I'm the Hunchback of Notre oh okay so

18

00:01:58,210 --> 00:01:55,610

25

00:02:19,449 --> 00:02:10,399

trying to find the information this is

26

00:02:21,580 --> 00:02:19,459

you you know I have a de by the way

27

00:02:22,720 --> 00:02:21,590

we're trying some new stuff so if things

28

00:02:25,120 --> 00:02:22,730

a little bit crazy today don't even like

29

00:02:26,110 --> 00:02:25,130

trip because we're like you know every

30

00:02:28,000 --> 00:02:26,120

time we do this we're trying to do a

31

00:02:30,550 --> 00:02:28,010

little bit more like as an example we

32

00:02:32,500 --> 00:02:30,560

have a really cool subscribe button so

33

00:02:35,880 --> 00:02:32,510

37

00:02:45,670 --> 00:02:43,069

or with it if we have videos coming

38

00:02:46,780 --> 00:02:45,680

exactly being it at being a timing so

39

00:02:48,490 --> 00:02:46,790

like we're not gonna go all night

40

00:02:51,300 --> 00:02:48,500

41

00:02:53,800 --> 00:02:51,310

47

00:03:07,030 --> 00:03:04,970

48

00:03:08,050 --> 00:03:07,040

means then also of course mr. Greer has

49

00:03:08,600 --> 00:03:08,060

50

00:03:10,580 --> 00:03:08,610

sure we talk about UFOs and aliens that

60  
00:03:33,230 --> 00:03:30,750  
we're gonna bring our kind of fun

61  
00:03:35,630 --> 00:03:33,240  
brotherly bantering or some people call

62  
00:03:38,570 --> 00:03:35,640  
it annoying well you know our knowing

63  
00:03:44,780 --> 00:03:38,580

gets us around it says like the village

64

00:03:47,479 --> 00:03:44,790

bicycle so first things first we are the

65

00:03:55,690 --> 00:03:47,489

realest realest we can get the whole

66

00:03:59,750 --> 00:03:55,700

world I have no clue okay well look

67

00:04:02,390 --> 00:03:59,760

we're gonna have our super awesome UFO

68

00:04:05,120 --> 00:04:02,400

friend he lives in the desert okay but

69

00:04:07,520 --> 00:04:05,130

he is like on top of everything coming

70

00:04:10,610 --> 00:04:07,530

up in the fella G world so mister germy

71

00:04:12,920 --> 00:04:10,620

Locker Canyon Korbels is gonna be on the

72

00:04:15,170 --> 00:04:12,930

show probably more but next week or two

73

00:04:18,469 --> 00:04:15,180

and if you don't this will he looks at I

74

00:04:20,330 --> 00:04:18,479

look at the beard it is awesome and if

75

00:04:22,909 --> 00:04:20,340

you don't know one six main there's a

76  
00:04:24,920 --> 00:04:22,919  
hot dogs in mine and then he also has

77  
00:04:28,820 --> 00:04:24,930  
directed and produced the awesome

78  
00:04:30,650 --> 00:04:28,830  
patient 17 video which as you can see

79  
00:04:33,350 --> 00:04:30,660  
here in this image you can find it on

80  
00:04:34,730 --> 00:04:33,360  
Netflix of course iTunes I'm telling you

81  
00:04:36,700 --> 00:04:34,740  
we promote stuff that we thinks great

82  
00:04:40,640 --> 00:04:36,710  
and the great thing about this is that

83  
00:04:42,260 --> 00:04:40,650  
there's some actual physical recoveries

84  
00:04:43,909 --> 00:04:42,270  
that come out of these bodies you know

85  
00:04:45,440 --> 00:04:43,919  
that he analyzes so it's not just people

86  
00:04:48,170 --> 00:04:45,450  
talking it's really interesting matter

87  
00:04:51,650 --> 00:04:48,180  
that they it's nothing that's from earth

88  
00:04:52,790 --> 00:04:51,660

that they can find exactly so it's a

89

00:04:55,930 --> 00:04:52,800

really interesting you guys go check it

90

00:05:01,310 --> 00:04:55,940

91

00:05:03,590 --> 00:05:01,320

97

00:05:14,990 --> 00:05:13,590

98

00:05:18,050 --> 00:05:15,000

they're doing a fantastic job on their

99

00:05:19,730 --> 00:05:18,060

