

1

00:00:00,000 --> 00:00:22,480

The Bible. A sacred text filled with fantastic tales of an awesome supernatural force. But

2

00:00:22,480 --> 00:00:35,400

what if that force wasn't God? What if it was a UFO? In Ezekiel, what was that gaining

3

00:00:35,400 --> 00:00:42,040

wheel within a wheel that descended on the Prophet? In the Sodom and Gomorrah of Genesis,

4

00:00:42,040 --> 00:00:51,880

where did the devastating fire and brimstone come from? In Exodus, what was that presence in

5

00:00:51,880 --> 00:01:02,160

the sky that led Moses through the desert? Were these the actions of God? Or might these mysterious

6

00:01:02,160 --> 00:01:21,080

forces in the skies have been UFOs in the Bible? Throughout the Bible, mysterious aerial phenomena

7

00:01:21,080 --> 00:01:31,160

appear and alter the course of human history. To religious scholars, these stories are an

8

00:01:31,160 --> 00:01:38,240

infallible record of God's presence and godly events. But some modern-day researchers offer a

9

00:01:38,240 --> 00:01:49,000

different theory. Perhaps these stories really describe alien visitations. Is it possible that

10

00:01:49,000 --> 00:01:55,440

extraterrestrials have been involved in human history for thousands of years and if so, did they

11

00:01:55,440 --> 00:02:02,320

have contact with the biblical people? And as you look in the Bible, there are many reports of UFOs

12

00:02:02,320 --> 00:02:09,400

that contact biblical people. A chariot of fire that abducts Elijah and takes him off into the sky.

13

00:02:10,400 --> 00:02:18,400

Elijah was one of the most revered Jewish prophets of his day. According to ufologists,

14

00:02:18,400 --> 00:02:24,800

the biblical account of his encounter with chariots of fire is a detailed description of what might

15

00:02:24,800 --> 00:02:35,160

be turned a UFO. This encounter took place as Elijah traveled along the Jordan River,

16

00:02:35,360 --> 00:02:46,280

accompanied by his successor, Elisha. Elisha knew his life was in danger because he had upset many

17

00:02:46,280 --> 00:02:56,120

powerful religious figures. Elisha hailed out for God to help him. There was a young man with him,

18

00:02:57,080 --> 00:03:05,800

Elisha, and he didn't see it. But suddenly there were a number of chariots of fire around him.

19

00:03:05,800 --> 00:03:17,760

Behold, a chariot of fire and horses of fire separated the two of them, and Elisha went up by a whirlwind into heaven.

20

00:03:18,200 --> 00:03:29,440

In the Old Testament, Elisha tells a story about being caught up or swept away by a chariot of fire,

21

00:03:29,440 --> 00:03:38,040

or conveyance that was going brightly hot. According to this passage, Elijah was spirited up into the sky,

22

00:03:39,040 --> 00:03:49,640

never to be seen again by mortal man. The concept of Elijah being taken up into a chariot of fire is an abduction.

23

00:03:49,640 --> 00:03:54,280

Certainly modern UFOs are reported to take humans on board and take them away.

24

00:03:54,280 --> 00:04:05,680

So I think we've got in modern UFO reports something that could have functioned very well to carry Elijah

25

00:04:05,680 --> 00:04:17,760

into the sky. If we were to take what Elisha was describing and compare it to events of people

26

00:04:17,760 --> 00:04:26,320

being taken aboard unidentified flying objects or flying saucers, it may very well be the same type of

27

00:04:26,320 --> 00:04:32,160

event occurring in those days compared to what they could compare to.

28

00:04:35,520 --> 00:04:43,760

What we think of as a chariot and what we think of as a flying saucer may seem worlds apart,

29

00:04:43,760 --> 00:04:48,480

but some contend that perhaps they aren't so different after all.

30

00:04:48,800 --> 00:04:56,720

Chariots is actually a word that means some form of conveyance and back in those days,

31

00:04:57,360 --> 00:05:02,000

the closest thing they could compare these moving objects to was a chariot.

32

00:05:03,600 --> 00:05:10,000

So therefore they were a conveyance that was glowing or bright or had a fiery appearance.

33

00:05:12,640 --> 00:05:17,760

And that was probably the closest association they could make to these conveyances in the sky.

34

00:05:18,480 --> 00:05:37,440

Some speculate that the traditional interpretation of biblical passages is haphard,

35

00:05:38,560 --> 00:05:41,360

not only by the ancient lack of technical references,

36

00:05:41,600 --> 00:05:48,960

but also by inaccuracies in the Bible's translation into English by the court of King James,

37

00:05:48,960 --> 00:05:51,120

which was completed in 1611.

38

00:05:54,720 --> 00:05:59,600

The English that was used in the court of England in the 17th century

39

00:06:01,280 --> 00:06:05,360

was different than the English that was used by the common people and for specific purpose.

