2
00:00:21,200 --> 00:00:19,140

UFO Bros hey everyone is Giorgio

3
00:00:27,849 --> 00:00:21,210

tsoukalos from ancient aliens and you're

00:00:34,610 --> 00:00:31,339

good evening this is Amit and it's Joe

5
00:00:40,700 --> 00:00:34,620

and we are the UF o burro

6
00:00:42,200 --> 00:00:40,710

Rose and guess we've been waiting

7
00:00:45,380 --> 00:00:42,210

waiting and waiting and we're gonna

8
00:00:49,010 --> 00:00:45,390

bring them on here in just a few minutes

9
00:00:52,160 --> 00:00:49,020

but first we're gonna talk about holy

10
00:00:55,010 --> 00:00:52,170

moley Joe the amount of new followers we

11
00:00:57,229 --> 00:00:55,020

have on Facebook exploded Instagram

12
00:00:59,060 --> 00:00:57,239

Twitter thank you all so very much for

13
00:01:02,090 --> 00:00:59,070

all the subscribers and supporters we

14

00:01:04,490 --> 00:01:02,100

have and a couple new one patreon oh

15

00:01:06,890 --> 00:01:04,500

yeah we have a new patron so thank you

16

00:01:09,350 --> 00:01:06,900

and by the way for all of you who are

17

00:01:12,380 --> 00:01:09,360

maybe new to this and just listening you

18

00:01:15,920 --> 00:01:12,390

can follow us on all things social media

19

00:01:18,740 --> 00:01:15,930

at UF Oh Bros TV except for Twitter Joe

20

00:01:22,010 --> 00:01:18,750

which is uf0

21

00:01:26,240 --> 00:01:22,020

Bros TV that's right that's the really

22

00:01:30,260 --> 00:01:26,250

handle that's not consistent it drives

23

00:01:33,289 --> 00:01:30,270

me crazy but that's a fishy OCD yes so

24

00:01:36,530 --> 00:01:33,299

you guys we're just rolling along here

25

00:01:38,210 --> 00:01:36,540

we're preparing for a new voyage which

26

00:01:41,840 --> 00:01:38,220

we'll be talking about soon really

27

00:01:44,749 --> 00:01:41,850

excited about it and today though this

28

00:01:47,990 --> 00:01:44,759

is super great we've got dr. Jerry crop

29

00:01:50,359 --> 00:01:48,000

on the show and before I bring him on

30

00:01:52,520 --> 00:01:50,369

cuz he's so patiently waiting I wanted

31

00:01:55,249 --> 00:01:52,530

to tell you know our listeners Joe how I

32

00:02:00,230 --> 00:01:55,259

found it I found out about it yeah I

33

00:02:03,590 --> 00:02:00,240

found out about him so as you all know I

34

00:02:07,429 --> 00:02:03,600

love Roswell it's like my most favorite

35

00:02:09,139 --> 00:02:07,439

UFO alien topic to talk about we've been

36

00:02:12,770 --> 00:02:09,149

there okay

37

00:02:14,150 --> 00:02:12,780

we slept in the field where the UFO had

38

00:02:16,490 --> 00:02:14,160

supposedly crashed

39

00:02:18,440 --> 00:02:16,500

I had Wi-Fi good Wi-Fi in the middle of

40

00:02:28,009 --> 00:02:18,450

nowhere

41

00:02:33,619 --> 00:02:28,019

like we got a few people on chat to stay

42

00:02:36,170 --> 00:02:33,629

with them and by the way as we speak

43

00:02:37,610 --> 00:02:36,180

with with dr. Crocker we're gonna ask

44

00:02:39,559 --> 00:02:37,620

you guys if you're on the chatroom

45

00:02:41,509 --> 00:02:39,569

feel free to shoot any questions you

46

00:02:43,100 --> 00:02:41,519

might have I'm sure he'll be more than

47

00:02:46,069 --> 00:02:43,110

happy to see if he can chime in and

48

00:02:48,910 --> 00:02:46,079

answer them so here's the story I spent

49

00:02:51,199 --> 00:02:48,920

about do it two weeks probably

50

00:02:55,400 --> 00:02:51,209

researching everything I could possibly

51
00:02:57,860 --> 00:02:55,410
find on Roswell and specifically I was

52
00:03:00,350 --> 00:02:57,870
looking into the memory medal and for

53
00:03:03,350 --> 00:03:00,360
those of you who are not familiar with

54
00:03:06,199 --> 00:03:03,360
the Roswell story one of the things that

55
00:03:09,410 --> 00:03:06,209
was supposedly retrieved from a crashed

56
00:03:12,289 --> 00:03:09,420
alien spacecraft that had crashed in the

57
00:03:16,160 --> 00:03:12,299
plains of Rock area near Roswell New

58
00:03:20,259 --> 00:03:16,170
Mexico 1947 as you know as it were as it

59
00:03:24,229 --> 00:03:20,269
were along with aliens and things an

60
00:03:27,259 --> 00:03:24,239
extraordinary sort of medal was picked

61
00:03:30,349 --> 00:03:27,269
up and handled by quite a few people who

62
00:03:31,940 --> 00:03:30,359
have testified and even signed subpoenas

63
00:03:32,960 --> 00:03:31,950

and things like that believe it or not I

64

00:03:35,660 --> 00:03:32,970

don't know what that does but

65

00:03:39,460 --> 00:03:35,670

Sabinas yes sometimes you need some

66

00:03:42,949 --> 00:03:39,470

penis sometimes you up sir uh hey wait

67

00:03:46,220 --> 00:03:42,959

subpoena I don't know why they would do

68

00:03:50,210 --> 00:03:46,230

that but it's interesting because this

69

00:03:53,030 --> 00:03:50,220

metal supposedly super thin and you

70

00:03:55,370 --> 00:03:53,040

can't eat crinkle it it just you can't

71

00:03:57,710 --> 00:03:55,380

you can't like you can't put a crease in

72

00:04:01,009 --> 00:03:57,720

it you can't cut it you can't burn it

73

00:04:04,580 --> 00:04:01,019

and dab it can't daddy you can't stand

74

00:04:06,740 --> 00:04:04,590

it uh sorry I got on a roll there but

75

00:04:10,490 --> 00:04:06,750

here's a really cool thing Joe dr.

