

**PROBECAST**

WITH THE UFO BROS

*STARRING*  
**MATTHEW SCOTT  
MONTGOMERY**

**UNIDENTIFIED WITH DEMI LOVATO**

1  
00:00:03,990 --> 00:00:02,149  
my parents watched it my mom's reaction

2  
00:00:06,070 --> 00:00:04,000  
was i don't like that hat you wear in

3  
00:00:07,269 --> 00:00:06,080  
that one episode

4  
00:00:09,350 --> 00:00:07,279  
is it the one where your hat's like kind

5  
00:00:12,549 --> 00:00:09,360  
of like this yeah it is

6  
00:00:13,589 --> 00:00:12,559  
oh so you don't like it either

7  
00:00:14,870 --> 00:00:13,599  
that was

8  
00:00:16,150 --> 00:00:14,880  
my parents they watched the whole thing

9  
00:00:17,269 --> 00:00:16,160  
and that was the one thing that they

10  
00:00:19,590 --> 00:00:17,279  
said

11  
00:00:21,029 --> 00:00:19,600  
as you coming into this whole thing as a

12  
00:00:23,109 --> 00:00:21,039  
skeptic

13  
00:00:25,269 --> 00:00:23,119

um

14

00:00:26,710 --> 00:00:25,279

how do you feel about it now

15

00:00:28,950 --> 00:00:26,720

um

16

00:00:32,069 --> 00:00:28,960

i think

17

00:00:33,590 --> 00:00:32,079

i'm yeah i mean that's real that's real

18

00:00:36,069 --> 00:00:33,600

like if you don't like my face doing

19

00:00:37,830 --> 00:00:36,079

that then you will not enjoy it a lot

20

00:00:39,280 --> 00:00:37,840

because it's mostly just me with my jaw

21

00:00:45,590 --> 00:00:39,290

on the floor

22

00:00:50,630 --> 00:00:48,549

what's up everybody i'm emmitt i'm joe

23

00:00:53,830 --> 00:00:50,640

and we're the ufo bros and we're here

24

00:00:56,790 --> 00:00:53,840

with matthew scott montgomery

25

00:00:58,790 --> 00:00:56,800

from unidentified with demi lovato now

26

00:01:00,549 --> 00:00:58,800

streaming on peacock i'm hitting the

27

00:01:02,950 --> 00:01:00,559

road with my best friend matthew and my

28

00:01:04,710 --> 00:01:02,960

sister dallas say hi to night vision

29

00:01:06,469 --> 00:01:04,720

high night vision

30

00:01:08,870 --> 00:01:06,479

let me tell you something

31

00:01:11,109 --> 00:01:08,880

obviously we're in this show

32

00:01:13,350 --> 00:01:11,119

but this was the most

33

00:01:15,270 --> 00:01:13,360

fun we've ever had

34

00:01:16,950 --> 00:01:15,280

with a group of people we didn't know

35

00:01:20,710 --> 00:01:16,960

what to expect

36

00:01:22,550 --> 00:01:20,720

and you were so much fun we had a blast

37

00:01:23,990 --> 00:01:22,560

what was it like for you

38

00:01:26,870 --> 00:01:24,000

just kind of going about your normal

39  
00:01:29,109 --> 00:01:26,880  
life and then somebody says hey you want

40  
00:01:30,870 --> 00:01:29,119  
to do a ufo show with demi like what was

41  
00:01:32,230 --> 00:01:30,880  
like

42  
00:01:33,350 --> 00:01:32,240  
well um

43  
00:01:35,270 --> 00:01:33,360  
first of all thank you so much for

44  
00:01:36,710 --> 00:01:35,280  
having me i'm also like gagging for your

45  
00:01:37,830 --> 00:01:36,720  
purple and green lights that are

46  
00:01:39,590 --> 00:01:37,840  
happening right now it's giving

47  
00:01:41,510 --> 00:01:39,600  
goosebumps which is like i'm obsessed

48  
00:01:43,910 --> 00:01:41,520  
with the goosebumps the tv series i

49  
00:01:44,950 --> 00:01:43,920  
didn't even realize that oh yeah

50  
00:01:46,550 --> 00:01:44,960  
actually

51  
00:01:47,830 --> 00:01:46,560  
that makes me so happy i will get to

52  
00:01:48,950 --> 00:01:47,840  
answer your question in a second i just

53  
00:01:51,030 --> 00:01:48,960  
wanted to point out how much i love

54  
00:01:54,230 --> 00:01:51,040  
those colors

55  
00:01:55,830 --> 00:01:54,240  
and it was so amazing that was our first

56  
00:01:58,310 --> 00:01:55,840  
night of shooting was with you guys that

57  
00:02:00,149 --> 00:01:58,320  
was our very first day of shooting um

58  
00:02:02,310 --> 00:02:00,159  
and i didn't know what to expect either

59  
00:02:04,069 --> 00:02:02,320  
well i mean if you know demi's my best

60  
00:02:06,630 --> 00:02:04,079  
friend and they've always been

61  
00:02:08,469 --> 00:02:06,640  
interested in ufos they've always been

62  
00:02:10,790 --> 00:02:08,479  
interested in like the sky and what's

63  
00:02:12,309 --> 00:02:10,800

above and conspiracy theories and things

64

00:02:14,470 --> 00:02:12,319

like that so that's not a new part of

65

00:02:16,949 --> 00:02:14,480

our friendship that's not a new part of

66

00:02:18,790 --> 00:02:16,959

you know of demi at all so i think about

67

00:02:21,190 --> 00:02:18,800

a year ago

68

00:02:23,030 --> 00:02:21,200

uh demi texted me was like um we're

69

00:02:25,430 --> 00:02:23,040

doing a tv show for nbc where we're

70

00:02:28,630 --> 00:02:25,440

gonna go hunt aliens i was like okay

71

00:02:32,309 --> 00:02:29,910

did i think it was actually gonna happen

72

00:02:33,830 --> 00:02:32,319

i was like 50 50. i mean i'm demi and i

73

00:02:35,750 --> 00:02:33,840

met on the same television show where

74

00:02:37,190 --> 00:02:35,760

i'm an actor and a lot of times in the

75

00:02:39,110 --> 00:02:37,200

entertainment industry like stuff never

76

00:02:42,070 --> 00:02:39,120

happens so it's like you meet about

77

00:02:43,750 --> 00:02:42,080

stuff and you take meetings and then a

78

00:02:46,229 --> 00:02:43,760

lot of times it's like if you're book

79

00:02:47,589 --> 00:02:46,239

acting work the joke is like don't tell

80

00:02:49,270 --> 00:02:47,599

anyone about it until your first

81

00:02:51,030 --> 00:02:49,280

residual check is cleared because you

82

00:02:52,790 --> 00:02:51,040

might be cut out of it you might all

83

00:02:54,550 --> 00:02:52,800

kinds of things might happen so i was

84

00:02:57,350 --> 00:02:54,560

like sure are we shooting a tv series

85

00:02:58,710 --> 00:02:57,360

where we're gonna go et hunting maybe

86

00:03:00,550 --> 00:02:58,720

you know what i mean but like of course

87

00:03:02,790 --> 00:03:00,560

i'm down you know what i mean i did

88

00:03:04,550 --> 00:03:02,800

definitely come in as the skeptic

89

00:03:06,070 --> 00:03:04,560

um but we took a few meetings it

90

00:03:07,589 --> 00:03:06,080

happened very quickly so like demi

91

00:03:11,270 --> 00:03:07,599

pointed like brought it up about a year

92

00:03:13,030 --> 00:03:11,280

ago and then we met like in april

93

00:03:14,710 --> 00:03:13,040

and twice in april and the next thing i

94

00:03:16,149 --> 00:03:14,720

know we were shooting in may so i didn't

95

00:03:17,350 --> 00:03:16,159

have a whole lot of time to think about

96

00:03:19,430 --> 00:03:17,360

it too much

97

00:03:21,030 --> 00:03:19,440

and because demi's schedule is so all

98

00:03:22,869 --> 00:03:21,040

over the place and mine can be depending

99

00:03:24,149 --> 00:03:22,879

on what we're doing sometimes we don't

100

00:03:26,630 --> 00:03:24,159

get to see each other as much as we

101  
00:03:28,070 --> 00:03:26,640  
would like so to

102  
00:03:30,309 --> 00:03:28,080  
all i knew for sure is that i was going

103  
00:03:32,550 --> 00:03:30,319  
to get an entire month together with

104  
00:03:34,949 --> 00:03:32,560  
them so that was like a real thrill

105  
00:03:37,750 --> 00:03:34,959  
so i was like sure let's do it let's

106  
00:03:39,910 --> 00:03:37,760  
let's hunt et's let's meet the ufo bros

107  
00:03:42,390 --> 00:03:39,920  
let's go all over the united states

108  
00:03:44,470 --> 00:03:42,400  
i'm so so down so i was excited i've

109  
00:03:46,789 --> 00:03:44,480  
never done um i'm used to working with a

110  
00:03:47,830 --> 00:03:46,799  
script so i do have improv experience

111  
00:03:50,470 --> 00:03:47,840  
but this was something that was very

112  
00:03:51,910 --> 00:03:50,480  
different so it was like uh you know

113  
00:03:53,429 --> 00:03:51,920

you could call it a documentary series

114

00:03:54,789 --> 00:03:53,439

you go reality tv whatever you want to

115

00:03:57,190 --> 00:03:54,799

call it was brand new so i didn't really

116

00:03:58,470 --> 00:03:57,200

know what to expect but um having you

117

00:04:00,710 --> 00:03:58,480

guys there for her first night of

118

00:04:02,390 --> 00:04:00,720

shooting i was like wait no this is real

119

00:04:04,710 --> 00:04:02,400

this is fun whoa whoa whoa stuff's

120

00:04:06,869 --> 00:04:04,720

actually happening it was very exciting

121

00:04:09,350 --> 00:04:06,879

that is that's awesome that's fantastic

122

00:04:10,710 --> 00:04:09,360

i remember when we oh sorry go ahead

123

00:04:11,830 --> 00:04:10,720

oh good bro

124

00:04:13,270 --> 00:04:11,840

