[Music]

2
00:00:21,579 --> 00:00:19,929

UFO Bros hey everyone is Giorgio Sukkos

3
00:00:26,919 --> 00:00:21,589

from ancient aliens and you're

4
00:00:29,679 --> 00:00:26,929

experiencing UFO Bros TV USS hey what's

5
00:00:32,800 --> 00:00:29,689

up everybody I'm in it I'm Joe and we

6
00:00:35,860 --> 00:00:32,810

aren't the UF o Bros and we're coming at

7
00:00:37,930 --> 00:00:35,870

you live we're outside the facility Joe

8
00:00:41,110 --> 00:00:37,940

Independence Day as it were as it were

9
00:00:44,619 --> 00:00:41,120

we're enjoying the spectacular hopping

10
00:00:48,520 --> 00:00:44,629

and explosions of lights in the sky yes

11
00:00:49,750 --> 00:00:48,530

yeah the bangs and the bombs and the I

12
00:00:50,830 --> 00:00:49,760

wonder what it looks like you know what

13
00:00:54,630 --> 00:00:50,840

I would really like to know what it

14

00:00:57,069 --> 00:00:54,640

looks like from like from the moon I

15

00:00:59,079 --> 00:00:57,079

don't think you'd see anything from the

16

00:01:00,660 --> 00:00:59,089

moon or at least one of the telescopes

17

00:01:03,520 --> 00:01:00,670

that are I mean that tell us of

18

00:01:04,929 --> 00:01:03,530

satellites orbiting Earth see if we can

19

00:01:05,770 --> 00:01:04,939

here see the pop pop but I think we

20

00:01:09,249 --> 00:01:05,780

should let everybody know we had a

21

00:01:10,630 --> 00:01:09,259

couple beers so you know if we sound a

22

00:01:12,130 --> 00:01:10,640

little crazy it's because you know we're

23

00:01:12,520 --> 00:01:12,140

enjoying ourselves everybody happy 4th

24

00:01:16,469 --> 00:01:12,530

of July

25

00:01:20,950 --> 00:01:16,479

July it's our Independence Day didn't

26

00:01:25,480 --> 00:01:20,960

you celebrate freedom yes yes and a

27

00:01:29,469 --> 00:01:25,490

freedom to get abducted and you're free

28

00:01:31,749 --> 00:01:29,479

to be told lies let's not deal with that

29

00:01:37,120 --> 00:01:31,759

okay well you know the government is

30

00:01:43,020 --> 00:01:37,130

kind of a [h__\h] yeah is this with a

31

00:01:46,060 --> 00:01:43,030

figurehead you know you guys are see

32

00:01:52,660 --> 00:01:46,070

[h__\h] going on in news right now stuff

33

00:01:58,810 --> 00:01:52,670

going on what a distraction life that's

34

00:02:05,649 --> 00:02:03,160

but in addition to the crazy news just

35

00:02:07,240 --> 00:02:05,659

to lather at all on thick of course it's

36

00:02:10,089 --> 00:02:07,250

the 70th anniversary of the Roswell

37

00:02:13,690 --> 00:02:10,099

crash day is it today

38

00:02:21,309 --> 00:02:13,700

no agile I had no another date

39

00:02:23,740 --> 00:02:21,319

I dunno the date it's it's July I think

40

00:02:26,110 --> 00:02:23,750

once a July 6 I missed it we actually

41

00:02:30,809 --> 00:02:26,120

missed the seventh anniversary no it's

42

00:02:38,080 --> 00:02:34,620

what day did you say Oh Jill I 7:30

43

00:02:39,970 --> 00:02:38,090

yes so Roswell event coming up you know

44

00:02:43,750 --> 00:02:39,980

to be honest with you the exact date is

45

00:02:47,890 --> 00:02:43,760

really the date quote is actually kind

46

00:02:51,520 --> 00:02:47,900

of in question because I've heard

47

00:02:53,650 --> 00:02:51,530

accountings that before July early July

48

00:02:55,360 --> 00:02:53,660

that one of the crashes can one of the

49

00:02:57,729 --> 00:02:55,370

discs came down and for those of you who

50

00:03:02,620 --> 00:02:57,739

are new to the Roswell I guess you could

51
00:03:05,440 --> 00:03:02,630
say subject the most recent I guess

52
00:03:08,229 --> 00:03:05,450
reports or documents point to that there

53
00:03:11,770 --> 00:03:08,239
were actually multiple discs involved in

54
00:03:17,380 --> 00:03:11,780
that incident in Roswell discs that

55
00:03:18,309 --> 00:03:17,390
collided and they were basically flying

56
00:03:21,490 --> 00:03:18,319
I don't know what they were doing in

57
00:03:24,490 --> 00:03:21,500
formation whatnot but the documents

58
00:03:26,530 --> 00:03:24,500
going to read that we use some kind of a

59
00:03:28,390 --> 00:03:26,540
weapon electromagnetic weapon that just

60
00:03:31,180 --> 00:03:28,400
disrupted their flight system and they

61
00:03:33,970 --> 00:03:31,190
crash into each other and the remnants

62
00:03:37,629 --> 00:03:33,980
of those crashes were basically spread

63
00:03:41,460 --> 00:03:37,639

over you know the plains of st. of here

64

00:03:46,330 --> 00:03:41,470

and far yes over the plains of Roswell

65

00:03:47,920 --> 00:03:46,340

so to speak and so that's so really the

66

00:03:53,680 --> 00:03:47,930

basing question some people say it was

67

00:03:55,360 --> 00:03:53,690

on the 6th July 8th I've heard a second

68

00:03:58,780 --> 00:03:55,370

is from somewhere last week it's gonna

69

00:04:00,580 --> 00:03:58,790

be but me this is the week of you know

70

00:04:04,000 --> 00:04:00,590

basically the 70th anniversary of Frost

71

00:04:07,150 --> 00:04:04,010

well yeah fo sho

72

00:04:10,599 --> 00:04:07,160

happy birthday happy birthday to Roswell

73

00:04:12,809 --> 00:04:10,609

you know as I call it I call it Roswell

74

00:04:18,620 --> 00:04:12,819

day everybody else just calls it

75

00:04:23,140 --> 00:04:18,630

Independence Day Jesus yes

76
00:04:25,730 --> 00:04:23,150
yes happy yes why is independence and

77
00:04:27,860 --> 00:04:25,740
UFOs related because they were in a

78
00:04:30,560 --> 00:04:27,870
movie together oh oh yeah

79
00:04:39,500 --> 00:04:30,570
Will Smith this is the day he saved us

80
00:04:40,610 --> 00:04:39,510
we've been saved yes this is the day or

81
00:04:50,330 --> 00:04:40,620
something like that right you got that

82
00:04:51,170 --> 00:04:50,340
you have the speech what do you want

83
00:04:53,660 --> 00:04:51,180
from us

84
00:04:56,390 --> 00:04:53,670
or what does he ask them he says this is

85
00:05:03,950 --> 00:04:56,400
what does he say Oh

86
00:05:09,220 --> 00:05:03,960
can there be peace oh that was good what

87
00:05:16,730 --> 00:05:11,660
the things you can do with your throat

88
00:05:18,770 --> 00:05:16,740

Joe Jesus goodness gracious I don't

89

00:05:21,160 --> 00:05:18,780

think I've ever anybody I've never seen

90

00:05:23,570 --> 00:05:21,170

anybody use her throat the way you do

91

00:05:27,500 --> 00:05:23,580

it's pretty remarkable really really

92

00:05:28,940 --> 00:05:27,510

throaty it's very throaty yeah and you

93

00:05:30,220 --> 00:05:28,950

don't really use a lot of teeth either

94

00:05:34,360 --> 00:05:30,230

it's really good

95

00:05:38,180 --> 00:05:34,370

that's I've hurt it's weird anyway

96

00:05:40,280 --> 00:05:38,190

something's wrong with mm saved me the

97

00:05:48,200 --> 00:05:40,290

address is one one four five Dylan's

98

00:05:50,240 --> 00:05:48,210

Road okay look just can we get back to

99

00:05:52,340 --> 00:05:50,250

Roswell for a second we need to go and

100

00:05:54,710 --> 00:05:52,350

we were supposed to we do need to go

101
00:05:57,260 --> 00:05:54,720
back but listen it's this is important

102
00:06:00,410 --> 00:05:57,270
okay I was expecting some huge

103
00:06:02,480 --> 00:06:00,420
revelation with I was expecting closure

104
00:06:04,430 --> 00:06:02,490
of all the moments proportions for

105
00:06:08,090 --> 00:06:04,440
[h__\h] sake they still say it's an a

106
00:06:09,680 --> 00:06:08,100
weather balloon it's just completely not

107
00:06:12,530 --> 00:06:09,690
even possible

108
00:06:15,010 --> 00:06:12,540
why would Allah almost set a leather

109
00:06:18,050 --> 00:06:15,020
balloon why would it oh sorry don't mind

110
00:06:20,000 --> 00:06:18,060
the [h__\h] driving by sorry about that

111
00:06:25,469 --> 00:06:20,010
like we said we're outside we're having

112
00:06:32,999 --> 00:06:25,479
a good time having a few drinks

113
00:06:39,390 --> 00:06:33,009

yeah maybe burrito but now that begs the

114

00:06:44,700 --> 00:06:39,400

question why Roswell why not the

115

00:06:48,029 --> 00:06:44,710

mountains in the Himalayas well because

116

00:06:49,920 --> 00:06:48,039

there was a lot of nuclear testing going

117

00:06:52,230 --> 00:06:49,930

on there that's worthy that's right they

118

00:06:59,119 --> 00:06:52,240

haven't come around nuclear sites there

119

00:07:01,439 --> 00:06:59,129

was sites at Fukushima Fukushima that

120

00:07:04,709 --> 00:07:01,449

they shut it in the clouds just sitting

121

00:07:06,239 --> 00:07:04,719

by the clouds like ain't going off [h__h]