76

00:04:13,520 --> 00:04:10,500

Krauss is I think in my research the

77

00:04:16,580 --> 00:04:13,530

only person that's researched it it not

78

00:04:18,319 --> 00:04:16,590

only is probably well he he's like

79

00:04:19,909 --> 00:04:18,329

reached out to so many people I'm gonna

80

00:04:22,510 --> 00:04:19,919

let him tell this story about kind of

81

00:04:25,210 --> 00:04:22,520

like where he's at now but

82

00:04:28,270 --> 00:04:25,220

here's the basic story in the 60s he

83

00:04:30,999 --> 00:04:28,280

handled something very similar to the

84

00:04:32,710 --> 00:04:31,009

Roswell material at least in the way

85

00:04:35,649 --> 00:04:32,720

that it behaved and I'm gonna kind of

86

00:04:39,640 --> 00:04:35,659

let him talk about that so without

87

00:04:44,409 --> 00:04:39,650

further ado let me make sure I have to

88

00:04:46,869 --> 00:04:44,419

unmute him first all right you guys I'm

89

00:04:50,860 --> 00:04:46,879

really super excited so if you guys can

90

00:04:52,689 --> 00:04:50,870

please give a huge welcome to dr. Gerry

91

00:05:00,480 --> 00:04:52,699

Crotty was now on the show thank you so

92

00:05:06,700 --> 00:05:04,659

you there dr. Crawford yeah oh I lost

93

00:05:10,899 --> 00:05:06,710

you for a second oh it must be the

94

00:05:14,920 --> 00:05:10,909

authorities they don't want us to talk

95

00:05:16,540 --> 00:05:14,930

about your recent findings so oh man I

96

00:05:19,240 --> 00:05:16,550

just want to tell you I'm so happy to

97

00:05:23,100 --> 00:05:19,250

have you on the show Joe and I our mind

98

00:05:25,360 --> 00:05:23,110

was blown when we were watching the

99

00:05:28,450 --> 00:05:25,370

amazing lecture you have on YouTube

100

00:05:30,459 --> 00:05:28,460

which by the way I recommend anybody

101

00:05:34,059 --> 00:05:30,469

interested in this topic

102

00:05:38,050 --> 00:05:34,069

not just Roswell but the UFO aliens sort

103

00:05:39,909 --> 00:05:38,060

of phenomenon and you know the secrets

104

00:05:41,589 --> 00:05:39,919

that are being kept within the

105

00:05:43,899 --> 00:05:41,599

government that sort of thing you got to

106

00:05:48,550 --> 00:05:43,909

watch this lecture I personally think

107

00:05:50,200 --> 00:05:48,560

it's the best one on YouTube so if what

108

00:05:54,249 --> 00:05:50,210

we'll do is we'll post it on our yes

109

00:05:56,769 --> 00:05:54,259

media it's a fantastic lecture so now

110

00:05:59,200 --> 00:05:56,779

dr. Krauss we run into each other I

111

00:06:01,540 --> 00:05:59,210

think in a forum I got your email from

112

00:06:04,629 --> 00:06:01,550

somewhere because you had started making

113

00:06:08,350 --> 00:06:04,639

some progress on kind of finding the

114

00:06:10,240 --> 00:06:08,360

earthly maybe I guess explanation for

115

00:06:12,519 --> 00:06:10,250

some of these characteristics of this

116

00:06:14,320 --> 00:06:12,529

metal will you tell us what happened in

117

00:06:17,170 --> 00:06:14,330

the 60s that really piqued your

118

00:06:19,480 --> 00:06:17,180

curiosity and then how I sent Lee you

119

00:06:21,939 --> 00:06:19,490

tied that together all right so imagine

120

00:06:23,860 --> 00:06:21,949

I'm right out of college you know I

121

00:06:28,059 --> 00:06:23,870

don't know I don't even have my Master's

122

00:06:29,830 --> 00:06:28,069

yet or ly PhD and I'm teaching I thought

123

00:06:32,709 --> 00:06:29,840

I was teaching fourth grade turns out I

124

00:06:36,340 --> 00:06:32,719

was teaching fifth grade and this little

125

00:06:39,040 --> 00:06:36,350

girl comes up to me and she says can I

126
00:06:42,130 --> 00:06:39,050
he says can I show you this and I said

127
00:06:45,400 --> 00:06:42,140
sure and she showed me a five by five

128
00:06:49,480 --> 00:06:45,410
inch piece of what looked like aluminum

129
00:06:53,740 --> 00:06:49,490
foil and I I said oh okay she said okay

130
00:06:56,200 --> 00:06:53,750
squeeze it so I crushed it and then she

131
00:06:58,960 --> 00:06:56,210
said okay let it go and I let it go and

132
00:07:02,410 --> 00:06:58,970
it completely opened up and went back to

133
00:07:05,250 --> 00:07:02,420
its original flat five by five in shape

134
00:07:09,250 --> 00:07:05,260
and I said that's not aluminum foil

135
00:07:12,700 --> 00:07:09,260
aluminum foil doesn't do that and then

136
00:07:15,100 --> 00:07:12,710
she said well tried to cut it I said is

137
00:07:18,190 --> 00:07:15,110
that okay with your daddy and she said

138
00:07:21,700 --> 00:07:18,200

yeah so I had I was a teacher and I had

139

00:07:24,190 --> 00:07:21,710

like 35 kids in my class I was just

140

00:07:26,680 --> 00:07:24,200

right out of college and so I had like

141

00:07:29,410 --> 00:07:26,690

lots of different scissors and I tried

142

00:07:32,860 --> 00:07:29,420

to cut it it wouldn't cut it just bent I

143

00:07:35,290 --> 00:07:32,870

had I thought wow she said well try to

144

00:07:38,800 --> 00:07:35,300

put a hole in it I said is that okay

145

00:07:41,440 --> 00:07:38,810

okay yeah so I jammed a ballpoint pen

146

00:07:44,470 --> 00:07:41,450

and then I dammed a piece of metal in it

147

00:07:47,500 --> 00:07:44,480

nothing it would just it was I mean this

148

00:07:50,560 --> 00:07:47,510

stuff was the thickness of a piece of

149

00:07:53,290 --> 00:07:50,570

20-pound stationery but it was silvery

150

00:07:56,320 --> 00:07:53,300

on the front and a little bit grayish on

151
00:08:00,250 --> 00:07:56,330
the back and it was somewhat rubbery so

152
00:08:03,520 --> 00:08:00,260
I never thought a thing about I thought

153
00:08:05,980 --> 00:08:03,530
her father works for NASA it's a piece

154
00:08:09,280 --> 00:08:05,990
of material that's being developed this

155
00:08:14,830 --> 00:08:09,290
was what 1965 and I never thought about

156
00:08:18,510 --> 00:08:14,840
it again until around 2008 I was writing

157
00:08:21,010 --> 00:08:18,520
a book on my first book on aliens and

158
00:08:23,880 --> 00:08:21,020
extraterrestrials and I'm reading this

159
00:08:27,100 --> 00:08:23,890
crazy book by a man named Philip Corso

160
00:08:31,450 --> 00:08:27,110
who said he was at Roswell just like you

161
00:08:33,909 --> 00:08:31,460
were except he was there in 1947 and I'm

162
00:08:34,750 --> 00:08:33,919
reading this book and I think this man

163
00:08:37,719 --> 00:08:34,760

is nuts

164

00:08:39,909 --> 00:08:37,729

he's crazy he's talking about aliens and

165

00:08:42,339 --> 00:08:39,919

they crash-landed and there were three

166

00:08:44,020 --> 00:08:42,349

bodies and the airport there was one

167

00:08:47,200 --> 00:08:44,030

that was trying to crawl out of a hole

168

00:08:49,360 --> 00:08:47,210

and the Air Force shot him and they did

169

00:08:50,650 --> 00:08:49,370

autopsies on them they were about three

170

00:08:53,680 --> 00:08:50,660

and a half feet tall

171

00:08:56,890 --> 00:08:53,690

large-headed and i said why why are you

172

00:08:58,360 --> 00:08:56,900

reading this are you you've lost your

173

00:09:01,930 --> 00:08:58,370

mind you're a professor in a university

174

00:09:07,660 --> 00:09:01,940

you know and then I read this paragraph

175

00:09:11,380 --> 00:09:07,670

and I swear I in my tracks I was in San

176

00:09:15,010 --> 00:09:11,390

Diego and it said when we were at the

177

00:09:18,610 --> 00:09:15,020

crash site we found this material that

178

00:09:21,880 --> 00:09:18,620

was 5 inches by 5 inches if you crushed

179

00:09:24,520 --> 00:09:21,890

it it would open up immediately if you

180

00:09:29,710 --> 00:09:24,530

tried to cut it you couldn't if you

181

00:09:32,440 --> 00:09:29,720

tried to stab it without anything it you

182

00:09:36,700 --> 00:09:32,450

could not puncture it and I said oh my

183

00:09:42,160 --> 00:09:36,710

god I had that in my hands I had that in

184

00:09:45,580 --> 00:09:42,170

my hands I don't know 40 50 55 some 42

185

00:09:49,210 --> 00:09:45,590

years ago Wow and it gives me a chance

186

00:09:53,080 --> 00:09:49,220

when I gave me chills I mean I said oh

187

00:09:55,990 --> 00:09:53,090

my god this guy is not nuts he what the

188

00:09:58,420 --> 00:09:56,000

man was 80 80 years old he was writing

189

00:10:01,650 --> 00:09:58,430

this book and I thought what if this man

190

00:10:05,290 --> 00:10:01,660

is telling the truth that means that a

191

00:10:08,500 --> 00:10:05,300

spacecraft crashed that means that there

192

00:10:10,600 --> 00:10:08,510

were three aliens that means that the

193

