

PROBECAST

WITH THE UFO BROS

GUEST STARRING
@IRONSANCTUARY

SOCIAL MEDIA INFLUENCER

1
00:00:03,110 --> 00:00:02,070
i'm so glad that they put i want a four

2
00:00:04,470 --> 00:00:03,120
in a day with an alien

3
00:00:06,789 --> 00:00:04,480
what if she's like a squid or something

4
00:00:08,710 --> 00:00:06,799
i don't care i know i'm

5
00:00:09,990 --> 00:00:08,720
so happy that that's like because part

6
00:00:11,190 --> 00:00:10,000
of me was because we there was a couple

7
00:00:12,629 --> 00:00:11,200
other questions you guys asked and

8
00:00:15,910 --> 00:00:12,639
they're like okay whatever

9
00:00:17,109 --> 00:00:15,920
but like the fact that you guys put that

10
00:00:19,109 --> 00:00:17,119
or they put that

11
00:00:20,550 --> 00:00:19,119
in the tr and it was on your travel

12
00:00:23,029 --> 00:00:20,560
channel literally me

13
00:00:24,470 --> 00:00:23,039

full beard in a onesie saying i wanted

14

00:00:26,710 --> 00:00:24,480

to screw an alien

15

00:00:28,390 --> 00:00:26,720

um yeah i'm like that's that's amazing

16

00:00:31,640 --> 00:00:28,400

like that was like the coolest

17

00:00:40,950 --> 00:00:31,650

thing ever

18

00:00:44,709 --> 00:00:40,960

[Music]

19

00:00:47,029 --> 00:00:44,719

this guy is gone viral

20

00:00:47,750 --> 00:00:47,039

uh we interviewed him for our special on

21

00:00:50,630 --> 00:00:47,760

travel channel

22

00:00:51,510 --> 00:00:50,640

storming area 51. we were there he was

23

00:00:54,630 --> 00:00:51,520

there

24

00:00:56,549 --> 00:00:54,640

and um this guy's hilarious

25

00:00:57,990 --> 00:00:56,559

and i'm really glad about the way that

26

00:01:01,189 --> 00:00:58,000

you've like actually invested

27

00:01:02,229 --> 00:01:01,199

more time and doing more skits he has

28

00:01:04,630 --> 00:01:02,239

over 500

29

00:01:06,870 --> 00:01:04,640

000 followers on instagram and get this

30

00:01:10,070 --> 00:01:06,880

5.3 million followers on

31

00:01:12,310 --> 00:01:10,080

tick tock that's not

32

00:01:14,789 --> 00:01:12,320

and how many on youtube uh i have a

33

00:01:18,390 --> 00:01:14,799

hundred and sixteen thousand on youtube

34

00:01:21,670 --> 00:01:18,400

have you been man so it's been a while

35

00:01:25,749 --> 00:01:21,680

we're just getting out uh

36

00:01:29,830 --> 00:01:28,070

now online when you guys interviewed me

37

00:01:31,190 --> 00:01:29,840

i wasn't doing any sort of social media

38

00:01:34,149 --> 00:01:31,200

stuff

39

00:01:36,390 --> 00:01:34,159

last year uh yeah all of this kind of

40

00:01:39,990 --> 00:01:36,400

just started in like the last uh i guess

41

00:01:42,870 --> 00:01:40,000

so november of december of last year

42

00:01:43,910 --> 00:01:42,880

people just love you you uh what is the

43

00:01:46,950 --> 00:01:43,920

thing that you think they

44

00:01:48,149 --> 00:01:46,960

they um why do they subscribe what do

45

00:01:48,710 --> 00:01:48,159

they love about what you're doing the

46

00:01:51,030 --> 00:01:48,720

most

47

00:01:51,910 --> 00:01:51,040

uh i think part of it is that like i

48

00:01:53,910 --> 00:01:51,920

tend to

49

00:01:55,749 --> 00:01:53,920

test the boundaries in which a lot of

50

00:01:58,310 --> 00:01:55,759

people try to like

51
00:01:58,950 --> 00:01:58,320
you know conform to things the way they

52
00:02:01,749 --> 00:01:58,960
are

53
00:02:04,149 --> 00:02:01,759
uh like one thing that i mean the way i

54
00:02:06,069 --> 00:02:04,159
got my start was decorating my beard

55
00:02:08,469 --> 00:02:06,079
with christmas ornaments and glitter and

56
00:02:11,670 --> 00:02:08,479
stuff for christmas right

57
00:02:13,270 --> 00:02:11,680
and so uh that's kind of been my brand

58
00:02:16,390 --> 00:02:13,280
is to like take something

59
00:02:18,150 --> 00:02:16,400
and and take it to the limit that you i

60
00:02:19,830 --> 00:02:18,160
mean like past like what more

61
00:02:21,990 --> 00:02:19,840
most normal people would think would be

62
00:02:25,030 --> 00:02:22,000
the limit of uh

63
00:02:27,110 --> 00:02:25,040

of what's i guess socially acceptable or

64

00:02:30,390 --> 00:02:27,120

social like the social norm

65

00:02:33,270 --> 00:02:30,400

right um another thing uh was the

66

00:02:35,110 --> 00:02:33,280

like the five minute crafts the the

67

00:02:38,309 --> 00:02:35,120

clothing hacks

68

00:02:41,350 --> 00:02:38,319

excuse me and um what i ended up doing

69

00:02:44,630 --> 00:02:41,360

was taking all of those oh turn this uh

70

00:02:47,830 --> 00:02:44,640

turn this outfit into like a dress

71

00:02:49,430 --> 00:02:47,840

uh and i and i did those

72

00:02:51,270 --> 00:02:49,440

and you're expecting at the end of the

73

00:02:53,030 --> 00:02:51,280

video to see some woman

74

00:02:55,030 --> 00:02:53,040

you know trying that outfit out and it's

75

00:02:58,550 --> 00:02:55,040

me a 230 pound

76

00:03:00,309 --> 00:02:58,560

bearded hairy dude wearing these

77

00:03:01,670 --> 00:03:00,319

ridiculous outfits that like no one

78

00:03:03,910 --> 00:03:01,680

would ever in their life

79

00:03:04,710 --> 00:03:03,920

spend the time to make or use because

80

00:03:06,550 --> 00:03:04,720

they're just

81

00:03:08,949 --> 00:03:06,560

they're they're five-minute crafts

82

00:03:11,350 --> 00:03:08,959

they're not they're not a oh i'm gonna

83

00:03:12,550 --> 00:03:11,360

you know spend some time on this type of

84

00:03:15,030 --> 00:03:12,560

thing uh some of them

85

00:03:16,149 --> 00:03:15,040

took way longer than five minutes though

86

00:03:19,270 --> 00:03:16,159

i'll tell you by the way

87

00:03:20,309 --> 00:03:19,280

i'm five nine five nine two thirty i

88

00:03:23,589 --> 00:03:20,319

mean you're a big dude

89

00:03:25,190 --> 00:03:23,599

a lot of muscle yeah joe we need to do

90

00:03:29,430 --> 00:03:25,200

that

91

00:03:32,710 --> 00:03:29,440

what work out we need more muscle

92

00:03:35,350 --> 00:03:32,720

we're like i'm trying

93

00:03:36,070 --> 00:03:35,360

but my arm is like the size of my head

94

00:03:39,030 --> 00:03:36,080

yeah i can

95

00:03:39,830 --> 00:03:39,040

i can i can see that it's all about the

96

00:03:41,350 --> 00:03:39,840

angles though

97

00:03:42,470 --> 00:03:41,360

you out angle the camera you can make

98

00:03:45,430 --> 00:03:42,480

yourself a little bigger than you

99

00:03:48,789 --> 00:03:47,110

we don't want to look bigger than we are

100

00:03:51,830 --> 00:03:48,799

right now but at some points

101
00:03:54,470 --> 00:03:51,840
we will use that trick yes for sure

102
00:03:57,830 --> 00:03:54,480
but um we are honored to be the first

103
00:04:01,429 --> 00:04:00,070
yeah i think it's great yeah that was uh

104
00:04:04,470 --> 00:04:01,439
that was pretty cool to

105
00:04:16,229 --> 00:04:04,480
i did that um it was a while ago

106
00:04:19,830 --> 00:04:17,670
you know how i found out about it i

107
00:04:22,710 --> 00:04:19,840
found out about it i think last year

108
00:04:24,550 --> 00:04:22,720
my cousin is a huge fan of yours she

109
00:04:27,990 --> 00:04:24,560
follows all of your stuff

110
00:04:30,150 --> 00:04:28,000
and um she said it to me and she's like

111
00:04:31,590 --> 00:04:30,160
oh my god i love this guy he's one of my

112
00:04:34,950 --> 00:04:31,600
favorite people on tick tock

113
00:04:36,469 --> 00:04:34,960

and uh i was like whoa oh cool

114

00:04:37,830 --> 00:04:36,479

and that's kind of like at first you

115

00:04:38,390 --> 00:04:37,840

know took a look at it i was like that's

116

00:04:40,710 --> 00:04:38,400

awesome

117

00:04:42,230 --> 00:04:40,720

but then i kind of see i always follow

118

00:04:43,909 --> 00:04:42,240

you we're friends on facebook

119

00:04:45,350 --> 00:04:43,919

see what you're doing and i was like

120

00:04:47,909 --> 00:04:45,360

holy crap

121

00:04:49,670 --> 00:04:47,919

this guy has like dominated all these

122

00:04:50,310 --> 00:04:49,680

social media platforms and in such a

123

00:04:52,150 --> 00:04:50,320

great way

124

00:04:53,670 --> 00:04:52,160

it's you and your family i never

125

00:04:55,909 --> 00:04:53,680

expected any of it to happen

126

00:04:57,990 --> 00:04:55,919

i just started making videos right like

127

00:04:58,469 --> 00:04:58,000

so and that's kind of how it it happened

128

00:05:00,150 --> 00:04:58,479

like the

129

00:05:01,909 --> 00:05:00,160

did the beard decoration i did this

130

00:05:04,230 --> 00:05:01,919

whole thing about relationship tips

131

00:05:05,670 --> 00:05:04,240

and then i figured out uh i think

132

00:05:08,310 --> 00:05:05,680

garyvee had made a

133

00:05:11,029 --> 00:05:08,320

a video saying he's created a way to

134

00:05:12,950 --> 00:05:11,039

create consistent content 24 7.

