this is another episode of you arrived

2
00:00:12,560 --> 00:00:10,290
I'm Dan I'm Joe and this is going to

3
00:00:17,210 --> 00:00:12,570
talk about UFOs aliens and all things

4
00:00:23,359 --> 00:00:17,220
we've ever so d for dude and one for

5
00:00:26,630 --> 00:00:23,369
it's Halloween man oh so spooky spooky

6
00:00:27,290 --> 00:00:26,640
dude everybody keep an eye on your

7
00:00:31,429 --> 00:00:27,300
bedsheets

8
00:00:41,780 --> 00:00:31,439
tonight I'm floating around the house or

9
00:00:44,720 --> 00:00:41,790
it's a boner like a floating boner let's

10
00:00:50,779 --> 00:00:44,730
go what those little tiny ghosties to

11
00:00:52,520 --> 00:00:50,789
make kind of remind me of the ones tiny

12
00:00:59,930 --> 00:00:52,530
boners like tiny little boners hanging

13
00:01:03,260 --> 00:00:59,940

from the tree yes what did four episodes

14

00:01:05,450 --> 00:01:03,270

man that's right you believe rolling

15

00:01:08,359 --> 00:01:05,460

along rolling along like a tumbleweed my

16

00:01:09,859 --> 00:01:08,369

own yeah tell you who my last episode

17

00:01:12,170 --> 00:01:09,869

was great

18

00:01:13,550 --> 00:01:12,180

Jocelyn man that was such a fun episode

19

00:01:16,550 --> 00:01:13,560

do oh man

20

00:01:18,740 --> 00:01:16,560

a lot of info lots of info I listened to

21

00:01:20,420 --> 00:01:18,750

that episode over it over because I had

22

00:01:23,480 --> 00:01:20,430

to make that YouTube video and put the

23

00:01:25,370 --> 00:01:23,490

photos to it but it took a long time but

24

00:01:26,780 --> 00:01:25,380

I'm glad I did it's gonna be if you guys

25

00:01:30,380 --> 00:01:26,790

haven't seen the YouTube video for

26
00:01:34,249 --> 00:01:30,390
Jocelyn's episode 23 there's there's put

27
00:01:35,359 --> 00:01:34,259
the photos in the episode on youtube so

28
00:01:37,160 --> 00:01:35,369
you can kind of follow along there

29
00:01:39,830 --> 00:01:37,170
instead of having to go to the website

30
00:01:41,600 --> 00:01:39,840
and follow along with the the photo

31
00:01:43,280 --> 00:01:41,610
album or whatever yeah that was a good

32
00:01:50,030 --> 00:01:43,290
idea yeah it was a good idea

33
00:01:52,550 --> 00:01:50,040
mm-hmm no this is so good is it good

34
00:01:53,950 --> 00:01:52,560
it's so good there's two x's on the

35
00:01:56,450 --> 00:01:53,960
bottom

36
00:02:06,170 --> 00:01:56,460
nice my feel are you good x marks the

37
00:02:08,449 --> 00:02:06,180
spot and again and again and again what

38
00:02:10,369 --> 00:02:08,459

we got going on today man looking at the

39

00:02:12,590 --> 00:02:10,379

Facebook group some updates some cool

40

00:02:14,720 --> 00:02:12,600

posts this week actually

41

00:02:16,910 --> 00:02:14,730

starting off with this scientist taught

42

00:02:25,430 --> 00:02:16,920

teach rats how to drive cars and video

43

00:02:27,200 --> 00:02:25,440

the he puts little hands I didn't notice

44

00:02:29,780 --> 00:02:27,210

that until you said it but they get

45

00:02:31,490 --> 00:02:29,790

better as the video goes on yeah they're

46

00:02:32,810 --> 00:02:31,500

driving it yeah they just put the food

47

00:02:36,350 --> 00:02:32,820

at the opposite in and they're like

48

00:02:38,270 --> 00:02:36,360

gotta get to the food food I think just

49

00:02:39,800 --> 00:02:38,280

like hit the wall most of it and then

50

00:02:42,020 --> 00:02:39,810

towards the end they start really

51
00:02:44,570 --> 00:02:42,030
getting it yeah yeah it's pretty awesome

52
00:02:49,970 --> 00:02:44,580
I wish it had like a little audio thing

53
00:02:55,640 --> 00:02:49,980
like plugged into it so like a robotic

54
00:02:58,610 --> 00:02:55,650
but be me yes yeah but yeah man like I

55
00:03:01,490 --> 00:02:58,620
said I mean it doesn't necessarily have

56
00:03:04,040 --> 00:03:01,500
anything to do with like UFOs aliens and

57
00:03:07,340 --> 00:03:04,050
it's absolutely weird what went through

58
00:03:08,570 --> 00:03:07,350
my head whenever I saw that was okay

59
00:03:10,790 --> 00:03:08,580
so we're sitting here we're

60
00:03:13,040 --> 00:03:10,800
chit-chatting about these mice we've

61
00:03:15,080 --> 00:03:13,050
given them a piece of technology uh-huh

62
00:03:17,630 --> 00:03:15,090
right they don't know anything about

63
00:03:19,970 --> 00:03:17,640

this technology and they're having to

64

00:03:22,370 --> 00:03:19,980

figure it out and it's goofy and it

65

00:03:26,930 --> 00:03:22,380

makes us laugh and we think it's funny

66

00:03:30,500 --> 00:03:26,940

right you know right maybe you know of

67

00:03:31,460 --> 00:03:30,510

analogous yeah we're lab rats to the et

68

00:03:33,560 --> 00:03:31,470

and they're just sitting up there

69

00:03:37,130 --> 00:03:33,570

laughing their asses off yeah they're

70

00:03:39,350 --> 00:03:37,140

just laugh a little cars around yep yep

71

00:03:41,180 --> 00:03:39,360

Drive little planes yeah it's just

72

00:03:42,710 --> 00:03:41,190

spitting a hot gas out the back and it

73

00:03:45,350 --> 00:03:42,720

moves them forward it's sunk down

74

00:03:47,990 --> 00:03:45,360

occasionally they drop off pieces of

75

00:03:50,240 --> 00:03:48,000

technology and then just watch us learn

76

00:03:52,940 --> 00:03:50,250

how to use it you know finally we can

77

00:03:56,270 --> 00:03:52,950

get it you know get it right you know so

78

00:03:58,250 --> 00:03:56,280

eventually if these these mice can

79

00:04:00,980 --> 00:03:58,260

figure out how to drive these little

80

00:04:03,500 --> 00:04:00,990

milk jugs around on on you know on our

81

00:04:05,750 --> 00:04:03,510

sea tires you know maybe they'll upgrade

82

00:04:06,920 --> 00:04:05,760

yeah I wonder what if if we taught them

83

00:04:08,810 --> 00:04:06,930

how to drive the cars and then we gave

84

00:04:10,790 --> 00:04:08,820

them the pieces like I really just like

85

00:04:14,540 --> 00:04:10,800

a skateboard almost like with the axles

86

00:04:16,039 --> 00:04:14,550

and wheels you see maybe they could but

87

00:04:19,520 --> 00:04:16,049

I would like to see him driving around

88

00:04:21,530 --> 00:04:19,530

like little Mini Coopers and then like

89

00:04:23,090 --> 00:04:21,540

then you know like set up like a little

90

00:04:25,070 --> 00:04:23,100

shop like a little like a little pizza

91

00:04:26,030 --> 00:04:25,080

store and like they drive up to the

92

00:04:27,800 --> 00:04:26,040

pizza store and

93

00:04:29,420 --> 00:04:27,810

little mini cooper they also have like

94

00:04:33,170 --> 00:04:29,430

like an auto repair shop

95

00:04:35,390 --> 00:04:33,180

yeah yeah do some advanced mice yeah

96

00:04:36,650 --> 00:04:35,400

dude who's the Kia Soul that the the

97

00:04:38,930 --> 00:04:36,660

commercials had two little hamsters in

98

00:04:40,610 --> 00:04:38,940

it oh yeah yeah yeah so that's what I

99

00:04:43,370 --> 00:04:40,620

thought about when I saw that video I

100

00:04:47,030 --> 00:04:43,380

was like it's a good perspective yeah so

101

00:04:48,920 --> 00:04:47,040

I think it's it's not far from what the

102

00:04:52,160 --> 00:04:48,930

you know the possibility you had you

103

00:04:57,040 --> 00:04:52,170

yeah cool so

104

00:05:03,080 --> 00:04:57,050

oh my dogs are have a fun time in there

105

00:05:04,880 --> 00:05:03,090

doing oh this story this big can't be

106

00:05:06,110 --> 00:05:04,890

kept secret that video was cool we

107

00:05:08,300 --> 00:05:06,120

didn't get through the whole thing yeah

108

00:05:10,130 --> 00:05:08,310

it was cool I mean is the is the basic

109

00:05:11,180 --> 00:05:10,140

concept through the whole video you know

110

00:05:14,710 --> 00:05:11,190

what I'm saying

111

00:05:16,820 --> 00:05:14,720

this was posted by William quit him um

112

00:05:19,070 --> 00:05:16,830

hey I'm gonna stop it for a second I'm

113

00:05:21,620 --> 00:05:19,080

gonna see what's going on out there

114

00:05:24,260 --> 00:05:21,630

Jesus Christ kinds of noise we're back

115

00:05:25,970 --> 00:05:24,270

we're back hey Ben had to go punch some

116

00:05:28,670 --> 00:05:25,980

dogs in the face yeah sound like they're

117

00:05:34,130 --> 00:05:28,680

recording uh recording an album in there

118

00:05:36,650 --> 00:05:34,140

yeah so this video by William he posted

119

00:05:38,600 --> 00:05:36,660

clearly this big can't be kept secret

120

00:05:41,140 --> 00:05:38,610

right and it's basically just a whole

121

00:05:43,850 --> 00:05:41,150

bunch of videos of like you know uh uh

122

00:05:46,040 --> 00:05:43,860

astronauts and in scientists that work

123

00:05:48,560 --> 00:05:46,050

for NASA and and they don't know that

124

00:05:51,370 --> 00:05:48,570

Bigelow and and all the current stuff

125

00:05:54,740 --> 00:05:51,380

that's going on and basically all saying

126

00:05:57,100 --> 00:05:54,750

look there's some crazy stuff we can't

127

00:05:59,690 --> 00:05:57,110

explain it

128

00:06:01,700 --> 00:05:59,700

yeah and my favorite quote was the

129

00:06:04,340 --> 00:06:01,710

Bigelow one where you said great running

130

00:06:09,530 --> 00:06:04,350

back let's see that again yeah yeah were

131

00:06:12,740 --> 00:06:09,540

the the interview lady she was like does

132

00:06:14,570 --> 00:06:12,750

it does it uh you know does it that are

133

00:06:17,000 --> 00:06:14,580

you worried that you know like people

134

00:06:20,330 --> 00:06:17,010

are gonna think that you're you're crazy

135

00:06:24,740 --> 00:06:20,340

he's like quite frankly my dear I don't

136

00:06:26,900 --> 00:06:24,750

give a damn by the gap I don't get I

137

00:06:28,400 --> 00:06:26,910

mean I don't care right yeah she said

138

00:06:31,430 --> 00:06:28,410

well well it doesn't worry you at all

139

00:06:34,280 --> 00:06:31,440

he's like no why would it it's not gonna

140

00:06:36,380 --> 00:06:34,290

change what I know yeah yeah it doesn't

141

00:06:41,350 --> 00:06:36,390

matter if you think I'm crazy yeah I

142

00:06:46,510 --> 00:06:44,230

I love that yeah just really shows the

143

00:06:49,930 --> 00:06:46,520

confidence and he's right I mean he is

144

00:06:53,290 --> 00:06:49,940

probably the you know the highest

145

00:06:56,050 --> 00:06:53,300

spender of any like private you know

146

00:06:57,640 --> 00:06:56,060

person yeah every single person you have

147

00:07:00,220 --> 00:06:57,650

a subject and like to spend how much

148

00:07:03,760 --> 00:07:00,230

money millions yeah maybe a billion

149

00:07:05,680 --> 00:07:03,770

billion billion billions and billions

150

00:07:08,020 --> 00:07:05,690

have you seen that trump video there is

151

00:07:13,060 --> 00:07:08,030

millions of months yeah that's really

152

00:07:15,040 --> 00:07:13,070

funny millions and billions but yeah

153

00:07:18,400 --> 00:07:15,050

dude so I mean yeah it's it's uh it

154

00:07:20,320 --> 00:07:18,410

sounds you know exactly how it sounds

155

00:07:22,750 --> 00:07:20,330

like basically they've been keeping this

156

00:07:24,520 --> 00:07:22,760

as a cover-up yeah and it's getting kind

157

00:07:26,470 --> 00:07:24,530

of hard for them to keep it a cover-up

158

00:07:28,300 --> 00:07:26,480

and now I think we're getting to the

159

00:07:30,850 --> 00:07:28,310

point to where they're maybe not

160

00:07:34,810 --> 00:07:30,860

covering it up or you know maybe now

161

00:07:36,580 --> 00:07:34,820

it's just like full-on if they wanted to

162

00:07:39,670 --> 00:07:36,590

cover it up now let's just full-on

163

00:07:41,800 --> 00:07:39,680

disinformation oh you know what I'm

164

00:07:43,750 --> 00:07:41,810

saying like they're like yeah yeah there

165

00:07:45,580 --> 00:07:43,760

is stuff out there we're not gonna try

166

00:07:48,070 --> 00:07:45,590

and cover it up anymore here's a bunch

167

00:07:49,540 --> 00:07:48,080

of [h__h] oh no so that's where I

168

00:07:52,180 --> 00:07:49,550

think a lot of this stuff is gonna get

169

00:07:53,800 --> 00:07:52,190

dangerous man because now it's like the

170

00:07:55,000 --> 00:07:53,810

government isn't trying to hide it and

171

00:07:56,650 --> 00:07:55,010

so now people are just gonna be like

172

00:07:59,590 --> 00:07:56,660

we'll look the government's out this all

173

00:08:03,010 --> 00:07:59,600

right and but it's like well okay yeah

174

00:08:04,660 --> 00:08:03,020

they're saying that what is it the

175

00:08:06,310 --> 00:08:04,670

correct information or are they just

176

00:08:08,320 --> 00:08:06,320

feeding us [\h__\h] that's a good point

177

00:08:10,630 --> 00:08:08,330

I mean once you get somebody to trust in

178

00:08:12,310 --> 00:08:10,640

your word and everything and kind of oh

179

00:08:14,080 --> 00:08:12,320

the all the government's talking about

180

00:08:15,640 --> 00:08:14,090

it it must be true it's a it's like when

181

00:08:17,920 --> 00:08:15,650

radio was first invented everybody

182

00:08:21,940 --> 00:08:17,930

thought radio was you can't lie on the

183

00:08:23,590 --> 00:08:21,950

radio right and in World War the world

184

00:08:26,640 --> 00:08:23,600

the world the world being happy and

185

00:08:29,050 --> 00:08:26,650

you're like what what well by golly

186

00:08:31,240 --> 00:08:29,060

and then when TV came out it was the

187

00:08:33,280 --> 00:08:31,250

same same thing yeah like everybody is

188

00:08:35,710 --> 00:08:33,290

like you can well you can't lie on TV

189

00:08:38,350 --> 00:08:35,720

why would they report the you know false

190

00:08:40,840 --> 00:08:38,360

information well huh yep and then the

191

00:08:45,190 --> 00:08:40,850

Internet you can try on the Internet

192

00:08:47,200 --> 00:08:45,200

let's be true yeah yeah dude so yeah

193

00:08:48,910 --> 00:08:47,210

that's up that's kind of a slippery

194

00:08:50,770 --> 00:08:48,920

slope man I think that's something that

195

00:08:55,630 --> 00:08:50,780

we all got to keep our eye on

196

00:08:58,450 --> 00:08:55,640

um you know again man a great post by

197

00:09:00,610 --> 00:08:58,460

William dude that skepticism definitely

198

00:09:02,890 --> 00:09:00,620

keep you on your toes man you know you

199

00:09:05,890 --> 00:09:02,900

gotta you gotta kind of be on your toes

200

00:09:08,470 --> 00:09:05,900

you know because whenever the whole I

201
00:09:11,830 --> 00:09:08,480
know I had responded to somebody's post

202
00:09:15,550 --> 00:09:11,840
when the the whole Navy releases

203
00:09:17,890 --> 00:09:15,560
information they came out for the third

204
00:09:22,360 --> 00:09:20,260
they're like yep it's official you know

205
00:09:25,780 --> 00:09:22,370
the military the government saying it

206
00:09:28,120 --> 00:09:25,790
there's like yeah but you know hold on

207
00:09:30,430 --> 00:09:28,130
you want to be careful what you know

208
00:09:32,410 --> 00:09:30,440
what we're reading like yes they are

209
00:09:34,990 --> 00:09:32,420
saying this and they are confirming it

210
00:09:38,320 --> 00:09:35,000
that's step one yeah now when you start

211
00:09:41,350 --> 00:09:38,330
getting into the details with an a

212
00:09:50,700 --> 00:09:41,360
degree then they glean as I like to call

213
00:09:52,690 --> 00:09:50,710

it go away read some books recent books

214

00:09:54,370 --> 00:09:52,700

yeah that's the part that you really

215

00:09:56,290 --> 00:09:54,380

gotta kind of like pay attention to

216

00:09:58,450 --> 00:09:56,300

which is tough man

217

00:10:01,150 --> 00:09:58,460

I'm not I'm not blaming anybody or

218

00:10:01,750 --> 00:10:01,160

faulting anyone for kind of falling into

219

00:10:08,890 --> 00:10:01,760

that trap

220

00:10:10,750 --> 00:10:08,900

only a matter a couple I think something

221

00:10:12,550 --> 00:10:10,760

is gonna come out again in a month or

222

00:10:14,980 --> 00:10:12,560

two man cuz I think it's like this slow

223

00:10:17,350 --> 00:10:14,990

just release like hey keep the people

224

00:10:19,180 --> 00:10:17,360

occupied yeah the people interested oh

225

00:10:21,550 --> 00:10:19,190

the public loves this stuff you know

226

00:10:24,040 --> 00:10:21,560

what yeah let's slide some you know some

227

00:10:26,350 --> 00:10:24,050

bills and acts and like take away what's

228

00:10:27,730 --> 00:10:26,360

the secret yeah secret laws in place why

229

00:10:30,640 --> 00:10:27,740

everybody's looking you know this

230

00:10:33,250 --> 00:10:30,650

misdirection thing okay so we are going

231

00:10:35,620 --> 00:10:33,260

to tell you all this information on UFO

232

00:10:37,930 --> 00:10:35,630

secrets and aliens and extraterrestrial

233

00:10:40,030 --> 00:10:37,940

life but you can't take showers on

234

00:10:42,070 --> 00:10:40,040

Wednesdays and we're like you [h__\h] yeah

235

00:10:44,230 --> 00:10:42,080

tell me about the aliens they vote for

236

00:10:46,060 --> 00:10:44,240

it and then it's like I can't take a

237

00:10:49,050 --> 00:10:46,070

shower on Wednesday it's like yeah we

238

00:10:52,660 --> 00:10:49,060

slipped that in there but you know

239

00:10:56,170 --> 00:10:52,670

exactly to save water yeah just a one

240

00:11:00,300 --> 00:10:56,180

that sounds like that's hilarious do I

241

00:11:04,480 --> 00:11:02,050

[Applause]

