1
00:00:07,550 --> 00:00:04,840

[Music]

2
00:00:10,009 --> 00:00:07,560

this is another episode of UFO garage

3
00:00:12,950 --> 00:00:10,019

I'm Ben I'm Joe and this is where we

4
00:00:17,359 --> 00:00:12,960

talk about UFOs aliens and all things we

5
00:00:22,160 --> 00:00:17,369

uh yeah we're edit again dude and it

6
00:00:23,599 --> 00:00:22,170

again pop that beer a coldie a cold and

7
00:00:27,170 --> 00:00:23,609

NASA cold one

8
00:00:29,689 --> 00:00:27,180

frigid beard cold and you've been at

9
00:00:33,920 --> 00:00:29,699

work all day the Sun beatin down on your

10
00:00:36,709 --> 00:00:33,930

skin and you reach for the cold Modelo

11
00:00:39,110 --> 00:00:36,719

in the fridge go go go

12
00:00:48,319 --> 00:00:39,120

and you crack it open yeah this intro

13
00:00:50,750 --> 00:00:48,329

music is really long it is it sounded

14

00:00:53,150 --> 00:00:50,760

cool did sound kind of cool yeah what's

15

00:00:56,420 --> 00:00:53,160

up bro nothing man just didn't join this

16

00:00:58,610 --> 00:00:56,430

it's cold brewski ready a nice little

17

00:00:58,970 --> 00:00:58,620

Fountain of Youth here that's a water

18

00:01:03,380 --> 00:00:58,980

burger

19

00:01:05,359 --> 00:01:03,390

were they good they were like just on

20

00:01:08,359 --> 00:01:05,369

the precipice of being warm and cold

21

00:01:09,920 --> 00:01:08,369

yeah dude cold yet not yet it was like

22

00:01:13,160 --> 00:01:09,930

still a little salty snack they were

23

00:01:15,590 --> 00:01:13,170

piping hot cuz usually uh I scar from

24

00:01:18,109 --> 00:01:15,600

down before I get here yeah and today

25

00:01:21,230 --> 00:01:18,119

they're super hot so I can only eat like

26

00:01:24,679 --> 00:01:21,240

a toe flute made it fries are such an an

27

00:01:26,780 --> 00:01:24,689

enigma because like okay like you roll

28

00:01:28,490 --> 00:01:26,790

up to whatever fast-food place and

29

00:01:30,679 --> 00:01:28,500

you're like all right I gotta get the

30

00:01:33,200 --> 00:01:30,689

fries but I'm so hungry I'm gonna get

31

00:01:36,100 --> 00:01:33,210

that you know the double whatever yep

32

00:01:38,420 --> 00:01:36,110

and then you have to eat the fries right

33

00:01:38,749 --> 00:01:38,430

when they're cold they're total [h__h] oh

34

00:01:40,640 --> 00:01:38,759

I know

35

00:01:42,380 --> 00:01:40,650

not really fries it's always weird

36

00:01:44,690 --> 00:01:42,390

because I can always eat the fries like

37

00:01:46,550 --> 00:01:44,700

on the way home but like if I ever make

38

00:01:48,469 --> 00:01:46,560

it home I never eat the fries yeah

39

00:01:50,080 --> 00:01:48,479

exactly so you know it's kind of one of

40

00:01:53,899 --> 00:01:50,090

those things where that you're actually

41

00:01:55,999 --> 00:01:53,909

you know you're it's an investment

42

00:01:57,859 --> 00:01:56,009

you're making you know so you got to

43

00:01:59,389 --> 00:01:57,869

make sure you eat those fries so you're

44

00:02:01,100 --> 00:01:59,399

doing yourself a favor by eating your

45

00:02:07,300 --> 00:02:01,110

fries on the way home do yourself a

46

00:02:12,410 --> 00:02:09,619

yes yes

47

00:02:13,670 --> 00:02:12,420

so what we got going on taking a look at

48

00:02:16,550 --> 00:02:13,680

the Facebook this week

49

00:02:18,800 --> 00:02:16,560

we got a lot of cool posts the first one

50

00:02:19,309 --> 00:02:18,810

that I want to bring up is the David

51
00:02:22,160 --> 00:02:19,319
Frey ver

52
00:02:23,149 --> 00:02:22,170
episode on the Rogan podcast did you

53
00:02:25,940 --> 00:02:23,159
listen to the whole thing that was

54
00:02:29,360 --> 00:02:25,950
pretty sick holy schnikeys yeah

55
00:02:32,440 --> 00:02:29,370
oh so dope our boy Jeremy was there no

56
00:02:35,750 --> 00:02:32,450
rip in the you know I mean dude I

57
00:02:37,819 --> 00:02:35,760
absolutely love love that episode yeah

58
00:02:41,059 --> 00:02:37,829
I'm really glad that Jeremy's kind of

59
00:02:43,550 --> 00:02:41,069
like doing this whole hey let me let me

60
00:02:44,839 --> 00:02:43,560
take you to so-and-so yeah like you know

61
00:02:46,550 --> 00:02:44,849
like just kind of being like a wing man

62
00:02:48,500 --> 00:02:46,560
yeah I like that he's doing that wing

63
00:02:50,599 --> 00:02:48,510

man thing it's it's it's really cool

64

00:02:52,610 --> 00:02:50,609

because you know like I said like you

65

00:02:54,679 --> 00:02:52,620

know like during the Bob one I mean you

66

00:02:57,110 --> 00:02:54,689

know he pokes and prods and is like hey

67

00:02:58,940 --> 00:02:57,120

tell him about this or something like if

68

00:03:01,490 --> 00:02:58,950

something gets skipped over he's right

69

00:03:04,159 --> 00:03:01,500

there on it like it's cool and it's a

70

00:03:08,020 --> 00:03:04,169

nice it's a nice break between like fact

71

00:03:13,490 --> 00:03:10,369

abbreviations and all these you know

72

00:03:14,869 --> 00:03:13,500

series topics and it's not that Jeremy's

73

00:03:16,610 --> 00:03:14,879

not talking about serious topics but

74

00:03:18,530 --> 00:03:16,620

it's a nice break or he'll kind of

75

00:03:20,330 --> 00:03:18,540

interject and say well okay so this is

76

00:03:21,530 --> 00:03:20,340

why it's still important I thought that

77

00:03:23,809 --> 00:03:21,540

was kind of cool we kept reminding the

78

00:03:25,490 --> 00:03:23,819

audience like if you were to skip the

79

00:03:27,770 --> 00:03:25,500

first time that he kind of brought that

80

00:03:29,780 --> 00:03:27,780

up and you like maybe tuned in a little

81

00:03:32,839 --> 00:03:29,790

bit later it's kind of a reminder like

82

00:03:34,849 --> 00:03:32,849

oh [h__h] like this has been a thing and

83

00:03:37,009 --> 00:03:34,859

it's super legit and this is why it's

84

00:03:40,219 --> 00:03:37,019

important yeah totally yeah I thought it

85

00:03:42,080 --> 00:03:40,229

was a great episode listeners if y'all

86

00:03:44,479 --> 00:03:42,090

haven't seen it or heard it go to the

87

00:03:48,860 --> 00:03:44,489

true Rogan podcast elicited commander J

88

00:03:50,719 --> 00:03:48,870

David flavor and Jeremy Korbel man that

89

00:03:52,039 --> 00:03:50,729

episode is so freaking good yeah it's a

90

00:03:54,860 --> 00:03:52,049

really good episode

91

00:03:57,469 --> 00:03:54,870

it was a good episode I mean I so

92

00:04:09,020 --> 00:03:57,479

unidentified is that TV show hot that

93

00:04:11,479 --> 00:04:09,030

the boys the boys the Academy boys the

94

00:04:13,280 --> 00:04:11,489

Academy boys

95

00:04:15,830 --> 00:04:13,290

that's that show that they put together

96

00:04:18,409 --> 00:04:15,840

and it like they showed David flavor

97

00:04:22,909 --> 00:04:18,419

who's like I mean this guy is a legit

98

00:04:25,159 --> 00:04:22,919

Navy pilot I didn't know this but in

99

00:04:25,980 --> 00:04:25,169

that podcast Jeremy said like yeah he

100

00:04:27,990 --> 00:04:25,990

was a

101
00:04:30,150 --> 00:04:28,000
he was one of the first jets scrambled

102
00:04:32,850 --> 00:04:30,160
after 9/11 aha

103
00:04:35,040 --> 00:04:32,860
so I mean the whole country has put

104
00:04:37,320 --> 00:04:35,050
their faith into this one person right

105
00:04:38,999 --> 00:04:37,330
so it's just I don't know the the not

106
00:04:41,159 --> 00:04:39,009
evidence but like the credibility is

107
00:04:44,159 --> 00:04:41,169
just it's it's all there mm-hmm and you

108
00:04:45,420 --> 00:04:44,169
could tell it in Jose inflections and

109
00:04:47,309 --> 00:04:45,430
the way he's talking and he actually I

110
00:04:49,620 --> 00:04:47,319
mean he definitely calls it out like man

111
00:04:51,870 --> 00:04:49,630
we need people like you with actual

112
00:04:53,580 --> 00:04:51,880
evidence yeah okay it is still i witness

113
00:04:55,230 --> 00:04:53,590

account and yeah right we do have these

114

00:04:57,240 --> 00:04:55,240

like black-and-white grainy photos of

115

00:05:00,839 --> 00:04:57,250

videos but just hearing from somebody

116

00:05:03,540 --> 00:05:00,849

that's legit like that's a game-changer

117

00:05:06,839 --> 00:05:03,550

that was really cool dude do you feel

118

00:05:09,240 --> 00:05:06,849

like sometimes joe like tries to call

119

00:05:11,339 --> 00:05:09,250

[h__h] even when there is no [h__h]

120

00:05:13,110 --> 00:05:11,349

like he's just he wants to be on he

121

00:05:14,730 --> 00:05:13,120

doesn't want to be on that side of the

122

00:05:16,740 --> 00:05:14,740

fence of light yeah yeah yeah that's

123

00:05:18,930 --> 00:05:16,750

cool I accept that right yes you know

124

00:05:21,180 --> 00:05:18,940

like I feel like he purposely is like oh

125

00:05:23,159 --> 00:05:21,190

is always trying to like absolutely it

126

00:05:25,050 --> 00:05:23,169

was cool in this episode that like he

127

00:05:27,089 --> 00:05:25,060

really wasn't able to call [\h__\h]