122

00:07:07,559 --> 00:07:06,249

and every time what we shot a nuclear

123

00:07:09,779 --> 00:07:07,569

rocket in the atmosphere would explode

124

00:07:11,429 --> 00:07:09,789

or something before no it wouldn't

125

00:07:15,869 --> 00:07:11,439

detonate what it was that's what you

126

00:07:19,230 --> 00:07:15,879

heard from career right yeah yeah no

127

00:07:20,730 --> 00:07:19,240

wasn't one of his we are totally drunk

128

00:07:23,579 --> 00:07:20,740

talking right now we got to go back to

129

00:07:28,499 --> 00:07:23,589

uh anyway this is where the five-o ninth

130

00:07:32,399 --> 00:07:28,509

Operations Group was and this was a big

131

00:07:34,350 --> 00:07:32,409

deal because this is where the the

132

00:07:38,879 --> 00:07:34,360

atomic bomb testing happens so that

133

00:07:40,879 --> 00:07:38,889

would seem to be the Theia lend to the

134

00:07:44,639 --> 00:07:40,889

theory that they tend to be around

135

00:07:46,469 --> 00:07:44,649

nuclear they haven't bases silos whatnot

136

00:07:48,989 --> 00:07:46,479

of course I mean that's where a majority

137

00:07:51,899 --> 00:07:48,999

of probably some of the most amazing and

138

00:07:55,100 --> 00:07:51,909

miraculous sightings of the phenomenon

139

00:07:59,489 --> 00:07:55,110

has happened they're very interested in

140

00:08:00,929 --> 00:07:59,499

our nuclear capabilities they know just

141

00:08:06,920 --> 00:08:00,939

where the universe itself

142

00:08:11,339 --> 00:08:06,930

oh yes start another big bang bang bang

143

00:08:14,159 --> 00:08:11,349

you know what North Korea they're doing

144

00:08:14,169 --> 00:08:18,439

I want to fake seen any UFO sightings I

145

00:08:26,550 --> 00:08:21,149

hope nothing goes in and nothing comes

146

00:08:30,510 --> 00:08:26,560

out dim song Tom what's his name um ode

147

00:08:33,209 --> 00:08:30,520

Kang Jung Jin Kim Jung hoon Kim Jung

148

00:08:34,680 --> 00:08:33,219

hoon I think he's been probed once or

149

00:08:38,250 --> 00:08:34,690

twice that's gonna come out that's why

150

00:08:42,029 --> 00:08:38,260

he's hairs like it is I hope we don't

151
00:08:43,409 --> 00:08:42,039
get like a [h__h] I like I hope that North

152
00:08:45,509 --> 00:08:43,419
Korean officials don't hear this and

153
00:08:47,250 --> 00:08:45,519
then decide to like take us out no

154
00:08:54,300 --> 00:08:47,260
bending for a good show I just hope

155
00:08:57,240 --> 00:08:54,310
they're rolling yeah you're gonna hear

156
00:08:59,519 --> 00:08:57,250
that in the background classes around

157
00:09:04,370 --> 00:08:59,529
here that's a \$10,000 fine and you could

158
00:09:13,949 --> 00:09:10,860
so we are in the land of Ely I'm sorry I

159
00:09:21,380 --> 00:09:13,959
don't buy fireworks anymore no it's the

160
00:09:32,069 --> 00:09:23,699
same to me I don't know the same

161
00:09:33,810 --> 00:09:32,079
sparklies so hey just I want to go back

162
00:09:35,189 --> 00:09:33,820
to this cuz I was saying that you know I

163
00:09:36,630 --> 00:09:35,199

and I know you were kind of expecting

164

00:09:39,030 --> 00:09:36,640

some kind of announcement but nothing

165

00:09:44,280 --> 00:09:39,040

really everybody it's paid off I will

166

00:09:46,079 --> 00:09:44,290

give you that it would be okay okay

167

00:09:48,210 --> 00:09:46,089

there was a there was a theory leading

168

00:09:50,550 --> 00:09:48,220

towards that maybe it was German

169

00:09:55,019 --> 00:09:50,560

technology that was captured or came

170

00:09:57,509 --> 00:09:55,029

down there are there are theories that

171

00:09:58,980 --> 00:09:57,519

lead that way and you know doing series

172

00:10:02,730 --> 00:09:58,990

absent why the Volkswagen was shaped

173

00:10:03,300 --> 00:10:02,740

like a UFO that is the type of thinking

174

00:10:13,190 --> 00:10:03,310

that I don't

175

00:10:21,090 --> 00:10:18,750

you okay hold on if we agreed because

176

00:10:24,090 --> 00:10:21,100

you do this all the time we agree Joe

177

00:10:27,360 --> 00:10:24,100

that if I like have a good you know

178

00:10:29,790 --> 00:10:27,370

topic and you know the flow is going and

179

00:10:31,230 --> 00:10:29,800

the information is coming that you

180

00:10:32,700 --> 00:10:31,240

weren't gonna interrupt I didn't

181

00:10:36,600 --> 00:10:32,710

interrupt I just said you were talking

182

00:10:39,200 --> 00:10:36,610

about so far you said Shh huh and then

183

00:10:45,060 --> 00:10:39,210

you farted or burped or whatever it was

184

00:10:47,100 --> 00:10:45,070

so yeah anyway let me ask you this well

185

00:10:53,760 --> 00:10:47,110

what do you think came down in Roswell

186

00:10:56,880 --> 00:10:53,770

Joe here you talk I don't know no I

187

00:10:58,970 --> 00:10:56,890

don't know I I don't know but that piece

188

00:11:02,400 --> 00:10:58,980

of filament he had or that piece of

189

00:11:05,960 --> 00:11:02,410

aluminum whatever it was shaped like a

190

00:11:07,560 --> 00:11:05,970

space blanket Mylar blanket about the

191

00:11:10,560 --> 00:11:07,570

roswell foil

192

00:11:13,580 --> 00:11:10,570

yeah the foilage I don't that could be

193

00:11:16,620 --> 00:11:13,590

part of a UFO is it still alive today

194

00:11:18,960 --> 00:11:16,630

Alliance is it still go back to its

195

00:11:20,760 --> 00:11:18,970

original form that's a good you know

196

00:11:22,440 --> 00:11:20,770

what - let's say does that still keep

197

00:11:24,600 --> 00:11:22,450

doing that does it still keep shaping

198

00:11:27,780 --> 00:11:24,610

back to original let's talk about that

199

00:11:30,510 --> 00:11:27,790

because an expiration date this is a

200

00:11:32,820 --> 00:11:30,520

perfectly cold until mistake god this is

201
00:11:38,730 --> 00:11:32,830
the perfect time to segue into the fact

202
00:11:42,300 --> 00:11:38,740
that on in two weeks on the probe cast

203
00:11:46,080 --> 00:11:42,310
on the 18th of July we're having dr.

204
00:11:48,060 --> 00:11:46,090
Jerry crop on the show who is the 18th

205
00:11:51,540 --> 00:11:48,070
is the same day that Reebok is releasing

206
00:11:57,120 --> 00:11:51,550
their alien stopper shoes from alien

207
00:12:00,510 --> 00:11:57,130
movie that is a quick thing yeah thank

208
00:12:07,430 --> 00:12:00,520
you for that \$349 retail for the SETI

209
00:12:09,200 --> 00:12:07,440
attune thank you yes send us a check

210
00:12:11,970 --> 00:12:09,210
yeah

211
00:12:14,610 --> 00:12:11,980
we have tens and tens of people that are

212
00:12:17,820 --> 00:12:14,620
gonna know tens of ones of eight and

213
00:12:20,640 --> 00:12:17,830

some puns apiece they come and they go

214

00:12:21,930 --> 00:12:20,650

anyway what now this is what's

215

00:12:23,400 --> 00:12:21,940

interesting I'm gonna tell this story I

216

00:12:26,190 --> 00:12:23,410

kind of told it Howard

217

00:12:27,630 --> 00:12:26,200

but tell me does it until this day still

218

00:12:29,340 --> 00:12:27,640

goes back to original form won't you

219

00:12:30,930 --> 00:12:29,350

crumply I don't know but if you let me

220

00:12:32,490 --> 00:12:30,940

tell you this story it'll help well I

221

00:12:34,370 --> 00:12:32,500

want some damn answers I'm gonna try

222

00:12:37,050 --> 00:12:34,380

that's why he's coming on the show

223

00:12:38,790 --> 00:12:37,060

specifically does he how about the foil

224

00:12:48,680 --> 00:12:38,800

and let me tell you if you shut up and

225

00:12:58,020 --> 00:12:54,420

he and I ran into each other on a form

226

00:12:59,160 --> 00:12:58,030

somewhere it was like oh is that that

227

00:13:00,630 --> 00:12:59,170

one time you were going on about the

228

00:13:02,910 --> 00:13:00,640

mylar and trying to figure out what it

229

00:13:05,370 --> 00:13:02,920

was yes that that oh that time when I

230

00:13:06,600 --> 00:13:05,380

was like crazy obsessed with it and I

231

00:13:10,230 --> 00:13:06,610

was like it could be this look at this

232

00:13:14,970 --> 00:13:10,240

video did it did it did and so annoying

233

00:13:17,190 --> 00:13:14,980

it will yeah you know what is annoying

234

00:13:20,550 --> 00:13:17,200

what what annoys me is I want to know

235

00:13:23,700 --> 00:13:20,560

what it is and so this gentleman dr.

