00:00:07,700 --> 00:00:04,780

[Music]

2
00:00:09,860 --> 00:00:07,710

this is another episode of UFO garage

3
00:00:13,089 --> 00:00:09,870

I'm Ben and I'm Joe and this is where we

4
00:00:16,760 --> 00:00:13,099

talk about UFOs aliens and all things we

5
00:00:19,040 --> 00:00:16,770

off beings weird baby Joe what's going

6
00:00:21,290 --> 00:00:19,050

on dude not a lot dr. scientists Ben Oh

7
00:00:23,150 --> 00:00:21,300

doctor scientist Joseph hello nice to

8
00:00:23,599 --> 00:00:23,160

meet you greetings nice to meet me

9
00:00:27,650 --> 00:00:23,609

please

10
00:00:30,740 --> 00:00:27,660

nice to meet me as well what's going on

11
00:00:32,269 --> 00:00:30,750

man nothing much man and just just been

12
00:00:34,220 --> 00:00:32,279

chilling I made a Philly cheesesteak

13
00:00:36,290 --> 00:00:34,230

today I'm trying to get good of making

14

00:00:38,479 --> 00:00:36,300

Philly cheesesteaks what yeah do you do

15

00:00:40,970 --> 00:00:38,489

it was delicious

16

00:00:42,229 --> 00:00:40,980

I've got a half of a rip side did you

17

00:00:43,610 --> 00:00:42,239

know that Philly cheesesteaks are made

18

00:00:45,920 --> 00:00:43,620

from ribeye Wow

19

00:00:49,580 --> 00:00:45,930

so I found like a cheap like \$7 ribeye

20

00:00:51,860 --> 00:00:49,590

at HEB you gotta like mince it up pretty

21

00:00:55,459 --> 00:00:51,870

interesting dude it was so good what

22

00:00:57,500 --> 00:00:55,469

kind of cheese did you provolone what

23

00:01:00,650 --> 00:00:57,510

kind of rich so good it was a it's

24

00:01:02,750 --> 00:01:00,660

called French roll stick but it's like

25

00:01:04,369 --> 00:01:02,760

it's like a thin French roll uh-huh yeah

26

00:01:06,050 --> 00:01:04,379

anyway it sounds delicious

27

00:01:10,280 --> 00:01:06,060

oh good bro you know what I had for

28

00:01:12,679 --> 00:01:10,290

lunch today what a lunchable and I had a

29

00:01:14,899 --> 00:01:12,689

had a wild cherry Caprice on just one

30

00:01:17,480 --> 00:01:14,909

just one yeah I should have brought more

31

00:01:19,130 --> 00:01:17,490

but you know trying to conserve right

32

00:01:23,320 --> 00:01:19,140

now would you get the pizza one or the

33

00:01:26,530 --> 00:01:23,330

no I got the I got the turkey and cheese

34

00:01:30,770 --> 00:01:26,540

and it came with a Reese's okay and

35

00:01:34,130 --> 00:01:30,780

while cherry yeah yeah that's Capri Suns

36

00:01:36,920 --> 00:01:34,140

always like one sip yeah yeah I was

37

00:01:37,280 --> 00:01:36,930

pretty disappointed luckily I had a dr.

