

1

00:00:00,000 --> 00:00:01,000

I'm drawing it up.

2

00:00:01,000 --> 00:00:02,000

On UFO Cowboys.

3

00:00:02,000 --> 00:00:04,000

I noticed these orbs were floating.

4

00:00:04,000 --> 00:00:06,000

Look at that.

5

00:00:06,000 --> 00:00:11,000

After seeing evidence of floating orbs, the missing livestock mystery deepened.

6

00:00:11,000 --> 00:00:16,000

I did a head count and we're missing one cow.

7

00:00:16,000 --> 00:00:20,000

As the team learned, the orbs may be drawn to the distance.

8

00:00:20,000 --> 00:00:22,000

We're going to go back to the base.

9

00:00:22,000 --> 00:00:24,000

We're going to go back to the base.

10

00:00:24,000 --> 00:00:26,000

And we're missing one cow.

11

00:00:26,000 --> 00:00:31,000

As the team learned, the orbs may be drawn to the disappearing cattle.

12

00:00:31,000 --> 00:00:32,000

There it is.

13

00:00:32,000 --> 00:00:36,000

They're hunting for something specific on this pasture.

14

00:00:36,000 --> 00:00:39,000

At night, the lights return.

15

00:00:39,000 --> 00:00:40,000

There's lights.

16

00:00:40,000 --> 00:00:41,000

Yeah, I see them.

17

00:00:41,000 --> 00:00:42,000

Oh, dang.

18

00:00:42,000 --> 00:00:43,000

Right there.

19

00:00:43,000 --> 00:00:44,000

You see it?

20

00:00:44,000 --> 00:00:45,000

You see it?

21

00:00:45,000 --> 00:00:46,000

What's that?

22

00:00:46,000 --> 00:00:47,000

You see them?

23

00:00:47,000 --> 00:00:49,000

God dang, what are they running for, Jeb?

24

00:00:49,000 --> 00:00:51,000

As something hunted the cattle.

25

00:00:51,000 --> 00:00:53,000

There ain't no telling where this sh** is going to end.

26

00:00:53,000 --> 00:00:54,000

Oh, God.

27

00:00:54,000 --> 00:00:56,000

What the f**k?

28

00:00:56,000 --> 00:00:57,000

Guys, you better get over here.

29

00:00:57,000 --> 00:00:59,000

Kevin's got a mutilated cow.

30

00:01:23,000 --> 00:01:25,000

Across the western United States.

31

00:01:25,000 --> 00:01:27,000

Are these extra-fresh trouts?

32

00:01:27,000 --> 00:01:30,000

Time to cowboy up.

33

00:01:54,000 --> 00:01:57,000

What is that?

34

00:01:57,000 --> 00:02:00,000

There's something on the ground.

35

00:02:00,000 --> 00:02:02,000

What the hell is that?

36

00:02:02,000 --> 00:02:05,000

Oh, my God.

37

00:02:05,000 --> 00:02:07,000

Holy s**t.

38

00:02:07,000 --> 00:02:09,000

Oh, God.

39

00:02:09,000 --> 00:02:11,000

What the f**k?

40

00:02:11,000 --> 00:02:12,000

Oh, oh.

41

00:02:12,000 --> 00:02:14,000

Guys, you better get over here.

42

00:02:14,000 --> 00:02:17,000

Kevin's got a mutilated cow.

43

00:02:17,000 --> 00:02:22,000

Oh, my God.

44

00:02:22,000 --> 00:02:24,000

I didn't have to come walking through that timber.

45

00:02:24,000 --> 00:02:26,000

This just happened.

46

00:02:26,000 --> 00:02:28,000

I don't think there's anything that could have braced me

47

00:02:28,000 --> 00:02:30,000

for what we found.

48

00:02:30,000 --> 00:02:34,000

They took her eyes, cut her damn ears off.

49

00:02:34,000 --> 00:02:39,000

These mutilations, it's just downright sick.

50

00:02:39,000 --> 00:02:40,000

That's nasty.

51

00:02:40,000 --> 00:02:41,000

They're like, cowboy.

52

00:02:41,000 --> 00:02:42,000

Whoo!

53

00:02:42,000 --> 00:02:43,000

Shhh.

54

00:02:43,000 --> 00:02:45,000

Hey, come here.

55

00:02:45,000 --> 00:02:47,000

What in the hell do you...

56

00:02:47,000 --> 00:02:49,000

You ain't going to believe this sh**.

57

00:02:49,000 --> 00:02:51,000

Jeb, this look like your buffalo.

58

00:02:51,000 --> 00:02:54,000

Good God almighty.

59

00:02:54,000 --> 00:02:56,000

Tons gone.

60

00:02:56,000 --> 00:02:58,000

All the way.

61

00:02:58,000 --> 00:02:59,000

All the way.

62

00:02:59,000 --> 00:03:01,000

No ear?

63

00:03:01,000 --> 00:03:03,000

Remember that deer we saw in Wheatfield?

64

00:03:03,000 --> 00:03:04,000

Dang.

65

00:03:04,000 --> 00:03:07,000

The deer's been locked off flush with the skull.

66

00:03:07,000 --> 00:03:08,000

That's sick.

67

00:03:08,000 --> 00:03:10,000

Look at that.

68

00:03:10,000 --> 00:03:12,000

Good.

69

00:03:12,000 --> 00:03:14,000

Well, she don't look like she struggled.

70

00:03:14,000 --> 00:03:16,000

Good God, everything's gone.

71

00:03:16,000 --> 00:03:18,000

She's completely empty.

72

00:03:18,000 --> 00:03:20,000

She's clean, plum out.

73

00:03:20,000 --> 00:03:23,000

Diaphragms taken right to the bone.

