

PROBECAST

WITH THE UFO BROS

STARRING
DALLAS LOVATO

1
00:00:04,550 --> 00:00:01,829
you made a good point because now you

2
00:00:05,990 --> 00:00:04,560
understand female intuition

3
00:00:08,150 --> 00:00:06,000
when we say

4
00:00:10,310 --> 00:00:08,160
we have a feeling that this this and

5
00:00:11,589 --> 00:00:10,320
this is going on and we don't have proof

6
00:00:14,230 --> 00:00:11,599
but we know

7
00:00:17,840 --> 00:00:14,240
now you get it

8
00:00:21,910 --> 00:00:19,750
[Music]

9
00:00:24,230 --> 00:00:21,920
what is that it almost sounds like a

10
00:00:29,510 --> 00:00:24,240
growl from here it sounds like a

11
00:00:29,520 --> 00:00:36,229
[Music]

12
00:00:40,709 --> 00:00:37,990
all right we're here with dallas lovato

13
00:00:43,110 --> 00:00:40,719

it's emmett and joe the ufo bros how you

14

00:00:46,709 --> 00:00:43,120

doing dallas i'm good i'm good how are

15

00:00:48,470 --> 00:00:46,719

you we're good tell us

16

00:00:50,869 --> 00:00:48,480

first let's talk about

17

00:00:53,510 --> 00:00:50,879

unidentified with demi lovato and then

18

00:00:55,270 --> 00:00:53,520

we're going to talk about a really crazy

19

00:00:56,310 --> 00:00:55,280

experience you had and you have video of

20

00:00:58,470 --> 00:00:56,320

it so

21

00:01:00,069 --> 00:00:58,480

this is going to be great tell me

22

00:01:02,549 --> 00:01:00,079

exciting

23

00:01:04,950 --> 00:01:02,559

yeah tell me about

24

00:01:06,310 --> 00:01:04,960

what people are going to see

25

00:01:08,070 --> 00:01:06,320

when they watch this

26

00:01:09,590 --> 00:01:08,080

my first sighting was with you guys in

27

00:01:10,950 --> 00:01:09,600

the desert like

28

00:01:14,870 --> 00:01:10,960

yes

29

00:01:16,469 --> 00:01:14,880

i will never forget that that started

30

00:01:19,190 --> 00:01:16,479

everything for me

31

00:01:22,789 --> 00:01:19,200

and i just

32

00:01:25,350 --> 00:01:22,799

was so connected and absorbing

33

00:01:28,469 --> 00:01:25,360

everything the entire time like i'm

34

00:01:31,109 --> 00:01:28,479

probably so boring because i'm just like

35

00:01:34,149 --> 00:01:31,119

taking everything in the whole time

36

00:01:35,830 --> 00:01:34,159

um but honestly like it was

37

00:01:37,830 --> 00:01:35,840

the most

38

00:01:39,190 --> 00:01:37,840

impactful

39

00:01:41,590 --> 00:01:39,200

experience

40

00:01:42,789 --> 00:01:41,600

that i can say that i've ever had in my

41

00:01:44,870 --> 00:01:42,799

life

42

00:01:47,510 --> 00:01:44,880

i am not the same person

43

00:01:49,670 --> 00:01:47,520

as i was before i started shooting not

44

00:01:51,590 --> 00:01:49,680

even close i don't even

45

00:01:52,550 --> 00:01:51,600

know who that person was

46

00:01:54,710 --> 00:01:52,560

and

47

00:01:58,469 --> 00:01:54,720

for me personally

48

00:02:00,149 --> 00:01:58,479

the journey came at such a

49

00:02:02,550 --> 00:02:00,159

amazing time

50

00:02:05,190 --> 00:02:02,560

you know like i was

51
00:02:09,109 --> 00:02:05,200
right out of covid i had covered body

52
00:02:11,510 --> 00:02:09,119
you know all that and i just was like so

53
00:02:15,110 --> 00:02:11,520
what am i doing filming a tv show right

54
00:02:18,949 --> 00:02:15,120
now but when i knew the topic

55
00:02:20,710 --> 00:02:18,959
i jumped at it the second that i knew

56
00:02:22,470 --> 00:02:20,720
that we were just gonna be that's all i

57
00:02:24,470 --> 00:02:22,480
knew the morning it's just so

58
00:02:25,750 --> 00:02:24,480
embarrassing but i'm gonna tell you

59
00:02:30,070 --> 00:02:25,760
the morning we went to look at the

60
00:02:30,080 --> 00:02:47,670
i was wearing a version of mail thanks

61
00:02:50,869 --> 00:02:49,190
you go for it

62
00:02:52,550 --> 00:02:50,879
oh

63
00:02:54,710 --> 00:02:52,560

on the way back

64

00:02:55,990 --> 00:02:54,720

i threw up because it was squeezing me

65

00:02:58,710 --> 00:02:56,000

so hard

66

00:03:00,710 --> 00:02:58,720

oh no he was dry heating he was dry

67

00:03:02,149 --> 00:03:00,720

heating on the freeway i'm like what the

68

00:03:03,110 --> 00:03:02,159

heck's going on he's like nothing he's

69

00:03:04,949 --> 00:03:03,120

like

70

00:03:06,869 --> 00:03:04,959

i'm glad that you had that experience

71

00:03:09,030 --> 00:03:06,879

because that just gives you a little bit

72

00:03:10,550 --> 00:03:09,040

of an insight as to what we deal with

73

00:03:12,149 --> 00:03:10,560

every day

74

00:03:14,710 --> 00:03:12,159

exactly

75

00:03:16,790 --> 00:03:14,720

because that [h__h] squeezes like you're

76

00:03:18,470 --> 00:03:16,800

like i'm really skinny right now aren't

77

00:03:21,990 --> 00:03:18,480

i yeah

78

00:03:23,910 --> 00:03:22,000

yeah oh no i i am all for like doing

79

00:03:25,509 --> 00:03:23,920

whatever you need to do to make yourself

80

00:03:27,990 --> 00:03:25,519

feel the most beautiful and the most

81

00:03:29,589 --> 00:03:28,000

confident i'm now embracing my coveted

82

00:03:31,990 --> 00:03:29,599

body and i'm going to drag this out as

83

00:03:33,750 --> 00:03:32,000

long as i freaking can like i'm skipping

84

00:03:36,070 --> 00:03:33,760

over hot girl summer and i'm gonna be a

85

00:03:39,270 --> 00:03:36,080

pumpkin for halloween because i'm like

86

00:03:41,190 --> 00:03:39,280

this is me now and you know demi matthew

87

00:03:43,990 --> 00:03:41,200

and i purposely

88

00:03:45,110 --> 00:03:44,000

did not read our day sheets the day

89

00:03:46,949 --> 00:03:45,120

before

90

00:03:48,550 --> 00:03:46,959

like you know they send you your day

91

00:03:51,589 --> 00:03:48,560

sheet and tell you like your call time

92

00:03:53,429 --> 00:03:51,599

and location and all that stuff and we

93

00:03:55,830 --> 00:03:53,439

only read

94

00:03:57,830 --> 00:03:55,840

the most basic information that we

95

00:04:00,149 --> 00:03:57,840

needed because we wanted every single

96

00:04:01,509 --> 00:04:00,159

moment to be really authentic and that's

97

00:04:04,550 --> 00:04:01,519

something that i think is really cool

98

00:04:06,470 --> 00:04:04,560

about this show as opposed to a lot of

99

00:04:07,830 --> 00:04:06,480

other like i don't want to say all of

100

00:04:09,030 --> 00:04:07,840

them but there's a lot of paranormal

101
00:04:09,830 --> 00:04:09,040
shows out there

102
00:04:11,670 --> 00:04:09,840
that

103
00:04:15,190 --> 00:04:11,680
um

104
00:04:16,710 --> 00:04:15,200
you you kind of questioned like

105
00:04:18,550 --> 00:04:16,720
one also too

106
00:04:20,789 --> 00:04:18,560
just to pick up on that it was all in

107
00:04:21,670 --> 00:04:20,799
real time what we saw yeah

108
00:04:22,629 --> 00:04:21,680
yes

109
00:04:25,430 --> 00:04:22,639
like

110
00:04:27,749 --> 00:04:25,440
there was no special editing or no i

111
00:04:28,950 --> 00:04:27,759
mean no we were literally there

112
00:04:30,790 --> 00:04:28,960
and for those of you who are going to

113
00:04:31,670 --> 00:04:30,800

watch we have a sky watch

114

00:04:34,950 --> 00:04:31,680

with

115

00:04:37,030 --> 00:04:34,960

dallas demi and matthew and can you

116

00:04:39,270 --> 00:04:37,040

describe um

117

00:04:40,950 --> 00:04:39,280

what or joe actually you and joe can

118

00:04:42,469 --> 00:04:40,960

talk about

119

00:04:45,430 --> 00:04:42,479

actually let me hear from you tell me

120

00:04:47,110 --> 00:04:45,440

what you saw in the sky

121

00:04:49,909 --> 00:04:47,120

which time

122

00:04:51,749 --> 00:04:49,919

oh that's right okay so um no i know i

123

00:04:53,909 --> 00:04:51,759

know what you mean the first time we

124

00:04:57,510 --> 00:04:53,919

were in the desert so when i met you

125

00:04:59,350 --> 00:04:57,520

guys first of all i'd already seen like

126
00:05:00,790 --> 00:04:59,360
your like i had already heard about you

127
00:05:01,670 --> 00:05:00,800
guys i had already seen some of your

128
00:05:05,830 --> 00:05:01,680
stuff

129
00:05:07,670 --> 00:05:05,840
and so when i met you i was like totally

130
00:05:08,710 --> 00:05:07,680
starstruck because

131
00:05:11,270 --> 00:05:08,720
you guys

132
00:05:13,189 --> 00:05:11,280
are so amazing and you're so funny

133
00:05:15,110 --> 00:05:13,199
and like i just like i love all of your

134
00:05:16,870 --> 00:05:15,120
videos and i don't know it just made me

135
00:05:18,550 --> 00:05:16,880
really happy and so when i met they were

136
00:05:20,710 --> 00:05:18,560
like so you're gonna be filming and

137
00:05:21,830 --> 00:05:20,720
meeting the ufo bros i was like

138
00:05:23,830 --> 00:05:21,840

wait what

139

00:05:26,390 --> 00:05:23,840

no wait really

140

00:05:28,870 --> 00:05:26,400

yeah i think i think that's so i think

141

00:05:30,870 --> 00:05:28,880

that's so important and so impactful

142

00:05:32,550 --> 00:05:30,880

like the fact that you guys are out here

143

00:05:35,670 --> 00:05:32,560

you're talking about it

144

00:05:38,390 --> 00:05:35,680

you're like getting it out to the public

145

00:05:41,029 --> 00:05:38,400

in a way that i feel like is very fun

146

00:05:42,950 --> 00:05:41,039

which totally fits along the lines of

147

00:05:44,629 --> 00:05:42,960

this entire show that we just did

148

00:05:46,310 --> 00:05:44,639

because i feel like there's such a

149

00:05:49,029 --> 00:05:46,320

element a lot of times with like

150

00:05:50,550 --> 00:05:49,039

paranormal shows where

151
00:05:53,430 --> 00:05:50,560
you know you kind of question whether

152
00:05:54,230 --> 00:05:53,440
those things are real and then on top of

153
00:05:57,350 --> 00:05:54,240
that

154
00:06:00,309 --> 00:05:57,360
it's usually marked as very scary

155
00:06:03,749 --> 00:06:00,319
something that's very like

156
00:06:05,430 --> 00:06:03,759
just like evil or intense or whatever

157
00:06:08,230 --> 00:06:05,440
you want to call it whatever

158
00:06:09,749 --> 00:06:08,240
paranoid feelings yeah

159
00:06:11,110 --> 00:06:09,759
creepy crawly

160
00:06:12,710 --> 00:06:11,120
yeah like

161
00:06:15,189 --> 00:06:12,720
oh we should watch these around

162
00:06:18,309 --> 00:06:15,199
halloween and the fact of the matter is

163
00:06:19,270 --> 00:06:18,319

like ufos are everywhere

164

00:06:20,790 --> 00:06:19,280

like

165

00:06:24,790 --> 00:06:20,800

extraterrestrials

166

00:06:29,670 --> 00:06:27,270

like it's not a bad thing and when i was

167

00:06:32,469 --> 00:06:29,680

in the desert with you guys

168

00:06:36,790 --> 00:06:32,479

the feeling that i got when i saw that

169

00:06:41,909 --> 00:06:39,430

i mean

170

00:06:45,110 --> 00:06:41,919

i felt it from you like

171

00:06:48,070 --> 00:06:45,120

you are emanating like just

172

00:06:48,870 --> 00:06:48,080

excitement and wonder and like you had

173

00:06:50,870 --> 00:06:48,880

this

174

00:06:52,150 --> 00:06:50,880

moment where you're like

175

00:06:53,430 --> 00:06:52,160

holy [h__\h]