242

00:11:07,840 --> 00:11:04,490

and it's just like how like with right

243

00:11:11,380 --> 00:11:07,850

now currently like the state of Texas is

244

00:11:14,440 --> 00:11:11,390

like there's Dallas income tax state

245

00:11:16,480 --> 00:11:14,450

income tax yeah it's like in order to

246

00:11:19,480 --> 00:11:16,490

not have state income tax you have to

247

00:11:21,760 --> 00:11:19,490

vote yes because the wording is shitty

248

00:11:23,740 --> 00:11:21,770

is is just terrible I love that somebody

249

00:11:25,030 --> 00:11:23,750

found that out and and just blacked out

250

00:11:25,750 --> 00:11:25,040

now everybody knows about it yeah

251
00:11:28,630 --> 00:11:25,760
awesome

252
00:11:30,730 --> 00:11:28,640
you got a vote yes yes it sounds like

253
00:11:34,770 --> 00:11:30,740
you don't want to vote yeah you're like

254
00:11:37,720 --> 00:11:34,780
no I don't but some whiny ass dude yeah

255
00:11:42,400 --> 00:11:37,730
politicians man I'm telling you poly

256
00:11:46,200 --> 00:11:42,410
meaning many in in tix tip which is a

257
00:11:48,040 --> 00:11:46,210
blood sucking parasite man politics yeah

258
00:11:50,470 --> 00:11:48,050
[h__h] that's what they are they're

259
00:11:53,230 --> 00:11:50,480
blood sucking parasites my god y'all

260
00:12:00,040 --> 00:11:53,240
need to go away I mean I didn't vote for

261
00:12:07,390 --> 00:12:00,050
him hey my diction yeah man that voted

262
00:12:10,300 --> 00:12:07,400
for Harambee around layer nacho libre

263
00:12:12,550 --> 00:12:10,310

this year yeah dude good yeah it's

264

00:12:13,330 --> 00:12:12,560

always like it's always like the people

265

00:12:15,070 --> 00:12:13,340

have spoken

266

00:12:17,890 --> 00:12:15,080

but then when you like look at the stats

267

00:12:20,470 --> 00:12:17,900

like more than half of America doesn't

268

00:12:21,010 --> 00:12:20,480

even vote I think that that's that's

269

00:12:22,990 --> 00:12:21,020

your answer

270

00:12:27,100 --> 00:12:23,000

yeah we don't want your [h__h] how

271

00:12:29,470 --> 00:12:27,110

about that I wonder like what if 51% of

272

00:12:31,330 --> 00:12:29,480

Americans didn't vote like and then like

273

00:12:33,010 --> 00:12:31,340

there's just no president like why why

274

00:12:37,600 --> 00:12:33,020

would we even have a president anyway

275

00:12:40,000 --> 00:12:37,610

it's so duh yep I mean it gets really

276

00:12:41,320 --> 00:12:40,010

philosophical it uses a million

277

00:12:44,710 --> 00:12:41,330

different debates that you can have

278

00:12:48,610 --> 00:12:44,720

about it vote you know what I'm saying

279

00:12:50,440 --> 00:12:48,620

yes vote yes yeah people people lost

280

00:12:53,550 --> 00:12:50,450

their lives they fought for your right

281

00:12:56,200 --> 00:12:53,560

to vote it's good vote do your thing

282

00:12:58,930 --> 00:12:56,210

thanks for covering me appreciate me I

283

00:13:00,160 --> 00:12:58,940

mean that's just that's your civic duty

284

00:13:04,120 --> 00:13:00,170

right

285

00:13:09,580 --> 00:13:04,130

you go and you do it you so what you

286

00:13:11,950 --> 00:13:09,590

said duty duty right yeah it it it can

287

00:13:13,720 --> 00:13:11,960

be important I don't want to get a whole

288

00:13:15,290 --> 00:13:13,730

bunch a hey let's let hey you know I'm

289

00:13:17,600 --> 00:13:15,300

Sayla is that don't vote

290

00:13:20,000 --> 00:13:17,610

I'm not saying that cuz I vote every

291

00:13:22,790 --> 00:13:20,010

single time I do to it but it doesn't

292

00:13:26,690 --> 00:13:22,800

matter who I voted for so don't ask

293

00:13:28,700 --> 00:13:26,700

there you go but just know I did it okay

294

00:13:32,930 --> 00:13:28,710

I wouldn't did my whole family's

295

00:13:36,380 --> 00:13:32,940

military like it I'm gonna get so much

296

00:13:39,350 --> 00:13:36,390

hate mail like just cool but that Ben

297

00:13:41,990 --> 00:13:39,360

guy like they voted for the gorilla yeah

298

00:13:43,550 --> 00:13:42,000

smashes UFO garage guy yeah they voted

299

00:13:45,800 --> 00:13:43,560

for [h__h] gorilla for president

300

00:13:47,060 --> 00:13:45,810

they're gonna be happy either way cuz

301

00:13:50,540 --> 00:13:47,070

then they'll be like well we could have

302

00:13:52,460 --> 00:13:50,550

got Hillary but we got Trump could have

303

00:14:00,980 --> 00:13:52,470

been vice versa either way you know what

304

00:14:05,600 --> 00:14:03,140

chemtrails versus contrails it's an ex

305

00:14:07,580 --> 00:14:05,610

post by Jordan that's an important that

306

00:14:10,580 --> 00:14:07,590

is an important one because I've met

307

00:14:12,230 --> 00:14:10,590

many people that are you know they you

308

00:14:14,420 --> 00:14:12,240

know they they look at I mean obviously

309

00:14:16,100 --> 00:14:14,430

there's so much air traffic going on and

310

00:14:18,680 --> 00:14:16,110

man our skies are full of them

311

00:14:22,040 --> 00:14:18,690

every single day and the scientific

312

00:14:24,650 --> 00:14:22,050

explanation for a contrail is it's it's

313

00:14:26,870 --> 00:14:24,660

it's it's vapor coming from the heat

314

00:14:29,600 --> 00:14:26,880

mixing with the high altitude the

315

00:14:32,510 --> 00:14:29,610

coolness is a cold Kunis the coot is

316

00:14:34,340 --> 00:14:32,520

just making clouds up there yep

317

00:14:36,140 --> 00:14:34,350

and then you know some people say like

318

00:14:37,700 --> 00:14:36,150

well chemtrails they they don't go away

319

00:14:39,560 --> 00:14:37,710

they don't dissipate but conger

320

00:14:42,500 --> 00:14:39,570

contrails they do dis yeah they

321

00:14:45,470 --> 00:14:42,510

dissipate as as the plane continues

322

00:14:48,130 --> 00:14:45,480

right chemtrails will stay in the sky

323

00:14:51,050 --> 00:14:48,140

dude like for you know a long time

324

00:14:53,060 --> 00:14:51,060

you're like well that didn't go away huh

325

00:14:54,860 --> 00:14:53,070

you saw the same one like that you did

326

00:14:57,140 --> 00:14:54,870

like an hour ago or something that's

327

00:14:58,880 --> 00:14:57,150

just further along in the sky huh I

328

00:15:02,000 --> 00:14:58,890

don't know what think about that well I

329

00:15:03,890 --> 00:15:02,010

mean this could be one of those little

330

00:15:05,780 --> 00:15:03,900

traps where we're like I mean you know

331

00:15:06,980 --> 00:15:05,790

yeah the government said this but you

332

00:15:10,400 --> 00:15:06,990

know you don't believe everything you

333

00:15:13,310 --> 00:15:10,410

heard but I mean they said yes we use

334

00:15:14,420 --> 00:15:13,320

chemtrails in the sky yeah it came from

335

00:15:16,730 --> 00:15:14,430

the horse's mouth dude

336

00:15:19,820 --> 00:15:16,740

I mean they use it so it's it's not like

337

00:15:21,920 --> 00:15:19,830

a myth or like you know like oh okay

338

00:15:24,260 --> 00:15:21,930

Spira see you know so what all do they

339

00:15:25,640 --> 00:15:24,270

use it for some real thing well me what

340

00:15:27,610 --> 00:15:25,650

do you know like the purpose I don't

341

00:15:31,630 --> 00:15:27,620

know the purpose of it is put

342

00:15:34,270 --> 00:15:31,640

the purpose of it man you know some

343

00:15:37,210 --> 00:15:34,280

people will say that they use it for you

344

00:15:39,520 --> 00:15:37,220

know testing for you know like creating

345

00:15:41,530 --> 00:15:39,530

a blanket over the atmosphere right to

346

00:15:44,830 --> 00:15:41,540

help with it with the the heating of the

347

00:15:47,500 --> 00:15:44,840

planet and stuff like that where the the

348

00:15:49,420 --> 00:15:47,510

metals and they reflect the sunlight to

349

00:15:52,240 --> 00:15:49,430

keep it from getting so hot you know

350

00:15:54,610 --> 00:15:52,250

down here but then all that aluminum and

351

00:15:55,870 --> 00:15:54,620

metals that just falls on the sky you

352

00:15:58,870 --> 00:15:55,880

know on to the ground

353

00:16:00,640 --> 00:15:58,880

yeah I'm your food particular water you

354

00:16:02,560 --> 00:16:00,650

know if I'm saying so it's like I don't

355

00:16:04,660 --> 00:16:02,570

know if that's really a good idea plus

356

00:16:07,480 --> 00:16:04,670

like didn't like bombers in like World

357

00:16:09,730 --> 00:16:07,490

War two you use like like like a chem

358

00:16:11,740 --> 00:16:09,740

trail that would like they would fly in

359

00:16:14,350 --> 00:16:11,750

front of ships naval ships and they

360

00:16:15,700 --> 00:16:14,360

would drop a big smokes yes yeah and it

361

00:16:17,170 --> 00:16:15,710

would just fall yeah I was like a

362

00:16:19,000 --> 00:16:17,180

curtain and they would use it to like

363

00:16:20,350 --> 00:16:19,010

disguise where they were going like I

364

00:16:21,910 --> 00:16:20,360

mean it's not like a well they would

365

00:16:24,640 --> 00:16:21,920

they would use it to they would go in

366

00:16:27,130 --> 00:16:24,650

between enemy and enemy ships so that

367

00:16:28,450 --> 00:16:27,140

the the our side of the ship can turn

368

00:16:30,310 --> 00:16:28,460

and they don't know where that ships

369

00:16:31,960 --> 00:16:30,320

going right right like say there's two

370

00:16:33,730 --> 00:16:31,970

ships one's an enemy one's not they'll

371

00:16:36,430 --> 00:16:33,740

just go in between them and then that

372

00:16:37,750 --> 00:16:36,440

ship can go scoot scoop and go away or

373

00:16:40,420 --> 00:16:37,760

whatever yeah dude

374

00:16:42,520 --> 00:16:40,430

so I mean ya know it's it's totally a

375

00:16:45,280 --> 00:16:42,530

thing yeah it's totally a thing it's

376
00:16:47,610 --> 00:16:45,290
weird man you remember that that web

377
00:16:50,440 --> 00:16:47,620
site that I sent you that had like I

378
00:16:53,800 --> 00:16:50,450
think since like the 60s there's been

379
00:16:57,550 --> 00:16:53,810
like over like 500 geoengineering

380
00:17:00,430 --> 00:16:57,560
patents that were filed and and just in

381
00:17:03,420 --> 00:17:00,440
the United States alone Oh like talking

382
00:17:08,290 --> 00:17:03,430
like legit geoengineering cloud seeding

383
00:17:10,210 --> 00:17:08,300
cantrell you know using you know high

384
00:17:12,880 --> 00:17:10,220
frequency waves and things like that

385
00:17:15,910 --> 00:17:12,890
like dark pot yeah it's all the real

386
00:17:19,240 --> 00:17:15,920
thing they do that geoengineering is a

387
00:17:21,550 --> 00:17:19,250
real thing so I I would wonder like in

388
00:17:24,310 --> 00:17:21,560

places like California that have a bunch

389

00:17:26,350 --> 00:17:24,320

of forest fires right now uh-huh if that

390

00:17:28,600 --> 00:17:26,360

technology is available to cloud seed

391

00:17:30,310 --> 00:17:28,610

and create you know rain or something I

392

00:17:34,720 --> 00:17:30,320

don't know how exactly how that works i

393

00:17:38,410 --> 00:17:34,730

right I don't know how that works I eat

394

00:17:44,330 --> 00:17:42,710

that's it Chris Farley bit but like yeah

395

00:17:46,100 --> 00:17:44,340

why not if you could make it rain

396

00:17:47,930 --> 00:17:46,110

anywhere you want why not just like you

397

00:17:50,000 --> 00:17:47,940

know let's make it rain a little bit

398

00:17:51,140 --> 00:17:50,010

more business in California because that

399

00:17:53,090 --> 00:17:51,150

would be helping people

400

00:17:55,010 --> 00:17:53,100

oh I'm not using it to help people are

401
00:17:58,250 --> 00:17:55,020
using it to cause despair you want it to

402
00:18:01,160 --> 00:17:58,260
burn yeah man that's fine I mean dude I

403
00:18:05,750 --> 00:18:01,170
mean there's so much like to that whole

404
00:18:07,550 --> 00:18:05,760
thing like everything from the electric

405
00:18:11,060 --> 00:18:07,560
company paying out dividends instead of

406
00:18:13,730 --> 00:18:11,070
using it to fix the power lines yeah

407
00:18:16,430 --> 00:18:13,740
that and then the fact that they won't

408
00:18:18,380 --> 00:18:16,440
clean their forests and like trim the

409
00:18:21,680 --> 00:18:18,390
[h__\h] trees like how can one of the

410
00:18:24,680 --> 00:18:21,690
highest taxed like states in the entire

411
00:18:26,180 --> 00:18:24,690
United States like not have the money to

412
00:18:28,250 --> 00:18:26,190
do this [h__\h] like I don't that's what I

413
00:18:30,320 --> 00:18:28,260

don't get like I'm not an economist I

414

00:18:32,060 --> 00:18:30,330

don't know all that [h__h] right but it's

415

00:18:34,330 --> 00:18:32,070

just just a doctor scientists just a

416

00:18:37,100 --> 00:18:34,340

doctor scientists all right not a

417

00:18:38,840 --> 00:18:37,110

politician or an economist and I'm sure

418

00:18:42,590 --> 00:18:38,850

there's a million different answers yeah

419

00:18:44,720 --> 00:18:42,600

to that right yeah but like clean your

420

00:18:46,910 --> 00:18:44,730

[h__h] it's like I don't know what else to

421

00:18:48,590 --> 00:18:46,920

tell you like and I've seen like videos

422

00:18:49,970 --> 00:18:48,600

of like firefighters that work there and

423

00:18:51,980 --> 00:18:49,980

they're like the state won't let us

424

00:18:54,680 --> 00:18:51,990

clear the forest they won't let us clean

425

00:18:56,090 --> 00:18:54,690

out the dead debris they will let us you

426

00:18:58,550 --> 00:18:56,100

know do all this stuff that could

427

00:19:00,800 --> 00:18:58,560

actually help and then now California is

428

00:19:02,570 --> 00:19:00,810

shutting down power plants before the

429

00:19:04,610 --> 00:19:02,580

fire has even started they started like

430

00:19:06,860 --> 00:19:04,620

shutting power off to people right days

431

00:19:08,030 --> 00:19:06,870

at night hi my dad lives in California

432

00:19:09,500 --> 00:19:08,040

and they were worried that they're gonna

433

00:19:12,430 --> 00:19:09,510

shut off the power while we were there

434

00:19:15,200 --> 00:19:12,440

last week the [h__\h] is that

435

00:19:18,350 --> 00:19:15,210

don't worry going on what are you what

436

00:19:22,250 --> 00:19:18,360

are you doing what are you doing fix

437

00:19:23,900 --> 00:19:22,260

your damn electric companies I don't

438

00:19:26,090 --> 00:19:23,910

know what the hell that's all about I

439

00:19:26,570 --> 00:19:26,100

just need to go to solar man I would fix

440

00:19:28,310 --> 00:19:26,580

everything

441

00:19:30,230 --> 00:19:28,320

I'm gonna guess oh dude you got a bunch

442

00:19:32,270 --> 00:19:30,240

of mirrors reflecting sunlight off

443

00:19:34,100 --> 00:19:32,280

everything so that would help help

444

00:19:38,120 --> 00:19:34,110

California at all cuz you just have a

445

00:19:41,750 --> 00:19:38,130

bunch of middle less-hot I don't know

446

00:19:43,460 --> 00:19:41,760

about that you know because because then

447

00:19:45,170 --> 00:19:43,470

and what happens you have a bunch of

448

00:19:47,660 --> 00:19:45,180

solar farms and then when the birds fly

449

00:19:50,220 --> 00:19:47,670

over they fry in a fried chicken because

450

00:19:52,200 --> 00:19:50,230

that Suns being reflected like you

451
00:19:54,120 --> 00:19:52,210
right yeah you got then you got wind

452
00:19:56,370 --> 00:19:54,130
farms and you can't do that because all

453
00:19:58,410 --> 00:19:56,380
the birds fly into the damn things and

454
00:20:00,780 --> 00:19:58,420
if what messes them up like it's just

455
00:20:02,700 --> 00:20:00,790
like this there's a million things is

456
00:20:05,490 --> 00:20:02,710
like all right Tesla came out with those

457
00:20:07,530 --> 00:20:05,500
shingles that are solar panels and like

458
00:20:09,060 --> 00:20:07,540
a home system that's and they quote

459
00:20:10,800 --> 00:20:09,070
unquote affordable haven't looked into

460
00:20:12,840 --> 00:20:10,810
it but man that would be it

461
00:20:15,120 --> 00:20:12,850
if there could be a good idea like a

462
00:20:16,650 --> 00:20:15,130
city paid for like hey start out with

463
00:20:17,370 --> 00:20:16,660

like a neighborhood here and there and

464

00:20:19,590 --> 00:20:17,380

see how it goes

465

00:20:20,970 --> 00:20:19,600

that'd be cool man like we're running

466

00:20:22,920 --> 00:20:20,980

out of water we don't have water here

467

00:20:24,390 --> 00:20:22,930

you live next to the [h__\h] ocean are

468

00:20:27,360 --> 00:20:24,400

you telling me you can't build a

469

00:20:30,240 --> 00:20:27,370

desalinization plant 2d salt that and

470

00:20:32,010 --> 00:20:30,250

then use some of the water like if the

471

00:20:33,510 --> 00:20:32,020

ice caps are melting then [h__\h] we need

472

00:20:34,980 --> 00:20:33,520

to get rid of some of that water anyways

473

00:20:37,650 --> 00:20:34,990

man you know what I'm saying

474

00:20:39,600 --> 00:20:37,660

yeah like I saw this thing where

475

00:20:41,760 --> 00:20:39,610

somebody's thinking about or they were

476

00:20:44,190 --> 00:20:41,770

working on a project that have has like

477

00:20:45,420 --> 00:20:44,200

metallic beads or like white metallic

478

00:20:47,070 --> 00:20:45,430

beads or something that they want to

479

00:20:49,710 --> 00:20:47,080

spread all over the ice caps to blink

480

00:20:51,810 --> 00:20:49,720

the heat and Sun off of the the snow

481

00:20:53,430 --> 00:20:51,820

it's pretty cool article I try to find

482

00:20:55,890 --> 00:20:53,440

it and put it on the blog post for this

483

00:20:59,550 --> 00:20:55,900

episode but saying but then isn't that

484

00:21:02,970 --> 00:20:59,560

just pollution yeah who's gonna go sweep

485

00:21:14,240 --> 00:21:02,980

all those beads up Santa we just dropped

486

00:21:33,290 --> 00:21:28,470

pull the Bears like all up there man one

487

00:21:42,000 --> 00:21:38,730

oh man I don't know it's such a it's

488

00:21:44,760 --> 00:21:42,010

such a like a crazy ass topic too like

489

00:21:49,280 --> 00:21:44,770

there's just no right answer any of this

490

00:21:51,750 --> 00:21:49,290

stuff I don't know well you do man

491

00:21:52,800 --> 00:21:51,760

there's always a counter to something

492

00:21:55,020 --> 00:21:52,810

always yeah

493

00:21:56,760 --> 00:21:55,030

and again we're only doctor scientists

494

00:21:59,320 --> 00:21:56,770

really doctor side though it mostly

495

00:22:04,960 --> 00:21:59,330

poking fun at most

496

00:22:07,659 --> 00:22:04,970

we don't we don't know but okay but uh

497

00:22:08,649 --> 00:22:07,669

yeah throw your trash away and be sure

498

00:22:11,229 --> 00:22:08,659

to trim your trees

499

00:22:14,080 --> 00:22:11,239

yeah recycle away from power lines if

500

00:22:16,979 --> 00:22:14,090

you fish fish sustainably yeah what else

501
00:22:19,239 --> 00:22:16,989
let me catch a few you know a compost

502
00:22:21,100 --> 00:22:19,249
compost yeah yeah just a trash just

503
00:22:23,830 --> 00:22:21,110
compost because those are recycling cost

504
00:22:26,320 --> 00:22:23,840
it's super cost inefficient like it's

505
00:22:29,019 --> 00:22:26,330
way more inefficient to recycle than it

506
00:22:32,619 --> 00:22:29,029
actually is recycle good like the cost

507
00:22:34,509 --> 00:22:32,629
of it is is it yeah and because most

508
00:22:36,129 --> 00:22:34,519
people don't recycle correctly oh they

509
00:22:37,479 --> 00:22:36,139
didn't used to buy our trash your

510
00:22:38,680 --> 00:22:37,489
recycling products and now they're like

511
00:22:40,539 --> 00:22:38,690
we don't want to buy that [\h__\h] so now

512
00:22:42,549 --> 00:22:40,549
it's just like ending up your landfills

513
00:22:44,499 --> 00:22:42,559

anyway it's really not like now like we

514

00:22:45,909 --> 00:22:44,509

spent all that time separating plastic

515

00:22:47,379 --> 00:22:45,919

and [h__h] and now they're like I just

516

00:22:49,229 --> 00:22:47,389

[h__h] throw it in the landfill we

517

00:22:53,109 --> 00:22:49,239

don't have anywhere to put it

518

00:22:55,090 --> 00:22:53,119

do what if we just I mean okay I always

519

00:22:56,789 --> 00:22:55,100

must say something dumb I'm just gonna

520

00:23:01,479 --> 00:22:56,799

stop myself there

521

00:23:08,320 --> 00:23:01,489

just milk tea whatever just make what we

522

00:23:12,849 --> 00:23:08,330

just put it on the ice caps put snow

523

00:23:16,330 --> 00:23:12,859

inside of it all right and then you're

524

00:23:19,239 --> 00:23:16,340

like all the Doritos bags outside of it

525

00:23:21,669 --> 00:23:19,249

employee in your freezer yeah we build a

526

00:23:25,080 --> 00:23:21,679

giant freezer ice on the Arctic it won't

527

00:23:27,099 --> 00:23:25,090

put the snow inside of the floor you

528

00:23:30,190 --> 00:23:27,109

just stop [h__h] up the environment

529

00:23:38,799 --> 00:23:30,200

because it's already cold there just

530

00:23:40,779 --> 00:23:38,809

replace the whole you can you can melt

531

00:23:48,310 --> 00:23:40,789

down the plastic to scoop the snow into

532

00:23:53,590 --> 00:23:48,320

the Doritos bags and you can wear paper

533

00:23:56,440 --> 00:23:53,600

shoes or snow shoes man no no excuse me

534

00:23:57,669 --> 00:23:56,450

I uh snow is a melt and they just make

535

00:23:59,259 --> 00:23:57,679

no it's the next day

536

00:24:06,580 --> 00:23:59,269

yeah dude cuz then your feet won't get

537

00:24:09,190 --> 00:24:06,590

cold cuz I already got snow that's a

538

00:24:12,530 --> 00:24:09,200

real recycling plan seriously snow shoes

539

00:24:14,930 --> 00:24:12,540

we shoot it then they melt back

540

00:24:16,940 --> 00:24:14,940

into the snow create the snow that you

541

00:24:18,950 --> 00:24:16,950

took originally and then the next day

542

00:24:26,620 --> 00:24:18,960

just make more snow this makes sense

543

00:24:28,880 --> 00:24:26,630

was he by thoughts before all right

544

00:24:30,950 --> 00:24:28,890

Joseph what's up dude

545

00:24:33,710 --> 00:24:30,960

posted about this movie called the box I

546

00:24:36,230 --> 00:24:33,720

watched it started it last night I got a

547

00:24:39,770 --> 00:24:36,240

sleepy and I didn't finish it

548

00:24:43,220 --> 00:24:39,780

I finished it today laughs dude it's so

549

00:24:44,870 --> 00:24:43,230

badass bro so it's filmed I it was

550

00:24:47,840 --> 00:24:44,880

filmed and I guess it was released in

551
00:24:52,310 --> 00:24:47,850
2009 but it was like set in the 70s or

552
00:24:54,169 --> 00:24:52,320
maybe early 60s and it's got like he

553
00:24:56,360 --> 00:24:54,179
like Joseph says it's got like this main

554
00:24:58,850 --> 00:24:56,370
timeline but it's also has his back like

555
00:25:01,190 --> 00:24:58,860
this dual timeline uh what the director

556
00:25:04,250 --> 00:25:01,200
is but this dude just got some good

557
00:25:05,780 --> 00:25:04,260
ideas but it is a trippy ass movie I

558
00:25:07,669 --> 00:25:05,790
don't want to ruin it for you guys but

559
00:25:12,530 --> 00:25:07,679
y'all need to watch the box Cameron Diaz

560
00:25:14,750 --> 00:25:12,540
isn't it and the dude from I think he's

561
00:25:16,640 --> 00:25:14,760
in new girl is it the one where they

562
00:25:17,810 --> 00:25:16,650
like have to hit that button and then

563
00:25:19,760 --> 00:25:17,820

somebody like dies or something

564

00:25:20,930 --> 00:25:19,770

something like that yeah okay yeah I

565

00:25:23,930 --> 00:25:20,940

don't want to I want to ruin the movie

566

00:25:27,500 --> 00:25:23,940

but yeah it's sick no yeah like it's

567

00:25:30,680 --> 00:25:27,510

it's got alien connotations like it's

568

00:25:33,230 --> 00:25:30,690

it's like hivemind extra two extra

569

00:25:35,810 --> 00:25:33,240

dimensional tank [h__h] yeah it's cool man

570

00:25:38,510 --> 00:25:35,820

and it's all having to do with this

571

00:25:40,909 --> 00:25:38,520

entity that's and like working in

572

00:25:42,530 --> 00:25:40,919

cooperation with them like the CIA NASA

573

00:25:47,000 --> 00:25:42,540

and all the government officials and

574

00:25:49,039 --> 00:25:47,010

stuff but it's good that's cool it's

575

00:25:52,130 --> 00:25:49,049

cool that's pretty cool yeah I watched a

576

00:25:54,650 --> 00:25:52,140

cool movie last night too it's a it's a

577

00:25:56,870 --> 00:25:54,660

1990 classic film called the Flatliners

578

00:25:58,789 --> 00:25:56,880

that was pretty badass was that about

579

00:26:00,980 --> 00:25:58,799

was cool he's basically about like these

580

00:26:02,659 --> 00:26:00,990

this group of like students who were

581

00:26:04,250 --> 00:26:02,669

becoming doctors or trying to become

582

00:26:07,130 --> 00:26:04,260

doctors and so like they were in college

583

00:26:09,440 --> 00:26:07,140

and they were doing this this study like

584

00:26:11,720 --> 00:26:09,450

without telling anybody where they would

585

00:26:13,789 --> 00:26:11,730

they were trying to figure out what

586

00:26:14,630 --> 00:26:13,799

happens after you die there's something

587

00:26:17,390 --> 00:26:14,640

