**GARAGE**  
**PODCAST**

1  
00:00:07,940 --> 00:00:04,930

[Music]

2  
00:00:10,549 --> 00:00:07,950

this is another episode of UFO garage

3  
00:00:13,539 --> 00:00:10,559

I'm Ben and I'm Joe this is where we

4  
00:00:16,070 --> 00:00:13,549

talk about UFOs aliens and all things we

5  
00:00:16,670 --> 00:00:16,080

what's up what's up what's up party

6  
00:00:21,140 --> 00:00:16,680

people

7  
00:00:23,599 --> 00:00:21,150

what's up dude how's it going not a lot

8  
00:00:26,390 --> 00:00:23,609

man hey it's kind of a we reached kind

9  
00:00:28,339 --> 00:00:26,400

of a milestone with this eleventh

10  
00:00:31,279 --> 00:00:28,349

podcast oh yeah man

11  
00:00:33,920 --> 00:00:31,289

most studies say that if you know you're

12  
00:00:36,290 --> 00:00:33,930

doing something like a UFO podcast why

13  
00:00:38,569 --> 00:00:36,300

not write any type of podcast yeah they

14

00:00:41,630 --> 00:00:38,579

usually don't make it past episode 10

15

00:00:44,360 --> 00:00:41,640

yeah all right yeah and we did it we did

16

00:00:48,880 --> 00:00:44,370

it dude this is the one we're on Episode

17

00:00:53,360 --> 00:00:48,890

loving it right now yes awesome dude I

18

00:00:55,310 --> 00:00:53,370

feel like is it has not been that long

19

00:00:58,040 --> 00:00:55,320

of a time I mean it's only been what two

20

00:01:00,260 --> 00:00:58,050

months yeah yeah feels it feels like we

21

00:01:01,849 --> 00:01:00,270

haven't been doing this for that long

22

00:01:03,889 --> 00:01:01,859

you know yeah I mean we try to give you

23

00:01:05,630 --> 00:01:03,899

guys at least you know once a week yeah

24

00:01:10,130 --> 00:01:05,640

you know occasionally you may get more

25

00:01:11,929 --> 00:01:10,140

than one week but you know other than

26

00:01:13,010 --> 00:01:11,939

doing this podcast we got to make a

27

00:01:16,190 --> 00:01:13,020

living - uh-huh

28

00:01:18,020 --> 00:01:16,200

we're full-time jobs man yeah yeah yeah

29

00:01:20,359 --> 00:01:18,030

totally I think it's perfect that we do

30

00:01:22,130 --> 00:01:20,369

it once a week right now mm-hmm

31

00:01:25,070 --> 00:01:22,140

I mean yeah when we quit our jobs later

32

00:01:26,240 --> 00:01:25,080

and do this full-time more we're gonna

33

00:01:27,950 --> 00:01:26,250

be get it we're gonna leave the people

34

00:01:28,609 --> 00:01:27,960

hungry yeah gotta leave them wanting

35

00:01:31,219 --> 00:01:28,619

more

36

00:01:32,840 --> 00:01:31,229

yeah right we also get we also sent out

37

00:01:34,670 --> 00:01:32,850

a bunch of stuff on Facebook like every

38

00:01:36,170 --> 00:01:34,680

almost every day I feel like you or me

39

00:01:38,210 --> 00:01:36,180

you know we try to post something I'll

40

00:01:40,130 --> 00:01:38,220

post something and it's honestly it's so

41

00:01:43,550 --> 00:01:40,140

effortless like I just all come across

42

00:01:44,990 --> 00:01:43,560

something and go to post it in Oh Joe's

43

00:01:46,850 --> 00:01:45,000

already posted something freaking

44

00:01:49,310 --> 00:01:46,860

awesome I'll wait a couple hours and

45

00:01:51,109 --> 00:01:49,320

I'll post my thing yeah you know so I

46

00:01:52,639 --> 00:01:51,119

mean it's it's like a it's it's been

47

00:01:56,690 --> 00:01:52,649

stated it's been it's been great

48

00:01:58,910 --> 00:01:56,700

yesterday I said hello to the people and

49

00:02:01,219 --> 00:01:58,920

and hoped that they were all having a

50

00:02:05,090 --> 00:02:01,229

great day that was awesome I love that

51  
00:02:08,210 --> 00:02:05,100  
and nobody responded you guys all having

52  
00:02:09,919 --> 00:02:08,220  
shitty days did you not see my post they

53  
00:02:11,510 --> 00:02:09,929  
wanted to be positive they didn't have

54  
00:02:11,680 --> 00:02:11,520  
anything positive to say so they didn't

55  
00:02:14,350 --> 00:02:11,690  
say

56  
00:02:20,770 --> 00:02:14,360  
anything at all well good we'll go with

57  
00:02:22,300 --> 00:02:20,780  
that so just some I guess some things

58  
00:02:24,730 --> 00:02:22,310  
that happen so what do we have from

59  
00:02:26,650 --> 00:02:24,740  
Joseph this week yeah D Jessa yes if

60  
00:02:28,840 --> 00:02:26,660  
you're like our young Jamie from the Joe

61  
00:02:32,430 --> 00:02:28,850  
Rogan podcast just like constantly

62  
00:02:37,960 --> 00:02:32,440  
giving us awesome content dude yeah

63  
00:02:40,090 --> 00:02:37,970

you're keeping this podcast relevant but

64

00:02:44,080 --> 00:02:40,100

that so that post about I had already

65

00:02:48,100 --> 00:02:44,090

actually seen that tardigrade thing so I

66

00:02:49,750 --> 00:02:48,110

guess the Israeli space it seems like

67

00:02:51,580 --> 00:02:49,760

every country's coming out with their

68

00:02:53,590 --> 00:02:51,590

own space cook program by the way yeah

69

00:02:55,240 --> 00:02:53,600

it's about time I mean not coming out

70

00:02:58,540 --> 00:02:55,250

but like finally doing things I mean

71

00:03:00,790 --> 00:02:58,550

like China sent that that probe to the

72

00:03:02,740 --> 00:03:00,800

Dark Side of the Moon right past week as

73

00:03:05,170 --> 00:03:02,750

well uh-huh but the Israeli thing I

74

00:03:08,560 --> 00:03:05,180

didn't even know is the is really you

75

00:03:10,960 --> 00:03:08,570

know the is it all right

76

00:03:13,210 --> 00:03:10,970

the Israelis had a space program I'll

77

00:03:15,640 --> 00:03:13,220

just say that right right right but yeah

78

00:03:17,470 --> 00:03:15,650

they spend a lot of the titles like we

79

00:03:19,900 --> 00:03:17,480

spilled tart base good oh the

80

00:03:24,400 --> 00:03:19,910

tardigrades they spilled it no you crash

81

00:03:26,050 --> 00:03:24,410

yeah yeah it's like the visual is like

82

00:03:28,360 --> 00:03:26,060

I've pictured somebody's like on this

83

00:03:31,210 --> 00:03:28,370

like probe and they land on the moon and

84

00:03:35,170 --> 00:03:31,220

walk out with like a go-gurt thing and

85

00:03:38,710 --> 00:03:35,180

they just like squeeze out we spill

86

00:03:40,210 --> 00:03:38,720

water bears you know yeah no that's

87

00:03:43,750 --> 00:03:40,220

that's a little more than a spill you

88

00:03:46,080 --> 00:03:43,760

exploded water bear yell over the moon

89

00:03:49,030 --> 00:03:46,090

dude the the probability of them

90

00:03:52,090 --> 00:03:49,040

surviving even an explosion is pretty

91

00:03:53,710 --> 00:03:52,100

high yeah I'm surviving right yeah yeah

92

00:03:56,350 --> 00:03:53,720

are they they're extremophiles aren't

93

00:03:57,040 --> 00:03:56,360

they yeah extreme heat like don't need

94

00:03:59,290 --> 00:03:57,050

oxygen

95

00:04:02,520 --> 00:03:59,300

I guess uh-huh don't have to have

96

00:04:04,630 --> 00:04:02,530

gravity I mean there was like tests that

97

00:04:06,220 --> 00:04:04,640

from the space shuttle that there was

98

00:04:07,690 --> 00:04:06,230

like bacteria and there was like some

99

00:04:10,030 --> 00:04:07,700

tardigrades and they were going inside

100

00:04:12,040 --> 00:04:10,040

or whatever yeah and yeah they just like

101  
00:04:15,220 --> 00:04:12,050  
they're survivors dude I'm I'm so glad

102  
00:04:16,840 --> 00:04:15,230  
it wasn't a cockroach to these I like

103  
00:04:19,300 --> 00:04:16,850  
water barriers a lot more they're cute

104  
00:04:22,680 --> 00:04:19,310  
yeah totally if you ever made it to the

105  
00:04:24,909 --> 00:04:22,690  
moon it's like finally no cockroaches

106  
00:04:27,929 --> 00:04:24,919  
Rock Road shows up

107  
00:04:31,659 --> 00:04:27,939  
yeah you're in your little moon bubble

108  
00:04:34,179 --> 00:04:31,669  
yeah I goddamn it or a freaking fly

109  
00:04:37,480 --> 00:04:34,189  
you can't escape these things so pale ah

110  
00:04:39,760 --> 00:04:37,490  
do mosquitoes cyan mosquito there's a

111  
00:04:41,679 --> 00:04:39,770  
mosquito on the moon hell I give up

112  
00:04:43,540 --> 00:04:41,689  
yeah I'm go I don't know where would you

113  
00:04:45,670 --> 00:04:43,550

go after that I don't know the Sun

114

00:04:48,189 --> 00:04:45,680

mm-hmm yeah I'm going straight for the

115

00:04:53,679 --> 00:04:48,199

Sun I'm going to the Sun boy going

116

00:04:54,520 --> 00:04:53,689

straight for that Sun so I mean what do

117

00:04:56,830 --> 00:04:54,530

you think what do you think is gonna

118

00:04:58,959 --> 00:04:56,840

happen like I mean okay

119

00:05:00,670 --> 00:04:58,969

or or I have a better question do you

120

00:05:02,559 --> 00:05:00,680

think this is the first time we spilled

121

00:05:05,189 --> 00:05:02,569

some [h\_\_h] on the moon hell no dude you

122

00:05:08,499 --> 00:05:05,199

think we've already done that a lot bro

123

00:05:10,779 --> 00:05:08,509

absolutely huh if so if we landed on the

124

00:05:14,140 --> 00:05:10,789

moon which I think we did there has to

125

00:05:17,760 --> 00:05:14,150

be some kind of somebody had you know

126

00:05:20,559 --> 00:05:17,770

eating a bag of Doritos or something

127

00:05:23,200 --> 00:05:20,569

somebody sneezed farted on the moon and

128

00:05:24,939 --> 00:05:23,210

I think water barriers are already

129

00:05:26,379 --> 00:05:24,949

living on the mid-game I don't think

130

00:05:29,200 --> 00:05:26,389

this is the first time like they were

131

00:05:31,240 --> 00:05:29,210

already living there yeah hitched a ride

132

00:05:34,059 --> 00:05:31,250

on a comment yeah I think crashed into

133

00:05:35,559 --> 00:05:34,069

the earth yeah and that's where where

134

00:05:40,029 --> 00:05:35,569

water bursts bears came from in the

135

00:05:42,459 --> 00:05:40,039

first place right I like that yeah it's

136

00:05:45,999 --> 00:05:42,469

possible maybe they're the ones that

137

00:05:47,350 --> 00:05:46,009

built that uh that monolith that uh who

138

00:05:49,749 --> 00:05:47,360

it was it Buzz Aldrin that talked about

139

00:05:51,339 --> 00:05:49,759

that I think so yeah he was saying like

140

00:05:53,740 --> 00:05:51,349

wait to the people find out there's some

141

00:05:55,540 --> 00:05:53,750

there's a structure I'm a model model a

142

00:06:00,040 --> 00:05:55,550

man what are they gonna say that wasn't

143

00:06:02,200 --> 00:06:00,050

it a moon on of Mars though Oh was it I

144

00:06:05,920 --> 00:06:02,210

think it was a moon of Mars oh [h\_\_h] I

145

00:06:07,360 --> 00:06:05,930

think that they found a monolith okay I

146

00:06:08,649 --> 00:06:07,370

think it was something like that notion

147

00:06:12,909 --> 00:06:08,659

what I mean

148

00:06:14,950 --> 00:06:12,919

the astronauts you know supposedly have

149

00:06:17,230 --> 00:06:14,960

seen structures on the moon anyways okay

150

00:06:18,939 --> 00:06:17,240

all right well Bab which is pretty crazy

151

00:06:23,890 --> 00:06:18,949

actually looking in that this week

152

00:06:26,439 --> 00:06:23,900

uh-huh and I I was I read the transcript

153

00:06:28,749 --> 00:06:26,449

and there's some I guess back and forth

154

00:06:31,749 --> 00:06:28,759

on whether it's real or fake but the

155

00:06:33,430 --> 00:06:31,759

transcript is I'll get into that after

156

00:06:35,110 --> 00:06:33,440

this but like the the transcript is

157

00:06:36,730 --> 00:06:35,120

basically what the astronauts are

158

00:06:37,490 --> 00:06:36,740

talking about is they're flying over the

159

00:06:41,980 --> 00:06:37,500

moon

160

00:06:44,210 --> 00:06:41,990

and they hear this radio signal this

161

00:06:47,690 --> 00:06:44,220

that we already talked to did we already

162

00:06:49,880 --> 00:06:47,700

talk about this or no oh dude it's good

163

00:06:52,160 --> 00:06:49,890

but they but they heard like a radio

164

00:06:55,190 --> 00:06:52,170

signal uh-huh well as they're going over

165

00:06:57,560 --> 00:06:55,200

the moon and there's like this cut

166

00:06:58,610 --> 00:06:57,570

feedback that wasn't available not it

167

00:07:02,510 --> 00:06:58,620

wasn't like I don't think it was

168

00:07:04,910 --> 00:07:02,520

broadcasted live but the the transcript

169

00:07:09,140 --> 00:07:04,920

reads it's like hey we're like they're

170

00:07:11,120 --> 00:07:09,150

on the moon they're they're passing the

171

00:07:11,780 --> 00:07:11,130

moon and they hear this this radio

172

00:07:14,150 --> 00:07:11,790

signal

173

00:07:16,250 --> 00:07:14,160

I guess I'm few zhing to different

174

00:07:18,320 --> 00:07:16,260

stories I think I'm fusing two different

175

00:07:20,150 --> 00:07:18,330

stories okay but I've watched a couple

176

00:07:21,980 --> 00:07:20,160

videos this week yeah so the first one

177

00:07:23,420 --> 00:07:21,990

is when they're passing the dark side of

178

00:07:24,800 --> 00:07:23,430

the moon and they hear this radio signal

179

00:07:26,450 --> 00:07:24,810

and there's like there's an another

180

00:07:28,340 --> 00:07:26,460

transcript and you can actually hear the

181

00:07:31,670 --> 00:07:28,350

audio but like the second video I

182

00:07:33,980 --> 00:07:31,680

watched was when the astronauts were

183

00:07:36,470 --> 00:07:33,990

actually on on the moon

184

00:07:38,900 --> 00:07:36,480

and there's another transcript they're

185

00:07:41,690 --> 00:07:38,910

like hey there's lights on the rim of

186

00:07:43,700 --> 00:07:41,700

the crater like yeah they're looking at

187

00:07:48,170 --> 00:07:43,710

us they're watching us yeah I've heard

188

00:07:51,320 --> 00:07:48,180

that yeah i legit got really confused

189

00:07:53,060 --> 00:07:51,330

just then I thought [h\_\_h] there's so much

190

00:07:58,550 --> 00:07:53,070

crazy things that happen with those guys

191

00:08:01,610 --> 00:07:58,560

yeah apparently there's a NASA live now

192

00:08:04,430 --> 00:08:01,620

or something like that or live NASA or

193

00:08:06,350 --> 00:08:04,440

you can go back and listen to all audio

194

00:08:07,700 --> 00:08:06,360

that ever happened that's I so like

195

00:08:09,860 --> 00:08:07,710

during the anniversary of the moon

196

00:08:11,750 --> 00:08:09,870

landing a whole bunch of people went

197

00:08:14,090 --> 00:08:11,760

went back and just listened to that

198

00:08:17,060 --> 00:08:14,100

entire audio and you just you can just

199

00:08:19,130 --> 00:08:17,070

stream it cool yeah yeah I wonder if

200

00:08:21,020 --> 00:08:19,140

anybody like had like at NASA had to

201  
00:08:24,200 --> 00:08:21,030  
listen to all that to make sure that

202  
00:08:26,719 --> 00:08:24,210  
wasn't any like you know classified

203  
00:08:28,280 --> 00:08:26,729  
things going on or whatever maybe maybe

204  
00:08:29,719 --> 00:08:28,290  
I mean it's been so long now that

205  
00:08:31,790 --> 00:08:29,729  
whatever they were talking about back

206  
00:08:34,040 --> 00:08:31,800  
then probably isn't you know as relevant

207  
00:08:36,409 --> 00:08:34,050  
today yeah but there is some crazy

208  
00:08:39,800 --> 00:08:36,419  
things in there where the astronauts are

209  
00:08:41,360 --> 00:08:39,810  
you know talking back to Houston and yes

210  
00:08:45,860 --> 00:08:41,370  
and that and they're saying things like

211  
00:08:48,140 --> 00:08:45,870  
hey uh you somebody holding buzzes cue

212  
00:08:50,050 --> 00:08:48,150  
cards uh-huh things like that oh yeah

213  
00:08:53,860 --> 00:08:50,060

they're kind of joking back in the core

214

00:08:56,620 --> 00:08:53,870

some people are like Oh cue cards mmm

215

00:09:00,640 --> 00:08:56,630

now is that like in a studio type of cue

216

00:09:03,700 --> 00:09:00,650

cries yeah yeah okay okay dude I mean

217

00:09:05,980 --> 00:09:03,710

yeah it's crazy neither a little tick

218

00:09:08,890 --> 00:09:05,990

that just kind of makes if anybody is on

219

00:09:10,570 --> 00:09:08,900

the fence like go back and forth yeah I

220

00:09:12,730 --> 00:09:10,580

think I totally think we went but at the

221

00:09:14,500 --> 00:09:12,740

same time they definitely shot some

222

00:09:17,290 --> 00:09:14,510

stuff in the studio I totally believe

223

00:09:18,760 --> 00:09:17,300

that 100% I think you're right dude 100%

224

00:09:20,110 --> 00:09:18,770

I would definitely agree and if we kind

225

00:09:22,360 --> 00:09:20,120

of look back at what we were talking

226

00:09:25,660 --> 00:09:22,370

about the last podcast which probably

227

00:09:28,690 --> 00:09:25,670

wasn't very clear we were talking about

228

00:09:30,790 --> 00:09:28,700

the project horizon right like how we

229

00:09:32,500 --> 00:09:30,800

had to get to the moon and they were

230

00:09:35,050 --> 00:09:32,510

wanting to launch all these rockets to

231

00:09:36,970 --> 00:09:35,060

the moon yeah right and you know it was

232

00:09:39,070 --> 00:09:36,980

just super important for the country

233

00:09:42,070 --> 00:09:39,080

that we be the first to the moon right

234

00:09:44,670 --> 00:09:42,080

you know maybe yeah maybe yeah we

235

00:09:47,590 --> 00:09:44,680

definitely shot some stuff in the studio

236

00:09:49,360 --> 00:09:47,600

totally we have 2% but I totally believe

237

00:09:52,690 --> 00:09:49,370

we went to the maybe and shot a rocket

238

00:09:59,280 --> 00:09:52,700

is like a code name for we shot some

239

00:10:01,570 --> 00:09:59,290

video and a studio yeah yeah I haven't I

240

00:10:03,040 --> 00:10:01,580

haven't really looked into it much but

241

00:10:05,770 --> 00:10:03,050

you know most people say like well you

242

00:10:08,920 --> 00:10:05,780

can't pass the van Halen bill van Halen

243

00:10:12,450 --> 00:10:08,930

down dude hey did you know that Sammy

244

00:10:18,820 --> 00:10:12,460

Hagar said that he had alien contact

245

00:10:20,680 --> 00:10:18,830

what yeah Sammy Hagar he says that it's

246

00:10:23,050 --> 00:10:20,690

kind of weird because it happened when

247

00:10:25,680 --> 00:10:23,060

he was four apparently okay so he was

248

00:10:27,900 --> 00:10:25,690

young but he said he like had this dream

249

00:10:31,720 --> 00:10:27,910

but then it turned out to be like

250

00:10:35,590 --> 00:10:31,730

extremely real like he saw these lights

251  
00:10:37,930 --> 00:10:35,600  
and then he said that information was

252  
00:10:39,850 --> 00:10:37,940  
like being downloaded he said he felt

253  
00:10:44,020 --> 00:10:39,860  
like there was like a download of

254  
00:10:45,760 --> 00:10:44,030  
information like into his brain and whoa

255  
00:10:47,740 --> 00:10:45,770  
what did they sell me what were they

256  
00:10:49,180 --> 00:10:47,750  
saying I don't know I don't know I'd

257  
00:10:51,400 --> 00:10:49,190  
have to read more into it but I just

258  
00:10:53,470 --> 00:10:51,410  
kind of skimmed over some stuff and I

259  
00:10:56,560 --> 00:10:53,480  
was like what Sammy Hagar met an alien

260  
00:10:58,720 --> 00:10:56,570  
so question from your memory did he say

261  
00:11:00,660 --> 00:10:58,730  
that he had like maybe some false

