2
00:00:18,710 --> 00:00:15,190

3
00:00:18,720 --> 00:00:23,109

he's not he's not he's not he's not

4
00:00:31,520 --> 00:00:26,390

can you see me in here oh it is brick

5
00:00:40,980 --> 00:00:31,530

oh my gosh

6
00:00:44,790 --> 00:00:42,790

[Laughter]

7
00:00:46,470 --> 00:00:44,800

seriously i'm like i was like that's not

8
00:00:51,189 --> 00:00:46,480

rick i was like

9
00:00:54,229 --> 00:00:51,199

25 that's about 40 years younger

10
00:00:57,430 --> 00:00:54,239

wow my goodness how have you been

11
00:00:57,990 --> 00:00:57,440

good we've been great we've been doing

12
00:01:01,430 --> 00:00:58,000

lots of fun

13
00:01:01,910 --> 00:01:01,440

stuff um doing lots of interviews you

14

00:01:05,509 --> 00:01:01,920

know

15

00:01:10,710 --> 00:01:09,109

skinny bob because of you is like

16

00:01:12,630 --> 00:01:10,720

all the podcasters are about it and

17

00:01:14,550 --> 00:01:12,640

they're trying to figure it out

18

00:01:16,149 --> 00:01:14,560

and uh yeah man we've just been

19

00:01:18,149 --> 00:01:16,159

podcasting and

20

00:01:19,749 --> 00:01:18,159

getting through this corona crazy corona

21

00:01:22,390 --> 00:01:19,759

stuff how are you doing with all this

22

00:01:24,070 --> 00:01:22,400

good yeah we're uh we're just doing

23

00:01:27,350 --> 00:01:24,080

following the krona

24

00:01:29,830 --> 00:01:27,360

protocols and um and we're

25

00:01:31,190 --> 00:01:29,840

staying home we're still trying i'm

26

00:01:32,390 --> 00:01:31,200

still traveling i'm still doing

27

00:01:36,789 --> 00:01:32,400

interviews and

28

00:01:40,630 --> 00:01:36,799

and uh i just came back from colorado

29

00:01:43,830 --> 00:01:40,640

last week uh and i did one for gi

30

00:01:47,190 --> 00:01:43,840

at gaia and gaia

31

00:01:50,069 --> 00:01:47,200

yeah and uh sid sid goldberg

32

00:01:52,469 --> 00:01:50,079

and um i was back in new york upstate

33

00:01:55,670 --> 00:01:52,479

new york we were filming a movie

34

00:01:57,350 --> 00:01:55,680

um that was on set for

35

00:01:59,270 --> 00:01:57,360

uh a week and a half and then they shut

36

00:02:01,749 --> 00:01:59,280

us down because new york had given us

37

00:02:03,510 --> 00:02:01,759

permission and then they canceled it so

38

00:02:05,109 --> 00:02:03,520

we have to wait for that again but i've

39

00:02:06,830 --> 00:02:05,119

been busy

40

00:02:08,869 --> 00:02:06,840

yeah you like working in the film

41

00:02:10,229 --> 00:02:08,879

industry yes

42

00:02:13,510 --> 00:02:10,239

so i have some notes here i want to ask

43

00:02:16,869 --> 00:02:13,520

you about what's going on at the dod

44

00:02:17,589 --> 00:02:16,879

and the navy and the i mean it's just

45

00:02:19,910 --> 00:02:17,599

been like a

46

00:02:20,630 --> 00:02:19,920

freaking whirlwind of information that

47

00:02:24,309 --> 00:02:20,640

has come out

48

00:02:25,670 --> 00:02:24,319

and i just wanted to get your take on

49

00:02:27,270 --> 00:02:25,680

you know what you think is going on in

50

00:02:30,150 --> 00:02:27,280

the ufo community and what you think we

51
00:02:33,589 --> 00:02:31,910
well i think there's going to be

52
00:02:36,869 --> 00:02:33,599
disclosure coming

53
00:02:38,710 --> 00:02:36,879
soon i think sooner than later i think

54
00:02:40,470 --> 00:02:38,720
uh there's a lot of people working

55
00:02:42,390 --> 00:02:40,480
behind the scenes

56
00:02:43,670 --> 00:02:42,400
that we don't know about well maybe you

57
00:02:44,630 --> 00:02:43,680
don't know about i know a little bit

58
00:02:47,670 --> 00:02:44,640
about it

59
00:02:49,270 --> 00:02:47,680
us colleagues former colleagues i mean

60
00:02:50,470 --> 00:02:49,280
colleagues but former intelligence

61
00:02:52,229 --> 00:02:50,480
officers

62
00:02:54,550 --> 00:02:52,239
they're working behind the scenes to get

63
00:02:56,949 --> 00:02:54,560

some disclosure out in fact

64

00:02:59,350 --> 00:02:56,959

there's a movie or there's a film it's a

65

00:03:03,110 --> 00:02:59,360

17-minute film

66

00:03:07,030 --> 00:03:03,120

that was taken in 1996

67

00:03:09,910 --> 00:03:07,040

off the aircraft carrier in the pacific

68

00:03:10,790 --> 00:03:09,920

and this film is an actual naval film

69

00:03:13,830 --> 00:03:10,800

that shows

70

00:03:18,070 --> 00:03:13,840

a ufo flying near

71

00:03:20,470 --> 00:03:18,080

an aircraft carrier and uh the the

72

00:03:21,750 --> 00:03:20,480

film is i guess is longer than the 17

73

00:03:25,270 --> 00:03:21,760

minutes but

74

00:03:26,550 --> 00:03:25,280

uh some people got 17 received 17

75

00:03:29,430 --> 00:03:26,560

minutes of it

76

00:03:30,149 --> 00:03:29,440

it's an extraordinary film i saw i saw

77

00:03:32,869 --> 00:03:30,159

the

78

00:03:33,910 --> 00:03:32,879

i only saw about six minutes of it but

79

00:03:36,309 --> 00:03:33,920

it shows the

80

00:03:37,430 --> 00:03:36,319

six minutes though that's a nice yeah it

81

00:03:41,030 --> 00:03:37,440

shows an actual

82

00:03:43,190 --> 00:03:41,040

uh ufo flying around this

83

00:03:45,750 --> 00:03:43,200

uh aircraft carrier in the pacific it's

84

00:03:49,030 --> 00:03:45,760

i think it was south of hawaii

85

00:03:50,710 --> 00:03:49,040

and they scramble aircrafts to chase

86

00:03:53,030 --> 00:03:50,720

this ufo

87

00:03:55,509 --> 00:03:53,040

but the ironic part about it is the ufo

88

00:03:58,550 --> 00:03:55,519

was so close to the aircraft carrier

89

00:04:00,309 --> 00:03:58,560

the planes couldn't take off

90

00:04:01,830 --> 00:04:00,319

because the alert planes were on the

91

00:04:02,470 --> 00:04:01,840

aircraft carrier so they couldn't take

92

00:04:04,309 --> 00:04:02,480

off

93

00:04:05,750 --> 00:04:04,319

because this ufo was just above the

94

00:04:07,830 --> 00:04:05,760

aircraft carrier

95

00:04:09,990 --> 00:04:07,840

so they had to get planes out of i

96

00:04:12,070 --> 00:04:10,000

believe it was maybe it was guam but i i

97

00:04:14,470 --> 00:04:12,080

believe it was either hawaii or one

98

00:04:15,350 --> 00:04:14,480

from from another and from a base to to

99

00:04:17,990 --> 00:04:15,360

fly out

100

00:04:19,189 --> 00:04:18,000

to intercept this ufo and this was all

101
00:04:21,509 --> 00:04:19,199
captured on film

102
00:04:23,350 --> 00:04:21,519
like i said i only saw six minutes of it

103
00:04:26,150 --> 00:04:23,360
supposedly 17 minutes

104
00:04:27,030 --> 00:04:26,160
but i think the real film was the entire

105
00:04:29,830 --> 00:04:27,040
film was

106
00:04:30,710 --> 00:04:29,840
probably 45 or something but they're

107
00:04:34,550 --> 00:04:30,720
trying to get this

108
00:04:36,390 --> 00:04:34,560
uh out and there's a uh

109
00:04:37,990 --> 00:04:36,400
there's two people pushing it they're

110
00:04:39,749 --> 00:04:38,000
both former intelligence

111
00:04:41,749 --> 00:04:39,759
officer one well once a nate former

112
00:04:41,990 --> 00:04:41,759
naval intelligence officer one the other

113
00:04:44,710 --> 00:04:42,000

one

114

00:04:46,390 --> 00:04:44,720

is former dia but they're trying to get

115

00:04:48,629 --> 00:04:46,400

this out and they're trying to figure

116

00:04:50,310 --> 00:04:48,639

out the best way to get it out

117

00:04:52,150 --> 00:04:50,320

is this going to be like a smoking gun

118

00:04:53,110 --> 00:04:52,160

do you think i think it's going to be a

119

00:04:55,749 --> 00:04:53,120

smoking gun

120

00:04:57,270 --> 00:04:55,759

because there's no way number one you

121

00:05:01,189 --> 00:04:57,280

can say that this was

122

00:05:02,550 --> 00:05:01,199

a fabricated or planted or a movie scene

123

00:05:05,270 --> 00:05:02,560

because it was an actual aircraft

124

00:05:07,270 --> 00:05:05,280

carrier there's two camera angles

125

00:05:09,029 --> 00:05:07,280

that i saw i mean maybe there were more

126

00:05:12,070 --> 00:05:09,039

there's more in the entire

127

00:05:14,629 --> 00:05:12,080

film but there's two camera angles

128

00:05:15,510 --> 00:05:14,639

uh one at the front of the ship the

129

00:05:18,790 --> 00:05:15,520

stern and one

130

00:05:21,830 --> 00:05:18,800

midship and it's

131

00:05:24,550 --> 00:05:21,840

it's extraordinary craft you could see

132

00:05:25,670 --> 00:05:24,560

it's it came in so close to the the

133

00:05:27,990 --> 00:05:25,680

cameras

134

00:05:29,189 --> 00:05:28,000

that you can see little portals you can

135

00:05:30,950 --> 00:05:29,199

see

136

00:05:32,230 --> 00:05:30,960

beings or whatever looking out the

137

00:05:35,830 --> 00:05:32,240

portals

138

00:05:38,870 --> 00:05:35,840

oh my god this is going to be

139

00:05:40,230 --> 00:05:38,880

extraordinary but and i i'm not involved

140

00:05:42,390 --> 00:05:40,240

in trying to get it out

141

00:05:43,270 --> 00:05:42,400

or anything like that some of some other

142

00:05:46,390 --> 00:05:43,280

people are

143

00:05:48,710 --> 00:05:46,400

i did see it i saw it out in las vegas

144

00:05:50,150 --> 00:05:48,720

uh there was a couple other people there

145

00:05:51,990 --> 00:05:50,160

they're trying to get

146

00:05:53,510 --> 00:05:52,000

figure out the best way to get this out

147

00:05:56,790 --> 00:05:53,520

whether it's through

148

00:05:59,909 --> 00:05:56,800

um independent

149

00:06:01,110 --> 00:05:59,919

uh producer or director or whether

150

00:06:01,430 --> 00:06:01,120

they're going to try to do this on their

151
00:06:04,550 --> 00:06:01,440
own

152
00:06:07,670 --> 00:06:04,560
i don't know i don't know that wow

153
00:06:10,870 --> 00:06:07,680
so wow it's close

154
00:06:11,590 --> 00:06:10,880
that is like what we need right now

155
00:06:13,749 --> 00:06:11,600
because

156
00:06:15,029 --> 00:06:13,759
those dodo videos are great and i think

157
00:06:15,830 --> 00:06:15,039
and we've had a lot of guests we've

158
00:06:16,710 --> 00:06:15,840
talked to you about this and i

159
00:06:18,870 --> 00:06:16,720
definitely

160
00:06:20,150 --> 00:06:18,880
you know i um we were able to kind of

161
00:06:21,749 --> 00:06:20,160
get your take off

162
00:06:23,350 --> 00:06:21,759
screen a lot for the special which by

163
00:06:25,430 --> 00:06:23,360

the way thank you for being a part of

164

00:06:26,790 --> 00:06:25,440

the storming area 51 special on travel

165

00:06:28,790 --> 00:06:26,800

channel we'll get into that

166

00:06:30,469 --> 00:06:28,800

but um we've got skeptics out there

167

00:06:32,870 --> 00:06:30,479

trying to debunk these videos as just

168

00:06:34,230 --> 00:06:32,880

anomalies or lens flares or something do

169

00:06:37,830 --> 00:06:34,240

with parallax

170

00:06:39,749 --> 00:06:37,840

um i wanna i mean is that how is that

171

00:06:40,950 --> 00:06:39,759

even possible is what i ask is how would

172

00:06:42,870 --> 00:06:40,960

the dod

173

00:06:44,309 --> 00:06:42,880

release this information or allow this

174

00:06:46,950 --> 00:06:44,319

information to be released

175

00:06:48,629 --> 00:06:46,960

without having fully gone through every

176

00:06:50,230 --> 00:06:48,639

means possible to

177

00:06:52,150 --> 00:06:50,240

make sure there it isn't some sort of

178

00:06:54,870 --> 00:06:52,160

aberration in the film

179

00:06:57,270 --> 00:06:54,880

what do you think is that possible that

180

00:06:59,830 --> 00:06:57,280

all these people could be

181

00:07:01,589 --> 00:06:59,840

mistaken something and that the film is

182

00:07:05,110 --> 00:07:01,599

just

183

00:07:07,670 --> 00:07:05,120

an anomaly is is that possible

184

00:07:09,990 --> 00:07:07,680

i guess it could be possible i think i

185

00:07:11,110 --> 00:07:10,000

think one of the ideas that was uh put

186

00:07:13,110 --> 00:07:11,120

forth

187

00:07:15,990 --> 00:07:13,120

a few months ago was that this was a

188

00:07:19,270 --> 00:07:16,000

staged event

189

00:07:21,909 --> 00:07:19,280

unbeknownst to the navy that a uh

190

00:07:23,270 --> 00:07:21,919

that another agency maybe the air force

191

00:07:26,150 --> 00:07:23,280

