15

00:01:00,459 --> 00:00:56,059

thank you for putting in like what a

16

00:01:02,830 --> 00:01:00,469

minima tesam amount of effort but anyway

17

00:01:06,670 --> 00:01:02,840

guys welcome to the show hey now we're

18

00:01:09,160 --> 00:01:06,680

back hey now I know we are I'm kind of

19

00:01:11,320 --> 00:01:09,170

in this weird place where we can't do

20

00:01:12,700 --> 00:01:11,330

the video streaming right now so we're

21

00:01:14,320 --> 00:01:12,710

just like going old-school we're going

22

00:01:16,600 --> 00:01:14,330

back to our roots right now we're just

23

00:01:19,060 --> 00:01:16,610

sticking with an audio show for at least

24

00:01:21,749 --> 00:01:19,070

the next few shows that we're gonna have

25

00:01:25,630 --> 00:01:21,759

and then we'll be back at some point on

26

00:01:27,280 --> 00:01:25,640

live stream with video but for now we're

27

00:01:29,710 --> 00:01:27,290

just kind of taking a few steps back and

28

00:01:32,050 --> 00:01:29,720

making sure that we're reaching out and

29

00:01:34,120 --> 00:01:32,060

talking on the regular especially

30

00:01:36,490 --> 00:01:34,130

because we have our patrons that we have

31

00:01:38,620 --> 00:01:36,500

to thank for just a minute here who have

32

00:01:41,649 --> 00:01:38,630

helped us a lot just in supporting our

33

00:01:43,450 --> 00:01:41,659

efforts and paying for you know the

34

00:01:46,030 --> 00:01:43,460

hosting and you know the more you grow

35

00:01:48,459 --> 00:01:46,040

and the more audio you have you got to

36

00:01:50,560 --> 00:01:48,469

upgrade and uh so anyway those patrons

37

00:01:52,179 --> 00:01:50,570

thank you all so very much for your

38

00:01:54,670 --> 00:01:52,189

you you like to exist in an alternate

82

00:04:19,629 --> 00:04:16,310

reality but back to what we were talking

83

00:04:23,770 --> 00:04:19,639

about contact in the desert y'all is one

84

00:04:26,800 --> 00:04:23,780

of just many UFO workshop places and

85

00:04:29,770 --> 00:04:26,810

events and you know all that good UFO

86

00:04:31,840 --> 00:04:29,780

phenomenon stuff all in one place

87

00:04:33,279 --> 00:04:31,850

this is one of many and Joe and I

88

00:04:36,159 --> 00:04:33,289

actually attended last year and we had a

89

00:04:40,090 --> 00:04:36,169

blast we were hot it was freaking hot

90

00:04:42,340 --> 00:04:40,100

but they moved it industry Indian Wells

91

00:04:49,990 --> 00:04:42,350

Organa Jones wells were there Indian

92

00:04:52,439 --> 00:04:50,000

Jones that let me that is not helpful

93

00:04:58,750 --> 00:04:52,449

but let me take a listen

94

00:05:01,180 --> 00:04:58,760

not a listen but take a look here this

95

00:05:04,600 --> 00:05:01,190

year is in Indian Wells and it's from

96

00:05:07,390 --> 00:05:04,610

June 1st to the 4th of course so as of

97

00:05:12,100 --> 00:05:07,400

today that marks 24 days to get your

98

00:05:12,760 --> 00:05:12,110

tickets and some of our friends are

99

00:05:15,310 --> 00:05:12,770

gonna be there

100

00:05:18,279 --> 00:05:15,320

germy Korbelt returns all of them we're

101
00:05:19,510 --> 00:05:18,289
gonna be there Giorgio tsoukalos of

102
00:05:21,460 --> 00:05:19,520
course if you guys don't know Linda

103
00:05:22,960 --> 00:05:21,470
Moulton Howe she's not really our friend

104
00:05:23,770 --> 00:05:22,970
but of course Jimmy Church is gonna be

105
00:05:26,560 --> 00:05:23,780
there

106
00:05:28,839 --> 00:05:26,570
Mike Barra Berra I think I don't know if

107
00:05:30,700 --> 00:05:28,849
it's Barrett bar but oh and oh the UFO

108
00:05:35,350 --> 00:05:30,710
tourney guy Daniel Sheehan you see him

109
00:05:36,969 --> 00:05:35,360
all over the place yes also Travis

110
00:05:40,110 --> 00:05:36,979
