00:00:13,039 --> 00:00:10,170

I'm Ben I'm Joe this is where we talk

4  
00:00:14,390 --> 00:00:13,049

about UFOs aliens and all things weird

5  
00:00:18,140 --> 00:00:14,400

all things weird

6  
00:00:23,390 --> 00:00:18,150

Bay Bay yeah what's up dude welcome back

7  
00:00:26,210 --> 00:00:23,400

to Texas yes home base man made it boo I

8  
00:00:27,320 --> 00:00:26,220

gotta say man what a what an intense

9  
00:00:33,799 --> 00:00:27,330

week

10  
00:00:38,209 --> 00:00:33,809

that was so much fun so awesome that so

11  
00:00:40,250 --> 00:00:38,219

many badass people at UFO Congress a lot

12  
00:00:43,459 --> 00:00:40,260

of cool people man a lot a lot of cool

13  
00:00:45,590 --> 00:00:43,469

people got to climb cathedral rock and

14

00:00:49,910 --> 00:00:45,600

sedona got this got to see the milky way

15

00:00:51,319 --> 00:00:49,920

dude and a couple possible UFOs yeah I

16

00:00:53,299 --> 00:00:51,329

was telling somebody about that at work

17

00:00:57,619 --> 00:00:53,309

yesterday in there they're like what

18

00:00:59,660 --> 00:00:57,629

yeah you should have led with that it's

19

00:01:01,639 --> 00:00:59,670

like you just like I would shove that in

20

00:01:04,609 --> 00:01:01,649

the middle yeah conversation I did yeah

21

00:01:05,950 --> 00:01:04,619

told my the person that works in my

22

00:01:08,359 --> 00:01:05,960

office

23

00:01:11,690 --> 00:01:08,369

it's like couple feet away she was

24

00:01:13,280 --> 00:01:11,700

asking me about the trip and and then

25

00:01:14,899 --> 00:01:13,290

another co-worker came in and then

26

00:01:17,899 --> 00:01:14,909

that's when I told him told him about

27

00:01:20,030 --> 00:01:17,909

the UFOs she was like wait didn't you

28

00:01:21,410 --> 00:01:20,040

told me that first that's awesome

29

00:01:23,390 --> 00:01:21,420

I don't know if you can leave with that

30

00:01:25,550 --> 00:01:23,400

dude you know you gotta gotta kind of

31

00:01:26,749 --> 00:01:25,560

warm some people up right now you gotta

32

00:01:30,260 --> 00:01:26,759

warm some people up and they'd be like

33

00:01:33,140 --> 00:01:30,270

oh yeah by the way I saw we saw some

34

00:01:33,859 --> 00:01:33,150

possible UFOs yeah yeah definitely

35

00:01:36,109 --> 00:01:33,869

definitely

36

00:01:38,920 --> 00:01:36,119

yeah well I had mentioned that as well

37

00:01:42,080 --> 00:01:38,930

and and it was like kind of blank stares

38

00:01:45,770 --> 00:01:42,090

the office for a second uh-huh really

39

00:01:48,080 --> 00:01:45,780

when I mentioned the UFOs yeah yeah oh

40

00:01:50,780 --> 00:01:48,090

yeah like I got a blank stare from

41

00:01:52,550 --> 00:01:50,790

somebody to a separate person that

42

00:01:54,889 --> 00:01:52,560

walked in it was like they had to like

43

00:01:58,459 --> 00:01:54,899

let it register in their mind for a

44

00:01:59,539 --> 00:01:58,469

second yeah like crazy because and

45

00:02:00,980 --> 00:01:59,549

believe me dude

46

00:02:04,240 --> 00:02:00,990

I mean yeah it's crazy because that's

47

00:02:06,649 --> 00:02:04,250

specifically what we went to go do ya

48

00:02:08,690 --> 00:02:06,659

know all of a sudden you know but you

49

00:02:10,850 --> 00:02:08,700

know what I think though I think that

50

00:02:13,260 --> 00:02:10,860

had a lot to do which is paying

51  
00:02:16,920 --> 00:02:13,270  
attention dude I know yeah

52  
00:02:20,100 --> 00:02:16,930  
solutely hanging attention and just like

53  
00:02:22,650 --> 00:02:20,110  
looking is lot without looking away from

54  
00:02:25,260 --> 00:02:22,660  
the sky for a really long time I've been

55  
00:02:27,750 --> 00:02:25,270  
an hour yeah I mean we set my neck still

56  
00:02:29,460 --> 00:02:27,760  
hurts from looking up we're always so we

57  
00:02:32,910 --> 00:02:29,470  
were walking up and we saw that that

58  
00:02:34,890 --> 00:02:32,920  
centipede oh yeah we're all terrified to

59  
00:02:37,850 --> 00:02:34,900  
sit down so me and Joe are just standing

60  
00:02:43,230 --> 00:02:39,810  
backwards looking up at this guy

61  
00:02:44,790 --> 00:02:43,240  
90-degree angles yeah yeah dude it was

62  
00:02:48,150 --> 00:02:44,800  
pretty nuts did you try to do it when

63  
00:02:50,790 --> 00:02:48,160

you got home and look up at the sky ah

64

00:02:52,260 --> 00:02:50,800

no no I haven't done it yet I didn't you

65

00:02:55,200 --> 00:02:52,270

just cuz I didn't want him to know where

66

00:02:58,800 --> 00:02:55,210

I live after some of the [h\_\_h] we heard

67

00:03:00,720 --> 00:02:58,810

this weekend I was like yo I'm only

68

00:03:03,450 --> 00:03:00,730

gonna do that at like friends houses

69

00:03:05,490 --> 00:03:03,460

right like in the PAR it's probably

70

00:03:08,910 --> 00:03:05,500

smart maybe it's somebody else's house

71

00:03:10,890 --> 00:03:08,920

cuz I mean if you're like I don't want

72

00:03:13,080 --> 00:03:10,900

it to be an open invitation like hey

73

00:03:14,940 --> 00:03:13,090

this is a there I sleep at night yeah

74

00:03:18,300 --> 00:03:14,950

it'd be pretty smart this is where I'm

75

00:03:22,110 --> 00:03:18,310

trying to sleep at least yeah dude yeah

76  
00:03:24,630 --> 00:03:22,120  
some crazy stuff dude yeah it got pretty

77  
00:03:26,610 --> 00:03:24,640  
deep yeah it got pretty deep yeah like

78  
00:03:29,250 --> 00:03:26,620  
we were talking about earlier I think

79  
00:03:31,530 --> 00:03:29,260  
when we started this podcast I was I

80  
00:03:33,540 --> 00:03:31,540  
kind of feel like we were barely

81  
00:03:34,890 --> 00:03:33,550  
scratching the surface of this topic

82  
00:03:36,900 --> 00:03:34,900  
even though we've been interested in it

83  
00:03:40,100 --> 00:03:36,910  
for so long right uh-huh

84  
00:03:43,949 --> 00:03:40,110  
you know like we're kind of just

85  
00:03:48,060 --> 00:03:43,959  
floating around the outside of this this

86  
00:03:49,740 --> 00:03:48,070  
whole community and the topic in general

87  
00:03:51,690 --> 00:03:49,750  
and the politics you were saying the

88  
00:03:53,430 --> 00:03:51,700

politics that go into it yeah and now

89

00:03:56,430 --> 00:03:53,440

after going to this conference and

90

00:03:59,250 --> 00:03:56,440

meeting actual you know researchers and

91

00:04:01,320 --> 00:03:59,260

abductors and people that have been

92

00:04:03,990 --> 00:04:01,330

going to these conferences for years

93

00:04:08,280 --> 00:04:04,000

like thirty years yeah it's just I'm

94

00:04:10,979 --> 00:04:08,290

really overwhelmed by it yeah definitely

95

00:04:14,430 --> 00:04:10,989

you know I I think it's kind of been

96

00:04:17,280 --> 00:04:14,440

like a kind of a crazy man subject for

97

00:04:20,550 --> 00:04:17,290

so long that these people have been in

98

00:04:24,450 --> 00:04:20,560

the in the field for so long yeah have

99

00:04:26,640 --> 00:04:24,460

had to make this like a like this is

100

00:04:30,240 --> 00:04:26,650

serious right and it

101  
00:04:33,420 --> 00:04:30,250  
it absolutely is yeah a serious thing

102  
00:04:38,159 --> 00:04:33,430  
sure you know what I'm saying you know I

103  
00:04:42,300 --> 00:04:38,169  
think like with us you know now it's

104  
00:04:44,400 --> 00:04:42,310  
kind of like yeah it is an extremely

105  
00:04:47,070 --> 00:04:44,410  
serious thing right but you had to fight

106  
00:04:48,930 --> 00:04:47,080  
so hard get people to believe these

107  
00:04:51,540 --> 00:04:48,940  
things yeah and now we're kind of

108  
00:04:53,219 --> 00:04:51,550  
getting to this time to where it's not

109  
00:04:54,689 --> 00:04:53,229  
so hard to believe anymore

110  
00:04:57,360 --> 00:04:54,699  
yeah you know what I'm saying and so to

111  
00:04:59,070 --> 00:04:57,370  
us on the outside looking in we're like

112  
00:05:01,860 --> 00:04:59,080  
well yeah of course we believe in UFOs

113  
00:05:04,350 --> 00:05:01,870

doesn't everybody yes I don't like it

114

00:05:06,330 --> 00:05:04,360

well yeah it is a new generation it's

115

00:05:09,000 --> 00:05:06,340

like kids that grew up with cell phones

116

00:05:11,279 --> 00:05:09,010

or you know the internet and stuff it's

117

00:05:14,100 --> 00:05:11,289

just a totally different reality like we

118

00:05:15,960 --> 00:05:14,110

have it a little easier than you know

119

00:05:17,909 --> 00:05:15,970

previous previous people that were into

120

00:05:20,400 --> 00:05:17,919

this subject like you were you were

121

00:05:23,159 --> 00:05:20,410

saying just before the podcast like yeah

122

00:05:26,520 --> 00:05:23,169

it's now now that it's on this topics on

123

00:05:28,620 --> 00:05:26,530

national news it's like just a regular

124

00:05:29,040 --> 00:05:28,630

thing for us like yeah that was really

125

00:05:31,560 --> 00:05:29,050

cool

126

00:05:33,839 --> 00:05:31,570

but it wasn't as big a deal to us as it

127

00:05:36,150 --> 00:05:33,849

was probably to these people have been

128

00:05:39,870 --> 00:05:36,160

into this for 30 years right right and

129

00:05:42,330 --> 00:05:39,880

it took forever for that to happen you

130

00:05:44,670 --> 00:05:42,340

know and and like you said yeah it was

131

00:05:46,230 --> 00:05:44,680

probably like a huge deal yeah and like

132

00:05:47,850 --> 00:05:46,240

I mean it was it was a big deal of me

133

00:05:51,029 --> 00:05:47,860

when I started seeing all this stuff

134

00:05:54,689 --> 00:05:51,039

like on the news he's like oh [h\_\_h] like

135

00:05:56,969 --> 00:05:54,699

here we go like they're starting to you

136

00:05:59,760 --> 00:05:56,979

know acknowledge this this isn't just

137

00:06:02,790 --> 00:05:59,770

some like goofy conspiracy theory thing

138

00:06:04,379 --> 00:06:02,800

anymore and you know I mean we've dealt

139

00:06:07,620 --> 00:06:04,389

with it too or people were like oh yeah

140

00:06:09,420 --> 00:06:07,630

the conspiracy right well yeah um yeah

141

00:06:11,969 --> 00:06:09,430

it always goes hand in hand

142

00:06:14,279 --> 00:06:11,979

ah ha the conspiracy well because it is

143

00:06:16,500 --> 00:06:14,289

it's I mean what is a conspiracy it's a

144

00:06:19,950 --> 00:06:16,510

group of people that accomplish a goal

145

00:06:22,469 --> 00:06:19,960

that is like like by conspiring together

146

00:06:24,360 --> 00:06:22,479

you know that's I mean it is yes I mean

147

00:06:26,730 --> 00:06:24,370

I get it but there's such negative

148

00:06:29,370 --> 00:06:26,740

connotations to that word uh-huh uh-huh

149

00:06:31,350 --> 00:06:29,380

that's a loaded but yeah yeah now I

150

00:06:35,459 --> 00:06:31,360

think I think it's people are a little

151

00:06:37,469 --> 00:06:35,469

more accepting of it and it kind of

152

00:06:40,500 --> 00:06:37,479

allows I guess a little bit of wiggle

153

00:06:43,860 --> 00:06:40,510

room but definitely not to take away for

154

00:06:46,220 --> 00:06:43,870

the the seriousness of the subject yeah

155

00:06:48,750 --> 00:06:46,230

you know you know what I'm saying

156

00:06:51,090 --> 00:06:48,760

it was it was insane we learned a lot of

157

00:06:52,890 --> 00:06:51,100

things lots of stuff yeah yeah we're not

158

00:06:55,050 --> 00:06:52,900

gonna we're not gonna name any names or

159

00:06:56,550 --> 00:06:55,060

anything you know just yet

160

00:06:57,960 --> 00:06:56,560

yeah we want to have those people on the

161

00:06:59,790 --> 00:06:57,970

podcast to tell their own stories

162

00:07:03,750 --> 00:06:59,800

exactly I mean I think it's fine for us

163

00:07:06,120 --> 00:07:03,760

to I mean our our recipe for this show

164

00:07:09,510 --> 00:07:06,130

is that we talk about historical events

165

00:07:11,220 --> 00:07:09,520

and you know abduction cases and you

166

00:07:13,590 --> 00:07:11,230

know everything we comment on those

167

00:07:15,990 --> 00:07:13,600

stories but I'd rather have those people

168

00:07:18,510 --> 00:07:16,000

come on and tell their own ya story

169

00:07:20,490 --> 00:07:18,520

their specific stories yeah and then I

170

00:07:22,710 --> 00:07:20,500

mean what will [h\_\_h] we'll crack

171

00:07:24,270 --> 00:07:22,720

jokes and we'll talk back and forth and

172

00:07:25,680 --> 00:07:24,280

ask them questions you know it's not

173

00:07:27,990 --> 00:07:25,690

never gonna be like a formal interview

