

UFO GARAGE PODCAST

1
00:00:05,269 --> 00:00:03,139
yeah we did when we got here we did one

2
00:00:10,459 --> 00:00:05,279
straight off this came out really good

3
00:00:11,060 --> 00:00:10,469
are you surprised about it yeah yeah

4
00:00:15,560 --> 00:00:11,070
Cheers

5
00:00:21,470 --> 00:00:15,570
thanks for being on first podcast ever

6
00:00:23,929 --> 00:00:21,480
oh yeah also oh yeah okay all right now

7
00:00:26,740 --> 00:00:23,939
to do a little intro you ready

8
00:00:29,960 --> 00:00:26,750
yeah is he ready to go huh all right

9
00:00:31,849 --> 00:00:29,970
this is another episode of UFO garage

10
00:00:36,040 --> 00:00:31,859
I'm Ben I'm Joe and this is where we

11
00:00:38,930 --> 00:00:36,050
talk about UFOs aliens and all things we

12
00:00:39,889 --> 00:00:38,940
what's up dude what's up how you doing

13
00:00:43,639 --> 00:00:39,899

good

14

00:00:45,650 --> 00:00:43,649

we have a guest today Mary from ancient

15

00:00:49,220 --> 00:00:45,660

aliens 13

16

00:00:52,189 --> 00:00:49,230

we're here at UFO Congress 2019 say

17

00:00:53,869 --> 00:00:52,199

hello to everybody hi everybody thanks

18

00:00:57,470 --> 00:00:53,879

for having me you guys yeah absolutely

19

00:01:02,420 --> 00:00:57,480

thanks for doing it now we had a mishap

20

00:01:05,119 --> 00:01:02,430

earlier with Douglas from Phoenix

21

00:01:07,039 --> 00:01:05,129

shaving and uh yeah I messed up on the

22

00:01:10,190 --> 00:01:07,049

interface so this is our second podcast

23

00:01:11,600 --> 00:01:10,200

hopefully this goes I pressed record it

24

00:01:15,140 --> 00:01:11,610

looks like his recordings I'd the group

25

00:01:20,990 --> 00:01:15,150

I think we're good I think we're okay it

26

00:01:24,530 --> 00:01:21,000

is I did a little test press record it

27

00:01:27,440 --> 00:01:24,540

should be good to go yeah exactly

28

00:01:30,890 --> 00:01:27,450

right right so tell us about like how

29

00:01:32,510 --> 00:01:30,900

you got into working for you know

30

00:01:34,730 --> 00:01:32,520

ancient aliens 13 to tell us a little

31

00:01:37,520 --> 00:01:34,740

bit about it so about 10 years ago my

32

00:01:40,880 --> 00:01:37,530

mom started across the puddle which is

33

00:01:42,679 --> 00:01:40,890

our main brand my sister was really

34

00:01:44,749 --> 00:01:42,689

depressed she was lamenting living in

35

00:01:46,429 --> 00:01:44,759

Amsterdam and she couldn't get a job it

36

00:01:49,010 --> 00:01:46,439

was cold and she was just like you know

37

00:01:50,120 --> 00:01:49,020

what do I do and my mom looked at her

38

00:01:54,850 --> 00:01:50,130

and she's like why don't we start a

39

00:01:58,039 --> 00:01:54,860

company yeah and they did good idea yes

40

00:02:00,319 --> 00:01:58,049

and work from Columbia I was born and

41

00:02:03,410 --> 00:02:00,329

you know I moved to the States 18 years

42

00:02:06,800 --> 00:02:03,420

ago and so we started bringing

43

00:02:09,380 --> 00:02:06,810

pre-columbian jewelry to America yeah

44

00:02:10,499 --> 00:02:09,390

and we created a website did all the

45

00:02:13,460 --> 00:02:10,509

stuff you do you know

46

00:02:16,559 --> 00:02:13,470

for a jewelry company and we Selma like

47

00:02:18,750 --> 00:02:16,569

the connection to the you follow G is

48

00:02:22,740 --> 00:02:18,760

from one of the our golden jet

49

00:02:25,110 --> 00:02:22,750

collection so in the first episode of

50

00:02:27,210 --> 00:02:25,120

angel aliens which launched 10 years ago

51
00:02:29,369 --> 00:02:27,220
so there's some really crazy symbology

52
00:02:31,619 --> 00:02:29,379
right there yeah so at the same time

53
00:02:34,220 --> 00:02:31,629
that crosses puddles started ancient

54
00:02:39,559 --> 00:02:34,230
aliens wait on the History Channel okay

55
00:02:46,860 --> 00:02:44,130
wow yeah cool really cool and my mom's

56
00:02:49,920 --> 00:02:46,870
like golden flier like what are these

57
00:02:52,080 --> 00:02:49,930
people talking about yeah because for us

58
00:02:54,059 --> 00:02:52,090
pre-columbian cultures was just like the

59
00:02:56,099 --> 00:02:54,069
artifacts and the gold and all of that

60
00:02:57,839 --> 00:02:56,109
stuff yeah and then she looked into and

61
00:03:05,699 --> 00:02:57,849
she's like there's this guy tortures now

62
00:03:08,670 --> 00:03:05,709
yeah absolutely and then we you know we

63
00:03:11,490 --> 00:03:08,680

learned about the plane the golden flyer

64

00:03:13,170 --> 00:03:11,500

and how it has the wing in the back you

65

00:03:16,229 --> 00:03:13,180

know flies and it's so different than

66

00:03:18,479 --> 00:03:16,239

all the stuff right right now we're here

67

00:03:21,330 --> 00:03:18,489

yeah that's awesome that's awesome I

68

00:03:24,150 --> 00:03:21,340

think a lot with ufology and with this

69

00:03:26,039 --> 00:03:24,160

community you just you're there at the

70

00:03:28,860 --> 00:03:26,049

right time and then your stars align and

71

00:03:30,509 --> 00:03:28,870

you get brought in to it yeah for

72

00:03:32,879 --> 00:03:30,519

whatever reason you know yeah absolutely

73

00:03:34,740 --> 00:03:32,889

it's to be a part of it yeah and I've

74

00:03:37,500 --> 00:03:34,750

never been happier like this is the

75

00:03:39,659 --> 00:03:37,510

coolest community yeah coolest community

76

00:03:42,000 --> 00:03:39,669

yeah we definitely felt that being here

77

00:03:43,830 --> 00:03:42,010

yeah you know we like I said we just

78

00:03:46,349 --> 00:03:43,840

kind of started the podcast it's still

79

00:03:48,869 --> 00:03:46,359

pretty pretty new but a lot of people

80

00:03:50,159 --> 00:03:48,879

are gravitating towards it and you know

81

00:03:53,580 --> 00:03:50,169

we decided to come out here and

82

00:03:55,830 --> 00:03:53,590

definitely feel that like you know come

83

00:03:58,800 --> 00:03:55,840

come hang out you know like it's real

84

00:04:01,050 --> 00:03:58,810

like it's been really welcoming to us at

85

00:04:02,280 --> 00:04:01,060

least yes there's lots of really unity

86

00:04:05,460 --> 00:04:02,290

like I mean y'all are the first people

87

00:04:09,379 --> 00:04:05,470

would be like hey yo yeah what's up very

88

00:04:13,640 --> 00:04:09,389

pretty awesome well I I'm so I'm such a

89

00:04:15,080 --> 00:04:13,650

such a creep in a way you know so like

90

00:04:16,849 --> 00:04:15,090

the moment I'm somewhere I'm like who's

91

00:04:18,439 --> 00:04:16,859

here what's going on you know social

92

00:04:20,300 --> 00:04:18,449

media is probably the best way to just

93

00:04:21,349 --> 00:04:20,310

find yeah absolutely those people that

94

00:04:23,510 --> 00:04:21,359

are connected that you don't necessarily

95

00:04:26,150 --> 00:04:23,520

know about yeah and to be honest with

96

00:04:28,909 --> 00:04:26,160

you I feel like I've seen you before you

97

00:04:30,529 --> 00:04:28,919

know cool right like your presence is so

98

00:04:32,840 --> 00:04:30,539

good you know you're funny and you're

99

00:04:35,240 --> 00:04:32,850

fun and like you're in you're up you're

100

00:04:37,790 --> 00:04:35,250

like doing what you do wherever you are

101
00:04:39,110 --> 00:04:37,800
yeah yeah absolutely so I went on your

102
00:04:40,400 --> 00:04:39,120
Instagram but I was like this is cool

103
00:04:42,860 --> 00:04:40,410
this is cool you know and I liked all

104
00:04:44,840 --> 00:04:42,870
your pictures guys I just got an

105
00:04:47,540 --> 00:04:44,850
Instagram like two days yeah just

106
00:04:49,240 --> 00:04:47,550
figured I just figured it out he goes he

107
00:04:51,860 --> 00:04:49,250
goes how do you like something I say oh

108
00:04:54,920 --> 00:04:51,870
you pressed the heart you go I don't

109
00:04:57,560 --> 00:04:54,930
love it yeah I just want to show a love

110
00:05:01,010 --> 00:04:57,570
on it I don't understand the snap face

111
00:05:03,110 --> 00:05:01,020
and it's a chance how does the Facebook

112
00:05:05,719 --> 00:05:03,120
and that's pretty much it you know you

113
00:05:13,029 --> 00:05:05,729

know like in myspace dude back in the

114

00:05:21,770 --> 00:05:15,170

yeah yeah

115

00:05:23,300 --> 00:05:21,780

so you're one of the oh geez away so you

116

00:05:30,469 --> 00:05:23,310

were like one of the first three people

117

00:05:32,420 --> 00:05:30,479

to follow us dude yeah yeah I think I

118

00:05:37,159 --> 00:05:32,430

think I like follow you

119

00:05:40,399 --> 00:05:37,169

Ben myself yeah and the podcast podcast

120

00:05:43,790 --> 00:05:40,409

a little mayo mayo you know mail the

121

00:05:45,439 --> 00:05:43,800

aliens you know Joey Joey was telling us

122

00:05:47,779 --> 00:05:45,449

the gaffer here was taught us about

123

00:05:50,120 --> 00:05:47,789

little little mayo he's a Instagram

124

00:05:51,129 --> 00:05:50,130

account and it's like this little I

125

00:05:54,529 --> 00:05:51,139

guess

126

00:05:55,790 --> 00:05:54,539

plastic alien and who like it doesn't

127

00:05:57,670 --> 00:05:55,800

show the actual person taking these

128

00:06:00,649 --> 00:05:57,680

photos but he's like and all these

129

00:06:04,100 --> 00:06:00,659

images with like Ferraris and I had like

130

00:06:06,110 --> 00:06:04,110

oh like dress up like a pre yeah yeah

131

00:06:10,460 --> 00:06:06,120

he's like partying at party using video

132

00:06:12,080 --> 00:06:10,470

role it's done yeah it's hilarious yeah

133

00:06:14,350 --> 00:06:12,090

a little male it's pretty funny he told

134

00:06:19,119 --> 00:06:14,360

us about it

135

00:06:23,339 --> 00:06:19,129

yeah yes yeah so when you're talking

136

00:06:24,459 --> 00:06:23,349

about pre-columbian is that like the

137

00:06:26,890 --> 00:06:24,469

Tolima

138

00:06:29,679 --> 00:06:26,900

that is one of them and they're in

139

00:06:32,200 --> 00:06:29,689

Colombia uh-huh so the word

140

00:06:34,749 --> 00:06:32,210

pre-columbian signifies the people

141

00:06:37,149 --> 00:06:34,759

before Columbus came to America okay

142

00:06:39,850 --> 00:06:37,159

yeah that's really where Columbian comes

143

00:06:42,450 --> 00:06:39,860

from not from the country okay that's

144

00:06:50,790 --> 00:06:42,460

why it's spelled with a u right right

145

00:06:55,600 --> 00:06:53,260

has nothing to do with the country at

146

00:06:58,480 --> 00:06:55,610

all right right him coming to America so

147

00:07:01,689 --> 00:06:58,490

the people before him okay mm-hmm

148

00:07:03,459 --> 00:07:01,699

so Lima is one of the many you know

149

00:07:05,830 --> 00:07:03,469

there was about 12

150

00:07:07,240 --> 00:07:05,840

pre-columbian society that lived in

151

00:07:10,600 --> 00:07:07,250

Colombia all right

152

00:07:14,290 --> 00:07:10,610

and they worked with gold gold was

153

00:07:18,129 --> 00:07:14,300

affluent all over Latin America and they

154

00:07:20,800 --> 00:07:18,139

there's their Goldsmith's had this

155

00:07:23,439 --> 00:07:20,810

technique they were so good at it they

156

00:07:25,930 --> 00:07:23,449

were able to put other metals into it

157

00:07:27,790 --> 00:07:25,940

and like burn it with fire and then make

158

00:07:29,260 --> 00:07:27,800

these tiny little figures right right

159

00:07:31,329 --> 00:07:29,270

but when you find them you're like how

160

00:07:33,339 --> 00:07:31,339

were they able to make this yeah and

161

00:07:40,260 --> 00:07:33,349

they made it with loss they made it with

162

00:07:45,670 --> 00:07:42,730

then you pour the gold in there you got

163

00:07:50,950 --> 00:07:45,680

it they would like they would cover it

164

00:07:53,709 --> 00:07:50,960

Oh gold plated in gold yes I see then

165

00:07:55,119 --> 00:07:53,719

they would burn it in the clay you know

166

00:07:57,189 --> 00:07:55,129

the wax then would melt

167

00:08:01,329 --> 00:07:57,199

uh-huh so they made it out of clay they

168

00:08:04,240 --> 00:08:01,339

covered it in wax then from the wax they

169

00:08:05,980 --> 00:08:04,250

made the the mold that's also yeah

170

00:08:08,740 --> 00:08:05,990

that's pretty cool lost wax method

171

00:08:10,600 --> 00:08:08,750

because it just disappeared uh-huh how

172

00:08:13,559 --> 00:08:10,610

did they do it oh wow yeah and now the

173

00:08:16,959 --> 00:08:13,569

lost wax technique is very popular for

174

00:08:18,550 --> 00:08:16,969

yours oh yeah and it's tricky it's very

175

00:08:20,980 --> 00:08:18,560

tricky so what are you gonna be a broad

176

00:08:25,749 --> 00:08:20,990

No what's up with that they're like oh

177

00:08:28,990 --> 00:08:25,759

yeah I'm not gonna play around right it

178

00:08:31,449 --> 00:08:29,000

requires a level of craftsmanship yeah

179

00:08:34,120 --> 00:08:31,459

yeah definitely definitely that's cool

180

00:08:36,909 --> 00:08:34,130

and so like in that area people say it

181

00:08:39,309 --> 00:08:36,919

like velocity of like El Dorado is in

182

00:08:41,620 --> 00:08:39,319

that area too yeah there's so many

183

00:08:46,449 --> 00:08:41,630

different beautiful parts in Colombia

184

00:08:51,309 --> 00:08:46,459

there's this so El Dorado is a lake Wow

185

00:08:53,740 --> 00:08:51,319

and the man the the story you know there

186

00:08:57,550 --> 00:08:53,750

was a man that used to go on a on a

187

00:09:00,550 --> 00:08:57,560

launch or a lunch ah that it's like made

188

00:09:02,530 --> 00:09:00,560

out of wood and he would be covered in

189

00:09:05,170 --> 00:09:02,540

gold and then he would go in the lake

190

00:09:06,730 --> 00:09:05,180

and all the gold would go be in the lake

191

00:09:10,600 --> 00:09:06,740

so when the Spanish came around they're

192

00:09:13,030 --> 00:09:10,610

looking for the lost world and they got

193

00:09:15,400 --> 00:09:13,040

to the lake there was no gold oh there's

194

00:09:18,699 --> 00:09:15,410

this mysterious man covered in gold

195

00:09:21,340 --> 00:09:18,709

dumping himself with his people but

196

00:09:25,540 --> 00:09:21,350

there's no gold Wow hmm

197

00:09:27,340 --> 00:09:25,550

it's like a metaphor for like they

198

00:09:28,930 --> 00:09:27,350

wanted to hide their gold in the lake

199

00:09:31,360 --> 00:09:28,940

and they just threw it all in there yeah

200

00:09:33,280 --> 00:09:31,370

or maybe they're offering it to the lake

201
00:09:43,019 --> 00:09:33,290
well you know I guess like an offering

202
00:09:45,509 --> 00:09:43,029
I'm seeing the retail so a lot of the

203
00:09:47,829 --> 00:09:45,519
stories in the history with these

204
00:09:53,130 --> 00:09:47,839
pre-columbian cultures is gone because

205
00:09:55,059 --> 00:09:53,140
they build with wood mm-hmm yeah

206
00:09:57,910 --> 00:09:55,069
structures or anything like that

207
00:09:59,079 --> 00:09:57,920
no stone structures Oh everything

208
00:10:00,970 --> 00:09:59,089
disappear and then you have the

209
00:10:02,860 --> 00:10:00,980
mountains and then it takes over so

210
00:10:07,059 --> 00:10:02,870
there's lots of little lost cities

211
00:10:09,730 --> 00:10:07,069
everywhere in the museum in Colombia a

212
00:10:11,790 --> 00:10:09,740
museum of gold you if you go they have

213
00:10:16,619 --> 00:10:11,800

the

214

00:10:18,809 --> 00:10:16,629

boat but like what I can do

215

00:10:21,449 --> 00:10:18,819

yeah it's like a canoe okay kind of like

216

00:10:25,410 --> 00:10:21,459

a canoe Co but it's one of the main

217

00:10:27,569 --> 00:10:25,420

pieces and it's all gold oh wow yes wow

218

00:10:29,160 --> 00:10:27,579

that's cool they actually made it into

219

00:10:33,449 --> 00:10:29,170

an artifact huh

220

00:10:35,910 --> 00:10:33,459

so like a canoe made out of gold yes I

221

00:10:38,789 --> 00:10:35,920

don't think that vein would flow dude

222

00:10:42,119 --> 00:10:38,799

it'd be pretty tough yeah it'd be pretty

223

00:10:46,650 --> 00:10:42,129

tough so so it's like you're like

224

00:10:51,619 --> 00:10:46,660

heritage like Columbian like y'all from

225

00:10:53,879 --> 00:10:51,629

that area so just recently we learned

226

00:10:56,189 --> 00:10:53,889

that my great-great-great

227

00:11:00,169 --> 00:10:56,199

great-great-great ancestors came to

228

00:11:03,689 --> 00:11:00,179

America came to Columbia in about 1492

229

00:11:08,749 --> 00:11:03,699

so they were kicked out of Spain kicked

230

00:11:11,850 --> 00:11:08,759

out yes well it was persecuted Oh 1492

231

00:11:17,639 --> 00:11:11,860

Columbus sailed the ocean blue dude yeah

232

00:11:22,739 --> 00:11:19,499

yeah we're gonna call this [h__h] Columbia

233

00:11:27,720 --> 00:11:22,749