262  
00:11:04,619 --> 00:11:00,670  
memories of like

263  
00:11:06,720 --> 00:11:04,629

a pirate ship in the sky no no false

264

00:11:08,549 --> 00:11:06,730

memories okay so he didn't clear about

265

00:11:09,749 --> 00:11:08,559

it he's pretty clear he's like I've

266

00:11:12,660 --> 00:11:09,759

heard a bunch of stories of people that

267

00:11:14,759 --> 00:11:12,670

have been abducted that say that when

268

00:11:16,619 --> 00:11:14,769

they were kids they were abducted you

269

00:11:20,160 --> 00:11:16,629

know maybe like once every three months

270

00:11:22,199 --> 00:11:20,170

and they always remembered it as dreams

271

00:11:24,900 --> 00:11:22,209

as having like pirate ships floating in

272

00:11:26,309 --> 00:11:24,910

the sky ooh like Peter Pan exactly

273

00:11:28,499 --> 00:11:26,319

exactly

274

00:11:31,109 --> 00:11:28,509

but when they were grown up they did

275

00:11:33,629 --> 00:11:31,119

like regression therapy hypnosis and

276

00:11:36,569 --> 00:11:33,639

they figured out like oh no they weren't

277

00:11:39,329 --> 00:11:36,579

pirate ships they were somebody planted

278

00:11:41,009 --> 00:11:39,339

like you know some information and made

279

00:11:44,429 --> 00:11:41,019

them believe that what they remembered

280

00:11:47,220 --> 00:11:44,439

was pirate ships whoa in that makes you

281

00:11:48,150 --> 00:11:47,230

think about Peter Pan - yeah it's kinda

282

00:11:49,470 --> 00:11:48,160

like when your parents are trying to

283

00:11:54,809 --> 00:11:49,480

give you medicine they're like it's a

284

00:11:57,239 --> 00:11:54,819

choo-choo train exactly like oh that

285

00:12:01,499 --> 00:11:57,249

choo-choo train tasted like [h\_\_h] yeah

286

00:12:03,809 --> 00:12:01,509

right every time I do a cherry flavor

287

00:12:05,789 --> 00:12:03,819

and that dude I had that like one

288

00:12:11,249 --> 00:12:05,799

medicine bottle that was cherry flavored

289

00:12:12,840 --> 00:12:11,259

my whole childhood one flavor brings

290

00:12:20,549 --> 00:12:12,850

your mom like my mom and just added

291

00:12:23,970 --> 00:12:20,559

water to it just kept it going it's the

292

00:12:26,009 --> 00:12:23,980

same thing yeah she's like you already

293

00:12:27,869 --> 00:12:26,019

got sick so like the next time you get

294

00:12:33,119 --> 00:12:27,879

sick you won't be as sick so you don't

295

00:12:34,799 --> 00:12:33,129

need as much medicine okay well I mean

296

00:12:37,019 --> 00:12:34,809

honestly what see whatever even is in

297

00:12:39,449 --> 00:12:37,029

that medicine I mean you're not curing

298

00:12:41,220 --> 00:12:39,459

it you know there's no cure to the cold

299

00:12:43,919 --> 00:12:41,230

more than likely I just needed more

300

00:12:46,019 --> 00:12:43,929

water to begin with miss you know is

301

00:12:48,239 --> 00:12:46,029

probably just like got a little medicine

302

00:12:49,739 --> 00:12:48,249

plus the water you need is all red water

303

00:12:51,059 --> 00:12:49,749

and then maybe something to make you go

304

00:12:59,460 --> 00:12:51,069

and go to sleep

305

00:13:02,189 --> 00:12:59,470

that's like a little I don't on Facebook

306

00:13:05,789 --> 00:13:02,199

anything else on Facebook um see how

307

00:13:08,039 --> 00:13:05,799

what about that arousal canister yeah

308

00:13:12,509 --> 00:13:08,049

yeah dude I mean you're an arousal

309

00:13:13,379 --> 00:13:12,519

canister like nobody he does make a good

310

00:13:14,370 --> 00:13:13,389

point

311

00:13:17,070 --> 00:13:14,380

Derek

312

00:13:20,520 --> 00:13:17,080

sit on that post and he was basically

313

00:13:23,100 --> 00:13:20,530

just talking about how why don't we keep

314

00:13:24,810 --> 00:13:23,110

seeing all this information about us out

315

00:13:26,640 --> 00:13:24,820

- out - you know something that could

316

00:13:29,040 --> 00:13:26,650

potentially be an enemy yeah you know

317

00:13:31,110 --> 00:13:29,050

it's like sending it a sext give it to a

318

00:13:32,880 --> 00:13:31,120

stranger yeah you know you don't know

319

00:13:34,470 --> 00:13:32,890

what's gonna happen you don't know if

320

00:13:36,660 --> 00:13:34,480

how well it's gonna succeed there's

321

00:13:38,550 --> 00:13:36,670

gonna be it's like a sext and like

322

00:13:41,610 --> 00:13:38,560

here's my social security number huh and

323

00:13:44,040 --> 00:13:41,620

in my address yeah he has a great point

324

00:13:46,440 --> 00:13:44,050

here you go yeah come and find me do

325

00:13:49,650 --> 00:13:46,450

whatever you wish Yeah right right but

326

00:13:52,830 --> 00:13:49,660

he was like I think he meant to say

327

00:13:54,660 --> 00:13:52,840

aerosol canister full of bacteria or

328

00:13:56,820 --> 00:13:54,670

disease and they could just wipe us out

329

00:13:59,160 --> 00:13:56,830

but that definitely says arousal

330

00:14:01,020 --> 00:13:59,170

Coralville and if you meant arousal

331

00:14:05,310 --> 00:14:01,030

canister I want to know where I can get

332

00:14:08,640 --> 00:14:05,320

one yeah I want one right yes

333

00:14:09,960 --> 00:14:08,650

oh hell your mighty arousal canister

334

00:14:11,970 --> 00:14:09,970

like where did they come down here and

335

00:14:13,170 --> 00:14:11,980

they do have arousal canisters and they

336

00:14:16,260 --> 00:14:13,180

just take over the world because we're

337

00:14:19,950 --> 00:14:16,270

all just so around I don't can't do

338

00:14:22,020 --> 00:14:19,960

anything else but just be aroused have a

339

00:14:24,090 --> 00:14:22,030

good ass time no I want to take over

340

00:14:25,980 --> 00:14:24,100

this this entire planet you wouldn't

341

00:14:29,760 --> 00:14:25,990

even have to convince anybody just spray

342

00:14:31,590 --> 00:14:29,770

a little yeah yeah all right I'm gonna

343

00:14:33,960 --> 00:14:31,600

come and I'm gonna duct you I don't care

344

00:14:35,730 --> 00:14:33,970

I'm just so aroused or at night you're I

345

00:14:38,470 --> 00:14:35,740

don't know what it is about those being

346

00:14:50,090 --> 00:14:42,230

Wow my pants are getting tighter let's

347

00:14:57,319 --> 00:14:54,999

I think there's anything else good Oh

348

00:14:58,819 --> 00:14:57,329

watch it that's pretty much it

349

00:15:02,540 --> 00:14:58,829

dude then figure out what that that

350

00:15:04,069 --> 00:15:02,550

image was from it's r2d2 is hanging on

351

00:15:06,889 --> 00:15:04,079

the bottom see where those lights are

352

00:15:11,030 --> 00:15:06,899

upside down r2d2 right there what right

353

00:15:13,939 --> 00:15:11,040

there oh [\h\_\_\h] yeah good Close Encounters

354

00:15:14,720 --> 00:15:13,949

of the Third Kind oh my god that's like

355

00:15:17,689 --> 00:15:14,730

an easter egg

356

00:15:20,569 --> 00:15:17,699

it's from the movie what I nailed it

357

00:15:24,949 --> 00:15:20,579

that's amazing yeah I nailed it but I uh

358

00:15:27,350 --> 00:15:24,959

I wasn't getting the refere r2t but it

359

00:15:28,759 --> 00:15:27,360

is r2d2 hanging out upside down he's

360

00:15:31,189 --> 00:15:28,769

like a little back on the ship

361

00:15:33,499 --> 00:15:31,199

oh my god it took me forever i frickin

362

00:15:36,139 --> 00:15:33,509

love that guy and then he posted that

363

00:15:38,509 --> 00:15:36,149

picture she was also in a Harry and the

364

00:15:40,759 --> 00:15:38,519

Hendersons I thought she looked familiar

365

00:15:45,139 --> 00:15:40,769

yeah that's that's a great movie too

366

00:15:45,559 --> 00:15:45,149

that's another alien there's good stuff

367

00:15:47,540 --> 00:15:45,569

dude

368

00:15:49,999 --> 00:15:47,550

but yeah it took me forever to figure

369

00:15:53,360 --> 00:15:50,009

that picture out I yak I didn't get it

370

00:15:57,799 --> 00:15:53,370

guys watch out the photo yeah no no I

371

00:15:59,449 --> 00:15:57,809

376

00:16:08,809 --> 00:16:06,480

that's in our group it's in the group

377

00:16:10,699 --> 00:16:08,819

yeah go to the UFO garage podcast group

378

00:16:12,679 --> 00:16:10,709

379

00:16:14,509 --> 00:16:12,689

Facebook are our main facebooking

380

00:16:16,489 --> 00:16:14,519

there's that button up at the top to

381

00:16:17,749 --> 00:16:16,499

visit our reason join our group so it's

382

00:16:20,179 --> 00:16:17,759

like that blue button right there and

383

00:16:22,280 --> 00:16:20,189

Subaru you know just a little bit of

384

00:16:25,699 --> 00:16:22,290

self-promotion yeah I know how to work

385

00:16:27,679 --> 00:16:25,709

our own Facebook well when you're an

386

00:16:29,480 --> 00:16:27,689

admin it doesn't work it says like edit

387

00:16:32,210 --> 00:16:29,490

groups oh okay it doesn't work at rest

388

00:16:36,249 --> 00:16:32,220

right all right well yeah there you go

389

00:16:40,740 --> 00:16:36,259

then but in other news in other news

390

00:16:42,780 --> 00:16:40,750

though we got our first sponsors

391

00:16:45,300 --> 00:16:42,790

guys we've been talking about getting a

392

00:16:47,460 --> 00:16:45,310

sponsor since episode one yeah yeah we

393

00:16:49,500 --> 00:16:47,470

can be kind of knowing that that idea

394

00:16:51,180 --> 00:16:49,510

around in our heads a little bit like oh

395

00:16:52,350 --> 00:16:51,190

I don't know how to do it yeah how would

396

00:16:55,470 --> 00:16:52,360

we go about this

397

00:16:57,030 --> 00:16:55,480

it seems oh so very complicated yeah man

398

00:16:59,310 --> 00:16:57,040

and our fertile actually our first

399

00:17:01,860 --> 00:16:59,320

sponsor didn't work out you know the

400

00:17:03,240 --> 00:17:01,870

sponsor I'm talking about me saying it's

401  
00:17:05,520 --> 00:17:03,250  
an episode to if you want to go listen

402  
00:17:07,410 --> 00:17:05,530  
yeah we're talking about yeah you can

403  
00:17:09,420 --> 00:17:07,420  
hear the sponsor at the beginning of the

404  
00:17:11,429 --> 00:17:09,430  
episode it'd be like a little Easter Egg

405  
00:17:14,429 --> 00:17:11,439  
for those of you who haven't that's also

406  
00:17:17,189 --> 00:17:14,439  
like it's like the one episode that has

407  
00:17:19,890 --> 00:17:17,199  
the least listens it's because the

408  
00:17:21,630 --> 00:17:19,900  
beginning but you know if we ever made

409  
00:17:23,790 --> 00:17:21,640  
enough money to maybe make our own

410  
00:17:26,340 --> 00:17:23,800  
product yeah we definitely should just

411  
00:17:28,920 --> 00:17:26,350  
despite those people acts absolutely did

412  
00:17:31,020 --> 00:17:28,930  
you know I'm so down maybe maybe sell

413  
00:17:32,490 --> 00:17:31,030

like a hundred of them yeah just make it

414

00:17:34,980 --> 00:17:32,500

a limited edition to make them like a

415

00:17:38,280 --> 00:17:34,990

thousand dollars each yeah yeah UFO

416

00:17:42,960 --> 00:17:38,290

garage podcast limited edition yeah of

417

00:17:45,600 --> 00:17:42,970

those those right yeah so first sponsor

418

00:17:49,590 --> 00:17:45,610

of the UFO garage podcast is abduction

419

00:17:53,250 --> 00:17:49,600

51 it's a company out of out of the UK

420

00:17:54,870 --> 00:17:53,260

yeah abduction 51 calm they have some

421

00:17:56,550 --> 00:17:54,880

really dope t-shirts I really like their

422

00:17:57,960 --> 00:17:56,560

designs and yeah you said you got to oh

423

00:17:59,670 --> 00:17:57,970

yeah I already ordered yeah I need to

424

00:18:01,080 --> 00:17:59,680

order some I really like the cow that's

425

00:18:03,150 --> 00:18:01,090

like being held by a little string

426

00:18:05,640 --> 00:18:03,160

string and they've got a bunch of like

427

00:18:07,800 --> 00:18:05,650

awesome colors too I like this uh like

428

00:18:09,900 --> 00:18:07,810

green like this light mint I like that

429

00:18:12,690 --> 00:18:09,910

you can change the colors of the shirt

430

00:18:15,480 --> 00:18:12,700

that's super day yeah yeah super I got

431

00:18:17,340 --> 00:18:15,490

the one with the hand oh yeah nice oh

432

00:18:19,680 --> 00:18:17,350

433

00:18:21,450 --> 00:18:19,690

lives that one's funny have you seen

434

00:18:25,020 --> 00:18:21,460

that shirt I don't think it's got the

435

00:18:27,150 --> 00:18:25,030

blink-182 logo until win it's an it's an

436

00:18:30,570 --> 00:18:27,160

alien face and it has Tom DeLonge hair

437

00:18:36,350 --> 00:18:30,580

but yeah go to the men's in the shirt

438

00:18:39,200 --> 00:18:36,360

section but yeah abduction 51 clothing

439

00:18:42,630 --> 00:18:39,210

line with abduction right yes I think

492

00:20:55,480 --> 00:20:53,600

today's podcast is gonna kind of be

493

00:20:57,159 --> 00:20:55,490

about abductions let's talk about

494

00:21:00,310 --> 00:20:57,169

abduction let's talk about abductions

495

00:21:03,510 --> 00:21:00,320

we've we've danced around this subject

496

00:21:05,260 --> 00:21:03,520

for a while but I feel like having one

497

00:21:08,020 --> 00:21:05,270

one story

498

00:21:09,490 --> 00:21:08,030

kind of a way to go way to go yeah these

499

00:21:11,500 --> 00:21:09,500

people that haven't heard about maybe

500

00:21:13,030 --> 00:21:11,510

they're new to this subject just to

501  
00:21:16,390 --> 00:21:13,040  
learn about like one of the first

502  
00:21:18,640 --> 00:21:16,400  
abduction stories ever right yeah it's

503  
00:21:20,920 --> 00:21:18,650  
it's one of the first and most notable

504  
00:21:24,130 --> 00:21:20,930  
yeah abduction stories of all time what

505  
00:21:28,960 --> 00:21:24,140  
time what what year this this happened

506  
00:21:31,450 --> 00:21:28,970  
in 61 I believe I believe it was 61

507  
00:21:34,360 --> 00:21:31,460  
could have been late 50s and then ah

508  
00:21:36,970 --> 00:21:34,370  
yeah late 50s I believe and then they

509  
00:21:39,280 --> 00:21:36,980  
started doing regressive hypnosis right

510  
00:21:41,110 --> 00:21:39,290  
in 61 yeah it was like years later after

511  
00:21:42,940 --> 00:21:41,120  
they I got abducted yeah ladies and

512  
00:21:45,490 --> 00:21:42,950  
gentlemen we're talking about mr. and

513  
00:21:49,420 --> 00:21:45,500

mrs. Barney and Betty Hill Betty and

514

00:21:51,940 --> 00:21:49,430

Barney Hill the oh geez yeah yeah Oh

515

00:21:54,040 --> 00:21:51,950

story dude it's a really cool story I

516

00:21:55,960 --> 00:21:54,050

didn't do a lot of research I just know

517

00:21:58,320 --> 00:21:55,970

a lot about it from like my memory and

518

00:22:01,870 --> 00:21:58,330

I've seen a few documentaries about it

519

00:22:05,260 --> 00:22:01,880

it's it's just the classic it's one of

520

00:22:07,350 --> 00:22:05,270

the first abduction stories ever and I

521

00:22:12,460 --> 00:22:07,360

don't know I just I just love it yeah so

522

00:22:13,920 --> 00:22:12,470

the beginning of the story is it was a

523

00:22:17,260 --> 00:22:13,930

dark dark night

524

00:22:26,830 --> 00:22:17,270

dun dun dun they were driving in from

525

00:22:29,010 --> 00:22:26,840

Canada old spooky Canada yeah so anyway

526

00:22:32,260 --> 00:22:29,020

we were driving it back in from Canada

527

00:22:32,710 --> 00:22:32,270

it was a dark night obviously it was

528

00:22:34,660 --> 00:22:32,720

dark

529

00:22:36,640 --> 00:22:34,670

we were dry night from Canada Canada

530

00:22:38,230 --> 00:22:36,650

into New Hampshire okay they were coming

531

00:22:42,190 --> 00:22:38,240

back and there em New Hampshire is when

532

00:22:46,260 --> 00:22:42,200

all this happened it was about 10

533

00:22:48,940 --> 00:22:46,270

o'clock at night they said they were

534

00:22:51,700 --> 00:22:48,950

Betty said that she had seen this the

535

00:22:55,480 --> 00:22:51,710

star moving erratically yeah right and

536

00:22:57,400 --> 00:22:55,490

if you listen to her actually talk or

537

00:22:59,680 --> 00:22:57,410

like see an interview of her actually

538

00:23:01,210 --> 00:22:59,690

talking about it she says she was super

539

00:23:02,890 --> 00:23:01,220

amped up she was super stoked to be

540

00:23:04,450 --> 00:23:02,900

honest right right she was she was

541

00:23:07,210 --> 00:23:04,460

waving her hand out the window and like

542

00:23:07,690 --> 00:23:07,220

waving hi like hey like come here and

543

00:23:10,950 --> 00:23:07,700

this and that

544

00:23:13,570 --> 00:23:10,960

right yeah and and they got their wish

545

00:23:13,930 --> 00:23:13,580

because this thing started following

546

00:23:15,670 --> 00:23:13,940

them

547

00:23:18,419 --> 00:23:15,680

apparently the things started following

548

00:23:20,369 --> 00:23:18,429

them for about 30 miles down the road

549

00:23:22,859 --> 00:23:20,379

it's a long way it's a long way I mean

550

00:23:26,629 --> 00:23:22,869

driving in the that old car you know

551  
00:23:28,799 --> 00:23:26,639  
that's not very they were you know

552  
00:23:30,720 --> 00:23:28,809  
Barney seems to be a little more freaked

553  
00:23:32,340 --> 00:23:30,730  
out about this than betty was and he's

554  
00:23:34,200 --> 00:23:32,350  
driving right right yeah yeah he's

555  
00:23:37,499 --> 00:23:34,210  
driving and so this thing follows him

556  
00:23:39,810 --> 00:23:37,509  
for about about 30 miles and I believe

557  
00:23:42,749 --> 00:23:39,820  
the name of the area they stopped they

558  
00:23:46,649 --> 00:23:42,759  
stopped off right and I think it's

559  
00:23:48,720 --> 00:23:46,659  
called Indian Pass or Indian Hill Indian

560  
00:23:50,970 --> 00:23:48,730  
Mountain something like that they

561  
00:23:55,259 --> 00:23:50,980  
stopped off and and Barney gets out of

562  
00:23:57,720 --> 00:23:55,269  
the car and this light it comes down it

563  
00:24:01,320 --> 00:23:57,730

starts coming down out of the sky and it

564

00:24:03,450 --> 00:24:01,330

gets so close that Barney Barney sizes

565

00:24:05,850 --> 00:24:03,460

this thing up he says it's about 40 feet

566

00:24:08,700 --> 00:24:05,860

it's about 40 feet across right and it

567

00:24:10,980 --> 00:24:08,710

gets so close say he can see beings

568

00:24:12,960 --> 00:24:10,990

inside inside of it you can see them and

569

00:24:16,350 --> 00:24:12,970

they're all just staring at him right

570

00:24:18,210 --> 00:24:16,360

and you know he says it sounds like it

571

00:24:21,869 --> 00:24:18,220

seems like they're talking to him

572

00:24:24,499 --> 00:24:21,879

there's telling them hey it's cool we're

573

00:24:29,279 --> 00:24:24,509

not gonna hurt you stay where you are

574

00:24:31,259 --> 00:24:29,289

don't move right and telepathically

575

00:24:34,470 --> 00:24:31,269

they're not they're not speaking words

576

00:24:35,700 --> 00:24:34,480

right they're in a ship that he sees off

577

00:24:39,450 --> 00:24:35,710

in the distance but it's close enough

578

00:24:41,639 --> 00:24:39,460

that he can make out the bodies so this

579

00:24:43,139 --> 00:24:41,649

freaks Barney out right he's like [h\_\_h]

