

EXCLUSIVE!
INTERVIEW

1
00:00:01,010 --> 00:00:26,589

[Music]

2
00:00:31,070 --> 00:00:29,660

laughing for that mojo hey what's up

3
00:00:35,959 --> 00:00:31,080

everybody I'm Emmett's

4
00:00:39,139 --> 00:00:35,969

I'm Joe and we are the UFO Bros and

5
00:00:40,639 --> 00:00:39,149

again we are at the facility boys at the

6
00:00:42,440 --> 00:00:40,649

facility yes and for those of you who

7
00:00:44,150 --> 00:00:42,450

are not familiar with the facility you

8
00:00:46,670 --> 00:00:44,160

may have just heard a rooster crow

9
00:00:48,799 --> 00:00:46,680

that's pretty telling

10
00:00:52,610 --> 00:00:48,809

but also we are under 24-hour

11
00:00:54,500 --> 00:00:52,620

surveillance security and you know we

12
00:00:58,549 --> 00:00:54,510

like to do our thing we like to come out

13
00:01:01,880 --> 00:00:58,559

and bring out the best we can in ufology

14

00:01:05,420 --> 00:01:01,890

the newest the best the most interesting

15

00:01:07,370 --> 00:01:05,430

the greatest story so today you're able

16

00:01:08,960 --> 00:01:07,380

to tell them what and the greatest

17

00:01:11,810 --> 00:01:08,970

people to tell them I know except for

18

00:01:13,100 --> 00:01:11,820

you what's going on with your voice you

19

00:01:19,490 --> 00:01:13,110

sound like a drag queen

20

00:01:25,300 --> 00:01:19,500

oh that's bad I just woke up 10 ahead

21

00:01:28,550 --> 00:01:25,310

has it gone honey we just woke up well

22

00:01:33,830 --> 00:01:28,560

we just we woke up for a good reason

23

00:01:38,230 --> 00:01:33,840

um if you plan on using that sound board

24

00:01:44,990 --> 00:01:38,240

then you better take it easy Joe oh yeah

25

00:01:46,940 --> 00:01:45,000

okay good well so we chatted with German

26
00:01:49,550 --> 00:01:46,950
Korbel on the last show that was so much

27
00:01:51,410 --> 00:01:49,560
fun it was and I think we're kind of

28
00:01:53,510 --> 00:01:51,420
getting into this awesome place where

29
00:01:55,010 --> 00:01:53,520
maybe we're gonna get other intelligent

30
00:01:57,770 --> 00:01:55,020
people on the show to talk with us

31
00:02:02,300 --> 00:01:57,780
that'd be great and we got another one

32
00:02:03,910 --> 00:02:02,310
today yes the amazing james gilliland

33
00:02:06,490 --> 00:02:03,920
and i hope i'm

34
00:02:08,889 --> 00:02:06,500
saying that correctly um and if not you

35
00:02:11,680 --> 00:02:08,899
know we'll have him make sure to correct

36
00:02:13,420 --> 00:02:11,690
us he's already on hold Joe he's

37
00:02:16,479 --> 00:02:13,430
listening to all your farts and

38
00:02:18,280 --> 00:02:16,489

everything yeah it's exciting so for

39

00:02:23,830 --> 00:02:18,290

anybody that's listening now we are the

40

00:02:28,360 --> 00:02:23,840

UFO Bros and we cover the unexpected in

41

00:02:31,600 --> 00:02:28,370

the most unexpected way we like to talk

42

00:02:33,520 --> 00:02:31,610

to people we like to go to wherever

43

00:02:37,509 --> 00:02:33,530

there has been a UFO sighting wherever

44

00:02:44,620 --> 00:02:37,519

there's been a UFO crash and so that is

45

00:02:46,420 --> 00:02:44,630

a song that's being played so yeah that

46

00:02:48,340 --> 00:02:46,430

was interesting did you hear that yeah

47

00:02:52,509 --> 00:02:48,350

it's pretty cool I don't know what that

48

00:02:55,300 --> 00:02:52,519

was but we'll get back to that any hope

49

00:02:57,100 --> 00:02:55,310

this is part of our preparation for

50

00:02:58,630 --> 00:02:57,110

contact in the desert

51

00:03:00,430 --> 00:02:58,640

yes let's mix wait if you're going

52

00:03:02,740 --> 00:03:00,440

consignment you're going to come say

53

00:03:05,410 --> 00:03:02,750

hello go say hello to us come hang out

54

00:03:07,240 --> 00:03:05,420

ask questions we have no idea we're

55

00:03:08,229 --> 00:03:07,250

doing but we'll answer every question we

56

00:03:11,140 --> 00:03:08,239

possibly can

57

00:03:13,750 --> 00:03:11,150

right or wrong I mean take as an example

58

00:03:15,670 --> 00:03:13,760

Joe our number one review for the

59

00:03:18,490 --> 00:03:15,680

unacknowledged fan that was much that's

60

00:03:21,340 --> 00:03:18,500

going so well on YouTube right now not

61

00:03:26,039 --> 00:03:21,350

really know somebody today tell us that

62

00:03:31,569 --> 00:03:26,049

we caused them to lose brain cells well

63

00:03:36,300 --> 00:03:31,579

that can happen with Joe oh geez but

64

00:03:40,210 --> 00:03:36,310

we're talking about awesome unexplained

65

00:03:43,390 --> 00:03:40,220

phenomenon and for that reason we're

66

00:03:45,400 --> 00:03:43,400

gonna bring james gilliland on here to

67

00:03:48,699 --> 00:03:45,410

mom let's bring him on so what I'm gonna

68

00:03:50,979 --> 00:03:48,709

do now is I'm gonna bring the music down

69

00:03:52,809 --> 00:03:50,989

and of course just like we normally do

70

00:03:57,490 --> 00:03:52,819

we're gonna start with a big round of

71

00:04:00,009 --> 00:03:57,500

applause James sir are you there I'm

72

00:04:03,160 --> 00:04:00,019

here all right so good to meet you thank

73

00:04:06,699 --> 00:04:03,170

you so much for being on the show well

74

00:04:10,860 --> 00:04:06,709

it's good to be on yes and just so

75

00:04:12,830 --> 00:04:10,870

everybody knows James lives in the most

76

00:04:15,350 --> 00:04:12,840

interesting

77

00:04:17,330 --> 00:04:15,360

place and so we never know what kind of

78

00:04:19,909 --> 00:04:17,340

connection we're going to get isn't that

79

00:04:22,280 --> 00:04:19,919

right James yeah it's pretty crazy here

80

00:04:24,409 --> 00:04:22,290

it says I hope the scope the eyes hope

81

00:04:26,930 --> 00:04:24,419

the Skype handles things because it's

82

00:04:28,370 --> 00:04:26,940

been dropping but we've got a direct

83

00:04:30,409 --> 00:04:28,380

line we don't have any we shouldn't have

84

00:04:32,290 --> 00:04:30,419

any problems but we have all kinds of

85

00:04:35,000 --> 00:04:32,300

weird anomalies here you know batteries

86

00:04:37,250 --> 00:04:35,010

mysteriously going dead and then

87

00:04:39,909 --> 00:04:37,260

charging back up and crazy you know

88

00:04:42,650 --> 00:04:39,919

stuff with the cars the vehicles as well

89

00:04:43,820 --> 00:04:42,660

Wow if you know what I think would be

90

00:04:49,370 --> 00:04:43,830

awesome

91

00:04:55,070 --> 00:04:49,380

if you would give us a snapshot of ESET

92

00:04:56,570 --> 00:04:55,080

e and what you're able to see on on your

93

00:04:59,590 --> 00:04:56,580

property and where you live I think a

94

00:05:04,000 --> 00:04:59,600

lot of people would love to hear about

95

00:05:07,240 --> 00:05:04,010

these I mean you have taped it's like

96

00:05:10,219 --> 00:05:07,250

thousands if I remember correctly of

97

00:05:13,100 --> 00:05:10,229

unidentified objects like right in your

98

00:05:16,370 --> 00:05:13,110

backyard yeah yeah we're right at the

99

00:05:19,340 --> 00:05:16,380

base of Mount Adams which is looks much

100

00:05:21,170 --> 00:05:19,350

like Shasta and it's a 70 acre ranch

101

00:05:23,390 --> 00:05:21,180

Emory we're actually living right on a

102

00:05:25,279 --> 00:05:23,400

vortex and there's other vortexes here

103

00:05:29,779 --> 00:05:25,289

as well the mountain itself is a vortex

104

00:05:31,670 --> 00:05:29,789

and it's a place where people come you

105

00:05:34,070 --> 00:05:31,680

know the awakening healing process is

106

00:05:37,460 --> 00:05:34,080

extremely accelerated the veils between

107

00:05:39,740 --> 00:05:37,470

worlds are very thin here and it's a

108

00:05:42,710 --> 00:05:39,750

place where a lot of incredible events

109

00:05:44,360 --> 00:05:42,720

keep unfolding one day after another if

110

00:05:46,400 --> 00:05:44,370

it's it's not you know if we don't have

111

00:05:47,960 --> 00:05:46,410

people getting photographs of masters

112

00:05:50,000 --> 00:05:47,970

appearing here they're getting

113

00:05:52,580 --> 00:05:50,010

photographs and video of huge light

114

00:05:56,570 --> 00:05:52,590

ships and and just yesterday we had a

115

00:05:59,270 --> 00:05:56,580

black helicopter come over and right

116

00:06:01,129 --> 00:05:59,280

over the house and and one of the people

117

00:06:04,159 --> 00:06:01,139

here grabbed his iPhone and filmed it

118

00:06:06,860 --> 00:06:04,169

and he petted on the 4k setting and so

119

00:06:09,050 --> 00:06:06,870

he got a UFO the helicopter is actually

120

00:06:11,300 --> 00:06:09,060

chasing this UFO and the UFO just goes

121

00:06:13,129 --> 00:06:11,310

