1  
00:00:16,340 --> 00:00:09,190

[Music]

2  
00:00:18,439 --> 00:00:16,350

UFO Bros hey everyone is Giorgio

3  
00:00:24,410 --> 00:00:18,449

tsoukalos from ancient aliens and you're

4  
00:00:27,080 --> 00:00:24,420

experiencing UFO Bros TV hey what's up

5  
00:00:30,529 --> 00:00:27,090

everybody our minute I'm Joe and we are

6  
00:00:32,299 --> 00:00:30,539

the UFO bros bro and we're coming at you

7  
00:00:34,220 --> 00:00:32,309

live from the facility we're trying to

8  
00:00:35,840 --> 00:00:34,230

keep up on our backgrounds and make sure

9  
00:00:39,709 --> 00:00:35,850

you guys see all this cool alien stuff

10  
00:00:41,330 --> 00:00:39,719

we got so we've been so busy we haven't

11  
00:00:42,920 --> 00:00:41,340

really had a chance to do anything you

12  
00:00:44,779 --> 00:00:42,930

have full related Joe's been working a

13  
00:00:46,610 --> 00:00:44,789

lot and then we had some flu to deal

14

00:00:48,709 --> 00:00:46,620

with it was like totally crazy but thank

15

00:00:50,510 --> 00:00:48,719

you guys for the messages and the

16

00:00:51,970 --> 00:00:50,520

support saying hey you know we miss you

17

00:00:54,139 --> 00:00:51,980

we want to see you back so here we are

18

00:00:57,830 --> 00:00:54,149

we've got some fun stuff planned for

19

00:00:59,330 --> 00:00:57,840

today some of it some of that Joe hasn't

20

00:01:02,240 --> 00:00:59,340

had an opportunity to see so we'll get

21

00:01:03,410 --> 00:01:02,250

his reaction that's gonna be fun but for

22

00:01:05,329 --> 00:01:03,420

those of you by the way who are not

23

00:01:08,539 --> 00:01:05,339

familiar with what we do we research

24

00:01:12,200 --> 00:01:08,549

UFOs go to hotspots we go to different

25

00:01:20,270 --> 00:01:12,210

UFO and concerts and try to convert them

26

00:01:27,109 --> 00:01:20,280

into alien ology yes do you believe in

27

00:01:30,200 --> 00:01:27,119

the false prophet of the IRA so like I'm

28

00:01:34,010 --> 00:01:30,210

on a telethon with special people Jerry

29

00:01:35,140 --> 00:01:34,020

Lewis yeah but we're gonna cover some

30

00:01:37,340 --> 00:01:35,150

really cool stuff like we're gonna be

31

00:01:39,200 --> 00:01:37,350

we're just gonna run through it and then

32

00:01:40,370 --> 00:01:39,210

we'll break it down and show it to you

33

00:01:41,510 --> 00:01:40,380

here in a second but just to let you

34

00:01:43,730 --> 00:01:41,520

guys know we're gonna look inside a UFO

35

00:01:46,100 --> 00:01:43,740

today we're also going to look at a

36

00:01:49,280 --> 00:01:46,110

really cool alien landing video we're

37

00:01:51,859 --> 00:01:49,290

also going to look at some NASA UFOs and

38

00:01:53,359 --> 00:01:51,869

as well as we got a little something

39

00:01:55,039 --> 00:01:53,369

silly for you at the end that we think

40

00:01:58,880 --> 00:01:55,049

will be funny so we're gonna go through

41

00:02:00,770 --> 00:01:58,890

all that now Joe and I have no clue what

42

00:02:02,359 --> 00:02:00,780

they're talking about so I've been on

43

00:02:04,100 --> 00:02:02,369

lockdown at work so I'm no clue what's

44

00:02:09,260 --> 00:02:04,110

been going on so everything a reaction

45

00:02:10,139 --> 00:02:09,270

is 100% tonight would be 1% legit yeah

46

00:02:12,720 --> 00:02:10,149

okay

47

00:02:14,820 --> 00:02:12,730

right yes so let's just get on with it

48

00:02:16,229 --> 00:02:14,830

you guys so this we're gonna show you if

49

00:02:17,729 --> 00:02:16,239

you got three pictures to show you we'll

50

00:02:18,839 --> 00:02:17,739

go through one at a time and as we're

51  
00:02:20,550 --> 00:02:18,849  
looking through the pictures I'm gonna

52  
00:02:22,530 --> 00:02:20,560  
read off to you just kind of some

53  
00:02:25,530 --> 00:02:22,540  
information and where I came across

54  
00:02:26,160 --> 00:02:25,540  
these pictures now by the way on our

55  
00:02:28,559 --> 00:02:26,170  
social media

56  
00:02:30,479 --> 00:02:28,569  
everybody has been sharing this so if

57  
00:02:33,390 --> 00:02:30,489  
you are not following us make sure you

58  
00:02:34,589 --> 00:02:33,400  
go on obviously if you're watching us on