actually i was gonna have you go into

125

00:04:14,630 --> 00:04:13,280

the next question which is perfect oh

126  
00:04:16,949 --> 00:04:14,640  
yes um

127  
00:04:18,390 --> 00:04:16,959  
as you coming into this whole thing as a

128  
00:04:20,469 --> 00:04:18,400  
skeptic

129  
00:04:22,629 --> 00:04:20,479  
um

130  
00:04:24,070 --> 00:04:22,639  
how do you feel about it now

131  
00:04:25,350 --> 00:04:24,080  
um

132  
00:04:26,310 --> 00:04:25,360  
i think

133  
00:04:38,629 --> 00:04:26,320  
i

134  
00:04:40,710 --> 00:04:38,639  
you know

135  
00:04:44,070 --> 00:04:40,720  
did i see ufos

136  
00:04:45,830 --> 00:04:44,080  
yes we i saw unidentified flying objects

137  
00:04:47,670 --> 00:04:45,840  
check you know what i mean i always

138  
00:04:50,150 --> 00:04:47,680

thought that like making contact with

139

00:04:52,150 --> 00:04:50,160

ets would be like you know a pop culture

140

00:04:53,510 --> 00:04:52,160

reference of like gray fingers touching

141

00:04:56,550 --> 00:04:53,520

and then you know

142

00:05:00,150 --> 00:04:56,560

you know contact and i quickly learned

143

00:05:01,830 --> 00:05:00,160

a whole lot really quickly about like um

144

00:05:03,909 --> 00:05:01,840

what actually making contact means and

145

00:05:06,550 --> 00:05:03,919

that's like you know seeing stuff in the

146

00:05:10,230 --> 00:05:06,560

sky that kind of you know shows up for

147

00:05:11,990 --> 00:05:10,240

you in a way i will say after i we fit

148

00:05:14,070 --> 00:05:12,000

we wrapped the show

149

00:05:15,909 --> 00:05:14,080

i became kind of the teacher a little

150

00:05:16,950 --> 00:05:15,919

bit to some other my friends i remember

151  
00:05:21,430 --> 00:05:16,960

i was

152  
00:05:24,070 --> 00:05:21,440

springs with a boy and we were just like

153  
00:05:26,230 --> 00:05:24,080

in this like pool at night time and

154  
00:05:27,510 --> 00:05:26,240

there was like stars in the sky and he

155  
00:05:29,029 --> 00:05:27,520

was asking me he was like how was the

156  
00:05:29,909 --> 00:05:29,039

show how was it working on it and i was

157  
00:05:31,590 --> 00:05:29,919

like

158  
00:05:33,029 --> 00:05:31,600

telling him teaching him things about it

159  
00:05:35,430 --> 00:05:33,039

and then we started seeing shooting

160  
00:05:37,270 --> 00:05:35,440

stars in the sky like quite a bit we saw

161  
00:05:39,990 --> 00:05:37,280

like five right back to back to back to

162  
00:05:44,150 --> 00:05:40,000

back and i would and then

163  
00:05:46,230 --> 00:05:44,160

we saw like glowing lights and [h\_\_\h] like

164

00:05:48,230 --> 00:05:46,240

we saw something that i can't explain

165

00:05:49,909 --> 00:05:48,240

you guys and then it happened again this

166

00:05:52,230 --> 00:05:49,919

past october

167

00:05:54,629 --> 00:05:52,240

and so like i don't know how to explain

168

00:05:56,469 --> 00:05:54,639

that stuff you know what i mean and like

169

00:05:58,070 --> 00:05:56,479

it's really it's really easy when you're

170

00:05:59,350 --> 00:05:58,080

like surrounded by it like when i was

171

00:06:00,950 --> 00:05:59,360

around you guys literally everyone on

172

00:06:03,189 --> 00:06:00,960

the crew tube believed in everything i

173

00:06:04,950 --> 00:06:03,199

was the only one that was like skeptical

174

00:06:07,189 --> 00:06:04,960

like demi's hair makeup team like

175

00:06:08,070 --> 00:06:07,199

everyone believed in all of it so i was

176

00:06:09,590 --> 00:06:08,080

kind of like

177

00:06:12,230 --> 00:06:09,600

like trying to like keep up with all of

178

00:06:14,150 --> 00:06:12,240

it but and when you're in it you like

179

00:06:15,350 --> 00:06:14,160

you really start to believe the stuff

180

00:06:16,870 --> 00:06:15,360

that you see but then you get some

181

00:06:19,029 --> 00:06:16,880

distance from it and you're like i don't

182

00:06:20,950 --> 00:06:19,039

know was that real but

183

00:06:23,189 --> 00:06:20,960

within a month of getting distance i saw

184

00:06:25,110 --> 00:06:23,199

some stuff in the sky that i can't

185

00:06:25,909 --> 00:06:25,120

explain you know we're gonna talk about

186

00:06:28,390 --> 00:06:25,919

that

187

00:06:29,189 --> 00:06:28,400

because

188

00:06:31,510 --> 00:06:29,199

um

189

00:06:33,670 --> 00:06:31,520

we've said this kind of over and over

190

00:06:36,309 --> 00:06:33,680

since our experiences when we got into

191

00:06:37,670 --> 00:06:36,319

this we'd never seen a ufo we were just

192

00:06:38,870 --> 00:06:37,680

kind of hoping

193

00:06:40,390 --> 00:06:38,880

that we were going to find something

194

00:06:42,230 --> 00:06:40,400

interesting and it wasn't until joe and

195

00:06:44,150 --> 00:06:42,240

i went out to the desert one time that

196

00:06:46,830 --> 00:06:44,160

we saw something and then we saw it

197

00:06:49,909 --> 00:06:46,840

again that night we were filming

198

00:06:51,909 --> 00:06:49,919

and i tell people all the time

199

00:06:55,110 --> 00:06:51,919

that you have to look for it you know

200

00:06:58,309 --> 00:06:55,120

you have to want an experience i mean

201  
00:07:00,710 --> 00:06:58,319  
there was something about the collective

202  
00:07:02,790 --> 00:07:00,720  
consciousness or the energy or just

203  
00:07:04,790 --> 00:07:02,800  
being around the same people

204  
00:07:06,070 --> 00:07:04,800  
that had the same intention and hope of

205  
00:07:07,430 --> 00:07:06,080  
seeing something

206  
00:07:08,550 --> 00:07:07,440  
and we did

207  
00:07:13,909 --> 00:07:08,560  
and

208  
00:07:18,070 --> 00:07:13,919  
weird

209  
00:07:21,110 --> 00:07:18,080  
or um we meet people to do sky watches

210  
00:07:22,870 --> 00:07:21,120  
even them seeing a satellite you know

211  
00:07:25,189 --> 00:07:22,880  
that blows them away even if it's just a

212  
00:07:26,790 --> 00:07:25,199  
satellite yeah and then you know

213  
00:07:40,790 --> 00:07:26,800

watching these

214

00:07:44,710 --> 00:07:43,189

would be weird aerial phenomena that's

215

00:07:45,830 --> 00:07:44,720

one or something else

216

00:07:47,830 --> 00:07:45,840

something

217

00:07:49,430 --> 00:07:47,840

yeah some of you need a lot of towels

218

00:07:51,110 --> 00:07:49,440

right

219

00:07:53,350 --> 00:07:51,120

yeah

220

00:07:55,430 --> 00:07:53,360

that song is so dirty by the way can i

221

00:07:57,189 --> 00:07:55,440

just say

222

00:07:59,029 --> 00:07:57,199

i'm so glad there's another day on this

223

00:08:00,629 --> 00:07:59,039

right now oh my god

224

00:08:02,550 --> 00:08:00,639

this i just want to say

225

00:08:03,510 --> 00:08:02,560

no offense joe

226  
00:08:05,589 --> 00:08:03,520  
no offense

227  
00:08:06,950 --> 00:08:05,599  
yeah you're the odd man

228  
00:08:09,749 --> 00:08:06,960  
we get to bully you

229  
00:08:13,909 --> 00:08:11,589  
yeah you get bullied yeah

230  
00:08:17,189 --> 00:08:13,919  
yeah i don't care about it i did no i'm

231  
00:08:21,350 --> 00:08:19,749  
well joe has seven

232  
00:08:25,029 --> 00:08:21,360  
thousand children

233  
00:08:26,469 --> 00:08:25,039  
i have seven kids hybrid children

234  
00:08:28,550 --> 00:08:26,479  
of i call them

235  
00:08:30,230 --> 00:08:28,560  
oh wow okay kind of yeah a little bit

236  
00:08:31,990 --> 00:08:30,240  
yes

237  
00:08:33,750 --> 00:08:32,000  
blended

238  
00:08:35,589 --> 00:08:33,760

wait that sounds like a sitcom

239

00:08:36,630 --> 00:08:35,599

it is brady bunch

240

00:08:40,709 --> 00:08:36,640

whoa

241

00:08:40,719 --> 00:08:44,470

i would watch i would watch it

242

00:08:48,790 --> 00:08:46,949

i would hate watch it i i'm just saying

243

00:08:53,350 --> 00:08:48,800

i would not watch that show i watched it

244

00:08:55,509 --> 00:08:53,360

enough i've seen it every season oh yes

245

00:08:57,430 --> 00:08:55,519

he has there were times when we were

246

00:09:00,070 --> 00:08:57,440

filming that specifically when we were

247

00:09:02,710 --> 00:09:00,080

in arizona when we were done working for

248

00:09:05,430 --> 00:09:02,720

the day and demi and i just the two of

249

00:09:07,910 --> 00:09:05,440

us snuck out and we would go look we

250

00:09:10,870 --> 00:09:07,920

would do like a sky watch essentially

251  
00:09:12,630 --> 00:09:10,880  
and you know there was one night where

252  
00:09:13,990 --> 00:09:12,640  
we saw so much stuff in the sky and

253  
00:09:15,670 --> 00:09:14,000  
we're like oh my god where are the

254  
00:09:17,430 --> 00:09:15,680  
cameras when we need them