zipping right past it you know turns

122

00:06:16,070 --> 00:06:13,139

around it comes right right past it so

123

00:06:19,420 --> 00:06:16,080

we've got well black helicopter but it's

124

00:06:21,890 --> 00:06:19,430

getting really active here it seems like

125

00:06:23,600 --> 00:06:21,900

you know the military is taking a huge

126

00:06:25,610 --> 00:06:23,610

interest now in this place and which

127

00:06:26,090 --> 00:06:25,620

they always have but now they're like in

128

00:06:28,970 --> 00:06:26,100

our face

129

00:06:30,950 --> 00:06:28,980

so with it I you know what I was

130

00:06:34,070 --> 00:06:30,960

speaking with um Ashley I don't know if

131

00:06:36,230 --> 00:06:34,080

she's sisten or whoever yesterday she

132

00:06:41,120 --> 00:06:36,240

was telling me that that copters like

133

00:06:43,490 --> 00:06:41,130

actually shook the buildings yeah yeah

134

00:06:46,130 --> 00:06:43,500

they came over yeah they come over

135

00:06:48,650 --> 00:06:46,140

sometimes about you know between 11 and

136

00:06:52,490 --> 00:06:48,660

12 sometimes and the whole building is

137

00:06:53,780 --> 00:06:52,500

just shaking and and you know they'll do

138

00:06:55,070 --> 00:06:53,790

it's like a little and they've been

139

00:06:57,260 --> 00:06:55,080

doing this for you know I've been here

140

00:07:00,050 --> 00:06:57,270

for 30 years and so the past 15 years

141

00:07:02,000 --> 00:07:00,060

they've been pretty active and and you

142

00:07:04,850 --> 00:07:02,010

know playing games but you know I think

143

00:07:06,950 --> 00:07:04,860

I think it's the they're coming to the

144

00:07:08,690 --> 00:07:06,960

end you know of their rope here the dark

145

00:07:09,380 --> 00:07:08,700

hearts and the deep state and all that

146

00:07:11,630 --> 00:07:09,390

nonsense

147

00:07:14,090 --> 00:07:11,640

all the hidden stuff is being exposed

148

00:07:15,380 --> 00:07:14,100

now and so they're they're on their last

149

00:07:17,780 --> 00:07:15,390

legs they're just doing their last

150

00:07:21,280 --> 00:07:17,790

little bit you know to try to suppress

151

00:07:24,830 --> 00:07:21,290

things interesting so just more kind of

152

00:07:28,190 --> 00:07:24,840

what do they call it psychological you

153

00:07:32,150 --> 00:07:28,200

know your based uh we're gonna buzz your

154

00:07:33,590 --> 00:07:32,160

house with our copters getting exactly

155

00:07:35,360 --> 00:07:33,600

and what we do is we run out and film

156

00:07:37,700 --> 00:07:35,370

them and put it on YouTube and they hate

157

00:07:39,110 --> 00:07:37,710

they hate that because they're they

158

00:07:41,210 --> 00:07:39,120

don't exist you know the black

159

00:07:43,460 --> 00:07:41,220

helicopters supposedly don't exist and

160

00:07:45,230 --> 00:07:43,470

so we go out and film it and throw it up

161

00:07:46,790 --> 00:07:45,240

on YouTube and we'll probably throw this

162

00:07:48,530 --> 00:07:46,800

one we'll put it on the East Eddie

163

00:07:50,600 --> 00:07:48,540

Stargate the official channel we'll

164

00:07:53,660 --> 00:07:50,610

throw this one up or where we got the

165

00:07:57,530 --> 00:07:53,670

UFO just totally buzz in the helicopter

166

00:07:59,450 --> 00:07:57,540

and a few years ago we had one a UFO and

167

00:08:02,270 --> 00:07:59,460

this this big look like a Huey it's a

168

00:08:04,070 --> 00:08:02,280

big double a helicopter came and was

169

00:08:06,950 --> 00:08:04,080

chasing the UFO and the UFO would just

170

00:08:10,370 --> 00:08:06,960

blink out dad it would appear behind it

171

00:08:11,960 --> 00:08:10,380

again and helicopter big long turn and

172

00:08:14,150 --> 00:08:11,970

turn around and it would blink out and

173

00:08:16,280 --> 00:08:14,160

fear behind it again and that went on

174

00:08:19,070 --> 00:08:16,290

for like and you know probably half an

175

00:08:21,080 --> 00:08:19,080

hour it was unbelievable and it was just

176

00:08:23,930 --> 00:08:21,090

it was ridiculous they're just showing

177

00:08:25,430 --> 00:08:23,940

them how out-out-out gunned it out man

178

00:08:27,410 --> 00:08:25,440

they are you know they're their

179

00:08:28,900 --> 00:08:27,420

technology is so far beyond the stuff

180

00:08:33,909 --> 00:08:28,910

that we've got up there

181

00:08:35,870 --> 00:08:33,919

so you've seen I know of just

182

00:08:38,510 --> 00:08:35,880

uncountable

183

00:08:40,159 --> 00:08:38,520

phenomenon I want to ask you and I know

184

00:08:42,380 --> 00:08:40,169

Joe and I were talking about this is

185

00:08:45,650 --> 00:08:42,390

there anything in particular that stands

186

00:08:47,030 --> 00:08:45,660

out to you and you know maybe it could

187

00:08:49,100 --> 00:08:47,040

be over the course of the last thirty

188

00:08:52,520 --> 00:08:49,110

years or even recently where you were

189

00:08:54,920 --> 00:08:52,530

like now if I could just have everybody

190

00:08:58,100 --> 00:08:54,930

in the world see exactly this right now

191

00:08:59,930 --> 00:08:58,110

just gonna say that no yeah have you had

192

00:09:02,180 --> 00:08:59,940

any instances like that that you can

193

00:09:04,880 --> 00:09:02,190

recall I mean they're all pretty amazing

194

00:09:06,560 --> 00:09:04,890

but yeah any in ticular well I've been

195

00:09:08,000 --> 00:09:06,570

taking on the ships and things like that

196

00:09:09,620 --> 00:09:08,010

but the problem is you can't take a

197

00:09:11,960 --> 00:09:09,630

camera with you I don't think they work

198

00:09:14,270 --> 00:09:11,970

you know in in there to in their

199

00:09:16,430 --> 00:09:14,280

dimension you might say but you magical

200

00:09:19,880 --> 00:09:16,440

thing yeah from physical you know

201

00:09:21,650 --> 00:09:19,890

physical face to face contact - taking

202

00:09:23,420 --> 00:09:21,660

out a body up on the ships and seeing

203

00:09:26,090 --> 00:09:23,430

the higher-dimensional ships and what

204

00:09:28,190 --> 00:09:26,100

they're all about and and and they've

205

00:09:30,140 --> 00:09:28,200

explained to me you know there's a war

206

00:09:32,330 --> 00:09:30,150

going on and people have a hard time

207

00:09:35,390 --> 00:09:32,340

understanding that but there's a like a

208

00:09:37,790 --> 00:09:35,400

transdimensional war going on and a lot

209

00:09:40,040 --> 00:09:37,800

of it has been cleaned up in the rest of

210

00:09:43,010 --> 00:09:40,050

the of the galaxies in this universe and

211

00:09:45,050 --> 00:09:43,020

now they're this is the last holdout you

212

00:09:47,150 --> 00:09:45,060

might say you know we're this little

213

00:09:49,070 --> 00:09:47,160

planet in the outermost corner of the

214

00:09:52,060 --> 00:09:49,080

Milky Way and and it's just kind of been

215

00:09:54,410 --> 00:09:52,070

left alone and and there's been a lot of

216

00:09:57,380 --> 00:09:54,420

manipulation going on here you know some

217

00:09:59,180 --> 00:09:57,390

good and some not so good and so they're

218

00:10:00,500 --> 00:09:59,190

finally coming in to clean that up and

219

00:10:02,630 --> 00:10:00,510

straight you know there's a lot of karma

220

00:10:05,320 --> 00:10:02,640

involved in in what's been happening

221

00:10:09,170 --> 00:10:05,330

here on the earth over the millenniums

222

00:10:13,820 --> 00:10:09,180

Wow I gotta ask you man you said you

223

00:10:16,100 --> 00:10:13,830

went on a ship and can you give us like

224

00:10:18,860 --> 00:10:16,110

a little understanding of what it looked

225

00:10:21,620 --> 00:10:18,870

like on the ship or were there colors or

226

00:10:25,220 --> 00:10:21,630

you know what what would one expect to

227

00:10:28,070 --> 00:10:25,230

see maybe if they were on a ship well

228

00:10:30,070 --> 00:10:28,080

some ships are are pretty bland you know

229

00:10:32,270 --> 00:10:30,080

there's not much to them because

230

00:10:34,670 --> 00:10:32,280

everything is kind of hidden and they

231

00:10:37,940 --> 00:10:34,680

have screens for windows and it's it all

232

00:10:39,980 --> 00:10:37,950

works telepathically everything is going

233

00:10:42,290 --> 00:10:39,990

to control pill telepathically by the

234

00:10:43,970 --> 00:10:42,300

pilot so you don't see a lot of knobs

235

00:10:45,910 --> 00:10:43,980

and all these other things go on and

236

00:10:48,489 --> 00:10:45,920

usually have three seats in them

237

00:10:50,650 --> 00:10:48,499

and they're not that big and they're

238

00:10:52,629 --> 00:10:50,660

