00:01:15,760 --> 00:00:25,510

[Music]

2
00:01:17,860 --> 00:01:15,770

UFO Bros hey everyone is Giorgio

3
00:01:26,760 --> 00:01:17,870

tsoukalos from ancient aliens and you're

4
00:01:37,990 --> 00:01:35,440

Joe and we are the you Oh gross no we're

5
00:01:40,660 --> 00:01:38,000

not very para no I think you're kind of

6
00:01:48,520 --> 00:01:40,670

paranormal no we did yeah we did love

7
00:01:51,250 --> 00:01:48,530

you guys um we suck at this video we've

8
00:01:52,840 --> 00:01:51,260

had nothing but problems I think first

9
00:01:57,490 --> 00:01:52,850

and foremost of course I'm sure you've

10
00:01:59,290 --> 00:01:57,500

heard my cat destroyed our primary probe

11
00:02:01,719 --> 00:01:59,300

casting laptop so we had to get a new

12
00:02:04,990 --> 00:02:01,729

laptop and get everything all set up and

13
00:02:08,370 --> 00:02:05,000

get new connectors because Apple likes

14

00:02:17,470 --> 00:02:08,380

to change connectors every year

15

00:02:22,420 --> 00:02:17,480

lightning cable USB USB 3 2 USB see ya

16

00:02:25,960 --> 00:02:22,430

USB see USB being us being all curable

17

00:02:29,860 --> 00:02:25,970

now did you know that hepa type did you

18

00:02:33,360 --> 00:02:29,870

know that yeah Pamela Anderson had

19

00:02:35,500 --> 00:02:33,370

hepatitis C and cured it with Tylenol I

20

00:02:39,580 --> 00:02:35,510

don't think tylenol sounds like an

21

00:02:41,680 --> 00:02:39,590

appropriate cure that's just me but

22

00:02:44,650 --> 00:02:41,690

we're back and we're checking a live

23

00:02:47,800 --> 00:02:44,660

chat nothing looks so we are indeed live

24

00:02:51,640 --> 00:02:47,810

Joe yes finally yes and we got some

25

00:02:54,010 --> 00:02:51,650

light we're getting better this is not

26

00:02:55,870 --> 00:02:54,020

well this is kind of the facility now

27

00:02:59,170 --> 00:02:55,880

we're in the facility now it's kind of a

28

00:03:00,550 --> 00:02:59,180

[h__h] but you know we're working on a

29

00:03:07,000 --> 00:03:00,560

little bit at a time as you can see we

30

00:03:08,620 --> 00:03:07,010

have a new friend here yeah I met him

31

00:03:10,780 --> 00:03:08,630

earlier no we're gonna

32

00:03:14,470 --> 00:03:10,790

we should have the probers the probe and

33

00:03:17,410 --> 00:03:14,480

the probe dates we should have them name

34

00:03:18,730 --> 00:03:17,420

this one so we could bring along with us

35

00:03:20,500 --> 00:03:18,740

for all the adventures and they could

36

00:03:22,150 --> 00:03:20,510

beat the crap out of them kind of like a

37

00:03:23,410 --> 00:03:22,160

crash-test dummy you had a name for him

38

00:03:26,530 --> 00:03:23,420

earlier I thought was pretty funny what

39

00:03:30,910 --> 00:03:26,540

was it called you call them um I forgot

40

00:03:33,130 --> 00:03:30,920

anyway I don't know it was funny though

41

00:03:34,540 --> 00:03:33,140

we've got a toilet seat with an alien on

42

00:03:39,580 --> 00:03:34,550

it we've got some fun stuff and of

43

00:03:45,130 --> 00:03:39,590

course our poster oh yeah we got our 80s

44

00:03:49,210 --> 00:03:45,140

hover board thank you all who are

45

00:03:50,800 --> 00:03:49,220

listening to this show and for those of

46

00:03:52,300 --> 00:03:50,810

you who would rather listen to us and

47

00:03:55,750 --> 00:03:52,310

watch us make sure you follow us on all

48

00:03:58,450 --> 00:03:55,760

things social media you can find us by

49

00:04:00,310 --> 00:03:58,460

searching UFO Bros on the podcast or you

50

00:04:04,360 --> 00:04:00,320

can also follow us on all things social

51
00:04:08,500 --> 00:04:04,370
as I said before at UFO Bros TV except

52
00:04:10,780 --> 00:04:08,510
for Twitter Joe what's that because we

53
00:04:15,640 --> 00:04:10,790
are at uf0

54
00:04:18,010 --> 00:04:15,650
Bros TV yes do you know that really

55
00:04:21,039 --> 00:04:18,020
except the consistency I had planned for

56
00:04:24,670 --> 00:04:21,049
our brand you know that well there's

57
00:04:25,870 --> 00:04:24,680
always one audits ok alright well who

58
00:04:27,100 --> 00:04:25,880
knows maybe that's the one that becomes

59
00:04:27,610 --> 00:04:27,110
most successful because it's so

60
00:04:31,270 --> 00:04:27,620
different

61
00:04:33,640 --> 00:04:31,280
maybe speaking of successful because

62
00:04:35,710 --> 00:04:33,650
they're so different mr. Tom DeLonge the

63
00:04:37,480 --> 00:04:35,720

rock star we've been trying to talk

64

00:04:39,430 --> 00:04:37,490

about this for 3 episodes now and we

65

00:04:41,950 --> 00:04:39,440

always have a big like problem as an

66

00:04:45,790 --> 00:04:41,960

example last night which we're doing

67

00:04:49,870 --> 00:04:45,800

today last night's show the internet

68

00:04:52,090 --> 00:04:49,880

went out about this far into it and we

69

00:04:54,430 --> 00:04:52,100

just stopped going live and everything

70

00:04:56,410 --> 00:04:54,440

our new piece of equipment everything

71

00:05:00,100 --> 00:04:56,420

had to be updated to the new software

72

00:05:02,950 --> 00:05:00,110

