PROBECAST
WITH THE UFO BROS

1
00:00:06,710 --> 00:00:03,350
i want to move on to one other sort of

2
00:00:08,710 --> 00:00:06,720
social media splash okay that was made

3
00:00:11,430 --> 00:00:08,720
demi's saying that

4
00:00:14,150 --> 00:00:11,440
we should not use the word alien

5
00:00:16,630 --> 00:00:14,160
um and that made i don't know if you saw

6
00:00:18,790 --> 00:00:16,640
that that made a huge splash

7
00:00:21,429 --> 00:00:18,800
within the ufo community as well which

8
00:00:24,310 --> 00:00:21,439
you know we're a part of

9
00:00:26,150 --> 00:00:24,320
i think um one thing that i learned uh

10
00:00:27,990 --> 00:00:26,160
through this experience or or learned

11
00:00:29,750 --> 00:00:28,000
even more was that i think language is

12
00:00:31,029 --> 00:00:29,760
really important i mean we're kind of in

13
00:00:32,630 --> 00:00:31,039

this like

14

00:00:34,310 --> 00:00:32,640
structure i could get into a whole

15

00:00:36,790 --> 00:00:34,320
speech about institutionalized

16

00:00:39,190 --> 00:00:36,800
heteronormativity but like labels are

17

00:00:40,470 --> 00:00:39,200
very very important for people like um

18

00:00:42,790 --> 00:00:40,480
especially

19

00:00:44,310 --> 00:00:42,800
um heteronormative culture needs like a

20

00:00:45,830 --> 00:00:44,320
label for everything so they can

21

00:00:48,150 --> 00:00:45,840
understand how everything kind of fits

22

00:00:50,470 --> 00:00:48,160
in there and at the same time i do think

23

00:00:52,869 --> 00:00:50,480
the words that we use are really

24

00:00:54,630 --> 00:00:52,879
important because of

25

00:00:56,630 --> 00:00:54,640
pop culture negative connotations that

26
00:00:58,150 --> 00:00:56,640
certain things have there's reasons why

27
00:00:59,670 --> 00:00:58,160
we don't like being called certain names

28
00:01:01,270 --> 00:00:59,680
or we're offended by stuff because of

29
00:01:04,630 --> 00:01:01,280
the weight that those

30
00:01:05,509 --> 00:01:04,640
words have and i think if you saw any

31
00:01:06,950 --> 00:01:05,519
like

32
00:01:09,429 --> 00:01:06,960
interview and i did a lot of press with

33
00:01:11,109 --> 00:01:09,439
demi where that would come up

34
00:01:13,030 --> 00:01:11,119
you know saying instead of saying aliens

35
00:01:14,950 --> 00:01:13,040
saying e.t if you watch any of that

36
00:01:16,550 --> 00:01:14,960
stuff we're kind we're not like

37
00:01:19,429 --> 00:01:16,560
la we're not laughing but there's like a

38
00:01:21,270 --> 00:01:19,439

really positive kind of like cute giggly

39

00:01:22,230 --> 00:01:21,280

energy behind it where it's like you

40

00:01:23,429 --> 00:01:22,240

know maybe we shouldn't be using that

41

00:01:24,789 --> 00:01:23,439

word right now maybe we should think

42

00:01:26,710 --> 00:01:24,799

about something else like that was like

43

00:01:28,710 --> 00:01:26,720

very the energy of it and i think it's

44

00:01:33,109 --> 00:01:28,720

because and this is something i learned

45

00:01:35,830 --> 00:01:33,119

a whole lot that the term alien me is a

46

00:01:36,950 --> 00:01:35,840

skeptic um you know

47

00:01:39,109 --> 00:01:36,960

coming in

48

00:01:41,109 --> 00:01:39,119

when i think of alien i think of

49

00:01:42,630 --> 00:01:41,119

independence day of some like monsters

50

00:01:44,630 --> 00:01:42,640

they're going to come attack and kill us

51

00:01:46,550 --> 00:01:44,640

and abduct us you know i also think

52

00:01:51,290 --> 00:01:46,560

there's really negative connotations for

53

00:01:57,109 --> 00:01:51,300

illegal alien as well you know