people like Travis Walton Whitley

111
00:05:44,860 --> 00:05:42,430
already said that guys get there it's

112
00:05:49,510 --> 00:05:44,870
gonna be great Pope so there's a whole

113
00:05:52,149 --> 00:05:49,520

[h__\h] ton and Wow it's it's a great event

114

00:05:54,850 --> 00:05:52,159

it's worth the time and like we said

115

00:05:58,270 --> 00:05:54,860

it's no longer like so hot it's moved in

116

00:05:59,860 --> 00:05:58,280

to hopefully this new facility is gonna

117

00:06:02,140 --> 00:05:59,870

be just what it needs to make everybody

118

00:06:04,270 --> 00:06:02,150

more comfortable and have more things

119

00:06:05,529 --> 00:06:04,280

going on because I'll tell you if you go

120

00:06:08,260 --> 00:06:05,539

to an event like this you meet people

121

00:06:11,050 --> 00:06:08,270

that you never forget and sometimes you

122

00:06:12,490 --> 00:06:11,060

become lifelong friends with people that

123

00:06:15,909 --> 00:06:12,500

you meet you know especially if you

124

00:06:21,700 --> 00:06:15,919

share in the UFO phenomena and aliens

125

00:06:22,700 --> 00:06:21,710

and all that stuff like Joe and I people

126
00:06:27,010 --> 00:06:22,710
like that

127
00:06:29,690 --> 00:06:27,020
small like the microphone I moved okay

128
00:06:34,610 --> 00:06:29,700
it's like that small nerd group that's

129
00:06:38,780 --> 00:06:34,620
in high school that's anyway check out

130
00:06:41,210 --> 00:06:38,790
contacting desert yes you can see a a

131
00:06:44,240 --> 00:06:41,220
tour of it if you go to our website UFO

132
00:06:46,040 --> 00:06:44,250
Bros comm and look at the locations

133
00:06:47,420 --> 00:06:46,050
we've been at and you'll see a video

134
00:06:50,420 --> 00:06:47,430
there we've also that on YouTube channel

135
00:06:53,690 --> 00:06:50,430
so make sure you check out different so

136
00:06:55,430 --> 00:06:53,700
don't expect last year's walkthrough be

137
00:06:57,980 --> 00:06:55,440
this year's walkthrough because we don't

138
00:07:00,920 --> 00:06:57,990

know there is still camping but it's not

139

00:07:02,750 --> 00:07:00,930

on site I believe I hope I'm not giving

140

00:07:04,070 --> 00:07:02,760

incorrect information but if for some

141

00:07:08,630 --> 00:07:04,080

reason that's incorrect we'll update it

142

00:07:11,510 --> 00:07:08,640

on the next one but but it's like a few

143

00:07:13,070 --> 00:07:11,520

miles away I believe yeah if you're

144

00:07:15,500 --> 00:07:13,080

going to contact in the desert just in

145

00:07:17,360 --> 00:07:15,510

case lots of water actually Joe and I

146

00:07:19,790 --> 00:07:17,370

last year took we there's some good

147

00:07:21,640 --> 00:07:19,800

pictures we had umbrella hats and let me

148

00:07:23,510 --> 00:07:21,650

tell you something we looked ridiculous

149

00:07:25,910 --> 00:07:23,520

and it looked like there was a UFO

150

00:07:27,890 --> 00:07:25,920

hovering over our head but everybody was

151

00:07:31,730 --> 00:07:27,900

like that's a smart idea where can I get

152

00:07:34,400 --> 00:07:31,740

those so my legs caught on fire my head

153

00:07:36,290 --> 00:07:34,410

was cool my legs are on fire yes but I

154

00:07:39,680 --> 00:07:36,300

know but we didn't have to find a tree

155

00:07:41,290 --> 00:07:39,690

or stand under a tall man you know to

156

00:07:45,320 --> 00:07:41,300

avoid the sunlight

157

00:07:51,950 --> 00:07:45,330

oh god I'm so glad to be back on the

158

00:07:53,210 --> 00:07:51,960

show aren't you Oh looking forward to

159

00:07:54,620 --> 00:07:53,220

contact and desert this year aren't you

160

00:07:56,180 --> 00:07:54,630

Joe looking forward to see what they're

161

00:07:57,590 --> 00:07:56,190

