[Music]

2  
00:00:10,610 --> 00:00:08,700

this is another episode of UFO Quran I'm

3  
00:00:13,509 --> 00:00:10,620

Ben and I'm Joe and this is where we

4  
00:00:17,180 --> 00:00:13,519

talk about UFOs aliens and all things we

5  
00:00:19,220 --> 00:00:17,190

Peppa sowed 32 dude episode 32 and you

6  
00:00:20,599 --> 00:00:19,230

go you can see us you can see us this

7  
00:00:22,939 --> 00:00:20,609

time these are our faces it's got a

8  
00:00:25,910 --> 00:00:22,949

little camera Cohen we got some mood

9  
00:00:28,580 --> 00:00:25,920

lighting in the studio you know it's

10  
00:00:33,110 --> 00:00:28,590

it's feeling it's feeling you know real

11  
00:00:36,500 --> 00:00:33,120

uh kind of nice like yeah nice like like

12  
00:00:38,540 --> 00:00:36,510

you know a little sexual energy a lot of

13  
00:00:40,850 --> 00:00:38,550

arrows don't there's a lot of sexual in

14

00:00:42,560 --> 00:00:40,860

the locker room black thick I can feel

15

00:00:44,630 --> 00:00:42,570

it I could feel it in the air I can't

16

00:00:55,189 --> 00:00:44,640

even cut it with a knife I'll scoop it

17

00:00:56,930 --> 00:00:55,199

with a spoon yeah yeah so so yeah tell

18

00:01:00,560 --> 00:00:56,940

everybody that we already recorded like

19

00:01:02,420 --> 00:01:00,570

this already uh we messed up I didn't

20

00:01:03,950 --> 00:01:02,430

press record on the [h\_\_h] bin has a

21

00:01:06,560 --> 00:01:03,960

neck you're not pressing record on

22

00:01:07,969 --> 00:01:06,570

things yeah so uh but it's cool right

23

00:01:10,190 --> 00:01:07,979

because it's always been that something

24

00:01:12,679 --> 00:01:10,200

new that we've done yeah yeah and then

25

00:01:14,719 --> 00:01:12,689

we recorded you know like a good 30 45

26

00:01:16,340 --> 00:01:14,729

minutes and and when we do it over again

27

00:01:18,859 --> 00:01:16,350

but you know what we do it better

28

00:01:22,249 --> 00:01:18,869

yeah we don't so that's uh yeah that's

29

00:01:23,450 --> 00:01:22,259

that dude we know exactly we know we're

30

00:01:26,960 --> 00:01:23,460

doing at least I don't have to fix my

31

00:01:29,899 --> 00:01:26,970

microphone this time jumbling around and

32

00:01:33,109 --> 00:01:29,909

dropping [h\_\_\h] so yeah we're good this

33

00:01:34,760 --> 00:01:33,119

time dude but yeah so hey wanted to give

34

00:01:37,730 --> 00:01:34,770

a shout out we won't mention names

35

00:01:39,200 --> 00:01:37,740

because it's uh it was anonymous you

36

00:01:42,109 --> 00:01:39,210

know on the go fund me but thank you

37

00:01:44,870 --> 00:01:42,119

very much for donating to our GoFundMe

38

00:01:48,469 --> 00:01:44,880

man we really appreciate that dude for

39

00:01:51,020 --> 00:01:48,479

the kind words also so yeah like we're

40

00:01:54,139 --> 00:01:51,030

trying to get to you fo con 2020 right

41

00:01:55,639 --> 00:01:54,149

hmm and banners trying to look legit

42

00:01:57,830 --> 00:01:55,649

that's right that's right we're gonna

43

00:02:00,139 --> 00:01:57,840

get a little bit of merchandise and

44

00:02:01,789 --> 00:02:00,149

stuff to take out there with us and we

45

00:02:03,230 --> 00:02:01,799

could use a little bit of help right you

46

00:02:06,289 --> 00:02:03,240

know this all comes out of our pockets

47

00:02:07,580 --> 00:02:06,299

so you know if you guys enjoy it you

48

00:02:09,529 --> 00:02:07,590

know when we get there I mean that's all

49

00:02:11,420 --> 00:02:09,539

that's all content for you guys yeah

50

00:02:14,540 --> 00:02:11,430

it's kind of a you help us we help you

51  
00:02:20,020 --> 00:02:16,440  
[Applause]

52  
00:02:21,729 --> 00:02:20,030  
go pro now yeah we got a GoPro listen so

53  
00:02:25,089 --> 00:02:21,739  
yeah we might work on getting another

54  
00:02:27,339 --> 00:02:25,099  
one here pretty soon but yeah guys I

55  
00:02:29,080 --> 00:02:27,349  
mean this is this is all because y'all

56  
00:02:29,740 --> 00:02:29,090  
are helping us out so we thank you very

57  
00:02:33,160 --> 00:02:29,750  
very much

58  
00:02:36,970 --> 00:02:33,170  
yeah thank you um so yeah dude UFO

59  
00:02:38,800 --> 00:02:36,980  
garage PC comm yeah you can also go

60  
00:02:40,270 --> 00:02:38,810  
there we got a little donate button at

61  
00:02:42,910 --> 00:02:40,280  
the bottom buy a t-shirt

62  
00:02:45,399 --> 00:02:42,920  
we got shirts and socks in hoodies and

63  
00:02:46,539 --> 00:02:45,409

you know you know and hats that whole

64

00:02:49,720 --> 00:02:46,549

thing that's right

65

00:02:58,300 --> 00:02:49,730

I have headphones on it's gonna flip it

66

00:03:00,789 --> 00:02:58,310

around but I can't all right so dude we

67

00:03:03,580 --> 00:03:00,799

got uh we have a new family yeah we got

68

00:03:06,879 --> 00:03:03,590

a huge fan dude she is a huge fan babe

69

00:03:08,470 --> 00:03:06,889

of the show like I think when she wakes

70

00:03:10,209 --> 00:03:08,480

up in the morning yeah we're probably

71

00:03:11,830 --> 00:03:10,219

the first thing she thinks it's brushing

72

00:03:14,080 --> 00:03:11,840

her teeth and listening to the UFO

73

00:03:15,339 --> 00:03:14,090

garage podcast yeah yeah yeah dude so we

74

00:03:16,209 --> 00:03:15,349

should give her a little shout-out yeah

75

00:03:21,039 --> 00:03:16,219

we're gonna give her a little shout-out

76

00:03:24,490 --> 00:03:21,049

yeah oh let's see here her name is Oh

77

00:03:26,339 --> 00:03:24,500

Rita Rita Brooks hey thanks for

78

00:03:30,640 --> 00:03:26,349

listening to the show well some girl um

79

00:03:34,990 --> 00:03:30,650

and she says Jesus these hosts are

80

00:03:38,559 --> 00:03:35,000

obnoxious on tap not listenable oh dude

81

00:03:40,240 --> 00:03:38,569

well man awesome Clyde would cringe if

82

00:03:45,369 --> 00:03:40,250

he had to listen to these constantly

83

00:03:47,530 --> 00:03:45,379

laughing wow man dorks sad so if you

84

00:03:49,119 --> 00:03:47,540

guys want a WoW man to work shirt let us

85

00:03:51,309 --> 00:03:49,129

know I think we're gonna get that made

86

00:03:53,020 --> 00:03:51,319

because I think well man door it's kind

87

00:03:55,030 --> 00:03:53,030

of cool we got like you said we got to

88

00:03:58,659 --> 00:03:55,040

monetize the hate gotta monetize the

89

00:04:01,360 --> 00:03:58,669

hate did so yeah so so we actually we

90

00:04:03,670 --> 00:04:01,370

actually called Rita and we you know we

91

00:04:05,229 --> 00:04:03,680

chitchat over there for a little bit we

92

00:04:09,280 --> 00:04:05,239

have a little bit of that audio

93

00:04:10,990 --> 00:04:09,290

recording for you guys and if you want

94

00:04:14,289 --> 00:04:11,000

to hear it I'm gonna show it to you if

95

00:04:16,629 --> 00:04:14,299

not then fast for about you know 29

96

00:04:18,099 --> 00:04:16,639

seconds yeah that's how long it is so

97

00:04:19,810 --> 00:04:18,109

this is how our conversation with this

98

00:04:21,199 --> 00:04:19,820

is this is how our conversation went all

99

00:05:01,909 --> 00:04:21,209

right

100

00:05:04,370 --> 00:05:01,919

I guess he doesn't like her laughing but

101  
00:05:07,820 --> 00:05:04,380  
if you don't like laughing Rita oh I

102  
00:05:11,120 --> 00:05:07,830  
have to you know show you over to

103  
00:05:12,230 --> 00:05:11,130  
episode 29 yeah if you still like if you

104  
00:05:15,260 --> 00:05:12,240  
still would like to listen to the show

105  
00:05:16,370 --> 00:05:15,270  
yeah Chris Chris Bledsoe in the truck

106  
00:05:18,260 --> 00:05:16,380  
yeah there's no laughing in that not

107  
00:05:32,719 --> 00:05:18,270  
very much laughing in that episode at

108  
00:05:38,420 --> 00:05:32,729  
all yeah you know you you wanna go in

109  
00:05:42,800 --> 00:05:38,430  
first bite all right yeah yeah all right

110  
00:05:45,950 --> 00:05:42,810  
okay so that was fun

111  
00:05:47,839 --> 00:05:45,960  
yes let's check out the Facebook dude

112  
00:05:49,820 --> 00:05:47,849  
dude Facebook if you're not a part of

113  
00:05:51,800 --> 00:05:49,830

Facebook group y'all should join your

114

00:05:55,189 --> 00:05:51,810

foger Oshkosh cat podcast group on

115

00:05:58,370 --> 00:05:55,199

Facebook join the conversation post by

116

00:06:00,499 --> 00:05:58,380

Dan this strong natural or strong

117

00:06:07,459 --> 00:06:00,509

evidence of natural elongate elongated

118

00:06:10,640 --> 00:06:07,469

skulls at Lake Titicaca Titicaca it's a

119

00:06:11,180 --> 00:06:10,650

pretty dope video all right I'm sorry

120

00:06:14,300 --> 00:06:11,190

I'm sorry

121

00:06:16,070 --> 00:06:14,310

like I know it's always like a running

122

00:06:19,399 --> 00:06:16,080

joke when somebody's like Lake Titicaca

123

00:06:21,129 --> 00:06:19,409

Thanks always somebody laughs right and

124

00:06:25,279 --> 00:06:21,139

that's that's gonna be a thing like

125

00:06:27,230 --> 00:06:25,289

forever right yeah just delay like just

126

00:06:29,930 --> 00:06:27,240

just be okay with it it's always gonna

127

00:06:32,450 --> 00:06:29,940

be funny whose idea was it to name the

128

00:06:33,950 --> 00:06:32,460

Lake Titicaca in the first place like

129

00:06:34,850 --> 00:06:33,960

okay but you know what

130

00:06:37,760 --> 00:06:34,860

I'm a Google this

131

00:06:43,570 --> 00:06:37,770

what does Titicaca mean political

132

00:06:52,540 --> 00:06:43,580

question does what quell those what does

133

00:06:58,939 --> 00:06:52,550

TTP do first thing on the Google search

134

00:07:03,649 --> 00:06:58,949

the name Titicaca comes from the - Quinn

135

00:07:07,850 --> 00:07:03,659

Chao words TT which means Puma and caca

136

00:07:10,700 --> 00:07:07,860

which means mount so Puma mount boom I'm

137

00:07:16,460 --> 00:07:10,710

out which is I mean it's still kind of

138

00:07:20,180 --> 00:07:16,470

funny this this name is a reminder of

139

00:07:22,370 --> 00:07:20,190

the cultural importance of felines for

140

00:07:25,730 --> 00:07:22,380

ancient civilizations that once occupied

141

00:07:29,120 --> 00:07:25,740

this region oh that's such a terrible

142

00:07:31,939 --> 00:07:29,130

name - like one like memorize memorize

143

00:07:35,420 --> 00:07:31,949

or like remember you know remember I

144

00:07:37,760 --> 00:07:35,430

remember her eyes the culture like we

145

00:07:41,149 --> 00:07:37,770

should name it titicaca well I wonder if

146

00:07:44,629 --> 00:07:41,159

today was like a word before it meant

147

00:07:46,580 --> 00:07:44,639

actual titty you know what if it had a

148

00:07:49,159 --> 00:07:46,590

different meaning before we just like

149

00:07:52,110 --> 00:07:49,169

named titties titty yeah you know like

150

00:07:53,980 --> 00:07:52,120

maybe they were called like boom boom

151

00:08:05,480 --> 00:07:53,990

[Laughter]

152

00:08:08,510 --> 00:08:05,490

boom boom we like be boom boom boom like

153

00:08:12,920 --> 00:08:08,520

a deep so so if you go down there and

154

00:08:13,640 --> 00:08:12,930

and you say man I I like titties they're

155

00:08:16,879 --> 00:08:13,650

like oh

156

00:08:22,399 --> 00:08:16,889

Clemmie is very dangerous boom eyes he's

157

00:08:27,159 --> 00:08:22,409

got big boom boom okay sorry alright

158

00:08:30,499 --> 00:08:27,169

yeah elongated skulls at Titicaca yam

159

00:08:32,540 --> 00:08:30,509

Bolivia the video is pretty sick well I

160

00:08:34,040 --> 00:08:32,550

was saying the there's a there's two

161

00:08:35,149 --> 00:08:34,050

people in the video there's a doctor

162

00:08:36,829 --> 00:08:35,159

that's saying all kinds of doctor II

163

00:08:39,409 --> 00:08:36,839

words like legit words talking about

164

00:08:41,050 --> 00:08:39,419

things like phalange dude yeah I think

165

00:08:43,329 --> 00:08:41,060

he did say phalanges

166

00:08:45,160 --> 00:08:43,339

sutures and things like that I think

167

00:08:46,660 --> 00:08:45,170

that was one of the words all oh [h\_\_h]