236

00:13:25,340 --> 00:13:23,710

Jerry crop I think is even more insane

237

00:13:28,980 --> 00:13:25,350

about it and let me tell you why okay

238

00:13:34,050 --> 00:13:28,990

this is his story that in the 60s he was

239

00:13:38,010 --> 00:13:34,060

teaching elementary school and one of

240

00:13:41,520 --> 00:13:38,020

his students came up to him and said you

241

00:13:45,420 --> 00:13:41,530

know hey mr. cross look at this and what

242

00:13:48,570 --> 00:13:45,430

she handed him was a kind of like a long

243

00:13:51,210 --> 00:13:48,580

looking piece of foil so like I don't

244

00:13:55,080 --> 00:13:51,220

remember the exact dimensions but I you

245

00:13:56,700 --> 00:13:55,090

know a good size and he said he looked

246

00:13:59,310 --> 00:13:56,710

at it and handed it back to her and said

247

00:14:01,440 --> 00:13:59,320

oh that's very cool and then she said

248

00:14:05,730 --> 00:14:01,450

crinkle it up roll it up into a ball on

249

00:14:07,080 --> 00:14:05,740

your hand and so he did and when he

250

00:14:09,060 --> 00:14:07,090

opened his hand it went right back to

251
00:14:11,370 --> 00:14:09,070
where it was no creases no wrinkles

252
00:14:12,750 --> 00:14:11,380
nothing just instantaneously is it like

253
00:14:18,920 --> 00:14:12,760
the same kind of bullets inside

254
00:14:22,350 --> 00:14:21,030
listen this is interesting ya know

255
00:14:25,230 --> 00:14:22,360
remember remember of the chocolate

256
00:14:27,270 --> 00:14:25,240
holder listen nobody's been good

257
00:14:30,180 --> 00:14:27,280
look what I'm telling you is this is a

258
00:14:33,570 --> 00:14:30,190
big deal and people don't know this guy

259
00:14:36,270 --> 00:14:33,580
has claimed a handle something like the

260
00:14:37,710 --> 00:14:36,280
Roswell foil makes explain this story

261
00:14:42,270 --> 00:14:37,720
without interrupting you interrupting us

262
00:14:43,530 --> 00:14:42,280
me this is just me over anyway another

263
00:14:46,620 --> 00:14:43,540

beer please

264

00:14:51,270 --> 00:14:46,630

so he crinkled it up and it opened right

265

00:14:54,420 --> 00:14:51,280

back up and he said interesting and she

266

00:14:57,900 --> 00:14:54,430

said now cut it he said he took a pair

267

00:14:59,550 --> 00:14:57,910

of scissors tried to cut it and it

268

00:15:02,310 --> 00:14:59,560

didn't do anything what it basically did

269

00:15:04,020 --> 00:15:02,320

was just slid between the blades so he

270

00:15:05,790 --> 00:15:04,030

tried few pairs of scissors he couldn't

271

00:15:09,210 --> 00:15:05,800

cut it then he said he took like a

272

00:15:11,610 --> 00:15:09,220

ballpoint pen he was trying to nothing

273

00:15:14,370 --> 00:15:11,620

he said it would dent for a second but

274

00:15:17,600 --> 00:15:14,380

then it would go right back liquid like

275

00:15:20,940 --> 00:15:17,610

a liquid sheet he said it was like

276

00:15:22,980 --> 00:15:20,950

slight it was like a cloth metallic

277

00:15:26,940 --> 00:15:22,990

rubber some kind of something like that

278

00:15:29,850 --> 00:15:26,950

and what did they come close to creating

279

00:15:33,360 --> 00:15:29,860

it's like that can we can I finish the

280

00:15:36,210 --> 00:15:33,370

story can we talk about that after just

281

00:15:39,240 --> 00:15:36,220

pay attention Joe for a second okay I'm

282

00:15:42,630 --> 00:15:39,250

attention to so he didn't think anything

283

00:15:46,980 --> 00:15:42,640

of it at the time until he read the day

284

00:15:51,750 --> 00:15:46,990

after Roswell by lieutenant Phillip Jake

285

00:15:55,070 --> 00:15:51,760

course I believe yes who wrote the book

286

00:15:57,450 --> 00:15:55,080

day after Roswell who talked about

287

00:16:00,210 --> 00:15:57,460

disbursing different alien technologies

288

00:16:03,210 --> 00:16:00,220

and he talked about the foil in that

289

00:16:04,890 --> 00:16:03,220

book which was essentially the same

290

00:16:07,380 --> 00:16:04,900

characteristics of all eyewitness

291

00:16:09,660 --> 00:16:07,390

testimonies which was it was a very thin

292

00:16:11,700 --> 00:16:09,670

foil you know you could roll it up into

293

00:16:13,890 --> 00:16:11,710

a ball it would spring right back open

294

00:16:17,160 --> 00:16:13,900

to its original shape no lines no

295

00:16:20,340 --> 00:16:17,170

creases no way to tear it no way to cut

296

00:16:21,840 --> 00:16:20,350

it no way to burn it and so it wasn't

297

00:16:23,910 --> 00:16:21,850

until then that book came out that he

298

00:16:25,650 --> 00:16:23,920

went well that sounds like something

299

