GIORGIO TSOUKALOS

1
00:00:10,690 --> 00:00:02,270

[Music]

2
00:00:15,890 --> 00:00:13,730
from Ancient Aliens and ancient aliens

3
00:00:17,450 --> 00:00:15,900
alive how are you very well good to see

4
00:00:18,769 --> 00:00:17,460
you guys again great to see you since

5
00:00:21,650 --> 00:00:18,779
we're still our Channel last it's been a

6
00:00:23,630 --> 00:00:21,660
while oh 2016. but I'm unbelievable I'm

7
00:00:25,009 --> 00:00:23,640
happy that you guys are still doing

8
00:00:27,310 --> 00:00:25,019
what you're doing you're one of the good

9
00:00:29,450 --> 00:00:27,320
guys oh yes

10
00:00:31,730 --> 00:00:29,460
you heard it from Georgia himself with

11
00:00:36,049 --> 00:00:31,740
the good guys yes so we're here at

12
00:00:39,049 --> 00:00:36,059
aliencon and tell me how big has this

13
00:00:43,310 --> 00:00:39,059

event got yeah it's uh you know we did

14

00:00:46,369 --> 00:00:43,320

the first one I think in 2016 or 2017 in

15

00:00:48,290 --> 00:00:46,379

Santa Clara and that was already a

16

00:00:50,330 --> 00:00:48,300

success but it was a one-off show only

17

00:00:53,990 --> 00:00:50,340

and then History Channel said you know

18

00:00:55,729 --> 00:00:54,000

what let's try and do some more and we

19

00:00:58,490 --> 00:00:55,739

did a whole bunch of them in Pasadena

20

00:01:00,529 --> 00:00:58,500

and Los Angeles in Baltimore in Dallas

21

00:01:02,450 --> 00:01:00,539

and then we had a little bit of a

22

00:01:05,030 --> 00:01:02,460

problem in the last two years called

23

00:01:08,750 --> 00:01:05,040

covet right so you know we were not we

24

00:01:11,750 --> 00:01:08,760

were unable to do anything and so now

25

00:01:13,789 --> 00:01:11,760

that we're back out on the road and now

26

00:01:17,690 --> 00:01:13,799

that this whole thing is kind of sort of

27

00:01:20,690 --> 00:01:17,700

behind us to see so many smiling faces

28

00:01:23,210 --> 00:01:20,700

and to have this return of alien con and

29

00:01:25,910 --> 00:01:23,220

the unbridled enthusiasm and passion and

30

00:01:29,810 --> 00:01:25,920

loyalty of the fans it's truly amazing

31

00:01:32,929 --> 00:01:29,820

and you know we are absolutely all of us

32

00:01:35,270 --> 00:01:32,939

from Ancient Aliens and a e we are so

33

00:01:38,149 --> 00:01:35,280

happy to be able to welcome everyone

34

00:01:40,429 --> 00:01:38,159

again face to face I mean seeing you

35

00:01:42,350 --> 00:01:40,439

guys face to face is a good thing it is

36

00:01:44,390 --> 00:01:42,360

because we're social animals we need

37

00:01:45,530 --> 00:01:44,400

interaction social interaction so this

38

00:01:47,929 --> 00:01:45,540

whole you know

39

00:01:51,050 --> 00:01:47,939

stuff about you know being isolated at

40

00:01:52,969 --> 00:01:51,060

home you know due to circumstance was

41

00:01:55,389 --> 00:01:52,979

kind of wild what happened over the past

42

00:01:57,710 --> 00:01:55,399

two years you know so I'm so happy

43

00:02:00,770 --> 00:01:57,720

especially with the uip getting into

44

00:02:02,990 --> 00:02:00,780

legislation yes and the uaptf report

45

00:02:05,149 --> 00:02:03,000

coming out and this is such a great

46

00:02:06,469 --> 00:02:05,159

place for like-minded people who believe

47

00:02:09,169 --> 00:02:06,479

that we're headed in the direction of

48

00:02:10,669 --> 00:02:09,179

disclosure to get together laugh chat we

49

00:02:12,530 --> 00:02:10,679

had a great time at the yard house last

50

00:02:14,150 --> 00:02:12,540

night yeah we ran into some people we

51
00:02:15,949 --> 00:02:14,160