podcast also uh somewhere in the skies

100

00:05:21,410 --> 00:05:19,740

that's a really good podcast we're going

101  
00:05:24,110 --> 00:05:21,420  
to be on that show pretty soon

102  
00:05:26,600 --> 00:05:24,120  
you know rock TV has been awesome to us

103  
00:05:28,610 --> 00:05:26,610  
and there's a lot of you guys paranoid

104  
00:05:30,410 --> 00:05:28,620  
magazine hopeful be on that show again

105  
00:05:32,840 --> 00:05:30,420  
so we really appreciate all of

106  
00:05:34,460 --> 00:05:32,850  
everybody's support means a lot to less

107  
00:05:35,630 --> 00:05:34,470  
this is a lot of work but we love it

108  
00:05:41,530 --> 00:05:35,640  
because we're trying to bring this out

109  
00:05:49,490 --> 00:05:44,630  
with my curly hair nice and why do I

110  
00:05:51,260 --> 00:05:49,500  
look educated no but I can't I know

111  
00:05:54,290 --> 00:05:51,270  
something but I can't say it well what

112  
00:05:55,790 --> 00:05:54,300  
is it I can't say it why can't you say

113  
00:05:58,040 --> 00:05:55,800

cuz I just can't say it well don't say

114

00:06:00,230 --> 00:05:58,050

it but what is it I can't say I don't

115

00:06:02,720 --> 00:06:00,240

know but the places I can't say it was

116

00:06:04,850 --> 00:06:02,730

where I was saying I can't say okay yeah

117

00:06:05,990 --> 00:06:04,860

speaking of somebody who can't say I'm

118

00:06:07,040 --> 00:06:06,000

sure we got a funny little clip we're

119

00:06:09,920 --> 00:06:07,050

going to show you here in a second

120

00:06:11,840 --> 00:06:09,930

because you know of course Tom DeLonge

121

00:06:14,270 --> 00:06:11,850

is is kind of the head of this whole

122

00:06:16,520 --> 00:06:14,280

recent UFO revelation people call it

123

00:06:18,230 --> 00:06:16,530

disclosure we just call it somewhat

124

00:06:20,150 --> 00:06:18,240

confirmation it's all very of course

125

00:06:22,460 --> 00:06:20,160

very political and there's a lot of

126  
00:06:26,270 --> 00:06:22,470  
conspiracy theories you know coming off

127  
00:06:29,240 --> 00:06:26,280  
of this but this is funny so you've got

128  
00:06:32,900 --> 00:06:29,250  
to check this super cut out between Tom

129  
00:06:35,060 --> 00:06:32,910  
DeLonge and Joe Rogan we left Joe Rogan

130  
00:06:36,350 --> 00:06:35,070  
so you guys check this clip out we're

131  
00:06:48,350 --> 00:06:36,360  
gonna turn the music down right now so

132  
00:06:55,939 --> 00:06:54,779  
so you're obsessed with UFOs right we're

133  
00:07:00,390 --> 00:06:55,949  
gonna be building one of these things

134  
00:07:02,100 --> 00:07:00,400  
this have they explained this to you or

135  
00:07:05,159 --> 00:07:02,110  
have you seen it physically there's the

136  
00:07:08,430 --> 00:07:05,169  
Cold War and we found a life-form Hank

137  
00:07:11,070 --> 00:07:08,440  
and so they have experienced this

138  
00:07:13,830 --> 00:07:11,080

physically or is this just theoretical

139

00:07:15,420 --> 00:07:13,840

or they know that it exists the piece of

140

00:07:17,100 --> 00:07:15,430

metal can lose mass and then when you

141

00:07:19,230 --> 00:07:17,110

shoot an electron over it it'll be a

142

00:07:20,580 --> 00:07:19,240

different time I think people are

143

00:07:22,529 --> 00:07:20,590

cynical because there's a vacuum you

144

00:07:24,930 --> 00:07:22,539

guys can't integrate what you're getting

145

00:07:26,310 --> 00:07:24,940

is we think so huh good job or just

146

00:07:29,219 --> 00:07:26,320

coming up with a bunch of [h\_\_h] to

147

00:07:30,600 --> 00:07:29,229

say oh you know he's like what the [h\_\_h]

