

UFO GARAGE PODCAST

Episode 28

GUEST: **Ryan Sprague**

1
00:00:08,870 --> 00:00:05,440

[Music]

2
00:00:10,820 --> 00:00:08,880

this is another episode of UFO Quran I'm

3
00:00:14,620 --> 00:00:10,830

Ben and I'm Joe and this is where we

4
00:00:18,760 --> 00:00:14,630

talk about UFOs aliens and all things we

5
00:00:22,970 --> 00:00:18,770

associate a wine sprague it'sit's a very

6
00:00:24,560 --> 00:00:22,980

important episode for me number 28 is

7
00:00:28,099 --> 00:00:24,570

very symbolic Oh

8
00:00:32,359 --> 00:00:28,109

because 28 is also the year I lost my

9
00:00:35,600 --> 00:00:32,369

virginity whoa dude 1928 no no I was 28

10
00:00:38,540 --> 00:00:35,610

years old oh dude hell yeah - I was born

11
00:00:49,069 --> 00:00:38,550

on June 28 no I stood so significant for

12
00:00:50,540 --> 00:00:49,079

both of us yeah man I'm just kidding you

13
00:00:54,850 --> 00:00:50,550

man I've been dating for like eight

14

00:00:59,990 --> 00:00:57,650

I'll just joking I've been slamming that

15

00:01:02,330 --> 00:01:00,000

ham a long time but like really hams

16

00:01:05,230 --> 00:01:02,340

real ham like I swam hams on the

17

00:01:11,570 --> 00:01:08,060

yeah so Ryan sprang today do don't you

18

00:01:13,070 --> 00:01:11,580

talked about this so excite well I mean

19

00:01:16,999 --> 00:01:13,080

this is after the fact I'm so excited

20

00:01:20,749 --> 00:01:17,009

for you people to hear this episode like

21

00:01:25,850 --> 00:01:20,759

well I'm excited for it before the fact

22

00:01:28,940 --> 00:01:25,860

I I am also excited for the in the

23

00:01:32,450 --> 00:01:28,950

episode and also furthermore and also

24

00:01:34,760 --> 00:01:32,460

talking to him yes dude so what do we

25

00:01:36,620 --> 00:01:34,770

got on the on the agenda today for the

26
00:01:38,420 --> 00:01:36,630
Facebook thing oh yeah dude we got so

27
00:01:40,429 --> 00:01:38,430
much stuff on the Facebook we're gonna

28
00:01:41,749 --> 00:01:40,439
have to go through yeah if you're not on

29
00:01:43,940 --> 00:01:41,759
our group from a Facebook group check

30
00:01:45,440 --> 00:01:43,950
out UFO garage podcast group join the

31
00:01:47,450 --> 00:01:45,450
conversation post some stuff you find

32
00:01:49,789 --> 00:01:47,460
stuff something on YouTube or an image

33
00:01:52,010 --> 00:01:49,799
post it and see what people say yeah

34
00:01:55,190 --> 00:01:52,020
this one is called this one's awesome

35
00:01:58,399 --> 00:01:55,200
from Chris the oh five three the memoirs

36
00:02:00,109 --> 00:01:58,409
of Jack Carole fart one did it's so

37
00:02:02,120 --> 00:02:00,119
awesome that was pretty dope such an

38
00:02:03,350 --> 00:02:02,130

awesome story that was really awesome I

39

00:02:07,340 --> 00:02:03,360

can't wait for part two

40

00:02:09,859 --> 00:02:07,350

I know a Chris is part two uh is it is

41

00:02:11,860 --> 00:02:09,869

it is it already done or is it like

42

00:02:14,530 --> 00:02:11,870

you're just waiting to put it out

43

00:02:15,280 --> 00:02:14,540

he's still gotta talk to him or what cuz

44

00:02:17,470 --> 00:02:15,290

that was pretty sick

45

00:02:19,449 --> 00:02:17,480

I enjoyed that one yeah that was pretty

46

00:02:21,100 --> 00:02:19,459

dope that was pretty dope yeah I didn't

47

00:02:24,100 --> 00:02:21,110

realize that he was the one that he that

48

00:02:25,660 --> 00:02:24,110

did the interview whoo right great

49

00:02:27,460 --> 00:02:25,670

here's a nice experience or interview I

50

00:02:28,960 --> 00:02:27,470

did recently yeah yeah I didn't know

51
00:02:32,860 --> 00:02:28,970
that he was doing that interviewed him

52
00:02:34,690 --> 00:02:32,870
uh-huh that's sick yeah yeah uh that's

53
00:02:36,699 --> 00:02:34,700
his podcast right there oh dude well

54
00:02:39,850 --> 00:02:36,709
yeah cuz then he also did like cast he

55
00:02:43,180 --> 00:02:39,860
also did the the live or he did the

56
00:02:47,830 --> 00:02:43,190
podcast with his friend from alien Colin

57
00:02:50,770 --> 00:02:47,840
I think too and then recently he did how

58
00:02:52,630 --> 00:02:50,780
was it a Bigfoot one I think I can't I

59
00:02:55,690 --> 00:02:52,640
can't remember so I can't remember but

60
00:02:58,119 --> 00:02:55,700
yeah dude I enjoy it conspire a theory

61
00:02:58,539 --> 00:02:58,129
is the name of the podcast mm-hmm that's

62
00:03:01,180 --> 00:02:58,549
awesome

63
00:03:02,979 --> 00:03:01,190

so check it out it y'all it's really

64

00:03:05,080 --> 00:03:02,989

good yeah I don't want to ruin the story

65

00:03:07,210 --> 00:03:05,090

but man it's sick

66

00:03:10,030 --> 00:03:07,220

yeah his experience her story was was

67

00:03:11,619 --> 00:03:10,040

pretty awesome yeah it's deaf what else

68

00:03:12,460 --> 00:03:11,629

we get that snake thing that rattlesnake

69

00:03:14,500 --> 00:03:12,470

thing uh-huh

70

00:03:17,319 --> 00:03:14,510

timber rattlers oh yeah that's pretty

71

00:03:18,970 --> 00:03:17,329

crazy with the being like sweeping up

72

00:03:22,059 --> 00:03:18,980

the room uh-huh

73

00:03:25,270 --> 00:03:22,069

in a medical room right yeah well you

74

00:03:27,670 --> 00:03:25,280

know I can't really touch you am I done

75

00:03:30,250 --> 00:03:27,680

he's like well you know you got some

76

00:03:32,949 --> 00:03:30,260

stuff you got to do it sounded like like

77

00:03:36,129 --> 00:03:32,959

one of those tertiary actors in a like

78

00:03:37,930 --> 00:03:36,139

an FBI show where they go and like

79

00:03:40,390 --> 00:03:37,940

interview people at their jobs and they

80

00:03:42,479 --> 00:03:40,400

keep doing their jobs is like the FBI is

81

00:03:46,420 --> 00:03:42,489

interviewing like put down the broom

82

00:03:49,360 --> 00:03:46,430

exactly there's always that dude I like

83

00:03:51,550 --> 00:03:49,370

CSI Miami where he's like the box guy

84

00:03:58,259 --> 00:03:51,560

where he's holding a box and just moving

85

00:04:01,539 --> 00:03:58,269

boxes like the police are talking to you

86

00:04:03,550 --> 00:04:01,549

yeah Melinda Leslie last week dude yeah

87

00:04:06,940 --> 00:04:03,560

do you don't suck that was pretty sick

88

00:04:09,009 --> 00:04:06,950

no that was a good one yeah man yeah

89

00:04:10,330 --> 00:04:09,019

that was that was really in-depth is

90

00:04:12,479 --> 00:04:10,340

awesome talking to her he's one of my

91

00:04:13,750 --> 00:04:12,489

faves morning yeah do you father hard

92

00:04:18,330 --> 00:04:13,760

soft

93

00:04:20,020 --> 00:04:18,340

yeah thanks Alejandra for doing that

94

00:04:22,000 --> 00:04:20,030

photography touch-up that was

95

00:04:23,260 --> 00:04:22,010

immediately yeah most of the ensures

96

00:04:26,409 --> 00:04:23,270

that your picture sucks

97

00:04:27,850 --> 00:04:26,419

watch this yeah I couldn't even figure

98

00:04:28,270 --> 00:04:27,860

out how to do it I use Photoshop all the

99

00:04:29,890 --> 00:04:28,280

time

100

00:04:31,930 --> 00:04:29,900

maybe there's I'll go look at it

101
00:04:33,309 --> 00:04:31,940
tutorial maybe we just send all of our

102
00:04:37,480 --> 00:04:33,319
stuff to on the hound reverse and then

103
00:04:41,170 --> 00:04:37,490
right never have her doctor it up for us

104
00:04:45,279 --> 00:04:41,180
it's pretty sick oh it looks like so the

105
00:04:46,960 --> 00:04:45,289
Trump and UFOs video that Dan posted I I

106
00:04:48,790 --> 00:04:46,970
clicked on it and it said the videos

107
00:04:51,309 --> 00:04:48,800
were moved which is weird because

108
00:04:53,800 --> 00:04:51,319
earlier today I started watching the

109
00:04:56,290 --> 00:04:53,810
beginning and then the old lady was like

110
00:04:59,620 --> 00:04:56,300
hey let's take the dogs for a walk and I

111
00:05:01,029 --> 00:04:59,630
was like okay and so we went to dogs for

112
00:05:03,399 --> 00:05:01,039
a walk and I came back and then it was

113
00:05:06,159 --> 00:05:03,409

time to podcast and then when I got here

114

00:05:08,800 --> 00:05:06,169

so between that time me eating tacos

115

00:05:12,390 --> 00:05:08,810

taking the dog the dogs for a walk yeah

116

00:05:18,670 --> 00:05:12,400

and then coming here it was taken down

117

00:05:20,379 --> 00:05:18,680

creepy looks like posted a new link

118

00:05:22,510 --> 00:05:20,389

maybe it was just a link in the video

119

00:05:24,369 --> 00:05:22,520

but you you must have clicked on the

120

00:05:27,610 --> 00:05:24,379

video from Facebook I wonder I did it

121

00:05:29,740 --> 00:05:27,620

didn't work didn't yeah that was

122

00:05:30,969 --> 00:05:29,750

December 8 today it was uploaded today

123

00:05:33,430 --> 00:05:30,979

oh snap

124

00:05:37,680 --> 00:05:33,440

Oh Rio oh it says reuploaded to fix

125

00:05:40,930 --> 00:05:37,690

audio problems oh alright no conspiracy

126

00:05:43,089 --> 00:05:40,940

you know what I still think the FBI did

127

00:05:45,309 --> 00:05:43,099

yeah do me well now we're gonna have to

128

00:05:47,680 --> 00:05:45,319

go back and watch the whole thing so so

129

00:05:48,790 --> 00:05:47,690

we're gonna talk about it but they were

130

00:05:51,430 --> 00:05:48,800

like ah [h__\h]