59  
00:02:37,589 --> 00:02:34,599  
YouTube right now make sure you

60  
00:02:39,690 --> 00:02:37,599  
subscribe and click the bell so that you

61  
00:02:41,640 --> 00:02:39,700  
get our notifications and we're on all

62  
00:02:44,880 --> 00:02:41,650  
things social media at UFO Bros TV

63  
00:02:47,699 --> 00:02:44,890

except for where Joe Twitter over ufo

64

00:02:52,110 --> 00:02:47,709

Bros TV that's right

65

00:02:53,849 --> 00:02:52,120

so get following alright follow us okay

66

00:02:57,210 --> 00:02:53,859

first image check this out

67

00:03:01,619 --> 00:02:57,220

this is literally it looks really crappy

68

00:03:03,539 --> 00:03:01,629

but here's the story so well actually

69

00:03:07,580 --> 00:03:03,549

you know what let's do this let's look

70

00:03:10,619 --> 00:03:07,590

at the second picture this is like a

71

00:03:12,149 --> 00:03:10,629

seat or something it looks like it's in

72

00:03:14,069 --> 00:03:12,159

black and white and I'll tell you why

73

00:03:15,629 --> 00:03:14,079

here in a minute and then last but not

74

00:03:20,009 --> 00:03:15,639

least is what they say is an alien being

75

00:03:24,690 --> 00:03:20,019

but I think it's really Adele have a

76

00:03:29,960 --> 00:03:24,700

mind so fun no I see it I see I see the

77

00:03:34,409 --> 00:03:33,000

so we're gonna leave this picture up for

78

00:03:35,670 --> 00:03:34,419

you guys we'll just kind of cycle

79

00:03:37,409 --> 00:03:35,680

through those three pictures for you

80

00:03:39,659 --> 00:03:37,419

while I tell you what were these taken

81

00:03:42,920 --> 00:03:39,669

from okay so the pictures of this human

82

00:03:44,849 --> 00:03:42,930

like alien and like that control panel

83

00:03:47,220 --> 00:03:44,859

like which is supposed to be the inside

84

00:03:49,259 --> 00:03:47,230

of a flying saucer is being published a

85

00:03:50,879 --> 00:03:49,269

new book so it says the grainy

86

00:03:52,470 --> 00:03:50,889

black-and-white images appear to show

87

00:03:54,599 --> 00:03:52,480

inside a cockpit with seating control

88

00:03:57,599 --> 00:03:54,609

panels and other objects also what

89

00:03:59,640 --> 00:03:57,609

appears to be a real alien visitor so

90

00:04:01,229 --> 00:03:59,650

according to the staggering claims in

91

00:04:04,920 --> 00:04:01,239

this book it kind of looks like the

92

00:04:09,960 --> 00:04:04,930

maknoon guy from McDonald's I don't see

93

00:04:12,020 --> 00:04:09,970

that I don't there no I don't see it but

94

00:04:15,809 --> 00:04:12,030

look at [h\_\_h] yourself supposedly this

95

00:04:16,979 --> 00:04:15,819

saucer landed in franca Vilia

96

00:04:18,750 --> 00:04:16,989

I don't know if I pronounced that right

97

00:04:23,610 --> 00:04:18,760

it's in Italy and

98

00:04:26,160 --> 00:04:23,620

this the author of the book says that

99

00:04:32,130 --> 00:04:26,170

two men supposedly were allowed to enter

100

00:04:35,160 --> 00:04:32,140

the UFO and take photographs here let's

101  
00:04:37,710 --> 00:04:35,170  
see and they were able to take pictures

102  
00:04:41,790 --> 00:04:37,720  
of how this was 1957 by the way why

103  
00:04:46,940 --> 00:04:41,800  
they're so old okay so like look at the

104  
00:04:51,260 --> 00:04:46,950  
seat right here let's see right here I

105  
00:04:56,010 --> 00:04:53,460  
okay I don't know what you guys think so

106  
00:04:59,220 --> 00:04:56,020  
leave your comments below tweet us

107  
00:05:02,640 --> 00:04:59,230  
Facebook us this excuse me this story's

108  
00:05:06,960 --> 00:05:02,650  
been making the round so apparently it's

109  
00:05:09,090 --> 00:05:06,970  
it was called calling the question

110  
00:05:11,460 --> 00:05:09,100  
recently since this book is gonna be

111  
00:05:13,530 --> 00:05:11,470  
published so I don't know if there's

112  
00:05:14,430 --> 00:05:13,540  
ever seen these pictures they're brand

113  
00:05:16,290 --> 00:05:14,440

new they're just starting to make the

114

00:05:17,790 --> 00:05:16,300

rounds as far as I've seen and you know

115

00:05:19,890 --> 00:05:17,800

we've searched like all over for this

116