else out there

588

00:26:19,220 --> 00:26:17,400

right and so like they set it up to wear

589

00:26:21,380 --> 00:26:19,230

like a controlled experiment were like

590

00:26:23,330 --> 00:26:21,390

they would basically flatline themselves

591

00:26:25,159 --> 00:26:23,340

okay so they would you know basically

592

00:26:26,140 --> 00:26:25,169

shut down the brain the heart they would

593

00:26:28,270 --> 00:26:26,150

die

594

00:26:30,670 --> 00:26:28,280

and they would you know first guy like

595

00:26:32,200 --> 00:26:30,680

you know he went for like a minute like

596

00:26:33,910 --> 00:26:32,210

a minute and a half or something and

597

00:26:35,350 --> 00:26:33,920

they brought him back and then they were

598

00:26:37,810 --> 00:26:35,360

like well I'm gonna go for like two

599

00:26:39,610 --> 00:26:37,820

minutes and then like three minutes and

600

00:26:42,160 --> 00:26:39,620

then so like they just kept going longer

601
00:26:43,150 --> 00:26:42,170
and longer but but yeah it's one of them

602
00:26:46,090 --> 00:26:43,160
actually end up dying

603
00:26:48,820 --> 00:26:46,100
no no that's what's cool about it yes

604
00:26:52,020 --> 00:26:48,830
they do die but they all die but they

605
00:26:55,720 --> 00:26:52,030
keep coming back yeah but did they know

606
00:26:57,730 --> 00:26:55,730
they all died all time right but yeah so

607
00:26:59,890 --> 00:26:57,740
they die and they come back and they

608
00:27:02,980 --> 00:26:59,900
bring their sins back into life with

609
00:27:04,900 --> 00:27:02,990
them their sins yeah what does that mean

610
00:27:06,910 --> 00:27:04,910
okay well I don't want to ruin it yeah

611
00:27:09,640 --> 00:27:06,920
but dude so there's this Netflix

612
00:27:13,210 --> 00:27:09,650
original series called the Oh a and it

613
00:27:15,040 --> 00:27:13,220

has similar themes in it where it's like

614

00:27:17,020 --> 00:27:15,050

they're studying near-death experiences

615

00:27:20,500 --> 00:27:17,030

or like life after death [h__h] like that

616

00:27:22,750 --> 00:27:20,510

it is a really cool series they just

617

00:27:23,800 --> 00:27:22,760

finished the second season second season

618

00:27:25,450 --> 00:27:23,810

is even better than the first one I

619

00:27:27,760 --> 00:27:25,460

really I mean I love origin story

620

00:27:29,860 --> 00:27:27,770

anything uh-huh so I mean obviously the

621

00:27:32,470 --> 00:27:29,870

first ones you gotta watch it but it's a

622

00:27:34,090 --> 00:27:32,480

really good series it's awesome badass

623

00:27:37,900 --> 00:27:34,100

yeah check it out

624

00:27:40,150 --> 00:27:37,910

that's pretty sick let's see what's next

625

00:27:41,410 --> 00:27:40,160

heed the secret space plane that just

626

00:27:44,080 --> 00:27:41,420

landed

627

00:27:47,910 --> 00:27:44,090

first off okay so it was a it was in

628

00:27:50,290 --> 00:27:47,920

orbit for like almost two years yeah and

629

00:27:54,490 --> 00:27:50,300

is it a secret if there's a picture of

630

00:27:56,440 --> 00:27:54,500

it I guess it was a secret it was a

631

00:27:58,990 --> 00:27:56,450

secret mission yeah but I knew it

632

00:28:00,970 --> 00:27:59,000

existed yeah no one well so even if

633

00:28:02,170 --> 00:28:00,980

people knew it was there like there's

634

00:28:04,510 --> 00:28:02,180

probably gonna be somebody that oh yeah

635

00:28:05,710 --> 00:28:04,520

we i've knew about that but what they

636

00:28:09,010 --> 00:28:05,720

were doing up there

637

00:28:10,720 --> 00:28:09,020

i wonder you know probably little very

638

00:28:11,920 --> 00:28:10,730

very little people actually know what

639

00:28:15,190 --> 00:28:11,930

they're doing up there that's the

640

00:28:18,340 --> 00:28:15,200

interesting part to me yeah like

641

00:28:20,740 --> 00:28:18,350

changing directions to changing orbit

642

00:28:23,230 --> 00:28:20,750

and all that yeah where i was reading a

643

00:28:25,990 --> 00:28:23,240

little bit about it like yeah what

644

00:28:28,570 --> 00:28:26,000

they're doing it's like a medium-sized

645

00:28:31,090 --> 00:28:28,580

drone it's so small I know when you I

646

00:28:33,250 --> 00:28:31,100

really it looks huge when you see the

647

00:28:35,140 --> 00:28:33,260

the people in the in the photo uh-huh

648

00:28:36,820 --> 00:28:35,150

it's a small little plane yeah dude it

649

00:28:38,750 --> 00:28:36,830

was commander how it like in the night

650

00:28:41,000 --> 00:28:38,760

sky if it had a light on

651
00:28:42,350 --> 00:28:41,010
it would be impossible to see yeah yeah

652
00:28:44,419 --> 00:28:42,360
you were able to see it didn't have a

653
00:28:47,299 --> 00:28:44,429
light on it in broad daylight it feels

654
00:28:50,320 --> 00:28:47,309
high enough yeah it's super tiny mm-hmm

655
00:28:54,590 --> 00:28:50,330
it's super tiny but yeah dude I mean

656
00:28:56,659 --> 00:28:54,600
speculation they do and do-over they do

657
00:29:00,080 --> 00:28:56,669
it I mean I wouldn't do what they would

658
00:29:02,120 --> 00:29:00,090
do were they maybe they're building like

659
00:29:05,000 --> 00:29:02,130
a full-size shuttle like that and maybe

660
00:29:08,270 --> 00:29:05,010
they're testing out maneuvers and like

661
00:29:10,070 --> 00:29:08,280
you know I don't know yeah like making

662
00:29:11,840 --> 00:29:10,080
Kim trails up there man did it did it

663
00:29:14,240 --> 00:29:11,850

did it dock with the space station at

664

00:29:17,060 --> 00:29:14,250

all good did anybody you know like try

665

00:29:18,650 --> 00:29:17,070

to control it you know from did the try

666

00:29:20,720 --> 00:29:18,660

to hack it the space they should know it

667

00:29:21,909 --> 00:29:20,730

was up there did anybody well I guess

668

00:29:25,250 --> 00:29:21,919

not if it was a secret

669

00:29:28,070 --> 00:29:25,260

we got Chinese and Russian and like the

670

00:29:29,510 --> 00:29:28,080

the space station is international yes

671

00:29:30,200 --> 00:29:29,520

well maybe our astronauts didn't even

672

00:29:33,350 --> 00:29:30,210

know it was there

673

00:29:36,230 --> 00:29:33,360

ooh dude it's quite possible man yeah

674

00:29:37,370 --> 00:29:36,240

dude that's that's uh yeah so yeah if

675

00:29:39,320 --> 00:29:37,380

anybody works for the secret space

676
00:29:40,640 --> 00:29:39,330
program just email us and let us know

677
00:29:41,090 --> 00:29:40,650
what you guys are doing yeah that'd be

678
00:29:45,760 --> 00:29:41,100
cool

679
00:29:50,330 --> 00:29:45,770
let me super chill super super chill

680
00:29:53,299 --> 00:29:50,340
moving on I love this photo another post

681
00:29:56,030 --> 00:29:53,309
by Josh it looks like a postive

682
00:29:58,640 --> 00:29:56,040
she just Joseph it's like reading the

683
00:30:01,549 --> 00:29:58,650
next sentence this we're looking at a

684
00:30:03,830 --> 00:30:01,559
photo if you want to join our Facebook

685
00:30:05,210 --> 00:30:03,840
group please join us hang out everybody

686
00:30:06,080 --> 00:30:05,220
post cool [h__h] and that's what we're

687
00:30:07,810 --> 00:30:06,090
talking about right now if you're just

688
00:30:10,760 --> 00:30:07,820

dude and then or if you skip the head

689

00:30:12,470 --> 00:30:10,770

yeah we're looking at this galaxy this

690

00:30:14,060 --> 00:30:12,480

double galaxy with let's kind of like

691

00:30:15,860 --> 00:30:14,070

nebula looking thing around it looks

692

00:30:18,710 --> 00:30:15,870

like a skull the eyes is pretty cool

693

00:30:19,520 --> 00:30:18,720

yeah I don't really I didn't double

694

00:30:23,950 --> 00:30:19,530

galaxy

695

00:30:26,270 --> 00:30:23,960

no way you can't said the last podcast

696

00:30:31,159 --> 00:30:26,280

there was like a double rainbow but it

697

00:30:34,159 --> 00:30:31,169

sounded so sincere what he said it it

698

00:30:35,780 --> 00:30:34,169

was like it's like like what she said it

699

00:30:38,720 --> 00:30:35,790

it was like the first thing that came to

700

00:30:41,000 --> 00:30:38,730

my head was like yeah I mean here it is

701
00:30:46,039 --> 00:30:41,010
cool last picture so was sincerely like

702
00:30:49,130 --> 00:30:46,049
also that he knows that oh yeah what

703
00:30:51,610 --> 00:30:49,140
does that picture say I will literally

704
00:30:53,500 --> 00:30:51,620
pay you to abduct me Oh

705
00:30:58,230 --> 00:30:53,510
that's pretty awesome was it a slingshot

706
00:31:00,519 --> 00:30:58,240
it oh that's that's money in his hand me

707
00:31:06,880 --> 00:31:00,529
cool so that's all for Facebook sweet

708
00:31:08,320 --> 00:31:06,890
dude sweet me so dude it's Halloween by

709
00:31:10,960 --> 00:31:08,330
the time you you guys are here and this

710
00:31:12,490 --> 00:31:10,970
is gonna be Halloween spooky night we

711
00:31:15,549 --> 00:31:12,500
thought we'd talk about some spooky

712
00:31:17,950 --> 00:31:15,559
things like witches ghosts werewolves

713
00:31:21,310 --> 00:31:17,960

Frankenstein and how we can tie back

714

00:31:25,450 --> 00:31:21,320

into you know alien stuff and oh it's

715

00:31:28,330 --> 00:31:25,460

already weird so yes goes in the same

716

00:31:30,399 --> 00:31:28,340

category sometimes but I can't remember

717

00:31:32,590 --> 00:31:30,409

who posted about the dog man thing and I

718

00:31:35,980 --> 00:31:32,600

would say was philip night maybe Phil

719

00:31:38,350 --> 00:31:35,990

yeah yeah yeah the dog man is that was

720

00:31:40,299 --> 00:31:38,360

that like in Texas specifically or no

721

00:31:42,460 --> 00:31:40,309

not in Texas I mean there's sightings

722

00:31:45,940 --> 00:31:42,470

all over the place I think the sighting

723

00:31:49,799 --> 00:31:45,950

that he had reference to is maybe like

724

00:31:52,750 --> 00:31:49,809

West Virginia uh-huh something like that

725

00:31:54,700 --> 00:31:52,760

but yeah I mean there there's there's

726

00:31:57,220 --> 00:31:54,710

sightings all over the place man oh uh

727

00:31:59,440 --> 00:31:57,230

man I wonder if it's like it's a man

728

00:32:04,720 --> 00:31:59,450

above the waist and then below the waist

729

00:32:07,630 --> 00:32:04,730

it's a dog body see so you said you said

730

00:32:10,570 --> 00:32:07,640

dog below the waist a man up top yeah

731

00:32:12,580 --> 00:32:10,580

would if his dog up top and a man below

732

00:32:14,380 --> 00:32:12,590

the waist yeah dude where does it stop

733

00:32:18,399 --> 00:32:14,390

like does it stop at his bellybutton and

734

00:32:20,350 --> 00:32:18,409

then everything like you're like a dude

735

00:32:23,799 --> 00:32:20,360

and then like you just like below the

736

00:32:25,600 --> 00:32:23,809

kneecaps it's like dog feet you know

737

00:32:27,519 --> 00:32:25,610

like there's like different levels of

738

00:32:29,799 --> 00:32:27,529

dogs and that you can be and you're like

739

00:32:31,779 --> 00:32:29,809

god damn it I got to blow the kneecaps

740

00:32:38,049 --> 00:32:31,789

dog I just saw a man I just got the ears

741

00:32:39,820 --> 00:32:38,059

man normal bout me put my nose yep I

742

00:32:43,149 --> 00:32:39,830

just got a dog nose like a dog knows

743

00:32:47,500 --> 00:32:43,159

this is the snout my dad's full werewolf

744

00:32:50,190 --> 00:32:47,510

I got his nose what if that's out like

745

00:32:52,570 --> 00:32:50,200

if your parents are werewolves or like I

746

00:32:55,210 --> 00:32:52,580

give your ma if your mom's a werewolf

747

00:32:59,620 --> 00:32:55,220

and your dad is a man and now that's dog

748

00:33:02,980 --> 00:32:59,630

man like but half of your body is human

749

00:33:04,300 --> 00:33:02,990

half of your body's dog like at the left

750

00:33:06,640 --> 00:33:04,310

side is dog and the right

751

00:33:09,640 --> 00:33:06,650

as a handsome man dude that would be a

752

00:33:11,050 --> 00:33:09,650

bummer that would be a huge bow you're

753

00:33:13,630 --> 00:33:11,060

like standing like waiting for the

754

00:33:21,220 --> 00:33:13,640

elevator like a cute girl walks out you

755

00:33:28,120 --> 00:33:21,230

know and then you turn to face her oh my

756

00:33:30,040 --> 00:33:28,130

review to face dude so I wonder I'm sure

757

00:33:31,240 --> 00:33:30,050

our listeners can clue us into this but

758

00:33:34,350 --> 00:33:31,250

because I know that there's gotta be

759

00:33:37,960 --> 00:33:34,360

like a history tucked oh why like is

760

00:33:41,140 --> 00:33:37,970

Dogman related to werewolf yeah I wonder

761

00:33:43,180 --> 00:33:41,150

is is is are they are they different

762

00:33:45,430 --> 00:33:43,190

things or are they similar [h__h] you

763

00:33:47,790 --> 00:33:45,440

should you should Google that well I

764

00:33:50,980 --> 00:33:47,800

well I kind of make my point here but

765

00:33:53,920 --> 00:33:50,990

what is the like what is the the

766

00:33:57,250 --> 00:33:53,930

connection between the full moon and

767

00:33:59,320 --> 00:33:57,260

then the werewolf because there is like

768

00:34:02,020 --> 00:33:59,330

scientific studies that say that like

769

00:34:04,210 --> 00:34:02,030

when the moon is full weird things

770

00:34:05,590 --> 00:34:04,220

happen like there's like more accidents

771

00:34:07,990 --> 00:34:05,600

I think or like there's like a higher

772

00:34:09,670 --> 00:34:08,000

rate of crime or like you know people

773

00:34:12,400 --> 00:34:09,680

just start going like a little crazy

774

00:34:13,720 --> 00:34:12,410

like like do you think it's it's

775

00:34:16,000 --> 00:34:13,730

something that's been passed down

776

00:34:18,100 --> 00:34:16,010

through history like it was an

777

00:34:20,410 --> 00:34:18,110

observable thing and they were like man

778

00:34:21,880 --> 00:34:20,420

people just act crazy during the full

779

00:34:24,000 --> 00:34:21,890

moon they're like a bunch of damn

780

00:34:26,530 --> 00:34:24,010

werewolves out there yeah there's

781

00:34:28,360 --> 00:34:26,540

thousands of years of that story being

782

00:34:30,670 --> 00:34:28,370

told like somebody acts like wrote it

783

00:34:34,300 --> 00:34:30,680

down was like yeah there's werewolf's

784

00:34:37,780 --> 00:34:34,310

every full moon night to scare chew the

785

00:34:39,460 --> 00:34:37,790

children the children's yeah or or it's

786

00:34:43,390 --> 00:34:39,470

like has something to do with like

787

00:34:45,970 --> 00:34:43,400

planetary alignment kind of stuff yeah I

788

00:34:47,260 --> 00:34:45,980

definitely I I get super stoked when

789

00:34:49,600 --> 00:34:47,270

it's a full moon for some reason I have

790

00:34:51,430 --> 00:34:49,610

a bunch of energy and I stay up really

791

00:34:52,900 --> 00:34:51,440

late yeah and it could be just like did

792

00:34:54,700 --> 00:34:52,910

I know that that's always been a thing

793

00:34:56,890 --> 00:34:54,710

uh-huh it's the self fulfilling thing

794

00:34:58,450 --> 00:34:56,900

but now I wonder what the connection is

795

00:34:59,620 --> 00:34:58,460

between the werewolf and the full moon

796

00:35:00,310 --> 00:34:59,630

and all that stuff I wonder where that

797

00:35:02,140 --> 00:35:00,320

came from

798

00:35:04,120 --> 00:35:02,150

yeah I don't know man cuz I don't know

799

00:35:06,270 --> 00:35:04,130

like like what we had the episode on

800

00:35:10,990 --> 00:35:06,280

skinwalker ranch right and there was a

801
00:35:13,840 --> 00:35:11,000
wolf man or a dog man that was a big big

802
00:35:15,790 --> 00:35:13,850
wolf right it wasn't like I think yeah

803
00:35:16,790 --> 00:35:15,800
it was just a big wolf a big wolf

804
00:35:18,530 --> 00:35:16,800
I don't think it was a werewolf

805
00:35:20,720 --> 00:35:18,540
okay right yeah I don't think it had

806
00:35:22,820 --> 00:35:20,730
like arms like the you know like before

807
00:35:25,790 --> 00:35:22,830
me see it like movies at the I think it

808
00:35:29,480 --> 00:35:25,800
was just a gigantic wolf yeah

809
00:35:31,580 --> 00:35:29,490
a bulletproof wolf but yeah dude I mean

810
00:35:34,130 --> 00:35:31,590
it's got a it's got to stim back to some

811
00:35:38,450 --> 00:35:34,140
kind of folklore and and and all that

812
00:35:40,370 --> 00:35:38,460
but people claim to have seen a dog man

813
00:35:42,470 --> 00:35:40,380

yeah which is to me what the same thing

814

00:35:44,720 --> 00:35:42,480

is a werewolf there's gotta be something

815

00:35:46,460 --> 00:35:44,730

to it man

816

00:35:50,690 --> 00:35:46,470

oh yeah I don't really know I couldn't

817

00:35:53,060 --> 00:35:50,700

find anything online about dog man dog

818

00:35:55,700 --> 00:35:53,070

man I know that I've there's a there's a

819

00:35:57,230 --> 00:35:55,710

movie about it but we'll have to watch

820

00:35:59,300 --> 00:35:57,240

the movie yeah literally can't find

821

00:36:02,030 --> 00:35:59,310

anything there's that a comic like

822

00:36:05,330 --> 00:36:02,040

Captain Underpants comic nice that's

823

00:36:06,980 --> 00:36:05,340

awesome yeah when I typed in dog man

824

00:36:13,400 --> 00:36:06,990

that's the same thing that I've found as

825

00:36:15,770 --> 00:36:13,410

well you know we should have started

826

00:36:19,970 --> 00:36:15,780

with the ancient origins of Halloween

827

00:36:22,280 --> 00:36:19,980

ooo yeah so we would history.com they've

828

00:36:26,000 --> 00:36:22,290

got a cool article the origins date back

829

00:36:28,430 --> 00:36:26,010

to the ancient Celtic Festival of so in

830

00:36:30,920 --> 00:36:28,440

the Celts who lived 2,000 years ago

831

00:36:33,410 --> 00:36:30,930

mostly in the area that is now Ireland

832

00:36:35,720 --> 00:36:33,420

the United Kingdom in northern France

833

00:36:37,880 --> 00:36:35,730

celebrated their new year on November

834

00:36:39,760 --> 00:36:37,890

1st they celebrated the New Year

835

00:36:41,000 --> 00:36:39,770

so yes it was like this there's like a

836

00:36:43,490 --> 00:36:41,010

celebrating

837

00:36:46,340 --> 00:36:43,500

yeah like January 1st is the new year

838

00:36:48,830 --> 00:36:46,350

that's only makes sense and like harvest

839

00:36:50,240 --> 00:36:48,840

and all that it says the the day marked

840

00:36:52,000 --> 00:36:50,250

the end of the summer and the harvest

841

00:36:53,750 --> 00:36:52,010

and the beginning of dark cold winter

842

00:36:57,170 --> 00:36:53,760

time of the year that was often

843

00:37:02,140 --> 00:36:57,180

associated with human death ooh spooky

844

00:37:05,930 --> 00:37:02,150

yeah so it's it's funny how a lot of our

845

00:37:08,930 --> 00:37:05,940

our holidays and stuff are like from

846

00:37:11,420 --> 00:37:08,940

like a pagan origin yeah you know

847

00:37:14,870 --> 00:37:11,430

everything from like Christmas Easter

848

00:37:17,540 --> 00:37:14,880

uh-huh you know all the stuff that we do

849

00:37:19,940 --> 00:37:17,550

like from like bringing Christmas trees

850

00:37:23,060 --> 00:37:19,950

in the house and stuff like that and you

851
00:37:24,500 --> 00:37:23,070
know that the you know like I don't know

852
00:37:27,560 --> 00:37:24,510
if it was like a god or something

853
00:37:29,480 --> 00:37:27,570
Ishtar which is Easter which is about

854
00:37:30,150 --> 00:37:29,490
which is about fertility that's why the

855
00:37:35,130 --> 00:37:30,160
rabbit

856
00:37:37,440 --> 00:37:35,140
is is associated with Easter right what

857
00:37:39,540 --> 00:37:37,450
do I didn't know that and so like and

858
00:37:41,460 --> 00:37:39,550
even like back in these days like I

859
00:37:45,150 --> 00:37:41,470
don't know if it was the the the Celtic

860
00:37:47,910 --> 00:37:45,160
people or or some sort of like you know

861
00:37:50,960 --> 00:37:47,920
the ancient druids Nordic race of some

862
00:37:55,050 --> 00:37:50,970
of some sort right they would they would

863
00:37:57,270 --> 00:37:55,060

cut down a tree they would cut down a

864

00:37:59,070 --> 00:37:57,280

tree before before winter got really

865

00:38:01,890 --> 00:37:59,080

heavy right and they would bring it in

866

00:38:04,530 --> 00:38:01,900

their house and they would take care of

867

00:38:07,800 --> 00:38:04,540

the tree and so it showed the gods that

868

00:38:09,090 --> 00:38:07,810

they had favoritism of life whoa

869

00:38:10,560 --> 00:38:09,100

so they would bring the tree in the

870

00:38:13,230 --> 00:38:10,570

house and they would take care of it and

871

00:38:14,910 --> 00:38:13,240

so now that developed into Christmas now

872

00:38:18,210 --> 00:38:14,920

which is where we get a Christmas tree

873

00:38:20,100 --> 00:38:18,220

we're moving it inside and we kill it

874

00:38:21,780 --> 00:38:20,110

most the time but like that's where it's

875

00:38:24,840 --> 00:38:21,790

spawned from we decorate it we make it

876

00:38:27,030 --> 00:38:24,850

look pretty we water it we keep it alive

877

00:38:30,150 --> 00:38:27,040

because all the most things would die

878

00:38:32,760 --> 00:38:30,160

during the wintertime whoa dude yeah but

879

00:38:34,980 --> 00:38:32,770

okay so I love that and I've never heard

880

00:38:37,260 --> 00:38:34,990

that that's super interesting but uh

881

00:38:38,910 --> 00:38:37,270

like evergreens like the trees that we

882

00:38:42,240 --> 00:38:38,920

use for Christmas trees they don't die

883

00:38:45,450 --> 00:38:42,250

and you should leave them outside we

884

00:38:46,860 --> 00:38:45,460

kill them when we bring them inside so

885

00:38:48,390 --> 00:38:46,870

you know maybe it's not like an

886

00:38:49,770 --> 00:38:48,400

evergreen that they used to bring in the

887

00:38:52,230 --> 00:38:49,780

house there's probably some dude

888

00:38:53,910 --> 00:38:52,240

listening your girl listening like man I

889

00:38:59,370 --> 00:38:53,920

start I just started my own Christmas

890

00:39:01,380 --> 00:38:59,380

tree farm [h__h] you guys yeah so yeah I

891

00:39:06,450 --> 00:39:01,390

always found found that interesting you

892

00:39:08,850 --> 00:39:06,460

know like like Krampus right that like

893

00:39:10,290 --> 00:39:08,860

like that's an actual like ancient story

894

00:39:12,480 --> 00:39:10,300

that goes yeah yeah it's like a German

895

00:39:15,960 --> 00:39:12,490

thing or something we're like Santa came

896

00:39:17,970 --> 00:39:15,970

from that and that's why boys and girls

897

00:39:19,740 --> 00:39:17,980

are supposed to be good because if you

898

00:39:22,020 --> 00:39:19,750

weren't good back in the day when they

899

00:39:25,740 --> 00:39:22,030

kept it real Krampus would come and

900

00:39:27,930 --> 00:39:25,750

kidnap you and he would kill you as a

901
00:39:32,210 --> 00:39:27,940
little kid bro who tells you that maybe

902
00:39:35,370 --> 00:39:32,220
like hey look if you're not good Krampus

903
00:39:36,780 --> 00:39:35,380
will murder you you're gonna die they

904
00:39:38,520 --> 00:39:36,790
tell their kids that dude

905
00:39:40,710 --> 00:39:38,530
and they just evolved into like you

906
00:39:43,800 --> 00:39:40,720
better be good don't talk back or Santa

907
00:39:46,980 --> 00:39:43,810
won't bring any toys like dude like

908
00:39:48,720 --> 00:39:46,990
dude society couldn't handle it now if

909
00:39:50,490 --> 00:39:48,730
you know you really ate if you're not

910
00:39:53,220 --> 00:39:50,500
good Santa will murder you yes Anna's

911
00:39:54,630 --> 00:39:53,230
gonna kill you will die all right not

912
00:39:57,540 --> 00:39:54,640
like you're gonna get a lump of coal

913
00:39:58,980 --> 00:39:57,550

exactly no you're gonna be read and be

914

00:40:05,760 --> 00:39:58,990

chopped up Brian guarantee you kids

915

00:40:08,490 --> 00:40:05,770

would behave way yeah you know I'm

916

00:40:10,170 --> 00:40:08,500

getting ready to have a kid and I might

917

00:40:12,210 --> 00:40:10,180

have to say that hey yeah you should

918

00:40:17,520 --> 00:40:12,220

bring the Krampus to your hands grab his

919

00:40:19,500 --> 00:40:17,530

bag man that would just Oh Duke you

920

00:40:22,140 --> 00:40:19,510

imagine the psychological like that

921

00:40:26,190 --> 00:40:22,150

would that would just mess you up dude

922

00:40:28,370 --> 00:40:26,200

yeah kid I think that would uh come out

923

00:40:30,540 --> 00:40:28,380

later on of life in some weird way

924

00:40:33,950 --> 00:40:30,550

definitely uh but I mean if you look

925

00:40:36,780 --> 00:40:33,960

back in a you know in like you know like

926

00:40:38,670 --> 00:40:36,790

1400 BC kids were so responsible back

927

00:40:40,560 --> 00:40:38,680

then they were so response but there was

928

00:40:41,910 --> 00:40:40,570

so response yeah they did chores and

929

00:40:44,910 --> 00:40:41,920

they helped around the house how they

930

00:40:47,130 --> 00:40:44,920

worked on the farm they pick crops dad

931

00:40:49,650 --> 00:40:47,140

helped build the house they went chop

932

00:40:51,450 --> 00:40:49,660

firewood man it pulled weeds they milked