40

00:06:05,840 --> 00:06:12,080

Because the court of England wanted to keep themselves separated from the commoners.

41

00:06:16,240 --> 00:06:19,600

To better understand the original meaning of biblical texts,

42

00:06:20,240 --> 00:06:23,600

researchers refer to Strong's exhaustive concordance.

43

00:06:25,840 --> 00:06:32,880

This book, completed in 1890, is an alphabetical index of every word used in the Bible,

44

00:06:32,880 --> 00:06:37,200

listing each occurrence of that word and the context in which it is used.

45

00:06:39,840 --> 00:06:45,600

By doing this, some researchers believe they have discovered another connection between Elijah's story

46

00:06:45,600 --> 00:06:52,320

and UFOs. In the King James version, Elijah tells of being whisked up into heaven,

47

00:06:55,840 --> 00:07:00,000

but some now believe that perhaps he wasn't talking about the godly realm.

48

00:07:03,360 --> 00:07:11,440

When it comes to the word heaven, in the court of King James, the word heaven literally meant sky.

49

00:07:12,560 --> 00:07:19,040

So in the hundreds of places in the Bible that heaven is used, it actually means sky.

50

00:07:20,560 --> 00:07:25,920

It is never described as a place that you go to for a particular reward.

51

00:07:26,480 --> 00:07:38,320

Biblical stories about mysterious events in the sky may not be the only ancient sources hinting at UFOs.

52

00:07:39,520 --> 00:07:46,000

As far as the religious beliefs concerning UFOs, they're found throughout every culture.

53

00:07:46,000 --> 00:07:50,240

If you go into the most ancient of texts, the Old Sumerian texts, they're in there,

54

00:07:50,240 --> 00:07:57,520

they're painted on Egyptian walls in ancient tombs. The yogis and llamas in the Eastern

55

00:07:57,520 --> 00:08:01,360

thought call them the manas and they call them the chariots of the gods.

56

00:08:03,680 --> 00:08:12,240

Thousands of years ago, in an amazing feat of precision, the Nazca people of Peru created

57

00:08:12,240 --> 00:08:20,800

perfectly straight lines stretching across their landscape, a plane 37 miles long and a mile wide.

58

00:08:23,520 --> 00:08:29,920

Some ufologists wondered whether the design, resembling a modern airport, was used as a runway

59

00:08:29,920 --> 00:08:37,200

for alien spaceships. The lines intersect, forming enormous geometric shapes

60

00:08:38,160 --> 00:08:50,080

and include drawings of insects, mammals and a mysterious humanoid being

61

00:08:52,560 --> 00:08:55,520

which some say resembles a man in a spacesuit.

62

00:08:58,400 --> 00:09:04,320

You can only see them from the sky and so you have to wonder if these lines weren't drawn to impress

63

00:09:04,320 --> 00:09:10,320

beings that were flying in the skies and therefore the cultures that drew these were

64

00:09:10,320 --> 00:09:15,040

trying to at least get the attention of the sky people that they knew were there.

65

00:09:17,200 --> 00:09:22,800

Other ancient civilizations also believed that they were visited by extraterrestrial beings.

66

00:09:24,880 --> 00:09:29,840

Kulkul Khan, a patron god of the Mayans, is said to have descended from the sky

67

00:09:30,800 --> 00:09:35,600

and bestowed upon them complex technological and mathematical principles.

68

00:09:44,400 --> 00:09:49,200

One of the ways we can show this is a distinct possibility is by the advanced mathematical

69

00:09:49,200 --> 00:09:55,120

capabilities of the Mayans. For instance, addressed in codex where they're showing very advanced

70

00:09:55,200 --> 00:10:00,400

astronomical tables where they can chart the solar eclipses, the lunar eclipses.

71

00:10:00,400 --> 00:10:06,240

When you talk about the Mayans receiving knowledge from ancient gods who came from the sky,

72

00:10:06,240 --> 00:10:10,320

their mathematics, their astronomy, I believe that's entirely rooted in fact

73

00:10:11,040 --> 00:10:16,320

because that same story is echoed everywhere. Native Americans, South American Indians,

74

00:10:16,960 --> 00:10:24,400

China, all the Orient, India. That story or some version of it that gods came from the sky

75

00:10:25,520 --> 00:10:27,360

and gave technology to mankind.

76

00:10:30,240 --> 00:10:35,440

Stories repeating over time and across cultures.

77

00:10:38,240 --> 00:10:41,760

Irrelevant similar themes that appear again and again,

78

00:10:44,560 --> 00:10:51,600

raising new questions. I think that we've had UFOs around for centuries and I think they've

79

00:10:52,480 --> 00:10:55,920

surveyed the earth and even landed on earth and made contact.

80

00:11:01,360 --> 00:11:05,120

There have been some things they've done that will say have shaped our development

81

00:11:06,000 --> 00:11:11,920

very radically and I think the biblical religion is an example of how they've shaped our development.

