please hit us up at UFO garage PC at

12  
00:00:38,389 --> 00:00:35,610

gmail.com pillow dicks what it what a

13  
00:00:41,630 --> 00:00:38,399

great I like your your your attitude

14

00:00:45,590 --> 00:00:41,640

your add to that your life do you have

15

00:00:48,440 --> 00:00:45,600

another look abnormally large dick we

16

00:00:50,180 --> 00:00:48,450

need a pillow for your dick when you

17

00:00:53,900 --> 00:00:50,190

roll over it is you take flap onto the

18

00:00:57,200 --> 00:00:53,910

floor it's been purchased by three

19

00:00:59,299 --> 00:00:57,210

people we're trying to sell some pillow

20

00:01:01,610 --> 00:00:59,309

dicks here dick closed it if anybody has

21

00:01:03,709 --> 00:01:01,620

a company did I say pillow dicks pillow

22

00:01:06,859 --> 00:01:03,719

did I say pillow dicks or dick pillows I

23

00:01:07,820 --> 00:01:06,869

think I [h\_\_h] it up dude either way I

24

00:01:09,350 --> 00:01:07,830

gotta do that again

25

00:01:12,530 --> 00:01:09,360

either way if it's a dick pillow or

26

00:01:18,890 --> 00:01:12,540

pillow for your dick it's okay I think

27

00:01:20,960 --> 00:01:18,900

it's a pillow like I mean I mean they'd

28

00:01:23,149 --> 00:01:20,970

have to be tiny baby right I mean

29

00:01:26,840 --> 00:01:23,159

nobody's actually walking around with

30

00:01:28,580 --> 00:01:26,850

with elephantitis you know all the time

31

00:01:33,649 --> 00:01:28,590

but would the dick pillow be a small

32

00:01:37,310 --> 00:01:33,659

pillow it comes you like do you sleep on

33

00:01:39,770 --> 00:01:37,320

your side do you have a large dick

34

00:01:43,550 --> 00:01:39,780

support your wiener support your wiener

35

00:01:47,539 --> 00:01:43,560

yeah this is like a tall but short

36

00:01:54,440 --> 00:01:47,549

pillow we have them for all sizes choads

37

00:01:57,740 --> 00:01:54,450

long jeez pencil dicks so what do we get

38

00:02:00,170 --> 00:01:57,750

into today man we have a couple topics

39

00:02:02,870 --> 00:02:00,180

we didn't go through in the last episode

40

00:02:04,370 --> 00:02:02,880

we only went through really one hit uh

41

00:02:05,840 --> 00:02:04,380

you want to hit everybody up with that

42

00:02:07,580 --> 00:02:05,850

page you're honest oh yeah I found the

43

00:02:12,320 --> 00:02:07,590

URL for the patreon it's just

44

00:02:14,000 --> 00:02:12,330

patreon.com back /u fo garage pc pc

45

00:02:15,589 --> 00:02:14,010

stands for podcast

46

00:02:17,960 --> 00:02:15,599

and that's the patreon and I don't know

47

00:02:19,820 --> 00:02:17,970

what we're gonna do with it yet I I mean

48

00:02:21,589 --> 00:02:19,830

I think we'll put more content on there

49

00:02:23,960 --> 00:02:21,599

longer podcast if we edit something down

50

00:02:26,030 --> 00:02:23,970

yeah the exclusive content will do

51  
00:02:28,490 --> 00:02:26,040  
videos there cuz obviously we can't put

52  
00:02:30,320 --> 00:02:28,500  
a video right so we're gonna have stuff

53  
00:02:33,500 --> 00:02:30,330  
they will probably upload to YouTube as

54  
00:02:35,479 --> 00:02:33,510  
well yeah yeah um for everybody but us

55  
00:02:38,809 --> 00:02:35,489  
being at UFO Congress and it's August

56  
00:02:42,199 --> 00:02:38,819  
right September we'll probably put all

57  
00:02:44,660 --> 00:02:42,209  
that on there behind the scenes stuff us

58  
00:02:47,930 --> 00:02:44,670  
being idiots special content doing

59  
00:02:48,949 --> 00:02:47,940  
stupid [h\_\_h] you know yeah maybe we'll

60  
00:02:51,860 --> 00:02:48,959  
have some gear

61  
00:02:53,300 --> 00:02:51,870  
eventually ah yeah guys can check out

62  
00:02:56,259 --> 00:02:53,310  
the dick pillow

63  
00:03:02,020 --> 00:02:56,269

we'll have pink pillows for you guys

64

00:03:04,690 --> 00:03:02,030

glow-in-the-dark dick pillow great

65

00:03:06,830 --> 00:03:04,700

parents are gonna be so proud they are

66

00:03:11,930 --> 00:03:06,840

you've made your millions off dick

67

00:03:15,500 --> 00:03:11,940

pillows son couldn't be more proud all

68

00:03:18,560 --> 00:03:15,510

right so let's see last time we talked

69

00:03:21,319 --> 00:03:18,570

about a couple of things we talked about

70

00:03:24,340 --> 00:03:21,329

why can't UFOs researcher UFO

71

00:03:26,750 --> 00:03:24,350

researchers look normal that was fun

72

00:03:28,910 --> 00:03:26,760

next one on the list I mean we don't

73

00:03:32,090 --> 00:03:28,920

really have to go and and and line on

74

00:03:34,400 --> 00:03:32,100

here but see different I think different

75

00:03:38,030 --> 00:03:34,410

camps and alien research is would be

76

00:03:40,099 --> 00:03:38,040

kind of cool I like that one yeah yeah I

77

00:03:44,330 --> 00:03:40,109

mean we kind of touched on it a little

78

00:03:46,400 --> 00:03:44,340

bit in the last podcast on our you know

79

00:03:48,620 --> 00:03:46,410

you got these these camps kind of within

80

00:03:51,470 --> 00:03:48,630

the UFO research community yeah some

81

00:03:52,879 --> 00:03:51,480

people were saying it's a no-go Steve

82

00:03:53,300 --> 00:03:52,889

don't let him know over here even

83

00:03:56,660 --> 00:03:53,310

Greer's

84

00:03:59,809 --> 00:03:56,670

on that yeah well he's also kind of has

85

00:04:01,490 --> 00:03:59,819

his you know he's also kind of in the

86

00:04:04,250 --> 00:04:01,500

camp though to to where you know it's

87

00:04:08,210 --> 00:04:04,260

more of the spiritual aspect of it yeah

88

00:04:11,720 --> 00:04:08,220

maybe a more benevolent devil in there

89

00:04:13,729 --> 00:04:11,730

that I bring I was doing in and all that

90

00:04:16,610 --> 00:04:13,739

exactly like trying to contact them

91

00:04:19,640 --> 00:04:16,620

through meditation on locality there's a

92

00:04:21,949 --> 00:04:19,650

word for it it's like see

93

00:04:26,300 --> 00:04:21,959

like the name of their group the name of

94

00:04:27,560 --> 00:04:26,310

the the act of vectoring in UFOs like

95

00:04:29,360 --> 00:04:27,570

through meditation and all that there's

96

00:04:31,700 --> 00:04:29,370

yeah there's like a term for it I'm sure

97

00:04:33,710 --> 00:04:31,710

the actual term is but yeah I think I

98

00:04:36,409 --> 00:04:33,720

would see like that the dangerous alien

99

00:04:38,570 --> 00:04:36,419

is kind of like that the whole you know

100

00:04:40,700 --> 00:04:38,580

Tom DeLonge to the Stars camp you know

101

00:04:43,730 --> 00:04:40,710

those guys are super scared it's it's

102

00:04:46,040 --> 00:04:43,740

you know it's a national security issue

103

00:04:48,200 --> 00:04:46,050

they call them bugs you know things that

104

00:04:49,370 --> 00:04:48,210

you'd be squashed right you know so you

105

00:04:54,140 --> 00:04:49,380

know that's kind of what they call them

106

00:04:56,060 --> 00:04:54,150

and then you have people who just you

107

00:04:56,960 --> 00:04:56,070

know they think maybe they're just

108

00:04:59,390 --> 00:04:56,970

passing through

109

00:05:00,529 --> 00:04:59,400

what I think also another camp is the

110

00:05:02,930 --> 00:05:00,539

ancient alien thing where they're not

111

00:05:05,659 --> 00:05:02,940

really focused on like the inventions

112

00:05:06,830 --> 00:05:05,669

now yes like exactly how it all started

113

00:05:09,529 --> 00:05:06,840

how it all start yeah in the beginning

114

00:05:12,350 --> 00:05:09,539

kind of yeah yes but maybe that's just

115

00:05:14,360 --> 00:05:12,360

like like an intro for anybody that's

116

00:05:15,860 --> 00:05:14,370

not really interested in UFOs and like

117

00:05:17,240 --> 00:05:15,870

finds you know the history part of it

118

00:05:19,250 --> 00:05:17,250

maybe that's like a first stepping stone

119

00:05:21,350 --> 00:05:19,260

I mean for me was definitely when

120

00:05:25,070 --> 00:05:21,360

ancient aliens came out it was a good

121

00:05:27,650 --> 00:05:25,080

intro for me to get into this subject it

122

00:05:30,469 --> 00:05:27,660

was like oh well it kind of legitimists

123

00:05:32,330 --> 00:05:30,479

legitimized the you know my whole

124

00:05:34,940 --> 00:05:32,340

fascination with the subject and it and

125

00:05:37,010 --> 00:05:34,950

I feel like once you start digging and

126

00:05:38,810 --> 00:05:37,020

getting more interested in it you get

127

00:05:41,000 --> 00:05:38,820

past the history and then and then you

128

00:05:43,760 --> 00:05:41,010

get into like the current yeah I can

129

00:05:46,219 --> 00:05:43,770

definitely help people get get into the

130

00:05:48,260 --> 00:05:46,229

subject because it poses so many

131

00:05:51,560 --> 00:05:48,270

questions yeah you know like a lot of

132

00:05:53,330 --> 00:05:51,570

people jump in from the middle of you

133

00:05:54,950 --> 00:05:53,340

know what is this stuff well they're

134

00:05:57,409 --> 00:05:54,960

aliens and they're flying in flying

135

00:05:59,960 --> 00:05:57,419

saucers and they're abducting Pia but

136

00:06:02,540 --> 00:05:59,970

what else is there you know are they are

137

00:06:04,279 --> 00:06:02,550

they part of our history are they part

138

00:06:06,620 --> 00:06:04,289

of the reason why we are what we are

139

00:06:10,159 --> 00:06:06,630

today and you know I think I think

140

00:06:11,750 --> 00:06:10,169

ancient aliens kind of like you said

141

00:06:14,450 --> 00:06:11,760

kind of solidified that for a lot of

142

00:06:16,490 --> 00:06:14,460

people because you know you finally see

143

00:06:18,110 --> 00:06:16,500

something on the History Channel yeah

144

00:06:20,839 --> 00:06:18,120

you know about aliens and it's like oh

145

00:06:23,930 --> 00:06:20,849

it's on the history yeah history is all

146

00:06:26,870 --> 00:06:23,940

like facts so this must be true you know

147

00:06:29,420 --> 00:06:26,880

it's it's it's still very much so theory

148

00:06:31,340 --> 00:06:29,430

but those guys do pose some pretty

149

00:06:33,140 --> 00:06:31,350

interesting questions you know

150

00:06:36,230 --> 00:06:33,150

also it's really interesting that the

151

00:06:38,120 --> 00:06:36,240

History Channel went full in on UFOs

152

00:06:40,520 --> 00:06:38,130

like you have serious it's the UFO

153

00:06:42,410 --> 00:06:40,530

channel Channel yeah yeah they got that

154

00:06:45,080 --> 00:06:42,420

they got the new one that was just

155

00:06:46,820 --> 00:06:45,090

released yeah with all the people who

156

00:06:49,880 --> 00:06:46,830

come forward and you know the

157

00:06:51,470 --> 00:06:49,890

experiencers and Project Blue Book yes

158

00:06:53,840 --> 00:06:51,480

but actually that was a great show that

159

00:06:55,310 --> 00:06:53,850

was a great show yeah great and it's

160

00:06:57,260 --> 00:06:55,320

cool because you know calling me and you

161

00:06:59,000 --> 00:06:57,270

we kind of we kind of know the stories

162

00:07:02,120 --> 00:06:59,010

that they're going off of yeah it was

163

00:07:05,450 --> 00:07:02,130

interesting to see that although a lot

164

00:07:07,490 --> 00:07:05,460

of stuff was dramatized and and you know

165

00:07:09,920 --> 00:07:07,500

kind of stretched a little bit the

166

00:07:12,830 --> 00:07:09,930

story's held pretty true yeah

167

00:07:14,960 --> 00:07:12,840

- yeah the historical story that was

168

00:07:16,880 --> 00:07:14,970

told yeah even though they were you know

169

00:07:18,800 --> 00:07:16,890

a little different maybe the characters

170

00:07:20,900 --> 00:07:18,810

were exaggerated a little bit but you

171

00:07:22,460 --> 00:07:20,910

know the stories for the most part we're

172

00:07:23,840 --> 00:07:22,470

pretty cool I don't know if you've

173

00:07:26,890 --> 00:07:23,850

watched it all the way to the last

174

00:07:29,660 --> 00:07:26,900

episode but that last episode was like

175

00:07:34,390 --> 00:07:29,670

yeah bro can't wait for the second - I

176  
00:07:37,670 --> 00:07:34,400  
know now like come on with it yeah yeah

177  
00:07:39,110 --> 00:07:37,680  
that's a good show I also didn't go into

178  
00:07:40,850 --> 00:07:39,120  
these camps you know they didn't really

179  
00:07:44,240 --> 00:07:40,860  
focus on like are these things here to

180  
00:07:45,260 --> 00:07:44,250  
hurt us or they just had no idea no they

181  
00:07:47,180 --> 00:07:45,270  
don't know what to do about it none

182  
00:07:49,640 --> 00:07:47,190  
because even though they showed some

183  
00:07:51,560 --> 00:07:49,650  
things that were like well you can't

184  
00:07:53,000 --> 00:07:51,570  
really explain that yeah there was also

185  
00:07:55,010 --> 00:07:53,010  
a lot of stuff that they were like I

186  
00:07:58,010 --> 00:07:55,020  
will it turned out to be a binded skull

187  
00:07:59,690 --> 00:07:58,020  
or you know all on the dead tree an owl

188  
00:08:02,330 --> 00:07:59,700

on the dead tree which you know very

189

00:08:05,060 --> 00:08:02,340

possibly could have been could not have

190

00:08:08,540 --> 00:08:05,070

been you know that's where the whole the

191

00:08:11,180 --> 00:08:08,550

swamp gas you know it whole - dude

192

00:08:15,440 --> 00:08:11,190

reflection off of Venus show me what's

193

00:08:18,290 --> 00:08:15,450

Wow okay so I swamp gas and it's

194

00:08:21,340 --> 00:08:18,300

literally methane coming up from a pool

195

00:08:25,130 --> 00:08:21,350

uh-huh and it's you can light it on fire

196

00:08:28,040 --> 00:08:25,140

but show me a video of swamp gas in the

197

00:08:29,780 --> 00:08:28,050

air looking like anything that'd be like

198

00:08:31,520 --> 00:08:29,790

the government's claimed yeah that was

199

00:08:32,450 --> 00:08:31,530

swamp get show show me a video of that

200

00:08:34,969 --> 00:08:32,460

yeah that'd be great

201  
00:08:36,320 --> 00:08:34,979  
did swings yes I'm over hover above your

202  
00:08:38,839 --> 00:08:36,330  
house and then shoot a beam of light

203  
00:08:43,250 --> 00:08:38,849  
down yeah and pick up a cow and fly off

204  
00:08:45,139 --> 00:08:43,260  
with it [h\_\_h] that's the worst excuse

205  
00:08:47,360 --> 00:08:45,149  
hate to live by that swamp gas

206  
00:08:50,449 --> 00:08:47,370  
always taking my damn farm and I smell

207  
00:08:53,059 --> 00:08:50,459  
like farts - farts do fart fart pools

208  
00:08:54,920 --> 00:08:53,069  
dude I guess we live in a farm it's it's

209  
00:08:55,670 --> 00:08:54,930  
fresh air but yeah till you get close to

210  
00:08:58,790 --> 00:08:55,680  
the barn

211  
00:09:02,360 --> 00:08:58,800  
I hear my wife walking in the house

212  
00:09:03,679 --> 00:09:02,370  
right say that is like it sounds like

213  
00:09:05,179 --> 00:09:03,689

someone somebody's calling what if

214

00:09:08,210 --> 00:09:05,189

somebody's actually breaking in its

215

00:09:10,069 --> 00:09:08,220

gonna go check last time this happened

216

00:09:12,410 --> 00:09:10,079

we were like oh my goodness is somebody

217

00:09:15,079 --> 00:09:12,420

breaking into the house and it turned

218

00:09:16,819 --> 00:09:15,089

out to just be his wife he was like she

219

00:09:18,439 --> 00:09:16,829

was like I'm gonna leave but that was

220

00:09:20,360 --> 00:09:18,449

like 20 minutes ago then she came back

221

00:09:21,829 --> 00:09:20,370

and we didn't know what it was and now

222

00:09:24,499 --> 00:09:21,839

this time she was like I'm gonna leave

223

00:09:26,210 --> 00:09:24,509

you know it was also 20 minutes ago so

224

00:09:28,460 --> 00:09:26,220

we're gonna see if it was actually her

225

00:09:30,920 --> 00:09:28,470

or if somebody broke into the house I'm

226

00:09:32,059 --> 00:09:30,930

sure we'll find out pretty soon I'm

227

00:09:35,960 --> 00:09:32,069

wearing headphones so I can't really

228

00:09:38,449 --> 00:09:35,970

hear but oh no no that sounds like her

229

00:09:41,809 --> 00:09:38,459

that sounds like that sounds like his

230

00:09:44,360 --> 00:09:41,819

wife but yeah what do you guys think man

231

00:09:46,280 --> 00:09:44,370

I mean what camp are y'all in do you do

232

00:09:49,160 --> 00:09:46,290

you think do you think these things are

233

00:09:51,230 --> 00:09:49,170

benevolent do you think they're here to

234

00:09:53,150 --> 00:09:51,240

just kill us all destroy everything do

235

00:09:55,489 --> 00:09:53,160

you think they're here to help us maybe

236

00:09:57,319 --> 00:09:55,499

give us some technology I mean what are

237

00:09:59,540 --> 00:09:57,329

you guys as thoughts you know it's good

238

00:10:02,869 --> 00:09:59,550

really go anywhere and we're all just

239

00:10:04,879 --> 00:10:02,879

kind of guessing here but oh it bends

240

00:10:06,769 --> 00:10:04,889

back with us again was it the wife or

241

00:10:09,169 --> 00:10:06,779

was it in in the truth it was the wife

242

00:10:12,019 --> 00:10:09,179

and the dog this I'm doing back flips

243

00:10:14,540 --> 00:10:12,029

back flips in her living room the local

244

00:10:15,439 --> 00:10:14,550

buzz I see you got you some more Seveso

245

00:10:17,960 --> 00:10:15,449

there my friend

246

00:10:19,669 --> 00:10:17,970

Perez it's a good beer right yeah so I

247

00:10:21,980 --> 00:10:19,679

was just asking the listeners what they

248

00:10:23,989 --> 00:10:21,990

think this stuff is what kind of camp do

249

00:10:25,819 --> 00:10:23,999

they think they fall into or do you

250

00:10:27,739 --> 00:10:25,829

think this camp business is all just

251

00:10:31,249 --> 00:10:27,749

silly you think it's a way to kind of

252

00:10:33,259 --> 00:10:31,259

separate the separate everybody out like

253

00:10:36,860 --> 00:10:33,269

yeah I think it's a natural human thing

254

00:10:38,749 --> 00:10:36,870

to like it's like the bipartisanship of

255

00:10:41,419 --> 00:10:38,759

our political you know stripes like

256

00:10:43,519 --> 00:10:41,429

people they it's all the same we all

257

00:10:45,919 --> 00:10:43,529

have the same goal you just can't agree

258

00:10:47,660 --> 00:10:45,929

on how we want to get there yeah yeah I

259

00:10:49,129 --> 00:10:47,670

think how we want to describe it it's

260

00:10:51,110 --> 00:10:49,139

silly but I think it still matters I

261

00:10:54,769 --> 00:10:51,120

