

**ALIENS
ARE HERE!**

1
00:00:19,870 --> 00:00:12,480

[Music]

2
00:00:21,970 --> 00:00:19,880

you'll bow Bros hey everyone is Giorgio

3
00:00:24,970 --> 00:00:21,980

tsoukalos from ancient aliens and you're

4
00:00:28,720 --> 00:00:24,980

experiencing UFO Bros that's right

5
00:00:30,630 --> 00:00:28,730

you're experiencing UFO bro hey what's

6
00:00:36,910 --> 00:00:30,640

up everybody on the image I'm Joe and

7
00:00:38,560 --> 00:00:36,920

and we are the UF o bro Rose that's a

8
00:00:41,110 --> 00:00:38,570

pretty damn good Jimmy Church impression

9
00:00:44,410 --> 00:00:41,120

I gotta say joke hahaha

10
00:00:48,959 --> 00:00:44,420

so up everybody we're coming at you live

11
00:00:51,219 --> 00:00:48,969

we're in the facility and yeah infamous

12
00:00:55,750 --> 00:00:51,229

soundboard has made a return ladies and

13
00:00:59,860 --> 00:00:55,760

gentlemen but Joe promises again to use

14

00:01:01,299 --> 00:00:59,870

it responsibly yeah good so as long as

15

00:01:04,750 --> 00:01:01,309

you promise to use it responsibly then

16

00:01:09,820 --> 00:01:04,760

you know we can move forward yeah do it

17

00:01:12,370 --> 00:01:09,830

oh [h__h] so I just thought you know Jonah

18

00:01:15,820 --> 00:01:12,380

we were talking and I was thinking what

19

00:01:17,440 --> 00:01:15,830

if we kind of talked a little about like

20

00:01:18,490 --> 00:01:17,450

what's going on in the news in the

21

00:01:20,500 --> 00:01:18,500

beginning just a bit

22

00:01:21,730 --> 00:01:20,510

yeah we can get hit to hit the the heat

23

00:01:24,700 --> 00:01:21,740

back cuz there's like a couple big

24

00:01:26,830 --> 00:01:24,710

things happening right now the UH one

25

00:01:28,840 --> 00:01:26,840

actually kind of it's kind of disturbing

26

00:01:31,210 --> 00:01:28,850

in a way one is disturbing which is

27

00:01:32,740 --> 00:01:31,220

Kathy Griffin you know everybody stares

28

00:01:36,220 --> 00:01:32,750

on the d-list now she's going to the

29

00:01:38,200 --> 00:01:36,230

feet list wait wait that means she goes

30

00:01:40,570 --> 00:01:38,210

up no the Z list

31

00:01:43,350 --> 00:01:40,580

oh oh oh Z I didn't hear that I took my

32

00:01:45,870 --> 00:01:43,360

headphones off sorry yeah D to Z oh yeah

33

00:01:48,160 --> 00:01:45,880

the DD nut hmm

34

00:01:52,960 --> 00:01:48,170

you're out of control you're out of

35

00:01:54,220 --> 00:01:52,970

control no it's okay sorry about the you

36

00:01:55,510 --> 00:01:54,230

know the background we're in the

37

00:02:00,970 --> 00:01:55,520

facility so there's this constant

38

00:02:02,380 --> 00:02:00,980

monitoring by a base etc etc and you

39

00:02:04,690 --> 00:02:02,390

know we do our thing

40

00:02:07,090 --> 00:02:04,700

oh yeah we get down and dirty with alien

41

00:02:08,529 --> 00:02:07,100

thing you guys we've had a crazy couple

42

00:02:09,730 --> 00:02:08,539

weeks yeah we have all we get to the

43

00:02:11,080 --> 00:02:09,740

news so we just got to tell you we went

44

00:02:13,240 --> 00:02:11,090

to contacting the desert as you know

45

00:02:14,360 --> 00:02:13,250

everybody knows but the result of that

46

00:02:16,880 --> 00:02:14,370

is been quite

47

00:02:18,559 --> 00:02:16,890

outreach it has been and we've been

48

00:02:20,119 --> 00:02:18,569

talking to a lot of people and there's

49

00:02:22,690 --> 00:02:20,129

like a lot of these balls in the air no

50

00:02:25,100 --> 00:02:22,700

clone and look there's no pun there but

51
00:02:26,630 --> 00:02:25,110
it's kind of like you know waiting to

52
00:02:28,039 --> 00:02:26,640
hear what could potentially happen from

53
00:02:29,690 --> 00:02:28,049
these connections and that sort of thing

54
00:02:36,550 --> 00:02:29,700
but it's good news it's nothing bad it's

55
00:02:38,869 --> 00:02:36,560
all good excuse me um so you know we're

56
00:02:40,699 --> 00:02:38,879
making our connections we're doing what

57
00:02:45,050 --> 00:02:40,709
we do you know we're trying to bring

58
00:02:47,720 --> 00:02:45,060
this to a bigger audience actually but I

59
00:02:52,069 --> 00:02:47,730
think one thing Joan I have to announce

60
00:03:00,470 --> 00:02:52,079
that we've been kind of you know not

61
00:03:04,160 --> 00:03:00,480
saying is our book yes we have been got

62
00:03:07,130 --> 00:03:04,170
it good good I'm glad you got it I don't

63
00:03:09,199 --> 00:03:07,140

look up in yours does it good no yeah

64

00:03:10,640 --> 00:03:09,209

yeah but seriously we're writing a book

65

00:03:13,580 --> 00:03:10,650

because we're trying to understand this

66

00:03:15,229 --> 00:03:13,590

field of ufology and we're running into

67

00:03:17,420 --> 00:03:15,239

unknown yes

68

00:03:20,270 --> 00:03:17,430

we're running into people of all sorts

69

00:03:23,180 --> 00:03:20,280

of personalities ranging from large

70

00:03:24,199 --> 00:03:23,190

different theories absolutely we're all

71

00:03:25,789 --> 00:03:24,209

about theories what we're kind of

72

00:03:27,920 --> 00:03:25,799

running in like you've heard before if

73

00:03:31,039 --> 00:03:27,930

you listen to us regularly we're running

74

00:03:34,129 --> 00:03:31,049

into the problem where people are

75

00:03:35,390 --> 00:03:34,139

spouting their stories as truth in some

76

00:03:39,349 --> 00:03:35,400

regards and that can be dangerous

77

00:03:42,920 --> 00:03:39,359

especially because this field is so it's

78

00:03:44,780 --> 00:03:42,930

not new but it's it's in a new age of

79

00:03:46,490 --> 00:03:44,790

technology where this topic is reaching

80

00:03:55,460 --> 00:03:46,500

people faster you know what I'm saying

81

00:03:58,569 --> 00:03:55,470

fast and yeah well you know once you

82

00:04:01,879 --> 00:03:58,579

know technology just advances sodas

83

00:04:05,000 --> 00:04:01,889

information and different people with

84

00:04:07,129 --> 00:04:05,010

different stories and you know hey guys

85

00:04:08,839 --> 00:04:07,139

so we got a couple people in the chat

86

00:04:13,460 --> 00:04:08,849

room I just want acknowledged Joe sorry

87

00:04:15,140 --> 00:04:13,470

to welcome yes we have Paul ox ox in him

88

00:04:18,610 --> 00:04:15,150

I believe that's the name Paul oxen ham

89

00:04:23,650 --> 00:04:18,620

and we have UFO Buster radio in jazz

90

00:04:25,210 --> 00:04:23,660

Oh how's it going yeah so um anyway just

91

00:04:26,920 --> 00:04:25,220

kind of back to our news real quick and

92

00:04:31,150 --> 00:04:26,930

then we'll go into what the hell Kathy

93

00:04:34,330 --> 00:04:31,160

Griffin did but that was not a smart