74

00:03:23,000 --> 00:03:24,000

Whoo.

75

00:03:24,000 --> 00:03:27,000

Took her damn windpipe all the way to the lungs.

76

00:03:27,000 --> 00:03:29,000

How the f**k that open in her throat?

77

00:03:29,000 --> 00:03:30,000

How in the hell?

78

00:03:30,000 --> 00:03:32,000

How do they get that windpipe out?

79

00:03:32,000 --> 00:03:36,000

How do they mutilate it without smelling any blood?

80

00:03:36,000 --> 00:03:39,000

I've been asking that question for 35 years.

81

00:03:39,000 --> 00:03:41,000

I'm pretty handy with a knife.

82

00:03:41,000 --> 00:03:44,000

I've skinned animals from one end to the other inside now.

83

00:03:44,000 --> 00:03:48,000

And for the life of me, I don't know how anything can make these cuts.

84

00:03:50,000 --> 00:03:52,000

It's just bewildering.

85

00:03:52,000 --> 00:03:54,000

Kevin, this is your brand.

86

00:03:54,000 --> 00:03:56,000

Oh my God.

87

00:03:58,000 --> 00:04:00,000

I think she took the ears.

88

00:04:00,000 --> 00:04:02,000

You got her tongue, Kevin.

89

00:04:02,000 --> 00:04:03,000

Oh, Lord.

90

00:04:03,000 --> 00:04:05,000

You guys look the other side of her head yet?

91

00:04:05,000 --> 00:04:06,000

No, not yet.

92

00:04:06,000 --> 00:04:07,000

Let me touch it.

93

00:04:07,000 --> 00:04:08,000

See what we got there.

94

00:04:08,000 --> 00:04:09,000

Oh, my God.

95

00:04:09,000 --> 00:04:11,000

They did it both sides.

96

00:04:11,000 --> 00:04:16,000

It's been a lifetime hearing about some of these mutilations that happened out west.

97

00:04:16,000 --> 00:04:18,000

They damn sure of course sampled her eyes.

98

00:04:18,000 --> 00:04:20,000

So when we come out here and find them on our own,

99

00:04:20,000 --> 00:04:23,000

there's nothing that can prepare you for that.

100

00:04:25,000 --> 00:04:27,000

I've never seen nothing like this.

101

00:04:27,000 --> 00:04:29,000

I've heard of it, but I've never seen nothing like this.

102

00:04:29,000 --> 00:04:31,000

My God, I have.

103

00:04:31,000 --> 00:04:32,000

Where at, Jeff?

104

00:04:32,000 --> 00:04:35,000

200 miles across that mountain range right there.

105

00:04:35,000 --> 00:04:37,000

I've seen it 100 times.

106

00:04:37,000 --> 00:04:39,000

What the hell is that all about?

107

00:04:39,000 --> 00:04:41,000

I don't know.

108

00:04:41,000 --> 00:04:44,000

I think the next best thing we ought to call is the vet in tomorrow.

109

00:04:44,000 --> 00:04:46,000

Maybe get some blood sample if there's any left in it.

110

00:04:46,000 --> 00:04:47,000

Been a hell of a night.

111

00:04:47,000 --> 00:04:48,000

We've seen some lights.

112

00:04:48,000 --> 00:04:49,000

We can't explain.

113

00:04:49,000 --> 00:04:50,000

Right there.

114

00:04:50,000 --> 00:04:51,000

You see it?

115

00:04:51,000 --> 00:04:52,000

You see it?

116

00:04:52,000 --> 00:04:55,000

Of course you come up on a mutilated cow.

117

00:04:55,000 --> 00:04:59,000

Somehow these are all tied together and we need to figure out how.

118

00:04:59,000 --> 00:05:00,000

Sorry, Kim.

119

00:05:00,000 --> 00:05:01,000

You know, it's hard to take.

120

00:05:01,000 --> 00:05:04,000

When you get a vet out here and have him examine this body,

121

00:05:04,000 --> 00:05:06,000

see if you can't find something that we're missing.

122

00:05:06,000 --> 00:05:08,000

Boy, that's a hell of a thing.

123

00:05:12,000 --> 00:05:13,000

The next day.

124

00:05:13,000 --> 00:05:16,000

Well, it's a nice hot day to dig up a stinking carcass, huh?

125

00:05:17,000 --> 00:05:25,000

While the team waits for a veterinarian to meet them to take samples of the mutilated cow carcass,

126

00:05:25,000 --> 00:05:26,000

here we go.

127

00:05:26,000 --> 00:05:32,000

part of the team heads out to the location where rancher Dan said he buried the mutilated

128

00:05:32,000 --> 00:05:33,000

cow he discovered.

129

00:05:33,000 --> 00:05:35,000

What'd you end up doing with that body?

130

00:05:35,000 --> 00:05:40,000

Took him back there in that little holler with the trees back there.

131

00:05:40,000 --> 00:05:46,000

Jeff wants to exhume the carcass and examine the incisions Dan described and compare them.

132

00:05:46,000 --> 00:05:52,000

to the ones the team saw last night and the ones Jeff saw on the Buffalo Ranch.

133

00:05:54,000 --> 00:05:55,000

I said it was in the Jennifer trees.

134

00:05:55,000 --> 00:05:59,000

I don't know what to expect digging that cow up as long as it's been in the ground,

135

00:05:59,000 --> 00:06:00,000

but we're here to find answers.

136

00:06:00,000 --> 00:06:02,000

It's the best clue we got.

137

00:06:02,000 --> 00:06:03,000

There's your broken dirt right there.

138

00:06:03,000 --> 00:06:04,000

I bet that's it.

