

1
00:00:06,320 --> 00:00:04,370
oh you dude audience audience is another

2
00:00:08,629 --> 00:00:06,330
episode of UFO garage

3
00:00:11,180 --> 00:00:08,639
I'm Bea I'm Joe and this is where we

4
00:00:17,420 --> 00:00:11,190
talk about UFOs aliens and all things

5
00:00:20,870 --> 00:00:17,430
weird what's up dude man a so we're out

6
00:00:24,439 --> 00:00:20,880
here in Phoenix Arizona we're at the UFO

7
00:00:25,880 --> 00:00:24,449
Congress we are kickin it with some

8
00:00:28,670 --> 00:00:25,890
amazing people

9
00:00:32,120 --> 00:00:28,680
some people yeah we're doing this off of

10
00:00:34,459 --> 00:00:32,130
the laptop um because someone forgot

11
00:00:36,590 --> 00:00:34,469
their microphones 11 took car I left my

12
00:00:39,500 --> 00:00:36,600
microphones in the rental car it's okay

13
00:00:42,650 --> 00:00:39,510

- so we're doing it off the computer

14

00:00:44,270 --> 00:00:42,660

microphone I don't know do you I feel

15

00:00:44,779 --> 00:00:44,280

like it's gonna sound pretty much the

16

00:00:52,430 --> 00:00:44,789

same

17

00:00:56,180 --> 00:00:52,440

scientist type Sciences hi is time so

18

00:00:57,740 --> 00:00:56,190

man we're out here first day in UFO

19

00:01:00,889 --> 00:00:57,750

Congress we've been talking about this

20

00:01:04,149 --> 00:01:00,899

for how since we started so yeah we

21

00:01:07,070 --> 00:01:04,159

booked these tickets to come out here

22

00:01:08,539 --> 00:01:07,080

before we even started the podcast this

23

00:01:10,370 --> 00:01:08,549

is something we just wanted to come and

24

00:01:12,649 --> 00:01:10,380

check out yeah right and since we did

25

00:01:16,460 --> 00:01:12,659

the podcast she just made more sense

26
00:01:18,710 --> 00:01:16,470
that we came out here you know so I mean

27
00:01:20,810 --> 00:01:18,720
first we went to Sedona do yesterday

28
00:01:25,219 --> 00:01:20,820
talking about this Sedona we were sedona

29
00:01:28,160 --> 00:01:25,229
yesterday and also that was a long day

30
00:01:32,030 --> 00:01:28,170
because we got in it like 7:30 sit on a

31
00:01:35,749 --> 00:01:32,040
time yeah in the morning and we get in

32
00:01:38,840 --> 00:01:35,759
or a hotel Schuyler if I can do the

33
00:01:42,410 --> 00:01:38,850
early check-in yeah 8:00 at the

34
00:01:44,420 --> 00:01:42,420
coffeepot if you've got a copy Dona did

35
00:01:49,219 --> 00:01:44,430
Oh check out the coffee pot one of the

36
00:01:51,530 --> 00:01:49,229
best damn little cafes ever yeah yeah I

37
00:01:53,210 --> 00:01:51,540
got fried steak I got the breakfast

38
00:01:55,249 --> 00:01:53,220

chicken-fried steak with two eggs

39

00:01:57,679 --> 00:01:55,259

over-medium with a biscuit get the

40

00:02:00,410 --> 00:01:57,689

biscuit dough biscuit this was amazing

41

00:02:08,359 --> 00:02:00,420

it was amazing it was like if churches

42

00:02:10,790 --> 00:02:08,369

was like good yeah delicious yeah I got

43

00:02:13,490 --> 00:02:10,800

the I got the takes two so it's two

44

00:02:15,500 --> 00:02:13,500

pancakes two eggs two pieces of bacon

45

00:02:16,580 --> 00:02:15,510

and or sausage might as well be called

46

00:02:18,050 --> 00:02:16,590

the happy meal dude

47

00:02:21,410 --> 00:02:18,060

right it was delicious it made me

48

00:02:24,500 --> 00:02:21,420

extremely hang but that we went in we

49

00:02:27,470 --> 00:02:24,510

hiked Cathedral Rock which was

50

00:02:33,080 --> 00:02:27,480

incredible it's always a good time I

51
00:02:36,470 --> 00:02:33,090
Joe's in way better shape than I am my

52
00:02:39,020 --> 00:02:36,480
second time out to Sedona and man it

53
00:02:42,050 --> 00:02:39,030
just it gets more beautiful every time I

54
00:02:48,860 --> 00:02:42,060
go and yeah cathedral rock was was

55
00:02:50,570 --> 00:02:48,870
awesome yeah we met Hugh Hugh so we

56
00:02:55,280 --> 00:02:50,580
don't know if his name is actually Hugh

57
00:02:58,640 --> 00:02:55,290
but he was a professional meditator yogi

58
00:03:01,640 --> 00:02:58,650
what do you call those yogi yogi yogi

59
00:03:05,270 --> 00:03:01,650
first yoga meditate sir sir

60
00:03:07,990 --> 00:03:05,280
it's like a certain miss I met Metta

61
00:03:12,680 --> 00:03:08,000
Mediterranea sir a meadow practitioner

62
00:03:13,850 --> 00:03:12,690
practitioner yeah same caliber is a what

63
00:03:17,149 --> 00:03:13,860

they call the back doctors when they

64

00:03:20,720 --> 00:03:17,159

crack your back Oh a chiropractor

65

00:03:24,680 --> 00:03:20,730

chiropractic same thing yes yeah so we

66

00:03:26,720 --> 00:03:24,690

met him and he gave us this little card

67

00:03:28,399 --> 00:03:26,730

because in Sedona I don't know if you

68

00:03:30,920 --> 00:03:28,409

guys know there's been in Sedona

69

00:03:33,259 --> 00:03:30,930

there's certain areas on these mountains

70

00:03:37,130 --> 00:03:33,269

and they call them vortex spots where

71

00:03:41,119 --> 00:03:37,140

apparently there is these extremely high

72

00:03:42,949 --> 00:03:41,129

energy areas and the Native Americans

73

00:03:45,500 --> 00:03:42,959

would go there and they knew about these

74

00:03:48,050 --> 00:03:45,510

high energy areas and they were

75

00:03:50,570 --> 00:03:48,060

responsively really spiritual places to

76

00:03:52,070 --> 00:03:50,580

the natives and there's been scientists

77

00:03:54,649 --> 00:03:52,080

that have gone out there with little

78

00:03:56,869 --> 00:03:54,659

readers and and compasses and things

79

00:03:58,550 --> 00:03:56,879

like that and they're just kind of the

80

00:03:59,620 --> 00:03:58,560

energy is off the charts the magnetic

81

00:04:02,110 --> 00:03:59,630

fields are

82

00:04:04,270 --> 00:04:02,120

pretty insane out there for the most

83

00:04:07,060 --> 00:04:04,280

part you just feel different like you

84

00:04:10,240 --> 00:04:07,070

can feel different absolutely absolutely

85

00:04:14,620 --> 00:04:10,250

so so we hiked that we checked out the

86

00:04:16,120 --> 00:04:14,630

vortex spot you know I think it's one of

87

00:04:18,880 --> 00:04:16,130

those things where you really have to

88

00:04:23,650 --> 00:04:18,890

sit and like be quiet

89

00:04:24,850 --> 00:04:23,660

yeah and you got a we walk so wool we

90

00:04:26,530 --> 00:04:24,860

didn't finish the story about the hue

91

00:04:27,880 --> 00:04:26,540

guy who was like his yogi dude we

92

00:04:29,080 --> 00:04:27,890

stopped and talked to this guy it was

93

00:04:31,510 --> 00:04:29,090

such a nice guy

94

00:04:34,000 --> 00:04:31,520

and he was like hey man is this your

95

00:04:36,340 --> 00:04:34,010

first time climbing up this thing yeah

96

00:04:38,830 --> 00:04:36,350

this is like cool demeanor about him and

97

00:04:41,080 --> 00:04:38,840

of course he just like only talked to

98

00:04:44,140 --> 00:04:41,090

Joe and I'm sitting there like uh-huh

99

00:04:46,240 --> 00:04:44,150

yeah yes just [h__\h] talking to Joe

100

00:04:49,030 --> 00:04:46,250

who's like yeah man so what you want to

101
00:04:51,730 --> 00:04:49,040
do is you want to think about this and

102
00:04:53,890 --> 00:04:51,740
that and anyway he gave us like kind of

103
00:04:56,260 --> 00:04:53,900
a tutorial so he said code to the

104
00:04:58,570 --> 00:04:56,270
mountain climb all the way up which was

105
00:05:02,230 --> 00:04:58,580
[h__\h] terrifying climb all the way up

106
00:05:04,900 --> 00:05:02,240
go past the end of trail sign go dude

107
00:05:06,730 --> 00:05:04,910
past the end of trail sign and go to the

108
00:05:08,620 --> 00:05:06,740
most treacherous part of it and not

109
00:05:10,990 --> 00:05:08,630
talking dude this is like a treacherous

110
00:05:13,090 --> 00:05:11,000
mountain like you could say lied down as

111
00:05:16,270 --> 00:05:13,100
pretty smiles ins of feet and I Danny

112
00:05:18,790 --> 00:05:16,280
thought point get in focus yes so I'm

113
00:05:20,980 --> 00:05:18,800

going it weren't it worked out but we

114

00:05:22,420 --> 00:05:20,990

get up there so anyway that guy was

115

00:05:24,580 --> 00:05:22,430

really [h__\h] cool but we get up there

116

00:05:27,520 --> 00:05:24,590

and it's supposed to be like this really

117

00:05:30,880 --> 00:05:27,530

like chill meditation spot we could up

118

00:05:36,900 --> 00:05:30,890

there we round this corner right before

119

00:05:40,120 --> 00:05:36,910

the vortex really did you see this is it

120

00:05:42,520 --> 00:05:40,130

it's like it was like maybe six people

121

00:05:48,130 --> 00:05:42,530

like just being really quiet they're

122

00:05:52,760 --> 00:05:48,140

just taking the experience the vortex

123

00:05:54,750 --> 00:05:52,770

energy yeah we were breathing all heavy

124

00:05:58,780 --> 00:05:54,760

[Music]