135

00:05:15,749 --> 00:05:12,960

and the way he did that is he records

136

00:05:17,670 --> 00:05:15,759

and films absolutely everything

137

00:05:18,950 --> 00:05:17,680

everything is content and there are so

138

00:05:20,790 --> 00:05:18,960

many people that were like you should

139

00:05:22,550 --> 00:05:20,800

find a niche you should

140

00:05:23,990 --> 00:05:22,560

just do this or just do that and i was

141

00:05:26,629 --> 00:05:24,000

like but that gets boring

142

00:05:28,070 --> 00:05:26,639

you go to someone's page and you okay

143

00:05:29,110 --> 00:05:28,080

i'm going to this page because they're

144

00:05:32,550 --> 00:05:29,120

showing me

145

00:05:34,070 --> 00:05:32,560

how to cook meals or i'm going to this

146

00:05:35,430 --> 00:05:34,080

person's page because they do funny

147

00:05:36,950 --> 00:05:35,440

skits

148

00:05:38,469 --> 00:05:36,960

and then they reach a certain threshold

149

00:05:39,990 --> 00:05:38,479

and they still continue to

150

00:05:42,070 --> 00:05:40,000

to do well but they reach a threshold

151
00:05:43,270 --> 00:05:42,080
and not as many more people follow them

152
00:05:44,790 --> 00:05:43,280
or they don't have as many active

153
00:05:46,629 --> 00:05:44,800
viewers because they're not reaching out

154
00:05:49,350 --> 00:05:46,639
to an audience that they haven't

155
00:05:51,189 --> 00:05:49,360
seen or haven't been shown to before so

156
00:05:52,390 --> 00:05:51,199
i just took that same concept and i was

157
00:05:54,870 --> 00:05:52,400
like

158
00:05:56,390 --> 00:05:54,880
my whole life is content everything a

159
00:05:57,029 --> 00:05:56,400
story about me going to the grocery

160
00:05:58,950 --> 00:05:57,039
store

161
00:06:00,790 --> 00:05:58,960
or a video of me going to the grocery

162
00:06:01,270 --> 00:06:00,800
store to get snacks for my pregnant wife

163
00:06:04,070 --> 00:06:01,280

could go

164

00:06:05,430 --> 00:06:04,080

viral because for two reasons one i'm

165

00:06:06,870 --> 00:06:05,440

gonna do that anyway

166

00:06:09,110 --> 00:06:06,880

and people like seeing that kind of

167

00:06:11,909 --> 00:06:09,120

stuff and two because

168

00:06:13,830 --> 00:06:11,919

said my 75 female followers are going to

169

00:06:15,510 --> 00:06:13,840

tag their boyfriends or their husbands

170

00:06:17,830 --> 00:06:15,520

in this video and say if you're not like

171

00:06:19,510 --> 00:06:17,840

this when i'm pregnant i don't want it

172

00:06:21,110 --> 00:06:19,520

or if you're not like him when you have

173

00:06:22,950 --> 00:06:21,120

a kid i don't want it and that's where a

174

00:06:26,710 --> 00:06:22,960

lot of my content is like

175

00:06:28,790 --> 00:06:26,720

i i i appeal to a lot of females because

176

00:06:30,870 --> 00:06:28,800

of that fact because

177

00:06:32,550 --> 00:06:30,880

i did i was very very terrible in

178

00:06:34,790 --> 00:06:32,560

relationships before i got married

179

00:06:36,550 --> 00:06:34,800

to my wife uh before i met my wife and

180

00:06:38,309 --> 00:06:36,560

i'm not the best obviously but like i

181

00:06:40,390 --> 00:06:38,319

took that concept i was like okay

182

00:06:42,550 --> 00:06:40,400

here's all the bad wrong things i've

183

00:06:43,430 --> 00:06:42,560

done i'm gonna do the opposite with my

184

00:06:45,270 --> 00:06:43,440

wife

185

00:06:46,629 --> 00:06:45,280

and and i've been that way and i was

186

00:06:47,350 --> 00:06:46,639

like i'm just gonna start recording it

187

00:06:49,110 --> 00:06:47,360

i'm gonna start

188

00:06:50,710 --> 00:06:49,120

filming anything and everything and turn

189

00:06:51,990 --> 00:06:50,720

it into content and

190

00:06:54,150 --> 00:06:52,000

and then when you go to my page you're

191

00:06:56,070 --> 00:06:54,160

like okay one day he's going to post a

192

00:06:57,909 --> 00:06:56,080

video of you know him and his baby and

193

00:06:58,550 --> 00:06:57,919

the second this the next day he's going

194

00:07:00,309 --> 00:06:58,560

to be

195

00:07:01,909 --> 00:07:00,319

you know wearing a dress doing the whap

196

00:07:02,870 --> 00:07:01,919

dance and you just don't know what

197

00:07:03,990 --> 00:07:02,880

you're going to see

198

00:07:05,270 --> 00:07:04,000

and that's kind of what i didn't see

199

00:07:06,629 --> 00:07:05,280

that are you doing do you have the whap

200

00:07:08,230 --> 00:07:06,639

on there i got to see that one

201
00:07:09,510 --> 00:07:08,240
yeah it was a couple days before uh

202
00:07:10,790 --> 00:07:09,520
before we went into the hospital there

203
00:07:12,390 --> 00:07:10,800
was i did the whap dance and then i'm

204
00:07:14,790 --> 00:07:12,400
doing this whole series where

205
00:07:15,589 --> 00:07:14,800
there's remixes of songs and then it

206
00:07:17,110 --> 00:07:15,599
goes to

207
00:07:18,390 --> 00:07:17,120
uh megan the stallion's part where she's

208
00:07:20,309 --> 00:07:18,400
like double me swallow me drip down

209
00:07:22,390 --> 00:07:20,319
ahead of me so i'll go up to my wife

210
00:07:24,070 --> 00:07:22,400
with the beginning of like spongebob and

211
00:07:27,110 --> 00:07:24,080
then i'll just turn to the camera

212
00:07:28,950 --> 00:07:27,120
and do her part um and and that's and

213
00:07:32,309 --> 00:07:28,960

people seem to like that too

214

00:07:32,710 --> 00:07:32,319

so tick-tock is made for you it really

215

00:07:34,870 --> 00:07:32,720

is

216

00:07:36,469 --> 00:07:34,880

and that's like there's so many people

217

00:07:38,629 --> 00:07:36,479

that are like well my video didn't i'm

218

00:07:40,390 --> 00:07:38,639

like i don't not every video i post is a

219

00:07:41,830 --> 00:07:40,400

banger no not every video i post is

220

00:07:44,309 --> 00:07:41,840

going to go viral

221

00:07:46,070 --> 00:07:44,319

right and for a while i was like i want

222

00:07:47,990 --> 00:07:46,080

every video to go viral and that's when

223

00:07:50,790 --> 00:07:48,000

i was doing the diy videos

224

00:07:53,589 --> 00:07:50,800

um for i gained like two and a half

225

00:07:55,589 --> 00:07:53,599

million followers in a week

226

00:07:57,430 --> 00:07:55,599

because of those because every video of

227

00:08:00,629 --> 00:07:57,440

those that i posted was getting

228

00:08:01,909 --> 00:08:00,639

10 15 20 million views every day i would

229

00:08:03,749 --> 00:08:01,919

post it and it would be

230

00:08:05,029 --> 00:08:03,759

it would be at a million views in 45

231

00:08:06,309 --> 00:08:05,039

minutes and by the end of the day it was

232

00:08:07,589 --> 00:08:06,319

20 million views

233

00:08:09,510 --> 00:08:07,599

what's that like to like wake up to

234

00:08:11,670 --> 00:08:09,520

something like that

235

00:08:13,990 --> 00:08:11,680

it was scary it gave me a lot of anxiety

236

00:08:16,309 --> 00:08:14,000

because i went from like growing slowly

237

00:08:17,909 --> 00:08:16,319

and like steadily to immediately having

238

00:08:19,110 --> 00:08:17,919

two million more followers than i did

239

00:08:20,710 --> 00:08:19,120

before

240

00:08:22,629 --> 00:08:20,720

yeah it scared the crap out of me

241

00:08:24,629 --> 00:08:22,639

because then i was like oh crap

242

00:08:26,469 --> 00:08:24,639

i now have to appease these people as

243

00:08:27,990 --> 00:08:26,479

well as opposed to just the one the

244

00:08:30,230 --> 00:08:28,000

people that followed me

245

00:08:31,110 --> 00:08:30,240

um you have to turn your notifications

246

00:08:33,350 --> 00:08:31,120

off on everything

247

00:08:34,630 --> 00:08:33,360

my notifications are off on my instagram

248

00:08:36,230 --> 00:08:34,640

on my tick tock

249

00:08:38,149 --> 00:08:36,240

facebook because it would break your

250

00:08:40,949 --> 00:08:38,159

phone um

251
00:08:41,269 --> 00:08:40,959
it what it because when i posted one of

252
00:08:43,029 --> 00:08:41,279
them

253
00:08:44,710 --> 00:08:43,039
and then it did okay and then i posted

254
00:08:46,230 --> 00:08:44,720