131

00:05:52,809 --> 00:05:51,440

it got taken down we're like it's Piercy

132

00:05:55,059 --> 00:05:52,819

and then we were like well let's talk

133

00:05:57,309 --> 00:05:55,069

about the conspiracy and then now I just

134

00:06:02,080 --> 00:05:57,319

got reloaded so now I don't have

135

00:06:05,290 --> 00:06:02,090

anything to say bummer

136

00:06:07,360 --> 00:06:05,300

yeah well Wow damn weed you know it's

137

00:06:09,279 --> 00:06:07,370

it's still cool we're gonna have to yeah

138

00:06:11,080 --> 00:06:09,289

yeah what I want it yeah so we'll be

139

00:06:15,309 --> 00:06:11,090

prepared for next week's episode

140

00:06:17,620 --> 00:06:15,319

UFO garage podcast oh yeah yeah well uh

141

00:06:19,480 --> 00:06:17,630

man this is an interview with Ryan

142

00:06:20,409 --> 00:06:19,490

Sprague awesome so stoked for you guys

143

00:06:22,480 --> 00:06:20,419

to hear it

144

00:06:25,689 --> 00:06:22,490

what do you say we get into it let's get

145

00:06:27,760 --> 00:06:25,699

into it dude well what's up Bryan thanks

146

00:06:30,850 --> 00:06:27,770

for being on the UFO garage podcast and

147

00:06:32,180 --> 00:06:30,860

I dude my pleasure guys hey listen I've

148

00:06:34,280 --> 00:06:32,190

become a

149

00:06:37,160 --> 00:06:34,290

and in the past couple months or so when

150

00:06:38,570 --> 00:06:37,170

I heard about you guys so I'm super

151

00:06:40,970 --> 00:06:38,580

honored to be here to be completely

152

00:06:43,310 --> 00:06:40,980

honest - thank you thank you awesome man

153

00:06:45,200 --> 00:06:43,320

thanks a lot yeah we uh we uh we

154

00:06:48,200 --> 00:06:45,210

thoroughly enjoy your show as well man

155

00:06:49,280 --> 00:06:48,210

yes it's uh it's it's a blast it gets me

156

00:06:50,140 --> 00:06:49,290

through my workday you know what I'm

157

00:06:52,670 --> 00:06:50,150

saying

158

00:06:56,540 --> 00:06:52,680

that's what podcasts are for let's be

159

00:06:58,310 --> 00:06:56,550

absolutely well hey man I guess just for

160

00:07:02,180 --> 00:06:58,320

maybe some of our listeners who may not

161

00:07:04,150 --> 00:07:02,190

be too familiar with you let them know

162

00:07:05,960 --> 00:07:04,160

you know who you are what you do brother

163

00:07:10,130 --> 00:07:05,970

yeah absolutely

164

00:07:13,070 --> 00:07:10,140

um I I'm a UFO researcher journalist

165

00:07:15,350 --> 00:07:13,080

podcast host author blah blah blah

166

00:07:17,900 --> 00:07:15,360

sort of done it all in the UFO field um

167

00:07:20,810 --> 00:07:17,910

ever since I was pretty young to be

168

00:07:24,230 --> 00:07:20,820

honest I had a UFO sighting back in 1995

169

00:07:25,910 --> 00:07:24,240

that kind of changed my life and um you

170

00:07:28,400 --> 00:07:25,920

know after that I started looking into

171

00:07:31,610 --> 00:07:28,410

the topic and taking out books at the

172

00:07:33,620 --> 00:07:31,620

library on UFOs and you know Loch Ness

173

00:07:36,560 --> 00:07:33,630

monster Bigfoot all that's all that fun

174

00:07:38,210 --> 00:07:36,570

stuff and it kind of just followed me

175

00:07:41,020 --> 00:07:38,220

for the rest of my life I started

176

00:07:45,260 --> 00:07:41,030

interviewing people in my hometown of

177

00:07:48,770 --> 00:07:45,270

Syracuse New York you know even so much

178

00:07:51,380 --> 00:07:48,780

to say I interviewed a Vietnam veteran

179

00:07:53,659 --> 00:07:51,390

when I was twelve and a half years old

180

00:07:57,650 --> 00:07:53,669

about a UFO sighting he had over the

181

00:07:59,600 --> 00:07:57,660

Pacific Oceans I started started pretty

182

00:08:02,390 --> 00:07:59,610

young I was the first person he ever

183

00:08:05,090 --> 00:08:02,400

told about this and kind of the last two

184

00:08:07,070 --> 00:08:05,100

he passed away a few months after I took

185

00:08:09,050 --> 00:08:07,080

down his story so I really think it was

186

00:08:10,909 --> 00:08:09,060

meant to be and that that kind of

187

00:08:13,070 --> 00:08:10,919

propelled me forward to keep doing this

188

00:08:16,010 --> 00:08:13,080

whole UFO journalism thing and just

189

00:08:17,750 --> 00:08:16,020

going around meeting people talking to

190

00:08:19,130 --> 00:08:17,760

people and hearing their incredible

191

00:08:21,290 --> 00:08:19,140

stories about UFOs

192

00:08:23,120 --> 00:08:21,300

that's awesome yeah that's super cool I

193

00:08:26,960 --> 00:08:23,130

want to hear only hear the story man oh

194

00:08:28,430 --> 00:08:26,970

my story yeah yeah yeah Oh totally yeah

195

00:08:29,930 --> 00:08:28,440

yeah tell us about your experience you'd

196

00:08:32,930 --> 00:08:29,940

like run us through from the beginning

197

00:08:35,060 --> 00:08:32,940

to the end you got it you got it

198

00:08:37,370 --> 00:08:35,070

I'm sort of at this point got a Cliff

199

00:08:38,420 --> 00:08:37,380

Notes version so I won't uh I won't keep

200

00:08:41,029 --> 00:08:38,430

you too long with it

201
00:08:44,360 --> 00:08:41,039
um so yeah this happened in the summer

202
00:08:46,160 --> 00:08:44,370
of 1995 I was on a fishing trip with my

203
00:08:49,760 --> 00:08:46,170
my parents we we would

204
00:08:52,430 --> 00:08:49,770
- this this motel up in upstate New York

205
00:08:54,380 --> 00:08:52,440
and we would fish off the st. Lawrence

206
00:08:57,950 --> 00:08:54,390
River up there which literally it's a

207
00:09:00,530 --> 00:08:57,960
river that separates Canada from the US

208
00:09:02,540 --> 00:09:00,540
right near New York and I was fishing

209
00:09:04,520 --> 00:09:02,550
one night by myself outside

210
00:09:07,550 --> 00:09:04,530
I had my discman with me so that brings

211
00:09:10,220 --> 00:09:07,560
it back to the mid nineties and yeah

212
00:09:11,960 --> 00:09:10,230
yeah that was listening to Green Day so

213
00:09:15,680 --> 00:09:11,970

that brings even back to the 90s even

214

00:09:19,520 --> 00:09:15,690

more nice so I'm listening to like

215

00:09:21,620 --> 00:09:19,530

basket case or one of the songs on there

216

00:09:23,150 --> 00:09:21,630

and it started getting dark so I'm like

217

00:09:25,730 --> 00:09:23,160

all right I should probably go in for

218

00:09:28,010 --> 00:09:25,740

the night and I'm not reeling my line in

219

00:09:30,500 --> 00:09:28,020

and I could see these three white lights

220

00:09:33,230 --> 00:09:30,510

in the water and you know I kind of bend

221

00:09:35,960 --> 00:09:33,240

down on the dock the dock was right next

222

00:09:38,630 --> 00:09:35,970

to our motels so I could like see inside

223

00:09:40,760 --> 00:09:38,640

to our room and I'm looking down into

224

00:09:42,140 --> 00:09:40,770

the water I'm seeing what what are these

225

00:09:44,210 --> 00:09:42,150

lights coming from and you know

226

00:09:47,570 --> 00:09:44,220

naturally I look up and realize it's a

227

00:09:49,340 --> 00:09:47,580

reflection so I look up and I see three

228

00:09:53,300 --> 00:09:49,350

white lights in the triangular formation

229

00:09:55,210 --> 00:09:53,310

just kind of hover in there and no

230

00:09:57,800 --> 00:09:55,220

structure I didn't see like a machine or

231

00:09:59,630 --> 00:09:57,810

you know windows nothing like that but

232

00:10:03,200 --> 00:09:59,640

there was like this other red ball in

233

00:10:05,420 --> 00:10:03,210

the middle very hazy and it just kind of

234

00:10:08,630 --> 00:10:05,430

hung there this triangular formation and

235

00:10:10,160 --> 00:10:08,640

I couldn't get any noise out I tried to

236

00:10:12,650 --> 00:10:10,170

yell in to my dad because I could

237

00:10:15,260 --> 00:10:12,660

literally like see him in the hotel room

238

00:10:17,600 --> 00:10:15,270

the motel room there and I couldn't

239

00:10:20,200 --> 00:10:17,610

nothing but I couldn't move I couldn't

240

00:10:23,090 --> 00:10:20,210

scream I couldn't do anything and I just

241

00:10:25,490 --> 00:10:23,100

stared up at it man and then it just it

242

00:10:27,140 --> 00:10:25,500

started to float over the water I

243

00:10:29,030 --> 00:10:27,150

finally get a little like

244

00:10:32,330 --> 00:10:29,040

twelve-year-old squeal out and my dad

245

00:10:34,430 --> 00:10:32,340

comes outside and as he's coming out he

246

00:10:37,130 --> 00:10:34,440

actually sees this thing with me and we

247

00:10:38,660 --> 00:10:37,140

both watched it as it floated across the

248

00:10:43,330 --> 00:10:38,670

river headed towards Canada and

249

00:10:45,620 --> 00:10:43,340

disappeared out of sight so I knew it

250

00:10:48,590 --> 00:10:45,630

they're either Canadians or they're

251
00:10:50,450 --> 00:10:48,600
trying to cross the border without you

252
00:10:51,980 --> 00:10:50,460
know what there's illegal fireworks I

253
00:10:53,810 --> 00:10:51,990
don't know they're good note getting

254
00:10:55,860 --> 00:10:53,820
over there they're not of age to drink

255
00:10:59,400 --> 00:10:55,870
yet so they're going to get some beer

256
00:11:01,440 --> 00:10:59,410
so true can't you drink at a younger age

257
00:11:04,980 --> 00:11:01,450
over cannabis I don't know I don't know

258
00:11:06,620 --> 00:11:04,990
I think that's it that's a good point I

259
00:11:08,610 --> 00:11:06,630
know a lot of my friends went to

260
00:11:11,160 --> 00:11:08,620
colleges in Canada because they knew

261
00:11:15,180 --> 00:11:11,170
they could drink younger so smart smart

262
00:11:19,140 --> 00:11:15,190
dudes dude yeah I mean I mean that's

263
00:11:21,900 --> 00:11:19,150

it's crazy you know like how how just

264

00:11:25,950 --> 00:11:21,910

seeing something in the sky briefly can

265

00:11:28,590 --> 00:11:25,960

completely kind of change the trajectory

266

00:11:31,230 --> 00:11:28,600

of the rest of your life you know like

267

00:11:34,170 --> 00:11:31,240

even as a little kid or even as an older

268

00:11:36,960 --> 00:11:34,180

person like just something so like I

269

00:11:39,840 --> 00:11:36,970

wouldn't say small right because I mean

270

00:11:42,000 --> 00:11:39,850

it definitely changes your like it

271

00:11:44,310 --> 00:11:42,010

changes you a little bit you know these

272

00:11:46,920 --> 00:11:44,320

experiences that happen and and man like

273

00:11:47,460 --> 00:11:46,930

you know me and Ben you know out in

274

00:11:49,860 --> 00:11:47,470

Sedona

275

00:11:52,500 --> 00:11:49,870

you know we witnessed you know a little

276

00:11:54,270 --> 00:11:52,510

something and dude I mean it really does

277

00:11:56,580 --> 00:11:54,280

like something inside you just kind of

278

00:11:58,920 --> 00:11:56,590

like clicks you know it did definitely

279

00:12:02,220 --> 00:11:58,930

changes a little something inside of you

280

00:12:04,290 --> 00:12:02,230

that's a good way put it clicks it kind

281

00:12:06,540 --> 00:12:04,300

of turns you turns a switch on I mean

282

00:12:08,550 --> 00:12:06,550

I'm gonna be honest guys I was like an

283

00:12:12,330 --> 00:12:08,560

athlete like baseball was my life when I

284

00:12:15,440 --> 00:12:12,340

was younger you know baseball girls and

285

00:12:18,390 --> 00:12:15,450

rock music that's about it and then this

286

00:12:20,880 --> 00:12:18,400

goddamn UFO thing just dropped in my lap

287

00:12:23,340 --> 00:12:20,890

and it did it changed the whole course

288

00:12:25,710 --> 00:12:23,350

of my life I'm a I'm what some consider

289

00:12:27,510 --> 00:12:25,720

like a professional UFO researcher not

290

00:12:29,820 --> 00:12:27,520

that that's an actual thing but that's

291

00:12:32,610 --> 00:12:29,830

what a lot of people consider me and I'm

292

00:12:35,430 --> 00:12:32,620

like where the hell did this come from

293

00:12:37,710 --> 00:12:35,440

this you turn but I I think that's kind

294

00:12:40,770 --> 00:12:37,720

of how it is and I mean being out lisa

295

00:12:43,140 --> 00:12:40,780

done' you guys must hear and see so many

296

00:12:45,120 --> 00:12:43,150

stories of things i can't even imagine

297

00:12:47,280 --> 00:12:45,130

no dude we've we've heard some crazy

298

00:12:49,070 --> 00:12:47,290

stuff out there in sedona man i mean

299

00:12:52,860 --> 00:12:49,080

have you ever been out there before I

300

00:12:55,140 --> 00:12:52,870

have not I've only been to Tempe for a

301
00:12:58,340 --> 00:12:55,150
UFO conference so that's as far as close

302
00:13:02,430 --> 00:12:58,350
as I come bro if you ever get a chance

303
00:13:05,160 --> 00:13:02,440
you need to go to Sedona I mean I mean

304
00:13:08,520 --> 00:13:05,170
it is not only is it gorgeous but dude I

305
00:13:09,270 --> 00:13:08,530
mean the energy in that area is is

306
00:13:11,700 --> 00:13:09,280
incorrect

307
00:13:12,750 --> 00:13:11,710
man like it's it's such a good time you

308
00:13:15,420 --> 00:13:12,760
it's one of those places you could

309
00:13:16,950 --> 00:13:15,430
literally go just sit out on rock and do

310
00:13:19,350 --> 00:13:16,960
absolutely nothing and have one of the

311
00:13:21,290 --> 00:13:19,360
best times your life yeah yeah and I

312
00:13:24,240 --> 00:13:21,300
mean some of the most conventional

313
00:13:26,790 --> 00:13:24,250

skeptical people I know have gone out

314

00:13:28,920 --> 00:13:26,800

there and you know beyond seeing a UFO

315

00:13:31,290 --> 00:13:28,930

themselves they do say the same thing

316

00:13:32,790 --> 00:13:31,300

there's something about it so there's

317

00:13:34,380 --> 00:13:32,800

got to be something to it guys I don't

318

00:13:35,790 --> 00:13:34,390

know you might you might be where the

319

00:13:37,830 --> 00:13:35,800

portal is that all these things are

320

00:13:40,040 --> 00:13:37,840

coming in and out of that's right that's

321

00:13:43,170 --> 00:13:40,050

right I have a couple friends out there

322

00:13:45,600 --> 00:13:43,180

we had Melinda Leslie on last week and

323

00:13:47,670 --> 00:13:45,610

you know a couple weeks before that one

324

00:13:49,550 --> 00:13:47,680

of our other friends Jocelyn who lives

325

00:13:53,670 --> 00:13:49,560

out there and she lives right behind

326

00:13:56,040 --> 00:13:53,680

Cathedral Rock and supposedly during the

327

00:13:58,770 --> 00:13:56,050

you know the Rendlesham case right

328

00:14:00,930 --> 00:13:58,780

you know how supposedly he got this

329

00:14:03,990 --> 00:14:00,940

download of information and it was like

330

00:14:06,180 --> 00:14:04,000

binary code and stuff like that so you

331

00:14:08,610 --> 00:14:06,190

know like it turned out to be like ley

332

00:14:09,800 --> 00:14:08,620

lines and like points on the earth and

333

00:14:13,290 --> 00:14:09,810

stuff like that

334

00:14:15,960 --> 00:14:13,300

apparently Sedona was was was one of the

335

00:14:18,630 --> 00:14:15,970

the points that that was you know that

336

00:14:21,660 --> 00:14:18,640

was in there and yes yes yeah apparently

337

00:14:24,000 --> 00:14:21,670

that this is that portal is right there

338

00:14:26,910 --> 00:14:24,010

above Cathedral rockness right in her

339

00:14:29,970 --> 00:14:26,920

backyard so she that knows yeah she

340

00:14:31,920 --> 00:14:29,980

takes photos like all the time and she's

341

00:14:33,240 --> 00:14:31,930

got incredible photos just up stuff

342

00:14:35,490 --> 00:14:33,250

she's like that's what we do we just sit

343

00:14:37,530 --> 00:14:35,500

outside and take pictures all the time

344

00:14:39,329 --> 00:14:37,540

because a lot of times you can't see

345

00:14:41,760 --> 00:14:39,339

certain things and then you develop

346

00:14:42,180 --> 00:14:41,770

these photos and they're all over the

347

00:14:45,360 --> 00:14:42,190

place

348

00:14:47,310 --> 00:14:45,370

oh absolutely that I mean a quick story

349

00:14:50,100 --> 00:14:47,320

about Rendlesham the gentleman you're

350

00:14:52,500 --> 00:14:50,110

talking about Jim Penniston I've spoken

351

00:14:54,420 --> 00:14:52,510

to him on several occasions and the

352

00:14:55,800 --> 00:14:54,430

whole binary code thing I know he just

353

00:14:58,620 --> 00:14:55,810

came out with a new book all about

354

00:15:00,600 --> 00:14:58,630

deciphering those codes so I definitely

355

00:15:03,060 --> 00:15:00,610

suggest people check that out but um

356

00:15:06,090 --> 00:15:03,070

yeah some of these ley lines he found

357

00:15:07,980 --> 00:15:06,100

and the coordinates were incredible and

358

00:15:10,020 --> 00:15:07,990

I actually think I know you're talking

359

00:15:11,880 --> 00:15:10,030

about Jocelyn I've spoken to her on

360

00:15:14,190 --> 00:15:11,890

several occasions too and what I what I

361

00:15:15,690 --> 00:15:14,200

love about her is she's out there just

362

00:15:17,040 --> 00:15:15,700

experiencing this she's not you know

363

00:15:20,460 --> 00:15:17,050

come one come all

364

00:15:22,030 --> 00:15:20,470

start ravishing come see the come see

365

00:15:24,100 --> 00:15:22,040

the portal so I

366

00:15:26,259 --> 00:15:24,110

think that's amazing and I'm so happy

367

00:15:28,360 --> 00:15:26,269

you brought up Rendlesham when when I'm

368

00:15:31,030 --> 00:15:28,370

not doing UFOs I'm actually a playwright

369

00:15:32,530 --> 00:15:31,040

here in New York City and I actually one

370

00:15:34,240 --> 00:15:32,540

of the first plays I wrote when I moved

371

00:15:38,410 --> 00:15:34,250

here was about the Rendlesham UFO

372

00:15:40,300 --> 00:15:38,420

encounter oh yeah I've been working on

373

00:15:42,490 --> 00:15:40,310

it for about eight years now and I'm

374

00:15:46,689 --> 00:15:42,500

nowhere near being good I don't think I

375

00:15:49,030 --> 00:15:46,699

ever so you're gonna you're gonna like

376

00:15:50,800 --> 00:15:49,040

try and make like a little like a film

377

00:15:53,740 --> 00:15:50,810

out of it or they may be like a live

378

00:15:55,870 --> 00:15:53,750

Broadway play out of trying man so I

379

00:15:58,420 --> 00:15:55,880

work on Broadway here so I definitely

380

00:16:00,550 --> 00:15:58,430

got some connections I I just try to

381

00:16:02,559 --> 00:16:00,560

slip some scripts to some producers

382

00:16:03,999 --> 00:16:02,569

every now and again um and it really

383

00:16:05,829 --> 00:16:04,009

perks their ears when they hear it's

384

00:16:09,610 --> 00:16:05,839

about a UFO case they're like what the

385

00:16:11,650 --> 00:16:09,620

hell we've never seen UFOs on Broadway

386

00:16:14,350 --> 00:16:11,660

so um exactly that's all I'm saying that

387

00:16:16,600 --> 00:16:14,360

would be super interesting to see really

388

00:16:20,350 --> 00:16:16,610

would yeah so it's been um it's been

389

00:16:24,100 --> 00:16:20,360

interesting yeah yes dude that's awesome

390

00:16:27,040 --> 00:16:24,110

man so dude I mean you know like your uh

391

00:16:29,460 --> 00:16:27,050

I mean I love your podcast dude I mean I

392

00:16:33,250 --> 00:16:29,470

think it's it's uh it's kind of like the

393

00:16:37,059 --> 00:16:33,260

you know the need to have Diet kind of

394

00:16:38,350 --> 00:16:37,069

to you know the UFO community and just

395

00:16:40,629 --> 00:16:38,360

you know people listening to it you

396

00:16:42,910 --> 00:16:40,639

bring a lot of interesting guests on you

397

00:16:44,949 --> 00:16:42,920

have you know a lot of you know facts

398

00:16:47,199 --> 00:16:44,959

and things like that you know like our

399

00:16:48,879 --> 00:16:47,209

show is kind of like the dr. pepper of

400

00:16:51,220 --> 00:16:48,889

like UFO community you know what I'm

401
00:16:52,660 --> 00:16:51,230
saying like it may not be important to

402
00:16:54,250 --> 00:16:52,670
the diet but I mean you know it's nice

403
00:16:56,170 --> 00:16:54,260
to have a little sweets every now and

404
00:16:59,230 --> 00:16:56,180
then bro you know are you kidding me man

405
00:17:02,079 --> 00:16:59,240
I literally moments before we got on got

406
00:17:04,689 --> 00:17:02,089
me some chicken and broccoli at my local

407
00:17:07,390 --> 00:17:04,699
Chinese place and a dr. pepper so he is

408
00:17:09,189 --> 00:17:07,400
a necessity it is a necessity I will

409
00:17:11,620 --> 00:17:09,199
send you a picture I'm not kidding I

410
00:17:13,840 --> 00:17:11,630
have one sitting in my lap right now and

411
00:17:15,340 --> 00:17:13,850
I'm a huge I me being from Texas I mean

412
00:17:15,880 --> 00:17:15,350
that's it's kind of what we drink you

413
00:17:21,340 --> 00:17:15,890

know

414

00:17:23,530 --> 00:17:21,350

here in New York we're big on Pepsi

415

00:17:25,600 --> 00:17:23,540

because Pepsi Cola is like their

416

00:17:27,640 --> 00:17:25,610

headquarters is here in New York so you

417

00:17:30,190 --> 00:17:27,650

can't even find freaking Coca Cola

418

00:17:32,560 --> 00:17:30,200

anywhere here it's more like living in

419

00:17:34,230 --> 00:17:32,570

this weird Pepsi Oasis and it's

420

00:17:37,840 --> 00:17:34,240

disgusting I had

421

00:17:40,990 --> 00:17:37,850

I'm not a fan of Pepsi either man just

422

00:17:44,080 --> 00:17:41,000

like flat coke to me this though for

423

00:17:44,920 --> 00:17:44,090

some reason Pepsi is kind of good with

424

00:17:46,600 --> 00:17:44,930

Taco Bell

425

00:17:48,520 --> 00:17:46,610

I think it's cuz they both taste like

426

00:17:52,690 --> 00:17:48,530

[\h__\h] that like it complements you

427

00:17:57,570 --> 00:17:52,700

noticing you put [\h__\h] on [\h__\h] and call

428

00:18:03,100 --> 00:17:57,580

it a day yeah that's right dude right

429

00:18:07,240 --> 00:18:03,110

there's the title of your episode don't

430

00:18:10,570 --> 00:18:07,250

drink Pepsi yeah it's awesome dude

431

00:18:12,960 --> 00:18:10,580

that's awesome so I so dude like through

432

00:18:16,120 --> 00:18:12,970

listening to your show right you know I

433

00:18:18,250 --> 00:18:16,130

noticed that you know I you know you

434

00:18:19,750 --> 00:18:18,260

said that you loved you know fire in the

435

00:18:21,940 --> 00:18:19,760

sky and you know you're friends with

436

00:18:24,340 --> 00:18:21,950

Travis dude like when I saw that movie

437

00:18:25,140 --> 00:18:24,350

when I was a kid that was it I was

438

00:18:28,540 --> 00:18:25,150

hooked

439

00:18:31,000 --> 00:18:28,550

really yeah oh man I I remember the

440

00:18:33,040 --> 00:18:31,010

first time I saw it it was um it was

441

00:18:35,680 --> 00:18:33,050

either like Showtime or HBO one of those

442

00:18:37,390 --> 00:18:35,690

like pay you know pay cable things and

443

00:18:39,550 --> 00:18:37,400

we weren't we didn't really get the

444

00:18:40,660 --> 00:18:39,560

station so it was like that fuzzy thing

445

00:18:42,790 --> 00:18:40,670

you know when you're trying to watch

446

00:18:47,050 --> 00:18:42,800

Paul trying to watch porn when you're

447

00:18:50,230 --> 00:18:47,060

like 13 and look through the phase but

448

00:18:52,360 --> 00:18:50,240

for me it was yeah exactly but for me it

449

00:18:54,070 --> 00:18:52,370

was [h__\h] Travis Walton getting

450

00:18:56,680 --> 00:18:54,080

abducted by aliens so I have to like

451
00:18:57,940 --> 00:18:56,690
watch that through the the snow on the

452
00:19:00,760 --> 00:18:57,950
TV

453
00:19:03,460 --> 00:19:00,770
oh man that what I finally saw that

454
00:19:06,520 --> 00:19:03,470
movie dude I was the same way it just it

455
00:19:09,540 --> 00:19:06,530
it did something I think to a lot of

456
00:19:12,100 --> 00:19:09,550
people triggered a lot of people and and

457
00:19:13,750 --> 00:19:12,110
told a story of what a lot of people

458
00:19:16,990 --> 00:19:13,760
didn't know was based on actual events

459
00:19:18,580 --> 00:19:17,000
so it's it's up there man when people

460
00:19:21,790 --> 00:19:18,590
come to me and say what abduction cases

461
00:19:23,650 --> 00:19:21,800
do you put oh you know stock in because

462
00:19:26,320 --> 00:19:23,660
I'm gonna be completely honest as UFO

463
00:19:27,580 --> 00:19:26,330

researcher I'm still very on the fence

464

00:19:29,440 --> 00:19:27,590

when it comes to the abduction

465

00:19:32,380 --> 00:19:29,450

phenomenon and what it is what it

466

00:19:35,500 --> 00:19:32,390

represents but Travis is one of those

467

00:19:37,540 --> 00:19:35,510

walking enigmas with you know multiple

468

00:19:40,780 --> 00:19:37,550

witnesses who saw it happen

469

00:19:42,520 --> 00:19:40,790

who took lie-detector tests and passed

470

00:19:45,010 --> 00:19:42,530

with flying colors that this [h__h]

