

1  
00:00:46,590 --> 00:00:44,490  
UFO Bros hey everyone is Giorgio

2  
00:00:51,360 --> 00:00:46,600  
tsoukalos from ancient aliens and you're

3  
00:00:55,170 --> 00:00:51,370  
experiencing UFO Bros TV well hello

4  
00:01:02,729 --> 00:00:55,180  
everybody how's it going i mimic joe and

5  
00:01:12,690 --> 00:01:02,739  
we are the u FF o o bros and oh we

6  
00:01:14,850 --> 00:01:12,700  
really excited about this show it's

7  
00:01:17,340 --> 00:01:14,860  
crazy I don't know if any of you are

8  
00:01:19,620 --> 00:01:17,350  
being totally inundated with UFO news

9  
00:01:23,520 --> 00:01:19,630  
but we are and I'll tell you I'll be

10  
00:01:25,410 --> 00:01:23,530  
honest with you guys as you know or if

11  
00:01:29,940 --> 00:01:25,420  
you don't know and you're listening to

12  
00:01:32,400 --> 00:01:29,950  
us for fun the Department of Defense has

13  
00:01:34,650 --> 00:01:32,410

just recently for the first time ever in

14

00:01:37,669 --> 00:01:34,660

history admitted to a UFO chasing

15

00:01:41,100 --> 00:01:37,679

program or I guess you could say

16

00:01:44,010 --> 00:01:41,110

exploring a aerial phenomena sort of

17

00:01:45,900 --> 00:01:44,020

thing so and they actually came out and

18

00:01:47,699 --> 00:01:45,910

said something base came out I didn't

19

00:01:50,100 --> 00:01:47,709

nobody can say this is a hoax

20

00:01:52,650 --> 00:01:50,110

so basically absolutely so the news came

21

00:01:55,260 --> 00:01:52,660

out and then it was then confirmed with

22

00:01:57,990 --> 00:01:55,270

the actual Pentagon that this indeed was

23

00:02:00,479 --> 00:01:58,000

a program and they spent 22 million on

24

00:02:02,639 --> 00:02:00,489

it they were able to hide that money in

25

00:02:04,559 --> 00:02:02,649

budgets they call it black money and so

26

00:02:06,540 --> 00:02:04,569

it was going on right under our noses

27

00:02:08,040 --> 00:02:06,550

like we always talked about it as much

28

00:02:11,369 --> 00:02:08,050

money as they want they can call any

29

00:02:14,369 --> 00:02:11,379

kind of black note program or chicken

30

00:02:16,320 --> 00:02:14,379

fried steak program or yeah they found a

31

00:02:17,670 --> 00:02:16,330

long program whatever I mean I probably

32

00:02:21,000 --> 00:02:17,680

would spend 22 million on a

33

00:02:24,990 --> 00:02:21,010

chicken-fried steak program some

34

00:02:26,580 --> 00:02:25,000

chicken-fried steak but so when it came

35

00:02:28,290 --> 00:02:26,590

out and and I'll let you guys know you

36

00:02:30,509 --> 00:02:28,300

know Joe Joe and I are kind of you guys

37

00:02:33,390 --> 00:02:30,519

can probably see it all over on Facebook

38

00:02:34,470 --> 00:02:33,400

everywhere it's you can see it we're a

39

00:02:35,610 --> 00:02:34,480

little bit on the inside I'm just gonna

40

00:02:36,309 --> 00:02:35,620

take these headphones off right now

41

00:02:40,569 --> 00:02:36,319

because it's

42

00:02:42,190 --> 00:02:40,579

we're living on the inside so we caught

43

00:02:43,899 --> 00:02:42,200

word that there was going to be some

44

00:02:46,660 --> 00:02:43,909

news a few days before it happened and

45

00:02:50,349 --> 00:02:46,670

so we were waiting patiently and then

46

00:02:53,229 --> 00:02:50,359

when it came out we were like skeptical

47

00:02:55,629 --> 00:02:53,239

about how big of a news item it was

48

00:02:57,459 --> 00:02:55,639

gonna be because you know you guys see

49

00:02:59,589 --> 00:02:57,469

it all the time they take securities

50

00:03:01,599 --> 00:02:59,599

videos and they create an article out of

51  
00:03:03,399 --> 00:03:01,609  
it and then it gets picked up by a bunch

52  
00:03:04,839 --> 00:03:03,409  
of stupid tabloids and people share it

53  
00:03:06,009 --> 00:03:04,849  
everywhere and that's basically been

54  
00:03:08,920 --> 00:03:06,019  
what we've all been dealing with right

55  
00:03:12,159 --> 00:03:08,930  
online is for the tabloids it's like oh

56  
00:03:15,879 --> 00:03:12,169  
let's fake yeah I'm not even interested

57  
00:03:21,819 --> 00:03:15,889  
scroll scroll so when it first came out

58  
00:03:23,649 --> 00:03:21,829  
I was like we weren't like I Joe we were

59  
00:03:26,580 --> 00:03:23,659  
both skeptical like is it gonna be one

60  
00:03:28,780 --> 00:03:26,590  
of those things but what happened was it

61  
00:03:29,500 --> 00:03:28,790  
basically don't if you lost train of

62  
00:03:31,300 --> 00:03:29,510  
thought I'm sorry

63  
00:03:32,500 --> 00:03:31,310

basically Tom DeLonge is like I'll bring

64

00:03:34,390 --> 00:03:32,510

this out anyway so the guard was like

65

00:03:36,759 --> 00:03:34,400

okay well you know we did have this

66

00:03:39,099 --> 00:03:36,769

thing you know we had this one program

67

00:03:41,379 --> 00:03:39,109

program thing they're comin arsalan

68

00:03:43,569 --> 00:03:41,389

about no big deal and by the way this

69

00:03:46,569 --> 00:03:43,579

was a program that was supported and

70

00:03:54,899 --> 00:03:46,579

pushed by Senator Harry Reid from Nevada

71

00:04:00,039 --> 00:03:54,909

who's the senator from Nevada and okay

72

00:04:03,759 --> 00:04:00,049

Nevada Nevada Nevada Nevada Nevada so

73

00:04:05,229 --> 00:04:03,769

he's supporting it also Bigelow airspace

74

00:04:07,119 --> 00:04:05,239

we actually covered that one before Joe

75

00:04:08,979 --> 00:04:07,129

the guy that says it like he's a

76

00:04:12,369 --> 00:04:08,989

billionaire CEO they said aliens are

77

00:04:14,800 --> 00:04:12,379

