5  
00:00:16,550 --> 00:00:14,559

crossover things

6  
00:00:17,750 --> 00:00:16,560

we us guys make me wish that i didn't

14

00:00:45,990 --> 00:00:42,879

sometimes

15

00:00:49,029 --> 00:00:46,000

um now he's he's helpful he's there

16

00:00:50,709 --> 00:00:49,039

when the tires blow you know there you

17

00:00:56,790 --> 00:00:50,719

18

00:01:01,590 --> 00:00:59,349

okay so let's do our intro joe oh yeah

19

00:01:05,910 --> 00:01:01,600

i'm looking at the ground

20

00:01:13,350 --> 00:01:05,920

i'm not i've got a feather okay

21

00:01:16,070 --> 00:01:13,360

23

00:01:18,950 --> 00:01:17,119

24

00:01:23,510 --> 00:01:18,960

sprague yeah that is correct yes

29  
00:01:59,350 --> 00:01:57,600  
whenever someone uh uh calls me and says

30  
00:02:01,270 --> 00:01:59,360  
that i immediately

31  
00:02:02,709 --> 00:02:01,280  
hang up on them because i know it's a uh

32  
00:02:03,990 --> 00:02:02,719  
a spam call it's not

33  
00:02:06,310 --> 00:02:04,000  
yeah because if they're like sprague

34  
00:02:09,350 --> 00:02:06,320  
you're like excuse me

35  
00:02:13,270 --> 00:02:09,360  
scratch no honestly

36  
00:02:15,110 --> 00:02:13,280  
i don't give a [\h\_\_\h] look dude

37  
00:02:16,550 --> 00:02:15,120  
you look like you're 12. i just wanted

38  
00:02:18,949 --> 00:02:16,560

39

00:02:21,270 --> 00:02:18,959

00:02:25,670 --> 00:02:23,840

okay i'll i'll play this game i guess

42

00:02:29,350 --> 00:02:25,680

43

00:02:31,030 --> 00:02:29,360

um i'm in my latter half of the 30s i'll

44

00:02:34,550 --> 00:02:31,040

leave it at that

45

00:02:36,309 --> 00:02:34,560

46

00:02:38,150 --> 00:02:36,319

48

00:02:44,150 --> 00:02:41,440

49

00:02:45,990 --> 00:02:44,160

joe you can buy them faster code.com

50

00:02:48,630 --> 00:02:46,000

they're only like 20 bucks

51  
00:02:50,229 --> 00:02:48,640  
i can't to be frank i cannot believe how

52  
00:02:53,030 --> 00:02:50,239  
not expensive these are

53  
00:02:53,670 --> 00:02:53,040  
i know they're so awesome yeah yeah yeah

54  
00:02:56,790 --> 00:02:53,680  
i know

55  
00:02:58,149 --> 00:02:56,800  
yeah they're here with ryan oh oh

56  
00:03:00,710 --> 00:02:58,159  
sorry that was gonna say these are

57  
00:03:02,830 --> 00:03:00,720  
definitely the sexiest ufo

58  
00:03:04,550 --> 00:03:02,840  
out there right they're almost like

59  
00:03:06,869 --> 00:03:04,560  
lingerie yeah

60  
00:03:08,070 --> 00:03:06,879  
yeah they're very silky and nice not

61  
00:03:10,309 --> 00:03:08,080  
that i don't know

62  
00:03:12,070 --> 00:03:10,319  
so we're here with ryan and uh we're

63  
00:03:14,070 --> 00:03:12,080

gonna talk about all things ufos

64

00:03:16,470 --> 00:03:14,080

this guy is amazing you might know him

65

00:03:19,670 --> 00:03:16,480

from mysteries decoded on the cw

66

00:03:21,589 --> 00:03:19,680

is that correct that is right yeah

67

00:03:23,589 --> 00:03:21,599

are you going to see w with the sec and

68

00:03:27,589 --> 00:03:23,599

the opp you know

69

00:03:29,750 --> 00:03:27,599

yeah you know me oh cool

70

00:03:35,350 --> 00:03:29,760

all right so um there we go that was our

71

00:03:42,789 --> 00:03:39,670

okay cool awesome all right um

72

00:03:44,309 --> 00:03:42,799

i am here with the ufo bros and today

73

00:03:47,110 --> 00:03:44,319

we're just gonna have fun

74

00:03:47,750 --> 00:03:47,120

like this is not gonna be the the super

75

00:03:50,390 --> 00:03:47,760

standard

76

00:03:51,589 --> 00:03:50,400

list of questions answer goodbye we're

77

00:03:53,670 --> 00:03:51,599

gonna have a good time because if

78

00:03:56,630 --> 00:03:53,680

there's something i love about you guys

79

00:03:57,910 --> 00:03:56,640

is that you take this topic of ufos

80

00:03:59,990 --> 00:03:57,920

seriously but

81

00:04:01,910 --> 00:04:00,000

not too seriously and i think that's

82

00:04:04,789 --> 00:04:01,920

what's lacking in this field so

83

00:04:06,309 --> 00:04:04,799

so much so we're gonna have fun we're

84

00:04:08,070 --> 00:04:06,319

gonna get a little crazy

85

00:04:10,390 --> 00:04:08,080

we're gonna look at some interesting

86

00:04:13,030 --> 00:04:10,400

stuff that you guys are in possession of

87

00:04:14,149 --> 00:04:13,040

that the world has not really seen yet

88

00:04:15,910 --> 00:04:14,159

and i'm so excited

89

00:04:17,430 --> 00:04:15,920

for that i'm i just want to get to that

90

00:04:19,189 --> 00:04:17,440

but before we do that

91

00:04:21,749 --> 00:04:19,199

i want to ask you guys i mean this is

92

00:04:23,510 --> 00:04:21,759

kind of about all of us coming together

93

00:04:25,110 --> 00:04:23,520

figuring out like you know how we got

94

00:04:27,270 --> 00:04:25,120

into this stuff so

95

00:04:29,909 --> 00:04:27,280

origin story for the ufo bros how did

96

00:04:31,030 --> 00:04:29,919

you guys get interested in ufos how did

97

00:04:33,110 --> 00:04:31,040

you come up with this

98

00:04:34,550 --> 00:04:33,120

idea of the ufo bros yeah let my

99

00:04:36,150 --> 00:04:34,560

audience know what you guys are all

100

00:04:39,350 --> 00:04:36,160

about

101  
00:04:41,749 --> 00:04:39,360  
sure well it first started

102  
00:04:43,350 --> 00:04:41,759  
um coming out of the same person uh that

103  
00:04:46,070 --> 00:04:43,360  
was where we met

104  
00:04:47,350 --> 00:04:46,080  
and actually i'll tell you we say this

105  
00:04:48,230 --> 00:04:47,360  
story over and over again we've told it

106  
00:04:51,870 --> 00:04:48,240  
a few times

107  
00:04:57,110 --> 00:04:51,880  
um alien autopsy none topsy

108  
00:04:59,350 --> 00:04:57,120  
1999. yep yep

109  
00:05:01,990 --> 00:04:59,360  
okay so you know here we are our normal

110  
00:05:04,790 --> 00:05:02,000  
teenage selves and we come across this

111  
00:05:06,469 --> 00:05:04,800  
video they just hey it's my parrot we

112  
00:05:08,790 --> 00:05:06,479  
come across this video and

113  
00:05:09,670 --> 00:05:08,800

it's amazing you know here's this alien

114

00:05:12,550 --> 00:05:09,680

body

115

00:05:14,710 --> 00:05:12,560

on a table they're cutting it open

116

00:05:17,670 --> 00:05:14,720

they're taking its brains out

117

00:05:17,990 --> 00:05:17,680

they're cataloging its organs and it

118

00:05:20,230 --> 00:05:18,000

just

119

00:05:23,510 --> 00:05:20,240

blew us away and really opened our mind

120

00:05:26,070 --> 00:05:23,520

to what's potentially out there

121

00:05:27,430 --> 00:05:26,080

and so you know another thing i think

122

00:05:29,510 --> 00:05:27,440

that really sparked it was our

123

00:05:31,189 --> 00:05:29,520

older cousin gave us a book it was just

124

00:05:33,029 --> 00:05:31,199

called paranormal

125

00:05:35,909 --> 00:05:33,039

and it was actually a beautifully down

126

00:05:37,990 --> 00:05:35,919

book i wish i still had it

127

00:05:39,670 --> 00:05:38,000

and in it was everything loch ness

128

00:05:42,710 --> 00:05:39,680

monster ufos

129

00:05:45,749 --> 00:05:42,720

baghdad batteries uh anything that's

130

00:05:46,070 --> 00:05:45,759

paranormal strange you know that stuff

131

00:05:49,350 --> 00:05:46,080

was

132

00:05:51,029 --> 00:05:49,360

thing for us and so

133

00:05:52,870 --> 00:05:51,039

we've just been following it ever since

134

00:05:54,950 --> 00:05:52,880

bob lazar also was a huge revelation

135

00:05:58,390 --> 00:05:54,960

will you shut that damn bird up

136

00:05:59,990 --> 00:05:58,400

shut up come here there is a parrot in

137

00:06:00,790 --> 00:06:00,000

the room for those watching and

138

00:06:03,510 --> 00:06:00,800

listening

139

00:06:04,870 --> 00:06:03,520

oh my gosh love there she is there she

140

00:06:08,070 --> 00:06:04,880

is

141

00:06:10,629 --> 00:06:08,080

she she's gorgeous man she loves

142

00:06:11,990 --> 00:06:10,639

uh facetimeing thank you so much what's

143

00:06:18,870 --> 00:06:12,000

her name

144

00:06:21,990 --> 00:06:18,880

okay okay got it yeah

145

00:06:24,309 --> 00:06:22,000

um so bubbles are right

146

00:06:25,350 --> 00:06:24,319

yeah whoa i know you know because you

147

00:06:27,990 --> 00:06:25,360

guys covered it too

148

00:06:28,870 --> 00:06:28,000

right on your special on your tv show

149

00:06:31,430 --> 00:06:28,880

wasn't you

150

00:06:33,350 --> 00:06:31,440

regular your second season aren't you

151  
00:06:33,990 --> 00:06:33,360  
yeah we're going into our second season

152  
00:06:37,029 --> 00:06:34,000  
right now

153  
00:06:39,510 --> 00:06:37,039  
um you know i'm not like the main host

154  
00:06:43,029 --> 00:06:39,520  
but i come on anytime there's ufo stuff

155  
00:06:45,670 --> 00:06:43,039  
which is awesome jennifer marshall our

156  
00:06:49,029 --> 00:06:45,680  
prime investigator she's dude she is

157  
00:06:51,749 --> 00:06:49,039  
no [h\_\_h] like top of the line

158  
00:06:52,870 --> 00:06:51,759  
uh skeptical believer which i think is

159  
00:06:55,189 --> 00:06:52,880  
very important

160  
00:06:58,309 --> 00:06:55,199  
like she wants the facts she wants the

161  
00:07:00,469 --> 00:06:58,319  
truth she doesn't give a [h\_\_h] if aliens

