[Music]

2
00:00:19,670 --> 00:00:17,580

UFO Bros hey everyone is Giorgio

3
00:00:24,439 --> 00:00:19,680

tsoukalos from ancient aliens and you're

4
00:00:28,009 --> 00:00:24,449

experiencing UFO Bros TV well hello

5
00:00:35,180 --> 00:00:28,019

everybody how's it going I'm Emmett Joe

6
00:00:44,810 --> 00:00:35,190

and we are the you f fo Oh Bros and OH

7
00:00:50,180 --> 00:00:47,750

it's crazy I don't know if any of you

8
00:00:52,639 --> 00:00:50,190

are being totally inundated with UFO

9
00:00:56,450 --> 00:00:52,649

news but we are and I'll tell you I'll

10
00:00:58,130 --> 00:00:56,460

be honest with you guys as you know or

11
00:01:02,240 --> 00:00:58,140

if you don't know and you're listening

12
00:01:05,000 --> 00:01:02,250

to us for fun the Department of Defense

13
00:01:07,340 --> 00:01:05,010

has just recently for the first time

14

00:01:10,719 --> 00:01:07,350
ever in history admitted to a UFO

15

00:01:14,149 --> 00:01:10,729
chasing program or I guess you could say

16

00:01:17,060 --> 00:01:14,159
exploring a aerial phenomena sort of

17

00:01:18,950 --> 00:01:17,070
thing so and they actually came out and

18

00:01:20,749 --> 00:01:18,960
said something base came out I didn't

19

00:01:23,149 --> 00:01:20,759
nobody can say this is a hoax

20

00:01:25,730 --> 00:01:23,159
so basically absolutely so the news came

21

00:01:28,340 --> 00:01:25,740
out and then it was then confirmed with

22

00:01:31,039 --> 00:01:28,350
the actual Pentagon that this indeed was

23

00:01:33,530 --> 00:01:31,049
a program and they spent 22 million on

24

00:01:35,719 --> 00:01:33,540
it they were able to hide that money in

25

00:01:37,609 --> 00:01:35,729
budgets they call it black money and so

26

00:01:39,620 --> 00:01:37,619

it was going on right under our noses

27

00:01:41,090 --> 00:01:39,630

like we always talked about it as much

28

00:01:44,420 --> 00:01:41,100

money as they want they can call any

29

00:01:47,420 --> 00:01:44,430

kind of black note program or chicken

30

00:01:49,370 --> 00:01:47,430

fried steak program or yea they calmed a

31

00:01:50,719 --> 00:01:49,380

long program whatever I mean I probably

32

00:01:54,050 --> 00:01:50,729

would spend 22 million on a

33

00:01:58,039 --> 00:01:54,060

chicken-fried steak program some

34

00:01:59,600 --> 00:01:58,049

chicken-fried steak but so when it came

35

00:02:01,340 --> 00:01:59,610

out and and I'll let you guys know you

36

00:02:03,560 --> 00:02:01,350

know Joe Joe and I are kind of you guys

37

00:02:06,440 --> 00:02:03,570

can probably see it all over on Facebook

38

00:02:07,520 --> 00:02:06,450

everywhere it's you can see it we're a

39

00:02:08,660 --> 00:02:07,530

little bit on the inside I'm just gonna

40

00:02:09,809 --> 00:02:08,670

take these headphones off right now

41

00:02:13,380 --> 00:02:09,819

because it's

42

00:02:15,270 --> 00:02:13,390

we're a little bit on the inside so we

43

00:02:16,920 --> 00:02:15,280

caught word that there was gonna be some

44

00:02:19,740 --> 00:02:16,930

news a few days before it happened and

45

00:02:23,399 --> 00:02:19,750

so we were waiting patiently and then

46

00:02:26,309 --> 00:02:23,409

when it came out we were like skeptical

47

00:02:28,680 --> 00:02:26,319

about how big of a news item it was

48

00:02:30,509 --> 00:02:28,690

gonna be because you know you guys see

49

00:02:32,640 --> 00:02:30,519

it all the time they take securities

50

00:02:34,649 --> 00:02:32,650

videos and they create an article out of

51
00:02:36,360 --> 00:02:34,659
it and then it gets picked up by a bunch

52
00:02:37,890 --> 00:02:36,370
of stupid tabloids and then people share

53
00:02:39,059 --> 00:02:37,900
it everywhere and that's basically been

54
00:02:39,600 --> 00:02:39,069
what we've all been dealing with right

55
00:02:42,000 --> 00:02:39,610
online

56
00:02:45,210 --> 00:02:42,010
Suzy goes to the tabloids it's like oh

57
00:02:48,990 --> 00:02:45,220
let's fake yeah I'm not even interested

58
00:02:54,869 --> 00:02:49,000
scroll scroll so when I first came out I

59
00:02:56,699 --> 00:02:54,879
was like we weren't like I Joe we were

60
00:02:59,420 --> 00:02:56,709
both skeptical like is it gonna be one

61
00:03:01,830 --> 00:02:59,430
of those things but what happened was it

62
00:03:02,580 --> 00:03:01,840
basically know if you lost train of

63
00:03:04,380 --> 00:03:02,590

thought I'm sorry

64

00:03:05,550 --> 00:03:04,390

basically Tom DeLonge is like I'll bring

65

00:03:07,440 --> 00:03:05,560

this out anyway so the girl was like

66

00:03:09,809 --> 00:03:07,450

okay well you know we did have this

67

00:03:12,180 --> 00:03:09,819

thing you know we had this one program

68

00:03:14,460 --> 00:03:12,190

program thing they're kind of nonchalant

69

00:03:16,589 --> 00:03:14,470

about it no big deal and by the way this

70

00:03:19,620 --> 00:03:16,599

was a program that was supported and

71

00:03:26,690 --> 00:03:19,630

pushed by Senator Harry Reid from Nevada

72

00:03:36,330 --> 00:03:32,490

okay Nevada Nevada Nevada Nevada Nevada

73

00:03:37,800 --> 00:03:36,340

so he's supporting it also Bigelow

74

00:03:39,750 --> 00:03:37,810

airspace we actually covered that one

75

00:03:41,909 --> 00:03:39,760

before Joe the guy that says it like

76

00:03:42,869 --> 00:03:41,919

he's a billionaire CEO that's the aliens

77

00:03:47,400 --> 00:03:42,879

are right under our noses

78

00:03:49,309 --> 00:03:47,410

they are yeah well in that sixty minutes

79

00:03:52,140 --> 00:03:49,319

interview if you guys haven't seen it

80

00:03:55,199 --> 00:03:52,150

mr. Bigelow from Bigelow airspace talks

81

00:03:59,009 --> 00:03:55,209

about male gigolo that the interview ask

82

00:04:02,970 --> 00:03:59,019

the interviewer asks him do you believe

83

00:04:05,009 --> 00:04:02,980

in aliens and he laughed and smiled but

84

00:04:06,720 --> 00:04:05,019

as he was explaining that they're right

85

00:04:08,970 --> 00:04:06,730

under our noses and they're already here

