2  
00:00:24,350 --> 00:00:22,260

UFO Bros hey everyone is Giorgio

3  
00:00:30,470 --> 00:00:24,360

tsoukalos from ancient aliens and you're

4  
00:00:34,610 --> 00:00:30,480

experiencing UFO Bros TV hey what's up

5  
00:00:37,639 --> 00:00:34,620

everybody on in it I'm Joe and we are

6  
00:00:41,650 --> 00:00:37,649

the UFO Bros and we're coming alive

7  
00:00:48,200 --> 00:00:46,430

where'd that come from it took so long

8  
00:00:50,540 --> 00:00:48,210

to get the show started because we were

9  
00:00:57,680 --> 00:00:50,550

live-streaming and then he just decided

10  
00:00:59,840 --> 00:00:57,690

it was doughnut time look we're gonna

11  
00:01:01,670 --> 00:00:59,850

get to at least one of these stories

12  
00:01:02,810 --> 00:01:01,680

early on because we've got a few things

13  
00:01:04,850 --> 00:01:02,820

we're gonna cover we're gonna talk about

14

00:01:06,649 --> 00:01:04,860

space X we're gonna talk about the heavy

15

00:01:11,419 --> 00:01:06,659

Falcon landing and all that good stuff

16

00:01:15,590 --> 00:01:11,429

and then we've got some alleged pictures

17

00:01:17,870 --> 00:01:15,600

of a let alleged UFO crash debris that

18

00:01:19,669 --> 00:01:17,880

came up recently and it's kind of making

19

00:01:21,260 --> 00:01:19,679

the rounds in the social media so we're

20

00:01:24,620 --> 00:01:21,270

gonna just like jump into that so first

21

00:01:26,209 --> 00:01:24,630

of all there's some good stuff so first

22

00:01:28,969 --> 00:01:26,219

of all I just want you to check out this

23

00:01:31,129 --> 00:01:28,979

news clipping as you can see here

24

00:01:33,999 --> 00:01:31,139

apparently this is what it looked like

25

00:01:36,440 --> 00:01:34,009

and this is a really look at that top

26  
00:01:39,349 --> 00:01:36,450  
interesting kind of thing that popped up

27  
00:01:42,769 --> 00:01:39,359  
so apparently British UFO enthusiasts

28  
00:01:47,599 --> 00:01:42,779  
believe these remains are parts of Silvo

29  
00:01:50,359 --> 00:01:47,609  
UFO found in 1957 that's right 1957

30  
00:01:51,769 --> 00:01:50,369  
right around the time when UFOs and

31  
00:02:00,409 --> 00:01:51,779  
flying saucers were crashing all the

32  
00:02:03,469 --> 00:02:00,419  
time what okay but so it had a copper

33  
00:02:08,449 --> 00:02:03,479  
bottom and if you look at they don't had

34  
00:02:11,740 --> 00:02:08,459  
true copper on the bottom yes even more

35  
00:02:13,720 --> 00:02:11,750  
weird there was hieroglyphics

36  
00:02:15,010 --> 00:02:13,730  
if you look at the very bottom of the

37  
00:02:17,440 --> 00:02:15,020  
news clipping you can see the

38  
00:02:22,720 --> 00:02:17,450

hieroglyphics imprinted on the copper

39

00:02:25,510 --> 00:02:22,730

bottom and here's look taking like

40

00:02:29,560 --> 00:02:25,520

here's all the pieces actually that that

41

00:02:39,310 --> 00:02:29,570

were found in envelopes check this out

42

00:02:40,540 --> 00:02:39,320

ooh so have they everybody here UFO

43

00:02:46,090 --> 00:02:40,550