00:05:24,030 --> 00:05:19,900

kind of stuff so well since they

117

00:05:25,620 --> 00:05:24,040

released that oh yeah this is where they

118

00:05:27,030 --> 00:05:25,630

started now like oh that came out okay

119

00:05:30,210 --> 00:05:27,040

well here's some pictures out of aliens

120

00:05:32,690 --> 00:05:30,220

from 1950 oh thank you thank you for for

121

00:05:35,220 --> 00:05:32,700

doing that appreciate it so that's our

122

00:05:37,980 --> 00:05:35,230

fun little ditty there with we got those

123

00:05:40,400 --> 00:05:37,990

three pictures and make sure you guys

124

00:05:42,870 --> 00:05:40,410

let us know what you think

125

00:05:43,980 --> 00:05:42,880

yes well hold on we're in the middle of

126  
00:05:46,440 --> 00:05:43,990  
a show right now J what are you pointing

127  
00:05:47,040 --> 00:05:46,450  
here I'm getting myself a parchment

128  
00:05:49,320 --> 00:05:47,050  
paper

129  
00:05:52,020 --> 00:05:49,330  
liquor uppers I need some okay well look

130  
00:05:54,900 --> 00:05:52,030  
at Adele while we go while Joe ruins the

131  
00:05:58,200 --> 00:05:54,910  
show because we're gonna go ahead and

132  
00:06:00,110 --> 00:05:58,210  
move on to this this next actually it's

133  
00:06:06,030 --> 00:06:00,120  
a video and I think it's fake as hell

134  
00:06:07,320 --> 00:06:06,040  
what do you think alright we're gonna

135  
00:06:09,630 --> 00:06:07,330  
look at this alien landing video you

136  
00:06:35,690 --> 00:06:09,640  
guys check this out it's pretty weird oh

137  
00:06:40,140 --> 00:06:37,710  
as you can see that looks like there's a

138  
00:06:42,150 --> 00:06:40,150

being standing right outside of it also

139

00:06:44,760 --> 00:06:42,160

house like a flying saucer sitting in

140

00:06:46,970 --> 00:06:44,770

this field but Joe let me look at this

141

00:06:49,050 --> 00:06:46,980

what do you think outside the sphere

142

00:06:51,120 --> 00:06:49,060

watch though it's gonna take off which

143

00:06:53,210 --> 00:06:51,130

is weird and I think that's where it

144

00:06:57,000 --> 00:06:53,220

looks the most well it looks vaguely I

145

00:06:58,500 --> 00:06:57,010

don't know you know Joe I'm so glad

146

00:07:05,960 --> 00:06:58,510

you're here to offer your insight and

147

00:07:10,650 --> 00:07:05,970

knowledge on the subject I just look

148

00:07:12,510 --> 00:07:10,660

right now with I think she subscribes

149

00:07:14,490 --> 00:07:12,520

you listen to me this disease yet

150

00:07:15,990 --> 00:07:14,500

technology and how much that the

151  
00:07:18,600 --> 00:07:16,000  
resolution has changed over the years

152  
00:07:25,260 --> 00:07:18,610  
mmm-hmm well did you see that yeah it's

153  
00:07:27,210 --> 00:07:25,270  
a moose in Allegan Galloway Lord but see

154  
00:07:28,740 --> 00:07:27,220  
in the boom it shot off and this is

155  
00:07:32,220 --> 00:07:28,750  
supposedly like you know where it's at

156  
00:07:35,640 --> 00:07:32,230  
or whatever so that's the alien landing

157  
00:07:38,820 --> 00:07:35,650  
video it looks fake to me what do you

158  
00:07:41,340 --> 00:07:38,830  
think leave a comment below by the way

159  
00:07:42,900 --> 00:07:41,350  
as I'm like researching this stuff and

160  
00:07:47,850 --> 00:07:42,910  
going through videos it's becoming

161  
00:07:49,500 --> 00:07:47,860  
harder and harder because nine times out

162  
00:07:52,470 --> 00:07:49,510  
of the ten the thumbnail if it's on

163  
00:07:54,330 --> 00:07:52,480

YouTube is has nothing to it it's great

164

00:07:57,570 --> 00:07:54,340

baby it has absolutely nothing to do at

165

00:07:58,830 --> 00:07:57,580

all with what we were watching so it's

166

00:08:01,140 --> 00:07:58,840

you can literally spend hours on this

167

00:08:03,450 --> 00:08:01,150

crap so we're just trying to read weed

168

00:08:04,710 --> 00:08:03,460

out the best stuff now fall in that

169

00:08:06,750 --> 00:08:04,720

rabbit hole we've been off for a couple

170

00:08:08,910 --> 00:08:06,760

weeks and there isn't really any big

171

00:08:11,220 --> 00:08:08,920

huge breaking stories or anything

172

00:08:15,060 --> 00:08:11,230

