

1  
00:00:04,620 --> 00:00:13,240

[Music]

2  
00:00:22,490 --> 00:00:20,359

UFO Bros hey everyone is Giorgio

3  
00:00:26,359 --> 00:00:22,500

tsoukalos from ancient aliens and you're

4  
00:00:30,170 --> 00:00:26,369

experiencing UFO Bros TV hey what's up

5  
00:00:34,610 --> 00:00:30,180

everybody I'm in it I'm Joe and we are

6  
00:00:36,680 --> 00:00:34,620

the UF o Bros and you know we're coming

7  
00:00:40,939 --> 00:00:36,690

alive this time from the facility

8  
00:00:48,139 --> 00:00:40,949

facility I'd yes on syllabus on the

9  
00:00:49,729 --> 00:00:48,149

solidity facility oh you get okay so we

10  
00:00:52,040 --> 00:00:49,739

got to be real with everybody we think

11  
00:00:59,500 --> 00:00:52,050

the last couple shows we did probably

12  
00:01:05,749 --> 00:01:02,000

we're not apologizing we're just saying

13  
00:01:10,039 --> 00:01:05,759

everybody has an off day and or eight or

14

00:01:12,679 --> 00:01:10,049

eight or so Joe seems to have this

15

00:01:16,069 --> 00:01:12,689

really weird thing that happens Tuesday

16

00:01:18,649 --> 00:01:16,079

nights around 8 p.m. it's some kind of I

17

00:01:21,350 --> 00:01:18,659

don't know you always happen to have

18

00:01:24,109 --> 00:01:21,360

some sort of thing happen like children

19

00:01:26,749 --> 00:01:24,119

fighting or something like the last two

20

00:01:32,959 --> 00:01:26,759

shows what's going on why has it always

21

00:01:34,219 --> 00:01:32,969

happen because it's Tuesday sees Megan I

22

00:01:39,200 --> 00:01:34,229

don't know

23

00:01:44,219 --> 00:01:39,210

it's life but life is yeah I know I hate

24

00:01:50,940 --> 00:01:46,499

I think you might have yeah like a

25

00:01:53,910 --> 00:01:50,950

collapsed Sun aperture hey Mel it's not

26

00:01:57,179 --> 00:01:53,920

smells but it seems like it would be

27

00:02:02,309 --> 00:01:57,189

hard to smell it's hard to breathe this

28

00:02:04,800 --> 00:02:02,319

way yeah by the way I posted something

29

00:02:07,590 --> 00:02:04,810

on your Facebook did you see it no it

30

00:02:13,199 --> 00:02:07,600

was tagged someone who was a chicken

31

00:02:17,610 --> 00:02:13,209

nugget yes yeah I'm like that is you I'm

32

00:02:20,449 --> 00:02:17,620

a Giggy no age yeah so you know things

33

00:02:22,920 --> 00:02:20,459

happen in life and it's just life I have

34

00:02:27,569 --> 00:02:22,930

like thousand people in the house

35

00:02:30,150 --> 00:02:27,579

there's 18,000 kids so stuff happens

36

00:02:32,220 --> 00:02:30,160

that sounds terrible I'm so sorry it's

37

00:02:34,160 --> 00:02:32,230

fantastic and it's great I more the

38

00:02:41,309 --> 00:02:34,170

merrier

39

00:02:41,699 --> 00:02:41,319

so nooks man we've got we got a show for

40

00:02:43,979 --> 00:02:41,709

you

41

00:02:47,819 --> 00:02:43,989

no actually we just have a couple few

42

00:02:49,170 --> 00:02:47,829

like sound bite clips mm-hmm action

43

00:02:51,720 --> 00:02:49,180

kidding they're like minute and a half

44

00:02:55,979 --> 00:02:51,730

news stories some [h\_\_h] is some real

45

00:02:57,720 --> 00:02:55,989

[h\_\_h] yeah and the reason what the reason

46

00:03:01,379 --> 00:02:57,730

why the reason why we're bringing this

47

00:03:07,440 --> 00:03:01,389

up is Jonah we're talking today about if

48

00:03:10,500 --> 00:03:07,450

there is like a nuclear sort of exchange

49

00:03:12,569 --> 00:03:10,510

or could that happen or would the aliens

50

00:03:14,580 --> 00:03:12,579

change allow that to happen

51  
00:03:18,509 --> 00:03:14,590  
what nuclear the nuclear exchange

52  
00:03:22,319 --> 00:03:18,519  
program that's very nice way to label

53  
00:03:27,479 --> 00:03:22,329  
world annihilation yeah we participated

54  
00:03:29,580 --> 00:03:27,489  
in a nuclear exchange program yeah one

55  
00:03:32,849 --> 00:03:29,590  
nuke for you and won't you for me in

56  
00:03:35,220 --> 00:03:32,859  
fine no but seriously like okay look

57  
00:03:38,430 --> 00:03:35,230  
here's the deal we got to be kind of

58  
00:03:42,360 --> 00:03:38,440  
real because we actually have people in

59  
00:03:46,220 --> 00:03:42,370  
our family that are it's true in the

60  
00:03:48,210 --> 00:03:46,230  
Demilitarized Zone yep deployed and so

61  
00:03:50,759 --> 00:03:48,220  
you know when this kind of came up on

62  
00:03:52,619 --> 00:03:50,769  
the news everything was it's like one

63  
00:03:53,540 --> 00:03:52,629

thing after another quickly escalating

64

00:03:57,040 --> 00:03:53,550

between weak

65

00:03:59,900 --> 00:03:57,050

junk it is and that chubby dude with the

66

00:04:03,670 --> 00:03:59,910

hairdo to pay he looks like Zoo like a

67

00:04:08,450 --> 00:04:03,680

really fat short brown Zhul

68

00:04:12,890 --> 00:04:08,460

often one yeah he stay P is the

69

00:04:15,470 --> 00:04:12,900

definition of a man baby yeah either

70

00:04:20,770 --> 00:04:15,480

yeah you oh we got a chat

71

00:04:26,450 --> 00:04:23,210

no actually thank you Carla for joining

72

00:04:28,460 --> 00:04:26,460

us we have missed you going and for

73

00:04:31,690 --> 00:04:28,470

those of you who don't know I did

74

00:04:33,530 --> 00:04:31,700

threaten her online Joe [h\_\_\h] you did I

75

00:04:35,240 --> 00:04:33,540

apologize again my brother's

76

00:04:37,460 --> 00:04:35,250

retardedness by the way this is the

77

00:04:42,170 --> 00:04:37,470

second time I've had to threaten her by

78

00:04:43,400 --> 00:04:42,180

the way I've threatened her with being

79

00:04:47,030 --> 00:04:43,410

fired ok

80

00:04:55,370 --> 00:04:47,040

oh he has fired yeah it's a few days you

81

00:04:56,960 --> 00:04:55,380

can fire followers that way well anyway

82

00:04:59,060 --> 00:04:56,970

we're just glad she's in the chat room

83

00:05:05,620 --> 00:04:59,070

with us yes and I definitely want to

84

00:05:07,850 --> 00:05:05,630

know her feedback on this topic and also

85

00:05:12,230 --> 00:05:07,860

for those of you that are listening in

86

00:05:14,570 --> 00:05:12,240

now tweet us Instagram us Facebook us or

87

00:05:15,860 --> 00:05:14,580

on all things that you fo Bros TV let us

88

00:05:17,960 --> 00:05:15,870

know what you feel about this topic and

89

00:05:19,640 --> 00:05:17,970

maybe kind of you know the direction

90

00:05:21,260 --> 00:05:19,650

this show goes we'll see cuz we're both

91

00:05:24,560 --> 00:05:21,270

gonna kind of look into it together

92

00:05:27,320 --> 00:05:24,570

right yeah and by the way we've been to

93

00:05:31,040 --> 00:05:27,330

actually lectures where people like dr.

