EARTHLINGS
WELCOME
LITTLE
EINN

WEAR THIS SCIENTIFICALLY

1
00:00:01,310 --> 00:00:13,240

[Music]

2
00:00:13,250 --> 00:00:16,870

okay ready

3
00:00:25,700 --> 00:00:19,310

hey what's up everybody I'm Emmett and

4
00:00:27,380 --> 00:00:25,710

I'm that Joe and we are the U app o rose

5
00:00:29,960 --> 00:00:27,390

and we're coming at ya we're not live

6
00:00:33,770 --> 00:00:29,970

actually it's pre-recorded because our

7
00:00:37,639 --> 00:00:33,780

special air tonight Joe it's tonight it

8
00:00:39,500 --> 00:00:37,649

is today what do you think I'm so

9
00:00:42,350 --> 00:00:39,510

excited we're gonna talk a little bit

10
00:00:44,389 --> 00:00:42,360

about that adventure in that journey hey

11
00:00:46,549 --> 00:00:44,399

bro did you see on the on the on the

12
00:00:47,990 --> 00:00:46,559

Teletubbies on the TVs the Travel

13
00:00:50,420 --> 00:00:48,000

Channel has our little our little

14

00:00:56,720 --> 00:00:50,430

storming event in the corner I saw that

15

00:00:59,569 --> 00:00:56,730

on the bottom right huh yes yeah [h__h] I

16

00:01:02,540 --> 00:00:59,579

know it's exciting and all of the social

17

00:01:04,670 --> 00:01:02,550

media articles and all the interviews we

18

00:01:06,859 --> 00:01:04,680

did it was like it all happened so fast

19

00:01:10,219 --> 00:01:06,869

just so everybody knows this special was

20

00:01:14,929 --> 00:01:10,229

shot like from concept to filming to

21

00:01:16,910 --> 00:01:14,939

airing like in six weeks unheard so the

22

00:01:20,810 --> 00:01:16,920

team we're working with is like just

23

00:01:22,280 --> 00:01:20,820

gods of production so we appreciate them

24

00:01:24,380 --> 00:01:22,290

but for those of you who don't know and

25

00:01:31,850 --> 00:01:24,390

you're new to the show for the UFO Bros

26

00:01:33,440 --> 00:01:31,860

we've been true indeed we find like I

27

00:01:35,210 --> 00:01:33,450

said with UFO Bros and we go on all

28

00:01:38,899 --> 00:01:35,220

kinds of expeditions and we've been to

29

00:01:41,240 --> 00:01:38,909

Roswell we've been to every 50 Barry

30

00:01:45,190 --> 00:01:41,250

we've been dari 51 been to Roswell went

31

00:01:48,380 --> 00:01:45,200

to Laura Texas we leave big places

32

00:01:50,359 --> 00:01:48,390

well are you guys know like Roswell is

33

00:01:52,310 --> 00:01:50,369

the biggest story ever we had to go

34

00:01:54,219 --> 00:01:52,320

there we went to the International UFO

35

00:01:57,039 --> 00:01:54,229

museum we went through their files

36

00:02:00,200 --> 00:01:57,049

interviewed some people there and then

37

00:02:01,880 --> 00:02:00,210

we trekked our way out well Joe drove I

38

00:02:05,840 --> 00:02:01,890

just sat there but we trekked our way

39

00:02:08,540 --> 00:02:05,850

out to the crash site to the crash [h__h]