933

00:40:53,670 --> 00:40:51,460

the cows I did none of that stuff I

934

00:40:57,990 --> 00:40:53,680

think they shepherded the Sheep there

935

00:41:02,640 --> 00:40:58,000

were sheep shepherds the milk the cows

936

00:41:06,870 --> 00:41:02,650

grab those tapes get some milk from the

937

00:41:09,510 --> 00:41:06,880

cows from the girls bet the pigs and

938

00:41:12,720 --> 00:41:09,520

then and then the dad he would he would

939

00:41:15,060 --> 00:41:12,730

go out and fight for the kingdom for

940

00:41:20,580 --> 00:41:15,070

years out of time yeah right what a good

941

00:41:22,380 --> 00:41:20,590

dad that's a good dad move oh yeah but

942

00:41:24,690 --> 00:41:22,390

yeah I always thought it was interesting

943

00:41:27,480 --> 00:41:24,700

how like that kind of happened and I

944

00:41:29,880 --> 00:41:27,490

guess Halloween right Halloween no this

945

00:41:32,310 --> 00:41:29,890

is this is where you know they would go

946

00:41:38,010 --> 00:41:32,320

they would pick the crops wintertime

947

00:41:40,320 --> 00:41:38,020

symbolizes death and so is that where

948

00:41:43,470 --> 00:41:40,330

you think maybe like Halloween got it's

949

00:41:45,570 --> 00:41:43,480

like spooky like American origins from

950

00:41:47,940 --> 00:41:45,580

like well yeah it originally symbolized

951
00:41:50,820 --> 00:41:47,950
you know winter which is associated with

952
00:41:52,510 --> 00:41:50,830
death yeah cold winter it's when most

953
00:41:55,870 --> 00:41:52,520
people used to die

954
00:41:56,950 --> 00:41:55,880
if you lived in a cold area like some

955
00:41:58,480 --> 00:41:56,960
people just didn't make it through

956
00:42:01,180 --> 00:41:58,490
winter like Oh house charlie

957
00:42:03,040 --> 00:42:01,190
he died because it was cold and we just

958
00:42:06,640 --> 00:42:03,050
didn't I didn't pack enough firewood my

959
00:42:10,300 --> 00:42:06,650
son he didn't chop enough firewood so he

960
00:42:12,490 --> 00:42:10,310
died so like that's [h__h] up but I mean

961
00:42:16,000 --> 00:42:12,500
you remember where I heard this but they

962
00:42:18,520 --> 00:42:16,010
associated it like also like enlightened

963
00:42:21,730 --> 00:42:18,530

Christianity I'm like how during the

964

00:42:23,680 --> 00:42:21,740

winter solstice the the Sun it falls in

965

00:42:25,960 --> 00:42:23,690

the sky like every day during the winter

966

00:42:27,640 --> 00:42:25,970

solstice that's why it gets its think

967

00:42:29,920 --> 00:42:27,650

it's it's darker for longer yeah

968

00:42:32,950 --> 00:42:29,930

December 24th I think is the lowest the

969

00:42:35,650 --> 00:42:32,960

Sun goes across the sky like it's it's

970

00:42:38,109 --> 00:42:35,660

the lowest trajectory or whatever and it

971

00:42:40,930 --> 00:42:38,119

stays there for three days I had the

972

00:42:44,440 --> 00:42:40,940

lowest point right and then the spring

973

00:42:46,630 --> 00:42:44,450

solstice the Sun will rise again

974

00:42:49,330 --> 00:42:46,640

yeah and that's like related to the

975

00:42:52,510 --> 00:42:49,340

story of Christianity right the Sun dies

976

00:42:55,180 --> 00:42:52,520

for three days he's gone and then he

977

00:42:58,960 --> 00:42:55,190

rises after the third day the Sun the

978

00:43:00,849 --> 00:42:58,970

Sun rises from the dead uh-huh whoa dude

979

00:43:03,310 --> 00:43:00,859

zeitgeist is that what it was that's

980

00:43:05,080 --> 00:43:03,320

sight guys that's right okay yeah that's

981

00:43:10,660 --> 00:43:05,090

a cream yeah I mean I don't know I don't

982

00:43:12,190 --> 00:43:10,670

know if he's named Joseph something I

983

00:43:14,590 --> 00:43:12,200

think I don't know if that guy's full of

984

00:43:17,590 --> 00:43:14,600

[h__h] or not you know but I found that to

985

00:43:19,540 --> 00:43:17,600

be kind of interesting like yeah I mean

986

00:43:22,540 --> 00:43:19,550

why not right because because a lot of

987

00:43:24,880 --> 00:43:22,550

this stuff is zodiac related right you

988

00:43:26,859 --> 00:43:24,890

know I mean a lot of religions are all

989

00:43:29,410 --> 00:43:26,869

religions have some sort of like dis Oda

990

00:43:31,900 --> 00:43:29,420

gak meaning behind them Peter Joseph

991

00:43:33,849 --> 00:43:31,910

Peter Joseph zeitgeist the movie yeah

992

00:43:36,790 --> 00:43:33,859

yeah I've seen I've seen a couple

993

00:43:39,820 --> 00:43:36,800

debates I think with him is there like

994

00:43:42,640 --> 00:43:39,830

some some maybe unfounded evidence I I

995

00:43:43,060 --> 00:43:42,650

know he did one on like like money and

996

00:43:45,220 --> 00:43:43,070

stuff

997

00:43:48,310 --> 00:43:45,230

yeah I think there was I think there was

998

00:43:52,540 --> 00:43:48,320

something they did with uh all the

999

00:43:55,720 --> 00:43:52,550

different like gods like being crucified

1000

00:44:00,070 --> 00:43:55,730

and and there's so many stories of these

1001
00:44:02,859 --> 00:44:00,080
these guys being like born like suppose

1002
00:44:04,660 --> 00:44:02,869
it born like December and then you know

1003
00:44:05,920 --> 00:44:04,670
oh right well that's yeah that's the

1004
00:44:06,220 --> 00:44:05,930
first movie it's all about like to

1005
00:44:07,720 --> 00:44:06,230
connect

1006
00:44:09,030 --> 00:44:07,730
between the different religions and how

1007
00:44:11,830 --> 00:44:09,040
that's all telling the same basically

1008
00:44:13,810 --> 00:44:11,840
yeah yeah yeah I think somebody poked

1009
00:44:15,910 --> 00:44:13,820
some holes in that I bet there is yeah I

1010
00:44:18,580 --> 00:44:15,920
think they poked some holes in in those

1011
00:44:20,710 --> 00:44:18,590
creation stories but but yeah I mean a

1012
00:44:22,930 --> 00:44:20,720
lot of those stories are very similar

1013
00:44:25,300 --> 00:44:22,940

even though like some of the stuff that

1014

00:44:27,640 --> 00:44:25,310

was said like wasn't accurate yeah

1015

00:44:31,180 --> 00:44:27,650

there's enough there that was accurate

1016

00:44:33,670 --> 00:44:31,190

right to be like oh these stories are

1017

00:44:35,109 --> 00:44:33,680

pretty similar right right you know yeah

1018

00:44:36,280 --> 00:44:35,119

he might have been stretching gonna come

1019

00:44:40,570 --> 00:44:36,290

along because he's making a documentary

1020

00:44:43,150 --> 00:44:40,580

right yeah hey not cool man they're not

1021

00:44:46,420 --> 00:44:43,160

cool not cool yeah we've never stretched

1022

00:44:53,349 --> 00:44:46,430

any we made it never better conclusions

1023

00:44:57,250 --> 00:44:53,359

nothing never never speculated like and

1024

00:45:00,330 --> 00:44:57,260

like how like Thanksgiving like like the

1025

00:45:02,980 --> 00:45:00,340

ancient druids would fight these turkeys

1026

00:45:04,900 --> 00:45:02,990

they would slay them with swords it's

1027

00:45:06,580 --> 00:45:04,910

written in stone it's written in stone

1028

00:45:08,200 --> 00:45:06,590

they had the turkeys had these hats

1029

00:45:10,690 --> 00:45:08,210

that's where the pilgrims got the hats

1030

00:45:13,270 --> 00:45:10,700

from yeah they the turkeys wood used to

1031

00:45:14,859 --> 00:45:13,280

make their own like top hats and muskets

1032

00:45:17,530 --> 00:45:14,869

and they would walk around the forest

1033

00:45:18,970 --> 00:45:17,540

trying to kill humans right and that's

1034

00:45:19,480 --> 00:45:18,980

when that's where the story comes from

1035

00:45:21,400 --> 00:45:19,490

uh-huh

1036

00:45:23,050 --> 00:45:21,410

and that's where gunpowder was founded

1037

00:45:23,620 --> 00:45:23,060

yes the turkeys invented turkeys

1038

00:45:28,840 --> 00:45:23,630

invented

1039

00:45:30,910 --> 00:45:28,850

it's pretty cool yeah yeah if you look

1040

00:45:34,030 --> 00:45:30,920

at the history pretty cool it's all

1041

00:45:34,720 --> 00:45:34,040

there yeah and turkeys turkeys back then

1042

00:45:41,530 --> 00:45:34,730

can fly

1043

00:45:47,560 --> 00:45:41,540

well if you knew that yeah oh sure we

1044

00:45:50,470 --> 00:45:47,570

never stretched anything ever so another

1045

00:45:55,420 --> 00:45:50,480

cool thing that I found about Halloween

1046

00:45:56,800 --> 00:45:55,430

I I think this is accurate the Chamber

1047

00:46:00,220 --> 00:45:56,810

of Commerce the Junior Chamber of

1048

00:46:03,010 --> 00:46:00,230

Commerce is really what kind of sparked

1049

00:46:05,290 --> 00:46:03,020

the whole like haunted house thing yeah

1050

00:46:07,420 --> 00:46:05,300

they they kind of like would put that on

1051
00:46:10,480 --> 00:46:07,430
for their local you know neighborhoods

1052
00:46:11,920 --> 00:46:10,490
yeah we committee yeah corn mazes and

1053
00:46:15,520 --> 00:46:11,930
things like that and and they were in

1054
00:46:17,020 --> 00:46:15,530
charge of that kind of stuff and back in

1055
00:46:18,849 --> 00:46:17,030
the day that's how they really got the

1056
00:46:19,500 --> 00:46:18,859
ball rolling with the Junior Chamber of

1057
00:46:21,990 --> 00:46:19,510
Commerce

1058
00:46:24,600 --> 00:46:22,000
got your streets paved for sometimes man

1059
00:46:27,510 --> 00:46:24,610
you a hayride right yeah yeah that's how

1060
00:46:29,070 --> 00:46:27,520
you pay for the fireworks dude yeah you

1061
00:46:30,990 --> 00:46:29,080
know you do a lot of stuff in the

1062
00:46:31,890 --> 00:46:31,000
community is through these these

1063
00:46:33,630 --> 00:46:31,900

organizations

1064

00:46:35,310 --> 00:46:33,640

yeah well later on in this article it's

1065

00:46:35,820 --> 00:46:35,320

saying that when it kinda came over to

1066

00:46:38,280 --> 00:46:35,830

America

1067

00:46:40,920 --> 00:46:38,290

it became more of like a neighborly

1068

00:46:42,650 --> 00:46:40,930

everybody get together fun type of thing

1069

00:46:45,570 --> 00:46:42,660

and that's when trick-or-treating was

1070

00:46:47,070 --> 00:46:45,580

kind of invented and a lot of people say

1071

00:46:50,300 --> 00:46:47,080

like Halloween's invented by the candy

1072

00:46:53,790 --> 00:46:50,310

companies but candy industry yeah and um

1073

00:46:56,490 --> 00:46:53,800

like yeah like it says what's the the

1074

00:46:58,770 --> 00:46:56,500

stat but it's like most of the candy

1075

00:47:01,890 --> 00:46:58,780

sold in America is sold for Halloween

1076

00:47:03,450 --> 00:47:01,900

candy yeah yeah I mean I mix it it's not

1077

00:47:05,100 --> 00:47:03,460

done it makes sense what makes you think

1078

00:47:07,050 --> 00:47:05,110

that well yeah because people got tired

1079

00:47:08,880 --> 00:47:07,060

of handing out money oh yeah that's

1080

00:47:11,700 --> 00:47:08,890

right their money in food they asked for

1081

00:47:14,520 --> 00:47:11,710

food in the old days I'm like yeah can I

1082

00:47:17,610 --> 00:47:14,530

get a potato can I get some some some

1083

00:47:19,520 --> 00:47:17,620

spuds in 25 bucks I wanna bake you can't

1084

00:47:23,850 --> 00:47:19,530

put soup in my bag they were like how

1085

00:47:25,440 --> 00:47:23,860

many Snickers and that's how Snickers

1086

00:47:26,640 --> 00:47:25,450

was invented that's how Snickers wasn't

1087

00:47:28,470 --> 00:47:26,650

a minute dude I mean I don't know if you

1088

00:47:30,000 --> 00:47:28,480

guys knew this but Snickers in home and

1089

00:47:34,290 --> 00:47:30,010

joy I mean bro they used to be huge

1090

00:47:36,540 --> 00:47:34,300

competitors you know I don't find fun

1091

00:47:38,160 --> 00:47:36,550

sighs very fun no not at all I do kind

1092

00:47:40,290 --> 00:47:38,170

of disappointing yeah it's a lot of

1093

00:47:42,660 --> 00:47:40,300

unwrapping and it sticks to the candy

1094

00:47:44,400 --> 00:47:42,670

and it's like it's and then you feel a

1095

00:47:46,200 --> 00:47:44,410

instead of eating like one full-size

1096

00:47:48,210 --> 00:47:46,210

candy bar you feel like [h__h] cuz you eat

1097

00:47:50,280 --> 00:47:48,220

half the bag yeah and you're like man

1098

00:47:52,380 --> 00:47:50,290

that's way more candy than just a

1099

00:47:55,590 --> 00:47:52,390

full-size candy bar yeah I had I had a

1100

00:47:57,390 --> 00:47:55,600

full-size one yeah yeah right because

1101
00:48:00,120 --> 00:47:57,400
you eat one candy bar I think you don't

1102
00:48:01,710 --> 00:48:00,130
know when to stop Kit Kats

1103
00:48:03,510 --> 00:48:01,720
bro don't even get me started it's like

1104
00:48:06,360 --> 00:48:03,520
looks like a lot like the psychology

1105
00:48:08,580 --> 00:48:06,370
behind when you if you ever want to like

1106
00:48:10,110 --> 00:48:08,590
get in the steak eating competitions you

1107
00:48:13,110 --> 00:48:10,120
have you heard about like the Texas side

1108
00:48:15,210 --> 00:48:13,120
steak you cut it all up into little

1109
00:48:16,710 --> 00:48:15,220
pieces and it's psychological you just

1110
00:48:19,680 --> 00:48:16,720
keep eating these tiny pieces yeah

1111
00:48:23,160 --> 00:48:19,690
you're like I could do this yeah that's

1112
00:48:25,560 --> 00:48:23,170
why you can go through like like like

1113
00:48:27,480 --> 00:48:25,570

four plates of like chips when you go to

1114

00:48:29,580 --> 00:48:27,490

like a Mexican restaurant in to Tina's

1115

00:48:31,790 --> 00:48:29,590

pizza rolls yeah you just like eat like

1116

00:48:35,180 --> 00:48:31,800

a whole thing of them yeah

1117

00:48:42,050 --> 00:48:35,190

total tater tots man I can destroy her

1118

00:48:43,700 --> 00:48:42,060

dogs hey so we talked about i reheat

1119

00:48:46,730 --> 00:48:43,710

visual quick and french fry reheating

1120

00:48:48,410 --> 00:48:46,740

french fries last couple episodes and so

1121

00:48:50,750 --> 00:48:48,420

I went to Dairy Queen right got some you

1122

00:48:52,940 --> 00:48:50,760

know I got the steak finger basket so I

1123

00:48:55,070 --> 00:48:52,950

got home the fries were cold I put the

1124

00:48:57,080 --> 00:48:55,080

fries in the toaster oven and they were

1125

00:48:59,210 --> 00:48:57,090

super good really yeah

1126

00:49:01,820 --> 00:48:59,220

so toaster oven but you only do it for

1127

00:49:03,920 --> 00:49:01,830

about like 30 seconds it happens pretty

1128

00:49:04,820 --> 00:49:03,930

quick so yes there you go and now we

1129

00:49:06,200 --> 00:49:04,830

don't have a microwave

1130

00:49:08,690 --> 00:49:06,210

I like how somebody commented on our

1131

00:49:11,030 --> 00:49:08,700

YouTube right they were like if you want

1132

00:49:12,530 --> 00:49:11,040

fresh fries you just tell them you don't

1133

00:49:13,310 --> 00:49:12,540

want salt and they have to make a fresh

1134

00:49:17,120 --> 00:49:13,320

batch for you

1135

00:49:19,130 --> 00:49:17,130

yeah and it's like nice to you yeah dude

1136

00:49:20,930 --> 00:49:19,140

hell yeah yeah I'm glad that's what you

1137

00:49:22,520 --> 00:49:20,940

took out of that episode that was

1138

00:49:23,810 --> 00:49:22,530

probably like one of the longest

1139

00:49:27,440 --> 00:49:23,820

portions of the episode it's our

1140

00:49:29,660 --> 00:49:27,450

discussion on french fries so hey tell

1141

00:49:31,010 --> 00:49:29,670

me this bro since it's Halloween this is

1142

00:49:33,140 --> 00:49:31,020

one of the biggest most important

1143

00:49:35,240 --> 00:49:33,150

questions like of Halloween OSHA's are

1144

00:49:38,180 --> 00:49:35,250

you or are you not a candy corn guy I

1145

00:49:40,820 --> 00:49:38,190

actually really like candy I love cake I

1146

00:49:45,590 --> 00:49:40,830

think it's good dude I like taking it I

1147

00:49:46,190 --> 00:49:45,600

like a color at a time yeah I feel like

1148

00:49:53,590 --> 00:49:46,200

a giant

1149

00:50:00,170 --> 00:49:57,200

candy no yeah especially where things

1150

00:50:05,630 --> 00:50:00,180

like black licorice exists yeah yeah

1151

00:50:08,330 --> 00:50:05,640

yeah or like whoppers whoppers I can get

1152

00:50:10,700 --> 00:50:08,340

down on some whoppers but I get down on

1153

00:50:13,220 --> 00:50:10,710

whoppers during Christmas okay throw

1154

00:50:15,110 --> 00:50:13,230

them in milk and I make hot chocolate so

1155

00:50:15,500 --> 00:50:15,120

so then it's like a like a chocolate

1156

00:50:21,830 --> 00:50:15,510

malt

1157

00:50:23,330 --> 00:50:21,840

drinking that stuff that sounds really

1158

00:50:25,570 --> 00:50:23,340

good though yeah so when you make hot

1159

00:50:28,400 --> 00:50:25,580

chocolate you just make it with whoppers

1160

00:50:30,920 --> 00:50:28,410

heat the milk up and then you stir it

1161

00:50:33,260 --> 00:50:30,930

around and it's like a chocolatey multi

1162

00:50:35,030 --> 00:50:33,270

hot chocolate - dude that sounds like a

1163

00:50:37,520 --> 00:50:35,040

Halloween treat to me it's delicious

1164

00:50:39,410 --> 00:50:37,530

yeah the whoppers they confuse you it's

1165

00:50:41,840 --> 00:50:39,420

like it's like a kind of hard candy and

1166

00:50:43,040 --> 00:50:41,850

then is there's there's a puff of air

1167

00:50:45,800 --> 00:50:43,050

like

1168

00:50:47,690 --> 00:50:45,810

and in your mouths full of air and then

1169

00:50:50,630 --> 00:50:47,700

you fart out of your mouth it's

1170

00:50:51,920 --> 00:50:50,640

confusing candy it always kind of

1171

00:50:53,270 --> 00:50:51,930

reminds your like the consistency of

1172

00:50:55,490 --> 00:50:53,280

like cotton candy how like you're like

1173

00:50:56,780 --> 00:50:55,500

oh cotton candy is like you can kind of

1174

00:50:58,400 --> 00:50:56,790

chew it and then it just dissolves yeah

1175

00:51:00,860 --> 00:50:58,410

okay it's kind of that same thing that's

1176

00:51:02,330 --> 00:51:00,870

also a really confusing kid have you

1177

00:51:04,400 --> 00:51:02,340

seen the raccoon you try you know

1178

00:51:12,410 --> 00:51:04,410

raccoons liked yes you like to wash the

1179

00:51:19,280 --> 00:51:12,420

food guys dipping it in the water keeps

1180

00:51:24,560 --> 00:51:19,290

going back raccoon raccoon

1181

00:51:27,230 --> 00:51:24,570

I'm gonna cool ah no I'm looking at this

1182

00:51:28,730 --> 00:51:27,240

article and if there's anything else All

1183

00:51:31,700 --> 00:51:28,740

Saints Day I kind of moves on from there

1184

00:51:33,950 --> 00:51:31,710

Halloween comes to America colonial

1185

00:51:36,110 --> 00:51:33,960

Halloween festivities also featured the

1186

00:51:38,750 --> 00:51:36,120

telling of ghost stories and mischief

1187

00:51:41,360 --> 00:51:38,760

making of all kinds by the middle of the

1188

00:51:43,220 --> 00:51:41,370

19th century annual autumn festivities

1189

00:51:46,550 --> 00:51:43,230

were common like streaking through the

1190

00:51:48,410 --> 00:51:46,560

gymnasium yeah that's that's pretty much

1191

00:51:49,750 --> 00:51:48,420

it cool article though yeah if you'll

1192

00:51:52,190 --> 00:51:49,760

want to read it it's a History Channel

1193

00:51:55,160 --> 00:51:52,200

history of Halloween dude I think

1194

00:51:59,330 --> 00:51:55,170

witches get a bad rap dude me too man I

1195

00:52:04,880 --> 00:51:59,340

don't like kind of like sticks like the

1196

00:52:06,860 --> 00:52:04,890

band yeah okay wait why stick sticks

1197

00:52:09,680 --> 00:52:06,870

gets a bad rap cos most critics or

1198

00:52:15,440 --> 00:52:09,690

cynical [h__h] ah I like the sticks

1199

00:52:18,110 --> 00:52:15,450

quote Big Daddy reference to you thanks

1200

00:52:19,430 --> 00:52:18,120

yeah but yeah I think witches get a bad

1201
00:52:22,010 --> 00:52:19,440
rap dude cuz they're not all bad right

1202
00:52:23,630 --> 00:52:22,020
like when you think about a witch or

1203
00:52:26,450 --> 00:52:23,640
like are we talking about real like

1204
00:52:29,450 --> 00:52:26,460
modern-day witches or like the the the

1205
00:52:31,790 --> 00:52:29,460
movie concept of like magical well I I

1206
00:52:34,850 --> 00:52:31,800
think that's why they get a bad rap oh

1207
00:52:37,340 --> 00:52:34,860
right because you know like like you

1208
00:52:39,920 --> 00:52:37,350
know the most popular is the salem witch

1209
00:52:42,320 --> 00:52:39,930
trial right but but those witch trials

1210
00:52:44,270 --> 00:52:42,330
happen all over the place yeah right so

1211
00:52:45,650 --> 00:52:44,280
they would just be like like have you

1212
00:52:47,810 --> 00:52:45,660
ever seen Monty Python and the Holy

1213
00:52:49,790 --> 00:52:47,820

Grail you know wait but it's been a long

1214

00:52:53,210 --> 00:52:49,800

time that's right that's right we talked

1215

00:52:54,620 --> 00:52:53,220

about this a few weeks ago I think what

1216

00:52:55,760 --> 00:52:54,630

they're they're all we know could have

1217

00:52:56,400 --> 00:52:55,770

been months again there's a part in

1218

00:52:59,580 --> 00:52:56,410

there right

1219

00:53:01,710 --> 00:52:59,590

where where they they they bring this

1220

00:53:03,420 --> 00:53:01,720

chick up right and they dressed her up

1221

00:53:05,220 --> 00:53:03,430

like a witch and she has like a carrot

1222

00:53:07,470 --> 00:53:05,230

on her nose and they're like it's a

1223

00:53:09,510 --> 00:53:07,480

witch it's a witch and then they're like

1224

00:53:11,730 --> 00:53:09,520

whoa he's like he's like hold on he's

1225

00:53:13,200 --> 00:53:11,740

like how do you know she's a witch and

1226

00:53:15,390 --> 00:53:13,210

the guy in the back he's like cuz she

1227

00:53:19,620 --> 00:53:15,400

looks like wine and they're like yeah

1228

00:53:21,240 --> 00:53:19,630

they're like burn it's so like she's

1229

00:53:22,560 --> 00:53:21,250

like what the hell do you like she's

1230

00:53:24,030 --> 00:53:22,570

like they dressed me up I'm not a little

1231

00:53:25,920 --> 00:53:24,040

wedding dress she dressed me up like

1232

00:53:28,080 --> 00:53:25,930

this he's like well you're gonna have to

1233

00:53:30,630 --> 00:53:28,090

prove that you're not a witch right you

1234

00:53:34,980 --> 00:53:30,640

know it is like he's like the scientist

1235

00:53:38,040 --> 00:53:34,990

of the their community yeah Eddie he's

1236

00:53:39,810 --> 00:53:38,050

trying to get the people to think he's

1237

00:53:42,000 --> 00:53:39,820

like you know like so like you know how

1238

00:53:43,530 --> 00:53:42,010

do you know she's a witch is she like

1239

00:53:46,320 --> 00:53:43,540

the other guy in the back is like she

1240

00:53:52,290 --> 00:53:46,330

turned me into a newt and everybody's

1241

00:53:56,520 --> 00:53:52,300

got looks out of music I got better like

1242

00:54:01,590 --> 00:53:56,530

all right all right so why does a witch

1243

00:54:03,300 --> 00:54:01,600

burn and they're like uh you know like

1244

00:54:05,490 --> 00:54:03,310

they're thinking and like the whole

1245

00:54:08,190 --> 00:54:05,500

thing goes on or basically like well

1246

00:54:09,960 --> 00:54:08,200

witches are made out of wood and then

1247

00:54:15,780 --> 00:54:09,970

they're like we'll build a bridge out of

1248

00:54:17,880 --> 00:54:15,790

our like what else can you do with wood

1249

00:54:19,710 --> 00:54:17,890

they're like well throw her into the

1250

00:54:21,780 --> 00:54:19,720

pond and they want to throw her in the

1251
00:54:26,490 --> 00:54:21,790
pond because wood floats okay and what

1252
00:54:30,060 --> 00:54:26,500
else floats a duck okay so they way this

1253
00:54:32,190 --> 00:54:30,070
chick with a duck weighing the same is

1254
00:54:38,430 --> 00:54:32,200
so then they burn her because she weighs

1255
00:54:39,960 --> 00:54:38,440
the same as a duck funny part in the

1256
00:54:41,460 --> 00:54:39,970
movie you put like yeah I think witches

1257
00:54:44,340 --> 00:54:41,470
get a bad rap right because they're

1258
00:54:46,350 --> 00:54:44,350
always like it's like oh they're they're

1259
00:54:50,460 --> 00:54:46,360
ungodly right then they don't they don't

1260
00:54:52,770 --> 00:54:50,470
you know they don't follow the ways you

1261
00:54:56,040 --> 00:54:52,780
know of the Lord right they've you know

1262
00:54:57,800 --> 00:54:56,050
they believe in like nature yeah like

1263
00:55:00,570 --> 00:54:57,810

yeah they have like these weird rituals

1264

00:55:02,970 --> 00:55:00,580

and they I mean they as in like

1265

00:55:04,890 --> 00:55:02,980

apparently some of them use like blood

1266

00:55:06,450 --> 00:55:04,900

sacrifices but not all of them right

1267

00:55:09,360 --> 00:55:06,460

right like a really small portion it's

1268

00:55:13,110 --> 00:55:09,370

it's it's uh it's a two-sided coin

1269

00:55:16,350 --> 00:55:13,120

you were talking about like magic and

1270

00:55:18,270 --> 00:55:16,360

spells yeah as a whole magic is we don't

1271

00:55:20,610 --> 00:55:18,280

understand what magic the word magic

1272

00:55:23,810 --> 00:55:20,620

right now right really means likes a lot

1273

00:55:27,540 --> 00:55:23,820

- it spells you think of the word spells

1274

