SOMETHING!

1  
00:00:04,480 --> 00:00:13,040

[Music]

2  
00:00:22,260 --> 00:00:20,160

UFO Bros hey everyone is Giorgio

3  
00:00:27,060 --> 00:00:22,270

tsoukalos from ancient aliens and you're

4  
00:00:28,500 --> 00:00:27,070

experiencing UFO Bros TV whoo

5  
00:00:30,210 --> 00:00:28,510

that's an awesome opener what do you

6  
00:00:31,320 --> 00:00:30,220

think Joe that was awesome my careful

7  
00:00:37,079 --> 00:00:31,330

you put that together I can't believe

8  
00:00:39,629 --> 00:00:37,089

the exes I know I think what was that I

9  
00:00:43,290 --> 00:00:39,639

have no clue is that going on during the

10  
00:00:47,579 --> 00:00:43,300

entire thing probably we just cannot get

11  
00:00:50,579 --> 00:00:47,589

it together can we no oh my god what was

12  
00:00:54,869 --> 00:00:50,589

that plane it's the sound board ad it

13  
00:01:01,859 --> 00:00:54,879

goes on top of it so I hate you

14

00:01:04,259 --> 00:01:01,869

well I don't have German well that's

15

00:01:05,850 --> 00:01:04,269

okay this is our second time we've been

16

00:01:07,080 --> 00:01:05,860

having some technical difficulties so

17

00:01:09,660 --> 00:01:07,090

yes

18

00:01:11,070 --> 00:01:09,670

uh I think the heat sucked it out of us

19

00:01:14,610 --> 00:01:11,080

well I think that we should have let

20

00:01:15,060 --> 00:01:14,620

them hear this damn opener again do the

21

00:01:27,900 --> 00:01:15,070

opener

22

00:01:27,910 --> 00:01:36,450

[Music]

23

00:01:45,700 --> 00:01:43,600

UFO Bros hey everyone is Giorgio

24

00:01:51,670 --> 00:01:45,710

tsoukalos from ancient aliens and you're

25

00:01:54,520 --> 00:01:51,680

experiencing UFO Bros TV it's true you

26

00:01:57,820 --> 00:01:54,530

are you're experiencing it so dope

27

00:02:01,120 --> 00:01:57,830

he's the Bahamas coast guy ever yeah

28

00:02:03,190 --> 00:02:01,130

definitely and you know he's like we

29

00:02:04,630 --> 00:02:03,200

were saying in the other podcast before

30

00:02:07,600 --> 00:02:04,640

it ended he's so down-to-earth and chill

31

00:02:09,880 --> 00:02:07,610

very I mean he waited around in his tent

32

00:02:11,770 --> 00:02:09,890

for us to be able to you know do that we

33

00:02:14,290 --> 00:02:11,780

set we sat in the back behind in the

34

00:02:16,300 --> 00:02:14,300

back of his tent letting him do this let

35

00:02:18,070 --> 00:02:16,310

his do his thing and his wife is very

36

00:02:21,370 --> 00:02:18,080

nice she's very sweet oh yeah

37

00:02:23,500 --> 00:02:21,380

Crick's is great and she's beautiful and

38

00:02:27,130 --> 00:02:23,510

just overall like a really like sweet

39

00:02:29,710 --> 00:02:27,140

spirit I I would say oh yeah so and you

40

00:02:31,270 --> 00:02:29,720

know we're going to talk about all of

41

00:02:33,009 --> 00:02:31,280

our favorite celebrities that we met

42

00:02:37,000 --> 00:02:33,019

hopefully if we don't have any more

43

00:02:39,220 --> 00:02:37,010

technical fuck-ups Joe um I'm not saying

44

00:02:40,180 --> 00:02:39,230

it was you but I'm saying that we had a

45

00:02:42,699 --> 00:02:40,190

technical [h\_\_h]

46

00:02:45,009 --> 00:02:42,709

it's the app hold let me ask you this

47

00:02:46,479 --> 00:02:45,019

out of all the people we've met and just

48

00:02:49,120 --> 00:02:46,489

real quick in the beginning here let's

49

00:02:51,040 --> 00:02:49,130

name them off we met dr. Greer finally

50

00:02:54,550 --> 00:02:51,050

got a picture with him crap finally met

51  
00:02:57,130 --> 00:02:54,560  
dr. Greer we met Richard Dolan we met

52  
00:02:59,290 --> 00:02:57,140  
james gilliland in person jeremy Korb

53  
00:03:02,259 --> 00:02:59,300  
who's our buddy now that guys he's our

54  
00:03:08,020 --> 00:03:02,269  
bro Linda Moulton Howe I got a quick a

55  
00:03:12,670 --> 00:03:08,030  
hug from um who else the two people that

56  
00:03:15,640 --> 00:03:12,680  
were in their intro Giorgio and Jimmy

57  
00:03:17,440 --> 00:03:15,650  
Church yeah I think I already said

58  
00:03:18,850 --> 00:03:17,450  
Giorgio I just forgot Jimmy Church but

59  
00:03:21,670 --> 00:03:18,860  
we met so many awesome people that we

60  
00:03:25,210 --> 00:03:21,680  
look up to and what amazing experience I

61  
00:03:27,039 --> 00:03:25,220  
would say that we kind of really stuck

62  
00:03:28,750 --> 00:03:27,049  
around to see what Giorgio had to say he

63  
00:03:31,630 --> 00:03:28,760

was putting together some fascinating

64

00:03:34,270 --> 00:03:31,640

information in all of his workshops you

65

00:03:37,280 --> 00:03:34,280

know were you know more just expansion

66

00:03:39,649 --> 00:03:37,290

on ancient alien theory

67

00:03:41,449 --> 00:03:39,659

and you know ancient stories and you

68

00:03:43,970 --> 00:03:41,459

know kind of how it all goes together he

69

00:03:45,500 --> 00:03:43,980

did a fantastic job sharing some of the

70

00:03:48,289 --> 00:03:45,510

new things that are going to be coming

71

00:03:50,149 --> 00:03:48,299

out on ancient aliens this season some

72

00:03:52,130 --> 00:03:50,159

places he was able to travel to and some

73

00:03:54,199 --> 00:03:52,140

amazing finds so make sure you guys

74

00:03:55,819 --> 00:03:54,209

watch that so you can find out what

75

00:03:57,979 --> 00:03:55,829

Giorgio tsoukalos has been up to and

76

00:03:59,599 --> 00:03:57,989

again thank you for doing our intro

77

00:04:02,420 --> 00:03:59,609

bumper we love it yeah we love it thank

78

00:04:04,039 --> 00:04:02,430

you very much and for the pins yes and

79

00:04:05,270 --> 00:04:04,049

our flyer pins we love and we're like in

80

00:04:08,240 --> 00:04:05,280

love with Georgia right now and he's

81

00:04:09,259 --> 00:04:08,250

just such a cool guy so it was a hug he

82

00:04:11,780 --> 00:04:09,269

gave us a hug

83

00:04:15,759 --> 00:04:11,790

and he was like goof ologist brothers

84

00:04:19,069 --> 00:04:15,769

for life so you we love that um you know

85

00:04:23,510 --> 00:04:19,079

overall it was a very well put together

86

00:04:25,339 --> 00:04:23,520

program it was a well run event I think

87

00:04:26,810 --> 00:04:25,349

it was a good idea for them to move it

88

00:04:28,700 --> 00:04:26,820

earlier in the year because I know that

89

00:04:31,610 --> 00:04:28,710

in previous years it was later in the

90

00:04:33,589 --> 00:04:31,620

summer and a lot of people were really

91

00:04:36,830 --> 00:04:33,599

upset about how hot it was I couldn't I

92

00:04:39,050 --> 00:04:36,840

would not stay there for 115 degrees no

93

00:04:41,779 --> 00:04:39,060

it was like it was like well we were as

94

00:04:46,159 --> 00:04:41,789

a 97 degree day we were doing it yes but

95

00:04:49,370 --> 00:04:46,169

we had our umbrella hats yes make sure

96

00:04:50,240 --> 00:04:49,380

you guys purchase one yeah Amazon yeah

97

00:04:52,010 --> 00:04:50,250

if you're going to be out in the heat

98

00:04:59,270 --> 00:04:52,020

I'm telling you an umbrella hat is so

99

00:05:00,649 --> 00:04:59,280

worth it rain or snow or no totally so

100

00:05:02,870 --> 00:05:00,659

you know we've spent a lot of our time

101  
00:05:05,149 --> 00:05:02,880  
back and forth between our campsite and

102  
00:05:08,089 --> 00:05:05,159  
the actual event area which is a little

103  
00:05:09,409 --> 00:05:08,099  
bit higher the camping area if you just

104  
00:05:12,200 --> 00:05:09,419  
want to know about how kind of contact

105  
00:05:14,629 --> 00:05:12,210  
in the desert is ran all the events and

106  
00:05:17,719 --> 00:05:14,639  
speakers and people who are selling

107  
00:05:21,110 --> 00:05:17,729  
things vendors and booths are kind of up

108  
00:05:22,460 --> 00:05:21,120  
higher on you know higher part of what

109  
00:05:25,580 --> 00:05:22,470  
is it a hill I don't know what [h\_\_\h] is