86

00:04:11,009 --> 00:04:08,980

we don't have to go out of our planet to

87

00:04:13,559 --> 00:04:11,019

find aliens but the way you're talking

88

00:04:16,110 --> 00:04:13,569

about it was just kind of like almost

89

00:04:19,319 --> 00:04:16,120

like how stupid could you be kind of

90

00:04:21,120 --> 00:04:19,329

expression like silly question of course

91

00:04:22,780 --> 00:04:21,130

like he's known all along and I'll tell

92

00:04:25,160 --> 00:04:22,790

you I think he's known as

93

00:04:29,230 --> 00:04:25,170

in the Articles that have been going

94

00:04:32,660 --> 00:04:29,240

around about this they talk about a

95

00:04:35,230 --> 00:04:32,670

facility in Vegas that has turned into a

96

00:04:39,800 --> 00:04:35,240

strip joint

97

00:04:42,890 --> 00:04:39,810

yes slash housing place for what they

98

00:04:45,800 --> 00:04:42,900

call anomalous metals or anomalous

99

00:04:49,790 --> 00:04:45,810

alloys that they have indeed said they

100

00:04:51,500 --> 00:04:49,800

have recovered from they don't say we

101
00:04:53,630 --> 00:04:51,510
come recovered it from UFOs or that it's

102
00:04:55,640 --> 00:04:53,640
alien they have not said alien at all

103
00:05:02,900 --> 00:04:55,650
they've only just came out and said it's

104
00:05:08,750 --> 00:05:02,910
their UFOs and so so this building is

105
00:05:12,410 --> 00:05:08,760
housing downed or recovered alloys from

106
00:05:23,420 --> 00:05:12,420
these unexplained objects that can defy

107
00:05:35,690 --> 00:05:23,430
physics and know what we going to say if

108
00:05:44,360 --> 00:05:35,700
they say it's UFO so just - I oh no you

109
00:05:46,670 --> 00:05:44,370
oh no I oh I oh I oh it sucked okay you

110
00:05:50,840 --> 00:05:46,680
guys if you're still listening thank God

111
00:05:53,210 --> 00:05:50,850
because we've got some clips Joe and I

112
00:05:54,530 --> 00:05:53,220
are really you know where we've got some

113
00:05:55,970 --> 00:05:54,540

stuff right we spent some time today for

114

00:05:57,830 --> 00:05:55,980

you guys thanks I know we put some

115

00:06:02,710 --> 00:05:57,840

effort into this we you know we tried to

116

00:06:04,580 --> 00:06:02,720

I think it's interesting I just want to

117

00:06:06,050 --> 00:06:04,590

tell you guys we're gonna cover a few

118

00:06:08,600 --> 00:06:06,060

clips and we're also gonna talk about

119

00:06:10,070 --> 00:06:08,610

mr. dr. Greer and so you're gonna want

120

00:06:11,660 --> 00:06:10,080

to stay tuned to listen to what Greer

121

00:06:14,000 --> 00:06:11,670

has to say about this because I was

122

00:06:15,710 --> 00:06:14,010

wondering what the heck does Greer think

123

00:06:19,850 --> 00:06:15,720

about all this and he was probably like

124

00:06:22,190 --> 00:06:19,860

you know he came out before me yeah I

125

00:06:24,170 --> 00:06:22,200

got my own project I got my own project

126

00:06:26,420 --> 00:06:24,180

that I got secret - wait till you comes

127

00:06:30,130 --> 00:06:26,430

out what you see it you know what he has

128

00:06:41,980 --> 00:06:39,670

oh excuse me that was gross anyway you

129

00:06:45,160 --> 00:06:41,990

and we're gonna talk about what Greer

130

00:06:47,410 --> 00:06:45,170

has to say and then we're also gonna

131

00:06:49,390 --> 00:06:47,420

meet and I'm gonna introduce you to the

132

00:06:53,790 --> 00:06:49,400

person that well I mean I'm not gonna

133

00:06:56,170 --> 00:06:53,800

introduce you with a video of Mister

134

00:07:00,370 --> 00:06:56,180

Elizondo who worked for the Department

135

00:07:03,370 --> 00:07:00,380

of Defense in the what they refer to as

136

00:07:05,920 --> 00:07:03,380

I got to get the exact verbiage here so

137

00:07:11,200 --> 00:07:05,930

that we you know it doesn't know it

138

00:07:15,160 --> 00:07:11,210

verbatim yeah exactly so how you doing

139

00:07:17,190 --> 00:07:15,170

yeah I didn't go so well let me try that

140

00:07:20,860 --> 00:07:17,200

again

141

00:07:22,470 --> 00:07:20,870

I don't know it's the advanced aerial

142

00:07:25,720 --> 00:07:22,480

threat program at the Department of

143

00:07:27,910 --> 00:07:25,730

Defense and between the years of late

144

00:07:31,810 --> 00:07:27,920

2008 when it started to tooth you know

145

00:07:33,070 --> 00:07:31,820

from 2009 to 2012 I think I actually

146

00:07:37,840 --> 00:07:33,080

have all that information here so you

147

00:07:43,440 --> 00:07:37,850

guys can actually get there now now just

148

00:07:45,790 --> 00:07:43,450

to remind everybody between 47 and 69

149

00:07:47,650 --> 00:07:45,800

that was the only time that the

150

00:07:50,410 --> 00:07:47,660

government ever said that they had been

151

00:07:56,920 --> 00:07:50,420

hunting anything regarding UFOs or

152

00:08:01,710 --> 00:07:56,930

unexplained phenomena tonight you just

153

00:08:04,330 --> 00:08:01,720

build a giant soda every [h__h] where

154

00:08:06,010 --> 00:08:04,340

all over our binders that we're gonna

155

00:08:09,030 --> 00:08:06,020

show you guys anyway

156

00:08:13,270 --> 00:08:09,040

so the government stopped UFO hunting in

157

00:08:15,250 --> 00:08:13,280

1969 and and after that release you know

158

00:08:17,080 --> 00:08:15,260

Project Blue Book which was one of a

159

00:08:19,720 --> 00:08:17,090

series of systematic studies of

160

00:08:21,120 --> 00:08:19,730

unidentified flying objects conducted by

161

00:08:24,280 --> 00:08:21,130

the United States Air Force and that

162

00:08:27,010 --> 00:08:24,290

started in 52 so I guess it was a third

163

00:08:29,470 --> 00:08:27,020

third and quote-unquote final study so

164

00:08:37,520 --> 00:08:29,480

as we move forward and Joe cleans up his

165

00:08:46,820 --> 00:08:39,290

oh my goodness and you made me lose

166

00:08:53,090 --> 00:08:46,830

amateur anything okay so think about

167

00:08:56,180 --> 00:08:53,100

this you guys 2017 for the first time

168

00:09:00,320 --> 00:08:56,190

