

1
00:01:33,280 --> 00:01:26,160

[Music]

2
00:01:35,410 --> 00:01:33,290

UFO Bros hey everyone is Giorgio

3
00:01:39,850 --> 00:01:35,420

tsoukalos from ancient aliens and you're

4
00:01:43,180 --> 00:01:39,860

experiencing UFO Bros TV yeah we did

5
00:01:48,820 --> 00:01:43,190

oh we have everybody on in it

6
00:01:49,990 --> 00:01:48,830

Joe here and we are the UFO Bros and I'm

7
00:01:52,990 --> 00:01:50,000

not you live from a totally different

8
00:01:55,120 --> 00:01:53,000

facility today miss Ellen Todd by the

9
00:01:57,100 --> 00:01:55,130

way joy like a facade of the facility on

10
00:02:00,550 --> 00:01:57,110

the full silicide I really like your hat

11
00:02:04,560 --> 00:02:00,560

good for you I feel like you should be

12
00:02:07,300 --> 00:02:04,570

carrying like golf clubs or something oh

13
00:02:10,680 --> 00:02:07,310

I heard it's an authentic authentic from

14

00:02:14,980 --> 00:02:10,690

that from Ireland

15

00:02:18,580 --> 00:02:14,990

it's beautiful oh it's definitely a

16

00:02:21,040 --> 00:02:18,590

change up in international yeah so guys

17

00:02:23,350 --> 00:02:21,050

we okay we've been on kind of a break

18

00:02:25,270 --> 00:02:23,360

and to be honest with you we've had some

19

00:02:26,410 --> 00:02:25,280

significant technical difficulties but I

20

00:02:31,000 --> 00:02:26,420

think we've been able to get thing

21

00:02:33,220 --> 00:02:31,010

worked out yep we did so today we're in

22

00:02:36,970 --> 00:02:33,230

a different place with a higher internet

23

00:02:39,130 --> 00:02:36,980

connection speed so that will hopefully

24

00:02:41,890 --> 00:02:39,140

make everything sound better and Mister

25

00:02:43,150 --> 00:02:41,900

better so yeah welcome welcome

26
00:02:45,580 --> 00:02:43,160
we're gonna be talking about some cool

27
00:02:49,180 --> 00:02:45,590
stuff today we really get a chance to

28
00:03:02,229 --> 00:02:49,190
cover this in the last show but as you

29
00:03:06,789 --> 00:03:02,239
know sorry with you as you know Tom

30
00:03:08,080 --> 00:03:06,799
DeLonge recently you sure about this Joe

31
00:03:11,050 --> 00:03:08,090
of course you have because we've talked

32
00:03:13,570 --> 00:03:11,060
about this month along came out saying

33
00:03:16,300 --> 00:03:13,580
he's coming along the long run created a

34
00:03:21,850 --> 00:03:16,310
public company for the public to invest

35
00:03:23,800 --> 00:03:21,860
in the development of aliens and their

36
00:03:27,069 --> 00:03:23,810
technology sorry alien technology hey

37
00:03:33,099 --> 00:03:27,079
mr. Dreier number two \$100,000 for his

38
00:03:35,560 --> 00:03:33,109

movie so there is some speculation out

39

00:03:38,229 --> 00:03:35,570

there on the interwebs as to whether or

40

00:03:41,229 --> 00:03:38,239

not this is just a money-making scheme

41

00:03:42,509 --> 00:03:41,239

or if this is real and he clearly

42

00:03:45,370 --> 00:03:42,519

intended to bring the technology

43

00:03:47,379 --> 00:03:45,380

money-making schemes going around one I

44

00:03:50,979 --> 00:03:47,389

could say is it has a you in it

45

00:04:00,030 --> 00:03:50,989

beginning of it and it has I think at

46

00:04:06,670 --> 00:04:03,840

good job we did it yeah we did

47

00:04:07,390 --> 00:04:06,680

by the way off topic what we were

48

00:04:08,740 --> 00:04:07,400

talking about we were at the

49

00:04:09,759 --> 00:04:08,750

unacknowledged premiere by the way I

50

00:04:10,240 --> 00:04:09,769

don't think a lot of people know that we

51
00:04:12,250 --> 00:04:10,250
were right

52
00:04:15,370 --> 00:04:12,260
we were front row we were this close

53
00:04:19,810 --> 00:04:15,380
friend I can smell him dr. Greer I was

54
00:04:22,780 --> 00:04:19,820
so close by the way I believe dr. Greer

55
00:04:24,970 --> 00:04:22,790
carries a gun me my concealed weapon

56
00:04:31,000 --> 00:04:24,980
well you get those three stick figures

57
00:04:32,770 --> 00:04:31,010
that run around him that guy hey he's

58
00:04:34,420 --> 00:04:32,780
interesting I wonder what he's up to

59
00:04:39,879 --> 00:04:34,430
lately all that money and all that time

60
00:04:42,240 --> 00:04:39,889
he's teeth are still what I'm saying I

61
00:04:44,100 --> 00:04:42,250
can't I

62
00:04:45,720 --> 00:04:44,110
I swear if you're in the front row and

63
00:04:48,980 --> 00:04:45,730

you watch the UH knowledge like we did

64

00:04:51,780 --> 00:04:48,990

is teeth or about fifteen feet long

65

00:04:53,190 --> 00:04:51,790

huge do you know how many negative

66

00:04:57,630 --> 00:04:53,200

reviews we have on our unacknowledged

67

00:04:59,730 --> 00:04:57,640

well yeah tons I know I I wasn't a fan I

68

00:05:02,370 --> 00:04:59,740

wasn't if he were so damn angry about it

69

00:05:04,410 --> 00:05:02,380

it's like come on guys what you take

70

00:05:07,200 --> 00:05:04,420

everything so damn seriously come on I

71

00:05:09,330 --> 00:05:07,210

mean it's true what was presented in the

72

00:05:11,730 --> 00:05:09,340

documentary you can find online or on

73

00:05:13,020 --> 00:05:11,740

YouTube what I'm saying is we're did a

74

00:05:16,080 --> 00:05:13,030

fantastic job of putting all that

75

00:05:18,990 --> 00:05:16,090

information together and beautifully

76

00:05:21,710 --> 00:05:19,000

presented was it

77

00:05:25,620 --> 00:05:21,720

we had generous donations of up to

78

00:05:28,920 --> 00:05:25,630

\$100,000 we want to thank you all my ass

79

00:05:30,630 --> 00:05:28,930

what about what about it it's too much

80

00:05:34,260 --> 00:05:30,640

yeah I don't really want to talk about

81

00:05:37,680 --> 00:05:34,270

that but that's what nonetheless there

82

00:05:39,330 --> 00:05:37,690

is a new look you guys I have a giant

83

00:05:43,920 --> 00:05:39,340

red stronger and use this to direct

84

00:05:49,110 --> 00:05:43,930

today so watch out okay all right

85

00:05:54,930 --> 00:05:49,120

oh the patient 17 is an awesome meister

86

00:05:57,300 --> 00:05:54,940

journey home if you're watching Jeremy I

87

00:05:59,820 --> 00:05:57,310

guess you have your own brand new theme

88

00:06:03,730 --> 00:05:59,830

song how's that go again Joe turn

89

00:06:08,860 --> 00:06:07,680

yeah you know what cut wrap it go to

90

00:06:11,020 --> 00:06:08,870

post-production

91

00:06:13,420 --> 00:06:11,030

I think we'll send that off to them

92

00:06:15,250 --> 00:06:13,430

we'll send it off well you put together

93

00:06:16,180 --> 00:06:15,260

an amazing documentary called patients

94

00:06:18,310 --> 00:06:16,190

are watching

95

00:06:19,420 --> 00:06:18,320

I enjoy now that one is worth investing

96

00:06:21,430 --> 00:06:19,430

in if you want to invest with this

97

00:06:24,850 --> 00:06:21,440

firing gentlemen I'm Jeremy Cavallo and

98

00:06:27,670 --> 00:06:24,860

I'll tell you why a lot of the

99

00:06:31,350 --> 00:06:27,680

documentaries there isn't any attempt to

100

00:06:34,720 --> 00:06:31,360

necessarily provide evidence of anything

101
00:06:36,310 --> 00:06:34,730
the evidence is not tangible so I