40

00:02:10,929 --> 00:02:08,550

yes and something really crazy happen

41

00:02:16,580 --> 00:02:14,300

get it pop a tire stupid how do you not

42

00:02:18,050 --> 00:02:16,590

remember that well first of all I

43

00:02:23,660 --> 00:02:18,060

already explained it's not a good idea

44

00:02:24,830 --> 00:02:23,670

going down Oh we'll be fine yeah they

45

00:02:27,649 --> 00:02:24,840

can we're always fine

46

00:02:31,879 --> 00:02:27,659

things are always okay mom put my trust

47

00:02:35,780 --> 00:02:31,889

in you you know what though it was worth

48

00:02:38,660 --> 00:02:35,790

it oh yeah because we went on the

49

00:02:40,309 --> 00:02:38,670

property right by there's a huge like I

50

00:02:46,280 --> 00:02:40,319

don't the statue of what do you call

51
00:02:51,530 --> 00:02:46,290
that Monument yeah yes it's dedicated to

52
00:02:53,899 --> 00:02:51,540
the 2002 sci-fi channel show they did on

53
00:02:57,259 --> 00:02:53,909
it so that was really cool and then the

54
00:02:59,750 --> 00:02:57,269
next stop of course was area 51 or wait

55
00:03:01,580 --> 00:02:59,760
was that the first one area for the

56
00:03:05,690 --> 00:03:01,590
first time it was our first stop yeah

57
00:03:07,099 --> 00:03:05,700
anyway that was cool but pales in

58
00:03:12,110 --> 00:03:07,109
comparison to what we got to do this

59
00:03:13,879 --> 00:03:12,120
time now as you all know the storm area

60
00:03:16,759 --> 00:03:13,889
51 they can't stop us all event was

61
00:03:19,789 --> 00:03:16,769
started by some kid on Facebook just as

62
00:03:22,729 --> 00:03:19,799
a joke but it captured the public's

63
00:03:24,469 --> 00:03:22,739

imagination and it opened up people's

64

00:03:26,210 --> 00:03:24,479

minds and they started prying into the

65

00:03:28,969 --> 00:03:26,220

secrets and wondering are there aliens

66

00:03:34,219 --> 00:03:28,979

there is there reverse technology of

67

00:03:36,860 --> 00:03:34,229

advanced beings there is their contact

68

00:03:38,300 --> 00:03:36,870

with advanced extraterrestrial beings

69

00:03:39,999 --> 00:03:38,310

with our government people wanted to

70

00:03:42,670 --> 00:03:40,009

know what are the secrets like the

71

00:03:48,559 --> 00:03:42,680

closest you can get is to the gate

72

00:03:49,939 --> 00:03:48,569

that's about it yeah and then and you

73

00:03:51,589 --> 00:03:49,949

know so these people are like screw it

74

00:03:55,460 --> 00:03:51,599

we're gonna rush we're gonna rush the

75

00:03:57,080 --> 00:03:55,470

base so we hopped in our RV that's how

76

00:04:03,439 --> 00:03:57,090

we typically like to do things UFO bro

77

00:04:05,979 --> 00:04:03,449

style in our RV 100 and that's what we

78

00:04:08,990 --> 00:04:05,989

have all of our best equipment right Joe

79

00:04:11,860 --> 00:04:09,000

we got the spectrum analyzers we got the

80

00:04:16,420 --> 00:04:11,870

fluoride fluoxetine freaking mist

81

00:04:19,459 --> 00:04:16,430

generation sorry did you say fluoxetine

82

00:04:23,140 --> 00:04:19,469

don't know does that mean you're on edge

83

00:04:28,999 --> 00:04:25,550

sound-alike remember that one time you

84

00:04:31,430 --> 00:04:29,009

called Linda Moulton Howe Ruth Chris and

85

00:04:35,540 --> 00:04:31,440

I was like no that's a steakhouse dummy

86

00:04:38,510 --> 00:04:35,550

and you're like oh oh I'll never forget

87

00:04:38,870 --> 00:04:38,520

those little memos favor anyway oh my

88

00:04:40,939 --> 00:04:38,880

gosh

89

00:04:42,140 --> 00:04:40,949

so moving on to Aurora we're just kind

90

00:04:44,600 --> 00:04:42,150

of summarizing some of the stuff we've

91

00:04:47,210 --> 00:04:44,610

done so because Johanna we like to go

92

00:04:48,650 --> 00:04:47,220

there right bro oh yeah you guys see

93

00:04:50,990 --> 00:04:48,660

ourselves we gotta find something that's

94

00:04:54,020 --> 00:04:51,000

been missing I like how it's surfing I

95

00:05:01,189 --> 00:04:54,030

apologize I think outside that that that

96

00:05:03,110 --> 00:05:01,199

box that cube they got a the cue yet you

97

00:05:04,700 --> 00:05:03,120

gotta kind of get off the couch guys get

98

00:05:09,980 --> 00:05:04,710

off the youtube and watching all those

99

00:05:13,400 --> 00:05:09,990

crazy crazy super conspiracy total

100

00:05:15,890 --> 00:05:13,410

imagination stuff and go meet these

101
00:05:18,620 --> 00:05:15,900
people that are having experiences go

102
00:05:21,350 --> 00:05:18,630
meet these people that have claimed to

103
00:05:24,170 --> 00:05:21,360
have been working on projects or get to

104
00:05:26,480 --> 00:05:24,180
you yeah go to those people ask them

105
00:05:28,249 --> 00:05:26,490
what it is that they're experiencing

106
00:05:30,920 --> 00:05:28,259
what do they feel like I mean the fact

107
00:05:34,310 --> 00:05:30,930
of the matter is is this is a phenomena

108
00:05:36,830 --> 00:05:34,320
that's happening we've got vehicles in

109
00:05:39,310 --> 00:05:36,840
our skies defying our current

110
00:05:42,439 --> 00:05:39,320
understanding of physics we have the

111
00:05:45,560 --> 00:05:42,449
abduction phenomena which those of you

112
00:05:48,040 --> 00:05:45,570
who don't but should know people

113
00:05:51,409 --> 00:05:48,050

reoccurring having abductions and

114

00:05:58,159 --> 00:05:51,419

sometimes meeting people for the first

115

00:06:00,379 --> 00:05:58,169

time on ships like flying together we

116

00:06:03,760 --> 00:06:00,389

were probed together run right next to

117

00:06:07,939 --> 00:06:03,770

another don't you remember me

118

00:06:11,450 --> 00:06:07,949

can you imagine you meet the next love

119

00:06:14,570 --> 00:06:11,460

of your life both of you been probed at

120

00:06:17,659 --> 00:06:14,580

the same time I don't think the probing

121

00:06:22,480 --> 00:06:17,669

is real thing really I think it's just a

122

00:06:30,320 --> 00:06:25,430

sorry I had to sneeze there um well you

123

00:06:31,909 --> 00:06:30,330

know where that started right tell us I

124

00:06:34,820 --> 00:06:31,919

believe it started with whitley strieber

125

00:06:37,159 --> 00:06:34,830

and his book communion which by the way

126
00:06:40,219 --> 00:06:37,169
went on to be a movie with Christopher

127
00:06:44,810 --> 00:06:40,229
Walken which it's very interesting

128
00:06:46,730 --> 00:06:44,820
yeah my movie was out of this world she

129
00:06:49,460 --> 00:06:46,740
dances with aliens in the movie it's so

130
00:06:51,189 --> 00:06:49,470
weird but I believe that's where that

131
00:06:52,719 --> 00:06:51,199
came from but you know bro

132
00:06:54,409 --> 00:06:52,729
extraterrestrial the movie

133
00:06:56,450 --> 00:06:54,419
extraterrestrial that came out just a

134
00:06:58,550 --> 00:06:56,460
few years ago there is a probing scene

135
00:07:02,810 --> 00:06:58,560
in that movie where the probe has like

136
00:07:04,790 --> 00:07:02,820
blades on it and it's spinning yeah now

137
00:07:06,500 --> 00:07:04,800
that's a you know that's if you're gonna

138
00:07:10,730 --> 00:07:06,510

get probed that's not the way to go I'm

139

00:07:13,100 --> 00:07:10,740

just saying but anyway moving on from

140

00:07:15,110 --> 00:07:13,110

probing these weird things are happening

141

00:07:16,670 --> 00:07:15,120

the people want to know so Joe and I we

142

00:07:18,170 --> 00:07:16,680

got in the got on the road and we were

143

00:07:22,490 --> 00:07:18,180

like you know hey let's cool and meet up

144

00:07:24,620 --> 00:07:22,500

with some whistleblowers and you know do

145

00:07:28,940 --> 00:07:24,630

what we preach so of course we had to

146

00:07:30,469 --> 00:07:28,950

start with mr. jeremy compel he'll miss

147

00:07:32,450 --> 00:07:30,479

Adam what's this skinny mini

148

00:07:34,850 --> 00:07:32,460

yeah and for those of you who don't know

149

00:07:36,589 --> 00:07:34,860

he did the ultimate area 51 documentary

150

00:07:39,620 --> 00:07:36,599

called area 51

151

00:07:47,060 --> 00:07:39,630

Baba's arm flying saucers not relation

152

00:07:51,080 --> 00:07:47,070

70 and patient 17 and hunt for the yeah

153

00:07:53,870 --> 00:07:51,090

I'd say see apologist yeah absolutely

154

00:07:57,710 --> 00:07:53,880

he's really passionate about what the

155

00:07:59,240 --> 00:07:57,720

community is experiencing and you know

156

00:08:02,450 --> 00:07:59,250

he could actually took the lead on the

157

00:08:05,150 --> 00:08:02,460

event just kind of strut like the storm

158

00:08:07,610 --> 00:08:05,160

area51 event just trying to steer them

159

00:08:09,320 --> 00:08:07,620

into a more realistic direction like hey

160

00:08:12,650 --> 00:08:09,330

let's let's make this a positive event

161

00:08:14,360 --> 00:08:12,660

as opposed to oh [h__h] party fire

162

00:08:18,820 --> 00:08:14,370

festival you know 2.0 like everybody

163

00:08:24,600 --> 00:08:20,379

but he had some really interesting

164

00:08:26,320 --> 00:08:24,610

inside he showed us some clips that

165

00:08:28,270 --> 00:08:26,330

nobody's ever seen a bob lazar

166

00:08:31,149 --> 00:08:28,280

explaining some really interesting stuff

167

00:08:34,750 --> 00:08:31,159

and so that was like whoa what was that

168

00:08:39,759 --> 00:08:34,760

like bro just like I was so into Bob

169

00:08:42,279 --> 00:08:39,769

Lazar like ie for years just yeah I know

170

00:08:46,600 --> 00:08:42,289

you won't shut the [h__h] up about it yeah

171

00:08:49,360 --> 00:08:46,610

Here I am like you know watching a video

172

00:08:52,750 --> 00:08:49,370

and wondering how he smells do you think

173

00:08:54,819 --> 00:08:52,760

he smells like Jesus if he prays smells

174

00:09:04,060 --> 00:08:54,829

like brew and a middle finger leave him

175

00:09:06,460 --> 00:09:04,070

alone we get a contract oh yes so but

176

00:09:10,000 --> 00:09:06,470

anyway Jeremy Corbyn he's great and then

177

00:09:17,280 --> 00:09:10,010

we but here's the thing we met these

178

00:09:20,250 --> 00:09:17,290

people Joe in the weirdest places oh why

179

00:09:23,740 --> 00:09:20,260

why what's up with all the secret like

180

00:09:25,120 --> 00:09:23,750

places what's the deal with that nobody

181

00:09:29,139 --> 00:09:25,130

following you getting out the hell out

182

00:09:30,880 --> 00:09:29,149

the white yeah and we can spy on you

183

00:09:34,540 --> 00:09:30,890

because we did get some kind of really

184

00:09:36,699 --> 00:09:34,550

interesting stuff from people like Rick

185

00:09:38,440 --> 00:09:36,709

Doty which we'll talk about yeah that

186

00:09:40,750 --> 00:09:38,450

was actually housing that was emerged

187

00:09:42,130 --> 00:09:40,760

that was a mystery well let's just go

188

00:09:46,079 --> 00:09:42,140

right into that we had to meet him out

189

00:09:49,800 --> 00:09:46,089

on a dry lakebed yeah out middle nowhere

190

00:09:53,920 --> 00:09:49,810

just to get some info and this guy

191

00:09:57,069 --> 00:09:53,930

claims to have worked at area 51 well he

192

00:10:01,269 --> 00:09:57,079

had proof oh yeah he had actual ID

193

00:10:04,449 --> 00:10:01,279

badges Oh bless you I had the same

194

00:10:04,750 --> 00:10:04,459

problem it's going around it says so

195