139

00:06:05,000 --> 00:06:08,000

It's time to get down in the dirt and the dust and the blood.

140

00:06:09,000 --> 00:06:12,000

There's a damn big hole in the ground, but look at the spoil pile.

141

00:06:12,000 --> 00:06:13,000

It's all on top.

142

00:06:14,000 --> 00:06:17,000

Something about this dirt pile don't look right.

143

00:06:17,000 --> 00:06:20,000

Wouldn't you think a man who's going to bury a cow would have dragged a little bit more

144

00:06:20,000 --> 00:06:21,000

dirt back over the top of it?

145

00:06:21,000 --> 00:06:23,000

What in the hell is going on now?

146

00:06:23,000 --> 00:06:25,000

We need to get out there and check this out.

147

00:06:31,000 --> 00:06:32,000

Where's the cow?

148

00:06:40,000 --> 00:06:41,000

Where's the cow?

149

00:06:44,000 --> 00:06:47,000

We just got up to the hole that Dan buried his cow in.

150

00:06:47,000 --> 00:06:49,000

Is this the spot?

151

00:06:49,000 --> 00:06:50,000

Between two juniper trees.

152

00:06:50,000 --> 00:06:51,000

It's got to be.

153

00:06:52,000 --> 00:06:53,000

Cow ain't down in there.

154

00:06:53,000 --> 00:06:55,000

That don't make sense to any of us.

155

00:06:55,000 --> 00:06:58,000

Did we misunderstand something there when we had that conversation with it?

156

00:06:58,000 --> 00:06:59,000

No.

157

00:07:00,000 --> 00:07:01,000

There's no tracks.

158

00:07:01,000 --> 00:07:02,000

There's no drag marks.

159

00:07:02,000 --> 00:07:03,000

There's no hair.

160

00:07:03,000 --> 00:07:04,000

There's no body fluids.

161

00:07:04,000 --> 00:07:08,000

It looks like that damn cow was levitated out of that hole.

162

00:07:08,000 --> 00:07:11,000

Who the hell would have come and dug up a cow is what I want to know.

163

00:07:11,000 --> 00:07:16,000

This isn't the first time a mutilated animal carcass has potentially vanished under mysterious

164

00:07:16,000 --> 00:07:17,000

circumstances.

165

00:07:17,000 --> 00:07:24,000

In July 2015 in southeast Idaho, a mutilated bull carcass was found by a rancher.

166

00:07:24,000 --> 00:07:31,000

The night it was found, the rancher and his son claimed they saw a small plane or UFO

167

00:07:31,000 --> 00:07:34,000

flying near where the bull's body was located.

168

00:07:34,000 --> 00:07:37,000

The next morning, the bull was nowhere to be found.

169

00:07:37,000 --> 00:07:42,000

And the nearly 2,000 pound body had seemingly vanished.

170

00:07:42,000 --> 00:07:46,000

No tracks, prints or any disturbance was found on the ground.

171

00:07:47,000 --> 00:07:50,000

The best thing we do is go ask Dan to see what he knows.

172

00:07:50,000 --> 00:07:53,000

Let's go see what he's got to say.

173

00:07:53,000 --> 00:08:00,000

The team then drives over to Dan's house to talk to him about the missing mutilated cow

174

00:08:00,000 --> 00:08:01,000

carcass.

175

00:08:01,000 --> 00:08:04,000

He damn sure gonna be surprised to see us so soon.

176

00:08:04,000 --> 00:08:07,000

We're gonna go up and knock on the door and see if Dan's around.

177

00:08:07,000 --> 00:08:10,000

Hell, maybe somebody come and got that carcass, I don't know.

178

00:08:10,000 --> 00:08:12,000

It becomes a big surprise.

179

00:08:12,000 --> 00:08:13,000

We need to find out.

180

00:08:13,000 --> 00:08:15,000

Oh, there he is.

181

00:08:15,000 --> 00:08:16,000

Dan, how are you?

182

00:08:16,000 --> 00:08:17,000

I'm all right.

183

00:08:17,000 --> 00:08:19,000

I didn't expect you guys back to sound.

184

00:08:19,000 --> 00:08:20,000

I'm sure you didn't.

185

00:08:20,000 --> 00:08:22,000

Did you guys do some looking around?

186

00:08:22,000 --> 00:08:23,000

Yes, sir, we did.

187

00:08:23,000 --> 00:08:28,000

We got up there and found the hole and that hole's wide open and there ain't a damn cow

188

00:08:28,000 --> 00:08:29,000

in it.

189

00:08:30,000 --> 00:08:35,000

I wish it was, but I figured we better give you a heads up.

190

00:08:35,000 --> 00:08:38,000

Has there been anybody around your place or anybody come by lately?

191

00:08:38,000 --> 00:08:40,000

This is what I've been wanting to hear.

192

00:08:40,000 --> 00:08:45,000

Well, the electric company came by and said they needed to do some work on something.

193

00:08:45,000 --> 00:08:46,000

I don't know what.

194

00:08:46,000 --> 00:08:49,000

Did you see the power company or did they just tell you they were going in?

195

00:08:49,000 --> 00:08:51,000

Well, they just told me there was a power company.

196

00:08:51,000 --> 00:08:55,000

I didn't figure anything wrong with that.

197

00:08:55,000 --> 00:08:58,000

I didn't want to crowd you too heavy on the porch, but the part I caught was you said

198

00:08:58,000 --> 00:09:00,000

there's somebody come through with the power company.

199

00:09:00,000 --> 00:09:02,000

Yeah, that's what they said.

200

00:09:02,000 --> 00:09:06,000

What do you think the power company went with a dead cow?

201

00:09:06,000 --> 00:09:08,000

It beats the hell out of me too.