82

00:11:21,680 --> 00:11:28,720

Coming up. Moses led the Hebrews out of Egypt. But what led Moses?

83

00:11:37,440 --> 00:11:41,520

It was a pivotal moment in the development of the Judeo-Christian religion.

84

00:11:43,360 --> 00:11:46,240

The great exodus of the Jews out of Egypt.

85

00:11:47,200 --> 00:11:59,120

At the head of this mass migration was Moses, who was in turn guided by a mysterious aerial phenomenon.

86

00:12:02,240 --> 00:12:08,640

And the Lord would be before them, by day, in a pillar of cloud to lead them along the way.

87

00:12:09,040 --> 00:12:19,040

And by night, in a pillar of fire to give them light. That they might travel by day and by night.

88

00:12:28,160 --> 00:12:33,360

It is this element of the story that is especially intriguing to modern UFO researchers.

89

00:12:33,440 --> 00:12:37,440

Just who or what was this protector?

90

00:12:42,480 --> 00:12:50,640

I think it was a very large UFO that was dark during the day and then at night it glowed

91

00:12:51,200 --> 00:12:58,800

and provided light for the encampment below them. And at times it would hover for months,

92

00:12:58,800 --> 00:13:00,400

for weeks and months at a time.

93

00:13:06,160 --> 00:13:10,880

The pillar cloud by day and the pillar of fire by night started leading the exodus.

94

00:13:11,840 --> 00:13:13,680

This was clearly an object in the sky.

95

00:13:16,080 --> 00:13:19,920

It apparently contained some type of intelligent reality.

96

00:13:22,960 --> 00:13:25,920

It was a voice communication with Moses during the whole of the exodus.

97

00:13:26,080 --> 00:13:34,000

UFOs are basically playing a game of follow the leader. UFO is the leader.

98

00:13:37,680 --> 00:13:41,120

Though the Pharaoh initially allowed the exodus of the Jews,

99

00:13:41,120 --> 00:13:45,600

he changed his mind and charged after them with all the chariots of Egypt

100

00:13:48,400 --> 00:13:49,840

and hundreds of his men.

101

00:13:50,320 --> 00:13:57,760

It was a chase that led to one of the most spectacular events in the Bible.

102

00:14:00,640 --> 00:14:05,040

As the Pharaoh's armies caught up to the Israelites by the banks of the Red Sea.

103

00:14:08,880 --> 00:14:12,480

I believe this reality hovered over the Red Sea and caused the parting of the Red Sea.

104

00:14:13,360 --> 00:14:18,720

The theory goes that the object's extraterrestrial propulsion system was what physically pushed the

105

00:14:18,720 --> 00:14:23,280

waters aside, allowing Moses and his followers safe passage.

106

00:14:25,600 --> 00:14:27,680

Then the Lord said to Moses,

107

00:14:28,400 --> 00:14:30,160

stretch out your hand over the sea,

108

00:14:30,720 --> 00:14:37,280

that the water may come back upon the Egyptians, upon their chariots, and upon their horsemen.

109

00:14:37,360 --> 00:14:44,960

If the parting of the Red Sea was done, as I believe it was, by some type of

110

00:14:44,960 --> 00:14:49,520

anti-gravitational force, the biblical people wouldn't have understood how to explain that,

111

00:14:49,520 --> 00:14:54,320

even if they saw it happening. But I think if modern people had been there to see the same

112

00:14:54,320 --> 00:15:00,480

thing occur, they might have given a technical review of what was going on, rather than a supernatural review.

113

00:15:00,880 --> 00:15:10,080

Even after escaping the Egyptians, the biblical Israelites faced an arduous journey

114

00:15:10,080 --> 00:15:12,400

toward their promised land of milk and honey.

115

00:15:17,440 --> 00:15:23,520

Along the way, the pillar of cloud shadowed the Israelites every move,

116

00:15:23,920 --> 00:15:28,960

protecting them as well as guiding them.

117

00:15:31,520 --> 00:15:35,680

The pillar of a cloud during the day is actually providing a canopy.

118

00:15:37,360 --> 00:15:41,760

In the area that they were moving, it's a wilderness area, and the temperatures can

119

00:15:41,760 --> 00:15:45,360

reach up to 120 degrees, and this went on for 40 years.

120

00:15:49,200 --> 00:15:51,440

I believe the pillar dropped a manna from it.

121

00:15:53,520 --> 00:15:57,440

On to the ground to feed the Jewish people during the 40 years of their exodus,

122

00:15:57,440 --> 00:16:02,240

to keep them alive in the wilderness, while what I would call a huge religious conditioning

123

00:16:02,240 --> 00:16:06,400

project was going on in the hands of this extra-stressual reality.

124

00:16:10,400 --> 00:16:15,440

In some modern interpretations, this UFO provided much more than shelter and food.