00:10:08,260 --> 00:10:04,760

here

196

00:10:10,750 --> 00:10:08,270

oh I know my right nostril is really

197

00:10:15,579 --> 00:10:10,760

tickly let me tell you it's very tickly

198

00:10:18,579 --> 00:10:15,589

right nostril but so this guy has a

199

00:10:23,380 --> 00:10:18,589

badge access top-level security

200

00:10:25,300 --> 00:10:23,390

clearance and we're outside you know

201
00:10:27,100 --> 00:10:25,310
reviewing some documents looking at the

202
00:10:29,550 --> 00:10:27,110
names of the projects he was working on

203
00:10:32,650 --> 00:10:29,560
getting some the inside scoop about

204
00:10:33,850 --> 00:10:32,660
aliens and how they grow up

205
00:10:36,189 --> 00:10:33,860
because you're the alien guy here just

206
00:10:37,780 --> 00:10:36,199
so you guys know I think aliens are cool

207
00:10:39,809 --> 00:10:37,790
they're awesome I love aliens I'm really

208
00:10:43,090 --> 00:10:39,819
more about the UFOs and how they work

209
00:10:45,460 --> 00:10:43,100
because I feel like that has instant

210
00:10:47,379 --> 00:10:45,470
real-world application if we could get

211
00:10:49,420 --> 00:10:47,389
that technology up and running into the

212
00:10:53,439 --> 00:10:49,430
you know mass consumer market we

213
00:10:54,879 --> 00:10:53,449

wouldn't have you know fuel problems we

214

00:10:56,650 --> 00:10:54,889

wouldn't have pollution we wouldn't have

215

00:10:58,720 --> 00:10:56,660

so you're telling me you're more

216

00:11:00,490 --> 00:10:58,730

interested about the technology of the

217

00:11:02,680 --> 00:11:00,500

UFOs instead of the actual beings that

218

00:11:04,600 --> 00:11:02,690

are flying these things know how to

219

00:11:06,460 --> 00:11:04,610

operate these things they can just walk

220

00:11:07,900 --> 00:11:06,470

over and probably look at something and

221

00:11:09,790 --> 00:11:07,910

turn it on for you and say there you go

222

00:11:11,079 --> 00:11:09,800

anything else and you can't communicate

223

00:11:13,780 --> 00:11:11,089

with the son-of-a-bitch

224

00:11:15,670 --> 00:11:13,790

well it's because there's no physical

225

00:11:19,300 --> 00:11:15,680

way a bulge

226

00:11:21,430 --> 00:11:19,310

there's no vocal rule no proof not

227

00:11:28,809 --> 00:11:21,440

playing dummy that's what I said proof

228

00:11:33,850 --> 00:11:28,819

playing you're crazy man there's no

229

00:11:37,860 --> 00:11:33,860

there's look with UFOs you know the DoD

230

00:11:50,170 --> 00:11:40,600

jetpack to hit my tooth my tooth fell

231

00:11:53,889 --> 00:11:50,180

out and my jaw is just radiating now

232

00:11:56,679 --> 00:11:53,899

listen they released them there is a

233

00:11:58,240 --> 00:11:56,689

trail of ownership in terms of how they

234

00:12:00,340 --> 00:11:58,250

were released to the public so we know

235

00:12:03,490 --> 00:12:00,350

that they did indeed come from the Navy

236

00:12:05,769 --> 00:12:03,500

now couple weeks actually was a few days

237

00:12:07,090 --> 00:12:05,779

before the storming event was a couple

238

00:12:09,579 --> 00:12:07,100

weeks ago now but a few days before the

239

00:12:12,249 --> 00:12:09,589

storming event the Navy came out and

240

00:12:14,800 --> 00:12:12,259

said those are UFOs as a matter of fact

241

00:12:16,569 --> 00:12:14,810

through you ApS unidentified aerial

242

00:12:19,449 --> 00:12:16,579

phenomena now that's an interesting

243

00:12:20,650 --> 00:12:19,459

because they can't say they're objects

244

00:12:23,019 --> 00:12:20,660

because you don't know it's a phenomena

245

00:12:26,829 --> 00:12:23,029

you can't tell if it's an object right

246

00:12:33,670 --> 00:12:26,839

object like in first object in first

247

00:12:35,379 --> 00:12:33,680

physical oh Jesus are you done anyway

248

00:12:36,999 --> 00:12:35,389

object in first something physical

249

00:12:38,439 --> 00:12:37,009

whereas phenomena I think is more

250

00:12:41,049 --> 00:12:38,449

encompassing because you've got weird

251
00:12:43,000 --> 00:12:41,059
things like vortexes you have the UFOs

252
00:12:44,079 --> 00:12:43,010
but then you have those lights and then

253
00:12:46,000 --> 00:12:44,089
you have the lights that appear over

254
00:12:49,150 --> 00:12:46,010
cornfields and make for King

255
00:12:51,640 --> 00:12:49,160
circles is crazy but you kind of decide

256
00:12:53,740 --> 00:12:51,650
to cut it's called Jimmy Jake and Phil

257
00:12:55,200 --> 00:12:53,750
Margeria down the road that doing it on

258
00:13:00,910 --> 00:12:55,210
the field

259
00:13:03,220 --> 00:13:00,920
sorry you okay I'm Timmy - you're

260
00:13:06,940 --> 00:13:03,230
wearing your helmet right no I'm not I

261
00:13:11,860 --> 00:13:06,950
got my I got my Yoshi bandaid on I don't

262
00:13:13,350 --> 00:13:11,870
know I know but we got to keep going

263
00:13:18,490 --> 00:13:13,360

what we're talking about no these these

264

00:13:22,750 --> 00:13:18,500

phenomenon phenomenon yeah what about

265

00:13:25,540 --> 00:13:22,760

him they flappy they fly no they fly

266

00:13:27,450 --> 00:13:25,550

they float they they don't fly or float

267

00:13:31,300 --> 00:13:27,460

they just sit there and they move the

268

00:13:34,180 --> 00:13:31,310

field around them I know or well what

269

00:13:36,430 --> 00:13:34,190

I'm saying is from yeah the perspective

270

00:13:38,620 --> 00:13:36,440

of the viewer yes they look like ping

271

00:13:40,750 --> 00:13:38,630

pong balls bouncing or like something

272

00:13:42,520 --> 00:13:40,760

floating on a wave or gravity way so

273

00:13:44,140 --> 00:13:42,530

there's all kinds of manifestations of

274

00:13:46,800 --> 00:13:44,150

the phenomena anyway I just want thank

275

00:13:50,260 --> 00:13:46,810

you for drawing that out so [h__\h] long

276

00:13:55,210 --> 00:13:50,270

you Joe and all I wanted to say was they

277

00:13:58,410 --> 00:13:55,220

change the acronym to UAP Jesus because

278

00:14:05,350 --> 00:13:58,420

of you because of you

279

00:14:19,420 --> 00:14:05,360

well don't forget about VPAP how does it

280

00:14:23,290 --> 00:14:19,430

go I have a PPA peep in pineapple house

281

00:14:26,080 --> 00:14:23,300

I go pineapple pan or something anyway I

282

00:14:28,840 --> 00:14:26,090

love that song so the Navy is like whoa

283

00:14:30,010 --> 00:14:28,850

this is real so it was really cool how

284

00:14:31,150 --> 00:14:30,020

everything kind of came down at that

285

00:14:34,000 --> 00:14:31,160

moment right there we were standing

286

00:14:35,320 --> 00:14:34,010

there literally and Rachel Nevada kind

287

00:14:37,810 --> 00:14:35,330

of checking out the stuff and we were

288

00:14:39,670 --> 00:14:37,820

like whoa this revelation on this day

289

00:14:41,170 --> 00:14:39,680

this is a big deal because we're like

290

00:14:41,800 --> 00:14:41,180

out of you're covering it and talking

291

00:14:44,920 --> 00:14:41,810

about it

292

00:14:46,840 --> 00:14:44,930

so we also met with Greg Agee in by the

293

00:14:50,260 --> 00:14:46,850

way who is a history professor for Penn

294

00:14:53,250 --> 00:14:50,270

State super cool guy he gave us some

295

00:14:55,870 --> 00:14:53,260

really cool background on the area and

296

00:14:58,390 --> 00:14:55,880

apparently there was like supernatural

297

00:14:58,990 --> 00:14:58,400

paranormal sort of happenings in the

298

00:15:02,290 --> 00:14:59,000

dead

299

00:15:04,900 --> 00:15:02,300

in those areas like hundreds of years

300

00:15:06,670 --> 00:15:04,910

ago what do you think of that oh yeah

301

00:15:08,110 --> 00:15:06,680

look at all the frickin all the

302

00:15:08,740 --> 00:15:08,120

carcasses they're sitting out there as

303

00:15:11,920 --> 00:15:08,750

we speak

304

00:15:14,530 --> 00:15:11,930

oh yeah tons of dead stuff out there

305

00:15:17,019 --> 00:15:14,540

kidding me there's a car thief oh no no

306

00:15:19,509 --> 00:15:17,029

no no no no no none you say dead

307

00:15:20,800 --> 00:15:19,519

stuff out there that's dead stuff like

308

00:15:23,650 --> 00:15:20,810

where did you get that for like how did

309

00:15:25,509 --> 00:15:23,660

we get into that that's a cow mutilation

310

00:15:27,009 --> 00:15:25,519

kind of thing you see it's just it's not

311

00:15:29,949 --> 00:15:27,019

County Laois insist they're dying out of

312

00:15:32,619 --> 00:15:29,959

desert and they their bones is always

313

00:15:33,970 --> 00:15:32,629

left of the Colt and I know you're

314

00:15:37,449 --> 00:15:33,980

talking about now you mean that's part

315

00:15:39,550 --> 00:15:37,459

of the weird thing yes is that you can't

316

00:15:41,110 --> 00:15:39,560

deny there's always dead stuff out there

317

00:15:42,790 --> 00:15:41,120

let me tell you there's nothing stranger

318

00:15:45,129 --> 00:15:42,800

than a couch I don't know the desert Joe

319

00:15:49,689 --> 00:15:45,139

that's a pretty common thing but it is

320

00:15:51,910 --> 00:15:49,699

weird that it's not a common area what I

321

00:15:53,410 --> 00:15:51,920

said it is weird that they're all in the

322

00:15:55,119 --> 00:15:53,420

same area with a dying because we saw

323

00:15:57,069 --> 00:15:55,129

like how many sets of bones I don't even

324

00:15:59,920 --> 00:15:57,079

know like a dozen yeah yeah well we're

325

00:16:01,689 --> 00:15:59,930

on our field investigation so you know

326

00:16:03,340 --> 00:16:01,699

it's just all around kind of an eerie

327

00:16:05,379 --> 00:16:03,350

place but it is beautiful for those of

328

00:16:07,439 --> 00:16:05,389

you if you attract miles people we

329

00:16:12,699 --> 00:16:07,449

checked miles out in the desert and

330

00:16:16,299 --> 00:16:12,709

their insane amount of bone oh yeah it

331

00:16:17,590 --> 00:16:16,309

was like it's so much fun I also love

332

00:16:19,540 --> 00:16:17,600

meeting with Earl Grey Anderson who's

333

00:16:21,549 --> 00:16:19,550

from the southern chapter of MUFON in

334

00:16:26,350 --> 00:16:21,559

California what was your favorite part

335

00:16:28,420 --> 00:16:26,360

about meeting with him mr. Earl Grey the

336

00:16:30,369 --> 00:16:28,430

fact that it's all about abduction case

337

00:16:32,679 --> 00:16:30,379

not all about but he does abduction

338

00:16:34,150 --> 00:16:32,689

cases and he has a physical piece of

339

00:16:35,530 --> 00:16:34,160

paper that you just fill out a funny

340

00:16:42,040 --> 00:16:35,540

abduction kind of like sitting down

341

00:16:45,160 --> 00:16:42,050

debate ah counselor anybody yes was it

342

00:16:46,990 --> 00:16:45,170

gray reptilian what was it great big

343

00:16:49,689 --> 00:16:47,000

eyes small eyes Oh big eyes it's just a

344

00:16:53,110 --> 00:16:49,699

circle questionnaire yeah it's like

345

00:16:56,350 --> 00:16:53,120

actual documentation yep he had actual

346

00:16:58,869 --> 00:16:56,360

physical documentation of actual

347

00:17:05,350 --> 00:16:58,879

abduction cases right in his hand that I

348

00:17:08,889 --> 00:17:05,360

saw it with my own four eyes or it's

349

00:17:09,340 --> 00:17:08,899

about right let me tell you but that was

350

00:17:12,279 --> 00:17:09,350

fun though

351