ever it's confirmed that there are

169

00:09:02,750 --> 00:09:00,330

indeed unidentified flying objects prior

170

00:09:04,160 --> 00:09:02,760

to that the government Oh actually not

171

00:09:06,170 --> 00:09:04,170

prior to that but while that was going

172

00:09:07,790 --> 00:09:06,180

on the actual US government says that

173

00:09:08,930 --> 00:09:07,800

there they have no interest in UFOs and

174

00:09:10,790 --> 00:09:08,940

they're not hunting them anymore and

175

00:09:14,120 --> 00:09:10,800

that ended back in 69 with Project Blue

176

00:09:16,400 --> 00:09:14,130

Bus oh yay but and now they're like oh

177

00:09:19,250 --> 00:09:16,410

well never mind and it's actually a

178

00:09:21,950 --> 00:09:19,260

historic moment you guys so I want to

179

00:09:24,770 --> 00:09:21,960

show you this video of Lewis Elizondo

180

00:09:27,160 --> 00:09:24,780

who was who is now part of the to the

181

00:09:30,410 --> 00:09:27,170

stars Academy with mr. Tom DeLonge and

182

00:09:31,670 --> 00:09:30,420

this is a just intro clip so you guys

183

00:09:35,510 --> 00:09:31,680

can take a look we're gonna disappear

184

00:09:38,720 --> 00:09:35,520

here and so here is mr. Lewis design

185

00:09:41,720 --> 00:09:38,730

name is Lou Elizondo I'm a career

186

00:09:43,010 --> 00:09:41,730

intelligence officer with various

187

00:09:44,630 --> 00:09:43,020

organizations throughout the

188

00:09:46,580 --> 00:09:44,640

intelligence community I've worked for

189

00:09:49,580 --> 00:09:46,590

the Department of Defense have worked

190

00:09:50,950 --> 00:09:49,590

with the army I've worked with the

191

00:09:53,800 --> 00:09:50,960

Director of National Intelligence

192

00:09:57,260 --> 00:09:53,810

National counterintelligence executive

193

00:09:59,720 --> 00:09:57,270

and fill-in-the-blank a bunch of others

194

00:10:03,350 --> 00:09:59,730

some of my time was spent in advanced

195

00:10:06,350 --> 00:10:03,360

rely on Space engineering protecting key

196

00:10:09,740 --> 00:10:06,360

technologies critical technologies in

197

00:10:13,760 --> 00:10:09,750

advanced weaponry in advanced aerospace

198

00:10:16,100 --> 00:10:13,770

such as high energy lasers drone nano

199

00:10:18,200 --> 00:10:16,110

technology so my time was spent in the

200

00:10:20,570 --> 00:10:18,210

careers of counterintelligence and human

201
00:10:22,760 --> 00:10:20,580
intelligence makes intelligence I think

202
00:10:25,630 --> 00:10:22,770
unique is that you have a career field

203
00:10:29,000 --> 00:10:25,640
dedicated entirely to the art of

204
00:10:31,580 --> 00:10:29,010
observation of understanding how things

205
00:10:32,960 --> 00:10:31,590
work looking at those things maybe from

206
00:10:35,270 --> 00:10:32,970
a slightly different perspective and

207
00:10:37,190 --> 00:10:35,280
trying to figure out what it is that

208
00:10:37,670 --> 00:10:37,200
you're actually seeing so as a trained

209
00:10:40,190 --> 00:10:37,680
observer

210
00:10:41,450 --> 00:10:40,200
I think intelligence is one of those

211
00:10:46,730 --> 00:10:41,460
fields that gives you a little bit

212
00:10:48,170 --> 00:10:46,740
unique perspective on things that's to

213
00:10:50,750 --> 00:10:48,180

the Stars Academy and all credit goes to

214

00:10:52,430 --> 00:10:50,760

them no copyright intended

215

00:10:54,710 --> 00:10:52,440

we were just wanted to use that as

216

00:10:56,630 --> 00:10:54,720

educational purposes so hopefully we're

217

00:11:08,090 --> 00:10:56,640

able to can hear any of that with Jose

218

00:11:09,590 --> 00:11:08,100

it'll okay maybe I am a big guy any

219

00:11:11,630 --> 00:11:09,600

Nationals a little [h__h] little too

220

00:11:13,490 --> 00:11:11,640

posed yeah let's show these people what

221

00:11:15,710 --> 00:11:13,500

the video that was released so we got we

222

00:11:18,230 --> 00:11:15,720

got the video clip of course so take a

223

00:11:19,400 --> 00:11:18,240

look at this this is what one of the

224

00:11:20,990 --> 00:11:19,410

clips that came out with a huge

225

00:11:23,060 --> 00:11:21,000

announcement so take a look here and you

226

00:11:24,680 --> 00:11:23,070

can also listening to the pilots in the

227

00:11:42,800 --> 00:11:24,690

background discussing what they're

228

00:11:50,660 --> 00:11:42,810

seeing so check this out I guess it's

229

00:11:55,010 --> 00:11:50,670

like 130 something miles per hour you

230

00:11:59,360 --> 00:11:55,020

can see the airspeed right there what do

231

00:12:01,550 --> 00:11:59,370

you think this look at this it's

232

00:12:05,000 --> 00:12:01,560

rotating it stopped and rotated it's

233

00:12:06,710 --> 00:12:05,010

crazy to stopped and rotate yeah but

234

00:12:08,900 --> 00:12:06,720

it's going against air going it whatever

235

00:12:15,710 --> 00:12:08,910

mile an hour 20 knots I think a hundred

236

00:12:17,390 --> 00:12:15,720

twenty knots two miles out okay um you

237

00:12:19,850 --> 00:12:17,400

know if it's wrong let us know you know

238

00:12:29,450 --> 00:12:19,860

we hope so it looks as though we're

239

00:12:34,579 --> 00:12:31,850

I don't know okay our livestream is our

240

00:12:37,670 --> 00:12:34,589

output to health Islam has nothing to do

241

00:12:41,180 --> 00:12:37,680

with us exactly - it is you - it's tube

242

00:12:42,560 --> 00:12:41,190

you so we're gonna keep going here and

243

00:12:44,510 --> 00:12:42,570

moving on because there's more clips I

244

00:12:48,680 --> 00:12:44,520

want to show you guys if as long as our

245

00:12:51,410 --> 00:12:48,690

internet still continues to work so I've

246

00:12:53,690 --> 00:12:51,420

showed you who Lewis Elizondo is or

247

00:12:55,460 --> 00:12:53,700

Lewis Elizondo and now we're gonna take

248

00:12:57,769 --> 00:12:55,470

a look and Joe this is the first time

249

00:13:01,220 --> 00:12:57,779

that we're gonna actually see it because

250

00:13:02,500 --> 00:13:01,230

I have can you fix my headphones oh [h__h]