168

00:08:49,119 --> 00:08:46,670

this guy knows was talking about he said

169

00:08:52,650 --> 00:08:49,129

Sood suture and like to buy a bilateral

170

00:08:57,490 --> 00:08:52,660

Cardinal Spig amis is connected to the

171

00:09:02,949 --> 00:08:57,500

arsenal' rebellion

172

00:09:04,389 --> 00:09:02,959

the degradation of the the as you can

173

00:09:10,269 --> 00:09:04,399

see in the crevasse

174

00:09:13,869 --> 00:09:10,279

really this guy's dumb this being

175

00:09:16,240 --> 00:09:13,879

Spanish but uh yeah I mean this this

176

00:09:19,389 --> 00:09:16,250

dude it's like commenting on the the

177

00:09:22,150 --> 00:09:19,399

skeleton says that it's female under the

178

00:09:24,639 --> 00:09:22,160

age of ten or eight or somewhere around

179

00:09:27,939 --> 00:09:24,649

there and it's got like the the right

180

00:09:29,889 --> 00:09:27,949

human number of ribs and the teeth or

181

00:09:31,569 --> 00:09:29,899

you know normal there's the same same

182

00:09:34,749 --> 00:09:31,579

number of digits it's it's a normal

183

00:09:37,480 --> 00:09:34,759

human skull other than the skeleton

184

00:09:41,889 --> 00:09:37,490

other than the skull and it's I mean

185

00:09:44,860 --> 00:09:41,899

it's there's no no remnants of head

186

00:09:46,749 --> 00:09:44,870

binding like she likes calls with like

187

00:09:48,309 --> 00:09:46,759

it's the at least like indentation

188

00:09:50,559 --> 00:09:48,319

though yeah you can see like where the

189

00:09:52,480 --> 00:09:50,569

were like the rope was like on the head

190

00:09:54,579 --> 00:09:52,490

yeah as it went up and yeah the bone

191

00:09:55,990 --> 00:09:54,589

matter Ouma like fizzles out like

192

00:09:58,269 --> 00:09:56,000

there's not enough so it starts to get

193

00:10:00,069 --> 00:09:58,279

pointy on all those skeletons that you

194

00:10:02,170 --> 00:10:00,079

see that we're head buying head bound

195

00:10:04,809 --> 00:10:02,180

but this one is like it just stays

196

00:10:06,730 --> 00:10:04,819

straight up like you know normal shape

197

00:10:09,309 --> 00:10:06,740

and there's just a lot more bone matter

198

00:10:12,189 --> 00:10:09,319

and there's like there's also where the

199

00:10:13,960 --> 00:10:12,199

the the little lines in the skull I

200

00:10:15,549 --> 00:10:13,970

think those were the called sutures I

201  
00:10:15,790 --> 00:10:15,559  
think those of the sutures is that what

202  
00:10:19,480 --> 00:10:15,800  
it was

203  
00:10:22,449 --> 00:10:19,490  
yes so like and it forms your skull

204  
00:10:24,100 --> 00:10:22,459  
right yeah and these didn't have those

205  
00:10:26,769 --> 00:10:24,110  
lines right it was all like one piece

206  
00:10:29,590 --> 00:10:26,779  
well so I know I've heard another story

207  
00:10:31,720 --> 00:10:29,600  
where they found a elongated skull where

208  
00:10:35,309 --> 00:10:31,730  
it didn't have those lines it was get

209  
00:10:37,059 --> 00:10:35,319  
one piece I think that was Starchild the

210  
00:10:39,699 --> 00:10:37,069  
Starchild skull or something I think

211  
00:10:41,679 --> 00:10:39,709  
like that do you it was featured on

212  
00:10:44,170 --> 00:10:41,689  
ancient aliens a bunch huh but that one

213  
00:10:46,509 --> 00:10:44,180

I know is really is that our child I

214

00:10:49,329 --> 00:10:46,519

don't thinks of it who's that from kiss

215

00:10:51,710 --> 00:10:49,339

oh thanks enough is that the stalker

216

00:10:56,199 --> 00:10:51,720

yeah Starchild

217

00:11:02,090 --> 00:10:56,209

zowie cause i know i'm starchild

218

00:11:05,030 --> 00:11:02,100

otherwise british i'm really like

219

00:11:11,600 --> 00:11:05,040

eighties rock bands all have british

220

00:11:12,439 --> 00:11:11,610

accents it's mandatory but yeah i know

221

00:11:14,929 --> 00:11:12,449

the one you're talking about that

222

00:11:17,240 --> 00:11:14,939

there's no lines meaning like the skull

223

00:11:18,410 --> 00:11:17,250

was one piece and it never was separate

224

00:11:20,449 --> 00:11:18,420

pieces because when you're born like a

225

00:11:22,460 --> 00:11:20,459

baby skull is there's their space in

226

00:11:24,829 --> 00:11:22,470

between like this alright you know and

227

00:11:26,420 --> 00:11:24,839

then as you get older your bones your

228

00:11:28,160 --> 00:11:26,430

school like fuses together a little

229

00:11:30,590 --> 00:11:28,170

later but yeah this one actually did

230

00:11:32,480 --> 00:11:30,600

have some but i was looking for the

231

00:11:34,160 --> 00:11:32,490

lines and he was like commenting on the

232

00:11:36,800 --> 00:11:34,170

the sutures i think that's what he's

233

00:11:37,400 --> 00:11:36,810

called was this one pregnant I don't

234

00:11:40,009 --> 00:11:37,410

think so

235

00:11:44,900 --> 00:11:40,019

was he there one that was pregnant what

236

00:11:46,790 --> 00:11:44,910

oh dude the the Nats nasca oh the three

237

00:11:50,420 --> 00:11:46,800

that they found yeah one was was

238

00:11:52,519 --> 00:11:50,430

pregnant yes oh yeah like the so they

239

00:11:54,319 --> 00:11:52,529

had the three digits on their hands and

240

00:11:57,259 --> 00:11:54,329

their feet the ones that they found in

241

00:12:01,009 --> 00:11:57,269

that cave and one of them was pregnant

242

00:12:03,619 --> 00:12:01,019

with eggs it had eggs its body dude eggs

243

00:12:05,869 --> 00:12:03,629

bro no they found the tall ones in these

244

00:12:08,629 --> 00:12:05,879

found little ones which reminds me of

245

00:12:10,100 --> 00:12:08,639

the Mantis the thing you were telling me

246

00:12:12,379 --> 00:12:10,110

about other stories that I've heard like

247

00:12:14,869 --> 00:12:12,389

always like we when people have come and

248

00:12:16,730 --> 00:12:14,879

counter with like a mantis alien there's

249

00:12:19,939 --> 00:12:16,740

always a little guy with him yeah and

250

00:12:23,389 --> 00:12:19,949

when they found a mummified little guy

251  
00:12:24,740 --> 00:12:23,399  
alongside these other nazca mummies -

252  
00:12:27,439 --> 00:12:24,750  
that's crazy

253  
00:12:29,749 --> 00:12:27,449  
pretty dope like but the but they looked

254  
00:12:32,179 --> 00:12:29,759  
really really similar like they both had

255  
00:12:34,699 --> 00:12:32,189  
the book that the big guy and the little

256  
00:12:36,410 --> 00:12:34,709  
guy had three digits on their on their

257  
00:12:38,900 --> 00:12:36,420  
feet in their hands so they were like

258  
00:12:41,360 --> 00:12:38,910  
super super different I don't I don't

259  
00:12:43,129 --> 00:12:41,370  
know like the skull doesn't look like it

260  
00:12:45,980 --> 00:12:43,139  
would look like a bug to me but maybe

261  
00:12:48,439 --> 00:12:45,990  
yeah maybe just maybe the bug eyes is is

262  
00:12:58,960 --> 00:12:48,449  
what people the mantids they just roll

263  
00:13:01,550 --> 00:12:58,970

around with little homies dude Zoltan

264

00:13:09,340 --> 00:13:01,560

and the Mantis

265

00:13:13,970 --> 00:13:12,019

well my little homie do you remember the

266

00:13:16,040 --> 00:13:13,980

little homies a little yeah put the

267

00:13:18,650 --> 00:13:16,050

quarter in he could always get him at

268

00:13:20,619 --> 00:13:18,660

mr. Gatti's bro yeah I think there's an

269

00:13:23,059 --> 00:13:20,629

episode of toys that made us about

270

00:13:24,410 --> 00:13:23,069

little homies or maybe maybe use

271

00:13:26,960 --> 00:13:24,420

something else but it reminded me of

272

00:13:30,230 --> 00:13:26,970

that show but the dude like me - killing

273

00:13:36,049 --> 00:13:30,240

off of those toys yeah yeah yeah I know

274

00:13:38,509 --> 00:13:36,059

I bought some what do we got here

275

00:13:43,280 --> 00:13:38,519

oh yeah Chris home he thought he did

276

00:13:46,639 --> 00:13:43,290

another another episode with King Gerard

277

00:13:49,519 --> 00:13:46,649

I think I think it's Gerard or it's a

278

00:13:52,179 --> 00:13:49,529

girl hard very hard I'm gonna go with

279

00:13:53,929 --> 00:13:52,189

Gerard yeah but yeah it was about like

280

00:13:57,049 --> 00:13:53,939

cryptozoology and they got into like

281

00:13:58,939 --> 00:13:57,059

Bigfoot and you know like kind of like

282

00:14:01,519 --> 00:13:58,949

where it started and like where it's at

283

00:14:03,559 --> 00:14:01,529

today and and you know just the

284

00:14:06,139 --> 00:14:03,569

monetization of it and like you know

285

00:14:08,480 --> 00:14:06,149

just kind of the same thing as the UFO

286

00:14:09,980 --> 00:14:08,490

community you know the old guard versus

287

00:14:11,960 --> 00:14:09,990

like the new people that are coming in

288

00:14:14,509 --> 00:14:11,970

that whole thing but yeah it's a good

289

00:14:17,929 --> 00:14:14,519

episode so guys go check out conspire a

290

00:14:19,340 --> 00:14:17,939

theory with the Chris home it's a good

291

00:14:21,259 --> 00:14:19,350

one dude yeah I gotta listen to that

292

00:14:23,660 --> 00:14:21,269

sounds Depp if you think about big

293

00:14:24,980 --> 00:14:23,670

Bigfoot I'm gonna listen to it yeah yeah

294

00:14:29,269 --> 00:14:24,990

it's definitely interesting that yeah

295

00:14:30,740 --> 00:14:29,279

there's not enough Bigfoot content out

296

00:14:32,569 --> 00:14:30,750

there I'm always searching for new

297

00:14:34,970 --> 00:14:32,579

Bigfoot ships well they were talking

298

00:14:36,710 --> 00:14:34,980

about how like he's kind of like the big

299

00:14:39,530 --> 00:14:36,720

man on campus when it comes to like

300

00:14:41,240 --> 00:14:39,540

cryptozoology and how you know like you

301  
00:14:44,299 --> 00:14:41,250  
know you have the Loch Ness monster and

302  
00:14:46,129 --> 00:14:44,309  
you know the wolf man you're gonna have

303  
00:14:48,980 --> 00:14:46,139  
you know all the chupacabras and stuff

304  
00:14:50,629 --> 00:14:48,990  
but yeah everybody knows about Bigfoot

305  
00:14:53,179 --> 00:14:50,639  
right doesn't matter who you are you

306  
00:14:55,220 --> 00:14:53,189  
know about Bigfoot Yeah right so yeah

307  
00:14:57,439 --> 00:14:55,230  
it's kind of cool kind of cool let's do

308  
00:14:58,819 --> 00:14:57,449  
yeah I was almost wondering as you were

309  
00:15:01,009 --> 00:14:58,829  
saying that like I wonder what other

310  
00:15:05,299 --> 00:15:01,019  
what like cryptozoology sounds like a

311  
00:15:06,919 --> 00:15:05,309  
whole chapter of like the study I wonder

312  
00:15:09,590 --> 00:15:06,929  
what I couldn't think of anything else

313  
00:15:11,720 --> 00:15:09,600

but but Bigfoot but I guess Loch Ness

314

00:15:14,030 --> 00:15:11,730

monster does make sense yeah it's just

315

00:15:15,300 --> 00:15:14,040

like weird animals that we don't we

316

00:15:20,970 --> 00:15:15,310

don't know anything about

317

00:15:22,860 --> 00:15:20,980

like Cat Man you heard of Cat Man no you

318

00:15:24,480 --> 00:15:22,870

haven't seen the movie cats did you make

319

00:15:27,420 --> 00:15:24,490

that up yeah you just made that up

320

00:15:30,900 --> 00:15:27,430

didn't you did you see that dude that

321

00:15:32,850 --> 00:15:30,910

took mushrooms and watch cats like

322

00:15:34,890 --> 00:15:32,860

tweeted the whole like during the movie

323

00:15:37,110 --> 00:15:34,900

he's talking about like his wife took

324

00:15:38,940 --> 00:15:37,120

him he was like I'm either gonna freak

325

00:15:41,010 --> 00:15:38,950

out and leave or my wife's gonna pull me

326

00:15:44,510 --> 00:15:41,020

out of this theater and he like what

327

00:15:58,890 --> 00:15:44,520

like tweets the whole this is [h\_\_h]

