

UFO
GARAGE
PODCAST

1
00:00:00,000 --> 00:00:05,079

[Music]

2
00:00:10,370 --> 00:00:07,909

this is another episode of UFO garage

3
00:00:12,680 --> 00:00:10,380

I'm Ben and I'm Joe and this is where we

4
00:00:18,019 --> 00:00:12,690

talk about UFOs aliens and all things

5
00:00:20,029 --> 00:00:18,029

weird bro what's up dude uh so this week

6
00:00:22,670 --> 00:00:20,039

we're gonna get a little focused on a

7
00:00:25,490 --> 00:00:22,680

little little thing called skinwalker

8
00:00:28,279 --> 00:00:25,500

ranch we're gonna focus we're gonna

9
00:00:31,130 --> 00:00:28,289

we're gonna try to focus okay

10
00:00:33,530 --> 00:00:31,140

so I mentioned we got some feedback some

11
00:00:35,479 --> 00:00:33,540

people were like hey I love the tangents

12
00:00:36,799 --> 00:00:35,489

you go here and there but it'd be nice

13
00:00:39,020 --> 00:00:36,809

if you kind of focus on one little

14

00:00:42,590 --> 00:00:39,030

subject so we're kind of try to go as

15

00:00:45,590 --> 00:00:42,600

long as we can on this one thing I did

16

00:00:48,790 --> 00:00:45,600

some research watched a documentary two

17

00:00:52,010 --> 00:00:48,800

documentaries right a little bit online

18

00:00:53,990 --> 00:00:52,020

other than what I already knew from like

19

00:00:56,450 --> 00:00:54,000

ancient aliens and all those different

20

00:01:00,049 --> 00:00:56,460

shows skinwalker ranch is kind of the

21

00:01:03,200 --> 00:01:00,059

mecca of UFOs aliens and all things

22

00:01:05,630 --> 00:01:03,210

weird all things weird right like it's

23

00:01:08,240 --> 00:01:05,640

it's like yeah yeah it's the hot spot

24

00:01:10,310 --> 00:01:08,250

for sure there's some kind of vortex I

25

00:01:11,810 --> 00:01:10,320

don't you've talked about vortexes in

26

00:01:15,230 --> 00:01:11,820

the past and I feel like that's the best

27

00:01:17,690 --> 00:01:15,240

example of just like an anomalous spot

28

00:01:20,390 --> 00:01:17,700

on earth that's just weird [h__\h] happen

29

00:01:23,149 --> 00:01:20,400

yeah yeah it's a crazy energy yeah that

30

00:01:26,030 --> 00:01:23,159

is just in that area yeah and it's not

31

00:01:28,219 --> 00:01:26,040

specific to the the ranch itself right

32

00:01:30,289 --> 00:01:28,229

it's that whole surrounding area it's

33

00:01:33,649 --> 00:01:30,299

like a basin like Plateau

34

00:01:37,840 --> 00:01:33,659

kind of horseshoe area in Utah how do

35

00:01:42,200 --> 00:01:37,850

you say you in yeah you and talk County

36

00:01:44,179 --> 00:01:42,210

uint8 H County and Utah and there's like

37

00:01:46,760 --> 00:01:44,189

other ranches around but this specific

38

00:01:49,940 --> 00:01:46,770

ranch it's like 400 something right

39

00:01:54,200 --> 00:01:49,950

nickers you know it was held it was

40

00:01:56,179 --> 00:01:54,210

owned by this family I mean you you

41

00:02:02,420 --> 00:01:56,189

actually knew more than about that well

42

00:02:04,429 --> 00:02:02,430

so so they're the I mean so I guess the

43

00:02:06,649 --> 00:02:04,439

the family that we were gonna talk about

44

00:02:09,589 --> 00:02:06,659

they bought it from an anonymous family

45

00:02:11,440 --> 00:02:09,599

okay and around I I think it was 1987 I

46

00:02:13,290 --> 00:02:11,450

believe yeah they had already

47

00:02:17,190 --> 00:02:13,300

experienced a bunch of

48

00:02:20,610 --> 00:02:17,200

weird happenings right right and so make

49

00:02:22,700 --> 00:02:20,620

sure the Sherman's right so yeah so when

50

00:02:26,040 --> 00:02:22,710

the when the Sherman's bought the house

51
00:02:28,530 --> 00:02:26,050
they got it at a steel yeah and so they

52
00:02:30,330 --> 00:02:28,540
were kind of like dude yeah yeah of

53
00:02:33,870 --> 00:02:30,340
course we want this land you know and

54
00:02:36,690 --> 00:02:33,880
the guy was like a cattle-raiser that's

55
00:02:40,200 --> 00:02:36,700
like his yeah dream was to raise cattle

56
00:02:43,860 --> 00:02:40,210
sell like Kobe beef and you know really

57
00:02:46,320 --> 00:02:43,870
prized cattle this is prime prime cattle

58
00:02:48,480 --> 00:02:46,330
yeah expensive stuff what do you call it

59
00:02:56,400 --> 00:02:48,490
not Kobe I just said that but uh some

60
00:02:58,860 --> 00:02:56,410
Wagyu marbled yeah so when they

61
00:03:00,630 --> 00:02:58,870
purchased the house you know they they

62
00:03:03,630 --> 00:03:00,640
kind of walk through it they noticed

63
00:03:06,540 --> 00:03:03,640

that there's all kinds of locks all over

64

00:03:08,220 --> 00:03:06,550

the doors and the windows and you know

65

00:03:11,520 --> 00:03:08,230

they're thinking well being a chains

66

00:03:13,980 --> 00:03:11,530

like bolted to the wall right right yeah

67

00:03:18,270 --> 00:03:13,990

yeah like in the front entryway of the

68

00:03:20,820 --> 00:03:18,280

house there was like bolted chains and I

69

00:03:22,170 --> 00:03:20,830

mean they ever lose four big guard dogs

70

00:03:24,570 --> 00:03:22,180

you know they thought they were just you

71

00:03:27,390 --> 00:03:24,580

know a little overly protective yeah of

72

00:03:29,580 --> 00:03:27,400

the property so I mean automatically all

73

00:03:30,990 --> 00:03:29,590

right number one it's a cheap piece of

74

00:03:32,610 --> 00:03:31,000

land all right first off if I'm gonna

75

00:03:35,130 --> 00:03:32,620

buy a house and it's way under priced

76

00:03:37,590 --> 00:03:35,140

the first question I'm gonna ask the

77

00:03:39,750 --> 00:03:37,600

whoever is is it haunted yeah like

78

00:03:41,760 --> 00:03:39,760

that's the first thing why is this so

79

00:03:42,180 --> 00:03:41,770

cheap why is it so cheap yeah what's the

80

00:03:45,060 --> 00:03:42,190

catch

81

00:03:46,710 --> 00:03:45,070

yeah so I wonder if they they asked that

82

00:03:48,990 --> 00:03:46,720

I mean there's more than one house on

83

00:03:50,640 --> 00:03:49,000

the property right there's like the main

84

00:03:52,530 --> 00:03:50,650

house the main house yeah and it's a

85

00:03:55,680 --> 00:03:52,540

bunch of their little tiny but they were

86

00:03:58,680 --> 00:03:55,690

they were more rundown yeah more like

87

00:03:59,820 --> 00:03:58,690

utility shacks I guess sheds well not

88

00:04:01,500 --> 00:03:59,830

really sheds but you know they were

89

00:04:03,390 --> 00:04:01,510

still house form but they were a lot

90

00:04:04,710 --> 00:04:03,400

more rundown so right you know they were

91

00:04:11,280 --> 00:04:04,720

probably will just live here instead

92

00:04:15,240 --> 00:04:11,290

yeah so so this family buys this this

93

00:04:17,159 --> 00:04:15,250

property 400 some acres and they are

94

00:04:19,050 --> 00:04:17,169

living out their dream being

95

00:04:21,300 --> 00:04:19,060

cattle-raiser or you know cattle raisers

96

00:04:24,750 --> 00:04:21,310

what do you call that cop Cowboys yeah

97

00:04:25,970 --> 00:04:24,760

yeah guys and women ranchers there you

98

00:04:31,340 --> 00:04:25,980

go

99

00:04:33,740 --> 00:04:31,350

ranchers and the first day so this from

100

00:04:36,379 --> 00:04:33,750

the documentary and other resources to

101
00:04:38,270 --> 00:04:36,389
say the first day they pull up with a

102
00:04:40,100 --> 00:04:38,280
trailer with some other cattle they

103
00:04:44,090 --> 00:04:40,110
wrangle some cattle into this little

104
00:04:45,860 --> 00:04:44,100
Corral and they look off in the distance

105
00:04:48,230 --> 00:04:45,870
and it's like the whole family so it's

106
00:04:51,170 --> 00:04:48,240
like I'm the mom the dad and maybe a kid

107
00:04:53,570 --> 00:04:51,180
or two and they see this little figure

108
00:04:56,320 --> 00:04:53,580
looks like a dog coming straight at him

109
00:04:58,909 --> 00:04:56,330
real nonchalant it gets gets closer

110
00:05:00,350 --> 00:04:58,919
turns out it's like a wolf you know at

111
00:05:02,659 --> 00:05:00,360
first it was a coyote now it's a wolf

112
00:05:04,640 --> 00:05:02,669
and it keeps getting bigger right yeah

113
00:05:06,379 --> 00:05:04,650

and it turns out he gets real close like

114

00:05:09,350 --> 00:05:06,389

really friendly but it's like a wolf

115

00:05:12,170 --> 00:05:09,360

that is they say the shoulder like the

116

00:05:14,540 --> 00:05:12,180

shoulders of the wolf are as tall as the

117

00:05:18,080 --> 00:05:14,550

man's shoulder the guy who bought you

118

00:05:19,790 --> 00:05:18,090

bought the ranch so huge huge dire wolf

119

00:05:23,090 --> 00:05:19,800

in Game of Thrones and dude I mean

120

00:05:25,550 --> 00:05:23,100

wolves are huge right already yeah

121

00:05:28,610 --> 00:05:25,560

they're already big but dude the

122

00:05:30,710 --> 00:05:28,620

shoulder up to your shoulder that's all

123

00:05:35,120 --> 00:05:30,720

that's a whole new level of big did you

124

00:05:37,820 --> 00:05:35,130

know that is a huge and it's incredible

125

00:05:40,490 --> 00:05:37,830

yeah so just like imagine imagine that

126

00:05:42,409 --> 00:05:40,500

and they say he came off as like nice

127

00:05:45,830 --> 00:05:42,419

yeah I think somebody's pet day assuming

128

00:05:46,790 --> 00:05:45,840

was somebody's pet dude who the [h__\h] has

129

00:05:52,550 --> 00:05:46,800

a pet like that

130

00:05:56,180 --> 00:05:52,560

Johnson Jon Snow the Starks bro dude I

131

00:06:02,870 --> 00:05:56,190

mean the is it a game of Thrones

132

00:06:04,940 --> 00:06:02,880

reference nah dude it's not yeah so do

133

00:06:09,159 --> 00:06:04,950

you really not gonna be that guy I'm

134

00:06:11,270 --> 00:06:09,169

gonna be that guy really I haven't seen

135

00:06:13,640 --> 00:06:11,280

people are gonna stop listening in this

136

00:06:17,120 --> 00:06:13,650

episode wait yeah yeah I don't have HBO

137

00:06:20,180 --> 00:06:17,130

I don't have the online HBO login dude

138

00:06:24,290 --> 00:06:20,190

you know that would be cool I recently

139

00:06:25,640 --> 00:06:24,300

got got the Roku TV and it's got all

140

00:06:27,080 --> 00:06:25,650

that stuff on there but you know you

141

00:06:28,760 --> 00:06:27,090

still gotta create accounts and things

142

00:06:31,400 --> 00:06:28,770

but I just haven't gotten around to it

143

00:06:33,950 --> 00:06:31,410

yet I'll trade I want UFO TV I'll trade

144

00:06:35,540 --> 00:06:33,960

you that for a space be a deal it's not

145

00:06:39,590 --> 00:06:35,550

even my eyes my mom's deal Oh

146

00:06:41,720 --> 00:06:39,600

shout shout out to moms alright mom

147

00:06:52,010 --> 00:06:41,730

that's the one thing that I'm still tied

148

00:06:54,200 --> 00:06:52,020

to you pay for everything else the owner

149

00:06:55,910 --> 00:06:54,210

of a know the the guy that the main guy

150

00:06:58,340 --> 00:06:55,920

was like hey I don't care people share

151
00:06:59,750 --> 00:06:58,350
they're not usernames it's pretty cool

152
00:07:01,610 --> 00:06:59,760
yeah he came out publicly and was like

153
00:07:03,260 --> 00:07:01,620
what you know as long as people are

154
00:07:05,390 --> 00:07:03,270
enjoying themselves everybody was so

155
00:07:07,850 --> 00:07:05,400
stoked about this last season coming out

156
00:07:09,500 --> 00:07:07,860
and I was gonna hop on the train and I

157
00:07:12,470 --> 00:07:09,510
was just gonna watch him to see what's

158
00:07:13,880 --> 00:07:12,480
going on but you know I was like I'm

159
00:07:15,980 --> 00:07:13,890
just gonna I'm just gonna wait till it's

160
00:07:18,080 --> 00:07:15,990
over till the hypes dead I want to see

161
00:07:21,470 --> 00:07:18,090
and I'm jealous of that and just watch

162
00:07:23,150 --> 00:07:21,480
it on my own time and you know I don't

163
00:07:24,800 --> 00:07:23,160

have to wait for anything I could just

164

00:07:26,570 --> 00:07:24,810

binge watch it up I wanted I'm honestly

165

00:07:27,440 --> 00:07:26,580

a little jealous of you I mean I know

166

00:07:30,800 --> 00:07:27,450

you're gonna like it

167

00:07:32,360 --> 00:07:30,810

I have no clue what it's about it seems

168

00:07:34,880 --> 00:07:32,370

like something I'd be pretty into you

169

00:07:37,220 --> 00:07:34,890

like medieval yeah oh yeah all right

170

00:07:39,980 --> 00:07:37,230

cool I love that stuff yeah you'll like

171

00:07:44,060 --> 00:07:39,990

it well so so much for staying on track

172

00:07:47,570 --> 00:07:44,070

yeah and three minutes into this and

173

00:07:53,390 --> 00:07:47,580

immediately I forgot to do the timer I'm

174

00:07:57,410 --> 00:07:53,400

guessing but yes but yeah so the wolf

175

00:08:00,530 --> 00:07:57,420

right all right so the wolf the owner

176
00:08:02,810 --> 00:08:00,540
the guy the man the dad is like all

177
00:08:05,150 --> 00:08:02,820
right this guy this this wolf is super

178
00:08:08,060 --> 00:08:05,160
friendly so he reaches out and pets this

179
00:08:10,100 --> 00:08:08,070
wolf and it's like super domesticated it

180
00:08:11,270 --> 00:08:10,110
seems like and then all of a sudden kind

181
00:08:15,350 --> 00:08:11,280
of like this wolf just kind of likes

182
00:08:17,390 --> 00:08:15,360
limps slopes over to the what do you got

183
00:08:18,650 --> 00:08:17,400
the corral and this little baby calf is

184
00:08:20,360 --> 00:08:18,660
kind of checking it out reaching his

185
00:08:23,210 --> 00:08:20,370
little neck through the little bars and

186
00:08:25,610 --> 00:08:23,220
this wolf just gets ahold of this baby

187
00:08:28,010 --> 00:08:25,620
calf's neck and just starts I'm gonna

188
00:08:31,040 --> 00:08:28,020

I'm gonna you know yeah that's mine

189

00:08:32,780 --> 00:08:31,050

head fur your food so the whole family's

190

00:08:35,060 --> 00:08:32,790

like freaking out they start hitting it

191

00:08:37,250 --> 00:08:35,070

with sticks kicking it punching it the

192

00:08:41,029 --> 00:08:37,260

dad finally calls for the son to grab

193

00:08:44,480 --> 00:08:41,039

his it's a big gun it's a whatever

194

00:08:46,700 --> 00:08:44,490

caliber it's like a 45 I want to say I'm

195

00:08:48,980 --> 00:08:46,710

probably wrong on that but they start

196

00:08:51,140 --> 00:08:48,990

shooting this wolf and they shoot one

197

00:08:53,300 --> 00:08:51,150

one in its belly nothing

198

00:08:55,850 --> 00:08:53,310

nothing right what it just even wound it

199

00:08:57,440 --> 00:08:55,860

nothing doesn't stop doesn't do anything

200

00:09:00,800 --> 00:08:57,450

shoots three times and by the third time

201
00:09:02,540 --> 00:09:00,810
he finally like the wolf let's go and he

202
00:09:04,970 --> 00:09:02,550
kind of just walks really weird just

203
00:09:09,590 --> 00:09:04,980
kind of walked and looks at him like wow

204
00:09:12,500 --> 00:09:09,600
you know there's no blood and it just