mean on one hand the

262

00:10:56,150 --> 00:10:54,779

the if one alien species were here and

263

00:10:57,650 --> 00:10:56,160

there like evil like yeah that's

264

00:11:00,739 --> 00:10:57,660

probably pretty important to know about

265

00:11:03,230 --> 00:11:00,749

right and on the other hand it almost

266

00:11:05,329 --> 00:11:03,240

feels naive for us to fully believe that

267

00:11:06,650 --> 00:11:05,339

they're gonna be benevolent uh-huh but

268

00:11:09,710 --> 00:11:06,660

there's more proof to them being

269

00:11:11,480 --> 00:11:09,720

benevolent and then there is being evil

270

00:11:13,579 --> 00:11:11,490

you know right right because there's

271

00:11:16,129 --> 00:11:13,589

like there's there's more proof meaning

272

00:11:18,439 --> 00:11:16,139

that there's there's there's no proof

273

00:11:20,299 --> 00:11:18,449

like not a lot of proof other other than

274

00:11:21,949 --> 00:11:20,309

maybe I'm backtracking cuz now I'm

275

00:11:23,749 --> 00:11:21,959

thinking about like abductions and like

276

00:11:26,540 --> 00:11:23,759

people well let's let's kind of break

277

00:11:30,559 --> 00:11:26,550

this down a little bit because when you

278

00:11:33,410 --> 00:11:30,569

say what are the aliens doing right now

279

00:11:35,569 --> 00:11:33,420

most people immediately go to the set of

280

00:11:37,910 --> 00:11:35,579

greys that are hanging out in the ship

281

00:11:39,679 --> 00:11:37,920

abducting people yeah taking them away

282

00:11:41,569 --> 00:11:39,689

right that's kind of your idea maybe the

283

00:11:47,179 --> 00:11:41,579

little green men from Mars or something

284

00:11:50,239 --> 00:11:47,189

right but could it be that we know now

285

00:11:54,319 --> 00:11:50,249

that there's multiple species Yeah right

286

00:11:56,960 --> 00:11:54,329

so maybe some of those species are

287

00:11:59,540 --> 00:11:56,970

abducting us some species are abducting

288

00:12:01,519 --> 00:11:59,550

the the the cattle right maybe they're

289

00:12:03,169 --> 00:12:01,529

doing the cour mutilation some species

290

00:12:05,299 --> 00:12:03,179

are dropping the knowledge and the

291

00:12:08,989 --> 00:12:05,309

technology off to us yeah some species

292

00:12:12,319 --> 00:12:08,999

are maybe protecting us from these maybe

293

00:12:13,699 --> 00:12:12,329

more war going species yeah you know

294

00:12:16,160 --> 00:12:13,709

people have said that maybe these

295

00:12:17,329 --> 00:12:16,170

certain extraterrestrials have evolved

296

00:12:19,369 --> 00:12:17,339

to the point to where war is

297

00:12:21,889 --> 00:12:19,379

counterproductive to the end goal so

298

00:12:23,480 --> 00:12:21,899

there's no point in them warring with us

299

00:12:25,730 --> 00:12:23,490

maybe they're just waiting for us to get

300

00:12:29,540 --> 00:12:25,740

to that point as well yeah because we

301  
00:12:32,960 --> 00:12:29,550  
are quite the war going species you know

302  
00:12:34,519 --> 00:12:32,970  
whether you want to or not it's like if

303  
00:12:35,929 --> 00:12:34,529  
there was an alien species that we're

304  
00:12:38,119 --> 00:12:35,939  
here to protect us it would make sense

305  
00:12:40,249 --> 00:12:38,129  
that oh maybe so the other school of

306  
00:12:42,350 --> 00:12:40,259  
thought is like if if we don't have the

307  
00:12:43,939 --> 00:12:42,360  
the technology is there's probably a

308  
00:12:45,799 --> 00:12:43,949  
reason like they don't and whoever's

309  
00:12:46,910 --> 00:12:45,809  
protecting us this alien species doesn't

310  
00:12:48,230 --> 00:12:46,920  
want to give it to us but they'll

311  
00:12:50,449 --> 00:12:48,240  
they'll stick around and watch our backs

312  
00:12:52,009 --> 00:12:50,459  
because they you know right maybe

313  
00:12:54,290 --> 00:12:52,019

they're they're here to be our guardians

314

00:12:58,519 --> 00:12:54,300

and they just you know like going back

315

00:13:01,009 --> 00:12:58,529

to like mythology and and all those you

316

00:13:04,360 --> 00:13:01,019

know like Jupiter maybe not Jupiter but

317

00:13:06,309 --> 00:13:04,370

you know all the man I felt all the guy

318

00:13:07,780 --> 00:13:06,319

all the guys yeah the the Greek one was

319

00:13:09,400 --> 00:13:07,790

there they were like all right we're

320

00:13:11,650 --> 00:13:09,410

gonna fool with mankind but then one day

321

00:13:13,749 --> 00:13:11,660

they were like I we got a we got to go

322

00:13:15,489 --> 00:13:13,759

so maybe that's you know there's a

323

00:13:18,009 --> 00:13:15,499

reference there where there is this

324

00:13:20,710 --> 00:13:18,019

species that's here to protect us and

325

00:13:23,199 --> 00:13:20,720

right you know but they're not they have

326

00:13:27,220 --> 00:13:23,209

the the technology to you know travel

327

00:13:28,749 --> 00:13:27,230

light-years away you know faster than

328

00:13:30,249 --> 00:13:28,759

this be the light and all that and right

329

00:13:31,629 --> 00:13:30,259

the zero point energy all that we talked

330

00:13:33,189 --> 00:13:31,639

about in the last episode but and it

331

00:13:36,519 --> 00:13:33,199

could be that they came here

332

00:13:38,710 --> 00:13:36,529

it helped us out right technically

333

00:13:42,639 --> 00:13:38,720

they're like we're gonna go over here

334

00:13:44,650 --> 00:13:42,649

we'll be right back yeah they left maybe

335

00:13:47,739 --> 00:13:44,660

to them it was a you know a day or two

336

00:13:49,600 --> 00:13:47,749

and then they came back but to us it was

337

00:13:51,400 --> 00:13:49,610

hundreds of thousands of years in our

338

00:13:54,160 --> 00:13:51,410

past right because it's completely

339

00:13:56,860 --> 00:13:54,170

different you know that gravity affects

340

00:14:00,009 --> 00:13:56,870

the way that that time works right in

341

00:14:02,590 --> 00:14:00,019

space so if if we're kind of going off

342

00:14:04,689 --> 00:14:02,600

the so this is kind of something that

343

00:14:07,239 --> 00:14:04,699

Bob Lazar said right so there's there's

344

00:14:10,569 --> 00:14:07,249

three types of this energy right you

345

00:14:12,249 --> 00:14:10,579

have fusion fission right and then he

346

00:14:16,809 --> 00:14:12,259

says there's a third type in its total

347

00:14:19,059 --> 00:14:16,819

annihilation energy which is the most

348

00:14:22,090 --> 00:14:19,069

efficient type of energy because it

349

00:14:24,280 --> 00:14:22,100

lasts for a long time and that's what

350

00:14:26,790 --> 00:14:24,290

they figured out it was in the ships is

351  
00:14:29,559 --> 00:14:26,800  
they use this Total Annihilation energy

352  
00:14:31,780 --> 00:14:29,569  
which is kind of that next step I've not

353  
00:14:35,340 --> 00:14:31,790  
heard of yeah and so what it did was it

354  
00:14:38,290 --> 00:14:35,350  
pulled the gravity towards you or it

355  
00:14:41,319 --> 00:14:38,300  
changed the gravity somehow along the

356  
00:14:44,319 --> 00:14:41,329  
ship that allowed it to make that whole

357  
00:14:46,480 --> 00:14:44,329  
jump across the universe and so that's

358  
00:14:49,809 --> 00:14:46,490  
what that energy is doing and it would

359  
00:14:51,579 --> 00:14:49,819  
you know come out you know say you had

360  
00:14:54,040 --> 00:14:51,589  
like three little engines on the bottom

361  
00:14:56,259 --> 00:14:54,050  
yeah right well you know that's what

362  
00:14:58,829 --> 00:14:56,269  
would propel you so yeah that's that

363  
00:15:00,939 --> 00:14:58,839

you're explaining them the power behind

364

00:15:03,579 --> 00:15:00,949

anti-gravity right right they would pick

365

00:15:06,009 --> 00:15:03,589

a point in place in this in the sky and

366

00:15:08,860 --> 00:15:06,019

they would they would focus it that way

367

00:15:11,860 --> 00:15:08,870

and it would use the earth basically to

368

00:15:16,240 --> 00:15:11,870

propel itself superfast but this energy

369

00:15:17,800 --> 00:15:16,250

is Pollin i elation energy so it I can't

370

00:15:20,170 --> 00:15:17,810

explain it because I'm not a physicist

371

00:15:22,300 --> 00:15:20,180

but yeah definitely look into that : ah

372

00:15:23,980 --> 00:15:22,310

Malaysian energy bob lazar explains it

373

00:15:26,110 --> 00:15:23,990

he's got a brilliant explanation on how

374

00:15:27,970 --> 00:15:26,120

it works yeah I completely slaughtered

375

00:15:30,129 --> 00:15:27,980

it but at least I got you to the point

376

00:15:31,929 --> 00:15:30,139

where now you know you can go look it up

377

00:15:33,730 --> 00:15:31,939

for go google it and check it out what

378

00:15:35,290 --> 00:15:33,740

was interesting to you mentioned it is

379

00:15:37,660 --> 00:15:35,300

that Bob Lazar is the only person that

380

00:15:40,360 --> 00:15:37,670

has went through the specifics of how

381

00:15:41,920 --> 00:15:40,370

the UFOs use those engines and they

382

00:15:43,059 --> 00:15:41,930

focus it not like what you see in the

383

00:15:45,280 --> 00:15:43,069

movies where they move you know

384

00:15:49,780 --> 00:15:45,290

horizontally they like focus those

385

00:15:51,730 --> 00:15:49,790

engines to ya point exactly so looking

386

00:15:54,759 --> 00:15:51,740

back at that the recently released

387

00:15:56,110 --> 00:15:54,769

footage the like the heat signature

388

00:15:59,009 --> 00:15:56,120

footage that's all over the place that

389

00:16:02,199 --> 00:15:59,019

to the Stars released or whatever right

390

00:16:04,239 --> 00:16:02,209

if you notice it like tilts on to its

391

00:16:06,999 --> 00:16:04,249

side and it like foot looks like it's

392

00:16:09,639 --> 00:16:07,009

focusing those the the engine that's

393

00:16:10,869 --> 00:16:09,649

exactly right you know yeah they're in

394

00:16:13,960 --> 00:16:10,879

real quick yeah go for it

395

00:16:16,030 --> 00:16:13,970

yeah so if you landed on earth right

396

00:16:19,329 --> 00:16:16,040

you're gonna focus those towards the

397

00:16:22,389 --> 00:16:19,339

earth to go up but they say when they're

398

00:16:23,769 --> 00:16:22,399

in flight they fly sideways and that's

399

00:16:25,720 --> 00:16:23,779

how they move they're actually flying

400

00:16:28,540 --> 00:16:25,730

sideways yeah not until they get here

401  
00:16:30,429 --> 00:16:28,550  
that they flip you know right-side up I

402  
00:16:32,650 --> 00:16:30,439  
guess and comes down to the earth but

403  
00:16:35,769 --> 00:16:32,660  
yeah they're the way they travel isn't

404  
00:16:37,809 --> 00:16:35,779  
like a you know saucer shape that we

405  
00:16:40,210 --> 00:16:37,819  
imagine our mind it flips sideways and

406  
00:16:42,519 --> 00:16:40,220  
that's how it actually travels right and

407  
00:16:44,139 --> 00:16:42,529  
I guess if that's the type of post

408  
00:16:45,249 --> 00:16:44,149  
pulsing system that you're gonna use I

409  
00:16:48,129 --> 00:16:45,259  
guess that would make sense

410  
00:16:49,090 --> 00:16:48,139  
but yeah like I said Diggle it it's it's

411  
00:16:51,340 --> 00:16:49,100  
there yeah

412  
00:16:53,590 --> 00:16:51,350  
he's even got it in his own documentary

413  
00:16:56,019 --> 00:16:53,600

he breaks it all down and it's pretty

414

00:16:58,059 --> 00:16:56,029

worried what did you see the new bob

415

00:16:59,740 --> 00:16:58,069

lazar documentary I haven't seen the new

416

00:17:01,150 --> 00:16:59,750

one yet okay I haven't seen the new one

417

00:17:03,100 --> 00:17:01,160

yet some people said it was really good

418

00:17:05,889 --> 00:17:03,110

some people just said repeat of the

419

00:17:06,669 --> 00:17:05,899

information which basically is kind of

420

00:17:08,500 --> 00:17:06,679

what I assumed

421

00:17:10,510 --> 00:17:08,510

yeah you know we had this conversation

422

00:17:12,399 --> 00:17:10,520

where once you get kind of far into this

423

00:17:14,620 --> 00:17:12,409

stuff yeah it really is a repeat of

424

00:17:16,210 --> 00:17:14,630

information right and at that point it's

425

00:17:19,569 --> 00:17:16,220

just kind of building those timelines

426

00:17:22,210 --> 00:17:19,579

when where and who write the information

427

00:17:24,490 --> 00:17:22,220

it's kind of all the same yeah it's I

428

00:17:26,439 --> 00:17:24,500

mean you could also say the same thing

429

00:17:29,370 --> 00:17:26,449

about us having this conversation right

430

00:17:31,029 --> 00:17:29,380

now it's all repeat stuff but it's like

431

00:17:31,720 --> 00:17:31,039

every now and then you'll say something

432

00:17:33,250 --> 00:17:31,730

that I have

433

00:17:34,870 --> 00:17:33,260

learning about and there's gotta be

434

00:17:37,090 --> 00:17:34,880

anybody listen to this probably hasn't

435

00:17:39,039 --> 00:17:37,100

heard it unless you know unless they've

436

00:17:41,919 --> 00:17:39,049

been in the you know interested in this

437

00:17:43,930 --> 00:17:41,929

some while I feel like some people like

438

00:17:45,279 --> 00:17:43,940

our friends that have no idea and

439

00:17:46,720 --> 00:17:45,289

they're like oh I want to listen to Jill

440

00:17:49,269 --> 00:17:46,730

and Ben talk about aliens you probably

441

00:17:50,649 --> 00:17:49,279

have no reference to what we're talking

442

00:17:52,810 --> 00:17:50,659

about yes I think there's something to

443

00:17:55,990 --> 00:17:52,820

be said about I don't think that the Bob

444

00:17:58,029 --> 00:17:56,000

Lazar documentary was bad because it

445

00:18:00,220 --> 00:17:58,039

wasn't well that's good but it was like

446

00:18:02,230 --> 00:18:00,230

I already knew almost everything that

447

00:18:05,379 --> 00:18:02,240

was in that documentary our documentary

448

00:18:07,000 --> 00:18:05,389

already but most people that saw it

449

00:18:08,590 --> 00:18:07,010

probably came from a background that

450

00:18:10,269 --> 00:18:08,600

they've never even heard of Bob Lazar

451

00:18:11,680 --> 00:18:10,279

right and then they're hearing it for

452

00:18:13,629 --> 00:18:11,690

the first time and it's really well done

453

00:18:16,240 --> 00:18:13,639

we were talking about how like every

454

00:18:19,000 --> 00:18:16,250

documentary had UFO movie or whatever is

455

00:18:21,310 --> 00:18:19,010

this like terrible it's just it's like

456

00:18:23,470 --> 00:18:21,320

yeah like obviously you guys aren't

457

00:18:25,690 --> 00:18:23,480

doing this and a high budget thing you

458

00:18:28,720 --> 00:18:25,700

know it's oh yeah it looks like it's all

459

00:18:30,789 --> 00:18:28,730

stock footage high school final project

460

00:18:33,310 --> 00:18:30,799

they got turned in in the 80s with your

461

00:18:34,899 --> 00:18:33,320

mom's camera or something it's hilarious

462

00:18:37,870 --> 00:18:34,909

because in that Bob in that Bob Lazar

463

00:18:39,310 --> 00:18:37,880

documentary the old one he's driving

464

00:18:42,210 --> 00:18:39,320

through the desert and he pulls up on

465

00:18:45,279 --> 00:18:42,220

the top of his mountain and a Corvette

466

00:18:47,519 --> 00:18:45,289

and he gets out he's like hi I'm Bob

467

00:18:52,360 --> 00:18:50,320

it's like mazes like Purple Rain it's

468

00:18:54,399 --> 00:18:52,370

like yeah it's it's insane because he

469

00:18:57,220 --> 00:18:54,409

drives up there parks his Corvette get

470

00:18:58,360 --> 00:18:57,230

sounds like hi I'm Bob Lazar and then

471

00:19:01,029 --> 00:18:58,370

that was his idea

472

00:19:03,700 --> 00:19:01,039

he says the most brilliant [h\_\_h] you're

473

00:19:05,460 --> 00:19:03,710

like whoa yeah dude I thought you were

474

00:19:08,230 --> 00:19:05,470

gonna be a complete and total cornball

475

00:19:10,750 --> 00:19:08,240

do you open your mouth and now it's like

476

00:19:12,669 --> 00:19:10,760

whoa that's really incredible stuff like

477

00:19:14,889 --> 00:19:12,679

he's there they're all super smart

478

00:19:18,759 --> 00:19:14,899

people do like it's crazy but do

479

00:19:21,970 --> 00:19:18,769

documentaries are god-awful yeah with

480

00:19:26,440 --> 00:19:21,980

that with that oh man what was that old

481

00:19:28,509 --> 00:19:26,450

show that used to come on something

482

00:19:31,299 --> 00:19:28,519

missed your unsolved mysteries oh they

483

00:19:33,340 --> 00:19:31,309

have an area depressing it's always like

484

00:19:35,529 --> 00:19:33,350

it's always got that unsolved mysteries

485

00:19:39,610 --> 00:19:35,539

narrator thing in the background and

486

00:19:42,970 --> 00:19:39,620

like it's just old just crappy footage

487

00:19:45,159 --> 00:19:42,980

like you know I get it like you have to

488

00:19:45,580 --> 00:19:45,169

pull from footage that was available to

489

00:19:47,049 --> 00:19:45,590

you and

490

00:19:50,140 --> 00:19:47,059

most of that footage is available to you

491

00:19:52,180 --> 00:19:50,150

from you know back in the day yeah you

492

00:19:53,980 --> 00:19:52,190

know even today modern footage we talked

493

00:19:56,080 --> 00:19:53,990

about that like really believe it

494

00:19:57,669 --> 00:19:56,090

anyways but but still it's like like

495

00:19:59,200 --> 00:19:57,679

getting stock footage the process is

496

00:20:03,580 --> 00:19:59,210

like you you go you have to go to like a

497

00:20:06,580 --> 00:20:03,590

video store and like find a place at

498

00:20:07,990 --> 00:20:06,590

rinse movies like cut out and like that

499

00:20:16,299 --> 00:20:08,000

cut the tape like with a razor blade

500

00:20:17,799 --> 00:20:16,309

yeah you see with edit and this felt in

501

00:20:20,710 --> 00:20:17,809

this part of the film yeah I'll be

502

00:20:24,399 --> 00:20:20,720

discussing yeah have you ever heard of

503

00:20:26,649 --> 00:20:24,409

the there was a Disney documentary that

504

00:20:28,990 --> 00:20:26,659

was made about extraterrestrials and

505

00:20:31,659 --> 00:20:29,000

UFOs and it ended up getting canceled

506

00:20:34,210 --> 00:20:31,669

really yeah you can't you can't it never

507

00:20:36,190 --> 00:20:34,220

was aired you can find it on YouTube

508

00:20:37,990 --> 00:20:36,200

though I bet they found out some [h\_\_\h]