pretty simple on the inside but whatever

239

00:10:56,379 --> 00:10:52,639

you need you know comes on when you need

240

00:10:58,449 --> 00:10:56,389

it pretty basic and then the other ships

241

00:11:01,900 --> 00:10:58,459

there are everything from extreme

242

00:11:03,280 --> 00:11:01,910

technology and monitoring systems on the

243

00:11:06,220 --> 00:11:03,290

I mean they're monitoring the entire

244

00:11:08,109 --> 00:11:06,230

earth and and they have other other

245

00:11:11,679 --> 00:11:08,119

things that are more organic ships that

246

00:11:14,019 --> 00:11:11,689

are like flying zoos you might say or or

247

00:11:16,090 --> 00:11:14,029

you know Botanical Gardens and things

248

00:11:18,009 --> 00:11:16,100

like that so there's there's all kinds

249

00:11:20,829 --> 00:11:18,019

of different ships up there and and some

250

00:11:22,299 --> 00:11:20,839

are as big as planets I mean there's one

251

00:11:24,460 --> 00:11:22,309

ship that's been sitting in front of the

252

00:11:27,909 --> 00:11:24,470

Sun and every time a kill shot comes at

253

00:11:30,069 --> 00:11:27,919

the Earth it blocks it so so they've

254

00:11:31,389 --> 00:11:30,079

kept us going or we'd be back in the

255

00:11:33,129 --> 00:11:31,399

Dark Ages and we'd be back at

256

00:11:37,780 --> 00:11:33,139

horse-and-buggy stage if it wasn't for

257

00:11:40,989 --> 00:11:37,790

them Wow and do you know is there a name

258

00:11:43,239 --> 00:11:40,999

to these that you've interacted with or

259

00:11:46,179 --> 00:11:43,249

you know were they from or do you have

260

00:11:48,429 --> 00:11:46,189

any that kind of information it's kind

261

00:11:50,889 --> 00:11:48,439

of it's almost not where but when

262

00:11:53,169 --> 00:11:50,899

they're from to as well because you know

263

00:11:54,729 --> 00:11:53,179

these guys have time-travel capabilities

264

00:11:56,799 --> 00:11:54,739

and they're also from different

265

00:11:58,900 --> 00:11:56,809

dimensions and so you could be talking

266

00:12:00,759 --> 00:11:58,910

to a palladium that's coming forward in

267

00:12:03,069 --> 00:12:00,769

time you know from way back you know

268

00:12:05,019 --> 00:12:03,079

we've got platings coming to million

269

00:12:07,629 --> 00:12:05,029

years from in our future that are coming

270

00:12:09,039 --> 00:12:07,639

back to help us now and you know they're

271

00:12:10,299 --> 00:12:09,049

like three four hundred years old and

272

00:12:12,939 --> 00:12:10,309

they look like they're about twenty five

273

00:12:16,119 --> 00:12:12,949

you know things like that but we have a

274

00:12:17,799 --> 00:12:16,129

there's you know mainly the main ones

275

00:12:19,179 --> 00:12:17,809

that are here there's a Narayan counts

276

00:12:20,979 --> 00:12:19,189

of light and they went through the

277

00:12:22,419 --> 00:12:20,989

reptilian wars and all that stuff in

278

00:12:24,970 --> 00:12:22,429

their system and so they're coming here

279

00:12:26,739 --> 00:12:24,980

to help liberate the earth but you've

280

00:12:29,889 --> 00:12:26,749

got the Palladian Zeron accounts of

281

00:12:30,939 --> 00:12:29,899

light the syrians which your feline

282

00:12:32,559 --> 00:12:30,949

beans

283

00:12:34,119 --> 00:12:32,569

most of them are feline beings there are

284

00:12:37,150 --> 00:12:34,129

other beans there in the Sirius system

285

00:12:39,340 --> 00:12:37,160

too as well and then you've got then

286

00:12:42,249 --> 00:12:39,350

drama dance which some of those are

287

00:12:44,379 --> 00:12:42,259

mythological known as Archangels because

288

00:12:47,069 --> 00:12:44,389

they have they have magnetized light

289

00:12:49,389 --> 00:12:47,079

bodies and huge light ships and they

290

00:12:51,879 --> 00:12:49,399

what's interesting is that they have

291

00:12:53,679 --> 00:12:51,889

these huge bands of energy that come out

292

00:12:56,169 --> 00:12:53,689

from behind them that swirl around it

293

00:12:58,869 --> 00:12:56,179

and when they when you see them coming

294

00:12:59,210 --> 00:12:58,879

to you that the energy feathers back and

295

00:13:01,100 --> 00:12:59,220

it looks

296

00:13:03,829 --> 00:13:01,110

like wings but they're not really wings

297

00:13:05,449 --> 00:13:03,839

there it's an energy hmm that come comes

298

00:13:08,509 --> 00:13:05,459

from them like a light light body

299

00:13:10,189 --> 00:13:08,519

they're like a they kind of look like

300

00:13:11,780 --> 00:13:10,199

wings but they're not you know it's just

301
00:13:13,999 --> 00:13:11,790
pure energy because you know it's like

302
00:13:16,759 --> 00:13:14,009
kind of old garb to be flapping big

303
00:13:18,800 --> 00:13:16,769
wings around you know we don't do that

304
00:13:20,150 --> 00:13:18,810
yeah you can appear anywhere instantly

305
00:13:22,490 --> 00:13:20,160
what do you need to you know it'd be

306
00:13:25,059 --> 00:13:22,500
flapping your wings for NASA why to give

307
00:13:29,660 --> 00:13:25,069
up my wings a long time ago in my halo

308
00:13:35,119 --> 00:13:29,670
yeah but you know I understand I got to

309
00:13:38,090 --> 00:13:35,129
ask you this um so I just think it's

310
00:13:40,400 --> 00:13:38,100
I've never really had the opportunity I

311
00:13:42,340 --> 00:13:40,410
don't know if Joe has to tell somebody

312
00:13:44,210 --> 00:13:42,350
who's actually met beings

313
00:13:47,119 --> 00:13:44,220

interdimensional from another dimension

314

00:13:49,220 --> 00:13:47,129

or another star system and this is and

315

00:13:51,679 --> 00:13:49,230

maybe for you this is like everyday you

316

00:13:54,710 --> 00:13:51,689

know well you know I was seeing that and

317

00:13:57,980 --> 00:13:54,720

for us we're like dying for a paranormal

318

00:14:01,189 --> 00:13:57,990

event yeah yeah we yeah we would love to

319

00:14:03,740 --> 00:14:01,199

have something something like we would

320

00:14:05,090 --> 00:14:03,750

love to see a ship or we would love well

321

00:14:05,900 --> 00:14:05,100

we don't know if we want to see a being

322

00:14:10,160 --> 00:14:05,910

right Joe

323

00:14:12,860 --> 00:14:10,170

we're not oh I'm ready yeah maybe uh can

324

00:14:14,030 --> 00:14:12,870

you give us some advice seriously how we

325

00:14:15,699 --> 00:14:14,040

talked about with you on all of our

326

00:14:17,840 --> 00:14:15,709

shows we're like we want to have a

327

00:14:19,610 --> 00:14:17,850

paranormal experience and how do we

328

00:14:21,769 --> 00:14:19,620

approach him how would we go up to

329

00:14:24,889 --> 00:14:21,779

approach them or and they telepathically

330

00:14:26,299 --> 00:14:24,899

talk to us or yeah we want to like can

331

00:14:27,769 --> 00:14:26,309

you give us some advice on what week

332

00:14:29,420 --> 00:14:27,779

because we're going to contact in the

333

00:14:34,280 --> 00:14:29,430

desert of course we're gonna stay there

334

00:14:38,210 --> 00:14:34,290

yeah and what do we got to do to see

335

00:14:41,689 --> 00:14:38,220

something um that would just confirm our

336

00:14:43,519 --> 00:14:41,699

thoughts Jimmy yeah they basically it's

337

00:14:45,170 --> 00:14:43,529

real important to realize we have an old

338

00:14:46,670 --> 00:14:45,180

saying just because you're dead doesn't

339

00:14:48,610 --> 00:14:46,680

mean you're enlightened you know just

340

00:14:52,400 --> 00:14:48,620

because you're an et doesn't mean you're

341

00:14:54,019 --> 00:14:52,410

benevolent so it's a very good idea to

342

00:14:55,970 --> 00:14:54,029

learn how to heal you know unseen

343

00:14:57,920 --> 00:14:55,980

negative influences and you know

344

00:15:00,170 --> 00:14:57,930

maintain your own self authority and use

345

00:15:01,369 --> 00:15:00,180

discernment you know when working with

346

00:15:02,840 --> 00:15:01,379

these different beings because some of

347

00:15:04,579 --> 00:15:02,850

them aren't in our highest and best good

348

00:15:07,850 --> 00:15:04,589

you know you've got some reptilians and

349

00:15:09,949 --> 00:15:07,860

grays and and serpent beings and things

350

00:15:12,519 --> 00:15:09,959

like that that come in and fakir spirits

351

00:15:16,019 --> 00:15:12,529

they'll come in and say I'm Jesus or

352

00:15:18,610 --> 00:15:16,029

and and so you got to use some you know

353

00:15:20,860 --> 00:15:18,620

discernment and and develop your own

354

00:15:22,540 --> 00:15:20,870

inner sensitivity but that's what we

355

00:15:24,189 --> 00:15:22,550

teach here we teach people how to use