00:10:14,220 --> 00:10:10,610

Air Force covered it up that means that

194

00:10:17,590 --> 00:10:14,230

this material that I held in my hands I

195

00:10:19,960 --> 00:10:17,600

actually never ever saw this material

196

00:10:22,900 --> 00:10:19,970

again I mean if this was some kind of

197

00:10:25,930 --> 00:10:22,910

commercial product where is it I haven't

198

00:10:29,880 --> 00:10:25,940

I've never seen it or touched it it's

199

00:10:31,960 --> 00:10:29,890

not Kevlar it's not mylar so that's the

200

00:10:34,480 --> 00:10:31,970

that's the beginning of this story

201
00:10:37,450 --> 00:10:34,490
there's much more so what's your next

202
00:10:39,280 --> 00:10:37,460
question well I was just gonna say you

203
00:10:42,370 --> 00:10:39,290
are probably even though it was in the

204
00:10:44,650 --> 00:10:42,380
60s I think the most recent person

205
00:10:46,690 --> 00:10:44,660
actually to have had their hands on a

206
00:10:48,640 --> 00:10:46,700
material with that characteristics I

207
00:10:52,480 --> 00:10:48,650
mean I haven't heard anybody recently

208
00:10:54,880 --> 00:10:52,490
say oh yeah I handle only you and I

209
00:10:56,980 --> 00:10:54,890
wanted to ask you just want to go back a

210
00:10:59,560 --> 00:10:56,990
little bit cuz you said that when you

211
00:11:01,329 --> 00:10:59,570
try to cut it it would Bend could you

212
00:11:03,670 --> 00:11:01,339
expand on that a little bit what you

213
00:11:06,500 --> 00:11:03,680

mean by it would Bend

214

00:11:09,380 --> 00:11:06,510

but let's say you had a pair of scissors

215

00:11:11,450 --> 00:11:09,390

that were completely dull okay and then

216

00:11:13,880 --> 00:11:11,460

that you tried to cut a piece of paper

217

00:11:17,870 --> 00:11:13,890

what would happen if you cut a piece of

218

00:11:19,730 --> 00:11:17,880

paper with totally dull scissors if you

219

00:11:23,270 --> 00:11:19,740

just probably fly it would it would just

220

00:11:25,820 --> 00:11:23,280

mean the weight exactly except I had

221

00:11:28,670 --> 00:11:25,830

very very sharp scissors but I could not

222

00:11:31,730 --> 00:11:28,680

cut this material it would it flopped it

223

00:11:33,380 --> 00:11:31,740

it bent it would not cut you couldn't

224

00:11:35,660 --> 00:11:33,390

puncture it you couldn't do anything

225

00:11:39,230 --> 00:11:35,670

with it and by the way I'm not the last

226

00:11:43,780 --> 00:11:39,240

person I discovered two people in Ohio

227

00:11:46,340 --> 00:11:43,790

who had touched this material in 1977 ah

228

00:11:50,180 --> 00:11:46,350

hmm Wow

229

00:11:53,360 --> 00:11:50,190

the mystery deepens yeah that's in my

230

00:11:56,140 --> 00:11:53,370

book I found this I have this great

231

00:12:00,470 --> 00:11:56,150

great investigator named Tony bara Galia

232

00:12:03,740 --> 00:12:00,480

who's a UFO guy and I got in touch with

233

00:12:06,590 --> 00:12:03,750

him and I said who else has touched this

234

00:12:09,050 --> 00:12:06,600

because there are 37 people in my book

235

00:12:10,970 --> 00:12:09,060

who held this material in their hands

236

00:12:12,170 --> 00:12:10,980

now is this a new book or is it

237

00:12:14,870 --> 00:12:12,180

currently out because we'd like to talk

238

00:12:17,230 --> 00:12:14,880

about that to make sure people know it's

239

00:12:19,670 --> 00:12:17,240

brand-new right out it's called

240

00:12:23,660 --> 00:12:19,680

extraterrestrial contacts the Roswell

241

00:12:25,700 --> 00:12:23,670

fly foiled UFOs and how they alter our

242

00:12:30,050 --> 00:12:25,710

understanding of the modern world

243

00:12:33,560 --> 00:12:30,060

just cross extraterrestrial contacts so

244

00:12:38,750 --> 00:12:33,570

it's a brand-new book okay so back to

245

00:12:43,180 --> 00:12:38,760

this investigation there was a girl in

246

00:12:47,300 --> 00:12:43,190

Ohio who discovered this and her uncle

247

00:12:52,040 --> 00:12:47,310

whose name was Harold if hland came over

248

00:12:54,260 --> 00:12:52,050

on 19 in 1977 to her house and he showed

249

00:12:56,330 --> 00:12:54,270

her this material and she was playing

250

00:12:59,150 --> 00:12:56,340

with it and she did the same thing that

251

00:13:01,400 --> 00:12:59,160

I did she rolled it up she tried to cut

252

00:13:04,850 --> 00:13:01,410

it in the whole thing and he took it

253

00:13:08,360 --> 00:13:04,860

back and that was it and I said well who

254

00:13:11,480 --> 00:13:08,370

is your hyung uncle Harold Harold

255

00:13:14,300 --> 00:13:11,490

if hland and I looked him up in it Tony

256

00:13:16,220 --> 00:13:14,310

looked him up and we studied it tried to

257

00:13:18,830 --> 00:13:16,230

find out where is this guy from

258

00:13:21,140 --> 00:13:18,840

and he was from Dayton Ohio and guess

259

00:13:23,390 --> 00:13:21,150

what he had a bachelor's degree in

260

00:13:26,180 --> 00:13:23,400

chemistry from the University of

261

00:13:28,540 --> 00:13:26,190

Michigan he worked for the top-secret

262

00:13:32,510 --> 00:13:28,550

wright-patterson Air Force Base in

263

00:13:35,120 --> 00:13:32,520

Dayton Ohio and that's where they said

264

00:13:37,730 --> 00:13:35,130

the material went to that material

265

00:13:39,160 --> 00:13:37,740

winked it was wright-patterson in Ohio

266

00:13:45,200 --> 00:13:39,170

so that makes sense

267

00:13:49,340 --> 00:13:45,210

totally Wow now on your investigation

268

00:13:50,840 --> 00:13:49,350

and searching for you know by the way I

269

00:13:52,790 --> 00:13:50,850

think it's fantastic that you're like

270

00:13:55,250 --> 00:13:52,800

zeroed in on trying to figure out these

271

00:13:57,650 --> 00:13:55,260

people and because that's what you know

272

00:14:01,960 --> 00:13:57,660

I think this needs to happen you know

273

00:14:06,860 --> 00:14:01,970

for sure like what have you found

274

00:14:12,500 --> 00:14:06,870

recently if anything that somewhat

275

00:14:14,690 --> 00:14:12,510

resembles a the rosna Roswell material

276

00:14:17,690 --> 00:14:14,700

but is in fact earthly you know what I

277

00:14:21,170 --> 00:14:17,700

mean so this you talked about mylar and

278

00:14:26,540 --> 00:14:21,180

Kevlar yeah now you're gonna enjoy this

279

00:14:29,630 --> 00:14:26,550

i I'm on academic so I approached this

280

00:14:32,350 --> 00:14:29,640

very academically on I took I wrote to a

281

00:14:35,960 --> 00:14:32,360

hundred professors of physics chemistry

282

00:14:38,660 --> 00:14:35,970

material science and I said without ever

283

00:14:44,000 --> 00:14:38,670

sit mentioning Roswell I said what was i

284

00:14:45,680 --> 00:14:44,010

holding in my hands in 1965 that existed

285

00:14:50,120 --> 00:14:45,690

because I've never seen it again

286

00:14:53,360 --> 00:14:50,130

now about half I got 42 responses and 40

287

00:14:57,500 --> 00:14:53,370

and half of those people said I have no

288

00:15:00,260 --> 00:14:57,510

idea there was no such thing that

289

00:15:02,750 --> 00:15:00,270
existed in 1965 that had those

290

00:15:04,550 --> 00:15:02,760
characteristics the ability of a sudden

291

00:15:07,010 --> 00:15:04,560
to crush something and have it open up

292

00:15:09,680 --> 00:15:07,020
to its former place is called

293

00:15:12,920 --> 00:15:09,690
shape-memory and there are no there's

294

00:15:15,170 --> 00:15:12,930
only one substance called nitinol that

295

00:15:19,640 --> 00:15:15,180
has shaped memory but that's not at room

296

00:15:21,770 --> 00:15:19,650
temperature so I bought mylar and Kevlar

297

00:15:24,440 --> 00:15:21,780
some people said it was Kevlar one

298

00:15:28,100 --> 00:15:24,450
DuPont scientist said it was high trail

299

00:15:29,100 --> 00:15:28,110
I bought all these things and none of

300

00:15:35,040 --> 00:15:29,110
them

301
00:15:36,510 --> 00:15:35,050
producer of your show I don't know who

302
00:15:39,920 --> 00:15:36,520
he was I forgot his name he's in my

303
00:15:42,350 --> 00:15:39,930
email he sent me a YouTube video of

304
00:15:46,350 --> 00:15:42,360
something that was just recently

305
00:15:49,050 --> 00:15:46,360
developed by someone probably last year

306
00:15:51,810 --> 00:15:49,060
and it's very very close it's the

307
00:15:55,170 --> 00:15:51,820
closest thing I have ever seen but it is

308
00:16:01,920 --> 00:15:55,180
not what I had in my hands in 1965

309
00:16:06,480 --> 00:16:01,930
nothing absolutely nothing so by the way

310
00:16:08,390 --> 00:16:06,490
I think the you're talking about rubber

311
00:16:10,710 --> 00:16:08,400