205
00:09:13,430 --> 00:09:12,510
walks off and the abyss and they never

206
00:09:15,560 --> 00:09:13,440
see him again

207
00:09:19,130 --> 00:09:15,570
do that's why so that's the first story

208
00:09:22,100 --> 00:09:19,140
of skinwalker ranch and again we're

209
00:09:26,870 --> 00:09:22,110
talking about this specific place on

210
00:09:29,570 --> 00:09:26,880
earth in Utah that I mean has to be the

211
00:09:30,950 --> 00:09:29,580
mecca of all things weird UFOs aliens

212
00:09:32,810 --> 00:09:30,960
that's the first thing and I guess

213
00:09:35,870 --> 00:09:32,820

that's just something weird is fun right

214

00:09:37,670 --> 00:09:35,880

yeah in people like you know a wolf well

215

00:09:40,070 --> 00:09:37,680

maybe a wolf and get that big bullet

216

00:09:42,470 --> 00:09:40,080

proof you know what do you expect you

217

00:09:44,420 --> 00:09:42,480

know it's a calf of course a wolf is

218

00:09:46,430 --> 00:09:44,430

gonna go after a little baby calf right

219

00:09:47,540 --> 00:09:46,440

right and and I would see how some

220

00:09:49,430 --> 00:09:47,550

people will be like well maybe it was a

221

00:09:52,070 --> 00:09:49,440

bear and maybe it just happened so fast

222

00:09:54,830 --> 00:09:52,080

that rights thought they there was a

223

00:09:56,960 --> 00:09:54,840

wolf because you can shoot a bear and a

224

00:10:00,530 --> 00:09:56,970

lot I don't have the correct gun you're

225

00:10:02,540 --> 00:10:00,540

just gonna piss it off [h__h] bears yeah

226

00:10:04,490 --> 00:10:02,550

it seems like it would be pretty scary

227

00:10:06,050 --> 00:10:04,500

yeah definitely pretty ski bullets shot

228

00:10:07,610 --> 00:10:06,060

up shot bears multiple times but they

229

00:10:09,770 --> 00:10:07,620

had to shoot this wolf with two

230

00:10:12,920 --> 00:10:09,780

different guns well that's right they

231

00:10:14,690 --> 00:10:12,930

got the the rifle out mm-hmm got him in

232

00:10:16,610 --> 00:10:14,700

a distance mm-hmm and just nothing

233

00:10:18,830 --> 00:10:16,620

nothing just walked away like it was

234

00:10:22,370 --> 00:10:18,840

annoyed or something yeah so I mean

235

00:10:25,490 --> 00:10:22,380

that's so that's like the first to the t

236

00:10:30,440 --> 00:10:25,500

episode there's a lot of in-between

237

00:10:34,130 --> 00:10:30,450

stuff one involves just orbs mysterious

238

00:10:35,750 --> 00:10:34,140

orbs the did you hear about the blue

239

00:10:37,400 --> 00:10:35,760

meetings they call them the bull yeah I

240

00:10:39,230 --> 00:10:37,410

mean there's two different kinds yeah

241

00:10:40,940 --> 00:10:39,240

there's the orange ones and then the

242

00:10:42,890 --> 00:10:40,950

blue ones I forget what the orange ones

243

00:10:45,080 --> 00:10:42,900

do that the the orange ones were just

244

00:10:47,780 --> 00:10:45,090

kind of you know they floated around

245

00:10:50,660 --> 00:10:47,790

they they you know nobody could ever you

246

00:10:52,700 --> 00:10:50,670

know catch him nobody could ever follow

247

00:10:54,470 --> 00:10:52,710

him you know it always just the further

248

00:10:56,120 --> 00:10:54,480

you the closer you thought you were

249

00:10:58,040 --> 00:10:56,130

getting the further away it was getting

250

00:10:59,870 --> 00:10:58,050

so I remember this you made me think of

251

00:11:02,960 --> 00:10:59,880

this one other story that in between

252

00:11:03,830 --> 00:11:02,970

hazy part was like they realized that

253

00:11:07,220 --> 00:11:03,840

one of their pride

254

00:11:08,900 --> 00:11:07,230

calves or you know cows had walked away

255

00:11:10,790 --> 00:11:08,910

they could find it so they tracked it

256

00:11:12,260 --> 00:11:10,800

they found the tracks going onto the

257

00:11:13,970 --> 00:11:12,270

riverbank there's like a little stream

258

00:11:16,010 --> 00:11:13,980

not River but like a little stream at

259

00:11:20,270 --> 00:11:16,020

the edge of the property so they follow

260

00:11:24,020 --> 00:11:20,280

this cows tracks and like 20 feet from

261

00:11:25,550 --> 00:11:24,030

the river it just stops yeah and at that

262

00:11:26,720 --> 00:11:25,560

point by the time they had reached the

263

00:11:30,260 --> 00:11:26,730

the river

264

00:11:33,170 --> 00:11:30,270

it's like dusk and and the man and his

265

00:11:36,050 --> 00:11:33,180

two sons kind of look in the distance

266

00:11:37,940 --> 00:11:36,060

and it looks like somebody is driving on

267

00:11:41,510 --> 00:11:37,950

other property it looks like headlights

268

00:11:43,430 --> 00:11:41,520

right so that's what one is for is the

269

00:11:45,800 --> 00:11:43,440

orange orb yeah so what they keep

270

00:11:48,830 --> 00:11:45,810

walking closer and closer and it just

271

00:11:50,570 --> 00:11:48,840

kind of drifts up into the sky and just

272

00:11:53,960 --> 00:11:50,580

kind of takes off as soon as they get

273

00:11:56,660 --> 00:11:53,970

really close yeah yeah but the so that

274

00:11:59,150 --> 00:11:56,670

cow it's walking right and it disappears

275

00:12:01,160 --> 00:11:59,160

there's no footprints no and the same

276

00:12:03,590 --> 00:12:01,170

thing happened to the wolf because they

277

00:12:05,480 --> 00:12:03,600

follow the wolf out into the woods to

278

00:12:06,980 --> 00:12:05,490

make sure that you know we got to get

279

00:12:08,810 --> 00:12:06,990

rid of this thing right if it's gonna do

280

00:12:10,640 --> 00:12:08,820

this to the cattle we got to get rid of

281

00:12:12,890 --> 00:12:10,650

it yeah they track it predator and all

282

00:12:15,260 --> 00:12:12,900

of a sudden the tracks stop out of

283

00:12:18,740 --> 00:12:15,270

nowhere so this is happening to all the

284

00:12:22,940 --> 00:12:18,750

animals yeah around on the on the ranch

285

00:12:27,080 --> 00:12:22,950

so then so then they see those orange

286

00:12:30,110 --> 00:12:27,090

orbs right and then I might be skipping

287

00:12:33,290 --> 00:12:30,120

a bunch of different stories but the the

288

00:12:37,310 --> 00:12:33,300

one I guess story that I'm thinking of

289

00:12:39,590 --> 00:12:37,320

the blue orb had stopped I guess it was

290

00:12:42,740 --> 00:12:39,600

like just midday or no it was at night

291

00:12:45,850 --> 00:12:42,750

and it stopped and they and this orb

292

00:12:49,790 --> 00:12:45,860

kind of grew into this big circle and

293

00:12:52,040 --> 00:12:49,800

through the circle you could see a like

294

00:12:59,950 --> 00:12:52,050

it was daylight as if it was a portal to

295

00:13:10,610 --> 00:13:07,310

dude your hot pockets already licked up

296

00:13:13,010 --> 00:13:10,620

a timer to time how long our podcast was

297

00:13:15,130 --> 00:13:13,020

but it was a countdown timer from 5

298

00:13:24,090 --> 00:13:15,140

minutes

299

00:13:30,280 --> 00:13:24,100

so dumb stopwatch no oh my god

300

00:13:32,310 --> 00:13:30,290

alright still going alright is it not

301
00:13:38,740 --> 00:13:32,320
good

302
00:13:43,509 --> 00:13:38,750
alright that was dumb so [h__\h] it let's

303
00:13:45,840 --> 00:13:43,519
leave it in the portal the portal okay

304
00:13:49,120 --> 00:13:45,850
that that kind of [h__\h] me up because

305
00:13:51,310 --> 00:13:49,130
number one it's not it's not like it

306
00:13:54,579 --> 00:13:51,320
doesn't sound like a story that you

307
00:13:58,750 --> 00:13:54,589
would just randomly throw in right it's

308
00:14:00,250 --> 00:13:58,760
- yeah it's too specific it's very

309
00:14:02,980 --> 00:14:00,260
specific and it sounds way too

310
00:14:06,730 --> 00:14:02,990
ridiculous way too ridiculous

311
00:14:09,460 --> 00:14:06,740
yeah like oh yeah this orange this blue

312
00:14:11,860 --> 00:14:09,470
door opens and then I can see through

313
00:14:14,680 --> 00:14:11,870

this ring and it looks like daylight is

314

00:14:16,090 --> 00:14:14,690

it daylight so it's nighttime on earth

315

00:14:19,780 --> 00:14:16,100

and they look through this thing it's

316

00:14:21,850 --> 00:14:19,790

frickin daylight dude that's that's

317

00:14:24,100 --> 00:14:21,860

insane

318

00:14:28,509 --> 00:14:24,110

yeah so that's another weird don't they

319

00:14:31,900 --> 00:14:28,519

see a black figure that crawled through

320

00:14:35,769 --> 00:14:31,910

the portal or whatever it was

321

00:14:37,900 --> 00:14:35,779

oh they said they saw a black figure he

322

00:14:40,300 --> 00:14:37,910

was like what's going on and the guy was

323

00:14:41,800 --> 00:14:40,310

just kind of fixed on the portal he's

324

00:14:44,740 --> 00:14:41,810

crawling on his hands and knees and

325

00:14:47,050 --> 00:14:44,750

there's this creature yeah it's it you

326
00:14:49,750 --> 00:14:47,060
know I guess it looked humanoid but it

327
00:14:51,939 --> 00:14:49,760
was a shadow figure crawls out of this

328
00:14:55,210 --> 00:14:51,949
portal and takes off running

329
00:14:56,800 --> 00:14:55,220
yeah it's faster than then human but

330
00:15:00,699 --> 00:14:56,810
just takes off running out into the

331
00:15:02,410 --> 00:15:00,709
woods all right dude like so the the

332
00:15:04,840 --> 00:15:02,420
story I heard he's like this shadow

333
00:15:06,850 --> 00:15:04,850
figures on his hands and knees and he's

334
00:15:10,269 --> 00:15:06,860
crawling through this little wormhole

335
00:15:12,910 --> 00:15:10,279
and he gets to the edge just one leg out

336
00:15:16,360 --> 00:15:12,920
another leg behind him and just takes

337
00:15:17,500 --> 00:15:16,370
off like that is so creepy extremely

338
00:15:23,019 --> 00:15:17,510

creepy dude

339

00:15:24,790 --> 00:15:23,029

man no I know no sir no no no not at all

340

00:15:29,200 --> 00:15:24,800

but they call these things Blue Meanies

341

00:15:32,630 --> 00:15:29,210

right because for some reason the blue

342

00:15:35,240 --> 00:15:32,640

like gave you an uneasy feel that

343

00:15:36,980 --> 00:15:35,250

s'right yeah they kind of like for some

344

00:15:39,380 --> 00:15:36,990

reason they they just made the hair on

345

00:15:42,410 --> 00:15:39,390

the back your neck stand up right it

346

00:15:44,390 --> 00:15:42,420

would freak people out making really

347

00:15:46,490 --> 00:15:44,400

fearful like yeah out of nowhere yeah

348

00:15:50,630 --> 00:15:46,500

and for some reason these blue meetings

349

00:15:52,610 --> 00:15:50,640

would do that and one crazy story that

350

00:15:55,640 --> 00:15:52,620

he had was he was sitting on the porch

351
00:15:57,350 --> 00:15:55,650
and he sees one of those blue orbs off

352
00:15:59,450 --> 00:15:57,360
in the distance right and the dog and

353
00:16:01,880 --> 00:15:59,460
the dogs they they get up and they start

354
00:16:04,430 --> 00:16:01,890
barking and he's like okay so it kind of

355
00:16:06,890 --> 00:16:04,440
makes him feel a little good that it

356
00:16:08,660 --> 00:16:06,900
doesn't affect the animals in the same

357
00:16:10,220 --> 00:16:08,670
way right it may still freak him out but

358
00:16:12,590 --> 00:16:10,230
also that he's not crazy like it's not

359
00:16:15,080 --> 00:16:12,600
just him right right and the dogs you

360
00:16:17,990 --> 00:16:15,090
know he so he lets him go and they take

361
00:16:21,170 --> 00:16:18,000
off and you know he says that the the

362
00:16:23,510 --> 00:16:21,180
orb it goes away and then he hears the

363
00:16:27,470 --> 00:16:23,520

dogs squeal yelping the background

364

00:16:30,320 --> 00:16:27,480

whelping right and then it's just silent

365

00:16:33,380 --> 00:16:30,330

so you know he's not gonna go look for

366

00:16:36,080 --> 00:16:33,390

him at night he'll know you know he

367

00:16:37,910 --> 00:16:36,090

waits you know an hour or so they never

368

00:16:40,100 --> 00:16:37,920

come back so he's like we'll go look for

369

00:16:42,890 --> 00:16:40,110

him in the morning him and his son right

370

00:16:45,590 --> 00:16:42,900

yeah so the next morning they go to the

371

00:16:49,910 --> 00:16:45,600

area where they saw this orb and the

372

00:16:54,830 --> 00:16:49,920

dogs ran out and they were the dogs were

373

00:16:56,750 --> 00:16:54,840

charred okay so I yeah so it's just like

374

00:17:00,080 --> 00:16:56,760

almost a skeleton a little bit of meat

375

00:17:04,189 --> 00:17:00,090

but just still crispy like yes somebody

376

00:17:05,929 --> 00:17:04,199

had set them on fire with a like a I got

377

00:17:07,970 --> 00:17:05,939

like a flame thrower yeah it was like

378

00:17:11,420 --> 00:17:07,980

they were just torched bro they got

379

00:17:13,400 --> 00:17:11,430

smited dude smited by the spider the

380

00:17:15,340 --> 00:17:13,410

blue meat so also blue meanie

381

00:17:20,420 --> 00:17:15,350

have you seen Yellow Submarine the

382

00:17:23,329 --> 00:17:20,430

absolute have I seen that that's that's

383

00:17:26,000 --> 00:17:23,339

the most trippy it's crazy it's such a

384

00:17:27,350 --> 00:17:26,010

crazy ass movie so good reference so

385

00:17:29,150 --> 00:17:27,360

shout-out to whoever came up with that

386

00:17:29,540 --> 00:17:29,160

that reference yeah we mean the blue

387

00:17:31,880 --> 00:17:29,550

meanie

388

00:17:34,250 --> 00:17:31,890

but yeah they are me and they zapped a

389

00:17:36,830 --> 00:17:34,260

dog how would you feel if your dog well

390

00:17:42,140 --> 00:17:36,840

gizmo got zapped dude

391

00:17:46,279 --> 00:17:42,150

my little gizmo if somebody's zapped my

392

00:17:48,919 --> 00:17:46,289

dog man that sucks because there's

393

00:17:52,669 --> 00:17:48,929

nothing you can do about it did nothing

394

00:17:54,049 --> 00:17:52,679

nothing it's literally a light in the

395

00:17:56,539 --> 00:17:54,059

sky that's all that's all the

396

00:17:57,919 --> 00:17:56,549

information you have is that I mean put

397

00:18:02,180 --> 00:17:57,929

yourself in his shoes

398

00:18:03,680 --> 00:18:02,190

gizmo runs after a little blue light and

399

00:18:05,840 --> 00:18:03,690

then you wake up the next morning and

400

00:18:09,529 --> 00:18:05,850

he's a little in alright that that's

401
00:18:12,680 --> 00:18:09,539
making me sad we can't talk I know it's

402
00:18:14,899 --> 00:18:12,690
like yeah so that that begins the the

403
00:18:20,720 --> 00:18:14,909
changing subjects a little bit cuz it's

404
00:18:24,289 --> 00:18:20,730
making me sad talking about that so that

405
00:18:26,240 --> 00:18:24,299
leads into the cow mutilations that kind

406
00:18:29,930 --> 00:18:26,250
of starts yeah this whole new thing

407
00:18:31,399 --> 00:18:29,940
where and again that kind of there's a

408
00:18:34,519 --> 00:18:31,409
there's a theme throughout this whole

409