94

00:04:35,800 --> 00:04:34,340

move well I know but that our news is

95

00:04:39,280 --> 00:04:35,810

you know what I bet you that's gonna be

96

00:04:42,340 --> 00:04:39,290

some sort of distraction from the world

97

00:04:43,719 --> 00:04:42,350

war three uh yeah there's got to be

98

00:04:45,129 --> 00:04:43,729

distraction somehow there was the

99

00:04:46,840 --> 00:04:45,139

Pokemon go thing okay fine

100

00:04:48,850 --> 00:04:46,850

since we're there screw it we're gonna

101
00:04:53,610 --> 00:04:48,860
talk about Kathy Griffin because she

102
00:04:57,370 --> 00:04:53,620
posted a very hot freaking crazy picture

103
00:05:00,129 --> 00:04:57,380
online of a photo of her holding Donald

104
00:05:02,710 --> 00:05:00,139
Trump's severed bloody head yeah that's

105
00:05:05,110 --> 00:05:02,720
pushing it too far and look I'm like you

106
00:05:08,110 --> 00:05:05,120
know what what do we feel about Trump or

107
00:05:10,180 --> 00:05:08,120
any president before or future

108
00:05:10,719 --> 00:05:10,190
presidents I mean that's not a good

109
00:05:13,990 --> 00:05:10,729
image for us

110
00:05:16,240 --> 00:05:14,000
I don't think personally she needs to

111
00:05:18,189 --> 00:05:16,250
stop totally she need to take all that

112
00:05:20,260 --> 00:05:18,199
back down well they did and I was just

113
00:05:22,600 --> 00:05:20,270

gonna get there she actually recalled

114

00:05:24,520 --> 00:05:22,610

all that she had the photographer take

115

00:05:27,040 --> 00:05:24,530

it down and she also put out lay an

116

00:05:30,310 --> 00:05:27,050

apology to lathe in a matter of hours

117

00:05:32,350 --> 00:05:30,320

she put out an apology so I don't know

118

00:05:33,850 --> 00:05:32,360

you can take it for whether she's

119

00:05:36,190 --> 00:05:33,860

sincere or not by listening to her but I

120

00:05:40,690 --> 00:05:36,200

just thought you know what love or hate

121

00:05:42,460 --> 00:05:40,700

him wow what a crazy very not artful I

122

00:05:43,120 --> 00:05:42,470

don't think there was anything art about

123

00:05:47,230 --> 00:05:43,130

it at all

124

00:05:49,689 --> 00:05:47,240

yeah it was just infer Trump haters even

125

00:05:51,370 --> 00:05:49,699

the Trump haters we're like that's going

126

00:05:53,830 --> 00:05:51,380

way too far yeah absolutely

127

00:05:55,270 --> 00:05:53,840

I hate Trump but not me personally but I

128

00:05:57,820 --> 00:05:55,280

don't have any word on it I don't do

129

00:06:01,240 --> 00:05:57,830

politics but it's like you know even the

130

00:06:02,320 --> 00:06:01,250

papers were like you went too far you

131

00:06:04,510 --> 00:06:02,330

don't need to doing that I don't like

132

00:06:06,070 --> 00:06:04,520

Trump but damn girl you just went

133

00:06:08,350 --> 00:06:06,080

straight to Z I think that's why she

134

00:06:09,520 --> 00:06:08,360

went straight to the apology I think

135

00:06:11,860 --> 00:06:09,530

she's getting so much she knew that even

136

00:06:15,879 --> 00:06:11,870

her people were like uh uh you know her

137

00:06:19,659 --> 00:06:15,889

followers and UFO Buster Ritter says she

138

00:06:21,010 --> 00:06:19,669

is a big she's a big Lee you do I know

139

00:06:23,009 --> 00:06:21,020

have you got your Trump impression down

140

00:06:28,049 --> 00:06:23,019

Joe

141

00:06:30,479 --> 00:06:28,059

no nobody doing but you had a damn good

142

00:06:32,249 --> 00:06:30,489

Jimmy Church impression down because you

143

00:06:36,089 --> 00:06:32,259

know as you know in that opener that is

144

00:06:38,419 --> 00:06:36,099

Jimmy church that says UFO Bros yeah

145

00:06:41,729 --> 00:06:38,429

it's not joke that's pretty darn close

146

00:06:43,519 --> 00:06:41,739

so moving on you know we also today your

147

00:06:46,319 --> 00:06:43,529

sent us if speaking of World War three

148

00:07:01,020 --> 00:06:46,329

her foot gets or sent up as a pitcher

149

00:07:06,150 --> 00:07:04,470

and we're back yeah we are because I

150

00:07:07,230 --> 00:07:06,160

want to talk about the other news topic

151
00:07:11,790 --> 00:07:07,240
that's kind of like really trending

152
00:07:15,570 --> 00:07:11,800
right now is how we today successfully

153
00:07:18,330 --> 00:07:15,580
intercepted and destroyed not a what the

154
00:07:22,350 --> 00:07:18,340
hell that was kinda creepy not Alexa we

155
00:07:23,580 --> 00:07:22,360
we successfully intercepted Alexa don't

156
00:07:30,690 --> 00:07:23,590
worry about that was on my computer use

157
00:07:32,520 --> 00:07:30,700
yes yes but so we staged not staged but

158
00:07:34,440 --> 00:07:32,530
we launched the missile and then we

159
00:07:36,120 --> 00:07:34,450
showed our capability of how that we can

160
00:07:37,140 --> 00:07:36,130
take it down so to show awkward right a

161
00:07:39,360 --> 00:07:37,150
little left-field you

162
00:07:41,220 --> 00:07:39,370
what does not say it right no you didn't

163
00:07:44,180 --> 00:07:41,230

say you just like totally stop what

164

00:07:47,850 --> 00:07:44,190

you're saying it towards the end of that

165

00:07:50,159 --> 00:07:47,860

what even even you went you didn't even

166

00:07:51,720 --> 00:07:50,169

never get it no tell me I didn't what

167

00:07:54,090 --> 00:07:51,730

you went to the end of the rocket

168

00:07:55,770 --> 00:07:54,100

where's the first part of the story well

169

00:07:58,380 --> 00:07:55,780

I think the first part of the story is

170

00:08:01,909 --> 00:07:58,390

pretty clear is that North Korea keeps

171

00:08:04,350 --> 00:08:01,919

launching these damn missiles total bugs

172

00:08:06,210 --> 00:08:04,360

they keep launching their missiles as a

173

00:08:10,530 --> 00:08:06,220

show of force and not only that they

174

00:08:14,070 --> 00:08:10,540

keep showing like video of the u.s. some

175

00:08:17,490 --> 00:08:14,080

US cities being like a demolished by an

176

00:08:21,450 --> 00:08:17,500

atomic explosion they're really really

177

00:08:24,690 --> 00:08:21,460

very crazy people what's going on up

178

00:08:26,940 --> 00:08:24,700

there I don't know but anyway so we kind

179

00:08:28,140 --> 00:08:26,950

of showed our ability to intercept those

180

00:08:30,600 --> 00:08:28,150

sorts of things today I thought that was

181

00:08:34,950 --> 00:08:30,610

kind of cool uh that was sucked if it

182

00:08:39,480 --> 00:08:34,960

failed hostage in my heart is way way

183

00:08:42,690 --> 00:08:39,490

more can you please bring your teeny

184

00:08:43,500 --> 00:08:42,700

tiny mouth up to the microphone an

185

00:08:49,310 --> 00:08:43,510

[h__\h]