or some other

192

00:07:26,870 --> 00:07:26,160

uh secret agency maybe even the men in

193

00:07:30,390 --> 00:07:26,880

black

194

00:07:33,110 --> 00:07:30,400

type agency uh did this uh

195

00:07:34,469 --> 00:07:33,120

testing the uh the navy testing that

196

00:07:37,749 --> 00:07:34,479

naval fleet

197

00:07:38,710 --> 00:07:37,759

that the navy didn't uh not everyone on

198

00:07:41,270 --> 00:07:38,720

that navy ship

199

00:07:43,029 --> 00:07:41,280

knew this was going to happen but what

200

00:07:46,230 --> 00:07:43,039

the ironic part about it and this is why

201
00:07:49,029 --> 00:07:46,240
i'm saying this ironic part about it

202
00:07:50,550 --> 00:07:49,039
when those aircraft took off to

203
00:07:53,350 --> 00:07:50,560
intercept

204
00:07:54,950 --> 00:07:53,360
they weren't armed those aircraft those

205
00:07:59,430 --> 00:07:54,960
fighter planes were not armed

206
00:08:02,869 --> 00:07:59,440
the f-18s were not armed somebody gave

207
00:08:05,990 --> 00:08:02,879
a uh a go ahead

208
00:08:07,830 --> 00:08:06,000
or or an order not to arm those planes a

209
00:08:11,510 --> 00:08:07,840
certain person on the ship

210
00:08:16,390 --> 00:08:15,270
about a year ago and said he was ordered

211
00:08:18,710 --> 00:08:16,400
by

212
00:08:20,390 --> 00:08:18,720
the fleet uh commander which would have

213
00:08:23,589 --> 00:08:20,400

been an admiral

214

00:08:27,670 --> 00:08:23,599

not to have any armed aircraft

215

00:08:30,230 --> 00:08:27,680

on the on alert which is odd because

216

00:08:32,389 --> 00:08:30,240

if you speak to navy pilots every single

217

00:08:32,790 --> 00:08:32,399

aircraft on alert on those naval on

218

00:08:34,550 --> 00:08:32,800

those

219

00:08:37,190 --> 00:08:34,560

aircraft carriers are armed with

220

00:08:39,750 --> 00:08:37,200

air-to-air at least air-to-air

221

00:08:40,709 --> 00:08:39,760

rockets or missiles this time they

222

00:08:43,509 --> 00:08:40,719

weren't

223

00:08:45,350 --> 00:08:43,519

now i've spoken with the pilot one of

224

00:08:45,910 --> 00:08:45,360

the pilots that took off and i spoken

225

00:08:48,550 --> 00:08:45,920

with

226

00:08:50,310 --> 00:08:48,560

some other people that uh that i knew

227

00:08:52,070 --> 00:08:50,320

that were on the ship the nimitz and

228

00:08:53,509 --> 00:08:52,080

that day they couldn't they can't

229

00:08:55,670 --> 00:08:53,519

explain why those

230

00:08:56,710 --> 00:08:55,680

uh those aircrafts weren't armed and i

231

00:09:01,030 --> 00:08:56,720

think this

232

00:09:03,110 --> 00:09:01,040

gets back to the to the idea that

233

00:09:04,150 --> 00:09:03,120

this they were being tested the ship was

234

00:09:05,829 --> 00:09:04,160

contested

235

00:09:07,350 --> 00:09:05,839

the combat alert control was being

236

00:09:10,550 --> 00:09:07,360

tested the pla

237

00:09:12,790 --> 00:09:10,560

that these these objects came in they

238

00:09:15,750 --> 00:09:12,800

scrambled some planes unarmed so

239

00:09:16,870 --> 00:09:15,760

so they couldn't shoot them down and

240

00:09:19,430 --> 00:09:16,880

they filmed it

241

00:09:21,269 --> 00:09:19,440

now why did the navy did this or why

242

00:09:24,710 --> 00:09:21,279

some other agency did this

243

00:09:29,190 --> 00:09:24,720

i don't know but let me go back about

244

00:09:32,230 --> 00:09:29,200

40 years okay or 30 38 years

245

00:09:34,949 --> 00:09:32,240

uh when i was uh and i tell them

246

00:09:37,829 --> 00:09:34,959

to plug in my phone here sorry go ahead

247

00:09:39,509 --> 00:09:37,839

when i was an intelligence officer

248

00:09:41,829 --> 00:09:39,519

in the air force uh stationed at

249

00:09:43,910 --> 00:09:41,839

kirtland air force base

250

00:09:46,230 --> 00:09:43,920

in in the early 80s they were testing

251
00:09:47,430 --> 00:09:46,240
drones it was a highly classified

252
00:09:50,550 --> 00:09:47,440
project

253
00:09:51,190 --> 00:09:50,560
program because no one i don't think any

254
00:09:54,230 --> 00:09:51,200
other

255
00:09:56,790 --> 00:09:54,240
um country was testing drones like we

256
00:09:58,790 --> 00:09:56,800
were and they were combat drones

257
00:10:00,790 --> 00:09:58,800
and one of the things they did one of

258
00:10:03,910 --> 00:10:00,800
the ways they tested them

259
00:10:05,509 --> 00:10:03,920
was that the plane would take off and

260
00:10:08,230 --> 00:10:05,519
once the plane was in the air they would

261
00:10:10,630 --> 00:10:08,240
launch these drones from the air

262
00:10:12,470 --> 00:10:10,640
from the plane and somebody inside the

263
00:10:15,509 --> 00:10:12,480

plane would be controlling these

264

00:10:17,670 --> 00:10:15,519

these uh these drones

265

00:10:18,790 --> 00:10:17,680

now paul benowitz had filmed some of

266

00:10:21,269 --> 00:10:18,800

this

267

00:10:23,990 --> 00:10:21,279

and so and and we had to convince paul

268

00:10:26,790 --> 00:10:24,000

that what he was saying was ufos but

269

00:10:27,190 --> 00:10:26,800

but some of these things if you look

270

00:10:29,190 --> 00:10:27,200

back

271

00:10:31,350 --> 00:10:29,200

at some of us that had access to it look

272

00:10:34,069 --> 00:10:31,360

back at what they were flying

273

00:10:34,870 --> 00:10:34,079

there in the 1980s and then what was

274

00:10:37,590 --> 00:10:34,880

seen

275

00:10:40,710 --> 00:10:37,600

on the tic tac film they're just look

276

00:10:43,750 --> 00:10:40,720

like the exact same objects

277

00:10:45,350 --> 00:10:43,760

so was there some kind of test being

278

00:10:48,470 --> 00:10:45,360

conducted

279

00:10:52,150 --> 00:10:48,480

or was this in fact different

280

00:10:55,269 --> 00:10:52,160

from what we saw in the 1980s

281

00:10:56,949 --> 00:10:55,279

2004 incident could very well be

282

00:10:59,430 --> 00:10:56,959

something that the government was

283

00:11:01,670 --> 00:10:59,440

testing that's highly advanced

284

00:11:03,430 --> 00:11:01,680

or it could be something

285

00:11:04,949 --> 00:11:03,440

extraterrestrial

286

00:11:06,870 --> 00:11:04,959

but that's something i had to throw out

287

00:11:07,750 --> 00:11:06,880

there because there's a lot of other

288

00:11:10,310 --> 00:11:07,760

people

289

00:11:11,750 --> 00:11:10,320

uh in in the loop so to speak former

290

00:11:14,630 --> 00:11:11,760

navy intelligence

291

00:11:16,389 --> 00:11:14,640

former pilots are saying you know what

292

00:11:18,470 --> 00:11:16,399

there's something wrong with

293

00:11:19,670 --> 00:11:18,480

the lead-up to this there's some some

294

00:11:22,710 --> 00:11:19,680

reason why

295

00:11:25,030 --> 00:11:22,720

uh the aircrafts weren't armed

296

00:11:25,829 --> 00:11:25,040

and and so i just wanted to throw that

297

00:11:27,750 --> 00:11:25,839

out there

298

00:11:30,150 --> 00:11:27,760

i think that's interesting i think that

299

00:11:33,030 --> 00:11:30,160

could very well be

300

00:11:33,509 --> 00:11:33,040

what's going on and i think with not

301
00:11:36,550 --> 00:11:33,519
having

302
00:11:40,550 --> 00:11:39,269
it would obviously to be make sure there

303
00:11:44,230 --> 00:11:40,560
wasn't any sort of

304
00:11:47,110 --> 00:11:44,240
actual conflict right

305
00:11:48,310 --> 00:11:47,120
so you have to ask yourself if indeed

306
00:11:51,350 --> 00:11:48,320
that's what's going on

307
00:11:53,030 --> 00:11:51,360
why would people just

308
00:11:55,030 --> 00:11:53,040
be pressured into thinking that they're

309
00:11:57,509 --> 00:11:55,040
seeing anomalies

310
00:11:59,110 --> 00:11:57,519
and that they're mistakes and i'm just

311
00:12:01,350 --> 00:11:59,120
kind of circling back to that point

312
00:12:04,550 --> 00:12:01,360
because you said it could be possible

313
00:12:05,509 --> 00:12:04,560

that i mean i agree it's possible people

314

00:12:06,790 --> 00:12:05,519

could

315

00:12:08,230 --> 00:12:06,800

if there's people out there that have

316

00:12:10,949 --> 00:12:08,240

reported or come forward to something

317

00:12:14,230 --> 00:12:10,959

that maybe was just some sort of

318

00:12:15,430 --> 00:12:14,240

you know disillusion but i just want to

319

00:12:18,550 --> 00:12:15,440

keep exploring that idea

320

00:12:21,910 --> 00:12:18,560

that the military is always

321

00:12:26,710 --> 00:12:25,350

why would they put forth these videos

322

00:12:30,069 --> 00:12:26,720

and information

323

00:12:30,550 --> 00:12:30,079

without having checked now but you're

324

00:12:32,870 --> 00:12:30,560

saying

325

00:12:34,230 --> 00:12:32,880

that there might be a deeper sort of

326

00:12:37,190 --> 00:12:34,240

military installation that

327

00:12:39,030 --> 00:12:37,200

is creating crafts and sort of seeing

328

00:12:42,150 --> 00:12:39,040

how they respond

329

00:12:43,910 --> 00:12:42,160

to carriers is that basically

330

00:12:46,310 --> 00:12:43,920

kind of sort of what you're getting at

331

00:12:49,430 --> 00:12:46,320

here yes this could be

332

00:12:50,230 --> 00:12:49,440

a highly secret program being run out of

333

00:12:54,069 --> 00:12:50,240

probably

334

00:12:57,350 --> 00:12:54,079

area 51 or or tonopah

335

00:13:00,710 --> 00:12:57,360

or creature force that are

336

00:13:01,590 --> 00:13:00,720

so classified that other branches of the

337

00:13:04,949 --> 00:13:01,600

military

338

00:13:06,949 --> 00:13:04,959

aren't aware of them so the government

339

00:13:10,629 --> 00:13:06,959

some entity within the government

340

00:13:14,230 --> 00:13:10,639

decides to test the military in 2004

341

00:13:16,069 --> 00:13:14,240

they the nimitz and their and their uh

342

00:13:17,829 --> 00:13:16,079

their their ships were out there

343

00:13:21,030 --> 00:13:17,839

conducting an exercise

344

00:13:23,509 --> 00:13:21,040

so what better uh time

345

00:13:25,750 --> 00:13:23,519

would it be for this other secretive

346

00:13:27,910 --> 00:13:25,760

agency to test that

347

00:13:28,790 --> 00:13:27,920

that aircraft carrier and the other

348

00:13:31,350 --> 00:13:28,800

ships

349

00:13:32,629 --> 00:13:31,360

by flying these strange drones or

350

00:13:36,310 --> 00:13:32,639

whatever they were

351
00:13:39,829 --> 00:13:36,320
uh adam to see how they would react

352
00:13:43,110 --> 00:13:39,839
would that be like an exercise

353
00:13:44,790 --> 00:13:43,120
in a way to prepare for if we have to

354
00:13:45,910 --> 00:13:44,800
use this sort of technology on a foreign

355
00:13:47,269 --> 00:13:45,920
enemy

356
00:13:49,110 --> 00:13:47,279
just to kind of get an idea of how they

357
00:13:50,389 --> 00:13:49,120
respond before revealing the technology

358
00:13:53,910 --> 00:13:50,399
to them

359
00:13:57,430 --> 00:13:53,920
exactly exactly or even

360
00:14:01,030 --> 00:13:57,440
even more secretive

361
00:14:02,150 --> 00:14:01,040
uh how would we react to an actual uh et

362
00:14:04,710 --> 00:14:02,160
craft

363
00:14:05,590 --> 00:14:04,720

how would the navy react to an actual et

364

00:14:08,470 --> 00:14:05,600

craft

365

00:14:08,870 --> 00:14:08,480

so they fly these things and these these

366

00:14:12,790 --> 00:14:08,880

uh

367

00:14:14,310 --> 00:14:12,800

tic tac these 85 or 55 gallon barrel

368

00:14:17,829 --> 00:14:14,320

looking things

369

00:14:19,269 --> 00:14:17,839

and they they displace so

370

00:14:20,949 --> 00:14:19,279

such strange chara flight

371

00:14:23,509 --> 00:14:20,959

characteristics that

372

00:14:24,150 --> 00:14:23,519

they want to test the pilots those a

373

00:14:27,110 --> 00:14:24,160

teams

374

00:14:28,389 --> 00:14:27,120

pilot f-18 pilots to see how would they

375

00:14:31,269 --> 00:14:28,399

would react

376
00:14:31,750 --> 00:14:31,279
to any craft maybe maybe that's i'm just

377
00:14:33,110 --> 00:14:31,760
saying

378
00:14:36,790 --> 00:14:33,120
i'm just throwing that out there i don't

379
00:14:37,560 --> 00:14:36,800
know for you know i don't know right

380
00:14:40,870 --> 00:14:37,570
yeah you do

381
00:14:44,069 --> 00:14:40,880
[Laughter]

