

WFO
BROS

1
00:00:05,980 --> 00:00:14,560

[Music]

2
00:00:23,810 --> 00:00:21,680

UFO Bros hey everyone is Giorgio

3
00:00:27,650 --> 00:00:23,820

tsoukalos from ancient aliens and you're

4
00:00:29,900 --> 00:00:27,660

experiencing UFO Bros TV that's right

5
00:00:31,190 --> 00:00:29,910

you are experiencing youthful Bruce

6
00:00:33,709 --> 00:00:31,200

we're back

7
00:00:38,360 --> 00:00:33,719

what's up everybody on in it I'm Joe and

8
00:00:42,290 --> 00:00:38,370

we are the UFO Bros and we're actually

9
00:00:45,130 --> 00:00:42,300

coming at you live from a slightly

10
00:00:47,329 --> 00:00:45,140

quieter place in the facility I flew

11
00:00:50,720 --> 00:00:47,339

some [h__h] air conditioning for sure

12
00:00:56,809 --> 00:00:50,730

exactly so you know hopefully the road

13
00:00:59,540 --> 00:00:56,819

noise is at a minimum for this yep I can

14

00:01:01,239 --> 00:00:59,550

actually hear myself I'm sorry to hear

15

00:01:04,610 --> 00:01:01,249

that

16

00:01:07,010 --> 00:01:04,620

so Joe we had just to get started here

17

00:01:09,050 --> 00:01:07,020

like we've got lots of new followers on

18

00:01:11,539 --> 00:01:09,060

Instagram and over the next few days the

19

00:01:14,270 --> 00:01:11,549

last couple days has been crazy

20

00:01:17,300 --> 00:01:14,280

they've been it's it's been tremendous

21

00:01:20,179 --> 00:01:17,310

and even on our Facebook we're getting

22

00:01:22,789 --> 00:01:20,189

messages which is cool so if you are not

23

00:01:26,690 --> 00:01:22,799

you should follow us at facebook.com

24

00:01:30,020 --> 00:01:26,700

forward slash UFO Bros TV we do reply to

25

00:01:32,240 --> 00:01:30,030

messages and we do publish slightly

26

00:01:35,389 --> 00:01:32,250

different content on Facebook so make

27

00:01:41,109 --> 00:01:35,399

sure you're subscribed and if you're not

28

00:01:44,270 --> 00:01:41,119

follow us on Twitter at uf0 Bros TV and

29

00:01:47,800 --> 00:01:44,280

Instagram at UFO Bros TV basically all

30

00:01:52,429 --> 00:01:47,810

things social media so also and tour

31

00:01:56,240 --> 00:01:52,439

what's that yeah and on tumblr yeah um

32

00:01:58,580 --> 00:01:56,250

do you auto broke wait Donald Trump is

33

00:02:01,179 --> 00:01:58,590

in the house oh we should redo the intro

34

00:02:06,859 --> 00:02:01,189

hey what's everybody I'm in it I'm Joe

35

00:02:10,910 --> 00:02:06,869

Donald Trump this floor

36

00:02:12,649 --> 00:02:10,920

okay so president Trump is here via

37

00:02:15,140 --> 00:02:12,659

soundboard and

38

00:02:17,000 --> 00:02:15,150

so I was trying to make a catchy title

39

00:02:19,539 --> 00:02:17,010

Joe for like the show today and I was

40

00:02:24,610 --> 00:02:19,549

thinking how the hell would Donald Trump

41

00:02:27,110 --> 00:02:24,620

announced you know that there's aliens

42

00:02:28,879 --> 00:02:27,120

it had been visiting us I wonder what he

43

00:02:37,690 --> 00:02:28,889

would say there's aliens you probably

44

00:02:40,490 --> 00:02:37,700

say Rosie O'Donnell hi Donny done

45

00:02:46,789 --> 00:02:40,500

Tiffany all of them all of them are

46

00:02:56,179 --> 00:02:46,799

[h__h] but you know what the best one

47

00:02:59,750 --> 00:02:56,189

is I gotta take here but the second

48

00:03:02,330 --> 00:02:59,760

thing is dying Oh God

49

00:03:04,129 --> 00:03:02,340

so I came up with this test you know you

50

00:03:08,360 --> 00:03:04,139

know this catchy title like the great

51
00:03:13,129 --> 00:03:08,370
great aliens lend something like that I

52
00:03:18,349 --> 00:03:13,139
love aliens no I'm sorry

53
00:03:19,280 --> 00:03:18,359
well you know what here is my idea Joe

54
00:03:21,439 --> 00:03:19,290
and I've been thinking about this a

55
00:03:24,020 --> 00:03:21,449
couple No oh yeah you want to hear this

56
00:03:26,149 --> 00:03:24,030
so president Trump Joe I want you to

57
00:03:28,939 --> 00:03:26,159
hear this so thank you very much that's

58
00:03:32,719 --> 00:03:28,949
really nice thank you I think that all

59
00:03:34,520 --> 00:03:32,729
of us in the UFO community whether we

60
00:03:37,009 --> 00:03:34,530
hate him or whether we love him or

61
00:03:41,449 --> 00:03:37,019
whether we was dating or whatever you

62
00:03:45,770 --> 00:03:41,459
can't see stuff like that that's

63
00:03:46,939 --> 00:03:45,780

terrible I fully understand yes we don't

64

00:03:48,710 --> 00:03:46,949

wanna have to deal with like the Secret

65

00:03:51,589 --> 00:03:48,720

Service or something crazy because no

66

00:03:52,249 --> 00:03:51,599

but the idea here is you're not a nice

67

00:03:55,369 --> 00:03:52,259

person

68

00:03:56,659 --> 00:03:55,379

I apologize for fucksakes let me finish

69

00:03:58,309 --> 00:03:56,669

what I'm saying then there's something

70

00:04:00,580 --> 00:03:58,319

wrong with you you're certainly not very

71

00:04:07,670 --> 00:04:00,590

good thank you

72

00:04:14,499 --> 00:04:07,680

[h__h] anyway she's so Trump's in a

73

00:04:19,129 --> 00:04:14,509

huge media mess right oh oh he is

74

00:04:22,279 --> 00:04:19,139

there's a Russia and there's all this

75

00:04:23,450 --> 00:04:22,289

going on now today with Donald Trump jr.