251

00:13:07,210 --> 00:13:02,510

just [h__h] him up

252

00:13:11,060 --> 00:13:07,220

Joe can you hear everything clearly oh

253

00:13:13,940 --> 00:13:11,070

well okay here take a look I'll be

254

00:13:17,420 --> 00:13:13,950

honest with you guys I have not seen

255

00:13:18,920 --> 00:13:17,430

this news clip so we're all in it

256

00:13:23,060 --> 00:13:18,930

together and I saved it for y'all so

257

00:13:27,369 --> 00:13:23,070

let's let's take a look this is his CBS

258

00:13:32,660 --> 00:13:31,129

captured by US Navy pilots offers an

259

00:13:35,929 --> 00:13:32,670

inside look at a secretive government

260

00:13:38,720 --> 00:13:35,939

program that investigated unidentified

261

00:13:40,910 --> 00:13:38,730

flying objects the Defense Department

262

00:13:44,600 --> 00:13:40,920

says it ended the advanced aviation

263

00:13:46,850 --> 00:13:44,610

threat identification program in 2012

264

00:13:49,519 --> 00:13:46,860

over funding issues but a Pentagon

265

00:13:52,009 --> 00:13:49,529

spokeswoman said quote the DoD takes

266

00:13:54,470 --> 00:13:52,019

seriously all threats and takes action

267

00:13:55,129 --> 00:13:54,480

whenever credible information is

268

00:13:57,739 --> 00:13:55,139

developed

269

00:14:00,410 --> 00:13:57,749

doneita copal shows us two UFO

270

00:14:01,790 --> 00:14:00,420

encounters captured on camera good

271

00:14:04,340 --> 00:14:01,800

morning good morning with this video

272

00:14:06,710 --> 00:14:04,350

that little-known Pentagon program had a

273

00:14:08,509 --> 00:14:06,720

budget of about 22 million dollars

274

00:14:10,879 --> 00:14:08,519

according to the civilian intelligence

275

00:14:13,069 --> 00:14:10,889

officer who used to run it most of the

276

00:14:15,590 --> 00:14:13,079

sightings looked at were by US military

277

00:14:23,090 --> 00:14:15,600

personnel who have been reporting UFO

278

00:14:25,129 --> 00:14:23,100

sightings for decades this is one of the

279

00:14:32,840 --> 00:14:25,139

incidents the Pentagon secretive group

280

00:14:34,999 --> 00:14:32,850

of UFO Hunters investigated this object

281

00:14:37,999 --> 00:14:35,009

appeared off the California coast in

282

00:14:40,999 --> 00:14:38,009

2004 and baffled oh this is the tic-tac

283

00:14:43,610 --> 00:14:41,009

video I think it's not a drone it's not

284

00:14:46,759 --> 00:14:43,620

something that we can easily say oh

285

00:14:49,369 --> 00:14:46,769

that's an airplane Luis Elizondo ran the

286

00:14:54,379 --> 00:14:49,379

advanced aviation threat identification

287

00:14:56,949 --> 00:14:54,389

program at the Defense Department object

288

00:14:59,780 --> 00:14:56,959

moved defied the known laws of physics

289

00:15:02,059 --> 00:14:59,790

we're looking at is truly yeah our

290

00:15:04,429 --> 00:15:02,069

next-generation technologies this former

291

00:15:06,860 --> 00:15:04,439

Nevada Senator Harry Reid champion to

292

00:15:08,900 --> 00:15:06,870

the UFO program and some of the funding

293

00:15:11,660 --> 00:15:08,910

reportedly went to one of his donors

294

00:15:14,600 --> 00:15:11,670

Robert Bigelow founder of the military

295

00:15:17,269 --> 00:15:14,610

contractor Bigelow Aerospace the Las

296

00:15:20,960 --> 00:15:17,279

Vegas tycoon spoke with 60 minutes in

297

00:15:23,629 --> 00:15:20,970

may do you imagine that in our space

298

00:15:25,730 --> 00:15:23,639

travels we will encounter other forms of

299

00:15:30,910 --> 00:15:25,740

intelligent life you don't have to go

300

00:15:37,100 --> 00:15:34,819

where exactly look at his face oh my

301
00:15:46,370 --> 00:15:37,110
gosh he's like duh

302
00:15:50,480 --> 00:15:46,380
oh god that mundi we have a review and

303
00:15:54,890 --> 00:15:50,490
that baby by the way we were really

304
00:15:57,800 --> 00:15:54,900
disappointed with the alien Los Angeles

305
00:15:59,960 --> 00:15:57,810
actually a missile test I think this is

306
00:16:02,690 --> 00:15:59,970
a national security imperative we have

307
00:16:04,190 --> 00:16:02,700
clear missile test miles that we do not

308
00:16:09,010 --> 00:16:04,200
understand how they work

309
00:16:11,330 --> 00:16:09,020
operating in areas that we can't control

310
00:16:13,820 --> 00:16:11,340
Elizondo refused to tell us how many

311
00:16:15,710 --> 00:16:13,830
cases his former group investigated

312
00:16:19,310 --> 00:16:15,720
saying that information was sensitive

313
00:16:21,440 --> 00:16:19,320

from 1947 to 1969 an Air Force program

314

00:16:24,530 --> 00:16:21,450

called Project Blue Book looked into

315

00:16:27,170 --> 00:16:24,540

more than 12,000 UFO sightings and about

316

00:16:29,180 --> 00:16:27,180

700 of them remain on identify

317

00:16:31,730 --> 00:16:29,190

interesting how they buried this in the

318

00:16:34,820 --> 00:16:31,740

budget under this sort of blurry name

319

00:16:36,620 --> 00:16:34,830

advanced aviation identification they

320

00:16:38,240 --> 00:16:36,630

call it black money for a reason yeah

321

00:16:41,360 --> 00:16:38,250

yeah I've never seen one but I believe

322

00:16:42,710 --> 00:16:41,370

it looks like a bunch of shows aliens

323

00:16:54,280 --> 00:16:42,720

you know you were needle in the back of

324

00:17:02,870 --> 00:16:58,600

okay well it's done but what you think

325