382
00:14:45,910 --> 00:14:44,079
this is great conversation um i want to

383
00:14:49,189 --> 00:14:45,920
get into skinny bob for a minute

384
00:14:50,550 --> 00:14:49,199
um actually

385
00:14:52,069 --> 00:14:50,560
skinny bob aside let's just get into

386
00:14:53,350 --> 00:14:52,079
great aliens let's get into some of the

387
00:14:54,389 --> 00:14:53,360
stuff that you've seen that you know

388
00:14:58,790 --> 00:14:54,399

about

389

00:15:00,629 --> 00:14:58,800

at area 51 he may have went past this in

390

00:15:04,069 --> 00:15:00,639

a trailer i'm not sure

391

00:15:07,509 --> 00:15:04,079

but tell us a bit more about

392

00:15:08,629 --> 00:15:07,519

these beings um you know

393

00:15:09,990 --> 00:15:08,639

for everybody listening obviously we're

394

00:15:11,269 --> 00:15:10,000

talking about the gray aliens you know

395

00:15:14,710 --> 00:15:11,279

the three four foot

396

00:15:15,670 --> 00:15:14,720

guys with the big eyes um and we keep

397

00:15:16,949 --> 00:15:15,680

exploring that because that's what the

398

00:15:18,550 --> 00:15:16,959

internet wants to know about

399

00:15:20,069 --> 00:15:18,560

tell us a bit more about that and maybe

400

00:15:22,550 --> 00:15:20,079

some other technology that maybe you

401
00:15:25,670 --> 00:15:22,560
haven't shared before

402
00:15:28,790 --> 00:15:25,680
well the the alien that we

403
00:15:31,350 --> 00:15:28,800
captured or we recovered in the roswell

404
00:15:33,749 --> 00:15:31,360
crash of 1947

405
00:15:35,110 --> 00:15:33,759
uh somehow i don't know who named it but

406
00:15:38,230 --> 00:15:35,120
it was called ebit

407
00:15:40,710 --> 00:15:38,240
extra uh terrestrial biological entity

408
00:15:41,350 --> 00:15:40,720
i had somebody back then named it that

409
00:15:43,430 --> 00:15:41,360
okay

410
00:15:45,829 --> 00:15:43,440
so we they named it evil one so

411
00:15:48,870 --> 00:15:45,839
obviously there was more than one events

412
00:15:52,470 --> 00:15:48,880
evil one stayed uh lived in

413
00:15:54,389 --> 00:15:52,480

los alamos and uh provided a lot of

414

00:15:57,829 --> 00:15:54,399
information about

415

00:16:01,189 --> 00:15:57,839
space travel about his planet

416

00:16:03,590 --> 00:16:01,199
and about alien technology he provided

417

00:16:04,069 --> 00:16:03,600
us with an energy device he provided us

418

00:16:07,350 --> 00:16:04,079
with

419

00:16:09,670 --> 00:16:07,360
a communications device but you got to

420

00:16:13,269 --> 00:16:09,680
understand that in 1947

421

00:16:14,710 --> 00:16:13,279
between 47 and 52 because eva died in

422

00:16:18,310 --> 00:16:14,720
1952

423

00:16:22,870 --> 00:16:18,320
uh our technology was just at the very

424

00:16:23,910 --> 00:16:22,880
very very lowest level barely invented

425

00:16:27,350 --> 00:16:23,920
the transistor

426

00:16:29,030 --> 00:16:27,360

i think exactly exactly exactly oh i was

427

00:16:29,749 --> 00:16:29,040

on a drawing board but i don't know that

428

00:16:33,269 --> 00:16:29,759

we actually

429

00:16:33,829 --> 00:16:33,279

uh uh invented actually manufactured it

430

00:16:38,069 --> 00:16:33,839

but

431

00:16:39,829 --> 00:16:38,079

just real quick if you look at the

432

00:16:41,269 --> 00:16:39,839

original transistor if you google it it

433

00:16:44,550 --> 00:16:41,279

freaking looks like some

434

00:16:45,990 --> 00:16:44,560

somebody it to me it looks like somebody

435

00:16:48,069 --> 00:16:46,000

saw something

436

00:16:49,030 --> 00:16:48,079

and then tried to reverse it that's what

437

00:16:51,590 --> 00:16:49,040

it looks like

438

00:16:53,269 --> 00:16:51,600

it doesn't look like it just it just

439

00:16:54,550 --> 00:16:53,279

looks alien we'll have to show a picture

440

00:16:55,189 --> 00:16:54,560

on here i think it's weird anyway

441

00:16:58,870 --> 00:16:55,199

continue

442

00:17:02,310 --> 00:16:58,880

sorry well and so uh

443

00:17:04,390 --> 00:17:02,320

they were so far advanced uh

444

00:17:06,150 --> 00:17:04,400

some estimates were 50 000 years more

445

00:17:07,829 --> 00:17:06,160

advanced than we were

446

00:17:09,829 --> 00:17:07,839

so how does somebody that is that

447

00:17:13,029 --> 00:17:09,839

intelligent explain

448

00:17:15,750 --> 00:17:13,039

something to us uh that we

449

00:17:16,150 --> 00:17:15,760

we couldn't possibly understand how and

450

00:17:19,270 --> 00:17:16,160

how

451
00:17:23,029 --> 00:17:19,280
his their uh communications device

452
00:17:26,230 --> 00:17:23,039
or how their um how their uh

453
00:17:29,029 --> 00:17:26,240
uh uh energy device worked

454
00:17:30,870 --> 00:17:29,039
how how do and and that's that that was

455
00:17:32,549 --> 00:17:30,880
the dilemma that the scientists back

456
00:17:35,510 --> 00:17:32,559
then was experiencing

457
00:17:37,750 --> 00:17:35,520
this guy knew knows all this stuff and

458
00:17:40,070 --> 00:17:37,760
and we were able to

459
00:17:42,150 --> 00:17:40,080
teach it english but we can't understand

460
00:17:44,070 --> 00:17:42,160
what he's saying or how

461
00:17:45,990 --> 00:17:44,080
he we could manufacture some of these

462
00:17:48,010 --> 00:17:46,000
things right that was one of the

463
00:17:49,270 --> 00:17:48,020

dilemmas we had

464

00:17:51,350 --> 00:17:49,280

[Music]