174

00:07:29,940 --> 00:07:28,000

but I think it's really exciting man I

175

00:07:31,200 --> 00:07:29,950

know we're both excited to have some of

176

00:07:34,020 --> 00:07:31,210

these people that we met on the podcast

177

00:07:35,970 --> 00:07:34,030

in this and they're they're really stuck

178

00:07:37,650 --> 00:07:35,980

to be on it too so yeah next couple

179

00:07:41,730 --> 00:07:37,660

weeks we're gonna have some guests that

180

00:07:44,580 --> 00:07:41,740

are gonna blow your freaking mind dude

181

00:07:47,340 --> 00:07:44,590

yeah y'all get ready you know some of

182

00:07:51,420 --> 00:07:47,350

those guys you know we may not be as

183

00:07:54,660 --> 00:07:51,430

goofy as we typically may be normally

184

00:07:57,780 --> 00:07:54,670

would be yeah but oh my god their

185

00:07:59,580 --> 00:07:57,790

stories don't warrant any of our goofy

186

00:08:02,310 --> 00:07:59,590

baths yeah those no times those episodes

187

00:08:03,810 --> 00:08:02,320

might be more like yeah we're not

188

00:08:06,120 --> 00:08:03,820

they're not sitting here making fart

189

00:08:07,050 --> 00:08:06,130

jokes yeah their stories are gonna blow

190

00:08:09,330 --> 00:08:07,060

your mind

191

00:08:11,220 --> 00:08:09,340

yeah and then some of them are you won't

192

00:08:14,010 --> 00:08:11,230

even miss it yeah one in particular is

193

00:08:17,310 --> 00:08:14,020

just really disturbing like it's very

194

00:08:19,800 --> 00:08:17,320

serious and whoo man yeah but yeah y'all

195

00:08:21,480 --> 00:08:19,810

get ready yet they won't they won't be

196

00:08:24,120 --> 00:08:21,490

cutting up but it'll be definitely

197

00:08:26,430 --> 00:08:24,130

informative absolutely absolutely and

198

00:08:31,470 --> 00:08:26,440

something that we were talking about

199

00:08:37,740 --> 00:08:31,480

earlier too is that I forgot what I was

200

00:08:39,600 --> 00:08:37,750

gonna say as we were talking about these

201  
00:08:41,820 --> 00:08:39,610  
abductees and these people that are oh

202  
00:08:44,520 --> 00:08:41,830  
yeah that are in this field and in this

203  
00:08:46,560 --> 00:08:44,530  
community are like very not well-known

204  
00:08:48,180 --> 00:08:46,570  
and there's like this division there

205  
00:08:50,880 --> 00:08:48,190  
there's people that everybody knows

206  
00:08:52,290 --> 00:08:50,890  
about and outside of the community like

207  
00:08:56,280 --> 00:08:52,300  
Steven Greer and

208  
00:08:58,560 --> 00:08:56,290  
David Wilcock and you know I'm kind of

209  
00:09:00,270 --> 00:08:58,570  
blanking on yeah we know it in all these

210  
00:09:02,340 --> 00:09:00,280  
people yeah yes so we're now we're

211  
00:09:04,980 --> 00:09:02,350  
finding out there's these stories that

212  
00:09:06,660 --> 00:09:04,990  
we kind of have been leaning on like

213  
00:09:09,510 --> 00:09:06,670

Corey good story that we're now figuring

214

00:09:10,920 --> 00:09:09,520

out is just total like there's a big

215

00:09:13,080 --> 00:09:10,930

there's a big thing that's coming out

216

00:09:15,120 --> 00:09:13,090

that Corey Goode and Emery Smith and

217

00:09:17,190 --> 00:09:15,130

David Wilcock have all concocted this

218

00:09:20,160 --> 00:09:17,200

story and it's like it's totally fake

219

00:09:21,630 --> 00:09:20,170

right but I mean so the difference is in

220

00:09:24,750 --> 00:09:21,640

we're talking with people at this

221

00:09:26,220 --> 00:09:24,760

conference to they said yeah their

222

00:09:27,690 --> 00:09:26,230

story's fake but some of their stuff

223

00:09:30,000 --> 00:09:27,700

that they saw is real

224

00:09:34,110 --> 00:09:30,010

yeah yes so some of the content that

225

00:09:36,660 --> 00:09:34,120

they are speaking about is valid yeah

226

00:09:39,840 --> 00:09:36,670

somewhat it just has so happens that

227

00:09:42,360 --> 00:09:39,850

that didn't happen to them yeah through

228

00:09:43,950 --> 00:09:42,370

stealing these people's you know stories

229

00:09:48,210 --> 00:09:43,960

and yeah and putting them out there

230

00:09:49,800 --> 00:09:48,220

which is wrong like bottom line what is

231

00:09:52,770 --> 00:09:49,810

wrong they bumped up maybe these people

232

00:09:54,780 --> 00:09:52,780

may be core good and Emery Smith and you

233

00:09:55,920 --> 00:09:54,790

know whoever have had some type of

234

00:09:57,840 --> 00:09:55,930

experience and that's how they got into

235

00:09:59,850 --> 00:09:57,850

this right right and then maybe they're

236

00:10:02,310 --> 00:09:59,860

just confused you know or maybe

237

00:10:03,480 --> 00:10:02,320

brainwashed maybe I won't go to it too

238

00:10:04,950 --> 00:10:03,490

far into that because I know one of our

239

00:10:08,850 --> 00:10:04,960

guests is going to talk about that yeah

240

00:10:12,480 --> 00:10:08,860

yeah yeah absolutely dude but yeah so

241

00:10:15,390 --> 00:10:12,490

you know guys like me and Ben were

242

00:10:17,820 --> 00:10:15,400

saying this is this is you know like

243

00:10:20,070 --> 00:10:17,830

we've been into it for a long time but

244

00:10:23,360 --> 00:10:20,080

this is the you know vent just until

245

00:10:26,250 --> 00:10:23,370

recently we really started mand like

246

00:10:29,640 --> 00:10:26,260

getting like down to the nitty-gritty

247

00:10:32,040 --> 00:10:29,650

and actually doing like trying to get

248

00:10:35,040 --> 00:10:32,050

into the facts and and you know learning

249

00:10:38,880 --> 00:10:35,050

all this stuff and really trying to dig

250

00:10:41,910 --> 00:10:38,890

deep and I Cajun aliy we may mention a

251  
00:10:46,350 --> 00:10:41,920  
person's name yeah that maybe doesn't

252  
00:10:49,440 --> 00:10:46,360  
isn't as credible as uh as we think they

253  
00:10:51,810 --> 00:10:49,450  
are at first but I guarantee you this is

254  
00:10:54,210 --> 00:10:51,820  
a promise right here that if we find out

255  
00:10:56,370 --> 00:10:54,220  
information otherwise we're gonna let

256  
00:10:57,930 --> 00:10:56,380  
you know about it yeah well yeah that's

257  
00:10:59,610 --> 00:10:57,940  
been our thing from the beginning but a

258  
00:11:01,500 --> 00:10:59,620  
lot of people haven't even heard the

259  
00:11:02,850 --> 00:11:01,510  
first episode right all right you know

260  
00:11:04,650 --> 00:11:02,860  
coming from YouTube or something like

261  
00:11:05,250 --> 00:11:04,660  
that if they come right in the middle of

262  
00:11:09,240 --> 00:11:05,260  
you know ever

263  
00:11:11,370 --> 00:11:09,250

so 12 or something we're gonna say some

264

00:11:12,810 --> 00:11:11,380

wrong [\h\_\_\h] but yeah yeah we're

265

00:11:15,390 --> 00:11:12,820

definitely gonna come back if we find

266

00:11:17,400 --> 00:11:15,400

out some you know on the contrary we're

267

00:11:19,680 --> 00:11:17,410

gonna definitely do the next episode and

268

00:11:21,570 --> 00:11:19,690

talk about how it's wrong and it does

269

00:11:23,550 --> 00:11:21,580

help like when people email us like hey

270

00:11:25,440 --> 00:11:23,560

love the show

271

00:11:27,630 --> 00:11:25,450

maybe you got this wrong check that out

272

00:11:35,310 --> 00:11:27,640

like that's a nice way of going about it

273

00:11:38,250 --> 00:11:35,320

yeah you know you guys don't know yeah

274

00:11:41,250 --> 00:11:38,260

but yeah I mean we're gonna do our best

275

00:11:43,440 --> 00:11:41,260

like I mean like I said even though

276

00:11:46,710 --> 00:11:43,450

we've been into this a long time when it

277

00:11:49,710 --> 00:11:46,720

gets down to like this real thick stuff

278

00:11:51,330 --> 00:11:49,720

like we are we're basically newbies we

279

00:11:53,130 --> 00:11:51,340

are new rights and the whole reason we

280

00:11:55,350 --> 00:11:53,140

wanted to do this in the first place was

281

00:11:57,930 --> 00:11:55,360

is because it's fun it's fun talking

282

00:11:59,820 --> 00:11:57,940

about aliens and we wanted to learn yeah

283

00:12:01,590 --> 00:11:59,830

we wanted to learn about all of this

284

00:12:03,180 --> 00:12:01,600

stuff and we're doing it and uh and

285

00:12:05,670 --> 00:12:03,190

we're definitely doing that man we

286

00:12:08,160 --> 00:12:05,680

learned so much at this at this

287

00:12:11,160 --> 00:12:08,170

conference and we kind of came away from

288

00:12:12,870 --> 00:12:11,170

it from it a little intimidated yeah it

289

00:12:15,060 --> 00:12:12,880

made me feelin like big dummies right

290

00:12:18,390 --> 00:12:15,070

right oh dude yeah I think it's just

291

00:12:22,110 --> 00:12:18,400

been it's been a couple of days of like

292

00:12:23,700 --> 00:12:22,120

wow what like what I everything I

293

00:12:25,320 --> 00:12:23,710

thought I knew has just been kind of

294

00:12:27,000 --> 00:12:25,330

thrown out the window yeah not

295

00:12:29,040 --> 00:12:27,010

everything but a lot of a lot of the

296

00:12:30,480 --> 00:12:29,050

stuff yeah definitely or just turned

297

00:12:32,880 --> 00:12:30,490

around not thrown another window but you

298

00:12:35,400 --> 00:12:32,890

know we were also told that some of

299

00:12:37,680 --> 00:12:35,410

these people that you know these big

300

00:12:41,300 --> 00:12:37,690

names that we know you know it's by

301  
00:12:43,220 --> 00:12:41,310  
design yeah that it's like that right so

302  
00:12:47,640 --> 00:12:43,230  
yeah it's our fault

303  
00:12:49,320 --> 00:12:47,650  
to an extent but yeah you know like I

304  
00:12:50,940 --> 00:12:49,330  
said we work full-time jobs doodle

305  
00:12:52,410 --> 00:12:50,950  
whenever you know like we get home and

306  
00:12:55,050 --> 00:12:52,420  
like spend time with the family and

307  
00:12:56,490 --> 00:12:55,060  
stuff and like eat dinner you know it's

308  
00:12:58,020 --> 00:12:56,500  
it's you know you're kind of scrolling

309  
00:13:00,090 --> 00:12:58,030  
through some stuff reading some articles

310  
00:13:02,310 --> 00:13:00,100  
this and that you know trying to piece

311  
00:13:07,830 --> 00:13:02,320  
it together as best as you can but you

312  
00:13:10,110 --> 00:13:07,840  
know we we're not researchers yeah yeah

313  
00:13:12,870 --> 00:13:10,120

we're not like full-time researcher at

314

00:13:15,270 --> 00:13:12,880

the same time so you know it is it is it

315

00:13:16,950 --> 00:13:15,280

is it is going to happen we are going to

316

00:13:19,110 --> 00:13:16,960

make some mistakes and

317

00:13:20,370 --> 00:13:19,120

with the quarry good thing I will say we

318

00:13:23,130 --> 00:13:20,380

totally made a mistake

319

00:13:27,860 --> 00:13:23,140

oh absolutely yeah yeah I mean yeah it

320

00:13:30,990 --> 00:13:27,870

in the conspiracy goes further it's like

321

00:13:32,850 --> 00:13:31,000

some people are saying maybe he is he

322

00:13:35,400 --> 00:13:32,860

was put up to it by a certain sort of

323

00:13:38,730 --> 00:13:35,410

organization uh-huh maybe David Wilcock

324

00:13:41,280 --> 00:13:38,740

has been put up to - you know featuring

325

00:13:45,180 --> 00:13:41,290

people that he knows are [h\_\_h] right

326

00:13:47,790 --> 00:13:45,190

for a reason uh-huh maybe it's so maybe

327

00:13:49,949 --> 00:13:47,800

one side of it is that oh [\h\_\_h] well that

328

00:13:52,910 --> 00:13:49,959

my livelihood is is featuring people

329

00:13:56,610 --> 00:13:52,920

that have been in this organization or

330

00:13:58,829 --> 00:13:56,620

breaking stories about experiencers and

331

00:14:00,990 --> 00:13:58,839

then what if you run out of people you

332

00:14:01,650 --> 00:14:01,000

know I did I wonder maybe he's gotten to

333

00:14:03,840 --> 00:14:01,660

that point

334

00:14:06,210 --> 00:14:03,850

oh yes - kind of like hey I'll take

335

00:14:08,820 --> 00:14:06,220

anybody right right so it's either that

336

00:14:09,780 --> 00:14:08,830

or it's all planned out and by design I

337

00:14:13,829 --> 00:14:09,790

don't know

338

00:14:17,610 --> 00:14:13,839

yeah me either man and and this is such

339

00:14:18,420 --> 00:14:17,620

like a it is like a when you get down to

340

00:14:20,070 --> 00:14:18,430

it it's scary

341

00:14:21,900 --> 00:14:20,080

it's a scary subject and so if this

342

00:14:23,370 --> 00:14:21,910

happens to you not everybody's gonna

343

00:14:27,150 --> 00:14:23,380