never met before and that's what I love

52
00:02:19,610 --> 00:02:15,959
about events like this yeah no I mean

53
00:02:22,369 --> 00:02:19,620
look this this event has become a place

54
00:02:26,390 --> 00:02:22,379
for like-minded people to come together

55
00:02:30,110 --> 00:02:26,400
from all walks of life of all

56
00:02:32,030 --> 00:02:30,120
professions of all you know uh any

57
00:02:34,369 --> 00:02:32,040
direction you want to go it's a

58
00:02:35,809 --> 00:02:34,379
congregation point because what's so

59
00:02:38,150 --> 00:02:35,819
interesting to me is if you would have

60
00:02:39,890 --> 00:02:38,160
told me 30 years ago that one day we're

61
00:02:41,330 --> 00:02:39,900
having our own conference I would have

62
00:02:43,850 --> 00:02:41,340
been like come on

63
00:02:45,949 --> 00:02:43,860

forget about it right the fact that we

64

00:02:47,809 --> 00:02:45,959

now are doing this illustrates to me

65

00:02:50,750 --> 00:02:47,819

that these are things these are topics

66

00:02:53,750 --> 00:02:50,760

that virtually every human being is

67

00:02:56,270 --> 00:02:53,760

intrinsically interested in we want to

68

00:02:59,570 --> 00:02:56,280

know where do we come from where are we

69

00:03:02,449 --> 00:02:59,580

going and you know why are we here and

70

00:03:05,270 --> 00:03:02,459

so you know I think that this this this

71

00:03:08,390 --> 00:03:05,280

place here is a is something for

72

00:03:09,410 --> 00:03:08,400

everyone to come together and also what

73

00:03:11,509 --> 00:03:09,420

you just said

74

00:03:15,410 --> 00:03:11,519

make new friends yeah you know and

75

00:03:15,420 --> 00:03:19,990

yes

76

00:03:27,170 --> 00:03:23,210

exactly right you know so no it's all an

77

00:03:29,210 --> 00:03:27,180

incredibly positive development and you

78

00:03:33,170 --> 00:03:29,220

know uh to have so many smiling people

79

00:03:35,690 --> 00:03:33,180

and so many happy people you know

80

00:03:37,729 --> 00:03:35,700

I I cannot imagine anything better we

81

00:03:41,690 --> 00:03:37,739

have the best fans in the world

82

00:03:42,949 --> 00:03:41,700

agreed agreed so um this is something I

83

00:03:45,170 --> 00:03:42,959

I've got a

84

00:03:46,970 --> 00:03:45,180

get off my chest hopefully our viewers

85

00:03:49,070 --> 00:03:46,980

will understand but I need to know you

86

00:03:51,789 --> 00:03:49,080

know how many gigawatts of electricity

87

00:03:55,850 --> 00:03:51,799

is required to make that hairdo

88

00:03:59,509 --> 00:03:55,860

what is it from Back to the Future

89

00:04:01,729 --> 00:03:59,519

it said 8.2 or 1.21 gigawatts there it

90

00:04:03,470 --> 00:04:01,739

is yes that's what it is uh it's about

91

00:04:07,190 --> 00:04:03,480

one second in the socket that's one

92

00:04:08,149 --> 00:04:07,200

second but every day fasting I know do

93

00:04:09,770 --> 00:04:08,159

you wear it like that when you're going

94

00:04:14,470 --> 00:04:09,780

to the coffee house or when you're just

95

00:04:19,189 --> 00:04:16,610

how many times do people ask you to do

96

00:04:21,949 --> 00:04:19,199

this oh all the time and you know and I

97

00:04:24,170 --> 00:04:21,959

I love it because you know if like

98

00:04:26,210 --> 00:04:24,180

Arnold has his catchphrase I'll be back

99

00:04:28,610 --> 00:04:26,220

right you know Sylvester Stallone has

100

00:04:30,890 --> 00:04:28,620

his Rocky hands and I have my alien

101
00:04:33,650 --> 00:04:30,900
hands so I think I'm in good company is

102
00:04:36,230 --> 00:04:33,660
it on the left or the right slightly to

103