128

00:05:29,129 --> 00:05:27,099

mmm-hmm at all well he's good at playing

129

00:05:31,020 --> 00:05:29,139

both sides like huh yeah he's a

130

00:05:32,610 --> 00:05:31,030

announcer for the UFC and that might

131

00:05:33,510 --> 00:05:32,620

have something something to do with it

132

00:05:36,659 --> 00:05:33,520

but I think that's just his personality

133

00:05:38,760 --> 00:05:36,669

and I think it like I feel like maybe

134

00:05:40,469 --> 00:05:38,770

deep down and he feels like he owes it

135

00:05:42,180 --> 00:05:40,479

to the listeners to be the devil's

136

00:05:44,520 --> 00:05:42,190

advocate even when it's maybe not

137

00:05:47,700 --> 00:05:44,530

prompted yeah honestly do like I

138

00:05:50,100 --> 00:05:47,710

appreciate that I mean yeah maybe maybe

139

00:05:51,990 --> 00:05:50,110

sometimes there's nothing there like you

140

00:05:56,520 --> 00:05:52,000

said and just kind of like yeah yeah

141

00:06:05,430 --> 00:05:56,530

yeah it's like come on Joe Joe just

142

00:06:07,680 --> 00:06:05,440

believe no stop it you know it ya know

143

00:06:11,219 --> 00:06:07,690

ya know that was that that was a great

144

00:06:14,760 --> 00:06:11,229

episode definitely you know just all the

145

00:06:17,040 --> 00:06:14,770

stories he told that Navy diver it's

146

00:06:18,870 --> 00:06:17,050

that's being you know lower down in the

147

00:06:21,480 --> 00:06:18,880

water by that big helicopter right and

148

00:06:23,520 --> 00:06:21,490

that torpedo gets sucked down yeah yeah

149

00:06:26,730 --> 00:06:23,530

and they like report back to the officer

150

00:06:27,330 --> 00:06:26,740

like I don't know it's gone I don't know

151
00:06:30,209 --> 00:06:27,340
what happened

152
00:06:32,909 --> 00:06:30,219
so like it's a it sank no it was sucked

153
00:06:36,390 --> 00:06:32,919
down by something yeah yeah was it a

154
00:06:39,240 --> 00:06:36,400
submarine no absolutely not sir yeah it

155
00:06:39,930 --> 00:06:39,250
was a circular object that rose almost

156
00:06:43,050 --> 00:06:39,940
to the surface

157
00:06:48,420 --> 00:06:43,060
and as I was going to pick it up sucked

158
00:06:50,880 --> 00:06:48,430
it down so you're saying it was a

159
00:06:52,170 --> 00:06:50,890
summary no sir not a summary you have

160
00:06:53,190 --> 00:06:52,180
seen some Marines to know what they look

161
00:06:57,180 --> 00:06:53,200
like yeah man

162
00:07:00,120 --> 00:06:57,190
was it the Russians no okay I don't want

163
00:07:02,040 --> 00:07:00,130

to say this all right it was UFO I don't

164

00:07:03,660 --> 00:07:02,050

want to say [h__h] you made me say you

165

00:07:06,600 --> 00:07:03,670

made me say all right all right Jeffrey

166

00:07:08,670 --> 00:07:06,610

I see snickering in the background your

167

00:07:14,910 --> 00:07:08,680

pants on what am I talking to Greg here

168

00:07:17,160 --> 00:07:14,920

Greg all right there's three types yeah

169

00:07:18,450 --> 00:07:17,170

yeah so definitely check that episode

170

00:07:21,390 --> 00:07:18,460

out that was pretty sweet Joe Rogan

171

00:07:23,640 --> 00:07:21,400

podcast airing podcast what else we got

172

00:07:27,570 --> 00:07:23,650

oh I posted this I mean that's not that

173

00:07:29,940 --> 00:07:27,580

crazy but the epic books I'm just gonna

174

00:07:33,600 --> 00:07:29,950

straight past that video I guess there's

175

00:07:35,750 --> 00:07:33,610

some new news and bizarre deaths of some

176

00:07:38,760 --> 00:07:35,760

like cattle mutilation mutilate

177

00:07:42,840 --> 00:07:38,770

mutilations mutilations there we go

178

00:07:45,210 --> 00:07:42,850

mutilation mutilations nuclear mute kill

179

00:07:47,520 --> 00:07:45,220

I mean we I haven't heard any recent

180

00:07:49,710 --> 00:07:47,530

cases this is kind of like it happened

181

00:07:51,510 --> 00:07:49,720

in at one point and like the 80s and

182

00:07:53,670 --> 00:07:51,520

early 90s and it just have it hasn't

183

00:07:55,110 --> 00:07:53,680

happened the camera correlation yeah I

184

00:07:57,300 --> 00:07:55,120

don't know maybe I'm just out of loop I

185

00:07:59,250 --> 00:07:57,310

don't normally search for this but like

186

00:08:00,720 --> 00:07:59,260

this hurt blyde talking about it on his

187

00:08:03,990 --> 00:08:00,730

show the other night on how there's just

188

00:08:05,880 --> 00:08:04,000

like this crazy amount of cattle being

189

00:08:08,100 --> 00:08:05,890

like mutilated recently or yeah recently

190

00:08:10,620 --> 00:08:08,110

consistent uh-huh yeah consistently like

191

00:08:11,910 --> 00:08:10,630

it's just been happening a lot lately he

192

00:08:13,440 --> 00:08:11,920

had it on his show the other day I

193

00:08:14,910 --> 00:08:13,450

didn't really I wasn't paying too much

194

00:08:17,880 --> 00:08:14,920

attention to because I was I was working

195

00:08:20,370 --> 00:08:17,890

still but yeah I remember talking about

196

00:08:22,200 --> 00:08:20,380

that I was like wow that's crazy

197

00:08:24,450 --> 00:08:22,210

you got a bunch of dead cows laying

198

00:08:26,310 --> 00:08:24,460

around an Oregon dude also this is an

199

00:08:27,990 --> 00:08:26,320

Tifa [h__h] for a while knows I got bet

200

00:08:33,360 --> 00:08:28,000

they're they're the ones killing your

201
00:08:39,620 --> 00:08:33,370
cows they're like why would they dicker

202
00:08:45,000 --> 00:08:39,630
dirt your cougar cares yeah do like hey

203
00:08:53,190 --> 00:08:45,010
don't don't eat cows kill your cow like

204
00:08:57,139 --> 00:08:53,200
no eat that I know you agree

205
00:08:59,490 --> 00:08:57,149
I mean dude this cow is freaking huge

206
00:09:01,860 --> 00:08:59,500
bloated is that just like post mortem

207
00:09:03,870 --> 00:09:01,870
yeah that's going on yeah so his legs

208
00:09:05,790 --> 00:09:03,880
are stiff sticking straight out but the

209
00:09:09,540 --> 00:09:05,800
hütter is cut off buh buh

210
00:09:11,370 --> 00:09:09,550
oh so yep did you know dudes don't have

211
00:09:15,000 --> 00:09:11,380
the utters it's only females right yeah

212
00:09:18,210 --> 00:09:15,010
Petit's uh-huh cow eats yep man so it

213
00:09:20,579 --> 00:09:18,220

looks like I mean little little glove is

214

00:09:21,030 --> 00:09:20,589

just cut this clean off yeah dude that's

215

00:09:23,129 --> 00:09:21,040

weird

216

00:09:24,960 --> 00:09:23,139

yep we have seen a bunch of photos but

217

00:09:27,240 --> 00:09:24,970

specifically this one with a precision

218

00:09:30,379 --> 00:09:27,250

dude like yeah like hat sometimes like

219

00:09:33,000 --> 00:09:30,389

half the face is taken oh yes yeah yeah

220

00:09:35,280 --> 00:09:33,010

chunks are like taken out like but

221

00:09:36,980 --> 00:09:35,290

perfectly yeah it looks like they were

222

00:09:39,389 --> 00:09:36,990

like cauterized

223

00:09:41,939 --> 00:09:39,399

but like burned like with a hot knife

224

00:09:45,629 --> 00:09:41,949

yeah dude yeah yeah so this is pretty

225

00:09:47,970 --> 00:09:45,639

pretty well I've heard a speculation

226

00:09:50,310 --> 00:09:47,980

that this has to do with like a satanic

227

00:09:52,590 --> 00:09:50,320

ritual yeah is do you think do you think

228

00:09:54,620 --> 00:09:52,600

there's any validity to that yeah

229

00:09:57,660 --> 00:09:54,630

totally I think it's probably happened

230

00:09:58,319 --> 00:09:57,670

some satanic cult comes it happens more

231

00:10:00,569 --> 00:09:58,329

to goats

232

00:10:01,740 --> 00:10:00,579

yeah still still the crowd or something

233

00:10:05,400 --> 00:10:01,750

right yeah

234

00:10:07,860 --> 00:10:05,410

I don't know man it's very possible but

235

00:10:09,930 --> 00:10:07,870

when we did our episode on a skinwalker

236

00:10:12,090 --> 00:10:09,940

ranch you know those guys had their

237

00:10:13,889 --> 00:10:12,100

cattle mutilated all the time and they

238

00:10:16,019 --> 00:10:13,899

kind of chalked it off to like some sort

239

00:10:18,360 --> 00:10:16,029

of like a cult you know coming in and

240

00:10:21,000 --> 00:10:18,370

doing stuff but you know they never

241

00:10:23,370 --> 00:10:21,010

figured it out but something picked up a

242

00:10:25,290 --> 00:10:23,380

cow right so they saw stuff did take a

243

00:10:26,819 --> 00:10:25,300

cow away the weirdest part too and I'm

244

00:10:28,350 --> 00:10:26,829

seeing in the seeing this in the photo

245

00:10:31,110 --> 00:10:28,360

there's no blood on the ground

246

00:10:33,930 --> 00:10:31,120

no when there's like I mean so I've been

247

00:10:35,670 --> 00:10:33,940

hunting and I've seen deer you know

248

00:10:37,500 --> 00:10:35,680

bleed out it's kind of gruesome but like

249

00:10:40,139 --> 00:10:37,510

there's blood everywhere

250

00:10:41,850 --> 00:10:40,149

yeah if you if you hit a good shot in

251

00:10:44,340 --> 00:10:41,860

the lungs of the earth if you clip an

252

00:10:47,550 --> 00:10:44,350

artery in the back strap there's blood

253

00:10:49,530 --> 00:10:47,560

immediately just everywhere yeah but

254

00:10:51,540 --> 00:10:49,540

there's no blood in this photo and and

255

00:10:52,920 --> 00:10:51,550

historically and all these cattle cattle

256

00:10:55,860 --> 00:10:52,930

these weird you know these strange

257

00:10:58,579 --> 00:10:55,870

mutilate utilization damn it I can't

258

00:11:01,410 --> 00:10:58,589

mutilation mutilations damn it nuclear

259

00:11:02,860 --> 00:11:01,420

there's no blood on the ground at all do

260

00:11:06,610 --> 00:11:02,870

you need to think if I

261

00:11:08,200 --> 00:11:06,620

and it's like have you have you

262

00:11:12,120 --> 00:11:08,210

experienced anybody say instead of

263

00:11:16,480 --> 00:11:12,130

specific they say Pacific have you ever

264

00:11:18,790 --> 00:11:16,490

like like pacifically that's kind of I

265

00:11:22,630 --> 00:11:18,800

don't specifically say that one

266

00:11:23,770 --> 00:11:22,640

pacifically that's what's going on my

267

00:11:25,180 --> 00:11:23,780

brain just are you talking about an

268

00:11:27,010 --> 00:11:25,190

ocean about having a freaking mild

269

00:11:29,440 --> 00:11:27,020

stroke right no pacifically this

270

00:11:34,290 --> 00:11:29,450

specifically like what pacifically do

271

00:11:40,950 --> 00:11:34,300

you mean you have to stop right now sir

272

00:11:45,640 --> 00:11:40,960

do you mean specific Spears specific

273

00:11:48,070 --> 00:11:45,650

specificity although that may just made

274

00:11:50,140 --> 00:11:48,080

me think of Pez for some reason I saw

275

00:12:02,830 --> 00:11:50,150

this little like Halloween gif or

276

00:12:05,980 --> 00:12:02,840

there's a vampire like blood but I was a

277

00:12:08,560 --> 00:12:05,990

kid I saw dispenser and I was like dude

278

00:12:10,870 --> 00:12:08,570

I want to Pez I was like bears bears and

279

00:12:12,580 --> 00:12:10,880

I kept begging my mom it was like no and

280

00:12:12,850 --> 00:12:12,590

finally she had enough she was like okay

281

00:12:15,430 --> 00:12:12,860

fine

282

00:12:18,610 --> 00:12:15,440

so I wouldn't got it got a pen and the

283

00:12:20,440 --> 00:12:18,620

first candy I ate awful oh no I feel

284

00:12:22,450 --> 00:12:20,450

like you had a terrible experience with

285

00:12:24,460 --> 00:12:22,460

Pez like dried your mouth out yeah I

286

00:12:25,870 --> 00:12:24,470

didn't like it at all it's not good

287

00:12:29,110 --> 00:12:25,880

candy I was like give me some of them

288

00:12:30,760 --> 00:12:29,120

candy cigarettes instead because we

289

00:12:31,660 --> 00:12:30,770

still candy cigarettes back then bro

290

00:12:33,700 --> 00:12:31,670

yeah dude

291

00:12:36,640 --> 00:12:33,710

did you ever did you ever do the like

292

00:12:39,250 --> 00:12:36,650

the smokeless tobacco but it's like beef

293

00:12:41,470 --> 00:12:39,260

jerky and since read of beef jerky if

294

00:12:44,830 --> 00:12:41,480

you ever do that huh it comes in like

295

00:12:52,240 --> 00:12:44,840

the snuff cans man I used to put that

296

00:12:52,240 --> 00:12:52,250

whole thing in my mouth like baseball

297

00:12:58,720 --> 00:12:56,050

what big league chili really big bubble

298

00:13:01,000 --> 00:12:58,730

that's still the best-tasting bubble gum

299

00:13:02,770 --> 00:13:01,010

on the market dude no one's ever gonna

300

00:13:04,480 --> 00:13:02,780

beat that flavor how the [h__h] do you get

301

00:13:04,960 --> 00:13:04,490

a better tasting bubble gum than big

302

00:13:07,360 --> 00:13:04,970

league chew

303

00:13:10,210 --> 00:13:07,370

yeah then I dare you bubble gum flavor

304

00:13:12,040 --> 00:13:10,220

yeah bubble gum flavor is delicious

305

00:13:14,320 --> 00:13:12,050

yeah I don't know what that's all about

306

00:13:16,030 --> 00:13:14,330

what is it I'm also like it's not like

307

00:13:18,639 --> 00:13:16,040

natural flavor not like

308

00:13:21,220 --> 00:13:18,649

cotton candy it's kind of cotton candy

309

00:13:24,509 --> 00:13:21,230

ish but it's sweeter it's a very

310

00:13:27,639 --> 00:13:24,519

specific it's very specific

311

00:13:29,470 --> 00:13:27,649

so root Pacific tastes yeah I wonder if

312

00:13:30,970 --> 00:13:29,480

there's some like leaf in the Amazon

313

00:13:31,960 --> 00:13:30,980

that actually tastes like bubblegum and

314

00:13:34,059 --> 00:13:31,970

we just don't know about it

315

00:13:35,470 --> 00:13:34,069

Oh I mean like that's I feel like it's a

316

00:13:38,680 --> 00:13:35,480

very man-made flavor

317

00:13:40,689 --> 00:13:38,690

there's the gum tree so maybe they make

318

00:13:43,120 --> 00:13:40,699

the gum and then the flavor is obviously

319

00:13:49,780 --> 00:13:43,130

man-made right you know unless you're

320

00:13:53,170 --> 00:13:49,790

Wankel and I started thinking about this

321

00:13:54,340 --> 00:13:53,180

we watched the new Willy Wonka or maybe

322

00:13:55,540 --> 00:13:54,350

he's Charlie in the chalk Charlotte in

323

00:13:58,720 --> 00:13:55,550

the tropical thing the new one with

324

00:14:00,460 --> 00:13:58,730

Johnny Dev uh-huh and I started think

325

00:14:04,509 --> 00:14:00,470

about this and it correlates to the the

326

00:14:07,749 --> 00:14:04,519

first movie to when these kids are like

327

00:14:10,509 --> 00:14:07,759

being basically murdered and like one

328

00:14:19,660 --> 00:14:10,519

kids drowning in chocolate they the

329

00:14:21,939 --> 00:14:19,670

belugas go hey let's do it I mean I'm

330

00:14:23,379 --> 00:14:21,949

sure that's that's the point of the joke

331

00:14:26,050 --> 00:14:23,389

but I just never thought about it that

332

00:14:38,610 --> 00:14:26,060

way it's pretty dark it's definitely

333

00:14:42,000 --> 00:14:38,620

pretty dark dude [h__h] all right well

334

00:14:45,160 --> 00:14:42,010

that uh Chris I was talking about the

335

00:14:46,870 --> 00:14:45,170

the the MUFON meeting oh yeah dude yeah

336

00:14:48,790 --> 00:14:46,880

definitely hit us up the next time that

337

00:14:52,240 --> 00:14:48,800

there's one thing he said San Antonio I

338

00:14:53,889 --> 00:14:52,250

think yeah dude let's do it I'm so down

339

00:14:55,990 --> 00:14:53,899

again yeah hit us up let us know

340

00:14:59,439 --> 00:14:56,000

whenever the next one is way cheaper

341

00:15:00,850 --> 00:14:59,449

than going to or yeah yeah or if maybe

342

00:15:02,470 --> 00:15:00,860

not the next one but just let us know

343

00:15:03,790 --> 00:15:02,480

when they are dude and we will try and

344

00:15:06,639 --> 00:15:03,800

make it up yeah that'd be pretty cool

345

00:15:10,509 --> 00:15:06,649

yeah I was pretty cool did you get a

346

00:15:12,280 --> 00:15:10,519

chance to listen to his review of alien

347

00:15:13,150 --> 00:15:12,290

Con in Dallas I think what - the one

348

00:15:15,579 --> 00:15:13,160

Dallas no I

349

00:15:19,329 --> 00:15:15,589

yeah it was pretty good yeah I listened

350

00:15:20,980 --> 00:15:19,339

to it yeah what did he owe is this uh it

351
00:15:23,079 --> 00:15:20,990
was like all the ancient aliens people

352
00:15:25,990 --> 00:15:23,089
that were there apparently like alien

353
00:15:28,809 --> 00:15:26,000
Kahn is like a ancient alien sponsored

354
00:15:29,830 --> 00:15:28,819
event so it's like all of those guys oh

355
00:15:31,540 --> 00:15:29,840
sweet hair and I

356
00:15:34,420 --> 00:15:31,550
I didn't know that until I listened to

357
00:15:36,760 --> 00:15:34,430
his little review dude I would love to

358
00:15:38,350 --> 00:15:36,770
meet sucralose yeah he'd be an interest

359
00:15:41,710 --> 00:15:38,360
is he one of the guys that was there

360
00:15:42,760 --> 00:15:41,720
mm-hmm yeah Giorgio is this a link yeah

361
00:15:43,210 --> 00:15:42,770
that's the link right there dude that's

362
00:15:44,500 --> 00:15:43,220
it all right

363
00:15:45,700 --> 00:15:44,510

yeah check it out yeah if y'all

364

00:15:48,040 --> 00:15:45,710

365

00:15:50,950 --> 00:15:48,050

yeah dude UFO garage podcast good stuff

366

00:15:54,880 --> 00:15:50,960

good stuff I couldn't listen to that in

367

00:16:03,010 --> 00:15:58,329

yes dick blows baby hello so [h__\h]