00:16:27,329 --> 00:16:25,660

that I you know I'm sure he'll tell this

300

00:16:28,720 --> 00:16:27,339

story but this is what got me interested

301

00:16:33,460 --> 00:16:28,730

thinking

302

00:16:35,980 --> 00:16:33,470

I can't find any recent that's probably

303

00:16:37,840 --> 00:16:35,990

the most recent even notes in the

304

00:16:41,379 --> 00:16:37,850

sixties think about that eyewitness

305

00:16:44,829 --> 00:16:41,389

testimonial of a foil with the same

306

00:16:48,069 --> 00:16:44,839

characteristics as the Roswell foil

307

00:16:49,329 --> 00:16:48,079

doesn't mean that it is but he seems to

308

00:16:51,910 --> 00:16:49,339

believe that it is and that's why he's

309

00:16:56,769 --> 00:16:51,920

coming on the show joke because he has

310

00:16:59,829 --> 00:16:56,779

looked at everything I'm telling you top

311

00:17:01,750 --> 00:16:59,839

to bottom inside now yep I was he has

312

00:17:05,250 --> 00:17:01,760

Scott you'll he'll tell you the story

313

00:17:09,819 --> 00:17:05,260

but he's talked to hundreds of people

314

00:17:12,909 --> 00:17:09,829

trying to narrow down what on earth it

315

00:17:14,140 --> 00:17:12,919

could have been if it if there is any

316

00:17:17,890 --> 00:17:14,150

materials with that sort of

317

00:17:22,689 --> 00:17:17,900

characteristic now let alone back in the

318

00:17:24,669 --> 00:17:22,699

sixties you know so I think that's what

319

00:17:26,020 --> 00:17:24,679

led him to the forum and then I followed

320

00:17:28,960 --> 00:17:26,030

into there because I think I was going

321

00:17:30,180 --> 00:17:28,970

down the Mylar path and yeah which you

322

00:17:32,200 --> 00:17:30,190

talked about is like a space blanket

323

00:17:34,360 --> 00:17:32,210

exactly she's gonna [h__\h] they put in

324

00:17:36,280 --> 00:17:34,370

between the space shuttle walls yeah

325

00:17:38,710 --> 00:17:36,290

it's like just but the thing about mylar

326

00:17:43,180 --> 00:17:38,720

is it you know as all of you know is it

327

00:17:46,419 --> 00:17:43,190

creases you know folds it doesn't ever

328

00:17:48,070 --> 00:17:46,429

come back to its original form yeah so

329

00:17:50,470 --> 00:17:48,080

that was kind of what he's been doing

330

00:17:53,169 --> 00:17:50,480

process it you know deduction going

331

00:17:54,850 --> 00:17:53,179

that's got you know trying to narrow out

332

00:17:58,000 --> 00:17:54,860

what it can't be based on the

333

00:17:58,870 --> 00:17:58,010

characteristics he witnessed so that's

334

00:18:01,840 --> 00:17:58,880

gonna be interesting don't you think

335

00:18:03,130 --> 00:18:01,850

very I think you guys are gonna really

336

00:18:05,860 --> 00:18:03,140

enjoy that one so make sure you put that

337

00:18:10,840 --> 00:18:05,870

on the calendar it's July 18 July 18th

338

00:18:16,330 --> 00:18:10,850

oh please tune in Oh Karma's in the

339

00:18:18,430 --> 00:18:16,340

chatroom oh my goodness Carla hello she

340

00:18:21,970 --> 00:18:18,440

has a good question if the metallic

341

00:18:25,990 --> 00:18:21,980

stuff couldn't be cut or dented how was

342

00:18:29,740 --> 00:18:26,000

it in pieces I think what could possibly

343

00:18:31,630 --> 00:18:29,750

happen is if this is just I don't really

344

00:18:35,140 --> 00:18:31,640

know like I don't know the answers this

345

00:18:38,919 --> 00:18:35,150

is me thinking is you could probably

346

00:18:42,590 --> 00:18:38,929

take something like that and you know

347

00:18:45,859 --> 00:18:42,600

have it cover a disc as an example to

348

00:18:48,499 --> 00:18:45,869

you know guard against whatever's out in

349

00:18:51,769 --> 00:18:48,509

the atmosphere you know pieces of things

350

00:18:54,230 --> 00:18:51,779

or whatever but I think if there's an

351
00:18:57,139 --> 00:18:54,240
explosion from within don't you think it

352
00:18:57,470 --> 00:18:57,149
would force it to come apart Joe or do

353
00:19:01,970 --> 00:18:57,480
you

354
00:19:04,310 --> 00:19:01,980
as opposed to a blunt force it's it's an

355
00:19:06,259 --> 00:19:04,320
explosion I would think that would that

356
00:19:08,749 --> 00:19:06,269
is so great that it would rip it open

357
00:19:10,730 --> 00:19:08,759
I would assume Carla that's the only

358
00:19:11,810 --> 00:19:10,740
thing I can think of because I really do

359
00:19:13,879 --> 00:19:11,820
believe that's a relevant question

360
00:19:17,330 --> 00:19:13,889
that's that's kind of the stuff I was

361
00:19:22,190 --> 00:19:17,340
kind of like yeah now Carla here's a

362
00:19:27,169 --> 00:19:22,200
weird thing and we'll have to check dr.