yeah and they were like no no this is

234

00:11:29,549 --> 00:11:27,730

this is called whatever really is that

235

00:11:32,359 --> 00:11:29,559

they're like the original yeah it's all

236

00:11:39,869 --> 00:11:32,369

Spanish call that Wow Colombia Panama

237

00:11:44,789 --> 00:11:39,879

Brazil yeah big wow that's incredible

238

00:11:47,489 --> 00:11:44,799

nationalities came around I uh I work

239

00:11:50,419 --> 00:11:47,499

with a guy from Peru and he's got some

240

00:11:52,739 --> 00:11:50,429

like pretty like what we can understand

241

00:11:55,499 --> 00:11:52,749

he's got some pretty interesting little

242

00:11:58,199 --> 00:11:55,509

stories and I spent I haven't been to

243

00:12:00,210 --> 00:11:58,209

Peru but he apparently used to live next

244

00:12:02,309 --> 00:12:00,220

to a Machu Picchu and he would do like

245

00:12:05,129 --> 00:12:02,319

little guides like in tours and stuff

246

00:12:06,090 --> 00:12:05,139

yeah before he came up to America and

247

00:12:07,949 --> 00:12:06,100

like he's got all these little

248

00:12:09,629 --> 00:12:07,959

knickknacks and things you know like

249

00:12:12,059 --> 00:12:09,639

little owls that are made from my

250

00:12:13,619 --> 00:12:12,069

avocado pits and stuff like that when US

251
00:12:15,780 --> 00:12:13,629
brings them and they're like little

252
00:12:17,039 --> 00:12:15,790
gifts so like anytime like I pick them

253
00:12:18,600 --> 00:12:17,049
up and like oh we'll take them to work

254
00:12:20,909 --> 00:12:18,610
or whatever like he'll it'll bring you a

255
00:12:22,379 --> 00:12:20,919
little gift and it's awesome they're all

256
00:12:25,110 --> 00:12:22,389
these cool little handmade like

257
00:12:27,300 --> 00:12:25,120
knickknacks and they're pretty cool and

258
00:12:30,060 --> 00:12:27,310
you know he he talks about how like the

259
00:12:31,200 --> 00:12:30,070
sky people like built that place and

260
00:12:34,170 --> 00:12:31,210
things like that and like how they're

261
00:12:35,940 --> 00:12:34,180
still like around today yeah like

262
00:12:36,990 --> 00:12:35,950
they're in their culture they knew about

263
00:12:40,230 --> 00:12:37,000

the sky people

264

00:12:42,360 --> 00:12:40,240

yeah that's pretty nuts so is there is

265

00:12:45,300 --> 00:12:42,370

there anything that you know of like

266

00:12:48,480 --> 00:12:45,310

mythology in Colombia that talks about

267

00:12:51,720 --> 00:12:48,490

the sky people or so in Colombia they

268

00:12:54,600 --> 00:12:51,730

don't talk about it oh really okay is it

269

00:12:57,110 --> 00:12:54,610

forbidden I don't know but it's it's

270

00:12:59,100 --> 00:12:57,120

it's more of an American ideology

271

00:13:00,540 --> 00:12:59,110

because when you go to Colombia

272

00:13:02,940 --> 00:13:00,550

pre-columbian jewelry you know it's

273

00:13:05,790 --> 00:13:02,950

ancient it's traditional it has an air

274

00:13:08,700 --> 00:13:05,800

of magical on it right but they've never

275

00:13:12,180 --> 00:13:08,710

I've never learned about you know the

276

00:13:16,050 --> 00:13:12,190

link to UFOs in outer space

277

00:13:19,310 --> 00:13:16,060

yeah Wow nobody here you're like we're

278

00:13:21,420 --> 00:13:19,320

just taking all the credit for this

279

00:13:26,490 --> 00:13:21,430

don't worry about it we were smart back

280

00:13:27,930 --> 00:13:26,500

then guys now they're stupid you know

281

00:13:31,199 --> 00:13:27,940

one of the beautiful things about the

282

00:13:33,870 --> 00:13:31,209

pre-columbian cultures and the groups

283

00:13:36,420 --> 00:13:33,880

that still have lineage to those it's

284

00:13:38,280 --> 00:13:36,430

they protect their land mm-hmm and they

285

00:13:39,390 --> 00:13:38,290

protect their history and they protect

286

00:13:43,470 --> 00:13:39,400

their treasure

287

00:13:46,350 --> 00:13:43,480

so you know if if they're you know if

288

00:13:47,100 --> 00:13:46,360

all of this is true which I believe it

289

00:13:48,870 --> 00:13:47,110

is mm-hmm

290

00:13:50,820 --> 00:13:48,880

they probably are like hell no we're not

291

00:13:53,790 --> 00:13:50,830

telling anybody yes especially not the

292

00:13:56,880 --> 00:13:53,800

Americans yeah yeah definitely because

293

00:13:58,410 --> 00:13:56,890

we're like oh yeah let's go mine the

294

00:14:00,660 --> 00:13:58,420

[h__h] out of that and put a Starbucks on

295

00:14:03,750 --> 00:14:00,670

the hill yeah I try to ask acts of

296

00:14:06,180 --> 00:14:03,760

excavating land and try to find him no

297

00:14:08,820 --> 00:14:06,190

yeah yeah if I mean it's which I believe

298

00:14:10,170 --> 00:14:08,830

there's like almost every huge culture

299

00:14:12,540 --> 00:14:10,180

there's got to be like some kind of

300

00:14:14,220 --> 00:14:12,550

hidden ruin somewhere yeah definitely

301

00:14:16,350 --> 00:14:14,230

you know so stone structures would

302

00:14:18,300 --> 00:14:16,360

probably exist in that area I mean all

303

00:14:19,860 --> 00:14:18,310

of yeah that's so it's kind of like we

304

00:14:22,050 --> 00:14:19,870

were talking about how the Chinese in

305

00:14:23,730 --> 00:14:22,060

how in China there are actually pyramids

306

00:14:25,890 --> 00:14:23,740

yes but they don't let them be grown

307

00:14:28,320 --> 00:14:25,900

over by the forests so now in the trees

308

00:14:31,140 --> 00:14:28,330

and things and so you can't like unless

309

00:14:33,780 --> 00:14:31,150

you're like in an airplane with with

310

00:14:35,929 --> 00:14:33,790

some sort of like what do they call

311

00:14:38,329 --> 00:14:35,939

those little scopes there

312

00:14:40,460 --> 00:14:38,339

penetrating radar yeah yeah with the

313

00:14:42,169 --> 00:14:40,470

radar these stuff like you can't tell

314

00:14:44,179 --> 00:14:42,179

that they're there or that's built with

315

00:14:47,479 --> 00:14:44,189

something different because over time

316

00:14:49,159 --> 00:14:47,489

they just let that stuff grow over yeah

317

00:14:53,689 --> 00:14:49,169

it's kind of the same thing especially

318

00:14:56,389 --> 00:14:53,699

like yeah yeah right connect telling

319

00:14:58,819 --> 00:14:56,399

anybody yeah don't feel we're not even

320

00:15:07,779 --> 00:14:58,829

allowed to like tourism is not allowed

321

00:15:10,069 --> 00:15:07,789

they're like hey man we're just curious

322

00:15:11,809 --> 00:15:10,079

but if anybody from China knows anything

323

00:15:13,759 --> 00:15:11,819

about these pyramids man we'd love to

324

00:15:16,819 --> 00:15:13,769

hear about it reach out to us

325

00:15:18,679 --> 00:15:16,829

UFO garage PC comm leave us a little

326

00:15:20,359 --> 00:15:18,689

message it's down at the at the bottom

327

00:15:24,529 --> 00:15:20,369

of the site and while you're down there

328

00:15:25,759 --> 00:15:24,539

go check out our merch shameless

329

00:15:30,379 --> 00:15:25,769

shameless bro

330

00:15:33,799 --> 00:15:30,389

shameless if I don't get some swag you

331

00:15:36,439 --> 00:15:33,809

know I don't know yeah I was pretty like

332

00:15:39,229 --> 00:15:36,449

when I ordered this I was worried it

333

00:15:42,889 --> 00:15:39,239

wasn't gonna come in on time it takes a

334

00:15:45,079 --> 00:15:42,899

while I didn't get any Kobe yeah we left

335

00:15:47,599 --> 00:15:45,089

Wednesday and it came in Tuesday evening

336

00:15:49,729 --> 00:15:47,609

so it was like perfect meant to be

337

00:15:51,319 --> 00:15:49,739

perfect yeah we were still waiting on

338

00:15:53,359 --> 00:15:51,329

one more order or like little shirts

339

00:15:55,969 --> 00:15:53,369

that we had to yeah they didn't make it

340

00:15:56,960 --> 00:15:55,979

in but yeah gotta have a small you know

341

00:15:59,179 --> 00:15:56,970

just put my name on it

342

00:16:01,339 --> 00:15:59,189

definitely I'm gonna do when I go to

343

00:16:05,449 --> 00:16:01,349

Columbia like these are my friends my

344

00:16:07,189 --> 00:16:05,459

friends yeah yeah cuz I know you kinda

345

00:16:09,199 --> 00:16:07,199

you said you're a little nomad and you

346

00:16:11,929 --> 00:16:09,209

just constantly traveling around so

347

00:16:13,460 --> 00:16:11,939

whenever you get to a spot or you have a

348

00:16:15,829 --> 00:16:13,470

spot where we could just mail something

349

00:16:18,139 --> 00:16:15,839

out to you well mill you out something

350

00:16:20,179 --> 00:16:18,149

well I have a home base okay yeah cool

351

00:16:22,279 --> 00:16:20,189

yeah well we'll melt a home base that

352

00:16:23,960 --> 00:16:22,289

thing do you like traveling around and

353

00:16:25,879 --> 00:16:23,970

getting it like do this like do you just

354

00:16:28,460 --> 00:16:25,889

follow the conferences or are they

355

00:16:31,489 --> 00:16:28,470

different types of I just moved out of

356

00:16:33,409 --> 00:16:31,499

my place Wow so September 2nd was my

357

00:16:35,869 --> 00:16:33,419

last day that's all you got rid of a

358

00:16:37,579 --> 00:16:35,879

mattress yeah it looked comfy but dude

359

00:16:38,629 --> 00:16:37,589

it was the best most comfortable thing

360

00:16:41,449 --> 00:16:38,639

in the world was it like a tempurpedic

361

00:16:42,269 --> 00:16:41,459

like something just falling sorts yeah I

362

00:16:43,619 --> 00:16:42,279

don't want to

363

00:16:45,329 --> 00:16:43,629

Rep tempur-pedic because it was

364

00:16:48,869 --> 00:16:45,339

something else okay definitely that's

365

00:16:51,239 --> 00:16:48,879

tipper Peter start no just kidding

366

00:16:53,489 --> 00:16:51,249

I got one that's pretty sweet I enjoyed

367

00:16:54,629 --> 00:16:53,499

it was the best mattress and if somebody

368

00:16:56,280 --> 00:16:54,639

actually wants a great mattress

369

00:17:01,139 --> 00:16:56,290

it was foreigner dollars I bought it off

370

00:17:02,699 --> 00:17:01,149

Amazon nice he came to pillows well I

371

00:17:04,710 --> 00:17:02,709

saw you had it laying on the sidewalk so

372

00:17:07,500 --> 00:17:04,720

I mean I don't know I hope somebody

373

00:17:09,929 --> 00:17:07,510

picked it up well I scheduled I am a

374

00:17:11,039 --> 00:17:09,939

responsible I'm a very responsible

375

00:17:13,590 --> 00:17:11,049

person I care about the environment

376

00:17:17,760 --> 00:17:13,600

sustainability really is my jam no I

377

00:17:20,069 --> 00:17:17,770

don't care about the mmm-hmm and I

378

00:17:21,809 --> 00:17:20,079

called Recology just have it come pick

379

00:17:23,279 --> 00:17:21,819

up you know there's a proper way to

380

00:17:24,960 --> 00:17:23,289

dispose this I don't know what they do

381

00:17:26,250 --> 00:17:24,970

with it but like I wasn't gonna be the

382

00:17:27,870 --> 00:17:26,260

person who just left it on the street

383

00:17:29,820 --> 00:17:27,880

there's like whatever you know and I

384

00:17:30,450 --> 00:17:29,830

have to make sure that like all my X's

385

00:17:32,279 --> 00:17:30,460

are crossed

386

00:17:37,950 --> 00:17:32,289

hey shampoo it he's put it back in the

387

00:17:40,740 --> 00:17:37,960

show hey it's not worn in at all so yeah

388

00:17:42,510 --> 00:17:40,750

in I came to the word of traveling just

389

00:17:43,830 --> 00:17:42,520

recently you know because people what

390

00:17:45,899 --> 00:17:43,840

are you doing what do you live and that

391

00:17:48,539 --> 00:17:45,909

was like Oh traveler I'm gonna own that

392

00:17:50,220 --> 00:17:48,549

word I'm a nomad oh yeah absolutely and

393

00:17:51,990 --> 00:17:50,230

I'm gonna own it and it's been really

394

00:17:54,180 --> 00:17:52,000

nice to just be like yeah this is what I

395

00:17:55,980 --> 00:17:54,190

want to do I don't want to be attached

396

00:17:58,110 --> 00:17:55,990

to anything right now other than like

397

00:18:00,720 --> 00:17:58,120

life itself yeah yeah that's awesome

398

00:18:02,159 --> 00:18:00,730

skidding to kind of go around and and do

399

00:18:04,409 --> 00:18:02,169

stuff like that it's pretty awesome

400

00:18:06,570 --> 00:18:04,419

so this is my first trip out of San

401
00:18:08,310 --> 00:18:06,580
Francisco alright I'll go back on Sunday

402
00:18:14,070 --> 00:18:08,320
and then on Tuesday 5 Columbia for two

403
00:18:16,020 --> 00:18:14,080
weeks cool nice and it's the UFO Con in

404
00:18:18,299 --> 00:18:16,030
Dallas right and then there's gonna be

405
00:18:22,770 --> 00:18:18,309
another one in San Diego or San

406
00:18:24,659 --> 00:18:22,780
Francisco on the in 2021 I believe is

407
00:18:31,529 --> 00:18:24,669
what she was saying oh she was trying to

408
00:18:35,909 --> 00:18:31,539
set it up no miss miss Vinton Lori Lori

409
00:18:38,460 --> 00:18:35,919
so Lori is doing a UFO con mm-hmm in

410
00:18:41,549 --> 00:18:38,470
South San Francisco I think this year so

411
00:18:44,250 --> 00:18:41,559
November I think oh the one she senses

412
00:18:47,159 --> 00:18:44,260
was February of 2020 xtr sisters yeah I

413
00:18:49,200 --> 00:18:47,169

do two back-to-back yeah well so that

414

00:18:51,650 --> 00:18:49,210

that would be pretty cool yeah we'll see

415

00:18:54,500 --> 00:18:51,660

about getting that up and promoting that

416

00:18:56,300 --> 00:18:54,510

that's pretty sweet Francisco I don't

417

00:18:58,670 --> 00:18:56,310

have a place for you to stay but you

418

00:19:01,910 --> 00:18:58,680

very well know that I will take care of

419

00:19:03,710 --> 00:19:01,920

you already good yeah I'll help you find

420

00:19:06,410 --> 00:19:03,720

a you know we'll get on Airbnb because

421

00:19:07,250 --> 00:19:06,420

I'll be you know my - yeah definitely

422

00:19:09,560 --> 00:19:07,260

definitely

423

00:19:12,320 --> 00:19:09,570

yeah we're I'm this is our first

424

00:19:14,240 --> 00:19:12,330

conference like UFO conference ever kind

425

00:19:18,140 --> 00:19:14,250

of hooked yes people talking about that

426

00:19:19,760 --> 00:19:18,150

like man this is pretty sweet like tell

427

00:19:22,400 --> 00:19:19,770

me about you and your connection with

428

00:19:25,190 --> 00:19:22,410

you of those oh sure I mean we both been

429

00:19:26,600 --> 00:19:25,200

into it since we're kids I mean I I've

430

00:19:28,250 --> 00:19:26,610

been into it like forever like I used to

431

00:19:30,410 --> 00:19:28,260

have I think I've told this on the

432

00:19:32,030 --> 00:19:30,420

podcast before but you said like this

433

00:19:34,070 --> 00:19:32,040

t-shirt with alien handprints all over

434

00:19:36,680 --> 00:19:34,080

it no more like every single day yeah I

435

00:19:38,960 --> 00:19:36,690

was a kid but yeah I've always always

436

00:19:41,390 --> 00:19:38,970

liked aliens and UFOs and all that stuff

437

00:19:43,300 --> 00:19:41,400

yeah and then so me and Joe are actually

438

00:19:48,520 --> 00:19:43,310

a band together for about 10 years and

439

00:19:57,050 --> 00:19:52,130

yeah yeah so we'll hook you up with some

440

00:19:58,640 --> 00:19:57,060

of the music and stuff definitely after

441

00:20:00,920 --> 00:19:58,650

the our drummer moved to San Francisco

442

00:20:16,610 --> 00:20:00,930

actually so we kind of split this past

443

00:20:18,940 --> 00:20:16,620

big son of a [h__\h] but yeah after the

444

00:20:21,320 --> 00:20:18,950

band kind of split up and we decided to

445

00:20:23,270 --> 00:20:21,330

shut the book on now and we opened up a

446

00:20:24,890 --> 00:20:23,280

new chapter with this podcast so it's

447

00:20:27,500 --> 00:20:24,900

only been about three months that we've

448

00:20:28,130 --> 00:20:27,510

been doing this yeah so yeah that's a

449

00:20:31,220 --> 00:20:28,140

good number

450

00:20:33,260 --> 00:20:31,230

yeah three three hmm no it's still

451

00:20:36,580 --> 00:20:33,270

recording it just went it went dark so

452

00:20:39,650 --> 00:20:36,590

um how long have you known each other

453

00:20:41,840 --> 00:20:39,660

we've known each other since I mean I

454

00:20:45,140 --> 00:20:41,850

was a long time in so these were off in

455

00:20:46,760 --> 00:20:45,150

the same town okay and we kind of ran

456

00:20:48,470 --> 00:20:46,770

around together we had a buddy who lived

457

00:20:50,000 --> 00:20:48,480

across the street a mutual friend that

458

00:20:52,400 --> 00:20:50,010

lived across the street for him it from

459

00:20:54,320 --> 00:20:52,410

him so you know we would always like

460

00:20:57,080 --> 00:20:54,330

meet through that way and then like

461

00:20:58,850 --> 00:20:57,090