76

00:04:27,740 --> 00:04:23,460

and

77

00:04:29,870 --> 00:04:27,750

eating with these like Russian insiders

78

00:04:34,550 --> 00:04:29,880

and how illegal it is or if it is or

79

00:04:39,830 --> 00:04:34,560

isn't wrong well what I know a perfect

80

00:04:42,080 --> 00:04:39,840

way for Trump to change the dialogue we

81

00:04:45,260 --> 00:04:42,090

should all in the UFO community stroke

82

00:04:46,879 --> 00:04:45,270

his ego just a little bit publicly

83

00:04:49,790 --> 00:04:46,889

that's right just a little bit whether

84

00:04:52,460 --> 00:04:49,800

you whether you hate him or love him you

85

00:04:56,180 --> 00:04:52,470

know you know would be the greatest

86

00:04:58,939 --> 00:04:56,190

president in human history Joe would be

87

00:05:02,150 --> 00:04:58,949

the president that released information

88

00:05:04,070 --> 00:05:02,160

that we are indeed not alone and that we

89

00:05:15,080 --> 00:05:04,080

have been visited for a very long time

90

00:05:18,469 --> 00:05:15,090

etc etc at what's this xxx one me okay

91

00:05:22,670 --> 00:05:18,479

yeah well that's what the xxx one does

92

00:05:24,830 --> 00:05:22,680

absolutely okay but you guys what are

93

00:05:28,070 --> 00:05:24,840

you guys to think thank you darling for

94

00:05:29,029 --> 00:05:28,080

those of you listening would that be if

95

00:05:32,089 --> 00:05:29,039

anybody's listening

96

00:05:35,510 --> 00:05:32,099

if anybody the tens of you then the size

97

00:05:37,610 --> 00:05:35,520

of you that are listening to our show

98

00:05:38,210 --> 00:05:37,620

let me know what you think it was just a

99

00:05:39,469 --> 00:05:38,220

thought

100

00:05:41,270 --> 00:05:39,479

you know I'm not trying to push me

101
00:05:43,610 --> 00:05:41,280
political buttons Joe and I are kind of

102
00:05:47,029 --> 00:05:43,620
no trolling situation whatever because I

103
00:05:50,060 --> 00:05:47,039
believe in the end it doesn't really

104
00:05:52,459 --> 00:05:50,070
matter the president's ability there's

105
00:05:54,770 --> 00:05:52,469
obviously another source of government

106
00:05:56,990 --> 00:05:54,780
within the government and controls thing

107
00:05:59,689 --> 00:05:57,000
Indians and big outside of Trump Indians

108
00:06:03,379 --> 00:05:59,699
or any other residents ability trillions

109
00:06:07,040 --> 00:06:03,389
maybe of dollars actually in black

110
00:06:09,050 --> 00:06:07,050
projects that the president doesn't even

111
00:06:12,469 --> 00:06:09,060
know about and think about it the

112
00:06:15,459 --> 00:06:12,479
president is only and there for four

113
00:06:17,510 --> 00:06:15,469

years that's it they're earning out

114

00:06:18,860 --> 00:06:17,520

potentially eight years right as a

115

00:06:20,779 --> 00:06:18,870

second now they're beating us

116

00:06:21,680 --> 00:06:20,789

economically they are not our friend

117

00:06:25,249 --> 00:06:21,690

believe me

118

00:06:28,790 --> 00:06:25,259

I'm done I love that you're wearing your

119

00:06:32,740 --> 00:06:28,800

Roswell shirt tonight Joe I love that

120

00:06:51,670 --> 00:06:41,899

Carla says hello yeah huge huge what do

121

00:06:58,330 --> 00:06:54,140

somebody's got a stroke his ego just a

122

00:07:02,439 --> 00:06:58,340

little bit I think it would work general

123

00:07:07,219 --> 00:07:05,839

what a nice burped sorry thanks for that

124

00:07:13,580 --> 00:07:07,229

fried chicken you made some damn good

125

00:07:15,890 --> 00:07:13,590

fried chicken bro yeah our great country

126
00:07:18,200 --> 00:07:15,900
makes great fried chicken I would say

127
00:07:20,570 --> 00:07:18,210
except for I think KFC personally its

128
00:07:25,119 --> 00:07:20,580
kind of falling behind a little bit it's

129
00:07:29,510 --> 00:07:25,129
gonna happen well kid sees a little

130
00:07:34,519 --> 00:07:29,520
slimy right who makes these deals

131
00:07:36,559 --> 00:07:34,529
I don't that's too big beep mm we eat

132
00:07:38,480 --> 00:07:36,569
McDonald's until we come to an agreement

133
00:07:39,920 --> 00:07:38,490
that sounds like a great idea

134
00:07:41,990 --> 00:07:39,930
are we just gonna sit here and poke up

135
00:07:43,519 --> 00:07:42,000
the sound board all night I'm asking you

136
00:07:43,850 --> 00:07:43,529
cuz you're the one running the sound

137
00:07:45,709 --> 00:07:43,860
board

138
00:07:47,600 --> 00:07:45,719

oh I never ran this sound bar before I'm

139

00:07:50,740 --> 00:07:47,610

trying to do it as I go it's almost like

140

00:07:54,980 --> 00:07:50,750

you're in a room by yourself not lie

141

00:08:00,309 --> 00:07:54,990

probe casting to the world in the room

142

00:08:06,439 --> 00:08:03,320

that me crazy but Joe seriously what do

143

00:08:09,790 --> 00:08:06,449

you think about that idea like what

144

00:08:12,230 --> 00:08:09,800

about even creating a petition online

145

00:08:14,839 --> 00:08:12,240

it's probably good let's get him let's

146

00:08:17,260 --> 00:08:14,849

say hey hey Trumpy I'll be and then

147

00:08:20,899 --> 00:08:17,270

get that ufologist to kind of you know

148

00:08:24,950 --> 00:08:20,909

mention it in a way publicly because I

149

00:08:30,200 --> 00:08:24,960

know Trump checks all of his own reviews

150

00:08:35,569 --> 00:08:30,210

and media probably sister smiles that

151
00:08:39,350 --> 00:08:35,579
everybody I can't wait oh [\h__\h] they're

152
00:08:41,540 --> 00:08:39,360
looking at me Donald Trump yeah I think

153
00:08:44,209 --> 00:08:41,550
it would be a good idea we could do it

154
00:08:44,940 --> 00:08:44,219
well sign it will have Carla Carla you

155
00:08:51,210 --> 00:08:44,950
have to

156
00:08:56,940 --> 00:08:51,220
it now we don't know what's happening

157
00:09:01,020 --> 00:08:56,950
exactly no it doesn't exist folks oh my

158
00:09:05,790 --> 00:09:01,030
god just stop it I fully understand I'm

159
00:09:08,400 --> 00:09:05,800
gonna take it away seriously I'm sorry

160
00:09:09,330 --> 00:09:08,410
with great sound board comes great

161
00:09:11,310 --> 00:09:09,340
responsibility

162
00:09:13,200 --> 00:09:11,320
yeah are you gonna die now no but this

163
00:09:16,440 --> 00:09:13,210

is probably where I start turning off

164

00:09:19,110 --> 00:09:16,450

our show because they start listening in

165

00:09:20,400 --> 00:09:19,120

oh you might be right I don't know

166

00:09:22,050 --> 00:09:20,410

whenever you look at me all [\h__\h]

167

00:09:23,670 --> 00:09:22,060

weird during the podcast and we play a

168

00:09:26,400 --> 00:09:23,680

backward goal hold up buddy

169

00:09:29,970 --> 00:09:26,410

right now ladies and gentlemen Joe is

170

00:09:34,200 --> 00:09:29,980

laying like one of Jack's French girls

171

00:09:38,880 --> 00:09:34,210

on his thigh billions and billions

172

00:09:42,810 --> 00:09:38,890

probably trillions it's not pretty

173

00:09:45,660 --> 00:09:42,820

I just want to say that yeah but you

174

00:09:49,170 --> 00:09:45,670

know there's one I win god damn it okay

175

00:09:51,660 --> 00:09:49,180

I give up he set the mic down this is

176

00:09:55,200 --> 00:09:51,670

great so he's saying he wants to bring

177

00:09:57,870 --> 00:09:55,210

out a partition for president Trump just

178

00:10:02,100 --> 00:09:57,880

stroke his ego I think that should

179

00:10:04,260 --> 00:10:02,110

happen that's fine I can run this [h__\h]

180

00:10:07,460 --> 00:10:04,270

the bushes I love charged crooked

181

00:10:16,190 --> 00:10:07,470

Hillary Clinton let's do it all nighter

182

00:10:21,620 --> 00:10:19,670

I'm a free trader I'm free okay look I'm

183

00:10:23,930 --> 00:10:21,630

coming back to Mike I'm coming back but

184

00:10:25,160 --> 00:10:23,940

you gotta tone it down man I toned it

185

00:10:27,650 --> 00:10:25,170

down only use it when it's appropriate

186

00:10:28,550 --> 00:10:27,660

not when you feel a [h__\h] moment that

187

00:10:29,990 --> 00:10:28,560

you can't control

188

00:10:31,579 --> 00:10:30,000

you know like with those things it's

189

00:10:34,080 --> 00:10:31,589

like when you're like doing something

190

00:10:35,710 --> 00:10:34,090

you just a little [h__\h] strength just

191

00:10:41,360 --> 00:10:35,720

[Music]

192

00:10:43,280 --> 00:10:41,370

wait wait wait did you say [h__\h]

