do in bro good you seem a little kind of

6  
00:00:37,190 --> 00:00:32,510  
you always want to like you need to look

7  
00:00:40,459 --> 00:00:37,200  
- how am I not and the [h\_\_h] thing I

8  
00:00:42,830 --> 00:00:40,469  
don't know you just don't see you keep

9  
00:00:43,580 --> 00:00:42,840  
moving back and out of frame what's

10  
00:00:47,900 --> 00:00:43,590  
wrong with you

11  
00:00:53,600 --> 00:00:47,910  
well you're a stupid their patent bring

12  
00:00:57,439 --> 00:00:53,610  
your small news a little forward you

13  
00:00:59,240 --> 00:00:57,449

guys look here's the city Joe and I have

14

00:01:01,069 --> 00:00:59,250

been talking about what we should be

15

00:01:02,840 --> 00:01:01,079

talking and discussing with UFOs and

16

00:01:04,399 --> 00:01:02,850

stuff like that and frankly there's just

17

00:01:08,450 --> 00:01:04,409

too much [h\_\_h] going on in the world

18

00:01:18,230 --> 00:01:08,460

right now there's like a Chad there's

19

00:01:19,640 --> 00:01:18,240

too much there's too much crazy stuff

20

00:01:20,899 --> 00:01:19,650

going on in the world right now so we

21

00:01:22,910 --> 00:01:20,909

feel like we should just talk about it

22

00:01:25,940 --> 00:01:22,920

that's neither there squirrel turds out

23

00:01:28,010 --> 00:01:25,950

oh yeah do you think we're going into

24

00:01:29,960 --> 00:01:28,020

the next world war may be great I'm

25

00:01:33,160 --> 00:01:29,970

gonna talk about that right now what do

26

00:01:35,780 --> 00:01:33,170

you think Jim are we heading there

27

00:01:37,039 --> 00:01:35,790

probably yeah looks like it well you

28

00:01:43,550 --> 00:01:37,049

know Trump said today the United Nations

29

00:01:48,740 --> 00:01:43,560

that North Korea could be destroyed if

30

00:01:53,020 --> 00:01:48,750

they continue their no from you we will

31

00:01:55,760 --> 00:01:53,030

destroy how's everybody doing

32

00:01:58,700 --> 00:01:55,770

this is by the way here this feels

33

00:02:02,920 --> 00:01:58,710

better I don't know okay this is our

34

00:02:07,870 --> 00:02:05,650

from here forever we will continue to do

35

00:02:09,460 --> 00:02:07,880

these as long as we look fabulous let's

36

00:02:14,410 --> 00:02:09,470

see there's those Geoghan sitting out a

37

00:02:14,950 --> 00:02:14,420

shot oh you weren't sitting out of the

38

00:02:26,080 --> 00:02:14,960

shot

39

00:02:28,450 --> 00:02:26,090

I had half the window blocked actually

40

00:02:31,870 --> 00:02:28,460

were framed well we were the great it

41

00:02:34,510 --> 00:02:31,880

was the the window on the machine on the

42

00:02:38,890 --> 00:02:34,520

television or on the machine speaker to

43

00:02:40,510 --> 00:02:38,900

tell a resort for Mexico I know what was

44

00:02:42,430 --> 00:02:40,520

like seven points in the earthquake yeah

45

00:02:44,980 --> 00:02:42,440

and the one before that was a guy five

46

00:02:46,990 --> 00:02:44,990

or six five or six yes growing see what

47

00:02:55,150 --> 00:02:47,000

that means it's time to get dependence

48

00:02:58,300 --> 00:02:55,160

lad I yeah and then we had another

49

00:02:59,890 --> 00:02:58,310

hurricane yeah what's that five in a row

50

00:03:00,310 --> 00:02:59,900

four in a row I think it's the fourth in

51  
00:03:03,070 --> 00:03:00,320  
a row

52  
00:03:05,710 --> 00:03:03,080  
Jesus Christ it's really sad it's like

53  
00:03:09,790 --> 00:03:05,720  
Bahamas were you know of course we're on

54  
00:03:13,030 --> 00:03:09,800  
the west coast and our big thing is what

55  
00:03:16,570 --> 00:03:13,040  
earthquakes we get little ones in the

56  
00:03:18,100 --> 00:03:16,580  
Bay Area San Jose Santa Cruz little

57  
00:03:21,460 --> 00:03:18,110  
tremors turned them in no hurt they're

58  
00:03:27,970 --> 00:03:21,470  
expecting a huge quake down here that

59  
00:03:31,990 --> 00:03:27,980  
could separate California yay exactly

60  
00:03:36,090 --> 00:03:32,000  
this year to kick hot straight it's true

61  
00:03:38,620 --> 00:03:36,100  
we have an echo it delays it goes that

62  
00:03:40,720 --> 00:03:38,630  
you can't keep up so you start talking

63  
00:03:43,660 --> 00:03:40,730

lighter you start talking like a [h\_\_\h]