00:04:37,550 --> 00:04:36,240
the left to the left just an edge yes

104
00:04:39,590 --> 00:04:37,560
let's give it I'll like that real quick

105
00:04:43,070 --> 00:04:39,600
Joe real quick

106
00:04:45,770 --> 00:04:43,080
I love that man this is great

107
00:04:47,950 --> 00:04:45,780
um so what we have here is we have a

108
00:04:51,770 --> 00:04:47,960
special special

109
00:04:54,710 --> 00:04:51,780
case that has uh we believe

110
00:04:56,930 --> 00:04:54,720
um some sort of alien metal okay maybe

111
00:05:00,230 --> 00:04:56,940
alien finally where did you find it and

112
00:05:02,330 --> 00:05:00,240
was it was it analyzed and so or will a

113
00:05:03,830 --> 00:05:02,340

a clown jump out of it no I swear

114

00:05:05,150 --> 00:05:03,840

there's nothing crazy in here it's only

115

00:05:07,610 --> 00:05:05,160

fun stuff

116

00:05:09,290 --> 00:05:07,620

um this was actually from we scouted we

117

00:05:10,129 --> 00:05:09,300

were able to get with

118

00:05:13,129 --> 00:05:10,139

um

119

00:05:15,409 --> 00:05:13,139

a surveyor as well as some local

120

00:05:19,070 --> 00:05:15,419

residents of Needles California because

121

00:05:20,570 --> 00:05:19,080

in 2008 the spring of 2008

122

00:05:22,370 --> 00:05:20,580

um something crashed there

123

00:05:24,409 --> 00:05:22,380

and the following day there was

124

00:05:25,670 --> 00:05:24,419

helicopters all sorts of scientists

125

00:05:28,730 --> 00:05:25,680

infiltrated the town in Needles

126

00:05:30,170 --> 00:05:28,740

California and this is the most recent

127

00:05:32,150 --> 00:05:30,180

UFO crash we could think of because

128

00:05:34,490 --> 00:05:32,160

that's what we do when we look for UFO

129

00:05:36,469 --> 00:05:34,500

crashes or UFO hot spots and all that

130

00:05:38,810 --> 00:05:36,479

stuff so Joe you want to tell them

131

00:05:40,249 --> 00:05:38,820

basically what we did and how we found

132

00:05:41,930 --> 00:05:40,259

it so what we did is we went out to the

133

00:05:44,629 --> 00:05:41,940

crash site we took our metal detectors

134

00:05:46,969 --> 00:05:44,639

and we just scouted the area and I found

135

00:05:49,010 --> 00:05:46,979

something that was pretty deep probably

136

00:05:50,210 --> 00:05:49,020

about two and a half feet down so we

137

00:05:51,830 --> 00:05:50,220

just kept digging and digging and

138

00:05:53,629 --> 00:05:51,840

digging right exactly where the crash

139

00:05:54,890 --> 00:05:53,639

site was and we found this piece of

140

00:05:56,390 --> 00:05:54,900

metal yeah so we're gonna have you take

141

00:05:57,710 --> 00:05:56,400

a look at it and then we're going to get

142

00:06:02,150 --> 00:05:57,720

a b-roll shot of you opening it yeah

143

00:06:06,350 --> 00:06:04,129

what do you think huh

144

00:06:13,490 --> 00:06:06,360

tell us what's weird gentlemen this is

145

00:06:13,500 --> 00:06:17,629

all right that's very strange

146

00:06:23,629 --> 00:06:21,290

I mean it looks like a a hull of

147

00:06:25,670 --> 00:06:23,639

something looks like it was a casing

148

00:06:27,350 --> 00:06:25,680

looks like it was blown off something

149

00:06:30,469 --> 00:06:27,360

because there's this very interesting

150

00:06:33,170 --> 00:06:30,479

are you sure it's safe to touch that's a

151

00:06:36,129 --> 00:06:33,180

great question we certainly hope so

152

00:06:38,270 --> 00:06:36,139

um you didn't that happen oh we did yeah

153

00:06:39,529 --> 00:06:38,280

we did check with a geiger counter

154

00:06:41,029 --> 00:06:39,539

absolutely but we have not had to

155

00:06:43,790 --> 00:06:41,039