38

00:01:39,050 --> 00:01:37,290

pepper

39

00:01:41,060 --> 00:01:39,060

and people wonder why I like we're

40

00:01:47,960 --> 00:01:41,070

obsessed with charcuterie cuz we grew up

41

00:01:51,889 --> 00:01:47,970

on lunch yeah I mean you're probably

42

00:01:54,440 --> 00:01:51,899

starving right now well well then I

43

00:01:57,080 --> 00:01:54,450

upgraded from the lunchable and before I

44

00:01:59,149 --> 00:01:57,090

came over here I had the all classic

45

00:02:00,830 --> 00:01:59,159

Taco Bell oh yeah you always could talk

46

00:02:03,050 --> 00:02:00,840

about before you come on yeah

47

00:02:04,999 --> 00:02:03,060

kind of uh it's right outside of my work

48

00:02:07,969 --> 00:02:05,009

and it's like I don't feel like driving

49

00:02:10,130 --> 00:02:07,979

anywhere else like out of my way yeah to

50

00:02:15,259 --> 00:02:10,140

grab food so I just stopped by Taco Bell

51
00:02:16,820 --> 00:02:15,269
and you know did it's the best I I would

52
00:02:19,160 --> 00:02:16,830
claim to say the Taco Bell is my

53
00:02:22,910 --> 00:02:19,170
favorite fast-food restaurant you know I

54
00:02:25,520 --> 00:02:22,920
didn't eat Taco Bell for like years bro

55
00:02:27,710 --> 00:02:25,530
I think like midway through high school

56
00:02:30,080 --> 00:02:27,720
I probably stopped eating Taco Bell and

57
00:02:32,930 --> 00:02:30,090
for some reason when we started doing

58
00:02:35,809 --> 00:02:32,940
this podcast I stopped at Taco Bell and

59
00:02:38,150 --> 00:02:35,819
now it's like my weekly Wednesday thing

60
00:02:39,710 --> 00:02:38,160
dude and you know we've been doing it

61
00:02:43,009 --> 00:02:39,720
for what almost two months now three

62
00:02:45,369 --> 00:02:43,019
sponsored by Taco Bell I like the old

63
00:02:50,780 --> 00:02:45,379

slogan you better run for the border oh

64

00:02:55,720 --> 00:02:50,790

and then had the Bell I remember the

65

00:02:58,699 --> 00:02:55,730

Taco Bell a little chihuahua yeah yeah

66

00:03:01,490 --> 00:02:58,709

and then that Indian Godzilla came out

67

00:03:04,670 --> 00:03:01,500

and then he was like he'll ezel ezel

68

00:03:06,349 --> 00:03:04,680

ezel yeah remember that dude man I used

69

00:03:07,879 --> 00:03:06,359

to love those commercials back in the

70

00:03:10,069 --> 00:03:07,889

day remember that and they somebody got

71

00:03:11,270 --> 00:03:10,079

mad they were like that's racist yeah I

72

00:03:14,330 --> 00:03:11,280

mean come on

73

00:03:15,470 --> 00:03:14,340

sometimes can food plays yeah you

74

00:03:17,809 --> 00:03:15,480

remember that I know a lot of Mexicans

75

00:03:20,930 --> 00:03:17,819

cuz my families you know have Mexican I

76
00:03:22,099 --> 00:03:20,940
know a lot with Chihuahuas so I mean I

77
00:03:24,920 --> 00:03:22,109
can't you know it's not like I could be

78
00:03:27,740 --> 00:03:24,930
like that's not yeah that far off you

79
00:03:31,009 --> 00:03:27,750
know it's is it's not wrong yeah there's

80
00:03:32,509 --> 00:03:31,019
a lot of Mexicans with chihuahuas yeah I

81
00:03:35,000 --> 00:03:32,519
wonder what like the white person

82
00:03:37,009 --> 00:03:35,010
equivalent of a dog would be like it got

83
00:03:43,900 --> 00:03:37,019
like a golden retriever Bush's baked

84
00:03:48,289 --> 00:03:43,910
beans is that race offended right now

85
00:03:53,960 --> 00:03:48,299
telling you it's my secret hey what's

86
00:03:56,150 --> 00:03:53,970
that dog's name ding no I can't think of

87
00:03:57,770 --> 00:03:56,160
it but he always gives the secret he's

88
00:04:01,400 --> 00:03:57,780

like hey don't tell anybody

89

00:04:03,860 --> 00:04:01,410

yeah that Nasdaq man dude I'm telling

90

00:04:06,080 --> 00:04:03,870

you that's messed up dude but back in

91

00:04:09,410 --> 00:04:06,090

the day Taco Bell was on point when they

92

00:04:11,569 --> 00:04:09,420

had all the Nintendo 64 toys oh oh and

93

00:04:12,830 --> 00:04:11,579

then like when the tick was like really

94

00:04:16,759 --> 00:04:12,840

huge

95

00:04:19,370 --> 00:04:16,769

dude Nintendo 64 changed my life didn't

96

00:04:20,120 --> 00:04:19,380

there was so much good stuff on in 64

97

00:04:23,390 --> 00:04:20,130

yeah

98

00:04:28,030 --> 00:04:23,400

do you not remember playing Super Smash

99

00:04:30,020 --> 00:04:28,040

Brothers yeah like almost every also

100

00:04:33,050 --> 00:04:30,030

actually the first game I ever played on

101
00:04:36,650 --> 00:04:33,060
it and in 64 was Goldeneye and I played

102
00:04:39,560 --> 00:04:36,660
it Travis's house a couple weeks ago in

103
00:04:41,330 --> 00:04:39,570
dude it is so hard to play it still

104
00:04:43,370 --> 00:04:41,340
holds up to this day it still holds up

105
00:04:46,040 --> 00:04:43,380
it was really fun but it's so hard I

106
00:04:47,210 --> 00:04:46,050
still love it and Diddy Kong Racing yeah

107
00:04:53,480 --> 00:04:47,220
I was fun too

108
00:04:55,129 --> 00:04:53,490
yeah before held it down that joystick

109
00:04:56,659 --> 00:04:55,139
though that's a weird controller with

110
00:04:58,250 --> 00:04:56,669
the joystick in the middle uh-huh and

111
00:05:00,830 --> 00:04:58,260
you gotta like switch over if you wanted

112
00:05:02,810 --> 00:05:00,840
to use the directionals the d-pad yeah

113
00:05:05,930 --> 00:05:02,820

get that d-pad I never use the d-pad

114

00:05:07,300 --> 00:05:05,940

yeah never I ended up using the d-pad

115

00:05:09,620 --> 00:05:07,310

cuz cuz I'm used to it on the

116

00:05:11,690 --> 00:05:09,630

PlayStation yeah I usually use on the

117

00:05:13,640 --> 00:05:11,700

PlayStation now well during the attend

118

00:05:16,760 --> 00:05:13,650

o-64 I had hit puberty so I was kind of

119

00:05:18,440 --> 00:05:16,770

used to the using my little stick so you

120

00:05:21,680 --> 00:05:18,450

know I was pretty good with a joystick

121

00:05:32,000 --> 00:05:21,690

you know what I'm saying same size and

122

00:05:34,820 --> 00:05:32,010

everything today dude yeah we had a few

123

00:05:38,870 --> 00:05:34,830

awesome things this week

124

00:05:41,000 --> 00:05:38,880

the oh we just we just wrote some stuff

125

00:05:44,870 --> 00:05:41,010

down I'm like I'm totally blanking as

126

00:05:46,760 --> 00:05:44,880

I'm refreshing the page but that drone

127

00:05:49,010 --> 00:05:46,770

that you posted on Romanian engineers

128

00:05:50,480 --> 00:05:49,020

yeah pretty cool but I so I did some

129

00:05:52,909 --> 00:05:50,490

research on it and like it's basically

130

00:05:54,740 --> 00:05:52,919

just a regular floor blade drone it's

131

00:05:55,969 --> 00:05:54,750

just a drone and they they put a shell

132

00:06:00,110 --> 00:05:55,979

over it yeah exactly

133

00:06:01,340 --> 00:06:00,120

yeah I mean you're keeping content on

134

00:06:03,620 --> 00:06:01,350

the page you know I thought I was

135

00:06:08,120 --> 00:06:03,630

posting groundbreaking material here

136

00:06:11,930 --> 00:06:08,130

it's not a bad thing oh yeah so Jess's

137

00:06:14,029 --> 00:06:11,940

friend Julius well Jason and Julia were

138

00:06:15,860 --> 00:06:14,039

riding in the car on they're on their

139

00:06:17,810 --> 00:06:15,870

way back from getting ice cream last

140

00:06:20,330 --> 00:06:17,820

week yeah so they're driving it's at

141

00:06:21,920 --> 00:06:20,340

nighttime and they the Julia is in the

142

00:06:23,810 --> 00:06:21,930

passenger seat pulls out her phone to

143

00:06:26,000 --> 00:06:23,820

take a picture of this huge Texas flag

144

00:06:26,690 --> 00:06:26,010

you know so we're in Austin Texas Texas

145

00:06:29,690 --> 00:06:26,700

flag

146

00:06:31,100 --> 00:06:29,700

and it's like lit up so I think there it

147

00:06:32,810 --> 00:06:31,110

doesn't look like the camera has a flash

148

00:06:34,040 --> 00:06:32,820

on but it definitely looks like maybe

149

00:06:36,830 --> 00:06:34,050

there's some spotlights on the flag

150

00:06:39,020 --> 00:06:36,840

uh-huh and she takes a photo of the flag

151
00:06:41,150 --> 00:06:39,030
and she looks at the camera and it looks

152
00:06:43,160 --> 00:06:41,160
back up and she says she saw this light

153
00:06:44,600 --> 00:06:43,170
not only in the photo but after she saw

154
00:06:46,190 --> 00:06:44,610
it in the photos she looked up and saw

155
00:06:48,290 --> 00:06:46,200
it in the sky and it was going pretty

156
00:06:50,990 --> 00:06:48,300
fast across the sky just a really bright

157
00:06:55,190 --> 00:06:51,000
light yeah not not as fast and

158
00:06:57,380 --> 00:06:55,200
dissipating as a shooting star but like

159
00:07:00,140 --> 00:06:57,390
she said it looked like an airplane like

160
00:07:01,670 --> 00:07:00,150
a really fast bright light so she didn't

161
00:07:03,650 --> 00:07:01,680
really know what to think of it but yeah

162
00:07:07,040 --> 00:07:03,660
she's sue me that photo and chosen it so

163
00:07:10,490 --> 00:07:07,050

it was definitely a UFO oh yeah Tony

164

00:07:14,450 --> 00:07:10,500

it's unidentified and I did a fly it

165

00:07:17,480 --> 00:07:14,460

wasn't I an advanced aerial phenomenon I

166

00:07:19,340 --> 00:07:17,490

don't know maybe it was an aerial threat

167

00:07:21,350 --> 00:07:19,350

phenomenon all right if you want to go

168

00:07:24,140 --> 00:07:21,360

time too long time too long around or

169

00:07:26,960 --> 00:07:24,150

maybe an ARV an alien reproduction

170

00:07:29,480 --> 00:07:26,970

vehicle right right this was just a

171

00:07:30,950 --> 00:07:29,490

simple UFO yeah it's just a regular one

172

00:07:35,090 --> 00:07:30,960

and that's what we do were the UFO

173

00:07:38,120 --> 00:07:35,100

podcast yeah you know so yeah I've

174

00:07:40,220 --> 00:07:38,130

posted it also on the UFO dishes Texas

175

00:07:42,440 --> 00:07:40,230

UFO network and some guy said it might

176

00:07:47,960 --> 00:07:42,450

might be a you know reflection off of a

177

00:07:50,840 --> 00:07:47,970

bug but I unless unless that bug was you

178

00:07:52,640 --> 00:07:50,850

know the size of a Volkswagen and flew

179

00:07:54,410 --> 00:07:52,650

in front of the spotlights from the

180

00:07:56,240 --> 00:07:54,420

wagon I doubt that was that's yeah

181

00:08:00,860 --> 00:07:56,250

that's pretty huge did you write that or

182

00:08:03,830 --> 00:08:00,870

did they write the favorite that to me

183

00:08:05,270 --> 00:08:03,840

it was like it's just a UFO and then at

184

00:08:07,610 --> 00:08:05,280

the bottom I didn't see the question

185

00:08:09,260 --> 00:08:07,620

mark exclamation mark question mark and

186

00:08:11,600 --> 00:08:09,270

so I was like I don't know but those

187

00:08:13,340 --> 00:08:11,610

three red dots down at the bottom right

188

00:08:17,690 --> 00:08:13,350

they look like stars they look like a

189

00:08:19,500 --> 00:08:17,700

triangle uh-huh red dots oh that's what

190

00:08:20,970 --> 00:08:19,510

I was like I was like

191

00:08:22,680 --> 00:08:20,980

about that thing I want to know what

192

00:08:26,850 --> 00:08:22,690

these red dots are down here and then I

193

00:08:28,620 --> 00:08:26,860

was like oh I'm dumb again yeah all the

194

00:08:31,110 --> 00:08:28,630

dots for the question mark yeah oh my

195

00:08:35,010 --> 00:08:31,120

god I didn't realize that yeah it's

196

00:08:37,500 --> 00:08:35,020

crazy so yeah I posted on the UFO Texas

197

00:08:39,240 --> 00:08:37,510

UFO network and uh-huh we got I got a

198

00:08:41,940 --> 00:08:39,250

lot of a lot of feedback also like did

199

00:08:43,920 --> 00:08:41,950

at UFO garage podcast so hopefully

200

00:08:46,110 --> 00:08:43,930

people will come we got a few more views

201
00:08:51,360 --> 00:08:46,120
and subscribers to them oh yeah this

202
00:08:53,400 --> 00:08:51,370
week yeah another one is the Dogon the

203
00:08:55,890 --> 00:08:53,410
Dogon tribe I've heard a lot about the

204
00:08:58,410 --> 00:08:55,900
Dogon tribe especially than like just

205
00:09:00,020 --> 00:08:58,420
documentaries in general about UFOs and

206
00:09:03,090 --> 00:09:00,030
like ancient aliens and things like that

207
00:09:05,970 --> 00:09:03,100
and they claimed to have had knowledge

208
00:09:07,890 --> 00:09:05,980
when when europeans I guess first you

209
00:09:09,990 --> 00:09:07,900
know came in contact with this tribe and

210
00:09:12,660 --> 00:09:10,000
they had claimed to have knowledge of

211
00:09:14,460 --> 00:09:12,670
Syria was a series B yeah the the planet

212
00:09:16,710 --> 00:09:14,470
that you can't see with like any

213
00:09:18,420 --> 00:09:16,720

conventional telescope or the naked eye

214

00:09:21,390 --> 00:09:18,430

it's has to be like super high-powered

215

00:09:23,250 --> 00:09:21,400

yeah and then people in like astronomers

216

00:09:25,380 --> 00:09:23,260

didn't find it until like the eighteen

217

00:09:27,120 --> 00:09:25,390

the 1980s or something like that and

218

00:09:29,220 --> 00:09:27,130

that's crazy and and the Dogon knew

219

00:09:32,340 --> 00:09:29,230

about like the planets surrounding it

220

00:09:35,070 --> 00:09:32,350

too right yeah yeah yeah so that's

221

00:09:37,410 --> 00:09:35,080

pretty crazy that it was like hey we

222

00:09:39,600 --> 00:09:37,420

know of this planet yeah there's many

223

00:09:42,090 --> 00:09:39,610

planets around this star yeah and the

224

00:09:43,830 --> 00:09:42,100

Europeans were like shut up so the fact

225

00:09:46,470 --> 00:09:43,840

that they that they you guys are dumb

226

00:09:49,860 --> 00:09:46,480

they described the planets around a Sun

227

00:09:51,960 --> 00:09:49,870

is way more knowledge than we had back

228

00:09:54,090 --> 00:09:51,970

in them you know the old days like yeah

229

00:09:55,740 --> 00:09:54,100

you know starting like the 1500 or

230

00:09:56,610 --> 00:09:55,750

something those guys were like way ahead

231

00:09:58,830 --> 00:09:56,620

of the game

232

00:10:00,930 --> 00:09:58,840

mm-hmm because we were still like yeah

233

00:10:05,490 --> 00:10:00,940

the earth is the center of the universe

234

00:10:08,550 --> 00:10:05,500

yeah and it's flat we're still

235

00:10:11,070 --> 00:10:08,560

somebody's don't say no thanks but

236

00:10:13,020 --> 00:10:11,080

anyway that's pretty interesting that

237

00:10:14,640 --> 00:10:13,030

galaxies black hole you read that

238

00:10:16,930 --> 00:10:14,650

article the yeah that was pretty cool

239

00:10:18,850 --> 00:10:16,940

how the center of

240

00:10:22,600 --> 00:10:18,860

well the center of our Milky Way galaxy

241

00:10:26,439 --> 00:10:22,610

and the center of all galaxies there's a

242

00:10:30,790 --> 00:10:26,449

supermassive black hole it's like that's

243

00:10:32,439 --> 00:10:30,800

exactly what it's like even even a

244

00:10:39,400 --> 00:10:32,449

little more than like gives me it gives

245

00:10:45,579 --> 00:10:39,410

you tingles and then it's like so do you

246

00:10:48,699 --> 00:10:45,589

see that thanks for going along with it

247

00:10:51,160 --> 00:10:48,709

oh you're welcome no problem you should

248

00:10:53,470 --> 00:10:51,170

look up the universe bit by Tim and Eric

249

00:10:57,069 --> 00:10:53,480

it's okay honey I'll take that out I'll

250

00:10:58,449 --> 00:10:57,079

take that out but so is so the

251

00:11:00,370 --> 00:10:58,459

supermassive black hole it's it's

252

00:11:02,410 --> 00:11:00,380

sucking all this stuff in right is that

253

00:11:04,720 --> 00:11:02,420

is that why galaxies are mainly like

254

00:11:09,660 --> 00:11:04,730

spiral shapes that's right I mean that's

255

00:11:12,370 --> 00:11:09,670

the cortex yeah or like your toilet dude

256

00:11:14,650 --> 00:11:12,380

yeah anything that's like sucking stuff

257

00:11:16,180 --> 00:11:14,660

in like I mean that's why it's all I

258

00:11:18,069 --> 00:11:16,190

think so right I mean it's got to be

259

00:11:20,259 --> 00:11:18,079

those fracked the fractal nature of the

260

00:11:22,569 --> 00:11:20,269

universe is apparent and a lot of things

261

00:11:26,290 --> 00:11:22,579

absolutely and I think the black hole

262

00:11:29,530 --> 00:11:26,300

might have some similar attributes it

263

00:11:32,679 --> 00:11:29,540

just keep saying keep saying flow yeah

264

00:11:37,960 --> 00:11:32,689

but yeah so apparently they say that in

265

00:11:43,139 --> 00:11:37,970

May of you know 2019 that they think a

266

00:11:47,499 --> 00:11:43,149

giant star that's 15 times the size of

267

00:11:49,629 --> 00:11:47,509

our own Sun was getting sucked in and so

268

00:11:51,579 --> 00:11:49,639

it lit up but the thing was is they've

269

00:11:55,749 --> 00:11:51,589

never seen it light up like that before

270

00:11:58,269 --> 00:11:55,759

they started observing it and within two

271

00:12:00,460 --> 00:11:58,279

hours it lit up more than 17 times

272

00:12:03,100 --> 00:12:00,470

brighter than we've ever seen it before

273

00:12:06,790 --> 00:12:03,110

Wow so that's what was kind of cool was

274

00:12:08,620 --> 00:12:06,800

this in our galaxy yeah our galaxy yeah

275

00:12:10,870 --> 00:12:08,630

it's in the Milky Way so that's at the

276

00:12:12,999 --> 00:12:10,880

center of our galaxy then the black hole

277

00:12:15,670 --> 00:12:13,009

just lit up it just ate it just ate a

278

00:12:17,259 --> 00:12:15,680

huge star something and so they say that

279

00:12:19,509 --> 00:12:17,269

we won't be able to see it again until

280

00:12:22,540 --> 00:12:19,519

like next year or something I guess it's

281

00:12:24,639 --> 00:12:22,550

it's it's being sucked in but it's going

282

00:12:27,129 --> 00:12:24,649

around who would slow yeah so it's just

283

00:12:29,379 --> 00:12:27,139

shooting this stuff out around the

284

00:12:30,470 --> 00:12:29,389

entire galaxy so like next year we'll be

285

00:12:32,750 --> 00:12:30,480

able to observe

286

00:12:36,769 --> 00:12:32,760

again I'm not really sure how that works

287

00:12:40,660 --> 00:12:36,779

I feel like I mean doesn't time slow

288

00:12:42,860 --> 00:12:40,670

down in a the center of an yeah

289

00:12:44,780 --> 00:12:42,870

apparently from what I understand if you

290

00:12:47,629 --> 00:12:44,790

if you were to get sucked into a black

291

00:12:49,610 --> 00:12:47,639

hole you are being pulled apart for

292

00:12:51,530 --> 00:12:49,620

infinite ever yeah yeah you're

293

00:12:53,720 --> 00:12:51,540

constantly being pulled apart for

294

00:12:57,470 --> 00:12:53,730

infinity yeah so that's that's forever

295

00:13:01,819 --> 00:12:57,480

dude so yeah well as have you ever heard

296

00:13:05,329 --> 00:13:01,829

the theory on on white holes no where

297

00:13:08,150 --> 00:13:05,339

there's also holes that are like white

298

00:13:10,100 --> 00:13:08,160

and they're ejecting things and so how

299

00:13:12,170 --> 00:13:10,110

some people think that the black hole

300

00:13:14,300 --> 00:13:12,180

sucks all this crap in okay and then

301

00:13:17,420 --> 00:13:14,310

another part of the universe or maybe

302

00:13:19,400 --> 00:13:17,430

like another dimension it's creating a

303

00:13:20,569 --> 00:13:19,410

universe because it's throwing [h__\h] out

304

00:13:22,100 --> 00:13:20,579

maybe it's the other side of the

305

00:13:24,829 --> 00:13:22,110

wormhole that that black hole is

306

00:13:26,660 --> 00:13:24,839

creating like this little shortcut yeah

307

00:13:29,569 --> 00:13:26,670

or maybe it's some sort of like Big Bang

308

00:13:37,970 --> 00:13:29,579

happening oh yeah it's like and it's

309

00:13:41,269 --> 00:13:37,980

blowing all I thought that like that's

310

00:13:42,710 --> 00:13:41,279

pretty nice I mean yeah I no one knows

311

00:13:45,819 --> 00:13:42,720

what's on the other side of a black hole

312

00:13:48,769 --> 00:13:45,829

but you got it I have a hunch that

313

00:13:51,470 --> 00:13:48,779

whatever is on the other side is it's

314

00:13:54,319 --> 00:13:51,480

it's it's like a tube almost and we just

315

00:13:57,379 --> 00:13:54,329

can't see the other side but if you go

316

00:13:59,930 --> 00:13:57,389

into it of course like I mean people say

317

00:14:03,379 --> 00:13:59,940

like you'd stretched for infinity yeah I

318

00:14:06,639 --> 00:14:03,389

don't know if the if the if the super

319

00:14:09,620 --> 00:14:06,649

Hadron Collider makes mini black holes

320

00:14:11,990 --> 00:14:09,630

how come like I know they're like

321

00:14:15,800 --> 00:14:12,000

instant so you couldn't like send

322

00:14:18,050 --> 00:14:15,810

anything into it but could you maybe you

323

00:14:20,269 --> 00:14:18,060

could one day you know like we're like a

324

00:14:21,590 --> 00:14:20,279

little nano bot or something a little

325

00:14:24,680 --> 00:14:21,600

lunchable sandwich in there see what

326

00:14:26,240 --> 00:14:24,690

happens you're like okay all right it's

327

00:14:27,829 --> 00:14:26,250

on the screen and then you have a

328

00:14:29,689 --> 00:14:27,839

lunchable sandwich being I just pulled

329

00:14:33,079 --> 00:14:29,699

apart for infinity you're like what a

330

00:14:36,379 --> 00:14:33,089

waste of space really serious about it

331

00:14:38,160 --> 00:14:36,389

alright releasing the lunchable sandwich

332

00:14:40,860 --> 00:14:38,170

in five

333

00:14:44,340 --> 00:14:40,870

for wait Jerry Jerry did you put the

334

00:14:46,170 --> 00:14:44,350

cheese on there how many slices Jerry

335

00:14:48,480 --> 00:14:46,180

damn it Jerry don't you put more cheese

336

00:14:50,910 --> 00:14:48,490

it's two slices of ham and two slices of

337

00:14:52,500 --> 00:14:50,920

cheese everybody knows that you got to

338

00:14:56,160 --> 00:14:52,510

or else you end up with extra crack

339

00:14:57,720 --> 00:14:56,170

exactly maybe I'll give you enough

340

00:14:59,480 --> 00:14:57,730

crackers to just single meat and cheese

341

00:15:04,320 --> 00:14:59,490

no man drives me nuts

342

00:15:12,450 --> 00:15:07,980

so Joseph what's up dude thanks for that

343

00:15:13,200 --> 00:15:12,460

post on the this movie called flight of

344

00:15:16,110 --> 00:15:13,210

the navigator

345

00:15:17,640 --> 00:15:16,120

I somehow so me and Joe we were talking

346

00:15:19,140 --> 00:15:17,650

before the podcast and we we were

347

00:15:22,800 --> 00:15:19,150

watching this little video you posted

348

00:15:25,110 --> 00:15:22,810

and we've both never ever heard of this

349

00:15:27,450 --> 00:15:25,120

movie for some reason completely missed

350

00:15:30,530 --> 00:15:27,460

this yeah completely missed us and it

351
00:15:35,550 --> 00:15:30,540
looks so good dude it looks awesome yeah

352
00:15:37,740 --> 00:15:35,560
man that uh that's one hip UFO seriously

353
00:15:43,140 --> 00:15:37,750
he was like my favorite part in the

354
00:15:48,750 --> 00:15:43,150
preview and he was like dude yeah the AI

355
00:15:50,280 --> 00:15:48,760
yeah is it something about 7-eleven I'm

356
00:15:52,890 --> 00:15:50,290
asking you you don't know the difference

357
00:15:54,390 --> 00:15:52,900
between your home in a 7-eleven is

358
00:15:57,630 --> 00:15:54,400
cracking on them because he's a little

359
00:16:05,610 --> 00:15:57,640
kid he was like dude it sounds like our

360
00:16:10,860 --> 00:16:05,620
segways yeah dude we switch subject it's

361
00:16:14,670 --> 00:16:10,870
like dude dude wait have you heard so

362
00:16:16,530 --> 00:16:14,680
yeah we got to watch that yeah so that

363
00:16:19,530 --> 00:16:16,540