94

00:05:34,190 --> 00:05:31,050

Greer have discussed how nukes aren't

95

00:05:37,970 --> 00:05:34,200

allowed in space and nukes you know

96

00:05:40,340 --> 00:05:37,980

won't be allowed to be used because the

97

00:05:42,890 --> 00:05:40,350

ETS will intervene or something like

98

00:05:44,240 --> 00:05:42,900

that that's interesting

99

00:05:46,370 --> 00:05:44,250

I'm not saying that he said that

100

00:05:48,980 --> 00:05:46,380

specifically but I ultimately think

101

00:05:50,860 --> 00:05:48,990

that's what he's getting at what I keep

102

00:05:54,790 --> 00:05:50,870

I keep trying the microphone sorry guys

103

00:06:03,080 --> 00:05:59,000

and always something with and so we were

104

00:06:05,390 --> 00:06:03,090

like uh right feels like I hope we don't

105

00:06:05,990 --> 00:06:05,400

get into any crazy war or something

106

00:06:08,450 --> 00:06:06,000

right now

107

00:06:11,600 --> 00:06:08,460

it's scary oh you guys it's completely

108

00:06:29,150 --> 00:06:11,610

scary it's I don't want to think about

109

00:06:31,010 --> 00:06:29,160

it issues but so Burger Time so what we

110

00:06:35,000 --> 00:06:31,020

need to do is we need actually everybody

111

00:06:36,830 --> 00:06:35,010

start getting prepared we're building a

112

00:06:40,220 --> 00:06:36,840

bunker remember when we built in Ark oh

113

00:06:42,200 --> 00:06:40,230

yeah yeah whatever dam flooded we oh

114

00:06:44,990 --> 00:06:42,210

yeah we built an ark and now we're

115

00:06:47,720 --> 00:06:45,000

building a bunker so if you would like

116

00:06:50,330 --> 00:06:47,730

space in the UFO Bros TV bunker all you

117

00:06:51,530 --> 00:06:50,340

need to do is them in one payment of no

118

00:06:54,370 --> 00:06:51,540

I'm just kidding

119

00:06:57,490 --> 00:06:54,380

you know what we're gonna fry together

120

00:07:02,330 --> 00:06:57,500

how does that sound

121

00:07:06,890 --> 00:07:02,340

it crispy Wow we look like we'd be

122

00:07:09,350 --> 00:07:06,900

delicious if we roasted but this is very

123

00:07:11,150 --> 00:07:09,360

very very scary topic and it's well I

124

00:07:13,760 --> 00:07:11,160

know that's everywhere now I don't know

125

00:07:18,170 --> 00:07:13,770

I think that kind of giving people some

126  
00:07:20,510 --> 00:07:18,180  
sense of calm maybe that hopefully the

127  
00:07:21,860 --> 00:07:20,520  
ETS will intervene I don't know I

128  
00:07:24,950 --> 00:07:21,870  
thought that would be a good topic and

129  
00:07:27,200 --> 00:07:24,960  
you agreed so yeah that consumes every

130  
00:07:30,170 --> 00:07:27,210  
time there's some sort of nuclear what

131  
00:07:31,630 --> 00:07:30,180  
you call it just they show up well as

132  
00:07:35,360 --> 00:07:31,640  
we've said in previous shows

133  
00:07:38,330 --> 00:07:35,370  
it seems the majority of UFO started

134  
00:07:41,110 --> 00:07:38,340  
coming being more visible around the

135  
00:07:43,430 --> 00:07:41,120  
time that we created the atomic bomb not

136  
00:07:45,470 --> 00:07:43,440  
only testing it but after we

137  
00:07:49,130 --> 00:07:45,480  
specifically dropped it on the regime

138  
00:07:50,990 --> 00:07:49,140

and not gonna taki so they're still

139

00:07:53,210 --> 00:07:51,000

around they're still watching we're

140

00:07:55,790 --> 00:07:53,220

wandering with you know right isn't that

141

00:07:57,710 --> 00:07:55,800

the theory yeah what do you guys think

142

00:07:59,129 --> 00:07:57,720

Carly what do you think do you think

143

00:08:01,260 --> 00:07:59,139

that

144

00:08:03,239 --> 00:08:01,270

I mean it's in their best interest if

145

00:08:07,800 --> 00:08:03,249

they're really here and they're watching

146

00:08:10,320 --> 00:08:07,810

us right yeah I would think so I would

147

00:08:12,360 --> 00:08:10,330

do and for those of you who are just

148

00:08:14,399 --> 00:08:12,370

kind of wondering what we're referring

149

00:08:19,980 --> 00:08:14,409

to I actually have a few news clips that

150

00:08:23,429 --> 00:08:19,990

I'm gonna share so these are interesting

151

00:08:25,980 --> 00:08:23,439

these are just a few clips that I was

152

00:08:28,980 --> 00:08:25,990

able to grab off of the Internet

153

00:08:30,989 --> 00:08:28,990

and one of these is a testimonial from a

154

00:08:36,630 --> 00:08:30,999

whistleblower that was involved in a

155

00:08:55,259 --> 00:08:36,640

military with nukes and I'm just gonna

156

00:08:57,630 --> 00:08:55,269

go ahead and play it how's that sound so

157

00:09:00,329 --> 00:08:57,640

this is dr. Bob Jake by the way for the

158

00:09:02,550 --> 00:09:00,339

exciting talking about watching the

159

00:09:03,930 --> 00:09:02,560

ortho we could see coming in the warhead

160

00:09:06,449 --> 00:09:03,940

the dummy warhead

161

00:09:08,340 --> 00:09:06,459

according to Jacobs at this stage the

162

00:09:10,710 --> 00:09:08,350

rocket was traveling between eleven and

163

00:09:12,870 --> 00:09:10,720

fourteen thousand miles per hour when a

164

00:09:15,240 --> 00:09:12,880

saucer-shaped craft entered the frame

165

00:09:19,560 --> 00:09:15,250

that's not how fast that guy when I got

166

00:09:20,819 --> 00:09:19,570

to get to the potty man it flew into the

167

00:09:23,069 --> 00:09:20,829

frame like this

168

00:09:25,889 --> 00:09:23,079

it shot a beam of light at the warhead I

169

00:09:27,509 --> 00:09:25,899

just hear you breathing now remember all

170

00:09:29,699 --> 00:09:27,519

the stuff is flying at several thousand

171

00:09:30,720 --> 00:09:29,709

miles an hour so this thing fires a beam

172

00:09:33,210 --> 00:09:30,730

of light at the warhead

173

00:09:34,680 --> 00:09:33,220

so did he already said Joe they're

174

00:09:38,009 --> 00:09:34,690

moving several thousand miles an hour

175

00:09:41,790 --> 00:09:38,019

and something flies into view of this

176

00:09:45,750 --> 00:09:41,800

camera tracking system that's crazy

177

00:09:48,449 --> 00:09:45,760

how's that post a black light and then

178

00:09:53,120 --> 00:09:48,459

flies out the way it came in and the

179

00:09:56,990 --> 00:09:55,040

now when the lights came on major

180

00:10:00,110 --> 00:09:57,000

Mansmann turned her on to what major

181

00:10:03,170 --> 00:10:00,120

Mansmann the man said were you guys

182

00:10:08,860 --> 00:10:03,180

screwing around up there and I said no

183

00:10:12,770 --> 00:10:08,870

sir and he said what was that and I said

184

00:10:18,400 --> 00:10:12,780

it looks to me like we got a UFO well

185

00:10:23,180 --> 00:10:20,990

mean by the way if you guys always

186

00:10:27,320 --> 00:10:23,190

whistleblowers saying well if you google

187

00:10:30,740 --> 00:10:27,330

this guy you'll see that his testimony

188

00:10:32,780 --> 00:10:30,750

was actually very emotional I feel from

189

00:10:36,440 --> 00:10:32,790

him I mean he is adamant I mean this

190

00:10:41,000 --> 00:10:36,450

isn't a very smart man he has a PhD you

191

00:10:42,650 --> 00:10:41,010

know he's he's completely appalled that

192

00:10:43,400 --> 00:10:42,660

the idea that anybody would think he's

193

00:10:46,610 --> 00:10:43,410

lying

194

00:10:48,350 --> 00:10:46,620

I mean he's you can see it in his face

195

00:10:52,460 --> 00:10:48,360

you can see it in his expressions you

196

00:10:56,780 --> 00:10:52,470

can see it in these interviews if you're

197

00:10:59,270 --> 00:10:56,790

able to watch them and by the way if

198

00:11:01,130 --> 00:10:59,280

you're wondering that's dr. Bob Jacobs

199

00:11:04,670 --> 00:11:01,140

if you just YouTube it you'll see plenty

200

00:11:06,350 --> 00:11:04,680

of testimonials and that was just one

201

00:11:09,110 --> 00:11:06,360

clip I could find that kind of sums up

202

00:11:12,290 --> 00:11:09,120

you know everything okay

203

00:11:13,580 --> 00:11:12,300

we're gonna turn our attention to Joe it

204

00:11:14,690 --> 00:11:13,590

looks like you need some so Joe what are

205

00:11:17,480 --> 00:11:14,700

you what's going on over there go ahead

206

00:11:22,280 --> 00:11:17,490