363
00:19:30,680 --> 00:19:27,179

Krauss has I believe he said it was

364

00:19:33,379 --> 00:19:30,690

actually in a in like a go a cut piece

365

00:19:36,350 --> 00:19:33,389

like a fabricated piece so it wasn't

366

00:19:38,889 --> 00:19:36,360

like it wasn't like a piece of a

367

00:19:44,090 --> 00:19:38,899

spaceship I don't believe it was a metal

368

00:19:46,519 --> 00:19:44,100

that he handled so I he never claimed to

369

00:19:48,230 --> 00:19:46,529

you know have the actual Roswell foil or

370

00:19:50,450 --> 00:19:48,240

piece of the debris and I know that's

371

00:19:51,859 --> 00:19:50,460

not we were saying Carla but he never

372

00:19:54,590 --> 00:19:51,869

had those claims he's just saying this

373

00:19:56,480 --> 00:19:54,600

material just the material that was

374

00:19:57,649 --> 00:19:56,490

holding up in the in the picture was

375

00:20:02,029 --> 00:19:57,659

look like it was ripped

376

00:20:05,239 --> 00:20:02,039

oh yeah the the photos by the way Joe I

377

00:20:10,480 --> 00:20:05,249

didn't get to tell you this I managed to

378

00:20:14,560 --> 00:20:10,490

get my hands on the original scans

379

00:20:22,009 --> 00:20:14,570

high-resolution scans of the Marcel

380

00:20:28,779 --> 00:20:22,019

Ramsey pictures where yes yes Jesse

381

00:20:36,649 --> 00:20:32,529

yeah the Ramey memo as its otherwise

382

00:20:40,460 --> 00:20:36,659

Ramsey Ramsey forgive me yeah the Ramey

383

00:20:42,019 --> 00:20:40,470

memo by the way that's making rounds

384

00:20:44,600 --> 00:20:42,029

right now as ooh

385

00:20:47,299 --> 00:20:44,610

this is a big revelation using today's

386

00:20:50,509 --> 00:20:47,309

technology we can zoom in and see what's

387

00:20:52,230 --> 00:20:50,519

on the note that's bet done back in the

388

00:20:54,940 --> 00:20:52,240

90s actually

389

00:20:59,410 --> 00:20:54,950

all the current pictures online that I

390

00:21:02,440 --> 00:20:59,420

can find are all of [h__h] that was done

391

00:21:05,280 --> 00:21:02,450

in the 90s early 2000s I don't see

392

00:21:08,620 --> 00:21:05,290

anything recent so I got these scans so

393

00:21:11,800 --> 00:21:08,630

if anybody out there is an expert in

394

00:21:13,920 --> 00:21:11,810

digital I don't know

395

00:21:18,520 --> 00:21:13,930

clarification what do you call it

396

00:21:23,530 --> 00:21:18,530

contact us our email address is UFO Bros

397

00:21:24,820 --> 00:21:23,540

TV at gmail.com so if you're an expert

398

00:21:36,580 --> 00:21:24,830

in the digital field become a comma

399

00:21:39,190 --> 00:21:36,590

community Thank You Johnson yep

400

00:21:41,040 --> 00:21:39,200

UFO Bros TV at gmail.com send us an

401
00:21:46,180 --> 00:21:41,050
email and we will send you those

402
00:21:47,980 --> 00:21:46,190
high-resolution scans of those pictures

403
00:21:49,330 --> 00:21:47,990
the famous Roswell pictures where you

404
00:21:52,000 --> 00:21:49,340
know you know the one there in the

405
00:21:53,830 --> 00:21:52,010
office and they're holding up pieces of

406
00:21:59,170 --> 00:21:53,840
a damn weather balloon bossless sticks

407
00:22:01,210 --> 00:21:59,180
and you know mylar basically pieces of

408
00:22:04,150 --> 00:22:01,220
foil or I don't think was mylar I think

409
00:22:06,670 --> 00:22:04,160
it was a Lumina mono I was thinking is

410
00:22:10,030 --> 00:22:06,680
that it's funny how he's like holding it

411
00:22:11,770 --> 00:22:10,040
up and it's like I'm pretty sure if it

412
00:22:13,060 --> 00:22:11,780
was a weather balloon they would said

413
00:22:16,450 --> 00:22:13,070

hey that that's one of our they would

414

00:22:17,470 --> 00:22:16,460

have known what it was you know they

415

00:22:19,660 --> 00:22:17,480

won't be holding it up like this like

416

00:22:20,920 --> 00:22:19,670

like you know like like carefully like

417

00:22:24,460 --> 00:22:20,930

this is ours

418

00:22:28,120 --> 00:22:24,470

no it looks staged this pictures look

419

00:22:30,970 --> 00:22:28,130

staged don't you think like I don't

420

00:22:32,380 --> 00:22:30,980

think that he knew I think he was just

421

00:22:35,320 --> 00:22:32,390

going along with it I don't think he

422

00:22:39,730 --> 00:22:35,330

knew when he walked in there that you

423

00:22:41,440 --> 00:22:39,740

know Jesse Marcel was gonna already have

424

00:22:42,970 --> 00:22:41,450

something that'll you know the whole

425

00:22:47,260 --> 00:22:42,980

thing planned he walked into it from

426

00:22:50,160 --> 00:22:47,270

what I understand and for those of you

427

00:22:55,020 --> 00:22:50,170

don't know Jesse Marcel was the first

428

00:22:59,070 --> 00:22:55,030

person from the military on the scene

429

00:23:01,800 --> 00:22:59,080

after the farmer Mac Brazel called a

430

00:23:07,820 --> 00:23:01,810

local police station who then informed

431

00:23:11,310 --> 00:23:07,830

oh oh here for you Brad don't drive

432

00:23:16,220 --> 00:23:11,320

clothes um that was somebody's going to

433

00:23:22,410 --> 00:23:19,920

you guys keep your dogs and your animals

434

00:23:25,920 --> 00:23:22,420

inside because that [h__h] scares them and

435

00:23:27,750 --> 00:23:25,930

they run away yeah well so we need to

436

00:23:28,740 --> 00:23:27,760

play the Sarah McLachlan commercial see

437

00:23:30,870 --> 00:23:28,750

you well the thing is there's a lot of

438

00:23:33,360 --> 00:23:30,880

the other states this that's tough see

439

00:23:35,700 --> 00:23:33,370

that's that's legal to play with here

440

00:23:41,540 --> 00:23:35,710

oh and no you sneeze in the sidewalk you

441

00:23:46,230 --> 00:23:41,550

get a fine I'm surprised we don't have a

442

00:23:48,990 --> 00:23:46,240

air-breathing tax yet you know suck it

443

00:23:50,910 --> 00:23:49,000

in my hair clean air tax I wonder if

444

00:23:59,370 --> 00:23:50,920

there's such a thing oh there was sure

445

00:24:03,770 --> 00:23:59,380

there is Mac Brazel was a farmer that

446

00:24:08,210 --> 00:24:03,780

found the debris on his ranch you know a

447

00:24:13,290 --> 00:24:08,220

debris on the Brazel ranch consisted of

448

00:24:15,090 --> 00:24:13,300

metallic foil metal beams and that's

449

00:24:17,100 --> 00:24:15,100

where Jesse Marcel is the great isn't

450

00:24:19,410 --> 00:24:17,110

the grant great-grandkids yes but hold

451
00:24:26,730 --> 00:24:19,420
on that's where Jesse Marcel found these