509

00:20:40,899 --> 00:20:38,000

they weren't supposed to it's probably

510

00:20:42,460 --> 00:20:40,909

the cows as probably the alien race that

511

00:20:44,950 --> 00:20:42,470

looks like Mickey Mouse it's got like

512

00:20:47,470 --> 00:20:44,960

Donald Duck and he's dressed up and like

513

00:20:49,210 --> 00:20:47,480

a graduation suit he was like pointing

514

00:20:52,480 --> 00:20:49,220

on a chalkboard it's got like like

515

00:20:54,630 --> 00:20:52,490

aliens all right real great yeah like on

516

00:20:56,710 --> 00:20:54,640

the chalkboard it's pretty crazy

517

00:20:58,899 --> 00:20:56,720

see if you could pull that up for the

518

00:21:00,549 --> 00:20:58,909

fascies it's pretty hilarious but we

519

00:21:05,049 --> 00:21:00,559

won't we won't spend too much time I

520

00:21:08,230 --> 00:21:05,059

just I just want you to see that yeah it

521

00:21:09,639 --> 00:21:08,240

got pulled it was never aired put it so

522

00:21:12,519 --> 00:21:09,649

it's a real it's a real documentary

523

00:21:14,380 --> 00:21:12,529

alien encounters banned Disney UFO

524

00:21:16,570 --> 00:21:14,390

documentaries the second one or the

525

00:21:18,549 --> 00:21:16,580

first one yeah yeah I don't want it I

526  
00:21:20,470 --> 00:21:18,559  
mean so Joe Rogan always talks about

527  
00:21:22,090 --> 00:21:20,480  
them getting pulled from YouTube yeah

528  
00:21:24,639 --> 00:21:22,100  
but I mean we're not gonna we're not on

529  
00:21:25,990 --> 00:21:24,649  
YouTube yet so we're not on YouTube Plus

530  
00:21:29,860 --> 00:21:26,000  
you can't see it this [h\_\_h] music

531  
00:21:31,419 --> 00:21:29,870  
already just pause it that's how you get

532  
00:21:33,039 --> 00:21:31,429  
around the copyright right you pause it

533  
00:21:35,740 --> 00:21:33,049  
and you talk about it you're already

534  
00:21:38,110 --> 00:21:35,750  
second yeah right but we all know what

535  
00:21:40,060 --> 00:21:38,120  
the damn Disney song sounds like fast 40

536  
00:21:42,490 --> 00:21:40,070  
yeah but fast forward it we're looking

537  
00:21:44,289 --> 00:21:42,500  
at oh wow it's like rude footage that's

538  
00:21:46,659 --> 00:21:44,299

a real photo it's real footage I'm

539

00:21:48,730 --> 00:21:46,669

looking at 6 minutes 19 seconds and then

540

00:21:51,460 --> 00:21:48,740

there's going to see this 30 seconds in

541

00:21:54,250 --> 00:21:51,470

I think maybe you'll see Donald Duck and

542

00:21:56,200 --> 00:21:54,260

he's like okay pointing at some star 33

543

00:21:58,880 --> 00:21:56,210

seconds in yeah there's there's Roger

544

00:22:00,889 --> 00:21:58,890

Rabbit this is some Fantasia typist

545

00:22:02,180 --> 00:22:00,899

it's crazy so oh this is still the intro

546

00:22:04,340 --> 00:22:02,190

ah that's what it was

547

00:22:06,350 --> 00:22:04,350

huh no right after this guy I think

548

00:22:09,380 --> 00:22:06,360

right this it's no later but there's

549

00:22:12,470 --> 00:22:09,390

like it's real stuff that's dude this is

550

00:22:14,509 --> 00:22:12,480

real photos real scientists I want to

551  
00:22:19,009 --> 00:22:14,519  
find the Donald Duck deer real physical

552  
00:22:21,380 --> 00:22:19,019  
find him he's in there I swear because I

553  
00:22:24,169 --> 00:22:21,390  
sat down and watched you look at this

554  
00:22:30,289 --> 00:22:24,179  
yeah it's comment I let footage 5

555  
00:22:31,580 --> 00:22:30,299  
minutes 39 seconds yeah dude I have

556  
00:22:32,960 --> 00:22:31,590  
never seen this before

557  
00:22:42,289 --> 00:22:32,970  
it's incredible I've never seen this

558  
00:22:45,139 --> 00:22:42,299  
footage it's a Disney film bro that's

559  
00:22:46,370 --> 00:22:45,149  
cool right what can they hear that yeah

560  
00:22:48,019 --> 00:22:46,380  
yeah they can hear they can hear it on

561  
00:22:49,220 --> 00:22:48,029  
your headphones then I think it's yeah I

562  
00:22:54,080 --> 00:22:49,230  
think it's going the signals going

563  
00:22:54,860 --> 00:22:54,090

through bro okay that I'm my mind's

564

00:22:59,210 --> 00:22:54,870

blown a little bit

565

00:23:02,570 --> 00:22:59,220

yeah they changed the Fox this guy with

566

00:23:04,009 --> 00:23:02,580

the turtleneck yeah all UFO Doug you're

567

00:23:06,379 --> 00:23:04,019

reading from let's put the book down

568

00:23:08,000 --> 00:23:06,389

it's a big-ass book why would you have

569

00:23:10,490 --> 00:23:08,010

you're talking to Cameron you have a

570

00:23:12,680 --> 00:23:10,500

book open oh yeah I can't be bothered

571

00:23:15,860 --> 00:23:12,690

just hold this dictionary no you're

572

00:23:17,600 --> 00:23:15,870

gonna look smarter trust me it's like

573

00:23:19,190 --> 00:23:17,610

it's upside down I know you're in the

574

00:23:23,870 --> 00:23:19,200

desert but can you put this turtleneck

575

00:23:25,399 --> 00:23:23,880

on you can tell he looks hot like that

576

00:23:28,159 --> 00:23:25,409

that's a pretty that's like it's like at

577

00:23:32,419 --> 00:23:28,169

noon that's where comfortable holding a

578

00:23:35,320 --> 00:23:32,429

dictionary oh look it okay I've seen

579

00:23:39,440 --> 00:23:35,330

that one I've seen this photo uh-huh I

580

00:23:41,570 --> 00:23:39,450

still reading from that book man it's

581

00:23:42,830 --> 00:23:41,580

it's pretty good it's interesting all

582

00:23:44,930 --> 00:23:42,840

right how long is it you it's like

583

00:23:46,879 --> 00:23:44,940

almost an hour's like 45 minutes okay so

584

00:23:49,100 --> 00:23:46,889

it says its band but it's obviously on

585

00:23:51,080 --> 00:23:49,110

YouTube yeah it's on YouTube I guess

586

00:23:53,690 --> 00:23:51,090

they're saying band as in like it got

587

00:23:56,870 --> 00:23:53,700

banned from the maybe the Disney Vault

588

00:24:01,330 --> 00:23:56,880

or something or hey you think anybody's

589

00:24:06,830 --> 00:24:03,470

someone broken in the Disney Vault

590

00:24:08,510 --> 00:24:06,840

there's 20 movies missing ha ha ha well

591

00:24:12,049 --> 00:24:08,520

you'll never you'll never get

592

00:24:12,620 --> 00:24:12,059

re-released version of Pinocchio it will

593

00:24:14,450 --> 00:24:12,630

never be

594

00:24:17,600 --> 00:24:14,460

we release versions Beauty and the Beast

595

00:24:19,400 --> 00:24:17,610

or Peter Pan yeah never I hope you

596

00:24:21,020 --> 00:24:19,410

illegally downloaded it because you'll

597

00:24:22,250 --> 00:24:21,030

never get to see it again I hope you

598

00:24:23,930 --> 00:24:22,260

watched Fox and a hound

599

00:24:27,080 --> 00:24:23,940

look at that dude like a Disney cartoon

600

00:24:29,210 --> 00:24:27,090

showing that to kids yes probably why

601  
00:24:31,430 --> 00:24:29,220  
they banned it freaky aliens on there

602  
00:24:33,530 --> 00:24:31,440  
I'm at 30 minutes 22 seconds and we're

603  
00:24:35,150 --> 00:24:33,540  
looking at an illustration of an alien

604  
00:24:36,050 --> 00:24:35,160  
that looks pretty I mean it's a

605  
00:24:37,580 --> 00:24:36,060  
stereotypical

606  
00:24:42,550 --> 00:24:37,590  
alien but it looks like it has like

607  
00:24:54,170 --> 00:24:48,710  
huge dick I mean this alien was swangin

608  
00:25:00,560 --> 00:24:54,180  
bro yep that's a ray that was reptilian

609  
00:25:03,710 --> 00:25:00,570  
as hell bro why is he smiling because

610  
00:25:05,960 --> 00:25:03,720  
he's got a big dick brought to you by

611  
00:25:08,990 --> 00:25:05,970  
dick pillows brush let's take a short

612  
00:25:17,150 --> 00:25:09,000  
moment for our sponsor dick pillows calm

613  
00:25:18,560 --> 00:25:17,160

man what a great segue well if you're

614

00:25:20,000 --> 00:25:18,570

listening and you want to find this

615

00:25:23,750 --> 00:25:20,010

video we're watching it's called just

616

00:25:26,840 --> 00:25:23,760

type in alien encounters band Disney UFO

617

00:25:28,340 --> 00:25:26,850

documentary quite injured yeah that's

618

00:25:32,950 --> 00:25:28,350

pretty cool all right I'm gonna say that

619

00:25:40,250 --> 00:25:38,360

but yeah dude for sure I'm just my

620

00:25:42,020 --> 00:25:40,260

mind's a little blown right now cuz

621

00:25:42,680 --> 00:25:42,030

those are I just saw some footage I

622

00:25:45,200 --> 00:25:42,690

haven't seen before

623

00:25:50,810 --> 00:25:45,210

yeah is Mickey Mouse's hand drawing the

624

00:25:53,840 --> 00:25:50,820

pictures in the intro Disney what do you

625

00:25:56,090 --> 00:25:53,850

want to bet Walt Disney was like he knew

626

00:25:58,790 --> 00:25:56,100

some [h\_\_\h] he knew some information yeah

627

00:25:59,630 --> 00:25:58,800

cuz he was like he was a big deal he was

628

00:26:02,950 --> 00:25:59,640

a big deal you know

629

00:26:05,900 --> 00:26:02,960

is he really frozen mm-hmm he is

630

00:26:08,480 --> 00:26:05,910

cryogenically frozen I don't know where

631

00:26:11,210 --> 00:26:08,490

but I mean I've read that yeah do I know

632

00:26:13,010 --> 00:26:11,220

that is the fact no but but that full

633

00:26:14,000 --> 00:26:13,020

froze himself his dr. evil he's gonna

634

00:26:23,300 --> 00:26:14,010

come back dude

635

00:26:25,610 --> 00:26:23,310

yeah in a mr. burger a burger boy but

636

00:26:26,350 --> 00:26:25,620

MIT like when it comes in a grenade

637

00:26:28,300 --> 00:26:26,360

unfreeze

638

00:26:30,370 --> 00:26:28,310

you think he's gonna have any new ideas

639

00:26:32,170 --> 00:26:30,380

he's gonna have a dude think about

640

00:26:33,610 --> 00:26:32,180

sleeping freely I think his ideas are

641

00:26:35,010 --> 00:26:33,620

gonna be shitty and nobody wants to

642

00:26:38,500 --> 00:26:35,020

listen to him anymore

643

00:26:40,810 --> 00:26:38,510

I've been cryogenically frozen for you

644

00:26:42,610 --> 00:26:40,820

know years and years I've got this great

645

00:26:45,190 --> 00:26:42,620

idea it's a black and white film and

646

00:26:47,170 --> 00:26:45,200

everybody's like dude we have Holograms

647

00:26:48,220 --> 00:26:47,180

yeah I don't care what your ideas all

648

00:26:50,380 --> 00:26:48,230

right he's gonna be like I got a new

649

00:26:52,270 --> 00:26:50,390

idea for the Disney part a new Disney

650

00:26:55,050 --> 00:26:52,280

park ride all right you're gonna get on

651  
00:26:57,430 --> 00:26:55,060  
a small train and then there's gonna be

652  
00:27:03,730 --> 00:26:57,440  
there's gonna be little figures and

653  
00:27:05,950 --> 00:27:03,740  
they're gonna sing a song like a total

654  
00:27:09,790 --> 00:27:05,960  
curmudgeon he sees toys so he's like

655  
00:27:12,690 --> 00:27:09,800  
that's arced yeah terrible move it toys

656  
00:27:16,540 --> 00:27:12,700  
talk it to each other I don't think so

657  
00:27:17,740 --> 00:27:16,550  
not real not even possible don't do that

658  
00:27:29,530 --> 00:27:17,750  
no can't do it

659  
00:27:31,540 --> 00:27:29,540  
put it in the vault dude yeah maybe he

660  
00:27:36,550 --> 00:27:31,550  
was an alien you know I think about like

661  
00:27:40,200 --> 00:27:36,560  
people in history that made huge waves

662  
00:27:43,630 --> 00:27:40,210  
and either like culture politics science

663  
00:27:45,010 --> 00:27:43,640

physics I mean we could probably sit

664

00:27:47,680 --> 00:27:45,020

here and think of a bunch of people a

665

00:27:50,140 --> 00:27:47,690

Tesla comes to mind first me Walt Disney

666

00:27:51,670 --> 00:27:50,150

very creative guy right but on the other

667

00:27:52,870 --> 00:27:51,680

hand it could it could have just been he

668

00:27:54,280 --> 00:27:52,880

was in the right place at the right time

669

00:27:56,260 --> 00:27:54,290

like the inventor of the coca-cola

670

00:28:00,550 --> 00:27:56,270

machine that has all the different coke

671

00:28:02,320 --> 00:28:00,560

flavors with one button what you may get

672

00:28:04,330 --> 00:28:02,330

all the flavor we move all the flavors

673

00:28:06,370 --> 00:28:04,340

were like we got a jack-in-the-box and

674

00:28:09,130 --> 00:28:06,380

it's just the big red coke machine it's

675

00:28:11,140 --> 00:28:09,140

got the screen on it oh you know yeah

676

00:28:12,820 --> 00:28:11,150

yeah yeah dude that's a great invention

677

00:28:15,790 --> 00:28:12,830

you know that guy also made the Segway

678

00:28:17,350 --> 00:28:15,800

no yeah he made this little scooter he

679

00:28:21,010 --> 00:28:17,360

died didn't he did it right

680

00:28:25,180 --> 00:28:21,020

I thought he drove his Segway off maybe

681

00:28:27,550 --> 00:28:25,190

that's just a troll did he not know if

682

00:28:30,310 --> 00:28:27,560

that's a troll that's brilliant but if

683

00:28:33,130 --> 00:28:30,320

it's if it's not a troll that's true man

684

00:28:35,020 --> 00:28:33,140

that's poetic it really is I mean how

685

00:28:37,150 --> 00:28:35,030

much more perfect could you possibly get

686

00:28:39,310 --> 00:28:37,160

okay so I already now that I'm thinking

687

00:28:40,300 --> 00:28:39,320

about it I'm logically thinking about it

688

00:28:42,370 --> 00:28:40,310

how would that would

689

00:28:45,970 --> 00:28:42,380