right under our noses they are yeah well

78

00:04:17,890 --> 00:04:14,810

in that sixty minutes interview if you

79

00:04:20,370 --> 00:04:17,900

guys haven't seen it mr. Bigelow from

80

00:04:22,689 --> 00:04:20,380

Bigelow airspace talks about male gigolo

81

00:04:28,360 --> 00:04:22,699

that the interview ask the interviewer

82

00:04:30,670 --> 00:04:28,370

asks him do you believe in aliens and he

83

00:04:32,350 --> 00:04:30,680

laughed and smiled but as he was

84

00:04:34,029 --> 00:04:32,360

explaining that they're right under our

85

00:04:36,070 --> 00:04:34,039

noses and they're already here we don't

86

00:04:38,260 --> 00:04:36,080

have to go out of our planet to find

87

00:04:41,499 --> 00:04:38,270

aliens but the way he's talking about it

88

00:04:43,600 --> 00:04:41,509

was just kind of like almost like how

89

00:04:46,779 --> 00:04:43,610

stupid could you be kind of expression

90

00:04:48,219 --> 00:04:46,789

like silly question of course like he's

91

00:04:49,730 --> 00:04:48,229

known all along and I'll tell you I

92

00:04:52,260 --> 00:04:49,740

think he's known as

93

00:04:56,150 --> 00:04:52,270

in the Articles that have been going

94

00:04:59,610 --> 00:04:56,160

around about this they talk about a

95

00:05:02,150 --> 00:04:59,620

facility in Vegas that has turned into a

96

00:05:06,720 --> 00:05:02,160

strip joint

97

00:05:09,840 --> 00:05:06,730

yes slash housing place for what they

98

00:05:12,750 --> 00:05:09,850

call anomalous metals or anomalous

99

00:05:16,740 --> 00:05:12,760

alloys that they have indeed said they

100

00:05:18,420 --> 00:05:16,750

have recovered from they don't say we

101  
00:05:20,580 --> 00:05:18,430  
come recovered it from UFOs or there's

102  
00:05:22,590 --> 00:05:20,590  
alien they have not said alien at all

103  
00:05:29,870 --> 00:05:22,600  
they've only just came out and said it's

104  
00:05:35,700 --> 00:05:29,880  
their UFOs and so uh so this building is

105  
00:05:39,360 --> 00:05:35,710  
housing downed or recovered alloys from

106  
00:05:50,550 --> 00:05:39,370  
these unexplained objects that can defy

107  
00:06:03,420 --> 00:05:50,560  
physics and know what you say if they

108  
00:06:11,460 --> 00:06:03,430  
say it's UFO so just - I oh no you oh no

109  
00:06:13,620 --> 00:06:11,470  
I owe I owe I owe it soft okay you guys

110  
00:06:17,790 --> 00:06:13,630  
if you're still listening thank God

111  
00:06:20,160 --> 00:06:17,800  
because we've got some clips Joe and I

112  
00:06:21,480 --> 00:06:20,170  
are really you know where we've got some

113  
00:06:22,920 --> 00:06:21,490

stuff right we spent some time today for

114

00:06:24,570 --> 00:06:22,930

you guys thanks I know we put some

115

00:06:29,250 --> 00:06:24,580

effort into this we we you know we tried

116

00:06:31,530 --> 00:06:29,260

to I think it's interesting I just want

117

00:06:33,000 --> 00:06:31,540

to tell you guys we're gonna cover a few

118

00:06:35,520 --> 00:06:33,010

clips and we're also gonna talk about

119

00:06:37,020 --> 00:06:35,530

mr. dr. Greer and so you're gonna want

120

00:06:38,790 --> 00:06:37,030

to stay tuned to listen to what Greer

121

00:06:40,950 --> 00:06:38,800

has to say about this because I was

122

00:06:42,660 --> 00:06:40,960

wondering what the heck does Greer think

123

00:06:46,770 --> 00:06:42,670

about all this and he was probably like

124

00:06:49,110 --> 00:06:46,780

you know he came out before me yeah I

125

00:06:51,120 --> 00:06:49,120

got my old project I got my own project

126

00:06:53,370 --> 00:06:51,130

that I got secret - wait till you comes

127

00:06:57,080 --> 00:06:53,380

out what you see it you know what he has

128

00:07:08,540 --> 00:07:04,600

oh excuse me that was gross

129

00:07:11,659 --> 00:07:08,550

anyway you and we're gonna talk about

130

00:07:13,550 --> 00:07:11,669

what Greer has to say and then we're

131

00:07:16,100 --> 00:07:13,560

also gonna meet and I'm gonna introduce

132

00:07:17,330 --> 00:07:16,110

you to the person that well I mean I'm

133

00:07:22,490 --> 00:07:17,340

not gonna I'm gonna do shoot with a

134

00:07:26,420 --> 00:07:22,500

video of Mister Elizondo who worked for

135

00:07:28,940 --> 00:07:26,430

the Department of Defense in the what

136

00:07:32,210 --> 00:07:28,950

they refer to as I got to get the exact

137

00:07:35,629 --> 00:07:32,220

verbiage here so that we you know it

138

00:07:40,969 --> 00:07:35,639

doesn't know what verbatim yeah exactly

139

00:07:44,110 --> 00:07:40,979

so how are you doing yeah I didn't go so

140

00:07:47,810 --> 00:07:44,120

well let me try that again

141

00:07:49,250 --> 00:07:47,820

I don't know it's the advanced aerial

142

00:07:52,640 --> 00:07:49,260

threat program at the Department of

143

00:07:54,920 --> 00:07:52,650

Defense and between the years of late

144

00:07:58,730 --> 00:07:54,930

2008 when it started to tooth you know

145

00:07:59,990 --> 00:07:58,740

from 2009 to 2012 I think you actually

146

00:08:04,850 --> 00:08:00,000

have all that information here so you

147

00:08:10,390 --> 00:08:04,860

guys can actually get there now now just

148

00:08:12,740 --> 00:08:10,400

to remind everybody between 47 and 69

149

00:08:14,570 --> 00:08:12,750

that was the only time that the

150

00:08:17,360 --> 00:08:14,580

government ever said that they had been

151

00:08:23,870 --> 00:08:17,370

hunting anything regarding UFOs or

152

00:08:28,629 --> 00:08:23,880

unexplained phenomena tonight you just

153

00:08:31,250 --> 00:08:28,639