368

00:16:05,980 --> 00:16:03,020

awesome as opposed to in the group it's

369

00:16:09,610 --> 00:16:05,990

a reference to our second episode where

370

00:16:19,000 --> 00:16:09,620

we had a fake sponsor big sponsor was

371

00:16:23,019 --> 00:16:19,010

dick pillows haha I'm so happy bro like

372

00:16:25,390 --> 00:16:23,029

when if you go to the web if you go cuz

373

00:16:27,130 --> 00:16:25,400

that's like a four foot one up here the

374

00:16:29,050 --> 00:16:27,140

four-foot penis shaped pillow

375

00:16:31,329 --> 00:16:29,060

yeah if you go to the website and you

376

00:16:41,040 --> 00:16:31,339

look at the the comments on the website

377

00:16:49,990 --> 00:16:43,440

that you can hold in your hand the

378

00:16:51,760 --> 00:16:50,000

tiniest of the Pierre's oh [h__h] dude

379

00:16:54,480 --> 00:16:51,770

yeah that was called boots are hilarious

380

00:16:57,070 --> 00:16:54,490

oh my god they're great

381

00:16:59,290 --> 00:16:57,080

okay cool we got that going on if you

382

00:17:02,950 --> 00:16:59,300

own it yeah I love how like it gets it's

383

00:17:05,290 --> 00:17:02,960

gotten more traction like as the more

384

00:17:07,419 --> 00:17:05,300

episodes we've done it's really like

385

00:17:09,550 --> 00:17:07,429

gained a lot more traction it's it's

386

00:17:10,030 --> 00:17:09,560

dick pillows and dr. scientists that's

387

00:17:13,210 --> 00:17:10,040

right

388

00:17:14,890 --> 00:17:13,220

you know we need to come up with a with

389

00:17:17,380 --> 00:17:14,900

a design already we talked about it last

390

00:17:20,050 --> 00:17:17,390

week a doctor scientists design t-shirt

391

00:17:21,640 --> 00:17:20,060

yeah I'm down yeah oh and though I just

392

00:17:23,079 --> 00:17:21,650

made me think about those socks dude

393

00:17:24,520 --> 00:17:23,089

those socks are so sick it's got your

394

00:17:28,329 --> 00:17:24,530

face on the left and my face on the

395

00:17:30,040 --> 00:17:28,339

right I love that love that yeah yeah

396

00:17:32,200 --> 00:17:30,050

guys we got hoodies out now we got

397

00:17:35,050 --> 00:17:32,210

baseball tees and we got socks get you

398

00:17:37,150 --> 00:17:35,060

prepared for wintertime socks off so uh

399

00:17:40,690 --> 00:17:37,160

what's walks walks you need some socks

400

00:17:41,890 --> 00:17:40,700

or excuse me honey do you need some

401

00:17:43,170 --> 00:17:41,900

socks orcs

402

00:17:47,820 --> 00:17:43,180

do you want some warm

403

00:17:58,050 --> 00:17:47,830

so with my cigarettes did some laundry

404

00:17:59,400 --> 00:17:58,060

oh okay so that's that's pretty much all

405

00:18:01,350 --> 00:17:59,410

the Facebook stuff yeah

406

00:18:03,360 --> 00:18:01,360

cool videos posted to y'all check it out

407

00:18:05,850 --> 00:18:03,370

if y'all are not on the group

408

00:18:12,660 --> 00:18:05,860

check it out on Facebook UFO garage

409

00:18:17,970 --> 00:18:16,470

so I kind of wanted to bring up our so I

410

00:18:19,820 --> 00:18:17,980

guess we haven't officially met this

411

00:18:21,930 --> 00:18:19,830

dude but you showed me Ryan Sprague

412

00:18:25,950 --> 00:18:21,940

somewhere in the skies I was listening

413

00:18:28,800 --> 00:18:25,960

to an episode recently with Johnny L

414

00:18:30,480 --> 00:18:28,810

tinny and it's such a good episode if

415

00:18:32,580 --> 00:18:30,490

you don't want to check it out like man

416

00:18:34,320 --> 00:18:32,590

such a great guest and also Ryan Sprague

417

00:18:36,330 --> 00:18:34,330

is just like a great host and he just

418

00:18:37,740 --> 00:18:36,340

has some really good ideas yeah but

419

00:18:41,010 --> 00:18:37,750

something that a take away from that

420

00:18:42,990 --> 00:18:41,020

episode so who is this John guy so I

421

00:18:44,910 --> 00:18:43,000

don't dude this is the first time I've

422

00:18:47,780 --> 00:18:44,920

heard about him was from this episode

423

00:18:50,430 --> 00:18:47,790

not really like he's I mean definitely

424

00:18:52,320 --> 00:18:50,440

well-known and he's known for just

425

00:18:56,100 --> 00:18:52,330

talking about weird stuff just like we

426

00:18:59,210 --> 00:18:56,110

do nice and he's I guess in the so in

427

00:19:02,700 --> 00:18:59,220

the interview he actually talked about

428

00:19:04,680 --> 00:19:02,710

sometimes it like events somebody will

429

00:19:06,150 --> 00:19:04,690

be talking or giving a lecture and

430

00:19:07,710 --> 00:19:06,160

they'll say something wrong and he's

431

00:19:11,940 --> 00:19:07,720

kind of the person to stand up and be

432

00:19:13,560 --> 00:19:11,950

like excuse me you're that's wrong it

433

00:19:16,560 --> 00:19:13,570

was he was like yeah sometimes you have

434

00:19:18,990 --> 00:19:16,570

to be a dick we're not wrong animate had

435

00:19:20,550 --> 00:19:19,000

a good point like you either you be a

436

00:19:22,680 --> 00:19:20,560

dick in the moment and correct that

437

00:19:24,930 --> 00:19:22,690

person and they handle it well cuz if

438

00:19:26,670 --> 00:19:24,940

they you know if they're wrong and

439

00:19:27,600 --> 00:19:26,680

they'll be like oh thank you for

440

00:19:28,920 --> 00:19:27,610

correcting me thank you

441

00:19:31,170 --> 00:19:28,930

yeah all right but if you're full of

442

00:19:34,350 --> 00:19:31,180

[h__h] they'll be like all right get this

443

00:19:36,450 --> 00:19:34,360

guy out of here you know yes yes and he

444

00:19:39,300 --> 00:19:36,460

was like well I'd rather speak up now

445

00:19:39,660 --> 00:19:39,310

and say it all at once while it's

446

00:19:41,370 --> 00:19:39,670

happening

447

00:19:43,680 --> 00:19:41,380

you know what am I gonna do go up to

448

00:19:44,910 --> 00:19:43,690

every every person that's it like 300

449

00:19:47,340 --> 00:19:44,920

people that are listening to this

450

00:19:49,470 --> 00:19:47,350

[h__h] that's being spouted yeah I

451
00:19:52,050 --> 00:19:49,480
don't know a great point yeah so

452
00:19:55,520 --> 00:19:52,060
apparently I mean he's cut I mean sounds

453
00:19:58,940 --> 00:19:55,530
like a badass guy don't code

454
00:20:01,400 --> 00:19:58,950
your vision interruptus on old damn time

455
00:20:02,660 --> 00:20:01,410
excuse me that's wrong well maybe we'll

456
00:20:10,880 --> 00:20:02,670
be happy about it would be like thank

457
00:20:14,660 --> 00:20:10,890
you we'll have to give you like a like a

458
00:20:15,980 --> 00:20:14,670
like an hour like it like pre-show and

459
00:20:18,470 --> 00:20:15,990
we'll have to go over our script with

460
00:20:21,440 --> 00:20:18,480
you first and then then you can help us

461
00:20:23,570 --> 00:20:21,450
you could help us write it if we ever

462
00:20:25,790 --> 00:20:23,580
came up with a script do then be such a

463
00:20:27,680 --> 00:20:25,800

[h__h] show dude everyone I don't think we

464

00:20:29,840 --> 00:20:27,690

could do it yeah - we would never stick

465

00:20:32,090 --> 00:20:29,850

to a script no not at all I don't think

466

00:20:34,130 --> 00:20:32,100

we could because our minds would just go

467

00:20:37,330 --> 00:20:34,140

like elsewhere immediately we'd be like

468

00:20:44,210 --> 00:20:37,340

oh I thought about this like and also

469

00:20:51,470 --> 00:20:44,220

remember wait wait dude sweet remember

470

00:20:54,170 --> 00:20:51,480

Fraggle Rock did aliens man oh my god

471

00:20:56,510 --> 00:20:54,180

all right so anyway somewhere in the sky

472

00:20:58,730 --> 00:20:56,520

is Ryan Sprague episode with John Milton

473

00:21:00,350 --> 00:20:58,740

ll a takeaway that I got I mean I won't

474

00:21:01,970 --> 00:21:00,360

spoil the whole y'all if you're

475

00:21:04,190 --> 00:21:01,980

listening definitely check that episode

476

00:21:06,290 --> 00:21:04,200

out it's awesome but my takeaway is

477

00:21:07,820 --> 00:21:06,300

something really interesting I think you

478

00:21:11,110 --> 00:21:07,830

and I have been dancing around this idea

479

00:21:14,300 --> 00:21:11,120

and it kind of goes back to the

480

00:21:16,160 --> 00:21:14,310

skinwalker ranch and how this just this

481

00:21:18,200 --> 00:21:16,170

phenomenon is definitely happening but

482

00:21:19,970 --> 00:21:18,210

this whatever it is this energy just

483

00:21:22,040 --> 00:21:19,980

[h__h] with people right it doesn't want

484

00:21:24,320 --> 00:21:22,050

to be documented but the moment the

485

00:21:26,450 --> 00:21:24,330

cameras turn away it you know it just

486

00:21:29,300 --> 00:21:26,460

shows up just starts messing with people

487

00:21:31,760 --> 00:21:29,310

all right yeah so in that keeping that

488

00:21:33,560 --> 00:21:31,770

in mind here's a takeaway it's a quote

489

00:21:37,190 --> 00:21:33,570

it's kind of verbatim it's not exact but

490

00:21:38,750 --> 00:21:37,200

here's a quote from Johnny Elton

491

00:21:41,120 --> 00:21:38,760

I always thought of reality as a game

492

00:21:43,160 --> 00:21:41,130

everyone's important in the game there's

493

00:21:45,230 --> 00:21:43,170

this instinctual learn behavior as

494

00:21:47,900 --> 00:21:45,240

adults that there's a winner or a loser

495

00:21:50,720 --> 00:21:47,910

as a kid you go outside climb a tree

496

00:21:52,430 --> 00:21:50,730

fall down you're playing a game and you

497

00:21:54,800 --> 00:21:52,440

have a have a great time playing it I

498

00:21:58,100 --> 00:21:54,810

feel like the phenomenon whether it be

499

00:22:00,650 --> 00:21:58,110

ghosts UFOs or Bigfoot is playing a game

500

00:22:02,960 --> 00:22:00,660

it doesn't want to win it doesn't want

501
00:22:03,370 --> 00:22:02,970
to lose it just wants you to engage with

502
00:22:06,620 --> 00:22:03,380
it

503
00:22:09,440 --> 00:22:06,630
hell yeah in that awesome yeah dude yeah

504
00:22:12,170 --> 00:22:09,450
like that's absolutely that totally grab

505
00:22:14,300 --> 00:22:12,180
everything up uh I mean we I'll always

506
00:22:17,000 --> 00:22:14,310
have questions about it but that's it oh

507
00:22:19,880 --> 00:22:17,010
I'm really good with that answer yeah

508
00:22:23,090 --> 00:22:19,890
you know definitely it's it's this it's

509
00:22:25,490 --> 00:22:23,100
this it's this phenomenon that's you

510
00:22:27,560 --> 00:22:25,500
know it doesn't want to be proven right

511
00:22:30,020 --> 00:22:27,570
or proven wrong it's just there like

512
00:22:32,300 --> 00:22:30,030
once you play a game mm-hmm that dude I

513
00:22:35,060 --> 00:22:32,310

love hey cool part is you get to be like

514

00:22:38,330 --> 00:22:35,070

a kid and just have fun yeah while

515

00:22:41,330 --> 00:22:38,340

enjoying it and investigating it yeah

516

00:22:42,950 --> 00:22:41,340

yeah dude totally I just love that like

517

00:22:45,680 --> 00:22:42,960

it's such a good take away at the I feel

518

00:22:48,560 --> 00:22:45,690

like that can be applied to do like the

519

00:22:50,710 --> 00:22:48,570

meaning of life you know like it sounds

520

00:22:53,450 --> 00:22:50,720

kind of corny but no it's all just like

521

00:22:54,490 --> 00:22:53,460

stop taking [h__\h] so seriously just play

522

00:22:58,370 --> 00:22:54,500

the game you know yeah absolutely

523

00:23:00,350 --> 00:22:58,380

absolutely yeah so that that's that's

524

00:23:01,250 --> 00:23:00,360

all I got for that one but yeah if you

525

00:23:03,260 --> 00:23:01,260

don't want to listen to that episode

526
00:23:10,070 --> 00:23:03,270
check it out yeah for sure somewhere in

527
00:23:11,630 --> 00:23:10,080
the skies we're in this game spread all

528
00:23:14,620 --> 00:23:11,640
right well now that we told you guys to

529
00:23:18,920 --> 00:23:14,630
go listen to all these other podcasts

530
00:23:20,480 --> 00:23:18,930
still listening what we're doing is like

531
00:23:25,090 --> 00:23:20,490
that's all we're talking like hey you

532
00:23:31,430 --> 00:23:28,100
here's one for you dude so I think I'm

533
00:23:33,800 --> 00:23:31,440
sick and tired of people saying uh the

534
00:23:37,190 --> 00:23:33,810
population can't handle the truth

535
00:23:39,170 --> 00:23:37,200
oh dude I'm so tired of that I'm so I'm

536
00:23:41,150 --> 00:23:39,180
so tired of that so glad Jesus do you

537
00:23:43,640 --> 00:23:41,160
think do you think that we've the

538
00:23:46,340 --> 00:23:43,650

population couldn't handle the truth I

539

00:23:48,050 --> 00:23:46,350

think we could handle the truth I think

540

00:23:50,960 --> 00:23:48,060

we could too I think it's such a [h__\h]

541

00:23:52,820 --> 00:23:50,970

dumb overstated thing it's such a

542

00:23:55,040 --> 00:23:52,830

blanket statement deal with the reason

543

00:23:56,930 --> 00:23:55,050

that they don't say anything is because

544

00:23:58,610 --> 00:23:56,940

the public wouldn't be able to handle it

545

00:24:01,280 --> 00:23:58,620

I think that [h__\h] that's a cop-out

546

00:24:03,320 --> 00:24:01,290

it would drive everything into chaos do

547

00:24:05,720 --> 00:24:03,330

you okay no really you really think that

548

00:24:08,780 --> 00:24:05,730

they care but what the public is gonna

549

00:24:10,880 --> 00:24:08,790

do like the powers that be I think the

550

00:24:13,490 --> 00:24:10,890

stuff that they're doing right now is

551
00:24:15,110 --> 00:24:13,500
what's driving a public into chaos I

552
00:24:17,090 --> 00:24:15,120
mean look at what we're going through

553
00:24:19,640 --> 00:24:17,100
right now everybody hates each other

554
00:24:20,630 --> 00:24:19,650
it's this or it flattened flug Alma

555
00:24:22,880 --> 00:24:20,640
Goodman

556
00:24:25,160 --> 00:24:22,890
and it's like dude are you kidding me

557
00:24:26,630 --> 00:24:25,170
now that you tell me about the aliens

558
00:24:29,150 --> 00:24:26,640
and maybe that will bring us all

559
00:24:30,590 --> 00:24:29,160
together I think that's the issue they

560
00:24:33,560 --> 00:24:30,600
won't tell you because they don't want

561
00:24:35,510 --> 00:24:33,570
to bring everybody together that's

562
00:24:38,000 --> 00:24:35,520
that's what it is that's such that's

563
00:24:43,010 --> 00:24:38,010

very anti one-world government though

564

00:24:45,049 --> 00:24:43,020

yeah good it's like every conspiracy

565

00:24:47,210 --> 00:24:45,059

theories like in game is oh they all

566

00:24:50,090 --> 00:24:47,220

like at the end of this game it's all

567

00:24:53,510 --> 00:24:50,100

one world government world yeah dude

568

00:24:56,270 --> 00:24:53,520

yeah no no I mean yeah that's uh that's

569

00:24:58,669 --> 00:24:56,280

that's what I think the game plan is you

570

00:25:01,280 --> 00:24:58,679

know I really think just the [h__\h]