202

00:09:08,000 --> 00:09:11,000

We need to dig around, ask some questions, find out.

203

00:09:11,000 --> 00:09:13,000

Who even knew this damn cow was here?

204

00:09:13,000 --> 00:09:17,000

I'd like to meet the guys that were calling ourselves the power crew.

205

00:09:17,000 --> 00:09:18,000

All right.

206

00:09:18,000 --> 00:09:21,000

And why in the hell would you dig that thing up?

207

00:09:23,000 --> 00:09:25,000

Later that day.

208

00:09:25,000 --> 00:09:30,000

Well, by God, it's no less disturbing in the light of day than it was in the dark last night.

209

00:09:31,000 --> 00:09:34,000

Part of the team returns to the mutilated cow.

210

00:09:34,000 --> 00:09:35,000

It's unbelievable.

211

00:09:35,000 --> 00:09:37,000

To meet up with a local livestock veterinarian.

212

00:09:37,000 --> 00:09:40,000

They said they'd take whatever samples we wanted.

213

00:09:40,000 --> 00:09:43,000

Right now, I'd like any kind of answers.

214

00:09:43,000 --> 00:09:45,000

How the hell did this cow get here?

215

00:09:45,000 --> 00:09:47,000

Who mutilated the damn thing?

216

00:09:47,000 --> 00:09:48,000

Lots of questions.

217

00:09:48,000 --> 00:09:49,000

Morning.

218

00:09:49,000 --> 00:09:51,000

Gentlemen, how are we doing today?

219

00:09:51,000 --> 00:09:52,000

There.

220

00:09:52,000 --> 00:09:54,000

Son of a gun.

221

00:09:54,000 --> 00:09:56,000

Cuts were here, huh?

222

00:09:56,000 --> 00:09:57,000

Just like this?

223

00:09:57,000 --> 00:09:58,000

Just like that.

224

00:09:58,000 --> 00:10:00,000

We've touched nothing.

225

00:10:00,000 --> 00:10:01,000

Were these bleeding?

226

00:10:01,000 --> 00:10:02,000

Nothing.

227

00:10:02,000 --> 00:10:03,000

No blood anywhere.

228

00:10:03,000 --> 00:10:06,000

Had them mutilated without smelling any blood.

229

00:10:07,000 --> 00:10:09,000

Doc, you ever seen anything like this?

230

00:10:09,000 --> 00:10:11,000

I can't say that I have.

231

00:10:11,000 --> 00:10:12,000

Can't say that I have.

232

00:10:12,000 --> 00:10:15,000

This vet, Ben, they come out today.

233

00:10:15,000 --> 00:10:17,000

Hell, he's been in practice for 30 years.

234

00:10:17,000 --> 00:10:19,000

Eyes gone, both eyes are gone?

235

00:10:19,000 --> 00:10:22,000

Both eyes, the other side of the face looks just like that one.

236

00:10:22,000 --> 00:10:26,000

I could tell the minute he put eyes on that cow that he was bewildered.

237

00:10:26,000 --> 00:10:29,000

No tracks, no gut pile,

238

00:10:29,000 --> 00:10:33,000

hell, no bubbly blood coming out her nose or her mouth.

239

00:10:34,000 --> 00:10:36,000

You got an explanation for that?

240

00:10:36,000 --> 00:10:40,000

No, the cause of death is going to be difficult to interpret for sure.

241

00:10:41,000 --> 00:10:44,000

There's not a lot to work with here, though. That's a fact.

242

00:10:44,000 --> 00:10:45,000

Well, do your best.

243

00:10:45,000 --> 00:10:47,000

We'd sure like to get some answers.

244

00:10:47,000 --> 00:10:49,000

Yeah, if we need some answers, we're going to have to get some samples.

245

00:10:49,000 --> 00:10:53,000

Shay, why don't you grab the spinal needle and we'll get a sample here and have a go at it.

246

00:10:53,000 --> 00:10:58,000

Ben's going to take some samples of this cow, but there's no blood, so he can't even take a blood sample.

247

00:10:58,000 --> 00:11:02,000

So the next best thing he can do is draw a fluid from the spine.

248

00:11:02,000 --> 00:11:04,000

That's spinal fluid right there you're pulling?

249

00:11:04,000 --> 00:11:05,000

Yes, sir.

250

00:11:05,000 --> 00:11:08,000

Whoa, he's got it right there.

251

00:11:08,000 --> 00:11:13,000

Shoulder-bill spinal fluid, there's some tissue in there, which is odd.

252

00:11:13,000 --> 00:11:15,000

Hemorrhage, it should be clear.

253

00:11:15,000 --> 00:11:17,000

Shouldn't have blood in it.

254

00:11:18,000 --> 00:11:20,000

And lots of debris.

255

00:11:20,000 --> 00:11:23,000

You shouldn't have chunks in your cerebral spinal fluid.

256

00:11:24,000 --> 00:11:25,000

That's odd.

257

00:11:25,000 --> 00:11:32,000

Ben told us that the spinal fluid should be clear, but when he drew this out, he said it looked like it had some kind of hemorrhage in it.

258

00:11:32,000 --> 00:11:33,000

You can see it.

259

00:11:33,000 --> 00:11:36,000

As if she's been hit by something, and this just isn't normal.

260

00:11:36,000 --> 00:11:39,000

Doc, what else do you think we can get here?

261

00:11:39,000 --> 00:11:41,000

Probably some hair, some hoof.

262

00:11:41,000 --> 00:11:43,000

That's about all we have left, I think.

263

00:11:43,000 --> 00:11:47,000

Could take bone, but I don't know if it would give us any more answers than hairwood if we're looking for toxins.

264

00:11:47,000 --> 00:11:50,000

I'm still trying to figure out where that light was at.