00:55:31,830 --> 00:55:27,550

spell what do you do what do you spell

1275

00:55:35,580 --> 00:55:31,840

you spell words words are magic yeah all

1276

00:55:38,130 --> 00:55:35,590

right its fault spells so anything can

1277

00:55:40,080 --> 00:55:38,140

be magic it's how you like make this

1278

00:55:42,990 --> 00:55:40,090

magic right so you know the end that you

1279

00:55:45,510 --> 00:55:43,000

put into the word exactly exactly like

1280

00:55:48,450 --> 00:55:45,520

cursing like curse words right like when

1281

00:55:51,930 --> 00:55:48,460

you curse somebody that is like a form

1282

00:55:54,810 --> 00:55:51,940

of a spell right like wishing like bad

1283

00:55:56,340 --> 00:55:54,820

will and somebody else exactly right and

1284

00:55:59,070 --> 00:55:56,350

that's why they're called curse worse

1285

00:56:00,930 --> 00:55:59,080

words you're actually like wanting like

1286

00:56:03,150 --> 00:56:00,940

ill intent on somebody would you use

1287

00:56:05,100 --> 00:56:03,160

these so much any time you cuss you're

1288

00:56:09,420 --> 00:56:05,110

basically you're you're putting a spell

1289

00:56:11,990 --> 00:56:09,430

on somebody yeah yeah I spell you uh-huh

1290

00:56:15,290 --> 00:56:12,000

I'm spelling on you uh-huh

1291

00:56:18,600 --> 00:56:15,300

put that evil on me Ricky

1292

00:56:19,980 --> 00:56:18,610

yeah I mean so you know it's you know I

1293

00:56:22,680 --> 00:56:19,990

think they all kind of get lumped in

1294

00:56:24,630 --> 00:56:22,690

right because I mean magic is magic it

1295

00:56:26,880 --> 00:56:24,640

depends on what you use it for yeah

1296

00:56:29,250 --> 00:56:26,890

right you could use it for good or you

1297

00:56:31,260 --> 00:56:29,260

could use it like in the dark arts yeah

1298

00:56:33,930 --> 00:56:31,270

it just kind of depends on your own

1299

00:56:38,430 --> 00:56:33,940

intent and I think maybe you know back

1300

00:56:41,910 --> 00:56:38,440

then people were like you make the Lord

1301

00:56:43,800 --> 00:56:41,920

very nervous right

1302

00:56:45,450 --> 00:56:43,810

and it's so they're like I don't know

1303

00:56:47,670 --> 00:56:45,460

like if you're gonna use it for good or

1304

00:56:49,830 --> 00:56:47,680

for bad so I'm gonna burn you yeah burn

1305

00:56:51,480 --> 00:56:49,840

you at the stake well even I mean some

1306

00:56:54,360 --> 00:56:51,490

of those witch trials it came from

1307

00:56:55,680 --> 00:56:54,370

hysteria like girls would start acting

1308

00:57:00,540 --> 00:56:55,690

really weird like the Salem witch trials

1309

00:57:02,610 --> 00:57:00,550

it started you know what these these

1310

00:57:05,430 --> 00:57:02,620

people just acting kind of weird and

1311

00:57:07,890 --> 00:57:05,440

like making weird convulsions like they

1312

00:57:10,380 --> 00:57:07,900

some some people attributed it to this

1313

00:57:12,720 --> 00:57:10,390

fungus right I can't remember what the

1314

00:57:13,440 --> 00:57:12,730

fungus is but it's like like bad bread

1315

00:57:15,750 --> 00:57:13,450

or something

1316

00:57:17,550 --> 00:57:15,760

he's like a Spore yeah like yes through

1317

00:57:19,560 --> 00:57:17,560

the body yeah yeah and it kind of like

1318

00:57:22,050 --> 00:57:19,570

gave you convulsions and and she liked

1319

00:57:24,359 --> 00:57:22,060

that and then so I actually watched an

1320

00:57:27,539 --> 00:57:24,369

episode of mysteries

1321

00:57:30,930 --> 00:57:27,549

great season by the way or you know show

1322

00:57:33,990 --> 00:57:30,940

but they they they went to Salem and

1323

00:57:36,000 --> 00:57:34,000

there was actually a at the same at this

1324

00:57:37,500 --> 00:57:36,010

really old high school something

1325

00:57:39,150 --> 00:57:37,510

recently happened in the past couple

1326
00:57:41,760 --> 00:57:39,160
years where a bunch of girls started

1327
00:57:43,260 --> 00:57:41,770
acting really strange and like having

1328
00:57:45,390 --> 00:57:43,270
convulsions and having like laugh

1329
00:57:47,280 --> 00:57:45,400
attacks and they couldn't stop like

1330
00:57:49,109 --> 00:57:47,290
making noises and it was like really

1331
00:57:52,260 --> 00:57:49,119
excruciating pain and all these girls

1332
00:57:54,690 --> 00:57:52,270
and started coming down with this weird

1333
00:57:56,400 --> 00:57:54,700
thing yeah some people speculated like a

1334
00:57:57,539 --> 00:57:56,410
lot of them were soccer players so maybe

1335
00:57:59,640 --> 00:57:57,549
it had something to do with the grass

1336
00:58:01,319 --> 00:57:59,650
and like pesticides that they put in the

1337
00:58:04,140 --> 00:58:01,329
grass but it was like they were

1338
00:58:05,640 --> 00:58:04,150

investigating this new Salem witch kind

1339

00:58:07,710 --> 00:58:05,650

of thing and it was spooky because it

1340

00:58:09,329 --> 00:58:07,720

was in the same town and because they

1341

00:58:12,420 --> 00:58:09,339

interviewed this witch and they actually

1342

00:58:15,089 --> 00:58:12,430

do a seance or not a seance but like

1343

00:58:16,500 --> 00:58:15,099

they get together and do spells and

1344

00:58:20,099 --> 00:58:16,510

stuff it's really cool to watch yah-hoo

1345

00:58:22,829 --> 00:58:20,109

episode yeah it's I mean did they find

1346

00:58:25,109 --> 00:58:22,839

out so it was the the the the mold I

1347

00:58:26,250 --> 00:58:25,119

don't think they so the new one yeah

1348

00:58:28,260 --> 00:58:26,260

they don't they don't know I don't think

1349

00:58:29,430 --> 00:58:28,270

they really know why why it happened but

1350

00:58:31,829 --> 00:58:29,440

they interviewed a lot of people that

1351

00:58:33,720 --> 00:58:31,839

were there that day and people that

1352

00:58:35,309 --> 00:58:33,730

witnessed it and things like that and

1353

00:58:38,010 --> 00:58:35,319

they were all like yeah what's really

1354

00:58:40,289 --> 00:58:38,020

weird like people just would like kind

1355

00:58:43,650 --> 00:58:40,299

of hunched over and start yelling like

1356

00:58:45,450 --> 00:58:43,660

oh well that's crazy yeah so like back

1357

00:58:48,690 --> 00:58:45,460

in the day you would think they were

1358

00:58:51,180 --> 00:58:48,700

possessed yeah yeah possessed by it by

1359

00:58:54,539 --> 00:58:51,190

the demons evil spirits uh-huh yeah

1360

00:58:58,079 --> 00:58:54,549

mm-hmm man yeah I mean it's it's uh you

1361

00:59:01,500 --> 00:58:58,089

know those poor witches man poor gals

1362

00:59:02,579 --> 00:59:01,510

poor gal well it's so oh yeah so in that

1363

00:59:04,829 --> 00:59:02,589

same episode they're kind of looking

1364

00:59:07,410 --> 00:59:04,839

back at one one of the the famous

1365

00:59:10,380 --> 00:59:07,420

witches that was burnt at the stake was

1366

00:59:12,539 --> 00:59:10,390

this woman that the this okay so there

1367

00:59:14,099 --> 00:59:12,549

was this I guess really important figure

1368

00:59:16,770 --> 00:59:14,109

in the community that wanted this

1369

00:59:19,230 --> 00:59:16,780

woman's land and she was a widow and you

1370

00:59:22,109 --> 00:59:19,240

can't just like take land from people so

1371

00:59:24,210 --> 00:59:22,119

he wanted her basically fingered her as

1372

00:59:25,500 --> 00:59:24,220

a witch so all the stuff was going on so

1373

00:59:27,329 --> 00:59:25,510

he was like well might as well just say

1374

00:59:29,910 --> 00:59:27,339

she's a witch so I can take her land

1375

00:59:32,400 --> 00:59:29,920

yeah so there's all kinds of stories

1376

00:59:34,350 --> 00:59:32,410

with the Salem witch stuff do can you

1377

00:59:37,400 --> 00:59:34,360

imagine being burned

1378

00:59:43,410 --> 00:59:37,410

bro that's gotta be the worst way to die

1379

00:59:44,370 --> 00:59:43,420

worse than bad burning dude Oh that'd be

1380

00:59:47,430 --> 00:59:44,380

terrible

1381

00:59:51,960 --> 00:59:47,440

it sounds so hot yeah you know yeah

1382

00:59:55,080 --> 00:59:51,970

definitely hot definitely hot I was

1383

00:59:57,530 --> 00:59:55,090

watching this thing and they were they

1384

01:00:00,330 --> 00:59:57,540

were talking about how these

1385

01:00:02,160 --> 01:00:00,340

manufacturer workers went into this this

1386

01:00:05,070 --> 01:00:02,170

manufacturing plant were they like they

1387

01:00:07,560 --> 01:00:05,080

make bread or something and so like how

1388

01:00:08,760 --> 01:00:07,570

they went into the machines to go clean

1389

01:00:11,580 --> 01:00:08,770

the machines out they had to clean the

1390

01:00:13,830 --> 01:00:11,590

machines out and they said that the that

1391

01:00:15,720 --> 01:00:13,840

the the machines were like often they

1392

01:00:18,000 --> 01:00:15,730

had cooled down well it turns out that

1393

01:00:19,980 --> 01:00:18,010

the machines hadn't cooled down yet and

1394

01:00:22,170 --> 01:00:19,990

so they were on this conveyer belt and

1395

01:00:24,540 --> 01:00:22,180

it was too late they just got sent

1396

01:00:27,120 --> 01:00:24,550

through the whole machine and yeah and

1397

01:00:30,660 --> 01:00:27,130

so like they like they died right

1398

01:00:32,190 --> 01:00:30,670

obviously um but the guy that was like

1399

01:00:34,770 --> 01:00:32,200

talking about it he was like bro

1400

01:00:36,840 --> 01:00:34,780

thank imagine like when you go to light

1401

01:00:40,830 --> 01:00:36,850

a cigarette and like you burn your

1402

01:00:43,620 --> 01:00:40,840

finger but like your whole body oh dude

1403

01:00:45,540 --> 01:00:43,630

it was like like like obviously like

1404

01:00:47,820 --> 01:00:45,550

burning sucks and like being burned

1405

01:00:49,470 --> 01:00:47,830

alive sucks but then like I really put

1406

01:00:52,260 --> 01:00:49,480

it in that perspective of like dude I

1407

01:00:54,030 --> 01:00:52,270

have burned my finger and that sucks so

1408

01:00:55,440 --> 01:00:54,040

bad yeah I put my hand on if you ever

1409

01:00:58,530 --> 01:00:55,450

bring your hair like a firework or a

1410

01:01:04,350 --> 01:00:58,540

sparkler yeah yes sucks dude like yeah I

1411

01:01:07,080 --> 01:01:04,360

have this big bubble on your finger has

1412

01:01:14,750 --> 01:01:07,090

to be the worst way to go yeah that's

1413

01:01:21,090 --> 01:01:19,290

yeah so there's there's witches yeah I

1414

01:01:22,560 --> 01:01:21,100

think that's really cool if there's

1415

01:01:24,900 --> 01:01:22,570

anybody that's a witch out there know

1416

01:01:26,520 --> 01:01:24,910

somebody that's a witch dude I was like

1417

01:01:29,070 --> 01:01:26,530

to talk to somebody that I was like you

1418

01:01:30,840 --> 01:01:29,080

know like like a Wiccan yeah yeah right

1419

01:01:33,200 --> 01:01:30,850

that would be interesting that'd be

1420

01:01:35,640 --> 01:01:33,210

super cool I know so Duncan Trussell

1421

01:01:38,550 --> 01:01:35,650

he's from Asheville and he says there's

1422

01:01:40,020 --> 01:01:38,560

a lot of that stuff going on up there so

1423

01:01:42,270 --> 01:01:40,030

if we want to ever take a trip up to

1424

01:01:44,700 --> 01:01:42,280

Asheville and find a coven dude that'd

1425

01:01:45,960 --> 01:01:44,710

be fun it would be cool and be sweet

1426

01:01:47,940 --> 01:01:45,970

maybe last year for Halloween

1427

01:01:50,280 --> 01:01:47,950

I'd be totally interested like

1428

01:01:52,349 --> 01:01:50,290

it's like see what that's all about you

1429

01:01:54,510 --> 01:01:52,359

know what I'm saying like I want you

1430

01:01:57,089 --> 01:01:54,520

know crazy stuff right you know like I'm

1431

01:01:59,339 --> 01:01:57,099

not about that dark arts bro like we

1432

01:02:01,349 --> 01:01:59,349

kind of talked about that like I touch

1433

01:02:04,289 --> 01:02:01,359

that dark [h__h] not going too far yeah

1434

01:02:06,630 --> 01:02:04,299

like an arena like devil book or

1435

01:02:08,789 --> 01:02:06,640

something yeah no no no something made

1436

01:02:11,430 --> 01:02:08,799

out of like human skin you know what I'm

1437

01:02:14,220 --> 01:02:11,440

saying like no way messing with that bro

1438

01:02:15,930 --> 01:02:14,230

but I mean like if it's like you're like

1439

01:02:19,530 --> 01:02:15,940

you will have good fortune this week

1440

01:02:22,230 --> 01:02:19,540

like you know you scratch off a lottery

1441

01:02:24,750 --> 01:02:22,240

ticket win 50 bucks yeah I'm all about

1442

01:02:26,819 --> 01:02:24,760

that I like that hell yeah dude yeah

1443

01:02:28,589 --> 01:02:26,829

there's any witches out there listening

1444

01:02:33,120 --> 01:02:28,599

well I don't even play the lottery

1445

01:02:34,289 --> 01:02:33,130

because I'm everywhere man so someone

1446

01:02:38,190 --> 01:02:34,299

told me a long time ago that it's a

1447

01:02:40,349 --> 01:02:38,200

stupidity tax yeah I guess so it's like

1448

01:02:43,770 --> 01:02:40,359

because I'm dude I've definitely bought

1449

01:02:45,900 --> 01:02:43,780

in maybe 20 lottery tickets in my life

1450

01:02:49,230 --> 01:02:45,910

and I get so stoked it is really fun

1451

01:02:51,599 --> 01:02:49,240

it's exhilarating like whoo I can see

1452

01:02:53,460 --> 01:02:51,609

why it's addicting yeah but you never

1453

01:02:55,349 --> 01:02:53,470

win anything you know I don't know why

1454

01:02:59,069 --> 01:02:55,359

people do that last Christmas I won this

1455

01:03:01,319 --> 01:02:59,079

jackpot and it came it came with 20

1456

01:03:04,260 --> 01:03:01,329

lottery tickets and like two of them

1457

01:03:07,109 --> 01:03:04,270

were like the big like \$50 tickets that

1458

01:03:10,170 --> 01:03:07,119

you can scratch off oh [h__\h] yeah it out

1459

01:03:13,740 --> 01:03:10,180

of 20 of these lottery tickets I went

1460

01:03:18,059 --> 01:03:13,750

[h__\h] oh man nothing not one dollar

1461

01:03:18,990 --> 01:03:18,069

nothing like I am terrible and had to

1462

01:03:21,510 --> 01:03:19,000

turn your luck around

1463

01:03:22,890 --> 01:03:21,520

oh yeah there's there's a bet you

1464

01:03:25,319 --> 01:03:22,900

there's a witch out there that could

1465

01:03:26,910 --> 01:03:25,329

help you with some help us with some

1466

01:03:30,180 --> 01:03:26,920

luck as the same I've never won anything

1467

01:03:32,190 --> 01:03:30,190

off on a scratch off anything I win my

1468

01:03:33,839 --> 01:03:32,200

money back two dollar lottery two dollar

1469

01:03:35,849 --> 01:03:33,849

lottery ticket I win dude ah yeah well

1470

01:03:36,359 --> 01:03:35,859

it keeps it going yeah oh I just won two

1471

01:03:38,099 --> 01:03:36,369

bucks

1472

01:03:39,780 --> 01:03:38,109

I'm on a roll baby yeah I didn't lose

1473

01:03:43,640 --> 01:03:39,790

nothing might as well go get another one

1474

01:03:46,079 --> 01:03:43,650

trade this one in yeah dude no no never

1475

01:03:47,940 --> 01:03:46,089

and then like when you scratch the

1476

01:03:51,059 --> 01:03:47,950

lottery ticket dude like and you like

1477

01:03:54,390 --> 01:03:51,069

miss it by like one box or whatever and

1478

01:03:56,099 --> 01:03:54,400

you're like dude that was \$500,000 yeah

1479

01:03:58,410 --> 01:03:56,109

like can you imagine that almost makes

1480

01:04:00,940 --> 01:03:58,420

you feel like it's not even worth it yes

1481

01:04:03,340 --> 01:04:00,950

like the the rollercoaster of it

1482

01:04:06,090 --> 01:04:03,350

it makes me so sad it's like dude can

1483

01:04:08,560 --> 01:04:06,100

you imagine life pression of it like how

1484

01:04:12,400 --> 01:04:08,570

how much I would not have a job tomorrow

1485

01:04:14,950 --> 01:04:12,410

if I won \$500,000 they're like dude you

1486

01:04:19,300 --> 01:04:14,960

would not have a job hard bro I'm gonna

1487

01:04:20,910 --> 01:04:19,310

have not have a job so hard so hard what

1488

01:04:27,040 --> 01:04:20,920

would be the first thing you'd buy a few

1489

01:04:29,440 --> 01:04:27,050

won \$500,000 tomorrow my house dope good

1490

01:04:33,660 --> 01:04:29,450

answer yeah my house I pay that all good

1491

01:04:37,810 --> 01:04:36,490

little Nina on the way bro ya know what

1492

01:04:39,790 --> 01:04:37,820

I'm saying you're so responsible with

1493

01:04:43,330 --> 01:04:39,800

this question oh I think it's just good

1494

01:04:47,020 --> 01:04:43,340

like like I worked so hard to try and be

1495

01:04:48,910 --> 01:04:47,030

responsible and like it's like I'm like

1496

01:04:50,710 --> 01:04:48,920

failing but like I'm not failing I'm

1497

01:04:52,540 --> 01:04:50,720

obviously doing an okay job at this

1498

01:04:54,910 --> 01:04:52,550

right but it's like it's just so hard

1499

01:04:57,340 --> 01:04:54,920

like I just wanted like I just want to

1500

01:04:59,410 --> 01:04:57,350

like make my life not hard

1501
01:05:01,540 --> 01:04:59,420
you're like the next three years would

1502
01:05:04,540 --> 01:05:01,550
be cool right yeah having having like

1503
01:05:06,160 --> 01:05:04,550
not pay for things is I feel like it has

1504
01:05:08,320 --> 01:05:06,170
to be like the best feeling in the world

1505
01:05:09,670 --> 01:05:08,330
you know like like yeah there's people

1506
01:05:12,310 --> 01:05:09,680
in this world that are really really

1507
01:05:14,650 --> 01:05:12,320
wealthy well-off like that feeling of

1508
01:05:17,230 --> 01:05:14,660
just ease it Minds like you have to

1509
01:05:19,570 --> 01:05:17,240
worry you're mine yeah we're not gonna

1510
01:05:21,220 --> 01:05:19,580
go into dad bro yeah you can do where

1511
01:05:23,560 --> 01:05:21,230
you could start a business and hey if it

1512
01:05:26,230 --> 01:05:23,570
fails no whatever you don't I would I

1513
01:05:28,930 --> 01:05:26,240

would rent out a little space and we

1514

01:05:33,300 --> 01:05:28,940

would set the podcast up Yeah right dude

1515

01:05:36,130 --> 01:05:33,310

yeah yeah yes absolutely absolutely

1516

01:05:41,650 --> 01:05:36,140

yeah I would uh so let's go buy some

1517

01:05:44,410 --> 01:05:41,660

lottery tickets yes yes I've got I've

1518

01:05:47,710 --> 01:05:44,420

got \$100 left yeah if you do it oh

1519

01:05:51,130 --> 01:05:47,720

there's that one the the grand a week

1520

01:05:53,050 --> 01:05:51,140

one well yeah for like a week for the

1521

01:05:55,210 --> 01:05:53,060

rest of your life you win a grand you

1522

01:05:56,710 --> 01:05:55,220

just get a grand like every week like

1523

01:05:58,990 --> 01:05:56,720

this whoa

1524

01:06:01,030 --> 01:05:59,000

like dude that would be awesome you

1525

01:06:02,980 --> 01:06:01,040

could still have a job bro give me a

1526

01:06:05,380 --> 01:06:02,990

hundred bucks a week right here right

1527

01:06:07,750 --> 01:06:05,390

yeah I would be like living being

1528

01:06:10,060 --> 01:06:07,760

probably even being I'll be buying so

1529

01:06:12,100 --> 01:06:10,070

many fun-sized snicker bars dude dude

1530

01:06:14,660 --> 01:06:12,110

yeah guys so much

1531

01:06:18,430 --> 01:06:14,670

candy corn I never wore a watch

1532

01:06:21,290 --> 01:06:18,440

entire life but I might buy a watch hey

1533

01:06:21,860 --> 01:06:21,300

my buy two watches yeah dude I'm on both

1534

01:06:24,410 --> 01:06:21,870

arms

1535

01:06:27,110 --> 01:06:24,420

oh just buy a cellphone and like put on

1536

01:06:28,400 --> 01:06:27,120

it always know what time it is you can

1537

01:06:30,590 --> 01:06:28,410

just buy the Apple watch you know that

1538

01:06:38,240 --> 01:06:30,600

right now but this is way cool this is a

1539

01:06:41,800 --> 01:06:38,250

flip phone yeah sweet but I mean it pays

1540

01:06:45,290 --> 01:06:41,810

for our schools right and and it goes to

1541

01:06:47,210 --> 01:06:45,300

military veterans right so I mean you

1542

01:06:49,820 --> 01:06:47,220

know it's not a complete waste yeah yeah

1543

01:06:50,270 --> 01:06:49,830

at least the Texas Lottery does Yeah

1544

01:06:52,520 --> 01:06:50,280

right

1545

01:06:53,870 --> 01:06:52,530

yeah that's pretty cool I guess I didn't

1546

01:06:56,990 --> 01:06:53,880

know that yeah I didn't know that it

1547

01:07:00,140 --> 01:06:57,000

went to the city or a good cause well it

1548

01:07:03,080 --> 01:07:00,150

goes to the education system and it goes

1549

01:07:06,620 --> 01:07:03,090

all of our education system isn't like

1550

01:07:08,150 --> 01:07:06,630

the greatest but yeah dude I went to

1551

01:07:10,970 --> 01:07:08,160

school here where's all that money going

1552

01:07:12,500 --> 01:07:10,980

oh all right but it but it you know it

1553

01:07:19,420 --> 01:07:12,510

also pays for like veterans and things

1554

01:07:24,890 --> 01:07:22,370

but it does go to that stuff so yeah I

1555

01:07:26,450 --> 01:07:24,900

mean yeah I mean it helps it helps that

1556

01:07:27,800 --> 01:07:26,460

means that if that money wasn't going

1557

01:07:30,350 --> 01:07:27,810

there they would be way shooter here

1558

01:07:31,850 --> 01:07:30,360

Yeah right so thank goodness it's going

1559

01:07:34,100 --> 01:07:31,860

somewhere it's going to something good

1560

01:07:38,360 --> 01:07:34,110

right because it's like a syntax I

1561

01:07:40,820 --> 01:07:38,370

believe a syntax in tax like a cigarette

1562

01:07:43,190 --> 01:07:40,830

syntax or like yeah you tax like a strip

1563

01:07:47,060 --> 01:07:43,200

club or you toss lottery like gambling

1564

01:07:49,310 --> 01:07:47,070

it's like II Hall syntax interesting huh

1565

01:07:53,000 --> 01:07:49,320

wonder what other things are being sent

1566

01:07:56,330 --> 01:07:53,010

axed dude like like all taxes are like

1567

01:07:58,670 --> 01:07:56,340

anything fun yeah yeah anything fun is

1568

01:08:18,340 --> 01:07:58,680

this intact rollerblades yeah sent jet

1569

01:08:28,220 --> 01:08:24,470

Muertos it's just dos dos well it's just

1570

01:08:34,849 --> 01:08:28,230

no day the deer does matter

1571

01:08:40,970 --> 01:08:34,859

I can't do it yeah well doc I got I get

1572

01:08:44,780 --> 01:08:40,980

it yeah it dia de los muertos damn it

1573

01:08:47,059 --> 01:08:44,790

third Thursday October well this year's

1574

01:08:49,940 --> 01:08:47,069

Thursday October 31st through November

1575

01:08:53,240 --> 01:08:49,950

2nd yeah pretty cool thing I mean like

1576

01:08:54,170 --> 01:08:53,250

it's to celebrate loved ones everybody's

1577

01:08:59,300 --> 01:08:54,180

seen yeah

1578

01:09:01,599 --> 01:08:59,310

oh damn it them the Pixar movie oh come

1579

01:09:07,670 --> 01:09:01,609

on we got it we got it

1580

01:09:09,979 --> 01:09:07,680

not Rio that's about oh my god dammit

1581

01:09:13,970 --> 01:09:09,989

it's right there on the homepage yeah

1582

01:09:17,079 --> 01:09:13,980

okay hold on is Rico no no not really

1583

01:09:27,740 --> 01:09:17,089

god dammit would you sound racist now Oh

1584

01:09:30,470 --> 01:09:27,750

Jose Jorge oh wait um oh my god see yeah

1585

01:09:34,010 --> 01:09:30,480

we're the worst um they're right there

1586

01:09:46,640 --> 01:09:34,020

where oh no no damn it

1587

01:10:01,250 --> 01:09:46,650

what is it called Xavier Coco oh damn it

1588

01:10:04,090 --> 01:10:01,260

such a good movie dude Coco oh damn it

1589

01:10:09,229 --> 01:10:04,100

it was so simple - so we're too close

1590

01:10:11,780 --> 01:10:09,239

Rio it's a short word yeah alright so

1591

01:10:13,729 --> 01:10:11,790

that's a cool movie dude I really liked

1592

01:10:15,890 --> 01:10:13,739

that movie it is so good I think you

1593

01:10:17,990 --> 01:10:15,900

have to like that movie that's up really

1594

01:10:20,170 --> 01:10:18,000

badass almost got me crying yeah not

1595

01:10:23,120 --> 01:10:20,180

only did it like dude it's like so like

1596

01:10:27,290 --> 01:10:23,130

family-oriented and it's like about

1597

01:10:30,710 --> 01:10:27,300

music yeah and it's about like dead

1598

01:10:32,780 --> 01:10:30,720

things like it's cool it's like family

1599

01:10:35,150 --> 01:10:32,790

Redemption yeah

1600

01:10:38,150 --> 01:10:35,160

you're not reuniting the family uh-huh

1601

01:10:42,500 --> 01:10:38,160

oh man it's a good place good justice

1602

01:10:45,170 --> 01:10:42,510

justice man yeah that was a badass yeah

1603

01:10:46,580 --> 01:10:45,180

so just wants to go check that out go to

1604

01:10:48,470 --> 01:10:46,590

like Mexico City next year for a

1605

01:10:51,170 --> 01:10:48,480

birthday I'm stoked yeah that would be

1606

01:10:53,900 --> 01:10:51,180

super cool one that would be super cool

1607

01:10:59,150 --> 01:10:53,910

get our faces painted eat some amazing

1608

01:11:00,500 --> 01:10:59,160

food dude oh yeah there's like like corn

1609

01:11:04,160 --> 01:11:00,510

vendors on every corner

1610

01:11:11,510 --> 01:11:06,650

yeah they're like Starbucks down there

1611

01:11:13,730 --> 01:11:11,520

yeah except for its corn it's gone

1612

01:11:15,170 --> 01:11:13,740

except for a scarf isn't it don't they

1613