471

00:19:45,810 --> 00:19:45,020

happened and I can't take that away from

472

00:19:47,729 --> 00:19:45,820

them

473

00:19:49,349 --> 00:19:47,739

I can and I will tell you this to

474

00:19:50,969 --> 00:19:49,359

meeting the guys so many times it

475

00:19:52,739 --> 00:19:50,979

doesn't look like he's aged today in

476

00:19:57,989 --> 00:19:52,749

like 50 years it's crazy

477

00:20:00,570 --> 00:19:57,999

Israel Ladykiller yeah like yeah that

478

00:20:03,330 --> 00:20:00,580

guy's got a good hairline and mustache

479

00:20:06,930 --> 00:20:03,340

he's always got laid always got ladies

480

00:20:10,409 --> 00:20:06,940

around him too so you know yeah I guess

481

00:20:13,169 --> 00:20:10,419

that's the key yep guitar whether we saw

482

00:20:14,909 --> 00:20:13,179

last time that we were at the UFO

483

00:20:16,830 --> 00:20:14,919

Congress out in Phoenix a couple of

484

00:20:19,019 --> 00:20:16,840

months so perfect yeah that's where we

485

00:20:19,229 --> 00:20:19,029

got to meet him he's a pretty awesome

486

00:20:22,830 --> 00:20:19,239

dude

487

00:20:25,769 --> 00:20:22,840

yeah yeah man so how do you like I have

488

00:20:30,749 --> 00:20:25,779

like a real hard problem I think with

489

00:20:34,259 --> 00:20:30,759

like I don't know separating separating

490

00:20:36,419 --> 00:20:34,269

the aliens with the UFO you know what

491

00:20:40,080 --> 00:20:36,429

I'm saying because I've kind of I feel

492

00:20:43,349 --> 00:20:40,090

like men like yes there is probably some

493

00:20:45,629 --> 00:20:43,359

stuff that you know maybe is it piloted

494

00:20:47,909 --> 00:20:45,639

by anything but at the same time like

495

00:20:49,859 --> 00:20:47,919

when you hear cases like like Travis's

496

00:20:52,139 --> 00:20:49,869

and with all these multiple witnesses

497

00:20:54,690 --> 00:20:52,149

saying that you know yeah we saw this

498

00:20:58,289 --> 00:20:54,700

thing right and then and then Travis is

499

00:21:00,869 --> 00:20:58,299

like yeah I was in this thing and then I

500

00:21:05,219 --> 00:21:00,879

saw these beings there too like do you

501
00:21:07,710 --> 00:21:05,229
do you separate the two or can you or

502
00:21:09,839 --> 00:21:07,720
you know what I'm saying yeah absolutely

503
00:21:12,599 --> 00:21:09,849
man I mean that's half the struggle of

504
00:21:16,019 --> 00:21:12,609
being a UFO researcher is I study UFOs

505
00:21:19,169 --> 00:21:16,029
I'm not an alien tala gist I'm not like

506
00:21:21,359 --> 00:21:19,179
a what would you call it a bio chemist

507
00:21:21,869 --> 00:21:21,369
nothing like that astrobiology forget

508
00:21:25,200 --> 00:21:21,879
about it

509
00:21:27,269 --> 00:21:25,210
math is not my thing but you know you

510
00:21:30,210 --> 00:21:27,279
give me a solid UFO case to go

511
00:21:32,489 --> 00:21:30,220
investigate and and I'll do it so yeah

512
00:21:35,159 --> 00:21:32,499
it's super tough to separate the UFO

513
00:21:37,169 --> 00:21:35,169

from extraterrestrial anytime you go to

514

00:21:38,549 --> 00:21:37,179

the mass media or you're getting

515

00:21:40,680 --> 00:21:38,559

interviewed about this stuff they always

516

00:21:43,109 --> 00:21:40,690

say so you know what what are the aliens

517

00:21:45,239 --> 00:21:43,119

up to and I'll say I don't know I have

518

00:21:48,509 --> 00:21:45,249

absolutely no idea all I can tell you is

519

00:21:51,930 --> 00:21:48,519

these 25 people saw a boomerang shaped

520

00:21:55,409 --> 00:21:51,940

craft in 1997 over Phoenix Arizona so I

521

00:21:58,019 --> 00:21:55,419

mean we don't know what they are and we

522

00:21:58,540 --> 00:21:58,029

can't even say that any of these UFOs

523

00:22:00,730 --> 00:21:58,550

are

524

00:22:03,550 --> 00:22:00,740

directly connected to one another I mean

525

00:22:05,650 --> 00:22:03,560

it could be ten different reasons for

526

00:22:08,230 --> 00:22:05,660

these things a million different reasons

527

00:22:10,420 --> 00:22:08,240

and we're we're still I think just

528

00:22:12,760 --> 00:22:10,430

scratching the surface of that so when

529

00:22:14,950 --> 00:22:12,770

it comes to et I think that's one tiny

530

00:22:19,000 --> 00:22:14,960

tiny possibility of what we could be

531

00:22:20,770 --> 00:22:19,010

dealing with yeah yeah yeah so man like

532

00:22:23,230 --> 00:22:20,780

I mean it could be like you know you

533

00:22:25,510 --> 00:22:23,240

have ufology on one hand and then like

534

00:22:27,570 --> 00:22:25,520

we need to kind of like start alien

535

00:22:32,620 --> 00:22:27,580

ology like on the other hand you know

536

00:22:34,210 --> 00:22:32,630

totally yeah and I mean it's I fall

537

00:22:36,430 --> 00:22:34,220

victim to it too I mean I'm always

538

00:22:38,770 --> 00:22:36,440

posting [h__h] about little green men and

539

00:22:41,560 --> 00:22:38,780

in the greys and this and that but I

540

00:22:44,620 --> 00:22:41,570

mean when it becomes such a part of pop

541

00:22:46,990 --> 00:22:44,630

culture and just like the mostly the

542

00:22:49,480 --> 00:22:47,000

American zeitgeist I'd say like it's

543

00:22:53,110 --> 00:22:49,490

tough it's tough because I try to tell

544

00:22:55,510 --> 00:22:53,120

people yeah like oh I'll draw an alien

545

00:22:59,830 --> 00:22:55,520

on that for you if you want or like I

546

00:23:02,380 --> 00:22:59,840

have a ton of alien swag all over all

547

00:23:06,040 --> 00:23:02,390

the time but at the core of it I want to

548

00:23:08,170 --> 00:23:06,050

know what UFOs are and if there's an

549

00:23:11,680 --> 00:23:08,180

intelligence behind them and what do

550

00:23:14,020 --> 00:23:11,690

they want whatever it is that is so yeah

551
00:23:15,790 --> 00:23:14,030
I don't know do you do you think

552
00:23:18,430 --> 00:23:15,800
personally that our government will ever

553
00:23:20,460 --> 00:23:18,440
come out and truly do a disclosure like

554
00:23:26,860 --> 00:23:20,470
hey do you think that'll ever happen

555
00:23:29,560 --> 00:23:26,870
[h__\h] no are you kidding me I I apologize

556
00:23:31,540 --> 00:23:29,570
I get very passionate with that question

557
00:23:34,000 --> 00:23:31,550
because look I mean they've been lying

558
00:23:35,530 --> 00:23:34,010
to us for so long anyways we thought

559
00:23:37,630 --> 00:23:35,540
Project Blue Book was the end of the

560
00:23:40,360 --> 00:23:37,640
government investigating UFOs come to

561
00:23:42,730 --> 00:23:40,370
find out what two years ago secret

562
00:23:45,100 --> 00:23:42,740
Pentagon UFO programs so I mean yeah

563
00:23:47,650 --> 00:23:45,110

they're always gonna be they're always

564

00:23:51,070 --> 00:23:47,660

gonna be deceitful they're always going

565

00:23:53,170 --> 00:23:51,080

to to bend it whichever way they want

566

00:23:55,990 --> 00:23:53,180

and also guys I always tell people this

567

00:23:59,470 --> 00:23:56,000

the government is dumbest [h__h] like they

568

00:24:02,860 --> 00:23:59,480

are they I don't think they are capable

569

00:24:04,810 --> 00:24:02,870

of this huge huge cover-up that everyone

570

00:24:07,270 --> 00:24:04,820

thinks they are everyone has their own

571

00:24:09,340 --> 00:24:07,280

job within government the dude over here

572

00:24:10,220 --> 00:24:09,350

has no idea what the girl over here is

573

00:24:13,159 --> 00:24:10,230

doing

574

00:24:15,080 --> 00:24:13,169

so like I don't think that they could

575

00:24:16,610 --> 00:24:15,090

ever disclose because honestly I don't

576

00:24:20,419 --> 00:24:16,620

think they know what the [h__h] is going

577

00:24:22,730 --> 00:24:20,429

on either but I always tell people it's

578

00:24:25,280 --> 00:24:22,740

not what the government knows or doesn't

579

00:24:27,320 --> 00:24:25,290

know it's that they can control the

580

00:24:29,240 --> 00:24:27,330

information that gets out to us so you

581

00:24:31,460 --> 00:24:29,250

just got to be careful what you what

582

00:24:34,460 --> 00:24:31,470

you're hearing all the time I mean look

583

00:24:36,770 --> 00:24:34,470

I think this whole Tom DeLonge to the

584

00:24:39,049 --> 00:24:36,780

stars thing is awesome but we've got to

585

00:24:41,450 --> 00:24:39,059

remember that's one narrative that's one

586

00:24:43,850 --> 00:24:41,460

lens to look at the UFO phenomenon

587

00:24:46,909 --> 00:24:43,860

through and with them it's a threat yeah

588

00:24:48,320 --> 00:24:46,919

it is a threat in the military loves

589

00:24:51,010 --> 00:24:48,330

hearing that [h__h] because then you're

590

00:24:53,870 --> 00:24:51,020

gonna get funding for it so absolutely

591

00:24:56,480 --> 00:24:53,880

it's tough it's tough because I do not

592

00:24:57,890 --> 00:24:56,490

think UFOs are as big of a threat as

593

00:25:00,169 --> 00:24:57,900

people think I think they could actually

594

00:25:04,130 --> 00:25:00,179

help us a lot more than hurt us whatever

595

00:25:05,270 --> 00:25:04,140

they may be so to to sort of circle back

596

00:25:06,980 --> 00:25:05,280

to your question do I think the

597

00:25:09,080 --> 00:25:06,990

government will disclose know I think

598

00:25:11,930 --> 00:25:09,090

whatever's behind this stuff is gonna

599

00:25:14,090 --> 00:25:11,940

disclose when they're damn ready yeah I

600

00:25:15,710 --> 00:25:14,100

think it's just it's way bigger than we

601
00:25:17,270 --> 00:25:15,720
could possibly imagine and there's

602
00:25:20,390 --> 00:25:17,280
probably a reason for it

603
00:25:23,780 --> 00:25:20,400
but again like you said like I feel like

604
00:25:25,850 --> 00:25:23,790
the not all the government branches do

605
00:25:28,190 --> 00:25:25,860
know what the what the story is and

606
00:25:31,820 --> 00:25:28,200
maybe maybe they just know half of it

607
00:25:34,310 --> 00:25:31,830
yeah dude I'm never gonna agree on one I

608
00:25:35,990 --> 00:25:34,320
don't think no I think they know like

609
00:25:37,700 --> 00:25:36,000
they all will probably just know as much

610
00:25:39,950 --> 00:25:37,710
as we do the only difference is maybe

611
00:25:41,659 --> 00:25:39,960
they have some files right and anyhow

612
00:25:43,760 --> 00:25:41,669
maybe like little pieces of like some

613
00:25:46,310 --> 00:25:43,770

crash it's really like the only thing I

614

00:25:49,250 --> 00:25:46,320

feel like separates them from you know

615

00:25:51,770 --> 00:25:49,260

from from us you know and and and yeah I

616

00:25:54,440 --> 00:25:51,780

mean they may know like a couple of like

617

00:25:56,450 --> 00:25:54,450

deep secrets but other than that dude I

618

00:25:59,539 --> 00:25:56,460

mean they probably don't know [h__h]