125

00:06:01,150 --> 00:05:58,790

but yeah it was pretty incredible yeah I

126
00:06:03,070 --> 00:06:01,160
was already incredible and then so we

127
00:06:06,170 --> 00:06:03,080
finished our little hike out in Sedona

128
00:06:07,969 --> 00:06:06,180
and then we came we

129
00:06:10,820 --> 00:06:07,979
we want to talk about the [h__h] we saw

130
00:06:12,950 --> 00:06:10,830
last night yeah definitely why we didn't

131
00:06:16,999 --> 00:06:12,960
have a podcast episode last night yeah

132
00:06:18,890 --> 00:06:17,009
so guys so we decided instead of it take

133
00:06:21,080 --> 00:06:18,900
doing another episode of the podcast

134
00:06:22,460 --> 00:06:21,090
let's tell the stories that we met from

135
00:06:25,340 --> 00:06:22,470
the locals and then we'll get to the

136
00:06:26,689 --> 00:06:25,350
evening if we remember we will cuz

137
00:06:28,520 --> 00:06:26,699
that's what's next that's the reason we

138
00:06:30,980 --> 00:06:28,530

went back out there okay all right yeah

139

00:06:33,170 --> 00:06:30,990

go ahead so we end up coming back we get

140

00:06:37,249 --> 00:06:33,180

dressed and then we go into town we meet

141

00:06:40,310 --> 00:06:37,259

some of the locals and extremely

142

00:06:42,400 --> 00:06:40,320

friendly extremely friendly I was uh I

143

00:06:46,490 --> 00:06:42,410

was I was wearing this shirt actually

144

00:06:49,580 --> 00:06:46,500

yeah people love this shirt out here in

145

00:06:51,800 --> 00:06:49,590

Arizona you know it's crazy because it's

146

00:06:54,320 --> 00:06:51,810

more of like a Texas thing and in Texas

147

00:06:57,920 --> 00:06:54,330

nobody talks to us about aliens or UFOs

148

00:06:59,510 --> 00:06:57,930

or anything weird right but out here man

149

00:07:01,670 --> 00:06:59,520

everybody loved it they thought it was

150

00:07:04,100 --> 00:07:01,680

hilarious but no one understands to come

151
00:07:05,870 --> 00:07:04,110
and take it yeah yeah I just see some

152
00:07:07,760 --> 00:07:05,880
people get it right

153
00:07:08,839 --> 00:07:07,770
yeah the UFO really sets people off

154
00:07:10,490 --> 00:07:08,849
around here because they've gotten

155
00:07:12,110 --> 00:07:10,500
really crazy stuff to have so it would

156
00:07:13,750 --> 00:07:12,120
open up a lot of conversations and

157
00:07:16,399 --> 00:07:13,760
definitely people would be like

158
00:07:19,850 --> 00:07:16,409
immediately drawn to us right oh dude I

159
00:07:22,670 --> 00:07:19,860
have a story right yeah so the first the

160
00:07:25,250 --> 00:07:22,680
first uh the first little shop would go

161
00:07:28,129 --> 00:07:25,260
into the guy starts talking to us about

162
00:07:31,370 --> 00:07:28,139
a about a friend that he has and she was

163
00:07:33,170 --> 00:07:31,380

out on bail Rock I believe yeah if she

164

00:07:36,560 --> 00:07:33,180

was out on bail Rock I was out here in

165

00:07:40,909 --> 00:07:36,570

Sedona and he says that something

166

00:07:43,490 --> 00:07:40,919

compelled her to just take photos it was

167

00:07:45,649 --> 00:07:43,500

in the evening time so she's taking

168

00:07:47,659 --> 00:07:45,659

photos and doesn't even realize anything

169

00:07:50,600 --> 00:07:47,669

but later on she goes and she skimmed

170

00:07:53,390 --> 00:07:50,610

through these photos and she sees

171

00:07:56,719 --> 00:07:53,400

something standing in one of the photos

172

00:07:59,469 --> 00:07:56,729

it looks like a knight in armor but the

173

00:08:01,439 --> 00:07:59,479

armor is made out of crystal crystal

174

00:08:05,290 --> 00:08:01,449

meth

175

00:08:07,870 --> 00:08:05,300

not crystalman but that's what he said

176

00:08:10,689 --> 00:08:07,880

was like it was an arm a suit of armor a

177

00:08:12,670 --> 00:08:10,699

suit of armor but in all crystal made

178

00:08:14,469 --> 00:08:12,680

from crystal but this is a photo this

179

00:08:18,310 --> 00:08:14,479

this dude that we were talking about ha

180

00:08:20,939 --> 00:08:18,320

had seen and yeah he had seen the photo

181

00:08:24,460 --> 00:08:20,949

and I mean this guy seemed like a pretty

182

00:08:26,680 --> 00:08:24,470

sane dude like pretty on top of his game

183

00:08:28,600 --> 00:08:26,690

and he was explaining this photo to us

184

00:08:31,600 --> 00:08:28,610

he was like guys I know this sounds

185

00:08:33,219 --> 00:08:31,610

crazy but I saw with my own eyes saw all

186

00:08:35,469 --> 00:08:33,229

the photo yeah right

187

00:08:37,360 --> 00:08:35,479

so that was the first one and he starts

188

00:08:39,700 --> 00:08:37,370

talking about these these uh these

189

00:08:42,250 --> 00:08:39,710

underground tunnels oh yeah yeah and

190

00:08:44,019 --> 00:08:42,260

this is what's weird because I've never

191

00:08:46,210 --> 00:08:44,029

heard multiple people that we talked to

192

00:08:50,079 --> 00:08:46,220

were talking about these tunnels yeah so

193

00:08:52,180 --> 00:08:50,089

he says uh you know I understand that

194

00:08:55,360 --> 00:08:52,190

there are some lava tubes out near

195

00:08:57,250 --> 00:08:55,370

Sedona and you know apparently there's

196

00:08:59,320 --> 00:08:57,260

certain places out here like out in the

197

00:09:01,990 --> 00:08:59,330

canyons and things that you don't want

198

00:09:05,050 --> 00:09:02,000

to visit because you will be visited by

199

00:09:08,590 --> 00:09:05,060

people with you know guns sniper rifles

200

00:09:12,490 --> 00:09:08,600

or Z's or whatever you know he said they

201
00:09:14,019 --> 00:09:12,500
have guns and they will contact you and

202
00:09:16,449 --> 00:09:14,029
they will tell you to turn around or

203
00:09:19,540 --> 00:09:16,459
this would be the last time anybody sees

204
00:09:21,730 --> 00:09:19,550
you base yeah all right so then we were

205
00:09:24,400 --> 00:09:21,740
like oh that's awesome and and you know

206
00:09:27,820 --> 00:09:24,410
we shake hands give them a sticker now

207
00:09:30,370 --> 00:09:27,830
it was a UFO garage podcast fan you know

208
00:09:34,360 --> 00:09:30,380
no yelps it yeah so then we go to the

209
00:09:36,970 --> 00:09:34,370
next door the guy's like hey I really

210
00:09:39,970 --> 00:09:36,980
enjoy your shirt that's awesome it's

211
00:09:45,370 --> 00:09:39,980
really clever right and so he's like you

212
00:09:49,390 --> 00:09:45,380
know I got a story I've uh my family

213
00:09:52,870 --> 00:09:49,400

used to only some land out here and back

214

00:09:55,740 --> 00:09:52,880

in the day a military man wanted to buy

215

00:10:00,940 --> 00:09:55,750

some land that we had and so my father

216

00:10:02,710 --> 00:10:00,950

was you know talking to this man he was

217

00:10:06,190 --> 00:10:02,720

telling a story this military man was

218

00:10:08,680 --> 00:10:06,200

telling a story about how there's these

219

00:10:11,949 --> 00:10:08,690

lava tubes that are out here in Sedona

220

00:10:13,690 --> 00:10:11,959

and there's also some tubes that are up

221

00:10:17,290 --> 00:10:13,700

near Flagstaff Arizona

222