analyze so we don't know what it's made

156

00:06:45,230 --> 00:06:43,800

of okay well this definitely so we

157

00:06:48,409 --> 00:06:45,240

really should not be touching this with

158

00:06:50,270 --> 00:06:48,419

our hands because we leave behind you

159

00:06:53,150 --> 00:06:50,280

know residue

160

00:06:56,150 --> 00:06:53,160

um so I really would recommend that you

161

00:06:58,189 --> 00:06:56,160

have this tested I mean what what state

162

00:07:00,890 --> 00:06:58,199

do you live in California all right well

163

00:07:05,689 --> 00:07:00,900

I mean there are a ton of uh places

164

00:07:08,090 --> 00:07:05,699

where this can be investigated now

165

00:07:10,730 --> 00:07:08,100

it is it looks very strange I mean

166

00:07:12,770 --> 00:07:10,740

indefinitely it it would be interesting

167

00:07:15,170 --> 00:07:12,780

to find out what it is I mean the fact

168

00:07:18,469 --> 00:07:15,180

that it's two and a half feet deep where

169

00:07:21,830 --> 00:07:18,479

it was two and a half deep feet deep is

170

00:07:24,589 --> 00:07:21,840

bizarre because that's a it's about this

171

00:07:26,150 --> 00:07:24,599

much yeah in the sand and now um

172

00:07:28,010 --> 00:07:26,160

astronaut Mark Kelly actually took a

173

00:07:29,809 --> 00:07:28,020

look at this piece okay and he was

174

00:07:32,629 --> 00:07:29,819

actually floored by it

175

00:07:34,730 --> 00:07:32,639

um believe it or not yeah um because of

176

00:07:36,529 --> 00:07:34,740

the yellowing the sheen on it the yellow

177

00:07:39,050 --> 00:07:36,539

Sheen he says that typically metals that

178

00:07:41,990 --> 00:07:39,060

are in Space over time get that sort of

179

00:07:45,110 --> 00:07:42,000

yellowish sheen on metal like that

180

00:07:47,089 --> 00:07:45,120

really yeah so interesting if it's not

181

00:07:48,770 --> 00:07:47,099

extraterrestrial it could be a part of

182

00:07:51,290 --> 00:07:48,780

whatever crashed

183

00:07:53,809 --> 00:07:51,300

in needles in 2008

184

00:07:56,650 --> 00:07:53,819

yeah I mean I would definitely have this

185

00:07:58,909 --> 00:07:56,660

investigate as I'm touching it again

186

00:08:01,490 --> 00:07:58,919

it only helps the hair man if there's

187

00:08:06,529 --> 00:08:01,500

anything on it yeah I'm getting Zapped

188

00:08:13,129 --> 00:08:10,070

about way but there's no part right here

189

00:08:16,070 --> 00:08:13,139

right no which would illustrate

190

00:08:18,890 --> 00:08:16,080

you know but I don't know I mean this is

191

00:08:22,249 --> 00:08:18,900

and then it's folded over as well

192

00:08:24,770 --> 00:08:22,259

so yeah no you know I would really like

193

00:08:27,110 --> 00:08:24,780

you to show this to Dr Travis Taylor if

194

00:08:29,390 --> 00:08:27,120

you get a chance yes we see him next

195

00:08:31,369 --> 00:08:29,400

actually good great no I'm sure he has

196

00:08:33,529 --> 00:08:31,379

something you know to add to this

197

00:08:35,630 --> 00:08:33,539

conversation I mean it's really

198

00:08:37,670 --> 00:08:35,640

strange I mean it's absolutely strange

199

00:08:38,810 --> 00:08:37,680

you know and of course

200

00:08:41,269 --> 00:08:38,820

you know

201
00:08:43,029 --> 00:08:41,279
the critics will say it's part of a

202
00:08:46,670 --> 00:08:43,039
Coca-Cola can

203
00:08:49,970 --> 00:08:46,680
do and you know maybe no but not really

204
00:08:52,550 --> 00:08:49,980
because you wouldn't have this

205
00:08:54,170 --> 00:08:52,560
weird droopy thickness over here that's

206
00:08:55,910 --> 00:08:54,180