571

00:25:03,140 --> 00:25:01,290

they're doing now like is is driving

572

00:25:06,280 --> 00:25:03,150

everybody into more chaos than if they

573

00:25:09,110 --> 00:25:06,290

were to just say yeah aliens exist like

574

00:25:10,789 --> 00:25:09,120

okay yeah I don't think can you think

575

00:25:13,400 --> 00:25:10,799

would happen me either we'd be like okay

576

00:25:16,820 --> 00:25:13,410

okay so take this as an example okay so

577

00:25:19,010 --> 00:25:16,830

the the Pentagon the the Navy everybody

578

00:25:20,990 --> 00:25:19,020

just released this video right was

579

00:25:22,970 --> 00:25:21,000

actually released a long-ass time ago

580

00:25:26,600 --> 00:25:22,980

but it just got pushed again a couple

581

00:25:28,730 --> 00:25:26,610

weeks ago yeah yes UFOs are real and

582

00:25:31,970 --> 00:25:28,740

nobody gives a [\h__\h] no one cares nobody

583

00:25:34,610 --> 00:25:31,980

cares nobody cares at all I think you

584

00:25:38,090 --> 00:25:34,620

could literally say hey aliens are real

585

00:25:39,650 --> 00:25:38,100

and people would be like what like they

586

00:25:41,930 --> 00:25:39,660

wouldn't give a [\h__\h]

587

00:25:44,450 --> 00:25:41,940

it wouldn't unless it was like a selfie

588

00:25:46,549 --> 00:25:44,460

like an alien selfie an alien selfie no

589

00:25:48,620 --> 00:25:46,559

do like with Trump and he has like a

590

00:25:53,390 --> 00:25:48,630

mega hat on but oh it's immediately

591

00:25:54,409 --> 00:25:53,400

trending people would forget about the

592

00:25:57,110 --> 00:25:54,419

next day anyway

593

00:25:59,270 --> 00:25:57,120

yeah no I think I think that uh that

594

00:26:01,130 --> 00:25:59,280

line is tired and played out yeah I'm

595

00:26:02,990 --> 00:26:01,140

sick of people saying that it's almost

596

00:26:05,480 --> 00:26:03,000

as tired as like little green men

597

00:26:09,890 --> 00:26:05,490

little green men well greet them did you

598

00:26:13,820 --> 00:26:09,900

put your tinfoil hats on yeah it's just

599

00:26:15,890 --> 00:26:13,830

a silly bro like I'm sick of that yeah

600

00:26:18,770 --> 00:26:15,900

it's I think it's just a part of this

601
00:26:21,140 --> 00:26:18,780
narrative that it's just easy it's like

602
00:26:22,340 --> 00:26:21,150
this they're just vomiting words that

603
00:26:24,620 --> 00:26:22,350
they're comfortable with and they're

604
00:26:26,810 --> 00:26:24,630
just filling time they're saying a bunch

605
00:26:28,010 --> 00:26:26,820
of [h__\h] but when they're saying it

606
00:26:29,900 --> 00:26:28,020
they're thinking of the next thing

607
00:26:32,990 --> 00:26:29,910
they're gonna say so they're not there's

608
00:26:34,280 --> 00:26:33,000
no there's no weight to it yeah it's one

609
00:26:35,750 --> 00:26:34,290
of those like blanket statement

610
00:26:37,940 --> 00:26:35,760
where you just you just say something

611
00:26:39,500 --> 00:26:37,950
that you're used to saying so that you

612
00:26:41,600 --> 00:26:39,510
could prepare for the next thing you're

613
00:26:44,480 --> 00:26:41,610

gonna say I think if they're I think if

614

00:26:45,950 --> 00:26:44,490

they said yes aliens exist I think it

615

00:26:48,200 --> 00:26:45,960

would be more likely that people would

616

00:26:49,910 --> 00:26:48,210

be like oh so there's something more

617

00:26:53,990 --> 00:26:49,920

powerful out there than the government

618

00:26:55,760 --> 00:26:54,000

than you oh whoa okay cool so maybe I'm

619

00:26:58,580 --> 00:26:55,770

not gonna do this [h__h] and I'm gonna

620

00:27:05,690 --> 00:26:58,590

like you know try and find these dang

621

00:27:18,410 --> 00:27:05,700

aliens what what would we do anyway this

622

00:27:21,140 --> 00:27:18,420

guy like nothing nothing yeah not the

623

00:27:23,240 --> 00:27:21,150

only thing they do anything dude I mean

624

00:27:26,480 --> 00:27:23,250

I had this dream the other night it was

625

00:27:27,920 --> 00:27:26,490

so [h__h] real like I often think like

626
00:27:29,600 --> 00:27:27,930
when people tell their dreams is kind of

627
00:27:31,730 --> 00:27:29,610
like boring uh-huh I feel like this is

628
00:27:35,660 --> 00:27:31,740
pretty interesting I'll make it quick

629
00:27:37,730 --> 00:27:35,670
but I was in between a review so on

630
00:27:38,810 --> 00:27:37,740
there's like a ravine so I'm on one side

631
00:27:40,940 --> 00:27:38,820
of this mountain and on the other side

632
00:27:43,610 --> 00:27:40,950
of this mountain is this huge alien ship

633
00:27:46,670 --> 00:27:43,620
and there's all these people in front of

634
00:27:48,470 --> 00:27:46,680
this big like cement structure a really

635
00:27:50,660 --> 00:27:48,480
flat man-made structure that's kind of

636
00:27:53,150 --> 00:27:50,670
protruding out of this mountain and 1/8

637
00:27:56,300 --> 00:27:53,160
like a UFO lands and there's all these

638
00:27:58,250 --> 00:27:56,310

people in suits and the alien gets out

639

00:28:01,540 --> 00:27:58,260

and you could hear it echoing I can

640

00:28:04,280 --> 00:28:01,550

remember that and the dream like vividly

641

00:28:07,100 --> 00:28:04,290

it was saying some weird language yeah

642

00:28:10,100 --> 00:28:07,110

it was [h__h] creepy but also I woke up

643

00:28:12,500 --> 00:28:10,110

like how [h__h] like damn also that's

644

00:28:14,330 --> 00:28:12,510

really weird I wonder if that's if that

645

00:28:16,700 --> 00:28:14,340

can if that's what it would be like yeah

646

00:28:19,970 --> 00:28:16,710

they would just step out and start just

647

00:28:21,950 --> 00:28:19,980

say some goofy [h__h] yeah well that but

648

00:28:24,530 --> 00:28:21,960

like I don't know I know it was a dream

649

00:28:27,110 --> 00:28:24,540

but like seeing it was pretty surreal

650

00:28:28,700 --> 00:28:27,120

surreal so because that's what everybody

651
00:28:30,140 --> 00:28:28,710
hopes that that right

652
00:28:31,340 --> 00:28:30,150
what disclosure is gonna be like they're

653
00:28:32,600 --> 00:28:31,350
gonna show up on the White House lawn

654
00:28:35,420 --> 00:28:32,610
and they're gonna get out and I'm gonna

655
00:28:38,180 --> 00:28:35,430
shake hands would you even if they had

656
00:28:40,760 --> 00:28:38,190
hands yeah I mean honestly guys like if

657
00:28:42,779 --> 00:28:40,770
you're still looking for disclosure I

658
00:28:45,629 --> 00:28:42,789
mean you can stop I think we already

659
00:28:48,779 --> 00:28:45,639
like that was it yeah that was like the

660
00:28:50,399 --> 00:28:48,789
disclosure I mean they which came out

661
00:28:52,409 --> 00:28:50,409
there less we're gonna get yeah it's

662
00:28:54,599 --> 00:28:52,419
real I guess until the next now it's

663
00:28:57,359 --> 00:28:54,609

just now it's just grooming the people

664

00:29:01,229 --> 00:28:57,369

to get them prepared for the next step

665

00:29:03,449 --> 00:29:01,239

yeah which is if they decide to come you

666

00:29:05,549 --> 00:29:03,459

know what I'm saying and kind of land

667

00:29:06,989 --> 00:29:05,559

here or whatever you know like even like

668

00:29:08,729 --> 00:29:06,999

Lorien was saying it she was like you

669

00:29:12,269 --> 00:29:08,739

know if anything they may just come and

670

00:29:13,769 --> 00:29:12,279

hover above the city and just stay there

671

00:29:16,049 --> 00:29:13,779

for like a hundred years and tell

672

00:29:18,119 --> 00:29:16,059

everybody the next few generations just

673

00:29:21,119 --> 00:29:18,129

realizes oh yeah these are a thing

674

00:29:23,249 --> 00:29:21,129

they're here yeah and then they'll come

675

00:29:25,680 --> 00:29:23,259

out or whatever you know like it's you

676

00:29:27,119 --> 00:29:25,690

know that's that's possibility dude I

677

00:29:28,889 --> 00:29:27,129

know it's definitely a possibility I

678

00:29:31,199 --> 00:29:28,899

feel like in a way they have been

679

00:29:33,389 --> 00:29:31,209

hovering in our culture just not you

680

00:29:35,879 --> 00:29:33,399

know visibly physically they've been

681

00:29:37,199 --> 00:29:35,889

hovering in our culture for you know 60

682

00:29:40,439 --> 00:29:37,209

years mm-hmm

683

00:29:42,779 --> 00:29:40,449

and yet started out like a really

684

00:29:44,609 --> 00:29:42,789

fearful thing and then it was goofy and

685

00:29:47,939 --> 00:29:44,619

now it's back to being serious yeah and

686

00:29:50,069 --> 00:29:47,949

now it's okay so everybody's okay with

687

00:29:53,609 --> 00:29:50,079

this happening I think it's just I don't

688

00:29:57,119 --> 00:29:53,619

know it's a little like too babyish like

689

00:29:59,069 --> 00:29:57,129

they're babying us like just tell us

690

00:30:00,749 --> 00:29:59,079

dude do you think do you like what do

691

00:30:03,809 --> 00:30:00,759

you think would have like so say like a

692

00:30:05,279 --> 00:30:03,819

ship comes down right and it lands you

693

00:30:06,959 --> 00:30:05,289

know like kinda like me and you are out

694

00:30:08,999 --> 00:30:06,969

of Sedona right we were just hanging out

695

00:30:11,459 --> 00:30:09,009

we were chillin yeah like a alien comes

696

00:30:15,089 --> 00:30:11,469

out and like the door opens and then

697

00:30:18,299 --> 00:30:15,099

it's like and then like the guy comes

698

00:30:19,979 --> 00:30:18,309

out the alien guy comes out and like he

699

00:30:22,349 --> 00:30:19,989

kind of starts speaking this gibberish

700

00:30:26,759 --> 00:30:22,359

Yeah right like was in your dream yeah

701
00:30:28,559 --> 00:30:26,769
and then we're like usually were like

702
00:30:29,159 --> 00:30:28,569
dude that's funny that he's like sounds

703
00:30:32,309 --> 00:30:29,169
like that

704
00:30:39,089 --> 00:30:32,319
okay like he said scoop and luqman but

705
00:30:41,279 --> 00:30:39,099
really but I hope it's Osteen I hope

706
00:30:44,099 --> 00:30:41,289
they choose us yes hey you think they'd

707
00:30:45,419 --> 00:30:44,109
be mad at us like dude

708
00:30:47,039 --> 00:30:45,429
anything like he looks back he's like

709
00:30:49,229 --> 00:30:47,049
dude see I just told you we shouldn't

710
00:30:50,909 --> 00:30:49,239
landed here these guys are idiots right

711
00:30:51,860 --> 00:30:50,919
or do you think they'd be like cool with

712
00:30:53,720 --> 00:30:51,870
it they like

713
00:30:55,519 --> 00:30:53,730

look it says that you are like I don't

714

00:30:57,380 --> 00:30:55,529

know like you know like we were talking

715

00:31:00,919 --> 00:30:57,390

about how like your experience on like

716

00:31:03,110 --> 00:31:00,929

being abducted like kind of it's like it

717

00:31:06,320 --> 00:31:03,120

kind of depends on like how you react to

718

00:31:08,210 --> 00:31:06,330

it ya know like yeah I don't know like

719

00:31:09,230 --> 00:31:08,220

whether it's like a positive experience

720

00:31:11,090 --> 00:31:09,240

right exactly

721

00:31:13,519 --> 00:31:11,100

I would I would hope if I was ever

722

00:31:15,980 --> 00:31:13,529

abducted like I could keep my cool

723

00:31:17,539 --> 00:31:15,990

enough you know but like more likely I'm

724

00:31:20,180 --> 00:31:17,549

gonna freak the hell out right

725

00:31:21,950 --> 00:31:20,190

but whatever they're apparently like

726

00:31:24,409 --> 00:31:21,960

through all these stories like that they

727

00:31:26,840 --> 00:31:24,419

kind of control your anxiety a little

728

00:31:29,720 --> 00:31:26,850

bit right yeah yeah till telepathically

729

00:31:31,820 --> 00:31:29,730

or and I don't know so I mean maybe you

730

00:31:33,889 --> 00:31:31,830

couldn't even like be cool about it like

731

00:31:35,240 --> 00:31:33,899

they just keep you like this even like

732

00:31:39,680 --> 00:31:35,250

maybe you don't you have a choice yeah

733

00:31:41,240 --> 00:31:39,690

yeah like what are they missing out on

734

00:31:43,310 --> 00:31:41,250

you know what I'm saying like if they

735

00:31:45,919 --> 00:31:43,320

like took both of us and like we got

736

00:31:47,480 --> 00:31:45,929

kind of comfortable like by the end of

737

00:31:49,340 --> 00:31:47,490

the night dude like we'd be throwing

738

00:31:50,960 --> 00:31:49,350

bones and drinking beer with the aliens

739

00:31:52,970 --> 00:31:50,970

like they won't ever get to experience

740

00:31:54,740 --> 00:31:52,980

that cuz they're gonna have us under

741

00:31:57,620 --> 00:31:54,750

their mind-control I mean they're

742

00:32:00,680 --> 00:31:57,630

missing out yeah baller-ass knight who

743

00:32:05,299 --> 00:32:00,690

like dude you'll have cards you wanna

744

00:32:07,880 --> 00:32:05,309

play go fish like what they're like dude

745

00:32:10,580 --> 00:32:07,890

like we're gonna travel the entire

746

00:32:12,110 --> 00:32:10,590

universe in like less than a second and

747

00:32:18,200 --> 00:32:12,120

you want to play cards

748

00:32:20,029 --> 00:32:18,210

yes that's I'll trade you I'll trade you

749

00:32:21,830 --> 00:32:20,039

this dollar seventy five I have in my

750

00:32:25,490 --> 00:32:21,840

pocket for your laser gun really did you

751

00:32:29,600 --> 00:32:25,500

ever play with warheads like is candy

752

00:32:31,519 --> 00:32:29,610

candy candy oh yeah dude I bet so that

753

00:32:35,600 --> 00:32:31,529

just made me think of like Texas Hold'em

754

00:32:40,460 --> 00:32:35,610

like like if an alien had so apparently

755

00:32:42,519 --> 00:32:40,470

the Roswell the footage the the aliens

756

00:32:44,840 --> 00:32:42,529

that they recovered have six fingers

757

00:32:46,940 --> 00:32:44,850

there's like have you seen the videos I

758

00:32:50,210 --> 00:32:46,950

haven't seen that no so it's actually

759

00:32:52,639 --> 00:32:50,220

like it's kinda I wasn't even going down

760

00:32:54,799 --> 00:32:52,649

a dark hole on YouTube he kind of just

761

00:32:59,149 --> 00:32:54,809

showed up mm-hmm and it was kind of like

762

00:33:02,020 --> 00:32:59,159

a a rehash kind of a refresher look at

763

00:33:04,940 --> 00:33:02,030

the historical footage of the supposed

764

00:33:05,900 --> 00:33:04,950

Roswell crash alien beings yeah this

765

00:33:07,550 --> 00:33:05,910

footage that was

766

00:33:09,620 --> 00:33:07,560

you know classify and declare I don't

767

00:33:12,440 --> 00:33:09,630

know whatever some somehow somebody got

768

00:33:15,890 --> 00:33:12,450

a hold of it in it and they're like okay

769

00:33:17,390 --> 00:33:15,900

well everybody knows this is a fake but

770

00:33:19,850 --> 00:33:17,400

okay well let's take another look at it

771

00:33:21,770 --> 00:33:19,860

and they kind of break it down like

772

00:33:24,410 --> 00:33:21,780

scene by scene frame by frame and look

773

00:33:28,190 --> 00:33:24,420

at the anatomy and the bone structure

774

00:33:30,980 --> 00:33:28,200

and look at kind of the weight ratio for

775

00:33:33,110 --> 00:33:30,990

like the calf muscles and the quad

776

00:33:36,110 --> 00:33:33,120

muscles and yeah and they're like man

777

00:33:39,740 --> 00:33:36,120

whoever if this is a fake somebody

778

00:33:41,900 --> 00:33:39,750

really went to a lot like a a big

779

00:33:44,750 --> 00:33:41,910

expense trying to figure out an adamant

780

00:33:51,560 --> 00:33:44,760

like why this would make sense to make

781

00:33:53,600 --> 00:33:51,570

this yeah that's the UH the this is the

782

00:33:54,950 --> 00:33:53,610

Roswell tapes yeah

783

00:33:56,660 --> 00:33:54,960

was it the one like where he's on the

784

00:33:59,690 --> 00:33:56,670

table the operating table there's that

785

00:34:01,700 --> 00:33:59,700

one there's the I want to say a bottom

786

00:34:02,120 --> 00:34:01,710

eight I know that's not right yeah [h__\h]