00:10:19,360 --> 00:10:17,300

and that there is some sort of

223

00:10:22,090 --> 00:10:19,370

technology that's hidden inside of these

224

00:10:24,640 --> 00:10:22,100

tubes and some of the technology he was

225

00:10:27,190 --> 00:10:24,650

talking about was stuff that this

226

00:10:29,680 --> 00:10:27,200

military man worked on and the military

227

00:10:33,990 --> 00:10:29,690

man apparently was a part of the

228

00:10:41,560 --> 00:10:39,400

crate and so he says that one stay they

229

00:10:43,720 --> 00:10:41,570

obviously messed it up right a little

230

00:10:45,670 --> 00:10:43,730

bit or else the story you know the story

231

00:10:48,610 --> 00:10:45,680

we all know so they say you know you

232

00:10:52,090 --> 00:10:48,620

know it seems pretty harsh people didn't

233

00:10:53,710 --> 00:10:52,100

escape from that but why don't you first

234

00:10:57,130 --> 00:10:53,720

off lava tubes is interesting because

235

00:11:00,610 --> 00:10:57,140

like it's a natural natural like

236

00:11:02,920 --> 00:11:00,620

phenomenon where you can occupy a space

237

00:11:06,070 --> 00:11:02,930

that's being hollowed out from the earth

238

00:11:07,540 --> 00:11:06,080

and then okay so yeah there's there's

239

00:11:10,300 --> 00:11:07,550

Hall about earth T so you could be

240

00:11:12,280 --> 00:11:10,310

hidden from whatever is trying to take

241

00:11:14,620 --> 00:11:12,290

pictures of you or trying to see what

242

00:11:18,010 --> 00:11:14,630

you're working on but also maybe some

243

00:11:19,570 --> 00:11:18,020

connection to an underground vortex or

244

00:11:22,780 --> 00:11:19,580

some kind of energy or something like

245

00:11:26,290 --> 00:11:22,790

that you know right right so this man

246

00:11:28,840 --> 00:11:26,300

says that the technology that they

247

00:11:31,930 --> 00:11:28,850

worked on that they were using out in

248

00:11:33,730 --> 00:11:31,940

the Philadelphia Experiment they brought

249

00:11:36,040 --> 00:11:33,740

a lot of it back and they hid it in

250

00:11:38,200 --> 00:11:36,050

these lava tubes out here in Arizona and

251
00:11:40,390 --> 00:11:38,210
so the father is like yeah that sounds

252
00:11:43,150 --> 00:11:40,400
interesting I don't know if I believe in

253
00:11:46,330 --> 00:11:43,160
all that stuff the military man looks at

254
00:11:50,320 --> 00:11:46,340
him and he says no no I'm telling you

255
00:11:52,060 --> 00:11:50,330
this because it's real it's dead but he

256
00:11:53,950 --> 00:11:52,070
said he also did was the same guy that

257
00:11:56,440 --> 00:11:53,960
said but I also didn't work for the

258
00:11:58,870 --> 00:11:56,450
agency but I also didn't work for the

259
00:12:01,360 --> 00:11:58,880
agency right yeah yeah he's gonna say

260
00:12:03,700 --> 00:12:01,370
that how's that in there that was Bob

261
00:12:06,520 --> 00:12:03,710
that says 'set okay I said I don't work

262
00:12:08,020 --> 00:12:06,530
for the ages Shay okay we don't want two

263
00:12:09,910 --> 00:12:08,030

different good dudes yeah cuz there's

264

00:12:11,410 --> 00:12:09,920

multiple people that I remember saying

265

00:12:13,780 --> 00:12:11,420

we're talking about this this is where

266

00:12:15,520 --> 00:12:13,790

you got your your sweet-ass ring from oh

267

00:12:19,840 --> 00:12:15,530

yeah yeah

268

00:12:22,240 --> 00:12:19,850

yeah yes yeah and he says that uh he's

269

00:12:25,000 --> 00:12:22,250

like yeah I used to actually work for

270

00:12:27,610 --> 00:12:25,010

the program and that's you know that's

271

00:12:29,290 --> 00:12:27,620

why I'm here because I'm no longer in

272

00:12:32,200 --> 00:12:29,300

the service I don't do any of that stuff

273

00:12:34,300 --> 00:12:32,210

and now I worked out here because that

274

00:12:36,190 --> 00:12:34,310

technology got moved into these lava

275

00:12:37,750 --> 00:12:36,200

tubes and now that I don't do that

276

00:12:40,540 --> 00:12:37,760

anymore I'm just looking for some land

277

00:12:44,860 --> 00:12:40,550

to retire and to live on basically yeah

278

00:12:47,920 --> 00:12:44,870

so yeah and then and we made all Bob

279

00:12:50,950 --> 00:12:47,930

then we min Bob it we met Bob damn Bob

280

00:12:53,920 --> 00:12:50,960

is like a hawker love that guy Bob Bob

281

00:12:55,510 --> 00:12:53,930

he's got if you ever want to know a man

282

00:12:58,150 --> 00:12:55,520

I wish I knew the name of that store

283

00:13:02,590 --> 00:12:58,160

know if we did we probably wouldn't tell

284

00:13:04,360 --> 00:13:02,600

you guys cuz it's it's like a it's a

285

00:13:08,410 --> 00:13:04,370

hidden treasures if you ever come out to

286

00:13:13,540 --> 00:13:08,420

Sedona and you find a little toy slash

287

00:13:15,100 --> 00:13:13,550

vintage sign slash trinket store and you

288

00:13:17,560 --> 00:13:15,110

meet a man behind the counter wearing a

289

00:13:19,630 --> 00:13:17,570

cowboy hat and he starts talking to you

290

00:13:22,360 --> 00:13:19,640

and if he talked to you for about now

291

00:13:23,980 --> 00:13:22,370

talking that's Bob keep listening

292

00:13:26,320 --> 00:13:23,990

he's got amazing stories you get a

293

00:13:29,200 --> 00:13:26,330

thousand he knows a lot of stuff that we

294

00:13:30,970 --> 00:13:29,210

were there for willing to do we were

295

00:13:33,310 --> 00:13:30,980

there for quite a while loves indeed a

296

00:13:34,660 --> 00:13:33,320

while I was not gone wrong bob was

297

00:13:36,460 --> 00:13:34,670

awesome bob is awesome

298

00:13:39,040 --> 00:13:36,470

and apparently you know he knew

299

00:13:42,400 --> 00:13:39,050

everybody around the town so he knew you

300

00:13:44,170 --> 00:13:42,410

know military people as well some of his

301

00:13:46,630 --> 00:13:44,180

friends had stories yeah they would

302

00:13:49,930 --> 00:13:46,640

always say you know but I'm not into

303

00:13:51,670 --> 00:13:49,940

service yeah so I mean just like taking

304

00:13:54,850 --> 00:13:51,680

it just a break for a second

305

00:13:58,240 --> 00:13:54,860

first off sedona I had no idea that that

306

00:14:01,570 --> 00:13:58,250

culture was this involved in the

307

00:14:03,520 --> 00:14:01,580

paranormal / I mean I'm not grouping

308

00:14:07,980 --> 00:14:03,530

them together but like pretty normal

309

00:14:11,290 --> 00:14:07,990

/ aliens conspiracy like whole new age

310

00:14:13,780 --> 00:14:11,300

everything one and there's almost every

311

00:14:16,810 --> 00:14:13,790

person we talked to had a story like

312

00:14:19,990 --> 00:14:16,820

I've seen lights I've seen a ship I know

313

00:14:21,640 --> 00:14:20,000

about these military operations going on

314

00:14:23,770 --> 00:14:21,650

almost every small person that

315

00:14:26,090 --> 00:14:23,780

approached us how to store at a store I

316

00:14:28,759 --> 00:14:26,100

had no idea that Sedona was that

317

00:14:30,800 --> 00:14:28,769

the hotbed of that so that that's what I

318

00:14:32,569 --> 00:14:30,810