through school and then I think once his

462

00:21:01,360 --> 00:20:58,860

older brother graduated from our

463

00:21:03,310 --> 00:21:01,370

hometown then they moved out

464

00:21:04,600 --> 00:21:03,320

down the road about 45 minutes and we

465

00:21:07,560 --> 00:21:04,610

didn't really see each other too much

466

00:21:09,820 --> 00:21:07,570

for like a few years after that and then

467

00:21:12,760 --> 00:21:09,830

one of the guys that still lived in my

468

00:21:14,050 --> 00:21:12,770

hometown was our guitar player and so he

469

00:21:15,850 --> 00:21:14,060

was like hey you know we're kind of

470

00:21:17,050 --> 00:21:15,860

looking for a bass player something

471

00:21:18,820 --> 00:21:17,060

you'd be interested in and I was like

472

00:21:20,910 --> 00:21:18,830

yeah and so then we just hooked back up

473

00:21:24,850 --> 00:21:20,920

and then we've been rolling ever since

474

00:21:27,370 --> 00:21:24,860

you know so yeah about ten years and

475

00:21:32,380 --> 00:21:27,380

then we uh yeah like he said I mean the

476
00:21:33,850 --> 00:21:32,390
thing ending ten ten dude BAM

477
00:21:39,060 --> 00:21:33,860
is that like a measure of intensity it's

478
00:21:46,030 --> 00:21:43,030
ancient aliens started 10 years ago and

479
00:21:48,730 --> 00:21:46,040
we started 10 years ago and that's three

480
00:21:50,020 --> 00:21:48,740
things and we've been party months and

481
00:22:00,520 --> 00:21:50,030
there's three people in this room right

482
00:22:02,530 --> 00:22:00,530
now yeah we were talking about how 13 is

483
00:22:04,540 --> 00:22:02,540
13 like you know people so wishy-washy

484
00:22:07,030 --> 00:22:04,550
about that [h__h] is he good or is it bad

485
00:22:11,530 --> 00:22:07,040
it's what you make of it right yes yeah

486
00:22:13,510 --> 00:22:11,540
totally yes absolutely absolutely but

487
00:22:14,290 --> 00:22:13,520
yeah I mean we've been into this since

488
00:22:19,870 --> 00:22:14,300

we were kids

489

00:22:22,290 --> 00:22:19,880

know my story is kind of like when I was

490

00:22:26,050 --> 00:22:22,300

younger my mom was watching fire in sky

491

00:22:28,180 --> 00:22:26,060

about Travis Walton yeah and so when I

492

00:22:30,430 --> 00:22:28,190

was a little kid I was like you know I

493

00:22:31,480 --> 00:22:30,440

stick my head out you know yeah we're on

494

00:22:34,270 --> 00:22:31,490

the wall and she's like you don't want

495

00:22:36,550 --> 00:22:34,280

to watch this it's kind of scary and I

496

00:22:38,980 --> 00:22:36,560

kept going I kept watching I watched

497

00:22:39,990 --> 00:22:38,990

about 30 minutes of it yeah scared the

498

00:22:42,400 --> 00:22:40,000

[h__h] out of me

499

00:22:45,010 --> 00:22:42,410

absolutely and it was just like a

500

00:22:47,560 --> 00:22:45,020

something I couldn't shake you can I was

501
00:22:50,230 --> 00:22:47,570
obsessed so it was kind of something I

502
00:22:52,060 --> 00:22:50,240
like I was terrified of for the longest

503
00:22:53,890 --> 00:22:52,070
time and then as I got older I was kind

504
00:22:56,770 --> 00:22:53,900
of able to process these things and then

505
00:22:59,410 --> 00:22:56,780
just came fascinated with so it only

506
00:23:01,390 --> 00:22:59,420
made sense for us to get together and do

507
00:23:03,130 --> 00:23:01,400
something like this yeah I mean like if

508
00:23:05,470 --> 00:23:03,140
every band practice we would always have

509
00:23:08,440 --> 00:23:05,480
our comp or UFO conversation like what's

510
00:23:11,289 --> 00:23:08,450
new like like any new videos or yes so

511
00:23:13,180 --> 00:23:11,299
we are recording yeah I know right

512
00:23:15,220 --> 00:23:13,190
her bandmates are like somewhere yeah

513
00:23:16,690 --> 00:23:15,230

all her bandmates are like dude it's

514

00:23:18,639 --> 00:23:16,700

just like those conversations to Joe and

515

00:23:20,080 --> 00:23:18,649

bin used to have but now they're just

516

00:23:22,330 --> 00:23:20,090

recording I'm gonna put it on putting

517

00:23:23,529 --> 00:23:22,340

him on the Internet we would be sitting

518

00:23:26,139 --> 00:23:23,539

in the green room and there would be

519

00:23:30,279 --> 00:23:26,149

like other bands in there yeah like he's

520

00:23:32,820 --> 00:23:30,289

dropped like a they were like what the

521

00:23:36,129 --> 00:23:32,830

hell are y'all talking about

522

00:23:38,859 --> 00:23:36,139

those guys yeah where are those guys all

523

00:23:42,249 --> 00:23:38,869

the time but yeah I'm uh I'm definitely

524

00:23:44,259 --> 00:23:42,259

a believer especially after this trip

525

00:23:49,090 --> 00:23:44,269

yeah how about you where do you stand

526

00:23:50,799 --> 00:23:49,100

you know before it came to me I'm

527

00:23:53,169 --> 00:23:50,809

thinking about my life before there was

528

00:23:54,999 --> 00:23:53,179

a lot of paranormal stuff you know I was

529

00:23:56,950 --> 00:23:55,009

growing up there was a lot of witches

530

00:23:59,799 --> 00:23:56,960

and ghosts and all of that mean I was

531

00:24:01,720 --> 00:23:59,809

like it's real mm-hmm and I think I've

532

00:24:03,879 --> 00:24:01,730

had just like you said earlier you have

533

00:24:05,739 --> 00:24:03,889

a mineshaft as you grow and you get

534

00:24:08,019 --> 00:24:05,749

older and you're more aware of who you

535

00:24:12,519 --> 00:24:08,029

are as a person then you're like I get

536

00:24:13,810 --> 00:24:12,529

it right right linked yeah I mean I you

537

00:24:16,359 --> 00:24:13,820

know and like people tell me they're

538

00:24:18,310 --> 00:24:16,369

like you're powerful being you don't

539

00:24:20,349 --> 00:24:18,320

even know your own strength and as like

540

00:24:22,749 --> 00:24:20,359

I've never been able to manage my

541

00:24:24,369 --> 00:24:22,759

strength right right this crazy kid that

542

00:24:25,749 --> 00:24:24,379

like gate like ran into a waters I

543

00:24:27,820 --> 00:24:25,759

probably give myself a concussion

544

00:24:30,639 --> 00:24:27,830

you know because I don't want to be in

545

00:24:33,989 --> 00:24:30,649

band practice right you know and then I

546

00:24:38,019 --> 00:24:33,999

end up in the hospital in a head scan

547

00:24:40,239 --> 00:24:38,029

just imagine you running full full speed

548

00:24:52,269 --> 00:24:40,249

with your head to the wall yeah get

549

00:24:54,190 --> 00:24:52,279

ready for band practice I've always been

550

00:24:56,200 --> 00:24:54,200

this like strong crazy person you know

551
00:24:59,859 --> 00:24:56,210
now the shift is like cool I'm connected

552
00:25:00,999 --> 00:24:59,869
I'm a higher source of sorts I don't

553
00:25:03,519 --> 00:25:01,009
know where I am you're gonna harness

554
00:25:05,049 --> 00:25:03,529
that energy and a strengthened directed

555
00:25:06,909 --> 00:25:05,059
into something productive

556
00:25:08,259 --> 00:25:06,919
hey Fitness speaking of of strength do

557
00:25:12,220 --> 00:25:08,269
you mind screwing up just a little bit

558
00:25:13,899 --> 00:25:12,230
so you're closer than sorry it's like

559
00:25:15,310 --> 00:25:13,909
getting real chilly yeah no worries I

560
00:25:18,129 --> 00:25:15,320
was just noticing I was watching me talk

561
00:25:21,039 --> 00:25:18,139
it was like very low no in my voice do

562
00:25:22,419 --> 00:25:21,049
terrible no no you like you like you can

563
00:25:26,700 --> 00:25:22,429

really hear just fine it's just maybe

564

00:25:30,850 --> 00:25:29,290

no problem you guys'll be a part of the

565

00:25:32,860 --> 00:25:30,860

band did you did you play any

566

00:25:35,170 --> 00:25:32,870

instruments no when you're around I'm

567

00:25:37,300 --> 00:25:35,180

deaf tone I'm so deaf tone it's like

568

00:25:41,050 --> 00:25:37,310

it's awesome yeah I played in the

569

00:25:41,670 --> 00:25:41,060

Deftones yeah yeah real though I'm a

570

00:25:44,740 --> 00:25:41,680

groupie

571

00:25:48,790 --> 00:25:44,750

it's really the term when it comes to me

572

00:25:51,880 --> 00:25:48,800

yeah for sure yeah it's it's a lot of

573

00:25:54,190 --> 00:25:51,890

fun it's a lot of fun but so did you do

574

00:25:55,990 --> 00:25:54,200

anything as a kid like were you into

575

00:25:57,520 --> 00:25:56,000

like do you have an extracurricular

576

00:25:59,800 --> 00:25:57,530

activity or is it just run your head in

577

00:26:03,130 --> 00:25:59,810

my wallet I'm an athlete all right cool

578

00:26:03,940 --> 00:26:03,140

only gymnastics I was gonna say that was

579

00:26:05,470 --> 00:26:03,950

my second guess

580

00:26:10,030 --> 00:26:05,480

yeah yeah I thought you'd have to say

581

00:26:17,560 --> 00:26:10,040

that was my 2xe jordan leotard just do

582

00:26:18,640 --> 00:26:17,570

the back legs did do the ribbon actually

583

00:26:21,490 --> 00:26:18,650

pay to see that

584

00:26:23,100 --> 00:26:21,500

yeah absolutely I would dress up and I

585

00:26:30,430 --> 00:26:23,110

thought if you pay me to see that

586

00:26:32,500 --> 00:26:30,440

honestly you get a shirt and you have

587

00:26:38,650 --> 00:26:32,510

like a little ancient alien and like the

588

00:26:40,690 --> 00:26:38,660

tail cross-pollination man I you know

589

00:26:42,280 --> 00:26:40,700

what I'll just do it I'm just doing

590

00:26:43,540 --> 00:26:42,290

that's that'll be my project all I'm

591

00:26:45,280 --> 00:26:43,550

calling me I'm gonna make you a shirt

592

00:26:47,980 --> 00:26:45,290

but you have to take the picture okay

593

00:26:52,330 --> 00:26:47,990

yeah sure I'll do it yeah dude what do

594

00:26:55,150 --> 00:26:52,340

you don't yell with synergy yeah it's a

595

00:26:59,380 --> 00:26:55,160

contract officially it's a binding

596

00:27:00,940 --> 00:26:59,390

contract yeah yeah you were saying like

597

00:27:02,620 --> 00:27:00,950

you grew up around like paranormal

598

00:27:04,930 --> 00:27:02,630

things and you've been told that you're

599

00:27:07,120 --> 00:27:04,940

like a powerful person like explain a

600

00:27:08,350 --> 00:27:07,130

little bit more about about that you

601
00:27:10,060 --> 00:27:08,360
know you're scared you're scared you're

602
00:27:11,560 --> 00:27:10,070
scared and then like all of the Sun and

603
00:27:13,750 --> 00:27:11,570
all this fear is god of you you know

604
00:27:15,520 --> 00:27:13,760
through life and like you get connected

605
00:27:17,230 --> 00:27:15,530
you get aware and then things start

606
00:27:18,940 --> 00:27:17,240
happening to you you get drawn into like

607
00:27:20,980 --> 00:27:18,950
alien con you get drawn into UFO

608
00:27:23,200 --> 00:27:20,990
Congress yeah awesome people come hang

609
00:27:25,180 --> 00:27:23,210
out with you and you're like wow like

610
00:27:27,940 --> 00:27:25,190
there is more above and beyond that I've

611
00:27:28,720 --> 00:27:27,950
ever known or like really was able to

612
00:27:31,300 --> 00:27:28,730
grasp

613
00:27:33,910 --> 00:27:31,310

now that I'm in am like I get it ha ha

614

00:27:35,169 --> 00:27:33,920

I'm so a part of this yeah this is where

615

00:27:37,959 --> 00:27:35,179

I've always wanted to be

616

00:27:40,269 --> 00:27:37,969

you know it's like a like it's a source

617

00:27:42,159 --> 00:27:40,279

that just comes over you know like drags

618

00:27:44,019 --> 00:27:42,169

you into a parallel universe in jobs

619

00:27:46,419 --> 00:27:44,029

yeah that's where you're supposed to be

620

00:27:48,849 --> 00:27:46,429

totally yeah you know like when you're

621

00:27:50,829 --> 00:27:48,859

young it's almost like depending on like

622

00:27:52,989 --> 00:27:50,839

how you grew up like you're almost kind

623

00:27:55,899 --> 00:27:52,999

of primed for it you know cuz I grew up

624

00:27:57,969 --> 00:27:55,909

I grew up like Mexican Catholic my mom's

625

00:28:00,549 --> 00:27:57,979

side yeah and so you know my dad was

626
00:28:02,320 --> 00:28:00,559
white but my mom was Mexican and so I

627
00:28:04,570 --> 00:28:02,330
lived with her you know my whole life

628
00:28:06,609 --> 00:28:04,580
and so you know you get into this whole

629
00:28:09,310 --> 00:28:06,619
like Kukui

630
00:28:12,009 --> 00:28:09,320
and rolling on [h__h] like that you're

631
00:28:15,009 --> 00:28:12,019
like oh man like it's like like all

632
00:28:17,979 --> 00:28:15,019
these like actually spirits in ankle

633
00:28:20,200 --> 00:28:17,989
yeah like you know like your religion

634
00:28:22,269 --> 00:28:20,210
and like the crosses in the faith in

635
00:28:25,659 --> 00:28:22,279
like all this like supernatural like

636
00:28:27,879 --> 00:28:25,669
power you know like power powerful

637
00:28:29,769 --> 00:28:27,889
energy and like when we were talking

638
00:28:31,989 --> 00:28:29,779

about Walter last night yeah do you know

639

00:28:34,659 --> 00:28:31,999

the egg and stuff like that and like all

640

00:28:36,070 --> 00:28:34,669

this like supernatural like powerful

641

00:28:38,680 --> 00:28:36,080

energy but like when you're growing up

642

00:28:40,570 --> 00:28:38,690

with it it's it's a it's just like

643

00:28:41,889 --> 00:28:40,580

normal and it's kind of a way of your

644

00:28:43,299 --> 00:28:41,899

parents to scare the [h__h] out of you

645

00:28:46,299 --> 00:28:43,309

exactly exactly

646

00:28:47,739 --> 00:28:46,309

yeah yeah it's control in a way you know

647

00:28:50,169 --> 00:28:47,749

and instead of knowledge and education

648

00:28:52,119 --> 00:28:50,179

which is really what my dream is

649

00:28:54,129 --> 00:28:52,129

you know like we have to educate we have

650

00:28:56,349 --> 00:28:54,139

to talk we have to spread the word of

651
00:28:58,239 --> 00:28:56,359
what's happening ya know said we're

652
00:29:00,700 --> 00:28:58,249
scaring kids with so cool he's gonna get

653
00:29:01,299 --> 00:29:00,710
you yes you know it's pretty easy we

654
00:29:06,669 --> 00:29:01,309
better go to bed

655
00:29:09,039 --> 00:29:06,679
boys gonna get you an get me all the

656
00:29:10,359 --> 00:29:09,049
time in bed I had night skirts David

657
00:29:12,190 --> 00:29:10,369
Knight scares ya

658
00:29:14,739 --> 00:29:12,200
where the devil would come and get me

659
00:29:17,049 --> 00:29:14,749
right he would come in my room they're

660
00:29:19,509 --> 00:29:17,059
so vivid that every time I talk about

661
00:29:20,619 --> 00:29:19,519
him I have the image in my head of all

662
00:29:22,659 --> 00:29:20,629
my nights cares

663
00:29:25,839 --> 00:29:22,669

Wow can you remember what it looked like

664

00:29:27,549 --> 00:29:25,849

I so he was okay so he would come and

665

00:29:30,190 --> 00:29:27,559

get me in my bedroom right he really hey

666

00:29:31,930 --> 00:29:30,200

it's time to go and I was like you're

667

00:29:33,489 --> 00:29:31,940

not taking me you know I'm gonna go get

668

00:29:39,789 --> 00:29:33,499

my mom first and you'd be like I already

669

00:29:41,769 --> 00:29:39,799

got her creepy so now go to my mama in

670

00:29:44,620 --> 00:29:41,779

my dream I'm in front of my mom she's in

671

00:29:46,390 --> 00:29:44,630

her bag I remember this so clearly cuz

672

00:29:48,100 --> 00:29:46,400

imagery the whole room she was in her

673

00:29:51,040 --> 00:29:48,110

bed and I couldn't wake her up

674

00:29:54,130 --> 00:29:51,050

and then he would take me with me and he

675

00:29:54,970 --> 00:29:54,140

with him but we didn't end up in a bad

676

00:30:00,910 --> 00:29:54,980

place

677

00:30:03,370 --> 00:30:00,920

we were in a telenovela oh my god she's

678

00:30:06,310 --> 00:30:03,380

like basically a soap opera okay yeah

679

00:30:08,440 --> 00:30:06,320

yeah okay I would be like I would be in

680

00:30:09,970 --> 00:30:08,450

this amazing place because soap operas

681

00:30:12,160 --> 00:30:09,980

where you know the thing that you watch

682

00:30:14,940 --> 00:30:12,170

when you grow up in the Latin or you

683

00:30:17,740 --> 00:30:14,950

have Latin parents uh-huh

684

00:30:19,780 --> 00:30:17,750

but I I remember being with him and

685

00:30:22,990 --> 00:30:19,790

being like this is cool but like my mom

686

00:30:26,170 --> 00:30:23,000

it's you know it's always been yeah my

687

00:30:31,060 --> 00:30:26,180

mom yeah so what was it like you were on

688

00:30:32,650 --> 00:30:31,070

set or your automatic on sex no okay so

689

00:30:35,110 --> 00:30:32,660

like that feeling of everything's kind

690

00:30:37,450 --> 00:30:35,120

of fake like there's like like a facade

691

00:30:40,240 --> 00:30:37,460

behind the wall a child I was like I'm

692