787

00:34:07,130 --> 00:34:02,130

dude

788

00:34:09,740 --> 00:34:07,140

I'm so down lobotomy uh autopsy that's

789

00:34:14,510 --> 00:34:09,750

the word I was looking for alien autopsy

790

00:34:15,649 --> 00:34:14,520

yes yes so they're looking at that one

791

00:34:18,980 --> 00:34:15,659

but they're also looking out of me

792

00:34:20,810 --> 00:34:18,990

hippopotamus people but they're also

793

00:34:24,530 --> 00:34:20,820

looking at there's there's more footage

794

00:34:27,919 --> 00:34:24,540

of a hole like hangar looking room with

795

00:34:30,169 --> 00:34:27,929

like twelve or so beings and they're all

796

00:34:32,090 --> 00:34:30,179

and it like kind of breaks down that

797

00:34:34,639 --> 00:34:32,100

video too and they zoom in and also

798

00:34:36,470 --> 00:34:34,649

those aliens have five fingers on the

799

00:34:37,730 --> 00:34:36,480

top and then one thumb so all of them

800

00:34:39,619 --> 00:34:37,740

have six fingers and all that stuff

801
00:34:41,840 --> 00:34:39,629
anyway you're talking about cards that's

802
00:34:43,790 --> 00:34:41,850
what originally got me to that yeah it

803
00:34:47,119 --> 00:34:43,800
had an extra finger like what kind of

804
00:34:51,800 --> 00:34:47,129
sorcery you could do it oh man yeah like

805
00:34:53,690 --> 00:34:51,810
do what do you do with the extra fingers

806
00:35:02,420 --> 00:34:53,700
eyebrows I think it would like drop us

807
00:35:04,010 --> 00:35:02,430
back off because we would clown and then

808
00:35:05,960 --> 00:35:04,020
they get mad because we just like keep

809
00:35:09,500 --> 00:35:05,970
touching [h__\h] like stop touching

810
00:35:12,380 --> 00:35:09,510
everything what does this do where does

811
00:35:14,360 --> 00:35:12,390
this button hey what are these was this

812
00:35:19,490 --> 00:35:14,370
big soft yeah what kind of beer do you

813
00:35:31,520 --> 00:35:19,500

drink we high-five up too slow idiot

814

00:35:34,280 --> 00:35:31,530

with your six fingers missed you guys

815

00:35:38,510 --> 00:35:34,290

you guys don't you got will never be as

816

00:35:41,599 --> 00:35:38,520

smart as is me a bit oh you think you're

817

00:35:43,160 --> 00:35:41,609

cool with this ship I can tell you I

818

00:35:44,720 --> 00:35:43,170

they like materialize something with

819

00:35:46,670 --> 00:35:44,730

their mind yeah and you're like I made

820

00:35:50,950 --> 00:35:46,680

hot pockets and you're like all right

821

00:35:53,520 --> 00:35:50,960

bin chump and then let you rip a fart

822

00:35:57,010 --> 00:35:53,530

you're like take that alien dudes

823

00:35:59,450 --> 00:35:57,020

[Laughter]