452
00:24:29,070 --> 00:24:26,740
symbols on the beams and then the bodies

453
00:24:34,200 --> 00:24:29,080
came into play at a different crash site

454
00:24:36,690 --> 00:24:34,210
from what I understand and it was in a

455
00:24:41,550 --> 00:24:36,700
completely different area was in Corona

456
00:24:43,530 --> 00:24:41,560
I got to actually go read that to tell

457
00:24:47,750 --> 00:24:43,540
you but let's just say that there were

458
00:24:50,880 --> 00:24:47,760
two different crash sites major ones and

459
00:24:54,600 --> 00:24:50,890
the second one wasn't actually found for

460
00:24:58,530 --> 00:24:54,610
like a while later I think a couple

461
00:25:00,480 --> 00:24:58,540
weeks or something like that firework

462
00:25:01,890 --> 00:25:00,490
I'm probably getting this story totally

463
00:25:04,020 --> 00:25:01,900

I'm probably gonna get drunk wrong right

464

00:25:07,320 --> 00:25:04,030

I think I'm gonna get drunk wrong but

465

00:25:08,540 --> 00:25:07,330

yeah essentially depending on who you

466

00:25:11,390 --> 00:25:08,550

listen to

467

00:25:15,500 --> 00:25:11,400

you know one person will say that it was

468

00:25:17,600 --> 00:25:15,510

aliens in a disc associated with the

469

00:25:20,840 --> 00:25:17,610

debris that was collected which is kind

470

00:25:21,890 --> 00:25:20,850

of lumping all the stories into one you

471

00:25:23,600 --> 00:25:21,900

know because it's really there were

472

00:25:26,540 --> 00:25:23,610

separate events between the crash and

473

00:25:30,950 --> 00:25:26,550

the in the aliens there were different

474

00:25:32,540 --> 00:25:30,960

events from what I understand so you're

475

00:25:35,840 --> 00:25:32,550

saying that the crash site there was at

476

00:25:39,470 --> 00:25:35,850

Roswell was no aliens I don't believe

477

00:25:41,900 --> 00:25:39,480

Jesse Marcel saw aliens I think he

478

00:25:47,180 --> 00:25:41,910

specifically spoke of the metallic

479

00:25:50,950 --> 00:25:47,190

debris I do believe that he was told or

480

00:25:58,550 --> 00:25:50,960

heard of or knew about insight about

481

00:26:02,960 --> 00:25:58,560

about the second crash site so it's it's

482

00:26:05,540 --> 00:26:02,970

confusing so on the note in a couple

483

00:26:06,950 --> 00:26:05,550

days for the anniversary isn't the

484

00:26:12,250 --> 00:26:06,960

great-grandkids supposed to come out and

485

00:26:15,500 --> 00:26:12,260

reveal something about all this um I

486

00:26:16,790 --> 00:26:15,510

talked to him I thought I know bro I

487

00:26:18,290 --> 00:26:16,800

keep searching like you think they're

488

00:26:19,970 --> 00:26:18,300

really gonna put it out there all just

489

00:26:30,520 --> 00:26:19,980

don't know I have disclosure at this but

490

00:26:36,080 --> 00:26:32,540

we're gonna tell you if there are or not

491

00:26:41,450 --> 00:26:36,090

you come there there is just goes dead

492

00:26:44,240 --> 00:26:41,460

well okay I could see that I could see

493

00:26:47,510 --> 00:26:44,250

that but I do know they said that they

494

00:26:49,190 --> 00:26:47,520

were looking into some information do

495

00:26:52,490 --> 00:26:49,200

you remember Joe and this is what I've

496

00:26:57,230 --> 00:26:52,500

been searching for like crazy in in the

497

00:27:00,680 --> 00:26:57,240

rainy photos is the grandkids said that

498

00:27:02,930 --> 00:27:00,690

in one of those photos there's an actual

499

00:27:05,230 --> 00:27:02,940

piece of the real debris in one of those

500

00:27:09,200 --> 00:27:05,240

photos did you hear that

501
00:27:11,330 --> 00:27:09,210
really yeah I'll show you I can I can

502
00:27:12,860 --> 00:27:11,340
just hella zoom in and I can look around

503
00:27:14,360 --> 00:27:12,870
like there's they're super

504
00:27:16,550 --> 00:27:14,370
high-definition so if anybody else wants

505
00:27:20,090 --> 00:27:16,560
to take a crack at it again UFO Bros TV

506
00:27:26,249 --> 00:27:24,419
7995 I'm strip no no no no this is just

507
00:27:28,100 --> 00:27:26,259
from one you follow just to another like

508
00:27:31,080 --> 00:27:28,110
I've never charged people for that I

509
00:27:33,480 --> 00:27:31,090
mean I found so it's not like you know

510
00:27:34,889 --> 00:27:33,490
actually I was like I thought I was

511
00:27:37,080 --> 00:27:34,899
gonna have to damn fly down to Texas

512
00:27:39,180 --> 00:27:37,090
where they were and say get me damn damn

513
00:27:41,519 --> 00:27:39,190

photo but I was able to find him

514

00:27:47,789 --> 00:27:41,529

thankfully it took some digging what I

515

00:27:52,560 --> 00:27:47,799

found no sticking is what you do bashed

516

00:27:54,389 --> 00:27:52,570

I sticking is a cheetah vasas butt hole

517

00:27:56,730 --> 00:27:54,399

digging is what you do best

518

00:28:01,820 --> 00:27:56,740

penis flicking is what you do best

519

00:28:13,560 --> 00:28:11,639

aftermath is what you do best it's gross

520

00:28:14,820 --> 00:28:13,570

you know you said that knuckle bump on

521

00:28:18,330 --> 00:28:14,830

that that was a good one though that was

522

00:28:20,249 --> 00:28:18,340

funny see Joe you were worried nobody's

523

00:28:24,769 --> 00:28:20,259

gonna be in the chant no he's gonna look

524

00:28:27,840 --> 00:28:24,779

in Carla's here and she's typing up and

525

00:28:29,100 --> 00:28:27,850

there's like she well I I think many

526

00:28:29,430 --> 00:28:29,110

people ITER's together and they make

527

00:28:33,509 --> 00:28:29,440

words

528

00:28:37,080 --> 00:28:33,519

too it's like midnight in other places

529

00:28:39,299 --> 00:28:37,090

or 11 o'clock or 10 you look like it's

530

00:28:41,070 --> 00:28:39,309

midnight I don't know what's wrong with

531

00:28:41,850 --> 00:28:41,080

you you look like 4:00 in the morning

532

00:28:45,360 --> 00:28:41,860

thank you

533

00:28:49,499 --> 00:28:45,370

I feel like 4:00 in the morning I need

534

00:28:53,149 --> 00:28:49,509

to shave and a haircut two bits yeah I

535

00:29:01,549 --> 00:28:56,220

can we switch gears yeah I'm waiting

536

00:29:06,210 --> 00:29:04,169

look I okay we're gonna talk about sir

537

00:29:07,379 --> 00:29:06,220

no face real quick now I don't know if

538

00:29:09,419 --> 00:29:07,389

I've talked about this I don't but I

539

00:29:11,789 --> 00:29:09,429

believe I haven't there's a documentary

540

00:29:13,080 --> 00:29:11,799