gonna come up with looking forward to

162

00:07:59,590 --> 00:07:57,600

see what kind of experiences maybe

163

00:08:01,700 --> 00:07:59,600

they're gonna have this year we'll see

164

00:08:06,050 --> 00:08:01,710

well you guys we're gonna move on

165

00:08:09,470 --> 00:08:06,060

because it's been I think way too it way

166

00:08:11,810 --> 00:08:09,480

too long before we had the it's way too

167

00:08:13,430 --> 00:08:11,820

long that we've not had the chance to

168

00:08:16,700 --> 00:08:13,440

update everybody on kind of current

169

00:08:18,770 --> 00:08:16,710

happenings and UFO news so first and

170

00:08:21,620 --> 00:08:18,780

foremost there is more and more

171

00:08:24,200 --> 00:08:21,630

information coming out about you know

172

00:08:26,200 --> 00:08:24,210

the advanced aeronautical threat

173

00:08:29,390 --> 00:08:26,210

identification program ran by the

174

00:08:36,480 --> 00:08:29,400

Department of Defense there's actually

175

00:08:42,550 --> 00:08:41,050

it's not it's a similar name just

176

00:08:45,270 --> 00:08:42,560

different acronyms I got to find out

177

00:08:50,230 --> 00:08:47,530

no what happened you hear about that

178

00:08:51,910 --> 00:08:50,240

no black lives matter stop the on-ramp

179

00:08:56,920 --> 00:08:51,920

to Canada's cup for Cal Expo Sacramento

180

00:09:01,690 --> 00:08:56,930

the big go hot vegetable Oh black lives

181

00:09:03,580 --> 00:09:01,700

matter blocked the on-ramp why did they

182

00:09:05,290 --> 00:09:03,590

do that I guess I was over that shooting

183

00:09:06,940 --> 00:09:05,300

that cop shot down one kid so they're

184

00:09:10,540 --> 00:09:06,950

protesting that and they decided to

185

00:09:12,190 --> 00:09:10,550

protest in front of cannabis cup Wow

186

00:09:14,620 --> 00:09:12,200

High Times Cannabis Cup but why the

187

00:09:17,680 --> 00:09:14,630

cannabis cup the cannabis cup what's a

188

00:09:20,140 --> 00:09:17,690

cannabis what why the cannabis if you

189

00:09:22,980 --> 00:09:20,150

have too much cannabis why the cannabis

190

00:09:26,020 --> 00:09:22,990

cup I don't know nobody knows

191

00:09:30,940 --> 00:09:26,030

cuz there's cops there probably well

192

00:09:31,810 --> 00:09:30,950

look I'm looking I don't know I don't

193

00:09:34,120 --> 00:09:31,820

know what you're talking about I'm

194

00:09:41,680 --> 00:09:34,130

trying to figure out the new name for

195

00:09:46,930 --> 00:09:41,690

the a AIT P the a EIT pppoe yeah well

196

00:09:48,010 --> 00:09:46,940

oh hello so we're back guys but anyway

197

00:09:51,010 --> 00:09:48,020

there's been all kinds of things

198

00:09:53,290 --> 00:09:51,020

recently also while I pull up by the way

199

00:09:59,850 --> 00:09:53,300

that actually the new name let you guys

200

00:10:02,829 --> 00:09:59,860

know that also in Arizona two pilots

201

00:10:04,450 --> 00:10:02,839

spotted and interacted with a flying

202

00:10:07,570 --> 00:10:04,460

object it's actually very interesting

203

00:10:09,880 --> 00:10:07,580

when you listen to the pilots talking

204

00:10:11,790 --> 00:10:09,890

about what flew overhead and how did you

205

00:10:14,260 --> 00:10:11,800

see that and now recently I know

206

00:10:17,500 --> 00:10:14,270

somebody who's in the air a lot of times

207

00:10:19,720 --> 00:10:17,510

and she's a flight attendant for really

208

00:10:22,660 --> 00:10:19,730

important oh my god I had one of those

209

00:10:24,250 --> 00:10:22,670

spicy ass cheeto fingers I'm [h__\h] her

210

00:10:26,860 --> 00:10:24,260

burping up for that last hour

211

00:10:29,530 --> 00:10:26,870

I don't do spicy my god that destroyed

212

00:10:31,150 --> 00:10:29,540

my mouth of my stomach how the [h__\h]

