

**PROBECAST**  
WITH THE UFO BROS

*GUEST STARRING*  
**NICK POPE**

1  
00:00:03,200 --> 00:00:10,070

[Music]

2  
00:00:15,190 --> 00:00:11,830

nick

3  
00:00:17,269 --> 00:00:15,200

hello how are you doing man it's so good

4  
00:00:19,429 --> 00:00:17,279

to see you yeah

5  
00:00:21,029 --> 00:00:19,439

i am doing very well i just had an

6  
00:00:24,710 --> 00:00:21,039

extreme close-up

7  
00:00:30,870 --> 00:00:28,230

that was me okay to do that time to time

8  
00:00:32,470 --> 00:00:30,880

uh how are you doing with like how's the

9  
00:00:36,389 --> 00:00:32,480

smoke doing over there

10  
00:00:37,990 --> 00:00:36,399

are you in l.a no we are in tucson

11  
00:00:41,350 --> 00:00:38,000

oh i thought you were in l.a for some

12  
00:00:41,990 --> 00:00:41,360

reason my wife's a professor at san jose

13  
00:00:45,110 --> 00:00:42,000

state

14

00:00:48,150 --> 00:00:45,120

so when she's teaching we're in san jose

15

00:00:48,549 --> 00:00:48,160

but of course we have been or she has

16

00:00:51,750 --> 00:00:48,559

been

17

00:00:54,310 --> 00:00:51,760

online only since late march so

18

00:00:55,670 --> 00:00:54,320

so we we went to our desert home in

19

00:00:58,150 --> 00:00:55,680

tucson so i'm

20

00:01:00,630 --> 00:00:58,160

speaking to you from from the edge of

21

00:01:02,389 --> 00:01:00,640

the national park surrounded by cacti

22

00:01:04,789 --> 00:01:02,399

and javelinas

23

00:01:06,630 --> 00:01:04,799

actually sounds wonderful i'll tell you

24

00:01:08,070 --> 00:01:06,640

we're missing the desert this time of

25

00:01:11,109 --> 00:01:08,080

year this is usually when we're all

26

00:01:13,990 --> 00:01:11,119

out talking about ufos

27

00:01:15,670 --> 00:01:14,000

in the desert during this time of year

28

00:01:18,310 --> 00:01:15,680

how are you doing with covid

29

00:01:19,109 --> 00:01:18,320

are you surviving uh i am indeed

30

00:01:22,149 --> 00:01:19,119

surviving

31

00:01:25,990 --> 00:01:22,159

and uh yeah i i mean i you know

32

00:01:28,710 --> 00:01:26,000

not not obviously minimizing it or or

33

00:01:29,670 --> 00:01:28,720

anything but it's fortunately it really

34

00:01:33,270 --> 00:01:29,680

hasn't

35

00:01:37,109 --> 00:01:33,280

touched uh me or any family or friends

36

00:01:38,149 --> 00:01:37,119

so um yeah it's good hopefully hopefully

37

00:01:41,270 --> 00:01:38,159

we will be

38

00:01:44,230 --> 00:01:41,280

out of this oh hello uh hopefully we

39

00:01:44,870 --> 00:01:44,240

you will be out of this soon one way or

40

00:01:47,510 --> 00:01:44,880

the other

41

00:01:49,830 --> 00:01:47,520

whether it's it's vaccine or herd

42

00:01:53,190 --> 00:01:49,840

immunity or mutation to less

43

00:01:56,230 --> 00:01:53,200

lethal strain or all of the above uh

44

00:01:57,270 --> 00:01:56,240

we will see but yeah we're we're doing

45

00:02:00,709 --> 00:01:57,280

good and

46

00:02:02,789 --> 00:02:00,719

um yeah we're we are you know we're

47

00:02:03,749 --> 00:02:02,799

we're pretty socially distanced anyway

48

00:02:05,749 --> 00:02:03,759

as it is on

49

00:02:07,109 --> 00:02:05,759

on like three and a half acres of

50

00:02:10,949 --> 00:02:07,119

natural desert

51  
00:02:14,390 --> 00:02:10,959  
here in tucson homes great and

52  
00:02:17,190 --> 00:02:14,400  
if you think that sunlight

53  
00:02:19,110 --> 00:02:17,200  
is is obviously kind of good at killing

54  
00:02:19,750 --> 00:02:19,120  
the virus we're in the right place for

55  
00:02:23,430 --> 00:02:19,760  
that

56  
00:02:24,150 --> 00:02:23,440  
and i mean today now i guess we're in

57  
00:02:26,229 --> 00:02:24,160  
the fall

58  
00:02:27,990 --> 00:02:26,239  
today as i speak to you it's i think

59  
00:02:31,589 --> 00:02:28,000  
it's 103

60  
00:02:32,390 --> 00:02:31,599  
here um you know yeah i was just telling

61  
00:02:35,589 --> 00:02:32,400  
joe it's so

62  
00:02:38,470 --> 00:02:35,599  
hot where i'm at but not you joe

63  
00:02:39,750 --> 00:02:38,480

no what is the temperature there it's

64

00:02:42,150 --> 00:02:39,760

like 58

65

00:02:45,110 --> 00:02:42,160

because he said he's a he's an organ

66

00:02:46,710 --> 00:02:45,120

yeah nice and close to the sun

67

00:02:48,309 --> 00:02:46,720

it's very bright there where you're at

68

00:02:50,309 --> 00:02:48,319

yeah yes well you know we

69

00:02:52,070 --> 00:02:50,319

going back to what you said yeah we

70

00:02:55,270 --> 00:02:52,080

there were a few days

71

00:02:58,070 --> 00:02:55,280

even here in tucson where it was

72

00:02:59,110 --> 00:02:58,080

hazy and there was a very slow smell of

73

00:03:01,270 --> 00:02:59,120

of smoke

74

00:03:02,630 --> 00:03:01,280

had we been back up in the bay area of

75

00:03:03,350 --> 00:03:02,640

course we would have we would have

76

00:03:05,750 --> 00:03:03,360

gotten

77

00:03:07,110 --> 00:03:05,760

all the the smoke from the california

78

00:03:09,350 --> 00:03:07,120

fires and probably

79

00:03:10,229 --> 00:03:09,360

oregon too because i think it drifted

80

00:03:12,630 --> 00:03:10,239

south

81

00:03:13,350 --> 00:03:12,640

for a while but we've been spared that

82

00:03:15,430 --> 00:03:13,360

too which is

83

00:03:17,910 --> 00:03:15,440

which is good i mean apart from a little

84

00:03:21,270 --> 00:03:17,920

haziness and some really spectacular

85

00:03:23,670 --> 00:03:21,280

sunrises and sunsets and things

86

00:03:24,630 --> 00:03:23,680

yeah it's uh here in california it's

87

00:03:25,750 --> 00:03:24,640

been as you know

88

00:03:27,509 --> 00:03:25,760

absolutely insane it's a lot better

89

00:03:28,710 --> 00:03:27,519

though the past few days because i've

90

00:03:29,910 --> 00:03:28,720

been having headaches but

91

00:03:31,589 --> 00:03:29,920

i want to move on i just want to catch

92

00:03:32,949 --> 00:03:31,599

up with you man it's so good to see you

93

00:03:33,750 --> 00:03:32,959

we've met you i've seen you several

94

00:03:36,949 --> 00:03:33,760

times and

95

00:03:40,070 --> 00:03:36,959

um we can't seem to escape you

96

00:03:43,110 --> 00:03:40,080

um are you a time traveler

97

00:03:46,350 --> 00:03:43,120

are you well you know

98

00:03:47,830 --> 00:03:46,360

back in well i think it must have been

99

00:03:51,670 --> 00:03:47,840

2034.