report from the land of fee liens how

207

00:11:33,400 --> 00:11:22,290

are things going down there this up with

208

00:11:44,060 --> 00:11:38,960

yeah screaming to the microphone so I

209

00:11:48,740 --> 00:11:44,070

think that I would wonder why something

210

00:11:51,500 --> 00:11:48,750

would fly in though to disable a it

211

00:11:56,120 --> 00:11:51,510

wasn't a real new I mean it was just a

212

00:12:01,160 --> 00:11:56,130

dummy nuke what's the point of they

213

00:12:05,750 --> 00:12:01,170

didn't know I don't know anyway crazy

214

00:12:06,260 --> 00:12:05,760

Karla agrees by the way mm-hmm oh you

215

00:12:08,840 --> 00:12:06,270

know what

216

00:12:11,740 --> 00:12:08,850

Karla has a good question for us which

217

00:12:15,200 --> 00:12:11,750

is what happened to AJ an alien on board

218

00:12:16,820 --> 00:12:15,210

we yeah we wondered that today we

219

00:12:19,910 --> 00:12:16,830

haven't heard from AJ in a while and

220

00:12:21,890 --> 00:12:19,920

alien on board I'm not sure I don't it

221

00:12:23,300 --> 00:12:21,900

looks as though any number took maybe a

222

00:12:26,150 --> 00:12:23,310

little social media break that happens

223

00:12:28,970 --> 00:12:26,160

it happens we sometimes take a little

224

00:12:32,900 --> 00:12:28,980

social media break as well yep back to

225

00:12:35,030 --> 00:12:32,910

school yes how many of you are dancing

226

00:12:36,710 --> 00:12:35,040

right now it's back to school time Joe

227

00:12:41,990 --> 00:12:36,720

are you ready yeah

228

00:12:49,790 --> 00:12:42,000

are you ready for them to cool yeah what

229

00:12:52,760 --> 00:12:49,800

are you gonna do with your extra time I

230

00:12:55,690 --> 00:12:52,770

don't know son Christ home there's not

231

00:12:58,220 --> 00:12:55,700

really it doesn't matter to me you

232

00:13:01,490 --> 00:12:58,230

should start a time with same Sabinas

233

00:13:04,079 --> 00:13:01,500

that's what you should do you should do

234

00:13:08,970 --> 00:13:04,089

lots of subpoenas

235

00:13:13,470 --> 00:13:08,980

mm-hmm I want to kind of like go onto

236

00:13:15,480 --> 00:13:13,480

another short kind of news clip it's

237

00:13:19,549 --> 00:13:15,490

just a couple minutes long do it it's

238

00:13:22,379 --> 00:13:19,559

talking more about UFOs and nukes so

239

00:13:24,179 --> 00:13:22,389

this is just actually a random news clip

240

00:13:25,559 --> 00:13:24,189

it's kind of irrelevant like where it

241

00:13:29,309 --> 00:13:25,569

came from because it's a little bit

242

00:13:31,079 --> 00:13:29,319

older but I think the content is you

243

00:13:33,600 --> 00:13:31,089

know is important so guys go ahead take

244

00:13:35,610 --> 00:13:33,610

a listen to this one now they are said

245

00:13:37,379 --> 00:13:35,620

to be able to cross galaxies but people

246

00:13:39,749 --> 00:13:37,389

who believe they're out there want to

247

00:13:41,879 --> 00:13:39,759

know why aliens want to visit earth a

248

00:13:44,280 --> 00:13:41,889

group of former US servicemen is

249

00:13:49,340 --> 00:13:44,290

convinced can I just come on that was so

250

00:13:53,699 --> 00:13:51,329

extraterrestrials are interfering with

251  
00:13:59,759 --> 00:13:53,709  
nuclear weapons as Artie Cedric moon

252  
00:14:02,819 --> 00:13:59,769  
explains perhaps a few things say normal

253  
00:14:05,790 --> 00:14:02,829  
or routine more than a daily dose that's

254  
00:14:11,069 --> 00:14:05,800  
a competition a cup of calm in what can

255  
00:14:13,699 --> 00:14:11,079  
on any day be out of the ordinary out of

256  
00:14:16,290 --> 00:14:13,709  
the ordinary like a nuclear holocaust

257  
00:14:19,259 --> 00:14:16,300  
out of the ordinary why do they talk

258  
00:14:22,319 --> 00:14:19,269  
like that they attack from where doesn't

259  
00:14:24,989 --> 00:14:22,329  
matter it could why is it that they talk

260  
00:14:26,489 --> 00:14:24,999  
like that it's like a weird robot news

261  
00:14:30,239 --> 00:14:26,499  
thing don't you think it's like that

262  
00:14:34,790 --> 00:14:30,249  
I am on the news and I will be talking

263  
00:14:38,999 --> 00:14:34,800

in my news voice coming up at 9:00 why

264

00:14:42,030 --> 00:14:39,009

are you here I'm here what's going on

265

00:14:44,939 --> 00:14:42,040

you know you're just like your paint you

266

00:14:48,090 --> 00:14:44,949

looking at the cat we're doing this show

267

00:14:52,679 --> 00:14:48,100

we're showing anyway keep listening

268

00:14:53,369 --> 00:14:52,689

Benoist Korea Iran Pakistan if that were

269

00:14:59,970 --> 00:14:53,379

to happen

270

00:15:06,160 --> 00:15:02,949

that's like waters made by the men in

271

00:15:07,949 --> 00:15:06,170

this room our missiles began going into

272

00:15:10,600 --> 00:15:07,959

what's called a no-go condition or

273

00:15:13,960 --> 00:15:10,610

unlaunchable essentially they were

274

00:15:16,239 --> 00:15:13,970

disable detailed in this report full of

275

00:15:18,519 --> 00:15:16,249

court sanctions sworn affidavits the

276

00:15:22,509 --> 00:15:18,529

witnesses have described these craft as

277

00:15:25,150 --> 00:15:22,519

disc shaped or cylindrical shape or

278

00:15:26,919 --> 00:15:25,160

spherical if you think what's being said

279

00:15:30,280 --> 00:15:26,929

inside this building is completely

280

00:15:32,590 --> 00:15:30,290

ridiculous I think we should just talk

281

00:15:35,350 --> 00:15:32,600

to each other like that all the time hey

282

00:15:38,939 --> 00:15:35,360

Joe would you like to go to Starbucks

283

00:15:42,340 --> 00:15:38,949

and get a macchiato at 10:00

284

00:15:45,030 --> 00:15:42,350

how about 8:30 a.m. today you can go

285

00:15:49,689 --> 00:15:47,350

it's just I mean when you're not

286

00:15:54,309 --> 00:15:49,699

watching it and you're just listening it

287

00:15:56,699 --> 00:15:54,319

is really weird listen keeping my name

288

00:15:59,710 --> 00:15:56,709

is Robert Hastings thank you for coming

289

00:16:01,689 --> 00:15:59,720

these are men who might know what may

290

00:16:03,970 --> 00:16:01,699

have gone on their former Air Force

291

00:16:07,210 --> 00:16:03,980

missile launch officers missile base

292

00:16:11,019 --> 00:16:07,220

officers who say UFO spaceships flying

293

00:16:14,949 --> 00:16:11,029

saucers make nuclear weapon systems go

294

00:16:17,650 --> 00:16:14,959

haywire in 1966 according to a launch

295

00:16:20,109 --> 00:16:17,660

officer David Shore his missiles were

296

00:16:22,629 --> 00:16:20,119

temporarily activated just as his

297

00:16:24,759 --> 00:16:22,639

security guard was reporting a bright

298

00:16:28,239 --> 00:16:24,769

object moving from missile to missile to

299

00:16:32,590 --> 00:16:28,249

missile this is very boring it's not

300

00:16:37,389 --> 00:16:32,600

just in the United States also today in

301  
00:16:39,999 --> 00:16:37,399  
Russia a to incident that happened in

302  
00:16:42,100 --> 00:16:40,009  
then Soviet Ukraine given the fact that

303  
00:16:44,409 --> 00:16:42,110  
these incidents have gone on over there

304  
00:16:46,629 --> 00:16:44,419  
including one incident of their missiles

305  
00:16:48,389 --> 00:16:46,639  
being temporarily activated when a UFO

306  
00:16:51,280 --> 00:16:48,399  
was hovering above the missile base

307  
00:16:53,590 --> 00:16:51,290  
identical to what occurred here I think

308  
00:16:56,019 --> 00:16:53,600  
we can rule out that whoever are

309  
00:16:58,220 --> 00:16:56,029  
piloting these craft are either American

310  
00:17:01,760 --> 00:16:58,230  
or Russian

311  
00:17:04,950 --> 00:17:01,770  
maybe they're right maybe they're wrong

312  
00:17:07,080 --> 00:17:04,960  
maybe there's no way to ever know but if

313  
00:17:10,940 --> 00:17:07,090

the day are right and an

314

00:17:14,640 --> 00:17:10,950

out-of-the-ordinary day is about unfold

315

00:17:17,970 --> 00:17:14,650

the saucer said urk moon our teams with

316

00:17:19,620 --> 00:17:17,980

the CDC it's a [h\_\_\h] it sounds like [h\_\_\h]