build a giant soda every [h\_\_h] where

154

00:08:32,959 --> 00:08:31,260

all over our binders that we're gonna

155

00:08:35,980 --> 00:08:32,969

show you guys anyway

156

00:08:40,130 --> 00:08:35,990

so the government stopped UFO hunting in

157

00:08:42,110 --> 00:08:40,140

1969 and and after that released you

158

00:08:44,000 --> 00:08:42,120

know Project Blue Book which was one of

159

00:08:46,640 --> 00:08:44,010

a series of systematic studies of

160

00:08:48,680 --> 00:08:46,650

unidentified flying objects conducted by

161

00:08:51,230 --> 00:08:48,690

the United States Air Force and that

162

00:08:53,930 --> 00:08:51,240

started in 52 so I guess it was a third

163

00:08:56,390 --> 00:08:53,940

third and quote-unquote final study so

164

00:09:04,420 --> 00:08:56,400

as we move forward and Joe cleans up his

165

00:09:12,580 --> 00:09:05,590

oh my goodness

166

00:09:19,600 --> 00:09:12,590

you made me lose my anything okay

167

00:09:22,810 --> 00:09:19,610

so think about this you guys 2017 for

168

00:09:24,760 --> 00:09:22,820

the first time ever it's confirmed that

169

00:09:28,900 --> 00:09:24,770

there are indeed unidentified flying

170

00:09:30,760 --> 00:09:28,910

objects prior to that the government Oh

171

00:09:32,260 --> 00:09:30,770

actually not prior to that but while

172

00:09:33,520 --> 00:09:32,270

that was going on the actual US

173

00:09:34,960 --> 00:09:33,530

government says that they're they have

174

00:09:36,370 --> 00:09:34,970

no interest in UFOs and they're not

175

00:09:37,150 --> 00:09:36,380

hunting them anymore and that ended back

176  
00:09:41,440 --> 00:09:37,160  
in 69

177  
00:09:43,810 --> 00:09:41,450  
oh yay but and now they're like oh well

178  
00:09:46,360 --> 00:09:43,820  
never mind and it's actually a historic

179  
00:09:50,800 --> 00:09:46,370  
moment you guys so I want to show you

180  
00:09:52,600 --> 00:09:50,810  
this video of Lewis Elizondo who was who

181  
00:09:56,500 --> 00:09:52,610  
is now part of the to the stars Academy

182  
00:09:57,880 --> 00:09:56,510  
with mr. Tom DeLonge and this is a just

183  
00:10:00,760 --> 00:09:57,890  
intro clip so you guys can take a look

184  
00:10:02,050 --> 00:10:00,770  
we're gonna disappear here and so here

185  
00:10:05,650 --> 00:10:02,060  
is mr. Lewis

186  
00:10:08,650 --> 00:10:05,660  
his name is Lou Elizondo I'm a career

187  
00:10:09,970 --> 00:10:08,660  
intelligence officer with various

188  
00:10:11,560 --> 00:10:09,980

organizations throughout the

189

00:10:13,510 --> 00:10:11,570

intelligence community I've worked for

190

00:10:16,510 --> 00:10:13,520

the Department of Defense have worked

191

00:10:17,910 --> 00:10:16,520

with the army I've worked with the

192

00:10:20,820 --> 00:10:17,920

Director of National Intelligence

193

00:10:24,190 --> 00:10:20,830

National counterintelligence executive

194

00:10:26,650 --> 00:10:24,200

and fill-in-the-blank a bunch of others

195

00:10:29,080 --> 00:10:26,660

some of my time was spent in advanced

196

00:10:31,420 --> 00:10:29,090

we're not aerospace engineering

197

00:10:35,560 --> 00:10:31,430

protecting key technologies critical

198

00:10:37,600 --> 00:10:35,570

technologies and in advanced weaponry in

199

00:10:42,400 --> 00:10:37,610

advanced aerospace such as high-energy

200

00:10:43,420 --> 00:10:42,410

lasers drone nanotechnology so my time

201

00:10:45,160 --> 00:10:43,430

was spent in the careers of

202

00:10:47,500 --> 00:10:45,170

counterintelligence and human

203

00:10:49,660 --> 00:10:47,510

intelligence makes intelligence I think

204

00:10:52,590 --> 00:10:49,670

unique is that you have a career field

205

00:10:55,960 --> 00:10:52,600

dedicated entirely to the art of

206

00:10:58,570 --> 00:10:55,970

observation of understanding how things

207

00:10:59,920 --> 00:10:58,580

work looking at those things maybe from

208

00:11:02,350 --> 00:10:59,930

a slightly different perspective and

209

00:11:04,120 --> 00:11:02,360

trying to figure out what it is that

210

00:11:04,720 --> 00:11:04,130

you're actually seeing so as a trained

211

00:11:07,120 --> 00:11:04,730

observer

212

00:11:08,970 --> 00:11:07,130

I think intelligence is one of those

213

00:11:13,769 --> 00:11:08,980

fields that gives you a little bit you

214

00:11:15,120 --> 00:11:13,779

perspective on things that's to the

215

00:11:17,699 --> 00:11:15,130

Stars Academy and all credit goes to

216

00:11:19,379 --> 00:11:17,709

them no copyright intended

217

00:11:21,660 --> 00:11:19,389

we were just wanted to use that as

218

00:11:23,579 --> 00:11:21,670

educational purposes so hopefully we're

219

00:11:34,860 --> 00:11:23,589

able to can hear any of that with Jose

220

00:11:36,540 --> 00:11:34,870

it'll okay maybe I am a leagues I got

221

00:11:38,579 --> 00:11:36,550

any nostrils a little [ʰ\_\_ʰ] little to

222

00:11:40,470 --> 00:11:38,589

pose yeah let's show these people what

223

00:11:42,660 --> 00:11:40,480

the video that was released so we got we

224

00:11:45,180 --> 00:11:42,670

got the video clip of course so take a

225

00:11:46,410 --> 00:11:45,190

look at this this is what one of the

226

00:11:47,939 --> 00:11:46,420

clips that came out with a huge

227

00:11:50,009 --> 00:11:47,949

announcement so take a look here and you

228

00:11:51,629 --> 00:11:50,019

can also listening to the pilots in the

229

00:12:09,750 --> 00:11:51,639

background discussing what they're

230

00:12:10,620 --> 00:12:09,760

seeing so check this out I guess it's