that actually that ship that you were

364

00:16:24,360 --> 00:16:19,540

saying reminds reminded you of the Pesce

365

00:16:26,940 --> 00:16:24,370

Pascagoula case Pascagoula she's so bad

366

00:16:29,790 --> 00:16:26,950

at pronouncing things shout-out to

367

00:16:33,360 --> 00:16:29,800

Alejandra who reached out to us on

368

00:16:34,920 --> 00:16:33,370

Facebook sent us a message and one of

369

00:16:36,840 --> 00:16:34,930

this to look into this Pesce get

370

00:16:37,830 --> 00:16:36,850

Pascagoula case I've never heard of this

371

00:16:40,590 --> 00:16:37,840

yeah awesome

372

00:16:41,790 --> 00:16:40,600

it happens I've heard about it I've

373

00:16:44,610 --> 00:16:41,800

heard about it but it's one of those

374

00:16:47,430 --> 00:16:44,620

things that you just kind of skip over

375

00:16:49,560 --> 00:16:47,440

for whatever reason you know yeah I've

376

00:16:50,820 --> 00:16:49,570

heard about the case and I've heard this

377

00:16:51,990 --> 00:16:50,830

but this is the first time that I

378

00:16:54,840 --> 00:16:52,000

actually sat down

379

00:16:56,610 --> 00:16:54,850

and listen to it okay and maybe it was

380

00:16:58,800 --> 00:16:56,620

because like I said the guy reminded me

381

00:17:05,010 --> 00:16:58,810

of the the redneck ninja and the Judy

382

00:17:06,569 --> 00:17:05,020

chopped the Judy chap come on where'd

383

00:17:08,880 --> 00:17:06,579

you do like @midnight

384

00:17:11,760 --> 00:17:08,890

now I'm going to show you how to add it

385

00:17:14,279 --> 00:17:11,770

had Judy chopped this your can you're

386

00:17:21,449 --> 00:17:14,289

gonna stand here like this right right

387

00:17:22,590 --> 00:17:21,459

you know Judy choppy like that chop so

388

00:17:24,380 --> 00:17:22,600

yeah I don't know why I never looked

389

00:17:28,770 --> 00:17:24,390

into it but it's a pretty sweet case

390

00:17:30,539 --> 00:17:28,780

pretty pretty awesome compelling and you

391

00:17:33,180 --> 00:17:30,549

know usually you look into like these

392

00:17:34,740 --> 00:17:33,190

UFO cases and and then like you look at

393

00:17:37,529 --> 00:17:34,750

comments and stuff and they're like you

394

00:17:39,779 --> 00:17:37,539

know horseshit fake blah blah blah yeah

395

00:17:41,279 --> 00:17:39,789

everybody's showing this guy love oh

396

00:17:43,860 --> 00:17:41,289

yeah everybody loves a guy yeah

397

00:17:46,140 --> 00:17:43,870

everybody's love like it's really he's

398

00:17:51,120 --> 00:17:46,150

really genuine he's a genuine just like

399

00:17:54,659 --> 00:17:51,130

sweet guy he's real guy yeah yeah he's

400

00:17:57,270 --> 00:17:54,669

like you know or just uh Oh country boys

401
00:17:59,460 --> 00:17:57,280
you know we uh you know always doing

402
00:18:01,529 --> 00:17:59,470
chores and stuff like that we never you

403
00:18:04,500 --> 00:18:01,539
know really watch TV yeah you know

404
00:18:07,700 --> 00:18:04,510
couldn't afford plastic trash bags oh

405
00:18:10,230 --> 00:18:07,710
right yeah that was awesome I love that

406
00:18:13,409 --> 00:18:10,240
like that guy is I use either watching

407
00:18:15,779 --> 00:18:13,419
weaves or bowels or or the president on

408
00:18:19,020 --> 00:18:15,789
TV you only had three change three

409
00:18:21,810 --> 00:18:19,030
channels on there yeah I love that dude

410
00:18:25,409 --> 00:18:21,820
you're totally right minute that reminds

411
00:18:27,390 --> 00:18:25,419
me of like every older man that in the

412
00:18:30,899 --> 00:18:27,400
town that we grew up in yeah seriously

413
00:18:32,580 --> 00:18:30,909

it's really uh it's extremely authentic

414

00:18:35,370 --> 00:18:32,590

yeah I mean I connect to the guy

415

00:18:36,960 --> 00:18:35,380

immediately and and so the the interview

416

00:18:40,320 --> 00:18:36,970

that I listen to I couldn't find a lot

417

00:18:44,520 --> 00:18:40,330

of like not a lot of main media outlets

418

00:18:46,110 --> 00:18:44,530

or you know your usual UFO researcher

419

00:18:48,419 --> 00:18:46,120

has done any kind of like really

420

00:18:50,669 --> 00:18:48,429

produced video on this guy's yeah yeah

421

00:18:52,049 --> 00:18:50,679

we just listen I think yeah I City that

422

00:18:54,450 --> 00:18:52,059

link we I think we watch the same thing

423

00:18:56,610 --> 00:18:54,460

that that interview yeah alejandra if

424

00:18:59,070 --> 00:18:56,620

you if you know about the second part of

425

00:19:02,409 --> 00:18:59,080

that interview yeah

426

00:19:07,149 --> 00:19:02,419

shoot it over to us we want to know and

427

00:19:10,029 --> 00:19:07,159

also we saw that you bought a UFO garage

428

00:19:13,480 --> 00:19:10,039

t-shirt gonna take a picture man and

429

00:19:15,730 --> 00:19:13,490

post it on Facebook represent how do so

430

00:19:17,169 --> 00:19:15,740

dope yeah yeah we want to see we want to

431

00:19:19,389 --> 00:19:17,179

see it we want to see it so going ahead

432

00:19:21,610 --> 00:19:19,399

and post that for us yeah that'd be sick

433

00:19:24,009 --> 00:19:21,620

definitely and again thanks for reaching

434

00:19:25,600 --> 00:19:24,019

out like I love that dude I would never

435

00:19:27,570 --> 00:19:25,610

have heard about this case had not

436

00:19:29,860 --> 00:19:27,580

someone who's listening to the podcast

437

00:19:31,720 --> 00:19:29,870

reached out and was like hey you know

438

00:19:33,369 --> 00:19:31,730

you should check this out huh so if

439

00:19:36,340 --> 00:19:33,379

you're listening and yeah and you guys

440

00:19:37,539 --> 00:19:36,350

know of a story kind of like this send

441

00:19:39,159 --> 00:19:37,549

us a message and we'll talk about it

442

00:19:41,830 --> 00:19:39,169

yeah totally we're still learning to

443

00:19:43,840 --> 00:19:41,840

like there's so many stories out there I

444

00:19:45,820 --> 00:19:43,850

have to feel like that no one's ever

445

00:19:47,049 --> 00:19:45,830

heard of and if you just do a little bit

446

00:19:48,999 --> 00:19:47,059

of research you know we'll bring it to

447

00:19:50,590 --> 00:19:49,009

light and the more we talk about it the

448

00:19:52,539 --> 00:19:50,600

more people know about it and it's just

449

00:19:54,820 --> 00:19:52,549

it's just fun to talk about - uh-huh you

450

00:19:58,210 --> 00:19:54,830

know and this is a pretty legitimate

451

00:20:02,430 --> 00:19:58,220

case super legit extremely legit like

452

00:20:05,259 --> 00:20:02,440

just the this specificities of his story

453

00:20:08,409 --> 00:20:05,269

and and also like the fact that he's the

454

00:20:10,570 --> 00:20:08,419

only living person to experience this

455

00:20:12,369 --> 00:20:10,580

you know even in his town there's like a

456

00:20:16,659 --> 00:20:12,379

lot of people that it's I mean nowadays

457

00:20:18,159 --> 00:20:16,669

you know this happened in 1973 but yeah

458

00:20:20,289 --> 00:20:18,169

not he said not a lot of people are

459

00:20:22,810 --> 00:20:20,299

still alive that were there around the

460

00:20:25,119 --> 00:20:22,820

time that this happened but uh you know

461

00:20:27,639 --> 00:20:25,129

it's it's just this one guy his story

462

00:20:30,700 --> 00:20:27,649

has never changed you know there's not

463

00:20:33,340 --> 00:20:30,710

there's I guess there's a his body that

464

00:20:34,980 --> 00:20:33,350

he was with Charles Hickson that I guess

465

00:20:37,450 --> 00:20:34,990

has passed away since he was

466

00:20:39,639 --> 00:20:37,460

significantly older I think yeah there's

467

00:20:42,610 --> 00:20:39,649

one of his uh dad buddies

468

00:20:45,279 --> 00:20:42,620

yeah his buddy's dad yeah yeah so he's

469

00:20:47,830 --> 00:20:45,289

in his 40s at the time yeah yeah yeah so

470

00:20:50,860 --> 00:20:47,840

so that okay so the story is we'll get

471

00:20:54,310 --> 00:20:50,870

in the story so it's 1973 coworkers

472

00:20:56,019 --> 00:20:54,320

Charles Hickson and Calvin Parker Calvin

473

00:20:58,529 --> 00:20:56,029

Parker is the main guy given this this

474

00:21:00,820 --> 00:20:58,539

interview they're working at the

475

00:21:02,230 --> 00:21:00,830

shipyard right the shipyard in

476

00:21:04,210 --> 00:21:02,240

Mississippi and there's like you know

477

00:21:05,710 --> 00:21:04,220

rivers everywhere and then working at

478

00:21:09,129 --> 00:21:05,720

this shipyard and I guess they get off

479

00:21:10,130 --> 00:21:09,139

they get off get off of work and they're

480

00:21:13,100 --> 00:21:10,140

fishing right in this

481

00:21:15,860 --> 00:21:13,110

this kind of swampland area there's like

482

00:21:18,440 --> 00:21:15,870

a river going by and all of a sudden

483

00:21:21,890 --> 00:21:18,450

they they see this really right bright

484

00:21:23,150 --> 00:21:21,900

light behind them and they come put

485

00:21:24,290 --> 00:21:23,160

their fishing poles down and they're

486

00:21:25,850 --> 00:21:24,300

thinking like oh man that I like

487

00:21:27,890 --> 00:21:25,860

double-park or park illegally or

488

00:21:29,330 --> 00:21:27,900

something it feels like it's a really

489

00:21:33,020 --> 00:21:29,340

really bright light maybe there's police

490

00:21:35,150 --> 00:21:33,030

behind us and and they look around and

491

00:21:37,730 --> 00:21:35,160

this this huge kind of was it like a

492

00:21:40,070 --> 00:21:37,740

teardrop to your drop shape kind of ship

493

00:21:42,290 --> 00:21:40,080

yeah it looked like a teardrop kind of a

494

00:21:44,090 --> 00:21:42,300

lemony shape yeah yeah lemon shape and

495

00:21:46,010 --> 00:21:44,100

was like shiny dude what am i one of my

496

00:21:48,680 --> 00:21:46,020

favorite parts that he was talking about

497

00:21:50,900 --> 00:21:48,690

in that story was what he said he was

498

00:21:52,430 --> 00:21:50,910

like hey you want to go fishing and he

499

00:21:54,890 --> 00:21:52,440

was like well I don't have any my

500

00:21:56,060 --> 00:21:54,900

fishing gear with me and he says don't

501

00:21:58,520 --> 00:21:56,070

worry you could borrow mine

502

00:22:01,100 --> 00:21:58,530

and he was like I felt uncomfortable

503

00:22:03,200 --> 00:22:01,110

about it just cuz you know you're more

504

00:22:05,030 --> 00:22:03,210

likely right that time to get away with

505

00:22:07,340 --> 00:22:05,040

the run away with somebody's wife than

506

00:22:11,570 --> 00:22:07,350

you are using another man's fishing

507

00:22:14,000 --> 00:22:11,580

equipment I love that dude the specifics

508

00:22:17,650 --> 00:22:14,010

of his story that are so good yeah it's

509

00:22:21,890 --> 00:22:17,660

so wholesome way like I believe this man

510

00:22:24,920 --> 00:22:21,900

100% all right yeah that's who's so

511

00:22:27,490 --> 00:22:24,930

spot-on and oh man it's just America

512

00:22:30,380 --> 00:22:27,500

coming through in all aspects

513

00:22:33,350 --> 00:22:30,390

absolutely yeah yeah so they see this

514

00:22:36,500 --> 00:22:33,360

light yeah and this ship it's like this

515

00:22:38,150 --> 00:22:36,510

shiny kind of lemon shaped pointy at the

516

00:22:40,190 --> 00:22:38,160

ends honestly looks like you said it

517

00:22:43,640 --> 00:22:40,200

earlier Joe you're like it kind of looks

518

00:22:46,760 --> 00:22:43,650

like the Pascagoula ship that was on

519

00:22:48,080 --> 00:22:46,770

that movie trailer that we were talking

520

00:22:48,650 --> 00:22:48,090

about flatter than now we can slide in

521

00:22:50,390 --> 00:22:48,660

the navigator

522

00:22:53,540 --> 00:22:50,400

look sky like that looks like that yeah

523

00:22:57,770 --> 00:22:53,550

dude yeah which is like Supercenter dip

524

00:22:59,000 --> 00:22:57,780

it it's like what anyway so they're kind

525

00:23:00,110 --> 00:22:59,010

of just you know they put their fishing

526
00:23:03,320 --> 00:23:00,120
poles down and they're looking at the

527
00:23:05,120 --> 00:23:03,330
ship and they see three beings come out

528
00:23:06,740 --> 00:23:05,130
of this ship and then they the door

529
00:23:08,000 --> 00:23:06,750
opens and it's a really bright light and

530
00:23:10,790 --> 00:23:08,010
these three beings come out and they're

531
00:23:11,870 --> 00:23:10,800
floating above the ground and in the man

532
00:23:14,150 --> 00:23:11,880
the description I've never heard a

533
00:23:16,940 --> 00:23:14,160
description of ET like this but it's

534
00:23:20,000 --> 00:23:16,950
like their legs are almost fused

535
00:23:22,970 --> 00:23:20,010
together as like one kind of appendage

536
00:23:24,770 --> 00:23:22,980
and their arms are kind of long and they

537
00:23:26,480 --> 00:23:24,780
have like claw like things on their

538
00:23:27,920 --> 00:23:26,490

hands yeah that's right yeah kind of

539

00:23:35,620 --> 00:23:27,930

like a like a lobster you're like a

540

00:23:41,030 --> 00:23:39,500

and they don't really have like a neck

541

00:23:42,800 --> 00:23:41,040

in their head there's no face there's no

542

00:23:44,690 --> 00:23:42,810

eyes but there's like protruding nose

543

00:23:46,820 --> 00:23:44,700

like appendages coming out the front the

544

00:23:48,410 --> 00:23:46,830

back and the left and the right and he

545

00:23:52,310 --> 00:23:48,420

said they kind of move kind of robotic

546

00:23:53,990 --> 00:23:52,320

but they're like floating above this

547

00:23:59,150 --> 00:23:54,000

water in this marshland and they come up

548

00:24:00,980 --> 00:23:59,160

to Calvin and Charles and kind of guess

549

00:24:03,260 --> 00:24:00,990

just grab them in the and then their

550

00:24:04,970 --> 00:24:03,270

bodies kind of go numb I mean that's

551

00:24:05,930 --> 00:24:04,980

that's the weirdest part for me too is

552

00:24:08,210 --> 00:24:05,940

that they're standing there and they

553

00:24:10,670 --> 00:24:08,220

don't run they stay there they're almost

554

00:24:13,550 --> 00:24:10,680

like transfix like almost almost as if

555

00:24:15,380 --> 00:24:13,560

they that ship was emitting some kind of

556

00:24:18,170 --> 00:24:15,390

frequency that you're kind of like a bug

557

00:24:18,470 --> 00:24:18,180

to a light yeah like I just can't look

558

00:24:21,560 --> 00:24:18,480

away

559

00:24:23,690 --> 00:24:21,570

ah dude yeah exactly like me well like

560

00:24:26,000 --> 00:24:23,700

if you were in that situation right and

561

00:24:28,700 --> 00:24:26,010

you see a door open and three things

562

00:24:30,590 --> 00:24:28,710

come out like I think in my head I would

563

00:24:32,560 --> 00:24:30,600

think should I run yeah they could

564

00:24:35,180 --> 00:24:32,570

probably catch me anyways

565

00:24:37,730 --> 00:24:35,190

maybe I should just stand here like be

566

00:24:39,980 --> 00:24:37,740

still maybe they can't see me like you

567

00:24:41,330 --> 00:24:39,990

know I don't know if I would if I would

568

00:24:44,870 --> 00:24:41,340

run I don't know either

569

00:24:46,880 --> 00:24:44,880

cuz I mean like what if what if what if

570

00:24:48,320 --> 00:24:46,890

it pisses them off yeah what if they're

571

00:24:49,550 --> 00:24:48,330

like being cool and then you run away

572

00:24:51,650 --> 00:24:49,560

and then they're like alright I'm gonna

573

00:24:53,210 --> 00:24:51,660

get you I felt like nothing's nothing

574

00:24:56,120 --> 00:24:53,220

would be scarier than having something

575

00:24:59,360 --> 00:24:56,130

chase you yeah yeah maybe just watching

576

00:25:01,040 --> 00:24:59,370

him come and try to pick you up is less

577

00:25:04,040 --> 00:25:01,050

scary than something chasing your ass

578

00:25:05,590 --> 00:25:04,050

down yeah totally and he thought that it

579

00:25:08,150 --> 00:25:05,600

was the it was the Sheriff's Department

580

00:25:10,430 --> 00:25:08,160

coming to shoo him away because he was

581

00:25:12,860 --> 00:25:10,440

private property but you know nobody had

582

00:25:14,630 --> 00:25:12,870

been there for years and nobody used

583

00:25:16,370 --> 00:25:14,640

that property but you know when they saw

584

00:25:18,740 --> 00:25:16,380

this light they were like oh well that's

585

00:25:21,470 --> 00:25:18,750

it sheriff's coming to coming to shoot

586

00:25:23,510 --> 00:25:21,480

us off but then it was like really quick

587

00:25:25,640 --> 00:25:23,520

you know and they thought oh the sheriff

588

00:25:28,010 --> 00:25:25,650

oh my god what are these things coming

589

00:25:29,200 --> 00:25:28,020

out of this thing yeah imagine seeing

590

00:25:31,720 --> 00:25:29,210

something that you've never

591

00:25:33,040 --> 00:25:31,730

ever you can't register what it is yeah

592

00:25:35,110 --> 00:25:33,050

I mean who knows they probably never

593

00:25:38,560 --> 00:25:35,120

even heard of a UFO and he said that's

594

00:25:40,510 --> 00:25:38,570

what he said he says he says uh you know

595

00:25:43,360 --> 00:25:40,520

we didn't really hear much about these

596

00:25:44,950 --> 00:25:43,370

UFOs if somebody would have said UFO to

597

00:25:47,590 --> 00:25:44,960

me I'd have thought it was talking about

598

00:25:50,050 --> 00:25:47,600

some kind of fish yeah that's exactly

599

00:25:54,640 --> 00:25:50,060

what he said cuz I know nothing about in

600

00:25:57,250 --> 00:25:54,650

a UFO oh man and and that was it's like

601
00:25:59,590 --> 00:25:57,260
yeah dude I would assume so you know

602
00:26:01,930 --> 00:25:59,600
right there like he say didn't watch TV

603
00:26:05,260 --> 00:26:01,940
or nothing like that so you know I mean

604
00:26:08,350 --> 00:26:05,270
we kind of had this UFO craze you know

605
00:26:11,830 --> 00:26:08,360
in the 40s and 50s and stuff like that

606
00:26:12,580 --> 00:26:11,840
but you know that's just you know life

607
00:26:14,650 --> 00:26:12,590
in the south

608
00:26:15,970 --> 00:26:14,660
yeah and it's still in 73 there's only

609
00:26:18,460 --> 00:26:15,980
like he was saying there's only like

610
00:26:20,980 --> 00:26:18,470
three different news anchors and that

611
00:26:23,590 --> 00:26:20,990
was it you know they're not a lot of you

612
00:26:25,900 --> 00:26:23,600
know stories of the paranormal or weird

613
00:26:27,610 --> 00:26:25,910

right whatever you couldn't get

614

00:26:29,230 --> 00:26:27,620

information like you could today yeah

615

00:26:30,880 --> 00:26:29,240

right yeah he said he didn't have

616

00:26:33,610 --> 00:26:30,890

cellphones you know you can't look stuff

617

00:26:36,400 --> 00:26:33,620

up and I mean yeah just the detail that

618

00:26:39,850 --> 00:26:36,410

he goes into his experience is like so

619

00:26:42,370 --> 00:26:39,860

believable yeah but so anyway his bots

620

00:26:43,840 --> 00:26:42,380

they're both of there oh so at this

621

00:26:46,000 --> 00:26:43,850

point it's it's kind of like first

622

00:26:48,040 --> 00:26:46,010

person his body goes numb even his eyes

623

00:26:50,860 --> 00:26:48,050

his eyelids he can't blink um and and

624

00:26:53,830 --> 00:26:50,870

his body kind of goes horizontally and

625

00:26:55,360 --> 00:26:53,840

he floats with this robot kind of like

626

00:26:58,300 --> 00:26:55,370

being and he can't really see a lot

627

00:27:00,070 --> 00:26:58,310

because his eyes are fixated up and he

628

00:27:01,600 --> 00:27:00,080

can't move his neck her his or his head

629

00:27:03,100 --> 00:27:01,610

but he can he knows these being

630

00:27:06,400 --> 00:27:03,110

levitated towards the ship

631

00:27:07,720 --> 00:27:06,410

right and then so I guess okay I can't

632

00:27:09,640 --> 00:27:07,730

remember if he knows that his buddy is

633

00:27:11,290 --> 00:27:09,650

also being taken as well I can't

634

00:27:13,900 --> 00:27:11,300

remember he says that he can't really

635

00:27:16,060 --> 00:27:13,910

like he can't really see much yeah and I

636

00:27:19,120 --> 00:27:16,070

guess until they get into the ship yeah

637

00:27:21,430 --> 00:27:19,130

when they're kind of I guess they're

638

00:27:23,830 --> 00:27:21,440

side-by-side okay or something and he

639

00:27:26,950 --> 00:27:23,840

looks around he kind of sees his buddy

640

00:27:28,960 --> 00:27:26,960

all over on the side yeah that's about

641

00:27:31,000 --> 00:27:28,970

the extent of it yeah as you know then

642

00:27:34,240 --> 00:27:31,010

they started doing the tests yeah so the

643

00:27:37,780 --> 00:27:34,250

robot kind of floating being takes him

644

00:27:40,690 --> 00:27:37,790

in and puts him on a table and this

645

00:27:44,110 --> 00:27:40,700

other being comes in

646

00:27:46,780 --> 00:27:44,120

and it's like this wrinkly gray kind of

647

00:27:50,800 --> 00:27:46,790

I guess I guess the the robot people are

648

00:27:52,750 --> 00:27:50,810

more wrinkly but this other being and he

649

00:27:55,240 --> 00:27:52,760

doesn't really describe like you know

650

00:27:56,860 --> 00:27:55,250

how many appendages those have right can

651
00:27:58,900 --> 00:27:56,870
you remember what did he describe what

652
00:28:01,210 --> 00:27:58,910
they says the other ones looked a little

653
00:28:03,340 --> 00:28:01,220
more human okay which which I find

654
00:28:05,890 --> 00:28:03,350
interesting because whether it be the

655
00:28:09,130 --> 00:28:05,900
the Betty and Barney Hill case or the

656
00:28:12,160 --> 00:28:09,140
Travis Walton case or this case or most

657
00:28:14,110 --> 00:28:12,170
these abduction cases they're abducted

658
00:28:17,140 --> 00:28:14,120
by something and then there's always

659
00:28:19,210 --> 00:28:17,150
some kind of human figure right maybe

660
00:28:20,710 --> 00:28:19,220
like in some of them say that you know

661
00:28:23,140 --> 00:28:20,720
there's there they look like they're

662
00:28:24,910 --> 00:28:23,150
addressed in general suits you know like

663
00:28:26,560 --> 00:28:24,920

you know military suits or something

664

00:28:29,860 --> 00:28:26,570

like that and yeah I believe Travis

665

00:28:31,780 --> 00:28:29,870

Waltons case he talks about how the the

666

00:28:34,060 --> 00:28:31,790

more humanoid figures look like they

667

00:28:36,580 --> 00:28:34,070

were wearing overalls like there's

668

00:28:40,660 --> 00:28:36,590

always some sort of like more human

669

00:28:42,190 --> 00:28:40,670

looking entity around right yeah I'm

670

00:28:43,660 --> 00:28:42,200

kind of interesting when you when you

671

00:28:45,700 --> 00:28:43,670

really start to break it down you're

672

00:28:48,400 --> 00:28:45,710

like wow this is in almost every story

673

00:28:50,770 --> 00:28:48,410

yeah it does seem to seem like that like

674

00:28:52,600 --> 00:28:50,780

there's there's not like of we would

675

00:28:55,060 --> 00:28:52,610

discover this technology and use it and

676

00:28:57,070 --> 00:28:55,070

then we would build a robot to go and to

677

00:28:59,110 --> 00:28:57,080

get do the dirty work right and then

678

00:29:00,790 --> 00:28:59,120

we're sitting up at home base like all

679

00:29:03,460 --> 00:29:00,800

right so we got another specimen coming

680

00:29:05,080 --> 00:29:03,470

in yep I mean it makes sense right

681

00:29:07,120 --> 00:29:05,090

like you're not gonna get your hands

682

00:29:09,340 --> 00:29:07,130

dirty and almost get shot by some crazy

683

00:29:12,130 --> 00:29:09,350

human you know might as well send out

684

00:29:14,890 --> 00:29:12,140

your a little biological to go pick him

685

00:29:17,200 --> 00:29:14,900

up uh-huh it makes I would I mean [h__h]