and it decided to a 32 minute software

73

00:05:05,150 --> 00:05:02,960

update right when we started so that was

74

00:05:08,360 --> 00:05:05,160

my fault

75

00:05:09,830 --> 00:05:08,370

sorry Joe's been more than willing the

76

00:05:12,710 --> 00:05:09,840

last few times has definitely been my

77

00:05:16,550 --> 00:05:12,720

fault but we're back and we're working

78

00:05:18,500 --> 00:05:16,560

on a consistency and regularly being you

79

00:05:21,230 --> 00:05:18,510

know doing our show doing I think

80

00:05:24,470 --> 00:05:21,240

talking about UFOs and aliens in any

81

00:05:27,560 --> 00:05:24,480

other way exactly so can we talk about

82

00:05:29,600 --> 00:05:27,570

the long I'm tired of talking about the

83

00:05:30,470 --> 00:05:29,610

long well look I know but I've been

84

00:05:32,210 --> 00:05:30,480

trying to talk about this for three

85

00:05:35,030 --> 00:05:32,220

episodes no nowhere else to talk about

86

00:05:37,250 --> 00:05:35,040

it then spill it okay just give me a

87

00:05:41,420 --> 00:05:37,260

second hi welcome to the image show hi

88

00:05:44,150 --> 00:05:41,430

so Tom DeLonge as you all know has a

89

00:05:46,700 --> 00:05:44,160

public company you can invest it's \$200

90

00:05:48,080 --> 00:05:46,710

to get in \$5 to share he's almost up to

91

00:05:53,270 --> 00:05:48,090

two million right now it's crazy

92

00:05:55,130 --> 00:05:53,280

he claims well two million dollars of

93

00:05:57,980 --> 00:05:55,140

investments almost you put a \$5

94

00:06:02,660 --> 00:05:57,990

investment for your Bros TV because you

95

00:06:06,500 --> 00:06:02,670

have to pay \$200 in order to be able to

96

00:06:08,180 --> 00:06:06,510

buy into the shares thanks Tom but

97

00:06:11,630 --> 00:06:08,190

listen though he was on the Joe Rogan

98

00:06:13,670 --> 00:06:11,640

podcast talking about UFOs but he says I

99

00:06:21,080 --> 00:06:13,680

don't call them UFOs anymore I call them

100

00:06:21,850 --> 00:06:21,090

an advanced no try again like the Little

101
00:06:27,200 --> 00:06:21,860
Mermaid

102
00:06:43,130 --> 00:06:27,210
no she doesn't fly advanced what's a

103
00:06:45,170 --> 00:06:43,140
Little Mermaid's named Ariel threats

104
00:06:48,050 --> 00:06:45,180
that's the word he used advanced aerial

105
00:06:50,720 --> 00:06:48,060
threats it has had a 80 in terms of an

106
00:06:54,860 --> 00:06:50,730
acronym and that's not very doesn't roll

107
00:06:57,020 --> 00:06:54,870
off the tongue but still why are they

108
00:06:59,030 --> 00:06:57,030
threats why they call them threats why

109
00:07:09,130 --> 00:06:59,040
does he refuse to just call them UFOs I

110
00:07:14,570 --> 00:07:11,930
what he's trying to brand UFOs in a

111
00:07:16,190 --> 00:07:14,580
different way in a different name okay

112
00:07:18,100 --> 00:07:16,200
that's not mixed in with all the other

113
00:07:26,850 --> 00:07:18,110

commercial and

114

00:07:31,570 --> 00:07:29,050

what I'll come forward wouldn't they

115

00:07:32,890 --> 00:07:31,580

sorry that's still you know I'm saying

116

00:07:35,140 --> 00:07:32,900

that's he's probably trading on a

117

00:07:36,640 --> 00:07:35,150

different path it's really smart I mean

118

00:07:38,890 --> 00:07:36,650

we're talking about it got us to talk

119

00:07:40,840 --> 00:07:38,900

about it and the reason why is I started

120

00:07:43,480 --> 00:07:40,850

researching advanced aerial threats and

121

00:07:45,550 --> 00:07:43,490

I couldn't find anything on that

122

00:07:49,440 --> 00:07:45,560

of course because it's top secret in

123

00:07:51,700 --> 00:07:49,450

terms of the program and all that but I

124

00:07:53,710 --> 00:07:51,710

looked I looked I looked and I was like

125

00:07:57,790 --> 00:07:53,720

you know what we're gonna do our next

126

00:08:05,740 --> 00:07:57,800

show for the past three weeks on

127

00:08:08,160 --> 00:08:05,750

advanced aerial sorry I just want to

128

00:08:10,240 --> 00:08:08,170

know why they'd be considered threats

129

00:08:11,890 --> 00:08:10,250

yeah that's not the only thing you've

130

00:08:12,850 --> 00:08:11,900

done live look we don't have any

131

00:08:14,350 --> 00:08:12,860

chatters it's because we're in the

132

00:08:18,840 --> 00:08:14,360

middle of the day but there's four

133

00:08:26,710 --> 00:08:23,650

okay no seriously just indulge me for a

134

00:08:28,420 --> 00:08:26,720

minute like why are they threats and in

135

00:08:33,310 --> 00:08:28,430

what way would they be threatening us

136

00:08:35,890 --> 00:08:33,320

and I think one is obviously our normal

137

00:08:40,800 --> 00:08:35,900

I kind of how we go about our day and

138

00:08:44,830 --> 00:08:40,810

our thinking you know most of us not me

139

00:08:47,950 --> 00:08:44,840

pray at every meal go to church and they

140

00:08:49,930 --> 00:08:47,960

you know have a day-to-day process that

141

00:08:54,130 --> 00:08:49,940

they go through you know it's normal for

142

00:09:02,650 --> 00:08:54,140