193

00:10:47,660 --> 00:10:43,290

strength that's what they call it it's

194

00:10:50,540 --> 00:10:47,670

like an extra I have never heard of a

195

00:10:54,470 --> 00:10:50,550

[h__\h] string it's it's in the mechanics

196

00:10:55,759 --> 00:10:54,480

field it's with these you can hit your

197

00:10:58,819 --> 00:10:55,769

toe most 9wc

198

00:11:01,030 --> 00:10:58,829

sort of group of the bunch bunch of the

199

00:11:06,199 --> 00:11:01,040

group I know will faithfully execute

200

00:11:08,870 --> 00:11:06,209

your ass think about it bro come on

201
00:11:12,829 --> 00:11:08,880
let's do it Carla's decided Carla hasn't

202
00:11:15,680 --> 00:11:12,839
replied oh way she says if we start it

203
00:11:17,990 --> 00:11:15,690
to be the first to sign it well let's do

204
00:11:21,500 --> 00:11:18,000
it we can stand in front of Walmart you

205
00:11:25,189 --> 00:11:21,510
want to Donald Donald Trump's ego that

206
00:11:30,920 --> 00:11:25,199
junk Donald trucks ego ego pensive diet

207
00:11:33,800 --> 00:11:30,930
coke on shuttle trunk sorry

208
00:11:41,150 --> 00:11:33,810
side all my blood to the right side of

209
00:11:43,519 --> 00:11:41,160
my brain but you know well you can just

210
00:11:45,259 --> 00:11:43,529
send up up everywhere legal what cuz

211
00:11:48,769 --> 00:11:45,269
people love Omar the most political

212
00:11:50,449 --> 00:11:48,779
people there one more maybe wait the

213
00:11:51,620 --> 00:11:50,459

most what people the most political

214

00:11:53,750 --> 00:11:51,630

people are at Walmart

215

00:11:56,660 --> 00:11:53,760

oh sorry ladies and gentlemen just so

216

00:11:58,670 --> 00:11:56,670

you know I laughed so hard when I when I

217

00:12:00,500 --> 00:11:58,680

fell backwards that I unplugged my

218

00:12:02,720 --> 00:12:00,510

headphones so I missed part of what Joe

219

00:12:06,290 --> 00:12:02,730

said so I was trying to get him plugged

220

00:12:09,410 --> 00:12:06,300

active plugged back in because that was

221

00:12:13,160 --> 00:12:09,420

funny so hey Paul Curtis is in the chat

222

00:12:15,439 --> 00:12:13,170

room now nice thoughts he says you could

223

00:12:16,759 --> 00:12:15,449

say that someone in the White House has

224

00:12:20,329 --> 00:12:16,769

promised to leak the disclosure

225

00:12:23,360 --> 00:12:20,339

information news it might worry him into

226

00:12:28,140 --> 00:12:23,370

disclosing something and that's when the

227

00:12:31,830 --> 00:12:28,150

bad happens that's a really interesting

228

00:12:37,020 --> 00:12:31,840

it's all fake news look it's just a game

229

00:12:39,690 --> 00:12:37,030

okay okay it's a game he just plays the

230

00:12:41,670 --> 00:12:39,700

media and the media takes it whether you

231

00:12:45,420 --> 00:12:41,680

hate him or love the message whatever

232

00:12:48,240 --> 00:12:45,430

like 1974 no but they are getting so

233

00:12:50,580 --> 00:12:48,250

offended and everybody knows who he is

234

00:12:52,320 --> 00:12:50,590

why do they just wake up and see that

235

00:12:55,140 --> 00:12:52,330

they're being played and then they can

236

00:12:58,710 --> 00:12:55,150

actually deal with it in an intelligible

237

00:13:00,960 --> 00:12:58,720

manner I think rather than just trying

238

00:13:04,470 --> 00:13:00,970

to get the first headline out there for

239

00:13:12,390 --> 00:13:04,480

whatever I don't this isn't political

240

00:13:16,430 --> 00:13:12,400

this is media come on out sit like a

241

00:13:20,280 --> 00:13:16,440

mermaid good girl do you like that yes I

242

00:13:25,140 --> 00:13:20,290

just need to be in clam but anyway we'll

243

00:13:28,020 --> 00:13:25,150

be forgotten no longer summer ask I

244

00:13:29,730 --> 00:13:28,030

think it's important that we have some

245

00:13:31,350 --> 00:13:29,740

dialogue with the president at the

246

00:13:39,090 --> 00:13:31,360

moment so I'm gonna ask you mr.