328

00:16:04,650 --> 00:15:58,900

whoever made have you seen cats nah I

329

00:16:10,880 --> 00:16:07,650

what's up next up purple haze over here

330

00:16:15,180 --> 00:16:10,890

anyone anyone anyone

331

00:16:16,769 --> 00:16:15,190

what was that post what William oh it

332

00:16:22,110 --> 00:16:16,779

was kind of what we were talking about

333

00:16:24,510 --> 00:16:22,120

yeah the habitable zone yeah so that's a

334

00:16:26,940 --> 00:16:24,520

bob for those of you guys who haven't

335

00:16:28,920 --> 00:16:26,950

checked it out yet Bob is is banded

336

00:16:31,260 --> 00:16:28,930

bearded brothers that's Williams podcast

337

00:16:33,870 --> 00:16:31,270

as well pretty good stuff man they

338

00:16:36,690 --> 00:16:33,880

posted that on on his page as well and

339

00:16:39,390 --> 00:16:36,700

we uh we had a nice little discussion

340

00:16:42,570 --> 00:16:39,400

about it a nice little discussion yeah

341

00:16:43,530 --> 00:16:42,580

mm-hmm yeah that could just and I

342

00:16:45,300 --> 00:16:43,540

thought it was interesting because

343

00:16:48,990 --> 00:16:45,310

there's there's people with just

344

00:16:53,340 --> 00:16:49,000

different frames of thought you know

345

00:16:55,710 --> 00:16:53,350

like he was asking what's your opinion

346

00:16:58,050 --> 00:16:55,720

all right and and somebody hopped on and

347

00:16:59,940 --> 00:16:58,060

you were like well you know I don't

348

00:17:03,420 --> 00:16:59,950

think it's a good idea to go to another

349

00:17:05,880 --> 00:17:03,430

planet and screw that planet up and and

350

00:17:08,640 --> 00:17:05,890

it could be dangerous and this and that

351

00:17:13,980 --> 00:17:08,650

right and and you know I found that

352

00:17:16,050 --> 00:17:13,990

interesting because you know yeah maybe

353

00:17:18,390 --> 00:17:16,060

right to go [h\_\_h] up another planet yeah

354

00:17:22,490 --> 00:17:18,400

maybe right yeah but but depends on who

355

00:17:25,980 --> 00:17:22,500

goes exactly that and if you don't leave

356

00:17:28,460 --> 00:17:25,990

eventually this planet is going to die

357

00:17:31,789 --> 00:17:28,470

whether it be man-made

358

00:17:34,039 --> 00:17:31,799

- droid blows the entire planted up or

359

00:17:35,720 --> 00:17:34,049

you know the Sun just dies gets big

360

00:17:37,909 --> 00:17:35,730

swallows it and then shrinks back down

361

00:17:40,250 --> 00:17:37,919

right yeah so eventually the planet is

362

00:17:44,029 --> 00:17:40,260

gonna is is gonna get screwed up right

363

00:17:47,630 --> 00:17:44,039

you know at some point right and I mean

364

00:17:50,840 --> 00:17:47,640

if you want the the the preservation of

365

00:17:53,120 --> 00:17:50,850

the species to continue maybe of other

366

00:17:55,399 --> 00:17:53,130

species like animals and things right

367

00:17:56,930 --> 00:17:55,409

you would you would you've got to do

368

00:17:58,640 --> 00:17:56,940

something you've got a you got to learn

369

00:18:00,740 --> 00:17:58,650

you got to push forward and you got to

370

00:18:03,020 --> 00:18:00,750

see if you can you know continue this

371

00:18:04,610 --> 00:18:03,030

life somewhere else yeah right cuz

372

00:18:06,320 --> 00:18:04,620

eventually something's gonna happen to

373

00:18:09,890 --> 00:18:06,330

where it dies it kind of makes me think

374

00:18:12,470 --> 00:18:09,900

of Noah's Ark yeah oh it was Ark story I

375

00:18:13,970 --> 00:18:12,480

mean dude Noah's Ark what if Noah's Ark

376

00:18:17,090 --> 00:18:13,980

was a spaceship from a different planet

377

00:18:18,020 --> 00:18:17,100

right I'm glad over all this stuff do

378

00:18:20,090 --> 00:18:18,030

you I'm all the different animals

379

00:18:22,159 --> 00:18:20,100

because that's what we would do yeah we

380

00:18:23,840 --> 00:18:22,169

would build this giant ship right and we

381

00:18:26,990 --> 00:18:23,850

may not put animals on it but we would

382

00:18:28,610 --> 00:18:27,000

definitely have DNA eggs so we're gonna

383

00:18:31,789 --> 00:18:28,620

have plants just have seeds

384

00:18:35,090 --> 00:18:31,799

yeah things that are good for us you

385

00:18:35,890 --> 00:18:35,100

know that we can consume and we would go

386

00:18:41,120 --> 00:18:35,900

somewhere else

387

00:18:43,940 --> 00:18:41,130

lots of Garn can notice there's some

388

00:18:45,710 --> 00:18:43,950

cows dude if I moved to a different

389

00:18:48,140 --> 00:18:45,720

planet and there's no steak I think I'd

390

00:18:50,120 --> 00:18:48,150

be up shits Creek bro it's all gonna be

391

00:18:58,520 --> 00:18:50,130

tofu 400 years

392

00:19:00,980 --> 00:18:58,530

oh I'm gonna have to eat tofu man I hate

393

00:19:04,279 --> 00:19:00,990

tofu so much I've never even had tofu

394

00:19:06,080 --> 00:19:04,289

really really well you know I kind of

395

00:19:09,890 --> 00:19:06,090

take that back I had to have I had Merck

396

00:19:12,230 --> 00:19:09,900

I had had one meal that was like pad

397

00:19:16,330 --> 00:19:12,240

thai with with some tofu in it it was

398

00:19:21,799 --> 00:19:16,340

like fried it was pretty good

399

00:19:25,310 --> 00:19:21,809

so tofu right am i right it always

400

00:19:27,289 --> 00:19:25,320

sounds like toh food no food no food

401  
00:19:29,750 --> 00:19:27,299  
yeah so like the fuzzies in between your

402  
00:19:31,789 --> 00:19:29,760  
toes they scoop it out and then they put

403  
00:19:34,450 --> 00:19:31,799  
it in like a like a bucket and they sell

404  
00:19:36,680 --> 00:19:34,460  
to you it's tofu oh God

405  
00:19:40,560 --> 00:19:36,690  
if we move to a different planet we

406  
00:19:43,919 --> 00:19:42,629  
no way but yeah man I mean I just I

407  
00:19:45,419 --> 00:19:43,929  
found that interesting because there's

408  
00:19:48,060 --> 00:19:45,429  
different schools of thought you know

409  
00:19:50,129 --> 00:19:48,070  
and and it makes me wonder like so yeah

410  
00:19:52,529 --> 00:19:50,139  
I mean we do have these people out there

411  
00:19:54,629 --> 00:19:52,539  
who are like no Luca what we're doing to

412  
00:19:56,580 --> 00:19:54,639  
our planet and and I kind of find that

413  
00:19:58,799 --> 00:19:56,590

to be kind of like a doomsday mentality

414

00:20:01,379 --> 00:19:58,809

right you know like like I think

415

00:20:04,350 --> 00:20:01,389

sometimes people are so absorbed with

416

00:20:06,629 --> 00:20:04,360

with like what we're doing in the planet

417

00:20:11,639 --> 00:20:06,639

and while all the time it may not always

418

00:20:13,950 --> 00:20:11,649

be good right if we just stop right we

419

00:20:15,720 --> 00:20:13,960

never give our chance give ourselves a

420

00:20:18,360 --> 00:20:15,730

chance to be better mm-hmm

421

00:20:20,850 --> 00:20:18,370

right you J if you just quit and one of

422

00:20:23,039 --> 00:20:20,860

the things was was you know this may not

423

00:20:25,830 --> 00:20:23,049

work out because you know after all

424

00:20:27,570 --> 00:20:25,840

curiosity did kill the cat but if the

425

00:20:30,950 --> 00:20:27,580

cat sat around and didn't [h\_\_h] do

426

00:20:33,629 --> 00:20:30,960

anything the cat's dead anyways

427

00:20:35,940 --> 00:20:33,639

Schrodinger's cat man is it alive or the

428

00:20:37,830 --> 00:20:35,950

dead I don't observe it to find out but

429

00:20:39,749 --> 00:20:37,840

I don't know that was just my take on it

430

00:20:41,789 --> 00:20:39,759

is like you know you can't give up you

431

00:20:44,190 --> 00:20:41,799

got to keep going yeah we may be doing

432

00:20:46,350 --> 00:20:44,200

some some maybe not so good things now

433

00:20:48,180 --> 00:20:46,360

but we were also thousands of years

434

00:20:50,850 --> 00:20:48,190

doing things that were like definitely

435

00:20:53,879 --> 00:20:50,860

not so good either that we don't do

436

00:20:56,610 --> 00:20:53,889

anymore we learn we we evolve we adapt

437

00:20:58,740 --> 00:20:56,620

we do better we try and do better we're

438

00:21:02,249 --> 00:20:58,750

continuously innovating and and and

439

00:21:06,749 --> 00:21:02,259

trying to progress society even though

440

00:21:09,029 --> 00:21:06,759

in your small 70 to 100 year miniscule

441

00:21:10,889 --> 00:21:09,039

lifespan it may not seem like a lot

442

00:21:12,840 --> 00:21:10,899

because not a lot I mean a lot does

443

00:21:14,820 --> 00:21:12,850

happen in that timeframe but I mean

444

00:21:17,639 --> 00:21:14,830

we're talking dis advancement over just

445

00:21:21,210 --> 00:21:17,649

you know hundreds of years yeah you know

446

00:21:23,249 --> 00:21:21,220

it takes yeah it takes societies rise

447

00:21:27,119 --> 00:21:23,259

they fall they always have they always

448

00:21:28,919 --> 00:21:27,129

probably will and it takes hundreds to

449

00:21:31,169 --> 00:21:28,929

you know thousands of years for this

450

00:21:33,690 --> 00:21:31,179

stuff to happen for change to occur so

451  
00:21:36,149 --> 00:21:33,700  
if you're if you're one of those uh

452  
00:21:37,200 --> 00:21:36,159  
those doom and gloom people I mean just

453  
00:21:39,149 --> 00:21:37,210  
give it some time

454  
00:21:41,999 --> 00:21:39,159  
yeah I'm sorry it may not happen in your

455  
00:21:45,149 --> 00:21:42,009  
lifetime but you know we as a species

456  
00:21:48,119 --> 00:21:45,159  
got to continue I feel like if it took a

457  
00:21:50,009 --> 00:21:48,129  
hundred years to make this mess it would

458  
00:21:52,500 --> 00:21:50,019  
probably take at least another hundred

459  
00:21:52,950 --> 00:21:52,510  
years to fix it I wonder when the when

460  
00:21:55,260 --> 00:21:52,960  
this

461  
00:21:56,790 --> 00:21:55,270  
gap is I feel like we're in that that

462  
00:21:59,070 --> 00:21:56,800  
area where everybody's kind of like whoa

463  
00:22:00,990 --> 00:21:59,080

like my farts are [\h\_\_\h] up the

464

00:22:04,020 --> 00:22:01,000

atmosphere you know all right I think

465

00:22:05,940 --> 00:22:04,030

we're at a precipice or it's like a

466

00:22:08,370 --> 00:22:05,950

catalyst a moment where everybody's like

467

00:22:10,260 --> 00:22:08,380

oh [\h\_\_\h] we gotta start making some more

468

00:22:11,940 --> 00:22:10,270

electric cars yeah we're all definitely

469

00:22:14,970 --> 00:22:11,950

starting to become more earth conscious

470

00:22:16,950 --> 00:22:14,980

yeah about what's going on and and we

471

00:22:18,240 --> 00:22:16,960

all kind of do our part a little bit I

472

00:22:20,730 --> 00:22:18,250

know we make fun of it all the time

473

00:22:23,640 --> 00:22:20,740

you're like the plastic straws and like

474

00:22:30,540 --> 00:22:23,650

Dorito bags you know that reflects

475

00:22:34,140 --> 00:22:30,550

sunlight and way off topic but I saw

476

00:22:43,050 --> 00:22:34,150

this video of a fat ass monkey eating

477

00:22:44,970 --> 00:22:43,060

out of a chip bag fat monkey eating do

478

00:22:50,820 --> 00:22:44,980

like humans are destroying the planet

479

00:22:53,370 --> 00:22:50,830

bro it's the fattest moment that monkey

480

00:22:57,780 --> 00:22:53,380

is not unhappy I'm licking the Cheetos

481

00:23:00,810 --> 00:22:57,790

bag oh my god that's awesome

482

00:23:06,900 --> 00:23:00,820

that's awesome cuz I make it away from

483

00:23:09,840 --> 00:23:06,910

my legs my legs the barbecue ladies it's

484

00:23:14,850 --> 00:23:09,850

a fresh bag somebody handed out a fresh

485

00:23:17,100 --> 00:23:14,860

bag of blaze barbecue chips look at him

486

00:23:19,920 --> 00:23:17,110

just kickin it dude he's munching he's

487

00:23:22,680 --> 00:23:19,930

just watching people ride bikes and and

488

00:23:24,480 --> 00:23:22,690

you know yeah bro he's like that that

489

00:23:24,960 --> 00:23:24,490

climbing for bananas [\h\_\_\h] is for the

490

00:23:27,750 --> 00:23:24,970

birds

491

00:23:31,140 --> 00:23:27,760

yeah yeah those days are over look at

492

00:23:32,880 --> 00:23:31,150

him Olly Olly DS is like a cell phone in

493

00:23:38,790 --> 00:23:32,890

his hand and I mean that's basically a

494

00:23:40,530 --> 00:23:38,800

human right yeah hilarious damn he's

495

00:23:42,300 --> 00:23:40,540

loving it man if y'all want to see this

496

00:23:43,560 --> 00:23:42,310

video go actually we'll post it on

497

00:23:45,900 --> 00:23:43,570

YouTube I will pose a [\h\_\_\h] it's gonna

498

00:23:49,470 --> 00:23:45,910

now or I forgot we're taking for a

499

00:23:52,110 --> 00:23:49,480

second that's awesome paste it well

500

00:23:54,450 --> 00:23:52,120

we'll have it maybe we can like put it

501  
00:23:56,160 --> 00:23:54,460  
on the video yeah thanks for watching it

502  
00:23:58,530 --> 00:23:56,170  
yeah I don't know how to do that I know

503  
00:24:00,240 --> 00:23:58,540  
you're down yeah videos and if we can't

504  
00:24:02,460 --> 00:24:00,250  
figure it out then we'll uh well just

505  
00:24:04,660 --> 00:24:02,470  
not do it we'll post it on the Facebook

506  
00:24:07,330 --> 00:24:04,670  
okay that yeah we'll do that

507  
00:24:10,450 --> 00:24:07,340  
all right so now the fat monkey video is

508  
00:24:13,150 --> 00:24:10,460  
uh not here but oh the face

509  
00:24:16,930 --> 00:24:13,160  
oh yeah the face in the sky six weirdest

510  
00:24:19,660 --> 00:24:16,940  
things seen in the sky got on camera got

511  
00:24:23,980 --> 00:24:19,670  
out camera by William back William

512  
00:24:25,450 --> 00:24:23,990  
squilliam squealy yeah dude this is

513  
00:24:27,280 --> 00:24:25,460

pretty nuts I mean like I was saying

514

00:24:28,840 --> 00:24:27,290

like the the human brain is kind of

515

00:24:30,970 --> 00:24:28,850

wired to like solve puzzles and see

516

00:24:32,950 --> 00:24:30,980

faces and things that's why you see like

517

00:24:35,950 --> 00:24:32,960

Jesus and toasts every couple months and

518

00:24:37,960 --> 00:24:35,960

yeah I mean it's it's the it's just a

519

00:24:42,250 --> 00:24:37,970

thing that happens but I don't know

520

00:24:44,530 --> 00:24:42,260

maybe there is some good it's toast

521

00:24:47,780 --> 00:24:44,540

I'd like to come to my room would you

522

00:25:01,140 --> 00:24:47,790

like to join me in my quarters tonight

523

00:25:07,470 --> 00:25:03,670

bro Nacho Libre is one of the most

524

00:25:12,040 --> 00:25:07,480

hilarious movies really of all time yeah

525

00:25:15,180 --> 00:25:12,050

dude so funny damn movie this hilarious

526

00:25:17,740 --> 00:25:15,190

bro I love it I love it

527

00:25:19,660 --> 00:25:17,750

the city in the sky that's kind of cool

528

00:25:21,070 --> 00:25:19,670

yeah they happen in China right it's

529

00:25:24,970 --> 00:25:21,080

supposedly supposed to be some like the

530

00:25:27,900 --> 00:25:24,980

smog it reflects oh wow from the from

531

00:25:32,350 --> 00:25:27,910

the aligning of Venus and Saturn

532

00:25:34,270 --> 00:25:32,360

reflects off the the lakes yeah the

533

00:25:35,890 --> 00:25:34,280

ocean of China and the the sea salt that

534

00:25:38,320 --> 00:25:35,900

comes off of it right right

535

00:25:42,510 --> 00:25:38,330

it's swamp gas and the heat the heat

536

00:25:45,400 --> 00:25:42,520

mixes with the ionosphere yeah and the

537

00:25:48,130 --> 00:25:45,410

excites the protons yeah and the

538

00:25:52,810 --> 00:25:48,140

magnetic effects there's there's magma

539

00:25:57,610 --> 00:25:52,820

yeah it's just somewhere in there

540

00:25:59,740 --> 00:25:57,620

there's magma and then like your your

541

00:26:06,690 --> 00:25:59,750

double-a batteries run out extra fast

542

00:26:11,020 --> 00:26:06,700

yeah but yeah dude what could it be

543

00:26:14,130 --> 00:26:11,030

dude the faces in the sky I've been on

544

00:26:17,110 --> 00:26:14,140

all these weird floating cities

545

00:26:17,830 --> 00:26:17,120

reflection light beams the cross in the

546

00:26:21,160 --> 00:26:17,840

sky that's kind of

547

00:26:24,820 --> 00:26:21,170

well yep I mean you know what could it

548

00:26:26,890 --> 00:26:24,830

be what could it whatever could it be

549

00:26:28,660 --> 00:26:26,900

what if you were a multi-dimensional

550

00:26:31,150 --> 00:26:28,670

creature and you were trying to

551  
00:26:33,370 --> 00:26:31,160  
communicate and only the only tools that

552  
00:26:36,370 --> 00:26:33,380  
you had was I can manipulate the weather

553  
00:26:38,770 --> 00:26:36,380  
and I can make people see [\h\_\_\h] in the