186

00:08:53,690 --> 00:08:49,320

down but also like the main topic of

187

00:08:58,889 --> 00:08:56,639

is billionaire Robert Bigelow I'm sure

188

00:09:01,949 --> 00:08:58,899

most of you have real G below yes well

189

00:09:03,690 --> 00:09:01,959

no um basically this this guy owns his

190

00:09:07,050 --> 00:09:03,700

own aerospace company aerospace

191

00:09:09,480 --> 00:09:07,060

entrepreneur yes and I guess one of his

192

00:09:12,840 --> 00:09:09,490

biggest accomplishments is building

193

00:09:15,300 --> 00:09:12,850

inflatable habitats down space correct

194

00:09:18,060 --> 00:09:15,310

and I don't really know the entirety of

195

00:09:19,980 --> 00:09:18,070

that backstory but what I do know is

196

00:09:22,560 --> 00:09:19,990

that recently I don't if you heard about

197

00:09:24,780 --> 00:09:22,570

this in a 60-minute interview he says

198

00:09:26,850 --> 00:09:24,790

aliens are real he says they're here

199

00:09:28,440 --> 00:09:26,860

they're here absolutely here any claims

200

00:09:30,210 --> 00:09:28,450

that there's like there's already an

201
00:09:32,310 --> 00:09:30,220
existing presence of extraterrestrials

202
00:09:35,610 --> 00:09:32,320
on earth so what he said in a 60-minute

203
00:09:38,190 --> 00:09:35,620
interview and also to being a

204
00:09:43,860 --> 00:09:38,200
billionaire of course and being somebody

205
00:09:46,380 --> 00:09:43,870
whose logo is that of an alien uh he

206
00:09:50,900 --> 00:09:46,390
suggested he's spent more than anybody

207
00:09:53,639 --> 00:09:50,910
else in the US on research into UFOs

208
00:09:55,980 --> 00:09:53,649
that's a pretty big claim that is

209
00:09:58,740 --> 00:09:55,990
because you know dr. Steven Greer might

210
00:10:01,920 --> 00:09:58,750
have been the one and the mouth you know

211
00:10:05,280 --> 00:10:01,930
uh but anyway this is a pretty shocking

212
00:10:07,460 --> 00:10:05,290
a recent public claim because I will

213
00:10:11,190 --> 00:10:07,470

tell you guys there is definitely a

214

00:10:14,760 --> 00:10:11,200

reoccurrence of the UFO topic I mean you

215

00:10:16,920 --> 00:10:14,770

obviously all know that but this topic

216

00:10:18,480 --> 00:10:16,930

is exploding and things are popping up

217

00:10:20,190 --> 00:10:18,490

in the news here and there but it's it's

218

00:10:21,960 --> 00:10:20,200

nice to know that somebody who is a

219

00:10:24,630 --> 00:10:21,970

billionaire working in space is at least

220

00:10:30,720 --> 00:10:24,640

acknowledging in some way yeah we have

221

00:10:32,040 --> 00:10:30,730

nailin presence and I really hope so I'm

222

00:10:33,540 --> 00:10:32,050

like let's make up our damn minds are

223

00:10:35,579 --> 00:10:33,550

they here or not come on guys I mean why

224

00:10:38,460 --> 00:10:35,589

is this such a big deal just you know

225

00:10:42,850 --> 00:10:38,470

but I did like I said I even saw it on

226

00:10:46,130 --> 00:10:42,860

um Sodom Sodom even Sodom

227

00:10:48,450 --> 00:10:46,140

[Laughter]

228

00:10:52,740 --> 00:10:48,460

hmm I was reading on one of our

229

00:10:53,970 --> 00:10:52,750

Instagram you can read that's fantastic

230

00:11:03,030 --> 00:10:53,980

congratulations

231

00:11:07,530 --> 00:11:03,040

oh [h__h] you man that's very very short

232

00:11:09,810 --> 00:11:07,540

visit from the Lord of Darkness listen

233

00:11:11,100 --> 00:11:09,820

okay what I was trying to say is that in

234

00:11:13,380 --> 00:11:11,110

one of our comments from one of our

235

00:11:17,160 --> 00:11:13,390

followers is that they don't I forgot

236

00:11:19,200 --> 00:11:17,170

the guy's name but he said that um they

237

00:11:23,340 --> 00:11:19,210

don't want to release if there's aliens

238

00:11:24,990 --> 00:11:23,350

or not because of people's religion you

239

00:11:27,240 --> 00:11:25,000

keep saying that I'm telling you that's

240

00:11:29,730 --> 00:11:27,250

what spaced off up here's my religion

241

00:11:31,350 --> 00:11:29,740

well there's some people do you relax

242

00:11:32,760 --> 00:11:31,360

your listeners probably doing well I

243

00:11:36,140 --> 00:11:32,770

don't know some people are religious

244

00:11:38,580 --> 00:11:36,150

some people but there's some little like

245

00:11:41,340 --> 00:11:38,590

yeah of course we're not gonna get into

246

00:11:44,670 --> 00:11:41,350

that of course no but that's I bet you

247

00:11:48,720 --> 00:11:44,680

that spray one of them reason well look

248

00:11:50,700 --> 00:11:48,730

it up on a wide wide world panic mm-hmm

249

00:11:52,170 --> 00:11:50,710

oh my god there's no god there's no that

250

00:11:54,440 --> 00:11:52,180

it's all fake and then people are just

251
00:11:58,770 --> 00:11:54,450
gonna go apeshit they're gonna go start

252
00:12:03,210 --> 00:11:58,780
frickin burning down churches and [h__h]

253
00:12:06,840 --> 00:12:03,220
like that unless that's that's every day

254
00:12:14,160 --> 00:12:06,850
in LA right cuz no they don't burn the

255
00:12:16,200 --> 00:12:14,170
churches they burn really good but how

256
00:12:18,600 --> 00:12:16,210
cool is this I mean this is the guy that

257
00:12:21,020 --> 00:12:18,610
makes you know inflatable habitats for

258
00:12:24,510 --> 00:12:21,030
space saying that some wonder what our

259
00:12:27,750 --> 00:12:24,520
chatters think what about Paul oxen ham

260
00:12:31,110 --> 00:12:27,760
he's brand-new you know what why he's

261
00:12:32,730 --> 00:12:31,120
brand-new and he and he's here and we're

262
00:12:37,920 --> 00:12:32,740
excited to have a new follower a new

263
00:12:40,500 --> 00:12:37,930

chatter no it's all of course not

264

00:12:43,110 --> 00:12:40,510

a speculation I mean it's not evidence

265

00:12:44,380 --> 00:12:43,120

what the hell was that what would you do

266

00:12:48,770 --> 00:12:44,390

your mouth

267

00:12:50,870 --> 00:12:48,780

do that again okay don't do that anymore

268

00:12:54,380 --> 00:12:50,880

that's weird I didn't know you could do

269

00:12:57,260 --> 00:12:54,390

that so um why don't they think they're

270

00:12:58,670 --> 00:12:57,270

so quiet in the chat room of course UFO

271

00:13:03,320 --> 00:12:58,680

Buster Raiders got something cheeky to

272

00:13:06,680 --> 00:13:03,330

say he's into inflatables it's got a

273

00:13:11,720 --> 00:13:06,690

pleasure hole built right in glory hole

274

00:13:14,060 --> 00:13:11,730

in space good Wow we're out of control

275

00:13:15,440 --> 00:13:14,070

tonight I think it's just because of all

276

00:13:17,450 --> 00:13:15,450

the conversations been having I feel

277

00:13:19,190 --> 00:13:17,460

like my brain screaming we have so much

278

00:13:21,470 --> 00:13:19,200

just to spill about we're just like a

279

00:13:23,570 --> 00:13:21,480

like a bad diarrhea day it's in the

280

00:13:30,710 --> 00:13:23,580

toilet just goes everywhere we're

281

00:13:32,540 --> 00:13:30,720

holding it in you see yeah so still no

282

00:13:33,410 --> 00:13:32,550

comments from the chat room so we're

283

00:13:35,150 --> 00:13:33,420

just gonna have to kind of like

284

00:13:37,460 --> 00:13:35,160

hopefully pick up on that towards the

285

00:13:40,180 --> 00:13:37,470

end of the show but I'm just kind of

286

00:13:43,610 --> 00:13:40,190

elaborate on this more Joe more on the

287

00:13:48,650 --> 00:13:43,620

presence of you of it the terrestrial

288

00:13:51,440 --> 00:13:48,660

entity pilot Kolb's things that they're

289

00:13:54,110 --> 00:13:51,450

here with us among us somewhere maybe

290

00:13:55,310 --> 00:13:54,120

the bald I don't know you know there's

291

00:14:01,160 --> 00:13:55,320

so many claims of so many different

292

00:14:04,400 --> 00:14:01,170

types of theories out there about what I

293

00:14:08,870 --> 00:14:04,410

love about this whole story with mr.

294

00:14:12,020 --> 00:14:08,880

Bigelow in lg globe one reporter asked

295

00:14:13,910 --> 00:14:12,030

him if he's worried that the public's

296

00:14:15,950 --> 00:14:13,920

gonna think he's crazy for coming out

297

00:14:18,530 --> 00:14:15,960

and saying this and his replies actually

298

00:14:20,810 --> 00:14:18,540

pretty good he says I don't give a damn

299

00:14:25,100 --> 00:14:20,820

I don't care he probably doesn't sound

300

00:14:27,200 --> 00:14:25,110

is a you know fierce as I do but I don't

301

00:14:29,210 --> 00:14:27,210

give a damn I don't care it's not going

302

00:14:31,160 --> 00:14:29,220

to make it it's not gonna make much of a

303

00:14:33,730 --> 00:14:31,170

difference it's not going to change the

304

00:14:36,320 --> 00:14:33,740

reality of what I know quote unquote and

305

00:14:38,270 --> 00:14:36,330

this is a guy that spent millions and

306

00:14:40,280 --> 00:14:38,280

millions he says he's probably spent

307

00:14:42,230 --> 00:14:40,290

more as an individual than anybody else

308

00:14:44,120 --> 00:14:42,240

in the United States has ever spent on

309

00:14:45,260 --> 00:14:44,130

the object yeah I know before he said

310

00:14:48,050 --> 00:14:45,270

than anybody in the world but he's

311

00:14:50,030 --> 00:14:48,060

saying United States so either way

312

00:14:51,230 --> 00:14:50,040

millions millions I don't know how the

313

00:14:53,450 --> 00:14:51,240

Health Center could spend millions and

314

00:14:55,070 --> 00:14:53,460

millions on this what is and then we

315

00:15:03,260 --> 00:14:55,080

spend hundreds and hundreds

316

00:15:05,060 --> 00:15:03,270

a date no - no it's crazy but all I

317

00:15:09,320 --> 00:15:05,070

could he's not scared to come forward

318

00:15:10,460 --> 00:15:09,330

and say that and you know also - just

319

00:15:13,580 --> 00:15:10,470

talking about are we gonna meet

320

00:15:15,560 --> 00:15:13,590

intelligent intelligences in the outer

321

00:15:17,600 --> 00:15:15,570

space and he says you don't have to go

322

00:15:20,570 --> 00:15:17,610

anywhere it's just it's just like right

323

00:15:22,720 --> 00:15:20,580

under people's noses and then [h__\h]