580

00:24:45,330 --> 00:24:43,149

that we're getting the hell out of here

581

00:24:47,399 --> 00:24:45,340

yeah so you've runs back to the car yeah

582

00:24:49,560 --> 00:24:47,409

and Betty's like what's going on yeah

583

00:24:52,049 --> 00:24:49,570

and so Barney's like yo we're getting

584

00:24:53,310 --> 00:24:52,059

out of here they're gonna take us I

585

00:24:55,169 --> 00:24:53,320

don't feel good about it I don't feel

586

00:24:56,970 --> 00:24:55,179

good about any changes I feel like

587

00:24:58,950 --> 00:24:56,980

they're gonna take us all right so they

588

00:25:01,830 --> 00:24:58,960

start hauling ass you're driving down

589

00:25:05,789 --> 00:25:01,840

the road and he takes it he takes a side

590

00:25:09,480 --> 00:25:05,799

road they say that they started hearing

591

00:25:13,230 --> 00:25:09,490

like beeping noises in the car alright

592

00:25:17,970 --> 00:25:13,240

and as they're driving then they explain

593

00:25:21,799 --> 00:25:17,980

what is they explained it as a numbing

594

00:25:24,810 --> 00:25:21,809

of the mind right and you know they

595

00:25:27,599 --> 00:25:24,820

almost not like losing consciousness but

596

00:25:28,259 --> 00:25:27,609

just they they didn't really things went

597

00:25:30,779 --> 00:25:28,269

foggy

598

00:25:31,770 --> 00:25:30,789

yeah bit right yeah it was like a slow

599

00:25:35,340 --> 00:25:31,780

progression

600

00:25:38,010 --> 00:25:35,350

so nothing happens they're still driving

601  
00:25:41,010 --> 00:25:38,020  
except for all of a sudden it's three

602  
00:25:43,440 --> 00:25:41,020  
hours later yeah it's it's three hours

603  
00:25:45,180 --> 00:25:43,450  
later they come back into focus and they

604  
00:25:48,330 --> 00:25:45,190  
look down at the the clock of their

605  
00:25:49,530 --> 00:25:48,340  
watch I know and it's three hours later

606  
00:25:50,490 --> 00:25:49,540  
and they're still driving and they're

607  
00:25:52,110 --> 00:25:50,500  
still driving here

608  
00:25:55,620 --> 00:25:52,120  
yeah there's two dots the weirdest part

609  
00:25:58,790 --> 00:25:55,630  
right right and so they don't know what

610  
00:26:01,380 --> 00:25:58,800  
just happened they end up getting home

611  
00:26:03,270 --> 00:26:01,390  
Betty starts doing weird things like

612  
00:26:07,380 --> 00:26:03,280  
packing her suitcase and putting it by

613  
00:26:09,900 --> 00:26:07,390

the door yes you know Barney starts you

614

00:26:11,520 --> 00:26:09,910

know checking himself you know making

615

00:26:14,010 --> 00:26:11,530

sure everything's like okay like they

616

00:26:16,740 --> 00:26:14,020

just had these weird urges yeah just

617

00:26:20,700 --> 00:26:16,750

sporadic sporadic things that would

618

00:26:24,000 --> 00:26:20,710

wouldn't normally do so as time goes on

619

00:26:26,300 --> 00:26:24,010

you know finally they decide that this

620

00:26:28,710 --> 00:26:26,310

is driving them crazy Barney can't sleep

621

00:26:31,190 --> 00:26:28,720

he doesn't he doesn't understand what's

622

00:26:33,990 --> 00:26:31,200

happening Betty's a little you know

623

00:26:36,960 --> 00:26:34,000

loose about it as well she can't figure

624

00:26:40,350 --> 00:26:36,970

out you know what's going on so I end up

625

00:26:42,210 --> 00:26:40,360

going to a doctor they explaining the

626  
00:26:42,420 --> 00:26:42,220  
doctor what's going on and they put him

627  
00:26:45,720 --> 00:26:42,430  
through

628  
00:26:47,280 --> 00:26:45,730  
regression hypnosis right well yeah well

629  
00:26:50,400 --> 00:26:47,290  
he goes to see the doctor just because

630  
00:26:53,160 --> 00:26:50,410  
he just feels weird and laughs hey yo

631  
00:26:55,710 --> 00:26:53,170  
doctor like that this happened but I

632  
00:26:57,980 --> 00:26:55,720  
don't know that it has anything to do

633  
00:27:00,720 --> 00:26:57,990  
with how I'm feeling I just have some

634  
00:27:03,300 --> 00:27:00,730  
like inkling that this has something to

635  
00:27:05,460 --> 00:27:03,310  
do with it I saw me and my wife saw this

636  
00:27:08,370 --> 00:27:05,470  
star and some weird happened and then

637  
00:27:09,780 --> 00:27:08,380  
our minds went fuzzy I mean he wasn't it

638  
00:27:12,330 --> 00:27:09,790

I could drink her he didn't do drugs or

639

00:27:14,490 --> 00:27:12,340

yeah yeah like when when somebody that's

640

00:27:16,530 --> 00:27:14,500

like sharp and doesn't do anything like

641

00:27:19,110 --> 00:27:16,540

that they noticed when you know your

642

00:27:20,880 --> 00:27:19,120

minds like oh and fuzzy and then okay

643

00:27:22,260 --> 00:27:20,890

now it's three hours later it's just

644

00:27:24,480 --> 00:27:22,270

like something we use a normal guy's a

645

00:27:27,030 --> 00:27:24,490

normal apparently he got too close to a

646

00:27:29,190 --> 00:27:27,040

hand grenade and blew his teeth out Wow

647

00:27:30,420 --> 00:27:29,200

yeah before all this happens yeah before

648

00:27:31,490 --> 00:27:30,430

all this happen I guess he must have

649

00:27:34,279 --> 00:27:31,500

been military

650

00:27:36,919 --> 00:27:34,289

okay but no there's a there's an

651  
00:27:39,590 --> 00:27:36,929  
interesting point total I say okay

652  
00:27:42,980 --> 00:27:39,600  
alright yeah so they go to the doctor

653  
00:27:44,570 --> 00:27:42,990  
and they can't figure it out right

654  
00:27:47,390 --> 00:27:44,580  
you're like what the hell

655  
00:27:50,870 --> 00:27:47,400  
so finally they get into this this

656  
00:27:54,200 --> 00:27:50,880  
regression hypnosis and they separate

657  
00:27:56,630 --> 00:27:54,210  
the two the doctor goes through and does

658  
00:27:59,210 --> 00:27:56,640  
the hypnosis what turns out they both

659  
00:28:01,039 --> 00:27:59,220  
kind of had the same story alright they

660  
00:28:03,230 --> 00:28:01,049  
were hitting it like just nail in the

661  
00:28:06,500 --> 00:28:03,240  
head it was almost the exact same story

662  
00:28:08,299 --> 00:28:06,510  
and separate separate locations separate

663  
00:28:10,580 --> 00:28:08,309

stories different you know different

664

00:28:13,430 --> 00:28:10,590

rooms different rooms yes same story

665

00:28:15,380 --> 00:28:13,440

yeah so they're not together you know

666

00:28:18,799 --> 00:28:15,390

they're not you know have you ever been

667

00:28:20,390 --> 00:28:18,809

hypnotized no and I never want to be you

668

00:28:22,640 --> 00:28:20,400

know to I feel like I'm very susceptible

669

00:28:24,320 --> 00:28:22,650

I would be very severe really I feel

670

00:28:26,450 --> 00:28:24,330

like you're super I think I would be

671

00:28:31,279 --> 00:28:26,460

yeah I feel like I'm the exact opposite

672

00:28:33,649 --> 00:28:31,289

really cuz after high school after prom

673

00:28:35,539 --> 00:28:33,659

you know they have that project uh-huh

674

00:28:37,039 --> 00:28:35,549

yeah yeah prom night at graduation yeah

675

00:28:40,850 --> 00:28:37,049

whatever yeah whatever that is

676

00:28:41,840 --> 00:28:40,860

we had a hypno a hypnotist come to the

677

00:28:44,390 --> 00:28:41,850

school this was fun

678

00:28:46,730 --> 00:28:44,400

yeah and he was like who wants to be

679

00:28:49,669 --> 00:28:46,740

hypnotized and I was like oh yeah I do

680

00:28:51,830 --> 00:28:49,679

and and I got picked I got picked with

681

00:28:55,789 --> 00:28:51,840

like a group of like five or six people

682

00:28:58,130 --> 00:28:55,799

yeah and he was like he was going

683

00:29:00,110 --> 00:28:58,140

through and people started doing crazy

684

00:29:02,210 --> 00:29:00,120

things and he was telling you to you

685

00:29:03,980 --> 00:29:02,220

know relax your mind and he did his

686

00:29:06,260 --> 00:29:03,990

whole spiel and he was like you'll feel

687

00:29:10,130 --> 00:29:06,270

your body doing this and that yeah and

688

00:29:12,020 --> 00:29:10,140

uh nothing nothing for nothing okay yeah

689

00:29:14,990 --> 00:29:12,030

he was like if you don't feel anything

690

00:29:19,159 --> 00:29:15,000

go ahead and stand up and get off the

691

00:29:21,919 --> 00:29:19,169

[h\_\_h] stage so I scanned of it can I

692

00:29:24,529 --> 00:29:21,929

stand up and like I'm one of the only

693

00:29:26,930 --> 00:29:24,539

ones that stood up I was like dude I'm

694

00:29:29,750 --> 00:29:26,940

an [h\_\_h] because all these other kids

695

00:29:31,490 --> 00:29:29,760

are pretending and I'm being an [h\_\_h]

696

00:29:34,460 --> 00:29:31,500

because I just stood up and walked off

697

00:29:36,470 --> 00:29:34,470

in offstage I think half of it is dude I

698

00:29:38,990 --> 00:29:36,480

think it's like people want other people

699

00:29:41,090 --> 00:29:39,000

to succeed and I think other people who

700

00:29:43,639 --> 00:29:41,100

are like empathetic to those things yes

701  
00:29:45,470 --> 00:29:43,649  
like being led into something and like

702  
00:29:48,080 --> 00:29:45,480  
wanting to be a part of the show where

703  
00:29:50,180 --> 00:29:48,090  
I totally see your personality not like

704  
00:29:51,860 --> 00:29:50,190  
I don't I'm not just gonna like act like

705  
00:29:54,350 --> 00:29:51,870  
an idiot if you just cuz you want me to

706  
00:29:55,610 --> 00:29:54,360  
yeah yeah totally

707  
00:29:57,470 --> 00:29:55,620  
how about saying that's all of it but

708  
00:30:00,019 --> 00:29:57,480  
like I think that has a big part to do

709  
00:30:02,659 --> 00:30:00,029  
it because because in the beginning he

710  
00:30:05,360 --> 00:30:02,669  
was like you know like raise your left

711  
00:30:07,700 --> 00:30:05,370  
hand and I was like I [h\_\_\h] it I have

712  
00:30:09,889 --> 00:30:07,710  
raised my hand like I don't go with it

713  
00:30:11,899 --> 00:30:09,899

see ya and you know I put it back down

714

00:30:13,669 --> 00:30:11,909

and everybody started laughing cuz

715

00:30:16,340 --> 00:30:13,679

everybody on stage raised her left hand

716

00:30:18,710 --> 00:30:16,350

and I was like I'm not doing this [h\_\_\h]