and I you know I'm promoting it but I'm

541

00:29:13,649 --> 00:29:13,090

like my face no face I don't know what

542

00:29:18,060 --> 00:29:13,659

you're talking about

543

00:29:20,070 --> 00:29:18,070

go ahead there's that's a lot of subject

544

00:29:21,690 --> 00:29:20,080

matter for me to make jokes on I'm just

545

00:29:27,580 --> 00:29:21,700

gonna leave it alone

546

00:29:29,020 --> 00:29:27,590

anyway it's a documentary or it's a

547

00:29:34,810 --> 00:29:29,030

scare film I don't know it's kind of

548

00:29:38,620 --> 00:29:34,820

both but here's what the filmmaker his

549

00:29:42,250 --> 00:29:38,630

name is named Chad let me get on this

550

00:29:43,390 --> 00:29:42,260

really quick here get the actual so you

551
00:29:46,030 --> 00:29:43,400
guys actually know who the director is

552
00:29:49,960 --> 00:29:46,040
because he's a huge ghost hunter Chad

553
00:29:53,980 --> 00:29:49,970
kalloch is his name and this footage is

554
00:29:58,000 --> 00:29:53,990
said to be of an actual ghost oh yes

555
00:30:03,870 --> 00:29:58,010
okay like this is according to him

556
00:30:05,170 --> 00:30:03,880
definitive absolute proof not evidence

557
00:30:11,080 --> 00:30:05,180
proof

558
00:30:13,930 --> 00:30:11,090
interesting I have literally searched

559
00:30:16,690 --> 00:30:13,940
every image every social media every

560
00:30:20,140 --> 00:30:16,700
YouTube every Vimeo I could possibly

561
00:30:24,100 --> 00:30:20,150
find trying to see if there's any stills

562
00:30:27,430 --> 00:30:24,110
or short if there's no footage of the

563
00:30:32,290 --> 00:30:27,440

film other than his trailers and the

564

00:30:33,820 --> 00:30:32,300

trailers is a majority of him getting

565

00:30:36,790 --> 00:30:33,830

feedback from people that came to the

566

00:30:39,700 --> 00:30:36,800

film and then telling them it's like

567

00:30:42,430 --> 00:30:39,710

people come out looking shocked and he

568

00:30:44,050 --> 00:30:42,440

films their faces you know kind of like

569

00:30:46,210 --> 00:30:44,060

paranormal activity did but it's not

570

00:30:47,590 --> 00:30:46,220

like that you know it might be the first

571

00:30:50,410 --> 00:30:47,600

thing you think it was like paranormal

572

00:30:52,240 --> 00:30:50,420

activity that's what I was like but as

573

00:30:55,960 --> 00:30:52,250

you watch you see these are real people

574

00:31:00,000 --> 00:30:55,970

that are shown a film and they believe

575

00:31:07,960 --> 00:31:00,010

that it is definitive proof of ghosts

576

00:31:09,040 --> 00:31:07,970

and the story goes you know they I might

577

00:31:10,600 --> 00:31:09,050

have talked about this I don't remember

578

00:31:12,910 --> 00:31:10,610

if I have sorry you don't have noticed

579

00:31:14,470 --> 00:31:12,920

in the past like few months more weirder

580

00:31:17,020 --> 00:31:14,480

and weirder yeah starting to come out of

581

00:31:19,210 --> 00:31:17,030

the woodwork you're right which is

582

00:31:21,850 --> 00:31:19,220

probably why the Australian government

583

00:31:24,760 --> 00:31:21,860

allowed these I guess you call ghost

584

00:31:28,120 --> 00:31:24,770

hunters to come in they spent two weeks

585

00:31:30,160 --> 00:31:28,130

on an island that was supposedly haunted

586

00:31:33,910 --> 00:31:30,170

owned by the government nobody was on it

587

00:31:34,750 --> 00:31:33,920

no electricity to it and this is where

588

00:31:38,760 --> 00:31:34,760

the foot

589

00:31:40,870 --> 00:31:38,770

of this operation takes place and

590

00:31:45,100 --> 00:31:40,880

apparently they have like camera setup

591

00:31:48,789 --> 00:31:45,110

and this operation that they had been

592

00:31:51,130 --> 00:31:48,799

talking to that would clearly reply its

593

00:31:53,490 --> 00:31:51,140

name they would ask him what's your name

594

00:31:56,919 --> 00:31:53,500

and it would say sir

595

00:32:02,500 --> 00:31:56,929

according to Chad that's what what the

596

00:32:05,020 --> 00:32:02,510

footage shows and it would flash lights

597

00:32:08,049 --> 00:32:05,030

out of nowhere in rooms where there's no

598

00:32:13,659 --> 00:32:08,059

electricity so they were speaking or

599

00:32:15,730 --> 00:32:13,669

interacting with this entity and without

600

00:32:18,610 --> 00:32:15,740

them expecting it it showed itself it

601
00:32:22,539 --> 00:32:18,620
appeared in front of a in front of one

602
00:32:24,220 --> 00:32:22,549
of their cameras and you know you kind

603
00:32:26,740 --> 00:32:24,230
of always think oh maybe it's just like

604
00:32:30,400 --> 00:32:26,750
a shadow huh people are like this isn't

605
00:32:33,700 --> 00:32:30,410
this is not a shadow it's not a this is

606
00:32:41,409 --> 00:32:33,710
a clear being manifesting itself in do

607
00:32:44,669 --> 00:32:41,419
you have it I told you I scoured the

608
00:32:47,980 --> 00:32:44,679
internet trying to find images on it

609
00:32:53,080 --> 00:32:47,990
here look I look seriously let me grab

610
00:32:56,380 --> 00:32:53,090
my shut up Apple i7 full shut up the

611
00:32:59,169 --> 00:32:56,390
only comment of anybody describing it

612
00:33:03,820 --> 00:32:59,179
Joe was this that I could find check

613
00:33:05,289 --> 00:33:03,830

this out so he shows it to this to the

614

00:33:11,200 --> 00:33:05,299

staff at a radio station and one guy

615

00:33:13,120 --> 00:33:11,210

says it looks like an alien that's what

616

00:33:17,470 --> 00:33:13,130

he says he says it looks like an alien

617

00:33:24,010 --> 00:33:17,480

and so now I am dying everyday to see

618

00:33:26,049 --> 00:33:24,020

what the hell what do you think Carla do

619

00:33:28,539 --> 00:33:26,059

you think that do you think it's

620

00:33:31,250 --> 00:33:28,549

possible somebody could have definitive

621

00:33:36,450 --> 00:33:31,260

proof on

622

00:33:38,280 --> 00:33:36,460

tape or recording well if the recording

623

00:33:40,250 --> 00:33:38,290

we see we can clearly see if there's an

624

00:33:45,590 --> 00:33:40,260

alien that's in the operation like it's

625

00:33:51,090 --> 00:33:45,600

been beamed down no it appears a

626

00:33:54,060 --> 00:33:51,100

full-figured being clear not where you

627

00:33:55,620 --> 00:33:54,070

see something or maybe an outline and by

628

00:33:57,870 --> 00:33:55,630

the way I have not seen the film

629

00:34:00,270 --> 00:33:57,880