356

00:15:26,650 --> 00:15:24,199

discernment and how to stand your ground

357

00:15:28,840 --> 00:15:26,660

and how to remove you know unseen

358

00:15:31,059 --> 00:15:28,850

negative influences but that's one of

359

00:15:33,220 --> 00:15:31,069

the first things but the main thing is

360

00:15:35,799 --> 00:15:33,230

the mind in which you seek is the mind

361

00:15:38,350 --> 00:15:35,809

in which you connect and so if you have

362

00:15:40,150 --> 00:15:38,360

a lot of fear or anger or you know

363

00:15:43,389 --> 00:15:40,160

religious programming and things like

364

00:15:46,059 --> 00:15:43,399

that that's going to create that reality

365

00:15:48,759 --> 00:15:46,069

it's going to create your reality so so

366

00:15:50,290 --> 00:15:48,769

the main thing to do is focus on you

367

00:15:52,749 --> 00:15:50,300

know love and joy and bliss in the

368

00:15:55,090 --> 00:15:52,759

higher frequencies and put your intent

369

00:15:58,030 --> 00:15:55,100

out that you want to have a benevolent

370

00:16:00,040 --> 00:15:58,040

contact and you know you want something

371

00:16:02,949 --> 00:16:00,050

that's going to be beneficial to you and

372

00:16:05,650 --> 00:16:02,959

the planet and then set the intent that

373

00:16:07,600 --> 00:16:05,660

way and then go for the contact because

374

00:16:09,759 --> 00:16:07,610

there's a lot of people just say oh just

375

00:16:12,540 --> 00:16:09,769

open wide you know let anything come in

376

00:16:14,499 --> 00:16:12,550

yes and that's that's very irresponsible

377

00:16:16,869 --> 00:16:14,509

you know to do that

378

00:16:19,269 --> 00:16:16,879

so yeah that's interesting because I

379

00:16:24,910 --> 00:16:19,279

know Greer dr. Greer says that they're

380

00:16:27,069 --> 00:16:24,920

all all the aliens are P Evelyn exactly

381

00:16:30,730 --> 00:16:27,079

yeah and I think you know if you're

382

00:16:33,189 --> 00:16:30,740

calling out there into the ether you

383

00:16:35,110 --> 00:16:33,199

can't just expect it all to be good I

384

00:16:37,780 --> 00:16:35,120

guess let's see we want to have an

385

00:16:39,220 --> 00:16:37,790

amazing awesome experience we don't to

386

00:16:40,990 --> 00:16:39,230

be terrified have you ever been

387

00:16:44,139 --> 00:16:41,000

terrified yourself have you ever met a

388

00:16:46,629 --> 00:16:44,149

being and went oh my gosh this is you

389

00:16:49,840 --> 00:16:46,639

know do like I mean or maybe even early

390

00:16:52,540 --> 00:16:49,850

on well you know yeah when I was younger

391

00:16:54,129 --> 00:16:52,550

I ran into I mean I had a battle with a

392

00:16:56,619 --> 00:16:54,139

being once and tried to take over my

393

00:16:59,019 --> 00:16:56,629

body and it it wasn't fun and it lasted

394

00:17:01,179 --> 00:16:59,029

most night into the wee hours in the

395

00:17:04,029 --> 00:17:01,189

morning and finally got rid of it

396

00:17:07,620 --> 00:17:04,039

but it was an initiation you know as

397

00:17:11,049 --> 00:17:07,630

part of my my own growth and you know

398

00:17:13,029 --> 00:17:11,059

process but yeah I've had some

399

00:17:14,919 --> 00:17:13,039

experiences I've had reptilians show up

400

00:17:18,279 --> 00:17:14,929

right in front of me in greys and things

401
00:17:20,199 --> 00:17:18,289
like that and but you know I they just

402
00:17:22,600 --> 00:17:20,209
made me stronger I just learned how to

403
00:17:24,250 --> 00:17:22,610
get on top of them you know and the more

404
00:17:26,730 --> 00:17:24,260
I learned the more I was challenged

405
00:17:28,650 --> 00:17:26,740
which was interesting and then

406
00:17:30,660 --> 00:17:28,660
I got on top of some of the deepest

407
00:17:34,350 --> 00:17:30,670
darkest ones and so now it's not really

408
00:17:37,200 --> 00:17:34,360
a problem anymore so you so the Grays

409
00:17:40,530 --> 00:17:37,210
are not our friends is that what you're

410
00:17:43,250 --> 00:17:40,540
saying well you know it's not to make a

411
00:17:46,620 --> 00:17:43,260
pun but it's a real gray area

412
00:17:48,150 --> 00:17:46,630
it depends on who's who's operating them

413
00:17:51,660 --> 00:17:48,160

and who's working with him the tall

414

00:17:53,970 --> 00:17:51,670

greys can be really nasty there are some

415

00:17:56,010 --> 00:17:53,980

other grades they're just little robots

416

00:17:58,410 --> 00:17:56,020

they're little biological robots and

417

00:18:00,570 --> 00:17:58,420

they're there performing certain tasks

418

00:18:03,210 --> 00:18:00,580

down here and some are benevolent and

419

00:18:06,600 --> 00:18:03,220

some are being performed by other you

420

00:18:08,130 --> 00:18:06,610

know self-serving entities so but you

421

00:18:10,020 --> 00:18:08,140

know it's better to connect with the

422

00:18:12,000 --> 00:18:10,030

ones that are more human you might say

423

00:18:14,460 --> 00:18:12,010

and more that have that love frequency

424

00:18:16,680 --> 00:18:14,470

or right now they're very spiritually

425

00:18:18,690 --> 00:18:16,690

and technologically advanced that's

426

00:18:20,640 --> 00:18:18,700

where you want to go well it seems as

427

00:18:24,780 --> 00:18:20,650

though like your organization II said II

428

00:18:27,870 --> 00:18:24,790

is it's more than just UFO sightseeing

429

00:18:31,110 --> 00:18:27,880

but about making meaningful conscious

430

00:18:33,810 --> 00:18:31,120

contact with that sound about right to

431

00:18:35,970 --> 00:18:33,820

you exactly you know there for them to

432

00:18:37,440 --> 00:18:35,980

contact you then there needs to be some

433

00:18:39,990 --> 00:18:37,450

purposeful good behind it you know

434

00:18:42,900 --> 00:18:40,000

they're very busy in what they're doing

435

00:18:44,940 --> 00:18:42,910

but if we're going forward and cleaning

436

00:18:47,250 --> 00:18:44,950

up our own consciousness and you know

437

00:18:48,540 --> 00:18:47,260

expanding our consciousness you know

438

00:18:50,610 --> 00:18:48,550

you're going to find them along the way

439

00:18:53,340 --> 00:18:50,620

and and once you reach a certain

440

00:18:55,680 --> 00:18:53,350

frequency or vibration you know they'll

441

00:18:58,650 --> 00:18:55,690

find you basically so the more we work

442

00:19:01,050 --> 00:18:58,660

on you know rising our own consciousness

443

00:19:03,360 --> 00:19:01,060

and cleaning up our own past you know

444

00:19:05,160 --> 00:19:03,370

all the wounds and traumas and wrong

445

00:19:06,870 --> 00:19:05,170

conclusions from past experience even

446

00:19:10,110 --> 00:19:06,880

past life stuff the more we clear that

447

00:19:12,000 --> 00:19:10,120

up the more we rise in frequency and and

448

00:19:13,320 --> 00:19:12,010

the more you rise in frequency pretty

449

00:19:15,660 --> 00:19:13,330

soon you just you're putting a beacon

450

00:19:16,710 --> 00:19:15,670

out and they go that guy's ready you

451

00:19:19,380 --> 00:19:16,720

know they'll come see ya

452

00:19:22,170 --> 00:19:19,390

so then you must be like a 100 watt

453

00:19:25,800 --> 00:19:22,180

light bulb in a room full of 65 watt

454

00:19:29,520 --> 00:19:25,810

light bulb and that gave man if you've

455

00:19:31,110 --> 00:19:29,530

got I mean I would love to be or maybe I

456

00:19:34,140 --> 00:19:31,120

wouldn't I don't know maybe be terrified

457

00:19:37,310 --> 00:19:34,150

Joe and I should come out to the ranch

458

00:19:40,039 --> 00:19:37,320

sometime and see if we can be a part of

459

00:19:42,230 --> 00:19:40,049

um some kind of amazing experience

460

00:19:44,240 --> 00:19:42,240

because I'm D'Arnot Joe I want it to

461

00:19:45,769 --> 00:19:44,250

happen maybe on our terms of course

462

00:19:47,720 --> 00:19:45,779

nothing crazy we have you adapted and

463

00:19:49,399 --> 00:19:47,730

probed or anything like that but exactly

464

00:19:51,529 --> 00:19:49,409

yeah that's all you're drinking and I

465

00:19:55,249 --> 00:19:51,539

just want you haven't been probed right

466

00:19:56,450 --> 00:19:55,259

Gina okay so see like I told you we

467

00:19:59,090 --> 00:19:56,460

don't worry about that it's not a real

468

00:20:01,399 --> 00:19:59,100

thing I never asked about it I know but

469

00:20:03,129 --> 00:20:01,409

it sounds funny you see um oh they do

470

00:20:04,249 --> 00:20:03,139

they actually they do they do a lot of

471

00:20:07,490 --> 00:20:04,259

experimentations

472

00:20:09,710 --> 00:20:07,500

and that the greys are mainly behind

473