125

00:16:16,320 --> 00:16:24,960

As the Israelites approached the slopes of Mount Sinai, the pillar of cloud again communicated with Moses.

126

00:16:27,520 --> 00:16:33,200

The Lord said to Moses, be ready in the morning, and come up in the morning to Mount Sinai.

127

00:16:35,040 --> 00:16:37,680

And present yourself there to me, on top of the mountain.

128

00:16:37,760 --> 00:16:49,280

When Jehovah landed on the mountain, he gave a specific to go in, and Moses went up into the mountain.

129

00:16:52,560 --> 00:16:58,640

Then Moses went up. Now the appearance of the glory of the Lord was like a devouring fire

130

00:16:58,640 --> 00:17:02,000

on top of the mountain in the sight of the people of Israel.

131

00:17:03,760 --> 00:17:05,600

And Moses entered the cloud.

132

00:17:07,680 --> 00:17:16,480

Modern theorists speculate that this time on the mount was spent inside a UFO.

133

00:17:16,480 --> 00:17:19,680

And when he came back down the mountain, his face shone or glowed.

134

00:17:23,440 --> 00:17:27,440

The implication is that there's some type of energy transfer going on between...

135

00:17:28,320 --> 00:17:32,080

When Moses descended from Mount Sinai, in his hands were the Ten Commandments,

136

00:17:33,280 --> 00:17:35,760

the supreme guidelines for his people.

137

00:17:37,680 --> 00:17:40,640

And afterward, all the people of Israel came near.

138

00:17:42,320 --> 00:17:46,800

And he gave them in commandment all of the Lord had spoken with him in Mount Sinai.

139

00:17:50,880 --> 00:17:54,880

But if this enormous pillar in the sky was truly a UFO,

140

00:17:55,920 --> 00:18:00,000

and gave the Israelite work for their society, just make of it.

141

00:18:00,080 --> 00:18:09,040

According to Moses, the individual that was inside the pillar of fire and the pillar of a cloud

142

00:18:09,600 --> 00:18:14,560

was Jehovah. Jehovah is the name of the national God of Israel.

143

00:18:19,120 --> 00:18:23,040

Their God was a God of the sky, a God of the heavens, a God who made heavens on earth.

144

00:18:24,720 --> 00:18:28,800

I don't think it's hard for the Hebrew people to believe God is in the pillar of cloud and fire.

145

00:18:28,800 --> 00:18:30,480

God is the one in the UFO there.

146

00:18:34,000 --> 00:18:38,320

Some believe the influence of UFOs is not limited to the Jewish Bible.

147

00:18:39,280 --> 00:18:40,480

Christian faith as well.

148

00:18:41,440 --> 00:18:46,000

Thousands of years after the Exodus, the New Testament records the Jesus.

149

00:18:49,920 --> 00:18:52,000

And he was transfigured before them.

150

00:18:55,040 --> 00:18:56,880

His conquerors could beat them.

151

00:18:58,880 --> 00:19:02,480

They repute to them, Elijah and Moses.

152

00:19:04,640 --> 00:19:06,400

And they were talking to Jesus.

153

00:19:07,120 --> 00:19:10,960

Elijah on the Mount of Jesus because Moses had been dead for hundreds of years.

154

00:19:10,960 --> 00:19:15,920

And Elijah, although he never died on earth, was taken off into the sky in a chariot of fire.

155

00:19:15,920 --> 00:19:18,160

And was never seen again until now.

156

00:19:24,480 --> 00:19:27,360

Were Elijah and that met Moses on Mount Sinai?

157

00:19:29,680 --> 00:19:35,680

And did that same cloud or UFO transport Elijah and Moses to Jesus' transfiguration?

158

00:19:38,080 --> 00:19:41,520

We have a pattern that's very much part of the biblical pattern.

159

00:19:42,240 --> 00:19:45,920

That is, some strange object shows up in the sky and a voice comes from it.

160

00:19:46,480 --> 00:19:50,560

You get this during the Exodus with the pillar of cloud and a voice coming to Moses.

161

00:19:52,080 --> 00:19:54,240

You can see the transfiguration story.

162

00:19:55,040 --> 00:19:59,600

So whenever you then look at the biblical prophets who are saying strange things,

163

00:19:59,600 --> 00:20:04,400

the issue is, is the extra-trustee reality informing their minds to say the things they're saying.

164

00:20:06,400 --> 00:20:08,160

Of an ancient prophet.

165

00:20:12,880 --> 00:20:15,760

More than half a millennium before the birth of Christ.

166

00:20:16,320 --> 00:20:20,800

A group of Jewish exiles was held captive along the banks of the Chebar River.

167

00:20:21,760 --> 00:20:24,800

A righteous Israelite named Ezekiel.

168

00:20:26,160 --> 00:20:27,680

Predicting the fall of Jerusalem.