00:30:42,460 --> 00:30:40,250

with movie stars yeah you know I am with

693

00:30:44,560 --> 00:30:42,470

the people I watch on TV so this is

694

00:30:46,090 --> 00:30:44,570

really cool and they were handsome the

695

00:30:49,720 --> 00:30:46,100

devil was handsome you know you really

696

00:30:52,300 --> 00:30:49,730

like George Clooney of sorts so I wasn't

697

00:30:55,690 --> 00:30:52,310

he did handsome devil yes that's where

698

00:30:58,150 --> 00:30:55,700

you get the turn from oh he's always

699

00:31:00,040 --> 00:30:58,160

enticing like it's always it like people

700

00:31:01,840 --> 00:31:00,050

would always assume like the devil comes

701
00:31:05,200 --> 00:31:01,850
to you like he's gonna be this scary

702
00:31:07,120 --> 00:31:05,210
[h__h] thing but really like he may be

703
00:31:09,940 --> 00:31:07,130
really enticing and then you get mixed

704
00:31:11,410 --> 00:31:09,950
up with it and then once you want to

705
00:31:13,570 --> 00:31:11,420
you've got your name on the contract

706
00:31:15,190 --> 00:31:13,580
that's when the scary [h__h] starts to

707
00:31:17,920 --> 00:31:15,200
happen and it's too late then he turns

708
00:31:21,940 --> 00:31:17,930
into a clown with fangs whatever your

709
00:31:24,670 --> 00:31:21,950
whatever your personal devil is man a

710
00:31:26,710 --> 00:31:24,680
clown with fangs yeah it's kinda like

711
00:31:28,900 --> 00:31:26,720
how we we imagine like your heaven like

712
00:31:30,970 --> 00:31:28,910
who's heaven is like a perfect heaven

713
00:31:32,830 --> 00:31:30,980

right what is a heaven look like what if

714

00:31:34,630 --> 00:31:32,840

you get there and it kind of sucks cuz

715

00:31:36,940 --> 00:31:34,640

like you're not into it like you're like

716

00:31:39,580 --> 00:31:36,950

this is Leigh it's just like lame Church

717

00:31:41,290 --> 00:31:39,590

music and like this is terrible this is

718

00:31:43,360 --> 00:31:41,300

not an awesome heaven but like your own

719

00:31:45,340 --> 00:31:43,370

like your heaven is like whatever you

720

00:31:47,620 --> 00:31:45,350

imagined it to be out of the soup you

721

00:31:49,330 --> 00:31:47,630

know and whoever controls all that stuff

722

00:31:52,150 --> 00:31:49,340

they probably know that there's probably

723

00:31:54,280 --> 00:31:52,160

not a one-size-fits-all type like heaven

724

00:31:55,830 --> 00:31:54,290

scenario you know like I'm not super

725

00:31:57,970 --> 00:31:55,840

religious but when it comes to like

726

00:31:59,919 --> 00:31:57,980

spiritual stuff

727

00:32:02,560 --> 00:31:59,929

like that's like a whole different

728

00:32:04,240 --> 00:32:02,570

conversation really yeah it's really

729

00:32:06,460 --> 00:32:04,250

really is well what do you think what do

730

00:32:08,919 --> 00:32:06,470

y'all think about the idea that you if

731

00:32:10,990 --> 00:32:08,929

you believe in heaven and hell thing but

732

00:32:13,299 --> 00:32:11,000

when you die your consciousness creates

733

00:32:15,100 --> 00:32:13,309

that but if you don't really believe in

734

00:32:16,720 --> 00:32:15,110

that kind of stuff you kind of just

735

00:32:17,919 --> 00:32:16,730

don't go anywhere you kind of just go

736

00:32:19,480 --> 00:32:17,929

back to the source if you heard that

737

00:32:20,710 --> 00:32:19,490

there you were like yeah you create it

738

00:32:22,120 --> 00:32:20,720

in your consciousness uh-huh

739

00:32:24,130 --> 00:32:22,130

so yeah you do go to heaven but it's

740

00:32:26,260 --> 00:32:24,140

like you've created and Catholics have a

741

00:32:26,950 --> 00:32:26,270

word for that were you where you don't

742

00:32:29,890 --> 00:32:26,960

go anywhere

743

00:32:32,200 --> 00:32:29,900

purgatory purgatory yeah purgatory and

744

00:32:34,210 --> 00:32:32,210

you sit there and people pray for you

745

00:32:37,690 --> 00:32:34,220

and the more people that pray for you

746

00:32:39,070 --> 00:32:37,700

the faster you can leave this area more

747

00:32:42,419 --> 00:32:39,080

money you get to the Catholic right

748

00:32:45,549 --> 00:32:42,429

exactly the more taxes they come up rich

749

00:32:52,419 --> 00:32:45,559

yeah people give them all the money and

750

00:32:55,750 --> 00:32:52,429

they pray a shed time [h__h] up but

751
00:32:58,350 --> 00:32:55,760
every you know every society has like

752
00:33:01,780 --> 00:32:58,360
politics and you know religion politics

753
00:33:04,810 --> 00:33:01,790
Colts you know everything has its own

754
00:33:06,760 --> 00:33:04,820
like ideology you know so like your

755
00:33:09,010 --> 00:33:06,770
story it's very similar to the Catholic

756
00:33:10,890 --> 00:33:09,020
Church very soon you know like Jewish I

757
00:33:13,510 --> 00:33:10,900
just heard that somewhere I don't know

758
00:33:15,280 --> 00:33:13,520
ever it is somebody believes I them

759
00:33:17,080 --> 00:33:15,290
shares a community around that that

760
00:33:20,200 --> 00:33:17,090
believes that yeah you know and then

761
00:33:22,210 --> 00:33:20,210
very very much very heavily we're just

762
00:33:23,620 --> 00:33:22,220
lucky we landed in a very cool community

763
00:33:25,510 --> 00:33:23,630

you know they believes in something that

764

00:33:26,770 --> 00:33:25,520

we're all in tune with yeah yeah and

765

00:33:28,960 --> 00:33:26,780

they you know they even say like when

766

00:33:31,360 --> 00:33:28,970

you die like you know your brain

767

00:33:33,669 --> 00:33:31,370

releases all the chemicals like as

768

00:33:36,610 --> 00:33:33,679

you're dying and so like people will be

769

00:33:39,280 --> 00:33:36,620

like oh I saw this light or whatever it

770

00:33:41,080 --> 00:33:39,290

is you know like your body releases all

771

00:33:43,419 --> 00:33:41,090

these chemicals cuz you you're dead now

772

00:33:47,169 --> 00:33:43,429

right but there's like this and there's

773

00:33:49,390 --> 00:33:47,179

yeah there's like this this time right

774

00:33:51,280 --> 00:33:49,400

before you die where your whole body is

775

00:33:55,060 --> 00:33:51,290

flooded with these chemicals that you

776

00:33:58,470 --> 00:33:55,070

create this this realm that you're you

777

00:34:01,000 --> 00:33:58,480

you live in but in that split-second

778

00:34:03,610 --> 00:34:01,010

you're actually there forever I think

779

00:34:05,770 --> 00:34:03,620

that is the because you're stuck in this

780

00:34:07,450 --> 00:34:05,780

like that's the last thing you thought

781

00:34:10,149 --> 00:34:07,460

oh that's the last thing you remember

782

00:34:12,399 --> 00:34:10,159

right now you're dead it's yeah so but

783

00:34:13,750 --> 00:34:12,409

I'm doesn't exist in that time doesn't

784

00:34:16,510 --> 00:34:13,760

make sense actly

785

00:34:18,760 --> 00:34:16,520

it's just forever mm-hmm like have you

786

00:34:21,970 --> 00:34:18,770

ever seen that episode of Black Mirror

787

00:34:23,379 --> 00:34:21,980

where like people will get headsets and

788

00:34:25,450 --> 00:34:23,389

they're able to know or something like

789

00:34:27,490 --> 00:34:25,460

that yeah yeah they can live there for

790

00:34:29,980 --> 00:34:27,500

the difference cause as long as they

791

00:34:31,779 --> 00:34:29,990

want to but they're on their deathbed

792

00:34:34,299 --> 00:34:31,789

yeah and so technically they could die

793

00:34:36,069 --> 00:34:34,309

next week but in this virtual world that

794

00:34:39,099 --> 00:34:36,079

they live in they're there for eternity

795

00:34:40,750 --> 00:34:39,109

yeah and you have a choice inside the

796

00:34:42,970 --> 00:34:40,760

the world that you're living in if you

797

00:34:45,190 --> 00:34:42,980

want to pull the plug on yourself then

798

00:34:48,520 --> 00:34:45,200

you can but your consciousness is stuck

799

00:34:50,710 --> 00:34:48,530

like in this this virtual world you're

800

00:34:53,710 --> 00:34:50,720

you're basically an avatar for as long

801
00:34:55,839 --> 00:34:53,720
as you want even though you're dead yeah

802
00:34:59,109 --> 00:34:55,849
it's a really cool episode have you seen

803
00:35:01,930 --> 00:34:59,119
it I don't watch a lot of TV it's a it's

804
00:35:05,200 --> 00:35:01,940
like a Netflix special I've heard of it

805
00:35:07,870 --> 00:35:05,210
and I do have Netflix it's pretty crazy

806
00:35:09,789 --> 00:35:07,880
yeah pretty cool like I mean we're

807
00:35:12,760 --> 00:35:09,799
seeing stuff that's happening now that's

808
00:35:16,120 --> 00:35:12,770
actually in the show like you know

809
00:35:18,490 --> 00:35:16,130
you're like what is like like the one in

810
00:35:20,230 --> 00:35:18,500
how the Chinese are starting to do it

811
00:35:20,769 --> 00:35:20,240
now how like they have like this social

812
00:35:22,960 --> 00:35:20,779
currency

813
00:35:26,079 --> 00:35:22,970

oh right when you're basically based off

814

00:35:27,819 --> 00:35:26,089

of like your social media like likes and

815

00:35:29,829 --> 00:35:27,829

things like that and that that

816

00:35:31,569 --> 00:35:29,839

determines like whether or not like you

817

00:35:34,240 --> 00:35:31,579

have good credit you can purchase a

818

00:35:35,880 --> 00:35:34,250

house or a car or something like that it

819

00:35:39,220 --> 00:35:35,890

kind of depends on not only your

820

00:35:40,930 --> 00:35:39,230

financials yeah it doesn't necessarily

821

00:35:43,180 --> 00:35:40,940

depend on your financial standings but

822

00:35:45,819 --> 00:35:43,190

it also depends on your social standings

823

00:35:46,240 --> 00:35:45,829

and your social status so if people hate

824

00:35:50,589 --> 00:35:46,250

you

825

00:35:53,859 --> 00:35:50,599

have the best credit in the world but if

826

00:35:56,799 --> 00:35:53,869

nobody likes you they can refuse that

827

00:35:58,539 --> 00:35:56,809

service to you and even like the United

828

00:36:00,519 --> 00:35:58,549

States in like other countries around

829

00:36:03,490 --> 00:36:00,529

the world are dabbling in this right now

830

00:36:05,769 --> 00:36:03,500

you look in you know Silicon Valley in

831

00:36:07,779 --> 00:36:05,779

California they're starting to try and

832

00:36:09,880 --> 00:36:07,789

roll that out right now is that cool

833

00:36:12,160 --> 00:36:09,890

Instagram is controlling the algorithm

834

00:36:15,220 --> 00:36:12,170

it's not that's exactly the point is

835

00:36:17,920 --> 00:36:15,230

it's not so not it's a digital form of

836

00:36:20,769 --> 00:36:17,930

slavery that's being put on the people

837

00:36:22,630 --> 00:36:20,779

but we're also like in tune and like I

838

00:36:23,280 --> 00:36:22,640

want to do this and blah blah blah and

839

00:36:25,550 --> 00:36:23,290

like in

840

00:36:27,510 --> 00:36:25,560

is that your you're just kind of

841

00:36:30,300 --> 00:36:27,520

overshadowed by like what you're doing

842

00:36:32,820 --> 00:36:30,310

you're so into your own you know into

843

00:36:34,890 --> 00:36:32,830

your own life that you miss the fact

844

00:36:36,420 --> 00:36:34,900

that you skip over the boring ass

845

00:36:38,670 --> 00:36:36,430

article that says hey we're gonna

846

00:36:41,250 --> 00:36:38,680

control your life you know you skip over

847

00:36:43,680 --> 00:36:41,260

that kind of stuff but it's like Oh Hank

848

00:36:46,050 --> 00:36:43,690

had a steak and potatoes and look at his

849

00:36:48,930 --> 00:36:46,060

dog so cute right yeah so you click on

850

00:36:51,180 --> 00:36:48,940

stuff that you know basically you don't

851
00:36:52,050 --> 00:36:51,190
have to breed or pay attention to one of

852
00:36:55,770 --> 00:36:52,060
the things I've been thinking a lot

853
00:36:57,480 --> 00:36:55,780
about lately is all of the comments yeah

854
00:36:59,660 --> 00:36:57,490
there's a lot all of the comments that

855
00:37:01,950 --> 00:36:59,670
I've ever put on anyone's Instagram

856
00:37:04,110 --> 00:37:01,960
what is that information what is that

857
00:37:05,610 --> 00:37:04,120
even doing it I don't you know I would

858
00:37:08,400 --> 00:37:05,620
like to create an app that actually

859
00:37:13,620 --> 00:37:08,410
follows all the [h__h] that I do yeah and

860
00:37:15,600 --> 00:37:13,630
records it and saves it trademarked it's

861
00:37:18,020 --> 00:37:15,610
yours and nobody can do anything with it

862
00:37:20,910 --> 00:37:18,030
later on right yeah I can mine the data

863
00:37:22,200 --> 00:37:20,920

you don't have your own data yeah yeah

864

00:37:23,670 --> 00:37:22,210

like as a person

865

00:37:28,320 --> 00:37:23,680

everyone should because I'm always like

866

00:37:30,090 --> 00:37:28,330

oh my god I love you Mike and most of

867

00:37:33,750 --> 00:37:30,100

the time I misspell something I haven't

868

00:37:35,690 --> 00:37:33,760

heard of anything yeah yeah I don't hurt

869

00:37:38,430 --> 00:37:35,700

nothing

870

00:37:40,740 --> 00:37:38,440

you should do you should probably post

871

00:37:45,590 --> 00:37:40,750

three pictures and that's it mmm-hmm

872

00:37:50,460 --> 00:37:48,480

one more to go you leave it you never

873

00:37:52,500 --> 00:37:50,470

open that app again never touch it you

874

00:37:54,300 --> 00:37:52,510

never touch it again and then we'll make

875

00:37:56,670 --> 00:37:54,310

you famous just throws three pictures

876

00:37:58,080 --> 00:37:56,680

that would be hilarious the only guy in

877

00:38:00,750 --> 00:37:58,090

the entire world with only three

878

00:38:02,820 --> 00:38:00,760

Instagram photos like a bunch of all I

879

00:38:04,170 --> 00:38:02,830

just write a book about it each day for

880

00:38:07,440 --> 00:38:04,180

the first three days after he opened you

881

00:38:10,260 --> 00:38:07,450

post three pictures and that's it again

882

00:38:15,000 --> 00:38:10,270

yes how social how are powerful you are

883

00:38:19,200 --> 00:38:15,010

socially right now yeah right you're

884

00:38:20,310 --> 00:38:19,210

welcome give it a shot I guess I have to

885

00:38:24,220 --> 00:38:20,320

delete it because I'm gonna be so

886

00:38:28,210 --> 00:38:26,080

on his Instagram all right cool cool

887

00:38:30,760 --> 00:38:28,220

cool yeah yeah okay or we could do it

888

00:38:33,370 --> 00:38:30,770

for a week you don't you know any well

889

00:38:35,620 --> 00:38:33,380

we'll see what happens something crazy

890

00:38:38,980 --> 00:38:35,630

most of time though like my social media

891

00:38:42,900 --> 00:38:38,990

stuff only has to do with the podcast

892

00:38:46,020 --> 00:38:42,910

you know thank you

893

00:38:50,320 --> 00:38:46,030

yeah I think I've been on Instagram for

894

00:38:53,859 --> 00:38:50,330

maybe like five six years yeah I think I

895

00:38:55,240 --> 00:38:53,869

only have like maybe 30 30 photos

896

00:38:56,830 --> 00:38:55,250

I don't really post all that much I like

897

00:38:58,660 --> 00:38:56,840

yeah I'll take photos of like if me my

898

00:39:01,240 --> 00:38:58,670

wife or traveling like I've like plants

899

00:39:02,440 --> 00:39:01,250

and stuff or whatever and yeah I don't

900

00:39:04,090 --> 00:39:02,450

know I just never been like a huge

901
00:39:07,210 --> 00:39:04,100
Instagram person that's when you showed

902
00:39:12,130 --> 00:39:07,220
me the tagging thing what oh I knew I

903
00:39:13,990 --> 00:39:12,140
open his name is kill yourself oh it's

904
00:39:16,870 --> 00:39:14,000
so upsetting cuz these pants are so

905
00:39:21,130 --> 00:39:16,880
beautiful but lately I now I have the

906
00:39:27,700 --> 00:39:21,140
beard I guess I you guys have marked me

907
00:39:39,310 --> 00:39:27,710
up some look like aliens later

908
00:39:57,599 --> 00:39:39,320
I can't a little suction dude that's

909
00:40:04,599 --> 00:40:03,490
hard that's me yeah yeah I think you

910
00:40:07,390 --> 00:40:04,609
know there's so many things that could

911
00:40:09,070 --> 00:40:07,400
be used for good that get used for for

912
00:40:11,349 --> 00:40:09,080
just evil and it sucks

913
00:40:12,790 --> 00:40:11,359

you know it's it's kind of a bummer cuz

914

00:40:14,920 --> 00:40:12,800

there's a lot of cool stuff that we're

915

00:40:17,140 --> 00:40:14,930

coming out with but if you don't have

916

00:40:19,260 --> 00:40:17,150

like that power the only power that you

917

00:40:22,540 --> 00:40:19,270

really have is the fact that you can

918

00:40:23,920 --> 00:40:22,550

rally a group of people even though you

919

00:40:26,230 --> 00:40:23,930

don't have control over any of the

920

00:40:28,090 --> 00:40:26,240