317

00:17:26,850 --> 00:17:19,630

that's what it doesn't sound like copy

318

00:17:30,480 --> 00:17:26,860

me look you literally don't even give me

319

00:17:37,110 --> 00:17:30,490

a minute to discuss anything and then

320

00:17:39,600 --> 00:17:37,120

you start going dude it's true by the

321

00:17:43,020 --> 00:17:39,610

way Carla says no but I sound like check

322

00:17:45,200 --> 00:17:43,030

mark and I know it I've heard that

323

00:17:52,080 --> 00:17:49,020

I've heard that before yes then why

324

00:17:54,360 --> 00:17:52,090

don't you work on that because I don't

325

00:17:56,190 --> 00:17:54,370

even try it just I'm not trying to be

326

00:18:09,390 --> 00:17:56,200

jackpot I just I don't know why that

327

00:18:14,120 --> 00:18:09,400

comes across that way Thank You Carla

328

00:18:20,790 --> 00:18:14,130

I'm certainly I think looking jet black

329

00:18:22,770 --> 00:18:20,800

that's my opinion so what do you think

330

00:18:28,230 --> 00:18:22,780

about that are they theirs that they

331

00:18:34,020 --> 00:18:28,240

ours are they Russian are they are we

332

00:18:37,040 --> 00:18:34,030

being watched by aliens or by crap now

333

00:18:40,170 --> 00:18:37,050

let's see the nation or another planet

334

00:18:41,370 --> 00:18:40,180

now let's see if there's gonna be on the

335

00:18:43,050 --> 00:18:41,380

news anywhere up there could be a lot of

336

00:18:44,400 --> 00:18:43,060

your photo activity now it's display to

337

00:18:46,140 --> 00:18:44,410

see if there's a lot of UFO activity

338

00:18:48,150 --> 00:18:46,150

then we will know there's nothing's

339

00:18:50,970 --> 00:18:48,160

gonna happen let's just hope that UFO

340

00:18:56,940 --> 00:18:50,980

activity isn't missile well a quick

341

00:18:58,540 --> 00:18:56,950

review of both that was a UFO electric a

342

00:19:03,790 --> 00:18:58,550

second her vagina

343

00:19:06,970 --> 00:19:03,800

yeah she spreads it I know anyway Paul

344

00:19:09,880 --> 00:19:06,980

Curtis has is here and we need a round

345

00:19:13,240 --> 00:19:09,890

of applause because um he's back and he

346

00:19:14,890 --> 00:19:13,250

still listens to us oh thank you for

347

00:19:18,130 --> 00:19:14,900

that and for people to do you know the

348

00:19:21,450 --> 00:19:18,140

I am classroom we love all of our three

349

00:19:23,140 --> 00:19:21,460

you sound drunk you say like Sarah Palin

350

00:19:26,560 --> 00:19:23,150

I'm not drunk

351  
00:19:30,940 --> 00:19:26,570  
we love our country because the country

352  
00:19:32,590 --> 00:19:30,950  
is ours sorry I've just been stuck on

353  
00:19:33,760 --> 00:19:32,600  
the news because I'm waiting to hear

354  
00:19:35,830 --> 00:19:33,770  
what you know what's the hell's

355  
00:19:37,570 --> 00:19:35,840  
happening and by the way I haven't

356  
00:19:40,120 --> 00:19:37,580  
checked the news in quite a while right

357  
00:19:41,770 --> 00:19:40,130  
so Fri know we could be engaged in a war

358  
00:19:45,070 --> 00:19:41,780  
right now and we're podcasting right at

359  
00:19:47,860 --> 00:19:45,080  
the middle of it we have no idea if we

360  
00:19:53,650 --> 00:19:47,870  
want to check the news the backs of who

361  
00:19:54,970 --> 00:19:53,660  
- well let's take a quick minute cuz you

362  
00:19:57,220 --> 00:19:54,980  
don't work right in the middle of the

363  
00:20:01,750 --> 00:19:57,230

show anyway and I really wanted to do

364

00:20:04,240 --> 00:20:01,760

okay you know I wanted you you know

365

00:20:07,320 --> 00:20:04,250

shout out okay well you could have shut

366

00:20:10,510 --> 00:20:07,330

up because there you're my fella with me

367

00:20:12,610 --> 00:20:10,520

you did mark underscore Garvin on

368

00:20:14,700 --> 00:20:12,620

Instagram thank you and I'm seeing him

369

00:20:16,330 --> 00:20:14,710

liking stuff yes thank you from trumpet

370

00:20:22,570 --> 00:20:16,340

James North I'm ER

371

00:20:24,400 --> 00:20:22,580

by the way excellent gone and he also

372

00:20:27,060 --> 00:20:24,410

you know engages with us on Twitter so

373

00:20:30,550 --> 00:20:27,070

we thank you for that the what cast

374

00:20:31,840 --> 00:20:30,560

didn't do thank you and by the way this

375

00:20:34,060 --> 00:20:31,850

is all on Instagram if you're not

376

00:20:35,950 --> 00:20:34,070

following us you should because we do

377

00:20:38,290 --> 00:20:35,960

share funny memes and clips and things

378

00:20:40,300 --> 00:20:38,300

and that's of course at UFO Bros TV so

379

00:20:41,860 --> 00:20:40,310

that's fun oh you know what's really

380

00:20:44,940 --> 00:20:41,870

happening our Pinterest is taking off

381

00:20:46,720 --> 00:20:44,950

you know how many followers we have 13

382

00:20:48,970 --> 00:20:46,730

whoa

383

00:20:49,880 --> 00:20:48,980

13 why do we have a Pinterest I don't

384

00:20:55,850 --> 00:20:49,890

know

385

00:20:58,520 --> 00:20:55,860

oh yeah the Pinterest I don't really

386

00:21:00,560 --> 00:20:58,530

understand how that I'm not you know I

387

00:21:02,630 --> 00:21:00,570

don't I mean I just guess you're

388

00:21:04,610 --> 00:21:02,640

supposed to have one like a tumblr I

389

00:21:06,860 --> 00:21:04,620

asked my niece well what the hell's the

390

00:21:12,700 --> 00:21:06,870

deal with the tumblr and she's like you

391

00:21:16,840 --> 00:21:12,710

just wait blog stuff I'm like you just

392

00:21:23,720 --> 00:21:16,850

some notes in reblogs are counted as

393

00:21:27,200 --> 00:21:23,730

notes or something I don't anyway uh I

394

00:21:28,850 --> 00:21:27,210

need a Sophia I like that Annina Sofia I

395

00:21:31,900 --> 00:21:28,860

mean that sounds like I know that Rose

396

00:21:36,620 --> 00:21:31,910

were at the town thank you for that um

397

00:21:38,630 --> 00:21:36,630

wot our radio west of the Rockies ooh

398

00:21:41,110 --> 00:21:38,640

blonde with a bong she's been with us

399

00:21:49,570 --> 00:21:41,120

for a while now yeah thank you

400

00:21:51,590 --> 00:21:49,580

dad were just 182 yes we love her show

401  
00:21:54,470 --> 00:21:51,600  
by the way hello to all of our friends

402  
00:22:02,659 --> 00:21:54,480  
out there like Jeremy Korbelt oh all of

403  
00:22:04,549 --> 00:22:02,669  
them George um yes we are too-hoo lan

404  
00:22:08,600 --> 00:22:04,559  
lan aunty

405  
00:22:10,460 --> 00:22:08,610  
yes yes and you know we really never

406  