162  
00:07:01,430 --> 00:07:00,479  
you know crashed in roswell she wants to

163  
00:07:03,749 --> 00:07:01,440

go where the

164

00:07:05,830 --> 00:07:03,759

where the evidence leads her so um yeah

165

00:07:06,469 --> 00:07:05,840

when you know we did roswell we did area

166

00:07:08,230 --> 00:07:06,479

51

167

00:07:10,070 --> 00:07:08,240

and of course that had so much to do

168

00:07:11,350 --> 00:07:10,080

with bob lazar which uh

169

00:07:13,350 --> 00:07:11,360

which is one of my questions for you

170

00:07:15,749 --> 00:07:13,360

guys we'll get to later on but um

171

00:07:17,430 --> 00:07:15,759

yeah sorry to interrupt please continue

172

00:07:18,070 --> 00:07:17,440

yeah no i mean it just kind of spurred

173

00:07:22,150 --> 00:07:18,080

from there

174

00:07:24,070 --> 00:07:22,160

and then in 2016 we had some life events

175

00:07:25,430 --> 00:07:24,080

that brought us together as adults in a

176

00:07:31,110 --> 00:07:25,440

different way and

177

00:07:34,469 --> 00:07:33,830

and uh it was the most beautiful time of

178

00:07:35,830 --> 00:07:34,479

the year

179

00:07:37,749 --> 00:07:35,840

i mean like if you're out there at the

180

00:07:39,350 --> 00:07:37,759

right time it can be

181

00:07:40,629 --> 00:07:39,360

gorgeous you know just gotta be careful

182

00:07:42,390 --> 00:07:40,639

when you're driving at night because it

183

00:07:45,589 --> 00:07:42,400

is possible to hit a cow

184

00:07:48,309 --> 00:07:45,599

i'm just you know this yeah yeah yeah

185

00:07:48,869 --> 00:07:48,319

yeah the pictures as a little alien with

186

00:07:53,510 --> 00:07:48,879

with the

187

00:07:58,309 --> 00:07:55,670

went to roswell and then we went to

188

00:08:01,029 --> 00:07:58,319

aurora texas and then we went to

189

00:08:02,629 --> 00:08:01,039

needles and then we went to area 54 i

190

00:08:05,270 --> 00:08:02,639

mean we've just

191

00:08:06,469 --> 00:08:05,280

spent so much time going there and now i

192

00:08:08,070 --> 00:08:06,479

think is really what we do

193

00:08:11,029 --> 00:08:08,080

because some people you know they

194

00:08:13,189 --> 00:08:11,039

research and we need it

195

00:08:14,790 --> 00:08:13,199

some people uh it's a different thing to

196

00:08:17,510 --> 00:08:14,800

actually go and explore it

197

00:08:19,189 --> 00:08:17,520

and find the roswell crash site and find

198

00:08:21,670 --> 00:08:19,199

that monument out there in the middle of

199

00:08:23,749 --> 00:08:21,680

a field it's like a needle in a haystack

200

00:08:25,749 --> 00:08:23,759

finding that and then finding what the

201  
00:08:26,550 --> 00:08:25,759  
hell is it area 51 and i think we moon

202  
00:08:28,309 --> 00:08:26,560  
the guards

203  
00:08:29,990 --> 00:08:28,319  
in our special by the way did you yeah

204  
00:08:32,469 --> 00:08:30,000  
we did

205  
00:08:33,589 --> 00:08:32,479  
oh well hey let's while we're at it

206  
00:08:35,829 --> 00:08:33,599  
let's talk about that

207  
00:08:36,790 --> 00:08:35,839  
i mean you guys are probably most well

208  
00:08:39,750 --> 00:08:36,800  
known now

209  
00:08:41,509 --> 00:08:39,760  
as being national television stars so

210  
00:08:44,389 --> 00:08:41,519  
tell us about the special on

211  
00:08:46,070 --> 00:08:44,399  
travel channel uh joe what did you think

212  
00:08:47,990 --> 00:08:46,080  
about it brother um

213  
00:08:49,430 --> 00:08:48,000

because i know emma you're kind of

214

00:08:52,389 --> 00:08:49,440

you're like the

215

00:08:54,150 --> 00:08:52,399

the big believer right you you're he's

216

00:08:55,430 --> 00:08:54,160

the talker and you're the you're the guy

217

00:08:58,070 --> 00:08:55,440

who just is like

218

00:08:59,190 --> 00:08:58,080

you know always so stoic which i liked

219

00:09:00,870 --> 00:08:59,200

in the special so

220

00:09:02,230 --> 00:09:00,880

yeah give it to me like how did the

221

00:09:05,910 --> 00:09:02,240

special come about

222

00:09:10,070 --> 00:09:08,550

oh my god so the special um we me and

223

00:09:11,110 --> 00:09:10,080

emma just started doing our normal

224

00:09:13,110 --> 00:09:11,120

podcasting

225

00:09:14,949 --> 00:09:13,120

we just put a couple uh videos up on our

226

00:09:17,269 --> 00:09:14,959

channels and then

227

00:09:18,230 --> 00:09:17,279

uh we just started getting um phone

228

00:09:21,030 --> 00:09:18,240

calls of

229

00:09:22,070 --> 00:09:21,040

uh just production companies uh wanting

230

00:09:25,269 --> 00:09:22,080

to

231

00:09:28,550 --> 00:09:25,279

aliens we're like

232

00:09:30,870 --> 00:09:28,560

yeah so we started

233

00:09:31,829 --> 00:09:30,880

doing the pre-production stuff pilot

234

00:09:34,310 --> 00:09:31,839

stuff and then

235

00:09:35,190 --> 00:09:34,320

uh it just it just happened it was

236

00:09:39,430 --> 00:09:35,200

really quick

237

00:09:41,110 --> 00:09:39,440

and surprising it's awesome

238

00:09:42,710 --> 00:09:41,120

how about you emmett like what was it

239

00:09:44,630 --> 00:09:42,720

like getting contacted

240

00:09:45,990 --> 00:09:44,640

by a tv network and being like we want

241

00:09:49,190 --> 00:09:46,000

you to go out

242

00:09:51,750 --> 00:09:49,200

and look at the ufo topic i'm still like

243

00:09:53,430 --> 00:09:51,760

in awe that it happened to me like it

244

00:09:55,990 --> 00:09:53,440

was something i never really

245

00:09:58,150 --> 00:09:56,000

saw coming um but man yeah like when you

246

00:10:00,790 --> 00:09:58,160

guys have a tv network behind you

247

00:10:01,269 --> 00:10:00,800

you're the resources are amazing so yeah

248

00:10:03,990 --> 00:10:01,279

i mean

249

00:10:05,350 --> 00:10:04,000

what do you think well first of all i

250

00:10:07,430 --> 00:10:05,360

just wanted to say like

251  
00:10:09,350 --> 00:10:07,440  
i know i bet i imagine you feel this way

252  
00:10:10,310 --> 00:10:09,360  
the whole time i just kept thinking i'm

253  
00:10:13,590 --> 00:10:10,320  
really not supposed to be

254  
00:10:15,430 --> 00:10:13,600  
here like i'm so lucky to be here

255  
00:10:16,790 --> 00:10:15,440  
to be a part like you know you mind

256  
00:10:19,590 --> 00:10:16,800  
yourself out of every minute you're like

257  
00:10:21,670 --> 00:10:19,600  
i'm not supposed to be here but oh my

258  
00:10:23,670 --> 00:10:21,680  
gosh with the resources of travel

259  
00:10:25,590 --> 00:10:23,680  
and the showrunners and all the people

260  
00:10:26,790 --> 00:10:25,600  
that really are the stars as far as i'm

261  
00:10:28,310 --> 00:10:26,800  
concerned because

262  
00:10:29,829 --> 00:10:28,320  
joe and i you know we talk and we do we

263  
00:10:31,829 --> 00:10:29,839

do but these people

264

00:10:33,350 --> 00:10:31,839

they assembled that in less than two

265

00:10:34,870 --> 00:10:33,360

months from start to finish

266

00:10:36,470 --> 00:10:34,880

i don't know how they did it they were

267

00:10:39,590 --> 00:10:36,480

literally editing while we were

268

00:10:40,790 --> 00:10:39,600

going to different um shoots and stuff

269

00:10:44,389 --> 00:10:40,800

and interviews and that sort of thing

270

00:10:49,269 --> 00:10:44,399

but it was great to be able to get in

271

00:10:52,550 --> 00:10:49,279

vault with people um that are

272

00:10:55,509 --> 00:10:52,560

making more waves in this

273

00:10:56,310 --> 00:10:55,519

topic bringing in bob lazar jeremy

274

00:10:59,110 --> 00:10:56,320

corbell

275

00:11:00,630 --> 00:10:59,120

who has done a phenomenal job of

276

00:11:01,910 --> 00:11:00,640

covering this topic and

277

00:11:03,670 --> 00:11:01,920

in ways it's really connecting with

278

00:11:05,750 --> 00:11:03,680

people and that was kind of our whole

279

00:11:07,990 --> 00:11:05,760

premise was

280

00:11:09,350 --> 00:11:08,000

mysterious is great but what do you like

281

00:11:11,430 --> 00:11:09,360

the normal people think

282

00:11:13,350 --> 00:11:11,440

so going to area 51 was the perfect

283

00:11:14,069 --> 00:11:13,360

opportunity you know we interviewed some

284

00:11:15,430 --> 00:11:14,079

great people

285

00:11:17,110 --> 00:11:15,440

we interviewed the guy that wanted to

286

00:11:20,310 --> 00:11:17,120

fornicate with the alien

287

00:11:22,389 --> 00:11:20,320

um uh we interviewed the guy from boston

288

00:11:23,829 --> 00:11:22,399

that was pissed off that all of the

289

00:11:24,949 --> 00:11:23,839

you know secrets are covered up and

290

00:11:26,389 --> 00:11:24,959

that's so cool because that's on our

291

00:11:27,750 --> 00:11:26,399

level you know we talk we just talk to

292

00:11:27,990 --> 00:11:27,760

people about it and that's kind of

293

00:11:29,750 --> 00:11:28,000

always

294

00:11:31,590 --> 00:11:29,760

been our approach and i think that that

295

00:11:32,870 --> 00:11:31,600

just lined up well with area 51 we were

296

00:11:33,670 --> 00:11:32,880

just in the right place the right time

297

00:11:36,870 --> 00:11:33,680

for it

298

00:11:38,790 --> 00:11:36,880

but it was a blast i mean uh

299

00:11:40,230 --> 00:11:38,800

you know getting to be in the rv meeting

300

00:11:42,069 --> 00:11:40,240

rick doty

301  
00:11:44,389 --> 00:11:42,079  
hanging out with jeremy you know in such

302  
00:11:45,030 --> 00:11:44,399  
an official capacity he's a tv star you

303  
00:11:47,829 --> 00:11:45,040  
know

304  
00:11:49,350 --> 00:11:47,839  
uh it was great man it was just such a

305  
00:11:52,310 --> 00:11:49,360  
huge

306  
00:11:52,870 --> 00:11:52,320  
moment to just absorb everything about

307  
00:11:55,030 --> 00:11:52,880  
our little

308  
00:11:56,710 --> 00:11:55,040  
world of ufos in our community and just

309  
00:11:58,710 --> 00:11:56,720  
be in it you know what i mean

310  
00:11:59,750 --> 00:11:58,720  
absolutely yeah i need to be paid for it

311  
00:12:01,750 --> 00:11:59,760  
you're like

312  
00:12:04,949 --> 00:12:01,760  
yeah what like that's your job it's

313  
00:12:06,870 --> 00:12:04,959

insane wait i'm getting money for this

314

00:12:10,550 --> 00:12:06,880

what i thought was really cool too is

315

00:12:13,750 --> 00:12:10,560

like like you mentioned it's um you guys

316

00:12:16,870 --> 00:12:13,760

came right at the peak of interest

317

00:12:19,110 --> 00:12:16,880

both in area 51 and ufos i mean look at

318

00:12:22,470 --> 00:12:19,120

all this stuff we have with um

319

00:12:25,430 --> 00:12:22,480

you know the the pentagon ufo program

320

00:12:26,470 --> 00:12:25,440

and i know on our show we looked at

321

00:12:28,150 --> 00:12:26,480

these

322

00:12:29,750 --> 00:12:28,160

stunning what i think are stunning

323

00:12:32,629 --> 00:12:29,760

similarities between

324

00:12:34,069 --> 00:12:32,639

uh what bob lazar was saying back in the

325

00:12:35,750 --> 00:12:34,079

80s of how these

326

00:12:38,230 --> 00:12:35,760

craft worked you know they they weren't

327

00:12:39,829 --> 00:12:38,240

like you know the saucer

328

00:12:41,509 --> 00:12:39,839

kind of floating and hovering like we

329

00:12:44,550 --> 00:12:41,519

see in the 50s movies

330

00:12:46,470 --> 00:12:44,560

you know it was yeah craft belly up

331

00:12:47,750 --> 00:12:46,480

and then like gets pulled instead of

332

00:12:50,150 --> 00:12:47,760

push out the back

333

00:12:51,750 --> 00:12:50,160

yeah yeah [h\_\_h] so lazar was saying

334

00:12:54,150 --> 00:12:51,760

this [h\_\_h] back in the 80s

335

00:12:55,509 --> 00:12:54,160

and then jennifer and i are looking at

336

00:12:57,509 --> 00:12:55,519

the current videos

337

00:12:58,949 --> 00:12:57,519

you know the tic tac the gimbal the go

338

00:13:01,590 --> 00:12:58,959

fast uh

339

00:13:02,629 --> 00:13:01,600

navy videos and you look at one of those

340

00:13:06,069 --> 00:13:02,639

i believe it was the

341

00:13:08,230 --> 00:13:06,079

the gimbal video yeah and what did

342

00:13:10,310 --> 00:13:08,240

what did that craft do right at the end

343

00:13:12,710 --> 00:13:10,320

of the video that we see

344

00:13:13,750 --> 00:13:12,720

exactly brother and the guy even says it

345

00:13:15,910 --> 00:13:13,760

rotated

346

00:13:17,670 --> 00:13:15,920

and that gave me chills i think when i

347

00:13:19,509 --> 00:13:17,680

when i made that connection in our show

348

00:13:21,509 --> 00:13:19,519

and i can't pretend to be the first

349

00:13:23,350 --> 00:13:21,519

like jeremy's been saying it for a long

350

00:13:23,990 --> 00:13:23,360

time other people noticed they're like

351  
00:13:25,829 --> 00:13:24,000  
huh

352  
00:13:27,110 --> 00:13:25,839  
well lazar said back then is kind of

353  
00:13:28,629 --> 00:13:27,120  
true now so

354  
00:13:30,550 --> 00:13:28,639  
what do you guys think does that lend

355  
00:13:32,870 --> 00:13:30,560  
credence to his story and uh

356  
00:13:34,069 --> 00:13:32,880  
i guess the overall question what do you

357  
00:13:36,150 --> 00:13:34,079  
guys think do you believe

358  
00:13:37,350 --> 00:13:36,160  
bob i'd love to get your your both of

359  
00:13:40,069 --> 00:13:37,360  
your opinions on it

360  
00:13:41,670 --> 00:13:40,079  
i've got mine for damn sure i believe

361  
00:13:43,829 --> 00:13:41,680  
bob what about you joe

362  
00:13:45,110 --> 00:13:43,839  
yeah i believe bob i definitely believe

363  
00:13:46,550 --> 00:13:45,120

bob 100

364

00:13:48,230 --> 00:13:46,560

yeah i think the thing with bob lazar

365

00:13:49,590 --> 00:13:48,240

that some people tend to focus on are

366

00:13:52,389 --> 00:13:49,600

some of his little quirky

367

00:13:53,910 --> 00:13:52,399

sort of side expeditions and side

368

00:13:58,870 --> 00:13:53,920

businesses that he's had

369

00:14:02,870 --> 00:14:01,910

but to be honest with you if i was to

370

00:14:06,710 --> 00:14:02,880

bring somebody into an

371

00:14:08,949 --> 00:14:06,720

extremely super secretive black project

372

00:14:09,990 --> 00:14:08,959

i would look for somebody who is easily

373

00:14:11,189 --> 00:14:10,000

discredited

374

00:14:13,189 --> 00:14:11,199

discreditable is that a word

375

00:14:17,590 --> 00:14:13,199

discreditable it is today

376

00:14:22,150 --> 00:14:19,910

and he's also got he's also you know a

377

00:14:23,750 --> 00:14:22,160

physicist and he thinks outside the box

378

00:14:25,509 --> 00:14:23,760

and that's the kind of person i think

379

00:14:26,949 --> 00:14:25,519

you'd want to look at in exotic

380

00:14:29,350 --> 00:14:26,959

technology you wouldn't want to bring

381

00:14:31,030 --> 00:14:29,360

the guy necessarily

382

00:14:32,550 --> 00:14:31,040

you know that's writing the papers and

383

00:14:34,710 --> 00:14:32,560

he's the book smart guy and

384

00:14:35,990 --> 00:14:34,720

because i think there's one thing that

385

00:14:37,750 --> 00:14:36,000

bob was able to do his

386

00:14:39,110 --> 00:14:37,760

technical application actually build the

387

00:14:41,269 --> 00:14:39,120

things and touch them

388

00:14:42,710 --> 00:14:41,279

that's he was a hands-on guy right i

389

00:14:43,990 --> 00:14:42,720

don't i don't say anything but you gotta

390

00:14:48,550 --> 00:14:44,000

drizzle on your drip of your

391

00:14:52,310 --> 00:14:48,560

chin there yum

392

00:14:56,150 --> 00:14:54,150

what are you drinking man what is that

393

00:15:02,230 --> 00:14:56,160

that looks so good

394

00:15:07,110 --> 00:15:05,189

cold brew with light sweet cream and

395

00:15:10,550 --> 00:15:07,120

some pumpkin phone no topping

396

00:15:16,389 --> 00:15:10,560

oh fancy you fancy mother effer

397

00:15:20,069 --> 00:15:18,310

and of course it has to be rainbow

398

00:15:23,350 --> 00:15:20,079

parrot i mean like can i get a

399

00:15:25,990 --> 00:15:23,360

more inconspicuous bird i don't know

400

00:15:28,069 --> 00:15:26,000

i don't know i love her she's my tv bird

401

00:15:30,470 --> 00:15:28,079

i got her after storming area 51.