148

00:07:32,430 --> 00:07:30,610

is he doing you know why is he telling

149

00:07:41,760 --> 00:07:32,440

everything so he runs to the news

150

00:07:43,770 --> 00:07:41,770

station just try to detach myself from

151  
00:07:44,520 --> 00:07:43,780  
whatever they're saying finally find a

152  
00:07:49,040 --> 00:07:44,530  
happy place

153  
00:07:51,930 --> 00:07:49,050  
fire the world and so then these I find

154  
00:07:53,550 --> 00:07:51,940  
my happy space while this guy's doing

155  
00:07:56,670 --> 00:07:53,560  
this and I have to do that and literally

156  
00:07:59,310 --> 00:07:56,680  
I think I'm going I go just deeper and

157  
00:08:02,700 --> 00:07:59,320  
deeper in my mind to ignore the pain is

158  
00:08:04,710 --> 00:08:02,710  
so intense he went to a gym he used to

159  
00:08:06,839 --> 00:08:04,720  
he didn't have access to a light I wish

160  
00:08:09,120 --> 00:08:06,849  
I'd done get him high on ecstasy and

161  
00:08:11,339 --> 00:08:09,130  
talk to him just get him to completely

162  
00:08:12,990 --> 00:08:11,349  
remove all of his insecurities and fears

163  
00:08:14,580 --> 00:08:13,000

I'd be like man when you talk to people

164

00:08:18,330 --> 00:08:14,590

you gotta be thinking that they're

165

00:08:19,560 --> 00:08:18,340

listening to I think he's a little on

166

00:08:25,370 --> 00:08:19,570

the spectrum

167

00:08:25,380 --> 00:08:31,010

[Music]

168

00:08:33,540 --> 00:08:33,270

and the other one when it's not turned

169

00:08:50,700 --> 00:08:33,550

on

170

00:08:50,710 --> 00:08:56,490

[Music]