255  
00:09:19,430 --> 00:09:17,440  
like and we were shooting we were

256  
00:09:21,910 --> 00:09:19,440  
shooting our big sky watch the next

257  
00:09:23,509 --> 00:09:21,920  
night in arizona and we were like oh god

258  
00:09:24,550 --> 00:09:23,519  
i hope that they show up tomorrow night

259  
00:09:26,470 --> 00:09:24,560  
i was like i hope they show up for the

260  
00:09:28,150 --> 00:09:26,480  
show because right

261  
00:09:29,190 --> 00:09:28,160  
um it was

262  
00:09:31,110 --> 00:09:29,200  
uh

263  
00:09:32,389 --> 00:09:31,120

blinking and moving lights and they

264

00:09:34,070 --> 00:09:32,399

weren't they didn't change color or

265

00:09:35,350 --> 00:09:34,080

anything but it was like stuff that

266

00:09:37,190 --> 00:09:35,360

would get very very bright and then

267

00:09:38,949 --> 00:09:37,200

disappear and stuff that would move

268

00:09:41,190 --> 00:09:38,959

really really fast now we were watching

269

00:09:44,550 --> 00:09:41,200

for like two hours

270

00:09:47,269 --> 00:09:44,560

um in the middle of we had like a max

271

00:09:48,630 --> 00:09:47,279

security guard was with us but like um

272

00:09:49,990 --> 00:09:48,640

you know we kind of got done at like i

273

00:09:51,350 --> 00:09:50,000

think like nine o'clock filming and

274

00:09:52,630 --> 00:09:51,360

where demi's like do you want to go back

275

00:09:53,509 --> 00:09:52,640

out and see what we can find i was like

276

00:09:55,350 --> 00:09:53,519

yeah

277

00:09:56,949 --> 00:09:55,360

so we like

278

00:09:58,310 --> 00:09:56,959

and and saw some stuff but we ended up

279

00:10:00,470 --> 00:09:58,320

seeing a lot of the similar stuff the

280

00:10:01,990 --> 00:10:00,480

next night luckily with the cameras it's

281

00:10:03,110 --> 00:10:02,000

tough because like

282

00:10:04,790 --> 00:10:03,120

um

283

00:10:06,630 --> 00:10:04,800

you know uh

284

00:10:07,829 --> 00:10:06,640

it's it's hard to capture that stuff

285

00:10:09,509 --> 00:10:07,839

it's like you kind of have to experience

286

00:10:11,110 --> 00:10:09,519

it for yourself but i thought the show

287

00:10:14,389 --> 00:10:11,120

and the production team did a really

288

00:10:16,710 --> 00:10:14,399

really good job of capturing exactly how

289

00:10:18,870 --> 00:10:16,720

it felt i was a little bit nervous

290

00:10:21,670 --> 00:10:18,880

about filming the show because i was

291

00:10:23,030 --> 00:10:21,680

afraid that like oh will it look hokey

292

00:10:25,030 --> 00:10:23,040

will it look like

293

00:10:26,870 --> 00:10:25,040

will it not look like what it felt like

294

00:10:28,389 --> 00:10:26,880

and i will say that it looked exactly

295

00:10:29,990 --> 00:10:28,399

how i felt when it when we were

296

00:10:31,750 --> 00:10:30,000

experiencing it i thought the cameras

297

00:10:33,430 --> 00:10:31,760

did a really good job of capturing it i

298

00:10:35,269 --> 00:10:33,440

wasn't sure like how night vision would

299

00:10:37,269 --> 00:10:35,279

work and things like that and then as

300

00:10:40,470 --> 00:10:37,279

recently as

301  
00:10:42,389 --> 00:10:40,480  
uh on on thanksgiving last week not to

302  
00:10:43,350 --> 00:10:42,399  
timestamp us thanksgiving whenever that

303  
00:10:44,550 --> 00:10:43,360  
was

304  
00:10:46,389 --> 00:10:44,560  
um

305  
00:10:47,430 --> 00:10:46,399  
demi and i were faced with a year and

306  
00:10:49,750 --> 00:10:47,440  
debbie was like i think i'm gonna do a

307  
00:10:52,150 --> 00:10:49,760  
skywatch tonight i was like absolutely

308  
00:10:55,030 --> 00:10:52,160  
it's awesome yeah i love how every time

309  
00:10:55,990 --> 00:10:55,040  
jimmy says you're like oh yes well also

310  
00:10:59,750 --> 00:10:56,000  
i think

311  
00:11:01,590 --> 00:10:59,760  
um uh joy is in limited supply as a

312  
00:11:03,030 --> 00:11:01,600  
human existence and so whatever brings

313  
00:11:04,710 --> 00:11:03,040

you joy and gives you joy you should

314

00:11:07,110 --> 00:11:04,720

seek it out as much as possible and try

315

00:11:09,750 --> 00:11:07,120

to explain can i just pause that because

316

00:11:11,430 --> 00:11:09,760

i want to talk about for a second

317

00:11:15,190 --> 00:11:11,440

a little bit of this you know

318

00:11:17,590 --> 00:11:15,200

controversy or whatever surrounding uh

319

00:11:19,110 --> 00:11:17,600

demi being into ufos and

320

00:11:19,990 --> 00:11:19,120

extraterrestrials

321

00:11:22,630 --> 00:11:20,000

um

322

00:11:24,150 --> 00:11:22,640

i think it's fantastic that demi was

323

00:11:26,870 --> 00:11:24,160

able to participate in something that

324

00:11:29,030 --> 00:11:26,880

wasn't music and singing related i mean

325

00:11:31,190 --> 00:11:29,040

because you know what i mean like i

326

00:11:33,190 --> 00:11:31,200

would imagine that's demi's life

327

00:11:35,190 --> 00:11:33,200

and um

328

00:11:36,230 --> 00:11:35,200

demi was able to just hang out and kick

329

00:11:37,350 --> 00:11:36,240

it and

330

00:11:38,949 --> 00:11:37,360

skywatch

331

00:11:40,550 --> 00:11:38,959

yeah one of the most exciting things

332

00:11:42,389 --> 00:11:40,560

about the show and what was so appealing

333

00:11:44,710 --> 00:11:42,399

to it to me was

334

00:11:47,190 --> 00:11:44,720

to get to have fun and we had we had a

335

00:11:50,870 --> 00:11:47,200

lot of fun you know i think um

336

00:11:52,870 --> 00:11:50,880

it's it's hard for me to step outside of

337

00:11:54,550 --> 00:11:52,880

demi's in my friendship or or frankly

338

00:11:56,150 --> 00:11:54,560

like demi in general because there's

339

00:11:57,110 --> 00:11:56,160

someone who's so close to me and like i

340

00:11:58,790 --> 00:11:57,120

don't know how you feel about your best

341

00:12:00,069 --> 00:11:58,800

friend but i just assume you know you're

342

00:12:01,190 --> 00:12:00,079

very close to your best friend so it's

343

00:12:02,949 --> 00:12:01,200

like i can't

344

00:12:04,470 --> 00:12:02,959

i don't um

345

00:12:06,629 --> 00:12:04,480

i don't know how to step outside and

346

00:12:08,710 --> 00:12:06,639

look at it really but my i my

347

00:12:11,030 --> 00:12:08,720

understanding i think is that

348

00:12:13,990 --> 00:12:11,040

uh at least some people

349

00:12:15,990 --> 00:12:14,000

have equated some of demi's music or the

350

00:12:17,990 --> 00:12:16,000

documentaries that we've done

351

00:12:19,030 --> 00:12:18,000

as demi's dealt with a whole lot right

352

00:12:20,470 --> 00:12:19,040

the best students got the hardest

353

00:12:22,230 --> 00:12:20,480

lessons and demi's had a lot of tough

354

00:12:24,870 --> 00:12:22,240

lessons that they've had to learn

355

00:12:27,110 --> 00:12:24,880

and i think you know a lot of times we

356

00:12:28,629 --> 00:12:27,120

don't see demi having like fun and like

357

00:12:30,629 --> 00:12:28,639

that's who i know you know what i mean

358

00:12:32,069 --> 00:12:30,639

like that's who like we like giggle and

359

00:12:34,389 --> 00:12:32,079

screech and tickle and roll around and

360

00:12:36,310 --> 00:12:34,399

just have like the greatest time and so

361

00:12:38,230 --> 00:12:36,320

i knew that this was something that gave

362

00:12:39,350 --> 00:12:38,240

them such extreme joy and it was a

363

00:12:41,350 --> 00:12:39,360

really fun thing that they were

364

00:12:43,110 --> 00:12:41,360

genuinely curious about and i wanted to

365

00:12:45,670 --> 00:12:43,120

be there for that journey

366

00:12:47,509 --> 00:12:45,680

and the majority of social media has

367

00:12:50,310 --> 00:12:47,519

been kind um

368

00:12:51,829 --> 00:12:50,320

about unidentified um especially the

369

00:12:53,910 --> 00:12:51,839

fans and stuff like that and so i'm so

370

00:12:55,670 --> 00:12:53,920

thrilled that they got to see

371

00:12:57,910 --> 00:12:55,680

a little glimpse there's certain moments

372

00:13:00,069 --> 00:12:57,920

and i think i think you know

373

00:13:01,590 --> 00:13:00,079

um if you know me well enough just

374

00:13:03,269 --> 00:13:01,600

through social media you can know when

375

00:13:04,870 --> 00:13:03,279

we're actually having a whole lot of fun

376

00:13:06,629 --> 00:13:04,880

and there's a lot of moments in i think

377

00:13:08,470 --> 00:13:06,639

every episode where we're like

378

00:13:10,389 --> 00:13:08,480

legitimately having a good time cameras

379

00:13:12,150 --> 00:13:10,399

are not you know what i'm saying

380

00:13:15,030 --> 00:13:12,160

you know um

381