686

00:29:18,850 --> 00:29:17,210

it makes sense to me yeah yeah yeah that

687

00:29:20,800 --> 00:29:18,860

is that is pretty interesting that

688

00:29:25,090 --> 00:29:20,810

that's kind of a constant in a lot of

689

00:29:26,680 --> 00:29:25,100

these abduction stories yeah so anyway

690

00:29:29,860 --> 00:29:26,690

he's sitting on the table and the test

691

00:29:32,680 --> 00:29:29,870

right the the he more humanoid being did

692

00:29:35,920 --> 00:29:32,690

did I make this up or did he say that he

693

00:29:38,020 --> 00:29:35,930

was cut the alien was or this being was

694

00:29:39,760 --> 00:29:38,030

like putting his finger in his throat

695

00:29:42,550 --> 00:29:39,770

trying to go for his nasal cavity yeah

696

00:29:45,130 --> 00:29:42,560

yeah he put his fingers in his mouth and

697

00:29:47,650 --> 00:29:45,140

then like reached up to feel the back of

698

00:29:51,010 --> 00:29:47,660

his of his like nasal cavity yeah that's

699

00:29:52,840 --> 00:29:51,020

exactly right so weird and yeah I don't

700

00:29:54,730 --> 00:29:52,850

do you remember what else happened with

701

00:29:56,919 --> 00:29:54,740

the examination I think I'm

702

00:29:58,480 --> 00:29:56,929

little fuzzy with that part because I

703

00:29:59,890 --> 00:29:58,490

think that's the only thing that stuck

704

00:30:02,110 --> 00:29:59,900

out to me in my memory I'm you know I've

705

00:30:04,540 --> 00:30:02,120

watched I watched the that video or I

706

00:30:07,330 --> 00:30:04,550

listen to that interview like like one

707

00:30:09,540 --> 00:30:07,340

and a half times they were I mean so

708

00:30:12,970 --> 00:30:09,550

they were they they gave him you know a

709

00:30:14,530 --> 00:30:12,980

full-body examination he says that one

710

00:30:16,720 --> 00:30:14,540

part really sticks out in my mind too

711

00:30:19,030 --> 00:30:16,730

because he says that he had blood on his

712

00:30:19,900 --> 00:30:19,040

shirt oh right yeah and he wish he had

713

00:30:22,180 --> 00:30:19,910

kept the clothes

714

00:30:25,350 --> 00:30:22,190

yeah tough but yeah it was the same

715

00:30:29,080 --> 00:30:25,360

thing like just taking samples and and

716

00:30:31,240 --> 00:30:29,090

hair samples and Innokin his boogers you

717

00:30:33,130 --> 00:30:31,250

know yeah looking at his nose and his

718

00:30:35,290 --> 00:30:33,140

mouth and they were looking into his

719

00:30:38,169 --> 00:30:35,300

eyes and stuff like that and ya couldn't

720

00:30:40,540 --> 00:30:38,179

move kind of feeling around like his

721

00:30:43,210 --> 00:30:40,550

bone structure and stuff like that yeah

722

00:30:44,799 --> 00:30:43,220

and yeah I mean that's pretty much I

723

00:30:48,070 --> 00:30:44,809

mean we're getting kind of the basic

724

00:30:48,669 --> 00:30:48,080

examination yeah as well and all of

725

00:30:51,460 --> 00:30:48,679

these stories

726

00:30:53,470 --> 00:30:51,470

it seems like something that we can

727

00:30:55,419 --> 00:30:53,480

relate that to is if oh we're we're on

728

00:30:57,280 --> 00:30:55,429

an expedition in the Amazon and we come

729

00:30:59,470 --> 00:30:57,290

across this frog that I've never seen

730

00:31:00,790 --> 00:30:59,480

like we're gonna we're gonna like pick

731

00:31:02,530 --> 00:31:00,800

it up with some gloves because we don't

732

00:31:04,630 --> 00:31:02,540

know if it's poisonous uh-huh we're

733

00:31:06,310 --> 00:31:04,640

gonna maybe put it in a jar it's

734

00:31:08,290 --> 00:31:06,320

probably gonna be freaking out maybe you

735

00:31:10,000 --> 00:31:08,300

know maybe we'll throw a sheet over it

736

00:31:11,620 --> 00:31:10,010

so it can't see so it's it's a little

737

00:31:13,060 --> 00:31:11,630

bit more calm you know you do that with

738

00:31:15,220 --> 00:31:13,070

like some reptiles like snakes or

739

00:31:17,110 --> 00:31:15,230

something and then you just kind of look

740

00:31:18,910 --> 00:31:17,120

at it with bright lights if you have any

741

00:31:20,830 --> 00:31:18,920

kind of once you kind of figure out it's

742

00:31:22,960 --> 00:31:20,840

not poisonous or something then you kind

743

00:31:24,820 --> 00:31:22,970

of like pick it up you look at it and

744

00:31:27,910 --> 00:31:24,830

just you know kind of fool with it you

745

00:31:31,270 --> 00:31:27,920

take Gale samples yeah just lob a

746

00:31:33,820 --> 00:31:31,280

Bobbitt yeah yeah it just it maybe take

747

00:31:36,850 --> 00:31:33,830

some some some blood

748

00:31:39,490 --> 00:31:36,860

aha yeah stick it with a needle uh-huh I

749

00:31:41,620 --> 00:31:39,500

mean it all it all just kind of like

750

00:31:43,060 --> 00:31:41,630

we're saying the fractal nature of the

751
00:31:45,040 --> 00:31:43,070
universe yeah it's kind of the same

752
00:31:46,840 --> 00:31:45,050
thing with like it seems to be the same

753
00:31:47,560 --> 00:31:46,850
thing with these we're just a science

754
00:31:51,010 --> 00:31:47,570
experiment

755
00:31:52,990 --> 00:31:51,020
just checking us out you know yeah and I

756
00:31:55,330 --> 00:31:53,000
mean this seems like it sounds like one

757
00:31:56,890 --> 00:31:55,340
of the more different species that I've

758
00:31:58,450 --> 00:31:56,900
never I've ever heard of because I've

759
00:32:00,610 --> 00:31:58,460
never heard of this this wrote this

760
00:32:02,710 --> 00:32:00,620
biological robot with the pointy things

761
00:32:03,960 --> 00:32:02,720
coming out of the face and head I wonder

762
00:32:06,960 --> 00:32:03,970
like who I mean

763
00:32:08,520 --> 00:32:06,970

ever heard of anything like that yeah so

764

00:32:12,090 --> 00:32:08,530

yeah anyway that so they do the

765

00:32:13,410 --> 00:32:12,100

examination and this other interview I

766

00:32:15,990 --> 00:32:13,420

was listening to that wasn't in this

767

00:32:19,440 --> 00:32:16,000

first interview was talking about this

768

00:32:22,050 --> 00:32:19,450

the wall kind of dissolved into this

769

00:32:25,440 --> 00:32:22,060

like a little diamond and it came out

770

00:32:27,180 --> 00:32:25,450

Oh like we met we came we skipped over

771

00:32:29,130 --> 00:32:27,190

the part where there's this blue little

772

00:32:30,750 --> 00:32:29,140

deck of cards sighs it came out of the

773

00:32:33,350 --> 00:32:30,760

season came out of the ceiling in it and

774

00:32:36,360 --> 00:32:33,360

it kind of like surrounded him and like

775

00:32:38,160 --> 00:32:36,370

and it was almost like cat scanning him

776

00:32:40,260 --> 00:32:38,170

anyway you know yeah so that was

777

00:32:44,280 --> 00:32:40,270

interesting to take pictures of why he's

778

00:32:46,680 --> 00:32:44,290

just late yeah yeah so so after that a

779

00:32:49,470 --> 00:32:46,690

kind of like diamond kind of thing came

780

00:32:51,090 --> 00:32:49,480

out of the wall and like just kind of

781

00:32:52,680 --> 00:32:51,100

stared at him and kind of moved around a

782

00:32:54,600 --> 00:32:52,690

little bit and then like dissolved back

783

00:32:56,730 --> 00:32:54,610

into the wall I thought that was really

784

00:32:58,980 --> 00:32:56,740

weird it sounds crazy it was like a cube

785

00:33:00,840 --> 00:32:58,990

thing maybe not a diamond so that was

786

00:33:02,720 --> 00:33:00,850

really weird huh that was in another

787

00:33:05,340 --> 00:33:02,730

interview that was listening to you

788

00:33:07,530 --> 00:33:05,350

anyway so after that I mean that's

789

00:33:09,360 --> 00:33:07,540

pretty much it they take them both out

790

00:33:10,770 --> 00:33:09,370

and they drop them back a lot jaw

791

00:33:12,570 --> 00:33:10,780

dropping back off where they work and

792

00:33:13,490 --> 00:33:12,580

then they go back to fishing like

793

00:33:17,640 --> 00:33:13,500

nothing ever happened

794

00:33:19,590 --> 00:33:17,650

yeah I don't I don't want to talk about

795

00:33:22,140 --> 00:33:19,600

it yeah no they don't they don't go back

796

00:33:24,240 --> 00:33:22,150

back to fishing but like yeah Charles

797

00:33:26,670 --> 00:33:24,250

which is the older one the 40 year old

798

00:33:29,940 --> 00:33:26,680

tells Calvin he's like 19 at the time

799

00:33:31,680 --> 00:33:29,950

like hey do not tell anybody as they're

800

00:33:33,330 --> 00:33:31,690

like regaining consciousness and yeah

801
00:33:34,680 --> 00:33:33,340
not consciousness but like they're the

802
00:33:36,180 --> 00:33:34,690
movement they're the feeling in their

803
00:33:37,440 --> 00:33:36,190
bodies and things because Calvin

804
00:33:39,180 --> 00:33:37,450
Calvin's getting ready to get married

805
00:33:41,070 --> 00:33:39,190
right oh wow he's getting ready to get

806
00:33:42,750 --> 00:33:41,080
married you don't want anybody to know

807
00:33:44,550 --> 00:33:42,760
about a younger one he's like I don't

808
00:33:46,620 --> 00:33:44,560
want you know my wife to know or her

809
00:33:48,390 --> 00:33:46,630
family or my family to know I think

810
00:33:49,980 --> 00:33:48,400
we're just gonna be two dummies sitting

811
00:33:53,520 --> 00:33:49,990
out here drinking beer getting drunk

812
00:33:57,360 --> 00:33:53,530
exactly in Cowan's like I'm not Calvin

813
00:34:01,020 --> 00:33:57,370

Oh Charles Charles yeah Charles he said

814

00:34:03,750 --> 00:34:01,030

well we gotta say something to somebody

815

00:34:05,760 --> 00:34:03,760

yeah so they they call the Air Force

816

00:34:07,320 --> 00:34:05,770

yeah they drive to this gas station yeah

817

00:34:10,620 --> 00:34:07,330

I called the Air Force and that lady

818

00:34:12,270 --> 00:34:10,630

picks up and she's like oh we don't deal

819

00:34:14,670 --> 00:34:12,280

with UFOs or anything any more plot

820

00:34:17,460 --> 00:34:14,680

Project Blue Book is is over it's been

821

00:34:20,490 --> 00:34:17,470

over for four years it stopped in 1969

822

00:34:23,129 --> 00:34:20,500

which is kind of weird to my 269

823

00:34:25,859 --> 00:34:23,139

interesting yeah anyway so yeah the air

824

00:34:27,690 --> 00:34:25,869

force the local air force is like oh no

825

00:34:30,569 --> 00:34:27,700

honey we don't do that anymore yeah

826

00:34:32,609 --> 00:34:30,579

sorry yeah call yeah call your local

827

00:34:37,099 --> 00:34:32,619

police station I don't know why she's

828

00:34:41,040 --> 00:34:37,109

like a New York's I don't know how me

829

00:34:42,419 --> 00:34:41,050

call your local police station so they

830

00:34:44,339 --> 00:34:42,429

hang up and they call a local police

831

00:34:46,790 --> 00:34:44,349

station and they're like alright guys

832

00:34:48,629 --> 00:34:46,800

stay right there we're coming to get you

833

00:34:50,250 --> 00:34:48,639

they probably think they're high on

834

00:34:52,740 --> 00:34:50,260

South dinner yeah they're like these

835

00:34:54,180 --> 00:34:52,750

guys are drunk drunk yeah yeah what

836

00:34:55,950 --> 00:34:54,190

you're getting in the car and killing

837

00:34:58,170 --> 00:34:55,960

nobody we'll be right over

838

00:35:01,380 --> 00:34:58,180

yeah and Calvin says that when they

839

00:35:03,569 --> 00:35:01,390

showed up they showed up quick like they

840

00:35:06,390 --> 00:35:03,579

drove up pretty fast like they were on a

841

00:35:10,559 --> 00:35:06,400

mission to do something right yeah yeah

842

00:35:11,970 --> 00:35:10,569

oh you know another specific that I kind

843

00:35:14,010 --> 00:35:11,980

of skipped was when they got back to

844

00:35:16,890 --> 00:35:14,020

their truck to drive to the gas station

845

00:35:18,990 --> 00:35:16,900

and call the Air Force the passenger

846

00:35:21,329 --> 00:35:19,000

windshield of the truck this like it was

847

00:35:23,220 --> 00:35:21,339

kind of like a new truck was the window

848

00:35:25,109 --> 00:35:23,230

was kind of shattered that was being

849

00:35:28,050 --> 00:35:25,119

held together by some kind of you know

850

00:35:29,520 --> 00:35:28,060

unshadowed ball mekin I think they put

851

00:35:31,770 --> 00:35:29,530

like some kind of plastic or he said it

852

00:35:33,809 --> 00:35:31,780

was like a plexiglass yeah but I mean

853

00:35:35,819 --> 00:35:33,819

it's like it's in most cars nowadays so

854

00:35:37,079 --> 00:35:35,829

it doesn't shatter and and cut your face

855

00:35:39,210 --> 00:35:37,089

if you get in a car wreck or whatever

856

00:35:40,530 --> 00:35:39,220

it's what keeps it keeps the the windows

857

00:35:42,180 --> 00:35:40,540

together but it was shattered yeah

858

00:35:43,410 --> 00:35:42,190

something shattered it like somebody hit

859

00:35:45,270 --> 00:35:43,420

it with a baseball bat or something so I

860

00:35:46,920 --> 00:35:45,280

thought that was pretty interesting but

861

00:35:49,140 --> 00:35:46,930

that's just like another really small

862

00:35:52,349 --> 00:35:49,150

specific detail they gives yeah you know

863

00:35:54,210 --> 00:35:52,359

I wonder why the window is shattered man

864

00:35:55,650 --> 00:35:54,220

I don't know could be some kind of

865

00:35:57,930 --> 00:35:55,660

frequency that they're letting out from

866

00:36:00,030 --> 00:35:57,940

the ship or something like that that

867

00:36:01,530 --> 00:36:00,040

that only resonates with glass in a

868

00:36:03,329 --> 00:36:01,540

certain way mm-hmm

869

00:36:05,010 --> 00:36:03,339

and also like they couldn't start the

870

00:36:06,780 --> 00:36:05,020

car for a little while and this was like

871

00:36:08,490 --> 00:36:06,790

a new car so it like during the battery

872

00:36:10,380 --> 00:36:08,500

maybe yeah yeah

873

00:36:14,430 --> 00:36:10,390

because kids because whenever a UFO

874

00:36:17,160 --> 00:36:14,440

shows up you know batteries died that's

875

00:36:19,500 --> 00:36:17,170

let's go on and off the radio starts

876

00:36:20,910 --> 00:36:19,510

going crazy you know and all this stuff

877

00:36:23,760 --> 00:36:20,920

happens with at the car even being huh

878

00:36:26,130 --> 00:36:23,770

you know it kills the car off so yeah do

879

00:36:28,680 --> 00:36:26,140

totally totally that's a that's

880

00:36:30,770 --> 00:36:28,690

plausible station stays in line with

881

00:36:32,870 --> 00:36:30,780

other other stories uh-huh

882

00:36:34,930 --> 00:36:32,880

which is like I mean honestly one of the

883

00:36:37,700 --> 00:36:34,940

first stories this is like one of the

884

00:36:39,410 --> 00:36:37,710

the timing of this after I mean this is

885

00:36:42,650 --> 00:36:39,420

after Betty and Barney Hill right but I

886

00:36:44,540 --> 00:36:42,660

mean around the same time yeah I can't

887

00:36:48,680 --> 00:36:44,550

remember what was its early sixties yeah

888

00:36:49,760 --> 00:36:48,690

okay but I mean yeah this is this is way

889

00:36:51,830 --> 00:36:49,770

before the Internet

890

00:36:54,320 --> 00:36:51,840

so nobody's talking about these specific

891

00:36:56,660 --> 00:36:54,330

details yet right right so all these

892

00:37:00,110 --> 00:36:56,670

specifics that that happened or just I

893

00:37:03,710 --> 00:37:00,120

don't know pretty important I feel like

894

00:37:05,780 --> 00:37:03,720

so so anyway the cops get there and pick

895

00:37:07,010 --> 00:37:05,790

them up and they drive them they say are

896

00:37:08,660 --> 00:37:07,020

they escort him back to the police

897

00:37:10,550 --> 00:37:08,670

station and to have some questioning

898

00:37:12,830 --> 00:37:10,560

yeah they made them do all kinds of

899

00:37:14,300 --> 00:37:12,840

sobriety tests things like that before

900

00:37:16,070 --> 00:37:14,310

they picked him up because they did

901
00:37:18,080 --> 00:37:16,080
think they were [h__h] up yeah they were

902
00:37:20,210 --> 00:37:18,090
like we're gonna go arrest these these

903
00:37:22,310 --> 00:37:20,220
two guys they get there and they start

904
00:37:24,590 --> 00:37:22,320
telling their story and they make them

905
00:37:28,840 --> 00:37:24,600
do field sobriety tests and they pass

906
00:37:31,730 --> 00:37:28,850
everything and they're like well uh

907
00:37:33,470 --> 00:37:31,740
let's let's go back to the station yeah

908
00:37:36,710 --> 00:37:33,480
get a report because I mean you guys

909
00:37:39,280 --> 00:37:36,720
aren't drunk and you know seem to be

910
00:37:42,710 --> 00:37:39,290
fine like right but this is a pretty

911
00:37:44,900 --> 00:37:42,720
crazy story how about you come back do

912
00:37:46,760 --> 00:37:44,910
that I just remembered another specific

913
00:37:48,670 --> 00:37:46,770

detail that I forgot about so when

914

00:37:51,980 --> 00:37:48,680

they're in the examination room and the

915

00:37:54,410 --> 00:37:51,990

human-like being comes up to Calvin he

916

00:37:57,110 --> 00:37:54,420

says his brain kind of felt like a radio

917

00:37:59,090 --> 00:37:57,120

was switching on and it talked to him it

918

00:38:00,950 --> 00:37:59,100

said everything's gonna be fine we're

919

00:38:02,810 --> 00:38:00,960

not here to hurt you so that that's an

920

00:38:06,170 --> 00:38:02,820

interest that's an important detail for

921

00:38:08,300 --> 00:38:06,180

what's coming up later so sorry I forgot

922

00:38:10,540 --> 00:38:08,310

that that detail do you think do you

923

00:38:14,870 --> 00:38:10,550

think people that have negative

924

00:38:16,430 --> 00:38:14,880

abduction experiences or maybe it's

925

00:38:19,250 --> 00:38:16,440

because they're really restless and

926

00:38:22,070 --> 00:38:19,260

they're fighting it uh yeah it could be

927

00:38:25,400 --> 00:38:22,080

kind of like drugs man I mean yeah yeah

928

00:38:27,290 --> 00:38:25,410

a bad trip or a good trip it depends on

929

00:38:29,270 --> 00:38:27,300

how you behave and how you prepare for

930

00:38:31,310 --> 00:38:29,280

it right obviously you can't prepare for

931

00:38:35,000 --> 00:38:31,320

something like this right you know yeah

932

00:38:36,950 --> 00:38:35,010

an abduction yeah but I don't know man

933

00:38:38,960 --> 00:38:36,960

like yeah you hear about you hear about

934

00:38:40,910 --> 00:38:38,970

like when people do LSD or something

935

00:38:42,860 --> 00:38:40,920

like that when you fight against it you

936

00:38:44,329 --> 00:38:42,870

have like a terrible trip or yeah in a

937

00:38:46,309 --> 00:38:44,339

really bad scenario and you

938

00:38:48,019 --> 00:38:46,319

kind of fight it maybe just has to do

939

00:38:49,819 --> 00:38:48,029

with chemical imbalances or something

940

00:38:52,670 --> 00:38:49,829

like that something my aunt putting way

941

00:38:54,259 --> 00:38:52,680

too much adrenaline out you know in your

942

00:38:56,029 --> 00:38:54,269

bloodstream or whatever yeah that's a

943

00:38:58,400 --> 00:38:56,039

good boy yeah I mean maybe there you

944

00:39:01,759 --> 00:38:58,410

know I don't know man but you know some

945

00:39:04,279 --> 00:39:01,769

people do have negative abduction

946

00:39:06,259 --> 00:39:04,289

experiences I feel like there's I mean I

947

00:39:08,269 --> 00:39:06,269

don't know the percentage but you hear

948

00:39:10,640 --> 00:39:08,279

about a lot more negative yeah

949

00:39:12,620 --> 00:39:10,650

experiences and and dude I mean maybe

950

00:39:15,499 --> 00:39:12,630

the negativity just comes from being so

951
00:39:16,370 --> 00:39:15,509
scared yours like I don't ever want that

952
00:39:19,940 --> 00:39:16,380
to happen again

953
00:39:21,440 --> 00:39:19,950
yeah that is so scary yeah like these

954
00:39:22,489 --> 00:39:21,450
things are I was thinking about that the

955
00:39:24,499 --> 00:39:22,499
other day I think it was our first

956
00:39:26,690 --> 00:39:24,509
podcast episode that we talked about

957
00:39:28,849 --> 00:39:26,700
would you go with the alien if it came

958
00:39:32,359 --> 00:39:28,859
and wanted to take you up I kind of want

959
00:39:34,630 --> 00:39:32,369
to change my answer - no - like I don't

960
00:39:36,769 --> 00:39:34,640
know if I would be so willing to go

961
00:39:42,499 --> 00:39:36,779
because you don't know if it's gonna be

962
00:39:44,930 --> 00:39:42,509
a good being or a creature or a bad one

963
00:39:46,839 --> 00:39:44,940

you know I don't know I kind of want to

964

00:39:51,049 --> 00:39:46,849

change my answer I don't know man oh

965

00:39:52,549 --> 00:39:51,059

yeah I guess it depends on on I don't

966

00:39:55,609 --> 00:39:52,559

want something sticking its finger in my

967

00:39:58,339 --> 00:39:55,619

mouth man yeah or my other side uh-huh

968

00:39:59,390 --> 00:39:58,349

you know that's the only reason oh I'm

969

00:40:02,599 --> 00:39:59,400

changing my answer

970

00:40:05,450 --> 00:40:02,609

Oh to get stuck with a needle like hey

971

00:40:07,160 --> 00:40:05,460

if an aliens listening on out listening

972

00:40:08,479 --> 00:40:07,170

out there I'll go with you but like

973

00:40:10,130 --> 00:40:08,489

let's chill and watch a movie or

974

00:40:12,200 --> 00:40:10,140

something I don't want to yeah yeah yeah

975

00:40:18,769 --> 00:40:12,210

and don't just like show up in the

976

00:40:21,019 --> 00:40:18,779

corner or something stand there or like

977

00:40:22,759 --> 00:40:21,029

don't make me like wake up and like

978

00:40:26,420 --> 00:40:22,769

you're just hovering over me or some

979

00:40:28,190 --> 00:40:26,430

[h__h] you know like no no do you like a

980

00:40:30,529 --> 00:40:28,200

Corey good thing where it's just a ball

981

00:40:32,299 --> 00:40:30,539

of light that would be that that sounds

982

00:40:35,989 --> 00:40:32,309

like a way more and you have to accept

983

00:40:37,609 --> 00:40:35,999

it yes yeah okay okay yeah okay when you

984

00:40:42,589 --> 00:40:37,619

get there and it's not a ball of light

985

00:40:44,239 --> 00:40:42,599

then what do you do like okay man I mean

986

00:40:46,190 --> 00:40:44,249

here you hear a lot about those

987

00:40:48,319 --> 00:40:46,200

abduction stories where there's like a

988

00:40:50,089 --> 00:40:48,329

freaking creature in the corner like

989

00:40:53,410 --> 00:40:50,099

you're saying and that almighty gave me

990

00:40:57,190 --> 00:40:55,390

just imagine it like that that [h__h] has

991

00:40:58,840 --> 00:40:57,200

kept me up at night thinking about that

992

00:41:00,490 --> 00:40:58,850

yeah just imagine like there's maybe one

993

00:41:03,040 --> 00:41:00,500

beam of light coming through your blinds

994

00:41:04,570 --> 00:41:03,050

or something you see like half of a face

995

00:41:13,360 --> 00:41:04,580

it's just staring at you with these

996

00:41:14,740 --> 00:41:13,370

black eyes dude like who's the the other

997

00:41:16,120 --> 00:41:14,750

abduction case the guy that you were

998

00:41:17,010 --> 00:41:16,130

talking about he's got the special on

999

00:41:21,970 --> 00:41:17,020

Netflix

1000

00:41:23,200 --> 00:41:21,980

Oh stain Romanek yeah yeah like some of

1001
00:41:24,400 --> 00:41:23,210
those pictures that you took where

1002
00:41:26,440 --> 00:41:24,410
they're just kind of creeping in the

1003
00:41:29,110 --> 00:41:26,450
window all right do get the [h__h] out of

1004
00:41:30,640 --> 00:41:29,120
here do that okay stop doing that have

1005
00:41:31,630 --> 00:41:30,650
you said you've you've seen the

1006
00:41:34,000 --> 00:41:31,640
extraordinary

1007
00:41:35,140 --> 00:41:34,010
yeah yeah I've seen the first one so

1008
00:41:38,380 --> 00:41:35,150
there's a new one called the seating

1009