231

00:12:18,870 --> 00:12:10,630

like one hundred and thirtysomething

232

00:12:27,660 --> 00:12:18,880

miles per hour you can see the airspeed

233

00:12:30,800 --> 00:12:27,670

right this it's rotating it stopped and

234

00:12:33,480 --> 00:12:30,810

rotate it's crazy to stopped and rotate

235

00:12:34,680 --> 00:12:33,490

yeah but it's going against air going it

236

00:12:38,420 --> 00:12:34,690

whatever mile an hour

237

00:12:43,710 --> 00:12:38,430

I think I'm 20 knots these miles out

238

00:12:45,870 --> 00:12:43,720

okay um you know if it's wrong let us

239

00:12:47,600 --> 00:12:45,880

know you know we hope so

240

00:12:56,380 --> 00:12:47,610

it looks as though we're losing some

241

00:13:01,300 --> 00:12:58,810

I don't know okay our livestream is our

242

00:13:04,420 --> 00:13:01,310

output to health easily has nothing to

243

00:13:08,079 --> 00:13:04,430

do with us exactly - it is you - it's

244

00:13:09,400 --> 00:13:08,089

tube you so we're gonna keep going here

245

00:13:11,410 --> 00:13:09,410

and moving on because there's more clips

246

00:13:14,639 --> 00:13:11,420

I want to show you guys if as long as

247

00:13:18,370 --> 00:13:14,649

our internet still continues to work so

248

00:13:20,620 --> 00:13:18,380

I've showed you who Lewis Elizondo is or

249

00:13:22,420 --> 00:13:20,630

Lewis Elizondo and now we're gonna take

250

00:13:24,730 --> 00:13:22,430

a look and Joe this is the first time

251  
00:13:32,949 --> 00:13:24,740  
that we're gonna actually see it because

252  
00:13:37,990 --> 00:13:32,959  
I have can you hear everything clearly

253  
00:13:40,900 --> 00:13:38,000  
oh well okay here take a look I'll be

254  
00:13:44,380 --> 00:13:40,910  
honest with you guys I have not seen

255  
00:13:45,880 --> 00:13:44,390  
this news clip so we're all in it

256  
00:13:49,990 --> 00:13:45,890  
together and I saved it for y'all so

257  
00:14:01,869 --> 00:13:50,000  
let's take a look this is his CBS

258  
00:14:07,460 --> 00:14:05,090  
unidentified flying objects the Defense

259  
00:14:10,069 --> 00:14:07,470  
Department says it ended the advanced

260  
00:14:13,400 --> 00:14:10,079  
aviation threat identification program

261  
00:14:16,129 --> 00:14:13,410  
in 2012 over funding issues but a

262  
00:14:18,679 --> 00:14:16,139  
Pentagon spokeswoman said quote the DoD

263  
00:14:21,410 --> 00:14:18,689

takes seriously all threats and takes

264

00:14:21,980 --> 00:14:21,420

action whenever credible information is

265

00:14:24,679 --> 00:14:21,990

developed

266

00:14:29,240 --> 00:14:24,689

doneita copal shows us two UFO

267

00:14:31,280 --> 00:14:29,250

encounters captured on camera video that

268

00:14:33,139 --> 00:14:31,290

little-known pentagon program had a

269

00:14:34,850 --> 00:14:33,149

budget of about twenty-two million

270

00:14:37,040 --> 00:14:34,860

dollars according to the civilian

271

00:14:39,290 --> 00:14:37,050

intelligence officer who used to run it

272

00:14:41,569 --> 00:14:39,300

most of the sightings looked at were by

273

00:14:48,860 --> 00:14:41,579

US military personnel who have been

274

00:14:51,230 --> 00:14:48,870

reporting UFO sightings for decades this

275

00:14:53,170 --> 00:14:51,240

is one of the incidents the Pentagon's

276

00:15:00,590 --> 00:14:53,180

secretive group of UFO Hunters

277

00:15:03,949 --> 00:15:00,600

investigated this object appeared off

278

00:15:05,569 --> 00:15:03,959

the California coast in 2004 and baffled

279

00:15:08,869 --> 00:15:05,579

oh this is the tic-tac video I think

280

00:15:11,379 --> 00:15:08,879

it's not a drone it's not something that

281

00:15:14,660 --> 00:15:11,389

we can easily say that's an airplane

282

00:15:17,420 --> 00:15:14,670

Luis Elizondo ran the advanced aviation

283

00:15:22,879 --> 00:15:17,430

threat identification program at the

284

00:15:26,749 --> 00:15:22,889

Defense Department moved defied the

285

00:15:28,999 --> 00:15:26,759

known laws of physics any truly yeah our

286

00:15:31,369 --> 00:15:29,009

next-generation technologies former

287

00:15:33,799 --> 00:15:31,379

Nevada Senator Harry Reid champion to

288

00:15:35,840 --> 00:15:33,809

the UFO program and some of the funding

289

00:15:38,600 --> 00:15:35,850

reportedly went to one of his donors

290

00:15:41,569 --> 00:15:38,610

Robert Bigelow founder of the military

291

00:15:44,240 --> 00:15:41,579

contractor Bigelow Aerospace the Las

292

00:15:47,900 --> 00:15:44,250

Vegas tycoon spoke with 60 minutes in

293

00:15:50,569 --> 00:15:47,910

May do you imagine that in our space

294

00:15:52,699 --> 00:15:50,579

travels we will encounter other forms of

295

00:15:58,059 --> 00:15:52,709

intelligent life you don't have to go

296

00:16:13,300 --> 00:16:04,090

exactly look his face oh he's like duh

297

00:16:17,410 --> 00:16:13,310

oh god that mundi we have a review and

298

00:16:22,809 --> 00:16:17,420

that baby by the way we were really

299

00:16:25,240 --> 00:16:22,819

disappointed with the alien actually a

300

00:16:27,400 --> 00:16:25,250

missile test I think this is a national

301  
00:16:29,650 --> 00:16:27,410  
security imperative we have clear

302  
00:16:32,259 --> 00:16:29,660  
missile test mines that we do not

303  
00:16:35,939 --> 00:16:32,269  
understand how they work operating in

304  
00:16:38,530 --> 00:16:35,949  
areas that we can't control

305  
00:16:40,780 --> 00:16:38,540  
Elizondo refused to tell us how many

306  
00:16:42,639 --> 00:16:40,790  
cases his former group investigated