want to talk about it right right

344

00:14:29,990 --> 00:14:27,160

everybody's gonna want to you know say

345

00:14:32,220 --> 00:14:30,000

anything about this information yeah um

346

00:14:33,720 --> 00:14:32,230

maybe it is good to reach out to other

347

00:14:36,870 --> 00:14:33,730

people who have had these experiences as

348

00:14:40,490 --> 00:14:36,880

well but some of the numbers like one in

349

00:14:43,620 --> 00:14:40,500

50 people deal with some sort of

350

00:14:47,730 --> 00:14:43,630

encounter yeah maybe an abduction uh-huh

351

00:14:50,490 --> 00:14:47,740

like whoa missing time that is a lot of

352

00:14:51,930 --> 00:14:50,500

people lot of [h\_\_h] people there's so

353

00:14:53,579 --> 00:14:51,940

many people want to find the source of

354

00:14:55,620 --> 00:14:53,589

that statistic - yeah I know we were

355

00:14:57,690 --> 00:14:55,630

talking about it with one of our friends

356

00:15:01,560 --> 00:14:57,700

but yeah I want it I want to know and it

357

00:15:03,120 --> 00:15:01,570

was on it was on the the CDC ting oh is

358

00:15:07,860 --> 00:15:03,130

that right okay yeah I was in the

359

00:15:10,769 --> 00:15:07,870

documentary so extraordinary the seating

360

00:15:13,260 --> 00:15:10,779

is a new documentary that that's been

361

00:15:15,090 --> 00:15:13,270

released I bought it on iTunes uh-huh so

362

00:15:19,170 --> 00:15:15,100

if anybody wants to check it out it's a

363

00:15:21,290 --> 00:15:19,180

really awesome document you know oh yeah

364

00:15:23,750 --> 00:15:21,300

yeah yeah so the first one is

365

00:15:26,280 --> 00:15:23,760

extraordinary this Stan Romanek story

366

00:15:27,900 --> 00:15:26,290

and that was really good so if anybody

367

00:15:30,720 --> 00:15:27,910

wants to watch that that's also on

368

00:15:34,290 --> 00:15:30,730

Netflix but the the new and the seating

369

00:15:36,210 --> 00:15:34,300

bro I was I had trouble I've still I

370

00:15:38,970 --> 00:15:36,220

still had nightmares last night dude

371

00:15:43,740 --> 00:15:38,980

yeah thinking about terrified oh my gosh

372

00:15:46,710 --> 00:15:43,750

oh my gosh goodness yeah yeah you know

373

00:15:50,009 --> 00:15:46,720

do you think like because me and you are

374

00:15:53,840 --> 00:15:50,019

such goofy ass people I think maybe like

375

00:15:58,319 --> 00:15:53,850

we don't get super serious like that

376

00:16:00,689 --> 00:15:58,329

documentary is right yeah um maybe it's

377

00:16:03,930 --> 00:16:00,699

not on purpose I think maybe it's it's

378

00:16:06,780 --> 00:16:03,940

subliminal like we like we kind of skip

379

00:16:07,319 --> 00:16:06,790

around maybe super deep [h\_\_h] like that

380

00:16:09,329 --> 00:16:07,329

yeah

381

00:16:11,790 --> 00:16:09,339

just because we're just naturally goofy

382

00:16:16,530 --> 00:16:11,800

happy people uh-huh and stuff like that

383

00:16:19,019 --> 00:16:16,540

is kind of a bummer it is a bomb it's

384

00:16:22,980 --> 00:16:19,029

not on purpose but God and rude like we

385

00:16:26,129 --> 00:16:22,990

we uh it's it's my goal in my mission to

386

00:16:29,280 --> 00:16:26,139

uh to start paying attention to more

387

00:16:31,439 --> 00:16:29,290

stuff like that yeah just to know cuz

388

00:16:33,360 --> 00:16:31,449

you gotta know especially if we're gonna

389

00:16:34,980 --> 00:16:33,370

start doing stuff like this man yeah

390

00:16:37,050 --> 00:16:34,990

it's it's you know if we're gonna

391

00:16:40,650 --> 00:16:37,060

continue down this path and like get

392

00:16:43,829 --> 00:16:40,660

real guests and get really into this I

393

00:16:45,449 --> 00:16:43,839

mean we got it we're not we're not we're

394

00:16:47,759 --> 00:16:45,459

not such idiots to where we won't know

395

00:16:49,500 --> 00:16:47,769

when to joke around when not to joke

396

00:16:51,569 --> 00:16:49,510

around if that's what you're getting at

397

00:16:56,639 --> 00:16:51,579

yeah but well I'm just talking about

398

00:16:59,009 --> 00:16:56,649

like our personal time searching UFOs

399

00:17:01,230 --> 00:16:59,019

right see though like we look at it like

400

00:17:04,010 --> 00:17:01,240

cool videos that people shot of UFOs in

401  
00:17:07,169 --> 00:17:04,020  
the sky yeah I know things like that but

402  
00:17:10,679 --> 00:17:07,179  
you know I can personally say like I

403  
00:17:12,329 --> 00:17:10,689  
knew of a few like abduction cases you

404  
00:17:14,240 --> 00:17:12,339  
know you know like the the kind of the

405  
00:17:17,520 --> 00:17:14,250  
big ones uh-huh but damn that

406  
00:17:20,819 --> 00:17:17,530  
documentary took it to a whole new level

407  
00:17:22,620 --> 00:17:20,829  
whoa such detail man oh my god and it

408  
00:17:26,220 --> 00:17:22,630  
was like multiple people with the same

409  
00:17:28,490 --> 00:17:26,230  
experience gosh yeah basically I mean

410  
00:17:31,500 --> 00:17:28,500  
I'm not gonna ruin the movie for you but

411  
00:17:32,330 --> 00:17:31,510  
it has to do with abductions with women

412  
00:17:34,250 --> 00:17:32,340  
and

413  
00:17:36,649 --> 00:17:34,260

it's in the title the seating I guess

414

00:17:40,940 --> 00:17:36,659

you can use context clues as to what

415

00:17:42,980 --> 00:17:40,950

that alludes to yeah it's basically in

416

00:17:43,789 --> 00:17:42,990

impregnation and there's a hybrid

417

00:17:49,279 --> 00:17:43,799

program

418

00:17:52,519 --> 00:17:49,289

extraterrestrials and maybe sometimes

419

00:17:55,789 --> 00:17:52,529

even military our military you know like

420

00:17:57,799 --> 00:17:55,799

a shadow organization right are involved

421

00:18:02,390 --> 00:17:57,809

are involved with these abductions and

422

00:18:05,600 --> 00:18:02,400

they insert you know the the embryos

423

00:18:08,110 --> 00:18:05,610

yeah they immaculately conceived with

424

00:18:11,210 --> 00:18:08,120

women and yeah I won't say anymore but

425

00:18:13,250 --> 00:18:11,220

whoo it's crazy dude pretty crazy stuff

426

00:18:17,240 --> 00:18:13,260

yeah could I say that right immaculately

427

00:18:18,980 --> 00:18:17,250

conceived yeah yeah because I mean one

428

00:18:20,659 --> 00:18:18,990

of the ladies was a lesbian Yeah right

429

00:18:21,710 --> 00:18:20,669

right right and then she was like wait a

430

00:18:23,690 --> 00:18:21,720

second I'm pregnant

431

00:18:25,730 --> 00:18:23,700

Yeah right and I mean this kind of goes

432

00:18:26,870 --> 00:18:25,740

like you know they're they find out that

433

00:18:29,870 --> 00:18:26,880

they're pregnant they're like what the

434

00:18:31,669 --> 00:18:29,880

hell you know I'm I'm pregnant but and

435

00:18:34,820 --> 00:18:31,679

some of these people like some of these

436

00:18:39,549 --> 00:18:34,830

like kids like kids are picked up right

437

00:18:42,289 --> 00:18:39,559

and they are like tagged basically yeah

438

00:18:45,110 --> 00:18:42,299

they're they're basically tagged with

439

00:18:48,289 --> 00:18:45,120

little metal something you know made of

440

00:18:50,600 --> 00:18:48,299

made of meteor uh-huh I mean like as

441

00:18:55,519 --> 00:18:50,610

they become older they know where to

442

00:18:57,440 --> 00:18:55,529

find a and you know yeah the implant of

443

00:18:59,690 --> 00:18:57,450

it it's the it's the hybridization

444

00:19:02,269 --> 00:18:59,700

program that's uh these people get to

445

00:19:05,840 --> 00:19:02,279

the point to where you know they this

446

00:19:08,240 --> 00:19:05,850

happens to them and you know then the

447

00:19:10,639 --> 00:19:08,250

military wants to know so then they get

448

00:19:12,919 --> 00:19:10,649

abducted by the military yes it's like

449

00:19:15,139 --> 00:19:12,929

leave these people alone

450

00:19:17,090 --> 00:19:15,149

so are you seriously and it's because

451

00:19:19,970 --> 00:19:17,100

they want information well they also

452

00:19:21,590 --> 00:19:19,980

yeah Isis there yeah I think we're

453

00:19:24,430 --> 00:19:21,600

getting into like something that one of

454

00:19:27,130 --> 00:19:24,440

our guests is gonna speak to but man

455

00:19:29,090 --> 00:19:27,140

yeah y'all watch that watch that movie

456

00:19:32,960 --> 00:19:29,100

it's awesome but we're gonna have a

457

00:19:35,240 --> 00:19:32,970

guest that was featured in that

458

00:19:37,340 --> 00:19:35,250

documentary yeah on the podcast very

459

00:19:41,120 --> 00:19:37,350

same documentary yeah she's kind of

460

00:19:42,950 --> 00:19:41,130

really always story and she's such an

461

00:19:44,090 --> 00:19:42,960

awesome person yeah definitely such an

462

00:19:46,260 --> 00:19:44,100

awesome person

463

00:19:49,169 --> 00:19:46,270

so she'll she'll be on the podcast I'm

464

00:19:51,150 --> 00:19:49,179

yeah me too I can't wait to hear more

465

00:19:52,500 --> 00:19:51,160

she was like y'all y'all even know half

466

00:19:54,180 --> 00:19:52,510

of it oh yeah I know you saw the movie

467

00:19:58,710 --> 00:19:54,190

but oh yeah I'll have that I'm about to

468

00:20:02,370 --> 00:19:58,720

blow your listeners mine yeah yes yes

469

00:20:04,620 --> 00:20:02,380

did you watch her heard I watched most

470

00:20:06,060 --> 00:20:04,630

of it yeah I think I had like 20 more

471

00:20:08,580 --> 00:20:06,070

minutes to you know it's about an hour

472

00:20:11,520 --> 00:20:08,590

and like or no it's two hours right huh

473

00:20:13,730 --> 00:20:11,530

yeah it's it's an awesome YouTube video

474

00:20:16,919 --> 00:20:13,740

it's it's pretty crazy maybe well maybe

475

00:20:19,140 --> 00:20:16,929

we'll post it after she's on the on the

476

00:20:20,940 --> 00:20:19,150

show so people can people can watch it

477

00:20:22,860 --> 00:20:20,950

if they're curious to find out like a

478

00:20:25,140 --> 00:20:22,870

because it's more of a lecture right

479

00:20:28,140 --> 00:20:25,150

right then an interview is that

480

00:20:31,740 --> 00:20:28,150

something that she just sent to us could

481

00:20:34,169 --> 00:20:31,750

be yes it's on YouTube though yes on it

482

00:20:36,540 --> 00:20:34,179

might be a private link though that's

483

00:20:38,820 --> 00:20:36,550

true I'll look into that and see because

484

00:20:41,370 --> 00:20:38,830

I don't want to you know put something

485

00:20:44,120 --> 00:20:41,380

out that that's private to her yeah yeah

486

00:20:46,680 --> 00:20:44,130

definitely definitely but yeah guys made

487

00:20:49,169 --> 00:20:46,690

pretty excited about that yeah it's

488

00:20:51,750 --> 00:20:49,179

gonna be dope yeah

489

00:20:55,140 --> 00:20:51,760

so I guess I guess just to close just

490

00:20:58,530 --> 00:20:55,150

some of the Congress stuff we saw some

491

00:21:02,190 --> 00:20:58,540

pretty cool photos from out in Sedona as

492

00:21:04,620 --> 00:21:02,200

a from this guide a UFO tour guide oh

493

00:21:08,490 --> 00:21:04,630

yes a Dona showed us some photos on his

494

00:21:09,600 --> 00:21:08,500

phone of a UFO and the daylight night

495

00:21:12,320 --> 00:21:09,610

you remember the one that's like close

496

00:21:18,720 --> 00:21:12,330

to the ground almost like landing oh

497

00:21:20,520 --> 00:21:18,730

dude dude crazy bro do you think that

498

00:21:22,919 --> 00:21:20,530

one picture where he was like it's like

499

00:21:24,840 --> 00:21:22,929

it kind of took me back a little bit but

500

00:21:27,410 --> 00:21:24,850

he was so like sincere about it yeah I

501  
00:21:31,020 --> 00:21:27,420  
mean he was like uh and this is a fairy

502  
00:21:31,620 --> 00:21:31,030  
right I was like Oh what yeah I was like

503  
00:21:33,810 --> 00:21:31,630  
a fairy

504  
00:21:37,110 --> 00:21:33,820  
do you think you think maybe like that

505  
00:21:39,750 --> 00:21:37,120  
fits into that et category I mean

506  
00:21:41,010 --> 00:21:39,760  
anything's possible man right look I

507  
00:21:42,480 --> 00:21:41,020  
didn't know really what to think of the

508  
00:21:44,310 --> 00:21:42,490  
photo though there was something there

509  
00:21:46,440 --> 00:21:44,320  
but yeah it was it is kind of hard to

510  
00:21:48,930 --> 00:21:46,450  
see yeah I was pretty grainy it was

511  
00:21:50,190 --> 00:21:48,940  
pretty grainy I don't know what the hell

512  
00:21:53,220 --> 00:21:50,200  
