14

00:03:07,670 --> 00:03:04,680

what this is only like our mm first time

15

00:03:10,910 --> 00:03:07,680

having a different camera angle so we

16

00:03:12,979 --> 00:03:10,920

had to do some learning you know we have

17

00:03:16,880 --> 00:03:12,989

we have a good brain so we have to use

18

00:03:20,540 --> 00:03:16,890

our good brains as it's trumpets a good

19

00:03:24,400 --> 00:03:20,550

brain to you know construct a fairly

20

00:03:28,240 --> 00:03:24,410

decent set wouldn't you say Joe mahogany

21

00:03:31,880 --> 00:03:28,250

mahogany absolutely

22

00:03:36,880 --> 00:03:31,890

make sure that you see our cool new logo

23

00:03:56,850 --> 00:03:43,580

HD a be coming in the HD so whoa so we

24

00:03:56,860 --> 00:04:01,130

[Laughter]

25

00:04:06,570 --> 00:04:04,320

I mean I think it looks nice we put some

26
00:04:10,140 --> 00:04:06,580
time we put some effort into it and you

27
00:04:11,760 --> 00:04:10,150
know we're ready to talk about some cool

28
00:04:15,660 --> 00:04:11,770
new developments that have happened

29
00:04:20,820 --> 00:04:15,670
recently and the news is exploding there

30
00:04:24,270 --> 00:04:20,830
is so much social media posts that are

31
00:04:26,490 --> 00:04:24,280
going out related to the new UFO

32
00:04:29,490 --> 00:04:26,500
revelation that the Department of

33
00:04:32,850 --> 00:04:29,500
Defense has confirmed that there was

34
00:04:35,040 --> 00:04:32,860
indeed a project funded by the

35
00:04:37,080 --> 00:04:35,050
government by the American people to

36
00:04:42,050 --> 00:04:37,090
search for UFOs in the skies you know

37
00:04:45,300 --> 00:04:42,060
anomalies unexplained aerial vehicles or

38
00:04:47,730 --> 00:04:45,310

more concerned Li whether therefore if

39

00:04:49,440 --> 00:04:47,740

they were there if they were a threat or

40

00:04:55,800 --> 00:04:49,450

not excuse me I'm so tongue-tied this

41

00:04:57,840 --> 00:04:55,810

evening we are yes we are you are I'm

42

00:05:00,240 --> 00:04:57,850

just checking our media's or socials

43

00:05:01,770 --> 00:05:00,250

checking on our what we've got going on

44

00:05:06,930 --> 00:05:01,780

for tonight just making sure

45

00:05:12,570 --> 00:05:06,940

everything's working wow it's working

46

00:05:14,480 --> 00:05:12,580

how's it look Joe that's good good now

47

00:05:20,940 --> 00:05:14,490

put it down so it's not a distraction

48

00:05:22,320 --> 00:05:20,950

please Joe put a distraction bro ah put

49

00:05:29,940 --> 00:05:22,330

it down so it's not a distraction break

50

00:05:31,950 --> 00:05:29,950

you know saying this thing sorry

51
00:05:33,900 --> 00:05:31,960
so we had to get Christmas get Christmas

52
00:05:34,890 --> 00:05:33,910
I hate this delay we got to figure out

53
00:05:36,630 --> 00:05:34,900
how to get rid of this delay so I

54
00:05:39,330 --> 00:05:36,640
totally messing with my brain what do

55
00:05:42,870 --> 00:05:39,340
they wear the delay when we are talking

56
00:05:43,920 --> 00:05:42,880
to when we hear it there's been a

57
00:05:47,880 --> 00:05:43,930
problem I know

58
00:05:49,440 --> 00:05:47,890
a proud of its the param gatim I know

59
00:05:51,390 --> 00:05:49,450
this is where people turn us off but hey

60
00:05:55,200 --> 00:05:51,400
whatever we've got some cool it's laggy

61
00:05:59,010 --> 00:05:55,210
I don't know well no one's half the

62
00:06:00,210 --> 00:05:59,020
battle of course I need to do on YouTube

63
00:06:01,400 --> 00:06:00,220

I was trying to see what it looked like

64

00:06:07,650 --> 00:06:01,410

you asked

65

00:06:11,070 --> 00:06:07,660

Burgas so I don't know how familiar you

66

00:06:13,469 --> 00:06:11,080

guys are with the recent george knapp

67

00:06:15,330 --> 00:06:13,479

interview with Senator Harry Reid it's a

68

00:06:21,810 --> 00:06:15,340

really interesting interview and oh

69

00:06:23,969 --> 00:06:21,820

looks like [h__h] what you say it's fine

70

00:06:26,850 --> 00:06:23,979

the recent interview with Harry Reid

71

00:06:28,740 --> 00:06:26,860

senator or former Senator Harry Reid we

72

00:06:32,010 --> 00:06:28,750

talked about this on the last show they

73

00:06:35,879 --> 00:06:32,020

did a really awesome kind of a clip on

74

00:06:37,740 --> 00:06:35,889

his thoughts more on the metal materials

75

00:06:39,060 --> 00:06:37,750

and more stuff on UFO so I'm gonna show

76

00:06:41,370 --> 00:06:39,070

you that clip right now so code take

77

00:06:49,200 --> 00:06:41,380

that take our take a gander at this one

78

00:06:49,210 --> 00:06:56,920

[Music]