110  
00:05:28,310 --> 00:05:25,590  
it he'll say oh yeah or is it more so

111  
00:05:30,350 --> 00:05:28,320  
that the campsite is down in a valley

112  
00:05:34,969 --> 00:05:30,360  
kind of thing like in a like little Dust

113  
00:05:37,170 --> 00:05:34,979

Bowl there it's the researching physics

114

00:05:39,430 --> 00:05:37,180

is backyard know uh

115

00:05:42,370 --> 00:05:39,440

study of mental physics the physics

116

00:05:43,900 --> 00:05:42,380

package Joshua trees well yeah but you

117

00:05:45,520 --> 00:05:43,910

know what they did a good job there

118

00:05:47,590 --> 00:05:45,530

wasn't any weird bugs or anything ever

119

00:05:49,720 --> 00:05:47,600

but one thing I do have to I really want

120

00:05:51,160 --> 00:05:49,730

to get credit for is this every single

121

00:05:52,480 --> 00:05:51,170

time you would we wake up or anything

122

00:05:54,730 --> 00:05:52,490

you have to use a restroom

123

00:05:55,900 --> 00:05:54,740

they're always clean yeah they did a

124

00:05:58,390 --> 00:05:55,910

good job of making sure the restrooms

125

00:06:00,400 --> 00:05:58,400

were clean Aylee you know funny enough

126

00:06:03,160 --> 00:06:00,410

that's one something you don't even

127

00:06:04,630 --> 00:06:03,170

expect on a like road trip there be let

128

00:06:06,670 --> 00:06:04,640

alone expected campsites oh good job

129

00:06:07,990 --> 00:06:06,680

with that I don't know I didn't only

130

00:06:10,390 --> 00:06:08,000

disappointment I mean we're gonna talk

131

00:06:12,790 --> 00:06:10,400

about no nice watching yes I'm yeah

132

00:06:14,830 --> 00:06:12,800

you'll get you'll get to that yeah but I

133

00:06:16,810 --> 00:06:14,840

think the highlight of the entire

134

00:06:18,850 --> 00:06:16,820

weekend for me was my question to

135

00:06:21,240 --> 00:06:18,860

Giorgio do you think I think so I think

136

00:06:23,970 --> 00:06:21,250

we should let her take a listen to it if

137

00:06:27,130 --> 00:06:23,980

if they'd like to what do you think

138

00:06:29,110 --> 00:06:27,140

didn't ya heard did we did that in the

139

00:06:30,970 --> 00:06:29,120

last one we didn't hear it again so I

140

00:06:34,780 --> 00:06:30,980

was like you know what let's just okay

141

00:06:39,370 --> 00:06:34,790

do it and see what people show so here's

142

00:06:46,830 --> 00:06:39,380

the situation Giorgio did a Q&A session

143

00:07:00,250 --> 00:06:56,380

hey Giorgio I'm a goof ologist exactly

144

00:07:01,780 --> 00:07:00,260

hashtag apologist which actually is why

145

00:07:04,120 --> 00:07:01,790

I'm here I'm here to ask the biggest

146

00:07:06,310 --> 00:07:04,130

question and I suspect we all want to

147

00:07:09,100 --> 00:07:06,320

know the biggest mystery is what the

148

00:07:12,700 --> 00:07:09,110

hell you put your hair

149

00:07:16,380 --> 00:07:12,710

yeah and what's the process is it like a

150

00:07:19,660 --> 00:07:16,390

hairdryer and some you know hairspray

151  
00:07:22,270 --> 00:07:19,670  
Magellan ear so it's actually very easy

152  
00:07:24,310 --> 00:07:22,280  
tomorrow morning triangle I would like a

153  
00:07:31,990 --> 00:07:24,320  
few bathroom singing there is an

154  
00:07:36,970 --> 00:07:32,000  
electric seconds four or five seconds

155  
00:07:45,600 --> 00:07:36,980  
it gets frizzy so second so okay just

156  
00:07:48,010 --> 00:07:45,610  
myself would you think

157  
00:07:51,520 --> 00:07:48,020  
thank you for filming it by the way oh

158  
00:07:54,730 --> 00:07:51,530  
yeah that's a question that people want

159  
00:07:55,390 --> 00:07:54,740  
to know answer to some people do don't

160  
00:07:58,600 --> 00:07:55,400  
you think

161  
00:08:03,880 --> 00:07:58,610  
and now think so that's just me I guess

162  
00:08:05,080 --> 00:08:03,890  
that's just me people act and you know

163  
00:08:07,060 --> 00:08:05,090

sometimes it's good to have an

164

00:08:08,140 --> 00:08:07,070

icebreaker in that moment we are all hot

165

00:08:10,870 --> 00:08:08,150

we're all tired

166

00:08:12,490 --> 00:08:10,880

George's tired you know we're kind of

167

00:08:14,500 --> 00:08:12,500

taking a break in the air conditioning

168

00:08:16,330 --> 00:08:14,510

you know escaping the elements as it

169

00:08:18,280 --> 00:08:16,340

were and you know sometimes you just

170

00:08:19,720 --> 00:08:18,290

need a bus that they go okay we're

171

00:08:23,410 --> 00:08:19,730

having a good time here let's not forget

172

00:08:26,470 --> 00:08:23,420

this is not you know lecture hall at a

173

00:08:28,630 --> 00:08:26,480

local university this is fun and lutely

174

00:08:31,270 --> 00:08:28,640

you know we got that out of there we met

175

00:08:33,790 --> 00:08:31,280

a lot of new followers and we met some

176

00:08:35,650 --> 00:08:33,800

friends which we're awesome

177

00:08:37,870 --> 00:08:35,660

I don't know their friends or fans or

178

00:08:39,430 --> 00:08:37,880

both or everything they're just people

179

00:08:40,930 --> 00:08:39,440

that I think really did what we do we

180

00:08:42,520 --> 00:08:40,940

got a lot of compliments I think on

181

00:08:43,750 --> 00:08:42,530

stuff we've done so thank all of you

182

00:08:45,400 --> 00:08:43,760

that have been supportive even though

183

00:08:46,810 --> 00:08:45,410

you know we've had our in a new folder

184

00:08:50,770 --> 00:08:46,820

technical difficulties like we have

185

00:08:53,310 --> 00:08:50,780

tonight sheesh okay who we gonna talk

186

00:08:55,570 --> 00:08:53,320

about first so go out right your dog

187

00:09:02,820 --> 00:08:55,580

which good go for it

188

00:09:06,690 --> 00:09:02,830

okay so Richard Dolan has perfect skin

189

00:09:08,100 --> 00:09:06,700

you mentioned it I might have kind of

190

00:09:09,150 --> 00:09:08,110

creeped him out by saying that over and

191

00:09:10,350 --> 00:09:09,160

over that's why we didn't get the

192

00:09:12,060 --> 00:09:10,360

interview maybe that's why we didn't get

193

00:09:14,910 --> 00:09:12,070

the interview but I'll tell you the guy

194

00:09:16,680 --> 00:09:14,920

is an older gentleman and has perfect

195

00:09:20,190 --> 00:09:16,690

skin and I asked him I said what are you

196

00:09:22,800 --> 00:09:20,200

to do you have a regimen and he says

197

00:09:25,560 --> 00:09:22,810

just eating clean which means we have to

198

00:09:30,450 --> 00:09:25,570

give up the jack-in-the-box Joe of

199

00:09:37,680 --> 00:09:30,460

course what did you think of meeting um

200

00:09:38,760 --> 00:09:37,690

dr. Greer that guy is so self-absorbed

201  
00:09:46,770 --> 00:09:38,770

it's not even funny

202  
00:09:48,660 --> 00:09:46,780

oh yes I mean he is he's gonna hired

203  
00:09:59,190 --> 00:09:48,670

armed security guard around him what all

204  
00:10:04,260 --> 00:09:59,200

times yeah it's fantastic God that guy I

205  
00:10:10,110 --> 00:10:04,270

don't know about you but Giorgio had no

206  
00:10:13,890 --> 00:10:10,120

arm security no help no bodyguards Greer

207  