100

00:03:54,789 --> 00:03:51,680

i attended a time travel conference

101  
00:03:58,550 --> 00:03:54,799  
and oh wait a minute no sorry

102  
00:04:00,229 --> 00:03:58,560  
okay you we're doing the linear time

103  
00:04:02,789 --> 00:04:00,239  
thing here aren't we so i have that

104  
00:04:04,710 --> 00:04:02,799  
has not actually happened yet and you

105  
00:04:05,830 --> 00:04:04,720  
don't remember what you guys did at the

106  
00:04:09,670 --> 00:04:05,840  
bar

107  
00:04:14,070 --> 00:04:11,750  
so are you time traveler oh wait did we

108  
00:04:16,150 --> 00:04:14,080  
ask that question i don't remember now

109  
00:04:17,189 --> 00:04:16,160  
my mind is all screwed up i'll tell you

110  
00:04:18,949 --> 00:04:17,199  
man i see

111  
00:04:21,030 --> 00:04:18,959  
i've seen all of the documentaries i

112  
00:04:23,350 --> 00:04:21,040  
swear all the ufo documentaries

113  
00:04:24,790 --> 00:04:23,360

and you are in so many of them and i

114

00:04:26,230 --> 00:04:24,800

think it's so awesome i actually joke

115

00:04:28,710 --> 00:04:26,240

with you on social media

116

00:04:30,150 --> 00:04:28,720

um but uh we look up to you in that

117

00:04:31,030 --> 00:04:30,160

sense we look up to you we think it's so

118

00:04:33,430 --> 00:04:31,040

cool because

119

00:04:34,070 --> 00:04:33,440

yeah um you're pushing the narrative

120

00:04:36,710 --> 00:04:34,080

that is

121

00:04:38,710 --> 00:04:36,720

i think balance and great uh in this

122

00:04:39,909 --> 00:04:38,720

crazy community when some when you know

123

00:04:41,189 --> 00:04:39,919

we're pulling each other in so many

124

00:04:42,629 --> 00:04:41,199

different ways

125

00:04:44,629 --> 00:04:42,639

much like the country is we've got

126  
00:04:47,510 --> 00:04:44,639  
people um

127  
00:04:48,870 --> 00:04:47,520  
that are so committed to the ufo

128  
00:04:50,070 --> 00:04:48,880  
phenomenon being real

129  
00:04:52,150 --> 00:04:50,080  
and then now we've have these people

130  
00:04:53,270 --> 00:04:52,160  
that are even coming forward in bigger

131  
00:04:55,990 --> 00:04:53,280  
ways to say

132  
00:04:57,909 --> 00:04:56,000  
it's definitely not real like i want to

133  
00:05:01,029 --> 00:04:57,919  
get into for just a minute with you

134  
00:05:04,230 --> 00:05:01,039  
uh the dod videos the uh

135  
00:05:05,990 --> 00:05:04,240  
as you know 2017 was a big year we got

136  
00:05:08,870 --> 00:05:06,000  
the videos from the dod

137  
00:05:10,070 --> 00:05:08,880  
and i've seen them more times than i

138  
00:05:12,150 --> 00:05:10,080

want to i'll tell you that

139

00:05:13,670 --> 00:05:12,160

but um and i've heard you talk about

140

00:05:17,510 --> 00:05:13,680

them so many times

141

00:05:20,070 --> 00:05:17,520

on uh tucker carlson on fox news um

142

00:05:21,189 --> 00:05:20,080

we're getting these this feedback from

143

00:05:23,430 --> 00:05:21,199

people that

144

00:05:24,310 --> 00:05:23,440

they seem to be more of a camera

145

00:05:28,310 --> 00:05:24,320

artifact

146

00:05:31,029 --> 00:05:28,320

of some sort or a problem with

147

00:05:31,350 --> 00:05:31,039

the system and i wanted to ask you being

148

00:05:33,590 --> 00:05:31,360

so

149

00:05:34,790 --> 00:05:33,600

involved in having come uh you know from

150

00:05:37,430 --> 00:05:34,800

your background what do you think about

151

00:05:39,430 --> 00:05:37,440

that sort of thing i mean is it possible

152

00:05:40,950 --> 00:05:39,440

that the government would release videos

153

00:05:44,070 --> 00:05:40,960

with such

154

00:05:46,390 --> 00:05:44,080

basic artifacts like that

155

00:05:47,270 --> 00:05:46,400

not really because here's the thing if

156

00:05:50,710 --> 00:05:47,280

it was just

157

00:05:54,150 --> 00:05:50,720

i mean absolutely people make mistakes

158

00:05:58,150 --> 00:05:54,160

you could have pilot

159

00:06:01,670 --> 00:05:58,160

misperception you could have

160

00:06:04,870 --> 00:06:01,680

a radar glitch and you could have

161

00:06:05,749 --> 00:06:04,880

an artifact of the ford looking infrared

162

00:06:08,309 --> 00:06:05,759

camera

163

00:06:09,189 --> 00:06:08,319

but to have all three of those things

164

00:06:12,150 --> 00:06:09,199

kind of going

165

00:06:12,950 --> 00:06:12,160

wrong at the same time all happening at

166

00:06:15,110 --> 00:06:12,960

once

167

00:06:16,230 --> 00:06:15,120

you know the pilot these experienced

168

00:06:19,830 --> 00:06:16,240

pilots

169

00:06:20,629 --> 00:06:19,840

um some of whom had acquired this

170

00:06:22,950 --> 00:06:20,639

visually

171

00:06:23,670 --> 00:06:22,960

and and you know they know a thing or

172

00:06:25,590 --> 00:06:23,680

two

173

00:06:27,670 --> 00:06:25,600

to have that happen at the same time as

174

00:06:30,550 --> 00:06:27,680

you have radar operators

175

00:06:31,749 --> 00:06:30,560

making mistakes the system playing up

176

00:06:35,029 --> 00:06:31,759

the ford looking

177

00:06:37,990 --> 00:06:35,039

infrared camera with with problems

178

00:06:40,230 --> 00:06:38,000

an awful lot of things would have to go

179

00:06:42,469 --> 00:06:40,240

wrong at once and and the point is all

180

00:06:46,230 --> 00:06:42,479

those things are independent systems

181

00:06:49,990 --> 00:06:46,240

and what what a pilot physically sees

182

00:06:53,430 --> 00:06:50,000

what a radar system tracks what a flare

183

00:06:56,469 --> 00:06:53,440

camera records those are three different

184

00:06:59,350 --> 00:06:56,479

independent systems so

185

00:06:59,909 --> 00:06:59,360

it's stretching credulity a little bit i

186

00:07:03,350 --> 00:06:59,919

think

187

00:07:06,870 --> 00:07:03,360

read

188

00:07:10,150 --> 00:07:06,880

that there is something physical

189

00:07:12,230 --> 00:07:10,160

tangible solid and real on those objects

190

00:07:15,510 --> 00:07:12,240

the question then becomes

191

00:07:18,550 --> 00:07:15,520

is it us is it russia is it

192

00:07:22,390 --> 00:07:18,560

china or is it from somewhere a little

193

00:07:26,469 --> 00:07:22,400

bit further away yes

194

00:07:29,749 --> 00:07:26,479

we always think about um these videos

195

00:07:30,070 --> 00:07:29,759

um i i from what i understand that there

196

00:07:32,070 --> 00:07:30,080

might

197

00:07:34,870 --> 00:07:32,080

actually be a longer version of them

198

00:07:38,150 --> 00:07:34,880

have you heard anything about that

199

00:07:38,870 --> 00:07:38,160

yes a couple of things firstly i mean

200

00:07:41,670 --> 00:07:38,880

obviously look

201  
00:07:42,629 --> 00:07:41,680  
no one's pretending not very few people

202  
00:07:45,350 --> 00:07:42,639  
are pretending

203  
00:07:46,070 --> 00:07:45,360  
that there are only three of these

204  
00:07:48,550 --> 00:07:46,080  
videos

205  
00:07:50,869 --> 00:07:48,560  
i mean nobody really is seriously

206  
00:07:51,749 --> 00:07:50,879  
suggesting that the us navy has only had

207  
00:07:54,309 --> 00:07:51,759  
three of these

208  
00:07:54,950 --> 00:07:54,319  
incidents in fact if you look at what

209  
00:07:57,909 --> 00:07:54,960  
they said

210  
00:07:59,749 --> 00:07:57,919  
last year when they announced that they

211  
00:08:01,990 --> 00:07:59,759  
had issued guidance

212  
00:08:03,990 --> 00:08:02,000  
to their own pilots telling them what to

213  
00:08:07,029 --> 00:08:04,000

do if they encountered these things

214

00:08:08,550 --> 00:08:07,039

they used a phrase in in some of the

215

00:08:10,390 --> 00:08:08,560

material that they put out through their

216

00:08:10,790 --> 00:08:10,400

public affairs people they used a phrase

217

00:08:13,830 --> 00:08:10,800

like

218

00:08:16,869 --> 00:08:13,840

you know in response to a a series of

219

00:08:18,070 --> 00:08:16,879

ongoing incursions into restricted

220

00:08:21,110 --> 00:08:18,080

military airspace

221

00:08:24,390 --> 00:08:21,120

well that doesn't mean three and

222

00:08:26,869 --> 00:08:24,400

yeah in conjunction with that there was

223

00:08:27,430 --> 00:08:26,879

a response to a freedom of information

224

00:08:30,390 --> 00:08:27,440

act

225

00:08:32,310 --> 00:08:30,400

request where they did turn around and

226

00:08:36,630 --> 00:08:32,320

say

227

00:08:39,509 --> 00:08:36,640

there are versions there are videos

228

00:08:42,469 --> 00:08:39,519

which are classified secret and there

229

00:08:45,190 --> 00:08:42,479

are briefing slides on this

230

00:08:46,310 --> 00:08:45,200

classified top secret so now the

231

00:08:49,190 --> 00:08:46,320

implication it's not

232

00:08:52,150 --> 00:08:49,200

a hundred percent whether these are

233

00:08:54,870 --> 00:08:52,160

different videos or more likely

234

00:08:55,670 --> 00:08:54,880

the same videos but maybe longer

235

00:08:59,350 --> 00:08:55,680

versions

236

00:09:02,470 --> 00:08:59,360

data

237

00:09:05,829 --> 00:09:02,480

put in but the other thing is every

238

00:09:09,110 --> 00:09:05,839

these videos are a snapshot right

239

00:09:11,750 --> 00:09:09,120

but everything is part of them well yes

240

00:09:13,509 --> 00:09:11,760

every story has a beginning a middle and

241

00:09:15,350 --> 00:09:13,519

an end and what you're seeing with those

242

00:09:17,590 --> 00:09:15,360

little videos in one sense

243

00:09:18,470 --> 00:09:17,600

it's the middle what what we don't

244

00:09:21,190 --> 00:09:18,480

really have

245

00:09:22,070 --> 00:09:21,200

is is the beginning and end of the story

246

00:09:24,949 --> 00:09:22,080