recently I will say though they're

173

00:08:16,950 --> 00:08:15,070

supposed to be more from the d-o-d the

174

00:08:19,830 --> 00:08:16,960

Department of Defense is supposedly or

175

00:08:21,180 --> 00:08:19,840

actually footage from the UFO program at

176

00:08:24,420 --> 00:08:21,190

the Department of Defense should be

177

00:08:26,460 --> 00:08:24,430

coming out soon so about time apparently

178

00:08:28,950 --> 00:08:26,470

I guess DeLong is going to deliver some

179

00:08:33,540 --> 00:08:28,960

more info so you see that one

180

00:08:34,800 --> 00:08:33,550

it's got a cat ooh damn too long we

181

00:08:37,469 --> 00:08:34,810

always love to make that joke don't we

182

00:08:39,110 --> 00:08:37,479

so I said it what's going on with you

183

00:08:41,969 --> 00:08:39,120

Joe what's new

184

00:08:44,460 --> 00:08:41,979

just working yeah

185

00:08:47,370 --> 00:08:44,470

are you even a good time no not really

186

00:08:49,260 --> 00:08:47,380

no I know what would you it's just the

187

00:08:50,639 --> 00:08:49,270

fact that people are kind of dropping

188

00:08:53,460 --> 00:08:50,649

like flies from work so I have to pick

189

00:08:54,750 --> 00:08:53,470

up their extra hours yeah because then

190

00:08:58,680 --> 00:08:54,760

has you sound really tired

191

00:08:59,850 --> 00:08:58,690

I'm very freaking yeah I got off at 3

192

00:09:01,610 --> 00:08:59,860

o'clock in the morning and I had to be

193

00:09:03,570 --> 00:09:01,620

up by 7 and take the kids to school oh

194

00:09:05,610 --> 00:09:03,580

you should just take them to an adoption

195

00:09:08,070 --> 00:09:05,620

center just right on the way to the

196

00:09:16,110 --> 00:09:08,080

school so I'm around like four hours of

197

00:09:16,680 --> 00:09:16,120

sleep well you know thanks for asking

198

00:09:20,310 --> 00:09:16,690

I'm fine

199

00:09:24,210 --> 00:09:20,320

oh you yes how the spectacular Emmet

200

00:09:25,740 --> 00:09:24,220

these days I've been great I've just

201  
00:09:28,139 --> 00:09:25,750  
been teaching a lot of lessons and stuff

202  
00:09:31,139 --> 00:09:28,149  
like that would like you to make a lot

203  
00:09:32,970 --> 00:09:31,149  
of gravy yeah that's um gravy I mean you

204  
00:09:34,530 --> 00:09:32,980  
know yes and sausage gravy you know

205  
00:09:36,090 --> 00:09:34,540  
we're coming out of the hole well

206  
00:09:37,860 --> 00:09:36,100  
technically coming out of the holidays

207  
00:09:39,930 --> 00:09:37,870  
right about to go into some mold there's

208  
00:09:44,010 --> 00:09:39,940  
a lot of chocolate everywhere oh yeah

209  
00:09:46,650 --> 00:09:44,020  
rabbit pellets yeah well okay so let's

210  
00:09:48,540 --> 00:09:46,660  
just move on to the next clip which made

211  
00:09:50,579 --> 00:09:48,550  
the rounds but was actually quietly put

212  
00:09:54,000 --> 00:09:50,589  
to rest by NASA recently but you gotta

213  
00:09:55,860 --> 00:09:54,010

check this out this is from space and

214

00:09:58,110 --> 00:09:55,870

it's a live feed from NASA where you see

215

00:10:01,320 --> 00:09:58,120

these crazy objects just like floating

216

00:10:04,050 --> 00:10:01,330

right over the earth you better think

217

00:10:06,600 --> 00:10:04,060

these satellites what do you think that

218

00:10:10,530 --> 00:10:06,610

is our pickup for kit I don't like

219

00:10:13,050 --> 00:10:10,540

flying couches yeah you know they kind

220

00:10:14,640 --> 00:10:13,060

of do look like flying couches what's

221

00:10:16,740 --> 00:10:14,650

interesting is like they're able to keep

222

00:10:22,010 --> 00:10:16,750

the same distance apart the entire time

223

00:10:24,900 --> 00:10:22,020

look at that and then boom feet is cut

224

00:10:26,250 --> 00:10:24,910

yep so we're gonna let you guys watch

225

00:10:27,600 --> 00:10:26,260

out a few times while I kind of give you

226

00:10:29,130 --> 00:10:27,610

a little bit of rundown of actually what

227

00:10:30,720 --> 00:10:29,140

it is that's going on here it totally

228

00:10:37,510 --> 00:10:30,730

looks like some kind of alien or UFO

229

00:10:43,230 --> 00:10:40,350

[Music]