64

00:03:46,180 --> 00:03:43,670

and then you die it's hard it's a

65

00:03:49,509 --> 00:03:46,190

musical tone so we're not using it or no

66

00:03:54,040 --> 00:03:49,519

car turn [h\_\_\h] the timing exactly slow

67

00:03:57,729 --> 00:03:54,050

down like you don't touch me you're kind

68

00:04:02,620 --> 00:03:57,739

of [h\_\_\h] musically you know like the

69

00:04:04,710 --> 00:04:02,630

end of a song starts to slow down it's

70

00:04:11,319 --> 00:04:04,720

not funny

71

00:04:15,670 --> 00:04:11,329

and earthquakes and thermonuclear war

72

00:04:16,670 --> 00:04:15,680

and and the big fat man bacon and a

73

00:04:21,890 --> 00:04:16,680

bunny

74

00:04:23,620 --> 00:04:21,900

yes good truck call them Rocket Man you

75

00:04:26,480 --> 00:04:23,630

know what's actually really kind of

76

00:04:29,659 --> 00:04:26,490

terrifying is that Dennis Rodman

77

00:04:33,680 --> 00:04:29,669

recently said that he could probably be

78

00:04:36,650 --> 00:04:33,690

a mediator between the US and Kim Jong

79

00:04:39,980 --> 00:04:36,660

and kingly that Dennis Rodman here to

80

00:04:42,590 --> 00:04:39,990

it's going on our podcast so that we can

92

00:05:20,770 --> 00:05:19,590

kind of just kill two birds with one

93

00:05:26,270 --> 00:05:20,780

stone

94

00:05:27,529 --> 00:05:26,280

find us on I do yes subscribe you can

100

00:05:49,159 --> 00:05:45,210

download like I think all the way down

101  
00:05:51,200 --> 00:05:49,169  
to our first episode which sure which if

102  
00:05:53,360 --> 00:05:51,210  
it's gotten any better or worse but if

103  
00:05:58,279 --> 00:05:53,370  
you think every single week there is 52

104  
00:06:02,600 --> 00:05:58,289  
there's upcoming 52 podcast huh

105  
00:06:04,399 --> 00:06:02,610  
well yeah I was uh one by fast in it I

106  
00:06:07,610 --> 00:06:04,409  
was looking some pictures and realized

107  
00:06:09,950 --> 00:06:07,620  
that Jo we were in area 51 like actually

108  
00:06:12,260 --> 00:06:09,960  
like this time last year those tours do

109  
00:06:14,990 --> 00:06:12,270  
in the month almost exactly this time

110  
00:06:16,490 --> 00:06:15,000  
was our first trip as a UFO Bros where

111  
00:06:18,350 --> 00:06:16,500  
we went to area 51 and for those of you

112  
00:06:20,089 --> 00:06:18,360  
who don't know that was a trip like like

113  
00:06:21,589 --> 00:06:20,099

I mean that in both ways maybe was a

114

00:06:25,399 --> 00:06:21,599

trip there was a trip to be there

115

00:06:30,110 --> 00:06:25,409

because they have robots yeah they have

116

00:06:32,030 --> 00:06:30,120

one of their eyes it's a pretty

117

00:06:35,960 --> 00:06:32,040

dating actually but of course you know

118

00:06:37,520 --> 00:06:35,970

we brought Evy with us and they did a

119

00:06:39,200 --> 00:06:37,530

little dance Joe and Phoebe did a little

120

00:06:41,350 --> 00:06:39,210

dance for the cameras for the camel guys

121

00:06:43,100 --> 00:06:41,360

I think we got a thumbs up didn't he

122

00:06:45,320 --> 00:06:43,110

yeah we did

123

00:06:50,659 --> 00:06:45,330

we got an acknowledgement of sorts that

124

00:06:53,990 --> 00:06:50,669

did not include a gun I don't think they

125

00:06:55,909 --> 00:06:54,000

even have to like if you seriously break

126

00:06:59,950 --> 00:06:55,919

into area 51 do they have to be like you

127

00:07:05,420 --> 00:07:03,800

used to say we can um use deadly force

128

00:07:07,159 --> 00:07:05,430

used to say on the sign well I mean

129

00:07:08,390 --> 00:07:07,169

that's what I'm saying like if their

130

00:07:13,430 --> 00:07:08,400

knees deadly forced me they're not going

131

00:07:17,150 --> 00:07:13,440

like you know the right yes and there is

132

00:07:20,870 --> 00:07:17,160

a very famous YouTube video that doesn't

133

00:07:23,900 --> 00:07:20,880

motorcycles yes but it is said that

134

00:07:27,770 --> 00:07:23,910

it might be fake oh and they might have

135

00:07:29,360 --> 00:07:27,780

stated no way that's what I heard yeah

136

00:07:32,330 --> 00:07:29,370

those guys it's the same truck that they

137

00:07:35,390 --> 00:07:32,340

try they're all coming out and I I think

138

00:07:40,490 --> 00:07:35,400

that'd be too too hard to hoax that it

139

00:07:43,190 --> 00:07:40,500

uh who knows I don't know well all you

140

00:07:46,580 --> 00:07:43,200

would need is some desert area a couple

141

00:07:48,219 --> 00:07:46,590

friends in uniforms a truck no because

142

00:07:51,290 --> 00:07:48,229

there were signs to say do not pass this

143

00:07:52,610 --> 00:07:51,300

thing oh well I don't know I really have

144

00:07:54,440 --> 00:07:52,620

to look into it I just remember seeing

145

00:07:58,129 --> 00:07:54,450

and thinking holy crap at the time like

146

00:08:01,100 --> 00:07:58,139

you know what actually I think was the

147

00:08:02,330 --> 00:08:01,110

most crazy thing in that video was the

148

00:08:08,450 --> 00:08:02,340

fact that you could see the officer

149

00:08:08,600 --> 00:08:08,460

stationed there just yes you can see

150

00:08:12,410 --> 00:08:08,610

them

151

00:08:14,850 --> 00:08:12,420

[Music]