browse right now is having a giggle

44

00:02:47,530 --> 00:02:46,100

moment jokes and I just you just it just

45

00:02:57,070 --> 00:02:47,540

keeps going and you just keep doing that

46

00:03:00,070 --> 00:02:57,080

laughs you can't stop yeah I know I know

47

00:03:01,030 --> 00:03:00,080

anyway okay but when they cut it open

48

00:03:04,480 --> 00:03:01,040

check this out

49

00:03:06,940 --> 00:03:04,490

what listen when they cut it open there

50

00:03:09,699 --> 00:03:06,950

was like 17 thin copper sheets found

51  
00:03:11,050 --> 00:03:09,709  
inside like I said with hieroglyphics so

52  
00:03:13,870 --> 00:03:11,060  
it wasn't just on it but there was

53  
00:03:16,509 --> 00:03:13,880  
actually like a copper booklet with a

54  
00:03:18,490 --> 00:03:16,519  
hieroglyphics on it so we got a picture

55  
00:03:21,750 --> 00:03:18,500  
that kind of goes a little closer so you

56  
00:03:24,940 --> 00:03:21,760  
guys go and take a look at this one and

57  
00:03:28,090 --> 00:03:24,950  
I don't know what that is it looks like

58  
00:03:30,310 --> 00:03:28,100  
our piece we have yeah let the bump on

59  
00:03:33,910 --> 00:03:30,320  
it and the straightness oh yes we

60  
00:03:37,690 --> 00:03:33,920  
haven't actually we're not showing that

61  
00:03:39,850 --> 00:03:37,700  
yet do you know this one shut today no

62  
00:03:45,600 --> 00:03:39,860  
I'm not showing anything let me see give

63  
00:03:45,610 --> 00:03:53,539

it loves look very similar

64

00:04:00,569 --> 00:03:56,880

so what do you guys think leave us a

65

00:04:01,679 --> 00:04:00,579

comment or a message by the way make

66

00:04:02,759 --> 00:04:01,689

sure you're subscribing because we're

67

00:04:06,569 --> 00:04:02,769

going to keep bringing this kind of

68

00:04:09,780 --> 00:04:06,579

interesting weird UFO stuff because it's

69

00:04:14,339 --> 00:04:09,790

like popping up everywhere so that's it

70

00:04:16,890 --> 00:04:14,349

for this interesting UFO crash parts

71

00:04:19,560 --> 00:04:16,900

story we're gonna have very interesting

72

00:04:24,029 --> 00:04:19,570

yeah so when they tested these metals

73

00:04:25,230 --> 00:04:24,039

what did they find you know the the

74

00:04:26,610 --> 00:04:25,240

research we're gonna have to actually

75

00:04:28,860 --> 00:04:26,620

like dig into it more because the

76

00:04:31,200 --> 00:04:28,870

research that I had just really said

77

00:04:33,150 --> 00:04:31,210

that copper was really the only 17

78

00:04:35,070 --> 00:04:33,160

layers of copper know there were sheets

79

00:04:37,650 --> 00:04:35,080

like oh she yeah I think it's like a

80

00:04:39,180 --> 00:04:37,660

booklet of 17 thin sheets of copper with

81

00:04:42,089 --> 00:04:39,190

hieroglyphics on it which kinda reminds

82

00:04:45,210 --> 00:04:42,099

me of like the Book of Mormon story and

83

00:04:46,740 --> 00:04:45,220

other like little booklets that have

84

00:04:48,240 --> 00:04:46,750

been found throughout the world in

85

00:04:51,150 --> 00:04:48,250