402

00:15:31,990 --> 00:15:30,480

oh that's awesome what what a like good

403

00:15:34,150 --> 00:15:32,000

permanent souvenir right

404

00:15:35,350 --> 00:15:34,160

to remember right yeah um i love her

405

00:15:38,629 --> 00:15:35,360

well he's my friend

406

00:15:40,550 --> 00:15:38,639

um i guess yeah i i'm with you guys like

407

00:15:43,590 --> 00:15:40,560

i i must admit i

408

00:15:45,430 --> 00:15:43,600

i here's here's my sort of passive

409

00:15:47,189 --> 00:15:45,440

answer and i get [h\_\_\h] for saying this a

410

00:15:48,949 --> 00:15:47,199

lot by the ufo community

411

00:15:50,389 --> 00:15:48,959

but i've been vocal about my thoughts on

412

00:15:53,430 --> 00:15:50,399

bob lazar uh

413

00:15:56,629 --> 00:15:53,440

ever since i met him i think in 2000

414

00:15:58,790 --> 00:15:56,639

it was like 2011 or 2012 he was speaking

415

00:16:00,949 --> 00:15:58,800

at the international ufo congress

416

00:16:02,150 --> 00:16:00,959

and he hadn't really come forward for a

417

00:16:03,590 --> 00:16:02,160

really long time

418

00:16:06,150 --> 00:16:03,600

and the only thing that really brought

419

00:16:08,470 --> 00:16:06,160

him out to talk about it was um

420

00:16:10,069 --> 00:16:08,480

george knapp you know the guy who broke

421

00:16:12,150 --> 00:16:10,079

was our story originally

422

00:16:13,509 --> 00:16:12,160

and we got him up on the stage and had

423

00:16:16,870 --> 00:16:13,519

him do like a q a

424

00:16:19,990 --> 00:16:16,880

and go through everything and uh i i was

425

00:16:22,069 --> 00:16:20,000

backstage and um i

426

00:16:23,749 --> 00:16:22,079

uh i got to mic and put the microphone

427

00:16:26,710 --> 00:16:23,759

on him so i'm like

428

00:16:27,509 --> 00:16:26,720

what does he smell like oh he smells he

429

00:16:35,430 --> 00:16:27,519

smells like

430

00:16:38,069 --> 00:16:35,440

science if you've ever

431

00:16:38,550 --> 00:16:38,079

it's got a little pungent sourness to it

432

00:16:41,749 --> 00:16:38,560

no no

433

00:16:43,670 --> 00:16:41,759

yeah

434

00:16:45,269 --> 00:16:43,680

no he he seems like the kind of guy who

435

00:16:47,030 --> 00:16:45,279

wears old spice to me

436

00:16:48,310 --> 00:16:47,040

so yeah i think i smoked a little bit of

437

00:16:51,189 --> 00:16:48,320

like um

438

00:16:51,749 --> 00:16:51,199

the fuji uh scented one or something

439

00:16:53,910 --> 00:16:51,759

like that

440

00:16:55,590 --> 00:16:53,920

but um oh no man i mean putting the mic

441

00:16:56,150 --> 00:16:55,600

on him getting to talk to him for a few

442

00:16:57,910 --> 00:16:56,160

minutes

443

00:16:59,509 --> 00:16:57,920

like he just seems like such a

444

00:17:03,030 --> 00:16:59,519

down-to-earth uh

445

00:17:03,670 --> 00:17:03,040

genuine dude and um here's where i land

446

00:17:06,710 --> 00:17:03,680

on it all

447

00:17:07,750 --> 00:17:06,720

i firmly believe bob lazar did what he

448

00:17:11,189 --> 00:17:07,760

said he did

449

00:17:14,150 --> 00:17:11,199

worked where he said he worked and uh

450

00:17:15,909 --> 00:17:14,160

saw what he says he saw but what that is

451  
00:17:18,390 --> 00:17:15,919  
is an entirely different story

452  
00:17:19,350 --> 00:17:18,400  
i mean this could have been part of some

453  
00:17:22,150 --> 00:17:19,360  
big

454  
00:17:24,390 --> 00:17:22,160  
disinformation campaign which is part of

455  
00:17:25,909 --> 00:17:24,400  
another individual who you guys spoke to

456  
00:17:26,710 --> 00:17:25,919  
that i want to talk to you about maybe

457  
00:17:30,070 --> 00:17:26,720  
in a little bit

458  
00:17:32,710 --> 00:17:30,080  
but um yeah

459  
00:17:33,590 --> 00:17:32,720  
yeah yeah that might be him yeah um i

460  
00:17:37,669 --> 00:17:33,600  
believe bob

461  
00:17:40,390 --> 00:17:37,679  
i'm with you guys uh i'm skeptical of

462  
00:17:40,710 --> 00:17:40,400  
uh some parts of his story but look no

463  
00:17:42,549 --> 00:17:40,720

one

464

00:17:43,830 --> 00:17:42,559

do i believe in everything no did he

465

00:17:46,310 --> 00:17:43,840

have an advanced degree

466

00:17:47,990 --> 00:17:46,320

probably not uh anybody who's ever like

467

00:17:48,710 --> 00:17:48,000

put in a job on a resume might have been

468

00:17:52,390 --> 00:17:48,720

like

469

00:17:54,070 --> 00:17:52,400

i was the you know the top executive

470

00:17:56,150 --> 00:17:54,080

but you're you know you just pump it up

471

00:17:59,029 --> 00:17:56,160

a little bit who hasn't done that

472

00:18:00,549 --> 00:17:59,039

let's be honest right and frankly some

473

00:18:01,430 --> 00:18:00,559

people can carry the knowledge and

474

00:18:03,830 --> 00:18:01,440

application

475

00:18:04,710 --> 00:18:03,840

to be at a phd level just not have the

476  
00:18:07,669 --> 00:18:04,720  
degree so

477  
00:18:08,870 --> 00:18:07,679  
i mean you know just whatever the words

478  
00:18:09,909 --> 00:18:08,880  
i just put the words out that people

479  
00:18:11,510 --> 00:18:09,919  
determine what they think it's just the

480  
00:18:26,830 --> 00:18:11,520  
words

481  
00:18:31,909 --> 00:18:29,350  
terrific my audience

482  
00:18:32,630 --> 00:18:31,919  
my audience is gonna love this part for

483  
00:18:39,029 --> 00:18:32,640  
sure

484  
00:18:40,549 --> 00:18:39,039  
you know or what do we got something

485  
00:18:43,270 --> 00:18:40,559  
going on in the united states in a

486  
00:18:45,430 --> 00:18:43,280  
couple weeks we won't go there but um

487  
00:18:46,870 --> 00:18:45,440  
again yeah what is happening what is

488  
00:18:48,230 --> 00:18:46,880

happening um

489

00:18:49,590 --> 00:18:48,240

but yeah i kind of hogged the first

490

00:18:50,870 --> 00:18:49,600

couple questions there i don't know if

491

00:18:53,270 --> 00:18:50,880

you guys wanted to

492

00:18:54,310 --> 00:18:53,280

take the lead or um i've got plenty for

493

00:18:56,070 --> 00:18:54,320

you but yeah

494

00:18:57,990 --> 00:18:56,080

there's anything you need me to spill

495

00:19:01,669 --> 00:18:58,000

the beans on i'm here too

496

00:19:05,830 --> 00:19:01,679

so joe had a question when do you

497

00:19:10,789 --> 00:19:05,840

think you'll reach puberty um what

498

00:19:14,230 --> 00:19:10,799

i eat there's my neck see

499

00:19:16,950 --> 00:19:14,240

hey look look guys i can't i can't grow

500

00:19:17,590 --> 00:19:16,960

the beautiful facial hair you have but

501  
00:19:21,110 --> 00:19:17,600  
dude this

502  
00:19:22,789 --> 00:19:21,120  
is two months of growth this is too much

503  
00:19:25,029 --> 00:19:22,799  
is it really you look great dude you

504  
00:19:27,029 --> 00:19:25,039  
look like a guy that could be on tv

505  
00:19:28,150 --> 00:19:27,039  
you know what i mean he's talking to him

506  
00:19:31,270 --> 00:19:28,160  
or me

507  
00:19:34,789 --> 00:19:31,280  
you you should be on tv oh he is

508  
00:19:35,990 --> 00:19:34,799  
thank you you have the face for it man

509  
00:19:37,430 --> 00:19:36,000  
i was just telling my guy like look at

510  
00:19:38,630 --> 00:19:37,440  
this guy he's so young i wonder how old

511  
00:19:41,909 --> 00:19:38,640  
he is actually i'm sorry

512  
00:19:43,669 --> 00:19:41,919  
bro you're such a dick no

513  
00:19:45,430 --> 00:19:43,679

i'm taking it as a compliment i'm taking

514

00:19:47,669 --> 00:19:45,440

it as a yeah just take it

515

00:19:49,750 --> 00:19:47,679

some of us some of us go through stages

516

00:19:52,789 --> 00:19:49,760

of life later than others but um

517

00:19:54,549 --> 00:19:52,799

i'll get them i'll probably

518

00:19:56,470 --> 00:19:54,559

solve the ufo mystery before i go

519

00:19:57,510 --> 00:19:56,480

through puberty but um that's a whole

520

00:19:58,789 --> 00:19:57,520

other

521

00:20:01,990 --> 00:19:58,799

stupidity you're gonna be you're gonna

522

00:20:05,110 --> 00:20:02,000

be like 80 and you're going to look

523

00:20:07,510 --> 00:20:05,120

that's that's true um oh

524

00:20:08,950 --> 00:20:07,520

here's one another question oh yeah i'm

525

00:20:11,590 --> 00:20:08,960

gonna actually ask you a question

526

00:20:13,029 --> 00:20:11,600

oh god please go go go out of any of

527

00:20:16,710 --> 00:20:13,039

your investigations

528

00:20:18,789 --> 00:20:16,720

and research is there one

529

00:20:20,149 --> 00:20:18,799

piece of information maybe that you

530

00:20:21,430 --> 00:20:20,159

could share with us possibly you haven't

531

00:20:22,390 --> 00:20:21,440

shared with somebody else or you haven't

532

00:20:25,430 --> 00:20:22,400

talked about

533

00:20:28,470 --> 00:20:25,440

maybe even a developing theory or

534

00:20:29,430 --> 00:20:28,480

um i just want to know i just i don't

535

00:20:35,669 --> 00:20:29,440

know

536

00:20:36,710 --> 00:20:35,679

for me it goes back to uh the pilot

537

00:20:39,110 --> 00:20:36,720

episode of the

538

00:20:41,270 --> 00:20:39,120

mysteries decoded television show where

539

00:20:44,470 --> 00:20:41,280

uh jennifer and riley went to

540

00:20:45,830 --> 00:20:44,480

roswell like you guys did and um look

541

00:20:47,750 --> 00:20:45,840

when i got approached for this

542

00:20:49,750 --> 00:20:47,760

television show and they said we want to

543

00:20:51,990 --> 00:20:49,760

do a ufo show i'm like that's so cool

544

00:20:53,590 --> 00:20:52,000

yeah if it ever happens let me know but

545

00:20:55,110 --> 00:20:53,600

you know that game like all these

546

00:20:56,630 --> 00:20:55,120

producers and people

547

00:20:58,230 --> 00:20:56,640

say they want to make these shows and

548

00:20:59,110 --> 00:20:58,240

then it never happens and you're waiting

549

00:21:02,549 --> 00:20:59,120

oh my god

550

00:21:05,270 --> 00:21:02,559

yeah but um hair fall

551  
00:21:06,549 --> 00:21:05,280  
yeah yeah yeah and i'm just like waiting

552  
00:21:10,630 --> 00:21:06,559  
by the phone

553  
00:21:13,909 --> 00:21:10,640  
and uh making lattes at my coffee shop

554  
00:21:16,149 --> 00:21:13,919  
and like miserable with my life

555  
00:21:17,990 --> 00:21:16,159  
and then i get the phone call and i'm

556  
00:21:20,070 --> 00:21:18,000  
like wow they actually made it happen

557  
00:21:22,470 --> 00:21:20,080  
they they got a pilot like a

558  
00:21:24,230 --> 00:21:22,480  
a one-hour special and then they said

559  
00:21:25,350 --> 00:21:24,240  
they wanted to do roswell and right

560  
00:21:27,909 --> 00:21:25,360  
there man like

561  
00:21:30,070 --> 00:21:27,919  
i was roswell's roswell it's awesome but

562  
00:21:31,669 --> 00:21:30,080  
i also was like ah really

563  
00:21:33,830 --> 00:21:31,679

like this we're going we're doing the

564

00:21:36,070 --> 00:21:33,840

case that everyone's covered

565

00:21:36,950 --> 00:21:36,080

everyone knows every play-by-play of the

566

00:21:39,110 --> 00:21:36,960

events

567

00:21:40,870 --> 00:21:39,120

um so i told them i'm like yeah

568

00:21:41,350 --> 00:21:40,880

absolutely but we have to do something

569

00:21:42,870 --> 00:21:41,360

new

570

00:21:45,350 --> 00:21:42,880

and we have to do something special and

571

00:21:47,990 --> 00:21:45,360

bring new evidence or like

572

00:21:49,590 --> 00:21:48,000

theories to the table and uh i think we

573

00:21:51,750 --> 00:21:49,600

did i thought we came up with some

574

00:21:53,909 --> 00:21:51,760

really cool stuff whether it was the

575

00:21:55,830 --> 00:21:53,919

the raimi memo that we looked at you

576

00:21:57,190 --> 00:21:55,840

know the guy who um

577

00:21:58,710 --> 00:21:57,200

had that memo during the press

578

00:21:59,830 --> 00:21:58,720

conference and what it might have said

579

00:22:03,110 --> 00:21:59,840

have you gotten

580

00:22:06,070 --> 00:22:03,120

any further on that um we're still

581

00:22:06,470 --> 00:22:06,080

analyzing the memo it's so hard man like

582

00:22:08,310 --> 00:22:06,480

we've

583

00:22:09,590 --> 00:22:08,320

you know what let me tell you a secret

584

00:22:11,669 --> 00:22:09,600

oh secret

585

00:22:12,630 --> 00:22:11,679

okay play with i've been playing around

586

00:22:15,830 --> 00:22:12,640

with it on

587

00:22:19,270 --> 00:22:15,840

facetune because you can

588

00:22:20,470 --> 00:22:19,280

take the lines and bend them face tune

589

00:22:23,110 --> 00:22:20,480

you know you can do things

590

00:22:24,310 --> 00:22:23,120

right but you can i if you manipulate

591

00:22:27,430 --> 00:22:24,320

the lines out you can

592

00:22:29,750 --> 00:22:27,440

i was starting to kind of get some like

593

00:22:31,110 --> 00:22:29,760

you know and what i'm getting i don't

594

00:22:33,190 --> 00:22:31,120

want to solve that [h\_\_\h]