717

00:30:20,960 --> 00:30:18,720

it's like I got up and I was like I just

718

00:30:23,330 --> 00:30:20,970

didn't feel it sorry like a walk sat

719

00:30:25,279 --> 00:30:23,340

back down in the crowd but you know he

720

00:30:25,940 --> 00:30:25,289

did his hypnosis thing and all the kids

721

00:30:28,100 --> 00:30:25,950

got offstage

722

00:30:30,289 --> 00:30:28,110

eventually and he did something to wear

723

00:30:31,789 --> 00:30:30,299

later on in the night he would say a

724

00:30:34,250 --> 00:30:31,799

word and people would cluck like

725

00:30:35,810 --> 00:30:34,260

chickens some [h\_\_\h] like that right

726

00:30:37,399 --> 00:30:35,820

and there was like three people that

727

00:30:39,500 --> 00:30:37,409

just like got up and started clucking

728

00:30:41,570 --> 00:30:39,510

like chickens I've seen videos of that

729

00:30:43,279 --> 00:30:41,580

and I'm like whoa like are you really

730

00:30:45,560 --> 00:30:43,289

Hypnotizer you are you messing around

731

00:30:47,269 --> 00:30:45,570

right now is this total [h\_\_h] like

732

00:30:49,370 --> 00:30:47,279

you [h\_\_h] me and I wish I you would

733

00:30:51,649 --> 00:30:49,380

just be honest because this like super

734

00:30:53,840 --> 00:30:51,659

interests me and I'm really bummed that

735

00:30:55,850 --> 00:30:53,850

couldn't get him to talk why wouldn't

736

00:30:57,379 --> 00:30:55,860

you hypnotize me what's the deal maybe

737

00:30:57,919 --> 00:30:57,389

so we're doing it and you just didn't

738

00:31:02,360 --> 00:30:57,929

realize it

739

00:31:03,889 --> 00:31:02,370

no I didn't know definitely was not her

740

00:31:05,779 --> 00:31:03,899

still hypnotized if I make that noise

741

00:31:10,310 --> 00:31:05,789

you're gonna get a right now out of that

742

00:31:11,810 --> 00:31:10,320

chair and it starts funny that you said

743

00:31:13,820 --> 00:31:11,820

that you feel like you'd be super

744

00:31:16,070 --> 00:31:13,830

susceptible right because I would I just

745

00:31:19,549 --> 00:31:16,080

I don't know I empathize way too easily

746

00:31:27,320 --> 00:31:19,559

like Rangers I don't know ah I don't

747

00:31:28,879 --> 00:31:27,330

know what that says about me sorry not

748

00:31:34,730 --> 00:31:28,889

the empathizing thing but like being

749

00:31:37,190 --> 00:31:34,740

being easily subjugated to persuasion I

750

00:31:38,720 --> 00:31:37,200

think I'm pretty susceptible to that

751

00:31:40,220 --> 00:31:38,730

yeah I don't know I don't know

752

00:31:41,720 --> 00:31:40,230

cuz I thought about I thought about

753

00:31:43,310 --> 00:31:41,730

maybe going to hit it just to stop

754

00:31:46,279 --> 00:31:43,320

smoking yeah uh-huh

755

00:31:47,870 --> 00:31:46,289

yeah but you uh apparently people do

756

00:31:51,919 --> 00:31:47,880

that yeah you know a lot of people do it

757

00:31:53,779 --> 00:31:51,929

and it works yeah uh well my father did

758

00:31:55,879 --> 00:31:53,789

it and didn't work it didn't work but I

759

00:31:57,330 --> 00:31:55,889

mean there's a bunch of different pizzas

760

00:31:59,790 --> 00:31:57,340

out there maybe some are better than the

761

00:32:03,300 --> 00:31:59,800

I just want to be like can can I not

762

00:32:05,280 --> 00:32:03,310

smoke as much like as much as much can I

763

00:32:06,510 --> 00:32:05,290

still smoke like sometimes is they gonna

764

00:32:08,730 --> 00:32:06,520

throw you off is they gonna throw this

765

00:32:10,740 --> 00:32:08,740

whole hates this thing off is like are

766

00:32:12,570 --> 00:32:10,750

you that bad at all or none yeah kiddo I

767

00:32:14,550 --> 00:32:12,580

have to quit completely okay like I

768

00:32:16,050 --> 00:32:14,560

still have a couple signal thing when I

769

00:32:19,230 --> 00:32:16,060

drink some beer with some buddies yeah

770

00:32:22,530 --> 00:32:19,240

you know what I'm saying I just like it

771

00:32:23,970 --> 00:32:22,540

yeah I need I've been trying to quit I'm

772

00:32:25,770 --> 00:32:23,980

trying to quit a little bit but you

773

00:32:27,930 --> 00:32:25,780

could smoke a cigarette in here but my

774

00:32:32,190 --> 00:32:27,940

wife had become at you could roll maybe

775

00:32:36,860 --> 00:32:32,200

pull that window out so bad no all right

776

00:32:40,590 --> 00:32:36,870

anyway let's get back to the anyways

777

00:32:43,680 --> 00:32:40,600

anyway see for us to do that telling you

778

00:32:46,040 --> 00:32:43,690

man I'm telling you so they start

779

00:32:48,990 --> 00:32:46,050

remembering things right

780

00:32:50,690 --> 00:32:49,000

Betty remembers something kind of

781

00:32:55,110 --> 00:32:50,700

completely different than Barney

782

00:32:57,600 --> 00:32:55,120

apparently Betty was like free like she

783

00:33:00,810 --> 00:32:57,610

could walk around you know apparently

784

00:33:03,390 --> 00:33:00,820

they took like from both of them they

785

00:33:06,330 --> 00:33:03,400

took hair samples skin samples nail

786

00:33:14,060 --> 00:33:06,340

samples bodily fluid samples things like

787

00:33:16,050 --> 00:33:14,070

that right she says some pp maybe maybe

788

00:33:18,570 --> 00:33:16,060

they said that they were super

789

00:33:21,060 --> 00:33:18,580

interested in Barney and his skeletal

790

00:33:23,460 --> 00:33:21,070

structure mmm like they were all feeling

791

00:33:25,710 --> 00:33:23,470

up like all of his back and stuff but

792

00:33:27,600 --> 00:33:25,720

they like they did something of Barney

793

00:33:29,940 --> 00:33:27,610

to where Barney couldn't move yeah I

794

00:33:32,250 --> 00:33:29,950

remember that yeah and she thinks they

795

00:33:34,380 --> 00:33:32,260

said well she thinks is because he was

796

00:33:35,940 --> 00:33:34,390

bigger than her right I was just he was

797

00:33:37,620 --> 00:33:35,950

just bigger like maybe he could have

798

00:33:40,530 --> 00:33:37,630

actually done something to them all

799

00:33:43,100 --> 00:33:40,540

right if they wanted to and these beings

800

00:33:46,140 --> 00:33:43,110

they describe them as being the typical

801  
00:33:48,990 --> 00:33:46,150  
gray aliens right yeah yeah the small so

802  
00:33:50,760 --> 00:33:49,000  
I mean of creature that's you know

803  
00:33:52,740 --> 00:33:50,770  
four-foot or whatever they're probably a

804  
00:33:54,420 --> 00:33:52,750  
lot scared of more scared of somebody

805  
00:33:56,700 --> 00:33:54,430  
who's maybe six I don't know all right

806  
00:34:00,150 --> 00:33:56,710  
right he seems like a pretty big big

807  
00:34:02,310 --> 00:34:00,160  
dude you know the photos yeah so they

808  
00:34:05,880 --> 00:34:02,320  
made it to where he couldn't move right

809  
00:34:09,240 --> 00:34:05,890  
and you know they were telepathically

810  
00:34:10,830 --> 00:34:09,250  
communicating with him but to her they

811  
00:34:12,570 --> 00:34:10,840  
were speaking English

812  
00:34:14,670 --> 00:34:12,580  
they were talking they were actually

813  
00:34:16,860 --> 00:34:14,680

talking with her in her in her head or

814

00:34:19,620 --> 00:34:16,870

no like verbally they were actually

815

00:34:22,350 --> 00:34:19,630

talking like to her she said it was a

816

00:34:25,200 --> 00:34:22,360

little bit like broken English but but

817

00:34:29,360 --> 00:34:25,210

it was still English you you you take

818

00:34:46,950 --> 00:34:44,610

Welsh what is shoes so they're speaking

819

00:34:53,790 --> 00:34:46,960

English speaking you're just a petty

820

00:34:56,480 --> 00:34:53,800

right yeah uh she says you know where am

821

00:34:59,730 --> 00:34:56,490

i and they start kind of laughing like

822

00:35:01,440 --> 00:34:59,740

okay you don't know you are right and

823

00:35:02,640 --> 00:35:01,450

they they show her this this map

824

00:35:05,070 --> 00:35:02,650

laughing Wow

825

00:35:07,230 --> 00:35:05,080

yeah yeah they uh she said they were

826

00:35:09,450 --> 00:35:07,240

kind of nice you know like they were

827

00:35:11,790 --> 00:35:09,460

just chit-chatting and like she wanted

828

00:35:14,910 --> 00:35:11,800

to go back you know like it wasn't a big

829

00:35:18,900 --> 00:35:14,920

deal her almost she was excited and so

830

00:35:22,710 --> 00:35:18,910

they end up showing her this map yeah

831

00:35:25,010 --> 00:35:22,720

that the map is a was a star system

832

00:35:29,640 --> 00:35:25,020

yeah so they said that the heavy lines

833

00:35:31,830 --> 00:35:29,650

were where they traveled to very

834

00:35:33,960 --> 00:35:31,840

frequently and then there was kind of

835

00:35:36,330 --> 00:35:33,970

some thinner lines where they would

836

00:35:39,060 --> 00:35:36,340

travel frequently or just travel

837

00:35:42,210 --> 00:35:39,070

sometimes and then there was lines with

838

00:35:44,580 --> 00:35:42,220

dots where they could go but they didn't

839

00:35:47,520 --> 00:35:44,590

really visit these areas too often okay

840

00:35:50,640 --> 00:35:47,530

well apparently our solar system our Sun

841

00:35:52,380 --> 00:35:50,650

was on that map okay and even a dot or

842

00:35:54,810 --> 00:35:52,390

no it wasn't a die it was it was a

843

00:35:58,260 --> 00:35:54,820

lighter line so they didn't come here

844

00:36:01,290 --> 00:35:58,270

super often but they came here enough to

845

00:36:04,710 --> 00:36:01,300

you know back and forth and they called

846

00:36:06,450 --> 00:36:04,720

them trade routes right they call them

847

00:36:12,180 --> 00:36:06,460

just yeah they called them trade routes

848

00:36:14,250 --> 00:36:12,190

and so in this star map come to find out

849

00:36:17,220 --> 00:36:14,260

this was in 61

850

00:36:20,040 --> 00:36:17,230

yet they that they started doing this

851  
00:36:22,170 --> 00:36:20,050  
therapy yeah in this was years later

852  
00:36:23,870 --> 00:36:22,180  
after that event yeah like this wasn't

853  
00:36:26,270 --> 00:36:23,880  
immediately right right right

854  
00:36:28,910 --> 00:36:26,280  
so this happened to them and then in 61

855  
00:36:30,620 --> 00:36:28,920  
then they went to the doctor well after

856  
00:36:32,810 --> 00:36:30,630  
all this stuff happened you know the

857  
00:36:34,610 --> 00:36:32,820  
doctor said you know if you if you

858  
00:36:37,490 --> 00:36:34,620  
remember anything later on down the road

859  
00:36:37,940 --> 00:36:37,500  
you know just draw it on a piece of

860  
00:36:41,990 --> 00:36:37,950  
paper

861  
00:36:45,770 --> 00:36:42,000  
well Betty draws this this star map on a

862  
00:36:50,390 --> 00:36:45,780  
piece of paper right this isn't 61 maybe

863  
00:36:52,460 --> 00:36:50,400

we'll say 63 64 something yeah a couple

864

00:36:57,100 --> 00:36:52,470

years later she sits down and she draws

865

00:37:01,160 --> 00:36:57,110

this map in 1969 a professor from Ohio

866

00:37:02,750 --> 00:37:01,170

gets this paper and is like huh where's

867

00:37:06,110 --> 00:37:02,760

this I've never seen this before this is

868

00:37:10,730 --> 00:37:06,120

something interesting yeah and so the

869

00:37:16,010 --> 00:37:10,740

the professor she she gets a hold of she

870

00:37:18,230 --> 00:37:16,020

learns how to draw star maps because she

871

00:37:19,970 --> 00:37:18,240

wants to know where this fits in but

872

00:37:22,070 --> 00:37:19,980

from Betty's perspective and where she

873

00:37:23,870 --> 00:37:22,080

was and where she saw the star map it's

874

00:37:25,910 --> 00:37:23,880

not gonna look like how he would look

875

00:37:30,020 --> 00:37:25,920

from our perspective here on earth right

876

00:37:33,560 --> 00:37:30,030

this star map she created a model and

877

00:37:35,420 --> 00:37:33,570

turns out that this is a the star system

878

00:37:37,580 --> 00:37:35,430

of Zeta Reticuli one from the

879

00:37:39,650 --> 00:37:37,590

perspective of Zeta Reticuli from the

880

00:37:42,860 --> 00:37:39,660

perspective of those stars which is a

881

00:37:45,320 --> 00:37:42,870

celestial I 1 and Zeta Reticuli - yeah

882

00:37:47,630 --> 00:37:45,330

and so it's from that perspective which

883

00:37:50,900 --> 00:37:47,640

is not visible by you can't see it from

884

00:37:52,070 --> 00:37:50,910

here yeah and there's no way you can

885

00:37:53,390 --> 00:37:52,080

tell you can see with the telescope but

886

00:37:56,540 --> 00:37:53,400

not with the naked eye you can see it

887

00:37:58,790 --> 00:37:56,550

right but the way that the map is it's

888

00:38:00,830 --> 00:37:58,800

not from our perspective so you can

889

00:38:03,920 --> 00:38:00,840

still see those stars but you'd have to

890

00:38:05,810 --> 00:38:03,930

completely like using as it is is it a

891

00:38:06,950 --> 00:38:05,820

particular within the I believe lion I

892

00:38:10,220 --> 00:38:06,960

believe it's in the southern hemisphere

893

00:38:13,370 --> 00:38:10,230

okay all right I think I may I may be

894

00:38:16,190 --> 00:38:13,380

completely wrong yeah we can all go yeah

895

00:38:19,430 --> 00:38:16,200

anyway so what you're saying is from the

896

00:38:20,960 --> 00:38:19,440

perspective of of damn Zeta Reticuli so

897

00:38:23,210 --> 00:38:20,970

it's a totally different star map yeah

898

00:38:26,030 --> 00:38:23,220

this does even if you could see the

899

00:38:28,940 --> 00:38:26,040

stars which you can that constellation

900

00:38:31,790 --> 00:38:28,950

wouldn't exist right not from our

901  
00:38:33,560 --> 00:38:31,800  
perspective so she made this model and

902  
00:38:36,410 --> 00:38:33,570  
she kind of changed the angle and the

903  
00:38:37,460 --> 00:38:36,420  
views and matched up perfectly with

904  
00:38:42,920 --> 00:38:37,470  
Betty's drawing

905  
00:38:45,609 --> 00:38:42,930  
well now before we even discovered this

906  
00:38:48,710 --> 00:38:45,619  
how could Betty have drawn this picture

907  
00:38:51,140 --> 00:38:48,720  
who she's not you know she's not an

908  
00:38:53,630 --> 00:38:51,150  
astronomer yeah you know she she's not

909  
00:38:55,040 --> 00:38:53,640  
scientific I think she volunteered a lot

910  
00:38:59,990 --> 00:38:55,050  
she did a lot of volunteer work in the

911  
00:39:01,820 --> 00:39:00,000  
community right and you know make yeah

912  
00:39:04,730 --> 00:39:01,830  
Betty and Barney wasn't in the stars

913  
00:39:07,640 --> 00:39:04,740

yeah there are also in an interracial

914

00:39:09,440 --> 00:39:07,650

couple in the 50s so you know it's kind

915

00:39:10,940 --> 00:39:09,450

of a big thing on like why would they

916

00:39:13,760 --> 00:39:10,950

want to draw that much attention to

917

00:39:17,390 --> 00:39:13,770

themselves that's a big point is like

918

00:39:19,609 --> 00:39:17,400

why why would they yeah yeah it was

919

00:39:21,980 --> 00:39:19,619

already in that time period like mm-hmm

920

00:39:23,720 --> 00:39:21,990

mm-hmm but it was that big of a deal to

921

00:39:26,330 --> 00:39:23,730

them that they had to yeah

922

00:39:28,400 --> 00:39:26,340

do something it was driving them crazy

923

00:39:32,540 --> 00:39:28,410

yeah you know who's totally driving him

924

00:39:36,470 --> 00:39:32,550

crazy but that to me is one of the

925

00:39:38,510 --> 00:39:36,480

biggest things is how was she able to

926  
00:39:40,700 --> 00:39:38,520  
come up with that map right you know

927  
00:39:43,790 --> 00:39:40,710  
when we and when scientists hadn't even

928  
00:39:46,520 --> 00:39:43,800  
discovered it yeah it took another you

929  
00:39:49,370 --> 00:39:46,530  
know five years and somebody to be like

930  
00:39:51,710 --> 00:39:49,380  
oh those stars look familiar

931  
00:39:53,540 --> 00:39:51,720  
I'm gonna make a model right you know of

932  
00:39:57,859 --> 00:39:53,550  
this area of the sky and see what

933  
00:39:59,450 --> 00:39:57,869  
happens right you know I'm just for some

934  
00:40:02,300 --> 00:39:59,460  
reason this might be a little off topic

935  
00:40:05,050 --> 00:40:02,310  
but the Betty and Barney Hill story was

936  
00:40:06,940 --> 00:40:05,060  
told in that History Channel show

937  
00:40:09,920 --> 00:40:06,950  
Project Blue Book

938  
00:40:13,130 --> 00:40:09,930

yeah and they totally botched that that

939

00:40:15,020 --> 00:40:13,140

is not the story at all yeah yeah the

940

00:40:17,599 --> 00:40:15,030

whole scene where he pulls out a gun in

941

00:40:19,700 --> 00:40:17,609

the office like that never had it happen

942

00:40:21,829 --> 00:40:19,710

he never even went to a military

943

00:40:25,609 --> 00:40:21,839

facility yeah as far as what you know

944

00:40:28,640 --> 00:40:25,619

like what they did they Betty did call

945

00:40:31,250 --> 00:40:28,650

the Air Force Base oh really the Air

946

00:40:34,310 --> 00:40:31,260

Force Base and the Air Force confirmed

947

00:40:37,490 --> 00:40:34,320

that they picked up this craft on the

948

00:40:40,579 --> 00:40:37,500

radar and it was confirmed by Maj Paul W

949

00:40:43,310 --> 00:40:40,589

Henderson of the Air Force they

950

00:40:45,800 --> 00:40:43,320

confirmed it with her [h\_\_h] yeah dude

951  
00:40:48,560 --> 00:40:45,810  
that's nuts so that's another big thing

952  
00:40:51,050 --> 00:40:48,570  
is that I loved it like back in those

953  
00:40:54,010 --> 00:40:51,060  
days I feel like maybe some small-town

954  
00:40:56,960 --> 00:40:54,020  
on air air force bases were just like

955  
00:40:58,790 --> 00:40:56,970  
yeah weird [h\_\_\h] yeah they would answer