different civilizations and they have

86

00:04:51,600 --> 00:04:51,160

little hieroglyphics so that's kind of

87

00:04:59,010 --> 00:04:51,610

weird

88

00:05:01,230 --> 00:04:59,020

topic the Aurora Texas crash yes they

89

00:05:03,719 --> 00:05:01,240

found something similar like a booklet

90

00:05:05,700 --> 00:05:03,729

in that crash with hieroglyphics on it

91

00:05:08,129 --> 00:05:05,710

so what is with the hieroglyphics I

92

00:05:11,180 --> 00:05:08,139

don't know we're just gonna keep moving

93

00:05:15,089 --> 00:05:11,190

on because things are growing things are

94

00:05:16,740 --> 00:05:15,099

taken off in UFO community and as far as

95

00:05:18,360 --> 00:05:16,750

we're concerned we're just like sitting

96

00:05:21,659 --> 00:05:18,370

back when we're watching we're wandering

97

00:05:24,080 --> 00:05:21,669

we're waiting and so recently I think we

98

00:05:26,730 --> 00:05:24,090

can share a clip of this and I think

99

00:05:28,529 --> 00:05:26,740

what he said you know let's just show

100

00:05:30,060 --> 00:05:28,539

this this is Lewis Elizondo in an

101

00:05:32,730 --> 00:05:30,070

interview with George Knapp talking

102

00:05:36,510 --> 00:05:32,740

about the UFO phenomenon check this out

103

00:05:37,740 --> 00:05:36,520

I think we've come very very close to

104

00:05:40,110 --> 00:05:37,750

understanding the physics of how it

105

00:05:41,580 --> 00:05:40,120

works and that's very exciting that is

106

00:05:45,450 --> 00:05:41,590

that is for the first time we have a

107

00:05:47,969 --> 00:05:45,460

very compelling picture that what we are

108

00:05:50,159 --> 00:05:47,979

seeing is is absolutely explained by our

109

00:05:51,839 --> 00:05:50,169

current understanding of physics and

110

00:05:53,270 --> 00:05:51,849

advanced physics in quantum mechanics

111

00:05:56,909 --> 00:05:53,280

but nope

112

00:06:00,719 --> 00:05:56,919

so do you think basically in that clip

113

00:06:05,570 --> 00:06:00,729

he is pretty darn certain that they have

114

00:06:07,770 --> 00:06:05,580

broken down to understand this

115

00:06:11,250 --> 00:06:07,780

technology whatever it is that powers

116

00:06:14,970 --> 00:06:11,260

these discs or these aerial vehicles

117

00:06:19,940 --> 00:06:14,980

you know these UFOs and he and it's a

118

00:06:22,530 --> 00:06:19,950

pretty like I was a pretty claim today

119

00:06:23,010 --> 00:06:22,540

that oh we figured it out how this stuff

120

00:06:25,380 --> 00:06:23,020

works

121

00:06:27,750 --> 00:06:25,390

maybe he's just saying like conceptually

122

00:06:30,810 --> 00:06:27,760

figured it out but not like exactly how

123

00:06:32,370 --> 00:06:30,820

to reproduce it I don't know I just

124

00:06:35,520 --> 00:06:32,380

thought that was a pretty not

125

00:06:38,850 --> 00:06:35,530

egotistical but certain statement to

126

00:06:41,400 --> 00:06:38,860

make so I don't know we'll see what's in

127

00:06:45,780 --> 00:06:41,410

the works with to Stars Academy and mr.