171

00:09:08,200 --> 00:09:03,180

what you guys think of that I don't know

172

00:09:10,060 --> 00:09:08,210

what do you think pretty ballsy my

173

00:09:16,240 --> 00:09:10,070

favorite part was like we found a life

174

00:09:18,250 --> 00:09:16,250

one topic Joe Rogan's just like find my

175

00:09:21,070 --> 00:09:18,260

happy place find my happy place although

176

00:09:24,040 --> 00:09:21,080

that was super by the way

177

00:09:26,950 --> 00:09:24,050

so what life-form is he saying well

178

00:09:28,870 --> 00:09:26,960

apparently according to DeLong we

179

00:09:30,760 --> 00:09:28,880

discovered a life-form during the Cold

180

00:09:32,380 --> 00:09:30,770

War I don't know what it is he's

181

00:09:36,040 --> 00:09:32,390

entreated on it or anything like that

182

00:09:37,930 --> 00:09:36,050

but but we're gonna keep pressing one of

183

00:09:39,220 --> 00:09:37,940

those things free says I found something

184

00:09:40,930 --> 00:09:39,230

but I can't say what it is yeah and

185

00:09:42,820 --> 00:09:40,940

we've shown that one I can't talk about

186

00:09:44,620 --> 00:09:42,830

it I can't talk about it but you know

187

00:09:46,120 --> 00:09:44,630

why I appreciate you Tom for just kind

188

00:09:47,350 --> 00:09:46,130

of taking a step back and kind of

189

00:09:50,530 --> 00:09:47,360

letting some other people do some

190

00:09:52,720 --> 00:09:50,540

speaking and represent you way better

191

00:09:54,550 --> 00:09:52,730

Luis elizondo's doing a fantastic job so

192

00:09:56,200 --> 00:09:54,560

please by all means to keep that going

193

00:09:58,810 --> 00:09:56,210

we're gonna move on though because

194

00:10:01,930 --> 00:09:58,820

there's more too long of course this is

195

00:10:04,240 --> 00:10:01,940

just it's just it just goes too long and

196

00:10:06,000 --> 00:10:04,250

too long and too long it's just always

197

00:10:08,590 --> 00:10:06,010

going too long so we're gonna show this

198

00:10:10,330 --> 00:10:08,600

by the way this came in to coast to

199

00:10:12,850 --> 00:10:10,340

coast with Jimmy Church so this is just

200

00:10:14,170 --> 00:10:12,860

a statement from Tom DeLonge about the

201  
00:10:16,120 --> 00:10:14,180  
recent happenings that we're gonna show

202  
00:10:18,490 --> 00:10:16,130  
that to you guys right now it's just a

203  
00:10:19,840 --> 00:10:18,500  
really short statement and it's gonna

204  
00:10:21,670 --> 00:10:19,850  
show you kind of like a little bit about

205  
00:10:25,900 --> 00:10:21,680  
what might be shot what might be coming

206  
00:10:28,060 --> 00:10:25,910  
up and check it out so here it says I

207  
00:10:30,370 --> 00:10:28,070  
fell for all of you that are listening

208  
00:10:32,320 --> 00:10:30,380  
and not watching I'd like to thank you

209  
00:10:35,410 --> 00:10:32,330  
I'd like to say for all of your support

210  
00:10:37,780 --> 00:10:35,420  
I want to thank you sauron that's fine

211  
00:10:40,030 --> 00:10:37,790  
thank you thank you as you know I

212  
00:10:42,490 --> 00:10:40,040  
created a vehicle that my team was able

213  
00:10:44,440 --> 00:10:42,500

to supercharge and get the pentacon to

214

00:10:45,820 --> 00:10:44,450

officially officially acknowledge the

215

00:10:51,730 --> 00:10:45,830

existence of unidentified aerial

216

00:10:55,390 --> 00:10:51,740

phenomenon popcorn Joe what Richard

217

00:10:57,670 --> 00:10:55,400

Sennett or you say I got to take my

218

00:11:07,720 --> 00:10:57,680

glasses off for the Senate

219

00:11:09,250 --> 00:11:07,730

or Congress has ignited and briefings

220

00:11:11,290 --> 00:11:09,260

will be starting soon if all goes well

221

00:11:14,050 --> 00:11:11,300

so bear with me as we start talking

222

00:11:15,760 --> 00:11:14,060

about more gun camera footage hardware

223

00:11:19,060 --> 00:11:15,770

and even more expansive military

224

00:11:20,650 --> 00:11:19,070

encounters it's all coming but it's

225

00:11:22,780 --> 00:11:20,660

going to trickle over the months ahead I

226

00:11:25,980 --> 00:11:22,790

want to thank you all again I'm one of

227

00:11:28,829 --> 00:11:25,990

you I am a true seeker Tom DeLonge 1229

228

00:11:33,540 --> 00:11:28,839

1730's thank you thank you thank you

229

00:11:34,870 --> 00:11:33,550

thank you well he says thank you a lot

230

00:11:36,519 --> 00:11:34,880

thank you

231

00:11:44,860 --> 00:11:36,529

speaking of being on the spectrum how