176
00:06:55,270 --> 00:06:53,440
this is real

177
00:06:57,670 --> 00:06:55,280
yeah you know were you even expecting to

178
00:07:00,469 --> 00:06:57,680
see anything going into this at all

179
00:07:03,909 --> 00:07:00,479
um i was because

180
00:07:07,430 --> 00:07:03,919
demi just seems to be like a magnet like

181
00:07:10,950 --> 00:07:07,440
a literal magnet for ufos i agree i was

182
00:07:11,909 --> 00:07:10,960
telling them that i'm like i think about

183
00:07:16,950 --> 00:07:11,919
yeah

184
00:07:18,870 --> 00:07:16,960
go they're getting sighting after

185
00:07:21,110 --> 00:07:18,880
sighting after sighting like there's

186
00:07:23,350 --> 00:07:21,120
been times the first time that i ever

187
00:07:25,270 --> 00:07:23,360
actually experienced what i believed to

188
00:07:27,990 --> 00:07:25,280

be a ufo

189

00:07:30,870 --> 00:07:28,000

was um we were at the hollywood cemetery

190

00:07:33,430 --> 00:07:30,880

at like this rave one year

191

00:07:34,790 --> 00:07:33,440

and um it was halloween

192

00:07:37,350 --> 00:07:34,800

and

193

00:07:39,350 --> 00:07:37,360

we left we were leaving we were walking

194

00:07:40,390 --> 00:07:39,360

through the cemetery back to like our

195

00:07:43,430 --> 00:07:40,400

cars

196

00:07:44,469 --> 00:07:43,440

and demi looked up at the sky and was

197

00:07:47,909 --> 00:07:44,479

like

198

00:07:50,070 --> 00:07:47,919

what is that and i look around and

199

00:07:52,230 --> 00:07:50,080

everybody has their phones there was

200

00:07:54,390 --> 00:07:52,240

like not that many people there like

201
00:07:57,270 --> 00:07:54,400
because we were walking to the car um

202
00:07:59,189 --> 00:07:57,280
but there were all these people like

203
00:08:01,350 --> 00:07:59,199
probably like 10 or 15 people

204
00:08:02,469 --> 00:08:01,360
pointing their phones at the sky so i

205
00:08:05,670 --> 00:08:02,479
looked up

206
00:08:07,830 --> 00:08:05,680
and i saw this orange light that was

207
00:08:10,150 --> 00:08:07,840
like this big well

208
00:08:12,469 --> 00:08:10,160
not this big but you know it was round

209
00:08:15,990 --> 00:08:12,479
like this

210
00:08:19,270 --> 00:08:16,000
so it was in the sky and it was getting

211
00:08:22,629 --> 00:08:19,280
like bigger and smaller yeah

212
00:08:24,390 --> 00:08:22,639
but very gradually and then like a pulse

213
00:08:27,270 --> 00:08:24,400

like a pulse yes

214

00:08:29,430 --> 00:08:27,280

yes like pulsing and

215

00:08:31,589 --> 00:08:29,440

it would get bigger and smaller and then

216

00:08:33,029 --> 00:08:31,599

it would go away and then it would pop

217

00:08:35,589 --> 00:08:33,039

up over here

218

00:08:38,070 --> 00:08:35,599

then it would do these weird like

219

00:08:40,230 --> 00:08:38,080

zigzag motions as it's getting bigger

220

00:08:42,149 --> 00:08:40,240

and smaller and we stood there for so

221

00:08:44,630 --> 00:08:42,159

long but this is back in iphone four

222

00:08:46,870 --> 00:08:44,640

days and

223

00:08:49,750 --> 00:08:46,880

we could not get anything on our camera

224

00:08:51,670 --> 00:08:49,760

i bet it's like nothing yeah yeah

225

00:08:52,949 --> 00:08:51,680

so we stood there for so long that it

226

00:08:54,630 --> 00:08:52,959

just kind of got to a point where we

227

00:08:57,509 --> 00:08:54,640

were like okay well we recognize that

228

00:08:58,949 --> 00:08:57,519

this is something like crazy but then

229

00:09:01,990 --> 00:08:58,959

you know we weren't really sure it was

230

00:09:05,030 --> 00:09:02,000

halloween you know so our minds started

231

00:09:07,350 --> 00:09:05,040

debunking naturally you know and we

232

00:09:09,430 --> 00:09:07,360

ended up just walking to our car and you

233

00:09:12,790 --> 00:09:09,440

know i kind of forgot about it for a

234

00:09:13,829 --> 00:09:12,800

while but the the memory when i did

235

00:09:16,550 --> 00:09:13,839

remember

236

00:09:17,990 --> 00:09:16,560

always resonated differently than a lot

237

00:09:19,269 --> 00:09:18,000

of other memories like there was a

238

00:09:21,910 --> 00:09:19,279

different

239

00:09:23,750 --> 00:09:21,920

feeling about it i guess you know and

240

00:09:25,430 --> 00:09:23,760

that was what i experienced in the

241

00:09:27,829 --> 00:09:25,440

desert but like

242

00:09:29,030 --> 00:09:27,839

tenfold that day because i knew it was

243

00:09:30,150 --> 00:09:29,040

there for me

244

00:09:31,430 --> 00:09:30,160

you know

245

00:09:35,269 --> 00:09:31,440

i

246

00:09:37,430 --> 00:09:35,279

when we were all together

247

00:09:40,230 --> 00:09:37,440

you know i was trying to figure out why

248

00:09:42,870 --> 00:09:40,240

there why then like

249

00:09:45,750 --> 00:09:42,880

what's going on why you know there seems

250

00:09:47,430 --> 00:09:45,760

to be something about i think

251
00:09:49,509 --> 00:09:47,440
we all feel people

252
00:09:51,670 --> 00:09:49,519
we all felt like we were all

253
00:09:54,550 --> 00:09:51,680
consciously together yeah that makes

254
00:09:56,389 --> 00:09:54,560
sense on the same like wavelength

255
00:09:57,910 --> 00:09:56,399
and i think that's why we all saw it

256
00:10:00,230 --> 00:09:57,920
when we saw it yeah

257
00:10:01,350 --> 00:10:00,240
because it lasts a split second

258
00:10:03,110 --> 00:10:01,360
generally

259
00:10:05,110 --> 00:10:03,120
and it's you know

260
00:10:07,110 --> 00:10:05,120
uh very rare to not only have more than

261
00:10:08,949 --> 00:10:07,120
one person see it but then to have it on

262
00:10:11,350 --> 00:10:08,959
the cameras and then to have the

263
00:10:13,030 --> 00:10:11,360

emotional after you know the after the

264

00:10:15,670 --> 00:10:13,040

after effects of

265

00:10:17,190 --> 00:10:15,680

what you just saw and how that changes

266

00:10:19,190 --> 00:10:17,200

your perception and all that stuff

267

00:10:21,350 --> 00:10:19,200

that's why we love doing this because

268

00:10:22,790 --> 00:10:21,360

it's adrenaline

269

00:10:24,230 --> 00:10:22,800

adrenaline and there's something about

270

00:10:26,949 --> 00:10:24,240

the desert at night i gotta say i love

271

00:10:28,230 --> 00:10:26,959

it i really like

272

00:10:30,310 --> 00:10:28,240

sometimes i'm like i just want to go to

273

00:10:31,509 --> 00:10:30,320

the desert like we just gotta i miss the

274

00:10:33,509 --> 00:10:31,519

desert

275

00:10:35,430 --> 00:10:33,519

i want to do some ufo stuff i want to go

276

00:10:37,030 --> 00:10:35,440

to area 51 i want to go back to roswell

277

00:10:39,590 --> 00:10:37,040

i want to get back out there

278

00:10:42,550 --> 00:10:39,600

let's go i'm down it takes me two

279

00:10:44,150 --> 00:10:42,560

minutes to pack i got my passport i'm

280

00:10:45,990 --> 00:10:44,160

glad

281

00:10:48,310 --> 00:10:46,000

let's go to area 51. it's only seven

282

00:10:51,590 --> 00:10:48,320

hours away from me um

283

00:10:53,990 --> 00:10:51,600

yeah i saw that and i'm just really

284

00:10:55,750 --> 00:10:54,000

scared that they put something i know

285

00:10:57,509 --> 00:10:55,760

y'all said you ran over a rock and you

286

00:11:00,069 --> 00:10:57,519

ran over a snake

287

00:11:02,550 --> 00:11:00,079

but i would not be surprised if the

288

00:11:04,790 --> 00:11:02,560

government put something else in that

289

00:11:07,590 --> 00:11:04,800

street to make no one be able to get

290

00:11:10,150 --> 00:11:07,600

further just say it just say it

291

00:11:12,150 --> 00:11:10,160

well you know there's like bugs

292

00:11:13,509 --> 00:11:12,160

radio what's in the ground bro they're

293

00:11:17,829 --> 00:11:13,519

like

294

00:11:18,870 --> 00:11:17,839

transmitters if you're really close by

295

00:11:22,389 --> 00:11:18,880

like

296

00:11:24,550 --> 00:11:22,399

too close they do have these little

297

00:11:25,990 --> 00:11:24,560

sensor pads i'm not supposed to say

298

00:11:27,910 --> 00:11:26,000

actually no i'm supposed to know this

299

00:11:29,670 --> 00:11:27,920

stuff this is like spy stuff if you

300

00:11:31,269 --> 00:11:29,680

didn't know i worked uh

301
00:11:34,630 --> 00:11:31,279
was

302
00:11:38,470 --> 00:11:36,949
they had a cryo facility

303
00:11:40,470 --> 00:11:38,480
and we had to go buy it and look at it

304
00:11:42,470 --> 00:11:40,480
every once in a while and it was creepy

305
00:11:43,750 --> 00:11:42,480
because it was just a glow and like we

306
00:11:45,430 --> 00:11:43,760
knew what was in it

307
00:11:47,110 --> 00:11:45,440
and then they had this big truck come in

308
00:11:48,470 --> 00:11:47,120
and it was completely blocked big nets

309
00:11:50,389 --> 00:11:48,480
big stuff you couldn't see they loaded

310
00:11:51,430 --> 00:11:50,399
something on and they took off

311
00:11:54,069 --> 00:11:51,440
it's crazy

312
00:11:57,829 --> 00:11:54,079
meaning frozen right yeah yeah with

313
00:12:00,150 --> 00:11:57,839

austin powers and elvis

314

00:12:01,829 --> 00:12:00,160

that's my theory

315

00:12:03,829 --> 00:12:01,839

no but there's always there's sensor

316

00:12:05,670 --> 00:12:03,839

pads there's um listening devices

317

00:12:07,750 --> 00:12:05,680

there's all kinds of stuff that they can

318

00:12:09,590 --> 00:12:07,760

monitor miles away if they really wanted

319

00:12:12,790 --> 00:12:09,600

to they can find you

320

00:12:15,430 --> 00:12:12,800

miles before you come in oh yeah

321

00:12:17,990 --> 00:12:15,440

sorry go ahead no go ahead

322

00:12:20,949 --> 00:12:18,000

have you seen those uh like the bird

323

00:12:23,670 --> 00:12:22,470

are they're the females

324

00:12:26,310 --> 00:12:23,680

right

325

00:12:27,110 --> 00:12:26,320

they literally look like birds but

326

00:12:29,350 --> 00:12:27,120

they're

327

00:12:31,670 --> 00:12:29,360

like

328

00:12:33,829 --> 00:12:31,680

drones basically i'll bet you they have

329

00:12:36,790 --> 00:12:33,839

[h__\h] like that there because

330

00:12:38,389 --> 00:12:36,800

when well when you go to the gate okay

331

00:12:40,230 --> 00:12:38,399

there is

332

00:12:41,670 --> 00:12:40,240

you know wall-e you're the movie wally

333

00:12:43,990 --> 00:12:41,680

oh yeah

334

00:12:45,670 --> 00:12:44,000

it looks like a wall-e it's huge and

335

00:12:47,430 --> 00:12:45,680

it's got like these eyes like this and

336

00:12:48,790 --> 00:12:47,440

it follows you

337

00:12:49,590 --> 00:12:48,800

when you move around it's like a it's

338

00:12:52,550 --> 00:12:49,600

like a

339

00:12:54,949 --> 00:12:52,560

robot hill if you go up to the hill and

340

00:12:57,430 --> 00:12:54,959

try to go over the hill it'll you just

341

00:12:58,949 --> 00:12:57,440

see the eyes slowly go up and then like

342

00:13:01,110 --> 00:12:58,959

you just see you peek over like you're

343

00:13:03,509 --> 00:13:01,120

like oh my god it's creepy

344

00:13:05,269 --> 00:13:03,519

you can watch these they look like eyes

345

00:13:07,509 --> 00:13:05,279

and you see them and they just they're

346

00:13:11,190 --> 00:13:07,519

following you and you're like

347

00:13:12,870 --> 00:13:11,200

that's so creepy and amazing at the same

348

00:13:16,790 --> 00:13:12,880

time like

349

00:13:17,750 --> 00:13:16,800

literally i love that and i hate it

350

00:13:19,670 --> 00:13:17,760

well yeah

351

00:13:22,550 --> 00:13:19,680

that's true that's you know that's like

352

00:13:23,590 --> 00:13:22,560

a perfect example of ufos and doing this

353

00:13:26,629 --> 00:13:23,600

is it's

354

00:13:28,069 --> 00:13:26,639

kind of scary creepy not only like

355

00:13:29,910 --> 00:13:28,079

you know from the extraterrestrial party

356

00:13:31,430 --> 00:13:29,920

but also the government point of view

357

00:13:35,430 --> 00:13:31,440

because there's that whole part of it

358

00:13:36,870 --> 00:13:35,440

that scares me more than actual aliens

359

00:13:38,629 --> 00:13:36,880

you know actually yeah

360

00:13:40,150 --> 00:13:38,639

yeah it's their metal they're muddling

361

00:13:41,829 --> 00:13:40,160

up something that frankly is quite

362

00:13:43,269 --> 00:13:41,839

simple

363

00:13:44,629 --> 00:13:43,279

they're here

364

00:13:46,790 --> 00:13:44,639

they've been around

365

00:13:48,470 --> 00:13:46,800

it's not that complicated we don't have

366

00:13:50,230 --> 00:13:48,480

to have all of the it's just all of this

367

00:13:52,790 --> 00:13:50,240

nebulous [h__h]