00:10:17,760 --> 00:10:13,900

had like something like 15 people

208  
00:10:19,530 --> 00:10:17,770

helping that came he's certainly a diva

209  
00:10:21,600 --> 00:10:19,540

I'll tell you that but we had to rush in

210  
00:10:23,850 --> 00:10:21,610

to get a picture and we did I said don't

211  
00:10:25,770 --> 00:10:23,860

rectum you're a doctor here no doctor

212  
00:10:27,450 --> 00:10:25,780

here doc don't go I said I bought your

213  
00:10:29,090 --> 00:10:27,460

poster about your book about your movie

214

00:10:33,650 --> 00:10:29,100

I went to premiere now I need your face

215

00:10:36,660 --> 00:10:33,660

know what and he goes oh huh hater Oh

216

00:10:39,090 --> 00:10:36,670

picture and so then he squeezed dinner

217

00:10:42,240 --> 00:10:39,100

with him selfie yeah I was awesome was

218

00:10:43,640 --> 00:10:42,250

awesome you know another really fun one

219

00:10:46,170 --> 00:10:43,650

who else

220

00:10:49,920 --> 00:10:46,180

Jimmy Church was frickin awesome Jimmy

221

00:10:53,100 --> 00:10:49,930

Church that voice man is just absolutely

222

00:10:55,530 --> 00:10:53,110

incredible a really nice genuine guy he

223

00:10:57,630 --> 00:10:55,540

was like really kind of the host for the

224

00:11:02,370 --> 00:10:57,640

whole event we heard in multiple places

225

00:11:04,830 --> 00:11:02,380

you know the sky watch or you know in

226

00:11:07,940 --> 00:11:04,840

the the large open area where most

227

00:11:10,290 --> 00:11:07,950

presentations were was that called the

228

00:11:12,490 --> 00:11:10,300

the outdoor area what's a called damnit

229

00:11:17,230 --> 00:11:12,500

it's a place

230

00:11:18,820 --> 00:11:17,240

the theater not the [h\_\_h] auditorium what

231

00:11:22,810 --> 00:11:18,830

it's not an auditorium it's outside you

232

00:11:25,450 --> 00:11:22,820

[h\_\_h] what's it called it's called

233

00:11:26,860 --> 00:11:25,460

something amphitheater amphitheater

234

00:11:28,300 --> 00:11:26,870

there we go that's fine so I helped you

235

00:11:31,620 --> 00:11:28,310

amphitheater did you call any of the

236

00:11:33,940 --> 00:11:31,630

theaters I did no you didn't I did

237

00:11:36,490 --> 00:11:33,950

you're still adorable look if you get

238

00:11:41,650 --> 00:11:36,500

the [h\_\_\h] out of here yeah we had a good

239

00:11:46,270 --> 00:11:41,660

time with Jeremy Korbel no dude dude guy

240

00:11:47,380 --> 00:11:46,280

is the desert he knows the desert you

241

00:11:48,970 --> 00:11:47,390

could just tell by the way he dresses

242

00:11:51,190 --> 00:11:48,980

that he is you know what's well it was

243

00:11:52,720 --> 00:11:51,200

good luck what's cool about him is as

244

00:11:54,460 --> 00:11:52,730

soon as you meet him soon here I'm for

245

00:11:55,870 --> 00:11:54,470

hanging around with him for a second

246

00:11:56,890 --> 00:11:55,880

you're like instant friends with him you

247

00:11:58,600 --> 00:11:56,900

feel like you've known him forever yeah

248

00:12:00,190 --> 00:11:58,610

it's just one of those cool people you

249

00:12:03,880 --> 00:12:00,200

know cuz we left the dr. Greer lecture

250

00:12:06,700 --> 00:12:03,890

early and came outside it was a big

251  
00:12:07,870 --> 00:12:06,710  
cheerful big smile hello to us from

252  
00:12:09,730 --> 00:12:07,880  
Germany so thank you that was really

253  
00:12:11,620 --> 00:12:09,740  
cool he's excited to eat meet us i think

254  
00:12:13,000 --> 00:12:11,630  
james gilliland was very excited to see

255  
00:12:15,910 --> 00:12:13,010  
it he's like oh hi guys

256  
00:12:18,460 --> 00:12:15,920  
yeah he's like they're here hey I have

257  
00:12:21,640 --> 00:12:18,470  
to go I'll be back later and then you

258  
00:12:24,670 --> 00:12:21,650  
never see him same with Nick Pope we met

259  
00:12:26,770 --> 00:12:24,680  
Nick Pope the son he doesn't he I'll

260  
00:12:29,620 --> 00:12:26,780  
tell you he is a very different person

261  
00:12:32,710 --> 00:12:29,630  
in person yeah he's he's not much of a

262  
00:12:33,880 --> 00:12:32,720  
people person he is not much of a people

263  
00:12:37,780 --> 00:12:33,890

person

264

00:12:42,490 --> 00:12:37,790

he's brilliant and it's interesting how

265

00:12:43,750 --> 00:12:42,500

he comes across just kind of like when

266

00:12:46,000 --> 00:12:43,760

you're talking to him versus when he's

267

00:12:47,260 --> 00:12:46,010

on stage he's dynamic and different so

268

00:12:50,050 --> 00:12:47,270

he's definitely a different personality

269

00:12:52,810 --> 00:12:50,060

but he is by the way if any of you guys

270

00:12:54,670 --> 00:12:52,820

whole and stole it yeah

279

00:13:22,130 --> 00:13:18,300

00:13:31,730 --> 00:13:28,830

at contact in the desert but of course

284

00:13:34,519 --> 00:13:31,740

we're gonna put together you know an

285

00:13:37,700 --> 00:13:34,529

actual videos episode one decade episode

one with our interview with Jimmy Church

287

00:13:43,940 --> 00:13:40,230

and the portion of our interview with

288

00:13:47,690 --> 00:13:43,950

Giorgio tsoukalos and you know I think

289

00:13:49,640 --> 00:13:47,700

that it's time for us little people to

290

00:13:52,400 --> 00:13:49,650

be able to start getting information

291

00:13:54,110 --> 00:13:52,410

from the real leaders in this community

292

00:13:56,120 --> 00:13:54,120

don't you think exactly that was what

293

00:13:57,769 --> 00:13:56,130

was so awesome to ask Giorgio the

294

00:14:01,310 --> 00:13:57,779

questions we asked him just so you know

295

00:14:03,740 --> 00:14:01,320

I asked him what is missing from modern

296

00:14:07,090 --> 00:14:03,750

day ufology that was one question and

297

00:14:09,860 --> 00:14:07,100

the other question was what would you

298

00:14:12,680 --> 00:14:09,870

what advice would you give anybody

299

00:14:18,900 --> 00:14:12,690

coming into this world you know to keep

300

00:14:26,910 --> 00:14:23,310

and Joe huh any had fantastic answers I

301  
00:14:30,390 --> 00:14:26,920  
you know he's so polished and fantastic

302  
00:14:31,500 --> 00:14:30,400  
and which one Giorgio oh yeah he's I

303  
00:14:33,270 --> 00:14:31,510  
don't know maybe have a love affair with

304  
00:14:35,340 --> 00:14:33,280  
Giorgio I don't know I just between him

305  
00:14:37,940 --> 00:14:35,350  
and his wife they Ross he's you but I

306  
00:14:39,930 --> 00:14:37,950  
tell you Linda Moulton Howe his shirt

307  
00:14:42,810 --> 00:14:39,940  
anybody sure I wouldn't buy a shirt

308  
00:14:45,270 --> 00:14:42,820  
because fabric I didn't like the fabric

309  
00:14:47,250 --> 00:14:45,280  
fabric I don't care if Jesus himself had

310  
00:14:48,540 --> 00:14:47,260  
a booth and if the fabric was been on

311  
00:14:50,790 --> 00:14:48,550  
the shirt I wouldn't sell back sorry

312  
00:14:54,390 --> 00:14:50,800  
Jesus it's like no no no take the shirt

313  
00:14:56,610 --> 00:14:54,400

it's free of xre I'm thanking it no does

314

00:14:59,690 --> 00:14:56,620

it make me disfigured where you say