00:41:42,730 --> 00:41:38,390
coming out on the I think next next

1010
00:41:44,800 --> 00:41:42,740
month but that this one okay there's the

1011
00:41:46,030 --> 00:41:44,810
video of the alien creep in his head in

1012
00:41:49,480 --> 00:41:46,040
and then there's the one in the kitchen

1013
00:41:51,730 --> 00:41:49,490

or it to me like half of me thinks

1014

00:41:53,770 --> 00:41:51,740

that's a freaking puppet but the other

1015

00:41:56,830 --> 00:41:53,780

half is like in the signing glass door

1016

00:41:58,600 --> 00:41:56,840

yeah yeah yeah we kind of like shows at

1017

00:42:00,910 --> 00:41:58,610

most of his body and then kind of right

1018

00:42:01,240 --> 00:42:00,920

back that one yes his head back out

1019

00:42:03,610 --> 00:42:01,250

again

1020

00:42:05,050 --> 00:42:03,620

yes yeah yeah yeah half of me thinks

1021

00:42:06,520 --> 00:42:05,060

it's a puppet but half of me is like

1022

00:42:08,440 --> 00:42:06,530

what we talked about before like we've

1023

00:42:10,330 --> 00:42:08,450

never seen a creature move yeah how do

1024

00:42:12,700 --> 00:42:10,340

we know how would we know how it moved

1025

00:42:14,020 --> 00:42:12,710

or looks like what does it look like so

1026

00:42:16,030 --> 00:42:14,030

it's it's the same thing we've talked

1027

00:42:17,470 --> 00:42:16,040

about before like maybe man they just

1028

00:42:19,900 --> 00:42:17,480

probably move differently maybe they're

1029

00:42:22,090 --> 00:42:19,910

used to different gravity yeah it's yeah

1030

00:42:24,780 --> 00:42:22,100

we don't know if you've seen the case of

1031

00:42:27,970 --> 00:42:24,790

the family that's in the house and

1032

00:42:30,040 --> 00:42:27,980

apparently they're like the aliens are

1033

00:42:31,990 --> 00:42:30,050

outside and they're like walking around

1034

00:42:34,570 --> 00:42:32,000

outside and then all of a sudden they

1035

00:42:36,520 --> 00:42:34,580

make it inside the house and they start

1036

00:42:38,290 --> 00:42:36,530

walking down the hallway but like the

1037

00:42:41,350 --> 00:42:38,300

family has a shotgun and they shoot one

1038

00:42:43,750 --> 00:42:41,360

of them what and they kind of like go

1039

00:42:45,670 --> 00:42:43,760

away and then they have this body and

1040

00:42:46,960 --> 00:42:45,680

they put it in the room and they're like

1041

00:42:48,850 --> 00:42:46,970

get away from the windows and they're

1042

00:42:51,670 --> 00:42:48,860

like yelling and they have it like on

1043

00:42:53,860 --> 00:42:51,680

like an old camcorder recording this

1044

00:42:55,090 --> 00:42:53,870

whole thing and they have the body but

1045

00:42:56,590 --> 00:42:55,100

then they don't know where the body wind

1046

00:42:58,870 --> 00:42:56,600

we've got to find this video I know I

1047

00:43:00,730 --> 00:42:58,880

can't remember what it was oh my god a

1048

00:43:03,520 --> 00:43:00,740

million people could probably be like us

1049

00:43:07,000 --> 00:43:03,530

been debunked but like it was a cool

1050

00:43:07,350 --> 00:43:07,010

video I will have to find it even if it

1051
00:43:09,960 --> 00:43:07,360
is

1052
00:43:11,670 --> 00:43:09,970
that sounds like a fun video yeah cuz

1053
00:43:13,320 --> 00:43:11,680
they're like yelling they see it like

1054
00:43:14,940 --> 00:43:13,330
they're outside they're hanging out and

1055
00:43:16,650 --> 00:43:14,950
they see it like out in the woods and

1056
00:43:18,180 --> 00:43:16,660
they're like what is it yeah they're

1057
00:43:19,380 --> 00:43:18,190
like everybody get in the house and they

1058
00:43:21,150 --> 00:43:19,390
start getting in the house and then

1059
00:43:22,380 --> 00:43:21,160
there's like multiple of them that walk

1060
00:43:24,000 --> 00:43:22,390
out of the woods

1061
00:43:25,800 --> 00:43:24,010
yeah and they start coming to the house

1062
00:43:27,810 --> 00:43:25,810
and they're like Oh making like hear

1063
00:43:30,230 --> 00:43:27,820

them on the roof and they can like hear

1064

00:43:33,030 --> 00:43:30,240

on the room you're like at the doors

1065

00:43:35,280 --> 00:43:33,040

yeah get off the damn roof that's some

1066

00:43:35,990 --> 00:43:35,290

freaky [h__h] it's creepy man that's

1067

00:43:38,280 --> 00:43:36,000

creepy

1068

00:43:40,230 --> 00:43:38,290

whatever what if it's just like a bunch

1069

00:43:42,120 --> 00:43:40,240

of teenage aliens and they're like hey

1070

00:43:44,580 --> 00:43:42,130

can we bum cigarette or do you have any

1071

00:43:48,150 --> 00:43:44,590

liquor in your house super desperate

1072

00:43:49,860 --> 00:43:48,160

yeah man like yeah if you can

1073

00:43:51,990 --> 00:43:49,870

telepathically communicate with me

1074

00:43:55,770 --> 00:43:52,000

before you come out of the woods or some

1075

00:43:58,950 --> 00:43:55,780

[h__h] be like hey um I'm in the woods hey

1076

00:44:01,410 --> 00:43:58,960

dude wake up man I'm in the woods don't

1077

00:44:01,890 --> 00:44:01,420

freak out I'm gonna come out I'm an

1078

00:44:04,110 --> 00:44:01,900

alien

1079

00:44:05,490 --> 00:44:04,120

yeah don't freak out okay look I'm just

1080

00:44:08,010 --> 00:44:05,500

letting you know I'm here you could call

1081

00:44:11,670 --> 00:44:08,020

me Jeff yeah and I'm coming out but just

1082

00:44:13,110 --> 00:44:11,680

don't freak out like okay yeah okay you

1083

00:44:15,840 --> 00:44:13,120

think after all this time they would

1084

00:44:19,560 --> 00:44:15,850

know the the cultural or the you know

1085

00:44:21,150 --> 00:44:19,570

the human wants ya the response they're

1086

00:44:27,720 --> 00:44:21,160

gonna get when you just roll up on

1087

00:44:29,430 --> 00:44:27,730

somebody and just take them yeah you'd

1088

00:44:32,370 --> 00:44:29,440

hope that there'd be like hey man you

1089

00:44:34,380 --> 00:44:32,380

got any balls dude as a matter of fact

1090

00:44:38,780 --> 00:44:34,390

yeah either man do you like black cherry

1091

00:44:41,970 --> 00:44:38,790

I do I do this one has a cookie in it

1092

00:44:43,650 --> 00:44:41,980

but yes I end up taking the guys down to

1093

00:44:46,290 --> 00:44:43,660

the station what I thought was kind of

1094

00:44:48,210 --> 00:44:46,300

cool about this detail was that he says

1095

00:44:50,730 --> 00:44:48,220

they didn't even follow us

1096

00:44:53,760 --> 00:44:50,740

they let us follow them hmm so they

1097

00:44:56,880 --> 00:44:53,770

follow the police back the Sheriff's

1098

00:44:59,310 --> 00:44:56,890

Department yeah right yeah no that's

1099

00:45:01,530 --> 00:44:59,320

interesting I mean yeah normally you'd

1100

00:45:03,810 --> 00:45:01,540

think that they'd uh they'd go behind

1101
00:45:05,340 --> 00:45:03,820
him or whatever yeah cuff him and put

1102
00:45:07,920 --> 00:45:05,350
him in the car until they figure out

1103
00:45:09,270 --> 00:45:07,930
more information right yes let's go down

1104
00:45:12,510 --> 00:45:09,280
the sheriff's part yeah

1105
00:45:15,120 --> 00:45:12,520
73 was a pretty chill right right super

1106
00:45:16,260 --> 00:45:15,130
chill so they they get back to the

1107
00:45:18,300 --> 00:45:16,270
police station and they're asking all

1108
00:45:20,880 --> 00:45:18,310
kinds of questions and they they get

1109
00:45:23,550 --> 00:45:20,890
their their story on on tape

1110
00:45:26,070 --> 00:45:23,560
oh man what I wouldn't give to listen to

1111
00:45:29,070 --> 00:45:26,080
that tape seriously the interrogation or

1112
00:45:31,500 --> 00:45:29,080
questioning tape and they do kind of

1113
00:45:33,420 --> 00:45:31,510

like an examination but you know but the

1114

00:45:35,310 --> 00:45:33,430

whole time Calvin's thinking he's like

1115

00:45:38,250 --> 00:45:35,320

thinking in his head man what if I'm

1116

00:45:40,110 --> 00:45:38,260

infected with some kind of alien disease

1117

00:45:42,090 --> 00:45:40,120

you know and I've just infected the

1118

00:45:44,100 --> 00:45:42,100

whole town like maybe you guys should

1119

00:45:46,740 --> 00:45:44,110

check me for radiation like bring some

1120

00:45:48,390 --> 00:45:46,750

Geiger counters in here and whatever but

1121

00:45:50,790 --> 00:45:48,400

they just kind of brush it off or

1122

00:45:52,290 --> 00:45:50,800

whatever the police department does and

1123

00:45:54,390 --> 00:45:52,300

yeah they just kind of question them and

1124

00:45:56,430 --> 00:45:54,400

and say hey just don't tell anybody just

1125

00:46:00,240 --> 00:45:56,440

you know keep it keep it on the load

1126
00:46:02,220 --> 00:46:00,250
don't tell you know the news or anything

1127
00:46:04,350 --> 00:46:02,230
like that and then go home so they go

1128
00:46:05,970 --> 00:46:04,360
home and tells the sheriff he tells the

1129
00:46:07,470 --> 00:46:05,980
sheriff you know please don't say

1130
00:46:10,140 --> 00:46:07,480
anything anybody and the sheriff says

1131
00:46:12,450 --> 00:46:10,150
I'm not a reporter all right I'm here to

1132
00:46:13,980 --> 00:46:12,460
solve crimes right yeah I'm in the

1133
00:46:15,960 --> 00:46:13,990
business of solving crimes I'm not in

1134
00:46:21,440 --> 00:46:15,970
the business to report things yeah right

1135
00:46:23,700 --> 00:46:21,450
so they go home and Calvin goes home and

1136
00:46:25,590 --> 00:46:23,710
washes and takes his clothes off because

1137
00:46:27,300 --> 00:46:25,600
he thinks maybe he's you know infected

1138
00:46:30,060 --> 00:46:27,310

with something and burns them and then

1139

00:46:31,920 --> 00:46:30,070

and then he pours bleach all over as

1140

00:46:34,320 --> 00:46:31,930

opposed to each other yeah watch you

1141

00:46:37,380 --> 00:46:34,330

kill anything that I had on me yeah I'm

1142

00:46:40,560 --> 00:46:37,390

and he had a paper sack yes when he

1143

00:46:42,390 --> 00:46:40,570

talks about not not using the plastic

1144

00:46:45,660 --> 00:46:42,400

bag seems like zero too expensive we

1145

00:46:47,670 --> 00:46:45,670

didn't use plastic bags specifics man

1146

00:46:48,750 --> 00:46:47,680

and he says in that interview like man I

1147

00:46:50,160 --> 00:46:48,760

wish I wouldn't have burned those

1148

00:46:52,110 --> 00:46:50,170

clothes cuz we could have done some kind

1149

00:46:55,290 --> 00:46:52,120

of tests on him because he had the blood

1150

00:46:58,650 --> 00:46:55,300

from when she did and he calls it a she

1151
00:47:00,900 --> 00:46:58,660
oh that's right he calls the the being a

1152
00:47:03,780 --> 00:47:00,910
she he's like I'm not sure if it was a

1153
00:47:07,290 --> 00:47:03,790
she uh-huh but I guess it had some sort

1154
00:47:10,170 --> 00:47:07,300
of like feminine quality about it right

1155
00:47:12,090 --> 00:47:10,180
it's always good to call it a she

1156
00:47:14,100 --> 00:47:12,100
constantly that's it that's another

1157
00:47:16,320 --> 00:47:14,110
constant in some of these abduction

1158
00:47:18,060 --> 00:47:16,330
cases is that there seems to be a

1159
00:47:20,790 --> 00:47:18,070
definition between male and female

1160
00:47:24,810 --> 00:47:20,800
entities and a lot of the times it's a

1161
00:47:26,880 --> 00:47:24,820
female that's in doing the the

1162
00:47:29,670 --> 00:47:26,890
inspection yeah or whatever other tests

1163
00:47:31,080 --> 00:47:29,680

yeah the test so that's that's super

1164

00:47:32,730 --> 00:47:31,090

interesting too that it was a female

1165

00:47:37,930 --> 00:47:32,740

yeah

1166

00:47:39,640 --> 00:47:37,940

washes himself with bleach and then goes

1167

00:47:41,320 --> 00:47:39,650

I think they go back to the police

1168

00:47:43,240 --> 00:47:41,330

station the next day or something right

1169

00:47:44,980 --> 00:47:43,250

and this is where my memory gets kind of

1170

00:47:47,230 --> 00:47:44,990

fuzzy so interject went when you can

1171

00:47:48,640 --> 00:47:47,240

well they so they they don't go back to

1172

00:47:50,380 --> 00:47:48,650

the police station they end up going to

1173

00:47:52,750 --> 00:47:50,390

work they end up going to work and

1174

00:47:55,000 --> 00:47:52,760

somehow somebody found out about the

1175

00:47:56,620 --> 00:47:55,010

story right and so the reporters and

1176

00:47:58,060 --> 00:47:56,630

everybody showed up at the shipyard

1177

00:48:00,250 --> 00:47:58,070

that's right and they end up calling

1178

00:48:01,990 --> 00:48:00,260

them both into the office and they're

1179

00:48:02,290 --> 00:48:02,000

like look guys we can't get any work

1180

00:48:04,210 --> 00:48:02,300

done

1181

00:48:05,770 --> 00:48:04,220

we got the phone's ringing off the hook

1182

00:48:09,790 --> 00:48:05,780

right there's all these reporters

1183

00:48:13,210 --> 00:48:09,800

outside what in the world is gone yeah

1184

00:48:15,460 --> 00:48:13,220

wasn't our nation we lost can you pause

1185

00:48:17,560 --> 00:48:15,470

it dude that was weird

1186

00:48:19,660 --> 00:48:17,570

yeah that was we had a little a little

1187

00:48:21,460 --> 00:48:19,670

interruption there yeah dude so anyway

1188

00:48:23,560 --> 00:48:21,470

something the phone's ringing off the

1189

00:48:25,720 --> 00:48:23,570

hook and you know you know they just

1190

00:48:27,580 --> 00:48:25,730

can't get any work done so they they

1191

00:48:29,890 --> 00:48:27,590

call a lawyer and a lawyer comes down I

1192

00:48:32,200 --> 00:48:29,900

guess for the the I guess the shipyard

1193

00:48:34,060 --> 00:48:32,210

or I'm a little confused on that part

1194

00:48:35,650 --> 00:48:34,070

was it was it Calvin and his lawyer or

1195

00:48:37,570 --> 00:48:35,660

was it like the shipyard the business

1196

00:48:40,300 --> 00:48:37,580

lawyer I think it might have been the

1197

00:48:42,520 --> 00:48:40,310

the shipyard lawyer yeah yeah so he

1198

00:48:45,640 --> 00:48:42,530

comes by and he he takes the the

1199

00:48:48,670 --> 00:48:45,650

statement and everything and then they

1200

00:48:51,460 --> 00:48:48,680

take them back to the sheriff's office

1201

00:48:55,300 --> 00:48:51,470

oh yeah right yeah I think so

1202

00:48:57,400 --> 00:48:55,310

cuz I take them to the Air Force Base oh

1203

00:48:59,530 --> 00:48:57,410

they took them yes they taking the Air

1204

00:49:01,480 --> 00:48:59,540

Force Base in the hospital within the

1205

00:49:03,880 --> 00:49:01,490

Air Force right right and they check

1206

00:49:05,740 --> 00:49:03,890

them for radiation whenever they get

1207

00:49:07,930 --> 00:49:05,750

there these guys show up in hazmat suits

1208

00:49:09,310 --> 00:49:07,940

and say you know have little Geiger

1209

00:49:12,010 --> 00:49:09,320

counters and they run it over their

1210

00:49:12,610 --> 00:49:12,020

bodies and and they're like they're like

1211

00:49:14,980 --> 00:49:12,620

you know

1212

00:49:16,330 --> 00:49:14,990

alright he's clean you can bring them in

1213

00:49:18,190 --> 00:49:16,340

and so they bring them in and when they

1214

00:49:20,410 --> 00:49:18,200

get in the room it's just like super

1215

00:49:22,540 --> 00:49:20,420

high profile yeah people from the

1216

00:49:25,180 --> 00:49:22,550

government and like high-profile

1217

00:49:27,520 --> 00:49:25,190

reporters right and and things like that

1218

00:49:29,860 --> 00:49:27,530

and they're on this Air Force Base and

1219

00:49:31,750 --> 00:49:29,870

they want to know what happened yeah

1220

00:49:34,630 --> 00:49:31,760

want to know this story right and still

1221

00:49:37,000 --> 00:49:34,640

to this day Calvin says he's not sure

1222

00:49:39,340 --> 00:49:37,010

how the story got out apparently there

1223

00:49:41,080 --> 00:49:39,350

was a sheriff that you know he was

1224

00:49:42,730 --> 00:49:41,090

supposed to meet up with at like a book

1225

00:49:43,600 --> 00:49:42,740

signing right and he wanted to ask him

1226

00:49:45,670 --> 00:49:43,610

some questions

1227

00:49:49,120 --> 00:49:45,680

I'm not sure if he ever did or not you

1228

00:49:51,160 --> 00:49:49,130

but from what I know from the best you

1229

00:49:53,049 --> 00:49:51,170

know my understanding apparently he says

1230

00:49:56,049 --> 00:49:53,059

you know back then you know a lot of

1231

00:49:57,730 --> 00:49:56,059

people had like you know scanners yeah

1232

00:49:59,410 --> 00:49:57,740

radio right probably listening to the

1233

00:50:01,359 --> 00:49:59,420

police scanner yeah yeah probably

1234

00:50:03,849 --> 00:50:01,369

probably picked up the story and heard

1235

00:50:07,750 --> 00:50:03,859

about it and that's how that's how word

1236

00:50:10,569 --> 00:50:07,760

got out basically and it really turned

1237

00:50:13,779 --> 00:50:10,579

into like a big big deal for everybody

1238

00:50:15,519 --> 00:50:13,789

for them to end up getting taken to the

1239

00:50:18,010 --> 00:50:15,529

Air Force Base and there being like

1240

00:50:20,680 --> 00:50:18,020

military personnel yeah sheriff's and

1241

00:50:23,529 --> 00:50:20,690

the mayor yeah the mayor shows yeah

1242

00:50:26,440 --> 00:50:23,539

everybody you'd like like some you know

1243

00:50:29,559 --> 00:50:26,450

big status is there wants to know what

1244

00:50:32,680 --> 00:50:29,569

happened yeah and then so was it the

1245

00:50:35,650 --> 00:50:32,690

same day that J Allen Hynek the the

1246

00:50:38,589 --> 00:50:35,660

start yeah the head of the book showed

1247

00:50:41,470 --> 00:50:38,599

up yeah they they show up and they you

1248

00:50:45,519 --> 00:50:41,480

know interrogate him ask him questions

1249

00:50:48,670 --> 00:50:45,529

and I mean he did what he passed a

1250

00:50:52,480 --> 00:50:48,680

polygraph tests yeah they both took

1251

00:50:55,029 --> 00:50:52,490

polygraph tests and a special

1252

00:50:56,920 --> 00:50:55,039

investigator Nick Joe Nickell wrote

1253

00:51:00,519 --> 00:50:56,930

wrote that Hickson's behavior was

1254

00:51:02,380 --> 00:51:00,529

questionable but I don't know the guy

1255

00:51:06,190 --> 00:51:02,390

the guy doing the polygraph test

1256

00:51:07,779 --> 00:51:06,200

apparently was maybe not the best suited

1257

00:51:10,390 --> 00:51:07,789

for the job of I guess I'm just you know

1258

00:51:12,010 --> 00:51:10,400

I was reading that but apparently their

1259

00:51:14,829 --> 00:51:12,020

stories just they had them in separate

1260

00:51:17,349 --> 00:51:14,839

rooms him and you know Callen and the

1261

00:51:20,109 --> 00:51:17,359

other guy Charles and their stories

1262

00:51:23,500 --> 00:51:20,119

matched up exactly yeah like down to the

1263

00:51:25,569 --> 00:51:23,510

detail so that's why you know the the

1264

00:51:29,529 --> 00:51:25,579

guy so there who was the guy that did

1265

00:51:32,380 --> 00:51:29,539

the regression hypnotic therapy well man

1266

00:51:38,190 --> 00:51:32,390

I forgot his name let's got his name

1267

00:51:45,519 --> 00:51:42,849

class was that his Philip J class no no

1268

00:51:47,920 --> 00:51:45,529

no no that's not him anyway some do did

1269

00:51:50,500 --> 00:51:47,930

some regression therapy like hypnotic

1270

00:51:54,220 --> 00:51:50,510

thing and they got out like basically

1271

00:51:57,110 --> 00:51:54,230

all those details exactly how he was

1272

00:51:59,560 --> 00:51:57,120

saying that it happened

1273

00:52:03,530 --> 00:51:59,570

and it just seemed to be super super

1274

00:52:04,970 --> 00:52:03,540

legit to everybody involved like nobody

1275

00:52:06,920 --> 00:52:04,980

nobody was questioning like oh I think

1276
00:52:11,390 --> 00:52:06,930
these guys are just making up this story

1277
00:52:13,070 --> 00:52:11,400
to get famous or yeah yeah yeah and then

1278
00:52:15,680 --> 00:52:13,080
I mean yeah that's that's pretty much

1279
00:52:16,910 --> 00:52:15,690
the rest of the story that that's that's

1280
00:52:19,070 --> 00:52:16,920
the end of the story that I know of

1281
00:52:23,540 --> 00:52:19,080
other than this other interview I was

1282
00:52:25,130 --> 00:52:23,550
listening to you today and so I was

1283
00:52:28,850 --> 00:52:25,140
telling you earlier before heard before

1284
00:52:31,520 --> 00:52:28,860
the podcast but I was watching this

1285
00:52:35,150 --> 00:52:31,530
other interview with Calvin and some

1286
00:52:38,360 --> 00:52:35,160
other you know live podcast and a guest

1287
00:52:40,910 --> 00:52:38,370
calls in and says hey Charles I live

1288
00:52:43,520 --> 00:52:40,920

here in Austin Texas super dope yeah

1289

00:52:45,290 --> 00:52:43,530

and I interviewed Charles a few years

1290

00:52:47,030 --> 00:52:45,300

back and he actually came to Austin to

1291

00:52:49,940 --> 00:52:47,040

talk to speak at this event that I was

1292

00:52:53,960 --> 00:52:49,950

having and before he went up on stage

1293

00:52:56,510 --> 00:52:53,970

and spoke to the to this event he

1294

00:52:59,900 --> 00:52:56,520

started trembling and shaking and kind

1295

00:53:01,580 --> 00:52:59,910

of like freaking out and as he was like

1296

00:53:03,530 --> 00:53:01,590

being taken care of they're like hey

1297

00:53:05,300 --> 00:53:03,540

here's some water sit down and they're

1298

00:53:07,880 --> 00:53:05,310

kind of calling him down and Charles

1299

00:53:10,490 --> 00:53:07,890

said they're here they're coming as he's

1300

00:53:12,440 --> 00:53:10,500

like shaking and trembling and he says

1301

00:53:15,800 --> 00:53:12,450

yeah they're here they're about to be

1302

00:53:18,350 --> 00:53:15,810

here oh man so so the rest of the story

1303

00:53:20,270 --> 00:53:18,360

is that right the second half is you

1304

00:53:21,560 --> 00:53:20,280

have to sign up for this this website to

1305

00:53:23,510 --> 00:53:21,570

see what happens next

1306

00:53:25,610 --> 00:53:23,520

yeah yeah so that's the only thing is we

1307

00:53:28,010 --> 00:53:25,620

have for the rest of this story I know I

1308

00:53:29,960 --> 00:53:28,020

know we're gonna figure it out there's

1309

00:53:32,060 --> 00:53:29,970

gonna be a part two to this story yeah

1310

00:53:33,170 --> 00:53:32,070

there has to because we're gonna we're

1311

00:53:34,610 --> 00:53:33,180

gonna figure it out we'll do some

1312

00:53:37,250 --> 00:53:34,620

digging yeah I'll definitely do some

1313

00:53:40,010 --> 00:53:37,260

digging for you guys but yeah it's you

1314

00:53:42,320 --> 00:53:40,020

know he said he said one of the the you

1315

00:53:45,200 --> 00:53:42,330

know throughout this the history of this

1316

00:53:48,080 --> 00:53:45,210

story you know people have added things

1317

00:53:50,360 --> 00:53:48,090

people have taken stuff out yeah and so

1318

00:53:54,050 --> 00:53:50,370

the best thing for him to do was to

1319

00:53:57,020 --> 00:53:54,060

write the story himself and not have

1320

00:54:00,200 --> 00:53:57,030

anything changed yeah and we would be

1321

00:54:02,120 --> 00:54:00,210

from his words you know and it would go

1322

00:54:03,770 --> 00:54:02,130

on through history yeah well he wrote

1323

00:54:05,930 --> 00:54:03,780

them his story he wrote a book a couple

1324

00:54:07,910 --> 00:54:05,940

of books about it right so I mean that'd

1325

00:54:09,290 --> 00:54:07,920

be a pretty interesting I bet we should

1326

00:54:10,309 --> 00:54:09,300

just we should probably just buy the

1327

00:54:13,159 --> 00:54:10,319

book and figure

1328

00:54:13,909 --> 00:54:13,169

storia if you really want to know what

1329

00:54:17,120 --> 00:54:13,919

happened next

1330

00:54:19,069 --> 00:54:17,130