152

00:08:16,350 --> 00:08:14,860

I'm having fun what's that North Quay

153

00:08:20,580 --> 00:08:16,360

Reverend oh the fun won't you join us

154

00:08:23,180 --> 00:08:20,590

yes please join us UFO Bros TV um we are

155

00:08:26,370 --> 00:08:23,190

kind of talking about UFOs and aliens

156

00:08:27,360 --> 00:08:26,380

area 51 as you all know is actually by

157

00:08:33,750 --> 00:08:27,370

the way a lot of people don't know this

158

00:08:35,070 --> 00:08:33,760

is actually has been publicly I guess

159

00:08:38,130 --> 00:08:35,080

you could say disclosed as an actual

160

00:08:40,020 --> 00:08:38,140

part of our yes maybe you take military

161

00:08:42,270 --> 00:08:40,030

bases and you possibly say that

162

00:08:44,940 --> 00:08:42,280

no no Barack Obama said it he said oh

163

00:08:47,220 --> 00:08:44,950

did he say now he did he said I believe

164

00:08:49,620 --> 00:08:47,230

it was a press conference that he said

165

00:08:51,680 --> 00:08:49,630

he said something about area 51 and said

166

00:08:54,870 --> 00:08:51,690

I believe I'm the first president to

167

00:08:56,430 --> 00:08:54,880

publicly acknowledge area 51 yeah

168

00:08:56,910 --> 00:08:56,440

acknowledge it but didn't say anything

169

00:09:01,050 --> 00:08:56,920

about it

170

00:09:06,560 --> 00:09:01,060

no but Jimmy Fallon did Jill not Jimmy

171

00:09:10,470 --> 00:09:06,570

Fallon Jimmy Kimmel did ask president

172

00:09:14,570 --> 00:09:10,480

who he asked President Bush President

173

00:09:17,670 --> 00:09:14,580

Obama President Clinton Hillary Clinton

174

00:09:20,000 --> 00:09:17,680

he better ask Donald Trump he asked him

175

00:09:23,310 --> 00:09:20,010

all the time

176

00:09:28,380 --> 00:09:23,320

have you looked into the UFO phenomenon

177

00:09:30,330 --> 00:09:28,390

are aliens real and they never say no no

178

00:09:33,150 --> 00:09:30,340

yes sure and they don't say yes they

179

00:09:34,080 --> 00:09:33,160

just wheeze or the weasel their way out

180

00:09:35,760 --> 00:09:34,090

of the conversation it's really

181

00:09:37,440 --> 00:09:35,770

interesting Barack Obama though I think

182

00:09:40,530 --> 00:09:37,450

I think I showed you that video I

183

00:09:42,680 --> 00:09:40,540

couldn't tell if he was you don't he had

184

00:09:46,770 --> 00:09:42,690

a good blend of seriousness but

185

00:09:48,480 --> 00:09:46,780

playfulness in his answer agreed what we

186

00:09:56,150 --> 00:09:48,490

do you know I'm trying to figure this

187

00:10:01,440 --> 00:09:58,500

you don't want to see us I don't wanna

188

00:10:05,910 --> 00:10:01,450

see myself see you see me well why do I

189

00:10:07,110 --> 00:10:05,920

want to see that just stay on the X can

190

00:10:08,610 --> 00:10:07,120

you log in and see if we have any

191

00:10:10,800 --> 00:10:08,620

chatters on YouTube well that's

192

00:10:13,110 --> 00:10:10,810

beautiful in some sort of way how would

193

00:10:18,600 --> 00:10:13,120

that there's no usefulness here well I

194

00:10:22,740 --> 00:10:18,610

mean it's stagnant right kind of like

195

00:10:25,240 --> 00:10:22,750

this show I hope we're not talking very

196

00:10:28,769 --> 00:10:25,250

for watching here there's four people

197

00:10:34,150 --> 00:10:28,779

that's exciting well hey fors right nor

198

00:10:36,790 --> 00:10:34,160

kind of watching that are watching I'm

199

00:10:38,559 --> 00:10:36,800

not talking very for watching therefore

200

00:10:38,920 --> 00:10:38,569

people watch many what's exciting well

201

00:10:42,400 --> 00:10:38,930

hey

202

00:10:47,319 --> 00:10:42,410

fors come on right that's distracting

203

00:11:12,400 --> 00:10:47,329

Medina quite watching ourselves myself

204

00:11:19,600 --> 00:11:12,410

watch myself watch my head man I can't

205

00:11:22,900 --> 00:11:19,610

do sorry y'all know Edie's hungry he

206

00:11:30,369 --> 00:11:22,910

always looks done you know I all the

207

00:11:31,869 --> 00:11:30,379

good guy I a CD one blue can we talk

208

00:11:37,240 --> 00:11:31,879

about the presidents now did we could

209

00:11:40,749 --> 00:11:37,250

talk she's the funny thing is presidents

210

00:11:44,829 --> 00:11:40,759

in modern history haven't come out and

211

00:11:46,059 --> 00:11:44,839

said no or yes they always kind of leave

212

00:11:49,030 --> 00:11:46,069

it up in the air but presidents of the

213

00:11:52,540 --> 00:11:49,040

past have come out and said you can find

214

00:11:55,290 --> 00:11:52,550

the quotes that there is indeed a UFO or

215

00:11:58,480 --> 00:11:55,300

some sort of intelligently guided

216

00:11:59,949 --> 00:11:58,490

machines that are from other world or

217

00:12:05,199 --> 00:11:59,959

other realm or something they've said

218

00:12:08,110 --> 00:12:05,209

those sorts of words before publicly and

219

00:12:10,150 --> 00:12:08,120

then it just like died died like by the

220

00:12:14,230 --> 00:12:10,160

way you know we're celebrating the 70th

221

00:12:18,639 --> 00:12:14,240

anniversary of the CIA and the air force

222

00:12:20,439 --> 00:12:18,649

this week da well you know what 70th

223

00:12:24,189 --> 00:12:20,449

anniversary we also celebrated just like

224

00:12:31,869 --> 00:12:24,199

a month ago two months ago so let's see

225

00:12:36,189 --> 00:12:31,879

Roswell 1947 July we have a downed

226

00:12:38,230 --> 00:12:36,199

potential extraterrestrial craft few

227

00:12:42,100 --> 00:12:38,240

months later we have the CIA

228

00:12:45,669 --> 00:12:42,110

and then we establish an air force like

229

00:12:47,619 --> 00:12:45,679

within months after the dated Roswell

230

00:12:53,230 --> 00:12:47,629

crash have you thought about that 70

231

00:13:04,869 --> 00:12:53,240

years yes that's exactly what I'm trying

232

00:13:06,069 --> 00:13:04,879

to say art you guys you're doing good

233

00:13:07,900 --> 00:13:06,079

tonight Jill actually you're doing

234

00:13:10,090 --> 00:13:07,910

really well I told him I said listen

235

00:13:14,379 --> 00:13:10,100

[h\_\_h] well actually I didn't say that

236

00:13:18,369 --> 00:13:14,389

but I said looks suspicious I said you

237

00:13:21,480 --> 00:13:18,379

have got to let us get out the info

238

00:13:27,759 --> 00:13:21,490

don't stop me

239

00:13:30,910 --> 00:13:27,769

thank you what do you we gotta talk

240

00:13:33,460 --> 00:13:30,920

about talkie okay because look we've

241

00:13:38,579 --> 00:13:33,470

already done in the last Bond okay

242

00:13:49,119 --> 00:13:47,559

not me on that one um anyway presidents

243

00:13:51,460 --> 00:13:49,129

I was gonna say we've done a show on

244

00:13:54,819 --> 00:13:51,470

UFOs and I got a black thing right in

245

00:13:56,319 --> 00:13:54,829

your why do I yeah it's a it's a oh it's

246

00:13:59,470 --> 00:13:56,329

eyelashes eyelash sheesh

247

00:14:01,780 --> 00:13:59,480

don't worry we're not live Joe we're not

248

00:14:05,549 --> 00:14:01,790

live at all no you're not supposed to

249

00:14:06,730 --> 00:14:05,559

notice those things in your life no

250

00:14:08,309 --> 00:14:06,740

thank you

251

00:14:17,859 --> 00:14:08,319

I was worried about a little bit shiny

252

00:14:20,109 --> 00:14:17,869

um nukes do you think some come doing

253

00:14:24,129 --> 00:14:20,119

Tom Kim is gonna do you have something

254

00:14:25,660 --> 00:14:24,139

else we're gonna just do you think it

255

00:14:29,650 --> 00:14:25,670

would require a new are you getting in a

256

00:14:35,669 --> 00:14:29,660

book again what's in the book you can

257

00:14:40,090 --> 00:14:35,679

watch this on Netflix no no no it it has

258

00:14:43,600 --> 00:14:40,100

information and he's so unprepared he's

259

00:14:48,130 --> 00:14:43,610

got away from the ground I'm what you're

260

00:14:54,340 --> 00:14:52,090

Hinman what concerned me more than

261

00:14:59,139 --> 00:14:54,350

others particular event was that I had

262

00:15:02,139 --> 00:14:59,149

my records again has it so he actually

263

00:15:12,519 --> 00:15:02,149

gave himself a job by devoting himself

264

00:15:17,620 --> 00:15:12,529

to head of security excuse my French

265

00:15:18,069 --> 00:15:17,630

yeah I don't know I don't know to do

266

00:15:19,930 --> 00:15:18,079

with you

267

00:15:22,690 --> 00:15:19,940

what do you know it what do you want to

268

00:15:24,009 --> 00:15:22,700

talk about let's just it is the most

269

00:15:28,509 --> 00:15:24,019

there has been more activity going

270

00:15:31,240 --> 00:15:28,519

around going around there's like natural

271

00:15:32,800 --> 00:15:31,250

events natural visitor occurring [h\_\_h]