that was though I don't know I don't

513  
00:21:56,159 --> 00:21:53,230

know if it was a biological thing or

514

00:21:58,080 --> 00:21:56,169

just like a dead leaf it could be either

515

00:21:58,440 --> 00:21:58,090

one of us yeah I don't but those other

516

00:22:02,879 --> 00:21:58,450

phone

517

00:22:04,979 --> 00:22:02,889

were already nuts yeah pretty nice like

518

00:22:06,509 --> 00:22:04,989

the one photo where he had of the the

519

00:22:08,430 --> 00:22:06,519

object flying through the sky you could

520

00:22:10,470 --> 00:22:08,440

kind of see like the the trail on the

521

00:22:12,330 --> 00:22:10,480

back of it hand did like a 90 degree

522

00:22:13,950 --> 00:22:12,340

angle huh yeah that was nuts

523

00:22:17,249 --> 00:22:13,960

it had a long exposure on it so you

524

00:22:20,519 --> 00:22:17,259

could see the path of the craft and it

525

00:22:21,749 --> 00:22:20,529

did a 90 degree angle yeah that was nuts

526

00:22:23,999 --> 00:22:21,759

that was nuts

527

00:22:27,960 --> 00:22:24,009

yeah I met some some other fellow

528

00:22:30,210 --> 00:22:27,970

podcasters and things like that shift

529

00:22:32,729 --> 00:22:30,220

happens a shout-out to shift happens

530

00:22:34,109 --> 00:22:32,739

it's really cool to meet them I checked

533

definitely definitely check out shift

535

00:22:45,419 --> 00:22:43,269

happens podcast they're super cool yeah

536

00:22:46,019 --> 00:22:45,429

definitely want to hit up miss Julie

537

00:22:47,279 --> 00:22:46,029

over there

538

00:22:49,109 --> 00:22:47,289

yeah tui I want to hear what she's got

539

00:22:51,570 --> 00:22:49,119

to say especially maybe during Halloween

540

00:22:53,399 --> 00:22:51,580

or something she can do like a cool you

541

00:22:55,109 --> 00:22:53,409

know show on on maybe like you know

542

00:22:57,389 --> 00:22:55,119

haunted cemetery maybe we could go to a

543

00:23:00,509 --> 00:22:57,399

cinnamon tarry we can see cinnamon to

544

00:23:04,470 --> 00:23:00,519

ask her if she knows you cinnamon Terry

545

00:23:09,869 --> 00:23:04,480

is bro you know sooner materias sanitary

546

00:23:13,769 --> 00:23:09,879

dog yeah definitely definitely yeah I

547

00:23:15,359 --> 00:23:13,779

also met some uh some people that maybe

548

00:23:18,479 --> 00:23:15,369

rubbed me the wrong way a little bit

549

00:23:21,330 --> 00:23:18,489

oh yeah yeah-hoo-hoo there was like

550

00:23:24,779 --> 00:23:21,340

maybe one one I don't remember

551

00:23:28,049 --> 00:23:24,789

one chick that was kind of like oh you

552

00:23:31,200 --> 00:23:28,059

know just really about her kind of

553

00:23:33,899 --> 00:23:31,210

didn't seem like she was like interested

554

00:23:36,450 --> 00:23:33,909

in the subject at all really yeah yeah

555

00:23:38,729 --> 00:23:36,460

oh I know what you're talking about yeah

556

00:23:41,810 --> 00:23:38,739

yeah she was just more interested as

557

00:23:44,399 --> 00:23:41,820

she's yeah who do you know can I

558

00:23:46,019 --> 00:23:44,409

exact I seem like you're a big deal can

559

00:23:49,529 --> 00:23:46,029

I can you connect me with somebody

560

00:23:51,149 --> 00:23:49,539

that's you know uh-huh I don't like that

561

00:23:56,099 --> 00:23:51,159

I don't like I didn't like that at all

562

00:23:59,940 --> 00:23:56,109

yeah yeah yeah so I guess this is like

563

00:24:03,030 --> 00:23:59,950

part two of UFO Congress I think we've

564

00:24:08,610 --> 00:24:06,660

oh gosh I don't know yeah so Facebook

565

00:24:11,070 --> 00:24:08,620

got some cool stuff we haven't talked

566

00:24:13,440 --> 00:24:11,080

about Facebook and a couple episodes

567

00:24:16,920 --> 00:24:13,450

Joseph Lamar what's up dude what up man

568

00:24:18,660 --> 00:24:16,930

what's up down so you posted on the the

569

00:24:23,280 --> 00:24:18,670

group that you had an interesting

570

00:24:24,720 --> 00:24:23,290

encounter in between clean and Austin I

571

00:24:26,820 --> 00:24:24,730

know what road that is the Ronald Reagan

572

00:24:28,830 --> 00:24:26,830

Boulevard my dad actually used to live

573

00:24:33,390 --> 00:24:28,840

out there uh-huh yeah I drove down it

574

00:24:35,130 --> 00:24:33,400

today no space yeah so you're saying

575

00:24:37,710 --> 00:24:35,140

that it was mostly sunny and there's

576

00:24:39,420 --> 00:24:37,720

some clouds on the horizon line and then

577

00:24:41,490 --> 00:24:39,430

you're at a stoplight and a bunch of

578

00:24:45,060 --> 00:24:41,500

police vehicles all blacked out just

579

00:24:47,250 --> 00:24:45,070

like zoom past you which is already like

580

00:24:49,710 --> 00:24:47,260

what's go what's going on first off if

581

00:24:51,420 --> 00:24:49,720

they're like police regular police cars

582

00:24:52,740 --> 00:24:51,430

like that's maybe there's a rack or

583

00:24:55,800 --> 00:24:52,750

something but if they're all blacked out

584

00:24:58,710 --> 00:24:55,810

like you know what is that that's pretty

585

00:25:00,120 --> 00:24:58,720

crazy and then he says looks back up

586

00:25:03,390 --> 00:25:00,130

towards the clouds and there's something

587

00:25:07,140 --> 00:25:03,400

shiny zooming by really quick I want to

588

00:25:11,520 --> 00:25:07,150

know more dude yeah like it was a was it

589

00:25:13,560 --> 00:25:11,530

a a jet like could you hear the the jet

590

00:25:16,170 --> 00:25:13,570

engine would like was there some type of

591

00:25:18,120 --> 00:25:16,180

a noise or were your windows down yeah

592

00:25:20,010 --> 00:25:18,130

yeah well your windows down so many

593

00:25:23,220 --> 00:25:20,020

questions questions

594

00:25:24,150 --> 00:25:23,230

yeah dude if you get a chance to send us

595

00:25:25,800 --> 00:25:24,160

a little message

596

00:25:28,220 --> 00:25:25,810

chaddy and if you got any more details

597

00:25:32,370 --> 00:25:28,230

on that cuz that's pretty sweet yeah

598

00:25:34,740 --> 00:25:32,380

Alejandra what's up girl hey you posted

599

00:25:36,510 --> 00:25:34,750

these pretty awesome photos really cool

600

00:25:39,360 --> 00:25:36,520

pic first off like it's really hard to

601  
00:25:41,430 --> 00:25:39,370  
take photos at dusk or at night it seems

602  
00:25:43,620 --> 00:25:41,440  
like you you're able to catch this this

603  
00:25:46,830 --> 00:25:43,630  
little object that you saw huh the whole

604  
00:25:49,680 --> 00:25:46,840  
light that was the story is awesome too

605  
00:25:50,700 --> 00:25:49,690  
yeah yeah caught my eye and then she

606  
00:25:53,130 --> 00:25:50,710  
said she was looking up at the sky

607  
00:25:56,610 --> 00:25:53,140  
something caught our eye and this little

608  
00:25:58,950 --> 00:25:56,620  
light just went and I 80 180 degrees

609  
00:26:00,390 --> 00:25:58,960  
around the night sky which is I mean I

610  
00:26:04,830 --> 00:26:00,400  
don't know how many miles is that I

611  
00:26:07,530 --> 00:26:04,840  
guess the the yeah I don't know how high

612  
00:26:09,810 --> 00:26:07,540  
up in the in the sky it was but I mean

613  
00:26:12,510 --> 00:26:09,820

yeah 180 a big 180 in the sky that's

614

00:26:14,460 --> 00:26:12,520

pretty cool yeah it was flying higher

615

00:26:16,170 --> 00:26:14,470

than a military jet and planes do so I

616

00:26:20,190 --> 00:26:16,180

guess that's pretty freakin high

617

00:26:22,380 --> 00:26:20,200

yeah yeah we should all get telescopes

618

00:26:24,900 --> 00:26:22,390

she thinks she's getting a telescope yes

619

00:26:27,020 --> 00:26:24,910

thing telescope at least a good pair of

620

00:26:29,730 --> 00:26:27,030

binoculars yes keep them with you at all

621

00:26:33,030 --> 00:26:29,740

I need to cuz because we were up there

622

00:26:35,850 --> 00:26:33,040

in Sedona I was like why don't we have

623

00:26:37,920 --> 00:26:35,860

like some binoculars right yeah why

624

00:26:39,150 --> 00:26:37,930

didn't we think of that same reason we

625

00:26:40,020 --> 00:26:39,160

didn't think to take our phones out and

626

00:26:42,390 --> 00:26:40,030

take a picture

627

00:26:45,270 --> 00:26:42,400

well I yeah we couldn't have caught

628

00:26:47,700 --> 00:26:45,280

anything anyway and it like we would had

629

00:26:51,570 --> 00:26:47,710

we would have had like like a full hour

630

00:26:54,240 --> 00:26:51,580

of video on our phone and Blake those

631

00:26:58,950 --> 00:26:54,250

two UFOs that we saw were like maybe 15

632

00:27:02,910 --> 00:26:58,960

seconds of that yeah yeah so that was a

633

00:27:05,040 --> 00:27:02,920

cool story thank 10100 Dan Warren posted

634

00:27:07,380 --> 00:27:05,050

this pretty cool drone show I thought

635

00:27:09,390 --> 00:27:07,390

that was pretty awesome man yeah I think

636

00:27:12,390 --> 00:27:09,400

yeah it's like the future of fireworks

637

00:27:14,400 --> 00:27:12,400

dude I know I almost like it better yeah

638

00:27:17,550 --> 00:27:14,410

that's you that's pretty sick yeah

639

00:27:19,350 --> 00:27:17,560

that's pretty sick yeah dude that kind

640

00:27:22,320 --> 00:27:19,360

of makes you think though if you can do

641

00:27:27,150 --> 00:27:22,330

that with your own yeah man what else

642

00:27:31,500 --> 00:27:27,160

can you do with them I don't know you

643

00:27:34,380 --> 00:27:31,510

know you know god damn it yeah there's

644

00:27:35,970 --> 00:27:34,390

another hurdle exactly hahaha I need

645

00:27:37,230 --> 00:27:35,980

drugs you could do it with tiny little

646

00:27:38,820 --> 00:27:37,240

drones like that I wonder if there's

647

00:27:41,340 --> 00:27:38,830

drones that exist that we don't know

648

00:27:43,140 --> 00:27:41,350

about that just do crazy [h\_\_h] and this

649

00:27:45,000 --> 00:27:43,150

guy we just don't know about it possibly

650

00:27:49,710 --> 00:27:45,010

like giant drones yeah man

651  
00:27:53,310 --> 00:27:49,720  
yeah I don't know man cool so that was

652  
00:27:55,020 --> 00:27:53,320  
all of the Facebook updates that's

653  
00:27:57,510 --> 00:27:55,030  
pretty cool

654  
00:27:59,670 --> 00:27:57,520  
so you want to get into a little bit of

655  
00:28:04,980 --> 00:27:59,680  
Travis Walton dude yeah dude we can do

656  
00:28:06,300 --> 00:28:04,990  
that we got to meet Travis Walton so

657  
00:28:09,360 --> 00:28:06,310  
first off Travis Walton is one of the

658  
00:28:11,280 --> 00:28:09,370  
most famous abduction stories in US

659  
00:28:15,150 --> 00:28:11,290  
history what what year was it lost 70

660  
00:28:16,650 --> 00:28:15,160  
yeah 1975 75 yeah he was he was abducted

661  
00:28:21,600 --> 00:28:16,660  
in November 5th

662  
00:28:25,590 --> 00:28:21,610  
mmm-hmm November 5th 1975 yeah so I mean

663  
00:28:28,290 --> 00:28:25,600

I guess that's a long time like compared

664

00:28:29,330 --> 00:28:28,300

to like right now all right but dude I

665

00:28:31,580 --> 00:28:29,340

mean this has happened in

666

00:28:33,350 --> 00:28:31,590

all of our lifetimes yeah you know like

667

00:28:36,200 --> 00:28:33,360

our parents lifetimes you know things

668

00:28:38,299 --> 00:28:36,210

like that yeah still a big enough case

669

00:28:41,210 --> 00:28:38,309

for us to know about it right you know

670

00:28:44,570 --> 00:28:41,220

even even today it's still a huge name

671

00:28:47,090 --> 00:28:44,580

in the community yeah he was such a cool

672

00:28:49,310 --> 00:28:47,100

guy he's a really nice guy yeah yeah

673

00:28:52,519 --> 00:28:49,320

he's really cool he's really cool dude

674

00:28:55,190 --> 00:28:52,529

like just cuz you get that sense like

675

00:28:59,450 --> 00:28:55,200

just looking in his eyes he's doing some

676  
00:29:01,850 --> 00:28:59,460  
[\h\_\_\h] yeah yeah yeah like man you're

677  
00:29:05,779 --> 00:29:01,860  
really holding it together it it's like

678  
00:29:07,970 --> 00:29:05,789  
I've met I've met former military dudes

679  
00:29:10,460 --> 00:29:07,980  
I went to school with a couple and my

680  
00:29:11,810 --> 00:29:10,470  
brother has a friend that was in you

681  
00:29:13,909 --> 00:29:11,820  
know high up in the military it's kind

682  
00:29:16,519 --> 00:29:13,919  
of like that same vibe you know I don't

683  
00:29:18,350 --> 00:29:16,529  
know what it is but whoo man you've

684  
00:29:19,759 --> 00:29:18,360  
you've been through some some [\h\_\_\h] it