79

00:07:02,420 --> 00:06:59,540

to release this weekend of videos

80

00:07:04,580 --> 00:07:02,430

recorded by military pilots is unusual

81

00:07:06,230 --> 00:07:04,590

because officially the US government

82

00:07:10,010 --> 00:07:06,240

stopped collecting information about

83

00:07:11,870 --> 00:07:10,020

UFOs in 1969 when the Air Force canceled

84

00:07:14,480 --> 00:07:11,880

Project Blue Book but in the decades

85

00:07:16,640 --> 00:07:14,490

since pilots and others continued to

86

00:07:19,940 --> 00:07:16,650

encounter technology that is beyond

87

00:07:23,800 --> 00:07:19,950

anything known on earth if China Russia

88

00:07:27,590 --> 00:07:23,810

Japan other countries are doing this and

89

00:07:31,520 --> 00:07:27,600

we're not something's wrong he said

90

00:07:33,410 --> 00:07:31,530

because if the technology we have the

91

00:07:35,990 --> 00:07:33,420

way these things are described and the

92

00:07:38,330 --> 00:07:36,000

way people see them if this movement

93

00:07:40,400 --> 00:07:38,340

took place and anything we have now

94

00:07:42,110 --> 00:07:40,410

available to us it would kill everybody

95

00:07:45,050 --> 00:07:42,120

they couldn't withstand those g-forces

96

00:07:47,330 --> 00:07:45,060

something sitting in a room down it goes

97

00:07:50,300 --> 00:07:47,340

former Senate Majority Leader Harry

98

00:07:53,240 --> 00:07:50,310

Reid's interest in UFOs extends back to

99

00:07:55,400 --> 00:07:53,250

the 1980s it was rekindled in the 90s

100

00:07:57,710 --> 00:07:55,410

when Reid spoke to Senator and former

101
00:08:00,470 --> 00:07:57,720
astronaut John Glenn about unknown

102
00:08:02,990 --> 00:08:00,480
aerial objects Reid eventually met in a

103
00:08:05,510 --> 00:08:03,000
secure room in the US Capitol to ask

104
00:08:07,760 --> 00:08:05,520
senators Daniel Inouye and Ted Stevens

105
00:08:10,700 --> 00:08:07,770
if they would authorize funds for a

106
00:08:14,510 --> 00:08:10,710
quiet but serious study of UFOs both

107
00:08:19,760 --> 00:08:14,520
agreed are you glad the story's out I'm

108
00:08:22,159 --> 00:08:19,770
very glad because now we have scientific

109
00:08:24,170 --> 00:08:22,169
evidence Reid says he's proud to have

110
00:08:26,510 --> 00:08:24,180
had a hand in kick-starting the Pentagon

111
00:08:29,360 --> 00:08:26,520
study and contrary to some media reports

112
00:08:31,909 --> 00:08:29,370
the information collected was impressive

113
00:08:33,350 --> 00:08:31,919

he says for nearly the last decade Iran

114

00:08:35,719 --> 00:08:33,360

a sensitive aerospace threat

115

00:08:39,200 --> 00:08:35,729

identification program focusing on

116

00:08:42,350 --> 00:08:39,210

unidentified aerial technologies it was

117

00:08:46,010 --> 00:08:42,360

in this position I learned that the

118

00:08:46,550 --> 00:08:46,020

phenomena is indeed real until three

119

00:08:48,740 --> 00:08:46,560

months ago

120

00:08:50,420 --> 00:08:48,750

Luis Elizondo worked directly for the

121

00:08:52,580 --> 00:08:50,430

Secretary of Defense and was the

122

00:08:55,160 --> 00:08:52,590

Pentagon's point man for collection of

123

00:08:57,050 --> 00:08:55,170

data about mysterious encounters when he

124

00:08:59,960 --> 00:08:57,060

announced in October he'd been in charge

125

00:09:02,750 --> 00:08:59,970

of a 10-year UFO study the news was

126
00:09:05,000 --> 00:09:02,760
largely ignored by mainstream media now

127
00:09:06,440 --> 00:09:05,010
it is blossomed into a huge story in

128
00:09:08,660 --> 00:09:06,450
part because Reid

129
00:09:13,250 --> 00:09:08,670
acknowledges his own role in getting the

130
00:09:19,410 --> 00:09:17,760
what do you think of that man we're

131
00:09:21,329 --> 00:09:19,420
having some significant sound problems

132
00:09:22,530 --> 00:09:21,339
guys so if you can hear us if we sound

133
00:09:22,980 --> 00:09:22,540
an echo we're really trying to work it

134
00:09:28,760 --> 00:09:22,990
out

135
00:09:32,670 --> 00:09:28,770
yes well the main camp should be fine

136
00:09:36,050 --> 00:09:32,680
but we're not having any good times

137
00:09:38,400 --> 00:09:36,060
interesting so Senator Harry Reid says

138
00:09:39,420 --> 00:09:38,410

there is something in the sky I mean by

139

00:09:41,250 --> 00:09:39,430

the way that was like super boring

140

00:09:42,000 --> 00:09:41,260

anyway it was like the most if you use

141

00:09:43,889 --> 00:09:42,010

clips are boring

142

00:09:45,870 --> 00:09:43,899

I was so you're like really you know do

143

00:09:52,020 --> 00:09:45,880

actual steps trying to give it a shot

144

00:10:00,240 --> 00:09:56,610

Hey come back now you know I was falling

145

00:10:01,230 --> 00:10:00,250

asleep there's a long Jordan down is

146

00:10:02,610 --> 00:10:01,240

that you felt you just fell like you

147

00:10:03,000 --> 00:10:02,620

just can't you just forget it just fall

148

00:10:04,380 --> 00:10:03,010

asleep

149

00:10:06,330 --> 00:10:04,390

well yeah it's kind of like that because

150

00:10:09,180 --> 00:10:06,340

the guy's old boring the white hair and

151

00:10:10,790 --> 00:10:09,190

glasses and the whole thing but it's not

152

00:10:14,940 --> 00:10:10,800

entertaining it's a big deal because

153

00:10:18,210 --> 00:10:14,950

because it's so boring Jun that pretty

154

00:10:20,040 --> 00:10:18,220

much means that it's important not that

155

00:10:21,900 --> 00:10:20,050

it's true or not true but definitely

156

00:10:24,300 --> 00:10:21,910

important and should be talked about and

157

00:10:25,890 --> 00:10:24,310

should be absolutely discussed you know

158

00:10:28,200 --> 00:10:25,900

with friends and whatnot that's a big

159

00:10:31,710 --> 00:10:28,210

important subject happening right now

160

00:10:34,080 --> 00:10:31,720

that were in a place where we're getting

161

00:10:37,950 --> 00:10:34,090

more and more confirmation by the United

162

00:10:41,090 --> 00:10:37,960

States government that there might be

163

00:10:44,910 --> 00:10:41,100

visitors from other worlds visiting our

164

00:10:47,490 --> 00:10:44,920

planet and that these vehicles that they

165

00:10:50,460 --> 00:10:47,500

come here in if they are indeed aliens

166

00:10:57,030 --> 00:10:50,470

let's just say they are able to maneuver

167

00:10:59,220 --> 00:10:57,040

in ways that is unimaginable in terms of

168

00:11:00,840 --> 00:10:59,230

how we could replicate a technology like

169

00:11:03,180 --> 00:11:00,850

that right now because we can't have

170

00:11:04,830 --> 00:11:03,190

something go from zero to up without

171

00:11:05,970 --> 00:11:04,840

killing everybody inside I mean Senator

172

00:11:08,550 --> 00:11:05,980

Harry Reid just said that what do you

173

00:11:10,080 --> 00:11:08,560

think Joe just like explorers you know

174

00:11:13,530 --> 00:11:10,090

you'd be inside of a bubble that you

175

00:11:16,500 --> 00:11:13,540

can't feel anything no acceleration

176

00:11:20,010 --> 00:11:16,510

anything I mean yeah that's actually

177

00:11:21,090 --> 00:11:20,020

like a good point because every time I

178

00:11:24,180 --> 00:11:21,100

think about that I always think about

179

00:11:25,410 --> 00:11:24,190

that blue orb and explorers I wish we

180

00:11:28,140 --> 00:11:25,420

could hopefully find a picture of it

181

00:11:32,520 --> 00:11:28,150

sometime where these guys there they get

182

00:11:35,250 --> 00:11:32,530

like messages from aliens about how to

183

00:11:36,390 --> 00:11:35,260

build a spaceship but at first they

184

00:11:39,990 --> 00:11:36,400

didn't they didn't know what it what it

185

00:11:43,560 --> 00:11:40,000

was but they have this super like like

186

00:11:47,750 --> 00:11:43,570

smart friend named Wolfgang played by

187

00:11:51,570 --> 00:11:47,760

what's his name River Phoenix brilliant

188

00:11:53,850 --> 00:11:51,580

and he's got another friend named Ben

189

00:11:55,380 --> 00:11:53,860

and there's other others this other kid

190

00:11:58,920 --> 00:11:55,390

named Aaron and so these three kids

191

00:12:01,020 --> 00:11:58,930

basically translate this alien message

192

00:12:02,780 --> 00:12:01,030

and turn it into technology so they can

193

00:12:06,329 --> 00:12:02,790

build a

194

00:12:08,879 --> 00:12:06,339