265

00:11:50,000 --> 00:11:58,000

As the veterinarian continues to take samples, Caleb turns his attention to the orb he saw near the cow's body.

266

00:11:58,000 --> 00:11:59,000

Come here, Jeff.

267

00:11:59,000 --> 00:12:02,000

I'm still trying to figure out what that orb was that we found in the woods last night.

268

00:12:02,000 --> 00:12:04,000

Right there, you see it?

269

00:12:04,000 --> 00:12:05,000

You see it?

270

00:12:05,000 --> 00:12:08,000

This has somehow got to be tied to this mutilated cow.

271

00:12:08,000 --> 00:12:12,000

That's the only place that we've really seen any kind of substantial amount of blood is in our feet.

272

00:12:12,000 --> 00:12:13,000

Yeah.

273

00:12:14,000 --> 00:12:19,000

I'm telling you, he said he saw the orb coming up over the treetops.

274

00:12:19,000 --> 00:12:22,000

Did you see? That's it right there. That's it.

275

00:12:24,000 --> 00:12:27,000

But what we had only saw last night was sitting here on the ground.

276

00:12:27,000 --> 00:12:28,000

Right there, you see it?

277

00:12:28,000 --> 00:12:29,000

What do you think?

278

00:12:29,000 --> 00:12:31,000

There'd be some kind of a burn.

279

00:12:34,000 --> 00:12:36,000

What about a blood sample from there?

280

00:12:36,000 --> 00:12:40,000

I didn't see anything out of the ordinary this morning.

281

00:12:40,000 --> 00:12:42,000

Shh. Don't move, Jeff.

282

00:12:43,000 --> 00:12:44,000

What is it?

283

00:12:45,000 --> 00:12:46,000

Don't move.

284

00:12:48,000 --> 00:12:49,000

There's a deer?

285

00:12:51,000 --> 00:12:56,000

There's a man on binoculars behind the fence line right now and he's 75 yards behind the fence.

286

00:12:58,000 --> 00:12:59,000

A man?

287

00:13:02,000 --> 00:13:07,000

There's a man on binoculars behind the fence line right now and he's 75 yards behind the fence.

288

00:13:08,000 --> 00:13:09,000

A man?

289

00:13:09,000 --> 00:13:10,000

Is he?

290

00:13:10,000 --> 00:13:11,000

No, no, no.

291

00:13:11,000 --> 00:13:12,000

Very strange.

292

00:13:13,000 --> 00:13:14,000

Alright, well, we got what we got.

293

00:13:15,000 --> 00:13:16,000

Is he got a gun?

294

00:13:16,000 --> 00:13:17,000

I can't.

295

00:13:17,000 --> 00:13:20,000

I can't tell if he's got a gun. He's behind a jetton per tree back over here.

296

00:13:21,000 --> 00:13:23,000

Jesus Christ.

297

00:13:23,000 --> 00:13:25,000

Caleb, you guys alright?

298

00:13:26,000 --> 00:13:27,000

Yeah.

299

00:13:27,000 --> 00:13:30,000

Yeah, they're trying to figure out where we saw this light last night in here.

300

00:13:30,000 --> 00:13:33,000

Well, hey, they finished up. Why don't we let them get gone?

301

00:13:33,000 --> 00:13:34,000

Sure deal.

302

00:13:35,000 --> 00:13:36,000

Yeah.

303

00:13:36,000 --> 00:13:40,000

Jeff and I are going to ease back over here to this team. Real subtle light.

304

00:13:40,000 --> 00:13:41,000

How long do you think it'll be?

305

00:13:41,000 --> 00:13:42,000

Week?

306

00:13:42,000 --> 00:13:43,000

Week 10 days.

307

00:13:43,000 --> 00:13:44,000

Week 10 days?

308

00:13:44,000 --> 00:13:45,000

Yeah. Talk screens take a little time.

309

00:13:45,000 --> 00:13:47,000

Try to get this vet out of here.

310

00:13:47,000 --> 00:13:49,000

Thank you very much. Good to meet you.

311

00:13:49,000 --> 00:13:51,000

I need to tell these boys what's happening.

312

00:13:51,000 --> 00:13:52,000

Maybe they can get some answers.

313

00:13:52,000 --> 00:13:53,000

I hope so.

314

00:13:53,000 --> 00:13:54,000

Listen to me.

315

00:13:55,000 --> 00:14:00,000

We need to get away from this cow and we need to move away from her quick.

316

00:14:00,000 --> 00:14:05,000

Because there's somebody back there behind that fence line and I just saw him.

317

00:14:05,000 --> 00:14:09,000

I don't know who it is, but there's somebody back there and I don't know if they got a rifle.

318

00:14:09,000 --> 00:14:13,000

I don't know what they have, but I do know that they got binoculars.

319

00:14:13,000 --> 00:14:15,000

And we're being watched as I speak.

320

00:14:15,000 --> 00:14:17,000

So just move away from this cow right now.

321

00:14:17,000 --> 00:14:18,000

It's a s***.

322

00:14:18,000 --> 00:14:19,000

Just go.

323

00:14:19,000 --> 00:14:20,000

Come on, Headlin.

324

00:14:20,000 --> 00:14:21,000

Sell somebody.

325

00:14:21,000 --> 00:14:26,000

We're just going to move out real easy and try to keep them from figuring out that we even saw them in the first place.

326

00:14:28,000 --> 00:14:29,000

I want to know who this is.

327

00:14:29,000 --> 00:14:30,000

Are they watching us?

328

00:14:30,000 --> 00:14:32,000

Are they watching this cow?

329

00:14:36,000 --> 00:14:38,000

That afternoon.