whether that's

247

00:09:27,110 --> 00:09:24,959

actually on film or whether it's the

248

00:09:28,630 --> 00:09:27,120

assessment that the us military and the

249

00:09:29,910 --> 00:09:28,640

intelligence community will have and

250

00:09:32,949 --> 00:09:29,920

they will have one

251

00:09:35,750 --> 00:09:32,959

i mean officially the position is

252

00:09:35,990 --> 00:09:35,760

these are unidentified but that's not

253

00:09:50,150 --> 00:09:36,000

the

254

00:09:52,470 --> 00:09:50,160

of government and

255

00:09:53,430 --> 00:09:52,480

you know government ufo revelations uh

256

00:09:56,550 --> 00:09:53,440

the new uh

257

00:09:59,910 --> 00:09:56,560

senate uh uh

258

00:10:02,150 --> 00:09:59,920

security oh my goodness senate yeah

259

00:10:03,110 --> 00:10:02,160

the basically the senate intelligence

260

00:10:04,310 --> 00:10:03,120

committee thank you

261

00:10:05,509 --> 00:10:04,320

said it's yeah i wonder i get your

262

00:10:06,870 --> 00:10:05,519

thoughts on the senate intelligence

263

00:10:09,190 --> 00:10:06,880

committee in the

264

00:10:11,670 --> 00:10:09,200

report and why i think it's just so

265

00:10:13,030 --> 00:10:11,680

interesting when that came out

266

00:10:14,949 --> 00:10:13,040

and then the time frame that the

267

00:10:16,389 --> 00:10:14,959

information is supposed to be gathered

268

00:10:17,829 --> 00:10:16,399

can you give me some more information

269

00:10:19,590 --> 00:10:17,839

that you might have on that i'm so

270

00:10:20,949 --> 00:10:19,600

interested to know what we can think

271

00:10:23,350 --> 00:10:20,959

or what we could actually possibly look

272

00:10:25,990 --> 00:10:23,360

forward to seeing maybe

273

00:10:27,910 --> 00:10:26,000

sure well for the last two and a half

274

00:10:32,230 --> 00:10:27,920

years

275

00:10:34,870 --> 00:10:32,240

some people within congress uh

276

00:10:36,389 --> 00:10:34,880

both senators on various committees and

277

00:10:37,990 --> 00:10:36,399

their staffers

278

00:10:39,509 --> 00:10:38,000

have been looking at the same sorts of

279

00:10:42,310 --> 00:10:39,519

videos that media and

280

00:10:42,949 --> 00:10:42,320

the public have seen and and seeing some

281

00:10:45,350 --> 00:10:42,959

of the

282

00:10:47,110 --> 00:10:45,360

paperwork related to this and listening

283

00:10:48,150 --> 00:10:47,120

to some of the officials involved in

284

00:10:51,030 --> 00:10:48,160

these programs

285

00:10:52,949 --> 00:10:51,040

speaking out and and they've said wait a

286

00:10:55,030 --> 00:10:52,959

minute you know you you told us

287

00:10:56,710 --> 00:10:55,040

that that nobody was looking at this

288

00:10:58,790 --> 00:10:56,720

issue and it was all crazy stuff

289

00:11:01,110 --> 00:10:58,800

now we find that you've had these

290

00:11:02,790 --> 00:11:01,120

million multi-million dollar programs

291

00:11:06,310 --> 00:11:02,800

and that these things are being

292

00:11:08,949 --> 00:11:06,320

chased and filmed what's going on

293

00:11:09,750 --> 00:11:08,959

and so what's happened is that over the

294

00:11:12,550 --> 00:11:09,760

last

295

00:11:14,790 --> 00:11:12,560

two and a half years the senate

296

00:11:17,430 --> 00:11:14,800

intelligence committee but also

297

00:11:19,670 --> 00:11:17,440

the armed services committee have been

298

00:11:21,750 --> 00:11:19,680

asking questions about this and some

299

00:11:22,870 --> 00:11:21,760

senators have gotten classified

300

00:11:25,910 --> 00:11:22,880

briefings

301

00:11:29,350 --> 00:11:25,920

just

302

00:11:32,230 --> 00:11:29,360

say okay it's unidentified that's it

303

00:11:33,509 --> 00:11:32,240

you know of course they went into you

304

00:11:34,150 --> 00:11:33,519

know because they all have been pushed

305

00:11:36,630 --> 00:11:34,160

back and

306

00:11:38,310 --> 00:11:36,640

and the president's been briefed too and

307

00:11:40,230 --> 00:11:38,320

and nobody goes in to brief the

308

00:11:43,190 --> 00:11:40,240

president or these senators and

309

00:11:45,509 --> 00:11:43,200

says know we don't know and gathers

310

00:11:47,750 --> 00:11:45,519

their papers and walks out because

311

00:11:48,870 --> 00:11:47,760

it's like wait a minute stop you know

312

00:11:51,829 --> 00:11:48,880

exactly uh

313

00:11:53,590 --> 00:11:51,839

we get that you don't know but what's

314

00:11:55,990 --> 00:11:53,600

your best current assessment

315

00:11:57,430 --> 00:11:56,000

and they'll go through all the theories

316

00:11:59,910 --> 00:11:57,440

look could this be china

317

00:12:01,190 --> 00:11:59,920

could it be russia could it be a u.s

318

00:12:05,150 --> 00:12:01,200

black program

319

00:12:06,470 --> 00:12:05,160

and they will assign a kind of order of

320

00:12:08,790 --> 00:12:06,480

probability

321

00:12:10,310 --> 00:12:08,800

to the various theories and one theory

322

00:12:13,030 --> 00:12:10,320

will obviously be

323

00:12:14,310 --> 00:12:13,040

at the top of the list and yeah it won't

324

00:12:16,870 --> 00:12:14,320

be definitive

325

00:12:17,910 --> 00:12:16,880

but they might have a reasonable degree

326

00:12:21,350 --> 00:12:17,920

of certainty about

327

00:12:24,550 --> 00:12:21,360

it and there's even an old cia

328

00:12:27,030 --> 00:12:24,560

paper on this where basically

329

00:12:27,910 --> 00:12:27,040

dating back to the vietnam war where

330

00:12:29,910 --> 00:12:27,920

they did a brief

331

00:12:31,030 --> 00:12:29,920

and they said well it's likely that the

332

00:12:34,230 --> 00:12:31,040

north korean

333

00:12:35,670 --> 00:12:34,240

the the viet cong have this and

334

00:12:37,350 --> 00:12:35,680

you can't go into those sorts of

335

00:12:40,389 --> 00:12:37,360

briefings and use words like

336

00:12:41,509 --> 00:12:40,399

likely because somebody comes out and

337

00:12:44,550 --> 00:12:41,519

thinks well

338

00:12:46,550 --> 00:12:44,560

better than 50 50 and someone says no i

339

00:12:48,629 --> 00:12:46,560

took it as being 99

340

00:12:50,710 --> 00:12:48,639

so they they even have a paper where

341

00:12:52,790 --> 00:12:50,720

they they kind of get into the sorts of

342

00:12:53,590 --> 00:12:52,800

words that briefers use and what they

343

00:12:55,910 --> 00:12:53,600

mean

344

00:12:57,829 --> 00:12:55,920

so you know look all this will have been

345

00:12:59,910 --> 00:12:57,839

done and some of those senators came out

346

00:13:03,030 --> 00:12:59,920

and they said yeah we've been briefed

347

00:13:05,750 --> 00:13:03,040

and the question has said well

348

00:13:08,470 --> 00:13:05,760

yeah so and what's the story and they

349

00:13:11,110 --> 00:13:08,480

went well it's classified i can't say

350

00:13:11,910 --> 00:13:11,120

so something's going on and what

351

00:13:14,230 --> 00:13:11,920

happened was

352

00:13:16,389 --> 00:13:14,240

what's brought this to a head is the

353

00:13:18,710 --> 00:13:16,399

senate intelligence committee like i say

354

00:13:22,150 --> 00:13:18,720

some of them have been briefed

355

00:13:26,310 --> 00:13:22,160

and bear in mind uh kamala hat kamala

356

00:13:30,230 --> 00:13:28,470

i'm a brit i can get away with mangling

357

00:13:31,910 --> 00:13:30,240

just about any pronunciation oh i gotta

358

00:13:35,350 --> 00:13:31,920

hear your american accent

359

00:13:38,069 --> 00:13:35,360

do you hell yeah

360

00:13:42,949 --> 00:13:38,079

[Laughter]

361

00:13:45,509 --> 00:13:42,959

say hell yeah bros oh hell yeah bros

362

00:13:46,550 --> 00:13:45,519

that's pretty good okay i gotta try my

363

00:13:51,030 --> 00:13:46,560

english accent

364

00:13:54,230 --> 00:13:51,040

hell yeah bros quite so

365

00:13:58,710 --> 00:13:54,240

quite so quite so quite

366

00:14:02,790 --> 00:13:58,720

so alien aliens at the pentagon

367

00:14:06,870 --> 00:14:04,550

you guys need to figure that out i'm

368

00:14:08,870 --> 00:14:06,880

just saying aluminum

369

00:14:10,470 --> 00:14:08,880

there we go out of control and you guys

370

00:14:12,790 --> 00:14:10,480

are out of control and when i put

371

00:14:13,350 --> 00:14:12,800

something into the car i usually put it

372

00:14:16,790 --> 00:14:13,360

in

373

00:14:19,829 --> 00:14:16,800

the boot but that over here is is

374

00:14:21,189 --> 00:14:19,839

trunk and we won't get into slang names

375

00:14:25,750 --> 00:14:21,199

for cigarettes but

376

00:14:28,829 --> 00:14:25,760

you know that's another story anyway oh

377

00:14:34,069 --> 00:14:28,839

[Music]

378

00:14:39,269 --> 00:14:37,310

could that one could that one cause some

379

00:14:40,470 --> 00:14:39,279

misunderstandings uh that would get a

380

00:14:43,829 --> 00:14:40,480

little bit awkward but

381

00:14:44,310 --> 00:14:43,839

anyway i love it what is it what is this

382

00:14:48,069 --> 00:14:44,320

saying

383

00:14:51,509 --> 00:14:48,079

two nations divided by a common language

384

00:14:54,069 --> 00:14:51,519

anyway two nations so

385

00:14:54,870 --> 00:14:54,079

where were we i don't know we went out

386

00:14:57,590 --> 00:14:54,880

to put a little uh

387

00:14:59,590 --> 00:14:57,600

off path there looks you know we were on

388

00:15:01,269 --> 00:14:59,600

a time travel thing you know i think i'm

389

00:15:03,430 --> 00:15:01,279

stuck in a time loop

390

00:15:05,960 --> 00:15:03,440

i think you might be as a matter of fact

391

00:15:08,470 --> 00:15:05,970

and i think i'm stuck in a time loop

392

00:15:11,590 --> 00:15:08,480

[Laughter]