230

00:10:47,340 --> 00:10:43,240

so this is called the grace satellites

231

00:10:50,079 --> 00:10:47,350

in a statement in September nASA says it

232

00:10:53,310 --> 00:10:50,089

expects that Gravity Recovery and

233

00:10:56,079 --> 00:10:53,320

climate experiment which is grace grac

234

00:10:58,690 --> 00:10:56,089

satellite duo to make its last science

235

00:11:04,139 --> 00:10:58,700

observations more than 15 years after

236

00:11:07,300 --> 00:11:04,149

the launch so these are twin satellites

237

00:11:09,639 --> 00:11:07,310

or spacecraft they look like capsules to

238

00:11:11,170 --> 00:11:09,649

me but they're floating there and I

239

00:11:12,490 --> 00:11:11,180

guess they're there to measure you know

240

00:11:15,910 --> 00:11:12,500

like gravity and all that kind of stuff

241

00:11:17,760 --> 00:11:15,920

but it doesn't look super weird or do

242

00:11:21,790 --> 00:11:17,770

you think it's a cover-up

243

00:11:26,470 --> 00:11:21,800

okay is it a cover-up though alright I

244

00:11:30,550 --> 00:11:26,480

was lyin I in there flying L like Lionel

245

00:11:33,910 --> 00:11:30,560

Richie hello hello I know like Oh from

246

00:11:38,350 --> 00:11:33,920

the Thundercats pods that there yes yes

247

00:11:40,630 --> 00:11:38,360

the Thundercats well let us know what

248

00:11:43,990 --> 00:11:40,640

you guys think either way whether it is

249

00:11:46,420 --> 00:11:44,000

indeed real from NASA or a cover-up I

250

00:11:50,140 --> 00:11:46,430

mean still pretty freaky I mean look how

251  
00:11:52,449 --> 00:11:50,150  
close that guy so well there you have it

252  
00:11:53,530 --> 00:11:52,459  
we're coming back we're right back boom

253  
00:11:56,440 --> 00:11:53,540  
and here we are

254  
00:11:58,360 --> 00:11:56,450  
so that's kind of like look and here's

255  
00:12:01,269 --> 00:11:58,370  
the thing satellites and stuff like that

256  
00:12:01,990 --> 00:12:01,279  
fool people all the time all the

257  
00:12:05,199 --> 00:12:02,000  
freaking time

258  
00:12:06,550 --> 00:12:05,209  
and recently there was a satellite

259  
00:12:07,630 --> 00:12:06,560  
launched which I don't have any way of

260  
00:12:09,579 --> 00:12:07,640  
showing this to you but it's just side

261  
00:12:10,990 --> 00:12:09,589  
note it's called the humanity star

262  
00:12:12,130 --> 00:12:11,000  
actually it's not a saddle well I guess

263  
00:12:14,530 --> 00:12:12,140

it's a satellite well anything that goes

264

00:12:18,430 --> 00:12:14,540

around the earth the satellite right and

265

00:12:20,590 --> 00:12:18,440

it has something like 64 mirror

266

00:12:22,540 --> 00:12:20,600

reflective panels it looks like a ball

267

00:12:24,819 --> 00:12:22,550

actually I reminds me the Epcot ball a

268

00:12:26,980 --> 00:12:24,829

little bit it looks like and they

269

00:12:28,750 --> 00:12:26,990

launched it into outer space it's

270

00:12:32,230 --> 00:12:28,760

supposed to be like the brightest thing

271

00:12:34,540 --> 00:12:32,240

in the sky and you can actually Google

272

00:12:35,829 --> 00:12:34,550

it the humanity star and if you go to

273

00:12:37,420 --> 00:12:35,839

their web site you can actually put in

274

00:12:38,920 --> 00:12:37,430

your address and it will tell you when

275

00:12:41,380 --> 00:12:38,930

it's flying near you so you can go

276

00:12:44,530 --> 00:12:41,390

outside and see this line of really