I'm just saying through and so people

630

00:34:07,860 --> 00:34:00,280

are walking out there saying scared as

631

00:34:11,190 --> 00:34:07,870

[h__h] oh yeah I wish we could play where

632

00:34:12,389 --> 00:34:11,200

can we find this movie so let's talk

633

00:34:13,830 --> 00:34:12,399

about that I'm trying to get the

634

00:34:16,440 --> 00:34:13,840

director on the show but he won't reply

635

00:34:18,869 --> 00:34:16,450

to my email you're going on a tour this

636

00:34:20,550 --> 00:34:18,879

summer and they're touring the film so

637

00:34:23,070 --> 00:34:20,560

they've been touring the film by the way

638

00:34:28,260 --> 00:34:23,080

I found out for the past few years like

639

00:34:29,879 --> 00:34:28,270

four years so it's not new but I think

640

00:34:32,820 --> 00:34:29,889

what they're doing is rightly so trying

641

00:34:35,700 --> 00:34:32,830

to you know make money on it by the way

642

00:34:37,320 --> 00:34:35,710

if you are afraid of paying \$30 to go

643

00:34:39,840 --> 00:34:37,330

see somebody's film because you're

644

00:34:41,550 --> 00:34:39,850

afraid you're gonna get stiffed you have

645

00:34:44,040 --> 00:34:41,560

way bigger things in life to be

646

00:34:47,580 --> 00:34:44,050

concerned about the movie step 30 bucks

647

00:34:52,220 --> 00:34:47,590

come on if you can go you know support a

648

00:34:57,450 --> 00:34:55,320

yeah Coen with an open mind have a good

649

00:35:00,000 --> 00:34:57,460

time that's what I want to do and see

650

00:35:03,150 --> 00:35:00,010

what it's about who knows it could be

651

00:35:05,160 --> 00:35:03,160

like who knows it could be like alien

652

00:35:07,590 --> 00:35:05,170

autopsy factor fiction in the 90s

653

00:35:10,320 --> 00:35:07,600

remember that Joe member for months and

654

00:35:13,170 --> 00:35:10,330

months and months everybody was you know

655

00:35:14,580 --> 00:35:13,180

debating is it real or not remember yeah

656

00:35:16,349 --> 00:35:14,590

and then we find out of course years

657

00:35:21,960 --> 00:35:16,359

later of course it a few years later

658

00:35:24,420 --> 00:35:21,970

that it was indeed faked so this could

659

00:35:27,180 --> 00:35:24,430

be the case with this film too but from

660

00:35:32,420 --> 00:35:27,190

what the people that have seen it their

661

00:35:37,109 --> 00:35:32,430

expression their emotion people crying

662

00:35:38,460 --> 00:35:37,119

that's kind of weird people going into

663

00:35:41,359 --> 00:35:38,470

an emotional state where they're about

664

00:35:43,530 --> 00:35:41,369

like they you see them they shut off

665

00:35:44,819 --> 00:35:43,540

trying to process what they just saw

666

00:35:46,380 --> 00:35:44,829

exactly

667

00:35:52,699 --> 00:35:46,390

and there's grown men crying in women

668

00:35:56,910 --> 00:35:52,709

crying because to them because to them

669

00:36:01,529 --> 00:35:56,920

it blew that was a pretty one to them it

670

00:36:03,900 --> 00:36:01,539

was validating like it was proof for

671

00:36:06,690 --> 00:36:03,910

them like it changed their life kind of

672

00:36:08,519 --> 00:36:06,700

film so I'm not trying to hype it up I

673

00:36:10,529 --> 00:36:08,529

haven't seen it I don't know Chad I mean

674

00:36:12,599 --> 00:36:10,539

I have no Jonah I really have no reason

675

00:36:14,999 --> 00:36:12,609

to promote it other than just pure

676

00:36:17,699 --> 00:36:15,009

speculation in curiosity of what is on

677

00:36:19,229 --> 00:36:17,709

the mostly what yeah I'm just I'm not

678

00:36:20,969 --> 00:36:19,239

looking for validation I'm not looking

679

00:36:24,569 --> 00:36:20,979

for any justifications of any type I

680

00:36:32,120 --> 00:36:24,579

just want to see it see it's all a good

681

00:36:39,839 --> 00:36:36,059

that's only maybe the government that

682

00:36:43,620 --> 00:36:39,849

know what why would the government take

683

00:36:45,059 --> 00:36:43,630

it okay so they would let him tour the

684

00:36:47,699 --> 00:36:45,069

film and charge people to see it but

685

00:36:53,549 --> 00:36:47,709

then take it off the internet and then

686

00:36:56,150 --> 00:36:53,559

make a no sense well dad doesn't make

687

00:36:58,469 --> 00:36:56,160

any sense

688

00:37:02,009 --> 00:36:58,479

since terms of dollars and dollars turns

689

00:37:09,980 --> 00:37:02,019

into my pocket and then think of me your

690

00:37:18,109 --> 00:37:15,170

I don't know I know so open everybody's

691

00:37:21,520 --> 00:37:18,119

having a fun and safe and with the head

692

00:37:25,760 --> 00:37:21,530

didn't today yes we're independent and

693

00:37:28,579 --> 00:37:25,770

don't drink and drive don't do anything

694

00:37:32,060 --> 00:37:28,589

stupid don't let yourself on fire yeah

695

00:37:35,060 --> 00:37:32,070

don't don't put fireworks in your butt

696

00:37:37,640 --> 00:37:35,070

or in your bellybutton vagina or

697

00:37:42,109 --> 00:37:37,650

whatever people do that and it's a bad

698

00:37:43,190 --> 00:37:42,119

idea folks just don't do it then again

699

00:37:48,079 --> 00:37:43,200

if you're stupid enough to do it you

700

00:37:51,099 --> 00:37:48,089

kind of deserve what you get is my face

701
00:37:54,320 --> 00:37:51,109
in my got burned off by roman candle

702
00:37:57,530 --> 00:37:54,330
five years later what's wrong with your

703
00:38:01,910 --> 00:37:57,540
vagina well let's take it slow the

704
00:38:04,970 --> 00:38:01,920
grenade one time when I was stupider I

705
00:38:10,430 --> 00:38:04,980
decided to put a firecracker in my case

706
00:38:15,829 --> 00:38:10,440
okay oh sorry but what are you like

707
00:38:16,520 --> 00:38:15,839
wrapping up the show right now I'm gonna

708
00:38:19,250 --> 00:38:16,530
be your bro

709
00:38:21,220 --> 00:38:19,260
are you guys drinking I bet they're

710
00:38:23,780 --> 00:38:21,230
drinking let's do this let's talk about

711
00:38:25,849 --> 00:38:23,790
where the end here kind of at the show

712
00:38:27,920 --> 00:38:25,859
but you guys listen up we've got a bunch

713
00:38:31,609 --> 00:38:27,930

of new followers and stuff and Joe

714

00:38:33,770 --> 00:38:31,619

promised that he would read a couple in

715

00:38:38,570 --> 00:38:33,780

some character voices of its choice so

716

00:38:42,670 --> 00:38:38,580

Joe you go on Twitter and maybe just do

717

some of these names getting there

718