00:22:15,770 --> 00:22:10,470  
made friends with James Gilliland

407  
00:22:18,890 --> 00:22:15,780  
but but thank you thank you all for you

408  
00:22:21,650 --> 00:22:18,900  
know your support hey Kevin Francis has

409  
00:22:26,270 --> 00:22:21,660  
a question about nukes on Twitter here

410  
00:22:29,570 --> 00:22:26,280  
so let's see what he has to say I like

411  
00:22:31,130 --> 00:22:29,580  
to get your opinion so we you know

412  
00:22:34,940 --> 00:22:31,140  
posted that our show tonight would be

413  
00:22:37,250 --> 00:22:34,950

about UFOs and nukes his question is by

414

00:22:41,750 --> 00:22:37,260

the way this is Kevin Francis at keV

415

00:22:45,110 --> 00:22:41,760

underscore fre o UF o if you care

416

00:22:47,919 --> 00:22:45,120

hey guys kit from Australia I don't know

417

00:22:52,220 --> 00:22:47,929

where that is is in Australia Austria

418

00:22:54,770 --> 00:22:52,230

okay what the heck is going to happen

419

00:22:56,690 --> 00:22:54,780

with the nukes will the et shut it down

420

00:22:59,900 --> 00:22:56,700

it seems that seems to be the

421

00:23:05,480 --> 00:22:59,910

reoccurring theme here that but then

422

00:23:10,520 --> 00:23:05,490

again I don't wish to come you know I

423

00:23:13,400 --> 00:23:10,530

wonder the tests that North Korea has

424

00:23:15,650 --> 00:23:13,410

done do you think that doesn't move it

425

00:23:18,860 --> 00:23:15,660

may be those some of them were taken out

426

00:23:21,800 --> 00:23:18,870

or remember when they had failed tests

427

00:23:24,890 --> 00:23:21,810

in the very beginning and I was

428

00:23:26,690 --> 00:23:24,900

wondering maybe somebody's involved or

429

00:23:32,360 --> 00:23:26,700

something is trying to prevent them

430

00:23:35,630 --> 00:23:32,370

obviously shows me right now my cat's

431

00:23:37,340 --> 00:23:35,640

drinking my water yeah I am here I'm

432

00:23:39,290 --> 00:23:37,350

here you stupid and you know she always

433

00:23:41,840 --> 00:23:39,300

likes to drink my water when she when

434

00:23:44,720 --> 00:23:41,850

she gets done taking a [h\_\_h] what's the

435

00:23:46,550 --> 00:23:44,730

deal with that you know my cat she goes

436

00:23:48,170 --> 00:23:46,560

in the dumper and she takes a [h\_\_h] and

437

00:23:49,760 --> 00:23:48,180

she tries to drink my water and see

438

00:23:52,730 --> 00:23:49,770

there she goes and then she does she

439

00:23:54,320 --> 00:23:52,740

smells like Febreze she smells like

440

00:23:57,790 --> 00:23:54,330

shitty Febreze and then she puts her

441

00:24:03,520 --> 00:23:57,800

face in my water it's a problem anyway

442

00:24:05,870 --> 00:24:03,530

you know back in the chat room here

443

00:24:07,670 --> 00:24:05,880

Debbie chopped he says gee if only

444

00:24:09,800 --> 00:24:07,680

opposed this is Paul Curtis by the way

445

00:24:10,940 --> 00:24:09,810

interfered with North Col Smith or Tex

446

00:24:12,800 --> 00:24:10,950

we wouldn't have to worry about a

447

00:24:14,660 --> 00:24:12,810

nuclear exchange with him yes did I

448

00:24:17,390 --> 00:24:14,670

guess did we did we talk about that I

449

00:24:19,190 --> 00:24:17,400

think I was going that way oh you know

450

00:24:21,230 --> 00:24:19,200

what that says it says that he's paying

451  
00:24:23,810 --> 00:24:21,240  
attention he's actually listening to

452  
00:24:29,690 --> 00:24:23,820  
what we're saying thank you thank you

453  
00:24:40,580 --> 00:24:29,700  
Paul Curtis Paul Curtis you should put

454  
00:24:46,840 --> 00:24:40,590  
that into it Paul Kerr we're working on

455  
00:24:50,390 --> 00:24:46,850  
some unison hey did you get any of those

456  
00:24:53,870 --> 00:24:50,400  
clips up on the youtubes or the Lipton

457  
00:24:55,110 --> 00:24:53,880  
cotton I see you for 45 minutes a week

458  
00:24:57,430 --> 00:24:55,120  
right now and

459  
00:25:00,100 --> 00:24:57,440  
but when I do see you were just like

460  
00:25:02,049 --> 00:25:00,110  
chillin like we're not like you know

461  
00:25:06,270 --> 00:25:02,059  
yeah that's the thing if we seem like

462  
00:25:09,720 --> 00:25:06,280  
we've been absent we have we're not in

463  
00:25:12,789 --> 00:25:09,730

together all the time now

464

00:25:17,580 --> 00:25:12,799

so and plus I have my kids so it's like

465

00:25:19,419 --> 00:25:17,590

I have less time with broski that's okay

466

00:25:28,710 --> 00:25:19,429

because I'm gonna burn your house down

467

00:25:31,419 --> 00:25:28,720

and then okay so we're working on stuff

468

00:25:33,430 --> 00:25:31,429

yeah and we're still planning our

469

00:25:35,250 --> 00:25:33,440

ultimate trip and you know somebody had

470

00:25:38,500 --> 00:25:35,260

brought up to us the other day about

471

00:25:40,240 --> 00:25:38,510

doing a Kickstarter yes it's the same

472

00:25:42,190 --> 00:25:40,250

thing as GoFundMe how do you feel about

473

00:25:43,419 --> 00:25:42,200

oh yeah I mean GoFundMe not a

474

00:25:45,039 --> 00:25:43,429

Kickstarter but how do you feel about

475

00:25:47,080 --> 00:25:45,049

doing a GoFundMe I've never really

476

00:25:50,650 --> 00:25:47,090

considered that I mean we have our

477

00:25:52,480 --> 00:25:50,660

patreon yeah but I mean you know HP on

478

00:25:54,370 --> 00:25:52,490

you can you have to be a patreon member

479

00:25:55,600 --> 00:25:54,380

if you're go to Kickstarter like

480

00:25:56,980 --> 00:25:55,610

everybody's in Kickstarter and

481

00:26:20,650 --> 00:25:56,990

everybody's and GoFundMe and it goes

482

00:26:25,240 --> 00:26:20,660

everywhere okay and we just know we're

483

00:26:27,159 --> 00:26:25,250

not like we just got just TV idea from

484

00:26:28,510 --> 00:26:27,169

someone you're thinking so we're you

485

00:26:29,560 --> 00:26:28,520

know we're just toying around with it if

486

00:26:31,870 --> 00:26:29,570

you think it's a good idea let us know

487

00:26:33,580 --> 00:26:31,880

by the way if they want to know what

488

00:26:37,590 --> 00:26:33,590

it's for cuz we even even said that yet

489

00:26:45,789 --> 00:26:37,600

which is our cross countries is for fuel

490

00:26:51,520 --> 00:26:45,799

gas petrol fuel and also more

491

00:26:54,789 --> 00:26:51,530

importantly gas okay gas and food and

492

00:26:58,690 --> 00:26:54,799

lodging and you'll tires and did you

493

00:27:05,190 --> 00:26:58,700

want fuel we would also need combustible

494

00:27:07,350 --> 00:27:05,200