00:17:06,470 --> 00:17:02,880

about what no what did you think of the

326

00:17:09,170 --> 00:17:06,480

interview I don't think it was that's

327

00:17:11,590 --> 00:17:09,180

pretty I mean there are things that we

328

00:17:13,550 --> 00:17:11,600

can't do anything about in our air space

329

00:17:15,650 --> 00:17:13,560

one more cut well I mean that's pretty

330

00:17:17,720 --> 00:17:15,660

big confirmation now if this is the

331

00:17:20,689 --> 00:17:17,730

beginning of what Tom DeLonge and his

332

00:17:23,300 --> 00:17:20,699

people are if they're going to be

333

00:17:31,550 --> 00:17:23,310

putting out then I I expect it to either

334

00:17:33,320 --> 00:17:31,560

I hopefully gets better yes no the clip

335

00:17:36,230 --> 00:17:33,330

right before it that they showed in the

336

00:17:42,440 --> 00:17:36,240

sky said was a missile test not the

337

00:17:43,790 --> 00:17:42,450

actual UFO footage so weird okay now I'm

338

00:17:45,080 --> 00:17:43,800

gonna show you guys another clip these

339

00:17:46,420 --> 00:17:45,090

are just news clips and this is kind of

340

00:17:49,130 --> 00:17:46,430

like a quick update on everything so

341

00:17:49,690 --> 00:17:49,140

here's Ralph Blumenthal who is the

342

00:17:51,700 --> 00:17:49,700

person who

343

00:17:53,529 --> 00:17:51,710

wrote the starry story that broke on the

344

00:17:54,370 --> 00:17:53,539

New York Times discussing this in we're

345

00:18:11,019 --> 00:17:54,380

gonna play this for you guys so check

346

00:18:13,240 --> 00:18:11,029

this out welcome back everybody our

347

00:18:16,149 --> 00:18:13,250

final story today it's a little out

348

00:18:20,590 --> 00:18:16,159

there and I do mean if I ever met her

349

00:18:25,419 --> 00:18:20,600

I'd be like researching the possible

350

00:18:26,889 --> 00:18:25,429

existence the defense launched the

351

00:18:32,110 --> 00:18:26,899

program in cooperation with former

352

00:18:34,120 --> 00:18:32,120

Senator Harry Reid in 2017 spent \$22

353

00:18:36,399 --> 00:18:34,130

each year searching for unidentified

354

00:18:38,710 --> 00:18:36,409

flying objects until the program was

355

00:18:40,000 --> 00:18:38,720

shuttered back in 2012 joining us now to

356

00:18:41,230 --> 00:18:40,010

talk more about this one of the authors

357

00:18:43,120 --> 00:18:41,240

of yesterday's fascinating New York

358

00:18:44,710 --> 00:18:43,130

Times article journalist ralph

359

00:18:47,230 --> 00:18:44,720

Blumenthal thank so much for joining us

360

00:18:49,720 --> 00:18:47,240

that machine it talked to me about the

361

00:18:51,190 --> 00:18:49,730

research that went into this was not

362

00:18:52,899 --> 00:18:51,200

twenty two million a year was twenty two

363

00:18:55,029 --> 00:18:52,909

million total which is really a drop in

364

00:18:57,370 --> 00:18:55,039

the bucket of the Pentagon budget but it

365

00:18:59,310 --> 00:18:57,380

went for research into these objects and

366

00:19:02,889 --> 00:18:59,320

no one knows what they are to this day

367

00:19:05,279 --> 00:19:02,899

that have been seen by NATO engage with

368

00:19:08,289 --> 00:19:05,289

them they've been reported by witnesses

369

00:19:13,600 --> 00:19:08,299

but beyond that we really don't know

370

00:19:15,759 --> 00:19:13,610

much and the research went into identify

371

00:19:17,590 --> 00:19:15,769

the strange means of propulsion they

372

00:19:19,120 --> 00:19:17,600

have phenomenal aerodynamics which

373

00:19:23,080 --> 00:19:19,130

represent nothing on the face of this

374

00:19:26,080 --> 00:19:23,090

earth country and the research even

375

00:19:27,430 --> 00:19:26,090

though the program was officially ran

376

00:19:29,919 --> 00:19:27,440

out of money in 2012

377

00:19:31,480 --> 00:19:29,929

it really has continued we found out so

378

00:19:33,039 --> 00:19:31,490

what's been going on what and why have

379

00:19:34,840 --> 00:19:33,049

they not publicized the fact that it has

380

00:19:36,789 --> 00:19:34,850

continued well it's a controversial it's

381

00:19:38,889 --> 00:19:36,799

a controversial program a lot of people

382

00:19:40,690 --> 00:19:38,899

there's a ridicule factor a lot of

383

00:19:41,740 --> 00:19:40,700

people afraid of the you know the people

384

00:19:44,019 --> 00:19:41,750

would make fun of the government

385

00:19:46,360 --> 00:19:44,029

spending this money has already happened

386

00:19:48,549 --> 00:19:46,370

in other media but there's also a lot of

387

00:19:52,120 --> 00:19:48,559

fascination there is fascination and

388

00:19:53,919 --> 00:19:52,130

this is probably the watch the New York

389

00:19:58,270 --> 00:19:53,929

Times has run in a long time oh yeah

390

00:20:04,270 --> 00:19:58,280

it's huge now they ask what are they

391

00:20:08,710 --> 00:20:04,280

we told you they didn't tell us that's

392

00:20:09,880 --> 00:20:08,720

part of they're telling us now and keep

393

00:20:14,920 --> 00:20:09,890

in mind they have not talked about

394

00:20:17,830 --> 00:20:14,930

oh yes we told you to well ufologists

395

00:20:19,180 --> 00:20:17,840

now are no longer just stupid idiots

396

00:20:24,160 --> 00:20:19,190

there's there's a reason why these

397

00:20:26,020 --> 00:20:24,170

things are research so that scientists

398

00:20:29,560 --> 00:20:26,030