00:17:12,819 --> 00:17:12,289

he was fun he's this guy dedicates his

352

00:17:14,769 --> 00:17:12,829

whole day

353

00:17:16,120 --> 00:17:14,779

- doctor - going over UFO cases it's

354

00:17:19,149 --> 00:17:16,130

like crazy

355

00:17:20,620 --> 00:17:19,159

he's so detailed and that's good because

356

00:17:22,059 --> 00:17:20,630

when you track stuff like that and

357

00:17:24,490 --> 00:17:22,069

you're detailed you can find a pattern

358

00:17:25,990 --> 00:17:24,500

which can help you kind of get closer to

359

00:17:29,310 --> 00:17:26,000

understanding what the hell's happening

360

00:17:31,330 --> 00:17:29,320

so I think we definitely I you know what

361

00:17:35,950 --> 00:17:31,340

alien abductions need to be brought up

362

00:17:37,240 --> 00:17:35,960

more don't you think yes the abductions

363

00:17:39,159 --> 00:17:37,250

the whole I mean there's some people

364

00:17:40,570 --> 00:17:39,169

that have them on film like they run

365

00:17:42,250 --> 00:17:40,580

outside you look in the bushes and it

366

00:17:46,180 --> 00:17:42,260

sees it looking at them in a duck's way

367

00:17:48,250 --> 00:17:46,190

I mean yeah but I mean we need to get

368

00:17:50,169 --> 00:17:48,260

more on the aliens these are beings that

369

00:17:52,299 --> 00:17:50,179

are all the only thing other than us in

370

00:17:54,460 --> 00:17:52,309

this whole entire universe aren't you

371

00:17:56,470 --> 00:17:54,470

most interested in that no I want to

372

00:17:59,470 --> 00:17:56,480

know how they [h__h] sit there and

373

00:18:01,960 --> 00:17:59,480

afloat okay look the reason okay it's

374

00:18:07,600 --> 00:18:01,970

when you pull out it's when people get

375

00:18:09,850 --> 00:18:07,610

into oh my god it's when people get into

376

00:18:12,610 --> 00:18:09,860

the reptilians and the mantas mantas

377

00:18:14,740 --> 00:18:12,620

people and the cat people and the

378

00:18:18,250 --> 00:18:14,750

Bluebird people that's when I'm like I

379

00:18:20,860 --> 00:18:18,260

don't even want to like go down that

380

00:18:22,870 --> 00:18:20,870

path fully I'm you got a pic one or the

381

00:18:28,810 --> 00:18:22,880

other right I mean why aren't you into

382

00:18:30,220 --> 00:18:28,820

the UFOs as much yeah all you pretty

383

00:18:32,909 --> 00:18:30,230

much know about a skinny Bob that's

384

00:18:36,009 --> 00:18:32,919

about it well that's only true alien

385

00:18:38,680 --> 00:18:36,019

come on now what Rick Doty said come on

386

00:18:43,810 --> 00:18:38,690

now now for the people who are listening

387

00:18:45,930 --> 00:18:43,820

what is skinny Bob tell him just go to

388

00:18:49,330 --> 00:18:45,940

google and type is get no skinny Bob is

389

00:18:52,000 --> 00:18:49,340

it was the video was founded 2011 by

390

00:18:54,669 --> 00:18:52,010

some youtuber but it's video footage

391

00:18:59,019 --> 00:18:54,679

from the 40s the 50s of a family of four

392

00:19:02,350 --> 00:18:59,029

aliens big bulbous heads gray four long

393

00:19:04,899 --> 00:19:02,360

fingers wearing black attire and it

394

00:19:07,299 --> 00:19:04,909

shows old video you know real real

395

00:19:10,269 --> 00:19:07,309

footage of it and it's the first

396

00:19:12,700 --> 00:19:10,279

documentation of known aliens and when

397

00:19:14,649 --> 00:19:12,710

we talk to mr. Rick Doty asked him well

398

00:19:16,659 --> 00:19:14,659

what they look like so I he's like well

399

00:19:18,159 --> 00:19:16,669

they they he explained them I'm showing

400

00:19:20,879 --> 00:19:18,169

a picture of skinny Bob I said like this

401
00:19:24,790 --> 00:19:20,889
said that's exactly what was in the room

402
00:19:27,820 --> 00:19:24,800
so when we talk about the room

403
00:19:30,850 --> 00:19:27,830
when wherever Rick Doty was in he saw

404
00:19:33,580 --> 00:19:30,860
non CCTV of a knit of skinny Bob walking

405
00:19:36,010 --> 00:19:33,590
around the sale his sale holding a

406
00:19:37,270 --> 00:19:36,020
crystal ball and rolling it around or

407
00:19:38,380 --> 00:19:37,280
some kind of object he said yeah that

408
00:19:40,810 --> 00:19:38,390
was crazy

409
00:19:43,090 --> 00:19:40,820
I mean the ball object round piece of

410
00:19:45,700 --> 00:19:43,100
something here's my thing on skinny Bob

411
00:19:47,440 --> 00:19:45,710
it looks freakin real to me I mean in

412
00:19:51,220 --> 00:19:47,450
what I mean by that is I imagine that's

413
00:19:55,240 --> 00:19:51,230

what they would look like because for

414

00:19:57,760 --> 00:19:55,250

several reasons one in that video you

415

00:19:59,440 --> 00:19:57,770

can see the muscle striations that are

416

00:20:00,850 --> 00:19:59,450

in the neck you can see the nude ever so

417

00:20:05,140 --> 00:20:00,860

slightly and I'm not saying that's not

418

00:20:06,730 --> 00:20:05,150

accomplished by CGI but by the way

419

00:20:11,680 --> 00:20:06,740

they've tried to debunk it Richard Dolan

420

00:20:13,030 --> 00:20:11,690

tried to debunk it up anyway mmm he

421

00:20:19,120 --> 00:20:13,040

tried to debunk it put I just don't

422

00:20:20,500 --> 00:20:19,130

think him just being there like are

423

00:20:22,870 --> 00:20:20,510

looking at it and kind of just throwing

424

00:20:25,720 --> 00:20:22,880

it to the side as something that's CGI I

425

00:20:29,710 --> 00:20:25,730

don't think that's ideal I think it

426
00:20:32,440 --> 00:20:29,720
needs we need to figure out who released

427
00:20:33,460 --> 00:20:32,450
it you know there's so many questions

428
00:20:38,650 --> 00:20:33,470
about that video

429
00:20:41,470 --> 00:20:38,660
I feel mmm it's really interesting I

430
00:20:43,060 --> 00:20:41,480
mean you can see the camera pit pan from

431
00:20:47,050 --> 00:20:43,070
the feet of the beam all the way to the

432
00:20:48,430 --> 00:20:47,060
top and it's not very tall no but I mean

433
00:20:50,980 --> 00:20:48,440
like that that's the kind of footage

434
00:20:53,290 --> 00:20:50,990
that we like to get into and you know

435
00:20:57,390 --> 00:20:53,300
that is interesting I tend to look we're

436
00:21:00,610 --> 00:20:57,400
not about debunking we're about general

437
00:21:04,270 --> 00:21:00,620
valid Evans well here's the thing if you

438
00:21:06,100 --> 00:21:04,280

you're right bro movie like if we spent

439

00:21:09,040 --> 00:21:06,110

time debunking everything I don't think

440

00:21:12,190 --> 00:21:09,050

we would miss the stuff that's mostly

441

00:21:15,480 --> 00:21:12,200

real and how do you tell real from fake

442

00:21:18,610 --> 00:21:15,490

I don't know I sometimes I feel like

443

00:21:21,160 --> 00:21:18,620

anything so real looks fake and anything

444

00:21:22,750 --> 00:21:21,170

really fake can look real so you know

445

00:21:24,760 --> 00:21:22,760

you never know the only way to do is

446

00:21:27,820 --> 00:21:24,770

well it's been almost 10 years since

447

00:21:29,260 --> 00:21:27,830

that video was found why isn't the

448

00:21:33,520 --> 00:21:29,270

person come out and said anything yet

449

00:21:35,200 --> 00:21:33,530

about it then I don't know what would be

450

00:21:38,290 --> 00:21:35,210

the point just to stir people up or

451
00:21:41,230 --> 00:21:38,300
maybe it's another just information

452
00:21:42,850 --> 00:21:41,240
you know like somebody just put it out

453
00:21:45,010 --> 00:21:42,860
there to confuse everybody but I think

454
00:21:48,940 --> 00:21:45,020
that that video will only I think sparks

455
00:21:50,020 --> 00:21:48,950
imagination in my opinion you know I've

456
00:21:52,270 --> 00:21:50,030
never seen a better video

457
00:21:54,790 --> 00:21:52,280
somebody tell me show me show me a

458
00:21:56,350 --> 00:21:54,800
better video grab it seriously and I

459
00:21:57,610 --> 00:21:56,360
want to see don't you if there's

460
00:21:58,900 --> 00:21:57,620
something better out there than the

461
00:22:03,310 --> 00:21:58,910
skinny bought video I want to see it

462
00:22:04,900 --> 00:22:03,320
yeah me I agree period I'm on my BOB

463
00:22:06,910 --> 00:22:04,910

with skinny Bob what about skinny Bob

464

00:22:10,210 --> 00:22:06,920

kitchen what about skinny Bob t-shirts

465

00:22:13,740 --> 00:22:10,220

on real UFO bros calm it's true director

466

00:22:16,240 --> 00:22:13,750

guys there shit's shirts and [h__\h] there

467

00:22:19,830 --> 00:22:16,250

yeah you can help support us by going to

468

00:22:23,620 --> 00:22:19,840

patreon too or you can just pay palace

469

00:22:25,150 --> 00:22:23,630

hat UFO Bros TV some people like to just

470

00:22:28,660 --> 00:22:25,160

shoot us some money to help support us

471

00:22:30,580 --> 00:22:28,670

we don't care either way no we do it we

472

00:22:32,860 --> 00:22:30,590

do it for everybody we don't we do this

473

00:22:34,210 --> 00:22:32,870

because it's fun but you know those

474

00:22:35,770 --> 00:22:34,220

little things here and there does help

475

00:22:36,940 --> 00:22:35,780

pay for hosting or whatever for our site

476

00:22:38,860 --> 00:22:36,950

which you know there are ongoing

477

00:22:39,430 --> 00:22:38,870

expenses they're minimal but hey every

478

00:22:44,260 --> 00:22:39,440

little bit helps

479

00:22:46,090 --> 00:22:44,270

I don't know bro I don't know how do we

480

00:22:49,660 --> 00:22:46,100

come back to normal after what we just

481

00:22:51,419 --> 00:22:49,670

went through I mean you don't we had

482

00:22:55,419 --> 00:22:51,429

travel channel follow us on our journey

483

00:22:57,370 --> 00:22:55,429

yeah and that happened fast for those of

484

00:22:59,860 --> 00:22:57,380

you who don't know like I know I talked

485

00:23:02,260 --> 00:22:59,870

about it happening within six weeks but

486

00:23:06,460 --> 00:23:02,270

I don't think people Joe really

487

00:23:09,669 --> 00:23:06,470

understand like so much crew so many

488

00:23:12,700 --> 00:23:09,679

editors so I mean it's you know just

489

00:23:17,380 --> 00:23:12,710

remarkable and crazy they were awesome

490

00:23:22,780 --> 00:23:17,390

though he had anomaly productions mob

491

00:23:28,960 --> 00:23:22,790

main squeezes and not believe yes to

492

00:23:31,840 --> 00:23:28,970

hero and Mike Gunn our executive

493

00:23:33,490 --> 00:23:31,850

producer who was like the coolest guy is

494

00:23:37,270 --> 00:23:33,500

so patient because Joe and I are like

495

00:23:42,650 --> 00:23:37,280

insane together yeah which is why I

496

00:23:46,040 --> 00:23:44,570

no Joe's on a mission he's on a UFO

497

00:23:49,520 --> 00:23:46,050

mission right now he's hunting for a

498

00:23:51,680 --> 00:23:49,530

tiny bag of flaming hot cheetos nah I

499

00:23:55,010 --> 00:23:51,690

don't eat that hot [h__h] no I have my

500

00:23:57,590 --> 00:23:55,020

hunting is more far more severe than

501
00:24:00,500 --> 00:23:57,600
that I am trying to find roles growth

502
00:24:04,010 --> 00:24:00,510
trying to find roles gold pretzels

503
00:24:04,610 --> 00:24:04,020
cheddar cheddar flavored we'll go

504
00:24:06,500 --> 00:24:04,620
preppie

505
00:24:09,500 --> 00:24:06,510
you could find a store with them let me

506
00:24:12,290 --> 00:24:09,510
know I was like gold okay Oh [h__h]