what we thought was so weird we found

207
00:08:58,009 --> 00:08:55,920
this it was near the banks of the

208
00:09:01,370 --> 00:08:58,019
Colorado River which is approximation of

209
00:09:04,070 --> 00:09:01,380
where this this actually UFO crashed and

210
00:09:06,110 --> 00:09:04,080
so we're thinking how strange it is that

211
00:09:07,970 --> 00:09:06,120
this this bubble which will have to get

212
00:09:10,190 --> 00:09:07,980
a better shot of

213
00:09:11,930 --> 00:09:10,200

um there's no scarring there's no sense

214

00:09:13,790 --> 00:09:11,940

of it actually being heated other than

215

00:09:16,009 --> 00:09:13,800

the fact that there's this it really

216

00:09:19,430 --> 00:09:16,019

melted I mean right there other than

217

00:09:22,550 --> 00:09:19,440

that molten plastic I mean this actually

218

00:09:24,650 --> 00:09:22,560

reminds me as a kid I used to put my

219

00:09:27,410 --> 00:09:24,660

model planes in order for the glue to

220

00:09:29,690 --> 00:09:27,420

dry under a heat lamp

221

00:09:31,490 --> 00:09:29,700

and one time I forgot to turn off the

222

00:09:34,190 --> 00:09:31,500

heat lamp when I came back an hour later

223

00:09:36,769 --> 00:09:34,200

and the whole plastic model kit was

224

00:09:38,269 --> 00:09:36,779

essentially molten but that's exactly

225

00:09:39,170 --> 00:09:38,279

what kind of what it what it looked like

226

00:09:43,310 --> 00:09:39,180

so

227

00:09:45,350 --> 00:09:43,320

much yeah thank you for sharing that

228

00:09:47,090 --> 00:09:45,360

well we wanted to just check in with you

229

00:09:49,070 --> 00:09:47,100

it's been years we don't want to take up

230

00:09:50,810 --> 00:09:49,080

too much of your time I think we're able

231

00:09:52,550 --> 00:09:50,820

to pretty much kind of get into just a

232

00:09:54,650 --> 00:09:52,560

few questions and get your feedback on

233

00:09:56,210 --> 00:09:54,660

the metal and you know what do you think

234

00:09:58,130 --> 00:09:56,220

of the future of aliencon is going to be

235

00:10:00,170 --> 00:09:58,140

for disclosure do you think this is

236

00:10:02,449 --> 00:10:00,180

going to be the ultimate disclosure

237

00:10:03,949 --> 00:10:02,459

event across the country and has it

238

00:10:05,389 --> 00:10:03,959

already become that who knows I mean

239

00:10:07,430 --> 00:10:05,399

look I think that you know because

240

00:10:09,949 --> 00:10:07,440

disclosure always is referred to that

241

00:10:11,389 --> 00:10:09,959

there will be one giant press conference

242

00:10:13,730 --> 00:10:11,399

we are not alone

243

00:10:15,590 --> 00:10:13,740

I don't think that will be the case I

244

00:10:17,990 --> 00:10:15,600

think disclosure and I'm sure you two

245

00:10:20,990 --> 00:10:18,000

have heard this heard me say this before

246

00:10:24,050 --> 00:10:21,000

disclosure is not a one-time event I

247

00:10:27,650 --> 00:10:24,060

think disclosure is a process and we are

248

00:10:29,990 --> 00:10:27,660

smack dab in the middle of it yeah in

249

00:10:31,790 --> 00:10:30,000

fact if you look at an old toilet that

250

00:10:33,650 --> 00:10:31,800

flushes you know at the very end when

251
00:10:35,930 --> 00:10:33,660
there's this gurgle the most violent of

252
00:10:38,449 --> 00:10:35,940
times that is the time that we are in

253
00:10:40,550 --> 00:10:38,459
right now that you know this is where

254
00:10:43,430 --> 00:10:40,560
it's happening and sooner or later we'll

255
00:10:45,769 --> 00:10:43,440
make sure we'll realize not only are we

256
00:10:47,870 --> 00:10:45,779