956  
00:41:00,620 --> 00:40:58,800  
the phone and be like yeah dude like we

957  
00:41:02,480 --> 00:41:00,630  
totally saw that that's crazy yeah

958  
00:41:04,190 --> 00:41:02,490  
before there was all this protocol yeah

959  
00:41:05,000 --> 00:41:04,200  
I think it's like a protocol yeah yeah

960  
00:41:07,700 --> 00:41:05,010  
exactly

961  
00:41:09,680 --> 00:41:07,710  
totally it's it's pretty crazy but I

962  
00:41:12,590 --> 00:41:09,690  
found that extremely interesting yeah

963  
00:41:15,830 --> 00:41:12,600

the the the two biggest things is that

964

00:41:18,800 --> 00:41:15,840

starmap and then the the air force also

965

00:41:21,950 --> 00:41:18,810

confirming yeah that they caught this

966

00:41:26,300 --> 00:41:21,960

thing on their radar as well yeah I mean

967

00:41:27,950 --> 00:41:26,310

dude it just it seems like more than one

968

00:41:30,080 --> 00:41:27,960

of the more plausible story like

969

00:41:33,200 --> 00:41:30,090

abduction stories that that I've heard

970

00:41:35,360 --> 00:41:33,210

I've heard a few like the Stan Romanek

971

00:41:36,920 --> 00:41:35,370

story and well if you've heard about

972

00:41:39,740 --> 00:41:36,930

that there's a documentary on Netflix

973

00:41:41,390 --> 00:41:39,750

the one that caught them all on cameras

974

00:41:42,230 --> 00:41:41,400

yeah yeah they're like looking in his

975

00:41:45,260 --> 00:41:42,240

window yeah

976

00:41:47,450 --> 00:41:45,270

the it's the Netflix documentary is

977

00:41:49,400 --> 00:41:47,460

called extraordinary yeah I've seen and

978

00:41:51,350 --> 00:41:49,410

there's a new one coming out it's called

979

00:41:53,780 --> 00:41:51,360

extraordinary the seating coming out

980

00:41:56,150 --> 00:41:53,790

September 3rd and I'm stuck to see that

981

00:42:00,340 --> 00:41:56,160

but anyway that's another abduction

982

00:42:07,850 --> 00:42:03,500

there's another some money in that

983

00:42:10,760 --> 00:42:07,860

documentary said even if only 10% of his

984

00:42:12,800 --> 00:42:10,770

story is true that's pretty phenomenal

985

00:42:14,720 --> 00:42:12,810

well yeah there's something to that

986

00:42:17,870 --> 00:42:14,730

even if 10% of the Betty and Barney Hill

987

00:42:19,580 --> 00:42:17,880

stories Clause like if one dream of that

988

00:42:23,240 --> 00:42:19,590

so yeah that too

989

00:42:25,370 --> 00:42:23,250

it kind of blows blows everything else

990

00:42:29,480 --> 00:42:25,380

out of the water yeah you know it's like

991

00:42:30,610 --> 00:42:29,490

oh so you saw a craft right the rest of

992

00:42:33,400 --> 00:42:30,620

it was horseshit

993

00:42:36,530 --> 00:42:33,410

but you saw crafty Saudis in it yeah

994

00:42:38,120 --> 00:42:36,540

that's that's pretty you know pretty

995

00:42:39,200 --> 00:42:38,130

incredible yeah definitely pretty

996

00:42:41,240 --> 00:42:39,210

incredible dude it makes me think of

997

00:42:44,510 --> 00:42:41,250

that the turkey the the really famous

998

00:42:47,570 --> 00:42:44,520

UFO video it's like it's one of the best

999

00:42:50,630 --> 00:42:47,580

UFO videos out there and it's like from

1000

00:42:52,610 --> 00:42:50,640

the night or maybe early 2000s but it's

1001  
00:42:55,100 --> 00:42:52,620  
in Turkey it's like it's called if you

1002  
00:42:57,920 --> 00:42:55,110  
just googled the Turkish or the turkey

1003  
00:43:00,500 --> 00:42:57,930  
UFO video huh it's like the most clear

1004  
00:43:02,360 --> 00:43:00,510  
photo or video ever and it's like an

1005  
00:43:02,930 --> 00:43:02,370  
eight minute long video do you know what

1006  
00:43:04,580 --> 00:43:02,940  
I'm talking about

1007  
00:43:06,410 --> 00:43:04,590  
it's over the ocean

1008  
00:43:07,700 --> 00:43:06,420  
do we could wash it right now if you

1009  
00:43:10,400 --> 00:43:07,710  
want to you check it out because you

1010  
00:43:13,730 --> 00:43:10,410  
could see beings in the window of the

1011  
00:43:15,080 --> 00:43:13,740  
crap crap dude yeah that's pretty cool T

1012  
00:43:16,820 --> 00:43:15,090  
let's watch it even if we have to edit

1013  
00:43:19,670 --> 00:43:16,830

this part out like we should watch it

1014

00:43:21,260 --> 00:43:19,680

okay oh we can just fast-forward it and

1015

00:43:22,790 --> 00:43:21,270

talk about it and then we'll take this

1016

00:43:25,100 --> 00:43:22,800

video and we'll put it up on the

1017

00:43:26,720 --> 00:43:25,110

Facebook page yeah and and then you guys

1018

00:43:29,120 --> 00:43:26,730

can see it too don't kind of talk or

1019

00:43:32,780 --> 00:43:29,130

talk our way through it dude so what

1020

00:43:37,400 --> 00:43:32,790

what is what shows in the video is it I

1021

00:43:41,870 --> 00:43:37,410

mean this guy is on the okay so come

1022

00:43:46,760 --> 00:43:41,880

Berg as Turkey UFO video UFO all footage

1023

00:43:49,610 --> 00:43:46,770

stabilized what shows is this guy's on a

1024

00:43:53,060 --> 00:43:49,620

beach and Turkey and he's looking off to

1025

00:43:54,680 --> 00:43:53,070

the left and he just sees these lights

1026  
00:43:58,370 --> 00:43:54,690  
and he zooms in he is this like amazing

1027  
00:44:01,250 --> 00:43:58,380  
camera for once like thank God he has a

1028  
00:44:04,100 --> 00:44:01,260  
nice camera and he zooms in so far I

1029  
00:44:07,010 --> 00:44:04,110  
mean this thing looks like it's you know

1030  
00:44:10,010 --> 00:44:07,020  
maybe a mile off the coast whoa that's

1031  
00:44:11,600 --> 00:44:10,020  
pretty crazy maybe not a mile but yeah

1032  
00:44:13,190 --> 00:44:11,610  
so this is a stabilized version how you

1033  
00:44:15,920 --> 00:44:13,200  
said have you not seen this yeah I have

1034  
00:44:17,450 --> 00:44:15,930  
seen this I thought this was like I

1035  
00:44:19,250 --> 00:44:17,460  
thought this was in the United States

1036  
00:44:22,160 --> 00:44:19,260  
somewhere and there's like three of them

1037  
00:44:24,170 --> 00:44:22,170  
yes there's three beams you can see in

1038  
00:44:26,210 --> 00:44:24,180

the in the front of this yes I didn't

1039

00:44:28,610 --> 00:44:26,220

realize that this was in Turkey yeah so

1040

00:44:30,020 --> 00:44:28,620

I I did some research this past week

1041

00:44:31,970 --> 00:44:30,030

actually on it because it kind of

1042

00:44:34,640 --> 00:44:31,980

resurfaced and the stuff I was looking

1043

00:44:36,550 --> 00:44:34,650

at on reddit 4:00 a.m. June 22nd four

1044

00:44:40,430 --> 00:44:36,560

thousand seven two thousand seven yeah

1045

00:44:42,680 --> 00:44:40,440

so there's there's this whole there's

1046

00:44:44,300 --> 00:44:42,690

only really one blog post about this guy

1047

00:44:47,000 --> 00:44:44,310

trying to debunk this video and what he

1048

00:44:50,000 --> 00:44:47,010

says is that it's a it's the captains

1049

00:44:52,400 --> 00:44:50,010

quarters of a cruise liner like you know

1050

00:44:55,430 --> 00:44:52,410

like a cruise ship but there's these

1051  
00:44:57,920 --> 00:44:55,440  
people that did a counter debunk that

1052  
00:45:01,010 --> 00:44:57,930  
did all the math and the angles in like

1053  
00:45:04,280 --> 00:45:01,020  
where the camera was from sea level to

1054  
00:45:07,190 --> 00:45:04,290  
that the dirt the distance from the

1055  
00:45:08,780 --> 00:45:07,200  
ocean line yeah and it's way taller in

1056  
00:45:12,110 --> 00:45:08,790  
this way higher in the sky than a

1057  
00:45:14,090 --> 00:45:12,120  
machine so totally I mean if anybody out

1058  
00:45:16,250 --> 00:45:14,100  
there that seen this and is already

1059  
00:45:17,010 --> 00:45:16,260  
thinking like it's been debunked well it

1060  
00:45:19,230 --> 00:45:17,020  
hasn't

1061  
00:45:21,540 --> 00:45:19,240  
it's just been one guy that that looked

1062  
00:45:23,190 --> 00:45:21,550  
into it that's pretty cool yeah like I

1063  
00:45:26,160 --> 00:45:23,200

mean this video it's one of the longest

1064

00:45:28,080 --> 00:45:26,170

most clear videos so this one I can't

1065

00:45:31,080 --> 00:45:28,090

remember yeah so just fast forwarded it

1066

00:45:34,560 --> 00:45:31,090

to like 6:30 and you can kind of see

1067

00:45:37,160 --> 00:45:34,570

some big heads uh-huh

1068

00:45:40,160 --> 00:45:37,170

you see that yeah it kind of looks like

1069

00:45:42,450 --> 00:45:40,170

big heads I don't know sorry I'm Bert

1070

00:45:45,210 --> 00:45:42,460

dude that's pretty cool oh yeah those

1071

00:45:47,280 --> 00:45:45,220

are the lights huh so see the the

1072

00:45:49,880 --> 00:45:47,290

horizon there the the ocean uh and

1073

00:45:52,560 --> 00:45:49,890

that's like somebody claiming that

1074

00:45:54,359 --> 00:45:52,570

that's how tall a cruise liner would be

1075

00:45:56,370 --> 00:45:54,369

but if you do the math somebody did the

1076

00:45:58,230 --> 00:45:56,380

math and that's like way taller uh-huh

1077

00:46:01,800 --> 00:45:58,240

yeah from that distance that distance

1078

00:46:04,080 --> 00:46:01,810

exactly so is that at nighttime its yeah

1079

00:46:06,270 --> 00:46:04,090

so it's at nighttime and then so the the

1080

00:46:08,130 --> 00:46:06,280

previous footage look like daytime yeah

1081

00:46:11,340 --> 00:46:08,140

and this looked like daytime for sure so

1082

00:46:13,770 --> 00:46:11,350

this is 5:00 a.m. so this is I mean so

1083

00:46:15,540 --> 00:46:13,780

the started at 4:00 okay okay and now

1084

00:46:18,300 --> 00:46:15,550

it's 5:00 so it's like an hour long he's

1085

00:46:21,180 --> 00:46:18,310

been videoing yeah so I guess it goes

1086

00:46:23,790 --> 00:46:21,190

back and goes back to 2:20 a.m. that's

1087

00:46:26,070 --> 00:46:23,800

pretty cool so I mean that looks real

1088

00:46:27,990 --> 00:46:26,080

yeah I don't know what to make of it but

1089

00:46:29,700 --> 00:46:28,000

it looks really legit

1090

00:46:31,410 --> 00:46:29,710

yeah it's that's interesting for sure

1091

00:46:33,540 --> 00:46:31,420

yeah we'll post that on the facebook

1092

00:46:36,270 --> 00:46:33,550

yeah this is dope that's pretty sweet

1093

00:46:40,430 --> 00:46:36,280

but yeah you can kinda you can kind of

1094

00:46:42,570 --> 00:46:40,440

see little oh yeah beings in there

1095

00:46:44,580 --> 00:46:42,580

anyway yeah I've seen that I've seen

1096

00:46:46,770 --> 00:46:44,590

that in a documentary okay they kind of

1097

00:46:48,810 --> 00:46:46,780

changed the the lighting on it uh-huh

1098

00:46:50,040 --> 00:46:48,820

and they zoom in like real close yeah I

1099

00:46:51,930 --> 00:46:50,050

mean like count them

1100

00:46:55,140 --> 00:46:51,940

aha yeah there's one in the middle and

1101  
00:46:57,270 --> 00:46:55,150  
then two on the side the idea so this

1102  
00:46:59,310 --> 00:46:57,280  
brings me to an epiphany that I had

1103  
00:47:00,720 --> 00:46:59,320  
earlier I told you about it earlier and

1104  
00:47:04,740 --> 00:47:00,730  
I wanted to wait until we started the

1105  
00:47:06,390 --> 00:47:04,750  
podcast we're chatting before so I and

1106  
00:47:09,300 --> 00:47:06,400  
maybe you'll be able to answer this so

1107  
00:47:11,849 --> 00:47:09,310  
you know this isn't like I've thought a

1108  
00:47:16,530 --> 00:47:11,859  
lot about it I just had this idea yeah

1109  
00:47:18,690 --> 00:47:16,540  
okay so bear with me okay in a what we

1110  
00:47:21,420 --> 00:47:18,700  
know of or what we've heard other people

1111  
00:47:24,450 --> 00:47:21,430  
describe UFOs and how they work is that

1112  
00:47:27,090 --> 00:47:24,460  
they create a gravitational field around

1113  
00:47:30,420 --> 00:47:27,100

them and then you just kind of fall

1114

00:47:30,790 --> 00:47:30,430

downhill as gravity is created in front

1115

00:47:32,590 --> 00:47:30,800

of them

1116

00:47:35,050 --> 00:47:32,600

and whatever so you're in this field

1117

00:47:36,430 --> 00:47:35,060

that not even like radio signals or like

1118

00:47:38,950 --> 00:47:36,440

bullets can get through because it just

1119

00:47:41,500 --> 00:47:38,960

bends around yeah so what happens on the

1120

00:47:43,630 --> 00:47:41,510

inside of that craft there's chairs we

1121

00:47:46,450 --> 00:47:43,640

know there's from what Bob Lazar says

1122

00:47:48,310 --> 00:47:46,460

there's like three chairs so how do they

1123

00:47:52,720 --> 00:47:48,320

sit down if there's no gravity on the

1124

00:47:54,940 --> 00:47:52,730

inside of the craft I think where does

1125

00:47:57,840 --> 00:47:54,950

the gravity pull towards I think them

1126  
00:48:00,490 --> 00:47:57,850  
that I think your gravity stays the same

1127  
00:48:02,920 --> 00:48:00,500  
but where's the gravity coming from if

1128  
00:48:04,480 --> 00:48:02,930  
it's not a large mass because the only

1129  
00:48:07,210 --> 00:48:04,490  
only way we know how to make gravity or

1130  
00:48:09,460 --> 00:48:07,220  
you know observe gravity is from mass

1131  
00:48:11,470 --> 00:48:09,470  
like large amounts of mass right but if

1132  
00:48:14,400 --> 00:48:11,480  
you're in an envelope of your own

1133  
00:48:17,770 --> 00:48:14,410  
gravity then there is no point of

1134  
00:48:20,830 --> 00:48:17,780  
gravity it's not up down sideways left

1135  
00:48:23,260 --> 00:48:20,840  
or right like it's there is no up or

1136  
00:48:26,740 --> 00:48:23,270  
down if if it's all around you I don't

1137  
00:48:30,880 --> 00:48:26,750  
know well does that make sense yeah so

1138  
00:48:32,740 --> 00:48:30,890

so Bob says that it comes from the those

1139

00:48:35,200 --> 00:48:32,750

canisters that are in the lower level

1140

00:48:39,280 --> 00:48:35,210

right there's like three canisters and

1141

00:48:41,890 --> 00:48:39,290

then they radiate it the the so element

1142

00:48:44,080 --> 00:48:41,900

115 so it's pushing down though with a

1143

00:48:46,540 --> 00:48:44,090

making gravity they they it's

1144

00:48:49,060 --> 00:48:46,550

directional so whatever direction you

1145

00:48:51,070 --> 00:48:49,070

need to go you got to make sure you

1146

00:48:53,680 --> 00:48:51,080

point it in that direction so if you're

1147

00:48:55,510 --> 00:48:53,690

inside it's pulling you and we're

1148

00:48:58,000 --> 00:48:55,520

thinking of it like it's pushing you up

1149

00:49:00,640 --> 00:48:58,010

off the ground but it's actually pulling

1150

00:49:02,470 --> 00:49:00,650

you you point that in a direction right

1151

00:49:04,360 --> 00:49:02,480

so if you're sitting in a chair and

1152

00:49:07,000 --> 00:49:04,370

there's no straps or anything you would

1153

00:49:08,980 --> 00:49:07,010

just kind of float around right like you

1154

00:49:10,210 --> 00:49:08,990

wouldn't be you wouldn't be sitting in a

1155

00:49:11,650 --> 00:49:10,220

chair like we're sitting in chairs right

1156

00:49:13,810 --> 00:49:11,660

now because the gravity is pulling us

1157

00:49:16,720 --> 00:49:13,820

down into the chair what would be the

1158

00:49:18,700 --> 00:49:16,730

purpose of a chair if there's no

1159

00:49:22,180 --> 00:49:18,710

direction we'll grab it gravity inside

1160

00:49:24,580 --> 00:49:22,190

the craft that's where I make sense yeah

1161

00:49:29,230 --> 00:49:24,590

am i repeating myself no it makes sense

1162

00:49:32,020 --> 00:49:29,240

but I think there is still gravity right

1163

00:49:34,330 --> 00:49:32,030

your your your gravity stays the same

1164

00:49:36,940 --> 00:49:34,340

but when you activate this bubble you're

1165

00:49:40,360 --> 00:49:36,950

manipulating gravity around you so it's

1166

00:49:42,550 --> 00:49:40,370

so the Earth's gravity still affects you

1167

00:49:44,470 --> 00:49:42,560

but what if you're away from Earth and

1168

00:49:46,390 --> 00:49:44,480

there's no gravity so your endurance

1169

00:49:49,540 --> 00:49:46,400

and you're still following this

1170

00:49:52,540 --> 00:49:49,550

gravitational bubble where's well that's

1171

00:49:55,120 --> 00:49:52,550

our issue is that we can't create

1172

00:49:57,069 --> 00:49:55,130

artificial gravity that's the whole

1173

00:49:59,410 --> 00:49:57,079

point so even astronauts in the space

1174

00:50:00,910 --> 00:49:59,420

station yeah they're floating around and

1175

00:50:03,819 --> 00:50:00,920

they got to go in that little circle

1176  
00:50:06,130 --> 00:50:03,829  
thing and run on that on the treadmill

1177  
00:50:07,240 --> 00:50:06,140  
and yeah they they can run on it because

1178  
00:50:09,430 --> 00:50:07,250  
they're kind of creating their own

1179  
00:50:12,099 --> 00:50:09,440  
gravity well you and it's like spinning

1180  
00:50:14,349 --> 00:50:12,109  
right yeah I was gonna say you can kind

1181  
00:50:16,240 --> 00:50:14,359  
of create gravity huh fake you know it's

1182  
00:50:19,240 --> 00:50:16,250  
artificial because you're spinning but

1183  
00:50:20,829 --> 00:50:19,250  
not actual it's centrifugal but yeah

1184  
00:50:23,800 --> 00:50:20,839  
like in the movies and stuff you can't

1185  
00:50:25,720 --> 00:50:23,810  
hit a button or any guys all sit back

1186  
00:50:28,690 --> 00:50:25,730  
down in your seat right so how does it

1187  
00:50:30,640 --> 00:50:28,700  
work on an inside of an alien craft so

1188  
00:50:34,210 --> 00:50:30,650

they're probably using that same

1189

00:50:34,930 --> 00:50:34,220

technology just more locally inside the

1190

00:50:36,880 --> 00:50:34,940

craft

1191

00:50:39,040 --> 00:50:36,890

I'm sure there's different levels of it

1192

00:50:41,890 --> 00:50:39,050

you know what I'm saying like they're

1193

00:50:44,680 --> 00:50:41,900

not at like Full Tilt all the time yeah

1194

00:50:49,300 --> 00:50:44,690

they probably bring that gravity down

1195

00:50:51,160 --> 00:50:49,310

you know and use it use it as needed you

1196

00:50:53,800 --> 00:50:51,170

know so they're it's probably it's

1197

00:50:57,640 --> 00:50:53,810

always on which is creating gravity to

1198

00:50:59,740 --> 00:50:57,650

them right yeah so you have your own set

1199

00:51:02,980 --> 00:50:59,750

of rules that you know your own gravity

1200

00:51:05,710 --> 00:51:02,990

in the ship at all times because you

1201  
00:51:08,530 --> 00:51:05,720  
have that technology right it's always

1202  
00:51:11,349 --> 00:51:08,540  
being radiated so you always have the

1203  
00:51:12,880 --> 00:51:11,359  
gravity but the more and more you amp it

1204  
00:51:15,250 --> 00:51:12,890  
up the bigger and bigger that bubble

1205  
00:51:18,220 --> 00:51:15,260  
comes so your gravity staying the same

1206  
00:51:20,190 --> 00:51:18,230  
it's just manipulating outside gravity

1207  
00:51:23,020 --> 00:51:20,200  
now hmm

1208  
00:51:26,050 --> 00:51:23,030  
that's what I would assume okay I mean

1209  
00:51:29,980 --> 00:51:26,060  
we're just doctor scientists dr. sorge's

1210  
00:51:31,690 --> 00:51:29,990  
no you know what do we know right I

1211  
00:51:34,809 --> 00:51:31,700  
don't know that's what I would assume I

1212  
00:51:38,170 --> 00:51:34,819  
would assume that if they're

1213  
00:51:39,910 --> 00:51:38,180

manipulating gravity why wouldn't they

1214

00:51:42,010 --> 00:51:39,920

have figured out how to have gravity

1215

00:51:44,230 --> 00:51:42,020

inside the room so yeah that's my thing

1216

00:51:45,670 --> 00:51:44,240

is that if they if if they're so

1217

00:51:47,559 --> 00:51:45,680

advanced they would figure out okay we

1218

00:51:50,020 --> 00:51:47,569

need to we need to if there's three

1219

00:51:51,609 --> 00:51:50,030

gravity gravitational emitters then

1220

00:51:53,140 --> 00:51:51,619

there has to be one little tiny one that

1221

00:51:54,970 --> 00:51:53,150

keeps them in there busting their sounds

1222

00:51:57,650 --> 00:51:54,980

just keep them where they're you know

1223

00:51:58,370 --> 00:51:57,660

maybe everybody has one like in their

1224

00:52:01,130 --> 00:51:58,380

space seat

1225

00:52:02,750 --> 00:52:01,140

maybe keeps but to the seat or maybe

1226

00:52:04,099 --> 00:52:02,760

that's what they're sitting around you

1227

00:52:06,170 --> 00:52:04,109

know there's the thing in the middle oh

1228

00:52:08,539 --> 00:52:06,180

yeah all right so they they decide okay

1229

00:52:11,720 --> 00:52:08,549

we're gonna go here but maybe there's

1230

00:52:13,670 --> 00:52:11,730

just it's their own little gravity okay

1231

00:52:16,910 --> 00:52:13,680

inside you know yeah I mean who knows

1232

00:52:19,400 --> 00:52:16,920

yeah anything dude if ya like you said

1233

00:52:21,769 --> 00:52:19,410

if they could figure out how to figure

1234

00:52:23,450 --> 00:52:21,779

out how to how to make gravity then they

1235

00:52:26,539 --> 00:52:23,460

can figure out how to sit sitting seats

1236

00:52:28,190 --> 00:52:26,549

in the crap yeah but anyway that's so

1237

00:52:29,900 --> 00:52:28,200

that was my end that's a good point what

1238

00:52:32,720 --> 00:52:29,910

kind of what an interesting like I don't

1239

00:52:35,180 --> 00:52:32,730

haven't heard anybody know Congress we

1240

00:52:38,900 --> 00:52:35,190

should ask you need to ask yes yeah yeah

1241

00:52:44,410 --> 00:52:38,910

stand up and I'll be too nervous of you

1242

00:53:02,390 --> 00:53:00,410

yes George Knapp is gonna be like oh

1243

00:53:03,349 --> 00:53:02,400

okay thank you mr. Knapp thank you thank

1244

00:53:08,630 --> 00:53:03,359

you thank you Dad

1245

00:53:11,930 --> 00:53:08,640

I mean mr. Knapp they gonna sit down all

1246

00:53:19,309 --> 00:53:11,940

shaking like we high-five yeah so we

1247

00:53:21,829 --> 00:53:19,319

high-five like 15 times in a row like oh

1248

00:53:25,700 --> 00:53:21,839

it's gonna be so much fun

1249

00:53:29,420 --> 00:53:25,710

dude I'm so stoked so locally though

1250

00:53:32,720 --> 00:53:29,430

locally Oh locally there's gonna be a

1251

00:53:36,170 --> 00:53:32,730

little a UFO festival in San Antonio

1252

00:53:37,490 --> 00:53:36,180

yeah we gotta go I'm totally down should

1253

00:53:38,510 --> 00:53:37,500

go to that because it's uh it's the

1254

00:53:41,240 --> 00:53:38,520

weekend before we leave

1255

00:53:44,420 --> 00:53:41,250

oh is it yeah it's like August 31st

1256

00:53:47,299 --> 00:53:44,430

right and then dude let's do first is

1257

00:53:49,870 --> 00:53:47,309

Sunday second is it outside its lay in

1258

00:53:52,789 --> 00:53:49,880

the Sun or you think is inside probably

1259

00:53:55,760 --> 00:53:52,799

I think it's outside San Antonio's too

1260

00:53:57,710 --> 00:53:55,770

hot dude Austin's too hot

1261

00:53:59,930 --> 00:53:57,720

oh it's too hot all right I'll go I'm

1262

00:54:02,930 --> 00:53:59,940

sure there's some shade trees fine but

1263

00:54:05,650 --> 00:54:02,940

it's free mmm it's free you could just

1264

00:54:08,240 --> 00:54:05,660

go and hang out like or like yeah

1265

00:54:11,120 --> 00:54:08,250

hey there might be some cool speakers

1266

00:54:11,839 --> 00:54:11,130

there no down yeah let's do down to go

1267

00:54:15,049 --> 00:54:11,849

let's do it

1268

00:54:18,440 --> 00:54:15,059

because again then that Monday is Labor

1269

00:54:20,569 --> 00:54:18,450

Day or Memorial Day I think it's one of

1270

00:54:22,849 --> 00:54:20,579

those days I think it's Labor Day we get

1271

00:54:26,270 --> 00:54:22,859

it we get that day off for day yeah yeah

1272

00:54:27,200 --> 00:54:26,280

so Monday we're off Tuesday we'll go to

1273

00:54:29,660 --> 00:54:27,210

work mm-hmm

1274

00:54:32,180 --> 00:54:29,670

Wednesday we fly out dude we fly out to

1275

00:54:33,620 --> 00:54:32,190

Arizona it's gonna be the did yeah yeah

1276

00:54:34,790 --> 00:54:33,630

he's a dopest week ever

1277

00:54:37,130 --> 00:54:34,800

I'm probably not gonna go to work on

1278

00:54:39,140 --> 00:54:37,140

Tuesday it's gonna be sick if we get

1279

00:54:41,839 --> 00:54:39,150

Monday off she's gonna be so excited I

1280

00:54:44,510 --> 00:54:41,849

can't even do my work dude seriously

1281

00:54:48,049 --> 00:54:44,520

yeah I'm pretty stoked about that what I

1282

00:54:50,120 --> 00:54:48,059

want to figure out is if we can look up

1283

00:54:54,020 --> 00:54:50,130

like a ley line map and figure out like

1284

00:54:59,410 --> 00:54:54,030

the most optimal spot to go and see

1285

00:55:01,849 --> 00:54:59,420

Sedona if it's not like a five-mile walk

1286

00:55:04,040 --> 00:55:01,859

then we should figure I don't know I

1287

00:55:05,660 --> 00:55:04,050

mean I want to figure out like try to

1288

00:55:08,540 --> 00:55:05,670

like hedge your bet are you not a big

1289

00:55:09,859 --> 00:55:08,550

hiker uh I'm getting that that feeling

1290

00:55:11,450 --> 00:55:09,869

from my dude that you're not a big hiker

1291

00:55:13,400 --> 00:55:11,460

I'm not a big you don't even like to be

1292

00:55:17,420 --> 00:55:13,410

outside well not with a parent Li hot

1293

00:55:22,250 --> 00:55:17,430

it's too hot man that's 105 today uh

1294

00:55:23,870 --> 00:55:22,260

it's I know I'm I sweat like sympathiser

1295

00:55:27,200 --> 00:55:23,880

people because I'm just used to it dude

1296

00:55:28,579 --> 00:55:27,210

I work outside all day long I'm outside

1297

00:55:30,319 --> 00:55:28,589

from 6:00 in the morning

1298

00:55:33,289 --> 00:55:30,329

- hopefully damn 5:00 in the afternoon

1299

00:55:37,039 --> 00:55:33,299

but like it when you do that though when

1300

00:55:40,069 --> 00:55:37,049

you are outside all day dude the the

1301  
00:55:42,349 --> 00:55:40,079  
beauty of a shade tree is ridiculous

1302  
00:55:45,319 --> 00:55:42,359  
because you can really actually tell the

1303  
00:55:46,849 --> 00:55:45,329  
details yeah yeah but like for you your

1304  
00:55:48,319 --> 00:55:46,859  
outside is like [h\_\_h] it's hot you go

1305  
00:55:50,960 --> 00:55:48,329  
stand on your tree and you're like great

1306  
00:55:53,240 --> 00:55:50,970  
it's hot yeah yeah there's a shade now

1307  
00:55:55,460 --> 00:55:53,250  
I'm just under a tree yeah bird might

1308  
00:55:57,859 --> 00:55:55,470  
[h\_\_h] but like teddy like I can tell the