liquid so Hugh but but we need

495

00:27:09,570 --> 00:27:07,360

you know everything else that adds up

496

00:27:13,890 --> 00:27:09,580

it's kind of pricey you have to save for

497

00:27:16,230 --> 00:27:13,900

these things you yes we do we suck at

498

00:27:20,270 --> 00:27:16,240

saving bro we suck

499

00:27:27,420 --> 00:27:20,280

I have 15,000 kids in a house I know

500

00:27:29,910 --> 00:27:27,430

what are you doing living living the

501

00:27:40,760 --> 00:27:29,920

dream living everyday life

502

00:27:44,970 --> 00:27:42,990

anything I don't know why people isn't

503

00:27:47,160 --> 00:27:44,980

know something sounds weird I don't know

504

00:27:48,600 --> 00:27:47,170

but hey you know at least we're a little

505

00:27:50,970 --> 00:27:48,610

bit more consistent in the last couple

506

00:27:54,480 --> 00:27:50,980

shows where there was something crazy to

507

00:27:59,040 --> 00:27:54,490

happen right yeah yeah someone had some

508

00:28:05,250 --> 00:27:59,050

gallstone kids are wanting to kill each

509

00:28:06,510 --> 00:28:05,260

other and okay so it's mostly just BS it

510

00:28:08,340 --> 00:28:06,520

wasn't even anything really interesting

511

00:28:13,230 --> 00:28:08,350

you got to have a couple of those in

512

00:28:16,200 --> 00:28:13,240

your dick in your day hey we're in the

513

00:28:19,800 --> 00:28:16,210

chat room right now and Paul Curtis has

514

00:28:23,100 --> 00:28:19,810

an idea you and hear this he says if you

515

00:28:27,380 --> 00:28:23,110

could do a cross-country trip and bring

516

00:28:30,000 --> 00:28:27,390

a celebrity guest dr. Greer dr. grey

517

00:28:32,550 --> 00:28:30,010

then you could probably get a decent

518

00:28:35,340 --> 00:28:32,560

response to a Kickstarter that's not a

519

00:28:40,230 --> 00:28:35,350

bad idea what if it was like I'm down

520

00:28:42,810 --> 00:28:40,240

you know rocking but hey what if we even

521

00:28:44,940 --> 00:28:42,820

did meetups like you know stopped and

522

00:28:47,250 --> 00:28:44,950

what if even nobody showed up who cares

523

00:28:49,440 --> 00:28:47,260

at least we planned it right we're

524

00:28:55,800 --> 00:28:49,450

heading because watch this city I mean

525

00:28:57,750 --> 00:28:55,810

it for our 60 Spreaker we could just

526

00:29:00,960 --> 00:28:57,760

call them stops tens and tens and

527

00:29:06,180 --> 00:29:00,970

seconds people will flock siren we're in

528

00:29:08,670 --> 00:29:06,190

Maine on stop number 250 you know or or

529

00:29:10,740 --> 00:29:08,680

for at least 20 he'll be about 20 maybe

530

00:29:11,790 --> 00:29:10,750

the sadness of nobody's showing up will

531

00:29:13,780 --> 00:29:11,800

make the news which will make people

532

00:29:17,410 --> 00:29:13,790

show up

533

00:29:19,600 --> 00:29:17,420

I don't know that wasn't a sound board

534

00:29:21,400 --> 00:29:19,610

ladies and gentlemen I like Paul Chris's

535

00:29:22,960 --> 00:29:21,410

idea do you think we'd go on a

536

00:29:27,730 --> 00:29:22,970

cross-country trip with us that's such a

537

00:29:31,780 --> 00:29:27,740

large Oviedo war you know Jeremy Jeremy

538

00:29:33,640 --> 00:29:31,790

Korbel he's so busy I know he's so busy

539

00:29:36,010 --> 00:29:33,650

and so awesome when I grow up I want to

540

00:29:38,770 --> 00:29:36,020

be sure Michael Dalton he just got like

541

00:29:43,410 --> 00:29:38,780

this badass like car and he's always oh

542

00:29:47,500 --> 00:29:43,420

wow we're still alive everything's going

543

00:29:55,260 --> 00:29:47,510

like ANP surge Carla wants us to come

544

00:30:03,070 --> 00:29:59,710

yeah will they accept us for the size

545

00:30:13,960 --> 00:30:03,080

Fergus I mean aren't they Jim I don't

546

00:30:14,980 --> 00:30:13,970

know that's being judgmental Arkansas

547

00:30:17,890 --> 00:30:14,990

forget it

548

00:30:21,940 --> 00:30:17,900

don't they have alligators there aren't

549

00:30:24,520 --> 00:30:21,950

any alligators for as much research as

550

00:30:26,290 --> 00:30:24,530

you do we'll see what happens is I do a

551  
00:30:27,850 --> 00:30:26,300  
[h\_\_h] ton of research and then right when

552  
00:30:31,210 --> 00:30:27,860  
we have to do this everything lose my

553  
00:30:33,580 --> 00:30:31,220  
brain oh because I can't help but to

554  
00:30:37,300 --> 00:30:33,590  
comment on the awkwardness of things

555  
00:30:38,830 --> 00:30:37,310  
around me it's just part of what I do or

556  
00:30:41,080 --> 00:30:38,840  
in general or life or whatever you're

557  
00:30:44,620 --> 00:30:41,090  
focused in on Haley's I got someone

558  
00:30:46,120 --> 00:30:44,630  
focused on I'm I'm very focused oh I

559  
00:30:47,590 --> 00:30:46,130  
didn't mean that in terms of you I just

560  
00:30:52,390 --> 00:30:47,600  
met in general oh yeah

561  
00:30:57,460 --> 00:30:52,400  
so don't think huh okay what about only

562  
00:30:58,660 --> 00:30:57,470  
George yet an RV way what do you think

563  
00:31:01,930 --> 00:30:58,670

he'd be like to be in an RV

564

00:31:04,630 --> 00:31:01,940

cross-country with dr. career he there

565

00:31:06,730 --> 00:31:04,640

would be so much farting I don't think I

566

00:31:08,500 --> 00:31:06,740

could just demerit be just one security

567

00:31:11,170 --> 00:31:08,510

guard at his door just standing there

568

00:31:12,880 --> 00:31:11,180

making sure nobody comes in I know but

569

00:31:15,820 --> 00:31:12,890

we fart a lot and I'm concerned about

570

00:31:19,450 --> 00:31:15,830

his health going across country with us

571

00:31:22,240 --> 00:31:19,460

we do go to McDonald's a lot I mean it

572

00:31:25,450 --> 00:31:22,250

could be damaging you know is the funny

573

00:31:28,190 --> 00:31:25,460

part is it will never happen

574

00:31:33,979 --> 00:31:28,200

your face this I'm gonna give you

575

00:31:38,450 --> 00:31:33,989

because that was a legitimate what about

576

00:31:42,710 --> 00:31:38,460

Linda Moulton Howe she does anything we

577

00:31:44,629 --> 00:31:42,720

could have her on yeah I can watch her

578

00:31:47,090 --> 00:31:44,639

faith routine you know who probably

579

00:31:50,509 --> 00:31:47,100

wouldn't Richard Dolan no he's a little

580

00:31:52,940 --> 00:31:50,519

too busy hmm

581

00:31:54,680 --> 00:31:52,950

what do you guys think I mean let's be

582

00:31:56,269 --> 00:31:54,690

realistic thank you Paul Curtis but dr.