595

00:22:34,630 --> 00:22:33,200

i want you know you're like let's solve

596

00:22:35,510 --> 00:22:34,640

some [h\_\_\h] i think we gotta

597

00:22:37,669 --> 00:22:35,520

you know i want to know what you know

598

00:22:37,990 --> 00:22:37,679

about that you know yeah i mean why

599

00:22:39,430 --> 00:22:38,000

can't

600

00:22:41,510 --> 00:22:39,440

you know have you like who have you

601  
00:22:43,830 --> 00:22:41,520  
taken it too i want to know

602  
00:22:45,350 --> 00:22:43,840  
yeah i mean in the show we checked it

603  
00:22:47,190 --> 00:22:45,360  
damn bird up

604  
00:22:48,630 --> 00:22:47,200  
sorry she's got a lot to say about

605  
00:22:52,390 --> 00:22:48,640  
roswell man we all do

606  
00:22:55,430 --> 00:22:52,400  
um we we had ben hansen look at it

607  
00:22:57,190 --> 00:22:55,440  
you know former fbi agent and um

608  
00:22:58,950 --> 00:22:57,200  
you know analyst and paranormal

609  
00:23:01,110 --> 00:22:58,960  
researcher and i thought he did an

610  
00:23:02,630 --> 00:23:01,120  
incredible job but we also

611  
00:23:04,470 --> 00:23:02,640  
have we're having it looked at by

612  
00:23:07,669 --> 00:23:04,480  
several other independent

613  
00:23:08,149 --> 00:23:07,679

photo analysis and um and stuff like

614

00:23:10,710 --> 00:23:08,159

that

615

00:23:13,270 --> 00:23:10,720

but not even the memo for me we looked

616

00:23:16,549 --> 00:23:13,280

at a metal that was found out there

617

00:23:19,430 --> 00:23:16,559

um we had it tested at an aerospace lab

618

00:23:21,510 --> 00:23:19,440

um and that came from frank kimbler this

619

00:23:23,510 --> 00:23:21,520

dude who lives out in roswell

620

00:23:24,950 --> 00:23:23,520

and he's been digging out in the desert

621

00:23:27,029 --> 00:23:24,960

for like years now

622

00:23:28,950 --> 00:23:27,039

looking for any evidence of a craft that

623

00:23:31,510 --> 00:23:28,960

crashed and you know

624

00:23:32,950 --> 00:23:31,520

being the earth scientist and geologist

625

00:23:35,590 --> 00:23:32,960

geologist he is

626

00:23:36,710 --> 00:23:35,600

he made [h\_\_h] happen and he found what he

627

00:23:38,630 --> 00:23:36,720

believes

628

00:23:40,390 --> 00:23:38,640

that you've been to that i've been to

629

00:23:42,549 --> 00:23:40,400

which was the actual

630

00:23:43,909 --> 00:23:42,559

impact site where the the craft

631

00:23:46,149 --> 00:23:43,919

supposedly came down

632

00:23:47,669 --> 00:23:46,159

and he found metals out there and we

633

00:23:51,350 --> 00:23:47,679

were like holy [h\_\_h] okay

634

00:23:54,549 --> 00:23:51,360

he also found buttons um military grade

635

00:23:56,950 --> 00:23:54,559

buttons that would be on um army outfits

636

00:23:58,870 --> 00:23:56,960

yeah because you need tons of army

637

00:23:59,590 --> 00:23:58,880

people to pick up a weather balloon of

638

00:24:03,990 --> 00:23:59,600

course

639

00:24:06,789 --> 00:24:04,000

of officers out there on hands and knees

640

00:24:07,830 --> 00:24:06,799

picking up give me a [h\_\_\h] break it's

641

00:24:10,070 --> 00:24:07,840

very important

642

00:24:11,830 --> 00:24:10,080

yeah yeah so i mean the fact that he

643

00:24:12,950 --> 00:24:11,840

found medals and the fact that he found

644

00:24:15,590 --> 00:24:12,960

military buttons

645

00:24:17,350 --> 00:24:15,600

from the 40s you know that says a lot

646

00:24:19,669 --> 00:24:17,360

something crashed there in the 40s

647

00:24:21,029 --> 00:24:19,679

out there because it was so remote no

648

00:24:22,950 --> 00:24:21,039

trash nothing out there

649

00:24:25,750 --> 00:24:22,960

yet he found these metals so we had him

650

00:24:28,390 --> 00:24:25,760

tested at an aerospace lab in california

651  
00:24:29,110 --> 00:24:28,400  
and um you know we go about it in the

652  
00:24:32,470 --> 00:24:29,120  
special

653  
00:24:35,269 --> 00:24:32,480  
of like yeah it was definitely the

654  
00:24:36,149 --> 00:24:35,279  
metal was not alien in the sense that it

655  
00:24:39,269 --> 00:24:36,159  
was

656  
00:24:41,750 --> 00:24:39,279  
extraterrestrial um but but

657  
00:24:43,909 --> 00:24:41,760  
but we were really excited to find out

658  
00:24:46,390 --> 00:24:43,919  
that the alloys within the metal

659  
00:24:48,950 --> 00:24:46,400  
the composition makeup everything about

660  
00:24:53,110 --> 00:24:48,960  
this metal that he found out there

661  
00:24:54,950 --> 00:24:53,120  
was what we're using today in 2020

662  
00:24:56,310 --> 00:24:54,960  
and it's being used on our most

663  
00:24:59,110 --> 00:24:56,320

sophisticated

664

00:25:00,149 --> 00:24:59,120

aerospace shuttles and missions and

665

00:25:03,110 --> 00:25:00,159

stuff like that

666

00:25:03,669 --> 00:25:03,120

today by elon musk by by people like

667

00:25:06,390 --> 00:25:03,679

that

668

00:25:07,190 --> 00:25:06,400

on their spacecraft so what the hell so

669

00:25:09,190 --> 00:25:07,200

familiar

670

00:25:11,269 --> 00:25:09,200

what's that metal doing out in the

671

00:25:12,710 --> 00:25:11,279

desert in the 40s i i can't tell how big

672

00:25:14,789 --> 00:25:12,720

is the metal piece

673

00:25:15,909 --> 00:25:14,799

he's got a bunch of them i mean the one

674

00:25:19,590 --> 00:25:15,919

what's the biggest

675

00:25:22,230 --> 00:25:19,600

um the biggest one i saw was probably

676  
00:25:24,149 --> 00:25:22,240  
about and i know this doesn't give much

677  
00:25:28,149 --> 00:25:24,159  
much context maybe like

678  
00:25:29,909 --> 00:25:28,159  
three inches long an inch wide so

679  
00:25:34,789 --> 00:25:29,919  
joe you know about three inches right

680  
00:25:39,590 --> 00:25:36,310  
i know you have a pretty good eyeball on

681  
00:25:42,149 --> 00:25:39,600  
how about you're out of control

682  
00:25:43,190 --> 00:25:42,159  
i hope you don't mind me jumping in on

683  
00:25:45,590 --> 00:25:43,200  
the metal

684  
00:25:47,110 --> 00:25:45,600  
yeah we found a piece of metal we're

685  
00:25:49,909 --> 00:25:47,120  
gonna talk about that right because

686  
00:25:51,590 --> 00:25:49,919  
yes we are yeah the things that you just

687  
00:25:53,909 --> 00:25:51,600  
said

688  
00:25:55,029 --> 00:25:53,919

apply to this piece of metal because we

689

00:25:57,269 --> 00:25:55,039

had it tested

690

00:25:58,789 --> 00:25:57,279

ooh good tease brother yeah i'm i will

691

00:26:02,549 --> 00:25:58,799

definitely get there um

692

00:26:04,149 --> 00:26:02,559

i'm gonna end on my roswell banter or

693

00:26:06,390 --> 00:26:04,159

blabbering here with um

694

00:26:08,149 --> 00:26:06,400

it wasn't it wasn't the physical

695

00:26:09,510 --> 00:26:08,159

evidence to be honest that really

696

00:26:12,390 --> 00:26:09,520

captured my attention

697

00:26:14,149 --> 00:26:12,400

in the research it was actually um

698

00:26:16,789 --> 00:26:14,159

somebody who came up to us

699

00:26:18,230 --> 00:26:16,799

while we were you know cameras were off

700

00:26:19,350 --> 00:26:18,240

we were getting ready to go to our next

701  
00:26:21,669 --> 00:26:19,360  
location

702  
00:26:23,190 --> 00:26:21,679  
and this local in roswell came up and of

703  
00:26:25,990 --> 00:26:23,200  
course he's like what are you guys doing

704  
00:26:26,710 --> 00:26:26,000  
what are you filming and right like you

705  
00:26:28,470 --> 00:26:26,720  
know

706  
00:26:30,470 --> 00:26:28,480  
something about roswell he's like is it

707  
00:26:31,190 --> 00:26:30,480  
the crash we're like yeah he's like of

708  
00:26:36,390 --> 00:26:31,200  
course

709  
00:26:38,310 --> 00:26:36,400  
all that happens in roswell that's what

710  
00:26:41,990 --> 00:26:38,320  
they're known for

711  
00:26:44,070 --> 00:26:42,000  
is like two miles long right yeah

712  
00:26:46,230 --> 00:26:44,080  
yeah the craft didn't even have the

713  
00:26:47,909 --> 00:26:46,240

decency to actually crash in roswell

714

00:27:02,390 --> 00:26:47,919

that's just where that's

715

00:27:05,590 --> 00:27:04,230

oh yeah so this dude comes up to us and

716

00:27:08,230 --> 00:27:05,600

he's like

717

00:27:09,510 --> 00:27:08,240

so you know what really happened right

718

00:27:10,789 --> 00:27:09,520

and we're like

719

00:27:13,590 --> 00:27:10,799

i mean that's what we're trying to

720

00:27:15,190 --> 00:27:13,600

figure out um you know we've

721

00:27:17,350 --> 00:27:15,200

heard everything from weather balloons

722

00:27:19,110 --> 00:27:17,360

to project mogul to um

723

00:27:20,630 --> 00:27:19,120

you know an alien spacecraft and he was

724

00:27:23,110 --> 00:27:20,640

like nah

725

00:27:23,669 --> 00:27:23,120

nope and we're like what do you mean and

726  
00:27:26,549 --> 00:27:23,679  
he's like

727  
00:27:27,269 --> 00:27:26,559  
look this is a small town everyone knows

728  
00:27:29,110 --> 00:27:27,279  
someone

729  
00:27:30,549 --> 00:27:29,120  
that was involved with this crash

730  
00:27:33,190 --> 00:27:30,559  
everybody in the town

731  
00:27:33,990 --> 00:27:33,200  
either related to or knew of somebody

732  
00:27:37,110 --> 00:27:34,000  
and he said

733  
00:27:39,990 --> 00:27:37,120  
his grandfather was working at

734  
00:27:41,909 --> 00:27:40,000  
the roswell army airfield at the time

735  
00:27:45,990 --> 00:27:41,919  
and um

736  
00:27:47,269 --> 00:27:46,000  
he told this guy that told us

737  
00:27:49,830 --> 00:27:47,279  
and you guys might have heard this

738  
00:27:50,230 --> 00:27:49,840

theory already um but it's one that i

739

00:27:53,590 --> 00:27:50,240

find

740

00:27:56,549 --> 00:27:53,600

really interesting uh

741

00:27:57,590 --> 00:27:56,559

close very close yeah i know where

742

00:28:01,350 --> 00:27:57,600

you're going

743

00:28:02,789 --> 00:28:01,360

so yeah he said his his way of putting

744

00:28:06,310 --> 00:28:02,799

it is

745

00:28:09,990 --> 00:28:06,320

there were bodies there was a craft

746

00:28:13,510 --> 00:28:10,000

it was human and it was children

747

00:28:16,630 --> 00:28:13,520

and oh russian children either russian

748

00:28:19,590 --> 00:28:16,640

german japanese somebody or american

749

00:28:20,710 --> 00:28:19,600

that's what he told us he told us that

750

00:28:23,909 --> 00:28:20,720

these were

751  
00:28:25,669 --> 00:28:23,919  
either mentally disabled or physically

752  
00:28:28,070 --> 00:28:25,679  
disabled children

753  
00:28:30,470 --> 00:28:28,080  
who the government snatched up these

754  
00:28:32,950 --> 00:28:30,480  
kids were left at you know orphanages

755  
00:28:34,389 --> 00:28:32,960  
um they were cast outs they nobody

756  
00:28:35,990 --> 00:28:34,399  
wanted these children

757  
00:28:37,669 --> 00:28:36,000  
and they said nobody will miss that's

758  
00:28:41,029 --> 00:28:37,679  
like joe

759  
00:28:44,630 --> 00:28:41,039  
could have put joe on that ouch

760  
00:28:46,630 --> 00:28:44,640  
oh man and there you go he says that

761  
00:28:47,990 --> 00:28:46,640  
they put these kids up in like a high

762  
00:28:50,870 --> 00:28:48,000  
altitude balloon

763  
00:28:52,950 --> 00:28:50,880

or craft because you got to think 40s

764

00:28:53,669 --> 00:28:52,960

like this is the early early days of

765

00:28:56,070 --> 00:28:53,679

looking at

766

00:28:57,750 --> 00:28:56,080

space exploration and breaking the

767

00:28:59,110 --> 00:28:57,760

chains of gravity and getting up there

768

00:29:00,870 --> 00:28:59,120

into the atmosphere

769

00:29:02,230 --> 00:29:00,880

and they wanted to see how long these

770

00:29:09,029 --> 00:29:02,240

kids could survive

771

00:29:14,149 --> 00:29:10,789

all right kids get ready to go up you're

772

00:29:18,630 --> 00:29:16,870

isn't that so [h\_\_h] up and like that's

773

00:29:20,149 --> 00:29:18,640

what this guy told me and he said why do

774

00:29:22,870 --> 00:29:20,159

you think there was a cover-up

775

00:29:24,389 --> 00:29:22,880

like we were kidnapping kids putting

776

00:29:26,789 --> 00:29:24,399

them up there and they were dying at

777

00:29:29,990 --> 00:29:26,799

alarming rates

778

00:29:32,470 --> 00:29:30,000

never heard of that so

779

00:29:33,190 --> 00:29:32,480

that blew my mind i heard about sorry i

780

00:29:34,710 --> 00:29:33,200

just detected

781

00:29:37,350 --> 00:29:34,720

i heard about like russians or something

782

00:29:40,070 --> 00:29:37,360

that that they like they sent

783

00:29:41,110 --> 00:29:40,080

you know like kids with pejor or

784

00:29:42,070 --> 00:29:41,120

whatever or something something like

785

00:29:45,110 --> 00:29:42,080

that but not exactly

786

00:29:47,830 --> 00:29:45,120

yours yeah georgia

787

00:29:48,789 --> 00:29:47,840

georgia yeah i mean and again like i

788

00:29:50,389 --> 00:29:48,799

said it's not the

789

00:29:52,149 --> 00:29:50,399

it's not the first time this theory has

790

00:29:53,830 --> 00:29:52,159

been brought forward but

791

00:29:56,070 --> 00:29:53,840

the fact that this guy came up to me and

792

00:29:56,870 --> 00:29:56,080

told this and other residents in roswell

793

00:29:59,990 --> 00:29:56,880

said this

794

00:30:02,230 --> 00:30:00,000

and researchers like nick redfern um

795

00:30:03,669 --> 00:30:02,240

have written about this in the past he

796

00:30:07,350 --> 00:30:03,679

believes it could have been

797

00:30:08,470 --> 00:30:07,360

japanese uh who sent something over to

798

00:30:11,750 --> 00:30:08,480

spy on us

799

00:30:12,630 --> 00:30:11,760

and it crashed uh look the possibilities

800

00:30:15,269 --> 00:30:12,640

are endless and

801  
00:30:17,029 --> 00:30:15,279  
aliens are still on the table too but

802  
00:30:17,909 --> 00:30:17,039  
that for me kind of opened the doors

803  
00:30:19,750 --> 00:30:17,919  
wide open

804  
00:30:21,750 --> 00:30:19,760  
and we didn't cover it in the tv show

805  
00:30:24,789 --> 00:30:21,760  
because it was really dark

806  
00:30:25,590 --> 00:30:24,799  
and depressing and um they just didn't

807  
00:30:27,750 --> 00:30:25,600  
want to cover that

808  
00:30:29,510 --> 00:30:27,760  
yeah i would you know they don't want to

809  
00:30:30,950 --> 00:30:29,520  
cover it yet but but um

810  
00:30:32,789 --> 00:30:30,960  
i will say you know we're not done

811  
00:30:33,510 --> 00:30:32,799  
looking at roswell on the tv show i'll

812  
00:30:35,909 --> 00:30:33,520  
tell you this

813  
00:30:37,350 --> 00:30:35,919

if that's what happened that's like a

814

00:30:38,789 --> 00:30:37,360

that's a that's like a

815

00:30:40,549 --> 00:30:38,799

like a worse story than aliens

816

00:30:41,190 --> 00:30:40,559

scratching franklin exactly that's what

817

00:30:45,029 --> 00:30:41,200

i said

818

00:30:47,190 --> 00:30:45,039