128

00:06:48,360 --> 00:06:45,790

long as things move along but you know

129

00:06:51,210 --> 00:06:48,370

by the way DeLong isn't hiding or

130

00:06:52,500 --> 00:06:51,220

something maybe not hiding but he's not

131

00:06:54,570 --> 00:06:52,510

like he came out world he's not

132

00:06:55,470 --> 00:06:54,580

participating well he came out real

133

00:06:58,740 --> 00:06:55,480

quick then all of a sudden he

134

00:07:01,380 --> 00:06:58,750

disappeared yeah exactly and so then

135

00:07:02,580 --> 00:07:01,390

this Lewis Elizondo guy by the way if

136

00:07:07,470 --> 00:07:02,590

you don't know who he is

137

00:07:10,260 --> 00:07:07,480

he was the lead person for a pentagon

138

00:07:12,360 --> 00:07:10,270

study on UFOs for an advanced aerial

139

00:07:15,840 --> 00:07:12,370

threat detection program is what it was

140

00:07:18,810 --> 00:07:15,850

called and he left in October of last

141

00:07:21,300 --> 00:07:18,820

year because he wanted to kind of bring

142

00:07:23,490 --> 00:07:21,310

this truth out and push forward the UFO

143

00:07:27,570 --> 00:07:23,500

you know agenda topic whatever you want

144

00:07:30,840 --> 00:07:27,580

to call it and now he's like the guy

145

00:07:33,720 --> 00:07:30,850

right now like he's the Steven Greer in

146

00:07:35,520 --> 00:07:33,730

ufology he's the the new character that

147

00:07:37,560 --> 00:07:35,530

has come along with the information so I

148

00:07:39,840 --> 00:07:37,570

know people are picking him apart I've

149

00:07:42,930 --> 00:07:39,850

seen it online people are like who is

150

00:07:45,450 --> 00:07:42,940

least Elizondo are those videos real are

151  
00:07:48,900 --> 00:07:45,460  
they CG at like you know even people in

152  
00:07:50,720 --> 00:07:48,910  
ufology are doing it what do you did you

153  
00:07:57,720 --> 00:07:50,730  
hear anything I just said of course

154  
00:07:59,159 --> 00:07:57,730  
would you like a doughnut yeah right now

155  
00:08:02,190 --> 00:07:59,169  
I can't talk and I'm the one who has to

156  
00:08:04,530 --> 00:08:02,200  
talk the whole damn show exactly yes

157  
00:08:06,120 --> 00:08:04,540  
so anyway math on topic if you're not

158  
00:08:09,570 --> 00:08:06,130  
following us on all things social media

pinch it let's do it pin it pin it pin

169

00:08:41,320 --> 00:08:38,840

it we're gonna move on one of the

170

00:08:43,030 --> 00:08:41,330

probably coolest things in our lifetime

171

00:08:46,150 --> 00:08:43,040

if people actually stop and think about

172

00:08:47,320 --> 00:08:46,160

it how these we're gonna first of all

173

00:08:57,790 --> 00:08:47,330

let's just take a look at the clip this

174

00:08:59,590 --> 00:08:57,800

is the recent space X launch well that's

175

00:09:02,620 --> 00:08:59,600

the wrong clip what we want to see is

176

00:09:04,270 --> 00:09:02,630

the twin rockets ascending from the sky

177

00:09:09,460 --> 00:09:04,280

like coordinated look at this you guys

178

00:09:13,420 --> 00:09:09,470

know this is real it's so real it looks

179

00:09:19,200 --> 00:09:13,430

fake so those really just landed right

180

00:09:24,940 --> 00:09:23,410

minds blown that's insane that really

181

00:09:27,100 --> 00:09:24,950

look like it was like rewinding from

182

00:09:30,250 --> 00:09:27,110

this guy it looked it doesn't even look

183

00:09:33,280 --> 00:09:30,260

real at all I think it's freaking

184

00:09:35,140 --> 00:09:33,290

amazing but they launched some [h\_\_\h] I

185

00:09:37,930 --> 00:09:35,150

think some satellites or something on

186

00:09:39,160 --> 00:09:37,940

the heavy Falcon I think is what's

187

00:09:40,810 --> 00:09:39,170

called have you Falcon yes the healthy

188

00:09:42,640 --> 00:09:40,820

heavy Falcon it was that what like the

189