277

00:12:46,150 --> 00:12:44,540

bright star shining in the sky so it

278

00:12:46,730 --> 00:12:46,160

just depends on what area you live in

279

00:12:49,310 --> 00:12:46,740

though

280

00:12:51,520 --> 00:12:49,320

of how bright it is sometimes you can

281

00:12:54,350 --> 00:12:51,530

it's true actually I looked at some on

282

00:12:56,170 --> 00:12:54,360

videos online and it wasn't very

283

00:12:58,430 --> 00:12:56,180

spectacular but then again I you know

284

00:13:01,040 --> 00:12:58,440

cell phone video just they don't do that

285

00:13:03,830 --> 00:13:01,050

great in the dark and yeah even though

286

00:13:05,450 --> 00:13:03,840

it's 2018 I feel like we were able to

287

00:13:09,380 --> 00:13:05,460

shoot videos in the dark better in the

288

00:13:11,690 --> 00:13:09,390

90s with VHS cameras yes nowadays it's

289

00:13:13,340 --> 00:13:11,700

just I don't know if the deal is but

290

00:13:15,290 --> 00:13:13,350

we're just going back to this because

291

00:13:18,020 --> 00:13:15,300

I'm sure people aren't gonna hear about

292

00:13:19,550 --> 00:13:18,030

that and say there's a UFO just keep

293

00:13:21,020 --> 00:13:19,560

that in mind it's called the humanity

294

00:13:23,900 --> 00:13:21,030

Star which was it was recently you know

295

00:13:25,460 --> 00:13:23,910

just put out into space but I don't know

296

00:13:26,990 --> 00:13:25,470

if we covered this I covered it on

297

00:13:28,400 --> 00:13:27,000

social media because it was driving us

298

00:13:31,190 --> 00:13:28,410

crazy it kept popping up in the news

299

00:13:34,670 --> 00:13:31,200

feed and everything we're gonna show you

300

00:13:36,530 --> 00:13:34,680

this it's actually space X is what it is

301  
00:13:44,920 --> 00:13:36,540  
but if you watch this video here it

302  
00:13:49,160 --> 00:13:47,210  
apparently thousands and thousands of

303  
00:13:50,030 --> 00:13:49,170  
people in Southern California and

304  
00:13:52,580 --> 00:13:50,040  
Arizona

305  
00:13:55,190 --> 00:13:52,590  
we're freaking out what the heck is this

306  
00:14:00,050 --> 00:13:55,200  
ladies gentlemen it's just it's a rocket

307  
00:14:01,820 --> 00:14:00,060  
from SpaceX and this this clip is cool

308  
00:14:03,740 --> 00:14:01,830  
because it shows that if you different

309  
00:14:04,880 --> 00:14:03,750  
angles and vantage points a lot of

310  
00:14:06,710 --> 00:14:04,890  
people are a couple people are actually

311  
00:14:07,730 --> 00:14:06,720  
panicking they weren't reached

312  
00:14:10,340 --> 00:14:07,740  
Department we get a lot of phone calls

313  
00:14:11,750 --> 00:14:10,350

yeah I think that I mean and then when

314

00:14:14,420 --> 00:14:11,760

you start to add in the North Korea

315

00:14:17,810 --> 00:14:14,430

thing and what happened in Hawaii with

316

00:14:19,460 --> 00:14:17,820

you know the fake missile alert people

317

00:14:22,610 --> 00:14:19,470

might think that this is a missile

318

00:14:25,010 --> 00:14:22,620

so that's SpaceX and if you saw that

319

00:14:28,390 --> 00:14:25,020

that's what it is it's not an alien it's

320

00:14:30,550 --> 00:14:28,400

not a UFO just cuz it has identified its

321

00:14:33,110 --> 00:14:30,560

it's not a satellite it's a rocket

322

00:14:38,210 --> 00:14:33,120

the satellites on it yes satellite

323

00:14:39,819 --> 00:14:38,220

rocket yeah yeah

324

00:14:42,230 --> 00:14:39,829

[Music]