under a bubble that you can be inside

195

00:12:12,329 --> 00:12:08,889

and not feel the effects of inertia from

196

00:12:14,280 --> 00:12:12,339

going so fast to so slow vice versa

197

00:12:16,590 --> 00:12:14,290

think about horsepower think about going

198

00:12:17,909 --> 00:12:16,600

from 0 to 60 in like four seconds and

199

00:12:20,069 --> 00:12:17,919

you push you in your seat and you can't

200

00:12:24,840 --> 00:12:20,079

move that's feeling again your gut

201

00:12:28,799 --> 00:12:24,850

that's same thing yeah exactly

202

00:12:31,009 --> 00:12:28,809

now imagine that times a million I mean

203

00:12:34,469 --> 00:12:31,019

you would what do you think would happen

204

00:12:37,469 --> 00:12:34,479

liquify like instantaneously liquify you

205

00:12:40,949 --> 00:12:37,479

like you would you would be a upright

206

00:12:46,889 --> 00:12:40,959

being into a floating pile of goo

207

00:12:48,269 --> 00:12:46,899

instantaneously mm-hmm that's if you

208

00:12:50,639 --> 00:12:48,279

don't believe them if you don't believe

209

00:12:53,960 --> 00:12:50,649

me and you know believe Jo check it out

210

00:12:57,150 --> 00:12:53,970

on YouTube you can see pilots in

211

00:12:59,400 --> 00:12:57,160

machines that give them the feeling of

212

00:13:02,159 --> 00:12:59,410

g-forces and you can see what happens

213

00:13:03,359 --> 00:13:02,169

they pass out sometimes their eyeballs

214

00:13:07,099 --> 00:13:03,369

look like they're popping out of their

215

00:13:10,229 --> 00:13:07,109

heads it's crazy stuff crazy stuff so

216

00:13:12,960 --> 00:13:10,239

this Reed guys onto something I mean he

217

00:13:15,739 --> 00:13:12,970

seems to think that this is a big and a

218

00:13:17,909 --> 00:13:15,749

notable accomplishment of his entire

219

00:13:20,579 --> 00:13:17,919

profession his entire career whether you

220

00:13:23,129 --> 00:13:20,589

love or hate him because he's a democrat

221

00:13:24,869 --> 00:13:23,139

or republican whatever just talking

222

00:13:27,569 --> 00:13:24,879

about just putting all that aside for a

223

00:13:29,639 --> 00:13:27,579

second which is kind of why we don't

224

00:13:32,340 --> 00:13:29,649

focus on the fact that there are weird

225

00:13:36,119 --> 00:13:32,350

vehicles because you know we're very

226

00:13:38,179 --> 00:13:36,129

divisive and so if if you can for just a

227

00:13:40,619 --> 00:13:38,189

minute step aside and not worry about

228

00:13:42,629 --> 00:13:40,629

just just look at this person who has

229

00:13:47,429 --> 00:13:42,639

accomplished a lot whatever saying

230

00:13:51,149 --> 00:13:47,439

stating we spent 22 million dollars

231

00:13:56,509 --> 00:13:51,159

recently 2000 was it 8 2012 something

232

00:13:59,669 --> 00:13:56,519

like that to research it and the two

233

00:14:03,239 --> 00:13:59,679

films released from the Department of

234

00:14:06,989 --> 00:14:03,249

Defense has been remarkably like viral

235

00:14:08,460 --> 00:14:06,999

it's been shared everywhere and so we've

236

00:14:10,410 --> 00:14:08,470

showed that before if you haven't seen

237

00:14:11,850 --> 00:14:10,420

it go to youtube course check it out

238

00:14:14,220 --> 00:14:11,860

we don't wanna keep showing it over and

239

00:14:18,210 --> 00:14:14,230

over again but it's pretty it's just

240

00:14:21,269 --> 00:14:18,220

it's a thing that turns it's cool but if

241

00:14:23,789 --> 00:14:21,279

you take into account what the pilots

242

00:14:30,410 --> 00:14:23,799

experiencing it's just like that that

243

00:14:34,309 --> 00:14:30,420

right at the fair the the Gravitron oh

244

00:14:39,299 --> 00:14:34,319

so you're going back to the forces of

245

00:14:40,590 --> 00:14:39,309

your g-forces well no that's not what

246

00:14:43,590 --> 00:14:40,600

I'm saying

247

00:14:46,079 --> 00:14:43,600

the guys are incited typical things

248

00:14:49,350 --> 00:14:46,089

Brett's put them against pressure yeah

249

00:14:52,799 --> 00:14:49,360

and so this object in the film or these

250

00:14:54,989 --> 00:14:52,809

sort of you know paranormal or supernova

251

00:14:59,189 --> 00:14:54,999

or unexplained what if we call them

252

00:15:02,999 --> 00:14:59,199

aliens UFOs air forms whatever are able

253

00:15:05,759 --> 00:15:03,009

to move in that similar way as the orbit

254

00:15:10,889 --> 00:15:05,769

the boys and the movie explorers create

255

00:15:14,160 --> 00:15:10,899

and so it's they're able to stop on a

256

00:15:17,090 --> 00:15:14,170

dime or as the Navy pilot stated it

257

00:15:22,019 --> 00:15:17,100

would it was like a ping-pong ball

258

00:15:24,179 --> 00:15:22,029

bouncing off walls that instant stop and

259

00:15:27,720 --> 00:15:24,189

movement is the way that they seem to

260

00:15:30,059 --> 00:15:27,730

have moved and operated I mean Jets

261

00:15:34,019 --> 00:15:30,069

can't do that no helicopters can't do

262

00:15:38,579 --> 00:15:34,029

that no meteor meteorites can't do that

263

00:15:44,850 --> 00:15:38,589

no planets can't do that no not even

264

00:15:47,220 --> 00:15:44,860

like satellites can't do it drones maybe

265

00:15:53,720 --> 00:15:47,230

but not they I don't think that quick

266

00:15:56,999 --> 00:15:53,730

know if something is able to stop and

267

00:15:59,340 --> 00:15:57,009

then instantaneously zoom off it has a

268

00:16:05,669 --> 00:15:59,350

purpose and a reason and an intelligence

269

00:16:07,289 --> 00:16:05,679

behind it but for real guys what do you

270

00:16:10,249 --> 00:16:07,299

think we're gonna go into the chat room

271

00:16:12,419 --> 00:16:10,259

real quick we're gonna check it out

272

00:16:15,900 --> 00:16:12,429

hopefully everything's working oh

273

00:16:18,539 --> 00:16:15,910

there's a lot of people in Sheriff okay

274

00:16:20,999 --> 00:16:18,549

can you kind of get can you read some of

275

00:16:23,560 --> 00:16:21,009

that stuff I am right here in my hand

276

00:16:33,870 --> 00:16:23,570

show let's flip it over

277

00:16:51,070 --> 00:16:33,880

to the hair ah the comment section no no

278

00:16:53,170 --> 00:16:51,080

wrong of course this yeah oh yeah well

279

00:16:57,040 --> 00:16:53,180

look you know what forget it it's gone

280

00:16:59,110 --> 00:16:57,050

in past okay okay it ruins everything

281

00:17:05,170 --> 00:16:59,120

once again we'll hold on

282

00:17:06,550 --> 00:17:05,180

just like ma'am ah but that's a pretty

283

00:17:10,390 --> 00:17:06,560

cool clip anyway going back to what

284

00:17:13,449 --> 00:17:10,400

we're talking about so only piece of

285

00:17:17,610 --> 00:17:13,459

evidence that the actual government said

286

00:17:20,650 --> 00:17:17,620

yes confirmed it because on the news

287

00:17:27,160 --> 00:17:20,660

everywhere you can think of CNN ABC CBS

288

00:17:30,460 --> 00:17:27,170

and NBC yeah because I believe

289

00:17:31,720 --> 00:17:30,470

disclosure has happened I I think what

290

00:17:33,430 --> 00:17:31,730

people are going to be looking for in

291

00:17:35,500 --> 00:17:33,440

terms of a disclosure event is really

292

00:17:37,450 --> 00:17:35,510

more confirmation that's what it's

293

00:17:40,570 --> 00:17:37,460

really gonna be is more and more

294

00:17:42,250 --> 00:17:40,580

official and they just did people you

295

00:17:44,380 --> 00:17:42,260

know other than Harry Reid or other than

296

00:17:45,760 --> 00:17:44,390

John Podesta or Hillary Clinton who is

297

00:17:50,550 --> 00:17:45,770

gonna start talking about it during the

298

00:17:53,050 --> 00:17:50,560

presidential campaigns those same people

299

00:17:53,500 --> 00:17:53,060

but anyway it's going to comment section

300

00:17:56,950 --> 00:17:53,510

bro

301

00:18:01,530 --> 00:17:56,960

what are they saying off-track

302

00:18:09,510 --> 00:18:01,540

[h__\h] do you believe in some

303

00:18:16,210 --> 00:18:12,960

some of them right Jeff yeah I mean okay

304

00:18:17,830 --> 00:18:16,220

so do let me to read a comment and and

305

00:18:19,570 --> 00:18:17,840

then we answer it they go to the next

306

00:18:21,220 --> 00:18:19,580

door I think what would you like what

307

00:18:23,110 --> 00:18:21,230

would you like me to do because I don't

308

00:18:26,110 --> 00:18:23,120