247

00:13:43,620 --> 00:13:39,100

president what are your thoughts on

248

00:13:46,020 --> 00:13:43,630

China we want to know your thoughts on

249

00:13:49,260 --> 00:13:46,030

China you don't really talk much about

250

00:13:51,510 --> 00:13:49,270

China recently other than to pressure

251
00:13:57,500 --> 00:13:51,520
North Korea or whatever our great

252
00:14:04,130 --> 00:13:57,510
country no no it was about China and

253
00:14:20,830 --> 00:14:09,690
Bing bong Bing Bing Bing bong bong Bing

254
00:14:26,530 --> 00:14:20,840
Bing okay one again

255
00:14:28,690 --> 00:14:26,540
you have to speak English okay look she

256
00:14:30,910 --> 00:14:28,700
doesn't have the stamina I said she

257
00:14:32,500 --> 00:14:30,920
doesn't have the stamina I don't believe

258
00:14:35,470 --> 00:14:32,510
she does have the stamina I don't

259
00:14:41,160 --> 00:14:35,480
believe that Hillary has the stamina you

260
00:14:42,490 --> 00:14:41,170
need tremendous stamina the stamina okay

261
00:14:45,580 --> 00:14:42,500
thank you

262
00:14:47,590 --> 00:14:45,590
I swear you give in like a [h__h] zone

263
00:14:56,970 --> 00:14:47,600

and then I have a mess with this

264

00:15:01,630 --> 00:14:59,860

later and multiple sound board buttons

265

00:15:04,840 --> 00:15:01,640

that weren't supposed to be pushed later

266

00:15:08,050 --> 00:15:04,850

by the way we've got Stephen China all

267

00:15:11,110 --> 00:15:08,060

the time see them all the time China all

268

00:15:13,000 --> 00:15:11,120

the time Fulcher Stephen Fulcher has

269

00:15:14,190 --> 00:15:13,010

joined us in the chat room and he says

270

00:15:18,340 --> 00:15:14,200

Trump's a chump

271

00:15:20,770 --> 00:15:18,350

exactly hopefully he falls for it and

272

00:15:24,270 --> 00:15:20,780

does you know what you know to clear the

273

00:15:26,530 --> 00:15:24,280

air let's you know change the subject I

274

00:15:29,920 --> 00:15:26,540

don't think they like me very much

275

00:15:31,360 --> 00:15:29,930

oh you know change the subject aliens

276

00:15:34,750 --> 00:15:31,370

are here he wouldn't do that and that is

277

00:15:36,630 --> 00:15:34,760

a nation that truly has no clue they

278

00:15:39,850 --> 00:15:36,640

don't know what they're doing

279

00:15:44,770 --> 00:15:39,860

to somebody from China billions and

280

00:15:49,270 --> 00:15:44,780

billions and billions we out China that

281

00:15:53,260 --> 00:15:49,280

some are you done that was Trump talking

282

00:15:57,700 --> 00:15:53,270

on me was trying to get it out a little

283

00:16:02,860 --> 00:15:57,710

bit kind of like Christopher Walken when

284

00:16:05,650 --> 00:16:02,870

he's talking I want to know look we've

285

00:16:07,120 --> 00:16:05,660

got a few people in chat room tonight 22

286

00:16:10,540 --> 00:16:07,130

minutes of [h__h] okay now we could

287

00:16:18,730 --> 00:16:10,550

start thank you Joe are you done are you

288

00:16:21,060 --> 00:16:18,740

ready now we start the show now by the

289

00:16:25,180 --> 00:16:21,070

way just to remainder ever a reminder

290

00:16:29,860 --> 00:16:25,190

next show we have dr. Jerry crock

291

00:16:31,500 --> 00:16:29,870

exciting very exciting exhilarating

292

00:16:34,660 --> 00:16:31,510

exciting it's very exciting

293

00:16:36,780 --> 00:16:34,670

okay it's a combination we're really

294

00:16:40,980 --> 00:16:36,790

excited to have him on the show because

295

00:16:46,120 --> 00:16:40,990

he has the ultimate current research on

296

00:16:49,000 --> 00:16:46,130

the so-called Roswell foilage foils and

297

00:16:51,570 --> 00:16:49,010

materials that were recovered because he

298

00:16:55,810 --> 00:16:51,580

has a connection

299

00:16:59,380 --> 00:16:55,820

supposedly to the sword of properties of

300

00:17:01,630 --> 00:16:59,390

the Roswell foil in that in the 60s he

301
00:17:03,900 --> 00:17:01,640
taught elementary school and a student

302
00:17:07,079 --> 00:17:03,910
of his brought thing brought a piece of

303
00:17:09,579 --> 00:17:07,089
rectangular foil up to the desk and said

304
00:17:11,920 --> 00:17:09,589
here you know he looked at it and was

305
00:17:14,590 --> 00:17:11,930
like well okay but then she encouraged

306
00:17:16,570 --> 00:17:14,600
him she said no roll it up into a ball

307
00:17:19,870 --> 00:17:16,580
go ahead and try so he rolls up into a

308
00:17:22,960 --> 00:17:19,880
ball opens his hand and where's that

309
00:17:27,000 --> 00:17:22,970
little girl at that's an interesting

310
00:17:30,220 --> 00:17:27,010
question I he actually has found her

311
00:17:32,020 --> 00:17:30,230
name but he hasn't found her he was able

312
00:17:35,560 --> 00:17:32,030
to figure out who the girl was

313
00:17:37,930 --> 00:17:35,570

and I think he well maybe she's a

314

00:17:45,820 --> 00:17:37,940

Probert maybe she's listening right now

315

00:17:47,500 --> 00:17:45,830

we need to help please go find her we'll

316

00:17:48,520 --> 00:17:47,510

get her on there we want to know what

317

00:17:51,850 --> 00:17:48,530

that [\h__\h] is you have it in the middle

318

00:17:53,590 --> 00:17:51,860

box where's it that I want it well he

319

00:17:55,420 --> 00:17:53,600

gave it back to her but he even tried

320

00:17:56,920 --> 00:17:55,430

cutting it and he tried putting a hole

321

00:17:59,320 --> 00:17:56,930

in it he tried it just it would just

322

00:18:03,540 --> 00:17:59,330

would dent every time he would try to

323

00:18:07,420 --> 00:18:05,620

he tried I think with a guy tried

324

00:18:08,800 --> 00:18:07,430

heating it try cutting it tried slicing

325

00:18:10,270 --> 00:18:08,810

it try doing everything hit it and it

326

00:18:12,040 --> 00:18:10,280

wouldn't do anything this is sitting to

327

00:18:14,230 --> 00:18:12,050

a ball and it flattened out so we're

328

00:18:16,300 --> 00:18:14,240

gonna ask him we got about 30-40 minutes

329

00:18:19,030 --> 00:18:16,310

to be chatting with him next week so if

330

00:18:21,010 --> 00:18:19,040

you guys have questions Paul Steve and

331

00:18:21,580 --> 00:18:21,020

Carla that are in the chat room right

332

00:18:24,520 --> 00:18:21,590

now

333

00:18:27,280 --> 00:18:24,530

join us because if you've got any

334

00:18:30,010 --> 00:18:27,290

questions to ask somebody who's actually

335

00:18:33,300 --> 00:18:30,020

had their hands on potentially by the

336

00:18:36,310 --> 00:18:33,310

way you know a Roswell like material and

337

00:18:37,540 --> 00:18:36,320

as we you have said in past shows I've

338

00:18:40,690 --> 00:18:37,550

kind of mentioned this because I've been

339

00:18:42,610 --> 00:18:40,700

really wanting to promote this and

340

00:18:44,080 --> 00:18:42,620

getting our listeners to be on the show

341

00:18:44,980 --> 00:18:44,090

because I think it's going to be such a

342

00:18:46,720 --> 00:18:44,990

great moment

343

00:18:49,720 --> 00:18:46,730

I mean we're gonna be able to ask him

344

00:18:52,139 --> 00:18:49,730

anything we want yeah and he's done the

345

00:18:57,100 --> 00:18:52,149

research and I can't wait

346

00:19:01,630 --> 00:18:57,110

yeah ask what the box

347

00:19:03,250 --> 00:19:01,640

smelled like that's a good question what

348

00:19:04,899 --> 00:19:03,260

did the foil smell like what is it what

349