325

00:14:44,030 --> 00:14:42,240

so why don't you take a second and tell

326

00:14:45,230 --> 00:14:44,040

them about our social media and

327

00:14:50,240 --> 00:14:45,240

contribute to this would that be nice

328

00:14:54,829 --> 00:14:50,250

hmm I don't I know lies conceptualizing

329

00:14:56,990 --> 00:14:54,839

tenderize the situation see what we're

330

00:14:58,790 --> 00:14:57,000

trying to keep is from people stopping

331

00:15:00,949 --> 00:14:58,800

right now and then going you guys are a

332

00:15:04,249 --> 00:15:00,959

bunch of retards okay fine you guys you

333

00:15:07,129 --> 00:15:04,259

check us out on Instagram Instagram UFO

334

00:15:10,449 --> 00:15:07,139

Bros TV Instagram Facebook UFO Bros TV

335

00:15:13,819 --> 00:15:10,459

and Instagram and Facebook then we have

336

00:15:15,379 --> 00:15:13,829

your Phobos TV YouTube yep

337

00:15:19,629 --> 00:15:15,389

make sure you subscribe if you are

338

00:15:22,519 --> 00:15:19,639

subscribed Twitter Facebook YouTube

339

00:15:25,389 --> 00:15:22,529

patreon UFO Bros TV except for Turner I

340

00:15:27,920 --> 00:15:25,399

am it because it's you have zero Bros TV

341

00:15:29,449 --> 00:15:27,930

exactly now for those of you listening I

342

00:15:31,369 --> 00:15:29,459

forgot to tell you we try to do our best

343

00:15:33,670 --> 00:15:31,379

of describing what we saw make sure you

344

00:15:36,319 --> 00:15:33,680

look at us on YouTube so you can see

345

00:15:37,819 --> 00:15:36,329

there's really not a whole lot going on

346

00:15:42,230 --> 00:15:37,829

we're gonna kind of keep this a short

347

00:15:44,240 --> 00:15:42,240

show because I think the more important

348

00:15:45,740 --> 00:15:44,250

stuff the more like earth-shattering

349

00:15:48,170 --> 00:15:45,750

stuff is going to be coming out within

350

00:15:49,970 --> 00:15:48,180

the next few weeks so we'll be covering

351

00:15:51,740 --> 00:15:49,980

that and we're trying to cover stuff

352

00:15:53,119 --> 00:15:51,750

that it's kind of a it's just it's that

353

00:15:54,410 --> 00:15:53,129

kind of those one of those things where

354

00:15:56,240 --> 00:15:54,420

it's a bumpy it's like it starts going

355

00:15:58,429 --> 00:15:56,250

up like trending that goes down down

356

00:16:00,889 --> 00:15:58,439

then a level off and also something

357

00:16:02,780 --> 00:16:00,899

really spike and be like oh my god it's

358

00:16:05,299 --> 00:16:02,790

the turn of the century the information

359

00:16:07,100 --> 00:16:05,309

yeah it's the 48 hours news cycle so

360

00:16:09,769 --> 00:16:07,110

it's like it'll be really popular for 48

361

00:16:12,199 --> 00:16:09,779

hours and then it like dies and so I

362

00:16:15,679 --> 00:16:12,209

think I think and I think it's smart to

363

00:16:17,119 --> 00:16:15,689

that the Long's team over to the Stars

364

00:16:20,360 --> 00:16:17,129

Academy their whole plan is to

365

00:16:21,470 --> 00:16:20,370

continually try to keep that cycle going

366

00:16:24,920 --> 00:16:21,480

I feel like they should have released

367

00:16:28,189 --> 00:16:24,930

something else before that last article

368

00:16:30,559 --> 00:16:28,199

with the you know the rotating gimbal

369

00:16:32,960 --> 00:16:30,569

UFO video and the tic-tac video those

370

00:16:34,519 --> 00:16:32,970

two if they would have put something out

371

00:16:36,740 --> 00:16:34,529

I would say like few days later some

372

00:16:37,910 --> 00:16:36,750

more uh then it would have I think you

373

00:16:39,199 --> 00:16:37,920

know I think what they're doing the

374

00:16:40,400 --> 00:16:39,209

government is I think they're just

375

00:16:42,590 --> 00:16:40,410

thrown out just a little bit of

376

00:16:46,689 --> 00:16:42,600

information just to see what us what we

377

00:16:49,910 --> 00:16:46,699

would do you think so SS as civilians

378

00:16:51,710 --> 00:16:49,920

like oh whoa oh okay yeah everybody like

379

00:16:52,790 --> 00:16:51,720

yeah whatever big deal so no

380

00:16:56,329 --> 00:16:52,800

put a little bit more I'll see what

381

00:16:58,040 --> 00:16:56,339

happens are they slamming the face of

382

00:17:00,050 --> 00:16:58,050

the here is what it really looks like I

383

00:17:02,300 --> 00:17:00,060

want to lock this don't you that's the

384

00:17:04,309 --> 00:17:02,310

one down there that could happen that

385

00:17:06,110 --> 00:17:04,319

could very well happen and it's gonna

386

00:17:08,559 --> 00:17:06,120

create a big-ass panic and then that's

387

00:17:11,120 --> 00:17:08,569

when the government's gonna be like oh I

388

00:17:12,100 --> 00:17:11,130

don't think so I think I'm just saying

389

00:17:16,370 --> 00:17:12,110

yeah

390

00:17:19,210 --> 00:17:16,380

just saying cryogenic just I was

391

00:17:28,850 --> 00:17:22,399

artificial intelligence yeah her name is

392

00:17:31,820 --> 00:17:28,860

Susan no it's Sidney sriracha amber you

393

00:17:35,419 --> 00:17:31,830

smell like onions it's garlic you ask Oh

394

00:17:38,200 --> 00:17:35,429

chicken no delicious well you're gonna

395

00:17:40,850 --> 00:17:38,210

make me some chicken it's finger lickin

396

00:17:45,440 --> 00:17:40,860

okay so whatever wasn't it what's her

397

00:17:48,110 --> 00:17:45,450

name Alexa Siri aren't the nixb [h\_\_\h]