213

00:10:33,970 --> 00:10:31,160

people eat that nasty cardboard [h__h]

214

00:10:35,650 --> 00:10:33,980

with the red powder on it I could take a

215

00:10:37,300 --> 00:10:35,660

piece of cardboard box and slid them in

216

00:10:39,610 --> 00:10:37,310

a little [h__h] fry looking things and

217

00:10:41,950 --> 00:10:39,620

douse them in some red curry powder same

218

00:10:45,130 --> 00:10:41,960

thing what are you talking let's [h__h]

219

00:10:47,269 --> 00:10:45,140

nasty-ass spicy cheeto [h__h] kid

220

00:10:50,780 --> 00:10:47,279

here's have one oh sure

221

00:10:52,280 --> 00:10:50,790

this on the way here heads head yeah my

222

00:10:54,019 --> 00:10:52,290

stomach's burning I'm burping the [h__h]

223

00:10:56,150 --> 00:10:54,029

up yeah red powder all over my mouth

224

00:10:58,160 --> 00:10:56,160

yeah [h__h] that noise

225

00:10:59,989 --> 00:10:58,170

no offense to people who like spicy

226

00:11:02,889 --> 00:10:59,999

Cheetos but I don't like pieces of

227

00:11:06,170 --> 00:11:02,899

cardboard that are spicy missed em back

228

00:11:10,400 --> 00:11:06,180

in defense of spicy Cheetos you're a

229

00:11:12,079 --> 00:11:10,410

[h__h] so that's in defense of hey

230

00:11:14,900 --> 00:11:12,089

[h__h] let me ask you something

231

00:11:16,280 --> 00:11:14,910

when we were growing up you fat you your

232

00:11:18,559 --> 00:11:16,290

fat mouth funky

233

00:11:20,780 --> 00:11:18,569

listen did we ever have anything spicy

234

00:11:22,970 --> 00:11:20,790

in the house to eat when we grow what

235

00:11:24,170 --> 00:11:22,980

with that dad fat daddy oh no no we

236

00:11:25,879 --> 00:11:24,180

never had any it was mostly sweet

237

00:11:28,150 --> 00:11:25,889

it was nothing ever spice it was mostly

238

00:11:30,769 --> 00:11:28,160

macaroni cheesy top ramen and hamburger

239

00:11:34,759 --> 00:11:30,779

okay so we never had experience to spice

240

00:11:41,269 --> 00:11:34,769

so I'm not [h__\h] so I'm not I'm not a

241

00:11:43,519 --> 00:11:41,279

[h__\h] we don't do spice well dick okay I

242

00:11:47,749 --> 00:11:43,529

have American okay look I have the name

243

00:11:52,879 --> 00:11:47,759

so going back to this UFO government

244

00:11:58,699 --> 00:11:52,889

program okay listen the the the name of

245

00:12:01,519 --> 00:11:58,709

it is advanced base weapon system

246

00:12:04,730 --> 00:12:01,529

animations program yeah automatic system

247

00:12:06,470 --> 00:12:04,740

and the AAW SP automatic system and by

248

00:12:09,519 --> 00:12:06,480

the way through the Freedom of

249

00:12:13,610 --> 00:12:09,529

Information Freedom of Information Act

250

00:12:15,799 --> 00:12:13,620

we hopefully it looks like George Knapp

251
00:12:18,530 --> 00:12:15,809
and his team of people are taken out

252
00:12:20,119 --> 00:12:18,540
getting some interesting documents that

253
00:12:22,340 --> 00:12:20,129
are gonna be released into the public in

254
00:12:23,780 --> 00:12:22,350
regards to this program so hopefully we

255
00:12:24,799 --> 00:12:23,790
get some more insight as to what kind of

256
00:12:31,400 --> 00:12:24,809
sightings and things that they were

257
00:12:36,049 --> 00:12:31,410
studying yeah well Joe but look here we

258
00:12:37,549 --> 00:12:36,059
go it's it's won by the way I need to

259
00:12:40,220 --> 00:12:37,559
make a change that was the original

260
00:12:43,759 --> 00:12:40,230
program named advanced aerospace weapons

261