465

00:17:52,870 --> 00:17:51,360

but he we just couldn't understand what

466

00:17:54,789 --> 00:17:52,880

he was trying to tell us as far as

467

00:17:57,029 --> 00:17:54,799

technology went

468

00:17:58,070 --> 00:17:57,039

and that's and when he died in 52 all we

469

00:18:01,990 --> 00:17:58,080

had was

470

00:18:04,310 --> 00:18:02,000

films of him talking to us uh

471

00:18:06,310 --> 00:18:04,320

the old 35 millimeter films or 16

472

00:18:08,230 --> 00:18:06,320

millimeter film whatever it was

473

00:18:09,669 --> 00:18:08,240

and what he and what we had recorded and

474

00:18:12,549 --> 00:18:09,679

what he had showed us

475

00:18:14,070 --> 00:18:12,559

so we had an energy device we had this

476

00:18:16,549 --> 00:18:14,080

energy device

477

00:18:17,669 --> 00:18:16,559

we couldn't get it to work because we

478

00:18:20,549 --> 00:18:17,679

weren't at far

479

00:18:21,029 --> 00:18:20,559

advanced in technology as they were and

480

00:18:23,750 --> 00:18:21,039

so we

481

00:18:24,710 --> 00:18:23,760

couldn't understand it so that's right

482

00:18:27,590 --> 00:18:24,720

you explained it

483

00:18:28,870 --> 00:18:27,600

as like a basically piece of plexiglas

484

00:18:30,150 --> 00:18:28,880

looking to us it just looked like a

485

00:18:33,909 --> 00:18:30,160

piece of plexiglas

486

00:18:37,190 --> 00:18:33,919

with i assume no sort of technological

487

00:18:40,230 --> 00:18:37,200

looking anything well yeah it was a

488

00:18:41,190 --> 00:18:40,240

large rectangle device thick thick and

489

00:18:44,310 --> 00:18:41,200

had some

490

00:18:47,909 --> 00:18:44,320

uh anomalies on each corner

491

00:18:51,270 --> 00:18:47,919

uh we were able to test it test the

492

00:18:53,830 --> 00:18:51,280

amount of current uh amount of voltage

493

00:18:54,310 --> 00:18:53,840

that it would give out it would light up

494

00:18:57,430 --> 00:18:54,320

a little

495

00:19:00,630 --> 00:18:57,440

light bulb and also would light up a

496

00:19:01,430 --> 00:19:00,640

uh uh car headlights i mean a lot of

497

00:19:04,630 --> 00:19:01,440

things

498

00:19:06,630 --> 00:19:04,640

that we tested it was able to do for us

499

00:19:07,669 --> 00:19:06,640

but we couldn't understand the interior

500

00:19:10,710 --> 00:19:07,679

of it

501
00:19:11,669 --> 00:19:10,720
we we even uh when the electron

502
00:19:13,909 --> 00:19:11,679
microscope

503
00:19:15,990 --> 00:19:13,919
came into existence i believe that was

504
00:19:18,789 --> 00:19:16,000
in in the early 70s early

505
00:19:20,390 --> 00:19:18,799
late 60s early 70s we used that to look

506
00:19:21,830 --> 00:19:20,400
at it and all we saw was these little

507
00:19:24,310 --> 00:19:21,840
holes

508
00:19:25,590 --> 00:19:24,320
and something inside the hole would be

509
00:19:28,710 --> 00:19:25,600
aggravated

510
00:19:30,950 --> 00:19:28,720
when they when we when it put a

511
00:19:32,789 --> 00:19:30,960
demand of electricity was placed on but

512
00:19:38,070 --> 00:19:32,799
we didn't know how it worked

513
00:19:38,789 --> 00:19:38,080

now speed ahead to the 80s and 90s we

514

00:19:41,990 --> 00:19:38,799

think

515

00:19:44,710 --> 00:19:42,000

it worked by zero point energy

516

00:19:45,270 --> 00:19:44,720

and that's something that dr uh hal put

517

00:19:48,070 --> 00:19:45,280

off

518

00:19:49,029 --> 00:19:48,080

has has been testing or tested back in

519

00:19:54,710 --> 00:19:49,039

those days

520

00:20:00,710 --> 00:19:58,150

so the device essentially pulled from

521

00:20:01,430 --> 00:20:00,720

surrounding electromagnetic energy to

522

00:20:03,029 --> 00:20:01,440

power

523

00:20:05,029 --> 00:20:03,039

sounds like from anything from a small

524

00:20:07,590 --> 00:20:05,039

amount to a large amount no matter what

525

00:20:08,230 --> 00:20:07,600

or whatever it needed it would give it

526
00:20:10,950 --> 00:20:08,240
right

527
00:20:11,430 --> 00:20:10,960
yes exactly whatever demand you put on

528
00:20:18,870 --> 00:20:11,440
it

529
00:20:20,710 --> 00:20:18,880
up up to a a uh a power plant

530
00:20:24,070 --> 00:20:20,720
it would it would provide it but we just

531
00:20:26,470 --> 00:20:24,080
didn't understand it how how it worked

532
00:20:27,590 --> 00:20:26,480
and we actually probably still don't i

533
00:20:29,430 --> 00:20:27,600
don't i don't think we

534
00:20:31,270 --> 00:20:29,440
i don't think we do i don't think we

535
00:20:34,950 --> 00:20:31,280
understand it today

536
00:20:35,750 --> 00:20:34,960
and um that technology probably hasn't

537
00:20:39,110 --> 00:20:35,760
been seeded

538
00:20:40,950 --> 00:20:39,120

i assume like the transistor potentially

539

00:20:42,470 --> 00:20:40,960

was seeded

540

00:20:44,310 --> 00:20:42,480

um you know according to the day after

541

00:20:46,789 --> 00:20:44,320

roswell just kind of going to roswell

542

00:20:47,669 --> 00:20:46,799

because i wanted to get your thoughts on

543

00:20:50,710 --> 00:20:47,679

the

544

00:20:51,190 --> 00:20:50,720

sort of technology that maybe you've

545

00:20:53,510 --> 00:20:51,200

seen

546

00:20:55,350 --> 00:20:53,520

or that's been recovered from craft um

547

00:20:59,029 --> 00:20:55,360

and again this was mentioned

548

00:21:01,350 --> 00:20:59,039

um by uh

549

00:21:02,070 --> 00:21:01,360

in the in the day after roswell which

550

00:21:05,190 --> 00:21:02,080

was essentially

551
00:21:08,549 --> 00:21:05,200
a device that transmitted thought

552
00:21:14,390 --> 00:21:08,559
into the saucer to make it fly

553
00:21:19,190 --> 00:21:17,909
so now we're in 2020 elon musk unveils

554
00:21:20,789 --> 00:21:19,200
the neural link

555
00:21:22,070 --> 00:21:20,799
which for those of you who are not

556
00:21:23,110 --> 00:21:22,080
familiar with that that are listening or

557
00:21:25,750 --> 00:21:23,120
watching

558
00:21:27,510 --> 00:21:25,760
this is a device that uses tiny

559
00:21:28,230 --> 00:21:27,520
microscopic threads we're talking

560
00:21:30,470 --> 00:21:28,240
thinner than

561
00:21:32,149 --> 00:21:30,480
a human hair that are inserted in

562
00:21:34,870 --> 00:21:32,159
between the brain matter

563
00:21:37,350 --> 00:21:34,880

and used to transmit signal between a

564

00:21:39,430 --> 00:21:37,360

wireless device and your freaking

565

00:21:40,390 --> 00:21:39,440

brain or as elon musk says like

566

00:21:44,310 --> 00:21:40,400

literally

567

00:21:46,230 --> 00:21:44,320

tele you know uh uh um

568

00:21:47,990 --> 00:21:46,240

you know being it's like being psychic

569

00:21:49,669 --> 00:21:48,000

or being able to telepathy talk

570

00:21:51,830 --> 00:21:49,679

telepathically that's what i'm looking

571

00:21:54,710 --> 00:21:51,840

for thank you uh talk to each other

572

00:21:55,990 --> 00:21:54,720

uh is that do you think that's a seated

573

00:21:57,669 --> 00:21:56,000

technology that

574

00:21:59,909 --> 00:21:57,679

i mean i mean how does somebody even

575

00:22:02,149 --> 00:21:59,919

come up with that

576

00:22:03,270 --> 00:22:02,159

well i heard i heard about this a long

577

00:22:06,789 --> 00:22:03,280

time ago i heard

578

00:22:10,710 --> 00:22:06,799

sandia national laboratories tested some

579

00:22:13,830 --> 00:22:10,720

some devices that could read brain waves

580

00:22:16,549 --> 00:22:13,840

and also the mit and a in a

581

00:22:18,950 --> 00:22:16,559

classified broke program they were

582

00:22:21,590 --> 00:22:18,960

looking into back in the 80s

583

00:22:22,789 --> 00:22:21,600

uh they they determined that every human

584

00:22:25,510 --> 00:22:22,799

being

585

00:22:27,590 --> 00:22:25,520

has a frequency everybody everyone has

586

00:22:30,630 --> 00:22:27,600

some sort of a frequency

587

00:22:32,789 --> 00:22:30,640

if you can tap into that frequency

588

00:22:34,710 --> 00:22:32,799

you can do a lot with that person you

589

00:22:36,789 --> 00:22:34,720

can manipulate the person

590

00:22:38,310 --> 00:22:36,799

and the mer and then the person with a

591

00:22:40,789 --> 00:22:38,320

lot of training

592

00:22:42,149 --> 00:22:40,799

can use that uh do that use that

593

00:22:45,590 --> 00:22:42,159

frequency

594

00:22:46,630 --> 00:22:45,600

and that's kind of the the the idea that

595

00:22:49,110 --> 00:22:46,640

i think

596

00:22:50,390 --> 00:22:49,120

uh brain waves have i mean i'm not an

597

00:22:55,029 --> 00:22:50,400

expert on it i'm just

598

00:22:56,950 --> 00:22:55,039

i'm just more or less looking back

599

00:22:58,070 --> 00:22:56,960

and what i knew about the program back

600

00:22:59,909 --> 00:22:58,080

in the 80s

601
00:23:01,270 --> 00:22:59,919
and they were doing a lot of things back

602
00:23:03,990 --> 00:23:01,280
then with the 80s with

603
00:23:05,510 --> 00:23:04,000
with soldiers on the battlefield even

604
00:23:08,470 --> 00:23:05,520
back in the 80s they had these

605
00:23:09,029 --> 00:23:08,480
helmets with sensors in there and they

606
00:23:11,990 --> 00:23:09,039
would

607
00:23:12,470 --> 00:23:12,000
uh uh place this soldier in in some kind

608
00:23:15,029 --> 00:23:12,480
of a

609
00:23:16,390 --> 00:23:15,039
situation and then it would read his

610
00:23:19,590 --> 00:23:16,400
brain waves

611
00:23:21,350 --> 00:23:19,600
how he reacted how his eighties

612
00:23:22,630 --> 00:23:21,360
yeah this was in the 80s they were doing

613
00:23:25,110 --> 00:23:22,640

this wow

614

00:23:26,710 --> 00:23:25,120

and i'm sure it developed developed past

615

00:23:29,190 --> 00:23:26,720

that into the 90s in

616

00:23:29,830 --> 00:23:29,200

2000 but even back in the 80s they were

617

00:23:31,590 --> 00:23:29,840

doing that

618

00:23:33,190 --> 00:23:31,600

and what they developed what they found

619

00:23:36,070 --> 00:23:33,200

out about it i i mean i

620

00:23:37,750 --> 00:23:36,080

wasn't i wasn't in the loop on that but

621

00:23:39,669 --> 00:23:37,760

but they were testing this stuff back in

622

00:23:41,190 --> 00:23:39,679

the 80s

623

00:23:42,710 --> 00:23:41,200

i want to chime in on that because

624

00:23:44,710 --> 00:23:42,720

recently there was a video i don't know

625

00:23:47,510 --> 00:23:44,720

if it was declassified or what

626
00:23:48,310 --> 00:23:47,520
but it was shared i think by the air

627
00:23:51,269 --> 00:23:48,320
force

628
00:23:52,390 --> 00:23:51,279
if i remember quickly and it showed this

629
00:23:53,590 --> 00:23:52,400
helmet that's supposed to be new

630
00:23:56,310 --> 00:23:53,600
technology

631
00:23:57,830 --> 00:23:56,320
and it's a full helmet with goggles with

632
00:23:59,750 --> 00:23:57,840
a heads-up display

633
00:24:01,269 --> 00:23:59,760
and i was and i'm like that's the stuff

634
00:24:03,029 --> 00:24:01,279
they described in the 80s

635
00:24:05,909 --> 00:24:03,039
this helmet is from the 80s this is not

636
00:24:07,430 --> 00:24:05,919
new technology they're showing it 2020

637
00:24:09,750 --> 00:24:07,440
because you could still tell that it's

638
00:24:10,870 --> 00:24:09,760

dated like hot you know high-end data

639

00:24:14,470 --> 00:24:10,880

technology

640

00:24:17,590 --> 00:24:14,480

so that only further corroborates

641

00:24:20,789 --> 00:24:17,600

this insanity uh that

642

00:24:23,110 --> 00:24:20,799

we're i mean this huge technological

643

00:24:24,710 --> 00:24:23,120

leap in evolution and we're so far

644

00:24:28,149 --> 00:24:24,720

beyond

645

00:24:29,350 --> 00:24:28,159

i think the you know what the consumer

646

00:24:31,110 --> 00:24:29,360

has access to

647

00:24:33,269 --> 00:24:31,120

and even what some of the highest levels

648

00:24:35,750 --> 00:24:33,279

of government and world governments

649

00:24:37,590 --> 00:24:35,760

has access to the technology i assume

650

00:24:40,630 --> 00:24:37,600

that we have

651
00:24:40,950 --> 00:24:40,640
really kept secret is probably would you

652
00:24:44,789 --> 00:24:40,960
say

653
00:24:47,909 --> 00:24:44,799
hundreds thousands of years advanced

654
00:24:48,470 --> 00:24:47,919
oh yes yeah i'm just talking about the

655
00:24:51,590 --> 00:24:48,480
only thing

656
00:24:52,789 --> 00:24:51,600
i know actually actually know about is

657
00:24:55,669 --> 00:24:52,799
evas

658
00:24:56,230 --> 00:24:55,679
but there's as i understand there's

659
00:24:59,590 --> 00:24:56,240
there's been

660
00:25:02,950 --> 00:24:59,600
many many other captured alien crafts

661
00:25:05,669 --> 00:25:02,960
uh over the years evts

662
00:25:06,470 --> 00:25:05,679
uh have been housed at area 51 i'm sure

663
00:25:08,549 --> 00:25:06,480

they've

664

00:25:09,669 --> 00:25:08,559

the u.s government has learned a lot

665

00:25:12,470 --> 00:25:09,679

more

666

00:25:14,070 --> 00:25:12,480

about the et's and the and the ones that

667

00:25:16,710 --> 00:25:14,080

are visiting earth

668

00:25:18,390 --> 00:25:16,720

that i know about so i think there's a

669

00:25:21,430 --> 00:25:18,400

lot of technology

670

00:25:22,710 --> 00:25:21,440

that we've gathered over the years and

671

00:25:24,630 --> 00:25:22,720

we have

672

00:25:26,630 --> 00:25:24,640

uh experimenting with or trying to

673

00:25:28,950 --> 00:25:26,640

reverse engineer

674

00:25:31,510 --> 00:25:28,960

that are that is uh tucked away

675

00:25:35,110 --> 00:25:31,520

somewhere out there in area 51.