554  
00:26:40,990 --> 00:26:38,780  
sky I mean what would you like if you

555  
00:26:42,790 --> 00:26:41,000  
wanted to like hey I'm here I would

556  
00:26:44,650 --> 00:26:42,800  
probably make some dope-ass like

557  
00:26:47,320 --> 00:26:44,660  
paintings in the sky you know with like

558  
00:26:51,100 --> 00:26:47,330  
clouds and I would probably call a dick

559  
00:26:54,120 --> 00:26:51,110  
in this guy I would I would I would

560  
00:27:02,700 --> 00:26:54,130  
write a message on a pencil and paper

561  
00:27:07,150 --> 00:27:02,710  
with my mind okay I'd be like hey hey

562  
00:27:08,730 --> 00:27:07,160  
hey my name is John I am an alien I come

563  
00:27:11,770 --> 00:27:08,740

from another dimension

564

00:27:12,940 --> 00:27:11,780

although use you you may it may seem

565

00:27:18,850 --> 00:27:12,950

like this is ridiculous

566

00:27:21,850 --> 00:27:18,860

it is true go to the courthouse at 11:45

567

00:27:29,020 --> 00:27:21,860

p.m. at the time and I will appear in

568

00:27:31,690 --> 00:27:29,030

the bushes naked dude aliens don't wear

569

00:27:32,650 --> 00:27:31,700

clothes some of them right dude no

570

00:27:35,650 --> 00:27:32,660

they're all naked

571

00:27:38,290 --> 00:27:35,660

dude I was so I mean they have they have

572

00:27:40,960 --> 00:27:38,300

reports of aliens wearing like jumpsuits

573

00:27:45,610 --> 00:27:40,970

and [h\_\_h] right so like if they're so

574

00:27:47,410 --> 00:27:45,620

advanced right then how come like aliens

575

00:27:51,730 --> 00:27:47,420

are wearing like 80s windbreakers and

576

00:27:53,890 --> 00:27:51,740

[h\_\_h] like that is it you got like an

577

00:27:57,600 --> 00:27:53,900

alien like drops down he's got like this

578

00:28:00,190 --> 00:27:57,610

80s like Reebok I can't break her Sudan

579

00:28:04,870 --> 00:28:00,200

he's like in the crouched position he's

580

00:28:10,080 --> 00:28:04,880

a he's got like a big chain and like a

581

00:28:14,230 --> 00:28:12,370

those guys are always weird spandex

582

00:28:14,800 --> 00:28:14,240

tights yeah I wonder what that's all

583

00:28:16,960 --> 00:28:14,810

about

584

00:28:19,420 --> 00:28:16,970

yeah what what do you think the yeah

585

00:28:21,460 --> 00:28:19,430

what's the use of having skin tight

586

00:28:23,770 --> 00:28:21,470

clothing maybe it's like a like a flight

587

00:28:25,000 --> 00:28:23,780

suit something that compresses your you

588

00:28:27,460 --> 00:28:25,010

know what I'm saying so like when they

589

00:28:31,100 --> 00:28:27,470

when they they're going 9,000 miles an

590

00:28:40,370 --> 00:28:31,110

hour the the blood

591

00:28:46,220 --> 00:28:40,380

flaps flaps again because we all bow

592

00:28:48,380 --> 00:28:46,230

skin I'm so fragile and weak yeah I

593

00:28:51,260 --> 00:28:48,390

wonder what the skin tighten deal is it

594

00:28:54,200 --> 00:28:51,270

also like do you ever see like do they

595

00:28:54,560 --> 00:28:54,210

get like camel toes and [h\_\_h] does that

596

00:28:56,210 --> 00:28:54,570

happen

597

00:28:57,919 --> 00:28:56,220

I don't know well if they don't have

598

00:28:59,480 --> 00:28:57,929

reproductive organs they don't have

599

00:29:02,570 --> 00:28:59,490

camel to do they don't have camel toes

600

00:29:17,419 --> 00:29:02,580

yeah that's a [h\_\_h] they've got yeah they

601  
00:29:20,120 --> 00:29:17,429  
got it made lucky never sweaty yeah I

602  
00:29:22,130 --> 00:29:20,130  
just got a weird thought his alien balls

603  
00:29:24,470 --> 00:29:22,140  
alien Bo that's kind of a weird thought

604  
00:29:27,140 --> 00:29:24,480  
like what if they had like testicles I

605  
00:29:29,900 --> 00:29:27,150  
kind of like us but you know there was

606  
00:29:36,230 --> 00:29:29,910  
just like they were feathered you know

607  
00:29:41,630 --> 00:29:36,240  
feathered testicles yeah and as they get

608  
00:29:43,220 --> 00:29:41,640  
older their feathers that's like all the

609  
00:29:44,210 --> 00:29:43,230  
only spot they have feathers you see

610  
00:29:46,130 --> 00:29:44,220  
them like walking out of the room

611  
00:29:51,440 --> 00:29:46,140  
there's just like like these wings in

612  
00:29:56,470 --> 00:29:51,450  
between their legs or they row today

613  
00:30:00,140 --> 00:29:56,480

like they fly crotch like they take off

614

00:30:02,210 --> 00:30:00,150

hilarious I don't know man oh no I said

615

00:30:04,700 --> 00:30:02,220

I say all the stuff up in the sky right

616

00:30:06,830 --> 00:30:04,710

was a conspiracy that's that's called

617

00:30:09,049 --> 00:30:06,840

Project Blue Beam oh yeah we're a group

618

00:30:11,390 --> 00:30:09,059

of scientists got together and they can

619

00:30:12,890 --> 00:30:11,400

project Holograms in the sky yeah it's

620

00:30:15,890 --> 00:30:12,900

supposed to be like how they're gonna

621

00:30:18,320 --> 00:30:15,900

you know do the false alien invasion or

622

00:30:20,570 --> 00:30:18,330

the second coming of Christ or anything

623

00:30:22,010 --> 00:30:20,580

that you see up in the sky UFOs or

624

00:30:23,299 --> 00:30:22,020

anything like that like it could

625

00:30:25,130 --> 00:30:23,309

possibly be

626

00:30:26,960 --> 00:30:25,140

you know Project Blue Beam and they're

627

00:30:30,770 --> 00:30:26,970

just you know projecting these Holograms

628

00:30:33,320 --> 00:30:30,780

up in the sky did that's so do you know

629

00:30:35,270 --> 00:30:33,330

do you is it is it just a conspiracy

630

00:30:36,620 --> 00:30:35,280

theory years is there it is I feel like

631

00:30:38,539 --> 00:30:36,630

I've seen videos on this like there's

632

00:30:40,970 --> 00:30:38,549

some proof that there there's been like

633

00:30:43,820 --> 00:30:40,980

projects being so there there's like a

634

00:30:45,410 --> 00:30:43,830

couple videos like literally if you if

635

00:30:49,940 --> 00:30:45,420

you do project

636

00:30:52,460 --> 00:30:49,950

Bluebeam you have to dig Project Blue

637

00:31:02,030 --> 00:30:52,470

Beam right the first thing that pops up

638

00:31:04,250 --> 00:31:02,040

is is a like a techno DJ boop boop Roger

639

00:31:08,560 --> 00:31:04,260

boo boo Project Blue Beam the quest for

640

00:31:12,860 --> 00:31:08,570

a new world order it's connected with

641

00:31:14,450 --> 00:31:12,870

like the New Age movement somehow and I

642

00:31:16,430 --> 00:31:14,460

think that they're saying like the New

643

00:31:19,280 --> 00:31:16,440

Age movement is supposed to be like this

644

00:31:20,960 --> 00:31:19,290

this new one-world religion right that's

645

00:31:24,620 --> 00:31:20,970

supposed to help usher in the New World

646

00:31:28,400 --> 00:31:24,630

Order right so you know no offense to

647

00:31:32,420 --> 00:31:28,410

any of my uh any of my new-age friends

648

00:31:35,390 --> 00:31:32,430

out there so I'm a little conspiracy

649

00:31:38,110 --> 00:31:35,400

minded so you know what if the New Age

650

00:31:40,370 --> 00:31:38,120

what if this new religion is ufology

651  
00:31:42,260 --> 00:31:40,380  
it's possible man it definitely could be

652  
00:31:44,750 --> 00:31:42,270  
like the yes it could be surgeon

653  
00:31:46,610 --> 00:31:44,760  
interest in UFOs and aliens and like to

654  
00:31:49,940 --> 00:31:46,620  
believe in aliens what if that is the

655  
00:31:52,190 --> 00:31:49,950  
new the new era of religion it could be

656  
00:31:54,410 --> 00:31:52,200  
and there's definitely people who who

657  
00:31:57,320 --> 00:31:54,420  
are that way it is kind of like their

658  
00:31:59,570 --> 00:31:57,330  
religion but that's why you always got

659  
00:32:02,200 --> 00:31:59,580  
to have people that are always trying to

660  
00:32:04,730 --> 00:32:02,210  
counter that saying look this isn't a

661  
00:32:07,250 --> 00:32:04,740  
religion we don't know if they're here

662  
00:32:09,260 --> 00:32:07,260  
to save you help you hurt you we don't

663  
00:32:12,770 --> 00:32:09,270

know what they're here to do right what

664

00:32:15,950 --> 00:32:12,780

we're here to do is to gather some

665

00:32:17,930 --> 00:32:15,960

articles gather some facts see if we can

666

00:32:19,010 --> 00:32:17,940

unpack it a little bit right right we

667

00:32:20,810 --> 00:32:19,020

just were just trying to get an

668

00:32:23,780 --> 00:32:20,820

understanding of this right well you

669

00:32:25,640 --> 00:32:23,790

can't turn this into a religion because

670

00:32:28,670 --> 00:32:25,650

we don't know anything yeah well there's

671

00:32:31,520 --> 00:32:28,680

there yeah there isn't like a like a

672

00:32:33,560 --> 00:32:31,530

manifesto of any sort okay there's

673

00:32:35,720 --> 00:32:33,570

obviously been people that claim to have

674

00:32:38,620 --> 00:32:35,730

met aliens and have like this whole

675

00:32:41,750 --> 00:32:38,630

agenda that the alien gave them like

676

00:32:43,700 --> 00:32:41,760

which is often like usually a nice story

677

00:32:48,140 --> 00:32:43,710

like be nice to each other and meditate

678

00:32:50,870 --> 00:32:48,150

more and save the earth I mean I don't

679

00:32:53,690 --> 00:32:50,880

know it's I I guess I'm thinking of

680

00:32:55,460 --> 00:32:53,700

religion as in just a belief system all

681

00:32:57,770 --> 00:32:55,470

right I think the belief in aliens is a

682

00:32:58,240 --> 00:32:57,780

new but not a new belief system but it

683

00:33:00,500 --> 00:32:58,250

is

684

00:33:04,640 --> 00:33:00,510

have you seen that movie the invention

685

00:33:07,700 --> 00:33:04,650

of line I want to say I have say more

686

00:33:11,090 --> 00:33:07,710

maybe I'm so it's uh man what's that

687

00:33:13,490 --> 00:33:11,100

dude's name Ricky uh he'd your face I

688

00:33:15,800 --> 00:33:13,500

think so he just did that speech yes

689

00:33:17,870 --> 00:33:15,810

yeah dude how [h\_\_h] awesome was that

690

00:33:22,160 --> 00:33:17,880

that was an awesome oh that was a great

691

00:33:24,590 --> 00:33:22,170

speech yeah but yeah it's where he lives

692

00:33:26,300 --> 00:33:24,600

in this world where nobody can lie yeah

693

00:33:28,190 --> 00:33:26,310

so everybody's kind of like just very

694

00:33:30,380 --> 00:33:28,200

upfront and it's kind of a depressing

695

00:33:32,000 --> 00:33:30,390

world to live in right like there's a

696

00:33:34,160 --> 00:33:32,010

part in the movie where like his mom's

697

00:33:37,310 --> 00:33:34,170

dying and she's like I'm about to die

698

00:33:40,910 --> 00:33:37,320

and like I'm scared and I'm going to

699

00:33:45,530 --> 00:33:40,920

nothing and like he has this crazy-ass

700

00:33:47,600 --> 00:33:45,540

idea where he's like no mom that's not

701

00:33:51,770 --> 00:33:47,610

what happens when you die what happens

702

00:33:54,440 --> 00:33:51,780

when you die is you go to a place and

703

00:33:56,870 --> 00:33:54,450

you're gonna see dad and all your

704

00:33:59,240 --> 00:33:56,880

friends are gonna be there and and you

705

00:34:01,460 --> 00:33:59,250

get to live in a mansion and it's

706

00:34:03,410 --> 00:34:01,470

awesome all the time and you're not

707

00:34:04,880 --> 00:34:03,420

gonna feel any pain and it's gonna it's

708

00:34:07,190 --> 00:34:04,890

gonna be great you're gonna love it

709

00:34:09,020 --> 00:34:07,200

and the doctors are standing behind him

710

00:34:10,310 --> 00:34:09,030

and since nobody's ever heard a lot

711

00:34:16,130 --> 00:34:10,320

they're like

712

00:34:17,870 --> 00:34:16,140

more about this yeah about what happens

713

00:34:20,060 --> 00:34:17,880

when you die that's that's insane

714

00:34:21,740 --> 00:34:20,070

yeah and so he's like yeah he like kind

715

00:34:23,390 --> 00:34:21,750

of walks out the room but then this like

716

00:34:24,500 --> 00:34:23,400

news crew shows up at his house and

717

00:34:26,750 --> 00:34:24,510

they're like tell us more about what

718

00:34:29,240 --> 00:34:26,760

happens when you die because I heard a

719

00:34:31,460 --> 00:34:29,250

lie before yeah he just came up with

720

00:34:32,750 --> 00:34:31,470

like with this this line so then he

721

00:34:35,330 --> 00:34:32,760

creates this thing and they're like who

722

00:34:38,480 --> 00:34:35,340

told you that and he's like there's a

723

00:34:40,460 --> 00:34:38,490

man in the sky and they're like oh this

724

00:34:43,400 --> 00:34:40,470

man in the sky and he's like yeah and

725

00:34:44,780 --> 00:34:43,410

he's like you can they're like how do we

726

00:34:47,240 --> 00:34:44,790

get there and he's like just you know

727

00:34:51,140 --> 00:34:47,250

don't do bad stuff when they do good

728

00:34:53,690 --> 00:34:51,150

stuff yeah and they're like like what if

729

00:34:55,790 --> 00:34:53,700

you like what if you like run over a cat

730

00:34:57,500 --> 00:34:55,800

and he's like I mean that's that's fine

731

00:34:59,270 --> 00:34:57,510

it was like you're not gonna like go to

732

00:35:01,190 --> 00:34:59,280

the bad place you can still go to this

733

00:35:03,050 --> 00:35:01,200

nice place so what's the bad place yeah

734

00:35:05,330 --> 00:35:03,060

and they're like so like what the hell

735

00:35:07,400 --> 00:35:05,340

he's like so you get you get three bad

736

00:35:09,650 --> 00:35:07,410

things that you can do before you have

737

00:35:10,750 --> 00:35:09,660

to go to the bad place has to start

738

00:35:12,310 --> 00:35:10,760

making up these rooms

739

00:35:14,800 --> 00:35:12,320

making up these rules and then he grabs

740

00:35:16,990 --> 00:35:14,810

two pizza boxes and he writes these like

741

00:35:18,760 --> 00:35:17,000

ten rules down on these pizza boxes he's

742

00:35:20,920 --> 00:35:18,770

like these are the main rules that you

743

00:35:22,600 --> 00:35:20,930

have to follow in order to go to the

744

00:35:24,190 --> 00:35:22,610

good place he's like you don't have to

745

00:35:26,380 --> 00:35:24,200

ask me all these questions just follow

746

00:35:28,360 --> 00:35:26,390

these rules and you'll be good and so

747

00:35:30,610 --> 00:35:28,370

from then on everybody started believing

748

00:35:32,770 --> 00:35:30,620

that there was just this this place in

749

00:35:34,180 --> 00:35:32,780

the sky that you go to when you die yeah

750

00:35:36,130 --> 00:35:34,190

right so it kind of makes you wonder

751

00:35:38,710 --> 00:35:36,140

it's like all right so like that's kind

752

00:35:43,030 --> 00:35:38,720

of like how I think about like current

753

00:35:45,370 --> 00:35:43,040

religion how like people just didn't

754

00:35:47,440 --> 00:35:45,380

understand things a lot back then we

755

00:35:49,330 --> 00:35:47,450

mean dude we we have a current

756

00:35:52,000 --> 00:35:49,340

understanding but we still probably

757

00:35:54,280 --> 00:35:52,010

don't understand anything yeah right and

758

00:35:56,140 --> 00:35:54,290

the grand scheme of things yeah and you

759

00:35:58,630 --> 00:35:56,150

know it's it's kind of like if with this

760

00:36:00,730 --> 00:35:58,640

alien stuff you know this UFO stuff

761

00:36:04,120 --> 00:36:00,740

people are gonna say [h\_\_h] that you're

762

00:36:07,720 --> 00:36:04,130

like whoa like that's crazy but we can't

763

00:36:09,880 --> 00:36:07,730

let it turn into like some this is this

764

00:36:11,680 --> 00:36:09,890

is what the people in the sky said to do

765

00:36:13,930 --> 00:36:11,690

right right yeah you can't do that you

766

00:36:16,600 --> 00:36:13,940

have to kind of be objective about it

767

00:36:18,870 --> 00:36:16,610

yeah you don't fall into that trap right

768

00:36:23,290 --> 00:36:18,880

yeah I think there's like like a

769

00:36:24,580 --> 00:36:23,300

separation of I guess the kind of people

770

00:36:27,580 --> 00:36:24,590

that we are the way that we're

771

00:36:29,530 --> 00:36:27,590

interested in this topic is is like the

772

00:36:32,380 --> 00:36:29,540

facts we want to know what it is not

773

00:36:34,330 --> 00:36:32,390

what they have to say a lot of people

774

00:36:37,270 --> 00:36:34,340

are like on that other side of like I

775

00:36:39,820 --> 00:36:37,280

had an experience and they said the to

776

00:36:41,770 --> 00:36:39,830

me like and then they come back with a

777

00:36:44,080 --> 00:36:41,780

message like we don't really have a

778

00:36:46,030 --> 00:36:44,090

message right there's no like ideology

779

00:36:48,550 --> 00:36:46,040

behind it it's just like what the [h\_\_h]