worse not worse or like more like

819

00:30:48,310 --> 00:30:47,200

explosive or whatever i don't know

820

00:30:50,070 --> 00:30:48,320

especially nowadays everybody's like

821

00:30:51,750 --> 00:30:50,080

yeah there's aliens or whatever but

822

00:30:54,389 --> 00:30:51,760

yeah i think that's interesting i love

823

00:30:56,470 --> 00:30:54,399

roswell i love the hieroglyphics i love

824

00:30:58,950 --> 00:30:56,480

when people are describing the materials

825

00:31:00,870 --> 00:30:58,960

and i just like so you're like the

826

00:31:01,909 --> 00:31:00,880

roswell guy you're a roswell guy well

827

00:31:03,669 --> 00:31:01,919

there you go too man

828

00:31:05,029 --> 00:31:03,679

hieroglyphics you bring up a really good

829

00:31:07,509 --> 00:31:05,039

point like

830

00:31:08,630 --> 00:31:07,519

back in the 40s and stuff like we p

831

00:31:11,750 --> 00:31:08,640

right

832

00:31:14,230 --> 00:31:11,760

people didn't know how to look at

833

00:31:15,830 --> 00:31:14,240

russian writing or japanese writing and

834

00:31:17,990 --> 00:31:15,840

whatnot at the time you know just

835

00:31:18,549 --> 00:31:18,000

everyday people in roswell new mexico i

836

00:31:21,909 --> 00:31:18,559

doubt it

837

00:31:23,750 --> 00:31:21,919

maybe the military yeah exactly so like

838

00:31:24,630 --> 00:31:23,760

if this rancher is the first to have

839

00:31:28,070 --> 00:31:24,640

found this

840

00:31:29,830 --> 00:31:28,080

this stuff and um and whatnot i can't

841

00:31:32,549 --> 00:31:29,840

say he didn't know japanese

842

00:31:35,029 --> 00:31:32,559

or russian or anything but maybe it's

843

00:31:38,310 --> 00:31:35,039

possible he mistook another language

844

00:31:40,789 --> 00:31:38,320

um written on these pieces or whatnot

845

00:31:41,909 --> 00:31:40,799

and thought it was hieroglyphics as he

846

00:31:45,029 --> 00:31:41,919

stated or um

847

00:31:47,190 --> 00:31:45,039

that jesse marcel senior showed his son

848

00:31:48,710 --> 00:31:47,200

that it was hieroglyphics who knows who

849

00:31:49,350 --> 00:31:48,720

knows but one more thing on roswell the

850

00:31:51,669 --> 00:31:49,360

hieroglyphics

851  
00:31:53,590 --> 00:31:51,679  
you're making me think about did you

852  
00:31:56,389 --> 00:31:53,600  
hear about a toy factory

853  
00:31:57,909 --> 00:31:56,399  
creating like scotch tape with patterns

854  
00:32:00,149 --> 00:31:57,919  
on it did you hear about this

855  
00:32:01,990 --> 00:32:00,159  
oh yeah yeah that's definitely yeah i've

856  
00:32:02,549 --> 00:32:02,000  
seen that special i've hunted for that

857  
00:32:04,230 --> 00:32:02,559  
tape

858  
00:32:06,470 --> 00:32:04,240  
to try i've looked everywhere to see if

859  
00:32:09,909 --> 00:32:06,480  
i could find just even like

860  
00:32:11,830 --> 00:32:09,919  
if it you know like has the diamonds and

861  
00:32:14,230 --> 00:32:11,840  
the clovers and the heart

862  
00:32:16,230 --> 00:32:14,240  
that's supposed to be what was on it but

863  
00:32:18,549 --> 00:32:16,240

surprisingly that's a whole episode bro

864

00:32:19,909 --> 00:32:18,559

i mean you know that's a whole series

865

00:32:21,350 --> 00:32:19,919

yeah i mean

866

00:32:22,789 --> 00:32:21,360

you guys know you too you've

867

00:32:23,590 --> 00:32:22,799

investigated and every time you think

868

00:32:25,830 --> 00:32:23,600

you have an answer

869

00:32:27,350 --> 00:32:25,840

like something creeps in and makes you

870

00:32:29,269 --> 00:32:27,360

go a different route so

871

00:32:31,190 --> 00:32:29,279

yeah but that's what ufo investigation

872

00:32:32,070 --> 00:32:31,200

is and you guys know that more than

873

00:32:34,630 --> 00:32:32,080

anyone you've done

874

00:32:36,310 --> 00:32:34,640

more boots on the ground than i have

875

00:32:38,870 --> 00:32:36,320

personally like i am one of these

876  
00:32:39,509 --> 00:32:38,880  
keyboard armchair researchers most of

877  
00:32:42,389 --> 00:32:39,519  
the time

878  
00:32:42,789 --> 00:32:42,399  
but um i i'd like to give you guys i'd

879  
00:32:46,070 --> 00:32:42,799  
like to

880  
00:32:48,470 --> 00:32:46,080  
get your guys thoughts on um this case

881  
00:32:52,310 --> 00:32:48,480  
that not a lot of people know about

882  
00:32:53,990 --> 00:32:52,320  
and i i hope you can share some of it

883  
00:32:55,909 --> 00:32:54,000  
with us i know you're under

884  
00:32:57,590 --> 00:32:55,919  
ndas for certain things and this and

885  
00:33:00,630 --> 00:32:57,600  
that but um

886  
00:33:03,110 --> 00:33:00,640  
needles california this is a case that

887  
00:33:04,710 --> 00:33:03,120  
caught my attention and uh i've been

888  
00:33:06,389 --> 00:33:04,720

looking into a lot but

889

00:33:08,230 --> 00:33:06,399

i want to get it from you guys this is

890

00:33:10,549 --> 00:33:08,240

probably one of the most recent

891

00:33:11,350 --> 00:33:10,559

quote unquote ufo crashes in history

892

00:33:14,070 --> 00:33:11,360

right now

893

00:33:15,909 --> 00:33:14,080

so tell us a little about needles um

894

00:33:18,070 --> 00:33:15,919

what you've heard about the case

895

00:33:19,430 --> 00:33:18,080

and about uh going there you guys

896

00:33:21,269 --> 00:33:19,440

actually went out to

897

00:33:22,630 --> 00:33:21,279

to look for stuff so um is there

898

00:33:23,350 --> 00:33:22,640

anything you could share with my

899

00:33:25,990 --> 00:33:23,360

audience

900

00:33:26,389 --> 00:33:26,000

about that you know to be honest with

901  
00:33:28,549 --> 00:33:26,399

you

902  
00:33:30,070 --> 00:33:28,559

nobody has investigated needles

903  
00:33:32,630 --> 00:33:30,080

california

904  
00:33:33,750 --> 00:33:32,640

in a long time and so joe and i just to

905  
00:33:37,029 --> 00:33:33,760

give you some background

906  
00:33:37,509 --> 00:33:37,039

it was may 14th 2008. it's not that long

907  
00:33:42,070 --> 00:33:37,519

ago

908  
00:33:43,750 --> 00:33:42,080

12 years um about 2 a.m the residence of

909  
00:33:44,789 --> 00:33:43,760

needles california which by the way is

910  
00:33:47,190 --> 00:33:44,799

like in the

911  
00:33:49,590 --> 00:33:47,200

taint of california it's like where

912  
00:33:50,789 --> 00:33:49,600

california and nevada and like there's

913  
00:33:53,669 --> 00:33:50,799

like a little

914

00:33:54,230 --> 00:33:53,679

uh the residents saw this turquoise

915

00:33:56,789 --> 00:33:54,240

lights

916

00:33:57,590 --> 00:33:56,799

reach across the sky right and then it

917

00:33:59,509 --> 00:33:57,600

came down

918

00:34:00,710 --> 00:33:59,519

crashed into the banks of the colorado

919

00:34:03,509 --> 00:34:00,720

river this

920

00:34:04,470 --> 00:34:03,519

was so bright it lit up the entire town

921

00:34:05,990 --> 00:34:04,480

of needles

922

00:34:08,069 --> 00:34:06,000

and they were calling the local radio

923

00:34:10,310 --> 00:34:08,079

station that night to report it and talk

924

00:34:12,470 --> 00:34:10,320

talk about it tell people about it

925

00:34:13,430 --> 00:34:12,480

a man named frank costigan who has since

926  
00:34:14,710 --> 00:34:13,440  
passed

927  
00:34:17,190 --> 00:34:14,720  
was one of the people that took those

928  
00:34:19,030 --> 00:34:17,200  
calls so what we did

929  
00:34:20,230 --> 00:34:19,040  
is we started there we started with

930  
00:34:23,349 --> 00:34:20,240  
frank costigan

931  
00:34:24,550 --> 00:34:23,359  
who uh gave us so much information about

932  
00:34:27,909 --> 00:34:24,560  
what happened

933  
00:34:29,589 --> 00:34:27,919  
in 2008. so that night after it crashed

934  
00:34:30,230 --> 00:34:29,599  
into the banks of the colorado river

935  
00:34:37,589 --> 00:34:30,240  
this

936  
00:34:39,430 --> 00:34:37,599  
it was definitely a vehicle of some sort

937  
00:34:41,589 --> 00:34:39,440  
primarily because a squadron of

938  
00:34:45,109 --> 00:34:41,599

helicopters were following it

939

00:34:47,270 --> 00:34:45,119

as it crashed and a sky crane

940

00:34:49,510 --> 00:34:47,280

came in which is like a big helicopter

941

00:34:53,109 --> 00:34:49,520

that can lift really heavy stuff

942

00:34:56,629 --> 00:34:53,119

comes in picks up the object

943

00:34:59,910 --> 00:34:56,639

right with the sky and they fly off

944

00:35:04,230 --> 00:34:59,920

that morning the town is overrun with

945

00:35:06,870 --> 00:35:04,240

seemingly scientists uh possible

946

00:35:09,750 --> 00:35:06,880

uh people affiliated with the army or

947

00:35:13,670 --> 00:35:12,310

men in black they asked lots of

948

00:35:17,510 --> 00:35:13,680

questions

949

00:35:19,510 --> 00:35:17,520

there was literally lines of cars

950

00:35:21,670 --> 00:35:19,520

coming into needles california it was

951  
00:35:24,390 --> 00:35:21,680  
unlike anything they had ever seen

952  
00:35:28,829 --> 00:35:24,400  
um because it's really a quiet place

953  
00:35:33,349 --> 00:35:31,510  
and whatever they do there

954  
00:35:35,109 --> 00:35:33,359  
by chinese food we mean it's really bad

955  
00:35:37,109 --> 00:35:35,119  
not that there's chinese people there

956  
00:35:40,069 --> 00:35:37,119  
i just wanted to point that out yeah bad

957  
00:35:41,829 --> 00:35:40,079  
chinese food okay

958  
00:35:43,670 --> 00:35:41,839  
is there bad chinese food let's be

959  
00:35:46,150 --> 00:35:43,680  
honest

960  
00:35:47,349 --> 00:35:46,160  
yes because when it's 115 degrees you're

961  
00:35:51,030 --> 00:35:47,359  
eating

962  
00:35:52,630 --> 00:35:51,040  
some very hot powdered pork

963  
00:35:54,310 --> 00:35:52,640

i didn't think about that that just made

964

00:35:57,589 --> 00:35:54,320

my stomach turn yeah

965

00:35:58,790 --> 00:35:57,599

you're like awful at msg and then you're

966

00:36:01,109 --> 00:35:58,800

like

967

00:36:03,510 --> 00:36:01,119

the water's not working you guys don't

968

00:36:07,190 --> 00:36:03,520

carry gatorade

969

00:36:10,829 --> 00:36:07,200

oh my god i'm thinking of um anchorman

970

00:36:14,630 --> 00:36:13,030

yes so anyway

971

00:36:16,230 --> 00:36:14,640

just found memories joe and i you know

972

00:36:19,829 --> 00:36:16,240

we pop in here and there

973

00:36:22,310 --> 00:36:19,839

yeah but uh so how mysterious

974

00:36:23,990 --> 00:36:22,320

um there was a middle there was a mental

975

00:36:26,390 --> 00:36:24,000

there was a man named bob on the river

976

00:36:28,550 --> 00:36:26,400

okay who was a man that was boating that

977

00:36:31,910 --> 00:36:28,560

night wait he said his name is bob

978

00:36:32,710 --> 00:36:31,920

bob yeah no what do you know his last

979

00:36:36,390 --> 00:36:32,720

name was

980

00:36:41,910 --> 00:36:39,589

oh no i have a feeling this is an inside

981

00:36:45,030 --> 00:36:44,150

no you know bob up and bob up and down

982

00:36:47,430 --> 00:36:45,040

in the water

983

00:36:48,950 --> 00:36:47,440

up and down oh my god that went right

984

00:36:51,510 --> 00:36:48,960

over my head

985

00:36:52,069 --> 00:36:51,520

like in the water not in a lab oh my

986

00:36:54,150 --> 00:36:52,079

gosh

987

00:36:55,750 --> 00:36:54,160

but he was fishing on the banks of

988

00:36:58,790 --> 00:36:55,760

colorado river

989

00:37:00,710 --> 00:36:58,800

okay go ahead joe and

990

00:37:02,630 --> 00:37:00,720

take him he saw it flying he saw it

991

00:37:04,310 --> 00:37:02,640

flying okay

992

00:37:06,630 --> 00:37:04,320

so we went we interviewed frank costa

993

00:37:08,870 --> 00:37:06,640

again he gave us uh contact information

994

00:37:10,870 --> 00:37:08,880

with the local geologists

995

00:37:12,710 --> 00:37:10,880

and land surveyors so we could get an

996

00:37:14,790 --> 00:37:12,720

idea of approximately where this thing

997

00:37:17,990 --> 00:37:14,800

crashed the bank's colorado river

998

00:37:20,390 --> 00:37:18,000

and we went out there with our metal

999

00:37:23,910 --> 00:37:20,400

detectors and our em detectors

1000

00:37:26,710 --> 00:37:23,920

and we found something man and really

1001  
00:37:27,670 --> 00:37:26,720  
not ever really shown this especially to

1002  
00:37:30,550 --> 00:37:27,680  
somebody

1003  
00:37:31,190 --> 00:37:30,560  
where you're at on tv yeah yeah so many

1004  
00:37:33,430 --> 00:37:31,200  
followers

1005  
00:37:35,349 --> 00:37:33,440  
showing people here and there but we

1006  
00:37:36,950 --> 00:37:35,359  
actually dug down a couple feet and

1007  
00:37:37,670 --> 00:37:36,960  
pulled this incredible piece of metal

1008  
00:37:40,069 --> 00:37:37,680  
out of the ground

1009  
00:37:41,829 --> 00:37:40,079  
and it's really a really pretty big

1010  
00:37:43,910 --> 00:37:41,839  
piece of metal you want to see it

1011  
00:37:47,030 --> 00:37:43,920  
ah yeah if you guys are willing to share

1012  
00:37:53,030 --> 00:37:50,470  
i don't care what you're gonna do okay

1013  
00:37:54,150 --> 00:37:53,040

okay yeah let's see if because william

1014

00:37:55,990 --> 00:37:54,160

this is a uh

1015

00:37:57,430 --> 00:37:56,000

somewhere in the sky's ufo bros

1016

00:38:00,950 --> 00:37:57,440

exclusive i would love

1017

00:38:02,829 --> 00:38:00,960

to see astronaut john kelly saw this

1018

00:38:05,750 --> 00:38:02,839

piece of metal

1019

00:38:08,710 --> 00:38:05,760

okay and he says because of

1020

00:38:09,750 --> 00:38:08,720

the tinting on it he he thinks this is

1021

00:38:12,790 --> 00:38:09,760

very much

1022

00:38:14,630 --> 00:38:12,800

something that has been to space so

1023

00:38:16,470 --> 00:38:14,640

um i'm gonna show you the whole piece in

1024

00:38:20,069 --> 00:38:16,480

its entirety

1025

00:38:21,670 --> 00:38:20,079

oh wow that's huge okay yeah it's huge

1026

00:38:23,670 --> 00:38:21,680

but when you when you look at it it's

1027

00:38:25,589 --> 00:38:23,680

just like okay it's a piece of metal

1028

00:38:27,270 --> 00:38:25,599

but upon further inspection you'll start

1029

00:38:29,670 --> 00:38:27,280

to notice look these there's these

1030

00:38:30,870 --> 00:38:29,680

this weird bubbling that has right in

1031

00:38:34,310 --> 00:38:30,880

the middle

1032

00:38:37,270 --> 00:38:34,320

which suggests that something was heated

1033

00:38:39,349 --> 00:38:37,280

extremely quickly faster than able to

1034

00:38:41,270 --> 00:38:39,359

char

1035

00:38:42,790 --> 00:38:41,280

the other thing too is you can see the

1036

00:38:45,270 --> 00:38:42,800

way that this has come off

1037

00:38:47,750 --> 00:38:45,280

it looks as though it has literally

1038

00:38:53,660 --> 00:38:47,760

exploded off something what's so funny

1039

00:38:57,349 --> 00:38:54,800

[Music]

1040

00:39:00,470 --> 00:38:57,359

[Laughter]