169

00:20:29,520 --> 00:20:33,520

Later, he also preached a message of hope and salvation.

170

00:20:34,720 --> 00:20:38,720

But first, Ezekiel was enraptured by something in the sky.

171

00:20:41,520 --> 00:20:46,560

As I looked, behold, a stormy wind came out of the North.

172

00:20:51,760 --> 00:20:56,800

And a great cloud with brightened fire flashing forth continually.

173

00:20:58,880 --> 00:21:02,880

And in the midst of the fire, as it were gleaming the bronze.

174

00:21:04,880 --> 00:21:05,920

Ezekiel believed.

175

00:21:08,160 --> 00:21:12,720

But UFO researchers wonder if it might have been something else.

176

00:21:14,720 --> 00:21:16,880

More than any other passage in the Bible.

177

00:21:17,600 --> 00:21:23,760

Ezekiel's detailed account of this sighting is continually studied and analyzed by UFologists.

178

00:21:24,480 --> 00:21:27,920

Who argue that it is a biblical alien encounter.

179

00:21:30,240 --> 00:21:31,760

I saw a wheel upon the earth.

180

00:21:34,800 --> 00:21:39,760

As for the appearance of the wheels and their construction, this was like the gleaming of a chrysalite.

181

00:21:42,720 --> 00:21:46,080

Ezekiel is metallic object.

182

00:21:47,840 --> 00:21:50,560

That ascends and lands in front of him.

183

00:21:52,800 --> 00:21:58,800

Each what we see are glowing spinning metallic objects.

184

00:21:59,840 --> 00:22:03,840

That ascend and descend just like the objects that are described in the Bible.

185

00:22:06,080 --> 00:22:11,760

It's not a nidological conclusion to assume that these craft that we see today

186

00:22:11,760 --> 00:22:16,000

may be the exact same craft that they're describing in the Bible in ancient times.

187

00:22:17,840 --> 00:22:21,040

Their construction being as it were a wheel within a wheel.

188

00:22:23,120 --> 00:22:23,680

When they went.

189

00:22:26,160 --> 00:22:27,600

Without turning as they went.

190

00:22:30,160 --> 00:22:32,240

You can tell he was struggling with them.

191

00:22:32,240 --> 00:22:36,080

Now that's also true UFO experiences that people have.

192

00:22:36,080 --> 00:22:39,200

They're having diffidence description that we see in the Bible.

193

00:22:41,840 --> 00:22:44,640

The four wheels have rims and they had spokes.

194

00:22:45,600 --> 00:22:47,520

And the rims were full of eyes.

195

00:22:48,400 --> 00:22:49,040

Roundabout.

196

00:22:52,640 --> 00:22:54,000

What I believe he's talking.

197

00:22:55,280 --> 00:22:59,120

And in the time that he was discussing this, there was nothing mechanical.

198

00:23:00,080 --> 00:23:04,400

The wheel was about the the most sophisticated device that they had.

199

00:23:04,400 --> 00:23:09,200

When the wheels of Ezekiel hovered above him, he may have thought he was seeing a supernatural

200

00:23:09,200 --> 00:23:12,320

reality, but what if it was simply a high tech reality?

201

00:23:13,040 --> 00:23:16,960

How do you tell the difference between the supernatural and the super technological?

202

00:23:18,240 --> 00:23:23,360

The more highly technical a reality becomes the more supernatural it seems.

203

00:23:25,440 --> 00:23:29,520

And from the midst of it came the likeness of four living creatures.

204

00:23:31,760 --> 00:23:35,840

Wherever their spirit would go, they went along with them.

205

00:23:36,400 --> 00:23:40,240

For the spirit of the living creatures was in the wheels.

206

00:23:41,760 --> 00:23:45,280

It describes an object that comes from the mountainside

207

00:23:46,000 --> 00:23:51,920

and actually disgorges some type of intelligent beings from its interior.

208

00:23:57,760 --> 00:24:01,840

As for the likenesses, each had the face of a man in front

209

00:24:01,840 --> 00:24:04,080

or had the face of a great saint.

210

00:24:04,080 --> 00:24:07,680

The forehead the face of an unforeseen the eagle and the bag.

211

00:24:13,360 --> 00:24:19,360

In his day and time, quite literally there's nothing unnatural in the sky.

212

00:24:20,640 --> 00:24:21,600

There are no planes.

213

00:24:23,120 --> 00:24:24,320

There are no helicopters.

214

00:24:25,840 --> 00:24:26,800

There are kites.

215

00:24:29,120 --> 00:24:30,480

There aren't even any balloons.

216

00:24:30,640 --> 00:24:34,880

And in him was moving it.

217

00:24:36,400 --> 00:24:38,640

Of living creatures.

218

00:24:42,800 --> 00:24:48,720

Over the heads of the living creatures, there was the likeness of affirmament shining like crystal.

219

00:24:52,960 --> 00:24:56,000

And when they went, I heard the sound of their wings.