324

00:15:25,370 --> 00:15:22,730

say where is it where could we find one

325

00:15:27,050 --> 00:15:25,380

is it working at McDonald's it's all

326

00:15:29,530 --> 00:15:27,060

speculation of course and of course it

327

00:15:31,670 --> 00:15:29,540

all comes back down to word-of-mouth

328

00:15:33,500 --> 00:15:31,680

that like you go back to McDonald's

329

00:15:37,580 --> 00:15:33,510

that's why I mean you're making the

330

00:15:39,650 --> 00:15:37,590

haters it it's hey hey it's the way they

331

00:15:48,860 --> 00:15:39,660

steamed the buns on the Polish girl fish

332

00:15:54,140 --> 00:15:48,870

okay like an alien man this is kind of

333

00:16:01,070 --> 00:15:54,150

like the pee-wee's Playhouse Jerry

334

00:16:02,600 --> 00:16:01,080

ah yeah a hamburger man we are so

335

00:16:04,100 --> 00:16:02,610

off-topic I don't know how people even

336

00:16:05,840 --> 00:16:04,110

listening to us right now I don't know

337

00:16:07,970 --> 00:16:05,850

it's like the day after Memorial Day and

338

00:16:11,210 --> 00:16:07,980

everybody's probably the hungover home

339

00:16:12,920 --> 00:16:11,220

and just let [h__h] hungover show then cuz

340

00:16:21,940 --> 00:16:12,930

obviously we can't stay on topic he's

341

00:16:27,080 --> 00:16:24,500

this guy's like in space so that's

342

00:16:30,830 --> 00:16:27,090

pretty cool I'm gonna see what any of

343

00:16:33,320 --> 00:16:30,840

our chatters had to say um of course you

344

00:16:35,870 --> 00:16:33,330

have a busted ass a UFO Buster radio

345

00:16:37,190 --> 00:16:35,880

says does Bigelow fit into the contact

346

00:16:41,750 --> 00:16:37,200

in the desert crowd what do you think

347

00:16:43,730 --> 00:16:41,760

Joe I don't know maybe if you've brought

348

00:16:46,850 --> 00:16:43,740

out one of his inflatables out there

349

00:16:48,070 --> 00:16:46,860

people can sit in it fake hey that's a

350

00:16:50,300 --> 00:16:48,080

good idea

351

00:16:53,390 --> 00:16:50,310

forget inflatables in space any

352

00:16:54,530 --> 00:16:53,400

inflatables in the desert with like mini

353

00:16:55,910 --> 00:16:54,540

air conditioning or something they're

354

00:16:57,410 --> 00:16:55,920

out of no wait we don't need in full

355

00:16:59,570 --> 00:16:57,420

wait I don't think inflatables would

356

00:17:03,470 --> 00:16:59,580

work well in desert Evie had a hard time

357

00:17:05,329 --> 00:17:03,480

EB EB like nearly mad yeah if you don't

358

00:17:07,130 --> 00:17:05,339

know who Evie is that stands that is by

359

00:17:08,960 --> 00:17:07,140

the way an acronym for extraterrestrial

360

00:17:10,490 --> 00:17:08,970

biological entity and

361

00:17:14,000 --> 00:17:10,500

we always have our friend Edie on our

362

00:17:17,419 --> 00:17:14,010

trips it's a mass go up green alien

363

00:17:21,919 --> 00:17:17,429

thanks yes but I think it's funny

364

00:17:23,270 --> 00:17:21,929

one of our followers says that the way

365

00:17:28,760 --> 00:17:23,280

that we do things reminds of the movie

366

00:17:32,180 --> 00:17:28,770

Paul movie oh yeah I could see that

367

00:17:38,570 --> 00:17:32,190

that's what it totally is if only we can

368

00:17:39,950 --> 00:17:38,580

get an RV and go on a crossover got our

369

00:17:41,690 --> 00:17:39,960

we got our TV wall mobile we're fine

370

00:17:45,169 --> 00:17:41,700

okay but look I want to go on a

371

00:17:46,909 --> 00:17:45,179

cross-country trip we're gonna research

372

00:17:48,860 --> 00:17:46,919

these different crash locations is what

373

00:17:50,630 --> 00:17:48,870

we need to I heard Aurora Texas like you

374

00:17:53,630 --> 00:17:50,640

said it's it's kind of like a mini

375

00:17:55,730 --> 00:17:53,640

Roswell there's like signs of stuff that

376

00:17:57,649 --> 00:17:55,740

has alien stuff on it oh yeah they're

377

00:18:00,350 --> 00:17:57,659

basically profiting off of the story huh

378

00:18:02,690 --> 00:18:00,360

yeah it's a base wait but little bit up

379

00:18:04,370 --> 00:18:02,700

my mouth is tongue-tied but sometimes

380

00:18:06,470 --> 00:18:04,380

you have to watch out and this is going

381

00:18:11,419 --> 00:18:06,480

to be part of what we were we're gonna

382

00:18:13,940 --> 00:18:11,429

try to say wha well I'm just saying that

383

00:18:16,520 --> 00:18:13,950

is the Aurora story real or is it

384

00:18:18,919 --> 00:18:16,530

fabricated to bring you know tourists

385

00:18:21,980 --> 00:18:18,929

into Aurora we have to see the site

386

00:18:24,260 --> 00:18:21,990

we're gonna see where it crashed ha I

387

00:18:25,580 --> 00:18:24,270

would like to at least go see yeah you

388

00:18:28,820 --> 00:18:25,590

know I think it's really important this

389

00:18:30,169 --> 00:18:28,830

field to kind of like go there and even

390

00:18:33,279 --> 00:18:30,179

if you just staring at a mound of dirt

391

00:18:35,450 --> 00:18:33,289

there's just still something about it

392

00:18:36,890 --> 00:18:35,460

you're there you're where something

393

00:18:39,710 --> 00:18:36,900

potentially happened that's what it was

394

00:18:42,740 --> 00:18:39,720

like when we were in Roswell jo huh you

395

00:18:44,419 --> 00:18:42,750

know just being in that area was amazing

396

00:18:45,919 --> 00:18:44,429

thinking oh my gosh you know like and

397

00:18:51,230 --> 00:18:45,929

yeah it totally was a crater like almost

398

00:18:56,720 --> 00:18:51,240

perfectly circular yeah very good Jo

399

00:19:03,870 --> 00:19:01,920

well if you don't mind I'm trying to go

400

00:19:05,520 --> 00:19:03,880

to the next topic let's bring it home

401

00:19:07,520 --> 00:19:05,530

well because I'm gonna take a few

402

00:19:09,750 --> 00:19:07,530

minutes right now and we got to talk to

403

00:19:11,100 --> 00:19:09,760

all of our amazing followers and our new

404

00:19:12,170 --> 00:19:11,110

followers we've got a bunch of new we

405

00:19:14,250 --> 00:19:12,180

had like lon

406

00:19:16,470 --> 00:19:14,260

so I'll tell you what I'll take the

407

00:19:20,550 --> 00:19:16,480

instant note I'll take the twit you take

408

00:19:29,970 --> 00:19:20,560

the inst yeah all right so um you get on

409

00:19:30,600 --> 00:19:29,980

the install get on the twit you're out

410

00:19:35,460 --> 00:19:30,610

of control

411

00:19:39,030 --> 00:19:35,470

basically so what are um followers

412

00:19:42,920 --> 00:19:39,040