00:20:11,629 --> 00:20:09,720

that and some chili and stuff and they

474

00:20:14,450 --> 00:20:11,639

do they have been doing a lot of

475

00:20:15,950 --> 00:20:14,460

experimentation and that's aligned with

476
00:20:18,560 --> 00:20:15,960
the government as well you know the

477
00:20:20,269 --> 00:20:18,570
black projects but you can't avoid that

478
00:20:22,009 --> 00:20:20,279
by cooking up with the benevolent ones

479
00:20:25,190 --> 00:20:22,019
and you know asking them for help and

480
00:20:28,369 --> 00:20:25,200
then that that takes care of that see we

481
00:20:31,009 --> 00:20:28,379
got a lot to learn we do I want to know

482
00:20:34,159 --> 00:20:31,019
more about why they Pro buttholes like

483
00:20:35,690 --> 00:20:34,169
what's the deal with that yeah that's a

484
00:20:38,810 --> 00:20:35,700
good question you know what is there to

485
00:20:41,600 --> 00:20:38,820
find in there I think I think a lot of

486
00:20:43,820 --> 00:20:41,610
that is monitoring you know they're just

487
00:20:46,549 --> 00:20:43,830
monitoring our whole diet or dietary

488
00:20:49,009 --> 00:20:46,559

what's going through you know the toxins

489

00:20:50,869 --> 00:20:49,019

and things like that they're there you

490

00:20:53,330 --> 00:20:50,879

know keeping it keeping it where you no

491

00:20:55,700 --> 00:20:53,340

longer I disappointed us Joe yeah when

492

00:20:57,950 --> 00:20:55,710

they grab cows you know when they grab

493

00:21:00,049 --> 00:20:57,960

cows they take their reproduction

494

00:21:02,930 --> 00:21:00,059

systems out and they go and analyze

495

00:21:04,999 --> 00:21:02,940

those because they want to see how bad

496

00:21:07,700 --> 00:21:05,009

you know the earth has been polluted how

497

00:21:10,100 --> 00:21:07,710

much radiation is infecting the DNA and

498

00:21:12,080 --> 00:21:10,110

things like that interesting that's why

499

00:21:14,779 --> 00:21:12,090

that's why they go for those parts of

500

00:21:16,580 --> 00:21:14,789

the body - just to see how much damage

501
00:21:20,450 --> 00:21:16,590
is being done on the earth that makes

502
00:21:24,740 --> 00:21:20,460
sense so now I'm going to ask you have

503
00:21:26,570 --> 00:21:24,750
these beings or as as you said there's

504
00:21:28,730 --> 00:21:26,580
obviously you know different types of

505
00:21:31,009 --> 00:21:28,740
beings how long do you know how long

506
00:21:35,090 --> 00:21:31,019
they've been around and what their

507
00:21:37,909 --> 00:21:35,100
ultimate goal and purpose for being so

508
00:21:39,820 --> 00:21:37,919
active right now is there something

509
00:21:41,749 --> 00:21:39,830
going on there we should know about

510
00:21:43,879 --> 00:21:41,759
definitely it basically they've been

511
00:21:45,830 --> 00:21:43,889
around forever and the earth has been

512
00:21:48,350 --> 00:21:45,840
colonized several times and we had to

513
00:21:50,779 --> 00:21:48,360

start over as primitives you know due to

514

00:21:51,120 --> 00:21:50,789

huge pole shifts and meteor strikes and

515

00:21:53,610 --> 00:21:51,130

things

516

00:21:57,300 --> 00:21:53,620

like that but I mean it goes back to

517

00:22:00,090 --> 00:21:57,310

past dressing Jurassic days you know all

518

00:22:01,980 --> 00:22:00,100

you know Egypt is replete with contact

519

00:22:03,750 --> 00:22:01,990

you know it's even in the Bible you know

520

00:22:05,730 --> 00:22:03,760

they talk about shiny discs coming out

521

00:22:07,620 --> 00:22:05,740

of the firmament and wheels within

522

00:22:09,720 --> 00:22:07,630

wheels with lights flashing all around

523

00:22:12,300 --> 00:22:09,730

and I can go on and on that's the key oh

524

00:22:14,190 --> 00:22:12,310

hell yeah all the Sanskrit teachings

525

00:22:15,780 --> 00:22:14,200

talk about you know the different ships

526

00:22:18,300 --> 00:22:15,790

and the different types of ships and

527

00:22:21,420 --> 00:22:18,310

who's on them so you know they've been

528

00:22:24,930 --> 00:22:21,430

around forever and that you know they do

529

00:22:26,820 --> 00:22:24,940

have kind of a hands off program that

530

00:22:28,950 --> 00:22:26,830

they've agreed to like a prime directive

531

00:22:32,280 --> 00:22:28,960

but the problem is the negative ones are

532

00:22:33,750 --> 00:22:32,290

don't honor that and and that's been one

533

00:22:35,910 --> 00:22:33,760

of the big problems here now the

534

00:22:38,970 --> 00:22:35,920

benevolent ones are here to enforce that

535

00:22:40,680 --> 00:22:38,980

and they're kicking out the the negative

536

00:22:44,630 --> 00:22:40,690

ETS are being kicked out as we speak

537

00:22:48,090 --> 00:22:44,640

there they're almost done with that Wow

538

00:22:50,550 --> 00:22:48,100

jeez sorry our dogs barking that's all

539

00:22:51,540 --> 00:22:50,560

right perfect time thank you bark right

540

00:22:55,980 --> 00:22:51,550

in the middle of our interview with

541

00:22:58,560 --> 00:22:55,990

James thanks so much yes stupid we're a

542

00:23:00,840 --> 00:22:58,570

great time man I am this argument to

543

00:23:05,430 --> 00:23:00,850

talk to you all the time I'm just trying

544

00:23:07,560 --> 00:23:05,440

to think of what would be the biggest

545

00:23:10,860 --> 00:23:07,570

takeaway from our conversation with you

546

00:23:13,230 --> 00:23:10,870

what would be obviously like I know you

547

00:23:14,790 --> 00:23:13,240

were saying consciousness is a big part

548

00:23:18,320 --> 00:23:14,800

of it in raising raising consciousness

549

00:23:20,790 --> 00:23:18,330

so to speak what what does that mean -

550

00:23:22,230 --> 00:23:20,800

let's just say the average person that's

551
00:23:24,000 --> 00:23:22,240
going to their job doing their thing

552
00:23:25,470 --> 00:23:24,010
whatever and they just for the first

553
00:23:28,040 --> 00:23:25,480
time here we need to raise our

554
00:23:30,990 --> 00:23:28,050
consciousness what does that mean yeah

555
00:23:32,550 --> 00:23:31,000
well I mean basically people are running

556
00:23:35,580 --> 00:23:32,560
around thinking their body and a

557
00:23:37,680 --> 00:23:35,590
personality and you know and they they

558
00:23:39,210 --> 00:23:37,690
go to seeing and all these other news

559
00:23:42,570 --> 00:23:39,220
things to tell them what's going on in

560
00:23:44,150 --> 00:23:42,580
the world and and it's sad because we're

561
00:23:46,860 --> 00:23:44,160
actually a multi-dimensional being

562
00:23:49,410 --> 00:23:46,870
existing on a on a vibrational continuum

563
00:23:51,630 --> 00:23:49,420

so we have a body within a body within a

564

00:23:54,240 --> 00:23:51,640

body like energy bodies and light bodies

565

00:23:57,060 --> 00:23:54,250

all the way back to the source but if we

566

00:23:59,370 --> 00:23:57,070

just think we're a personality and a

567

00:24:01,890 --> 00:23:59,380

body then we're in social consciousness

568

00:24:04,530 --> 00:24:01,900

and we're being governed by you know the

569

00:24:04,890 --> 00:24:04,540

powers that I would say work because

570

00:24:07,890 --> 00:24:04,900

they're on

571

00:24:09,630 --> 00:24:07,900

they're way out but and so we have to

572

00:24:12,330 --> 00:24:09,640

get beyond that you know the best thing

573

00:24:14,360 --> 00:24:12,340

I can tip tell every everyday Joe is to

574

00:24:18,060 --> 00:24:14,370

throw your TV set out the window yeah

575

00:24:19,680 --> 00:24:18,070

yeah and start meditating get out in

576

00:24:21,750 --> 00:24:19,690

nature because that's about the only way

577

00:24:24,870 --> 00:24:21,760

you can do it and and find a good

578

00:24:27,240 --> 00:24:24,880

process-oriented their therapy set you

579

00:24:29,040 --> 00:24:27,250

know practitioner that can help you

580

00:24:32,670 --> 00:24:29,050

clear you know release the past and

581

00:24:34,320 --> 00:24:32,680

clear the past but that's basically it

582

00:24:36,990 --> 00:24:34,330

you know the the higher dimensional

583

00:24:39,210 --> 00:24:37,000

beings they have the same message that

584

00:24:41,040 --> 00:24:39,220

all the Masters have been on the earth

585

00:24:43,860 --> 00:24:41,050

have been given you know and they talk

586

00:24:45,660 --> 00:24:43,870

about universal law which is universal

587

00:24:47,430 --> 00:24:45,670

peace and brothers history love and

588

00:24:49,920 --> 00:24:47,440

individual freedom and prosperity for

589

00:24:51,750 --> 00:24:49,930

everybody and and those are the the

590

00:24:54,360 --> 00:24:51,760

principles behind universal law the