00:18:36,710 --> 00:18:34,529
story and I mean I'm sure it's still

410
00:18:38,680 --> 00:18:36,720
going on so it's not done yet there's

411
00:18:41,060 --> 00:18:38,690
still [h__\h] happening all the time yeah

412
00:18:42,470 --> 00:18:41,070
everyone that's we'll get you this later

413
00:18:44,840 --> 00:18:42,480

but everyone that's researched this

414

00:18:46,340 --> 00:18:44,850

place they found out they all come to

415

00:18:50,029 --> 00:18:46,350

the conclusion that nothing happens

416

00:18:52,430 --> 00:18:50,039

twice like no no instance happens like

417

00:18:53,870 --> 00:18:52,440

again you know like right it's always

418

00:18:55,549 --> 00:18:53,880

something different always in the

419

00:18:56,990 --> 00:18:55,559

different place which which leads a lot

420

00:19:00,409 --> 00:18:57,000

of people to believe that it's an

421

00:19:03,200 --> 00:19:00,419

intelligent force whatever it is is that

422

00:19:05,630 --> 00:19:03,210

it's like a little prankster it's a joke

423

00:19:07,850 --> 00:19:05,640

stirred playing it knows it doesn't want

424

00:19:09,230 --> 00:19:07,860

to be investigated yeah does not want to

425

00:19:11,389 --> 00:19:09,240

be investigated so what we'll get to

426

00:19:13,850 --> 00:19:11,399

that but I want to kind of go through

427

00:19:17,769 --> 00:19:13,860

some of the weird stories for sure so

428

00:19:20,720 --> 00:19:17,779

that leads into the cattle mutilations I

429

00:19:22,700 --> 00:19:20,730

forget what the first one is but they

430

00:19:26,500 --> 00:19:22,710

start finding right they start finding

431

00:19:29,539 --> 00:19:26,510

their prized cows like these \$8,000 cows

432

00:19:33,110 --> 00:19:29,549

with their ears surgically removed I

433

00:19:36,620 --> 00:19:33,120

mean it's not some wolf yanking on an

434

00:19:39,620 --> 00:19:36,630

ear it's like someone took a an exacto

435

00:19:42,230 --> 00:19:39,630

knife yeah to the ears like so clean and

436

00:19:45,260 --> 00:19:42,240

there's like little spots around the the

437

00:19:47,400 --> 00:19:45,270

cow skull surgically you know taking the

438

00:19:49,500 --> 00:19:47,410

skin off you could see the bone yeah the

439

00:19:51,060 --> 00:19:49,510

moved and then like nipples like they'll

440

00:19:53,640 --> 00:19:51,070

take the nipples off of it or whatever

441

00:19:56,550 --> 00:19:53,650

like the heats all around the the back

442

00:19:58,530 --> 00:19:56,560

yeah back is just clean cut right

443

00:20:00,540 --> 00:19:58,540

there's no blood see the spine and also

444

00:20:02,970 --> 00:20:00,550

the spine there's there's nothing it's

445

00:20:04,290 --> 00:20:02,980

like Oh blood in the ground right and I

446

00:20:06,690 --> 00:20:04,300

mean usually when there's an animal

447

00:20:08,820 --> 00:20:06,700

attack there's like there's so much

448

00:20:11,190 --> 00:20:08,830

blood and bile and weird [h__h] that like

449

00:20:13,080 --> 00:20:11,200

grass dies around and whatever yeah

450

00:20:15,420 --> 00:20:13,090

entrails are everywhere

451
00:20:17,580 --> 00:20:15,430
yeah even you know buzzards are eating

452
00:20:20,100 --> 00:20:17,590
it you know maggots you know eventually

453
00:20:22,470 --> 00:20:20,110
get on but there's no you know no other

454
00:20:25,440 --> 00:20:22,480
animal comes near nothing nothing's

455
00:20:27,210 --> 00:20:25,450
eating it it's just a clean cut piece of

456
00:20:28,980 --> 00:20:27,220
meat that is super vets laying on the

457
00:20:30,810 --> 00:20:28,990
ground well because first they were just

458
00:20:32,880 --> 00:20:30,820
disappearing and he was like well

459
00:20:36,420 --> 00:20:32,890
where's my animals going right and then

460
00:20:37,650 --> 00:20:36,430
he started finding them in I mean if you

461
00:20:40,230 --> 00:20:37,660
ask me I would rather them just

462
00:20:43,200 --> 00:20:40,240
disappear dude yeah cuz what a crazy

463
00:20:45,540 --> 00:20:43,210

scene to have to come up on exactly and

464

00:20:48,690 --> 00:20:45,550

then try to tell somebody yeah you know

465

00:20:51,600 --> 00:20:48,700

and explain it yeah is the other thing

466

00:20:53,250 --> 00:20:51,610

right how do you you know so that's

467

00:20:55,290 --> 00:20:53,260

where I try to put myself in these

468

00:20:56,970 --> 00:20:55,300

people's shoes like at what point do you

469

00:20:59,100 --> 00:20:56,980

start to tell other people like hey is

470

00:21:01,530 --> 00:20:59,110

this happening to you guys like have you

471

00:21:03,990 --> 00:21:01,540

seen the [h__\h] I wonder if he talked to

472

00:21:06,830 --> 00:21:04,000

his neighbours or anybody else yeah I

473

00:21:10,080 --> 00:21:06,840

mean I guess he went to the papers in

474

00:21:12,030 --> 00:21:10,090

1996 is what I have but like well his

475

00:21:15,480 --> 00:21:12,040

neighbors experienced similar events

476

00:21:17,400 --> 00:21:15,490

okay yeah so you know they kind of

477

00:21:20,310 --> 00:21:17,410

talked about it back and forth but for

478

00:21:22,050 --> 00:21:20,320

some reason you know that's 400 acres

479

00:21:24,090 --> 00:21:22,060

you know so we're saying big we're

480

00:21:26,700 --> 00:21:24,100

saying neighbors but we're talking miles

481

00:21:30,000 --> 00:21:26,710

away right but in this particular area

482

00:21:32,580 --> 00:21:30,010

this stuff happens this particular spot

483

00:21:34,530 --> 00:21:32,590

though just seems to be really hot yeah

484

00:21:36,660 --> 00:21:34,540

you know weird things happen on the

485

00:21:38,190 --> 00:21:36,670

other ranches but I think those families

486

00:21:39,930 --> 00:21:38,200

still live there right I wonder what

487

00:21:42,180 --> 00:21:39,940

their stories are I want to know too

488

00:21:44,340 --> 00:21:42,190

I want to know what like people always

489

00:21:45,840 --> 00:21:44,350

go to skinwalker to like investigate Wow

490

00:21:47,610 --> 00:21:45,850

why not go to the neighbors I wonder if

491

00:21:49,650 --> 00:21:47,620

people have done that yeah dude that's

492

00:21:52,650 --> 00:21:49,660

such an easy idea yes sir people yeah

493

00:21:55,470 --> 00:21:52,660

they had to have you know just hey what

494

00:21:56,490 --> 00:21:55,480

have you seen is it happening here yeah

495

00:21:58,770 --> 00:21:56,500

this is still happening

496

00:22:01,320 --> 00:21:58,780

we should go dude let's do it take some

497

00:22:03,000 --> 00:22:01,330

sleeping bags bro let's leave nibbler

498

00:22:07,320 --> 00:22:03,010

gizmo at home now I'm not taking the job

499

00:22:09,540 --> 00:22:07,330

yeah not at all to go by ourselves to go

500

00:22:09,540 --> 00:22:09,550

by ourselves

501
00:22:16,050 --> 00:22:13,710
so the surgical precision of these

502
00:22:18,300 --> 00:22:16,060
cattle mutilations so I kind of want to

503
00:22:20,910 --> 00:22:18,310
interject real quick so this podcast I

504
00:22:24,180 --> 00:22:20,920
watch called extraterrestrial it's these

505
00:22:25,440 --> 00:22:24,190
dudes that it's two dudes that really do

506
00:22:27,380 --> 00:22:25,450
their research it's pretty interesting

507
00:22:30,750 --> 00:22:27,390
podcast there's not a lot of episodes

508
00:22:33,750 --> 00:22:30,760
but they they they take on different

509
00:22:35,370 --> 00:22:33,760
almost like cases so each episode is

510
00:22:38,010 --> 00:22:35,380
like a specific case and they take on

511
00:22:41,160 --> 00:22:38,020
cattle mutilations I don't know if they

512
00:22:45,120 --> 00:22:41,170
specifically reference skinwalker ranch

513
00:22:47,490 --> 00:22:45,130

and those those stories but they're the

514

00:22:50,160 --> 00:22:47,500

ending of that episode spoiler alert is

515

00:22:53,970 --> 00:22:50,170

that they found evidence that there was

516

00:22:56,280 --> 00:22:53,980

a cult in the area that we're doing this

517

00:22:58,710 --> 00:22:56,290

to these cattle like there was some

518

00:23:00,990 --> 00:22:58,720

evidence like no one got put in jail

519

00:23:02,700 --> 00:23:01,000

over it and there's no not a lot of

520

00:23:06,990 --> 00:23:02,710

paper trail but there was some evidence

521

00:23:08,730 --> 00:23:07,000

that kind of nudged someone to believe

522

00:23:10,710 --> 00:23:08,740

that that's definitely possible because

523

00:23:13,320 --> 00:23:10,720

there was like some cult right you know

524

00:23:15,630 --> 00:23:13,330

group in the area that sacrificed

525

00:23:17,340 --> 00:23:15,640

animals and whatever so think about that

526

00:23:18,690 --> 00:23:17,350

so I wonder I want you just throwing

527

00:23:21,770 --> 00:23:18,700

that in there I think that could kind of

528

00:23:24,750 --> 00:23:21,780

be like a like a crop circle thing where

529

00:23:26,280 --> 00:23:24,760

some of these things show up and you're

530

00:23:28,800 --> 00:23:26,290

like what the heck is that

531

00:23:33,120 --> 00:23:28,810

yeah right and it was extremely precise

532

00:23:34,800 --> 00:23:33,130

and and they do the tests you know on

533

00:23:37,170 --> 00:23:34,810

the on the crop circles you know there's

534

00:23:39,540 --> 00:23:37,180

no way in a way out you know that whole

535

00:23:41,820 --> 00:23:39,550

thing and then you have copycats right

536

00:23:43,500 --> 00:23:41,830

come in behind and they also create crop

537

00:23:45,810 --> 00:23:43,510

circles and it's just us

538

00:23:47,850 --> 00:23:45,820

right so it kind of kind of muddies the

539

00:23:52,470 --> 00:23:47,860

field a little bit another instance so

540

00:23:55,680 --> 00:23:52,480

that unlike you know is this humans or

541

00:23:58,890 --> 00:23:55,690

is this something other than human yeah

542

00:24:02,490 --> 00:23:58,900

you know maybe it's maybe this this this

543

00:24:04,320 --> 00:24:02,500

cult knew about this you know cattle

544

00:24:06,780 --> 00:24:04,330

mutilation in there like we should

545

00:24:09,240 --> 00:24:06,790

emulate this may kind of be our thing

546

00:24:11,130 --> 00:24:09,250

yeah totally I mean it's totally

547

00:24:13,260 --> 00:24:11,140

possible I mean it just always goes back

548

00:24:14,850 --> 00:24:13,270

to like there's always going to be if

549

00:24:16,620 --> 00:24:14,860

something weird happens

550

00:24:17,909 --> 00:24:16,630

whatever they the same for the same

551
00:24:21,180 --> 00:24:17,919
reason there's people on YouTube that

552
00:24:25,590 --> 00:24:21,190
upload phony UFO videos and they they

553
00:24:28,230 --> 00:24:25,600
purposely do CGI to like convince people

554
00:24:30,990 --> 00:24:28,240
that they have a UFO sighting video it's

555
00:24:35,460 --> 00:24:31,000
like yeah they want so bad for it to be

556
00:24:37,470 --> 00:24:35,470
real that they they have to create

557
00:24:39,450 --> 00:24:37,480
create it yeah they have to manifest it

558
00:24:40,830 --> 00:24:39,460
themselves even though what they're

559
00:24:42,960 --> 00:24:40,840
doing is like totally counterproductive

560
00:24:45,210 --> 00:24:42,970
right you know yeah I get what you're

561
00:24:46,770 --> 00:24:45,220
saying and it yeah it's I think it might

562
00:24:49,140 --> 00:24:46,780
be one of those things and do that hurts

563
00:24:51,419 --> 00:24:49,150

everybody you know like yeah in the

564

00:24:53,430 --> 00:24:51,429

community it just kind of it it hurts

565

00:24:55,049 --> 00:24:53,440

everybody because you're not helping

566

00:24:57,330 --> 00:24:55,059

like what do you stay in the game yeah

567

00:25:00,060 --> 00:24:57,340

and if it is fake you know it's like hey

568

00:25:02,490 --> 00:25:00,070

check out this cool video I made you

569

00:25:05,549 --> 00:25:02,500

know yeah get a job for Hollywood dude

570

00:25:07,919 --> 00:25:05,559

stop [h__\h] with people I mean to the

571

00:25:09,600 --> 00:25:07,929

other edge of that sword is if they can

572

00:25:13,289 --> 00:25:09,610

convince people to think that it's real

573

00:25:16,230 --> 00:25:13,299

band that's like the best portfolio

574

00:25:21,630 --> 00:25:16,240

piece ever right I mean if you create

575

00:25:27,240 --> 00:25:21,640

such a good hoax like yeah so I mean

576

00:25:29,760 --> 00:25:27,250

does that make sense it is it is but but

577

00:25:31,529 --> 00:25:29,770

yeah so I definitely think it's possible

578

00:25:33,390 --> 00:25:31,539

I just kind of want to throw that in I

579

00:25:34,860 --> 00:25:33,400

don't really I really don't think one

580

00:25:37,440 --> 00:25:34,870

way or the other that you know this

581

00:25:39,720 --> 00:25:37,450

could possibly be a cult thing but

582

00:25:42,419 --> 00:25:39,730

there's just so many of those cattle

583

00:25:45,840 --> 00:25:42,429

there's so many photos if you google

584

00:25:47,039 --> 00:25:45,850

skinwalker ranch cattle mutilations you

585

00:25:50,250 --> 00:25:47,049

can kind of see what we're talking about

586

00:25:52,590 --> 00:25:50,260

if you're listening right now yeah so I

587

00:25:54,930 --> 00:25:52,600

mean that SoCal me utilizations that's

588

00:25:58,500 --> 00:25:54,940

that's another big thing that happened

589

00:26:01,110 --> 00:25:58,510

on skinwalker which sucks because that's

590

00:26:02,730 --> 00:26:01,120

that guy's entire livelihood yeah is

591

00:26:05,760 --> 00:26:02,740

cattle yeah so for that to start

592

00:26:07,890 --> 00:26:05,770

happening it really starts to hit his

593

00:26:10,770 --> 00:26:07,900

pocketbook right yeah could you imagine

594

00:26:13,470 --> 00:26:10,780

me yeah I spent \$10,000 on this bowl and

595

00:26:16,529 --> 00:26:13,480

it the next morning you see it just

596

00:26:18,779 --> 00:26:16,539

totally gone gone yeah

597

00:26:22,080 --> 00:26:18,789

the other so kind of moving away from

598

00:26:24,840 --> 00:26:22,090

that for a second is in the category of

599

00:26:27,580 --> 00:26:24,850

all things weird again is like the the

600

00:26:29,830 --> 00:26:27,590

wife had a bunch of stories in the house

601
00:26:31,960 --> 00:26:29,840
the poltergeists did you know about the

602
00:26:34,419 --> 00:26:31,970
poltergeist uff a little bit so she

603
00:26:36,730 --> 00:26:34,429
would go to the grocery store like in

604
00:26:38,769 --> 00:26:36,740
the middle of the day come back home put

605
00:26:40,480 --> 00:26:38,779
all the groceries up and their

606
00:26:42,730 --> 00:26:40,490
respective cabinets and the fridge and

607
00:26:44,529 --> 00:26:42,740
all that and she'd go to the bathroom or

608
00:26:46,539 --> 00:26:44,539
in the bedroom or something come back

609
00:27:02,300 --> 00:26:46,549
and everything's back in the bag bags

610
00:27:09,940 --> 00:27:06,539
[Laughter]