metal right is that what you were saying

312
00:16:11,820 --> 00:16:10,720
it's a yeah that's a very good term for

313
00:16:16,020 --> 00:16:11,830

it rubber metal

314

00:16:17,540 --> 00:16:16,030

I mean aluminized cloth there they call

315

00:16:20,730 --> 00:16:17,550

it different things

316

00:16:23,820 --> 00:16:20,740

Wow and so I want to ask you this is

317

00:16:26,730 --> 00:16:23,830

there anything that's come close but

318

00:16:31,290 --> 00:16:26,740

just doesn't have that one thing I mean

319

00:16:34,740 --> 00:16:31,300

like absolutely nothing if I have this

320

00:16:37,530 --> 00:16:34,750

material I could if you had a shirt made

321

00:16:39,810 --> 00:16:37,540

of this material it would be shiny it

322

00:16:42,300 --> 00:16:39,820

would never wrinkle it would never

323

00:16:44,280 --> 00:16:42,310

crease if somebody tried to stab you

324

00:16:49,290 --> 00:16:44,290

they would never succeed

325

00:16:52,080 --> 00:16:49,300

I need that shirt I wonder if it's I'm

326

00:16:55,890 --> 00:16:52,090

sure I think that's how Kevlar by the

327

00:16:58,410 --> 00:16:55,900

way and bulletproof vests came the the

328

00:17:00,690 --> 00:16:58,420

government tried to reverse engineer

329

00:17:04,350 --> 00:17:00,700

this material and that's how we got full

330

00:17:09,240 --> 00:17:04,360

of push crew vests oh wow

331

00:17:16,730 --> 00:17:09,250

that makes sense yes it does I do you

332

00:17:23,040 --> 00:17:19,710

have these other still two studying this

333

00:17:25,949 --> 00:17:23,050

material right now that they reversed it

334

00:17:28,890 --> 00:17:25,959

a little bit more is it still bullish

335

00:17:31,830 --> 00:17:28,900

marks who's they there's total denial

336

00:17:34,020 --> 00:17:31,840

about this material there's no no one

337

00:17:36,930 --> 00:17:34,030

talks about this material other than UFO

338

00:17:38,700 --> 00:17:36,940

people okay they're easy people like us

339

00:17:39,529 --> 00:17:38,710

Joe will sit at lunch and we talked

340

00:17:42,889 --> 00:17:39,539

about the Roswell

341

00:17:46,430 --> 00:17:42,899

but by the way by the way Tony bara glia

342

00:17:49,700 --> 00:17:46,440

and his colleague studied it and the

343

00:17:53,840 --> 00:17:49,710

government started an intense research

344

00:17:56,239 --> 00:17:53,850

program on night to gnaw on a material

345

00:17:59,330 --> 00:17:56,249

called nitinol which is made of nickel

346

00:18:02,090 --> 00:17:59,340

and titanium the government got very

347

00:18:04,909 --> 00:18:02,100

interested in titanium in 1948

348

00:18:07,609 --> 00:18:04,919

one year after Roswell probably because

349

00:18:12,680 --> 00:18:07,619

this material was made out of nickel and

350

00:18:15,619 --> 00:18:12,690

titanium now I want to ask you because I

351

00:18:17,330 --> 00:18:15,629

think you'd probably know I did I I've

352

00:18:19,339 --> 00:18:17,340

spoken to a lot of people and somebody

353

00:18:21,200 --> 00:18:19,349

swore up and down to me this is they're

354

00:18:22,999 --> 00:18:21,210

talking about mylar they just saw mylar

355

00:18:27,469 --> 00:18:23,009

they just saw mother I did some research

356

00:18:29,509 --> 00:18:27,479

on mylar and and realize that it I don't

357

00:18:32,479 --> 00:18:29,519

think it was commercially I don't think

358

00:18:34,669 --> 00:18:32,489

it was available in 47 no but it came

359

00:18:36,769 --> 00:18:34,679

out in 65 and I was curious because

360

00:18:38,989 --> 00:18:36,779

that's when I had my material and I

361

00:18:42,499 --> 00:18:38,999

wanted to know more about mylar and

362

00:18:45,950 --> 00:18:42,509

Kevlar but they both crease I'm sorry

363

00:18:49,789 --> 00:18:45,960

they crease I just I think it's amazing

364

00:18:52,820 --> 00:18:49,799

to take something that thin and be able

365

00:18:54,739 --> 00:18:52,830

to just did it make any noise when you

366

00:18:55,099 --> 00:18:54,749

crinkled it did it make any sounds at

367

00:18:58,039 --> 00:18:55,109

all

368

00:19:00,320 --> 00:18:58,049

I don't remember I'm sorry I do not

369

00:19:02,499 --> 00:19:00,330

remember that's okay

370

00:19:07,159 --> 00:19:02,509

I just still think it's absolutely

371

00:19:09,589 --> 00:19:07,169

mind-blowing and so uh now I know that

372

00:19:15,259 --> 00:19:09,599

the girl in your class have you ever

373

00:19:17,210 --> 00:19:15,269

found her no no in fact I said wonder

374

00:19:18,919 --> 00:19:17,220

UFO researchers said why are you just

375

00:19:21,320 --> 00:19:18,929

sitting on your ass why don't you try to

376

00:19:24,919 --> 00:19:21,330

find out who she was and I said okay

377

00:19:26,599 --> 00:19:24,929

I'll try and I looked and I I said I

378

00:19:28,580 --> 00:19:26,609

thought I'd taught fourth grade and then

379

00:19:32,389 --> 00:19:28,590

I found that there were some alumni of

380

00:19:34,789 --> 00:19:32,399

this clap ass and they remembered me and

381

00:19:36,589 --> 00:19:34,799

I was their favorite teacher and they

382

00:19:38,690 --> 00:19:36,599

said no you taught fifth grade I said

383

00:19:41,810 --> 00:19:38,700

really I didn't remember a single person

384

00:19:43,849 --> 00:19:41,820

in my class I think I was 24 years old

385

00:19:46,879 --> 00:19:43,859

okay how could you answer

386

00:19:49,570 --> 00:19:46,889

yeah and act turns out that one of the

387

00:19:51,450 --> 00:19:49,580

girls in the class now these kids are 11

388

00:19:59,100 --> 00:19:51,460

she

389

00:20:01,980 --> 00:19:59,110

they married they had kids and now their

390

00:20:04,560 --> 00:20:01,990

grandparents and so they have they've

391

00:20:06,720 --> 00:20:04,570

stayed in touch with everybody and this

392

00:20:08,610 --> 00:20:06,730

girl who gave me this and some people in

393

00:20:12,240 --> 00:20:08,620

the class remembered this girl brought

394

00:20:14,490 --> 00:20:12,250

this material to class one day and by

395

00:20:17,610 --> 00:20:14,500

and her name is Denise daily and she had

396

00:20:20,909 --> 00:20:17,620

a twin sister named either Patricia or

397

00:20:24,299 --> 00:20:20,919

Veronica daily in another classroom we

398

00:20:26,639 --> 00:20:24,309

have hired I've not hired but a private

399

00:20:29,130 --> 00:20:26,649

detective volunteered another private

400

00:20:32,820 --> 00:20:29,140

detective volunteer I must have called

401
00:20:33,870 --> 00:20:32,830
28 Denise Daly's look for a twin sister

402
00:20:37,320 --> 00:20:33,880
Veronica

403
00:20:40,200 --> 00:20:37,330
nothing did in nothing I found one the

404
00:20:42,480 --> 00:20:40,210
closest one they said her father was

405
00:20:46,880 --> 00:20:42,490
probably in the military she wasn't in

406
00:20:50,730 --> 00:20:46,890
school long and that was my best lead

407
00:20:52,380 --> 00:20:50,740
wow man you are serious about this I

408
00:20:53,519 --> 00:20:52,390
love it I'm definitely gonna keep

409
00:20:55,350 --> 00:20:53,529
following everything you're doing

410
00:20:58,440 --> 00:20:55,360
because you're doing everything I would

411
00:21:01,649 --> 00:20:58,450
conceivably do which is who's that girl

412
00:21:05,389 --> 00:21:01,659
who's she related to doubt let me let me

413
00:21:08,940 --> 00:21:05,399

wait so you see there 62 or 63 or 64

414

00:21:11,279 --> 00:21:08,950

right now we gotta find her Joe yeah I

415

00:21:14,549 --> 00:21:11,289

know yeah we do Joe and I we will we

416

00:21:17,250 --> 00:21:14,559

will go find her we're gonna go to her

417

00:21:20,490 --> 00:21:17,260

house if we can find if she has a oil

418

00:21:23,519 --> 00:21:20,500

maybe she's not spoiled I wonder if she

419

00:21:25,740 --> 00:21:23,529

likes stole it from her dad or if her

420

00:21:27,029 --> 00:21:25,750

dad was like so this is to your teacher

421

00:21:29,760 --> 00:21:27,039

what do you how do you think that went

422

00:21:32,159 --> 00:21:29,770

down my theory is that I worked out near

423

00:21:35,430 --> 00:21:32,169

Ann Arbor University of Michigan that

424

00:21:37,970 --> 00:21:35,440

was a secret research facility the bear

425

00:21:40,830 --> 00:21:37,980

called the will of one research

426

00:21:42,960 --> 00:21:40,840

laboratories I think her father must

427

00:21:44,789 --> 00:21:42,970

have worked there and had some

428

00:21:48,269 --> 00:21:44,799

connection to write Patterson or Ohio

429

00:21:51,000 --> 00:21:48,279

and I tried to research the people who

430

00:21:54,019 --> 00:21:51,010