676
00:25:35,669 --> 00:25:35,120
wow this is probably technology we would

677
00:25:39,430 --> 00:25:35,679
employ

678
00:25:47,269 --> 00:25:39,440
under most dire circumstances i assume

679
00:25:51,190 --> 00:25:49,350
alexander i know i'm sure you know who

680
00:25:53,990 --> 00:25:51,200
john alexander is

681
00:25:55,590 --> 00:25:54,000
yeah yeah john alexander talks about

682
00:25:59,750 --> 00:25:55,600
some advanced

683
00:26:02,070 --> 00:25:59,760
technologies that we were developing

684
00:26:03,350 --> 00:26:02,080
and we have but he doesn't talk about

685
00:26:04,789 --> 00:26:03,360
anything other than that

686
00:26:07,190 --> 00:26:04,799
he leaves it there because it's still

687
00:26:10,870 --> 00:26:07,200
classified another another

688
00:26:13,669 --> 00:26:10,880

uh colonel army colonel

689

00:26:15,750 --> 00:26:13,679

spoke privately at one of the uso ufo

690

00:26:18,789 --> 00:26:15,760

conventions a couple years ago

691

00:26:20,549 --> 00:26:18,799

he brought up and he had a display of

692

00:26:22,310 --> 00:26:20,559

all the different technologies that we

693

00:26:24,710 --> 00:26:22,320

were experimenting with

694

00:26:25,669 --> 00:26:24,720

and some of these things are absolutely

695

00:26:28,870 --> 00:26:25,679

astonishing

696

00:26:30,630 --> 00:26:28,880

like invisibility how how how they can

697

00:26:32,310 --> 00:26:30,640

make soldiers invisible

698

00:26:33,750 --> 00:26:32,320

how that how they they can make an

699

00:26:37,110 --> 00:26:33,760

airplane in a

700

00:26:40,630 --> 00:26:37,120

in a aircraft carrier or a combat ship

701

00:26:43,029 --> 00:26:40,640

invisible against you know

702

00:26:44,870 --> 00:26:43,039

during the battle on the battlefield so

703

00:26:46,310 --> 00:26:44,880

there's a lot of things that we have i'm

704

00:26:49,110 --> 00:26:46,320

sure we have

705

00:26:50,549 --> 00:26:49,120

that and stuff i'm sure we've used in

706

00:26:52,149 --> 00:26:50,559

iraq

707

00:26:54,870 --> 00:26:52,159

the invisibility stuff you're talking

708

00:26:56,149 --> 00:26:54,880

about um

709

00:26:58,470 --> 00:26:56,159

and again i'm gonna put the video up if

710

00:27:02,070 --> 00:26:58,480

i can find it um there is a

711

00:27:02,950 --> 00:27:02,080

sort of it looks clear it looks like a

712

00:27:06,549 --> 00:27:02,960

clear shield

713

00:27:08,149 --> 00:27:06,559

essentially and the guys stand behind

714

00:27:09,590 --> 00:27:08,159

behind it and they completely disappear

715

00:27:11,830 --> 00:27:09,600

and the wall blends in

716

00:27:12,870 --> 00:27:11,840

and so they literally disappear and

717

00:27:15,350 --> 00:27:12,880

apparently

718

00:27:16,870 --> 00:27:15,360

somehow they use meta materials to reduc

719

00:27:21,669 --> 00:27:16,880

like redirect the light

720

00:27:23,909 --> 00:27:21,679

so what everything you're saying is

721

00:27:24,950 --> 00:27:23,919

coming to fruition or has been otherwise

722

00:27:28,470 --> 00:27:24,960

proven

723

00:27:30,310 --> 00:27:28,480

and i'm saying this for the people that

724

00:27:32,549 --> 00:27:30,320

maybe challenge rick dodi because this

725

00:27:34,870 --> 00:27:32,559

guy knows what he's talking about

726

00:27:35,909 --> 00:27:34,880

and with the eva is that i guess plural

727

00:27:39,269 --> 00:27:35,919

for eb's or

728

00:27:41,430 --> 00:27:39,279

i don't know um how many different races

729

00:27:45,029 --> 00:27:41,440

because we've talked about this before

730

00:27:48,470 --> 00:27:45,039

um would you estimate that we have

731

00:27:52,230 --> 00:27:48,480

maybe you know

732

00:27:54,950 --> 00:27:52,240

collected or what not from crash sites

733

00:27:56,149 --> 00:27:54,960

i only know of four now that's

734

00:27:59,510 --> 00:27:56,159

describing

735

00:28:02,710 --> 00:27:59,520

my knowledge for yeah and they're named

736

00:28:03,909 --> 00:28:02,720

the first one is a quantiloid this thing

737

00:28:06,310 --> 00:28:03,919

is a kind of a

738

00:28:07,110 --> 00:28:06,320

hideous looking creature like a praying

739

00:28:10,230 --> 00:28:07,120

mantis

740

00:28:12,630 --> 00:28:10,240

but it was highly intelligent uh the

741

00:28:16,070 --> 00:28:12,640

second one is a

742

00:28:19,430 --> 00:28:16,080

trantaloid it it's very

743

00:28:22,549 --> 00:28:19,440

tall it's taller than a quantuloid uh

744

00:28:26,070 --> 00:28:22,559

it has uh the ability to

745

00:28:26,630 --> 00:28:26,080

read a person's mind uh the third one is

746

00:28:28,230 --> 00:28:26,640

an even

747

00:28:30,549 --> 00:28:28,240

that the one that we're talking about

748

00:28:33,110 --> 00:28:30,559

captured and the fourth one

749

00:28:34,389 --> 00:28:33,120

uh i don't the only know a little about

750

00:28:38,070 --> 00:28:34,399

it the tall

751

00:28:44,870 --> 00:28:41,110

only until brought that up tall whites

752

00:28:48,310 --> 00:28:44,880

there's always

753

00:28:51,590 --> 00:28:48,320

now i heard uh

754

00:28:52,870 --> 00:28:51,600

some a person talk about some other

755

00:28:54,630 --> 00:28:52,880

alien races

756

00:28:56,870 --> 00:28:54,640

that we have i don't know personally

757

00:28:59,430 --> 00:28:56,880

about those i know linda howell

758

00:29:01,510 --> 00:28:59,440

can speak of i think nine or ten others

759

00:29:03,990 --> 00:29:01,520

and some other people are talking about

760

00:29:05,350 --> 00:29:04,000

50 or 100 but i'm just telling you what

761

00:29:07,669 --> 00:29:05,360

i know

762

00:29:09,990 --> 00:29:07,679

uh and that they were four when i left

763

00:29:13,029 --> 00:29:10,000

in 1988 i know there were four

764

00:29:14,870 --> 00:29:13,039

racers of aliens we had in captivity or

765

00:29:17,029 --> 00:29:14,880

we've had contact with

766

00:29:19,029 --> 00:29:17,039

and what about this reptilian business

767

00:29:20,389 --> 00:29:19,039

the reptilians live below

768

00:29:21,909 --> 00:29:20,399

you know the earth and they capture the

769

00:29:23,430 --> 00:29:21,919

kids and they eat them is that nonsense

770

00:29:25,510 --> 00:29:23,440

or is that something that

771

00:29:26,789 --> 00:29:25,520

yes that's it's that's the transloids

772

00:29:29,510 --> 00:29:26,799

the transloids look

773

00:29:30,789 --> 00:29:29,520

reptilian they look reptilian looking

774

00:29:34,470 --> 00:29:30,799

like scaly

775

00:29:37,590 --> 00:29:34,480

kind of yeah yes but i i don't know

776

00:29:41,269 --> 00:29:37,600

uh i heard rumors about that

777

00:29:44,310 --> 00:29:41,279

um i can't i can't say that that uh

778

00:29:46,710 --> 00:29:44,320

any of those rumors are true

779

00:29:47,909 --> 00:29:46,720

i want to let you know if you hear

780

00:29:48,549 --> 00:29:47,919

sounds in the background because i have

781

00:29:51,750 --> 00:29:48,559

a parrot

782

00:29:52,310 --> 00:29:51,760

and she okay she likes it when i talk

783

00:29:55,350 --> 00:29:52,320

[h__\h]

784

00:29:57,110 --> 00:29:55,360

um i was doing joe and i've been doing a

785

00:29:58,950 --> 00:29:57,120

lot of research trying to get down to

786

00:30:00,710 --> 00:29:58,960

the you know the great aliens and kind

787

00:30:02,070 --> 00:30:00,720

of that's why i think the skinny bob

788

00:30:03,029 --> 00:30:02,080

video and we've talked about this to

789

00:30:06,310 --> 00:30:03,039

every guest

790

00:30:10,070 --> 00:30:06,320

um in this series about how life like

791

00:30:11,750 --> 00:30:10,080

and real they are i uh i listened to an

792

00:30:15,110 --> 00:30:11,760

eyewitness account from

793

00:30:18,149 --> 00:30:15,120

i think it was like 40 years ago

794

00:30:21,269 --> 00:30:18,159

and he described them as

795

00:30:24,070 --> 00:30:21,279

beautiful or good-looking people

796

00:30:25,590 --> 00:30:24,080

sort of oriental looking and ps that's

797

00:30:28,549 --> 00:30:25,600

his words not mine because

798

00:30:30,070 --> 00:30:28,559

oriental things are oriental not people

799

00:30:33,590 --> 00:30:30,080

as my mother

800

00:30:35,590 --> 00:30:33,600

is reminded on a regular basis so he

801
00:30:38,470 --> 00:30:35,600
said that they looked more human than

802
00:30:42,470 --> 00:30:38,480
not is is i mean

803
00:30:45,430 --> 00:30:42,480
does that sound or did are the grays so

804
00:30:46,310 --> 00:30:45,440
different that they're unrecognized you

805
00:30:48,389 --> 00:30:46,320
get what i'm saying

806
00:30:50,230 --> 00:30:48,399
what are they really are they more human

807
00:30:51,830 --> 00:30:50,240
looking or are they more alien looking i

808
00:30:52,549 --> 00:30:51,840
know that's kind of a weird way to put

809
00:30:56,230 --> 00:30:52,559
it but

810
00:30:58,710 --> 00:30:56,240
do they have sort of you know do they do

811
00:31:00,310 --> 00:30:58,720
tell me about that the nordics are the

812
00:31:03,029 --> 00:31:00,320
are the human looking ones

813
00:31:03,430 --> 00:31:03,039

they're the only ones that i know of

814

00:31:05,269 --> 00:31:03,440

that

815

00:31:06,789 --> 00:31:05,279

are human looking and they can take on

816

00:31:09,830 --> 00:31:06,799

appearances

817

00:31:11,990 --> 00:31:09,840

of different style here i mean as i was

818

00:31:14,950 --> 00:31:12,000

told different

819

00:31:15,430 --> 00:31:14,960

facial features of a human of a nordic

820

00:31:22,149 --> 00:31:15,440

or

821

00:31:25,830 --> 00:31:22,159

just a a homo sapien

822

00:31:28,230 --> 00:31:25,840

plain a white white homo sapien

823

00:31:31,350 --> 00:31:28,240

they can take on those appearances now

824

00:31:33,830 --> 00:31:31,360

the one i saw the picture i saw

825

00:31:36,389 --> 00:31:33,840

what the one they they'd captured in

826
00:31:39,990 --> 00:31:36,399
washington dc some years ago

827
00:31:43,110 --> 00:31:40,000
it looked like a swede swedish

828
00:31:44,870 --> 00:31:43,120
had long blonde hair it was male had

829
00:31:45,990 --> 00:31:44,880
long blonde hair shoulder length blond

830
00:31:48,870 --> 00:31:46,000
hair

831
00:31:49,909 --> 00:31:48,880
eyes were very strange looking almost

832
00:31:52,950 --> 00:31:49,919
cat-like i mean

833
00:31:55,269 --> 00:31:52,960
the outer lids were normal the the inner

834
00:31:58,549 --> 00:31:55,279
eyeballs were almost cat-like

835
00:32:01,830 --> 00:31:58,559
had a nose and mouth teeth

836
00:32:04,950 --> 00:32:01,840
normal appearance except for the eyes of

837
00:32:05,430 --> 00:32:04,960
a human being but but that's the only

838
00:32:08,230 --> 00:32:05,440

one that

839

00:32:09,350 --> 00:32:08,240

i know that that would have taken

840

00:32:11,590 --> 00:32:09,360

appearance of a human

841

00:32:13,669 --> 00:32:11,600

all the other ones well they say he was

842

00:32:17,029 --> 00:32:13,679

saying

843

00:32:19,269 --> 00:32:17,039

looked like a human but it was

844

00:32:21,190 --> 00:32:19,279

the gray but the facial just just the

845

00:32:23,029 --> 00:32:21,200

way that i guess the face was structured

846

00:32:24,230 --> 00:32:23,039

that they had big eyes

847

00:32:26,149 --> 00:32:24,240

and the little no even though it had a

848

00:32:26,789 --> 00:32:26,159

little nose and a little mouth that it

849

00:32:29,990 --> 00:32:26,799

still

850

00:32:31,430 --> 00:32:30,000

had a you know sort of a humanistic sort

851
00:32:32,389 --> 00:32:31,440
of feel to it is the way he described

852
00:32:34,470 --> 00:32:32,399
the aliens

853
00:32:35,830 --> 00:32:34,480
the grey aliens so i was just wondering

854
00:32:37,110 --> 00:32:35,840
so it sounds to me like

855
00:32:39,590 --> 00:32:37,120
there's two different sorts of things

856
00:32:41,029 --> 00:32:39,600
going on here there's the nordics which

857
00:32:45,269 --> 00:32:41,039
by the way i don't really

858
00:32:48,549 --> 00:32:45,279
know how i feel about the nordics yet um

859
00:32:49,750 --> 00:32:48,559
there's a very very interesting story uh

860
00:32:53,029 --> 00:32:49,760
we'll have to get into another time

861
00:32:57,750 --> 00:32:53,039
about a alien cult called the raelians

862
00:33:01,029 --> 00:32:57,760
and they really uh play up that whole uh

863
00:33:05,750 --> 00:33:01,039

um that the uh the nordics

864

00:33:08,950 --> 00:33:05,760

um tell us something

865

00:33:11,250 --> 00:33:08,960

that you've never told anybody

866

00:33:13,350 --> 00:33:11,260

it's not gonna go anywhere i swear

867

00:33:17,590 --> 00:33:13,360

[Laughter]