232

00:11:46,000 --> 00:11:44,870

you doing Joe huh you tell me I think

233

00:11:52,900 --> 00:11:46,010

you all right you're hanging in there

234

00:11:57,940 --> 00:11:52,910

bro we can't say oh if I had a spectrum

235

00:11:59,290 --> 00:11:57,950

analyzer and it was near you'd be like I

236

00:12:01,329 --> 00:11:59,300

would have to like probably get you to

237

00:12:03,250 --> 00:12:01,339

the doctor as soon as you can do guys do

238

00:12:07,480 --> 00:12:03,260

you guys can sit all your points to em

239

00:12:09,699 --> 00:12:07,490

it at UFO Bros TV at gmail.com all of

240

00:12:12,340 --> 00:12:09,709

your hate right there yes please I'll

241

00:12:18,760 --> 00:12:12,350

gladly read it live man right here yeah

242

00:12:21,550 --> 00:12:18,770

yeah dirty man right here we're so this

243

00:12:23,920 --> 00:12:21,560

was new Luis Elizondo that you know was

244

00:12:25,960 --> 00:12:23,930

the former ahead at the DoD's project of

245

00:12:27,820 --> 00:12:25,970

advanced aerial threats program has been

246

00:12:30,370 --> 00:12:27,830

going around and saying unequivocally

247

00:12:32,140 --> 00:12:30,380

basically we're not alone although I

248

00:12:34,690 --> 00:12:32,150

will say he goes back and forth between

249

00:12:37,030 --> 00:12:34,700

we're not alone or we may not be alone

250

00:12:42,900 --> 00:12:37,040

but still it's a pretty big profound

251  
00:12:47,680 --> 00:12:42,910  
statement from somebody it's ice blocks

252  
00:12:51,880 --> 00:12:47,690  
if it's a turkey two turkey it's kind of

253  
00:12:54,940 --> 00:12:51,890  
a turkey but it flies two dozen I found

254  
00:12:57,490 --> 00:12:54,950  
something but the feet don't match it's

255  
00:13:00,780 --> 00:12:57,500  
a cookie but it is another right be a

256  
00:13:04,000 --> 00:13:00,790  
[h\_\_\h] target it's Turkey it's a foul

257  
00:13:06,790 --> 00:13:04,010  
you guys are fouling bad turkeys a

258  
00:13:08,800 --> 00:13:06,800  
turkey is chunky get tired of it I'm

259  
00:13:10,579 --> 00:13:08,810  
going on a rant well here's my thing

260  
00:13:17,720 --> 00:13:10,589  
it's like on a rant for the

261  
00:13:22,290 --> 00:13:21,030  
you're finally just [h\_\_\h] say it well

262  
00:13:24,000 --> 00:13:22,300  
look who's the thing if they come out

263  
00:13:25,860 --> 00:13:24,010

and they acknowledge like all the stuff

264

00:13:27,210 --> 00:13:25,870

that we research like the Roswell stuff

265

00:13:29,190 --> 00:13:27,220

and the crash stuff that we've been

266

00:13:33,120 --> 00:13:29,200

researching hey guess what

267

00:13:36,030 --> 00:13:33,130

I seen it it was great it had big eyes

268

00:13:37,290 --> 00:13:36,040

there's they are here there's a great

269

00:13:39,150 --> 00:13:37,300

alien thank you

270

00:13:45,900 --> 00:13:39,160

that's all you have to say no you can't

271

00:13:58,710 --> 00:13:45,910

do that it's not fear the handicapped

272

00:13:59,970 --> 00:13:58,720

placard when you park books not look the

273

00:14:01,620 --> 00:13:59,980

reason why they're doing it this way is

274

00:14:04,290 --> 00:14:01,630

because if they come out and say oh yes

275

00:14:06,060 --> 00:14:04,300

all that Roswell [h\_\_\h] was real and

276

00:14:07,920 --> 00:14:06,070

there's out all you know all these black

277

00:14:12,350 --> 00:14:07,930

projects which were totally legal and

278

00:14:14,820 --> 00:14:12,360

you know under such secrecy and

279

00:14:17,750 --> 00:14:14,830

compartmentalization I mean it's quite

280

00:14:19,949 --> 00:14:17,760

literally against the you know our

281

00:14:22,590 --> 00:14:19,959

Constitution and so therefore if they

282

00:14:24,300 --> 00:14:22,600

come out and admit to things people are

283

00:14:27,000 --> 00:14:24,310

gonna be tried people could be

284

00:14:30,840 --> 00:14:27,010

prosecuted people it could get bad so

285

00:14:32,310 --> 00:14:30,850

why not come out and say yeah we have

286

00:14:34,530 --> 00:14:32,320

this UFO thing they don't say anything

287

00:14:36,000 --> 00:14:34,540

about aliens or who the pilots are or

288

00:14:38,699 --> 00:14:36,010

anything like that it's a good way to

289

00:14:40,079 --> 00:14:38,709

kind of start coming out without getting

290

00:14:41,970 --> 00:14:40,089

anybody into much trouble right now oh

291

00:14:44,280 --> 00:14:41,980

it's only 22 million a drop in the