272

00:15:36,430 --> 00:15:32,810

just showing up when actual events are

273

00:15:40,000 --> 00:15:36,440

occurring the hercules hurricanes

274

00:15:42,699 --> 00:15:40,010

there's spotting flashing orbs up in the

275

00:15:44,139 --> 00:15:42,709

sky yes and [h\_\_h] falling from the sky

276

00:15:45,610 --> 00:15:44,149

blue yes

277

00:15:49,690 --> 00:15:45,620

so there's [h\_\_\h] happening that nobody's

278

00:15:51,310 --> 00:15:49,700

catching yes did you hear about the

279

00:16:04,480 --> 00:15:51,320

electrical storms that happen during the

280

00:16:07,090 --> 00:16:04,490

earthquakes sometimes you just put a

281

00:16:14,800 --> 00:16:07,100

booger on me no I didn't snot what come

282

00:16:18,910 --> 00:16:14,810

on regain my composure that was very

283

00:16:21,189 --> 00:16:18,920

gross see maybe the people listening can

284

00:16:25,540 --> 00:16:21,199

give me some advice how do we proceed

285

00:16:26,800 --> 00:16:25,550

no books have you ever read about yeah

286

00:16:29,319 --> 00:16:26,810

this is interesting

287

00:16:31,750 --> 00:16:29,329

I think once in fourth grade look as

288

00:16:34,360 --> 00:16:31,760

soon as we shoot off the nukes et will

289

00:16:35,040 --> 00:16:34,370

end up showing up and take the toys away

290

00:16:41,530 --> 00:16:35,050

exactly

291

00:16:49,090 --> 00:16:41,540

you think that's I think I o CQ st. swab

292

00:16:51,490 --> 00:16:49,100

gas swamp gas you never heard that's

293

00:16:54,730 --> 00:16:51,500

actually a old story that they told way

294

00:16:57,040 --> 00:16:54,740

way back when some I remember almost yes

295

00:17:01,990 --> 00:16:57,050

yeah that it was some light reflecting

296

00:17:07,160 --> 00:17:02,000

off swamp gas that created some effect

297

00:17:11,000 --> 00:17:07,170

I'm still really disappointed in the

298

00:17:15,199 --> 00:17:11,010

media and just YouTube and stuff just

299

00:17:18,410 --> 00:17:15,209

tired of scrolling through videos going

300

00:17:20,510 --> 00:17:18,420

it's CGI maybe it's CGI me if it isn't

301  
00:17:23,690 --> 00:17:20,520  
CGI maybe I don't know have you found

302  
00:17:25,880 --> 00:17:23,700  
anything even convincing at all nothing

303  
00:17:27,920 --> 00:17:25,890  
that I can think of and they're always

304  
00:17:29,330 --> 00:17:27,930  
like blurry design constantly searching

305  
00:17:32,660 --> 00:17:29,340  
that [h\_\_h] all day long so I can't I

306  
00:17:34,190 --> 00:17:32,670  
don't see everything people say it looks

307  
00:17:40,730 --> 00:17:34,200  
real but then it's a hoax and then it's

308  
00:17:43,190 --> 00:17:40,740  
real and well that's like the skinny Bob

309  
00:17:44,330 --> 00:17:43,200  
video I was actually thinking about that

310  
00:17:47,210 --> 00:17:44,340  
the other day if you guys don't know

311  
00:17:49,160 --> 00:17:47,220  
about this skinny Bob video it's got

312  
00:17:54,020 --> 00:17:49,170  
kind of balloon pocket no nothing like

313  
00:17:58,940 --> 00:17:54,030

that happened it's just ah it's just

314

00:18:03,050 --> 00:17:58,950

what yes explain to our viewers what

315

00:18:06,770 --> 00:18:03,060

swamp gasses no no it's gas it comes

316

00:18:08,390 --> 00:18:06,780

from a swamp so how's that so oh yeah

317

00:18:10,400 --> 00:18:08,400

that's it that's why it's so funny

318

00:18:13,400 --> 00:18:10,410

because it's like totally out of line in

319

00:18:16,030 --> 00:18:13,410

ridiculous way of describing something

320

00:18:20,330 --> 00:18:16,040

people are seeing something they see

321

00:18:22,610 --> 00:18:20,340

does a fat man baby have a hostage ETS

322

00:18:28,070 --> 00:18:22,620

that could be in danger if we shoot at

323

00:18:31,820 --> 00:18:28,080

North Koreans probably hey that's what

324

00:18:35,270 --> 00:18:31,830

she could question north Korea has got

325

00:18:37,330 --> 00:18:35,280

to have UFO sightings they probably got

326

00:18:40,640 --> 00:18:37,340

him working on their nukes right now

327

00:18:43,250 --> 00:18:40,650

like I saw them out damn it

328

00:18:44,840 --> 00:18:43,260

it flies and it blows up in midair you

329

00:18:46,400 --> 00:18:44,850

know there was another thing on the news

330

00:18:49,370 --> 00:18:46,410

today you guys we are all over the map

331

00:18:51,320 --> 00:18:49,380

tonight so hang with us it all ties to

332

00:18:56,030 --> 00:18:51,330

something I swear this is like diving

333

00:18:58,610 --> 00:18:56,040

into our brain oh my gosh I remember his

334

00:19:05,060 --> 00:18:58,620

name was wiretap today I found out that

335

00:19:07,310 --> 00:19:05,070

he was wiretapped was like Trump's past

336

00:19:10,490 --> 00:19:07,320

campaign person something I don't

337

00:19:11,780 --> 00:19:10,500

members Paul Manafort is that what that

338

00:19:13,790 --> 00:19:11,790

just popped in my head I don't know if

339

00:19:15,740 --> 00:19:13,800

that's actual name but anyway

340

00:19:17,870 --> 00:19:15,750

everybody in the media was like oh my

341

00:19:19,880 --> 00:19:17,880

god I can't believe that they would do

342

00:19:21,710 --> 00:19:19,890

that and what kind of right and I and I

343

00:19:28,240 --> 00:19:21,720

was thinking because we we talk about

344

00:19:31,790 --> 00:19:28,250

this all the time that how are people so

345

00:19:33,860 --> 00:19:31,800

surprised by that I mean the president

346

00:19:35,960 --> 00:19:33,870

is a speaking head that it's rotated out

347

00:19:39,560 --> 00:19:35,970

through a giant corporation at want you

348

00:19:45,590 --> 00:19:39,570

know every four to eight years that's

349

00:19:53,980 --> 00:19:45,600

what the presidency is true but it was a

350

00:20:11,900 --> 00:19:56,060

[Music]

351  
00:20:13,220 --> 00:20:11,910  
how's everybody doing what thank you

352  
00:20:15,410 --> 00:20:13,230  
yeah I was Paul Manafort thank you not

353  
00:20:16,690 --> 00:20:15,420  
now I'm back on track thank you all for

354  
00:20:20,240 --> 00:20:16,700  
helping

355  
00:20:22,760 --> 00:20:20,250  
so Paul Manafort gets tapped everybody's

356  
00:20:24,200 --> 00:20:22,770  
all confused as to how that what is she

357  
00:20:25,960 --> 00:20:24,210  
not easily happened that's because

358  
00:20:30,260 --> 00:20:25,970  
there's already a working government

359  
00:20:33,770 --> 00:20:30,270  
established and they wiretap everybody

360  
00:20:38,560 --> 00:20:33,780  
and they use our cameras to look at us

361  
00:20:41,210 --> 00:20:38,570  
they spy on different people they have

362  
00:20:44,390 --> 00:20:41,220  
technology where they can hear you from

363  
00:20:46,550 --> 00:20:44,400

the sky from thousands of miles away or

364

00:20:48,650 --> 00:20:46,560

thousands of feet sorry not thousands of

365

00:20:51,640 --> 00:20:48,660

miles but there's all kinds of

366

00:20:55,340 --> 00:20:51,650

absolutely mind-blowing secret stuff and

367

00:20:59,810 --> 00:20:55,350

crazy illegal [h\_\_h] going on behind the

368

00:21:02,840 --> 00:20:59,820

scenes that there is a some sort of

369

00:21:08,000 --> 00:21:02,850

shadow government or something like that

370

00:21:09,830 --> 00:21:08,010

that is controlling things and when you

371

00:21:11,600 --> 00:21:09,840

have somebody rotating in and out of

372

00:21:14,840 --> 00:21:11,610

office every 48 years you're not gonna

373

00:21:17,540 --> 00:21:14,850

want to drop you're just gonna want to

374

00:21:19,880 --> 00:21:17,550

have them come in and leave and not

375

00:21:24,230 --> 00:21:19,890

cause as much trouble as possible you

376

00:21:25,490 --> 00:21:24,240

would think like you every I doubt you

377

00:21:26,950 --> 00:21:25,500

know presidents come in and they sit

378

00:21:29,830 --> 00:21:26,960

down and they go

379

00:21:32,410 --> 00:21:29,840

here's all the UFO alien information

380

00:21:37,150 --> 00:21:32,420

that doesn't happen that doesn't happen

381

00:21:40,300 --> 00:21:37,160

no and since Clinton I think it got even

382

00:21:41,500 --> 00:21:40,310

deeper I mean it was art yeah that's the

383

00:21:47,050 --> 00:21:41,510

cat using the litter box

384

00:21:48,640 --> 00:21:47,060

oh it's [h\_\_\h] King yes oh [h\_\_\h] yes you

385

00:21:52,420 --> 00:21:48,650

know I think Clinton was close to

386

00:21:56,830 --> 00:21:52,430

accessing the UFO FILES even then on

387

00:21:58,720 --> 00:21:56,840

Jimmy Kimmel he said no I was gonna say

388

00:22:03,610 --> 00:21:58,730

even on Jimmy Kimmel President Clinton

389

00:22:07,230 --> 00:22:03,620

said what he said was I found out there

390

00:22:09,960 --> 00:22:07,240

weren't no aliens below below ground

391

00:22:13,420 --> 00:22:09,970

that's what he said he didn't say

392

00:22:15,340 --> 00:22:13,430

there's no UFOs or whatever or there's

393

00:22:17,200 --> 00:22:15,350

no other life out there he just said oh

394

00:22:21,640 --> 00:22:17,210

I had them confirmed that there wasn't

395

00:22:24,670 --> 00:22:21,650

anything below ground so that's what he

396

00:22:32,770 --> 00:22:24,680

says and then the interesting one I

397

00:22:37,390 --> 00:22:32,780

think the most interesting is my nose

398

00:22:40,870 --> 00:22:37,400

man okay President Bush was asked

399

00:22:44,110 --> 00:22:40,880

actually in several conversations about

400

00:22:46,960 --> 00:22:44,120

UFOs and aliens and what he says is I

401  
00:22:48,550 --> 00:22:46,970  
ain't gonna talk about it I'm not gonna

402  
00:22:51,190 --> 00:22:48,560  
say nothing don't ask me nothing he just

403  
00:22:51,820 --> 00:22:51,200  
gets off the topic I mean he's serious

404  
00:22:52,960 --> 00:22:51,830  
about it

405  
00:22:55,840 --> 00:22:52,970  
what are you eating in the chat rooms

406  
00:22:59,650 --> 00:22:55,850  
Joe Kim won't play along with their

407  
00:23:02,950 --> 00:22:59,660  
silly one-world will order game yeah so

408  
00:23:07,450 --> 00:23:02,960  
they want to take him out Kim the

409  
00:23:10,140 --> 00:23:07,460  
Antichrist Kim Jungman yeah that's a

410  
00:23:12,400 --> 00:23:10,150  
really fat antic I mean I got cheeks but

411  
00:23:18,760 --> 00:23:12,410  
there's [h\_\_h] toupee needs to come off

412  
00:23:20,500 --> 00:23:18,770  
that haircuts like 1991 no I've seen any

413  
00:23:22,720 --> 00:23:20,510

do you think he's a fan of our show if

414

00:23:27,850 --> 00:23:22,730

Kim jong-un was listening right now what

415

00:23:33,160 --> 00:23:27,860

would you say [h\_\_h] off and I hope it

416

00:23:35,010 --> 00:23:33,170

blows underneath you that would be what

417

00:23:40,140 --> 00:23:35,020

you say

418

00:23:42,270 --> 00:23:40,150

what would you guys say just should tell

419

00:23:52,320 --> 00:23:42,280

us how it sounds with Bill Clinton talk

420

00:23:58,980 --> 00:23:52,330

Stasi oh oh god that would be funny yeah

421

00:24:03,840 --> 00:23:58,990

you do you know [h\_\_h] mad [h\_\_h] I don't

422

00:24:09,060 --> 00:24:03,850

say it sounds rude [h\_\_h] you man I gotta

423

00:24:18,510 --> 00:24:16,950

Oh knuckle Barbie Fung what is that wait

424

00:24:20,460 --> 00:24:18,520

wait I got one you can't do anything

425

00:24:23,880 --> 00:24:20,470

right you can't do an egg no way so roar

426

00:24:26,450 --> 00:24:23,890

I'm on you you cannot give you the intro

427

00:24:30,480 --> 00:24:26,460

Wray you can't do a knuckle bump right

428

00:24:35,950 --> 00:24:30,490

yeah I say give me a pound ready hold on

429

00:24:35,960 --> 00:24:39,440

[Music]