619

00:26:02,060 --> 00:25:59,549

either right I have to agree yeah I

620

00:26:05,539 --> 00:26:02,070

think and again it's all spin and like

621

00:26:07,640 --> 00:26:05,549

they can control the information when

622

00:26:11,030 --> 00:26:07,650

they just flat out deny that it exists

623

00:26:14,539 --> 00:26:11,040

so I I think just be careful be careful

624

00:26:16,610 --> 00:26:14,549

who you listen to and what you put stock

625

00:26:18,200 --> 00:26:16,620

in but just do your own work that's what

626
00:26:19,760 --> 00:26:18,210
I tell people don't trust what the

627
00:26:20,840 --> 00:26:19,770
government's gonna tell you about UFOs

628
00:26:23,760 --> 00:26:20,850
yeah

629
00:26:27,390 --> 00:26:23,770
absolutely talk to Mike that dude at the

630
00:26:29,430 --> 00:26:27,400
bar or like the police officer that you

631
00:26:31,650 --> 00:26:29,440
know goes to your coffee shop be like

632
00:26:33,120 --> 00:26:31,660
hey anyone ever report a UFO to you I

633
00:26:35,190 --> 00:26:33,130
want to hear about it like those are the

634
00:26:37,830 --> 00:26:35,200
people I want to hear from I don't care

635
00:26:41,850 --> 00:26:37,840
about Louis Elizondo I don't care about

636
00:26:44,160 --> 00:26:41,860
like you know some ex-cia agent tell me

637
00:26:46,080 --> 00:26:44,170
about it I want to hear from like the

638
00:26:49,800 --> 00:26:46,090

person whose life was changed by an

639

00:26:51,270 --> 00:26:49,810

event and how it affects know I'm all

640

00:26:53,220 --> 00:26:51,280

about the people having these

641

00:26:56,190 --> 00:26:53,230

experiences that's that's what it comes

642

00:26:58,260 --> 00:26:56,200

down to for me because like you guys it

643

00:26:59,910 --> 00:26:58,270

changed me like whatever I saw I don't

644

00:27:02,280 --> 00:26:59,920

care what it was it changed the entire

645

00:27:04,320 --> 00:27:02,290

path of my life and I'm very thankful

646

00:27:06,600 --> 00:27:04,330

for that I've made incredible friends

647

00:27:10,050 --> 00:27:06,610

and colleagues through the UFO topic and

648

00:27:13,200 --> 00:27:10,060

it's made me a very understanding and

649

00:27:14,490 --> 00:27:13,210

empathetic person and I think we need

650

00:27:17,910 --> 00:27:14,500

that in the world right now more than

651
00:27:19,800 --> 00:27:17,920
ever yeah do it absolutely yeah and you

652
00:27:21,240 --> 00:27:19,810
know like hey man you know me and Ben

653
00:27:24,240 --> 00:27:21,250
talked about this on the show a lot to

654
00:27:27,390 --> 00:27:24,250
like you know I I you know I I agree

655
00:27:29,490 --> 00:27:27,400
like it is kind of cool like what the to

656
00:27:31,740 --> 00:27:29,500
the stars Academy is kind of doing but

657
00:27:33,780 --> 00:27:31,750
totally same time like man we we have to

658
00:27:36,060 --> 00:27:33,790
like we have to be really really careful

659
00:27:37,680 --> 00:27:36,070
with that too because it's you know you

660
00:27:40,140 --> 00:27:37,690
you look at all these people involved

661
00:27:43,140 --> 00:27:40,150
and I mean you got these guys that were

662
00:27:45,030 --> 00:27:43,150
part of the aviary groove yeah you know

663
00:27:46,890 --> 00:27:45,040

the working group part of it you know

664

00:27:49,740 --> 00:27:46,900

like all these different groups you know

665

00:27:52,590 --> 00:27:49,750

that we're purposely like set out in the

666

00:27:53,940 --> 00:27:52,600

UFO community - like discredit and to

667

00:27:56,280 --> 00:27:53,950

disprove and make people look like

668

00:27:57,990 --> 00:27:56,290

quacks and now we're supposed to like

669

00:27:59,550 --> 00:27:58,000

sit back and be like oh yeah they're

670

00:28:00,980 --> 00:27:59,560

telling us all this stuff like yeah I

671

00:28:03,540 --> 00:28:00,990

totally believe it because it's the

672

00:28:05,820 --> 00:28:03,550

government you know it doesn't any sense

673

00:28:08,520 --> 00:28:05,830

whatsoever like how can you say for all

674

00:28:10,320 --> 00:28:08,530

these years like don't trust the

675

00:28:11,730 --> 00:28:10,330

government and then now like they say

676

00:28:13,350 --> 00:28:11,740

some stuff and everybody's like oh yeah

677

00:28:15,000 --> 00:28:13,360

it's totally true the government said it

678

00:28:17,010 --> 00:28:15,010

you know what I'm saying yeah yeah

679

00:28:19,110 --> 00:28:17,020

that's such a good point everyone has

680

00:28:22,350 --> 00:28:19,120

their own truth and when your truth is

681

00:28:23,850 --> 00:28:22,360

being validated by any anyone you know

682

00:28:25,890 --> 00:28:23,860

that's when you're gonna say yep yep

683

00:28:28,710 --> 00:28:25,900

yeah yeah I'm with you now because it's

684

00:28:31,200 --> 00:28:28,720

truth is very malleable and I think

685

00:28:31,910 --> 00:28:31,210

you're right when it comes to to this

686

00:28:33,470 --> 00:28:31,920

group

687

00:28:35,840 --> 00:28:33,480

there's some very questionable people

688

00:28:38,180 --> 00:28:35,850

involved and you gotta be careful and I

689

00:28:41,180 --> 00:28:38,190

think when you see the people who are

690

00:28:43,460 --> 00:28:41,190

like just totally all-in with to the

691

00:28:45,320 --> 00:28:43,470

Stars Academy like there is nothing else

692

00:28:47,750 --> 00:28:45,330

this is the way it's gonna be this is

693

00:28:50,630 --> 00:28:47,760

disclosure they tend to be on the

694

00:28:52,730 --> 00:28:50,640

younger side and that's because they

695

00:28:54,410 --> 00:28:52,740

don't know about the aviary they don't

696

00:28:56,300 --> 00:28:54,420

know about the working group they don't

697

00:29:00,080 --> 00:28:56,310

know the the track record of some of

698

00:29:03,140 --> 00:29:00,090

these people so I get do your research

699

00:29:04,970 --> 00:29:03,150

dig look and talk to the older guard of

700

00:29:07,610 --> 00:29:04,980

ufology for Christ's sake I'm meeting up

701

00:29:10,940 --> 00:29:07,620

with my my mentor Peter Robbins

702

00:29:13,010 --> 00:29:10,950

investigative UFO guy tomorrow morning

703

00:29:15,590 --> 00:29:13,020

and every month we meet here in New York

704

00:29:18,290 --> 00:29:15,600

City and do it we just debrief for like

705

00:29:21,140 --> 00:29:18,300

two hours over some some bacon and eggs

706

00:29:23,150 --> 00:29:21,150

and coffee and like I hear the stories

707

00:29:25,520 --> 00:29:23,160

he's telling me from like the 40s the

708

00:29:27,980 --> 00:29:25,530

50s the 60s because I guarantee you

709

00:29:29,960 --> 00:29:27,990

that's gonna play a big part in your

710

00:29:33,170 --> 00:29:29,970

research moving forward and just

711

00:29:37,190 --> 00:29:33,180

building off of that so yeah yeah for

712

00:29:38,900 --> 00:29:37,200

anyone who's Pro TTS a or anti TTS a I

713

00:29:40,850 --> 00:29:38,910

really think the truth plays somewhere

714

00:29:42,890 --> 00:29:40,860

in the middle so yeah yeah yeah

715

00:29:44,630 --> 00:29:42,900

absolutely do yeah you know me I've been

716

00:29:46,790 --> 00:29:44,640

like we've really liked taking some big

717

00:29:48,140 --> 00:29:46,800

steps lately you know cuz I mean this is

718

00:29:50,860 --> 00:29:48,150

something that we've been into since we

719

00:29:53,750 --> 00:29:50,870

were kids right and and you know

720

00:29:56,390 --> 00:29:53,760

recently like we stopped so we were in a

721

00:29:58,220 --> 00:29:56,400

band together for a long time you know

722

00:30:00,350 --> 00:29:58,230

that the band kind of split up the

723

00:30:02,480 --> 00:30:00,360

drummer moved out to California you know

724

00:30:04,010 --> 00:30:02,490

for work and stuff and me and Ben just

725

00:30:05,990 --> 00:30:04,020

had this free time on our hands and

726

00:30:08,000 --> 00:30:06,000

we're like dude let's let's do a podcast

727

00:30:09,800 --> 00:30:08,010

I mean we all we do is sit around and

728

00:30:12,080 --> 00:30:09,810

talk about like UFOs and stuff all the

729

00:30:14,380 --> 00:30:12,090

time anyways we might as well like you

730

00:30:17,750 --> 00:30:14,390

know make a podcast about it so you know

731

00:30:19,820 --> 00:30:17,760

we're kind of breaking out of this like

732

00:30:22,160 --> 00:30:19,830

you know just being like YouTube

733

00:30:24,530 --> 00:30:22,170

researchers mainstream yeah we're really

734

00:30:27,110 --> 00:30:24,540

like trying to talk to people now and

735

00:30:29,660 --> 00:30:27,120

you can look through these files and

736

00:30:31,520 --> 00:30:29,670

dude like so much reading has been

737

00:30:33,350 --> 00:30:31,530

involved in like usually I'm not a big

738

00:30:35,840 --> 00:30:33,360

reader but I mean this has been awesome

739

00:30:38,630 --> 00:30:35,850

for us you know just trying to put this

740

00:30:41,120 --> 00:30:38,640

puzzle together dude and it's it's a

741

00:30:43,610 --> 00:30:41,130

it's pretty crazy like the deeper you go

742

00:30:44,710 --> 00:30:43,620

like the the more unanswered questions

743

00:30:47,590 --> 00:30:44,720

you have

744

00:30:49,990 --> 00:30:47,600

yeah I mean I can't tell you I'm any

745

00:30:51,970 --> 00:30:50,000

closer to knowing what the hell is going

746

00:30:54,039 --> 00:30:51,980

on with UFOs I could tell you that much

747

00:30:56,320 --> 00:30:54,049

and in anyone who does tell you they

748

00:30:58,840 --> 00:30:56,330

have the answers guys I don't have to

749

00:31:02,110 --> 00:30:58,850

tell you this like run away because they

750

00:31:04,210 --> 00:31:02,120

don't they loot Li do not this phenomena

751
00:31:06,100 --> 00:31:04,220
eye and I say phenomena I don't think

752
00:31:08,740 --> 00:31:06,110
we're dealing with one thing it is

753
00:31:11,200 --> 00:31:08,750
always gonna be a step ahead of us and I

754
00:31:13,330 --> 00:31:11,210
bet that's sobering in one way but at

755
00:31:15,669 --> 00:31:13,340
the same time like that's what keeps me

756
00:31:18,039 --> 00:31:15,679
going that carrot you know being dangled

757
00:31:19,750 --> 00:31:18,049
in front of you I every time I find one

758
00:31:21,159 --> 00:31:19,760
answer I know it's gonna lead to

759
00:31:24,279 --> 00:31:21,169
something else something else I'm gonna

760
00:31:26,710 --> 00:31:24,289
change my mind go back do this rinse and

761
00:31:28,990 --> 00:31:26,720
repeat and I love that and you know the

762
00:31:30,850 --> 00:31:29,000
fact that like you guys started a

763
00:31:33,190 --> 00:31:30,860

podcast like that's more than most

764

00:31:35,320 --> 00:31:33,200

people ever do they will go on YouTube

765

00:31:37,360 --> 00:31:35,330

and write some scathing comment about

766

00:31:38,740 --> 00:31:37,370

someone would be like that's [h__\h] or

767

00:31:41,529 --> 00:31:38,750

you're crazy

768

00:31:44,019 --> 00:31:41,539

instead of like actually doing some

769

00:31:45,789 --> 00:31:44,029

digging so like you know bring on the

770

00:31:48,340 --> 00:31:45,799

book spring on the documentary just

771

00:31:50,440 --> 00:31:48,350

bring on the movies it's it's great and

772

00:31:52,060 --> 00:31:50,450

I love it so when I can find kindred

773

00:31:54,759 --> 00:31:52,070

spirits to like talk about this stuff

774

00:31:57,730 --> 00:31:54,769

with and not get like laughed out of the

775

00:31:59,799 --> 00:31:57,740

room yeah that's awesome and that's

776

00:32:01,750 --> 00:31:59,809

changing to that whole ridicule factor

777

00:32:04,269 --> 00:32:01,760

with these topics you guys entered the

778

00:32:06,580 --> 00:32:04,279

UFO fields and podcasting world at the

779

00:32:08,680 --> 00:32:06,590

right time man because let me tell you I

780

00:32:17,680 --> 00:32:08,690

have lost job interviews I've lost

781

00:32:19,840 --> 00:32:17,690

second dates talking about UFOs so yeah

782

00:32:22,779 --> 00:32:19,850

dude yeah and I think it's cool like you

783

00:32:26,169 --> 00:32:22,789

know it's almost weird how like when

784

00:32:28,600 --> 00:32:26,179

somebody says I don't know it almost

785

00:32:31,480 --> 00:32:28,610

makes it more credible than pretending

786

00:32:33,580 --> 00:32:31,490

like you do know absolutely yeah I mean

787

00:32:36,490 --> 00:32:33,590

those are the people I trust and that's

788

00:32:38,769 --> 00:32:36,500

that's science that's that's you know

789

00:32:40,480 --> 00:32:38,779

building off of something and knowing

790

00:32:42,279 --> 00:32:40,490

that like the minute you figure

791

00:32:45,310 --> 00:32:42,289

something out there's gonna always be a

792

00:32:48,009 --> 00:32:45,320

next step and that's what I love and

793

00:32:50,769 --> 00:32:48,019

there's so what what I love about the

794

00:32:53,440 --> 00:32:50,779

UFO field you know self-proclaimed is

795

00:32:55,980 --> 00:32:53,450

that it does involve everyone whether

796

00:32:59,730 --> 00:32:55,990

it's you know religions

797

00:33:01,020 --> 00:32:59,740

and history academics everything

798

00:33:03,360 --> 00:33:01,030

everything you could possibly think of

799

00:33:05,730 --> 00:33:03,370

soft scientists hard sciences everyone

800

00:33:07,700 --> 00:33:05,740

can have a place in ufology and like

801
00:33:11,100 --> 00:33:07,710
when you can find something that

802
00:33:14,160 --> 00:33:11,110
inclusive that's amazing that we can all

803
00:33:16,380 --> 00:33:14,170
just talk about this topic like with one

804
00:33:19,770 --> 00:33:16,390
another in so many different ways and

805
00:33:21,840 --> 00:33:19,780
you know even maybe find some answers

806
00:33:23,880 --> 00:33:21,850
along the way that's that's that's the

807
00:33:26,190 --> 00:33:23,890
beauty of it I think I love when I can

808
00:33:29,640 --> 00:33:26,200
like open my email and I've got like

809
00:33:31,470 --> 00:33:29,650
someone saying they were brought aboard

810
00:33:33,480 --> 00:33:31,480
a craft and brought to the pleiades and

811
00:33:36,600 --> 00:33:33,490
then the next email is from like some

812
00:33:39,330 --> 00:33:36,610
nuclear physicists telling me like this

813
00:33:45,390 --> 00:33:39,340

formula to how the craft work and I'm

814

00:33:47,700 --> 00:33:45,400

just like what the [h__h] is my life it's

815

00:33:49,680 --> 00:33:47,710

amazing and I know you guys probably get

816

00:33:52,080 --> 00:33:49,690

those kind of emails and stuff too when

817

00:33:54,690 --> 00:33:52,090

when when people start paying attention

818

00:33:57,390 --> 00:33:54,700

to you and put stock in what you have to

819

00:33:59,700 --> 00:33:57,400

say that's a big responsibility so I

820

00:34:01,530 --> 00:33:59,710

always tell people like I'm not gonna

821

00:34:04,290 --> 00:34:01,540

have answers for you but I will take

822

00:34:06,660 --> 00:34:04,300

your story down oh I will hash it out

823

00:34:08,790 --> 00:34:06,670

with you but I am never gonna tell you

824

00:34:12,330 --> 00:34:08,800

what you saw or did not see cuz I was

825

00:34:14,670 --> 00:34:12,340

not there yeah it's a good way of

826

00:34:16,560 --> 00:34:14,680

looking at it to you yeah and and and

827

00:34:18,990 --> 00:34:16,570

getting emails like stories written t l

828

00:34:20,550 --> 00:34:19,000

was I'm just curious I mean you don't

829

00:34:22,650 --> 00:34:20,560

have to tell the whole story but what's

830

00:34:25,350 --> 00:34:22,660

your like craziest story that you heard

831

00:34:26,730 --> 00:34:25,360

not crazy but you know out there I mean

832

00:34:28,920 --> 00:34:26,740

that one sounded pretty interesting

833

00:34:33,090 --> 00:34:28,930

about somebody coded the pleiades oh

834

00:34:36,060 --> 00:34:33,100

yeah I mean it really runs the gamut I

835

00:34:38,670 --> 00:34:36,070

get probably a daily basis at least like

836

00:34:41,310 --> 00:34:38,680

a few emails about a UFO sighting or a

837

00:34:43,140 --> 00:34:41,320

contact experience and I try to keep

838

00:34:45,840 --> 00:34:43,150

them all on the same level of like

839

00:34:47,370 --> 00:34:45,850

integrity and empathy and just alright

840

00:34:50,310 --> 00:34:47,380

tell me your story I'm not gonna judge

841

00:34:52,350 --> 00:34:50,320

you let me just hear it and I mean

842

00:34:55,740 --> 00:34:52,360

there's one I always kind of go back to

843

00:34:57,780 --> 00:34:55,750

that had multiple people involved in

844

00:35:01,140 --> 00:34:57,790

that right there is one I'm like okay so

845

00:35:02,940 --> 00:35:01,150

this isn't like one person's subjective

846

00:35:04,650 --> 00:35:02,950

experience like there were more than one

847

00:35:06,690 --> 00:35:04,660

person involved with this

848

00:35:09,390 --> 00:35:06,700

and this happened I think back in the

849

00:35:13,490 --> 00:35:09,400

early 2000s this woman sent me an email

850

00:35:16,859 --> 00:35:13,500

out in Michigan and she she saw a

851
00:35:18,539 --> 00:35:16,869
triangular UFO over her property she's

852
00:35:19,980 --> 00:35:18,549
going out to walk her dogs at night and

853
00:35:22,289 --> 00:35:19,990
this thing was just hovering above her

854
00:35:23,970 --> 00:35:22,299
house and her dogs like wouldn't leave

855
00:35:26,700 --> 00:35:23,980
the porch like they were scared

856
00:35:29,700 --> 00:35:26,710
petrified of what it was so she's like

857
00:35:32,039 --> 00:35:29,710
holy [h__\h] like what what is going on

858
00:35:34,140 --> 00:35:32,049
here so she she starts yelling for a

859
00:35:36,089 --> 00:35:34,150
daughter inside she's like you know go

860
00:35:38,370 --> 00:35:36,099
come on here come see this bring a

861
00:35:41,160 --> 00:35:38,380
camera bring a camera so her daughter

862
00:35:44,000 --> 00:35:41,170
comes out and they're both looking up at

863
00:35:48,720 --> 00:35:44,010

this UFO is trying to give their UFO and

864

00:35:51,150 --> 00:35:48,730

the mom is like super like chill about

865

00:35:53,160 --> 00:35:51,160

it and she's feeling euphoric and she

866

00:35:55,079 --> 00:35:53,170

said it was silent and beautiful and

867

00:35:57,870 --> 00:35:55,089

then she's looking over at her daughter

868

00:36:00,329 --> 00:35:57,880

who's like bent on the ground covering

869

00:36:03,089 --> 00:36:00,339

her ears and saying the thing is so loud

870

00:36:04,859 --> 00:36:03,099

I can't even I can't hear anything it's

871

00:36:07,260 --> 00:36:04,869

just like I'm so scared

872

00:36:10,019 --> 00:36:07,270

so you have the mother and daughter

873

00:36:11,339 --> 00:36:10,029

having a completely different perception

874

00:36:13,010 --> 00:36:11,349

of what was going on in that moment

875

00:36:16,049 --> 00:36:13,020

looking at the same thing and that

876

00:36:19,109 --> 00:36:16,059

really really struck me I'm like what

877

00:36:21,930 --> 00:36:19,119

the hell is going on here these con

878

00:36:25,440 --> 00:36:21,940

crafts can like literally alter people's

879

00:36:27,769 --> 00:36:25,450

perceptions or or kind of like you know

880

00:36:30,480 --> 00:36:27,779

just be perceived completely different

881

00:36:33,660 --> 00:36:30,490

they did they did get some pictures of

882

00:36:35,970 --> 00:36:33,670

it by the way I should add that yeah

883

00:36:40,410 --> 00:36:35,980

yeah so I'll try to send those to you

884

00:36:42,059 --> 00:36:40,420

guys after we talk here crazy pretty

885

00:36:44,309 --> 00:36:42,069

freaking crazy I'm not gonna lie when

886

00:36:45,660 --> 00:36:44,319

she sent me the photos I was like okay I

887

00:36:49,620 --> 00:36:45,670

got something to work with here

888

00:36:52,500 --> 00:36:49,630

so okay do you see what yeah there's

889

00:36:54,390 --> 00:36:52,510

something to the them like emitting some

890

00:36:55,589 --> 00:36:54,400

kind of frequency that like changes I

891

00:36:57,690 --> 00:36:55,599

think there's there's something there

892

00:37:00,359 --> 00:36:57,700

that changes the perception of the

893

00:37:02,789 --> 00:37:00,369

observer observer I think that's really

894

00:37:05,490 --> 00:37:02,799

super interesting it plays into like the

895

00:37:06,829 --> 00:37:05,500

I don't know the science aspect of it I

896

00:37:10,109 --> 00:37:06,839

think it's really really interesting

897

00:37:12,359 --> 00:37:10,119

yeah a lot of people have coined this

898

00:37:14,240 --> 00:37:12,369

sort of the eyes factor you know like

899

00:37:17,250 --> 00:37:14,250

time slows down

900

00:37:18,060 --> 00:37:17,260

the air becomes like thick everything

901
00:37:20,190 --> 00:37:18,070
becomes cool

902
00:37:22,800 --> 00:37:20,200
and you know I had another guy tell me

903
00:37:24,720 --> 00:37:22,810
the same thing like he couldn't hear

904
00:37:27,690 --> 00:37:24,730
anything he couldn't see anything

905
00:37:29,820 --> 00:37:27,700
and I will say too like when I had my

906
00:37:32,310 --> 00:37:29,830
experience and I don't think what I saw

907
00:37:34,740 --> 00:37:32,320
was alien that I can flat-out say that

908
00:37:36,750 --> 00:37:34,750
but I can't discount that either but I

909
00:37:39,120 --> 00:37:36,760
felt that same thing like I couldn't

910
00:37:41,430 --> 00:37:39,130
yell I couldn't do anything I was just

911
00:37:44,280 --> 00:37:41,440
like frozen there so like is it

912
00:37:46,920 --> 00:37:44,290
adrenaline is it fear or in are these

913
00:37:49,770 --> 00:37:46,930

things actually somehow physiologically

914

00:37:51,900 --> 00:37:49,780

controlling us a I don't know I don't

915

00:37:53,370 --> 00:37:51,910

know there's my answer and that's why

916

00:37:56,130 --> 00:37:53,380

you should that's why you should trust

917

00:37:59,700 --> 00:37:56,140

me cuz I say I don't know yeah man I

918

00:38:01,980 --> 00:37:59,710

know like when I think back on you know

919

00:38:04,170 --> 00:38:01,990

when when me and Ben saw that stuff out

920

00:38:06,210 --> 00:38:04,180

in Sedona like I think back on it man

921

00:38:08,550 --> 00:38:06,220

and you know it's probably about you

922

00:38:11,490 --> 00:38:08,560

know 45 seconds to about a minutes worth

923

00:38:14,100 --> 00:38:11,500

of like you know air show that they put

924

00:38:17,460 --> 00:38:14,110

on but man like when I go back and think

925

00:38:19,890 --> 00:38:17,470

about it like I'm staring at at this

926

00:38:22,680 --> 00:38:19,900

object in the sky and we're standing

927

00:38:26,280 --> 00:38:22,690

outside you know and like I don't recall

928

00:38:28,350 --> 00:38:26,290

the wind blowing I don't recall noises I

929

00:38:30,390 --> 00:38:28,360

don't know if it's just because we're so

930

00:38:32,460 --> 00:38:30,400

focused on like what was happening

931

00:38:35,700 --> 00:38:32,470

around you know up in the sky that I

932

00:38:37,650 --> 00:38:35,710

blocked out all the other senses but ya

933

00:38:39,300 --> 00:38:37,660

know it's it's it is one of those things

934

00:38:42,810 --> 00:38:39,310

man it just kind of makes you think like

935

00:38:44,730 --> 00:38:42,820

whoa I think so yeah and I think you

936

00:38:48,240 --> 00:38:44,740

know it's human nature to when like

937

00:38:49,980 --> 00:38:48,250

something something out of the ordinary

938

00:38:52,170 --> 00:38:49,990

that's not part of your daily routine

939

00:38:54,240 --> 00:38:52,180

that isn't like you know the same thing

940

00:38:57,180 --> 00:38:54,250

you've done every single day or looked

941

00:38:59,010 --> 00:38:57,190

at like it does it changes something it

942

00:39:01,500 --> 00:38:59,020

like like you said earlier it flips that

943

00:39:04,530 --> 00:39:01,510

switch on and then like the floodgates

944

00:39:05,880 --> 00:39:04,540

are open I mean it's crazy after that

945

00:39:08,130 --> 00:39:05,890

all these people tell me they've had a

946

00:39:09,750 --> 00:39:08,140

singular UFO event then they come to me

947

00:39:11,160 --> 00:39:09,760

months later years later saying

948

00:39:13,260 --> 00:39:11,170

something else happened something else

949

00:39:16,860 --> 00:39:13,270

happened that woman in Michigan dude her

950

00:39:20,790 --> 00:39:16,870

house became like haunted by poltergeist

951
00:39:23,190 --> 00:39:20,800
after this after a UFO case she says I

952
00:39:25,320 --> 00:39:23,200
mean her things were flying across the

953
00:39:27,630 --> 00:39:25,330
house the the electricity was going out

954
00:39:28,849 --> 00:39:27,640
she called the the electric people to

955
00:39:31,249 --> 00:39:28,859
come out and look

956
00:39:34,579 --> 00:39:31,259
it they come the dudes like trying to

957
00:39:37,609 --> 00:39:34,589
fix the electricity huge boomerang craft

958
00:39:39,799 --> 00:39:37,619
comes over the house and he sees oh and

959
00:39:42,559 --> 00:39:39,809
he's like [\h__\h] this I'm out of here and

960
00:39:44,420 --> 00:39:42,569
he literally left and he was like I'll

961
00:39:47,210 --> 00:39:44,430
send someone else I'm never coming back

962
00:39:49,579 --> 00:39:47,220
here again so yeah is that is that the

963
00:39:54,200 --> 00:39:49,589

one where the the daughters saw the

964

00:39:56,720 --> 00:39:54,210

hooded figure yes it is see it yep yes

965

00:39:58,609 --> 00:39:56,730

that story's crazy the hook yeah that

966

00:40:01,099 --> 00:39:58,619

heard this one the yeah yeah how did

967

00:40:03,200 --> 00:40:01,109

figure yeah right yeah better than I can

968

00:40:05,690 --> 00:40:03,210

do absolutely you've gotten anymore

969

00:40:08,630 --> 00:40:05,700

update information on that or is this

970

00:40:09,950 --> 00:40:08,640

still kind of a work yes it is a work in

971

00:40:12,559 --> 00:40:09,960

progress that's funny you mentioned that

972

00:40:14,680 --> 00:40:12,569

I was in Michigan about a month and a

973

00:40:18,319 --> 00:40:14,690

half ago at a UFO conference and that

974

00:40:19,970 --> 00:40:18,329

woman was there and it was my first time

975

00:40:22,160 --> 00:40:19,980

meeting her face to face everything

976

00:40:26,029 --> 00:40:22,170

before that was like it isn't that was

977

00:40:28,400 --> 00:40:26,039

nineteen over Facebook and I got to like

978

00:40:30,620 --> 00:40:28,410

hug her and talk to her I was the first

979

00:40:33,470 --> 00:40:30,630

person she like shared the story with in

980

00:40:35,900 --> 00:40:33,480

in my book I wrote an entire chapter on

981

00:40:37,789 --> 00:40:35,910

her her case with her and her two

982

00:40:39,979 --> 00:40:37,799

daughters and what you're talking about

983

00:40:42,200 --> 00:40:39,989

is actually the younger daughter she

984

00:40:46,460 --> 00:40:42,210

wasn't part of the original UFO event

985

00:40:48,799 --> 00:40:46,470

but one night she was in bed and she got

986

00:40:50,630 --> 00:40:48,809

up to go to the bathroom and she sees

987

00:40:52,789 --> 00:40:50,640

this hooded figure in the [h__\h]