platforms yeah you can really rally the

921

00:40:31,859 --> 00:40:28,100

troops yeah that's kind of like with

922

00:40:34,630 --> 00:40:31,869

this whole like 308 area 51 thing like

923

00:40:36,099 --> 00:40:34,640

obviously it's a joke right I love you

924

00:40:37,580 --> 00:40:36,109

that's stupid like you're not gonna

925

00:40:41,030 --> 00:40:37,590

actually raid area 50

926
00:40:42,890 --> 00:40:41,040
yeah but you know like it seems like the

927
00:40:44,240 --> 00:40:42,900
the government got a little worried

928
00:40:45,980 --> 00:40:44,250
about it there for a second

929
00:40:47,930 --> 00:40:45,990
not because they thought that people

930
00:40:49,750 --> 00:40:47,940
were actually in a raid area 51 but it

931
00:40:53,600 --> 00:40:49,760
was the fact that you could get over a

932
00:40:56,000 --> 00:40:53,610
million people to just say yeah let's go

933
00:40:58,640 --> 00:40:56,010
do that and then you had people setting

934
00:41:05,630 --> 00:40:58,650
up things I said [\h__\h] that let's read

935
00:41:07,100 --> 00:41:05,640
the Fed whoa [\h__\h] yeah rate the Vatican

936
00:41:09,020 --> 00:41:07,110
like we want to know what's in there

937
00:41:11,090 --> 00:41:09,030
like people want to know certain things

938
00:41:13,280 --> 00:41:11,100

and like if you could actually rally

939

00:41:16,130 --> 00:41:13,290

people to do some crazy stuff like that

940

00:41:18,440 --> 00:41:16,140

like yes that's you know you're in

941

00:41:20,660 --> 00:41:18,450

revolution know what the Syrian

942

00:41:23,060 --> 00:41:20,670

Revolution yeah yeah it was all socially

943

00:41:24,650 --> 00:41:23,070

yeah all social media yeah and they put

944

00:41:26,990 --> 00:41:24,660

and they were posting from the inside

945

00:41:28,760 --> 00:41:27,000

and they tried to cut all the internet

946

00:41:30,800 --> 00:41:28,770

and stuff and so it was like people who

947

00:41:33,260 --> 00:41:30,810

had like connections were like

948

00:41:34,430 --> 00:41:33,270

satellites and satellite phones and

949

00:41:36,650 --> 00:41:34,440

things like that and they were calling

950

00:41:38,300 --> 00:41:36,660

out of the country and other people

951
00:41:40,940 --> 00:41:38,310
would like blog about it you know and so

952
00:41:42,980 --> 00:41:40,950
they they did that whole entire movement

953
00:41:46,370 --> 00:41:42,990
also just recently happened with China

954
00:41:48,320 --> 00:41:46,380
I'm terrible at remembering names but is

955
00:41:51,740 --> 00:41:48,330
it Hong Kong that's outside of the

956
00:41:53,300 --> 00:41:51,750
mainland hmm millions of people they

957
00:41:54,920 --> 00:41:53,310
were gonna say so they were trying to

958
00:41:57,890 --> 00:41:54,930
change their prison system or something

959
00:42:00,560 --> 00:41:57,900
of the sort you know you know my dad

960
00:42:03,110 --> 00:42:00,570
told me those he's a great man so he

961
00:42:05,570 --> 00:42:03,120
said that the people started going out

962
00:42:07,820 --> 00:42:05,580
ones that prison system was that okay

963
00:42:10,550 --> 00:42:07,830

was I'm getting all wrapped up here

964

00:42:13,490 --> 00:42:10,560

Ennis so what they did they're gonna

965

00:42:14,350 --> 00:42:13,500

ever committed a crime would wit sent to

966

00:42:17,270 --> 00:42:14,360

the mainland

967

00:42:20,690 --> 00:42:17,280

okay so Hong Kong the people in Hong

968

00:42:23,500 --> 00:42:20,700

Kong were like hell no yeah you are not

969

00:42:25,700 --> 00:42:23,510

taking this away from us like that

970

00:42:29,030 --> 00:42:25,710

millions of people came out to the

971

00:42:31,190 --> 00:42:29,040

street for weeks yeah I've seen a lot of

972

00:42:33,410 --> 00:42:31,200

the the riots I guess I didn't still

973

00:42:35,750 --> 00:42:33,420

relate waving American flags dude yeah

974

00:42:38,330 --> 00:42:35,760

they had signs like I said give me

975

00:42:40,370 --> 00:42:38,340

liberty or give these bad you know they

976
00:42:41,750 --> 00:42:40,380
were singing our National Anthem yeah

977
00:42:43,440 --> 00:42:41,760
yeah it's like something that kind of

978
00:42:45,660 --> 00:42:43,450
made you proud to be an American

979
00:42:47,490 --> 00:42:45,670
even though like our whole system is a

980
00:42:49,620 --> 00:42:47,500
little [h__h] up at the moment you know

981
00:42:51,120 --> 00:42:49,630
like it's still like there's that pride

982
00:42:54,839 --> 00:42:51,130
there and it was like damn do you'd like

983
00:42:56,640 --> 00:42:54,849
see like Hong Kong showed us what it's

984
00:42:59,549 --> 00:42:56,650
like to be an American you know what I'm

985
00:43:02,339 --> 00:42:59,559
saying cuz people here are gonna do that

986
00:43:04,230 --> 00:43:02,349
all you get is like aunty pecans like

987
00:43:05,730 --> 00:43:04,240
running around with like masks on their

988
00:43:08,789 --> 00:43:05,740

face and like destroying their own

989

00:43:10,770 --> 00:43:08,799

community it's it's pretty sad but we

990

00:43:13,559 --> 00:43:10,780

don't have like that type of you know

991

00:43:15,569 --> 00:43:13,569

bond yeah yeah exactly we're all too

992

00:43:17,339 --> 00:43:15,579

wrapped up in our own kind of locked up

993

00:43:18,839 --> 00:43:17,349

here look I'm sitting here on my

994

00:43:21,630 --> 00:43:18,849

Instagram checking out who's looking at

995

00:43:23,039 --> 00:43:21,640

my stories yeah right you know I catch

996

00:43:26,039 --> 00:43:23,049

myself doing this all the time I'm like

997

00:43:27,930 --> 00:43:26,049

am i I am in a trap and I can't yeah

998

00:43:29,280 --> 00:43:27,940

it's it's kind of weird because like the

999

00:43:31,020 --> 00:43:29,290

thing that makes you connected to the

1000

00:43:32,760 --> 00:43:31,030

world also disconnects you from the

1001
00:43:34,920 --> 00:43:32,770
people that are sitting right next to

1002
00:43:37,829 --> 00:43:34,930
you yeah it's kind of a weird paradigm

1003
00:43:39,960 --> 00:43:37,839
you know for social media but I've never

1004
00:43:41,190 --> 00:43:39,970
found you guys you know yeah yeah that's

1005
00:43:43,140 --> 00:43:41,200
what I'm saying like there's a lot of

1006
00:43:45,809 --> 00:43:43,150
things that could be used for good that

1007
00:43:48,000 --> 00:43:45,819
are like really also used for like

1008
00:43:51,180 --> 00:43:48,010
really evil stuff yeah but it all

1009
00:43:53,670 --> 00:43:51,190
depends on you it's social media is just

1010
00:43:55,920 --> 00:43:53,680
like your real life you dictate how you

1011
00:43:58,319 --> 00:43:55,930
want your life to play out mmm you know

1012
00:44:00,020 --> 00:43:58,329
you have some discipline around so it's

1013
00:44:03,690 --> 00:44:00,030

the same thing with social media like

1014

00:44:05,819 --> 00:44:03,700

discipline yourself know like hey I can

1015

00:44:07,349 --> 00:44:05,829

put this [h__h] away it's gonna be there

1016

00:44:10,289 --> 00:44:07,359

when I get back right yeah the

1017

00:44:12,920 --> 00:44:10,299

difference is your life may not be there

1018

00:44:16,170 --> 00:44:12,930

when you get back from your social media

1019

00:44:17,910 --> 00:44:16,180

so the only way for me as a traveler to

1020

00:44:19,530 --> 00:44:17,920

really stay connected to my friends and

1021

00:44:21,420 --> 00:44:19,540

really know what they're doing is social

1022

00:44:23,370 --> 00:44:21,430

media yeah absolutely no cuz I text I'd

1023

00:44:25,589 --> 00:44:23,380

be like you know I just left two days

1024

00:44:27,059 --> 00:44:25,599

ago or three on Tuesday and I'm like hey

1025

00:44:28,829 --> 00:44:27,069

you guys pay attention to me what are

1026

00:44:29,910 --> 00:44:28,839

you doing you know but if it wasn't for

1027

00:44:30,420 --> 00:44:29,920

a social mean I wouldn't know what

1028

00:44:32,010 --> 00:44:30,430

they're doing

1029

00:44:33,420 --> 00:44:32,020

yeah and it's an easier way for me to

1030

00:44:34,650 --> 00:44:33,430

connect my best friend be like how was

1031

00:44:36,809 --> 00:44:34,660

your mom's house so you know what it

1032

00:44:38,819 --> 00:44:36,819

means yeah yeah I mean you're not yeah

1033

00:44:41,730 --> 00:44:38,829

not alone in that at all I mean it's I

1034

00:44:43,230 --> 00:44:41,740

catch myself all the time with friends

1035

00:44:45,270 --> 00:44:43,240

that live out of town or whatever I'm

1036

00:44:46,950 --> 00:44:45,280

sure there's millions of people out

1037

00:44:49,710 --> 00:44:46,960

there that that would agree yeah

1038

00:44:52,950 --> 00:44:49,720

definitely it's it is so I love it

1039

00:44:53,370 --> 00:44:52,960

I love it I'm gonna keep watching I want

1040

00:44:57,810 --> 00:44:53,380

you

1041

00:45:00,780 --> 00:44:57,820

yeah absolutely

1042

00:45:03,480 --> 00:45:00,790

absolutely yeah I mean you control you

1043

00:45:05,370 --> 00:45:03,490

control how how it goes and how you feel

1044

00:45:06,840 --> 00:45:05,380

about it yeah absolutely no absolute

1045

00:45:10,350 --> 00:45:06,850

power that we've learned it's not bad

1046

00:45:11,880 --> 00:45:10,360

it's not bad I don't mind that yeah yeah

1047

00:45:14,040 --> 00:45:11,890

it just kind of depends on how you you

1048

00:45:16,320 --> 00:45:14,050

dictate it you know there are some

1049

00:45:17,130 --> 00:45:16,330

people out there like like that's

1050

00:45:20,310 --> 00:45:17,140

something I'll scroll through my

1051
00:45:23,820 --> 00:45:20,320
facebook now with Jesus Christ dude like

1052
00:45:26,610 --> 00:45:23,830
you are 50% of my fee right now I would

1053
00:45:29,370 --> 00:45:26,620
say what are you doing don't work

1054
00:45:31,080 --> 00:45:29,380
yourself [h__h] like how do you do it I

1055
00:45:37,320 --> 00:45:31,090
came out here for lunch time and I'm

1056
00:45:39,750 --> 00:45:37,330
like this person like no I don't care

1057
00:45:43,050 --> 00:45:39,760
about your baby's daddy no I don't care

1058
00:45:47,640 --> 00:45:43,060
what you think about money

1059
00:45:49,350 --> 00:45:47,650
I don't care yeah yeah so so stuff is

1060
00:45:52,080 --> 00:45:49,360
stupid some people should be like

1061
00:45:54,270 --> 00:45:52,090
stripped of that of their privilege

1062
00:45:55,650 --> 00:45:54,280
their social media privileges but then

1063
00:45:56,430 --> 00:45:55,660

that would make me a commie and

1064

00:46:00,240 --> 00:45:56,440

goddammit

1065

00:46:03,030 --> 00:46:00,250

I ain't no commie so live your life ha

1066

00:46:09,780 --> 00:46:03,040

ha ha free will free power I'm the

1067

00:46:11,460 --> 00:46:09,790

opposite of 100% I said I said we all

1068

00:46:14,070 --> 00:46:11,470

should have be able to have tanks last

1069

00:46:16,080 --> 00:46:14,080

night yes how much of a commie I am mad

1070

00:46:19,260 --> 00:46:16,090

why should all be able to have tanks if

1071

00:46:20,700 --> 00:46:19,270

we want to yeah you can they're called

1072

00:46:23,220 --> 00:46:20,710

Hummers and there are a lot of money

1073

00:46:25,800 --> 00:46:23,230

yeah I'm talking like a full-blown tank

1074

00:46:30,030 --> 00:46:25,810

you know like that so it doesn't really

1075

00:46:32,850 --> 00:46:30,040

more expensive than the hovers have you

1076

00:46:36,660 --> 00:46:32,860

ever heard of the killdozer no so there

1077

00:46:38,280 --> 00:46:36,670

was a story about a man the media kind

1078

00:46:41,520 --> 00:46:38,290

of portrayed him as like this psychotic

1079

00:46:45,150 --> 00:46:41,530

man who like went on a rampage right but

1080

00:46:46,560 --> 00:46:45,160

so he owned he owned a muffler shock I'm

1081

00:46:48,900 --> 00:46:46,570

trying to think of the name I can't

1082

00:46:51,780 --> 00:46:48,910

think of his name specifically but he's

1083

00:46:55,950 --> 00:46:51,790

known for the killdozer ok so basically

1084

00:46:57,420 --> 00:46:55,960

he owned this muffler shop and the city

1085

00:47:01,410 --> 00:46:57,430

decided that there was going to be

1086

00:47:04,590 --> 00:47:01,420

another another building that was built

1087

00:47:06,640 --> 00:47:04,600

across the street from his shop right

1088

00:47:08,259 --> 00:47:06,650

and so what they did was

1089

00:47:10,779 --> 00:47:08,269

they messed up the road to where nobody

1090

00:47:13,269 --> 00:47:10,789

could come into his shop anymore and so

1091

00:47:15,430 --> 00:47:13,279

he like mailed the city and was like hey

1092

00:47:18,039 --> 00:47:15,440

you know you just cut off you know all

1093

00:47:20,410 --> 00:47:18,049

the access yeah all the access to my

1094

00:47:22,420 --> 00:47:20,420

shop like I can't you know I can't get

1095

00:47:24,489 --> 00:47:22,430

anybody in here anymore and the city

1096

00:47:26,559 --> 00:47:24,499

kind of ignored him and pushed him off a

1097

00:47:29,289 --> 00:47:26,569

little bit so he dealt with that for

1098

00:47:31,839 --> 00:47:29,299

like weeks and then as they started

1099

00:47:34,569 --> 00:47:31,849

building they cut his sewer line and his

1100

00:47:36,579 --> 00:47:34,579

water line to his shop and so he still

1101
00:47:38,559 --> 00:47:36,589
had to pay property taxes you still had

1102
00:47:41,229 --> 00:47:38,569
to pay rent he still had to do all this

1103
00:47:43,150 --> 00:47:41,239
stuff reversal shocked yeah for his shop

1104
00:47:44,049 --> 00:47:43,160
that he had been paying for had been

1105
00:47:46,690 --> 00:47:44,059
there for years

1106
00:47:49,749 --> 00:47:46,700
and so he fought the city for months and

1107
00:47:52,420 --> 00:47:49,759
the city just completely ignored him so

1108
00:47:54,609 --> 00:47:52,430
he ended up having this shop and he had

1109
00:47:57,400 --> 00:47:54,619
enough of it so he had a bulldozer and

1110
00:47:59,799 --> 00:47:57,410
he welded like heavy plated armor like

1111
00:48:01,539 --> 00:47:59,809
on this bulldozer and like you couldn't

1112
00:48:04,779 --> 00:48:01,549
shoot at it cuz it wouldn't do anything

1113
00:48:07,150 --> 00:48:04,789

you know so what he did was he had

1114

00:48:09,249 --> 00:48:07,160

enough and his his slogan was sometimes

1115

00:48:11,319 --> 00:48:09,259

reasonable men are pushed to do

1116

00:48:12,759 --> 00:48:11,329

unreasonable things and that was one of

1117

00:48:16,059 --> 00:48:12,769

the last things that you said when he

1118

00:48:18,459 --> 00:48:16,069

died and so he drove through the city

1119

00:48:22,390 --> 00:48:18,469

basically and hit every government

1120

00:48:24,309 --> 00:48:22,400

building do that that was in the city he

1121

00:48:26,620 --> 00:48:24,319

didn't hurt anybody's personal property

1122

00:48:28,329 --> 00:48:26,630

he didn't kill any innocent people he

1123

00:48:29,859 --> 00:48:28,339

didn't do any of that stuff he didn't

1124

00:48:31,660 --> 00:48:29,869

you know he didn't mess with other

1125

00:48:34,299 --> 00:48:31,670

people's stuff because that's what

1126

00:48:36,160 --> 00:48:34,309

happened to him the city the city

1127

00:48:37,989 --> 00:48:36,170

government oppressed him and his

1128

00:48:41,410 --> 00:48:37,999

property Israel he was like you know

1129

00:48:43,239 --> 00:48:41,420

what all right all right you drove me to

1130

00:48:45,549 --> 00:48:43,249

you drove me to this point so all he did

1131

00:48:49,839 --> 00:48:45,559

was was [h__\h] up government buildings and

1132

00:48:52,930 --> 00:48:49,849

he still got killed by yeah you know Wow

1133

00:48:55,950 --> 00:48:52,940

yeah so you know it's and you know that

1134

00:48:58,870 --> 00:48:55,960

is like people would call that like

1135

00:49:02,079 --> 00:48:58,880

tyrannical and like terroristic you know

1136

00:49:04,640 --> 00:49:02,089

like if you have like a terrorist thing

1137

00:49:05,990 --> 00:49:04,650

but but it's like Oh

1138

00:49:07,640 --> 00:49:06,000

the problem with histories like they

1139

00:49:09,200 --> 00:49:07,650

tell you something and they don't tell

1140

00:49:12,110 --> 00:49:09,210

you the background right yeah right

1141

00:49:13,610 --> 00:49:12,120

right and but it's like look at the you

1142

00:49:17,330 --> 00:49:13,620

know like even like the American

1143

00:49:20,750 --> 00:49:17,340

Revolution like dad impressive like you

1144

00:49:24,680 --> 00:49:20,760

know from from you know England Kent

1145

00:49:26,930 --> 00:49:24,690

taxi taxi well they were broke yeah yeah

1146

00:49:30,980 --> 00:49:26,940

and they needed this this other stream

1147

00:49:34,100 --> 00:49:30,990

of you know of money and dude we started

1148