starlight 99 yes she said that um what

413

00:19:47,130 --> 00:19:42,930

would be at disclosure fest 6:17 in LA

414

00:19:48,750 --> 00:19:47,140

no we're not able to make that well it

415

00:19:51,390 --> 00:19:48,760

also seems to be more about like yoga

416

00:19:52,890 --> 00:19:51,400

and crystals and I don't know what else

417

00:19:56,580 --> 00:19:52,900

well it says disclosure fest it could be

418

00:19:58,980 --> 00:19:56,590

something different and about disclosure

419

00:20:00,710 --> 00:19:58,990

not so so you shame disclosure is

420

00:20:04,530 --> 00:20:00,720

crystals

421

00:20:06,270 --> 00:20:04,540

I'm not saying that you just said it no

422

00:20:08,490 --> 00:20:06,280

I'm second disclosure fest yet it's all

423

00:20:09,570 --> 00:20:08,500

about look it's a catchy name title but

424

00:20:10,590 --> 00:20:09,580

that doesn't mean there's gonna be

425

00:20:13,470 --> 00:20:10,600

anything of value

426

00:20:17,190 --> 00:20:13,480

chastity Ashley you need to contact us

427

00:20:18,690 --> 00:20:17,200

we need to contact you because I kind of

428

00:20:20,970 --> 00:20:18,700

don't want to go to another event where

429

00:20:22,920 --> 00:20:20,980

there's like burning sage and spring

430

00:20:27,780 --> 00:20:22,930

frankincense something about that that's

431

00:20:32,760 --> 00:20:27,790

our people no it's not someone no okay

432

00:20:36,330 --> 00:20:32,770

433

00:20:37,710 --> 00:20:36,340

434

00:20:38,880 --> 00:20:37,720

435

00:20:41,580 --> 00:20:38,890

I don't know what the hell show is doing

436

00:20:42,060 --> 00:20:41,590

it's probably talking to the friends or

437

00:20:44,640 --> 00:20:42,070

something

438

00:20:47,270 --> 00:20:44,650

445

00:21:05,090 --> 00:21:03,480

447

00:21:09,680 --> 00:21:07,680

463

00:21:53,510 --> 00:21:51,480

know yeah we're excited about that

464

00:21:59,390 --> 00:21:53,520

that way we can have like avoid this

465

00:22:01,820 --> 00:21:59,400

irregular Lovejoy good hi okay anybody

466

00:22:03,320 --> 00:22:01,830

470

00:22:22,520 --> 00:22:16,250

it's scary 51 thank you guys

471

473

00:22:27,740 --> 00:22:25,620

we're gonna yeah that we actually been

474

00:22:30,200 --> 00:22:27,750

interview with Jimmy Church as without

475

00:22:32,630 --> 00:22:30,210

trying to get um chastity on - she wants

476

00:22:34,850 --> 00:22:32,640

to go and interview her - as well she

477

00:22:38,060 --> 00:22:34,860

says she has some interesting stories I

478

00:22:39,770 --> 00:22:38,070

want to know yeah awesome because we

479

00:22:42,620 --> 00:22:39,780

want more people that have maybe had

480

00:22:47,980 --> 00:22:42,630

experiences we haven't yet we saw like

481

00:22:50,090 --> 00:22:47,990

um we say lights yeah satellites and

482

00:22:52,150 --> 00:22:50,100

reading Butler's and those sorts of

483

00:22:56,840 --> 00:22:52,160

things but we haven't seen anything

484

00:22:58,970 --> 00:22:56,850

unusual so to speak if you have or hey

485

00:23:02,120 --> 00:22:58,980

you know what if you've touched a craft

486

00:23:04,610 --> 00:23:02,130

if you've been in a craft and you're a

487

00:23:08,310 --> 00:23:04,620

few minutes of Kraft cheese and

488

00:23:09,570 --> 00:23:08,320

Kraft Macaroni go to do it I'm not gonna

489

00:23:11,280 --> 00:23:09,580

do it do it do it

490

00:23:12,660 --> 00:23:11,290

come on doing free macaroni and cheese

491

00:23:17,190 --> 00:23:12,670

commercial right now here I'm gonna turn

492

00:23:19,860 --> 00:23:17,200

it down ready and uh crap home style

493

00:23:22,440 --> 00:23:19,870

macaroni and cheese GZ noodles topped

494

00:23:30,480 --> 00:23:22,450

with golden brown bread crumbs you know

495

00:23:32,910 --> 00:23:30,490

you loved that sounds delicious

496

00:23:36,780 --> 00:23:32,920

that sounds delicious we're still off

497

00:23:38,460 --> 00:23:36,790

topic it's one of those nights I know

498

00:23:38,789 --> 00:23:38,470

it's like I could talk about anything

499

00:23:43,740 --> 00:23:38,799

tonight

500

00:23:48,000 --> 00:23:43,750

I mean realistically but this the story

501

00:23:50,030 --> 00:23:48,010

or this claimed billionaire wait we're

502

00:23:53,520 --> 00:23:50,040

not going back to that

503

00:23:56,159 --> 00:23:53,530

what the hell we've moved on Oh move on

504

00:24:00,409 --> 00:23:56,169

okay fine you say on the grave impartial

505

00:24:05,640 --> 00:24:00,419

media exactly sorry okay [\h__\h] you up

506

00:24:08,549 --> 00:24:05,650

yeah how can you play that lightsaber

507

00:24:12,690 --> 00:24:08,559

sound and not do a Star Wars character I

508

00:24:15,070 --> 00:24:12,700

don't understand how you you wanted doc

509

00:24:23,169 --> 00:24:15,080

did Dave's

510

00:24:25,419 --> 00:24:23,179

in week sorry guys it's a crazy day

511

00:24:28,269 --> 00:24:25,429

Oh Manny Moonraker from UFO Buster radio

512

00:24:30,609 --> 00:24:28,279

by the way give then when I listen to

513

00:24:32,289 --> 00:24:30,619

that I was actually a guest on you know

514

00:24:37,720 --> 00:24:32,299

yeah I know you never told me I had to

515

00:24:41,169 --> 00:24:37,730

figure it out myself well anyway uh UFO

516

00:24:45,430 --> 00:24:41,179

Buster how was the UFO conference in

517

00:24:46,259 --> 00:24:45,440

Aurora tell me about that was it tell me

518

00:24:49,210 --> 00:24:46,269

about that

519

00:24:52,479 --> 00:24:49,220

yeah please so we're sharing is there

520

00:24:54,029 --> 00:24:52,489

something we should go to what is that

521

00:24:59,859 --> 00:24:54,039

contraption

522

00:25:04,769 --> 00:24:59,869

okay okay sound board pots time okay do

523

00:25:10,539 --> 00:25:06,460

you're out of control

524

00:25:13,419 --> 00:25:10,549

I meant and everything I really would

525

00:25:15,310 --> 00:25:13,429

like to see gray or green or a bubble or

526
00:25:17,109 --> 00:25:15,320
something I would like to see something

527
00:25:18,700 --> 00:25:17,119
too we talk about it every episode but

528
00:25:21,099 --> 00:25:18,710
what I don't understand is if you see

529
00:25:21,940 --> 00:25:21,109
something you've got a [h__h] 4k phone

530
00:25:23,349 --> 00:25:21,950
camera

531
00:25:26,109 --> 00:25:23,359
yeah take a picture of it how come

532
00:25:28,570 --> 00:25:26,119
everything I've seen it's all blurry

533
00:25:30,970 --> 00:25:28,580
they can't I'm like it's like mostly the

534