another one and it was the most viral

255
00:08:48,630 --> 00:08:46,240
video i've ever posted

256
00:08:50,389 --> 00:08:48,640
and it has almost 30 million views i i

257
00:08:53,509 --> 00:08:50,399
was looking i was like this is insane

258
00:08:54,790 --> 00:08:53,519
this is nuts that this did well like

259
00:08:57,430 --> 00:08:54,800
that and

260
00:08:58,870 --> 00:08:57,440
you're like a national more views than

261
00:09:01,750 --> 00:08:58,880
like national tv shows

262
00:09:02,949 --> 00:09:01,760
right that's what's crazy right it's

263
00:09:04,630 --> 00:09:02,959

it's insane

264

00:09:06,389 --> 00:09:04,640

and then there's right there in your

265

00:09:08,550 --> 00:09:06,399

hands

266

00:09:09,910 --> 00:09:08,560

videos got posted everywhere too that's

267

00:09:13,190 --> 00:09:09,920

how you know the videos what

268

00:09:16,070 --> 00:09:13,200

good is really really good is because

269

00:09:18,389 --> 00:09:16,080

people outside of tiktok people on

270

00:09:22,070 --> 00:09:18,399

reddit people on ifunny people on

271

00:09:23,350 --> 00:09:22,080

uh on facebook uh we're seeing this

272

00:09:27,030 --> 00:09:23,360

video of me wearing

273

00:09:29,509 --> 00:09:27,040

it was a it was a a hoodie that i cut

274

00:09:31,509 --> 00:09:29,519

the bottom of it off and flipped it over

275

00:09:33,030 --> 00:09:31,519

and it ended up into a crop top hoodie

276

00:09:35,670 --> 00:09:33,040

with a skirt

277

00:09:36,070 --> 00:09:35,680

and in the video i just i just go i'm

278

00:09:37,590 --> 00:09:36,080

sorry

279

00:09:39,110 --> 00:09:37,600

and i start laughing because i'm looking

280

00:09:39,750 --> 00:09:39,120

at myself in the mirror wearing this

281

00:09:41,430 --> 00:09:39,760

thing and it just

282

00:09:42,949 --> 00:09:41,440

absolutely looks pretty i got a hairy

283

00:09:43,910 --> 00:09:42,959

stomach my belly button yeah but the

284

00:09:45,509 --> 00:09:43,920

muscles help

285

00:09:47,670 --> 00:09:45,519

the muscles itself the muscles and the

286

00:09:50,550 --> 00:09:47,680

touches and the tattoos

287

00:09:52,470 --> 00:09:50,560

it's it's really crazy what what ends up

288

00:09:54,150 --> 00:09:52,480

doing really well and what doesn't

289

00:09:55,509 --> 00:09:54,160

most of the time the videos that i put

290

00:09:57,829 --> 00:09:55,519

very little effort into

291

00:09:59,430 --> 00:09:57,839

not like zero effort but like just think

292

00:10:00,630 --> 00:09:59,440

of on the whim like oh my gosh this

293

00:10:02,550 --> 00:10:00,640

would be a funny video

294

00:10:03,670 --> 00:10:02,560

and then i post it and then it ends up

295

00:10:06,069 --> 00:10:03,680

doing really well and like i almost

296

00:10:11,269 --> 00:10:06,079

didn't even post it

297

00:10:12,870 --> 00:10:11,279

wow that's so so weird it's like

298

00:10:14,550 --> 00:10:12,880

in an instantaneous moment you can

299

00:10:18,069 --> 00:10:14,560

either have millions of views or not

300

00:10:20,790 --> 00:10:18,079

okay i want to do a tattoo competition

301
00:10:21,750 --> 00:10:20,800
right now i want to see out of the three

302
00:10:23,430 --> 00:10:21,760
of us

303
00:10:25,910 --> 00:10:23,440
because i have some very substantial

304
00:10:27,509 --> 00:10:25,920
tattoos but you guys show them

305
00:10:29,110 --> 00:10:27,519
and i want to see who's probably got

306
00:10:31,990 --> 00:10:29,120
like the best tattoos so

307
00:10:34,470 --> 00:10:32,000
i think what the [h__h] are you doing

308
00:10:36,550 --> 00:10:34,480
let's start with joe

309
00:10:38,630 --> 00:10:36,560
what do you want from me i got show us

310
00:10:40,069 --> 00:10:38,640
your freaking tattoos

311
00:10:42,150 --> 00:10:40,079
i'm not putting my legs i'll [h__h] you

312
00:10:45,269 --> 00:10:42,160
show us your legs

313
00:10:46,150 --> 00:10:45,279

i got spider-man and [h__h] show us your

314

00:10:48,550 --> 00:10:46,160

legs

315

00:10:50,069 --> 00:10:48,560

no bro those are some of your best ones

316

00:10:52,550 --> 00:10:50,079

are on your freaking calf

317

00:10:53,269 --> 00:10:52,560

uh i have tattoos everywhere so why do i

318

00:10:57,829 --> 00:10:53,279

see everyone

319

00:11:05,750 --> 00:11:02,069

oh whatever um my chest

320

00:11:05,760 --> 00:11:09,829

aren't they fun you see what that is

321

00:11:14,389 --> 00:11:13,350

that is freaking awesome yeah i got my

322

00:11:18,069 --> 00:11:14,399

calves done

323

00:11:21,269 --> 00:11:18,079

um what else i have oh joe

324

00:11:29,190 --> 00:11:24,310

did you stay on your butt yeah

325

00:11:32,230 --> 00:11:29,200

and then that

326

00:11:33,509 --> 00:11:32,240

nice my favorite is this one that i just

327

00:11:37,190 --> 00:11:33,519

got though because it looks like

328

00:11:39,590 --> 00:11:37,200

i like it oh yeah penguin and stuff

329

00:11:41,269 --> 00:11:39,600

it's okay so it's my turn i mean i'm i

330

00:11:43,350 --> 00:11:41,279

have substantial

331

00:11:45,430 --> 00:11:43,360

i have this it's just a paw that's all i

332

00:11:46,870 --> 00:11:45,440

got so i think uh sorry joe but kevin's

333

00:11:49,590 --> 00:11:46,880

winner here clearly

334

00:11:51,110 --> 00:11:49,600

uh thanks for [h__\h] up my set emmett

335

00:11:53,269 --> 00:11:51,120

my tattoo artist uh

336

00:11:55,030 --> 00:11:53,279

tapped out before i did and i just got

337

00:11:56,310 --> 00:11:55,040

this done the other day

338

00:11:58,069 --> 00:11:56,320

how do you deal with that i would be

339

00:12:00,470 --> 00:11:58,079

like it was like eight

340

00:12:01,910 --> 00:12:00,480

i think i sat for like eight hours for

341

00:12:03,670 --> 00:12:01,920

this because it's all the way

342

00:12:05,190 --> 00:12:03,680

it's you can see it's all the way on my

343

00:12:07,990 --> 00:12:05,200

back too

344

00:12:09,350 --> 00:12:08,000

oh [h__h] is that like electric like what

345

00:12:12,069 --> 00:12:09,360

can you describe what that is it's a

346

00:12:18,949 --> 00:12:12,079

tree so what it is it's a tree

347

00:12:25,590 --> 00:12:23,110

over at my nipple your zipple

348

00:12:29,670 --> 00:12:25,600

that's what it is oh cool digging that's

349

00:12:32,790 --> 00:12:31,590

that's so awesome i don't know how you

350

00:12:33,829 --> 00:12:32,800

could do that for eight hours that's

351

00:12:35,590 --> 00:12:33,839

freaking crazy

352

00:12:38,949 --> 00:12:35,600

that's actually when i got when i got

353

00:12:41,750 --> 00:12:38,959

this done um i sat for 11 hours

354

00:12:42,470 --> 00:12:41,760

so this would break son of a gun to have

355

00:12:45,670 --> 00:12:42,480

that

356

00:12:47,269 --> 00:12:45,680

but he's uh the next house

357

00:12:49,190 --> 00:12:47,279

yeah that one's that's not bad right

358

00:12:50,230 --> 00:12:49,200

there the next session that i'm doing

359

00:12:52,389 --> 00:12:50,240

he's gonna do

360

00:12:53,590 --> 00:12:52,399

the rest of the branches all up through

361

00:12:55,910 --> 00:12:53,600

my neck

362

00:12:57,110 --> 00:12:55,920

and then all through here and then

363

00:12:59,030 --> 00:12:57,120

there's going to be like clouds and

364

00:13:01,350 --> 00:12:59,040

stuff because so it's going to look like

365

00:13:03,030 --> 00:13:01,360

the trees going through the chest piece

366

00:13:05,110 --> 00:13:03,040

up towards like this one right here

367

00:13:06,389 --> 00:13:05,120

oh nice and then you don't even need to

368

00:13:10,069 --> 00:13:06,399

wear a shirt

369

00:13:13,030 --> 00:13:10,079

that's the plan that's a good plan

370

00:13:13,509 --> 00:13:13,040

yeah so i'll have i'll have from here

371

00:13:16,710 --> 00:13:13,519

done

372

00:13:19,030 --> 00:13:16,720

on the 29th uh of october sweet

373

00:13:19,990 --> 00:13:19,040

and then in november he's gonna start

374

00:13:22,790 --> 00:13:20,000

this sleeve and then my

375

00:13:23,509 --> 00:13:22,800

back piece begins in january so you're

376

00:13:26,230 --> 00:13:23,519