315

00:15:01,800 --> 00:14:59,700

about Linda mall out so she is Bigfoot

316

00:15:03,840 --> 00:15:01,810

Linda Moulton Howes Bigfoot and let me

317

00:15:07,740 --> 00:15:03,850

tell you why she's everywhere but

318

00:15:09,630 --> 00:15:07,750

nowhere people say they see her I looked

319

00:15:11,310 --> 00:15:09,640

for her autumn for that [h\_\_h] all over

320

00:15:14,790 --> 00:15:11,320

the concert up and down the hill back

321

00:15:17,160 --> 00:15:14,800

and forth and it wasn't until tours in

322

00:15:20,460 --> 00:15:17,170

on Sunday night she's heading to the

323

00:15:24,420 --> 00:15:20,470

panel excuse me

324

00:15:25,590 --> 00:15:24,430

I go Linda Linda there you are and I

325

00:15:26,880 --> 00:15:25,600

told her you're like Bigfoot your

326

00:15:28,260 --> 00:15:26,890

elusive I can't find you and where are

327

00:15:29,460 --> 00:15:28,270

you real let me give you a hug give me a

328

00:15:32,160 --> 00:15:29,470

hug and then she gave me a hug and then

329

00:15:33,740 --> 00:15:32,170

she just went on her way yeah it was

330

00:15:36,300 --> 00:15:33,750

quick I couldn't even get a burger of it

331

00:15:38,520 --> 00:15:36,310

excuse me sorry about that I know I want

332

00:15:40,160 --> 00:15:38,530

to get a picture with her but you know

333

00:15:44,070 --> 00:15:40,170

that's what happens it just happens

334

00:15:46,020 --> 00:15:44,080

but um yeah I wonder what are our

335

00:15:48,000 --> 00:15:46,030

listeners and our followers want to know

336

00:15:49,500 --> 00:15:48,010

anything specifically about what is it

337

00:15:53,790 --> 00:15:49,510

340

00:16:04,230 --> 00:16:00,340

chatroom even if you're listening to

341

00:16:06,030 --> 00:16:04,240

this now obviously it's not um I did it

342

00:16:07,380 --> 00:16:06,040

343

00:16:11,970 --> 00:16:07,390

403  
00:19:12,699 --> 00:19:10,619

405  
00:19:17,180 --> 00:19:15,539  
okay no you know I think that our james

406  
00:19:18,619 --> 00:19:17,190  
gilliland interview blew everybody away

407  
00:19:20,899 --> 00:19:18,629  
they just you know there's like you know

408  
00:19:22,609 --> 00:19:20,909  
what I blew it the way there's no reason

409  
00:19:25,609 --> 00:19:22,619  
to ever listen to another UFO bose

410  
00:19:26,389 --> 00:19:25,619  
podcast again because we cover james

411  
00:19:29,419 --> 00:19:26,399

sure you guys follow subscribe all

432  
00:20:27,949 --> 00:20:24,239  
things UFO Bros TV it helps us out

433  
00:20:29,869 --> 00:20:27,959  
absolutely nothing but thank you so

434  
00:20:32,690 --> 00:20:29,879  
let's kind of like take them through our

435  
00:20:34,099 --> 00:20:32,700  
day right so you know you get there you

436  
00:20:39,129 --> 00:20:34,109  
sit at contractor desert you set up

437  
00:20:42,199 --> 00:20:39,139  
tents it's actually a really nice desert

438  
00:20:44,539 --> 00:20:42,209

and the mornings were pretty nice and

439

00:20:46,699 --> 00:20:44,549

then it just started heating yeah like a

440

00:20:51,110 --> 00:20:46,709

red 11 a.m. 11 o'clock you look I'm up

441

00:20:53,480 --> 00:20:51,120

I'm hot I'm going up to the hill

442

00:20:55,490 --> 00:20:53,490

and it's pretty straightforward from

443

00:20:57,020 --> 00:20:55,500

that point on it's just workshops

444

00:20:58,370 --> 00:20:57,030

lectures and that's what we're adding

445

00:20:59,720 --> 00:20:58,380

that's what we were doing just back and

446

00:21:01,610 --> 00:20:59,730

forth back and forth this person that

447

00:21:04,340 --> 00:21:01,620

person you don't we need to talk about

448

00:21:07,940 --> 00:21:04,350

though now I think is our experience

449

00:21:09,830 --> 00:21:07,950

with the night goggles you guys want to

450

00:21:11,200 --> 00:21:09,840

hear our horrific story well it's not

451  
00:21:14,510 --> 00:21:11,210  
horrific right it's not really horrific

452  
00:21:16,130 --> 00:21:14,520  
well you know it was it's weird if I had

453  
00:21:20,090 --> 00:21:16,140  
a Yelp for it I'd probably give it like

454  
00:21:21,650 --> 00:21:20,100  
maybe half a star so here do you want to

455  
00:21:24,320 --> 00:21:21,660  
give my personal keep in the back sound

456  
00:21:27,380 --> 00:21:24,330  
like how of what what okay this is how

457  
00:21:29,030 --> 00:21:27,390  
it goes you step in line you walk up to

458  
00:21:30,710 --> 00:21:29,040  
the front first of all why you're in

459  
00:21:32,510 --> 00:21:30,720  
line you're trying to look up and see

460  
00:21:35,060 --> 00:21:32,520  
people are looking at there's this big

461  
00:21:40,310 --> 00:21:35,070  
old woman this is scream and her lungs

462  
00:21:40,970 --> 00:21:40,320  
out everywhere at em shut up so then you

463  
00:21:43,490 --> 00:21:40,980

get to the front

464

00:21:45,230 --> 00:21:43,500

can't \$10 you haven't \$10 to get to

465

00:21:47,600 --> 00:21:45,240

people's 5 but I never had to pay my

466

00:21:50,150 --> 00:21:47,610

life to look at this guy anyway

467

00:21:53,180 --> 00:21:50,160

so we both give us our money they said

468

00:21:56,120 --> 00:21:53,190

we have to and then the woman on the

469

00:21:58,669 --> 00:21:56,130

microphone goes dig I can't yeah I can i

470

00:21:59,960 --> 00:21:58,679

edit and then so we walk over this on

471

00:22:01,040 --> 00:21:59,970

this bench by the way this is kind of

472

00:22:03,560 --> 00:22:01,050

what it feels like to do it go ahead

473

00:22:05,000 --> 00:22:03,570

yeah and everybody's I could turn on

474

00:22:09,620 --> 00:22:05,010

which way the lady's yelling about

475

00:22:11,660 --> 00:22:09,630

lasers pointing at planes and [h\_\_\h] so we

476

00:22:13,310 --> 00:22:11,670

get there we sit down and she's like hi

477

00:22:15,500 --> 00:22:13,320

I'm like hi she's like I need your

478

00:22:17,390 --> 00:22:15,510

phones or ID she takes him she stuffs

479

00:22:19,070 --> 00:22:17,400

right between her titties she puts him

480

00:22:22,010 --> 00:22:19,080

in titty see I already sitting all that

481

00:22:24,290 --> 00:22:22,020

like oh right we just video so you give

482

00:22:27,200 --> 00:22:24,300

her the phones and her titties she

483

00:22:29,060 --> 00:22:27,210

didn't use you the binoculars did are

484

00:22:32,030 --> 00:22:29,070

attached to her by a cord

485

00:22:34,280 --> 00:22:32,040

no no it's by a yarn a PC yard PC yarn

486

00:22:35,540 --> 00:22:34,290

cord whatever yeah all right so dude

487

00:22:38,030 --> 00:22:35,550

Emmett was sitting there first looking

488

00:22:39,110 --> 00:22:38,040

at it she's okay just grab my hand if

489

00:22:41,060 --> 00:22:39,120

you want me to point the laser at

490

00:22:42,380 --> 00:22:41,070

something so she's got a floppy hand

491

00:22:44,860 --> 00:22:42,390

it's flopping everywhere why he's trying

492

00:22:47,990 --> 00:22:44,870

to point with it's a nightmare

493

00:22:50,299 --> 00:22:48,000

mm so much my worst experience I had

494

00:22:52,850 --> 00:22:50,309