780

00:36:51,100 --> 00:36:48,560

is this thing like this is cool you know

781

00:36:52,450 --> 00:36:51,110

we've seen we what is it not what does

782

00:36:54,640 --> 00:36:52,460

it have to offer yes

783

00:36:57,220 --> 00:36:54,650

yeah what does it have to offer me or us

784

00:37:00,190 --> 00:36:57,230

yeah that's yeah no I just want to know

785

00:37:02,280 --> 00:37:00,200

what it is and then when I actually get

786

00:37:05,710 --> 00:37:02,290

to meet one if it has some good ideas

787

00:37:07,840 --> 00:37:05,720

then I'll adopt some of those good ideas

788

00:37:10,660 --> 00:37:07,850

yeah but he may have some ideas that I

789

00:37:12,940 --> 00:37:10,670

think are not good ideas yeah and I

790

00:37:15,400 --> 00:37:12,950

probably won't follow those good ideas

791

00:37:18,850 --> 00:37:15,410

right like what what did you get

792

00:37:22,240 --> 00:37:18,860

abducted tonight Joe and the and the

793

00:37:23,490 --> 00:37:22,250

aliens like hey what's up dude I'll be

794

00:37:25,770 --> 00:37:23,500

like what sir here's

795

00:37:28,349 --> 00:37:25,780

here's like some cool [h\_\_\h] I want you to

796

00:37:30,750 --> 00:37:28,359

know and take away from this like hey so

797

00:37:33,990 --> 00:37:30,760

everyone is everything is one love is

798

00:37:35,970 --> 00:37:34,000

the answer and also like you're supposed

799

00:37:38,609 --> 00:37:35,980

to wear rebel rubber nipples on your

800

00:37:41,099 --> 00:37:38,619

kneecaps that's what that's that's the

801  
00:37:42,780 --> 00:37:41,109  
meaning of life like everything

802  
00:37:44,730 --> 00:37:42,790  
everything before that was like dope

803  
00:37:48,830 --> 00:37:44,740  
okay got you got you like man this

804  
00:37:52,349 --> 00:37:50,730  
it's crazy cuz all the stories that

805  
00:37:54,990 --> 00:37:52,359  
people talk about about the love and the

806  
00:37:59,880 --> 00:37:55,000  
one is just like dude these aliens love

807  
00:38:00,720 --> 00:37:59,890  
the Beatles yeah like the band right

808  
00:38:03,000 --> 00:38:00,730  
mm-hmm

809  
00:38:05,339 --> 00:38:03,010  
I was just making sure you weren't

810  
00:38:10,890 --> 00:38:05,349  
talking about the car or the bug or the

811  
00:38:14,609 --> 00:38:10,900  
bug yeah but yeah yeah exactly like okay

812  
00:38:16,290 --> 00:38:14,619  
oneness love be nice cool like but what

813  
00:38:18,540 --> 00:38:16,300

if there was some right thing but I also

814

00:38:20,580 --> 00:38:18,550

have that already on these stone tablets

815

00:38:24,030 --> 00:38:20,590

called the Ten Commandments Yeah right

816

00:38:26,580 --> 00:38:24,040

it's like don't kill listen to your

817

00:38:27,240 --> 00:38:26,590

mother and father don't covet thy

818

00:38:29,490 --> 00:38:27,250

neighbor's wife

819

00:38:31,980 --> 00:38:29,500

yeah I'm sayin like it's like yeah I

820

00:38:33,750 --> 00:38:31,990

mean those are all pretty good ideas

821

00:38:36,450 --> 00:38:33,760

yeah let me thank you

822

00:38:39,690 --> 00:38:36,460

like okay yeah that's that's a good

823

00:38:41,520 --> 00:38:39,700

moral compass to live by right yeah but

824

00:38:44,160 --> 00:38:41,530

what if there was one weird thing like

825

00:38:44,640 --> 00:38:44,170

you can't wear hats which is in the

826

00:38:46,200 --> 00:38:44,650

Bible

827

00:38:49,410 --> 00:38:46,210

apparently like you're supposed to wear

828

00:38:51,870 --> 00:38:49,420

a hat and like shrimp is like for even

829

00:38:53,880 --> 00:38:51,880

like yeah stuff like that like what yeah

830

00:38:55,589 --> 00:38:53,890

well like that's [h\_\_h] in the Bible that

831

00:38:57,089 --> 00:38:55,599

most religions don't like they cherry

832

00:38:59,040 --> 00:38:57,099

pick they're like they don't they don't

833

00:39:01,740 --> 00:38:59,050

they kind of gloss over some of the

834

00:39:03,930 --> 00:39:01,750

weird stuff anyway it's the whole

835

00:39:06,540 --> 00:39:03,940

religion thing but yeah I think no sex

836

00:39:08,010 --> 00:39:06,550

before marriage you know like you know

837

00:39:10,349 --> 00:39:08,020

that's yeah I mean yeah dude I mean

838

00:39:12,630 --> 00:39:10,359

people people do cherry-pick right yeah

839

00:39:16,050 --> 00:39:12,640

and then and then like the church will

840

00:39:17,609 --> 00:39:16,060

alter some of these rules right some

841

00:39:21,730 --> 00:39:17,619

people are like oh they're changing the

842

00:39:30,580 --> 00:39:27,280

Oh stone gay people like you're like

843

00:39:32,260 --> 00:39:30,590

what I mean how did we go from like like

844

00:39:38,050 --> 00:39:32,270

don't kill anybody

845

00:39:40,270 --> 00:39:38,060

yeah but also stone game yeah you're

846

00:39:43,230 --> 00:39:40,280

like wait a second I think I feel like

847

00:39:45,730 --> 00:39:43,240

somebody wrote this book as they went on

848

00:39:48,010 --> 00:39:45,740

it's just like a solid piece of bone a

849

00:39:50,170 --> 00:39:48,020

natural progression but I mean yeah dude

850

00:39:52,630 --> 00:39:50,180

yeah I mean good things and bad things

851

00:39:56,500 --> 00:39:52,640

about it but I I don't know man

852

00:39:58,780 --> 00:39:56,510

yeah so I mean if there was a UFO

853

00:40:00,580 --> 00:39:58,790

religion that popped up you know would

854

00:40:02,859 --> 00:40:00,590

you would you check it out to see like

855

00:40:05,740 --> 00:40:02,869

what if there's like okay there's a

856

00:40:07,510 --> 00:40:05,750

legit UFO religion out there like would

857

00:40:09,520 --> 00:40:07,520

you would you want to check it out yeah

858

00:40:11,080 --> 00:40:09,530

dude I would I would look into it and I

859

00:40:16,030 --> 00:40:11,090

would research it and I'd want to know

860

00:40:18,670 --> 00:40:16,040

about it just like I've done with I grew

861

00:40:21,040 --> 00:40:18,680

up you know Catholic right so I I know

862

00:40:22,750 --> 00:40:21,050

you know quite a bit we're all quite

863

00:40:25,390 --> 00:40:22,760

familiar with like the Christian culture

864

00:40:28,599 --> 00:40:25,400

but as growing growing up I'm sure you

865

00:40:30,400 --> 00:40:28,609

watch something on on Buddhism yet or

866

00:40:32,020 --> 00:40:30,410

I'm sure you've watched some stuff on

867

00:40:34,210 --> 00:40:32,030

like what it's like to be a Muslim why

868

00:40:36,550 --> 00:40:34,220

do they believe what they believe what

869

00:40:39,130 --> 00:40:36,560

is a Mormon like what is yeah you know

870

00:40:42,010 --> 00:40:39,140

what is this New Age movement like what

871

00:40:43,810 --> 00:40:42,020

is it like I have spent hours youtubing

872

00:40:45,760 --> 00:40:43,820

all these different things because I'm

873

00:40:48,190 --> 00:40:45,770

interested to know what makes them tick

874

00:40:53,320 --> 00:40:48,200

yeah and what I find stupid about their

875

00:40:55,330 --> 00:40:53,330

religion right I have some kind of dumb

876

00:40:56,680 --> 00:40:55,340

stuff that like you know we you know we

877

00:41:01,510 --> 00:40:56,690

have in our religion what's the dumb

878

00:41:02,830 --> 00:41:01,520

[h\_\_\h] like this is terrible right why

879

00:41:04,750 --> 00:41:02,840

can't you just take the good [h\_\_\h] out

880

00:41:07,330 --> 00:41:04,760

yeah like if you're gonna cherry-pick

881

00:41:10,170 --> 00:41:07,340

take the good stuff out yeah and and

882

00:41:15,540 --> 00:41:10,180

then put all that other stuff away just

883

00:41:19,450 --> 00:41:15,550

put it up put it away brew away goodness

884

00:41:20,710 --> 00:41:19,460

about it yeah I don't know man I don't

885

00:41:22,690 --> 00:41:20,720

know but that's what I would do if I

886

00:41:25,060 --> 00:41:22,700

found out there was an alien religion

887

00:41:27,310 --> 00:41:25,070

yeah man I'd totally check it out bro so

888

00:41:30,040 --> 00:41:27,320

there's this crazy book it's called the

889

00:41:32,830 --> 00:41:30,050

book of your rancho and I'm Harun T I

890

00:41:34,550 --> 00:41:32,840

think it was the 60s there was this book

891

00:41:37,010 --> 00:41:34,560

that was

892

00:41:38,420 --> 00:41:37,020

found in a locker somewhere in Chicago

893

00:41:39,770 --> 00:41:38,430

who is like in this old torn down

894

00:41:42,350 --> 00:41:39,780

building that they were getting ready to

895

00:41:45,860 --> 00:41:42,360

tear down or renovate or something and

896

00:41:49,370 --> 00:41:45,870

this guy found this book with no author

897

00:41:52,010 --> 00:41:49,380

on it and it had bars of gold sitting

898

00:41:54,500 --> 00:41:52,020

with it Wow it could be printed it's a

899

00:41:58,040 --> 00:41:54,510

like supposedly this modern version of

900

00:42:00,350 --> 00:41:58,050

the Bible so it kind of goes through the

901  
00:42:04,490 --> 00:42:00,360  
original Bible but now it gives like

902  
00:42:08,270 --> 00:42:04,500  
like these like equations on how the

903  
00:42:10,130 --> 00:42:08,280  
universe works well and yeah and it it

904  
00:42:14,120 --> 00:42:10,140  
breaks it down to like a more like

905  
00:42:17,120 --> 00:42:14,130  
scientific like modern version of the

906  
00:42:19,310 --> 00:42:17,130  
Bible that yeah the cool there's like

907  
00:42:22,520 --> 00:42:19,320  
this you know seven layers that you have

908  
00:42:24,620 --> 00:42:22,530  
to attain and it just so happens like in

909  
00:42:27,590 --> 00:42:24,630  
this universe that like Jesus is like

910  
00:42:29,630 --> 00:42:27,600  
our person that we talked to he's like

911  
00:42:31,460 --> 00:42:29,640  
in charge of this realm but there's

912  
00:42:34,870 --> 00:42:31,470  
other realms that you have to pass

913  
00:42:37,910 --> 00:42:34,880

through to get to you know the God realm

914

00:42:40,700 --> 00:42:37,920

the seven supreme spirit groups

915

00:42:43,910 --> 00:42:40,710

yeah that's paper seventeen it's it's

916

00:42:47,840 --> 00:42:43,920

pretty crazy yeah the supreme Trinity

917

00:42:49,850 --> 00:42:47,850

personalities uh-huh and it talks about

918

00:42:52,610 --> 00:42:49,860

everything that they talk about in the

919

00:42:54,920 --> 00:42:52,620

Bible except for now there's like this

920

00:42:57,380 --> 00:42:54,930

explanation for all this stuff

921

00:42:59,120 --> 00:42:57,390

what dude that's dope yeah and it and

922

00:43:03,700 --> 00:42:59,130

and it doesn't have an author like

923

00:43:06,230 --> 00:43:03,710

nobody claimed it so aliens maybe I mean

924

00:43:08,180 --> 00:43:06,240

maybe I didn't say and it was left with

925

00:43:11,480 --> 00:43:08,190

bars of gold to make sure that it got

926

00:43:15,200 --> 00:43:11,490

reprinted damn well okay that yeah

927

00:43:17,210 --> 00:43:15,210

that's [h\_\_\h] sick dude yeah I want to

928

00:43:21,410 --> 00:43:17,220

check this out read it origins of

929

00:43:25,040 --> 00:43:21,420

worship early evolution of religion God

930

00:43:27,580 --> 00:43:25,050

the supreme you know supreme judgment

931

00:43:32,450 --> 00:43:27,590

the shame in space the chicken supreme

932

00:43:38,030 --> 00:43:32,460

the burrito supreme yeah the chicken

933

00:43:41,150 --> 00:43:38,040

supreme that Tenacious D saw yeah but

934

00:43:44,270 --> 00:43:41,160

yeah so whoever wrote this book claims

935

00:43:46,340 --> 00:43:44,280

that Urantia is the name of Earth we

936

00:43:47,130 --> 00:43:46,350

named it Earth but the original name is

937

00:43:49,680 --> 00:43:47,140

Urantia who

938

00:43:54,269 --> 00:43:49,690

we come from the planet of urantia your

939

00:43:56,759 --> 00:43:54,279

Rancho yeah [h\_\_h] yeah I love ranch love

940

00:43:59,849 --> 00:43:56,769

right I don't like it the time of the

941

00:44:04,890 --> 00:43:59,859

tomb crucifixion just before the

942

00:44:08,609 --> 00:44:04,900

crucifixion dude it I mean yeah it it's

943

00:44:11,009 --> 00:44:08,619

it's yeah yeah that's cool so I think I

944

00:44:14,609 --> 00:44:11,019

think Jesus is an alien

945

00:44:16,440 --> 00:44:14,619

right yeah me too so that's kind of what

946

00:44:20,789 --> 00:44:16,450

they make it sound like here that this

947

00:44:24,120 --> 00:44:20,799

the spirit incarnated on the planet to

948

00:44:24,900 --> 00:44:24,130

be like some sort of guide yeah dude

949

00:44:29,130 --> 00:44:24,910

that's sick

950

00:44:31,229 --> 00:44:29,140

so speaking of like incarnated can we

951  
00:44:34,710 --> 00:44:31,239  
skip ahead and talk about one of the

952  
00:44:37,289 --> 00:44:34,720  
guests that's gonna be a UFO con yeah we

953  
00:44:38,640 --> 00:44:37,299  
can talk about the the incarnation just

954  
00:44:40,410 --> 00:44:38,650  
a little bit yeah what you know about

955  
00:44:42,059 --> 00:44:40,420  
the early we want to finish the Facebook

956  
00:44:45,989 --> 00:44:42,069  
stuffer yeah there's we're almost done

957  
00:44:49,799 --> 00:44:45,999  
with it we're almost done let's see what

958  
00:44:51,989 --> 00:44:49,809  
else is next masturbation can apparently

959  
00:44:56,640 --> 00:44:51,999  
open a portal to Hell according to

960  
00:44:57,150 --> 00:44:56,650  
Christian author I rest my case I rest

961  
00:45:05,549 --> 00:44:57,160  
my case

962  
00:45:07,289 --> 00:45:05,559  
right yep met a new friend at the

963  
00:45:11,009 --> 00:45:07,299

haunted maxdale bridge

964

00:45:13,759 --> 00:45:11,019

I named him max hey max is that because

965

00:45:20,430 --> 00:45:13,769

the name of the bridge is max Dale ah

966

00:45:23,940 --> 00:45:20,440

you clever dog you have your sly let's

967

00:45:27,769 --> 00:45:23,950

see oh the Texas Monthly thing yeah his

968

00:45:32,910 --> 00:45:31,140

yeah so so guys this is just a couple

969

00:45:38,130 --> 00:45:32,920

cool little incidents that have happened

970

00:45:39,239 --> 00:45:38,140

here in Texas and apparently I didn't

971

00:45:42,660 --> 00:45:39,249

know this either until I read the

972

00:45:44,759 --> 00:45:42,670

article but we actually lay claim to the

973

00:45:50,190 --> 00:45:44,769

first mention of flying saucer dude

974

00:45:51,839 --> 00:45:50,200

right way before the panel yeah right so

975

00:45:56,489 --> 00:45:51,849

yeah what kind of read through this a

976  
00:46:00,329 --> 00:45:56,499  
little bit 1878 and we were talking

977  
00:46:00,849 --> 00:46:00,339  
about this earlier on how 1878 is before

978  
00:46:05,259 --> 00:46:00,859  
the air

979  
00:46:06,849 --> 00:46:05,269  
right 19:03 yeah right which is like if

980  
00:46:10,450 --> 00:46:06,859  
you see something in the sky that's not

981  
00:46:14,589 --> 00:46:10,460  
a bird that what the hell is locked

982  
00:46:16,690 --> 00:46:14,599  
right yeah so thanks to a long-forgotten

983  
00:46:19,749 --> 00:46:16,700  
nineteenth-century farmer named John

984  
00:46:22,180 --> 00:46:19,759  
Martin and under denta fide flying

985  
00:46:24,940 --> 00:46:22,190  
objects were first described as saucers

986  
00:46:27,430 --> 00:46:24,950  
here in Texas according to this article

987  
00:46:30,479 --> 00:46:27,440  
a strange phenomenon that appeared in

988  
00:46:33,640 --> 00:46:30,489

the Dennison Daily News On January 25th

989

00:46:37,180 --> 00:46:33,650

1878 Martin was hunting when he saw a

990

00:46:40,859 --> 00:46:37,190

dark object high in the North sky dude

991

00:46:44,710 --> 00:46:40,869

that's crazy man so like he imagined its

992

00:46:47,799 --> 00:46:44,720

1878 and you're out hunting right big

993

00:46:51,630 --> 00:46:47,809

dark object and this giant dark thing

994

00:46:54,910 --> 00:46:51,640

flies over here right like what the hell

995

00:46:57,279 --> 00:46:54,920

what could that be the news account

996

00:46:59,470 --> 00:46:57,289

states the peculiar shape and the

997

00:47:02,979 --> 00:46:59,480

velocity with which the object seemed to

998

00:47:04,569 --> 00:47:02,989

approach riveted his attention and he

999

00:47:06,849 --> 00:47:04,579

strained his eyes to discover its

1000

00:47:08,499 --> 00:47:06,859

character which means that like he's

1001  
00:47:11,470 --> 00:47:08,509  
he's looking at this thing and he's

1002  
00:47:13,509 --> 00:47:11,480  
straining in his eyes because that's not

1003  
00:47:15,009 --> 00:47:13,519  
anything I've ever seen like we've

1004  
00:47:17,069 --> 00:47:15,019  
talked about how like if you were to see

1005  
00:47:19,960 --> 00:47:17,079  
something that you've never saw yeah

1006  
00:47:21,700 --> 00:47:19,970  
how would your brain in your eyes cope

1007  
00:47:23,349 --> 00:47:21,710  
with what it is that you're looking at

1008  
00:47:24,700 --> 00:47:23,359  
if you've never seen a fish before and

1009  
00:47:28,690 --> 00:47:24,710  
you saw a fish for the first time you

1010  
00:47:30,489 --> 00:47:28,700  
like what what is that it's like it

1011  
00:47:31,720 --> 00:47:30,499  
looks like a loaf of bread but it's like

1012  
00:47:35,200 --> 00:47:31,730  
moving side to side

1013  
00:47:37,239 --> 00:47:35,210

you know it's yeah like so he says it

1014

00:47:37,809 --> 00:47:37,249

looks like an orange like the size of an

1015

00:47:39,819 --> 00:47:37,819

orange

1016

00:47:41,920 --> 00:47:39,829

yeah which continued to grow larger

1017

00:47:45,849 --> 00:47:41,930

which I mean that's what objects do when

1018

00:47:48,999 --> 00:47:45,859

they get closer to you but yeah so it's

1019

00:47:52,210 --> 00:47:49,009

it's a ball a dark ball on this guy

1020

00:47:54,759 --> 00:47:52,220

uh-huh that's that's pretty strange yep

1021

00:47:57,910 --> 00:47:54,769

he says he's looking at it for some time

1022

00:48:00,910 --> 00:47:57,920

and he kind of backs away and clears his

1023

00:48:02,650 --> 00:48:00,920

eyes and on resuming his view the object

1024

00:48:04,749 --> 00:48:02,660

was almost overhead and had increased

1025

00:48:07,650 --> 00:48:04,759

considerably in size and appeared to be

1026  
00:48:10,989 --> 00:48:07,660  
going through space at a wonderful speed

1027  
00:48:12,640 --> 00:48:10,999  
so it was like it was haulin ass yeah

1028  
00:48:14,740 --> 00:48:12,650  
when directly over him it was about the

1029  
00:48:17,740 --> 00:48:14,750  
size of a large saucer

1030  
00:48:20,260 --> 00:48:17,750  
was evidently a great height huh at

1031  
00:48:25,830 --> 00:48:20,270  
great height so it was way up there but

1032  
00:48:29,620 --> 00:48:25,840  
it was still huge damn so man it's yeah

1033  
00:48:31,620 --> 00:48:29,630  
say just you've never seen anything in

1034  
00:48:35,170 --> 00:48:31,630  
this guy other than birds and then this

1035  
00:48:40,150 --> 00:48:35,180  
weird dark ball zooms over your head I

1036  
00:48:42,490 --> 00:48:40,160  
mean that and this is in 1878 dude yeah

1037  
00:48:44,020 --> 00:48:42,500  
which is like this probably happened a

1038  
00:48:45,970 --> 00:48:44,030

lot more just people just didn't write

1039

00:48:47,890 --> 00:48:45,980

about this stuff or maybe they did write

1040

00:48:49,300 --> 00:48:47,900

it in a journal but then you know they

1041

00:48:51,430 --> 00:48:49,310

got married with it or something

1042

00:48:54,700 --> 00:48:51,440

yeah probably it's great that this was

1043

00:48:56,260 --> 00:48:54,710

like saved and was you know now being

1044

00:48:58,090 --> 00:48:56,270

published in Texas Monthly well yeah

1045

00:48:58,360 --> 00:48:58,100

totally big deal but that's [h\_\_h] cool

1046

00:49:01,480 --> 00:48:58,370

man

1047

00:49:02,830 --> 00:49:01,490

yeah so in the term flying saucer I

1048

00:49:04,390 --> 00:49:02,840

wonder why he called still called it a

1049

00:49:06,430 --> 00:49:04,400

flying saucer though well it probably

1050

00:49:08,710 --> 00:49:06,440

looked like a saucer I mean they had

1051

00:49:11,050 --> 00:49:08,720

surround they had tea cups with saucers

1052

00:49:13,660 --> 00:49:11,060

that they put yeah you know they had

1053

00:49:15,280 --> 00:49:13,670

glass then you know they had saucers so

1054

00:49:18,100 --> 00:49:15,290

maybe it looked like a saucer but it was

1055

00:49:19,540 --> 00:49:18,110

the size of okay so just said size of an

1056

00:49:21,730 --> 00:49:19,550

orange now that it looked like an arm

1057

00:49:23,980 --> 00:49:21,740

yeah from far away you know if you have

1058

00:49:29,160 --> 00:49:23,990

a saucer from far away yeah can you back

1059

00:49:32,770 --> 00:49:29,170

it up it may have been flying Oh like

1060

00:49:35,320 --> 00:49:32,780

belly up yeah and then that's right

1061

00:49:36,940 --> 00:49:35,330

because the focusers that Lazar always

1062

00:49:38,500 --> 00:49:36,950

talks about is that the focusing

1063

00:49:40,330 --> 00:49:38,510

elements that are on the bottom of the

1064

00:49:41,950 --> 00:49:40,340

ship yeah and even then in that tilt

1065

00:49:44,710 --> 00:49:41,960

video where it goes up like this they

1066

00:49:46,600 --> 00:49:44,720

actually fly this way yeah maybe that's

1067

00:49:47,770 --> 00:49:46,610

why it was round it could be it could be

1068

00:49:49,750 --> 00:49:47,780

and you were looking at it from the