getting

377

00:13:27,990 --> 00:13:26,240

uh full crazy yeah i'm gonna have full

378

00:13:30,310 --> 00:13:28,000

sleeves for i want to get my whole body

379

00:13:32,550 --> 00:13:30,320

tattooed mostly

380

00:13:33,509 --> 00:13:32,560

so yeah except my face i was thinking

381

00:13:35,590 --> 00:13:33,519

about maybe

382

00:13:37,990 --> 00:13:35,600

maybe doing something up here but i'm

383

00:13:40,310 --> 00:13:38,000

not sure i want to solidify my social

384

00:13:41,910 --> 00:13:40,320

media career first so that way

385

00:13:43,509 --> 00:13:41,920

in case something happens i don't have

386

00:13:44,230 --> 00:13:43,519

to like go back to work with a face

387

00:13:47,670 --> 00:13:44,240

tattoo

388

00:13:49,990 --> 00:13:47,680

more widely

389

00:13:51,030 --> 00:13:50,000

it's a good idea but that's what i would

390

00:13:52,710 --> 00:13:51,040

do

391

00:13:54,230 --> 00:13:52,720

let's talk about aliens and [h__h] real

392

00:13:57,269 --> 00:13:54,240

quick right you know this is fun

393

00:13:59,430 --> 00:13:57,279

real quick real quick yeah right i know

394

00:14:01,590 --> 00:13:59,440

you go for hours why'd you go to what

395

00:14:03,430 --> 00:14:01,600

what what took you to area

396

00:14:05,430 --> 00:14:03,440

it wasn't just the cloud alien cheeks i

397

00:14:06,389 --> 00:14:05,440

know it wasn't just a clap alien cheeks

398

00:14:09,350 --> 00:14:06,399

okay so what ha

399

00:14:09,910 --> 00:14:09,360

so much like um much like how i am on

400

00:14:12,949 --> 00:14:09,920

like the

401
00:14:14,550 --> 00:14:12,959
the tick tock and everything um if

402
00:14:16,069 --> 00:14:14,560
something crazy is happening i want to

403
00:14:18,710 --> 00:14:16,079
be a part of it uh

404
00:14:19,750 --> 00:14:18,720
all the time and the storm area 51 event

405
00:14:21,350 --> 00:14:19,760
i was like we

406
00:14:23,030 --> 00:14:21,360
i was my i was doing construction

407
00:14:24,710 --> 00:14:23,040
full-time last year

408
00:14:26,470 --> 00:14:24,720
and uh we were doing really well and i

409
00:14:27,670 --> 00:14:26,480
was like well screw it i mean we have

410
00:14:29,350 --> 00:14:27,680
some money why don't we just go ahead

411
00:14:30,629 --> 00:14:29,360
and go because my buddy had posted on

412
00:14:32,069 --> 00:14:30,639
facebook

413
00:14:33,189 --> 00:14:32,079

because his birthday was yesterday one

414

00:14:33,990 --> 00:14:33,199

of the guys that was there with me the

415

00:14:35,750 --> 00:14:34,000

one who

416

00:14:38,150 --> 00:14:35,760

had a really hard time talking during

417

00:14:40,629 --> 00:14:38,160

the interview um

418

00:14:41,350 --> 00:14:40,639

he was there when uh he had posted on

419

00:14:43,750 --> 00:14:41,360

facebook

420

00:14:45,910 --> 00:14:43,760

jokingly about wanting to go because the

421

00:14:49,350 --> 00:14:45,920

day of the event was his birthday

422

00:14:51,670 --> 00:14:49,360

and uh and i was like yo it's tickets to

423

00:14:53,350 --> 00:14:51,680

vegas or like 120 bucks like why don't

424

00:14:54,550 --> 00:14:53,360

we just go ahead and do that

425

00:14:55,990 --> 00:14:54,560

and he thought i was joking i was like

426

00:14:57,670 --> 00:14:56,000

no i'm dead serious like i will pay for

427

00:14:59,350 --> 00:14:57,680

the tickets right now like i will set

428

00:15:00,310 --> 00:14:59,360

everything up get an airbnb we'll have

429

00:15:03,269 --> 00:15:00,320

the whole thing set up

430

00:15:03,670 --> 00:15:03,279

right now and uh and he's like he's like

431

00:15:06,710 --> 00:15:03,680

all right

432

00:15:08,629 --> 00:15:06,720

screw it let's go and so um so we did we

433

00:15:09,829 --> 00:15:08,639

just we bought the tickets and we stayed

434

00:15:11,590 --> 00:15:09,839

in vegas for i think it was like three

435

00:15:13,910 --> 00:15:11,600

days three or four days

436

00:15:15,030 --> 00:15:13,920

and went out there and uh i mean we

437

00:15:15,750 --> 00:15:15,040

wanted to see what the whole thing was

438

00:15:17,910 --> 00:15:15,760

about and then

439

00:15:20,470 --> 00:15:17,920

obviously like we were the onesies and

440

00:15:21,990 --> 00:15:20,480

stuff and like

441

00:15:23,590 --> 00:15:22,000

like that's that's like kind of how we

442

00:15:25,030 --> 00:15:23,600

are like when it comes to a lot of

443

00:15:26,790 --> 00:15:25,040

things like we do that

444

00:15:28,870 --> 00:15:26,800

going to like music festivals like

445

00:15:31,350 --> 00:15:28,880

watershed and um

446

00:15:33,430 --> 00:15:31,360

even just going random places we'll just

447

00:15:35,590 --> 00:15:33,440

just go all out i like being the center

448

00:15:39,030 --> 00:15:35,600

of attention and that was like a one

449

00:15:40,949 --> 00:15:39,040

place that i look at me

450

00:15:42,230 --> 00:15:40,959

going somewhere because not a whole lot

451
00:15:43,749 --> 00:15:42,240
of people went because of the whole

452
00:15:45,269 --> 00:15:43,759
thing that happened with maddie roberts

453
00:15:47,990 --> 00:15:45,279
and like the music festival so

454
00:15:48,710 --> 00:15:48,000
right everyone's like oh it was up but

455
00:15:51,189 --> 00:15:48,720
it was still

456
00:15:52,230 --> 00:15:51,199
an event like it was a it was a once i

457
00:15:55,030 --> 00:15:52,240
mean right

458
00:15:56,710 --> 00:15:55,040
probably once in a lifetime event true

459
00:15:59,990 --> 00:15:56,720
absolutely

460
00:16:04,189 --> 00:16:00,000
how old are you by the way i'm 27.

461
00:16:09,430 --> 00:16:04,199
oh how do you think we are

462
00:16:15,269 --> 00:16:09,440
32. i'm 37

463
00:16:18,629 --> 00:16:17,509

man i think it's awesome that at 28

464

00:16:19,990 --> 00:16:18,639

you're like

465

00:16:22,629 --> 00:16:20,000

still being able to do all kinds of

466

00:16:24,470 --> 00:16:22,639

awesome stuff

467

00:16:25,749 --> 00:16:24,480

and you just started there you got your

468

00:16:27,110 --> 00:16:25,759

baby and

469

00:16:28,710 --> 00:16:27,120

you know you're able to kind of like

470

00:16:30,310 --> 00:16:28,720

grow that in with your life and kind of

471

00:16:33,110 --> 00:16:30,320

phase in

472

00:16:33,910 --> 00:16:33,120

oh well you're awake hi parrot yeah it's

473

00:16:35,590 --> 00:16:33,920

it's great you're

474

00:16:37,189 --> 00:16:35,600

you're 27 you're starting this out

475

00:16:38,230 --> 00:16:37,199

already exploding out and

476
00:16:40,710 --> 00:16:38,240
you know you're just going to keep

477
00:16:41,269 --> 00:16:40,720
climbing from there you know thankfully

478
00:16:42,949 --> 00:16:41,279
we were

479
00:16:44,550 --> 00:16:42,959
kind of not sure what was going to

480
00:16:45,670 --> 00:16:44,560
happen in the last couple days with the

481
00:16:49,030 --> 00:16:45,680
whole thing with

482
00:16:51,590 --> 00:16:49,040
trump and tick-tock but it looks like

483
00:16:52,389 --> 00:16:51,600
looks like we're in the clear um i bet

484
00:16:55,590 --> 00:16:52,399
and i wouldn't be

485
00:16:56,790 --> 00:16:55,600
like 100 worried about it um i mean the

486
00:16:59,030 --> 00:16:56,800
majority of the

487
00:17:00,710 --> 00:16:59,040
uh the brand deals and like i guess the

488
00:17:02,310 --> 00:17:00,720

income that i make from it

489

00:17:04,309 --> 00:17:02,320

is from tick tock because that's where i

490

00:17:05,669 --> 00:17:04,319

have the most followers but

491

00:17:07,990 --> 00:17:05,679

i mean i would have been we would have

492

00:17:09,990 --> 00:17:08,000

been okay if you lost that

493

00:17:11,270 --> 00:17:10,000

yeah if you lost that platform you would

494

00:17:12,630 --> 00:17:11,280

just all those followers would go to the

495

00:17:14,069 --> 00:17:12,640

other platform you're on and just follow

496

00:17:15,829 --> 00:17:14,079

you there anyway so

497

00:17:18,030 --> 00:17:15,839

yeah i mean i thought there's always a

498

00:17:19,270 --> 00:17:18,040

buying thing remember vine

499

00:17:21,590 --> 00:17:19,280

[Music]