868

00:33:19,990 --> 00:33:17,600

you know why everybody asks us that

869

00:33:21,750 --> 00:33:20,000

and we just say it's only the i we just

870

00:33:23,590 --> 00:33:21,760

say that the biggest thing he told us

871

00:33:25,029 --> 00:33:23,600

was the things was that he couldn't tell

872

00:33:25,350 --> 00:33:25,039

us things because it would frighten us

873

00:33:26,549 --> 00:33:25,360

but

874

00:33:28,950 --> 00:33:26,559

we would like to be frightened a little

875

00:33:30,149 --> 00:33:28,960

bit if you don't mind well uh the only

876

00:33:32,549 --> 00:33:30,159

thing i have never

877

00:33:34,070 --> 00:33:32,559

discussed and i i really like you guys i

878

00:33:34,870 --> 00:33:34,080

really appreciate you guys getting me on

879

00:33:38,070 --> 00:33:34,880

your

880

00:33:41,029 --> 00:33:38,080

that uh storming 50

881

00:33:41,750 --> 00:33:41,039

thank you for doing research on youtube

882

00:33:43,750 --> 00:33:41,760

and uh

883

00:33:44,950 --> 00:33:43,760

you're all you really you're real people

884

00:33:46,630 --> 00:33:44,960

i mean you're not fake

885

00:33:48,630 --> 00:33:46,640

at all and i really appreciate that i

886

00:33:49,590 --> 00:33:48,640

really i like to associate myself with

887

00:33:51,350 --> 00:33:49,600

people like you

888

00:33:52,789 --> 00:33:51,360

and not the fake people awesome you know

889

00:33:53,590 --> 00:33:52,799

what the you know who the fake people

890

00:33:56,870 --> 00:33:53,600

are you know yeah

891

00:33:59,430 --> 00:33:56,880

yes we do thank you we appreciate that

892

00:34:00,549 --> 00:33:59,440

yeah we come at this from a totally like

893

00:34:03,750 --> 00:34:00,559

we want to know level

894

00:34:05,750 --> 00:34:03,760

and so okay there was no one

895

00:34:07,669 --> 00:34:05,760

okay there was an incident never told

896

00:34:11,109 --> 00:34:07,679

never disclosed this to anyone

897

00:34:14,470 --> 00:34:11,119

uh well i i have but not in public

898

00:34:15,909 --> 00:34:14,480

in a private setting um

899

00:34:18,470 --> 00:34:15,919

some years when i was working

900

00:34:21,430 --> 00:34:18,480

intelligence officer we had a woman come

901
00:34:22,149 --> 00:34:21,440
forth and told us that she was being

902
00:34:25,430 --> 00:34:22,159
abducted

903
00:34:28,470 --> 00:34:25,440
she was very uh very believable

904
00:34:31,190 --> 00:34:28,480
she had marks on her bodies not just

905
00:34:32,790 --> 00:34:31,200
little marks but marks all over her body

906
00:34:35,829 --> 00:34:32,800
wow we had a

907
00:34:39,109 --> 00:34:35,839
physician examine her a gynecologist

908
00:34:42,550 --> 00:34:39,119
examined her she'd had

909
00:34:45,510 --> 00:34:42,560
us sorry she's a gynecologist

910
00:34:46,389 --> 00:34:45,520
a gynecologist told us that she'd had

911
00:34:50,069 --> 00:34:46,399
probes

912
00:34:52,950 --> 00:34:50,079
in her in her vagina wait

913
00:34:54,470 --> 00:34:52,960

this joe just real quick if you don't

914

00:34:57,270 --> 00:34:54,480

mind because we're talking about vaginas

915

00:34:58,230 --> 00:34:57,280

can you show rick dodi your vagina neck

916

00:35:05,510 --> 00:34:58,240

no

917

00:35:09,030 --> 00:35:08,069

that's good sorry you're gonna edit that

918

00:35:12,470 --> 00:35:09,040

out

919

00:35:15,190 --> 00:35:12,480

of course okay

920

00:35:15,990 --> 00:35:15,200

anyways uh sh so she was believable we

921

00:35:18,069 --> 00:35:16,000

did a lot of other

922

00:35:19,670 --> 00:35:18,079

tests on it we gave her a polygraph

923

00:35:21,670 --> 00:35:19,680

examination

924

00:35:24,310 --> 00:35:21,680

and she told she lived in a in a

925

00:35:27,030 --> 00:35:24,320

somewhat remote area of new mexico

926

00:35:28,390 --> 00:35:27,040

uh probably 15 miles away from the base

927

00:35:31,190 --> 00:35:28,400

up in the mountains

928

00:35:32,470 --> 00:35:31,200

and she told us that these creatures

929

00:35:33,910 --> 00:35:32,480

would come

930

00:35:36,710 --> 00:35:33,920

and she knew exactly when they were

931

00:35:39,670 --> 00:35:36,720

going to come between two

932

00:35:40,950 --> 00:35:39,680

and three o'clock every single morning

933

00:35:42,390 --> 00:35:40,960

and not every morning but

934

00:35:43,750 --> 00:35:42,400

two and three o'clock in the morning

935

00:35:44,710 --> 00:35:43,760

that's when they would come and visit

936

00:35:47,670 --> 00:35:44,720

her

937

00:35:49,030 --> 00:35:47,680

so we decided to go and set up somewhat

938

00:35:51,510 --> 00:35:49,040

of a surveillance

939

00:35:53,190 --> 00:35:51,520

we set up cameras in our house uh we

940

00:35:54,550 --> 00:35:53,200

weren't in the house we were outside we

941

00:35:55,510 --> 00:35:54,560

were some distance away but we were

942

00:35:57,910 --> 00:35:55,520

monitoring

943

00:35:59,109 --> 00:35:57,920

the camera we set up a microwave link on

944

00:36:01,109 --> 00:35:59,119

her roof

945

00:36:02,150 --> 00:36:01,119

so we could receive we i think we had

946

00:36:04,950 --> 00:36:02,160

three cameras

947

00:36:05,510 --> 00:36:04,960

and no we actually had four cameras that

948

00:36:08,230 --> 00:36:05,520

stay

949

00:36:09,109 --> 00:36:08,240

stationed around her uh her bedroom and

950

00:36:12,069 --> 00:36:09,119

her living room

951

00:36:13,510 --> 00:36:12,079

she lived by herself uh about three

952

00:36:17,270 --> 00:36:13,520

o'clock in the morning

953

00:36:19,510 --> 00:36:17,280

these strange appearances these strange

954

00:36:20,630 --> 00:36:19,520

uh shadows started appearing in her

955

00:36:23,910 --> 00:36:20,640

house

956

00:36:26,550 --> 00:36:23,920

now this lady didn't have any

957

00:36:28,069 --> 00:36:26,560

uh any electrical equipment in her

958

00:36:29,670 --> 00:36:28,079

house other than a television and a

959

00:36:32,870 --> 00:36:29,680

radio and a phone

960

00:36:33,270 --> 00:36:32,880

and we're talking 1984 time period well

961

00:36:35,990 --> 00:36:33,280

okay

962

00:36:38,950 --> 00:36:36,000

she wasn't if she was an electronics

963

00:36:42,550 --> 00:36:38,960

wizard or anything like that

964

00:36:44,710 --> 00:36:42,560

these strange shadows would appear

965

00:36:45,589 --> 00:36:44,720

and she's sitting on the couch i mean

966

00:36:48,390 --> 00:36:45,599

she's uh

967

00:36:49,829 --> 00:36:48,400

laying on the couch and i appeared that

968

00:36:50,950 --> 00:36:49,839

she was sleeping although you know we

969

00:36:52,310 --> 00:36:50,960

weren't there so

970

00:36:54,950 --> 00:36:52,320

it appeared that she was sleeping but

971

00:36:56,870 --> 00:36:54,960

these shadows would come in

972

00:36:58,150 --> 00:36:56,880

and the shadows would come in and we're

973

00:37:01,190 --> 00:36:58,160

watching this on

974

00:37:02,630 --> 00:37:01,200

real life i mean real time tv and our

975

00:37:04,310 --> 00:37:02,640

video link

976
00:37:05,990 --> 00:37:04,320
and then as soon as they got close to

977
00:37:09,990 --> 00:37:06,000
her they would appear

978
00:37:12,630 --> 00:37:10,000
they would turn into these these

979
00:37:13,510 --> 00:37:12,640
uh reptilian creatures they weren't very

980
00:37:15,829 --> 00:37:13,520
tall though

981
00:37:17,430 --> 00:37:15,839
they weren't that six foot that i would

982
00:37:19,990 --> 00:37:17,440
told they were probably four or

983
00:37:22,310 --> 00:37:20,000
five four foot five or five inches but

984
00:37:24,310 --> 00:37:22,320
they were really hideous looking

985
00:37:26,790 --> 00:37:24,320
and they would stand over her and do

986
00:37:28,310 --> 00:37:26,800
this for 15 or 20 minutes

987
00:37:29,990 --> 00:37:28,320
and then they would break into the

988
00:37:33,109 --> 00:37:30,000

shadowy shadow

989

00:37:34,390 --> 00:37:33,119

dark shadow and then disappear 15 20

990

00:37:37,990 --> 00:37:34,400

minutes of horror

991

00:37:38,870 --> 00:37:38,000

wow yeah well then we would we we waited

992

00:37:40,870 --> 00:37:38,880

until

993

00:37:42,230 --> 00:37:40,880

a couple hours we thought well were they

994

00:37:44,710 --> 00:37:42,240

going to come back or

995

00:37:47,430 --> 00:37:44,720

well probably 5 30 or 6 o'clock in the

996

00:37:51,190 --> 00:37:47,440

morning we went to her house

997

00:37:52,630 --> 00:37:51,200

she let us in we examined the house we

998

00:37:55,910 --> 00:37:52,640

had experts there to

999

00:37:57,750 --> 00:37:55,920

do electronic sweeps of the entire house

1000

00:37:59,670 --> 00:37:57,760

because we were as confused as she was

1001
00:38:02,710 --> 00:37:59,680
like wow we just witnessed a

1002
00:38:05,190 --> 00:38:02,720
real abduction a real live abduction

1003
00:38:06,950 --> 00:38:05,200
although she didn't move holy hell he

1004
00:38:10,310 --> 00:38:06,960
didn't move

1005
00:38:10,550 --> 00:38:10,320
but was she aware well she was aware of

1006
00:38:12,310 --> 00:38:10,560
it

1007
00:38:13,829 --> 00:38:12,320
she was sleeping she said but she was

1008
00:38:17,190 --> 00:38:13,839
aware of it

1009
00:38:20,710 --> 00:38:17,200
but she said that that whole incident

1010
00:38:22,790 --> 00:38:20,720
lasted for several hours we were looking

1011
00:38:26,150 --> 00:38:22,800
at the video

1012
00:38:29,190 --> 00:38:26,160
and it only lasted 15 or 16 minutes

1013
00:38:30,790 --> 00:38:29,200

what we were appearing i don't i could

1014

00:38:33,349 --> 00:38:30,800

never understand it and

1015

00:38:33,829 --> 00:38:33,359

our advisors our scientific advisors

1016

00:38:35,910 --> 00:38:33,839

jerry

1017

00:38:38,390 --> 00:38:35,920

millar and some other people couldn't

1018

00:38:42,470 --> 00:38:38,400

understand how this could have happened

1019

00:38:45,430 --> 00:38:42,480

so we got permission we asked

1020

00:38:45,990 --> 00:38:45,440

our supervisors if we could go if we

1021

00:38:48,630 --> 00:38:46,000

could stay

1022

00:38:50,069 --> 00:38:48,640

in the house and they've initially said

1023

00:38:51,030 --> 00:38:50,079

no no no no no we don't want to get

1024

00:38:52,630 --> 00:38:51,040

involved in this

1025

00:38:54,550 --> 00:38:52,640

we'll do it from a distance but

1026
00:38:55,910 --> 00:38:54,560
eventually they allowed us so we went we

1027
00:38:59,109 --> 00:38:55,920
were in the house

1028
00:39:01,829 --> 00:38:59,119
we were hiding in the house we had

1029
00:39:03,829 --> 00:39:01,839
cameras set up we had a we had a link in

1030
00:39:05,349 --> 00:39:03,839
our van some distance away

1031
00:39:07,109 --> 00:39:05,359
uh like we did the first time and this

1032
00:39:10,630 --> 00:39:07,119
was a several weeks later it was a

1033
00:39:13,829 --> 00:39:10,640
week before thanksgiving of 1985.