102
00:06:38,530 --> 00:06:36,320
witness you know

103
00:06:40,120 --> 00:06:38,540
testimony is not tangible even though

104
00:06:42,400 --> 00:06:40,130
you've had ten people say the same thing

105
00:06:44,350 --> 00:06:42,410
it's still not tangible there's nothing

106
00:06:48,550 --> 00:06:44,360
to touch nothing to feel that's a test I

107
00:06:52,750 --> 00:06:48,560
can't hear what you say okay who are you

108
00:06:54,070 --> 00:06:52,760
talking to all that in I gotta get a

109
00:06:57,750 --> 00:06:54,080
drink so say something smart

110
00:07:05,860 --> 00:06:57,760
uh yeah I'm sure smart smart smart smart

111
00:07:08,200 --> 00:07:05,870
SM RT okay um look I said little Milk

112
00:07:10,300 --> 00:07:08,210
Duds been rolled in hair Oh what was I

113
00:07:13,870 --> 00:07:10,310

talking about patient 17 yeah they're a

114

00:07:17,080 --> 00:07:13,880

bell so like we were saying there are

115

00:07:20,410 --> 00:07:17,090

implants that 10 years have been

116

00:07:22,060 --> 00:07:20,420

routinely extracted from abductees or

117

00:07:23,920 --> 00:07:22,070

experiencers or people have said they've

118

00:07:26,170 --> 00:07:23,930

been abducted by extraterrestrials and

119

00:07:32,830 --> 00:07:26,180

the weird thing about these implants is

120

00:07:43,680 --> 00:07:32,840

they contain typically different isotope

121

00:07:47,050 --> 00:07:43,690

ik touch my high in they have different

122

00:07:48,460 --> 00:07:47,060

the elements have a different isotope of

123

00:07:52,450 --> 00:07:48,470

certain elements that don't necessarily

124

00:07:55,180 --> 00:07:52,460

own actually occur on earth and it

125

00:07:58,030 --> 00:07:55,190

follows a patient part of a meteorite

126

00:08:00,130 --> 00:07:58,040

that was that they said as part of it or

127

00:08:02,860 --> 00:08:00,140

that it was from space it wasn't is from

128

00:08:04,990 --> 00:08:02,870

nothing from here yeah it was not from

129

00:08:06,480 --> 00:08:05,000

Earth so when I next to the bone but

130

00:08:10,210 --> 00:08:06,490

anyway

131

00:08:11,950 --> 00:08:10,220

it follows gentleman as he gets it

132

00:08:14,920 --> 00:08:11,960

extracted and they attempt to test it

133

00:08:16,480 --> 00:08:14,930

germ even takes it to you know different

134

00:08:18,790 --> 00:08:16,490

scientists to get

135

00:08:22,210 --> 00:08:18,800

actual input and it's something tangible

136

00:08:24,760 --> 00:08:22,220

it's something that you'll have to watch

137

00:08:25,930 --> 00:08:24,770

and see what you come up with it's great

138

00:08:28,719 --> 00:08:25,940

so make sure you check it out on iTunes

139

00:08:31,390 --> 00:08:28,729

it's available and I think it's gonna be

140

00:08:32,199 --> 00:08:31,400

on Netflix but soon also you can go on

141

00:08:37,149 --> 00:08:32,209

our to buy it

142

00:08:41,980 --> 00:08:37,159

horizon's' website it's 99 99 99 99 99

143

00:08:46,740 --> 00:08:41,990

yes yes beautiful

144

00:08:49,630 --> 00:08:46,750

we had enough now well what do you need

145

00:08:53,620 --> 00:08:49,640

but so we want to tell you guys we had a

146

00:08:56,440 --> 00:08:53,630

little venture we're really good time

147

00:08:58,750 --> 00:08:56,450

recently we've been off the chains and

148

00:09:02,290 --> 00:08:58,760

off the charts we have not been able to

149

00:09:03,900 --> 00:09:02,300

do any kind of podcasting or shows of

150

00:09:07,420 --> 00:09:03,910

any kind for the past about 4 weeks

151
00:09:09,519 --> 00:09:07,430
because we did some significant prep for

152
00:09:13,240 --> 00:09:09,529
our trip to needles California here's

153
00:09:15,190 --> 00:09:13,250
the deal we can't necessarily actually

154
00:09:18,699 --> 00:09:15,200
disclose everything because we're right

155
00:09:20,110 --> 00:09:18,709
in the middle of you know seeing certain

156
00:09:22,840 --> 00:09:20,120
legal things certain things certain

157
00:09:24,840 --> 00:09:22,850
things about this particular spot we had

158
00:09:27,190 --> 00:09:24,850
to take extra precautions so we're

159
00:09:28,960 --> 00:09:27,200
waiting before we talk about that so

160
00:09:30,400 --> 00:09:28,970
just just know that at some point we'll

161
00:09:31,960 --> 00:09:30,410
be able to bring that out I'm sorry I'm

162
00:09:33,670 --> 00:09:31,970
totally Tom DeLonge nu ray are you

163
00:09:35,650 --> 00:09:33,680

getting Tom DeLonge right now give me a

164

00:09:38,019 --> 00:09:35,660

thumbs up for Tom DeLonge at you yeah

165

00:09:39,329 --> 00:09:38,029

I'm so sorry but it'll be soon

166

00:09:41,319 --> 00:09:39,339

at least we're telling you what it is

167

00:09:44,800 --> 00:09:41,329

we're not starting a public company

168

00:09:46,690 --> 00:09:44,810

right no okay no by the way it's not

169

00:09:48,670 --> 00:09:46,700

disclosure so I'm not like holding on a

170

00:09:51,519 --> 00:09:48,680

disclosure it's just about our trip to

171

00:09:54,790 --> 00:09:51,529

needles actually it's um it's more like

172

00:09:56,260 --> 00:09:54,800

a giant trailer park it is it's a

173

00:09:58,449 --> 00:09:56,270

deserted trailer park which is

174

00:10:00,010 --> 00:09:58,459

odds-and-ends thrown in with amazing

175

00:10:00,460 --> 00:10:00,020

people some people are home I look at

176
00:10:02,199 --> 00:10:00,470
mark

177
00:10:05,110 --> 00:10:02,209
awesome awesome very very friendly

178
00:10:07,900 --> 00:10:05,120
people we met some really cool people we

179
00:10:13,000 --> 00:10:07,910
were at a gas station stop before

180
00:10:15,430 --> 00:10:13,010
needles and we had some people came over

181
00:10:16,660 --> 00:10:15,440
and asked us kind of what we were up to

182
00:10:18,550 --> 00:10:16,670
and we were saying hey we're the UFO

183
00:10:22,510 --> 00:10:18,560
Bros and we're looking for you know a

184
00:10:24,400 --> 00:10:22,520
crash and they were really nice and all

185
00:10:26,140 --> 00:10:24,410
the people in that area seemed to be

186
00:10:28,380 --> 00:10:26,150
very much like that so we enjoyed

187
00:10:30,410 --> 00:10:28,390
ourselves but we

188
00:10:33,210 --> 00:10:30,420

we're on the adventure of a lifetime and

189

00:10:36,480 --> 00:10:33,220

that's all I could tell that's all I

190

00:10:40,230 --> 00:10:36,490

know four weeks of no updates and now

191

00:10:44,550 --> 00:10:40,240

this but it's gonna be worth it yeah

192

00:10:47,550 --> 00:10:44,560

it's not like world-changing information

193

00:10:49,050 --> 00:10:47,560

it's just exciting and fun stuff you

194

00:10:52,079 --> 00:10:49,060

know if you can't say that it was it

195

00:10:55,250 --> 00:10:52,089

what if it could be life-changing look a

196

00:10:58,050 --> 00:10:55,260

really good friend of mine once told me

197

00:11:01,620 --> 00:10:58,060

just do the things you love to do and

198

00:11:05,130 --> 00:11:01,630

have fun yes and that's exactly what rip

199

00:11:08,400 --> 00:11:05,140

was and we intend to by the way we fully

200

00:11:12,449 --> 00:11:08,410