611
00:27:15,210 --> 00:27:09,950
all you had to do is go to the

612
00:27:20,350 --> 00:27:15,220
bankruptcy storm put damn groceries I

613
00:27:22,470 --> 00:27:20,360

tried Terry I'll be loved since for

614

00:27:27,149 --> 00:27:22,480

birdie

615

00:27:32,049 --> 00:27:29,799

right so yeah I thought about that yeah

616

00:27:33,700 --> 00:27:32,059

so that's a possibility but if she's

617

00:27:37,389 --> 00:27:33,710

telling the truth that's [\h__\h] weird

618

00:27:39,629 --> 00:27:37,399

yeah and I mean I heard I mean if if you

619

00:27:42,909 --> 00:27:39,639

get giant wolves Blue Meanies

620

00:27:46,299 --> 00:27:42,919

you know things hiding in the trees

621

00:27:49,210 --> 00:27:46,309

why not ghosts why not no it's roast

622

00:27:51,220 --> 00:27:49,220

might as well put that on top of it can

623

00:27:53,980 --> 00:27:51,230

you fold your guy like things that would

624

00:27:56,919 --> 00:27:53,990

kind of be rearranged or like paintings

625

00:27:58,779 --> 00:27:56,929

like crooked and things move around dude

626

00:28:00,730 --> 00:27:58,789

how knowing would that be though like

627

00:28:04,600 --> 00:28:00,740

you have to put the groceries away like

628

00:28:07,480 --> 00:28:04,610

this you know like oh now this

629

00:28:10,210 --> 00:28:07,490

mayonnaise is bad yeah these avocados

630

00:28:12,460 --> 00:28:10,220

are rotten well you wake up and

631

00:28:14,379 --> 00:28:12,470

everything's out of your cabinet but

632

00:28:15,730 --> 00:28:14,389

it's very neatly placed and like you

633

00:28:17,409 --> 00:28:15,740

know they were trying to destroy it but

634

00:28:18,999 --> 00:28:17,419

David wants you to do some extra work

635

00:28:21,159 --> 00:28:19,009

what soon as you wake up in the morning

636

00:28:24,129 --> 00:28:21,169

what if the poltergeist like neatly made

637

00:28:27,190 --> 00:28:24,139

some like sack sack lunches that'd be

638

00:28:28,480 --> 00:28:27,200

sweet so hello dude yeah hey we're just

639

00:28:30,489 --> 00:28:28,490

in the middle of night make make

640

00:28:34,379 --> 00:28:30,499

sandwiches for everybody fill up some

641

00:28:38,190 --> 00:28:34,389

bags with chips and like a little dry a

642

00:28:41,350 --> 00:28:38,200

little drawing of the family

643

00:28:43,029 --> 00:28:41,360

there's a variety too there's egg salad

644

00:28:45,250 --> 00:28:43,039

there's chicken salad there's pastrami

645

00:28:48,279 --> 00:28:45,260

this bill is really really good

646

00:28:51,100 --> 00:28:48,289

sandwiches he's a culinary artist right

647

00:28:53,409 --> 00:28:51,110

this goes and you could you imagine like

648

00:28:57,610 --> 00:28:53,419

showing up to school right and you hear

649

00:28:59,320 --> 00:28:57,620

the kid he's like yes what's up little

650

00:29:02,409 --> 00:28:59,330

Timmy and you're like so we have this

651
00:29:07,210 --> 00:29:02,419
ghost in our house right and today he

652
00:29:09,490 --> 00:29:07,220
gave me a snack pack that was crazy

653
00:29:11,680 --> 00:29:09,500
well it's like a gourmet snack pack like

654
00:29:17,490 --> 00:29:11,690
he made the pudding homemade he's slaved

655
00:29:21,820 --> 00:29:20,409
yeah how come ghosts are so destructive

656
00:29:23,350 --> 00:29:21,830
and they're always just pushing [\h__\h] off

657
00:29:25,090 --> 00:29:23,360
the tables and walls why can't they be

658
00:29:28,210 --> 00:29:25,100
productive and like help you do some

659
00:29:30,700 --> 00:29:28,220
drywall or you know like clean the house

660
00:29:33,130 --> 00:29:30,710
at night like you know if change light

661
00:29:35,020 --> 00:29:33,140
bulb ever knows something dude you're

662
00:29:37,570 --> 00:29:35,030
always making things break the

663
00:29:40,140 --> 00:29:37,580

electronics go crazy if you

664

00:29:43,360 --> 00:29:40,150

I mean hey I'd be cool if there's any

665

00:29:44,770 --> 00:29:43,370

spectres out there listening hey come to

666

00:29:47,529 --> 00:29:44,780

my house you can clean my house anytime

667

00:29:51,340 --> 00:29:47,539

you want it seems with me serious I will

668

00:29:53,289 --> 00:29:51,350

be your bro whatever cuz it would be

669

00:29:54,640 --> 00:29:53,299

awesome and if you're if you're cool

670

00:29:58,659 --> 00:29:54,650

about it we can watch whatever you want

671

00:30:01,000 --> 00:29:58,669

to TV tonight once your work is finished

672

00:30:05,440 --> 00:30:01,010

what if the ghosts only one wants to

673

00:30:07,630 --> 00:30:05,450

watch cheers dude it's a it's I mean I

674

00:30:09,490 --> 00:30:07,640

guess the cheers marathon bro

675

00:30:11,140 --> 00:30:09,500

it's a cheers marathon if you're not

676

00:30:13,180 --> 00:30:11,150

gonna pay rent you cleaning the house I

677

00:30:14,590 --> 00:30:13,190

mean it's almost worth it dude I've

678

00:30:17,320 --> 00:30:14,600

watched cheers I didn't have to do

679

00:30:21,510 --> 00:30:17,330

chores dad totally all right so so so

680

00:30:25,750 --> 00:30:23,649

Casper where you at dude dude

681

00:30:32,200 --> 00:30:25,760

poltergeists are totally on topic I

682

00:30:34,149 --> 00:30:32,210

spilled my cereal I watched it two weeks

683

00:30:36,430 --> 00:30:34,159

ago it's so it holds up dude it's so

684

00:30:38,289 --> 00:30:36,440

good yeah it's so good you've been going

685

00:30:40,480 --> 00:30:38,299

like a like on a like an old school

686

00:30:44,049 --> 00:30:40,490

binge lately yes I have like the big

687

00:30:45,580 --> 00:30:44,059

green Casper I watched me myself and

688

00:30:48,940 --> 00:30:45,590

Irene oh my god

689

00:30:50,409 --> 00:30:48,950

today that's also such a great great

690

00:30:58,690 --> 00:30:50,419

movie

691

00:31:00,720 --> 00:30:58,700

like we still have DVDs like we have

692

00:31:04,210 --> 00:31:00,730

DVDs that we can't find you know like

693

00:31:06,369 --> 00:31:04,220

you still have VHS yeah we do we have

694

00:31:09,249 --> 00:31:06,379

like a whole thing of VHS is still we

695

00:31:11,289 --> 00:31:09,259

don't have a VHS player but yeah but you

696

00:31:14,560 --> 00:31:11,299

know I kept it for so long because I

697

00:31:15,879 --> 00:31:14,570

couldn't find Wayne's World anywhere so

698

00:31:17,619 --> 00:31:15,889

I was like well I'm just gonna keep

699

00:31:20,799 --> 00:31:17,629

Wayne's role on VHS and I'm just gonna

700

00:31:23,710 --> 00:31:20,809

continue to take this VHS player with me

701
00:31:26,649 --> 00:31:23,720
everywhere and finally it broke and so I

702
00:31:28,960 --> 00:31:26,659
had to you know go find me a gonna call

703
00:31:32,470 --> 00:31:28,970
some ghost come fix it yeah I needed to

704
00:31:34,600 --> 00:31:32,480
find me the new Wayne's World I could

705
00:31:36,159 --> 00:31:34,610
play you could if that was in like mint

706
00:31:40,570 --> 00:31:36,169
condition it's like someone would buy

707
00:31:42,930 --> 00:31:40,580
that for like \$200 Wayne's World VHS -

708
00:31:46,509 --> 00:31:42,940
yeah that's that's awesome

709
00:31:48,639 --> 00:31:46,519
did you ever get a Nickelodeon VHS oh

710
00:31:51,159 --> 00:31:48,649
yeah good burger and it was all orange

711
00:31:56,769 --> 00:31:51,169
remember some were like lime green is so

712
00:32:01,919 --> 00:31:56,779
cool we had the Rugrats Wild Thornberrys

713
00:32:13,419 --> 00:32:01,929

oh dude don't forget to step and breathe

714

00:32:16,659 --> 00:32:13,429

Marion have you heard about the the

715

00:32:19,450 --> 00:32:16,669

theory like the dark web theory of the

716

00:32:21,249 --> 00:32:19,460

Rugrats so there's like this dark web

717

00:32:23,799 --> 00:32:21,259

theory this dude came up Allen who was

718

00:32:27,399 --> 00:32:23,809

Oh bad Angelica yeah

719

00:32:31,210 --> 00:32:27,409

yeah that's pretty true that's dark so

720

00:32:33,249 --> 00:32:31,220

the theory is that Angelica is she's

721

00:32:35,169 --> 00:32:33,259

kind of schizo right uh-huh and that

722

00:32:37,779 --> 00:32:35,179

she's imagining all the other babies

723

00:32:40,990 --> 00:32:37,789

because what was it cuz her I think she

724

00:32:43,180 --> 00:32:41,000

had a baby sibling yeah didn't make it

725

00:32:45,700 --> 00:32:43,190

right died uh-huh so she's like

726

00:32:47,710 --> 00:32:45,710

imagining all these babies and their

727

00:32:51,639 --> 00:32:47,720

adventures and all that and it's just

728

00:32:53,889 --> 00:32:51,649

her why she carries that that Cynthia

729

00:32:56,980 --> 00:32:53,899

doll with her everywhere because how

730

00:32:59,529 --> 00:32:56,990

much symbolizes you know that baby it's

731

00:33:02,649 --> 00:32:59,539

like a bond that she has with it

732

00:33:05,739 --> 00:33:02,659

ruin my childhood it's pretty dark it's

733

00:33:07,570 --> 00:33:05,749

pretty dark okay skinwalker ranch let's

734

00:33:11,859 --> 00:33:07,580

get back to it

735

00:33:17,099 --> 00:33:11,869

Nick Nick Nick Nick oh also I thought

736

00:33:19,330 --> 00:33:17,109

about this Hey Hidden Valley Ranch

737

00:33:28,479 --> 00:33:19,340

Hidden Valley is coming out with a new a

738

00:33:40,299 --> 00:33:28,489

new flavor of ranch is called skinwalker

739

00:33:42,639 --> 00:33:40,309

ranch everything they should yeah I mean

740

00:33:45,269 --> 00:33:42,649

if I mean after Halloween I haven't

741

00:33:47,529 --> 00:33:45,279

heard a lot of you know marketing

742

00:33:50,739 --> 00:33:47,539

campaigns from Hidden Valley in a while

743

00:33:52,239 --> 00:33:50,749

dude hey we're looking for sponsor

744

00:33:53,409 --> 00:33:52,249

Hidden Valley any money from Hidden

745

00:33:56,830 --> 00:33:53,419

Valley or know somebody we're looking

746

00:34:03,009 --> 00:33:56,840

for sponsors man I love Hidden Valley so

747

00:34:05,259 --> 00:34:03,019

much dude all right so I only know like

748

00:34:06,879 --> 00:34:05,269

one more story mm-hmm

749

00:34:08,980 --> 00:34:06,889

again it has to do with the freakin

750

00:34:11,200 --> 00:34:08,990

bowls again and you probably already

751
00:34:13,419 --> 00:34:11,210
know this one but about the four bowls

752
00:34:16,149 --> 00:34:13,429
yes dude that it's pretty crazy pretty

753
00:34:19,930 --> 00:34:16,159
weird so there's four bulls like

754
00:34:21,849 --> 00:34:19,940
grown-ass mean badass bowls before we

755
00:34:25,450 --> 00:34:21,859
get into that dough so before that

756
00:34:28,450 --> 00:34:25,460
happened right this is this this stuff

757
00:34:32,109 --> 00:34:28,460
occurred after Bigelow bought the ring

758
00:34:35,129 --> 00:34:32,119
okay we'll go in on that yeah that so so

759
00:34:38,319 --> 00:34:35,139
you know the family was getting fed up

760
00:34:40,599 --> 00:34:38,329
they were running out of money they were

761
00:34:42,129 --> 00:34:40,609
trying to figure out anything right

762
00:34:44,079 --> 00:34:42,139
because you know nobody is just gonna

763
00:34:46,389 --> 00:34:44,089

buy this property you know it's it's

764

00:34:47,770 --> 00:34:46,399

legend it's you know people know about

765

00:34:50,349 --> 00:34:47,780

it why don't I think if you think we've

766

00:34:53,740 --> 00:34:50,359

mentioned that the legend - right yeah

767

00:34:56,319 --> 00:34:53,750

the legend so it's it's it's it's it was

768

00:34:58,780 --> 00:34:56,329

made by the Navajo and they called this

769

00:35:02,589 --> 00:34:58,790

thing a skinwalker and the skinwalker is

770

00:35:04,120 --> 00:35:02,599

an entity that can you know they claim

771

00:35:06,880 --> 00:35:04,130

it's a shapeshifter

772

00:35:09,250 --> 00:35:06,890

shift shift into any animal

773

00:35:10,990 --> 00:35:09,260

these are Native Americans that live in

774

00:35:12,390 --> 00:35:11,000

and around that base and they will not

775

00:35:15,539 --> 00:35:12,400

go there and for

776
00:35:17,640 --> 00:35:15,549
hundreds of years they've had this story

777
00:35:19,440 --> 00:35:17,650
of a skinwalker this shape-shifting

778
00:35:21,539 --> 00:35:19,450
being right right they've known about

779
00:35:23,670 --> 00:35:21,549
this energy in this area and they're

780
00:35:26,430 --> 00:35:23,680
forbidden to go there they can't go yeah

781
00:35:29,579 --> 00:35:26,440
they can you know that so this will do

782
00:35:31,079 --> 00:35:29,589