can try to figure out what accounts for

399

00:20:32,650 --> 00:20:29,570

their amazing properties this technology

400

00:20:33,520 --> 00:20:32,660

these objects whatever they are for

401
00:20:36,550 --> 00:20:33,530
those of you that are listening and

402
00:20:38,320 --> 00:20:36,560
Spreaker make sure you check us out on

403
00:21:06,250 --> 00:20:38,330
youtube you'll be able to see the links

404
00:21:07,840 --> 00:21:06,260
in the clips for these videos but we

405
00:21:12,700 --> 00:21:07,850
have run out of time thank you

406
00:21:13,840 --> 00:21:12,710
appreciate it okay so I don't know it's

407
00:21:17,740 --> 00:21:13,850
more more interesting hey we're gonna

408
00:21:19,870 --> 00:21:17,750
turn to the chat room we've got we've

409
00:21:22,030 --> 00:21:19,880
got some some comments Ronny Dawson's

410
00:21:24,940 --> 00:21:22,040
here first we do played good the second

411
00:21:25,840 --> 00:21:24,950
was choppy sorry guys nothing we could

412
00:21:31,300 --> 00:21:25,850
do about it we just got to keep going

413
00:21:33,340 --> 00:21:31,310

with the show Joe Santana hi guys this

414

00:21:35,860 --> 00:21:33,350

is Joe Santana out of Modesto California

415

00:21:37,300 --> 00:21:35,870

love your channel and honestly why can't

416

00:21:40,900 --> 00:21:37,310

these others just tell it like it is

417

00:21:47,160 --> 00:21:40,910

stop the BS exactly we feel same exact

418

00:21:49,360 --> 00:21:47,170

way feel the exact same way

419

00:21:54,370 --> 00:21:49,370

you're stupid why are you do that in the

420

00:21:56,020 --> 00:21:54,380

background YouTube okay okay look and by

421

00:21:58,210 --> 00:21:56,030

the way look Joe and I are Gibbs this

422

00:22:00,550 --> 00:21:58,220

guy but I wanted to show you what we've

423

00:22:02,530 --> 00:22:00,560

been doing we're serious about what we

424

00:22:04,090 --> 00:22:02,540

do so we're gonna take a break because

425

00:22:05,560 --> 00:22:04,100

we're gonna go to the Greer letter here

426

00:22:06,910 --> 00:22:05,570

in a minute which is which is a doozy

427

00:22:08,910 --> 00:22:06,920

it's a good when you go to watch and see

428

00:22:11,830 --> 00:22:08,920

what

429

00:22:13,270 --> 00:22:11,840

mr. Greer has to say and for those of

430

00:22:15,400 --> 00:22:13,280

you obviously that are only listening

431

00:22:16,480 --> 00:22:15,410

and you're listening to the podcast you

432

00:22:18,310 --> 00:22:16,490

know we'll just we'll try to talk it

433

00:22:20,710 --> 00:22:18,320

through with you but Jo hand me a binder

434

00:22:22,930 --> 00:22:20,720

we have binders upon binders of women no

435

00:22:25,150 --> 00:22:22,940

I'm just kidding do you want that was it

436

00:22:28,930 --> 00:22:25,160

you yet Bush or some but you get one

437

00:22:33,720 --> 00:22:28,940

with or without soda without the soda to

438

00:22:37,870 --> 00:22:33,730

start so what we've been doing is

439

00:22:39,310 --> 00:22:37,880

printing out of work yeah so this was a

440

00:22:45,520 --> 00:22:39,320

little off-topic but you know what we

441

00:22:48,280 --> 00:22:45,530

found is the manual on remote viewing by

442

00:22:48,790 --> 00:22:48,290

dr. Hal put put off or put off or

443

00:22:51,370 --> 00:22:48,800

whatever

444

00:22:56,680 --> 00:22:51,380

now this dr. Howell guy is the same guy

445

00:23:03,550 --> 00:22:56,690

that is one of Tom belongs backers one

446

00:23:06,160 --> 00:23:03,560

of his top top physicists on his board

447

00:23:08,260 --> 00:23:06,170

and so with that being said I was able

448

00:23:13,930 --> 00:23:08,270

to find all this absolutely incredible

449

00:23:16,750 --> 00:23:13,940

work on through the through the CIA

450

00:23:18,540 --> 00:23:16,760

website so right here says a fuzzy

451
00:23:20,890 --> 00:23:18,550
intersection is defined as the minimum

452
00:23:24,430 --> 00:23:20,900
intersecting fuzzy set up membership

453
00:23:25,930 --> 00:23:24,440
values fuzzy I don't know but let me

454
00:23:27,430 --> 00:23:25,940
read just something about I like we're

455
00:23:29,740 --> 00:23:27,440
on remote viewing one on topic but hey

456
00:23:33,250 --> 00:23:29,750
let's take a break for a second it's

457
00:23:36,550 --> 00:23:33,260
this is quite literally a method I I got

458
00:23:40,810 --> 00:23:36,560
something highlighted here so this is in

459
00:23:43,660 --> 00:23:40,820
this manual Declassified from CIA it may

460
00:23:46,150 --> 00:23:43,670
be that remote perceptual ability is

461
00:23:49,300 --> 00:23:46,160
widely distributed in the general

462
00:23:52,150 --> 00:23:49,310
population but because the perception is

463
00:23:55,380 --> 00:23:52,160

generally below an individual's level of

464

00:23:58,180 --> 00:23:55,390

awareness it is repressed or not noticed

465

00:24:00,220 --> 00:23:58,190

and what remote viewing is for those of

466

00:24:03,130 --> 00:24:00,230

you who don't know it was also called

467

00:24:05,680 --> 00:24:03,140

Project gorilla flame to start its was

468

00:24:08,260 --> 00:24:05,690

Project Star Gate and it would last it

469

00:24:10,570 --> 00:24:08,270

all the way up until the 90s where they

470

00:24:12,270 --> 00:24:10,580

were actually trying to find people that

471

00:24:15,010 --> 00:24:12,280

could have some sort of telepathic

472