work there and that was also a dead end

431

00:21:57,720 --> 00:21:54,029

I found it daily who worked there but

432

00:22:02,730 --> 00:21:57,730

nothing that I I'm sorry I I wish I

433

00:22:04,159 --> 00:22:02,740

could report good news but I can't Wow

434

00:22:05,690 --> 00:22:04,169

well we're gonna keep

435

00:22:09,529 --> 00:22:05,700

I was I'm gonna tell you something um

436

00:22:10,849 --> 00:22:09,539

when I watched your when I watched your

437

00:22:13,869 --> 00:22:10,859

online lecture I actually started

438

00:22:20,210 --> 00:22:18,139

does she look old enough because I want

439

00:22:21,859 --> 00:22:20,220

to know I want to talk like wait they

440

00:22:27,349 --> 00:22:21,869

get they get married they change their

441

00:22:29,529 --> 00:22:27,359

names that's the problem right yeah so

442

00:22:35,810 --> 00:22:29,539

we have no idea where she went

443

00:22:38,080 --> 00:22:35,820

if only to find her and now in your

444

00:22:40,580 --> 00:22:38,090

let's go to your book real quick because

445

00:22:42,409 --> 00:22:40,590

first of all where can people find the

446

00:22:43,909 --> 00:22:42,419

book so they you know we've got some

447

00:22:46,340 --> 00:22:43,919

people in the chatroom very interested

448

00:22:49,310 --> 00:22:46,350

and if you could tell us where to get

449

00:22:52,629 --> 00:22:49,320

your book and you know is it

450

00:22:57,049 --> 00:22:52,639

downloadable or is it in physical form

451

00:22:59,440 --> 00:22:57,059

it's you just go to kroff KR o th and

452

00:23:02,359 --> 00:22:59,450

you go to Amazon and you say

453

00:23:04,659 --> 00:23:02,369

extraterrestrial contacts and it'll take

454

00:23:07,549 --> 00:23:04,669

you there or Barnes & Noble or I

455

00:23:10,039 --> 00:23:07,559

bookstore or Google Books

456

00:23:12,349 --> 00:23:10,049

it's downloadable I think it's about

457

00:23:16,009 --> 00:23:12,359

four or five ninety-nine something like

458

00:23:18,229 --> 00:23:16,019

that and this is the first chapter of

459

00:23:20,659 --> 00:23:18,239

that story because that's how this whole

460

00:23:22,460 --> 00:23:20,669

story started I highly recommend people

461

00:23:26,180 --> 00:23:22,470

to get that book let me tell you why

462

00:23:27,529 --> 00:23:26,190

support this gentleman who is spending I

463

00:23:29,659 --> 00:23:27,539

can't even imagine the amount of time

464

00:23:32,989 --> 00:23:29,669

and resources trying to figure this out

465

00:23:34,609 --> 00:23:32,999

and probably the only this the only

466

00:23:37,729 --> 00:23:34,619

person I've ever talked to or no no that

467

00:23:40,249 --> 00:23:37,739

is you know actually held this material

468

00:23:44,119 --> 00:23:40,259

now yeah also can you tell us some other

469

00:23:46,210 --> 00:23:44,129

things in your book that is interesting

470

00:23:49,249 --> 00:23:46,220

or notable that we should know about

471

00:23:52,609 --> 00:23:49,259

well that was just chapter one and then

472

00:23:54,979 --> 00:23:52,619

I said well what if Roswell actually

473

00:23:58,460 --> 00:23:54,989

happened what does that mean

474

00:24:02,389 --> 00:23:58,470

that means that the human race are you

475

00:24:04,759 --> 00:24:02,399

still there yes we are okay that means

476
00:24:08,690 --> 00:24:04,769
that the human race has been in contact

477
00:24:12,680 --> 00:24:08,700
with an extraterrestrial culture that is

478
00:24:17,089 --> 00:24:12,690
the biggest story of the human race in

479
00:24:17,840 --> 00:24:17,099
our 150,000 year history it is there is

480
00:24:21,040 --> 00:24:17,850
no big

481
00:24:24,050 --> 00:24:21,050
story than that so it's either false or

482
00:24:28,010 --> 00:24:24,060
it is the biggest story of our lifetime

483
00:24:30,160 --> 00:24:28,020
there is no gray area it's either false

484
00:24:32,480 --> 00:24:30,170
or it's either left or right so

485
00:24:34,850 --> 00:24:32,490
beginning with that I said okay let's

486
00:24:38,930 --> 00:24:34,860
take a look at the UFO stories there's a

487
00:24:42,610 --> 00:24:38,940
lot of crackpot stories and what makes a

488
00:24:45,680 --> 00:24:42,620

good UFO story I said in Chapter two

489

00:24:48,920 --> 00:24:45,690

corroboration if well one person saw a

490

00:24:53,330 --> 00:24:48,930

thing that's great but if 75 people saw

491

00:24:57,350 --> 00:24:53,340

it by the way there are 78 witnesses to

492

00:24:59,660 --> 00:24:57,360

the Roswell event in my book 78 people

493

00:25:02,240 --> 00:24:59,670

either saw the bodies or they saw the

494

00:25:04,760 --> 00:25:02,250

material or they were part of the

495

00:25:07,460 --> 00:25:04,770

cover-up or they they were part of the

496

00:25:10,060 --> 00:25:07,470

caskets that they brought with it or

497

00:25:12,830 --> 00:25:10,070

they flew the bodies there are 78 people

498

00:25:15,740 --> 00:25:12,840

some of them assigned deathbed

499

00:25:18,950 --> 00:25:15,750

confessions that's a that's a lot of

500

00:25:24,380 --> 00:25:18,960

corroborating testimony don't you think

501
00:25:26,360 --> 00:25:24,390
oh absolutely absolutely

502
00:25:30,530 --> 00:25:26,370
I mean the fact that you've compiled all

503
00:25:32,510 --> 00:25:30,540
that together in the book yes now I want

504
00:25:35,720 --> 00:25:32,520
to ask you just really quickly on the

505
00:25:38,570 --> 00:25:35,730
topic of the crash and all that Jo is

506
00:25:38,960 --> 00:25:38,580
falling asleep anyway okay don't fall

507
00:25:40,880 --> 00:25:38,970
asleep

508
00:25:44,870 --> 00:25:40,890
honestly it's me it's when I start

509
00:25:46,280 --> 00:25:44,880
talking it's not you now I had this well

510
00:25:49,810 --> 00:25:46,290
Joe and I we were talking about this on

511
00:25:53,270 --> 00:25:49,820
the last show where the Roswell story

512
00:25:55,280 --> 00:25:53,280
seemed so simple at first oh well not

513
00:25:58,910 --> 00:25:55,290

simple I mean it's a complicated story

514

00:26:01,370 --> 00:25:58,920

but I mean the narrative which was you

515

00:26:05,450 --> 00:26:01,380

know a UFO crashed on earth during a

516

00:26:08,810 --> 00:26:05,460

thunderstorm and Foyle and I beams and

517

00:26:11,300 --> 00:26:08,820

aliens were recovered and went to

518

00:26:15,740 --> 00:26:11,310

wright-patterson and I wanted to ask you

519

00:26:18,040 --> 00:26:15,750

in your research and you know figuring

520

00:26:21,830 --> 00:26:18,050

out the eyewitnesses that were there

521

00:26:24,860 --> 00:26:21,840

were the accounting website with a story

522

00:26:29,150 --> 00:26:24,870

where the aliens were supposedly

523

00:26:30,450 --> 00:26:29,160

retrieved is that a separate story from

524

00:26:33,960 --> 00:26:30,460

the pea

525

00:26:36,600 --> 00:26:33,970

who handled say the foil and the i-beams

526

00:26:39,750 --> 00:26:36,610

or are both of those stories kind of

527

00:26:43,080 --> 00:26:39,760

connected in the same event in the same

528

00:26:45,270 --> 00:26:43,090

place well the people who collected the

529

00:26:47,610 --> 00:26:45,280

material there were two allegedly ten

530

00:26:49,830 --> 00:26:47,620

pieces of this material and the

531

00:26:51,900 --> 00:26:49,840

government made a very strong effort to

532

00:26:54,600 --> 00:26:51,910

collect absolutely everything but a

533

00:26:59,490 --> 00:26:54,610

couple pieces of this material escaped

534

00:27:01,740 --> 00:26:59,500

and one kid in New Mexico I used to do

535

00:27:04,980 --> 00:27:01,750

magic tricks with it and he would take

536

00:27:06,510 --> 00:27:04,990

it out and show people and crush it up

537

00:27:09,240 --> 00:27:06,520

and it would do this and that and do

538

00:27:11,070 --> 00:27:09,250

this it's normal stuff and so that there

539

00:27:16,140 --> 00:27:11,080

was at least one piece of material that

540

00:27:20,130 --> 00:27:16,150

the government never managed to grab so

541

00:27:22,230 --> 00:27:20,140

the material that I had I believe this

542

00:27:23,850 --> 00:27:22,240

girl's father must have worked for the

543

00:27:26,490 --> 00:27:23,860

military and he said why don't you just

544

00:27:28,740 --> 00:27:26,500

show this to your teacher and bring it

545

00:27:32,520 --> 00:27:28,750

home to me the same way uncle Harold

546

00:27:35,310 --> 00:27:32,530

if 'In showed the material to his his

547

00:27:38,100 --> 00:27:35,320

nice people I mean this was a very

548

00:27:40,770 --> 00:27:38,110

fascinating material it was like magic

549