a really long time to get up a mountain

690

00:28:49,150 --> 00:28:45,980

on a Segway it already sounds kind of

691

00:28:51,100 --> 00:28:49,160

false yeah I mean you know obviously

692

00:28:52,840 --> 00:28:51,110

there's a road you need momentum to get

693

00:28:54,520 --> 00:28:52,850

it going to begin with right yeah that

694

00:28:58,360 --> 00:28:54,530

just you know you just need to lean

695

00:29:00,940 --> 00:28:58,370

forward now I've never been on a Segway

696

00:29:03,040 --> 00:29:00,950

yeah I see people all time around Austin

697

00:29:05,880 --> 00:29:03,050

look like idiots yeah nope that's why

698

00:29:08,380 --> 00:29:05,890

I've never gone on a Segway Oh is like

699

00:29:10,180 --> 00:29:08,390

I'm not wearing that goofy ass helmet

700

00:29:11,440 --> 00:29:10,190

dude that's the only reason I won't do

701  
00:29:14,140 --> 00:29:11,450  
it because I don't wear wear that dumb

702  
00:29:17,830 --> 00:29:14,150  
ass helmet yeah dude I like danger yeah

703  
00:29:20,140 --> 00:29:17,840  
I'm danger but danger man what a shitty

704  
00:29:23,770 --> 00:29:20,150  
way to go you down a Segway hmm how

705  
00:29:27,160 --> 00:29:23,780  
embarrassing man oh man so dude I want

706  
00:29:29,800 --> 00:29:27,170  
to ask you so kind of like some of your

707  
00:29:32,440 --> 00:29:29,810  
uh your influences like who are some

708  
00:29:34,300 --> 00:29:32,450  
people that you listen to like some

709  
00:29:36,150 --> 00:29:34,310  
people that kind of get your mind just

710  
00:29:38,440 --> 00:29:36,160  
going when it comes to stuff like this

711  
00:29:40,540 --> 00:29:38,450  
David Wilcock I'll sit I'll sit there

712  
00:29:42,310 --> 00:29:40,550  
and so he's got this YouTube channel

713  
00:29:45,610 --> 00:29:42,320

he doesn't post a lot but he started

714

00:29:48,040 --> 00:29:45,620

doing these live feeds I don't know if

715

00:29:50,440 --> 00:29:48,050

the live feeds are on like live on

716

00:29:52,690 --> 00:29:50,450

YouTube but the pre-recorded ones are

717

00:29:54,310 --> 00:29:52,700

live on or on YouTube yeah and he'll

718

00:29:57,700 --> 00:29:54,320

just stand there and talk the guy can

719

00:30:00,700 --> 00:29:57,710

talk for like 2 hours straight yeah just

720

00:30:02,890 --> 00:30:00,710

by himself like at a camera it's

721

00:30:05,370 --> 00:30:02,900

astounding and he really I mean a lot of

722

00:30:07,900 --> 00:30:05,380

the stuff he's talking about is like

723

00:30:10,600 --> 00:30:07,910

things that are gonna come out and in

724

00:30:12,970 --> 00:30:10,610

the news lately that's his topic it's

725

00:30:15,900 --> 00:30:12,980

like these sealed indictments mm-hmm

726

00:30:18,910 --> 00:30:15,910

about that somehow they tie back into

727

00:30:20,650 --> 00:30:18,920

honestly they could I said earlier in

728

00:30:22,360 --> 00:30:20,660

the last episode about Alex Jones like

729

00:30:23,530 --> 00:30:22,370

the word cabal and like this secret

730

00:30:26,380 --> 00:30:23,540

saturd

731

00:30:27,760 --> 00:30:26,390

secret shadow government that's what

732

00:30:30,610 --> 00:30:27,770

he's referring to is he sealed

733

00:30:33,730 --> 00:30:30,620

indictments coming out anyway I listened

734

00:30:38,230 --> 00:30:36,160

who's that who's the man he's speaking

735

00:30:39,940 --> 00:30:38,240

at UFO Congress Richard Dolan

736

00:30:42,130 --> 00:30:39,950

oh yeah he's really cool listen to you

737

00:30:44,050 --> 00:30:42,140

yeah he and his wife will just sit there

738

00:30:44,700 --> 00:30:44,060

and it's so funny dude it's like a

739

00:30:47,680 --> 00:30:44,710

typical

740

00:30:50,170 --> 00:30:47,690

like older couple just sitting in front

741

00:30:51,360 --> 00:30:50,180

of like an iMac camera yeah they're like

742

00:30:53,720 --> 00:30:51,370

sitting real close

743

00:30:58,590 --> 00:30:53,730

they're like leaning into the

744

00:31:00,419 --> 00:30:58,600

the whole pictures just erases their

745

00:31:03,570 --> 00:31:00,429

eyeball is this thing off this squinting

746

00:31:05,610 --> 00:31:03,580

for some reason but he's really

747

00:31:09,480 --> 00:31:05,620

interesting to listen to you he's

748

00:31:11,880 --> 00:31:09,490

honestly the only representation that's

749

00:31:17,419 --> 00:31:11,890

like super normal and the in this in

750

00:31:21,149 --> 00:31:17,429

this the the community he's like a super

751

00:31:22,799 --> 00:31:21,159

logical guy he talks really plainly but

752

00:31:24,899 --> 00:31:22,809

he's super knowledgeable about a lot of

753

00:31:30,169 --> 00:31:24,909

stuff so him and yeah Richard Dolan then

754

00:31:32,220 --> 00:31:30,179

you know I got into quarry good and yeah

755

00:31:35,310 --> 00:31:32,230

so I'm trying to I'm trying to think of

756

00:31:36,899 --> 00:31:35,320

that show I've seen this guy stuff well

757

00:31:39,120 --> 00:31:36,909

I thought you watched yes I watch I

758

00:31:42,270 --> 00:31:39,130

watched quite a bit of it when you told

759

00:31:45,210 --> 00:31:42,280

me I actually got my subscription what

760

00:31:48,120 --> 00:31:45,220

was it what was that show called I don't

761

00:31:50,159 --> 00:31:48,130

remember the name of it I don't remember

762

00:31:53,399 --> 00:31:50,169

the name of it but I know it was on it

763

00:31:56,159 --> 00:31:53,409

was on gaya yeah yeah it's crazy because

764

00:31:58,409 --> 00:31:56,169

that that platform-specific cosmic

765

00:32:01,260 --> 00:31:58,419

disclosure that's what it was cosmic

766

00:32:04,409 --> 00:32:01,270

disclosure yeah that uh that's the only

767

00:32:08,789 --> 00:32:04,419

platform that's that specifically was

768

00:32:11,039 --> 00:32:08,799

made for you and your wife you know what

769

00:32:14,250 --> 00:32:11,049

I'm saying cuz I would watch like six

770

00:32:20,159 --> 00:32:14,260

hours of UFO stuff yeah and then she

771

00:32:22,169 --> 00:32:20,169

would just switch it over to yoga I

772

00:32:23,850 --> 00:32:22,179

think it's a great platform it's a cool

773

00:32:25,350 --> 00:32:23,860

little yeah it's definitely a cool

774

00:32:27,419 --> 00:32:25,360

little platform there's a lot of

775

00:32:29,340 --> 00:32:27,429

interesting interesting stuff on it yeah

776

00:32:35,789 --> 00:32:29,350

that's pretty cool so you'll be watching

777

00:32:38,610 --> 00:32:35,799

aliens and I need to do my yoga so right

778

00:32:41,010 --> 00:32:38,620

what did you I mean so you asked me who

779

00:32:43,110 --> 00:32:41,020

your who might influence her do you have

780

00:32:47,850 --> 00:32:43,120

what what are your influences man I

781

00:32:51,360 --> 00:32:47,860

think I think my influences were more

782

00:32:53,909 --> 00:32:51,370

from like the the radio like Clyde Lewis

783

00:32:57,299 --> 00:32:53,919

with Ground Zero yeah I know our bell

784

00:32:59,760 --> 00:32:57,309

you know coast to coast with George

785

00:33:01,140 --> 00:32:59,770

Noory those kind of guys you know cuz

786

00:33:03,510 --> 00:33:01,150

they would they would just talk about

787

00:33:04,320 --> 00:33:03,520

anything and everything so knowledgeable

788

00:33:06,090 --> 00:33:04,330

like yeah

789

00:33:07,919 --> 00:33:06,100

and they always have you know all the

790

00:33:09,779 --> 00:33:07,929

people that you mentioned yeah there

791

00:33:12,419 --> 00:33:09,789

were that there were a way for those

792

00:33:14,850 --> 00:33:12,429

people to get their voice out you know

793

00:33:18,299 --> 00:33:14,860

George Knapp and all those guys Friedman

794

00:33:20,310 --> 00:33:18,309

you know all these all these people that

795

00:33:22,830 --> 00:33:20,320

are into this subject it was a way for

796

00:33:24,690 --> 00:33:22,840

them to be able to start you know really

797

00:33:27,740 --> 00:33:24,700

kind of getting out there and and you

798

00:33:31,500 --> 00:33:27,750

know they do everything from UFOs

799

00:33:34,350 --> 00:33:31,510

Bigfoot politics you know yeah

800

00:33:36,149 --> 00:33:34,360

pseudoscience pseudo politics all kinds

801  
00:33:38,669 --> 00:33:36,159  
of stuff but you know that kind of all

802  
00:33:42,379 --> 00:33:38,679  
that stuff kind of fits and it's its own

803  
00:33:44,460 --> 00:33:42,389  
little you know niche you know so I

804  
00:33:45,690 --> 00:33:44,470  
really enjoyed listening those guys

805  
00:33:47,490 --> 00:33:45,700  
that's kind of really what got me

806  
00:33:49,649 --> 00:33:47,500  
interested in it but like I was saying

807  
00:33:54,330 --> 00:33:49,659  
when I was young you know it was kind of

808  
00:33:57,509 --> 00:33:54,340  
a huge fear that I had aliens like

809  
00:34:01,649 --> 00:33:57,519  
scared the crap out of me but I couldn't

810  
00:34:04,049 --> 00:34:01,659  
I couldn't like get away from it I

811  
00:34:06,779 --> 00:34:04,059  
couldn't take my eyes off ya I was

812  
00:34:08,879 --> 00:34:06,789  
terrified but anytime I would go to the

813  
00:34:12,270 --> 00:34:08,889

carnival or something I would win a

814

00:34:13,980 --> 00:34:12,280

prize I would pick the alien dude oh my

815

00:34:16,589 --> 00:34:13,990

god animal I'm pretty sure I had that

816

00:34:20,280 --> 00:34:16,599

exact set it said we are out there yes I

817

00:34:22,349 --> 00:34:20,290

had that same one Taylor yeah you pop

818

00:34:23,399 --> 00:34:22,359

the balloons like dude I just couldn't

819

00:34:26,460 --> 00:34:23,409

like hopefully never made that

820

00:34:29,760 --> 00:34:26,470

connection test over since I was a kid

821

00:34:32,909 --> 00:34:29,770

in like then I found these radio

822

00:34:35,490 --> 00:34:32,919

programs and before you knew it I was a

823

00:34:37,109 --> 00:34:35,500

ham radio listener yeah you know that's

824

00:34:39,990 --> 00:34:37,119

the I've never gotten to the end of the

825

00:34:41,700 --> 00:34:40,000

a.m. but now it's you know and and

826

00:34:43,349 --> 00:34:41,710

that's also you know with all the people

827

00:34:46,230 --> 00:34:43,359

that they have on their - all their

828

00:34:48,329 --> 00:34:46,240

guests you know you just write their

829

00:34:50,040 --> 00:34:48,339

name down yeah and then go google it

830

00:34:51,180 --> 00:34:50,050

later you know because you know this

831

00:34:53,520 --> 00:34:51,190

stuff has been around since like the

832

00:34:55,320 --> 00:34:53,530

early 90s computer wasn't like a big

833

00:34:57,270 --> 00:34:55,330

thing so he would just listen to it but

834

00:34:59,640 --> 00:34:57,280

now it's cool because you had to have

835

00:35:01,380 --> 00:34:59,650

all their old stuff archived so you can

836

00:35:03,120 --> 00:35:01,390

just go back and listen to it yeah and

837

00:35:05,160 --> 00:35:03,130

now you can like research all these

838

00:35:07,230 --> 00:35:05,170

people and like what they do and what

839

00:35:08,040 --> 00:35:07,240

they're talking about it makes a lot

840

00:35:10,140 --> 00:35:08,050

more sense

841

00:35:12,900 --> 00:35:10,150

yeah and it's it's kind of you know what

842

00:35:14,849 --> 00:35:12,910

inspired me to get into this spell did

843

00:35:15,750 --> 00:35:14,859

you yeah okay bill maybe he's already

844

00:35:18,210 --> 00:35:15,760

saying his name

845

00:35:20,370 --> 00:35:18,220

he's he's the man yeah it was the man

846

00:35:22,590 --> 00:35:20,380

he's such a good from the kingdom of

847

00:35:24,630 --> 00:35:22,600

nigh you do that's such a good

848

00:35:26,640 --> 00:35:24,640

facilitator cuz people call in about

849

00:35:28,170 --> 00:35:26,650

like the craziest [h\_\_h] and he'll just

850

00:35:30,030 --> 00:35:28,180

sit there and like oh well tell me more

851  
00:35:33,600 --> 00:35:30,040  
about that yeah you know no judgement

852  
00:35:36,180 --> 00:35:33,610  
yeah such a good radio host super

853  
00:35:37,710 --> 00:35:36,190  
straightforward yeah you know if you if

854  
00:35:39,180 --> 00:35:37,720  
you said something you didn't like her

855  
00:35:43,320 --> 00:35:39,190  
like you cussed on his show he would

856  
00:35:46,830 --> 00:35:43,330  
just cut you off sorry sir yeah I can't

857  
00:35:50,040 --> 00:35:46,840  
allow you to do that a play you know no

858  
00:35:51,780 --> 00:35:50,050  
last names if you weren't calling about

859  
00:35:54,900 --> 00:35:51,790  
this what would the show was

860  
00:35:56,030 --> 00:35:54,910  
specifically uh sir we're not talking

861  
00:35:59,420 --> 00:35:56,040  
about that tonight

862  
00:36:03,390 --> 00:35:59,430  
maybe you should call back later click

863  
00:36:07,230 --> 00:36:03,400

funny but he was yeah he was a great one

864

00:36:09,600 --> 00:36:07,240

of the greatest hosts I listened to an

865

00:36:10,920 --> 00:36:09,610

episode once and this guy called in they

866

00:36:13,470 --> 00:36:10,930

were not talking about this the same

867

00:36:14,880 --> 00:36:13,480

like not this color was not talking

868

00:36:17,280 --> 00:36:14,890

about the subject they're talking about

869

00:36:19,140 --> 00:36:17,290

but he went into this whole rant for

870