393

00:15:12,150 --> 00:15:11,600

you know i think you might be this is

394

00:15:15,269 --> 00:15:12,160

too much

395

00:15:17,350 --> 00:15:15,279

we could do this all day

396

00:15:18,389 --> 00:15:17,360

this is the whole interview right here

397

00:15:20,550 --> 00:15:18,399

this is the

398

00:15:21,829 --> 00:15:20,560

so okay one more uh let's move on i want

399

00:15:24,790 --> 00:15:21,839

to talk about trump

400

00:15:25,670 --> 00:15:24,800

um his comments on roswell i found that

401  
00:15:28,710 --> 00:15:25,680  
to be

402  
00:15:31,670 --> 00:15:28,720  
very very mysterious uh

403  
00:15:32,949 --> 00:15:31,680  
because the as you know i mean i feel

404  
00:15:35,670 --> 00:15:32,959  
like i'm telling you

405  
00:15:36,870 --> 00:15:35,680  
the guy who's you know you mean your

406  
00:15:38,310 --> 00:15:36,880  
depth of knowledge but i'm just saying

407  
00:15:41,590 --> 00:15:38,320  
for the people listening

408  
00:15:43,189 --> 00:15:41,600  
um you know roswell was said to just be

409  
00:15:47,030 --> 00:15:43,199  
a weather balloon period

410  
00:15:51,030 --> 00:15:47,040  
project mogul but trump when quizzed

411  
00:15:53,110 --> 00:15:51,040  
by his son trump jr about roswell and if

412  
00:15:56,710 --> 00:15:53,120  
he'll ever reveal the information

413  
00:15:58,470 --> 00:15:56,720

trump says i i i don't know i gotta look

414

00:16:00,069 --> 00:15:58,480

into it and he said something that i

415

00:16:02,470 --> 00:16:00,079

thought was weird which was

416

00:16:04,870 --> 00:16:02,480

um something very interesting i can't

417

00:16:06,389 --> 00:16:04,880

tell you about it but it's interesting

418

00:16:08,550 --> 00:16:06,399

something along those lines to sort of

419

00:16:09,749 --> 00:16:08,560

paraphrase trump do you recall that

420

00:16:12,069 --> 00:16:09,759

interview

421

00:16:13,430 --> 00:16:12,079

i absolutely recall it and there's a

422

00:16:17,189 --> 00:16:13,440

really interesting

423

00:16:19,670 --> 00:16:17,199

the end

424

00:16:20,790 --> 00:16:19,680

i mean trump is obviously trump and he

425

00:16:23,910 --> 00:16:20,800

doesn't normally

426

00:16:26,389 --> 00:16:23,920

kind of ask permission to say

427

00:16:27,189 --> 00:16:26,399

something or worry about what he said

428

00:16:30,230 --> 00:16:27,199

but if you

429

00:16:33,509 --> 00:16:30,240

if you watch that interview that

430

00:16:36,629 --> 00:16:33,519

that he did the very last thing

431

00:16:39,430 --> 00:16:36,639

he says is is and i'm paraphrasing

432

00:16:41,590 --> 00:16:39,440

but it's it's something like uh am i

433

00:16:44,310 --> 00:16:41,600

gonna declassify it in the

434

00:16:45,030 --> 00:16:44,320

future we'll have to see and he does a

435

00:16:48,310 --> 00:16:45,040

kind of

436

00:16:51,590 --> 00:16:48,320

look off to the side like

437

00:16:51,910 --> 00:16:51,600

with a and he does a little thing he

438

00:16:54,069 --> 00:16:51,920

does

439

00:16:55,030 --> 00:16:54,079

i mean people should go watch it it's

440

00:16:58,870 --> 00:16:55,040

it's out there on

441

00:16:59,990 --> 00:16:58,880

triggered and he doesn't like approval

442

00:17:03,509 --> 00:17:00,000

or something little

443

00:17:06,949 --> 00:17:03,519

like did i go too far with that

444

00:17:10,470 --> 00:17:06,959

know uh okay

445

00:17:13,590 --> 00:17:10,480

was that okay you know i mean obviously

446

00:17:17,029 --> 00:17:13,600

okay okay great wonderful is that good

447

00:17:21,350 --> 00:17:20,150

people can or maybe he's just jesting

448

00:17:25,110 --> 00:17:21,360

and teasing

449

00:17:28,390 --> 00:17:25,120

but as i have said aliens

450

00:17:32,070 --> 00:17:28,400

would be the ultimate october surprise

451  
00:17:36,630 --> 00:17:32,080  
thank you for bringing that up because

452  
00:17:39,990 --> 00:17:36,640  
i gotta say if there's ever been a time

453  
00:17:40,470 --> 00:17:40,000  
now's the time because he's like you

454  
00:17:42,470 --> 00:17:40,480  
know

455  
00:17:44,150 --> 00:17:42,480  
sort of a bull in a china shop in a way

456  
00:17:45,430 --> 00:17:44,160  
uh and

457  
00:17:47,270 --> 00:17:45,440  
do you think that that's really gonna

458  
00:17:47,750 --> 00:17:47,280  
happen what do you think is he gonna

459  
00:17:50,950 --> 00:17:47,760  
tell us

460  
00:17:52,230 --> 00:17:50,960  
is it gonna reveal anything it depends

461  
00:17:55,750 --> 00:17:52,240  
it really depends

462  
00:17:58,310 --> 00:17:55,760  
a how much there is to tell

463  
00:18:00,710 --> 00:17:58,320

and and be tied in with that whether he

464

00:18:02,789 --> 00:18:00,720

was speaking from a position of

465

00:18:05,270 --> 00:18:02,799

absolute certainty as to what we're

466

00:18:07,029 --> 00:18:05,280

dealing with or just a little bit of

467

00:18:08,310 --> 00:18:07,039

well there's something going on but i

468

00:18:11,590 --> 00:18:08,320

don't know what and you know

469

00:18:14,789 --> 00:18:11,600

the the a couple of other things he said

470

00:18:16,630 --> 00:18:14,799

on this have been interesting uh one

471

00:18:18,710 --> 00:18:16,640

other interview this was at the end of a

472

00:18:21,110 --> 00:18:18,720

reuters chat

473

00:18:22,950 --> 00:18:21,120

and it was the very final thing there

474

00:18:26,150 --> 00:18:22,960

and i'm not sure that this one was

475

00:18:29,750 --> 00:18:26,160

filmed it was recorded of course but

476

00:18:31,909 --> 00:18:29,760

at the end of that uh he talked about

477

00:18:34,549 --> 00:18:31,919

those three navy videos again

478

00:18:35,350 --> 00:18:34,559

and and he said in relation to one of

479

00:18:39,190 --> 00:18:35,360

them he said

480

00:18:42,950 --> 00:18:39,200

it's a heck of a video uh and who knows

481

00:18:43,750 --> 00:18:42,960

maybe it's real now when he's been

482

00:18:45,830 --> 00:18:43,760

previously

483

00:18:47,990 --> 00:18:45,840

interviewed on this and he's been

484

00:18:51,029 --> 00:18:48,000

interviewed by tucker carlson

485

00:18:53,990 --> 00:18:51,039

and um the the

486

00:18:56,310 --> 00:18:54,000

one of the other journalists on abc he's

487

00:18:58,710 --> 00:18:56,320

he was a little bit more skeptical so

488

00:19:00,070 --> 00:18:58,720

what it's like every time he's

489

00:19:02,390 --> 00:19:00,080

interviewed on this

490

00:19:03,110 --> 00:19:02,400

he edges a little bit further and

491

00:19:06,470 --> 00:19:03,120

further

492

00:19:10,870 --> 00:19:06,480

so look with where the poles are

493

00:19:14,390 --> 00:19:10,880

at the moment and uh maybe the need to

494

00:19:19,510 --> 00:19:14,400

pull out something totally from left

495

00:19:21,669 --> 00:19:19,520

field this would be the time oh yes

496

00:19:23,110 --> 00:19:21,679

what do you think that would sound like

497

00:19:26,150 --> 00:19:23,120

what would that sound like

498

00:19:28,230 --> 00:19:26,160

what would he say well

499

00:19:29,350 --> 00:19:28,240

we come out you know it's a press

500

00:19:31,190 --> 00:19:29,360

briefing you know

501  
00:19:32,390 --> 00:19:31,200  
what do you think like could you just

502  
00:19:33,110 --> 00:19:32,400  
walk us through a little bit what that

503  
00:19:35,669 --> 00:19:33,120  
would be like

504  
00:19:36,630 --> 00:19:35,679  
okay and because you did it so well i'm

505  
00:19:43,029 --> 00:19:36,640  
not going to do

506  
00:19:44,549 --> 00:19:43,039  
the speech the speech

507  
00:19:46,070 --> 00:19:44,559  
would probably go something like this

508  
00:19:48,789 --> 00:19:46,080  
and and here's what i

509  
00:19:49,750 --> 00:19:48,799  
you know if if any of this is true

510  
00:19:53,510 --> 00:19:49,760  
here's how

511  
00:19:56,789 --> 00:19:53,520  
it might go down yes yes

512  
00:19:59,990 --> 00:19:56,799  
for maximum effect and

513  
00:20:03,750 --> 00:20:00,000

in the polls i mean and

514

00:20:05,909 --> 00:20:03,760

and for maximum you know timing

515

00:20:07,669 --> 00:20:05,919

this being and you can't do it in

516

00:20:10,789 --> 00:20:07,679

november a

517

00:20:13,990 --> 00:20:10,799

it's too late and b you can't have an

518

00:20:17,190 --> 00:20:14,000

october surprise in november

519

00:20:19,270 --> 00:20:17,200

i guess of course well of course so

520

00:20:20,310 --> 00:20:19,280

and and you can't have it in september

521

00:20:23,669 --> 00:20:20,320

either so

522

00:20:27,270 --> 00:20:23,679

somewhere in october

523

00:20:29,830 --> 00:20:27,280

that the white house press office

524

00:20:30,630 --> 00:20:29,840

kind of goes to all the media outlets

525

00:20:33,190 --> 00:20:30,640

and says the

526

00:20:34,390 --> 00:20:33,200

president will be addressing the nation

527

00:20:41,430 --> 00:20:34,400

at

528

00:20:49,350 --> 00:20:46,230

yeah okay five o'clock

529

00:20:50,470 --> 00:20:49,360

there's a clue there already okay five

530

00:20:54,149 --> 00:20:50,480

o'clock

531

00:20:56,549 --> 00:20:54,159

eastern oh yeah

532

00:20:57,750 --> 00:20:56,559

and and we can't tell you what it'll be

533

00:21:01,350 --> 00:20:57,760

about but

534

00:21:04,390 --> 00:21:01,360

it will be the biggest

535

00:21:08,390 --> 00:21:04,400

most impactful announcement

536

00:21:11,510 --> 00:21:08,400

in human history um yeah

537

00:21:12,870 --> 00:21:11,520

oh man everyone everyone will be going

538

00:21:15,190 --> 00:21:12,880

oh wow

539

00:21:16,950 --> 00:21:15,200

and that's already that's gonna be crazy

540

00:21:20,390 --> 00:21:16,960

so then

541

00:21:22,310 --> 00:21:20,400

you know it will cut to the oval office

542

00:21:24,310 --> 00:21:22,320

and trump will be there and he will look

543

00:21:28,390 --> 00:21:24,320

straight down the barrel of the camera

544

00:21:33,590 --> 00:21:28,400

and he will say my fellow americans

545

00:21:36,789 --> 00:21:33,600

people of the world we are not alone

546

00:21:39,270 --> 00:21:36,799

and he will pause

547

00:21:45,669 --> 00:21:39,280

and everyone will do exactly what you're

548

00:21:51,669 --> 00:21:48,549

in my capacity as president of the

549

00:21:55,669 --> 00:21:51,679

united states and commander-in-chief

550

00:21:59,590 --> 00:21:55,679

i have decided after decades

551  
00:22:02,630 --> 00:21:59,600  
of silence and conspiracy i

552  
00:22:05,350 --> 00:22:02,640  
your president have decided that

553  
00:22:06,270 --> 00:22:05,360  
you the people deserve to know that

554  
00:22:09,750 --> 00:22:06,280  
there is an

555  
00:22:13,270 --> 00:22:09,760  
extraterrestrial presence interacting

556  
00:22:16,549 --> 00:22:13,280  
with humanity oh wow

557  
00:22:20,070 --> 00:22:16,559  
and here's the story and then then

558  
00:22:23,270 --> 00:22:20,080  
it will unfold and and you know

559  
00:22:25,590 --> 00:22:23,280  
then then there will be you know i am

560  
00:22:26,310 --> 00:22:25,600  
i have set up a space force and some of

561  
00:22:31,590 --> 00:22:26,320  
you

562  
00:22:32,870 --> 00:22:31,600  
they're coming here they're horrible

563  
00:22:35,510 --> 00:22:32,880

horrible people

564

00:22:36,070 --> 00:22:35,520

but we're gonna build a big space wall

565

00:22:40,549 --> 00:22:36,080

and

566

00:22:42,310 --> 00:22:40,559

uh no i'm i'm joking are they friendly

567

00:22:44,470 --> 00:22:42,320

is going to be are they friends baseball

568

00:22:46,149 --> 00:22:44,480

i just

569

00:22:48,950 --> 00:22:46,159

think about my question yeah and the

570

00:22:59,830 --> 00:22:48,960

aliens will pay for the space wall

571

00:23:03,350 --> 00:23:02,710

and and then you see the beauty of this

572

00:23:06,390 --> 00:23:03,360

i mean

573

00:23:08,149 --> 00:23:06,400

i'm speaking hypothetically uh yeah this

574

00:23:10,230 --> 00:23:08,159

this interview is probably going to stop

575

00:23:11,830 --> 00:23:10,240

spark all sorts of conspiracy theories

576

00:23:14,950 --> 00:23:11,840

i'm speaking hypothetically of course

577

00:23:16,149 --> 00:23:14,960

but here's the thing you know in

578

00:23:20,149 --> 00:23:16,159

something like

579

00:23:21,990 --> 00:23:20,159

this if the ufo community is right

580

00:23:23,430 --> 00:23:22,000