this ranch resides in the path of the

783
00:35:33,990 --> 00:35:31,089
skinwalker which is interesting to me

784
00:35:36,809 --> 00:35:34,000
like they know in the direction of which

785
00:35:39,690 --> 00:35:36,819
this being and this this energy moves

786
00:35:41,130 --> 00:35:39,700
right which is really cool to me like

787
00:35:42,900 --> 00:35:41,140
it's not something that's permeating

788
00:35:44,970 --> 00:35:42,910

from one spot and then it just chooses

789

00:35:47,400 --> 00:35:44,980

to latch on and goes wherever it wants

790

00:35:50,940 --> 00:35:47,410

uh-huh there's literally like a linear

791

00:35:53,190 --> 00:35:50,950

path so that it follows yeah so that's

792

00:35:56,789 --> 00:35:53,200

really that's at super we should have

793

00:35:58,950 --> 00:35:56,799

totally Cherie beginning well we're not

794

00:36:00,539 --> 00:35:58,960

very good with structured now we're

795

00:36:03,029 --> 00:36:00,549

trying it out this is the first dog

796

00:36:05,819 --> 00:36:03,039

we've tried to stay on top a new thing

797

00:36:07,109 --> 00:36:05,829

yeah this is the first oh babe I don't

798

00:36:08,849 --> 00:36:07,119

know how many minutes we've gone but

799

00:36:10,710 --> 00:36:08,859

we're only talking about one thing yeah

800

00:36:15,990 --> 00:36:10,720

it's not too bad I'm pretty proud of it

801
00:36:20,819 --> 00:36:16,000
it's not too bad so so after all this

802
00:36:22,170 --> 00:36:20,829
happens Bigelow finds out right well

803
00:36:24,450 --> 00:36:22,180
they go to the papers his family right

804
00:36:27,299 --> 00:36:24,460
yeah they go to the papers and they

805
00:36:29,700 --> 00:36:27,309
write this story and that's how they

806
00:36:31,049 --> 00:36:29,710
find out about it and so Bigelow

807
00:36:33,240 --> 00:36:31,059
purchases this ranch

808
00:36:35,700 --> 00:36:33,250
was it George Knapp somehow involved at

809
00:36:37,920 --> 00:36:35,710
the beginning they were doing so he

810
00:36:39,420 --> 00:36:37,930
gonna feel like him endure him and

811
00:36:41,220 --> 00:36:39,430
Bigelow her boys

812
00:36:44,339 --> 00:36:41,230
yeah so that's the feeling that night

813
00:36:47,760 --> 00:36:44,349

because he's you know that's kind of nap

814

00:36:51,019 --> 00:36:47,770

ski you know he he writes about all this

815

00:36:54,630 --> 00:36:51,029

stuff and so what are they called

816

00:36:56,970 --> 00:36:54,640

reporter well yeah reporter but yeah

817

00:36:59,430 --> 00:36:56,980

yeah so he that's what he does right you

818

00:37:03,240 --> 00:36:59,440

know he takes these stories and you know

819

00:37:05,460 --> 00:37:03,250

it kind of became like his thing you

820

00:37:08,309 --> 00:37:05,470

know he got kind of just that's just

821

00:37:11,069 --> 00:37:08,319

kind of what he he went into because you

822

00:37:12,809 --> 00:37:11,079

know there was some crazy stuff I mean

823

00:37:15,690 --> 00:37:12,819

if you think about it like the guy

824

00:37:17,700 --> 00:37:15,700

definitely was you know in the right

825

00:37:20,809 --> 00:37:17,710

place at the right time for a lot of

826

00:37:24,329 --> 00:37:20,819

this stuff you know and he's you know

827

00:37:25,770 --> 00:37:24,339

I'm sure they there was plenty of

828

00:37:27,810 --> 00:37:25,780

reporters that passed

829

00:37:29,880 --> 00:37:27,820

huh oh yeah you know they were like yes

830

00:37:32,970 --> 00:37:29,890

I'm not doing that but the the local

831

00:37:36,600 --> 00:37:32,980

papers put this story right in and the

832

00:37:39,150 --> 00:37:36,610

papers yeah yeah and so they found out

833

00:37:41,550 --> 00:37:39,160

about it and he was like hey we'll buy

834

00:37:44,340 --> 00:37:41,560

this ranch from you right well go ahead

835

00:37:47,780 --> 00:37:44,350

and buy it from you they set up the

836

00:37:50,990 --> 00:37:47,790

needs team yeah right which stands for

837

00:37:56,700 --> 00:37:51,000

to National Institute for discovery

838

00:38:00,150 --> 00:37:56,710

science it's bro all right

839

00:38:08,600 --> 00:38:00,160

so so so that was so proud of that

840

00:38:10,890 --> 00:38:08,610

research dude so he buys the land and

841

00:38:12,810 --> 00:38:10,900

the family's getting ready to him to

842

00:38:15,720 --> 00:38:12,820

move away and pack up their stuff but

843

00:38:17,760 --> 00:38:15,730

the guy who owns a ranch he's like you

844

00:38:19,890 --> 00:38:17,770

know he's like hey you guys don't know

845

00:38:22,920 --> 00:38:19,900

anything about running a ranch you know

846

00:38:24,900 --> 00:38:22,930

he wants that he wants to find out

847

00:38:27,000 --> 00:38:24,910

what's going on on this ranch so she

848

00:38:30,120 --> 00:38:27,010

does he does everything he can to kind

849

00:38:31,530 --> 00:38:30,130

of you know stick around yeah he's like

850

00:38:34,020 --> 00:38:31,540

I can be the ranch hand

851

00:38:36,030 --> 00:38:34,030

I can I can work the cattle I can take

852

00:38:37,380 --> 00:38:36,040

care of the ranch and you guys stick to

853

00:38:38,970 --> 00:38:37,390

the sign so he's just not gonna live

854

00:38:40,830 --> 00:38:38,980

there right he just won't live there

855

00:38:43,230 --> 00:38:40,840

he's gonna take the paycheck he's gonna

856

00:38:45,180 --> 00:38:43,240

use the ranch and then this knids team

857

00:38:47,250 --> 00:38:45,190

is gonna come in come on and they're

858

00:38:49,590 --> 00:38:47,260

gonna do the research so they bought it

859

00:38:51,000 --> 00:38:49,600

from him what was it 96 yeah is that

860

00:38:53,310 --> 00:38:51,010

when they bought about the ranch from

861

00:38:56,100 --> 00:38:53,320

yeah that's what I have yeah so they buy

862

00:38:58,980 --> 00:38:56,110

this ranch and Robert Bigelow is this

863

00:39:01,320 --> 00:38:58,990

like hotel tycoon that's how like he's

864

00:39:03,300 --> 00:39:01,330

freaking billionaire off of like making

865

00:39:04,950 --> 00:39:03,310

hotels and her building hotels in Vegas

866

00:39:07,650 --> 00:39:04,960

by the way he didn't know who that is

867

00:39:10,140 --> 00:39:07,660

yeah yeah and then he started getting

868

00:39:13,170 --> 00:39:10,150

into you know the research stuff the

869

00:39:15,540 --> 00:39:13,180

science and the research you know so

870

00:39:17,850 --> 00:39:15,550

hears about this crazy place he's like

871

00:39:21,810 --> 00:39:17,860

that sounds right up my alley I'm gonna

872

00:39:25,530 --> 00:39:21,820

buy this at a low cost probably moves

873

00:39:30,000 --> 00:39:25,540

this research team in to investigate and

874

00:39:32,150 --> 00:39:30,010

they set up watch towers right yeah

875

00:39:35,130 --> 00:39:32,160

Paige Dahl they bring a bunch of dogs

876

00:39:39,000 --> 00:39:35,140

and then they sit out there for do like

877

00:39:42,210 --> 00:39:39,010

I don't honestly they sold it or so

878

00:39:44,099 --> 00:39:42,220

they were there until 2004 okay so

879

00:39:45,480 --> 00:39:44,109

that's a long time yeah it's a long time

880

00:39:48,240 --> 00:39:45,490

it's almost yeah it's like almost ten

881

00:39:49,620 --> 00:39:48,250

years eight years but the whole the

882

00:39:52,910 --> 00:39:49,630

catch is the whole time they're out

883

00:39:55,200 --> 00:39:52,920

there the the people that I mean the the

884

00:39:56,760 --> 00:39:55,210

people that were there researching this

885

00:40:01,140 --> 00:39:56,770

place I don't know what the number is

886

00:40:04,710 --> 00:40:01,150

let's say 20 all saw something happened

887

00:40:07,290 --> 00:40:04,720

all the time but only firsthand but they

888

00:40:08,940 --> 00:40:07,300

never got any video evidence they had

889

00:40:10,530 --> 00:40:08,950

security cameras set up all over this

890

00:40:14,730 --> 00:40:10,540

place everything would happen right

891

00:40:17,640 --> 00:40:14,740

outside the view of yeah so I got a

892

00:40:20,010 --> 00:40:17,650

couple you know a couple small videos

893

00:40:22,200 --> 00:40:20,020

and photos but it's it's mainly of like

894

00:40:23,609 --> 00:40:22,210

orbs and things like that because the

895

00:40:25,680 --> 00:40:23,619

other stuff you know you can't see it

896

00:40:27,660 --> 00:40:25,690

yeah you couldn't see it you couldn't

897

00:40:31,740 --> 00:40:27,670

follow it it would happen and it would

898

00:40:33,330 --> 00:40:31,750

be instant you'd be really quick and it

899

00:40:35,580 --> 00:40:33,340

would never like we were said earlier it

900

00:40:37,530 --> 00:40:35,590

never happened in the same place yeah so

901
00:40:39,270 --> 00:40:37,540
it was hard to track this thing right it

902
00:40:40,859 --> 00:40:39,280
was playing games with them and it seems

903
00:40:44,099 --> 00:40:40,869
like it was cognizant that they were

904
00:40:46,349 --> 00:40:44,109
there to prove that somewhere weird is

905
00:40:48,630 --> 00:40:46,359
going on and it didn't whatever it was I

906
00:40:51,000 --> 00:40:48,640
think it's an intelligent force whatever

907
00:40:53,250 --> 00:40:51,010
I don't know how many answers but like

908
00:40:55,020 --> 00:40:53,260
you like you said earlier it does not

909
00:40:57,810 --> 00:40:55,030
want to be documented like it doesn't

910
00:40:59,730 --> 00:40:57,820
want to be proved so it's like doing

911
00:41:01,590 --> 00:40:59,740
whatever it can to stay out of you at

912
00:41:04,140 --> 00:41:01,600
all times I'm scared but it's still

913
00:41:04,700 --> 00:41:04,150

gonna [\h__\h] with you like to get you out

914

00:41:09,090 --> 00:41:04,710

of it

915

00:41:12,330 --> 00:41:09,100

what a trickster yeah I I mean you know

916

00:41:13,290 --> 00:41:12,340

that's and and these people are you know

917

00:41:16,010 --> 00:41:13,300

they're scientists

918

00:41:18,240 --> 00:41:16,020

these are PhDs these are you know

919

00:41:20,070 --> 00:41:18,250

they're no doctor scientists they're no

920

00:41:22,020 --> 00:41:20,080

doctor scientists but the scientists but

921

00:41:24,570 --> 00:41:22,030

you know they're pretty important right

922

00:41:26,700 --> 00:41:24,580

they're pretty important you know and

923

00:41:29,099 --> 00:41:26,710

they all went into this thing skeptical

924

00:41:31,530 --> 00:41:29,109

you know as most these like researchers

925

00:41:33,270 --> 00:41:31,540

you know like that's not true but you

926

00:41:35,550 --> 00:41:33,280

hear these testimonials from these guys

927

00:41:37,590 --> 00:41:35,560

and you gotta check it out some of them

928

00:41:39,540 --> 00:41:37,600

won't talk because it's gonna ruin their

929

00:41:42,030 --> 00:41:39,550

career but some of them will be like hey

930

00:41:45,300 --> 00:41:42,040

I I don't know what to tell you I saw

931

00:41:47,340 --> 00:41:45,310

some weird happenings there that I can't

932

00:41:48,810 --> 00:41:47,350

explain yeah but we don't like that's

933

00:41:50,700 --> 00:41:48,820

what irks me is that they don't have a

934

00:41:52,220 --> 00:41:50,710

lot of proof right they were there four

935

00:41:54,920 --> 00:41:52,230

to eight years

936

00:41:57,290 --> 00:41:54,930

and don't have a lot proof so the end of

937

00:42:00,890 --> 00:41:57,300

the day it's like man it makes me think

938

00:42:04,750 --> 00:42:00,900

maybe there's just like this natural

939

00:42:08,450 --> 00:42:04,760

phenomenon of gases that leak up from a

940

00:42:10,340 --> 00:42:08,460

seismic whatever are you swamp gassing

941

00:42:10,760 --> 00:42:10,350

everybody right now is that what's

942

00:42:12,620 --> 00:42:10,770

happening

943

00:42:16,940 --> 00:42:12,630

are you swamp gassing everybody right

944

00:42:21,590 --> 00:42:16,950

now I was gonna say swamp gas swamp gas

945

00:42:23,240 --> 00:42:21,600

everybody but I want to be I want to

946

00:42:24,980 --> 00:42:23,250

play both sides of the fence I don't

947

00:42:27,470 --> 00:42:24,990

ever wanna be like absolutely I totally

948

00:42:32,890 --> 00:42:27,480

you know you gotta explore all the

949

00:42:36,680 --> 00:42:32,900

possibilities yeah but when swamp gas

950

00:42:39,440 --> 00:42:36,690

has these physical things happen it's

951
00:42:42,320 --> 00:42:39,450
methane right methane is clean cutting

952