01:11:16,520 --> 01:11:15,180

put mayonnaise instead it's not butter

1614

01:11:18,980 --> 01:11:16,530

they put mayonnaise and they're spicy

1615

01:11:21,740 --> 01:11:18,990

salt stuff man I haven't I've never had

1616

01:11:25,520 --> 01:11:21,750

it I've seen it Lois delicious it looks

1617

01:11:29,420 --> 01:11:25,530

really good isn't it it's got a nice

1618

01:11:33,860 --> 01:11:29,430

spices Mexican holiday celebrated

1619

01:11:36,230 --> 01:11:33,870

through throughout Mexico particular in

1620

01:11:38,270 --> 01:11:36,240

particular in particular the Central and

1621

01:11:40,610 --> 01:11:38,280

South regions and by people of Mexican

1622

01:11:43,820 --> 01:11:40,620

heritage elsewhere multi-day holiday

1623

01:11:45,680 --> 01:11:43,830

involves family and friends gathering to

1624

01:11:48,470 --> 01:11:45,690

pray and remember friends and family who

1625

01:11:52,100 --> 01:11:48,480

have died sweet that's awesome

1626

01:11:55,940 --> 01:11:52,110

yeah are chert might like the church

1627

01:11:57,970 --> 01:11:55,950

that like my my parents and my

1628

01:12:01,130 --> 01:11:57,980

grandparents go to I think they do a

1629

01:12:03,980 --> 01:12:01,140

little celebration too yeah I wonder if

1630

01:12:06,800 --> 01:12:03,990

they go to Our Lady of Guadalupe yeah I

1631

01:12:08,360 --> 01:12:06,810

wonder if it does it does it have ties

1632

01:12:10,280 --> 01:12:08,370

to religion or is it just kind of its

1633

01:12:11,930 --> 01:12:10,290

own it's something i think it's its own

1634

01:12:16,910 --> 01:12:11,940

thing

1635

01:12:21,890 --> 01:12:16,920

like frowned upon

1636

01:12:23,900 --> 01:12:21,900

like like you would think most religions

1637

01:12:26,660 --> 01:12:23,910

frown upon things right yeah because

1638

01:12:29,600 --> 01:12:26,670

it's about celebrating your your loved

1639

01:12:31,760 --> 01:12:29,610

ones that have passed on all right but

1640

01:12:34,250 --> 01:12:31,770

but I believe it's it's kind of like its

1641

01:12:37,760 --> 01:12:34,260

own things not like it's not like devil

1642

01:12:40,010 --> 01:12:37,770

worshiper right no no no it's not yes

1643

01:12:41,930 --> 01:12:40,020

it's totally I mean yes could you bring

1644

01:12:43,940 --> 01:12:41,940

them you bring them gifts yeah you know

1645

01:12:44,910 --> 01:12:43,950

like she seemed Coco you get what the

1646

01:12:47,070 --> 01:12:44,920

whole things about

1647

01:12:49,530 --> 01:12:47,080

yeah yeah no devil-worshipping there

1648

01:12:51,090 --> 01:12:49,540

dude sounds like such a fun thing man I

1649

01:12:52,950 --> 01:12:51,100

wish we had something like everybody

1650

01:12:54,060 --> 01:12:52,960

would go all-in on something like that

1651

01:12:56,100 --> 01:12:54,070

dude

1652

01:13:00,180 --> 01:12:56,110

yeah people dress up [\h__\h] and go to

1653

01:13:01,860 --> 01:13:00,190

parties and in America but like I don't

1654

01:13:04,610 --> 01:13:01,870

know it's like that's like a three day

1655

01:13:06,930 --> 01:13:04,620

celebration right yeah we have like one

1656

01:13:10,560 --> 01:13:06,940

holiday which which is a bumner because

1657

01:13:12,720 --> 01:13:10,570

it oh you mean Christmas with the weird

1658

01:13:14,880 --> 01:13:12,730

Starbucks they sell the pumpkin spice

1659

01:13:16,979 --> 01:13:14,890

latte and all that no no I'm just

1660

01:13:18,689 --> 01:13:16,989

talking about Halloween in general you

1661

01:13:21,360 --> 01:13:18,699

know like it's one of my favorite

1662

01:13:24,000 --> 01:13:21,370

holidays ooh but it gets ruined but

1663

01:13:26,340 --> 01:13:24,010

Christmas all the time there's already

1664

01:13:29,100 --> 01:13:26,350

Christmas stuff out dude like there's no

1665

01:13:31,860 --> 01:13:29,110

stuff that's out before Halloween even

1666

01:13:35,209 --> 01:13:31,870

starts man like I've been anything I am

1667

01:13:37,500 --> 01:13:35,219

so like I just bar as Christmas

1668

01:13:39,300 --> 01:13:37,510

Christmas so much cuz I'm sick of

1669

01:13:41,630 --> 01:13:39,310

Christmas by the time it even gets here

1670

01:13:44,840 --> 01:13:41,640

oh like I'm so over it and like

1671

01:13:47,700 --> 01:13:44,850

Halloween's my favorite holiday and and

1672

01:13:50,040 --> 01:13:47,710

everybody half-asses it and like you

1673

01:13:52,020 --> 01:13:50,050

said like it's not anything like like

1674

01:13:53,790 --> 01:13:52,030

when you're younger like it's cool yeah

1675

01:13:56,070 --> 01:13:53,800

but like and like even like when you're

1676

01:13:57,660 --> 01:13:56,080

older you're listen Halloween's cool so

1677

01:13:59,910 --> 01:13:57,670

corporatize now I feel like it's just

1678

01:14:04,680 --> 01:13:59,920

yeah it's like one day everybody gets to

1679

01:14:06,990 --> 01:14:04,690

like you know like just act like fools I

1680

01:14:09,570 --> 01:14:07,000

guess like one part yeah like it's like

1681

01:14:11,040 --> 01:14:09,580

I don't know but like this this is like

1682

01:14:13,290 --> 01:14:11,050

it has a mission to it has like a

1683

01:14:16,169 --> 01:14:13,300

meaning to it it's an actual celebration

1684

01:14:18,479 --> 01:14:16,179

that everybody like follows it's like

1685

01:14:20,250 --> 01:14:18,489

three days and you know it's there's

1686

01:14:22,530 --> 01:14:20,260

there's like some substance to it it's

1687

01:14:25,020 --> 01:14:22,540

not just like hey let's [h__h] around and

1688

01:14:26,580 --> 01:14:25,030

eat candy and get drunk and throw up I

1689

01:14:30,000 --> 01:14:26,590

think she's exactly what I'm gonna do

1690

01:14:31,830 --> 01:14:30,010

tomorrow I mean okay so I guess on the

1691

01:14:33,990 --> 01:14:31,840

flip side I guess we are having some

1692

01:14:35,939 --> 01:14:34,000

people over yeah

1693

01:14:38,520 --> 01:14:35,949

drink some beer hand out candy that's

1694

01:14:39,780 --> 01:14:38,530

always fun and our neighborhood our

1695

01:14:41,100 --> 01:14:39,790

neighbors are actually they have a

1696

01:14:42,900 --> 01:14:41,110

Halloween party every year so we're

1697

01:14:46,470 --> 01:14:42,910

gonna do that before we have guests over

1698

01:14:47,490 --> 01:14:46,480

yeah so I mean they're still there's the

1699

01:14:49,770 --> 01:14:47,500

neighborhoods but that doesn't happen

1700

01:14:51,810 --> 01:14:49,780

everywhere it is it is fun right but I

1701

01:14:53,580 --> 01:14:51,820

think the reason that like Halloween

1702

01:14:55,740 --> 01:14:53,590

isn't a bigger deal is because we just

1703

01:14:58,590 --> 01:14:55,750

treat it like the Superbowl yeah it's

1704

01:15:00,930 --> 01:14:58,600

just like this this big night to go all

1705

01:15:02,730 --> 01:15:00,940

right right companies find something

1706

01:15:04,560 --> 01:15:02,740

they sell you something for like yeah

1707

01:15:06,570 --> 01:15:04,570

okay whoa Halloweens what are we gonna

1708

01:15:09,180 --> 01:15:06,580

sell you what are we gonna buy yeah like

1709

01:15:10,800 --> 01:15:09,190

like Thanksgiving right like usually

1710

01:15:13,410 --> 01:15:10,810

like your company will let you off like

1711

01:15:14,850 --> 01:15:13,420

maybe the day before Thanksgiving and

1712

01:15:17,070 --> 01:15:14,860

some people will let you off the day

1713

01:15:19,710 --> 01:15:17,080

after you know Christmas some people get

1714

01:15:22,680 --> 01:15:19,720

like a week-long holiday you have

1715

01:15:24,900 --> 01:15:22,690

Christmastime Halloween is like no you

1716

01:15:27,330 --> 01:15:24,910

come to work tomorrow bastard right we

1717

01:15:28,860 --> 01:15:27,340

do it like it's just it's for kids right

1718

01:15:31,530 --> 01:15:28,870

and it's just kind of I don't know like

1719

01:15:33,600 --> 01:15:31,540

then this kind of whoever's in charge of

1720

01:15:35,880 --> 01:15:33,610

this holiday thing they need to be fired

1721

01:15:39,000 --> 01:15:35,890

right they need to be fired and they

1722

01:15:41,790 --> 01:15:39,010

need to be replaced by me right because

1723

01:15:43,920 --> 01:15:41,800

because though the week of Halloween you

1724

01:15:46,110 --> 01:15:43,930

can get off if it was me running the

1725

01:15:47,760 --> 01:15:46,120

show you get off Halloween week just

1726

01:15:50,040 --> 01:15:47,770

president man that's it so that way you

1727

01:15:51,780 --> 01:15:50,050

can get your decorations up you can get

1728

01:15:53,880 --> 01:15:51,790

your costumes together you load your

1729

01:15:56,370 --> 01:15:53,890

candy up you can celebrate with your

1730

01:15:58,290 --> 01:15:56,380

friends and your family and like you can

1731

01:15:59,940 --> 01:15:58,300

do cool stuff and then Halloween comes

1732

01:16:01,560 --> 01:15:59,950

and then like it's like that's the big

1733

01:16:03,600 --> 01:16:01,570

night and then since the big night

1734

01:16:05,100 --> 01:16:03,610

happened the next day you also get off

1735

01:16:06,750 --> 01:16:05,110

and off right you know what I'm saying

1736

01:16:08,820 --> 01:16:06,760

people would take Halloween a little bit

1737

01:16:10,820 --> 01:16:08,830

more seriously yeah it needs to be taken

1738

01:16:16,200 --> 01:16:10,830

seriously

1739

01:16:19,260 --> 01:16:16,210

this is a this is also serious it's an

1740

01:16:21,840 --> 01:16:19,270

epidemic right as a country right and

1741

01:16:23,640 --> 01:16:21,850

then and then and then all people talk

1742

01:16:25,770 --> 01:16:23,650

about as man I can't wait to eat turkey

1743

01:16:28,560 --> 01:16:25,780

right and it's like like that night like

1744

01:16:31,560 --> 01:16:28,570

yeah it's like stop it let me enjoy this

1745

01:16:34,200 --> 01:16:31,570

what what's what what can we do in our

1746

01:16:36,120 --> 01:16:34,210

community like we could we could start

1747

01:16:40,080 --> 01:16:36,130

some kind of tradition where I don't

1748

01:16:41,820 --> 01:16:40,090

know we we eat we eat lima beans we hope

1749

01:16:43,350 --> 01:16:41,830

we cook a specific thing people are

1750

01:16:48,300 --> 01:16:43,360

gonna hate Halloween if we eat lima

1751

01:16:50,370 --> 01:16:48,310

beans brisket brisket dude we could do a

1752

01:16:53,880 --> 01:16:50,380

brisket tomorrow yes ain't doing [h__h]

1753

01:16:55,110 --> 01:16:53,890

we need to smoke flesh and smoke fresh

1754

01:16:57,000 --> 01:16:55,120

dude I'm totally gonna do a brisket

1755

01:16:59,010 --> 01:16:57,010

tomorrow you should awesome okay cool

1756

01:17:00,840 --> 01:16:59,020

yeah dude like halloween-- should be cool

1757

01:17:02,430 --> 01:17:00,850

you know if the Halloween is awesome I

1758

01:17:04,350 --> 01:17:02,440

love it yeah well you know what I'm

1759

01:17:06,420 --> 01:17:04,360

saying like it's just so glossed over it

1760

01:17:08,700 --> 01:17:06,430

really is like and I always forget to do

1761

01:17:10,890 --> 01:17:08,710

a damn costume until like the day before

1762

01:17:11,709 --> 01:17:10,900

and that's all in the last like few

1763

01:17:14,410 --> 01:17:11,719

years

1764

01:17:16,450 --> 01:17:14,420

and since I started working on that has

1765

01:17:19,629 --> 01:17:16,460

nothing to do with it but it's always

1766

01:17:21,700 --> 01:17:19,639

just so fun like the nostalgia of it

1767

01:17:23,680 --> 01:17:21,710

there's like people running around like

1768

01:17:28,359 --> 01:17:23,690

everybody's knock on your door like kids

1769

01:17:30,250 --> 01:17:28,369

yeah costume and I I found out that I'm

1770

01:17:32,169 --> 01:17:30,260

really shitty at handing out candy I

1771

01:17:34,180 --> 01:17:32,179

didn't know how much to give away cuz we

1772

01:17:35,979 --> 01:17:34,190

didn't have that much candy and this

1773

01:17:37,750 --> 01:17:35,989

poor little boy like he was all dressed

1774

01:17:48,100 --> 01:17:37,760

up so stuck his mom was standing there

1775

01:17:50,140 --> 01:17:48,110

and I gave him two pieces so I gave out

1776

01:17:51,520 --> 01:17:50,150

candy a couple years ago for the first

1777

01:17:53,709 --> 01:17:51,530

time right I was like dude I'm gonna

1778

01:17:55,450 --> 01:17:53,719

adult this year yeah I'm gonna hand out

1779

01:17:56,950 --> 01:17:55,460

candy that's the moment you're an adult

1780

01:17:59,680 --> 01:17:56,960

is when you start handing out candy and

1781

01:18:02,290 --> 01:17:59,690

I didn't realize how crappy I was gonna

1782

01:18:04,330 --> 01:18:02,300

be at it right because usually you walk

1783

01:18:05,560 --> 01:18:04,340

up you like took a tree yeah you get a

1784

01:18:07,390 --> 01:18:05,570

little older and you're like I'm just

1785

01:18:09,370 --> 01:18:07,400

gonna go partying [\h__\h] off right yeah

1786

01:18:11,620 --> 01:18:09,380

yeah you hit the adult stage and it was

1787

01:18:15,790 --> 01:18:11,630

like what do I say really bad it is I

1788

01:18:19,450 --> 01:18:15,800

open the door and I'm like oh we got a

1789

01:18:22,020 --> 01:18:19,460

ninja year without a little princess you

1790

01:18:27,219 --> 01:18:22,030

guess what they are

1791

01:18:30,819 --> 01:18:27,229

you guys look like just give me the

1792

01:18:32,950 --> 01:18:30,829

candy like shut up I'm like oh you

1793

01:18:36,790 --> 01:18:32,960

should take picture like I didn't know

1794

01:18:38,709 --> 01:18:36,800

dude is this like like a just like it

1795

01:18:40,719 --> 01:18:38,719

naturally flowed out of me but it was

1796

01:18:45,569 --> 01:18:40,729

like naturally the crappiest thing like

1797

01:18:48,669 --> 01:18:45,579

I could have done you guys look great

1798

01:18:51,069 --> 01:18:48,679

you celica like a like a 50 year old

1799

01:18:53,109 --> 01:18:51,079

woman like try not to like be creepy

1800

01:18:56,259 --> 01:18:53,119

like I was how creepy that's the weird

1801

01:18:58,110 --> 01:18:56,269

part about it I felt so weird like hey

1802

01:19:01,980 --> 01:18:58,120

I'm staring at you guys

1803

01:19:03,390 --> 01:19:01,990

I did feel a little creepy yeah so I

1804

01:19:05,700 --> 01:19:03,400

think I'm gonna let Jess hand out the

1805

01:19:08,730 --> 01:19:05,710

candy this yeah totally oh I'll sit the

1806

01:19:10,560 --> 01:19:08,740

back like oh you guys well maybe that's

1807

01:19:13,020 --> 01:19:10,570

even creepier like I'm like hiding in

1808

01:19:17,700 --> 01:19:13,030

the corner like um you can here's me

1809

01:19:21,150 --> 01:19:17,710

giggling like nice costume you guys look

1810

01:19:23,910 --> 01:19:21,160

awesome yeah yeah it was terrible that

1811

01:19:25,620 --> 01:19:23,920

idea but uh yeah but no this uh this

1812

01:19:26,240 --> 01:19:25,630

Christmas thing is it's got to be

1813

01:19:30,570 --> 01:19:26,250

stopped

1814

01:19:34,560 --> 01:19:30,580

Walmart and there's already Christmas

1815

01:19:36,900 --> 01:19:34,570

trees up dude yeah did it why like so

1816

01:19:38,340 --> 01:19:36,910

what's cheer and then like oh man I have

1817

01:19:41,130 --> 01:19:38,350

to buy people presents now it's like

1818

01:19:43,740 --> 01:19:41,140

it's like it's like manufactured like

1819

01:19:46,380 --> 01:19:43,750

friendliness and I hate it so fake it

1820

01:19:49,850 --> 01:19:46,390

does seem a little weird it does seem a

1821

01:19:52,320 --> 01:19:49,860

little for hate it everybody's like Oh

1822

01:19:54,180 --> 01:19:52,330

what are you do it for Christmas for the

1823

01:19:56,130 --> 01:19:54,190

holidays dude you don't care I'm doing

1824

01:19:59,250 --> 01:19:56,140

the same [h__h] you're gonna do I'm gonna

1825

01:20:02,160 --> 01:19:59,260

go sit in a room with family and like

1826

01:20:03,930 --> 01:20:02,170

open gifts mm-hmm like what do you think

1827

01:20:06,480 --> 01:20:03,940

I'm gonna do any eat a lot of food I'm

1828

01:20:08,280 --> 01:20:06,490

gonna go into a coma and then like like

1829

01:20:10,500 --> 01:20:08,290

go to work the next day

1830

01:20:12,090 --> 01:20:10,510

yeah well no because it's Christmas you

1831

01:20:15,990 --> 01:20:12,100

don't have to go to work the next but

1832

01:20:17,910 --> 01:20:16,000

it's Christmas I mean I'm so fine

1833

01:20:20,550 --> 01:20:17,920

Christmas gets here I'm so salty

1834

01:20:22,710 --> 01:20:20,560

yeah okay such a bad mood it's Christmas

1835

01:20:26,250 --> 01:20:22,720

yeah I feel badly I'll be seated like a

1836

01:20:30,210 --> 01:20:26,260

family it's tough but it's like it's

1837

01:20:35,220 --> 01:20:30,220

like no Oh fine I'm sick of I'm sick of

1838

01:20:37,950 --> 01:20:35,230

Christmas music this music sucks you all

1839

01:20:40,340 --> 01:20:37,960

being so fake right now talked about us

1840

01:20:43,710 --> 01:20:40,350

doing like a UFO garage podcast a

1841

01:20:46,290 --> 01:20:43,720

Christmas album man I mean we can't but

1842

01:20:49,520 --> 01:20:46,300

it's gonna be cool yeah we should we

1843

01:20:54,960 --> 01:20:51,690

that's the worst song guess so where's

1844

01:21:04,800 --> 01:20:54,970

Christmas song bum bum oh that is the

1845

01:21:07,560 --> 01:21:04,810

worst Christmas oh my gosh dude like I

1846

01:21:09,359 --> 01:21:07,570

like cuz then I got a ghost I gotta go

1847

01:21:11,310 --> 01:21:09,369

shopping right I got a

1848

01:21:14,790 --> 01:21:11,320

I gotta stay inside a bath and Bodyworks

1849

01:21:17,449 --> 01:21:14,800

for 45 minutes and like listen to

1850

01:21:20,969 --> 01:21:17,459

everybody but like smell this smell this

1851
01:21:22,469 --> 01:21:20,979
smell this towel mmm mmm smell this

1852
01:21:24,989 --> 01:21:22,479
would you like that would you like to

1853
01:21:26,699 --> 01:21:24,999
smell this would you like to try no I

1854
01:21:29,279 --> 01:21:26,709
don't even want to be in here right now

1855
01:21:30,659 --> 01:21:29,289
it's just it's cold outside and like I

1856
01:21:32,580 --> 01:21:30,669
don't want to I don't want to smell it

1857
01:21:34,939 --> 01:21:32,590
like my nose is about to bleed because

1858
01:21:37,409 --> 01:21:34,949
I'm smelling everything it wants like

1859
01:21:38,819 --> 01:21:37,419
none of y'all can make up your minds the

1860
01:21:41,580 --> 01:21:38,829
lady over here can't make up her mind

1861
01:21:43,830 --> 01:21:41,590
she smelled the same five fragrances for

1862
01:21:46,379 --> 01:21:43,840
like the past 45 minutes this line is

1863
01:21:48,869 --> 01:21:46,389

ridiculous high like like no I don't

1864

01:21:50,429 --> 01:21:48,879

like stop selling gift cards because

1865

01:21:52,379 --> 01:21:50,439

then your gift card process takes

1866

01:21:54,600 --> 01:21:52,389

forever and then the lady over here

1867

01:21:56,250 --> 01:21:54,610

computers gonna shut down and have to

1868

01:21:58,049 --> 01:21:56,260

reboot it I'm I have to stand in line

1869

01:22:03,419 --> 01:21:58,059

Christmas traffic I hate Christmas

1870

01:22:04,889 --> 01:22:03,429

traffic's so bad dude I'm gonna get

1871

01:22:07,739 --> 01:22:04,899

another beer - you guys should talk

1872

01:22:14,089 --> 01:22:07,749

about hey people your garage podcast

1873

01:22:16,709 --> 01:22:14,099

shirts for you buy them for Halloween

1874

01:22:18,239 --> 01:22:16,719

yeah go ahead and grab me one dude cuz

1875

01:22:22,350 --> 01:22:18,249

I'll be done with this one by the time

1876

01:22:24,000 --> 01:22:22,360

you get back you know and I hate to

1877

01:22:25,290 --> 01:22:24,010

sound like a curmudgeon but I mean I

1878

01:22:27,449 --> 01:22:25,300

don't know if anybody else feels that

1879

01:22:29,669 --> 01:22:27,459

way but I feel like so you know

1880

01:22:31,319 --> 01:22:29,679

christmas is just out of hand I know

1881

01:22:35,879 --> 01:22:31,329

we're talking about Halloween here today

1882

01:22:39,149 --> 01:22:35,889

but man it absorbs your life force

1883

01:22:40,560 --> 01:22:39,159

sometimes right right and then and then

1884

01:22:42,629 --> 01:22:40,570

you know people like oh you don't have

1885

01:22:44,639 --> 01:22:42,639

to buy me a gift right Christmas is so

1886

01:22:46,439 --> 01:22:44,649

expensive you don't have to buy me a

1887

01:22:49,020 --> 01:22:46,449

gift but then but then you feel bad

1888

01:22:50,909 --> 01:22:49,030

right because everybody else is is is

1889

01:22:54,330 --> 01:22:50,919

getting gifts and giving gifts and it's

1890

01:22:56,580 --> 01:22:54,340

like Oh George did you did you buy this

1891

01:22:58,739 --> 01:22:56,590

gift and it's like no sorry I didn't buy

1892

01:23:00,600 --> 01:22:58,749

anything this year like you can't do

1893

01:23:02,159 --> 01:23:00,610

that you can't be that guy cuz then

1894

01:23:05,159 --> 01:23:02,169

you're the only guy that didn't buy

1895

01:23:05,639 --> 01:23:05,169

anything for anybody right oh no that's

1896

01:23:09,449 --> 01:23:05,649

terrible

1897

01:23:11,520 --> 01:23:09,459

yeah I don't know I guess it's I guess

1898

01:23:13,589 --> 01:23:11,530

it's the end of my Christmas right like

1899

01:23:15,359 --> 01:23:13,599

I could go on for so long but I don't

1900

01:23:18,579 --> 01:23:15,369

want this entire podcast to be about how

1901

01:23:20,079 --> 01:23:18,589

I give you the title of episode

1902

01:23:23,349 --> 01:23:20,089

what about Nightmare Before Christmas

1903

01:23:23,979 --> 01:23:23,359

see Halloween I hate Christmas dude I

1904

01:23:25,689 --> 01:23:23,989

don't know

1905

01:23:27,639 --> 01:23:25,699

is it a Christmas movie is it a

1906

01:23:29,770 --> 01:23:27,649

Halloween movie if it's a Christmas

1907

01:23:32,049 --> 01:23:29,780

movie it's the best damn Christmas movie

1908

01:23:34,179 --> 01:23:32,059

ever made it is a Christmas movie

1909

01:23:37,779 --> 01:23:34,189

I think it's Christmas movie yeah yeah

1910

01:23:39,399 --> 01:23:37,789

it's a girl Jack the pumpkin King yeah I

1911

01:23:44,559 --> 01:23:39,409

I think Christmas would be cool and

1912

01:23:47,589 --> 01:23:44,569

missed ow ha ha - that song goes hard it

1913

01:23:49,479 --> 01:23:47,599

does the movie man I remember when I

1914

01:23:52,659 --> 01:23:49,489

first watched it I thought that was the

1915

01:23:54,489 --> 01:23:52,669

scariest in character ever like he's the

1916

01:23:57,729 --> 01:23:54,499

Berlin it was a creepy dude like as a

1917

01:24:06,389 --> 01:23:57,739

kid that was creepy all the whole movies

1918

01:24:09,579 --> 01:24:06,399

[h__\h] creepy of course but Halloween

1919

01:24:11,770 --> 01:24:09,589

yeah but you know like you know like

1920

01:24:14,199 --> 01:24:11,780

Jack is like you know like um I'm just I

1921

01:24:17,259 --> 01:24:14,209

think I'm over Halloween I'm gonna try

1922

01:24:18,909 --> 01:24:17,269

this Christmas thing yeah right man I'm

1923

01:24:20,679 --> 01:24:18,919

over Christmas and I just want to try

1924

01:24:22,750 --> 01:24:20,689

the Halloween thing it's like a there's

1925

01:24:25,119 --> 01:24:22,760

there's a depressing vibe to it for sure

1926

01:24:28,089 --> 01:24:25,129

the whole movies kind of it's dark

1927

01:24:30,129 --> 01:24:28,099

oh it's very dark dude that scene in the

1928

01:24:34,000 --> 01:24:30,139

forest where he's picking through the

1929

01:24:37,209 --> 01:24:34,010

different season or holidays is the

1930

01:24:39,759 --> 01:24:37,219

trickiest one ever cuz you like go into

1931

01:24:41,529 --> 01:24:39,769

a tree like this different universe hey

1932

01:24:44,169 --> 01:24:41,539

there's some alien ideas there with like

1933

01:24:46,709 --> 01:24:44,179

portals and stuff man yeah do some

1934

01:24:50,379 --> 01:24:46,719

portals because I mean yeah it's that uh

1935

01:24:52,439 --> 01:24:50,389

that like did she make another one for

1936

01:24:58,540 --> 01:24:52,449

like he goes into like the 4th of July

1937

01:25:01,989 --> 01:24:58,550

tree blow his mind

1938

01:25:04,239 --> 01:25:01,999

like National Pancake Day there's so

1939

01:25:13,809 --> 01:25:04,249

many [h__h] holidays now like today's a

1940

01:25:16,299 --> 01:25:13,819

national burrito day bring your dog who

1941

01:25:18,399 --> 01:25:16,309

who's making all these holidays dude

1942

01:25:21,040 --> 01:25:18,409

it's a calendar conspiracy it's made by

1943

01:25:23,919 --> 01:25:21,050

the calendar companies oh holy crap

1944

01:25:26,679 --> 01:25:23,929

let's bust this wide open did we do

1945

01:25:29,829 --> 01:25:26,689

crack the case cracked case man dude I

1946

01:25:31,740 --> 01:25:29,839

want there to be like national don't go

1947

01:25:35,010 --> 01:25:31,750

to work day get the day

1948

01:25:37,770 --> 01:25:35,020

off-day yes shit's and gigs yeah yeah

1949

01:25:40,380 --> 01:25:37,780

like like Employee Appreciation Day how

1950

01:25:42,380 --> 01:25:40,390

about that uh-huh you know Labor Day

1951

01:25:48,810 --> 01:25:42,390

[Laughter]