1309  
00:55:59,329 --> 00:55:57,869  
difference it's pretty cool but it's

1310  
00:56:02,599 --> 00:55:59,339  
cool though because whenever you go like

1311  
00:56:07,299 --> 00:56:02,609  
up and you know when you're up there

1312  
00:56:10,520 --> 00:56:07,309  
it's super windy dude yeah okay so

1313  
00:56:11,930 --> 00:56:10,530

hiking in Sedona yeah I'll be

1314

00:56:13,640 --> 00:56:11,940

uncomfortable but I'm not gonna [h\_\_\h]

1315

00:56:15,650 --> 00:56:13,650

about it I'll be fine don't worry about

1316

00:56:19,089 --> 00:56:15,660

it's gonna be so epic yeah I'm stoked

1317

00:56:21,160 --> 00:56:19,099

yeah you like this might be a little bit

1318

00:56:23,170 --> 00:56:21,170

but sedona september is pretty sweet

1319

00:56:25,449 --> 00:56:23,180

I'll be all wear a big hat when we were

1320

00:56:27,249 --> 00:56:25,459

there it was like 50s at night and then

1321

00:56:30,189 --> 00:56:27,259

during the day it was like in the 80s

1322

00:56:31,959 --> 00:56:30,199

love that yeah so September is gonna be

1323

00:56:34,479 --> 00:56:31,969

beautiful okay it's gonna be awesome

1324

00:56:36,699 --> 00:56:34,489

yeah you're gonna really enjoy Sedona

1325

00:56:40,239 --> 00:56:36,709

hey if by the way if anybody knows

1326  
00:56:41,769 --> 00:56:40,249  
anything about like the vortex spots or

1327  
00:56:44,079 --> 00:56:41,779  
like Ben was saying you know like a

1328  
00:56:47,469 --> 00:56:44,089  
little map like the ley lines you know

1329  
00:56:48,969 --> 00:56:47,479  
like hit us up let us know because

1330  
00:56:51,699 --> 00:56:48,979  
that'd be super cool I know that they

1331  
00:56:55,539 --> 00:56:51,709  
have maps that you can get around the

1332  
00:56:57,849 --> 00:56:55,549  
area yeah and it'll show you kind of

1333  
00:57:00,939 --> 00:56:57,859  
where the the vortex spots are yeah

1334  
00:57:02,769 --> 00:57:00,949  
but yeah anybody knows it has been out

1335  
00:57:05,140 --> 00:57:02,779  
there and has you know maybe seen some

1336  
00:57:06,789 --> 00:57:05,150  
weird [h\_\_\h] and or maybe even has like a