00:19:08,279 --> 00:19:04,909

is this not what it tastes like what did

350

00:19:11,289 --> 00:19:08,289

it feel like in your hands yes there is

351
00:19:14,019 --> 00:19:11,299
a witness her name was for I don't know

352
00:19:17,019 --> 00:19:14,029
if she's around in where Frank Iero his

353
00:19:20,380 --> 00:19:17,029
slash was is still I don't know her name

354
00:19:23,440 --> 00:19:20,390
and she described the foil as kind of

355
00:19:27,430 --> 00:19:23,450
turning into a liquid metal and then

356
00:19:30,789 --> 00:19:27,440
reassembling itself back open but that's

357
00:19:33,010 --> 00:19:30,799
the only time I've ever heard any but he

358
00:19:35,500 --> 00:19:33,020
described the Roswell material with a

359
00:19:39,460 --> 00:19:35,510
liquid sort of I think that's just kind

360
00:19:43,419 --> 00:19:39,470
of let out of control you know I mean an

361
00:19:45,789 --> 00:19:43,429
alien crashes in you know a farm and

362
00:19:47,080 --> 00:19:45,799
that's totally believable but I'm not

363
00:19:48,880 --> 00:19:47,090

gonna believe the part about the you

364

00:19:51,070 --> 00:19:48,890

know the liquid metal of course you know

365

00:19:52,960 --> 00:19:51,080

that could just be crazy that wouldn't

366

00:19:55,000 --> 00:19:52,970

make any sense right well there's

367

00:19:59,620 --> 00:19:55,010

actually is well no it's not looks like

368

00:20:10,299 --> 00:19:59,630

the metal but it's not mercury yeah

369

00:20:12,789 --> 00:20:10,309

yeah they're bringing drugs turning over

370

00:20:15,159 --> 00:20:12,799

to the chat room here

371

00:20:17,620 --> 00:20:15,169

Stephens asking he says you are asking

372

00:20:19,960 --> 00:20:17,630

in your last episode about a photography

373

00:20:22,450 --> 00:20:19,970

specialist he says he has an aunt in

374

00:20:25,779 --> 00:20:22,460

Texas that does photography all kinds of

375

00:20:29,549 --> 00:20:25,789

stuff yeah by the way that reminds me I

376

00:20:32,500 --> 00:20:29,559

have a few of the Roswell

377

00:20:36,180 --> 00:20:32,510

high-resolution scans where you see

378

00:20:40,149 --> 00:20:36,190

Jesse Marcel holding up pieces of

379

00:20:42,549 --> 00:20:40,159

actually you know a weather balloon but

380

00:20:44,169 --> 00:20:42,559

I have been spending hours Joe just I

381

00:20:46,230 --> 00:20:44,179

know it sounds crazy hours on three

382

00:20:50,200 --> 00:20:46,240

photographs but I've been zooming in

383

00:20:53,169 --> 00:20:50,210

changing lighting and all that trying to

384

00:20:56,560 --> 00:20:53,179

see if I can see any symbols on the

385

00:21:00,520 --> 00:20:56,570

wreckage and the reason being is they

386

00:21:03,250 --> 00:21:00,530

said that there was a tape on the mogul

387

00:21:05,350 --> 00:21:03,260

what they call radar detector or a radar

388

00:21:08,190 --> 00:21:05,360

I don't really know something for a

389

00:21:11,500 --> 00:21:08,200

radar radar reflector dish kind of thing

390

00:21:14,200 --> 00:21:11,510

it was kind of a weird looking

391

00:21:18,039 --> 00:21:14,210

contraption you know that had aluminum

392

00:21:21,490 --> 00:21:18,049

foil sided paper but that paper was

393

00:21:24,190 --> 00:21:21,500

attached to balsa wood structures where

394

00:21:28,149 --> 00:21:24,200

are like a balsa wood with a tape and

395

00:21:31,450 --> 00:21:28,159

this holographic what wasn't holographic

396

00:21:33,850 --> 00:21:31,460

so just going by the mogul story just

397

00:21:37,659 --> 00:21:33,860

going by the mogul story not the Roswell

398

00:21:42,399 --> 00:21:37,669

alien crash story but mogul story which

399

00:21:46,960 --> 00:21:42,409

is the tape had like a light pink or a

400

00:21:52,140 --> 00:21:46,970

light purple sort of like symbols like

401
00:21:55,840 --> 00:21:52,150
flowers yeah there was like flowers

402
00:21:58,659 --> 00:21:55,850
diamonds weird sort of half circles just

403
00:22:02,649 --> 00:21:58,669
really interesting patterns on this tape

404
00:22:05,470 --> 00:22:02,659
and so you can actually see a replica of

405
00:22:07,060 --> 00:22:05,480
that on one of our going to Roswell

406
00:22:09,270 --> 00:22:07,070
trips you can actually see the interview

407
00:22:12,240 --> 00:22:09,280
where they get replicas of it

408
00:22:14,160 --> 00:22:12,250
check it out yes and so in these photos

409
00:22:17,280 --> 00:22:14,170
jaws trying to zoom in to see if I could

410
00:22:19,620 --> 00:22:17,290
see any of those patterns on the tape in

411
00:22:21,030 --> 00:22:19,630
the photo because then that would you

412
00:22:26,100 --> 00:22:21,040
know at least corroborate that but I

413
00:22:28,410 --> 00:22:26,110

can't see any symbols and and certainly

414

00:22:31,800 --> 00:22:28,420

not the ones that are shown in the

415

00:22:36,060 --> 00:22:31,810

replica of the Mogul weather balloon hmm

416

00:22:38,460 --> 00:22:36,070

so I even wait but I'm crazy though

417

00:22:40,230 --> 00:22:38,470

military would it be stamped on what's

418

00:22:44,630 --> 00:22:40,240

that if it was military be stamped on it

419

00:22:48,210 --> 00:22:44,640

somewhere there is supposed to be a

420

00:22:50,700 --> 00:22:48,220

stamped number on one of the parts of

421

00:22:54,090 --> 00:22:50,710

the wood that was this is of course for

422

00:22:56,400 --> 00:22:54,100

the Moghuls story where you know they

423

00:22:58,830 --> 00:22:56,410

had actually a stamp on it to identify

424

00:23:02,100 --> 00:22:58,840

it if it ever crashed but nobody ever

425

00:23:05,730 --> 00:23:02,110

said anything about that no let's just

426

00:23:07,680 --> 00:23:05,740

sleep another the rug no big deal well

427

00:23:09,420 --> 00:23:07,690

it's never mentioned only in the

428

00:23:12,170 --> 00:23:09,430

schematics if you look at this commit I

429

00:23:16,710 --> 00:23:12,180

don't know why the hell I'm looking at

430

00:23:21,750 --> 00:23:16,720

though and I was also trying to see what

431

00:23:24,870 --> 00:23:21,760

type of scotch tape and that is a nation

432

00:23:32,180 --> 00:23:24,880

that truly has no clue they don't know

433

00:23:37,410 --> 00:23:34,830

probably relevant because I'm trying to

434

00:23:41,190 --> 00:23:37,420

find scotch tape that it has similar

435

00:23:46,380 --> 00:23:41,200

printing printed patterns on it and if

436

00:23:49,140 --> 00:23:46,390

it existed in the 40s and I spent hours

437

00:23:52,680 --> 00:23:49,150

trying to find a tape that was similar

438

00:23:54,680 --> 00:23:52,690

to the Mogul tape that was similar to it

439

00:23:58,470 --> 00:23:54,690

just haven't come up with anything yet

440

00:24:00,260 --> 00:23:58,480

but I've been looking so I'm hoping that

441

00:24:02,700 --> 00:24:00,270

when we have dr. Jerry cross on the show

442

00:24:08,280 --> 00:24:02,710

maybe he can even help us light on that

443

00:24:11,250 --> 00:24:08,290

subject and you know I don't know if

444

00:24:13,650 --> 00:24:11,260

he's an expert on the Roswell crash or

445

00:24:15,180 --> 00:24:13,660

just the foil but we're gonna see we'll

446

00:24:17,430 --> 00:24:15,190

have to see by the way make sure you

447

00:24:20,550 --> 00:24:17,440

look at YouTube you can see this amazing

448

00:24:23,100 --> 00:24:20,560

lecture on YouTube you know type in dr.