them it's right for them and what would

143

00:09:12,490 --> 00:09:09,329

I really wanted to finish this thank you

144

00:09:16,860 --> 00:09:12,500

do you have anything to add to the

145

00:09:26,920 --> 00:09:16,870

conversation I know I'm talking about

146

00:09:29,230 --> 00:09:26,930

UFOs and you're like you watched too

147

00:09:37,660 --> 00:09:29,240

much Homer Simpson you're turning into

148

00:09:39,970 --> 00:09:37,670

him right there

149

00:09:41,319 --> 00:09:39,980

anyway the reason why they'd be a threat

150

00:09:43,329 --> 00:09:41,329

is cuz that B threat to your day-to-day

151
00:09:46,300 --> 00:09:43,339
like process right would that be a

152
00:09:49,960 --> 00:09:46,310
threat in a sense to day to day thinking

153
00:09:52,590 --> 00:09:49,970
and beliefs exactly exactly so that's

154
00:09:55,119 --> 00:09:52,600
what I'm saying and it's saying what I

155
00:09:59,710 --> 00:09:55,129
was getting at what I was trying to say

156
00:10:02,290 --> 00:09:59,720
was it's not necessarily like military

157
00:10:04,360 --> 00:10:02,300
threat or they're gonna blow us up kind

158
00:10:06,220 --> 00:10:04,370
of threat maybe it's just a threat in

159
00:10:09,069 --> 00:10:06,230
terms of how the American population

160
00:10:12,160 --> 00:10:09,079
goes about their day today paying their

161
00:10:13,689 --> 00:10:12,170
taxes paying their tithing all that sort

162
00:10:15,730 --> 00:10:13,699
of stuff what would that mean if all of

163
00:10:18,610 --> 00:10:15,740

a sudden the American people and the

164

00:10:20,650 --> 00:10:18,620

worldwide people are people worldwide at

165

00:10:25,689 --> 00:10:20,660

we were indeed being visited from

166

00:10:27,850 --> 00:10:25,699

machines from another star system or

167

00:10:32,110 --> 00:10:27,860

another dimension or you know I possibly

168

00:10:34,740 --> 00:10:32,120

even and most indefinitely out of a

169

00:10:47,199 --> 00:10:34,750

different time because if they can bend

170

00:10:53,199 --> 00:10:47,209

space-time they can yeah please please

171

00:10:55,889 --> 00:10:53,209

leave please yes yes please go go get

172

00:11:00,960 --> 00:10:55,899

what you need hi welcome to the Emmett

173

00:11:05,179 --> 00:11:00,970

UFO show this show will be far more

174

00:11:17,100 --> 00:11:05,189

educational farm workers

175

00:11:19,169 --> 00:11:17,110

Tavi a little yeah spicy so let me get

176

00:11:20,759 --> 00:11:19,179

this out before Joe gets back so what I

177

00:11:23,280 --> 00:11:20,769

was trying to say is it's a threat that

178

00:11:25,470 --> 00:11:23,290

way to our normal day thinking could be

179

00:11:29,519 --> 00:11:25,480

a threat militarily in terms of what

180

00:11:32,729 --> 00:11:29,529

times advanced weaponry they have let's

181

00:11:36,059 --> 00:11:32,739

see it could just be a threat to our

182

00:11:38,819 --> 00:11:36,069

aerial space in general our area our

183

00:11:43,069 --> 00:11:38,829

airspace not aerial space airspace in

184

00:11:45,289 --> 00:11:43,079

general because think about these are

185

00:11:49,199 --> 00:11:45,299

machines carrying such advanced

186

00:11:52,499 --> 00:11:49,209

technology that they can Eve they can

187

00:11:56,369 --> 00:11:52,509

evade our radars they are able to outfly

188

00:11:58,859 --> 00:11:56,379

pretty much almost well not pretty much

189

00:12:02,999 --> 00:11:58,869

they're able to outfly our current means

190

00:12:05,340 --> 00:12:03,009

of you know I guess military flight jets

191

00:12:07,710 --> 00:12:05,350

and those sorts of things they also move

192

00:12:10,439 --> 00:12:07,720

in really weird sorts of ways they

193

00:12:13,829 --> 00:12:10,449

zigzag they stop instantaneously on a

194

00:12:17,400 --> 00:12:13,839

dime they make 90-degree turns they move

195

00:12:19,919 --> 00:12:17,410

away from you with multiple speeds or

196

00:12:24,119 --> 00:12:19,929

multiples of a thousand miles per hour

197

00:12:26,939 --> 00:12:24,129

it's absolutely insane and as far as I

198

00:12:29,699 --> 00:12:26,949

know I don't believe we have any sort of

199

00:12:31,699 --> 00:12:29,709

technology that can go from zero to

200

00:12:34,590 --> 00:12:31,709

eight thousand miles an hour

201
00:12:37,169 --> 00:12:34,600
instantaneously so I think that when

202
00:12:39,090 --> 00:12:37,179
we're moving at that kind of speed and

203
00:12:43,409 --> 00:12:39,100
we're moving in that sort of erratic way

204
00:12:46,199 --> 00:12:43,419
is what I was saying earlier that they

205
00:12:49,909 --> 00:12:46,209
are indeed bending space-time right so

206
00:12:57,330 --> 00:12:49,919
if you look at space-time as a malleable

207
00:12:57,340 --> 00:13:06,830
you look kind of like a trans man today

208
00:13:19,340 --> 00:13:12,090
it's whale watching season you're

209
00:13:25,890 --> 00:13:21,810
looks like you sitting at a bar he does

210
00:13:32,480 --> 00:13:25,900
he needs he needs a beer bro yeah yes he

211
00:13:38,640 --> 00:13:36,150
I know you know what we need actually is

212