430

00:24:46,460 --> 00:24:43,799

break the pickle yeah that's the Love

431

00:24:51,120 --> 00:24:46,470

Guru yes it's awesome movie which is

432

00:24:56,490 --> 00:24:51,130

what what is it now here no we're we're

433

00:25:03,480 --> 00:24:56,500

bring nowhere now here yeah can we try

434

00:25:06,350 --> 00:25:03,490

that right now and talk about I go to

435

00:25:08,760 --> 00:25:06,360

pick a head of farm e-i-e-i-o

436

00:25:14,540 --> 00:25:08,770

let's ask the people watching what is

437

00:25:17,190 --> 00:25:14,550

there any particular current theories or

438

00:25:18,690 --> 00:25:17,200

articles or news items that you guys

439

00:25:21,900 --> 00:25:18,700

have come across that you're questioning

440

00:25:24,720 --> 00:25:21,910

we usually keep pretty good taps on that

441

00:25:26,280 --> 00:25:24,730

stuff but there's not much going on I

442

00:25:27,360 --> 00:25:26,290

think they're non-muslims does that hurt

443

00:25:31,590 --> 00:25:27,370

yeah you know cuz people are like

444

00:25:33,540 --> 00:25:31,600

swimming from Florida to Texas to you

445

00:25:34,890 --> 00:25:33,550

know Bahamas yeah I feel sorry for

446

00:25:36,540 --> 00:25:34,900

everybody that everybody lost everything

447

00:25:39,330 --> 00:25:36,550

if you imagine building everything up

448

00:25:41,070 --> 00:25:39,340

like your one true love that you have

449

00:25:43,799 --> 00:25:41,080

your space in your house whatever you're

450

00:25:45,000 --> 00:25:43,809

building a car or your pictures your

451  
00:25:47,130 --> 00:25:45,010  
sculptures whatever and you can just

452  
00:25:48,630 --> 00:25:47,140  
like you stamped your whole life and put

453  
00:25:51,090 --> 00:25:48,640  
your blood sweat and tears into some

454  
00:25:53,460 --> 00:25:51,100  
some [h\_\_\h] way it comes and destroys

455  
00:25:55,980 --> 00:25:53,470  
your dream like and then the insurance

456  
00:26:01,710 --> 00:25:55,990  
company comes and goes here here's 12

457  
00:26:03,720 --> 00:26:01,720  
grand your cars worth like 80 grand but

458  
00:26:06,570 --> 00:26:03,730  
still it sucks it's like everything is

459  
00:26:09,270 --> 00:26:06,580  
gone your basic is instinctive survival

460  
00:26:11,790 --> 00:26:09,280  
getting a boat or jetski no I saw

461  
00:26:13,710 --> 00:26:11,800  
recently that some owners returned to

462  
00:26:15,540 --> 00:26:13,720  
their house and found that all their

463  
00:26:18,330 --> 00:26:15,550

animals were alive and there were horses

464

00:26:21,450 --> 00:26:18,340

there were there was a donkey

465

00:26:23,400 --> 00:26:21,460

there was like chickens and all kinds of

466

00:26:28,170 --> 00:26:23,410

animals that they just had to leave in

467

00:26:29,370 --> 00:26:28,180

the hurry of the storm and and they that

468

00:26:31,080 --> 00:26:29,380

was a good story you know one of the

469

00:26:32,970 --> 00:26:31,090

other stories I thought was really

470

00:26:36,780 --> 00:26:32,980

amazing was I don't know if you saw this

471

00:26:39,870 --> 00:26:36,790

but there was a line of trucks with

472

00:26:42,930 --> 00:26:39,880

boats on the back of them all these boat

473

00:26:44,610 --> 00:26:42,940

owners like took their trucks and their

474

00:26:46,170 --> 00:26:44,620

boats and they went out to help yeah I

475

00:26:48,480 --> 00:26:46,180

saw the big monster it's kind of like

476

00:26:50,820 --> 00:26:48,490

crazy in trucks boats and they're just

477

00:26:54,810 --> 00:26:50,830

they just went and they're safe people

478

00:26:58,170 --> 00:26:54,820

is really inspiring and lovely but I can

479

00:26:59,640 --> 00:26:58,180

imagine and there's that one that stupid

480

00:27:07,200 --> 00:26:59,650

preacher wherever his name is that

481

00:27:09,120 --> 00:27:07,210

dolostone Joel Osteen um he's not my

482

00:27:15,240 --> 00:27:09,130

favorites is true that just proves

483

00:27:19,440 --> 00:27:15,250

religion is [h\_\_\h] to me Oh sometimes

484

00:27:24,770 --> 00:27:19,450

I think I think about this kind of

485

00:27:28,200 --> 00:27:24,780

thought I had people are like trying to

486

00:27:32,940 --> 00:27:28,210

swim for their life and I'm worried that

487

00:27:35,220 --> 00:27:32,950

my phone 3G speed or 40 like the Wi-Fi

488

00:27:37,050 --> 00:27:35,230

isn't fast enough or the cell data isn't

489

00:27:38,430 --> 00:27:37,060

fast enough that's gonna [h\_\_h] I'm

490

00:27:40,770 --> 00:27:38,440

worried about meanwhile people on the

491

00:27:44,010 --> 00:27:40,780

East Coast you know are having a hard

492

00:27:45,300 --> 00:27:44,020

time it's kind of kind of stop and take

493

00:27:52,890 --> 00:27:45,310

a step back and put it in perspective

494

00:27:56,570 --> 00:27:52,900

for a minute mm-hmm but I just wish

495

00:27:59,640 --> 00:27:56,580

everybody the best how things are going

496

00:28:02,960 --> 00:27:59,650

how is anybody in those areas I wonder

497

00:28:05,790 --> 00:28:02,970

anybody that's I don't think so

498

00:28:11,850 --> 00:28:05,800

what could be I know

499

00:28:13,940 --> 00:28:11,860

UFO Jesus I even wear their word I know

500

00:28:18,030 --> 00:28:13,950

she's not quite where the hurricane was

501  
00:28:19,890 --> 00:28:18,040  
that's good Washington would you suffer

502  
00:28:21,810 --> 00:28:19,900  
here's a good fun fact re care

503  
00:28:23,730 --> 00:28:21,820  
Browning's property sustained some

504  
00:28:24,780 --> 00:28:23,740  
damage from the hurricane and map that's

505  
00:28:35,730 --> 00:28:24,790  
the original creature of the Black

506  
00:28:36,960 --> 00:28:35,740  
Lagoon that's interesting wow it's just

507  
00:28:40,290 --> 00:28:36,970  
been crazy it's just one thing after

508  
00:28:41,910 --> 00:28:40,300  
another and then the earth non-stop then

509  
00:28:43,680 --> 00:28:41,920  
you feel the earthquake in and then you

510  
00:28:46,560 --> 00:28:43,690  
come back to the United Nations today

511  
00:28:50,670 --> 00:28:46,570  
and from speech was very you know direct

512  
00:28:54,510 --> 00:28:50,680  
and very you know you was very forward

513  
00:28:57,480 --> 00:28:54,520

in pink words and it was crazy and kind

514

00:28:59,100 --> 00:28:57,490

of took people back but but when people

515

00:29:00,810 --> 00:28:59,110

are not swimming for their life other

516

00:29:02,850 --> 00:29:00,820

people hanging out the beach it's true

517

00:29:04,590 --> 00:29:02,860

there was you see there's a the biggest

518

00:29:06,650 --> 00:29:04,600

way and the guys are sitting on on this

519

00:29:09,360 --> 00:29:06,660

[h\_\_h] surfboard of surfing the wave

520

00:29:12,030 --> 00:29:09,370

like everything's cool I'm right in a

521

00:29:13,770 --> 00:29:12,040

[h\_\_h] hurricane wave where to go I

522

00:29:15,690 --> 00:29:13,780

don't know but it was cool did you hear

523

00:29:19,680 --> 00:29:15,700

they had to tell people don't shoot at

524

00:29:22,470 --> 00:29:19,690

the hurricane people thought that if

525

00:29:25,080 --> 00:29:22,480

they shot like at the hurricane the

526

00:29:29,190 --> 00:29:25,090

combined force woods or something stupid

527

00:29:33,960 --> 00:29:29,200

and what was happening was it would show

528

00:29:37,310 --> 00:29:33,970

that it did King and I saw that wave is

529

00:29:40,440 --> 00:29:37,320

spirit from each bullet is shout at it

530

00:29:44,010 --> 00:29:40,450

just went coming swallowed my girlfriend

531

00:29:48,750 --> 00:29:44,020

all up in her brain inside damn cat fur

532

00:29:49,340 --> 00:29:48,760

off my head I don't know whatever that's

533

00:29:51,510 --> 00:29:49,350

all I got

534

00:29:54,780 --> 00:29:51,520

that's actually pretty damn accurate

535

00:29:57,960 --> 00:29:54,790

story I'm sure someone out there has by

536