330

00:14:38,000 --> 00:14:39,000

Shut them doors behind you.

331

00:14:39,000 --> 00:14:40,000

You don't mind.

332

00:14:40,000 --> 00:14:45,000

The team meets at a secure location to fill in Josh and Aura.

333

00:14:45,000 --> 00:14:47,000

Well, we had the vet out.

334

00:14:47,000 --> 00:14:48,000

We took a ton of samples.

335

00:14:48,000 --> 00:14:51,000

How long do you say for those tests to come back?

336

00:14:51,000 --> 00:14:52,000

A couple days.

337

00:14:52,000 --> 00:14:53,000

At least a couple days.

338

00:14:53,000 --> 00:14:54,000

Oh, really?

339

00:14:54,000 --> 00:14:55,000

The needles moved.

340

00:14:55,000 --> 00:14:57,000

We're not on that no more.

341

00:14:57,000 --> 00:14:58,000

What does that mean?

342

00:14:58,000 --> 00:15:01,000

It means that somebody else is out here after this cow.

343

00:15:01,000 --> 00:15:02,000

Really?

344

00:15:02,000 --> 00:15:03,000

Yeah.

345

00:15:03,000 --> 00:15:06,000

I took Jeff back in the woods with me and I was trying to show him where that light was.

346

00:15:06,000 --> 00:15:07,000

Uh-huh.

347

00:15:07,000 --> 00:15:10,000

I caught him over there in a brush across the fence on the tribal land.

348

00:15:10,000 --> 00:15:11,000

No s***.

349

00:15:11,000 --> 00:15:13,000

He was camped out on that cow.

350

00:15:13,000 --> 00:15:16,000

It just goes back to what Dan said.

351

00:15:16,000 --> 00:15:17,000

Where'd his cow go?

352

00:15:17,000 --> 00:15:19,000

Somebody come through with the power company?

353

00:15:19,000 --> 00:15:21,000

Yeah, that's what they said.

354

00:15:21,000 --> 00:15:24,000

What do you think the power company went with a dead cow?

355

00:15:26,000 --> 00:15:28,000

They're damn sure watching what was going on.

356

00:15:28,000 --> 00:15:30,000

The whole time we was having a meeting with a vet over there.

357

00:15:30,000 --> 00:15:33,000

Is there not any kind of way maybe that was a reporter or something?

358

00:15:33,000 --> 00:15:34,000

I don't think so.

359

00:15:34,000 --> 00:15:37,000

That'd been one badass reporter to be gillied up out there in the timber.

360

00:15:37,000 --> 00:15:38,000

Yeah, s***, man.

361

00:15:38,000 --> 00:15:39,000

Mmm.

362

00:15:39,000 --> 00:15:40,000

You know that sneaky s***?

363

00:15:40,000 --> 00:15:41,000

I don't like it.

364

00:15:41,000 --> 00:15:43,000

That's the way we had you close the door.

365

00:15:43,000 --> 00:15:46,000

God knows if they're listening to us with a long range of microphones.

366

00:15:46,000 --> 00:15:49,000

Who do you think we're dealing with?

367

00:15:49,000 --> 00:15:51,000

I don't know who is dealing with us back here.

368

00:15:51,000 --> 00:15:53,000

I don't know if it's some kind of government deal.

369

00:15:53,000 --> 00:15:54,000

I don't know if it's federal.

370

00:15:54,000 --> 00:15:55,000

I mean, I don't know.

371

00:15:55,000 --> 00:15:57,000

I don't know is what I'm saying.

372

00:15:57,000 --> 00:15:58,000

But we're going to have to figure it out.

373

00:15:58,000 --> 00:16:00,000

We've got a mutilated cow.

374

00:16:00,000 --> 00:16:02,000

We've got lights we can't explain.

375

00:16:02,000 --> 00:16:05,000

And now we're being watched.

376

00:16:05,000 --> 00:16:07,000

By who?

377

00:16:07,000 --> 00:16:08,000

I don't know.

378

00:16:08,000 --> 00:16:10,000

This ain't the first time that we've dealt with any of this.

379

00:16:10,000 --> 00:16:12,000

Jeff, ain't you got some experience with this deal?

380

00:16:12,000 --> 00:16:14,000

Some kind of government getting involved?

381

00:16:15,000 --> 00:16:16,000

My damn sure do.

382

00:16:16,000 --> 00:16:20,000

You guys heard me speak of the Buffalo Ranch 30 years ago.

383

00:16:23,000 --> 00:16:24,000

Yes, sir.

384

00:16:24,000 --> 00:16:25,000

Sheriff was out there.

385

00:16:25,000 --> 00:16:27,000

I don't know how many nights of summer chasing those lights.

386

00:16:29,000 --> 00:16:33,000

He looked at every dead buffalo that was carved on and painted on.

387

00:16:36,000 --> 00:16:39,000

So one day out of blue, FBI shows up.

388

00:16:39,000 --> 00:16:42,000

At least a half a dozen agents.

389

00:16:42,000 --> 00:16:44,000

Never told the damn sheriff.

390

00:16:44,000 --> 00:16:45,000

And that's the first thing you've got to do.

391

00:16:45,000 --> 00:16:46,000

That's catchy.

392

00:16:46,000 --> 00:16:47,000

Yeah.

393

00:16:47,000 --> 00:16:48,000

These guys, they were not chatty.

394

00:16:48,000 --> 00:16:53,000

They had two more agents and old pickup trucks, dirty hats driving around the perimeter.

395

00:16:53,000 --> 00:16:57,000

There was three agents in the ranch, in the shop.

396

00:16:57,000 --> 00:16:59,000

The manager's office and the horse barn.