well it wasn't a bad experience for me

495

00:22:56,000 --> 00:22:52,860

it may irritated me I could totally feel

496

00:22:57,799 --> 00:22:56,010

I'm it'll shock gee my my Chi and my

497

00:22:59,960 --> 00:22:57,809

zero shot oh you mean your chakra was it

498

00:23:01,530 --> 00:22:59,970

out of balance yeah it cracked yeah

499

00:23:04,450 --> 00:23:01,540

you're almost cracked

500

00:23:06,010 --> 00:23:04,460

shut your shocker crack by the way real

501  
00:23:07,420 --> 00:23:06,020  
quick I want to say hello to UFO Buster

502  
00:23:11,110 --> 00:23:07,430  
radio there in the chat room right now

503  
00:23:13,540 --> 00:23:11,120  
and he's always sir buster

504  
00:23:16,000 --> 00:23:13,550  
and by the way should check them out he

505  
00:23:16,960 --> 00:23:16,010  
is I think really on the same path we're

506  
00:23:19,630 --> 00:23:16,970  
at so make sure you guys are checking

507  
00:23:23,710 --> 00:23:19,640  
out UFO bubbly on Spreaker they do a

508  
00:23:25,510 --> 00:23:23,720  
good job over there but um so I'll be

509  
00:23:29,080 --> 00:23:25,520  
honest the night before we went to the

510  
00:23:33,160 --> 00:23:29,090  
sky watch we saw something well I saw

511  
00:23:36,070 --> 00:23:33,170  
something I saw a flash and it wasn't

512  
00:23:39,250 --> 00:23:36,080  
like a blinking it was like a light that

513  
00:23:41,440 --> 00:23:39,260

got really bright over time and then

514

00:23:42,160 --> 00:23:41,450

suddenly got dim over time I thought

515

00:23:43,420 --> 00:23:42,170

that was really weird

516

00:23:45,010 --> 00:23:43,430

and of course funny because I was

517

00:23:47,320 --> 00:23:45,020

sitting and ready on the hill is

518

00:23:48,820 --> 00:23:47,330

whooping horn it was funny because I

519

00:23:50,740 --> 00:23:48,830

sitting back and I was so comfortable by

520

00:23:52,990 --> 00:23:50,750

the truck and you're all look at this

521

00:23:54,580 --> 00:23:53,000

look at you look at this I'm like no you

522

00:23:57,550 --> 00:23:54,590

like are you crazy you're doing it again

523

00:23:58,840 --> 00:23:57,560

like Roswell and I said there's alien

524

00:24:00,670 --> 00:23:58,850

they're all out here you'll probably

525

00:24:02,350 --> 00:24:00,680

find one tomorrow or in 30 seconds and

526

00:24:04,270 --> 00:24:02,360

you're like no I all look dirty

527

00:24:05,890 --> 00:24:04,280

oh yeah and for those of you just like

528

00:24:08,050 --> 00:24:05,900

side note here this is what happened

529

00:24:11,020 --> 00:24:08,060

when we went to the actual crash site at

530

00:24:13,600 --> 00:24:11,030

Roswell okay what was it like a 20 hour

531

00:24:15,040 --> 00:24:13,610

drive or some [h\_\_h] we get there it's ooh

532

00:24:19,060 --> 00:24:15,050

20 okay

533

00:24:21,520 --> 00:24:19,070

but it's beautiful we are in the

534

00:24:24,820 --> 00:24:21,530

flatlands that open lands of New Mexico

535

00:24:26,350 --> 00:24:24,830

there are no lights there are no roads

536

00:24:29,230 --> 00:24:26,360

there's no freeways there's no

537

00:24:32,410 --> 00:24:29,240

artificial light of any kind and there's

538

00:24:34,000 --> 00:24:32,420

no way out and we get there and this

539

00:24:37,450 --> 00:24:34,010

[h\_\_h] face right here decides to go to

540

00:24:40,350 --> 00:24:37,460

bed I'm like it's like 8:30 I'm like no

541

00:24:43,570 --> 00:24:40,360

look at the sky now I'm going to vachat

542

00:24:46,570 --> 00:24:43,580

and so it was good he who is about to

543

00:24:48,490 --> 00:24:46,580

pull that [h\_\_h] again but he did a good

544

00:24:50,080 --> 00:24:48,500

job he did a good job so you know thank

545

00:24:51,490 --> 00:24:50,090

you for that just and every but you do

546

00:24:53,410 --> 00:24:51,500

you never saw that you never saw the

547

00:24:58,090 --> 00:24:53,420

light did you yes I saw multiple of them

548

00:25:01,600 --> 00:24:58,100

okay but you claimed that it stopped

549

00:25:05,980 --> 00:25:01,610

yeah I saw something went it as it flew

550

00:25:09,430 --> 00:25:05,990

it stopped and then it went again it

551  
00:25:10,540 --> 00:25:09,440  
kept going hundred percent certain of

552  
00:25:12,040 --> 00:25:10,550  
that I'm certain there's one out there

553  
00:25:13,420 --> 00:25:12,050  
somewhere they're all over the place if

554  
00:25:15,049 --> 00:25:13,430  
you got monoculars out there he'd be

555  
00:25:16,610 --> 00:25:15,059  
able to see so much stuff

556  
00:25:19,669 --> 00:25:16,620  
you think that they're really contacting

557  
00:25:22,340 --> 00:25:19,679  
aliens then no then what do you think

558  
00:25:24,590 --> 00:25:22,350  
stopped I don't know all's I know is if

559  
00:25:26,180 --> 00:25:24,600  
I was a UFO craft I see some green

560  
00:25:30,580 --> 00:25:26,190  
lasers shooting at me I'd be like what

561  
00:25:33,980 --> 00:25:31,730  
uh-oh

562  
00:25:39,970 --> 00:25:33,990  
I for one didn't see anything abnormal

563  
00:25:42,289 --> 00:25:39,980

or you know phenomenon related I think

564

00:25:44,239 --> 00:25:42,299

first of all there's a lot of excitement

565

00:25:45,950 --> 00:25:44,249

because every we want to know you know

566

00:25:49,009 --> 00:25:45,960

we all want to see something

567

00:25:51,560 --> 00:25:49,019

extraordinary well you know Greer did

568

00:25:56,930 --> 00:25:51,570

anything needed giggling you know Greer

569

00:25:59,119 --> 00:25:56,940

did is uh ABA did like how much was that

570

00:25:59,720 --> 00:25:59,129

six hundred apiece I think was eighty

571

00:26:12,039 --> 00:25:59,730

nine bucks

572

00:26:16,519 --> 00:26:14,600

we're all there we all want to see an

573

00:26:18,049 --> 00:26:16,529

alien we all believe in some way or the

574

00:26:20,869 --> 00:26:18,059

other and here's this big group of

575

00:26:23,330 --> 00:26:20,879

people watching a bright flash in the

576

00:26:24,739 --> 00:26:23,340

sky it's kind of exciting I got excited

577

00:26:26,480 --> 00:26:24,749

that's why I said Joe come on we got to

578

00:26:29,119 --> 00:26:26,490

go got to pay two five bucks each it's

579

00:26:30,799 --> 00:26:29,129

only five bucks whatever yeah that's it

580

00:26:34,190 --> 00:26:30,809

we got to experience it I mean it wasn't

581

00:26:36,590 --> 00:26:34,200

terrible I will say though I did some

582

00:26:38,840 --> 00:26:36,600

research and I hate to burst anybody's

583

00:26:42,350 --> 00:26:38,850

bubble that may have had what they

584

00:26:46,220 --> 00:26:42,360

thought was you know a UFO encounter or

585

00:26:48,049 --> 00:26:46,230

an experience but I highly recommend you

586

00:26:51,619 --> 00:26:48,059

to research something called an Iridium

587

00:26:53,899 --> 00:26:51,629

flare and it's a natural a sort of thing

588

00:26:57,320 --> 00:26:53,909

that happens on our satellites and that

589

00:27:00,139 --> 00:26:57,330

could be satellites in general space

590

00:27:03,369 --> 00:27:00,149

debris all sorts of things and I would

591

00:27:05,749 --> 00:27:03,379