220

00:24:57,040 --> 00:24:58,720

Like the sound of many waters.

221

00:24:59,680 --> 00:25:01,120

Thunder of the old.

222

00:25:05,040 --> 00:25:10,480

So many of the engineers that have looked at this verse believe that what he's talking about is

223

00:25:10,480 --> 00:25:11,760

actually landing gear.

224

00:25:15,040 --> 00:25:17,120

He describes lights running up and down them.

225

00:25:18,880 --> 00:25:22,880

He describes rings of flashing lights around them.

226

00:25:23,440 --> 00:25:27,280

And he speaks of a being.

227

00:25:29,600 --> 00:25:30,560

And speaking to it.

228

00:25:33,840 --> 00:25:36,320

This were extraterrestrial in nature.

229

00:25:36,320 --> 00:25:38,160

Why did they appear to Ezekiel?

230

00:25:39,040 --> 00:25:43,440

Did this initial encounter with Ezekiel lead to some form of mind control,

231

00:25:43,440 --> 00:25:48,320

which led him to write this very long book of prophecy about the future of Israel

232

00:25:49,040 --> 00:25:54,240

and about the military and political consequences of what was going to happen in the future.

233

00:25:56,240 --> 00:25:59,360

I didn't know about concepts that theologians would have to explore

234

00:26:00,640 --> 00:26:03,840

once the UFO reality were admitted to be real.

235

00:26:07,280 --> 00:26:08,880

Coming up, Angels.

236

00:26:16,400 --> 00:26:17,040

Angels.

237

00:26:19,280 --> 00:26:20,880

God's divine messengers.

238

00:26:24,240 --> 00:26:28,640

Their ethereal images appear in art and architecture across the millennia.

239

00:26:31,680 --> 00:26:32,960

And around the globe.

240

00:26:35,760 --> 00:26:40,640

Mentioned hundreds of times in the Bible, Angels were present at some of the most significant.

241

00:26:45,840 --> 00:26:47,440

But what are Angels?

242

00:26:48,960 --> 00:26:53,680

Some U.F. liens are one in the same.

243

00:26:54,880 --> 00:27:02,480

I would speculate that the Angels of the end of the Quran would possess the same powers and have

244

00:27:02,480 --> 00:27:09,120

the same capabilities in a supernatural sense as what we would call these occupants of the UFO or

245

00:27:09,120 --> 00:27:10,400

the extraterrestrials today.

246

00:27:13,840 --> 00:27:17,920

According to the Bible, Saint Peter, the patriarch of the Catholic Church,

247

00:27:18,400 --> 00:27:22,240

was saved by an Angel with mysterious abilities.

248

00:27:24,480 --> 00:27:28,880

To make sure that he stayed where he is supposed to be, he was put in chains in his jail cell.

249

00:27:30,720 --> 00:27:35,680

And behold, an Angel of the Lord appeared and a light shone.

250

00:27:37,040 --> 00:27:41,920

And he struck Peter on the side and woke him, saying, Get up quickly.

251

00:27:44,560 --> 00:27:46,400

And the chains fell off his hands.

252

00:27:48,480 --> 00:27:50,080

Past the unconscious guards.

253

00:27:50,880 --> 00:27:57,600

When the Angel and Peter left the jail, the gate to the jail then opened on its own accord.

254

00:27:59,840 --> 00:28:04,800

And they went out and passed on through one street and immediately the Angel.

255

00:28:05,760 --> 00:28:08,240

Angel got in the jail in the first place.

256

00:28:12,640 --> 00:28:17,840

The answer might be that the Angel has the ability to go through solid walls.

257

00:28:18,400 --> 00:28:22,560

And this is sometimes reported in modern UFO cases.

258

00:28:24,080 --> 00:28:28,640

Terrorists have also looked at other Angelic accounts in the multiple connections to extra

259

00:28:30,240 --> 00:28:35,520

They found that much like descriptions of alien encounters, Angels are often depicted conveying

260

00:28:35,520 --> 00:28:38,640

their message through visions and dreams.

261

00:28:41,120 --> 00:28:45,520

Wood aliens, wood space aliens, use our unconscious mind, our dream life,

262

00:28:45,520 --> 00:28:51,680

to inform us of their real forms. That's what happens in Matthew 2, certainly.

263

00:28:53,840 --> 00:28:58,000

Behold, an Angel of the Lord appeared to Joseph in a dream.

264

00:29:01,760 --> 00:29:06,000

Rise, take the child and his mother and flee to Egypt.

265

00:29:07,680 --> 00:29:12,000

Joseph is warned in a dream that he should get out of town quickly because

266

00:29:12,720 --> 00:29:14,880

Herod is going to try to kill off Jesus.

267

00:29:18,880 --> 00:29:24,480

Joseph hurried his infant son out of harm's way and Jesus' life was spared.