00:25:33,039 --> 00:25:30,980
big the Bigfoot ones it's like it's all

535
00:25:34,570 --> 00:25:33,049
sketchy and you can't see it because

536
00:25:36,310 --> 00:25:34,580
they're like zooming in and out and I'm

537
00:25:43,379 --> 00:25:36,320
like I'll run out that [h__h] and

538
00:25:46,769 --> 00:25:43,389

be like smile that's what I would do

539

00:25:48,789 --> 00:25:46,779

no you would run and [h__h] your pants

540

00:25:51,460 --> 00:25:48,799

yeah but I would send it to you before I

541

00:25:55,299 --> 00:25:51,470

died and I'd say hey we got Bigfoot it

542

00:25:57,159 --> 00:25:55,309

posted posted on Instagram if you're

543

00:25:58,599 --> 00:25:57,169

watching this video ask you know what I

544

00:25:59,859 --> 00:25:58,609

would do is actually do it live I'm

545

00:26:03,519 --> 00:25:59,869

gonna die but like as Bigfoot

546

00:26:07,629 --> 00:26:03,529

I think that's acceptable that would

547

00:26:09,639 --> 00:26:07,639

because it'd be genuine just imagine

548

00:26:12,849 --> 00:26:09,649

look at the phone with himself but we've

549

00:26:14,349 --> 00:26:12,859

been watching it illuminated we're

550

00:26:15,970 --> 00:26:14,359

watching so many different UFO videos

551
00:26:17,289 --> 00:26:15,980
like that's all I've been doing I've

552
00:26:19,090 --> 00:26:17,299
been trying to find something if it's

553
00:26:22,810 --> 00:26:19,100
consistent I'm trying to find a

554
00:26:25,390 --> 00:26:22,820
consistent alien in all these videos and

555
00:26:27,220 --> 00:26:25,400
they're all different

556
00:26:29,200 --> 00:26:27,230
like that one where it shows that the

557
00:26:32,290 --> 00:26:29,210
that the camera at the window even

558
00:26:34,930 --> 00:26:32,300
popped it up I've seen a few videos and

559
00:26:38,230 --> 00:26:34,940
a few pictures of that same head but I'm

560
00:26:44,260 --> 00:26:38,240
not sure if it's made up or not huh so

561
00:26:50,549 --> 00:26:44,270
you're looking for some head deep done

562
00:26:54,820 --> 00:26:50,559
then pump it back my [h__h] you're a

563
00:26:56,710 --> 00:26:54,830

head there's just a quick pop in and pop

564

00:26:58,750 --> 00:26:56,720

out that's all that's all you're great

565

00:27:01,270 --> 00:26:58,760

way to disrupt our line handy can't talk

566

00:27:04,330 --> 00:27:01,280

anyway how do you even get anything done

567

00:27:07,600 --> 00:27:04,340

I don't know I'm a little bit about a

568

00:27:09,549 --> 00:27:07,610

lot remember well I can even seen a

569

00:27:11,830 --> 00:27:09,559

topic tonight Joe and you're not helping

570

00:27:13,660 --> 00:27:11,840

well it's a cool night fun night it's a

571

00:27:16,390 --> 00:27:13,670

beautiful night it's about time [h__\h]

572

00:27:17,500 --> 00:27:16,400

it's not Hajj plaque excuse my potty

573

00:27:20,410 --> 00:27:17,510

mouth thanks guys for hanging out the

574

00:27:27,430 --> 00:27:20,420

UFO Bros if you've managed to last for

575

00:27:34,600 --> 00:27:27,440

27 minutes we thank you and we snap this

576
00:27:36,100 --> 00:27:34,610
moment Wow but what do you think when

577
00:27:39,040 --> 00:27:36,110
you look on those videos or when you

578
00:27:41,020 --> 00:27:39,050
look at yeah videos or anything on it

579
00:27:44,470 --> 00:27:41,030
and add pictures what not it's not

580
00:27:47,620 --> 00:27:44,480
consistent I think you're right I think

581
00:27:49,000 --> 00:27:47,630
my biggest complaint is it's getting to

582
00:27:50,350 --> 00:27:49,010
the point that we can barely

583
00:27:50,710 --> 00:27:50,360
differentiate from what's real and

584
00:27:52,690 --> 00:27:50,720
what's not

585
00:27:58,060 --> 00:27:52,700
you can't anymore and I think that's on

586
00:28:00,640 --> 00:27:58,070
purpose could be hey that was a real one

587
00:28:03,640 --> 00:28:00,650
helpful I think it could be it's really

588
00:28:05,230 --> 00:28:03,650

frustrating though it is frustrating you

589

00:28:07,000 --> 00:28:05,240

get on a nice path like okay yeah that

590

00:28:08,380 --> 00:28:07,010

looks yeah yeah yeah oh man it's fake

591

00:28:10,360 --> 00:28:08,390

well that's why I don't watch secure

592

00:28:11,560 --> 00:28:10,370

teen 10 that's why I don't watch them I

593

00:28:14,080 --> 00:28:11,570

just phase of the moon either you know

594

00:28:17,310 --> 00:28:14,090

no I just if I see those I passed those

595

00:28:20,500 --> 00:28:17,320

but I really like that um UFO MUFON one

596

00:28:22,090 --> 00:28:20,510

yes on Instagram yes and those look

597

00:28:23,320 --> 00:28:22,100

pretty legit to me do you remember that

598

00:28:26,590 --> 00:28:23,330

handle locked up your head

599

00:28:27,970 --> 00:28:26,600

it's just UFO miu UFO MUFON right yeah

600

00:28:29,830 --> 00:28:27,980

yeah there's some pretty incredible

601
00:28:31,570 --> 00:28:29,840
videos on there and they're doing a good

602
00:28:33,190 --> 00:28:31,580
job of filtering it out but you know

603
00:28:36,130 --> 00:28:33,200
even some of their best ones are

604
00:28:37,419 --> 00:28:36,140
questionable yeah it all comes down you

605
00:28:39,040 --> 00:28:37,429
guys think what do you guys think about

606
00:28:43,640 --> 00:28:39,050
grays and

607
00:28:47,720 --> 00:28:43,650
reptilians and all that excuse me are we

608
00:28:50,960 --> 00:28:47,730
12 I'm what well I think we've already

609
00:28:53,390 --> 00:28:50,970
talked about this so we already talked

610
00:28:54,770 --> 00:28:53,400
about this yeah we about reptilians like

611
00:28:57,820 --> 00:28:54,780
we don't not reptilians no I'm just

612
00:29:03,520 --> 00:28:57,830
saying do what does our followers think

613
00:29:05,570 --> 00:29:03,530

[h__h] face I'm waiting to see WTF I know

614

00:29:07,160 --> 00:29:05,580

they're not very quick on the reply I

615

00:29:09,170 --> 00:29:07,170

can tell you that I think there's a well

616

00:29:10,520 --> 00:29:09,180

we got negative one person so I mean now

617

00:29:12,410 --> 00:29:10,530

we've got a couple people in here and

618

00:29:13,610 --> 00:29:12,420

we've got a few chatting I'm sure if

619

00:29:20,440 --> 00:29:13,620

they have still listening

620

00:29:29,270 --> 00:29:26,630

man by the way if you guys are not

621

00:29:31,400 --> 00:29:29,280

following us or at all things at UFO

622

00:29:33,470 --> 00:29:31,410

Bros TV except for Twitter we're at UFO

623

00:29:36,470 --> 00:29:33,480

zero Bros TV because there's an [h__h]