00:09:46,390 --> 00:09:42,650

most powerful rocket to ever go into

190

00:09:47,770 --> 00:09:46,400

space yes yep forever ever but one of

191

00:09:48,790 --> 00:09:47,780

the coolest things that you actually saw

192

00:09:51,430 --> 00:09:48,800

it just a moment ago so I'm going to

193

00:09:54,360 --> 00:09:51,440

show to you now of Starman in Tesla

194

00:09:57,220 --> 00:09:54,370

floating above the orbit of the earth

195

00:10:01,840 --> 00:09:57,230

this is cool now just think in your head

196

00:10:06,430 --> 00:10:01,850

rocket man that's right Elon must sense

197

00:10:07,360 --> 00:10:06,440

this personal personal Tesla so Joe tell

198

00:10:09,340 --> 00:10:07,370

me you were tell me something about that

199

00:10:12,160 --> 00:10:09,350

you're telling me something about this

200

00:10:13,660 --> 00:10:12,170

earlier and you were talking about like

201  
00:10:16,360 --> 00:10:13,670  
how long it's going to be in space or

202  
00:10:21,040 --> 00:10:16,370  
all those little things and billions of

203  
00:10:22,540 --> 00:10:21,050  
years they said it's just a suit there's

204  
00:10:25,570 --> 00:10:22,550  
no one in this suit they just put it in

205  
00:10:27,100 --> 00:10:25,580  
there and they have I forgot what's the

206  
00:10:31,750 --> 00:10:27,110  
name of the

207  
00:10:34,570 --> 00:10:31,760  
Bowie the David Bowie song Starman storm

208  
00:10:37,180 --> 00:10:34,580  
over and over and over on repeat like

209  
00:10:39,210 --> 00:10:37,190  
blaring in blaring in the car on over

210  
00:10:43,200 --> 00:10:39,220  
and over and over and repeat and inside

211  
00:10:47,560 --> 00:10:43,210  
one of the circuit boards it says made

212  
00:10:50,280 --> 00:10:47,570  
on earth from humans by humans that's

213  
00:10:54,370 --> 00:10:50,290

pretty cool but it's supposed to

214

00:10:55,660 --> 00:10:54,380

ultimate statement of humanity we people

215

00:10:59,140 --> 00:10:55,670

you're not thinking about we have a

216

00:11:02,920 --> 00:10:59,150

freaking car it's just floating in space

217

00:11:04,990 --> 00:11:02,930

right now the first time like records

218

00:11:08,050 --> 00:11:05,000

being broken being broken this is insane

219

00:11:09,910 --> 00:11:08,060

and big day I think SpaceX is awesome

220

00:11:12,220 --> 00:11:09,920

I'm kind of glad that private companies

221

00:11:14,620 --> 00:11:12,230

are you know trying to get to space and

222

00:11:18,640 --> 00:11:14,630

I think Elon is doing it beautifully so

223

00:11:21,310 --> 00:11:18,650

far I mean even takes like I wouldn't

224

00:11:23,440 --> 00:11:21,320

say pride but like ownership of the

225

00:11:26,740 --> 00:11:23,450

mistakes and has no problem kind of

226

00:11:29,140 --> 00:11:26,750

showing you know some of his different

227

00:11:30,940 --> 00:11:29,150

rocket boosters exploding or not landing

228

00:11:32,770 --> 00:11:30,950

you know properly just showing us like

229

00:11:37,000 --> 00:11:32,780

the journey or what he's going is like

230

00:11:42,820 --> 00:11:37,010

our generation Tony Stark totally love

231

00:11:46,150 --> 00:11:42,830

that yeah so just one more time look at

232

00:11:50,740 --> 00:11:46,160

this star man watch it by the way this

233

00:11:53,350 --> 00:11:50,750

is a time-lapse apparently and I think

234

00:11:56,770 --> 00:11:53,360

that that's so I think it that space

235

00:12:07,000 --> 00:11:56,780

suit is fitted for Elon it could be

236

00:12:19,630 --> 00:12:07,010

don't panic Wow oh yeah oh god that

237

00:12:24,130 --> 00:12:19,640

looks well we got doughnuts so we're

238

00:12:26,680 --> 00:12:24,140

gonna save this piece of metal we have

239

00:12:30,550 --> 00:12:26,690

by the way I wasn't shy about posting it

240

00:12:32,430 --> 00:12:30,560