00:12:45,590 --> 00:12:43,769
system application program and then

262
00:12:48,200 --> 00:12:45,600
change to a

263
00:12:50,270 --> 00:12:48,210

a CIP advanced aeronautical threat

264

00:12:51,140 --> 00:12:50,280

identification program I know my

265

00:12:55,820 --> 00:12:51,150

acronyms

266

00:13:03,470 --> 00:12:55,830

EW eio those are vowels same thing

267

00:13:04,760 --> 00:13:03,480

sometimes why why let's talk about some

268

00:13:06,880 --> 00:13:04,770

UFO documentaries that are coming up

269

00:13:09,050 --> 00:13:06,890

because our friend jeremy Korbel german

270

00:13:13,160 --> 00:13:09,060

germany who's gonna be at contact the

271

00:13:16,490 --> 00:13:13,170

desert by the way has the film out as we

272

00:13:19,160 --> 00:13:16,500

talked before patient 17 on netflix now

273

00:13:21,260 --> 00:13:19,170

there's a new one there's a new one hunt

274

00:13:23,270 --> 00:13:21,270

the skinwalker yeah this kid Walker guy

275

00:13:24,470 --> 00:13:23,280

now if for those of you who are not like

276

00:13:26,270 --> 00:13:24,480

Joe probably you're are you familiar

277

00:13:30,110 --> 00:13:26,280

with the skinwalker ranch of course not

278

00:13:33,920 --> 00:13:30,120

of course skinwalker ranch is believed

279

00:13:35,690 --> 00:13:33,930

to be a location where weird phenomena

280

00:13:38,360 --> 00:13:35,700

happened they think maybe it's a vortex

281

00:13:40,580 --> 00:13:38,370

of some sort or a concentration of I

282

00:13:43,190 --> 00:13:40,590

don't know some metaphysical energy of

283

00:13:47,630 --> 00:13:43,200

some sort but no listen so it's actually

284

00:13:53,890 --> 00:13:47,640

been investigated by you know I think

285

00:14:03,170 --> 00:13:57,650

I am going to destroy you

286

00:14:06,020 --> 00:14:03,180

just stop it anyway it's such a weird

287

00:14:08,420 --> 00:14:06,030

and complex place that our government

288

00:14:12,020 --> 00:14:08,430

has started studying it and are you

289

00:14:15,200 --> 00:14:12,030

growing on your fingernails our friend

290

00:14:18,260 --> 00:14:15,210

sure Jeremy got to actually go on this

291

00:14:21,140 --> 00:14:18,270

property spend some nights do some

292

00:14:22,910 --> 00:14:21,150

things and the skinwalker is gonna be

293

00:14:25,850 --> 00:14:22,920

result of his investigations in what

294

00:14:27,770 --> 00:14:25,860

he's learned Oh nuts skinwalker ranch

295

00:14:30,380 --> 00:14:27,780

not Skywalker Ranch I think talking

296

00:14:32,780 --> 00:14:30,390

about Presidio in San Francisco are you

297

00:14:33,500 --> 00:14:32,790

are you getting serious right now that's

298

00:14:38,900 --> 00:14:33,510

really what you thought I was talking

299

00:14:40,670 --> 00:14:38,910

about no okay what do you do it's like

300

00:14:42,890 --> 00:14:40,680

all these 15 shows in one in personnel

301
00:14:44,300 --> 00:14:42,900
yeah there's another one coming out

302
00:14:49,070 --> 00:14:44,310
called

303
00:14:54,340 --> 00:14:49,080
stop it aerial phenomenon but aerial is

304
00:15:00,190 --> 00:14:54,350
spelled I think areola NATO are I lol a

305
00:15:03,560 --> 00:15:00,200
reality I yeah thank you Joe

306
00:15:07,579 --> 00:15:03,570
it's called by pleasure I forgot I was

307
00:15:11,600 --> 00:15:07,589
talking about my Lord applause no it's

308
00:15:13,370 --> 00:15:11,610
about the story in Africa the school of

309
00:15:15,980 --> 00:15:13,380
children that witness we talked about