1041

00:39:01,750 --> 00:39:00,480

i got glitter everywhere oh no so this

1042

00:39:02,630 --> 00:39:01,760

is important we're showing a piece of

1043

00:39:06,710 --> 00:39:02,640

the ufo

1044

00:39:09,190 --> 00:39:06,720

and you're yes literally i have kids

1045

00:39:10,630 --> 00:39:09,200

okay yeah i'm sorry to hear that uh but

1046

00:39:12,230 --> 00:39:10,640

this is if you look at this p

1047

00:39:14,710 --> 00:39:12,240

this side here there's a strange like

1048

00:39:18,230 --> 00:39:14,720

yellow tinting to it yeah yeah yeah

1049

00:39:20,069 --> 00:39:18,240

um back side there's some discoloration

1050

00:39:23,750 --> 00:39:20,079

it looks like oxidation

1051

00:39:25,750 --> 00:39:23,760

um we have this it hasn't rusted

1052

00:39:28,230 --> 00:39:25,760

it has not rusted came right out of the

1053

00:39:31,670 --> 00:39:28,240

ground oh wow

1054

00:39:32,790 --> 00:39:31,680

yeah we had it analyzed and same thing

1055

00:39:36,390 --> 00:39:32,800

you said man

1056

00:39:40,790 --> 00:39:36,400

this is aerospace ready

1057

00:39:42,550 --> 00:39:40,800

material and uh that it was designed

1058

00:39:45,109 --> 00:39:42,560

to withstand a tremendous amount of

1059

00:39:48,150 --> 00:39:45,119

pressure what type of metal it is

1060

00:39:51,349 --> 00:39:48,160

and so uh it is not

1061

00:39:54,870 --> 00:39:51,359

a piece of like you know a license plate

1062

00:39:57,270 --> 00:39:54,880

or a piece of aluminum off a roof or

1063

00:39:59,349 --> 00:39:57,280

something like that this is something

1064

00:40:01,670 --> 00:39:59,359

that has been through a traumatic event

1065

00:40:03,510 --> 00:40:01,680

okay and this was right in the

1066

00:40:07,109 --> 00:40:03,520

coordinates that the needle's crashing

1067

00:40:10,230 --> 00:40:07,119

on the banks of colorado river wow so

1068

00:40:11,190 --> 00:40:10,240

that's super thin very strong dude it

1069

00:40:14,870 --> 00:40:11,200

looks

1070

00:40:17,270 --> 00:40:14,880

identical to our metals i'm not kidding

1071

00:40:18,390 --> 00:40:17,280

even the um like you said the the

1072

00:40:19,910 --> 00:40:18,400

bubbling

1073

00:40:21,589 --> 00:40:19,920

that we're seeing there where it looks

1074

00:40:24,390 --> 00:40:21,599

like it was like

1075

00:40:24,950 --> 00:40:24,400

burned or impacted ours had the same

1076

00:40:27,510 --> 00:40:24,960

thing

1077

00:40:29,030 --> 00:40:27,520

and this was like a solid steel piece

1078

00:40:29,910 --> 00:40:29,040

that you could not bend you could not

1079

00:40:32,630 --> 00:40:29,920

break nothing

1080

00:40:33,670 --> 00:40:32,640

yet it had those really interesting

1081

00:40:35,589 --> 00:40:33,680

rivets in it and

1082

00:40:37,510 --> 00:40:35,599

bubbling like you said like something

1083

00:40:40,870 --> 00:40:37,520

very traumatic had happened

1084

00:40:42,710 --> 00:40:40,880

wow it is strikingly similar to our

1085

00:40:45,670 --> 00:40:42,720

medals there's

1086

00:40:47,430 --> 00:40:45,680

something to be said about that what do

1087

00:40:49,349 --> 00:40:47,440

you guys think what do you think it is

1088

00:40:51,109 --> 00:40:49,359

that was buried like four to five feet

1089

00:40:52,950 --> 00:40:51,119

down that was okay

1090

00:40:55,109 --> 00:40:52,960

time you say that story it gets a foot

1091

00:40:57,270 --> 00:40:55,119

deeper it was like two feet down

1092

00:41:00,470 --> 00:40:57,280

it was like two to four feet deep it was

1093

00:41:04,069 --> 00:41:00,480

it was in the core of the earth

1094

00:41:06,470 --> 00:41:04,079

we dug to china yeah

1095

00:41:07,829 --> 00:41:06,480

but here's here joe what do you think

1096

00:41:09,829 --> 00:41:07,839

because i think

1097

00:41:11,270 --> 00:41:09,839

that i don't necessarily know that it's

1098

00:41:13,270 --> 00:41:11,280

actually terrestrial but i

1099

00:41:15,270 --> 00:41:13,280

really do think that whatever crashed in

1100

00:41:16,230 --> 00:41:15,280

needles this could really truly be a

1101  
00:41:18,630 --> 00:41:16,240  
piece of it

1102  
00:41:20,150 --> 00:41:18,640  
that's what i just analyzed we analyzed

1103  
00:41:22,150 --> 00:41:20,160  
his properties we

1104  
00:41:23,270 --> 00:41:22,160  
you know had to take it around it and

1105  
00:41:24,390 --> 00:41:23,280  
from the results it's something that's

1106  
00:41:27,030 --> 00:41:24,400  
been in the space

1107  
00:41:28,950 --> 00:41:27,040  
the yellowing on it is from radiation

1108  
00:41:31,510 --> 00:41:28,960  
that they say

1109  
00:41:32,390 --> 00:41:31,520  
uh oh wow and that's saying something

1110  
00:41:35,190 --> 00:41:32,400  
yeah

1111  
00:41:36,309 --> 00:41:35,200  
that's like the radiation this being in

1112  
00:41:38,950 --> 00:41:36,319  
space

1113  
00:41:40,390 --> 00:41:38,960

this creates this sort of yellow tint oh

1114

00:41:42,230 --> 00:41:40,400

yellow coating tint yeah

1115

00:41:44,230 --> 00:41:42,240

we've actually even had skeptics look at

1116

00:41:46,870 --> 00:41:44,240

it and they still say

1117

00:41:49,109 --> 00:41:46,880

this is weird and so we can truly say

1118

00:41:49,910 --> 00:41:49,119

that this is a strange object off of

1119

00:41:52,630 --> 00:41:49,920

something that

1120

00:41:54,790 --> 00:41:52,640

suffered a traumatic event and quite

1121

00:41:57,190 --> 00:41:54,800

possibly was in space

1122

00:41:58,630 --> 00:41:57,200

i really do think that this is possibly

1123

00:42:02,230 --> 00:41:58,640

a piece of what crashed

1124

00:42:04,630 --> 00:42:02,240

because it sounds to me like potentially

1125

00:42:05,990 --> 00:42:04,640

if needles wasn't extraterrestrial that

1126

00:42:09,109 --> 00:42:06,000

it definitely was

1127

00:42:11,349 --> 00:42:09,119

an advanced um potentially government

1128

00:42:13,270 --> 00:42:11,359

experimental craft of some sort

1129

00:42:14,829 --> 00:42:13,280

um which could explain this sort of

1130

00:42:17,990 --> 00:42:14,839

launch grade

1131

00:42:19,349 --> 00:42:18,000

alloy so how you like them apples

1132

00:42:23,109 --> 00:42:19,359

they're ryan do you like our pizza yeah

1133

00:42:25,589 --> 00:42:23,119

right gooey the all i'm gonna say is

1134

00:42:27,750 --> 00:42:25,599

all i'm gonna say is guys your piece is

1135

00:42:31,030 --> 00:42:27,760

way bigger than mine

1136

00:42:33,030 --> 00:42:31,040

yeah um you know we had a black piece in

1137

00:42:36,630 --> 00:42:33,040

here actually but we

1138

00:42:44,150 --> 00:42:36,640

it was a really big big black

1139

00:42:47,270 --> 00:42:44,160

um piece oh you knock it off

1140

00:42:49,190 --> 00:42:47,280

i love it you guys you

1141

00:42:50,309 --> 00:42:49,200

you catch me off my feet and leave me

1142

00:42:52,390 --> 00:42:50,319

silent so that's

1143

00:42:54,069 --> 00:42:52,400

you that's saying something because i've

1144

00:42:55,910 --> 00:42:54,079

heard everything we try

1145

00:42:57,430 --> 00:42:55,920

you try you should be in you should go

1146

00:42:59,670 --> 00:42:57,440

on a trip with us sometime you actually

1147

00:43:02,950 --> 00:42:59,680

probably might kill us

1148

00:43:05,670 --> 00:43:02,960

that'd be the funniest [h\_\_\h] in the world

1149

00:43:06,230 --> 00:43:05,680

poor sound guy in the back of the rv and

1150

00:43:09,910 --> 00:43:06,240

and

1151  
00:43:11,829 --> 00:43:09,920  
yeah they were just like how do you guys

1152  
00:43:14,390 --> 00:43:11,839  
how are you still talking it's been 12

1153  
00:43:17,670 --> 00:43:17,030  
oh man i don't know it's the passion

1154  
00:43:19,270 --> 00:43:17,680  
that keeps saying

1155  
00:43:20,710 --> 00:43:19,280  
i was all i was uh yeah it was the

1156  
00:43:22,150 --> 00:43:20,720  
passion i was all so how long did you

1157  
00:43:24,390 --> 00:43:22,160  
guys record he's like well like

1158  
00:43:26,790 --> 00:43:24,400  
about 40 minutes after you guys we left

1159  
00:43:28,630 --> 00:43:26,800  
we just stopped because

1160  
00:43:29,829 --> 00:43:28,640  
she just kept talking and talking you

1161  
00:43:32,630 --> 00:43:29,839  
just kept going

1162  
00:43:35,109 --> 00:43:32,640  
ah that is well i think that's about to

1163  
00:43:38,150 --> 00:43:35,119

right ryan like it's supposed to be fun

1164

00:43:40,470 --> 00:43:38,160

absolutely i try to remind people

1165

00:43:41,990 --> 00:43:40,480

like yeah this is a serious topic like

1166

00:43:44,309 --> 00:43:42,000

we're talking about possible

1167

00:43:45,430 --> 00:43:44,319

kidnapping of kids by the us government

1168

00:43:49,030 --> 00:43:45,440

and killing them

1169

00:43:50,950 --> 00:43:49,040

at a a like a ufo crash and also like

1170

00:43:52,150 --> 00:43:50,960

the potential of alien life visiting our

1171

00:43:54,870 --> 00:43:52,160

planet it is

1172

00:43:56,550 --> 00:43:54,880

a big thing but come on like we talk

1173

00:43:57,910 --> 00:43:56,560

about the weirdest [h\_\_\h] out there and if

1174

00:44:00,550 --> 00:43:57,920

we can't laugh about it

1175

00:44:01,589 --> 00:44:00,560

every now and then you're gonna be

1176

00:44:05,190 --> 00:44:01,599

miserable

1177

00:44:07,910 --> 00:44:05,200

know

1178

00:44:11,270 --> 00:44:07,920

that that nick pope that was him letting

1179

00:44:16,470 --> 00:44:14,550

that was his having a good time

1180

00:44:17,589 --> 00:44:16,480

let's talk about that um you guys he

1181

00:44:19,829 --> 00:44:17,599

didn't even really had um

1182

00:44:21,109 --> 00:44:19,839

he didn't get anything that i was doing

1183

00:44:24,470 --> 00:44:21,119

i was doing the donald trump

1184

00:44:27,430 --> 00:44:24,480

water bottle drink he was like

1185

00:44:30,069 --> 00:44:27,440

what's up what happened look look what

1186

00:44:33,190 --> 00:44:30,079

was it like he's a very thoughtful man

1187

00:44:35,109 --> 00:44:33,200

yeah oh he actually was a black

1188

00:44:38,870 --> 00:44:35,119

and he went along with it perfectly yeah

1189

00:44:41,670 --> 00:44:38,880

he did i was able to really let go

1190

00:44:43,589 --> 00:44:41,680

yeah and by that he means like unbutton

1191

00:44:46,470 --> 00:44:43,599

the top button over here

1192

00:44:47,109 --> 00:44:46,480

yeah but no he was great he's awesome he

1193

00:44:48,550 --> 00:44:47,119

was

1194

00:44:50,309 --> 00:44:48,560

definitely a great and i would like to

1195

00:44:53,349 --> 00:44:50,319

come on again awesome

1196

00:44:56,710 --> 00:44:53,359

yeah and for those who don't know um uh

1197

00:44:57,190 --> 00:44:56,720

nick pope is was the former ufo desk

1198

00:44:59,750 --> 00:44:57,200

worker

1199

00:45:01,030 --> 00:44:59,760

for the mod in england in their ufo

1200

00:45:02,790 --> 00:45:01,040

project and uh

1201

00:45:06,069 --> 00:45:02,800

you should know that by now to my

1202

00:45:08,630 --> 00:45:06,079

audience but um yeah yeah

1203

00:45:09,910 --> 00:45:08,640

yeah so what did he have to say anything

1204

00:45:12,230 --> 00:45:09,920

really compelling that he brought

1205

00:45:15,270 --> 00:45:12,240

forward with you guys

1206

00:45:18,470 --> 00:45:15,280

my favorite part of the whole show is

1207

00:45:19,829 --> 00:45:18,480

we ask him we say if there is a

1208

00:45:23,030 --> 00:45:19,839

revelation

1209

00:45:23,430 --> 00:45:23,040

about ufos and extraterrestrials this

1210

00:45:26,470 --> 00:45:23,440

month

1211

00:45:27,750 --> 00:45:26,480

potentially what would the president say

1212

00:45:30,950 --> 00:45:27,760

to the people

1213

00:45:32,870 --> 00:45:30,960

walk us through that moment and he does

1214

00:45:33,990 --> 00:45:32,880

for a minute well he actually got a

1215

00:45:37,589 --> 00:45:34,000

silent we were like

1216

00:45:39,750 --> 00:45:37,599

yeah did it happen bro did it happen

1217

00:45:41,589 --> 00:45:39,760

yeah it's not like wait does this happen

1218

00:45:45,109 --> 00:45:41,599

are you doing disclosure now like

1219

00:45:48,230 --> 00:45:45,119

is this it yeah he did really well

1220

00:45:49,349 --> 00:45:48,240

president will walk out i can't really

1221

00:45:51,589 --> 00:45:49,359

do anything

1222

00:45:52,950 --> 00:45:51,599

but uh that was my favorite part you

1223

00:45:55,990 --> 00:45:52,960

know the guy is

1224

00:45:56,950 --> 00:45:56,000

deep into what's going on over yeah uh

1225

00:45:59,270 --> 00:45:56,960

he's on top

1226

00:46:01,190 --> 00:45:59,280

tucker carlson i know how much you you

1227

00:46:01,910 --> 00:46:01,200

watch tucker crosston all the time dude

1228

00:46:05,190 --> 00:46:01,920

i know you

1229

00:46:09,030 --> 00:46:05,200

love tucker carlson don't you write

1230

00:46:12,470 --> 00:46:09,040

oh huge huge fan of uh mr carlson hey

1231

00:46:15,270 --> 00:46:12,480

look i'm pretty vocal about my political

1232

00:46:18,230 --> 00:46:15,280

leanings and everything um but you know

1233

00:46:20,870 --> 00:46:18,240

i try to keep it out as much as i can

1234

00:46:22,550 --> 00:46:20,880

always all this but you know it's hard

1235

00:46:24,710 --> 00:46:22,560

because this is a political issue

1236

00:46:25,829 --> 00:46:24,720

ufos you know we can also i didn't mean

1237

00:46:28,870 --> 00:46:25,839

to bring politics

1238

00:46:30,470 --> 00:46:28,880

well i did but i didn't

1239

00:46:32,710 --> 00:46:30,480

but hey look if there's anything i could

1240

00:46:35,670 --> 00:46:32,720

say about tucker carlson um

1241

00:46:38,150 --> 00:46:35,680

you know besides him as a person uh with

1242

00:46:40,470 --> 00:46:38,160

his principles and values and ethics uh

1243

00:46:41,829 --> 00:46:40,480

he is taking this thing more serious

1244

00:46:44,309 --> 00:46:41,839

than any news network

1245

00:46:46,550 --> 00:46:44,319

any news anchor and he's doing a really

1246

00:46:48,150 --> 00:46:46,560

good job at it he's a smart guy

1247

00:46:49,670 --> 00:46:48,160

there's no getting around that tucker

1248

00:46:52,470 --> 00:46:49,680

carlson is a very

1249

00:46:53,910 --> 00:46:52,480

smart guy um there are there's so much i

1250

00:46:56,950 --> 00:46:53,920

don't agree with him on

1251  
00:46:58,230 --> 00:46:56,960  
in the world but hey if he's going to be

1252  
00:46:59,109 --> 00:46:58,240  
the one to get this thing out to the

1253  
00:47:02,150 --> 00:46:59,119  
forefront

1254  
00:47:05,270 --> 00:47:02,160  
i am appreciative of that

1255  
00:47:05,829 --> 00:47:05,280  
and i just want it out you know we want

1256  
00:47:08,069 --> 00:47:05,839  
the truth

1257  
00:47:09,270 --> 00:47:08,079  
who does it just put it out just get it

1258  
00:47:11,510 --> 00:47:09,280  
out and that's how i feel

1259  
00:47:12,550 --> 00:47:11,520  
being just a political and i was teasing

1260  
00:47:13,990 --> 00:47:12,560  
you a little bit but just being

1261  
00:47:16,309 --> 00:47:14,000  
apolitical about it

1262  
00:47:18,630 --> 00:47:16,319  
yeah i don't care if the pope i don't

1263  
00:47:20,870 --> 00:47:18,640

care i just i want to know

1264

00:47:22,470 --> 00:47:20,880

so that we can i don't know what are we

1265

00:47:24,150 --> 00:47:22,480

going to do after all this is over

1266

00:47:25,510 --> 00:47:24,160

what are we doing what are the three of

1267

00:47:26,630 --> 00:47:25,520

us gonna do we're gonna have to like

1268

00:47:28,790 --> 00:47:26,640

take up like

1269

00:47:30,309 --> 00:47:28,800

basket weaving or something i don't know

1270

00:47:33,589 --> 00:47:30,319

underwater basketball

1271

00:47:35,910 --> 00:47:33,599

underwater yes got to put that caveat on

1272

00:47:38,710 --> 00:47:35,920

um well hey i want to know what you guys

1273

00:47:42,470 --> 00:47:38,720

think and while we're on the topic uh

1274

00:47:45,510 --> 00:47:42,480

of like disclosure and yeah i guess u.s

1275

00:47:47,750 --> 00:47:45,520

politics we have a major election coming

1276

00:47:51,349 --> 00:47:47,760

up in a couple weeks

1277

00:47:54,630 --> 00:47:51,359

and you know no matter which way it goes

1278

00:47:55,670 --> 00:47:54,640

um you know trump has kind of given us

1279

00:47:59,109 --> 00:47:55,680

his thoughts and

1280

00:48:00,950 --> 00:47:59,119

whatnot on the ufo topic but biden has

1281

00:48:01,430 --> 00:48:00,960

said nothing he's never really talked

1282

00:48:02,950 --> 00:48:01,440

about it

1283

00:48:05,190 --> 00:48:02,960

but do you think with a new

1284

00:48:07,670 --> 00:48:05,200

administration uh

1285

00:48:08,710 --> 00:48:07,680

things could change in terms of the ufo

1286

00:48:10,950 --> 00:48:08,720

disclosure

1287

00:48:13,109 --> 00:48:10,960

i mean we if we have a different

1288

00:48:15,829 --> 00:48:13,119

administration full of different people

1289

00:48:16,390 --> 00:48:15,839

who may have some interest in this topic

1290

00:48:18,230 --> 00:48:16,400

um

1291

00:48:19,990 --> 00:48:18,240

does it matter does it even matter if

1292

00:48:21,910 --> 00:48:20,000

trump is there or biden is there

1293

00:48:24,230 --> 00:48:21,920

will anything change with the overall

1294

00:48:26,870 --> 00:48:24,240

disclosure of ufos and your guys

1295

00:48:30,790 --> 00:48:29,430

well i'll start chill i know that you

1296

00:48:34,630 --> 00:48:30,800

usually start

1297

00:48:37,109 --> 00:48:34,640

i think that um

1298

00:48:39,270 --> 00:48:37,119

i think that there that things are so

1299

00:48:42,390 --> 00:48:39,280

chaotic right now

1300

00:48:44,710 --> 00:48:42,400

um now would be

1301

00:48:46,549 --> 00:48:44,720

the probably the most likely time that

1302

00:48:48,790 --> 00:48:46,559

something could get out

1303

00:48:50,230 --> 00:48:48,800

um i don't know what would happen if

1304

00:48:51,190 --> 00:48:50,240

biden got in like you said he hasn't

1305

00:48:53,829 --> 00:48:51,200

said anything

1306

00:48:55,589 --> 00:48:53,839

but what if he gets in but then he does

1307

00:48:56,870 --> 00:48:55,599

the you know what was the former which

1308

00:49:00,470 --> 00:48:56,880

was just kind of keep

1309

00:49:03,109 --> 00:49:00,480

he's pushing it along kind of thing

1310

00:49:05,109 --> 00:49:03,119

um i'm actually surprised trump hasn't

1311

00:49:07,030 --> 00:49:05,119

said anything yet

1312

00:49:08,790 --> 00:49:07,040

i mean the guy's like you know i mean

1313

00:49:10,549 --> 00:49:08,800

why wouldn't i i mean says but

1314

00:49:11,990 --> 00:49:10,559

did they tell you why i wouldn't buy

1315

00:49:13,750 --> 00:49:12,000

them you know they're little tiny little

1316

00:49:14,230 --> 00:49:13,760

beings and then he'd smell their head

1317

00:49:15,829 --> 00:49:14,240

and

1318

00:49:19,670 --> 00:49:15,839

as he sits there with them you know i

1319

00:49:19,680 --> 00:49:23,430

those are some creepy videos man

1320

00:49:28,470 --> 00:49:25,910

i don't care who you vote for like them

1321

00:49:42,470 --> 00:49:28,480

some creepy videos for sure

1322

00:49:49,190 --> 00:49:44,470

alienated one hundred percent of our

1323

00:49:53,589 --> 00:49:51,430

look it's all about fun and especially

1324

00:49:55,670 --> 00:49:53,599

right now man like

1325

00:49:56,630 --> 00:49:55,680

i think they're all crazy okay all of

1326

00:49:59,750 --> 00:49:56,640

them all of the

1327

00:50:02,710 --> 00:49:59,760

every single politician line they're all

1328

00:50:03,750 --> 00:50:02,720

they're all is equally not truthful so

1329

00:50:05,349 --> 00:50:03,760

let's just get that out

1330

00:50:06,870 --> 00:50:05,359

so you can do whatever you want to do

1331

00:50:09,990 --> 00:50:06,880

with whoever you want but

1332

00:50:13,109 --> 00:50:10,000

like you said let's get the info out

1333

00:50:16,630 --> 00:50:13,119

hopefully we still get it let's get it

1334

00:50:16,640 --> 00:50:21,109

that's called pop tourette's yes

1335

00:50:26,069 --> 00:50:24,950

is that a clip yeah yeah well actually

1336

00:50:27,670 --> 00:50:26,079

um

1337

00:50:29,109 --> 00:50:27,680

uh this this could be you can edit this

1338

00:50:32,870 --> 00:50:29,119

out right here if you want to

1339

00:50:35,510 --> 00:50:32,880

uh i have a movement disorder that they

1340

00:50:38,390 --> 00:50:35,520

finally diagnosed me with

1341

00:50:39,190 --> 00:50:38,400

so i constantly move and it's they can't

1342

00:50:41,349 --> 00:50:39,200

figure it out

1343

00:50:43,030 --> 00:50:41,359

it's called korea it's like part of like

1344

00:50:45,430 --> 00:50:43,040

honey tim's parkinson's

1345

00:50:46,790 --> 00:50:45,440

leave me alone i'm trying to talk and

1346

00:50:47,829 --> 00:50:46,800

you always ruin every time i try to

1347

00:50:53,750 --> 00:50:47,839

[h\_\_\h] talk

1348

00:51:00,790 --> 00:50:58,150

that's what's happening okay

1349

00:51:02,150 --> 00:51:00,800

yeah that's what it is oh man i think

1350

00:51:05,190 --> 00:51:02,160

ryan just got canceled

1351

00:51:06,950 --> 00:51:05,200

uh i don't i have i have no idea sorry

1352

00:51:09,990 --> 00:51:06,960

i'm trying to respond to that other than

1353

00:51:11,430 --> 00:51:10,000

dude i'm sorry and uh oh no it's okay

1354

00:51:13,270 --> 00:51:11,440

i just this is something that i've had

1355

00:51:13,829 --> 00:51:13,280

forever so if i'm like moving weird and

1356

00:51:16,630 --> 00:51:13,839

[h\_\_\h]