understand you keep kicking me in my

309

00:18:29,910 --> 00:18:26,120

shin my shin is turning black and blue

310

00:18:36,250 --> 00:18:34,300

help you state your business I'm trying

311

00:18:39,270 --> 00:18:36,260

to get to the comments would you like

312

00:18:42,160 --> 00:18:39,280

we're in the middle of a live show okay

313

00:18:43,360 --> 00:18:42,170

yeah that started off extremely goofy

314

00:18:44,620 --> 00:18:43,370

only because we were checking our

315

00:18:45,850 --> 00:18:44,630

equipment as we were going to make sure

316

00:18:47,290 --> 00:18:45,860

everything was working and so I was a

317

00:18:50,050 --> 00:18:47,300

bit weird but anyway we're kind of on

318

00:18:52,230 --> 00:18:50,060

track now so here we are talking nobody

319

00:18:55,600 --> 00:18:52,240

wants to watch you look at your phone

320

00:19:06,550 --> 00:18:55,610

I'm looking for you I happened to talk

321

00:19:08,250 --> 00:19:06,560

and communicate I am doing okay fine you

322

00:19:10,660 --> 00:19:08,260

read the questions and we will answer

323

00:19:13,420 --> 00:19:10,670

then I have to be questions or comments

324

00:19:14,410 --> 00:19:13,430

you know anything questions comments you

325

00:19:17,200 --> 00:19:14,420

dingbat

326

00:19:19,060 --> 00:19:17,210

here's one from Joe Santana he did been

327

00:19:20,800 --> 00:19:19,070

UFO Bros hope you're doing good so what

328

00:19:22,540 --> 00:19:20,810

do you think of major sighting in Russia

329

00:19:24,490 --> 00:19:22,550

thank you very much

330

00:19:29,560 --> 00:19:24,500

what do you think the major sighting in

331

00:19:30,550 --> 00:19:29,570

Russia which sighting you know we're

332

00:19:31,990 --> 00:19:30,560

gonna skip that question were to come

333

00:19:34,150 --> 00:19:32,000

back to it because I have a thought on

334

00:19:37,690 --> 00:19:34,160

that but I want to think I've seen

335

00:19:39,220 --> 00:19:37,700

haven't I it says something about the

336

00:19:40,630 --> 00:19:39,230

Holocaust interesting do you guys

337

00:19:42,160 --> 00:19:40,640

believe in some conspiracy theories who

338

00:19:44,800 --> 00:19:42,170

answered that one yes so that was by a

339

00:19:46,120 --> 00:19:44,810

list of the unicorn and Joe Santana is

340

00:19:50,860 --> 00:19:46,130

the one that says hey good evening

341

00:19:53,380 --> 00:19:50,870

everybody and the end three this UFO

342

00:19:55,120 --> 00:19:53,390

thing is blowing my mind so by the way

343

00:19:56,320 --> 00:19:55,130

another comment by the N three so what

344

00:19:57,760 --> 00:19:56,330

about these alien metals or alloys

345

00:20:00,220 --> 00:19:57,770

people have been talking about that's

346

00:20:03,400 --> 00:20:00,230

actually very good question oh is it a

347

00:20:04,240 --> 00:20:03,410

commoner question it was a combination

348

00:20:06,160 --> 00:20:04,250

of both

349

00:20:13,620 --> 00:20:06,170

thank you that's exactly what I wasn't

350

00:20:16,740 --> 00:20:13,630

doing we're it's Stamp squash done so

351

00:20:20,100 --> 00:20:16,750

let's get to these other guys I'm

352

00:20:24,090 --> 00:20:20,110

mouths very dry tank I feel like when

353

00:20:27,480 --> 00:20:24,100

you can potato-chip I have some yeah I

354

00:20:29,970 --> 00:20:27,490

love potato chips we need are some sugar

355

00:20:31,200 --> 00:20:29,980

you need some to get some sugar they're

356

00:20:40,710 --> 00:20:31,210

all out my mouth kind of like get back

357

00:20:44,610 --> 00:20:40,720

to out of this pasty thinking [h__h] in

358

00:20:46,860 --> 00:20:44,620

there post nasal drip it's all these

359

00:21:09,149 --> 00:20:46,870

allergies because we're going crazy over

360

00:21:12,149 --> 00:21:09,159

here sherry okay

361

00:21:17,310 --> 00:21:12,159

so we're gonna talk about another in the

362

00:21:20,310 --> 00:21:17,320

house they can get you to two people in

363

00:21:22,940 --> 00:21:20,320

the house if you could bring me out to

364

00:21:26,940 --> 00:21:22,950

the studio the UFO Bros facility here

365

00:21:29,100 --> 00:21:26,950

either a cup of mount of snot cup it's

366

00:21:35,490 --> 00:21:29,110

just a small amount of Mountain Dew or

367

00:21:38,880 --> 00:21:35,500

like a brownie Oh Joe would would you

368

00:21:40,560 --> 00:21:38,890

wait so we're gonna go back here people

369

00:21:41,789 --> 00:21:40,570

don't want to go so we're gonna go back

370

00:21:44,190 --> 00:21:41,799

cause I want to talk about Neil deGrasse

371

00:21:46,409 --> 00:21:44,200

Tyson which by the way they say are we

372

00:21:47,460 --> 00:21:46,419

doing alloys and nickel epitaxy yeah

373

00:21:49,560 --> 00:21:47,470

good point

374

00:21:50,940 --> 00:21:49,570

I want along your job is to get to the

375

00:21:52,710 --> 00:21:50,950

alloys we're gonna talk about that right

376

00:21:54,210 --> 00:21:52,720

after we show this Neil deGrasse Tyson

377

00:21:57,180 --> 00:21:54,220

clip which we think is kind of

378

00:21:59,010 --> 00:21:57,190

interesting a Joe I don't think I've

379

00:22:01,529 --> 00:21:59,020

shown this to you yet so I want to I

380

00:22:03,630 --> 00:22:01,539

want you to listen and actually let's

381

00:22:05,789 --> 00:22:03,640

let's let's see what mr. Neil deGrasse

382

00:22:07,289 --> 00:22:05,799

Tyson the most amazing scientist that

383

00:22:09,380 --> 00:22:07,299

has ever lived in the entire history of

384

00:22:11,640 --> 00:22:09,390

life I have two things before I forget

385

00:22:14,190 --> 00:22:11,650

isn't that weird that they came out with

386

00:22:16,980 --> 00:22:14,200

a little bit of disclosure on the black

387

00:22:19,649 --> 00:22:16,990

youth projects in the black UFO and also

388

00:22:21,510 --> 00:22:19,659

we just had that rocket she often oh you

389

00:22:23,010 --> 00:22:21,520

mean SpaceX and people keep sharing that

390

00:22:25,049 --> 00:22:23,020

stupid video

391

00:22:27,869 --> 00:22:25,059

over and over and over and over again on

392

00:22:31,989 --> 00:22:27,879

Facebook going what's this

393

00:22:34,509 --> 00:22:31,999

instead of flying saucer no you dick

394

00:22:38,110 --> 00:22:34,519

it's been four days everybody knows it

395

00:22:41,169 --> 00:22:38,120

was space X okay thank you anyway

396

00:22:43,360 --> 00:22:41,179

we're gonna show you some I'm trying Joe

397

00:22:47,019 --> 00:22:43,370

check out this let's try it out

398

00:22:49,169 --> 00:22:47,029

sorry okay we probably losing

399

00:22:51,999 --> 00:22:49,179

subscribers right now because of you

400

00:22:54,039 --> 00:22:52,009

well so if our if our subscribers go

401
00:22:56,799 --> 00:22:54,049
back down below 170 it's because of you

402
00:22:58,869 --> 00:22:56,809
in this moment right now

403
00:23:03,100 --> 00:22:58,879
no because you probably hurt their ears

404
00:23:05,739 --> 00:23:03,110
if they're wearing headphones look I

405
00:23:06,220 --> 00:23:05,749
believe I see a chocolaty treat there

406
00:23:10,090 --> 00:23:06,230
girls

407
00:23:13,389 --> 00:23:10,100
Oh what did they bring us let's see

408
00:23:15,279 --> 00:23:13,399
Thank You children thank you oh this

409
00:23:18,129 --> 00:23:15,289
right here what the hell is this hat

410
00:23:20,919 --> 00:23:18,139
this is unicorn turn wait wait don't do

411
00:23:29,169 --> 00:23:20,929
the close-up cam Joe just really quick

412
00:23:32,169 --> 00:23:29,179
to sit there waiting I listen oh it's a

413
00:23:34,180 --> 00:23:32,179

reindeer Oh God and this is your order

414

00:23:36,060 --> 00:23:34,190

with mauled in the head this is unicorn

415

00:23:52,710 --> 00:23:36,070

unicorn turd

416

00:23:54,869 --> 00:23:52,720

this is delicious I hope that was fudge

417

00:24:00,249 --> 00:23:54,879

it was fudge

418

00:24:02,310 --> 00:24:00,259

well they brought it to you thank you

419

00:24:04,720 --> 00:24:02,320

though I wish already feeling better

420

00:24:06,430 --> 00:24:04,730

really even a feeling even more slippery

421

00:24:12,909 --> 00:24:06,440

sure you trust on him I have X lacks in

422

00:24:15,239 --> 00:24:12,919

it hmm you know what they did I know

423

00:24:18,039 --> 00:24:15,249

things so moving on

424

00:24:19,480 --> 00:24:18,049

here we go we're gonna listen to mr.