1034
00:39:15,430 --> 00:39:13,839
84. and we were in the house we were

1035
00:39:18,790 --> 00:39:15,440
hidden in the house i was

1036
00:39:19,910 --> 00:39:18,800
in a uh a little closet off the kitchen

1037
00:39:23,109 --> 00:39:19,920
and there was another

1038
00:39:25,750 --> 00:39:23,119

agent in in another room off of the uh

1039

00:39:26,550 --> 00:39:25,760

living room and we had a little monitors

1040

00:39:29,589 --> 00:39:26,560

that we were

1041

00:39:30,950 --> 00:39:29,599

getting the feed that the other the band

1042

00:39:32,630 --> 00:39:30,960

was getting

1043

00:39:34,310 --> 00:39:32,640

so we weighed and what we wanted to do

1044

00:39:37,349 --> 00:39:34,320

was try to try to

1045

00:39:38,950 --> 00:39:37,359

come out and confront believe it or not

1046

00:39:41,829 --> 00:39:38,960

this is what we wanted to do

1047

00:39:43,030 --> 00:39:41,839

i wasn't scared i mean the other agent

1048

00:39:45,990 --> 00:39:43,040

wasn't scared

1049

00:39:47,589 --> 00:39:46,000

we thought are they real are they

1050

00:39:49,990 --> 00:39:47,599

materialistic

1051

00:39:53,109 --> 00:39:50,000

right or is this some kind of a

1052

00:39:54,950 --> 00:39:53,119

psychological game that they're playing

1053

00:39:56,310 --> 00:39:54,960

and we have weapons we had guns we

1054

00:39:58,390 --> 00:39:56,320

always carry guns

1055

00:39:59,910 --> 00:39:58,400

so when this thing when they appeared

1056

00:40:02,230 --> 00:39:59,920

the shadows appeared

1057

00:40:03,589 --> 00:40:02,240

and then the creatures appeared we

1058

00:40:06,150 --> 00:40:03,599

waited

1059

00:40:08,470 --> 00:40:06,160

but as we tried i i was in a locked door

1060

00:40:10,630 --> 00:40:08,480

i mean it was in the closet a little

1061

00:40:12,230 --> 00:40:10,640

storage room but there wasn't any lock

1062

00:40:14,309 --> 00:40:12,240

in the door

1063

00:40:15,829 --> 00:40:14,319

but when i tried to open the door to get

1064

00:40:18,390 --> 00:40:15,839

out i couldn't

1065

00:40:20,950 --> 00:40:18,400

i was trapped in that room as the other

1066

00:40:23,670 --> 00:40:20,960

agent was trapped in the other room

1067

00:40:24,390 --> 00:40:23,680

we kicked and kicked finally i broke the

1068

00:40:26,950 --> 00:40:24,400

door

1069

00:40:28,390 --> 00:40:26,960

but by the time i got out the creatures

1070

00:40:29,990 --> 00:40:28,400

were gone

1071

00:40:31,990 --> 00:40:30,000

i've never told that before i mean i've

1072

00:40:33,910 --> 00:40:32,000

told it privately

1073

00:40:35,589 --> 00:40:33,920

uh the other agent and i did a little

1074

00:40:36,630 --> 00:40:35,599

presentation with some intelligence

1075

00:40:39,510 --> 00:40:36,640

officers

1076

00:40:40,150 --> 00:40:39,520

uh we we had we had a little film i

1077

00:40:43,190 --> 00:40:40,160

thought we

1078

00:40:44,309 --> 00:40:43,200

we couldn't keep it but i've never told

1079

00:40:46,550 --> 00:40:44,319

anyone that

1080

00:40:47,349 --> 00:40:46,560

and you know i'm a i'm pretty tough

1081

00:40:50,069 --> 00:40:47,359

person i

1082

00:40:51,670 --> 00:40:50,079

i don't scare very easy but when that

1083

00:40:53,109 --> 00:40:51,680

door was locked i couldn't get out and i

1084

00:40:53,990 --> 00:40:53,119

knew there wasn't a lock on the door it

1085

00:40:57,109 --> 00:40:54,000

was just a regular

1086

00:41:00,309 --> 00:40:57,119

oh that's right that is terrifying so

1087

00:41:06,710 --> 00:41:03,750

some that

1088

00:41:07,829 --> 00:41:06,720

that's like my biggest nightmare wow

1089

00:41:09,589 --> 00:41:07,839

aliens i'm not

1090

00:41:11,190 --> 00:41:09,599

covering over me for fifty twenty

1091

00:41:11,510 --> 00:41:11,200

minutes and then i wasn't claustrophobic

1092

00:41:13,990 --> 00:41:11,520

but

1093

00:41:14,870 --> 00:41:14,000

again i felt lost before we get the time

1094

00:41:17,990 --> 00:41:14,880

oh i bet

1095

00:41:20,710 --> 00:41:18,000

you got on the track you can't get out

1096

00:41:21,990 --> 00:41:20,720

yeah wow thank you so much that's such a

1097

00:41:22,630 --> 00:41:22,000

great story that's definitely one we

1098

00:41:25,750 --> 00:41:22,640

have that's

1099

00:41:27,829 --> 00:41:25,760

crazy did so

1100

00:41:29,430 --> 00:41:27,839

i don't think people realize there's uh

1101
00:41:31,190 --> 00:41:29,440
you know skeptics and stuff like michael

1102
00:41:32,550 --> 00:41:31,200
shermer who's like well you know

1103
00:41:33,670 --> 00:41:32,560
okay well people are really abducted by

1104
00:41:35,109 --> 00:41:33,680
aliens why don't they bring something

1105
00:41:36,710 --> 00:41:35,119
back with them bring a piece of the ship

1106
00:41:38,790 --> 00:41:36,720
bring something off the ship

1107
00:41:41,430 --> 00:41:38,800
you can't bring [h__h] when you are

1108
00:41:43,589 --> 00:41:41,440
completely paralyzed

1109
00:41:45,349 --> 00:41:43,599
and under control and they can hold the

1110
00:41:48,550 --> 00:41:45,359
door closed on you i mean like

1111
00:41:52,230 --> 00:41:48,560
yeah it's so far above and beyond

1112
00:41:53,829 --> 00:41:52,240
any i mean it's like

1113
00:41:55,270 --> 00:41:53,839

they just come and go in a blink don't

1114

00:41:59,030 --> 00:41:55,280

they yes

1115

00:42:01,910 --> 00:41:59,040

yes going back to that

1116

00:42:03,430 --> 00:42:01,920

what we found out what we later uh

1117

00:42:05,270 --> 00:42:03,440

determined was

1118

00:42:06,950 --> 00:42:05,280

they had set up some sort of and we

1119

00:42:08,710 --> 00:42:06,960

couldn't really measure it but some sort

1120

00:42:10,950 --> 00:42:08,720

of a force field

1121

00:42:12,630 --> 00:42:10,960

around her and around them protecting

1122

00:42:16,150 --> 00:42:12,640

them from any harm

1123

00:42:19,190 --> 00:42:16,160

that we could have oh wow i

1124

00:42:20,710 --> 00:42:19,200

they're way ahead of you guys then

1125

00:42:22,309 --> 00:42:20,720

i really think that you knew we were

1126
00:42:24,710 --> 00:42:22,319
there i really i

1127
00:42:25,990 --> 00:42:24,720
really think they knew we were there

1128
00:42:28,309 --> 00:42:26,000
they weren't going to harm us

1129
00:42:30,950 --> 00:42:28,319
because they weren't after her but they

1130
00:42:34,069 --> 00:42:30,960
they were they knew we were there

1131
00:42:35,990 --> 00:42:34,079
because i never heard i never heard the

1132
00:42:38,630 --> 00:42:36,000
door lock or anything i didn't hear any

1133
00:42:40,550 --> 00:42:38,640
noises but when i saw the shadows and

1134
00:42:42,470 --> 00:42:40,560
then they appear

1135
00:42:44,069 --> 00:42:42,480
we had a little we had radios and maybe

1136
00:42:45,109 --> 00:42:44,079
they heard the radios we had two way

1137
00:42:47,670 --> 00:42:45,119
radios and i

1138
00:42:48,870 --> 00:42:47,680

i told my other steve i said steve go go

1139

00:42:52,230 --> 00:42:48,880

go let's go

1140

00:42:55,510 --> 00:42:52,240

and we couldn't get out jeez

1141

00:42:57,670 --> 00:42:55,520

no did she ever

1142

00:42:58,790 --> 00:42:57,680

yeah that's one time in my life when i

1143

00:43:01,430 --> 00:42:58,800

was really

1144

00:43:02,710 --> 00:43:01,440

really not the only time but one time i

1145

00:43:06,150 --> 00:43:02,720

was really scared because i got

1146

00:43:07,190 --> 00:43:06,160

i thought where am i the first thing i

1147

00:43:10,390 --> 00:43:07,200

thought was they

1148

00:43:12,309 --> 00:43:10,400

they they did something to me oh

1149

00:43:14,069 --> 00:43:12,319

am i really in this place room they they

1150

00:43:15,270 --> 00:43:14,079

took me someplace else that's what i was

1151
00:43:16,550 --> 00:43:15,280
thinking at the time because i couldn't

1152
00:43:18,150 --> 00:43:16,560
get out this door

1153
00:43:19,589 --> 00:43:18,160
and it was dark in the room except for

1154
00:43:21,510 --> 00:43:19,599
the the light off the

1155
00:43:22,790 --> 00:43:21,520
the little screen i was looking and

1156
00:43:24,950 --> 00:43:22,800
they're they're

1157
00:43:27,190 --> 00:43:24,960
1980 or screens they're not something

1158
00:43:29,510 --> 00:43:27,200
like we would have today

1159
00:43:31,270 --> 00:43:29,520
and and that's what really scared me and

1160
00:43:32,150 --> 00:43:31,280
once steve the other guy the other agent

1161
00:43:34,150 --> 00:43:32,160
was there

1162
00:43:35,750 --> 00:43:34,160
this guy was i mean tough he was a he

1163
00:43:38,870 --> 00:43:35,760

was a vietnam veteran he was

1164

00:43:39,190 --> 00:43:38,880

uh special forces you know when i when

1165

00:43:42,870 --> 00:43:39,200

we

1166

00:43:43,510 --> 00:43:42,880

scared steve he said hell yeah i was

1167

00:43:46,069 --> 00:43:43,520

scared

1168

00:43:46,550 --> 00:43:46,079

wow what the hell how the hell do you do

1169

00:43:49,829 --> 00:43:46,560

this

1170

00:43:54,390 --> 00:43:49,839

door doesn't lock well

1171

00:43:57,829 --> 00:43:54,400

you think it was force field wow so

1172

00:44:00,550 --> 00:43:57,839

we're helplessly hopelessly kind of

1173

00:44:01,190 --> 00:44:00,560

unable to obtain i mean the fact that

1174

00:44:03,270 --> 00:44:01,200

you were able to

1175

00:44:04,790 --> 00:44:03,280

record it and of course i'm that's

1176

00:44:15,349 --> 00:44:04,800

suppressed information

1177

00:44:19,670 --> 00:44:16,470

is there anything else you want to cover

1178

00:44:21,750 --> 00:44:19,680

joe because i'm in shock right now

1179

00:44:23,349 --> 00:44:21,760

i'm talking to someone who was trying to

1180

00:44:25,349 --> 00:44:23,359

interrupt an abduction and it wouldn't

1181

00:44:27,109 --> 00:44:25,359

work

1182

00:44:29,349 --> 00:44:27,119

that's why nobody's been able to do

1183

00:44:32,790 --> 00:44:29,359

anything but they always say it's just

1184

00:44:34,870 --> 00:44:32,800

oh sleep paralysis but i think

1185

00:44:35,990 --> 00:44:34,880

there's more to it there is there is a

1186

00:44:37,430 --> 00:44:36,000

legitimate phenomenon

1187

00:44:39,030 --> 00:44:37,440

called sleep process that's happened to

1188

00:44:41,190 --> 00:44:39,040

me it's [h__\h] terrible

1189

00:44:43,030 --> 00:44:41,200

it happened to everybody yeah you wake

1190

00:44:45,990 --> 00:44:43,040

up consciously but not physically

1191

00:44:47,750 --> 00:44:46,000

it's terrifying i think for adduct

1192

00:44:50,950 --> 00:44:47,760

abduction i sound like that

1193

00:44:52,069 --> 00:44:50,960

i think for objection they probably also

1194

00:44:53,750 --> 00:44:52,079

they might even use that

1195

00:44:55,750 --> 00:44:53,760

mechanism that's already in us

1196

00:44:57,589 --> 00:44:55,760

biologically just you know they just

1197

00:44:58,790 --> 00:44:57,599

yeah

1198

00:45:00,790 --> 00:44:58,800

probably you know what i mean they may

1199

00:45:02,950 --> 00:45:00,800

not even need advanced technology

1200

00:45:04,069 --> 00:45:02,960

to be able to take us or take us

1201
00:45:06,309 --> 00:45:04,079
consciously

1202
00:45:07,589 --> 00:45:06,319
but not being able to move somewhere you

1203
00:45:09,030 --> 00:45:07,599
know like to their ship

1204
00:45:10,870 --> 00:45:09,040
because people go well there's no how'd

1205
00:45:11,990 --> 00:45:10,880
that work well we don't need technology

1206
00:45:13,510 --> 00:45:12,000
we already do it

1207
00:45:15,349 --> 00:45:13,520
they just have to turn on that chemical

1208
00:45:20,069 --> 00:45:15,359
or that whatever it is that

1209
00:45:25,990 --> 00:45:23,990
well there was some uh i can't go any

1210
00:45:27,670 --> 00:45:26,000
great details on it because it's it's

1211
00:45:31,510 --> 00:45:27,680
probably so classified

1212
00:45:34,870 --> 00:45:31,520
but uh the we've we've developed

1213
00:45:36,150 --> 00:45:34,880

methods uh by tapping into a human's

1214

00:45:38,230 --> 00:45:36,160

frequency

1215

00:45:39,750 --> 00:45:38,240

to make that human do things that they

1216

00:45:42,150 --> 00:45:39,760

would normally do

1217

00:45:42,950 --> 00:45:42,160

i mean i saw an experiment some years

1218

00:45:45,990 --> 00:45:42,960

ago

1219

00:45:49,109 --> 00:45:46,000

where a they tapped into the this

1220

00:45:50,630 --> 00:45:49,119

uh this person that was he was about he

1221

00:45:54,710 --> 00:45:50,640

was a volunteer

1222

00:45:57,270 --> 00:45:54,720

and um tapping and manipulating his

1223

00:45:58,309 --> 00:45:57,280

body frequency made him do things

1224

00:46:01,750 --> 00:45:58,319

standing up

1225

00:46:03,030 --> 00:46:01,760

turning around and he was awake

1226

00:46:05,349 --> 00:46:03,040

you could see this literally mind

1227

00:46:08,150 --> 00:46:05,359

control or

1228

00:46:09,910 --> 00:46:08,160

yeah mine and body control but when

1229

00:46:11,750 --> 00:46:09,920

afterwards when they showed him the film

1230

00:46:12,950 --> 00:46:11,760

or what he did he doesn't remember it

1231

00:46:14,870 --> 00:46:12,960

he said i was just sitting there i