00:13:17,030 --> 00:13:15,040

uh andrew knock explained it as

382

00:13:18,150 --> 00:13:17,040

coachella on the road

383

00:13:23,509 --> 00:13:18,160

you know

384

00:13:25,750 --> 00:13:23,519

it like to hang out with demi oh yeah

385

00:13:27,350 --> 00:13:25,760

i would say like uh we had some really

386

00:13:29,590 --> 00:13:27,360

good like

387

00:13:31,670 --> 00:13:29,600

clean family fun on on

388

00:13:33,910 --> 00:13:31,680

in unidentified for sure

389

00:13:35,750 --> 00:13:33,920

i know that when we showed up and met

390

00:13:38,470 --> 00:13:35,760

you all

391

00:13:41,030 --> 00:13:38,480

the inner like immediately

392

00:13:42,230 --> 00:13:41,040

i was like this is gonna be a blast

393

00:13:43,189 --> 00:13:42,240

you know

394

00:13:44,310 --> 00:13:43,199

um

395

00:13:45,670 --> 00:13:44,320

so uh

396

00:13:47,509 --> 00:13:45,680

ross we're gonna ask you just a few

397

00:13:49,590 --> 00:13:47,519

questions about some things that's been

398

00:13:50,470 --> 00:13:49,600

going around on social media

399

00:13:52,230 --> 00:13:50,480

and

400

00:13:53,509 --> 00:13:52,240

i think you can clear these up pretty

401  
00:13:55,430 --> 00:13:53,519  
easily right joe

402  
00:13:56,470 --> 00:13:55,440  
okay

403  
00:13:58,629 --> 00:13:56,480  
so

404  
00:14:00,790 --> 00:13:58,639  
i want to hear the the one well it's

405  
00:14:02,389 --> 00:14:00,800  
been going around is uh demi singing to

406  
00:14:03,670 --> 00:14:02,399  
a ghost

407  
00:14:07,189 --> 00:14:03,680  
yes

408  
00:14:08,069 --> 00:14:07,199  
moment

409  
00:14:12,150 --> 00:14:08,079  
um

410  
00:14:14,310 --> 00:14:12,160  
i love you too so much and no offense

411  
00:14:17,430 --> 00:14:14,320  
but i think my favorite experience with

412  
00:14:20,710 --> 00:14:17,440  
unidentified was that moment um because

413  
00:14:21,990 --> 00:14:20,720

i identify i identify as a ghost person

414

00:14:24,389 --> 00:14:22,000

now here's the thing here's the twist

415

00:14:26,790 --> 00:14:24,399

though i i went into as a skeptic for

416

00:14:28,470 --> 00:14:26,800

all kinds of paranormal phenomena i love

417

00:14:29,590 --> 00:14:28,480

scary stuff you can't really i'm kind of

418

00:14:31,990 --> 00:14:29,600

decorative for christmas right now you

419

00:14:33,350 --> 00:14:32,000

can tell watching your social media i

420

00:14:35,030 --> 00:14:33,360

could tell you you're always doing some

421

00:14:36,710 --> 00:14:35,040

kind of spooky scary thing yeah so my

422

00:14:37,829 --> 00:14:36,720

halloweeny i love scary stuff i love

423

00:14:38,870 --> 00:14:37,839

scary movies demi and i've been ghost

424

00:14:39,990 --> 00:14:38,880

hunting before that's one of the main

425

00:14:42,949 --> 00:14:40,000

things we have in common is we love

426  
00:14:44,550 --> 00:14:42,959  
scary stuff so that moment there it's in

427  
00:14:47,110 --> 00:14:44,560  
the second episode i think when we were

428  
00:14:48,310 --> 00:14:47,120  
in this haunted brothel in vulture city

429  
00:14:49,829 --> 00:14:48,320  
arizona

430  
00:14:52,389 --> 00:14:49,839  
um and we

431  
00:14:54,710 --> 00:14:52,399  
you know at the time demi was

432  
00:14:56,069 --> 00:14:54,720  
identifying as still identifying as

433  
00:14:58,790 --> 00:14:56,079  
female so

434  
00:15:01,110 --> 00:14:58,800  
um just to preface some of the story but

435  
00:15:02,069 --> 00:15:01,120  
um what we have been told

436  
00:15:03,910 --> 00:15:02,079  
um

437  
00:15:06,389 --> 00:15:03,920  
uh when we got there was that this

438  
00:15:07,509 --> 00:15:06,399

certain brothel where these three sex

439

00:15:10,389 --> 00:15:07,519

workers

440

00:15:13,430 --> 00:15:10,399

who had passed away there haunted this

441

00:15:16,310 --> 00:15:13,440

brothel right and um

442

00:15:18,710 --> 00:15:16,320

sexy ghosts what's that are they sexy

443

00:15:19,350 --> 00:15:18,720

ghosts i certainly thought so

444

00:15:22,150 --> 00:15:19,360

um

445

00:15:24,790 --> 00:15:22,160

and uh there it was carmen

446

00:15:26,389 --> 00:15:24,800

lily and i forget the third one no

447

00:15:30,790 --> 00:15:26,399

offense to to her

448

00:15:32,310 --> 00:15:30,800

um uh it's in the episode um but we we

449

00:15:34,069 --> 00:15:32,320

they told us that like they didn't want

450

00:15:35,910 --> 00:15:34,079

men in there the ghosts did not feel

451  
00:15:39,189 --> 00:15:35,920  
comfortable with men there and so they

452  
00:15:41,430 --> 00:15:39,199  
wanted demi to communicate with

453  
00:15:43,350 --> 00:15:41,440  
um the spirits that were in there and

454  
00:15:44,310 --> 00:15:43,360  
you guys very quickly after getting in

455  
00:15:45,509 --> 00:15:44,320  
there

456  
00:15:49,269 --> 00:15:45,519  
we

457  
00:15:51,350 --> 00:15:49,279  
ghost and

458  
00:15:53,269 --> 00:15:51,360  
we had these like boxes that were set up

459  
00:15:56,790 --> 00:15:53,279  
kind of all over

460  
00:15:58,790 --> 00:15:56,800  
um that i held and saw and production

461  
00:16:00,310 --> 00:15:58,800  
wasn't pulling any kind of tricks you

462  
00:16:01,910 --> 00:16:00,320  
know there wasn't a lot of behind the

463  
00:16:03,269 --> 00:16:01,920

scenes really like you kind of saw

464

00:16:04,470 --> 00:16:03,279

everything we're traveling together so

465

00:16:06,069 --> 00:16:04,480

we all like

466

00:16:07,749 --> 00:16:06,079

saw everything you know i mean like

467

00:16:10,629 --> 00:16:07,759

we're all very close together like

468

00:16:11,990 --> 00:16:10,639

andrew and the crew so it wasn't like

469

00:16:14,230 --> 00:16:12,000

there was some big production where they

470

00:16:15,910 --> 00:16:14,240

were faking stuff and there was a right

471

00:16:17,430 --> 00:16:15,920

wizard of oz curtain or something or

472

00:16:20,629 --> 00:16:17,440

anything

473

00:16:22,389 --> 00:16:20,639

um and so pretty soon these these boxes

474

00:16:23,990 --> 00:16:22,399

that we had set up in there

475

00:16:25,509 --> 00:16:24,000

were lighting up when demi was asking

476  
00:16:26,710 --> 00:16:25,519  
yes or no questions and through the yes

477  
00:16:28,629 --> 00:16:26,720  
or no questions we very quickly found

478  
00:16:30,069 --> 00:16:28,639  
out that this was carmen and demi like

479  
00:16:31,670 --> 00:16:30,079  
intuitively picked up the fact that

480  
00:16:34,069 --> 00:16:31,680  
carmen had trauma with

481  
00:16:35,990 --> 00:16:34,079  
men and then demi shared that they had

482  
00:16:37,829 --> 00:16:36,000  
trauma as well and then they picked up

483  
00:16:39,430 --> 00:16:37,839  
on the fact that carmen was a musician

484  
00:16:41,590 --> 00:16:39,440  
maybe even a singer

485  
00:16:43,110 --> 00:16:41,600  
and like they just like bonded honestly

486  
00:16:44,710 --> 00:16:43,120  
i was like shipping the two of them like

487  
00:16:46,470 --> 00:16:44,720  
i want like carmen and demi to get

488  
00:16:47,269 --> 00:16:46,480

together you know what i mean like

489

00:16:48,230 --> 00:16:47,279

yeah

490

00:16:50,069 --> 00:16:48,240

you gotta go

491

00:16:52,150 --> 00:16:50,079

you're dating demi so it's like carmen

492

00:16:53,590 --> 00:16:52,160

has my stamp of approval i mean i guess

493

00:16:56,710 --> 00:16:53,600

she's a little old for demi but she's

494

00:17:00,150 --> 00:16:56,720

also dead so um but we love her um so

495

00:17:01,269 --> 00:17:00,160

like there was a part where we me and um

496

00:17:02,949 --> 00:17:01,279

one of the ghost hunters were in this

497

00:17:04,870 --> 00:17:02,959

other room and

498

00:17:06,870 --> 00:17:04,880

uh they

499

00:17:08,549 --> 00:17:06,880

demi was asking if it was okay if asking

500

00:17:09,990 --> 00:17:08,559

karma if it was okay if if me and this

501  
00:17:11,270 --> 00:17:10,000  
other guy came into the room and carmen

502  
00:17:13,110 --> 00:17:11,280  
was saying no

503  
00:17:14,390 --> 00:17:13,120  
and this was not a produced moment i

504  
00:17:15,510 --> 00:17:14,400  
just thought of this in the moment

505  
00:17:17,429 --> 00:17:15,520  
because i was like oh they're both

506  
00:17:19,750 --> 00:17:17,439  
musicians i was like demi maybe you can

507  
00:17:22,870 --> 00:17:19,760  
sing carmen a song

508  
00:17:24,549 --> 00:17:22,880  
as an offering to like you know

509  
00:17:27,270 --> 00:17:24,559  
allow us to enter because when we got to

510  
00:17:29,350 --> 00:17:27,280  
vulture city there's a huge deal about

511  