00:13:40,800 --> 00:13:38,650
somebody to remotely run our show that's

213
00:13:42,090 --> 00:13:40,810

possible with this program that I'm

214

00:13:44,940 --> 00:13:42,100

using somebody else can run it from

215

00:13:51,060 --> 00:13:44,950

somewhere else and remotely access our

216

00:13:52,500 --> 00:13:51,070

show if you're interested I was just

217

00:13:55,500 --> 00:13:52,510

telling Joe earlier today that when we

218

00:13:57,570 --> 00:13:55,510

started this like over a year ago well

219

00:14:00,000 --> 00:13:57,580

about a year ago actually about a year

220

00:14:02,730 --> 00:14:00,010

ago we just literally hooked up a couple

221

00:14:06,060 --> 00:14:02,740

of microphones that we got for like 10

222

00:14:09,150 --> 00:14:06,070

bucks it was like from Amazon it was

223

00:14:11,070 --> 00:14:09,160

like two little microphone lapels and

224

00:14:13,020 --> 00:14:11,080

they all went into one headphone jack

225

00:14:16,290 --> 00:14:13,030

and that's how we recorded our first

226

00:14:21,080 --> 00:14:16,300

episodes and we were outside most of the

227

00:14:29,100 --> 00:14:26,820

well these are better microphones this

228

00:14:32,960 --> 00:14:29,110

should look like a sector so that what

229

00:14:42,300 --> 00:14:32,970

I'm talking it's like I have a sector

230

00:14:49,800 --> 00:14:47,370

yeah anyway so like \$15 microphones or

231

00:14:52,050 --> 00:14:49,810

whatever to this setup and we're

232

00:14:54,120 --> 00:14:52,060

upgrading and every time we upgrade it's

233

00:14:55,560 --> 00:14:54,130

harder crap to do and learn and we're

234

00:15:00,150 --> 00:14:55,570

totally dedicated to it so just kind of

235

00:15:02,730 --> 00:15:00,160

bear with us and bear with us getting

236

00:15:04,380 --> 00:15:02,740

through the cold I swear we're like a

237

00:15:06,240 --> 00:15:04,390

married couple if I get a cold you get a

238

00:15:15,660 --> 00:15:06,250

cold and you get a gold now I got a cold

239

00:15:16,440 --> 00:15:15,670

honey get a cold and I gotta go yeah I

240

00:15:18,690 --> 00:15:16,450

got it

241

00:15:22,230 --> 00:15:18,700

so after through 18 people I finally got

242

00:15:24,690 --> 00:15:22,240

it it sucks huh I'm still dealing with

243

00:15:27,780 --> 00:15:24,700

the cough still dealing with the post

244

00:15:43,080 --> 00:15:39,360

so yeah yeah we need a new name for you

245

00:15:55,980 --> 00:15:43,090

like [h__h] a new transman name what do

246

00:15:57,990 --> 00:15:55,990

you think would be a good at gmail.com

247

00:16:00,660 --> 00:15:58,000

if you have complaints or post them

248

00:16:04,770 --> 00:16:00,670

below in the video we love when people

249

00:16:06,630 --> 00:16:04,780

complain makes our day but we gotta keep

250

00:16:09,329 --> 00:16:06,640

talking about like what's going on what

251

00:16:11,190 --> 00:16:09,339

we're gonna do do you you we have

252

00:16:12,990 --> 00:16:11,200

something but we can't say nothing of us

253

00:16:15,300 --> 00:16:13,000

something we have something to eat

254

00:16:19,320 --> 00:16:15,310

something we're just always working on

255

00:16:21,510 --> 00:16:19,330

something something and we're also too

256

00:16:24,120 --> 00:16:21,520

we don't like to like say we're gonna do

257

00:16:29,340 --> 00:16:24,130

something unless we know it's happening

258

00:16:35,150 --> 00:16:29,350

you know I'm saying right Joe yes very

259

00:16:37,770 --> 00:16:35,160

good speaking of we need to plan another

260

00:16:43,520 --> 00:16:37,780

expedition within the next few months

261

00:16:47,260 --> 00:16:43,530

somewhere close and I was thinking of

262

00:16:52,150 --> 00:16:47,270

one of a couple things I think

263

00:16:55,780 --> 00:16:52,160

I have I have a spot actually the top of

264

00:16:57,640 --> 00:16:55,790

Stevens Creek towards the Cenozoic lair

265

00:16:59,140 --> 00:16:57,650

area there's supposed to be a lot of

266

00:17:01,180 --> 00:16:59,150

activity over there because of the Air

267

00:17:04,030 --> 00:17:01,190

Force Base there we're supposed to be a

268

00:17:08,860 --> 00:17:04,040

lot of activity out there I was thinking

269

00:17:13,360 --> 00:17:08,870

that I was also thinking we should find

270

00:17:15,600 --> 00:17:13,370

the a Lee the first alien encounter

271

00:17:18,400 --> 00:17:15,610

apparently have been researching was in

272

00:17:20,790 --> 00:17:18,410

Lodi California which is not far from us

273

00:17:23,290 --> 00:17:20,800

it's like an hour an hour and a half I

274

00:17:26,710 --> 00:17:23,300

think it'd be cool to kind of hunt down

275

00:17:28,030 --> 00:17:26,720

where this alien encounter happened why

276

00:17:35,560 --> 00:17:28,040

is it they want to start talking about

277

00:17:39,070 --> 00:17:35,570

aliens you start yeah well nobody cares

278

00:17:42,770 --> 00:17:39,080

you see hey no that was a diesel truck

279

00:17:46,020 --> 00:17:42,780

not a phone he's sitting here waiting on

280

00:17:53,260 --> 00:17:46,030

[Laughter]