1069

00:49:54,610 --> 00:49:49,760

bottom yeah yeah dude

1070

00:49:58,270 --> 00:49:54,620

um so although Martin clearly saw a

1071

00:50:01,720 --> 00:49:58,280

saucer Idaho pilot Kenneth Arnold is

1072

00:50:04,210 --> 00:50:01,730

widely and incorrectly credited as the

1073

00:50:07,540 --> 00:50:04,220

first person to describe a notify it

1074

00:50:12,820 --> 00:50:07,550

unidentified flying you moved it oh

1075

00:50:15,310 --> 00:50:12,830

sorry God unidentified flying object as

1076

00:50:19,390 --> 00:50:15,320

such Arnold uh shirred in the postwar

1077

00:50:22,300 --> 00:50:19,400

wave of UFO hysteria in 1947 when he

1078

00:50:24,190 --> 00:50:22,310

told a local reporter and in turn The

1079

00:50:26,740 --> 00:50:24,200

Associated Press that he had seen an

1080

00:50:28,000 --> 00:50:26,750

object in the sky over Washington

1081

00:50:30,610 --> 00:50:28,010

Cascade Mountains that

1082

00:50:33,550 --> 00:50:30,620

flew like a saucer would if you would

1083

00:50:35,740 --> 00:50:33,560

skip it over the water right so Arnold's

1084

00:50:38,410 --> 00:50:35,750

account coined the term flying saucer

1085

00:50:41,080 --> 00:50:38,420

right although that honor rightly

1086

00:50:46,200 --> 00:50:41,090

belongs to Texan John Martin who had

1087

00:50:47,800 --> 00:50:46,210

spotted 169 years or 69 hell yeah 69

1088

00:50:51,940 --> 00:50:47,810

yeah dude

1089

00:50:56,140 --> 00:50:51,950

so congratulations John Martin yeah you

1090

00:50:59,020 --> 00:50:56,150

and and in US and congratulations to me

1091

00:51:04,060 --> 00:50:59,030

a couple thousand other people we all

1092

00:51:12,210 --> 00:51:04,070

know the true story now you know the

1093

00:51:17,170 --> 00:51:15,520

eighteen eighty-three Marfa Texas who

1094

00:51:19,720 --> 00:51:17,180

take this one dude yeah according to

1095

00:51:21,340 --> 00:51:19,730

Apache legend the ghostly flashes of

1096

00:51:23,920 --> 00:51:21,350

light that appear in the night sky of

1097

00:51:27,220 --> 00:51:23,930

West Texas are the incarnation of the

1098

00:51:29,680 --> 00:51:27,230

wandering spirit of Apache chief last

1099

00:51:32,560 --> 00:51:29,690

day who has haunted that

1100

00:51:36,160 --> 00:51:32,570

gennadi Mountains since his execution in

1101  
00:51:39,370 --> 00:51:36,170  
the hands of Mexican reales and eight

1102  
00:51:41,230 --> 00:51:39,380  
and 1860s white settlers first noticed

1103  
00:51:44,080 --> 00:51:41,240  
these lights now known as the Marfa

1104  
00:51:46,900 --> 00:51:44,090  
mystery lights in 1883 when rancher

1105  
00:51:49,540 --> 00:51:46,910  
Robert Ellison was driving as his cattle

1106  
00:51:51,580 --> 00:51:49,550  
a few miles east of Marfa he and his

1107  
00:51:54,550 --> 00:51:51,590  
companions spotted flickering lights

1108  
00:51:56,320 --> 00:51:54,560  
along the horizon and feared that they

1109  
00:51:57,820 --> 00:51:56,330  
were Apache campfires but when they

1110  
00:52:00,940 --> 00:51:57,830  
searched the area the next day they

1111  
00:52:03,940 --> 00:52:00,950  
found no traces of encampments in dude

1112  
00:52:06,400 --> 00:52:03,950  
that's so true to what it looked like it

1113  
00:52:08,650 --> 00:52:06,410

did look like somebody was holding up

1114

00:52:09,040 --> 00:52:08,660

like a torch it was just kind of dancing

1115

00:52:11,170 --> 00:52:09,050

with it

1116

00:52:13,240 --> 00:52:11,180

right that's what it looked like so by

1117

00:52:18,610 --> 00:52:13,250

this account though can we go on ahead

1118

00:52:22,390 --> 00:52:18,620

and and get rid of the the cars driving

1119

00:52:25,600 --> 00:52:22,400

on a road dude yes this is 1883 1880

1120

00:52:27,310 --> 00:52:25,610

like I mean they may have had some stuff

1121

00:52:28,870 --> 00:52:27,320

but I'm sure that they didn't have like

1122

00:52:30,850 --> 00:52:28,880

a highway running through the mountains

1123

00:52:33,130 --> 00:52:30,860

like there is today so we can write

1124

00:52:35,560 --> 00:52:33,140

total e now that's proof like we can

1125

00:52:37,960 --> 00:52:35,570

totally discredit the the car theory

1126

00:52:40,930 --> 00:52:37,970

yeah four cars driving through or the

1127

00:52:45,760 --> 00:52:40,940

plane theory or yeah right there that's

1128

00:52:51,160 --> 00:52:45,770

right there yep 1883 dude that's a long

1129

00:52:54,610 --> 00:52:51,170

time ago here's a long time ago yeah

1130

00:52:56,350 --> 00:52:54,620

yeah it says it says others have argued

1131

00:53:00,390 --> 00:52:56,360

that the lights are nothing more than

1132

00:53:03,730 --> 00:53:00,400

ball lightning reflections Mill roses

1133

00:53:06,280 --> 00:53:03,740

swamp gas or static electricity but

1134

00:53:08,560 --> 00:53:06,290

scientists have not been able to prove

1135

00:53:11,040 --> 00:53:08,570

that any of those phenomena happen in

1136

00:53:16,660 --> 00:53:11,050

West Texas terrain with such regularity

1137

00:53:19,060 --> 00:53:16,670

huh yeah well it's every night yeah it

1138

00:53:22,960 --> 00:53:19,070

could be though and this makes more

1139

00:53:25,740 --> 00:53:22,970

sense right it could be a last day

1140

00:53:28,150 --> 00:53:25,750

spirit the reflections of Spanish gold

1141

00:53:30,640 --> 00:53:28,160

Spanish gold the hidden treasures of

1142

00:53:34,530 --> 00:53:30,650

Pancho Villa Pancho and the pinch a

1143

00:53:38,050 --> 00:53:34,540

bruja zwei ping J which means witches

1144

00:53:41,200 --> 00:53:38,060

yeah and it says that this the brewhouse

1145

00:53:41,920 --> 00:53:41,210

learning the learning to fly Oh which is

1146

00:53:46,570 --> 00:53:41,930

learning to fly

1147

00:53:50,380 --> 00:53:46,580

that's clover the mountain and most

1148

00:53:53,530 --> 00:53:50,390

recently UFOs so it's a that's that's

1149

00:53:57,580 --> 00:53:53,540

the newest explanation or theory as to

1150

00:53:59,380 --> 00:53:57,590

what the Marfa lights are right so that

1151  
00:54:02,080 --> 00:53:59,390  
that's really cool that that you know

1152  
00:54:04,420 --> 00:54:02,090  
it's like okay so it's it's not just

1153  
00:54:05,800 --> 00:54:04,430  
cars driving yeah you know this is

1154  
00:54:07,030 --> 00:54:05,810  
awesome yeah this is the first time I'm

1155  
00:54:15,250 --> 00:54:07,040  
reading this this is cool

1156  
00:54:19,960 --> 00:54:15,260  
Aurora tech 1890s 1897 row 1897 Aurora

1157  
00:54:21,880 --> 00:54:19,970  
Texas on April 17 1897 six years before

1158  
00:54:23,440 --> 00:54:21,890  
a there you go six years before the

1159  
00:54:26,530 --> 00:54:23,450  
plane was first flown by the Wright

1160  
00:54:28,780 --> 00:54:26,540  
brothers an airship visited Aurora Texas

1161  
00:54:31,000 --> 00:54:28,790  
yeah after having been spotted

1162  
00:54:33,970 --> 00:54:31,010  
sporadically in the Midwest the

1163  
00:54:37,000 --> 00:54:33,980

illuminated cigar craft was next seen in

1164

00:54:39,670 --> 00:54:37,010

North Texas first Denton and then in

1165

00:54:42,460 --> 00:54:39,680

Weatherford Corsicana and then

1166

00:54:44,110 --> 00:54:42,470

Stephenville hell yeah so there's a lot

1167

00:54:45,910 --> 00:54:44,120

of stuff going on in steam all right

1168

00:54:47,410 --> 00:54:45,920

yeah the editor of the Stephenville

1169

00:54:49,840 --> 00:54:47,420

newspaper claimed that the airship

1170

00:54:51,550 --> 00:54:49,850

hovered so close to the town and he was

1171

00:54:53,350 --> 00:54:51,560

able to yell out a request for an

1172

00:54:54,610 --> 00:54:53,360

interview which the extra-terrestrial

1173

00:54:58,010 --> 00:54:54,620

pilot

1174

00:55:01,070 --> 00:54:58,020

haha moving on to Aurora the airship

1175

00:55:03,230 --> 00:55:01,080

reportedly circled the town crashed into

1176  
00:55:07,490 --> 00:55:03,240  
a windmill and exploded leaving behind

1177  
00:55:13,970 --> 00:55:07,500  
the pilots charred body Wow

1178  
00:55:19,070 --> 00:55:13,980  
yeah dude he was a toast you know

1179  
00:55:21,160 --> 00:55:19,080  
written by indecipherable and a note was

1180  
00:55:23,420 --> 00:55:21,170  
also found in the craft in

1181  
00:55:25,280 --> 00:55:23,430  
indcipherable hieroglyphics well

1182  
00:55:27,380 --> 00:55:25,290  
according to the article published in

1183  
00:55:30,470 --> 00:55:27,390  
the Dallas Morning News two days later

1184  
00:55:35,690 --> 00:55:30,480  
the pilot was thought to be a native of

1185  
00:55:38,210 --> 00:55:35,700  
the planet Mars just somebody saying I

1186  
00:55:40,760 --> 00:55:38,220  
don't know [h\_\_\h] it just said that

1187  
00:55:43,940 --> 00:55:40,770  
because if he was a charred pilot I mean

1188  
00:55:45,620 --> 00:55:43,950

what'd they do ask him it said it said

1189

00:55:47,090 --> 00:55:45,630

right in the paragraph above that the

1190

00:55:53,660 --> 00:55:47,100

the extraterrestrial denied his

1191

00:55:57,680 --> 00:55:53,670

interview so there's no way they knew

1192

00:56:00,130 --> 00:55:57,690

he's from Mars yeah you know they didn't

1193

00:56:06,350 --> 00:56:00,140

know about all the other stuff too so

1194

00:56:12,200 --> 00:56:08,150

let's see rumors about the airship

1195

00:56:15,380 --> 00:56:12,210

persisted and in 1973 a team of UFO

1196

00:56:23,200 --> 00:56:15,390

buffs and television crews descended on

1197

00:56:29,300 --> 00:56:25,820

substantiate the story some Aurora

1198

00:56:31,310 --> 00:56:29,310

elders claimed that they remember the

1199

00:56:35,180 --> 00:56:31,320

close encounter while most of the town's

1200

00:56:38,120 --> 00:56:35,190

300 residents emphatically insisted that

1201

00:56:41,210 --> 00:56:38,130

it was an old hoax designed to revive

1202

00:56:43,370 --> 00:56:41,220

Aurora's declining fortunes the incident

1203

00:56:45,920 --> 00:56:43,380

may always remain a mystery however

1204

00:56:49,430 --> 00:56:45,930

since the district court blocked an

1205

00:56:51,370 --> 00:56:49,440

effort to exhume and Aurora grave that

1206

00:56:53,960 --> 00:56:51,380

some believe held the pilots body

1207

00:56:56,870 --> 00:56:53,970

according to the local legend the grave

1208

00:56:59,450 --> 00:56:56,880

was marked only by a headstone bearing a

1209

00:57:02,690 --> 00:56:59,460

cryptic signal several small circles

1210

00:57:04,610 --> 00:57:02,700

drawn inside the Greek letter Delta the

1211

00:57:07,420 --> 00:57:04,620

stone has since disappeared somebody

1212

00:57:10,440 --> 00:57:07,430

stole the damn stone

1213

00:57:13,120 --> 00:57:10,450

I wonder if they stole the body too I

1214

00:57:15,160 --> 00:57:13,130

don't know you know I don't know cuz

1215

00:57:16,990 --> 00:57:15,170

when we met tui she was telling us about

1216

00:57:24,250 --> 00:57:17,000

this that's why we need to we on the

1217

00:57:25,870 --> 00:57:24,260

show and you too - we gmail is back so

1218

00:57:29,680 --> 00:57:25,880

you can tell us about these badass

1219

00:57:32,580 --> 00:57:29,690

cinema Tara sedimentary don't know but

1220

00:57:39,340 --> 00:57:32,590

the cinema teri they live down away

1221

00:57:40,860 --> 00:57:39,350

place the bangle I love how this is on

1222

00:57:46,990 --> 00:57:40,870

your computer but every time I want to

1223

00:57:50,020 --> 00:57:47,000

always go to my mouse like there's a lot

1224

00:57:53,160 --> 00:57:50,030

of them like two more oh okay

1225

00:57:55,900 --> 00:57:53,170

Oh Lorraine Oh Lubbock and then and then

1226

00:57:59,830 --> 00:57:55,910

Loveland Loveland and then Seguin is

1227

00:58:01,420 --> 00:57:59,840

eggwin there's a egg ones eggwin let's

1228

00:58:03,910 --> 00:58:01,430

see I thought it was yeah that was bring

1229

00:58:06,100 --> 00:58:03,920

out Seguin it that okay doe this Edwin

1230

00:58:08,410 --> 00:58:06,110

[h\_\_\h] I did that's one of the most famous

1231

00:58:11,650 --> 00:58:08,420

ones uh which one down there go down

1232

00:58:15,190 --> 00:58:11,660

Seguin or Dayton this date and one yeah

1233

00:58:16,810 --> 00:58:15,200

was that about the the cash Landrum case

1234

00:58:20,590 --> 00:58:16,820

I've never heard it I don't think I've

1235

00:58:26,250 --> 00:58:20,600

heard of this one so Betty and her

1236

00:58:30,280 --> 00:58:26,260

friend Vicki looking hot day look in the

1237

00:58:37,690 --> 00:58:30,290

smoker she who's down the highway yeah

1238

00:58:40,300 --> 00:58:37,700

right right right

1239

00:58:42,430 --> 00:58:40,310

so anyways they see this crazy diamond

1240

00:58:43,750 --> 00:58:42,440

shaped craft they see it it's hovering

1241

00:58:45,520 --> 00:58:43,760

in the middle of the road it looks like

1242

00:58:47,380 --> 00:58:45,530

it's spitting fire out of the bottom of

1243

00:58:51,730 --> 00:58:47,390

it high and they drive up close to it

1244

00:58:54,130 --> 00:58:51,740

right so being highly religious you know

1245

00:58:56,290 --> 00:58:54,140

her her friend Vicki gets out of the car

1246

00:58:59,290 --> 00:58:56,300

and she well she tells her son she's

1247

00:59:01,360 --> 00:58:59,300

like it's Jesus its jay-z and ain't

1248

00:59:04,570 --> 00:59:01,370

gonna hurt us is Jason hey don't don't

1249

00:59:07,930 --> 00:59:04,580

fear its it's our lower incisors on Lord

1250

00:59:10,900 --> 00:59:07,940

right so get out of the car right and

1251

00:59:13,000 --> 00:59:10,910

it's so hot that it heats the metal up

1252

00:59:15,820 --> 00:59:13,010

on their car and they end up like having

1253

00:59:18,070 --> 00:59:15,830

like burns from like touching in the car

1254

00:59:19,480 --> 00:59:18,080

like apparently when they got back in on

1255

00:59:20,000 --> 00:59:19,490

the passion Jerse ice you put her hand

1256

00:59:22,130 --> 00:59:20,010

up on

1257

00:59:23,960 --> 00:59:22,140

on the queer the dope what's that thing

1258

00:59:27,520 --> 00:59:23,970

called the door-handle

1259

00:59:30,740 --> 00:59:27,530

No on the inside of your car the the

1260

00:59:32,420 --> 00:59:30,750

glove box it's a love box put her hand

1261

00:59:36,140 --> 00:59:32,430

on it and it was so hot that her hand

1262

00:59:37,910 --> 00:59:36,150

made an imprint in the elastic holy [h\_\_h]

1263

00:59:42,260 --> 00:59:37,920

yeah was it metal or something I guess

1264

00:59:44,480 --> 00:59:42,270

it was back in also 1980 cash she her

1265

00:59:47,750 --> 00:59:44,490

her wedding ring like melted to her

1266

00:59:50,150 --> 00:59:47,760

finger Wow yeah so they were in the car

1267

00:59:52,220 --> 00:59:50,160

when the craft flew over with the fire

1268

00:59:53,599 --> 00:59:52,230

spitting out what he didn't fly over it

1269

00:59:54,770 --> 00:59:53,609

was hovering in the middle of street and

1270

00:59:57,230 --> 00:59:54,780

they drove up on it and they were like

1271

00:59:58,940 --> 00:59:57,240

what the hell is that oh so they so they

1272

01:00:00,410 --> 00:59:58,950

got pretty close to it yeah but they

1273

01:00:02,870 --> 01:00:00,420

weren't underneath they were underneath

1274

01:00:05,990 --> 01:00:02,880

of it but he was so like massive and hot

1275

01:00:06,859 --> 01:00:06,000

that they you know to hell yeah dude

1276

01:00:08,390 --> 01:00:06,869

that's crazy

1277

01:00:10,730 --> 01:00:08,400

yeah dude and this happened in Dayton

1278

01:00:14,060 --> 01:00:10,740

Texas yep Dayton Texas [\h\_\_\h] bro that's

1279

01:00:15,710 --> 01:00:14,070

sick and then she ended up this is say

1280

01:00:17,420 --> 01:00:15,720

down here because they ended up getting

1281

01:00:26,960 --> 01:00:17,430

cancer oh [\h\_\_\h]

1282

01:00:31,609 --> 01:00:29,840

oh yeah yeah all three passengers

1283

01:00:34,190 --> 01:00:31,619

manifested different symptoms of what

1284

01:00:38,300 --> 01:00:34,200

appeared to be radiation sickness such

1285

01:00:41,720 --> 01:00:38,310

as burns blisters nausea rashes severe

1286

01:00:44,240 --> 01:00:41,730

headaches sore eyes and hair fingernail

1287

01:00:49,580 --> 01:00:44,250

hair and fingernail loss boners yeah

1288

01:00:51,260 --> 01:00:49,590

boners uncontrollable boners I'm sorry

1289

01:00:53,270 --> 01:00:51,270

cash was later diagnosed with breast

1290

01:00:57,859 --> 01:00:53,280

cancer and Landrum developed severe

1291

01:01:00,890 --> 01:00:57,869

cataracts [h\_\_h] yeah well something

1292

01:01:04,460 --> 01:01:00,900

happened so then they see these these

1293

01:01:06,320 --> 01:01:04,470

military helicopters that fly over this

1294

01:01:08,060 --> 01:01:06,330

object and they're looking at the object

1295

01:01:11,240 --> 01:01:08,070

and they hover around and then the

1296

01:01:14,000 --> 01:01:11,250

object takes off okay and so they go and

1297

01:01:16,670 --> 01:01:14,010

the helicopters are following it well

1298

01:01:19,190 --> 01:01:16,680

they follow this this craft that like

1299

01:01:22,190 --> 01:01:19,200

zooms off and so they end up like

1300

01:01:24,770 --> 01:01:22,200

following the helicopters and when the

1301

01:01:27,020 --> 01:01:24,780

helicopters land there's a bunch of

1302

01:01:28,490 --> 01:01:27,030

people outside already and so she gets

1303

01:01:30,890 --> 01:01:28,500

out to go and talk to one of the

1304

01:01:32,480 --> 01:01:30,900

helicopter pilots and when she says that

1305

01:01:33,800 --> 01:01:32,490

yeah we were the car down there that

1306

01:01:35,570 --> 01:01:33,810

witnessed this the

1307

01:01:36,890 --> 01:01:35,580

the helicopter pilot like rushed them

1308

01:01:39,770 --> 01:01:36,900

out of the helicopter he was like I

1309

01:01:41,660 --> 01:01:39,780

can't talk to you guys well I like made

1310

01:01:43,970 --> 01:01:41,670

him get out of the helicopter yeah so

1311

01:01:45,830 --> 01:01:43,980

they ended up like filing a lawsuit and

1312

01:01:48,560 --> 01:01:45,840

it went all the way through like federal

1313

01:01:51,680 --> 01:01:48,570

court and they were trying to sue for

1314

01:01:54,140 --> 01:01:51,690

like the damages and stuff but NASA and

1315

01:01:56,150 --> 01:01:54,150

the Air Force and the government said we

1316

01:01:58,250 --> 01:01:56,160

don't own a craft that looks like that

1317

01:02:00,230 --> 01:01:58,260

so there's no reason that we should have

1318

01:02:02,120 --> 01:02:00,240

to pay out money to you for your

1319

01:02:07,340 --> 01:02:02,130

injuries because it's not ours

1320

01:02:09,200 --> 01:02:07,350

yeah whoa dude yeah what twenty million

1321

01:02:10,820 --> 01:02:09,210

dollars in there and damages is that

1322

01:02:12,320 --> 01:02:10,830

what it said yeah who filed a suit

1323

01:02:17,090 --> 01:02:12,330

against the government for 20 million in

1324

01:02:19,880 --> 01:02:17,100

damages geez dude so happened in 1980 so

1325

01:02:22,310 --> 01:02:19,890

in 1986 they came out and said we don't

1326

01:02:24,200 --> 01:02:22,320

have crafts like that so we shouldn't

1327

01:02:25,400 --> 01:02:24,210

have to pay you exactly which I mean if

1328

01:02:29,690 --> 01:02:25,410

it's like a top-secret government

1329

01:02:31,520 --> 01:02:29,700

project I mean not like they need the

1330

01:02:33,440 --> 01:02:31,530

fun that twenty million dollars they

1331

01:02:35,150 --> 01:02:33,450

probably weigh more than that but if

1332

01:02:37,580 --> 01:02:35,160

it's a secret then why would they ever

1333

01:02:41,030 --> 01:02:37,590

even yeah st. in the lawsuit even yeah

1334

01:02:43,340 --> 01:02:41,040

you know on the record I don't know yeah

1335

01:02:45,290 --> 01:02:43,350

at one point at one side it's like oh

1336

01:02:46,820 --> 01:02:45,300

well then [h\_\_h] it's not ours it's aliens

1337

01:02:48,470 --> 01:02:46,830

now cool I'll get excited but then on

1338

01:02:49,730 --> 01:02:48,480

the other side of that it's like well

1339

01:02:52,250 --> 01:02:49,740

why the [h\_\_h] would they would they ever

1340

01:02:54,260 --> 01:02:52,260

even if I did own it yeah as the

1341

01:02:57,200 --> 01:02:54,270

government why would I tell you yeah you

1342

01:02:59,210 --> 01:02:57,210

know exactly yep the lubbock case which

1343

01:03:01,280 --> 01:02:59,220

is one that has a lot of sightings

1344

01:03:03,980 --> 01:03:01,290

there's I mean there's just so many

1345

01:03:05,960 --> 01:03:03,990

witnesses eyewitnesses to it that it was

1346

01:03:07,430 --> 01:03:05,970

you know that it was a big one where

1347

01:03:09,980 --> 01:03:07,440

they kept seeing in the blue lights in

1348

01:03:11,630 --> 01:03:09,990

the sky and it was like a v-shape but

1349

01:03:13,430 --> 01:03:11,640

people were reporting this all the way

1350

01:03:16,070 --> 01:03:13,440

from New Mexico all the way into Texas

1351

01:03:17,990 --> 01:03:16,080

owed a whole time and it stayed there

1352

01:03:24,230 --> 01:03:18,000

for like week I believe wings shaped

1353

01:03:27,950 --> 01:03:24,240

yeah whoa cool yep okay I think by the

1354

01:03:30,880 --> 01:03:27,960

way I think I'm the whoa cool guy that

1355

01:03:35,180 --> 01:03:30,890

that whatever her name is [h\_\_h]