00:17:31,350 --> 00:17:29,360  
um the pure intentions coming in and we

512  
00:17:33,750 --> 00:17:31,360  
we gave offerings me dallas and demi

513  
00:17:35,190 --> 00:17:33,760

when we got there off camera and we're

514

00:17:36,710 --> 00:17:35,200

meeting with the people there and the

515

00:17:38,070 --> 00:17:36,720

indigenous people there and we did like

516

00:17:39,510 --> 00:17:38,080

a production ceremony and there was a

517

00:17:41,909 --> 00:17:39,520

lot of stuff about

518

00:17:43,350 --> 00:17:41,919

um being like uh i don't mean to use

519

00:17:44,870 --> 00:17:43,360

this word a whole lot today but pure

520

00:17:47,110 --> 00:17:44,880

like how we're coming in

521

00:17:49,270 --> 00:17:47,120

so like uh i was like okay maybe this is

522

00:17:51,029 --> 00:17:49,280

we can do an offering here because you

523

00:17:53,110 --> 00:17:51,039

know that's what we've been doing the

524

00:17:54,870 --> 00:17:53,120

the night before and all day really

525

00:17:57,190 --> 00:17:54,880

and you know

526

00:18:00,310 --> 00:17:57,200

demi saying skyscraper and it was

527

00:18:04,150 --> 00:18:00,320

phenomenal of course and and then carmen

528

00:18:06,630 --> 00:18:04,160

and let us in and then i genuinely felt

529

00:18:09,110 --> 00:18:06,640

a friendly essence of this spirit that

530

00:18:11,190 --> 00:18:09,120

we were communicating with and

531

00:18:12,870 --> 00:18:11,200

that was like so i mean like

532

00:18:14,789 --> 00:18:12,880

i had an incredible experience with with

533

00:18:17,110 --> 00:18:14,799

you two and in arizona as well because

534

00:18:19,590 --> 00:18:17,120

the stuff in the in in the sky but there

535

00:18:22,310 --> 00:18:19,600

was something about being in like

536

00:18:23,990 --> 00:18:22,320

frankly a haunted brothel where it felt

537

00:18:25,110 --> 00:18:24,000

like it was right there you know what i

538

00:18:26,070 --> 00:18:25,120

mean i get

539

00:18:27,669 --> 00:18:26,080

like you

540

00:18:30,070 --> 00:18:27,679

i always use the word energy but i don't

541

00:18:31,750 --> 00:18:30,080

really know how to describe it but

542

00:18:33,270 --> 00:18:31,760

um

543

00:18:35,669 --> 00:18:33,280

like you know

544

00:18:37,190 --> 00:18:35,679

you're right with sky watching uh it's

545

00:18:40,549 --> 00:18:37,200

it's definitely different than being

546

00:18:43,110 --> 00:18:40,559

like in the space that [h\_\_h] went down

547

00:18:46,150 --> 00:18:43,120

and you know you got carmen the ghost i

548

00:18:48,150 --> 00:18:46,160

wanted you to talk about that because

549

00:18:51,110 --> 00:18:48,160

people are you know saying on social

550

00:18:53,270 --> 00:18:51,120

media that demi's crazy demi's gone

551  
00:18:54,789 --> 00:18:53,280  
whatever that they think it is and i'm

552  
00:18:56,630 --> 00:18:54,799  
like people we sing

553  
00:18:58,150 --> 00:18:56,640  
we sing to jesus all the time we seem to

554  
00:19:00,390 --> 00:18:58,160  
sound like

555  
00:19:02,390 --> 00:19:00,400  
who like i mean

556  
00:19:04,950 --> 00:19:02,400  
people saying funerals for dead people

557  
00:19:06,150 --> 00:19:04,960  
who cares you know and frankly it's

558  
00:19:07,669 --> 00:19:06,160  
because demi did it better than

559  
00:19:08,950 --> 00:19:07,679  
everybody else what do you say to those

560  
00:19:10,710 --> 00:19:08,960  
people that

561  
00:19:12,630 --> 00:19:10,720  
say demi's has gone off the deep end for

562  
00:19:14,630 --> 00:19:12,640  
singing to a ghost

563  
00:19:17,270 --> 00:19:14,640

well i guess the algorithm was kind

564

00:19:18,150 --> 00:19:17,280

enough to me that i didn't see much of

565

00:19:19,029 --> 00:19:18,160

that

566

00:19:21,430 --> 00:19:19,039

um

567

00:19:23,510 --> 00:19:21,440

but i would say like i guess from a

568

00:19:24,950 --> 00:19:23,520

purely ego driven selfish place i would

569

00:19:26,789 --> 00:19:24,960

be like well that would make me crazy

570

00:19:28,950 --> 00:19:26,799

too i guess because

571

00:19:30,390 --> 00:19:28,960

you know if demi's crazy then i'm crazy

572

00:19:33,029 --> 00:19:30,400

and then so was everyone there you know

573

00:19:36,230 --> 00:19:33,039

what i mean it was it was my idea for

574

00:19:38,390 --> 00:19:36,240

for demi to sing so if anything i'm the

575

00:19:39,590 --> 00:19:38,400

crazy one i guess you know

576

00:19:41,430 --> 00:19:39,600

no one makes demi do anything that they

577

00:19:43,830 --> 00:19:41,440

don't want to do but that that was the

578

00:19:46,470 --> 00:19:43,840

idea and also i think

579

00:19:48,549 --> 00:19:46,480

um i think kindness is free

580

00:19:50,470 --> 00:19:48,559

and that um

581

00:19:53,430 --> 00:19:50,480

you know whether

582

00:19:55,909 --> 00:19:53,440

whether you believe in something or not

583

00:19:58,070 --> 00:19:55,919

um and frankly i don't believe in a lot

584

00:20:00,710 --> 00:19:58,080

of the the stuff that that that the crew

585

00:20:02,630 --> 00:20:00,720

believed or you know going into it and

586

00:20:05,909 --> 00:20:02,640

still i'm unsure about all of it but i

587

00:20:07,669 --> 00:20:05,919

believe in my friends and i believe in

588

00:20:10,390 --> 00:20:07,679

whatever makes you happy and i saw that

589

00:20:11,830 --> 00:20:10,400

this was you know this is such a huge

590

00:20:13,909 --> 00:20:11,840

part of

591

00:20:15,430 --> 00:20:13,919

uh you just think of of your best friend

592

00:20:16,789 --> 00:20:15,440

having a hobby that you that they're

593

00:20:18,630 --> 00:20:16,799

really really interested in and you want

594

00:20:21,350 --> 00:20:18,640

to share that with them and so a lot of

595

00:20:22,789 --> 00:20:21,360

it was demi teaching me that hobby and i

596

00:20:24,470 --> 00:20:22,799

think a lot of it

597

00:20:25,510 --> 00:20:24,480

i'm inferring because i i didn't see

598

00:20:27,029 --> 00:20:25,520

exactly what you're talking about but

599

00:20:29,270 --> 00:20:27,039

i'm inferring that these are probably

600

00:20:30,950 --> 00:20:29,280

people who didn't watch the show or

601  
00:20:33,510 --> 00:20:30,960  
don't know very much about it i think if

602  
00:20:35,909 --> 00:20:33,520  
you watch the show it's just like so

603  
00:20:38,470 --> 00:20:35,919  
um it's pretty light-hearted and fun and

604  
00:20:42,470 --> 00:20:38,480  
it comes from a genuine place of

605  
00:20:44,549 --> 00:20:42,480  
curiosity and um

606  
00:20:47,110 --> 00:20:44,559  
what's up spiritual

607  
00:20:48,710 --> 00:20:47,120  
yeah and i think um

608  
00:20:51,029 --> 00:20:48,720  
you know if there's sound bites or when

609  
00:20:52,710 --> 00:20:51,039  
you read something um you know

610  
00:20:55,590 --> 00:20:52,720  
especially on twitter it can be very

611  
00:20:57,270 --> 00:20:55,600  
carefully chosen or worded to only write

612  
00:20:58,630 --> 00:20:57,280  
this kind of idea completely out of

613  
00:21:00,310 --> 00:20:58,640

context

614

00:21:01,510 --> 00:21:00,320

and i think

615

00:21:03,750 --> 00:21:01,520

um

616

00:21:05,669 --> 00:21:03,760

you know when i think of unidentified i

617

00:21:07,590 --> 00:21:05,679

think of it as a very fun

618

00:21:09,669 --> 00:21:07,600

light-hearted experience now this is

619

00:21:10,789 --> 00:21:09,679

like stuff beyond the galaxy and we

620

00:21:12,950 --> 00:21:10,799

interviewed a lot of people who dealt

621

00:21:16,870 --> 00:21:12,960

with some very very heavy things

622

00:21:19,350 --> 00:21:16,880

but the energy of saying anyone who is

623

00:21:21,270 --> 00:21:19,360

involved in it is crazy doesn't match

624

00:21:23,029 --> 00:21:21,280

the energy that i felt while i was

625

00:21:26,470 --> 00:21:23,039

participating in it because it seemed

626

00:21:28,390 --> 00:21:26,480

like such a curious forward-thinking

627

00:21:30,310 --> 00:21:28,400

fun exploratory

628

00:21:32,549 --> 00:21:30,320

activity or exercise does that make

629

00:21:34,390 --> 00:21:32,559

sense well you went into it learning

630

00:21:36,470 --> 00:21:34,400

about it which

631

00:21:38,950 --> 00:21:36,480

is so great because when you don't

632

00:21:41,029 --> 00:21:38,960

really know what you don't know right

633

00:21:43,350 --> 00:21:41,039

you experience new things and you're not

634

00:21:45,029 --> 00:21:43,360

biased towards it and

635

00:21:46,789 --> 00:21:45,039

i always tell people if you're going to

636

00:21:51,590 --> 00:21:46,799

complain and [h\_\_h]