307  
00:16:46,480 --> 00:16:42,649  
saying that information was sensitive

308  
00:16:48,400 --> 00:16:46,490  
from 1947 to 1969 an Air Force program

309  
00:16:51,460 --> 00:16:48,410  
called Project Blue Book looked into

310  
00:16:54,100 --> 00:16:51,470  
more than 12,000 UFO sightings and about

311  
00:16:56,139 --> 00:16:54,110  
700 of them remain on identify

312  
00:16:58,689 --> 00:16:56,149  
interesting how they buried this in the

313  
00:17:01,749 --> 00:16:58,699

budget under this sort of blurry name

314

00:17:03,579 --> 00:17:01,759

advanced aviation identification they

315

00:17:05,199 --> 00:17:03,589

call it black money for a reason yeah

316

00:17:08,319 --> 00:17:05,209

yeah I've never seen one but I believe

317

00:17:09,669 --> 00:17:08,329

it looks like a bunch of shows aliens

318

00:17:21,240 --> 00:17:09,679

you know you were needle in the back of

319

00:17:21,250 --> 00:17:28,169

okay well it's time but what you think

320

00:17:34,419 --> 00:17:31,620

no what did you think of the interview I

321

00:17:37,090 --> 00:17:34,429

don't think that's pretty I mean there

322

00:17:39,970 --> 00:17:37,100

are things that we can't do anything

323

00:17:41,350 --> 00:17:39,980

about in our airspace one more cut well

324

00:17:44,140 --> 00:17:41,360

I mean that's pretty big confirmation

325

00:17:47,110 --> 00:17:44,150

now if this is the beginning of what Tom

326

00:17:49,450 --> 00:17:47,120

DeLonge and his people are if they're

327

00:17:56,669 --> 00:17:49,460

going to be putting out then I I expect

328

00:18:01,750 --> 00:17:59,919

no the clip right before it that they

329

00:18:07,539 --> 00:18:01,760

showed in the sky said was a missile

330

00:18:10,090 --> 00:18:07,549

test not the actual UFO footage so weird

331

00:18:11,740 --> 00:18:10,100

okay now I'm gonna show you guys another

332

00:18:12,700 --> 00:18:11,750

clip these are just news clips and this

333

00:18:15,280 --> 00:18:12,710

is kind of like a quick update on

334

00:18:17,080 --> 00:18:15,290

everything so here's Ralph Blumenthal

335

00:18:18,850 --> 00:18:17,090

who is the person who wrote

336

00:18:20,560 --> 00:18:18,860

stary story that broke on the New York

337

00:18:36,300 --> 00:18:20,570

Times discussing this in we're gonna

338

00:18:41,260 --> 00:18:38,680

welcome back everybody our final story

339

00:18:45,960 --> 00:18:41,270

today it's a little out there and I do

340

00:18:45,970 --> 00:18:50,580

researching the possible existence

341

00:18:54,430 --> 00:18:52,930

defense launch the program in

342

00:19:00,100 --> 00:18:54,440

cooperation with former Senator Harry

343

00:19:02,860 --> 00:19:00,110

Reid in each year searching for

344

00:19:04,990 --> 00:19:02,870

unidentified flying objects until the

345

00:19:06,370 --> 00:19:05,000

program was shuttered back in 2012

346

00:19:07,450 --> 00:19:06,380

joining us now to talk more about this

347

00:19:08,610 --> 00:19:07,460

one of the authors of yesterday's

348

00:19:11,290 --> 00:19:08,620

fascinating New York Times article

349

00:19:13,870 --> 00:19:11,300

journalist ralph Blumenthal thanks for

350

00:19:16,660 --> 00:19:13,880

joining us have you seen it talk to me

351  
00:19:18,220 --> 00:19:16,670  
about the research that was not

352  
00:19:19,840 --> 00:19:18,230  
twenty-two million a year was twenty two

353  
00:19:21,940 --> 00:19:19,850  
million total which is really a drop in

354  
00:19:24,310 --> 00:19:21,950  
the bucket of the Pentagon budget but it

355  
00:19:26,220 --> 00:19:24,320  
went for research into these objects and

356  
00:19:29,800 --> 00:19:26,230  
no one knows what they are to this day

357  
00:19:32,190 --> 00:19:29,810  
that have been seen by NATO engaged with

358  
00:19:35,230 --> 00:19:32,200  
them they've been reported by witnesses

359  
00:19:40,540 --> 00:19:35,240  
but beyond that we really don't know

360  
00:19:42,670 --> 00:19:40,550  
much and the research went into identify

361  
00:19:44,530 --> 00:19:42,680  
the strange means of propulsion they

362  
00:19:46,060 --> 00:19:44,540  
have phenomenal aerodynamics which

363  
00:19:50,110 --> 00:19:46,070

represent nothing on the face of this

364

00:19:52,990 --> 00:19:50,120

earth country and the research even

365

00:19:54,340 --> 00:19:53,000

though the program was officially ran

366

00:19:56,860 --> 00:19:54,350

out of money in 2012

367

00:19:58,420 --> 00:19:56,870

it really has continued we found out so

368

00:19:59,950 --> 00:19:58,430

what's been going on what and why have

369

00:20:01,840 --> 00:19:59,960

they not publicized the fact that it has

370

00:20:03,700 --> 00:20:01,850

continued well it's a controversial it's

371

00:20:05,830 --> 00:20:03,710

a controversial program a lot of people

372

00:20:07,600 --> 00:20:05,840

there's a ridicule factor a lot of

373

00:20:08,650 --> 00:20:07,610

people afraid of the you know the people

374

00:20:10,360 --> 00:20:08,660

would make fun of the government

375

00:20:13,090 --> 00:20:10,370

spending this money as has already

376

00:20:14,590 --> 00:20:13,100

happened in other media but there's also

377

00:20:16,480 --> 00:20:14,600

a lot of fascination there is

378

00:20:18,850 --> 00:20:16,490

fascination and this is probably the

379

00:20:20,620 --> 00:20:18,860

most watched and looked that story than

380

00:20:23,920 --> 00:20:20,630

York Times has run in a long time oh

381

00:20:24,540 --> 00:20:23,930

yeah it's huge now day after days after

382

00:20:30,480 --> 00:20:24,550

so what