1232

00:46:17,990 --> 00:46:14,880

didn't do those things

1233

00:46:20,550 --> 00:46:18,000

so somehow we can do that stuff

1234

00:46:23,109 --> 00:46:20,560

we could do that stuff 25 years ago

1235

00:46:24,870 --> 00:46:23,119

imagine what we could do now today

1236

00:46:27,349 --> 00:46:24,880

and did and then one of the other things

1237

00:46:30,630 --> 00:46:27,359

i mean this is really interesting

1238

00:46:33,990 --> 00:46:30,640

i was told by a sandia scientist

1239

00:46:35,990 --> 00:46:34,000

um and this was back in the 80s

1240

00:46:37,750 --> 00:46:36,000

i said you know we can do a lot of

1241

00:46:39,589 --> 00:46:37,760

things with a human body

1242

00:46:40,950 --> 00:46:39,599

right and he said yeah he's not a he's

1243

00:46:42,390 --> 00:46:40,960

not a medical doctor he's just a

1244

00:46:46,950 --> 00:46:42,400

scientist

1245

00:46:51,190 --> 00:46:46,960

he said we learned a lot from j-rod

1246

00:46:54,230 --> 00:46:51,200

so this tapping into frequencies

1247

00:46:57,109 --> 00:46:54,240

and manipulating the human body did we

1248

00:47:02,550 --> 00:46:57,119

develop these things or did the aliens

1249

00:47:02,560 --> 00:47:09,109

that's something to think about whoa

1250

00:47:09,119 --> 00:47:12,150

i'm thinking about it right now

1251
00:47:18,950 --> 00:47:16,470
that's terrifying it is oh my gosh

1252
00:47:20,790 --> 00:47:18,960
i just want to say something because um

1253
00:47:21,589 --> 00:47:20,800
i listened to words very carefully and i

1254
00:47:23,750 --> 00:47:21,599
listened to

1255
00:47:25,829 --> 00:47:23,760
trump talk and he's used words like

1256
00:47:29,349 --> 00:47:25,839
invisible enemy

1257
00:47:32,549 --> 00:47:29,359
uh ominous weapons and

1258
00:47:33,910 --> 00:47:32,559
uh and of course he's referring to the

1259
00:47:35,750 --> 00:47:33,920
virus when he talks about invisible

1260
00:47:39,190 --> 00:47:35,760
enemy i just think isn't that an inch

1261
00:47:42,150 --> 00:47:39,200
because i've seen the phenomena

1262
00:47:43,109 --> 00:47:42,160
or these crap be referred to as

1263
00:47:45,190 --> 00:47:43,119

invisible

1264

00:47:48,150 --> 00:47:45,200

enemy do you think that that he do is

1265

00:47:50,150 --> 00:47:48,160

that like a disclosure drip right there

1266

00:47:51,510 --> 00:47:50,160

could very well be because i've heard

1267

00:48:02,549 --> 00:47:51,520

that

1268

00:48:05,910 --> 00:48:02,559

has

1269

00:48:06,549 --> 00:48:05,920

publicized years ago this one woman who

1270

00:48:11,190 --> 00:48:06,559

said

1271

00:48:12,309 --> 00:48:11,200

that it's the yeah aliens are visible

1272

00:48:14,150 --> 00:48:12,319

well and something like i think it's

1273

00:48:16,309 --> 00:48:14,160

some of the some of the declassified

1274

00:48:18,309 --> 00:48:16,319

docs it's referred to that

1275

00:48:19,349 --> 00:48:18,319

as well and he and ominous weapons now

1276

00:48:22,630 --> 00:48:19,359

by the way

1277

00:48:24,950 --> 00:48:22,640

he said that during the protests

1278

00:48:25,910 --> 00:48:24,960

in front of the white house and come to

1279

00:48:27,030 --> 00:48:25,920

find out

1280

00:48:29,270 --> 00:48:27,040

those weapons that he was talking about

1281

00:48:32,630 --> 00:48:29,280

there were ominous were essentially

1282

00:48:34,309 --> 00:48:32,640

i believe microwave radiation sort of

1283

00:48:36,870 --> 00:48:34,319

technology that they would come out

1284

00:48:38,309 --> 00:48:36,880

and it makes your skin feel like it's on

1285

00:48:39,910 --> 00:48:38,319

fire

1286

00:48:43,030 --> 00:48:39,920

but they didn't deploy those weapons but

1287

00:48:45,829 --> 00:48:43,040

that was an option so i feel like

1288

00:48:47,190 --> 00:48:45,839

i mean and by the way uh just so

1289

00:48:49,430 --> 00:48:47,200

everybody listening i don't

1290

00:48:50,710 --> 00:48:49,440

i don't care what i'm just talking about

1291

00:48:54,309 --> 00:48:50,720

what happened i

1292

00:48:57,430 --> 00:48:54,319

i have unfortunately no emotions

1293

00:48:59,030 --> 00:48:57,440

so i'm just talking about what happened

1294

00:49:00,630 --> 00:48:59,040

i can vouch for that

1295

00:49:02,150 --> 00:49:00,640

it's not about trump or not about jump

1296

00:49:03,030 --> 00:49:02,160

or whatever it's just about this is what

1297

00:49:04,150 --> 00:49:03,040

happened because he's

1298

00:49:06,549 --> 00:49:04,160

because of those things i think of

1299

00:49:07,750 --> 00:49:06,559

ominous because i'm waiting for the ufo

1300

00:49:09,190 --> 00:49:07,760

disclosure that's what the hell i'm

1301
00:49:12,630 --> 00:49:09,200
waiting for like

1302
00:49:14,950 --> 00:49:12,640
could it happen this year do you think

1303
00:49:17,349 --> 00:49:14,960
is it possible is are things enough in

1304
00:49:18,470 --> 00:49:17,359
place that maybe we might get an october

1305
00:49:20,120 --> 00:49:18,480
surprise

1306
00:49:21,990 --> 00:49:20,130
of by the way

1307
00:49:24,069 --> 00:49:22,000
[Music]

1308
00:49:25,270 --> 00:49:24,079
very well right before the election i

1309
00:49:27,670 --> 00:49:25,280
think uh

1310
00:49:29,349 --> 00:49:27,680
i'm a political so you know i'm not i

1311
00:49:33,030 --> 00:49:29,359
don't favor anybody but

1312
00:49:35,030 --> 00:49:33,040
uh you know one way to to uh

1313
00:49:36,790 --> 00:49:35,040

if trump in fact and i don't follow the

1314

00:49:39,349 --> 00:49:36,800

polls but i hear that he's

1315

00:49:41,030 --> 00:49:39,359

behind in the poll one way that he could

1316

00:49:44,630 --> 00:49:41,040

probably boost up his

1317

00:49:47,829 --> 00:49:44,640

popularity is by some disclosure

1318

00:49:50,870 --> 00:49:47,839

oh yeah well he he could also deem

1319

00:49:54,390 --> 00:49:50,880

uh this information or these these

1320

00:49:56,790 --> 00:49:54,400

uh intruders as a threat and maybe even

1321

00:49:58,950 --> 00:49:56,800

potentially

1322

00:50:01,270 --> 00:49:58,960

you know uh motivate some sort of

1323

00:50:04,549 --> 00:50:01,280

engagement with them which would

1324

00:50:06,150 --> 00:50:04,559

only happen before something like that

1325

00:50:08,230 --> 00:50:06,160

i know grier has talked about it and i

1326

00:50:09,109 --> 00:50:08,240

got to tell you guys dr greer is i don't

1327

00:50:12,390 --> 00:50:09,119

know i feel he's

1328

00:50:13,349 --> 00:50:12,400

he's oh god this is that's a whole

1329

00:50:15,990 --> 00:50:13,359

episode

1330

00:50:17,589 --> 00:50:16,000

um he's not entirely nuts and i've said

1331

00:50:19,030 --> 00:50:17,599

this before he's just an [h__h] he's

1332

00:50:22,790 --> 00:50:19,040

not nuts oh yes there we go

1333

00:50:24,870 --> 00:50:22,800

um he years ago started pushing this

1334

00:50:26,870 --> 00:50:24,880

alien invasion hoax thing and i was like

1335

00:50:29,349 --> 00:50:26,880

this is stupid but then

1336

00:50:31,510 --> 00:50:29,359

when they start referring to

1337

00:50:34,230 --> 00:50:31,520

unidentified aerial threats

1338

00:50:35,510 --> 00:50:34,240

and then now we're going to you know

1339

00:50:38,309 --> 00:50:35,520

that could very well be

1340

00:50:40,790 --> 00:50:38,319

the next plot in the chart you know is

1341

00:50:43,829 --> 00:50:40,800

that we're going to interplanetary war

1342

00:50:46,630 --> 00:50:45,589

or and like i was asking nick pope it

1343

00:50:47,670 --> 00:50:46,640

maybe do you think it could be a

1344

00:50:50,790 --> 00:50:47,680

revelation of

1345

00:50:51,270 --> 00:50:50,800

well we found a germ on venus or you

1346

00:50:54,710 --> 00:50:51,280

know

1347

00:50:55,510 --> 00:50:54,720

a microbe uh i don't think anybody would

1348

00:50:56,870 --> 00:50:55,520

care

1349

00:51:00,150 --> 00:50:56,880

i think everybody heard of the venus

1350

00:51:05,109 --> 00:51:02,750

the venus germ there's germs on venus

1351
00:51:07,670 --> 00:51:05,119

[Laughter]

1352
00:51:08,870 --> 00:51:07,680

terrific i know them i know they're the

1353
00:51:11,109 --> 00:51:08,880

best germans if you know they probably

1354
00:51:13,670 --> 00:51:11,119

could maybe not be

1355
00:51:15,190 --> 00:51:13,680

pretty good pretty good ah joe's better

1356
00:51:17,270 --> 00:51:15,200

at than i am now thank you can we

1357
00:51:18,470 --> 00:51:17,280

cut just a minute i gotta let me take my

1358
00:51:19,430 --> 00:51:18,480

dog out of room where he'll start

1359
00:51:22,710 --> 00:51:19,440

barking

1360
00:51:24,069 --> 00:51:22,720

sure no problem yeah we'll talk about

1361
00:51:27,349 --> 00:51:24,079

you while you're gone

1362
00:51:30,309 --> 00:51:27,359

yeah what do you think about that story

1363
00:51:31,910 --> 00:51:30,319

i believe them that is what's gotten you

1364

00:51:34,630 --> 00:51:31,920

what's got in the background there

1365

00:51:35,430 --> 00:51:34,640

it's like a stack of books leave them

1366

00:51:38,150 --> 00:51:35,440

alone

1367

00:51:38,549 --> 00:51:38,160

is that tissue paper i think that's one

1368

00:51:41,270 --> 00:51:38,559

two

1369

00:51:42,870 --> 00:51:41,280

three boxes of tissue paper are you

1370

00:51:44,309 --> 00:51:42,880

really sitting there talking about rick

1371

00:51:46,630 --> 00:51:44,319

dodie's tissue paper

1372

00:51:50,790 --> 00:51:46,640

oh and a binder but you notice this

1373

00:51:55,030 --> 00:51:54,069

look at you is that jesus i can't see

1374

00:51:58,710 --> 00:51:55,040

what that picture is

1375

00:52:02,549 --> 00:51:58,720

no it's a praleon noid

1376

00:52:07,030 --> 00:52:02,559

what what are they called quack quad the

1377

00:52:09,109 --> 00:52:07,040

quadroids quadrinoids titanoids

1378

00:52:13,750 --> 00:52:09,119

quadronoids or something and it's an

1379

00:52:19,829 --> 00:52:18,390

you're an [h__h] you're an [h__h]

1380

00:52:21,270 --> 00:52:19,839

i think he got that lint from walmart

1381

00:52:23,270 --> 00:52:21,280

that looks like a walmart lamp leave him

1382

00:52:25,750 --> 00:52:23,280

the [h__h] along with it

1383

00:52:27,750 --> 00:52:25,760

that actually could be an amazon lamp

1384

00:52:29,750 --> 00:52:27,760

actually are you recording this

1385

00:52:31,190 --> 00:52:29,760

yes that's what makes it funny dumbass

1386

00:52:35,030 --> 00:52:31,200

sorry about that

1387

00:52:37,910 --> 00:52:35,040

no worries yes sir joe was just pointing

1388

00:52:43,349 --> 00:52:37,920

out that your clock's in military time

1389

00:52:46,549 --> 00:52:45,109

i always i always go by that i don't

1390

00:52:49,349 --> 00:52:46,559

know why i just

1391

00:52:50,710 --> 00:52:49,359

yay it's easy our dad's in the military

1392

00:52:53,109 --> 00:52:50,720

and he does

1393

00:52:54,309 --> 00:52:53,119

same thing stuff all the time except for

1394

00:52:55,910 --> 00:52:54,319

i got to tell you about my dad

1395

00:52:58,069 --> 00:52:55,920

who was on our who was on storming area

1396

00:52:59,430 --> 00:52:58,079

51 by the way

1397

00:53:01,510 --> 00:52:59,440

yeah apparently that was the best part

1398

00:53:03,589 --> 00:53:01,520

so there you go uh

1399

00:53:05,190 --> 00:53:03,599

he always would set the clocks 10

1400

00:53:06,549 --> 00:53:05,200

minutes ahead

1401
00:53:09,670 --> 00:53:06,559
so we never really knew what [h__h]

1402
00:53:12,790 --> 00:53:11,430
we're like oh we're late for school no

1403
00:53:15,990 --> 00:53:12,800
we're not early

1404
00:53:18,950 --> 00:53:16,000
damn it dad you strike again

1405
00:53:20,710 --> 00:53:18,960
i'm telling you military people we have

1406
00:53:22,870 --> 00:53:20,720
a lot of military uh

1407
00:53:24,309 --> 00:53:22,880
people in our family so we come from a

1408
00:53:28,230 --> 00:53:24,319
uh you know

1409
00:53:31,430 --> 00:53:28,240
a big group of um vets so uh

1410
00:53:33,750 --> 00:53:31,440
i think here's the thing joe

1411
00:53:34,470 --> 00:53:33,760
is pregnant and he's going to find out

1412
00:53:37,670 --> 00:53:34,480
if he's having

1413
00:53:39,190 --> 00:53:37,680

a boy or a girl or neither today so

1414

00:53:40,309 --> 00:53:39,200

we're going to find out we have to let

1415

00:53:41,190 --> 00:53:40,319

him go because he's got to go get

1416

00:53:42,950 --> 00:53:41,200

another yeah

1417

00:53:44,230 --> 00:53:42,960

sorry rick i gotta go we're gonna do an

1418

00:53:45,990 --> 00:53:44,240

ultrasound to find out

1419

00:53:48,790 --> 00:53:46,000

are you gonna put the jelly on your are

1420

00:53:51,109 --> 00:53:48,800

you gonna put the jelly on your tummy

1421

00:53:52,230 --> 00:53:51,119

okay hey hey rick it was great talking

1422

00:53:56,309 --> 00:53:52,240

to you

1423

00:53:59,109 --> 00:53:56,319

know

1424

00:54:00,549 --> 00:53:59,119

thank you emmett shut up can i talk to

1425

00:54:03,510 --> 00:54:00,559

rick please

1426

00:54:05,430 --> 00:54:03,520

jeez you don't shut up your lips just

1427

00:54:08,630 --> 00:54:05,440

pressure rick