took away from Sedona is like great

319

00:14:34,490 --> 00:14:32,579

[h__h] people like the most like the

320

00:14:36,650 --> 00:14:34,500

niciest people you ever they're so nice

321

00:14:38,509 --> 00:14:36,660

so [h__h] nice and if you want to go

322

00:14:40,309 --> 00:14:38,519

out and apparently hate tourists from

323

00:14:43,819 --> 00:14:40,319

what Bob said hate they were extremely

324

00:14:45,860 --> 00:14:43,829

nice to us I think it's just being be a

325

00:14:47,960 --> 00:14:45,870

nice guy or a girl or you know whatever

326

00:14:48,259 --> 00:14:47,970

like just be cool and they'll talk to

327

00:14:55,009 --> 00:14:48,269

you

328

00:14:58,400 --> 00:14:55,019

[h__\h] catch it on camera or like

329

00:15:01,730 --> 00:14:58,410

interview people like it's all about

330

00:15:03,199 --> 00:15:01,740

just communicating conversation nation I

331

00:15:06,079 --> 00:15:03,209

just wanted to take a break to let you

332

00:15:07,430 --> 00:15:06,089

explain like that that's that's what I

333

00:15:08,720 --> 00:15:07,440

got and that's what I want to take you

334

00:15:10,699 --> 00:15:08,730

away and I want to cherish that life

335

00:15:12,860 --> 00:15:10,709

because we didn't go into these places

336

00:15:15,019 --> 00:15:12,870

and be like tell me your story do you

337

00:15:17,689 --> 00:15:15,029

have a UF right oh yeah no no we didn't

338

00:15:19,790 --> 00:15:17,699

hang up these conversations at all no we

339

00:15:22,610 --> 00:15:19,800

never asked like hey dude do you have

340

00:15:29,300 --> 00:15:22,620

like a beautiful story or like early no

341

00:15:31,429 --> 00:15:29,310

no no no we just walked up created the

342

00:15:33,889 --> 00:15:31,439

conversation and these people were happy

343

00:15:38,269 --> 00:15:33,899

to share their stories and they were

344

00:15:40,280 --> 00:15:38,279

amazing stories everything man from the

345

00:15:42,050 --> 00:15:40,290

the other lady who sold us our shirts

346

00:15:45,499 --> 00:15:42,060

and things like that and she said that

347

00:15:47,749 --> 00:15:45,509

she saw craft with with these two golden

348

00:15:49,069 --> 00:15:47,759

legs off the side of or is that our over

349

00:15:52,189 --> 00:15:49,079

drugs or uber driver oh yeah but

350

00:15:54,920 --> 00:15:52,199

everybody our driver who served us food

351

00:15:55,819 --> 00:15:54,930

yeah people who just sold us t-shirts

352

00:15:57,620 --> 00:15:55,829

and trinkets

353

00:15:59,829 --> 00:15:57,630

head stories and we didn't even buy

354

00:16:02,990 --> 00:15:59,839

stuff from some people and they all had

355

00:16:04,819 --> 00:16:03,000

incredible stories guys like yeah it's

356

00:16:07,189 --> 00:16:04,829

kind of overwhelming to try to put it in

357

00:16:09,019 --> 00:16:07,199

and like oh yeah let's get back to this

358

00:16:12,050 --> 00:16:09,029

story because it's like this is a whole

359

00:16:14,629 --> 00:16:12,060

episode in itself everything everything

360

00:16:16,519 --> 00:16:14,639

that we did and our first day first day

361

00:16:18,650 --> 00:16:16,529

I don't one day not even at the

362

00:16:21,019 --> 00:16:18,660

conference yesterday first day in Sedona

363

00:16:23,540 --> 00:16:21,029

yeah and and we had amazing

364

00:16:25,999 --> 00:16:23,550

conversations there was amazing stories

365

00:16:27,170 --> 00:16:26,009

I mean these we we could we could

366

00:16:29,300 --> 00:16:27,180

probably talk about these stories for

367

00:16:31,490 --> 00:16:29,310

another hour and a half yeah seriously

368

00:16:33,829 --> 00:16:31,500

yeah but we'll fast forward to today

369

00:16:34,809 --> 00:16:33,839

yeah well let's talk about let's get

370

00:16:36,669 --> 00:16:34,819

back to the

371

00:16:39,129 --> 00:16:36,679

the stuff we saw last night that's right

372

00:16:42,699 --> 00:16:39,139

that's right so yes yeah we're chilling

373

00:16:44,289 --> 00:16:42,709

in in our hotel room in Sedona and we're

374

00:16:46,239 --> 00:16:44,299

like I'm kind of uneasy

375

00:16:48,460 --> 00:16:46,249

I feel like Jose kind of like he's ready

376

00:16:51,669 --> 00:16:48,470

for bed like you know separate beds all

377

00:16:54,579 --> 00:16:51,679

right okay we were snuggling okay all

378

00:16:56,979 --> 00:16:54,589

right so Joe's on his bed like he's all

379

00:16:59,169 --> 00:16:56,989

like Connor a for bed but I'm like man I

380

00:17:00,879 --> 00:16:59,179

don't know it Joe's like hey let's go

381

00:17:04,689 --> 00:17:00,889

look at the Stars real quick so we walk

382

00:17:06,639 --> 00:17:04,699

outside and all that we saw Joe's like

383

00:17:08,799 --> 00:17:06,649

look at the the big dip the big dips

384

00:17:11,019 --> 00:17:08,809

turn so we look at the big dip sir and

385

00:17:13,840 --> 00:17:11,029

all this big the big dip stick and then

386

00:17:15,429 --> 00:17:13,850

the stars are just twinkling at us and

387

00:17:18,009 --> 00:17:15,439

what do you see they were like inviting

388

00:17:20,129 --> 00:17:18,019

us to come out yeah and like I don't

389

00:17:23,049 --> 00:17:20,139

know I just I think we both got this

390

00:17:26,319 --> 00:17:23,059

simultaneous feeling that we should go

391

00:17:28,509 --> 00:17:26,329

out back to Cathedral Rock where we were

392

00:17:30,759 --> 00:17:28,519

that previous day that previous morning

393

00:17:32,409 --> 00:17:30,769

to go out and middle the night to see

394

00:17:35,710 --> 00:17:32,419

these stars it was almost like an

395

00:17:38,350 --> 00:17:35,720

invitation you really yeah they were

396

00:17:40,899 --> 00:17:38,360

just inviting us it really was so we go

397

00:17:43,869 --> 00:17:40,909

out there we drive out in them it was

398

00:17:46,119 --> 00:17:43,879

9:30 night it was pitch black the moon

399

00:17:48,430 --> 00:17:46,129

was up I mean it was like a new crescent

400

00:17:50,320 --> 00:17:48,440

moon so now like a total finger nail but

401
00:17:52,119 --> 00:17:50,330
a pretty pretty fat finger now like

402
00:17:54,820 --> 00:17:52,129
Sedona is one of these like low lighting

403
00:17:57,190 --> 00:17:54,830
areas right so they have like very

404
00:17:59,110 --> 00:17:57,200
little lights around and so they don't

405
00:18:02,259 --> 00:17:59,120
create you know light pollution in the

406
00:18:05,259 --> 00:18:02,269
sky so Sedonas are naturally like pretty

407
00:18:09,490 --> 00:18:05,269
awesome place to do you know stargazing

408
00:18:13,240 --> 00:18:09,500
and things like that yes man I tell you

409
00:18:15,399 --> 00:18:13,250
what bro like even where I live you know

410
00:18:17,680 --> 00:18:15,409
he lives a little more like in the city

411
00:18:20,680 --> 00:18:17,690
and I live a little more out towards the

412
00:18:23,169 --> 00:18:20,690
country but even where I'm at I mean the

413
00:18:25,480 --> 00:18:23,179

stars don't even compare

414

00:18:27,430 --> 00:18:25,490

yeah I see me would look like 17 stars

415

00:18:29,830 --> 00:18:27,440