988

00:40:55,940 --> 00:40:52,799

hallway of their house and just chilling

989

00:40:57,890 --> 00:40:55,950

just chilling you know it's like four

990

00:40:58,880 --> 00:40:57,900

feet tall hooded figure you know they

991

00:41:03,109 --> 00:40:58,890

normal I guess

992

00:41:04,970 --> 00:41:03,119

and it starts walking towards her she's

993

00:41:07,190 --> 00:41:04,980

like nope nope but this is not happening

994

00:41:09,680 --> 00:41:07,200

she runs into a room gets under the

995

00:41:11,420 --> 00:41:09,690

covers puts him over her head and she's

996

00:41:14,839 --> 00:41:11,430

just like this isn't happening this

997

00:41:17,210 --> 00:41:14,849

isn't happening and that covers start to

998

00:41:22,460 --> 00:41:17,220

come down and someone's pulling the

999

00:41:25,130 --> 00:41:22,470

covers down and it's her mom little

1000

00:41:26,720 --> 00:41:25,140

suspenseful there it was her mom and she

1001
00:41:29,599 --> 00:41:26,730
was like are you okay honey I heard like

1002
00:41:32,059 --> 00:41:29,609
some scampering in the hallway and she

1003
00:41:34,970 --> 00:41:32,069
couldn't move because she was still

1004
00:41:35,809 --> 00:41:34,980
petrified and as the moms like trying to

1005
00:41:38,029 --> 00:41:35,819
calm her down

1006
00:41:40,670 --> 00:41:38,039
hooded figure is going throughout the

1007
00:41:41,270 --> 00:41:40,680
room surveying the area just looking at

1008
00:41:44,450 --> 00:41:41,280
you

1009
00:41:47,180 --> 00:41:44,460
and the daughter couldn't do anything

1010
00:41:48,950 --> 00:41:47,190
she was frozen and petrified mom finally

1011
00:41:51,860 --> 00:41:48,960
says all right go to bed good night

1012
00:41:54,650 --> 00:41:51,870
leaves being follows the mom out of the

1013
00:41:57,500 --> 00:41:54,660

room and then boom that's it dude whoa

1014

00:41:59,240 --> 00:41:57,510

yeah what if they're just all around us

1015

00:42:01,430 --> 00:41:59,250

all the time and we just don't know it

1016

00:42:04,190 --> 00:42:01,440

they're just walking picking [h__h] up and

1017

00:42:06,470 --> 00:42:04,200

looking at it or absolutely man like

1018

00:42:08,510 --> 00:42:06,480

they they might be just as confused as

1019

00:42:10,100 --> 00:42:08,520

we are like what the hell am i doing a

1020

00:42:12,230 --> 00:42:10,110

lot of people say that with ghosts too

1021

00:42:14,120 --> 00:42:12,240

like they're just as scared of us as we

1022

00:42:16,820 --> 00:42:14,130

are of them they don't know why the hell

1023

00:42:18,290 --> 00:42:16,830

you're seeing them all of a sudden like

1024

00:42:22,250 --> 00:42:18,300

maybe there was a glitch in the matrix

1025

00:42:24,500 --> 00:42:22,260

or there was you know some time space

1026

00:42:28,070 --> 00:42:24,510

warp where you did catch a glimpse of

1027

00:42:29,270 --> 00:42:28,080

someone back in 1700 freaking knows man

1028

00:42:31,790 --> 00:42:29,280

maybe that's what we're dealing with

1029

00:42:33,440 --> 00:42:31,800

aliens do hate waves are ghosts ghosts

1030

00:42:34,010 --> 00:42:33,450

or aliens yeah I mean that's that's

1031

00:42:35,870 --> 00:42:34,020

crazy

1032

00:42:38,120 --> 00:42:35,880

you know it's weird cuz like you always

1033

00:42:41,990 --> 00:42:38,130

like any time you hear about it you know

1034

00:42:45,590 --> 00:42:42,000

it's like I saw this being and I I ran

1035

00:42:47,990 --> 00:42:45,600

away or like I hid under my covers and

1036

00:42:49,520 --> 00:42:48,000

it always makes me think like I wonder I

1037

00:42:52,730 --> 00:42:49,530

wonder what would happen if somebody was

1038

00:42:54,740 --> 00:42:52,740

like hey what's up hey what are you

1039

00:42:57,620 --> 00:42:54,750

doing over there and like walked towards

1040

00:42:59,420 --> 00:42:57,630

it or like ran towards it like I wonder

1041

00:43:01,070 --> 00:42:59,430

if it would haul ass out of there or

1042

00:43:03,650 --> 00:43:01,080

like you know what I'm saying like I

1043

00:43:06,110 --> 00:43:03,660

don't know it's great oh man I've got

1044

00:43:10,730 --> 00:43:06,120

I've got a quick story for a you want

1045

00:43:13,100 --> 00:43:10,740

this one okay yes so this comes from my

1046

00:43:14,690 --> 00:43:13,110

my friend Mike Cleland he's the owl guy

1047

00:43:17,180 --> 00:43:14,700

I don't know if you guys heard if you

1048

00:43:19,820 --> 00:43:17,190

know oh yeah yeah okay I know him yeah

1049

00:43:23,570 --> 00:43:19,830

yeah he compiles all people's stories

1050

00:43:26,480 --> 00:43:23,580

who somehow connect towels with UFOs or

1051
00:43:29,270 --> 00:43:26,490
aliens so he he's got this story of this

1052
00:43:32,930 --> 00:43:29,280
woman who's like you know she's doing

1053
00:43:34,850 --> 00:43:32,940
the dishes after dinner and she's a

1054
00:43:36,320 --> 00:43:34,860
multiple abductee she claimed to have

1055
00:43:38,420 --> 00:43:36,330
been abducted surround her lights and

1056
00:43:40,700 --> 00:43:38,430
she's she's just doing the dishes

1057
00:43:44,120 --> 00:43:40,710
putting them away then she looks out her

1058
00:43:46,340 --> 00:43:44,130
window and a gray you know gray alien is

1059
00:43:49,280 --> 00:43:46,350
staring at her in the window and she

1060
00:43:49,820 --> 00:43:49,290
looks over and she's like no no not a

1061
00:43:52,010 --> 00:43:49,830
chance

1062
00:43:53,670 --> 00:43:52,020
she's like I am NOT going with you now I

1063
00:43:55,859 --> 00:43:53,680

got too much [\h__\h] to do

1064

00:43:59,220 --> 00:43:55,869

I gotta like help my daughter with her

1065

00:44:02,010 --> 00:43:59,230

homework and she literally like puts the

1066

00:44:05,370 --> 00:44:02,020

dishes down opens the door goes outside

1067

00:44:09,180 --> 00:44:05,380

and she's like no no I'm not doing this

1068

00:44:11,700 --> 00:44:09,190

right and the alien starts going

1069

00:44:14,940 --> 00:44:11,710

literally like not telepathically saying

1070

00:44:18,000 --> 00:44:14,950

owl owl owl owl owl like it's trying to

1071

00:44:20,849 --> 00:44:18,010

like scream memory itself into an owl

1072

00:44:23,789 --> 00:44:20,859

cuz a lot of abductees claim that yeah

1073

00:44:26,160 --> 00:44:23,799

yeah the little [\h__\h] couldn't do it it

1074

00:44:29,940 --> 00:44:26,170

was just like failing miserably

1075

00:44:32,910 --> 00:44:29,950

like so it runs away dude the gray ran

1076

00:44:35,329 --> 00:44:32,920

away hit a tree fell over and then ran

1077

00:44:38,279 --> 00:44:35,339

off into the woods and she was like wha

1078

00:44:40,260 --> 00:44:38,289

she's like that was weird that's never

1079

00:44:42,569 --> 00:44:40,270

happened but okay I guess I can go help

1080

00:44:44,910 --> 00:44:42,579

my daughter with their homework now Jo

1081

00:44:47,910 --> 00:44:44,920

so grace can be awkward too they can be

1082

00:44:50,400 --> 00:44:47,920

clumsy yeah apparently they can [h__h] up

1083

00:44:52,650 --> 00:44:50,410

yeah because you always think of them as

1084

00:44:54,240 --> 00:44:52,660

so like precise and calculated but but

1085

00:44:56,789 --> 00:44:54,250

you throw them off their game and and

1086

00:44:58,079 --> 00:44:56,799

and you know you you turn it around on

1087

00:45:00,559 --> 00:44:58,089

them and they're like oh [h__h] I don't

1088

00:45:03,690 --> 00:45:00,569

know what to do with this situation

1089

00:45:06,000 --> 00:45:03,700

their stories were like they put people

1090

00:45:08,910 --> 00:45:06,010

back in like the wrong clothes or even

1091

00:45:10,890 --> 00:45:08,920

like the wrong car this one dude was on

1092

00:45:14,220 --> 00:45:10,900

the highway and he claimed to have been

1093

00:45:16,410 --> 00:45:14,230

abducted and when he like kinda came

1094

00:45:18,329 --> 00:45:16,420

back into it he was in a different car

1095

00:45:20,670 --> 00:45:18,339

looking at his own car on the highway

1096

00:45:23,370 --> 00:45:20,680

with someone else in it I'm not kidding

1097

00:45:25,260 --> 00:45:23,380

yeah like what do you do with that I

1098

00:45:27,390 --> 00:45:25,270

mean duh part of me wants to be like

1099

00:45:30,000 --> 00:45:27,400

that that's not true like that's total

1100

00:45:32,730 --> 00:45:30,010

[h__\h] but at the same time like these

1101
00:45:33,269 --> 00:45:32,740
are normal sane people claiming these

1102
00:45:36,870 --> 00:45:33,279
things

1103
00:45:39,690 --> 00:45:36,880
no no sense of like being fantasy prone

1104
00:45:41,760 --> 00:45:39,700
or like hallucinating or on any drugs

1105
00:45:44,670 --> 00:45:41,770
nothing and they're claiming these

1106
00:45:46,769 --> 00:45:44,680
things so what do you do it yeah man

1107
00:45:48,120 --> 00:45:46,779
yeah I know that's you know and it's

1108
00:45:50,190 --> 00:45:48,130
it's crazy because you know kind of

1109
00:45:51,990 --> 00:45:50,200
brings it back to the you know like well

1110
00:45:53,760 --> 00:45:52,000
maybe we should have like an alien ology

1111
00:45:55,769 --> 00:45:53,770
because you know we all you know we

1112
00:45:58,470 --> 00:45:55,779
discussed the UFO aspect of this but

1113
00:46:00,359 --> 00:45:58,480

then when you you talk to people who who

1114

00:46:02,549 --> 00:46:00,369

have no interest in it who don't even

1115

00:46:03,630 --> 00:46:02,559

think about you know aliens or whatever

1116

00:46:05,640 --> 00:46:03,640

you

1117

00:46:08,310 --> 00:46:05,650

then they have this experience and they

1118

00:46:11,700 --> 00:46:08,320

all seem to like kind of describe the

1119

00:46:13,920 --> 00:46:11,710

same like certain kinds of beings you

1120

00:46:17,130 --> 00:46:13,930

know like whether they be like Grey's or

1121

00:46:19,620 --> 00:46:17,140

you know hooded figures or whites or

1122

00:46:22,680 --> 00:46:19,630

whatever it is like they all kind of you

1123

00:46:24,240 --> 00:46:22,690

know you know you you could just you

1124

00:46:26,010 --> 00:46:24,250

know I guess chalk it off to like oh

1125

00:46:27,870 --> 00:46:26,020

well they've heard stories they've read

1126
00:46:30,480 --> 00:46:27,880
books they've seen movies that's what I

1127
00:46:33,600 --> 00:46:30,490
do that's that's why they describe them

1128
00:46:36,600 --> 00:46:33,610
this way but but you know like every

1129
00:46:39,810 --> 00:46:36,610
every line of [h__h] came from like a

1130
00:46:43,050 --> 00:46:39,820
little kernel of truth yeah no that's a

1131
00:46:45,000 --> 00:46:43,060
good point man I I work under the

1132
00:46:47,250 --> 00:46:45,010
assumption that every story has some

1133
00:46:49,440 --> 00:46:47,260
sort of value and yeah when you do hear

1134
00:46:52,620 --> 00:46:49,450
like the same damn story ten million

1135
00:46:55,200 --> 00:46:52,630
times you know big head big black eyes

1136
00:46:56,910 --> 00:46:55,210
grave like I'm like okay like it's very

1137
00:46:59,940 --> 00:46:56,920
possible you are influenced by something

1138
00:47:01,830 --> 00:46:59,950

but at the same time like is it

1139

00:47:05,460 --> 00:47:01,840

chicken-or-egg like what came first the

1140

00:47:08,520 --> 00:47:05,470

story or the person having the the same

1141

00:47:10,050 --> 00:47:08,530

sort of experience I don't know I mean

1142

00:47:12,870 --> 00:47:10,060

you trace it all the way back to like

1143

00:47:13,320 --> 00:47:12,880

the modern UFO era where like Kenneth

1144

00:47:16,380 --> 00:47:13,330

Arnold

1145

00:47:18,630 --> 00:47:16,390

dude sees like nine flying saucers which

1146

00:47:21,300 --> 00:47:18,640

was a misquote to begin with he didn't

1147

00:47:23,430 --> 00:47:21,310

even see saucer-shaped craft he saw like

1148

00:47:26,310 --> 00:47:23,440

these prescient things or whatever and

1149

00:47:27,960 --> 00:47:26,320

they miss you know misheard him in the

1150

00:47:29,910 --> 00:47:27,970

article and called it flying saucers and

1151
00:47:31,470 --> 00:47:29,920
then everyone sees flying saucers after

1152
00:47:34,980 --> 00:47:31,480
that because of this article so it's

1153
00:47:37,560 --> 00:47:34,990
like were they really seeing them or was

1154
00:47:39,450 --> 00:47:37,570
it all influenced by this first claim of

1155
00:47:41,580 --> 00:47:39,460
seeing he's like I don't know it blows

1156
00:47:42,930 --> 00:47:41,590
my mind and maybe it's a like you said I

1157
00:47:45,570 --> 00:47:42,940
think the truth really does lie

1158
00:47:47,970 --> 00:47:45,580
somewhere in between and that's kind of

1159
00:47:49,530 --> 00:47:47,980
what the whole UFO field is based on -

1160
00:47:51,750 --> 00:47:49,540
lies with a little bit of truth

1161
00:47:54,120 --> 00:47:51,760
somewhere in the middle yeah dude yeah

1162
00:47:55,530 --> 00:47:54,130
and then I think a lot of it - like well

1163
00:47:58,470 --> 00:47:55,540

maybe a little bit of it you know I

1164

00:48:00,450 --> 00:47:58,480

think it has to do with maybe like these

1165

00:48:03,900 --> 00:48:00,460

people tell their story and then some of

1166

00:48:05,070 --> 00:48:03,910

the people who are taking the story you

1167

00:48:07,440 --> 00:48:05,080

know like if it's just like a regular

1168

00:48:09,330 --> 00:48:07,450

like news broadcaster or something you

1169

00:48:11,280 --> 00:48:09,340

know a lot of times I feel like those

1170

00:48:14,070 --> 00:48:11,290

people don't give a [h__h] like you could

1171

00:48:16,710 --> 00:48:14,080

literally say like yes I saw a cube in

1172

00:48:17,280 --> 00:48:16,720

the sky and you know it was kind of

1173

00:48:19,380 --> 00:48:17,290

shifting

1174

00:48:21,480 --> 00:48:19,390

these forms and I couldn't you know make

1175

00:48:22,980 --> 00:48:21,490

it out or whatever and then on the news

1176

00:48:25,260 --> 00:48:22,990

at night they're like they saw flying

1177

00:48:27,840 --> 00:48:25,270

saucers yeah yeah and then you're like

1178

00:48:30,240 --> 00:48:27,850

oh damn that dude saw saucers so

1179

00:48:32,460 --> 00:48:30,250

immediately in your head you think you

1180

00:48:35,520 --> 00:48:32,470

know circular saucer shape when that's

1181

00:48:38,070 --> 00:48:35,530

not what you saw at all I saw cube right

1182

00:48:40,020 --> 00:48:38,080

yeah absolutely they're there when you

1183

00:48:42,630 --> 00:48:40,030

look at the mass media there's buzzwords

1184

00:48:45,450 --> 00:48:42,640

that will get clicks and will get people

1185

00:48:47,340 --> 00:48:45,460

interested in saucers one of them and I

1186

00:48:48,990 --> 00:48:47,350

mean god I can't tell you the last time

1187

00:48:53,190 --> 00:48:49,000

someone's actually like reported a

1188

00:48:56,250 --> 00:48:53,200

saucer to me it's it's everything but so

1189

00:48:57,900 --> 00:48:56,260

I don't I don't know man it's tough it

1190

00:48:59,520 --> 00:48:57,910

is tough when you're dealing with UFOs

1191

00:49:03,090 --> 00:48:59,530

in the mass media I think things are

1192

00:49:06,710 --> 00:49:03,100

changing I think a lot of news anchors

1193

00:49:09,330 --> 00:49:06,720

and you know some of these really good

1194

00:49:10,620 --> 00:49:09,340

websites are actually starting to really

1195

00:49:13,890 --> 00:49:10,630

do their homework

1196

00:49:17,100 --> 00:49:13,900

and you look at stuff like vice or the

1197

00:49:19,590 --> 00:49:17,110

drive the the military website and like

1198

00:49:22,410 --> 00:49:19,600

they're doing some heavy heavy reporting

1199

00:49:24,840 --> 00:49:22,420

on UFOs and they are taking down precise

1200

00:49:27,690 --> 00:49:24,850

quotes and make it sure they're not like

1201
00:49:29,280 --> 00:49:27,700
mincing words with anything and I really

1202
00:49:32,400 --> 00:49:29,290
respect that that we have people out

1203
00:49:34,560 --> 00:49:32,410
there finally taking the topic seriously

1204
00:49:37,410 --> 00:49:34,570
getting the accurate information out

1205
00:49:39,090 --> 00:49:37,420
there and really making waves and

1206
00:49:40,950 --> 00:49:39,100
following up with people that's another

1207
00:49:42,090 --> 00:49:40,960
big thing with me is yeah you look on

1208
00:49:43,860 --> 00:49:42,100
your news Oh

1209
00:49:46,050 --> 00:49:43,870
some people saw something strange in the

1210
00:49:48,270 --> 00:49:46,060
sky and then that's it you never hear

1211
00:49:49,110 --> 00:49:48,280
about anything after that like well did

1212
00:49:52,350 --> 00:49:49,120
it happen again

1213
00:49:55,080 --> 00:49:52,360

or like was there any sort of event that

1214

00:49:57,780 --> 00:49:55,090

triggered it beforehand or like give me

1215

00:49:59,910 --> 00:49:57,790

something here guys but it was often

1216

00:50:01,530 --> 00:49:59,920

just fluff pieces in the news and I

1217

00:50:05,100 --> 00:50:01,540

think that is shifting and changing

1218

00:50:07,080 --> 00:50:05,110

where the UFO topic is getting closer

1219

00:50:10,020 --> 00:50:07,090

and closer to the front page of some

1220

00:50:11,880 --> 00:50:10,030

major newspapers so I'm excited to see

1221

00:50:13,740 --> 00:50:11,890

where it goes and I have to admit we

1222

00:50:18,840 --> 00:50:13,750

have Tom DeLonge to thank for that so

1223

00:50:24,120 --> 00:50:18,850

thank you Tom for a lot of songs about

1224

00:50:25,950 --> 00:50:24,130

penises you know that's all good too

1225

00:50:28,080 --> 00:50:25,960

that's that's one of those things where

1226

00:50:29,610 --> 00:50:28,090

it's like okay yeah I mean like there

1227

00:50:31,020 --> 00:50:29,620

are so many people with that hop on with

1228

00:50:32,370 --> 00:50:31,030

with TTS a and it's

1229

00:50:34,110 --> 00:50:32,380

because you know they grew up with

1230

00:50:36,270 --> 00:50:34,120

blink-182 man you know and it's like

1231

00:50:38,970 --> 00:50:36,280

that's cool one of my favorite bands of

1232

00:50:41,160 --> 00:50:38,980

all time is now like you know yeah mom

1233

00:50:44,250 --> 00:50:41,170

is now you know doing aliens and UFO

1234

00:50:46,800 --> 00:50:44,260

stuff you know so yeah that's that's one

1235

00:50:48,750 --> 00:50:46,810

thing they got going for him but but so

1236

00:50:51,930 --> 00:50:48,760

I guess on the on the topic of flying

1237

00:50:54,030 --> 00:50:51,940

saucers man I have to know how was it

1238

00:50:57,750 --> 00:50:54,040

interviewing Stan Friedman

1239

00:50:59,460 --> 00:50:57,760

oh man yes so that was that was a big

1240

00:51:01,950 --> 00:50:59,470

catch for me I'm not gonna lie I was

1241

00:51:05,040 --> 00:51:01,960

nervous as [h__\h] and like I've been you

1242

00:51:07,860 --> 00:51:05,050

know I've talked to a lot of the I guess

1243

00:51:10,590 --> 00:51:07,870

whatever heavy hitters in the field um

1244

00:51:12,450 --> 00:51:10,600

but that was one where I honestly I had

1245

00:51:14,220 --> 00:51:12,460

no idea what to ask that guy he's been

1246

00:51:17,520 --> 00:51:14,230

asked every question you could possibly

1247

00:51:20,010 --> 00:51:17,530

think of and his his vocabulary and the

1248

00:51:23,730 --> 00:51:20,020

way his mind works is just it's beyond

1249

00:51:25,800 --> 00:51:23,740

me like I'm a I'm just a UFO researcher

1250

00:51:28,770 --> 00:51:25,810

who listens to book what a did to do

1251
00:51:31,320 --> 00:51:28,780
every now and again but that that was um

1252
00:51:32,790 --> 00:51:31,330
episode 50 for me on my podcast and I

1253
00:51:35,310 --> 00:51:32,800
really wanted to do something special

1254
00:51:37,890 --> 00:51:35,320
and around that time is when Stan

1255
00:51:40,170 --> 00:51:37,900
Friedman decided he was done he wanted

1256
00:51:42,240 --> 00:51:40,180
to retire from the you know the lecture

1257
00:51:44,550 --> 00:51:42,250
circuit and the dude is lectured in

1258
00:51:46,350 --> 00:51:44,560
every country every continent every city

1259
00:51:51,450 --> 00:51:46,360
you can think of every province in

1260
00:51:53,220 --> 00:51:51,460
Canada it's insane so I I spent in weeks

1261
00:51:55,020 --> 00:51:53,230
and weeks trying to compile like a list

1262
00:51:57,660 --> 00:51:55,030
of questions asked and then eventually I

1263
00:51:59,580 --> 00:51:57,670

was just like [h__h] it like just get him

1264

00:52:02,610 --> 00:51:59,590

on and see what happens

1265

00:52:05,640 --> 00:52:02,620

so I call him up and he answers the

1266

00:52:08,730 --> 00:52:05,650

phone it is like hey let's do this

1267

00:52:11,160 --> 00:52:08,740

just like that immediately put me at

1268

00:52:13,980 --> 00:52:11,170

ease I'm like oh my god he's he's just a

1269

00:52:16,830 --> 00:52:13,990

normal dude and he's just excited to

1270

00:52:19,950 --> 00:52:16,840

talk to me as I was to him and we

1271

00:52:22,980 --> 00:52:19,960

literally just ran through 50 years of

1272

00:52:24,630 --> 00:52:22,990

his career and how he got into it what

1273

00:52:27,120 --> 00:52:24,640

he found most interesting where he

1274

00:52:29,160 --> 00:52:27,130

thought it was heading and I just let

1275

00:52:32,100 --> 00:52:29,170

him talk I think when I was editing I

1276

00:52:34,710 --> 00:52:32,110

had maybe like 10 words total in like a

1277

00:52:36,690 --> 00:52:34,720

two and a half hour conversation so yeah

1278

00:52:40,020 --> 00:52:36,700

I love you that was so that was a great

1279

00:52:42,510 --> 00:52:40,030

one dude thank you it was amazing it it

1280

00:52:43,700 --> 00:52:42,520

really if you didn't have respect for

1281

00:52:44,990 --> 00:52:43,710

him before that I

1282

00:52:47,780 --> 00:52:45,000

know how you could come out the other

1283

00:52:50,270 --> 00:52:47,790

side not thinking this dude changed all

1284

00:52:53,390 --> 00:52:50,280

of our lives and like he paved the way

1285

00:52:55,910 --> 00:52:53,400

he was the original ufologist it's it's

1286

00:52:58,490 --> 00:52:55,920

insane to think that you know we can't

1287

00:53:00,470 --> 00:52:58,500

just call him up anymore and and we

1288

00:53:02,720 --> 00:53:00,480

won't see more books by him but I

1289

00:53:04,430 --> 00:53:02,730

treasure everything he's written I

1290

00:53:06,770 --> 00:53:04,440

respect the hell out of the guy as a

1291

00:53:09,770 --> 00:53:06,780

human being first and foremost as a UFO

1292

00:53:12,079 --> 00:53:09,780

researcher second and it was quite an

1293

00:53:14,329 --> 00:53:12,089

honor I have to admit man yeah that's

1294

00:53:17,930 --> 00:53:14,339

gotta be awesome dude so I mean the

1295

00:53:20,780 --> 00:53:17,940

closest that we ever got was we got to

1296

00:53:23,420 --> 00:53:20,790

interview uh her name was Joanne you

1297

00:53:25,760 --> 00:53:23,430

incur right okay she's the the head

1298

00:53:29,540 --> 00:53:25,770

archivist in New Brunswick the Ohio

1299

00:53:32,030 --> 00:53:29,550

archive that Stanton you know donated

1300

00:53:34,040 --> 00:53:32,040

all of his stuff all his research

1301

00:53:36,079 --> 00:53:34,050

everything that was in his house he

1302

00:53:38,180 --> 00:53:36,089

donated to them and she's the head

1303

00:53:40,820 --> 00:53:38,190

archivist over there and she had some

1304

00:53:44,780 --> 00:53:40,830

pretty pretty awesome stories about it

1305

00:53:46,400 --> 00:53:44,790

as well I can imagine yeah yeah yeah she

1306

00:53:49,370 --> 00:53:46,410

was like she was like you know there's

1307

00:53:53,000 --> 00:53:49,380

so many things in his in his collection

1308

00:53:55,880 --> 00:53:53,010

like there's vials of liquid and like

1309

00:53:57,829 --> 00:53:55,890

powder like all kinds of stuff that we

1310

00:54:01,280 --> 00:53:57,839

don't really know what to do with them

1311

00:54:04,160 --> 00:54:01,290

or like should we open them you know but

1312

00:54:04,730 --> 00:54:04,170

yeah she said should we smoke it I don't

1313

00:54:08,660 --> 00:54:04,740

know

1314

00:54:11,589 --> 00:54:08,670

so when that space weed man if anybody

1315

00:54:14,320 --> 00:54:11,599

that's noisy you stand here bro

1316

00:54:20,240 --> 00:54:14,330

absolutely I I could see him in like

1317

00:54:21,410 --> 00:54:20,250

Carl Sagan kickin back a joiner - yeah I

1318

00:54:23,960 --> 00:54:21,420

bet they did they went to college

1319

00:54:26,120 --> 00:54:23,970

together right yeah yeah they debated

1320

00:54:28,640 --> 00:54:26,130

together and like they had a huge

1321

00:54:31,070 --> 00:54:28,650

respect for one another so again like

1322

00:54:34,849 --> 00:54:31,080

Stanton you can say what you want about

1323

00:54:37,310 --> 00:54:34,859

the guy he was very Pro et but he was

1324

00:54:40,040 --> 00:54:37,320

very well respected by his peers and

1325

00:54:41,750 --> 00:54:40,050

although he will always be remembered as

1326

00:54:44,960 --> 00:54:41,760

he follow just like he was a physicist

1327

00:54:47,960 --> 00:54:44,970

first and foremost and that's an amazing

1328

00:54:51,800 --> 00:54:47,970

feat and a life you know well lived in

1329

00:54:54,140 --> 00:54:51,810

my opinion that's all that's awesome we

1330

00:54:55,620 --> 00:54:54,150

got a follow up with Joanna cuz I mean

1331

00:54:57,570 --> 00:54:55,630

she did tell us about three

1332

00:55:01,110 --> 00:54:57,580

on Fridays where they would go through

1333

00:55:03,420 --> 00:55:01,120

all the archives and document

1334

00:55:05,490 --> 00:55:03,430

samples and and she said they do have a

1335

00:55:07,890 --> 00:55:05,500

little piece of metal that came in an

1336

00:55:09,270 --> 00:55:07,900

envelope here's here's a piece from the

1337

00:55:11,460 --> 00:55:09,280

Roswell crash was it the Roswell crash

1338

00:55:13,560 --> 00:55:11,470

yeah okay the Roswell yeah I don't know

1339

00:55:17,850 --> 00:55:13,570

on mysteries decoded y'all y'all went

1340

00:55:20,220 --> 00:55:17,860

out to the crash site into some some

1341

00:55:21,600 --> 00:55:20,230

metal I have listened to the that

1342

00:55:23,790 --> 00:55:21,610

episode when you talk about it but you

1343

00:55:26,130 --> 00:55:23,800

know maybe for our viewers that don't

1344

00:55:29,610 --> 00:55:26,140

know or listeners that don't know y'all

1345

00:55:31,230 --> 00:55:29,620

didn't have some something that came