1952

01:25:52,080 --> 01:25:48,820

exists right into that one yeah but no

1953

01:25:56,070 --> 01:25:52,090

it should be again Texas Texas a school

1954

01:25:57,720 --> 01:25:56,080

system failing us yeah you're right

1955

01:26:00,270 --> 01:25:57,730

though like I mean Labor Day is to

1956

01:26:02,250 --> 01:26:00,280

remember the struggles and the labor you

1957

01:26:02,910 --> 01:26:02,260

know the crappy thing I'm pretty sure

1958

01:26:05,610 --> 01:26:02,920

it's not about us

1959

01:26:08,040 --> 01:26:05,620

yeah but like it's like yeah we should

1960

01:26:10,260 --> 01:26:08,050

just have a national just like take the

1961

01:26:12,060 --> 01:26:10,270

day off day other should be you guys

1962

01:26:14,790 --> 01:26:12,070

take the day off work and you have to

1963

01:26:18,270 --> 01:26:14,800

drink a margarita day yeah you know yeah

1964

01:26:20,940 --> 01:26:18,280

like margarita and taco day but you get

1965

01:26:22,770 --> 01:26:20,950

the day off for it yeah dude dude I love

1966

01:26:23,850 --> 01:26:22,780

those margaritas where they tip the big

1967

01:26:27,420 --> 01:26:23,860

red over in it

1968

01:26:30,330 --> 01:26:27,430

Oh like if you go down like a boardwalk

1969

01:26:31,710 --> 01:26:30,340

like down to San Antonio like I feed the

1970

01:26:33,150 --> 01:26:31,720

name of the restaurant there's even

1971

01:26:34,770 --> 01:26:33,160

restaurants around here that do it but

1972

01:26:38,400 --> 01:26:34,780

that sounds good but that one's my

1973

01:26:40,830 --> 01:26:38,410

favorite it comes in a big-ass glass

1974

01:26:43,020 --> 01:26:40,840

it's basically a bowl and then they they

1975

01:26:45,030 --> 01:26:43,030

make the margarita and then they flip a

1976

01:26:47,340 --> 01:26:45,040

big red over in it and as you drink it

1977

01:26:49,680 --> 01:26:47,350

the big red comes out it's delicious

1978

01:26:51,720 --> 01:26:49,690

love it love it

1979

01:26:54,000 --> 01:26:51,730

I have never successfully made a good

1980

01:26:57,660 --> 01:26:54,010

margarita it's pretty tough it's tough

1981

01:26:59,400 --> 01:26:57,670

you got to get Quatro Quatro it's like

1982

01:27:01,080 --> 01:26:59,410

this orange liqueur uh-huh and a lot of

1983

01:27:03,420 --> 01:27:01,090

lime juice man that's the secrets that

1984

01:27:05,100 --> 01:27:03,430

kawatte romance yeah yeah it's called

1985

01:27:07,470 --> 01:27:05,110

I'm probably saying it wrong it's

1986

01:27:10,260 --> 01:27:07,480

something like that yeah yeah I've never

1987

01:27:12,060 --> 01:27:10,270

the ice the consistency of the ice is

1988

01:27:14,670 --> 01:27:12,070

very emotive just like I was like a

1989

01:27:16,740 --> 01:27:14,680

frozen Margaret yeah yeah on the rocks

1990

01:27:18,810 --> 01:27:16,750

yeah a frozen Margaret right right no

1991

01:27:20,520 --> 01:27:18,820

I've never done a frozen one I did you

1992

01:27:22,470 --> 01:27:20,530

could get them in buckets now yeah there

1993

01:27:23,940 --> 01:27:22,480

goes our dough is difficult it's

1994

01:27:25,620 --> 01:27:23,950

difficult to make it from scratch dude

1995

01:27:27,090 --> 01:27:25,630

real sweet yeah don't do it if you're

1996

01:27:31,740 --> 01:27:27,100

trying to impress somebody because you

1997

01:27:33,870 --> 01:27:31,750

won't how many things do we talk about

1998

01:27:39,450 --> 01:27:33,880

there were alien related in this in this

1999

01:27:41,550 --> 01:27:39,460

episode hey you know I like that we're

2000

01:27:43,680 --> 01:27:41,560

kind of we we give it some breathing

2001

01:27:45,209 --> 01:27:43,690

room I mean I'm sure a lot of people

2002

01:27:46,799 --> 01:27:45,219

that really like her

2003

01:27:48,449 --> 01:27:46,809

our podcasts are gonna listen to this

2004

01:27:52,830 --> 01:27:48,459

little thing is gonna be fun yeah

2005

01:27:54,959 --> 01:27:52,840

anybody new is gonna be like I guess

2006

01:27:57,810 --> 01:27:54,969

they did say all things weird yeah but

2007

01:28:02,129 --> 01:27:57,820

yeah I mean we can yes that's the that's

2008

01:28:03,810 --> 01:28:02,139

the the the hidden chapter in the

2009

01:28:07,139 --> 01:28:03,820

contract haha you know it's all things

2010

01:28:08,849 --> 01:28:07,149

weird UFOs aliens all things weird boom

2011

01:28:11,580 --> 01:28:08,859

yeah yeah yeah

2012

01:28:21,779 --> 01:28:11,590

Labor Day Labor Day I'm alright cheers

2013

01:28:24,569 --> 01:28:21,789

bro yeah yeah but yeah so so yeah yellow

2014

01:28:26,549 --> 01:28:24,579

smiley and a law school that's uh I

2015

01:28:28,619 --> 01:28:26,559

think that's way cooler way cooler than

2016

01:28:31,409 --> 01:28:28,629

like Halloween waited cooler than

2017

01:28:32,909 --> 01:28:31,419

Halloween again man favorite holiday we

2018

01:28:33,419 --> 01:28:32,919

should get the day off of work the next

2019

01:28:36,089 --> 01:28:33,429

day

2020

01:28:37,409 --> 01:28:36,099

sure and I'm Dean all I can think about

2021

01:28:39,599 --> 01:28:37,419

now is brisket I want to go and get a

2022

01:28:41,819 --> 01:28:39,609

brisket like right now dude so one of my

2023

01:28:46,199 --> 01:28:41,829

favorite Halloween movies is called

2024

01:28:48,919 --> 01:28:46,209

Halloween Town halloween town it's a

2025

01:28:52,169 --> 01:28:48,929

Disney Channel original movie uh-huh

2026

01:28:56,629 --> 01:28:52,179

it's got some really kind of like

2027

01:28:58,379 --> 01:28:56,639

underlying you know portal kind of stuff

2028

01:29:00,839 --> 01:28:58,389

stuff that we've talked about we just

2029

01:29:02,879 --> 01:29:00,849

talked about like the night before

2030

01:29:05,399 --> 01:29:02,889

Nightmare Before Christmas movie uh-huh

2031

01:29:08,699 --> 01:29:05,409

but there's there's this bus that only

2032

01:29:11,549 --> 01:29:08,709

comes like to the to the the earth world

2033

01:29:13,290 --> 01:29:11,559

like once a year and drops off people

2034

01:29:15,299 --> 01:29:13,300

like so it's about this family of

2035

01:29:16,799 --> 01:29:15,309

witches and like the grandmother comes

2036

01:29:18,810 --> 01:29:16,809

in visited visits on Halloween night

2037

01:29:19,799 --> 01:29:18,820

because that's when the bus can travel

2038

01:29:21,599 --> 01:29:19,809

between worlds

2039

01:29:23,250 --> 01:29:21,609

oh that's cool so like you get on this

2040

01:29:26,189 --> 01:29:23,260

bus it's dope bus and there's like this

2041

01:29:28,049 --> 01:29:26,199

weird like shrunken head driving it with

2042

01:29:33,449 --> 01:29:28,059

a Jamaican accent for some reason I

2043

01:29:35,279 --> 01:29:33,459

don't know why and oh maybe I'm mixing

2044

01:29:36,779 --> 01:29:35,289

up Harry Potter with the shrunken head I

2045

01:29:38,310 --> 01:29:36,789

think I don't I don't know who the bus

2046

01:29:40,319 --> 01:29:38,320

driver is a shrunken head on Harry

2047

01:29:42,449 --> 01:29:40,329

Potter yeah there's the the but the bus

2048

01:29:43,649 --> 01:29:42,459

driver and Harry Potter one of the one

2049

01:29:47,250 --> 01:29:43,659

of the movies there's the shrunken head

2050

01:29:48,689 --> 01:29:47,260

driving the bus I'm pretty sure I might

2051

01:29:50,729 --> 01:29:48,699

be switching those up in my mind I've

2052

01:29:53,489 --> 01:29:50,739

seen like thirty minutes of every Harry

2053

01:29:55,500 --> 01:29:53,499

Potter movie dude yeah yeah all the

2054

01:29:56,419 --> 01:29:55,510

Harry Potter movies yeah no I have I

2055

01:29:59,060 --> 01:29:56,429

have it

2056

01:30:01,520 --> 01:29:59,070

you know I know that there would be good

2057

01:30:06,020 --> 01:30:01,530

yeah I know that there would be good um

2058

01:30:08,270 --> 01:30:06,030

right uh but get into it I just I don't

2059

01:30:10,609 --> 01:30:08,280

know like I feel like it would be like

2060

01:30:12,560 --> 01:30:10,619

if the same thing happened with Lord of

2061

01:30:14,330 --> 01:30:12,570

the Rings the same thing happened to me

2062

01:30:16,910 --> 01:30:14,340

with Lord of the Rings like whoa no like

2063

01:30:18,469 --> 01:30:16,920

only watched pieces I'll tell you why

2064

01:30:20,839 --> 01:30:18,479

though because because when Lord of the

2065

01:30:23,810 --> 01:30:20,849

Rings came out like in the movie when

2066

01:30:26,540 --> 01:30:23,820

when we were younger one I didn't

2067

01:30:28,640 --> 01:30:26,550

realize it was a book yeah and two I

2068

01:30:30,620 --> 01:30:28,650

went to go watch the first Lord of the

2069

01:30:33,080 --> 01:30:30,630

Rings and I'm like at the end of the

2070

01:30:35,239 --> 01:30:33,090

movie I was like what the hell what

2071

01:30:36,949 --> 01:30:35,249

happens at the rest of the story yeah

2072

01:30:38,719 --> 01:30:36,959

like I thought that was it I thought

2073

01:30:39,709 --> 01:30:38,729

they had made a movie that's like well

2074

01:30:41,359 --> 01:30:39,719

like you didn't know was gonna be a

2075

01:30:42,949 --> 01:30:41,369

trilogy no it was gonna be like a whole

2076

01:30:45,679 --> 01:30:42,959

thing you know what I'm saying

2077

01:30:48,799 --> 01:30:45,689

um so like yeah then that pissed me off

2078

01:30:50,929 --> 01:30:48,809

too yeah I watched the hop or I read The

2079

01:30:52,939 --> 01:30:50,939

Hobbit as a kid and I remember watching

2080

01:30:54,979 --> 01:30:52,949

Lord of the Rings like well this is kind

2081

01:30:56,959 --> 01:30:54,989

of the same like this are you sure it's

2082

01:30:58,250 --> 01:30:56,969

about the same book and it totally

2083

01:31:01,009 --> 01:30:58,260

wasn't they ended up making the Hobbit

2084

01:31:03,049 --> 01:31:01,019

movies later on but that book is so long

2085

01:31:05,060 --> 01:31:03,059

dude I mean that's probably the longest

2086

01:31:08,209 --> 01:31:05,070

book I've ever read reread but yeah

2087

01:31:10,399 --> 01:31:08,219

really good movie but yeah hangs man

2088

01:31:13,640 --> 01:31:10,409

[h__h] finally watch the Lord of the Rings

2089

01:31:18,799 --> 01:31:13,650

okay finally watch three yeah it was

2090

01:31:30,790 --> 01:31:18,809

cool yeah it was cool right okay Sam Sam

2091

01:31:40,509 --> 01:31:36,679

likes it in the movie yeah yeah yeah but

2092

01:31:42,890 --> 01:31:40,519

I didn't know anything about it but yeah

2093

01:31:47,330 --> 01:31:42,900

actually pretty cool pretty cool and

2094

01:31:49,279 --> 01:31:47,340

then uh Harry Potter like I just um I I

2095

01:31:51,649 --> 01:31:49,289

don't know man like I like I said I've

2096

01:31:54,169 --> 01:31:51,659

seen like 30 minutes of like all the

2097

01:31:57,259 --> 01:31:54,179

movies I just haven't gotten into it or

2098

01:31:58,879 --> 01:31:57,269

sat down and watched it yeah I don't I

2099

01:32:00,140 --> 01:31:58,889

feel like if I like sit down and watch

2100

01:32:02,449 --> 01:32:00,150

it like somebody's gonna bust in the

2101
01:32:05,120 --> 01:32:02,459
room and be like oh you're nervous but

2102
01:32:08,719 --> 01:32:05,130
like that's stupid because like I love

2103
01:32:09,400 --> 01:32:08,729
the Star Wars right yeah it is Star Trek

2104
01:32:11,440 --> 01:32:09,410
it like

2105
01:32:14,080 --> 01:32:11,450
like the nerdy [\h__\h] I love that stuff

2106
01:32:17,860 --> 01:32:14,090
that yeah you know I hey I'm into that

2107
01:32:21,610 --> 01:32:17,870
you liked what the Twilight series no no

2108
01:32:30,040 --> 01:32:21,620
I haven't seen any of those movies I see

2109
01:32:32,170 --> 01:32:30,050
a couple were they good not good

2110
01:32:34,210 --> 01:32:32,180
I know what I liked about the movie one

2111
01:32:36,250 --> 01:32:34,220
of them is that it's well it's set in

2112
01:32:37,930 --> 01:32:36,260
like Washington mm-hmm

2113
01:32:39,370 --> 01:32:37,940

and just the vibe is really cool I could

2114

01:32:41,320 --> 01:32:39,380

set in the mountains and it's kind of

2115

01:32:43,180 --> 01:32:41,330

like misty and rainy and I really love

2116

01:32:44,740 --> 01:32:43,190

that weather uh-huh so I like the vibe

2117

01:32:46,450 --> 01:32:44,750

of the movie that's kind of I don't

2118

01:32:49,150 --> 01:32:46,460

really I don't really care for the story

2119

01:32:52,780 --> 01:32:49,160

but I do I do think the cinema tell

2120

01:32:54,460 --> 01:32:52,790

cinematography is really good I think we

2121

01:32:57,750 --> 01:32:54,470

were still in school when that came out

2122

01:33:00,850 --> 01:32:57,760

yeah when when when it came out and I

2123

01:33:02,710 --> 01:33:00,860

remember just girls been like Oh team

2124

01:33:07,150 --> 01:33:02,720

blah blah blah

2125

01:33:08,620 --> 01:33:07,160

vampires are there's like a vampire and

2126

01:33:11,920 --> 01:33:08,630

then there's werewolf hey that's kind of

2127

01:33:13,930 --> 01:33:11,930

Halloween themed yeah it's real douchey

2128

01:33:15,820 --> 01:33:13,940

though yeah it is I don't know corniest

2129

01:33:23,320 --> 01:33:15,830

Vaughn seems like it seems like real

2130

01:33:24,970 --> 01:33:23,330

like it's yes yeah no I was yeah no you

2131

01:33:26,560 --> 01:33:24,980

wouldn't like it I don't think I would

2132

01:33:32,620 --> 01:33:26,570

like it at all I think it would just be

2133

01:33:34,030 --> 01:33:32,630

way too like it's a chick movie it is I

2134

01:33:36,640 --> 01:33:34,040

think it's a chick movie it's a chick

2135

01:33:41,700 --> 01:33:36,650

flick yeah yeah exactly exactly yeah I'm

2136

01:33:48,010 --> 01:33:45,250

it's like yeah it's like watching the

2137

01:33:50,560 --> 01:33:48,020

notebook oh I hate that movie do you I

2138

01:33:53,470 --> 01:33:50,570

do not like that movie one bit do you

2139

01:33:55,720 --> 01:33:53,480

watch the whole thing I don't like it I

2140

01:33:58,930 --> 01:33:55,730

think I think I was supposed to watch

2141

01:34:03,810 --> 01:33:58,940

that movie like three times now and I

2142

01:34:03,820 --> 01:34:10,830

this is not real nobody acts this way

2143

01:34:17,950 --> 01:34:13,450

that are hey what is the name of the

2144

01:34:19,660 --> 01:34:17,960

vampire in Twilight huh Edward what's

2145

01:34:20,200 --> 01:34:19,670

the name of the werewolf I can't

2146

01:34:23,139 --> 01:34:20,210

remember

2147

01:34:24,399 --> 01:34:23,149

oh so you routine Edward

2148

01:34:29,339 --> 01:34:24,409

is that what you're saying do you

2149

01:34:38,649 --> 01:34:36,129

I'm team glittery vampire and and I also

2150

01:34:40,899 --> 01:34:38,659

saw like parts of like previews we're

2151
01:34:43,209 --> 01:34:40,909
like they're standing outside yeah it's

2152
01:34:45,609 --> 01:34:43,219
like daytime yeah well the Sun makes it

2153
01:34:47,560 --> 01:34:45,619
Sparkle after skin but they're not

2154
01:34:49,179 --> 01:34:47,570
supposed to what and then sometimes it

2155
01:34:50,799 --> 01:34:49,189
doesn't show it like cuz it's cloudy

2156
01:34:52,379 --> 01:34:50,809
yeah that's the whole thing that's why

2157
01:34:55,959 --> 01:34:52,389
they live up there it's cuz it's cloudy

2158
01:34:58,869 --> 01:34:55,969
the Sun doesn't clean off their skin so

2159
01:35:01,629 --> 01:34:58,879
I hope the werewolves I rip them apart

2160
01:35:03,609 --> 01:35:01,639
they do they do yeah that's kind of dope

2161
01:35:08,469 --> 01:35:03,619
yeah I may have to like watch that part

2162
01:35:10,869 --> 01:35:08,479
of the movie yes rocks I would be Team

2163
01:35:13,029 --> 01:35:10,879

werewolf yeah I think it's pretty cool

2164

01:35:15,520 --> 01:35:13,039

of the concept behind the werewolf is

2165

01:35:17,379 --> 01:35:15,530

this is kind of this is kind of the only

2166

01:35:19,330 --> 01:35:17,389

cool part is the origin story of the

2167

01:35:22,509 --> 01:35:19,340

werewolf this is kind of cool it's all

2168

01:35:26,169 --> 01:35:22,519

this like Native American legend we're

2169

01:35:28,149 --> 01:35:26,179

like vampires come to the area then they

2170

01:35:30,819 --> 01:35:28,159

then the all the teenagers that are of

2171

01:35:33,969 --> 01:35:30,829

age start turning into werewolves to

2172

01:35:36,699 --> 01:35:33,979

combat the the vampires to like protect

2173

01:35:38,529 --> 01:35:36,709

the people that's kind of comical idea

2174

01:35:40,119 --> 01:35:38,539

right that's kind of cool it's like if

2175

01:35:42,520 --> 01:35:40,129

there's no vampires in the area then

2176
01:35:44,799 --> 01:35:42,530
everybody's fine you grow up and then

2177
01:35:47,350 --> 01:35:44,809
you know the next generation but yeah

2178
01:35:49,839 --> 01:35:47,360
like I guess I can't remember fully like

2179
01:35:51,790 --> 01:35:49,849
the timeline but it's been a few you

2180
01:35:53,529 --> 01:35:51,800
know a hundred years or something you

2181
01:35:55,899 --> 01:35:53,539
know vampires don't age so they come

2182
01:35:57,489 --> 01:35:55,909
back to the town and then all sudden

2183
01:35:59,109 --> 01:35:57,499
these kids that grew up with these

2184
01:36:01,060 --> 01:35:59,119
legends of their grandfathers being

2185
01:36:03,250 --> 01:36:01,070
werewolves that what yeah they're like

2186
01:36:05,529 --> 01:36:03,260
oh [h__h] I'm a werewolf now this is you

2187
01:36:08,799 --> 01:36:05,539
know yeah kind of cool it's kind of cool

2188
01:36:12,279 --> 01:36:08,809

idea kind of cool yeah but the execution

2189

01:36:13,750 --> 01:36:12,289

is it's it's corny is fun yeah but

2190

01:36:16,029 --> 01:36:13,760

that's a cool light that's a cool little

2191

01:36:18,069 --> 01:36:16,039

idea in that movie like the Native

2192

01:36:22,500 --> 01:36:18,079

American legend thing yeah yeah that's

2193

01:36:29,489 --> 01:36:26,199

have you ever seen dang it what's the

2194

01:36:35,560 --> 01:36:29,499

name of that show I think it's called

2195

01:36:36,450 --> 01:36:35,570

the Great American bake-off know things

2196

01:36:39,540 --> 01:36:36,460

we

2197

01:36:41,190 --> 01:36:39,550

do in the shadows the shadows I think

2198

01:36:43,380 --> 01:36:41,200

there's something take a comedy withdraw

2199

01:36:45,810 --> 01:36:43,390

mine from from Flight of the Conchords

2200

01:36:48,510 --> 01:36:45,820

its whole air yeah dude it's so fun that

2201

01:36:50,130 --> 01:36:48,520

is so funny such a good like yeah yeah

2202

01:36:51,450 --> 01:36:50,140

and like they have werewolves that come

2203

01:36:56,070 --> 01:36:51,460

around and like they pee on their

2204

01:36:57,330 --> 01:36:56,080

property and they're like hey like the

2205

01:36:59,700 --> 01:36:57,340

one where he tries to become a citizen

2206

01:37:01,140 --> 01:36:59,710

uh-huh so funny and he finds out that

2207

01:37:04,740 --> 01:37:01,150

his country doesn't even exist anymore

2208

01:37:07,620 --> 01:37:04,750

because I what yeah your country like

2209

01:37:11,459 --> 01:37:07,630

disappeared like the 1700s he's like oh

2210

01:37:14,340 --> 01:37:11,469

my family oh god he's like I'm a man

2211

01:37:15,930 --> 01:37:14,350

with no country no it's hilarious dude I

2212

01:37:17,610 --> 01:37:15,940

love that show that's that's a funny

2213

01:37:18,959 --> 01:37:17,620

show I guess it's been a while since

2214

01:37:23,580 --> 01:37:18,969

I've seen it but I really

2215

01:37:25,440 --> 01:37:23,590

yeah it's super funny I like that they

2216

01:37:26,970 --> 01:37:25,450

just like kind of walk around and like

2217

01:37:31,380 --> 01:37:26,980

invite people to come party at their

2218

01:37:35,580 --> 01:37:31,390

house hey mate yes yeah it's a good one

2219

01:37:38,090 --> 01:37:35,590

I like that one that's dope whatever uh

2220

01:37:41,370 --> 01:37:38,100

oh

2221

01:37:42,060 --> 01:37:41,380

Frankenstein Frankenstein it's frank

2222

01:37:47,390 --> 01:37:42,070

enstein

2223

01:37:49,650 --> 01:37:47,400

punkin Steve's monster have you see The

2224

01:37:50,940 --> 01:37:49,660

Young Frankenstein a good style yeah

2225

01:37:53,790 --> 01:37:50,950

yeah but it's been a really long time

2226

01:37:54,570 --> 01:37:53,800

yeah it's hilarious yeah it's it's I

2227

01:37:55,920 --> 01:37:54,580

think it was like the first

2228

01:37:57,840 --> 01:37:55,930

black-and-white movie that I really

2229

01:37:59,729 --> 01:37:57,850

liked uh-huh I mean I've seen other

2230

01:38:02,040 --> 01:37:59,739

words since then but I remember being

2231

01:38:03,600 --> 01:38:02,050

like Mel Brooks hilarious yeah I

2232

01:38:05,190 --> 01:38:03,610

remember being pretty funny I don't I'm

2233

01:38:09,350 --> 01:38:05,200

terrible like you know I'm it really

2234

01:38:12,180 --> 01:38:09,360

sucks but I remember being funny it's

2235

01:38:14,610 --> 01:38:12,190

Frankenstein Frankenstein so anyway you

2236

01:38:16,170 --> 01:38:14,620

think there's any kind of like but you

2237

01:38:17,700 --> 01:38:16,180

know you oh you were saying there's

2238

01:38:21,479 --> 01:38:17,710

maybe a connection with like super

2239

01:38:23,880 --> 01:38:21,489

soldiers oh yeah like I mean just like

2240

01:38:27,000 --> 01:38:23,890

you know anything to do with like super

2241

01:38:29,490 --> 01:38:27,010

soldiers or like you know building body

2242

01:38:32,340 --> 01:38:29,500

parts like in a lab yeah you know like

2243

01:38:35,370 --> 01:38:32,350

like that's is that the the evolution of

2244

01:38:38,910 --> 01:38:35,380

this where like you know in the story or

2245

01:38:42,180 --> 01:38:38,920

you know he builds this monster from

2246

01:38:44,900 --> 01:38:42,190

just body parts their body parts but now

2247

01:38:47,370 --> 01:38:44,910

we can grow these body parts in a lab

2248

01:38:49,890 --> 01:38:47,380

yeah right you know like that we're all

2249

01:38:53,610 --> 01:38:49,900

like if we think about it like we're all

2250

01:38:55,740 --> 01:38:53,620

like there's a lot of people in this

2251

01:38:58,470 --> 01:38:55,750

world that are kind of you know the

2252

01:39:01,200 --> 01:38:58,480

monster of Frankenstein like you mean

2253

01:39:04,439 --> 01:39:01,210

like with prosthetic prosthetics and

2254

01:39:06,930 --> 01:39:04,449

like you know like my mom like she had a

2255

01:39:09,450 --> 01:39:06,940

whole neat crap grown in a lab and my

2256

01:39:11,430 --> 01:39:09,460

parents have had yeah like both of them

2257

01:39:13,979 --> 01:39:11,440

hip replacement it's like you have like

2258

01:39:17,220 --> 01:39:13,989

grown ears I mean they're doing face

2259

01:39:19,560 --> 01:39:17,230

transplants now like do head transplants

2260

01:39:21,419 --> 01:39:19,570

like they transplanted heads yeah didn't

2261

01:39:24,149 --> 01:39:21,429

subdued in China like just recently do

2262

01:39:26,669 --> 01:39:24,159

that like successfully that's insane bro

2263

01:39:29,700 --> 01:39:26,679

you like connect the nervous system to

2264

01:39:32,430 --> 01:39:29,710

your spine like your I've no idea brain

2265

01:39:35,459 --> 01:39:32,440

stem like what are you sending little

2266

01:39:36,510 --> 01:39:35,469

little nanobots in there like tie the

2267

01:39:39,930 --> 01:39:36,520

things together

2268

01:39:44,010 --> 01:39:39,940

I have no happen man and like there's

2269

01:39:45,479 --> 01:39:44,020

millions of them right yeah like I can't

2270

01:39:47,970 --> 01:39:45,489

even count that high millions of

2271

01:39:50,220 --> 01:39:47,980

nanobots no like like little nerve

2272

01:39:52,800 --> 01:39:50,230

endings no like yeah all like the

2273

01:39:55,410 --> 01:39:52,810

tendons and the muscles and and all the

2274

01:39:57,990 --> 01:39:55,420

veins and just like everything all the

2275

01:39:59,850 --> 01:39:58,000

blood vessels like how do you connect

2276

01:40:02,550 --> 01:39:59,860

all of that stuff do you just like kind

2277

01:40:04,470 --> 01:40:02,560

of like connect all like the main pieces