292

00:14:46,740 --> 00:14:44,290

bucket even Harry Reid himself says hey

293

00:14:49,920 --> 00:14:46,750

why don't we just make one less fighter

294

00:15:00,180 --> 00:14:49,930

jet and fund the program for another X

295

00:15:02,699 --> 00:15:00,190

amount of years oh you're talking about

296

00:15:05,699 --> 00:15:02,709

dr. Greer perfect I'm not I'm not even

297

00:15:07,769 --> 00:15:05,709

talking about big teeth okay dr. big

298

00:15:10,680 --> 00:15:07,779

teeth I don't I'm not talking about him

299

00:15:12,329 --> 00:15:10,690

I'm just saying I've been listening and

300

00:15:13,889 --> 00:15:12,339

watching stuff and there's a supposed to

301

00:15:20,640 --> 00:15:13,899

be a lot of stuff happening in 2008

302

00:15:22,769 --> 00:15:20,650

about evasions okay like he can't be

303

00:15:24,030 --> 00:15:22,779

left out of anything folks he can't be

304

00:15:26,430 --> 00:15:24,040

left out of anything so

305

00:15:28,950 --> 00:15:26,440

it's like oh oh you found it UFO footage

306

00:15:30,600 --> 00:15:28,960

okay well there's an invasion 2080 going

307

00:15:32,910 --> 00:15:30,610

father if you don't know who dr. Greer

308

00:15:37,350 --> 00:15:32,920

is he's basically V you fall just the

309

00:15:39,960 --> 00:15:37,360

father of ufology self-proclaimed we've

310

00:15:42,720 --> 00:15:39,970

chased him down and met him several

311

00:15:44,700 --> 00:15:42,730

times I don't think he's a big fan he

312

00:15:46,020 --> 00:15:44,710

blocked us on Twitter but we still

313

00:15:47,970 --> 00:15:46,030

follow his work even though he's little

314

00:15:49,860 --> 00:15:47,980

woo you know out there but check out

315

00:15:51,240 --> 00:15:49,870

this like clip that he just has put out

316

00:15:52,830 --> 00:15:51,250

on YouTube because he wants everybody

317

00:15:55,740 --> 00:15:52,840

remember he's still around he's still

318

00:15:58,170 --> 00:15:55,750

important so this is the greer UFO

319

00:16:00,330 --> 00:15:58,180

footage and where joe and i are gonna be

320

00:16:02,340 --> 00:16:00,340

quiet for just a little bit so that you

321

00:16:04,350 --> 00:16:02,350

guys can kinda see what's going on and

322

00:16:16,030 --> 00:16:04,360

then we'll hop in with some thoughts so

323

00:16:36,739 --> 00:16:27,020

[Music]

324

00:16:38,059 --> 00:16:36,749

I think that's a water problem I think

325

00:16:40,639 --> 00:16:38,069

someone sneeze and it stuck to the

326

00:16:42,050 --> 00:16:40,649

window well I mean is that other time I

327

00:16:46,040 --> 00:16:42,060

mean everybody sneeze it's gonna be a

328

00:16:49,340 --> 00:16:46,050

droplet I guarantee it's a no that is

329

00:16:53,239 --> 00:16:49,350

that's Jesus you need a little bit of

330

00:16:54,650 --> 00:16:53,249

Jesus Joe while we're watching this

331

00:16:56,119 --> 00:16:54,660

boring-ass footage I'm going to talk to

332

00:16:57,139 --> 00:16:56,129

system actually Joe is going to talk to

333

00:16:59,449 --> 00:16:57,149

some these people on YouTube because

334

00:17:01,549 --> 00:16:59,459

he's already in the chat room so will

335

00:17:02,900 --> 00:17:01,559

you just kind of like read out a name

336

00:17:15,260 --> 00:17:02,910

and a question and we'll like try to

337

00:17:21,460 --> 00:17:15,270

answer it Happy New Year Happy New Year

338

00:17:24,230 --> 00:17:21,470

I want I need a minute with your own

339

00:17:27,319 --> 00:17:24,240

look what I see balls in the sky I have

340

00:17:30,590 --> 00:17:27,329

to watch it blue balls in the sky I'm

341

00:17:32,450 --> 00:17:30,600

telling you balls buddy yes are we ready

342

00:17:36,140 --> 00:17:32,460

for disclosure the third time I love

343

00:17:37,279 --> 00:17:36,150

that yes if anything new comes out I

344

00:17:40,250 --> 00:17:37,289

mean they're supposed to be releasing

345

00:17:43,549 --> 00:17:40,260

some alien material soon based on this

346

00:17:45,529 --> 00:17:43,559

whole plan that DeLong is been taking it

347

00:17:46,610 --> 00:17:45,539

the long ass time to roll out I think

348

00:17:47,840 --> 00:17:46,620

that's gonna be the next thing I think

349

00:17:50,180 --> 00:17:47,850

we're gonna see some materials that

350

00:17:52,970 --> 00:17:50,190

we're like owt you can see something

351  
00:17:57,850 --> 00:17:52,980  
come on so you guys love watching lights

352  
00:18:10,230 --> 00:18:06,750  
[Music]