824

00:36:04,849 --> 00:35:59,460

yeah can you produce one of those I'll

825

00:36:07,580 --> 00:36:04,859

think so it kind of reminds you of like

826
00:36:09,320 --> 00:36:07,590
how like Bill and Ted like when they die

827
00:36:11,030 --> 00:36:09,330
and they have to like play death and

828
00:36:12,830 --> 00:36:11,040
like all these games answer like

829
00:36:16,040 --> 00:36:12,840
challenge death to the games and they

830
00:36:18,440 --> 00:36:16,050
keep winning they play like the like the

831
00:36:22,280 --> 00:36:18,450
that board football machine and like

832
00:36:24,740 --> 00:36:22,290
then he loses and he's like damn he's

833
00:36:26,960 --> 00:36:24,750
like messed two of three and then they

834
00:36:28,880 --> 00:36:26,970
go again they like play twister and then

835
00:36:31,970 --> 00:36:28,890
they beat him again is like best three

836
00:36:34,550 --> 00:36:31,980
of five thick you play games are they

837
00:36:47,599 --> 00:36:34,560
finally like they win at battleship he's

838
00:36:48,980 --> 00:36:47,609

like you sunk my battleship the first

839

00:36:50,800 --> 00:36:48,990

one I think it's excellent

840

00:36:53,829 --> 00:36:50,810

I'll shoot it's been a long time oh yeah

841

00:36:56,030 --> 00:36:53,839

bogus journey oh yah a bogus journey

842

00:36:57,859 --> 00:36:56,040

Saxon adventure is the first one where

843

00:36:59,870 --> 00:36:57,869

they going absolute venture the most

844

00:37:01,970 --> 00:36:59,880

excellent adventure through time do you

845

00:37:05,000 --> 00:37:01,980

ever come up dude Kiani

846

00:37:08,720 --> 00:37:05,010

sign up for a new blue head third one's

847

00:37:10,339 --> 00:37:08,730

gonna be oh my god we excited are you

848

00:37:12,859 --> 00:37:10,349

alright like are you kind of afraid

849

00:37:14,900 --> 00:37:12,869

they're gonna ruin it I'm interested to

850

00:37:17,390 --> 00:37:14,910

see what they're gonna do yeah I wonder

851
00:37:20,720 --> 00:37:17,400
if like they're gonna put them like now

852
00:37:22,790 --> 00:37:20,730
does now that it's the future like the

853
00:37:25,099 --> 00:37:22,800
wild stallions like if they're like

854
00:37:26,839 --> 00:37:25,109
actually like a big huge band you know

855
00:37:28,640 --> 00:37:26,849
because that's what Rufus says like any

856
00:37:30,170 --> 00:37:28,650
other ones it you know it was like one

857
00:37:32,329 --> 00:37:30,180
of the main reasons why it comes back

858
00:37:33,410 --> 00:37:32,339
and helps help us in like past the

859
00:37:35,690 --> 00:37:33,420
history test

860
00:37:37,250 --> 00:37:35,700
because like in the future y'all are

861
00:37:39,470 --> 00:37:37,260
gonna be one of the most influential

862
00:37:43,220 --> 00:37:39,480
bands of all time and y'all are gonna

863
00:37:45,289 --> 00:37:43,230

shape the the history in the future so

864

00:37:47,390 --> 00:37:45,299

you have to complete this you know you

865

00:37:49,880 --> 00:37:47,400

can't get sent to military school you

866

00:37:52,549 --> 00:37:49,890

have to you know pass this history exam

867

00:37:55,640 --> 00:37:52,559

and so they finally yeah they finally

868

00:37:58,930 --> 00:37:55,650

like passed the history exams down yeah

869

00:38:01,039 --> 00:37:58,940

he's pretty see that makes me think of

870

00:38:03,770 --> 00:38:01,049

it's a movie call the thing it's called

871

00:38:06,410 --> 00:38:03,780

yesterday it's this dude that finds

872

00:38:08,750 --> 00:38:06,420

himself he like wakes up he hits his

873

00:38:10,430 --> 00:38:08,760

head or gets in a wreck wakes up and

874

00:38:12,109 --> 00:38:10,440

he's in this alternate dimension where

875

00:38:13,490 --> 00:38:12,119

the Beatles have never existed

876

00:38:15,260 --> 00:38:13,500

oh yeah but he's like it's not a

877

00:38:16,549 --> 00:38:15,270

singer/songwriter you saw it I haven't

878

00:38:18,859 --> 00:38:16,559

do don't want to see it so bad I want to

879

00:38:20,240 --> 00:38:18,869

see it - it looks so dope yeah I

880

00:38:22,730 --> 00:38:20,250

shouldn't have watched the whole trailer

881

00:38:27,380 --> 00:38:22,740

because I feel like I watched the whole

882

00:38:29,990 --> 00:38:27,390

movie already like dude I love dude I

883

00:38:31,549 --> 00:38:30,000

mean I love the Beatles right great but

884

00:38:34,339 --> 00:38:31,559

if that happened to me I think I would I

885

00:38:35,480 --> 00:38:34,349

think I would have hope there like it

886

00:38:37,880 --> 00:38:35,490

was I who would you choose and the

887

00:38:45,880 --> 00:38:37,890

Rolling Stones may be starring Stein

888

00:38:50,900 --> 00:38:49,490

all the stonies Tunes man you know it'd

889

00:38:56,089 --> 00:38:50,910

be kind of cool

890

00:39:02,870 --> 00:38:56,099

or how about Britney Spears dude I know

891

00:39:05,329 --> 00:39:02,880

you're big Britney Spears Led Zeppelin

892

00:39:07,339 --> 00:39:05,339

dude oh if you were the only guy in the

893

00:39:09,470 --> 00:39:07,349

world who knew like Led Zeppelin riffs

894

00:39:14,270 --> 00:39:09,480

ah that'd be I can't I wouldn't even be

895

00:39:16,609 --> 00:39:14,280

able to play I actually had this

896

00:39:20,180 --> 00:39:16,619

conversation at a bar last night it was

897

00:39:22,280 --> 00:39:20,190

Luke's birthday and the same exact

898

00:39:24,970 --> 00:39:22,290

conversation like if you could go back

899

00:39:28,130 --> 00:39:24,980

in time and be in a band and he was like

900

00:39:30,069 --> 00:39:28,140

so against the Beatles and he said he

901
00:39:32,480 --> 00:39:30,079
would go for Zeppelin for sure

902
00:39:35,030 --> 00:39:32,490
yep 'In is definitely a good one dude I

903
00:39:36,890 --> 00:39:35,040
mean I feel like I kind of popped his

904
00:39:38,420 --> 00:39:36,900
bubble too because I was like hey so you

905
00:39:42,950 --> 00:39:38,430
know like some of your favorite songs

906
00:39:46,769 --> 00:39:42,960
those are well sources have come out to

907
00:39:48,929 --> 00:39:46,779
say that those were all stolen yeah

908
00:39:50,759 --> 00:39:48,939
like the the stairway from heaven yeah

909
00:39:52,620 --> 00:39:50,769
there's more than that that so that

910
00:39:55,859 --> 00:39:52,630
particular riff that's a band from

911
00:39:57,390 --> 00:39:55,869
Austin no way yeah that's sick yeah I

912
00:39:58,919 --> 00:39:57,400
forgot I forgot the name of the band but

913
00:40:03,630 --> 00:39:58,929

yeah those guys are from Austin that's

914

00:40:04,919 --> 00:40:03,640

doe oh yeah that's cool well I mean it's

915

00:40:08,549 --> 00:40:04,929

kind of one of those things man we're

916

00:40:11,339 --> 00:40:08,559

like you know like blues wasn't really a

917

00:40:14,699 --> 00:40:11,349

thing there yet and so when like the

918

00:40:17,219 --> 00:40:14,709

Blues came out like that took Europe by

919

00:40:19,229 --> 00:40:17,229

storm dude like that's when you really

920

00:40:21,749 --> 00:40:19,239

started getting that bluesy rock and

921

00:40:26,429 --> 00:40:21,759

roll sound you know and Zeppelin like

922

00:40:29,219 --> 00:40:26,439

they nailed it just destroy nailed it so

923

00:40:31,439 --> 00:40:29,229

you know in like Jimi you know went over

924

00:40:33,989 --> 00:40:31,449

there and started doing his thing and

925

00:40:36,809 --> 00:40:33,999

they were like holy [h__\h] like this is

926
00:40:39,870 --> 00:40:36,819
insane jimothy hendrix jimothy hendrix

927
00:40:43,169 --> 00:40:39,880
dude yeah cuz you know it was the blues

928
00:40:46,620 --> 00:40:43,179
man yeah I can't think of a more

929
00:40:50,630 --> 00:40:46,630
powerful like music genre started with

930
00:40:52,819 --> 00:40:50,640
Robert Johnson we spawned the Blues I

931
00:40:54,539 --> 00:40:52,829
thought it all started with Elvis dude

932
00:40:57,649 --> 00:40:54,549
I'm kidding I'm kidding

933
00:41:00,599 --> 00:40:57,659
so you remember when we went to uh

934
00:41:02,069 --> 00:41:00,609
Hattiesburg Hattiesburg dude yep and

935
00:41:03,899 --> 00:41:02,079
boom played in the boom-boom room

936
00:41:06,509 --> 00:41:03,909
yep it yep so that's where Robert

937
00:41:08,909 --> 00:41:06,519
Johnson used to sit right there at that

938
00:41:11,009 --> 00:41:08,919

railroad track and whenever all the

939

00:41:12,449 --> 00:41:11,019

people would come in on the train they

940

00:41:14,370 --> 00:41:12,459

would all sit around and they would play

941

00:41:16,319 --> 00:41:14,380

the blues on the railroad track that's

942

00:41:20,249 --> 00:41:16,329

where the song crossroads comes from

943

00:41:22,049 --> 00:41:20,259

it's specific area that is awesome yeah

944

00:41:24,390 --> 00:41:22,059

and so we were like three miles away

945

00:41:26,339 --> 00:41:24,400

from it dude that's so cool who just got

946

00:41:28,589 --> 00:41:26,349

drunk and it went to sleep in a hotel oh

947

00:41:30,479 --> 00:41:28,599

we would did we go to talk about that

948

00:41:32,189 --> 00:41:30,489

night or was it in Oklahoma we got all

949

00:41:36,359 --> 00:41:32,199

this probably gives like a bag full of

950

00:41:39,899 --> 00:41:36,369

hot sauce bro they gave us a full bag

951
00:41:43,919 --> 00:41:39,909
full tonight that we don't want to leave

952
00:41:45,929 --> 00:41:43,929
her or stuff like I think it wasn't open

953
00:41:48,449 --> 00:41:45,939
the trailer I think is Oklahoma City was

954
00:41:50,009 --> 00:41:48,459
it yeah because I know I walked over to

955
00:41:53,969 --> 00:41:50,019
that Waffle House at like 3:00 in the

956
00:41:57,230 --> 00:41:53,979
morning yeah

957
00:41:59,150 --> 00:41:57,240
oh no it all blends together yeah

958
00:42:01,280 --> 00:41:59,160
it's like nobody wanted to leave their

959
00:42:03,470 --> 00:42:01,290
gear like it locked up in the trailer so

960
00:42:05,090 --> 00:42:03,480
I'd like move everything inside that was

961
00:42:10,610 --> 00:42:05,100
our first thing in Baton Rouge

962
00:42:13,640 --> 00:42:10,620
oh yeah honestly yeah it's like a car on

963
00:42:16,490 --> 00:42:13,650

his bike yes I didn't see it but it was

964

00:42:17,870 --> 00:42:16,500

like did you see it cuz I know Britton

965

00:42:19,640 --> 00:42:17,880

and Dom def yeah it was like right there

966

00:42:21,620 --> 00:42:19,650

on the side road like by our hotel and

967

00:42:25,340 --> 00:42:21,630

apparently Susie's drunk just got hit by

968

00:42:31,010 --> 00:42:25,350

cars like crap and they got right back

969

00:42:34,160 --> 00:42:31,020

up my leg I'm good yeah yeah definitely

970

00:42:36,140 --> 00:42:34,170

cuz we were next to a Waffle House you

971

00:42:38,780 --> 00:42:36,150

know dangerous kind of stuff happens

972

00:42:43,720 --> 00:42:38,790

outside wall for houses bro yeah it

973

00:42:46,370 --> 00:42:43,730

makes you look left or right I did yeah

974

00:42:48,290 --> 00:42:46,380

1056
00:46:45,600 --> 00:46:43,540

like you know we want to interview some

1068

00:47:15,600 --> 00:47:13,570

conference right for sure you want to do

1070

00:47:19,110 --> 00:47:17,350

like a little snippets with each one of

1071

00:47:21,690 --> 00:47:19,120

them so I was thinking like I'd love to

1072

00:47:23,340 --> 00:47:21,700

sit in on on some of the like lectures

1073

00:47:24,960 --> 00:47:23,350

or whatever like the stories because

1074

00:47:27,270 --> 00:47:24,970

yeah totally like pretty small and it's

1075

00:47:29,730 --> 00:47:27,280

no no huge names but right we were

1076
00:47:31,710 --> 00:47:29,740
saying the last episode mm-hmm but I

1077
00:47:33,900 --> 00:47:31,720
definitely want to spend a good part of

1078
00:47:35,940 --> 00:47:33,910
the day just chatting people up oh yeah

1079
00:47:38,640 --> 00:47:35,950
absolutely that'd be so cool if somebody

1080
00:47:41,520 --> 00:47:38,650
has like like we're always dreaming of

1081
00:47:43,290 --> 00:47:41,530
somebody I'm gonna cool story and they

1082
00:47:44,790 --> 00:47:43,300
just sitting down on a stool and then

1083
00:47:47,130 --> 00:47:44,800
just chatting us off a little bit yeah I

1084
00:47:49,440 --> 00:47:47,140
say we try and do like one like main

1085
00:47:51,440 --> 00:47:49,450
podcast a day mmm you know what I'm

1086
00:47:54,030 --> 00:47:51,450
saying and then just throughout the day

1087
00:47:56,370 --> 00:47:54,040
chat these people up and do like a

1088
00:47:57,840 --> 00:47:56,380

little 15-minute 20-minute interviews if

1089

00:48:01,410 --> 00:47:57,850

they go longer then they go longer

1090

00:48:04,880 --> 00:48:01,420

that's just the way it goes just the way

1091

00:48:13,470 --> 00:48:08,240

do you have folk on 20/20 disclosure

1092

00:48:15,480 --> 00:48:13,480

contact orbs orbs what portals we're

1093

00:48:17,520 --> 00:48:15,490

gonna see some more gonna see some orbs

1094

00:48:24,750 --> 00:48:17,530

and portals thorald orbs and blake

1095

00:48:26,640 --> 00:48:24,760

bortles UFO science time travel there's

1096

00:48:29,470 --> 00:48:26,650

gonna be some interesting topics things

1097

00:48:32,530 --> 00:48:29,480

that weren't discussed at UFO Congress

1098

00:48:34,030 --> 00:48:32,540

yeah I feel like so I guess this kind of

1099

00:48:36,190 --> 00:48:34,040

stems from an email we got from a

1100

00:48:38,470 --> 00:48:36,200

listener it was asking us like so what

1101
00:48:43,359 --> 00:48:38,480
what do you guys subscribe to is it like

1102
00:48:44,740 --> 00:48:43,369
fringe or theoretical or historical and

1103
00:48:46,540 --> 00:48:44,750
I don't like lane Street Main Street

1104
00:48:47,319 --> 00:48:46,550
yeah he said a couple things and I

1105
00:48:49,480 --> 00:48:47,329
didn't really know

1106
00:48:51,520 --> 00:48:49,490
heads or tails like what - yeah that but

1107
00:48:54,400 --> 00:48:51,530
I guess fringe means like things that

1108
00:48:57,910 --> 00:48:54,410
there's no proof right right just people

1109
00:49:00,099 --> 00:48:57,920
telling stories okay so I mean yeah

1110
00:49:02,380 --> 00:49:00,109
there's it kind of it's like a square is

1111
00:49:04,180 --> 00:49:02,390
a rectangle or maybe no is it a

1112
00:49:05,710 --> 00:49:04,190
rectangle is a square it's kind of its

1113
00:49:07,690 --> 00:49:05,720

kind of that there's a little it's like

1114

00:49:10,810 --> 00:49:07,700

a little VIN diagram there's a little

1115

00:49:12,400 --> 00:49:10,820

bit of both yeah one of those square can

1116

00:49:15,880 --> 00:49:12,410

be a rectangle can be a square but a

1117

00:49:18,849 --> 00:49:15,890

square can not be a rectangle yeah

1118

00:49:20,440 --> 00:49:18,859

so a rectangle I think it rectangle

1119

00:49:23,230 --> 00:49:20,450

can't be a square because the square has

1120

00:49:29,440 --> 00:49:23,240

all equal side but a square can be

1121

00:49:31,870 --> 00:49:29,450

erecting yes that's it ah oh dude

1122

00:49:35,260 --> 00:49:31,880

implant scanning yeah implant scanning

1123

00:49:38,020 --> 00:49:35,270

yeah experience or groups games and a

1124

00:49:45,400 --> 00:49:38,030

raffle I want to play some alien games

1125

00:49:46,720 --> 00:49:45,410

bro yeah yeah and and also go back up so

1126

00:49:49,800 --> 00:49:46,730

with all that being said there's also

1127

00:49:52,270 --> 00:49:49,810

much more oh that's gonna be a now now

1128

00:49:54,190 --> 00:49:52,280

dude what else could they possibly

1129

00:49:56,589 --> 00:49:54,200

announce Oh like and and at the end of

1130

00:50:01,210 --> 00:49:56,599

it we're gonna bring an alien out so you

1131

00:50:03,609 --> 00:50:01,220

can see him his name is Anthony I want

1132

00:50:06,849 --> 00:50:03,619

you to be really nice to him he doesn't

1133

00:50:10,240 --> 00:50:06,859

really like the light no pictures yeah

1134

00:50:28,359 --> 00:50:10,250

it'll freak him out like Oh pictures

1135

00:50:30,339 --> 00:50:28,369

snap their deadly phenomena I like how

1136

00:50:34,150 --> 00:50:30,349

he even says his name like in Spanish at

1137

00:50:39,609 --> 00:50:34,160

day at their at their elephant on the

1138

00:50:41,349 --> 00:50:39,619

Gaza way what's the way I know that

1139

00:50:43,170 --> 00:50:41,359

that's like it kind of common it's just

1140

00:50:47,800 --> 00:50:43,180

slang it's like like

1141

00:50:50,470 --> 00:50:47,810

like like full or whatever like it's

1142

00:50:52,570 --> 00:50:50,480

like so it depends on like when you you

1143

00:50:54,820 --> 00:50:52,580

like like you have to use it in like

1144

00:50:56,980 --> 00:50:54,830

specific times or else like it can be

1145

00:50:58,900 --> 00:50:56,990

like derogatory uh yeah right you know

1146

00:51:01,690 --> 00:50:58,910

so I can't never so if I'm like that if

1147

00:51:03,880 --> 00:51:01,700

I'm like what's awful like that's cool

1148

00:51:07,270 --> 00:51:03,890

but if you're like you fool

1149

00:51:10,330 --> 00:51:07,280

oh okay yeah we're like you know what I

1150

00:51:16,140 --> 00:51:10,340

can that way yeah so don't you never say

1151
00:51:22,600 --> 00:51:16,150
like donde way yeah that that would mean

1152
00:51:24,070 --> 00:51:22,610
where are you well you get that way to

1153
00:51:27,960 --> 00:51:24,080
like pretty much everything if he's like

1154
00:51:33,430 --> 00:51:27,970
yeah like curds and whey or dude like

1155
00:51:35,620 --> 00:51:33,440
whatever way yeah yeah um yeah dude I'm

1156
00:51:37,120 --> 00:51:35,630
excited about that dude we got our plane

1157
00:51:39,730 --> 00:51:37,130
tickets we're going yep we got our plane

1158
00:51:43,560 --> 00:51:39,740
tickets let's do this bags are packed

1159
00:51:49,990 --> 00:51:43,570
all you gotta do is go home go home ball

1160
00:51:51,460 --> 00:51:50,000
go home happy gilmore go whatever is

1161
00:51:55,750 --> 00:51:51,470
trying to make the putt and the guys

1162
00:51:56,290 --> 00:51:55,760
like alright alright happy hey his bags

1163
00:51:58,840 --> 00:51:56,300

are packed

1164

00:51:59,890 --> 00:51:58,850

he's got his plane ticket all you gotta

1165

00:52:02,620 --> 00:51:59,900

do is send him home

1166

00:52:06,820 --> 00:52:02,630

music alright it's time to go home ball

1167

00:52:09,490 --> 00:52:06,830

time to go home he putts any miss haha

1168

00:52:12,100 --> 00:52:09,500

that's a clock damn it Paul warned you

1169

00:52:13,660 --> 00:52:12,110

just go home but you just go home you

1170

00:52:18,310 --> 00:52:13,670

too good for your home

1171

00:52:21,280 --> 00:52:18,320

suck my water ass ball he like throws

1172

00:52:22,330 --> 00:52:21,290

that they got their zeal a stocky stick

1173

00:52:24,610 --> 00:52:22,340

in this scene

1174

00:52:26,440 --> 00:52:24,620

no not it not in that seed he's coming

1175

00:52:28,360 --> 00:52:26,450

he's kind of new to the game does he he

1176
00:52:30,400 --> 00:52:28,370
was a regular golf club the whole movie

1177
00:52:33,250 --> 00:52:30,410
yeah and then at the end chubs gives him

1178
00:52:38,440 --> 00:52:33,260
at that putter at the end so for like

1179
00:52:41,440 --> 00:52:38,450
his big his big event at the end the PGA

1180
00:52:43,570 --> 00:52:41,450
Tour dude I feel like sure shooter

1181
00:52:44,890 --> 00:52:43,580
McGavin 'he's like the antagonist in

1182
00:52:46,900 --> 00:52:44,900
that movie right Oh totally you know

1183
00:52:48,580 --> 00:52:46,910
like he was the first person like

1184
00:52:50,609 --> 00:52:48,590
growing up that I got off a movie that I

1185
00:52:55,259 --> 00:52:50,619
absolutely hated Hey

1186
00:53:03,509 --> 00:52:55,269
yes me too such a good bad guy yeah he

1187
00:53:06,089 --> 00:53:03,519
really is yeah that's not but dude hated

1188
00:53:07,709 --> 00:53:06,099

that yes hey that guy and you were like

1189

00:53:10,829 --> 00:53:07,719

when I saw him in like other movies like

1190

00:53:11,609 --> 00:53:10,839

I was like it was the same thing with

1191

00:53:15,420 --> 00:53:11,619

like uh

1192

00:53:17,370 --> 00:53:15,430

Joaquin Phoenix in a gladiator oh dude

1193

00:53:18,900 --> 00:53:17,380

dude any time I saw him in anything else

1194

00:53:21,329 --> 00:53:18,910

like growing up as a kid I was like dude

1195

00:53:26,279 --> 00:53:21,339

I can't like this guy hate yeah look

1196

00:53:28,709 --> 00:53:26,289

what you did yeah well just really good

1197

00:53:31,019 --> 00:53:28,719

at being bad dudes huh something about

1198

00:53:33,870 --> 00:53:31,029

their face or they're just really good

1199

00:53:36,599 --> 00:53:33,880

actors yeah but a happy gilmore yeah I

1200

00:53:38,130 --> 00:53:36,609

used to love it I still love it hate

1201

00:53:39,180 --> 00:53:38,140

pieces of [h__h] like you for breakfast

1202

00:53:43,039 --> 00:53:39,190

pieces of [h__h]