00:27:43,350 --> 00:27:40,780

there is no such material in the world

550

00:27:45,210 --> 00:27:43,360

and and when you hold it you never

551
00:27:48,000 --> 00:27:45,220
forget that you never forget the

552
00:27:51,150 --> 00:27:48,010
experience but the other people in the

553
00:27:53,760 --> 00:27:51,160
at Roswell who either who saw the bodies

554
00:27:55,380 --> 00:27:53,770
or who transported the bodies they may

555
00:27:57,570 --> 00:27:55,390
not have come in contact with the

556
00:28:02,250 --> 00:27:57,580
material at all people had different

557
00:28:04,260 --> 00:28:02,260
functions interesting and have you come

558
00:28:06,420 --> 00:28:04,270
to any kind of understanding is whether

559
00:28:09,830 --> 00:28:06,430
there was one crash site or two crash

560
00:28:11,910 --> 00:28:09,840
sites or one disk or two disks have you

561
00:28:13,350 --> 00:28:11,920
looked into that at all because there's

562
00:28:15,690 --> 00:28:13,360
a lot of speculation on whether it was

563
00:28:18,390 --> 00:28:15,700

one ship or two or three they crashed I

564

00:28:21,120 --> 00:28:18,400

know there's there's so much controversy

565

00:28:25,530 --> 00:28:21,130

the the guy who who wrote reported this

566

00:28:28,950 --> 00:28:25,540

story Philip Roth Philip Corso has been

567

00:28:30,930 --> 00:28:28,960

so completely debunked I'm embarrassed

568

00:28:33,810 --> 00:28:30,940

to even mention his name because people

569

00:28:37,500 --> 00:28:33,820

think he was a crackpot and a nutcase

570

00:28:41,610 --> 00:28:37,510

and yet he's the one who told who wrote

571

00:28:43,890 --> 00:28:41,620

a book which informed me and reminded me

572

00:28:47,490 --> 00:28:43,900

of my experience so I don't dismiss

573

00:28:50,370 --> 00:28:47,500

but a lot of people including very very

574

00:28:54,090 --> 00:28:50,380

reputable UFO researchers say the man

575

00:28:57,120 --> 00:28:54,100

was a fraud so I mean there's every turn

576

00:29:00,330 --> 00:28:57,130

you make on this story you run into

577

00:29:02,670 --> 00:29:00,340

truth or not truth or falsehood fake or

578

00:29:05,580 --> 00:29:02,680

not fake and it's very difficult to find

579

00:29:08,340 --> 00:29:05,590

the truth in my belief my belief from my

580

00:29:11,250 --> 00:29:08,350

own research is Roswell happened the

581

00:29:13,980 --> 00:29:11,260

government concealed it Barry Goldwater

582

00:29:16,830 --> 00:29:13,990

the senator was right they are holding

583

00:29:18,660 --> 00:29:16,840

this information at wright-patterson he

584

00:29:20,610 --> 00:29:18,670

believed that they were doing it they're

585

00:29:23,160 --> 00:29:20,620

hiding it from the public and they're

586

00:29:25,460 --> 00:29:23,170

doing for good reason they believe that

587

00:29:28,890 --> 00:29:25,470

if they told the public that UFOs

588

00:29:32,340 --> 00:29:28,900

contacted humanity it would cause a bit

589

00:29:34,590 --> 00:29:32,350

of a crisis like what exactly I think

590

00:29:38,010 --> 00:29:34,600

for me personally I think that it would

591

00:29:39,810 --> 00:29:38,020

definitely in religion I don't know if

592

00:29:41,669 --> 00:29:39,820

it would end early I mean the Catholic

593

00:29:44,520 --> 00:29:41,679

Church is already studying this problem

594

00:29:46,980 --> 00:29:44,530

I don't think it would end religion it

595

00:29:49,970 --> 00:29:46,990

would just mean that it would scare

596

00:29:53,910 --> 00:29:49,980

people it would scare to panic you think

597

00:29:56,160 --> 00:29:53,920

no but they would they would get it

598

00:29:57,690 --> 00:29:56,170

would be destabilizing do you know that

599

00:30:01,110 --> 00:29:57,700

the government do you know anything

600

00:30:03,360 --> 00:30:01,120

about the I forget the name of it the

601
00:30:06,540 --> 00:30:03,370
was a study that was done by the RAND

602
00:30:09,660 --> 00:30:06,550
Corporation in the 1950s the government

603
00:30:11,669 --> 00:30:09,670
commissioned a study about what would

604
00:30:14,299 --> 00:30:11,679
happen if we told the people UFOs

605
00:30:16,770 --> 00:30:14,309
existed oh wow

606
00:30:18,360 --> 00:30:16,780
well why would they do that unless they

607
00:30:21,570 --> 00:30:18,370
had some reason to do that

608
00:30:24,360 --> 00:30:21,580
exactly but the RAND Corporation said do

609
00:30:31,890 --> 00:30:24,370
not tell them it will cause too much

610
00:30:33,419 --> 00:30:31,900
panic yeah do you think we're ready for

611
00:30:36,450 --> 00:30:33,429
it now do you think that the people

612
00:30:39,630 --> 00:30:36,460
could know that okay guys look Roswell

613
00:30:41,010 --> 00:30:39,640

was 70 years ago you know you know I

614

00:30:45,960 --> 00:30:41,020

think people could handle it what do you

615

00:30:49,110 --> 00:30:45,970

think personally I'm not so sure okay

616

00:30:51,000 --> 00:30:49,120

okay I think I'd be I'd handle it funny

617

00:30:53,940 --> 00:30:51,010

I think you'd probably be so shocked you

618

00:30:55,200 --> 00:30:53,950

wouldn't know what to do like I guess

619

00:30:58,140 --> 00:30:55,210

the question is what would be a

620

00:31:00,900 --> 00:30:58,150

disclosure than Joe

621

00:31:03,210 --> 00:31:00,910

you know oh sorry

622

00:31:05,490 --> 00:31:03,220

if you think about it if you think well

623

00:31:09,030 --> 00:31:05,500

what if we accepted that then wait a

624

00:31:11,130 --> 00:31:09,040

minute the origins of the human race if

625

00:31:15,390 --> 00:31:11,140

there were extraterrestrials involved

626

00:31:18,240 --> 00:31:15,400

with us did they mess with us did they

627

00:31:21,600 --> 00:31:18,250

mess with our DNA did they have anything

628

00:31:23,280 --> 00:31:21,610

to do with the evolution of Homo sapiens

629

00:31:25,110 --> 00:31:23,290

I mean we've been here for almost one

630

00:31:27,510 --> 00:31:25,120

hundred hundred and ninety six thousand

631

00:31:29,670 --> 00:31:27,520

years good point and and we started to

632

00:31:32,730 --> 00:31:29,680

get smart only about ten thousand years

633

00:31:35,700 --> 00:31:32,740

ago did they I mean all of the old

634

00:31:38,220 --> 00:31:35,710

ancient cultures talk about the gods who

635

00:31:41,400 --> 00:31:38,230

came from the stars the Egyptians the

636

00:31:43,110 --> 00:31:41,410

Sumerians so what if that we all we

637

00:31:45,390 --> 00:31:43,120

treat that as fantasy what if that was

638

00:31:49,440 --> 00:31:45,400

real what if right what if all those

639

00:31:51,900 --> 00:31:49,450

stories were actually true it would

640

00:31:53,970 --> 00:31:51,910

change our history our mythology our

641

00:31:56,310 --> 00:31:53,980

understanding of ourselves our

642

00:31:59,270 --> 00:31:56,320

understandings of the evolution of our

643

00:32:02,370 --> 00:31:59,280

species it would change everything I

644

00:32:05,700 --> 00:32:02,380

agree I do feel in a way in a lot of

645

00:32:08,310 --> 00:32:05,710

ways yeah that word like so we are stuck

646

00:32:11,340 --> 00:32:08,320

in a in a bubble that people want us to

647

00:32:13,020 --> 00:32:11,350

be and I mean you know we're we're

648

00:32:14,490 --> 00:32:13,030

constantly checking our phones we're

649

00:32:16,440 --> 00:32:14,500

constantly moving on to the next thing

650

00:32:17,880 --> 00:32:16,450

you got to pick up the kids you gotta go

651
00:32:19,770 --> 00:32:17,890
to work you got to in school you gotta

652
00:32:23,010 --> 00:32:19,780
clean the house there's really no time

653
00:32:25,470 --> 00:32:23,020
really I think the average person nor do

654
00:32:28,590 --> 00:32:25,480
they care to even think about it

655
00:32:30,690 --> 00:32:28,600
you know I so what's going on really so

656
00:32:32,550 --> 00:32:30,700
I do agree with you I do feel like we

657
00:32:35,520 --> 00:32:32,560
are indeed stuck in some kind of

658
00:32:37,950 --> 00:32:35,530
information bubble almost like we're in

659
00:32:40,230 --> 00:32:37,960
the age of deceit or in the age of

660
00:32:42,420 --> 00:32:40,240
misinformation about who we are where we

661
00:32:44,670 --> 00:32:42,430
come from and you know potentially where

662
00:32:48,390 --> 00:32:44,680
we'd be going and I want to ask you this

663
00:32:50,550 --> 00:32:48,400

because one of our chatters said you

664

00:32:52,380 --> 00:32:50,560

know one of the theories would be I

665

00:32:54,090 --> 00:32:52,390

don't know if you've heard this that the

666

00:32:57,630 --> 00:32:54,100

Roswell incident was actually time