281

00:17:57,640 --> 00:17:53,270

Joe we are in the age of iPhone X we are

282

00:18:01,390 --> 00:17:57,650

in the age of you know probably alien

283

00:18:03,250 --> 00:18:01,400

tech were using Joe decides to buy a

284

00:18:10,450 --> 00:18:03,260

brand new iPhone you know what he

285

00:18:13,690 --> 00:18:10,460

chooses to buy an iPhone 6 yes we are

286

00:18:18,730 --> 00:18:13,700

already at 6s seven seven plus eight

287

00:18:28,470 --> 00:18:18,740

eight plus ten no 9b2 ten minus that

288

00:18:31,450 --> 00:18:28,480

equals six no okay this is the bullcrap

289

00:18:33,400 --> 00:18:31,460

it's like probably a few hundred bucks

290

00:18:34,840 --> 00:18:33,410

more just to get the X but tell me why

291

00:18:38,080 --> 00:18:34,850

why why do you want to go back in time

292

00:18:41,380 --> 00:18:38,090

technologically for one thing it does

293

00:18:42,760 --> 00:18:41,390

the same thing with the 7 to do your

294

00:18:49,390 --> 00:18:42,770

whole can you get closer to the

295

00:18:51,610 --> 00:18:49,400

microphone shaders duties for one thing

296

00:18:54,760 --> 00:18:51,620

I'm tired of the dongle in the 7 I have

297

00:18:57,610 --> 00:18:54,770

the 7 plus I don't like the stupid

298

00:18:59,110 --> 00:18:57,620

dongle I don't like Bluetooth headphones

299

00:19:00,990 --> 00:18:59,120

because they send me up to charge and if

300

00:19:03,070 --> 00:19:01,000

you don't charge it you're screwed

301

00:19:05,770 --> 00:19:03,080

unfortunately where I go all the time I

302

00:19:07,840 --> 00:19:05,780

need to have headphones you sleep with

303

00:19:09,970 --> 00:19:07,850

headphones in I sleep not the most of

304

00:19:13,090 --> 00:19:09,980

the time yes I do maybe but it's not one

305

00:19:18,160 --> 00:19:13,100

sudden that night but meanings

306

00:19:20,830 --> 00:19:18,170

let me put to beat ah thank you

307

00:19:22,390 --> 00:19:20,840

tell the people the thing is is I like

308

00:19:24,490 --> 00:19:22,400

the headphone jack and they're charging

309

00:19:26,860 --> 00:19:24,500

I like that at the same time you can't

310

00:19:28,900 --> 00:19:26,870

do that with the seven you have to

311

00:19:32,440 --> 00:19:28,910

Dunkel in and dongle out and she like

312

00:19:33,940 --> 00:19:32,450

the goggle in though in the socket mm

313

00:19:36,250 --> 00:19:33,950

you know it's just annoying

314

00:19:38,020 --> 00:19:36,260

I just want both charging and if you get

315

00:19:40,480 --> 00:19:38,030

the dongle that does the charging and

316

00:19:42,790 --> 00:19:40,490

the headphones it's not compatible with

317

00:19:44,200 --> 00:19:42,800

iPhones won't work because you refuse to

318

00:19:46,799 --> 00:19:44,210

spend extra money on an apple certified

319

00:19:50,470 --> 00:19:46,809

cable

320

00:19:52,240 --> 00:19:50,480

they don't make apple they have it has

321

00:19:58,780 --> 00:19:52,250

dual charger and listening why don't you

322

00:20:00,730 --> 00:19:58,790

just the guy dollar pair of school caddy

323

00:20:04,930 --> 00:20:00,740

headphones is listening to it

324

00:20:08,500 --> 00:20:04,940

music under \$800 I don't like those

325

00:20:21,370 --> 00:20:08,510

big-ass buds for big-ass ears big-ass

326

00:20:34,390 --> 00:20:23,100

[Applause]