00:30:03,120 --> 00:29:57,970

the way any likeness is all coincidental

537

00:30:05,670 --> 00:30:03,130

so if that's your story sorry about it

538

00:30:09,300 --> 00:30:05,680

we he just made it up

539

00:30:12,660 --> 00:30:09,310

yeah it's made up story fits real okay

540

00:30:14,770 --> 00:30:12,670

look I saw a mean that made me laugh and

541

00:30:17,870 --> 00:30:14,780

it was

542

00:30:21,050 --> 00:30:17,880

okay I'm not laughing but the whole

543

00:30:23,960 --> 00:30:21,060

aisle of food was gone and it was a

544

00:30:25,460 --> 00:30:23,970

picture and it said suddenly people

545

00:30:27,740 --> 00:30:25,470

aren't gluten-free when a hurricane

546

00:30:34,670 --> 00:30:27,750

comes that's true and I was thinking to

547

00:30:39,020 --> 00:30:34,680

myself what what truth yeah you know I

548

00:30:41,060 --> 00:30:39,030

mean it's weird to be worrying about how

549

00:30:44,210 --> 00:30:41,070

much gluten or what you know how by how

550

00:30:46,940 --> 00:30:44,220

fast your downloads are win like you

551  
00:30:48,770 --> 00:30:46,950  
have four hurricanes back-to-back and

552  
00:30:55,940 --> 00:30:48,780  
there's change going on something's

553  
00:30:57,950 --> 00:30:55,950  
happening what more of the earthquakes

554  
00:31:03,350 --> 00:30:57,960  
in Mexico have made the surfing better

555  
00:31:05,450 --> 00:31:03,360  
or worse risk you're reading your

556  
00:31:11,140 --> 00:31:05,460  
comments I wonder what's going on with

557  
00:31:22,310 --> 00:31:20,690  
Wow um excuse me we stand together in

558  
00:31:26,960 --> 00:31:22,320  
our political uncorrect

559  
00:31:28,550 --> 00:31:26,970  
increments we're goof all just people we

560  
00:31:30,200 --> 00:31:28,560  
didn't claim to know or not know

561  
00:31:35,420 --> 00:31:30,210  
anything we're just here to prove if

562  
00:31:37,970 --> 00:31:35,430  
we're right or wrong we're going on a

563  
00:31:41,870 --> 00:31:37,980

trip you guys in October I could do but

564

00:31:46,310 --> 00:31:41,880

it's it's all over we're leaving for

565

00:31:56,030 --> 00:31:46,320

about yes Ari and like we said before

566

00:31:57,590 --> 00:31:56,040

and go find me you'll be one mobile

567

00:32:01,480 --> 00:31:57,600

supper ready to go who's got new it's

568

00:32:05,840 --> 00:32:01,490

got new shoes yeah because the last time

569

00:32:07,870 --> 00:32:05,850

she broke a heel on the tire and she

570

00:32:10,820 --> 00:32:07,880

popped the pump she popped the pump I

571

00:32:13,880 --> 00:32:10,830

just where guys can find that video on

572

00:32:17,030 --> 00:32:13,890

there you go Stevie on YouTube it's a

573

00:32:18,050 --> 00:32:17,040

journey to Roswell crash site and here

574

00:32:19,100 --> 00:32:18,060

we are literally out in the middle of

575

00:32:20,840 --> 00:32:19,110

Roswell you guys are probably heard this

576

00:32:26,480 --> 00:32:20,850

before but for any of you that any of

577

00:32:29,799 --> 00:32:26,490

you to viewers that are left I know you

578

00:32:32,570 --> 00:32:29,809

gotta just we just got to keep it up

579

00:32:34,820 --> 00:32:32,580

brought the middle of Roswell thousands

580

00:32:37,400 --> 00:32:34,830

of miles away from home hours away from

581

00:32:38,630 --> 00:32:37,410

anybody that could provide it watching

582

00:32:42,490 --> 00:32:38,640

there's two people watching who's

583

00:32:46,600 --> 00:32:42,500

watching and out yourself

584

00:32:50,419 --> 00:32:46,610

yes what the hell there's three views

585

00:32:51,860 --> 00:32:50,429

let me check the [h\_\_\h] people even me

586

00:32:53,650 --> 00:32:51,870

men yeah it looks like everybody just

587

00:32:56,840 --> 00:32:53,660

moved over pretty quickly to YouTube

588

00:32:58,610 --> 00:32:56,850

yeah cuz we're trying to do a tractor as

589

00:33:00,279 --> 00:32:58,620

much information to be honest with you

590

00:33:02,810 --> 00:33:00,289

we're kind of testing this I mean

591

00:33:07,669 --> 00:33:02,820

Ronnie's Dobson's in the room to be our

592

00:33:08,779 --> 00:33:07,679

official way of communication now so you

593

00:33:11,000 --> 00:33:08,789

know we'll have some different back

594

00:33:12,070 --> 00:33:11,010

hurricane hitting's and that's hitting

595

00:33:19,220 --> 00:33:12,080

right now

596

00:33:21,289 --> 00:33:19,230

where's the [h\_\_h] sensor Channel um I

597

00:33:24,409 --> 00:33:21,299

think AJ is gonna be coming back on the

598

00:33:28,659 --> 00:33:24,419

show there's like months and an onboard

599

00:33:31,720 --> 00:33:28,669

cannot wake up phase alarm Carla I think

600

00:33:36,860 --> 00:33:31,730

where's my tan abducted or she based it

601  
00:33:39,020 --> 00:33:36,870  
Arkansas Arkansas huh somewhere weird

602  
00:33:41,930 --> 00:33:39,030  
it's not turning on your [h\_\_h] TV

603  
00:33:44,360 --> 00:33:41,940  
shuts my TV oh there it is yeah it says

604  
00:33:46,970 --> 00:33:44,370  
what's that hey can you read well it's

605  
00:33:53,419 --> 00:33:46,980  
an [h\_\_h] note says please wait time

606  
00:33:58,669 --> 00:33:53,429  
this is oh you know yeah just leave it

607  
00:34:00,560 --> 00:33:58,679  
on here Tucker Carlson is on I didn't

608  
00:34:02,960 --> 00:34:00,570  
know you headed on this channel which is

609  
00:34:06,710 --> 00:34:02,970  
cast monthly spelling Trump oh god you

610  
00:34:08,419 --> 00:34:06,720  
guys well we might do that we might

611  
00:34:10,070 --> 00:34:08,429  
bring a live feed on the road trip of

612  
00:34:13,369 --> 00:34:10,080  
this well that's by the way we had a

613  
00:34:15,619 --> 00:34:13,379

question about that will if we donate to

614

00:34:19,220 --> 00:34:15,629

your GoFundMe how does that what does

615

00:34:22,669 --> 00:34:19,230

that mean that we're going with you well

616

00:34:25,430 --> 00:34:22,679

to clarify that that means like Joe said

617

00:34:28,730 --> 00:34:25,440

we're gonna livestream our adventure the

618

00:34:31,010 --> 00:34:28,740

whole way there is it be streamed on

619

00:34:32,960 --> 00:34:31,020

YouTube actually an Instagram and as

620

00:34:34,940 --> 00:34:32,970

long as we have access to Internet and

621

00:34:37,250 --> 00:34:34,950

we're not somewhere to obscure and even

622

00:34:40,040 --> 00:34:37,260

if we are somewhere out of the grid or

623

00:34:41,629 --> 00:34:40,050

somewhere off of the cell tower we will

624

00:34:50,479 --> 00:34:41,639

video it and share it

625

00:34:52,279 --> 00:34:50,489

course you know and if you guys that's

626

00:34:53,839 --> 00:34:52,289

what that means it doesn't mean if you

627

00:34:54,369 --> 00:34:53,849

donate we're all getting a bus and going

628

00:34:59,809 --> 00:34:54,379

together

629

00:35:01,729 --> 00:34:59,819

no that's actually a really good idea

630

00:35:02,150 --> 00:35:01,739

oh you would think of something like

631

00:35:07,609 --> 00:35:02,160

that

632

00:35:13,009 --> 00:35:07,619

get a bus everybody pays a seat fee and

633

00:35:16,569 --> 00:35:13,019

we take it on the great American UFO

634

00:35:20,210 --> 00:35:16,579

hotspot road trip with Emmett and Joe I

635

00:35:23,569 --> 00:35:20,220

mean look we have four people four

636

00:35:25,249 --> 00:35:23,579

people holy [h\_\_h] we go fill a bus look

637

00:35:28,579 --> 00:35:25,259

here's the thing cuz this is new to UT

638

00:35:31,549 --> 00:35:28,589

that [\h\_\_\h] on it do when we drop look

639

00:35:34,400 --> 00:35:31,559

we've had thousands of downloads by the

640

00:35:35,960 --> 00:35:34,410

way so while we only have maybe four

641

00:35:39,829 --> 00:35:35,970

viewers on YouTube right now we've had

642

00:35:43,400 --> 00:35:39,839

quite a few downloads oh it's almost

643

00:35:46,370 --> 00:35:43,410

nine o'clock so that means that [\h\_\_\h]