00:49:39,170 --> 00:49:34,110

a revolution over a 4% tax bro

1149

00:49:41,600 --> 00:49:39,180

and we were like no merica like guns

1150

00:49:43,070 --> 00:49:41,610

blazing you know thank God we had some

1151

00:49:45,950 --> 00:49:43,080

help from some other people that also

1152

00:49:48,110 --> 00:49:45,960

believed in that that you know sense of

1153

00:49:49,580 --> 00:49:48,120

freedom but I mean look at us now dude

1154

00:49:51,380 --> 00:49:49,590

people were getting tax seventy percent

1155

00:49:54,560 --> 00:49:51,390

for [h__h] yeah I know and nobody's saying

1156

00:49:56,390 --> 00:49:54,570

anything so and that's by our oh yeah

1157

00:49:58,580 --> 00:49:56,400

and they're trying to get take away our

1158

00:50:01,190 --> 00:49:58,590

guns and the government's like evil or

1159

00:50:03,200 --> 00:50:01,200

anything you know like they they do good

1160

00:50:05,750 --> 00:50:03,210

things while sometimes taneous lee also

1161

00:50:08,120 --> 00:50:05,760

doing like [h__h] up things but like you

1162

00:50:10,190 --> 00:50:08,130

can see why people would be driven to do

1163

00:50:12,110 --> 00:50:10,200

crazy [h__\h] sometimes yeah you know what

1164

00:50:14,450 --> 00:50:12,120

I'm saying I get it yeah I just realize

1165

00:50:17,210 --> 00:50:14,460

like we don't know anything

1166

00:50:18,410 --> 00:50:17,220

mm-hmm yeah it's like just kind of

1167

00:50:19,910 --> 00:50:18,420

hidden from you they only tell you what

1168

00:50:22,130 --> 00:50:19,920

they want you to hear but your

1169

00:50:24,350 --> 00:50:22,140

intentions like as humans we don't know

1170

00:50:25,970 --> 00:50:24,360

each other's intentions you know hi I

1171

00:50:29,540 --> 00:50:25,980

can feel good energy and like there's

1172

00:50:30,740 --> 00:50:29,550

good energy here but you don't know and

1173

00:50:32,120 --> 00:50:30,750

you don't know what they're doing what

1174

00:50:34,190 --> 00:50:32,130

they're saying who's saying what where

1175

00:50:36,290 --> 00:50:34,200

is it coming from like right right like

1176

00:50:37,670 --> 00:50:36,300

that grain of salt is like always thick

1177

00:50:38,750 --> 00:50:37,680

but you know but once you're in you're

1178

00:50:41,090 --> 00:50:38,760

you're having fun you're having good

1179

00:50:44,240 --> 00:50:41,100

time you forget about it mm-hmm mm-hmm

1180

00:50:46,370 --> 00:50:44,250

where does what come where yeah I have

1181

00:50:48,740 --> 00:50:46,380

no idea I think that's part of the

1182

00:50:50,750 --> 00:50:48,750

beauty of life though yes that's the

1183

00:50:51,260 --> 00:50:50,760

adventure you never know what's gonna

1184

00:50:54,740 --> 00:50:51,270

happen

1185

00:50:59,180 --> 00:50:54,750

mm-hmm and you know sometimes life is

1186

00:51:01,250 --> 00:50:59,190

dangerous right but you can't psycho

1187

00:51:02,930 --> 00:51:01,260

proof the world so I think we should all

1188

00:51:04,400 --> 00:51:02,940

stop trying to psycho proof the world

1189

00:51:07,550 --> 00:51:04,410

because all that's doing is creating

1190

00:51:10,160 --> 00:51:07,560

more [h__h] psychos you know what I'm

1191

00:51:12,890 --> 00:51:10,170

sayin the more you restrict things from

1192

00:51:15,170 --> 00:51:12,900

people the crazier people get and we've

1193

00:51:20,420 --> 00:51:15,180

seen that throughout history whether

1194

00:51:22,849 --> 00:51:20,430

mission or exactly Oh animal whether you

1195

00:51:25,400 --> 00:51:22,859

know yeah yeah the drug war or whatever

1196

00:51:28,250 --> 00:51:25,410

it is you're maybe doing a drug war are

1197

00:51:31,430 --> 00:51:28,260

you a historian no no no I just I used

1198

00:51:33,589 --> 00:51:31,440

to just Orion I'm a Joe story okay I

1199

00:51:35,510 --> 00:51:33,599

love this I'm nicer and I study history

1200

00:51:37,730 --> 00:51:35,520

in college so for me all those like

1201
00:51:40,309 --> 00:51:37,740
you've brought up so much really cool

1202
00:51:44,540 --> 00:51:40,319
[h__h] it is so connected but I love it

1203
00:51:45,859 --> 00:51:44,550
yeah keep it up I just try to pay

1204
00:51:47,299 --> 00:51:45,869
attention you know I try and pay

1205
00:51:49,460 --> 00:51:47,309
attention to things because that's the

1206
00:51:52,579 --> 00:51:49,470
only way you know like you're gonna be

1207
00:51:55,040 --> 00:51:52,589
able to if it ever came down to that

1208
00:51:57,290 --> 00:51:55,050
like you know I don't want to be

1209
00:51:59,930 --> 00:51:57,300
oppressed for these specific historical

1210
00:52:02,359 --> 00:51:59,940
reasons yeah like you can't tell me this

1211
00:52:04,670 --> 00:52:02,369
is okay but if other people aren't

1212
00:52:05,450 --> 00:52:04,680
paying attention you know they don't

1213
00:52:08,750 --> 00:52:05,460

know any of that

1214

00:52:10,370 --> 00:52:08,760

yeah and you see that now like if I were

1215

00:52:12,470 --> 00:52:10,380

to just have this conversation in like a

1216

00:52:19,760 --> 00:52:12,480

room of like random people I'm a crazy

1217

00:52:21,140 --> 00:52:19,770

guy you know like exactly but but you

1218

00:52:22,339 --> 00:52:21,150

know like just sound like a normal

1219

00:52:25,039 --> 00:52:22,349

setting you're like that conspiracy

1220

00:52:26,539 --> 00:52:25,049

Derek you know but it's like no these

1221

00:52:29,900 --> 00:52:26,549

are all like you can look this [h__\h] up

1222

00:52:33,829 --> 00:52:29,910

dude like yeah man it's not that hard

1223

00:52:36,700 --> 00:52:33,839

but yeah no I uh I'm definitely a little

1224

00:52:39,799 --> 00:52:36,710

unplugged right now for likes like this

1225

00:52:41,180 --> 00:52:39,809

sorts you know news I just don't want to

1226

00:52:42,680 --> 00:52:41,190

turn on the TV I know that we're losing

1227

00:52:45,370 --> 00:52:42,690

right now but I just want to say hook em

1228

00:52:48,440 --> 00:52:45,380

horns till the day I die all right

1229

00:52:50,569 --> 00:52:48,450

LSU's so you're you're in Texas right

1230

00:52:52,280 --> 00:52:50,579

I'm a long long time oh that's okay this

1231

00:52:53,990 --> 00:52:52,290

is college football no - this season

1232

00:52:57,289 --> 00:52:54,000

starting right now oh yeah this is a

1233

00:53:00,770 --> 00:52:57,299

second game okay yep yeah this is this

1234

00:53:02,990 --> 00:53:00,780

is a big one LSU is Louisiana oh yeah

1235

00:53:04,910 --> 00:53:03,000

yeah they're Louisiana we were projected

1236

00:53:06,620 --> 00:53:04,920

to lose maybe two games and this is one

1237

00:53:08,960 --> 00:53:06,630

of them so the fact that we're only like

1238

00:53:12,500 --> 00:53:08,970

down a touchdown plus a field goal it's

1239

00:53:14,890 --> 00:53:12,510

pretty sweet don't know what that means

1240

00:53:17,109 --> 00:53:14,900

but I did lived in love I lived in

1241

00:53:20,980 --> 00:53:17,119

in New Orleans oh yeah Oh right now

1242

00:53:23,230 --> 00:53:20,990

we're rivalry nice yeah my sister not

1243

00:53:27,039 --> 00:53:23,240

only is she an Aggie but now she teaches

1244

00:53:35,620 --> 00:53:27,049

at Louisiana Tech and neither one of her

1245

00:53:38,769 --> 00:53:35,630

teams capito music he's a rock star and

1246

00:53:42,279 --> 00:53:38,779

an alien fans have a gold mine right

1247

00:53:47,200 --> 00:53:42,289

here you guys it's all like it's all

1248

00:53:53,650 --> 00:53:47,210

like like music and aliens it's like

1249

00:53:59,890 --> 00:53:53,660

alright you're just having fun enjoying

1250

00:54:02,650 --> 00:53:59,900

everything that you do I hope I'm having

1251
00:54:04,329 --> 00:54:02,660
a good time right now occasionally

1252
00:54:07,990 --> 00:54:04,339
occasionally gets a little irritating

1253
00:54:09,670 --> 00:54:08,000
but yeah we're trying to do this podcast

1254
00:54:11,799 --> 00:54:09,680
thing or we were just talking about

1255
00:54:13,720 --> 00:54:11,809
today like man just meeting people here

1256
00:54:16,120 --> 00:54:13,730
and like being around everybody that's

1257
00:54:17,559 --> 00:54:16,130
that does this full-time it's like we we

1258
00:54:19,089 --> 00:54:17,569
kind of thought about this when we

1259
00:54:20,769 --> 00:54:19,099
started the podcast like man I'd just

1260
00:54:22,510 --> 00:54:20,779
like to do this full-time that'd be

1261
00:54:23,829 --> 00:54:22,520
really awesome yeah and just like kind

1262
00:54:26,319 --> 00:54:23,839
of meeting people that are doing this

1263
00:54:28,329 --> 00:54:26,329

counting full-time it just became really

1264

00:54:31,359 --> 00:54:28,339

really real for me you know like that's

1265

00:54:33,490 --> 00:54:31,369

an actual possibility like yeah we could

1266

00:54:35,799 --> 00:54:33,500

actually do this well then it might take

1267

00:54:39,700 --> 00:54:35,809

some some time for us to grow our you

1268

00:54:42,460 --> 00:54:39,710

know fan patience is crucial in life in

1269

00:54:43,930 --> 00:54:42,470

any business adventure yeah yeah even

1270

00:54:45,720 --> 00:54:43,940

when like you know the boy doesn't call

1271

00:54:48,870 --> 00:54:45,730

it's like well I need to wait a week

1272

00:54:50,789 --> 00:54:48,880

yeah but still it's patience and like

1273

00:54:53,950 --> 00:54:50,799

that never happens to me

1274

00:55:03,010 --> 00:54:53,960

yeah no boys ever call me Ben calls me

1275

00:55:05,140 --> 00:55:03,020

once I see Johnny but I was hanging out

1276

00:55:07,329 --> 00:55:05,150

with my you know three year old

1277

00:55:08,950 --> 00:55:07,339

yesterday I was like hey I can hang out

1278

00:55:11,349 --> 00:55:08,960

with you in five minutes you know put on

1279

00:55:13,299 --> 00:55:11,359

the timer we hung out we went jumped our

1280

00:55:15,430 --> 00:55:13,309

side in the trampoline and like had a

1281

00:55:16,900 --> 00:55:15,440

blast and then I was like sweating and

1282

00:55:18,640 --> 00:55:16,910

dying because it's Arizona it's a

1283

00:55:20,829 --> 00:55:18,650

hundred degrees right in the middle of

1284

00:55:22,720 --> 00:55:20,839

the night okay we need to go back inside

1285

00:55:24,339 --> 00:55:22,730

he's like okay and then he's like let's

1286

00:55:25,509 --> 00:55:24,349

go back outside and you know I'm like I

1287

00:55:28,829 --> 00:55:25,519

need 10 minutes

1288

00:55:32,229 --> 00:55:28,839

time around you know and he's like what

1289

00:55:34,209 --> 00:55:32,239

you want me to wait longer like yeah

1290

00:55:39,120 --> 00:55:34,219

dude like there's a time in life you're

1291

00:55:41,559 --> 00:55:39,130

gonna have to wait two weeks yeah yeah

1292

00:55:43,839 --> 00:55:41,569

things take time in life and this is the

1293

00:55:45,489 --> 00:55:43,849

moment for you to learn this I'm gonna

1294

00:55:46,779 --> 00:55:45,499

be the one that teaches it to you you

1295

00:55:50,709 --> 00:55:46,789

know from the beginning well I mean who

1296

00:55:53,259 --> 00:55:50,719

better than you I don't know I haven't

1297

00:55:56,049 --> 00:55:53,269

found it that's right that's right

1298

00:55:58,749 --> 00:55:56,059

wait yeah no it's uh yeah it's been it's

1299

00:56:00,909 --> 00:55:58,759

been fun we do we have like like like

1300

00:56:03,359 --> 00:56:00,919

nine comments now do it on YouTube

1301

00:56:07,839 --> 00:56:03,369

[h__h] dude yeah week nine comedy

1302

00:56:10,089 --> 00:56:07,849

channel oh yeah you so visual after this

1303

00:56:12,099 --> 00:56:10,099

we need to literally link up everything

1304

00:56:13,599 --> 00:56:12,109

so I'm gonna go on my YouTube and follow

1305

00:56:16,029 --> 00:56:13,609

you and like everything yeah yeah

1306

00:56:17,769 --> 00:56:16,039

totally but I you know the subscribe

1307

00:56:18,759 --> 00:56:17,779

button yeah that goes for all of you out

1308

00:56:21,249 --> 00:56:18,769

there to make sure you hit that

1309

00:56:22,149 --> 00:56:21,259

subscribe button please subscribe that

1310

00:56:24,399 --> 00:56:22,159

would be awesome

1311

00:56:26,439 --> 00:56:24,409

you got me now we're going for 30 that's

1312

00:56:29,049 --> 00:56:26,449

all we need is 30 we need 30 subs they

1313

00:56:35,469 --> 00:56:29,059

were gonna be like through the roof good

1314

00:56:38,769 --> 00:56:35,479

number right there - can you guys

1315

00:56:41,620 --> 00:56:38,779

imagine if we have like in ten years we

1316

00:56:44,499 --> 00:56:41,630

have a decade to do this like all over

1317

00:56:47,229 --> 00:56:44,509

again no I know that'd be sweet goals

1318

00:56:50,979 --> 00:56:47,239

right there ten years from now what is

1319

00:56:52,629 --> 00:56:50,989

it 20 19 20 29 we're writing it down

1320

00:56:54,629 --> 00:56:52,639

we're definitely doing a crafting party

1321

00:56:56,889 --> 00:56:54,639

after this because that's what I do best

1322

00:56:58,269 --> 00:56:56,899

work when I put little boards we're

1323

00:56:59,379 --> 00:56:58,279

gonna write things and we're gonna put

1324

00:57:02,949 --> 00:56:59,389

the goal and you're gonna carry around

1325

00:57:05,019 --> 00:57:02,959

and it would be pretty [h__h] cool if

1326

00:57:06,459 --> 00:57:05,029

we actually did it came back around in

1327

00:57:09,549 --> 00:57:06,469

ten years and see where we're all at

1328

00:57:12,039 --> 00:57:09,559

yeah that'd be cool I'd be sweet and the

1329

00:57:13,659 --> 00:57:12,049

thing is I mean I feel it like I don't

1330

00:57:19,449 --> 00:57:13,669

get any internet connection in my

1331

00:57:23,289 --> 00:57:19,459

cardboard box Instagram and he actually

1332

00:57:26,049 --> 00:57:23,299

has five pictures to continue later

1333

00:57:27,579 --> 00:57:26,059

and a failed you need at least six to

1334

00:57:30,579 --> 00:57:27,589

just fill it up and make it beautiful

1335

00:57:32,469 --> 00:57:30,589

yes philia ten years we're gonna wake up

1336

00:57:37,120 --> 00:57:32,479

in the desert instead downtown we're

1337

00:57:42,819 --> 00:57:37,130

gonna be living in a tent we're late for

1338

00:57:43,809 --> 00:57:42,829

the conference yeah yeah Mike and I are

1339

00:57:46,089 --> 00:57:43,819

definitely planning on having children

1340

00:57:47,649 --> 00:57:46,099

but not anytime soon I like Jeff we just

1341

00:57:53,139 --> 00:57:47,659

got married last November so it hasn't

1342

00:57:55,120 --> 00:57:53,149

even been a year yet we're not we're

1343

00:57:58,449 --> 00:57:55,130

trying to enjoy ourselves please take

1344

00:58:01,239 --> 00:57:58,459

your time yeah yeah enjoy as much of it

1345

00:58:03,099 --> 00:58:01,249

as you can before you actually have kids

1346

00:58:04,269 --> 00:58:03,109

yeah yeah I think Jo and I would be

1347

00:58:09,399 --> 00:58:04,279

great you know

1348

00:58:13,179 --> 00:58:09,409

auntie and uncle your wife immediately

1349

00:58:26,049 --> 00:58:13,189

being Uncle Joe the crazy uncle Joe's

1350

00:58:27,099 --> 00:58:26,059

coming over um yeah children yeah yeah I

1351

00:58:38,919 --> 00:58:27,109

got one on the way

1352

00:58:40,419 --> 00:58:38,929

yeah about almost 13 weeks now there's

1353

00:58:42,129 --> 00:58:40,429

like some really outdoor we are before

1354

00:58:44,169 --> 00:58:42,139

we start the podcast right here yeah no

1355

00:58:45,429 --> 00:58:44,179

the sex at this point not yeah we should

1356

00:58:47,889 --> 00:58:45,439

find out probably at the end of next

1357

00:58:50,829 --> 00:58:47,899

week okay so do you want to find out I

1358

00:58:53,349 --> 00:58:50,839

do okay I want to know everything so I

1359

00:58:55,779 --> 00:58:53,359

can be as prepared as possible I think

1360

00:58:59,379 --> 00:58:55,789

for me a dude would be easier just cuz I

1361

00:59:02,109 --> 00:58:59,389

know how to be a dude right totally like

1362

00:59:08,129 --> 00:59:02,119

do this or you could do that I think you

1363

00:59:11,019 --> 00:59:08,139

teach the girl to be a dude - yeah yeah

1364

00:59:17,759 --> 00:59:11,029

Joe I just you know like I don't want to

1365

00:59:23,769 --> 00:59:21,339

I'm TT can teacher okay okay how about

1366

00:59:26,019 --> 00:59:23,779

that okay sounds good sounds good

1367

00:59:27,969 --> 00:59:26,029

cuz I don't shave right now as it is so

1368

00:59:31,599 --> 00:59:27,979

yeah I'd be very good at that anyways

1369

00:59:32,460 --> 00:59:31,609

you would clog up the shavers ya know

1370

00:59:34,800 --> 00:59:32,470

it's like

1371

00:59:36,960 --> 00:59:34,810

just like just don't touch it [h__h]