00:36:24,110 --> 00:36:19,150

like 15 minutes about this invisible

871

00:36:26,970 --> 00:36:24,120

werewolf that he saw wait he saw an

872

00:36:30,000 --> 00:36:26,980

invisible where like I guess it had

873

00:36:32,310 --> 00:36:30,010

appeared and then went back invisible

874

00:36:34,710 --> 00:36:32,320

and like he this invisible werewolf

875

00:36:36,540 --> 00:36:34,720

would like hang out around his house it

876  
00:36:40,140 --> 00:36:36,550  
was the weirdest like this dude sounded

877  
00:36:42,840 --> 00:36:40,150  
like a [h\_\_\h] nut like our bill was

878  
00:36:46,860 --> 00:36:42,850  
like oh okay well well that's very

879  
00:36:48,990 --> 00:36:46,870  
interesting next call yeah what do you

880  
00:36:51,060 --> 00:36:49,000  
say to that yeah you imagine like being

881  
00:36:51,660 --> 00:36:51,070  
one of those guys like George door are

882  
00:36:53,880 --> 00:36:51,670  
validly

883  
00:36:55,800 --> 00:36:53,890  
you just take calls like that all night

884  
00:36:58,740 --> 00:36:55,810  
that's what you do you're just taking

885  
00:37:01,560 --> 00:36:58,750  
calls from people that are like I saw

886  
00:37:04,980 --> 00:37:01,570  
this invisible thing it's out by my

887  
00:37:07,470 --> 00:37:04,990  
house I saw it okay I don't know if I

888  
00:37:10,620 --> 00:37:07,480

could do the live call thing I feel like

889

00:37:12,690 --> 00:37:10,630

I've just seen so many like you know

890

00:37:15,570 --> 00:37:12,700

prank call shows or like we would

891

00:37:18,510 --> 00:37:15,580

totally get pranked we if we advertised

892

00:37:20,040 --> 00:37:18,520

like a number to call well after this I

893

00:37:23,700 --> 00:37:20,050

feel like everybody's gonna be ordering

894

00:37:28,030 --> 00:37:23,710

dick pillows oh yeah that's right we did

895

00:37:32,530 --> 00:37:31,060

a little bit but yeah we need a real

896

00:37:35,680 --> 00:37:32,540

sponsor by the way if you're interested

897

00:37:37,210 --> 00:37:35,690

if you know anybody yeah totally yeah if

898

00:37:41,410 --> 00:37:37,220

you're into this kind of stuff not

899

00:37:43,810 --> 00:37:41,420

talking me I'm talking about that anyway

900

00:37:45,760 --> 00:37:43,820

yeah like yeah radio is it's bit it's

901  
00:37:48,670 --> 00:37:45,770  
interesting that it's again it's just

902  
00:37:50,470 --> 00:37:48,680  
been around forever like people wanting

903  
00:37:55,390 --> 00:37:50,480  
to talk about it and it's just always

904  
00:37:58,240 --> 00:37:55,400  
been a fringe thing and I want it to be

905  
00:38:00,400 --> 00:37:58,250  
more of an acceptable conversation yeah

906  
00:38:01,960 --> 00:38:00,410  
definitely you know people need places

907  
00:38:05,920 --> 00:38:01,970  
to where they can talk about weird

908  
00:38:07,660 --> 00:38:05,930  
things and not be made out to feel like

909  
00:38:09,730 --> 00:38:07,670  
a weirdo yeah because there's so many

910  
00:38:11,170 --> 00:38:09,740  
interesting things that go along with it

911  
00:38:13,480 --> 00:38:11,180  
yeah then when you really break them

912  
00:38:14,860 --> 00:38:13,490  
down you're like oh damn yeah that's

913  
00:38:17,320 --> 00:38:14,870

something smart people actually talk

914

00:38:19,060 --> 00:38:17,330

about right but there's a line to that

915

00:38:20,980 --> 00:38:19,070

there's only like I just said the

916

00:38:24,520 --> 00:38:20,990

invisible werewolf like we're wolf like

917

00:38:28,150 --> 00:38:24,530

alright how far can you take it that's a

918

00:38:29,800 --> 00:38:28,160

little far huh so I'm maybe that's

919

00:38:32,410 --> 00:38:29,810

judgmental but I feel like most people

920

00:38:35,590 --> 00:38:32,420

will agree that that's alright that's a

921

00:38:37,270 --> 00:38:35,600

little too far but a good example of

922

00:38:39,730 --> 00:38:37,280

like but that doesn't mean that if you

923

00:38:41,920 --> 00:38:39,740

really have seen in a visible werewolf

924

00:38:43,750 --> 00:38:41,930

yeah I definitely want to hear this I

925

00:38:45,810 --> 00:38:43,760

would love to hear that story honestly

926  
00:38:48,070 --> 00:38:45,820  
that would be really entertaining yeah

927  
00:38:51,100 --> 00:38:48,080  
that's what that's another reason why

928  
00:38:52,990 --> 00:38:51,110  
I'm really excited to go to UFO Congress

929  
00:38:55,510 --> 00:38:53,000  
is to just talk to people and hear their

930  
00:38:57,700 --> 00:38:55,520  
stories absolutely you know like and I

931  
00:39:00,250 --> 00:38:57,710  
really would love maybe we can I mean

932  
00:39:02,440 --> 00:39:00,260  
the this setup is portable I could take

933  
00:39:04,480 --> 00:39:02,450  
it to you know we can interview somebody

934  
00:39:07,090 --> 00:39:04,490  
there if we want to yeah that'd be kind

935  
00:39:09,070 --> 00:39:07,100  
of cool yeah like we meet somebody cool

936  
00:39:11,500 --> 00:39:09,080  
like there we're like hey do you want to

937  
00:39:13,720 --> 00:39:11,510  
be on our podcast has a story to tell

938  
00:39:15,910 --> 00:39:13,730

yeah yeah I'm a dope we could set up and

939

00:39:17,290 --> 00:39:15,920

do like a little 10 minute interviews

940

00:39:19,360 --> 00:39:17,300

yeah here and there and piece them

941

00:39:20,590 --> 00:39:19,370

together that'd be pretty sweet we just

942

00:39:22,120 --> 00:39:20,600

got to not be creepy about it you know

943

00:39:26,530 --> 00:39:22,130

like hey you want to come to our hotel

944

00:39:35,680 --> 00:39:26,540

room I've got a microphone pop that

945

00:39:38,920 --> 00:39:35,690

shirt off one time shoes off yeah have

946

00:39:40,960 --> 00:39:38,930

your socks up here yeah but dude I

947

00:39:42,550 --> 00:39:40,970

we're gonna hear somewhere I hope that I

948

00:39:44,470 --> 00:39:42,560

hope that we're gonna hear some weird

949

00:39:46,270 --> 00:39:44,480

[h\_\_\h] yeah like I definitely I'm there

950

00:39:48,250 --> 00:39:46,280

too I'm there to like meet people and

951  
00:39:49,780 --> 00:39:48,260  
not only just sit through you know

952  
00:39:51,100 --> 00:39:49,790  
people speaking on stage but I want to

953  
00:39:52,540 --> 00:39:51,110  
meet some people you know yeah

954  
00:39:54,760 --> 00:39:52,550  
definitely like I want to get into some

955  
00:39:56,760 --> 00:39:54,770  
weird conversations weird situations

956  
00:39:58,960 --> 00:39:56,770  
where because sometimes that weird

957  
00:40:01,270 --> 00:39:58,970  
conversation it takes you to a whole

958  
00:40:03,220 --> 00:40:01,280  
nother level or Avenue you never even

959  
00:40:05,950 --> 00:40:03,230  
thought of yeah and then it makes sense

960  
00:40:08,830 --> 00:40:05,960  
yeah whoa it's not as weird as I thought

961  
00:40:12,280 --> 00:40:08,840  
right yeah Oh a perfect example is that

962  
00:40:14,080 --> 00:40:12,290  
is which is kind of weird that I'm just

963  
00:40:15,130 --> 00:40:14,090

now thinking of this because the story I

964

00:40:17,970 --> 00:40:15,140

just told you about the invisible

965

00:40:20,680 --> 00:40:17,980

werewolf that that's a lot in line with

966

00:40:22,930 --> 00:40:20,690

skinwalker ranch because they saw those

967

00:40:24,880 --> 00:40:22,940

wolves right yeah were they invisible

968

00:40:28,630 --> 00:40:24,890

they weren't they were like big wolves

969

00:40:32,560 --> 00:40:28,640

right yeah all kinds of crazy stuff that

970

00:40:36,040 --> 00:40:32,570

happens at skinwalker ranch and it seems

971

00:40:38,770 --> 00:40:36,050

like a like a collection like not just

972

00:40:40,870 --> 00:40:38,780

extraterrestrials or werewolves or yeah

973

00:40:43,750 --> 00:40:40,880

demons it's like they all got together

974

00:40:45,850 --> 00:40:43,760

had a party on that ranch everything is

975

00:40:48,490 --> 00:40:45,860

there anything you want to see is there

976

00:40:50,500 --> 00:40:48,500

it's not just of one type they got Oompa

977

00:40:53,670 --> 00:40:50,510

Loompas I got onions it's got everything

978

00:40:57,580 --> 00:40:53,680

that came with top hat it's crazy man

979

00:40:59,140 --> 00:40:57,590

yeah but so I feel like I'm like you

980

00:41:01,060 --> 00:40:59,150

know making this statement like all

981

00:41:02,920 --> 00:41:01,070

right there's a line but then you bring

982

00:41:04,630 --> 00:41:02,930

up skinwalker ranch in there the line

983

00:41:06,550 --> 00:41:04,640

goes out the window because there's so

984

00:41:08,800 --> 00:41:06,560

many I mean there really is only one

985

00:41:10,990 --> 00:41:08,810

account of the wolf thing mm-hmm

986

00:41:12,850 --> 00:41:11,000

I think but there's like multiple people

987

00:41:16,030 --> 00:41:12,860

have seen some weird-ass [h\_\_h] out there

988

00:41:18,930 --> 00:41:16,040

yeah didn't they uh they're bulletproof

989

00:41:21,070 --> 00:41:18,940

wolves that's what it was it was it

990

00:41:23,800 --> 00:41:21,080

Bigelow who Bigelow at ranch

991

00:41:26,110 --> 00:41:23,810

yes Robert Bell oh yeah yeah he also is

992

00:41:28,090 --> 00:41:26,120

in charge of is he in charge of move on

993

00:41:29,590 --> 00:41:28,100

or no he's in charge of something that

994

00:41:31,960 --> 00:41:29,600

we're like if people call about UFOs

995

00:41:33,190 --> 00:41:31,970

yeah yeah yeah I'm not a hundred percent

996

00:41:36,640 --> 00:41:33,200

sure we should know this

997

00:41:40,210 --> 00:41:36,650

yeah we should but yeah I mean the guy's

998

00:41:42,190 --> 00:41:40,220

like an engineer he works in space yeah

999

00:41:44,050 --> 00:41:42,200

you know aeronautics all kinds of stuff

1000

00:41:46,720 --> 00:41:44,060

but yeah they bought this ranch and they

1001  
00:41:48,970 --> 00:41:46,730  
he does his own personal research was

1002  
00:41:51,099 --> 00:41:48,980  
privately funded research yeah

1003  
00:41:52,810 --> 00:41:51,109  
that's uh that's kind of cool how do you

1004  
00:41:54,609 --> 00:41:52,820  
feel about that man are you more of like

1005  
00:41:56,650 --> 00:41:54,619  
a let's get this government-funded

1006  
00:41:58,270 --> 00:41:56,660  
research or are you okay with like

1007  
00:42:00,160 --> 00:41:58,280  
private companies like doing their own

1008  
00:42:02,260 --> 00:42:00,170  
research I feel like it's a double-edged

1009  
00:42:03,960 --> 00:42:02,270  
sword because while the private industry

1010  
00:42:06,550 --> 00:42:03,970  
could do it faster quicker cheaper

1011  
00:42:08,650 --> 00:42:06,560  
probably get more information right they

1012  
00:42:10,000 --> 00:42:08,660  
might keep it for themselves but I don't

1013  
00:42:12,280 --> 00:42:10,010

have time to sit around and wait for the

1014

00:42:14,050 --> 00:42:12,290

government and their red tape crap you

1015

00:42:16,210 --> 00:42:14,060

know it's just like I'd rather somebody

1016

00:42:17,980 --> 00:42:16,220

just figure it out and then let it

1017

00:42:19,599 --> 00:42:17,990

trickle out and we'll figure it out

1018

00:42:20,230 --> 00:42:19,609

eventually well they're just keeping it

1019

00:42:22,839 --> 00:42:20,240

a secret

1020

00:42:24,940 --> 00:42:22,849

in my opinion yeah which the government

1021

00:42:26,530 --> 00:42:24,950

has to you know the red tape it's like

1022

00:42:28,060 --> 00:42:26,540

yeah it's gonna be a secret like we're

1023

00:42:29,470 --> 00:42:28,070

experiencing now it's like we're not

1024

00:42:31,300 --> 00:42:29,480

gonna hear about until like ten years

1025

00:42:32,260 --> 00:42:31,310

from now or whatever but I feel like if

1026

00:42:34,180 --> 00:42:32,270

it's a private company

1027

00:42:36,310 --> 00:42:34,190

we'll probably hear about it sooner

1028

00:42:38,740 --> 00:42:36,320

unless it's like detrimental to the

1029

00:42:41,859 --> 00:42:38,750

corporation they're the company you know

1030

00:42:43,750 --> 00:42:41,869

I don't know right right yeah private

1031

00:42:46,930 --> 00:42:43,760

organizations my my position is

1032

00:42:47,790 --> 00:42:46,940

definitely private over government me

1033

00:42:50,859 --> 00:42:47,800

too

1034

00:42:53,050 --> 00:42:50,869

also it's very possible that like yeah

1035

00:42:54,970 --> 00:42:53,060

maybe some you know like a department is

1036

00:42:57,730 --> 00:42:54,980

technically under the government but

1037

00:42:59,800 --> 00:42:57,740

it's probably black ops like off the

1038

00:43:02,620 --> 00:42:59,810

books might as well be a private

1039

00:43:04,690 --> 00:43:02,630

organization anyway who you know the

1040

00:43:08,260 --> 00:43:04,700

Pentagon is missing trillions of dollars

1041

00:43:10,180 --> 00:43:08,270

and they don't know we're with no we

1042

00:43:12,550 --> 00:43:10,190

know we're with ya we know you know

1043

00:43:14,530 --> 00:43:12,560

we're with this off the books

1044

00:43:17,349 --> 00:43:14,540

invisible werewolf sounds stupid they

1045

00:43:20,859 --> 00:43:17,359

didn't just fudge it nowhere went oh

1046

00:43:23,490 --> 00:43:20,869

yeah somebody knows and that

1047

00:43:28,630 --> 00:43:23,500

documentation was probably in building