591

00:24:56,120 --> 00:24:54,370

basic principles and they've been given

592

00:24:58,380 --> 00:24:56,130

us that since the beginning but

593

00:25:01,080 --> 00:24:58,390

unfortunately we have a lot of greed and

594

00:25:05,280 --> 00:25:01,090

corruption and tyranny that seem to

595

00:25:08,090 --> 00:25:05,290

avoid you know avoid you know adhering

596

00:25:09,900 --> 00:25:08,100

to those two universal law but that's

597

00:25:11,910 --> 00:25:09,910

changing because there's a huge

598

00:25:13,830 --> 00:25:11,920

awakening happening and a major

599

00:25:16,470 --> 00:25:13,840

vibrational lifting and healing that the

600

00:25:18,240 --> 00:25:16,480

whole planet is undergoing and so we

601
00:25:20,190 --> 00:25:18,250
have to get back into alignment with

602
00:25:21,960 --> 00:25:20,200
that higher consciousness and energy if

603
00:25:23,460 --> 00:25:21,970
we're going to make this shift there's a

604
00:25:26,250 --> 00:25:23,470
huge shift underway that we're in the

605
00:25:29,820 --> 00:25:26,260
middle of right now interesting I think

606
00:25:33,270 --> 00:25:29,830
Joe and I are just starting to kind of

607
00:25:35,460 --> 00:25:33,280
make our way out of the I guess the

608
00:25:38,340 --> 00:25:35,470
initial introduction to this whole

609
00:25:40,770 --> 00:25:38,350
phenomenon which is like you know you go

610
00:25:42,660 --> 00:25:40,780
to the normal mode of sort of alien

611
00:25:44,670 --> 00:25:42,670
narrative you've got the Rays in the

612
00:25:46,980 --> 00:25:44,680
crashes and kind of the pop culture's

613
00:25:48,930 --> 00:25:46,990

taking at you on it and everything and

614

00:25:52,050 --> 00:25:48,940

then it seems as though the more that we

615

00:25:55,590 --> 00:25:52,060

look into it Joe I know you agree it

616

00:25:57,350 --> 00:25:55,600

yeah it does seem to be and I know you

617

00:25:59,580 --> 00:25:57,360

aren't the biggest fan of this idea but

618

00:26:02,730 --> 00:25:59,590

consciously connected or using

619

00:26:05,400 --> 00:26:02,740

consciousness you know how do you feel

620

00:26:07,290 --> 00:26:05,410

about that Joe well I know that cuz in

621

00:26:10,680 --> 00:26:07,300

past you know probe casts you weren't so

622

00:26:12,720 --> 00:26:10,690

big on maybe that's the key that nobody

623

00:26:14,070 --> 00:26:12,730

that nobody is is that what we're

624

00:26:15,420 --> 00:26:14,080

missing you know that's probably what

625

00:26:16,720 --> 00:26:15,430

we're missing because you and I aren't

626

00:26:18,880 --> 00:26:16,730

very

627

00:26:20,140 --> 00:26:18,890

enlightened in that way that's what we

628

00:26:21,490 --> 00:26:20,150

probably should be doing it I don't

629

00:26:25,180 --> 00:26:21,500

think enlightened people eat

630

00:26:27,100 --> 00:26:25,190

jack-in-the-box whatever ratings uh yeah

631

00:26:29,430 --> 00:26:27,110

try to avoid some of that stuff because

632

00:26:32,350 --> 00:26:29,440

you know well there's like a war on on

633

00:26:34,270 --> 00:26:32,360

dumbing us down basically you know with

634

00:26:36,280 --> 00:26:34,280

all the food additives and the fluoride

635

00:26:36,970 --> 00:26:36,290

and the water and the chemtrails and

636

00:26:39,220 --> 00:26:36,980

everything else

637

00:26:43,000 --> 00:26:39,230

you know they can to shut it shut our

638

00:26:44,770 --> 00:26:43,010

system's down and and so in order to

639

00:26:47,680 --> 00:26:44,780

counter that we have to kind of change

640

00:26:49,450 --> 00:26:47,690

our our habits you know and try to eat

641

00:26:51,820 --> 00:26:49,460

you know close to the earth and get away

642

00:26:53,560 --> 00:26:51,830

from all the additives and and I don't

643

00:26:56,110 --> 00:26:53,570

know how you stop breathing to get away

644

00:26:57,789 --> 00:26:56,120

from the chemtrails but you know people

645

00:27:01,960 --> 00:26:57,799

need to rise up and say enough is enough

646

00:27:04,120 --> 00:27:01,970

with that we need a huge huge collective

647

00:27:05,470 --> 00:27:04,130

awakening on that one to stop that

648

00:27:07,419 --> 00:27:05,480

because that you know nothing else

649

00:27:09,159 --> 00:27:07,429

matters you know you can get your fancy

650

00:27:12,390 --> 00:27:09,169

house your car and everything else but

651
00:27:15,490 --> 00:27:12,400
if you're dead no it's not it looks good

652
00:27:17,950 --> 00:27:15,500
that's a great point and I know that was

653
00:27:21,789 --> 00:27:17,960
something a point that you actually made

654
00:27:23,890 --> 00:27:21,799
in the documentary that I watched which

655
00:27:25,390 --> 00:27:23,900
was you know you worked your butt off

656
00:27:28,240 --> 00:27:25,400
you know in the beginning of her life

657
00:27:30,730 --> 00:27:28,250
and you know you had things and then you

658
00:27:34,900 --> 00:27:30,740
realized how much those things don't

659
00:27:37,900 --> 00:27:34,910
matter in the end and how having a sense

660
00:27:41,220 --> 00:27:37,910
of peace and connectedness you know

661
00:27:45,580 --> 00:27:41,230
seems to be the most important thing or

662
00:27:48,250 --> 00:27:45,590
an important addition to your everyday

663
00:27:51,460 --> 00:27:48,260

life I would say exactly we have to

664

00:27:53,950 --> 00:27:51,470

learn that we do not meditate so we

665

00:28:00,669 --> 00:27:53,960

would love to know what how do you start

666

00:28:03,039 --> 00:28:00,679

a meditation do I knock Joe out over the

667

00:28:04,840 --> 00:28:03,049

head what do we applied for I drown

668

00:28:06,190 --> 00:28:04,850

myself that works but I don't wouldn't

669

00:28:08,710 --> 00:28:06,200

recommend it to other people but that's

670

00:28:11,440 --> 00:28:08,720

that was my biggest biggest awakening

671

00:28:13,030 --> 00:28:11,450

really yeah basically you know if you

672

00:28:15,250 --> 00:28:13,040

can't get out of nature just find a

673

00:28:16,810 --> 00:28:15,260

quiet space if there's noise that's

674

00:28:19,900 --> 00:28:16,820

bothering you you know put on some nice

675

00:28:22,419 --> 00:28:19,910

soft music some meditation music and you

676

00:28:23,890 --> 00:28:22,429

just kind of go within and the trick to

677

00:28:26,260 --> 00:28:23,900

meditation is people aren't going to

678

00:28:28,960 --> 00:28:26,270

tell you this is that you cannot stop

679

00:28:30,310 --> 00:28:28,970

your mind you know you can't it's not

680

00:28:31,690 --> 00:28:30,320

going to work because your

681

00:28:33,879 --> 00:28:31,700

mind is going to keep running and

682

00:28:35,950 --> 00:28:33,889

running you just let it run and then it

683

00:28:38,680 --> 00:28:35,960

runs out of gas and it will go to the

684

00:28:40,659 --> 00:28:38,690

next level and you focus on just love

685

00:28:42,539 --> 00:28:40,669

and joy and bliss you can bring yourself

686

00:28:45,970 --> 00:28:42,549

back to your breath if you want and just

687

00:28:47,860 --> 00:28:45,980

focus on your breath but each time

688

00:28:49,720 --> 00:28:47,870

you'll start rising up to different

689

00:28:52,690 --> 00:28:49,730

levels of consciousness and you just

690

00:28:54,700 --> 00:28:52,700

keep going and eventually you eventually

691

00:28:56,409 --> 00:28:54,710

your mind will slow way down and you'll

692

00:28:59,049 --> 00:28:56,419

get you'll find that silence or that

693

00:29:00,549 --> 00:28:59,059

peace but if you're trying to stop the

694

00:29:02,379 --> 00:29:00,559

mind you're still in the ego because

695

00:29:04,509 --> 00:29:02,389

you're trying you know and it's not

696

00:29:07,389 --> 00:29:04,519

about trying it's about surrendering and

697

00:29:10,360 --> 00:29:07,399

just relaxing and let it flow you know

698

00:29:13,299 --> 00:29:10,370

just let it flow and just don't have any

699

00:29:15,730 --> 00:29:13,309

attachment to to what's happening

700

00:29:18,249 --> 00:29:15,740

you know just but I also recommend is do

701
00:29:19,930 --> 00:29:18,259
clearings and those are in all my books

702
00:29:21,759 --> 00:29:19,940
in the website you can get it for free

703
00:29:24,100 --> 00:29:21,769
that clearing process before you

704
00:29:26,110 --> 00:29:24,110
meditate clear outing and saying

705
00:29:28,690 --> 00:29:26,120
negative influences and then you have a

706
00:29:32,940 --> 00:29:28,700
safe space to really expand in and your

707
00:29:37,570 --> 00:29:32,950
meditations will just take off I think

708
00:29:41,259 --> 00:29:37,580
that's great by the way of anybody wants

709