624

00:29:37,730 --> 00:29:36,480

cuz don't forget to subscribe if you're

625

00:29:40,880 --> 00:29:37,740

watching our YouTube videos or if you're

626
00:29:42,470 --> 00:29:40,890

627
00:29:45,130 --> 00:29:42,480
it get your overload you know what I'll

628
00:29:47,810 --> 00:29:45,140
overload your favorite Vilonia censors

629
00:29:49,610 --> 00:29:47,820
subscribe follow us because we're really

630
00:29:52,250 --> 00:29:49,620
going to try to reconsider reporting any

631
00:29:54,380 --> 00:29:52,260
breaking UFO news unfortunately when you

632
00:29:56,720 --> 00:29:54,390
get down to it anything that has been

633
00:29:58,400 --> 00:29:56,730
coming out recently including recent

634
00:30:00,920 --> 00:29:58,410
documentaries is just sort of mouth

635
00:30:02,750 --> 00:30:00,930
here's this put them up and it's um I

636
00:30:05,720 --> 00:30:02,760
want somebody to go oh look here's not

637
00:30:07,580 --> 00:30:05,730
harvested oh look here's the outer hole

638
00:30:09,680 --> 00:30:07,590

of a spaceship from another planet look

639

00:30:12,170 --> 00:30:09,690

we've tested it we don't know what it is

640

00:30:14,450 --> 00:30:12,180

later I'm waiting for that I don't know

641

00:30:16,010 --> 00:30:14,460

that's it we're gonna happen but Jack

642

00:30:18,230 --> 00:30:16,020

valais I will tell you this we found

643

00:30:20,870 --> 00:30:18,240

this out is actually documenting

644

00:30:22,730 --> 00:30:20,880

different sort of crashes and collected

645

00:30:23,900 --> 00:30:22,740

materials and that was was really great

646

00:30:27,890 --> 00:30:23,910

about why don't they bring this stuff

647

00:30:34,370 --> 00:30:27,900

out if they have tangible evidence of a

648

00:30:36,320 --> 00:30:34,380

broken craft graph macaroni cheese bring

649

00:30:37,430 --> 00:30:36,330

it out so we can see it you know we want

650

00:30:40,600 --> 00:30:37,440

to look at we want to touch it want to

651
00:30:44,750 --> 00:30:40,610
feel it I think it's a problem

652
00:30:46,730 --> 00:30:44,760
as they don't want that huh they want us

653
00:30:49,100 --> 00:30:46,740
to go look at this inter you know

654
00:30:52,100 --> 00:30:49,110
continental ballistic missile killer

655
00:30:54,560 --> 00:30:52,110
that we've developed knowing well yeah

656
00:30:55,880 --> 00:30:54,570
it was a craft we found we want to show

657
00:31:06,830 --> 00:30:55,890
to everybody when we can't because the

658
00:31:11,690 --> 00:31:06,840
missus know that huh you make my brain

659
00:31:13,730 --> 00:31:11,700
hurt at UFO Buster radio asks does he

660
00:31:18,940 --> 00:31:13,740
have actual crash materials yes he does

661
00:31:22,400 --> 00:31:18,950
and in that workshop he talked about how

662
00:31:26,210 --> 00:31:22,410
he carefully brought them over to the

663
00:31:31,010 --> 00:31:26,220

States for analyzation pieces artifacts

664

00:31:35,390 --> 00:31:31,020

from a museum I forgot exactly where but

665

00:31:38,270 --> 00:31:35,400

um it was pretty recent sort of UFO I

666

00:31:42,050 --> 00:31:38,280

believe that like exploded in midair and

667

00:31:44,270 --> 00:31:42,060

just turned into liquid metal and so

668

00:31:47,990 --> 00:31:44,280

they collected some of the sample liquid

669

00:31:51,620 --> 00:31:48,000

Matt oh ha but but to be honest with you

670

00:31:53,360 --> 00:31:51,630

his information you know I'm just uh

671

00:31:55,760 --> 00:31:53,370

hold on a second I want to bone pause

672

00:31:57,560 --> 00:31:55,770

you right there okay I'm just so sick of

673

00:32:00,590 --> 00:31:57,570

these people I know this I've seen this

674

00:32:02,690 --> 00:32:00,600

I've done that I just like I'm just so

675

00:32:04,160 --> 00:32:02,700

frustrated with it because I spend hours

676
00:32:06,590 --> 00:32:04,170
trying to figure it out research it

677
00:32:08,570 --> 00:32:06,600
trying to see if there's anything that's

678
00:32:10,250 --> 00:32:08,580
tangible that I can see or prove and

679
00:32:12,290 --> 00:32:10,260
there's nothing because they can't speak

680
00:32:13,670 --> 00:32:12,300
because their fear for the live or the

681
00:32:17,390 --> 00:32:13,680
stupid whistleblowers with their stupid

682
00:32:19,370 --> 00:32:17,400
gray hair glasses and blue ties I I just

683
00:32:21,950 --> 00:32:19,380
can we get some [h__h] evidence just

684
00:32:23,690 --> 00:32:21,960
right there you know David I mean like

685
00:32:25,070 --> 00:32:23,700
like some stuff we're seeing on YouTube

686
00:32:29,840 --> 00:32:25,080
like I was just just going through just

687
00:32:31,550 --> 00:32:29,850
[h__h] the like they show craft like

688
00:32:33,830 --> 00:32:31,560

flying over the city and it's like why

689

00:32:38,690 --> 00:32:33,840

wouldn't that be in the news even

690

00:32:40,700 --> 00:32:38,700

they're in another country I don't know

691

00:32:42,590 --> 00:32:40,710

and there's such a this [h__h] needs to

692

00:32:44,690 --> 00:32:42,600

come out there's such a wasted

693

00:32:46,820 --> 00:32:44,700

opportunity because there is fake news

694

00:32:49,340 --> 00:32:46,830

and I'm not just talking about you know

695

00:32:51,800 --> 00:32:49,350

what China had for lunch or didn't have

696

00:32:52,400 --> 00:32:51,810

or take this person's I mean forget that

697

00:32:55,180 --> 00:32:52,410

stuff

698

00:32:58,850 --> 00:32:55,190

talking about like you know there's

699

00:33:01,520 --> 00:32:58,860

these haven't subscribed from so many of

700

00:33:04,190 --> 00:33:01,530

these like yeah universe knowledge and

701
00:33:05,810 --> 00:33:04,200
all these sorts of pages on Facebook

702
00:33:07,400 --> 00:33:05,820
because I'm tired of seeing these

703
00:33:09,140 --> 00:33:07,410
articles that are total [h__h] and

704
00:33:13,670 --> 00:33:09,150
half the time they they link to frickin

705
00:33:15,410 --> 00:33:13,680
secure team I'm like that's a view as a

706
00:33:21,020 --> 00:33:15,420
way to do it I'm like secure team has

707
00:33:22,040 --> 00:33:21,030
nothing to do with disclosure oh yeah

708
00:33:24,710 --> 00:33:22,050
mm-hmm

709
00:33:26,870 --> 00:33:24,720
look props to the guy for the YouTube

710
00:33:28,190 --> 00:33:26,880
videos it is hard work that's hard I get

711
00:33:28,970 --> 00:33:28,200
what you're saying but I do think your

712
00:33:31,310 --> 00:33:28,980
money in the waters

713
00:33:32,720 --> 00:33:31,320

that's my opinion oh yeah I also think

714

00:33:35,750 --> 00:33:32,730

that people like Cory good are muddying

715

00:33:37,850 --> 00:33:35,760

the waters how so think that people like

716

00:33:40,010 --> 00:33:37,860

Steven Greer are [h__h] in the water

717

00:33:41,510 --> 00:33:40,020

it's weird it's like he's clearing the

718

00:33:44,510 --> 00:33:41,520

water but [h__h] in it while he's

719

00:33:46,400 --> 00:33:44,520

clearing it he's so close to unloading

720

00:33:48,980 --> 00:33:46,410

the water but a lot of these care maybe

721

00:33:51,350 --> 00:33:48,990

maybe we're not getting it me you

722

00:33:54,050 --> 00:33:51,360

weren't getting it down you're not

723

00:33:56,870 --> 00:33:54,060

getting it I mean what um maybe maybe

724

00:33:58,670 --> 00:33:56,880

that to communication with Gray's or

725

00:34:00,230 --> 00:33:58,680

aliens maybe is subconsciously so maybe

726

00:34:02,060 --> 00:34:00,240

it's trying to prepare subconsciously

727

00:34:05,210 --> 00:34:02,070

who knows I was just taken to that right

728

00:34:07,880 --> 00:34:05,220

now okay okay I just eat my head well

729

00:34:09,800 --> 00:34:07,890

look and I just did it we kind of said

730

00:34:13,210 --> 00:34:09,810

it oh my god forget it I'm gonna burn

731

00:34:16,629 --> 00:34:13,220

you I'm sitting on fire and stab you

732

00:34:18,790 --> 00:34:16,639

that's me well anyway ha

733

00:34:20,649 --> 00:34:18,800

we've talked about this before Joe

734

00:34:23,020 --> 00:34:20,659

remember and you weren't really hot on

735

00:34:25,690 --> 00:34:23,030

the idea of how consciousness connects

736

00:34:28,240 --> 00:34:25,700

is one and all that good stuff we only

737

00:34:29,980 --> 00:34:28,250

use 10% of our brain wait are you

738

00:34:32,200 --> 00:34:29,990

changing your your thoughts then right

739

00:34:34,270 --> 00:34:32,210

now no I'm just saying we use only 10%

740

00:34:36,250 --> 00:34:34,280

of our brains not not before you said

741

00:34:38,669 --> 00:34:36,260

it's [h__h] it is still [h__h] but I

742

00:34:42,280 --> 00:34:38,679

don't know are you just speculating I'm

743

00:34:43,629 --> 00:34:42,290

copulating yes because it's backlink I'm

744

00:34:49,589 --> 00:34:43,639

spattering malaria I don't hear about

745

00:34:53,050 --> 00:34:49,599

your spackling okay no well look I could

746

00:34:54,520 --> 00:34:53,060

maybe get on board with it but when

747

00:34:58,780 --> 00:34:54,530

you're out in the middle of the desert

748

00:35:01,690 --> 00:34:58,790

at like 12:30 a.m. and you hear dr.