intend to make it to both contact in the

201
00:11:14,009 --> 00:11:12,459
desert 2018 as well as alien con 2018 so

202
00:11:18,569 --> 00:11:14,019
if you guys are gonna be going there we

203
00:11:20,880 --> 00:11:18,579
plan to eat there yes with bells on yes

204
00:11:23,340 --> 00:11:20,890
and if we had a tent and we sold some

205
00:11:25,050 --> 00:11:23,350
things would you buy him some snow drop

206
00:11:28,410 --> 00:11:25,060
it in the comments I wonder if anybody's

207
00:11:30,810 --> 00:11:28,420
actually like chatting with us all chris

208
00:11:33,060 --> 00:11:30,820
is here he's always how come you are

209
00:11:35,519 --> 00:11:33,070
better than that

210
00:11:36,389 --> 00:11:35,529
Paul the reason hey guys by the way for

211
00:11:40,439 --> 00:11:36,399
those of you listening

212
00:11:42,540 --> 00:11:40,449
we don't speak a problem we are looking

213
00:11:45,180 --> 00:11:42,550

at the live chat in our YouTube live

214

00:11:46,740 --> 00:11:45,190

right now by the way if you don't know

215

00:11:48,960 --> 00:11:46,750

and you're listening to us on the

216

00:11:50,780 --> 00:11:48,970

podcast you can check out the live

217

00:11:54,780 --> 00:11:50,790

podcast on our youtube channel

218

00:11:57,210 --> 00:11:54,790

youtube.com forward slash UFO Bros TV so

219

00:12:01,199 --> 00:11:57,220

here we are chatting with mr. Paul one

220

00:12:02,699 --> 00:12:01,209

of our faves one watching oh and he says

221

00:12:04,470 --> 00:12:02,709

that why we are not live on Spreaker

222

00:12:07,470 --> 00:12:04,480

we're going to be back on Spreaker next

223

00:12:10,259 --> 00:12:07,480

week just to ensure that we could get

224

00:12:12,840 --> 00:12:10,269

the show going and that we had a probe

225

00:12:14,850 --> 00:12:12,850

cast we just decided to make sure the

226

00:12:18,780 --> 00:12:14,860

YouTube live was totally working and

227

00:12:21,120 --> 00:12:18,790

then we're working will rework Spreaker

228

00:12:23,519 --> 00:12:21,130

back into that so we'll be able to be

229

00:12:26,880 --> 00:12:23,529

live and chatting on both platforms so

230

00:12:28,470 --> 00:12:26,890

hope that answers your question so we

231

00:12:29,880 --> 00:12:28,480

got one life person but you know what

232

00:12:32,400 --> 00:12:29,890

that's Paul hey Paul

233

00:12:34,960 --> 00:12:32,410

hi I'm Paul yeah but you know we still

234

00:12:38,319 --> 00:12:34,970

have plenty to talk about I

235

00:12:42,129 --> 00:12:38,329

so neither is one person yeah we'll just

236

00:12:45,040 --> 00:12:42,139

talk to Paul he cares by the way Paul is

237

00:12:47,679 --> 00:12:45,050

a patron if you don't know about that

238

00:12:50,619 --> 00:12:47,689

you can only support us like maybe it

239

00:12:53,579 --> 00:12:50,629

like maybe in a way a grandma might you

240

00:12:56,199 --> 00:12:53,589

know five bucks every once in a while

241

00:12:58,449 --> 00:12:56,209

good imitation you know patreon.com

242

00:12:59,740 --> 00:12:58,459

forward slash wheel foot Bros TV if you

243

00:13:02,889 --> 00:12:59,750

like what we're doing you can give us a

244

00:13:06,730 --> 00:13:02,899

granny high five grand I'm dolla you

245

00:13:08,490 --> 00:13:06,740

know Oh make you holla no actually I

246

00:13:11,019 --> 00:13:08,500

think somebody offered me a shiny

247

00:13:13,629 --> 00:13:11,029

something to pull some weeds and I was

248

00:13:15,910 --> 00:13:13,639

like [h__h] you are getting weeds for

249

00:13:20,980 --> 00:13:15,920

some change I think she was stuck in

250

00:13:23,740 --> 00:13:20,990

like 1914 shining horn if you pull out

251
00:13:25,720 --> 00:13:23,750
that was weeds over there then you just

252
00:13:28,119 --> 00:13:25,730
say look you would look at her say what

253
00:13:30,429 --> 00:13:28,129
can i buy with a quarter lady but she

254
00:13:35,110 --> 00:13:30,439
was so sweet and so nice he thought she

255
00:13:40,090 --> 00:13:35,120
was being so so like well giving and I

256
00:13:42,910 --> 00:13:40,100
was totally like salty about it you

257
00:13:44,499 --> 00:13:42,920
ungrateful bastard I know hey I like it

258
00:13:48,129 --> 00:13:44,509
when you're engaged in you know you need

259
00:13:49,689 --> 00:13:48,139
to shut it okay um well we are going to

260
00:13:50,740 --> 00:13:49,699
tell you a little bit about like the

261
00:13:54,939 --> 00:13:50,750
next thing we're going to be going on

262
00:13:58,949 --> 00:13:54,949
we're gonna we intend to really check

263
00:14:02,110 --> 00:13:58,959

out the Kingsmen Arizona crash there's

264

00:14:04,660 --> 00:14:02,120

more and more evidence stacking up right

265

00:14:06,160 --> 00:14:04,670

now about that and we were able to

266

00:14:08,290 --> 00:14:06,170

contact some people that have some

267

00:14:11,379 --> 00:14:08,300

inside knowledge about that so we're

268

00:14:14,470 --> 00:14:11,389

hoping to be able to make that happen on

269

00:14:17,410 --> 00:14:14,480

another trip soon so you know if you

270

00:14:19,600 --> 00:14:17,420

want to granny in granny up but patreon

271

00:14:21,790 --> 00:14:19,610

passed us of five maybe we will pull

272

00:14:23,410 --> 00:14:21,800

some weeds we'll plant some flowers

273

00:14:25,449 --> 00:14:23,420

whatever you need mowed the lawn shows

274

00:14:28,090 --> 00:14:25,459

really good at that while you stand

275

00:14:33,400 --> 00:14:28,100

there and fan yourself shirt well look

276

00:14:38,259 --> 00:14:33,410

when I'm hot I'm hot and that's just how

277

00:14:43,269 --> 00:14:38,269

it goes you look bored as [\h__\h] what

278

00:14:46,860 --> 00:14:43,279

we're wearing and what do you mean where

279

00:14:49,300 --> 00:14:46,870

do I look bored I just say it's bored

280

00:14:52,180 --> 00:14:49,310

I'm much I'm that boredom hanging out

281

00:14:53,920 --> 00:14:52,190

with my bro bro who by the way roasted

282

00:14:56,770 --> 00:14:53,930

me on a continual basis that's what I do

283

00:15:00,790 --> 00:14:56,780

that's why what you have are Corrado by

284

00:15:02,050 --> 00:15:00,800

roasting my races as well somebody would

285

00:15:03,460 --> 00:15:02,060

have roasted these goddamn cashews

286

00:15:05,380 --> 00:15:03,470

though because they are not roasted

287

00:15:08,250 --> 00:15:05,390

they're just whole cashews yeah I'm

288

00:15:10,150 --> 00:15:08,260

supposed to button and by the way

289

00:15:12,130 --> 00:15:10,160

imperial nuts if you could send us a

290

00:15:15,670 --> 00:15:12,140

check for this one person marching

291

00:15:17,440 --> 00:15:15,680

that'd be great on to the next thing

292

00:15:21,790 --> 00:15:17,450

that JFK files did you hear about this

293

00:15:24,210 --> 00:15:21,800

Joe no oh my gosh did you find something

294

00:15:28,090 --> 00:15:24,220

I didn't know it actually made

295

00:15:32,650 --> 00:15:28,100

mainstream news that Trump at this point

296

00:15:35,830 --> 00:15:32,660

is going to allow the release of the

297

00:15:38,200 --> 00:15:35,840

secret JFK files and documents [h__\h]