644

00:35:50,150 --> 00:35:46,380

midnight yeah Wow would you like to

645

00:35:51,739 --> 00:35:50,160

start the show earlier I don't know no

646

00:35:53,809 --> 00:35:51,749

you stick to your time and everybody

647

00:35:55,160 --> 00:35:53,819

else works around it you're the middle

648

00:35:56,870 --> 00:35:55,170

of a hurricane during well they want us

649

00:35:58,819 --> 00:35:56,880

to do it so we're gonna do it the first

650

00:36:01,370 --> 00:35:58,829

live handle probing is EB going yes it

651  
00:36:05,029 --> 00:36:01,380  
is going we're gonna probe cast there I

652  
00:36:09,499 --> 00:36:05,039  
have a really inappropriate video of Joe

653  
00:36:13,569 --> 00:36:09,509  
with a rubber alien maybe I'll put it on

654  
00:36:17,210 --> 00:36:13,579  
patreon yeah oh yeah the yeah mm-hmm oh

655  
00:36:21,109 --> 00:36:17,220  
no this was nice I am NOT putting that

656  
00:36:24,319 --> 00:36:21,119  
on actually no no no maybe maybe

657  
00:36:28,940 --> 00:36:24,329  
no thank you to our patrons we're up to

658  
00:36:32,710 --> 00:36:28,950  
seven now another seven seven patrons

659  
00:36:35,839 --> 00:36:32,720  
and we do have a goal of 150 a month and

660  
00:36:39,440 --> 00:36:35,849  
that is just going to help us upgrade

661  
00:36:40,609 --> 00:36:39,450  
our camera upgrade our show because the

662  
00:36:42,339 --> 00:36:40,619  
the current thing we're working out

663  
00:36:44,989 --> 00:36:42,349

right now is how to do an interview in

664

00:36:50,479 --> 00:36:44,999

this format that might be deposit if

665

00:36:52,640 --> 00:36:50,489

occult yeah thing because we've got

666

00:36:54,890 --> 00:36:52,650

maybe a Jay coming back we've got Jimmy

667

00:36:59,359 --> 00:36:54,900

Korbel Jeremy Korbel has a new

668

00:37:05,299 --> 00:36:59,369

movie I know I hang out with that guy

669

00:37:07,430 --> 00:37:05,309

yeah patient 17 and he's over going

670

00:37:08,720 --> 00:37:07,440

around the world promoting it and we're

671

00:37:11,260 --> 00:37:08,730

gonna have him on show to talk about

672

00:37:14,240 --> 00:37:11,270

exactly what this documentary is about

673

00:37:17,809 --> 00:37:14,250

and kind of give you guys a little bit

674

00:37:20,029 --> 00:37:17,819

of insight so you know what's what to

675

00:37:22,490 --> 00:37:20,039

expect no inflation no inflation of some

676  
00:37:24,380 --> 00:37:22,500  
sort Paul Kerr said I'm guessing this

677  
00:37:34,339 --> 00:37:24,390  
video involves inflation of some sort

678  
00:37:37,220 --> 00:37:34,349  
Oh inflation no insertion and it's not

679  
00:37:40,940 --> 00:37:37,230  
here right there it's not y'all man it's

680  
00:37:46,400 --> 00:37:40,950  
not this kind of alien it's like life

681  
00:37:58,039 --> 00:37:46,410  
like everything 100 you're older than I

682  
00:38:04,510 --> 00:37:58,049  
am Bowa technique the Irish that was

683  
00:38:08,390 --> 00:38:07,160  
have we talked about anything related to

684  
00:38:09,829 --> 00:38:08,400  
yeah well we talked about what we're

685  
00:38:12,440 --> 00:38:09,839  
talking about we talked about hurricanes

686  
00:38:15,410 --> 00:38:12,450  
we talked about it's just I don't know

687  
00:38:17,599 --> 00:38:15,420  
are you do you feel they asked you guys

688  
00:38:21,079 --> 00:38:17,609

this that are listening do you feel a

689

00:38:23,329 --> 00:38:21,089

little numb and I don't mean that or

690

00:38:26,450 --> 00:38:23,339

maybe I don't want to use the word jaded

691

00:38:29,059 --> 00:38:26,460

but and I don't mean to use that or say

692

00:38:34,039 --> 00:38:29,069

that responsibly or not empathetically

693

00:38:39,410 --> 00:38:34,049

or I mean it's just then so much in such

694

00:38:41,779 --> 00:38:39,420

a short amount of time that it's almost

695

00:38:44,470 --> 00:38:41,789

same same with the terrorist bombings

696

00:38:46,220 --> 00:38:44,480

and shootings it's like here we go again

697

00:38:49,760 --> 00:38:46,230

here we go again

698

00:38:51,349 --> 00:38:49,770

I mean I told you the other day every

699

00:38:59,569 --> 00:38:51,359

time North Korea shoots off a rocket I

700

00:39:03,170 --> 00:38:59,579

always text you I'm like I'm like they

701

00:39:05,750 --> 00:39:03,180

did it again and every time they do it

702

00:39:08,300 --> 00:39:05,760

we get terrified I'm not terrified

703

00:39:09,380 --> 00:39:08,310

well not terrified but you know

704

00:39:11,150 --> 00:39:09,390

there's troops there in the

705

00:39:15,440 --> 00:39:11,160

demilitarized zone there you know yeah I

706

00:39:17,060 --> 00:39:15,450

know there is that's true and uh one of

707

00:39:22,250 --> 00:39:17,070

our nephews is stationed out in South

708

00:39:25,040 --> 00:39:22,260

Korea yeah so so we're kind of nervous

709

00:39:27,440 --> 00:39:25,050

for him yeah and if North Korea is

710

00:39:33,290 --> 00:39:27,450

exterminated just try to keep it within

711

00:39:35,420 --> 00:39:33,300

the borders yeah he will blow himself

712

00:39:37,580 --> 00:39:35,430

eventually he'll stand around the friend

713

00:39:39,410 --> 00:39:37,590

that rocker go up it'll blow right above

714

00:39:41,480 --> 00:39:39,420

his head and not just to pay off well I

715

00:39:44,300 --> 00:39:41,490

know that we're considering knocking his

716

00:39:46,160 --> 00:39:44,310

test missiles down rather than just

717

00:39:48,200 --> 00:39:46,170

letting them do what they do I think

718

00:39:50,500 --> 00:39:48,210

they should like I heard it we're just

719

00:39:56,810 --> 00:39:50,510

gonna start intercepting them blow this

720

00:40:02,720 --> 00:39:56,820

out of the sky show junk home moon we're

721

00:40:06,890 --> 00:40:02,730

not farting around where does this plane

722

00:40:08,600 --> 00:40:06,900

with aliens I mean we they haven't

723

00:40:11,150 --> 00:40:08,610