1048

00:43:30,730 --> 00:43:28,640

was it building nine yeah yeah I just

1049

00:43:36,839 --> 00:43:30,740

blew it up one of the ones that fell

1050

00:43:45,720 --> 00:43:42,140

Joe's gonna go take a tee time out

1051

00:43:47,550 --> 00:43:45,730

low t-dot-com uh-uh

1052

00:43:50,370 --> 00:43:47,560

so I'm sitting here with my dog her name

1053

00:43:52,770 --> 00:43:50,380

is nibbler she's a pug nibbler I named

1054

00:43:56,100 --> 00:43:52,780

her after the cartoon character from

1055

00:43:57,330 --> 00:43:56,110

Futurama it's a little alien if you

1056

00:44:01,140 --> 00:43:57,340

don't know it's a little black alien

1057

00:44:03,360 --> 00:44:01,150

with three eyes and my pug looks just

1058

00:44:05,460 --> 00:44:03,370

like that cartoon character so I named

1059

00:44:07,050 --> 00:44:05,470

her nibbler she's just sitting here

1060

00:44:09,420 --> 00:44:07,060

sleeping so if you hear a lot of Click

1061

00:44:11,280 --> 00:44:09,430

Clack in the background I apologize I

1062

00:44:13,620 --> 00:44:11,290

know it's kind of distracting but that

1063

00:44:15,350 --> 00:44:13,630

was her walking around we're just

1064

00:44:17,730 --> 00:44:15,360

starting out this podcast so it's not

1065

00:44:20,790 --> 00:44:17,740

you know it's not super super produced

1066

00:44:22,830 --> 00:44:20,800

it's literally me and Jo sitting in my

1067

00:44:25,740 --> 00:44:22,840

studio in my house with a couple of

1068

00:44:29,310 --> 00:44:25,750

microphones you know we're just starting

1069

00:44:31,740 --> 00:44:29,320

out we're excited about it we have we

1070

00:44:33,240 --> 00:44:31,750

have a lot of hope for the direction of

1071

00:44:35,850 --> 00:44:33,250

this because this is like what would you

1072

00:44:38,280 --> 00:44:35,860

love to do we love talking about weird

1073

00:44:40,410 --> 00:44:38,290

stuff and we hope that other people want

1074

00:44:42,930 --> 00:44:40,420

to listen to it or you know maybe be a

1075

00:44:45,990 --> 00:44:42,940

part of the conversation so yeah like if

1076

00:44:48,900 --> 00:44:46,000

if we talk about something that you have

1077

00:44:50,550 --> 00:44:48,910

some experience on like email us and

1078

00:44:52,860 --> 00:44:50,560

we'll have you know if you want to call

1079

00:44:56,100 --> 00:44:52,870

in or do like a Skype thing I think

1080

00:44:57,060 --> 00:44:56,110

that'd be really cool and also like

1081

00:44:58,890 --> 00:44:57,070

kittens

1082

00:45:01,620 --> 00:44:58,900

again if we get information wrong and

1083

00:45:05,070 --> 00:45:01,630

want to call us out just email us just

1084

00:45:07,800 --> 00:45:05,080

be nice let us know you can be mean if

1085

00:45:09,690 --> 00:45:07,810

you want then it might not change yeah

1086

00:45:17,070 --> 00:45:09,700

that's like saying it's like putting up

1087

00:45:18,630 --> 00:45:17,080

a sign in an alleyway like no crime well

1088

00:45:21,720 --> 00:45:18,640

I was gonna do some crime but that sign

1089

00:45:24,980 --> 00:45:21,730

says behind mass 8 clearly it says yeah

1090

00:45:27,390 --> 00:45:24,990

would you look at the timing you know oh

1091

00:45:29,940 --> 00:45:27,400

my golly guys like us we have to go back

1092

00:45:40,470 --> 00:45:29,950

go back home which is do crime outside

1093

00:45:41,910 --> 00:45:40,480

the alley yeah dude yes all right you

1094

00:45:43,680 --> 00:45:41,920

want to go to gym you want to bring up

1095

00:45:46,440 --> 00:45:43,690

another week that was kind of a tangent

1096

00:45:48,660 --> 00:45:46,450

was yeah I feel like there's really no

1097

00:45:52,440 --> 00:45:48,670

stopping it that's fine definitely not

1098

00:45:54,780 --> 00:45:52,450

so we just that was the oh you wanna I

1099

00:45:55,230 --> 00:45:54,790

really like this question was what would

1100

00:45:57,390 --> 00:45:55,240

you do

1101  
00:46:01,080 --> 00:45:57,400  
if you encountered an ET I explain what

1102  
00:46:05,660 --> 00:46:01,090  
an ET is ET i extraterrestrial

1103  
00:46:08,040 --> 00:46:05,670  
intelligence it's just kind of a short

1104  
00:46:10,890 --> 00:46:08,050  
short way of saying at rest real

1105  
00:46:12,359 --> 00:46:10,900  
intelligence they say it is rhetoric

1106  
00:46:15,240 --> 00:46:12,369  
it's a lot if that's a mouthful

1107  
00:46:18,750 --> 00:46:15,250  
pronunciate very definitely but

1108  
00:46:24,720 --> 00:46:18,760  
I think it kind of goes with our current

1109  
00:46:27,060 --> 00:46:24,730  
terminology right so UFO alien people

1110  
00:46:29,190 --> 00:46:27,070  
just automatically dismiss it yeah you

1111  
00:46:31,170 --> 00:46:29,200  
know so should we should we start

1112  
00:46:34,080 --> 00:46:31,180  
updating that the terminology a little

1113  
00:46:36,390 --> 00:46:34,090

bit on on how we discuss these things

1114

00:46:38,190 --> 00:46:36,400

you know like me and you just sitting

1115

00:46:40,800 --> 00:46:38,200

around you know having the podcast

1116

00:46:43,530 --> 00:46:40,810

shootin the [h\_\_\h] we say UFO you know

1117

00:46:45,060 --> 00:46:43,540

alien like it's no big deal if you want

1118

00:46:47,310 --> 00:46:45,070

to like talk to somebody who's maybe on

1119

00:46:50,520 --> 00:46:47,320

the outside of that yeah maybe kind of

1120

00:46:53,850 --> 00:46:50,530

sway the opinion you know maybe start

1121

00:46:56,970 --> 00:46:53,860

using things like like et I you know it

1122

00:47:00,359 --> 00:46:56,980

sounds a little like UTI it kind of does

1123

00:47:02,690 --> 00:47:00,369

that it does a little bit ordinary track

1124

00:47:06,300 --> 00:47:02,700

traffic engine know this is a

1125

00:47:07,770 --> 00:47:06,310

extraterrestrial intensity okay so

1126

00:47:09,870 --> 00:47:07,780

you're kind of talk talking about two

1127

00:47:12,540 --> 00:47:09,880

different topics in one right right

1128

00:47:14,820 --> 00:47:12,550

super interests interesting I think I

1129

00:47:17,520 --> 00:47:14,830

think yeah getting back to like updating

1130

00:47:18,720 --> 00:47:17,530

extraterrestrial intelligence ours yeah

1131

00:47:20,760 --> 00:47:18,730

like how we're talking about things

1132

00:47:21,900 --> 00:47:20,770

there's definitely like I think there

1133

00:47:25,200 --> 00:47:21,910

does need to be a change into the

1134

00:47:27,180 --> 00:47:25,210

vernacular of how we talk about so it's

1135

00:47:28,820 --> 00:47:27,190

just kind of remarketed in a way right

1136

00:47:31,050 --> 00:47:28,830

we're we don't sound like gooks yeah

1137

00:47:32,700 --> 00:47:31,060

rebranding yourself a little bit man

1138

00:47:34,440 --> 00:47:32,710

because you know everybody's been made

1139

00:47:39,660 --> 00:47:34,450

out to be a quack it's like UFOs

1140

00:47:42,780 --> 00:47:39,670

weirdo yeah but it is a serious subject

1141

00:47:44,280 --> 00:47:42,790

so you know we have we have you know the

1142

00:47:46,140 --> 00:47:44,290

extraterrestrial intelligence you know

1143

00:47:47,880 --> 00:47:46,150

it's it's easier to talk to people with

1144

00:47:50,010 --> 00:47:47,890

if you start using these kinda like more

1145

00:47:52,020 --> 00:47:50,020

official sounding words people pay

1146

00:47:54,180 --> 00:47:52,030

attention to it it's just psychological

1147

00:47:56,520 --> 00:47:54,190

man it all means the same thing but how

1148

00:47:58,500 --> 00:47:56,530

can how can we as you know as the

1149

00:48:01,410 --> 00:47:58,510

community kind of starts to like reach

1150

00:48:03,480 --> 00:48:01,420

those people that are you know usually

1151  
00:48:05,940 --> 00:48:03,490  
unreachable or it would just immediately

1152  
00:48:07,190 --> 00:48:05,950  
dismiss the conversation yeah you know

1153  
00:48:10,230 --> 00:48:07,200  
okay what did

1154  
00:48:12,269 --> 00:48:10,240  
through this stars to the Stars Academy

1155  
00:48:15,180 --> 00:48:12,279  
called calls it like aerial threat

1156  
00:48:18,180 --> 00:48:15,190  
phenomenon you APSU a unidentified

1157  
00:48:20,519 --> 00:48:18,190  
aerial phenomenon yeah and then you have

1158  
00:48:22,650 --> 00:48:20,529  
the ARVs which are alien reproduction

1159  
00:48:25,140 --> 00:48:22,660  
vehicle all right right and then you

1160  
00:48:27,420 --> 00:48:25,150  
have the ETI which is extraterrestrial

1161  
00:48:29,999 --> 00:48:27,430  
intelligence yeah so it's just kind of a

1162  
00:48:34,440 --> 00:48:30,009  
more updated way of saying certain

1163  
00:48:36,779 --> 00:48:34,450

things that's basically it man I mean I

1164

00:48:38,670 --> 00:48:36,789

can make it sound more official yeah you

1165

00:48:42,690 --> 00:48:38,680

know because we're kind of in this new

1166

00:48:45,509 --> 00:48:42,700

era of information or disclosure or

1167

00:48:47,490 --> 00:48:45,519

whatever you want to call it there's a

1168

00:48:50,430 --> 00:48:47,500

lot of information that's coming out now

1169

00:48:52,680 --> 00:48:50,440

yeah and if you notice a lot of people

1170

00:48:56,309 --> 00:48:52,690

the only people that are using that old

1171

00:48:58,620 --> 00:48:56,319

terminology or like the media or people

1172

00:49:00,749 --> 00:48:58,630

who are just kind of getting into it you

1173

00:49:03,299 --> 00:49:00,759

know they're really the only is the

1174

00:49:06,150 --> 00:49:03,309

government really hiding UFOs find out

1175

00:49:08,220 --> 00:49:06,160

tonight on or whatever you know you have

1176

00:49:12,059 --> 00:49:08,230

Hannity talking about it yeah you know

1177

00:49:14,640 --> 00:49:12,069

you have CNBC you have the the the the

1178

00:49:16,470 --> 00:49:14,650

New York Times coming out with articles

1179

00:49:19,859 --> 00:49:16,480

you got huffington post's you got you

1180

00:49:21,480 --> 00:49:19,869

got all these major news and media

1181

00:49:23,400 --> 00:49:21,490

outlets that are coming out with this

1182

00:49:26,519 --> 00:49:23,410

information now and it's like you know

1183

00:49:28,380 --> 00:49:26,529

it's still kind of like jokey-joke pokie

1184

00:49:30,150 --> 00:49:28,390

pokie it doesn't seem like that it's

1185

00:49:33,180 --> 00:49:30,160

like on the major news outlets they do

1186

00:49:35,640 --> 00:49:33,190

kind of have that like hey are there

1187

00:49:37,620 --> 00:49:35,650

green men out there yeah like oh my gosh

1188

00:49:41,309 --> 00:49:37,630

it's always they always say something

1189

00:49:43,049 --> 00:49:41,319

stupid like such it insult to like

1190

00:49:45,599 --> 00:49:43,059

everybody's intelligent it's like you

1191

00:49:48,329 --> 00:49:45,609

are obviously making light are their

1192

00:49:51,720 --> 00:49:48,339

little green men yeah yeah [h\_\_\h] you like

1193

00:49:54,180 --> 00:49:51,730

really like know yeah probably maybe

1194

00:49:56,309 --> 00:49:54,190

there are yeah yeah yeah dumbass there

1195

00:49:58,200 --> 00:49:56,319

might be little green men out there you

1196

00:49:59,849 --> 00:49:58,210

just don't know yeah so there's always

1197

00:50:01,769 --> 00:49:59,859

like a chuckle like behind their breath

1198

00:50:03,779 --> 00:50:01,779

yeah it was like a joke you can never

1199

00:50:06,150 --> 00:50:03,789

find somebody to report it in like a

1200

00:50:07,319 --> 00:50:06,160

serious manner yeah and it's a little

1201  
00:50:11,099 --> 00:50:07,329  
you're like one of the most irritating

1202  
00:50:13,170 --> 00:50:11,109  
things to me is if yes a UFO or

1203  
00:50:16,019 --> 00:50:13,180  
something and then you always got that

1204  
00:50:17,400 --> 00:50:16,029  
one person that's like of course UFOs

1205  
00:50:20,769 --> 00:50:17,410  
are real dude

1206  
00:50:23,809 --> 00:50:20,779  
it means unidentified flying

1207  
00:50:25,670 --> 00:50:23,819  
UFOs are totally real of course probably

1208  
00:50:28,460 --> 00:50:25,680  
whoever says that I could probably just

1209  
00:50:30,230 --> 00:50:28,470  
had that thought like a couple weeks ago

1210  
00:50:33,230 --> 00:50:30,240  
and the super stoked on it it's a yeah

1211  
00:50:36,380 --> 00:50:33,240  
obviously that's what UFOs are but

1212  
00:50:38,599 --> 00:50:36,390  
that's that's not that's obviously not

1213  
00:50:42,259 --> 00:50:38,609

what everybody's talking about right you

1214

00:50:45,079 --> 00:50:42,269

know it's kind of like how q-tip is a

1215

00:50:47,660 --> 00:50:45,089

brand oh right right band-aid and people

1216

00:50:50,180 --> 00:50:47,670

clean their ears with a q-tip but you

1217

00:50:51,289 --> 00:50:50,190

don't like you always go around and if

1218

00:50:52,910 --> 00:50:51,299

you want to clean your ear with

1219

00:50:55,039 --> 00:50:52,920

something you ask you got a q-tip q-tip

1220

00:50:57,589 --> 00:50:55,049

I don't know it's a brand it's it's not

1221

00:51:00,559 --> 00:50:57,599

what that is that's not a q-tip cotton

1222

00:51:02,690 --> 00:51:00,569

swab exactly it's kind of the same thing

1223

00:51:04,700 --> 00:51:02,700

it's like if I go around asking about

1224

00:51:07,190 --> 00:51:04,710

UFOs you know what I'm talking about