in the city in Austin and I mean you

416

00:18:33,759 --> 00:18:29,840

might see more than I see it probably

417

00:18:35,139 --> 00:18:33,769

maybe like 50 to 70 yeah yeah but yeah

418

00:18:38,680 --> 00:18:35,149

it's one of these low light pollution

419

00:18:40,869 --> 00:18:38,690

areas and so we we won't we pull out to

420

00:18:44,049 --> 00:18:40,879

to Cathedral Rock where we were camping

421

00:18:44,780 --> 00:18:44,059

or not camping but uh hiking earlier

422

00:18:47,630 --> 00:18:44,790

that morning

423

00:18:50,810 --> 00:18:47,640

dan it's pitch black and we get on our

424

00:18:52,790 --> 00:18:50,820

phone little flashlight so we walk up

425

00:18:56,240 --> 00:18:52,800

and it's really creepy we're thinking

426
00:18:59,800 --> 00:18:56,250
I'm thinking like men okay bears bears

427
00:19:05,240 --> 00:18:59,810
uh [ʌ__h] mountain lions bass

428
00:19:07,760 --> 00:19:05,250
Heffalumps and Woozles it could be

429
00:19:13,550 --> 00:19:07,770
anything out easels maybe see weasels

430
00:19:16,640 --> 00:19:13,560
teeth so all right we finally make it up

431
00:19:18,140 --> 00:19:16,650
to this like clearing enjoy we I was

432
00:19:19,790 --> 00:19:18,150
like Joe we should stop he was a novice

433
00:19:22,070 --> 00:19:19,800
he passed a clearing so we passed all

434
00:19:24,800 --> 00:19:22,080
the trees and this is huge open area

435
00:19:26,600 --> 00:19:24,810
it's like this big forehead of a rock

436
00:19:28,070 --> 00:19:26,610
it's huge

437
00:19:31,520 --> 00:19:28,080
and there's no trees around and it's

438
00:19:34,190 --> 00:19:31,530

just up I mean maybe 300 feet above

439

00:19:37,430 --> 00:19:34,200

where we parked right let me go 300 feet

440

00:19:40,130 --> 00:19:37,440

yeah and and we look up and we turn our

441

00:19:41,870 --> 00:19:40,140

flashlights off and our pupils dilate

442

00:19:43,670 --> 00:19:41,880

and we get used to the darkness and we

443

00:19:47,360 --> 00:19:43,680

both look up at the same time we're just

444

00:19:50,000 --> 00:19:47,370

like that's that's the Milky Way the

445

00:19:53,300 --> 00:19:50,010

Milky Way Oh straight above us we just

446

00:19:54,890 --> 00:19:53,310

see it I've never seen the sky never

447

00:19:56,210 --> 00:19:54,900

seen the Milky Way in my life and that

448

00:19:57,230 --> 00:19:56,220

was the first time and it was

449

00:19:59,860 --> 00:19:57,240

life-changing

450

00:20:03,980 --> 00:19:59,870

it was [h__h] it was phenomenal epic

451
00:20:04,930 --> 00:20:03,990
epic I want the world on my computer

452
00:20:10,250 --> 00:20:04,940
just went to sleep

453
00:20:12,800 --> 00:20:10,260
alright so okay so well first thing that

454
00:20:15,080 --> 00:20:12,810
happened we noticed how much air traffic

455
00:20:17,570 --> 00:20:15,090
is going around on around us and there's

456
00:20:19,250 --> 00:20:17,580
a bunch of airplanes we're like oh look

457
00:20:21,740 --> 00:20:19,260
at that oh look at that it's an airplane

458
00:20:23,750 --> 00:20:21,750
so we know the difference yeah yeah it's

459
00:20:25,850 --> 00:20:23,760
an airplane it's not a satellite or two

460
00:20:28,790 --> 00:20:25,860
we caught a couple satellites like

461
00:20:31,280 --> 00:20:28,800
really faint red lights going at a

462
00:20:34,370 --> 00:20:31,290
steady pace pretty fast across the

463
00:20:38,330 --> 00:20:34,380

skyline and then oh so what was the

464

00:20:40,850 --> 00:20:38,340

false alarm thank you so we see this

465

00:20:46,640 --> 00:20:40,860

light and it's coming over the mountain

466

00:20:50,060 --> 00:20:46,650

range it's not blinking it's not it's

467

00:20:52,610 --> 00:20:50,070

not it's just like a solid white light

468

00:20:55,130 --> 00:20:52,620

very bright and it's moving kind of

469

00:20:56,110 --> 00:20:55,140

weird back and forth and it's swaying

470

00:20:58,510 --> 00:20:56,120

it's going way

471

00:21:01,450 --> 00:20:58,520

it is a little bit right yeah and then

472

00:21:03,430 --> 00:21:01,460

and then it gets a little closer and me

473

00:21:05,440 --> 00:21:03,440

and pan are like dude this is it this is

474

00:21:10,810 --> 00:21:05,450

it it's gonna stop all over us and I

475

00:21:15,690 --> 00:21:10,820

like I like I like kneeled down like

476

00:21:19,630 --> 00:21:15,700

this is it we're going to visit yeah

477

00:21:26,080 --> 00:21:19,640

they're gonna pick us up turns out it

478

00:21:27,760 --> 00:21:26,090

was an airplane desert yep yeah man yeah

479

00:21:30,910 --> 00:21:27,770

I mean we were out there for a good you

480

00:21:33,850 --> 00:21:30,920

know 30 to 45 minutes a total which is

481

00:21:36,310 --> 00:21:33,860

kind of Jen like keeping our eye out

482

00:21:38,440 --> 00:21:36,320

guys you're just trying to look and see

483

00:21:40,390 --> 00:21:38,450

you know it's out there saw some

484

00:21:43,570 --> 00:21:40,400

beautiful stars saw a couple of those

485

00:21:46,300 --> 00:21:43,580

the shooting stars like one after

486

00:21:52,450 --> 00:21:46,310

another those pretty sweet a few and

487

00:21:56,640 --> 00:21:52,460

then out of nowhere guys we see this

488

00:22:00,610 --> 00:21:56,650

light we see a light and it lights up

489

00:22:03,880 --> 00:22:00,620

super bright cool and then it disappears

490

00:22:05,860 --> 00:22:03,890

boom and then all of a sudden it lights

491

00:22:07,930 --> 00:22:05,870

up in a different area and it kind of

492

00:22:11,110 --> 00:22:07,940

stays there for a second yeah and then

493

00:22:13,960 --> 00:22:11,120

it starts moving and it disappears yeah

494

00:22:17,770 --> 00:22:13,970

and then it lights right back up again

495

00:22:22,420 --> 00:22:17,780

and it's never seen anything like that

496

00:22:24,490 --> 00:22:22,430

it was so not like anything that we've

497

00:22:26,980 --> 00:22:24,500

seen in the past anything I've seen in

498

00:22:29,710 --> 00:22:26,990

the past with aviation like every any

499

00:22:32,140 --> 00:22:29,720

airplane it's like there's a constant

500

00:22:37,420 --> 00:22:32,150

steady speed of the lights and this was

501
00:22:39,390 --> 00:22:37,430
pulsing and then it would wait and it

502
00:22:43,330 --> 00:22:39,400
would wake ya

503
00:22:45,040 --> 00:22:43,340
no noise no noise it wasn't a hell when

504
00:22:46,780 --> 00:22:45,050
he was pretty far off even if there was

505
00:22:50,500 --> 00:22:46,790
a noise you probably wouldn't have heard

506
00:22:52,000 --> 00:22:50,510
it but it was moving it up here all the

507
00:22:54,340 --> 00:22:52,010
aircraft that was flying around bytes

508
00:22:56,560 --> 00:22:54,350
though exactly because they were going

509
00:23:00,760 --> 00:22:56,570
at that speed we could hear the sound

510
00:23:01,990 --> 00:23:00,770
and we only Wyatt out there just so

511
00:23:04,000 --> 00:23:02,000
quiet oh boy

512
00:23:05,590 --> 00:23:04,010
no not even crickets we Devon would have

513
00:23:07,000 --> 00:23:05,600

been able to hear a helicopter

514

00:23:11,880 --> 00:23:07,010