298

00:15:40,780 --> 00:15:38,210

which were set in the 90s to be released

299

00:15:43,530 --> 00:15:40,790

this year and the President does have

300

00:15:46,450 --> 00:15:43,540

the option to extend that secretiveness

301
00:15:48,640 --> 00:15:46,460
further out in time but Trump at this

302
00:15:50,200 --> 00:15:48,650
point is saying he's fine with it going

303
00:15:54,640 --> 00:15:50,210
ahead and moving forward and letting us

304
00:15:56,650 --> 00:15:54,650
see what well we can find and I wonder

305
00:15:59,320 --> 00:15:56,660
if it will lend to any conspiracy

306
00:16:02,530 --> 00:15:59,330
theorists ideas about how and why and

307
00:16:05,320 --> 00:16:02,540
who assassinated JFK and was that tied

308
00:16:07,270 --> 00:16:05,330
with Marilyn Monroe as you know if you

309
00:16:09,430 --> 00:16:07,280
haven't check out our broadcasts on

310
00:16:11,260 --> 00:16:09,440
Marilyn Monroe where we show and talk

311
00:16:12,430 --> 00:16:11,270
about the documents oh we don't show

312
00:16:14,500 --> 00:16:12,440
because we didn't actually have a video

313
00:16:18,220 --> 00:16:14,510

back then but we talked about a document

314

00:16:20,530 --> 00:16:18,230

that's basically a death document from

315

00:16:22,510 --> 00:16:20,540

Marilyn Monroe somebody had water tapped

316

00:16:25,450 --> 00:16:22,520

her yes that's what she was saying is

317

00:16:27,850 --> 00:16:25,460

it's almost wiretapping her phone when

318

00:16:30,400 --> 00:16:27,860

she called her guy I forgot the name of

319

00:16:32,110 --> 00:16:30,410

the guy she called him and he didn't

320

00:16:33,580 --> 00:16:32,120

answer the phone because she was having

321

00:16:36,370 --> 00:16:33,590

problems all of a sudden that's when she

322

00:16:39,850 --> 00:16:36,380

found her Hannah story's going downhill

323

00:16:41,590 --> 00:16:39,860

very quickly so according to you she got

324

00:16:44,380 --> 00:16:41,600

on the thing she called her friend and

325

00:16:46,300 --> 00:16:44,390

then she wired tapped and then she that

326

00:16:47,890 --> 00:16:46,310

she no no seeing without her phone was

327

00:16:50,290 --> 00:16:47,900

wired had yes

328

00:16:52,120 --> 00:16:50,300

in that document clearly verifies the

329

00:16:59,940 --> 00:16:52,130

fact that it was if it is indeed a true

330

00:17:10,449 --> 00:17:09,549

okay I'm not fine we're having a good

331

00:17:13,199 --> 00:17:10,459

time hope you guys are having a good

332

00:17:15,809 --> 00:17:13,209

time too if you're listening to us on

333

00:17:17,860 --> 00:17:15,819

podcast thank you

334

00:17:19,780 --> 00:17:17,870

we're trying to bring you the latest in

335

00:17:21,520 --> 00:17:19,790

the greatest so Tom DeLonge along that

336

00:17:23,710 --> 00:17:21,530

along is gonna build a spaceship we're

337

00:17:25,299 --> 00:17:23,720

gonna kind of rap rap rap rap we're

338

00:17:30,640 --> 00:17:25,309

gonna wrap around back to Tom DeLonge

339

00:17:36,460 --> 00:17:30,650

you know we're gonna wrap around to Tom

340

00:17:38,980 --> 00:17:36,470

DeLonge drawn if you say it say say blah

341

00:17:40,810 --> 00:17:38,990

it's pronounced Allah save long really

342

00:17:46,330 --> 00:17:40,820

quick no it's dewlap long

343

00:17:49,030 --> 00:17:46,340

don't know I mean if you say it fast

344

00:17:50,650 --> 00:17:49,040

enough it sounds like dong and if you

345

00:17:52,840 --> 00:17:50,660

say Jesus backward you sounds like

346

00:17:56,169 --> 00:17:52,850

sausage sausage and then you got dong

347

00:17:57,549 --> 00:17:56,179

which is yes SCSU J sis's that's Jesus

348

00:18:01,299 --> 00:17:57,559

spelled backwards ladies and gentlemen

349

00:18:03,159 --> 00:18:01,309

check it out use it somebody else copy

350

00:18:09,900 --> 00:18:03,169

wrote that one but I do intend to enjoy

351

00:18:16,390 --> 00:18:12,549

now lips got burnt from that trip broke

352

00:18:19,780 --> 00:18:16,400

bad yes cuz we were out my Jenner splits

353

00:18:22,120 --> 00:18:19,790

it Joe is like this is one of the great

354

00:18:25,680 --> 00:18:22,130

things the whole time just complaining

355

00:18:28,600 --> 00:18:25,690

of my lips and they're like all drying

356

00:18:30,220 --> 00:18:28,610

the whole time I realized in my pocket I

357

00:18:31,299 --> 00:18:30,230

had some chapstick chapstick the whole

358

00:18:37,240 --> 00:18:31,309

time till the end he's like here I'm

359

00:18:39,520 --> 00:18:37,250

like it was all I would take a good

360

00:18:44,310 --> 00:18:39,530

sorry you tell me you heard the whole

361

00:18:47,049 --> 00:18:44,320

time it was that's were just crusted us

362

00:18:50,680 --> 00:18:47,059

we were in the desert it was dry it was

363

00:18:53,080 --> 00:18:50,690

hot it was like 98 degrees below what

364

00:18:57,340 --> 00:18:53,090

was what 60 in Sacramento the desert has

365

00:19:00,909 --> 00:18:57,350

lost its mind had 98 degrees and not

366

00:19:03,360 --> 00:19:00,919

really giving up at night but we managed

367

00:19:06,669 --> 00:19:03,370

we got out we checks things out we

368

00:19:07,770 --> 00:19:06,679

explored it was great then we found

369

00:19:13,050 --> 00:19:07,780

something but

370

00:19:14,190 --> 00:19:13,060

just the clock might I'm skiing maybe we

371

00:19:18,390 --> 00:19:14,200

did maybe we didn't you have to find out

372

00:19:25,410 --> 00:19:18,400

but what else is coming up in the news

373

00:19:29,820 --> 00:19:25,420

there is oh it's um was that in some Kim

374

00:19:33,240 --> 00:19:29,830

Kim Kim Yong Jun hyung hyung hyung what

375

00:19:36,690 --> 00:19:33,250

is it Kim Jung hoon Kim Jang hoon this

376

00:19:45,810 --> 00:19:36,700

rocket is there another rocket in the

377

00:19:48,300 --> 00:19:45,820

[h__h] pocket no no no no no they said

378

00:19:52,950 --> 00:19:48,310

they said if he shoots off one war one

379

00:19:54,180 --> 00:19:52,960

walk right well it's always one more and

380

00:19:55,650 --> 00:19:54,190

then he shoots one and it's always one

381

00:19:57,390 --> 00:19:55,660

with a Sheetz one but I don't think

382

00:19:58,470 --> 00:19:57,400

it'll be let's go to war nobody really

383

00:20:01,260 --> 00:19:58,480

wants to go to war I don't know it'll

384

00:20:02,970 --> 00:20:01,270