310
00:15:19,390 --> 00:15:15,990
this in a previous show aliens coming

311
00:15:21,650 --> 00:15:19,400
out of this flying saucer and kind of

312
00:15:24,350 --> 00:15:21,660
floating across the ground the kids

313
00:15:27,710 --> 00:15:24,360

described with you know large faces big

314

00:15:32,570 --> 00:15:27,720

black eyes anyway they actually Josh

315

00:15:36,019 --> 00:15:32,580

gates from from Travel Channel went

316

00:15:38,030 --> 00:15:36,029

there and they did a pretty thorough

317

00:15:40,700 --> 00:15:38,040

kind of interview investigation on this

318

00:15:42,050 --> 00:15:40,710

but anyway fast forward we have a new

319

00:15:43,550 --> 00:15:42,060

documentary coming out called aerial

320

00:15:45,680 --> 00:15:43,560

phenomenon because it was the aerial

321

00:15:48,860 --> 00:15:45,690

school and Africa that's the name is Nam

322

00:15:52,310 --> 00:15:48,870

so I'm really very much looking forward

323

00:15:53,540 --> 00:15:52,320

to that I love the love and saucers that

324

00:15:54,800 --> 00:15:53,550

was interesting by the way that's our

325

00:15:59,510 --> 00:15:54,810

last show if you haven't listened to

326

00:16:04,010 --> 00:15:59,520

that makes you take know and also I

327

00:16:06,050 --> 00:16:04,020

heard there is a TV show going to hear

328

00:16:08,000 --> 00:16:06,060

coming out called I think it's gonna be

329

00:16:10,460 --> 00:16:08,010

called Project Blue Book it's either

330

00:16:13,700 --> 00:16:10,470

gonna be called Project Blue Book or and

331

00:16:17,180 --> 00:16:13,710

or based on the files of Project Blue

332

00:16:18,890 --> 00:16:17,190

Book which by the way was the government

333

00:16:21,740 --> 00:16:18,900

investigation into UFOs which ended in

334

00:16:24,800 --> 00:16:21,750

1969 with of course no conclusive

335

00:16:31,370 --> 00:16:24,810

evidence of any kind of extraterrestrial

336

00:16:34,010 --> 00:16:31,380

or I guess you could say flying

337

00:16:35,600 --> 00:16:34,020

phenomena aerial phenomenon flying

338

00:16:37,730 --> 00:16:35,610

areola phenomenon no but look we're back

339

00:16:38,930 --> 00:16:37,740

good Flying Spaghetti Monster we did a

340

00:16:42,980 --> 00:16:38,940

good job we actually delivered some

341

00:16:47,389 --> 00:16:42,990

information yeah any monster nope

342

00:16:50,550 --> 00:16:47,399

are you what do you think aliens eat

343

00:16:52,079 --> 00:16:50,560

children I think that's a good question

344

00:16:53,069 --> 00:16:52,089

let's have an instant question you guys

345

00:16:55,650 --> 00:16:53,079

in your comments what do you think

346

00:16:57,689 --> 00:16:55,660

aliens eat let's try it on a segment at

347

00:17:00,269 --> 00:16:57,699

the end what do a Lien's eat put in the

348

00:17:03,329 --> 00:17:00,279

comments okay so the theory on this is

349

00:17:04,850 --> 00:17:03,339

what if they try pizza that they don't

350

00:17:08,490 --> 00:17:04,860

eat anything and that they're

351

00:17:12,659 --> 00:17:08,500

photosynthetic like plants oh so all I

352

00:17:14,340 --> 00:17:12,669

have to do is get in my floor fuel stock

353

00:17:17,429 --> 00:17:14,350

slicer out and go at it huh yeah I just

354

00:17:20,819 --> 00:17:17,439

sliced the chlorophyll away by the way I

355

00:17:22,679 --> 00:17:20,829

realized that's why I chlorophyll I

356

00:17:27,569 --> 00:17:22,689

think is the reason why I don't like

357

00:17:30,690 --> 00:17:27,579