on social media and saying you know does

241

00:12:36,100 --> 00:12:32,440

anybody know any metallurgists or like

242

00:12:37,810 --> 00:12:36,110

yeah different anybody experts on metal

243

00:12:40,340 --> 00:12:37,820

because we found something interesting

244

00:12:44,330 --> 00:12:40,350

in a desert somewhere

245

00:12:47,680 --> 00:12:44,340

and we're gonna show it soon but soon we

246

00:12:49,730 --> 00:12:47,690

got to see you are subscribe hate rinse

247

00:12:51,350 --> 00:12:49,740

move up a little bit maybe but we get a

248

00:12:53,930 --> 00:12:51,360

couple more patrons we'll share it

249

00:12:57,560 --> 00:12:53,940

let's give a subscription up here yep

250

00:13:00,710 --> 00:12:57,570

this is another YouTube but on patreon

251

00:13:02,180 --> 00:13:00,720

you can actually give us \$5 and we like

252

00:13:04,700 --> 00:13:02,190

that I mean who doesn't want to give our

253

00:13:07,940 --> 00:13:04,710

dollars but no it helps us do what we do

254

00:13:09,830 --> 00:13:07,950

it's patreon.com forward slash UFO Bros

255

00:13:11,570 --> 00:13:09,840

TV maybe if we get a few more of those

256

00:13:13,250 --> 00:13:11,580

will like do a totally special episode

257

00:13:15,830 --> 00:13:13,260

about it talk about what we did where we

258

00:13:18,200 --> 00:13:15,840

did it it it it it's gonna be awesome

259

00:13:21,590 --> 00:13:18,210

epic yeah are we are we going to alien

260

00:13:25,780 --> 00:13:21,600

Con that's in June correct yeah

261

00:13:33,620 --> 00:13:25,790

that's in where's it at somewhere

262

00:13:34,880 --> 00:13:33,630

somewhere somewhere I don't I don't know

263

00:13:36,860 --> 00:13:34,890

what's that this year well what about

264

00:13:37,340 --> 00:13:36,870

contact in the desert we're going to

265

00:13:39,740 --> 00:13:37,350

that again

266

00:13:42,290 --> 00:13:39,750

I'm telling you if yes that contact and

267

00:13:44,600 --> 00:13:42,300

desert yes I hope Greer does another

268

00:13:45,740 --> 00:13:44,610

master class you know we should do yes

269

00:13:47,510 --> 00:13:45,750

he is he's gonna be there okay so

270

00:13:49,130 --> 00:13:47,520

imagine this I don't touch me in the

271

00:13:52,550 --> 00:13:49,140

middle of the dark don't touch me

272

00:13:56,420 --> 00:13:52,560

in the desert dr. Greer is in lotus

273

00:13:59,840 --> 00:13:56,430

position all chakras aligned he's having

274

00:14:01,870 --> 00:13:59,850

astral projections to other planets and

275

00:14:04,280 --> 00:14:01,880

then you and I come running through like

276  
00:14:05,630 --> 00:14:04,290  
banging pots and pans and yelling and

277  
00:14:07,040 --> 00:14:05,640  
flashing lights every way so Three

278  
00:14:09,230 --> 00:14:07,050  
Stooges running right in the middle of a

279  
00:14:11,570 --> 00:14:09,240  
crowd would that be great they would be

280  
00:14:16,340 --> 00:14:11,580  
so mad that what we frickin did last

281  
00:14:17,840 --> 00:14:16,350  
year we did not do that we laughed but

282  
00:14:21,650 --> 00:14:17,850  
in the middle of the desert listening to

283  
00:14:23,750 --> 00:14:21,660  
Greer tell us well we have this umbrella

284  
00:14:25,700 --> 00:14:23,760  
hats and all that yeah but that's not

285  
00:14:27,260 --> 00:14:25,710  
best I got three students no but I'm

286  
00:14:28,610 --> 00:14:27,270  
talking about a private event that

287  
00:14:30,920 --> 00:14:28,620  
everybody's in lotus position or

288  
00:14:35,420 --> 00:14:30,930

whatever in their life okay you know

289

00:14:37,580 --> 00:14:35,430

what that's how those classes go

290

00:14:41,000 --> 00:14:37,590

everybody pays fifty bucks and they go

291

00:14:47,290 --> 00:14:41,010

out in the desert and they meditate it's

292

00:14:59,750 --> 00:14:53,300