1225

00:51:10,130 --> 00:51:07,200

yeah stop doing a smartass it's so

1226

00:51:13,130 --> 00:51:10,140

annoying obviously there's an idea

1227

00:51:16,220 --> 00:51:13,140

so instead you could say UAP yeah and

1228

00:51:17,390 --> 00:51:16,230

are they piloted by et eyes you were

1229

00:51:19,130 --> 00:51:17,400

like oh okay

1230

00:51:20,660 --> 00:51:19,140

yes that's the exact same thing it's

1231

00:51:22,489 --> 00:51:20,670

just updated yeah you don't have to deal

1232

00:51:25,130 --> 00:51:22,499

with douchebags always been of course

1233

00:51:28,039 --> 00:51:25,140

there's UFOs dude and now they're like

1234

00:51:31,069 --> 00:51:28,049

oh what's UAP yeah piloted by an e TI

1235

00:51:33,049 --> 00:51:31,079

right yeah I mean dude yeah you a P I

1236

00:51:34,910 --> 00:51:33,059

think I need to just like start saying

1237

00:51:37,849 --> 00:51:34,920

that it's it's hard yeah it's hard

1238

00:51:39,620 --> 00:51:37,859

because I try to think it's I love UFO I

1239

00:51:41,930 --> 00:51:39,630

love that was it great yeah it just

1240

00:51:44,210 --> 00:51:41,940

slips out of the you know it's easy when

1241

00:51:45,289 --> 00:51:44,220

it's within the community go for it cuz

1242

00:51:46,910 --> 00:51:45,299

we all know what we're talking about

1243

00:51:48,470 --> 00:51:46,920

that but when you're you know if you're

1244

00:51:50,210 --> 00:51:48,480

trying to like sway something that

1245

00:51:51,410 --> 00:51:50,220

you're not even swayed but like trying

1246

00:51:53,210 --> 00:51:51,420

to get something to take you seriously

1247

00:51:54,589 --> 00:51:53,220

while you're talking about the topic you

1248

00:51:56,779 --> 00:51:54,599

know I always like try to update the

1249

00:51:58,099 --> 00:51:56,789

lingo a little bit right you know yeah I

1250

00:51:59,329 --> 00:51:58,109

mean it definitely makes you sound like

1251  
00:52:02,509 --> 00:51:59,339  
you're talking you know you're talking

1252  
00:52:06,380 --> 00:52:02,519  
about what do you think yeah but so what

1253  
00:52:10,220 --> 00:52:06,390  
would you do if you encountered an ETI I

1254  
00:52:13,390 --> 00:52:10,230  
mean well explain the scenario that this

1255  
00:52:20,890 --> 00:52:16,960  
and what man you would do if you go off

1256  
00:52:23,560 --> 00:52:20,900  
of the accounts of of abductees uh-huh

1257  
00:52:25,270 --> 00:52:23,570  
the scenario and your main thing it's

1258  
00:52:27,640 --> 00:52:25,280  
like you know it could be anywhere

1259  
00:52:31,270 --> 00:52:27,650  
try everything in your car out on a

1260  
00:52:33,160 --> 00:52:31,280  
camping trip land in your bed yeah you

1261  
00:52:35,560 --> 00:52:33,170  
know walking down the hall to make a

1262  
00:52:36,580 --> 00:52:35,570  
sandwich and they have missing time like

1263  
00:52:39,460 --> 00:52:36,590

where did I go

1264

00:52:43,690 --> 00:52:39,470

it could be anywhere well if you were to

1265

00:52:47,970 --> 00:52:43,700

actually meet one and consciously

1266

00:52:52,090 --> 00:52:47,980

remember it you know right off the bat I

1267

00:52:54,820 --> 00:52:52,100

would probably be super scared yeah 100%

1268

00:52:59,650 --> 00:52:54,830

I would probably be extremely nervous

1269

00:53:02,050 --> 00:52:59,660

right right um I think it would kind of

1270

00:53:04,360 --> 00:53:02,060

be like a we would just stare at each

1271

00:53:05,950 --> 00:53:04,370

other for a little bit I don't know if

1272

00:53:07,330 --> 00:53:05,960

I'd be able to move you know somebody

1273

00:53:10,660 --> 00:53:07,340

has like a weird mole and they're like

1274

00:53:13,150 --> 00:53:10,670

face or something yeah I can't not look

1275

00:53:13,450 --> 00:53:13,160

I have to look at you have to look at

1276

00:53:19,990 --> 00:53:13,460

you

1277

00:53:22,180 --> 00:53:20,000

of an eyeball I mean there's really

1278

00:53:24,760 --> 00:53:22,190

there's reports of employees who were

1279

00:53:29,230 --> 00:53:24,770

employed in areas where they they had

1280

00:53:31,270 --> 00:53:29,240

you know et eyes and walking down the

1281

00:53:33,130 --> 00:53:31,280

hallway they just encountered one

1282

00:53:35,170 --> 00:53:33,140

uh-hum and they had heart attacks and

1283

00:53:37,770 --> 00:53:35,180

killed over and died whoa because it was

1284

00:53:40,960 --> 00:53:37,780

just like such an odd experience that

1285

00:53:42,070 --> 00:53:40,970

what is this so they chills thinking

1286

00:53:44,260 --> 00:53:42,080

about that and they have to kind of

1287

00:53:47,620 --> 00:53:44,270

slowly introduce you to that kind of

1288

00:53:49,210 --> 00:53:47,630

stuff so I mean so if you walked out of

1289

00:53:51,280 --> 00:53:49,220

this door or someone in your living room

1290

00:53:53,290 --> 00:53:51,290

I mean it would scare the [h\_\_\h] and I

1291

00:53:55,210 --> 00:53:53,300

[h\_\_\h] my pants for sure absolutely you

1292

00:53:57,670 --> 00:53:55,220

would scream I'd scream like a little

1293

00:54:00,730 --> 00:53:57,680

girl not gonna run to my room yeah I

1294

00:54:03,160 --> 00:54:00,740

probably called my wife or my mom or

1295

00:54:05,620 --> 00:54:03,170

something like I don't know what I'd say

1296

00:54:08,730 --> 00:54:05,630

yeah there's an alien in my house yeah

1297

00:54:12,360 --> 00:54:08,740

yeah like of course there is Joe like

1298

00:54:15,970 --> 00:54:12,370

nobody would believe it oh yeah and I

1299

00:54:19,540 --> 00:54:15,980

really do feel for like abductees and

1300

00:54:22,960 --> 00:54:19,550

stuff and then like just being able to

1301

00:54:25,210 --> 00:54:22,970

express what happened to them yeah or

1302

00:54:26,980 --> 00:54:25,220

talk about it just if ever if ever if it

1303

00:54:29,200 --> 00:54:26,990

ever ever yeah if they ever told

1304

00:54:31,960 --> 00:54:29,210

about it but man like that's that's

1305

00:54:33,820 --> 00:54:31,970

something they're like I appreciate that

1306

00:54:36,540 --> 00:54:33,830

cuz that's got to be hard that's good

1307

00:54:40,720 --> 00:54:36,550

did you imagine just knowing like

1308

00:54:42,730 --> 00:54:40,730

knowing that the violation that you know

1309

00:54:46,810 --> 00:54:42,740

I had my house broken into right twice

1310

00:54:48,700 --> 00:54:46,820

and it was a it was really tough yeah I

1311

00:54:50,440 --> 00:54:48,710

did not feel uncomfortable I was very

1312

00:54:52,630 --> 00:54:50,450

paranoid all the time like I'm just

1313

00:54:54,820 --> 00:54:52,640

someone was here touched my things and

1314

00:54:56,590 --> 00:54:54,830

broke a bunch you know broke my window

1315

00:54:59,290 --> 00:54:56,600

so he was in my house okay that was a

1316

00:55:02,140 --> 00:54:59,300

human I know what that person looks like

1317

00:55:04,630 --> 00:55:02,150

or you know what could look like but if

1318

00:55:06,490 --> 00:55:04,640

you know somebody were to come into my

1319

00:55:09,130 --> 00:55:06,500

house and touch my body take my body

1320

00:55:11,470 --> 00:55:09,140

somewhere and it's like another creature

1321

00:55:13,120 --> 00:55:11,480

like I don't like if I felt that way

1322

00:55:16,660 --> 00:55:13,130

about a human breaking into my house

1323

00:55:20,710 --> 00:55:16,670

just imagine another species of an

1324

00:55:23,350 --> 00:55:20,720

intelligent race stealing your body dude

1325

00:55:25,090 --> 00:55:23,360

ah bro I don't know what I would do I

1326

00:55:27,370 --> 00:55:25,100

always wondered if there's a way to

1327

00:55:29,590 --> 00:55:27,380

where like before they take you if you

1328

00:55:32,680 --> 00:55:29,600

like whoa stop

1329

00:55:35,050 --> 00:55:32,690

yeah yeah I'll go with you yeah I will

1330

00:55:38,320 --> 00:55:35,060

go with you just don't touch my button

1331

00:55:39,970 --> 00:55:38,330

yeah can you just give me 10 minutes you

1332

00:55:41,440 --> 00:55:39,980

just sit there for a second can you sit

1333

00:55:43,540 --> 00:55:41,450

in this chair like if you can understand

1334

00:55:46,930 --> 00:55:43,550

me can you just chill yeah I'll go with

1335

00:55:49,780 --> 00:55:46,940

you let's let's kind of let me let me

1336

00:55:53,380 --> 00:55:49,790

like process what's happening really is

1337

00:55:55,359 --> 00:55:53,390

oh I would go yeah I do I would you go

1338

00:55:58,390 --> 00:55:55,369

yeah I really would just need a moment

1339

00:56:01,330 --> 00:55:58,400

yeah just give me a second I'll go dude

1340

00:56:03,640 --> 00:56:01,340

like but I think if I just saw and it

1341

00:56:05,800 --> 00:56:03,650

took me and it was just it's a very

1342

00:56:07,900 --> 00:56:05,810

traumatizing experience yeah you know

1343

00:56:09,910 --> 00:56:07,910

traumatizing is when I was trying to

1344

00:56:13,840 --> 00:56:09,920

think extremely traumatizing experience

1345

00:56:16,120 --> 00:56:13,850

I think but I would if if they were cool

1346

00:56:19,840 --> 00:56:16,130

about it I would go yeah we totally go

1347

00:56:22,810 --> 00:56:19,850

mi own will yeah like so Cory good story

1348

00:56:26,020 --> 00:56:22,820

is that each time that he would be taken

1349

00:56:29,380 --> 00:56:26,030

by the blue avians mm-hmm he would have

1350

00:56:31,359 --> 00:56:29,390

to accept you know mentally accept to

1351

00:56:33,310 --> 00:56:31,369

this like orb that he's ready to go

1352

00:56:35,410 --> 00:56:33,320

right he would be absorbed in this orb

1353

00:56:38,650 --> 00:56:35,420

this sounds [\h\_\_\h] crazy if you don't

1354

00:56:43,120 --> 00:56:40,990

I've heard the story yeah but yeah it's

1355

00:56:46,870 --> 00:56:43,130

so like that scenario I would rather

1356

00:56:48,700 --> 00:56:46,880

that scenario over yeah you wake up and

1357

00:56:50,700 --> 00:56:48,710

you can't move your body right which

1358

00:56:53,589 --> 00:56:50,710

dude I've actually had a sleep paralysis

1359

00:56:55,569 --> 00:56:53,599

experience really that I don't think it

1360

00:56:57,549 --> 00:56:55,579

was I don't I don't think I was abducted

1361

00:56:59,170 --> 00:56:57,559

but I think I definitely experienced

1362

00:57:01,870 --> 00:56:59,180

sleep paralysis and it's only happened

1363

00:57:04,150 --> 00:57:01,880

once mm-hmm it was really weird like I

1364

00:57:05,680 --> 00:57:04,160

woke up couldn't move my body tried to

1365

00:57:07,599 --> 00:57:05,690

scream couldn't like you know make a

1366

00:57:09,279 --> 00:57:07,609

noise and then my body started lifting

1367

00:57:11,289 --> 00:57:09,289

off the bed and I could hear a wind

1368

00:57:12,870 --> 00:57:11,299

mm-hmm and then the next thing I

1369

00:57:15,220 --> 00:57:12,880

remember I woke up in my kitchen and I

1370

00:57:18,480 --> 00:57:15,230

was just standing in front of the sink I

1371

00:57:21,249 --> 00:57:18,490

for sure like I mean I was drinking so

1372

00:57:23,230 --> 00:57:21,259

some kind of like you know imbalance

1373

00:57:25,900 --> 00:57:23,240

happen yeah I don't think I got abducted

1374

00:57:29,140 --> 00:57:25,910

but that kind of scenario where like a

1375

00:57:30,759 --> 00:57:29,150

lot of abductors talk about like waking

1376

00:57:34,029 --> 00:57:30,769

up you can't move your body and then

1377

00:57:36,400 --> 00:57:34,039

these figures come in and like take you

1378

00:57:38,740 --> 00:57:36,410

up in this beam that sounds freakin

1379

00:57:41,799 --> 00:57:38,750

terrifying good yeah it definitely

1380

00:57:45,190 --> 00:57:41,809

sounds pretty scary yeah for sure but

1381

00:57:46,029 --> 00:57:45,200

yeah they gave me the choice I would go

1382

00:57:48,880 --> 00:57:46,039

mm-hmm

1383

00:57:52,900 --> 00:57:48,890

you know freewill yeah I think I would

1384

00:57:54,249 --> 00:57:52,910

too uh-huh but like yeah I would hope I

1385

00:57:56,829 --> 00:57:54,259

would hope that it would be a scenario

1386

00:57:58,480 --> 00:57:56,839

where they're like look we just want to

1387

00:58:02,019 --> 00:57:58,490

take some blood samples we've been

1388

00:58:03,759 --> 00:58:02,029

tracking your DNA through with your you

1389

00:58:06,039 --> 00:58:03,769

know your lineage forever we've been

1390

00:58:08,529 --> 00:58:06,049

abducting a lot of your family members

1391

00:58:09,759 --> 00:58:08,539

this is a normal thing you know we're

1392

00:58:11,230 --> 00:58:09,769

we're abducting you we're gonna do a

1393

00:58:14,440 --> 00:58:11,240

couple tests gonna take some blood and

1394

00:58:15,999 --> 00:58:14,450

then we'll bring you back home okay cool

1395

00:58:18,519 --> 00:58:16,009

tell me what you're gonna do not like

1396

00:58:21,160 --> 00:58:18,529

yeah stick a freaking needle in my

1397

00:58:24,249 --> 00:58:21,170

bellybutton you know cuz the reports of

1398

00:58:28,210 --> 00:58:24,259

like [h\_\_h] going in your eye oh dear nose

1399

00:58:30,700 --> 00:58:28,220

no do that I could do that like dude if

1400

00:58:33,400 --> 00:58:30,710

I need a blown a Kleenex for you to give

1401  
00:58:37,509 --> 00:58:33,410  
it to you I will don't stink no [h\_\_\h] my