500

00:17:23,029 --> 00:17:21,600

that just [h__h] disappeared it was like

501
00:17:25,669 --> 00:17:23,039
the biggest reason for that

502
00:17:26,789 --> 00:17:25,679
is because uh twitter bought vine

503
00:17:29,029 --> 00:17:26,799
obviously

504
00:17:30,470 --> 00:17:29,039
and twitter doesn't know how to do

505
00:17:32,789 --> 00:17:30,480
anything other than twitter

506
00:17:34,310 --> 00:17:32,799
um but yeah they were they weren't

507
00:17:36,549 --> 00:17:34,320
paying creators

508
00:17:38,950 --> 00:17:36,559
um and creators were only making money

509
00:17:40,549 --> 00:17:38,960
from doing like the app downloads and

510
00:17:42,630 --> 00:17:40,559
like flappy bird and all that kind of

511
00:17:45,510 --> 00:17:42,640
stuff but uh

512
00:17:47,350 --> 00:17:45,520
the top people on vine the top creators

513
00:17:48,789 --> 00:17:47,360

on vine that were bringing fine millions

514

00:17:51,430 --> 00:17:48,799

and millions of dollars

515

00:17:51,990 --> 00:17:51,440

were like okay we're done and then they

516

00:17:54,070 --> 00:17:52,000

left

517

00:17:55,510 --> 00:17:54,080

and no one not as many people were

518

00:17:57,669 --> 00:17:55,520

watching anymore because those creators

519

00:18:00,789 --> 00:17:57,679

won't post weren't posting anymore

520

00:18:04,150 --> 00:18:00,799

but tick tock i think i think on on a

521

00:18:07,590 --> 00:18:04,160

on a tick tock is is so much

522

00:18:10,070 --> 00:18:07,600

larger than vine ever was yeah

523

00:18:12,549 --> 00:18:10,080

and the cool thing is like you can do

524

00:18:15,029 --> 00:18:12,559

vine style videos on tik tok as well

525

00:18:17,270 --> 00:18:15,039

and then also is now starting to pay

526

00:18:19,750 --> 00:18:17,280

creators for views

527

00:18:21,110 --> 00:18:19,760

so you're not um you're not in the same

528

00:18:23,510 --> 00:18:21,120

position that you were

529

00:18:24,390 --> 00:18:23,520

when it when it came to vine the money's

530

00:18:27,110 --> 00:18:24,400

not as good

531

00:18:28,549 --> 00:18:27,120

in terms of like i mean i don't know i

532

00:18:31,190 --> 00:18:28,559

would say the money on vine was

533

00:18:32,390 --> 00:18:31,200

astronomical when it was when it was in

534

00:18:34,789 --> 00:18:32,400

its prime

535

00:18:35,510 --> 00:18:34,799

um because i mean you're talking people

536

00:18:36,950 --> 00:18:35,520

downloading because

537

00:18:38,630 --> 00:18:36,960

you have you ever downloaded the when

538

00:18:39,350 --> 00:18:38,640

you vine was a thing did you download

539

00:18:43,270 --> 00:18:39,360

the games that

540

00:18:45,110 --> 00:18:43,280

which were showing sometimes no

541

00:18:46,950 --> 00:18:45,120

i don't remember so i don't remember

542

00:18:49,350 --> 00:18:46,960

they had like the super addicting games

543

00:18:52,630 --> 00:18:49,360

like flappy bird the super simple

544

00:18:55,909 --> 00:18:52,640

games yeah um and you they

545

00:18:56,870 --> 00:18:55,919

the creators were getting paid like 50

546

00:19:00,630 --> 00:18:56,880

60 cents

547

00:19:04,070 --> 00:19:00,640

a download and if you have if you wow

548

00:19:06,789 --> 00:19:04,080

you're talking like you know

549

00:19:07,830 --> 00:19:06,799

tens of thousands of dollars a day that

550

00:19:11,430 --> 00:19:07,840

people were making

551
00:19:14,630 --> 00:19:11,440
just from doing app downloads and stuff

552
00:19:18,710 --> 00:19:14,640
so you go to area 51 it's a huge event

553
00:19:20,310 --> 00:19:18,720
did you get anything out of it um

554
00:19:21,750 --> 00:19:20,320
i mean it's pretty dope showing people

555
00:19:23,190 --> 00:19:21,760
the clip of me being interviewed on the

556
00:19:27,669 --> 00:19:23,200
travel channel saying that i wanted to

557
00:19:31,990 --> 00:19:30,549
i'm so glad that i said too because in

558
00:19:32,870 --> 00:19:32,000
my head when you were asking that

559
00:19:36,310 --> 00:19:32,880
question

560
00:19:37,830 --> 00:19:36,320
i was gonna say [h__h] and and i was like

561
00:19:39,590 --> 00:19:37,840
they're not gonna they're not gonna post

562
00:19:41,270 --> 00:19:39,600
they're not gonna show that if

563
00:19:42,789 --> 00:19:41,280

if it's if i say that so i said

564

00:19:45,830 --> 00:19:42,799

fornicate and

565

00:19:47,270 --> 00:19:45,840

uh it's funny because um every now and

566

00:19:48,950 --> 00:19:47,280

again someone will like

567

00:19:50,230 --> 00:19:48,960

before i posted about it saying like

568

00:19:52,070 --> 00:19:50,240

yeah i was there because not a lot of

569

00:19:52,390 --> 00:19:52,080

people saw the main video that i posted

570

00:19:54,470 --> 00:19:52,400

like

571

00:19:55,990 --> 00:19:54,480

when it happened but people would be

572

00:19:57,350 --> 00:19:56,000

like were you that you look a lot like

573

00:19:58,710 --> 00:19:57,360

the guy that got interviewed on the

574

00:20:02,149 --> 00:19:58,720

travel channel so that you wanted to

575

00:20:04,549 --> 00:20:02,159

fornicate with an alien i'm like ah crap

576

00:20:05,750 --> 00:20:04,559

um it was a super cool experience i mean

577

00:20:07,029 --> 00:20:05,760

like the people that we went with

578

00:20:08,630 --> 00:20:07,039

they're our best friends i mean they

579

00:20:11,190 --> 00:20:08,640

just had their baby in january

580

00:20:12,310 --> 00:20:11,200

and she was pregnant my my buddy's wife

581

00:20:16,710 --> 00:20:12,320

was pregnant

582

00:20:18,230 --> 00:20:16,720

when we went down there um so i mean

583

00:20:19,909 --> 00:20:18,240

i would say just the experience in

584

00:20:21,909 --> 00:20:19,919

general is what i got from it it was one

585

00:20:25,590 --> 00:20:21,919

of the coolest things that we had done

586

00:20:27,350 --> 00:20:25,600

um last year and uh

587

00:20:28,789 --> 00:20:27,360

the fact that you know obviously we kind

588

00:20:29,190 --> 00:20:28,799

of bought the travel channel for it

589

00:20:32,070 --> 00:20:29,200

ended up

590

00:20:33,830 --> 00:20:32,080

being pretty cool yeah that's uh i just

591

00:20:34,950 --> 00:20:33,840

wish that me and emmett got to enjoy it

592

00:20:37,990 --> 00:20:34,960

more we got there

593

00:20:38,950 --> 00:20:38,000

in film film film film film go go go and

594

00:20:41,750 --> 00:20:38,960

we were like yeah

595

00:20:42,950 --> 00:20:41,760

in and out we get a chance to see here

596

00:20:44,390 --> 00:20:42,960

talk to anybody hardly

597

00:20:45,990 --> 00:20:44,400

actually i think we experienced it

598

00:20:48,549 --> 00:20:46,000

better than anybody could because we got

599

00:20:50,230 --> 00:20:48,559

to get in places and talk to people

600

00:20:52,630 --> 00:20:50,240

but yeah we didn't get a chance to go

601
00:20:54,870 --> 00:20:52,640
out and see the people yeah

602
00:20:55,990 --> 00:20:54,880
yeah we need to go out and you know i

603
00:20:58,149 --> 00:20:56,000
wish we could have got to

604
00:21:00,149 --> 00:20:58,159
the gates that's the only regret i have

605
00:21:02,549 --> 00:21:00,159
is the gates on that night

606
00:21:03,430 --> 00:21:02,559
oh on the mate on the first on the night

607
00:21:05,190 --> 00:21:03,440
yeah

608
00:21:06,710 --> 00:21:05,200
basically the i was trying to get the

609
00:21:08,710 --> 00:21:06,720
crew to go but everybody was just

610
00:21:10,149 --> 00:21:08,720
absolutely worn out because the crew too

611
00:21:11,909 --> 00:21:10,159
they were like

612
00:21:13,669 --> 00:21:11,919
going and going and then you know they

613
00:21:15,830 --> 00:21:13,679

get there before us

614

00:21:18,230 --> 00:21:15,840

it's like they are the real people that

615

00:21:21,350 --> 00:21:18,240

like you know yeah

616

00:21:22,470 --> 00:21:21,360

oh yeah oh yeah it's a i i never

617

00:21:24,870 --> 00:21:22,480

realized it

618

00:21:26,549 --> 00:21:24,880

because when you're when i have because

619

00:21:28,789 --> 00:21:26,559

like when i do like youtube videos and

620

00:21:32,390 --> 00:21:28,799

stuff like i'll film a lot of it but

621

00:21:34,470 --> 00:21:32,400

it's so much work to be

622

00:21:36,070 --> 00:21:34,480

the cinematographer when it comes to

623

00:21:37,669 --> 00:21:36,080

anything because you're in charge of

624

00:21:39,110 --> 00:21:37,679

making sure the shots look right

625

00:21:41,590 --> 00:21:39,120

if it doesn't look right you have to

626
00:21:43,110 --> 00:21:41,600
redo things

627
00:21:44,870 --> 00:21:43,120
and you have to think because like when

628
00:21:46,070 --> 00:21:44,880
you're just like in front of the camera

629
00:21:47,830 --> 00:21:46,080
you can just

630
00:21:49,270 --> 00:21:47,840
like you guys probably were pretty good

631
00:21:51,669 --> 00:21:49,280
at like improv you just

632
00:21:52,630 --> 00:21:51,679
you just do you just beat you and you

633
00:21:54,789 --> 00:21:52,640
talk and then

634
00:21:56,549 --> 00:21:54,799
you know things kind of just happen but

635
00:21:57,750 --> 00:21:56,559
i would like to add to that

636
00:21:59,750 --> 00:21:57,760
yeah i'm sorry i didn't mean to

637
00:22:02,310 --> 00:21:59,760
interrupt you no

638
00:22:03,430 --> 00:22:02,320

um me and emma's performance doing that

639

00:22:05,909 --> 00:22:03,440

it was actually

640

00:22:07,350 --> 00:22:05,919

toned down a lot they didn't want us to

641

00:22:11,029 --> 00:22:07,360

actually

642

00:22:12,870 --> 00:22:11,039

end product yeah we tried our best to

643

00:22:14,549 --> 00:22:12,880

keep it within the limits but we i was

644

00:22:16,230 --> 00:22:14,559

like i could have went with that you

645

00:22:18,470 --> 00:22:16,240

know but i couldn't

646

00:22:19,750 --> 00:22:18,480

keep it down keep that down i thought

647

00:22:21,990 --> 00:22:19,760

they did a great job of actually

648

00:22:24,230 --> 00:22:22,000

portraying how silly you were

649

00:22:26,390 --> 00:22:24,240