work we got [h__h] to do there's too much

385

00:20:03,990 --> 00:20:02,980

[h__h] to do we gotta find UFOs we need a

386

00:20:05,880 --> 00:20:04,000

war right now the questions all the

387

00:20:10,590 --> 00:20:05,890

aliens allow us to go to full nuclear

388

00:20:12,590 --> 00:20:10,600

war no excuse to breed that is part of

389

00:20:16,950 --> 00:20:12,600

the conspiracy theory yes absolutely

390

00:20:19,970 --> 00:20:16,960

absolutely we had the opportunity to

391

00:20:22,050 --> 00:20:19,980

speak with somebody in the aerospace

392

00:20:25,200 --> 00:20:22,060

design field we can't talk about names

393

00:20:28,200 --> 00:20:25,210

or anything but we were able to see some

394

00:20:30,270 --> 00:20:28,210

pretty amazing technologies that the

395

00:20:31,710 --> 00:20:30,280

government's been working on we'll be

396

00:20:34,620 --> 00:20:31,720

excited to talk about that more in the

397

00:20:36,810 --> 00:20:34,630

future but needless to say the thing

398

00:20:41,460 --> 00:20:36,820

Joanna I think on this basically where

399

00:20:44,970 --> 00:20:41,470

it one year Joe yeah I'm reading

400

00:20:47,640 --> 00:20:44,980

comments I said is that tattoo on Joe's

401
00:20:50,760 --> 00:20:47,650
arm John Romita spider-man and Tom

402
00:20:53,100 --> 00:20:50,770
McFarlane's spider-man oh yes

403
00:20:58,370 --> 00:20:53,110
Todd McFarlane all my stuff Todd

404
00:21:02,640 --> 00:20:58,380
McFarlane I got spawn spider-man

405
00:21:06,330 --> 00:21:02,650
Wolverine Deadpool clowny venom Joker

406
00:21:08,100 --> 00:21:06,340
Batman penguin penguin it's pretty

407
00:21:09,390 --> 00:21:08,110
badass we'll have to get some close-up

408
00:21:11,340 --> 00:21:09,400
pictures he's got some really really

409
00:21:15,350 --> 00:21:11,350
great art you want to tell him who does

410
00:21:18,210 --> 00:21:15,360
it there's a guy in Sacramento okay

411
00:21:19,590 --> 00:21:18,220
Sacramento downtown on a June 30th it's

412
00:21:21,090 --> 00:21:19,600
called the exotic party tattoo you need

413
00:21:23,490 --> 00:21:21,100

to call up

414

00:21:27,779 --> 00:21:23,500

array at the exotic body place your

415

00:21:30,840 --> 00:21:27,789

order or your designer badass we have a

416

00:21:34,380 --> 00:21:30,850

really cool logo that he hand drew it's

417

00:21:36,289 --> 00:21:34,390

the alien hand yes it we don't use it a

418

00:21:39,120 --> 00:21:36,299

lot but we're gonna start using more but

419

00:21:41,070 --> 00:21:39,130

if you see that this one I didn't have

420

00:21:43,110 --> 00:21:41,080

time I say King Thomas I'm sure he's

421

00:21:44,760 --> 00:21:43,120

just amazing amazing very talented guy

422

00:21:46,799 --> 00:21:44,770

so everything's got depth and clarity

423

00:21:49,110 --> 00:21:46,809

it's all bright so he does a great job

424

00:21:50,400 --> 00:21:49,120

love it so if you're a tattoo crazy

425

00:21:52,289 --> 00:21:50,410

tattoo person you want to see some of

426

00:21:57,450 --> 00:21:52,299

his work go to grab ink on instagram

427

00:22:00,690 --> 00:21:57,460

grab gr8 b8 grabbing and then you see

428

00:22:02,970 --> 00:22:00,700

all of his artwork that's enough about

429

00:22:04,919 --> 00:22:02,980

tattoos is about aliens well there's

430

00:22:07,740 --> 00:22:04,929

about whatever you know what I'm saying

431

00:22:10,620 --> 00:22:07,750

oh [h__h] I think that them had cheese

432

00:22:15,210 --> 00:22:10,630

sticks Joe I just want to say you drove

433

00:22:21,750 --> 00:22:15,220

let's see you trove six i Brooks hours

434

00:22:24,750 --> 00:22:21,760

each oh my god dogs balky it was about

435

00:22:30,419 --> 00:22:24,760

2,000 miles he did all driving I did all

436

00:22:32,760 --> 00:22:30,429

sitting well I can't make fun of people

437

00:22:35,370 --> 00:22:32,770

while I'm driving at the same time it's

438

00:22:37,710 --> 00:22:35,380

impossible I can't yell at hookers when

439

00:22:40,289 --> 00:22:37,720

we drive by I can't yell at you know the

440

00:22:42,480 --> 00:22:40,299

working men I can't yell at people

441

00:22:45,930 --> 00:22:42,490

coming out of diners and things if I'm

442

00:22:47,549 --> 00:22:45,940

driving does that make more sense you're

443

00:22:51,419 --> 00:22:47,559

probably getting an accident or

444

00:22:55,440 --> 00:22:51,429

something exactly so you drive I deliver

445

00:22:58,250 --> 00:22:55,450

the insults yeah you know I mean like

446

00:23:00,750 --> 00:22:58,260

you say you merely observe in rapport

447

00:23:03,210 --> 00:23:00,760

and that's what observing report that's

448

00:23:10,110 --> 00:23:03,220

all you do unless absolutely who report

449

00:23:12,480 --> 00:23:10,120

to its new business absolutely what I

450

00:23:18,659 --> 00:23:12,490

wonder what's on our listeners minds

451
00:23:19,110 --> 00:23:18,669
right now all one and a half there than

452
00:23:21,529 --> 00:23:19,120
none

453
00:23:23,539 --> 00:23:21,539
I know I know

454
00:23:26,330 --> 00:23:23,549
I wonder what's on their minds what is

455
00:23:27,799 --> 00:23:26,340
the biggest conspiracy thing making the

456
00:23:30,469 --> 00:23:27,809
rounds that people are curious about

457
00:23:31,759 --> 00:23:30,479
like tell Joe and I about it if it's

458
00:23:33,529 --> 00:23:31,769
something obscure that you picked up

459
00:23:35,119 --> 00:23:33,539
somewhere but it you know piques your

460
00:23:36,950 --> 00:23:35,129
interest maybe we should check it out we

461
00:23:41,359 --> 00:23:36,960
can help you maybe decide whether or not

462
00:23:43,789 --> 00:23:41,369
that leans more fake or needs to be

463
00:23:45,619 --> 00:23:43,799

examined you know with some expert

464

00:23:49,759 --> 00:23:45,629

opinion and feedback so if you have

465

00:23:51,109 --> 00:23:49,769

anything at all please shoot it our way

466

00:23:54,469 --> 00:23:51,119

we'll do our best to help you figure out

467

00:23:56,210 --> 00:23:54,479

what's going on yes that includes what

468

00:23:58,219 --> 00:23:56,220

happened if you have weird pieces of

469

00:24:00,769 --> 00:23:58,229

metal that have fallen from the sky or

470

00:24:04,430 --> 00:24:00,779

you witnessed a crash and you retrieve

471

00:24:08,600 --> 00:24:04,440

material or you've had a you know

472

00:24:13,460 --> 00:24:10,119

[Music]