397

00:16:59,000 --> 00:17:04,000

And they had a fixed wing aircraft up there for two nights straight from Dust Till Dawn.

398

00:17:06,000 --> 00:17:08,000

I didn't even know they were coming.

399

00:17:08,000 --> 00:17:12,000

I pulled in the yard and here's some guy messing with my front bumper and man, I was bowed up.

400

00:17:12,000 --> 00:17:14,000

You know how I can get.

401

00:17:14,000 --> 00:17:19,000

I got right in his face and man, he pulled out an FBI badge with the photo and all that stuff.

402

00:17:19,000 --> 00:17:21,000

Of course that settled me down.

403

00:17:21,000 --> 00:17:22,000

Yeah.

404

00:17:22,000 --> 00:17:24,000

But I still want to know what the hell you're doing with my truck.

405

00:17:24,000 --> 00:17:25,000

Yeah.

406

00:17:25,000 --> 00:17:34,000

I pulled metallic red transmitter, magnetic and he had one on every ranch truck in both my personal vehicles.

407

00:17:34,000 --> 00:17:37,000

I said, what the hell's going on here?

408

00:17:37,000 --> 00:17:39,000

And he says, well, we're running surveillance.

409

00:17:39,000 --> 00:17:41,000

He knew all about the mutilated buffalo.

410

00:17:41,000 --> 00:17:43,000

I blew up.

411

00:17:43,000 --> 00:17:46,000

I said, you son of a bitch, you know what's going on here.

412

00:17:46,000 --> 00:17:48,000

Man, he knew he'd overstepped.

413

00:17:48,000 --> 00:17:49,000

Yeah.

414

00:17:49,000 --> 00:17:53,000

He got in his car and drove off and never heard a word.

415

00:17:53,000 --> 00:18:00,000

I've dealt with these government people in my past 30 years ago, left a bad taste in my mouth.

416

00:18:00,000 --> 00:18:08,000

If we're dealing with government boys again, boy, howdy, we ain't going to get no answers and things are going to get a hell of a lot more dangerous.

417

00:18:08,000 --> 00:18:10,000

Here's the takeaway.

418

00:18:10,000 --> 00:18:15,000

They put transmitters on the bumpers and then they got some kind of a plane up in the sky.

419

00:18:15,000 --> 00:18:17,000

Now we just heard a plane flying around.

420

00:18:17,000 --> 00:18:18,000

You hear that?

421

00:18:18,000 --> 00:18:19,000

Sounds like a plane.

422

00:18:19,000 --> 00:18:20,000

He's flying low, ain't he?

423

00:18:20,000 --> 00:18:22,000

He's close.

424

00:18:22,000 --> 00:18:28,000

Parker, back in 64, how many entities did you say got involved on that deal that happened down in Seguridad, New Mexico?

425

00:18:28,000 --> 00:18:30,000

Well, I mean, there was everybody.

426

00:18:30,000 --> 00:18:32,000

The FBI was there.

427

00:18:32,000 --> 00:18:35,000

The U.S. Army was there.

428

00:18:35,000 --> 00:18:40,000

And then Project Blue Book, which was a branch of, you know, the U.S. Air Force.

429

00:18:40,000 --> 00:18:43,000

There's no telling who else could have been there, though.

430

00:18:43,000 --> 00:18:45,000

Y'all seeing any parallels here?

431

00:18:45,000 --> 00:18:47,000

Real mind bender, ain't it?

432

00:18:47,000 --> 00:18:49,000

The government is involved with what we're doing out here.

433

00:18:49,000 --> 00:18:55,000

Are they investigating the same things that we are or are they causing the things that we're finding?

434

00:18:55,000 --> 00:18:57,000

We need to figure out a couple of things.

435

00:18:57,000 --> 00:18:59,000

Who the hell are these guys?

436

00:18:59,000 --> 00:19:03,000

Are they just watching that cow or are they watching us?

437

00:19:03,000 --> 00:19:05,000

I'll see what we're up against.

438

00:19:05,000 --> 00:19:07,000

It's got a hell of a lot deeper.

439

00:19:13,000 --> 00:19:16,000

That night, the team meets up with Rancher Kevin.

440

00:19:16,000 --> 00:19:18,000

Guys, thank you all for coming out tonight.

441

00:19:18,000 --> 00:19:19,000

Yes, sir.

442

00:19:19,000 --> 00:19:24,000

After hearing about the mysterious disappearance of the mutilated cow that Dan buried...

443

00:19:24,000 --> 00:19:26,000

That hole's wide open.

444

00:19:26,000 --> 00:19:28,000

There ain't a damn cow in it.

445

00:19:28,000 --> 00:19:30,000

You're a sh**.

446

00:19:30,000 --> 00:19:33,000

I know we've had men out here poking around.

447

00:19:33,000 --> 00:19:36,000

And after learning about the team being watched...

448

00:19:36,000 --> 00:19:37,000

Don't move, Jeff.

449

00:19:37,000 --> 00:19:39,000

...near the mutilated cow on his own property...

450

00:19:39,000 --> 00:19:41,000

Kevin, this is your brand.

451

00:19:41,000 --> 00:19:43,000

Oh, my God.

452

00:19:44,000 --> 00:19:49,000

Kevin is determined to get rid of the cow carcass once and for all.

453

00:19:49,000 --> 00:19:52,000

I got two quarters of wood on here on this mutilated cow.

454

00:19:52,000 --> 00:19:55,000

I'm going to pull about five gallons of fuel on this sum of a bitch.

455

00:19:55,000 --> 00:19:57,000

And we're going to make us a bomb fire.

456

00:19:57,000 --> 00:19:59,000

Mark it down.

457

00:19:59,000 --> 00:20:01,000

They're cooking with grease now.