667

00:33:00,510 --> 00:32:57,640

travelers that came from the past have

668

00:33:02,040 --> 00:33:00,520

you heard this no okay there is a

669

00:33:04,530 --> 00:33:02,050

gentleman I'll have to get his name for

670

00:33:07,710 --> 00:33:04,540

you that claims he's the one that

671

00:33:09,310 --> 00:33:07,720

designed the Roswell ship that crashed

672

00:33:11,259 --> 00:33:09,320

and that he has a mish

673

00:33:13,269 --> 00:33:11,269

to make sure he finishes it so that it

674

00:33:18,070 --> 00:33:13,279

goes back in time to keep the story

675

00:33:19,600 --> 00:33:18,080

going so it all gets so crazy but I

676

00:33:21,490 --> 00:33:19,610

wanted to know do you think that's

677

00:33:24,009 --> 00:33:21,500

possible I mean if we're talking about

678

00:33:27,759 --> 00:33:24,019

aliens is it possible maybe we could be

679

00:33:30,399 --> 00:33:27,769

considering time travelers well I'm have

680

00:33:33,430 --> 00:33:30,409

to tell you that I strangers I'm

681

00:33:35,529 --> 00:33:33,440

considered probably quite weird but I'm

682

00:33:39,100 --> 00:33:35,539

very conservative on these issues so

683

00:33:41,259 --> 00:33:39,110

there are so many strange theories out

684

00:33:44,230 --> 00:33:41,269

there and people who are in touch with

685

00:33:48,399 --> 00:33:44,240

aliens and who are interpreting crop

686

00:33:51,039 --> 00:33:48,409

circles that I I avoid yes this oh so

687

00:33:56,019 --> 00:33:51,049

much that you I'm kind of embarrassed to

688

00:33:59,560 --> 00:33:56,029

even tell you how I I sort out that junk

689

00:34:03,009 --> 00:33:59,570

and try to try to find the jewels amidst

690

00:34:05,740 --> 00:34:03,019

the junk and so I have to say that I

691

00:34:09,430 --> 00:34:05,750

don't go for that I think that I did

692

00:34:11,589 --> 00:34:09,440

think well if there was there by the way

693

00:34:14,440 --> 00:34:11,599

there are some distinguished physicists

694

00:34:16,599 --> 00:34:14,450

like Macau I can't pronounce his name

695

00:34:19,059 --> 00:34:16,609

he's a quantum physicist who believes

696

00:34:21,550 --> 00:34:19,069

that the aliens have bases on the Dark

697

00:34:23,530 --> 00:34:21,560

Side of the Moon and that they are

698

00:34:26,230 --> 00:34:23,540

frequently that's where they're based

699

00:34:29,500 --> 00:34:26,240

and they frequently patrol the earth and

700

00:34:32,290 --> 00:34:29,510

there are a number of solid people who

701
00:34:35,079 --> 00:34:32,300
believe that that's true and so where

702
00:34:37,869 --> 00:34:35,089
did they come from and if they it take

703
00:34:40,389 --> 00:34:37,879
if they came from the Orion belt which

704
00:34:45,849 --> 00:34:40,399
is where Egyptian mythology puts them

705
00:34:49,450 --> 00:34:45,859
that's 1,200 light-years away Sirius the

706
00:34:52,470 --> 00:34:49,460
star Sirius and that constellation of

707
00:34:55,329 --> 00:34:52,480
stars seems like a more likely place

708
00:34:58,720 --> 00:34:55,339
because that so I could be loved a lot

709
00:35:02,380 --> 00:34:58,730
fewer light years so where they're from

710
00:35:05,700 --> 00:35:02,390
we don't know but there are there there

711
00:35:08,800 --> 00:35:05,710
are reasonable and logical possibilities

712
00:35:11,410 --> 00:35:08,810
and which do not involve time travel

713
00:35:13,900 --> 00:35:11,420

that could explain how they got here

714

00:35:18,099 --> 00:35:13,910

then there might take them a few hundred

715

00:35:21,250 --> 00:35:18,109

years to go back and forth yeah by the

716

00:35:22,500 --> 00:35:21,260

way you said you felt you're embarrassed

717

00:35:24,780 --> 00:35:22,510

or something to tell how you

718

00:35:26,910 --> 00:35:24,790

sorted out I would love to know because

719

00:35:31,230 --> 00:35:26,920

that's well Joe and I we're always

720

00:35:33,870 --> 00:35:31,240

trying to sort this stuff out so you

721

00:35:37,590 --> 00:35:33,880

know like maybe apart from crop circles

722

00:35:41,640 --> 00:35:37,600

as one of our chat room guests is asking

723

00:35:45,120 --> 00:35:41,650

is there anything else that you think it

724

00:35:47,040 --> 00:35:45,130

doesn't fit the narrative or or as a

725

00:35:48,210 --> 00:35:47,050

hoax I guess you could say or just a

726

00:35:50,730 --> 00:35:48,220

bunch of BS is there anything in

727

00:35:53,670 --> 00:35:50,740

particular that you go okay because I

728

00:35:57,090 --> 00:35:53,680

can even feel you know like the mummies

729

00:35:59,340 --> 00:35:57,100

in Peru that they dug up that's that's

730

00:36:00,720 --> 00:35:59,350

it supposedly a huge hoax that's

731

00:36:04,380 --> 00:36:00,730

obviously not true anything like that

732

00:36:07,800 --> 00:36:04,390

well I studied the mummies too they have

733

00:36:09,900 --> 00:36:07,810

the aunt elongated skulls and now

734

00:36:13,320 --> 00:36:09,910

there's one guy who has a bachelor's

735

00:36:16,860 --> 00:36:13,330

degree who says he's a geneticist and

736

00:36:19,980 --> 00:36:16,870

these mummies don't have human DNA well

737

00:36:23,250 --> 00:36:19,990

that's pretty arrogant for a guy with a

738

00:36:26,700 --> 00:36:23,260

bachelor's degree to say but that what's

739

00:36:28,350 --> 00:36:26,710

true is that the skulls do exist they

740

00:36:34,320 --> 00:36:28,360

have elongated heads

741

00:36:38,580 --> 00:36:34,330

Siberian skulls have elongated skulls

742

00:36:42,870 --> 00:36:38,590

why and I my theory is that the aliens

743

00:36:45,240 --> 00:36:42,880

had elongated skulls and that human

744

00:36:48,180 --> 00:36:45,250

beings copied them especially the

745

00:36:51,690 --> 00:36:48,190

Egyptian pharaohs Akhenaten and his

746

00:36:55,650 --> 00:36:51,700

children and so they they tried to

747

00:36:58,200 --> 00:36:55,660

emulate or copy then the the structure

748

00:37:02,520 --> 00:36:58,210

of the what the aliens looked like and

749

00:37:05,390 --> 00:37:02,530

so this weird culture of creating

750

00:37:08,040 --> 00:37:05,400

children who have elongated skulls

751

00:37:09,050 --> 00:37:08,050

there's a long history of it and that is

752

00:37:11,520 --> 00:37:09,060

in fact true

753

00:37:14,250 --> 00:37:11,530

yeah I've said I was talking about

754

00:37:16,110 --> 00:37:14,260

specifically the recent they they I

755

00:37:18,930 --> 00:37:16,120

guess they dug up like three mummies

756

00:37:20,760 --> 00:37:18,940

have you heard of this I think it's a

757

00:37:23,880 --> 00:37:20,770

hoax I checked I always check all this

758

00:37:27,510 --> 00:37:23,890

stuff with my friend Tony Barbour oddly

759

00:37:30,420 --> 00:37:27,520

he's good to read he's very shy but he's

760

00:37:32,580 --> 00:37:30,430

a really good researcher and he says

761

00:37:34,910 --> 00:37:32,590

it's all phony it's all hoax so I

762

00:37:40,460 --> 00:37:34,920

believed them

763

00:37:42,710 --> 00:37:40,470

yeah so you're a very very smart man by

764

00:37:46,579 --> 00:37:42,720

the way I'm loving speaking with you and

765

00:37:49,430 --> 00:37:46,589

just to kind of move off into another

766

00:37:51,710 --> 00:37:49,440

direction about ufology I had noticed

767

00:37:55,130 --> 00:37:51,720

would it be right to say that you were

768

00:37:56,870 --> 00:37:55,140

pretty active and took a break or have

769

00:38:00,049 --> 00:37:56,880

you been consistently involved kind of

770

00:38:03,200 --> 00:38:00,059

in this space for a while no I'm uh I'm

771

00:38:05,630 --> 00:38:03,210

out interloper I come and I go I'd say I

772

00:38:07,640 --> 00:38:05,640

got involved in this and then I go on to

773

00:38:10,520 --> 00:38:07,650

something else I'm not part of the

774

00:38:11,720 --> 00:38:10,530

community of us ologists yes because I

775

00:38:14,569 --> 00:38:11,730

want to talk about that what do you

776

00:38:16,130 --> 00:38:14,579

think is the biggest I mean as you're

777

00:38:17,839 --> 00:38:16,140

coming and going I mean you know you're

778

00:38:19,670 --> 00:38:17,849

getting different you know snippets of

779

00:38:22,670 --> 00:38:19,680

what's going on in in the world of

780

00:38:26,859 --> 00:38:22,680

ufology what do you think is the biggest

781

00:38:29,599 --> 00:38:26,869

issue right now in the world of ufology

782

00:38:32,930 --> 00:38:29,609

government secrecy and repression of the

783

00:38:35,059 --> 00:38:32,940

of the truth that's the biggest one I

784

00:38:37,880 --> 00:38:35,069