473

00:24:16,909 --> 00:24:13,470

you got encounter with beings or ghosts

474

00:24:19,039 --> 00:24:16,919

let us know we want to know those cases

475

00:24:21,919 --> 00:24:19,049

only help us get better because then we

476

00:24:24,589 --> 00:24:21,929

can learn we can meet more people and

477

00:24:27,499 --> 00:24:24,599

that always leads to more leads and more

478

00:24:30,589 --> 00:24:27,509

things to check out and then then we're

479

00:24:32,649 --> 00:24:30,599

busy trying to get the info so I think

480

00:24:39,739 --> 00:24:32,659

we were able to come to some really cool

481

00:24:45,349 --> 00:24:39,749

I guess you could say mmm

482

00:24:47,359 --> 00:24:45,359

that decisions but quick pro quote we

483

00:24:49,489 --> 00:24:47,369

just were able to leave the needles case

484

00:24:51,680 --> 00:24:49,499

with a pretty good idea of you know what

485

00:24:55,159 --> 00:24:51,690

might have happened mm-hmm with all the

486

00:25:03,420 --> 00:24:55,169

witnesses and experts and we researched

487

00:25:05,520 --> 00:25:03,430

on the un-- so that was great next

488

00:25:07,799 --> 00:25:05,530

we have talked about kingman arizona and

489

00:25:12,930 --> 00:25:07,809

that's a really particularly interesting

490

00:25:17,520 --> 00:25:12,940

case that is a story that goes one of

491

00:25:19,110 --> 00:25:17,530

two ways which is a craft of course came

492

00:25:23,070 --> 00:25:19,120

out of the sky and crashed in the desert

493

00:25:26,100 --> 00:25:23,080

and in it was multiple beings something

494

00:25:27,360 --> 00:25:26,110

like 14 of them and worse they're all

495

00:25:29,940 --> 00:25:27,370

mostly dead

496

00:25:31,230 --> 00:25:29,950

there's drawings and depictions of that

497

00:25:34,530 --> 00:25:31,240

crash

498

00:25:36,480 --> 00:25:34,540

there's also another story that goes

499

00:25:40,350 --> 00:25:36,490

that it was actually a landing like a

500

00:25:44,250 --> 00:25:40,360

land and meet and greet almost using

501
00:25:49,770 --> 00:25:44,260
technology where the extraterrestrials

502
00:25:51,930 --> 00:25:49,780
just landed a flying saucer there so

503
00:25:53,190 --> 00:25:51,940
there's two different theories that

504
00:25:58,110 --> 00:25:53,200
we're exploring I'm sure there's more

505
00:25:59,160 --> 00:25:58,120
but twos enough for us to and I think

506
00:26:01,980 --> 00:25:59,170
that's what we want to do we want to say

507
00:26:03,600 --> 00:26:01,990
open yes we want to stay open because

508
00:26:04,890 --> 00:26:03,610
when we're talking about the paranormal

509
00:26:07,110 --> 00:26:04,900
and we're talking about the

510
00:26:09,600 --> 00:26:07,120
extraordinary and this you is the month

511
00:26:12,419 --> 00:26:09,610
to talk about paranoia morality yeah

512
00:26:14,190 --> 00:26:12,429
because it's Halloween month yeah is

513
00:26:19,650 --> 00:26:14,200

Halloween for me is the entire month of

514

00:26:22,320 --> 00:26:19,660

December yeah I'm just kidding October

515

00:26:26,010 --> 00:26:22,330

I'm not going Nightmare Before Gerson

516

00:26:29,270 --> 00:26:26,020

was on oils yeah seriously I think I

517

00:26:32,490 --> 00:26:29,280

both like Christmas and Halloween

518

00:26:34,590 --> 00:26:32,500

equally for me Halloween's like October

519

00:26:35,820 --> 00:26:34,600

through December and Christmas is

520

00:26:40,230 --> 00:26:35,830

November through December what do you

521

00:26:43,919 --> 00:26:40,240

think no it's only October it gets

522

00:26:45,780 --> 00:26:43,929

earlier every year though what does they

523

00:26:47,970 --> 00:26:45,790

start like putting that [h__h] out earlier

524

00:26:52,799 --> 00:26:47,980

everybody is just in June they have it

525

00:26:55,190 --> 00:26:52,809

out yeah but I can't believe it's like

526

00:26:59,450 --> 00:26:55,200

almost time for Halloween and by the way

527

00:27:03,150 --> 00:26:59,460

if you are a stranger things watcher

528

00:27:06,630 --> 00:27:03,160

season two starts in just a few days so

529

00:27:08,460 --> 00:27:06,640

I think I'll be binge watching that it

530

00:27:11,100 --> 00:27:08,470

looks pretty amazing and I'm down so

531

00:27:14,370 --> 00:27:11,110

does the new episode we saw walking

532

00:27:16,080 --> 00:27:14,380

did come on from me oh I didn't get a

533

00:27:18,960 --> 00:27:16,090

chance to watch that I will say though

534

00:27:20,850 --> 00:27:18,970

there is a good show called the good

535

00:27:24,270 --> 00:27:20,860

doctor if you're watching it it's on

536

00:27:29,160 --> 00:27:24,280

Mondays on ABC it's really cool it's

537

00:27:31,799 --> 00:27:29,170

about a doctor with autism and he's

538

00:27:34,860 --> 00:27:31,809

brilliant and I love him and she's so

539

00:27:37,280 --> 00:27:34,870

fantastic and you should watch it it's a

540

00:27:40,980 --> 00:27:37,290

great great great great show now

541

00:27:43,200 --> 00:27:40,990

everything's on Netflix in it I saw

542

00:27:45,150 --> 00:27:43,210

death no Death Note was good I saw death

543

00:27:47,870 --> 00:27:45,160

note that was pretty cool not the

544

00:27:50,430 --> 00:27:47,880

cartoon no the our Netflix series

545

00:27:54,450 --> 00:27:50,440

awesome yeah I loved it

546

00:27:55,890 --> 00:27:54,460

okay so we're gonna turn it over we're

547

00:27:57,480 --> 00:27:55,900

gonna see what the comments are saying

548

00:28:07,230 --> 00:27:57,490

and if there's any questions we should

549

00:28:10,440 --> 00:28:07,240

answer Joe these 14 our ghost in eby's

550

00:28:15,950 --> 00:28:10,450

morale or not say that one more time our

551

00:28:25,260 --> 00:28:15,960

ghosts and v's morale morale

552

00:28:27,840 --> 00:28:25,270

moral moral moral they morale not morale

553

00:28:30,299 --> 00:28:27,850

well I think morale is a human word and

554

00:28:33,539 --> 00:28:30,309

doesn't is not necessarily applicable to

555

00:28:37,049 --> 00:28:33,549

interdimensional and beings that are

556

00:28:39,990 --> 00:28:37,059

able to like bend space-time so I think

557

00:28:43,500 --> 00:28:40,000

that that unfortunately wouldn't be the

558

00:28:46,530 --> 00:28:43,510

time to do you right question what is

559

00:28:49,919 --> 00:28:46,540

moral to you may not be moral to others

560

00:28:53,549 --> 00:28:49,929

as we don't find it we find it morally

561

00:28:56,310 --> 00:28:53,559

appalling that people eat dogs in other

562

00:28:58,100 --> 00:28:56,320

parts of the world so what's immoral to

563

00:29:00,150 --> 00:28:58,110

you is may not be moral to another so

564

00:29:02,130 --> 00:29:00,160

maybe we could refine that question

565

00:29:04,590 --> 00:29:02,140

let's see what about Bigfoot is it

566

00:29:06,870 --> 00:29:04,600

possible for Bigfoot to do something

567

00:29:13,860 --> 00:29:06,880

immoral again I think that that depends

568

00:29:18,539 --> 00:29:13,870

on the sentient species set of instincts

569

00:29:19,799 --> 00:29:18,549

and rules and behaviors I I really don't

570

00:29:20,909 --> 00:29:19,809

know if I could answer that question to

571

00:29:22,950 --> 00:29:20,919

what do you think Joe you take a crack

572

00:29:25,020 --> 00:29:22,960

at it for what question

573

00:29:29,220 --> 00:29:25,030

the one I've just been talking about

574

00:29:32,370 --> 00:29:29,230

that's watch Bigfoot yeah I guess read

575

00:29:39,330 --> 00:29:32,380

it oh yes well can you talk about it and

576

00:29:42,810 --> 00:29:39,340

say your opinion oh yeah he's part beast

577

00:29:49,350 --> 00:29:42,820

of course you just sent me Morel what's

578

00:29:52,560 --> 00:29:49,360

immoral your faith no no no no no well

579

00:29:56,090 --> 00:29:52,570

occasionally but let's not talk about

580

00:30:01,020 --> 00:29:56,100

that what would be considered immoral

581

00:30:02,670 --> 00:30:01,030

for Bigfoot killing an animal to eat it

582

00:30:05,280 --> 00:30:02,680

would we find that tomorrow what do you

583

00:30:07,470 --> 00:30:05,290

find it immoral no I mean nature is it

584

00:30:10,080 --> 00:30:07,480

immoral for him to harm a human being do

585

00:30:11,250 --> 00:30:10,090

we feel the same way about harming human

586

00:30:14,760 --> 00:30:11,260

beings as we do about harming animals

587

00:30:18,210 --> 00:30:14,770

it's no it's all about survival exactly

588

00:30:20,610 --> 00:30:18,220

so survival morality so I don't think

589

00:30:24,660 --> 00:30:20,620

that morale I think morality is a very

590

00:30:29,940 --> 00:30:24,670

closely to find idea and it doesn't work

591

00:30:32,370 --> 00:30:29,950

with necessarily animals and beings that

592

00:30:34,500 --> 00:30:32,380

are significantly more advanced than we

593

00:30:36,870 --> 00:30:34,510

are and are able to travel through space

594

00:30:39,840 --> 00:30:36,880

time and inter-dimensionally I don't

595

00:30:41,250 --> 00:30:39,850

know or their morality lies but that's

596

00:30:45,420 --> 00:30:41,260

an interesting thought and interesting

597

00:30:48,960 --> 00:30:45,430

conversation we have what would people

598

00:30:52,500 --> 00:30:48,970

eat Bigfoot would that be immoral that

599

00:30:54,480 --> 00:30:52,510

would be absolutely immoral for my

600

00:30:56,930 --> 00:30:54,490

standards unless its survival situation

601
00:30:59,040 --> 00:30:56,940
that's a survival situation so that's

602
00:31:01,050 --> 00:30:59,050