458

00:20:01,000 --> 00:20:04,000

You got dead livestock and you can't figure out a cause of death.

459

00:20:04,000 --> 00:20:06,000

You might see this up in the stars.

460

00:20:06,000 --> 00:20:09,000

The cleanest and most humane thing to do is to burn that carcass.

461

00:20:09,000 --> 00:20:12,000

Fire will destroy any unknown pathogens.

462

00:20:12,000 --> 00:20:15,000

Make damn sure you don't spread a disease around.

463

00:20:15,000 --> 00:20:17,000

Burn you rotten cow.

464

00:20:17,000 --> 00:20:18,000

There she goes.

465

00:20:18,000 --> 00:20:19,000

There she is.

466

00:20:19,000 --> 00:20:20,000

You see that?

467

00:20:20,000 --> 00:20:22,000

We've all got questions about this mutilated cow.

468

00:20:22,000 --> 00:20:25,000

You got fireflies in the air now, Kevin.

469

00:20:26,000 --> 00:20:28,000

Wouldn't the hell killed it?

470

00:20:28,000 --> 00:20:31,000

Damn, same to have to have your mama cow laying in the bottom of all that.

471

00:20:31,000 --> 00:20:33,000

Yes, it is.

472

00:20:33,000 --> 00:20:37,000

How in the world could these cuts be done with such precision?

473

00:20:40,000 --> 00:20:44,000

With those lights we saw just before we stumbled on that dead cow.

474

00:20:44,000 --> 00:20:46,000

Right there, you see it?

475

00:20:46,000 --> 00:20:47,000

You see it?

476

00:20:47,000 --> 00:20:49,000

They got something to do with it.

477

00:20:50,000 --> 00:20:52,000

Well, hell boys.

478

00:20:52,000 --> 00:20:54,000

You guys had enough of this cow burning?

479

00:20:54,000 --> 00:20:56,000

Why don't you just head on back to camp?

480

00:20:56,000 --> 00:20:58,000

I'll keep an eye on this fire, Kevin.

481

00:20:58,000 --> 00:21:00,000

I've got some thinking to do.

482

00:21:00,000 --> 00:21:03,000

Figure out where in the hell we go next.

483

00:21:03,000 --> 00:21:05,000

Rest boys are going to take off.

484

00:21:05,000 --> 00:21:07,000

I'm going to stay here and tend this fire.

485

00:21:07,000 --> 00:21:09,000

Boys get some rush, you damn sure earned it.

486

00:21:09,000 --> 00:21:12,000

I still think there's something more to these animal mutilations.

487

00:21:12,000 --> 00:21:16,000

What the hell killed you and cut you up, old girl?

488

00:21:17,000 --> 00:21:21,000

And what in the hell has drawn people to you like a f***ing air magnet?

489

00:21:21,000 --> 00:21:23,000

Give me a little time.

490

00:21:23,000 --> 00:21:25,000

Think about where in the hell do we go now?

491

00:21:25,000 --> 00:21:37,000

The next morning, Jeff returns to the burned cow carcass.

492

00:21:37,000 --> 00:21:40,000

I'm headed out to the remains of that big bonfire.

493

00:21:40,000 --> 00:21:42,000

Here we go, boys.

494

00:21:44,000 --> 00:21:47,000

All your bills are paid.

495

00:21:48,000 --> 00:21:52,000

I looked back 30 years and those hundred and some buffalo I looked at

496

00:21:52,000 --> 00:21:55,000

that were all carved up and symbols painted on them.

497

00:21:57,000 --> 00:21:59,000

I still don't know what it meant.

498

00:21:59,000 --> 00:22:03,000

And now seeing this cow up here, brother, it brings it all back.

499

00:22:03,000 --> 00:22:06,000

This is stuck in my car for half my life.

500

00:22:09,000 --> 00:22:11,000

What in the world did this?

501

00:22:11,000 --> 00:22:14,000

There ain't much left of this mutilated cow.

502

00:22:14,000 --> 00:22:18,000

One shoulder, part of the neck, burnt out head.

503

00:22:18,000 --> 00:22:20,000

Damn, damn, damn.

504

00:22:20,000 --> 00:22:23,000

I'm gonna tell you right up front, this is gonna be damn gruesome.

505

00:22:23,000 --> 00:22:27,000

But I'm gonna look around this cow and see if I can't find something.

506

00:22:27,000 --> 00:22:29,000

Some kind of answer.

507

00:22:30,000 --> 00:22:33,000

There's a reason those men are camped out on you, girl.

508

00:22:33,000 --> 00:22:35,000

I need to find out why.

509

00:22:39,000 --> 00:22:43,000

I know in my heart that that cow has something else to tell me.

510

00:22:44,000 --> 00:22:47,000

Damn, girl, I bet you smelled better a week ago.

511

00:22:47,000 --> 00:22:49,000

There's something going on here.

512

00:22:49,000 --> 00:22:53,000

Why in the world would these boys be camped out, watching us and watching that cow?

513

00:22:53,000 --> 00:22:56,000

Who's got the skills to pull an eyeball out like that?

514

00:22:56,000 --> 00:22:58,000

There's gotta be something here.

515

00:23:09,000 --> 00:23:12,000

What in the hell is that?

516

00:23:12,000 --> 00:23:14,000

There ain't no bullet.

517

00:23:15,000 --> 00:23:17,000

What in the world?

518

00:23:18,000 --> 00:23:23,000

By God, now I know why them sons of bitches are keeping an eye on your carcass.

519

00:23:44,000 --> 00:23:49,000

I'm gonna break the key, meet you in the shadows and I'll make you believe

520

00:23:49,000 --> 00:23:54,000

Meet me in the shadows and I'll make you believe