268

00:29:29,600 --> 00:29:32,400

A big part of the Judeo-Christian psychic life.

269

00:29:34,320 --> 00:29:38,720

How much of this is due to the direct intervention of the aliens? We don't know.

270

00:29:38,720 --> 00:29:45,120

Going back to Abraham in the Old Testament, there's a passage in Genesis and in this deep sleep

271

00:29:46,080 --> 00:29:48,960

God communicated things to Abraham that he wanted to communicate.

272

00:29:50,320 --> 00:29:50,800

Jules

273

00:29:53,040 --> 00:29:59,440

Though understood to be superhuman, these heavenly creatures were often mistaken to be mere mortals.

274

00:29:59,600 --> 00:30:10,800

Where three beings come to meet him, he does not know that they are different from any other humans.

275

00:30:11,920 --> 00:30:17,600

And he does the Middle East thing. He's a very good host. He invites them to stay for food

276

00:30:17,600 --> 00:30:21,040

and he asks his wife, Sarah, to help with the preparation of this food.

277

00:30:23,600 --> 00:30:26,560

His visitors see laid some strange abilities.

278

00:30:27,120 --> 00:30:34,720

Eventually, through conversation, the men say to Abraham that his wife, Sarah, is going to conceive and bear a son.

279

00:30:35,840 --> 00:30:38,160

Abraham finds this almost impossible to believe.

280

00:30:44,160 --> 00:30:49,600

His wife, Sarah, who's kind of hanging out around the tent, starts laughing inside herself, not out loud.

281

00:30:51,120 --> 00:30:54,320

And the three men accuse her of laughing. She denies it.

282

00:30:55,040 --> 00:31:01,120

But in any case, this implies that they could hear her mind telepathically.

283

00:31:03,200 --> 00:31:06,240

The question of telepathy is a big issue.

284

00:31:10,080 --> 00:31:14,640

Telepathy is also a trait often associated with modern UFO expertise.

285

00:31:17,040 --> 00:31:20,560

But they go away and sure enough, she becomes pregnant.

286

00:31:20,560 --> 00:31:25,360

And now in retrospect, Abraham realizes he's had what he calls a divine encounter.

287

00:31:25,360 --> 00:31:28,640

But I think we might now call it an extraterrestrial encounter.

288

00:31:31,360 --> 00:31:36,800

Within a year, Sarah gave birth to their son, through which the Jewish nation was established.

289

00:31:38,720 --> 00:31:41,680

One of the things that UFO abduction cases now,

290

00:31:41,680 --> 00:31:45,920

is that very often the alien beings seem to be interested in the human reproductive process.

291

00:31:46,320 --> 00:31:50,560

Right here in the story of Abraham and Sarah, we have the Ponson Bald in the reproductive process

292

00:31:50,560 --> 00:31:55,280

of Abraham and Sarah. And that Isaac is here due to some extraterrestrial intervention.

293

00:31:58,240 --> 00:32:03,440

So that some of the what you would call extraterrestrial stories in the human race.

294

00:32:05,440 --> 00:32:06,640

So things are saying.

295

00:32:07,520 --> 00:32:22,160

Coming up, was it God? Or was it aliens? When Sodom and Gomorrah met their fiery destruction.

296

00:32:25,440 --> 00:32:30,720

Most of the events in the Bible that UFOlogists ascribe to extraterrestrial intelligence

297

00:32:30,720 --> 00:32:38,080

have effects that run from the benign, the case as destruction of Sodom and Gomorrah.

298

00:32:40,800 --> 00:32:45,920

As told in the Bible, the inhabitants of these two sister cities were so debauched

299

00:32:46,640 --> 00:32:50,080

and sinful that they're earning back their evil ways.

300

00:32:51,920 --> 00:32:55,280

The only solution, total extermination.

301

00:33:01,680 --> 00:33:04,240

Then the Lord rained on Sodom and out of heaven.

302

00:33:05,680 --> 00:33:07,200

And he overthrew those cities.

303

00:33:09,920 --> 00:33:14,640

Eric Vondanikin presented a different theory about the destruction of Sodom and Gomorrah.

304

00:33:17,040 --> 00:33:21,600

Eric Vondanikin had speculated that Sodom and Gomorrah might have been destroyed by

305

00:33:21,600 --> 00:33:27,120

extraterrestrials using nuclear weapons. The reason he came to this conclusion is the

306

00:33:27,200 --> 00:33:29,920

description that Fire and Grimstone came down from the sky.

307

00:33:32,880 --> 00:33:38,000

It certainly would get the attention of planet Earth pretty fast if we really concluded that

308

00:33:38,000 --> 00:33:41,840

extraterrestrials had destroyed whole cities because they didn't like them.

309

00:33:47,760 --> 00:33:51,200

However, there are other theories about the destruction of these cities.

310

00:33:52,720 --> 00:33:56,320

Some believe the story may have been used as a mythological warning.