yeah had it been a helicopter right

515

00:23:15,370 --> 00:23:11,890

right you know so this thing man I mean

516

00:23:17,110 --> 00:23:15,380

it played around with us for a good you

517

00:23:19,630 --> 00:23:17,120

know we were talking to make you're

518

00:23:23,170 --> 00:23:19,640

talking to it to like come on yo let's

519

00:23:26,860 --> 00:23:23,180

power up power bar like let me see it

520

00:23:29,830 --> 00:23:26,870

Annie boom it would light up and then it

521

00:23:32,050 --> 00:23:29,840

just went away again and then finally it

522

00:23:33,700 --> 00:23:32,060

stopped for a second and it would wind

523

00:23:36,280 --> 00:23:33,710

up behind the mountain yeah we went out

524

00:23:39,130 --> 00:23:36,290

behind the model room lost it and and

525

00:23:41,710 --> 00:23:39,140

then dude like 20 minutes later I

526

00:23:43,960 --> 00:23:41,720

we're searching me and Joel or just I

527

00:23:45,970 --> 00:23:43,970

mean so happy from that yeah I super

528

00:23:47,680 --> 00:23:45,980

stoked on that like hey thank you like

529

00:23:50,620 --> 00:23:47,690

thanks for showing us like if that's all

530

00:23:52,540 --> 00:23:50,630

you had yeah they totally like we're

531

00:23:53,710 --> 00:23:52,550

ready to go home and then all of a

532

00:23:55,060 --> 00:23:53,720

sudden I go Joe

533

00:23:58,120 --> 00:23:55,070

and he's already looking at the same

534

00:24:00,100 --> 00:23:58,130

thing and this and it was a so before it

535

00:24:02,170 --> 00:24:00,110

was like I remember it being like an

536

00:24:04,120 --> 00:24:02,180

orange reddish light the one we were

537

00:24:07,420 --> 00:24:04,130

just talking about this one was a white

538

00:24:09,670 --> 00:24:07,430

light and it only pulls twice but the

539

00:24:12,010 --> 00:24:09,680

brightest I've ever seen they were so

540

00:24:13,780 --> 00:24:12,020

bright so bright and he was already

541

00:24:16,600 --> 00:24:13,790

looking i we were looking the same thing

542

00:24:19,900 --> 00:24:16,610

and only boat pulse twice and it only

543

00:24:21,820 --> 00:24:19,910

moved so it went oh and it moved maybe

544

00:24:24,250 --> 00:24:21,830

like so if you put your hand out like

545

00:24:26,860 --> 00:24:24,260

maybe a quarter of a distance yeah maybe

546

00:24:29,140 --> 00:24:26,870

two quarters and then pulsed again and

547

00:24:31,660 --> 00:24:29,150

then effort we'd never saw yours on it

548

00:24:36,430 --> 00:24:31,670

never it didn't finish its trajectory it

549

00:24:38,380 --> 00:24:36,440

never like pulsed at a steady rate or

550

00:24:41,650 --> 00:24:38,390

anything like that it just that those

551
00:24:42,610 --> 00:24:41,660
two times and it went black and we never

552
00:24:45,610 --> 00:24:42,620
saw the thing again

553
00:24:47,950 --> 00:24:45,620
yeah so we're sitting there like okay we

554
00:24:49,660 --> 00:24:47,960
didn't see a craft we didn't see like a

555
00:24:51,310 --> 00:24:49,670
metallic object

556
00:24:56,140 --> 00:24:51,320
or a bunch of yellow or green or red

557
00:25:00,730 --> 00:24:56,150
lights but that's what we saw and I mean

558
00:25:03,220 --> 00:25:00,740
what's the yeah I guess the description

559
00:25:06,630 --> 00:25:03,230
of a UFO it's something that in the sky

560
00:25:10,360 --> 00:25:06,640
do you can't identify that's what we saw

561
00:25:13,510 --> 00:25:10,370
last night with UFO garage podcast and

562
00:25:17,110 --> 00:25:13,520
last night we definitely saw a UFO -

563
00:25:20,920 --> 00:25:17,120

UFOs - you have probably - of UFOs yeah

564

00:25:24,310 --> 00:25:20,930

it was incredible something I mean and

565

00:25:25,810 --> 00:25:24,320

they're only probably UFOs because we

566

00:25:28,060 --> 00:25:25,820

can't explain it we've never seen

567

00:25:30,970 --> 00:25:28,070

anything like that guys yeah I mean you

568

00:25:33,280 --> 00:25:30,980

know we both live next to airports you

569

00:25:36,010 --> 00:25:33,290

know I'm a military brat I grew up on

570

00:25:42,310 --> 00:25:36,020

military bases see all kinds of crazy

571

00:25:44,920 --> 00:25:42,320

stuff in the sky you know and this was

572

00:25:47,560 --> 00:25:44,930

something that I've never seen I've

573

00:25:48,490 --> 00:25:47,570

never seen anything like this it was

574

00:25:52,090 --> 00:25:48,500

incredible

575

00:25:55,720 --> 00:25:52,100

I live on Airport Boulevard I see Arab

576
00:25:57,490 --> 00:25:55,730
airplanes every single night I know what

577
00:25:59,740 --> 00:25:57,500
an airplane looks like I know what the

578
00:26:01,690 --> 00:25:59,750
lights look like really blew my mind man

579
00:26:03,730 --> 00:26:01,700
every single night and that is something

580
00:26:06,460 --> 00:26:03,740
I've never seen do you have seen

581
00:26:08,080 --> 00:26:06,470
satellites man I've seen some weird [h__\h]

582
00:26:10,840 --> 00:26:08,090
in the sky before I've seen I've seen

583
00:26:12,490 --> 00:26:10,850
kind of like the same like okay there's

584
00:26:15,280 --> 00:26:12,500
an orange light moving across the sky

585
00:26:17,170 --> 00:26:15,290
room fast but those pulses man never

586
00:26:20,940 --> 00:26:17,180
never seen I think pull ever like that

587
00:26:23,770 --> 00:26:20,950
and they weren't like the same like

588
00:26:25,300 --> 00:26:23,780

freaking like entity of light right like

589

00:26:27,130 --> 00:26:25,310

they definitely say it like different

590

00:26:36,820 --> 00:26:27,140

kind of intensity yes

591

00:26:38,800 --> 00:26:36,830

you know mmm like they were like what

592

00:26:40,900 --> 00:26:38,810

what I thought you didn't you did well

593

00:26:42,640 --> 00:26:40,910

you had to we had to Joe had the green

594

00:26:44,890 --> 00:26:42,650

light and you you didn't just point it

595

00:26:46,420 --> 00:26:44,900

at the thingy like kind of circle around

596

00:26:47,740 --> 00:26:46,430

it which I thought was smart I didn't

597

00:26:49,270 --> 00:26:47,750

think about that afterwards you're like

598

00:26:51,940 --> 00:26:49,280

damn that was probably really smart like

599

00:26:54,280 --> 00:26:51,950

normal people like normally people would

600

00:26:57,130 --> 00:26:54,290

just like point it at the thing huh but

601
00:26:58,660 --> 00:26:57,140
like circling it in freed all listening

602
00:27:00,040 --> 00:26:58,670
if y'all have a green laser light and

603
00:27:01,180 --> 00:27:00,050
you're out there I feel like that's the

604
00:27:03,670 --> 00:27:01,190
best way to go

605
00:27:06,070 --> 00:27:03,680
about it like don't just point it at the

606
00:27:09,700 --> 00:27:06,080
thing because okay number one good

607
00:27:13,030 --> 00:27:09,710
aliens have eyes - yeah do you have big

608
00:27:15,160 --> 00:27:13,040
a size some brightest lazy dress Oh

609
00:27:17,350 --> 00:27:15,170
number one if it actually ends up being

610
00:27:19,570 --> 00:27:17,360
a plane that's pretty bad for the plane

611
00:27:22,480 --> 00:27:19,580
you might get arrested for that [\h__\h]