425

00:24:21,730 --> 00:24:19,490

Neil deGrasse Tyson so guys check this

426

00:24:23,919 --> 00:24:21,740

out do as dick says I saw it in the last

427

00:24:25,269 --> 00:24:23,929

Jedi but we should probably figure out

428

00:24:27,070 --> 00:24:25,279

the practicality of this with

429

00:24:29,889 --> 00:24:27,080

astrophysicists director of the Hayden

430

00:24:33,580 --> 00:24:29,899

Planetarium Neil deGrasse Tyson rock

431

00:24:36,230 --> 00:24:33,590

star of science explanations real

432

00:24:39,970 --> 00:24:36,240

which is awesome astrophysics for people

433

00:24:45,350 --> 00:24:39,980

in a hurry oh yeah thank you

434

00:24:47,630 --> 00:24:45,360

some people do care about it it's minor

435

00:24:49,970 --> 00:24:47,640

in chief and so explain what you see on

436

00:24:52,640 --> 00:24:49,980

that video well so people I think have

437

00:24:54,830 --> 00:24:52,650

conflated the concept of a UFO with

438

00:24:59,570 --> 00:24:54,840

whether we're visited by aliens UFO

439

00:25:02,990 --> 00:24:59,580

means unidentified flying object okay

440

00:25:05,750 --> 00:25:03,000

this is a highly nonspecific term yeah

441

00:25:07,070 --> 00:25:05,760

it was so nonspecific it admits you

442

00:25:08,540 --> 00:25:07,080

don't know what you're looking at what's

443

00:25:14,690 --> 00:25:08,550

driving that thing is a lot of space

444

00:25:16,910 --> 00:25:14,700

it's unidentified okay so so so the

445

00:25:19,520 --> 00:25:16,920

universe brims with mysteries and so

446

00:25:22,340 --> 00:25:19,530

just because you don't know what it is

447

00:25:24,140 --> 00:25:22,350

you're looking at doesn't mean it's

448

00:25:26,750 --> 00:25:24,150

intelligent aliens visiting from another

449

00:25:28,400 --> 00:25:26,760

planet yes you just said you don't know

450

00:25:30,890 --> 00:25:28,410

what you're looking at so it's not you

451
00:25:33,110 --> 00:25:30,900
cannot as a next sentence a therefore it

452
00:25:35,150 --> 00:25:33,120
must be anything yes but you know what

453
00:25:36,860 --> 00:25:35,160
we're looking at you stare at the cosmos

454
00:25:44,570 --> 00:25:36,870
for a living I'm not authorized to go

455
00:25:46,820 --> 00:25:44,580
beyond consider what made people

456
00:25:49,010 --> 00:25:46,830
interested in this is that it involved

457
00:25:51,140 --> 00:25:49,020
an [h__h] 22 million dollars or

458
00:25:52,460 --> 00:25:51,150
whatever the figure was considered by

459
00:25:54,080 --> 00:25:52,470
the way that's 22 million dollars over

460
00:25:55,940 --> 00:25:54,090
five years and the Pentagon's budget is

461
00:25:57,280 --> 00:25:55,950
huge so how much of the Pentagon budget

462
00:26:00,830 --> 00:25:57,290
is that it's point

463
00:26:04,850 --> 00:26:00,840

oh-o-oh one percent no the pentagon

464

00:26:06,620 --> 00:26:04,860

budget so so hey be it's a flying object

465

00:26:09,380 --> 00:26:06,630

and we don't know what it is I would

466

00:26:11,750 --> 00:26:09,390

hope somebody is checking it out I would

467

00:26:13,940 --> 00:26:11,760

hope there's a program of our Defense

468

00:26:15,950 --> 00:26:13,950

Department to make sure they do not pose

469

00:26:17,570 --> 00:26:15,960

a threat and sure enough that's what

470

00:26:20,540 --> 00:26:17,580

that program was it's just buzzed away

471

00:26:21,800 --> 00:26:20,550

they didn't know what it was we still

472

00:26:23,930 --> 00:26:21,810

don't know it's a mystery still don't

473

00:26:30,200 --> 00:26:23,940

know I'm cool with that

474

00:26:32,840 --> 00:26:30,210

okay that's where we differ scientists

475

00:26:35,390 --> 00:26:32,850

in history every day of our lives

476

00:26:38,060 --> 00:26:35,400

there's this there is the circle of

477

00:26:40,550 --> 00:26:38,070

knowledge that we have and then there is

478

00:26:44,330 --> 00:26:40,560

beyond that circle is the unknown and

479

00:26:45,630 --> 00:26:44,340

and even as the perimeter of that

480

00:26:48,270 --> 00:26:45,640

knowledge grows

481

00:26:49,950 --> 00:26:48,280

okay as the area of the knowledge good

482

00:26:51,900 --> 00:26:49,960

so - so does the perimeter of our

483

00:26:54,030 --> 00:26:51,910

ignorance all right because it's it's

484

00:26:55,350 --> 00:26:54,040

touching this wider and wider area okay

485

00:26:57,930 --> 00:26:55,360

I understand so people are uncomfortable

486

00:26:59,190 --> 00:26:57,940

not knowing not the scientist I'm fine

487

00:27:03,750 --> 00:26:59,200

we don't know what it is keep checking

488

00:27:07,860 --> 00:27:03,760

it out you have dinner invite from an

489

00:27:10,620 --> 00:27:07,870

alien that's you're skeptical that space

490

00:27:14,940 --> 00:27:10,630

aliens have visited earth the evidence

491

00:27:18,360 --> 00:27:14,950

is so paltry for aliens to visit earth I

492

00:27:21,180 --> 00:27:18,370

have no further interest let other

493

00:27:22,860 --> 00:27:21,190

people who care go ahead and then when

494

00:27:24,539 --> 00:27:22,870

you finally find some aliens bring them

495

00:27:30,060 --> 00:27:24,549

into Times Square no no if they're too

496

00:27:32,850 --> 00:27:30,070

many weird people try not to come back

497

00:27:34,760 --> 00:27:32,860

during comic-con when the alien would

498

00:27:37,350 --> 00:27:34,770

just blend in

499

00:27:39,060 --> 00:27:37,360

go to the County Fair or something where

500

00:27:42,330 --> 00:27:39,070

where there's a uniformity of who's

501
00:27:44,460 --> 00:27:42,340
there and then you so I and everybody's

502
00:27:48,210 --> 00:27:44,470
got a high-definition video camera on

503
00:27:51,120 --> 00:27:48,220
them now what will it would be we have

504
00:27:53,159 --> 00:27:51,130
video footage of rare things that you

505
00:27:56,760 --> 00:27:53,169
knew happen but no one saw it happen

506
00:27:58,680 --> 00:27:56,770
like buses tumbling in tornadoes you in

507
00:28:00,000 --> 00:27:58,690
the day you didn't say oh there's a bus

508
00:28:01,620 --> 00:28:00,010
is about to temple let me go back and

509
00:28:03,180 --> 00:28:01,630
get my video camera to film this know

510
00:28:05,520 --> 00:28:03,190
you got your tail out of there

511
00:28:08,450 --> 00:28:05,530
everybody's got a video camera I'm just

512
00:28:12,690 --> 00:28:08,460
waiting for images of people visiting

513
00:28:14,810 --> 00:28:12,700

having dot tea with with aliens on the

514

00:28:16,770 --> 00:28:14,820

spacecraft but they do acknowledge that

515

00:28:19,289 --> 00:28:16,780

carbon is not a rare substance

516

00:28:21,060 --> 00:28:19,299

especially when carbon-based life forms

517

00:28:23,010 --> 00:28:21,070

out there so if there's life elsewhere

518

00:28:24,900 --> 00:28:23,020

it is likely based on carbon not only

519

00:28:27,630 --> 00:28:24,910

because carbon is abundant but it is

520

00:28:29,340 --> 00:28:27,640

highly versatile in what kinds of

521

00:28:31,320 --> 00:28:29,350

molecules it makes and if you need the

522

00:28:33,240 --> 00:28:31,330

diversity of life is enabled and

523

00:28:34,590 --> 00:28:33,250

empowered by the diversity of the

524

00:28:35,730 --> 00:28:34,600

molecules carbon do you think there's

525

00:28:39,090 --> 00:28:35,740

intelligent life out there

526

00:28:45,570 --> 00:28:39,100

I would first start with that question

527

00:28:47,010 --> 00:28:45,580

on earth so the question is have aliens

528

00:28:48,299 --> 00:28:47,020

visited and just kept going because

529

00:28:50,820 --> 00:28:48,309

there was no sign of intelligent life

530

00:28:54,720 --> 00:28:50,830

we've we've used our who defined us as

531

00:28:56,610 --> 00:28:54,730

intelligent we did so is that some

532

00:28:58,910 --> 00:28:56,620

cosmic measure of intelligence perhaps

533

00:29:01,580 --> 00:28:58,920

not and so

534

00:29:02,539 --> 00:29:01,590

who are we to say I'm just saying it

535

00:29:04,850 --> 00:29:02,549

seems to me

536

00:29:08,270 --> 00:29:04,860

aliens who visited us it would be much

537

00:29:16,820 --> 00:29:08,280

they would manifest more convincingly

538

00:29:20,299 --> 00:29:18,500

I'm glad the Pentagon was looking at

539

00:29:22,210 --> 00:29:20,309

this because if it posed a threat I want

540

00:29:25,700 --> 00:29:22,220

them on top of it right away and

541

00:29:28,490 --> 00:29:25,710

otherwise and then the program is closed

542

00:29:30,169 --> 00:29:28,500

down and we said not a threat Neil

543

00:29:31,909 --> 00:29:30,179

deGrasse Tyson the book again asked your

544

00:29:33,080 --> 00:29:31,919

physics for people in ER I don't want to

545

00:29:52,640 --> 00:29:33,090

stop people from doing it

546

00:29:53,900 --> 00:29:52,650

go keep we get better editing news clips

547

00:29:55,070 --> 00:29:53,910

we'll be able to condense that down so

548

00:29:56,360 --> 00:29:55,080

you don't have to watch the whole thing

549

00:30:05,690 --> 00:29:56,370

so we thought we'd throw a zombie in

550

00:30:06,620 --> 00:30:05,700

there what's funny I look I have the

551

00:30:08,810 --> 00:30:06,630

tremendous amount of respect for

552

00:30:11,150 --> 00:30:08,820

somebody that is so dedicated to

553

00:30:13,490 --> 00:30:11,160

education and teaching people and all

554

00:30:19,810 --> 00:30:13,500

that stuff but I think he made a really

555

00:30:23,720 --> 00:30:19,820

huge mistake in that commentary because

556

00:30:27,560 --> 00:30:23,730

excuse me my phone is dingy because he's

557

00:30:29,990 --> 00:30:27,570

not he's first of all contradicting

558

00:30:33,110 --> 00:30:30,000

himself okay that's number one number

559

00:30:36,020 --> 00:30:33,120

two is every time the interviewer asked

560

00:30:39,620 --> 00:30:36,030

him a question he would like deliver an

561

00:30:41,270 --> 00:30:39,630

essay it's like not an essay question do

562

00:30:43,820 --> 00:30:41,280

you believe that there is alien life

563

00:30:48,080 --> 00:30:43,830

visiting earth II that is not an essay

564

00:30:51,110 --> 00:30:48,090

question yes or no why do they always be

565

00:30:52,940 --> 00:30:51,120

abusive maybe that's fine why not that's

566

00:30:54,980 --> 00:30:52,950

about it they just keep just keep

567

00:30:56,390 --> 00:30:54,990

running that tale they just don't want

568

00:30:58,340 --> 00:30:56,400

to answer yes or no

569

00:31:00,430 --> 00:30:58,350

you got it luck you know there's things

570

00:31:02,120 --> 00:31:00,440

that we don't always see but you know

571

00:31:03,890 --> 00:31:02,130

we'd like to talk about

572

00:31:06,200 --> 00:31:03,900

I'm sorry Neil deGrasse Tyson I don't