but the question is do we think of

603
00:31:04,080 --> 00:31:01,060
Bigfoot in the same way we think of as a

604
00:31:07,560 --> 00:31:04,090
human being no at you I wouldn't know

605
00:31:10,220 --> 00:31:07,570
but if he's smart enough to be able to

606
00:31:13,710 --> 00:31:10,230
not be seen not me photograph very well

607
00:31:17,550 --> 00:31:13,720
they built these incredible housing

608
00:31:21,090 --> 00:31:17,560
structures out of twigs and logs and

609
00:31:23,130 --> 00:31:21,100
their nests that they build they they

610
00:31:25,650 --> 00:31:23,140
hurl stones at people they knock on

611
00:31:28,530 --> 00:31:25,660
trees they shake trees they do all kinds

612
00:31:32,610 --> 00:31:28,540
of crazy stuff you know are they equal

613
00:31:33,750 --> 00:31:32,620

to us in being sentient are they able to

614

00:31:37,110 --> 00:31:33,760

make

615

00:31:38,760 --> 00:31:37,120

or understand their own selves or the

616

00:31:39,450 --> 00:31:38,770

ability to question their own selves and

617

00:31:43,890 --> 00:31:39,460

where they came from

618

00:31:48,870 --> 00:31:43,900

I don't know and yet what does Paul say

619

00:31:53,310 --> 00:31:48,880

is it that's a good conversation to have

620

00:31:57,840 --> 00:31:53,320

and I think ultimately one that we will

621

00:32:01,590 --> 00:31:57,850

have to probably tackle when we get to

622

00:32:05,850 --> 00:32:01,600

an ability technologically to see

623

00:32:09,000 --> 00:32:05,860

understand or show proof of the

624

00:32:10,740 --> 00:32:09,010

phenomena and what I mean by that is I

625

00:32:14,550 --> 00:32:10,750

consider that an all-encompassing term

626

00:32:20,010 --> 00:32:14,560

of everything from aliens to ghosts to

627

00:32:23,280 --> 00:32:20,020

goblins to all these creatures I kind of

628

00:32:25,230 --> 00:32:23,290

link them all similarly I feel as though

629

00:32:28,530 --> 00:32:25,240

there's a certain technology happening

630

00:32:30,150 --> 00:32:28,540

or naturally occurring things in the

631

00:32:33,960 --> 00:32:30,160

case of something like Nessie or

632

00:32:39,140 --> 00:32:33,970

something like a Bigfoot maybe some kind

633

00:32:42,360 --> 00:32:39,150

of some kind of alien technology

634

00:32:45,690 --> 00:32:42,370

sure I don't know that Bigfoot has alien

635

00:32:48,990 --> 00:32:45,700

technology and I don't know that goblins

636

00:32:51,300 --> 00:32:49,000

have alien technology but so I do put

637

00:32:53,970 --> 00:32:51,310

them in the phenomena because they're

638

00:32:54,900 --> 00:32:53,980

obviously experiencing something that we

639

00:32:58,200 --> 00:32:54,910

don't understand

640

00:33:01,800 --> 00:32:58,210

highly how come they can be seen or not

641

00:33:04,950 --> 00:33:01,810

be seen and people talk about the

642

00:33:07,650 --> 00:33:04,960

vanishing the it's nearly impossible to

643

00:33:10,500 --> 00:33:07,660

get any proof of Bigfoot nobody's got

644

00:33:12,120 --> 00:33:10,510

any proof both come close close but

645

00:33:13,560 --> 00:33:12,130

everything is always saying with ghosts

646

00:33:15,690 --> 00:33:13,570

the part well that's the thing is choose

647

00:33:17,040 --> 00:33:15,700

with if you're gonna film Bigfoot you're

648

00:33:18,540 --> 00:33:17,050

gonna excited to see him and also your

649

00:33:22,560 --> 00:33:18,550

your hands are gonna shake you're gonna

650

00:33:23,970 --> 00:33:22,570

be frozen from fear so how are you ever

651
00:33:26,010 --> 00:33:23,980
gonna be unless you like right off the

652
00:33:28,950 --> 00:33:26,020
camera into a solid state where it can't

653
00:33:31,740 --> 00:33:28,960
move to get a great picture well same

654
00:33:33,900 --> 00:33:31,750
with ghosts you know like if you're just

655
00:33:35,160 --> 00:33:33,910
chilling and there's an operation in

656
00:33:37,110 --> 00:33:35,170
front of you I don't think your first

657
00:33:39,750 --> 00:33:37,120
instinct is to go where's my phone I

658
00:33:40,350 --> 00:33:39,760
think your first instinct is to go what

659
00:33:43,770 --> 00:33:40,360
the [h__\h]

660
00:33:45,840 --> 00:33:43,780
like your brain is not able to like

661
00:33:47,460 --> 00:33:45,850
process how this could possibly be

662
00:33:53,750 --> 00:33:47,470
happening so I would imagine the first

663
00:34:04,409 --> 00:33:58,950

but I think that there are energies that

664

00:34:06,919 --> 00:34:04,419

manifest intellectual some kind of being

665

00:34:11,099 --> 00:34:06,929

or spirit that's able to cross between

666

00:34:14,149 --> 00:34:11,109

different dimensions or between I guess

667

00:34:18,659 --> 00:34:14,159

you could say spirit world and and our

668

00:34:20,669 --> 00:34:18,669

human world looked okay the guys I guess

669

00:34:22,950 --> 00:34:20,679

I'm here for you okay if eby's have a

670

00:34:25,169 --> 00:34:22,960

really appetizing smell like roasted

671

00:34:28,889 --> 00:34:25,179

chicken would it be okay to cook and eat

672

00:34:30,990 --> 00:34:28,899

them from whose perspective would that

673

00:34:32,760 --> 00:34:31,000

be from the Eevee's perspective asking

674

00:34:34,500 --> 00:34:32,770

from the Eevee's na'kal said it or me

675

00:34:35,970 --> 00:34:34,510

was it like if human perspective of

676

00:34:38,730 --> 00:34:35,980

course from the human perspective

677

00:34:40,200 --> 00:34:38,740

I personally M it would take complete

678

00:34:42,899 --> 00:34:40,210

offense to that and think that would be

679

00:34:47,820 --> 00:34:42,909

unethical what about you Joe something

680

00:34:57,589 --> 00:34:47,830

so special and you know I mean how do

681

00:35:06,089 --> 00:35:02,240

that's but from I think it would be a

682

00:35:08,730 --> 00:35:06,099

morally or morally unacceptable on both

683

00:35:11,339 --> 00:35:08,740

human perspective and alien perspective

684

00:35:15,599 --> 00:35:11,349

that would be my thought I don't think

685

00:35:16,980 --> 00:35:15,609

that aliens necessarily eat meat we

686

00:35:20,220 --> 00:35:16,990

don't know what the I've heard that

687

00:35:22,320 --> 00:35:20,230

they're part photosynthetic or whatever

688

00:35:26,370 --> 00:35:22,330

oh so they get their their photos of

689

00:35:31,740 --> 00:35:26,380

them yes they get literally nutrients

690

00:35:38,400 --> 00:35:31,750

from the atmosphere or what's around

691

00:35:40,470 --> 00:35:38,410

them so that's very interesting so

692

00:35:43,260 --> 00:35:40,480

interesting idea yeah so it just makes

693

00:35:45,180 --> 00:35:43,270

you think you know do hopefully do we

694

00:35:48,720 --> 00:35:45,190

evolve beyond that do we evolve beyond

695

00:35:50,160 --> 00:35:48,730

making you know pot roast or going

696

00:35:52,410 --> 00:35:50,170

through the Taco Bell drive-thru we

697

00:35:53,940 --> 00:35:52,420

evolve beyond that and just is this like

698

00:35:55,309 --> 00:35:53,950

an episode of unsolved mysteries or

699

00:35:57,839 --> 00:35:55,319

something

700

00:36:00,480 --> 00:35:57,849

I'm just speaking my mind oh you stick

701
00:36:05,339 --> 00:36:00,490
it do you got something to say no hmm I

702
00:36:14,900 --> 00:36:05,349
like your hat your face I know dad let's

703
00:36:23,490 --> 00:36:20,270
I'm cooking ed oh yeah no cooking Evie

704
00:36:25,980 --> 00:36:23,500
even though we two we do tend to pop our

705
00:36:28,410 --> 00:36:25,990
EBS on a regular basis we have the

706
00:36:30,510 --> 00:36:28,420
graveyard of dead eby's and eight foot

707
00:36:33,450 --> 00:36:30,520
one of that quite literally in a bag

708
00:36:38,280 --> 00:36:33,460
somewhere maybe we'll let you know do

709
00:36:39,270 --> 00:36:38,290
something with that I don't know what

710
00:36:41,940 --> 00:36:39,280
else does anything that we've been

711
00:36:43,740 --> 00:36:41,950
checking into Joe I think of we've been

712
00:36:47,609 --> 00:36:43,750
busy with the one special project we've

713
00:36:48,990 --> 00:36:47,619

been doing and that's pretty much it we

714

00:36:52,020 --> 00:36:49,000

did not get a chance to get out to

715

00:36:53,460 --> 00:36:52,030

Aurora Texas so by the way that is we're

716

00:36:58,579 --> 00:36:53,470

going to be reserved for the next trip

717

00:37:04,380 --> 00:36:58,589

we realized that in order to be able to

718

00:37:06,480 --> 00:37:04,390

really you know take on you know needles

719

00:37:08,099 --> 00:37:06,490

in the way we wanted to that we were

720

00:37:09,990 --> 00:37:08,109

prepared so that that was pretty much

721

00:37:12,660 --> 00:37:10,000

where everything all of our energy

722

00:37:15,780 --> 00:37:12,670

effort and everything went so yeah and I

723

00:37:17,670 --> 00:37:15,790

think that's important than a you know I

724

00:37:19,349 --> 00:37:17,680

think you know we should probably spend

725

00:37:24,120 --> 00:37:19,359

that amount of time at any site we go to

726

00:37:25,710 --> 00:37:24,130

quite frankly yeah right there's rather

727

00:37:28,920 --> 00:37:25,720

than just passing through so this is UFO

728

00:37:30,660 --> 00:37:28,930

bros 2.0 as we rediscover sites and go

729

00:37:31,859 --> 00:37:30,670

through different alien hotspots we're

730

00:37:35,730 --> 00:37:31,869

gonna use different methods and ways

731

00:37:39,910 --> 00:37:35,740

that we're going to hello we're gonna

732

00:37:43,390 --> 00:37:39,920

hella don't touch my [h__\h]