yeah i know but everybody says even even

650

00:22:29,669 --> 00:22:26,400

on the podcast saying oh yeah you were

651

00:22:34,950 --> 00:22:29,679

joe though joe and i'm like i know

652

00:22:38,070 --> 00:22:36,310

no i get what you're saying when it

653

00:22:40,230 --> 00:22:38,080

comes to that though because like

654

00:22:41,990 --> 00:22:40,240

you go and do when you go and do things

655

00:22:45,510 --> 00:22:42,000

just to do them

656

00:22:48,789 --> 00:22:45,520

they're a lot more fun than when you're

657

00:22:49,510 --> 00:22:48,799

when you're thinking about having to

658

00:22:51,510 --> 00:22:49,520

film it

659

00:22:52,870 --> 00:22:51,520

or having to put on not necessarily put

660

00:22:54,630 --> 00:22:52,880

on a performance

661

00:22:55,990 --> 00:22:54,640

because i mean when it comes to certain

662

00:22:57,909 --> 00:22:56,000

things you can just kind of like like

663

00:23:00,789 --> 00:22:57,919

you were saying you had to tone it down

664

00:23:02,149 --> 00:23:00,799

which is some some you have to take some

665

00:23:04,950 --> 00:23:02,159

amount of effort

666

00:23:06,390 --> 00:23:04,960

but you have to have a stage presence

667

00:23:08,470 --> 00:23:06,400

especially when you're on camera

668

00:23:10,070 --> 00:23:08,480

you can't just you have to like remember

669

00:23:12,950 --> 00:23:10,080

that you're on camera and like

670

00:23:14,390 --> 00:23:12,960

do things in that way but yeah it takes

671

00:23:15,909 --> 00:23:14,400

it takes away from the experience a

672

00:23:18,870 --> 00:23:15,919

little bit

673

00:23:21,029 --> 00:23:18,880

i think too we were we filmed so much

674

00:23:23,270 --> 00:23:21,039

and joe and i are always on

675

00:23:24,630 --> 00:23:23,280

and they had so much to pick from the

676

00:23:26,549 --> 00:23:24,640

other thing too is

677

00:23:27,990 --> 00:23:26,559

as we were actually shooting and

678

00:23:29,590 --> 00:23:28,000

traveling they were editing at the same

679

00:23:31,190 --> 00:23:29,600

i mean like simultaneously they had like

680

00:23:33,029 --> 00:23:31,200

a whole room of editors they were trying

681

00:23:35,909 --> 00:23:33,039

to get it all together and

682

00:23:36,310 --> 00:23:35,919

they took the cards off yeah it was

683

00:23:38,789 --> 00:23:36,320

quick

684

00:23:40,630 --> 00:23:38,799

it was great it was fun uh we're i can't

685

00:23:41,190 --> 00:23:40,640

wait to do more as soon as this crap

686

00:23:43,750 --> 00:23:41,200

stops

687

00:23:44,870 --> 00:23:43,760

yeah yeah it's awful what do you think

688

00:23:46,230 --> 00:23:44,880

about down the

689

00:23:48,390 --> 00:23:46,240

any recent ufo news have you been

690

00:23:51,510 --> 00:23:48,400

keeping up with any of that stuff any

691

00:23:52,149 --> 00:23:51,520

uh what like any of the recent ufo news

692

00:23:53,750 --> 00:23:52,159

like

693

00:23:55,750 --> 00:23:53,760

there was that what was it that one in

694

00:23:59,029 --> 00:23:55,760

mexico right that just happened

695

00:24:00,710 --> 00:23:59,039

was it mexico the the

696

00:24:02,230 --> 00:24:00,720

lights that people were seeing just like

697

00:24:05,190 --> 00:24:02,240

a week or so ago right

698

00:24:05,909 --> 00:24:05,200

new jersey yeah and then that cia

699

00:24:08,070 --> 00:24:05,919

footage

700

00:24:09,669 --> 00:24:08,080

that came out they didn't call it a ufo

701
00:24:11,269 --> 00:24:09,679
they called it whatever

702
00:24:14,070 --> 00:24:11,279
um but yeah i've been following a little

703
00:24:15,909 --> 00:24:14,080
bit uh i've been following a little bit

704
00:24:17,590 --> 00:24:15,919
i still believe the same that i did back

705
00:24:17,990 --> 00:24:17,600
then like it's ignorant to think that

706
00:24:19,990 --> 00:24:18,000
we're the

707
00:24:21,350 --> 00:24:20,000
only ones that are out here and they're

708
00:24:23,350 --> 00:24:21,360
talking about like they just found what

709
00:24:25,269 --> 00:24:23,360
was it a resemblance of life on

710
00:24:26,789 --> 00:24:25,279
on jupiter the rings of jupiter or

711
00:24:30,390 --> 00:24:26,799
something like that venus

712
00:24:32,630 --> 00:24:30,400
or venus yeah yeah they found the

713
00:24:33,430 --> 00:24:32,640

signs of life and venus and there's no

714

00:24:36,549 --> 00:24:33,440

other i guess

715

00:24:38,230 --> 00:24:36,559

scientific explanation as to why um

716

00:24:40,390 --> 00:24:38,240

phosphine would be in the clouds of

717

00:24:43,110 --> 00:24:40,400

venus other than a byproduct of life

718

00:24:44,390 --> 00:24:43,120

it's a pretty amazing sort of revelation

719

00:24:49,029 --> 00:24:44,400

i think

720

00:24:50,549 --> 00:24:49,039

the first thing is they're going to say

721

00:24:53,510 --> 00:24:50,559

oh we have biological life

722

00:24:54,230 --> 00:24:53,520

or sorry uh you know microbes microbial

723

00:24:57,269 --> 00:24:54,240

life

724

00:24:58,149 --> 00:24:57,279

and then uh which is like kind of what

725

00:25:00,549 --> 00:24:58,159

they're doing now

726

00:25:02,230 --> 00:25:00,559

it's signs we're having signs of life

727

00:25:03,990 --> 00:25:02,240

signs of life signs of life and

728

00:25:06,070 --> 00:25:04,000

at some point i really do think that

729

00:25:08,149 --> 00:25:06,080

they're just going to say we found life

730

00:25:09,430 --> 00:25:08,159

yeah i think they already know i just

731

00:25:11,909 --> 00:25:09,440

think they're trying to

732

00:25:14,070 --> 00:25:11,919

i think they do too because like here's

733

00:25:14,710 --> 00:25:14,080

here i was just watching something i was

734

00:25:18,630 --> 00:25:14,720

watching the

735

00:25:20,230 --> 00:25:18,640

um the uh the documentary on netflix

736

00:25:22,710 --> 00:25:20,240

about the challenger

737

00:25:24,630 --> 00:25:22,720

yeah i was watching it too so what i was

738

00:25:26,870 --> 00:25:24,640

thinking about is so that was 1980s

739

00:25:30,310 --> 00:25:26,880

right we made it to the moon

740

00:25:32,310 --> 00:25:30,320

uh with computers that like our phones

741

00:25:34,070 --> 00:25:32,320

have more powerful computers than what

742

00:25:34,789 --> 00:25:34,080

they were using to put us on the moon

743

00:25:37,029 --> 00:25:34,799

right

744

00:25:38,710 --> 00:25:37,039

yeah by the magnitude of like thousands

745

00:25:40,789 --> 00:25:38,720

and the shuttle program and stuff like

746

00:25:42,390 --> 00:25:40,799

how they had that whole thing like

747

00:25:44,390 --> 00:25:42,400

they had the technology think about the

748

00:25:47,510 --> 00:25:44,400

technology that they had

749

00:25:50,230 --> 00:25:47,520

in the 80s the 60s the 70s

750

00:25:51,029 --> 00:25:50,240

and where we are now technologically as

751
00:25:56,390 --> 00:25:51,039
a society

752
00:25:58,149 --> 00:25:56,400
i think there's so much that they know

753
00:25:59,909 --> 00:25:58,159
they're not they're not telling us

754
00:26:02,710 --> 00:25:59,919
because what's that um what's

755
00:26:05,190 --> 00:26:02,720
it was from uh back to the future if you

756
00:26:08,149 --> 00:26:05,200
watch the back of the future movies

757
00:26:09,430 --> 00:26:08,159
yeah okay so remember remember when he

758
00:26:11,110 --> 00:26:09,440
played the guitar

759
00:26:12,470 --> 00:26:11,120
like the it was like jimi hendrix or

760
00:26:13,669 --> 00:26:12,480
something like that he was playing in

761
00:26:15,269 --> 00:26:13,679
front of johnny be good

762
00:26:17,350 --> 00:26:15,279
they they were like i don't understa

763
00:26:18,710 --> 00:26:17,360

this doesn't compute like it didn't

764

00:26:20,230 --> 00:26:18,720

because they weren't

765

00:26:22,870 --> 00:26:20,240

that's not something they had ever heard

766

00:26:23,990 --> 00:26:22,880

before so their brain couldn't recognize

767

00:26:26,870 --> 00:26:24,000

it as something that they wanted

768

00:26:28,710 --> 00:26:26,880

to hear that sounded good or or or even

769

00:26:31,909 --> 00:26:28,720

recognize it as music

770

00:26:33,029 --> 00:26:31,919

i think as a society uh the vast

771

00:26:35,430 --> 00:26:33,039

majority of people

772

00:26:37,269 --> 00:26:35,440

if they came out tomorrow and said

773

00:26:39,350 --> 00:26:37,279

actually yes there's aliens

774

00:26:40,630 --> 00:26:39,360

here's this here's that there's life

775

00:26:43,350 --> 00:26:40,640

here there's life there

776

00:26:45,190 --> 00:26:43,360

this is all the stuff that we found as a

777

00:26:47,269 --> 00:26:45,200

i mean in 2020 i think we would just be

778

00:26:49,269 --> 00:26:47,279

like oh yeah okay that makes sense but

779

00:26:50,390 --> 00:26:49,279

like yeah for the most part most people

780

00:26:53,590 --> 00:26:50,400

would be like much

781

00:26:54,470 --> 00:26:53,600

be like they wouldn't be able to process

782

00:26:56,230 --> 00:26:54,480

it

783

00:26:57,590 --> 00:26:56,240

our brains wouldn't be able to process

784

00:27:00,470 --> 00:26:57,600

the type of stuff that

785

00:27:02,070 --> 00:27:00,480

is probably you know readily available

786

00:27:04,710 --> 00:27:02,080

information for the people that

787

00:27:06,149 --> 00:27:04,720

are allowed to know about it it's

788

00:27:07,430 --> 00:27:06,159

interesting you say that just to kind of

789

00:27:09,510 --> 00:27:07,440

add on i think i

790

00:27:11,029 --> 00:27:09,520

um what you're talking about like what

791

00:27:12,310 --> 00:27:11,039

you can't see what you can't see like

792

00:27:14,789 --> 00:27:12,320

your brain can't process

793

00:27:15,510 --> 00:27:14,799

yeah i know that the ships that came

794

00:27:16,950 --> 00:27:15,520

over

795

00:27:19,590 --> 00:27:16,960

like you know when columbus was coming

796

00:27:22,950 --> 00:27:19,600

to america the native americans

797

00:27:23,830 --> 00:27:22,960

they didn't even see them yeah yeah it's

798