685  
00:29:23,119 --> 00:29:19,769  
was it was kind of like that

686  
00:29:28,279 --> 00:29:23,129  
yeah I don't know so so basically the

687  
00:29:30,320 --> 00:29:28,289  
story goes that Travis and in six of his

688  
00:29:32,149 --> 00:29:30,330

coworkers you know his buddies they were

689

00:29:35,899 --> 00:29:32,159

out and they were doing some logging out

690

00:29:38,749 --> 00:29:35,909

near a snowflake Arizona snowflake yeah

691

00:29:42,799 --> 00:29:38,759

it's where the snow fell and it's uh

692

00:29:45,109 --> 00:29:42,809

it's it's uh it's near like a National

693

00:29:46,659 --> 00:29:45,119

Forest so out there out there and

694

00:29:49,700 --> 00:29:46,669

they're they're doing some logging

695

00:29:51,889 --> 00:29:49,710

apparently this evening was they were

696

00:29:53,389 --> 00:29:51,899

trying to do some ketchup you know they

697

00:29:55,220 --> 00:29:53,399

were trying to do some extra work

698

00:29:57,409 --> 00:29:55,230

they're on a government bid right and

699

00:29:59,779 --> 00:29:57,419

they were trying to clear out this whole

700

00:30:03,950 --> 00:29:59,789

area never run a little behind so they

701

00:30:07,220 --> 00:30:03,960

decided to stay a little bit late and as

702

00:30:09,619 --> 00:30:07,230

they decided to you know pack up and get

703

00:30:11,749 --> 00:30:09,629

going they started driving away and they

704

00:30:14,259 --> 00:30:11,759

saw this light off in the distance they

705

00:30:17,899 --> 00:30:14,269

couldn't figure out what it was you know

706

00:30:20,149 --> 00:30:17,909

so finally they they stopped to take a

707

00:30:21,739 --> 00:30:20,159

look at this thing and Travis hops out

708

00:30:23,330 --> 00:30:21,749

of the truck well they're like is it a

709

00:30:25,999 --> 00:30:23,340

forest fire like what's going on because

710

00:30:27,980 --> 00:30:26,009

the I don't know if maybe it's just in

711

00:30:30,230 --> 00:30:27,990

the movie but did he actually say it was

712

00:30:31,940 --> 00:30:30,240

a red light was it I can't remember from

713

00:30:34,039 --> 00:30:31,950

his testimony I can't remember if it was

714

00:30:35,840 --> 00:30:34,049

it must have been like an orange oranges

715

00:30:38,160 --> 00:30:35,850

red like a glow or for them to think

716

00:30:41,430 --> 00:30:38,170

that the forest was on fire

717

00:30:43,410 --> 00:30:41,440

and you know in his little documentary

718

00:30:45,419 --> 00:30:43,420

he's like you know I hopped out of the

719

00:30:47,880 --> 00:30:45,429

truck and I started heading that way and

720

00:30:49,230 --> 00:30:47,890

as I started heading that way I kinda

721

00:30:51,120 --> 00:30:49,240

started to have a second thoughts about

722

00:30:53,669 --> 00:30:51,130

it but I you know I didn't want to like

723

00:30:55,770 --> 00:30:53,679

stop in front of the guys yeah yeah that

724

00:30:58,410 --> 00:30:55,780

kind of told dude thing to do right

725

00:31:00,870 --> 00:30:58,420

right I can't you know can't stop gas

726

00:31:03,299 --> 00:31:00,880

job now yeah and he says he runs up to

727

00:31:05,460 --> 00:31:03,309

this thing he kind of hides behind a

728

00:31:07,289 --> 00:31:05,470

rock to take a look at it and whenever

729

00:31:10,530 --> 00:31:07,299

he decides I need to get the hell out of

730

00:31:13,590 --> 00:31:10,540

here he stands up and when he stands up

731

00:31:18,120 --> 00:31:13,600

he gets hit by this giant blue beam of

732

00:31:21,870 --> 00:31:18,130

light more people in the truck saw they

733

00:31:24,539 --> 00:31:21,880

saw him raised up in the sky yeah you

734

00:31:27,240 --> 00:31:24,549

know like a he was saying it looked like

735

00:31:29,430 --> 00:31:27,250

just some somebody being held by a rope

736

00:31:31,560 --> 00:31:29,440

it was like there's that rope again yeah

737

00:31:33,090 --> 00:31:31,570

there's the yeah that's like a recurring

738

00:31:35,700 --> 00:31:33,100

thing like it kind of like just picks

739

00:31:39,180 --> 00:31:35,710

him up he's total like Jesus Christ

740

00:31:42,120 --> 00:31:39,190

Posey yeah they say is is nuts and

741

00:31:45,060 --> 00:31:42,130

everybody said that they they saw him go

742

00:31:47,549 --> 00:31:45,070

up in the sky and then the light went

743

00:31:49,799 --> 00:31:47,559

out and Travis falls to the ground

744

00:31:52,440 --> 00:31:49,809

and one of the guys said yeah you you

745

00:31:54,570 --> 00:31:52,450

like bounced off the ground we all

746

00:31:57,120 --> 00:31:54,580

thought you were dead like you had just

747

00:31:59,220 --> 00:31:57,130

gotten zapped by something we didn't

748

00:32:02,310 --> 00:31:59,230

know what it was we thought we thought

749

00:32:04,680 --> 00:32:02,320

you were dead so the guys take off

750

00:32:07,440 --> 00:32:04,690

driving man they take off down the road

751  
00:32:08,250 --> 00:32:07,450  
[h\_\_h] yeah yeah they free we just saw our

752  
00:32:11,190 --> 00:32:08,260  
friend get killed

753  
00:32:14,250 --> 00:32:11,200  
dude I mean obviously like what would

754  
00:32:14,909 --> 00:32:14,260  
you do in that situation bro like what

755  
00:32:16,710 --> 00:32:14,919  
yeah exactly

756  
00:32:18,600 --> 00:32:16,720  
anybody out there that's thinking like

757  
00:32:21,900 --> 00:32:18,610  
oh I would never leave my friend yeah

758  
00:32:25,590 --> 00:32:21,910  
dude if you saw that happen I will [h\_\_h]

759  
00:32:27,870 --> 00:32:25,600  
I would hightail it as fast as I could

760  
00:32:34,590 --> 00:32:27,880  
down that mountain yeah yes sorry bro

761  
00:32:36,390 --> 00:32:34,600  
I'd leave you know but I mean I probably

762  
00:32:36,990 --> 00:32:36,400  
I probably chase afternoons they'd take

763  
00:32:39,060 --> 00:32:37,000

me too

764

00:32:41,400 --> 00:32:39,070

first of all you see something you think

765

00:32:43,470 --> 00:32:41,410

might be a forest fire then your buddy

766

00:32:45,120 --> 00:32:43,480

good time to go check it and then the

767

00:32:46,919 --> 00:32:45,130

forest fires zapped your buddy with a

768

00:32:50,169 --> 00:32:46,929

blue beam of light and picks him up off

769

00:32:56,870 --> 00:32:54,560

excuse me I don't think so

770

00:32:59,240 --> 00:32:56,880

schism at like I don't think anybody

771

00:33:01,430 --> 00:32:59,250

sitting in that truck was like Travis

772

00:33:03,350 --> 00:33:01,440

what are you doing you know you know

773

00:33:05,510 --> 00:33:03,360

there was no like stop fooling around

774

00:33:07,430 --> 00:33:05,520

I stood around over there Travis right

775

00:33:10,669 --> 00:33:07,440

yeah oh thanks oh dude

776

00:33:13,750 --> 00:33:10,679

I don't think so right yeah scared the

777

00:33:17,419 --> 00:33:13,760

[h\_\_h] out of me bro for sure for sure

778

00:33:18,919 --> 00:33:17,429

they haul ass right they take off the

779

00:33:20,570 --> 00:33:18,929

guy say about you know a quarter mile

780

00:33:22,010 --> 00:33:20,580

down the road they're like we gotta go

781

00:33:23,690 --> 00:33:22,020

get and we got to pick him up right

782

00:33:26,389 --> 00:33:23,700

there buddy's just laying there on the

783

00:33:29,269 --> 00:33:26,399

ground he's just laying there yeah he

784

00:33:33,710 --> 00:33:29,279

might still be alive we didn't even stop

785

00:33:37,760 --> 00:33:33,720

to check right yeah and so with much

786

00:33:40,399 --> 00:33:37,770

hesitation and dismayed to some of the

787

00:33:44,990 --> 00:33:40,409

crew they turned around to go get Travis

788

00:33:48,860 --> 00:33:45,000

and pick him up Travis is gone gone he's

789

00:33:51,139 --> 00:33:48,870

not there same spot that he just got

790

00:33:53,450 --> 00:33:51,149

dropped on the ground he's no longer

791

00:33:55,159 --> 00:33:53,460

there yeah and I wonder if they had

792

00:33:58,610 --> 00:33:55,169

flashlights or something cuz I mean it

793

00:34:00,649 --> 00:33:58,620

was dark you know what do you do do you

794

00:34:02,480 --> 00:34:00,659

walk around shuffling like you do what

795

00:34:04,240 --> 00:34:02,490

you know when there's stingray in the

796

00:34:11,649 --> 00:34:04,250

ocean and try to feel for things or

797

00:34:20,629 --> 00:34:13,579

honestly I had to think about it for a

798

00:34:24,589 --> 00:34:20,639

second in flashlights ya know I mean I'm

799

00:34:26,659 --> 00:34:24,599

you know lanterns flashlights whatever

800

00:34:29,359 --> 00:34:26,669

it is dude like the headlights on the

801  
00:34:32,210 --> 00:34:29,369  
truck for gas lanterns do you know what

802  
00:34:35,300 --> 00:34:32,220  
I'm saying like they they they pulled up

803  
00:34:40,369 --> 00:34:35,310  
to the same spot Travis is gone can you

804  
00:34:43,129 --> 00:34:40,379  
imagine the pit in your stomach like did

805  
00:34:44,510 --> 00:34:43,139  
Travis crawl away like all the questions

806  
00:34:46,280 --> 00:34:44,520  
that would be going through your head

807  
00:34:48,230 --> 00:34:46,290  
right right because they searched for

808  
00:34:50,480 --> 00:34:48,240  
him they stayed around they looked for

809  
00:34:54,800 --> 00:34:50,490  
him in this spot yeah

810  
00:34:57,139 --> 00:34:54,810  
in know Travis I mean how long would you

811  
00:34:59,300 --> 00:34:57,149  
stay out there that I got I'd have to

812  
00:35:02,210 --> 00:34:59,310  
think like man like we can't go back to

813  
00:35:03,540 --> 00:35:02,220

town without Travis right you know I

814

00:35:05,550 --> 00:35:03,550

mean it's um nobody's gonna

815

00:35:08,610 --> 00:35:05,560

believe this exactly like we have to run

816

00:35:12,990 --> 00:35:08,620

to Mexico now like we didn't kill the

817

00:35:14,370 --> 00:35:13,000

guy but you know he's got I don't know I

818

00:35:16,350 --> 00:35:14,380

don't know what I would have done miss

819

00:35:19,860 --> 00:35:16,360

and and then just like the feeling of

820

00:35:22,920 --> 00:35:19,870

like what you just saw now Travis is

821

00:35:24,960 --> 00:35:22,930

gone but knowing that you need to look

822

00:35:27,420 --> 00:35:24,970

for him you know what I'm saying like

823

00:35:30,810 --> 00:35:27,430

yeah at least gave it a shot

824

00:35:33,510 --> 00:35:30,820

yeah dude like that's it these are this

825

00:35:36,690 --> 00:35:33,520

is a group of just normal you know salt

826

00:35:40,700 --> 00:35:36,700

of the earth people you know I mean I'm

827

00:35:43,950 --> 00:35:40,710

sure they had some kind of you know what

828

00:35:45,450 --> 00:35:43,960

travesty - at the time Bob that's crying

829

00:35:49,050 --> 00:35:45,460

and one of the youngest guys on the crew

830

00:35:51,570 --> 00:35:49,060

was 17 you lied to get me that's right

831

00:35:52,230 --> 00:35:51,580

yeah yeah I'd like to get the job wow

832

00:35:55,230 --> 00:35:52,240

that's crazy

833

00:35:59,400 --> 00:35:55,240

he was 17 you imagine that being 17

834

00:36:00,210 --> 00:35:59,410

years old my god oh yeah yeah that's

835

00:36:03,390 --> 00:36:00,220

insane

836

00:36:06,390 --> 00:36:03,400

so so what happens next dude they don't

837

00:36:09,420 --> 00:36:06,400

find Travis what happens satisfied

838

00:36:10,800 --> 00:36:09,430

dude they did not find the guy so

839

00:36:13,020 --> 00:36:10,810

they're like [\h\_\_\h] we gotta go gotta go

840

00:36:15,510 --> 00:36:13,030

to town I've got to go to town we gotta

841

00:36:16,980 --> 00:36:15,520

we gotta tell somebody you know they're

842

00:36:18,240 --> 00:36:16,990

gonna know Travis is missing they

843

00:36:28,950 --> 00:36:18,250

stopped at McDonald's on the way back

844

00:36:32,460 --> 00:36:28,960

right thanks DJ Barger dude dude no

845

00:36:34,830 --> 00:36:32,470

flashlights nobody knows oh no it was

846

00:36:38,790 --> 00:36:34,840

just Burger King do you know when still

847

00:36:40,680 --> 00:36:38,800

no one ate there alright that's the home

848

00:36:43,200 --> 00:36:40,690

of the whopper to eras Phoenix Arizona

849

00:36:45,990 --> 00:36:43,210

on the home of the whopper bro you can

850

00:36:50,490 --> 00:36:46,000

go see it it's by the airport sit on the

851

00:36:53,100 --> 00:36:50,500

window home of the one in big metal

852

00:36:55,680 --> 00:36:53,110

letters it says oh that's the home

853

00:36:57,720 --> 00:36:55,690

that's the armory it's not every burger

854

00:36:59,190 --> 00:36:57,730

king dude it's not one it's the one in

855

00:37:01,080 --> 00:36:59,200

Phoenix Arizona by the airport there's

856

00:37:02,730 --> 00:37:01,090

no way one cheeseburger can have so many

857

00:37:07,610 --> 00:37:02,740

houses yeah you know what I'm saying

858

00:37:14,820 --> 00:37:11,990

yeah dude so they go back into town and

859

00:37:16,010 --> 00:37:14,830

yeah they have to tell you know the

860

00:37:19,370 --> 00:37:16,020

police

861

00:37:22,130 --> 00:37:19,380

Sheriff's Department yeah immediately

862

00:37:24,080 --> 00:37:22,140

yeah they all think you murdered Travis

863

00:37:25,640 --> 00:37:24,090

what the hell'd you do so I can't

864

00:37:27,260 --> 00:37:25,650

remember from the documentary but they

865

00:37:29,300 --> 00:37:27,270

immediately take them in for questioning

866

00:37:31,550 --> 00:37:29,310

or did they let them go home cuz that's

867

00:37:34,190 --> 00:37:31,560

what the movie is unclear about fire in

868

00:37:36,109 --> 00:37:34,200

the skies and I know they dramatize

869

00:37:38,030 --> 00:37:36,119

things and a lot of the details are kind

870

00:37:40,070 --> 00:37:38,040

of switched around and you know just for

871

00:37:42,710 --> 00:37:40,080

movie flow sake but I can't remember

872

00:37:44,210 --> 00:37:42,720

because if you were a police officer if

873

00:37:46,970 --> 00:37:44,220

I was a police officer and these kids

874

00:37:48,440 --> 00:37:46,980

said yeah our kit or our buddy might be

875

00:37:49,609 --> 00:37:48,450

dead we can't find him I would

876

00:37:52,730 --> 00:37:49,619

definitely take them in for questioning

877

00:37:55,160 --> 00:37:52,740

like hey guys sorry but um you know I

878

00:37:55,430 --> 00:37:55,170

mean they they sat around they talk to

879

00:38:04,100 --> 00:37:55,440

him

880

00:38:05,960 --> 00:38:04,110

mean how can you like no crime yeah if

881

00:38:07,820 --> 00:38:05,970

they have a crime you haven't committed

882

00:38:10,100 --> 00:38:07,830

a crime where they couldn't prove it

883

00:38:12,620 --> 00:38:10,110

yeah the best you could do is alright

884

00:38:14,240 --> 00:38:12,630

y'all go home and we'll get back out

885

00:38:16,250 --> 00:38:14,250

this tomorrow I mean I guess it's an

886

00:38:18,230 --> 00:38:16,260

investigation yeah maybe they held them

887

00:38:19,609 --> 00:38:18,240

I'm not sure I'm unclear on that if

888

00:38:22,060 --> 00:38:19,619

anybody out there knows whether or not

889

00:38:24,290 --> 00:38:22,070

they let you home that night or if they

890

00:38:26,120 --> 00:38:24,300

took them straight to the station and

891

00:38:27,920 --> 00:38:26,130

made them stay there yeah yeah let us

892

00:38:29,900 --> 00:38:27,930

know I'm not a hundred percent sure

893

00:38:35,750 --> 00:38:29,910

though that's it that's a good question

894

00:38:38,990 --> 00:38:35,760

so then then so it's it's been I guess a

895

00:38:41,750 --> 00:38:39,000

full day and then a police you know call

896

00:38:43,550 --> 00:38:41,760

like a search party right yeah I was one

897

00:38:46,010 --> 00:38:43,560

of the biggest search parties like in

898

00:38:48,920 --> 00:38:46,020

history yeah that's right yeah yeah like

899

00:38:51,260 --> 00:38:48,930

to this day this huge search party

900

00:38:53,030 --> 00:38:51,270

looking for Travis man and nobody could

901  
00:38:56,690 --> 00:38:53,040  
find him they searched all through the

902  
00:38:58,609 --> 00:38:56,700  
woods no Travis they found some Smurfs

903  
00:39:02,900 --> 00:38:58,619  
out there though some Smurfs yeah they

904  
00:39:12,410 --> 00:39:02,910  
found the village stepping on my shoes

905  
00:39:15,410 --> 00:39:12,420  
oh dude sorry oh we didn't find Travis

906  
00:39:17,990 --> 00:39:15,420  
but we sir we found we did find Papa

907  
00:39:20,090 --> 00:39:18,000  
Smurf he was an [h\_\_h]