00:42:44,750 --> 00:42:42,330
cattle I'm not saying it was swamp gas I

953
00:42:47,420 --> 00:42:44,760
know that there was physical proof right

954
00:42:49,790 --> 00:42:47,430
right but do you go say like sometimes I

955
00:42:55,010 --> 00:42:49,800
feel like because right scientists have

956
00:42:57,680 --> 00:42:55,020
no proof that something's going on where

957
00:42:59,180 --> 00:42:57,690
they're hallucinating but so in the

958
00:43:02,270 --> 00:42:59,190
documentary azzam ask myself this

959
00:43:04,340 --> 00:43:02,280
question in the documentary he goes yeah

960
00:43:07,030 --> 00:43:04,350
there's no fault line there's no

961
00:43:09,200 --> 00:43:07,040
irregular regularities in

962
00:43:11,540 --> 00:43:09,210
electromagnetic fields and they did

963
00:43:13,460 --> 00:43:11,550

psychological tests on everybody that's

964

00:43:17,060 --> 00:43:13,470

right yeah I forgot including the team

965

00:43:19,660 --> 00:43:17,070

yeah and he was like so if they're

966

00:43:21,620 --> 00:43:19,670

having a mental breakdown or something

967

00:43:23,990 --> 00:43:21,630

mentally as wrong with them mass

968

00:43:26,930 --> 00:43:24,000

hysteria it's happening to every single

969

00:43:29,060 --> 00:43:26,940

person that goes on there yeah and you

970

00:43:34,430 --> 00:43:29,070

know so he's like wow that is a

971

00:43:36,650 --> 00:43:34,440

possibility it's extremely you know rare

972

00:43:40,010 --> 00:43:36,660

the physic the physical proof to me is

973

00:43:42,290 --> 00:43:40,020

the the cattle mutilations other than

974

00:43:44,840 --> 00:43:42,300

that there's not a lot of physical proof

975

00:43:47,300 --> 00:43:44,850

but there's just stories there's too

976

00:43:48,859 --> 00:43:47,310

many people went wolf there's - yeah

977

00:43:51,859 --> 00:43:48,869

there's so many specifics and too many

978

00:44:01,460 --> 00:43:51,869

people that corrupt corrupt corroborate

979

00:44:04,760 --> 00:44:01,470

or operate it with these stories they're

980

00:44:05,990 --> 00:44:04,770

like oh yeah no I yeah that happened you

981

00:44:08,030 --> 00:44:06,000

know I saw something similar

982

00:44:10,040 --> 00:44:08,040

that so and then they go to the

983

00:44:13,640 --> 00:44:10,050

neighbors and the neighbors report

984

00:44:15,140 --> 00:44:13,650

similar stories yeah so again it's

985

00:44:16,730 --> 00:44:15,150

happening too I just kind of mentioned

986

00:44:19,430 --> 00:44:16,740

that because that's where my brain went

987

00:44:21,980 --> 00:44:19,440

at first you know it sounds just so

988

00:44:23,840 --> 00:44:21,990

freakin out there yeah oh I forgot to

989

00:44:26,240 --> 00:44:23,850

mention some people had witnessed

990

00:44:30,890 --> 00:44:26,250

Bigfoot did we say that yes Bigfoot yes

991

00:44:34,430 --> 00:44:30,900

people saw Bigfoot Bigfoot do UFOs if we

992

00:44:38,150 --> 00:44:34,440

work if we haven't lost you yet whoo

993

00:44:41,300 --> 00:44:38,160

yeah yeah dude I mean Bigfoot giant

994

00:44:44,150 --> 00:44:41,310

wolves mutilated cattle yeah UFOs

995

00:44:47,020 --> 00:44:44,160

some people claim to see Bigfoot walking

996

00:44:49,940 --> 00:44:47,030

just walking around scratching his nuts

997

00:44:52,160 --> 00:44:49,950

looking for berries right dingleberry

998

00:44:54,950 --> 00:44:52,170

what a dingleberry so so all the crazy

999

00:44:58,340 --> 00:44:54,960

stuff right whether it be Loch Ness

1000

00:45:00,500 --> 00:44:58,350

monster you know a werewolf you know

1001
00:45:02,720 --> 00:45:00,510
whatever it is Bigfoot you know what I'm

1002
00:45:06,020 --> 00:45:02,730
saying like what if there's certain

1003
00:45:08,600 --> 00:45:06,030
places on the earth that that's where

1004
00:45:11,480 --> 00:45:08,610
these creatures come through right and

1005
00:45:14,150 --> 00:45:11,490
then they go to their respective areas I

1006
00:45:16,310 --> 00:45:14,160
mean that's so chupacabras all this

1007
00:45:18,470 --> 00:45:16,320
stuff I mean if we're exploring that

1008
00:45:21,170 --> 00:45:18,480
possibility we also have to kind of take

1009
00:45:25,190 --> 00:45:21,180
the account that like that if we're

1010
00:45:27,890 --> 00:45:25,200
thinking of the the infinite universe as

1011
00:45:28,670 --> 00:45:27,900
we talked about before that anything is

1012
00:45:31,160 --> 00:45:28,680
possible

1013
00:45:34,490 --> 00:45:31,170

mm-hm and things overlap sometimes and

1014

00:45:37,310 --> 00:45:34,500

that's scientifically possible like no

1015

00:45:40,370 --> 00:45:37,320

one can say that that is impossible okay

1016

00:45:41,840 --> 00:45:40,380

so let's start there and maybe this is

1017

00:45:43,310 --> 00:45:41,850

just a little overlap I mean I'm

1018

00:45:45,850 --> 00:45:43,320

agreeing with you yes well there's this

1019

00:45:50,710 --> 00:45:45,860

spot maybe there's this little spot that

1020

00:45:54,920 --> 00:45:50,720

just reality overlaps and things become

1021

00:45:56,810 --> 00:45:54,930

physical and are allowed to be in our

1022

00:45:59,540 --> 00:45:56,820

reality because if we look at this story

1023

00:46:04,420 --> 00:45:59,550

with the portal and the the shadow being

1024

00:46:06,770 --> 00:46:04,430

going through the portal shady you know

1025

00:46:08,330 --> 00:46:06,780

he's going around like shaking it he's

1026
00:46:16,790 --> 00:46:08,340
going around like sneaking in the movie

1027
00:46:18,770 --> 00:46:16,800
theaters people spot hey kids

1028
00:46:24,230 --> 00:46:18,780
what crazy things happen at night

1029
00:46:27,560 --> 00:46:24,240
yeah yeah I mean it's I guess it's a

1030
00:46:29,750 --> 00:46:27,570
possibility right I'm open to it man I

1031
00:46:32,330 --> 00:46:29,760
mean I am too when you when you when

1032
00:46:34,700 --> 00:46:32,340
people are experiencing this and it's

1033
00:46:36,170 --> 00:46:34,710
more than one person yeah it's a lot of

1034
00:46:39,260 --> 00:46:36,180
people that's what I go back to you and

1035
00:46:43,040 --> 00:46:39,270
then you know cuz so this happens and

1036
00:46:45,080 --> 00:46:43,050
then and then you get a call and it's

1037
00:46:47,390 --> 00:46:45,090
like hey I'll buy your ranch and I want

1038
00:46:49,370 --> 00:46:47,400

to get a bunch of scientists yeah on the

1039

00:46:52,250 --> 00:46:49,380

case something to that there's something

1040

00:46:55,490 --> 00:46:52,260

to it yeah you know he he personally was

1041

00:46:58,340 --> 00:46:55,500

like I'm gonna put millions of dollars

1042

00:47:01,970 --> 00:46:58,350

into this yeah it wasn't cheap and he

1043

00:47:04,850 --> 00:47:01,980

kept it going from what 1996 to 2004

1044

00:47:06,950 --> 00:47:04,860

yeah I didn't write that down but I

1045

00:47:11,000 --> 00:47:06,960

believe you I didn't write a lot of

1046

00:47:13,460 --> 00:47:11,010

things down oh yeah but okay so this I

1047

00:47:14,960 --> 00:47:13,470

mean how awesome is it that some there's

1048

00:47:19,640 --> 00:47:14,970

somebody out there like Robert Bigelow

1049

00:47:22,940 --> 00:47:19,650

that is a perfectly sane businessman

1050

00:47:26,090 --> 00:47:22,950

very successful but also just in the

1051
00:47:29,300 --> 00:47:26,100
weird [h__\h] if I was a millionaire all I

1052
00:47:31,400 --> 00:47:29,310
would do is weird [h__\h] yeah yeah I would

1053
00:47:36,380 --> 00:47:31,410
do anything normal I would drive around

1054
00:47:40,190 --> 00:47:36,390
and like a 56 Chevelle and look for

1055
00:47:42,500 --> 00:47:40,200
ghosts yeah

1056
00:47:46,760 --> 00:47:42,510
I'm quoting like have you ever seen this

1057
00:47:48,770 --> 00:47:46,770
shows supernatural I don't think so it's

1058
00:47:53,030 --> 00:47:48,780
a good show is it good it's it's a good

1059
00:47:55,820 --> 00:47:53,040
corny yeah I've seen that it's like but

1060
00:47:59,480 --> 00:47:55,830
it's kind of like I mean I love Buffy

1061
00:48:02,900 --> 00:47:59,490
but it's like it's campy is it it's a

1062
00:48:05,150 --> 00:48:02,910
good show it's still going to I've heard

1063
00:48:07,370 --> 00:48:05,160

good things about it it's the same thing

1064

00:48:09,530 --> 00:48:07,380

with that show Roswell I've kind of

1065

00:48:12,650 --> 00:48:09,540

wanted to start watching it but I just

1066

00:48:14,780 --> 00:48:12,660

I'm not sure I haven't I started

1067

00:48:16,550 --> 00:48:14,790

watching the first episode and I fell

1068

00:48:17,000 --> 00:48:16,560

asleep okay and that doesn't happen

1069

00:48:20,660 --> 00:48:17,010

often

1070

00:48:23,300 --> 00:48:20,670

yeah I definitely will I usually give

1071

00:48:25,310 --> 00:48:23,310

any new show like at least three

1072

00:48:28,920 --> 00:48:25,320

episodes oh yeah because I'm a bender

1073

00:48:31,829 --> 00:48:28,930

like that's all I watch a lot of TV

1074

00:48:34,769 --> 00:48:31,839

yeah I fall asleep so I gotta try again

1075

00:48:35,970 --> 00:48:34,779

I'm not saying I don't like it I just it

1076

00:48:37,200 --> 00:48:35,980

was I fell asleep

1077

00:48:40,230 --> 00:48:37,210

we have to try it again I'll try to get

1078

00:48:41,220 --> 00:48:40,240

it okay I'm gonna give it a shot - yeah

1079

00:48:43,559 --> 00:48:41,230

Roswell

1080

00:48:45,920 --> 00:48:43,569

summer just hokey you know I just don't

1081

00:48:48,930 --> 00:48:45,930

like the whole keenest yeah it's like

1082

00:48:51,660 --> 00:48:48,940

supernatural weather when there's like

1083

00:48:53,609 --> 00:48:51,670

like like really attractive like quote

1084

00:48:59,730 --> 00:48:53,619

unquote high school kids that are also

1085

00:49:02,279 --> 00:48:59,740

like 25 years old actors moody [h__h] like

1086

00:49:05,450 --> 00:49:02,289

falling in love there's always gonna be

1087

00:49:07,829 --> 00:49:05,460

a [h__h] love interest like come on

1088

00:49:15,799 --> 00:49:07,839

there's aliens just trying to get people

1089

00:49:19,519 --> 00:49:15,809

boners dude alright so Robert Bigelow

1090

00:49:22,380 --> 00:49:19,529

buys the ranch pays for this research

1091

00:49:27,509 --> 00:49:22,390

team to investigate it for eight years

1092

00:49:29,549 --> 00:49:27,519

and then what happens they do all the

1093

00:49:33,930 --> 00:49:29,559

research they can't sorry I was

1094

00:49:37,009 --> 00:49:33,940

swallowing some beer yeah they do all

1095

00:49:41,370 --> 00:49:37,019

the research that they can all right and

1096

00:49:43,890 --> 00:49:41,380

some people say that the knids team you

1097

00:49:45,450 --> 00:49:43,900

know failed at their research you know

1098

00:49:47,819 --> 00:49:45,460

there's not a lot of proof because did

1099

00:49:49,920 --> 00:49:47,829

that failed right but exactly did they

1100

00:49:52,140 --> 00:49:49,930

fail a lot of people even say that this

1101

00:49:54,420 --> 00:49:52,150

was a stunt fooled by Bigelow and nap

1102

00:49:55,769 --> 00:49:54,430

because they wanted to turn it into like

1103

00:49:58,529 --> 00:49:55,779

some sort of thing you know our theme

1104

00:50:00,509 --> 00:49:58,539

parks some paranormal theme park but

1105

00:50:03,779 --> 00:50:00,519

that's [h__\h] because it hasn't

1106

00:50:05,970 --> 00:50:03,789

happened right it's it's if that was the

1107

00:50:08,039 --> 00:50:05,980

case people would be going out there

1108

00:50:09,420 --> 00:50:08,049

paying twenty five bucks every night

1109

00:50:12,589 --> 00:50:09,430

you'd have hundreds of people there

1110

00:50:16,710 --> 00:50:12,599

right it's expending this thing they

1111

00:50:20,670 --> 00:50:16,720

employ many security guards there with

1112

00:50:22,739 --> 00:50:20,680

freaking yeah like semi-automatic rifles

1113

00:50:25,799 --> 00:50:22,749

uh-huh to guard that place they're not

1114

00:50:29,609 --> 00:50:25,809

playing so I mean it's like let area51

1115

00:50:31,680 --> 00:50:29,619

level security right so yeah they're not

1116

00:50:34,229 --> 00:50:31,690

opening up opening it up to the public

1117

00:50:37,229 --> 00:50:34,239

anytime soon yeah it's not it's not it's

1118

00:50:39,690 --> 00:50:37,239

not a theme park you know yeah I think

1119

00:50:42,730 --> 00:50:39,700

that's just people one thing you go do

1120

00:50:44,560 --> 00:50:42,740