612
00:27:24,540 --> 00:27:22,490
yeah but if it's not I mean just do a

613
00:27:27,130 --> 00:27:24,550

little circle around it you know like

614

00:27:29,500 --> 00:27:27,140

you put your hand out maybe three four

615

00:27:31,330 --> 00:27:29,510

inches and just kind of circle it anyway

616

00:27:32,800 --> 00:27:31,340

that I didn't tell you that before just

617

00:27:33,580 --> 00:27:32,810

now but I thought that was pretty good

618

00:27:41,800 --> 00:27:33,590

thank you

619

00:27:43,540 --> 00:27:41,810

hey do you welcome see way that was her

620

00:27:45,100 --> 00:27:43,550

that was her night last night that was

621

00:27:49,060 --> 00:27:45,110

pretty but I feel like it was a week ago

622

00:27:52,900 --> 00:27:49,070

dude it's been oh we this ho productive

623

00:27:55,810 --> 00:27:52,910

yeah I mean we flew on an airplane hike

624

00:27:59,980 --> 00:27:55,820

the mountain ain't some delicious food

625

00:28:05,020 --> 00:27:59,990

you know heard amazing stories yeah saw

626

00:28:07,900 --> 00:28:05,030

some UFOs and then yeah man I mean here

627

00:28:11,710 --> 00:28:07,910

we are today I'm Phoenix we drove out to

628

00:28:16,090 --> 00:28:11,720

Phoenix uh we uh we rented a Camaro

629

00:28:19,600 --> 00:28:16,100

yeah we cruised around in the Camaro so

630

00:28:22,480 --> 00:28:19,610

you always went with a with a 97 Toyota

631

00:28:25,600 --> 00:28:22,490

Corolla that's probably what they're

632

00:28:28,210 --> 00:28:25,610

gonna give us different we upgraded it

633

00:28:29,590 --> 00:28:28,220

ended up being cheaper it was cheaper

634

00:28:31,390 --> 00:28:29,600

well it was good if you're ever gonna

635

00:28:33,430 --> 00:28:31,400

rent a car just get the [h__h] sports

636

00:28:36,610 --> 00:28:33,440

car it's cheaper and you get a better

637

00:28:39,160 --> 00:28:36,620

engine right yeah do it it's really

638

00:28:40,960 --> 00:28:39,170

cruising around in a Batmobile yeah but

639

00:28:48,160 --> 00:28:40,970

the only thing is we only got to go like

640

00:28:52,420 --> 00:28:48,170

three miles an hour wind nice and cool

641

00:28:54,960 --> 00:28:52,430

yeah that's cool yeah dude so I mean we

642

00:28:58,420 --> 00:28:54,970

started this podcast talking about like

643

00:29:00,640 --> 00:28:58,430

you know things that we're in Sedona our

644

00:29:02,740 --> 00:29:00,650

experience is some of the stories do we

645

00:29:04,720 --> 00:29:02,750

want to go in on some of the stories we

646

00:29:06,820 --> 00:29:04,730

came across last night or do you want to

647

00:29:09,100 --> 00:29:06,830

kind of do like a three minute podcast

648

00:29:11,650 --> 00:29:09,110

tonight and pick up tomorrow with more

649

00:29:12,350 --> 00:29:11,660

info and talk about some notes that we

650

00:29:16,399 --> 00:29:12,360

took

651
00:29:18,560 --> 00:29:16,409
ah no one just maybe talk about some

652
00:29:20,299 --> 00:29:18,570
people that we met tonight listen yeah

653
00:29:22,279 --> 00:29:20,309
tomorrow we'll kind of go into more

654
00:29:23,899 --> 00:29:22,289
stories and things yeah okay so we're

655
00:29:25,669 --> 00:29:23,909
gonna have a lot more stories tomorrow

656
00:29:28,909 --> 00:29:25,679
yeah because you've met some incredible

657
00:29:31,460 --> 00:29:28,919
people and I credible and this was just

658
00:29:35,120 --> 00:29:31,470
kind of like our introduction yeah to a

659
00:29:37,009 --> 00:29:35,130
lot of these people uh it's it's a lot

660
00:29:39,470 --> 00:29:37,019
of information and I like I don't want

661
00:29:42,710 --> 00:29:39,480
to I don't know I guess I could I kind

662
00:29:45,049 --> 00:29:42,720
of don't want to tell somebody's story

663
00:29:46,100 --> 00:29:45,059

that isn't aware that we're telling

664

00:29:47,870 --> 00:29:46,110

their story I guess

665

00:29:50,659 --> 00:29:47,880

right right that's what I'm that's what

666

00:29:53,899 --> 00:29:50,669

I'm kind of getting at but we just met

667

00:29:56,509 --> 00:29:53,909

some really awesome awesome people we

668

00:30:00,889 --> 00:29:56,519

met Travis Walton from have this wall

669

00:30:03,110 --> 00:30:00,899

from fire yeah oh and the guy's a

670

00:30:04,759 --> 00:30:03,120

[h__h] lady killer dude that photo that

671

00:30:07,190 --> 00:30:04,769

we got yeah it's great

672

00:30:10,970 --> 00:30:07,200

his his face is like let me slice DVD I

673

00:30:14,720 --> 00:30:10,980

want to read this like news yeah we uh

674

00:30:18,019 --> 00:30:14,730

we walk up as soon as we walk onto the

675

00:30:21,350 --> 00:30:18,029

floor that is uh that's like housing art

676

00:30:23,960 --> 00:30:21,360

this this conference we walk straight

677

00:30:28,220 --> 00:30:23,970

past Travis Walton which is like one of

678

00:30:32,149 --> 00:30:28,230

the most famous add tea mostly juicer is

679

00:30:34,159 --> 00:30:32,159

manage it gazes yeah but anyway we pass

680

00:30:36,830 --> 00:30:34,169

him by we're I was too scared to talk to

681

00:30:40,639 --> 00:30:36,840

him and then David Childress the giant

682

00:30:43,610 --> 00:30:40,649

blocks guy and I'm like what's up dude

683

00:30:46,669 --> 00:30:43,620

he goes he didn't look at us cuz so guys

684

00:30:50,029 --> 00:30:46,679

up guys just the coolest [h__h] yeah I

685

00:30:52,070 --> 00:30:50,039

respect David Childress so much I love

686

00:30:58,850 --> 00:30:52,080

that guy by the way he's just walked

687

00:31:00,740 --> 00:30:58,860

past us like Subdudes he knew he was bad

688

00:31:05,060 --> 00:31:00,750

yeah we were kind of start stroke yeah

689

00:31:07,159 --> 00:31:05,070

we were a little bit you know let's see

690

00:31:09,799 --> 00:31:07,169

do with to be you know to some people I

691

00:31:13,639 --> 00:31:09,809

mean like these people are like our Brad

692

00:31:15,860 --> 00:31:13,649

Pitt hey you know Travis Walton be Brad

693

00:31:16,820 --> 00:31:15,870

Pitt's my Brad Pitt is here Brad Pitt

694

00:31:21,440 --> 00:31:16,830

and Pitt's my

695

00:31:31,580 --> 00:31:21,450

this is your Brad Pitt bra pops my god

696

00:31:37,120 --> 00:31:31,590

my pop my bra okay so I didn't know that

697

00:31:43,460 --> 00:31:39,620

Travis Walton the true story

698

00:31:46,250 --> 00:31:43,470

he was he was there and he signed it for

699

00:31:47,840 --> 00:31:46,260

me I love you guys can see that - oh boy

700

00:31:49,639 --> 00:31:47,850

yeah he signed it right it looks from

701
00:31:50,930 --> 00:31:49,649
where I'm standing like targis right

702
00:31:54,889 --> 00:31:50,940
here harvest yeah

703
00:31:58,159 --> 00:31:54,899
Susannah savart yeah subvert Safari um

704
00:31:59,750 --> 00:31:58,169
and then on the inside we didn't even

705
00:32:01,220 --> 00:31:59,760
know that he wrote I didn't know I wrote

706
00:32:07,570 --> 00:32:01,230
this you realize that on the inside

707
00:32:15,070 --> 00:32:07,580
either but on the inside it says Joe

708
00:32:19,460 --> 00:32:15,080
they are here but maybe not to fear

709
00:32:22,789 --> 00:32:19,470
Travis Walton damn how cool is that - oh

710
00:32:25,940 --> 00:32:22,799
they are here not but maybe not to fear

711
00:32:27,799 --> 00:32:25,950
[h__h] that's [h__h] cool and so his

712
00:32:31,190 --> 00:32:27,809
story comes off as like this is kind of

713
00:32:35,259 --> 00:32:31,200

terrifying story yeah you know it's kind

714

00:32:40,940 --> 00:32:35,269

it's kind of creepy right kind of scary

715

00:32:43,669 --> 00:32:40,950

but dude I mean he even even he's is

716

00:32:45,470 --> 00:32:43,679

saying maybe maybe you shouldn't be

717

00:32:47,240 --> 00:32:45,480

scared of right even those traumatic

718

00:32:48,950 --> 00:32:47,250

experience happened to me which it is a

719

00:32:52,720 --> 00:32:48,960

traumatic experience guys I mean it's

720

00:32:55,580 --> 00:32:52,730

yeah induction thing I'm it kind of uh

721

00:32:57,110 --> 00:32:55,590

it's a little mind blowing it's a little

722

00:33:00,080 --> 00:32:57,120

mind blowing out what he went through

723

00:33:02,120 --> 00:33:00,090

it's it's really astounding like the fact

724

00:33:05,810 --> 00:33:02,130

that he can be a normal human being in

725

00:33:08,090 --> 00:33:05,820

today's society like he was way cooler

726

00:33:12,590 --> 00:33:08,100

than I will ever be like he wasn't

727

00:33:14,870 --> 00:33:12,600

[h__h] very handled himself very well

728

00:33:17,690 --> 00:33:14,880

and just so super nice super

729

00:33:19,370 --> 00:33:17,700

professional absolutely and you could

730

00:33:21,049 --> 00:33:19,380

just tell like man this guy's been

731

00:33:24,289 --> 00:33:21,059

through some [h__h] he's seen some [h__h]