juiced vegetables because when you put

358

00:17:32,610 --> 00:17:30,700

it in a when you put it in the juicer it

359

00:17:36,799 --> 00:17:32,620

rips the cells open and all the

360

00:17:45,990 --> 00:17:36,809

chloroform comes out or chloroform

361

00:17:47,909 --> 00:17:46,000

chlorophyll chlorophyll that smell it's

362

00:17:50,640 --> 00:17:47,919

that same smell that like when you cut

363

00:17:53,279 --> 00:17:50,650

the grass yeah fresh cut that's

364

00:17:56,010 --> 00:17:53,289

chlorophyll basically being ripped open

365

00:17:59,310 --> 00:17:56,020

yeah so I say all that to say press your

366

00:18:01,669 --> 00:17:59,320

juices repress your nose there's a

367

00:18:06,950 --> 00:18:01,679

presser when you gonna repress it to

368

00:18:06,960 --> 00:18:12,230

vitamin A to Z it's like centrum

369

00:18:23,720 --> 00:18:14,310

speaking of happy birthday

370

00:18:30,000 --> 00:18:27,750

36 all [h__\h] yeah you are 36 that is

371

00:18:33,630 --> 00:18:30,010

actually very quite accurate to be quite

372

00:18:36,990 --> 00:18:33,640

honest with you but thank you all listen

373

00:18:39,270 --> 00:18:37,000

follow us all things social media what

374

00:18:40,860 --> 00:18:39,280

do anything is eat yes we we want to

375

00:18:43,049 --> 00:18:40,870

know actually that should be a pull on

376

00:18:45,630 --> 00:18:43,059

Twitter yeah or a website what do we use

377

00:18:47,310 --> 00:18:45,640

eat calm I'm not putting together or

378

00:18:50,130 --> 00:18:47,320

what do it you can put you don't even

379

00:18:52,320 --> 00:18:50,140

know oh my gosh I can't even tell you

380

00:18:53,610 --> 00:18:52,330

all by the way the reason for the

381

00:18:55,140 --> 00:18:53,620

absence is

382

00:18:56,399 --> 00:18:55,150

and we're towards in the program and if

383

00:18:58,880 --> 00:18:56,409

you're still listening congratulations

384

00:19:00,840 --> 00:18:58,890

but listen we've been so busy

385

00:19:03,600 --> 00:19:00,850

individually that getting together has

386

00:19:04,950 --> 00:19:03,610

been so it's like we were together all

387

00:19:06,480 --> 00:19:04,960

the time and then we've had like this

388

00:19:09,930 --> 00:19:06,490

bump where we've been hitting and

389

00:19:11,880 --> 00:19:09,940

missing each other but we're trying to

390

00:19:13,860 --> 00:19:11,890

make sure that our subsequent podcast

391

00:19:16,890 --> 00:19:13,870

that we're gonna be bringing you we have

392

00:19:23,120 --> 00:19:16,900

393

00:19:26,070 --> 00:19:23,130

interviewed Joe stop it oh sorry your

394

00:19:30,600 --> 00:19:26,080

listen we have a gentleman that claims

395

00:19:33,440 --> 00:19:30,610

to have been a pilot at area 51 in the

396

00:19:37,710 --> 00:19:33,450

50s and that he piloted an actual

397

00:19:41,399 --> 00:19:37,720

reverse-engineered like alien flying

398

00:19:44,039 --> 00:19:41,409

juicer yes Bob yeah kind of because what

399

00:19:46,169 --> 00:19:44,049

he says is that he crashes and breaks

400

00:19:47,490 --> 00:19:46,179

his legs and there's this wild story so

401
00:19:50,810 --> 00:19:47,500
we're gonna explore the whole thing on

402
00:19:54,120 --> 00:19:50,820
the next show and we're also going to

403
00:19:55,919 --> 00:19:54,130
ask him some questions so if you want us

404
00:19:58,769 --> 00:19:55,929

405
00:20:01,470 --> 00:19:58,779

good but it's weird at the same time and

418

00:20:35,909 --> 00:20:33,520