1337  
00:57:08,620 --> 00:57:06,799  
favorite spot that me cool just reach

1338  
00:57:10,870 --> 00:57:08,630

out to us I'd be awesome yeah yeah

1339

00:57:15,819 --> 00:57:10,880

because even like maybe josh has did

1340

00:57:18,759 --> 00:57:15,829

Joshua just Jesus Joseph my bad yeah

1341

00:57:20,319 --> 00:57:18,769

but yeah dude maybe maybe we can find

1342

00:57:22,120 --> 00:57:20,329

something you know I'd be pretty cool

1343

00:57:28,329 --> 00:57:22,130

and then in the evening time maybe we

1344

00:57:30,069 --> 00:57:28,339

can try and Vector some aliens dude did

1345

00:57:31,359 --> 00:57:30,079

you get a new battery yet oh I've got

1346

00:57:32,859 --> 00:57:31,369

plenty of battery oh you got plenty I

1347

00:57:36,539 --> 00:57:32,869

just it was gonna take too long for me

1348

00:57:39,459 --> 00:57:36,549

to change around couple weeks ago I

1349

00:57:44,890 --> 00:57:39,469

really get the yen it was like so you

1350

00:57:46,599 --> 00:57:44,900

guys want to check out this laser you've

1351

00:57:50,289 --> 00:57:46,609

been playing with it too damn much I

1352

00:57:51,370 --> 00:57:50,299

know man fun I can't imagine like how

1353

00:57:53,589 --> 00:57:51,380

much you've been playing with it that

1354

00:57:55,449 --> 00:57:53,599

you ran out of I took it to an wack my

1355

00:57:57,699 --> 00:57:55,459

brother's house and where he has a bunt

1356

00:57:58,779 --> 00:57:57,709

his cat had kittens uh-huh so we were

1357

00:58:02,439 --> 00:57:58,789

playing with all the kittens in the

1358

00:58:08,650 --> 00:58:02,449

backyard so like lighting their tails on

1359

00:58:10,479 --> 00:58:08,660

fire with a high-powered you pointed

1360

00:58:12,189 --> 00:58:10,489

different galaxies of that [h\_\_h] you're

1361

00:58:14,259 --> 00:58:12,199

like pointing it at the cat dude you

1362

00:58:15,969 --> 00:58:14,269

don't not want to do oh no you don't

1363

00:58:17,890 --> 00:58:15,979

want to do when the Sun goes I mean if

1364

00:58:21,099 --> 00:58:17,900

you're here still if the Sun Goes Down

1365

00:58:23,289 --> 00:58:21,109

but so we can see the frost tower from

1366

00:58:25,630 --> 00:58:23,299

my backyard I want to shine the light

1367

00:58:26,490 --> 00:58:25,640

the the laser the frost tower and see if

1368

00:58:29,680 --> 00:58:26,500

it

1369

00:58:31,960 --> 00:58:29,690

pretty good them be sick see what have

1370

00:58:34,090 --> 00:58:31,970

you shined it at a mirror and let it

1371

00:58:36,640 --> 00:58:34,100

just reflect yes yeah that's crazy

1372

00:58:38,920 --> 00:58:36,650

it's pretty nuts yeah yeah I think the

1373

00:58:40,900 --> 00:58:38,930

lasers are like when you when you play

1374

00:58:43,900 --> 00:58:40,910

with it like does it kind of feel like

1375

00:58:46,150 --> 00:58:43,910

you can almost touch it like almost feel

1376

00:58:48,160 --> 00:58:46,160

it yes it's weird dude it's almost like

1377

00:58:50,320 --> 00:58:48,170

if you like light a lighter and you run

1378

00:58:52,030 --> 00:58:50,330

your finger over the top of it yeah like

1379

00:58:54,430 --> 00:58:52,040

you're not touching the flame but you

1380

00:58:56,530 --> 00:58:54,440

can feel right that that energy off the

1381

00:58:59,350 --> 00:58:56,540

top of the flame I would love to do a

1382

00:59:02,080 --> 00:58:59,360

test because I would say we should do a

1383

00:59:04,690 --> 00:59:02,090

test like let's close our eyes in one of

1384

00:59:07,630 --> 00:59:04,700

us will have like a 10-second countdown

1385

00:59:09,490 --> 00:59:07,640

and we could point it on you or not and

1386

00:59:11,740 --> 00:59:09,500

then we could you could say if I if I

1387

00:59:14,200 --> 00:59:11,750

shown it on you so it's like a you know

1388

00:59:16,210 --> 00:59:14,210

literally a blind study uh-huh cuz I

1389

00:59:18,250 --> 00:59:16,220

swear to god I feel it I feel like I can

1390

00:59:20,020 --> 00:59:18,260

feel it too you dudes nuts yeah that's

1391

00:59:22,600 --> 00:59:20,030

crazy crazy it's like it feels like

1392

00:59:24,670 --> 00:59:22,610

static it's like a I don't know it just

1393

00:59:27,640 --> 00:59:24,680

nuts doesn't burn it's just I don't know

1394

00:59:31,600 --> 00:59:27,650

I can tell maybe maybe the you know that

1395

00:59:33,610 --> 00:59:31,610

long-ass Steven Greer meditation video

1396

00:59:35,950 --> 00:59:33,620

yeah but we just you YouTube it right

1397

00:59:37,780 --> 00:59:35,960

and just set it down so we don't have to

1398

00:59:40,090 --> 00:59:37,790

like meditate on our own and just let

1399

00:59:42,340 --> 00:59:40,100

the video play as we meditate just like

1400

00:59:44,020 --> 00:59:42,350

they would be like if you were out there

1401

00:59:46,060 --> 00:59:44,030

with him yes they'd be kind of cool

1402

00:59:48,220 --> 00:59:46,070

yeah that'd be go do you speaking of

1403

00:59:50,560 --> 00:59:48,230

Steven Greer that video you showed uh

1404

00:59:52,300 --> 00:59:50,570

sent me oh yeah I don't want to talk

1405

00:59:55,270 --> 00:59:52,310

about the podcast cuz I don't the

1406

01:00:00,400 --> 00:59:55,280

podcasting he was on cuz I really just I

1407

01:00:01,780 --> 01:00:00,410

really I don't know uh I I dislike they

1408

01:00:04,780 --> 01:00:01,790

were [h\_\_h] annoying

1409

01:00:06,700 --> 01:00:04,790

I dislike and and we're not we're not

1410

01:00:10,030 --> 01:00:06,710

alone the host the host of the pot you

1411

01:00:12,310 --> 01:00:10,040

know your problem in the con to comment

1412

01:00:14,290 --> 01:00:12,320

it's all hate everything was like you

1413

01:00:15,970 --> 01:00:14,300

has holes you know Wyatt stop

1414

01:00:18,580 --> 01:00:15,980

interrupting you have somebody like

1415

01:00:20,050 --> 01:00:18,590

Grier on let him talk like and even

1416

01:00:22,510 --> 01:00:20,060

people were like I don't even like

1417

01:00:25,750 --> 01:00:22,520

Steven Greer but you guys are dicks like

1418

01:00:27,580 --> 01:00:25,760

it was so bad it was Olin rude like to

1419

01:00:30,130 --> 01:00:27,590

have some money of his stature even

1420

01:00:33,640 --> 01:00:30,140

think about going on that type of

1421

01:00:35,350 --> 01:00:33,650

podcast yeah is amazing to me I'd love

1422

01:00:37,090 --> 01:00:35,360

to have him on our podcast they would

1423

01:00:38,250 --> 01:00:37,100

make way more sense I feel like those

1424

01:00:40,710 --> 01:00:38,260

[h\_\_\h] would ruin

1425

01:00:42,599 --> 01:00:40,720

he's like I'm never doing this again oh

1426

01:00:44,670 --> 01:00:42,609

I meant I meant Steven Greer coming onto

1427

01:00:47,160 --> 01:00:44,680

our yeah yeah on our pocket but I'm

1428

01:00:49,740 --> 01:00:47,170

saying like because he would like except

1429

01:00:51,510 --> 01:00:49,750

a podcast like that you know it's he and

1430

01:00:53,040 --> 01:00:51,520

they probably ruined podcasts for him

1431

01:00:55,020 --> 01:00:53,050

yeah he's like I don't know if I want to

1432

01:00:57,030 --> 01:00:55,030

do that yeah so now be hard for somebody

1433

01:00:59,099 --> 01:00:57,040

like us who would actually pay attention

1434

01:01:01,440 --> 01:00:59,109

I mean I know I make jokes during this

1435

01:01:04,800 --> 01:01:01,450

podcast but I would never interrupt the

1436

01:01:06,359 --> 01:01:04,810

man and [h\_\_\h] like be like did it

1437

01:01:09,120 --> 01:01:06,369

sometimes those guys are just being

1438

01:01:10,830 --> 01:01:09,130

degrading yeah rude like one of them to

1439

01:01:13,050 --> 01:01:10,840

his face there's a big difference yeah

1440

01:01:17,310 --> 01:01:13,060

there's a B I think I feel like they're

1441

01:01:19,320 --> 01:01:17,320

yeah I would did but it was a what

1442

01:01:21,359 --> 01:01:19,330

Steven guru had to say was pretty dope

1443

01:01:23,700 --> 01:01:21,369

he handled it well the situation he did

1444

01:01:25,380 --> 01:01:23,710

he handled it really well he was kind of

1445

01:01:27,990 --> 01:01:25,390

like that cool uncle we were like he

1446

01:01:29,490 --> 01:01:28,000

knows like we're being annoying but he's

1447

01:01:31,560 --> 01:01:29,500

like alright Oh y'all want to know

1448

01:01:36,090 --> 01:01:31,570

something yeah yeah yeah name some names

1449

01:01:39,660 --> 01:01:36,100

haha dude yeah the everything he was

1450

01:01:41,490 --> 01:01:39,670

saying about he actually dropped the the

1451

01:01:44,010 --> 01:01:41,500

names like the Bush the Bush

1452

01:01:47,880 --> 01:01:44,020

administration like the the creation of

1453

01:01:50,280 --> 01:01:47,890

the CIA what he said what you sent me

1454

01:01:53,130 --> 01:01:50,290

was the exact time period or the time

1455

01:01:56,220 --> 01:01:53,140

stamp where he's talking about the black

1456

01:01:58,830 --> 01:01:56,230

budget deep state cabal that's like yeah

1457

01:02:00,420 --> 01:01:58,840

the underlying government that's not our

1458

01:02:02,400 --> 01:02:00,430

government that just works in the

1459

01:02:04,650 --> 01:02:02,410

shadows and he was naming names that

1460

01:02:06,960 --> 01:02:04,660

were those people were a part of it yeah

1461

01:02:08,940 --> 01:02:06,970

totally [h\_\_h] make sense it's kind of

1462

01:02:13,050 --> 01:02:08,950

crazy cuz you know we've always talked

1463

01:02:15,510 --> 01:02:13,060

about like uh you know like what if Tom

1464

01:02:16,980 --> 01:02:15,520

kind of got into some [h\_\_h] right I've

1465

01:02:19,890 --> 01:02:16,990

been saying it since the beginning like

1466

01:02:21,660 --> 01:02:19,900

I am I've loved Tom DeLonge and I'm so

1467

01:02:22,980 --> 01:02:21,670

stoked when anything new comes out I

1468

01:02:25,470 --> 01:02:22,990

think what they're doing is great I

1469

01:02:29,550 --> 01:02:25,480

think I'm doing is great to you but what

1470

01:02:32,280 --> 01:02:29,560

side is he on but yeah yeah cuz he does

1471

01:02:34,230 --> 01:02:32,290

say that he was kind of like maybe

1472

01:02:35,940 --> 01:02:34,240

mentoring him or something he maybe he

1473

01:02:37,800 --> 01:02:35,950

mention it yeah alluded to the fact that

1474

01:02:40,770 --> 01:02:37,810

you know I used to teach this is Jesus

1475

01:02:43,530 --> 01:02:40,780

talked to this kid yeah yeah he was a oh

1476

01:02:45,690 --> 01:02:43,540

well you know man now you know him as

1477

01:02:46,620 --> 01:02:45,700

Tom DeLonge Tom DeLonge yes I didn't

1478

01:02:49,950 --> 01:02:46,630

know that

1479

01:02:50,960 --> 01:02:49,960

and then he hooked up with these other

1480

01:02:53,359 --> 01:02:50,970

guys

1481

01:02:55,640 --> 01:02:53,369

and they kind of took over from there

1482

01:02:58,670 --> 01:02:55,650

yeah but that's as he was talking about

1483

01:03:00,829 --> 01:02:58,680

how you know this this deep state was

1484

01:03:03,829 --> 01:03:00,839

you know that's running all this stuff

1485

01:03:05,900 --> 01:03:03,839

you know even you know talked about you

1486

01:03:07,910 --> 01:03:05,910

know Wernher von Braun and on his

1487

01:03:10,370 --> 01:03:07,920

deathbed yeah and on his deathbed how he

1488

01:03:12,530 --> 01:03:10,380

said that you know a false alien

1489

01:03:14,630 --> 01:03:12,540

invasion will happen and that'll be yeah

1490

01:03:17,780 --> 01:03:14,640

you know basically what starts like the

1491

01:03:20,450 --> 01:03:17,790

next Ward's the last to take over the of

1492

01:03:23,480 --> 01:03:20,460

the government the last false flag event

1493

01:03:28,819 --> 01:03:23,490

that leads up to one world order right

1494

01:03:32,180 --> 01:03:28,829

right and now we get to where you know

1495

01:03:34,490 --> 01:03:32,190

it's a History Channel show the news is

1496

01:03:36,050 --> 01:03:34,500

talking about it you know it's starting

1497

01:03:38,510 --> 01:03:36,060

to get into people's minds that there

1498

01:03:40,849 --> 01:03:38,520

are aliens and UFOs and oh I've kind of

1499

01:03:42,620 --> 01:03:40,859

seen something on this you know people

1500

01:03:44,210 --> 01:03:42,630

are kind of my buddies have a podcast

1501  
01:03:47,170 --> 01:03:44,220  
about alien and they're starting to kind

1502  
01:03:49,400 --> 01:03:47,180  
of wake up about it and and you know

1503  
01:03:51,319 --> 01:03:49,410  
what would it take for the government to

1504  
01:03:53,240 --> 01:03:51,329  
just say oh yeah yeah yeah it's uh

1505  
01:03:55,220 --> 01:03:53,250  
invading aliens and people would just

1506  
01:03:57,530 --> 01:03:55,230  
hop on board because they haven't

1507  
01:03:59,150 --> 01:03:57,540  
studied it right looked into it I have a

1508  
01:04:03,170 --> 01:03:59,160  
researchers exactly it would be one of

1509  
01:04:05,900 --> 01:04:03,180  
the easiest things to sway the world

1510  
01:04:08,630 --> 01:04:05,910  
public on I I think it is an invasion

1511  
01:04:11,690 --> 01:04:08,640  
Cuban Missile Crisis dude it's the next

1512  
01:04:13,609 --> 01:04:11,700  
it's the next 9/11 okay I'll say that

1513  
01:04:16,010 --> 01:04:13,619

yeah it's it's gonna be it's gonna be

1514

01:04:17,900 --> 01:04:16,020

big it's gonna be an inside job and it

1515

01:04:19,640 --> 01:04:17,910

terrifies me honestly yeah it's pretty

1516

01:04:22,609 --> 01:04:19,650

scary yeah it's pretty scary because if

1517

01:04:24,740 --> 01:04:22,619

they're not here to do that right which

1518

01:04:27,470 --> 01:04:24,750

we talked about this before have you

1519

01:04:29,930 --> 01:04:27,480

know there's different species we talked

1520

01:04:31,520 --> 01:04:29,940

about the nine craft that Bob saw while

1521

01:04:33,589 --> 01:04:31,530

all these craft aren't from the same

1522

01:04:35,480 --> 01:04:33,599

species they're from different different

1523

01:04:38,690 --> 01:04:35,490

species yeah these are nine different

1524

01:04:42,700 --> 01:04:38,700

crafts from nine different races so one

1525

01:04:45,290 --> 01:04:42,710

real quick the the head of Defense from

1526

01:04:47,059 --> 01:04:45,300

from Britain the dude that went out I

1527

01:04:49,790 --> 01:04:47,069

can't remember his name but he had like

1528

01:04:52,880 --> 01:04:49,800

that whole press conference a few years

1529

01:04:55,430 --> 01:04:52,890

back huzza blonde dude or white dude and

1530

01:04:57,290 --> 01:04:55,440

I forget his name yeah but he he said a

1531

01:04:59,180 --> 01:04:57,300

number there was nine species that were

1532

01:05:00,890 --> 01:04:59,190

currently visiting earth and some people

1533

01:05:03,079 --> 01:05:00,900

say different numbers some people say

1534

01:05:04,140 --> 01:05:03,089

that there's you know up to like 30

1535

01:05:06,089 --> 01:05:04,150

different species

1536

01:05:08,430 --> 01:05:06,099

but this is what I can tell you that I

1537

01:05:10,559 --> 01:05:08,440

know yeah he's definitely not right

1538

01:05:12,029 --> 01:05:10,569

right so anyway sorry so so you're

1539

01:05:14,640 --> 01:05:12,039

saying there was there's at least nine

1540

01:05:17,970 --> 01:05:14,650

crafts that we have right so yeah maybe

1541

01:05:20,490 --> 01:05:17,980

some are bad right maybe some are good

1542

01:05:24,839 --> 01:05:20,500

right we've talked about that before but

1543

01:05:26,250 --> 01:05:24,849

for your own you know even even Greer

1544

01:05:27,779 --> 01:05:26,260

was saying you know like people always

1545

01:05:31,620 --> 01:05:27,789

say oh well the government knows about

1546

01:05:33,720 --> 01:05:31,630

this when you know the government

1547

01:05:34,980 --> 01:05:33,730

couldn't find their own head you know

1548

01:05:36,269 --> 01:05:34,990

what I'm saying like if it was attached

1549

01:05:38,069 --> 01:05:36,279

to their body because they don't like

1550

01:05:39,710 --> 01:05:38,079

how they don't know anything

1551

01:05:44,039 --> 01:05:39,720

yeah it's this it's this

1552

01:05:46,200 --> 01:05:44,049

compartmentalized you know organized

1553

01:05:49,890 --> 01:05:46,210

structure books off the books yeah

1554

01:05:53,039 --> 01:05:49,900

doesn't have an account they just do

1555

01:05:55,109 --> 01:05:53,049

[h\_\_\h] security clearances like 30 levels

1556

01:05:56,460 --> 01:05:55,119

above the president yeah that kind of

1557

01:05:58,109 --> 01:05:56,470

[h\_\_\h] president doesn't know anything

1558

01:05:59,789 --> 01:05:58,119

like the president can't even ask

1559

01:06:02,400 --> 01:05:59,799

questions like hey where's this money

1560

01:06:03,630 --> 01:06:02,410

going cuz you very employer sorry sir

1561

01:06:05,700 --> 01:06:03,640

you can't ask those questions oh yeah

1562

01:06:07,650 --> 01:06:05,710

you're not allowed to even step foot on

1563

01:06:11,160 --> 01:06:07,660

this base let alone ask us where the

1564

01:06:13,079 --> 01:06:11,170

money goes yeah that's I know we sound

1565

01:06:15,720 --> 01:06:13,089

to somebody listening this that has no

1566

01:06:17,490 --> 01:06:15,730

idea this sounds really crazy but hey

1567

01:06:19,769 --> 01:06:17,500

you do the research and not just listen

1568

01:06:21,329 --> 01:06:19,779

to a stock right you will find that then

1569

01:06:23,430 --> 01:06:21,339

that's the whole thing and you can look

1570

01:06:26,039 --> 01:06:23,440

at the Wilson document animal Wilson

1571

01:06:28,529 --> 01:06:26,049

right that's one thing we're and that's

1572

01:06:30,900 --> 01:06:28,539

his job is to know about everything top

1573

01:06:32,519 --> 01:06:30,910

secret yes he coached is retrieval

1574

01:06:33,410 --> 01:06:32,529

program and they basically tell him to

1575

01:06:36,089 --> 01:06:33,420

take a hike

1576

01:06:37,349 --> 01:06:36,099

that's above your pay this we need you

1577

01:06:40,289 --> 01:06:37,359

don't need to know about this this is

1578

01:06:41,960 --> 01:06:40,299

happening okay it's true well yeah yeah

1579

01:06:44,190 --> 01:06:41,970

it's happened it's not it's not a

1580

01:06:48,569 --> 01:06:44,200

conspiracy theory anymore

1581

01:06:50,640 --> 01:06:48,579

like those days are over yeah the

1582

01:06:52,319 --> 01:06:50,650

Pentagon released it you know yeah and

1583

01:06:54,150 --> 01:06:52,329

and you know I think maybe the

1584

01:06:55,370 --> 01:06:54,160

government right is releasing this

1585

01:06:57,359 --> 01:06:55,380

because they don't know any better

1586

01:06:58,559 --> 01:06:57,369

they're like well we're getting all this

1587

01:07:02,569 --> 01:06:58,569

information so I guess you might as well

1588

01:07:05,970 --> 01:07:02,579

tell people okay duh you know which part

1589

01:07:08,519 --> 01:07:05,980

all of it just government hasn't

1590

01:07:10,650 --> 01:07:08,529

released anything about like hey we yeah

1591

01:07:12,990 --> 01:07:10,660

we have all like you know 37 trillion

1592

01:07:15,089 --> 01:07:13,000

dollars that we can't I don't know not

1593

01:07:16,930 --> 01:07:15,099

not that's done by lot that type of

1594

01:07:18,579 --> 01:07:16,940

stuff but the fact that there are crap

1595

01:07:22,180 --> 01:07:18,589

left right up and that there are

1596

01:07:23,980 --> 01:07:22,190

technologies that are way way out of

1597

01:07:25,059 --> 01:07:23,990

what we have yeah they've acknowledged

1598

01:07:26,740 --> 01:07:25,069

all that stuff right

1599

01:07:28,210 --> 01:07:26,750

you know the Navy said yeah we deal with

1600

01:07:29,890 --> 01:07:28,220

this stuff all the time the Air Force

1601  
01:07:32,349 --> 01:07:29,900  
has said yeah yeah we've seen a lot of

1602  
01:07:34,390 --> 01:07:32,359  
crazy stuff it's time to come clean

1603  
01:07:37,450 --> 01:07:34,400  
yeah we see this all the time I also

1604  
01:07:41,099 --> 01:07:37,460  
think this you know this this shadow

1605  
01:07:44,589 --> 01:07:41,109  
government is only using our of our

1606  
01:07:46,990 --> 01:07:44,599  
official public government as as their

1607  
01:07:49,000 --> 01:07:47,000  
you know their spokesperson yeah so

1608  
01:07:53,230 --> 01:07:49,010  
maybe the government has really no

1609  
01:07:55,480 --> 01:07:53,240  
[h\_\_\h] know but some group does know

1610  
01:07:57,250 --> 01:07:55,490  
about it and they're only letting the

1611  
01:07:59,140 --> 01:07:57,260  
government know certain things and

1612  
01:08:01,270 --> 01:07:59,150  
they're like okay yeah you can post that

1613  
01:08:03,220 --> 01:08:01,280

because it actually falls in line with

1614

01:08:05,470 --> 01:08:03,230

our agenda that we're cooking up right

1615

01:08:07,660 --> 01:08:05,480

you know what I mean yeah we are

1616

01:08:11,470 --> 01:08:07,670

preparing for this one-world government

1617

01:08:13,960 --> 01:08:11,480

takeover with a false yeah and and just

1618

01:08:16,269 --> 01:08:13,970

innovation do you so so question do you

1619

01:08:18,370 --> 01:08:16,279

think so say this all plays out this

1620

01:08:20,950 --> 01:08:18,380

false flag event happens people freaked

1621

01:08:24,099 --> 01:08:20,960

out then this new government called

1622

01:08:26,709 --> 01:08:24,109

let's say the peanut gallery and it's

1623

01:08:30,340 --> 01:08:26,719

not America it's not China it's not

1624

01:08:33,309 --> 01:08:30,350

Japan it's not India it's not Africa

1625

01:08:34,059 --> 01:08:33,319

it's the peanut gallery comes in and

1626

01:08:36,039 --> 01:08:34,069

says all right

1627

01:08:38,110 --> 01:08:36,049

I know y'all alright well y'all want to

1628

01:08:40,450 --> 01:08:38,120

get along well we can save you because

1629

01:08:43,150 --> 01:08:40,460

we have the technology to save you and

1630

01:08:44,530 --> 01:08:43,160

now but you have to like bow down you

1631

01:08:46,930 --> 01:08:44,540

have to take you have to bend the knee

1632

01:08:49,900 --> 01:08:46,940

yep you know to medium back it's not if

1633

01:08:52,090 --> 01:08:49,910

it's gonna be America it's gonna be the

1634

01:08:55,120 --> 01:08:52,100

peanut gallery yeah you know yeah you'll

1635

01:08:59,229 --> 01:08:55,130

be you'll be sectioned off into into

1636

01:09:00,999 --> 01:08:59,239

districts district 8 bro yep yeah dude

1637

01:09:07,349 --> 01:09:01,009

no I give the district I'm in the camera

1638

01:09:11,800 --> 01:09:07,359

completely subscribe to that theory 100%

1639

01:09:14,079 --> 01:09:11,810

man like yeah people give Greer so much

1640

01:09:16,570 --> 01:09:14,089

[h\_\_h] you gotta do yeah give him so much

1641

01:09:19,840 --> 01:09:16,580

[h\_\_h] but it was just kind of a goofy guy

1642

01:09:21,519 --> 01:09:19,850

but I'm [h\_\_h] love them yeah yeah he's

1643

01:09:23,380 --> 01:09:21,529

some things he says I'm like a little

1644

01:09:26,110 --> 01:09:23,390

suspect about it right but yeah you know

1645

01:09:27,610 --> 01:09:26,120

it's like dude if he's if he's on to

1646

01:09:30,070 --> 01:09:27,620

something and he's telling the truth

1647

01:09:33,760 --> 01:09:30,080

like holy crap

1648

01:09:36,430 --> 01:09:33,770

we're in for we're in for dude like

1649

01:09:38,470 --> 01:09:36,440

there's nothing we could really do I

1650

01:09:40,390 --> 01:09:38,480

think it would happen so fast that no

1651

01:09:43,030 --> 01:09:40,400

one would even have a chance to protest

1652

01:09:44,500 --> 01:09:43,040

like it would not be well people

1653

01:09:46,780 --> 01:09:44,510

wouldn't be educated enough on the

1654

01:09:48,820 --> 01:09:46,790

subject to even know what to protest

1655

01:09:51,340 --> 01:09:48,830

right or how to protest they were so

1656

01:09:53,140 --> 01:09:51,350

scared that little government please yes

1657

01:09:56,590 --> 01:09:53,150

take care of me save me save us there's

1658

01:09:58,600 --> 01:09:56,600

a it's a false invasion but the public

1659

01:10:01,390 --> 01:09:58,610

it's like oh my god we're having an

1660

01:10:05,320 --> 01:10:01,400

invasion you know what do I do

1661

01:10:07,330 --> 01:10:05,330

yeah so I just thought of this ad it's

1662

01:10:08,980 --> 01:10:07,340

an ad by the air force I think I believe

1663

01:10:13,600 --> 01:10:08,990

or maybe it's the Marines but it's a

1664

01:10:15,790 --> 01:10:13,610

legit well video video think I know your

1665

01:10:18,460 --> 01:10:15,800

baby dude maybe it was for a movie

1666

01:10:22,270 --> 01:10:18,470

mm-hmm but it's so well done and it's

1667

01:10:24,610 --> 01:10:22,280

it's legit like it's the Marines or the

1668

01:10:26,260 --> 01:10:24,620

Air Force but it's like they're asking

1669

01:10:28,720 --> 01:10:26,270

that the father yes

1670

01:10:32,410 --> 01:10:28,730

about how he feels about his daughter

1671

01:10:34,510 --> 01:10:32,420

being you know in the isn't it the space

1672

01:10:36,430 --> 01:10:34,520

force yeah I don't know it's not the

1673

01:10:38,860 --> 01:10:36,440

space for space Corp sort of look at

1674

01:10:40,450 --> 01:10:38,870

that but it's he like the guy says when

1675

01:10:43,540 --> 01:10:40,460

my daughter fought against the alien

1676

01:10:45,490 --> 01:10:43,550

invasion yeah I was so proud you know

1677

01:10:48,360 --> 01:10:45,500

and and now we're just you know living

1678

01:10:51,670 --> 01:10:48,370

in the glory I don't know what it was

1679

01:10:53,260 --> 01:10:51,680

yeah yeah it's a that's yeah I know I

1680

01:10:55,810 --> 01:10:53,270

know we were talking about that's that's

1681

01:10:57,910 --> 01:10:55,820

pretty crazy but they they do say that I

1682

01:11:00,640 --> 01:10:57,920

want to I want to edit here cuz I want

1683

01:11:02,680 --> 01:11:00,650

to get my laptop and plug it in okay and

1684

01:11:05,080 --> 01:11:02,690

then play that so yeah I go to the audio

1685

01:11:10,390 --> 01:11:05,090

do it do it yeah totally we'll be right

1686

01:11:15,100 --> 01:11:12,700

well then if we're gonna do messages

it's actually [h\_\_h] pretty good

1700

01:11:50,280 --> 01:11:47,890

messages I used to know this this old

1701

01:11:53,670 --> 01:11:50,290

guy and he would always be down at the

1702

01:11:57,810 --> 01:11:53,680

local bar him down on the drag and he

1703

01:11:59,550 --> 01:11:57,820

went by the name of t-rex and called

1704

01:12:01,620 --> 01:11:59,560

himself you call him cell teawrex and

1705

01:12:03,960 --> 01:12:01,630

like any time he would have to like get

1706

01:12:06,120 --> 01:12:03,970

up early if he be like hey man I'll be

1707

01:12:12,870 --> 01:12:06,130

right back after these messages and like

1708

01:12:14,640 --> 01:12:12,880

he would just leave so funny yes a t-rex

1709

01:12:16,500 --> 01:12:14,650

what if they're what if they're blocking

1739

01:13:42,569 --> 01:13:40,130

it so they don't want people to know

1740

01:13:44,680 --> 01:13:42,579

about it

1741

01:13:48,819 --> 01:13:44,690

1757  
01:14:57,720 --> 01:14:56,869  
I know I've been taking decision was

1758  
01:15:01,930 --> 01:14:57,730  
five years old

1759  
01:15:04,419 --> 01:15:01,940  
[Music]