368

00:13:55,350 --> 00:13:52,800

i think that

369

00:13:58,629 --> 00:13:55,360

part of the reason why the government

370

00:14:02,550 --> 00:13:58,639

might be trying to

371

00:14:05,910 --> 00:14:02,560

not allow us to you know like or not

372

00:14:07,350 --> 00:14:05,920

want us to dive too much into

373

00:14:09,269 --> 00:14:07,360

this stuff

374

00:14:11,829 --> 00:14:09,279

is because they're supposed to be the

375

00:14:14,629 --> 00:14:11,839

smartest they're supposed to be the ones

376

00:14:17,189 --> 00:14:14,639

who got it all figured out and you know

377

00:14:21,189 --> 00:14:17,199

they're in control so

378

00:14:22,870 --> 00:14:21,199

absolutely then a little smarter

379

00:14:27,430 --> 00:14:22,880

there can't be that

380

00:14:32,790 --> 00:14:30,470

right it's scary because they can't say

381

00:14:34,710 --> 00:14:32,800

oh well we you know

382

00:14:36,470 --> 00:14:34,720

we they have to have this we got to

383

00:14:39,990 --> 00:14:36,480

protect everybody mentalities of the

384

00:14:41,430 --> 00:14:40,000

government and it's almost as though

385

00:14:42,550 --> 00:14:41,440

because

386

00:14:44,150 --> 00:14:42,560

well first of all there's nothing i

387

00:14:46,550 --> 00:14:44,160

don't think there's anything to protect

388

00:14:48,629 --> 00:14:46,560

i mean right if they were a threat we

389

00:14:50,389 --> 00:14:48,639

wouldn't have been like allowed to

390

00:14:52,710 --> 00:14:50,399

[h__\h] evolve

391

00:14:53,430 --> 00:14:52,720

because they've been here a long time

392

00:14:55,189 --> 00:14:53,440

so

393

00:14:56,310 --> 00:14:55,199

when you're in that position of

394

00:14:59,750 --> 00:14:56,320

government or whatever and you're

395

00:15:00,949 --> 00:14:59,760

thinking like well if we tell people

396

00:15:02,150 --> 00:15:00,959

this they're going to be freaked out

397

00:15:04,150 --> 00:15:02,160

they just want to know that we can

398

00:15:06,310 --> 00:15:04,160

counter it and so that goes down the

399

00:15:09,110 --> 00:15:06,320

whole rabbit hole of

400

00:15:11,030 --> 00:15:09,120

you know they're a potential threat and

401
00:15:13,509 --> 00:15:11,040
you know we have that's why i think we

402
00:15:14,790 --> 00:15:13,519
why we got this the the space force that

403
00:15:15,990 --> 00:15:14,800
was kind of a

404
00:15:19,110 --> 00:15:16,000
you know letting us know that we have

405
00:15:20,790 --> 00:15:19,120
the military presence in outer space and

406
00:15:21,670 --> 00:15:20,800
you know i think that's kind of part of

407
00:15:23,590 --> 00:15:21,680
this

408
00:15:24,710 --> 00:15:23,600
roll out or explanation what do you

409
00:15:26,629 --> 00:15:24,720
think joe

410
00:15:29,030 --> 00:15:26,639
yeah i agree

411
00:15:32,470 --> 00:15:29,040
yeah it's it's it's a horrible place to

412
00:15:33,749 --> 00:15:32,480
be in because just think of what would

413
00:15:35,269 --> 00:15:33,759

how people could come together how i

414

00:15:37,269 --> 00:15:35,279

mean

415

00:15:39,430 --> 00:15:37,279

it could change the world

416

00:15:41,910 --> 00:15:39,440

it could change

417

00:15:43,990 --> 00:15:41,920

let me say something

418

00:15:45,030 --> 00:15:44,000

what do you think imagine the astronauts

419

00:15:46,550 --> 00:15:45,040

up there

420

00:15:48,230 --> 00:15:46,560

doing their spacewalk doing what they're

421

00:15:50,550 --> 00:15:48,240

supposed to do and they see all this

422

00:15:53,590 --> 00:15:50,560

stuff happening right in front of them

423

00:15:55,590 --> 00:15:53,600

all the time and they can't say a word

424

00:15:56,870 --> 00:15:55,600

yeah i know

425

00:15:58,150 --> 00:15:56,880

imagine they're the ones they're the

426
00:15:58,949 --> 00:15:58,160
ones that see everything and they're

427
00:16:00,629 --> 00:15:58,959
like

428
00:16:03,189 --> 00:16:00,639
six more

429
00:16:05,430 --> 00:16:03,199
yeah and then

430
00:16:08,310 --> 00:16:05,440
that would be i mean like well just just

431
00:16:10,470 --> 00:16:08,320
us having seen what we've seen and like

432
00:16:13,269 --> 00:16:10,480
being only a handful of people to see it

433
00:16:14,870 --> 00:16:13,279
and try to explain it to other people

434
00:16:16,949 --> 00:16:14,880
it's really you have to be there and i

435
00:16:18,230 --> 00:16:16,959
couldn't imagine knowing i'm like there

436
00:16:19,670 --> 00:16:18,240
is one

437
00:16:22,069 --> 00:16:19,680
person out there that knows what the

438
00:16:24,069 --> 00:16:22,079

[h__h] is going on

439

00:16:25,829 --> 00:16:24,079

there's one person out there that that's

440

00:16:27,990 --> 00:16:25,839

got to know

441

00:16:29,749 --> 00:16:28,000

you know how much bs is going on to kind

442

00:16:31,430 --> 00:16:29,759

of dissuade us from looking at the fact

443

00:16:33,350 --> 00:16:31,440

that we're not alone and the fact that

444

00:16:37,030 --> 00:16:33,360

these vehicles don't need our fossil

445

00:16:38,710 --> 00:16:37,040

fuels they don't you know need roads

446

00:16:41,590 --> 00:16:38,720

they don't they just

447

00:16:43,110 --> 00:16:41,600

they move around uh intelligently and

448

00:16:45,350 --> 00:16:43,120

they're playful too

449

00:16:47,189 --> 00:16:45,360

a lot of times so i think it's you know

450

00:16:49,590 --> 00:16:47,199

you can see them kind of

451
00:16:51,590 --> 00:16:49,600
um in some instances when pilots and

452
00:16:53,990 --> 00:16:51,600
those uh sort of military experts come

453
00:16:55,350 --> 00:16:54,000
forward yeah explain

454
00:17:00,069 --> 00:16:55,360
how

455
00:17:02,949 --> 00:17:00,079
them or yeah playing like a puppy is one

456
00:17:04,949 --> 00:17:02,959
person kind of described it so it's

457
00:17:07,990 --> 00:17:04,959
obviously intelligent and it's not a

458
00:17:10,949 --> 00:17:08,000
drone first of all drones aren't in the

459
00:17:12,949 --> 00:17:10,959
upper like out of the atmosphere

460
00:17:15,669 --> 00:17:12,959
you know these are real

461
00:17:16,470 --> 00:17:15,679
instances we're having and um i want to

462
00:17:18,949 --> 00:17:16,480
see

463
00:17:21,029 --> 00:17:18,959

a video you had

464

00:17:22,390 --> 00:17:21,039

an experience recently tell us a little

465

00:17:24,789 --> 00:17:22,400

bit about it

466

00:17:29,110 --> 00:17:24,799

okay so

467

00:17:31,669 --> 00:17:29,120

madison and i had a party and i was

468

00:17:33,430 --> 00:17:31,679

walking back to my house um we had it in

469

00:17:36,789 --> 00:17:33,440

our main house i live in the guest house

470

00:17:38,150 --> 00:17:36,799

and so i was walking back to my house it

471

00:17:42,630 --> 00:17:38,160

was like

472

00:17:46,230 --> 00:17:42,640

early like 4 35 i want to say i might

473

00:17:48,070 --> 00:17:46,240

have the time on the video but um i was

474

00:17:49,830 --> 00:17:48,080

walking back to my house

475

00:17:52,230 --> 00:17:49,840

and

476
00:17:53,669 --> 00:17:52,240
i heard this sound

477
00:17:56,549 --> 00:17:53,679
that

478
00:17:58,710 --> 00:17:56,559
literally filled the entire sky and when

479
00:18:00,390 --> 00:17:58,720
i say that i don't say that lightly

480
00:18:02,710 --> 00:18:00,400
because

481