1372

00:59:39,599 --> 00:59:36,970

let your face do its natural thing

1373

00:59:42,359 --> 00:59:39,609

that's what you tell the girl - I'm

1374

00:59:44,580 --> 00:59:42,369

telling you right now it took me years

1375

00:59:47,339 --> 00:59:44,590

to like be comfortable with being curly

1376

00:59:50,040 --> 00:59:47,349

I have crazy curly hair you

1377

00:59:53,310 --> 00:59:50,050

it's insane if it's not embrace yeah I

1378

00:59:55,740 --> 00:59:53,320

always do I look like Howard Stern in

1379

00:59:57,359 --> 00:59:55,750

the 90s I bet it's pretty ridiculous

1380

00:59:58,680 --> 00:59:57,369

yeah so you teach her the same thing

1381

01:00:00,359 --> 00:59:58,690

don't touch in the hair you'll get

1382

01:00:03,180 --> 01:00:00,369

comfortable with it eventually yeah

1383

01:00:03,750 --> 01:00:03,190

definitely comfortable early on early on

1384

01:00:06,030 --> 01:00:03,760

in life

1385

01:00:10,140 --> 01:00:06,040

I'm absolutely absolutely yeah if I had

1386

01:00:14,490 --> 01:00:10,150

a little girl oh you probably melt my

1387

01:00:16,520 --> 01:00:14,500

heart yeah do you ever miss me cuz I'm

1388

01:00:19,200 --> 01:00:16,530

not like uh I'm not like a sappy like

1389

01:00:24,180 --> 01:00:19,210

melly person but if I had a daughter I

1390

01:00:29,960 --> 01:00:24,190

probably would be like you know stone

1391

01:00:34,349 --> 01:00:33,359

[h__\h] like that - oh yeah I'm pretty

1392

01:00:36,060 --> 01:00:34,359

excited about it

1393

01:00:40,890 --> 01:00:36,070

be excited so yeah we should find out

1394

01:00:42,870 --> 01:00:40,900

here pretty soon yeah congratulations to

1395

01:00:47,550 --> 01:00:42,880

the both of you thank you very much me

1396

01:00:49,440 --> 01:00:47,560

you know thank you I am so proud of you

1397

01:00:50,820 --> 01:00:49,450

you've accomplished a lot in the past

1398

01:00:53,730 --> 01:00:50,830

three years both of you will have

1399

01:00:55,380 --> 01:00:53,740

beautiful partners mm-hmm you know

1400

01:00:58,770 --> 01:00:55,390

you're building families and now you're

1401
01:01:01,890 --> 01:00:58,780
building a community yeah yeah this has

1402
01:01:03,510 --> 01:01:01,900
been really exciting yeah I feel it

1403
01:01:10,920 --> 01:01:03,520
where I'm at therapy I feel very good

1404
01:01:12,570 --> 01:01:10,930
about myself right doing my friends you

1405
01:01:14,940 --> 01:01:12,580
know cuz I'm like hey we have contact

1406
01:01:17,520 --> 01:01:14,950
very quickly and now that I'm leaving is

1407
01:01:19,530 --> 01:01:17,530
like it's important for me to know my

1408
01:01:21,870 --> 01:01:19,540
friends need to know that my friends

1409
01:01:23,520 --> 01:01:21,880
that I know them so like put on the

1410
01:01:26,010 --> 01:01:23,530
calendar to check in me like I need to

1411
01:01:27,990 --> 01:01:26,020
call Mary today all right or I'm gonna

1412
01:01:30,089 --> 01:01:28,000
put like call the band today or like

1413
01:01:31,589 --> 01:01:30,099

listen to the podcast and one of those

1414

01:01:33,270 --> 01:01:31,599

great things about subscribing is like

1415

01:01:35,760 --> 01:01:33,280

I'll send you an email and remind you

1416

01:01:36,720 --> 01:01:35,770

because life gets busy yeah oh yeah I've

1417

01:01:39,900 --> 01:01:36,730

seen your own life

1418

01:01:41,670 --> 01:01:39,910

absolutely so put me on the calendar if

1419

01:01:43,440 --> 01:01:41,680

you know it's seven o'clock comes around

1420

01:01:46,170 --> 01:01:43,450

your side and something's happening like

1421

01:01:51,150 --> 01:01:46,180

you can call therapy any time all right

1422

01:01:56,070 --> 01:01:51,160

yeah pick you up that's awesome my

1423

01:01:58,710 --> 01:01:56,080

fridge for therapy is not the only one

1424

01:01:59,460 --> 01:01:58,720

it's crazy I'm not like really like a

1425

01:02:01,380 --> 01:01:59,470

big drinker

1426

01:02:04,340 --> 01:02:01,390

I've drink more on this trip that I have

1427

01:02:07,020 --> 01:02:04,350

probably in the past three years yeah

1428

01:02:08,670 --> 01:02:07,030

you're enjoying it yeah well yeah I mean

1429

01:02:12,420 --> 01:02:08,680

I'm having a good time

1430

01:02:14,250 --> 01:02:12,430

I've also having to wake up at 5:00

1431

01:02:15,870 --> 01:02:14,260

yeah I'm also a cover like 5:00 in the

1432

01:02:17,490 --> 01:02:15,880

morning good so this doesn't help but

1433

01:02:19,710 --> 01:02:17,500

you don't have to work up a five every

1434

01:02:21,870 --> 01:02:19,720

day for work yeah cuz you don't you want

1435

01:02:23,010 --> 01:02:21,880

to be the heat well yeah but I mean they

1436

01:02:24,420 --> 01:02:23,020

forced me to work through the heat

1437

01:02:25,680 --> 01:02:24,430

anyway so I mean I could wake up at

1438

01:02:27,270 --> 01:02:25,690

10:00 and now it would be cool and I

1439

01:02:27,900 --> 01:02:27,280

would still work through that he what

1440

01:02:31,830 --> 01:02:27,910

time do you get off

1441

01:02:33,510 --> 01:02:31,840

um anywhere between four and six just

1442

01:02:37,080 --> 01:02:33,520

depending on what I'm doing you still

1443

01:02:39,570 --> 01:02:37,090

don't get a day no no but I mean it's

1444

01:02:43,230 --> 01:02:39,580

cool I enjoy what I do I get to build

1445

01:02:45,780 --> 01:02:43,240

things create things I grow things like

1446

01:02:47,340 --> 01:02:45,790

yeah so awesome like to do like

1447

01:02:49,440 --> 01:02:47,350

installations like on a house or

1448

01:02:50,700 --> 01:02:49,450

something and it like you have so much

1449

01:02:54,390 --> 01:02:50,710

pride meant and you come back like a

1450

01:03:04,680 --> 01:02:54,400

year later and you're like it's so cool

1451

01:03:07,680 --> 01:03:04,690

yeah like a big drinker I've always yeah

1452

01:03:08,280 --> 01:03:07,690

been more of a you know talker yeah yeah

1453

01:03:10,020 --> 01:03:08,290

definitely

1454

01:03:13,320 --> 01:03:10,030

you called me the the Joker and the

1455

01:03:15,480 --> 01:03:13,330

toke man in the midnight smoking yeah

1456

01:03:21,830 --> 01:03:15,490

wise man named Steve Miller once said

1457

01:03:27,660 --> 01:03:25,530

moppy critter I'm a lover and I'm a

1458

01:03:29,010 --> 01:03:27,670

sinner hey it's almost eight thirteen

1459

01:03:30,480 --> 01:03:29,020

alright cool cool

1460

01:03:32,490 --> 01:03:30,490

well yeah which I'm not trying to kick

1461

01:03:34,670 --> 01:03:32,500

us out but significantly this number is

1462

01:03:39,030 --> 01:03:34,680

very important yeah we need a good at

1463

01:03:40,980 --> 01:03:39,040

least so we celebrate we celebrate with

1464

01:03:42,930 --> 01:03:40,990

cheers but something this is this has

1465

01:03:47,770 --> 01:03:42,940

been really cool you guys really am soul

1466

01:03:49,900 --> 01:03:47,780

thing yes your song is amazing yeah

1467

01:03:51,910 --> 01:03:49,910

everybody seems to be having a good time

1468

01:03:52,510 --> 01:03:51,920

when they come on so that's exactly what

1469

01:03:54,610 --> 01:03:52,520

we want

1470

01:03:56,410 --> 01:03:54,620

it's laid-back it's fun good job it's

1471

01:03:59,050 --> 01:03:56,420

just you know I feel like a lot of times

1472

01:04:00,250 --> 01:03:59,060

like I maybe just it's because of the

1473

01:04:02,590 --> 01:04:00,260

things that I watch like documentaries

1474

01:04:04,600 --> 01:04:02,600

in the UFO community it's more like we

1475

01:04:06,790 --> 01:04:04,610

ask like a loaded question and then that

1476

01:04:08,110 --> 01:04:06,800

person spends a lot of time answering

1477

01:04:09,910 --> 01:04:08,120

but it's this is like just a

1478

01:04:11,560 --> 01:04:09,920

conversation and that's yeah that's what

1479

01:04:13,240 --> 01:04:11,570

kind of what we want is just we're just

1480

01:04:15,580 --> 01:04:13,250

hanging out drinking beer yeah having a

1481

01:04:16,930 --> 01:04:15,590

good time yeah yeah and we're hoping

1482

01:04:19,180 --> 01:04:16,940

that we're entertaining the [h__h] out of

1483

01:04:21,480 --> 01:04:19,190

you yeah really cool people hopefully

1484

01:04:23,860 --> 01:04:21,490

yeah that's that's the goal here

1485

01:04:25,240 --> 01:04:23,870

sometimes things can get like drab and

1486

01:04:27,010 --> 01:04:25,250

like just real serious when you talk

1487

01:04:30,250 --> 01:04:27,020

about stuff like this but we try to keep

1488

01:04:32,770 --> 01:04:30,260

it in maybe once there you know and like

1489

01:04:35,080 --> 01:04:32,780

I'm kind of did see everyone's in and

1490

01:04:36,550 --> 01:04:35,090

I'm like did I say the right thing when

1491

01:04:38,080 --> 01:04:36,560

you're talking about like the history

1492

01:04:39,910 --> 01:04:38,090

behind everything you don't that's what

1493

01:04:41,680 --> 01:04:39,920

that's why I mean I would listen to this

1494

01:04:43,570 --> 01:04:41,690

yeah listen to that in your experience

1495

01:04:44,890 --> 01:04:43,580

and like your expertise on this stuff

1496

01:04:49,300 --> 01:04:44,900

yeah I don't think that's boring I think

1497

01:04:50,830 --> 01:04:49,310

look what the the recipe is all right

1498

01:04:53,530 --> 01:04:50,840

here's some really informational cool

1499

01:04:55,570 --> 01:04:53,540

stuff that I know you know and then

1500

01:04:57,220 --> 01:04:55,580

we'll you know banter about different

1501
01:05:01,030 --> 01:04:57,230
house stuff that's kind of just riffing

1502
01:05:02,590 --> 01:05:01,040
yeah yeah it's riffing very rarely do

1503
01:05:06,910 --> 01:05:02,600
our podcast stay on topic

1504
01:05:07,420 --> 01:05:06,920
yeah no it's very rarely do I ever stay

1505
01:05:09,610 --> 01:05:07,430
on topic

1506
01:05:11,050 --> 01:05:09,620
yeah yeah so when I was getting ready

1507
01:05:13,120 --> 01:05:11,060
for the show one of the things that was

1508
01:05:15,970 --> 01:05:13,130
really important for me you know retail

1509
01:05:18,790 --> 01:05:15,980
clothing my brand who I am as a person

1510
01:05:20,230 --> 01:05:18,800
you know the the spirit within me is so

1511
01:05:22,750 --> 01:05:20,240
important right so I'm getting dressed

1512
01:05:24,190 --> 01:05:22,760
and dressing up isn't my favorite thing

1513
01:05:27,940 --> 01:05:24,200

in the world you know like before I

1514

01:05:30,850 --> 01:05:27,950

leave the house and then I walk up but

1515

01:05:32,050 --> 01:05:30,860

those two hours are the best so I was at

1516

01:05:33,790 --> 01:05:32,060

my parents house excite just moved

1517

01:05:36,280 --> 01:05:33,800

everything in and my whole entire class

1518

01:05:37,570 --> 01:05:36,290

I've taken over their spare bedroom and

1519

01:05:41,080 --> 01:05:37,580

I'm like what do you think of this

1520

01:05:41,740 --> 01:05:41,090

outfit this one cool and then my dad yo

1521

01:05:46,150 --> 01:05:41,750

is

1522

01:05:48,010 --> 01:05:46,160

if he really liked that outfit he was

1523

01:05:49,690 --> 01:05:48,020

like oh yeah that's cool or if he didn't

1524

01:05:50,920 --> 01:05:49,700

like it he wouldn't react you know as he

1525

01:05:52,960 --> 01:05:50,930

does he's real honest

1526

01:05:56,710 --> 01:05:52,970

exactly exactly he's like I'm not gonna

1527

01:05:59,800 --> 01:05:56,720

lie to you but like for me I was like I

1528

01:06:01,750 --> 01:05:59,810

am a guardian of this treasure

1529

01:06:05,470 --> 01:06:01,760

you know pre-columbian cultures get

1530

01:06:06,910 --> 01:06:05,480

mixed up and confused constantly so

1531

01:06:09,730 --> 01:06:06,920

people come over and they're like oh

1532

01:06:15,490 --> 01:06:09,740

this is my end this is a snake it's like

1533

01:06:18,040 --> 01:06:15,500

no it's a Mexican I do have Mexican

1534

01:06:21,700 --> 01:06:18,050

stuff for you you know but like my goal

1535

01:06:24,040 --> 01:06:21,710

really with the brand is to allow people

1536

01:06:27,160 --> 01:06:24,050

to understand that each one of them is

1537

01:06:29,440 --> 01:06:27,170

different right okay but this one piece

1538

01:06:31,450 --> 01:06:29,450

belongs to these people mm-hmm and

1539

01:06:33,460 --> 01:06:31,460

they're not all categorized yeah they're

1540

01:06:35,320 --> 01:06:33,470

mean because some of the TV shows tend

1541

01:06:37,180 --> 01:06:35,330

to do yeah that's important to be able

1542

01:06:39,550 --> 01:06:37,190

to separate the cultures and because

1543

01:06:41,740 --> 01:06:39,560

they're all individual and they all have

1544

01:06:44,530 --> 01:06:41,750

like their different aspects that make

1545

01:06:46,060 --> 01:06:44,540

them then yes you know and when you just

1546

01:06:47,700 --> 01:06:46,070

lump everybody together then it's like

1547

01:06:52,030 --> 01:06:47,710

oh yeah all this stuff is just like

1548

01:06:54,040 --> 01:06:52,040

brown people yeah no no no no no like

1549

01:06:55,540 --> 01:06:54,050

they're different they're all separate

1550

01:06:57,040 --> 01:06:55,550

they've all got their own little things

1551
01:06:58,960 --> 01:06:57,050
you know when you learn about them

1552
01:07:01,900 --> 01:06:58,970
separately it's so much more fascinating

1553
01:07:04,510 --> 01:07:01,910
so much more fruitful so Mota for an

1554
01:07:06,790 --> 01:07:04,520
energetic link in time I am the guardian

1555
01:07:10,060 --> 01:07:06,800
of the treasure uh-huh you know like it

1556
01:07:12,339 --> 01:07:10,070
is pre-columbian gold and my goal is to

1557
01:07:14,589 --> 01:07:12,349
educate and to share the history of my

1558
01:07:15,730 --> 01:07:14,599
people and my culture individually by

1559
01:07:18,550 --> 01:07:15,740
who they are

1560
01:07:20,829 --> 01:07:18,560
oh absolutely absolutely yeah that's

1561
01:07:22,390 --> 01:07:20,839
important I like that that's like my

1562
01:07:24,460 --> 01:07:22,400
favorite part about it it's like we have

1563
01:07:26,650 --> 01:07:24,470

somebody that's that's lived there and

1564

01:07:29,109 --> 01:07:26,660

knows about the history and and can be

1565

01:07:31,300 --> 01:07:29,119

that kind of person to have that voice

1566

01:07:32,950 --> 01:07:31,310

be out there cuz yeah it is confusing a

1567

01:07:34,570 --> 01:07:32,960

lot of people I mean for those listening

1568

01:07:36,940 --> 01:07:34,580

right now I mean that the gold Flyers

1569

01:07:38,530 --> 01:07:36,950

have been featured on a lot of different

1570

01:07:40,680 --> 01:07:38,540

you know documentaries and things but

1571

01:07:42,970 --> 01:07:40,690

really do people actually know the

1572

01:07:45,010 --> 01:07:42,980

specifics on where exactly it comes from

1573

01:07:47,770 --> 01:07:45,020

it it does matter like it matters

1574

01:07:49,150 --> 01:07:47,780

immensely now to me is a thing that

1575

01:07:49,760 --> 01:07:49,160

matters the most

1576

01:07:52,790 --> 01:07:49,770

yeah

1577

01:07:54,860 --> 01:07:52,800

like they come from Columbia right it is

1578

01:07:57,620 --> 01:07:54,870

the kim blood treasure and those were

1579

01:08:00,770 --> 01:07:57,630

the people that created it you know and

1580

01:08:02,810 --> 01:08:00,780

who they were in that time I have no

1581

01:08:05,600 --> 01:08:02,820

[h__h] clue but you sure as hell were

1582

01:08:06,800 --> 01:08:05,610

really badass yeah yeah yeah as I

1583

01:08:09,110 --> 01:08:06,810

million I'd like to think that they

1584

01:08:12,290 --> 01:08:09,120

actually flew those things oh they're

1585

01:08:13,040 --> 01:08:12,300

totally horses they're writers I have no

1586

01:08:15,740 --> 01:08:13,050

doubt about it

1587

01:08:17,930 --> 01:08:15,750

thank you absolutely when I go into

1588

01:08:19,670 --> 01:08:17,940

people I'm like this is your horse what

1589

01:08:22,550 --> 01:08:19,680

this is your dragon that you will write

1590

01:08:24,470 --> 01:08:22,560

on each one of them has a different like

1591

01:08:26,780 --> 01:08:24,480

head a different clown a different

1592

01:08:29,690 --> 01:08:26,790

smiling face and I connect to them

1593

01:08:31,579 --> 01:08:29,700

differently yeah there's the so each one

1594

01:08:33,829 --> 01:08:31,589

of them has a number it bet they start

1595

01:08:39,890 --> 01:08:33,839

on three here we go again yeah so we go

1596

01:08:41,870 --> 01:08:39,900

to three to ten [h__h] whoa so there's the

1597

01:08:44,059 --> 01:08:41,880

three the four the five to six and so on

1598

01:08:48,980 --> 01:08:44,069

so you each you know you have to

1599

01:08:51,620 --> 01:08:48,990

categorize things I don't even know

1600

01:08:55,039 --> 01:08:51,630

which I think it's the fifth or the six

1601

01:08:58,809 --> 01:08:55,049

it has this beautiful clown crown and

1602

01:09:01,870 --> 01:08:58,819

the wings go up like fire oh wow cool

1603

01:09:04,970 --> 01:09:01,880

that's the dragon chariot

1604

01:09:07,700 --> 01:09:04,980

so when you say horses do you meant like

1605

01:09:09,680 --> 01:09:07,710

a conduit of something that you're

1606

01:09:12,230 --> 01:09:09,690

riding on and you're connected to in its

1607

01:09:15,500 --> 01:09:12,240

cycle but it's the earth like horse is a

1608

01:09:16,940 --> 01:09:15,510

wild animal you know it rots and then

1609

01:09:19,640 --> 01:09:16,950

you get on a horse have you ridden

1610

01:09:21,680 --> 01:09:19,650

horses before oh yeah yeah again exactly

1611

01:09:24,590 --> 01:09:21,690

it's the swimming power and connection

1612

01:09:26,870 --> 01:09:24,600

like you really bond with that yeah yeah

1613

01:09:29,329 --> 01:09:26,880

and for me the golden Jets or the hot

1614

01:09:31,730 --> 01:09:29,339

there are writer there you know and and

1615

01:09:33,769 --> 01:09:31,740

I talked about the circle you know it's

1616

01:09:37,550 --> 01:09:33,779

the pool on board tricks of life when

1617

01:09:39,289 --> 01:09:37,560

you get to write your own horse whether

1618

01:09:42,650 --> 01:09:39,299

you know the horse here I understand

1619

01:09:44,630 --> 01:09:42,660

it's like the animal but like it's it's

1620

01:09:46,820 --> 01:09:44,640

something that lies there your horse

1621

01:09:49,099 --> 01:09:46,830

yeah it reminds me a metaphor you're

1622

01:09:50,930 --> 01:09:49,109

riding life yes Ryan through life on

1623

01:09:52,280 --> 01:09:50,940

your own horse with your own golden jet

1624

01:09:54,320 --> 01:09:52,290

and that energy goes with you everywhere

1625

01:09:56,750 --> 01:09:54,330

you go and people see the golden jet

1626

01:09:59,060 --> 01:09:56,760

they're like you're a believer you're a

1627

01:10:01,040 --> 01:09:59,070

knower well are you an ancient aliens

1628

01:10:02,680 --> 01:10:01,050

fan you know people will stop which

1629

01:10:05,020 --> 01:10:02,690

which golden jet am I am I

1630

01:10:07,150 --> 01:10:05,030

the crown oh you see these no you don't

1631

01:10:09,430 --> 01:10:07,160

have the crown you have the mouth this

1632

01:10:14,550 --> 01:10:09,440

mouth is not that big but look at the

1633

01:10:17,350 --> 01:10:14,560

smile on this guy yeah you are a joker

1634

01:10:19,479 --> 01:10:17,360

no it chooses you huh

1635

01:10:21,939 --> 01:10:19,489

and look at those wings the wings are

1636

01:10:25,180 --> 01:10:21,949

like up and poignant it's dainty yeah I

1637

01:10:29,410 --> 01:10:25,190

love that I love that you have the tag

1638

01:10:33,490 --> 01:10:29,420

don't you yes so the 10 is actually a

1639

01:10:37,630 --> 01:10:33,500

very interesting figure here we've made

1640

01:10:40,000 --> 01:10:37,640

two molds at the time the small it the

1641

01:10:42,910 --> 01:10:40,010

first one that came out was much smaller

1642

01:10:46,120 --> 01:10:42,920

into his body and his wings were smaller

1643

01:10:47,830 --> 01:10:46,130

and he was in popular so my dad could go

1644

01:10:49,540 --> 01:10:47,840

home to my dad because we you know we we

1645

01:10:54,280 --> 01:10:49,550

did business at their house all the time

1646

01:11:01,270 --> 01:10:54,290

he's like he's too skinny people say

1647

01:11:03,400 --> 01:11:01,280

that about me the connection he's too

1648

01:11:05,080 --> 01:11:03,410

skinny it doesn't sell that well people

1649

01:11:08,680 --> 01:11:05,090

don't like it if only had a beer belly

1650

01:11:11,800 --> 01:11:08,690

look just like me well no now we changed

1651

01:11:15,189 --> 01:11:11,810

them all to a bigger mold and this is

1652

01:11:18,010 --> 01:11:15,199

the second mold yeah he's much harder

1653

01:11:20,500 --> 01:11:18,020

yeah you know his body in size has grown

1654

01:11:22,479 --> 01:11:20,510