583

00:32:00,080 --> 00:31:56,279

Greer barely won't take your picture

584

00:32:02,840 --> 00:32:00,090

yeah nobody's got a picture we demanded

585

00:32:05,570 --> 00:32:02,850

a picture we didn't just get one we

586

00:32:14,450 --> 00:32:05,580

pushed like eight of his 90s security

587

00:32:18,320 --> 00:32:14,460

guards away we're like picture a little

588

00:32:20,899 --> 00:32:18,330

shrine for director Greer weird yes we

589

00:32:23,419 --> 00:32:20,909

do right there you see his picture

590

00:32:24,859 --> 00:32:23,429

there's two candles and I don't know why

591

00:32:29,119 --> 00:32:24,869

but there's a tangerine right there as

592

00:32:31,970 --> 00:32:29,129

well why what is it I don't know and

593

00:32:35,210 --> 00:32:31,980

there's some tea so you know I just do

594

00:32:39,080 --> 00:32:35,220

my little thing no that's not cyanide

595

00:32:48,220 --> 00:32:39,090

that's some yeah that's the Greer shrine

596

00:32:57,529 --> 00:32:51,379

well somebody's got to do something

597

00:33:01,210 --> 00:32:57,539

because I just think that it that we do

598

00:33:04,369 --> 00:33:01,220

need a like a cross-country like full-on

599

00:33:08,210 --> 00:33:04,379

what if we biked no way that's adorable

600

00:33:10,399 --> 00:33:08,220

oh man you know what I don't understand

601  
00:33:12,320 --> 00:33:10,409  
is how people can have that seat jammed

602  
00:33:14,180 --> 00:33:12,330  
up in their ass for that long it's where

603  
00:33:16,820 --> 00:33:14,190  
it's like you know that space right in

604  
00:33:18,499 --> 00:33:16,830  
your junk in your butthole and you just

605  
00:33:21,080 --> 00:33:18,509  
put all your weight right there and

606  
00:33:26,260 --> 00:33:21,090  
you're basically sitting on a pole

607  
00:33:30,960 --> 00:33:29,410  
I'm just saying I don't know how people

608  
00:33:33,070 --> 00:33:30,970  
do it

609  
00:33:37,120 --> 00:33:33,080  
maybe if we lost we probably wouldn't

610  
00:33:39,640 --> 00:33:37,130  
have to put you know that much but yeah

611  
00:33:41,850 --> 00:33:39,650  
or you know what we could do is suck

612  
00:33:53,790 --> 00:33:41,860  
their souls are you thinking

613  
00:33:59,020 --> 00:33:57,280

by the money Oh our patreon people a few

614

00:34:01,060 --> 00:33:59,030

things we promise we're gonna do it last

615

00:34:04,780 --> 00:34:01,070

time than we didn't so we have to do a

616

00:34:06,700 --> 00:34:04,790

couple videos short ones so make sure

617

00:34:09,160 --> 00:34:06,710

your makeups done okay

618

00:34:13,000 --> 00:34:09,170

tonight yeah we're just gonna do a short

619

00:34:14,140 --> 00:34:13,010

little thing Oh gage okay you wanna do

620

00:34:16,330 --> 00:34:14,150

something I want to tell you that happen

621

00:34:18,070 --> 00:34:16,340

I don't mind I love my family with a fan

622

00:34:22,930 --> 00:34:18,080

said joke so I texted one of our

623

00:34:25,090 --> 00:34:22,940

cousin's the other day and I don't

624

00:34:29,140 --> 00:34:25,100

remember what I texted her a funny meme

625

00:34:31,120 --> 00:34:29,150

and she replied oh goodness gracious

626

00:34:33,280 --> 00:34:31,130

that's so funny

627

00:34:39,070 --> 00:34:33,290

and I I texted her back because this is

628

00:34:42,550 --> 00:34:39,080

totally not her my goodness and she says

629

00:34:46,420 --> 00:34:42,560

well there's children around over text

630

00:34:47,800 --> 00:34:46,430

does that make any sense like all the

631

00:34:53,560 --> 00:34:47,810

children are gonna read your check

632

00:34:55,990 --> 00:34:53,570

you could say [h\_\_h] like make it but no

633

00:34:57,190 --> 00:34:56,000

maybe um it's funny though someone was

634

00:34:58,360 --> 00:34:57,200

probably holding her phone playing with

635

00:34:58,870 --> 00:34:58,370

it and didn't wanted to drop down or

636

00:35:01,090 --> 00:34:58,880

something

637

00:35:06,430 --> 00:35:01,100

Oh likes it easier for her shoulders or

638

00:35:08,530 --> 00:35:06,440

something do you see what I okay can we

639

00:35:12,090 --> 00:35:08,540

get on okay but we're talking about

640

00:35:12,100 --> 00:35:18,050

well I am

641

00:35:22,820 --> 00:35:20,130

you know when are we gonna do that let's

642

00:35:29,040 --> 00:35:22,830

do a short video after this okay on

643

00:35:31,350 --> 00:35:29,050

Instagram show and yeah sound good

644

00:35:34,590 --> 00:35:31,360

we're also gonna do a Google hangout at

645

00:35:36,540 --> 00:35:34,600

some point but we've got to plan that

646

00:35:38,820 --> 00:35:36,550

when would be to do that we could do it

647

00:35:39,990 --> 00:35:38,830

from different locations though yes you

648

00:35:51,960 --> 00:35:40,000

have stop blowing into the microphone

649

00:35:52,880 --> 00:35:51,970

I'm not doing on the microphone oh yeah

650

00:35:55,500 --> 00:35:52,890

right there

651  
00:35:58,020 --> 00:35:55,510  
that's the video sorry you know this is

652  
00:35:59,190 --> 00:35:58,030  
yeah we're just kind of looking at some

653  
00:36:01,350 --> 00:35:59,200  
things here and scrolling through

654  
00:36:04,050 --> 00:36:01,360  
Chinese if there's any news

655  
00:36:05,430 --> 00:36:04,060  
nothing new to report well yeah I also

656  
00:36:08,040 --> 00:36:05,440  
want to know what the hell's happening

657  
00:36:10,650 --> 00:36:08,050  
with North so I'm saying this part

658  
00:36:12,570 --> 00:36:10,660  
nothing to report and by the way we have

659  
00:36:18,180 --> 00:36:12,580  
a poll on Twitter which is the most fake

660  
00:36:25,590 --> 00:36:18,190  
news we said is it CNN Fox MSNBC or

661  
00:36:27,300 --> 00:36:25,600  
secure teen ten and you know secure team

662  
00:36:31,020 --> 00:36:27,310  
ten it does have somewhat of a lead the

663  
00:36:35,130 --> 00:36:31,030

balls funny they have no one leading the

664

00:36:38,370 --> 00:36:35,140

polls yeah do mean we can check on that

665

00:36:50,100 --> 00:36:38,380

poll and I'm tripping over my words to

666

00:36:52,230 --> 00:36:50,110

me it happens say it we're at 20 votes

667

00:36:55,620 --> 00:36:52,240

by the way on this poll on Twitter by

668

00:37:00,360 --> 00:36:55,630

the way we're at at uf0 Bros TV on

669

00:37:04,170 --> 00:37:00,370

Twitter zero and so far it's a

670

00:37:08,010 --> 00:37:04,180

competition between CNN and Fox by CNN

671

00:37:09,510 --> 00:37:08,020

and then CNN and Fox and secure team ten

672

00:37:12,420 --> 00:37:09,520

knows coming in third place so that's

673

00:37:16,260 --> 00:37:12,430

actually kind of funny MSNBC's winning

674

00:37:18,540 --> 00:37:16,270

is the least Vegas news I guess there is

675

00:37:20,900 --> 00:37:18,550

I don't know I have a hard time with

676

00:37:24,740 --> 00:37:20,910

Rachel Maddow I was long

677

00:37:29,120 --> 00:37:24,750

Nik longneck should never put what is

678

00:37:31,670 --> 00:37:29,130

that from blend for time well so far no

679

00:37:34,460 --> 00:37:31,680

nukes have been deployed however of

680

00:37:36,820 --> 00:37:34,470

course North Korea's never that would

681

00:37:40,180 --> 00:37:36,830

North Korea twining a pre pre pre

682

00:37:43,310 --> 00:37:40,190

preemptive strike in Guam which is a

683

00:37:44,870 --> 00:37:43,320

u.s. own territory or under whatever the

684

00:38:02,510 --> 00:37:44,880

hell it is Peninsula or something I

685

00:38:15,110 --> 00:38:02,520

don't know what suck about let's talk

686

00:38:17,150 --> 00:38:15,120

about thanks baby that's right Wow

687

00:38:18,980 --> 00:38:17,160

no we do I'm actually just trying to

688

00:38:21,920 --> 00:38:18,990

pull up this you're not pulling up Shane

689

00:38:29,780 --> 00:38:21,930

oh yeah I'm just pretending you're not

690

00:38:32,060 --> 00:38:29,790

let that's smooth now today you know

691

00:38:33,110 --> 00:38:32,070

that we've up surpassed 250 likes on

692

00:38:39,650 --> 00:38:33,120

Facebook I didn't want to talk about

693

00:38:44,210 --> 00:38:39,660

that though because that's great we are

694

00:38:46,580 --> 00:38:44,220

at a little over 1,900 followers on

695

00:38:48,380 --> 00:38:46,590

Instagram thanks everybody

696

00:38:52,940 --> 00:38:48,390

we're so close to breaking the 2000 mark

697

00:38:54,710 --> 00:38:52,950

I think was there quickly hopefully long

698

00:38:57,520 --> 00:38:54,720

as we keep putting out content like

699

00:39:02,690 --> 00:39:00,110

hey it's back to school anything it

700

00:39:07,600 --> 00:39:02,700

happened yes as long as the hunting was

701  