1203

00:53:46,739 --> 00:53:43,049

you use a [h__h] for breakfast everybody

1204

00:53:48,209 --> 00:53:46,749

what are you doing oh I was just looking

1205

00:53:50,729 --> 00:53:48,219

for the other half of this bottle here

1206

00:53:53,069 --> 00:53:50,739

there's some there's some over there

1207

00:53:54,059 --> 00:53:53,079

dude they don't like they don't make

1208

00:53:56,370 --> 00:53:54,069

movies like that anymore

1209

00:53:58,469 --> 00:53:56,380

yes I mean I know Sandler is still

1210

00:54:00,569 --> 00:53:58,479

making films but I don't know it's

1211

00:54:04,109 --> 00:54:00,579

something about it that that charisma

1212

00:54:06,630 --> 00:54:04,119

uh-huh it's just the timeless age just

1213

00:54:08,130 --> 00:54:06,640

kind of come and gone hello ed bro

1214

00:54:10,979 --> 00:54:08,140

speaking of Joaquin Phoenix have you

1215

00:54:17,359 --> 00:54:10,989

seen the Joker yet no have you yes whole

1216

00:54:25,739 --> 00:54:20,789

no it's awesome it's good and it's

1217

00:54:27,839 --> 00:54:25,749

awesome that's the creepiest song of

1218

00:54:28,979 --> 00:54:27,849

ever yeah dude it's a really good movie

1219

00:54:31,620 --> 00:54:28,989

I don't want to give away any spoilers

1220

00:54:33,839 --> 00:54:31,630

because it is like still kind of new but

1221

00:54:36,420 --> 00:54:33,849

you know what I think dude I think when

1222

00:54:39,150 --> 00:54:36,430

everybody like the media was portraying

1223

00:54:41,670 --> 00:54:39,160

this and like saying like be careful it

1224

00:54:44,249 --> 00:54:41,680

could cause a mass shooting right you

1225

00:54:47,069 --> 00:54:44,259

know like dude I feel like that was just

1226

00:54:50,099 --> 00:54:47,079

fear-mongering to the people at its

1227

00:54:53,989 --> 00:54:50,109

finest right because everybody went

1228

00:54:56,130 --> 00:54:53,999

there saw that movie and was like huh

1229

00:54:58,380 --> 00:54:56,140

maybe I shouldn't be a bully Oh

1230

00:55:00,630 --> 00:54:58,390

interesting that's kind of how the movie

1231

00:55:02,759 --> 00:55:00,640

made me feel I mean I'm not like really

1232

00:55:04,180 --> 00:55:02,769

a bully I mean I can be a jerk sometimes

1233

00:55:06,550 --> 00:55:04,190

but so I'm

1234

00:55:08,440 --> 00:55:06,560

not a bully so what you know I mean I

1235

00:55:11,380 --> 00:55:08,450

just think about like you know there was

1236

00:55:13,260 --> 00:55:11,390

a massacre for the last the the Dark

1237

00:55:16,059 --> 00:55:13,270

Knight yeah it's somebody showed up

1238

00:55:17,859 --> 00:55:16,069

1238
painted face and all that [\h__\h] and I

1239
00:55:20,020 --> 00:55:17,869
think I mean yeah maybe there's some

1240
00:55:23,109 --> 00:55:20,030
validity of like maybe just they're just

1241
00:55:24,880 --> 00:55:23,119
warning people just I think that's

1242
00:55:27,130 --> 00:55:24,890
probably a good idea but they politicize

1243
00:55:29,079 --> 00:55:27,140
it a lot yeah absolutely

1244
00:55:31,359 --> 00:55:29,089
kind of I don't know it's just it's just

1245
00:55:35,109 --> 00:55:31,369
trying to scare people dude you know and

1246
00:55:36,760 --> 00:55:35,119
if anything by them saying that that

1247
00:55:38,920 --> 00:55:36,770
would put an idea in somebody's head

1248
00:55:41,980 --> 00:55:38,930
like no can we all just go watch The

1249
00:55:44,109 --> 00:55:41,990
Joker cuz it's cool yeah like really and

1250
00:55:46,450 --> 00:55:44,119
the way they did that movie dude like

1251
00:55:49,150 --> 00:55:46,460
you gotta go see it it's a must-see it's

1252
00:55:51,250 --> 00:55:49,160
all done it's a must-see absolutely

1253
00:55:53,849 --> 00:55:51,260
there's so many like Easter eggs in the

1254
00:55:58,750 --> 00:55:53,859
movie too he does it justice oh dude

1255
00:56:02,950 --> 00:55:58,760
what did you think about thirty Seconds

1256
00:56:05,339 --> 00:56:02,960
to Mars Suicide Squad oh that guy dude

1257
00:56:07,809 --> 00:56:05,349
his what do you think about his

1258
00:56:08,680 --> 00:56:07,819
interpretation of the Joker I think it

1259
00:56:11,800 --> 00:56:08,690
was cheap

1260
00:56:13,089 --> 00:56:11,810
I could not you know how like when you

1261
00:56:15,250 --> 00:56:13,099
watch a movie you kind of get in a

1262
00:56:17,620 --> 00:56:15,260
little trance I forget you're watching a

1263
00:56:20,440 --> 00:56:17,630

movie yeah every time he was on screen I

1264

00:56:22,480 --> 00:56:20,450

my brain said oh [h__\h] yeah you're

1265

00:56:24,220 --> 00:56:22,490

watching a movie I didn't believe him

1266

00:56:25,870 --> 00:56:24,230

the whole time right I'm not saying he's

1267

00:56:28,420 --> 00:56:25,880

a bad actor I'm just saying I just I

1268

00:56:30,670 --> 00:56:28,430

think he was just way too done up like

1269

00:56:33,460 --> 00:56:30,680

he was way too flashy

1270

00:56:36,040 --> 00:56:33,470

he was just way too like yeah no no it

1271

00:56:39,010 --> 00:56:36,050

was almost like I mean like you trying

1272

00:56:40,960 --> 00:56:39,020

to be very gangster yeah it's like I

1273

00:56:44,410 --> 00:56:40,970

mean I guess it's like a cool take on

1274

00:56:46,240 --> 00:56:44,420

the Joker but the idea is cool uh-huh I

1275

00:56:47,740 --> 00:56:46,250

don't know the execution though like you

1276

00:56:50,440 --> 00:56:47,750

said it's a little overdue acting with

1277

00:56:53,290 --> 00:56:50,450

the grill yeah yeah it's just way

1278

00:56:55,030 --> 00:56:53,300

overdone for me dude I I didn't really I

1279

00:56:57,280 --> 00:56:55,040

didn't really like it I mean I guess

1280

00:56:59,559 --> 00:56:57,290

it's more like a younger generation

1281

00:57:01,510 --> 00:56:59,569

thing maybe they I don't want to sound

1282

00:57:05,050 --> 00:57:01,520

like an old man Todd up here all the

1283

00:57:07,030 --> 00:57:05,060

young uns no no but I mean I don't know

1284

00:57:09,069 --> 00:57:07,040

maybe like some people liked it right

1285

00:57:12,339 --> 00:57:09,079

but I didn't really enjoy it

1286

00:57:14,410 --> 00:57:12,349

Heath Ledger's Joker dude sick right I

1287

00:57:17,690 --> 00:57:14,420

would go as far as to say that's my

1288

00:57:20,030 --> 00:57:17,700

favorite actor

1289

00:57:21,770 --> 00:57:20,040

formants of any movie I've ever seen I

1290

00:57:25,550 --> 00:57:21,780

mean that's I mean I know that's bold

1291

00:57:27,860 --> 00:57:25,560

but dude hey it's really it's just

1292

00:57:31,910 --> 00:57:27,870

really freakin good I like him in a

1293

00:57:34,250 --> 00:57:31,920

Knight's Tale all right what about ten

1294

00:57:34,790 --> 00:57:34,260

things but dude you got it you gotta see

1295

00:57:39,980 --> 00:57:34,800

this

1296

00:57:41,780 --> 00:57:39,990

walking is a really good actor so I'm

1297

00:57:43,970 --> 00:57:41,790

stoked to see them get into this

1298

00:57:45,890 --> 00:57:43,980

character yeah yeah I haven't heard

1299

00:57:47,810 --> 00:57:45,900

things like it's like the Joker like

1300

00:57:49,670 --> 00:57:47,820

seems to like take people over a little

1301

00:57:52,760 --> 00:57:49,680

bit you know like I heard like it even

1302

00:57:55,190 --> 00:57:52,770

took him like well second to get out of

1303

00:57:59,390 --> 00:57:55,200

this there's like this whole like urban

1304

00:58:01,790 --> 00:57:59,400

legend that it kind of consumed Heath

1305

00:58:03,620 --> 00:58:01,800

Ledger right yeah got so into it but I

1306

00:58:05,030 --> 00:58:03,630

think I think it's just Hollywood trying

1307

00:58:06,650 --> 00:58:05,040

to make a big deal like make a story out

1308

00:58:09,590 --> 00:58:06,660

of it yeah cuz there's there's like

1309

00:58:11,000 --> 00:58:09,600

there's video of him on set towards the

1310

00:58:12,920 --> 00:58:11,010

even the end of the movie and he's just

1311

00:58:14,270 --> 00:58:12,930

he could switch it off he's like I'm

1312

00:58:16,670 --> 00:58:14,280

just having a good time like all these

1313

00:58:18,680 --> 00:58:16,680

great people great director great

1314

00:58:21,170 --> 00:58:18,690

writing yeah totally good time so he's a

1315

00:58:22,730 --> 00:58:21,180

you could visibly see he's able to just

1316

00:58:26,360 --> 00:58:22,740

switch it off switch it on whatever

1317

00:58:31,820 --> 00:58:26,370

urban legends did yeah but this Joker

1318

00:58:34,700 --> 00:58:31,830

was sick dude and you was and honestly

1319

00:58:36,530 --> 00:58:34,710

he's got my favorite laughs yeah dude

1320

00:58:41,050 --> 00:58:36,540

the the laugh is so spot-on

1321

00:58:43,250 --> 00:58:41,060

yeah and I'm only like referencing it to

1322

00:58:47,420 --> 00:58:43,260

Luke Skywalker what's his name

1323

00:58:49,880 --> 00:58:47,430

the it's in the animated series oh is it

1324

00:58:52,640 --> 00:58:49,890

who plays Luke Skywalker do you know the

1325

00:58:54,080 --> 00:58:52,650

actor's name oh damn it it's right there

1326

00:58:56,210 --> 00:58:54,090

on the table moneyto listening they're

1327

00:58:59,030 --> 00:58:56,220

gonna be so mad at us right now how'd

1328

00:59:01,490 --> 00:58:59,040

you do that why'd you do that to us dude

1329

00:59:05,420 --> 00:59:01,500

oh man cuz any other time I know his

1330

00:59:09,170 --> 00:59:05,430

name immediately yeah and it's like

1331

00:59:11,810 --> 00:59:09,180

taking me forever to find like any other

1332

00:59:17,060 --> 00:59:11,820

day with knows guys name is Mark Hamill

1333

00:59:19,250 --> 00:59:17,070

ah all right so now sorry I pissed off

1334

00:59:22,220 --> 00:59:19,260

everybody sort of that sorry the

1335

00:59:24,110 --> 00:59:22,230

animated Batman uh-huh so he is the

1336

00:59:26,930 --> 00:59:24,120

voice of Joker and that's where that

1337

00:59:30,020 --> 00:59:26,940

laugh comes from oh no she I can't even

1338

00:59:32,840 --> 00:59:30,030

begin to try to do it yeah like

1339

00:59:35,300 --> 00:59:32,850

so it's but it's his own thing though

1340

00:59:36,650 --> 00:59:35,310

Joaquin's laughs but it's like it

1341

00:59:38,150 --> 00:59:36,660

sounded really [h__h] creepy and they

1342

00:59:39,350 --> 00:59:38,160

they didn't overdo it in the trailer

1343

00:59:41,060 --> 00:59:39,360

which I really liked

1344

00:59:42,290 --> 00:59:41,070

yeah they didn't overdo the laughs or

1345

00:59:45,500 --> 00:59:42,300

whatever yeah they didn't really like

1346

00:59:46,520 --> 00:59:45,510

overdo the trailers either yes so like

1347

00:59:47,780 --> 00:59:46,530

when you go see you're gonna be

1348

00:59:49,160 --> 00:59:47,790

pleasantly surprised yeah you're

1349

00:59:51,590 --> 00:59:49,170

actually gonna watch the movie instead

1350

00:59:53,780 --> 00:59:51,600

of like you see the trailer okay well I

1351
00:59:58,430 --> 00:59:53,790
watched the movie already yeah we're

1352
01:00:00,230 --> 00:59:58,440
like when it was over I was like it was

1353
01:00:01,730 --> 01:00:00,240
one of those movies where you're bummed

1354
01:00:04,040 --> 01:00:01,740
that it was a that's dope you know

1355
01:00:05,990 --> 01:00:04,050
anybody who hasn't seen it man go check

1356
01:00:10,820 --> 01:00:06,000
that out definitely that's always pretty

1357
01:00:12,440 --> 01:00:10,830
sick that had nothing you know we were

1358
01:00:13,220 --> 01:00:12,450
talking about but yeah I guess

1359
01:00:18,110 --> 01:00:13,230
fear-mongering

1360
01:00:19,700 --> 01:00:18,120
by the medium the government I guess how

1361
01:00:23,690 --> 01:00:19,710
do we get into that like we were talking

1362
01:00:25,910 --> 01:00:23,700
about like well I I kind of like was I

1363
01:00:29,120 --> 01:00:25,920

was thinking about UFO Khan and and

1364

01:00:31,550 --> 01:00:29,130

Lorien and mind-control and how like

1365

01:00:33,980 --> 01:00:31,560

they can manipulate you you know cuz

1366

01:00:35,120 --> 01:00:33,990

they say that like you used to have to

1367

01:00:37,430 --> 01:00:35,130

say something like over nine hundred

1368

01:00:39,770 --> 01:00:37,440

times for it to like kind of get

1369

01:00:41,660 --> 01:00:39,780

ingrained in in people's minds to where

1370

01:00:43,850 --> 01:00:41,670

they would start believing it and now

1371

01:00:45,440 --> 01:00:43,860

like with social media and TV and stuff

1372

01:00:45,920 --> 01:00:45,450

yeah you only have to say it like 20

1373

01:00:48,200 --> 01:00:45,930

times

1374

01:00:50,390 --> 01:00:48,210

damn and now people are like oh yeah

1375

01:00:52,640 --> 01:00:50,400

well I heard that on the news and you're

1376

01:00:54,380 --> 01:00:52,650

like oh dude and most people just see

1377

01:00:58,040 --> 01:00:54,390

like one headline and they're exactly

1378

01:01:01,010 --> 01:00:58,050

sold it falls in line with their current

1379

01:01:02,840 --> 01:01:01,020

beliefs you know whatever their their

1380

01:01:05,090 --> 01:01:02,850

framework is I mean dude I'm guilty of

1381

01:01:08,990 --> 01:01:05,100

it too sometimes I mean I see why it's

1382

01:01:09,830 --> 01:01:09,000

such a big deal yeah you know I drive

1383

01:01:11,780 --> 01:01:09,840

people crazy

1384

01:01:13,580 --> 01:01:11,790

cuz oh be like dude did you hear blah

1385

01:01:18,530 --> 01:01:13,590

blah blah blah I'm like you know what I

1386

01:01:25,000 --> 01:01:18,540

think about that one world government

1387

01:01:30,410 --> 01:01:25,010

black helicopters yeah D for sure

1388

01:01:33,290 --> 01:01:30,420

thanks man well water buds for I mean

1389

01:01:36,940 --> 01:01:33,300

water but water best buds for I mean

1390

01:01:40,670 --> 01:01:36,950

buds you know other than like drinking

1391

01:01:46,560 --> 01:01:44,670

Flowery I don't know buds are good for a

1392

01:01:49,260 --> 01:01:46,570

lot of things but most importantly

1393

01:01:51,570 --> 01:01:49,270

they're good for getting your beers all

1394

01:01:53,880 --> 01:01:51,580

right if you're listening with your bud

1395

01:01:58,170 --> 01:01:53,890

right now make sure you you reach over

1396

01:02:02,940 --> 01:01:58,180

and you give your bud a big hug good all

1397

01:02:12,540 --> 01:02:07,080

that uh your sour bear char bear spirit

1398

01:02:13,680 --> 01:02:12,550

animal Blue Owl blue L completely dude

1399

01:02:15,720 --> 01:02:13,690

what's your spirit animal

1400

01:02:18,360 --> 01:02:15,730

dude I always start almost like a blue

1401

01:02:20,250 --> 01:02:18,370

bow like a blue one that I always

1402

01:02:22,980 --> 01:02:20,260

thought like I was a sea monkey in my

1403

01:02:25,680 --> 01:02:22,990