908  
00:39:23,300 --> 00:39:20,100  
he was really grumpy we kicked over his

909  
00:39:25,490 --> 00:39:23,310  
house yeah bummer we offered to buy him

910  
00:39:26,380 --> 00:39:25,500  
a new about you you know you can't just

911  
00:39:27,880 --> 00:39:26,390  
buy this thing

912  
00:39:29,920 --> 00:39:27,890  
you can't buy a lot of work that goes

913  
00:39:31,630 --> 00:39:29,930

into him it does yeah a lot of work

914

00:39:33,430 --> 00:39:31,640

awesome work lots of work that goes into

915

00:39:38,380 --> 00:39:33,440

there are the engineering and the time

916

00:39:44,109 --> 00:39:38,390

that it takes infrastructure so sorry I

917

00:39:46,740 --> 00:39:44,119

keep it so try so I mean dude Travis is

918

00:39:51,970 --> 00:39:46,750

gone for five days five days five days

919

00:39:54,309 --> 00:39:51,980

and finally search party is done you

920

00:39:56,440 --> 00:39:54,319

know they're like look you guys murdered

921

00:39:59,049 --> 00:39:56,450

Travis we need to know the truth

922

00:40:01,269 --> 00:39:59,059

somebody confess nobody's confessing

923

00:40:03,480 --> 00:40:01,279

because nobody murdered him Yeah right

924

00:40:05,589 --> 00:40:03,490

so this is like a big deal because

925

00:40:07,359 --> 00:40:05,599

because nobody can figure out what's

926

00:40:11,140 --> 00:40:07,369

going on nobody believes these guys

927

00:40:15,460 --> 00:40:11,150

stories right after five days bro

928

00:40:18,009 --> 00:40:15,470

like Travis Travis shows up well the

929

00:40:21,759 --> 00:40:18,019

whole town before he shows up the whole

930

00:40:24,759 --> 00:40:21,769

town is like dude with it's like a mob

931

00:40:27,130 --> 00:40:24,769

people are you know talking [h\_\_h] mad at

932

00:40:28,809 --> 00:40:27,140

all the guys pissed off and they had to

933

00:40:30,849 --> 00:40:28,819

like sneak out of their windows and

934

00:40:33,880 --> 00:40:30,859

things like that tonight to you know kid

935

00:40:36,249 --> 00:40:33,890

get to get anywhere I know everybody was

936

00:40:37,599 --> 00:40:36,259

like don't leave the house dude there's

937

00:40:39,430 --> 00:40:37,609

mobs out there and they're not happy

938

00:40:42,549 --> 00:40:39,440

with you yeah right because they think

939

00:40:45,549 --> 00:40:42,559

they just hit Travis's body yeah man

940

00:40:48,670 --> 00:40:45,559

what did what a terrible situation

941

00:40:50,650 --> 00:40:48,680

that's a terrible situation yeah but

942

00:40:54,490 --> 00:40:50,660

let's get back to Travis in his terrible

943

00:40:57,249 --> 00:40:54,500

situation right so so Travis regains

944

00:41:01,230 --> 00:40:57,259

consciousness he says that he wakes up

945

00:41:05,099 --> 00:41:01,240

in this in this room and he sees these

946

00:41:08,049 --> 00:41:05,109

as these et beings you know they're

947

00:41:10,329 --> 00:41:08,059

small little beings and he kind of

948

00:41:12,759 --> 00:41:10,339

freaks out so he grabs

949

00:41:14,529 --> 00:41:12,769

he grabs something off the table and he

950

00:41:16,990 --> 00:41:14,539

starts like waving it and I'm like

951  
00:41:18,970 --> 00:41:17,000  
trying to hit these things and he says

952  
00:41:21,819 --> 00:41:18,980  
that they just kind of slowly backed up

953  
00:41:23,349 --> 00:41:21,829  
and they they just disappeared into

954  
00:41:26,499 --> 00:41:23,359  
another room like there was no

955  
00:41:29,890 --> 00:41:26,509  
confrontation with yeah right and so

956  
00:41:31,809 --> 00:41:29,900  
he's like okay so I'm in this room he

957  
00:41:34,690 --> 00:41:31,819  
tries to find a way out he's looking

958  
00:41:37,180 --> 00:41:34,700  
around and he goes you know down the

959  
00:41:39,230 --> 00:41:37,190  
hallway and then he sees this other room

960  
00:41:41,240 --> 00:41:39,240  
and it's got like like

961  
00:41:43,010 --> 00:41:41,250  
chair in there it's got like a little

962  
00:41:46,270 --> 00:41:43,020  
chair with some some dial some like

963  
00:41:50,420 --> 00:41:46,280

dials and knobs and things and he sees

964

00:41:52,490 --> 00:41:50,430

another almost human human looking like

965

00:41:56,270 --> 00:41:52,500

figure he done he say Nordic is that

966

00:41:58,910 --> 00:41:56,280

what he says maybe maybe but this one

967

00:42:00,380 --> 00:41:58,920

has a helmet on it's got a helmet it

968

00:42:02,720 --> 00:42:00,390

looks like a human and he's got a helmet

969

00:42:04,250 --> 00:42:02,730

on dude yeah this is what another one of

970

00:42:08,030 --> 00:42:04,260

those were like okay we have another

971

00:42:11,750 --> 00:42:08,040

abduction case another one another human

972

00:42:14,780 --> 00:42:11,760

looking figure right who's who's on this

973

00:42:17,240 --> 00:42:14,790

ship with these with these these Gray's

974

00:42:20,210 --> 00:42:17,250

or these small et's i don't know if they

975

00:42:22,490 --> 00:42:20,220

say grace but specifically yeah i don't

976

00:42:24,440 --> 00:42:22,500

think so but there's these small et's

977

00:42:26,690 --> 00:42:24,450

all right and then you have these

978

00:42:29,060 --> 00:42:26,700

humanoid figures that are helm has

979

00:42:30,890 --> 00:42:29,070

helmets wonder why he hadn't had to have

980

00:42:32,810 --> 00:42:30,900

a helmet and Travis didn't yeah that's

981

00:42:36,440 --> 00:42:32,820

kind of weird right now I'm thinking

982

00:42:38,540 --> 00:42:36,450

about like just the air type you know

983

00:42:40,329 --> 00:42:38,550

the kind of oxygen that humans have to

984

00:42:42,560 --> 00:42:40,339

breathe is probably different than

985

00:42:44,030 --> 00:42:42,570

whatever they're used to yeah and I'm

986

00:42:46,370 --> 00:42:44,040

thinking about like that maybe the small

987

00:42:48,220 --> 00:42:46,380

beings and it was let's say they were

988

00:42:50,180 --> 00:42:48,230

great and they're kind of like robot

989

00:42:52,310 --> 00:42:50,190

biological robots they don't need to

990

00:42:55,190 --> 00:42:52,320

breathe so that's why they make you know

991

00:42:58,099 --> 00:42:55,200

the Nordics or whoever the reptilians or

992

00:43:00,020 --> 00:42:58,109

whoever make these little biological

993

00:43:02,270 --> 00:43:00,030

robots do their bidding because it's

994

00:43:04,099 --> 00:43:02,280

really tough for them to maneuver around

995

00:43:05,960 --> 00:43:04,109

huh maybe these things don't aren't

996

00:43:08,540 --> 00:43:05,970

breathing right yeah so they don't so

997

00:43:09,859 --> 00:43:08,550

it's it's that's why they use them to do

998

00:43:11,900 --> 00:43:09,869

whatever because they're not they don't

999

00:43:13,880 --> 00:43:11,910

have to breathe that I guess maybe they

1000

00:43:16,010 --> 00:43:13,890

don't like they're not affected by

1001  
00:43:19,280 --> 00:43:16,020  
gravity so much cuz they're you know not

1002  
00:43:23,089 --> 00:43:19,290  
alive and stuff yeah yeah yeah you know

1003  
00:43:26,089 --> 00:43:23,099  
I also heard something about how ETS

1004  
00:43:29,060 --> 00:43:26,099  
have a certain smell AHA yeah like it

1005  
00:43:33,109 --> 00:43:29,070  
always like it's pretty raunchy but like

1006  
00:43:36,170 --> 00:43:33,119  
they they don't excrete waste like we do

1007  
00:43:39,589 --> 00:43:36,180  
right so all their waste gets excreted

1008  
00:43:40,849 --> 00:43:39,599  
through their skin oh yeah that's why

1009  
00:43:43,290 --> 00:43:40,859  
there's always like like some people are

1010  
00:43:45,900 --> 00:43:43,300  
always I smelled like ammonia or

1011  
00:43:47,370 --> 00:43:45,910  
yeah well they smell like certain

1012  
00:43:49,970 --> 00:43:47,380  
experience or say that

1013  
00:43:55,710 --> 00:43:49,980

yeah like reptilian smell like smegma

1014

00:43:57,390 --> 00:43:55,720

magma magma duck butter yeah and that's

1015

00:43:59,040 --> 00:43:57,400

kind of interesting yeah that's pretty

1016

00:44:01,650 --> 00:43:59,050

interesting yeah maybe maybe that's

1017

00:44:03,930 --> 00:44:01,660

something we got to look into yeah hmm

1018

00:44:06,180 --> 00:44:03,940

if these things don't go to the bathroom

1019

00:44:07,560 --> 00:44:06,190

like regular things and maybe the like

1020

00:44:09,590 --> 00:44:07,570

it just comes out of their pores yeah

1021

00:44:13,020 --> 00:44:09,600

that's how they get rid of waste whoa

1022

00:44:14,970 --> 00:44:13,030

the like oh I guess frog still pee but

1023

00:44:17,040 --> 00:44:14,980

don't they breathe kind of some

1024

00:44:19,200 --> 00:44:17,050

sometimes out of their skin they're in a

1025

00:44:24,330 --> 00:44:19,210

way I think so I think so certain ones

1026

00:44:26,100 --> 00:44:24,340

do anyway yeah but uh yeah so anyways he

1027

00:44:28,350 --> 00:44:26,110

gets kind of like he feels a little bit

1028

00:44:31,230 --> 00:44:28,360

calm he says and he gets taken by this

1029

00:44:34,260 --> 00:44:31,240

this more human looking thing wearing a

1030

00:44:36,950 --> 00:44:34,270

helmet and takes him down the hallway

1031

00:44:40,080 --> 00:44:36,960

into another room and there he sees

1032

00:44:42,900 --> 00:44:40,090

another one and at that point

1033

00:44:45,060 --> 00:44:42,910

Travis blacks out everything goes dark

1034

00:44:50,430 --> 00:44:45,070

yeah and that's all that he can really

1035

00:44:53,610 --> 00:44:50,440

remember mmm right so during this whole

1036

00:44:55,410 --> 00:44:53,620

time you know town is freaking out the

1037

00:44:58,050 --> 00:44:55,420

mob is trying to kill his friends

1038

00:45:01,310 --> 00:44:58,060

everybody thinks a murder Travis right

1039

00:45:05,010 --> 00:45:01,320

and so one fateful night five nights

1040

00:45:07,320 --> 00:45:05,020

later yeah five days later right his

1041

00:45:09,960 --> 00:45:07,330

brother-in-law gets that call yeah the

1042

00:45:13,230 --> 00:45:09,970

phone booth brother was it like 30

1043

00:45:15,870 --> 00:45:13,240

minutes away - oh yeah it was like hey

1044

00:45:18,180 --> 00:45:15,880

down the road yeah it Travis says when

1045

00:45:21,150 --> 00:45:18,190

he was dropped off he gets dropped off

1046

00:45:23,910 --> 00:45:21,160

on on the road he kind of comes to agree

1047

00:45:27,390 --> 00:45:23,920

gains consciousness he looks up and it's

1048

00:45:29,310 --> 00:45:27,400

like he sees the craft like leaving

1049

00:45:31,620 --> 00:45:29,320

right like he sees like a bright light

1050

00:45:33,300 --> 00:45:31,630

and like kind of closes like the door

1051  
00:45:35,190 --> 00:45:33,310  
closes and then all of a sudden it just

1052  
00:45:38,220 --> 00:45:35,200  
leaves it goes up in the air and it's

1053  
00:45:40,770 --> 00:45:38,230  
gone yeah dude that's pretty awesome

1054  
00:45:42,600 --> 00:45:40,780  
detail that's not in the movie either

1055  
00:45:44,070 --> 00:45:42,610  
yeah that's pretty awesome and they

1056  
00:45:45,450 --> 00:45:44,080  
don't they don't bring up the Nordic

1057  
00:45:47,400 --> 00:45:45,460  
looking people and them in the movie

1058  
00:45:49,280 --> 00:45:47,410  
fire in the sky either no no they don't

1059  
00:45:52,200 --> 00:45:49,290  
good into that no I don't think there's

1060  
00:45:53,079 --> 00:45:52,210  
there's any money in a human-looking II

1061  
00:45:54,489 --> 00:45:53,089  
jeez

1062  
00:45:57,669 --> 00:45:54,499  
they only want to know about the

1063  
00:46:00,699 --> 00:45:57,679

weird-lookin he wants yeah you know the

1064

00:46:02,559 --> 00:46:00,709

grays and the tall whites and and you

1065

00:46:04,779 --> 00:46:02,569

know those are the main ones that you

1066

00:46:07,419 --> 00:46:04,789

see yeah basically right you know maybe

1067

00:46:09,489 --> 00:46:07,429

the more robotic looking things yeah

1068

00:46:11,829 --> 00:46:09,499

that's kind of what what sells what

1069

00:46:15,069 --> 00:46:11,839

makes money the the ones that creep

1070

00:46:17,140 --> 00:46:15,079

around corners looking at you oh did we

1071

00:46:19,209 --> 00:46:17,150

talk about all the podcasters it's that

1072

00:46:21,489 --> 00:46:19,219

us freaking out over stuff this past

1073

00:46:23,380 --> 00:46:21,499

week probably a little bit of both I

1074

00:46:29,589 --> 00:46:23,390

know we've talked about how like pissed

1075

00:46:32,109 --> 00:46:29,599

we would be if we just saw one yes and

1076

00:46:36,279 --> 00:46:32,119

now like it's kind of solidified that

1077

00:46:38,499 --> 00:46:36,289

that [\h\_\_\h] does happen yeah uh just

1078

00:46:40,719 --> 00:46:38,509

creeping around your house dude you hear

1079

00:46:42,429 --> 00:46:40,729

little footsteps and you see a little

1080

00:46:44,229 --> 00:46:42,439

head creep around the corner of your

1081

00:46:47,649 --> 00:46:44,239

bedroom do it you know what's up [\h\_\_\h]