573

00:31:07,580 --> 00:31:06,210

know if ever any time ever would be able

574

00:31:09,169 --> 00:31:07,590

to interview you because whatever

575

00:31:12,150 --> 00:31:09,179

because you're you know Neil deGrasse

576
00:31:14,820 --> 00:31:12,160
Tyson but

577
00:31:17,780 --> 00:31:14,830
I encourage you to take the time and

578
00:31:20,400 --> 00:31:17,790
effort to educate yourself more about

579
00:31:23,610 --> 00:31:20,410
Declassified recently documents that are

580
00:31:27,810 --> 00:31:23,620
you know accessible on the both CIA and

581
00:31:29,700 --> 00:31:27,820
FBI websites the most recent Freedom of

582
00:31:35,930 --> 00:31:29,710
Information Act requests that have been

583
00:31:38,640 --> 00:31:35,940
issued concerning metal alloys and I

584
00:31:41,670 --> 00:31:38,650
think people get wrapped up in the the

585
00:31:43,920 --> 00:31:41,680
metal alloys thing in thinking well we

586
00:31:46,310 --> 00:31:43,930
can all you know because what here's

587
00:31:51,140 --> 00:31:46,320
basically what has been said is that

588
00:31:56,310 --> 00:31:51,150

unidentified alloys have been recovered

589

00:32:00,870 --> 00:31:56,320

from these unidentified aerial crafts

590

00:32:03,930 --> 00:32:00,880

and that it has been stored according to

591

00:32:08,730 --> 00:32:03,940

the New York Times New York Times story

592

00:32:12,390 --> 00:32:08,740

on this that it was stored in building

593

00:32:14,360 --> 00:32:12,400

in Las Vegas by the Bigelow guy the

594

00:32:19,460 --> 00:32:14,370

scientist guy what's his name

595

00:32:26,220 --> 00:32:19,470

Jeremiah no Robert Bigelow is his name

596

00:32:30,210 --> 00:32:26,230

yes Robert Bigelow so there has been a

597

00:32:33,090 --> 00:32:30,220

Freedom of Information Act request just

598

00:32:35,400 --> 00:32:33,100

today I think for this and I urge you to

599

00:32:37,470 --> 00:32:35,410

do the same thing look into it what are

600

00:32:43,710 --> 00:32:37,480

these alloys maybe you can identify them

601
00:32:45,840 --> 00:32:43,720
but why can't maybe we get your opinion

602
00:32:48,030 --> 00:32:45,850
on that maybe you can use your

603
00:32:50,550 --> 00:32:48,040
connections to check and see if you can

604
00:32:52,470 --> 00:32:50,560
get access to this stuff why not if

605
00:32:54,750 --> 00:32:52,480
you're all about education if it's just

606
00:32:58,610 --> 00:32:54,760
some military crap it's the military

607
00:33:02,220 --> 00:32:58,620
crap if it's something exotic and

608
00:33:06,150 --> 00:33:02,230
unnatural or not from Earth or whatever

609
00:33:08,160 --> 00:33:06,160
I don't think that that's the national

610
00:33:10,320 --> 00:33:08,170
security problem not at this point

611
00:33:11,990 --> 00:33:10,330
anymore and I will say that because the

612
00:33:17,640 --> 00:33:12,000
Department of Defense would not have

613
00:33:20,700 --> 00:33:17,650

come out and said what they said they

614

00:33:23,010 --> 00:33:20,710

just know that there are potential

615

00:33:25,860 --> 00:33:23,020

aerial threats and during the time that

616

00:33:30,450 --> 00:33:25,870

they analyzed videos from pilots

617

00:33:33,750 --> 00:33:30,460

to determine that the these phenomenon

618

00:33:36,330 --> 00:33:33,760

or these air vehicles have a pattern in

619

00:33:38,549 --> 00:33:36,340

where they appear and reappear and how

620

00:33:40,820 --> 00:33:38,559

they maneuver they tend to come around

621

00:33:43,530 --> 00:33:40,830

nuclear bases they've come out and

622

00:33:47,400 --> 00:33:43,540

basically the former head of the

623

00:33:50,130 --> 00:33:47,410

Department of Defense's advanced aerial

624

00:33:53,270 --> 00:33:50,140

threats program Louis Elizondo has come

625

00:33:57,360 --> 00:33:53,280

out and said we are not alone

626

00:34:02,610 --> 00:33:57,370

he is now it seems as though that he has

627

00:34:05,690 --> 00:34:02,620

said we are not alone because he kind of

628

00:34:08,190 --> 00:34:05,700

did that thing where he says well I

629

00:34:10,200 --> 00:34:08,200

don't know about that but what we can

630

00:34:11,700 --> 00:34:10,210

say is that the UFOs are real and we

631

00:34:13,350 --> 00:34:11,710

have you know advanced scientific

632

00:34:15,149 --> 00:34:13,360

evidence that they are indeed a

633

00:34:16,830 --> 00:34:15,159

phenomena that we don't understand and

634

00:34:20,909 --> 00:34:16,840

they maneuver in ways that we don't

635

00:34:24,659 --> 00:34:20,919

understand that's we're talking OSI

636

00:34:27,450 --> 00:34:24,669

maneuvers or aliens there's an actual

637

00:34:30,270 --> 00:34:27,460

alien being entity or as we talking

638

00:34:31,680 --> 00:34:30,280

about the flying vessel well I think

639

00:34:33,960 --> 00:34:31,690

what he's doing and what I think by the

640

00:34:35,040 --> 00:34:33,970

way it's very smarts well I think what

641

00:34:37,260 --> 00:34:35,050

he's doing is very smart because what

642

00:34:38,909 --> 00:34:37,270

he's saying is let's just answering the

643

00:34:40,740 --> 00:34:38,919

question with another question well but

644

00:34:41,669 --> 00:34:40,750

hold on I know it's annoying but I get

645

00:34:44,430 --> 00:34:41,679

what he's doing let me tell you what I

646

00:34:46,110 --> 00:34:44,440

think he's doing what he's saying is you

647

00:34:47,460 --> 00:34:46,120

know what let's not even go that far we

648

00:34:48,750 --> 00:34:47,470

don't even need to talk about aliens

649

00:34:51,300 --> 00:34:48,760

we're not even gonna talk about this

650

00:34:53,240 --> 00:34:51,310

we're had this how he started okay we

651
00:34:55,860 --> 00:34:53,250
don't need to go that far

652
00:34:58,320 --> 00:34:55,870
let's just focus on the fact and the

653
00:35:00,900 --> 00:34:58,330
evidence of these unidentified aerial

654
00:35:04,490 --> 00:35:00,910
phenomena these video these radar

655
00:35:07,650 --> 00:35:04,500
reports these you know advanced pilots

656
00:35:09,600 --> 00:35:07,660
advanced pilots that provided you know

657
00:35:11,760 --> 00:35:09,610
detailed report on the way that these

658
00:35:14,490 --> 00:35:11,770
things maneuver and how they interacted

659
00:35:17,310 --> 00:35:14,500
if it interact with their helicopter or

660
00:35:20,670 --> 00:35:17,320
their jet or whatever you guys shut it

661
00:35:25,110 --> 00:35:20,680
down what do you mean make it say

662
00:35:28,230 --> 00:35:25,120
anything about it well yeah it would all

663
00:35:31,580 --> 00:35:28,240

go to that program something and now

664

00:35:33,600 --> 00:35:31,590

they can talk about it so I think that

665

00:35:35,130 --> 00:35:33,610

wants to have a program they throw it

666

00:35:37,349 --> 00:35:35,140

away everything and it's like okay you

667

00:35:38,690 --> 00:35:37,359

can tell them I'm done with it it's no

668

00:35:40,730 --> 00:35:38,700

big deal

669

00:35:43,549 --> 00:35:40,740

you can even hold it for this long

670

00:35:45,109 --> 00:35:43,559

Thanks tick well I believe doesn't make

671

00:35:54,380 --> 00:35:45,119

sense what that one video what was that

672

00:35:56,660 --> 00:35:54,390

2004 video yes it was okay Jimmy just

673

00:35:57,890 --> 00:35:56,670

played well it's uh while you're talking

674

00:35:59,900 --> 00:35:57,900

about it yeah do it

675

00:36:01,120 --> 00:35:59,910

okay common talk I think this is the one

676

00:36:07,490 --> 00:36:01,130

by the way we don't want to mix up the

677

00:36:09,259 --> 00:36:07,500

actual the you know the the rotating UFO

678

00:36:10,910 --> 00:36:09,269

with the tic-tac video that's a totally

679

00:36:13,370 --> 00:36:10,920

different video but we're gonna go ahead

680

00:36:18,259 --> 00:36:13,380

and show you this video right now this

681

00:36:20,089 --> 00:36:18,269

is the most trending yeah so this is not

682

00:36:24,920 --> 00:36:20,099

the tic-tac video this is hopefully I'm

683

00:36:27,079 --> 00:36:24,930

not all my gosh Oh somebody there was a

684

00:36:30,019 --> 00:36:27,089

there was a thought is the way I'm fury

685

00:36:30,470 --> 00:36:30,029

that there was a trapped flea in the

686

00:36:32,680 --> 00:36:30,480

lens

687

00:36:38,000 --> 00:36:32,690

you know that's just a trap to flee

688

00:36:40,130 --> 00:36:38,010

going 130 knots what do you think about

689

00:36:48,890 --> 00:36:40,140

that with something glowing yeah as a

690

00:36:50,059 --> 00:36:48,900

POC oh my god what do you think in case

691

00:36:52,339 --> 00:36:50,069

you didn't see it we got to get the

692

00:36:54,049 --> 00:36:52,349

tic-tac video a good friend of mine said

693

00:36:56,809 --> 00:36:54,059

it to me now I got to download it but I

694

00:36:58,279 --> 00:36:56,819

haven't done that yet but that's tight

695

00:37:00,289 --> 00:36:58,289

one more time one more time for you guys

696

00:37:05,299 --> 00:37:00,299

sure you missed it it's real short guys

697

00:37:07,490 --> 00:37:05,309

to take a look at it again right now you

698

00:37:11,029 --> 00:37:07,500

clearly see it stops and rotates just

699

00:37:13,359 --> 00:37:11,039

like they say and there's a mm lock it's

700

00:37:16,640 --> 00:37:13,369

just it's rotating there's no stopping

701
00:37:21,849 --> 00:37:16,650
okay look at the clouds watch it well

702
00:37:21,859 --> 00:37:33,079
so just watch it okay

703
00:37:37,769 --> 00:37:35,609
then it rotates the other way but it

704
00:37:42,839 --> 00:37:37,779
doesn't doesn't stop that's the tic-tac

705
00:37:44,429 --> 00:37:42,849
video oh yeah okay that's excite but

706
00:37:46,019 --> 00:37:44,439
still that's still it's it's still

707
00:37:48,120 --> 00:37:46,029
rotated as it's flying

708
00:37:49,079 --> 00:37:48,130
I wonder what our followers and people

709
00:37:49,769 --> 00:37:49,089
in the chat room thinking you go ahead

710
00:37:51,150 --> 00:37:49,779
and check that out

711
00:37:54,449 --> 00:37:51,160
no because you yelled at me last time

712
00:37:56,819 --> 00:37:54,459
from looking at it no I I was looking

713
00:38:00,719 --> 00:37:56,829

for question I yell because I was

714

00:38:02,429 --> 00:38:00,729

looking at it so I yelled at you because

715

00:38:04,259 --> 00:38:02,439

what you're doing isn't in service to

716

00:38:05,489 --> 00:38:04,269

the viewers you're just reading it but

717

00:38:07,380 --> 00:38:05,499

nobody wants to watch that you got to

718

00:38:09,179 --> 00:38:07,390

say this is from this person and they

719

00:38:22,789 --> 00:38:09,189

say this and then you answer it can you

720

00:38:28,130 --> 00:38:22,799

do that just do it bro fine oh [h__h]