so like the the first one it's really a

1655

01:11:24,640 --> 01:11:22,489

collector's item if you get it because

1656

01:11:27,040 --> 01:11:24,650

they're not gonna be made again wow

1657

01:11:28,900 --> 01:11:27,050

that's cool yeah yeah that's awesome

1658

01:11:31,240 --> 01:11:28,910

cool I didn't even realize we got

1659

01:11:35,439 --> 01:11:31,250

different ones yeah look at them closely

1660

01:11:37,720 --> 01:11:35,449

that's a good look they're so like

1661

01:11:39,459 --> 01:11:37,730

they're so alike they're so similar

1662

01:11:41,770 --> 01:11:39,469

maybe but like I only thought there was

1663

01:11:43,630 --> 01:11:41,780

one you know right you because they

1664

01:11:48,160 --> 01:11:43,640

watch the show and that's all they learn

1665

01:11:50,229 --> 01:11:48,170

that there are so many of them in

1666

01:11:52,390 --> 01:11:50,239

museums all over the world if you go to

1667

01:11:54,250 --> 01:11:52,400

the Metropolitan Museum of Art they have

1668

01:11:56,920 --> 01:11:54,260

a pre-columbian collection and you can

1669

01:11:59,170 --> 01:11:56,930

see them there in the all change in size

1670

01:12:01,540 --> 01:11:59,180

so would it would it George the other

1671

01:12:04,420 --> 01:12:01,550

think george'll loves on he loves up

1672

01:12:06,280 --> 01:12:04,430

Georgia came over and in Baltimore

1673

01:12:08,050 --> 01:12:06,290

that's where really like we've you know

1674

01:12:09,760 --> 01:12:08,060

we run in similar circles so we'd like

1675

01:12:11,890 --> 01:12:09,770

run into each other and like conferences

1676

01:12:14,140 --> 01:12:11,900

and stuff but like Georgia came over in

1677

01:12:15,280 --> 01:12:14,150

Baltimore and he was like I just have to

1678

01:12:17,980 --> 01:12:15,290

tell you guys I love you

1679

01:12:21,850 --> 01:12:17,990

you know and my mom just gets like super

1680

01:12:24,570 --> 01:12:21,860

getting just like kitty there sounds

1681

01:12:27,310 --> 01:12:24,580

like I'm wearing am like okay mom chill

1682

01:12:29,950 --> 01:12:27,320

he's like hey I have this 100 year old

1683

01:12:32,100 --> 01:12:29,960

book I have to show you you know so she

1684

01:12:35,080 --> 01:12:32,110

pulls out her book when she shows her

1685

01:12:38,080 --> 01:12:35,090

where she shows George oh they can buy a

1686

01:12:39,220 --> 01:12:38,090

treasure mm-hmm and he's like are you

1687

01:12:42,670 --> 01:12:39,230

kidding me

1688

01:12:45,160 --> 01:12:42,680

like what is this fall in love with you

1689

01:12:47,260 --> 01:12:45,170

yeah yeah yeah what's up ha ha ha that's

1690

01:12:49,480 --> 01:12:47,270

cool she's also showing her guns cuz

1691

01:12:51,340 --> 01:12:49,490

it's usually what she does best yes and

1692

01:12:53,890 --> 01:12:51,350

she and he's like can I take pictures of

1693

01:12:55,660 --> 01:12:53,900

this you know this is beautiful this is

1694

01:12:59,140 --> 01:12:55,670

an artifact it was made a hundred years

1695

01:12:59,800 --> 01:12:59,150

ago 1929 mm-hmm my mom looked for it for

1696

01:13:03,310 --> 01:12:59,810

five years

1697

01:13:05,890 --> 01:13:03,320

oh wow so she's researched pre-columbian

1698

01:13:08,380 --> 01:13:05,900

cultures inside and out like wait like I

1699

01:13:12,310 --> 01:13:08,390

have two big shout out to my mom yeah

1700

01:13:14,650 --> 01:13:12,320

because without her like I wouldn't be

1701

01:13:16,690 --> 01:13:14,660

here with you guys you know not only

1702

01:13:19,120 --> 01:13:16,700

because she gave birth to me but because

1703

01:13:21,490 --> 01:13:19,130

she has a drive and a goal and an

1704

01:13:23,230 --> 01:13:21,500

immense pleasure and being like I'm

1705

01:13:24,940 --> 01:13:23,240

gonna find out everything about this

1706

01:13:27,580 --> 01:13:24,950

yeah I mean pass that knowledge and

1707

01:13:30,400 --> 01:13:27,590

information down to you guys yes and

1708

01:13:32,650 --> 01:13:30,410

share and she she she was in the in my

1709

01:13:35,380 --> 01:13:32,660

goal I think coming in now is like I'm

1710

01:13:36,940 --> 01:13:35,390

gonna share this it's time that we start

1711

01:13:39,700 --> 01:13:36,950

spreading the word oh yeah absolutely

1712

01:13:42,370 --> 01:13:39,710

she's just collecting all this data like

1713

01:13:46,000 --> 01:13:42,380

my mom would be the best consultant

1714

01:13:46,960 --> 01:13:46,010

you've ever had in your life really you

1715

01:13:49,060 --> 01:13:46,970

need help with something

1716

01:13:51,100 --> 01:13:49,070

my parents probably have the answer for

1717

01:13:52,540 --> 01:13:51,110

it if not they'll spend a week finding

1718

01:13:53,230 --> 01:13:52,550

the answer for you and send it to you oh

1719

01:13:55,780 --> 01:13:53,240

wow

1720

01:13:56,740 --> 01:13:55,790

there are amazing parents no and then

1721

01:13:59,170 --> 01:13:56,750

when I was trying to do math homework

1722

01:14:01,360 --> 01:13:59,180

yeah yeah well not like that because

1723

01:14:04,240 --> 01:14:01,370

we're not been around like no they are

1724

01:14:05,710 --> 01:14:04,250

yeah you know so if you guys ever like

1725

01:14:07,810 --> 01:14:05,720

come to me and you're like hey Mary I'm

1726

01:14:10,150 --> 01:14:07,820

having an issue with a trademark like

1727

01:14:12,370 --> 01:14:10,160

cool let's like consult with mom and dad

1728

01:14:14,290 --> 01:14:12,380

because they may have already dealt with

1729

01:14:17,080 --> 01:14:14,300

us or they will spend the time to

1730

01:14:18,790 --> 01:14:17,090

actually find out get the answers yeah

1731

01:14:20,860 --> 01:14:18,800

and that's why I have behind me my

1732

01:14:23,770 --> 01:14:20,870

mother and my father like it's all just

1733

01:14:25,870 --> 01:14:23,780

love each other they connect yeah you

1734

01:14:27,360 --> 01:14:25,880

know and they work together every single

1735

01:14:29,040 --> 01:14:27,370

day and then I get to call my mom

1736

01:14:30,210 --> 01:14:29,050

everyday and be like mom what's up you

1737

01:14:33,150 --> 01:14:30,220

know sometimes she'll call me she

1738

01:14:35,990 --> 01:14:33,160

wouldn't even say hi to me she's like

1739

01:14:44,280 --> 01:14:36,000

hey mom how are you

1740

01:14:47,130 --> 01:14:44,290

did you sleep yeah baby I love you so

1741

01:14:50,310 --> 01:14:47,140

much okay anyway we got to a B and C

1742

01:14:52,140 --> 01:14:50,320

it's hilarious yeah this beautiful life

1743

01:14:54,390 --> 01:14:52,150

and now I get to choose to be with her

1744

01:14:57,150 --> 01:14:54,400

for the rest of the time that she is

1745

01:14:59,370 --> 01:14:57,160

with me ya know that's the reason I'm

1746

01:15:00,870 --> 01:14:59,380

really doing this that's super cool one

1747

01:15:02,640 --> 01:15:00,880

there was one day we're sitting in my

1748

01:15:05,370 --> 01:15:02,650

sister's kitchen my mom says well you

1749

01:15:08,700 --> 01:15:05,380

know in 20 years we won't be here and I

1750

01:15:11,130 --> 01:15:08,710

died inside my heart just broke and I

1751

01:15:12,840 --> 01:15:11,140

was like [h__h] that I'm spending the next

1752

01:15:15,450 --> 01:15:12,850

20 years with you mm-hmm

1753

01:15:17,910 --> 01:15:15,460

done yeah absolutely the next day I quit

1754

01:15:19,830 --> 01:15:17,920

my job Wow that's pretty awesome

1755

01:15:22,710 --> 01:15:19,840

that's pretty awesome dude yeah that

1756

01:15:24,720 --> 01:15:22,720

takes I mean just stepping out and doing

1757

01:15:26,100 --> 01:15:24,730

something that you're I mean really

1758

01:15:28,020 --> 01:15:26,110

don't know where it's gonna go and then

1759

01:15:30,210 --> 01:15:28,030

but but having the trust that you're

1760

01:15:31,200 --> 01:15:30,220

your mom is you know such a badass

1761

01:15:33,300 --> 01:15:31,210

knowing that it's probably gonna work

1762

01:15:35,100 --> 01:15:33,310

out and then it actually does work out

1763

01:15:36,510 --> 01:15:35,110

this that's a pretty cool pretty cool

1764

01:15:38,340 --> 01:15:36,520

story and I've thought about the pros

1765

01:15:39,570 --> 01:15:38,350

and cons you know cuz you have to and my

1766

01:15:42,390 --> 01:15:39,580

mom she's like you need to be pragmatic

1767

01:15:45,120 --> 01:15:42,400

new to thing about this and my parents

1768

01:15:46,950 --> 01:15:45,130

when people get older they have to spend

1769

01:15:49,440 --> 01:15:46,960

a [h__h] ton of money on somebody caring

1770

01:15:50,850 --> 01:15:49,450

for them hey guess what you can spend

1771

01:15:52,620 --> 01:15:50,860

the money on me and I will take her the

1772

01:15:55,230 --> 01:15:52,630

[h__h] up you and I will have a great time

1773

01:15:56,790 --> 01:15:55,240

being around you right so I was like

1774

01:15:59,400 --> 01:15:56,800

nobody's gonna take care of you I am

1775

01:16:03,870 --> 01:15:59,410

your daughter mm-hmm I am the person

1776

01:16:05,340 --> 01:16:03,880

that is here for you yeah that's that's

1777

01:16:07,340 --> 01:16:05,350

an awesome thing to have because a lot

1778

01:16:10,080 --> 01:16:07,350

of people nowadays you know it's like

1779

01:16:11,820 --> 01:16:10,090

hold my parents in my house you know

1780

01:16:14,550 --> 01:16:11,830

that whole thing but like yeah that's

1781

01:16:16,860 --> 01:16:14,560

extremely special you know it's not easy

1782

01:16:18,480 --> 01:16:16,870

like I've had to have conversations with

1783

01:16:20,610 --> 01:16:18,490

them where I'm like dad this is the

1784

01:16:22,230 --> 01:16:20,620

boundary mm-hmm you know like you're not

1785

01:16:24,230 --> 01:16:22,240

listening to what I'm saying

1786

01:16:27,810 --> 01:16:24,240

music well this weekend it's like no

1787

01:16:31,170 --> 01:16:27,820

that's what you heard mm-hmm but let me

1788

01:16:32,819 --> 01:16:31,180

tell you again what I actually feel so

1789

01:16:35,250 --> 01:16:32,829

you understand

1790

01:16:37,049 --> 01:16:35,260

in like we've had all these

1791

01:16:38,819 --> 01:16:37,059

conversations you know in the past month

1792

01:16:40,770 --> 01:16:38,829

and staffing it's like we're all getting

1793

01:16:42,419 --> 01:16:40,780

along you know it's not easy like you

1794

01:16:49,080 --> 01:16:42,429

still funny and you get so like I'm

1795

01:16:51,450 --> 01:16:49,090

still a brat your mom says something you

1796

01:16:55,140 --> 01:16:51,460

like don't look at me how dare you talk

1797

01:16:56,760 --> 01:16:55,150

to me right now like and I apologetic I

1798

01:16:58,589 --> 01:16:56,770

was like hey I'm sorry like I know that

1799

01:17:00,359 --> 01:16:58,599

I was meeting mm-hmm and like knowing

1800

01:17:02,430 --> 01:17:00,369

understanding your relationships with

1801

01:17:04,530 --> 01:17:02,440

them and your boundaries like I'm

1802

01:17:06,330 --> 01:17:04,540

learning so much about life right now

1803

01:17:07,830 --> 01:17:06,340

right it's so beautiful

1804

01:17:09,839 --> 01:17:07,840

but there's no one else I would rather

1805

01:17:14,100 --> 01:17:09,849

have on my side but those two people

1806

01:17:16,109 --> 01:17:14,110

oh absolutely most or I balázs that

1807

01:17:18,330 --> 01:17:16,119

relationship that's cool that's awesome

1808

01:17:29,910 --> 01:17:18,340

that's cool oh cool yeah that sound

1809

01:17:32,339 --> 01:17:29,920

that's Marilyn you guys it's 131 yes I

1810

01:17:34,379 --> 01:17:32,349

mean do we have a 20-6 826 so the eight

1811

01:17:37,919 --> 01:17:34,389

is my birthday month and the 26 at the

1812

01:17:45,390 --> 01:17:37,929

13 duplicated oh damn eight 826 is

1813

01:17:51,870 --> 01:17:45,400

usually when I get ready for bed [\h__\h]

1814

01:17:54,750 --> 01:17:51,880

it's already almost 8:30 so yeah no

1815

01:17:57,510 --> 01:17:54,760

that's awesome yeah that's cool that you

1816

01:18:00,180 --> 01:17:57,520

that you you're able to be able to have

1817

01:18:02,010 --> 01:18:00,190

this company and have the people around

1818

01:18:04,890 --> 01:18:02,020

you that you love at the same time and

1819

01:18:06,959 --> 01:18:04,900

do something that you're extremely

1820

01:18:09,209 --> 01:18:06,969

interested in and are like passionate

1821

01:18:11,939 --> 01:18:09,219

about preserving that culture and that

1822

01:18:14,040 --> 01:18:11,949

information and wanting to you know

1823

01:18:17,129 --> 01:18:14,050

being able to do that just surrounded by

1824

01:18:19,140 --> 01:18:17,139

your family that's awesome that's really

1825

01:18:23,160 --> 01:18:19,150

awesome yeah thank you yeah definitely

1826

01:18:23,939 --> 01:18:23,170

and like I honestly don't know how to be

1827

01:18:27,569 --> 01:18:23,949

more thankful

1828

01:18:29,819 --> 01:18:27,579

like I'm humbled by this experience like

1829

01:18:33,030 --> 01:18:29,829

ll like I'm like I could soup you're not

1830

01:18:36,510 --> 01:18:33,040

podcast [h__h] yes I wanna be famous and

1831

01:18:38,970 --> 01:18:36,520

we're on the way I'm also like this is

1832

01:18:41,220 --> 01:18:38,980

so cool this is the first time that

1833

01:18:41,859 --> 01:18:41,230

someone's ever asked me to do something

1834

01:18:44,979 --> 01:18:41,869

like this

1835

01:18:47,619 --> 01:18:44,989

yeah you know and I'm like yes yeah

1836

01:18:48,639 --> 01:18:47,629

absolutely I want to be on it and it's

1837

01:18:52,469 --> 01:18:48,649

been so much fun

1838

01:18:55,149 --> 01:18:52,479

I've had so much fun I'm glad I liked it

1839

01:18:58,060 --> 01:18:55,159

you've been a great spokesperson for

1840

01:18:59,739 --> 01:18:58,070

your brand it's it's it's good and it

1841

01:19:03,729 --> 01:18:59,749

just takes more people out there who

1842

01:19:06,939 --> 01:19:03,739

want to want to listen instead of tell

1843

01:19:08,319 --> 01:19:06,949

you everything like it's there needs to

1844

01:19:10,209 --> 01:19:08,329

be more people out there that want to

1845

01:19:12,339 --> 01:19:10,219

listen and want to absorb the

1846

01:19:13,629 --> 01:19:12,349

information and share that with other

1847

01:19:14,799 --> 01:19:13,639

people I think that some people that are

1848

01:19:15,279 --> 01:19:14,809

listening right now thank you for

1849

01:19:18,279 --> 01:19:15,289

listening

1850

01:19:19,839 --> 01:19:18,289

I mean you know it's you know they

1851

01:19:21,330 --> 01:19:19,849

listen to this show because they know

1852

01:19:23,560 --> 01:19:21,340

that they're gonna hear something like

1853

01:19:24,759 --> 01:19:23,570

everything you just said yeah you know

1854

01:19:26,859 --> 01:19:24,769

and it's something that they've never

1855

01:19:29,020 --> 01:19:26,869

heard before right you know what they've

1856

01:19:31,689 --> 01:19:29,030

probably seen this and they don't know

1857

01:19:33,580 --> 01:19:31,699

as much they didn't really know how deep

1858

01:19:35,379 --> 01:19:33,590

it goes and like the people behind it

1859

01:19:36,939 --> 01:19:35,389

like this is real cool stuff to learn

1860

01:19:39,459 --> 01:19:36,949

about like if I were to listen to this

1861

01:19:43,179 --> 01:19:39,469

podcast be like you know we're going on

1862

01:19:45,459 --> 01:19:43,189

like like 200 listens average a day now

1863

01:19:48,580 --> 01:19:45,469

so it's like now you're gonna have 200

1864

01:19:50,290 --> 01:19:48,590

people who just are like pre-colombian

1865

01:19:51,609 --> 01:19:50,300

what yeah and they're gonna Google that

1866

01:19:53,619 --> 01:19:51,619

and they're gonna get into it and

1867

01:19:56,229 --> 01:19:53,629

they're you know and that even though

1868

01:19:59,859 --> 01:19:56,239

that this will stay you know it's gonna

1869

01:20:02,409 --> 01:19:59,869

stay in this archive forever now and so

1870

01:20:03,189 --> 01:20:02,419

it's gonna say my archive - yeah

1871

01:20:04,989 --> 01:20:03,199

absolutely

1872

01:20:08,080 --> 01:20:04,999

it's gonna be you know it's gonna be

1873

01:20:09,669 --> 01:20:08,090

here for everyone so so you know more

1874

01:20:11,500 --> 01:20:09,679

and more people will hear that more and

1875

01:20:12,580 --> 01:20:11,510

more people will listen to it you know

1876

01:20:14,080 --> 01:20:12,590

because this is a lot different than

1877

01:20:15,909 --> 01:20:14,090

having to read through a

1878

01:20:17,560 --> 01:20:15,919

hundred-year-old book yeah you know what

1879

01:20:19,209 --> 01:20:17,570

I'm saying or something like that well

1880

01:20:20,770 --> 01:20:19,219

our age you know in this day and age

1881

01:20:22,479 --> 01:20:20,780

they're not gonna take the time to read

1882

01:20:24,069 --> 01:20:22,489

through a book so it's nice to do it

1883

01:20:26,199 --> 01:20:24,079

book isn't a language you don't even

1884

01:20:27,699 --> 01:20:26,209

understand right right so this is

1885

01:20:29,979 --> 01:20:27,709

something that you know it's easy for

1886

01:20:31,359 --> 01:20:29,989

people to grasp and then they can check

1887

01:20:34,569 --> 01:20:31,369

it out with themselves and it's

1888

01:20:38,709 --> 01:20:34,579

enjoyable definitely is easy but it's

1889

01:20:42,310 --> 01:20:38,719

fun yeah yeah definitely life should be

1890

01:20:44,619 --> 01:20:42,320

fun absolutely absolutely I agree well

1891

01:20:46,479 --> 01:20:44,629

you want to tell everybody uh you where

1892

01:20:48,489 --> 01:20:46,489

they can find your jewelry you're the

1893

01:20:49,600 --> 01:20:48,499

company again and just how people can

1894

01:20:53,630 --> 01:20:49,610

reach out to you if they want to reach

1895

01:20:56,360 --> 01:20:53,640

out to you yeah so you can find me

1896

01:21:00,860 --> 01:20:56,370

line across a puddle calm that's our

1897

01:21:04,130 --> 01:21:00,870

website I am on Instagram in facebook

1898

01:21:06,650 --> 01:21:04,140

and twitter under ancient aliens 13 for

1899

01:21:09,290 --> 01:21:06,660

the golden jet collection especially and

1900

01:21:10,700 --> 01:21:09,300

then across the puddle right now we're

1901

01:21:12,920 --> 01:21:10,710

shifting and I think I'm gonna turn

1902

01:21:14,960 --> 01:21:12,930

anymore into a travel blog of the

1903

01:21:17,330 --> 01:21:14,970

stories and where I end up going but

1904

01:21:19,250 --> 01:21:17,340

across a puddle is another Instagram

1905

01:21:21,230 --> 01:21:19,260

that you can also find me if you really

1906

01:21:22,610 --> 01:21:21,240

want to follow me personally then you

1907

01:21:23,270 --> 01:21:22,620

know we can talk about that of a later

1908

01:21:25,760 --> 01:21:23,280

time

1909

01:21:30,610 --> 01:21:25,770

awesome awesome that sounds good that

1910

01:21:35,710 --> 01:21:30,620

sounds good yeah already man what 15

1911

01:21:38,390 --> 01:21:35,720

teen in the book or 16 so yeah number 16

1912

01:21:45,170 --> 01:21:38,400

we've done so many of these we can't

1913

01:21:47,870 --> 01:21:45,180

even keep track so many of these but

1914

01:21:52,730 --> 01:21:47,880

yeah guys yeah don't forget to check us

1915

01:21:54,140 --> 01:21:52,740

out UFO garage PC dot-com and also if

1916

01:21:55,940 --> 01:21:54,150

y'all checking out some of the pictures

1917

01:21:58,670 --> 01:21:55,950

and stuff of the Congress you already

1918

01:22:01,550 --> 01:21:58,680

know I'm rocking that abduction 51 gear

1919

01:22:03,410 --> 01:22:01,560

right and people been into it here at

1920

01:22:06,590 --> 01:22:03,420

the conference so so you guys can check

1921

01:22:09,380 --> 01:22:06,600

them out at abduction 51 comm check out

1922

01:22:11,390 --> 01:22:09,390

their stuff and also go to our you know

1923

01:22:14,060 --> 01:22:11,400

our page and find the most recent

1924

01:22:15,560 --> 01:22:14,070

podcast find our merchandise and if

1925

01:22:17,390 --> 01:22:15,570

you're listening on YouTube make sure

1926

01:22:19,280 --> 01:22:17,400

you hit that subscribe button man yeah

1927

01:22:21,290 --> 01:22:19,290

that's how more people are gonna find

1928

01:22:23,030 --> 01:22:21,300

out so if you're into it hit the

1929

01:22:25,040 --> 01:22:23,040

subscribe button so other people can be

1930

01:22:26,990 --> 01:22:25,050

into it as well really helps us out it

1931

01:22:28,610 --> 01:22:27,000

really helps us out a lot alright

1932

01:22:29,240 --> 01:22:28,620

alright brother well I think that's

1933

01:22:33,160 --> 01:22:29,250

about it

1934

01:22:35,600 --> 01:22:33,170

yeah yeah alright no problem

1935

01:22:37,820 --> 01:22:35,610

awesome well we will talk to y'all later