and if this is really the ultimate

581

00:23:25,909 --> 00:23:23,440

secret that that

582

00:23:26,630 --> 00:23:25,919

really every every president on their

583

00:23:29,909 --> 00:23:26,640

first

584

00:23:31,430 --> 00:23:29,919

day kind of someone comes in with a

585

00:23:34,310 --> 00:23:31,440

little book and says

586

00:23:36,310 --> 00:23:34,320

you know uh we we need to brief you now

587

00:23:40,149 --> 00:23:36,320

about something that isn't

588

00:23:42,549 --> 00:23:40,159

you know in all the files and okay

589

00:23:43,669 --> 00:23:42,559

it's about the aliens and the presents

590

00:23:47,430 --> 00:23:43,679

like what

591

00:23:49,590 --> 00:23:47,440

uh right so the point is that

592

00:23:50,789 --> 00:23:49,600

if this really is the ultimate october

593

00:23:54,310 --> 00:23:50,799

surprise

594

00:23:57,029 --> 00:23:54,320

um biden might not be briefed on it

595

00:23:57,510 --> 00:23:57,039

and and and you know so suddenly they

596

00:24:00,710 --> 00:23:57,520

have

597

00:24:02,630 --> 00:24:00,720

like no no position on it and and what

598

00:24:04,549 --> 00:24:02,640

that does is it it puts

599

00:24:06,470 --> 00:24:04,559

trump and the republicans in the driving

600

00:24:07,430 --> 00:24:06,480

seat and they're the ones with all the

601  
00:24:09,350 --> 00:24:07,440  
answers

602  
00:24:10,549 --> 00:24:09,360  
uh the other candidate doesn't know

603  
00:24:13,269 --> 00:24:10,559  
anything about it

604  
00:24:14,230 --> 00:24:13,279  
and and that's why it would be a hugely

605  
00:24:17,669 --> 00:24:14,240  
impactful

606  
00:24:19,750 --> 00:24:17,679  
october surprise and

607  
00:24:20,950 --> 00:24:19,760  
you know the rest of the story would

608  
00:24:25,350 --> 00:24:20,960  
unfold the

609  
00:24:28,230 --> 00:24:25,360  
the problem with that if it's true

610  
00:24:29,430 --> 00:24:28,240  
is that the follow-up question would be

611  
00:24:31,350 --> 00:24:29,440  
well hang on

612  
00:24:32,470 --> 00:24:31,360  
you must have known about this for four

613  
00:24:34,789 --> 00:24:32,480

years why now

614

00:24:35,750 --> 00:24:34,799

isn't that a little cynical so this sort

615

00:24:39,110 --> 00:24:35,760

of thing

616

00:24:41,669 --> 00:24:39,120

could blow up in his face but

617

00:24:42,710 --> 00:24:41,679

just let's face it the reality of an

618

00:24:46,070 --> 00:24:42,720

extraterrestrial

619

00:24:48,230 --> 00:24:46,080

presence for a few weeks anyway

620

00:24:50,950 --> 00:24:48,240

might might kind of be such a big thing

621

00:24:53,590 --> 00:24:50,960

that people might not be combing through

622

00:24:54,230 --> 00:24:53,600

the back story about who knew what when

623

00:24:56,390 --> 00:24:54,240

right

624

00:24:57,909 --> 00:24:56,400

so much as they would be going there are

625

00:25:01,029 --> 00:24:57,919

aliens

626  
00:25:02,630 --> 00:25:01,039  
right i wonder do you think it would be

627  
00:25:04,390 --> 00:25:02,640  
we're not alone because there's

628  
00:25:07,510 --> 00:25:04,400  
microbial life

629  
00:25:10,470 --> 00:25:07,520  
do you think that that would be oh no no

630  
00:25:11,669 --> 00:25:10,480  
okay that that would not cut it because

631  
00:25:14,630 --> 00:25:11,679  
99

632  
00:25:15,029 --> 00:25:14,640  
of people would say so what absolutely

633  
00:25:18,230 --> 00:25:15,039  
and

634  
00:25:18,950 --> 00:25:18,240  
we we had a dry run for that two weeks

635  
00:25:21,350 --> 00:25:18,960  
ago

636  
00:25:22,470 --> 00:25:21,360  
with the life on venus thing and yeah it

637  
00:25:27,510 --> 00:25:22,480  
was

638  
00:25:31,029 --> 00:25:27,520

story in the great scheme of things

639

00:25:33,430 --> 00:25:31,039

this could be this revelation could

640

00:25:35,430 --> 00:25:33,440

you know whoever announces it i mean it

641

00:25:38,230 --> 00:25:35,440

would put them that would be their

642

00:25:40,830 --> 00:25:38,240

i think one of their biggest historical

643

00:25:45,909 --> 00:25:43,669

um in uh most impactful things

644

00:25:48,149 --> 00:25:45,919

uh you know as during their presidency

645

00:25:49,990 --> 00:25:48,159

so like for example if trump reveals it

646

00:25:51,750 --> 00:25:50,000

you know in a hundred years they're

647

00:25:53,350 --> 00:25:51,760

gonna remember that trump revealed alien

648

00:25:54,789 --> 00:25:53,360

or the extraterrestrial presence and

649

00:25:56,710 --> 00:25:54,799

that he was also very very

650

00:25:58,230 --> 00:25:56,720

you know people were very divisive about

651  
00:25:59,990 --> 00:25:58,240  
it but this

652  
00:26:01,669 --> 00:26:00,000  
would ultimately be i think something

653  
00:26:04,870 --> 00:26:01,679  
that would

654  
00:26:07,909 --> 00:26:07,430  
definitely would be a good political

655  
00:26:11,590 --> 00:26:07,919  
move

656  
00:26:14,630 --> 00:26:11,600  
a um you're so crazy joe

657  
00:26:17,830 --> 00:26:14,640  
yeah that was the bottom honor yeah

658  
00:26:21,029 --> 00:26:17,840  
the the bottom line is that that

659  
00:26:21,510 --> 00:26:21,039  
for years the ufo community have been

660  
00:26:24,950 --> 00:26:21,520  
saying

661  
00:26:27,990 --> 00:26:24,960  
oh uh this current president

662  
00:26:29,510 --> 00:26:28,000  
whoever it's been you know could be the

663  
00:26:32,950 --> 00:26:29,520

disclosure president

664

00:26:36,310 --> 00:26:32,960

because this and this and this

665

00:26:39,350 --> 00:26:36,320

let's face it if

666

00:26:42,630 --> 00:26:39,360

there is an alien presence

667

00:26:45,269 --> 00:26:42,640

trump in the current

668

00:26:45,990 --> 00:26:45,279

position in the polls in which he finds

669

00:26:49,669 --> 00:26:46,000

himself

670

00:26:51,990 --> 00:26:49,679

and with his personality and character

671

00:26:52,789 --> 00:26:52,000

being what it is may be compared to

672

00:26:55,990 --> 00:26:52,799

others

673

00:26:57,190 --> 00:26:56,000

if there is an alien presence october

674

00:27:00,470 --> 00:26:57,200

2020

675

00:27:01,510 --> 00:27:00,480

is your best maybe your only chance of

676  
00:27:04,630 --> 00:27:01,520  
getting it

677  
00:27:07,909 --> 00:27:04,640  
from from the horse's mouth

678  
00:27:10,950 --> 00:27:07,919  
uh you know so if if trump

679  
00:27:12,710 --> 00:27:10,960  
doesn't do it then sorry i'm gonna get

680  
00:27:14,950 --> 00:27:12,720  
more skeptical and i'm gonna think well

681  
00:27:16,390 --> 00:27:14,960  
maybe there it really is nothing to tell

682  
00:27:17,590 --> 00:27:16,400  
except yeah there's something but we

683  
00:27:21,190 --> 00:27:17,600  
don't know what it is

684  
00:27:23,830 --> 00:27:21,200  
because if trump doesn't do it now

685  
00:27:25,350 --> 00:27:23,840  
no one ever will i don't think they will

686  
00:27:29,590 --> 00:27:25,360  
either

687  
00:27:31,669 --> 00:27:29,600  
i i i think that your call on this

688  
00:27:33,029 --> 00:27:31,679

is a good call i think it would be the

689

00:27:37,590 --> 00:27:33,039

time

690

00:27:39,430 --> 00:27:37,600

now to do it and that was so cool just

691

00:27:41,110 --> 00:27:39,440

i was totally enamored by you walking us

692

00:27:43,590 --> 00:27:41,120

through the process of

693

00:27:44,549 --> 00:27:43,600

what we would expect to see in here that

694

00:27:51,669 --> 00:27:44,559

would be sort of

695

00:27:56,070 --> 00:27:54,230

extraterrestrial life would that be and

696

00:27:57,830 --> 00:27:56,080

i wonder one of the first questions

697

00:27:59,830 --> 00:27:57,840

one of the first questions probably are

698

00:28:02,870 --> 00:27:59,840

they friendly i would assume

699

00:28:05,510 --> 00:28:02,880

yeah um and in one

700

00:28:07,830 --> 00:28:05,520

sense the answer to that is well we're

701  
00:28:11,029 --> 00:28:07,840  
still here having that conversation

702  
00:28:14,230 --> 00:28:11,039  
and they haven't wiped us out and look

703  
00:28:17,590 --> 00:28:14,240  
every civilization that's visiting

704  
00:28:18,870 --> 00:28:17,600  
us because of the scientific and

705  
00:28:22,070 --> 00:28:18,880  
technical

706  
00:28:23,830 --> 00:28:22,080  
know-how and expertise involved in

707  
00:28:26,710 --> 00:28:23,840  
viable interstellar travel

708  
00:28:29,029 --> 00:28:26,720  
any civilization that comes here is

709  
00:28:31,750 --> 00:28:29,039  
going to be orders of magnitude above

710  
00:28:32,710 --> 00:28:31,760  
our own so we're going to be in that

711  
00:28:35,510 --> 00:28:32,720  
territory of

712  
00:28:37,350 --> 00:28:35,520  
if they wanted to wipe us out they would

713  
00:28:40,950 --> 00:28:37,360

have done by now and they could do

714

00:28:42,789 --> 00:28:40,960

so that looks good that we're still here

715

00:28:45,669 --> 00:28:42,799

having that conversation but yeah

716

00:28:46,950 --> 00:28:45,679

everyone would remember everyone like

717

00:28:49,430 --> 00:28:46,960

everyone remembers

718

00:28:50,870 --> 00:28:49,440

everyone of my generation remembers

719

00:28:53,269 --> 00:28:50,880

where they were and what

720

00:28:53,909 --> 00:28:53,279

they were doing when the towers came

721

00:28:56,950 --> 00:28:53,919

down

722

00:29:00,549 --> 00:28:56,960

the generation before everyone remembers

723

00:29:03,830 --> 00:29:00,559

like uh you know people jfk

724

00:29:07,029 --> 00:29:03,840

or or people landing on the moon uh

725

00:29:09,510 --> 00:29:07,039

you know but but that it would be

726

00:29:12,149 --> 00:29:09,520

of of that order of magnitude and the

727

00:29:16,070 --> 00:29:12,159

smart thing is to get the maximum

728

00:29:19,110 --> 00:29:16,080

audience you announce like about

729

00:29:20,789 --> 00:29:19,120

three or four hours before like you

730

00:29:22,789 --> 00:29:20,799

announce that this press conference will

731

00:29:24,389 --> 00:29:22,799

be happening you don't say a word about

732

00:29:27,510 --> 00:29:24,399

what it's going to be except

733

00:29:30,070 --> 00:29:27,520

this this teasing hint that it's the

734

00:29:33,190 --> 00:29:30,080

biggest announcement in human history

735

00:29:36,870 --> 00:29:33,200

and you have the world

736

00:29:39,590 --> 00:29:36,880

watching it would be

737

00:29:40,950 --> 00:29:39,600

incredible we need to have that happen

738

00:29:44,070 --> 00:29:40,960

if not will you run

739

00:29:45,350 --> 00:29:44,080

for president i think i mean

740

00:29:48,310 --> 00:29:45,360

just run around releasing the

741

00:29:51,029 --> 00:29:48,320

information nick yeah that's all we need

742

00:29:51,669 --> 00:29:51,039

you see it'll change the world yeah it

743

00:29:56,149 --> 00:29:51,679

will

744

00:29:59,510 --> 00:29:56,159

but i'm here on a green card

745

00:30:02,870 --> 00:29:59,520

a not a citizen i i think so

746

00:30:04,710 --> 00:30:02,880

so i'm a i'm a a lawful permanent

747

00:30:07,990 --> 00:30:04,720

resident but not a citizen

748

00:30:11,830 --> 00:30:08,000

so i can't stand oh

749

00:30:12,950 --> 00:30:11,840

no well there goes all my hopes and

750

00:30:16,710 --> 00:30:12,960

dreams

751

00:30:20,870 --> 00:30:16,720

you know i mean unless

752

00:30:24,470 --> 00:30:20,880

unless i do a quick citizen

753

00:30:27,350 --> 00:30:24,480

kind of thing and stand next time around

754

00:30:31,669 --> 00:30:27,360

on that ticket as an independent

755

00:30:34,710 --> 00:30:31,679

who would be your advice vote pope

756

00:30:37,990 --> 00:30:34,720

vote pope i love it

757

00:30:39,110 --> 00:30:38,000

i'll be your pope um i have so many

758

00:30:40,470 --> 00:30:39,120

questions that um

759

00:30:42,789 --> 00:30:40,480

we probably don't have the time to get

760

00:30:44,630 --> 00:30:42,799

into but um

761

00:30:47,350 --> 00:30:44,640

let's see i wanted to talk about with

762

00:30:49,350 --> 00:30:47,360

you i want to get into

763

00:30:50,789 --> 00:30:49,360

skinny bob alien video joe and i are on

764

00:30:52,549 --> 00:30:50,799

this mission to figure out what this

765

00:30:54,230 --> 00:30:52,559

video is about

766

00:30:57,110 --> 00:30:54,240

is it we covered it on our travel

767

00:30:59,669 --> 00:30:57,120

journal special storming area 51.