383

00:20:32,610 --> 00:20:30,490

what are they finding we told you they

384

00:20:40,740 --> 00:20:32,620

didn't tell us that part you're telling

385

00:20:43,460 --> 00:20:40,750

us now and keep in mind we told you to

386

00:20:45,930 --> 00:20:43,470

well ufologists now are no longer just

387

00:20:51,060 --> 00:20:45,940

stupid idiots there's there's a reason

388

00:20:52,830 --> 00:20:51,070

why these things are research scientists

389

00:20:56,490 --> 00:20:52,840

can try to figure out what accounts for

390

00:20:59,580 --> 00:20:56,500

their amazing properties this technology

391

00:21:00,450 --> 00:20:59,590

these objects whatever they are for

392

00:21:03,480 --> 00:21:00,460

those of you that are listening and

393

00:21:05,490 --> 00:21:03,490

Spreaker make sure you check us out on

394

00:21:33,450 --> 00:21:05,500

youtube you'll get the links in the

395

00:21:38,340 --> 00:21:33,460

clips for these videos but we have run

396

00:21:40,530 --> 00:21:38,350

out of time thank you okay so I don't

397

00:21:41,730 --> 00:21:40,540

know it's more more interesting hey

398

00:21:46,050 --> 00:21:41,740

we're gonna turn to the chat room we've

399

00:21:47,700 --> 00:21:46,060

got we've got some some comments there

400

00:21:49,410 --> 00:21:47,710

I'll Ronny Dawson's here first video

401  
00:21:50,660 --> 00:21:49,420  
played good the second was chopped u

402  
00:21:52,470 --> 00:21:50,670  
sorry guys

403  
00:21:57,480 --> 00:21:52,480  
nothing we could do about it we just got

404  
00:21:59,610 --> 00:21:57,490  
to keep going with the show Joe Santana

405  
00:22:01,800 --> 00:21:59,620  
hi guys this is Joe Santana out of

406  
00:22:03,570 --> 00:22:01,810  
Modesto California love your channel and

407  
00:22:06,230 --> 00:22:03,580  
honestly why can't these others just

408  
00:22:11,880 --> 00:22:06,240  
tell it like it is stop the BS exactly

409  
00:22:14,090 --> 00:22:11,890  
we feel same exact way feel the exact

410  
00:22:16,590 --> 00:22:14,100  
same way

411  
00:22:19,520 --> 00:22:16,600  
you're stupid whiter than the background

412  
00:22:22,320 --> 00:22:19,530  
YouTube okay

413  
00:22:24,660 --> 00:22:22,330

okay look and by the way look Joe and I

414

00:22:27,090 --> 00:22:24,670

are Gibbs this guy but I wanted to show

415

00:22:28,920 --> 00:22:27,100

you what we've been doing we're serious

416

00:22:30,150 --> 00:22:28,930

about what we do so we're gonna take a

417

00:22:31,650 --> 00:22:30,160

break because we're gonna go to the

418

00:22:33,180 --> 00:22:31,660

Grier letter here in a minute which is

419

00:22:37,230 --> 00:22:33,190

which is a doozy it's a good when you

420

00:22:39,090 --> 00:22:37,240

gotta watch and see what mr. Greer has

421

00:22:40,410 --> 00:22:39,100

to say and for those of you obviously

422

00:22:42,600 --> 00:22:40,420

that are only listening and you're

423

00:22:43,590 --> 00:22:42,610

listening to the podcast you know we'll

424

00:22:45,240 --> 00:22:43,600

just we'll try to talk it through with

425

00:22:47,670 --> 00:22:45,250

you but Joe hand me a binder

426

00:22:50,010 --> 00:22:47,680

we have binders upon binders of women no

427

00:22:52,110 --> 00:22:50,020

I'm just kidding do you want that was it

428

00:22:55,860 --> 00:22:52,120

you get bush or some but you get one

429

00:23:00,650 --> 00:22:55,870

with or without soda without the soda to

430

00:23:03,510 --> 00:23:00,660

start so what we've been doing is

431

00:23:05,910 --> 00:23:03,520

printing out yeah

432

00:23:11,400 --> 00:23:05,920

so this was a little off-topic but you

433

00:23:14,550 --> 00:23:11,410

know what we found is the manual on

434

00:23:15,720 --> 00:23:14,560

remote viewing by dr. Hal put put off or

435

00:23:18,300 --> 00:23:15,730

put off or whatever

436

00:23:23,640 --> 00:23:18,310

now this dr. Hal guy is the same guy

437

00:23:30,600 --> 00:23:23,650

that is one of Tom DeLong's backers one

438

00:23:33,090 --> 00:23:30,610

of his top top physicists on his board

439

00:23:34,800 --> 00:23:33,100

and so with that being said I was able

440

00:23:40,890 --> 00:23:34,810

to find all this absolutely incredible

441

00:23:44,520 --> 00:23:40,900

work on through the through the CIA

442

00:23:45,750 --> 00:23:44,530

website so it says a fuzzy intersection

443

00:23:51,300 --> 00:23:45,760

is defined as the minimum of

444

00:23:52,590 --> 00:23:51,310

intersecting fuzzy I don't know but let

445

00:23:54,210 --> 00:23:52,600

me read just something about I like

446

00:23:56,670 --> 00:23:54,220

we're on remote viewing one on topic but

447

00:24:00,210 --> 00:23:56,680

hey let's take a break for a second it's

448

00:24:03,480 --> 00:24:00,220

this is quite literally a method I I got

449

00:24:07,740 --> 00:24:03,490

something highlighted here so this is in

450

00:24:10,590 --> 00:24:07,750

this manual Declassified from CIA it may

451

00:24:12,900 --> 00:24:10,600

be that remote perceptual ability is

452

00:24:15,300 --> 00:24:12,910

widely distribute distributed in the gen

453

00:24:17,730 --> 00:24:15,310

Ewell population but because the

454

00:24:19,920 --> 00:24:17,740

perception is generally below an

455

00:24:24,390 --> 00:24:19,930

individual's level of awareness it is

456

00:24:25,470 --> 00:24:24,400

repressed or not noticed and what remote

457

00:24:26,169 --> 00:24:25,480

viewing is for those of you who don't

458

00:24:28,269 --> 00:24:26,179

know

459

00:24:31,539 --> 00:24:28,279

it was also called project grill flame

460