637

00:21:53,190 --> 00:21:51,600

go do it yourself go do it yourself

638

00:21:54,070 --> 00:21:53,200

grab your friends

639

00:21:56,630 --> 00:21:54,080

yeah

640

00:21:58,950 --> 00:21:56,640

call up the ufo pros or whatever we'll

641

00:22:00,230 --> 00:21:58,960

go out and we will we'll do some stuff

642

00:22:02,230 --> 00:22:00,240

that's

643

00:22:04,230 --> 00:22:02,240

gonna you know bring the hair up on the

644

00:22:07,430 --> 00:22:04,240

back of your neck it's also

645

00:22:09,350 --> 00:22:07,440

it's also entertainment it's a it's a

646

00:22:11,990 --> 00:22:09,360

series of fun on peacock you know what i

647

00:22:15,350 --> 00:22:12,000

mean like it's it's it's not it's a

648

00:22:17,350 --> 00:22:15,360

great time and it covers all uh aspects

649

00:22:19,350 --> 00:22:17,360

of the phenomena yeah i think which is

650

00:22:20,710 --> 00:22:19,360

great yeah a lot of people that watched

651  
00:22:23,350 --> 00:22:20,720  
of course were

652  
00:22:25,110 --> 00:22:23,360  
fans of demi's and had fun

653  
00:22:27,190 --> 00:22:25,120  
following the adventure and then i think

654  
00:22:28,870 --> 00:22:27,200  
another chunk of fans who watched it

655  
00:22:30,950 --> 00:22:28,880  
were um

656  
00:22:33,590 --> 00:22:30,960  
encounter survivors or had experienced

657  
00:22:35,669 --> 00:22:33,600  
something and were were you know big e.t

658  
00:22:36,789 --> 00:22:35,679  
and ufo um

659  
00:22:38,149 --> 00:22:36,799  
uh

660  
00:22:40,149 --> 00:22:38,159  
fanatics is the wrong word i think but

661  
00:22:41,909 --> 00:22:40,159  
like fans of of you know the genre of

662  
00:22:43,990 --> 00:22:41,919  
television and i think a lot of people

663  
00:22:46,070 --> 00:22:44,000

felt validated by the show

664

00:22:47,430 --> 00:22:46,080

and certain things and

665

00:22:49,830 --> 00:22:47,440

you know i think that's a lot of reason

666

00:22:51,110 --> 00:22:49,840

why i was there was because you know i

667

00:22:52,870 --> 00:22:51,120

think you kind of got to follow it

668

00:22:54,470 --> 00:22:52,880

through my experience because i kind of

669

00:22:55,909 --> 00:22:54,480

came into it like

670

00:22:58,230 --> 00:22:55,919

you know i don't know what all this

671

00:23:00,070 --> 00:22:58,240

stuff's about okay kind of thing

672

00:23:02,549 --> 00:23:00,080

but it wasn't like

673

00:23:03,909 --> 00:23:02,559

skeptics also feel skeptic's like

674

00:23:06,070 --> 00:23:03,919

like it feels like that it's like prove

675

00:23:08,549 --> 00:23:06,080

to me it's real this is fair exactly

676

00:23:10,950 --> 00:23:08,559

well and it's also it's fake

677

00:23:12,870 --> 00:23:10,960

show me the evidence like yeah you go

678

00:23:14,149 --> 00:23:12,880

you get the evidence and bring it to me

679

00:23:16,470 --> 00:23:14,159

yeah

680

00:23:17,750 --> 00:23:16,480

awesome i i mean you the three of us

681

00:23:20,549 --> 00:23:17,760

don't know each other super well but i

682

00:23:21,990 --> 00:23:20,559

hope you gather from me enough that like

683

00:23:23,190 --> 00:23:22,000

what you see is what you get with me

684

00:23:24,549 --> 00:23:23,200

pretty much like usually when people

685

00:23:25,909 --> 00:23:24,559

meet me like you're exactly the same as

686

00:23:26,710 --> 00:23:25,919

you're on social media i'm like because

687

00:23:27,590 --> 00:23:26,720

like

688

00:23:29,909 --> 00:23:27,600

i just

689

00:23:30,630 --> 00:23:29,919

like how i am do you know what i mean so

690

00:23:31,750 --> 00:23:30,640

like

691

00:23:34,630 --> 00:23:31,760

um

692

00:23:36,630 --> 00:23:34,640

that you can just i i'm a pretty genuine

693

00:23:38,710 --> 00:23:36,640

person who you know has a speed on the

694

00:23:40,549 --> 00:23:38,720

ground but also loves a lot and is very

695

00:23:42,230 --> 00:23:40,559

curious and

696

00:23:45,110 --> 00:23:42,240

um was really thrilled to be part of

697

00:23:47,510 --> 00:23:45,120

this experience and you know

698

00:23:48,710 --> 00:23:47,520

those people who don't and didn't enjoy

699

00:23:50,630 --> 00:23:48,720

it i guess or were saying people are

700

00:23:51,909 --> 00:23:50,640

crazy then don't watch it

701  
00:23:54,789 --> 00:23:51,919  
yeah

702  
00:23:58,070 --> 00:23:54,799  
i want to move on to one other sort of

703  
00:24:00,149 --> 00:23:58,080  
social media splash okay that was made

704  
00:24:02,870 --> 00:24:00,159  
demi's saying that

705  
00:24:05,590 --> 00:24:02,880  
we should not use the word alien

706  
00:24:08,149 --> 00:24:05,600  
um and that made i don't know if you saw

707  
00:24:10,310 --> 00:24:08,159  
that that made a huge splash

708  
00:24:12,950 --> 00:24:10,320  
within the ufo community as well which

709  
00:24:15,830 --> 00:24:12,960  
you know we're a part of

710  
00:24:17,590 --> 00:24:15,840  
i think um one thing that i learned uh

711  
00:24:19,510 --> 00:24:17,600  
through this experience or or learned

712  
00:24:21,269 --> 00:24:19,520  
even more was that i think language is

713  
00:24:22,549 --> 00:24:21,279

really important i mean we're kind of in

714

00:24:24,149 --> 00:24:22,559

this like

715

00:24:25,830 --> 00:24:24,159

structure i could get into a whole

716

00:24:28,310 --> 00:24:25,840

speech about institutionalized

717

00:24:30,830 --> 00:24:28,320

heteronormativity but like labels are

718

00:24:33,669 --> 00:24:30,840

very very important for people like um

719

00:24:35,510 --> 00:24:33,679

especially um heteronormative culture

720

00:24:36,950 --> 00:24:35,520

needs like a label for everything so

721

00:24:39,110 --> 00:24:36,960

they can understand how everything kind

722

00:24:41,669 --> 00:24:39,120

of fits in there and at the same time i

723

00:24:44,390 --> 00:24:41,679

do think the words that we use are

724

00:24:46,149 --> 00:24:44,400

really important because of

725

00:24:48,149 --> 00:24:46,159

pop culture negative connotations that

726

00:24:49,669 --> 00:24:48,159

certain things have there's reasons why

727

00:24:51,190 --> 00:24:49,679

we don't like being called certain names

728

00:24:52,789 --> 00:24:51,200

or we're offended by stuff because of

729

00:24:56,149 --> 00:24:52,799

the weight that those

730

00:24:57,029 --> 00:24:56,159

words have and i think if you saw any

731

00:24:58,470 --> 00:24:57,039

like

732

00:25:00,950 --> 00:24:58,480

interview and i did a lot of press with

733

00:25:02,630 --> 00:25:00,960

demi where that would come up

734

00:25:04,549 --> 00:25:02,640

you know saying instead of saying aliens

735

00:25:06,470 --> 00:25:04,559

saying e.t if you watch any of that

736

00:25:08,070 --> 00:25:06,480

stuff we're kind of we're not like

737

00:25:10,950 --> 00:25:08,080

la we're not laughing but there's like a

738

00:25:12,789 --> 00:25:10,960

really positive kind of like cute giggly

739

00:25:13,750 --> 00:25:12,799

energy behind it where it's like you

740

00:25:14,950 --> 00:25:13,760

know maybe we shouldn't be using that

741

00:25:16,310 --> 00:25:14,960

word right now maybe we should think

742

00:25:18,230 --> 00:25:16,320

about something else like that was like

743

00:25:20,230 --> 00:25:18,240

very the energy of it and i think it's

744

00:25:24,630 --> 00:25:20,240

because and this is something i learned

745

00:25:27,350 --> 00:25:24,640

a whole lot that the term alien me is a

746

00:25:28,470 --> 00:25:27,360

skeptic um you know

747

00:25:30,630 --> 00:25:28,480

coming in

748

00:25:32,630 --> 00:25:30,640

when i think of alien i think of

749

00:25:34,149 --> 00:25:32,640

independence day of some like monsters

750

00:25:36,149 --> 00:25:34,159

they're going to come attack and kill us

751

00:25:38,070 --> 00:25:36,159

and abduct us you know i also think

752

00:25:40,230 --> 00:25:38,080

there's really negative connotations for

753

00:25:42,470 --> 00:25:40,240

illegal alien as well you know what i

754

00:25:44,950 --> 00:25:42,480

mean that's for another podcast that i

755

00:25:46,070 --> 00:25:44,960

could talk about that so i think like we

756

00:25:48,230 --> 00:25:46,080

as a

757

00:25:50,870 --> 00:25:48,240

you know culture i think specifically

758

00:25:53,350 --> 00:25:50,880

like an american culture probably the

759

00:25:55,669 --> 00:25:53,360

word alien has a really negative

760

00:25:57,029 --> 00:25:55,679

connotation to it baggage i think

761

00:25:59,190 --> 00:25:57,039

baggage yes very much very very

762

00:26:02,070 --> 00:25:59,200

significant that's like the word like

763

00:26:03,669 --> 00:26:02,080

like ufo comes with a whole [\h\_\_\h] ton of

764

00:26:05,110 --> 00:26:03,679

baggage which is why they changed the

765

00:26:07,029 --> 00:26:05,120

term to uap

766

00:26:09,029 --> 00:26:07,039

yes and i think so why can't we use

767

00:26:10,710 --> 00:26:09,039

different words you know

768

00:26:13,110 --> 00:26:10,720

it's been done for years

769

00:26:14,549 --> 00:26:13,120

yeah and a lot of like coming in

770

00:26:18,149 --> 00:26:14,559

was

771

00:26:19,750 --> 00:26:18,159