00:27:27,190 --> 00:27:23,840

a paradigm

799

00:27:28,389 --> 00:27:27,200

because they didn't even know that ships

800

00:27:30,710 --> 00:27:28,399

and that sort of

801
00:27:32,230 --> 00:27:30,720
thing of that size it's just like they

802
00:27:33,430 --> 00:27:32,240
didn't even see it

803
00:27:34,630 --> 00:27:33,440
because their brain couldn't understand

804
00:27:36,549 --> 00:27:34,640
is that kind of what you're talking

805
00:27:38,389 --> 00:27:36,559
about exactly yeah so because and they

806
00:27:40,310 --> 00:27:38,399
didn't recognize they didn't see them

807
00:27:42,070 --> 00:27:40,320
until they got into the boats the

808
00:27:43,350 --> 00:27:42,080
smaller boats because of the canoes

809
00:27:44,789 --> 00:27:43,360
they're like oh okay

810
00:27:46,389 --> 00:27:44,799
yeah it's like a paradigm shift you

811
00:27:49,430 --> 00:27:46,399
don't you don't

812
00:27:50,950 --> 00:27:49,440
your brain can't comprehend it so so it

813
00:27:52,870 --> 00:27:50,960

just doesn't exist

814

00:27:55,029 --> 00:27:52,880

but once you're once i don't know i

815

00:27:56,630 --> 00:27:55,039

think there is a process of evolution

816

00:27:58,789 --> 00:27:56,640

that we need to get to

817

00:28:01,269 --> 00:27:58,799

to the point where like our brains will

818

00:28:03,190 --> 00:28:01,279

be able to recognize that stuff

819

00:28:05,190 --> 00:28:03,200

um and it's definitely more so now

820

00:28:07,669 --> 00:28:05,200

because we have so much like

821

00:28:09,029 --> 00:28:07,679

technology like sci-fi movies and all

822

00:28:11,350 --> 00:28:09,039

this kind of stuff

823

00:28:12,950 --> 00:28:11,360

but i think i think whatever life there

824

00:28:14,230 --> 00:28:12,960

is out there is not going to look it's

825

00:28:16,070 --> 00:28:14,240

they're either going to look exactly

826
00:28:19,990 --> 00:28:16,080
like us

827
00:28:23,190 --> 00:28:20,000
why we don't you know we don't know

828
00:28:24,070 --> 00:28:23,200
or they look so far out of the realm of

829
00:28:25,510 --> 00:28:24,080
what our

830
00:28:27,430 --> 00:28:25,520
comprehension totally that they're

831
00:28:27,990 --> 00:28:27,440
probably here and we just don't see them

832
00:28:31,590 --> 00:28:28,000
or

833
00:28:33,990 --> 00:28:31,600
in like

834
00:28:35,350 --> 00:28:34,000
the 50s i'm sure they knew in the 50s so

835
00:28:37,350 --> 00:28:35,360
when i buy they i mean

836
00:28:39,190 --> 00:28:37,360
that was my parrot she's stretching but

837
00:28:43,110 --> 00:28:39,200
by they in the 50s i mean you know

838
00:28:46,389 --> 00:28:43,120

the the scientists let's say that were

839

00:28:49,350 --> 00:28:46,399

plucked from their universities to uh

840

00:28:52,710 --> 00:28:49,360

maybe analyze a body that had crashed or

841

00:28:54,470 --> 00:28:52,720

a device that had crashed

842

00:28:56,470 --> 00:28:54,480

and i couldn't imagine what they would

843

00:28:58,630 --> 00:28:56,480

think because you know

844

00:28:59,590 --> 00:28:58,640

christian christian jesus you know it

845

00:29:02,149 --> 00:28:59,600

was church church

846

00:29:02,710 --> 00:29:02,159

that was the known understanding of

847

00:29:06,470 --> 00:29:02,720

anything

848

00:29:09,669 --> 00:29:06,480

sort of it was semi-accepted uh that was

849

00:29:12,149 --> 00:29:09,679

um spiritual and then they

850

00:29:13,110 --> 00:29:12,159

come across these undescrivable bodies

851
00:29:14,710 --> 00:29:13,120
and technologies

852
00:29:17,269 --> 00:29:14,720
of course i think back then they'd freak

853
00:29:19,909 --> 00:29:17,279
out i think you're right though in 2020

854
00:29:21,830 --> 00:29:19,919
when i speak with people and i say what

855
00:29:22,950 --> 00:29:21,840
do you think about the news on venus or

856
00:29:24,870 --> 00:29:22,960
what do you think about the videos that

857
00:29:29,110 --> 00:29:24,880
were released by the

858
00:29:32,310 --> 00:29:29,120
department of defense and and they go

859
00:29:36,310 --> 00:29:32,320
oh yeah that's awesome and i go well

860
00:29:40,630 --> 00:29:38,470
totally makes sense to me that's

861
00:29:44,230 --> 00:29:40,640
basically what they say like

862
00:29:46,549 --> 00:29:44,240
or they say no surprise to me

863
00:29:47,350 --> 00:29:46,559

i totally believe it and then that's

864

00:29:51,510 --> 00:29:47,360

that

865

00:29:53,269 --> 00:29:51,520

know a couple decades ago

866

00:29:55,190 --> 00:29:53,279

you know people like no no no no they

867

00:29:58,310 --> 00:29:55,200

send you loony bin to get

868

00:30:00,870 --> 00:29:58,320

lobotomized absolutely

869

00:30:02,470 --> 00:30:00,880

are you watching ratchet i haven't we

870

00:30:03,669 --> 00:30:02,480

haven't started watching that yet with a

871

00:30:05,750 --> 00:30:03,679

nurse right

872

00:30:06,710 --> 00:30:05,760

so great we haven't started lobotomies

873

00:30:08,710 --> 00:30:06,720

in there

874

00:30:10,470 --> 00:30:08,720

we just finished i just watched that the

875

00:30:12,389 --> 00:30:10,480

devil uh

876

00:30:14,630 --> 00:30:12,399

the devil inside or what is it called oh

877

00:30:18,149 --> 00:30:14,640

yeah tom holland with tom holland yeah

878

00:30:19,350 --> 00:30:18,159

that movie was was it was trippy like it

879

00:30:21,990 --> 00:30:19,360

you're watching it you're like what the

880

00:30:23,750 --> 00:30:22,000

have you seen it yet no i was saving

881

00:30:25,110 --> 00:30:23,760

it too you got to watch it i won't i

882

00:30:27,029 --> 00:30:25,120

won't go into it because you eat stuff

883

00:30:30,230 --> 00:30:27,039

definitely a good watch

884

00:30:32,549 --> 00:30:30,240

definitely watch ratchet it's so great i

885

00:30:34,870 --> 00:30:32,559

loved it challenger series is great also

886

00:30:37,269 --> 00:30:34,880

watch have you watched race by wolves

887

00:30:38,870 --> 00:30:37,279

uh actually yeah i have started on on

888

00:30:41,269 --> 00:30:38,880

hbo

889

00:30:41,990 --> 00:30:41,279

dude i know and then what's even going

890

00:30:45,590 --> 00:30:42,000

on

891

00:30:47,590 --> 00:30:45,600

episode three or something like that

892

00:30:48,870 --> 00:30:47,600

but i i started watching it because i

893

00:30:51,029 --> 00:30:48,880

love travis fimmel

894

00:30:52,870 --> 00:30:51,039

i think he is i love i loved him in

895

00:30:54,070 --> 00:30:52,880

vikings and i knew he was in that i was

896

00:30:57,110 --> 00:30:54,080

like i definitely need

897

00:31:00,630 --> 00:30:57,120

this that movie is trippy as

898

00:31:02,549 --> 00:31:00,640

hell like super trippy the first episode

899

00:31:04,310 --> 00:31:02,559

i was like what the heck and then

900

00:31:06,230 --> 00:31:04,320

the end of the first episode and it

901
00:31:07,509 --> 00:31:06,240
seems like the each episode takes

902
00:31:08,950 --> 00:31:07,519
forever

903
00:31:10,870 --> 00:31:08,960
it's not it's not like oh my god the

904
00:31:12,310 --> 00:31:10,880
episode's over it's like holy crap i

905
00:31:13,350 --> 00:31:12,320
still have like half hour left so much

906
00:31:16,470 --> 00:31:13,360
has happened

907
00:31:18,549 --> 00:31:16,480
and then all of a sudden a bunch it's

908
00:31:21,110 --> 00:31:18,559
crazy it's it's hella good

909
00:31:21,990 --> 00:31:21,120
especially the way she kills people yeah

910
00:31:23,990 --> 00:31:22,000
like blowed

911
00:31:25,269 --> 00:31:24,000
and then with the eyes like they just

912
00:31:26,870 --> 00:31:25,279
yeah that she

913
00:31:28,389 --> 00:31:26,880

she has different eyes that makes people

914

00:31:30,710 --> 00:31:28,399

look like what

915

00:31:31,990 --> 00:31:30,720

i know it's like i'm trying to figure

916

00:31:33,990 --> 00:31:32,000

out is this

917

00:31:35,909 --> 00:31:34,000

i'm like is this like a mirror to

918

00:31:38,070 --> 00:31:35,919

religion or like because there's that

919

00:31:39,750 --> 00:31:38,080

cam campion kid and then there's the

920

00:31:42,710 --> 00:31:39,760

blonde haired kid what's his name

921

00:31:44,310 --> 00:31:42,720

um i forget but i feel like there's like

922

00:31:46,789 --> 00:31:44,320

some kind of like

923

00:31:47,509 --> 00:31:46,799

you know jesus devil something there's

924

00:31:50,470 --> 00:31:47,519

kind of

925

00:31:50,789 --> 00:31:50,480

the chosen sort of religious aspect to

926

00:31:53,190 --> 00:31:50,799

it

927

00:31:54,789 --> 00:31:53,200

i mean yeah there's something yeah

928

00:31:57,350 --> 00:31:54,799

because like that was like

929

00:31:59,190 --> 00:31:57,360

that was the whole thing of like are you

930

00:32:00,470 --> 00:31:59,200

a believer or not believer

931

00:32:02,149 --> 00:32:00,480

like so obviously there's the big

932

00:32:03,990 --> 00:32:02,159

religious aspect of it but i think

933

00:32:07,350 --> 00:32:04,000

you're right i think there's definitely

934

00:32:10,710 --> 00:32:07,360

like okay what is like like

935

00:32:12,389 --> 00:32:10,720

the devil and and uh yeah the higher

936

00:32:13,990 --> 00:32:12,399

power that they have soul

937

00:32:15,669 --> 00:32:14,000

yeah the soul so there's definitely

938

00:32:17,909 --> 00:32:15,679

something there

939

00:32:18,789 --> 00:32:17,919

it's interesting because i never i

940

00:32:20,630 --> 00:32:18,799

didn't start

941

00:32:22,310 --> 00:32:20,640

i'd seen commercials for it or something

942

00:32:24,070 --> 00:32:22,320

like that but the reason i ended up

943

00:32:24,630 --> 00:32:24,080

finding it is because i was like i kept

944

00:32:28,549 --> 00:32:24,640

seeing

945

00:32:30,950 --> 00:32:28,559

uh um commercials for class action park

946

00:32:33,029 --> 00:32:30,960

and so i was like oh yeah i have hbo max

947

00:32:34,230 --> 00:32:33,039

and the only 10 thing i used hbo for was

948

00:32:35,590 --> 00:32:34,240

to watch game of thrones and then once

949

00:32:37,269 --> 00:32:35,600