768

00:31:00,870 --> 00:30:59,679

um what is your thoughts on that video

769

00:31:04,230 --> 00:31:00,880

is it fake

770

00:31:04,710 --> 00:31:04,240

you know i think it's fake but and it's

771

00:31:08,710 --> 00:31:04,720

been

772

00:31:11,430 --> 00:31:08,720

watched it i can't remember whether i

773

00:31:12,070 --> 00:31:11,440

settled on saying it's a kid in a suit

774

00:31:15,269 --> 00:31:12,080

or

775

00:31:17,350 --> 00:31:15,279

it's just cgi and kind of special

776

00:31:19,590 --> 00:31:17,360

effects and trickery

777

00:31:20,950 --> 00:31:19,600

but that's what we keep saying that's

778

00:31:22,070 --> 00:31:20,960

what we keep hearing because

779

00:31:24,149 --> 00:31:22,080

we keep asking people in these

780

00:31:24,630 --> 00:31:24,159

interviews like that's our thing it just

781

00:31:27,509 --> 00:31:24,640

feels

782

00:31:28,549 --> 00:31:27,519

real is the thing that we keep saying so

783

00:31:34,950 --> 00:31:28,559

if you happen to be

784

00:31:39,990 --> 00:31:38,230

not real in the way that that maybe some

785

00:31:41,909 --> 00:31:40,000

people think it is

786

00:31:43,590 --> 00:31:41,919

well nick we need your help to locate

787

00:31:46,389 --> 00:31:43,600

the origins of this

788

00:31:48,630 --> 00:31:46,399

mysterious alien video because we want

789

00:31:53,029 --> 00:31:48,640

to know who made it where it came from

790

00:31:55,509 --> 00:31:53,039

i know you know well

791

00:31:57,509 --> 00:31:55,519

if i had still been working at the

792

00:32:00,710 --> 00:31:57,519

ministry defense

793

00:32:01,269 --> 00:32:00,720

i would have had access to all the sorts

794

00:32:03,750 --> 00:32:01,279

of

795

00:32:05,590 --> 00:32:03,760

intelligence community resources and

796

00:32:09,750 --> 00:32:05,600

capabilities that could

797

00:32:12,149 --> 00:32:09,760

track down these sorts of things and

798

00:32:13,830 --> 00:32:12,159

i probably can't say much about this and

799

00:32:17,190 --> 00:32:13,840

i don't know the technicalities

800

00:32:19,509 --> 00:32:17,200

anyway but there are we have ways

801  
00:32:20,870 --> 00:32:19,519  
we have ways of figuring out you know

802  
00:32:24,310 --> 00:32:20,880  
you can take a

803  
00:32:27,430 --> 00:32:24,320  
out a lot about

804  
00:32:30,710 --> 00:32:27,440  
where it was made and you know

805  
00:32:32,630 --> 00:32:30,720  
all that there are there are things that

806  
00:32:35,110 --> 00:32:32,640  
you can do

807  
00:32:36,389 --> 00:32:35,120  
this is what i hear i hear that there

808  
00:32:38,630 --> 00:32:36,399  
are um

809  
00:32:39,430 --> 00:32:38,640  
there are ways to get the things you

810  
00:32:42,630 --> 00:32:39,440  
need

811  
00:32:44,789 --> 00:32:42,640  
um especially with your background uh

812  
00:32:45,909 --> 00:32:44,799  
now how long have you been i just kind

813  
00:32:47,029 --> 00:32:45,919

of moving my just i want to talk about

814

00:32:49,029 --> 00:32:47,039

you for a minute

815

00:32:50,549 --> 00:32:49,039

how long have you been um on this

816

00:32:51,669 --> 00:32:50,559

subject in this topic how long have you

817

00:32:55,029 --> 00:32:51,679

been involved

818

00:33:00,310 --> 00:32:55,039

i mean how many years can you goodness

819

00:33:03,990 --> 00:33:00,320

um i first got involved in 1991

820

00:33:05,990 --> 00:33:04,000

and that was the time that i was

821

00:33:08,149 --> 00:33:06,000

basically assigned to the uk

822

00:33:09,110 --> 00:33:08,159

government's ufo program at the ministry

823

00:33:12,710 --> 00:33:09,120

of defense

824

00:33:15,350 --> 00:33:12,720

now i did that job for three years

825

00:33:16,630 --> 00:33:15,360

but i subsequently stayed involved with

826  
00:33:19,509 --> 00:33:16,640  
the subject

827  
00:33:20,230 --> 00:33:19,519  
i came out of retirement or early

828  
00:33:22,830 --> 00:33:20,240  
retirement

829  
00:33:25,590 --> 00:33:22,840  
which i took for example to help with

830  
00:33:27,430 --> 00:33:25,600  
the declassification and release of the

831  
00:33:29,350 --> 00:33:27,440  
uk government's files not

832  
00:33:31,190 --> 00:33:29,360  
least because of course i wrote so many

833  
00:33:33,110 --> 00:33:31,200  
of them but uh

834  
00:33:34,549 --> 00:33:33,120  
so and when this come out they'll be

835  
00:33:41,590 --> 00:33:34,559  
like yours right

836  
00:33:45,590 --> 00:33:44,549  
yeah yeah we we declassified and

837  
00:33:48,630 --> 00:33:45,600  
released about

838  
00:33:49,110 --> 00:33:48,640

60 000 pages of documents and they're

839

00:33:52,230 --> 00:33:49,120

all

840

00:33:55,830 --> 00:33:52,240

you know they're uh they're on

841

00:33:58,389 --> 00:33:55,840

the national archives website in the uk

842

00:34:00,950 --> 00:33:58,399

but john greenwald has has them on his

843

00:34:04,710 --> 00:34:00,960

black vault website for free

844

00:34:08,430 --> 00:34:04,720

um and when did this happen oh

845

00:34:12,869 --> 00:34:08,440

the first batch came out in may

846

00:34:14,710 --> 00:34:12,879

2008 and before the atip story broke

847

00:34:15,909 --> 00:34:14,720

it was the biggest story in the ufo

848

00:34:18,550 --> 00:34:15,919

community for years

849

00:34:20,710 --> 00:34:18,560

i did interviews on the bbc i did

850

00:34:27,349 --> 00:34:20,720

interviews on on

851  
00:34:30,629 --> 00:34:27,359  
nbc how many pages did you say

852  
00:34:32,310 --> 00:34:30,639  
60 000. okay so there was

853  
00:34:33,669 --> 00:34:32,320  
that makes sense there was a case i was

854  
00:34:35,589 --> 00:34:33,679  
trying to figure out there was a

855  
00:34:37,109 --> 00:34:35,599  
release of information and for some

856  
00:34:39,510 --> 00:34:37,119  
reason i didn't connect

857  
00:34:40,950 --> 00:34:39,520  
the uk files and i researched everything

858  
00:34:43,030 --> 00:34:40,960  
i remember reading that there was an

859  
00:34:43,990 --> 00:34:43,040  
impending release of information that's

860  
00:34:47,190 --> 00:34:44,000  
what i was thinking

861  
00:34:50,950 --> 00:34:47,200  
yeah you know it it there is that

862  
00:34:51,589 --> 00:34:50,960  
too what happened was we released all

863  
00:34:54,470 --> 00:34:51,599

this

864

00:34:55,030 --> 00:34:54,480

material but then people obviously

865

00:34:57,430 --> 00:34:55,040

didn't

866

00:34:59,030 --> 00:34:57,440

stop seeing ufos and even though the

867

00:35:02,150 --> 00:34:59,040

ministry of defense in the uk

868

00:35:04,470 --> 00:35:02,160

terminated their program

869

00:35:05,910 --> 00:35:04,480

people were still seeing these things

870

00:35:07,510 --> 00:35:05,920

they were reporting them they were

871

00:35:08,230 --> 00:35:07,520

making freedom of information act

872

00:35:09,829 --> 00:35:08,240

requests

873

00:35:12,870 --> 00:35:09,839

so there's a whole bunch of material

874

00:35:13,589 --> 00:35:12,880

that happened after we released all this

875

00:35:17,030 --> 00:35:13,599

stuff

876

00:35:17,510 --> 00:35:17,040

um and that's going to it was due to be

877

00:35:19,670 --> 00:35:17,520

out

878

00:35:21,750 --> 00:35:19,680

by the end of march but obviously the

879

00:35:25,190 --> 00:35:21,760

government response to

880

00:35:27,510 --> 00:35:25,200

covet 19 delayed all of that

881

00:35:30,069 --> 00:35:27,520

okay that's where i'm hopefully

882

00:35:32,390 --> 00:35:30,079

hopefully it'll be out by the end of

883

00:35:33,109 --> 00:35:32,400

this year but there's no smoking gun in

884

00:35:34,950 --> 00:35:33,119

it and

885

00:35:37,270 --> 00:35:34,960

the most interesting stuff is already

886

00:35:39,670 --> 00:35:37,280

out so don't hold your breath on that

887

00:35:41,030 --> 00:35:39,680

one okay

888

00:35:42,710 --> 00:35:41,040

i hope there's there's supposed to be

889

00:35:45,349 --> 00:35:42,720

more release from the

890

00:35:47,190 --> 00:35:45,359

senate intelligence committee there's

891

00:35:50,630 --> 00:35:47,200

they're supposed to gather

892

00:35:54,069 --> 00:35:50,640

the ufo data for the people right yes

893

00:35:57,190 --> 00:35:54,079

the senate intelligence committee

894

00:35:59,109 --> 00:35:57,200

formally asked the director of national

895

00:36:01,589 --> 00:35:59,119

intelligence

896

00:36:02,630 --> 00:36:01,599

in consultation with the secretary of

897

00:36:05,750 --> 00:36:02,640

defense and

898

00:36:07,829 --> 00:36:05,760

and other agencies as appropriate

