for Bob Lazar so you have blow-up

978

00:42:30,700 --> 00:42:28,039

alien dolls you have coasters you have

979

00:42:33,819 --> 00:42:30,710

beer mugs you have shot glasses you even

980

00:42:35,710 --> 00:42:33,829

have a UFO themed brothel which i think

981

00:42:39,460 --> 00:42:35,720

is really important for you guys to go

982

00:42:41,859 --> 00:42:39,470

on that journey to explore exactly what

983

00:42:44,440 --> 00:42:41,869

type of interspecies erotica is going on

984

00:42:46,990 --> 00:42:44,450

there in Nevada so every kind of product

985

00:42:49,630 --> 00:42:47,000

has been made because the Bob Lazar I'm

986

00:42:51,849 --> 00:42:49,640

talking about a cologne man I'm telling

987

00:42:53,049 --> 00:42:51,859

you the panther that thing that you have

988

00:42:54,819 --> 00:42:53,059

a panther that thing should have been

989

00:42:56,170 --> 00:42:54,829

out a long time ago somebody's already

990

00:42:59,019 --> 00:42:56,180

gonna do it because they've always

991

00:43:02,650 --> 00:42:59,029

monetized Bob Lazar Bob Lazar has never

992

00:43:04,930 --> 00:43:02,660

monetized his story I know that and you

993

00:43:07,180 --> 00:43:04,940

know I respect that

994

00:43:09,519 --> 00:43:07,190

I think he's so about this story and I

995

00:43:11,200 --> 00:43:09,529

think you are too man and I think your

996

00:43:13,030 --> 00:43:11,210

work speaks for itself you

997

00:43:15,160 --> 00:43:13,040

have a passion and thank you for being

998

00:43:16,390 --> 00:43:15,170

on our silly probe cast we've really had

999

00:43:17,829 --> 00:43:16,400

a great time chatting with you today

1000

00:43:19,359 --> 00:43:17,839

Jeremy yeah me first sure no I

1001
00:43:21,160 --> 00:43:19,369
appreciate you guys I really look

1002
00:43:24,280 --> 00:43:21,170
forward to seeing how your show evolves

1003
00:43:26,020 --> 00:43:24,290
don't be consistent change and evolve as

1004
00:43:27,579 --> 00:43:26,030
you go through this and you begin to

1005
00:43:29,070 --> 00:43:27,589
learn more and more because the seeker

1006
00:43:31,270 --> 00:43:29,080
is the finder and it is actual

1007
00:43:33,460 --> 00:43:31,280
statistical probability that the more

1008
00:43:35,530 --> 00:43:33,470
you look to see UFOs more likely you're

1009
00:43:37,480 --> 00:43:35,540
looking up and will see one so I

1010
00:43:39,280 --> 00:43:37,490
encourage you on your journey I can't

1011
00:43:41,260 --> 00:43:39,290
wait to see where you are in a year or

1012
00:43:43,510 --> 00:43:41,270
your plus from now and again you know

1013
00:43:45,880 --> 00:43:43,520

remember humor is a way to shed light on

1014

00:43:48,790 --> 00:43:45,890

uncomfortable ideas so I'm really happy

1015

00:43:50,980 --> 00:43:48,800

you guys are doing this and continue it

1016

00:43:52,240 --> 00:43:50,990

and I'll see you on the next time sounds

1017

00:43:53,859 --> 00:43:52,250

great man we'll see how do they smell

1018

00:43:54,839 --> 00:43:53,869

intact in the desert thanks yeah being

1019

00:43:57,040 --> 00:43:54,849

part of that you know

1020

00:44:02,700 --> 00:43:57,050

okay guys you take care talk to you soon

1021

00:44:07,690 --> 00:44:02,710

talk to seem a banjo what do you think

1022

00:44:10,570 --> 00:44:07,700

was that awesome yeah man he is on the

1023

00:44:11,829 --> 00:44:10,580

same page and it's too bad AJ wasn't on

1024

00:44:13,990 --> 00:44:11,839

tonight because I think I don't agree

1025

00:44:17,800 --> 00:44:14,000

but alien on board Thank you Thank You

1026

00:44:21,280 --> 00:44:17,810

Brianna thank you uh Carla or buddy

1027

00:44:25,060 --> 00:44:21,290

thank you to the others that have joined

1028

00:44:29,050 --> 00:44:25,070

via Twitter messaging or Instagram in

1029

00:44:32,920 --> 00:44:29,060

boxing we are at UF o Bros TV on all

1030

00:44:36,040 --> 00:44:32,930

things social media and uf0 Bros TV on

1031

00:44:38,530 --> 00:44:36,050

Twitter you can get all the information

1032

00:44:41,680 --> 00:44:38,540

about Jeremy Korbelt at extraordinary

1033

00:44:43,960 --> 00:44:41,690

believes comm I highly recommend that

1034

00:44:45,970 --> 00:44:43,970

your gotta stuff a link in the you get a

1035

00:44:48,310 --> 00:44:45,980

little bit of Lincoln's like YouTube yo

1036

00:44:50,829 --> 00:44:48,320

you think but it's extraordinary beliefs

1037

00:44:54,070 --> 00:44:50,839

and I am so grateful for Jeremy's brain

1038

00:44:55,870 --> 00:44:54,080

today thank everybody I'm Emmett Joe and

1039

00:44:57,550 --> 00:44:55,880

we are the you fo0