only say that because every single I

592

00:27:07,159 --> 00:27:05,759

guess you could say thing moving in the

593

00:27:08,450 --> 00:27:07,169

sky that I saw it was all in a linear

594

00:27:11,239 --> 00:27:08,460

pattern which would tell me it's a

595

00:27:13,940 --> 00:27:11,249

satellite I didn't see anything stop go

596

00:27:15,980 --> 00:27:13,950

ninety degrees you know that's just

597

00:27:17,119 --> 00:27:15,990

that's what I didn't make senses now

598

00:27:19,070 --> 00:27:17,129

that stuff that everyone's looking at

599

00:27:22,489 --> 00:27:19,080

what ninety degrees no it's all just in

600

00:27:24,769 --> 00:27:22,499

a linear line and I don't know why it is

601  
00:27:26,580 --> 00:27:24,779  
that when they use the green lasers it

602  
00:27:29,460 --> 00:27:26,590  
causes an Iridium flare

603  
00:27:31,289 --> 00:27:29,470  
or if it's just a timing with the way it

604  
00:27:34,249 --> 00:27:31,299  
this satellite or whatever it is is

605  
00:27:36,840 --> 00:27:34,259  
reflecting the Sun but if you go on

606  
00:27:38,700 --> 00:27:36,850  
YouTube and you watch that I will tell

607  
00:27:40,259 --> 00:27:38,710  
you right now Joe it's exactly what I

608  
00:27:41,940 --> 00:27:40,269  
saw it's an Iridium flares what we saw

609  
00:27:43,649 --> 00:27:41,950  
maybe that's why they did it at a

610  
00:27:45,840 --> 00:27:43,659  
certain time of night that's why they do

611  
00:27:47,789 --> 00:27:45,850  
a certain time of night work also the

612  
00:27:50,730 --> 00:27:47,799  
location is right near and by the way

613  
00:27:52,289 --> 00:27:50,740

AJ's the one that up that where's that

614

00:27:54,840 --> 00:27:52,299

[h\_\_h] I get him on here yeah well he I

615

00:27:56,399 --> 00:27:54,850

don't know he's busy but like AJ like KJ

616

00:27:59,159 --> 00:27:56,409

commented to us you know we're there

617

00:28:01,289 --> 00:27:59,169

there is a military base right there and

618

00:28:03,299 --> 00:28:01,299

by the way there is plenty of airplane

619

00:28:05,340 --> 00:28:03,309

flight paths right over that area that

620

00:28:08,220 --> 00:28:05,350

everybody's looking at this guy so here

621

00:28:11,879 --> 00:28:08,230

you have all these really excited UFO

622

00:28:13,619 --> 00:28:11,889

people pointing lasers into plane I had

623

00:28:16,680 --> 00:28:13,629

no idea what they're pointing it at I

624

00:28:20,310 --> 00:28:16,690

mean it's a disaster waiting to happen

625

00:28:25,580 --> 00:28:20,320

and you know I really I can't say people

626

00:28:29,850 --> 00:28:27,690

excuse me something's got me take a

627

00:28:36,289 --> 00:28:29,860

drink here Joe will you finish my

628

00:28:40,889 --> 00:28:36,299

thought thanks ha all the flares they

629

00:28:42,590 --> 00:28:40,899

that go ahead well no I think people

630

00:28:45,239 --> 00:28:42,600

need a research or reading fillet here

631

00:28:46,710 --> 00:28:45,249

before they decide that they've had UF

632

00:28:49,649 --> 00:28:46,720

for alien contact that'd be my

633

00:28:55,320 --> 00:28:49,659

recommendation oh yeah because it just

634

00:28:57,239 --> 00:28:55,330

you know I I left there feeling exactly

635

00:29:00,060 --> 00:28:57,249

the same as I came I mean I don't have

636

00:29:03,480 --> 00:29:00,070

any you know further thoughts on the

637

00:29:06,299 --> 00:29:03,490

phenomenon really or UFOs there was some

638

00:29:08,249 --> 00:29:06,309

pretty incredible lectures by Jack delay

639

00:29:11,489 --> 00:29:08,259

mm-hmm which by the way is a longtime

640

00:29:13,320 --> 00:29:11,499

UFO researcher like the grandfather I

641

00:29:18,710 --> 00:29:13,330

guess you could say if you follow gee

642

00:29:23,970 --> 00:29:22,560

what else do we go to we had we were in

643

00:29:25,440 --> 00:29:23,980

and out of so many different seminars

644

00:29:28,529 --> 00:29:25,450

and things just trying to get a feel

645

00:29:29,159 --> 00:29:28,539

good an understanding of what is going

646

00:29:30,480 --> 00:29:29,169

on now

647

00:29:31,919 --> 00:29:30,490

we were all over the place back and

648

00:29:35,369 --> 00:29:31,929

forth we're just scattered trying to get

649

00:29:36,539 --> 00:29:35,379

to these events while trying to wait to

650

00:29:37,430 --> 00:29:36,549

leave some room early just to get to

651  
00:29:39,440 --> 00:29:37,440  
others

652  
00:29:41,180 --> 00:29:39,450  
it was just so and then trying to find

653  
00:29:42,379 --> 00:29:41,190  
that find them afterwards do an

654  
00:29:43,789 --> 00:29:42,389  
interview but they got to go way on the

655  
00:29:45,830 --> 00:29:43,799  
other side to go to the other sanctuary

656  
00:29:47,029 --> 00:29:45,840  
or stage to do another workshop or

657  
00:29:50,360 --> 00:29:47,039  
something it was crazy

658  
00:29:53,299 --> 00:29:50,370  
ha just really quick UFO Buster Raider

659  
00:29:55,460 --> 00:29:53,309  
radio says or was it the ship that was

660  
00:29:58,310 --> 00:29:55,470  
sent to meet you guys according to your

661  
00:30:00,680 --> 00:29:58,320  
follower hey maybe it would know it

662  
00:30:04,580 --> 00:30:00,690  
wasn't sorry sorry Manny Moonraker it

663  
00:30:06,200 --> 00:30:04,590

just wasn't nope it was a damn satellite

664

00:30:07,789 --> 00:30:06,210

everybody was looking at satellites and

665

00:30:11,570 --> 00:30:07,799

pointing lasers at him that's what was

666

00:30:13,159 --> 00:30:11,580

happening in my opinion yep and he was

667

00:30:16,070 --> 00:30:13,169

different especially the ones I went to

668

00:30:18,200 --> 00:30:16,080

the Greer the Greer to look out they

669

00:30:22,220 --> 00:30:18,210

said that they met alien beings through

670

00:30:23,649 --> 00:30:22,230

astral projection a lot of Mulan that

671

00:30:27,310 --> 00:30:23,659

trick

672

00:30:31,460 --> 00:30:27,320

Greer Rick did a lot of money Green

673

00:30:34,330 --> 00:30:31,470

Green so you know there's no way you owe

674

00:30:39,320 --> 00:30:34,340

50 bucks just to go see him for his

675

00:30:42,080 --> 00:30:39,330

whatever 89 bucks to contact him and

676  
00:30:42,440 --> 00:30:42,090  
what like another 50 bucks to laser with

677  
00:30:45,169 --> 00:30:42,450  
him

678  
00:30:47,299 --> 00:30:45,179  
no the laser is 8 the laser was 89 the

679  
00:30:51,680 --> 00:30:47,309  
workshop was fifty nine forty nine fifty

680  
00:30:53,570 --> 00:30:51,690  
nine and then his posters are 50s books

681  
00:30:55,460 --> 00:30:53,580  
for 50 if they're signed t-shirts are

682  
00:30:58,100 --> 00:30:55,470  
like 25 it's just typical you know

683  
00:31:00,710 --> 00:30:58,110  
basically what he is is a very smart

684  
00:31:02,659 --> 00:31:00,720  
ufologist that is trying to make money

685  
00:31:07,159 --> 00:31:02,669  
and that's what it is but I have a

686  
00:31:11,180 --> 00:31:07,169  
problem when we're out in the middle of

687  
00:31:15,379 --> 00:31:11,190  
the desert for the last night and dr.