00:18:05,270 --> 00:18:02,720
where our house is

482
00:18:07,190 --> 00:18:05,280
the way that our property is designed

483
00:18:09,430 --> 00:18:07,200
the way that like the neighborhood set

484
00:18:12,150 --> 00:18:09,440
up and everything there's a lot of

485
00:18:15,270 --> 00:18:12,160
people around here that

486
00:18:17,510 --> 00:18:15,280
have firework addiction and they light

487
00:18:19,350 --> 00:18:17,520
them off in the sky

488
00:18:22,070 --> 00:18:19,360

all around us

489

00:18:23,430 --> 00:18:22,080

all hours of the night all months not

490

00:18:25,350 --> 00:18:23,440

just july

491

00:18:27,510 --> 00:18:25,360

jesus and it is one of the most annoying

492

00:18:30,070 --> 00:18:27,520

frustrating things ever because it gave

493

00:18:31,830 --> 00:18:30,080

our dogs anxiety you know so

494

00:18:33,350 --> 00:18:31,840

whatever that's a whole different issue

495

00:18:36,070 --> 00:18:33,360

but yeah

496

00:18:38,310 --> 00:18:36,080

um yeah so

497

00:18:40,789 --> 00:18:38,320

when when there's fireworks going you

498

00:18:42,390 --> 00:18:40,799

can clearly hear them

499

00:18:45,110 --> 00:18:42,400

you can clearly tell

500

00:18:48,070 --> 00:18:45,120

where it's coming from and

501
00:18:50,710 --> 00:18:48,080
there's like a level of

502
00:18:52,310 --> 00:18:50,720
um just spatial awareness as to like

503
00:18:54,549 --> 00:18:52,320
where it is where it's yeah and it's

504
00:18:57,270 --> 00:18:54,559
like a pop it's like a pop you know you

505
00:18:59,190 --> 00:18:57,280
know when you hear it yeah you know it

506
00:19:00,950 --> 00:18:59,200
and a lot of people like

507
00:19:03,110 --> 00:19:00,960
you know will go on like citizen the

508
00:19:05,750 --> 00:19:03,120
citizen app and be like oh it's like you

509
00:19:07,830 --> 00:19:05,760
know gunshots gunshots i had to delete

510
00:19:08,830 --> 00:19:07,840
that up real fast because i was like

511
00:19:12,230 --> 00:19:08,840
these aren't

512
00:19:13,909 --> 00:19:12,240
guns they're clearly fireworks but okay

513
00:19:15,830 --> 00:19:13,919

karen is

514

00:19:17,190 --> 00:19:15,840

sitting there bored

515

00:19:20,310 --> 00:19:17,200

all right

516

00:19:22,150 --> 00:19:20,320

we get it so stupid when when we hear

517

00:19:24,310 --> 00:19:22,160

things in the sky when we hear things

518

00:19:25,669 --> 00:19:24,320

around us there was like a transformer

519

00:19:28,310 --> 00:19:25,679

that blew up

520

00:19:30,870 --> 00:19:28,320

it was very quick you were very quickly

521

00:19:33,110 --> 00:19:30,880

easily able to place exactly the

522

00:19:36,230 --> 00:19:33,120

direction that it was coming from

523

00:19:41,190 --> 00:19:39,750

you couldn't pinpoint that at all it

524

00:19:43,669 --> 00:19:41,200

felt

525

00:19:46,070 --> 00:19:43,679

like this like almost like

526

00:19:47,750 --> 00:19:46,080

if the sound was if we were standing in

527

00:19:49,669 --> 00:19:47,760

one of those um

528

00:19:51,029 --> 00:19:49,679

sound places where you know like you can

529

00:19:52,630 --> 00:19:51,039

stand on one side of the room and it's

530

00:19:53,990 --> 00:19:52,640

like shaped like a dome and then you say

531

00:19:55,190 --> 00:19:54,000

whisper something and the other person

532

00:19:57,430 --> 00:19:55,200

could hear you

533

00:19:59,909 --> 00:19:57,440

that's what it sounded like when i was

534

00:20:02,310 --> 00:19:59,919

experiencing it unfortunately

535

00:20:05,430 --> 00:20:02,320

on my video you couldn't really get that

536

00:20:07,270 --> 00:20:05,440

same um effect from it and i think one

537

00:20:09,590 --> 00:20:07,280

of you even said on like twitter or

538

00:20:11,510 --> 00:20:09,600

something when i posted it like oh

539

00:20:14,549 --> 00:20:11,520

that's crazy it was so loud and i was

540

00:20:15,909 --> 00:20:14,559

like loud you have no idea

541

00:20:19,110 --> 00:20:15,919

dia

542

00:20:20,630 --> 00:20:19,120

it was crazy and

543

00:20:22,950 --> 00:20:20,640

this is the second

544

00:20:24,950 --> 00:20:22,960

yeah the second i heard it it happened

545

00:20:25,909 --> 00:20:24,960

about four or five times

546

00:20:27,830 --> 00:20:25,919

the

547

00:20:28,950 --> 00:20:27,840

amount of seconds that it would go on

548

00:20:31,430 --> 00:20:28,960

for

549

00:20:32,950 --> 00:20:31,440

would would be anywhere from

550

00:20:34,950 --> 00:20:32,960

well i would say they were pretty

551
00:20:37,750 --> 00:20:34,960
consistent except the last one was

552
00:20:39,190 --> 00:20:37,760
shorter so i'm like is that something

553
00:20:40,390 --> 00:20:39,200
and they realized i was filming and

554
00:20:41,510 --> 00:20:40,400
they're like no

555
00:20:44,230 --> 00:20:41,520
we're gonna

556
00:20:45,590 --> 00:20:44,240
nope right we don't want to be filmed

557
00:20:50,470 --> 00:20:45,600
that happens

558
00:20:56,470 --> 00:20:53,270
so i like i stood there

559
00:20:58,230 --> 00:20:56,480
and the second i heard it

560
00:21:08,149 --> 00:20:58,240
i

561
00:21:09,909 --> 00:21:08,159
was

562
00:21:11,350 --> 00:21:09,919
oh my god

563
00:21:13,510 --> 00:21:11,360

this is going to be something that i

564

00:21:16,470 --> 00:21:13,520

cannot explain

565

00:21:19,190 --> 00:21:16,480

i knew it instantly and i didn't get a

566

00:21:21,190 --> 00:21:19,200

sense that it was

567

00:21:23,430 --> 00:21:21,200

it was definitely not natural that was

568

00:21:26,710 --> 00:21:23,440

my second thought was okay

569

00:21:28,390 --> 00:21:26,720

this is not a natural sound that i can

570

00:21:30,950 --> 00:21:28,400

like i'm gonna sit here and i'm gonna

571

00:21:32,710 --> 00:21:30,960

try and i've literally done so much

572

00:21:36,310 --> 00:21:32,720

research on like

573

00:21:38,950 --> 00:21:36,320

youtube looking up all kinds of sounds

574

00:21:41,430 --> 00:21:38,960

that sound similar and

575

00:21:43,510 --> 00:21:41,440

none of them quite fitting

576

00:21:44,390 --> 00:21:43,520

have you heard of the seneca guns

577

00:21:45,830 --> 00:21:44,400

no

578

00:21:46,789 --> 00:21:45,840

okay we're going to talk about that

579

00:21:49,190 --> 00:21:46,799

because

580

00:21:50,310 --> 00:21:49,200

i was looking into

581

00:21:52,310 --> 00:21:50,320

exactly what you're talking about

582

00:21:54,310 --> 00:21:52,320

because i was trying to figure out

583

00:21:56,310 --> 00:21:54,320

because if it came from the sky we know

584

00:21:59,510 --> 00:21:56,320

it's not somebody pushing something we

585

00:22:00,870 --> 00:21:59,520

know that it's not a firework it kind of

586

00:22:02,789 --> 00:22:00,880

you know and i think what you were

587

00:22:05,510 --> 00:22:02,799

saying spatial awareness does matter in

588

00:22:07,669 --> 00:22:05,520

this case you can tell which direction

589

00:22:10,149 --> 00:22:07,679

you know but um

590

00:22:12,710 --> 00:22:10,159

we're i wanna first can we let's show us

591

00:22:15,350 --> 00:22:12,720

the video and then um we'll talk about

592

00:22:17,350 --> 00:22:15,360

what we think it might be so all right

593

00:22:21,210 --> 00:22:17,360

so this is this is the original video

594

00:22:21,220 --> 00:22:27,430

[Music]