353  
00:18:22,720 --> 00:18:13,600  
and once upon a time there was a fairy

354  
00:18:25,840 --> 00:18:22,730  
godmother you have syphilis

355  
00:18:28,450 --> 00:18:25,850  
super glue face I was too busy narrating

356  
00:18:30,550 --> 00:18:28,460  
this story look at this one that what do

357  
00:18:32,260 --> 00:18:30,560  
you think of it me what this one makes

358  
00:18:38,590 --> 00:18:32,270  
my butt pucker what do you think about

359  
00:18:39,750 --> 00:18:38,600  
this Joe can be drawn no it's not look

360  
00:18:43,150 --> 00:18:39,760  
at the year

361  
00:18:44,320 --> 00:18:43,160  
well they Jones in 2008 but really not

362  
00:18:46,900 --> 00:18:44,330  
like that that would have to be like a

363  
00:18:49,900 --> 00:18:46,910

one yea big that is how big do you think

364

00:18:51,640 --> 00:18:49,910

it is check this one out

365

00:18:53,770 --> 00:18:51,650

this is one where they think it's the

366

00:18:55,450 --> 00:18:53,780

Star Wars system see that you see you

367

00:18:58,120 --> 00:18:55,460

see the UFOs shoot off and then a rocket

368

00:19:00,490 --> 00:18:58,130

goes right by it they see and then look

369

00:19:02,100 --> 00:19:00,500

more lights I hope that I'm so tired of

370

00:19:04,390 --> 00:19:02,110

looking at [h\_\_\h] lights in the sky

371

00:19:06,100 --> 00:19:04,400

that looks like a mushroom that looks

372

00:19:21,370 --> 00:19:06,110

like when you power up on Super Mario

373

00:19:31,450 --> 00:19:29,140

there's lights I think oh it is but this

374

00:19:32,710 --> 00:19:31,460

might be the flares because I know what

375

00:19:36,460 --> 00:19:32,720

from what I've understood during the

376

00:19:40,570 --> 00:19:36,470

Phoenix lights case or happening there

377

00:19:44,950 --> 00:19:40,580

was supposedly like unidentified huge

378

00:19:46,840 --> 00:19:44,960

like oh this this is really cool this is

379

00:19:50,020 --> 00:19:46,850

supposed to be leaked area 51 footage

380

00:20:01,470 --> 00:19:50,030

but this is supposedly how they move in

381

00:20:11,260 --> 00:20:08,049

glorious clouds end it here but as you

382

00:20:12,850 --> 00:20:11,270

can see nonetheless it's definitely some

383

00:20:15,070 --> 00:20:12,860

interesting footage and Greer wants to

384

00:20:17,470 --> 00:20:15,080

stay in the loop rightfully so I wish he

385

00:20:19,390 --> 00:20:17,480

would stop contacting extraterrestrial

386

00:20:21,580 --> 00:20:19,400

civilizations and maybe we'll focus on

387

00:20:26,289 --> 00:20:21,590

getting info out there but we can only

388

00:20:27,970 --> 00:20:26,299

hope we can only hope by the way we're

389

00:20:29,409 --> 00:20:27,980

gonna do a little fun is here we let's

the chat room guys so we got our friend

414

00:21:49,060 --> 00:21:46,909

Jose saying what do you guys think about

415

00:21:50,169 --> 00:21:49,070

mr. leer saying there is over one and a

416

00:21:52,110 --> 00:21:50,179

half million people living on the moon

417

00:21:56,409 --> 00:21:52,120

that's crazy

418

00:22:01,210 --> 00:21:56,419

allez it's that sounds like some Mormon

419

00:22:03,789 --> 00:22:01,220

[h\_\_h] to me because there was if you if

420

00:22:05,470 --> 00:22:03,799

you studied the Mormon religion and

421

00:22:07,299 --> 00:22:05,480

mythos there was somebody who took over

422

00:22:11,279 --> 00:22:07,309

after Joseph Smith named Brigham Young

423

00:22:14,230 --> 00:22:11,289

Brigham Young Brigham Young said that

424

00:22:18,310 --> 00:22:14,240

there were people living on the moon

425

00:22:20,680 --> 00:22:18,320

people living in the Sun people living

426

00:22:23,320 --> 00:22:20,690

in all kinds of crazy places other

427

00:22:26,620 --> 00:22:23,330

planets and that sort of thing so that

428

00:22:27,789 --> 00:22:26,630

sounds to me kind of like some Mormon

429

00:22:29,980 --> 00:22:27,799

stuff maybe that's where I got it I

430

00:22:33,850 --> 00:22:29,990

don't know people don't live in the Sun

431

00:22:36,010 --> 00:22:33,860

I'm fairly sure um no absolutely not no

432

00:22:39,669 --> 00:22:36,020

not quite ready to go there you know I'm

433

00:22:42,519 --> 00:22:39,679

saying people imagine getting up within