00:39:11,360 --> 00:39:07,610  
supposed to well yeah this is what we do

702  
00:39:16,800 --> 00:39:11,370  
we choose out just UFOs what's what's

703  
00:39:20,109 --> 00:39:18,880  
um I want to tell you I was watching

704  
00:39:21,370 --> 00:39:20,119  
people of Earth by the way this is what

705  
00:39:24,730 --> 00:39:21,380  
I was thinking of I haven't seen that

706  
00:39:25,990 --> 00:39:24,740  
show yet how does everybody like that

707  
00:39:28,030 --> 00:39:26,000  
show by the way does everybody like the

708  
00:39:29,350 --> 00:39:28,040  
people of Earth yeah we were asking

709  
00:39:31,090 --> 00:39:29,360  
people how they felt about it because I

710  
00:39:32,530 --> 00:39:31,100  
was checking it out and it was kind of

711  
00:39:38,410 --> 00:39:32,540  
slow for me was it slow

712  
00:39:42,220 --> 00:39:38,420  
yeah but maybe maybe it's because

713  
00:39:44,650 --> 00:39:42,230

spending time with you is more fun and

714

00:39:48,190 --> 00:39:44,660

so when I watch people of Earth it's

715

00:39:50,980 --> 00:39:48,200

just boring actually to be fair the

716

00:39:52,540 --> 00:39:50,990

episode had more human beings and it's

717

00:39:54,870 --> 00:39:52,550

an aliens a little bit disappointed I

718

00:39:57,090 --> 00:39:54,880

was looking for the aliens generally

719

00:39:59,200 --> 00:39:57,100

slow start and then it's gonna go

720

00:40:02,290 --> 00:39:59,210

probably hella funny do you remember

721

00:40:06,660 --> 00:40:02,300

this show Alien Nation where they drank

722

00:40:10,120 --> 00:40:06,670

rotten milk that's such a weird show no

723

00:40:11,830 --> 00:40:10,130

faith yes it was a show I think it was

724

00:40:14,740 --> 00:40:11,840

in the 90s it was called alien nation

725

00:40:17,440 --> 00:40:14,750

and there were aliens and they drink raw

726

00:40:21,820 --> 00:40:17,450

milk or about raw milk rotten milk is

727

00:40:24,520 --> 00:40:21,830

that disgusting Paul Curtis is a genius

728

00:40:25,930 --> 00:40:24,530

we could create an inflatable dr. Greer

729

00:40:27,550 --> 00:40:25,940

by the way this is going back to our

730

00:40:29,740 --> 00:40:27,560

cross-country trip because we never kind

731

00:40:31,900 --> 00:40:29,750

of round up closed up that in right

732

00:40:34,720 --> 00:40:31,910

there good point Paul Curtis is keeping

733

00:40:37,750 --> 00:40:34,730

us on topic as usual thank you sir

734

00:40:40,240 --> 00:40:37,760

back to our cross-country trip which

735

00:40:44,050 --> 00:40:40,250

would include stops not only in maybe

736

00:40:47,620 --> 00:40:44,060

some cities but also as many famous UFO

737

00:40:49,150 --> 00:40:47,630

and crash sites just protocol or it

738

00:40:51,400 --> 00:40:49,160

would have happened throughout the US or

739

00:40:55,200 --> 00:40:51,410  
any other sort of areas you know

740

00:40:59,170 --> 00:40:55,210  
forwards or hide hide hide

741

00:41:02,770 --> 00:40:59,180  
sightings city or something what we go

742

00:41:06,750 --> 00:41:02,780  
to the Gilliland ranch slab Gilliland

743

00:41:16,650 --> 00:41:11,950  
21st is it this is it this month I don't

744

00:41:17,810 --> 00:41:16,660  
know you're thinking of the Eclipse I

745

00:41:22,310 --> 00:41:17,820  
knew

746

00:41:26,580 --> 00:41:25,050  
to put you on it you know if we can't

747

00:41:30,780 --> 00:41:26,590  
get an inflatable dr. Greer you know we

748

00:41:34,310 --> 00:41:30,790  
could do we could you can get a cut out

749

00:41:42,060 --> 00:41:34,320  
a life-size cut it out there you go

750

00:41:44,010 --> 00:41:42,070  
we'll get that with it oh my gosh that

751

00:41:46,680 --> 00:41:44,020

Paul Curtis just gave us an idea I don't

752

00:41:48,540 --> 00:41:46,690

have one how much does it cost we could

753

00:41:51,600 --> 00:41:48,550

talk to it we could feed it we could

754

00:41:53,520 --> 00:41:51,610

tuck it in bed it'd be great we could

755

00:41:55,260 --> 00:41:53,530

shower eight more probably that's weird

756

00:42:01,890 --> 00:41:55,270

any more props I don't think you'd like

757

00:42:05,850 --> 00:42:01,900

that yeah ideas too many ideas here at

758

00:42:07,170 --> 00:42:05,860

Paul Curtis but I want to go to air we

759

00:42:07,950 --> 00:42:07,180

talked about this Arizona I want to go

760

00:42:09,780 --> 00:42:07,960

to Texas

761

00:42:12,510 --> 00:42:09,790

I mean Kecksburg Pennsylvania that'd be

762

00:42:16,590 --> 00:42:12,520

crazy I mean that's like you see the how

763

00:42:22,320 --> 00:42:16,600

much people but that is you know indeed

764

00:42:26,940 --> 00:42:22,330

a historical area of UFO importance I

765

00:42:29,790 --> 00:42:26,950

guess highly Kecksburg you see that we

766

00:42:31,170 --> 00:42:29,800

just need to research it and just where

767

00:42:32,670 --> 00:42:31,180

we're gonna go calculate all the miles

768

00:42:34,710 --> 00:42:32,680

because I think that Google Maps can do

769

00:42:36,480 --> 00:42:34,720

that I was gonna ask you is there a way

770

00:42:38,640 --> 00:42:36,490

to do that yeah I think if you put in

771

00:42:40,290 --> 00:42:38,650

all your destination yeah and also back

772

00:42:42,330 --> 00:42:40,300

to where you are it'll tell you how many

773

00:42:45,450 --> 00:42:42,340

days will it give you a best or

774

00:42:48,480 --> 00:42:45,460

suggested route yes we need to do that

775

00:42:49,800 --> 00:42:48,490

and just see but I don't know we'll keep

776

00:42:51,390 --> 00:42:49,810

toying around with this idea you guys

777

00:42:53,730 --> 00:42:51,400

can just let us know you know of course

778

00:42:57,020 --> 00:42:53,740

on social media you can message us you

779

00:43:00,690 --> 00:42:57,030

can all that good stuff we fire

780

00:43:03,390 --> 00:43:00,700

followers regularly Carla is somebody

781

00:43:05,240 --> 00:43:03,400

who has been thought easy to fight and

782

00:43:08,490 --> 00:43:05,250

we're gonna send her to China okay

783

00:43:11,250 --> 00:43:08,500

trying that and Carla will make our

784

00:43:14,550 --> 00:43:11,260

inflatable Edie's how's that make in

785

00:43:17,040 --> 00:43:14,560

China and will paired \$0.12 okay

786

00:43:20,220 --> 00:43:17,050

it will be like a sweatshop it'll just

787

00:43:21,690 --> 00:43:20,230

be in China well actually not sending

788

00:43:22,530 --> 00:43:21,700

Carla to China right now probably would

789

00:43:24,990 --> 00:43:22,540

be a terrible idea

790

00:43:27,300 --> 00:43:25,000

I don't know our people why do people go

791

00:43:29,340 --> 00:43:27,310

to North Korea what like why do we even

792

00:43:30,720 --> 00:43:29,350

have to impose a ban on travel there I

793

00:43:31,980 --> 00:43:30,730

mean like why would even the hell would

794

00:43:34,290 --> 00:43:31,990

you want to go there I don't know

795

00:43:39,110 --> 00:43:34,300

explain it to me someone anyone is this

796

00:43:42,450 --> 00:43:39,120

Korea North Korea I wouldn't go there

797

00:43:52,170 --> 00:43:42,460

hell no I bet they like me like once a

798

00:43:54,480 --> 00:43:52,180

month or something I don't know that's

799

00:43:56,340 --> 00:43:54,490

what I heard so anybody can prove me

800

00:43:58,770 --> 00:43:56,350

wrong go ahead I don't I don't know us

801  
00:44:03,630 --> 00:43:58,780  
what I heard but we're getting towards

802  
00:44:06,720 --> 00:44:03,640  
the end of our segments hey Paul wants

803  
00:44:10,080 --> 00:44:06,730  
us to do an extra podcast and report on

804  
00:44:11,390 --> 00:44:10,090  
the Eclipse what do you think you want

805  
00:44:13,140 --> 00:44:11,400  
to do it I would like to do that live

806  
00:44:16,730 --> 00:44:13,150  
let's do it we could do it from

807  
00:44:22,770 --> 00:44:16,740  
somewhere where we could see the moon

808  
00:44:25,890 --> 00:44:22,780  
like outside or anybody we're uh we're

809  
00:44:27,270 --> 00:44:25,900  
just at the end of this short 45 minute

810  
00:44:28,320 --> 00:44:27,280  
podcast we've only got a few seconds so

811  
00:44:30,270 --> 00:44:28,330  
we just want to thank you for listening

812  
00:44:32,010 --> 00:44:30,280  
letting his thanks for the followers

813  
00:44:33,630 --> 00:44:32,020

thank you all for sticking with us for

814

00:44:35,310 --> 00:44:33,640

everything yeah even when we feel like

815

00:44:36,750 --> 00:44:35,320

we did a terrible show you guys come

816

00:44:38,400 --> 00:44:36,760

back and chat with us so thank you we

817

00:44:43,530 --> 00:44:38,410

appreciate that everybody I'm in it