1082

00:46:55,719 --> 00:46:47,659

that is I have I have little pups with

1083

00:46:58,149 --> 00:46:55,729

little feet in occasion I know it's the

1084

00:47:00,159 --> 00:46:58,159

dog but you know we're talking about

1085

00:47:02,169 --> 00:47:00,169

your imagination just running wild with

1086

00:47:06,009 --> 00:47:02,179

you like [\h\_\_\h] I just have to like get

1087

00:47:11,679 --> 00:47:06,019

up right reset myself a little bit right

1088

00:47:12,329 --> 00:47:11,689

and okay all right no okay I'm fine all

1089

00:47:21,219 --> 00:47:12,339

right

1090

00:47:23,140 --> 00:47:21,229

of you brain you shut down now I'm gonna

1091

00:47:26,890 --> 00:47:23,150

start having a sleep with a flashlight

1092

00:47:28,989 --> 00:47:26,900

next to my bad dude bro we're gonna have

1093

00:47:30,609 --> 00:47:28,999

to have star have a sleepover yeah I did

1094

00:47:32,380 --> 00:47:30,619

you know I'm saying you know man it can

1095

00:47:35,859 --> 00:47:32,390

move Indian do it we'll have bunk beds

1096

00:47:38,259 --> 00:47:35,869

some down. look beds would be so fun dude

1097

00:47:46,919 --> 00:47:38,269

buddy they have separate rooms where we

1098

00:47:54,039 --> 00:47:51,189

so we're we yet so I mean I don't really

1099

00:47:54,789 --> 00:47:54,049

remember anything brother log it's the

1100

00:48:00,009 --> 00:47:54,799

phone call

1101  
00:48:02,679 --> 00:48:00,019  
drives about thirty minutes away and

1102  
00:48:04,089 --> 00:48:02,689  
finds Travis at this little gas station

1103  
00:48:05,499 --> 00:48:04,099  
that's across the street and originally

1104  
00:48:06,880 --> 00:48:05,509  
he thinks somebody's bullshitting with

1105  
00:48:10,120 --> 00:48:06,890  
them right yet so

1106  
00:48:12,269 --> 00:48:10,130  
it's almost got left bro yeah yeah

1107  
00:48:15,789 --> 00:48:12,279  
that woulda suck yeah he was like dude

1108  
00:48:17,380 --> 00:48:15,799  
so I can't remember if I'm kind of

1109  
00:48:18,400 --> 00:48:17,390  
merging the two in my brain right now

1110  
00:48:19,750 --> 00:48:18,410  
it's been a while since I've seen the

1111  
00:48:25,329 --> 00:48:19,760  
actual documentary where he's talking

1112  
00:48:27,789 --> 00:48:25,339  
about his experience but the is he fully

1113  
00:48:29,410 --> 00:48:27,799

nude when he's found I don't think so

1114

00:48:31,660 --> 00:48:29,420

okay I think he I think he has clothes

1115

00:48:33,519 --> 00:48:31,670

alone like in real life yeah I think he

1116

00:48:36,339 --> 00:48:33,529

has because in the movie he's he's fully

1117

00:48:38,950 --> 00:48:36,349

nude yeah he like wakes up in this gas

1118

00:48:41,079 --> 00:48:38,960

station bathroom or something yeah right

1119

00:48:43,539 --> 00:48:41,089

yeah and then like reaches the phone

1120

00:48:46,089 --> 00:48:43,549

booth from there but he does go to a

1121

00:48:49,150 --> 00:48:46,099

nearby gas station he does find a phone

1122

00:48:52,359 --> 00:48:49,160

and he makes that call to his to his

1123

00:48:54,930 --> 00:48:52,369

brother-in-law and so they go to check

1124

00:48:57,549 --> 00:48:54,940

it out and they find Travis there and

1125

00:49:00,400 --> 00:48:57,559

Travis is a little taken back because

1126

00:49:01,660 --> 00:49:00,410

his brother-in-law is like where the

1127

00:49:04,180 --> 00:49:01,670

hell have you been

1128

00:49:09,640 --> 00:49:04,190

dude like we've been looking for you for

1129

00:49:11,200 --> 00:49:09,650

five days and Travis is like he he

1130

00:49:13,690 --> 00:49:11,210

thought he was only gone for the evening

1131

00:49:16,380 --> 00:49:13,700

a couple hours yeah yeah like he was

1132

00:49:19,660 --> 00:49:16,390

gone a few hours just so no evening like

1133

00:49:24,370 --> 00:49:19,670

talk about missing time yeah five days

1134

00:49:27,339 --> 00:49:24,380

down to two hours bro cow holy cow I

1135

00:49:29,890 --> 00:49:27,349

wonder if you know if it has to do with

1136

00:49:32,079 --> 00:49:29,900

maybe the ship goes to a different spot

1137

00:49:34,859 --> 00:49:32,089

and they have to time travel back with

1138

00:49:37,329 --> 00:49:34,869

their ship or they just drugged him or

1139

00:49:40,569 --> 00:49:37,339

somehow alter his consciousness to

1140

00:49:42,700 --> 00:49:40,579

forget about the time so he only feels

1141

00:49:46,359 --> 00:49:42,710

like it's just it's just weird that like

1142

00:49:49,569 --> 00:49:46,369

okay you're in the forest you pick

1143

00:49:52,089 --> 00:49:49,579

Travis up why'd you have to go away the

1144

00:49:54,549 --> 00:49:52,099

hell out wherever it is that you went

1145

00:49:56,470 --> 00:49:54,559

that you had to time travel to yeah just

1146

00:49:58,450 --> 00:49:56,480

to bring him all the way back and drop

1147

00:50:00,490 --> 00:49:58,460

him off near a gas station or maybe they

1148

00:50:03,430 --> 00:50:00,500

just hung out by a portal or something

1149

00:50:06,940 --> 00:50:03,440

like that maybe maybe maybe it took that

1150

00:50:11,529 --> 00:50:06,950

time like so Travis even says that that

1151

00:50:14,109 --> 00:50:11,539

it's possible that when they picked him

1152

00:50:16,509 --> 00:50:14,119

up and took him had it not been for that

1153

00:50:19,390 --> 00:50:16,519

he might have died that they helped him

1154

00:50:20,049 --> 00:50:19,400

oh wow yeah oh because they shot him

1155

00:50:24,009 --> 00:50:20,059

with that be

1156

00:50:26,229 --> 00:50:24,019

them up and then maybe took care of him

1157

00:50:27,039 --> 00:50:26,239

haha I made sure he didn't die oh that's

1158

00:50:30,699 --> 00:50:27,049

sweet

1159

00:50:33,160 --> 00:50:30,709

yeah that's a nice story uh-huh oh man

1160

00:50:35,739 --> 00:50:33,170

so I think initially maybe this whole

1161

00:50:39,549 --> 00:50:35,749

thing is completely terrifying

1162

00:50:42,099 --> 00:50:39,559

yeah but over the years and years of

1163

00:50:44,589 --> 00:50:42,109

like mulling this over in his head and

1164

00:50:47,079 --> 00:50:44,599

thinking about it you know maybe he's

1165

00:50:52,390 --> 00:50:47,089

like yeah it's still scary as [h\_\_\h] right

1166

00:50:54,219 --> 00:50:52,400

yeah I don't particularly like I didn't

1167

00:50:56,109 --> 00:50:54,229

ask for this and I don't particularly

1168

00:50:58,539 --> 00:50:56,119

you know I'm not excited that this

1169

00:51:01,059 --> 00:50:58,549

happened to me or anything but at the

1170

00:51:04,059 --> 00:51:01,069

same time maybe if they hadn't have

1171

00:51:06,009 --> 00:51:04,069

picked me up I'd be dead now yeah so

1172

00:51:07,689 --> 00:51:06,019

maybe they actually saved his life you

1173

00:51:10,120 --> 00:51:07,699

haven't thought of that and such a

1174

00:51:13,719 --> 00:51:10,130

roundabout lights pretty cool kind of

1175

00:51:15,880 --> 00:51:13,729

fucked-up way mm-hmm like maybe like you

1176

00:51:17,380 --> 00:51:15,890

know they're just chillin right so the

1177

00:51:20,079 --> 00:51:17,390

aliens are out there in the forest

1178

00:51:22,029 --> 00:51:20,089

they're hanging out right maybe they

1179

00:51:25,359 --> 00:51:22,039

would to go check out the Smurfs and

1180

00:51:28,779 --> 00:51:25,369

meet those guys some dude pops his head

1181

00:51:30,339 --> 00:51:28,789

out from behind a rock scared the [h\_\_h]