2278

01:40:07,649 --> 01:40:04,480

and let the rest of it kind of find

2279

01:40:09,240 --> 01:40:07,659

itself okay yeah yeah I mean like that's

2280

01:40:11,160 --> 01:40:09,250

just crazy like I always wondered like

2281

01:40:13,979 --> 01:40:11,170

like if you ever like have like an eye

2282

01:40:17,399 --> 01:40:13,989

transplant like yeah you see things

2283

01:40:20,130 --> 01:40:17,409

different like would you see through

2284

01:40:23,040 --> 01:40:20,140

their like literally there's there's a

2285

01:40:24,899 --> 01:40:23,050

horror movie about that is there yeah I

2286

01:40:26,310 --> 01:40:24,909

can't remember what it what it's about

2287

01:40:27,570 --> 01:40:26,320

but there's a horror movie where

2288

01:40:31,649 --> 01:40:27,580

somebody gets like double eye

2289

01:40:34,080 --> 01:40:31,659

transplants and she she sees like the

2290

01:40:37,050 --> 01:40:34,090

past owner like being murdered and like

2291

01:40:38,669 --> 01:40:37,060

oh she sees yeah it's it's it's a pretty

2292

01:40:40,470 --> 01:40:38,679

cool movie I can't remember it or like

2293

01:40:44,430 --> 01:40:40,480

it's called who do you think like like

2294

01:40:46,919 --> 01:40:44,440

eyes Carrie Carrie some sort of memory

2295

01:40:49,290 --> 01:40:46,929

to them mm-hmm - really you get a eye

2296

01:40:51,510 --> 01:40:49,300

transplant and you start having like

2297

01:40:54,810 --> 01:40:51,520

memories of like things that that

2298

01:40:56,880 --> 01:40:54,820

eyeball saw yeah you know like you they

2299

01:41:00,180 --> 01:40:56,890

there's been studies done about like how

2300

01:41:03,010 --> 01:41:00,190

your your stomach affects your your

2301

01:41:04,450 --> 01:41:03,020

emotions and now it has like memories

2302

01:41:06,910 --> 01:41:04,460

like your heart also affects your

2303

01:41:08,890 --> 01:41:06,920

emotions and has like synapses kind of

2304

01:41:10,300 --> 01:41:08,900

like the brain yeah things like that

2305

01:41:11,200 --> 01:41:10,310

there's got to be something to the

2306

01:41:13,240 --> 01:41:11,210

eyeball if you

2307

01:41:16,210 --> 01:41:13,250

it's your tool that you see the

2308

01:41:18,040 --> 01:41:16,220

experience this this life with yeah dude

2309

01:41:23,140 --> 01:41:18,050

maybe man do that so that's that's

2310

01:41:24,910 --> 01:41:23,150

pretty crazy witchcraft on it would you

2311

01:41:28,120 --> 01:41:24,920

would you ever get an eyeball transplant

2312

01:41:32,190 --> 01:41:28,130

if I was blind yeah totally do it like

2313

01:41:34,930 --> 01:41:32,200

totally hell yeah what if it was like

2314

01:41:38,470 --> 01:41:34,940

what if he was like Charlie Manson's eye

2315

01:41:40,180 --> 01:41:38,480

oh no no we're like then the eyeball of

2316

01:41:43,060 --> 01:41:40,190

like Ed Gein or something

2317

01:41:46,230 --> 01:41:43,070

who's that game Ed Gein he's like the

2318

01:41:48,850 --> 01:41:46,240

guy that like they they base like

2319

01:41:52,530 --> 01:41:48,860

Silence of the Lambs like Texas Chainsaw

2320

01:41:55,920 --> 01:41:52,540

Massacre Oh like he's an actual guy like

2321

01:41:59,050 --> 01:41:55,930

he like abducted like people and like

2322

01:42:00,880 --> 01:41:59,060

skinned their bodies and [h__h] [h__h] yeah

2323

01:42:01,690 --> 01:42:00,890

he made like they have like dude like

2324

01:42:03,490 --> 01:42:01,700

there's a belt

2325

01:42:06,820 --> 01:42:03,500

they found a belt in his house made of

2326

01:42:09,610 --> 01:42:06,830

nipples no yeah it's a belt and it has

2327

01:42:13,870 --> 01:42:09,620

this it's all nipples oh my god how many

2328

01:42:15,940 --> 01:42:13,880

people is that dude like 50 people that

2329

01:42:18,040 --> 01:42:15,950

depends on like he was a sign he was a

2330

01:42:21,610 --> 01:42:18,050

kind of a skinny guy so he was like

2331

01:42:23,230 --> 01:42:21,620

maybe like a 30 did you know what his

2332

01:42:25,630 --> 01:42:23,240

hand but like still I mean that's a lot

2333

01:42:28,090 --> 01:42:25,640

of nipples that is a [h__h] ton like third

2334

01:42:29,770 --> 01:42:28,100

day like they do we like they've found

2335

01:42:32,110 --> 01:42:29,780

like people like hanging upside down

2336

01:42:35,710 --> 01:42:32,120

like cut in half like he would skin

2337

01:42:37,930 --> 01:42:35,720

their bodies you're like like he had

2338

01:42:40,720 --> 01:42:37,940

lamps that were made from human skin

2339

01:42:43,120 --> 01:42:40,730

remember the lampshade yeah yeah like in

2340

01:42:44,470 --> 01:42:43,130

his fridge he had bowls and things off

2341

01:42:47,760 --> 01:42:44,480

like human skulls

2342

01:42:50,470 --> 01:42:47,770

it had no smelled horrible you know dude

2343

01:42:53,240 --> 01:42:50,480

terrible right arrow even the nipples

2344

01:42:55,850 --> 01:42:53,250

start to decay after a while that starts

2345

01:42:57,740 --> 01:42:55,860

right but I mean like if you know how to

2346

01:43:00,350 --> 01:42:57,750

like skin animals and like save the

2347

01:43:03,020 --> 01:43:00,360

skins right they don't stink yeah yeah

2348

01:43:07,790 --> 01:43:03,030

true you know so like it was like a taxi

2349

01:43:12,350 --> 01:43:07,800

Jeremy's like for humans like dude dad I

2350

01:43:16,910 --> 01:43:12,360

could not imagine I could not imagine

2351

01:43:19,130 --> 01:43:16,920

like what I wonder if he's like skin

2352

01:43:21,590 --> 01:43:19,140

them alive dude talk about spooky I'm

2353

01:43:23,840 --> 01:43:21,600

sure he did I'm sure he did

2354

01:43:26,330 --> 01:43:23,850

because that's probably part of like

2355

01:43:30,350 --> 01:43:26,340

that psychotic thrill know what I'm

2356

01:43:32,480 --> 01:43:30,360

saying like you first you like start

2357

01:43:34,160 --> 01:43:32,490

scoping people out right well I'm

2358

01:43:37,850 --> 01:43:34,170

getting a thrill out of this right and

2359

01:43:39,620 --> 01:43:37,860

then you're like oh [h__h] okay I'm ready

2360

01:43:41,360 --> 01:43:39,630

I'm gonna kidnap somebody uh-huh

2361

01:43:44,690 --> 01:43:41,370

new kidnapping me like that's like a

2362

01:43:47,390 --> 01:43:44,700

whole new like exhilarating thrill right

2363

01:43:49,760 --> 01:43:47,400

Ted Bundy man yeah like it's Halloween

2364

01:43:54,050 --> 01:43:49,770

talking about spooky [\h__\h] look up the

2365

01:43:55,460 --> 01:43:54,060

whole Ted Bundy [\h__\h] yeah and who's the

2366

01:43:57,530 --> 01:43:55,470

other like really famous dude that would

2367

01:44:00,380 --> 01:43:57,540

keep body parts and like eat them and

2368

01:44:05,120 --> 01:44:00,390

like cook them and [\h__\h] you think it is

2369

01:44:07,340 --> 01:44:05,130

a good I think it's a [\h__\h] man he was

2370

01:44:11,030 --> 01:44:07,350

like a really tall dude but he was like

2371

01:44:14,570 --> 01:44:11,040

big he was like a big guy oh he had so

2372

01:44:17,720 --> 01:44:14,580

he had like people like buried and under

2373

01:44:19,640 --> 01:44:17,730

his floorboard and [\h__\h] his house Casey

2374

01:44:22,490 --> 01:44:19,650

no that yeah I think that might be it

2375

01:44:24,710 --> 01:44:22,500

the clown mmm he dressed like a clown no

2376

01:44:27,650 --> 01:44:24,720

I don't think it was a clown guy but uh

2377

01:44:30,590 --> 01:44:27,660

he was like he would only he would only

2378

01:44:31,820 --> 01:44:30,600

capture like mayors of clowns I think

2379

01:44:33,350 --> 01:44:31,830

that's what there was there was one

2380

01:44:35,570 --> 01:44:33,360

serial killer that would definitely

2381

01:44:37,750 --> 01:44:35,580

dressed up as a clown for sure yeah I

2382

01:44:46,970 --> 01:44:37,760

don't know who we should look it up

2383

01:44:48,530 --> 01:44:46,980

serial killer John Wayne Gacy yeah John

2384

01:44:49,550 --> 01:44:48,540

Wayne Gacy yeah John Wayne Gacy well I

2385

01:44:53,080 --> 01:44:49,560

can't think of the other one that

2386

01:44:56,120 --> 01:44:53,090

Jeffrey maybe it's Jeffrey Dahmer I

2387

01:45:01,600 --> 01:44:56,130

think he's the one that like yeah yeah

2388

01:45:06,170 --> 01:45:04,400

that's some creepy [h__h] talk about being

2389

01:45:07,229 --> 01:45:06,180
scared on Halloween night yeah

2390

01:45:09,029 --> 01:45:07,239
absolutely

2391

01:45:11,339 --> 01:45:09,039
look at how creepy it game looks like

2392

01:45:13,049 --> 01:45:11,349
he's just like us you see his eyes dude

2393

01:45:15,149 --> 01:45:13,059
like look at all their eyes bro like the

2394

01:45:18,299 --> 01:45:15,159
eyes are just like all their eyes you

2395

01:45:24,439 --> 01:45:18,309
could see it do Richard met Ramirez I'm

2396

01:45:34,020 --> 01:45:30,000
why is John Wayne on a list of because

2397

01:45:39,500 --> 01:45:34,030
it's John Wayne people also John Wayne

2398

01:45:44,779 --> 01:45:42,540
is the rootin tootin cowboy dude

2399

01:45:47,759 --> 01:45:44,789
speaking of like serial killer mentality

2400

01:45:54,509 --> 01:45:47,769
how about that horror house that torture

2401
01:45:56,850 --> 01:45:54,519
house oh yeah McKinney Manor yeah bro

2402
01:45:59,069 --> 01:45:56,860
dude that is some [h__h] up what the

2403
01:46:01,049 --> 01:45:59,079
hell I can't believe it's just one it's

2404
01:46:05,580 --> 01:46:01,059
just one guy and he like so it's weird

2405
01:46:07,950 --> 01:46:05,590
because I've seen this now for a couple

2406
01:46:10,290 --> 01:46:07,960
years right I've seen this and I'm

2407
01:46:12,149 --> 01:46:10,300
always like oh yeah that's creepy that

2408
01:46:14,399 --> 01:46:12,159
sucks for those people right but this is

2409
01:46:18,209 --> 01:46:14,409
the first year that like I think that

2410
01:46:20,250 --> 01:46:18,219
he's like hey I'm offering twenty

2411
01:46:22,290 --> 01:46:20,260
thousand dollars to whoever can make it

2412
01:46:25,290 --> 01:46:22,300
through this thing nobody's ever made it

2413
01:46:27,810 --> 01:46:25,300

through the whole thing right and I've

2414

01:46:29,939 --> 01:46:27,820

seen it before and it it looked intense

2415

01:46:32,640 --> 01:46:29,949

right but obviously Google was a haunted

2416

01:46:34,439 --> 01:46:32,650

house I think it started out like that

2417

01:46:38,009 --> 01:46:34,449

okay but in the haunted house they could

2418

01:46:39,569 --> 01:46:38,019

like they can grab you and stuff you

2419

01:46:42,270 --> 01:46:39,579

said like stick you with needles yeah

2420

01:46:44,489 --> 01:46:42,280

like on the on the contract it has you

2421

01:46:46,379 --> 01:46:44,499

signed the contract that it is possible

2422

01:46:49,109 --> 01:46:46,389

you could be stuck with hypodermic

2423

01:46:52,950 --> 01:46:49,119

needles you could be you have tasers

2424

01:46:55,529 --> 01:46:52,960

used on you all kinds of like no like

2425

01:46:57,930 --> 01:46:55,539

mouse traps or like there will be stuff

2426

01:47:00,870 --> 01:46:57,940

going in your mouth there will be stuff

2427

01:47:03,930 --> 01:47:00,880

in your mouth so it's up to you to know

2428

01:47:06,359 --> 01:47:03,940

better than to swallow it all types of

2429

01:47:09,500 --> 01:47:06,369

food coloring Reese's like mud

2430

01:47:12,359 --> 01:47:09,510

you know they waterboard you you know

2431

01:47:14,129 --> 01:47:12,369

dude I mean it's it's intense they they

2432

01:47:17,040 --> 01:47:14,139

put you in like medieval torture devices

2433

01:47:18,129 --> 01:47:17,050

things like that yeah you know iron

2434

01:47:20,889 --> 01:47:18,139

maidens and

2435

01:47:24,939 --> 01:47:20,899

yeah you know and I think it's really

2436

01:47:26,799 --> 01:47:24,949

like psychological like like they'll

2437

01:47:28,419 --> 01:47:26,809

they'll put you in like a coffin and

2438

01:47:30,370 --> 01:47:28,429

then they'll start to fill it with water

2439

01:47:32,649 --> 01:47:30,380

oh [h__h] I'm to like you can barely

2440

01:47:34,449 --> 01:47:32,659

breathe and they may be like they'll let

2441

01:47:36,370 --> 01:47:34,459

some water out and then they'll fill it

2442

01:47:38,679 --> 01:47:36,380

up again and you just like start

2443

01:47:41,589 --> 01:47:38,689

freaking out cuz cuz one they

2444

01:47:44,350 --> 01:47:41,599

blindfolded you to it you can't breathe

2445

01:47:46,479 --> 01:47:44,360

you know you're in this coffin and then

2446

01:47:48,580 --> 01:47:46,489

you have some some creepy guy like

2447

01:47:50,589 --> 01:47:48,590

laughing and like screaming at you the

2448

01:47:52,750 --> 01:47:50,599

whole time and like I think it I think

2449

01:47:55,569 --> 01:47:52,760

it's psychologically like just breaks

2450

01:47:57,729 --> 01:47:55,579

you down yeah right um and one guy did a

2451

01:48:02,560 --> 01:47:57,739

video where he's like dude they

2452

01:48:05,409 --> 01:48:02,570

literally like were slapping my face and

2453

01:48:09,129 --> 01:48:05,419

like punching me in the stomach I'd say

2454

01:48:12,580 --> 01:48:09,139

like they beat you what like that just

2455

01:48:14,770 --> 01:48:12,590

okay \$20,000 is a lot of money yeah so

2456

01:48:18,069 --> 01:48:14,780

[h__\h] man you really needed that bad he

2457

01:48:19,989 --> 01:48:18,079

says they he was saying that you have a

2458

01:48:21,669 --> 01:48:19,999

safe word but he's like when you say the

2459

01:48:23,350 --> 01:48:21,679

safe word it's not gonna stop

2460

01:48:25,899 --> 01:48:23,360

immediately we just know that you're

2461

01:48:27,969 --> 01:48:25,909

having enough and it's gonna slowly kind

2462

01:48:30,250 --> 01:48:27,979

of start to die down this guy was like

2463

01:48:33,189 --> 01:48:30,260

dude like I said the safe word and I was

2464

01:48:36,790 --> 01:48:33,199

in there for like another hour [h__h] and

2465

01:48:38,199 --> 01:48:36,800

they dig you know like finally like when

2466

01:48:40,000 --> 01:48:38,209

I said the safe word early you had

2467

01:48:42,009 --> 01:48:40,010

enough and blah blah blah like he was

2468

01:48:43,959 --> 01:48:42,019

like so you know they kind of laid off

2469

01:48:46,089 --> 01:48:43,969

and they took the blindfold off me so

2470

01:48:48,790 --> 01:48:46,099

like I could finally see but they kept

2471

01:48:50,739 --> 01:48:48,800

doing [h__h] and then then like a little

2472

01:48:52,779 --> 01:48:50,749

bit later than they would like undo my

2473

01:48:55,870 --> 01:48:52,789

hands and like so finally I could like

2474

01:48:57,429 --> 01:48:55,880

kind of like sit up on my own and like

2475

01:49:00,339 --> 01:48:57,439

be able to get out of this thing and

2476

01:49:01,959 --> 01:49:00,349

like breathe finally they still keep you

2477

01:49:04,509 --> 01:49:01,969

in there and they like just like

2478

01:49:06,129 --> 01:49:04,519

decorate you like make you say things

2479

01:49:11,889 --> 01:49:06,139

but it's all one dude you're a halyard

2480

01:49:13,540 --> 01:49:11,899

like yeah on the website is like a bunch

2481

01:49:16,120 --> 01:49:13,550

of videos and there's one I'm seeing

2482

01:49:18,850 --> 01:49:16,130

it's like that dentist apparatus that

2483

01:49:20,830 --> 01:49:18,860

keeps your mouth open so you say it

2484

01:49:23,199 --> 01:49:20,840

close your mouth so in the contract in

2485

01:49:27,609 --> 01:49:23,209

the contract it says if you go to the

2486

01:49:30,429 --> 01:49:27,619

dental room you are aware that a tooth

2487

01:49:31,280 --> 01:49:30,439

may be extracted without any anesthesia

2488

01:49:33,740 --> 01:49:31,290

Oh

2489

01:49:36,380 --> 01:49:33,750

my god so you have the potential of

2490

01:49:38,630 --> 01:49:36,390

having a tooth removed if you go to the

2491

01:49:40,850 --> 01:49:38,640

dental room without any this dude looks

2492

01:49:42,710 --> 01:49:40,860

like he has some [h__h] up teeth at the

2493

01:49:44,480 --> 01:49:42,720

bottom it looks like maybe he had his

2494

01:49:47,240 --> 01:49:44,490

tooth removed they put like those those

2495

01:49:50,300 --> 01:49:47,250

like mouth spacers in your mouth yeah so

2496

01:49:54,020 --> 01:49:50,310

yeah they can like pull your teeth bro

2497

01:49:56,000 --> 01:49:54,030

stick you with needles and [h__h] no see

2498

01:49:58,010 --> 01:49:56,010

okay so that's definitely good taking it

2499

01:50:02,030 --> 01:49:58,020

too far from the haunted house thing but

2500

01:50:03,980 --> 01:50:02,040

it is scary is creepy ah man that's some

2501

01:50:06,380 --> 01:50:03,990

fucked-up stuff to talk about and it's

2502

01:50:07,790 --> 01:50:06,390

just one dude he's got to get off on

2503

01:50:10,610 --> 01:50:07,800

that you know he probably watches those

2504

01:50:12,590 --> 01:50:10,620

videos I mean I think there's like other

2505

01:50:15,860 --> 01:50:12,600

people like I think there's other people

2506

01:50:18,470 --> 01:50:15,870

in there like helping okay like like a

2507

01:50:21,380 --> 01:50:18,480

like a band of goons basically in the in

2508

01:50:25,610 --> 01:50:21,390

the house like throwing you around and

2509

01:50:29,270 --> 01:50:25,620

stuff like that but it's uh it's it

2510

01:50:32,840 --> 01:50:29,280

looks really really intense way too

2511

01:50:34,310 --> 01:50:32,850

intense yeah I mean like it's one thing

2512

01:50:37,190 --> 01:50:34,320

to like go through a haunted house but

2513

01:50:39,050 --> 01:50:37,200

like to like sign up to be tortured it's

2514

01:50:41,240 --> 01:50:39,060

a torture chamber that's what it is yeah

2515

01:50:45,280 --> 01:50:41,250

it's just a torture chamber and it lasts

2516

01:50:50,810 --> 01:50:48,950

no no way dude no way

2517

01:50:51,980 --> 01:50:50,820

yeah I think I could do a haunted house

2518

01:50:55,400 --> 01:50:51,990

was the last time you went to a haunted

2519

01:50:57,740 --> 01:50:55,410

house uh I mean it's been a while but

2520

01:50:59,390 --> 01:50:57,750

yeah what's the famous one here house of

2521

01:51:01,760 --> 01:50:59,400

torment a house in torment is usually

2522

01:51:03,200 --> 01:51:01,770

pretty good yeah it's very good quality

2523

01:51:04,970 --> 01:51:03,210

I guess I haven't been since like middle

2524

01:51:08,630 --> 01:51:04,980

school that was probably way better now

2525

01:51:09,740 --> 01:51:08,640

yeah it is it's pretty quality man yeah

2526

01:51:13,760 --> 01:51:09,750

we've the house of Ptolemies

2527

01:51:16,550 --> 01:51:13,770

awesome dad I don't know me I wonder if

2528

01:51:19,850 --> 01:51:16,560

they stopped doing it after Halloween so

2529

01:51:21,320 --> 01:51:19,860

they do like a valentine Massacre one if

2530

01:51:24,170 --> 01:51:21,330

you're like a crazy like a creepy

2531

01:51:26,660 --> 01:51:24,180

Christmas one so they keep it going it's

2532

01:51:29,900 --> 01:51:26,670

like a fool like full-on production cool

2533

01:51:31,960 --> 01:51:29,910

huh like I think it was like last year

2534

01:51:35,780 --> 01:51:31,970

or the year before they had like a

2535

01:51:38,330 --> 01:51:35,790

zombie apocalypse theme like a like car

2536

01:51:41,110 --> 01:51:38,340

seat fire and she like there was an ad

2537

01:51:44,779 --> 01:51:41,120

for people to be zombies like yeah

2538

01:51:47,569 --> 01:51:44,789

actors who calling you know call card

2539

01:51:49,189 --> 01:51:47,579

yeah pretty crazy this pretty cray but

2540

01:51:50,029 --> 01:51:49,199

yeah yeah how storm is dope house

2541

01:51:54,649 --> 01:51:50,039

torment yeah

2542

01:51:56,839 --> 01:51:54,659

shoutout to house of torment right yeah

2543

01:52:00,529 --> 01:51:56,849

dude yeah that's it's it's crazy man

2544

01:52:03,589 --> 01:52:00,539

it's it's nuts I would not I would not

2545

01:52:06,950 --> 01:52:03,599

go to that McCamey manner those no

2546

01:52:09,620 --> 01:52:06,960

that's some creepy [h__h] man \$20,000 yeah

2547

01:52:12,970 --> 01:52:09,630

I will give you \$20,000 if you can make

2548

01:52:15,109 --> 01:52:12,980

it and he guarantees nobody will make it

2549

01:52:18,080 --> 01:52:15,119

so you know it's it's like it's like

2550

01:52:20,600 --> 01:52:18,090

free reign like on his end yeah so like

2551
01:52:22,640 --> 01:52:20,610
as you get closer to making it he's

2552
01:52:25,759 --> 01:52:22,650
gonna do like worse and worse things to

2553
01:52:27,740 --> 01:52:25,769
you I wonder what the limit is

2554
01:52:31,970 --> 01:52:27,750
you know like can you chop a finger off

2555
01:52:35,060 --> 01:52:31,980
I mean you you sign the contract that

2556
01:52:38,359 --> 01:52:35,070
says that you could get cut you could

2557
01:52:41,899 --> 01:52:38,369
have broken bones your back and or neck

2558
01:52:44,270 --> 01:52:41,909
could possibly be messed up you have to

2559
01:52:45,979 --> 01:52:44,280
take a physical you have to bring in

2560
01:52:49,459 --> 01:52:45,989
doctors records that you're not allergic

2561
01:52:51,709 --> 01:52:49,469
to anything you have to ya have like a

2562
01:52:53,990 --> 01:52:51,719
psychological exam and bring all that

2563
01:52:56,419 --> 01:52:54,000

stuff with you and you have to read

2564

01:52:59,390 --> 01:52:56,429

through this big-ass contract you know

2565

01:53:03,500 --> 01:52:59,400

oh hey your bones could be broken in

2566

01:53:05,930 --> 01:53:03,510

here hey you could possibly die and even

2567

01:53:08,029 --> 01:53:05,940

says the only people that have ever been

2568

01:53:10,879 --> 01:53:08,039

hurt seriously hurt or people who just

2569

01:53:13,220 --> 01:53:10,889

aren't are psychologically ready wow

2570

01:53:15,259 --> 01:53:13,230

yeah so people have been like seriously

2571

01:53:17,660 --> 01:53:15,269

injured well I wonder if people have

2572

01:53:18,350 --> 01:53:17,670

like post-traumatic stress after oh I'm

2573

01:53:20,479 --> 01:53:18,360

sure they do

2574

01:53:21,799 --> 01:53:20,489

I'm sure there's like being in being a

2575

01:53:23,810 --> 01:53:21,809

prisoner of war or something

2576

01:53:26,870 --> 01:53:23,820

yeah you know he had nightmares about

2577

01:53:30,490 --> 01:53:26,880

that [\h__\h] yeah dude and and they did it

2578

01:53:35,600 --> 01:53:30,500

for free they paid for it probably yep

2579

01:53:37,759 --> 01:53:35,610

yep oh yeah never gonna do that he makes

2580

01:53:39,350 --> 01:53:37,769

him say he's like you know like what do

2581

01:53:42,259 --> 01:53:39,360

you see him they're like I'm sorry for

2582

01:53:44,479 --> 01:53:42,269

wasting your time I'm sorry for wasting

2583

01:53:48,109 --> 01:53:44,489

my friends time I'm a total failure

2584

01:53:50,540 --> 01:53:48,119

oh no does he's broken yeah like they

2585

01:53:54,319 --> 01:53:50,550

they like break these people do theirs

2586

01:53:55,069 --> 01:53:54,329

they're like crying oh yeah geez it's

2587

01:53:57,630 --> 01:53:55,079

nuts man

2588

01:53:59,310 --> 01:53:57,640

I wouldn't do it if anybody

2589

01:54:00,960 --> 01:53:59,320

listening has ever been through their

2590

01:54:03,180 --> 01:54:00,970

well know somebody who's been through

2591

01:54:07,680 --> 01:54:03,190

there huh hit us up I want to know like

2592

01:54:10,350 --> 01:54:07,690

a first-hand experience yeah then I want

2593

01:54:12,660 --> 01:54:10,360

to know so if you guys know anybody

2594

01:54:15,000 --> 01:54:12,670

who's done it or you yourself have done

2595

01:54:16,290 --> 01:54:15,010

yeah you should give some Doug stuff a

2628

01:55:43,770 --> 01:55:40,660

some alien stuff that was a good episode

2638

01:56:11,520 --> 01:56:10,240

man and uh and ladies and gentlemen boys

2639

01:56:14,700 --> 01:56:11,530

and girls just remember

2640

01:56:16,440 --> 01:56:14,710

Jeffrey Epstein did not kill himself yes

2641

01:56:21,180 --> 01:56:16,450

thank you thank you so much for saying

2646

01:56:33,840 --> 01:56:29,650