00:29:43,810 --> 00:29:41,269
to know more makes you go to e SEC Tec

710
00:29:47,289 --> 00:29:43,820
et i.org

711
00:29:51,970 --> 00:29:47,299
to learn more all about James Gilliland

712
00:29:56,230 --> 00:29:51,980
and this amazing property you live on

713
00:29:58,060 --> 00:29:56,240

and at the East Eddie ranch and I know

714

00:30:01,389 --> 00:29:58,070

that you're right there near some

715

00:30:06,220 --> 00:30:01,399

portals I've been told and that's a big

716

00:30:09,220 --> 00:30:06,230

reason why you have so much a paranormal

717

00:30:11,200 --> 00:30:09,230

or you know UFO sort of sightings there

718

00:30:14,049 --> 00:30:11,210

is that true that there's like a portal

719

00:30:16,330 --> 00:30:14,059

of some sort near you well the mountain

720

00:30:18,369 --> 00:30:16,340

itself is a massive massive energy

721

00:30:19,690 --> 00:30:18,379

beacon you might say there's a lot of

722

00:30:21,190 --> 00:30:19,700

energy coming off the mountain and

723

00:30:24,009 --> 00:30:21,200

that's been recorded with PIPP

724

00:30:25,869 --> 00:30:24,019

technology and then when we do ceremony

725

00:30:27,820 --> 00:30:25,879

here and do the meditations you can

726

00:30:29,680 --> 00:30:27,830

actually see the whole room change and

727

00:30:32,350 --> 00:30:29,690

shift and like gold and energy will fill

728

00:30:34,779 --> 00:30:32,360

the room or like a pink or green energy

729

00:30:37,690 --> 00:30:34,789

but that's all been scientifically

730

00:30:40,000 --> 00:30:37,700

verified but the the main thing is is

731

00:30:42,340 --> 00:30:40,010

that we work with this energy and we

732

00:30:43,930 --> 00:30:42,350

anchored this energy end and we keep the

733

00:30:46,029 --> 00:30:43,940

energy clear and so

734

00:30:47,529 --> 00:30:46,039

that's why it's when people come here

735

00:30:49,509 --> 00:30:47,539

they go they feel like you know they're

736

00:30:52,119 --> 00:30:49,519

home they just ride away they just feel

737

00:30:55,060 --> 00:30:52,129

this beautiful energy but it's it's not

738

00:30:56,889 --> 00:30:55,070

it doesn't just happen I mean it hits we

739

00:31:02,470 --> 00:30:56,899

do a lot of work to maintain that energy

740

00:31:05,080 --> 00:31:02,480

now on the disclosure end of things

741

00:31:08,289 --> 00:31:05,090

because ultimately you're a part of that

742

00:31:13,149 --> 00:31:08,299

whether you like it or not have you had

743

00:31:15,090 --> 00:31:13,159

any issues with men and black or but I

744

00:31:17,259 --> 00:31:15,100

know like you said you had the military

745

00:31:18,610 --> 00:31:17,269

helicopters buzzing yeah but have you

746

00:31:20,889 --> 00:31:18,620

ever had your life threatened or have

747

00:31:23,289 --> 00:31:20,899

you ever had anything like that happened

748

00:31:25,090 --> 00:31:23,299

to use yeah because that seems to be

749

00:31:28,029 --> 00:31:25,100

kind of recurring thing I just thought

750

00:31:30,220 --> 00:31:28,039

I'd ask you well you know basically I've

751

00:31:32,919 --> 00:31:30,230

been shot at I've had my brake lines cut

752

00:31:34,659 --> 00:31:32,929

I've had my lug nuts taken off that's a

753

00:31:37,930 --> 00:31:34,669

favorite one they like to do you know

754

00:31:40,060 --> 00:31:37,940

and I can go on and on I think I've

755

00:31:44,680 --> 00:31:40,070

employed always like to say nothing has

756

00:31:45,999 --> 00:31:44,690

happened then yeah yeah but you know

757

00:31:48,490 --> 00:31:46,009

it's like but I always have somebody

758

00:31:50,409 --> 00:31:48,500

looking after me and you know I I always

759

00:31:52,960 --> 00:31:50,419

get through it you know so I've always I

760

00:31:54,789 --> 00:31:52,970

feel you know kind of blessed on that

761

00:31:57,430 --> 00:31:54,799

end of it but yeah I am there's been a

762

00:31:59,409 --> 00:31:57,440

huge effort to to keep this quiet you

763

00:32:01,029 --> 00:31:59,419

know and the thing is we already you

764

00:32:02,860 --> 00:32:01,039

know we already back-engineered all this

765

00:32:04,570 --> 00:32:02,870

stuff I mean the head of Lockheed said

766

00:32:07,840 --> 00:32:04,580

we have the technology to take e.t home

767

00:32:09,909 --> 00:32:07,850

and it's true so I mean we have our

768

00:32:12,430 --> 00:32:09,919

ships and everything else but there are

769

00:32:17,730 --> 00:32:12,440

no nowhere near to the technology that

770

00:32:20,289 --> 00:32:17,740

these other ships are showing us yeah I

771

00:32:22,149 --> 00:32:20,299

I've read about the back engineering

772

00:32:24,879 --> 00:32:22,159

stuff it totally intrigues the heck out

773

00:32:28,539 --> 00:32:24,889

of me so it does Joe just to think that

774

00:32:30,220 --> 00:32:28,549

we were able to somehow I don't know

775

00:32:32,019 --> 00:32:30,230

it's a how do you back engineer

776

00:32:33,970 --> 00:32:32,029

something you have absolutely no concept

777

00:32:36,369 --> 00:32:33,980

of that's interesting we'll have to find

778

00:32:38,889 --> 00:32:36,379

somebody that's done yeah well you get

779

00:32:40,720 --> 00:32:38,899

science the real science isn't right you

780

00:32:43,539 --> 00:32:40,730

don't get it through school and things

781

00:32:45,070 --> 00:32:43,549

like that it comes to you and so when

782

00:32:46,840 --> 00:32:45,080

you have somebody that's awake

783

00:32:48,970 --> 00:32:46,850

I mean like some of the people I know

784

00:32:51,460 --> 00:32:48,980

the ETS showed up and appeared to them

785

00:32:53,710 --> 00:32:51,470

to actually put things in their hand you

786

00:32:55,090 --> 00:32:53,720

know and said here you figure it out

787

00:32:56,590 --> 00:32:55,100

this is how it works and then they

788

00:32:57,600 --> 00:32:56,600

guided them through the process like

789

00:32:59,730 --> 00:32:57,610

telepathic

790

00:33:02,220 --> 00:32:59,740

so that's that's basically how that

791

00:33:04,530 --> 00:33:02,230

happens it it won't happen through book

792

00:33:06,330 --> 00:33:04,540

learning because most of the stuff we're

793

00:33:09,930 --> 00:33:06,340

taught in school is wrong you know even

794

00:33:13,740 --> 00:33:09,940

the science I agree with that I would

795

00:33:15,210 --> 00:33:13,750

agree with that um so I've got speaking

796

00:33:19,710 --> 00:33:15,220

of all this I've got one more question

797

00:33:21,930 --> 00:33:19,720

for you today um so when his disclosure

798

00:33:25,740 --> 00:33:21,940

gonna happen James I'm gonna have

799

00:33:28,050 --> 00:33:25,750

something soon well here's something

800

00:33:29,970 --> 00:33:28,060

here's a funny thing about that we've

801
00:33:30,800 --> 00:33:29,980
had contact for like thirty years I've

802
00:33:34,230 --> 00:33:30,810
had it all my life

803
00:33:38,250 --> 00:33:34,240
so everybody goes one of the ships going

804
00:33:39,870 --> 00:33:38,260
to land and I go dad when are we going

805
00:33:41,910 --> 00:33:39,880
to have contact and I said you know

806
00:33:44,280 --> 00:33:41,920
since the earth has been rotating we've

807
00:33:46,950 --> 00:33:44,290
had ships here we've had contact it's up

808
00:33:49,530 --> 00:33:46,960
to us to rise to the occasion and the

809
00:33:50,730 --> 00:33:49,540
masses a lot of times they're not I mean

810
00:33:52,980 --> 00:33:50,740
although they have been showing up

811
00:33:55,080 --> 00:33:52,990
everywhere they just had a the Blue

812
00:33:56,780 --> 00:33:55,090
Angels doing their thing a ship flew

813
00:33:58,950 --> 00:33:56,790

right past a month they went on their

814

00:34:00,930 --> 00:33:58,960

ascent you know going straight up and

815

00:34:03,630 --> 00:34:00,940

the ship just left them in the dust you

816

00:34:05,670 --> 00:34:03,640

know and that's on film too so they have

817

00:34:07,650 --> 00:34:05,680

been appearing at like major events and

818

00:34:12,030 --> 00:34:07,660

Mexico they're all over the place

819

00:34:15,300 --> 00:34:12,040

huge fleets of ships in Mexico so we

820

00:34:17,490 --> 00:34:15,310

have all that you know on film but that

821

00:34:19,290 --> 00:34:17,500

there's a extreme censorship going on

822

00:34:21,840 --> 00:34:19,300

you know with the the lamestream media

823

00:34:23,550 --> 00:34:21,850

but you know they're here and they show

824

00:34:25,110 --> 00:34:23,560

themselves and if people are awake

825

00:34:29,250 --> 00:34:25,120

though they'll work with you and contact

826

00:34:30,990 --> 00:34:29,260

you but you know it's a matter of us