327

00:20:36,669 --> 00:20:34,400

you stop that I have a tiny piece I just

328

00:20:38,290 --> 00:20:36,679

almost died right now that was I can't

329

00:20:44,380 --> 00:20:38,300

wait until it's over I get fast forward

330

00:20:47,130 --> 00:20:44,390

to that part for those of you who are

331

00:20:51,240 --> 00:20:47,140

joining us now welcome we were just

332

00:20:53,890 --> 00:20:51,250

talking about Joe's penis hole size

333

00:20:55,690 --> 00:20:53,900

thank you for joining us and for those

334

00:20:57,130 --> 00:20:55,700

of you who are only listening you're

335

00:21:01,660 --> 00:20:57,140

missing out a whole lot so make sure you

336

00:21:07,630 --> 00:21:01,670

check us out on YouTube UFO Bros TV Joe

337

00:21:11,560 --> 00:21:07,640

is gone who's in the chat room what can

338

00:21:13,629 --> 00:21:11,570

you show so I said UFOs can you tell me

339

00:21:16,899 --> 00:21:13,639

their names so I can acknowledge them

340

00:21:19,810 --> 00:21:16,909

or can you acknowledge them you know

341

00:21:20,109 --> 00:21:19,820

how to read well read it you do a good

342

00:21:25,659 --> 00:21:20,119

job

343

00:21:29,430 --> 00:21:25,669

popcorn Joe Joe aasaiya table or your

344

00:21:33,909 --> 00:21:29,440

photos then Fani said a phone

345

00:21:38,430 --> 00:21:33,919

Bonnie said hmm that means probably

346

00:21:45,430 --> 00:21:38,440

talking about your penis hole mmm you

347

00:21:54,729 --> 00:21:45,440

moving on puppies and blenders yeah

348

00:22:03,669 --> 00:21:54,739

so speaking of UFOs I just kind of a new

349

00:22:06,690 --> 00:22:03,679

acronym LP H's little penis holes penis

350

00:22:11,279 --> 00:22:06,700

flying with a hole in it

351

00:22:14,319 --> 00:22:11,289

why me I know this show just kind of it

352

00:22:17,139 --> 00:22:14,329

crashed off into the ditch but that's

353

00:22:18,879 --> 00:22:17,149

okay you know I wanted to tell you

354

00:22:21,069 --> 00:22:18,889

remember when we were talking about it

355

00:22:23,199 --> 00:22:21,079

was like shows and shows ago but we

356

00:22:28,239 --> 00:22:23,209

talked about the aerial school incident

357

00:22:29,919 --> 00:22:28,249

in Africa if you don't know this is just

358

00:22:31,089 --> 00:22:29,929

a side note I want to let you guys know

359

00:22:32,859 --> 00:22:31,099

because I saw they're making a

360

00:22:35,259 --> 00:22:32,869

documentary and the reason I know that

361

00:22:37,359 --> 00:22:35,269

is because Dan Aykroyd actually shared

362

00:22:40,509 --> 00:22:37,369

it on his Facebook page so this is an

363

00:22:44,039 --> 00:22:40,519

interesting case actually I think it was

364

00:22:46,599 --> 00:22:44,049

covered by Josh gates recently on

365

00:22:50,199 --> 00:22:46,609

hunting for aliens on the Travel Channel

366

00:22:51,579 --> 00:22:50,209

I think he covered it to the area school

367

00:22:53,829 --> 00:22:51,589

incidents a really interesting one

368

00:22:57,099 --> 00:22:53,839

because you're talking about an entire

369

00:23:01,060 --> 00:22:57,109

school full of children that witnessed

370

00:23:05,430 --> 00:23:01,070

the most incredible sight of a flying

371

00:23:09,560 --> 00:23:05,440

saucer queer

372

00:23:18,110 --> 00:23:09,570

[Laughter]