732

00:33:27,049 --> 00:33:24,299

but also he's just really really cool

733

00:33:29,169 --> 00:33:27,059

and really nice which is like man I

734

00:33:32,019 --> 00:33:29,179

respect that so much I don't know

735

00:33:33,849 --> 00:33:32,029

I mean I've met some really famous

736

00:33:36,869 --> 00:33:33,859

musicians that had a chip on their

737

00:33:40,859 --> 00:33:36,879

shoulder in and you know just saw

738

00:33:44,739 --> 00:33:40,869

reality in a different way what this guy

739

00:33:48,549 --> 00:33:44,749

experienced a reality that a very large

740

00:33:50,979 --> 00:33:48,559

population of our culture will never

741

00:33:53,639 --> 00:33:50,989

ever experience order understand and

742

00:33:56,039 --> 00:33:53,649

just takes it in stride I don't know I

743

00:33:59,169 --> 00:33:56,049

respect the guy hung out just my

744

00:34:04,149 --> 00:33:59,179

interaction with the guy is cool that's

745

00:34:05,289 --> 00:34:04,159

cool we also got to meet UFO TV oh yeah

all about it I'm all about it for sure

864

00:40:23,860 --> 00:40:22,520

for leaving out yeah probably but we're

865

00:40:25,590 --> 00:40:23,870

873

00:40:46,210 --> 00:40:44,420

like everybody's been treating us so

874

00:40:49,330 --> 00:40:46,220

well so I hope that continues

875

00:40:51,400 --> 00:40:49,340

ha I hope people are better new to this

876

00:40:54,010 --> 00:40:51,410

podcast that have heard about us from

877

00:40:55,600 --> 00:40:54,020

hopefully we'll get that yeah we'll get

881

00:41:05,980 --> 00:41:03,980

married and her sister maybe her mom and

882

00:41:08,200 --> 00:41:05,990

tomorrow the yeah the pendants yeah yeah

883

00:41:10,660 --> 00:41:08,210

and see if we can talk talk about these

884

00:41:13,390 --> 00:41:10,670

yom you've seen them on ancient aliens

885

00:41:16,210 --> 00:41:13,400

yeah i've said or just doing any kind of

886

00:41:19,570 --> 00:41:16,220

research I mean these ancient people

887

00:41:22,420 --> 00:41:19,580

they they made these Lamia in Colombia

888

00:41:24,850 --> 00:41:22,430

and they're talking about how there may

889

00:41:27,970 --> 00:41:24,860

be around pre Colombia but these little

890

00:41:29,650 --> 00:41:27,980

pennants there's so many different kinds

891

00:41:32,800 --> 00:41:29,660

of these things where these ancient

892

00:41:35,470 --> 00:41:32,810

people the the the vertical vertical

893

00:41:37,600 --> 00:41:35,480

little little fin they're like nothing

894

00:41:40,300 --> 00:41:37,610

in nature has a vertical fin like that

895

00:41:43,300 --> 00:41:40,310

right right and so how these ancient

896

00:41:46,690 --> 00:41:43,310

people were creating these things that

897

00:41:50,590 --> 00:41:46,700

look like airplanes before this stuff

898

00:41:52,210 --> 00:41:50,600

even existed pre-columbian tonight the

899

00:41:55,300 --> 00:41:52,220

ancients were making these and there's

900

00:41:56,120 --> 00:41:55,310

all different kinds and they were nice

901
00:41:59,540 --> 00:41:56,130
enough to

902
00:42:01,880 --> 00:41:59,550
give me and Ben our own little pins yeah

903
00:42:04,880 --> 00:42:01,890
and man they're they're definitely

904
00:42:06,440 --> 00:42:04,890
awesome yeah little guy it's crazy looks

905
00:42:08,900 --> 00:42:06,450
super cool yeah they're bad they're

906
00:42:11,390 --> 00:42:08,910
awesome looking so hopefully we can have

907
00:42:13,130 --> 00:42:11,400
them on they know the history behind it

908
00:42:17,840 --> 00:42:13,140
they know a lot more than we do we know

909
00:42:20,030 --> 00:42:17,850
just pretty much the basics and yeah and

910
00:42:21,440 --> 00:42:20,040
see if we can get them to kind of give

911
00:42:23,200 --> 00:42:21,450
us the history on it guys I mean I think

912
00:42:24,440 --> 00:42:23,210
that's gonna be pretty cool pretty cool

913
00:42:29,690 --> 00:42:24,450

and uh

914

00:42:32,480 --> 00:42:29,700

met some other people do me try and get

915

00:42:35,600 --> 00:42:32,490

a booth bro yeah we might yeah the next

916

00:42:38,180 --> 00:42:35,610

I mean what we've been told is there's a

917

00:42:40,250 --> 00:42:38,190

another event that that happens every

918

00:42:43,190 --> 00:42:40,260

now and then every year you are folk on

919

00:42:47,210 --> 00:42:43,200

2020 and it's like everybody that speaks

920

00:42:49,190 --> 00:42:47,220

at these UFO conferences like the the

921

00:42:52,370 --> 00:42:49,200

people that speak of these things kanji

922

00:42:55,100 --> 00:42:52,380

come to this event and it's like the

923

00:42:57,740 --> 00:42:55,110

most legit you know conference I don't

924

00:43:01,310 --> 00:42:57,750

know that that's what we've been told so

925

00:43:03,050 --> 00:43:01,320

we may try them out and uh do podcasting

926

00:43:04,850 --> 00:43:03,060

in a booth man I think that was really

927

00:43:09,020 --> 00:43:04,860

kind of cool I want to I want to like

928

00:43:11,480 --> 00:43:09,030

rent a like a like a trailer or some

929

00:43:13,760 --> 00:43:11,490

kind of like you know like a camper

930

00:43:17,150 --> 00:43:13,770

trailer and set it up as a studio like a

931

00:43:19,340 --> 00:43:17,160

like a mobile studio oh yeah it like

932

00:43:21,260 --> 00:43:19,350

brand it or whatever yeah and then have

933

00:43:23,270 --> 00:43:21,270

people come in and do you know well

934

00:43:27,590 --> 00:43:23,280

enough yeah that would be awesome

935

00:43:30,170 --> 00:43:27,600

Jake yeah sure yeah hey you said you got

936

00:43:33,440 --> 00:43:30,180

your doctor Squatch in a dude I did your

937

00:43:36,470 --> 00:43:33,450

sole shout-out to dr. Squatch uh after

938

00:43:39,860 --> 00:43:36,480

my after our episode I I complain that I

939

00:43:43,550 --> 00:43:39,870

I said I entered in the wrong email or

940

00:43:45,350 --> 00:43:43,560

the wrong shipping address they figured

941

00:43:47,750 --> 00:43:45,360

it out and they shipped it to the right

942

00:43:51,590 --> 00:43:47,760

address I got my soul and I smell so

943

00:43:55,520 --> 00:43:51,600

dang good applause don't squash that out

944

00:43:57,950 --> 00:43:55,530

for bid yes yeah I need to order some

945

00:43:59,810 --> 00:43:57,960

more soap definitely need to get on the

946

00:44:01,250 --> 00:43:59,820

ball with that I'm very happy with it we

947

00:44:02,990 --> 00:44:01,260

were saying like it doesn't make your

948

00:44:04,640 --> 00:44:03,000

skin dry all right really worried about

949

00:44:06,710 --> 00:44:04,650

that and it does not dude you were

950

00:44:08,510 --> 00:44:06,720

totally right it's not oily and it also

951

00:44:08,990 --> 00:44:08,520

is not like it doesn't stick when your

952

00:44:11,180 --> 00:44:09,000

channel

953

00:44:13,790 --> 00:44:11,190

move your hands cross your skin and it

954

00:44:16,250 --> 00:44:13,800

lathers then it does it laughs like a

955

00:44:19,070 --> 00:44:16,260

bug you don't need a lot you just do a

956

00:44:22,190 --> 00:44:19,080

little bit on it just goes oh egg it's

957

00:44:24,500 --> 00:44:22,200

so me yeah so good yeah guys doctor

958

00:44:26,390 --> 00:44:24,510

Squatch is amazing if you haven't gotten

959

00:44:29,330 --> 00:44:26,400

on that yet you need to get on it

960

00:44:31,339 --> 00:44:29,340

because if you're still just shower with

961

00:44:33,650 --> 00:44:31,349

the soap that your mommy used to buy you

962

00:44:36,530 --> 00:44:33,660

and you're missing out

963

00:44:38,300 --> 00:44:36,540