827

00:34:33,260 --> 00:34:31,000

rising to the occasion it's not their

828

00:34:36,409 --> 00:34:33,270

job to come and straitness all out of

829

00:34:39,000 --> 00:34:36,419

course not you know

830

00:34:40,919 --> 00:34:39,010

well we've had a fantastic time chatting

831

00:34:43,290 --> 00:34:40,929

with you James and getting to know is

832

00:34:45,000 --> 00:34:43,300

awesome man about we would you know

833

00:34:47,730 --> 00:34:45,010

maybe one day we could come to your

834

00:34:49,619 --> 00:34:47,740

ranch and see something maybe that's

835

00:34:54,210 --> 00:34:49,629

where we have our paranormal experience

836

00:34:55,980 --> 00:34:54,220

Joe Cory you know we're going in yeah

837

00:34:58,770 --> 00:34:55,990

you know this information the last book

838

00:35:00,630 --> 00:34:58,780

I wrote Anunnaki returned covers all

839

00:35:02,460 --> 00:35:00,640

this stuff it covers the ancient history

840

00:35:05,280 --> 00:35:02,470

of Earth what happened in the past the

841

00:35:08,460 --> 00:35:05,290

different groups you know and how to how

842

00:35:10,440 --> 00:35:08,470

to you know who to contact and which

843

00:35:13,320 --> 00:35:10,450

ones not to contact and everything so

844

00:35:15,060 --> 00:35:13,330

it's all it's all in the latest book and

845

00:35:18,270 --> 00:35:15,070

it's it's a real eye-opener when you

846

00:35:19,800 --> 00:35:18,280

look at the real history of Earth so it

847

00:35:25,320 --> 00:35:19,810

seems as though this higher

848

00:35:28,109 --> 00:35:25,330

consciousness is the missing key yeah it

849

00:35:30,030 --> 00:35:28,119

is it is and also discernment and and

850

00:35:32,190 --> 00:35:30,040

learning how to heal unseen negative

851

00:35:34,500 --> 00:35:32,200

influences because it's it's really

852

00:35:36,270 --> 00:35:34,510

about self mastery and getting past the

853

00:35:39,480 --> 00:35:36,280

body and the personality and then the

854

00:35:41,670 --> 00:35:39,490

whole universe opens up for you why is

855

00:35:43,800 --> 00:35:41,680

it this ends a fantastic show it sounds

856

00:35:48,450 --> 00:35:43,810

better than going to jack-in-the-box and

857

00:35:50,130 --> 00:35:48,460

yeah you know what we do so well man um

858

00:35:52,230 --> 00:35:50,140

we're definitely gonna come check you

859

00:35:54,960 --> 00:35:52,240

out at contact in the desert cuz stuff

860

00:35:57,660 --> 00:35:54,970

if anybody wants to learn and know more

861

00:36:00,390 --> 00:35:57,670

about James and his ranch in his amazing

862

00:36:02,160 --> 00:36:00,400

organization make sure you watch him

863

00:36:04,290 --> 00:36:02,170

speaking at contact in the desert well

864

00:36:06,599 --> 00:36:04,300

coming up this next week we will be

865

00:36:08,630 --> 00:36:06,609

there we would like to thank you James

866

00:36:10,079 --> 00:36:08,640

so much for being on the show today and

867

00:36:12,510 --> 00:36:10,089

Wow

868

00:36:16,589 --> 00:36:12,520

our minds are blown and now we have to

869

00:36:18,810 --> 00:36:16,599

go read books and research stuff thanks

870

00:36:20,550 --> 00:36:18,820

again all right thanks for a man show

871

00:36:24,120 --> 00:36:20,560

you're welcome and we'll see you soon

872

00:36:25,020 --> 00:36:24,130

and keep up the amazing work yes all

873

00:36:28,859 --> 00:36:25,030

right honey

874

00:36:31,260 --> 00:36:28,869

Thank You Jacqueline well that was fun

875

00:36:35,520 --> 00:36:31,270

that was fun interesting I just I didn't

876

00:36:39,300 --> 00:36:35,530

know is telepathically I like you know

877

00:36:40,410 --> 00:36:39,310

what you didn't know you're in it no

878

00:36:42,990 --> 00:36:40,420

like consciousness you know

879

00:36:45,300 --> 00:36:43,000

consciousness I know that's the thing is

880

00:36:46,650 --> 00:36:45,310

hanging out a second person that I've

881

00:36:48,819 --> 00:36:46,660

heard it from that was

882

00:36:52,120 --> 00:36:48,829

it's kind of hanging me up a little bit

883

00:36:55,299 --> 00:36:52,130

because it's like I get is it like a

884

00:36:57,249 --> 00:36:55,309

ring or is it like like you know is he

885

00:37:01,839 --> 00:36:57,259

talking about like is it a you know

886

00:37:03,160 --> 00:37:01,849

praying how long do you meditate for so

887

00:37:06,640 --> 00:37:03,170

those are questions we should ask I

888

00:37:08,579 --> 00:37:06,650

think that it's I don't think we would

889

00:37:12,339 --> 00:37:08,589

be able to understand the answer no I

890

00:37:16,269 --> 00:37:12,349

think people I mean it has been said

891

00:37:19,689 --> 00:37:16,279

that meditation does offer healing

892

00:37:21,789 --> 00:37:19,699

properties distressing there's all kinds

893

00:37:24,999 --> 00:37:21,799

of benefits for it you know tons

894

00:37:27,459 --> 00:37:25,009

this is acupuncture it we should do

895

00:37:28,900 --> 00:37:27,469

acupuncture I'll take a lad Lee give you

896

00:37:30,789 --> 00:37:28,910

some acupuncture I've got plenty of

897

00:37:34,269 --> 00:37:30,799

needles here I can start right now here

898

00:37:39,910 --> 00:37:34,279

let's see did this work [h__h] off

899

00:37:43,870 --> 00:37:39,920

no come on I don't [h__h] sharp that's

900

00:37:46,900 --> 00:37:43,880

what they do in acupuncture is good but

901
00:37:49,359 --> 00:37:46,910
we're gonna be there and we are going to

902
00:37:56,799 --> 00:37:49,369
raise our consciousness right Jo I'll

903
00:37:59,140 --> 00:37:56,809
try uh that may be our heart making fun

904
00:38:01,359 --> 00:37:59,150
of anybody I just know I would actually

905
00:38:03,370 --> 00:38:01,369
would like to try it I would do I think

906
00:38:06,089 --> 00:38:03,380
it's important people keep talking about

907
00:38:09,660 --> 00:38:06,099
it it's the thing that keeps coming up

908
00:38:11,859 --> 00:38:09,670
over and cuz there's the tangible

909
00:38:13,779 --> 00:38:11,869
evidence side of it which you know we're

910
00:38:19,559 --> 00:38:13,789
investigating there's the word of mouth

911
00:38:22,689 --> 00:38:19,569
portion of it there's all those things

912
00:38:25,209 --> 00:38:22,699
it all seems to come back down to

913
00:38:28,329 --> 00:38:25,219

meditation consciousness and having a

914

00:38:30,910 --> 00:38:28,339

conscious connection with an roosters

915

00:38:32,469 --> 00:38:30,920

crowing and roosters crowing yes maybe

916

00:38:34,089 --> 00:38:32,479

that's why we can do a controversial

917

00:38:37,599 --> 00:38:34,099

[h__h] well yeah maybe because there's a

918

00:38:39,459 --> 00:38:37,609

damn [h__h] rooster here we live in a

919

00:38:40,929 --> 00:38:39,469

loud area we live right next to this way

920

00:38:42,910 --> 00:38:40,939

it's just a military they're making

921

00:38:47,050 --> 00:38:42,920

their own eggs they're trying to grab

922

00:38:47,060 --> 00:38:51,790

we're trying to make chicken people

923

00:38:58,370 --> 00:38:56,180

which oh we have got to try meditating

924

00:39:01,280 --> 00:38:58,380

look at contact in the desert we have

925

00:39:07,570 --> 00:39:01,290

got to make contact how are we going to

926

00:39:13,280 --> 00:39:10,970

maybe we'll drink them magley drinks on

927

00:39:16,670 --> 00:39:13,290

each rain Oh cleaner and get a little -

928

00:39:19,070 --> 00:39:16,680

you know maybe not okay well this is

929

00:39:21,980 --> 00:39:19,080

hourly cast and by the way this is the

930

00:39:24,080 --> 00:39:21,990

earliest show we've ever done but we had

931

00:39:27,140 --> 00:39:24,090

to enjoyed it because with James and it

932

00:39:29,330 --> 00:39:27,150

was such a great way to wake up he's so

933

00:39:30,770 --> 00:39:29,340

in love just sit and talk with him few

934

00:39:33,830 --> 00:39:30,780

hours problems I could talk to him like

935

00:39:37,520 --> 00:39:33,840

forever yeah you see so hopefully we'll

936

00:39:39,290 --> 00:39:37,530

catches some lecture at contact with

937

00:39:41,570 --> 00:39:39,300

desert Joe and I are going to be doing a

938

00:39:43,460 --> 00:39:41,580

lecture - just somewhere we don't know

939

00:39:44,630 --> 00:39:43,470

we weren't officially invited to do one

940

00:39:45,860 --> 00:39:44,640

I think I might be the porta-potties

941

00:39:47,270 --> 00:39:45,870

we'll be doing our lecture right near

942

00:39:49,550 --> 00:39:47,280

the porta-potties we'll be doing a

943

00:39:50,990 --> 00:39:49,560

fantastic lecture so make sure you stop

944

00:39:53,060 --> 00:39:51,000