595

00:22:27,440 --> 00:22:30,950

what is that

596

00:22:35,830 --> 00:22:33,350

it almost sounds like a growl from here

597

00:22:40,549 --> 00:22:35,840

it sounds like a mechanical pterodactyl

598

00:22:40,559 --> 00:22:43,190

it's got like

599

00:22:46,549 --> 00:22:44,630

there's something in there

600

00:22:48,310 --> 00:22:46,559

something like that yeah

601
00:22:51,350 --> 00:22:48,320
yeah

602
00:22:54,630 --> 00:22:53,270
no fireworks

603
00:22:56,070 --> 00:22:54,640
no gun shots

604
00:22:59,590 --> 00:22:56,080
and then none of them even sound like

605
00:23:01,669 --> 00:22:59,600
that i can't believe how loud that was

606
00:23:03,190 --> 00:23:01,679
it's almost like it was all around you

607
00:23:04,710 --> 00:23:03,200
mm-hmm yeah that's what i was saying

608
00:23:05,990 --> 00:23:04,720
there's like a bubble like around here

609
00:23:07,350 --> 00:23:06,000
you can

610
00:23:08,870 --> 00:23:07,360
what did you feel like when that

611
00:23:10,789 --> 00:23:08,880
happened

612
00:23:13,750 --> 00:23:10,799
i mean my first

613
00:23:15,750 --> 00:23:13,760

my first it was like a million thoughts

614

00:23:17,270 --> 00:23:15,760

and feelings went through my head in a

615

00:23:18,310 --> 00:23:17,280

split second

616

00:23:20,789 --> 00:23:18,320

like

617

00:23:22,549 --> 00:23:20,799

there were so many things going on in my

618

00:23:23,909 --> 00:23:22,559

head the first thing that i remembered

619

00:23:26,630 --> 00:23:23,919

though was

620

00:23:29,110 --> 00:23:26,640

like obviously

621

00:23:31,590 --> 00:23:29,120

okay this is not natural this is not

622

00:23:34,149 --> 00:23:31,600

something that you are going to be able

623

00:23:35,110 --> 00:23:34,159

to explain and the weird thing

624

00:23:38,390 --> 00:23:35,120

was

625

00:23:41,350 --> 00:23:38,400

i am an i'm a natural debunker so i grew

626
00:23:43,510 --> 00:23:41,360
up doing paranormal investigations like

627
00:23:45,350 --> 00:23:43,520
a house was haunted yeah i have all the

628
00:23:48,149 --> 00:23:45,360
equipment that's awesome

629
00:23:51,510 --> 00:23:48,159
oh yeah yeah

630
00:23:53,510 --> 00:23:51,520
huge into paranormal investigating like

631
00:23:56,149 --> 00:23:53,520
and i'm the first person

632
00:23:57,909 --> 00:23:56,159
to run into the creepy dark place that

633
00:23:59,830 --> 00:23:57,919
our my mom's best friend's a psychic

634
00:24:01,590 --> 00:23:59,840
medium her name's lorna and we'll be

635
00:24:03,510 --> 00:24:01,600
investigating her place and she's like

636
00:24:04,950 --> 00:24:03,520
no there's a demon in there i am not

637
00:24:06,630 --> 00:24:04,960
going in there and i'm like oh where

638
00:24:07,430 --> 00:24:06,640

over there okay cool

639

00:24:08,950 --> 00:24:07,440

you know

640

00:24:12,070 --> 00:24:08,960

someone's screaming bloody murder which

641

00:24:14,310 --> 00:24:12,080

direction do i go yeah

642

00:24:17,110 --> 00:24:14,320

that's literally me i'm like i have like

643

00:24:20,149 --> 00:24:17,120

no fear um except there was this one

644

00:24:21,990 --> 00:24:20,159

time that like things got crazy and

645

00:24:23,669 --> 00:24:22,000

then it kind of put me on pause for a

646

00:24:25,909 --> 00:24:23,679

minute but like

647

00:24:27,669 --> 00:24:25,919

at the end of the day i'm alive and

648

00:24:29,590 --> 00:24:27,679

you're not so

649

00:24:32,549 --> 00:24:29,600

winning

650

00:24:37,149 --> 00:24:34,390

uh growing up doing paranormal

651
00:24:38,950 --> 00:24:37,159
investigating my brain

652
00:24:41,669 --> 00:24:38,960
naturally

653
00:24:43,909 --> 00:24:41,679
instantly tries to debunk not that i'm

654
00:24:46,470 --> 00:24:43,919
trying to disbelieve it and i think that

655
00:24:48,789 --> 00:24:46,480
there's a misconception with when you

656
00:24:50,390 --> 00:24:48,799
say the word skeptic or like you're

657
00:24:52,950 --> 00:24:50,400
debunking

658
00:24:55,669 --> 00:24:52,960
it doesn't necessarily mean that like

659
00:24:57,909 --> 00:24:55,679
you don't believe it means that you're

660
00:25:00,549 --> 00:24:57,919
skeptical and you're trying analytically

661
00:25:02,070 --> 00:25:00,559
to kind of figure out okay

662
00:25:04,230 --> 00:25:02,080
this is what i feel

663
00:25:05,909 --> 00:25:04,240

which i felt something when i heard that

664

00:25:09,510 --> 00:25:05,919

this is what i feel

665

00:25:13,750 --> 00:25:09,520

but logically could it be anything else

666

00:25:15,909 --> 00:25:13,760

and so i hope that that's what people

667

00:25:18,470 --> 00:25:15,919

go into watching and identified with

668

00:25:21,269 --> 00:25:18,480

that same idea of

669

00:25:24,230 --> 00:25:21,279

you know please watch it please try to

670

00:25:25,909 --> 00:25:24,240

debunk it like i'm fine with that i love

671

00:25:29,590 --> 00:25:25,919

that i think it should it starts

672

00:25:31,590 --> 00:25:29,600

conversations it gets people talking and

673

00:25:34,070 --> 00:25:31,600

the more people talk and they don't talk

674

00:25:35,990 --> 00:25:34,080

about it in such a scary manner if they

675

00:25:40,390 --> 00:25:36,000

talk about it in a scientific manner

676

00:25:42,549 --> 00:25:40,400

like start looking at ufology and all of

677

00:25:43,669 --> 00:25:42,559

you know phenomenology

678

00:25:47,110 --> 00:25:43,679

period

679

00:25:49,510 --> 00:25:47,120

as a conversation starter i think that's

680

00:25:50,630 --> 00:25:49,520

very important i have a question is like

681

00:25:52,070 --> 00:25:50,640

your property there's like nothing

682

00:25:53,750 --> 00:25:52,080

around you right it's just like open

683

00:25:56,710 --> 00:25:53,760

field and whatnot

684

00:25:58,310 --> 00:25:56,720

um it's a it's a neighborhood and um but

685

00:26:00,950 --> 00:25:58,320

there's no highways

686

00:26:02,710 --> 00:26:00,960

um and there's no construction going on

687

00:26:06,470 --> 00:26:02,720

or anything well first of all in

688

00:26:09,269 --> 00:26:06,480

california especially where we are um a

689

00:26:12,789 --> 00:26:09,279

lot of people that live around here are

690

00:26:15,590 --> 00:26:12,799

workers like our construction workers or

691

00:26:17,750 --> 00:26:15,600

like the the regulations on when you're

692

00:26:18,710 --> 00:26:17,760

allowed to start doing construction and

693

00:26:21,430 --> 00:26:18,720

everything

694

00:26:24,470 --> 00:26:21,440

everybody that sticks to that mandate

695

00:26:26,310 --> 00:26:24,480

okay so i wanted to go into some

696

00:26:29,350 --> 00:26:26,320

research i did and looking at this thing

697

00:26:30,950 --> 00:26:29,360

so the the one thing that um we came up

698

00:26:34,149 --> 00:26:30,960

with

699

00:26:35,430 --> 00:26:34,159

where there was a sort of

700

00:26:37,830 --> 00:26:35,440

i don't want to say universal but there

701
00:26:40,710 --> 00:26:37,840
was a you know a sound that was in the

702
00:26:44,390 --> 00:26:40,720
sky you know where it was everywhere

703
00:26:46,789 --> 00:26:44,400
ubiquitous sound in the sky um

704
00:26:49,990 --> 00:26:46,799
the one thing that comes

705
00:26:53,430 --> 00:26:50,000
to mind is something called seneca guns

706
00:26:54,549 --> 00:26:53,440
and the seneca guns are these strange

707
00:26:55,990 --> 00:26:54,559
sounds

708
00:26:57,750 --> 00:26:56,000
or booms

709
00:27:01,750 --> 00:26:57,760
um sounds kind of like you're talking

710
00:27:03,909 --> 00:27:01,760
about and it happens uh in the skies