but that seems to be to me kind of lead

1331

00:54:22,069 --> 00:54:19,079

into what happens next is that they come

1332

00:54:24,049 --> 00:54:22,079

back they like I don't know because he

1333

00:54:26,509 --> 00:54:24,059

talks about a second abduction that

1334

00:54:28,069 --> 00:54:26,519

happened in the 90s right right yes so

1335

00:54:31,370 --> 00:54:28,079

they had the second half of the story

1336

00:54:32,419 --> 00:54:31,380

yeah and I want to know pretty bit what

1337

00:54:34,159 --> 00:54:32,429

happened yeah dude

1338

00:54:35,799 --> 00:54:34,169

I'll probably pick up the book here

1339

00:54:40,849 --> 00:54:35,809

pretty soon yeah I think you should

1340

00:54:43,069 --> 00:54:40,859

speaking of shopping online hey guys

1341

00:54:45,699 --> 00:54:43,079

abduction 51 I I bought some more stuff

1342

00:54:47,269 --> 00:54:45,709

oh yeah I bought some more gear yeah hey

1343

00:54:49,579 --> 00:54:47,279

got a hat

1344

00:54:51,439 --> 00:54:49,589

I got another shirt today and they were

1345

00:54:54,739 --> 00:54:51,449

really really good because I messed up

1346

00:54:56,989 --> 00:54:54,749

and I ordered the wrong size shirt okay

1347

00:54:58,789 --> 00:54:56,999

so I got ahold of him like a couple

1348

00:55:00,199 --> 00:54:58,799

hours later I purchased it at nighttime

1349

00:55:03,169 --> 00:55:00,209

and then in the morning I was like oh

1350

00:55:04,759 --> 00:55:03,179

man like I bought the wrong shirt can

1351
00:55:07,909 --> 00:55:04,769
you can you can you see me the right

1352
00:55:10,189 --> 00:55:07,919
shirt and they were super helpful you

1353
00:55:11,359 --> 00:55:10,199
know he emailed me back immediately it

1354
00:55:12,499 --> 00:55:11,369
was like yeah let me see if I can get

1355
00:55:15,439 --> 00:55:12,509
ahold of the you know the distribution

1356
00:55:17,689 --> 00:55:15,449
center and he did and they fixed it and

1357
00:55:18,019 --> 00:55:17,699
so yeah dude so what good customer

1358
00:55:21,559 --> 00:55:18,029
service

1359
00:55:23,959 --> 00:55:21,569
were pretty speedy response extremely

1360
00:55:26,359 --> 00:55:23,969
speedy and within like an hour my

1361
00:55:28,279 --> 00:55:26,369
situation had been fixed that's awesome

1362
00:55:29,569 --> 00:55:28,289
yeah shout out to abduction 51 that just

1363
00:55:31,159 --> 00:55:29,579

tells you how good of a company that is

1364

00:55:32,870 --> 00:55:31,169

yeah totally the customer service and

1365

00:55:35,149 --> 00:55:32,880

like hey I messed up and absolutely

1366

00:55:36,919 --> 00:55:35,159

Strich arge or whatever that's so

1367

00:55:39,049 --> 00:55:36,929

awesome exactly the level of companies

1368

00:55:40,669 --> 00:55:39,059

do that yeah so I'm still waiting on my

1369

00:55:42,559 --> 00:55:40,679

first round of shirts to get here yeah

1370

00:55:44,569 --> 00:55:42,569

they're coming from the UK yeah yeah

1371

00:55:46,189 --> 00:55:44,579

it's gonna take a little bit but yeah I

1372

00:55:49,249 --> 00:55:46,199

male female I guess yeah it is the male

1378
00:56:07,459 --> 00:56:04,439

on there now and just get the they have

1417

00:57:37,870 --> 00:57:35,030

like a pack of bestsellers I think was

1418

00:57:39,880 --> 00:57:37,880

like I think was like 2024 bucks yeah I

1419

00:57:41,710 --> 00:57:39,890

didn't think it was that expensive it

1420

00:57:42,670 --> 00:57:41,720

may not be it may not be maybe a little

1421

00:57:45,190 --> 00:57:42,680

cheaper than that but they send you

1422

00:57:47,680 --> 00:57:45,200

their top three best selling soaps just

1423

00:57:50,350 --> 00:57:47,690

so you can try them out and uh and

1424

00:57:52,450 --> 00:57:50,360

that's that's what I got feel like a man

1425

00:57:52,990 --> 00:57:52,460

smell like a champion that's pretty

1426
00:57:55,750 --> 00:57:53,000
sweet

1427
00:57:56,380 --> 00:57:55,760
yeah dude so it is it is geared more for

1428
00:58:00,790 --> 00:57:56,390
dudes

1429
00:58:01,810 --> 00:58:00,800
but I mean chicks are into it yeah why

1430
00:58:04,060 --> 00:58:01,820
not you buy it too

1431
00:58:06,070 --> 00:58:04,070
yeah there you go yeah it's this one's

1432
00:58:07,930 --> 00:58:06,080
called all-natural manly soap and I mean

1433
00:58:10,690 --> 00:58:07,940
that the soap bars look dope yeah like

1434
00:58:12,820 --> 00:58:10,700
so cool I have the pine tar pine tar yes

1435
00:58:13,900 --> 00:58:12,830
such an awesome look like saying I have

1436
00:58:16,450 --> 00:58:13,910
the cedar citrus

1437
00:58:18,040 --> 00:58:16,460
yep the pine tar cedar citrus oh and

1438
00:58:20,320 --> 00:58:18,050

that's the haircare products they have a

1439

00:58:23,860 --> 00:58:20,330

line of haircare products yeah it's all

1440

00:58:26,380 --> 00:58:23,870

natural stuff no chemicals nothing like

1441

00:58:28,510 --> 00:58:26,390

that and you know usually you know I'm

1442

00:58:32,320 --> 00:58:28,520

I'm into that kind of stuff I like the

1443

00:58:34,650 --> 00:58:32,330

the natural bar soaps and I've used a

1444

00:58:36,100 --> 00:58:34,660

lot of natural bar soaps and they always

1445

00:58:38,530 --> 00:58:36,110

dissolve soap

1446

00:58:42,040 --> 00:58:38,540

fast okay or they just they leave you

1447

00:58:44,050 --> 00:58:42,050

super dry you know or super oily right

1448

00:58:46,420 --> 00:58:44,060

on the other hand write this stuff dude

1449

00:58:48,820 --> 00:58:46,430

is perfect yeah I love it

1450

00:58:52,510 --> 00:58:48,830

so know like like residue that like soap

1451
00:58:54,250 --> 00:58:52,520
scum that we hate about bar soaps man

1452
00:58:56,290 --> 00:58:54,260
kiss writings my skin like you try to

1453
00:58:58,480 --> 00:58:56,300
rub your hand over it gets caught yeah

1454
00:59:00,340 --> 00:58:58,490
this stuff doesn't do that man it's it's

1455
00:59:02,260 --> 00:59:00,350
really really awesome and they give you

1456
00:59:04,540 --> 00:59:02,270
a little block a little wooden block to

1457
00:59:06,400 --> 00:59:04,550
put your soap on yeah it keeps yourself

1458
00:59:08,860 --> 00:59:06,410
from getting soap scum and it makes your

1459
00:59:11,380 --> 00:59:08,870
bar last longer so so yeah if you guys

1460
00:59:15,490 --> 00:59:11,390
order the sampler bundle how much was it

1461
00:59:18,490 --> 00:59:15,500
twenty it says up there right down down

1462
00:59:20,800 --> 00:59:18,500
down down right there Sam sampler bundle

1463
00:59:22,690 --> 00:59:20,810

sampler bun oh yeah 27 bucks 27 bucks

1464

00:59:24,970 --> 00:59:22,700

three soaps and you get that sweet

1465

00:59:26,470 --> 00:59:24,980

wooden block that's a lot of stuff yeah

1466

00:59:28,510 --> 00:59:26,480

that's awesome oh you have the [h__\h] the

1467

00:59:31,060 --> 00:59:28,520

old-school shave stuff with the brush

1468

00:59:34,480 --> 00:59:31,070

the shaving cream my dad used to use the

1469

00:59:36,670 --> 00:59:34,490

brush yeah so if you guys shave they

1470

00:59:40,330 --> 00:59:36,680

have the shaving products and it comes

1471

00:59:42,190 --> 00:59:40,340

with a little shaving foam stuff and a

1472

00:59:44,590 --> 00:59:42,200

little brush and a little fun a little

1473

00:59:48,550 --> 00:59:44,600

mug for you to put the brush in I don't

1474

00:59:51,040 --> 00:59:48,560

shave I've got a super awesome beard so

1475

00:59:54,060 --> 00:59:51,050

I'm gonna use the beard oils instead but

1476

00:59:57,460 --> 00:59:54,070

for those of you dudes who do shave

1477

00:59:59,140 --> 00:59:57,470

check it out yeah man we're working on

1478

01:00:01,330 --> 00:59:59,150

1483

01:00:11,140 --> 01:00:08,780

1484

Facebook post when we post the episode

1489

01:00:24,880 --> 01:00:21,920

1493

01:00:35,980 --> 01:00:34,310

if it was just kind of a like a promo

1494

01:00:38,110 --> 01:00:35,990

deal or if they have it somewhere

1495

01:00:40,780 --> 01:00:38,120

1496

01:00:42,520 --> 01:00:40,790

it's like a hidden bar like you got to

1497

01:00:47,110 --> 01:00:42,530

1526

01:02:01,010 --> 01:01:58,650

works too cuz I work outside all day

1527

01:02:03,590 --> 01:02:01,020

long like I do landscaping construction

1528

01:02:05,660 --> 01:02:03,600

type stuff I'm sweating constantly I'm

1529

01:02:08,240 --> 01:02:05,670

covered in grease you know I get grease

1530

01:02:11,390 --> 01:02:08,250

all over me I get dirt and and

1531

01:02:14,720 --> 01:02:11,400

fertilizers and you know I smell like I

1532

01:02:17,810 --> 01:02:14,730

1533

01:02:18,670 --> 01:02:17,820

this doctor Squatch soap and I'm clean

1534

01:02:21,860 --> 01:02:18,680

1538

01:02:29,450 --> 01:02:27,390

one of the big things that I was like oh

1539

01:02:30,830 --> 01:02:29,460

1540

01:02:33,770 --> 01:02:30,840

really good usually like regular hand

1544

01:02:43,100 --> 01:02:40,080

saws it takes like four or five washes

1545

01:02:45,080 --> 01:02:43,110

to get grease off oh I'm messing with my

1546

01:02:48,890 --> 01:02:45,090

grill and I get you know greasy food

1547

01:02:50,780 --> 01:02:48,900

cold charcoal like yeah residue like tar

1548

01:02:53,750 --> 01:02:50,790

1595

01:04:57,980 --> 01:04:56,400

buying some some some GoPros we want to

1596

01:04:59,780 --> 01:04:57,990

start filming this and put it on YouTube

1597

01:05:01,400 --> 01:04:59,790

we just recently started uploading some

1598

01:05:04,190 --> 01:05:01,410

of our episodes to YouTube but it's just

1599

01:05:06,570 --> 01:05:04,200

that graphic that I created of our brand

1600

01:05:09,390 --> 01:05:06,580

so I'd look we want to start doing a

1601
01:05:11,070 --> 01:05:09,400
videod podcast like so people can be in

1602
01:05:12,690 --> 01:05:11,080
the room with us and just kind of hang

1603
01:05:15,330 --> 01:05:12,700
out with us you know if you're at home

1604
01:05:16,800 --> 01:05:15,340
drinking beer drink a beer and talk

1605
01:05:19,470 --> 01:05:16,810
about aliens with us that's really what

1606
01:05:20,850 --> 01:05:19,480
I want to get at but yes GoPros are

1607
01:05:23,520 --> 01:05:20,860
expensive I think we like to do like a

1608
01:05:25,440 --> 01:05:23,530
live feed one day yeah where people can

1609
01:05:27,690 --> 01:05:25,450
just kind of you know ask us questions

1610
01:05:29,640 --> 01:05:27,700
questions live ya know we can answer

1611
01:05:31,080 --> 01:05:29,650
them right there yeah or like submit

1612
01:05:32,550 --> 01:05:31,090
things like hey you guys have check this

1613
01:05:34,110 --> 01:05:32,560

out and then we'll watch a youtube video

1614

01:05:35,820 --> 01:05:34,120

together yeah or something like that

1615

01:05:39,390 --> 01:05:35,830

yeah so we can show you guys what we're

1616

01:05:51,540 --> 01:05:39,400

looking at - yes exactly we do it for

1617

01:05:57,360 --> 01:05:51,550

you I'll make this my review look what I

1618

01:05:57,690 --> 01:05:57,370

did here yes dude sweet so yeah help us

1619

01:05:59,370 --> 01:05:57,700

out

1620

01:06:03,090 --> 01:05:59,380

oh and also like give us a like on

1621

01:06:05,100 --> 01:06:03,100

Facebook or if whatever podcast episode

1622

01:06:07,230 --> 01:06:05,110

outlet you're listening to give us a

1623

01:06:08,670 --> 01:06:07,240

thumbs up or give us a rating yeah we

1624

01:06:10,410 --> 01:06:08,680

really could use some rating on like

1625

01:06:14,580 --> 01:06:10,420

iTunes and stuff we only have like one

1626

01:06:16,830 --> 01:06:14,590

rating yeah so it's a good rating yeah

1627

01:06:18,210 --> 01:06:16,840

it's a good rating yeah but yeah we need

1628

01:06:20,850 --> 01:06:18,220

some more thumbs up some like some

1629

01:06:23,430 --> 01:06:20,860

subscribes on YouTube just leave a

1630

01:06:25,830 --> 01:06:23,440

comment and say hi yes hey what's up say

1631

01:06:28,110 --> 01:06:25,840

you guys suck we care we guys we got a

1632

01:06:30,540 --> 01:06:28,120

lot of awesome really positive feedback

1633

01:06:32,190 --> 01:06:30,550

from you - super nice yes so nice like

1634

01:06:34,560 --> 01:06:32,200

really surprised by people common in

1635

01:06:36,000 --> 01:06:34,570

like hey I came here from Spotify to

1636

01:06:38,070 --> 01:06:36,010

give you a thumbs up and I just want to

1637

01:06:39,990 --> 01:06:38,080

tell you like how it's such an awesome I

1638

01:06:41,670 --> 01:06:40,000

love that so much yeah people were

1639

01:06:44,090 --> 01:06:41,680

actually like enjoying listening to our

1640

01:06:47,580 --> 01:06:44,100

podcast and it's [h__h] about yeah

1641

01:06:51,030 --> 01:06:47,590

totally brighten my day for sure man for

1642

01:06:54,510 --> 01:06:51,040

sure yeah it's good stuff yeah it's good

1643

01:06:56,070 --> 01:06:54,520

stuff so we have one more topic if you

1644

01:06:57,690 --> 01:06:56,080

want to go through it we're only I mean

1645

01:06:59,310 --> 01:06:57,700

we're about the same length as last time

1646

01:07:01,500 --> 01:06:59,320

we might as well talk about a little bit

1647

01:07:06,480 --> 01:07:01,510

yeah we can go through it so I recently

1648

01:07:07,890 --> 01:07:06,490

just subscribed to see TV and I can't

1649

01:07:09,510 --> 01:07:07,900

remember what it stands for but it's

1650

01:07:11,970 --> 01:07:09,520

like it's kind of like Gaea but it's

1651
01:07:13,440 --> 01:07:11,980
mainly like Close Encounters I don't

1652
01:07:16,950 --> 01:07:13,450
think so I think it's consciousness

1653
01:07:19,440 --> 01:07:16,960
something but it's yeah see II TV

1654
01:07:20,830 --> 01:07:19,450
something like that but lots of lots of

1655
01:07:22,600 --> 01:07:20,840
exclusive interview

1656
01:07:23,950 --> 01:07:22,610
ones with like dr. Greer I can't wait to

1657
01:07:26,710 --> 01:07:23,960
listen to that one ones with David

1658
01:07:28,540 --> 01:07:26,720
Wilcock who of you know got oh y'all

1659
01:07:31,930 --> 01:07:28,550
know that I love so listen to one of his

1660
01:07:33,460 --> 01:07:31,940
David Wilcox and it's about taking down

1661
01:07:36,880 --> 01:07:33,470
the Cabal and I thought this was super

1662
01:07:39,130 --> 01:07:36,890
super interesting the the set up is kind

1663
01:07:41,320 --> 01:07:39,140

of like I guess the interviewers ask him

1664

01:07:43,030 --> 01:07:41,330

a question and then he you know

1665

01:07:45,120 --> 01:07:43,040

David Wilcock is in his own house or

1666

01:07:47,200 --> 01:07:45,130

whatever he's videotaping his own house

1667

01:07:48,880 --> 01:07:47,210

so he answers questions and one of the

1668

01:07:51,580 --> 01:07:48,890

first questions is what does he think of

1669

01:07:53,860 --> 01:07:51,590

Trump and man this this interview is so

1670

01:07:55,930 --> 01:07:53,870

interesting you can sign up for like a

1671

01:08:00,190 --> 01:07:55,940

free month trial so I'm just gonna like

1672

01:08:01,990 --> 01:08:00,200

listen to is my stuff in fro but anyway

1673

01:08:03,640 --> 01:08:02,000

if you all want to check it out

1674

01:08:06,040 --> 01:08:03,650

this interview so they're talking to

1675

01:08:08,470 --> 01:08:06,050

David Wilcock and he's talking about

1676

01:08:10,720 --> 01:08:08,480

Trump and this is something that you

1677

01:08:13,090 --> 01:08:10,730

mean Joe I've talked about like the

1678

01:08:15,070 --> 01:08:13,100

Cabal and the Alliance and things like

1679

01:08:16,750 --> 01:08:15,080

that so there's there's two sides if you

1680

01:08:18,130 --> 01:08:16,760

if you guys listening don't know what

1681

01:08:21,550 --> 01:08:18,140

I'm talking about there's two sides to

1682

01:08:25,240 --> 01:08:21,560

basically like this UFO disclosure slash

1683

01:08:27,250 --> 01:08:25,250

dark government black budget government

1684

01:08:30,099 --> 01:08:27,260

going on there's the cabal that owns all

1685

01:08:33,070 --> 01:08:30,109

that black budget product yeah not

1686

01:08:35,470 --> 01:08:33,080

product projects and have basically been

1687

01:08:37,120 --> 01:08:35,480

running the government for a while

1688

01:08:39,099 --> 01:08:37,130

that's like kind of a conspiracy behind

1689

01:08:40,660 --> 01:08:39,109

it the guys in the shadows the guys in

1690

01:08:43,930 --> 01:08:40,670

the shadows and nobody knows of like the

1691

01:08:47,110 --> 01:08:43,940

bilderbergs the the Rothschilds the

1692

01:08:48,640 --> 01:08:47,120

Rockefellers Bush's the Bush's yeah and

1693

01:08:51,550 --> 01:08:48,650

they've just been in power through this

1694

01:08:55,930 --> 01:08:51,560

bloodline for hundreds of years like

1695

01:08:59,020 --> 01:08:55,940

dating back to like a 15 1600s Dave yeah

1696

01:09:00,970 --> 01:08:59,030

from from Europe yeah

1697

01:09:03,700 --> 01:09:00,980

and the opposite to that it's called the

1698

01:09:05,620 --> 01:09:03,710

Alliance and that's also been around for

1699

01:09:07,810 --> 01:09:05,630

maybe just a couple hundred years like

1700

01:09:09,730 --> 01:09:07,820

May basically when we moved to America

1701

01:09:12,820 --> 01:09:09,740

and it started to get pretty bad at that

1702

01:09:15,010 --> 01:09:12,830

this alliance you know came about so the

1703

01:09:17,500 --> 01:09:15,020

Alliance is kind of the the good the

1704

01:09:20,320 --> 01:09:17,510

good guys and the Cabal is kind of the

1705

01:09:22,150 --> 01:09:20,330

bad like bad guy bad guys and you know

1706

01:09:23,950 --> 01:09:22,160

as we know like the GUP there's all

1707

01:09:25,960 --> 01:09:23,960

these conspiracy maybe not even

1708

01:09:29,200 --> 01:09:25,970

conspiracy out there's a lot of theories

1709

01:09:31,480 --> 01:09:29,210

out there and a lot of proof pointing to

1710

01:09:32,959 --> 01:09:31,490

the this cabal that it actually exists

1711

01:09:36,229 --> 01:09:32,969

yeah totally you know

1712

01:09:37,550 --> 01:09:36,239

and I totally I'm sold on it like it's

1713

01:09:40,579 --> 01:09:37,560

the only way he's talking I think I am

1714

01:09:42,709 --> 01:09:40,589

too I mean it does get mixed up in the

1715

01:09:43,999 --> 01:09:42,719

in the crazy conspiracy world and you

1716

01:09:45,979 --> 01:09:44,009

know people just kind of brush it off

1717

01:09:48,260 --> 01:09:45,989

right so yeah of course people with

1718

01:09:50,390 --> 01:09:48,270

power because of course yeah but it

1719

01:09:51,950 --> 01:09:50,400

sounds crazy but when you start really

1720

01:09:53,720 --> 01:09:51,960

going back and looking at this

1721

01:09:55,640 --> 01:09:53,730

throughout history you're like these

1722

01:09:57,140 --> 01:09:55,650

people have been involved for hundreds

1723

01:09:59,360 --> 01:09:57,150

of years remember that there's like

1724

01:10:01,459 --> 01:09:59,370

deciding what the world is gonna do yeah

1725

01:10:03,050 --> 01:10:01,469

and still doing it to this day and

1726

01:10:05,390 --> 01:10:03,060

putting the leaders in power that all

1727

01:10:06,740 --> 01:10:05,400

share the same relative remember that

1728

01:10:08,990 --> 01:10:06,750

the eighteen-year-old girl that did that

1729

01:10:11,900 --> 01:10:09,000

that science project everyman resident

1730

01:10:13,910 --> 01:10:11,910

is related somehow through bloodline yes

1731

01:10:16,640 --> 01:10:13,920

whether it be cousins or second cousins

1732

01:10:19,340 --> 01:10:16,650

right every one of them is related there

1733

01:10:21,200 --> 01:10:19,350

is a royal bloodline and it totally can

1734

01:10:24,500 --> 01:10:21,210

coincides with what everybody's been

1735

01:10:25,610 --> 01:10:24,510

saying for years and years and years so

1736

01:10:27,650 --> 01:10:25,620

yeah David

1737

01:10:28,970 --> 01:10:27,660

so anyway David Wilcock he brings this

1738

01:10:30,500 --> 01:10:28,980

fact up he's been talking about this

1739

01:10:33,310 --> 01:10:30,510

stuff by the way it since like 2008

1740

01:10:35,870 --> 01:10:33,320

probably even earlier than that but uh

1741

01:10:37,100 --> 01:10:35,880

so the the question is that was posed is

1742

01:10:39,860 --> 01:10:37,110

like what do you think about Trump and

1743

01:10:41,840 --> 01:10:39,870

okay so I'm just kind of regurgitating

1744

01:10:44,300 --> 01:10:41,850

what he told me and I'm not a very

1745

01:10:46,459 --> 01:10:44,310

political guy we're not subscribing to

1746

01:10:48,110 --> 01:10:46,469

any side yeah I'm not I'm not a huge

1747

01:10:49,850 --> 01:10:48,120

trump supporter I'm not I'm not a

1748

01:10:52,820 --> 01:10:49,860

Republican or a Democrat I don't know

1749

01:10:54,650 --> 01:10:52,830

what where I lie so this is totally

1750

01:10:58,580 --> 01:10:54,660

unbiased like this is just me really

1751

01:11:00,950 --> 01:10:58,590

relating information but what he says is

1752

01:11:02,810 --> 01:11:00,960

like you know and David Lee also says

1753

01:11:05,300 --> 01:11:02,820

hey I'm not a huge trump supporter but

1754

01:11:07,189 --> 01:11:05,310

this is what I know from my my insiders

1755

01:11:08,660 --> 01:11:07,199

right David's got a lot of insiders that

1756

01:11:11,270 --> 01:11:08,670

he can't really disclose what their

1757

01:11:14,270 --> 01:11:11,280

names are but they're high up in the

1758

01:11:16,370 --> 01:11:14,280

Alliance and you know that the Alliance

1759

01:11:18,110 --> 01:11:16,380

could be anybody in government that's

1760

01:11:19,520 --> 01:11:18,120

not a part of the Cabal or maybe they

1761

01:11:21,020 --> 01:11:19,530

were like double agents or something

1762

01:11:22,580 --> 01:11:21,030

like that so it could be freaking

1763

01:11:24,800 --> 01:11:22,590

anybody that's leaking information to

1764

01:11:26,930 --> 01:11:24,810

David and he's a really trustworthy guy

1765

01:11:31,060 --> 01:11:26,940

that doesn't give away his sources so

1766

01:11:34,130 --> 01:11:31,070

anyway they're kind of talking about

1767

01:11:36,860 --> 01:11:34,140

Trump and basically what the information

1768

01:11:39,140 --> 01:11:36,870

that David got was that Trump was

1769

01:11:41,479 --> 01:11:39,150

approached by the Alliance and maybe

1770

01:11:43,160 --> 01:11:41,489

they helped him out to win the election

1771

01:11:45,200 --> 01:11:43,170

so that he could bring the Cabal down

1772

01:11:46,099 --> 01:11:45,210

and it coincides with these sealed

1773

01:11:48,560 --> 01:11:46,109

indictments

1774

01:11:51,259 --> 01:11:48,570

that were first made known to David

1775

01:11:53,329 --> 01:11:51,269

Wilcock back in 2009 these sealed

1776

01:11:56,829 --> 01:11:53,339

indictments there was like 50,000 of

1777

01:12:01,069 --> 01:11:56,839

them and basically what they are are

1778

01:12:03,770 --> 01:12:01,079

legal charges against just basically

1779

01:12:05,750 --> 01:12:03,780

just a legal evil [h__h] that's happening

1780

01:12:09,919 --> 01:12:05,760

in our government yeah people

1781

01:12:12,310 --> 01:12:09,929

surrounding power and politics and one

1782

01:12:15,520 --> 01:12:12,320

of them happen to be the Jeffrey Epstein

1783

01:12:19,069 --> 01:12:15,530

thing yeah that just got released under

1784

01:12:21,469 --> 01:12:19,079

Trump's administration so it kind of you

1785

01:12:24,679 --> 01:12:21,479

start to see where it's starting to make

1786

01:12:26,359 --> 01:12:24,689

sense yeah like all right so all that we

1787

01:12:30,020 --> 01:12:26,369

hear about you know yeah Trump has a

1788

01:12:32,179 --> 01:12:30,030

dumb ass he's tweeting some dumb [h__h]