688  
00:31:18,470 --> 00:31:15,389

Greer is having his special you know

689

00:31:20,810 --> 00:31:18,480

summoning of aliens mmm-hmm I have a

690

00:31:22,490 --> 00:31:20,820

problem when he starts saying and we

691

00:31:24,460 --> 00:31:22,500

could hear the reason why we could hear

692

00:31:27,289 --> 00:31:24,470

the whole thing is because they were on

693

00:31:29,840 --> 00:31:27,299

speakers loudspeakers that resonated

694

00:31:32,990 --> 00:31:29,850

throughout the entire camping area so we

695

00:31:36,440 --> 00:31:33,000

could hear him telling people that on

696

00:31:38,990 --> 00:31:36,450

this star this is where these aliens

697

00:31:41,930 --> 00:31:39,000

live and on this star this is this

698

00:31:44,830 --> 00:31:41,940

species and this is this culture and I

699

00:31:47,990 --> 00:31:44,840

just start I have a hard time with that

700

00:31:50,870 --> 00:31:48,000

that's the quarry good stuff that's the

701  
00:31:53,330 --> 00:31:50,880  
David will David I don't David Wilcock

702  
00:31:54,860 --> 00:31:53,340  
see I don't know if he's I don't think

703  
00:31:59,480 --> 00:31:54,870  
he claims - then abductor do you know

704  
00:32:01,700 --> 00:31:59,490  
Mesa or an experiencer but we did have

705  
00:32:05,210 --> 00:32:01,710  
an interesting encounter with that Patti

706  
00:32:07,370 --> 00:32:05,220  
Greer though oh yeah she was a she was

707  
00:32:09,080 --> 00:32:07,380  
an interesting character after she got

708  
00:32:10,430 --> 00:32:09,090  
through telling us that she is I think I

709  
00:32:15,230 --> 00:32:10,440  
think most of all she was just messing

710  
00:32:17,450 --> 00:32:15,240  
with us do you think so I think so so

711  
00:32:18,740 --> 00:32:17,460  
she's not crazy I don't think so I think

712  
00:32:20,090 --> 00:32:18,750  
she was just messing with us

713  
00:32:23,119 --> 00:32:20,100

what why don't you tell me what she did

714

00:32:26,600 --> 00:32:23,129

she wanted to know to make sure that we

715

00:32:28,340 --> 00:32:26,610

are was it we don't have no bad energies

716

00:32:31,820 --> 00:32:28,350

she took her phone and she waved it

717

00:32:33,889 --> 00:32:31,830

around in a circle if it if the camera

718

00:32:36,799 --> 00:32:33,899

goes in a circle - yes if it goes back

719

00:32:38,629 --> 00:32:36,809

and forth no so so they had a bad bad

720

00:32:40,009 --> 00:32:38,639

whatever spirit in them or whatever she

721

00:32:45,740 --> 00:32:40,019

could go back and force it no if you're

722

00:32:49,060 --> 00:32:45,750

okay we can talk but and then she told

723

00:32:52,999 --> 00:32:49,070

us about seeds found iron crop circles

724

00:32:56,659 --> 00:32:53,009

yeah from today our super seeds and she

725

00:32:58,190 --> 00:32:56,669

thinks that the crop circles are here to

726

00:32:59,749 --> 00:32:58,200

save us from the future disaster of some

727

00:33:03,019 --> 00:32:59,759

sort and I think she has many different

728

00:33:06,529 --> 00:33:03,029

theories and hypotheses probably yeah

729

00:33:09,470 --> 00:33:06,539

somebody says hug time I'm not sure this

730

00:33:13,549 --> 00:33:09,480

is a new person an epochal 'is a POC a

731

00:33:15,860 --> 00:33:13,559

le s welcome to the chat room we're all

732

00:33:17,659 --> 00:33:15,870

having a hug right now I don't know what

733

00:33:20,389 --> 00:33:17,669

a hug time me not all that or or is that

734

00:33:20,960 --> 00:33:20,399

nug time I can't really tell my eyes are

735

00:33:23,360 --> 00:33:20,970

a bit blurry

736

00:33:31,890 --> 00:33:23,370

it's either hug time or nug time one of

737

00:33:33,970 --> 00:33:31,900

the two what was your favorite part Joe

738

00:33:35,170 --> 00:33:33,980

just meeting everybody that was my

739

00:33:36,640 --> 00:33:35,180

favorite part and there's no special

740

00:33:39,280 --> 00:33:36,650

workshop or anything just meeting them

741

00:33:43,000 --> 00:33:39,290

that's gonna make sound when you hear it

742

00:33:45,310 --> 00:33:43,010

back it's going to be really loud so all

743

00:33:46,930 --> 00:33:45,320

in all we had a great time I just feel

744

00:33:49,380 --> 00:33:46,940

it's important that when people go to

745

00:33:54,100 --> 00:33:49,390

events like this that they separate out

746

00:33:56,800 --> 00:33:54,110

stories from or I guess you could say

747

00:33:59,050 --> 00:33:56,810

prophesize people that prophesize what

748

00:34:01,720 --> 00:33:59,060

they believe as opposed to people that

749

00:34:02,860 --> 00:34:01,730

research the evidence yeah there seems

750

00:34:04,980 --> 00:34:02,870

to be a big difference

751  
00:34:07,810 --> 00:34:04,990  
you've got people on one spectrum who

752  
00:34:08,980 --> 00:34:07,820  
fully believe for whatever reason or

753  
00:34:10,450 --> 00:34:08,990  
they're completely full of [\h\_\_\h] on

754  
00:34:12,730 --> 00:34:10,460  
purpose we don't really entirely know

755  
00:34:15,460 --> 00:34:12,740  
the motivations that they're being

756  
00:34:17,350 --> 00:34:15,470  
taking in blue spheres under Antarctica

757  
00:34:18,970 --> 00:34:17,360  
and that sort of thing and then you've

758  
00:34:21,880 --> 00:34:18,980  
got people on the other on the on the

759  
00:34:23,830 --> 00:34:21,890  
far end that deal only specifically in

760  
00:34:26,320 --> 00:34:23,840  
numbers numbers numbers number you know

761  
00:34:28,020 --> 00:34:26,330  
like Jack fails somebody's exactly but

762  
00:34:31,090 --> 00:34:28,030  
he also has a lot of really amazing

763  
00:34:32,710 --> 00:34:31,100

hypotheses as well but you know you're

764

00:34:35,440 --> 00:34:32,720

gonna get kind of everything if you like

765

00:34:40,990 --> 00:34:35,450

to rub crystals on your body and sit

766

00:34:43,450 --> 00:34:41,000

under a mmm what was that up pyramid out

767

00:34:46,030 --> 00:34:43,460

Manila know where you can do that it's

768

00:34:49,330 --> 00:34:46,040

just a place if you want to cheat out

769

00:34:51,640 --> 00:34:49,340

drink and party and hang out you can do

770

00:34:53,650 --> 00:34:51,650

that too it's just really kind of it's a

771

00:34:59,710 --> 00:34:53,660

really chill vibe there it's everybody's

772

00:35:01,810 --> 00:34:59,720

happy cool not had one problem ah not

773

00:35:05,350 --> 00:35:01,820

one issue at all y'all look and we do

774

00:35:07,750 --> 00:35:05,360

recommend it we do met some very nice

775

00:35:10,150 --> 00:35:07,760

people who's two tall girls two tall

776

00:35:12,250 --> 00:35:10,160

girls I think your Pelagians what was

777

00:35:14,260 --> 00:35:12,260

their names I don't know I don't

778

00:35:16,540 --> 00:35:14,270

remember oh we should tell people about

779

00:35:19,570 --> 00:35:16,550

what happened on Saturday night during

780

00:35:23,620 --> 00:35:19,580

the special presentation with the bowls

781

00:35:26,080 --> 00:35:23,630

and the smoke and go for your whether

782