1346

00:55:33,360 --> 00:55:31,240

back from from testing it right y'all

1347

00:55:36,780 --> 00:55:33,370

had some answers yeah so this is

1348

00:55:38,670 --> 00:55:36,790

actually an ongoing investigation you

1349

00:55:40,680 --> 00:55:38,680

know it did not end with the the

1350

00:55:43,230 --> 00:55:40,690

television special that was a that was

1351
00:55:46,560 --> 00:55:43,240
fun I mean I was contacted out of the

1352
00:55:49,230 --> 00:55:46,570
blue and they it was television CW

1353
00:55:51,000 --> 00:55:49,240
network was like we want to go weren't

1354
00:55:52,860 --> 00:55:51,010
we're rebooting Rox well you know the

1355
00:55:54,750 --> 00:55:52,870
fictional television show from the 90s

1356
00:55:56,790 --> 00:55:54,760
was like I school I remember that show

1357
00:55:58,980 --> 00:55:56,800
like yeah we're gonna do it the

1358
00:56:00,750 --> 00:55:58,990
modern-day version but we want to like

1359
00:56:02,430 --> 00:56:00,760
inform the public of what actually

1360
00:56:04,500 --> 00:56:02,440
happened in Roswell so like we want to

1361
00:56:07,290 --> 00:56:04,510
go out and investigate it I was like all

1362
00:56:09,600 --> 00:56:07,300
right like I guess I don't know what we

1363
00:56:12,780 --> 00:56:09,610

could discover after all this time but

1364

00:56:16,140 --> 00:56:12,790

yeah sure I'll go out there and I was

1365

00:56:18,120 --> 00:56:16,150

very surprised like we actually found

1366

00:56:21,720 --> 00:56:18,130

new evidence and that came in the form

1367

00:56:23,340 --> 00:56:21,730

of Frank Imbler he's a a geologist out

1368

00:56:25,350 --> 00:56:23,350

in Roswell he works at the Military

1369

00:56:27,780 --> 00:56:25,360

Institute and the dude for like the past

1370

00:56:29,880 --> 00:56:27,790

couple years has been out there digging

1371

00:56:32,100 --> 00:56:29,890

at the crash site which is a story in

1372

00:56:34,680 --> 00:56:32,110

itself of how he found it he was able to

1373

00:56:36,720 --> 00:56:34,690

use like all these crazy aerial

1374

00:56:39,240 --> 00:56:36,730

satellite stuff too like triangulate the

1375

00:56:41,720 --> 00:56:39,250

area according to like certain bushes in

1376

00:56:46,020 --> 00:56:41,730

the desert it's it's [h__\h] crazy oh

1377

00:56:48,300 --> 00:56:46,030

yeah yeah it's crazy I don't know how he

1378

00:56:50,160 --> 00:56:48,310

did it but he what he did was he went

1379

00:56:52,680 --> 00:56:50,170

out to the site and he just started

1380

00:56:54,780 --> 00:56:52,690

digging and him and his son free almost

1381

00:56:57,060 --> 00:56:54,790

a few years were out there digging like

1382

00:56:59,490 --> 00:56:57,070

every weekend and they actually found

1383

00:57:02,160 --> 00:56:59,500

medals out there which if you guys if

1384

00:57:04,470 --> 00:57:02,170

you actually go out there it's like a

1385

00:57:07,160 --> 00:57:04,480

hundred miles from anything any form of

1386

00:57:10,339 --> 00:57:07,170

life any nothing out there

1387

00:57:13,430 --> 00:57:10,349

thing not a bird not a bug nothing so

1388

00:57:15,920 --> 00:57:13,440

when we discovered that he found like

1389

00:57:18,609 --> 00:57:15,930

metal alloys out there well what the

1390

00:57:22,549 --> 00:57:18,619

hell this this has to be the place and

1391

00:57:25,039 --> 00:57:22,559

the way he like discovered it is from

1392

00:57:27,470 --> 00:57:25,049

years and years of like erosion and like

1393

00:57:30,440 --> 00:57:27,480

water coming through those areas the

1394

00:57:33,079 --> 00:57:30,450

Arroyo is out there that stuff would go

1395

00:57:36,410 --> 00:57:33,089

down it would be like under the surface

1396

00:57:38,059 --> 00:57:36,420

and if the guys out there were the

1397

00:57:40,250 --> 00:57:38,069

military people picked everything up

1398

00:57:42,980 --> 00:57:40,260

that was on the surface they did not get

1399

00:57:46,309 --> 00:57:42,990

everything so I'm like yeah I'm all in

1400

00:57:48,260 --> 00:57:46,319

with that so he found metals we went to

1401

00:57:50,510 --> 00:57:48,270

Razvi we talked to him he showed us

1402

00:57:53,450 --> 00:57:50,520

military buttons he found out there too

1403

00:57:55,880 --> 00:57:53,460

that they weren't carbon dated back to

1404

00:57:58,099 --> 00:57:55,890

the forties so what the hell were

1405

00:57:59,900 --> 00:57:58,109

military buttons doing out there if they

1406

00:58:02,240 --> 00:57:59,910

weren't like on their hands and knees

1407

00:58:05,750 --> 00:58:02,250

picking [h__h] up and like you know maybe

1408

00:58:10,819 --> 00:58:05,760

a button or two fell off so back to the

1409

00:58:13,250 --> 00:58:10,829

metals we go to a aerospace lab in

1410

00:58:15,859 --> 00:58:13,260

California and we're talking like these

1411

00:58:19,760 --> 00:58:15,869

dudes work with some pretty well known

1412

00:58:21,920 --> 00:58:19,770

aerospace people on almost a daily basis

1413

00:58:24,589 --> 00:58:21,930

and we're we didn't tell them what we're

1414

00:58:26,839 --> 00:58:24,599

doing we did not say we think we have

1415

00:58:29,000 --> 00:58:26,849

UFO pieces but you test them because you

1416

00:58:30,799 --> 00:58:29,010

try that with these labs and they want

1417

00:58:33,200 --> 00:58:30,809

nothing to do with you like they don't

1418

00:58:35,270 --> 00:58:33,210

want that on their shoulders so like we

1419

00:58:37,039 --> 00:58:35,280

tried like five labs before we smartened

1420

00:58:38,809 --> 00:58:37,049

up and we're like maybe we shouldn't

1421

00:58:43,579 --> 00:58:38,819

mention these could possibly be from a

1422

00:58:46,220 --> 00:58:43,589

UFO so we we got him tested at the lab

1423

00:58:49,460 --> 00:58:46,230

and our results were actually pretty

1424

00:58:53,089 --> 00:58:49,470

interesting now on the TV show it was

1425

00:58:56,539 --> 00:58:53,099

kind of a wah-wah-wah like we we they're

1426
00:59:00,770 --> 00:58:56,549
just normal metals or whatever but what

1427
00:59:03,109 --> 00:59:00,780
actually happened is these things were

1428
00:59:05,299 --> 00:59:03,119
tested before in Canada and it came back

1429
00:59:07,520 --> 00:59:05,309
like totally off the charts

1430
00:59:09,890 --> 00:59:07,530
like alien like this stuff cannot be

1431
00:59:12,410 --> 00:59:09,900
from here and we were like okay let's

1432
00:59:14,839 --> 00:59:12,420
let's get it tested to make sure like

1433
00:59:18,079 --> 00:59:14,849
they didn't screw anything up lo and

1434
00:59:20,250 --> 00:59:18,089
behold they really screwed up and we

1435
00:59:25,470 --> 00:59:20,260
were able to determine that

1436
00:59:29,880 --> 00:59:25,480
yes the metals were quite possibly from

1437
00:59:32,340 --> 00:59:29,890
Earth but the way the ratios were in

1438
00:59:37,200 --> 00:59:32,350

terms of like the actual alloys within

1439

00:59:37,950 --> 00:59:37,210

it definitely were from something in

1440

00:59:42,300 --> 00:59:37,960

space

1441

00:59:45,570 --> 00:59:42,310

in composition that you would only put

1442

00:59:49,200 --> 00:59:45,580

on the most sophisticated shuttles out

1443

00:59:52,109 --> 00:59:49,210

there so what the hell with these metals

1444

00:59:54,300 --> 00:59:52,119

doing out in the desert buried under

1445

00:59:58,020 --> 00:59:54,310

like feet of ground that had been there

1446

00:59:59,970 --> 00:59:58,030

for almost 50 years so I'm not saying it

1447

01:00:02,640 --> 00:59:59,980

was aliens but like yes there was some

1448

01:00:04,830 --> 01:00:02,650

super high-tech [h__h] metal going on

1449

01:00:06,900 --> 01:00:04,840

in that desert that had been there for a

1450

01:00:09,090 --> 01:00:06,910

really long time so maybe it was some

1451

01:00:11,070 --> 01:00:09,100

top-secret thing I mean you look back at

1452

01:00:13,560 --> 01:00:11,080

the 40's and Roswell happen we were just

1453

01:00:16,140 --> 01:00:13,570

starting the early stages of the space

1454

01:00:18,330 --> 01:00:16,150

program so could it have been ours yeah

1455

01:00:21,420 --> 01:00:18,340

is that worth a cover-up for 50 years

1456

01:00:23,940 --> 01:00:21,430

maybe or or it was aliens I don't know

1457

01:00:25,470 --> 01:00:23,950

but the tests are ongoing we still have

1458

01:00:28,560 --> 01:00:25,480

a lot of different tests to do with the

1459

01:00:30,570 --> 01:00:28,570

metals and I I should have some exciting

1460

01:00:32,880 --> 01:00:30,580

news about some follow up with that

1461

01:00:35,310 --> 01:00:32,890

pretty soon that's cool that's awesome

1462

01:00:39,210 --> 01:00:35,320

dude have you heard any any stories

1463

01:00:41,849 --> 01:00:39,220

about how I don't know if it was it us

1464

01:00:45,150 --> 01:00:41,859

or maybe like the maybe the Russians or

1465

01:00:48,570 --> 01:00:45,160

whatever maybe had like sent you know a

1466

01:00:51,420 --> 01:00:48,580

man-made craft but it had like like

1467

01:00:53,700 --> 01:00:51,430

children inside of it like that had to

1468

01:00:55,980 --> 01:00:53,710

form these and things like that and like

1469

01:00:57,900 --> 01:00:55,990

that's why they didn't want to say

1470

01:01:00,330 --> 01:00:57,910

anything because they don't want that

1471

01:01:02,640 --> 01:01:00,340

getting out which is worse than covering

1472

01:01:03,930 --> 01:01:02,650

up aliens like I think it's way worse to

1473

01:01:06,000 --> 01:01:03,940

be like yeah we just got some like

1474

01:01:08,190 --> 01:01:06,010

special needs kids and put them in a

1475

01:01:12,320 --> 01:01:08,200

spacecraft and shot it across you know

1476

01:01:14,820 --> 01:01:12,330

the world yeah so I'd heard those rumors

1477

01:01:17,490 --> 01:01:14,830

you know sort of whispers in the UFO

1478

01:01:19,410 --> 01:01:17,500

field and I know Nick Redfern is written

1479

01:01:22,890 --> 01:01:19,420

a book all about that that theory as

1480

01:01:25,109 --> 01:01:22,900

well but I will tell you this when we

1481

01:01:27,270 --> 01:01:25,119

were in Roswell you know we we were just

1482

01:01:29,070 --> 01:01:27,280

kind of chilling and we have a camera

1483

01:01:31,349 --> 01:01:29,080

guys with us so of course everyone in

1484

01:01:33,290 --> 01:01:31,359

town the locals what they want to know

1485

01:01:35,780 --> 01:01:33,300

what the hell you're doing in Roswell

1486

01:01:38,000 --> 01:01:35,790

and usually they assume you're doing

1487

01:01:40,010 --> 01:01:38,010

something with the crash or alias

1488

01:01:42,290 --> 01:01:40,020

because why else would you be in the

1489

01:01:44,570 --> 01:01:42,300

middle of Roswell yeah well we're doing

1490

01:01:47,870 --> 01:01:44,580

a documentary on Road Runners yeah right

1491

01:01:48,470 --> 01:01:47,880

well the same dude that is so funny you

1492

01:01:50,570 --> 01:01:48,480

said that

1493

01:01:52,640 --> 01:01:50,580

so our cameraman didn't want to tell

1494

01:01:54,680 --> 01:01:52,650

them what we're doing and he literally

1495

01:02:00,830 --> 01:01:54,690

goes we're doing a documentary on

1496

01:02:03,350 --> 01:02:00,840

groundwater I was like oh he's like so

1497

01:02:05,540 --> 01:02:03,360

nothing with UFOs and they were like now

1498

01:02:07,160 --> 01:02:05,550

but like what do you know about that

1499

01:02:09,530 --> 01:02:07,170

just curious what do you know cuz we

1500

01:02:11,660 --> 01:02:09,540

wanted to hear from locals and like not

1501
01:02:14,150 --> 01:02:11,670
on camera we wanted to hear it like raw

1502
01:02:18,290 --> 01:02:14,160
vulnerable as they can be and this guy

1503
01:02:21,680 --> 01:02:18,300
goes oh my my grandfather worked at at

1504
01:02:23,960 --> 01:02:21,690
the base Roswell Army Airfield and yeah

1505
01:02:26,930 --> 01:02:23,970
I totally know what it was like oh

1506
01:02:30,230 --> 01:02:26,940
really well tell us and he went on to

1507
01:02:32,960 --> 01:02:30,240
tell us that it was a top-secret project

1508
01:02:36,440 --> 01:02:32,970
early space program where we were

1509
01:02:39,020 --> 01:02:36,450
sending up children in high-altitude

1510
01:02:40,850 --> 01:02:39,030
balloons to see how far they could get

1511
01:02:43,640 --> 01:02:40,860
in the atmosphere before you know their

1512
01:02:46,910 --> 01:02:43,650
[h__\h] heads exploded or something damn

1513
01:02:50,720 --> 01:02:46,920

yeah so we should send dogs in my right

1514

01:02:53,120 --> 01:02:50,730

[h__\h] brady's so he thinks this guy

1515

01:02:56,110 --> 01:02:53,130

thinks it was us not the Russians not

1516

01:03:00,290 --> 01:02:56,120

the Germans that we were doing this and

1517

01:03:02,000 --> 01:03:00,300

if you know what it kind of clicked when

1518

01:03:03,260 --> 01:03:02,010

I was in Roswell hearing the story we

1519

01:03:05,330 --> 01:03:03,270

went to the Roswell Daily Record

1520

01:03:08,690 --> 01:03:05,340

newspaper who broke the original story

1521

01:03:10,970 --> 01:03:08,700

we heard from the original sources their

1522

01:03:13,520 --> 01:03:10,980

families about what headline they were

1523

01:03:15,140 --> 01:03:13,530

told to put in the newspaper we went to

1524

01:03:17,000 --> 01:03:15,150

Frank and we talked about what he'd

1525

01:03:19,700 --> 01:03:17,010

found with the medals we talked to all

1526

01:03:21,890 --> 01:03:19,710

these locals and like all these stories

1527

01:03:26,060 --> 01:03:21,900

are spinning around in my head and I'm

1528

01:03:27,860 --> 01:03:26,070

like holy [h__h] this human experiment

1529

01:03:30,140 --> 01:03:27,870

thing makes so much more sense it

1530

01:03:32,030 --> 01:03:30,150

explains the bodies that were found why

1531

01:03:33,890 --> 01:03:32,040

they looked deformed because like you

1532

01:03:36,500 --> 01:03:33,900

said a lot of people think they used

1533

01:03:39,170 --> 01:03:36,510

special needs children who were kind of

1534

01:03:41,660 --> 01:03:39,180

out casted and nobody would know they

1535

01:03:42,680 --> 01:03:41,670

were missing or that that you know that

1536

01:03:45,380 --> 01:03:42,690

they'd been killed

1537

01:03:47,089 --> 01:03:45,390

so maybe those were the bodies that were

1538

01:03:51,469 --> 01:03:47,099

found why they needed children

1539

01:03:53,509 --> 01:03:51,479

caskets the Roswell funeral home they

1540

01:03:55,819 --> 01:03:53,519

were they asked do you have child-sized

1541

01:03:57,229 --> 01:03:55,829

caskets guys like what no it was like

1542

01:04:02,299 --> 01:03:57,239

all right well we need four of them like

1543

01:04:03,499 --> 01:04:02,309

immediately it explains why the original

1544

01:04:05,299 --> 01:04:03,509

story was it was a weather balloon

1545

01:04:07,489 --> 01:04:05,309

because it actually was a sort of

1546

01:04:11,239 --> 01:04:07,499

top-secret high-altitude balloon that

1547

01:04:13,999 --> 01:04:11,249

they were using so the human side of the

1548

01:04:16,700 --> 01:04:14,009

Roswell case is extremely disturbing and

1549

01:04:19,910 --> 01:04:16,710

the more and more I look at it I'm kind

1550

01:04:22,549 --> 01:04:19,920

of like it actually makes some sense and

1551

01:04:24,710 --> 01:04:22,559

that that's [h__\h] terrifying like you

1552

01:04:26,690 --> 01:04:24,720

said that's more scary than aliens

1553

01:04:29,180 --> 01:04:26,700

crushing on our planet for using our own

1554

01:04:30,979 --> 01:04:29,190

people to do these experiments and then

1555

01:04:32,420 --> 01:04:30,989

we're gonna let the public say yeah yeah

1556

01:04:34,460 --> 01:04:32,430

look they let them go with the aliens

1557

01:04:36,890 --> 01:04:34,470

story let them go with that and we'll

1558

01:04:38,059 --> 01:04:36,900

continue to build our space program yeah

1559

01:04:41,660 --> 01:04:38,069

black-budget

1560

01:04:43,130 --> 01:04:41,670

well I wonder like what does happen to

1561

01:04:45,019 --> 01:04:43,140

the human body when it goes in a really

1562

01:04:47,120 --> 01:04:45,029

high altitude does this like your body

1563

01:04:49,069 --> 01:04:47,130

bloated some like is there a reason why

1564

01:04:51,499 --> 01:04:49,079

the heads were bigger you know all right

1565

01:04:54,680 --> 01:04:51,509

well wonder what happens to a human body

1566

01:04:56,900 --> 01:04:54,690

yeah high altitude I think only a few

1567

01:05:03,259 --> 01:04:56,910

people really know man and they're long

1568

01:05:07,339 --> 01:05:03,269

gone by this point yeah oh that's creepy

1569

01:05:09,440 --> 01:05:07,349

I don't know about yeah no I mean it is

1570

01:05:11,479 --> 01:05:09,450

a secret but I think it's no secret that

1571

01:05:14,359 --> 01:05:11,489

you know our government definitely has

1572

01:05:17,209 --> 01:05:14,369

tested on people and you know it's it's

1573

01:05:19,219 --> 01:05:17,219

that's that's kind of what they do yeah

1574

01:05:22,160 --> 01:05:19,229

I feel like that has a lot to do with

1575

01:05:25,519 --> 01:05:22,170

most of this secrecy stuff a lot more

1576

01:05:28,940 --> 01:05:25,529

than then you know maybe the alien UFO

1577

01:05:32,650 --> 01:05:28,950

element it's just what they're doing to

1578

01:05:34,969 --> 01:05:32,660

them their own people yeah yeah man and

1579

01:05:36,709 --> 01:05:34,979

didn't like there's a scientist in China

1580

01:05:39,729 --> 01:05:36,719

that just got like the okay to start

1581

01:05:44,180 --> 01:05:39,739

doing animal and human DNA hybridization

1582

01:05:47,400 --> 01:05:44,190

projects yeah no thank you that's that's

1583

01:05:50,339 --> 01:05:47,410

not Oh China

1584

01:05:53,999 --> 01:05:50,349

Oh China I love you everything

1585

01:05:57,029 --> 01:05:54,009

everything we own is made there I know

1586

01:05:59,819 --> 01:05:57,039

but on the show on the topic of TV shows

1587

01:06:01,650 --> 01:05:59,829

man are you are you excited for the the

1588

01:06:04,920 --> 01:06:01,660

next blue book to come out dude oh

1589

01:06:08,099 --> 01:06:04,930

absolutely I mean I'm a huge Hynek fan I

1590

01:06:11,130 --> 01:06:08,109

mean he's like my hero I love the first

1591

01:06:13,079 --> 01:06:11,140

season look I mean everyone's ragging on

1592

01:06:15,390 --> 01:06:13,089

it cuz it's total fiction and like

1593

01:06:17,789 --> 01:06:15,400

they're mixing cases and like it's

1594

01:06:19,440 --> 01:06:17,799

inaccurate it's a TV show it's not a

1595

01:06:22,230 --> 01:06:19,450

documentary that's what I tell people

1596

01:06:24,589 --> 01:06:22,240

you know watching the teaser for the new

1597

01:06:27,240 --> 01:06:24,599

season they're doing Roswell area 51

1598

01:06:29,160 --> 01:06:27,250

MKULTRA they're just like everything

1599

01:06:30,240 --> 01:06:29,170

throw the baby in with the bathwater and

1600

01:06:32,279 --> 01:06:30,250

I'm all oh man

1601
01:06:33,839 --> 01:06:32,289
like Lex - you excited for it - dude

1602
01:06:36,599 --> 01:06:33,849
yeah cuz I mean you gotta know it's just

1603
01:06:38,759 --> 01:06:36,609
it's fiction yes it's coming out on the

1604
01:06:41,579 --> 01:06:38,769
History Channel but I mean they're kind

1605
01:06:43,799 --> 01:06:41,589
of the alien channel now but yeah it's

1606
01:06:45,420 --> 01:06:43,809
like dude you know it's they're not like

1607
01:06:47,309 --> 01:06:45,430
they haven't told you the truth before

1608
01:06:49,200 --> 01:06:47,319
it's not gonna come out on a on a

1609
01:06:52,859 --> 01:06:49,210
History Channel TV show like you'd

1610
01:06:55,380 --> 01:06:52,869
expect that dude it's so funny it's like

1611
01:06:57,180 --> 01:06:55,390
I remember seeing the meme where it's

1612
01:06:59,789 --> 01:06:57,190
like here's History Channel during the

1613
01:07:02,130 --> 01:06:59,799

day Egyptians built the pyramids here's

1614

01:07:08,539 --> 01:07:02,140

here's History Channel at 10:00 p.m. at

1615

01:07:11,220 --> 01:07:08,549

night pyramids like taken off into space

1616

01:07:14,099 --> 01:07:11,230

yeah that's pretty much it that's pretty

1617

01:07:17,160 --> 01:07:14,109

much it I have another one I haven't

1618

01:07:18,299 --> 01:07:17,170

seen yet is a Hellyer - man that that

1619

01:07:21,059 --> 01:07:18,309

looks like it's gonna be pretty awesome

1620

01:07:24,690 --> 01:07:21,069

because the first yeah first season was

1621

01:07:27,930 --> 01:07:24,700

great yeah so I mean those dudes over it

1622

01:07:29,460 --> 01:07:27,940

planet weird they're they're huge heroes

1623

01:07:31,200 --> 01:07:29,470

of mine I love everything they do

1624

01:07:33,480 --> 01:07:31,210

they're the kind of people who are like

1625

01:07:35,160 --> 01:07:33,490

not set in their ways like what I'm

1626

01:07:37,200 --> 01:07:35,170

dealing with these UFOs what I'm dealing

1627

01:07:39,150 --> 01:07:37,210

with is ghosts it's like no let's see

1628

01:07:41,190 --> 01:07:39,160

what else it could be and this whole

1629

01:07:43,620 --> 01:07:41,200

Helier thing for any of your listeners

1630

01:07:45,059 --> 01:07:43,630

who don't know what it is I can't really

1631

01:07:47,579 --> 01:07:45,069

explain it because I don't think they

1632

01:07:49,499 --> 01:07:47,589

even know what the hell is going on yeah

1633

01:07:51,930 --> 01:07:49,509

it started with these cryptic emails

1634

01:07:54,329 --> 01:07:51,940

about a dude being terrorized by goblins

1635

01:07:57,779 --> 01:07:54,339

in Kentucky so right there you're like

1636

01:07:59,549 --> 01:07:57,789

what I want to see that yeah and it just

1637

01:08:00,769 --> 01:07:59,559

goes down every Avenue and rabbit hole

1638

01:08:02,630 --> 01:08:00,779

you can think of

1639

01:08:05,809 --> 01:08:02,640

they just dropped their season - I've

1640

01:08:09,469 --> 01:08:05,819

got Greg Newkirk coming on my show this

1641

01:08:11,239 --> 01:08:09,479

week to talk about it and what you know

1642

01:08:12,739 --> 01:08:11,249

what he discovered and kind of where

1643

01:08:15,259 --> 01:08:12,749

where they're left in their

1644

01:08:17,479 --> 01:08:15,269

investigation and it's crazy it's like

1645

01:08:19,999 --> 01:08:17,489

this breadcrumb trail of just mystery

1646

01:08:22,160 --> 01:08:20,009

and weird [h__\h] and everything you could

1647

01:08:25,579 --> 01:08:22,170

possibly think of in this paranormal

1648

01:08:27,859 --> 01:08:25,589

weird world we live in so I definitely

1649

01:08:30,019 --> 01:08:27,869

suggest people check out Helier yeah

1650

01:08:33,289 --> 01:08:30,029

it's all over it's like number one on

1651
01:08:35,030 --> 01:08:33,299
Amazon Prime yeah I'm pretty excited

1652
01:08:36,829 --> 01:08:35,040
about it yeah they were when they

1653
01:08:39,109 --> 01:08:36,839
started talking about you know like just

1654
01:08:40,849 --> 01:08:39,119
the caves and like the Brown Mountain

1655
01:08:42,589 --> 01:08:40,859
lights and all the stuff they were

1656
01:08:44,059 --> 01:08:42,599
seeing you know here in Texas we have

1657
01:08:46,609 --> 01:08:44,069
the Marfa lights have you ever heard of

1658
01:08:50,059 --> 01:08:46,619
the Marfa lights oh absolutely yeah yeah

1659
01:08:53,030 --> 01:08:50,069
dude I mean you know it's it's still you

1660
01:08:54,589 --> 01:08:53,040
know up in the air like nobody nobody

1661
01:08:56,089 --> 01:08:54,599
really knows I mean there's been like

1662
01:08:58,299 --> 01:08:56,099
teams of scientists that have gone out

1663
01:09:01,640 --> 01:08:58,309

there and they're like yeah it's cars

1664

01:09:03,859 --> 01:09:01,650

it's like we're these these lights are

1665

01:09:05,479 --> 01:09:03,869

being seen you know like it's just it's

1666

01:09:07,849 --> 01:09:05,489

kind of crazy and they and they occur

1667

01:09:10,970 --> 01:09:07,859

like around the same time almost every

1668

01:09:13,609 --> 01:09:10,980

night and you know it's like I've seen

1669

01:09:16,280 --> 01:09:13,619

them and it's ball lightning it's it's

1670

01:09:17,510 --> 01:09:16,290

cars it's all those are Chinese lanterns

1671

01:09:19,220 --> 01:09:17,520

like somebody's up there lighting

1672

01:09:21,769 --> 01:09:19,230

Chinese lanterns every single night

1673

01:09:24,829 --> 01:09:21,779

you're right you know that's that's like

1674

01:09:28,490 --> 01:09:24,839

a dedicated prank right there exactly

1675

01:09:31,249 --> 01:09:28,500

exactly yeah yep let's get out there and

1676

01:09:33,349 --> 01:09:31,259

like those Chinese lantern hell no get

1677

01:09:36,200 --> 01:09:33,359

out of here with that man yeah oh yeah

1678

01:09:38,720 --> 01:09:36,210

nobody knows what that is man but but

1679

01:09:40,910 --> 01:09:38,730

yeah that's cool little uh Texas

1680

01:09:43,549 --> 01:09:40,920

phenomenon that we got you ever know you

1681

01:09:46,599 --> 01:09:43,559

guys got some great statuses yeah I've

1682

01:09:48,470 --> 01:09:46,609

been there a couple times traveling and

1683

01:09:50,450 --> 01:09:48,480

yeah I mean you guys got the

1684

01:09:52,609 --> 01:09:50,460

Stephenville case one of the biggest UFO

1685

01:09:56,030 --> 01:09:52,619

cases of all time I mean it

1686

01:09:59,030 --> 01:09:56,040

aurora - my god perhaps one of the first

1687

01:10:01,339 --> 01:09:59,040

UFO crashes so I mean you guys when it

1688

01:10:03,709 --> 01:10:01,349

comes to UFOs you're you got it going on

1689

01:10:05,149 --> 01:10:03,719

for sure yeah there's a lot of cool

1690

01:10:07,010 --> 01:10:05,159

stuff out here man I mean there's just

1691

01:10:08,600 --> 01:10:07,020

there's so much uh you know nothing

1692

01:10:10,310 --> 01:10:08,610

there's there yeah you know we got we

1693

01:10:12,049 --> 01:10:10,320

got big old cities but at the same time

1694

01:10:13,440 --> 01:10:12,059

there's a lot of nothing out here so

1695

01:10:16,020 --> 01:10:13,450

well in that's where

1696

01:10:18,030 --> 01:10:16,030

it happens dude I mean I live in the

1697

01:10:20,610 --> 01:10:18,040

most populated city in America it's

1698

01:10:22,530 --> 01:10:20,620

gross it's dirty it's loud and light

1699

01:10:25,320 --> 01:10:22,540

pollution you can't see [h__h]