1760  
01:15:05,430 --> 01:15:04,429  
I fought 96 I know what those things are

1761  
01:15:07,320 --> 01:15:05,440  
capable of

1762  
01:15:09,150 --> 01:15:07,330  
but I know what my daughter is capable

1763  
01:15:11,220 --> 01:15:09,160

of did you see that yeah I know this

1764

01:15:17,220 --> 01:15:11,230

planet is safer because she's defending

1765

01:15:23,970 --> 01:15:17,230

it so in this in this ad it shows it

1766

01:15:28,560 --> 01:15:23,980

shows a newspaper that says it says

1767

01:15:30,600 --> 01:15:28,570

aliens defeated victory aliens defeated

1768

01:15:34,380 --> 01:15:30,610

in the background and it actually does

1769

01:15:38,670 --> 01:15:34,390

like I will zoom in on it which is

1770

01:15:40,380 --> 01:15:38,680

really weird yeah for the US Army and

1771

01:15:43,560 --> 01:15:40,390

the army commercial army commercial

1772

01:15:45,300 --> 01:15:43,570

that's that's uh that's a subliminal you

1773

01:15:47,190 --> 01:15:45,310

can't find it on youtube yeah that's

1774

01:15:50,490 --> 01:15:47,200

only on that one that's crazy

1775

01:15:52,920 --> 01:15:50,500

that's weird yeah so I mean okay yeah

1776

01:15:54,720 --> 01:15:52,930

maybe that it could be for a movie dude

1777

01:15:56,370 --> 01:15:54,730

honestly it could be for a movie like

1778

01:15:59,760 --> 01:15:56,380

Independence Day or something like that

1779

01:16:02,400 --> 01:15:59,770

yeah but I don't know hopefully it's not

1780

01:16:04,140 --> 01:16:02,410

okay the second Independence Day yeah it

1781

01:16:08,040 --> 01:16:04,150

was really good really yeah I just

1782

01:16:09,600 --> 01:16:08,050

caught the end of it and I was like uh I

1783

01:16:11,910 --> 01:16:09,610

don't know if I would have liked this if

1784

01:16:13,770 --> 01:16:11,920

I watch the full thing it's only good

1785

01:16:16,580 --> 01:16:13,780

because the first Independence Day was

1786

01:16:20,090 --> 01:16:16,590

good okay it's everybody's got a great

1787

01:16:22,260 --> 01:16:20,100

movie by it by itself just like

1788

01:16:25,290 --> 01:16:22,270

everything's member Ben everything's

1789

01:16:28,920 --> 01:16:25,300

member berries hey me me yeah me me

1790

01:16:32,910 --> 01:16:28,930

independent by Amber Mindy yeah minute

1791

01:16:35,070 --> 01:16:32,920

you back again just yeah every

1792

01:16:36,570 --> 01:16:35,080

everything do the same same thing with

1793

01:16:39,480 --> 01:16:36,580

like I mean have you been to the movies

1794

01:16:44,150 --> 01:16:39,490

lately yeah dude it's it's it's Toy

1795

01:16:48,060 --> 01:16:44,160

Story Aladdin Lion King and [h\_\_h] like

1796

01:16:49,980 --> 01:16:48,070

it's no no original content is coming

1797

01:16:53,820 --> 01:16:49,990

out it's yeah it's just what our

1798

01:16:55,770 --> 01:16:53,830

childhood was that's all member Barry's

1799

01:16:58,920 --> 01:16:55,780

dude it's it's yeah it's pretty crazy

1800

01:17:00,540 --> 01:16:58,930

but you know it'd be like Timmy doesn't

1801  
01:17:03,090 --> 01:17:00,550  
seem like it'd be hard to make original

1802  
01:17:05,190 --> 01:17:03,100  
content you know like come up with a

1803  
01:17:07,770 --> 01:17:05,200  
cool a story that nobody's you know like

1804  
01:17:09,930 --> 01:17:07,780  
there's very creative people out there I

1805  
01:17:11,880 --> 01:17:09,940  
think that the other thing there's a lot

1806  
01:17:15,420 --> 01:17:11,890  
of very creative scripts out there too

1807  
01:17:19,169 --> 01:17:15,430  
but I think our the the movie industry

1808  
01:17:22,699 --> 01:17:19,179  
is so greedy that they want to

1809  
01:17:25,500 --> 01:17:22,709  
Bank on making that dolla dolla bill

1810  
01:17:28,649 --> 01:17:25,510  
they know that those that's why there's

1811  
01:17:30,060 --> 01:17:28,659  
so many [h\_\_h] superhero movies yeah

1812  
01:17:31,469 --> 01:17:30,070  
it's never gonna end

1813  
01:17:34,949 --> 01:17:31,479

yeah they're and now they're getting

1814

01:17:37,080 --> 01:17:34,959

into like a new section and all the

1815

01:17:38,910 --> 01:17:37,090

Avengers and the Thor's and Iron Man's

1816

01:17:40,560 --> 01:17:38,920

and Hulk's and stuff are done I'm oh how

1817

01:17:43,319 --> 01:17:40,570

they're gonna move on to another like

1818

01:17:45,350 --> 01:17:43,329

yeah section of superheroes I mean I did

1819

01:17:48,149 --> 01:17:45,360

watch some of the Avengers Avengers

1820

01:17:49,379 --> 01:17:48,159

movies and like the last one in game was

1821

01:17:52,500 --> 01:17:49,389

pretty good I mean they're all yeah

1822

01:17:55,859 --> 01:17:52,510

they're good yeah dude like I want some

1823

01:17:57,569 --> 01:17:55,869

original ideas yeah but the studio's bro

1824

01:17:59,580 --> 01:17:57,579

they just got a bank up because they

1825

01:18:01,020 --> 01:17:59,590

know they're gonna make they're not on

1826

01:18:02,370 --> 01:18:01,030

that you know whatever but yeah like

1827

01:18:04,169 --> 01:18:02,380

like we were talking about Harry and the

1828

01:18:06,029 --> 01:18:04,179

Hendersons nobody's making a movie like

1829

01:18:07,830 --> 01:18:06,039

that nobody nobody's making that Edward

1830

01:18:08,819 --> 01:18:07,840

Scissorhands yeah no wasn't making a

1831

01:18:11,669 --> 01:18:08,829

Howard Duck

1832

01:18:13,770 --> 01:18:11,679

nobody's making tremors dude like those

1833

01:18:16,709 --> 01:18:13,780

are all such kick-ass movies you know

1834

01:18:18,660 --> 01:18:16,719

yes nobody's making a Wayne's World you

1835

01:18:21,029 --> 01:18:18,670

know nobody's doing cool [h\_\_h] like that

1836

01:18:22,049 --> 01:18:21,039

anymore you know they may like make a

1837

01:18:31,739 --> 01:18:22,059

Wayne's World

1838

01:18:33,479 --> 01:18:31,749

and I hope they didn't do what they did

1839

01:18:35,969 --> 01:18:33,489

they would get my money because I'm a

1840

01:18:37,439 --> 01:18:35,979

huge Wayne's World fan yeah I would

1841

01:18:40,799 --> 01:18:37,449

definitely see it did you see the other

1842

01:18:46,439 --> 01:18:40,809

Dumb and Dumber movies yes what do you

1843

01:18:49,229 --> 01:18:46,449

think they were dumb and dumb

1844

01:18:52,739 --> 01:18:49,239

they were stupid I laughed the room

1845

01:18:54,449 --> 01:18:52,749

because it's it's just you know what to

1846

01:18:56,339 --> 01:18:54,459

expect you know what I'm saying but when

1847

01:18:59,399 --> 01:18:56,349

you first saw Dumb and Dumber you were

1848

01:19:01,410 --> 01:18:59,409

like totally [h\_\_h] yeah you just don't

1849

01:19:03,330 --> 01:19:01,420

look okay I get it the cultures

1850

01:19:06,060 --> 01:19:03,340

different people's humor is a little

1851

01:19:08,299 --> 01:19:06,070

different I don't know man

1852

01:19:11,370 --> 01:19:08,309

I'm just I want I want some like

1853

01:19:13,049 --> 01:19:11,380

creative new ideas out there yeah

1854

01:19:16,290 --> 01:19:13,059

totally I'm not that's why I don't go to

1855

01:19:18,569 --> 01:19:16,300

the movies dude yeah I mean I might as

1856

01:19:20,100 --> 01:19:18,579

well just stay home I'm just gonna stay

1857

01:19:21,779 --> 01:19:20,110

home and rent it on Netflix there's

1858

01:19:25,379 --> 01:19:21,789

nothing crazy coming out anymore I mean

1859

01:19:28,080 --> 01:19:25,389

okay avatar the next there's like four

1860

01:19:29,339 --> 01:19:28,090

new avatar movies the Airbender gonna

1861

01:19:33,000 --> 01:19:29,349

see the

1862

01:19:35,370 --> 01:19:33,010

no oh dude the only good Airbender shows

1863

01:19:37,530 --> 01:19:35,380

is from the the Nickelodeon animated

1864

01:19:39,330 --> 01:19:37,540

yeah that movie I never even saw the

1865

01:19:40,740 --> 01:19:39,340

movie because it was so bad the

1866

01:19:42,689 --> 01:19:40,750

live-action one yeah

1867

01:19:45,060 --> 01:19:42,699

but the cartoon version was [h\_\_\h] dope

1868

01:19:47,160 --> 01:19:45,070

somebody was saying the only live

1869

01:19:49,500 --> 01:19:47,170

actions that they wanted to see remade

1870

01:19:51,450 --> 01:19:49,510

was like Atlantis like you know the

1871

01:19:53,129 --> 01:19:51,460

Disney Atlantis no I love that movie

1872

01:19:56,100 --> 01:19:53,139

that's a great now that'd be a cool

1873

01:19:58,919 --> 01:19:56,110

movie redo and then uh and what was that

1874

01:20:00,959 --> 01:19:58,929

other one where it was like it was real

1875

01:20:05,189 --> 01:20:00,969

steampunk and I had like those flying

1876

01:20:07,770 --> 01:20:05,199

blimps with like bat wings on it damn it

1877

01:20:09,720 --> 01:20:07,780

I can't think of it something treasure

1878

01:20:11,879 --> 01:20:09,730

was it Treasure Island but it was like a

1879

01:20:14,189 --> 01:20:11,889

steampunk version of it there's

1880

01:20:15,689 --> 01:20:14,199

something it's all it's all clicking but

1881

01:20:17,910 --> 01:20:15,699

I you know what I'm talking I know

1882

01:20:19,290 --> 01:20:17,920

exactly yeah something like that would

1883

01:20:21,240 --> 01:20:19,300

be cool that would go like a live-action

1884

01:20:23,520 --> 01:20:21,250

version I know I'd be pretty sweet of

1885

01:20:27,629 --> 01:20:23,530

you was that ding it but I want to see

1886

01:20:29,520 --> 01:20:27,639

us making it again oh yeah maybe I want

1887

01:20:45,660 --> 01:20:29,530

to see a live action version of Fievel

1888

01:20:48,300 --> 01:20:45,670

goes west yeah but I think we could

1889

01:20:50,850 --> 01:20:48,310

write a movie we should ice actually

1890

01:20:53,459 --> 01:20:50,860

stockade I'll tell you how off air okay

1891

01:20:55,649 --> 01:20:53,469

I started on an idea it started out as a

1892

01:20:58,890 --> 01:20:55,659

short story starting out as a short

1893

01:21:02,700 --> 01:20:58,900

story okay but it has to do with aliens

1894

01:21:05,010 --> 01:21:02,710

and if you didn't already guessed that

1895

01:21:08,370 --> 01:21:05,020

yeah it's the one thing that I'm

1896

01:21:11,100 --> 01:21:08,380

interested in so would it be an original

1897

01:21:13,649 --> 01:21:11,110

idea totally original totally wholly

1898

01:21:13,939 --> 01:21:13,659

original okay I'll tell you about it

1899

01:21:16,439 --> 01:21:13,949

later

1900

01:21:20,430 --> 01:21:16,449

after we got off the podcast cuz I'm a

1901

01:21:23,430 --> 01:21:20,440

terrible terrible writer I'm awful at it

1902

01:21:31,919 --> 01:21:23,440

too I'm so bad at writing I'm always

1903

01:21:37,109 --> 01:21:31,929

like hey what's up today sorta is gonna

1904

01:21:38,879 --> 01:21:37,119

be like period yeah and then you start

1905

01:21:43,020 --> 01:21:38,889

again Hey

1906

01:21:45,970 --> 01:21:43,030

oh yeah also

1907

01:21:47,290 --> 01:21:45,980

Camas like in the wrong spots this is

1908

01:21:49,540 --> 01:21:47,300

just like like I don't use any other

1909

01:21:51,610 --> 01:21:49,550

punctuation other than commas there's

1910

01:21:53,680 --> 01:21:51,620

like 50 commas in like one paragraph

1911

01:21:55,630 --> 01:21:53,690

it's like my teacher would always like

1912

01:21:58,510 --> 01:21:55,640

put there would be like little red x's

1913

01:22:00,070 --> 01:21:58,520

all over my papers and like too many

1914

01:22:02,620 --> 01:22:00,080

commas you're not supposed to put the

1915

01:22:04,560 --> 01:22:02,630

comma inside the Oh Jo or what is the

1916

01:22:10,320 --> 01:22:04,570

thing called the dot dot dot the

1917

01:22:14,230 --> 01:22:10,330

ellipses yeah Oh be like and then I

1918

01:22:20,290 --> 01:22:14,240

forgot oh yeah

1919

01:22:23,460 --> 01:22:20,300

sit back in your favorite chair grab

1920

01:22:30,550 --> 01:22:23,470

your favorite drink and enjoy my story

1921

01:22:32,290 --> 01:22:30,560

it's like already like yeah no man I was

1922

01:22:33,760 --> 01:22:32,300

pretty good I mean I was pretty good at

1923

01:22:36,310 --> 01:22:33,770

[h\_\_\h] though like if I ever dried I

1924

01:22:37,720 --> 01:22:36,320

had to write a paper I would yeah I was

1925

01:22:39,850 --> 01:22:37,730

pretty good at coming up with like wacky

1926

01:22:42,670 --> 01:22:39,860

ideas and like I would always get like

1927

01:22:46,480 --> 01:22:42,680

good grades only because like I mean as

1928

01:22:49,450 --> 01:22:46,490

long as I great ideas yeah also fix

1929

01:22:51,490 --> 01:22:49,460

everything yeah just like it read my

1930

01:22:52,690 --> 01:22:51,500

papers the only reason he passed is

1931

01:22:54,610 --> 01:22:52,700

because they would be creative yeah

1932

01:22:56,140 --> 01:22:54,620

we're like just fun to read so you know

1933

01:22:58,750 --> 01:22:56,150

saying cuz I'm sure everybody was like

1934

01:23:02,160 --> 01:22:58,760

I'm gonna try my hardest on this it like

1935

01:23:04,960 --> 01:23:02,170

as a teacher dude I wouldn't have get so

1936

01:23:06,520 --> 01:23:04,970

boring old yeah like people trying to

1937

01:23:10,090 --> 01:23:06,530

protect something that they know nothing

1938

01:23:12,280 --> 01:23:10,100

about yeah you know but then come along

1939

01:23:21,180 --> 01:23:12,290

something like near you we're just

1940

01:23:29,250 --> 01:23:21,190

riffing it oh yeah wait and also and

1941

01:23:36,520 --> 01:23:29,260

then because there's more and

1942

01:23:45,340 --> 01:23:36,530

furthermore anyways so and I think that

1943

01:23:49,990 --> 01:23:45,350

may have been a good hyperbole yes dude

1944

01:23:50,949 --> 01:23:50,000

and then there was a li we had to do

1945

01:23:55,419 --> 01:23:50,959

like a

1946

01:23:58,839 --> 01:23:55,429

Renaissance theme in high school okay

1947

01:24:02,169 --> 01:23:58,849

and the only reason I passed is because

1948

01:24:03,819 --> 01:24:02,179

she let me do Merlin and she was like

1949

01:24:05,140 --> 01:24:03,829

like write a story about Marilyn well

1950

01:24:10,919 --> 01:24:05,150

yeah it was like a whole project

1951

01:24:14,109 --> 01:24:10,929

marilla's Dori I only smoked weed high

1952

01:24:16,359 --> 01:24:14,119

stuff a bit but yeah how do you make a

1953

01:24:18,429 --> 01:24:16,369

little project you had to write the

1954

01:24:22,419 --> 01:24:18,439

little paper and then you have to like

1955

01:24:23,770 --> 01:24:22,429

present it you know and sometimes I

1956

01:24:26,229 --> 01:24:23,780

would I would make deals with my

1957

01:24:28,719 --> 01:24:26,239

teachers like hey instead of writing

1958

01:24:30,669 --> 01:24:28,729

this paper cuz you know I suck at it can

1959

01:24:34,060 --> 01:24:30,679

I like make a movie yeah or like can I

1960

01:24:36,699 --> 01:24:34,070

do like a craft project that shows you I

1961

01:24:41,439 --> 01:24:36,709

know what I'm talking about I have

1962

01:24:44,799 --> 01:24:41,449

dyslexia and also furthermore also

1963

01:24:46,689 --> 01:24:44,809

further dude it's like we had the same

1964

01:24:48,640 --> 01:24:46,699

high school experience cuz I did the

1965

01:24:51,549 --> 01:24:48,650

same [h\_\_\h] instead of writing an essay

1966

01:24:53,319 --> 01:24:51,559

and I did a video on King Arthur hell

1967

01:24:53,949 --> 01:24:53,329

yeah can find it on YouTube it's pretty

1968

01:24:58,569 --> 01:24:53,959

[h\_\_\h] funny

1969

01:25:04,060 --> 01:24:58,579

I also spelled King Arthur wrong er it's

1970

01:25:06,040 --> 01:25:04,070

a you are we had a kid we were doing a

1971

01:25:08,109 --> 01:25:06,050

math class in the project was on

1972

01:25:10,540 --> 01:25:08,119

measurements and then we had to go and

1973

01:25:13,060 --> 01:25:10,550

make a recipe with our measurements and

1974

01:25:15,129 --> 01:25:13,070

the kid brought powdered Donuts to

1975

01:25:17,500 --> 01:25:15,139

school but when you rode in on his big

1976

01:25:19,290 --> 01:25:17,510

poster board he misspelled it so his hit

1977

01:25:23,169 --> 01:25:19,300

powder dog nuts

1978

01:25:25,449 --> 01:25:23,179

we're like what nobody noticed at first

1979

01:25:28,569 --> 01:25:25,459

he hung the sign up he was like these

1980

01:25:32,939 --> 01:25:28,579

are my powdered Donuts like this kid in

1981

01:25:36,850 --> 01:25:32,949

the back he was like hey this is dog nut

1982

01:25:39,640 --> 01:25:36,860

the whole class you use the powdered dog

1983

01:25:41,620 --> 01:25:39,650

nuts kid it was cool great it was good

1984

01:25:44,770 --> 01:25:41,630

man none of this had anything to do with

1985

01:25:54,060 --> 01:25:44,780

anything but that was fun doesn't have

1986

01:26:00,310 --> 01:25:54,070

to you man also furthermore but wait

1987

01:26:03,279 --> 01:26:00,320

bully yeah the pencil line just kind of

1988

01:26:09,939 --> 01:26:06,339

Wow all my papers always had like they

1989

01:26:14,529 --> 01:26:09,949

were stained like she was like Cheetos I

1990

01:26:16,810 --> 01:26:14,539

would fingers like everytime I always

1991

01:26:18,189 --> 01:26:16,820

got points marked off because because

1992

01:26:20,290 --> 01:26:18,199

instead of her just riding on another

1993

01:26:23,229 --> 01:26:20,300

page I would put an arrow and I would

1994

01:26:26,529 --> 01:26:23,239

put the other side on the bottom as if I

1995

01:26:28,810 --> 01:26:26,539

didn't like use context clues you don't

1996

01:26:31,569 --> 01:26:28,820

do that in a professional writing like

1997

01:26:33,700 --> 01:26:31,579

the assignment was he had to get like a

1998

01:26:40,089 --> 01:26:33,710

certain amount of you know lines done

1999

01:26:43,540 --> 01:26:40,099

but you used up like 80 likes the other

2000

01:26:44,560 --> 01:26:43,550

side like you don't do that it always be

2001

01:26:48,819 --> 01:26:44,570

a red red eggs

2002

01:26:50,259 --> 01:26:48,829

I remember one teacher was like she

2003

01:26:59,020 --> 01:26:50,269

wrote a little no it was like do we have

2004

01:26:59,439 --> 01:26:59,030

to do this every time man I said yes we

2005

01:27:03,700 --> 01:26:59,449

do

2006

01:27:05,770 --> 01:27:03,710

dick teacher look I give him [h\_\_h] I give

2007

01:27:08,229 --> 01:27:05,780

you [h\_\_h] for sure totally

2008

01:27:10,959 --> 01:27:08,239

I deserved it deserved it pally added

2009

01:27:13,689 --> 01:27:10,969

same I didn't study I didn't do anything

2010

01:27:16,089 --> 01:27:13,699

I just made fart noises in class dude

2011

01:27:23,709 --> 01:27:16,099

that was me anyway

2012

01:27:25,540 --> 01:27:23,719

aliens oh my god is that a good place to

2013

01:27:28,029 --> 01:27:25,550

stop what do you think I think so man we

2014

01:27:29,950 --> 01:27:28,039

did pretty good it was a pretty decent

2015

01:27:32,770 --> 01:27:29,960

this little episode man dude that's a

2016

01:27:37,450 --> 01:27:32,780

2021

01:27:48,399 --> 01:27:46,309

last podcast dude uh-huh terrible is it

2031

01:28:15,580 --> 01:28:12,230

2034

01:28:31,530 --> 01:28:24,410

it was remote that as a how to not to or

2035

01:28:34,870 --> 01:28:31,540

how to not do what's up

2036

01:28:39,250 --> 01:28:34,880

also maybe we post it as to like like

2037

01:28:40,870 --> 01:28:39,260

maybe like a plea to like donate or buy

2038

01:28:44,200 --> 01:28:40,880

our shirts so we can get better

2039

01:28:45,850 --> 01:28:44,210

equipment to yeah cuz it is so bad or

2040

01:28:53,860 --> 01:28:45,860

you have to deal with this [h\_\_\h] for the

2041

01:28:55,720 --> 01:28:53,870

rest of the time yeah well yeah man that

2042

01:28:58,600 --> 01:28:55,730

garage PC calm and guys you know we have

2049

01:29:21,340 --> 01:29:18,950

something set up on there too where if

2050

01:29:23,800 --> 01:29:21,350

you have a story that you'd like to tell

2051

01:29:26,050 --> 01:29:23,810

you can just go directly to the page

2052

01:29:27,880 --> 01:29:26,060

scroll down and there's literally a

2053

01:29:30,580 --> 01:29:27,890

button that says tell us your story LS

2054

01:29:32,380 --> 01:29:30,590

your story and you just email ya will

2055

01:29:34,150 --> 01:29:32,390

read it or maybe we'll get back to you

2056

01:29:35,470 --> 01:29:34,160

yeah and then we'll talk about it but

2057

01:29:37,450 --> 01:29:35,480

you want to have another guest on the

2058

01:29:39,490 --> 01:29:37,460

podcast here pretty soon all right yeah

2059

01:29:41,320 --> 01:29:39,500

and do we have the the Google phone

2060

01:29:43,270 --> 01:29:41,330

thing set up no we should we should do

2061

01:29:44,770 --> 01:29:43,280

that so we're gonna do that soon too so

2062

01:29:45,700 --> 01:29:44,780

if you're like us and you're not a very

2063

01:29:48,010 --> 01:29:45,710

good writer

2064

01:29:50,410 --> 01:29:48,020

you could just call in and leave a

2065

01:29:52,390 --> 01:29:50,420

message point and we can just play that

2066

01:29:54,820 --> 01:29:52,400

yeah we the message yeah we don't play

2067

01:29:56,230 --> 01:29:54,830

the message on there yeah um so yeah I

2068

01:29:57,280 --> 01:29:56,240

mean we got some more things to come in

2069

01:29:59,260 --> 01:29:57,290

like I said we're gonna be looking at

2070

01:30:02,200 --> 01:29:59,270

cameras and stuff like that pretty soon

2071

01:30:05,560 --> 01:30:02,210

maybe maybe maybe do a the GoPros a

2072

01:30:07,750 --> 01:30:05,570

little crowdfunding thing maybe we could

2073

01:30:09,280 --> 01:30:07,760

set that up just kind of so I want

2074

01:30:11,230 --> 01:30:09,290

people to get something for their

2075

01:30:13,150 --> 01:30:11,240

donation that's kind of why I wanted

2076

01:30:14,980 --> 01:30:13,160

them to be like people if you want to

2077

01:30:15,490 --> 01:30:14,990

donate buy a shirt so you get something

2078

01:30:19,810 --> 01:30:15,500

in return

2079

01:30:22,120 --> 01:30:19,820

yeah totally all right dudes thanks for

2080

01:30:23,230 --> 01:30:22,130

listening on another week of a UFO

2081

01:30:25,510 --> 01:30:23,240

barrage

2082

01:30:27,020 --> 01:30:25,520

guys well uh we'll see you next time see