507
00:24:14,780 --> 00:24:12,300
pretzels of course have you had enough

508
00:24:15,230 --> 00:24:14,790
pretzels Jesus yeah coz that one broke

509
00:24:17,600 --> 00:24:15,240
my tooth

510
00:24:23,990 --> 00:24:17,610
oh yeah that's right you broke your

511
00:24:29,120 --> 00:24:24,000
tooth I love it I mean you know tell ya

512
00:24:32,210 --> 00:24:29,130
I came back home and I was thinking what

513
00:24:35,120 --> 00:24:32,220

like is this gonna happen next year like

514

00:24:36,520 --> 00:24:35,130

what does this mean for disclosure

515

00:24:39,670 --> 00:24:36,530

because you guys gotta remember this was

516

00:24:43,250 --> 00:24:39,680

storming area 51 they can't stop us all

517

00:24:45,770 --> 00:24:43,260

was a hundred percent a people driven

518

00:24:49,040 --> 00:24:45,780

disclosure event it was it was a

519

00:24:51,280 --> 00:24:49,050

movement of the people now nobody went

520

00:24:54,280 --> 00:24:51,290

there with any intent to harm it seems

521

00:25:02,810 --> 00:24:54,290

yes a couple people arrested I bro like

522

00:25:04,460 --> 00:25:02,820

yeah gently very much yeah and everybody

523

00:25:06,110 --> 00:25:04,470

did a great job everybody was like

524

00:25:07,700 --> 00:25:06,120

blinded they all went there and

525

00:25:12,080 --> 00:25:07,710

literally stood at the gates of a

526

00:25:15,380 --> 00:25:12,090

government military facility and said we

527

00:25:17,750 --> 00:25:15,390

want answers what are you hiding I mean

528

00:25:21,560 --> 00:25:17,760

can you think of a time ever in history

529

00:25:23,780 --> 00:25:21,570

that that has ever happened ever nope

530

00:25:26,740 --> 00:25:23,790

where a group of people get together on

531

00:25:29,360 --> 00:25:26,750

basically the lines of you know

532

00:25:31,430 --> 00:25:29,370

government land into mount and shouted

533

00:25:34,130 --> 00:25:31,440

and demanded answers for UFOs people and

534

00:25:37,520 --> 00:25:34,140

aliens I mean you know there's a story

535

00:25:40,420 --> 00:25:37,530

that aliens are kept below area 51 and

536

00:25:44,900 --> 00:25:40,430

here's the story about it

537

00:25:48,110 --> 00:25:44,910

they call him j-rod Joe this gray alien

538

00:25:50,930 --> 00:25:48,120

yeah yes remember Rick Doty said they

539

00:25:53,690 --> 00:25:50,940

didn't know if he was being kept against

540

00:25:55,040 --> 00:25:53,700

his will or if he was a visitor or gas

541

00:25:55,850 --> 00:25:55,050

store there that we don't really

542

00:25:58,100 --> 00:25:55,860

apparently they

543

00:26:01,880 --> 00:25:58,110

know about this gray alien and why it

544

00:26:06,370 --> 00:26:01,890

was there particularly but they did try

545

00:26:08,780 --> 00:26:06,380

to interface with it telepathically and

546

00:26:12,049 --> 00:26:08,790

there was one individual in particular

547

00:26:15,380 --> 00:26:12,059

that was I and forgive me the name

548

00:26:18,440 --> 00:26:15,390

escapes me I should know it I feel like

549

00:26:19,580 --> 00:26:18,450

David Ayer comes to mind but I don't

550

00:26:23,180 --> 00:26:19,590

remember it's one of those old white

551
00:26:26,210 --> 00:26:23,190
dudes frankly one of those old white

552
00:26:28,480 --> 00:26:26,220
dudes that they anyway so j-rod was this

553
00:26:34,130 --> 00:26:28,490
alien that they kept in its own

554
00:26:35,840 --> 00:26:34,140
environmental like area so that it could

555
00:26:37,909 --> 00:26:35,850
breathe the right temp breather right

556
00:26:39,460 --> 00:26:37,919
atmosphere and that in order to

557
00:26:42,530 --> 00:26:39,470
transport it they would move these

558
00:26:50,539 --> 00:26:42,540
trucks with trailers and in the back of

559
00:26:54,260 --> 00:26:50,549
it would be j-rod but way hot like if

560
00:26:56,450 --> 00:26:54,270
this is real well do you think it's even

561
00:26:58,640 --> 00:26:56,460
possible the hole in a lien against its

562
00:27:00,980 --> 00:26:58,650
like an advanced being against its will

563
00:27:02,870 --> 00:27:00,990

DME like really it doesn't know what the

564

00:27:06,260 --> 00:27:02,880

[\h__\h] going on it's just saying they're

565

00:27:08,060 --> 00:27:06,270

going where's where's Jerry he's

566

00:27:10,909 --> 00:27:08,070

supposed to be right here he's been gone

567

00:27:11,990 --> 00:27:10,919

for three decades nobody knows what

568

00:27:13,880 --> 00:27:12,000

you're talking about but these are

569

00:27:16,159 --> 00:27:13,890

beings that can literally move through

570

00:27:18,530 --> 00:27:16,169

your bedroom walls take you out up into

571

00:27:21,470 --> 00:27:18,540

a flying saucer take you to space bring

572

00:27:24,409 --> 00:27:21,480

you back but they're trapped at area 51

573

00:27:25,520 --> 00:27:24,419

I just don't I just that's where I kind

574

00:27:28,039 --> 00:27:25,530

of have a hard time with the alien thing

575

00:27:30,130 --> 00:27:28,049

and trying to put it together well

576
00:27:32,480 --> 00:27:30,140
they're stripped without everything bro

577
00:27:33,890 --> 00:27:32,490
they're what they're stripped of

578
00:27:35,090 --> 00:27:33,900
everything like if they're in the ship

579
00:27:36,470 --> 00:27:35,100
they could probably use their brain to

580
00:27:38,120 --> 00:27:36,480
function whatever they need to in there

581
00:27:40,940 --> 00:27:38,130
but if they're in the salt during the

582
00:27:42,220 --> 00:27:40,950
concrete thing they're like my brain is

583
00:27:45,130 --> 00:27:42,230
not working

584
00:27:48,320 --> 00:27:45,140
hmm that door won't open

585
00:27:51,890 --> 00:27:48,330
so like something like maybe their ship

586
00:27:53,570 --> 00:27:51,900
amplifies their thoughts to connect with

587
00:27:55,039 --> 00:27:53,580
other people or cuz I'm thinking why

588
00:27:57,200 --> 00:27:55,049

wouldn't their people just show up and

589

00:27:58,700 --> 00:27:57,210

like beam them teleport them out of that

590

00:27:59,870 --> 00:27:58,710

frickin room and be like screw you guys

591

00:28:04,850 --> 00:27:59,880

that's what date that's what they told

592

00:28:05,879 --> 00:28:04,860

me did that's what they told me who told

593

00:28:10,749 --> 00:28:05,889

you

594

00:28:12,610 --> 00:28:10,759

skinny Baja oh Jesus people please go

595

00:28:15,190 --> 00:28:12,620

buy that damn shirt cuz I cannot hear

596

00:28:18,730 --> 00:28:15,200

one more damn thing about skinny Bob but

597

00:28:20,499 --> 00:28:18,740

anyway skinny Bob and j-rod those are

598

00:28:26,430 --> 00:28:20,509

the two aliens bro that we that were

599

00:28:33,549 --> 00:28:26,440

like yep looking into so much very much

600

00:28:36,820 --> 00:28:33,559

so here we are in our RV heading to the

601
00:28:38,259 --> 00:28:36,830
desert Joe's actually pretty damn good

602
00:28:42,369 --> 00:28:38,269
at driving that RV I gotta tell you and

603
00:28:44,049 --> 00:28:42,379
that was a long I was a huge ass RV yeah

604
00:28:45,490 --> 00:28:44,059
I gots ticket are you guys always ask do

605
00:28:56,009 --> 00:28:45,500
you grab this key right I can drive

606
00:28:59,470 --> 00:28:56,019
anything that's that's what I heard yeah

607
00:29:01,629 --> 00:28:59,480
fun adventure and we arrived at the

608
00:29:04,029 --> 00:29:01,639
alien research center after we stop and

609
00:29:06,100 --> 00:29:04,039
get our extraterrestrial highway sign

610
00:29:08,169 --> 00:29:06,110
pictures which by the way they took that

611
00:29:09,789 --> 00:29:08,179
down bro because they were worried about

612
00:29:10,720 --> 00:29:09,799
traffic and people stopping to take

613
00:29:15,700 --> 00:29:10,730

pictures at the Extra Terrestrial

614

00:29:16,779 --> 00:29:15,710

highway sign yep anyway so the alien

615

00:29:21,669 --> 00:29:16,789

research center for those of you have

616

00:29:23,499 --> 00:29:21,679

never been there it is in hiko Nevada or

617

00:29:27,909 --> 00:29:23,509

hiko I don't really know how each I Cal

618

00:29:31,119 --> 00:29:27,919

it is a giant huge metal alien that I

619

00:29:34,389 --> 00:29:31,129

don't know how tall is that thing hell I

620

00:29:37,210 --> 00:29:34,399

don't know I'm a feet is huge you can go

621

00:29:40,960 --> 00:29:37,220

on our social media at Wrightsville its

622

00:29:43,299 --> 00:29:40,970

priority stories tall yeah you can go on

623

00:29:45,039 --> 00:29:43,309

our social media at real UFO Bros on all

624

00:29:48,279 --> 00:29:45,049

things and you can check out so the

625

00:29:51,549 --> 00:29:48,289

pictures were posted anyway man if you

626

00:29:53,499 --> 00:29:51,559

want the ultimate like alien and UFO

627

00:29:55,450 --> 00:29:53,509

merchandise experience you got to go in

628

00:29:59,249 --> 00:29:55,460

there because they have everything in

629

00:30:03,070 --> 00:29:59,259

that place and it was reasonably priced

630

00:30:05,289 --> 00:30:03,080

surprisingly I mean like 20 bucks for

631

00:30:07,269 --> 00:30:05,299

t-shirt or \$24 I mean you'd expect you

632

00:30:08,889 --> 00:30:07,279

to be double that I mean how the hell

633

00:30:11,289 --> 00:30:08,899

else do you get t-shirts out middle the

634

00:30:12,950 --> 00:30:11,299

desert there's barely running water

635

00:30:15,930 --> 00:30:12,960

there for crying out loud

636

00:30:18,270 --> 00:30:15,940

and they had just all kinds of really

637

00:30:19,799 --> 00:30:18,280

cool stuff and Joe remember the little

638

00:30:22,410 --> 00:30:19,809

preview we got they are building

639

00:30:23,220 --> 00:30:22,420

something there yeah yep yep yep yep yep

640

00:30:25,590 --> 00:30:23,230

yep yep

641

00:30:27,260 --> 00:30:25,600

they are building eight actual research

642

00:30:32,669 --> 00:30:27,270

center it's really gonna be an actual

643

00:30:36,120 --> 00:30:32,679

research on everything UFO yeah so we

644

00:30:38,340 --> 00:30:36,130