not alone in the universe but we've been

257
00:10:49,610 --> 00:10:47,880
visited we always have been visited

258
00:10:52,670 --> 00:10:49,620
they've always observed us that's why

259
00:10:57,230 --> 00:10:52,680
they're called the Watchers and we are a

260
00:10:59,870 --> 00:10:57,240
a part of a gigantic mechanism out there

261
00:11:02,389 --> 00:10:59,880
that we have to understand one day we

262
00:11:04,490 --> 00:11:02,399
will be able to join but at the same

263
00:11:07,190 --> 00:11:04,500

time at the rate that this planet is

264

00:11:10,130 --> 00:11:07,200

going how we interact with each other

265

00:11:11,870 --> 00:11:10,140

it's not us not one thing to really just

266

00:11:14,030 --> 00:11:11,880

talk to the extraterrestrials it's the

267

00:11:15,110 --> 00:11:14,040

extraterrestrials not wanting to talk to

268

00:11:20,290 --> 00:11:15,120

us

269

00:11:22,670 --> 00:11:20,300

are a mental institution

270

00:11:25,250 --> 00:11:22,680

and anybody in their right mind would

271

00:11:26,870 --> 00:11:25,260

you know you know there's these memes

272

00:11:29,569 --> 00:11:26,880

out there that say you know aliens they

273

00:11:32,810 --> 00:11:29,579

take a detour around Earth I would take

274

00:11:35,350 --> 00:11:32,820

a detour as well you know because we've

275

00:11:38,930 --> 00:11:35,360

we've lost essentially all all decency

276

00:11:42,230 --> 00:11:38,940

we've lost respect for each other uh we

277

00:11:45,769 --> 00:11:42,240

have now entered a a post-truth world

278

00:11:48,790 --> 00:11:45,779

where some people genuinely try to say

279

00:11:51,949 --> 00:11:48,800

that two plus two is five

280

00:11:54,710 --> 00:11:51,959

just stop it

281

00:11:57,530 --> 00:11:54,720

two plus two I don't care what reality

282

00:12:00,710 --> 00:11:57,540

you're in what planet you're from what

283

00:12:04,190 --> 00:12:00,720

dimension you're in two plus two is four

284

00:12:07,550 --> 00:12:04,200

and you know anyone anyone who

285

00:12:09,110 --> 00:12:07,560

entertains that two plus two is five you

286

00:12:11,930 --> 00:12:09,120

probably also think that the Earth is

287

00:12:14,449 --> 00:12:11,940

flat the Earth is not flat it's a sphere

288

00:12:17,269 --> 00:12:14,459

it's an established fact so you know

289

00:12:19,850 --> 00:12:17,279

there's certain things that contrails

290

00:12:21,530 --> 00:12:19,860

not Chemtrails too contrails not

291

00:12:24,230 --> 00:12:21,540

Chemtrails because look here's the

292

00:12:26,329 --> 00:12:24,240

perfect remember I totally remember that

293

00:12:29,569 --> 00:12:26,339

because you know the Chemtrails you know

294

00:12:32,930 --> 00:12:29,579

all this stuff then would fall down on

295

00:12:35,389 --> 00:12:32,940

also the people who are doing that so

296

00:12:39,230 --> 00:12:35,399

you know sometimes the logic behind it

297

00:12:41,690 --> 00:12:39,240

yeah is a bit off and I love you

298

00:12:44,210 --> 00:12:41,700

but you know just just more a grain of

299

00:12:46,610 --> 00:12:44,220

salt please and I just gotta say I like

300

00:12:48,350 --> 00:12:46,620

how you likened a flushing toilet to the

301

00:12:50,990 --> 00:12:48,360

disclosure process because I think

302

00:12:53,690 --> 00:12:51,000

that's about accurate the whole process

303

00:12:55,250 --> 00:12:53,700

is like going down a big toilet yeah and

304

00:12:57,170 --> 00:12:55,260

and you know which they would just tell

305

00:12:59,210 --> 00:12:57,180

us get it out of the way or maybe they

306

00:13:00,850 --> 00:12:59,220