00:24:33,039 --> 00:24:31,549

to start its was Project Star Gate and

461

00:24:36,730 --> 00:24:33,049

it would last it all the way up until

462

00:24:38,529 --> 00:24:36,740

the 90s where they were actually trying

463

00:24:40,989 --> 00:24:38,539

to find people that could have some sort

464

00:24:45,039 --> 00:24:40,999

of telepathic couldn't say telepathic

465

00:24:48,519 --> 00:24:45,049

but they were able to describe in pretty

466

00:24:54,039 --> 00:24:48,529

much good detail a location anywhere in

467

00:25:05,019 --> 00:24:54,049

space-time so and they do it and the

468

00:25:12,009 --> 00:25:05,029

faylene and the phallic but so here's a

469

00:25:13,239 --> 00:25:12,019

really good example yeah you guys really

470

00:25:14,799 --> 00:25:13,249

should be if you're really really into

471

00:25:21,430 --> 00:25:14,809

this reading this stuff I wrote it read

472

00:25:23,019 --> 00:25:21,440

this whole thing yeah so this was

473

00:25:24,399 --> 00:25:23,029

actually declassified because we're

474

00:25:25,659 --> 00:25:24,409

talking about black budget stuff and

475

00:25:28,749 --> 00:25:25,669

stuff you know where they hide it this

476  
00:25:32,320 --> 00:25:28,759  
is kind of one of those things so Hemme

477  
00:25:35,320 --> 00:25:32,330  
another oh this is our alien types

478  
00:25:38,259 --> 00:25:35,330  
binder and this is actually really cool

479  
00:25:41,799 --> 00:25:38,269  
oh it's cut soda on it but look there's

480  
00:25:45,779 --> 00:25:41,809  
a Palladian but this includes all sorts

481  
00:25:48,220 --> 00:25:45,789  
of different alien types in here and

482  
00:25:52,570 --> 00:25:48,230  
this is not available online this is

483  
00:25:54,759 --> 00:25:52,580  
something I actually found and I had a

484  
00:25:56,710 --> 00:25:54,769  
special way that this guy I don't know

485  
00:26:03,409 --> 00:25:56,720  
many of the guys on South Park that come

486  
00:26:08,329 --> 00:26:05,419  
so this is interesting these are

487  
00:26:10,249 --> 00:26:08,339  
people's you know detailed accounting of

488  
00:26:16,569 --> 00:26:10,259

different alien types that they have met

489

00:26:19,999 --> 00:26:19,039

yeah here's more Project Star Gate but

490

00:26:22,639 --> 00:26:20,009

you'll be careful because the rough

491

00:26:29,209 --> 00:26:22,649

binder rings so but look at how thick

492

00:26:30,680 --> 00:26:29,219

this is I've gone through all of it Joe

493

00:26:35,959 --> 00:26:30,690

went through what's the other binder Joe

494

00:26:38,509 --> 00:26:35,969

that you into the UFO pros guide to

495

00:26:39,979 --> 00:26:38,519

galaxies this is our that's it your foe

496

00:26:43,579 --> 00:26:39,989

pros guide a galaxy that's named for

497

00:26:47,329 --> 00:26:43,589

book there's a Hitchhiker's Guide to the

498

00:26:48,769 --> 00:26:47,339

galaxy already but anyway this hat this

499

00:26:51,379 --> 00:26:48,779

is really really interesting business

500

00:26:54,279 --> 00:26:51,389

off FBI and other related websites these

501  
00:26:56,869 --> 00:26:54,289  
are all kinds of documents on UFOs

502  
00:26:59,629 --> 00:26:56,879  
paranormal events we have encoded this

503  
00:27:00,940 --> 00:26:59,639  
is really interesting project carrot we

504  
00:27:06,379 --> 00:27:00,950  
actually covered this on one of our

505  
00:27:08,959 --> 00:27:06,389  
earlier podcasts extraterrestrial

506  
00:27:10,789 --> 00:27:08,969  
recovered technology and disposal manual

507  
00:27:14,419 --> 00:27:10,799  
this is a Psalm 101 manual which a lot

508  
00:27:18,199 --> 00:27:14,429  
of people say is baby but but this is

509  
00:27:20,690 --> 00:27:18,209  
all Declassified from the government and

510  
00:27:25,009 --> 00:27:20,700  
I find it interesting that all of the

511  
00:27:28,099 --> 00:27:25,019  
information that was on the National

512  
00:27:30,619 --> 00:27:28,109  
Archives few computers that they had was

513  
00:27:32,419 --> 00:27:30,629

finally released to the masses and

514

00:27:34,489 --> 00:27:32,429

published in a database online this year

515

00:27:36,619 --> 00:27:34,499

early this year and so now here we are

516

00:27:39,289 --> 00:27:36,629

in December at the very end of the year

517

00:27:44,709 --> 00:27:39,299

finding out that those programs were

518

00:27:47,869 --> 00:27:46,789

we've got more binders we've got like

519

00:27:49,489 --> 00:27:47,879

seven binders so just want to let you

520

00:27:52,069 --> 00:27:49,499

guys know that we're silly or goofy but

521

00:27:53,989 --> 00:27:52,079

you know really very serious on what is

522

00:27:57,019 --> 00:27:53,999

going on here and we want to know your

523

00:28:00,109 --> 00:27:57,029

thoughts what do you think about this

524

00:28:03,109 --> 00:28:00,119

was it disclosure was a confirmation was

525

00:28:03,949 --> 00:28:03,119

it acknowledgement whatever you want to

526

00:28:06,919 --> 00:28:03,959

call it

527

00:28:13,549 --> 00:28:06,929

what did Steven Greer say Ronnie Dawson

528

00:28:15,889 --> 00:28:13,559

said oh yes yes so we're gonna go to the

529

00:28:16,730 --> 00:28:15,899

Greer letter here and I want to get your

530

00:28:21,530 --> 00:28:16,740

guys thoughts on

531

00:28:26,090 --> 00:28:21,540

- so this is no it's just no let's check

532

00:28:30,560 --> 00:28:26,100

this out guys so this is a fun one this

533

00:28:33,080 --> 00:28:30,570

this this is dr. Greer and he says for

534

00:28:36,970 --> 00:28:33,090

those of you who can't see from dr.