711
00:27:04,950 --> 00:27:03,919
where is this like north carolina area

712
00:27:07,510 --> 00:27:04,960
so like

713
00:27:08,870 --> 00:27:07,520

on the on the coast

714

00:27:10,230 --> 00:27:08,880

the east coast

715

00:27:12,390 --> 00:27:10,240

is where these

716

00:27:14,149 --> 00:27:12,400

sounds are called seneca guns and it

717

00:27:15,990 --> 00:27:14,159

actually happens in other places in the

718

00:27:19,029 --> 00:27:16,000

world too they have different names for

719

00:27:22,389 --> 00:27:19,039

them they're not guns they just sound

720

00:27:24,310 --> 00:27:22,399

like something like that

721

00:27:26,230 --> 00:27:24,320

let me see if i can let me see if i can

722

00:27:28,470 --> 00:27:26,240

pull up something on this side

723

00:27:29,909 --> 00:27:28,480

just from hearing what she played on the

724

00:27:31,830 --> 00:27:29,919

phone

725

00:27:34,630 --> 00:27:31,840

i can i can definitely tell it's like

726

00:27:37,190 --> 00:27:34,640

right around it's like a bubble of that

727

00:27:38,789 --> 00:27:37,200

it's all around her it's all around it's

728

00:27:41,430 --> 00:27:38,799

going all around her it's not like front

729

00:27:43,269 --> 00:27:41,440

facing side facing behind it's all

730

00:27:45,350 --> 00:27:43,279

around it sounds like it's right in your

731

00:27:50,389 --> 00:27:45,360

face yes right you're facing the echo

732

00:27:55,750 --> 00:27:53,430

let me take a listen to this seneca guns

733

00:27:58,070 --> 00:27:55,760

here in upper bucks county something has

734

00:28:00,789 --> 00:27:58,080

been going bump in the night i thought

735

00:28:03,110 --> 00:28:00,799

maybe somebody was making a tunnel or or

736

00:28:06,149 --> 00:28:03,120

space junk fell out of the sky from

737

00:28:07,750 --> 00:28:06,159

poachers gunfire to

738

00:28:10,230 --> 00:28:07,760

explosions

739

00:28:12,630 --> 00:28:10,240

to sonic booms there has been no

740

00:28:14,950 --> 00:28:12,640

shortage of theories but still no answer

741

00:28:17,269 --> 00:28:14,960

as to why so many residents have been

742

00:28:19,830 --> 00:28:17,279

jolted by a mysterious and near

743

00:28:20,710 --> 00:28:19,840

deafening boom sound so all i'm saying

744

00:28:22,630 --> 00:28:20,720

is

745

00:28:24,149 --> 00:28:22,640

maybe even if it's not

746

00:28:26,310 --> 00:28:24,159

what that was pretty damn that's pretty

747

00:28:28,710 --> 00:28:26,320

damn close

748

00:28:31,830 --> 00:28:28,720

i've heard that one before

749

00:28:36,870 --> 00:28:34,070

either that one or one similar um we

750

00:28:39,669 --> 00:28:36,880

actually explored on unidentified um

751

00:28:42,310 --> 00:28:39,679

with a girl named brittany who is like

752

00:28:44,549 --> 00:28:42,320

um a ufologist but like she's just like

753

00:28:47,669 --> 00:28:44,559

a she's big on research like she's a

754

00:28:51,029 --> 00:28:47,679

researcher and um she played us the

755

00:28:52,630 --> 00:28:51,039

sound that um like there was like a

756

00:28:54,070 --> 00:28:52,640

series of sounds

757

00:28:57,430 --> 00:28:54,080

and

758

00:28:58,870 --> 00:28:57,440

like she went diving to kind of see

759

00:29:00,870 --> 00:28:58,880

i don't want to give too much away but

760

00:29:02,870 --> 00:29:00,880

like basically we ended up

761

00:29:05,269 --> 00:29:02,880

getting something and it was pretty

762

00:29:07,350 --> 00:29:05,279

crazy and

763

00:29:11,549 --> 00:29:07,360

it's like

764

00:29:15,990 --> 00:29:13,190

reverberates

765

00:29:17,430 --> 00:29:16,000

in so many different directions

766

00:29:20,149 --> 00:29:17,440

ubiquitous

767

00:29:23,269 --> 00:29:20,159

that's what makes me kind of like

768

00:29:25,430 --> 00:29:23,279

question things and go okay

769

00:29:27,669 --> 00:29:25,440

how is that doing that

770

00:29:31,350 --> 00:29:27,679

you know but i think it i can't remember

771

00:29:33,750 --> 00:29:31,360

what episode it was um of yours um i

772

00:29:35,110 --> 00:29:33,760

think it was one of your youtubes or one

773

00:29:38,149 --> 00:29:35,120

of your podcasts

774

00:29:39,029 --> 00:29:38,159

where you were talking about skinny bomb

775

00:29:40,630 --> 00:29:39,039

yes

776

00:29:42,870 --> 00:29:40,640

one of you i can't remember which one

777

00:29:44,310 --> 00:29:42,880

i'm sorry but one of you said something

778

00:29:45,669 --> 00:29:44,320

about like

779

00:29:47,990 --> 00:29:45,679

you can tell

780

00:29:50,789 --> 00:29:48,000

when something doesn't feel or you can

781

00:29:54,149 --> 00:29:50,799

tell when something feels alive or

782

00:29:56,070 --> 00:29:54,159

you know when something is alive and

783

00:29:57,269 --> 00:29:56,080

that's what this sound

784

00:29:58,630 --> 00:29:57,279

felt like

785

00:29:59,669 --> 00:29:58,640

overall

786

00:30:01,909 --> 00:29:59,679

it felt

787

00:30:03,830 --> 00:30:01,919

alive i don't know

788

00:30:05,830 --> 00:30:03,840

what that looks like

789

00:30:08,870 --> 00:30:05,840

but i know what it felt like and it

790

00:30:14,630 --> 00:30:08,880

didn't feel

791

00:30:16,310 --> 00:30:14,640

like that is man-made or whatever you

792

00:30:17,669 --> 00:30:16,320

know

793

00:30:19,909 --> 00:30:17,679

we're gonna have to do this again by the

794

00:30:21,029 --> 00:30:19,919

way and i'm [\h__\h] serious about going

795

00:30:24,310 --> 00:30:21,039

somewhere

796

00:30:26,870 --> 00:30:24,320

like i work from home and i do whatever

797

00:30:29,430 --> 00:30:26,880

i want and i can me too

798

00:30:31,990 --> 00:30:29,440

oh my god it's like perfect

799

00:30:33,669 --> 00:30:32,000

it's because of our famous stars

800

00:30:36,630 --> 00:30:33,679

that's what it is

801
00:30:38,630 --> 00:30:36,640
you are our biggest fans

802
00:30:40,630 --> 00:30:38,640
i love you guys so much we are your

803
00:30:41,430 --> 00:30:40,640
biggest fan i got that around we love

804
00:30:44,149 --> 00:30:41,440
you

805
00:30:45,909 --> 00:30:44,159
the love is reciprocated

806
00:30:47,110 --> 00:30:45,919
i'm so happy when you follow me on

807
00:30:52,549 --> 00:30:47,120
twitter i was like [h__h] finally i

808
00:30:55,830 --> 00:30:53,909
i know

809
00:30:58,230 --> 00:30:55,840
i felt like we connected there that's

810
00:31:00,870 --> 00:30:58,240
why i felt i really and well i mean you

811
00:31:03,190 --> 00:31:00,880
know demi and dallas too that i met like

812
00:31:05,590 --> 00:31:03,200
i don't know i felt like

813
00:31:07,590 --> 00:31:05,600

i'll never forget it because you had

814

00:31:08,470 --> 00:31:07,600

that experience either

815

00:31:09,509 --> 00:31:08,480

and

816

00:31:13,669 --> 00:31:09,519

i mean

817

00:31:16,710 --> 00:31:13,679

we we're two guys from sacramento

818

00:31:18,549 --> 00:31:16,720

that ended up in tahunga canyon with

819

00:31:19,750 --> 00:31:18,559

demi and dallas lovato

820

00:31:25,029 --> 00:31:19,760

and

821

00:31:27,909 --> 00:31:25,039

um

822

00:31:29,990 --> 00:31:27,919

it's an impossibility for us to really

823

00:31:30,950 --> 00:31:30,000

have that opportunity does that make

824

00:31:32,230 --> 00:31:30,960

sense

825

00:31:36,630 --> 00:31:32,240

no

826

00:31:41,430 --> 00:31:38,789

i get what you're saying but honestly

827

00:31:44,789 --> 00:31:41,440

you guys are so incredible

828

00:31:47,750 --> 00:31:44,799

i felt honored to be there with you so

829

00:31:49,990 --> 00:31:47,760

oh i felt this i get it i get it because