1182

00:51:33,779 --> 00:51:30,349

out of them yeah they hit him with the

1183

00:51:36,219 --> 00:51:33,789

beam right and they're like oh my god

1184

00:51:38,589 --> 00:51:36,229

what do you mean do that sorry

1185

00:51:41,049 --> 00:51:38,599

right and then and then his buddies take

1186

00:51:43,089 --> 00:51:41,059

off and they're like oh that's [h\_\_h] of

1187

00:51:45,009 --> 00:51:43,099

you buddies just took off and they're

1188

00:51:47,049 --> 00:51:45,019

like whoa well great won't be his buddy

1189

00:51:49,359 --> 00:51:47,059

well great we'll fix him now we're stuck

1190

00:51:51,789 --> 00:51:49,369

with this guy you know and like we have

1191

00:51:53,859 --> 00:51:51,799

to figure out what to do dude that makes

1192

00:51:56,259 --> 00:51:53,869

a lot of sense you know instead of in a

1193

00:51:58,569 --> 00:51:56,269

pick them up and then Travis wakes up on

1194

00:52:00,999 --> 00:51:58,579

the ship and he's freaking out and so

1195

00:52:03,880 --> 00:52:01,009

these things like all right we're not

1196

00:52:08,049 --> 00:52:03,890

here to do anything bad to you maybe I

1197

00:52:13,089 --> 00:52:08,059

don't know maybe the movie makes it seem

1198

00:52:14,499 --> 00:52:13,099

like they're a lot more or the evil they

1199

00:52:17,410 --> 00:52:14,509

bring out that and then in the movie

1200

00:52:18,849 --> 00:52:17,420

they explain this like thing that comes

1201

00:52:20,890 --> 00:52:18,859

out of the ceiling and there's like a

1202

00:52:23,469 --> 00:52:20,900

needle in it and stuff that goes into

1203

00:52:24,849 --> 00:52:23,479

didn't talk about that I don't think

1204

00:52:26,499 --> 00:52:24,859

that's real I haven't heard any of that

1205

00:52:28,439 --> 00:52:26,509

stuff that didn't like you know like

1206

00:52:31,689 --> 00:52:28,449

they they cover his whole body with that

1207

00:52:33,820 --> 00:52:31,699

bed like the goo yeah

1208

00:52:37,000 --> 00:52:33,830

Balian geezy he's in like a

1209

00:52:38,920 --> 00:52:37,010

and like my god look cacoon cacoon he

1210

00:52:40,930 --> 00:52:38,930

hit and then he drops into one that's

1211

00:52:43,330 --> 00:52:40,940

but there's another human inside of it

1212

00:52:44,980 --> 00:52:43,340

and he's dead or whatever decaying like

1213

00:52:47,170 --> 00:52:44,990

I don't think that ever happened that's

1214

00:52:49,570 --> 00:52:47,180

more like Hollywood like trying to like

1215

00:52:51,520 --> 00:52:49,580

make a scary movie yeah right solutely

1216

00:52:53,320 --> 00:52:51,530

um because if you look at the

1217

00:52:55,030 --> 00:52:53,330

information that you know like we know

1218

00:52:58,390 --> 00:52:55,040

of and like the stuff that's in the

1219

00:53:02,620 --> 00:52:58,400

documentaries I mean that it's kind of a

1220

00:53:04,330 --> 00:53:02,630

short movie I guess yeah right uh but

1221

00:53:05,560 --> 00:53:04,340

you know documentary form you know you

1222

00:53:09,190 --> 00:53:05,570

got a bunch of people talking and stuff

1223

00:53:12,190 --> 00:53:09,200

like that but yeah maybe because there's

1224

00:53:14,980 --> 00:53:12,200

a lot that was not correct about the

1225

00:53:16,840 --> 00:53:14,990

movie yeah you know and then and uh so

1226

00:53:19,360 --> 00:53:16,850

I'm glad the documentaries and stuff are

1227

00:53:21,010 --> 00:53:19,370

out there mm-hmm but and definitely

1228

00:53:23,020 --> 00:53:21,020

check that out definitely check out fire

1229

00:53:25,480 --> 00:53:23,030

in the sky I mean it's a great movie

1230

00:53:28,060 --> 00:53:25,490

Silent One but definitely after that

1231

00:53:29,980 --> 00:53:28,070

definitely check out the the actual

1232

00:53:33,370 --> 00:53:29,990

documentary and who and what he says

1233

00:53:36,580 --> 00:53:33,380

about it yeah I'm pissed that we missed

1234

00:53:38,680 --> 00:53:36,590

his lecture at U of O God I had to buy

1235

00:53:41,500 --> 00:53:38,690

another ticket for oh really yeah it was

1236

00:53:43,770 --> 00:53:41,510

a separate ticket was a lunch like oh

1237

00:53:46,570 --> 00:53:43,780

that's right now I remember right yeah

1238

00:53:51,040 --> 00:53:46,580

yeah I mean we already bought that other

1239

00:53:55,030 --> 00:53:51,050

day pass that was pretty pricey yeah it

1240

00:53:56,740 --> 00:53:55,040

was but yeah I mean yeah it's just being

1241

00:54:00,190 --> 00:53:56,750

able to go out there and mingle is worth

1242

00:54:04,450 --> 00:54:00,200

like the ticket price you go do it yes

1243

00:54:06,460 --> 00:54:04,460

you know networking yeah

1244

00:54:09,690 --> 00:54:06,470

for anybody that's that's into this I

1245

00:54:12,310 --> 00:54:09,700

mean definitely go to some sort of

1246

00:54:14,530 --> 00:54:12,320

conference near you or something because

1247

00:54:16,750 --> 00:54:14,540

it really opened up our eyes about like

1248

00:54:18,160 --> 00:54:16,760

a lot of stuff and you'll just meet a

1249

00:54:20,170 --> 00:54:18,170

lot of other like-minded people

1250

00:54:22,000 --> 00:54:20,180

everybody was so cool everybody was

1251  
00:54:25,450 --> 00:54:22,010  
super nice I really meet anybody that

1252  
00:54:27,010 --> 00:54:25,460  
you know was too weird for me yeah I

1253  
00:54:28,900 --> 00:54:27,020  
don't know I mean everybody was super

1254  
00:54:33,010 --> 00:54:28,910  
laid back and chill yeah absolutely

1255  
00:54:36,580 --> 00:54:33,020  
absolutely yeah yeah I'd finally get any

1256  
00:54:38,770 --> 00:54:36,590  
like hang around the group you know go

1257  
00:54:40,630 --> 00:54:38,780  
being judgey again man you know like

1258  
00:54:43,480 --> 00:54:40,640  
they weren't as weirdest as we thought

1259  
00:54:45,370 --> 00:54:43,490  
some of them could be yeah I mean a

1260  
00:54:47,289 --> 00:54:45,380  
couple weirdos we're coming in we're

1261  
00:54:49,959 --> 00:54:47,299  
coming in this from the outside so we

1262  
00:54:54,159 --> 00:54:49,969  
but all in all like everybody was

1263  
00:54:57,719 --> 00:54:54,169

extremely normal yeah and they were like

1264

00:55:01,359 --> 00:54:57,729

do you guys have a suit like what a suit

1265

00:55:03,159 --> 00:55:01,369

yeah for the banquet yeah yeah I mean I

1266

00:55:05,739 --> 00:55:03,169

have a suit but I only wore it at my

1267

00:55:08,919 --> 00:55:05,749

wedding and your wedding yeah that's the

1268

00:55:11,679 --> 00:55:08,929

only time I ever wore a suit yeah I

1269

00:55:13,329 --> 00:55:11,689

think I maybe next year we'll bring the

1270

00:55:15,669 --> 00:55:13,339

suit and buy the ticket for for the

1271

00:55:18,189 --> 00:55:15,679

banquet yeah yeah definite man

1272

00:55:20,409 --> 00:55:18,199

definitely yeah cuz we didn't want to we

1273

00:55:21,939 --> 00:55:20,419

don't want to show up looking like you

1274

00:55:23,769 --> 00:55:21,949

know just bumming the whole place out

1275

00:55:27,579 --> 00:55:23,779

yeah everybody looking all nice and

1276

00:55:29,679 --> 00:55:27,589

dozens and all we got our yeah

1277

00:55:31,449 --> 00:55:29,689

sandals in short we should get us some

1278

00:55:37,870 --> 00:55:31,459

Dumb and Dumber suits the zoot suits

1279

00:55:40,289 --> 00:55:37,880

yeah yeah all those people were super

1280

00:55:43,839 --> 00:55:40,299

nice I can't say that enough

1281

00:55:48,069 --> 00:55:43,849

but yeah so another thing about this is

1282

00:55:50,019 --> 00:55:48,079

that all of his friends take multiple

1283

00:55:52,419 --> 00:55:50,029

lie detector test oh the Travis Walton

1284

00:55:55,299 --> 00:55:52,429

Casey and the Travis Walton case they

1285

00:55:58,899 --> 00:55:55,309

take multiple tests yeah and they all

1286

00:56:01,449 --> 00:55:58,909

pass them every time every single time

1287

00:56:03,909 --> 00:56:01,459

yeah except for one guy and it came up

1288

00:56:06,370 --> 00:56:03,919

inconclusive yeah and that's because he

1289

00:56:08,139 --> 00:56:06,380

was purposely [h\_\_\h] with it yeah he

1290

00:56:10,269 --> 00:56:08,149

wasn't cooperating he's just being like

1291

00:56:12,219 --> 00:56:10,279

anarchist he was moving around it was

1292

00:56:14,109 --> 00:56:12,229

like I doing this you know I didn't kill

1293

00:56:15,489 --> 00:56:14,119

nobody and it was just kind of one of

1294

00:56:17,229 --> 00:56:15,499

those things really he's like I think

1295

00:56:18,459 --> 00:56:17,239

killing body what I have to prove to you

1296

00:56:21,909 --> 00:56:18,469

I didn't kill anybody

1297

00:56:23,499 --> 00:56:21,919

like take my word for it right but he

1298

00:56:28,719 --> 00:56:23,509

had already kind of been in some trouble

1299

00:56:30,309 --> 00:56:28,729

for some push some other stuff but yeah

1300

00:56:33,579 --> 00:56:30,319

turns out guess what

1301

00:56:37,539 --> 00:56:33,589

he didn't kill nobody he didn't kill no

1302

00:56:39,699 --> 00:56:37,549

bad right even Travis even Travis took

1303

00:56:42,639 --> 00:56:39,709

these tests and at the time I believe it

1304

00:56:43,209 --> 00:56:42,649

was one of the like the leading what are

1305

00:56:45,879 --> 00:56:43,219

they called

1306

00:56:47,379 --> 00:56:45,889

like polygraph yeah I was like a suppo

1307

00:56:50,559 --> 00:56:47,389

League or nog refers or something like

1308

00:56:54,009 --> 00:56:50,569

yeah knocker for knock-knock something

1309

00:56:55,239 --> 00:56:54,019

like that anyways but yeah there's like

1310

00:56:56,679 --> 00:56:55,249

one of the leading people in the field

1311

00:56:57,879 --> 00:56:56,689

at the time yeah you know a lot of

1312

00:56:59,250 --> 00:56:57,889

people will say that you know those

1313

00:57:00,810 --> 00:56:59,260

tests aren't aren't very

1314

00:57:04,050 --> 00:57:00,820

accurate but I think if you're gonna

1315

00:57:07,260 --> 00:57:04,060

test seven people in a row multiple

1316

00:57:10,110 --> 00:57:07,270

times and ask the same questions yeah

1317

00:57:12,300 --> 00:57:10,120

you know what I'm saying trying to get

1318

00:57:14,400 --> 00:57:12,310

you know cuz it's not literally testing

1319

00:57:16,980 --> 00:57:14,410

whether or not you're lining it's

1320

00:57:20,700 --> 00:57:16,990

testing like fresh levels yeah your

1321

00:57:24,030 --> 00:57:20,710

sections to certain questions like does

1322

00:57:26,850 --> 00:57:24,040

your heart rate increase yeah yeah d do

1323

00:57:28,970 --> 00:57:26,860

you sweat a little bit or I don't know

1324

00:57:31,980 --> 00:57:28,980

yeah man do you get fidgety

1325

00:57:34,830 --> 00:57:31,990

but I mean that's that's you know a lot

1326

00:57:37,170 --> 00:57:34,840

of people say you know that's that's not

1327

00:57:41,270 --> 00:57:37,180

very accurate and this and that but dude

1328

00:57:45,090 --> 00:57:41,280

I mean the guy story's incredible yeah

1329

00:57:48,060 --> 00:57:45,100

and why would he just make it up yeah I

1330

00:57:49,950 --> 00:57:48,070

don't know like if if he was really into

1331

00:57:51,810 --> 00:57:49,960

UFOs and aliens and stuff and then this

1332

00:57:53,340 --> 00:57:51,820

happened to him I would question it a

1333

00:57:55,530 --> 00:57:53,350

little more but I mean this guy could

1334

00:57:59,910 --> 00:57:55,540

have could have been more further from

1335

00:58:03,660 --> 00:57:59,920

this whole world you know this community

1336

00:58:04,980 --> 00:58:03,670

or whatever right so yeah just speaking

1337

00:58:07,650 --> 00:58:04,990

to like the validity you have a sort

1338

00:58:09,630 --> 00:58:07,660

dualist story yeah yeah it's it's

1339

00:58:13,260 --> 00:58:09,640

definitely a good one man I mean people

1340

00:58:15,900 --> 00:58:13,270

have tried to tear it apart you know man

1341

00:58:17,730 --> 00:58:15,910

I forget the guys name but they were

1342

00:58:20,610 --> 00:58:17,740

saying that he was just really good at

1343

00:58:23,670 --> 00:58:20,620

like attacking people personally mmm you

1344

00:58:26,460 --> 00:58:23,680

know it wasn't about like socks or E or

1345

00:58:29,520 --> 00:58:26,470

anything like that I think I find that a

1346

00:58:32,400 --> 00:58:29,530

common theme with debunkers is a lot of

1347

00:58:34,980 --> 00:58:32,410

the times debunkers will attack the

1348

00:58:37,350 --> 00:58:34,990

personality of the person in question

1349

00:58:42,120 --> 00:58:37,360

aha not the facts of the story they go

1350

00:58:44,250 --> 00:58:42,130

into like well so-and-so you know was

1351

00:58:46,230 --> 00:58:44,260

late paying his taxes two years in a row

1352

00:58:49,020 --> 00:58:46,240

yeah yeah like what does that have to do

1353

00:58:51,900 --> 00:58:49,030

Philip J class is the guy's name okay

1354

00:58:54,690 --> 00:58:51,910

yeah and he was kind of known in the

1355

00:58:56,730 --> 00:58:54,700

community for just trying to debunk

1356

00:58:59,430 --> 00:58:56,740

stuff I mean I mean I guess all lawyers

1357

00:59:01,320 --> 00:58:59,440

do that yeah but but he was also known

1358

00:59:03,540 --> 00:59:01,330

as Ernie not really like attacking the

1359

00:59:06,130 --> 00:59:03,550

case he was just attacking people

1360

00:59:08,620 --> 00:59:06,140

personally yeah so I mean

1361

00:59:11,529 --> 00:59:08,630

and that doesn't really mean anything to

1362

00:59:13,569 --> 00:59:11,539

me yeah you know I don't know I'm kind

1363

00:59:16,420 --> 00:59:13,579

of trying to make a connection back to

1364

00:59:17,859 --> 00:59:16,430

you know you-know-who back to his

1365

00:59:22,089 --> 00:59:17,869

validity of a story you know the

1366

00:59:24,339 --> 00:59:22,099

bullshitter Cory good yeah and the

1367

00:59:27,670 --> 00:59:24,349

difference is like if we if you didn't

1368

00:59:30,519 --> 00:59:27,680

attack his personality or his his person

1369

00:59:32,049 --> 00:59:30,529

or whatever his history I mean would it

1370

00:59:34,989 --> 00:59:32,059

would it matter all that much I mean the

1371

00:59:39,069 --> 00:59:34,999

the stuff that we heard that he was you

1372

00:59:41,589 --> 00:59:39,079

know from our sources that he was a part

1373

00:59:44,289 --> 00:59:41,599

time like a temporary IT guy at a

1374

00:59:46,809 --> 00:59:44,299

company and was fired after three months

1375

00:59:49,450 --> 00:59:46,819

right right I mean that does kind of

1376

00:59:51,370 --> 00:59:49,460

make me question his his personality a

1377

00:59:53,739 --> 00:59:51,380

little bit does that matter with you

1378

00:59:55,539 --> 00:59:53,749

know the story maybe man I don't know

1379

00:59:58,299 --> 00:59:55,549

yeah so I see why people attack

1380

01:00:00,970 --> 00:59:58,309

personality I just I feel I finally it's

1381

01:00:02,499 --> 01:00:00,980

kind of distasteful yeah totally totally

1382

01:00:02,739 --> 01:00:02,509

it definitely leaves a bad taste in your

1383

01:00:08,259 --> 01:00:02,749

mouth

1384

01:00:11,259 --> 01:00:08,269

yeah for sure but yeah man I mean you

1385

01:00:13,239 --> 01:00:11,269

know Travis is still around yeah I say

1386

01:00:17,009 --> 01:00:13,249

it's I find that it's distasteful yet I

1387

01:00:22,870 --> 01:00:17,019

just told some [h\_\_\h] on the podcast

1388

01:00:24,430 --> 01:00:22,880

hundreds of people yeah I mean yeah yeah

1389

01:00:26,410 --> 01:00:24,440

well there you go that's how it happened

1390

01:00:29,370 --> 01:00:26,420

yeah right I guess so sometimes it's not

1391

01:00:32,349 --> 01:00:29,380

on purpose but you know we've also had

1392

01:00:33,789 --> 01:00:32,359

had our reality shaken yeah seriously

1393

01:00:36,190 --> 01:00:33,799

hey I think somebody's at my door I'll

1394

01:00:38,799 --> 01:00:36,200

be okay okay yeah go for it hey guys

this week just man we were super busy

1404

01:01:06,160 --> 01:01:04,789

just getting back and and we've got a

1405

01:01:08,589 --> 01:01:06,170

lot of stuff we got to take care of

1406

01:01:11,470 --> 01:01:08,599

personal stuff at home and and things

1407

01:01:14,019 --> 01:01:11,480

like that so very soon though we're

1408

01:01:15,430 --> 01:01:14,029

gonna try and have a guy on that that we

1409

01:01:17,859 --> 01:01:15,440

met and he's gonna be one of our first

1410

01:01:19,059 --> 01:01:17,869

guests I was just telling everybody that

1411

01:01:19,660 --> 01:01:19,069

you know we just got a lot of stuff we

1412

01:01:22,270 --> 01:01:19,670

got to take care

1413

01:01:24,460 --> 01:01:22,280

since we're just getting home so we but

1414

01:01:27,430 --> 01:01:24,470

we want to get it done yeah yeah we want

1415

01:01:30,730 --> 01:01:27,440

to get dug dug on and he's from Phoenix

1416

01:01:33,819 --> 01:01:30,740

shaving Phoenix shaving com

1417

01:01:35,950 --> 01:01:33,829

the guy is awesome the guys stuff is

1418

01:01:37,930 --> 01:01:35,960

awesome yeah he knows exactly what he's

1419

01:01:40,359 --> 01:01:37,940

talking about the guys are professional

1420

01:01:42,130 --> 01:01:40,369

and in a lot of things you know what I'm

1421

01:01:44,530 --> 01:01:42,140

saying one of the coolest dudes I've

1422

01:01:48,280 --> 01:01:44,540

ever met man you know Doug is is pretty

1423

01:01:49,750 --> 01:01:48,290

awesome and it's like he's not coming on

1424

01:01:51,490 --> 01:01:49,760

the podcast to talk about you know like

1425

01:01:53,079 --> 01:01:51,500

an abduction story or anything like that

1426

01:01:55,030 --> 01:01:53,089

it's just a really interesting topic

1427

01:01:58,240 --> 01:01:55,040

that I've and he's just such an awesome

1428

01:01:59,859 --> 01:01:58,250

dude yeah yeah he's also into the things

1429

01:02:01,870 --> 01:01:59,869

he's really into the stuff yeah he's

1430

01:02:04,150 --> 01:02:01,880

into stuff but uh he does have a

1431

01:02:07,960 --> 01:02:04,160

conspiracy he like to get off his chest

1432

01:02:10,299 --> 01:02:07,970

and it's the shaving conspiracy yeah and

1433

01:02:12,730 --> 01:02:10,309

it's pretty sick yes it's really super

1434

01:02:14,799 --> 01:02:12,740

interesting and you know just is his

1435

01:02:17,440 --> 01:02:14,809

artwork and the stories behind his

1436

01:02:19,809 --> 01:02:17,450

products are yeah awesome you know and

1437

01:02:22,240 --> 01:02:19,819

1438

01:02:24,880 --> 01:02:22,250