get there really cool we do some

645

00:30:40,530 --> 00:30:38,350

interviews because obviously we're

646

00:30:42,539 --> 00:30:40,540

covering the event we do some some live

647

00:30:44,580 --> 00:30:42,549

Travel Channel stuff just like you guys

648

00:30:46,200 --> 00:30:44,590

they're setting up the food you know the

649

00:30:47,820 --> 00:30:46,210

food trucks are arriving this stage is

650

00:30:51,570 --> 00:30:47,830

going you know people are arriving

651
00:30:55,409 --> 00:30:51,580
there's RVs there's news everywhere it

652
00:30:56,940 --> 00:30:55,419
was it's you know to remind me of Joe

653
00:31:00,060 --> 00:30:56,950
mind me of this scene in the movie

654
00:31:01,980 --> 00:31:00,070
contact when they're driving with Jodie

655
00:31:04,710 --> 00:31:01,990
Foster and they're driving up through

656
00:31:06,060 --> 00:31:04,720
the array yeah there's all those people

657
00:31:07,830 --> 00:31:06,070
and they're like kind of cheering and

658
00:31:09,960 --> 00:31:07,840
sitting out and they're on top of the RV

659
00:31:12,330 --> 00:31:09,970
and they're all just kind of like you

660
00:31:13,799 --> 00:31:12,340
know welcome aliens or even the people

661
00:31:17,490 --> 00:31:13,809
in Independence Day like on the roof

662
00:31:22,320 --> 00:31:17,500
well it's like those people you know

663
00:31:24,810 --> 00:31:22,330

tinfoil hats yes hmm remember the lady

664

00:31:26,580 --> 00:31:24,820

with the living room that was awesome

665

00:31:28,950 --> 00:31:26,590

she had a freaking whole living room and

666

00:31:32,340 --> 00:31:28,960

outside yeah

667

00:31:33,480 --> 00:31:32,350

I shared a loveseat a chase or shades or

668

00:31:37,620 --> 00:31:33,490

whatever the hiring I don't know how

669

00:31:40,590 --> 00:31:37,630

that's said but I think it was even a

670

00:31:42,720 --> 00:31:40,600

rug out there it was hysterical people

671

00:31:44,970 --> 00:31:42,730

were loving it they were there to party

672

00:31:48,590 --> 00:31:44,980

and we went up to meet over there to

673

00:31:54,360 --> 00:31:48,600

party they're going off with you what

674

00:31:57,210 --> 00:31:54,370

yep party [h__h] me well I don't know I

675

00:31:58,830 --> 00:31:57,220

just get excited I get big I don't know

676

00:32:01,110 --> 00:31:58,840

energetic when I talk about it I want to

677

00:32:03,030 --> 00:32:01,120

I want to go back you know everybody's

678

00:32:04,940 --> 00:32:03,040

like oh remember we were asking so do

679

00:32:08,520 --> 00:32:04,950

you believe in aliens

680

00:32:13,440 --> 00:32:08,530

yes and they'd be like yeah why are you

681

00:32:15,000 --> 00:32:13,450

here exactly but remember there was a

682

00:32:16,340 --> 00:32:15,010

time when you could ask people maybe

683

00:32:19,220 --> 00:32:16,350

like

684

00:32:21,350 --> 00:32:19,230

you're weird I don't you know you must

685

00:32:23,030 --> 00:32:21,360

be some weird guy you know you don't

686

00:32:26,180 --> 00:32:23,040

believe in Jesus and you know it's you

687

00:32:29,600 --> 00:32:26,190

know how that goes people Jesus helps

688

00:32:30,680 --> 00:32:29,610

everybody but now it's like duh if you

689

00:32:34,130 --> 00:32:30,690

don't believe in aliens you're the crazy

690

00:32:38,900 --> 00:32:34,140

one and you know yep Mitch akak Mitchie

691

00:32:40,790 --> 00:32:38,910

Mitchie Kaku Michio Kaku Michio Kaku you

692

00:32:42,560 --> 00:32:40,800

really must data I don't know the guys

693

00:32:46,790 --> 00:32:42,570

name he's a Japanese guy with the white

694

00:32:48,230 --> 00:32:46,800

hair oh yeah scientist physicist

695

00:32:50,540 --> 00:32:48,240

yeah he's the co-founder of string

696

00:32:53,660 --> 00:32:50,550

theory he said it is now on the

697

00:32:55,270 --> 00:32:53,670

government to prove they that UFOs don't

698

00:32:57,890 --> 00:32:55,280

exist

699

00:33:00,500 --> 00:32:57,900

like the burden of proof has switched

700

00:33:03,950 --> 00:33:00,510

from the American people having to

701
00:33:06,740 --> 00:33:03,960
uncover to prove that it's real - all

702
00:33:08,510 --> 00:33:06,750
right now you have to respond they're

703
00:33:10,610 --> 00:33:08,520
real it's up to you now to prove that

704
00:33:11,690 --> 00:33:10,620
they're not so if they're not proving

705
00:33:15,310 --> 00:33:11,700
they're not then what does that mean I

706
00:33:18,590 --> 00:33:15,320
don't know right

707
00:33:24,430 --> 00:33:18,600
does that mean they know come on the

708
00:33:29,810 --> 00:33:24,440
government I mean hello maybe there is a

709
00:33:33,800 --> 00:33:29,820
secret you know they call you know the

710
00:33:37,480 --> 00:33:33,810
magic magic 12 or magic what am I

711
00:33:39,280 --> 00:33:37,490
talking about you know I'm talking about

712
00:33:45,260 --> 00:33:39,290
no I don't remember

713
00:33:46,400 --> 00:33:45,270

Wow no it's because it's because okay I

714

00:33:49,010 --> 00:33:46,410

lost my train of thought you here to be

715

00:33:53,480 --> 00:33:49,020

fair okay it's fine we'll find it again

716

00:33:55,100 --> 00:33:53,490

but like I said just to sum that up the

717

00:34:01,030 --> 00:33:55,110

burden of proof is back on the

718

00:34:03,290 --> 00:34:01,040

government so going back to the area 51

719

00:34:05,870 --> 00:34:03,300

how far away was reaching live at it

720

00:34:08,090 --> 00:34:05,880

from there it was like it was like a

721

00:34:10,220 --> 00:34:08,100

45-minute Drive no I was about yeah

722

00:34:12,020 --> 00:34:10,230

about 35 minutes yeah and we were

723

00:34:13,700 --> 00:34:12,030

driving back and forth and then we get

724

00:34:17,030 --> 00:34:13,710

there and everybody's at the little

725

00:34:18,440 --> 00:34:17,040

alien and if you guys have never heard

726

00:34:21,020 --> 00:34:18,450

of it or been there I've seen it you can

727

00:34:22,790 --> 00:34:21,030

see it on the movie Paul which by the

728

00:34:24,190 --> 00:34:22,800

way they're driving in the RV it kind of

729

00:34:27,530 --> 00:34:24,200

minds me of what we were doing

730

00:34:29,740 --> 00:34:27,540

yeah hello

731

00:34:33,020 --> 00:34:29,750

went there we did some you know

732

00:34:39,230 --> 00:34:33,030

filming that some people that is where

733

00:34:41,690 --> 00:34:39,240

we met the guy that made our own foil

734

00:34:46,089 --> 00:34:41,700

hats to protect us in the alien

735

00:34:53,000 --> 00:34:50,289

okay are you even paying attention

736

00:34:54,889 --> 00:34:53,010

I'm trying to draw a short circuit okay

737

00:34:58,490 --> 00:34:54,899

why are you drawing a search that we're

738

00:35:00,109 --> 00:34:58,500

podcasting right now of course okay you

739

00:35:03,880 --> 00:35:00,119

know this name what was I just talking

740

00:35:07,720 --> 00:35:03,890

about you talking about the foil hat

741

00:35:10,549 --> 00:35:07,730

okay fine

742

00:35:12,530 --> 00:35:10,559

fair enough but I also went through the

743

00:35:15,589 --> 00:35:12,540

Star Wars canyon that was fun yeah that

744

00:35:19,460 --> 00:35:15,599

was cool it was like Tatoonine we tell

745

00:35:23,359 --> 00:35:19,470

you and then we did our little UFO bros

746

00:35:27,410 --> 00:35:23,369

expedition because we couldn't drive all

747

00:35:30,470 --> 00:35:27,420

the way up to B gate of area 51 which is

748

00:35:33,620 --> 00:35:30,480

about 15 minute drive from little alien

749

00:35:36,770 --> 00:35:33,630

you could go down a dirt road yeah it's

750

00:35:38,630 --> 00:35:36,780

very bumpy and rocky then the road

751
00:35:40,370 --> 00:35:38,640
smoothes out and then you kind of go oh

752
00:35:41,660 --> 00:35:40,380
what's that and it looks like nothing

753
00:35:46,220 --> 00:35:41,670
out middle nowhere and that's the gate

754
00:35:49,069 --> 00:35:46,230
but they had it barricaded but we was

755
00:35:50,299 --> 00:35:49,079
barricade yeah it's a way to pull off

756
00:35:54,170 --> 00:35:50,309
and walk up to the gate but think about

757
00:35:56,809 --> 00:35:54,180
that Jo like do like come on up come

758
00:35:59,089 --> 00:35:56,819
take a look and there's like all these

759
00:36:03,710 --> 00:35:59,099
guards and police officers right there

760
00:36:06,710 --> 00:36:03,720
on on the public side and they're just

761
00:36:10,280 --> 00:36:06,720
standing there making sure nothing crazy

762
00:36:12,950 --> 00:36:10,290
happens I was like where's ma Lian's

763
00:36:14,480 --> 00:36:12,960

they didn't say anything everybody knows

764

00:36:15,559 --> 00:36:14,490

there's something weird there you know

765

00:36:18,559 --> 00:36:15,569

come on there's something weird going on

766

00:36:20,270 --> 00:36:18,569

there of course we know our most

767

00:36:22,220 --> 00:36:20,280

advanced aerospace technology is

768

00:36:23,809 --> 00:36:22,230

developed in places like that but I

769

00:36:25,160 --> 00:36:23,819

really think there is stuff going on

770

00:36:26,960 --> 00:36:25,170

there that's back engineered from

771

00:36:28,579 --> 00:36:26,970

advanced beings from somewhere else or

772

00:36:33,620 --> 00:36:28,589

another dimension I really do believe

773

00:36:35,240 --> 00:36:33,630

that I agree I can't prove it but we can

774

00:36:38,020 --> 00:36:35,250

prove UFOs are real I mean because they

775

00:36:39,980 --> 00:36:38,030

are and they've been proved

776

00:36:41,720 --> 00:36:39,990

anybody who says different is a

777

00:36:47,140 --> 00:36:41,730

conspiracy theorist at this point that's

778

00:36:56,360 --> 00:36:50,350

are you there

779

00:36:59,270 --> 00:36:56,370

pay attention I can hear you drawing

780

00:37:00,380 --> 00:36:59,280

do you hear [h__h] I can hear I can hear

781

00:37:02,110 --> 00:37:00,390

that your heads down and you're

782

00:37:04,940 --> 00:37:02,120

listening and you're drawing some [h__h]