yeah yeah so do you know about the new

1121

00:50:46,630 --> 00:50:44,570

or anything about them I don't know too

1122

00:50:49,350 --> 00:50:46,640

much about the new owner but I do know

1123

00:50:52,510 --> 00:50:49,360

that when big alone them sold a ranch

1124

00:50:56,190 --> 00:50:52,520

they sold it under the understanding

1125

00:50:58,750 --> 00:50:56,200

that research will still go on there I

1126

00:51:00,130 --> 00:50:58,760

read that too I'm not sure if you know

1127

00:51:04,210 --> 00:51:00,140

that the new company is called

1128

00:51:05,580 --> 00:51:04,220

adamantium I really Adam Adam Tim that's

1129

00:51:08,950 --> 00:51:05,590

what they put inside Wolverine right

1130

00:51:12,250 --> 00:51:08,960

what it's this metal really I think so

1131

00:51:16,710 --> 00:51:12,260

it's adamantium yeah I did I think that

1132

00:51:22,980 --> 00:51:20,560

Wolverine you know I think it's called

1133

00:51:27,040 --> 00:51:25,330

one of those superheroes it's just you

1134

00:51:32,800 --> 00:51:27,050

know I'm at I might ask Jeeves it's

1135

00:51:42,100 --> 00:51:32,810

gonna take me a couple think oh that's

1136

00:51:43,600 --> 00:51:42,110

[h__\h] dumb you said it like it was

1137

00:51:51,400 --> 00:51:43,610

super cool at first you're like it's

1138

00:51:51,970 --> 00:51:51,410

called adamantium stupid oh that's

1139

00:51:53,770 --> 00:51:51,980

hilarious

1140

00:51:55,630 --> 00:51:53,780

right scrap the podcast this episodes

1141

00:51:58,300 --> 00:51:55,640

over I love your reaction that was

1142

00:52:01,870 --> 00:51:58,310

hilarious yeah I know I've heard that

1143

00:52:02,980 --> 00:52:01,880

somewhere man yeah all those anyway

1144

00:52:05,410 --> 00:52:02,990

that's what it's called literally

1145

00:52:09,220 --> 00:52:05,420

spelled the same yes like that's crazy

1146

00:52:12,849 --> 00:52:09,230

Adamantium hey maybe that's some of

1147

00:52:16,450 --> 00:52:12,859

that that trick will disclosure trick oh

1148

00:52:18,010 --> 00:52:16,460

yeah right through through media films

1149

00:52:20,290 --> 00:52:18,020

and stuff like that yeah where they

1150

00:52:24,390 --> 00:52:20,300

release little bits of information that

1151
00:52:26,590 --> 00:52:24,400
are true and it's just you know so when

1152
00:52:28,900 --> 00:52:26,600
when the time comes we're not all

1153
00:52:31,030 --> 00:52:28,910
completely mind blown because it's it's

1154
00:52:34,090 --> 00:52:31,040
kind of familiar to us like we've been

1155
00:52:37,210 --> 00:52:34,100
fed this information over the past 80

1156
00:52:39,550 --> 00:52:37,220
years it's either that or the opposite

1157
00:52:41,260 --> 00:52:39,560
where they're like oh well you dumbass

1158
00:52:43,120 --> 00:52:41,270
that's the same thing that Wolverine put

1159
00:52:47,230 --> 00:52:43,130
in it you know oh yeah it's the opposite

1160
00:52:50,790 --> 00:52:47,240
like yeah but it sounds cool dude how

1161
00:52:56,590 --> 00:52:55,240
is it there Adam Ant I don't know Adam

1162
00:52:58,300 --> 00:52:56,600
Adam Adam Ant

1163
00:53:01,210 --> 00:52:58,310

he's like he was like a little little

1164

00:53:04,450 --> 00:53:01,220

cartoon and he was tiny and he could fly

1165

00:53:08,770 --> 00:53:04,460

around and in kick-ass Adam Ant

1166

00:53:11,890 --> 00:53:08,780

sounds like an adamant oh he looks like

1167

00:53:15,120 --> 00:53:11,900

Johnny Depp maybe he's a singer and so

1168

00:53:17,860 --> 00:53:15,130

that's what it is yeah he's a musician

1169

00:53:19,540 --> 00:53:17,870

there's a there's a there's a cartoon of

1170

00:53:22,290 --> 00:53:19,550

a tiny little ant and he would kick

1171

00:53:25,810 --> 00:53:22,300

people's asses and there's this uh

1172

00:53:27,490 --> 00:53:25,820

there's like this this uh it was like a

1173

00:53:29,890 --> 00:53:27,500

Mexican TV show with a guy dressed up

1174

00:53:31,210 --> 00:53:29,900

like an ant it was pretty funny I don't

1175

00:53:34,330 --> 00:53:31,220

remember the name talked about the the

1176

00:53:37,000 --> 00:53:34,340

tick no but I love that show too

1177

00:53:40,780 --> 00:53:37,010

that show was hilarious I used to love

1178

00:53:43,750 --> 00:53:40,790

the tape who was this voice over so damn

1179

00:53:46,960 --> 00:53:43,760

what's his name it is the guy who plays

1180

00:53:49,000 --> 00:53:46,970

Grunk in the Emperor's New Groove Yeah

1181

00:53:52,510 --> 00:53:49,010

right yeah I can't ever remember his

1182

00:53:54,940 --> 00:53:52,520

name but yeah he's funny they made like

1183

00:53:57,250 --> 00:53:54,950

a live-action where he actually played I

1184

00:53:59,290 --> 00:53:57,260

think the voice-over guy actually played

1185

00:54:01,960 --> 00:53:59,300

the tape the tick yeah yeah they made a

1186

00:54:04,210 --> 00:54:01,970

new like yeah it was a version I think

1187

00:54:08,130 --> 00:54:04,220

you'd only get it on Amazon I think of

1188

00:54:10,300 --> 00:54:08,140

course dude yeah got all the good stuff

1189

00:54:12,910 --> 00:54:10,310

it's funny because everybody I know

1190

00:54:15,910 --> 00:54:12,920

orders [h__h] from Amazon but they don't

1191

00:54:18,340 --> 00:54:15,920

order movies that it confuses me I'm

1192

00:54:19,510 --> 00:54:18,350

like you order everything why not every

1193

00:54:22,720 --> 00:54:19,520

time I come over here there's like eight

1194

00:54:25,030 --> 00:54:22,730

eight Amazon boxes in the corner but you

1195

00:54:26,380 --> 00:54:25,040

don't have Amazon TV that [h__h] over in

1196

00:54:29,020 --> 00:54:26,390

your corner cost you what four or five

1197

00:54:31,420 --> 00:54:29,030

hundred bucks and in the TV cost you six

1198

00:54:33,250 --> 00:54:31,430

bucks so get the [h__h] I get it so I can

1199

00:54:36,010 --> 00:54:33,260

use your password because I'm we have

1200

00:54:37,480 --> 00:54:36,020

Amazon Prime dude dude oh you don't

1201
00:54:41,260 --> 00:54:37,490
watch them that's how I watch the

1202
00:54:43,120 --> 00:54:41,270
skinwalker ranch video you got it on oh

1203
00:54:45,100 --> 00:54:43,130
I had to pay for it I had to rent it no

1204
00:54:53,950 --> 00:54:45,110
how much was it sounds like \$4 dude it

1205
00:54:55,990 --> 00:54:53,960
was a bad I saw somebody I was looking

1206
00:54:58,720 --> 00:54:56,000
for this movie surf ninjas and then I

1207
00:55:01,030 --> 00:54:58,730
saw somebody post who's just made that

1208
00:55:03,170 --> 00:55:01,040
they got no surf ninjas I love that

1209
00:55:09,019 --> 00:55:03,180
movie dude Street sharks

1210
00:55:13,069 --> 00:55:09,029
street sharks you're gonna give me going

1211
00:55:19,569 --> 00:55:13,079
gonna give me going man all these old

1212
00:55:21,499 --> 00:55:19,579
cartoons but yeah so on topic yeah yeah

1213
00:55:23,450 --> 00:55:21,509

dude that's all the stories that I know

1214

00:55:24,920 --> 00:55:23,460

BOTS can walk around I mean we're kind

1215

00:55:27,460 --> 00:55:24,930

of at the end of all in all bro I mean

1216

00:55:30,920 --> 00:55:27,470

skinwalker ranch is just a crazy place

1217

00:55:34,130 --> 00:55:30,930

right and I mean it's it's I'd like to

1218

00:55:35,599 --> 00:55:34,140

visit absolutely I would love to visit

1219

00:55:38,359 --> 00:55:35,609

so people have claimed to see you know

1220

00:55:41,599 --> 00:55:38,369

see UFOs there they see strange lights

1221

00:55:43,220 --> 00:55:41,609

they see Bigfoot they see giant dire

1222

00:55:47,109 --> 00:55:43,230

wolves that are bulletproof bulletproof

1223

00:55:50,420 --> 00:55:47,119

right cattle me it's everything

1224

00:55:53,660 --> 00:55:50,430

paranormal is that you can think of is

1225

00:55:55,759 --> 00:55:53,670

at this so mean yeah if you were to go

1226

00:55:58,700 --> 00:55:55,769

there and like experience all the [h__\h]

1227

00:56:01,190 --> 00:55:58,710

or like live there for a week mm-hmm

1228

00:56:03,710 --> 00:56:01,200

what a great amusement park but put me

1229

00:56:05,059 --> 00:56:03,720

in a plastic box like I don't I don't

1230

00:56:06,859 --> 00:56:05,069

want anything messing with me

1231

00:56:10,279 --> 00:56:06,869

so that was a crazy thing that they said

1232

00:56:12,950 --> 00:56:10,289

right of all the time that everybody was

1233

00:56:15,499 --> 00:56:12,960

there nobody ever got hurt it was only

1234

00:56:17,599 --> 00:56:15,509

the rights yeah yeah no humans got hurt

1235

00:56:19,989 --> 00:56:17,609

yeah ever get hurt other than the fact

1236

00:56:22,700 --> 00:56:19,999

that so they a couple people did mention

1237

00:56:25,220 --> 00:56:22,710

including well George Knapp didn't have

1238

00:56:27,859 --> 00:56:25,230

an entity follow him but other people

1239

00:56:30,589 --> 00:56:27,869

claimed like the families that live

1240

00:56:32,960 --> 00:56:30,599

there then an entity followed them like

1241

00:56:34,249 --> 00:56:32,970

hitchhiked oh man so where they they

1242

00:56:37,339 --> 00:56:34,259

moved to a different city or whatever

1243

00:56:38,809 --> 00:56:37,349

this entity stayed with him for a couple

1244

00:56:41,359 --> 00:56:38,819

weeks like move you know their their

1245

00:56:43,549 --> 00:56:41,369

lips lepton their castle we're coming

1246

00:56:47,029 --> 00:56:43,559

you know now it's eating their popcorn

1247

00:56:49,700 --> 00:56:47,039

but you move a hundred miles away yeah

1248

00:56:53,150 --> 00:56:49,710

in your [h__h] groceries back in the

1249

00:56:56,930 --> 00:56:53,160

bag how though that would piss me off I

1250

00:56:59,809 --> 00:56:56,940

was like can I couldn't Bigfoot follow

1251
00:57:01,670 --> 00:56:59,819
us instead I got the goddamn ghost that

1252
00:57:03,470 --> 00:57:01,680
takes my groceries out and puts them

1253
00:57:05,180 --> 00:57:03,480
back in the bag Bigfoot I feel like

1254
00:57:20,970 --> 00:57:05,190
would take up a lot of toilet paper so I

1255
00:57:20,980 --> 00:57:41,950
[Laughter]

1256
00:57:48,920 --> 00:57:45,950
yeah but skinwalker ranch is a crazy

1257
00:57:51,430 --> 00:57:48,930
place I'd like to go see it for sure I

1258
00:57:55,270 --> 00:57:51,440
would go I would paint it I would pay I

1259
00:57:57,770 --> 00:57:55,280
would pay I don't know how much would

1260
00:58:01,310 --> 00:57:57,780
would you pay to go there for a week - I

1261
00:58:03,500 --> 00:58:01,320
mean a hundred bucks 150 bucks I always

1262
00:58:05,930 --> 00:58:03,510
sound like a cheap ass you know you

1263
00:58:07,580 --> 00:58:05,940

don't want to pay 500 bucks and die but

1264

00:58:13,400 --> 00:58:07,590

I don't want to be you know like oh

1265

00:58:16,760 --> 00:58:13,410

he'll you twenty bucks you know looks

1266

00:58:19,460 --> 00:58:16,770

like a cheat what uh-oh \$15 what do you

1267

00:58:22,450 --> 00:58:19,470

think my uh my friend George Washington

1268

00:58:29,180 --> 00:58:22,460

has to say about that you see dollar

1269

00:58:31,760 --> 00:58:29,190

crispy dollar so when so this is in Utah

1270

00:58:33,830 --> 00:58:31,770

oh my god I'm gonna really reveal how

1271

00:58:36,050 --> 00:58:33,840

dumb I am when I'm asking you this like

1272

00:58:39,310 --> 00:58:36,060

geography is not my thing okay but how

1273

00:58:46,910 --> 00:58:39,320

close is Utah to Arizona

1274

00:58:49,520 --> 00:58:46,920

it's like a state up really yeah oh not

1275

00:58:52,460 --> 00:58:49,530

so Texas is the big one so 50 states I

1276

00:58:55,190 --> 00:58:52,470

mean we're already going to Phoenix yeah

1277

00:58:57,980 --> 00:58:55,200

if it's not too big of like a road trip

1278

00:59:00,020 --> 00:58:57,990

you delay it'll be a road trip okay all

1279

00:59:03,410 --> 00:59:00,030

right I'm not trying to be in the car

1280

00:59:05,540 --> 00:59:03,420

for like 10 hours no then you all right

1281

00:59:08,000 --> 00:59:05,550

but Utah is will say these uh pretty

1282

00:59:10,580 --> 00:59:08,010

awesome it's got a lot of cool hiking

1283

00:59:12,590 --> 00:59:10,590

spots City Utah like maybe snow

1284

00:59:14,930 --> 00:59:12,600

yeah there's mountains right there and I

1285

00:59:17,300 --> 00:59:14,940

worked at a place right down the

1286

00:59:19,100 --> 00:59:17,310

mountain range from Park City no [h__h]