830

00:31:52,230 --> 00:31:50,000

it's reciprocated you know

831

00:31:53,430 --> 00:31:52,240

you get it which is like that's what i'm

832

00:31:55,269 --> 00:31:53,440

saying about this whole thing is it's

833

00:31:57,269 --> 00:31:55,279

like

834

00:31:59,190 --> 00:31:57,279

for that to happen we're all in the same

835

00:32:00,630 --> 00:31:59,200

place and then we have that

836

00:32:02,070 --> 00:32:00,640

moment

837

00:32:03,190 --> 00:32:02,080

there's something about it and i always

838

00:32:05,110 --> 00:32:03,200

feel like just to give you a little

839

00:32:07,909 --> 00:32:05,120

background joe and i after going through

840

00:32:08,789 --> 00:32:07,919

a hard time we just went to roswell one

841

00:32:11,430 --> 00:32:08,799

day

842

00:32:12,470 --> 00:32:11,440

and then area 51 and then we started

843

00:32:15,269 --> 00:32:12,480

going to all these events because it was

844

00:32:17,990 --> 00:32:15,279

just fun and

845

00:32:21,190 --> 00:32:18,000

it just like one thing led to another

846

00:32:29,909 --> 00:32:22,230

it

847

00:32:31,509 --> 00:32:29,919

thinking about

848

00:32:33,590 --> 00:32:31,519

clearing out your life for whatever

849

00:32:36,710 --> 00:32:33,600

reason whether it's it's painful or not

850

00:32:39,110 --> 00:32:36,720

like right before i filmed this

851

00:32:41,269 --> 00:32:39,120

unidentified kind of understand i can

852

00:32:43,110 --> 00:32:41,279

kind of connect with you on that because

853

00:32:45,110 --> 00:32:43,120

having this opportunity i was like what

854

00:32:46,470 --> 00:32:45,120

am i gonna sit in my house and just stop

855

00:32:49,110 --> 00:32:46,480

my face and be all depressed and

856

00:32:51,190 --> 00:32:49,120

everything and like

857

00:32:53,430 --> 00:32:51,200

literally barely get up to take care of

858

00:32:55,350 --> 00:32:53,440

my pets barely do anything and then i

859

00:32:59,350 --> 00:32:55,360

understand that so hard by the way yeah

860

00:33:01,750 --> 00:32:59,360

yeah seriously i get that so bad i i

861

00:33:04,389 --> 00:33:01,760

understand it's so so

862

00:33:06,230 --> 00:33:04,399

so much more common than people even

863

00:33:07,990 --> 00:33:06,240

[h__\h] you realize you're like i have

864

00:33:10,389 --> 00:33:08,000

the whole world at my hands to do

865

00:33:12,149 --> 00:33:10,399

anything i want and i don't want to even

866

00:33:13,430 --> 00:33:12,159

open my laptop or i don't even want to

867

00:33:15,269 --> 00:33:13,440

like

868

00:33:18,310 --> 00:33:15,279

take the trash out you want to cry i get

869

00:33:19,269 --> 00:33:18,320

that i get it i get it it's it's hard

870

00:33:20,630 --> 00:33:19,279

you know

871

00:33:22,070 --> 00:33:20,640

but

872

00:33:25,909 --> 00:33:22,080

i think you're not the only one sweetie

873

00:33:31,750 --> 00:33:29,509

the second that you start

874

00:33:34,310 --> 00:33:31,760

clearing out your life

875

00:33:36,630 --> 00:33:34,320

with all of the

876

00:33:39,590 --> 00:33:36,640

things that were holding you down and

877

00:33:42,149 --> 00:33:39,600

tying you back the universe literally

878

00:33:44,310 --> 00:33:42,159

jumps at you and says okay

879

00:33:46,630 --> 00:33:44,320

let's do something better sometimes but

880

00:33:48,389 --> 00:33:46,640

you have to make the choice to get up

881

00:33:50,470 --> 00:33:48,399

every day and that's the hardest part

882

00:33:52,630 --> 00:33:50,480

sometimes putting one foot

883

00:33:55,590 --> 00:33:52,640

just stepping out of your bed i will

884

00:33:59,350 --> 00:33:55,600

stare at the floor for one thing

885

00:34:01,909 --> 00:33:59,360

yeah one thing one little pivot each day

886

00:34:03,830 --> 00:34:01,919

one little thing a little bit work a

887

00:34:06,310 --> 00:34:03,840

little bit harder than you did try to be

888

00:34:09,270 --> 00:34:06,320

a little bit more positive try to

889

00:34:11,190 --> 00:34:09,280

redirect your ruminating thoughts one a

890

00:34:13,190 --> 00:34:11,200

little bit harder each time that you

891

00:34:14,550 --> 00:34:13,200

start to think about something bad you

892

00:34:16,550 --> 00:34:14,560

know and

893

00:34:20,950 --> 00:34:16,560

the more you do that

894

00:34:23,829 --> 00:34:20,960

i have seen from my own life

895

00:34:27,030 --> 00:34:23,839

and i can't speak for everyone but i do

896

00:34:30,550 --> 00:34:27,040

know that in my journey and in my path

897

00:34:32,310 --> 00:34:30,560

every single time that i showed god or

898

00:34:35,030 --> 00:34:32,320

the universe or whatever the [h__h] you

899

00:34:37,909 --> 00:34:35,040

want to call it that i am doing

900

00:34:42,389 --> 00:34:37,919

something to better myself the universe

901
00:34:46,869 --> 00:34:43,270
yes

902
00:34:48,389 --> 00:34:46,879
and it is manifestation it is

903
00:34:50,470 --> 00:34:48,399
throwing yourself

904
00:34:52,869 --> 00:34:50,480
into

905
00:34:55,750 --> 00:34:52,879
the universe and spirituality and belief

906
00:34:57,430 --> 00:34:55,760
and and self-love and that's the hardest

907
00:34:58,230 --> 00:34:57,440
thing in the world but just do a little

908
00:34:59,270 --> 00:34:58,240
bit

909
00:35:00,310 --> 00:34:59,280
mm-hmm

910
00:35:02,310 --> 00:35:00,320
you know

911
00:35:04,790 --> 00:35:02,320
exactly i'm really i'm really happy for

912
00:35:06,550 --> 00:35:04,800
you guys that you guys are

913
00:35:08,550 --> 00:35:06,560

you were able to take that journey to

914

00:35:10,630 --> 00:35:08,560

roswell because that opened

915

00:35:12,870 --> 00:35:10,640

so many amazing doors for you

916

00:35:15,910 --> 00:35:12,880

and the doors are just gonna keep

917

00:35:17,430 --> 00:35:15,920

opening because you are doing god

918

00:35:18,950 --> 00:35:17,440

doesn't help those or they there's a

919

00:35:21,109 --> 00:35:18,960

saying god doesn't help those that don't

920

00:35:24,069 --> 00:35:21,119

help themselves and

921

00:35:25,910 --> 00:35:24,079

that is what i have experienced in my

922

00:35:28,069 --> 00:35:25,920

journey facts

923

00:35:30,870 --> 00:35:28,079

if i sit here and stay on give me

924

00:35:31,750 --> 00:35:30,880

chances

925

00:35:34,550 --> 00:35:31,760

you know

926

00:35:36,550 --> 00:35:34,560

so i think that's beautiful and i love

927

00:35:38,150 --> 00:35:36,560

the energy that you guys have i love

928

00:35:39,510 --> 00:35:38,160

everything that you guys stand for and

929

00:35:42,470 --> 00:35:39,520

everything that you do

930

00:35:45,829 --> 00:35:42,480

your message is more powerful than you

931

00:35:48,150 --> 00:35:45,839

can even imagine right now so

932

00:35:50,069 --> 00:35:48,160

thank you for letting me be a part of

933

00:35:52,790 --> 00:35:50,079

this show with you guys like i've looked

934

00:35:54,069 --> 00:35:52,800

up to you guys as ufologist for so long

935

00:35:56,870 --> 00:35:54,079

thank you so much

936

00:35:59,190 --> 00:35:56,880

this has been a dream of mine for a

937

00:36:02,150 --> 00:35:59,200

really long time and so i just want to

938

00:36:03,430 --> 00:36:02,160

say thank you for allowing me to do this

939

00:36:04,630 --> 00:36:03,440

you know

940

00:36:06,790 --> 00:36:04,640

oh my god

941

00:36:07,510 --> 00:36:06,800

dallas thank you thank you for being on

942

00:36:11,829 --> 00:36:07,520

our

943

00:36:14,069 --> 00:36:11,839

we'll definitely have you on again

944

00:36:15,910 --> 00:36:14,079