398

00:17:53,710 --> 00:17:48,120

robot it's got the brain like real one

399

00:17:58,669 --> 00:17:56,740

thank you you are welcome

400

00:18:01,730 --> 00:17:58,679

so but anyway about artificial

401  
00:18:05,330 --> 00:18:01,740  
intelligence think about way back in the

402  
00:18:12,799 --> 00:18:05,340  
day they gave her a horrible body a

403  
00:18:20,330 --> 00:18:12,809  
horrible body what you know I know they

404  
00:18:24,860 --> 00:18:20,340  
made her a [h\_\_h] citizen oh yes right

405  
00:18:27,260 --> 00:18:24,870  
yeah so like that book sorry I don't

406  
00:18:29,419 --> 00:18:27,270  
know but that she's actually but like

407  
00:18:34,700 --> 00:18:29,429  
it's the UH SS City what is the city

408  
00:18:37,310 --> 00:18:34,710  
with the doctor by is it anyway I don't

409  
00:18:38,720 --> 00:18:37,320  
know I really know but anyway I was just

410  
00:18:41,480 --> 00:18:38,730  
saying can I finish my thought on AI

411  
00:18:44,510 --> 00:18:41,490  
because we were reading it in books and

412  
00:18:47,570 --> 00:18:44,520  
watching it in movies before it I mean

413  
00:18:49,159 --> 00:18:47,580

that was the actual concept can actually

414

00:18:50,779 --> 00:18:49,169

conceptualized if you think about it and

415

00:18:55,490 --> 00:18:50,789

now we just kind of take it for granted

416

00:18:58,409 --> 00:18:55,500

we just like we don't care hey Siri tell

417

00:19:04,320 --> 00:19:02,279

any good jokes say it again

418

00:19:06,210 --> 00:19:04,330

would you say wait wait stop can you

419

00:19:08,389 --> 00:19:06,220

actually activate my Siri that sounds

420

00:19:13,129 --> 00:19:08,399

hey Siri

421

00:19:21,210 --> 00:19:14,729

hey theory

422

00:19:23,779 --> 00:19:21,220

hey Siri oh it's an E okay okay hey Siri

423

00:19:25,049 --> 00:19:23,789

[Laughter]

424

00:19:28,109 --> 00:19:25,059

whatever

425

00:19:29,789 --> 00:19:28,119

hey hey Jerry while we do each other's

426  
00:19:33,389 --> 00:19:29,799  
series I want you guys to take a look at

427  
00:19:34,649 --> 00:19:33,399  
this really super super goofy beautiful

428  
00:19:36,090 --> 00:19:34,659  
video by the way Joe I want you to see

429  
00:19:38,700 --> 00:19:36,100  
this too so they sure have you done

430  
00:19:52,139 --> 00:19:38,710  
trying to activate my series thanks

431  
00:19:54,539 --> 00:19:52,149  
everybody I'm in it he tries to he tries

432  
00:19:59,220 --> 00:19:54,549  
to steal the remote for his UFO and it

433  
00:20:01,979 --> 00:19:59,230  
aliens like no way he's like well let's

434  
00:20:04,379 --> 00:20:01,989  
start fighting inside that back edge can

435  
00:20:06,720 --> 00:20:04,389  
you get it for me and the aliens like

436  
00:20:12,389 --> 00:20:06,730  
sure just a couple of a closer can i

437  
00:20:13,440 --> 00:20:12,399  
scratch it with the back of my heel it's

438  
00:20:16,229 --> 00:20:13,450

even like in papa

439

00:20:18,180 --> 00:20:16,239

I know jujitsu Brazilian this is

440

00:20:23,220 --> 00:20:18,190

probably the saddest fight I've ever

441

00:20:26,820 --> 00:20:23,230

seen well we hope you guys enjoyed this

442

00:20:30,239 --> 00:20:26,830

episode of UFO Bros TV let's try this

443

00:20:32,549 --> 00:20:30,249

again Joe I'm in it I'm Joe and we are

444

00:20:33,539 --> 00:20:32,559

the UF slow rows row we'll see you guys

445

00:20:38,099 --> 00:20:33,549

next

446

00:20:40,759 --> 00:20:38,109

hey starey hey theory hey theory shut up