1356

01:03:38,990 --> 01:03:35,190

annoying uh Rita Rita Repulsa sorry Rita

1357

01:03:42,020 --> 01:03:39,000

from Power Rangers was it Rita like the

1358

01:03:45,190 --> 01:03:42,030

UH the the bad the bad girl with the

1359

01:03:47,140 --> 01:03:45,200

towards she had the cones on her head

1360

01:03:51,460 --> 01:03:47,150

what was her name

1361

01:03:56,140 --> 01:03:51,470

Rita Rita Repulsa it's like the worst

1362

01:04:00,840 --> 01:03:56,150

villain name ever and this is [h\_\_h]

1363

01:04:03,100 --> 01:04:00,850

Rita yeah dude

1364

01:04:05,830 --> 01:04:03,110

yeah so I mean if you guys want to check

1365

01:04:08,590 --> 01:04:05,840

this out it's also on our Facebook on

1366

01:04:10,090 --> 01:04:08,600

the UFO garage podcast group so go check

1367

01:04:11,770 --> 01:04:10,100

it out read through it so really cool

1368

01:04:13,300 --> 01:04:11,780

interesting stories for sure yeah it's

1369

01:04:16,780 --> 01:04:13,310

to help you yeah dude definitely that

1370

01:04:17,890 --> 01:04:16,790

definitely so I want after so no we're

1371

01:04:20,260 --> 01:04:17,900

done with Facebook I wanted to talk

1372

01:04:22,360 --> 01:04:20,270

about the some of the speakers that are

1373

01:04:24,850 --> 01:04:22,370

gonna be at UFO con Joe you were telling

1374

01:04:26,590 --> 01:04:24,860

me about some of the the people that and

1375

01:04:28,180 --> 01:04:26,600

I I haven't looked into these people so

1376

01:04:29,590 --> 01:04:28,190

I'd love for you to kind of go and like

1377

01:04:31,240 --> 01:04:29,600

tell me tell you know on the podcast

1378

01:04:34,360 --> 01:04:31,250

what you what you found out about some

1379

01:04:36,760 --> 01:04:34,370

of these speakers UFO con 2020 you'll be

1380

01:04:38,530 --> 01:04:36,770

speaking will not speak in we're gonna

1381

01:04:41,410 --> 01:04:38,540

do a lot of talking but we're not like

1382

01:04:43,900 --> 01:04:41,420

on stage or anything but we will have a

1383

01:04:45,790 --> 01:04:43,910

nice little table and hopefully with the

1384

01:04:47,290 --> 01:04:45,800

with the help of some of you guys maybe

1385

01:04:52,060 --> 01:04:47,300

we'll have a nice little banner set up

1386

01:04:54,580 --> 01:04:52,070

right but yeah dude at the conference

1387

01:04:57,910 --> 01:04:54,590

Lorien is known for having some like

1388

01:04:59,530 --> 01:04:57,920

really awesome guests people that you

1389

01:05:01,450 --> 01:04:59,540

don't really know their names

1390

01:05:03,520 --> 01:05:01,460

a lot of these people it's one of the

1391

01:05:06,370 --> 01:05:03,530

first times that that they've even

1392

01:05:07,780 --> 01:05:06,380

spoken at a conference with some of the

1393

01:05:12,220 --> 01:05:07,790

times it's the first time they've told

1394

01:05:13,990 --> 01:05:12,230

their story and so we'll kind of go

1395

01:05:15,490 --> 01:05:14,000

through a couple of them today and maybe

1396

01:05:20,530 --> 01:05:15,500

on the next podcast we'll go through a

1397

01:05:22,630 --> 01:05:20,540

couple more we did a Chris Bledsoe write

1398

01:05:24,670 --> 01:05:22,640

in the truck episode oh yeah yeah yeah

1399

01:05:26,500 --> 01:05:24,680

Chris Bledsoe is gonna be there it'll be

1400

01:05:30,520 --> 01:05:26,510

the first time that he's spoken out at a

1401

01:05:33,100 --> 01:05:30,530

conference since since he stopped

1402

01:05:34,810 --> 01:05:33,110

talking right yeah in like 2008 right

1403

01:05:36,520 --> 01:05:34,820

yeah so that's the first time he's so to

1404

01:05:41,080 --> 01:05:36,530

be the first time and you guys know that

1405

01:05:43,930 --> 01:05:41,090

story right vivianne Chevette is gonna

1406

01:05:48,840 --> 01:05:43,940

be there chav it chubby show show show

1407

01:05:55,450 --> 01:05:48,850

VTOL VP Vivian Vivian shove it yeah

1408

01:05:58,420 --> 01:05:55,460

so who apparently Vivian is an arcturion

1409

01:06:01,660 --> 01:05:58,430

hybrid yeah right her story's pretty

1410

01:06:06,859 --> 01:06:04,849

apparently when she was a kid she was

1411

01:06:10,480 --> 01:06:06,869

really really sick and the doctors

1412

01:06:13,130 --> 01:06:10,490

basically told her mom that you know

1413

01:06:14,660 --> 01:06:13,140

she's you know spend your time with her

1414

01:06:17,779 --> 01:06:14,670

because she's not gonna make it

1415

01:06:20,859 --> 01:06:17,789

she's like a really weak small sick kid

1416

01:06:25,849 --> 01:06:20,869

and she wasn't supposed to make it

1417

01:06:30,349 --> 01:06:25,859

apparently an ascended master of the

1418

01:06:33,200 --> 01:06:30,359

Arcturians volunteered his soul to come

1419

01:06:36,670 --> 01:06:33,210

down here into I guess incarnate into

1420

01:06:42,400 --> 01:06:36,680

her body so ever since then she's been a

1421

01:06:44,990 --> 01:06:42,410

different person you know she she

1422

01:06:47,180 --> 01:06:45,000

teaches the knowledge of the Arcturians

1423

01:06:48,380 --> 01:06:47,190

basically and it's pretty crazy I mean

1424

01:06:51,620 --> 01:06:48,390

they're kind of like one of those love

1425

01:06:54,049 --> 01:06:51,630

and light beings yeah right and I'm

1426

01:06:57,529 --> 01:06:54,059

interested to hear her talk and hear

1427

01:07:00,020 --> 01:06:57,539

what else she has to say I think she has

1428

01:07:01,430 --> 01:07:00,030

a book that came out recently I think

1429

01:07:02,960 --> 01:07:01,440

she has a couple books but I know I

1430

01:07:06,920 --> 01:07:02,970

think she has one that just came out

1431

01:07:12,500 --> 01:07:06,930

recently but I mean that that story

1432

01:07:15,440 --> 01:07:12,510

alone on wait a second you're you're a

1433

01:07:17,150 --> 01:07:15,450

hybrid right it's sick I want to know

1434

01:07:19,609 --> 01:07:17,160

more and it's crazy because you know

1435

01:07:21,289 --> 01:07:19,619

there are people who talk about how when

1436

01:07:24,740 --> 01:07:21,299

you're born Souls

1437

01:07:26,990 --> 01:07:24,750

you know from whatever dimension

1438

01:07:29,390 --> 01:07:27,000

galaxies like whatever like yeah some

1439

01:07:31,609 --> 01:07:29,400

Souls choose to come to this dimension

1440

01:07:33,079 --> 01:07:31,619

and incarnate into the bodies right but

1441

01:07:36,769 --> 01:07:33,089

this is interesting because she's

1442

01:07:39,380 --> 01:07:36,779

getting ready to die and the soul chose

1443

01:07:42,470 --> 01:07:39,390

to incarnate into an already living body

1444

01:07:44,750 --> 01:07:42,480

right so what makes her a hybrid I'm

1445

01:07:48,500 --> 01:07:44,760

curious like cuz when I think of hybrid

1446

01:07:51,380 --> 01:07:48,510

hybrid I think of DNA mixed like mixed

1447

01:07:54,049 --> 01:07:51,390

DNA between human and an alien I think

1448

01:07:56,960 --> 01:07:54,059

it's mind as well mine as well yeah so

1449

01:08:02,569 --> 01:07:56,970

what if like there you can have an alien

1450

01:08:03,769 --> 01:08:02,579

head and a human ego and another alien

1451

01:08:07,390 --> 01:08:03,779

species super-ego

1452

01:08:13,400 --> 01:08:07,400

right like that like the consciousness I

1453

01:08:16,400 --> 01:08:13,410

think I think the soul of the arterian

1454

01:08:20,180 --> 01:08:16,410

would override whatever a humanistic ego

1455

01:08:21,980 --> 01:08:20,190

you would have yeah that's me how I

1456

01:08:24,470 --> 01:08:21,990

would assume that it would work right

1457

01:08:26,330 --> 01:08:24,480

yeah yeah I would think like the the

1458

01:08:29,960 --> 01:08:26,340

lizard brain would be the human part

1459

01:08:31,880 --> 01:08:29,970

right right yeah yeah and you know I

1460

01:08:34,940 --> 01:08:31,890

don't know when I say lizard brain I

1461

01:08:36,710 --> 01:08:34,950

don't mean like Draco lizard reptilian

1462

01:08:40,220 --> 01:08:36,720

that were up - yes I'm talking about

1463

01:08:42,530 --> 01:08:40,230

like the you know the the human

1464

01:08:44,660 --> 01:08:42,540

animalistic nature that primal lan's

1465

01:08:46,210 --> 01:08:44,670

primal yeah that would be the human part

1466

01:08:50,720 --> 01:08:46,220

and then like everything else would be

1467

01:08:53,930 --> 01:08:50,730

the the alien like yeah cuz I mean we

1468

01:08:56,450 --> 01:08:53,940

are pretty primal beings right but but

1469

01:08:59,780 --> 01:08:56,460

at the same time like if you have like a

1470

01:09:02,090 --> 01:08:59,790

very strong mind you know you can you

1471

01:09:05,300 --> 01:09:02,100

have the ability to be this awesome

1472

01:09:08,390 --> 01:09:05,310

being if you want to be yeah right and

1473

01:09:10,220 --> 01:09:08,400

so I don't know man I think we'll talk

1474

01:09:11,630 --> 01:09:10,230

to her whenever we get to the whenever

1475

01:09:13,130 --> 01:09:11,640

we get to the conference I think we

1476

01:09:14,750 --> 01:09:13,140

should maybe shoot out some emails maybe

1477

01:09:16,130 --> 01:09:14,760

get a couple of these people on before

1478

01:09:19,490 --> 01:09:16,140

the conference oh yeah it would be

1479

01:09:22,070 --> 01:09:19,500

pretty awesome we sit and and have them

1480

01:09:24,380 --> 01:09:22,080

on but yeah I mean this is gonna be

1481

01:09:29,050 --> 01:09:24,390

amazing guess so I'm interested to hear

1482

01:09:33,860 --> 01:09:29,060

the rest of her story she apparently

1483

01:09:36,800 --> 01:09:33,870

does like soul healing and stuff you

1484

01:09:39,890 --> 01:09:36,810

know definitely things that like when we

1485

01:09:44,000 --> 01:09:39,900

hear about it we're like I don't know

1486

01:09:48,770 --> 01:09:44,010

about that definitely [h\_\_h] you are kind

1487

01:09:50,780 --> 01:09:48,780

of like but it's kind of different

1488

01:09:52,760 --> 01:09:50,790

whenever you have somebody like looking

1489

01:09:54,080 --> 01:09:52,770

you in the eye yeah like I'm gonna keep

1490

01:09:56,750 --> 01:09:54,090

an open mind for sure it'd definitely

1491

01:09:58,910 --> 01:09:56,760

keep an open mind but you know that the

1492

01:10:01,550 --> 01:09:58,920

skepticism is is is definitely there

1493

01:10:03,830 --> 01:10:01,560

yeah for me but still very very

1494

01:10:05,150 --> 01:10:03,840

interesting yeah dude I'm very very

1495

01:10:09,080 --> 01:10:05,160

interesting I definitely want to talk to

1496

01:10:10,970 --> 01:10:09,090

her um she's not the only one and ya

1497

01:10:12,620 --> 01:10:10,980

know that I mean I'm definitely there's

1498

01:10:15,410 --> 01:10:12,630

there's other people that have claimed

1499

01:10:17,500 --> 01:10:15,420

it that are that are like communicating

1500

01:10:19,790 --> 01:10:17,510

with these beings like on different

1501

01:10:23,600 --> 01:10:19,800

different spectrums and like get

1502

01:10:26,810 --> 01:10:23,610

messages and and and talk to that these

1503

01:10:27,410 --> 01:10:26,820

alien creatures from from like serious

1504

01:10:29,660 --> 01:10:27,420

like all

1505

01:10:32,000 --> 01:10:29,670

time like they channel them and I mean

1506

01:10:33,439 --> 01:10:32,010

it's it's a cop not a common story but

1507

01:10:35,660 --> 01:10:33,449

there's she's not the only one that's

1508

01:10:38,450 --> 01:10:35,670

saying this this kind of right thing

1509

01:10:40,459 --> 01:10:38,460

right be interesting to to hear her her

1510

01:10:41,660 --> 01:10:40,469

outlook I'm curious to like know a lot

1511

01:10:43,880 --> 01:10:41,670

of these people that are like channeling

1512

01:10:46,130 --> 01:10:43,890

these aliens kind of make it all about

1513

01:10:49,100 --> 01:10:46,140

them like I'm famous and it's all about

1514

01:10:52,250 --> 01:10:49,110

me and like I'm the I'm the prophet you

1515

01:10:54,410 --> 01:10:52,260

know that acts me I don't like that me

1516

01:10:56,060 --> 01:10:54,420

either so I hope she's like it seems

1517

01:10:58,280 --> 01:10:56,070

like she's pretty humble I'm like hey

1518

01:11:02,000 --> 01:10:58,290

I'm just telling you what what what's

1519

01:11:04,990 --> 01:11:02,010

going on and when she talks she she puts

1520

01:11:08,330 --> 01:11:05,000

it in like we terms like she's saying

1521

01:11:11,330 --> 01:11:08,340

you know we have this knowledge or we

1522

01:11:14,630 --> 01:11:11,340

are here to you know tell you this

1523

01:11:17,360 --> 01:11:14,640

knowledge we're here to help heal you

1524

01:11:19,939 --> 01:11:17,370

and we're here for your soul yeah well

1525

01:11:22,189 --> 01:11:19,949

maybe not soul but like you know what

1526

01:11:25,700 --> 01:11:22,199

I'm saying like we're we are the light

1527

01:11:28,400 --> 01:11:25,710

beings she's not like I'm an octoroon

1528

01:11:31,760 --> 01:11:28,410

hybrid this is what I can do for you by

1529

01:11:33,380 --> 01:11:31,770

my book right it's all like we like it's

1530

01:11:34,640 --> 01:11:33,390

it's crazy how she talks about it

1531

01:11:36,410 --> 01:11:34,650

compared to some of the other people

1532

01:11:42,050 --> 01:11:36,420

that you here right at talk about that

1533

01:11:44,000 --> 01:11:42,060

kind of stuff yeah dude I I just don't

1534

01:11:46,550 --> 01:11:44,010

like it funny maybe it's not funny but I

1535

01:11:48,169 --> 01:11:46,560

think what if there's like this dude

1536

01:11:51,290 --> 01:11:48,179

that's got kind of going on tour and

1537

01:11:54,050 --> 01:11:51,300

he's he's saying like or chick it's like

1538

01:11:56,180 --> 01:11:54,060

hey yeah I'm an alien hybrid and you're

1539

01:11:58,610 --> 01:11:56,190

like okay well are you like do you have

1540

01:12:02,890 --> 01:11:58,620

like a story no I just I'm just a alien

1541

01:12:06,169 --> 01:12:02,900

hybrid I just know I breathe that's it

1542

01:12:10,060 --> 01:12:06,179

so what's your life like Oh [h\_\_h] pay

1543

01:12:13,370 --> 01:12:10,070

bills you know ham sandwich is a lot I

1544

01:12:14,500 --> 01:12:13,380

let's see I have where dreams not really

1545

01:12:17,510 --> 01:12:14,510

yeah

1546

01:12:19,010 --> 01:12:17,520

Kevin days gonna be at the at the

1547

01:12:21,800 --> 01:12:19,020

conference which is going to be pretty

1548

01:12:23,540 --> 01:12:21,810

cool this will be this the second

1549

01:12:26,930 --> 01:12:23,550

conference that we've been to that he's

1550

01:12:29,510 --> 01:12:26,940

been to and maybe something kind of

1551

01:12:31,640 --> 01:12:29,520

interesting is gonna happen soon

1552

01:12:34,910 --> 01:12:31,650

maybe revolving around Kevin yes

1553

01:12:37,100 --> 01:12:34,920

depending in the works but darks let's

1554

01:12:38,880 --> 01:12:37,110

say maybe some introductions have been

1555

01:12:42,190 --> 01:12:38,890

made and

1556

01:12:44,530 --> 01:12:42,200

so you're saying there might be a chance

1557

01:12:45,670 --> 01:12:44,540

there might be a chance that maybe we

1558

01:12:49,240 --> 01:12:45,680

can get them on the show

1559

01:12:51,310 --> 01:12:49,250

so we'll see what happens with that if

1560

01:12:52,780 --> 01:12:51,320

not definitely at the conference yeah

1561

01:12:56,320 --> 01:12:52,790

for definitely gonna chitchat with him

1562

01:12:58,210 --> 01:12:56,330

at the conference so cuz uh he told me

1563

01:13:00,660 --> 01:12:58,220

specifically you would come by the booth

1564

01:13:03,610 --> 01:13:00,670

and come and hang out for awesome right

1565

01:13:06,330 --> 01:13:03,620

and we got our microphone for interviews

1566

01:13:09,640 --> 01:13:06,340

oh yes yes our microphone yeah

1567

01:13:11,560 --> 01:13:09,650

pretty sick I'm super stoked it's like

1568

01:13:13,480 --> 01:13:11,570

you know it's the it's the button the

1569

01:13:16,780 --> 01:13:13,490

quality that's really why I bought this

1570

01:13:26,800 --> 01:13:16,790

thing is cuz it's gonna it's gonna be

1571

01:13:28,720 --> 01:13:26,810

great and yeah I mean we're gonna have

1572

01:13:30,820 --> 01:13:28,730

we're gonna have a good time I know

1573

01:13:33,490 --> 01:13:30,830

you're one of the top leading scientists

1574

01:13:38,200 --> 01:13:33,500

in your field what tell us a little more

1575

01:13:41,140 --> 01:13:38,210

about yourself it's gonna be great

1576

01:13:42,760 --> 01:13:41,150

yeah it's gonna be great michael feeley

1577

01:13:44,770 --> 01:13:42,770

dude michael feeley he's got a cool

1578

01:13:49,960 --> 01:13:44,780

little story to he was originally like a

1579

01:13:52,030 --> 01:13:49,970

police officer out in in England it was

1580

01:13:53,650 --> 01:13:52,040

a police officer and he said just like

1581

01:13:58,180 --> 01:13:53,660