00:24:18,880 --> 00:24:15,020

couldn't say telepathic but they were

473

00:24:21,690 --> 00:24:18,890

able to describe in pretty much good

474

00:24:25,560 --> 00:24:21,700

detail a location anywhere

475

00:24:28,980 --> 00:24:25,570

based I'm so and they do it in the

476

00:24:38,370 --> 00:24:28,990

galaxy yeah and in the faylene and the

477

00:24:44,669 --> 00:24:38,380

phallic okay but so here's a really good

478

00:24:45,779 --> 00:24:44,679

example there's so much information yeah

479

00:24:46,950 --> 00:24:45,789

you guys really should be if you're

480

00:24:48,240 --> 00:24:46,960

really really into this reading this

481

00:24:51,090 --> 00:24:48,250

stuff I wrote it read this whole thing

482

00:24:53,100 --> 00:24:51,100

he read it and out of everything that's

483

00:24:54,720 --> 00:24:53,110

going on it's really good to know this

484

00:24:56,370 --> 00:24:54,730

stuff yeah so this was actually

485

00:24:57,990 --> 00:24:56,380

Declassified cuz we're talking about

486

00:24:59,310 --> 00:24:58,000

black budget stuff and stuff you know

487

00:25:04,320 --> 00:24:59,320

where they hide it this is kind of one

488

00:25:07,500 --> 00:25:04,330

of those things so Hemme another oh this

489

00:25:09,810 --> 00:25:07,510

is our alien types binder and this is

490

00:25:12,990 --> 00:25:09,820

actually really cool oh it's got soda on

491

00:25:15,470 --> 00:25:13,000

it but look there's a Palladian ooh

492

00:25:20,250 --> 00:25:15,480

but this includes all sorts of different

493

00:25:21,930 --> 00:25:20,260

alien types in here and this is not

494

00:25:27,029 --> 00:25:21,940

available online this is something i

495

00:25:28,560 --> 00:25:27,039

actually found and had a special way but

496

00:25:36,350 --> 00:25:28,570

this guy i don't remind me of the guys

497

00:25:41,370 --> 00:25:38,490

so this is interesting these are

498

00:25:43,289 --> 00:25:41,380

people's you know detailed accounting of

499

00:25:49,639 --> 00:25:43,299

different alien types that they have met

500

00:25:53,070 --> 00:25:52,110

yeah here's more Project Star Gate but

501
00:25:55,710 --> 00:25:53,080
you'll be careful because the rough

502
00:26:02,279 --> 00:25:55,720
binder rings so but look at how thick

503
00:26:03,750 --> 00:26:02,289
this is I've gone through all of it Joe

504
00:26:09,029 --> 00:26:03,760
went through what's the other binder Joe

505
00:26:11,370 --> 00:26:09,039
that you into the UFO bros guide to

506
00:26:13,019 --> 00:26:11,380
galaxies this is our that's it your

507
00:26:16,620 --> 00:26:13,029
photos guy to galaxy that's named for

508
00:26:20,370 --> 00:26:16,630
book there's a Hitchhiker's Guide to the

509
00:26:21,840 --> 00:26:20,380
galaxy already but anyway this hat this

510
00:26:24,419 --> 00:26:21,850
is really really interesting business

511
00:26:27,350 --> 00:26:24,429
off FBI and other related websites these

512
00:26:29,940 --> 00:26:27,360
are all kinds of documents on UFOs

513
00:26:32,700 --> 00:26:29,950

paranormal events we have encoded this

514

00:26:34,289 --> 00:26:32,710

is really interesting project carrot we

515

00:26:37,979 --> 00:26:34,299

actually covered this on one of our

516

00:26:38,609 --> 00:26:37,989

earlier podcasts make sense of what's

517

00:26:40,739 --> 00:26:38,619

going on

518

00:26:43,049 --> 00:26:40,749

extraterrestrial recover technology and

519

00:26:44,699 --> 00:26:43,059

disposal manual this is a Psalm 101

520

00:26:50,339 --> 00:26:44,709

manual which lot of people say is baby

521

00:26:51,989 --> 00:26:50,349

but but this is all Declassified from

522

00:26:56,690 --> 00:26:51,999

the government and I find it interesting

523

00:26:59,729 --> 00:26:56,700

that all of the information that was on

524

00:27:02,909 --> 00:26:59,739

the National Archives few computers that

525

00:27:04,589 --> 00:27:02,919

they had was finally released to the

526

00:27:06,779 --> 00:27:04,599

masses and published in a database

527

00:27:09,149 --> 00:27:06,789

online this year early this year and so

528

00:27:11,209 --> 00:27:09,159

now here we are in December at the very

529

00:27:13,619 --> 00:27:11,219

end of the year finding out that those

530

00:27:19,529 --> 00:27:13,629

programs are legit and that we indeed

531

00:27:20,579 --> 00:27:19,539

did do this so we've got more binders

532

00:27:21,659 --> 00:27:20,589

we've got like seven binders so I just

533

00:27:22,769 --> 00:27:21,669

want to let you guys know that we're

534

00:27:25,469 --> 00:27:22,779

silly and we're goofy but you know

535

00:27:27,060 --> 00:27:25,479

really very serious on what is going on

536

00:27:30,299 --> 00:27:27,070

here and we want to know your thoughts

537

00:27:33,180 --> 00:27:30,309

what do you think about this

538

00:27:36,119 --> 00:27:33,190

was it disclosure was a confirmation was

539

00:27:45,329 --> 00:27:36,129

it acknowledgement whatever you won't

540

00:27:47,279 --> 00:27:45,339

call it oh yes yes

541

00:27:49,289 --> 00:27:47,289

so we're gonna go to the Greer letter

542

00:27:53,310 --> 00:27:49,299

here and I want to get your guys's

543

00:27:57,019 --> 00:27:53,320

thoughts on this too so this is no it's

544

00:28:01,680 --> 00:27:57,029

just no let's check this out guys so

545

00:28:04,019 --> 00:28:01,690

this is a fun one this this this is dr.