no no I'm a STONER style I think it'd be

293

00:15:02,270 --> 00:14:59,760

funny dig okay so I gotta admit we don't

294

00:15:03,740 --> 00:15:02,280

have much more to share but if you have

295

00:15:07,960 --> 00:15:03,750

anything in particular that you think we

296

00:15:11,780 --> 00:15:07,970

should take a look at watch comment on

297

00:15:14,240 --> 00:15:11,790

by all means message us we do reply and

298

00:15:15,760 --> 00:15:14,250

we do engage with our followers so UFO

299

00:15:20,450 --> 00:15:15,770

Bros TV make sure you guys subscribe

300

00:15:22,100 --> 00:15:20,460

we've got a fun Oh actually just to

301  
00:15:25,910 --> 00:15:22,110  
prove that we're brothers and that we've

302  
00:15:28,810 --> 00:15:25,920  
been like hanging out side by side for a

303  
00:15:33,650 --> 00:15:28,820  
long time you look like you're vogueing

304  
00:15:38,680 --> 00:15:33,660  
[h\_\_h] check it stop it check out this

305  
00:15:42,670 --> 00:15:38,690  
picture of us as kids there we are

306  
00:15:45,710 --> 00:15:42,680  
what the hell is happening to my ass

307  
00:15:47,510 --> 00:15:45,720  
what is going with my knee there you

308  
00:15:49,970 --> 00:15:47,520  
know I'm like everybody look at my ass

309  
00:15:51,620 --> 00:15:49,980  
hey I always wear every bot pumps right

310  
00:15:53,480 --> 00:15:51,630  
and have a pumps collection look at me

311  
00:15:54,910 --> 00:15:53,490  
as a kid it's proof that I've been

312  
00:15:58,250 --> 00:15:54,920  
wearing him forever

313  
00:16:00,020 --> 00:15:58,260

yeah she's [\h\_\_\h]

314

00:16:02,210 --> 00:16:00,030

this is a set it was like the last time

315

00:16:04,160 --> 00:16:02,220

we went Disneyland mm-hmm so that's

316

00:16:08,120 --> 00:16:04,170

that's that we saved that one for you

317

00:16:09,830 --> 00:16:08,130

guys we always wore matching whatever so

318

00:16:12,080 --> 00:16:09,840

that we say that one for you one more

319

00:16:13,640 --> 00:16:12,090

thing look and we're putting it at the

320

00:16:14,570 --> 00:16:13,650

end because it's kind of funny but it

321

00:16:15,830 --> 00:16:14,580

can get kind of annoying you know I'm

322

00:16:17,000 --> 00:16:15,840

saying it's only like a minute and a

323

00:16:19,400 --> 00:16:17,010

half but when you're watching it it

324

00:16:21,800 --> 00:16:19,410

feels like an hour and a half so we're

325

00:16:23,450 --> 00:16:21,810

gonna say goodbye on this note everybody

326

00:16:27,580 --> 00:16:23,460

thank you for listening on in it I'm Joe

327

00:16:33,690 --> 00:16:27,590

and we are the UF o Rose check out this

328

00:16:41,230 --> 00:16:37,750

five little man in a flying saucer flew

329

00:16:43,120 --> 00:16:41,240

round the earth one day they loved left

330

00:16:49,780 --> 00:16:43,130

and right but they didn't like the side

331

00:16:55,210 --> 00:16:49,790

so one man flew away so this is my

332

00:16:58,390 --> 00:16:55,220

theory Joe so what it's saying is that

333

00:17:00,520 --> 00:16:58,400

these little men and a saucer fly by

334

00:17:02,710 --> 00:17:00,530

earth and one at a time look down and

335

00:17:05,339 --> 00:17:02,720

say [h\_\_\h] nothing and then one jumps out

336

00:17:05,349 --> 00:17:11,379

[Music]

337

00:17:16,930 --> 00:17:14,419

and in a flying saucer

338

00:17:25,689 --> 00:17:16,940

we're down to three one day

339

00:17:30,440 --> 00:17:25,699

[Music]

340

00:17:36,590 --> 00:17:30,450

keep it up look there's only two more

341

00:17:41,419 --> 00:17:36,600

left well they're very unhappy I know

342

00:17:48,580 --> 00:17:41,429

that much they didn't this is so

343

00:17:51,950 --> 00:17:48,590

ridiculous my gracious well thanks guys

344

00:17:54,800 --> 00:17:51,960

what we're gonna leave you on this talk