1357

00:51:17,670 --> 00:51:16,640

that's just it's my thing it's gonna be

1358

00:51:21,190 --> 00:51:17,680

great for on camera

1359

00:51:24,790 --> 00:51:21,200

it's like a smackdown damn it exactly

1360

00:51:28,069 --> 00:51:24,800

exactly nobody cares um well okay

1361

00:51:31,349 --> 00:51:28,079

so i want to move on to

1362

00:51:32,790 --> 00:51:31,359

in asking you guys and um again if you

1363

00:51:33,589 --> 00:51:32,800

want to throw it back to me whenever i

1364

00:51:35,270 --> 00:51:33,599

don't want to

1365

00:51:37,030 --> 00:51:35,280

steer this ship because this is your

1366

00:51:38,870 --> 00:51:37,040

show too um

1367

00:51:40,069 --> 00:51:38,880

no i love it it's great that's great

1368

00:51:41,349 --> 00:51:40,079

we'll see you guys

1369

00:51:43,270 --> 00:51:41,359

the questions we all have something to

1370

00:51:46,390 --> 00:51:43,280

say so it's great exactly exactly

1371

00:51:48,549 --> 00:51:46,400

that's why i knew this was gonna work um

1372

00:51:50,390 --> 00:51:48,559

one of your guests is probably the most

1373

00:51:53,349 --> 00:51:50,400

controversial person

1374

00:51:54,470 --> 00:51:53,359

in ufology from years past and even up

1375

00:51:56,630 --> 00:51:54,480

until today

1376

00:51:58,230 --> 00:51:56,640

and i was really surprised to see you

1377

00:52:00,549 --> 00:51:58,240

guys get them on

1378

00:52:01,270 --> 00:52:00,559

and chat with this guy and that is rick

1379

00:52:03,990 --> 00:52:01,280

dodie

1380

00:52:05,270 --> 00:52:04,000

the professional disinformation

1381

00:52:08,390 --> 00:52:05,280

disinformation

1382

00:52:09,430 --> 00:52:08,400

agent within ufology working for the us

1383

00:52:11,990 --> 00:52:09,440

air force and

1384

00:52:13,030 --> 00:52:12,000

osi and all these other things um i

1385

00:52:14,870 --> 00:52:13,040

don't even want to list all his

1386

00:52:18,069 --> 00:52:14,880

credentials because they scare me

1387

00:52:20,549 --> 00:52:18,079

but um what was it like right what was

1388

00:52:22,549 --> 00:52:20,559

that like guys

1389

00:52:23,589 --> 00:52:22,559

he's a really great guy yeah he seems

1390

00:52:26,470 --> 00:52:23,599

nice oh yeah

1391

00:52:28,069 --> 00:52:26,480

that's the pizza point he's fun well

1392

00:52:30,630 --> 00:52:28,079

yeah you know that's actually very true

1393

00:52:31,270 --> 00:52:30,640

you know i think the point is um in

1394

00:52:33,430 --> 00:52:31,280

terms of

1395

00:52:35,670 --> 00:52:33,440

interviewing rick doty is whether you

1396

00:52:39,670 --> 00:52:35,680

like it or not he has a story

1397

00:52:41,750 --> 00:52:39,680

uh and sometimes it's off-putting

1398

00:52:44,069 --> 00:52:41,760

because

1399

00:52:45,109 --> 00:52:44,079

you know of his past and what he did

1400

00:52:46,470 --> 00:52:45,119

like you were saying being a

1401

00:52:49,349 --> 00:52:46,480

disinformation agent but

1402

00:52:50,150 --> 00:52:49,359

um you got to just talk to him yourself

1403

00:52:51,670 --> 00:52:50,160

you have to

1404

00:52:53,109 --> 00:52:51,680

you know you can't really just hear what

1405

00:52:54,710 --> 00:52:53,119

other people are saying you got to

1406

00:52:56,790 --> 00:52:54,720

really kind of ask them

1407

00:52:57,990 --> 00:52:56,800

why did you have to do that what did

1408

00:53:00,309 --> 00:52:58,000

that entail

1409

00:53:02,150 --> 00:53:00,319

what are you doing now you know what

1410

00:53:03,589 --> 00:53:02,160

about this this and this we just ask

1411

00:53:05,829 --> 00:53:03,599

you know we don't beat around the bush

1412

00:53:08,549 --> 00:53:05,839

and so that was really why

1413

00:53:09,990 --> 00:53:08,559

uh we continued to interview rick dodie

1414

00:53:13,589 --> 00:53:10,000

we only really got a chance to talk to

1415

00:53:15,030 --> 00:53:13,599

him a little bit about area 51

1416

00:53:16,790 --> 00:53:15,040

and so we want to further our

1417

00:53:18,069 --> 00:53:16,800

conversation our curiosity

1418

00:53:19,829 --> 00:53:18,079

i understand what you're saying you know

1419

00:53:21,589 --> 00:53:19,839

potentially giving a platform to maybe a

1420

00:53:24,069 --> 00:53:21,599

disinformation person but

1421

00:53:25,430 --> 00:53:24,079

i think the larger picture of what we do

1422

00:53:28,150 --> 00:53:25,440

here is

1423

00:53:29,270 --> 00:53:28,160

people have to pick and choose what they

1424

00:53:32,230 --> 00:53:29,280

think is

1425

00:53:33,589 --> 00:53:32,240

the most accurate rick dodie people

1426  
00:53:34,790 --> 00:53:33,599  
could listen to him and go that guy's

1427  
00:53:37,109 --> 00:53:34,800  
totally full of [h\_\_\h]

1428  
00:53:38,549 --> 00:53:37,119  
and that's fine with me that's fine

1429  
00:53:42,390 --> 00:53:38,559  
because

1430  
00:53:43,750 --> 00:53:42,400  
you know ultimately um there's a story

1431  
00:53:45,349 --> 00:53:43,760  
and he shares one with us

1432  
00:53:47,190 --> 00:53:45,359  
and people will you know i don't know

1433  
00:53:48,630 --> 00:53:47,200  
it's an interesting story it's a very

1434  
00:53:49,910 --> 00:53:48,640  
interesting story i've never told

1435  
00:53:52,950 --> 00:53:49,920  
anybody before

1436  
00:53:55,190 --> 00:53:52,960  
and um it's

1437  
00:53:57,510 --> 00:53:55,200  
it's interesting you know what i believe

1438  
00:53:59,510 --> 00:53:57,520

him bro and i believe him okay

1439

00:54:01,349 --> 00:53:59,520

you guys will have to in my audience go

1440

00:54:03,430 --> 00:54:01,359

watch or listen to that interview

1441

00:54:05,750 --> 00:54:03,440

to hear that story i don't i obviously

1442

00:54:08,470 --> 00:54:05,760

don't want to give it away here but um

1443

00:54:11,270 --> 00:54:08,480

you're right he is a storyteller and uh

1444

00:54:13,990 --> 00:54:11,280

that's what um worries a lot of people

1445

00:54:15,750 --> 00:54:14,000

and also uh captures a lot of people's

1446

00:54:17,030 --> 00:54:15,760

attention who might not know about what

1447

00:54:18,470 --> 00:54:17,040

he's done in the past

1448

00:54:20,470 --> 00:54:18,480

and again for anyone who doesn't know

1449

00:54:23,349 --> 00:54:20,480

this gentleman um

1450

00:54:24,150 --> 00:54:23,359

he's probably best known for a

1451

00:54:26,470 --> 00:54:24,160

disinformation

1452

00:54:27,829 --> 00:54:26,480

campaign he did back in the 80s with a

1453

00:54:30,390 --> 00:54:27,839

gentleman named

1454

00:54:30,870 --> 00:54:30,400

paul benowitz who was reporting ufos

1455

00:54:34,230 --> 00:54:30,880

over

1456

00:54:36,230 --> 00:54:34,240

kirtland air force base and uh went

1457

00:54:38,069 --> 00:54:36,240

straight up to the base kind of like

1458

00:54:40,710 --> 00:54:38,079

knocked on the proverbial front door

1459

00:54:41,829 --> 00:54:40,720

and said yo there's ufos over your base

1460

00:54:43,910 --> 00:54:41,839

and also like

1461

00:54:45,510 --> 00:54:43,920

i'm getting these weird transmissions on

1462

00:54:48,789 --> 00:54:45,520

my radios back home

1463

00:54:51,270 --> 00:54:48,799

and uh i think it's an alien invasion

1464

00:54:52,150 --> 00:54:51,280

and meanwhile the air force base is like

1465

00:54:54,950 --> 00:54:52,160

holy [h\_\_h]