mean the fact that the government it is

785

00:38:40,549 --> 00:38:37,890

the to one or one person I forgot his

786

00:38:43,910 --> 00:38:40,559

name but I didn't my book it is the

787

00:38:47,390 --> 00:38:43,920

biggest secret in the United States of

788

00:38:51,559 --> 00:38:47,400

America and has been the biggest secret

789

00:38:54,730 --> 00:38:51,569

of all time yeah and so when you think

790

00:38:58,400 --> 00:38:54,740

about its significance and what it means

791

00:39:01,099 --> 00:38:58,410

it that makes sense

792

00:39:03,079 --> 00:39:01,109

there are even generals you know when

793

00:39:05,809 --> 00:39:03,089

Barry Goldwater asked his good friend

794

00:39:08,270 --> 00:39:05,819

Curtis LeMay can I go into the green

795

00:39:12,140 --> 00:39:08,280

room and were right Patterson and see

796

00:39:14,150 --> 00:39:12,150

the alien bodies right general Curtis

797

00:39:17,480 --> 00:39:14,160

LeMay who was the chairman of the Joint

798

00:39:20,569 --> 00:39:17,490

Chiefs of Staff how much higher can you

799

00:39:23,150 --> 00:39:20,579

go he said don't you ever [h__\h] ask me

800

00:39:26,720 --> 00:39:23,160

that I'm sorry I used that word yes yes

801
00:39:29,420 --> 00:39:26,730
the F word [h__h] say it again he said

802
00:39:32,569 --> 00:39:29,430
don't you ever ever say ask me that

803
00:39:35,059 --> 00:39:32,579
question again you son of a [h__h] he C

804
00:39:37,609 --> 00:39:35,069
columella he swore at him and it's like

805
00:39:39,950 --> 00:39:37,619
okay I mean obviously the guy knew

806
00:39:41,630 --> 00:39:39,960
something there but there are generals

807
00:39:44,059 --> 00:39:41,640
in the government who don't know what

808
00:39:46,140 --> 00:39:44,069
other generals know there's a great book

809
00:39:49,500 --> 00:39:46,150
by a lady

810
00:39:52,339 --> 00:39:49,510
called the generals UFOs and

811
00:39:54,990 --> 00:39:52,349
something-or-other she's in my book I

812
00:39:56,910 --> 00:39:55,000
didn't meet I forgot her name now it's

813
00:39:58,769 --> 00:39:56,920

not in front of me that's it was

814

00:40:00,779 --> 00:39:58,779

published by Random so I was very very

815

00:40:02,370 --> 00:40:00,789

good book she says that there are so

816

00:40:04,769 --> 00:40:02,380

many pockets of secrecy of the

817

00:40:07,109 --> 00:40:04,779

government one arm of government doesn't

818

00:40:11,370 --> 00:40:07,119

know what the other government doesn't

819

00:40:13,289 --> 00:40:11,380

know I've agreed Joe would agree oh yeah

820

00:40:16,589 --> 00:40:13,299

but I want to ask you this it's just

821

00:40:17,670 --> 00:40:16,599

want to run this by you before I let you

822

00:40:19,980 --> 00:40:17,680

go because we're just down to a few

823

00:40:23,250 --> 00:40:19,990

minutes here I just wanted to say I

824

00:40:24,990 --> 00:40:23,260

think we've got obviously the cover-up

825

00:40:27,900 --> 00:40:25,000

we've got the secret see we've got the

826

00:40:29,789 --> 00:40:27,910

line I think on the I was thinking in

827

00:40:31,650 --> 00:40:29,799

Joe and I talked about this on in the

828

00:40:34,769 --> 00:40:31,660

ufology world today it seems very much

829

00:40:36,839 --> 00:40:34,779

the people involved the leaders the

830

00:40:39,930 --> 00:40:36,849

speaking heads the people that we go to

831

00:40:42,839 --> 00:40:39,940

for information there seems to be very

832

00:40:44,970 --> 00:40:42,849

kind of religious feeling to ufology

833

00:40:46,559 --> 00:40:44,980

right now whereas you know who you

834

00:40:48,120 --> 00:40:46,569

following rifling corey good are you

835

00:40:49,650 --> 00:40:48,130

following dr. Greer are you you know

836

00:40:52,529 --> 00:40:49,660

there's all these people who are

837

00:40:54,329 --> 00:40:52,539

claiming to have this truth as an

838

00:40:55,859 --> 00:40:54,339

example Cory good I'm sure you're

839

00:40:58,440 --> 00:40:55,869

familiar with that name was just on

840

00:41:00,359 --> 00:40:58,450

ancient aliens talking about being in a

841

00:41:02,190 --> 00:41:00,369

secret space program and that sort of

842

00:41:05,370 --> 00:41:02,200

thing I just want to get your thought on

843

00:41:07,700 --> 00:41:05,380

these people that are coming out and you

844

00:41:10,829 --> 00:41:07,710

know getting making a living and getting

845

00:41:15,329 --> 00:41:10,839

you know put on a pedestal so to speak

846

00:41:17,400 --> 00:41:15,339

who are it's it's I really feel it's

847

00:41:19,950 --> 00:41:17,410

like a religious vibe it's like follow

848

00:41:22,650 --> 00:41:19,960

me it's and when you go to some of you

849

00:41:24,000 --> 00:41:22,660

UFO events you kind of feel that too and

850

00:41:26,609 --> 00:41:24,010

I just want to kind of get your thoughts

851

00:41:29,819 --> 00:41:26,619

on that my feeling is that they're just

852

00:41:33,059 --> 00:41:29,829

watching they're not interacting they

853

00:41:37,079 --> 00:41:33,069

have not contacted they are not there's

854

00:41:39,450 --> 00:41:37,089

no connection between them they are

855

00:41:42,420 --> 00:41:39,460

attempting to communicate yes I am I

856

00:41:45,599 --> 00:41:42,430

yeah I believe crop circles is the

857

00:41:47,940 --> 00:41:45,609

medium that they're using and if you are

858

00:41:50,339 --> 00:41:47,950

they're very every time you try to

859

00:41:53,400 --> 00:41:50,349

interpret a crop circle people call it

860

00:41:55,799 --> 00:41:53,410

crazy but in my book I've interpreted

861

00:41:58,680 --> 00:41:55,809

three or four with scientific

862

00:41:59,820 --> 00:41:58,690

consultants and it's really kind of

863

00:42:01,860 --> 00:41:59,830

scary there's their sin

864

00:42:05,580 --> 00:42:01,870

yes warnings about global warming and

865

00:42:08,550 --> 00:42:05,590

about our abuse of the planet but other

866

00:42:11,070 --> 00:42:08,560

than that I love what Steven very did on

867

00:42:13,740 --> 00:42:11,080

his disclosure project I thought that

868

00:42:16,170 --> 00:42:13,750

was a great contribution as far as his

869

00:42:18,660 --> 00:42:16,180

meditations and things attempt to

870

00:42:21,270 --> 00:42:18,670

communicate with them I'm looking at

871

00:42:22,800 --> 00:42:21,280

that but I don't see anything convincing

872

00:42:24,060 --> 00:42:22,810

and so well we were there in there in

873

00:42:25,710 --> 00:42:24,070

the desert when he was doing it it was

874

00:42:28,100 --> 00:42:25,720

really weird he's speaking in tongues

875

00:42:30,840 --> 00:42:28,110

and stuff we went to an event he was at

876

00:42:32,310 --> 00:42:30,850

and we got to shake his hand and he went

877

00:42:33,780 --> 00:42:32,320

to the bathroom and he had six security

878

00:42:39,900 --> 00:42:33,790

guards to go pee I always tell this

879

00:42:45,570 --> 00:42:39,910

story but why why why oh my gosh dr.

880

00:42:47,580 --> 00:42:45,580

Greer is he that paranoid that guy is I

881

00:42:49,290 --> 00:42:47,590

don't know if he's paranoid or if he's

882

00:42:51,180 --> 00:42:49,300

just bringing attention I don't know but

883

00:42:53,100 --> 00:42:51,190

the guy is constantly surrounded in

884

00:42:55,020 --> 00:42:53,110

security guards I mean like I go and I

885

00:42:57,180 --> 00:42:55,030

when we saw only two last event we did

886

00:42:59,310 --> 00:42:57,190

like break through and be like can we

887

00:43:01,410 --> 00:42:59,320

please have a picture with you

888

00:43:03,180 --> 00:43:01,420

he's just an interesting person and I'll

889

00:43:04,640 --> 00:43:03,190

tell you he kind of started losing me

890

00:43:08,580 --> 00:43:04,650

and Joe when he started talking about

891

00:43:13,800 --> 00:43:08,590

the how he asked for projects to other

892

00:43:16,830 --> 00:43:13,810

planets and that's that's that's where I

893

00:43:23,970 --> 00:43:16,840

get off to write I we by the way I gave

894

00:43:26,730 --> 00:43:25,710

dr. Curran started in ER retro I just

895

00:43:30,000 --> 00:43:26,740

want you know we've got about a minute

896

00:43:31,920 --> 00:43:30,010

left so if we could wrap up at about 15

897

00:43:34,980 --> 00:43:31,930

seconds to 30 seconds I'd be awesome I

898

00:43:37,530 --> 00:43:34,990

met some good people who I believe who

899

00:43:39,840 --> 00:43:37,540

are honest who've had encounters and I

900

00:43:42,480 --> 00:43:39,850

believe them and that's the raw data

901
00:43:45,300 --> 00:43:42,490
that I think is that you take home with

902