783

00:37:07,070 --> 00:37:04,950

I'll show you a picture of it I don't

784

00:37:10,070 --> 00:37:07,080

care about your drawing I care about

785

00:37:13,460 --> 00:37:10,080

area 51 I want like we have a purpose

786

00:37:18,880 --> 00:37:13,470

for this show and it's not for you to

787

00:37:23,510 --> 00:37:18,890

draw you got aliens oh my god

788

00:37:28,250 --> 00:37:23,520

look you guys I deal with this on every

789

00:37:29,900 --> 00:37:28,260

damn expedition Jo half the time forgets

790

00:37:32,000 --> 00:37:29,910

about what we're even talking about or

791

00:37:35,330 --> 00:37:32,010

in no I don't I know exactly what you're

792

00:37:35,990 --> 00:37:35,340

totally talking about no you don't all

793

00:37:38,750 --> 00:37:36,000

the time

794

00:37:41,990 --> 00:37:38,760

prove it what do you want to prove I

795

00:37:43,790 --> 00:37:42,000

don't know that's what I thought well

796

00:37:46,580 --> 00:37:43,800

what did we do for surveillance prove

797

00:37:49,810 --> 00:37:46,590

that oh I don't know I brought out my

798

00:37:54,100 --> 00:37:49,820

night vision we had some some snacks

799

00:38:01,240 --> 00:37:57,880

thank God for that sorry go ahead

800

00:38:06,890 --> 00:38:01,250

you know what's up do you guys saw it

801
00:38:12,260 --> 00:38:06,900
look we're supposed to look Joe I know

802
00:38:16,910 --> 00:38:12,270
that your were ending your attention

803
00:38:17,960 --> 00:38:16,920
span time I know I know it but just hang

804
00:38:25,220 --> 00:38:17,970
in there we got to wrap this up bro

805
00:38:27,500 --> 00:38:25,230
because we oh no no no but but we're

806
00:38:29,930 --> 00:38:27,510
still gonna continue to figure out

807
00:38:31,550 --> 00:38:29,940
what's going on there you know the best

808
00:38:34,520 --> 00:38:31,560
that we can do is get eyewitness

809
00:38:36,470 --> 00:38:34,530
accounts a breakdown of the base bob

810
00:38:37,670 --> 00:38:36,480
lazar was extremely instrumental and

811
00:38:39,380 --> 00:38:37,680
revealing kind of the things that are

812
00:38:42,110 --> 00:38:39,390
going on there I do believe Bob Lazar

813
00:38:44,390 --> 00:38:42,120

I believe he reverse engineered advanced

814

00:38:46,620 --> 00:38:44,400

extra traffic but do you think Bob Lazar

815

00:38:49,319 --> 00:38:46,630

even goes by there anymore

816

00:38:51,870 --> 00:38:49,329

I don't know but I do know you know he

817

00:38:53,809 --> 00:38:51,880

does say he says that he actually wishes

818

00:38:56,910 --> 00:38:53,819

he never said anything about it

819

00:38:59,849 --> 00:38:56,920

because a all the hell and crap it's

820

00:39:01,979 --> 00:38:59,859

brought to him but also beat but also be

821

00:39:03,960 --> 00:39:01,989

he'd like to be still working on those

822

00:39:05,999 --> 00:39:03,970

technologies you know now that he's you

823

00:39:07,710 --> 00:39:06,009

know an older gentleman and not just a

824

00:39:09,509 --> 00:39:07,720

young guy in his 20s some renegade

825

00:39:12,719 --> 00:39:09,519

scientist he's you know going well wow I

826

00:39:17,150 --> 00:39:12,729

could you know unlock some more secrets

827

00:39:20,279 --> 00:39:17,160

but I don't I don't think Bob

828

00:39:22,380 --> 00:39:20,289

understands fully the bigger role in he

829

00:39:26,160 --> 00:39:22,390

has here and how instrumental he's been

830

00:39:29,130 --> 00:39:26,170

about where we're at I mean nobody even

831

00:39:32,519 --> 00:39:29,140

knew about area 51 until 89 when he came

832

00:39:34,279 --> 00:39:32,529

on KS LA and with George Knapp and said

833

00:39:38,309 --> 00:39:34,289

hey first he said his name was Dennis

834

00:39:41,249 --> 00:39:38,319

III I work at a facility called s4 15

835

00:39:43,170 --> 00:39:41,259

miles south area 51 it's a hangar built

836

00:39:44,729 --> 00:39:43,180

into the mountains and there I was back

837

00:39:46,489 --> 00:39:44,739

engineering the power systems of

838

00:39:50,630 --> 00:39:46,499

advanced alien technology I mean

839

00:39:53,849 --> 00:39:50,640

everybody's like what [h__h] oh yeah

840

00:39:57,839 --> 00:39:53,859

that's some Star Wars [h__h] right and

841

00:39:59,880 --> 00:39:57,849

then in 2013 Barack Obama says oh I

842

00:40:01,289 --> 00:39:59,890

guess I'm the he says some about area 51

843

00:40:05,099 --> 00:40:01,299

and that he was the first president to

844

00:40:08,729 --> 00:40:05,109

publicly acknowledge it I mean look at

845

00:40:12,479 --> 00:40:08,739

how long was that 89 what there over 30

846

00:40:16,709 --> 00:40:12,489

years right where Bob was people tell me

847

00:40:18,359 --> 00:40:16,719

he's a dumbass I mean come on and he's

848

00:40:20,039 --> 00:40:18,369

totally right he was right about that

849

00:40:22,170 --> 00:40:20,049

he was right about element 115 he was

850

00:40:25,430 --> 00:40:22,180

right about the fact that they realized

851
00:40:28,109 --> 00:40:25,440
that gravity is indeed wave and not a

852
00:40:30,420 --> 00:40:28,119
graviton although there's some thing

853
00:40:31,950 --> 00:40:30,430
about a graviton now in science I don't

854
00:40:33,989 --> 00:40:31,960
really know you know exactly I'm not a

855
00:40:38,549 --> 00:40:33,999
physicist but still he hit these things

856
00:40:42,029 --> 00:40:38,559
on the head it's a it's a great story I

857
00:40:43,440 --> 00:40:42,039
love it yes it is Bob Lazar is one of

858
00:40:44,999 --> 00:40:43,450
those where you could just want to sit

859
00:40:47,249 --> 00:40:45,009
down talk to him for hours but he's

860
00:40:49,349 --> 00:40:47,259
probably I've said this story so many

861
00:40:52,140 --> 00:40:49,359
times please don't ask me the story no

862
00:40:53,519 --> 00:40:52,150
more I would like to interview Bob Lazar

863
00:40:54,680 --> 00:40:53,529

because I'd like to ask him questions

864

00:40:58,100 --> 00:40:54,690

nobody's ever asked him

865

00:41:00,290 --> 00:40:58,110

just to see just like in the documentary

866

00:41:05,720 --> 00:41:00,300

Jeremy's documentary when he shows Bob

867

00:41:08,090 --> 00:41:05,730

Lazar the hand scanner yeah I mean Bob

868

00:41:09,830 --> 00:41:08,100

Lazar face and he was like I mean you

869

00:41:12,950 --> 00:41:09,840

could tell he was emotionally shaken

870

00:41:13,700 --> 00:41:12,960

because he had no idea to Jeremy was

871

00:41:15,860 --> 00:41:13,710

gonna show it to him

872

00:41:18,530 --> 00:41:15,870

just so you guys know bob says that in

873

00:41:21,200 --> 00:41:18,540

order to access s4 he had to have his

874

00:41:23,630 --> 00:41:21,210

hand scanned it was like a hand scanner

875

00:41:26,360 --> 00:41:23,640

that apparently measured the lengths of

876

00:41:28,310 --> 00:41:26,370

his bones and his fingers and that that

877

00:41:31,280 --> 00:41:28,320

is what gave him access to the

878

00:41:34,010 --> 00:41:31,290

facilities and Jeremy because they

879

00:41:35,270 --> 00:41:34,020

Declassified some things and was able to

880

00:41:37,670 --> 00:41:35,280

find a picture

881

00:41:38,600 --> 00:41:37,680

it was Declassified of that exact same

882

00:41:40,280 --> 00:41:38,610

hand scanner

883

00:41:41,870 --> 00:41:40,290

he didn't tell Bob but while he was

884

00:41:43,970 --> 00:41:41,880

filming he showed it to bob lazar and

885

00:41:45,710 --> 00:41:43,980

bob was like oh my god I thought I'd

886

00:41:46,820 --> 00:41:45,720

never see that again it's one of those

887

00:41:50,090 --> 00:41:46,830

moment you guys have to check it out

888

00:41:55,400 --> 00:41:50,100

well he said where did you get this he

889

00:41:57,320 --> 00:41:55,410

did and I don't remember the exact route

890

00:42:00,020 --> 00:41:57,330

Jeremy had but it had something Jersey

891

00:42:02,000 --> 00:42:00,030

declassified program of some sort I

892

00:42:04,900 --> 00:42:02,010

think it was a stealth fighter something

893

00:42:07,130 --> 00:42:04,910

about that I can't remember exactly but

894

00:42:08,330 --> 00:42:07,140

him and you know what Rick Doty just

895

00:42:10,460 --> 00:42:08,340

kind of touched on him again you know

896

00:42:14,860 --> 00:42:10,470

people you know they they give that guy

897

00:42:16,820 --> 00:42:14,870

hard time because he was you know had

898

00:42:19,280 --> 00:42:16,830

come in what is it called

899

00:42:23,740 --> 00:42:19,290

orders he had orders to provide this

900

00:42:29,570 --> 00:42:26,540

think the reason they told him to do it

901
00:42:31,910 --> 00:42:29,580
was I think they lied to him because

902
00:42:34,490 --> 00:42:31,920
they wanted him to do that because there

903
00:42:36,920 --> 00:42:34,500
were weird lights in the skies and some

904
00:42:39,080 --> 00:42:36,930
guy you're near the base was listening

905
00:42:40,870 --> 00:42:39,090
in and found some kind of radio pattern

906
00:42:43,760 --> 00:42:40,880
and thought he was talking to aliens and

907
00:42:45,020 --> 00:42:43,770
it's this whole thing but if you think

908
00:42:46,910 --> 00:42:45,030
about it like the little you know the

909
00:42:49,340 --> 00:42:46,920
quote-unquote lies or whatnot they're

910
00:42:50,660 --> 00:42:49,350
not even they're not even part of the

911
00:42:51,800 --> 00:42:50,670
things that we're studying this was

912
00:42:57,239 --> 00:42:51,810
stuff that happened long time ago I

913
00:43:02,049 --> 00:42:59,049

that's there's really nothing more I

914

00:43:04,089 --> 00:43:02,059

could say about that I just can't wait

915

00:43:07,209 --> 00:43:04,099

to see what future brings and what other

916

00:43:08,559 --> 00:43:07,219

revelations that we'll have about the

917

00:43:09,519 --> 00:43:08,569

stuff that Bob Lazar worked on and stuff

918

00:43:12,029 --> 00:43:09,529

he knows about you know

919

00:43:14,679 --> 00:43:12,039

well it's he's probably gonna end up

920

00:43:17,650 --> 00:43:14,689

sealing it off forever soon so you

921

00:43:20,890 --> 00:43:17,660

better better hope and pray that this

922

00:43:22,870 --> 00:43:20,900

information comes out one more time as

923

00:43:25,019 --> 00:43:22,880

if I was Bob I'd be like it's getting

924

00:43:28,749 --> 00:43:25,029