546

00:28:07,289 --> 00:28:04,029

Greer and he says for those of you who

547

00:28:12,060 --> 00:28:07,299

can't see from dr. Greer Sunday December

548

00:28:14,069 --> 00:28:12,070

17 2017 urgent note that the recent New

549

00:28:16,619 --> 00:28:14,079

York Times story is couched from a

550

00:28:19,019 --> 00:28:16,629

threat office of the Pentagon this is a

551
00:28:20,759 --> 00:28:19,029
clear ramp up of false flag fake

552
00:28:23,729 --> 00:28:20,769
disclosure designed to prepare people

553
00:28:25,769 --> 00:28:23,739
for a threat from outer space so the war

554
00:28:29,249 --> 00:28:25,779
mongers and war profiteers have a new

555
00:28:31,139 --> 00:28:29,259
bigger enemy be where and this the

556
00:28:31,560 --> 00:28:31,149
second paragraphs my favorite I'm gonna

557
00:28:33,869 --> 00:28:31,570
do it

558
00:28:36,659 --> 00:28:33,879
meanwhile unacknowledged is being

559
00:28:39,629 --> 00:28:36,669
blocked by media no coverage even though

560
00:28:43,049 --> 00:28:39,639
it's 2017 s number one documentary and

561
00:28:44,940 --> 00:28:43,059
iTunes and wildly popular on Netflix the

562
00:28:47,610 --> 00:28:44,950
secret government is manipulating a

563
00:28:51,330 --> 00:28:47,620

false disclosure and threat

564

00:28:54,270 --> 00:28:51,340

their lackeys and cutouts stay tuned

565

00:28:57,210 --> 00:28:54,280

what the hell's a lackeys their lackeys

566

00:29:02,010 --> 00:28:57,220

they're their Co parts their card hearts

567

00:29:05,880 --> 00:29:02,020

they're me I never took you someone that

568

00:29:08,730 --> 00:29:05,890

I don't know had vocabulary you know I'm

569

00:29:11,850 --> 00:29:08,740

a goofball yes but I am surely

570

00:29:15,450 --> 00:29:11,860

stimulating did you say you were lecture

571

00:29:21,120 --> 00:29:15,460

early I am intellectually stimulating

572

00:29:22,770 --> 00:29:21,130

you [h__h] oh by the way if you like what

573

00:29:24,450 --> 00:29:22,780

we're doing we're trying to the reason

574

00:29:25,740 --> 00:29:24,460

why we didn't comment or say anything at

575

00:29:27,299 --> 00:29:25,750

the moment came out is because we just

576

00:29:28,950 --> 00:29:27,309

need a day or two to digest it and kind

577

00:29:30,120 --> 00:29:28,960

of have our own opinion because at first

578

00:29:31,680 --> 00:29:30,130

like we said at the beginning of the

579

00:29:36,330 --> 00:29:31,690

show I was like what the hell ever just

580

00:29:39,120 --> 00:29:36,340

another thing but I was like actually

581

00:29:45,450 --> 00:29:39,130

this this is this is a big step actually

582

00:29:49,710 --> 00:29:45,460

recently this is like finding like the

583

00:29:51,030 --> 00:29:49,720

golden ticket this is it's something

584

00:29:53,430 --> 00:29:51,040

that's small you might think it's

585

00:29:56,340 --> 00:29:53,440

nothing but it's actually they actually

586

00:30:01,410 --> 00:29:56,350

coming out and saying hey you know this

587

00:30:02,850 --> 00:30:01,420

coffee's a cup of coffee I just want to

588

00:30:06,270 --> 00:30:02,860

say it confirms what we're doing that

589

00:30:09,960 --> 00:30:06,280

we're not just stupid Joe yes we're not

590

00:30:11,960 --> 00:30:09,970

just we have not seen UFO but I mean

591

00:30:14,220 --> 00:30:11,970

there is enough evidence as they say to

592

00:30:15,600 --> 00:30:14,230

prove beyond a shadow of a doubt that

593

00:30:23,190 --> 00:30:15,610

they're out there and now we have

594

00:30:23,200 --> 00:30:26,419

[Music]

595

00:30:29,970 --> 00:30:28,470

well because they're still leaving out

596

00:30:33,810 --> 00:30:29,980

the alien part they don't even mention

597

00:30:36,650 --> 00:30:33,820

aliens they just say you have macaroni

598

00:30:45,210 --> 00:30:36,660

and cheese you know

599

00:30:46,500 --> 00:30:45,220

hamburger UFO alien I don't even know

600

00:30:47,970 --> 00:30:46,510

to the podcast next time I'm eating

619

lunch well this is really delayed but

620

00:32:09,960 --> 00:32:08,200

we're gonna talk about what Ronnie

621

00:32:13,080 --> 00:32:09,970

Dawson says I think what they're doing

622

00:32:15,210 --> 00:32:13,090

is damage control they want you to hear

623

00:32:18,930 --> 00:32:15,220

the UFO stuff before you hear it from

624

00:32:20,610 --> 00:32:18,940

the lungs boys I can hear exactly those

625

00:32:22,410 --> 00:32:20,620

627

00:32:31,350 --> 00:32:29,920

that's from Jos antenna angry yeah it's

628

00:32:33,180 --> 00:32:31,360

kind of that well and I wonder I wonder

629

00:32:34,230 --> 00:32:33,190

if I don't think I wonder if no Greer

630

00:32:36,060 --> 00:32:34,240

probably knew that this was this

631

00:32:38,040 --> 00:32:36,070

announcement was coming out he probably

632

00:32:47,450 --> 00:32:38,050

has it somewhere documented this is what

633

00:32:49,590 --> 00:32:47,460

I said that's great well we're gonna

634

00:32:50,490 --> 00:32:49,600

start to wrap this up because we kind of

635

00:32:51,900 --> 00:32:50,500

went through everything that we wanted

636

00:32:54,650 --> 00:32:51,910

to show you guys pretty much everything

637

00:32:57,900 --> 00:32:54,660

638

00:32:59,760 --> 00:32:57,910