1789

01:12:35,750 --> 01:12:32,189

all the time yeah and he says some stuff

1790

01:12:38,029 --> 01:12:35,760

that's not not good right we can all

1791

01:12:39,799 --> 01:12:38,039

agree that he's it's Trump it's Trump

1792

01:12:42,919 --> 01:12:39,809

it's exactly what you would think Donald

1793

01:12:44,629 --> 01:12:42,929

Trump would be yeah right and yeah he's

1794

01:12:47,029 --> 01:12:44,639

just not conventional he's not he's not

1795

01:12:48,919 --> 01:12:47,039

from a political background and he's

1796

01:12:51,259 --> 01:12:48,929

just like this outsider that came in and

1797

01:12:53,329 --> 01:12:51,269

he's just putting down the hammer and

1798

01:12:54,979 --> 01:12:53,339

putting a you know a lot of stuff was

1799

01:12:55,669 --> 01:12:54,989

happening a lot of people are getting

1800

01:12:57,469 --> 01:12:55,679

fired

1801

01:13:01,009 --> 01:12:57,479

of course yeah he's been in you know

1802

01:13:02,959 --> 01:13:01,019

like Steve Bannon like a UH in cahoots

1803

01:13:04,879 --> 01:13:02,969

with him like he's probably not a good

1804

01:13:06,799 --> 01:13:04,889

guy either right so there's work there's

1805

01:13:08,359 --> 01:13:06,809

a lot of gray areas you think like when

1806

01:13:11,569 --> 01:13:08,369

you get up to that level though there's

1807

01:13:13,729 --> 01:13:11,579

just everybody everybody's yeah

1808

01:13:15,889 --> 01:13:13,739

everybody's got some [h__\h] yeah you know

1809

01:13:17,929 --> 01:13:15,899

cuz in order to get to that level

1810

01:13:20,959 --> 01:13:17,939

I mean I'd assume you don't play very

1811

01:13:23,509 --> 01:13:20,969

fair right and in that arena right now

1812

01:13:25,159 --> 01:13:23,519

you you you got to pull strings for

1813

01:13:26,689 --> 01:13:25,169

people and you got to do things to get

1814

01:13:28,819 --> 01:13:26,699

what you want to get to where you need

1815

01:13:30,949 --> 01:13:28,829

to be right Yeah right so everybody's

1816

01:13:32,389 --> 01:13:30,959

probably got a little something yeah you

1817

01:13:33,229 --> 01:13:32,399

know a little dirt under their nails

1818

01:13:38,149 --> 01:13:33,239

right

1819

01:13:41,239 --> 01:13:38,159

some people murder people and have sex

1820

01:13:43,250 --> 01:13:41,249

with children but you know yeah it's

1821

01:13:46,069 --> 01:13:43,260

definitely worse than then you know

1822

01:13:48,199 --> 01:13:46,079

others yeah but yeah everybody's got a

1823

01:13:51,829 --> 01:13:48,209

little something up there yeah man and

1824

01:13:54,020 --> 01:13:51,839

and so before I kind of go in on Jeffrey

1825

01:13:57,349 --> 01:13:54,030

Epstein I kind of want to explain what

1826

01:13:59,049 --> 01:13:57,359

the Cabal so David kind of goes in on

1827

01:14:01,750 --> 01:13:59,059

what what the Cabal

1828

01:14:03,490 --> 01:14:01,760

is you know what the origins are from so

1829

01:14:06,339 --> 01:14:03,500

he says basically they believe in this

1830

01:14:08,740 --> 01:14:06,349

loose affair Luciferian belief that they

1831

01:14:11,620 --> 01:14:08,750

are descendants from this bloodline of

1832

01:14:13,600 --> 01:14:11,630

Lucifer which is a fallen angel an alien

1833

01:14:16,510 --> 01:14:13,610

species that crash-landed here that came

1834

01:14:20,620 --> 01:14:16,520

here for refuge a couple million years

1835

01:14:22,419 --> 01:14:20,630

ago yeah and his ship his huge

1836

01:14:24,760 --> 01:14:22,429

mothership and a bunch other ships are

1837

01:14:28,209 --> 01:14:24,770

basically under the ice in Antarctica I

1838

01:14:31,359 --> 01:14:28,219

don't know this sounds crazy Oh me yeah

1839

01:14:33,010 --> 01:14:31,369

I didn't think so either so that's what

1840

01:14:36,010 --> 01:14:33,020

the Cabal is from they believe that they

1841

01:14:38,220 --> 01:14:36,020

are direct bloodline descendants from

1842

01:14:41,470 --> 01:14:38,230

Lucifer Lucifer is the name given to the

1843

01:14:44,169 --> 01:14:41,480

the commander of this alien ship that

1844

01:14:47,410 --> 01:14:44,179

was crash-landed or maybe just landed a

1845

01:14:49,660 --> 01:14:47,420

couple million years ago in Antarctica

1846

01:14:52,450 --> 01:14:49,670

seeking refuge because their planet

1847

01:14:56,109 --> 01:14:52,460

exploded or you know got destroyed

1848

01:14:58,359 --> 01:14:56,119

somehow so that's where it all comes

1849

01:15:00,819 --> 01:14:58,369

from and they still to this day believe

1850

01:15:03,939 --> 01:15:00,829

that there are these descendants and

1851

01:15:06,189 --> 01:15:03,949

that they have this idea that they're

1852

01:15:09,879 --> 01:15:06,199

they're the chosen ones and they can't

1853

01:15:12,540 --> 01:15:09,889

do you know whatever they do whether it

1854

01:15:14,740 --> 01:15:12,550

be you know lying cheating stealing

1855

01:15:17,020 --> 01:15:14,750

having sex with kids you know like

1856

01:15:18,490 --> 01:15:17,030

pedophilia yeah like that it doesn't

1857

01:15:21,430 --> 01:15:18,500

matter because they're chosen and there

1858

01:15:24,399 --> 01:15:21,440

are part of this bloodline so yeah our

1859

01:15:29,379 --> 01:15:24,409

kids play a big role whether it come

1860

01:15:32,080 --> 01:15:29,389

from their being sacrificed uh-huh you

1861

01:15:34,750 --> 01:15:32,090

know to them also being virgins a high

1862

01:15:38,649 --> 01:15:34,760

up yer blood things like that you know

1863

01:15:40,720 --> 01:15:38,659

it's it's that that the Luciferian thing

1864

01:15:43,120 --> 01:15:40,730

gets a little crazy it really does and

1865

01:15:44,740 --> 01:15:43,130

it makes me know I feel weird talking

1866

01:15:46,299 --> 01:15:44,750

about it so we don't have to spend a lot

1867

01:15:47,680 --> 01:15:46,309

of time talking about it it's kind of a

1868

01:15:50,220 --> 01:15:47,690

bummer but I think there's a difference

1869

01:15:54,549 --> 01:15:50,230

though in between like that and like

1870

01:15:55,870 --> 01:15:54,559

Satanists I think I think so because I

1871

01:15:57,459 --> 01:15:55,880

think Satanists aren't a part of the

1872

01:15:59,260 --> 01:15:57,469

bloodline they're just like they're

1873

01:16:01,209 --> 01:15:59,270

there I don't know I don't know much

1874

01:16:04,720 --> 01:16:01,219

about Satan Satanism but I know that

1875

01:16:06,850 --> 01:16:04,730

it's it it spawns from just basically

1876

01:16:08,740 --> 01:16:06,860

the opposite because a lot of people

1877

01:16:10,720 --> 01:16:08,750

have like misconceptions about it I

1878

01:16:12,040 --> 01:16:10,730

don't know a whole whole lot about it

1879

01:16:12,830 --> 01:16:12,050

either but it's kind of the same thing

1880

01:16:14,750 --> 01:16:12,840

as like

1881

01:16:17,030 --> 01:16:14,760

witches right you know everybody ooh

1882

01:16:19,129 --> 01:16:17,040

witches are evil there's not there's

1883

01:16:21,260 --> 01:16:19,139

like good witches you know like yeah

1884

01:16:22,939 --> 01:16:21,270

like the Wiccans and stuff like that

1885

01:16:24,560 --> 01:16:22,949

yeah like what you know there's

1886

01:16:26,479 --> 01:16:24,570

different types obviously some people

1887

01:16:28,939 --> 01:16:26,489

would use it for evil but then obviously

1888

01:16:31,459 --> 01:16:28,949

there's some good witches right I mean

1889

01:16:37,640 --> 01:16:31,469

look at Stevie Nicks the witch was she a

1890

01:16:39,320 --> 01:16:37,650

witch American Horror Story no she's

1891

01:16:41,390 --> 01:16:39,330

she's in she's in a couple of the

1892

01:16:43,669 --> 01:16:41,400

episodes she's part of the the good

1893

01:16:44,660 --> 01:16:43,679

witches right nice you know like witches

1894

01:16:47,209 --> 01:16:44,670

aren't bad

1895

01:16:50,000 --> 01:16:47,219

you know there's negative spells that

1896

01:16:52,760 --> 01:16:50,010

you could probably use that are maybe

1897

01:16:55,250 --> 01:16:52,770

from this Luciferian text yeah all right

1898

01:16:56,570 --> 01:16:55,260

but then there's also spells that you

1899

01:16:58,520 --> 01:16:56,580

know are for good

1900

01:17:00,169 --> 01:16:58,530

maybe then most witches don't mess with

1901

01:17:02,209 --> 01:17:00,179

stuff like that they're they're kind of

1902

01:17:05,240 --> 01:17:02,219

like you're not supposed to touch things

1903

01:17:08,060 --> 01:17:05,250

like that yeah if we have to use if we

1904

01:17:10,430 --> 01:17:08,070

have to use it it's for a very important

1905

01:17:10,939 --> 01:17:10,440

purpose but we're not we're not about

1906

01:17:12,740 --> 01:17:10,949

that life

1907

01:17:14,140 --> 01:17:12,750

yeah so maybe it's kind of like that

1908

01:17:16,879 --> 01:17:14,150

same kind of misconception like

1909

01:17:18,770 --> 01:17:16,889

Satanists it may be this Luciferian

1910

01:17:21,160 --> 01:17:18,780

bloodline right now we're talking about

1911

01:17:23,419 --> 01:17:21,170

right you know so I don't want to like

1912

01:17:25,760 --> 01:17:23,429

jump in and just lump them in

1913

01:17:28,820 --> 01:17:25,770

automatically yeah right people because

1914

01:17:32,359 --> 01:17:28,830

it's a lot of great a lot of differences

1915

01:17:33,740 --> 01:17:32,369

but yeah I think so too yeah and yeah

1916

01:17:35,330 --> 01:17:33,750

there's a lot of gray area and there's

1917

01:17:36,979 --> 01:17:35,340

all the stuff that we don't know again

1918

01:17:39,320 --> 01:17:36,989

we're not we're just doctor scientist

1919

01:17:42,439 --> 01:17:39,330

just doctor scientist or thought experts

1920

01:17:43,939 --> 01:17:42,449

on this stuff hey but yeah man like I

1921

01:17:46,160 --> 01:17:43,949

just thought it was super interesting

1922

01:17:48,500 --> 01:17:46,170

that I've never heard that backstory

1923

01:17:50,300 --> 01:17:48,510

before but it kind of like falls in line

1924

01:17:52,220 --> 01:17:50,310

with everything we've been talking about

1925

01:17:54,800 --> 01:17:52,230

so far in this podcast is like that

1926

01:17:58,939 --> 01:17:54,810

origin story of we came here and we were

1927

01:18:01,250 --> 01:17:58,949

seeded by this alien race right and I

1928

01:18:03,050 --> 01:18:01,260

don't know it just it begs the question

1929

01:18:06,620 --> 01:18:03,060

like if that were let's say that were

1930

01:18:09,050 --> 01:18:06,630

true okay so this this alien species

1931

01:18:11,930 --> 01:18:09,060

came with a bunch of you know thousands

1932

01:18:15,260 --> 01:18:11,940

maybe Millions and they started seeding

1933

01:18:17,030 --> 01:18:15,270

the earth and they started genetically

1934

01:18:19,250 --> 01:18:17,040

altering does that mean with that we all

1935

01:18:20,930 --> 01:18:19,260

derived from this one species or maybe

1936

01:18:23,060 --> 01:18:20,940

there was already species here living

1937

01:18:25,160 --> 01:18:23,070

because that's what he also says is that

1938

01:18:25,950 --> 01:18:25,170

there were already alien species living

1939

01:18:28,650 --> 01:18:25,960

here too

1940

01:18:31,740 --> 01:18:28,660

but then you know Lucifer I guess the

1941

01:18:34,830 --> 01:18:31,750

alien yeah kind of took over and like

1942

01:18:37,380 --> 01:18:34,840

that's where the power comes from is

1943

01:18:38,880 --> 01:18:37,390

that he he needed to have that power he

1944

01:18:41,190 --> 01:18:38,890

wanted to rule the earth and have that

1945

01:18:43,590 --> 01:18:41,200

one-world government thing so that's

1946

01:18:45,120 --> 01:18:43,600

what it's just the same ideology kind of

1947

01:18:48,440 --> 01:18:45,130

goes up the ladder and we're still

1948

01:18:52,530 --> 01:18:48,450

dealing with it today is that is it like

1949

01:18:54,330 --> 01:18:52,540

is that kind of like pre Anunnaki stuff

1950

01:18:58,470 --> 01:18:54,340

or like it has to be yeah or is that

1951

01:19:02,550 --> 01:18:58,480

like Anunnaki on maybe they are the

1952

01:19:05,340 --> 01:19:02,560

Anunnaki because you have the it's like

1953

01:19:07,620 --> 01:19:05,350

what it was like you have the the the

1954

01:19:11,160 --> 01:19:07,630

Nephilim right that we hear about yeah

1955

01:19:13,290 --> 01:19:11,170

which were separated from the other ones

1956

01:19:16,440 --> 01:19:13,300

which were the Elohim uh-huh right and

1957

01:19:18,870 --> 01:19:16,450

so there was like 300 out in space and

1958

01:19:20,370 --> 01:19:18,880

then there was 300 here on earth that

1959

01:19:21,840 --> 01:19:20,380

ran [h__h] basically

1960

01:19:23,520 --> 01:19:21,850

okay all right I don't know about this

1961

01:19:25,830 --> 01:19:23,530

what is it I'm not sure if I'm not sure

1962

01:19:28,530 --> 01:19:25,840

if like there's just so many of these

1963

01:19:31,860 --> 01:19:28,540

like ancient cultures ancient stories

1964

01:19:33,600 --> 01:19:31,870

ancient alien type type stories yeah and

1965

01:19:36,630 --> 01:19:33,610

that's where I get lost is I don't know

1966

01:19:38,040 --> 01:19:36,640

like are they all the same thing are we

1967

01:19:39,870 --> 01:19:38,050

all talking about the same thing or are

1968

01:19:42,630 --> 01:19:39,880

they completely different stories that

1969

01:19:43,920 --> 01:19:42,640

happened in this different timeline dude

1970

01:19:45,920 --> 01:19:43,930

yeah and you could say the same thing

1971

01:19:48,840 --> 01:19:45,930

about Atlantis you know the the the

1972

01:19:51,210 --> 01:19:48,850

species that lived in Atlanta seeing of

1973

01:19:53,280 --> 01:19:51,220

this really technologically advanced

1974

01:19:54,720 --> 01:19:53,290

civilization could have just been on the

1975

01:19:56,430 --> 01:19:54,730

timeline a little later than the

1976

01:19:59,220 --> 01:19:56,440

Anunnaki right right maybe they were

1977

01:20:02,040 --> 01:19:59,230

before so yeah no I get I get that like

1978

01:20:03,630 --> 01:20:02,050

being confused on it and the answer I

1979

01:20:05,730 --> 01:20:03,640

feel like is that it doesn't have to be

1980

01:20:11,580 --> 01:20:05,740

just one because I feel like this earth

1981

01:20:15,540 --> 01:20:11,590

has been been habited by many many high

1982

01:20:17,970 --> 01:20:15,550

civil as civilized species of you know

1983

01:20:20,310 --> 01:20:17,980

people yeah I would call any alien a

1984

01:20:22,950 --> 01:20:20,320

person you know I think for use in that

1985

01:20:24,870 --> 01:20:22,960

context like maybe it doesn't have to be

1986

01:20:26,850 --> 01:20:24,880

just okay this is that this is that this

1987

01:20:29,220 --> 01:20:26,860

is that maybe there wasn't just one but

1988

01:20:30,990 --> 01:20:29,230

there's multiple that kind of ran things

1989

01:20:32,580 --> 01:20:31,000

at this time and then the other ones

1990

01:20:35,130 --> 01:20:32,590

showed up it was like yeah a little more

1991

01:20:38,640 --> 01:20:35,140

powerful than you gonna run stuff now

1992

01:20:39,630 --> 01:20:38,650

yeah so I wonder like it seems like

1993

01:20:42,060 --> 01:20:39,640

bringing up

1994

01:20:44,970 --> 01:20:42,070

akun done present day there's obviously

1995

01:20:47,630 --> 01:20:44,980

not this like you know we're still

1996

01:20:50,160 --> 01:20:47,640

debating whether or not UFOs are real

1997

01:20:53,070 --> 01:20:50,170

yeah you know like some people are like

1998

01:20:54,630 --> 01:20:53,080

oh yeah no those are totally fake that's

1999

01:20:56,580 --> 01:20:54,640

happening so there's a difference

2000

01:20:57,840 --> 01:20:56,590

between now and it seems to be now

2001

01:21:00,870 --> 01:20:57,850

there's a difference between now and

2002

01:21:05,120 --> 01:21:00,880

ancient do you think they played a role

2003

01:21:07,980 --> 01:21:05,130

in discrediting UFOs and

2004

01:21:09,420 --> 01:21:07,990

extraterrestrials so that they could be

2005

01:21:11,940 --> 01:21:09,430

in the shadows yeah so they could

2006

01:21:13,830 --> 01:21:11,950

continue on running the planet basically

2007

01:21:15,960 --> 01:21:13,840

I mean logic tells you I mean the

2008

01:21:17,130 --> 01:21:15,970

definition of his insanity is trying

2009

01:21:18,990 --> 01:21:17,140

something over and over and over

2010

01:21:21,240 --> 01:21:19,000

expecting different results everybody

2011

01:21:23,070 --> 01:21:21,250

makes only make sense that yeah they

2012

01:21:25,080 --> 01:21:23,080

tried all this [h__h] like even with the

2013

01:21:26,490 --> 01:21:25,090

Greek gods and all that and now this is

2014

01:21:29,220 --> 01:21:26,500

alright we've tried that way way too

2015

01:21:30,900 --> 01:21:29,230

many times to to be in power it's not

2016

01:21:32,820 --> 01:21:30,910

working like we can't just show up

2017

01:21:34,530 --> 01:21:32,830

whenever we want and then just influence

2018

01:21:36,330 --> 01:21:34,540

the human race and then just leave

2019

01:21:37,740 --> 01:21:36,340

because you know we got to go pick up

2020

01:21:41,490 --> 01:21:37,750

some McDonald's halfway across the

2021

01:21:42,600 --> 01:21:41,500

universe so maybe they're just trying

2022

01:21:44,370 --> 01:21:42,610

something different and they're all

2023

01:21:46,650 --> 01:21:44,380

agree all these species are agreeing

2024

01:21:49,710 --> 01:21:46,660

like hey don't [h__\h] with them like don't

2025

01:21:52,320 --> 01:21:49,720

you know and there's these other species

2026

01:21:55,440 --> 01:21:52,330

that slip through the cracks and are

2027

01:21:57,360 --> 01:21:55,450

trying to guide us in secret and that's

2028

01:21:59,160 --> 01:21:57,370

right they're secret not only to us but

2029

01:22:02,100 --> 01:21:59,170

they want to remain secret to the rest

2030

01:22:03,690 --> 01:22:02,110

of the the civilization is still out

2031

01:22:05,760 --> 01:22:03,700

there the civilizations yeah that are

2032

01:22:08,190 --> 01:22:05,770

policing how much they're influencing

2033

01:22:09,690 --> 01:22:08,200

the human race so maybe that's why it's

2034

01:22:12,570 --> 01:22:09,700

so secret because they're doing it

2035

01:22:14,760 --> 01:22:12,580

illegally uh-huh you know and then we

2036

01:22:17,790 --> 01:22:14,770

see them coming through the sky yeah

2037

01:22:21,210 --> 01:22:17,800

maybe they're looking for these these

2038

01:22:23,910 --> 01:22:21,220

groups and and they're using the

2039

01:22:26,730 --> 01:22:23,920

military industrial complex to shoot

2040

01:22:28,770 --> 01:22:26,740

them out of the sky and yeah and or keep

2041

01:22:31,020 --> 01:22:28,780

them prisoner and monitor and monitor

2042

01:22:33,600 --> 01:22:31,030

them and things like that you know the

2043

01:22:37,260 --> 01:22:33,610

Cabal is doing this right and then it's

2044

01:22:38,910 --> 01:22:37,270

like it's all it's all fake right that's

2045

01:22:42,390 --> 01:22:38,920

not that's not real UFOs aren't real

2046

01:22:44,160 --> 01:22:42,400

aliens aren't real right but now I guess

2047

01:22:46,140 --> 01:22:44,170

if you're saying that like during

2048

01:22:48,660 --> 01:22:46,150

Trump's presidency we're kind of

2049

01:22:51,210 --> 01:22:48,670

breaking these these walls and kind of

2050

01:22:52,689 --> 01:22:51,220

cracking open this case a little bit I

2051

01:22:55,930 --> 01:22:52,699

mean

2052

01:22:58,209 --> 01:22:55,940

information that

2053

01:23:00,669 --> 01:22:58,219

yeah UFOs are real it's a real thing

2054

01:23:03,430 --> 01:23:00,679

yeah these aerial vehicles exist yeah

2055

01:23:05,740 --> 01:23:03,440

you can you can believe that now so I

2056

01:23:09,189 --> 01:23:05,750

wonder what the what the purpose is of

2057

01:23:11,080 --> 01:23:09,199

of this disclosure coming out if if

2058

01:23:12,700 --> 01:23:11,090

because I do believe it's happening I

2059

01:23:14,860 --> 01:23:12,710

think I think disclosure is happening in

2060

01:23:18,000 --> 01:23:14,870

a very subtle way in a very slow way

2061

01:23:21,520 --> 01:23:18,010

uh-huh and I wonder what the purpose is

2062

01:23:24,520 --> 01:23:21,530

do you think it's gonna be like hey yeah

2063

01:23:27,810 --> 01:23:24,530

we're one day maybe you know maybe it's

2064

01:23:30,640 --> 01:23:27,820

just a slow progression maybe in in 2025

2065

01:23:32,050 --> 01:23:30,650

you know if we jumped in the future it's

2066

01:23:33,850 --> 01:23:32,060

just a well-known thing that yeah

2067

01:23:36,729 --> 01:23:33,860

there's just aliens sometimes yeah

2068

01:23:38,800 --> 01:23:36,739

totally because I we're gonna get there

2069

01:23:41,140 --> 01:23:38,810

for sure and then I feel like it's gonna

2070

01:23:43,510 --> 01:23:41,150

come out that yeah they kind of they

2071

01:23:44,979 --> 01:23:43,520

know basically our future and they know

2072

01:23:47,950 --> 01:23:44,989

what's best so we're just gonna let them

2073

01:23:49,780 --> 01:23:47,960

run [h__h] and make decisions man I just I

2074

01:23:53,260 --> 01:23:49,790

can't help to think that is there

2075

01:23:55,479 --> 01:23:53,270

another race out there that you know

2076
01:23:58,120 --> 01:23:55,489
like we always say why are they here why

2077
01:24:00,280 --> 01:23:58,130
are they observing us are they waiting

2078
01:24:03,250 --> 01:24:00,290
for that moment to where the cabal

2079
01:24:05,200 --> 01:24:03,260
decides to do some crazy [h__\h] and then

2080
01:24:07,050 --> 01:24:05,210
they're gonna come and intervene like

2081
01:24:11,410 --> 01:24:07,060
they already know that they're here but

2082
01:24:13,990 --> 01:24:11,420
it's not time for us to really receive

2083
01:24:16,270 --> 01:24:14,000
that yet yeah you know and they wants

2084
01:24:18,250 --> 01:24:16,280
some crazy stuff does start happening

2085
01:24:19,450 --> 01:24:18,260
like they showed up because they you

2086
01:24:21,760 --> 01:24:19,460
know we learned the secrets of

2087
01:24:24,400 --> 01:24:21,770
thermonuclear weapons right right so

2088
01:24:25,959 --> 01:24:24,410

they were like whoa how they figure that

2089

01:24:28,720 --> 01:24:25,969

out so they went down there they're like

2090

01:24:33,070 --> 01:24:28,730

oh my god it's way worse than we thought

2091

01:24:36,760 --> 01:24:33,080

god dammit they're smoking we know like