721

00:38:35,189 --> 00:38:28,140

tea with aliens from Stephen fault jerk

722

00:38:37,729 --> 00:38:35,199

lol what up main let's see what any

723

00:38:41,339 --> 00:38:37,739

comments on our like awesome like setup

724

00:38:43,949 --> 00:38:41,349

it's like is it over the top okay here's

725

00:38:46,019 --> 00:38:43,959

some Joe Santana do you think Russia is

726

00:38:47,609 --> 00:38:46,029

just flexing their space muscles now

727

00:38:51,299 --> 00:38:47,619

since we blasted off something into

728

00:38:54,150 --> 00:38:51,309

space out of Los Angeles ago oh I bet

729

00:38:56,400 --> 00:38:54,160

we're always in some weird competitive I

730

00:38:58,709 --> 00:38:56,410

could edit it that's the most

731

00:39:01,589 --> 00:38:58,719

competitive country competitive tension

732

00:39:03,599 --> 00:39:01,599

friendly Rana Dawson says hello UFO

733

00:39:04,709 --> 00:39:03,609

brothers what's that brony are you doing

734

00:39:09,239 --> 00:39:04,719

my yeah brony

735

00:39:12,689 --> 00:39:09,249

he's a bro roni roni roni he's the one

736

00:39:15,140 --> 00:39:12,699

that wanted to came up with the the name

737

00:39:17,429 --> 00:39:15,150

skin Deanna Joan our skin Deanna bones

738

00:39:20,249 --> 00:39:17,439

for our art we're gonna bring him back

739

00:39:22,469 --> 00:39:20,259

art are really cool it's an alien bone

740

00:39:25,400 --> 00:39:22,479

it's stupids plastic today let's go okay

741

00:39:27,689 --> 00:39:25,410

I'm done looking at my phone for a hit

742

00:39:30,089 --> 00:39:27,699

sothank I'm glad you look at the phone

743

00:39:31,799 --> 00:39:30,099

but key now you tell everybody no other

744

00:39:33,209 --> 00:39:31,809

questions that I see on there I just

745

00:39:34,650 --> 00:39:33,219

gave you the ones what about some

746

00:39:36,809 --> 00:39:34,660

comments are there any comment oh

747

00:39:41,540 --> 00:39:36,819

there's no comments there's people wants

748

00:39:49,680 --> 00:39:47,250

okay so as an example the n3 says what

749

00:39:52,530 --> 00:39:49,690

are the alloys they found how did they

750

00:39:56,579 --> 00:39:52,540

get them so what from what I understand

751

00:39:58,710 --> 00:39:56,589

by Louise is this seriously you are not

752

00:40:02,309 --> 00:39:58,720

able to I was doing that then you let me

753

00:40:03,720 --> 00:40:02,319

write mid-sentence you put your phone

754

00:40:05,460 --> 00:40:03,730

down and said that you were done reading

755

00:40:06,960 --> 00:40:05,470

it now yeah because you already went

756

00:40:17,550 --> 00:40:06,970

through alloys you didn't to talk about

757

00:40:20,190 --> 00:40:17,560

it just two guys knew we went on a

758

00:40:27,300 --> 00:40:20,200

really long trip recently and it was

759

00:40:35,240 --> 00:40:27,310

like this for hours I'm like I'm really

760

00:40:39,290 --> 00:40:35,250

interested this and you just doing a

761

00:40:48,470 --> 00:40:41,870

they offered me Clare's

762

00:40:52,800 --> 00:40:50,520

is this how your brain works give me

763

00:40:55,020 --> 00:40:52,810

this I'm gonna go back to that so the

764

00:40:57,839 --> 00:40:55,030

alloys were found also they also called

765

00:41:01,200 --> 00:40:57,849

it residue there was a physical residue

766

00:41:05,400 --> 00:41:01,210

and alloy that has either shed or fallen

767

00:41:08,099 --> 00:41:05,410

from these unexplained aerial vehicles

768

00:41:08,520 --> 00:41:08,109

and that they are kept in building in

769

00:41:11,069 --> 00:41:08,530

Las Vegas

770

00:41:12,089 --> 00:41:11,079

Robert byblos building and some people

771

00:41:16,650 --> 00:41:12,099

have tried to come out and debunk that

772

00:41:20,040 --> 00:41:16,660

but I'm telling you that no matter what

773

00:41:22,829 --> 00:41:20,050

the naysayers say I'm fairly convinced

774

00:41:25,800 --> 00:41:22,839

that this has got some significant

775

00:41:27,839 --> 00:41:25,810

amount of truth to it so and I think

776

00:41:32,490 --> 00:41:27,849

that the way that that is said about the

777

00:41:34,290 --> 00:41:32,500

alloys it's it's still it's elusive and

778

00:41:35,730 --> 00:41:34,300

annoying and so that's why I just

779

00:41:38,010 --> 00:41:35,740

challenge them to just come out and

780

00:41:39,930 --> 00:41:38,020

freakin show it just let you know

781

00:41:42,440 --> 00:41:39,940

there's a billions of other people that

782

00:41:44,490 --> 00:41:42,450

could offer their expertise on it okay

783

00:41:47,069 --> 00:41:44,500

rather than just holding it in a stupid

784

00:41:49,740 --> 00:41:47,079

building and in Vegas anyway back to the

785

00:41:51,660 --> 00:41:49,750

comments they want the whole it's just

786

00:41:54,870 --> 00:41:51,670

it's a game oh I got it on the

787

00:41:55,890 --> 00:41:54,880

with it who wants to buy it they can do

788

00:41:59,520 --> 00:41:55,900

whatever they want with that it's either

789

00:42:02,520 --> 00:41:59,530

gonna give it up no Frick no we're gonna

790

00:42:04,530 --> 00:42:02,530

snow got another question here um Joe

791

00:42:07,440 --> 00:42:04,540

Santana says so what was their end

792

00:42:14,599 --> 00:42:07,450

result to that video what what did they

793

00:42:18,920 --> 00:42:14,609

get out of that UFO I think that's what

794

00:42:22,710 --> 00:42:18,930

drove that whole entire program was

795

00:42:25,799 --> 00:42:22,720

wanting to know what the outcome of this

796

00:42:28,319 --> 00:42:25,809

phenomena is are they threat are they a

797

00:42:30,210 --> 00:42:28,329

threat are they friendly are they are

798

00:42:32,819 --> 00:42:30,220

they monitoring or what what are they

799

00:42:35,010 --> 00:42:32,829

doing are there other beings what the

800

00:42:37,230 --> 00:42:35,020

hell is this it's some what they say

801
00:42:42,720 --> 00:42:37,240
beyond next gen technology we're talking

802
00:42:45,000 --> 00:42:42,730
in my estimation probably at least tens

803
00:42:51,120 --> 00:42:45,010
of thousands to potentially of two

804
00:42:56,039 --> 00:42:51,130
million years or more advanced tech the

805
00:42:59,849 --> 00:42:56,049
conclusion is that believe but both in

806
00:43:03,870 --> 00:42:59,859
the tic-tac video and this this is the

807
00:43:06,599 --> 00:43:03,880
video called exactly it's this this

808
00:43:08,190 --> 00:43:06,609
glowing auras video they call going

809
00:43:10,920 --> 00:43:08,200
auras or whatever this is the one that

810
00:43:15,720 --> 00:43:10,930
they say it has like a or around the

811
00:43:21,720 --> 00:43:15,730
ship that turns that those two videos

812
00:43:25,260 --> 00:43:21,730
are indeed of real objects touchable

813
00:43:29,250 --> 00:43:25,270

actual physical objects that maneuver in

814

00:43:32,069 --> 00:43:29,260

ways that nothing that we make on earth

815

00:43:34,410 --> 00:43:32,079

or in any country from what we know when

816

00:43:36,630 --> 00:43:34,420

we have a fairly certain idea of what

817

00:43:38,970 --> 00:43:36,640

every secret country has in their

818

00:43:41,160 --> 00:43:38,980

military arsenal not saying things

819

00:43:45,599 --> 00:43:41,170

aren't secret and kept well or whatever

820

00:43:49,799 --> 00:43:45,609

but I'm fairly certain that we would

821

00:43:52,770 --> 00:43:49,809

know if China had come up with that

822

00:43:55,500 --> 00:43:52,780

technology we would know that by far

823

00:43:56,940 --> 00:43:55,510

which we probably do or don't maybe you

824

00:43:59,430 --> 00:43:56,950

know I know that China has had their own

825

00:44:01,980 --> 00:43:59,440

aircraft they do or not got our

826

00:44:03,510 --> 00:44:01,990

government know anything I know but I

827

00:44:04,920 --> 00:44:03,520

mean I'm going to rabbit holes I'm gonna

828

00:44:12,359 --> 00:44:04,930

back up for a second yeah you are

829

00:44:13,950 --> 00:44:12,369

I know but it's fine anyway I just want

830

00:44:15,450 --> 00:44:13,960

to move on anyway we gotta go over to

831

00:44:19,290 --> 00:44:15,460

John Lear we're gonna talk about John

832

00:44:21,900 --> 00:44:19,300

Lear because based on you know kind of

833

00:44:23,460 --> 00:44:21,910

recent comments I mean even if you look

834

00:44:24,630 --> 00:44:23,470

at neil degrasse tyson's comment you

835

00:44:27,150 --> 00:44:24,640

know there's gonna be skeptical people

836

00:44:28,620 --> 00:44:27,160

and they say or so whatnot but the

837

00:44:30,990 --> 00:44:28,630

conclusion was that it was unidentified

838

00:44:33,390 --> 00:44:31,000

they didn't know what it was they had no

839

00:44:35,309 --> 00:44:33,400

idea how to operate it and that's the

840

00:44:36,720 --> 00:44:35,319

public statement but in reality they of

841

00:44:38,339 --> 00:44:36,730

course know how to offer rates and I've

842

00:44:41,460 --> 00:44:38,349

already back engineered them and have

843

00:44:45,210 --> 00:44:41,470

already integrated alien with earthly

844

00:44:47,040 --> 00:44:45,220

technologies absolutely but rather than

845

00:44:48,930 --> 00:44:47,050

coming out and saying that which is what

846

00:44:51,000 --> 00:44:48,940

everybody wants the government to say

847

00:44:56,130 --> 00:44:51,010

rather than coming out and saying that I

848

00:44:58,200 --> 00:44:56,140

mean I it's easier to say hey we form

849

00:44:59,520 --> 00:44:58,210

this secretive thing it was only 22

850

00:45:02,520 --> 00:44:59,530

million dollars you know they just brush

851

00:45:04,589 --> 00:45:02,530

it off a little it's no big deal but

852

00:45:06,480 --> 00:45:04,599

they can acknowledge the issue if they

853

00:45:08,069 --> 00:45:06,490

come out and say hey we've actually been

854

00:45:09,770 --> 00:45:08,079

hunting these things for you know since

855

00:45:12,329 --> 00:45:09,780

the you know the 30s and

856

00:45:13,980 --> 00:45:12,339

back-engineering them and we you know or

857

00:45:17,670 --> 00:45:13,990

you know whatnot

858

00:45:26,700 --> 00:45:17,680

we're talking about some people that are

859

00:45:29,299 --> 00:45:26,710

still working on more advanced back

860

00:45:31,470 --> 00:45:29,309

engineering of these technologies and

861

00:45:36,900 --> 00:45:31,480

miss my train of thought here Joe help

862

00:45:40,109 --> 00:45:36,910

me out well how can they back engineer

863

00:45:41,010 --> 00:45:40,119

something that they can't get well

864

00:45:43,470 --> 00:45:41,020

that's when things this is a physical

865

00:45:44,640 --> 00:45:43,480

object so so like that is a physical

866

00:45:48,450 --> 00:45:44,650

object they don't know what to do with

867

00:45:50,849 --> 00:45:48,460

it well because if they come out and say

868

00:45:52,230 --> 00:45:50,859

we you know either shot them down or we

869

00:45:54,049 --> 00:45:52,240

found them and we back engineered them

870

00:45:57,480 --> 00:45:54,059

that would would actually lead to

871

00:46:01,710 --> 00:45:57,490

prosecution's of people yeah including

872

00:46:05,039 --> 00:46:01,720

living senators and you know precedents

873

00:46:08,930 --> 00:46:05,049

and things that would be except for what

874

00:46:14,010 --> 00:46:10,799

purposefully kept out of the loop so

875

00:46:15,660 --> 00:46:14,020

that he you know can claim that he I

876

00:46:16,910 --> 00:46:15,670

don't know what the saying is what is

877

00:46:19,090 --> 00:46:16,920

this thing

878

00:46:21,080 --> 00:46:19,100

[Music]