899

00:36:08,790 --> 00:36:07,839

uh senate intelligence committee

900

00:36:11,589 --> 00:36:08,800

basically said we

901  
00:36:12,069 --> 00:36:11,599  
we want to report on all this and all

902  
00:36:15,829 --> 00:36:12,079  
this

903  
00:36:19,190 --> 00:36:15,839  
being being the us navy videos

904  
00:36:22,069 --> 00:36:19,200  
the wider incursions incursions over

905  
00:36:23,589 --> 00:36:22,079  
other um military installations

906  
00:36:27,109 --> 00:36:23,599  
including right ones

907  
00:36:30,230 --> 00:36:27,119  
investigated by agencies like the fbi

908  
00:36:34,950 --> 00:36:30,240  
uh and and they want this report to

909  
00:36:37,510 --> 00:36:34,960  
be um unclassified

910  
00:36:39,349 --> 00:36:37,520  
although they appreciate that that the

911  
00:36:41,270 --> 00:36:39,359  
parts of it may be classified and that

912  
00:36:44,870 --> 00:36:41,280  
there can be a sort of classified

913  
00:36:46,390 --> 00:36:44,880

annex to it but essentially they want

914

00:36:50,790 --> 00:36:46,400

something that's going to be

915

00:36:53,190 --> 00:36:50,800

publicly releasable now uh in response

916

00:36:55,190 --> 00:36:53,200

to the senate intelligence committee

917

00:36:57,349 --> 00:36:55,200

demand for this report

918

00:36:59,430 --> 00:36:57,359

which was a demand they made in the

919

00:37:02,630 --> 00:36:59,440

intelligence appropriation act

920

00:37:05,829 --> 00:37:02,640

for fiscal year 2021

921

00:37:08,230 --> 00:37:05,839

the basically they've set up this unit

922

00:37:10,150 --> 00:37:08,240

called the unidentified aerial phenomena

923

00:37:14,870 --> 00:37:10,160

task force and one of

924

00:37:18,310 --> 00:37:14,880

one of the uap task force's

925

00:37:20,950 --> 00:37:18,320

main jobs is going to be

926  
00:37:22,150 --> 00:37:20,960  
to to respond to the senate intelligence

927  
00:37:25,829 --> 00:37:22,160  
committee interest

928  
00:37:28,310 --> 00:37:25,839  
to draft this report um and and

929  
00:37:30,630 --> 00:37:28,320  
basically to satisfy the remit of the

930  
00:37:33,670 --> 00:37:30,640  
intelligence committee to do something

931  
00:37:35,670 --> 00:37:33,680  
they said do something so the

932  
00:37:37,670 --> 00:37:35,680  
pentagon turned round and said we've

933  
00:37:40,550 --> 00:37:37,680  
done something we've set up this

934  
00:37:41,190 --> 00:37:40,560  
task force sounds really impressive task

935  
00:37:45,270 --> 00:37:41,200  
force

936  
00:37:48,550 --> 00:37:45,280  
yeah right what we don't yet know is

937  
00:37:50,550 --> 00:37:48,560  
is this task force a whole

938  
00:37:51,990 --> 00:37:50,560

bunch of people working on this full

939

00:37:55,270 --> 00:37:52,000

time or is it

940

00:37:56,230 --> 00:37:55,280

one person doing this every other

941

00:37:59,990 --> 00:37:56,240

tuesday

942

00:38:02,950 --> 00:38:00,000

afternoon in their tea break right

943

00:38:04,390 --> 00:38:02,960

we we i mean so it could be it could not

944

00:38:07,430 --> 00:38:04,400

be the revelation

945

00:38:10,630 --> 00:38:07,440

that we all might be expecting the

946

00:38:13,670 --> 00:38:10,640

if i've learned one thing and i've

947

00:38:14,390 --> 00:38:13,680

i've done this both from the inside

948

00:38:17,589 --> 00:38:14,400

looking out

949

00:38:19,670 --> 00:38:17,599

and now from the outside looking back in

950

00:38:21,190 --> 00:38:19,680

if i've learned one thing it's you never

951  
00:38:23,829 --> 00:38:21,200  
get what you expect

952  
00:38:24,470 --> 00:38:23,839  
in this subject and that seems to be the

953  
00:38:27,829 --> 00:38:24,480  
case

954  
00:38:29,750 --> 00:38:27,839  
also yeah you never know frankly

955  
00:38:31,109 --> 00:38:29,760  
yeah you never really get what you hoped

956  
00:38:34,150 --> 00:38:31,119  
for either so

957  
00:38:37,349 --> 00:38:34,160  
so i suspect that when

958  
00:38:39,270 --> 00:38:37,359  
when senate intelligence committee get

959  
00:38:42,550 --> 00:38:39,280  
their report

960  
00:38:45,030 --> 00:38:42,560  
it'll be well you know

961  
00:38:45,990 --> 00:38:45,040  
they'll dress it up in the language of

962  
00:38:49,829 --> 00:38:46,000  
kids flying

963  
00:38:51,670 --> 00:38:49,839

drones over military bases

964

00:38:54,230 --> 00:38:51,680

they'll put a lot of that kind of stuff

965

00:38:56,230 --> 00:38:54,240

in and that is a big issue it's it's

966

00:38:58,069 --> 00:38:56,240

you know there's no getting away from

967

00:39:00,630 --> 00:38:58,079

the fact that's important

968

00:39:01,670 --> 00:39:00,640

but it's not really what people want to

969

00:39:04,390 --> 00:39:01,680

know about

970

00:39:05,910 --> 00:39:04,400

you know and yeah it's it's so it's a

971

00:39:09,910 --> 00:39:05,920

bit like saying

972

00:39:12,230 --> 00:39:09,920

you asked for a report on ufos well

973

00:39:13,990 --> 00:39:12,240

planet venus was very bright last night

974

00:39:16,790 --> 00:39:14,000

and we get a lot of satellites

975

00:39:18,390 --> 00:39:16,800

sure that's true but it's not what

976

00:39:20,069 --> 00:39:18,400

people really want to know

977

00:39:21,430 --> 00:39:20,079

it's like answering the question without

978

00:39:24,230 --> 00:39:21,440

answering the question

979

00:39:26,310 --> 00:39:24,240

yeah essentially yeah and so there will

980

00:39:29,109 --> 00:39:26,320

probably be a throwaway line or two

981

00:39:31,510 --> 00:39:29,119

in there saying despite all this best

982

00:39:34,870 --> 00:39:31,520

effort

983

00:39:38,310 --> 00:39:34,880

some sightings remain unidentified and

984

00:39:41,750 --> 00:39:38,320

we remain committed to researching

985

00:39:43,430 --> 00:39:41,760

investigating this and we take the

986

00:39:46,870 --> 00:39:43,440

territorial integrity

987

00:39:48,710 --> 00:39:46,880

of u.s airspace very seriously

988

00:39:50,150 --> 00:39:48,720

and we take the safety of our people and

989

00:39:53,430 --> 00:39:50,160

equipment seriously

990

00:39:56,710 --> 00:39:53,440

blah blah blah i should write it now

991

00:39:59,750 --> 00:39:56,720

i can write it now i bet you probably

992

00:40:01,190 --> 00:39:59,760

could because i've written

993

00:40:04,710 --> 00:40:01,200

because i've written those sorts of

994

00:40:08,390 --> 00:40:07,109

right just kind of this very general

995

00:40:12,630 --> 00:40:08,400

sort of

996

00:40:14,069 --> 00:40:12,640

our october surprise though nick

997

00:40:16,390 --> 00:40:14,079

i really do yeah me too i'm looking

998

00:40:19,510 --> 00:40:16,400

forward to that i uh

999

00:40:21,270 --> 00:40:19,520

i wouldn't mind something on roswell and

1000

00:40:23,109 --> 00:40:21,280

just kind of looping back to that kind

1001  
00:40:24,470 --> 00:40:23,119  
of earlier conversation it just sounded

1002  
00:40:26,470 --> 00:40:24,480  
like there was more to the story there

1003  
00:40:29,510 --> 00:40:26,480  
so i hope we get more on that

1004  
00:40:34,550 --> 00:40:29,520  
um for people listening that are new

1005  
00:40:36,470 --> 00:40:34,560  
to researching uh ufos and kind of

1006  
00:40:38,069 --> 00:40:36,480  
you know a lot of ancient alien fans

1007  
00:40:40,470 --> 00:40:38,079  
have come into this

1008  
00:40:41,990 --> 00:40:40,480  
sort of new norm about the ufo reality

1009  
00:40:42,630 --> 00:40:42,000  
through the show and through people like

1010  
00:40:47,270 --> 00:40:42,640  
you

1011  
00:40:51,190 --> 00:40:47,280  
of i guess advice to newcomers

1012  
00:40:54,630 --> 00:40:51,200  
to not get too lost uh in this

1013  
00:40:57,670 --> 00:40:54,640

this cur this potentially crazy

1014

00:40:58,230 --> 00:40:57,680

ufo community um what would be your

1015

00:41:01,670 --> 00:40:58,240

biggest

1016

00:41:05,430 --> 00:41:01,680

nugget of advice there firstly

1017

00:41:07,829 --> 00:41:05,440

without wanting to disparage anyone's

1018

00:41:10,710 --> 00:41:07,839

research i would say of course please

1019

00:41:13,109 --> 00:41:10,720

please remember that 99

1020

00:41:14,470 --> 00:41:13,119

of everything that you'll read about

1021

00:41:18,390 --> 00:41:14,480

this subject

1022

00:41:22,790 --> 00:41:18,400

will be either misidentifications

1023

00:41:25,910 --> 00:41:22,800

hoaxes delusions or general bs

1024

00:41:29,270 --> 00:41:25,920

um but then as a follow-up point

1025

00:41:30,550 --> 00:41:29,280