game of thrones ended i was like well i

950

00:32:38,950 --> 00:32:37,279

didn't really use hbo very much anymore

951
00:32:41,509 --> 00:32:38,960
and then i saw that i was like all right

952
00:32:41,990 --> 00:32:41,519
we'll get hbo again and i've never seen

953
00:32:45,350 --> 00:32:42,000
a single

954
00:32:48,230 --> 00:32:45,360
episode of unicorns

955
00:32:49,909 --> 00:32:48,240
i've tried i've tried watching like the

956
00:32:51,909 --> 00:32:49,919
very first season first episode

957
00:32:53,669 --> 00:32:51,919
okay well i can't get through a whole

958
00:32:54,630 --> 00:32:53,679
episode i've tried parts of like the

959
00:32:56,310 --> 00:32:54,640
first three

960
00:32:59,669 --> 00:32:56,320
i don't know why i just i can't stick it

961
00:33:03,029 --> 00:33:01,350
for game of thrones there's a there's a

962
00:33:06,230 --> 00:33:03,039
couple shows like that for me so for

963
00:33:06,789 --> 00:33:06,240

uh there was game of thrones um was one

964

00:33:13,669 --> 00:33:06,799

of them

965

00:33:16,470 --> 00:33:13,679

um sons of anarchy uh the first

966

00:33:17,590 --> 00:33:16,480

like three or four episodes like it's

967

00:33:20,950 --> 00:33:17,600

because it's a new

968

00:33:23,909 --> 00:33:20,960

show at that time it's a pilot right

969

00:33:25,269 --> 00:33:23,919

so the acting is not as good the script

970

00:33:28,310 --> 00:33:25,279

is i mean the script was good

971

00:33:30,230 --> 00:33:28,320

still but like like

972

00:33:31,750 --> 00:33:30,240

i knew because because i'll have a hard

973

00:33:33,909 --> 00:33:31,760

time getting into certain shows and then

974

00:33:36,389 --> 00:33:33,919

after three or four episodes i'm hooked

975

00:33:37,509 --> 00:33:36,399

if it's a great show i'll watch it and

976
00:33:38,870 --> 00:33:37,519
that's the same thing with game of

977
00:33:40,710 --> 00:33:38,880
thrones like i had to

978
00:33:42,149 --> 00:33:40,720
not force myself but i had to like

979
00:33:45,430 --> 00:33:42,159
actively

980
00:33:46,710 --> 00:33:45,440
like you know watch the first couple

981
00:33:48,630 --> 00:33:46,720
episodes

982
00:33:50,470 --> 00:33:48,640
and then and then it just got into like

983
00:33:52,070 --> 00:33:50,480
i just needed to watch all of them

984
00:33:53,669 --> 00:33:52,080
cool man this has been a lot of fun i

985
00:33:54,950 --> 00:33:53,679
think it's cool just talk about aliens

986
00:33:58,630 --> 00:33:54,960
and the stuff you're doing

987
00:34:01,269 --> 00:33:58,640
and uh we do want to know though

988
00:34:02,789 --> 00:34:01,279

skinny bob what do you think of the

989

00:34:04,870 --> 00:34:02,799

skinny bob video

990

00:34:06,870 --> 00:34:04,880

i think it's grippy as hell it's

991

00:34:08,149 --> 00:34:06,880

definitely it's definitely one of those

992

00:34:11,510 --> 00:34:08,159

things

993

00:34:12,790 --> 00:34:11,520

that when you when you watch it you

994

00:34:14,790 --> 00:34:12,800

in the back of your mind you're like

995

00:34:17,030 --> 00:34:14,800

well this isn't real and then part of it

996

00:34:28,149 --> 00:34:17,040

like

997

00:34:29,510 --> 00:34:28,159

you know that there's definitely

998

00:34:31,190 --> 00:34:29,520

obviously something like that

999

00:34:33,030 --> 00:34:31,200

out there but you're watching this and

1000

00:34:36,149 --> 00:34:33,040

you're like well this isn't real though

1001
00:34:39,109 --> 00:34:36,159
because we haven't seen we haven't seen

1002
00:34:39,589 --> 00:34:39,119
dude man sorry to interrupt you we think

1003
00:34:42,710 --> 00:34:39,599
a light

1004
00:34:45,589 --> 00:34:42,720
that's exactly how i try to describe

1005
00:34:46,149 --> 00:34:45,599
what i feel and see in that video like

1006
00:34:48,069 --> 00:34:46,159
there's

1007
00:34:50,470 --> 00:34:48,079
certain animals i'll come across that

1008
00:34:50,950 --> 00:34:50,480
are just really super exotic and weird

1009
00:34:53,589 --> 00:34:50,960
and they

1010
00:34:55,909 --> 00:34:53,599
they're real animals but you can tell

1011
00:34:58,550 --> 00:34:55,919
that you can feel when something's alive

1012
00:34:58,950 --> 00:34:58,560
that's and as opposed to no matter how

1013
00:35:01,990 --> 00:34:58,960

well

1014

00:35:04,390 --> 00:35:02,000

anybody can animate cgi

1015

00:35:07,270 --> 00:35:04,400

i feel like no matter how good it looks

1016

00:35:10,630 --> 00:35:07,280

you can always tell oh that's a cgi

1017

00:35:13,109 --> 00:35:10,640

lion or that's a cgi but i just don't

1018

00:35:14,470 --> 00:35:13,119

get that feeling with that video

1019

00:35:16,550 --> 00:35:14,480

skinny box there's some feel something

1020

00:35:18,150 --> 00:35:16,560

alive about it that's what's trippy

1021

00:35:19,990 --> 00:35:18,160

yeah and that's the same that's the same

1022

00:35:21,910 --> 00:35:20,000

one that i feel when i watch that

1023

00:35:23,030 --> 00:35:21,920

it's just it's yeah like i said it's

1024

00:35:24,310 --> 00:35:23,040

like one of those things that you're

1025

00:35:27,670 --> 00:35:24,320

like

1026

00:35:29,349 --> 00:35:27,680

that's definitely not real

1027

00:35:31,430 --> 00:35:29,359

but like i believe that that's a

1028

00:35:34,230 --> 00:35:31,440

possibility but with that you

1029

00:35:35,589 --> 00:35:34,240

were like you can't you can't look at it

1030

00:35:37,990 --> 00:35:35,599

and definitively say one

1031

00:35:39,270 --> 00:35:38,000

one way or the other which is what makes

1032

00:35:42,950 --> 00:35:39,280

it so

1033

00:35:44,790 --> 00:35:42,960

like in um what's the word it's just

1034

00:35:46,390 --> 00:35:44,800

you just can't look away from it you

1035

00:35:48,310 --> 00:35:46,400

just you want to just

1036

00:35:49,510 --> 00:35:48,320

try and break it down and see see what

1037

00:35:53,349 --> 00:35:49,520

it is but

1038

00:35:54,150 --> 00:35:53,359

you can't the muscles and the ligaments

1039

00:35:57,030 --> 00:35:54,160

and the

1040

00:35:58,230 --> 00:35:57,040

there's just something about it yeah but

1041

00:36:00,470 --> 00:35:58,240

um

1042

00:36:01,670 --> 00:36:00,480

yeah we've uh been bringing that back up

1043

00:36:02,310 --> 00:36:01,680

because it's kind of making the rounds

1044

00:36:03,829 --> 00:36:02,320

again

1045

00:36:06,710 --> 00:36:03,839

on social media here and there that

1046

00:36:09,349 --> 00:36:06,720

we've seen and and like ufo twitter

1047

00:36:09,829 --> 00:36:09,359

and so we had a skeptic take a look at

1048

00:36:13,349 --> 00:36:09,839

it

1049

00:36:14,150 --> 00:36:13,359

and he was actually like he was pretty

1050

00:36:15,990 --> 00:36:14,160

stubbed

1051
00:36:18,069 --> 00:36:16,000
yeah yeah we uh we interviewed him and

1052
00:36:20,230 --> 00:36:18,079
he's you know he's totally like

1053
00:36:22,230 --> 00:36:20,240
you know if there is no you know x plus

1054
00:36:23,990 --> 00:36:22,240
one whatever and this is what

1055
00:36:25,349 --> 00:36:24,000
you know he's like very scientific and

1056
00:36:28,630 --> 00:36:25,359
he was like

1057
00:36:32,230 --> 00:36:28,640
whoever did this is really good

1058
00:36:33,990 --> 00:36:32,240
that's his english accent yeah um and

1059
00:36:35,430 --> 00:36:34,000
he it was a little bit stuck by that's

1060
00:36:37,670 --> 00:36:35,440
cool so

1061
00:36:38,550 --> 00:36:37,680
i think this is a hidden gem and like i

1062
00:36:40,470 --> 00:36:38,560
was uh

1063
00:36:42,550 --> 00:36:40,480

like i've been saying joanna i just want

1064

00:36:45,829 --> 00:36:42,560

to know what like what the hell

1065

00:36:47,750 --> 00:36:45,839

if it was made who made it and like

1066

00:36:49,109 --> 00:36:47,760

because a lot of them experience because

1067

00:36:50,230 --> 00:36:49,119

there's a lot of times where something

1068

00:36:51,990 --> 00:36:50,240

like that will come out

1069

00:36:53,270 --> 00:36:52,000

and then a couple years later a couple

1070

00:36:55,670 --> 00:36:53,280

months later someone would be like yep

1071

00:36:57,910 --> 00:36:55,680

we made that it was fake

1072

00:36:58,870 --> 00:36:57,920

but this is like 10 years old yeah and

1073

00:37:01,589 --> 00:36:58,880

then the

1074

00:37:02,630 --> 00:37:01,599

they didn't have the technology like

1075

00:37:04,950 --> 00:37:02,640

that

1076

00:37:06,950 --> 00:37:04,960

i mean they did but not to then not to

1077

00:37:08,950 --> 00:37:06,960

that extent to be able to see

1078

00:37:11,349 --> 00:37:08,960

well the best technology at the time was

1079

00:37:14,630 --> 00:37:11,359

like avatar

1080

00:37:17,829 --> 00:37:14,640

that was what you thought yeah yeah

1081

00:37:19,750 --> 00:37:17,839

it just if you compared that skinny by

1082

00:37:21,349 --> 00:37:19,760

video to avatar

1083

00:37:23,430 --> 00:37:21,359

they don't they're not going to feel

1084

00:37:24,710 --> 00:37:23,440

both cgi it's just

1085

00:37:26,470 --> 00:37:24,720

i'm just agreeing with you man

1086

00:37:29,430 --> 00:37:26,480

absolutely i just it wasn't there i

1087

00:37:31,270 --> 00:37:29,440

don't think for somebody to put that

1088

00:37:33,349 --> 00:37:31,280

not even the computers actually now that

1089

00:37:34,550 --> 00:37:33,359

i think about it now you could probably

1090

00:37:36,310 --> 00:37:34,560

do something like that a little easier

1091

00:37:39,910 --> 00:37:36,320

but i still don't think it would fool

1092

00:37:42,870 --> 00:37:39,920

people yeah you know thank you so much

1093

00:37:44,390 --> 00:37:42,880

yeah kevin clevenger at iron sanctuary

1094

00:37:45,510 --> 00:37:44,400

you got to check him out he is just

1095

00:37:48,470 --> 00:37:45,520

killing it

1096

00:37:49,589 --> 00:37:48,480

blowing it up all right yeah you guys

1097

00:37:50,310 --> 00:37:49,599

have a good one thanks again for having

1098

00:38:03,920 --> 00:37:50,320

me on

1099

00:38:09,990 --> 00:38:03,930

oh yeah thanks man