373

00:23:20,210 --> 00:23:18,120

oh good there guy wow that was ooh um we

374

00:23:23,660 --> 00:23:20,220

used the word [h__h] on this show we're

375

00:23:26,420 --> 00:23:23,670

not offended by that so try again moving

376

00:23:28,250 --> 00:23:26,430

on it's an interesting case it's about

377

00:23:33,890 --> 00:23:28,260

this flying disc that comes out of the

378

00:23:36,190 --> 00:23:33,900

sky lens into some woods near a school

379

00:23:40,640 --> 00:23:36,200

playground and these kids see this

380

00:23:43,130 --> 00:23:40,650

amazing disc land and beings come out of

381

00:23:45,880 --> 00:23:43,140

it some of which approached them some of

382

00:23:50,000 --> 00:23:45,890

which were set to be moving around

383

00:23:52,100 --> 00:23:50,010

strangely or floating as they moved or

384

00:23:54,530 --> 00:23:52,110

moving around on top of this ship

385

00:23:56,090 --> 00:23:54,540

basically there's multiple accounts of

386

00:23:59,150 --> 00:23:56,100

what people saw there's all these

387

00:24:02,030 --> 00:23:59,160

children who went in separately with a

388

00:24:03,890 --> 00:24:02,040

psychologist and they talked through the

389

00:24:07,510 --> 00:24:03,900

incident getting them to draw what they

390

00:24:11,480 --> 00:24:07,520

saw getting them to try to get this

391

00:24:13,190 --> 00:24:11,490

sighting on tape and it's about time

392

00:24:16,130 --> 00:24:13,200

somebody followed up on it it's been

393

00:24:18,380 --> 00:24:16,140

years or decades it's been decades since

394

00:24:20,240 --> 00:24:18,390

this has happened and it's good to see

395

00:24:23,240 --> 00:24:20,250

what people remember now from what they

396

00:24:27,560 --> 00:24:23,250

remember decades a decade to do what's

397

00:24:30,440 --> 00:24:27,570

going on Joe is there anything in there

398

00:24:31,790 --> 00:24:30,450

we should talk about keep looking what

399

00:24:37,430 --> 00:24:31,800

does it say there's a few things going

400

00:24:44,930 --> 00:24:37,440

on there well who's in the chat the same

401
00:24:47,180 --> 00:24:44,940
two people you just look awfully happy

402
00:24:53,870 --> 00:24:47,190
and silly to just be looking at people

403
00:25:00,670 --> 00:24:53,880
saying hi this is you am i quiet

404
00:25:14,420 --> 00:25:03,890
you're stupid are you having a good time

405
00:25:15,770 --> 00:25:14,430
watching us on the phone do you remember

406
00:25:16,970 --> 00:25:15,780
the aerial school incident we talked

407
00:25:19,670 --> 00:25:16,980
about I don't care

408
00:25:21,950 --> 00:25:19,680
do you remember it though yes okay what

409
00:25:24,779 --> 00:25:21,960
are your thoughts on it

410
00:25:25,830 --> 00:25:24,789
that they I want to see that can we

411
00:25:28,169 --> 00:25:25,840
is there a way we could pull the

412
00:25:30,629 --> 00:25:28,179
drawings and show people I want to see

413
00:25:37,529 --> 00:25:30,639

what they look like I never actually got

414

00:25:39,899 --> 00:25:37,539

a chance to see the pictures but I

415

00:25:45,139 --> 00:25:39,909

wasn't prepared for that but we could

416

00:25:49,740 --> 00:25:47,850

I'll put on our Instagram put it on our

417

00:25:53,490 --> 00:25:49,750

Twitter so that for those of you

418

00:25:54,810 --> 00:25:53,500

listening can also see it typically a

419

00:25:56,669 --> 00:25:54,820

little bit more prepared I'd have some

420

00:25:58,919 --> 00:25:56,679

pictures but today we're just kind of

421

00:25:59,970 --> 00:25:58,929

getting back in the game talking making

422

00:26:01,919 --> 00:25:59,980

sure everything's working correctly

423

00:26:03,600 --> 00:26:01,929

making sure we're live-streaming make

424

00:26:05,580 --> 00:26:03,610

sure we know how to read the chats make

425

00:26:07,620 --> 00:26:05,590

sure we know how to respond so I'll tell

426

00:26:11,879 --> 00:26:07,630

you going from just a few microphones to

427

00:26:15,539 --> 00:26:11,889

this is quite a big leap ahead so yep

428

00:26:17,129 --> 00:26:15,549

anyway if you get a chance make sure you

429

00:26:21,500 --> 00:26:17,139

check it out it's called

430

00:26:23,340 --> 00:26:21,510

aerial phenomenon but it's spelled AE

431

00:26:34,590 --> 00:26:23,350

only Amri

432

00:26:37,769 --> 00:26:34,600

a RI al I think I think no I think

433

00:26:40,560 --> 00:26:37,779

that's how thermally spelled but they

434

00:26:42,899 --> 00:26:40,570

spelled aerial with the the same way

435

00:26:44,430 --> 00:26:42,909

they spelled the aerial school so

436

00:26:46,850 --> 00:26:44,440

they're kind of doing in wordplay off

437

00:26:49,919 --> 00:26:46,860

aerial school and aerial phenomenon

438

00:26:50,250 --> 00:26:49,929

hydrant name yeah that's cool you make

439

00:26:52,620 --> 00:26:50,260

that up

440

00:27:04,520 --> 00:26:52,630

it takes you know I heard it before

441

00:27:12,470 --> 00:27:09,980

I can pay it off though sorry I didn't

442

00:27:14,030 --> 00:27:12,480

want to cough directly no microphone but

443

00:27:16,160 --> 00:27:14,040

it's going to be an interesting

444

00:27:17,900 --> 00:27:16,170

documentary and it was an interesting

445

00:27:24,160 --> 00:27:17,910

case and I think Josh gates covered it

446

00:27:31,510 --> 00:27:24,170

great and that's the nature station

447

00:27:39,580 --> 00:27:36,440

realized we can skinny blob is a hodo is

448

00:27:46,760 --> 00:27:39,590

that what it says skinny Bob is a queer

449

00:27:48,320 --> 00:27:46,770

we love skinny Bob the alien you always

450

00:27:52,130 --> 00:27:48,330

tell people about skinny Bob happy not

451
00:27:54,170 --> 00:27:52,140
know what we're talking about I don't

452
00:27:56,720 --> 00:27:54,180
know he's real or not he looks real ask

453
00:27:59,630 --> 00:27:56,730
him he looks real but that doesn't mean

454
00:28:00,650 --> 00:27:59,640
he is real and for those of you who

455
00:28:01,760 --> 00:28:00,660
don't know about the skinny Bob video

456
00:28:03,590 --> 00:28:01,770
you should totally check that out in

457
00:28:09,490 --> 00:28:03,600
youtube we did post it on our Facebook

458
00:28:13,730 --> 00:28:11,720
everybody was like it's not real it's

459
00:28:15,440 --> 00:28:13,740