00:35:28,780 --> 00:35:26,090

you saw it I'm well how did how to make

783

00:35:33,820 --> 00:35:28,790

you feel though they're not long pink

784

00:35:35,050 --> 00:35:33,830

eye maybe that's where you got bigger it

785

00:35:39,280 --> 00:35:35,060

was interesting it was all these people

786

00:35:41,200 --> 00:35:39,290

with different sized black holes and

787

00:35:42,610 --> 00:35:41,210

they were ringing them and they were

788

00:35:45,180 --> 00:35:42,620

worshipping them

789

00:35:47,560 --> 00:35:45,190

there it's just a they're just

790

00:35:50,020 --> 00:35:47,570

meditating it's a meditation it was just

791

00:35:51,700 --> 00:35:50,030

very different is what I mean to say it

792

00:35:53,530 --> 00:35:51,710

was cool it was really relaxing well but

793

00:35:55,120 --> 00:35:53,540

it's just different that could be scary

794

00:35:57,700 --> 00:35:55,130

to some people or just like really

795

00:36:00,700 --> 00:35:57,710

that's the thing and people don't like

796

00:36:02,230 --> 00:36:00,710

different absolutely not

797

00:36:04,090 --> 00:36:02,240

I think see people could be offended by

798

00:36:06,220 --> 00:36:04,100

that or think it's like devil worship or

799

00:36:08,710 --> 00:36:06,230

something it is odd I've never seen

800

00:36:10,630 --> 00:36:08,720

anything like it not saying it's wrong

801  
00:36:12,790 --> 00:36:10,640  
or bad but you know definitely for me

802  
00:36:14,350 --> 00:36:12,800  
was odd you know like a few hundred

803  
00:36:15,370 --> 00:36:14,360  
people with a ball I want to go out

804  
00:36:16,390 --> 00:36:15,380  
there and lay in the middle of it you

805  
00:36:19,570 --> 00:36:16,400  
want to go out there and get some bowls

806  
00:36:23,500 --> 00:36:19,580  
and were they burning they were burning

807  
00:36:29,440 --> 00:36:23,510  
sage and frying frankincense on

808  
00:36:32,800 --> 00:36:29,450  
everybody all right that's a drink I'm

809  
00:36:35,860 --> 00:36:32,810  
gonna have a drink too but we recommend

810  
00:36:37,900 --> 00:36:35,870  
please go please go this go it was so

811  
00:36:40,000 --> 00:36:37,910  
worth it it is so much fun and what do

812  
00:36:41,680 --> 00:36:40,010  
you think that they should always have

813  
00:36:47,950 --> 00:36:41,690

on them like what did we run into any

814

00:36:50,110 --> 00:36:47,960

issues um tie downs oh yes we hit yes

815

00:36:52,750 --> 00:36:50,120

tie downs tie everything down cuz kind

816

00:36:54,310 --> 00:36:52,760

of windy out there that's pretty much it

817

00:36:56,050 --> 00:36:54,320

it'll surprise you you'll pull up there

818

00:36:57,700 --> 00:36:56,060

and it's hot and then in the morning

819

00:37:00,970 --> 00:36:57,710

[h\_\_h] blows away so make sure you tie

820

00:37:03,820 --> 00:37:00,980

stuff down also bring you know um a

821

00:37:06,100 --> 00:37:03,830

low-light lantern bring you know of

822

00:37:07,690 --> 00:37:06,110

course sunblock bring a large hat but

823

00:37:10,030 --> 00:37:07,700

what was really great though about about

824

00:37:12,340 --> 00:37:10,040

it too is that like every few hundred

825

00:37:14,140 --> 00:37:12,350

feet there's a place to flip your water

826

00:37:15,880 --> 00:37:14,150

bottle they had water filling stations

827

00:37:17,560 --> 00:37:15,890

everywhere which is nice that was great

828

00:37:20,980 --> 00:37:17,570

of them to just have her everywhere

829

00:37:24,850 --> 00:37:20,990

refill stage yes we on the other hand we

830

00:37:27,190 --> 00:37:24,860

just for food wise we barbecued not

831

00:37:28,570 --> 00:37:27,200

barbecued we grilled plate a little

832

00:37:30,520 --> 00:37:28,580

Fiasco with the grill but we got to work

833

00:37:32,050 --> 00:37:30,530

and then we always that's we have steak

834

00:37:37,329 --> 00:37:32,060

and salad for dinner that night yeah and

835

00:37:43,400 --> 00:37:39,890

so okay

836

00:37:44,749 --> 00:37:43,410

final hypothesis no wait wait what was

837

00:37:46,489 --> 00:37:44,759

the most ridiculous final second

838

00:37:48,789 --> 00:37:46,499

powerful most ridiculous for the weekend

839

00:37:52,999 --> 00:37:48,799

Joe kind of puff up um

840

00:37:54,650 --> 00:37:53,009

Grier I mean okay there's got to be

841

00:37:57,200 --> 00:37:54,660

something said about that but but I mean

842

00:37:59,660 --> 00:37:57,210

anything else like hmm I wouldn't give

843

00:38:01,609 --> 00:37:59,670

it any negative reviews seriously no it

844

00:38:03,200 --> 00:38:01,619

was good now the next event we need to

845

00:38:05,930 --> 00:38:03,210

check out is well what I what I would

846

00:38:09,579 --> 00:38:05,940

actually recommend would be did a lot of

847

00:38:11,479 --> 00:38:09,589

cool booths but more alien type stuff

848

00:38:13,789 --> 00:38:11,489

merchandize beacon of the mystic

849

00:38:15,859 --> 00:38:13,799

maverick myth myth myth a math Niven

850

00:38:17,150 --> 00:38:15,869

Mavic the mystic Mavericks make sure you

851  
00:38:18,890 --> 00:38:17,160  
follow them there at the mystic

852  
00:38:22,160 --> 00:38:18,900  
Mavericks they hooked us up with some

853  
00:38:24,200 --> 00:38:22,170  
awesome t-shirts that you'll see a l

854  
00:38:27,079 --> 00:38:24,210  
think Jeremy Korbelt wants to so he's all

855  
00:38:31,549 --> 00:38:27,089  
yeah a a mystic Mavericks listing Jeremy

856  
00:38:35,650 --> 00:38:31,559  
Korbelt once a boom land the dreamland

857  
00:38:39,200 --> 00:38:35,660  
purple alien shirt for his tall friend

858  
00:38:41,329 --> 00:38:39,210  
see we got you Jeremy we got you but

859  
00:38:43,489 --> 00:38:41,339  
what's next on the list for the UFO Bros

860  
00:38:45,710 --> 00:38:43,499  
that's a really good question we have a

861  
00:38:46,910 --> 00:38:45,720  
couple kind of cool things in the mix

862  
00:38:48,620 --> 00:38:46,920  
that we can't talk about yet because

863  
00:38:51,680 --> 00:38:48,630

first of all we don't sound stupid

864

00:38:53,390 --> 00:38:51,690

nothing comes of it but um just keep

865

00:38:55,970 --> 00:38:53,400

thinking you know help us out by sharing

866

00:38:58,039 --> 00:38:55,980

our posts anything that you might think

867

00:39:01,190 --> 00:38:58,049

is informational or funny by all means

868

00:39:02,180 --> 00:39:01,200

tag friends share them yeah what

869

00:39:07,339 --> 00:39:02,190

happened to you Joe what happened to

870

00:39:09,440 --> 00:39:07,349

your where's your new impressions no

871

00:39:10,849 --> 00:39:09,450

nothing just tonight tonight was just it

872

00:39:13,309 --> 00:39:10,859

was there's too much to say and it

873

00:39:14,769 --> 00:39:13,319

wasn't the time for it wasn't I mean I

874

00:39:17,779 --> 00:39:14,779

don't think we had a single fart sound

875

00:39:19,789 --> 00:39:17,789

yeah I was trying to be alright give me

876

00:39:20,329 --> 00:39:19,799

a knuckle bump all right give me a

877

00:39:24,380 --> 00:39:20,339