this is not something to be scared of

772

00:26:22,070 --> 00:26:19,760

you like because of movies and

773

00:26:24,549 --> 00:26:22,080

television whatever it is you know this

774

00:26:25,830 --> 00:26:24,559

is not some this is not a scary thing

775

00:26:26,870 --> 00:26:25,840

the majority of the people that we

776

00:26:29,350 --> 00:26:26,880

talked to

777

00:26:32,390 --> 00:26:29,360

and it was all a positive thing and

778

00:26:34,149 --> 00:26:32,400

anything i've only ever heard from demi

779

00:26:36,230 --> 00:26:34,159

is that it's something that gives them

780

00:26:38,549 --> 00:26:36,240

joy and curiosity

781

00:26:40,310 --> 00:26:38,559

and it seems like a really like fun

782

00:26:42,950 --> 00:26:40,320

place for them to live to try to

783

00:26:45,350 --> 00:26:42,960

discover this stuff and so this is a

784

00:26:46,950 --> 00:26:45,360

unidentified as fun it was really fun to

785

00:26:49,430 --> 00:26:46,960

look up in the sky and see stuff and

786

00:26:52,230 --> 00:26:49,440

learn things like that and i think the

787

00:26:53,510 --> 00:26:52,240

idea behind the language between alien

788

00:26:54,870 --> 00:26:53,520

e.t was

789

00:26:56,630 --> 00:26:54,880

e.t

790

00:26:59,750 --> 00:26:56,640

i mean pop culture we have connotations

791

00:27:01,590 --> 00:26:59,760

of a sweet alien with reese's pieces

792

00:27:03,269 --> 00:27:01,600

touching fingers

793

00:27:04,630 --> 00:27:03,279

so it's like if you leave like language

794

00:27:07,269 --> 00:27:04,640

is important you know what i mean so

795

00:27:08,950 --> 00:27:07,279

it's like how we describe things informs

796

00:27:10,630 --> 00:27:08,960

how we feel about it

797

00:27:12,310 --> 00:27:10,640

should it be that way probably not but

798

00:27:14,390 --> 00:27:12,320

unfortunately that's the way that it is

799

00:27:17,190 --> 00:27:14,400

so i think it was just like a fun thing

800

00:27:19,510 --> 00:27:17,200

to bring up in press and conversations

801

00:27:21,510 --> 00:27:19,520

to switch the narrative from

802

00:27:24,070 --> 00:27:21,520

because a lot of the questions we got on

803

00:27:26,389 --> 00:27:24,080

doing press were like oh no aliens

804

00:27:29,269 --> 00:27:26,399

coming to abduct you aliens to attack

805

00:27:31,269 --> 00:27:29,279

you how could you probe you green aliens

806

00:27:32,389 --> 00:27:31,279

like that's a lot of what we heard and

807

00:27:33,990 --> 00:27:32,399

so i think the message that we were

808

00:27:36,310 --> 00:27:34,000

trying to portray with the show is like

809

00:27:37,990 --> 00:27:36,320

this is a fun experiment where we want

810

00:27:40,149 --> 00:27:38,000

to learn more about what's in the sky

811

00:27:42,630 --> 00:27:40,159

and the beautiful universe that god has

812

00:27:44,789 --> 00:27:42,640

created so like i think that that's

813

00:27:46,630 --> 00:27:44,799

where the idea of et versus alien came

814

00:27:48,630 --> 00:27:46,640

in so if you i mean like if you watch

815

00:27:50,389 --> 00:27:48,640

any clip of demi talking about it that's

816

00:27:52,389 --> 00:27:50,399

the energy that's coming from it or any

817

00:27:55,029 --> 00:27:52,399

of us really so it's

818

00:27:58,310 --> 00:27:55,039

that big smile and that big boisterous

819

00:28:00,710 --> 00:27:58,320

laugh yeah yeah beautiful laugh i love

820

00:28:03,510 --> 00:28:00,720

that laugh i was like i'm stealing best

821

00:28:05,590 --> 00:28:03,520

sounding demi had a smile from ear to

822

00:28:07,669 --> 00:28:05,600

ear the whole time buy me a more

823

00:28:09,110 --> 00:28:07,679

beautiful smile you won't

824

00:28:12,389 --> 00:28:09,120

what's that i said find me a more

825

00:28:14,230 --> 00:28:12,399

beautiful smile you won't nope

826

00:28:15,510 --> 00:28:14,240

earlier you were talking about talking

827

00:28:17,909 --> 00:28:15,520

to your friends

828

00:28:20,950 --> 00:28:17,919

about the phenomena how do younger

829

00:28:23,029 --> 00:28:20,960

people talk to other younger people

830

00:28:25,110 --> 00:28:23,039

about the ufo phenomena

831

00:28:27,029 --> 00:28:25,120

what are some tips like how do you bring

832

00:28:27,909 --> 00:28:27,039

it up to your friends

833

00:28:29,590 --> 00:28:27,919

um

834

00:28:31,190 --> 00:28:29,600

i think

835

00:28:32,789 --> 00:28:31,200

it's a lot in line of what we were just

836

00:28:34,389 --> 00:28:32,799

talking about with like

837

00:28:36,070 --> 00:28:34,399

i hate to harp on it or keep bringing up

838

00:28:38,389 --> 00:28:36,080

like the alien versus et thing like

839

00:28:40,149 --> 00:28:38,399

learning words like uap the first thing

840

00:28:41,750 --> 00:28:40,159

i lead with usually when i was talking

841

00:28:43,750 --> 00:28:41,760

to people about the show who are

842

00:28:47,110 --> 00:28:43,760

skeptics was

843

00:28:49,669 --> 00:28:47,120

saying what ufo stands for and saying

844

00:28:51,750 --> 00:28:49,679

literally what does that mean and kind

845

00:28:53,510 --> 00:28:51,760

of like opening the door to say it's

846

00:28:55,590 --> 00:28:53,520

okay to say

847

00:28:57,350 --> 00:28:55,600

i'm undecided about this stuff and to

848

00:28:59,669 --> 00:28:57,360

acknowledge that there's something out

849

00:29:01,669 --> 00:28:59,679

there and it's like a fun thing to try

850

00:29:03,430 --> 00:29:01,679

to figure it out it's also like a fun

851

00:29:06,149 --> 00:29:03,440

thing to give your theories back and

852

00:29:07,909 --> 00:29:06,159

forth you know what i mean like um i

853

00:29:09,269 --> 00:29:07,919

guess something out there has to be the

854

00:29:12,149 --> 00:29:09,279

truth but we

855

00:29:14,710 --> 00:29:12,159

we most likely will never know so it's a

856

00:29:16,789 --> 00:29:14,720

i think it's a fun thing to bond over

857

00:29:19,029 --> 00:29:16,799

and to explore

858

00:29:21,590 --> 00:29:19,039

and watch documentaries about it and

859

00:29:23,510 --> 00:29:21,600

have conversations about it or go into

860

00:29:25,669 --> 00:29:23,520

the middle of a desert and just look in

861

00:29:29,350 --> 00:29:25,679

the sky and see what you see at the very

862

00:29:30,710 --> 00:29:29,360

least the sky is gorgeous so

863

00:29:32,230 --> 00:29:30,720

yes

864

00:29:33,350 --> 00:29:32,240

you get dizzy

865

00:29:35,269 --> 00:29:33,360

what's up

866

00:29:36,549 --> 00:29:35,279

we were out in roswell at the crash site

867

00:29:37,990 --> 00:29:36,559

we got to go some time would you want to

868

00:29:41,190 --> 00:29:38,000

go yes

869

00:29:42,870 --> 00:29:41,200

what about area 31 yeah

870

00:29:44,630 --> 00:29:42,880

well let's go yeah i can't believe we

871

00:29:46,149 --> 00:29:44,640

didn't go for season one to be honest

872

00:29:48,230 --> 00:29:46,159

because that seems like

873

00:29:49,350 --> 00:29:48,240

that seems like a no-brainer but maybe

874

00:29:50,710 --> 00:29:49,360

they wanted to start us off small

875

00:29:53,110 --> 00:29:50,720

because those seems like those seem like

876

00:29:54,950 --> 00:29:53,120

the the meccas joe and i we spent the

877

00:29:57,750 --> 00:29:54,960

night at one of the roswell crash sites

878

00:29:59,750 --> 00:29:57,760

and looking up in the sky it was just

879

00:30:01,990 --> 00:29:59,760

dizzying yeah

880

00:30:05,190 --> 00:30:02,000

literally because we're always here or

881

00:30:07,350 --> 00:30:05,200

whatever yeah yeah i like that advice

882

00:30:09,590 --> 00:30:07,360

talk about the stupid acronyms watch

883

00:30:10,549 --> 00:30:09,600

stuff together make it a social event

884

00:30:12,070 --> 00:30:10,559

yeah

885

00:30:13,350 --> 00:30:12,080

that's what this should be about it's

886

00:30:15,110 --> 00:30:13,360

another way to connect with your friends

887

00:30:16,950 --> 00:30:15,120

and family get out there explore wonder

888

00:30:18,950 --> 00:30:16,960

what the hell is out there

889

00:30:21,110 --> 00:30:18,960

what's really in the skies it's a good

890

00:30:23,669 --> 00:30:21,120

way to like step outside of yourself you

891

00:30:25,510 --> 00:30:23,679

know as a you know absolutely i'm a

892

00:30:27,510 --> 00:30:25,520

millennial and so we grew up with like

893

00:30:29,669 --> 00:30:27,520

hustle culture you know what i mean so

894

00:30:31,350 --> 00:30:29,679

it's like and as an actor too like a

895

00:30:33,430 --> 00:30:31,360

starving artist struggling actor trying

896

00:30:35,190 --> 00:30:33,440

to make your dreams come true it's

897

00:30:37,990 --> 00:30:35,200

really easy to

898

00:30:40,310 --> 00:30:38,000

get lost in instagram and earth and

899

00:30:42,149 --> 00:30:40,320

looking down and i think when we look up

900

00:30:44,389 --> 00:30:42,159

and look out we realize how small that

901  
00:30:46,310 --> 00:30:44,399  
we are and how much beauty there is out

902  
00:30:48,950 --> 00:30:46,320  
there sometimes it's like go for a walk

903  
00:30:50,710 --> 00:30:48,960  
go outside read a book look at the sky

904  
00:30:51,510 --> 00:30:50,720  