1700

01:10:27,120 --> 01:10:25,330

so like I'm I'm envious I'm not gonna

1701

01:10:29,910 --> 01:10:27,130

lie I'm envious that you can have an

1702

01:10:33,150 --> 01:10:29,920

open sky to search while I'm just

1703

01:10:36,810 --> 01:10:33,160

staring up it's smog and ten million

1704

01:10:39,900 --> 01:10:36,820

airplanes coming in and out of JFK yeah

1705

01:10:41,970 --> 01:10:39,910

yeah well bin lives next to the Austin

1706

01:10:44,160 --> 01:10:41,980

Bergstrom International Airport so he's

1707

01:10:46,410 --> 01:10:44,170

constantly got [h__h] flying over his

1708

01:10:48,960 --> 01:10:46,420

house good thing is you know like you

1709

01:10:50,910 --> 01:10:48,970

drive 30 minutes in any direction and if

1710

01:10:52,740 --> 01:10:50,920

there's nothing yeah and that's that's

1711

01:10:55,380 --> 01:10:52,750

pretty cool and some cities here are

1712

01:10:57,600 --> 01:10:55,390

also starting to take on that the no

1713

01:10:59,640 --> 01:10:57,610

light pollution ordinance we're okay

1714

01:11:02,160 --> 01:10:59,650

your lights have to you know be like dim

1715

01:11:03,930 --> 01:11:02,170

lights so I'm pretty excited about that

1716

01:11:05,670 --> 01:11:03,940

happening so we can we can definitely

1717

01:11:08,640 --> 01:11:05,680

you know keep your eyes on the sky dude

1718

01:11:10,770 --> 01:11:08,650

could you imagine man the the more sky

1719

01:11:12,450 --> 01:11:10,780

we see the better chance of seeing these

1720

01:11:14,070 --> 01:11:12,460

things and everyone's always like I want

1721

01:11:16,980 --> 01:11:14,080

to see UFO I want to see you fo I'm like

1722

01:11:19,410 --> 01:11:16,990

alright go to Arizona go to New Mexico

1723

01:11:24,030 --> 01:11:19,420

go to Texas like this is not the place

1724

01:11:26,040 --> 01:11:24,040

to be so yeah yeah man will do if ya if

1725

01:11:28,320 --> 01:11:26,050

you're ever rolling through Texas man

1726

01:11:30,750 --> 01:11:28,330

and you want to have some barbecue and

1727

01:11:34,380 --> 01:11:30,760

look up at the skies bro you hit us up

1728

01:11:36,870 --> 01:11:34,390

yeah yeah that sounds like perfection

1729

01:11:41,700 --> 01:11:36,880

yeah we'll go chase some UFOs together

1730

01:11:43,730 --> 01:11:41,710

dude you know I am in I am in you guys

1731

01:11:46,410 --> 01:11:43,740

make some damn good tacos out there Oh

1732

01:11:48,360 --> 01:11:46,420

some of the best some of the best dude

1733

01:11:52,470 --> 01:11:48,370

yeah we were out uh I was out intra

1734

01:11:54,150 --> 01:11:52,480

lingua and dude I mean the the sky out

1735

01:11:57,030 --> 01:11:54,160

there cuz there's nothing it's just

1736

01:11:59,460 --> 01:11:57,040

desert you know and and it's it's pretty

1737

01:12:01,710 --> 01:11:59,470

rough dude like it's it's pretty rough

1738

01:12:04,080 --> 01:12:01,720

out there I'm like oh yeah yeah I'm I'm

1739

01:12:06,450 --> 01:12:04,090

uh I'm I'm drawn to the desert I

1740

01:12:08,880 --> 01:12:06,460

absolutely love it

1741

01:12:10,950 --> 01:12:08,890

but man it's just gorgeous at nighttime

1742

01:12:13,500 --> 01:12:10,960

it doesn't get any better than that man

1743

01:12:16,110 --> 01:12:13,510

yeah there's something about it I mean

1744

01:12:17,310 --> 01:12:16,120

even I'm I've been a city boy my whole

1745

01:12:19,560 --> 01:12:17,320

life and

1746

01:12:22,410 --> 01:12:19,570

there's just something about the desert

1747

01:12:24,210 --> 01:12:22,420

that draws you in and I don't know what

1748

01:12:26,070 --> 01:12:24,220

it is I don't want to know what it is I

1749

01:12:28,170 --> 01:12:26,080

just know it's magical and it's where

1750

01:12:32,820 --> 01:12:28,180

these things are meant to happen I

1751

01:12:35,130 --> 01:12:32,830

really do believe that and I hope that

1752

01:12:38,970 --> 01:12:35,140

someday I can get out there again either

1753

01:12:42,180 --> 01:12:38,980

Roswell Texas and just enjoy it and like

1754

01:12:45,360 --> 01:12:42,190

take it all in and and maybe see that

1755

01:12:47,340 --> 01:12:45,370

triangle I saw when I was 12 years old I

1756

01:12:51,770 --> 01:12:47,350

don't know man yeah you should try to

1757

01:12:58,230 --> 01:12:51,780

vector it and it yes Steven Greer style

1758

01:13:00,630 --> 01:12:58,240

yeah get some green lasers do you got a

1759

01:13:02,070 --> 01:13:00,640

green laser and and and do it he ran out

1760

01:13:05,580 --> 01:13:02,080

of batteries in like the first like

1761

01:13:07,860 --> 01:13:05,590

couple days [h__\h] around with it mine

1762

01:13:10,110 --> 01:13:07,870

still works but yeah because I hate

1763

01:13:11,970 --> 01:13:10,120

using it to vector aliens dude I was

1764

01:13:13,070 --> 01:13:11,980

gonna say vectoring in aliens ain't

1765

01:13:19,470 --> 01:13:13,080

cheap

1766

01:13:21,720 --> 01:13:19,480

no definitely not that's awesome

1767

01:13:23,820 --> 01:13:21,730

so did you are you are you running out

1768

01:13:28,050 --> 01:13:23,830

of time you bet to have to go and uh and

1769

01:13:31,260 --> 01:13:28,060

pick up the lady yeah yeah I'm the one

1770

01:13:34,050 --> 01:13:31,270

who's in charge of of the commuting here

1771

01:13:35,910 --> 01:13:34,060

in New York City so yeah I mean y'all

1772

01:13:38,460 --> 01:13:35,920

got one of the best mass transit systems

1773

01:13:42,510 --> 01:13:38,470

like in the world don't you that is true

1774

01:13:45,230 --> 01:13:42,520

that is true it just uh it just it

1775

01:13:47,520 --> 01:13:45,240

decides to break down and house dude I

1776

01:13:49,470 --> 01:13:47,530

don't know how many times I've heard it

1777

01:13:51,740 --> 01:13:49,480

tonight but it wakes me up like every

1778

01:13:54,840 --> 01:13:51,750

half hour but I'm used to it by now

1779

01:13:56,430 --> 01:13:54,850

that's awesome man well bro thank you so

1780

01:13:57,930 --> 01:13:56,440

much for coming on the show yeah

1781

01:14:00,030 --> 01:13:57,940

definitely want to have you back again

1782

01:14:01,590 --> 01:14:00,040

and because I mean there's a million

1783

01:14:03,630 --> 01:14:01,600

more things I could ask you and talk to

1784

01:14:05,700 --> 01:14:03,640

you about oh my gosh I could talk for I

1785

01:14:08,130 --> 01:14:05,710

could talk for ten more hours but no

1786

01:14:10,620 --> 01:14:08,140

guys I know our conversations only begun

1787

01:14:13,110 --> 01:14:10,630

so no thank you thank you so much for

1788

01:14:15,960 --> 01:14:13,120

having me I I'm totally digging what you

1789

01:14:16,740 --> 01:14:15,970

guys are doing and we need all the help

1790

01:14:19,110 --> 01:14:16,750

we can get

1791

01:14:21,240 --> 01:14:19,120

so like let's do this again you got to

1792

01:14:24,480 --> 01:14:21,250

come on my show now the invitations

1793

01:14:27,900 --> 01:14:24,490

there and totally let's do it let's keep

1794

01:14:30,210 --> 01:14:27,910

let's keep searching the skies yes

1795

01:14:32,040 --> 01:14:30,220

yes and again bro if you ever if you

1796

01:14:34,890 --> 01:14:32,050

ever come to Texas man hit us up and

1797

01:14:38,130 --> 01:14:34,900

we'll meet up and go do some cool [h__h] I

1798

01:14:39,930 --> 01:14:38,140

am in all right brother way man it was

1799

01:14:42,300 --> 01:14:39,940

good talking to you man and what we'll

1800

01:14:43,350 --> 01:14:42,310

talk to you next time in absolutely have

1801

01:14:45,060 --> 01:14:43,360

a great night guys

1802

01:14:48,180 --> 01:14:45,070

All Right see you man see you later dude

1803

01:14:50,220 --> 01:14:48,190

later sick well that was good stuff dude

1804

01:14:52,410 --> 01:14:50,230

that was so much fun that we finally got

1805

01:14:54,690 --> 01:14:52,420

to have him on the show I know man that

1806

01:14:55,860 --> 01:14:54,700

was so good yeah and I really did dude I

1807

01:14:57,720 --> 01:14:55,870

mean I have like a you know a hundred

1808

01:14:59,340 --> 01:14:57,730

more questions well a hundred and three

1809

01:15:01,350 --> 01:14:59,350

more questions that you know I could

1810

01:15:02,760 --> 01:15:01,360

totally ask him right now but you know

1811

01:15:05,790 --> 01:15:02,770

that just said just leaves it open for

1812

01:15:07,530 --> 01:15:05,800

the next one dude we gotta have him back

1813

01:15:08,970 --> 01:15:07,540

on our feet that would be awesome we can

1814

01:15:10,380 --> 01:15:08,980

go on his show - that'd be sick yeah

1815

01:15:13,530 --> 01:15:10,390

that would be sick dude maybe I can ask

1816

01:15:15,840 --> 01:15:13,540

him like ninety-four questions like we

1817

01:15:19,560 --> 01:15:15,850

ask him questions live him ask you ask

1818

01:15:22,590 --> 01:15:19,570

him questions on his podcast yes did we

1819

01:15:23,460 --> 01:15:22,600

just interview him again we don't know

1820

01:15:26,670 --> 01:15:23,470

how to be guest

1821

01:15:29,400 --> 01:15:26,680

we only know how to be interviewees know

1822

01:15:31,350 --> 01:15:29,410

what I'd say dude it's like if you if

1823

01:15:35,820 --> 01:15:31,360

you try to like research us like yeah

1824

01:15:36,690 --> 01:15:35,830

we're to find people like so I see that

1825

01:15:43,050 --> 01:15:36,700

you like aliens

1826

01:15:44,400 --> 01:15:43,060

I like aliens - yeah dude yeah but yeah

1827

01:15:47,880 --> 01:15:44,410

cuz I mean the you know the dude does

1828

01:15:50,220 --> 01:15:47,890

film and movies and writes books and

1829

01:15:52,680 --> 01:15:50,230

yeah all kinds of stuff we'll be like

1830

01:15:54,990 --> 01:15:52,690

yeah we have been we always think about

1831

01:15:57,690 --> 01:15:55,000

writing a book and you know what we

1832

01:16:00,180 --> 01:15:57,700

think it's gonna be awesome yeah the

1833

01:16:01,590 --> 01:16:00,190

thought is is there it's gonna be sick

1834

01:16:03,930 --> 01:16:01,600

yeah when we do write them I don't know

1835

01:16:05,670 --> 01:16:03,940

what we're gonna write about us - oh

1836

01:16:09,930 --> 01:16:05,680

okay you know we'll just write about us

1837

01:16:14,670 --> 01:16:09,940

okay our experience it all started June

1838

01:16:16,980 --> 01:16:14,680

of nineteen yeah yeah oh yeah dude but

1839

01:16:19,400 --> 01:16:16,990

yeah dude I mean it was uh it was a lot

1840

01:16:21,660 --> 01:16:19,410

of fun I want to hear more stories I

1841

01:16:23,670 --> 01:16:21,670

want more people to start emailing us

1842

01:16:26,640 --> 01:16:23,680

stories - I know guys

1843

01:16:28,770 --> 01:16:26,650

email us some stories man talk to your

1844

01:16:31,470 --> 01:16:28,780

friends if you hear anybody who's got a

1845

01:16:33,660 --> 01:16:31,480

story tell them to uh to email it to us

1846

01:16:34,680 --> 01:16:33,670

and uh you know we'll tell the story on

1847

01:16:37,110 --> 01:16:34,690

the show man

1848

01:16:38,850 --> 01:16:37,120

or well have them on the podcast or you

1849

01:16:40,510 --> 01:16:38,860

can you can like email us and we'll

1850

01:16:42,220 --> 01:16:40,520

figure out a way where you could come

1851
01:16:44,080 --> 01:16:42,230
leave a message and tell the story or

1852
01:16:47,110 --> 01:16:44,090
they know whatever that something that

1853
01:16:49,840 --> 01:16:47,120
become because that'd be pretty kick-ass

1854
01:16:50,980 --> 01:16:49,850
yeah I love those stories that that

1855
01:16:53,830 --> 01:16:50,990
hooded figure thing

1856
01:16:55,450 --> 01:16:53,840
yeah that's creepy that is so creepy and

1857
01:16:57,850 --> 01:16:55,460
that's like it's been happening a lot

1858
01:16:59,530 --> 01:16:57,860
like there's not just one story it's

1859
01:17:01,420 --> 01:16:59,540
been happening a lot not late maybe

1860
01:17:03,070 --> 01:17:01,430
lately but a lot more stories that I've

1861
01:17:05,290 --> 01:17:03,080
been listening to have have like a

1862
01:17:08,470 --> 01:17:05,300
hooded figure in it yeah which is really

1863
01:17:10,720 --> 01:17:08,480

freaking creepy like a robed hooded dude

1864

01:17:12,340 --> 01:17:10,730

just in your house it does make me feel

1865

01:17:14,920 --> 01:17:12,350

good to know though that if like you're

1866

01:17:15,340 --> 01:17:14,930

ever scared gonna be like uh-uh no not

1867

01:17:18,880 --> 01:17:15,350

today

1868

01:17:21,310 --> 01:17:18,890

nut uh-huh and then go and like chase

1869

01:17:22,270 --> 01:17:21,320

after it and watch it stumble over

1870

01:17:29,470 --> 01:17:22,280

itself

1871

01:17:33,210 --> 01:17:29,480

he's like ow ow yeah maybe

1872

01:17:36,910 --> 01:17:33,220

so dude okay the owl thing right maybe

1873

01:17:38,650 --> 01:17:36,920

right that's what that burrito was don't

1874

01:17:41,970 --> 01:17:38,660

guys floor he's like burrito burrito

1875

01:17:45,610 --> 01:17:41,980

burrito yeah turned into a burrito yes

1876

01:17:47,380 --> 01:17:45,620

yeah totally I mean maybe they just like

1877

01:17:49,480 --> 01:17:47,390

see something in your mind that you that

1878

01:17:54,250 --> 01:17:49,490

they think you'd be okay with and huh

1879

01:17:56,680 --> 01:17:54,260

alright this guy loves burritos yeah he

1880

01:18:00,100 --> 01:17:56,690

said it verbally - uh-huh that's crazy

1881

01:18:01,960 --> 01:18:00,110

that is crazy like aliens dude I mean if

1882

01:18:04,030 --> 01:18:01,970

they've been studying us this long they

1883

01:18:06,340 --> 01:18:04,040

gotta know our language right I mean

1884

01:18:08,290 --> 01:18:06,350

they're just [h__h] with us yeah maybe

1885

01:18:10,600 --> 01:18:08,300

wonder why he would say it in English -

1886

01:18:13,690 --> 01:18:10,610

I don't know they were maybe hated

1887

01:18:16,480 --> 01:18:13,700

English maybe he knew you know that were

1888

01:18:19,860 --> 01:18:16,490

in America this is a word mark burn

1889

01:18:22,240 --> 01:18:19,870

marker Mike we're gonna talk English

1890

01:18:25,530 --> 01:18:22,250

don't talk American we're speaking

1891

01:18:28,780 --> 01:18:25,540

American here in America all right

1892

01:18:31,000 --> 01:18:28,790

do you don't want to like kind of ask I

1893

01:18:33,550 --> 01:18:31,010

wonder if he had heard any or has

1894

01:18:36,250 --> 01:18:33,560

anybody submitted any stories or does he

1895

01:18:37,420 --> 01:18:36,260

know any famous UFO stories or alien

1896

01:18:40,630 --> 01:18:37,430

stories that happen in other other

1897

01:18:42,010 --> 01:18:40,640

countries besides like Australia and I

1898

01:18:44,350 --> 01:18:42,020

know I know a lot of them happened in

1899

01:18:45,730 --> 01:18:44,360

like North America or America

1900

01:18:47,440 --> 01:18:45,740

you know north and south and and and

1901

01:18:49,510 --> 01:18:47,450

Canada and all yeah but like you don't

1902

01:18:52,660 --> 01:18:49,520

hear about anything in India a lot you

1903

01:18:54,280 --> 01:18:52,670

know I think he submitted a FOIA request

1904

01:18:57,070 --> 01:18:54,290

for the

1905

01:19:01,240 --> 01:18:57,080

was it a event that happened in Pakistan

1906

01:19:03,190 --> 01:19:01,250

I think and I was gonna ask him that but

1907

01:19:05,440 --> 01:19:03,200

we started running out of time okay

1908

01:19:08,200 --> 01:19:05,450

but yeah we do I mean they they happen

1909

01:19:09,880 --> 01:19:08,210

everywhere I mean so so just as of

1910

01:19:11,710 --> 01:19:09,890

recently right like our government

1911

01:19:13,030 --> 01:19:11,720

started talking about you know releasing

1912

01:19:15,370 --> 01:19:13,040

all this information and blah blah blah

1913

01:19:17,590 --> 01:19:15,380

well we're the only country who hasn't

1914

01:19:19,690 --> 01:19:17,600

disclosed their information all the

1915

01:19:21,790 --> 01:19:19,700

other countries already have really far

1916

01:19:23,950 --> 01:19:21,800

it's open people talk about it openly

1917

01:19:25,930 --> 01:19:23,960

that's why it's not like a big deal

1918

01:19:28,210 --> 01:19:25,940

like anywhere else like this is just

1919

01:19:30,400 --> 01:19:28,220

[h__h] people see all over the world and

1920

01:19:33,220 --> 01:19:30,410

it's like oh yeah it's those those

1921

01:19:35,820 --> 01:19:33,230

flying things again here in the United

1922

01:19:38,920 --> 01:19:35,830

States so it's like this big cover-up

1923

01:19:42,430 --> 01:19:38,930

conspiracy Oh what was that I saw in the

1924

01:19:43,840 --> 01:19:42,440

sky nobody knows but all the other world

1925

01:19:45,910 --> 01:19:43,850

governments have been like yeah dude

1926

01:19:48,100 --> 01:19:45,920