haven't so so here's what's interesting

307

00:13:03,650 --> 00:13:00,860

to me what's happened over the past

308

00:13:06,470 --> 00:13:03,660

especially the past three weeks because

309

00:13:08,690 --> 00:13:06,480

oftentimes in our community the UFO or

310

00:13:10,910 --> 00:13:08,700

Ancient Aliens Community some people are

311

00:13:13,370 --> 00:13:10,920

suggesting that you know if and when the

312

00:13:15,710 --> 00:13:13,380

extraterrestrials would show themselves

313

00:13:17,090 --> 00:13:15,720

publicly that the planet would break out

314

00:13:20,810 --> 00:13:17,100

in panic

315

00:13:23,389 --> 00:13:20,820

well the last three years have proven in

316

00:13:25,850 --> 00:13:23,399

my opinion that that is not the case

317

00:13:29,389 --> 00:13:25,860

because for all intents and purposes in

318

00:13:32,090 --> 00:13:29,399

the first 48 72 hours What was seen up

319

00:13:35,230 --> 00:13:32,100

in the sky was a UFO it's an

320

00:13:37,550 --> 00:13:35,240

unidentified flying object doesn't mean

321

00:13:40,129 --> 00:13:37,560

extraterrestrial UFO does not

322

00:13:41,750 --> 00:13:40,139

automatically mean extraterrestrial of

323

00:13:45,829 --> 00:13:41,760

course but

324

00:13:49,490 --> 00:13:45,839

these stories were absorbed by the

325

00:13:52,490 --> 00:13:49,500

planet without Panic nobody ran out of

326

00:13:55,790 --> 00:13:52,500

the streets screaming uh you know to be

327

00:13:56,829 --> 00:13:55,800

afraid so I am suggesting that what

328

00:14:01,129 --> 00:13:56,839

we've just

329

00:14:04,790 --> 00:14:01,139

experienced is an illustration that we

330

00:14:07,430 --> 00:14:04,800

all intrinsically know that our origin

331

00:14:10,009 --> 00:14:07,440

our origin is not here on Earth

332

00:14:12,290 --> 00:14:10,019

but out there so this is why it doesn't

333

00:14:14,990 --> 00:14:12,300

phase us and so I think maybe the

334

00:14:16,850 --> 00:14:15,000

governments will come around and finally

335

00:14:20,030 --> 00:14:16,860

level with us I sure hope so yeah

336

00:14:22,129 --> 00:14:20,040

because we can we can handle the truth

337

00:14:24,410 --> 00:14:22,139

and until that happens we've got Giorgio

338

00:14:26,090 --> 00:14:24,420

too because he's found in the truth he's

339

00:14:27,530 --> 00:14:26,100

telling us he's been telling us for I

340

00:14:32,629 --> 00:14:27,540

know 13 years now how long has the show

341

00:14:35,629 --> 00:14:32,639

been on yes uh my gosh uh 2009 was our

342

00:14:39,189 --> 00:14:35,639

Standalone two-hour special and then

343

00:14:43,670 --> 00:14:39,199

somehow here we are uh 19 Seasons later

344

00:14:46,670 --> 00:14:43,680

with 220 plus episodes I mean it's

345

00:14:50,030 --> 00:14:46,680

mind-blowing I have to say it is also to

346

00:14:52,129 --> 00:14:50,040

me still surreal it's also real but it

347

00:14:54,829 --> 00:14:52,139

all happened because of you guys the

348

00:14:56,569 --> 00:14:54,839

audience your continued passion your

349

00:14:59,449 --> 00:14:56,579

continued loyalty

350

00:15:02,329 --> 00:14:59,459

that we are still here so thank you

351

00:15:04,790 --> 00:15:02,339

because without the audience or excuse

352

00:15:06,949 --> 00:15:04,800

me without the Watchers which are you

353

00:15:08,810 --> 00:15:06,959

the show would not be here so thank you

354

00:15:11,110 --> 00:15:08,820

very much for your love and for your

355

00:15:14,329 --> 00:15:11,120

enthusiasm thank you thank you very much

356

00:15:16,910 --> 00:15:14,339

wonderful the UFO Bros my favorite Bros