i'll say but that's not really the issue

1026

00:41:32,870 --> 00:41:30,560

it's not important

1027

00:41:35,910 --> 00:41:32,880

just you bear it in mind and then set it

1028

00:41:40,630 --> 00:41:35,920

aside but you need your critical filters

1029

00:41:43,589 --> 00:41:40,640

so you can spot what goes into the 99

1030

00:41:45,109 --> 00:41:43,599

basket and what should go into your one

1031

00:41:49,190 --> 00:41:45,119

percent basket as

1032

00:41:52,550 --> 00:41:49,200

hey that's interesting

1033

00:41:56,150 --> 00:41:52,560

absolutely okay nick so

1034

00:41:57,349 --> 00:41:56,160

um we have here um i think we're just

1035

00:41:58,870 --> 00:41:57,359

about wrapping up here i got all the

1036

00:42:04,390 --> 00:41:58,880

questions here

1037

00:42:07,829 --> 00:42:04,400

um do you have anything

1038

00:42:10,150 --> 00:42:07,839

you've never told anybody

1039

00:42:12,790 --> 00:42:10,160

maybe you want to reveal it here today a

1040

00:42:15,990 --> 00:42:12,800

ufo related something

1041

00:42:19,670 --> 00:42:16,000

you know there's an

1042

00:42:22,630 --> 00:42:19,680

old saying in the intelligence community

1043

00:42:28,470 --> 00:42:22,640

that the only way to keep a secret is

1044

00:42:32,710 --> 00:42:31,030

he said the intelligence community joe

1045

00:42:35,270 --> 00:42:32,720

inside knowledge

1046

00:42:36,230 --> 00:42:35,280

not the idiots well it's two different

1047

00:42:39,589 --> 00:42:36,240

things

1048

00:42:42,550 --> 00:42:39,599

so to answer your question

1049

00:42:42,870 --> 00:42:42,560

yes there are plenty of things that i've

1050

00:42:46,710 --> 00:42:42,880

not

1051  
00:42:49,349 --> 00:42:46,720  
told people any smoking guns what

1052  
00:42:51,109 --> 00:42:49,359  
i've not told people those things for

1053  
00:42:54,550 --> 00:42:51,119  
very good reasons

1054  
00:42:57,990 --> 00:42:54,560  
which might be because

1055  
00:43:01,829 --> 00:42:58,000  
they are classified might

1056  
00:43:05,270 --> 00:43:04,309  
extraordinarily politically sensitive

1057  
00:43:08,550 --> 00:43:05,280  
and

1058  
00:43:11,990 --> 00:43:08,560  
you know it might just be

1059  
00:43:14,710 --> 00:43:12,000  
a sense of loyalty separate from

1060  
00:43:16,790 --> 00:43:14,720  
my security oath which still binds me

1061  
00:43:19,670 --> 00:43:16,800  
for life even though i've left of course

1062  
00:43:20,710 --> 00:43:19,680  
so right so yeah with with apologies

1063  
00:43:22,790 --> 00:43:20,720

with apologies

1064

00:43:24,710 --> 00:43:22,800

yes there are things that i can tell you

1065

00:43:28,470 --> 00:43:24,720

but no i'm not gonna tell you

1066

00:43:31,670 --> 00:43:28,480

it's i with hand on heart though

1067

00:43:33,990 --> 00:43:31,680

it's not a kind of

1068

00:43:35,349 --> 00:43:34,000

ladies and gentlemen people of the world

1069

00:43:38,870 --> 00:43:35,359

we're not alone

1070

00:43:41,910 --> 00:43:38,880

kind of thing if

1071

00:43:44,470 --> 00:43:41,920

if we are not alone i am not

1072

00:43:45,109 --> 00:43:44,480

the guardian of that particular secret i

1073

00:43:48,069 --> 00:43:45,119

have not

1074

00:43:48,710 --> 00:43:48,079

been taken to an air force hangar where

1075

00:43:51,589 --> 00:43:48,720

we

1076

00:43:52,230 --> 00:43:51,599

had one of them it's never been probed

1077

00:43:55,990 --> 00:43:52,240

either

1078

00:44:00,309 --> 00:43:56,000

i've never been i have never been probed

1079

00:44:03,430 --> 00:44:00,319

poked prodded with any extraterrestrial

1080

00:44:05,109 --> 00:44:03,440

implementation of any sort you've been

1081

00:44:08,230 --> 00:44:05,119

probed intellectually

1082

00:44:10,550 --> 00:44:08,240

oh all the time including in including

1083

00:44:12,870 --> 00:44:10,560

in this interview

1084

00:44:14,470 --> 00:44:12,880

right that's what we do see we don't

1085

00:44:20,150 --> 00:44:14,480

probe

1086

00:44:24,150 --> 00:44:20,160

mind

1087

00:44:27,109 --> 00:44:24,160

maybe one day you could be a ufo bro too

1088

00:44:28,710 --> 00:44:27,119

maybe we'll see i mean we have there's a

1089

00:44:29,990 --> 00:44:28,720

few cases i need you to solve a few

1090

00:44:31,750 --> 00:44:30,000

things we need you to do

1091

00:44:33,430 --> 00:44:31,760

but we'll see about maybe getting you on

1092

00:44:36,470 --> 00:44:33,440

the crew

1093

00:44:37,910 --> 00:44:36,480

yeah that that would be good we can

1094

00:44:40,150 --> 00:44:37,920

discuss it at that time

1095

00:44:42,150 --> 00:44:40,160

travel conference i mentioned and you

1096

00:44:46,309 --> 00:44:42,160

can keep your secrets

1097

00:44:49,990 --> 00:44:46,319

i'll share some of mine oh yeah um

1098

00:44:53,030 --> 00:44:50,000

it's it's it's the bros code

1099

00:44:56,150 --> 00:44:53,040

yes yes bros code

1100

00:44:57,270 --> 00:44:56,160

i love that nick thank you so much thank

1101  
00:44:58,630 --> 00:44:57,280  
you man

1102  
00:45:00,950 --> 00:44:58,640  
for coming on yeah i'm just having a

1103  
00:45:02,390 --> 00:45:00,960  
blast um

1104  
00:45:04,390 --> 00:45:02,400  
i hope you had a great time i know we

1105  
00:45:05,910 --> 00:45:04,400  
did it's nice to actually finally have

1106  
00:45:07,589 --> 00:45:05,920  
a full conversation with you we've only

1107  
00:45:11,190 --> 00:45:07,599  
seen you in passing and stuff so

1108  
00:45:13,190 --> 00:45:11,200  
yes yeah it's it's good to do i mean we

1109  
00:45:14,470 --> 00:45:13,200  
obviously covered some serious issues

1110  
00:45:16,550 --> 00:45:14,480  
but but

1111  
00:45:18,069 --> 00:45:16,560  
had some fun with it as well we were a

1112  
00:45:20,710 --> 00:45:18,079  
little bit more light-hearted

1113  
00:45:21,829 --> 00:45:20,720

than i can get away with being on some

1114

00:45:25,030 --> 00:45:21,839

of the shows i do

1115

00:45:26,230 --> 00:45:25,040

so thank you for that absolutely there's

1116

00:45:29,670 --> 00:45:26,240

so many ways

1117

00:45:31,190 --> 00:45:29,680

about this subject without

1118

00:45:33,670 --> 00:45:31,200

having to make it all spooky all the

1119

00:45:36,069 --> 00:45:33,680

time we like to just also too you are

1120

00:45:37,030 --> 00:45:36,079

you know a human being you're not just

1121

00:45:38,390 --> 00:45:37,040

nick pope

1122

00:45:40,069 --> 00:45:38,400

so it's cool to know about what you're

1123

00:45:41,349 --> 00:45:40,079

up to and how you're doing and all that

1124

00:45:42,150 --> 00:45:41,359

stuff too because you've got a lot of

1125

00:45:43,430 --> 00:45:42,160

fans

1126

00:45:45,430 --> 00:45:43,440

and a lot of people that like to know

1127

00:45:47,190 --> 00:45:45,440

that sort of stuff so um

1128

00:45:48,309 --> 00:45:47,200

gosh my mind is blown with all the stuff

1129

00:45:49,750 --> 00:45:48,319

that we've talked about today i don't

1130

00:45:51,750 --> 00:45:49,760

even know what i want to do with it

1131

00:45:53,109 --> 00:45:51,760

especially that moment uh your

1132

00:45:54,630 --> 00:45:53,119

presidential uh

1133

00:45:56,550 --> 00:45:54,640

revelation there nick was amazing i

1134

00:46:03,109 --> 00:45:56,560

really hope

1135

00:46:06,390 --> 00:46:05,510

yeah we'll be back at you if october's

1136

00:46:07,829 --> 00:46:06,400

the surprise

1137

00:46:08,870 --> 00:46:07,839

you got to be back on the show okay even

1138

00:46:09,510 --> 00:46:08,880

though you'll probably be on tucker

1139

00:46:12,710 --> 00:46:09,520

carlson

1140

00:46:15,750 --> 00:46:12,720

i'm sure uh you know if in fact

1141

00:46:18,950 --> 00:46:15,760

in one in my last interview with taka

1142

00:46:21,910 --> 00:46:18,960

i said something like i hope this

1143

00:46:24,230 --> 00:46:21,920

comes up as a question in in one of the

1144

00:46:28,309 --> 00:46:24,240

presidential debates of course

1145

00:46:30,710 --> 00:46:28,319

and and then i said to taka um

1146

00:46:31,829 --> 00:46:30,720

this would aliens would be the ultimate

1147

00:46:33,670 --> 00:46:31,839

october surprise

1148

00:46:35,670 --> 00:46:33,680

and i think he said something like well

1149

00:46:36,950 --> 00:46:35,680

if it is you you must come back and

1150

00:46:38,390 --> 00:46:36,960

we'll talk about it and i said

1151

00:46:39,750 --> 00:46:38,400

absolutely

1152

00:46:44,309 --> 00:46:39,760

all right so you have two commitments

1153

00:46:47,670 --> 00:46:45,589

we'll see you next time nick thank you