311

00:33:57,840 --> 00:34:01,440

A little reinforce the importance of piety.

312

00:34:03,760 --> 00:34:08,080

God removed these Sodomites and the citizens of Gomorrah from existence.

313

00:34:08,640 --> 00:34:14,320

And that's what the text talks about. Fire rained down from heavens and wiped them all out.

314

00:34:16,800 --> 00:34:22,400

The text tells us that when a human civilization becomes reprobate, they can't be saved.

315

00:34:23,040 --> 00:34:31,520

The other way to look at Sodom and Gomorrah is that if the towns ever actually existed

316

00:34:32,240 --> 00:34:39,200

and if those towns were destroyed were almost certainly destroyed by some natural means.

317

00:34:40,560 --> 00:34:49,360

It's such a metaphor for a religious idea that is man was evil and deserved to be punished for

318

00:34:49,360 --> 00:34:58,160

his iniquity. Archaeological evidence has emerged that shed some scientific light upon this ancient

319

00:34:58,160 --> 00:35:10,640

story. Archaeologists in looking at the southeastern plain of the Dead Sea have located approximately

320

00:35:10,640 --> 00:35:15,440

the right place where we would expect to see cities of Sodom and Gomorrah.

321

00:35:16,320 --> 00:35:24,240

The names of these cities called Babadra and Numeria a proof part of the story of Sodom and Gomorrah.

322

00:35:27,520 --> 00:35:32,080

In Babadra we see that there was broad destruction across the mound.

323

00:35:33,920 --> 00:35:41,120

Next we find at Numera that there is a layer of ash which can suggest that the city was burnt.

324

00:35:45,840 --> 00:35:49,840

But the cause of their destruction still cannot be scientifically proven

325

00:35:50,960 --> 00:35:55,360

and therefore what or who caused it remains open to speculation.

326

00:35:58,080 --> 00:36:04,720

The bigger issue is whether or not extraterrestrials are so much involved in the development of life

327

00:36:04,720 --> 00:36:09,280

on earth that they in fact would destroy a whole city or perhaps a whole group of people.

328

00:36:09,280 --> 00:36:16,480

That the biblical god from another planet may be a radical idea

329

00:36:17,760 --> 00:36:23,280

but it's possible that modern day theorists aren't the first ones to suppose this extraterrestrial

330

00:36:23,280 --> 00:36:31,760

angle. In the 15th century artwork portraying biblical scenes with mysterious saucer shaped objects

331

00:36:31,760 --> 00:36:38,320

seeming to hover in the sky. I find that the Renaissance artwork itself is very intriguing

332

00:36:38,320 --> 00:36:44,240

just all by itself. You've got these images of UFOs with the Madonna image and scenes of Jesus

333

00:36:44,240 --> 00:36:49,440

on the cross and in the background you've got a little black dot or a saucer shaped UFO with

334

00:36:49,440 --> 00:36:54,160

a dome on it and what these were done 1500 years after the fact.

335

00:37:00,080 --> 00:37:06,720

Attributes onto those paintings and drawings and artwork they may be hats they may be crockery or

336

00:37:06,720 --> 00:37:12,960

saucers or other things of that shape but not necessarily flying saucers.

337

00:37:16,160 --> 00:37:22,800

But more and more people seem to believe that UFOs are real and are alien.

338

00:37:24,320 --> 00:37:29,760

Even organized religion hasn't completely closed the book on the extraterrestrial possibility.

339

00:37:30,560 --> 00:37:35,840

Not to be feared and not to be demonized.

340

00:37:38,480 --> 00:37:41,920

Monsignor Corrado Balducci who's a consultant to the Vatican

341

00:37:42,480 --> 00:37:47,200

has been on Italian television several times saying that he believes UFOs are real and that

342

00:37:47,200 --> 00:37:56,000

they are extraterrestrial. If these theories are proven true what might the future hold for western

343

00:37:56,000 --> 00:38:05,120

religion? Western religion would change completely if extraterrestrials were proved to be real.

344

00:38:05,120 --> 00:38:10,880

It would change all the stories in the bible and it would change how we thought about the bible

345

00:38:11,520 --> 00:38:18,640

because a highly technological extraterrestrial may provide some explanations for some of the

346

00:38:18,640 --> 00:38:25,440

miracles that happen in the bible. Art evidence that either proves or disproves the existence of UFOs.

347

00:38:26,240 --> 00:38:34,320

Belief in the UFO phenomenon is based mostly on faith much the same basis as a belief in God.

348

00:38:38,640 --> 00:38:44,320

Giant balls of ice hurtling around the sun, frat house, not my house. For a whole week all will

349

00:38:44,320 --> 00:38:49,760

be answered as well as the most profound question of all did I really change the world? No really did I?

350

00:38:49,760 --> 00:38:55,520

Out of this world week all this week only on the History Channel.