past life I like just feeling like just

1404

01:02:31,830 --> 01:02:25,690

like eaten like this like swam be like

1405

01:02:35,070 --> 01:02:31,840

like sleep or whatever I'll just kind of

1406

01:02:39,420 --> 01:02:35,080

like hang out almost the day all right

1407

01:02:41,280 --> 01:02:39,430

I'm gonna go over here now yeah pretty

1408

01:02:43,110 --> 01:02:41,290

sure they're like a little shrimp right

1409

01:02:44,760 --> 01:02:43,120

yeah how they even move around they just

1410

01:02:48,560 --> 01:02:44,770

poop to move around I don't know dude I

1411

01:02:51,510 --> 01:02:48,570

have no idea use the momentum yes oh

1412

01:02:53,850 --> 01:02:51,520

they're so like just kind of the debris

1413

01:02:55,710 --> 01:02:53,860

the branding that whoever came up I know

1414

01:02:57,480 --> 01:02:55,720

there's that there's a man's name yeah

1415

01:02:59,100 --> 01:02:57,490

there's a huge like acceded to it but

1416

01:03:01,890 --> 01:02:59,110

the branding that went along is such a

1417

01:03:03,510 --> 01:03:01,900

genius yeah because they started selling

1418

01:03:05,370 --> 01:03:03,520

them in the back of like these magazines

1419

01:03:07,830 --> 01:03:05,380

and they would sell them with like

1420

01:03:11,430 --> 01:03:07,840

yo-yos and slinkys and all of a sudden

1421

01:03:16,650 --> 01:03:11,440

he was like hey I got like all these

1422

01:03:18,480 --> 01:03:16,660

weird ass shrimp like I wanted to like I

1423

01:03:23,100 --> 01:03:18,490

gotta come up with a brand we'll call

1424

01:03:26,640 --> 01:03:23,110

sea monkeys he's like I've got boxes and

1425

01:03:28,110 --> 01:03:26,650

boxes of these like tiny dust it's like

1426

01:03:29,910 --> 01:03:28,120

they're all full of dust but really

1427

01:03:33,090 --> 01:03:29,920

they're shrimp all you got to do is put

1428

01:03:35,220 --> 01:03:33,100

them in water and watch them float and

1429

01:03:36,900 --> 01:03:35,230

they're like damn it Jeremy now my water

1430

01:03:39,360 --> 01:03:36,910

is just dirty and he's like no no those

1431

01:03:44,180 --> 01:03:39,370

are the same on this way let's just wait

1432

01:03:47,400 --> 01:03:44,190

a second the cavalry

1433

01:03:50,700 --> 01:03:47,410

well like the illustrations are so

1434

01:03:53,310 --> 01:03:50,710

awesome like yeah like they have like

1435

01:03:54,609 --> 01:03:53,320

this is like a king and queen and yeah

1436

01:03:57,160 --> 01:03:54,619

it's known as like one

1437

01:03:57,789 --> 01:03:57,170

the most brilliant marketing schemes of

1438

01:04:00,579 --> 01:03:57,799

all time

1439

01:04:02,890 --> 01:04:00,589

I believe it dude yeah I would I'm here

1440

01:04:05,650 --> 01:04:02,900

you're a marketing dude even even

1441

01:04:07,930 --> 01:04:05,660

knowing that it's a scheme a scam huh

1442

01:04:09,849 --> 01:04:07,940

alright I still want to buy my sea

1443

01:04:12,789 --> 01:04:09,859

monkeys yeah totally I would totally

1444

01:04:16,299 --> 01:04:12,799

rock sea monkeys do ya like but like

1445

01:04:17,589 --> 01:04:16,309

make a big deal out of it - like I got

1446

01:04:20,819 --> 01:04:17,599

an aquarium in the wall

1447

01:04:25,420 --> 01:04:20,829

bro so you know some people like

1448

01:04:29,380 --> 01:04:25,430

saltwater - yes like a big ass like 150

1449

01:04:31,870 --> 01:04:29,390

gallon tank there's nothing in it oh I

1450

01:04:34,539 --> 01:04:31,880

beg to differ if you look right here on

1451
01:04:36,579 --> 01:04:34,549
the left you can see you can see four or

1452
01:04:39,700 --> 01:04:36,589
five sea monkeys you can see they're

1453
01:04:41,410 --> 01:04:39,710
having a meeting Oh in case you guys

1454
01:04:44,319 --> 01:04:41,420

1460
01:04:59,680 --> 01:04:57,740
there while the sea monkeys are

1461
01:05:01,809 --> 01:04:59,690
broadcast we sell the underwater

1462
01:05:03,370 --> 01:05:01,819

see it but it's there it's there ominous

1464

01:05:06,700 --> 01:05:04,789

1465

01:05:09,489 --> 01:05:06,710

they're a small hands there are official

1466

01:05:13,870 --> 01:05:09,499

all your sea monkeys individually dude

1475

01:05:44,410 --> 01:05:38,930

and then being like walking like this is

1476

01:05:46,960 --> 01:05:44,420

this is Britney like this is Chantal

1477

01:05:50,470 --> 01:05:46,970

this is Alex this is Geoffrey he's a

1478

01:05:51,849 --> 01:05:50,480

dick don't talk to Jeopardy like if you

1479

01:05:53,739 --> 01:05:51,859

have like a date and you bring your

1480

01:05:55,390 --> 01:05:53,749

girlfriend over and like you're like

1481

01:05:58,170 --> 01:05:55,400

yeah this is my sea monkey collection

1482

01:06:00,579 --> 01:05:58,180

you start naming all these see my keys

1483

01:06:02,650 --> 01:06:00,589

it's like an hour and a half later and

1484

01:06:05,300 --> 01:06:02,660

you're liking this is steep and then

1485

01:06:08,630 --> 01:06:05,310

this one is Laura this

1486

01:06:13,580 --> 01:06:08,640

and she's like dude I got it it's the

1487

01:06:24,349 --> 01:06:19,010

that's [h__\h] genius I know that it

1488

01:06:26,750 --> 01:06:24,359

needs to happen dude this happen yeah

1489

01:06:31,450 --> 01:06:26,760

well if we ever make like a UFO garage

1490

01:06:34,340 --> 01:06:31,460

podcast like like magazine dude so so

1491

01:06:36,260 --> 01:06:34,350

tsubaki's in the back dude have like an

1492

01:06:39,940 --> 01:06:36,270

in-flight magazine where we sell like

1493

01:06:42,950 --> 01:06:39,950

okay yeah sea-monkeys dude well it's the

1494

01:06:44,840 --> 01:06:42,960

the neck pillow pillows a neck pillow

1495

01:06:48,320 --> 01:06:44,850

dude

1496

01:06:51,830 --> 01:06:48,330

oh the you know there's like a like the

1497

01:06:53,390 --> 01:06:51,840

library the library thing that's a table

1498

01:06:55,790 --> 01:06:53,400

but it's also a chair

1499

01:06:58,609 --> 01:06:55,800

Oh have you seen that one a picnic table

1500

01:07:00,830 --> 01:06:58,619

pretty sick it's like this round little

1501

01:07:02,390 --> 01:07:00,840

chair and it looks like a little library

1502

01:07:03,530 --> 01:07:02,400

thing where you pull books out of but

1503

01:07:06,950 --> 01:07:03,540

you pull it out in there's chairs

1504

01:07:08,150 --> 01:07:06,960

I'm not table it's so dope damn and then

1505

01:07:11,120 --> 01:07:08,160

there's the you know there's the classic

1506

01:07:12,740 --> 01:07:11,130

zombie right yeah he's like it's like a

1507

01:07:16,040 --> 01:07:12,750

little stone it looks like he's coming

1508

01:07:26,300 --> 01:07:16,050

out of the ground do that one the tiki

1509

01:07:28,340 --> 01:07:26,310

torches officially I'm ready to invest

1510

01:07:30,590 --> 01:07:28,350

let's go I already did it

1511

01:07:34,460 --> 01:07:30,600

it's gotta cost like you know eights and

1512

01:07:39,800 --> 01:07:34,470

nines of dollars eights and 911s of

1513

01:07:42,640 --> 01:07:39,810

dollars hey dude I want to go on one of

1514

01:07:46,250 --> 01:07:42,650

those skywatching tours

1515

01:07:48,859 --> 01:07:46,260

yeah dude yes let's go yeah totally I

1516

01:07:50,390 --> 01:07:48,869

mean I work I wonder if like you

1517

01:07:52,790 --> 01:07:50,400

remember the skywatching thing that they

1518

01:07:54,560 --> 01:07:52,800

did like at the Phoenix yeah wonderful

1519

01:07:56,480 --> 01:07:54,570

if they saw no one was talking about it

1520

01:07:58,580 --> 01:07:56,490

what said anything yeah there was no uh

1521

01:07:59,540 --> 01:07:58,590

I mean I didn't talk to anybody that

1522

01:08:02,330 --> 01:07:59,550

went on it

1523

01:08:03,980 --> 01:08:02,340

but they sold out yeah somebody had to

1524

01:08:05,330 --> 01:08:03,990

have gone is they had to have seen

1525

01:08:07,880 --> 01:08:05,340

something they they say they have a

1526

01:08:09,500 --> 01:08:07,890

hundred percent success rate yeah it's

1527

01:08:11,560 --> 01:08:09,510

pretty endeavor e time they go out every

1528

01:08:14,660 --> 01:08:11,570

tana thing but what is something you

1529

01:08:18,309 --> 01:08:14,670

know I don't know we could have seen

1530

01:08:22,390 --> 01:08:18,319

lights act like we did which okay look

1531

01:08:25,720 --> 01:08:22,400

was weird but definitely wasn't a plane

1532

01:08:27,189 --> 01:08:25,730

or anything I've seen before I had a PD

1533

01:08:28,809 --> 01:08:27,199

1534

bro it was quick hell yeah dude dude I

1560

01:09:48,430 --> 01:09:42,250

was floundering man I'm terrible at this

1561

01:09:52,720 --> 01:09:48,440

so much so much sigh sure everybody just

1562

01:09:54,220 --> 01:09:52,730

give 30 seconds dude so yeah the the sky

1563

01:09:58,419 --> 01:09:54,230

tour thing they have a hundred percent

1564

01:09:59,979 --> 01:09:58,429

success every time mm-hmm what like what

1565

01:10:03,250 --> 01:09:59,989

else is a hundred percent success I

1566

01:10:06,399 --> 01:10:03,260

don't know about that yeah like we're

1567

01:10:10,600 --> 01:10:06,409

gonna have to go we should do a review

1568

01:10:11,399 --> 01:10:10,610

to Sedona and go every day for like a

1569

01:10:14,680 --> 01:10:11,409

year

1570

01:10:15,520 --> 01:10:14,690

dude Sedona is my jam bro I will go back

1571

01:10:18,280 --> 01:10:15,530

in a heartbeat

1572

01:10:21,850 --> 01:10:18,290

dude also so the I'm thinking about this

1573

01:10:25,990 --> 01:10:21,860

they have the night-vision goggles which

1574

01:10:28,180 --> 01:10:26,000

right sick to have cuz I mean we were

1575

01:10:30,339 --> 01:10:28,190

just looking when we saw those lights

1576

01:10:31,129 --> 01:10:30,349

with our naked eye I wonder what it

1577

01:10:33,320 --> 01:10:31,139

would have looked like

1578

01:10:34,970 --> 01:10:33,330

dude like what if they like showed up

1579

01:10:37,669 --> 01:10:34,980

like the whole time we were there if

1580

01:10:39,140 --> 01:10:37,679

they were like hey it's us it's us and

1581

01:10:40,430 --> 01:10:39,150

we were like looking we're like well I

1582

01:10:42,260 --> 01:10:40,440

guess we're not gonna see anything and

1583

01:10:44,629 --> 01:10:42,270

you're like no you dummies the people

1584

01:10:47,300 --> 01:10:44,639

that are sky watching showed up no like

1585

01:10:51,109 --> 01:10:47,310

the aliens like they showed up and there

1586

01:10:52,100 --> 01:10:51,119

was waving like right here we just

1587

01:10:55,189 --> 01:10:52,110

couldn't see him because we didn't have

1588

01:10:56,359 --> 01:10:55,199

night-vision goggles and then at the

1589

01:10:57,830 --> 01:10:56,369

very end they're like all right well

1590

01:11:00,950 --> 01:10:57,840

we're gonna have to like pull a lot of

1591

01:11:01,810 --> 01:11:00,960

power and really power up for him okay

1592

01:11:05,000 --> 01:11:01,820

here we go

1593

01:11:07,430 --> 01:11:05,010

that's what it seemed like yeah it was

1594

01:11:09,020 --> 01:11:07,440

we were like all right dude what did you

1595

01:11:11,030 --> 01:11:09,030

get out of here and then boom yeah

1596

01:11:14,240 --> 01:11:11,040

they're nowhere like right before we

1597

01:11:17,629 --> 01:11:14,250

left so sick it showed up so sick that

1598

01:11:23,000 --> 01:11:17,639

was crazy yeah I'm down any time to go

1599

01:11:24,590 --> 01:11:23,010

back out to Sedona we're going to for me

1600

01:11:26,359 --> 01:11:24,600

and Jess are going for our anniversary I

1601

01:11:27,680 --> 01:11:26,369

don't want to say exactly where it is

1602

01:11:30,320 --> 01:11:27,690

but it's out in the country Hill Country

1603

01:11:32,479 --> 01:11:30,330

near Boston and apparently there's like

1604

01:11:34,970 --> 01:11:32,489

really low light pollution and I'm super

1605

01:11:36,649 --> 01:11:34,980

stoked to do some stargazing I yes so I

1606

01:11:40,419 --> 01:11:36,659

have to do a report afterwards

1607

01:11:43,340 --> 01:11:40,429

definitely yeah definitely sick

1608

01:11:44,930 --> 01:11:43,350

sister-in-law lives in Stephenville we

1609

01:11:46,729 --> 01:11:44,940

gotta go we gotta go out there dude

1610

01:11:48,470 --> 01:11:46,739

let's do it I want to do like what you

1611

01:11:49,010 --> 01:11:48,480

were saying like interview people in

1612

01:11:50,450 --> 01:11:49,020

town

1613

01:11:52,609 --> 01:11:50,460

aha see if we can get some names and

1614

01:11:55,070 --> 01:11:52,619

numbers and just kind of chitchat with

1615

01:11:56,959 --> 01:11:55,080

people in the in town and just kind of

1616

01:11:59,030 --> 01:11:56,969

get some stories cuz we like we had a

1617

01:12:01,550 --> 01:11:59,040

whole episode kind of dedicated to it to

1618

01:12:03,290 --> 01:12:01,560

it mm-hmm and we just didn't I didn't I

1619

01:12:05,090 --> 01:12:03,300

don't feel like we went is deep into it

1620

01:12:06,620 --> 01:12:05,100

as we could have right right I would

1621

01:12:08,899 --> 01:12:06,630

love to have some first-hand accounts

1622

01:12:12,939 --> 01:12:08,909

yeah definitely yeah we got to go out

1623

01:12:15,859 --> 01:12:12,949

there I'm gonna start I'm gonna start uh

1624

01:12:19,010 --> 01:12:15,869

pounding the old pavement out of the bay

1625

01:12:22,430 --> 01:12:19,020

but do like start doing your father and

1626
01:12:24,820 --> 01:12:22,440
his father before he would step in front

1627
01:12:28,840 --> 01:12:24,830
of me I'm greasing the wheels on this

1628
01:12:31,729 --> 01:12:28,850
just put some grease I'm really gonna

1629
01:12:33,379 --> 01:12:31,739
I'm really gonna you're gonna you're

1630
01:12:37,100 --> 01:12:33,389
gonna bend your knees a little bit and

1631
01:12:39,859 --> 01:12:37,110
you're gonna take it take a little

1632
01:12:42,830 --> 01:12:39,869
stroll into the into the unknown who

1633
01:12:45,700 --> 01:12:42,840
knows where where my no one knows where

1634
01:13:07,150 --> 01:12:56,690
I'm gonna walk into the closet I'm gonna

1635
01:13:22,780 --> 01:13:07,160
ask who's in here Mildred Mildred hello

1636
01:13:22,790 --> 01:13:37,450
[Laughter]

1637
01:13:48,470 --> 01:13:46,790
no idea dude yeah yes sir it's gonna

1638
01:13:51,470 --> 01:13:48,480

happen from time to time yeah I mean

1639

01:13:53,030 --> 01:13:51,480

it's gonna happen obviously we've made

1640

01:13:55,130 --> 01:13:53,040

it this far without hitting a roadblock

1641

01:13:56,479 --> 01:13:55,140

yes that's awesome I mean we can't be

1642

01:13:58,610 --> 01:13:56,489

perfect all the time

1643

01:14:00,110 --> 01:13:58,620

yeah we're doctor scientist okay and we

1644

01:14:01,970 --> 01:14:00,120