because i know oh yes there's definitely

945

00:36:16,630 --> 00:36:15,920

going to be some more experiences and

946

00:36:18,390 --> 00:36:16,640

then

947

00:36:20,310 --> 00:36:18,400

after we go you know we go on our trip

948

00:36:23,349 --> 00:36:20,320

dallas oh yeah oh it's going to be

949

00:36:25,030 --> 00:36:23,359

oh yes okay but um

950

00:36:26,390 --> 00:36:25,040

i hope i get to see you again someday

951
00:36:28,390 --> 00:36:26,400
anyway that'd be

952
00:36:31,109 --> 00:36:28,400
so cool it was something we're going to

953
00:36:33,109 --> 00:36:31,119
investigate we're going to investigate

954
00:36:35,109 --> 00:36:33,119
like we're going to we're going to do it

955
00:36:37,030 --> 00:36:35,119
we're going to i have all the equipment

956
00:36:38,710 --> 00:36:37,040
i got the rim pod i got the obvious

957
00:36:40,470 --> 00:36:38,720
three i need the five

958
00:36:47,190 --> 00:36:40,480
like

959
00:36:48,710 --> 00:36:47,200
i'm i'm so about it

960
00:36:50,390 --> 00:36:48,720
i'll bring our we'll bring our equipment

961
00:36:52,310 --> 00:36:50,400
you bring yours and then we'll go out

962
00:36:53,349 --> 00:36:52,320
there and go what the hell are we doing

963
00:36:55,109 --> 00:36:53,359

yeah

964

00:36:56,790 --> 00:36:55,119

well just skywatch

965

00:36:59,589 --> 00:36:56,800

no literally but that's that's what's

966

00:37:03,190 --> 00:36:59,599

cool is like it's that easy literally

967

00:37:05,589 --> 00:37:03,200

yes go in the desert take a seven dollar

968

00:37:08,390 --> 00:37:05,599

laser pointer from amazon the green ones

969

00:37:12,390 --> 00:37:08,400

don't shoot it in flight paths but or at

970

00:37:13,910 --> 00:37:12,400

planes but take one of those sit out

971

00:37:16,550 --> 00:37:13,920

in your yard

972

00:37:17,670 --> 00:37:16,560

and literally just contact it's that

973

00:37:25,589 --> 00:37:17,680

easy

974

00:37:27,349 --> 00:37:25,599

you know people are online they're like

975

00:37:29,030 --> 00:37:27,359

oh well that's not this and that's not

976
00:37:31,349 --> 00:37:29,040
bad and there's not enough proof and i

977
00:37:33,430 --> 00:37:31,359
don't have the numbers and then i'm like

978
00:37:35,589 --> 00:37:33,440
just go [h__h] sit in your backyard and

979
00:37:36,790 --> 00:37:35,599
look at the sky that's all you have to

980
00:37:39,510 --> 00:37:36,800
do

981
00:37:40,470 --> 00:37:39,520
we took two people out to a skywatch in

982
00:37:41,910 --> 00:37:40,480
oregon

983
00:37:43,750 --> 00:37:41,920
and they were [h__h] their pants just

984
00:37:45,670 --> 00:37:43,760
seeing the satellites fly by they never

985
00:37:47,589 --> 00:37:45,680
even knew they could actually see them

986
00:37:48,870 --> 00:37:47,599
because we're all here right all day

987
00:37:51,190 --> 00:37:48,880
we're here

988
00:37:53,349 --> 00:37:51,200

yep i'm like if you really think about

989

00:37:55,109 --> 00:37:53,359

it how often do you spend looking at the

990

00:37:56,790 --> 00:37:55,119

sky

991

00:37:59,270 --> 00:37:56,800

never none yeah

992

00:38:01,430 --> 00:37:59,280

no no maybe at night to be like oh

993

00:38:03,670 --> 00:38:01,440

where's the moon and then you you you go

994

00:38:05,589 --> 00:38:03,680

back

995

00:38:07,030 --> 00:38:05,599

oh it's a pretty night out but also too

996

00:38:09,190 --> 00:38:07,040

when you take your eyes off this guy you

997

00:38:10,150 --> 00:38:09,200

take you take your consciousness off of

998

00:38:11,589 --> 00:38:10,160

it

999

00:38:13,589 --> 00:38:11,599

you know

1000

00:38:17,589 --> 00:38:13,599

so

1001
00:38:19,670 --> 00:38:17,599
the consciousness you know we're all in

1002
00:38:21,430 --> 00:38:19,680
that same place

1003
00:38:24,230 --> 00:38:21,440
is the minute you go down boom here it's

1004
00:38:25,750 --> 00:38:24,240
all it's all gone you know and

1005
00:38:27,829 --> 00:38:25,760
you have to make a conscious effort to

1006
00:38:28,630 --> 00:38:27,839
view it

1007
00:38:33,349 --> 00:38:28,640
it's

1008
00:38:35,030 --> 00:38:33,359
like for how things are like

1009
00:38:36,710 --> 00:38:35,040
technologically and help you gotta get

1010
00:38:38,150 --> 00:38:36,720
stuck to practice at ibm then we're

1011
00:38:39,190 --> 00:38:38,160
gonna get everybody awarded something

1012
00:38:40,470 --> 00:38:39,200
they're gonna go to dinner we're going

1013
00:38:42,550 --> 00:38:40,480

to the pizza party chuck e cheese or

1014

00:38:44,790 --> 00:38:42,560

whatever

1015

00:38:52,790 --> 00:38:44,800

is true

1016

00:38:57,930 --> 00:38:55,510

you know what i'm talking about yes

1017

00:38:59,270 --> 00:38:57,940

nobody's like let's go sit out and

1018

00:39:01,589 --> 00:38:59,280

[Music]

1019

00:39:02,870 --> 00:39:01,599

and and have fun and we laughed and

1020

00:39:04,550 --> 00:39:02,880

there was a lot going on i think it just

1021

00:39:05,829 --> 00:39:04,560

brought a lot of great energy and we're

1022

00:39:06,790 --> 00:39:05,839

going to keep it up but i'm probably

1023

00:39:08,470 --> 00:39:06,800

going to let you go i don't want to take

1024

00:39:10,230 --> 00:39:08,480

too much of your time dallas we can

1025

00:39:12,790 --> 00:39:10,240

always face time or something

1026

00:39:14,310 --> 00:39:12,800

that's true that is very true i'm so

1027

00:39:16,630 --> 00:39:14,320

down

1028

00:39:18,470 --> 00:39:16,640

do it and anything i know jonah we know

1029

00:39:21,030 --> 00:39:18,480

like all the ufo stories or anything

1030

00:39:22,630 --> 00:39:21,040

like that's all i do so do you ever want

1031

00:39:24,870 --> 00:39:22,640

to just talk about like a case or

1032

00:39:25,750 --> 00:39:24,880

something or i mean if you could go

1033

00:39:27,670 --> 00:39:25,760

forward

1034

00:39:30,150 --> 00:39:27,680

i actually have a few

1035

00:39:32,470 --> 00:39:30,160

that i will i want to talk to you about

1036

00:39:34,550 --> 00:39:32,480

because there's a couple that

1037

00:39:36,310 --> 00:39:34,560

actually they i've learned about him

1038

00:39:38,630 --> 00:39:36,320

from the show so

1039

00:39:40,150 --> 00:39:38,640

after we watched like on september 30th

1040

00:39:42,069 --> 00:39:40,160

i'm gonna remember what those were i'm

1041

00:39:43,910 --> 00:39:42,079

gonna make a list as i watch and i'm

1042

00:39:45,910 --> 00:39:43,920

gonna be like okay i need to ask about

1043

00:39:47,589 --> 00:39:45,920

this this this and this let's do it

1044

00:39:49,510 --> 00:39:47,599

let's do it and then we can do another

1045

00:39:50,550 --> 00:39:49,520

one of these

1046

00:39:52,710 --> 00:39:50,560

and do that

1047

00:39:55,190 --> 00:39:52,720

yes perfect

1048

00:39:57,750 --> 00:39:55,200

perfect i love this i love you guys so

1049

00:39:59,270 --> 00:39:57,760

much we love you you're so wonderful

1050

00:40:02,150 --> 00:39:59,280

thank you so much for joining us for

1051
00:40:03,430 --> 00:40:02,160
this probe cast with the amazing and

1052
00:40:04,630 --> 00:40:03,440
gorgeous

1053
00:40:07,030 --> 00:40:04,640
and

1054
00:40:07,829 --> 00:40:07,040
stellar dick dallas let me try that

1055
00:40:11,030 --> 00:40:07,839
again

1056
00:40:13,190 --> 00:40:11,040
stellar dallas lovato the gorgeous she's

1057
00:40:15,589 --> 00:40:13,200
let me borrow that blouse i love it it's

1058
00:40:17,670 --> 00:40:15,599
been nice i'll see you

1059
00:40:18,790 --> 00:40:17,680
i love you guys

1060
00:40:20,290 --> 00:40:18,800
love you

1061
00:40:35,990 --> 00:40:20,300
bye