449

00:24:25,860 --> 00:24:23,110

Jerry froth Roswell foil

450

00:24:28,680 --> 00:24:25,870

and you'll see it's about an hour and a

451
00:24:30,690 --> 00:24:28,690
half long fantastic lecture probably one

452
00:24:33,299 --> 00:24:30,700
of the best lectures that I've seen on

453
00:24:37,640 --> 00:24:33,309
YouTube thus far really yeah that speaks

454
00:24:39,720 --> 00:24:37,650
highly absolutely it was better than any

455
00:24:42,360 --> 00:24:39,730
document we're gonna have to talk about

456
00:24:43,860 --> 00:24:42,370
The Stand Romanek documentary here in a

457
00:24:48,210 --> 00:24:43,870
moment because I know everybody wants to

458
00:25:02,970 --> 00:24:48,220
know hold on Joe star I need to take a

459
00:25:03,480 --> 00:25:02,980
drink thank you well then okay where

460
00:25:05,430 --> 00:25:03,490
were we

461
00:25:06,960 --> 00:25:05,440
we're just a lot of great good thank you

462
00:25:09,289 --> 00:25:06,970
we just have a great group here we do

463
00:25:12,930 --> 00:25:09,299

we've got several people in here and

464

00:25:15,690 --> 00:25:12,940

yeah by the way could you keep yeah if

465

00:25:18,860 --> 00:25:15,700

you are up I was telling you about the

466

00:25:23,490 --> 00:25:18,870

photos to say if you are a specialist in

467

00:25:27,090 --> 00:25:23,500

digital photography etc photo

468

00:25:30,330 --> 00:25:27,100

manipulation or cavities if you know how

469

00:25:34,620 --> 00:25:30,340

to like do some forensic stuff here's

470

00:25:36,750 --> 00:25:34,630

the email us at UFO Bros TV at gmail.com

471

00:25:39,000 --> 00:25:36,760

and I'll just shoot them on over to you

472

00:25:40,740 --> 00:25:39,010

I've already sent them I sent off a

473

00:25:44,280 --> 00:25:40,750

couple emails to a few of our listeners

474

00:25:46,110 --> 00:25:44,290

with those pictures so no problem I'll

475

00:25:51,230 --> 00:25:46,120

do it right away just shoot us an email

476
00:25:57,390 --> 00:25:51,240
again that's UFO Bros TV at gmail.com

477
00:26:01,799 --> 00:25:57,400
now soothing b43 absolutely don't number

478
00:26:05,740 --> 00:26:01,809
five sorry does it the DMV oh it's kind

479
00:26:13,820 --> 00:26:10,790
okay are you ready to talk about the

480
00:26:24,680 --> 00:26:13,830
world's worst UFO documentary let's do

481
00:26:28,190 --> 00:26:24,690
it the it's currently on Netflix it's

482
00:26:30,730 --> 00:26:28,200
titled Extra Ordinary and it's got a

483
00:26:35,120 --> 00:26:30,740
beautiful drawing of agreeing on it very

484
00:26:38,660 --> 00:26:35,130
enticing to click on and you go oh

485
00:26:41,920 --> 00:26:38,670
release in 2017 brand-new awesome new

486
00:26:44,360 --> 00:26:41,930
like when was the last time we had a

487
00:26:45,230 --> 00:26:44,370
Roswell [h__h] DVD we bought that one

488
00:26:47,210 --> 00:26:45,240

time was horrible

489

00:26:49,640 --> 00:26:47,220

oh it was so bad it was like a guy with

490

00:26:51,530 --> 00:26:49,650

thunking hair in like an Australian hat

491

00:26:52,940 --> 00:26:51,540

near some rocks and he talked about

492

00:27:01,870 --> 00:26:52,950

Roswell it was just listening to him

493

00:27:08,180 --> 00:27:01,880

talk by the rocks it's terrible so

494

00:27:10,190 --> 00:27:08,190

anyway Stan Romanek Stan Romanek this

495

00:27:13,850 --> 00:27:10,200

gentleman has been around for quite a

496

00:27:17,090 --> 00:27:13,860

while he's been pretty quiet recently in

497

00:27:22,340 --> 00:27:17,100

the UFO circles up until the release of

498

00:27:26,030 --> 00:27:22,350

his documentary titled extraordinary and

499

00:27:28,550 --> 00:27:26,040

what it is supposed to detail is his

500

00:27:32,360 --> 00:27:28,560

encounters with strange happening

501
00:27:36,620 --> 00:27:32,370
strange being strange lights strange

502
00:27:39,140 --> 00:27:36,630
voices in that documentary there shows a

503
00:27:43,010 --> 00:27:39,150
couple times what looks to be a grey

504
00:27:45,950 --> 00:27:43,020
alien look through the windows you've

505
00:27:47,690 --> 00:27:45,960
seen that one right you guys if you go

506
00:27:53,840 --> 00:27:47,700
on you of course you tube and you type

507
00:27:57,350 --> 00:27:53,850
in Stan Romanek boo alien I think you'll

508
00:28:01,760 --> 00:27:57,360
see the video of source puppetry you can

509
00:28:04,520 --> 00:28:01,770
see it's well it believe it or not this

510
00:28:08,230 --> 00:28:04,530
goes back quite a few years I'm talking

511
00:28:11,450 --> 00:28:08,240
back probably almost 10 years him and

512
00:28:13,310 --> 00:28:11,460
what is his name check it was all about

513
00:28:14,690 --> 00:28:13,320

a girl getting like peeped on and then

514

00:28:17,030 --> 00:28:14,700

all of a sudden he put up a camera and

515

00:28:19,400 --> 00:28:17,040

if I'm right was an alien right but

516

00:28:20,870 --> 00:28:19,410

that's one small part of this

517

00:28:22,970 --> 00:28:20,880

commentary' there's this other part

518

00:28:26,330 --> 00:28:22,980

that's so terrible I might have to put

519

00:28:29,150 --> 00:28:26,340

it on our patreon just that snip it

520

00:28:31,670 --> 00:28:29,160

corner someone or Instagram but it's him

521

00:28:33,800 --> 00:28:31,680

it and he just picks up his camera and

522

00:28:38,600 --> 00:28:33,810

he turns around and there is there's

523

00:28:41,120 --> 00:28:38,610

literally a 1/2 of an alien looking in

524

00:28:45,100 --> 00:28:41,130

through a sliding glass window and it's

525

00:28:48,050 --> 00:28:45,110

just there and then you see it slowly

526

00:28:51,050 --> 00:28:48,060

pull back behind the corner and

527

00:28:54,640 --> 00:28:51,060

disappear and the whole time is the

528

00:28:57,920 --> 00:28:54,650

worst acting you'll ever hear oh my god

529

00:29:01,900 --> 00:28:57,930

yeah oh man look at that

530

00:29:03,250 --> 00:29:01,910

oh that's so scary I would be like I

531

00:29:06,470 --> 00:29:03,260

[Music]

532

00:29:10,700 --> 00:29:06,480

would be freaking my [h__h] out okay oh

533

00:29:14,420 --> 00:29:10,710

yeah look anybody would essentially what

534

00:29:16,460 --> 00:29:14,430

has done is taken a bunch of really old

535

00:29:21,470 --> 00:29:16,470

pictures as an example there's some

536

00:29:23,690 --> 00:29:21,480

examination of pictures of shadow beings

537

00:29:26,900 --> 00:29:23,700

and there's another part in this

538

00:29:31,310 --> 00:29:26,910

documentary which is quite laughable

539

00:29:34,000 --> 00:29:31,320

which is these this so-called alien race

540

00:29:36,800 --> 00:29:34,010

communicating with him over the phone

541

00:29:44,800 --> 00:29:36,810

with the voice of a little girl and she

542

00:30:00,620 --> 00:29:55,280

orrible wow sounds like Dorothy star

543

00:30:06,470 --> 00:30:00,630

seed sounds like a porno that's what

544

00:30:11,540 --> 00:30:06,480

that sounds like Steven just says by the

545

00:30:16,010 --> 00:30:11,550

way the hosts of the UK's X Factor part

546

00:30:18,380 --> 00:30:16,020

of a fake UFO duck aren't aren't aren't

547

00:30:21,320 --> 00:30:18,390

the hosts of the UK's X Factor part of a

548

00:30:22,880 --> 00:30:21,330

fake UFO documentary you know Stephen I

549

00:30:28,100 --> 00:30:22,890

don't know I haven't heard of that have

550

00:30:31,490 --> 00:30:28,110

you I haven't heard of that but I can

551
00:30:33,450 --> 00:30:31,500
tell you this film by Stan Romanek was

552
00:30:36,120 --> 00:30:33,460
put out by orchard which is the same

553
00:30:38,779 --> 00:30:36,130
me that put out unacknowledged for his

554
00:30:44,930 --> 00:30:38,789
doctor Steven Kern

555
00:30:51,630 --> 00:30:44,940
you know somebody uh donated \$110,000

556
00:30:54,960 --> 00:30:51,640
hey that's the perfect idea we need to

557
00:30:58,049 --> 00:30:54,970
get dr. Steven Greer to stroke Trump's

558
00:31:02,580 --> 00:30:58,059
ego see now my plan for world domination

559
00:31:03,930 --> 00:31:02,590
is in fact I've planted the star seed of

560
00:31:09,240 --> 00:31:03,940
my plan

561
00:31:13,350 --> 00:31:09,250
whatever you say blatant I will stroke

562
00:31:14,549 --> 00:31:13,360
dr. careers ego to get I don't know he

563
00:31:17,100 --> 00:31:14,559

won't even listen to me you kidding me

564

00:31:19,560 --> 00:31:17,110

man take six people into the bathroom to

565

00:31:22,169 --> 00:31:19,570

take a pee come on excuse me you can't

566

00:31:25,080 --> 00:31:22,179

go in there I want to do all those Pig I

567

00:31:33,750 --> 00:31:25,090

wonder if they like semicircle around

568

00:31:36,029 --> 00:31:33,760

the urinal so they're not intimidating

569

00:31:37,440 --> 00:31:36,039

at all so this is a mishmash of what the

570

00:31:39,450 --> 00:31:37,450

hell on this show tonight but we're

571

00:31:41,820 --> 00:31:39,460

appreciating everybody that's a yeah

572

00:31:44,760 --> 00:31:41,830

Carla are you still there and are no cuz

573

00:31:46,909 --> 00:31:44,770

hands cause if I say yes then we're

574

00:31:55,010 --> 00:31:46,919

gonna have an issue Turner

575

00:32:01,049 --> 00:31:57,720

Paul Curtis says sounds like the

576

00:32:10,169 --> 00:32:01,059

extraordinary documentary is intended to

577

00:32:12,090 --> 00:32:10,179

discredit Romanek possibly I guess that

578

00:32:15,570 --> 00:32:12,100

would just depend on if you believe Stan

579

00:32:17,220 --> 00:32:15,580

or not if you believe in then you know I

580

00:32:17,940 --> 00:32:17,230

think it could be taken any way it could

581

00:32:19,190 --> 00:32:17,950

be taken

582

00:32:21,539 --> 00:32:19,200

[Music]

583

00:32:24,930 --> 00:32:21,549

you know like purposeful misinformation

584

00:32:30,830 --> 00:32:24,940

by Stan Romanek maybe he's on board with

585

00:32:37,389 --> 00:32:35,190

pish-posh yeah

586

00:32:38,620 --> 00:32:37,399

who knows but that's a terrible

587

00:32:41,980 --> 00:32:38,630

documentary either way

588

00:32:43,750 --> 00:32:41,990

Scott was anybody that reads you know

589

00:32:46,930 --> 00:32:43,760

you know an hour of you of fill material

590

00:32:48,759 --> 00:32:46,940

we can you know week or a day can look

591

00:32:51,190 --> 00:32:48,769

at that and go that's not what you want

592

00:32:56,560 --> 00:32:51,200

about 80 hours a week now me

593

00:32:57,940 --> 00:32:56,570

oh no no yeah try day that's why when I

594

00:33:01,539 --> 00:32:57,950

get on this show I'm just a bunch of

595

00:33:03,210 --> 00:33:01,549

verbal diarrhea cuz my brains full of

596

00:33:12,480 --> 00:33:03,220

alien [h__h]