those are UFOs so for some reason it's

1927

01:19:50,440 --> 01:19:48,110

just America that's not dude yeah yeah I

1928

01:19:53,770 --> 01:19:50,450

mean Canada's disclosed it for a

1929

01:19:56,320 --> 01:19:53,780

long-ass time Mexico it's huge dude I

1930

01:19:58,090 --> 01:19:56,330

mean like there's so a lot so many

1931

01:19:59,530 --> 01:19:58,100

things that happen like down in Mexico

1932

01:20:01,270 --> 01:19:59,540

so like I mean we're talking like just

1933

01:20:03,670 --> 01:20:01,280

right along the borders of both of us

1934

01:20:05,770 --> 01:20:03,680

you know both of us of the United States

1935

01:20:07,210 --> 01:20:05,780

you know both of these countries have

1936

01:20:09,250 --> 01:20:07,220

disclosed it and it's like not a big

1937

01:20:12,460 --> 01:20:09,260

deal to them and it's everywhere I mean

1938

01:20:14,350 --> 01:20:12,470

you know India to I mean like I've heard

1939

01:20:17,950 --> 01:20:14,360

I've heard all kinds of stuff all over

1940

01:20:19,150 --> 01:20:17,960

the world yeah dude okay so I I saw

1941

01:20:20,979 --> 01:20:19,160

something in the sky yesterday and I

1942

01:20:22,030 --> 01:20:20,989

filmed it well I want you to take a look

1943

01:20:26,860 --> 01:20:22,040

at it and see what we'll see what you

1944

01:20:33,700 --> 01:20:26,870

think let me see this well I see your

1945

01:20:36,520 --> 01:20:33,710

big-ass finger that's pretty interesting

1946

01:20:38,380 --> 01:20:36,530

it was stationary in the sky that's

1947

01:20:40,120 --> 01:20:38,390

pretty interesting first up first I'm

1948

01:20:42,820 --> 01:20:40,130

thinking it's like nope those number

1949

01:20:46,810 --> 01:20:42,830

balloons ah it looks like there's a zero

1950

01:20:51,820 --> 01:20:46,820

and maybe like a seven or two yeah well

1951

01:20:54,910 --> 01:20:51,830

yeah I mean if it's not swamp gas it's

1952

01:20:56,320 --> 01:20:54,920

definitely a UFO right it's not yeah so

1953

01:20:59,560 --> 01:20:56,330

the weird thing is that the there was a

1954

01:21:01,450 --> 01:20:59,570

pretty good wind that day I mean this

1955

01:21:04,330 --> 01:21:01,460

was yeah this was yesterday yeah but the

1956

01:21:05,770 --> 01:21:04,340

thing it didn't it didn't ascend or

1957

01:21:07,600 --> 01:21:05,780

descend it was just hanging out

1958

01:21:09,250 --> 01:21:07,610

guy that's cool there's another one

1959

01:21:10,840 --> 01:21:09,260

actually really cool if you slide to the

1960

01:21:14,140 --> 01:21:10,850

left to the left there's another one

1961

01:21:20,830 --> 01:21:14,150

that's your dick that's cuz you slide to

1962

01:21:23,500 --> 01:21:20,840

the right yes that's her dude that was

1963

01:21:25,060 --> 01:21:23,510

your wiener all right

1964

01:21:32,860 --> 01:21:25,070

that's a nice wiener the freakin got you

1965

01:21:36,670 --> 01:21:32,870

dude yeah it's blurry it's got to be a

1966

01:21:37,930 --> 01:21:36,680

drone mm-hmm no dude that's I tried to

1967

01:21:39,520 --> 01:21:37,940

be pretty pretty still

1968

01:21:41,800 --> 01:21:39,530

that's actually pretty crazy looking

1969

01:21:43,660 --> 01:21:41,810

honestly I mean you guys out there

1970

01:21:46,060 --> 01:21:43,670

listening or pissed because you can't

1971

01:21:48,370 --> 01:21:46,070

see it and I'm just like oh yeah mmm

1972

01:21:50,410 --> 01:21:48,380

looks looks pretty interesting yeah but

1973

01:21:52,990 --> 01:21:50,420

uh yeah post it on the Facebook yeah

1974

01:21:56,350 --> 01:21:53,000

I'll see when people and we'll see all

1975

01:21:59,380 --> 01:21:56,360

the [h__\h] people talk about it again

1976

01:22:02,710 --> 01:21:59,390

another blurry ass [h__h] cell phone

1977

01:22:07,060 --> 01:22:02,720

photo though dude that's this cool

1978

01:22:10,600 --> 01:22:07,070

that's sick and that dude so I was a at

1979

01:22:11,980 --> 01:22:10,610

a bar on Friday night with Sam and he's

1980

01:22:13,960 --> 01:22:11,990

were sitting at this picnic table and

1981

01:22:15,940 --> 01:22:13,970

he's looking out towards the sky I'm

1982

01:22:17,230 --> 01:22:15,950

looking towards the building so all of a

1983

01:22:19,480 --> 01:22:17,240

sudden we're having this chat and he

1984

01:22:21,040 --> 01:22:19,490

goes oh my god nice I turn around

1985

01:22:23,560 --> 01:22:21,050

immediately and I didn't see anything

1986

01:22:26,050 --> 01:22:23,570

but he said dude that was really weird I

1987

01:22:29,020 --> 01:22:26,060

just saw like you know a shooting star

1988

01:22:31,720 --> 01:22:29,030

comes in really fast like bu he said it

1989

01:22:34,930 --> 01:22:31,730

was probably like start-finish it was

1990

01:22:38,680 --> 01:22:34,940

really fast but it was a huge orange

1991

01:22:40,840 --> 01:22:38,690

circle that didn't have like reflections

1992

01:22:41,830 --> 01:22:40,850

coming off of it like huh or a trail or

1993

01:22:44,260 --> 01:22:41,840

anything like that he said it was a

1994

01:22:45,910 --> 01:22:44,270

trail but it was just this big-ass

1995

01:22:49,210 --> 01:22:45,920

orange ball that just streaked across

1996

01:22:51,880 --> 01:22:49,220

the sky but not all the way today so it

1997

01:22:53,440 --> 01:22:51,890

just went like if you were to hold up

1998

01:22:55,090 --> 01:22:53,450

like a the length of a cell phone in

1999

01:22:57,100 --> 01:22:55,100

front of you that's how far it went and

2000

01:22:59,050 --> 01:22:57,110

then it just disappeared it was pretty

2001
01:23:00,160 --> 01:22:59,060
weird I was pretty awesome this pissed

2002
01:23:01,990 --> 01:23:00,170
that I didn't see it

2003
01:23:03,400 --> 01:23:02,000
I like immediately went on his side of

2004
01:23:04,630 --> 01:23:03,410
the table just in case it happened again

2005
01:23:06,550 --> 01:23:04,640
right yeah yeah yeah

2006
01:23:08,410 --> 01:23:06,560
but dude to Z UFO sightings in one

2007
01:23:10,360 --> 01:23:08,420
weekend that's pretty cool

2008
01:23:13,150 --> 01:23:10,370
it's uh it's pretty awesome it's pretty

2009
01:23:15,160 --> 01:23:13,160
awesome oh yeah Dan what did I do

2010
01:23:18,939 --> 01:23:15,170
I was pretty lazy this weekend

2011
01:23:20,890 --> 01:23:18,949
unfortunately I didn't see any UFOs

2012
01:23:24,399 --> 01:23:20,900
man aren't you busy watching love after

2013
01:23:26,799 --> 01:23:24,409

lockup an old lady on TLC what what does

2014

01:23:31,239 --> 01:23:26,809

our would people use the worst show ever

2015

01:23:33,640 --> 01:23:31,249

created it's about okay so it's about

2016

01:23:36,100 --> 01:23:33,650

it's about people who are in prison and

2017

01:23:37,569 --> 01:23:36,110

then like they find love outside of

2018

01:23:39,430 --> 01:23:37,579

prison and then whenever they get

2019

01:23:40,209 --> 01:23:39,440

released from prison they're like is

2020

01:23:42,279 --> 01:23:40,219

this gonna work

2021

01:23:44,199 --> 01:23:42,289

and it's like no because you were just

2022

01:23:46,029 --> 01:23:44,209

in prison and they were just using you

2023

01:23:48,100 --> 01:23:46,039

for your money and like it always works

2024

01:23:50,799 --> 01:23:48,110

out that way and they're like it's it's

2025

01:23:53,910 --> 01:23:50,809

it's so terrible home the worst show

2026

01:23:57,489 --> 01:23:53,920

ever created um you ever see something

2027

01:24:00,160 --> 01:23:57,499

so terrible that like you just can't

2028

01:24:02,080 --> 01:24:00,170

look away like yeah it's kind of one of

2029

01:24:03,250 --> 01:24:02,090

those things where like I yell at the TV

2030

01:24:07,479 --> 01:24:03,260

yeah right

2031

01:24:09,549 --> 01:24:07,489

like I know I shouldn't be doing this

2032

01:24:13,089 --> 01:24:09,559

you're watching this I am completely

2033

01:24:16,810 --> 01:24:13,099

it's wasting my time right now right and

2034

01:24:20,169 --> 01:24:16,820

and I should be out looking for aliens

2035

01:24:24,640 --> 01:24:20,179

yeah I I can't it like sucks me in yeah

2036

01:24:28,029 --> 01:24:24,650

I can't leave the couch oh no dude is

2037

01:24:30,339 --> 01:24:28,039

terrible yeah I had a show like that a

2038

01:24:31,509 --> 01:24:30,349

while back it wasn't it was I can't

2039

01:24:35,799 --> 01:24:31,519

remember the name of it but it was rager

2040

01:24:37,060 --> 01:24:35,809

no no I did try to watch that I couldn't

2041

01:24:39,870 --> 01:24:37,070

get into it I heard it was really good

2042

01:24:42,339 --> 01:24:39,880

show though I hear that you and it's not

2043

01:24:45,819 --> 01:24:42,349

I think he's for like smart people or

2044

01:24:48,129 --> 01:24:45,829

something yeah but I did was the show uh

2045

01:24:49,709 --> 01:24:48,139

it was about people going out in the

2046

01:24:52,600 --> 01:24:49,719

middle of nowhere doing like a homestead

2047

01:24:54,609 --> 01:24:52,610

and yeah it was the weirdest thing like

2048

01:24:57,040 --> 01:24:54,619

the family had like eight kids well they

2049

01:24:58,449 --> 01:24:57,050

all had different accents so like what

2050

01:25:00,580 --> 01:24:58,459

that doesn't make any sense like did you

2051

01:25:01,839 --> 01:25:00,590

grow up in a different place I think it

2052

01:25:03,669 --> 01:25:01,849

was all just actors and they put them

2053

01:25:05,199 --> 01:25:03,679

together and said they're a family and

2054

01:25:07,509 --> 01:25:05,209

they're really just dysfunctional and

2055

01:25:10,419 --> 01:25:07,519

just like the Alaskan bush people that

2056

01:25:12,009 --> 01:25:10,429

might have been but I don't have to look

2057

01:25:14,080 --> 01:25:12,019

it up but yeah and I didn't have a show

2058

01:25:17,529 --> 01:25:14,090

just like that like this is [h__\h]

2059

01:25:19,569 --> 01:25:17,539

terrible TV why did I spend two days two

2060

01:25:22,989 --> 01:25:19,579

full days watching every episode hinged

2061

01:25:26,890 --> 01:25:22,999

it had to and I'm not smarter nor do I

2062

01:25:28,150 --> 01:25:26,900

know how to homestead man

2063

01:25:30,640 --> 01:25:28,160

sawsan will do that was a really good

2064

01:25:34,270 --> 01:25:30,650

episode man hey don't forget to check us

2065

01:25:35,860 --> 01:25:34,280

out on a UFO garage PC comm I've got

2066

01:25:37,960 --> 01:25:35,870

some goodies on there for you guys you

2067

01:25:40,030 --> 01:25:37,970

can check out all of our episodes you

2068

01:25:41,800 --> 01:25:40,040

can check out our intro if you're if

2069

01:25:44,350 --> 01:25:41,810

you're a new listener you can listen to

2070

01:25:47,260 --> 01:25:44,360

the intro to our episodes and you know

2071

01:25:48,640 --> 01:25:47,270

find out what we're all about also UFO

2072

01:25:50,920 --> 01:25:48,650

con 2020

2073

01:25:54,610 --> 01:25:50,930

oh yeah all over California listeners

2074

01:25:58,420 --> 01:25:54,620

check that out go to UFO Con 2020 calm

2075

01:25:59,770 --> 01:25:58,430

and uh yeah yeah get your tickets and

2076

01:26:02,320 --> 01:25:59,780

come out and say hi to us

2077

01:26:05,260 --> 01:26:02,330

hell yeah that'd be sook I'm gonna send

2078

01:26:07,630 --> 01:26:05,270

max to NASA send max to NASA dude yeah

2079

01:26:09,640 --> 01:26:07,640

we need some donations for max and and

2080

01:26:11,170 --> 01:26:09,650

also I still want to find like a little

2081

01:26:14,290 --> 01:26:11,180

charity around here for Christmastime

2082

01:26:15,820 --> 01:26:14,300

maybe get some kids some toys yeah so if

2083

01:26:17,410 --> 01:26:15,830

you guys want to donate and help us out

2084

01:26:18,580 --> 01:26:17,420

with that because I mean it's gonna be a

2085

01:26:21,910 --> 01:26:18,590

bummer when we show up to these kids

2086

01:26:27,220 --> 01:26:21,920

houses and really um so sorry we don't

2087

01:26:29,110 --> 01:26:27,230

have any toys for you but uh here's a

2088

01:26:30,520 --> 01:26:29,120

magic trick and then like we pretend to

2089

01:26:34,900 --> 01:26:30,530

take their nose off and it's like our

2090

01:26:36,250 --> 01:26:34,910

thumb yeah dude so I mean we'd like to

2091

01:26:37,720 --> 01:26:36,260

do some Christmas donations stuff

2092

01:26:41,070 --> 01:26:37,730

because if not I mean they're getting 40

2093

01:26:46,120 --> 01:26:41,080

bucks for me and in 40 bucks for Ben

2094

01:26:48,520 --> 01:26:46,130

yeah but yeah that was an awesome

2095

01:26:52,990 --> 01:26:48,530

episode yeah check out the website

2096

01:26:57,040 --> 01:26:53,000

you'll folk on what else oh we need to

2097

01:26:59,620 --> 01:26:57,050

get Lorien on we need to schedule her to

2098

01:27:01,600 --> 01:26:59,630

Seattle yes we got to do that yeah do

2099

01:27:03,910 --> 01:27:01,610

that don't forget to check out Phoenix

2100

01:27:06,820 --> 01:27:03,920

shaving in Phoenix shaving calm go see

2101

01:27:09,700 --> 01:27:06,830

what does Zach going on over there and

2102

01:27:12,130 --> 01:27:09,710

uh cuz you got some like Christmas stuff

2103

01:27:17,320 --> 01:27:12,140

coming out so Christmas since I'm not

2104

01:27:19,780 --> 01:27:17,330

gonna buy him cuz Christmas yeah

2105

01:27:22,120 --> 01:27:19,790

abduction 51 calm go check out their

2106

01:27:25,180 --> 01:27:22,130

gear those there are our brothers from

2107

01:27:26,800 --> 01:27:25,190

across the pond and uh yeah man no

2108

01:27:29,650 --> 01:27:26,810

subscribe subscribe to us on YouTube

2109

01:27:31,420 --> 01:27:29,660

yeah yeah if you uh listen on YouTube I

2110

01:27:34,480 --> 01:27:31,430

know we got like what like I'm like

2111

01:27:37,180 --> 01:27:34,490

90-something members now on the on the

2112

01:27:38,660 --> 01:27:37,190

UFO garage podcast group so if every

2113

01:27:41,360 --> 01:27:38,670

single one you guys

2114

01:27:42,650 --> 01:27:41,370

goes and just hits the subscribe button

2115

01:27:45,110 --> 01:27:42,660

really quick I mean you don't even need

2116

01:27:47,210 --> 01:27:45,120

an account to do that you just go click

2117

01:27:49,010 --> 01:27:47,220

Subscribe do you I thought you did no I

2118

01:27:51,770 --> 01:27:49,020

don't think so say I never made an

2119

01:27:54,080 --> 01:27:51,780

account okay don't think so even if you

2120

01:27:56,240 --> 01:27:54,090

did I mean how many times do you put

2121

01:27:57,710 --> 01:27:56,250

your email on something a day right and

2122

01:27:59,210 --> 01:27:57,720

it doesn't mean anything

2123

01:28:01,880 --> 01:27:59,220

yeah I mean this is kind of one of those

2124

01:28:03,680 --> 01:28:01,890

things and if you do now you can just go

2125

01:28:06,530 --> 01:28:03,690

talk [h__\h] to people right in the

2126

01:28:09,050 --> 01:28:06,540

comments and that's like I mean I don't

2127

01:28:11,090 --> 01:28:09,060

write but I definitely enjoy reading

2128

01:28:12,110 --> 01:28:11,100

them so go talk [\h__\h] to people in the

2129

01:28:14,000 --> 01:28:12,120

comments

2130

01:28:16,450 --> 01:28:14,010

sign up and so I can go read them and

2131

01:28:18,890 --> 01:28:16,460

don't forget to subscribe to us on on

2132

01:28:20,450 --> 01:28:18,900

Facebook and wherever you listen to us

2133

01:28:23,630 --> 01:28:20,460

you know whether it be Spotify

2134

01:28:26,180 --> 01:28:23,640

iHeartRadio whatever shoot us a little

2135

01:28:29,000 --> 01:28:26,190

like maybe send us a little comment on

2136

01:28:31,850 --> 01:28:29,010

the bottom even if it's like you guys

2137

01:28:34,310 --> 01:28:31,860

sound like farts on the radio that's

2138

01:28:36,800 --> 01:28:34,320

cool too like you know all the love out

2139

01:28:39,920 --> 01:28:36,810

of love manages it just helps us helps

2140

01:28:42,710 --> 01:28:39,930

us climb those those charts yeah and our

2141

01:28:45,830 --> 01:28:42,720

ratings on iTunes podcast - those help

2142

01:28:47,810 --> 01:28:45,840

our stuff show up yeah yeah we're trying

2143

01:28:50,420 --> 01:28:47,820

to get more lessons than Led Zeppelin

2144

01:28:51,950 --> 01:28:50,430

radio so if you guys could help us get

2145

01:28:52,910 --> 01:28:51,960

more listeners than Led Zeppelin radio

2146

01:28:55,370 --> 01:28:52,920

that would be awesome

2147

01:28:57,020 --> 01:28:55,380

that's gonna be too hard nah dude I mean

2148

01:28:58,940 --> 01:28:57,030

they're only just known as the pinnacle

2149

01:29:02,290 --> 01:28:58,950

of rock and roll I've never heard of

2150

01:29:09,710 --> 01:29:06,590

it's these chicks from England Oh got it

2151

01:29:11,510 --> 01:29:09,720

yeah no but uh yeah guys uh I think it's