434

00:22:44,889 --> 00:22:42,529

a mile of that thing yeah let's show the

435

00:22:48,639 --> 00:22:44,899

Green Lantern well Oh while you'd be

436

00:22:51,519 --> 00:22:48,649

disintegrated 10 miles what 30 really

437

00:22:53,560 --> 00:22:51,529

think that there are people living on

438

00:22:55,930 --> 00:22:53,570

them on Mars or there's like secret

439

00:22:56,680 --> 00:22:55,940

space missions that take like so I would

440

00:23:00,730 --> 00:22:56,690

take the moon

441

00:23:01,750 --> 00:23:00,740

he said the moon there's a half no no I

442

00:23:03,279 --> 00:23:01,760

don't believe there's millions of people

443

00:23:05,019 --> 00:23:03,289

on the moon I do believe there might be

444

00:23:07,570 --> 00:23:05,029

like an outpost or some sort of thing

445

00:23:09,490 --> 00:23:07,580

maybe on the moon potentially I don't

446

00:23:13,990 --> 00:23:09,500

know that it's not all recently I think

447

00:23:16,510 --> 00:23:14,000

what what Trump should do is have

448

00:23:19,299 --> 00:23:16,520

another mission go to the moon so that

449

00:23:21,310 --> 00:23:19,309

we can investigate it further what else

450

00:23:26,500 --> 00:23:21,320

is on that we only want what within what

451  
00:23:28,360 --> 00:23:26,510  
maybe a hundred feet or no maybe half an

452  
00:23:30,669 --> 00:23:28,370  
acre going around just walking around

453  
00:23:32,799 --> 00:23:30,679  
going back yeah like no we didn't really

454  
00:23:36,340 --> 00:23:32,809  
explore much territory as a matter of

455  
00:23:38,440 --> 00:23:36,350  
fact that the Mars rovers have explored

456  
00:23:39,660 --> 00:23:38,450  
more of Mars than we did with the moon

457  
00:23:43,080 --> 00:23:39,670  
by far Oh

458  
00:23:44,250 --> 00:23:43,090  
yeah and we gotta get to the moon guys

459  
00:23:46,560 --> 00:23:44,260  
we got to check it out there's something

460  
00:23:48,090 --> 00:23:46,570  
on that's fishy I just I just I just

461  
00:23:50,670 --> 00:23:48,100  
gotta point this out okay look if you're

462  
00:23:53,450 --> 00:23:50,680  
gonna send billion-dollar Rovers to Mars

463  
00:23:55,830 --> 00:23:53,460

this is the SEC side tangent okay and

464

00:23:59,760 --> 00:23:55,840

you know that they're gonna be powered

465

00:24:02,550 --> 00:23:59,770

solely by solar power cells and you know

466

00:24:06,210 --> 00:24:02,560

that Martian dust is going to get on the

467

00:24:08,640 --> 00:24:06,220

power cells and you're building all that

468

00:24:10,830 --> 00:24:08,650

[h\_\_h] just some damn brushes on it or

469

00:24:15,300 --> 00:24:10,840

that puffs is like way to puff some air

470

00:24:17,360 --> 00:24:15,310

on it's a brush squeegee something how

471

00:24:19,860 --> 00:24:17,370

cool do you think that's ridiculous

472

00:24:21,960 --> 00:24:19,870

what's that it just drove me crazy

473

00:24:23,850 --> 00:24:21,970

during it was like spirit and Challenger

474

00:24:26,700 --> 00:24:23,860

and they were on opposite sides of Mars

475

00:24:28,380 --> 00:24:26,710

and they were you know there was a point

476

00:24:30,090 --> 00:24:28,390

in time these by the way the rover so he

477

00:24:31,440 --> 00:24:30,100

sent to Mars they were only supposed to

478

00:24:33,870 --> 00:24:31,450

last for like a few months but they've

479

00:24:35,700 --> 00:24:33,880

lasted over a decade but they were

480

00:24:37,080 --> 00:24:35,710

worried about losing power because the

481

00:24:39,390 --> 00:24:37,090

solar panels were being covered with

482

00:24:40,680 --> 00:24:39,400

Martian dust okay and I was just like

483

00:24:42,410 --> 00:24:40,690

pulling my hair out like why is that a

484

00:24:45,360 --> 00:24:42,420

problem

485

00:24:46,740 --> 00:24:45,370

yeah you just like incredibly sent these

486

00:24:48,770 --> 00:24:46,750

things to like a freaking different

487

00:24:53,220 --> 00:24:48,780

planet and you can't have some brushes I

488

00:24:55,950 --> 00:24:53,230

don't know as Joe would say that sounds

489

00:24:58,980 --> 00:24:55,960

like some [\h\_\_\h] to me [\h\_\_\h] hello

490

00:25:01,650 --> 00:24:58,990

yes absolutely so that's kind of like

491