597

00:33:15,279 --> 00:33:12,490

it's the Croods okay

598

00:33:17,230 --> 00:33:15,289

so Stephen was saying it was the alien

599

00:33:19,539 --> 00:33:17,240

autopsy from 2006

600

00:33:23,909 --> 00:33:19,549

I think congratulations Stephen are you

601
00:33:29,950 --> 00:33:23,919
talking about the motion picture that

602
00:33:33,159 --> 00:33:29,960
essentially chronicles how the 90s alien

603
00:33:36,310 --> 00:33:33,169
autopsy fact or fiction film was made is

604
00:33:39,850 --> 00:33:36,320
that what you're speaking of is it that

605
00:33:42,490 --> 00:33:39,860
movie and Joe do you know I'm talking

606
00:33:44,409 --> 00:33:42,500
about you know the alien autopsy fact or

607
00:33:47,169 --> 00:33:44,419
fiction they had in the 90s yes we have

608
00:33:50,230 --> 00:33:47,179
it on VHS and there's some we do by the

609
00:33:52,750 --> 00:33:50,240
way it is on YouTube and it is also on

610
00:33:57,519 --> 00:33:52,760
Netflix so but that was the big rage in

611
00:34:01,180 --> 00:33:57,529
the 90s yeah it was it was the and it's

612
00:34:03,490 --> 00:34:01,190
back yes Stephen he says it's a kind of

613
00:34:06,909 --> 00:34:03,500

a British comedy I think yeah it is a

614

00:34:09,579 --> 00:34:06,919

comedy it's like ridiculously funny and

615

00:34:12,460 --> 00:34:09,589

so here's the story of these people who

616

00:34:16,210 --> 00:34:12,470

created the alien autopsy factor fiction

617

00:34:21,010 --> 00:34:16,220

hoax in 2006 they came out with a video

618

00:34:23,619 --> 00:34:21,020

or a movie it if Stevens and I are

619

00:34:25,990 --> 00:34:23,629

connecting on the same thing but either

620

00:34:29,339 --> 00:34:26,000

way there there was a movie in 2006 that

621

00:34:34,869 --> 00:34:29,349

came out and it was you know detailing

622

00:34:38,250 --> 00:34:34,879

how they'd host the original autopsy of

623

00:34:41,000 --> 00:34:38,260

an alien footage and their story is that

624

00:34:44,399 --> 00:34:41,010

they actually had

625

00:34:47,070 --> 00:34:44,409

real footage that they had received from

626
00:34:50,790 --> 00:34:47,080
someone this is their story and this is

627
00:34:53,580 --> 00:34:50,800
what they tell in the 2006 movie they

628
00:34:57,240 --> 00:34:53,590
had actual footage of the so called

629
00:34:58,800 --> 00:34:57,250
Roswell aliens and somehow in them I

630
00:35:01,620 --> 00:34:58,810
don't know what they were doing they

631
00:35:03,480 --> 00:35:01,630
were watching it or somehow it got

632
00:35:05,930 --> 00:35:03,490
burned or a portion of it became

633
00:35:09,450 --> 00:35:05,940
destroyed and they weren't able to

634
00:35:12,120 --> 00:35:09,460
produce so they had some kind of

635
00:35:13,800 --> 00:35:12,130
agreement with someone that they were

636
00:35:15,840 --> 00:35:13,810
going to give them this footage so

637
00:35:17,910 --> 00:35:15,850
instead they just decided to fake it and

638
00:35:20,090 --> 00:35:17,920

make it as real to what they could

639

00:35:24,960 --> 00:35:20,100

remember as possible that's their story

640

00:35:29,160 --> 00:35:24,970

it's a it's a funny movie very and very

641

00:35:30,750 --> 00:35:29,170

very informational for especially those

642

00:35:36,900 --> 00:35:30,760

of us who freaked out in the 90s about

643

00:35:38,250 --> 00:35:36,910

that factory and all my pair Joe what I

644

00:35:41,970 --> 00:35:38,260

wanted to say about Carla

645

00:35:44,310 --> 00:35:41,980

she's Darla she's been supporting us on

646

00:35:47,990 --> 00:35:44,320

patreon for over seven months now did

647

00:35:51,210 --> 00:35:48,000

you know that we need to send her a

648

00:35:54,330 --> 00:35:51,220

autographed special I have in this

649

00:35:56,250 --> 00:35:54,340

drawer thing right here send it a small

650

00:35:59,670 --> 00:35:56,260

EB that I think we should sign and send

651
00:36:03,180 --> 00:35:59,680
what do you think that's yeah what do

652
00:36:07,320 --> 00:36:03,190
you think Carla oh yes signed EB from me

653
00:36:08,670 --> 00:36:07,330
and yes one of a kind don't ever open it

654
00:36:09,590 --> 00:36:08,680
should be worth nothing in about 20

655
00:36:17,610 --> 00:36:09,600
years

656
00:36:21,360 --> 00:36:17,620
no it's right in this drawer sorry sent

657
00:36:24,210 --> 00:36:21,370
me seven months thank you so much and

658
00:36:26,400 --> 00:36:24,220
she's a babe if you guys really love

659
00:36:27,810 --> 00:36:26,410
what we do and you would love to spend a

660
00:36:31,650 --> 00:36:27,820
few minutes with us over the phone

661
00:36:33,960 --> 00:36:31,660
talking about UFOs and aliens you know

662
00:36:36,240 --> 00:36:33,970
anything you want to talk about you can

663
00:36:45,300 --> 00:36:36,250

do that if you become a patron and to do

664

00:36:48,450 --> 00:36:45,310

that you go to WWE on PA Treo n comm /u

665

00:36:51,060 --> 00:36:48,460

fo Bros TV starts at a buck

666

00:36:53,460 --> 00:36:51,070

most people pledge \$5 and with that

667

00:36:54,130 --> 00:36:53,470

we're gonna send you a couple things one

668

00:36:57,460 --> 00:36:54,140

is

669

00:36:59,589 --> 00:36:57,470

a picture of Joe and I of us being silly

670

00:37:03,309 --> 00:36:59,599

signed and we also are gonna send you

671

00:37:04,720 --> 00:37:03,319

one of Joe's Hendron alien pictures

672

00:37:07,059 --> 00:37:04,730

which are pretty awesome so you'll get

673

00:37:08,980 --> 00:37:07,069

that in addition we'll call you on the

674

00:37:10,630 --> 00:37:08,990

phone and we'll spend about 15 minutes

675

00:37:14,589 --> 00:37:10,640

just chatting about aliens and UFOs

676
00:37:16,870 --> 00:37:14,599
anything you want and we do Joe have a

677
00:37:19,180 --> 00:37:16,880
bowl of a hundred dollars the hundred

678
00:37:21,849 --> 00:37:19,190
bucks just has to our trip yes but we're

679
00:37:23,769 --> 00:37:21,859
not quite there the cool thing is if we

680
00:37:25,720 --> 00:37:23,779
hit that hundred dollar mark Joe we can

681
00:37:27,309 --> 00:37:25,730
increase our show time that's sure

682
00:37:30,630 --> 00:37:27,319
that's what we need we can piece our

683
00:37:32,410 --> 00:37:30,640
show time and - how long am and I think

684
00:37:36,700 --> 00:37:32,420
higher-quality guests

685
00:37:39,609 --> 00:37:36,710
what how long how long for what what are

686
00:37:42,609 --> 00:37:39,619
you asking me the show how much longer

687
00:37:43,599 --> 00:37:42,619
do we go over say 45 minutes I thinking

688
00:37:47,620 --> 00:37:43,609

an hour and a half

689

00:37:49,779 --> 00:37:47,630

Jesus Christ but what I'm have to poop

690

00:37:53,650 --> 00:37:49,789

in the middle of that well better bring

691

00:37:55,049 --> 00:37:53,660

a bedpan or colostomy bag that's not

692

00:37:59,620 --> 00:37:55,059

nice

693

00:38:09,730 --> 00:37:59,630

anyway I don't know or cork or we make

694

00:38:13,509 --> 00:38:09,740

like a we can find a couple people on

695

00:38:17,079 --> 00:38:13,519

board bin by the way and AJ and AJ okay

696

00:38:19,450 --> 00:38:17,089

uncle AJ he's coming back he's got some

697

00:38:22,930 --> 00:38:19,460

things to say and alien on board that's

698

00:38:26,819 --> 00:38:22,940

a bit put on your pants alien on board I

699

00:38:30,009 --> 00:38:26,829

think he's sleeping right now probably

700

00:38:32,049 --> 00:38:30,019

like you know sometimes I'll tell you