749

00:35:04,599 --> 00:35:01,700

Greer pointing at stars saying that this

750

00:35:07,420 --> 00:35:04,609

alien civilization lives here and I've

751

00:35:11,349 --> 00:35:07,430

remote viewed their culture and that's

752

00:35:13,089 --> 00:35:11,359

when I [h__h] that's what I'm like why

753

00:35:15,010 --> 00:35:13,099

you give a better description and a nice

754

00:35:16,359 --> 00:35:15,020

[h__h] than him and a stupid aliens on

755

00:35:18,849 --> 00:35:16,369

a different planet because that is

756

00:35:20,260 --> 00:35:18,859

[h__h] where does it stop it's not

757

00:35:21,670 --> 00:35:20,270

going to stop they make money off this

758

00:35:23,829 --> 00:35:21,680

[h__h] that's why they're doing it or they

759

00:35:25,450 --> 00:35:23,839

have the information that is so confined

760

00:35:26,530 --> 00:35:25,460

that they don't they won't explode like

761

00:35:26,859 --> 00:35:26,540

nope I'll just make money off of it

762

00:35:28,540 --> 00:35:26,869

right now

763

00:35:32,680 --> 00:35:28,550

yep and then I'll dump it when I'm like

764

00:35:34,030 --> 00:35:32,690

80 it's like all the rest of us have

765

00:35:37,089 --> 00:35:34,040

been doing yes what they've been doing

766

00:35:38,560 --> 00:35:37,099

the whistle our babies India like in

767

00:35:41,339 --> 00:35:38,570

their 8090 about the diet hey they're

768

00:35:43,480 --> 00:35:41,349

resilient really you had to me about him

769

00:35:45,220 --> 00:35:43,490

no that isn't him it

770

00:35:47,020 --> 00:35:45,230

how many documentaries have you seen

771

00:35:48,400 --> 00:35:47,030

where it has they're on their deathbed

772

00:35:50,380 --> 00:35:48,410

and then they tell what it is and well

773

00:35:56,500 --> 00:35:50,390

there's been a few I've seen yeah

774

00:35:58,000 --> 00:35:56,510

there's been a few there's Hannah I know

775

00:35:58,980 --> 00:35:58,010

that there's a presence I just don't

776

00:36:01,450 --> 00:35:58,990

know what the hell it is

777

00:36:03,460 --> 00:36:01,460

it'll be name is an untrue to say what

778

00:36:06,099 --> 00:36:03,470

it is it looks like this this is the

779

00:36:08,020 --> 00:36:06,109

premise there um the way their manga who

780

00:36:10,240 --> 00:36:08,030

exactly the aliens like I said you said

781

00:36:13,150 --> 00:36:10,250

he or they should or who are those

782

00:36:16,300 --> 00:36:13,160

people huh okay listen here Lorraine

783

00:36:19,300 --> 00:36:16,310

from MADtv no what he said is that

784

00:36:23,349 --> 00:36:19,310

they're among us they're hiding yes who

785

00:36:25,780 --> 00:36:23,359

is they aren't you why don't you give us

786

00:36:26,790 --> 00:36:25,790

a [h__\h] clue what they look like what

787

00:36:32,520 --> 00:36:26,800

they are or something

788

00:36:39,630 --> 00:36:32,530

there Joe huh okay I'm gonna kill you

789

00:36:41,160 --> 00:36:39,640

sir see haha thanks out no he didn't say

790

00:36:44,130 --> 00:36:41,170

there hiding he just says that they're

791

00:36:46,650 --> 00:36:44,140

like in plain sight we're just not

792

00:36:47,970 --> 00:36:46,660

seeing hiding in plain sight but then

793

00:36:49,710 --> 00:36:47,980

again you don't see things you don't

794

00:36:51,540 --> 00:36:49,720

choose to see so if you're completely

795

00:36:54,330 --> 00:36:51,550

oblivious and you're stuck in there at

796

00:36:56,490 --> 00:36:54,340

rest of the day to day job job job house

797

00:36:58,350 --> 00:36:56,500

bill House bill karna Vivek you could be

798

00:37:00,750 --> 00:36:58,360

on the freeway the middle traffic

799

00:37:02,370 --> 00:37:00,760

officer walk right through next to your

800

00:37:04,830 --> 00:37:02,380

car burn on fire you would even notice

801
00:37:08,030 --> 00:37:04,840
it by the way a UFO Buster Raider says

802
00:37:14,720 --> 00:37:08,040
Joe is on fire tonight you tell him Joe

803
00:37:17,880 --> 00:37:14,730
that Bob yeah man me Moonraker yeah oh

804
00:37:20,610 --> 00:37:17,890
you just look Joe's awake welcome to the

805
00:37:23,000 --> 00:37:20,620
show bro I know what where have you been

806
00:37:28,950 --> 00:37:23,010
the past six months

807
00:37:30,240 --> 00:37:28,960
what an [h__h] oh no no I just I don't

808
00:37:33,450 --> 00:37:30,250
know who that is but I'm talking about

809
00:37:36,240 --> 00:37:33,460
who they ll what I'm asking you is when

810
00:37:38,100 --> 00:37:36,250
you say well why don't they just bring

811
00:37:39,660 --> 00:37:38,110
it out why don't they just show us and

812
00:37:41,520 --> 00:37:39,670
what they look like it look well who is

813
00:37:43,740 --> 00:37:41,530

they what are you talking our government

814

00:37:46,080 --> 00:37:43,750

okay so the people yeah so you're

815

00:37:48,690 --> 00:37:46,090

talking about disclosure then definitely

816

00:37:50,700 --> 00:37:48,700

will not disclose in the classic term at

817

00:37:52,260 --> 00:37:50,710

least like a crust a piece of a crime

818

00:37:54,210 --> 00:37:52,270

pie crust for us something something to

819

00:37:56,940 --> 00:37:54,220

nibble on Jesus Christ and all of the

820

00:37:58,770 --> 00:37:56,950

FBI is released but that's the thing is

821

00:38:00,750 --> 00:37:58,780

- yeah but there's always enough diner

822

00:38:03,330 --> 00:38:00,760

five flying objects everywhere right

823

00:38:06,950 --> 00:38:03,340

okay yeah I greet you

824

00:38:09,900 --> 00:38:06,960

so why spill the same papers or

825

00:38:12,480 --> 00:38:09,910

disclosure papers UFO UFO UFO you'll

826

00:38:16,079 --> 00:38:12,490

forgive it and finally you know why

827

00:38:20,849 --> 00:38:18,900

I don't know what you're talking about

828

00:38:23,519 --> 00:38:20,859

you're talking about the papers are you

829

00:38:25,019 --> 00:38:23,529

talking about Pacific papers top-secret

830

00:38:25,259 --> 00:38:25,029

papers yes being released no sort of

831

00:38:29,699 --> 00:38:25,269

thing

832

00:38:31,079 --> 00:38:29,709

blah like you're talking so fast slow

833

00:38:33,239 --> 00:38:31,089

down I'm talking little fast too

834

00:38:36,179 --> 00:38:33,249

go ahead well this is part of California

835

00:38:37,979 --> 00:38:36,189

cold should we talk fast here it's the

836

00:38:40,289 --> 00:38:37,989

fast paced over here look this is my

837

00:38:43,859 --> 00:38:40,299

thoughts on disclosure uh uh it's

838

00:38:45,329 --> 00:38:43,869

already happened we just passed right by

839

00:38:48,269 --> 00:38:45,339

it you just flew right already happy

840

00:38:50,759 --> 00:38:48,279

look it look we're not I seriously doubt

841

00:38:53,880 --> 00:38:50,769

we're gonna get the classical sense or

842

00:38:58,529 --> 00:38:53,890

the classical icon has a goggle idea

843

00:39:02,699 --> 00:38:58,539

excuse me of disclosure which is which

844

00:39:05,339 --> 00:39:02,709

is that the government or the

845

00:39:09,989 --> 00:39:05,349

president's gonna come out and say hey

846

00:39:11,519 --> 00:39:09,999

everybody I'm sorry that is kind of

847

00:39:15,359 --> 00:39:11,529

thing oh my god he farted and it's

848

00:39:20,729 --> 00:39:15,369

enclosed in here I'm gonna die oh god

849

00:39:22,499 --> 00:39:20,739

it's so bad that was your face I thought

850

00:39:26,459 --> 00:39:22,509

it was my breath of like your breath

851
00:39:28,380 --> 00:39:26,469
that would come from that smell I see it

852
00:39:30,150 --> 00:39:28,390
I can see it like a man that's like you

853
00:39:38,549 --> 00:39:30,160
gotta take a [\h__\h] smell you know it's

854
00:39:40,529 --> 00:39:38,559
right here yeah you know I think they

855
00:39:42,059 --> 00:39:40,539
were part of disclosure in a way

856
00:39:45,120 --> 00:39:42,069
disclosure is really just getting it to

857
00:39:49,559 --> 00:39:45,130
the people I made a stinky

858
00:39:52,169 --> 00:39:49,569
it's really bad oh yeah window oh I

859
00:39:53,969 --> 00:39:52,179
don't know good oh I see now you have

860
00:39:55,109 --> 00:39:53,979
your face covered well good maybe you

861
00:39:56,969 --> 00:39:55,119
can just shove something in your mouth

862
00:40:00,770 --> 00:39:56,979
ah I'm just kidding I'm always

863
00:40:06,980 --> 00:40:04,370

well that's enough you [\h__\h]

864

00:40:09,210 --> 00:40:06,990

well I didn't mean to gasp young man

865

00:40:10,890 --> 00:40:09,220

Keeley's like put a pinkie up or

866

00:40:15,000 --> 00:40:10,900

something they can look like high class

867

00:40:16,500 --> 00:40:15,010

or something so I know cheese was doing

868

00:40:18,780 --> 00:40:16,510

hey I was just part of myself singing

869

00:40:24,360 --> 00:40:18,790

wouldn't let my fingers hold out your

870

00:40:26,040 --> 00:40:24,370

fingers alright Joe do you guys like

871