879

00:46:24,170 --> 00:46:21,090

when they say that they didn't know

880

00:46:26,360 --> 00:46:24,180

basically so that's like a leaf I don't

881

00:46:28,700 --> 00:46:26,370

know what that means but basically the

882

00:46:31,630 --> 00:46:28,710

president's put in a position where he

883

00:46:35,540 --> 00:46:31,640

doesn't have to neither confirm nor deny

884

00:46:39,890 --> 00:46:35,550

so the question becomes is is a

885

00:46:41,390 --> 00:46:39,900

president Trump going to do that but so

886

00:46:42,500 --> 00:46:41,400

we've got John Lear we're gonna show you

887

00:46:43,850 --> 00:46:42,510

this letter actually I put it up right

888

00:46:46,010 --> 00:46:43,860

now so you guys can take a look if you

889

00:46:47,330 --> 00:46:46,020

don't know who John Lear is don't really

890

00:46:51,470 --> 00:46:47,340

worry about it this is really more for

891

00:46:54,940 --> 00:46:51,480

people that are into John Lear so here

892

00:47:00,880 --> 00:46:54,950

we go let me find it here real quick

893

00:47:05,720 --> 00:47:00,890

[Music]

894

00:47:21,620 --> 00:47:05,730

here we go somebody maximize this screen

895

00:47:24,490 --> 00:47:21,630

I know right hey so what he's saying

896

00:47:27,710 --> 00:47:24,500

here is sorry to get a pull that

897

00:47:30,980 --> 00:47:27,720

basically a scientific analysis of Harry

898

00:47:33,350 --> 00:47:30,990

Reid's fake video requested by Ryan

899

00:47:36,500 --> 00:47:33,360

penka first thing I noticed right off

900

00:47:38,360 --> 00:47:36,510

was the ambient noise supposed to be

901
00:47:40,340 --> 00:47:38,370
sounding like wind rushing against the

902
00:47:42,400 --> 00:47:40,350
aircraft so basically he starts going

903
00:47:46,070 --> 00:47:42,410
into debunking that they were not using

904
00:47:47,810 --> 00:47:46,080
the right microphones or that the way

905
00:47:49,280 --> 00:47:47,820
they were you know interact with each

906
00:47:50,960 --> 00:47:49,290
other wouldn't be standard so he's

907
00:47:52,100 --> 00:47:50,970
basically going through here to debunk

908
00:47:53,960 --> 00:47:52,110
the whole thing so I'm just gonna kind

909
00:47:56,290 --> 00:47:53,970
of scroll here you like I'm gonna just

910
00:47:59,630 --> 00:47:56,300
hop on down to the second paragraph here

911
00:48:13,970 --> 00:47:59,640
Joey you read this part for us popcorn

912
00:48:16,460 --> 00:48:13,980
Joe I trained the damn thing I'm sorry

913
00:48:19,760 --> 00:48:16,470

guys I had to give em it at hard times

914

00:48:21,600 --> 00:48:19,770

he's it [h__h] let's see then the pilots

915

00:48:25,410 --> 00:48:21,610

conversation using dude and bro

916

00:48:30,260 --> 00:48:25,420

it's not navy jargon it's not navy

917

00:48:35,730 --> 00:48:35,340

dude bro yeah it means like yeah I see

918

00:48:48,830 --> 00:48:35,740

it

919

00:48:53,970 --> 00:48:51,210

look at this he's trying to say that the

920

00:48:56,850 --> 00:48:53,980

clouds were simulated yeah this is a

921

00:48:58,980 --> 00:48:56,860

fake video cosmos sick started 32 cents

922

00:49:02,250 --> 00:48:58,990

somebody got robbed the alleged UFO

923

00:49:06,030 --> 00:49:02,260

looks like it was penciled aint or

924

00:49:09,330 --> 00:49:06,040

dubbed in so he's he's going to the

925

00:49:10,560 --> 00:49:09,340

significant route for whatever reason to

926

00:49:14,190 --> 00:49:10,570

debunk this I don't think ultimately

927

00:49:16,230 --> 00:49:14,200

know what his entire goal is but kind of

928

00:49:17,520 --> 00:49:16,240

summing up some coming to the bottom

929

00:49:19,080 --> 00:49:17,530

here to the conclusion he started he

930

00:49:21,090 --> 00:49:19,090

starts out by saying the Pentagon was

931

00:49:22,830 --> 00:49:21,100

willing to go along with this because

932

00:49:25,590 --> 00:49:22,840

they didn't want disclosure any more

933

00:49:27,720 --> 00:49:25,600

than mj-12 did and by letting Reid

934

00:49:29,490 --> 00:49:27,730

pretend he was mr. disclosure would

935

00:49:31,830 --> 00:49:29,500

ensure another seven years of cover-up

936

00:49:34,380 --> 00:49:31,840

and they knew that Reid would do exactly

937

00:49:36,750 --> 00:49:34,390

what they told him to do so there you go

938

00:49:41,880 --> 00:49:36,760

the scientific analysis just as you

939

00:49:44,970 --> 00:49:41,890

requested damn I think I hear some very

940

00:49:46,980 --> 00:49:44,980

condescending uh comments not kind of

941

00:49:49,740 --> 00:49:46,990

saying sorry I'm I can't think of the

942

00:49:52,400 --> 00:49:49,750

word but the thing is selecting that's

943

00:49:56,490 --> 00:49:52,410

from they used all that millions and go

944

00:50:01,190 --> 00:49:56,500

nope we did find nothing we ain't found

945

00:50:03,240 --> 00:50:01,200

[h__h] they did they just I want to say it

946

00:50:05,310 --> 00:50:03,250

right that's what I think too

947

00:50:08,400 --> 00:50:05,320

cuz otherwise why would they spend 22

948

00:50:13,030 --> 00:50:10,720

so you guys just said we're gonna close

949

00:50:28,120 --> 00:50:13,040

this out here so see you guys can we get

950

00:50:31,570 --> 00:50:28,130

back to seeing you but yeah cool we're

951
00:50:33,790 --> 00:50:31,580
coming back right at you so that's

952
00:50:36,250 --> 00:50:33,800
interesting that was really weird

953
00:50:38,860 --> 00:50:36,260
slow down here so by the way if you're

954
00:50:40,300 --> 00:50:38,870
not following you should be UFO Bros TV

955
00:50:43,840 --> 00:50:40,310
all things social media Instagram

956
00:50:49,990 --> 00:50:43,850
Facebook patreon Twitter is watch oh you

957
00:50:51,310 --> 00:50:50,000
know fo0 bro right TV right and we're

958
00:50:54,040 --> 00:50:51,320
trying to keep our you know our shows

959
00:50:56,410 --> 00:50:54,050
short and sweet for the most part and

960
00:51:00,190 --> 00:50:56,420
you rather pack a bunch information to

961
00:51:01,570 --> 00:51:00,200
smaller Shelvin a longer show and this

962
00:51:02,950 --> 00:51:01,580
talk jibber-jabber won't get to the

963
00:51:04,450 --> 00:51:02,960

point fast to the hurry disclosure

964

00:51:11,620 --> 00:51:04,460

straight at you right here at UFO Bros

965

00:51:13,720 --> 00:51:11,630

TV exactly exactly right so we are kind

966

00:51:14,890 --> 00:51:13,730

of got through basically what we wanted

967

00:51:17,230 --> 00:51:14,900

to show everybody and try to talk about

968

00:51:18,370 --> 00:51:17,240

tonight but I know the long Tom DeLonge

969

00:51:19,120 --> 00:51:18,380

is promising to bring out some more

970

00:51:21,010 --> 00:51:19,130

information

971

00:51:25,780 --> 00:51:21,020

dr. Berger seems to be really upset

972

00:51:27,760 --> 00:51:25,790

about things he doesn't seem to be as

973

00:51:29,620 --> 00:51:27,770

interested because he's not part of the

974

00:51:37,150 --> 00:51:29,630

equation I guess of this first kind of

975

00:51:47,500 --> 00:51:37,160

little step of confirmation I think it's

976

00:51:47,920 --> 00:51:47,510

his third eye well I don't know what

977

00:51:49,510 --> 00:51:47,930

else

978

00:51:50,950 --> 00:51:49,520

let's check the chat room so we can just

979

00:51:52,060 --> 00:51:50,960

kind of start to wrap the show up and

980

00:51:55,030 --> 00:51:52,070

see if there's anybody else has any

981

00:52:00,820 --> 00:51:55,040

questions about what's been going on in

982

00:52:03,460 --> 00:52:00,830

the media and what what it's called a

983

00:52:06,370 --> 00:52:03,470

laser light no they don't touch your

984

00:52:09,460 --> 00:52:06,380

hair jeez

985

00:52:10,960 --> 00:52:09,470

was maybe that was a Steven gray chakra

986

00:52:13,120 --> 00:52:10,970

hey by the way are we going to contact

987

00:52:15,550 --> 00:52:13,130

in desert yes we want to contact in

988

00:52:17,340 --> 00:52:15,560

desert we're gonna be there yeah I

989

00:52:21,120 --> 00:52:17,350

believe we're gonna be there as guests

990

00:52:23,920 --> 00:52:21,130

media guests to cover you know the

991

00:52:26,080 --> 00:52:23,930

entire gig there's gonna be so many

992

00:52:27,430 --> 00:52:26,090

speakers it's gonna be in a different

993

00:52:33,480 --> 00:52:27,440

location so we're gonna contact the

994

00:52:38,370 --> 00:52:33,490

desert well what's that called what

995

00:52:41,680 --> 00:52:38,380

sponsor s well ask yeah well of course

996

00:52:42,730 --> 00:52:41,690

and then alien cons coming and so we'll

997

00:52:44,950 --> 00:52:42,740

see about that one we're gonna try to

998

00:52:46,750 --> 00:52:44,960

make it as much as we can folks yeah

999

00:52:49,690 --> 00:52:46,760

we're also gonna be doing some more

1000

00:52:53,470 --> 00:52:49,700

traveling pretty soon this coming summer

1001

00:52:55,420 --> 00:52:53,480

so and probably spring and we're looking

1002

00:52:57,100 --> 00:52:55,430

into some really cool cases into some

1003

00:52:58,930 --> 00:52:57,110

really cool things so if you want to

1004

00:53:01,060 --> 00:52:58,940

support our endeavors

1005

00:53:03,610 --> 00:53:01,070

you can contribute five bucks at

1006

00:53:06,220 --> 00:53:03,620

patreon.com forward slash UFO Bros TV

1007

00:53:08,650 --> 00:53:06,230

and we're gonna go ahead and kind of

1008

00:53:10,390 --> 00:53:08,660