debunked and I'm like well it looks real

460
00:28:18,200 --> 00:28:15,450
does it mean it is that's the problem

461
00:28:21,050 --> 00:28:18,210
today is all this [h__h] can look real and

462
00:28:25,570 --> 00:28:21,060
in the I'm sure the real [h__h] looks fake

463
00:28:28,070 --> 00:28:25,580

I mean I just have kind of given up one

464

00:28:30,560 --> 00:28:28,080

I've kind of given up watching any newer

465

00:28:34,790 --> 00:28:30,570

UFO videos I'm right now like doing a

466

00:28:38,440 --> 00:28:34,800

lot of research on old videos like maybe

467

00:28:44,380 --> 00:28:38,450

UFOs that are on VHS or film like

468

00:28:51,230 --> 00:28:44,390

recently we found a VHS tape at a local

469

00:28:53,540 --> 00:28:51,240

pun or nut punch shop thrift shop it was

470

00:28:56,150 --> 00:28:53,550

the VHS tape it's really awesome and all

471

00:28:59,350 --> 00:28:56,160

I need to do is find a VHS player what's

472

00:29:05,860 --> 00:29:02,680

oh good I got some post nasal drip

473

00:29:13,540 --> 00:29:05,870

actually you know yeah we got that in

474

00:29:16,480 --> 00:29:13,550

Roswell we've got what hey no we got it

475

00:29:20,200 --> 00:29:16,490

at a thrift store if you check out our

476

00:29:23,620 --> 00:29:20,210

social media or Instagram we posted by

477

00:29:26,560 --> 00:29:23,630

the way we have some still very

478

00:29:28,540 --> 00:29:26,570

dedicated patrons that have hung in with

479

00:29:31,180 --> 00:29:28,550

us while we haven't been doing very many

480

00:29:39,730 --> 00:29:31,190

shows thank you guys

481

00:29:44,020 --> 00:29:39,740

I think it's Carla Curtis Bri Brianna

482

00:29:45,520 --> 00:29:44,030

and the other person I don't know I he

483

00:29:48,070 --> 00:29:45,530

doesn't really interact he just gives us

484

00:29:49,930 --> 00:29:48,080

\$5 a nut so thank you if you would like

485

00:29:55,720 --> 00:29:49,940

to participate in this [h__h] show you can

486

00:30:00,280 --> 00:29:55,730

patreon a Treo n.com for slash UFO Bros

487

00:30:03,570 --> 00:30:00,290

TV were always into the mysteries we're

488

00:30:29,380 --> 00:30:09,550

yeah it's pretty much [h__\h] so it's like

489

00:30:41,200 --> 00:30:29,390

okay I don't think that's sorry I but

490

00:30:43,060 --> 00:30:41,210

yeah you're crazy man um for our

491

00:30:46,570 --> 00:30:43,070

Spreaker followers will be icon Spreaker

492

00:30:47,950 --> 00:30:46,580

we are on Spreaker still are there any

493

00:30:53,460 --> 00:30:47,960

questions in the chat room before we

494

00:31:00,720 --> 00:30:58,690

Bernard Mendez met skinny Bob also met

495

00:31:07,510 --> 00:31:00,730

the captain

496

00:31:12,280 --> 00:31:07,520

that's all he said no that's a good Wow

497

00:31:14,530 --> 00:31:12,290

Wow well okay look I was just gonna say

498

00:31:16,840 --> 00:31:14,540

that not to complain I'm not complaining

499

00:31:18,520 --> 00:31:16,850

well maybe a little bit but when we were

500

00:31:21,250 --> 00:31:18,530

just clipping on microphones it was like

501
00:31:22,870 --> 00:31:21,260
easier to get the stuff together and now

502
00:31:27,190 --> 00:31:22,880
it's like just an effort to get it

503
00:31:28,390 --> 00:31:27,200
together or has I know so I could spend

504
00:31:32,200 --> 00:31:28,400
all that we could spend all the time we

505
00:31:35,200 --> 00:31:32,210
needed research connected it's like we

506
00:31:37,540 --> 00:31:35,210
got to go and we're not always

507
00:31:39,250 --> 00:31:37,550
necessarily full of content but hey I

508
00:31:41,200 --> 00:31:39,260
did want to say before we kind of start

509
00:31:43,360 --> 00:31:41,210
wrapping up the show we do have several

510
00:31:45,420 --> 00:31:43,370
interviews planned we're in the planning

511
00:31:49,180 --> 00:31:45,430
process we're going to be on a few

512
00:31:51,280 --> 00:31:49,190
coming shows doing some interviews

513
00:31:52,600 --> 00:31:51,290

talking about what we do our incidents

514

00:31:54,310 --> 00:31:52,610

and just for those of you who have

515

00:31:56,770 --> 00:31:54,320

managed to make it this long through the

516

00:32:03,010 --> 00:31:56,780

show and you're still listening we've

517

00:32:06,790 --> 00:32:03,020

done a lot of [h__h] we're always going

518

00:32:10,060 --> 00:32:06,800

somewhere we've researched crash sites

519

00:32:12,130 --> 00:32:10,070

we've been to UFO hot spots we've been

520

00:32:15,850 --> 00:32:12,140

to the conventions we've been to the

521

00:32:19,180 --> 00:32:15,860

workshops we've been to the movie

522

00:32:21,430 --> 00:32:19,190

premieres we've been to pretty much

523

00:32:24,550 --> 00:32:21,440

anything we could get you at the time

524

00:32:28,330 --> 00:32:24,560

that made sense or we could get away or

525

00:32:29,860 --> 00:32:28,340

whatever so if you have any place that

526

00:32:31,930 --> 00:32:29,870

you think that we should go check out

527

00:32:36,180 --> 00:32:31,940

maybe maybe a little bit less

528

00:32:38,500 --> 00:32:36,190

lesser-known or cases that are little

529

00:32:43,590 --> 00:32:38,510

lesser-known that we could go check out

530

00:32:51,900 --> 00:32:43,600

let us know UFO Bros TV at gmail.com and

531

00:33:05,910 --> 00:33:03,640

and it can't be a Hydra gnam I know you

532

00:33:20,220 --> 00:33:05,920

can tell me I just don't like Stephen

533

00:33:22,680 --> 00:33:20,230

I just you might we have that book we

534

00:33:25,590 --> 00:33:22,690

have that we bought all his shifty

535

00:33:28,590 --> 00:33:25,600

dollar book yeah we went to a like a

536

00:33:32,190 --> 00:33:28,600

hundred dollar like here here's a book

537

00:33:35,730 --> 00:33:32,200

25 Oh get one fine fifty yeah and it was

538

00:33:50,060 --> 00:33:35,740

like a scribble I just wanted to be able

539

00:33:56,130 --> 00:33:52,770

like this new guy help us name him what

540

00:33:57,750 --> 00:33:56,140

do you think do you think name him you

541

00:34:01,680 --> 00:33:57,760

home something earlier I really liked it

542

tiny peepee hole oh that's right we just

548

00:34:21,860 --> 00:34:17,169

to bring it around back to the beginning

549

00:34:32,430 --> 00:34:21,870