535

00:28:39,470 --> 00:28:36,980

Greer Sunday December 17 2017 urgent

536

00:28:42,020 --> 00:28:39,480

note that the recent New York Times

537

00:28:44,600 --> 00:28:42,030

story is couched from a threat office of

538

00:28:47,120 --> 00:28:44,610

the Pentagon this is a clear ramp up of

539

00:28:48,980 --> 00:28:47,130

false flag fake disclosure designed to

540

00:28:51,590 --> 00:28:48,990

prepare people for a threat from outer

541

00:28:54,020 --> 00:28:51,600

space so the war mongers and war

542

00:28:56,960 --> 00:28:54,030

profiteers have a new bigger enemy be

543

00:28:59,270 --> 00:28:56,970

where and this the second paragraphs my

544

00:29:02,150 --> 00:28:59,280

favorite I'm gonna do it meanwhile

545

00:29:05,419 --> 00:29:02,160

unacknowledged is being blocked by media

546

00:29:07,280 --> 00:29:05,429

no coverage even though it's 2017 s

547

00:29:10,370 --> 00:29:07,290

number one documentary and iTunes and

548

00:29:12,169 --> 00:29:10,380

wildly popular on Netflix the secret

549

00:29:15,770 --> 00:29:12,179

government is manipulating a false

550

00:29:28,400 --> 00:29:15,780

disclosure and threat via their lackeys

551  
00:29:31,610 --> 00:29:28,410  
and cutouts stay tuned I never took you

552  
00:29:37,910 --> 00:29:31,620  
someone that I don't know had vocabulary

553  
00:29:40,150 --> 00:29:37,920  
you know I'm a goofball yes but I am did

554  
00:29:46,280 --> 00:29:40,160  
you say you were lecture Lee I'm

555  
00:29:48,440 --> 00:29:46,290  
intellectually stimulating you [h\_\_h] by

556  
00:29:50,150 --> 00:29:48,450  
the way if you like what we're doing

557  
00:29:51,620 --> 00:29:50,160  
we're trying to the reason why we didn't

558  
00:29:53,060 --> 00:29:51,630  
comment or say anything at the moment

559  
00:29:54,500 --> 00:29:53,070  
came out is because we just need a day

560  
00:29:56,540 --> 00:29:54,510  
or two to digest it and kind of have our

561  
00:29:57,799 --> 00:29:56,550  
own opinion cuz it first like we said at

562  
00:30:02,630 --> 00:29:57,809  
the beginning the shows like what the

563  
00:30:05,210 --> 00:30:02,640

hell ever just another thing but I was

564

00:30:11,180 --> 00:30:05,220

like actually this this is this is a big

565

00:30:15,370 --> 00:30:11,190

step actually recently this is like

566

00:30:17,630 --> 00:30:15,380

finding like the golden ticket this is

567

00:30:19,160 --> 00:30:17,640

it's something that's small you might

568

00:30:22,000 --> 00:30:19,170

think it's nothing but it's actually

569

00:30:26,400 --> 00:30:22,010

they actually coming out and saying hey

570

00:30:29,280 --> 00:30:26,410

you know this coffee's a cup of coffee

571

00:30:30,510 --> 00:30:29,290

I just want to say it confirms what

572

00:30:34,320 --> 00:30:30,520

we're doing that we're not just stupid

573

00:30:37,710 --> 00:30:34,330

Joe yes we're not just we have not seen

574

00:30:40,650 --> 00:30:37,720

UFO but I mean there is enough evidence

575

00:30:42,090 --> 00:30:40,660

as they say to prove beyond a shadow of

576

00:30:44,220 --> 00:30:42,100

a doubt that they're out there and now

577

00:30:54,600 --> 00:30:44,230

we have everything you know we need to

578

00:30:56,100 --> 00:30:54,610

confirm that's all fake oh well because

579

00:30:57,900 --> 00:30:56,110

they're still leaving out the alien part

580

00:31:10,800 --> 00:30:57,910

they don't even mention aliens they just

581

00:31:12,120 --> 00:31:10,810

say you know Bamberger UFO alien I don't

582

00:31:13,440 --> 00:31:12,130

even know

583

00:31:14,910 --> 00:31:13,450

thank you guys I'm Spreaker by the way

584

00:31:18,390 --> 00:31:14,920

if you're not following us follow us on

585

00:31:24,300 --> 00:31:18,400

all things social media we're at UFO

586

00:31:29,490 --> 00:31:24,310

Bros TV except for at Twitter Joe no uf0

587

00:31:30,960 --> 00:31:29,500

Bros TV we've got lots of followers and

588

00:31:33,630 --> 00:31:30,970

posts and stuff so make sure you guys go

589

00:31:41,490 --> 00:31:33,640

in there check that out and you know

590

00:31:43,260 --> 00:31:41,500

follow subscribe well yeah we're working

591

00:31:44,850 --> 00:31:43,270

on a big project that we hope turns out

592

00:31:47,190 --> 00:31:44,860

really well and we'll you know keep you

593

00:31:49,350 --> 00:31:47,200

guys updated when we know more yep

594

00:31:51,030 --> 00:31:49,360

but we appreciate all of our listeners

595

00:31:53,340 --> 00:31:51,040

and you know I think we're less drunk

596

00:31:54,360 --> 00:31:53,350

tonight or this afternoon so you know we

597

00:31:57,480 --> 00:31:54,370

got a little bit more information out

598

00:32:19,770 --> 00:31:57,490

about how's your how's your job bro

599

00:32:21,330 --> 00:32:19,780

you're like so busy that we're going to

600

00:32:23,080 --> 00:32:21,340

do the podcast next time I'm eating

601  
00:32:30,160 --> 00:32:23,090

lunch sitting on the toilet

602  
00:32:32,950 --> 00:32:30,170

we're gonna be able to do it matter what

603  
00:32:35,890 --> 00:32:32,960

well this is really delayed but we're

604  
00:32:38,320 --> 00:32:35,900

gonna talk about what Ronnie Dawson says

605  
00:32:40,600 --> 00:32:38,330

I think what they're doing is damage

606  
00:32:42,760 --> 00:32:40,610

control they want you to hear the UFO

607  
00:32:46,240 --> 00:32:42,770

stuff before you hear it from the lungs

608  
00:32:48,040 --> 00:32:46,250

boys I can hear exactly those of us that

609  
00:32:49,630 --> 00:32:48,050

have a genuine love for you follow G

610  
00:32:57,160 --> 00:32:49,640

will never lose interest and that's from

611  
00:32:59,170 --> 00:32:57,170

Joe Santana angry yeah it's kind of that

612  
00:33:00,700 --> 00:32:59,180

well and I wonder I wonder I don't think

613  
00:33:02,170 --> 00:33:00,710

I wonder if no Greer probably knew that

614

00:33:03,790 --> 00:33:02,180

this was this announcement was coming

615

00:33:14,370 --> 00:33:03,800

out he probably has it somewhere

616

00:33:16,510 --> 00:33:14,380

documented this is what well we're gonna

617

00:33:17,500 --> 00:33:16,520

start to wrap this up because we kind of

618

00:33:24,700 --> 00:33:17,510

went through everything that we want to

619

00:33:26,230 --> 00:33:24,710

show you guys rectify by the way if

620

00:33:28,630 --> 00:33:26,240

you're not please support us on patreon

621

00:33:30,940 --> 00:33:28,640

five dollars a month helps us continue

622

00:33:35,170 --> 00:33:30,950

to do what we do patreon.com forward

623

00:33:42,070 --> 00:33:40,330

I can't twist my head around okay well

624

00:33:44,140 --> 00:33:42,080

thank you guys so much for listening we

625

00:33:46,210 --> 00:33:44,150

hope you enjoyed a update on what's

626

00:33:49,180 --> 00:33:46,220

going on with the Pentagon and along the

627

00:33:51,700 --> 00:33:49,190

Pinta pimped along the Pinta long the

628

00:33:55,450 --> 00:33:51,710

Pinta long enough to the star wars oh

629

00:33:57,040 --> 00:33:55,460

two stars so we're gonna let you guys go

630

00:34:00,940 --> 00:33:57,050

you guys have a fabulous day

631

00:34:04,690 --> 00:34:00,950

and it's Monday we usually go tomorrow

632

00:34:08,260 --> 00:34:04,700

but today is the day well that's not

633

00:34:11,650 --> 00:34:08,270

surprising to me at all at all so thank