2092

01:24:39,610 --> 01:24:36,770

Lucifer and Tom and Jeff are down there

2093

01:24:41,500 --> 01:24:39,620

yeah like you know we can't just go down

2094

01:24:43,150 --> 01:24:41,510

there get them right right yeah it's

2095

01:24:45,040 --> 01:24:43,160

kind of like whenever you do like a like

2096

01:24:47,950 --> 01:24:45,050

a like a secret operation you can't just

2097

01:24:49,660 --> 01:24:47,960

bust in and and go get the guy you have

2098

01:24:52,510 --> 01:24:49,670

to plan it out you have to kind of like

2099

01:24:54,520 --> 01:24:52,520

okay we'll let him run his operation for

2100

01:24:56,650 --> 01:24:54,530

a few months we'll kind of track his

2101

01:24:58,600 --> 01:24:56,660

phone calls we'll figure out the people

2102

01:25:00,790 --> 01:24:58,610

he's talking to you maybe they have to

2103

01:25:03,490 --> 01:25:00,800

get a warrant from the space the the

2104

01:25:05,899 --> 01:25:03,500

Space Alliance maybe maybe you know they

2105

01:25:08,029 --> 01:25:05,909

don't want them coming down here because

2106

01:25:11,870 --> 01:25:08,039

maybe this cabal has some serious like

2107

01:25:13,759 --> 01:25:11,880

power serious weaponry that you know has

2108

01:25:16,339 --> 01:25:13,769

never been seen before yeah you know

2109

01:25:18,500 --> 01:25:16,349

they can't just come down here blowing

2110

01:25:21,049 --> 01:25:18,510

[h__\h] up right they're not here to

2111

01:25:22,819 --> 01:25:21,059

destroy us but if they come down here

2112

01:25:25,549 --> 01:25:22,829

trying to stop this maybe the Cabal will

2113

01:25:27,979 --> 01:25:25,559

destroy us yeah so maybe the

2114

01:25:30,799 --> 01:25:27,989

thermonuclear weapon the scorched earth

2115

01:25:32,750 --> 01:25:30,809

policy if you launch nukes we launch

2116

01:25:34,640 --> 01:25:32,760

news right they launch nukes we're all

2117

01:25:36,259 --> 01:25:34,650

[h__\h] dead all right right maybe the

2118

01:25:38,839 --> 01:25:36,269

ones that are up there keeping an eye on

2119

01:25:40,549 --> 01:25:38,849

things don't want that to happen yeah so

2120

01:25:42,790 --> 01:25:40,559

they're keeping their distance until

2121

01:25:45,679 --> 01:25:42,800

they can figure out a way to kind of

2122

01:25:47,419 --> 01:25:45,689

sort this out yeah you know I mean it

2123

01:25:48,500 --> 01:25:47,429

just it more and more as you're saying

2124

01:25:51,770 --> 01:25:48,510

that I'm just kind of thinking in my

2125

01:25:54,199 --> 01:25:51,780

head that it just logically would make

2126

01:25:57,229 --> 01:25:54,209

sense that this you know higher

2127

01:25:59,359 --> 01:25:57,239

civilization is kind of just nurturing

2128

01:26:01,429 --> 01:25:59,369

us and once wants us to make it

2129

01:26:04,879 --> 01:26:01,439

yeah that's we're not just an experiment

2130

01:26:07,939 --> 01:26:04,889

we're like the prodigy we're the we're

2131

01:26:09,259 --> 01:26:07,949

the next evolution in and you know

2132

01:26:10,850 --> 01:26:09,269

they're they're kind of like they want

2133

01:26:12,739 --> 01:26:10,860

us to survive they want the human race

2134

01:26:13,909 --> 01:26:12,749

because they see they were good or like

2135

01:26:16,540 --> 01:26:13,919

you were saying like we live in a very

2136

01:26:18,709 --> 01:26:16,550

heavy dimension and they want to see us

2137

01:26:22,279 --> 01:26:18,719

successful yeah and then there's these

2138

01:26:24,049 --> 01:26:22,289

other species that doesn't want any

2139

01:26:26,390 --> 01:26:24,059

there's there's too many cooks in the

2140

01:26:27,859 --> 01:26:26,400

pot your cooks in the kitchen you know

2141

01:26:30,259 --> 01:26:27,869

they're and they and they like they're

2142

01:26:32,029 --> 01:26:30,269

holding us hostage at gunpoint they're

2143

01:26:33,169 --> 01:26:32,039

like don't move or we'll shoot on Russia

2144

01:26:35,209 --> 01:26:33,179

will blow his head off

2145

01:26:38,299 --> 01:26:35,219

yeah that's the human race right now

2146

01:26:40,009 --> 01:26:38,309

yeah the Cabal has a gun pointed at our

2147

01:26:42,259 --> 01:26:40,019

heads and they're back in there

2148

01:26:44,270 --> 01:26:42,269

themselves slowly into an alleyway

2149

01:26:46,520 --> 01:26:44,280

ya know trying to lock themselves away

2150

01:26:48,679 --> 01:26:46,530

right meanwhile they're in their their

2151

01:26:51,709 --> 01:26:48,689

castles in there and their yachts and

2152

01:26:53,689 --> 01:26:51,719

they're living the best live dude

2153

01:26:55,909 --> 01:26:53,699

which means this brings me back to

2154

01:26:57,949 --> 01:26:55,919

Jeffrey Epstein do I believe he's

2155

01:26:58,759 --> 01:26:57,959

illuminati or a part of the Cabal I

2156

01:27:00,500 --> 01:26:58,769

don't know man

2157

01:27:02,589 --> 01:27:00,510

there's no evidence to suggest that but

2158

01:27:06,350 --> 01:27:02,599

he's a very rich and powerful man that

2159

01:27:08,209 --> 01:27:06,360

comes doesn't come from much so he could

2160

01:27:09,830 --> 01:27:08,219

just he could just beat an outsider and

2161

01:27:12,199 --> 01:27:09,840

and now he's getting the blame for a lot

2162

01:27:14,239 --> 01:27:12,209

of bad deeds maybe the guy is the

2163

01:27:15,859 --> 01:27:14,249

orchestrator of a lot of these bad deeds

2164

01:27:19,200 --> 01:27:15,869

I mean he has this home he has his own

2165

01:27:21,470 --> 01:27:19,210

private island his his title is

2166

01:27:24,450 --> 01:27:21,480

financier but it seems to be like more

2167

01:27:25,470 --> 01:27:24,460

research that I do is that he doesn't he

2168

01:27:27,300 --> 01:27:25,480

didn't really do much

2169

01:27:29,970 --> 01:27:27,310

he's like a hedge fund manager this is

2170

01:27:32,700 --> 01:27:29,980

not he just moved money around or like

2171

01:27:34,410 --> 01:27:32,710

laundered money like huh yeah he was

2172

01:27:36,360 --> 01:27:34,420

just some slime bag that that

2173

01:27:38,580 --> 01:27:36,370

politicians and very rich people could

2174

01:27:40,709 --> 01:27:38,590

just move and let him handle their money

2175

01:27:42,600 --> 01:27:40,719

so if [h__\h] came down they weren't

2176
01:27:44,760 --> 01:27:42,610
responsible right and we all come down

2177
01:27:47,580 --> 01:27:44,770
and Jeffrey Epstein but it just seems

2178
01:27:51,030 --> 01:27:47,590
more and more like pen I don't know it

2179
01:27:53,640 --> 01:27:51,040
seems like wherever power goes evil [h__h]

2180
01:27:55,530 --> 01:27:53,650
follows yeah absolutely like more and

2181
01:27:57,540 --> 01:27:55,540
more every day it just feels like the

2182
01:28:00,630 --> 01:27:57,550
people in power there's something evil

2183
01:28:04,680 --> 01:28:00,640
that follows man it is it is every

2184
01:28:06,510 --> 01:28:04,690
single day every single day so the the I

2185
01:28:09,330 --> 01:28:06,520
mean we definitely need to wake up you

2186
01:28:11,340 --> 01:28:09,340
know like like when Chris was on the it

2187
01:28:13,380 --> 01:28:11,350
was on the on the podcast yeah Chris

2188
01:28:16,140 --> 01:28:13,390

Domino I kind of went off a little bit

2189

01:28:17,850 --> 01:28:16,150

and it's like you know I was like it's

2190

01:28:20,670 --> 01:28:17,860

not me and you against each other man

2191

01:28:22,800 --> 01:28:20,680

it's it's us versus the state it's

2192

01:28:24,870 --> 01:28:22,810

always been that way it always will be

2193

01:28:26,940 --> 01:28:24,880

you know maybe some powers that be and

2194

01:28:30,209 --> 01:28:26,950

that's how state yeah yeah but they run

2195

01:28:31,740 --> 01:28:30,219

it yeah true so until you know it's kind

2196

01:28:33,540 --> 01:28:31,750

of like guilty by association

2197

01:28:35,850 --> 01:28:33,550

yeah right if you're hanging around with

2198

01:28:38,280 --> 01:28:35,860

some people that tag up some [h__\h] and

2199

01:28:39,990 --> 01:28:38,290

break into a store even though you

2200

01:28:41,729 --> 01:28:40,000

didn't throw the rock or paint anything

2201

01:28:43,170 --> 01:28:41,739

you're still going down too cuz you're

2202

01:28:45,300 --> 01:28:43,180

around it right you're hanging around

2203

01:28:47,130 --> 01:28:45,310

with that group right yeah you know and

2204

01:28:49,850 --> 01:28:47,140

there's obviously probably people who

2205

01:28:53,130 --> 01:28:49,860

want to fix it yeah don't want to be

2206

01:28:54,450 --> 01:28:53,140

looked at as like this I'm not an evil

2207

01:28:56,640 --> 01:28:54,460

government person I'm just trying to

2208

01:28:59,209 --> 01:28:56,650

live my life - and I totally get that

2209

01:29:03,150 --> 01:28:59,219

yeah but until we can figure out like

2210

01:29:05,910 --> 01:29:03,160

what is going on yeah yeah it's just

2211

01:29:09,720 --> 01:29:05,920

hard it's I feel like as a as a as a as

2212

01:29:10,979 --> 01:29:09,730

a human being it's hard to trust it's

2213

01:29:12,600 --> 01:29:10,989

hard to trust people that are just

2214

01:29:14,430 --> 01:29:12,610

ruling your life yeah and it's really

2215

01:29:15,770 --> 01:29:14,440

hard to relate I mean talk about an

2216

01:29:17,700 --> 01:29:15,780

alien you know what's the definition

2217

01:29:19,320 --> 01:29:17,710

definition of an alien it's like

2218

01:29:22,950 --> 01:29:19,330

something that's not from here it's it's

2219

01:29:25,110 --> 01:29:22,960

totally not explainable by our standards

2220

01:29:26,880 --> 01:29:25,120

like they are not us they grew up in a

2221

01:29:28,650 --> 01:29:26,890

different planet it's almost like I'm

2222

01:29:30,720 --> 01:29:28,660

trying to make an analogy to the rich

2223

01:29:32,189 --> 01:29:30,730

and powerful the 1% of this world like

2224

01:29:33,779 --> 01:29:32,199

there live there every day

2225

01:29:35,819 --> 01:29:33,789

lives our upbringing their childhood and

2226

01:29:38,009 --> 01:29:35,829

their adulthood they don't live in the

2227

01:29:40,949 --> 01:29:38,019

same world we do if you think about it

2228

01:29:42,419 --> 01:29:40,959

at all I was watching this Netflix this

2229

01:29:45,500 --> 01:29:42,429

new Netflix documentary called the

2230

01:29:48,180 --> 01:29:45,510

family and it has to do like the the

2231

01:29:50,759 --> 01:29:48,190

investigative journalist he was like man

2232

01:29:52,890 --> 01:29:50,769

I think it was like 20 maybe 19 he

2233

01:29:55,589 --> 01:29:52,900

basically befriended somebody a part of

2234

01:29:57,629 --> 01:29:55,599

the that was a part of this organization

2235

01:29:59,850 --> 01:29:57,639

called the family and it's this

2236

01:30:01,140 --> 01:29:59,860

religious group that followed Jesus and

2237

01:30:02,939 --> 01:30:01,150

that's all that they would say I said

2238

01:30:07,589 --> 01:30:02,949

hey come yeah we just live in this

2239

01:30:10,199 --> 01:30:07,599

mansion in Washington and we hang out we

2240

01:30:13,049 --> 01:30:10,209

talk about Jesus and we play basketball

2241

01:30:14,549 --> 01:30:13,059

and we clean toilets and like do

2242

01:30:16,859 --> 01:30:14,559

landscaping for all these powerful

2243

01:30:18,839 --> 01:30:16,869

political people in Washington yeah so

2244

01:30:20,699 --> 01:30:18,849

he moves this little cul-de-sac and sure

2245

01:30:23,640 --> 01:30:20,709

enough is exactly like what the buddy

2246

01:30:26,029 --> 01:30:23,650

said and these dudes that are around is

2247

01:30:29,040 --> 01:30:26,039

like maybe 15 dudes living in a house

2248

01:30:31,229 --> 01:30:29,050

well I think there's 13 so it's like one

2249

01:30:34,589 --> 01:30:31,239

main dude and Twelve Apostles basically

2250

01:30:36,870 --> 01:30:34,599

like Jesus bro yeah so there he hit the

2251

01:30:38,399 --> 01:30:36,880

the main dude hands the investigative

2252

01:30:40,469 --> 01:30:38,409

journalist who he's going undercover by

2253

01:30:43,049 --> 01:30:40,479

the way this book and it just says Jesus

2254

01:30:45,149 --> 01:30:43,059

on it and it's like this tiny little

2255

01:30:46,469 --> 01:30:45,159

thin book compared to the Bible and he

2256

01:30:48,180 --> 01:30:46,479

was carrying around a Bible he said you

2257

01:30:50,339 --> 01:30:48,190

don't have to read the Bible just read

2258

01:30:51,899 --> 01:30:50,349

the the Jesus book that I'm giving you

2259

01:30:54,089 --> 01:30:51,909

yeah don't read anything else don't pay

2260

01:30:56,850 --> 01:30:54,099

attention to Bible like so it's just

2261

01:30:58,049 --> 01:30:56,860

like religious cult thing going on and I

2262

01:31:00,959 --> 01:30:58,059

mean have you ever heard of that like

2263

01:31:03,060 --> 01:31:00,969

who does that that's not that comes from

2264

01:31:05,279 --> 01:31:03,070

a different world than I yeah yeah and

2265

01:31:09,089 --> 01:31:05,289

they just they just live there and then

2266

01:31:11,459 --> 01:31:09,099

that's crazy yeah it's just it goes way

2267

01:31:12,989 --> 01:31:11,469

more levels deeper and I don't know if

2268

01:31:14,489 --> 01:31:12,999

you guys are listening I want to check

2269

01:31:16,049 --> 01:31:14,499

it out it's it's really interesting on

2270

01:31:19,040 --> 01:31:16,059

Netflix it's called the family there's

2271

01:31:21,180 --> 01:31:19,050

so many levels to this stuff - yeah like

2272

01:31:23,850 --> 01:31:21,190

we're probably jumping all over the

2273

01:31:25,919 --> 01:31:23,860

place but there's so many levels

2274

01:31:27,989 --> 01:31:25,929

it's like you can go so many directions

2275

01:31:32,160 --> 01:31:27,999

so many people so many organizations

2276

01:31:33,839 --> 01:31:32,170

like a five layer burrito keep track of

2277

01:31:37,199 --> 01:31:33,849

all it and like it really is

2278

01:31:38,910 --> 01:31:37,209

whoo like it's a web it's not a timeline

2279

01:31:42,419 --> 01:31:38,920

yeah it's definitely a whip yeah

2280

01:31:43,670 --> 01:31:42,429

absolutely a web and it's just it's an

2281

01:31:46,010 --> 01:31:43,680

insane web you

2282

01:31:48,110 --> 01:31:46,020

and I just yeah one more thing about

2283

01:31:50,120 --> 01:31:48,120

Jeffrey Epstein the the weird [h__\h]

2284

01:31:52,520 --> 01:31:50,130

that's been been happening around it and

2285

01:31:55,490 --> 01:31:52,530

the accusation exact accusations against

2286

01:31:57,110 --> 01:31:55,500

the Clintons man I'm just glad that

2287

01:32:00,080 --> 01:31:57,120

people are talking about that because

2288

01:32:02,360 --> 01:32:00,090

we've known about the weird suicide yes

2289

01:32:05,180 --> 01:32:02,370

around the Clintons for years now and

2290

01:32:08,930 --> 01:32:05,190

it's like fine strange it's pretty

2291

01:32:11,240 --> 01:32:08,940

strange yeah 56 people yeah I think was

2292

01:32:13,340 --> 01:32:11,250

the number Vick that have been that it's

2293

01:32:16,880 --> 01:32:13,350

somehow connected to the Clinton more

2294

01:32:20,150 --> 01:32:16,890

related to 56 people yeah killed

2295

01:32:22,460 --> 01:32:20,160

themselves what that have known some

2296

01:32:24,410 --> 01:32:22,470

[h__h] about the Clintons or worked for

2297

01:32:27,170 --> 01:32:24,420

them at some point and they're all

2298

01:32:30,080 --> 01:32:27,180

they're suicided they holy crap that's

2299

01:32:32,780 --> 01:32:30,090

some weird-ass [h__h] bro yeah and now

2300

01:32:34,430 --> 01:32:32,790

this Jeffrey Epstein thing so what I was

2301

01:32:36,830 --> 01:32:34,440

saying earlier this the photos that they

2302

01:32:39,020 --> 01:32:36,840

got of him of his body coming out they

2303

01:32:40,250 --> 01:32:39,030

they have just one photo of his face and

2304

01:32:43,310 --> 01:32:40,260

somebody did this line-drawing

2305

01:32:46,070 --> 01:32:43,320

comparison between a profile shot that

2306

01:32:49,250 --> 01:32:46,080

this photo of the dead body is face is a

2307

01:32:52,730 --> 01:32:49,260

profile shot like perfect and they do it

2308

01:32:55,340 --> 01:32:52,740

comparison with a profile shot of him

2309

01:32:57,170 --> 01:32:55,350

alive and the nose is different and the

2310

01:32:58,880 --> 01:32:57,180

ears are different the hairline is

2311

01:33:01,370 --> 01:32:58,890

different the sideburns are different

2312

01:33:04,130 --> 01:33:01,380

the chin is different it's not his face

2313

01:33:08,360 --> 01:33:04,140

dude yeah I'm convinced I don't know man

2314

01:33:10,460 --> 01:33:08,370

but what the what the this mean were not

2315

01:33:13,130 --> 01:33:10,470

mean but like a graphic showed was a

2316

01:33:16,340 --> 01:33:13,140

comparison between Hillary Clinton's

2317

01:33:19,280 --> 01:33:16,350

brother who died in June this past June

2318

01:33:22,100 --> 01:33:19,290

and you do the comparison and the nose

2319

01:33:24,050 --> 01:33:22,110

is the same the ears are the same the

2320

01:33:26,060 --> 01:33:24,060

hairline is the same the sideburns the

2321

01:33:29,660 --> 01:33:26,070

same and the chin is the same holy crap

2322

01:33:33,140 --> 01:33:29,670

so what I know that sounds [h__h] crazy

2323

01:33:34,550 --> 01:33:33,150

dude but if you rip like Epstein is

2324

01:33:37,610 --> 01:33:34,560

still alive and they just showed

2325

01:33:39,650 --> 01:33:37,620

pictures of her brother yes mm-hmm

2326

01:33:42,140 --> 01:33:39,660

I've thought about that too yeah man

2327

01:33:43,790 --> 01:33:42,150

maybe he's not dead yeah maybe he was

2328

01:33:48,410 --> 01:33:43,800

the guard maybe he put the guards

2329

01:33:50,450 --> 01:33:48,420

clothes on escaped yeah or hell maybe a

2330

01:33:54,849 --> 01:33:50,460

UFO came in and zapped him through the

2331

01:33:56,739 --> 01:33:54,859

roof who knows who knows man yeah

2332

01:33:58,479 --> 01:33:56,749

but isn't that some heavy [h__h] it's

2333

01:34:00,489 --> 01:33:58,489

pretty heavy I mean look for yourself I

2334

01:34:05,169 --> 01:34:00,499

mean we could pull it up but like but

2335

01:34:07,329 --> 01:34:05,179

you guys can't see it but if you buy our

2336

01:34:10,060 --> 01:34:07,339

shirts and help us out we will you can

2337

01:34:11,919 --> 01:34:10,070

yeah if we buy our shirts and contribute

2338

01:34:13,689 --> 01:34:11,929

to our sponsors we can save up enough

2339

01:34:18,250 --> 01:34:13,699

money we have twenty four dollars

2340

01:34:21,429 --> 01:34:18,260

somebody bought one shirt we're a long

2341

01:34:26,379 --> 01:34:21,439

way to go twenty four dollars richer

2342

01:34:27,489 --> 01:34:26,389

brother yeah yeah lucrative we're not

2343

01:34:31,329 --> 01:34:27,499

doing it for the money we're doing it

2344

01:34:32,949 --> 01:34:31,339

for fun yeah I'd love to quit my job and

2345

01:34:34,750 --> 01:34:32,959

do this full-time but oh yeah you know

2346

01:34:38,679 --> 01:34:34,760

we gotta sell a lot more sharee sweet a

2347

01:34:41,439 --> 01:34:38,689

lot more soap more so so more shirts

2348

01:34:43,959 --> 01:34:41,449

yeah more coffee mugs yeah man gotta get

2349

01:34:46,629 --> 01:34:43,969

on the ball mm-hmm gotta get on the ball

2350

01:34:50,409 --> 01:34:46,639

not the COBOL no not the kabardian

2351

01:34:52,479 --> 01:34:50,419

with the good bow I wonder who so the

2352

01:34:55,209 --> 01:34:52,489

Alliance I wonder who that organization

2353

01:34:56,770 --> 01:34:55,219

is yeah I'd love to know that cuz you

2354

01:34:57,939 --> 01:34:56,780

know like you hear over like all the

2355

01:35:00,250 --> 01:34:57,949

secret societies

2356

01:35:01,929 --> 01:35:00,260

you know the skullenbones menotti like

2357

01:35:03,459 --> 01:35:01,939

all these other people yeah I wonder if

2358

01:35:04,989 --> 01:35:03,469

the Masons have anything to do that I

2359

01:35:06,759 --> 01:35:04,999

don't know and it's always weird to me

2360

01:35:08,649 --> 01:35:06,769

because like the Illuminati the

2361

01:35:10,179 --> 01:35:08,659

enlightened ones like yeah you know what

2362

01:35:13,299 --> 01:35:10,189

I'm saying like they always you like

2363

01:35:15,009 --> 01:35:13,309

this bad rap you you think maybe they

2364

01:35:16,239 --> 01:35:15,019

take this bad rap but really they're not

2365

01:35:18,279 --> 01:35:16,249

the bad ones

2366

01:35:22,869 --> 01:35:18,289

yeah maybe you Knights Templar like you

2367

01:35:24,489 --> 01:35:22,879

know like this it was said that like the

2368

01:35:27,219 --> 01:35:24,499

Knights of Templar we're good people

2369

01:35:29,439 --> 01:35:27,229

yes rosalie supposedly who wait who

2370

01:35:31,899 --> 01:35:29,449

knows I mean I did go crusade and murder

2371

01:35:35,799 --> 01:35:31,909

of non-christians yeah that's right I

2372

01:35:37,540 --> 01:35:35,809

mean I take it back you will believe in

2373

01:35:43,290 --> 01:35:37,550

my religion or I will kill you yeah you

2374

01:35:48,639 --> 01:35:46,179

what can we all just be cool yeah man

2375

01:35:55,270 --> 01:35:48,649

just be cool just hang out be like

2376

01:35:57,819 --> 01:35:55,280

Fonzie and be cool man

2377

01:36:00,549 --> 01:35:57,829

the elusive organizations man the

2378

01:36:01,810 --> 01:36:00,559

elusive organizations yeah it just seems

2379

01:36:03,429 --> 01:36:01,820

like man it's just bubbling to the

2380

01:36:05,139 --> 01:36:03,439

surface something's gonna happen soon

2381

01:36:07,299 --> 01:36:05,149

it's just maybe it's just gonna take a

2382

01:36:07,890 --> 01:36:07,309

little while and then when we look back

2383

01:36:12,240 --> 01:36:07,900

and

2384

01:36:14,490 --> 01:36:12,250

like a time-lapse it's all gonna make

2385

01:36:16,800 --> 01:36:14,500

sense yeah all this stuff happening I

2386

01:36:19,830 --> 01:36:16,810

don't know it's a time where 70 will

2387

01:36:22,080 --> 01:36:19,840

have like a enough time has passed or

2388

01:36:25,350 --> 01:36:22,090

enough podcast episodes yeah we could

2389

01:36:27,990 --> 01:36:25,360

put it all together yeah yeah dude I'm

2390

01:36:29,790 --> 01:36:28,000

pretty sweet be sweet but we'll figure

2391

01:36:33,000 --> 01:36:29,800

it out one day dude one of these days

2392

01:36:34,380 --> 01:36:33,010

all right man well I feels like a good

2393

01:36:35,459 --> 01:36:34,390

2394