interceded yet maybe things aren't bad

724

00:40:15,250 --> 00:40:11,160

enough and then the question becomes if

725

00:40:20,120 --> 00:40:15,260

aliens do make themselves massively

726

00:40:21,200 --> 00:40:20,130

present that would be also known as the

727

00:40:23,780 --> 00:40:21,210

second coming

728

00:40:25,700 --> 00:40:23,790

of what well people call this second

729

00:40:27,970 --> 00:40:25,710

coming of Jesus but what is his second

730

00:40:40,570 --> 00:40:27,980

second coming of roast beef sandwich

731

00:40:49,730 --> 00:40:42,320

yeah that's the problem

732

00:40:52,270 --> 00:40:49,740

exactly what he said I don't I don't

733

00:40:59,690 --> 00:40:52,280

think we shall blow up China because no

734

00:41:01,790 --> 00:40:59,700

EB was made in China and in China Phoebe

735

00:41:03,620 --> 00:41:01,800

was ate in China and we actually have a

736

00:41:06,890 --> 00:41:03,630

few of his relatives around we have a

737

00:41:11,140 --> 00:41:06,900

giant-ass one it's like he's eight foot

738

00:41:11,150 --> 00:41:22,150

[Music]

739

00:41:37,730 --> 00:41:32,589

see big this is a big-ass hammer jammer

740

00:41:45,650 --> 00:41:37,740

he's coming oh I feel so much better

741

00:41:48,710 --> 00:41:45,660

thank you get the feet why do you hit me

742

00:41:53,329 --> 00:41:48,720

743

00:41:55,910 --> 00:41:53,339

763

00:43:14,930 --> 00:43:12,359

out okay I'm just saying budget

764

00:43:17,510 --> 00:43:14,940

stretched you know each child is a is a

765

00:43:19,099 --> 00:43:17,520

is a minimum life costs of something

766

00:43:21,079 --> 00:43:19,109

like a quarter to a half a million

767

00:43:25,349 --> 00:43:21,089

dollars so you just cry some 1 million

768

00:43:30,249 --> 00:43:25,359

there no you're in debt significantly

769

00:43:31,630 --> 00:43:30,259

we're gonna continue bringing you any

774

00:43:45,430 --> 00:43:43,670

breaking UFO stuff Jace is Count Chocula

775

00:43:48,609 --> 00:43:45,440

time I think there's foodie pebbles Oh

776

00:43:50,769 --> 00:43:48,619

stay out of hurricanes guys stay out of

777

00:43:51,759 --> 00:43:50,779

them stay away from run from them it'll

778

00:43:53,499 --> 00:43:51,769

grab your own Alex

779

00:43:54,729 --> 00:43:53,509

watch where you're donating make sure

780

00:43:57,489 --> 00:43:54,739

you research it don't just blindly

781

00:43:58,839 --> 00:43:57,499

donate to the Red Cross yeah just make

782

00:43:59,890 --> 00:43:58,849

sure you find a really good cause for

783

00:44:02,859 --> 00:43:59,900

the hurricane we don't have anything

784

00:44:05,079 --> 00:44:02,869

personally because yeah we don't know so

785

00:44:07,269 --> 00:44:05,089

so while you're donating to them you may

786

00:44:08,979 --> 00:44:07,279

as well just go right on ahead no but I

787

00:44:10,599 --> 00:44:08,989

think for right now the good donations

788

00:44:12,700 --> 00:44:10,609

go into the hurricane which is helping

789

00:44:14,650 --> 00:44:12,710

everybody I think that's and after

790

00:44:19,479 --> 00:44:14,660

that's over with you ain't concentrate

791

00:44:20,499 --> 00:44:19,489

just you guys yep it's just us we're not

798

00:44:44,259 --> 00:44:40,940

actually doing the show the podcasts

799

00:44:47,289 --> 00:44:44,269

anymore so we don't have to run 17

800

00:44:48,789 --> 00:44:47,299

things at one time so we thought we

801  
00:44:54,130 --> 00:44:48,799  
would stay on and chat some more with

802  
00:44:55,930 --> 00:44:54,140  
our YouTube viewers router I just

803  
00:45:00,269 --> 00:44:55,940

820

847

00:47:10,370 --> 00:47:07,140

I could eat cereal like you said just

848

00:47:11,660 --> 00:47:10,380

849

00:47:12,650 --> 00:47:11,670

853  
00:47:26,319 --> 00:47:21,950

854  
00:47:28,150 --> 00:47:26,329  
did you watch by the way the Emmys oh oh

855  
00:47:29,589 --> 00:47:28,160  
I work [\h\_\_\h] till like 11 o'clock at

856  
00:47:32,740 --> 00:47:29,599  
night and then 12 hour I don't have time

857  
00:47:35,799 --> 00:47:32,750  
to do anything well it wasn't that it

858  
00:47:37,539 --> 00:47:35,809  
was very Emmy you know a bunch of people

859  
00:47:39,700 --> 00:47:37,549  
you don't know getting awards pretty

860  
00:47:42,880 --> 00:47:39,710  
much but you keep off your list and I

861  
00:47:45,900 --> 00:47:42,890  
should really follow celebrities but I

862  
00:47:49,510 --> 00:47:45,910  
don't do that I can't oh my god tricks

863  
00:47:51,280 --> 00:47:49,520

looks like rabbit poop it never used to

864

00:47:54,130 --> 00:47:51,290

be it used to have little shapes

865

00:47:56,020 --> 00:47:54,140

oh the back didn't they do you guys

866

00:48:00,099 --> 00:47:56,030

remember that when Trix it was like a

867

00:48:05,230 --> 00:48:00,109

little lemon a little berry or whatever

868

00:48:11,170 --> 00:48:05,240

had its own shape like that was it was a

869

00:48:15,760 --> 00:48:11,180

while ago like 93 93 94 that long ago

870

00:48:17,799 --> 00:48:15,770

yeah I remember cuz we moved into that

871

00:48:20,319 --> 00:48:17,809

apartment downstairs mom and dad long

872

00:48:22,750 --> 00:48:20,329

[h\_\_\h] time ago the first serial bot

873

00:48:25,089 --> 00:48:22,760

was that in your house wow that's a very

874

00:48:27,039 --> 00:48:25,099

specific memory that's what I have all

875

00:48:29,440 --> 00:48:27,049

the time I'm constantly it's what they

876

00:48:31,839 --> 00:48:29,450

do maybe a suspension thing I don't know

877

00:48:34,720 --> 00:48:31,849

well I think we should probably wrap it

878

00:48:38,049 --> 00:48:34,730

up - yeah thank you guys for being uh

879

00:48:41,020 --> 00:48:38,059

with us on YouTube were on every Tuesday

880

00:48:43,059 --> 00:48:41,030

we're gonna do our back 9 9 8 9

881

00:48:44,470 --> 00:48:43,069

somewhere narrow as we get better at

882