733

00:37:47,319 --> 00:37:43,400

oh look at that [h__\h] vulgar tree says

734

00:37:52,109 --> 00:37:47,329

fog I like that effect this is a really

735

00:37:56,680 --> 00:37:52,119

cool broadcasting on the screen yeah

736

00:37:58,240 --> 00:37:56,690

this will be on for those of you that

737

00:38:01,630 --> 00:37:58,250

would like to listen to this again if

738

00:38:02,980 --> 00:38:01,640

you really wanted to you could it'll be

739

00:38:05,589 --> 00:38:02,990

available to or download through our

740

00:38:08,670 --> 00:38:05,599

podcast on Apple iTunes

741

00:38:11,470 --> 00:38:08,680

we're also on Google Play Store or on

742

00:38:14,079 --> 00:38:11,480

multiple different sort of podcasting

743

00:38:14,740 --> 00:38:14,089

platforms Spreaker etc so make sure you

744

00:38:17,529 --> 00:38:14,750

check this out

745

00:38:20,440 --> 00:38:17,539

we are literally trying to bring as much

746

00:38:24,579 --> 00:38:20,450

answers and information one case place

747

00:38:26,589 --> 00:38:24,589

at a time and their charity bunk every

748

00:38:28,359 --> 00:38:26,599

situation that we can come against well

749

00:38:32,680 --> 00:38:28,369

I don't know not debunk but at least get

750

00:38:35,200 --> 00:38:32,690

the truth why why do you have a no huh

751

00:38:39,990 --> 00:38:35,210

do you make up this is yours not mine

752

00:38:43,180 --> 00:38:40,000

I don't have a makeup brush you don't

753

00:38:44,859 --> 00:38:43,190

why a breezy here you go okay so if it's

754

00:38:46,690 --> 00:38:44,869

supposed to be mine why is it on your

755

00:38:52,059 --> 00:38:46,700

side of the table of course it one here

756

00:38:54,819 --> 00:38:52,069

before me mm-hmm let me see that

757

00:38:56,980 --> 00:38:54,829

beautiful [h__h] Turner let me see put

758

00:38:58,630 --> 00:38:56,990

that face on me let me see all right

759

00:38:59,470 --> 00:38:58,640

she's [h__h] she's bitching she's

760

00:39:02,039 --> 00:38:59,480

beautiful she's gorgeous

761

00:39:06,970 --> 00:39:02,049

you're gonna pose ready and pose and

762

00:39:11,589 --> 00:39:06,980

pose and vogue and vogue and pose and

763

00:39:13,779 --> 00:39:11,599

pose and pose and pose that was good

764

00:39:15,640 --> 00:39:13,789

that's right can you give me a brofist

765

00:39:18,700 --> 00:39:15,650

bump on that one that's very nice

766

00:39:23,049 --> 00:39:18,710

that was [h__h] pansy yeah and I'm

767

00:39:32,230 --> 00:39:23,059

already 39 minutes into the show but

768

00:39:34,480 --> 00:39:32,240

that's it good night Joe but if you're

769

00:39:36,700 --> 00:39:34,490

listening we want you to again just as a

770

00:39:38,519 --> 00:39:36,710

reminder I know we said it earlier but I

771

00:39:41,440 --> 00:39:38,529

want to say it again as a reminder

772

00:39:42,390 --> 00:39:41,450

anything unusual that you want us to

773

00:39:46,599 --> 00:39:42,400

check out

774

00:39:50,859 --> 00:39:46,609

email us UFO blows TV at gmail.com you

775

00:39:52,690 --> 00:39:50,869

gmail us yes yes Bros TV at gmail yes

776

00:39:54,520 --> 00:39:52,700

also you can message us on

777

00:39:57,250 --> 00:39:54,530

look we're growing on Facebook we're

778

00:39:59,380 --> 00:39:57,260

almost up to 400 likes and subscribe so

779

00:40:01,870 --> 00:39:59,390

make sure you check this out UFO Bros as

780

00:40:04,630 --> 00:40:01,880

well as Instagram and Twitter though Joe

781

00:40:09,370 --> 00:40:04,640

tell them about that Fiasco zero Bruce

782

00:40:12,040 --> 00:40:09,380

uf0 Bros zero brush oh hey did you get

783

00:40:14,260 --> 00:40:12,050

that comment somebody left us I think

784

00:40:15,760 --> 00:40:14,270

they caught on this was a total burn

785

00:40:17,890 --> 00:40:15,770

wait hold on I got I gotta show you this

786

00:40:20,099 --> 00:40:17,900

one something burned s yeah it was

787

00:40:22,390 --> 00:40:20,109

pretty good though I really enjoyed it

788

00:40:23,140 --> 00:40:22,400

so this is a hater comment on YouTube

789

00:40:28,930 --> 00:40:23,150

check this out

790

00:40:30,849 --> 00:40:28,940

I am checking you see say what a waste

791

00:40:32,050 --> 00:40:30,859

of time you guys are a bunch of

792

00:40:41,410 --> 00:40:32,060

effeminate clowns

793

00:40:42,569 --> 00:40:41,420

hell I'm not feminine am i no well it

794

00:40:46,770 --> 00:40:42,579

was that that was on the unacknowledged

795

00:40:52,420 --> 00:40:46,780

so horse I'm sure they're like dr. Greer

796

00:40:55,150 --> 00:40:52,430

helpers so they have to protect daddy I

797

00:41:01,440 --> 00:40:55,160

get it they have to protect the UFO

798

00:41:06,940 --> 00:41:01,450

father okay right

799

00:41:08,770 --> 00:41:06,950

what do you so let's talk about future

800

00:41:11,319 --> 00:41:08,780

guests Joe cuz we're kind of running out

801
00:41:14,370 --> 00:41:11,329
of time but I want to get from you guys

802
00:41:16,660 --> 00:41:14,380
who you think we should get on the show

803
00:41:19,720 --> 00:41:16,670
they don't have to be super famous maybe

804
00:41:22,300 --> 00:41:19,730
they just have a great story or evidence

805
00:41:24,730 --> 00:41:22,310
or picture or video or something

806
00:41:26,859 --> 00:41:24,740
shoot them our way again UFO Bros TV at

807
00:41:28,839 --> 00:41:26,869
gmail.com and we'll definitely check it

808
00:41:33,250 --> 00:41:28,849
out because as we continue our

809
00:41:36,940 --> 00:41:33,260
investigation and as we grow our files

810
00:41:38,890 --> 00:41:36,950
and documents and evidence and improve

811
00:41:40,480 --> 00:41:38,900
our methods you know we're definitely

812
00:41:42,059 --> 00:41:40,490
gonna be able to reach out to you and

813
00:41:44,640 --> 00:41:42,069

see what we can do to help you

814

00:41:46,809 --> 00:41:44,650

understand what you're dealing with

815

00:41:51,490 --> 00:41:46,819

which will also help us understand more

816

00:41:52,960 --> 00:41:51,500

about what we're dealing with so we're

817

00:41:56,230 --> 00:41:52,970

gonna just go leave it here this is the

818

00:41:59,410 --> 00:41:56,240

nice forty minute podcast hopefully you

819

00:42:03,130 --> 00:41:59,420

know you enjoyed it so we're gonna say

820

00:42:06,430 --> 00:42:03,140

farewell everybody I'm Emmett Joe and we

821

00:42:08,530 --> 00:42:06,440

are the you f Oh bro