1287

00:59:20,800 --> 00:59:19,110

uh-huh it's called Taylor what do you

1288

00:59:24,400 --> 00:59:20,810

mean you were hailer Utah

1289

00:59:27,310 --> 00:59:24,410

I opened a restaurant oh yeah a new ties

1290

00:59:27,640 --> 00:59:27,320

dude hell yeah yeah so that was kind of

1291

00:59:29,410 --> 00:59:27,650

cool

1292

00:59:31,390 --> 00:59:29,420

hell yeah Dean but yeah dude we should

1293

00:59:35,710 --> 00:59:31,400

definitely make a trip up there uh I'm

1294

00:59:39,760 --> 00:59:35,720

down we should like get a group bring

1295

00:59:42,220 --> 00:59:39,770

some lasers dude I wonder if I wonder if

1296

00:59:44,260 --> 00:59:42,230

the scientist had lasers dude if they

1297

00:59:45,910 --> 00:59:44,270

didn't they should have yeah I mean if

1298

00:59:47,710 --> 00:59:45,920

I'm out there I'm gonna be pointing some

1299

00:59:51,460 --> 00:59:47,720

stuff yeah what if you're like nope you

1300

00:59:53,950 --> 00:59:51,470

come to me you just shine it on that

1301

00:59:58,000 --> 00:59:53,960

thing like the walls out there like stop

1302

00:59:59,560 --> 00:59:58,010

it so my eyes pop are you shine it on

1303

01:00:13,330 --> 00:59:59,570

the ground the Wolves just start chasing

1304

01:00:15,700 --> 01:00:13,340

it dude yeah I mean it was a good one

1305

01:00:19,150 --> 01:00:15,710

that was a man we stayed on topic for

1306

01:00:20,230 --> 01:00:19,160

the most part I'm pretty I'm pretty

1307

01:00:22,840 --> 01:00:20,240

stuck about this episode

1308

01:00:24,160 --> 01:00:22,850

I mean I love the just a little bit of

1309

01:00:25,720 --> 01:00:24,170

the feedback was like maybe just stick

1310

01:00:27,820 --> 01:00:25,730

to like one story and I felt like this

1311

01:00:29,440 --> 01:00:27,830

was the perfect one to lead into yeah

1312

01:00:32,140 --> 01:00:29,450

there's just so much weird stuff and

1313

01:00:34,300 --> 01:00:32,150

like I feel like we equally know enough

1314

01:00:35,740 --> 01:00:34,310

about it and now people listening to

1315

01:00:38,350 --> 01:00:35,750

this if they didn't already know now

1316

01:00:40,120 --> 01:00:38,360

they know yeah and if you want to watch

1317

01:00:42,850 --> 01:00:40,130

the documentary like where me and Joe

1318

01:00:45,130 --> 01:00:42,860

knows stuff from it's called the search

1319

01:00:48,190 --> 01:00:45,140

for the skinwalker and actually watched

1320

01:00:50,110 --> 01:00:48,200

it on Amazon Prime oh it wasn't prime

1321

01:00:54,160 --> 01:00:50,120

cuz I'd pay for it Oh whole four dollars

1322

01:00:56,470 --> 01:00:54,170

Oh HD was it worth four bucks honestly

1323

01:00:56,860 --> 01:00:56,480

yeah okay yeah it was good it was really

1324

01:01:00,190 --> 01:00:56,870

well done

1325

01:01:01,870 --> 01:01:00,200

Jeremy Korbelt another shout out mm-hmm

1326
01:01:03,940 --> 01:01:01,880
which you didn't know I didn't know that

1327
01:01:05,110 --> 01:01:03,950
he also directed that right well we were

1328
01:01:07,210 --> 01:01:05,120
saying before we started the podcast

1329
01:01:10,180 --> 01:01:07,220
like it's it's great because I it's the

1330
01:01:14,320 --> 01:01:10,190
same intro I've seen it I've seen it

1331
01:01:16,000 --> 01:01:14,330
before me too and it's and I just he's

1332
01:01:17,230 --> 01:01:16,010
like it's the same intro as the bob

1333
01:01:18,400 --> 01:01:17,240
lazar one where he's like walking

1334
01:01:23,290 --> 01:01:18,410
through a desert and there's like the

1335
01:01:30,120 --> 01:01:23,300
space and background he's like he's all

1336
01:01:32,980 --> 01:01:30,130
emo I woke up I made myself perfect

1337
01:01:35,500 --> 01:01:32,990
anyway you get it if you want to check

1338
01:01:37,960 --> 01:01:35,510

it out it's on Amazon

1339

01:01:40,450 --> 01:01:37,970

yeah yeah dude guys we got some t-shirts

1340

01:01:42,790 --> 01:01:40,460

coming out pretty we got some tees got

1341

01:01:46,570 --> 01:01:42,800

some stickers that are ordered they

1342

01:01:49,300 --> 01:01:46,580

should be here pretty soon so Joe made

1343

01:01:51,220 --> 01:01:49,310

this badass he came over a couple days

1344

01:01:54,460 --> 01:01:51,230

ago with this awesome design it calls

1345

01:01:55,840 --> 01:01:54,470

come and take us and it's a it's a UFO

1346

01:01:57,610 --> 01:01:55,850

with a star if you haven't seen it on

1347

01:01:59,800 --> 01:01:57,620

our Facebook page we're gonna make those

1348

01:02:01,720 --> 01:01:59,810

t-shirts really soon we got three people

1349

01:02:03,550 --> 01:02:01,730

that we did this thing we're like yeah

1350

01:02:05,050 --> 01:02:03,560

first three people that shared yeah look

1351

01:02:10,180 --> 01:02:05,060

at a free t-shirt I can't remember who

1352

01:02:12,190 --> 01:02:10,190

was Corey Nicole and Josh shoutout yeah

1353

01:02:12,970 --> 01:02:12,200

yeah you guys win when the free shirts

1354

01:02:14,830 --> 01:02:12,980

hell yeah

1355

01:02:18,280 --> 01:02:14,840

got some merch coming up and these

1356

01:02:23,110 --> 01:02:18,290

stickers with the to give a shout out to

1357

01:02:25,480 --> 01:02:23,120

uh to to Joseph cuz that guy yeah on top

1358

01:02:27,610 --> 01:02:25,490

of it man do every day you know send

1359

01:02:29,290 --> 01:02:27,620

some cool stuff love it yeah man we

1360

01:02:31,240 --> 01:02:29,300

appreciate that brother keep Superman

1361

01:02:32,920 --> 01:02:31,250

yeah it's it's like stuff that I've

1362

01:02:34,540 --> 01:02:32,930

never seen yeah it's like new

1363

01:02:37,840 --> 01:02:34,550

information - yeah it's cool

1364

01:02:41,230 --> 01:02:37,850

like you see the the area 51 thing today

1365

01:02:44,560 --> 01:02:41,240

where everywhere there's a it at the top

1366

01:02:47,560 --> 01:02:44,570

it says they can't stop us all oh and

1367

01:02:51,870 --> 01:02:47,570

yes and it's a meet up at area 51 and

1368

01:02:57,040 --> 01:02:51,880

everybody's gonna walk up to area 51

1369

01:02:58,630 --> 01:02:57,050

yeah I don't think that's gonna work out

1370

01:03:01,570 --> 01:02:58,640

for those guys you know they're

1371

01:03:06,340 --> 01:03:01,580

expecting like 6,000 people to show up

1372

01:03:07,570 --> 01:03:06,350

and like like maybe yeah 14 at the most

1373

01:03:10,600 --> 01:03:07,580

and they're gonna be like well should we

1374

01:03:13,690 --> 01:03:10,610

still do it I mean can they do something

1375

01:03:17,380 --> 01:03:13,700

to all of us okay everybody hands in

1376

01:03:23,820 --> 01:03:17,390

yeah they can they can do something to

1377

01:03:28,720 --> 01:03:23,830

6,000 if they want to like all bicyclist

1378

01:03:35,860 --> 01:03:28,730

are guys in formation would you bring

1379

01:03:38,410 --> 01:03:35,870

the water bottle full of rocks oh they

1380

01:03:39,970 --> 01:03:38,420

better not send a tank towards me

1381

01:03:41,200 --> 01:03:39,980

they've probably got a tank me they

1382

01:03:43,330 --> 01:03:41,210

probably got something scarier than a

1383

01:03:46,060 --> 01:03:43,340

tail dude it's like a hovering

1384

01:03:47,710 --> 01:03:46,070

levitating tank they probably got that

1385

01:03:49,750 --> 01:03:47,720

thing off of a

1386

01:03:53,710 --> 01:03:49,760

stranger things out there running around

1387

01:03:55,360 --> 01:03:53,720

dude yeah naked and scary and [h__\h] suck

1388

01:03:57,850 --> 01:03:55,370

your face the demagogue and the Demi

1389

01:03:59,950 --> 01:03:57,860

Gorgon do they probably Jimmy Gorgons

1390

01:04:03,490 --> 01:03:59,960

walking around down hey that comes out

1391

01:04:04,750 --> 01:04:03,500

tomorrow yeah dude yeah so are you gonna

1392

01:04:07,060 --> 01:04:04,760

watch fireworks are you gonna watch

1393

01:04:09,550 --> 01:04:07,070

stranger this stranger thing is a great

1394

01:04:11,530 --> 01:04:09,560

question my freaking neighborhood we're

1395

01:04:13,870 --> 01:04:11,540

gonna celebrate America or we're just

1396

01:04:16,950 --> 01:04:13,880

gonna watch change thanks wanting the

1397

01:04:19,720 --> 01:04:16,960

same brother that's America idea right

1398

01:04:22,120 --> 01:04:19,730

okay yeah my neighborhood never fails

1399

01:04:29,980 --> 01:04:22,130

every year it's like my wife and I are

1400

01:04:33,850 --> 01:04:29,990

like was that a gunshot that's gonna

1401
01:04:34,870 --> 01:04:33,860
happen nibbler is gonna be terrified but

1402
01:04:36,070 --> 01:04:34,880
yeah I'm excited you know we were

1403
01:04:38,650 --> 01:04:36,080
thinking about doing a thing where we do

1404
01:04:40,330 --> 01:04:38,660
a little projector mm-hmm projected on

1405
01:04:42,310 --> 01:04:40,340
the back of our little shed Oh that'd be

1406
01:04:45,010 --> 01:04:42,320
cool yeah yeah because I mean we don't

1407
01:04:47,260 --> 01:04:45,020
have any plans so I mean yeah well we'll

1408
01:04:48,700 --> 01:04:47,270
talk about it later but yeah dude man

1409
01:04:50,740 --> 01:04:48,710
this went way better than the other

1410
01:04:54,100 --> 01:04:50,750
podcast we try to do guys we try to do a

1411
01:04:56,830 --> 01:04:54,110
podcast the other day it was total [h__h]

1412
01:04:59,650 --> 01:04:56,840
so bad we made it like maybe 20 minutes

1413
01:05:03,700 --> 01:04:59,660

in I've never experienced so much dead

1414

01:05:05,890 --> 01:05:03,710

silence you're so nice about it we just

1415

01:05:07,720 --> 01:05:05,900

couldn't keep it go it was just

1416

01:05:09,190 --> 01:05:07,730

hilarious we didn't get into the flow it

1417

01:05:10,960 --> 01:05:09,200

happened it's gonna happen but I tell

1418

01:05:13,060 --> 01:05:10,970

you what even though it's a good thing

1419

01:05:15,220 --> 01:05:13,070

it was a terrible podcast cuz we got a

1420

01:05:17,500 --> 01:05:15,230

lot of other stuff done you know had we

1421

01:05:19,030 --> 01:05:17,510

not you know messed up the podcast and

1422

01:05:21,280 --> 01:05:19,040

we wouldn't gotten shirts and stickers

1423

01:05:22,960 --> 01:05:21,290

exactly you know you know shoutouts to

1424

01:05:24,970 --> 01:05:22,970

people and stuff so yeah it was those

1425

01:05:26,470 --> 01:05:24,980

turn out to be it was a success it's

1426

01:05:28,900 --> 01:05:26,480

still productive we did the El Camino

1427

01:05:32,500 --> 01:05:28,910

thing which joked Illustrated that El

1428

01:05:32,890 --> 01:05:32,510

Camino superstar Impala bro oh is it

1429

01:05:36,280 --> 01:05:32,900

really

1430

01:05:39,340 --> 01:05:36,290

they elk owes the truck damage I had an

1431

01:05:41,260 --> 01:05:39,350

argument with Luke about this last night

1432

01:05:43,900 --> 01:05:41,270

oh no it was like that's not an El

1433

01:05:46,810 --> 01:05:43,910

Camino I said if anybody knows what an

1434

01:05:49,690 --> 01:05:46,820

El Camino is Joe loves that car and know

1435

01:05:51,880 --> 01:05:49,700

that he would know you're sorry I'm

1436

01:05:55,630 --> 01:05:51,890

totally wrong I'm sorry Luke I'll tell

1437

01:05:58,870 --> 01:05:55,640

you who's the Elko fan is dill deals a

1438

01:06:00,450 --> 01:05:58,880

huge Elko fan used to cruise the Elko I

1439

01:06:02,490 --> 01:06:00,460

had the Impala yeah

1440

01:06:03,840 --> 01:06:02,500

we had a sweet El Camino dude how the

1441

01:06:06,900 --> 01:06:03,850

hell did I think it was it

1442

01:06:11,640 --> 01:06:06,910

I even like named the file El Camino if

1443

01:06:13,050 --> 01:06:11,650

you didn't stop me I didn't know no all

1444

01:06:15,770 --> 01:06:13,060

right that's cuz I just called it the

1445

01:06:18,540 --> 01:06:15,780

six pot six file

1446

01:06:20,040 --> 01:06:18,550

it's the Impala or it's the gear I've

1447

01:06:26,700 --> 01:06:20,050

got I've gotta go losing down the street

1448

01:06:33,450 --> 01:06:26,710

in my six well seven of I went so I

1449

01:06:35,960 --> 01:06:33,460

totally in other words it's okay alright

1450

01:06:39,690 --> 01:06:35,970

stop myself right there alright guys

1451

01:06:41,430 --> 01:06:39,700

well very soon check us out on the the

1452

01:06:42,840 --> 01:06:41,440

website it should be coming here pretty

1453

01:06:44,850 --> 01:06:42,850

soon maybe we'll have another shitty

1454

01:06:47,610 --> 01:06:44,860

podcast day and get that up and running

1455

01:06:49,620 --> 01:06:47,620

yeah it's a UFO garage PC calm

1456

01:06:54,210 --> 01:06:49,630

definitely check us out on Facebook

1457

01:06:55,800 --> 01:06:54,220

though UFO garage podcast decision yeah

1458

01:06:57,300 --> 01:06:55,810

just search it I mean now you can google

1459

01:06:59,550 --> 01:06:57,310

it and we're the first thing that pops

1460

01:07:01,560 --> 01:06:59,560

right that's pretty cool yeah so or Ask

1461

01:07:03,540 --> 01:07:01,570

Jeeves if you do ask - Jeeves

1462

01:07:05,370 --> 01:07:03,550

he'll know he'll know he may take you

1463

01:07:07,170 --> 01:07:05,380

the long route but you get to it but

1464

01:07:09,390 --> 01:07:07,180

yeah you ghouls where the we're the

1465

01:07:13,230 --> 01:07:09,400

first thing that pops up now so I mean

1466

01:07:15,570 --> 01:07:13,240

you know I you know you sound pretty

1467

01:07:16,080 --> 01:07:15,580

pretentious kind of a big deal we're

1468

01:07:17,310 --> 01:07:16,090

good

1469

01:07:22,800 --> 01:07:17,320

I mean I don't want too many

1470

01:07:26,100 --> 01:07:22,810

leather-bound books yeah many smells so

1471

01:07:27,720 --> 01:07:26,110

yeah guys will have the patreon up but

1472

01:07:30,840 --> 01:07:27,730

yeah come check us out on Facebook

1473

01:07:33,710 --> 01:07:30,850

listen to us what I Heart Radio or her

1474

01:07:37,380 --> 01:07:33,720

radio Spotify apple pie apple podcast

1475

01:07:39,930 --> 01:07:37,390

yeah Spreker everything guys we're

1476

01:07:42,930 --> 01:07:39,940

everywhere now so definitely check it

1477

01:07:44,560 --> 01:07:42,940

out give us some likes and some love

1478

01:07:48,570 --> 01:07:44,570

show some love

1479

01:07:54,670 --> 01:07:51,550

we're good

1480

01:07:58,630 --> 01:07:54,680

all right guys well peace that is it for

1481

01:07:59,470 --> 01:07:58,640

your focal Ross this time and we'll talk