you know what i mean there's something

905  
00:30:52,389 --> 00:30:51,520  
right

906  
00:30:54,070 --> 00:30:52,399  
that's

907  
00:30:55,990 --> 00:30:54,080  
you know it's equal parts it's

908  
00:30:58,470 --> 00:30:56,000  
mystifying for sure staring at the sky

909  
00:31:00,470 --> 00:30:58,480  
but it's also like puts in perspective

910  
00:31:02,470 --> 00:31:00,480  
like that instagram post doesn't really

911  
00:31:04,950 --> 00:31:02,480  
matter there's comments up there you

912  
00:31:07,029 --> 00:31:04,960  
know what i mean

913  
00:31:08,710 --> 00:31:07,039

i think it's good to take some time to

914

00:31:10,470 --> 00:31:08,720

go on a road trip with your friends like

915

00:31:12,389 --> 00:31:10,480

demi and i did and like you know go

916

00:31:15,029 --> 00:31:12,399

stare at the sky for a while like at

917

00:31:15,909 --> 00:31:15,039

least to just get out of get out of this

918

00:31:17,590 --> 00:31:15,919

in order

919

00:31:19,509 --> 00:31:17,600

that's a positive thing

920

00:31:22,149 --> 00:31:19,519

that was [h\_\_h] perfect

921

00:31:24,789 --> 00:31:22,159

that was [h\_\_h] crazy like being graded

922

00:31:25,750 --> 00:31:24,799

on these answers emmett you got the part

923

00:31:27,110 --> 00:31:25,760

sweetie

924

00:31:28,950 --> 00:31:27,120

so what's new what are you guys what are

925

00:31:31,509 --> 00:31:28,960

you guys up to right now in your lives

926  
00:31:33,750 --> 00:31:31,519  
how are things going

927  
00:31:36,710 --> 00:31:33,760  
we just got done filming

928  
00:31:39,590 --> 00:31:36,720  
in roswell for a project coming out

929  
00:31:41,509 --> 00:31:39,600  
yeah we're in line for some other shows

930  
00:31:44,630 --> 00:31:41,519  
and things like but yeah we just bought

931  
00:31:46,710 --> 00:31:44,640  
like some new equipment that like

932  
00:31:47,990 --> 00:31:46,720  
you know this we bought like a kick-ass

933  
00:31:49,110 --> 00:31:48,000  
skycam

934  
00:31:50,950 --> 00:31:49,120  
it's the same kind of thing that you

935  
00:31:52,470 --> 00:31:50,960  
look on the ipad so we can go out there

936  
00:31:53,590 --> 00:31:52,480  
and really like record it and do stuff

937  
00:31:55,909 --> 00:31:53,600  
yeah

938  
00:31:57,430 --> 00:31:55,919

so do you guys you guys get together and

939

00:31:59,909 --> 00:31:57,440

organize trips so you spend some time

940

00:32:01,909 --> 00:31:59,919

together or dude yeah

941

00:32:04,630 --> 00:32:01,919

yeah like i'll usually go see joe

942

00:32:06,230 --> 00:32:04,640

and then we'll go skywatch film some

943

00:32:08,950 --> 00:32:06,240

stuff look around because that's like

944

00:32:10,470 --> 00:32:08,960

bigfoot country too so yeah oregon

945

00:32:11,990 --> 00:32:10,480

before

946

00:32:15,110 --> 00:32:12,000

oh is

947

00:32:16,789 --> 00:32:15,120

there some sights up here i'm sure

948

00:32:19,430 --> 00:32:16,799

it's that's why i loved it that's why i

949

00:32:20,630 --> 00:32:19,440

moved here really okay was it there's

950

00:32:21,750 --> 00:32:20,640

just the pure beauty that brought you

951  
00:32:24,070 --> 00:32:21,760  
there

952  
00:32:27,909 --> 00:32:24,080  
yeah being in you know sacramento for

953  
00:32:30,389 --> 00:32:27,919  
you know 38 years or 36 years it uh um

954  
00:32:32,470 --> 00:32:30,399  
the cement city kind of got to us and

955  
00:32:34,149 --> 00:32:32,480  
we came out here and it once we saw the

956  
00:32:37,110 --> 00:32:34,159  
beauty of it like when it snows here

957  
00:32:39,269 --> 00:32:37,120  
it's amazing oh fun

958  
00:32:40,549 --> 00:32:39,279  
there's like just enough snow right oh

959  
00:32:41,669 --> 00:32:40,559  
yeah just enough

960  
00:32:43,029 --> 00:32:41,679  
yeah you're not like digging out your

961  
00:32:44,070 --> 00:32:43,039  
door nope

962  
00:32:45,509 --> 00:32:44,080  
i don't want to take too much of your

963  
00:32:48,389 --> 00:32:45,519

time is there anything

964

00:32:49,750 --> 00:32:48,399

matthew that you want to add or anything

965

00:32:52,149 --> 00:32:49,760

at all that you think that we should

966

00:32:53,830 --> 00:32:52,159

know about to anybody who's listening or

967

00:32:56,630 --> 00:32:53,840

watching this podcast who watched

968

00:32:58,950 --> 00:32:56,640

identified and enjoyed it i'm so

969

00:33:01,430 --> 00:32:58,960

thankful that you watched and enjoyed

970

00:33:03,430 --> 00:33:01,440

our journey we had a lot of fun

971

00:33:06,310 --> 00:33:03,440

making it and i hope it opened up some

972

00:33:08,630 --> 00:33:06,320

conversations with you or whoever

973

00:33:10,549 --> 00:33:08,640

is your family or chosen family to talk

974

00:33:11,830 --> 00:33:10,559

about those things um if you're

975

00:33:15,029 --> 00:33:11,840

listening to this and you haven't

976  
00:33:16,070 --> 00:33:15,039  
watched the series or are curious about

977  
00:33:21,830 --> 00:33:16,080  
it

978  
00:33:22,950 --> 00:33:21,840  
access to peacock or can't get that a

979  
00:33:25,350 --> 00:33:22,960  
lot of

980  
00:33:27,350 --> 00:33:25,360  
clips are on from youtube and are

981  
00:33:29,190 --> 00:33:27,360  
frankly on my social media my instagram

982  
00:33:32,070 --> 00:33:29,200  
is matthew underscore scott underscore

983  
00:33:34,549 --> 00:33:32,080  
montgomery and a lot of the carmen ghost

984  
00:33:36,950 --> 00:33:34,559  
stuff i was speaking of is actually

985  
00:33:39,509 --> 00:33:36,960  
um on there also you two are on there as

986  
00:33:40,630 --> 00:33:39,519  
well i think in the in a couple posts

987  
00:33:43,190 --> 00:33:40,640  
that i made

988  
00:33:45,509 --> 00:33:43,200

um and so i encourage you if you're

989

00:33:46,950 --> 00:33:45,519

curious to check those out and

990

00:33:48,789 --> 00:33:46,960

as i was talking before and i was like

991

00:33:50,789 --> 00:33:48,799

i'm kind of like a spooky person like a

992

00:33:53,350 --> 00:33:50,799

spooky little baby who lives like creepy

993

00:33:55,669 --> 00:33:53,360

stuff um one of the most exciting things

994

00:33:58,549 --> 00:33:55,679

that i've been working on post um

995

00:34:01,350 --> 00:33:58,559

unidentified is i wrote a horror movie

996

00:34:02,870 --> 00:34:01,360

um called howdy neighbor that's a queer

997

00:34:04,389 --> 00:34:02,880

stalker movie

998

00:34:05,509 --> 00:34:04,399

um and i've always wanted to be in a

999

00:34:08,149 --> 00:34:05,519

horror movie and it's like kind of my

1000

00:34:10,470 --> 00:34:08,159

dream and so i wrote one for myself and

1001  
00:34:12,710 --> 00:34:10,480  
one of my co-stars from sunny with a

1002  
00:34:14,069 --> 00:34:12,720  
chance and so random who was on the show

1003  
00:34:16,069 --> 00:34:14,079  
with demi and i

1004  
00:34:17,589 --> 00:34:16,079  
her name is allison it was allison

1005  
00:34:19,510 --> 00:34:17,599  
ashley arms she's been married since

1006  
00:34:21,190 --> 00:34:19,520  
she's allison snyder now she will be

1007  
00:34:23,990 --> 00:34:21,200  
directing it and we are going to be

1008  
00:34:27,669 --> 00:34:24,000  
shooting that in early 2022

1009  
00:34:29,589 --> 00:34:27,679  
and i'm very excited about shooting that

1010  
00:34:31,190 --> 00:34:29,599  
film and that's kind of a scream come

1011  
00:34:33,589 --> 00:34:31,200  
true i don't know exactly when it will

1012  
00:34:35,589 --> 00:34:33,599  
be out but you can check my social media

1013  
00:34:37,270 --> 00:34:35,599

for updates on that and we have an

1014

00:34:38,869 --> 00:34:37,280

announced official cast but if you were

1015

00:34:40,310 --> 00:34:38,879

a fan of mine from disney channel and

1016

00:34:41,669 --> 00:34:40,320

the nickelodeon stuff i used to do i

1017

00:34:43,190 --> 00:34:41,679

think you'll be pleased with some of the

1018

00:34:44,869 --> 00:34:43,200

possibly familiar faces you'll see in

1019

00:34:46,310 --> 00:34:44,879

the cast

1020

00:34:48,950 --> 00:34:46,320

that's awesome

1021

00:34:52,149 --> 00:34:48,960

i like what what'd you say uh uh oh crap

1022

00:34:54,069 --> 00:34:52,159

you said it and i laughed what was it uh

1023

00:34:56,710 --> 00:34:54,079

something of your screams that was funny

1024

00:34:57,910 --> 00:34:56,720

oh my screams come true screenshot today

1025

00:34:59,510 --> 00:34:57,920

that's so cool

1026

00:35:00,550 --> 00:34:59,520

i love that

1027

00:35:02,230 --> 00:35:00,560

yes

1028

00:35:03,750 --> 00:35:02,240

thank you for coming on the show there

1029

00:35:05,270 --> 00:35:03,760

matthew i hope you come back again

1030

00:35:06,390 --> 00:35:05,280

sometimes i can't wait to hear some more

1031

00:35:07,990 --> 00:35:06,400

good stuff

1032

00:35:09,670 --> 00:35:08,000

yeah you guys are such a total blast it

1033

00:35:11,349 --> 00:35:09,680

sorry took me so long to get on here but

1034

00:35:13,670 --> 00:35:11,359

um everything happens for a reason in

1035

00:35:15,750 --> 00:35:13,680

the universe and so i'm glad it all

1036

00:35:19,490 --> 00:35:15,760

lined up now i adore you both and thank