1466

00:54:55,510 --> 00:54:54,960

he like cracked our secret spy codes and

1467

00:54:58,390 --> 00:54:55,520

whatnot

1468

00:54:59,829 --> 00:54:58,400

and like frequencies this is a huge

1469

00:55:02,710 --> 00:54:59,839

national security breach

1470

00:55:03,109 --> 00:55:02,720

and this dude is able to like hear this

1471

00:55:06,950 --> 00:55:03,119

and

1472

00:55:08,390 --> 00:55:06,960

up we gotta like do something

1473

00:55:11,109 --> 00:55:08,400

and when he came to them and said it's

1474

00:55:14,470 --> 00:55:11,119

aliens they ran with it they're like

1475

00:55:17,270 --> 00:55:14,480

okay sure totally right it's aliens

1476

00:55:19,030 --> 00:55:17,280

and they're into it they they fed him

1477

00:55:19,990 --> 00:55:19,040

and rick dodie was the gentleman who

1478

00:55:22,789 --> 00:55:20,000

they hired

1479

00:55:24,470 --> 00:55:22,799

to go to this guy and keep it going keep

1480

00:55:25,190 --> 00:55:24,480

telling him there's an alien invasion

1481

00:55:27,750 --> 00:55:25,200

coming

1482

00:55:29,430 --> 00:55:27,760

um they would break into his home him

1483

00:55:31,349 --> 00:55:29,440

and these other spooks

1484

00:55:32,789 --> 00:55:31,359

and when he wasn't home and like move

1485

00:55:35,510 --> 00:55:32,799

[h\_\_\h] in his apartment

1486

00:55:36,549 --> 00:55:35,520

or his house and uh just so he would

1487

00:55:39,109 --> 00:55:36,559

become paranoid

1488

00:55:40,710 --> 00:55:39,119

or think he was crazy and they just kept

1489

00:55:41,510 --> 00:55:40,720

doing this and driving it into this

1490

00:55:43,270 --> 00:55:41,520

dude's brain

1491

00:55:44,950 --> 00:55:43,280

that there was a pending alien invasion

1492

00:55:47,750 --> 00:55:44,960

and the government knew about it

1493

00:55:47,990 --> 00:55:47,760

and until he went mad and his his family

1494

00:55:50,789 --> 00:55:48,000

had

1495

00:55:52,150 --> 00:55:50,799

to put him in a mental institution and

1496

00:55:54,390 --> 00:55:52,160

this is all proven

1497

00:55:55,750 --> 00:55:54,400

and documented and rick dodi the

1498

00:55:58,549 --> 00:55:55,760

gentleman you interviewed

1499

00:56:00,309 --> 00:55:58,559

was the one who drove this guy crazy for

1500

00:56:01,109 --> 00:56:00,319

the yes you have to talk to him about it

1501  
00:56:03,589 --> 00:56:01,119  
though

1502  
00:56:04,230 --> 00:56:03,599  
crazy very interesting he has this side

1503  
00:56:07,349 --> 00:56:04,240  
of the story

1504  
00:56:08,069 --> 00:56:07,359  
right well it's interesting when you

1505  
00:56:11,190 --> 00:56:08,079  
talk about

1506  
00:56:12,549 --> 00:56:11,200  
orders from the army yeah

1507  
00:56:13,910 --> 00:56:12,559  
or what i don't actually remember

1508  
00:56:15,589 --> 00:56:13,920  
exactly what branches i think was army

1509  
00:56:17,030 --> 00:56:15,599  
right joe

1510  
00:56:18,230 --> 00:56:17,040  
never touch my head not sure i don't i

1511  
00:56:18,950 --> 00:56:18,240  
don't know everything about rick dodie

1512  
00:56:20,150 --> 00:56:18,960  
but

1513  
00:56:22,150 --> 00:56:20,160

he explains that when you're under

1514

00:56:22,950 --> 00:56:22,160

orders there's certain things you have

1515

00:56:25,430 --> 00:56:22,960

to do

1516

00:56:25,990 --> 00:56:25,440

and um i found that to be interesting

1517

00:56:28,309 --> 00:56:26,000

because

1518

00:56:29,589 --> 00:56:28,319

if you are how does that work ryan if

1519

00:56:31,750 --> 00:56:29,599

you're like a

1520

00:56:32,630 --> 00:56:31,760

soldier and you're told to do something

1521

00:56:35,190 --> 00:56:32,640

what do you do

1522

00:56:35,670 --> 00:56:35,200

you know you do it and i get that like

1523

00:56:39,349 --> 00:56:35,680

and

1524

00:56:41,990 --> 00:56:39,359

said i was doing my job

1525

00:56:42,549 --> 00:56:42,000

and this is for national security and i

1526

00:56:45,349 --> 00:56:42,559

was

1527

00:56:46,950 --> 00:56:45,359

you know paid to do this and like of

1528

00:56:47,589 --> 00:56:46,960

course i'm going to do what i'm told to

1529

00:56:49,589 --> 00:56:47,599

do

1530

00:56:51,829 --> 00:56:49,599

and but frankly who's to say he's not

1531

00:56:55,190 --> 00:56:51,839

still doing that job either

1532

00:56:56,789 --> 00:56:55,200

exactly you know exactly yeah you know

1533

00:56:58,150 --> 00:56:56,799

he's just got some interesting stories

1534

00:56:59,270 --> 00:56:58,160

and things to say so that would be why

1535

00:57:01,910 --> 00:56:59,280

we brought them on

1536

00:57:02,390 --> 00:57:01,920

awesome i totally get it you know i

1537

00:57:05,670 --> 00:57:02,400

think

1538

00:57:08,230 --> 00:57:05,680

if there's such a a um

1539

00:57:08,870 --> 00:57:08,240

a weird thing nowadays i think in the

1540

00:57:10,390 --> 00:57:08,880

media

1541

00:57:12,710 --> 00:57:10,400

and whether it's like youtube or

1542

00:57:15,510 --> 00:57:12,720

mainstream media or anything in between

1543

00:57:16,069 --> 00:57:15,520

of giving certain people platforms and

1544

00:57:18,630 --> 00:57:16,079

uh

1545

00:57:20,069 --> 00:57:18,640

this sort of cancel culture we live in

1546

00:57:21,430 --> 00:57:20,079

is no

1547

00:57:22,950 --> 00:57:21,440

if you're interviewing them or talking

1548

00:57:23,510 --> 00:57:22,960

about them you're automatically giving

1549

00:57:25,910 --> 00:57:23,520

them

1550

00:57:26,870 --> 00:57:25,920

more exposure and to an extent i

1551  
00:57:30,710 --> 00:57:26,880  
understand that

1552  
00:57:32,710 --> 00:57:30,720  
but i also think it's important to

1553  
00:57:34,950 --> 00:57:32,720  
understand why someone feels the way

1554  
00:57:38,069 --> 00:57:34,960  
they feel or did the things they did

1555  
00:57:41,030 --> 00:57:38,079  
and um let the listener

1556  
00:57:42,630 --> 00:57:41,040  
so i understand why you guys did it it

1557  
00:57:45,109 --> 00:57:42,640  
was very interesting

1558  
00:57:45,990 --> 00:57:45,119  
and um look his story's still being

1559  
00:57:48,069 --> 00:57:46,000  
written

1560  
00:57:49,990 --> 00:57:48,079  
he's still in there i mean he's on

1561  
00:57:51,430 --> 00:57:50,000  
facebook every two seconds like liking

1562  
00:57:54,870 --> 00:57:51,440  
my posts and other

1563  
00:57:57,349 --> 00:57:54,880

ufo researchers interacting with us

1564

00:57:58,150 --> 00:57:57,359

and it's weird it's weird knowing that

1565

00:58:00,870 --> 00:57:58,160

like

1566

00:58:01,670 --> 00:58:00,880

the poster child of disinformation

1567

00:58:03,829 --> 00:58:01,680

within you

1568

00:58:04,789 --> 00:58:03,839

guy from mirageman on the cover of

1569

00:58:08,309 --> 00:58:04,799

mirageman

1570

00:58:10,150 --> 00:58:08,319

yeah he's clicking like on like my posts

1571

00:58:10,789 --> 00:58:10,160

and whatnot in your guy's pose it's

1572

00:58:14,069 --> 00:58:10,799

weird

1573

00:58:17,030 --> 00:58:14,079

um right

1574

00:58:19,030 --> 00:58:17,040

i know i don't know where yeah where

1575

00:58:21,589 --> 00:58:19,040

should we go from here guys

1576

00:58:22,630 --> 00:58:21,599

well i think is there any questions show

1577

00:58:24,230 --> 00:58:22,640

that you have for ryan

1578

00:58:26,309 --> 00:58:24,240

because you know we got we got our duel

1579

00:58:27,349 --> 00:58:26,319

show here uh you know two worlds

1580

00:58:29,910 --> 00:58:27,359

colliding

1581

00:58:31,349 --> 00:58:29,920

it's awesome um i think we're i think we

1582

00:58:32,309 --> 00:58:31,359

drive well this is fine we definitely

1583

00:58:33,829 --> 00:58:32,319

gotta do this again

1584

00:58:36,230 --> 00:58:33,839

for sure oh my god i just wanna know

1585

00:58:38,710 --> 00:58:36,240

what's for one of many yeah oh

1586

00:58:39,829 --> 00:58:38,720

definitely we got to let people know

1587

00:58:42,630 --> 00:58:39,839

about ryan's

1588

00:58:44,950 --> 00:58:42,640

book which is getting i think not just

1589

00:58:48,390 --> 00:58:44,960

national but worldwide attention

1590

00:58:51,430 --> 00:58:48,400

on major news outlets

1591

00:58:52,549 --> 00:58:51,440

and i think were you in australia or

1592

00:58:54,870 --> 00:58:52,559

something

1593

00:58:55,589 --> 00:58:54,880

i did uh i did an interview out of

1594

00:58:57,750 --> 00:58:55,599

australia

1595

00:58:59,030 --> 00:58:57,760

um about a month ago well first of all

1596

00:59:02,150 --> 00:58:59,040

thank you thank you for those

1597

00:59:04,069 --> 00:59:02,160

i know everything but uh yeah man

1598

00:59:05,670 --> 00:59:04,079

i uh i came out with a second edition of

1599

00:59:08,150 --> 00:59:05,680

my book which you can see

1600

00:59:08,789 --> 00:59:08,160

right there that's um shameless

1601  
00:59:11,030 --> 00:59:08,799  
promotion

1602  
00:59:12,390 --> 00:59:11,040  
if i've ever seen no i would read it but

1603  
00:59:14,309 --> 00:59:12,400  
i don't read books

1604  
00:59:15,750 --> 00:59:14,319  
that's that's totally fair well hey i've

1605  
00:59:27,510 --> 00:59:15,760  
got an exclusive for you

1606  
00:59:34,549 --> 00:59:32,230  
if we have this book we have yours

1607  
00:59:35,270 --> 00:59:34,559  
if we have that book oh we have your

1608  
00:59:37,109 --> 00:59:35,280  
book

1609  
00:59:39,270 --> 00:59:37,119  
we're we got to talk about that one we

1610  
00:59:44,630 --> 00:59:39,280  
died and i waited in line for it too

1611  
00:59:46,710 --> 00:59:44,640  
it's signed it's signed by the prick

1612  
00:59:47,910 --> 00:59:46,720  
oh tell us how you really feel joe well

1613  
00:59:50,150 --> 00:59:47,920

we'll get into that guy

1614

00:59:52,150 --> 00:59:50,160

um but no thank you for mentioning the

1615

00:59:54,950 --> 00:59:52,160

book it's um it's the second edition

1616

00:59:56,789 --> 00:59:54,960

yeah um i i always said like if i'm

1617

00:59:59,030 --> 00:59:56,799

gonna buy a second edition of a book

1618

01:00:00,710 --> 00:59:59,040

there needs to be a reason you know

1619

01:00:01,829 --> 01:00:00,720

unless it's college and you're buying

1620

01:00:04,390 --> 01:00:01,839

like textbooks

1621

01:00:05,750 --> 01:00:04,400

that you you're forced to buy um why

1622

01:00:06,390 --> 01:00:05,760

would you want to read a second edition

1623

01:00:09,349 --> 01:00:06,400

of a book

1624

01:00:09,910 --> 01:00:09,359

so i went in dude and i wrote 80 000 new

1625

01:00:12,950 --> 01:00:09,920

words

1626

01:00:16,150 --> 01:00:12,960

it's a whole new book exhausting

1627

01:00:18,390 --> 01:00:16,160

it really was and uh it's amazing it was

1628

01:00:19,990 --> 01:00:18,400

really rewarding like i the book is all

1629

01:00:21,750 --> 01:00:20,000

about people who've seen ufos

1630

01:00:23,750 --> 01:00:21,760

experienced abductions

1631

01:00:25,190 --> 01:00:23,760

their thoughts and theories on them and

1632

01:00:26,789 --> 01:00:25,200

it's more about the people having the

1633

01:00:29,109 --> 01:00:26,799

experiences than like

1634

01:00:31,670 --> 01:00:29,119

how big was the craft when did it happen

1635

01:00:33,670 --> 01:00:31,680

um i wanted to get this which is great

1636

01:00:35,589 --> 01:00:33,680

yeah we're missing that yeah we need

1637

01:00:37,829 --> 01:00:35,599

both we need both because

1638

01:00:39,349 --> 01:00:37,839

we're definitely all very focused on

1639

01:00:41,190 --> 01:00:39,359

like what's going on and

1640

01:00:43,109 --> 01:00:41,200

you know and you know the evidence and

1641

01:00:43,910 --> 01:00:43,119

you know we want us vindication and

1642

01:00:46,309 --> 01:00:43,920

that's what

1643

01:00:47,589 --> 01:00:46,319

but there are people that are still

1644

01:00:48,950 --> 01:00:47,599

dealing with this or have dealt with it

1645

01:00:51,270 --> 01:00:48,960

they haven't even said anything

1646

01:00:53,109 --> 01:00:51,280

or they haven't had the chance to get it

1647

01:00:54,950 --> 01:00:53,119

out and now is a good time because now

1648

01:00:57,109 --> 01:00:54,960

you know you you don't have to

1649

01:00:59,589 --> 01:00:57,119

necessarily be a crazy person

1650

01:01:01,109 --> 01:00:59,599

quote unquote you know to have a ufo

1651

01:01:02,630 --> 01:01:01,119

experience it's different

1652

01:01:04,630 --> 01:01:02,640

different time that's what's great about

1653

01:01:06,470 --> 01:01:04,640

the book yeah thank you i appreciate

1654

01:01:09,030 --> 01:01:06,480

that and i think you're right man like

1655

01:01:10,549 --> 01:01:09,040

i think now is the time where the world

1656

01:01:13,109 --> 01:01:10,559

is embracing ufos

1657

01:01:14,549 --> 01:01:13,119

unlike ever before and that has a lot to

1658

01:01:15,829 --> 01:01:14,559

do with these articles that came out in

1659

01:01:18,710 --> 01:01:15,839

the new york times

1660

01:01:20,309 --> 01:01:18,720

and um cnn fox whatever covering the

1661

01:01:23,589 --> 01:01:20,319

topic in a serious manner

1662

01:01:25,829 --> 01:01:23,599

when they didn't before and um

1663

01:01:27,349 --> 01:01:25,839

it's empowered people so i thought what

1664

01:01:30,230 --> 01:01:27,359

better time to come out with a new

1665

01:01:31,990 --> 01:01:30,240

version of the book with new ufo cases

1666

01:01:33,990 --> 01:01:32,000

um following up with everyone in the

1667

01:01:36,309 --> 01:01:34,000

2016 edition of the book

1668

01:01:38,069 --> 01:01:36,319

to see if their events have continued

1669

01:01:40,710 --> 01:01:38,079

that's another thing we hear about ufo

1670

01:01:42,150 --> 01:01:40,720

sightings um whether on the news or in

1671

01:01:44,150 --> 01:01:42,160

person and then that's kind of it

1672

01:01:45,270 --> 01:01:44,160

we never hear about it again but look

1673

01:01:47,349 --> 01:01:45,280

did it continue

1674

01:01:48,950 --> 01:01:47,359

did these people see other things has

1675

01:01:50,710 --> 01:01:48,960

the story changed at all

1676

01:01:52,950 --> 01:01:50,720

like i wanted to know so i followed up

1677

01:01:54,470 --> 01:01:52,960

with everyone and then brought new cases

1678

01:01:56,630 --> 01:01:54,480

forward and um

1679

01:01:58,950 --> 01:01:56,640

including uh one of the dudes who was

1680

01:02:01,430 --> 01:01:58,960

part of the navy tic tac ufo event

1681

01:02:02,789 --> 01:02:01,440

um he was the first person to track the

1682

01:02:05,109 --> 01:02:02,799

things on radar

1683

01:02:07,029 --> 01:02:05,119

send out the intercept to the pilots and

1684

01:02:07,829 --> 01:02:07,039

ushered in this whole new era of ufo

1685

01:02:10,950 --> 01:02:07,839

disclosure

1686

01:02:12,789 --> 01:02:10,960

when it comes to the military so um and

1687

01:02:15,190 --> 01:02:12,799

look that affected his life in many ways

1688

01:02:17,750 --> 01:02:15,200

so i wrote a whole new chapter on that

1689

01:02:19,510 --> 01:02:17,760

and it's awesome like i i can't tell you

1690

01:02:20,950 --> 01:02:19,520

guys how rewarding it is to

1691

01:02:23,349 --> 01:02:20,960

like you man i want to write a book

1692

01:02:25,829 --> 01:02:23,359

someday but i don't have the focus

1693

01:02:27,029 --> 01:02:25,839

i get it i totally get it man i'm like

1694

01:02:30,630 --> 01:02:27,039

i'm going to write a book

1695

01:02:34,230 --> 01:02:30,640

i'll read it we'll go chapter by chapter

1696

01:02:36,549 --> 01:02:34,240

when is it i'll i'll read it to you

1697

01:02:38,230 --> 01:02:36,559

at uh bedtime how's that sound man

1698

01:02:40,069 --> 01:02:38,240

remember popcorn would be like you read

1699

01:02:42,950 --> 01:02:40,079

a paragraph popcorn joe

1700

01:02:43,589 --> 01:02:42,960

do you remember popcorn remember that

1701

01:02:45,589 --> 01:02:43,599

that was when

1702

01:02:47,510 --> 01:02:45,599

the class oh yeah remember you had to go

1703

01:02:49,510 --> 01:02:47,520

through the class and

1704

01:02:50,630 --> 01:02:49,520

and then you would say popcorn and then

1705

01:02:52,470 --> 01:02:50,640

you would call on your friend in the

1706

01:02:56,470 --> 01:02:52,480

class and then it was their turn to read

1707

01:03:00,150 --> 01:02:56,480

that's oh oh that sounds cool nice

1708

01:03:02,230 --> 01:03:00,160

and ryan went down the slide head first

1709

01:03:04,390 --> 01:03:02,240

popcorn joe and then he can you know

1710

01:03:07,270 --> 01:03:04,400

what i mean yeah and it's a [h\_\_h] face

1711

01:03:09,430 --> 01:03:07,280

and a [h\_\_h] face of the [h\_\_h] face in it

1712

01:03:10,710 --> 01:03:09,440

i hope you don't mind explicit word

1713

01:03:12,870 --> 01:03:10,720

explicitly uh

1714

01:03:14,870 --> 01:03:12,880

no we are no stranger to that on

1715

01:03:19,750 --> 01:03:14,880

summaries i hope you don't mind

1716

01:03:24,150 --> 01:03:22,230

i know i just got um one of my videos on

1717

01:03:26,150 --> 01:03:24,160

youtube um restricted

1718

01:03:27,190 --> 01:03:26,160

age restricted and i'm still trying to

1719

01:03:28,950 --> 01:03:27,200

figure out why

1720

01:03:30,549 --> 01:03:28,960

i don't know if it was like a fluke or

1721

01:03:34,230 --> 01:03:30,559

what but i'm like going through i'm like

1722

01:03:36,390 --> 01:03:34,240

what the hell is so profane or

1723

01:03:38,390 --> 01:03:36,400

you needed to be censored in this but

1724

01:03:40,630 --> 01:03:38,400

we're seeing they're like cracking down

1725

01:03:41,990 --> 01:03:40,640

i know i know i really are i'm afraid

1726

01:03:43,829 --> 01:03:42,000

that the ufo

1727

01:03:45,190 --> 01:03:43,839

crack or sorry the conspiracy crackdown

1728

01:03:46,470 --> 01:03:45,200

i don't think that you reach into our

1729

01:03:47,910 --> 01:03:46,480

community where we're really trying to

1730

01:03:51,109 --> 01:03:47,920

get real information out

1731

01:03:52,630 --> 01:03:51,119

yeah you know all of a sudden

1732

01:03:55,029 --> 01:03:52,640

you never know they could be like any

1733

01:03:56,549 --> 01:03:55,039

conspiracy at all who knows

1734

01:03:58,789 --> 01:03:56,559

where is this going to lead to you know

1735

01:04:00,549 --> 01:03:58,799

yeah it's hard it's hard i know like the

1736

01:04:02,470 --> 01:04:00,559

whole q anon thing is being

1737

01:04:03,670 --> 01:04:02,480

censored on all social media platforms

1738

01:04:06,390 --> 01:04:03,680

right now which

1739

01:04:06,950 --> 01:04:06,400

you know i struggle with censorship for

1740

01:04:09,750 --> 01:04:06,960

sure

1741

01:04:11,589 --> 01:04:09,760

but if it's dangerous and it's affecting

1742

01:04:13,589 --> 01:04:11,599

the real world in bad ways like

1743

01:04:15,510 --> 01:04:13,599

something like shooting up a pizza shop

1744

01:04:18,789 --> 01:04:15,520

doing pizzagate or like

1745

01:04:20,549 --> 01:04:18,799

drinking the coronavirus those are real

1746

01:04:21,990 --> 01:04:20,559

that's a great one it's a tremendous one

1747

01:04:23,750 --> 01:04:22,000

i just want to let you know

1748

01:04:26,390 --> 01:04:23,760

that i was all part of that drink the

1749

01:04:29,190 --> 01:04:26,400

bleach you'll be wonderful

1750

01:04:30,069 --> 01:04:29,200

holy [h\_\_h] that is spot odd i can't

1751

01:04:31,430 --> 01:04:30,079

believe that but

1752

01:04:33,109 --> 01:04:31,440

you're right tell me about it correct

1753

01:04:33,910 --> 01:04:33,119

like when is it gonna bleed over into

1754

01:04:36,789 --> 01:04:33,920

ufology

1755

01:04:37,829 --> 01:04:36,799

and um the conspiracies that we cover i

1756

01:04:40,470 --> 01:04:37,839

i

1757

01:04:41,190 --> 01:04:40,480

fear that maybe we won't see as much ufo

1758

01:04:42,870 --> 01:04:41,200

content

1759

01:04:45,029 --> 01:04:42,880

on these platforms any longer just have

1760

01:04:47,670 --> 01:04:45,039

to be cautious i guess of keywords and

1761

01:04:49,349 --> 01:04:47,680

descriptions be careful you know yeah

1762

01:04:52,390 --> 01:04:49,359

that's slippery

1763

01:04:56,470 --> 01:04:52,400

it is i do know though um like

1764

01:04:58,309 --> 01:04:56,480

we've had a blast with you in this

1765

01:04:59,670 --> 01:04:58,319

interview it's not even an interview

1766

01:05:02,309 --> 01:04:59,680

it's like a chat

1767

01:05:02,789 --> 01:05:02,319

yeah i was chatting yeah this is so

1768

01:05:04,390 --> 01:05:02,799

great

1769

01:05:05,829 --> 01:05:04,400

i think this is how most people just

1770

01:05:08,710 --> 01:05:05,839

talk about ufos

1771

01:05:09,670 --> 01:05:08,720

yeah so tell me about your phd and you

1772

01:05:11,589 --> 01:05:09,680

know

1773

01:05:13,510 --> 01:05:11,599

we don't have any phds in portugal [h\_\_h]

1774

01:05:15,910 --> 01:05:13,520

that [h\_\_h] but

1775

01:05:17,029 --> 01:05:15,920

i think we are gonna have to wrap up for

1776

01:05:19,910 --> 01:05:17,039

ari because um

1777

01:05:20,870 --> 01:05:19,920

my airpods are dying oh my god that's

1778

01:05:22,230 --> 01:05:20,880

totally fine

1779

01:05:24,950 --> 01:05:22,240

we are going to have plenty more

1780

01:05:26,870 --> 01:05:24,960

opportunities to do this oh yeah dude

1781

01:05:28,710 --> 01:05:26,880

we only scratched the surface today at

1782

01:05:30,789 --> 01:05:28,720

least on my end and i know

1783

01:05:31,910 --> 01:05:30,799

we could do this for hours but no this

1784

01:05:34,309 --> 01:05:31,920

has been awesome

1785

01:05:35,190 --> 01:05:34,319

um so i guess for my audience before you

1786

01:05:37,589 --> 01:05:35,200

guys go

1787

01:05:39,349 --> 01:05:37,599

um where can we find you and everything

1788

01:05:41,670 --> 01:05:39,359

you're up to and what comes next for the

1789

01:05:44,710 --> 01:05:41,680

ufo bros

1790

01:05:47,109 --> 01:05:44,720

well our website real ufobros.com

1791

01:05:48,230 --> 01:05:47,119

uh we're on all things social media at

1792

01:05:51,349 --> 01:05:48,240

real ufo bros

1793

01:05:54,630 --> 01:05:51,359

so it's just the same handle um and

1794

01:05:57,510 --> 01:05:54,640

on uh our our podcast is called

1795

01:05:59,349 --> 01:05:57,520

probecast so you just got to search in

1796

01:06:01,990 --> 01:05:59,359

ufo bros probecast

1797

01:06:02,710 --> 01:06:02,000

and um you know it's slightly you know a

1798

01:06:05,670 --> 01:06:02,720

different

1799

01:06:06,630 --> 01:06:05,680

approach as ryan said earlier um but

1800

01:06:08,549 --> 01:06:06,640

most people enjoy

1801

01:06:10,630 --> 01:06:08,559

i think our show we get download so

1802

01:06:12,710 --> 01:06:10,640

check it out and for people that

1803

01:06:14,870 --> 01:06:12,720

are listening because we've got this

1804