701
00:38:33,609 --> 00:38:32,059
guys this stuff can be so overwhelming

702
00:38:35,170 --> 00:38:33,619
and all the things that go through your

703
00:38:36,759 --> 00:38:35,180
mind and I know you guys know this

704
00:38:39,700 --> 00:38:36,769
because you all probably spend as much

705
00:38:41,890 --> 00:38:39,710
time researching as we do but it can be

706
00:38:45,730 --> 00:38:41,900
exhausting and sometimes you just have

707
00:38:47,890 --> 00:38:45,740
to take a break you know those doors

708
00:38:51,130 --> 00:38:47,900
that gave a crosswalk right and there's

709
00:38:53,049 --> 00:38:51,140
just door there oh boy story time so

710
00:38:53,620 --> 00:38:53,059
basically you go around it or you go

711
00:38:56,470 --> 00:38:53,630
through it

712
00:39:03,190 --> 00:38:56,480
this UFO stuff is like going around that

713
00:39:05,440 --> 00:39:03,200

door that's dude that's perfect it's

714

00:39:08,290 --> 00:39:05,450

like you go in a revolving door but it

715

00:39:10,660 --> 00:39:08,300

you there's no other end it's just

716

00:39:14,380 --> 00:39:10,670

that is freaking exactly how it feels

717

00:39:15,880 --> 00:39:14,390

and that's why you need a break okay you

718

00:39:18,760 --> 00:39:15,890

know and we discussed this on the last

719

00:39:23,320 --> 00:39:18,770

episode about Roswell and how the story

720

00:39:25,540 --> 00:39:23,330

lines are diverging from kind of like a

721

00:39:27,760 --> 00:39:25,550

single story line that we had always

722

00:39:30,550 --> 00:39:27,770

been fed for decades and decades but

723

00:39:32,260 --> 00:39:30,560

with the advent of technology in the

724

00:39:34,570 --> 00:39:32,270

internet and people being able to be in

725

00:39:37,960 --> 00:39:34,580

contact and gathering information before

726

00:39:39,550 --> 00:39:37,970

a lot of that people died Joe we've been

727

00:39:43,840 --> 00:39:39,560

able to figure out there's a few more

728

00:39:51,640 --> 00:39:43,850

facts to the Roswell mystery than had

729

00:39:55,990 --> 00:39:51,650

been previously understood is that a pop

730

00:40:03,660 --> 00:39:56,000

tres moment yeah you okay medicine your

731

00:40:07,660 --> 00:40:03,670

helmet beautiful vibrato hey Steven says

732

00:40:11,230 --> 00:40:07,670

we gotta check out the band Disney UFO

733

00:40:13,900 --> 00:40:11,240

documentaries full that it's pretty

734

00:40:16,630 --> 00:40:13,910

amazing you know documentary I want to

735

00:40:21,130 --> 00:40:16,640

see have you heard about this god what

736

00:40:24,270 --> 00:40:21,140

year was it I don't know what decade it

737

00:40:28,750 --> 00:40:24,280

was actually maybe 80s or 90s

738

00:40:32,770 --> 00:40:28,760

apparently our government invited a film

739

00:40:35,620 --> 00:40:32,780

crew and production team into I don't

740

00:40:39,010 --> 00:40:35,630

know if it was area 51 or one of our top

741

00:40:41,200 --> 00:40:39,020

top secret facilities and they air they

742

00:40:44,500 --> 00:40:41,210

invite no they invited them in and

743

00:40:46,150 --> 00:40:44,510

supposedly shown and everything and

744

00:40:48,160 --> 00:40:46,160

we're the fence

745

00:40:50,170 --> 00:40:48,170

wait listen they filmed it there was a

746

00:40:52,870 --> 00:40:50,180

documentary they were paid lots of money

747

00:40:58,110 --> 00:40:52,880

and they came in they did they did

748

00:41:01,630 --> 00:40:58,120

everything they left and we don't know

749

00:41:03,970 --> 00:41:01,640

never left it's almost as though it was

750

00:41:06,400 --> 00:41:03,980

I wonder what the purpose of having them

751
00:41:08,590 --> 00:41:06,410
film was maybe the cover could say yes

752
00:41:10,420 --> 00:41:08,600
we made a documentary and it's here well

753
00:41:14,390 --> 00:41:10,430
why is it out it's ours we made our own

754
00:41:17,480 --> 00:41:14,400
documentary it's in the rules right

755
00:41:20,600 --> 00:41:17,490
stupid well yeah the other thing I

756
00:41:22,490 --> 00:41:20,610
wonder is and I wonder what you guys

757
00:41:24,770 --> 00:41:22,500
think sometimes I think a lot of this

758
00:41:27,130 --> 00:41:24,780
disclosure mark the disclosure stuff is

759
00:41:30,380 --> 00:41:27,140
earmarked for a certain date of release

760
00:41:31,880 --> 00:41:30,390
it's not you the pros in the world I

761
00:41:36,860 --> 00:41:31,890
might be released I don't know I read a

762
00:41:40,040 --> 00:41:36,870
document and it said it was a document

763
00:41:42,770 --> 00:41:40,050

from the 80s that was said that it could

764

00:41:45,380 --> 00:41:42,780

be released after a certain like 2000

765

00:41:47,690 --> 00:41:45,390

something so I'm wondering maybe are the

766

00:41:49,940 --> 00:41:47,700

Roswell is that information on Roswell

767

00:41:55,130 --> 00:41:49,950

maybe was it a hundred years are we know

768

00:41:56,960 --> 00:41:55,140

30 years away from knowing is it 200 I

769

00:41:59,990 --> 00:41:56,970

mean I'm just wondering do they do they

770

00:42:03,230 --> 00:42:00,000

set a date on some of this really high

771

00:42:05,660 --> 00:42:03,240

high you know this is this crazy

772

00:42:08,210 --> 00:42:05,670

top-secret stuff like if Trump was to

773

00:42:10,910 --> 00:42:08,220

come out and announce it right now

774

00:42:13,700 --> 00:42:10,920

and you know we're gonna get dr. Greer

775

00:42:16,000 --> 00:42:13,710

to you know get him to do it because if

776

00:42:20,620 --> 00:42:16,010

anybody can save the world its dr. Greer

777

00:42:24,410 --> 00:42:20,630

who've got a daddy the daddy of ufology

778

00:42:28,880 --> 00:42:24,420

dr. Greer the daddy of ufology anyway so

779

00:42:33,260 --> 00:42:28,890

yeah we gotta get someone like Trump a

780

00:42:35,150 --> 00:42:33,270

crazy person with a crazy method of

781

00:42:37,700 --> 00:42:35,160

doing things to go in there and shake it

782

00:42:42,950 --> 00:42:37,710

up and see if we can get the disclosure

783

00:42:51,800 --> 00:42:42,960

that we all did soon presidents have not

784

00:42:54,890 --> 00:42:51,810

been shy to come out Oh am i doing the

785

00:42:59,840 --> 00:42:54,900

thumb thing am I politically preaching

786

00:43:02,750 --> 00:42:59,850

at you Joe I think so okay I don't know

787

00:43:04,490 --> 00:43:02,760

what you're talking about but yes I know

788

00:43:05,380 --> 00:43:04,500

we have two minutes thank you for

789

00:43:09,710 --> 00:43:05,390

reminding me

790

00:43:12,490 --> 00:43:09,720

yeah well hey

791

00:43:15,440 --> 00:43:12,500

yeah Trump might tell he's the baby boy

792

00:43:17,930 --> 00:43:15,450

Wladimir before he would tell us Stephen

793

00:43:19,640 --> 00:43:17,940

I think that that's probably what they

794

00:43:20,250 --> 00:43:19,650

were doing for two and a half hours in

795

00:43:21,990 --> 00:43:20,260

there

796

00:43:24,960 --> 00:43:22,000

yeah they might be not probing and

797

00:43:30,710 --> 00:43:24,970

profit are opening yeah maybe they were

798

00:43:30,720 --> 00:43:47,330

China China anyway thank you guys

799

00:44:00,810 --> 00:43:56,630

hey wait a minute wait we have a minute

800

00:44:09,390 --> 00:44:00,820

you want a hand seriously like a round

801
00:44:11,850 --> 00:44:09,400
of applause there you go real quick

802
00:44:15,180 --> 00:44:11,860
going on Instagram thank you blue the