locked away and I'm see you guys leave

925

00:43:30,130 --> 00:43:28,759

no totally I mean like but there's also

926
00:43:34,779 --> 00:43:30,140
look he be too worried you guys need

927
00:43:37,349 --> 00:43:34,789
this information I think Bob you know

928
00:43:39,489 --> 00:43:37,359
what I wonder he also kind of feels like

929
00:43:41,170 --> 00:43:39,499
and I don't mean to speak for Bob but

930
00:43:42,459 --> 00:43:41,180
this just for me I just he's just a very

931
00:43:44,439 --> 00:43:42,469
straightforward kind of guy he's very

932
00:43:46,989 --> 00:43:44,449
no-nonsense he seems to me a very

933
00:43:48,189 --> 00:43:46,999
logical person he's like you know some

934
00:43:50,949 --> 00:43:48,199
of this [\h__\h] that people shouldn't even

935
00:43:53,019 --> 00:43:50,959
know because all its gonna do is just

936
00:43:54,459 --> 00:43:53,029
confuse him like let them go on their

937
00:43:56,890 --> 00:43:54,469
merry way and their happy lives and

938
00:44:00,309 --> 00:43:56,900

that's fine let's not I mean that's a

939

00:44:01,989 --> 00:44:00,319

that's a realistic approach I think for

940

00:44:03,969 --> 00:44:01,999

some people because the government isn't

941

00:44:07,239 --> 00:44:03,979

in the business of disseminating

942

00:44:09,249 --> 00:44:07,249

technology there they're here to protect

943

00:44:13,419 --> 00:44:09,259

us to protect the homeland that's that's

944

00:44:15,459 --> 00:44:13,429

their whole thing so you can't I mean

945

00:44:18,069 --> 00:44:15,469

those were the secrets are the secrets

946

00:44:20,289 --> 00:44:18,079

are not with the president the secrets

947

00:44:23,339 --> 00:44:20,299

are not in the White House the secrets

948

00:44:26,620 --> 00:44:23,349

know the secrets are in the

949

00:44:28,719 --> 00:44:26,630

subcontracted military businesses that

950

00:44:30,219 --> 00:44:28,729

are started so that they can build these

951
00:44:31,870 --> 00:44:30,229
top-secret things because then it

952
00:44:34,449 --> 00:44:31,880
doesn't then it falls under intellectual

953
00:44:37,089 --> 00:44:34,459
property law as opposed to a Freedom of

954
00:44:38,289 --> 00:44:37,099
Information Act request where you know

955
00:44:41,459 --> 00:44:38,299
if it's in the government that sort of

956
00:44:43,809 --> 00:44:41,469
thing you know that can eventually be

957
00:44:46,989 --> 00:44:43,819
legally requested information whereas

958
00:44:49,329 --> 00:44:46,999
intellectual property you know you can't

959
00:44:52,919 --> 00:44:49,339
legally ask Apple to disclose how it

960
00:44:56,140 --> 00:44:52,929
makes its iPhone it same sort of thing

961
00:45:06,640 --> 00:45:03,880
I mean I do you think do you think there

962
00:45:08,440 --> 00:45:06,650
are technologies from like that I think

963
00:45:09,640 --> 00:45:08,450

about the iPhone it's so thin right I

964

00:45:12,100 --> 00:45:09,650

mean do you thought well if you think

965

00:45:14,500 --> 00:45:12,110

about how far technology went from the

966

00:45:16,030 --> 00:45:14,510

50s to the 70s when they had a computer

967

00:45:20,050 --> 00:45:16,040

or even the 60s they had a computer in

968

00:45:24,880 --> 00:45:20,060

60s that quick well yeah and then from

969

00:45:27,420 --> 00:45:24,890

then to now where I mean the power in

970

00:45:29,200 --> 00:45:27,430

that in our phone is you know

971

00:45:30,190 --> 00:45:29,210

light-years beyond what they had to go

972

00:45:31,990 --> 00:45:30,200

to the moon and I'm sure even

973

00:45:34,230 --> 00:45:32,000

light-years beyond what JPL when they

974

00:45:36,670 --> 00:45:34,240

sent the first four over to Mars in 97

975

00:45:38,590 --> 00:45:36,680

well look at Elan musk he's already to

976
00:45:40,840 --> 00:45:38,600
have he's already set [h__h] into space

977
00:45:42,310 --> 00:45:40,850
within the last couple years here is an

978
00:45:46,030 --> 00:45:42,320
interesting fact when we're talking

979
00:45:48,220 --> 00:45:46,040
about Elon Musk has that neural link

980
00:45:52,120 --> 00:45:48,230
company that is going to essentially

981
00:45:53,620 --> 00:45:52,130
stitch micro electrodes into the

982
00:45:55,870 --> 00:45:53,630
crevices between your brain matter

983
00:45:57,340 --> 00:45:55,880
so not actually into your brain but in

984
00:45:59,530 --> 00:45:57,350
contact with your brain and it will

985
00:46:01,990 --> 00:45:59,540
allow you through Bluetooth to interact

986
00:46:06,310 --> 00:46:02,000
with your phone with your mind have you

987
00:46:08,680 --> 00:46:06,320
heard about this yeah okay now in the

988
00:46:11,290 --> 00:46:08,690

day after Roswell the book by Philip J

989

00:46:13,180 --> 00:46:11,300

Corso which is an accounting of the

990

00:46:17,560 --> 00:46:13,190

wreckage and technology found at Roswell

991

00:46:19,900 --> 00:46:17,570

and he talks about a crown or a

992

00:46:23,530 --> 00:46:19,910

headpiece that these beings would wear

993

00:46:25,750 --> 00:46:23,540

and that they would use their mind to

994

00:46:28,000 --> 00:46:25,760

control the ship and to steer and to fly

995

00:46:30,850 --> 00:46:28,010

right mm-hmm

996

00:46:32,830 --> 00:46:30,860

well back in the 80s that was both like

997

00:46:34,390 --> 00:46:32,840

you know or I'm not sure exactly when he

998

00:46:35,770 --> 00:46:34,400

wrote that I think it was I don't know

999

00:46:38,170 --> 00:46:35,780

that but anyway when that book was

1000

00:46:41,050 --> 00:46:38,180

released it was stupid stupid idea that

1001
00:46:45,640 --> 00:46:41,060
could never possibly happen well that's

1002
00:46:48,810 --> 00:46:45,650
not the case obviously because we're

1003
00:46:53,670 --> 00:46:52,200
I just wish already master think of all

1004
00:46:55,230 --> 00:46:53,680
the problems would be solved but then

1005
00:46:57,150 --> 00:46:55,240
like you know if they release the

1006
00:47:01,410 --> 00:46:57,160
technology that they're using to

1007
00:47:04,230 --> 00:47:01,420
manipulate gravity waves that technology

1008
00:47:06,240 --> 00:47:04,240
should be available but then again you

1009
00:47:08,910 --> 00:47:06,250
know I don't know how they do it they

1010
00:47:11,160 --> 00:47:08,920
did it with the tr-3b the flying

1011
00:47:19,910 --> 00:47:11,170
triangle that's something I think came

1012
00:47:22,460 --> 00:47:19,920
out of very 51 are you drawing again no

1013
00:47:27,390 --> 00:47:22,470

mmm-hmm

1014

00:47:30,480 --> 00:47:27,400

Joe Johnny five alive we're at almost 51

1015

00:47:33,720 --> 00:47:30,490

minutes of our podcast and you're just

1016

00:47:35,250 --> 00:47:33,730

are you like coloring like I mean like I

1017

00:47:38,670 --> 00:47:35,260

hear pencils or something like what's

1018

00:47:42,740 --> 00:47:38,680

happening nothing I'm listening okay

1019

00:47:46,530 --> 00:47:42,750

well we're at the end let's sum it up

1020

00:47:48,090 --> 00:47:46,540

Johnny Five is alive on this Libre you

1021

00:47:50,190 --> 00:47:48,100

like to be a pepper too

1022

00:47:52,290 --> 00:47:50,200

I just want to everybody know out of

1023

00:47:54,330 --> 00:47:52,300

[h__h] aside travel channel did great

1024

00:47:58,920 --> 00:47:54,340

we had a great adventure it's not gonna

1025

00:48:00,480 --> 00:47:58,930

stop it's gonna be today but when you

1026

00:48:02,250 --> 00:48:00,490

guys hear this it'll ought to be playing

1027

00:48:05,150 --> 00:48:02,260

and hopefully like it in we will

1028

00:48:08,520 --> 00:48:05,160

continue on our adventure and our

1029

00:48:11,700 --> 00:48:08,530

extravaganza of UFO hunting and by the

1030

00:48:15,650 --> 00:48:11,710

way share with your friends you know

1031

00:48:19,110 --> 00:48:15,660

watch stream it tweet about it because

1032

00:48:20,550 --> 00:48:19,120

the more that our listeners and our fans

1033

00:48:22,440 --> 00:48:20,560

and our subscribers and all the people

1034

00:48:23,640 --> 00:48:22,450

that we care about watch it and share it

1035

00:48:26,430 --> 00:48:23,650

the more likely we are to get a full

1036

00:48:29,040 --> 00:48:26,440

season and could you imagine eight to

1037

00:48:30,720 --> 00:48:29,050

twelve episodes of this nut this this

1038

00:48:31,440 --> 00:48:30,730

craziness on the road it's gonna be a

1039

00:48:33,750 --> 00:48:31,450

blast

1040

00:48:36,720 --> 00:48:33,760

so help us get there and thank you guys

1041

00:48:37,260 --> 00:48:36,730

for waiting such a long time in between

1042

00:48:43,130 --> 00:48:37,270

shows

1043

00:48:47,880 --> 00:48:43,140

you know Joe had a parasite extraction

1044

00:48:49,680 --> 00:48:47,890

parasite yes yes and you know there was

1045

00:48:51,420 --> 00:48:49,690

there's a long time to recover from that

1046

00:48:52,950 --> 00:48:51,430

but it's a beautiful parasite by the way

1047

00:48:56,820 --> 00:48:52,960

it's very durable

1048

00:49:03,310 --> 00:49:00,400

um that's it you guys

1049

00:49:05,950 --> 00:49:03,320

thank you for listening we're gonna keep

1050

00:49:07,390 --> 00:49:05,960

this going right now we're doing it kind

1051
00:49:09,850 --> 00:49:07,400
of on skype but we'll be together soon

1052
00:49:13,090 --> 00:49:09,860
and make sure you guys check us out real

1053
00:49:15,280 --> 00:49:13,100
UFO Bros by skinny Bob do something I'm

1054
00:49:17,770 --> 00:49:15,290
all check them out yeah if somebody buys

1055
00:49:19,680 --> 00:49:17,780
a skinny Bob t-shirt Joe is going to

1056
00:49:21,910 --> 00:49:19,690
literally [h__h] his pants with happiness

1057
00:49:24,580 --> 00:49:21,920
well I'm gonna end it by mine one first

1058
00:49:26,170 --> 00:49:24,590
on my own yeah well I mean you hand

1059
00:49:31,750 --> 00:49:26,180
sketch the whole you you drew it

1060
00:49:35,260 --> 00:49:31,760
it's your look I know yeah I mean I love

1061
00:49:38,680 --> 00:49:35,270
I'll see Joe look we can get through a

1062
00:49:40,780 --> 00:49:38,690
show without a sound board or well yeah

1063
00:49:42,790 --> 00:49:40,790

I didn't did at the sound board was my

1064

00:49:44,290 --> 00:49:42,800

idea long time ago it was fun but I

1065

00:49:51,280 --> 00:49:44,300

can't didn't work we should bring it