1402  
00:58:40,749 --> 00:58:37,519  
I don't put that in my ass put a needle

1403  
00:58:44,289 --> 00:58:40,759  
in my nose bro like there's you're an

1404  
00:58:46,089 --> 00:58:44,299  
advanced civilization like you've gotta

1405  
00:58:48,700 --> 00:58:46,099  
be a way around this thank you please

1406  
00:58:51,099 --> 00:58:48,710  
seriously that's so like you're gonna

1407  
00:58:51,970 --> 00:58:51,109  
poke up giant needle into my eyes gotta

1408  
00:58:55,480 --> 00:58:51,980  
be a better way

1409  
00:58:57,700 --> 00:58:55,490  
I don't think so no better way yeah can

1410  
00:59:00,460 --> 00:58:57,710  
you just look at me with your alien I

1411  
00:59:01,060 --> 00:59:00,470  
just scan me or something yeah yeah

1412  
00:59:02,020 --> 00:59:01,070  
totally

1413  
00:59:04,060 --> 00:59:02,030

that's [h\_\_\h] I've never thought about

1414

00:59:06,849 --> 00:59:04,070

that I think that's a really like

1415

00:59:09,160 --> 00:59:06,859

archaic way yeah why is it you don't

1416

00:59:14,470 --> 00:59:09,170

have to be so big yeah seriously

1417

00:59:16,630 --> 00:59:14,480

seriously I'm so big dude like take a

1418

00:59:18,310 --> 00:59:16,640

picture of me with some weird camera you

1419

00:59:20,320 --> 00:59:18,320

gotta have some corn it's some kind of

1420

00:59:22,240 --> 00:59:20,330

light that just you know can tell you

1421

00:59:23,740 --> 00:59:22,250

everything about me at that point yeah

1422

00:59:26,050 --> 00:59:23,750

you know you just flew here from across

1423

00:59:28,810 --> 00:59:26,060

the universe man how do you feel about

1424

00:59:31,450 --> 00:59:28,820

that abductees are usually within a

1425

00:59:34,270 --> 00:59:31,460

family lineage all get abducted in the

1426  
00:59:35,440 --> 00:59:34,280  
same right I kind of bums me out cuz I

1427  
00:59:38,620 --> 00:59:35,450  
don't know anybody who's ever been

1428  
00:59:48,550 --> 00:59:38,630  
abducted in my family yeah and it sucks

1429  
00:59:50,590 --> 00:59:48,560  
cuz I mean that's a good thing but it

1430  
00:59:53,670 --> 00:59:50,600  
kind of sucks too what you call it

1431  
00:59:58,480 --> 00:59:53,680  
indigo children they indigo children

1432  
01:00:03,070 --> 00:59:58,490  
child special they're all Asians really

1433  
01:00:06,280 --> 01:00:03,080  
good fast man I'm jealous they're so

1434  
01:00:08,740 --> 01:00:06,290  
good at violin all of them are good I

1435  
01:00:12,940 --> 01:00:08,750  
can't say that well indigo children man

1436  
01:00:14,560 --> 01:00:12,950  
no but I mean it's yeah that it kind of

1437  
01:00:16,750 --> 01:00:14,570  
bums me out because the the lineage

1438  
01:00:18,670 --> 01:00:16,760

thing yeah so I guess I kind of hinted

1439

01:00:20,080 --> 01:00:18,680

at that but I keep trying to like stop

1440

01:00:22,420 --> 01:00:20,090

myself cuz I'm trying to think of our

1441

01:00:24,340 --> 01:00:22,430

listener you know like you know what I

1442

01:00:26,410 --> 01:00:24,350

don't want it to get too weird but [h\_\_h]

1443

01:00:28,060 --> 01:00:26,420

it you know what might as well well if

1444

01:00:30,090 --> 01:00:28,070

you're here and you're listening you're

1445

01:00:32,470 --> 01:00:30,100

obviously interested make it this far

1446

01:00:34,810 --> 01:00:32,480

exactly exactly and if you don't know

1447

01:00:37,180 --> 01:00:34,820

about it now you have the basis to go

1448

01:00:38,800 --> 01:00:37,190

with Google because it's not stuff we're

1449

01:00:40,390 --> 01:00:38,810

just making up off the top of our head

1450

01:00:42,930 --> 01:00:40,400

this is stuff that has been reported

1451

01:00:46,690 --> 01:00:42,940

yeah you know this is stuff that's

1452

01:00:49,240 --> 01:00:46,700

documented you know it's it's it's a

1453

01:00:52,300 --> 01:00:49,250

really crazy issue and it kind of goes

1454

01:00:54,340 --> 01:00:52,310

back to being the abductee like the

1455

01:00:56,349 --> 01:00:54,350

stuff that we know when you just say it

1456

01:00:57,910 --> 01:00:56,359

out loud you sound crazy so can you

1457

01:01:00,250 --> 01:00:57,920

imagine telling somebody about an

1458

01:01:02,770 --> 01:01:00,260

abductee experience all right being

1459

01:01:03,880 --> 01:01:02,780

abducted like just how crazy that must

1460

01:01:05,920 --> 01:01:03,890

sound coming out of your

1461

01:01:10,120 --> 01:01:05,930

own mouth yeah and saying that you're

1462

01:01:11,769 --> 01:01:10,130

like so I mean yeah we're sure us

1463

01:01:13,779 --> 01:01:11,779

talking about someone else that got

1464

01:01:15,430 --> 01:01:13,789

abducted it's not as crazy as somebody

1465

01:01:19,029 --> 01:01:15,440

that got abducted is telling their own

1466

01:01:23,440 --> 01:01:19,039

story right right yeah dude

1467

01:01:26,079 --> 01:01:23,450

but yeah like the the whole idea we're

1468

01:01:28,420 --> 01:01:26,089

like people find things in their skin

1469

01:01:31,870 --> 01:01:28,430

like pieces of metal that's the best

1470

01:01:34,089 --> 01:01:31,880

evidence that I've seen is being the

1471

01:01:37,029 --> 01:01:34,099

cooperating information not only their

1472

01:01:38,049 --> 01:01:37,039

stories are so similar like unconnected

1473

01:01:39,970 --> 01:01:38,059

people that don't know it you know

1474

01:01:42,789 --> 01:01:39,980

halfway across the world had the same

1475

01:01:45,779 --> 01:01:42,799

exact story have the same exact piece of

1476

01:01:48,640 --> 01:01:45,789

metal in their skin right it's like I

1477

01:01:50,680 --> 01:01:48,650

remember oh so the doctor that just died

1478

01:01:53,109 --> 01:01:50,690

that you sent to me what this is yeah

1479

01:01:55,509 --> 01:01:53,119

Bremen so yeah he was doing that

1480

01:01:58,210 --> 01:01:55,519

research right sucks that he's gone cuz

1481

01:02:01,359 --> 01:01:58,220

I was dope to see him speak

1482

01:02:04,059 --> 01:02:01,369

he was known for like the the first

1483

01:02:06,819 --> 01:02:04,069

civilian to really start to uncover the

1484

01:02:09,460 --> 01:02:06,829

area 51 story oh really no and so that's

1485

01:02:12,039 --> 01:02:09,470

kind of what got him you know but he was

1486

01:02:14,230 --> 01:02:12,049

also a doctor a nuclear physicist okay

1487

01:02:16,720 --> 01:02:14,240

he worked on all that kind of technology

1488

01:02:20,980 --> 01:02:16,730

I heard a really interesting story the

1489

01:02:22,870 --> 01:02:20,990

other day was on fade to black with

1490

01:02:24,490 --> 01:02:22,880

Jimmy Church I believe is what it was

1491

01:02:25,859 --> 01:02:24,500

and he had against churches a dope name

1492

01:02:31,390 --> 01:02:25,869

yeah

1493

01:02:33,220 --> 01:02:31,400

he was talking to to freedom when his

1494

01:02:35,349 --> 01:02:33,230

guest was talking to Freeman was asking

1495

01:02:37,660 --> 01:02:35,359

him if these lights in the sky could

1496

01:02:41,499 --> 01:02:37,670

possibly be like a pulpit of some sort

1497

01:02:44,170 --> 01:02:41,509

pulpit yeah and I guess it's it's it's

1498

01:02:47,259 --> 01:02:44,180

it's more of like an Eastern spiritual

1499

01:02:49,450 --> 01:02:47,269

thing that goes on but apparently

1500

01:02:51,849 --> 01:02:49,460

Friedman had the this the same reaction

1501  
01:02:54,579 --> 01:02:51,859  
like pulpit what is that and it was kind

1502  
01:02:55,870 --> 01:02:54,589  
of an interesting like take on how you

1503  
01:02:59,549 --> 01:02:55,880  
have a lot of these scientists and

1504  
01:03:01,779 --> 01:02:59,559  
physicists that are working on this but

1505  
01:03:05,099 --> 01:03:01,789  
they're thinking from an engineering

1506  
01:03:07,569 --> 01:03:05,109  
standpoint yeah as a as opposed to like

1507  
01:03:10,029 --> 01:03:07,579  
maybe there is like a real spiritual

1508  
01:03:12,519 --> 01:03:10,039  
aspect to this that people are missing

1509  
01:03:14,620 --> 01:03:12,529  
yeah and maybe that's a part that you

1510  
01:03:17,210 --> 01:03:14,630  
just can't get you know I guess the best

1511  
01:03:19,370 --> 01:03:17,220  
way I could relate it like within music

1512  
01:03:21,710 --> 01:03:19,380  
may have somebody who's like a music

1513  
01:03:24,680 --> 01:03:21,720

professional knows everything scales

1514

01:03:26,540 --> 01:03:24,690

theory this and that they can play

1515

01:03:28,550 --> 01:03:26,550

anything in the world but then you have

1516

01:03:31,339 --> 01:03:28,560

somebody who doesn't know anything about

1517

01:03:32,839 --> 01:03:31,349

music and that person who knows

1518

01:03:34,820 --> 01:03:32,849

everything about music and listen to

1519

01:03:37,099 --> 01:03:34,830

that guy and be like man that was so

1520

01:03:38,780 --> 01:03:37,109

creative yeah like how did you come up

1521

01:03:41,690 --> 01:03:38,790

with that alright you know it's just a

1522

01:03:44,630 --> 01:03:41,700

different like way of coming out the

1523

01:03:47,510 --> 01:03:44,640

subject you know then just you're you're

1524

01:03:50,870 --> 01:03:47,520

just nuts and bolts yeah there might be

1525

01:03:52,670 --> 01:03:50,880

a lot more to it and so you know I hear

1526

01:03:55,280 --> 01:03:52,680

a lot of stuff in this in this field

1527

01:03:58,730 --> 01:03:55,290

that sounds really like comment crazy

1528

01:04:00,770 --> 01:03:58,740

you know it's really like what I study

1529

01:04:03,380 --> 01:04:00,780

how did they get there yeah but you know

1530

01:04:06,680 --> 01:04:03,390

there's there's so many aspects that we

1531

01:04:09,050 --> 01:04:06,690

haven't even dove into yet yeah that

1532

01:04:11,359 --> 01:04:09,060

really could play a big part in it yeah

1533

01:04:13,520 --> 01:04:11,369

and so I was I mean super stoked about

1534

01:04:18,620 --> 01:04:13,530

what he was finding out about these

1535

01:04:20,990 --> 01:04:18,630

things in abductees bodies the guy we're

1536

01:04:23,030 --> 01:04:21,000

talking about yes yeah they like the

1537

01:04:28,880 --> 01:04:23,040

what's his metal pieces it's first name

1538

01:04:32,510 --> 01:04:28,890

India not [h\_\_\h] dr. Milton and not Milton

1539

01:04:33,710 --> 01:04:32,520

Friedman no we have the internet at our

1540

01:04:37,520 --> 01:04:33,720

fingertips what happens when you only

1541

01:04:41,839 --> 01:04:37,530

use people's last names Reid man Milton

1542

01:04:43,490 --> 01:04:41,849

yeah it is right no I see it that's the

1543

01:04:45,380 --> 01:04:43,500

other smart Friedman that's the

1544

01:04:48,050 --> 01:04:45,390

economist Milton Friedman I always get

1545

01:04:54,859 --> 01:04:48,060

them confused Milton and stand it there

1546

01:04:56,300 --> 01:04:54,869

we go our IP all right paste in yeah but

1547

01:04:59,359 --> 01:04:56,310

they so did you watch that documentary

1548

01:05:00,920 --> 01:04:59,369

with him in it I've seen it quite a few

1549

01:05:02,690 --> 01:05:00,930

patient number seven I think I don't

1550

01:05:07,160 --> 01:05:02,700

think I've seen out specifically no I

1551

01:05:09,589 --> 01:05:07,170

mean let me watch it but yeah like how

1552

01:05:12,770 --> 01:05:09,599

the body like grows into these things

1553

01:05:15,490 --> 01:05:12,780

like it uses the blood vessels and and

1554

01:05:18,260 --> 01:05:15,500

the cells don't you know reject it and

1555

01:05:21,800 --> 01:05:18,270

it's a part of it like becomes a part of

1556

01:05:23,510 --> 01:05:21,810

them yeah well and it's not like a

1557

01:05:26,510 --> 01:05:23,520

cancerous thing where like they have

1558

01:05:29,450 --> 01:05:26,520

develop a tumor around it right so which

1559

01:05:30,950 --> 01:05:29,460

is weird like you would think if a

1560

01:05:32,599 --> 01:05:30,960

foreign object is in your body your body

1561

01:05:33,109 --> 01:05:32,609

is gonna be like all right I don't like

1562

01:05:37,730 --> 01:05:33,119

this

1563

01:05:39,410 --> 01:05:37,740

try to eat it or you know dissolve it or

1564

01:05:48,349 --> 01:05:39,420

something the body doesn't react and it

1565

01:05:55,250 --> 01:05:48,359

just yet it's just yeah I mean I've seen

1566

01:06:01,329 --> 01:05:55,260

clips from it the name wrong terror

1567

01:06:07,670 --> 01:06:04,250

have you been to uh have you checked out

1568

01:06:10,760 --> 01:06:07,680

the UFO tv.com yeah oh the UFO TV yet

1569

01:06:13,220 --> 01:06:10,770

mm-hmm it's pretty cool load is that the

1570

01:06:15,710 --> 01:06:13,230

thing that you sent me then yeah yeah

1571

01:06:24,280 --> 01:06:15,720

loaded with documentaries everything is

1572

01:06:29,450 --> 01:06:27,950

he's got he's got quite a few on the on

1573

01:06:31,550 --> 01:06:29,460

the UFO TV if none of you guys have

1574

1577

01:06:40,010 --> 01:06:37,320

documentaries everything from government

1578

01:06:43,040 --> 01:06:40,020

conspiracies to alien conspiracies

1579

01:06:45,050 --> 01:06:43,050

technology conspiracies medical

1580

01:06:47,780 --> 01:06:45,060

conspiracies it's it's it's really cool

1581

01:06:52,460 --> 01:06:47,790

and I say conspiracy like not in a like

1582

01:06:58,190 --> 01:06:52,470

a you have to it's fake stuff but what

1583

01:07:01,099 --> 01:06:58,200

is this the chef's show all right we're

1584

01:07:05,750 --> 01:07:01,109

gonna be reviewing Netflix today ladies

1585

01:07:09,380 --> 01:07:05,760

and gentlemen on UFO garage is it on a

1586

01:07:13,010 --> 01:07:09,390

patient 17 patients a cozy 10 numbers

1587

01:07:16,339 --> 01:07:13,020

off yeah all right sorry about that

1588

01:07:18,770 --> 01:07:16,349

Gina took Weasley long was on dope you

1589

01:07:20,660 --> 01:07:18,780

should watch it a patient 17 on Netflix

1590

01:07:23,089 --> 01:07:20,670

everybody check it out I'm gonna have to

1591

01:07:27,950 --> 01:07:23,099

go home and and look at it tonight yeah

1592

01:07:29,480 --> 01:07:27,960

it's good yeah so that that's that's a

1593

01:07:32,060 --> 01:07:29,490

big thing just kind of close out that

1594

01:07:33,980 --> 01:07:32,070

thought is like the we're talking about

1595

01:07:35,660 --> 01:07:33,990

if you met an each ETI

1596

01:07:37,340 --> 01:07:35,670

mm-hm and you got abducted in you had

1597

01:07:39,080 --> 01:07:37,350

like a piece of salt mini relay

1598

01:07:40,970 --> 01:07:39,090

and then there's you find out there's

1599

01:07:42,980 --> 01:07:40,980

hundreds maybe even thousands of other

1600

01:07:44,450 --> 01:07:42,990

people that have little pieces of

1601  
01:07:46,450 --> 01:07:44,460  
something that no one knows it's like

1602  
01:07:50,930 --> 01:07:46,460  
made of different you know like

1603  
01:07:53,060 --> 01:07:50,940  
different metals alloys that obviously

1604  
01:07:55,640 --> 01:07:53,070  
didn't come from your body yeah you

1605  
01:07:58,640 --> 01:07:55,650  
don't make certain metal metallic

1606  
01:07:59,660 --> 01:07:58,650  
elements like let me have like iron and

1607  
01:08:03,620 --> 01:07:59,670  
stuff in your body

1608  
01:08:05,810 --> 01:08:03,630  
yeah she's metal but it's it's not it's

1609  
01:08:08,120 --> 01:08:05,820  
it's not like that yeah they're pulling

1610  
01:08:09,650 --> 01:08:08,130  
out like tiny rocks yeah of people yeah

1611  
01:08:12,560 --> 01:08:09,660  
there's something to it yeah there's

1612  
01:08:14,320 --> 01:08:12,570  
something to that for sure and they put

1613  
01:08:17,900 --> 01:08:14,330

the little Geiger counter over it yeah

1614

01:08:19,610 --> 01:08:17,910

it it Peaks the little counter that's

1615

01:08:20,720 --> 01:08:19,620

it's pretty crazy it's like radiation

1616

01:08:23,240 --> 01:08:20,730

coming from it uh-huh

1617

01:08:32,090 --> 01:08:23,250

or some type of electricity or energy

1618

01:08:33,620 --> 01:08:32,100

yeah definitely definitely man Oh have a

1619

01:08:36,950 --> 01:08:33,630