some weird stuff started happening he

1582

01:14:01,330 --> 01:13:58,190

met his wife on the force and him and

1583

01:14:02,950 --> 01:14:01,340

his and his wife some like kind of

1584

01:14:06,340 --> 01:14:02,960

paranormal stuff was happening like

1585

01:14:09,610 --> 01:14:06,350

ghosts wise they ended up investigating

1586

01:14:12,310 --> 01:14:09,620

it a spirit like came to them and it was

1587

01:14:14,260 --> 01:14:12,320

like you know like help like calling for

1588

01:14:16,990 --> 01:14:14,270

help and so they ended up doing this

1589

01:14:19,270 --> 01:14:17,000

investigation they got a medium to come

1590

01:14:20,890 --> 01:14:19,280

in the house and she was like I can't I

1591

01:14:23,860 --> 01:14:20,900

can't do this I can't go with you guys

1592

01:14:26,080 --> 01:14:23,870

but apparently like he had like this

1593

01:14:28,120 --> 01:14:26,090

this dream or like he was conscious and

1594

01:14:30,280 --> 01:14:28,130

then and then he like passes out and his

1595

01:14:33,970 --> 01:14:30,290

wife said that he was freaking out but

1596

01:14:36,760 --> 01:14:33,980

apparently the spirit had shown him her

1597

01:14:39,040 --> 01:14:36,770

death like as she was dying like what

1598

01:14:40,900 --> 01:14:39,050

had happened well and apparently right

1599

01:14:42,010 --> 01:14:40,910

on the same block where they lived they

1600

01:14:44,170 --> 01:14:42,020

had done all this research and they

1601

01:14:46,150 --> 01:14:44,180

couldn't find anybody with this name or

1602

01:14:48,850 --> 01:14:46,160

you know anything like that but

1603

01:14:51,820 --> 01:14:48,860

apparently like the girl who passed away

1604

01:14:56,350 --> 01:14:51,830

looked remarkably like his wife

1605

01:14:58,180 --> 01:14:56,360

and that they had when when he found out

1606

01:15:01,390 --> 01:14:58,190

what had happened apparently this was

1607

01:15:04,330 --> 01:15:01,400

back like in like their early 1800s that

1608

01:15:05,860 --> 01:15:04,340

this had happened where like you know

1609

01:15:07,900 --> 01:15:05,870

the father basically murdered the

1610

01:15:10,390 --> 01:15:07,910

daughter he was like abusive to her and

1611

01:15:12,220 --> 01:15:10,400

stuff like that and just one specific

1612

01:15:14,590 --> 01:15:12,230

night he took it too far and he ended up

1613

01:15:16,750 --> 01:15:14,600

choking her and she died right [h\_\_h] that

1614

01:15:20,050 --> 01:15:16,760

guy and so you know they they found out

1615

01:15:23,050 --> 01:15:20,060

all this information and the spirit you

1616

01:15:25,690 --> 01:15:23,060

know when they figured it out and also

1617

01:15:28,120 --> 01:15:25,700

the father was there in the room as well

1618

01:15:30,010 --> 01:15:28,130

like spirit wise like blood like as a

1619

01:15:32,470 --> 01:15:30,020

ghost because he didn't want anybody to

1620

01:15:35,200 --> 01:15:32,480

find out he was making all this scary

1621

01:15:37,450 --> 01:15:35,210

[h\_\_h] happen oh so he wanted them like to

1622

01:15:40,000 --> 01:15:37,460

stop them yeah looking into it they had

1623

01:15:41,160 --> 01:15:40,010

like windows shatter and all kinds of

1624

01:15:43,480 --> 01:15:41,170

stuff

1625

01:15:46,390 --> 01:15:43,490

damn dude that's crazy

1626

01:15:49,450 --> 01:15:46,400

the spirit told them that her favorite

1627

01:15:52,540 --> 01:15:49,460

color was pink and her favorite flower

1628

01:15:54,670 --> 01:15:52,550

was lilac okay so they're out one day

1629

01:15:57,940 --> 01:15:54,680

and they come back home and there's a

1630

01:15:59,980 --> 01:15:57,950

plastic pink lilac laying on the

1631

01:16:01,770 --> 01:15:59,990

countertop what yeah

1632

01:16:04,810 --> 01:16:01,780

they don't know where it came from

1633

01:16:07,210 --> 01:16:04,820

that's almost like they're her way of

1634

01:16:10,150 --> 01:16:07,220

saying thank you to them Wow

1635

01:16:12,220 --> 01:16:10,160

so they figured out the murder yeah and

1636

01:16:14,080 --> 01:16:12,230

they figured it out and she said thank

1637

01:16:16,780 --> 01:16:14,090

you with a little lilac yeah and now

1638

01:16:19,120 --> 01:16:16,790

he's really into like the esoteric stuff

1639

01:16:22,090 --> 01:16:19,130

I mean he knows like the you know the

1640

01:16:24,520 --> 01:16:22,100

the hidden numbers and and you know like

1641

01:16:26,770 --> 01:16:24,530

all these the occult practices and like

1642

01:16:29,320 --> 01:16:26,780

he goes through like the Bible and like

1643

01:16:34,470 --> 01:16:29,330

tells you like what it really means on

1644

01:16:37,060 --> 01:16:34,480

how like it's just a it's it's it's not

1645

01:16:37,510 --> 01:16:37,070

what you think it is if you read it up

1646

01:16:40,660 --> 01:16:37,520

front

1647

01:16:43,300 --> 01:16:40,670

it's really like a instructional book on

1648

01:16:48,850 --> 01:16:43,310

like these these ancient rituals that

1649

01:16:51,190 --> 01:16:48,860

like can open the possibility of like

1650

01:16:53,380 --> 01:16:51,200

you know it's it's you're trying to find

1651

01:16:55,480 --> 01:16:53,390

the key basically yeah like the golden

1652

01:16:56,800 --> 01:16:55,490

key which is represented and like a lot

1653

01:16:57,970 --> 01:16:56,810

of churches and things like that well

1654

01:17:01,060 --> 01:16:57,980

there's this secret hidden knowledge

1655

01:17:03,340 --> 01:17:01,070

that the ancients passed down in these

1656

01:17:05,560 --> 01:17:03,350

stories in these books for future

1657

01:17:07,330 --> 01:17:05,570

generations to find okay

1658

01:17:10,629 --> 01:17:07,340

for them to be able to unlock this key

1659

01:17:13,510 --> 01:17:10,639

to like you know consciousness in like

1660

01:17:16,270 --> 01:17:13,520

this this you know this source well

1661

01:17:17,979 --> 01:17:16,280

right and so the force yeah and so

1662

01:17:21,879 --> 01:17:17,989

basically like the Bible is like a

1663

01:17:22,540 --> 01:17:21,889

metaphor for the you know it's it's like

1664

01:17:24,580 --> 01:17:22,550

a puzzle

1665

01:17:28,120 --> 01:17:24,590

it's a metaphor for what you're supposed

1666

01:17:30,100 --> 01:17:28,130

to be doing for future generations it's

1667

01:17:33,339 --> 01:17:30,110

crazy you know like all like that's cool

1668

01:17:35,290 --> 01:17:33,349

all the occult right you know yeah you

1669

01:17:39,459 --> 01:17:35,300

know the Freemasons and all these guys

1670

01:17:41,560 --> 01:17:39,469

and and the Kabbalah and all these you

1671

01:17:44,950 --> 01:17:41,570

know a cultic you know people they have

1672

01:17:47,169 --> 01:17:44,960

this knowledge and so that you know the

1673

01:17:49,750 --> 01:17:47,179

regular people don't have it but as a

1674

01:17:51,220 --> 01:17:49,760

regular person if you want it it's right

1675

01:17:54,040 --> 01:17:51,230

there in front of you you just have to

1676

01:17:56,229 --> 01:17:54,050

decode it so this guy's decoded like all

1677

01:17:58,510 --> 01:17:56,239

of this just dude Michael feel Michael

1678

01:18:01,359 --> 01:17:58,520

feel oh damn oh so like making it in

1679

01:18:03,910 --> 01:18:01,369

layman's terms and kinda walking you

1680

01:18:04,120 --> 01:18:03,920

through it yeah I'm very interested in

1681

01:18:10,959 --> 01:18:04,130

that

1682

01:18:13,390 --> 01:18:10,969

the key to know to consciousness dude

1683

01:18:17,200 --> 01:18:13,400

well if you get the key go to Home Depot

1684

01:18:18,729 --> 01:18:17,210

and make a copy for me dude because I'm

1685

01:18:19,629 --> 01:18:18,739

like a key to I heard that you like

1686

01:18:26,100 --> 01:18:19,639

consciousness

1687

01:18:33,879 --> 01:18:26,110

is cool

1688

01:18:39,580 --> 01:18:33,889

he said vagina cool Robert Fulton dude

1689

01:18:41,680 --> 01:18:39,590

Robert Fulton is another one that dude I

1690

01:18:44,140 --> 01:18:41,690

can't some occasionally you guys hear us

1691

01:18:47,229 --> 01:18:44,150

make like this burrito joke right so

1692

01:18:49,479 --> 01:18:47,239

Robert Florentine is one of the guys it

1693

01:18:51,399 --> 01:18:49,489

was either the dude on the seating yeah

1694

01:18:55,419 --> 01:18:51,409

he's the guy in extraordinary the

1695

01:18:56,649 --> 01:18:55,429

seating okay so okay hold on is it is it

1696

01:19:07,720 --> 01:18:56,659

extraordinary

1697

01:19:10,240 --> 01:19:07,730

god damn cuz I was looking at it the

1698

01:19:13,479 --> 01:19:10,250

other day and I was like wait a second

1699

01:19:15,669 --> 01:19:13,489

that says extraordinary yeah isn't it I

1700

01:19:17,550 --> 01:19:15,679

think that yeah it's just it's that's

1701

01:19:19,440 --> 01:19:17,560

how it's spelled i but

1702

01:19:21,800 --> 01:19:19,450

you're not done because I was thinking

1703

01:19:24,750 --> 01:19:21,810

the same thing like that looks weird

1704

01:19:28,140 --> 01:19:24,760

it's just one word absolutely so this

1705

01:19:30,180 --> 01:19:28,150

isn't just ordinary this is extra super

1706

01:19:33,180 --> 01:19:30,190

ordinary is that different than

1707

01:19:34,970 --> 01:19:33,190

extraordinary yeah I wonder if it like

1708

01:19:38,510 --> 01:19:34,980

why did they skip straight over super a

1709

01:19:41,220 --> 01:19:38,520

student super ordinary I don't know dude

1710

01:19:44,120 --> 01:19:41,230

let's get right over it I don't know

1711

01:19:47,960 --> 01:19:44,130

dude but yeah

1712

01:19:50,970 --> 01:19:47,970

Robert Willington so he's in that

1713

01:19:53,430 --> 01:19:50,980

apparently he is you know with the

1714

01:19:55,880 --> 01:19:53,440

hybrid program right the women you know

1715

01:19:58,680 --> 01:19:55,890

they're abducted they're you know

1716

01:19:59,280 --> 01:19:58,690

impregnated with these hybrids and they

1717

01:20:03,330 --> 01:19:59,290

get taken

1718

01:20:04,650 --> 01:20:03,340

them and then years later they get

1719

01:20:06,300 --> 01:20:04,660

abducted again and they're shown their

1720

01:20:08,250 --> 01:20:06,310

babies right yeah and so this has

1721

01:20:11,040 --> 01:20:08,260

happened to like multiple women but

1722

01:20:14,730 --> 01:20:11,050

Robert is one of the few like men that's

1723

01:20:18,300 --> 01:20:14,740

come forward that they took his seed so

1724

01:20:23,810 --> 01:20:18,310

he also has hybrid children well Roberts

1725

01:20:27,060 --> 01:20:23,820

story is did you see yeah dude I mean

1726

01:20:28,650 --> 01:20:27,070

I'm sorry I'm not moving to black but so

1727

01:20:30,810 --> 01:20:28,660

we won't even get into that because

1728

01:20:36,290 --> 01:20:30,820

we'll just we'll talk for hours on how

1729

01:20:42,330 --> 01:20:39,180

come up to like a milking machine or

1730

01:20:44,280 --> 01:20:42,340

some sort of like cool table so it's

1731

01:20:48,260 --> 01:20:44,290

gotta be a dope table is it is it better

1732

01:20:51,630 --> 01:20:48,270

with only three fingers or is it like I

1733

01:20:54,510 --> 01:20:51,640

don't know they spit on is aliens have

1734

01:20:55,950 --> 01:20:54,520

spit like I don't know dude anyway I

1735

01:20:59,760 --> 01:20:55,960

don't seem to be laughing it that's just

1736

01:21:01,920 --> 01:20:59,770

where I'm laughing at the the goofiness

1737

01:21:04,730 --> 01:21:01,930

the possibility hostility I'm not

1738

01:21:08,700 --> 01:21:04,740

laughing in his story Robert is is a

1739

01:21:10,440 --> 01:21:08,710

Mantid hybrid yeah dude mantis it's

1740

01:21:12,450 --> 01:21:10,450

showing up everywhere it's showing up

1741

01:21:13,770 --> 01:21:12,460

everywhere Mantid stuff as soon as we

1742

01:21:16,110 --> 01:21:13,780

start like we did that episode about

1743

01:21:18,330 --> 01:21:16,120

Mantis stuff like everything started

1744

01:21:20,250 --> 01:21:18,340

popping up like I watched that YouTube

1745

01:21:24,540 --> 01:21:20,260

video about the synchronicities it's

1746

01:21:27,480 --> 01:21:24,550

super cereal Joe super flare out but

1747

01:21:29,760 --> 01:21:27,490

yeah dude he's apparently a Mantid

1748

01:21:31,209 --> 01:21:29,770

hybrid he did this cool interview with

1749

01:21:34,899 --> 01:21:31,219

another lady

1750

01:21:37,930 --> 01:21:34,909

who is also a Mantid hybrid and he said

1751

01:21:39,819 --> 01:21:37,940

when they first met their jaws just

1752

01:21:41,950 --> 01:21:39,829

dropped and they couldn't even talk to

1753

01:21:44,290 --> 01:21:41,960

each other because apparently they had

1754

01:21:46,899 --> 01:21:44,300

they knew each other without ever

1755

01:21:50,140 --> 01:21:46,909

meeting apparently they've seen each

1756

01:21:52,930 --> 01:21:50,150

other multiple times on the ship whoa

1757

01:21:56,229 --> 01:21:52,940

okay so this was another it wasn't like

1758

01:21:58,660 --> 01:21:56,239

she half mantis as well or she is also a

1759

01:22:00,520 --> 01:21:58,670

mantis hybrid yeah yes and he's that

1760

01:22:03,700 --> 01:22:00,530

like they say that they talk to each

1761

01:22:04,779 --> 01:22:03,710

other but they can communicate without

1762

01:22:07,509 --> 01:22:04,789

saying anything

1763

01:22:09,160 --> 01:22:07,519

what yeah so like he can hear her when

1764

01:22:10,450 --> 01:22:09,170

she's talking like from a different

1765

01:22:13,479 --> 01:22:10,460

state because she's from a different

1766

01:22:15,819 --> 01:22:13,489

state yeah and so like when they they're

1767

01:22:17,200 --> 01:22:15,829

quiet and they meditate or whatever they

1768

01:22:18,339 --> 01:22:17,210

can talk to each other and they can hear

1769

01:22:21,430 --> 01:22:18,349

each other Wow

1770

01:22:24,189 --> 01:22:21,440

yeah that's cool it's pretty nuts it's

1771

01:22:24,640 --> 01:22:24,199

pretty nice like twin twin powers like

1772

01:22:30,459 --> 01:22:24,650

twins

1773

01:22:32,979 --> 01:22:30,469

say they can I don't know I don't know

1774

01:22:34,060 --> 01:22:32,989

but she's like what what if what if you

1775

01:22:35,410 --> 01:22:34,070

had that power like you could hear

1776

01:22:36,879 --> 01:22:35,420

someone else's like when they're talking

1777

01:22:39,370 --> 01:22:36,889

under their thoughts but it's only when

1778

01:22:45,430 --> 01:22:39,380

they're ordering food at like like like

1779

01:22:48,100 --> 01:22:45,440

a to-go window uh I'll have a number

1780

01:22:55,959 --> 01:22:48,110

three like text did you just order

1781

01:22:58,660 --> 01:22:55,969

number three dude no man so yeah he had

1782

01:23:01,870 --> 01:22:58,670

that cool story on how he was eating the

1783

01:23:03,459 --> 01:23:01,880

sandwich that his wife was making and he

1784

01:23:04,989 --> 01:23:03,469

ended up swallowing a toothpick on

1785

01:23:07,660 --> 01:23:04,999

accident because he wasn't paying

1786

01:23:09,040 --> 01:23:07,670

attention and he was late at night and

1787

01:23:11,770 --> 01:23:09,050

he was like freaking out they had just

1788

01:23:14,350 --> 01:23:11,780

swallowed this damn toothpick and and

1789

01:23:16,569 --> 01:23:14,360

his being showed up and there was also a

1790

01:23:19,540 --> 01:23:16,579

smaller beingness showed up and the

1791

01:23:22,299 --> 01:23:19,550

small being stuck his hand inside of his

1792

01:23:24,040 --> 01:23:22,309

stomach yeah and pulled it out but they

1793

01:23:25,859 --> 01:23:24,050

knocked him out because he was he was

1794

01:23:29,529 --> 01:23:25,869

freaking out at the time right right

1795

01:23:30,669 --> 01:23:29,539

yeah so so they can move in between like

1796

01:23:36,640 --> 01:23:30,679

we were saying like they can move

1797

01:23:39,489 --> 01:23:36,650

between walls and manifest through skin

1798

01:23:41,080 --> 01:23:39,499

but then all of a sudden like they had

1799

01:23:44,290 --> 01:23:41,090

to have picked up the toothpick somehow

1800

01:23:47,530 --> 01:23:44,300

so it like inside the stomach there

1801

01:23:49,180 --> 01:23:47,540

their hand was okay now it's there or

1802

01:23:52,000 --> 01:23:49,190

they're just manipulating the matter

1803

01:23:54,190 --> 01:23:52,010

like even inside of the stomach they may

1804

01:23:56,500 --> 01:23:54,200

be like just put their hand on it

1805

01:23:58,870 --> 01:23:56,510

yeah and maybe this toothpick like like

1806

01:24:01,000 --> 01:23:58,880

osmosis like went in the hand and they

1807

01:24:02,830 --> 01:24:01,010

just pulled it out right and then they

1808

01:24:05,650 --> 01:24:02,840

materialized it again outside of the

1809

01:24:07,120 --> 01:24:05,660

body yeah I don't know man I don't know

1810

01:24:09,610 --> 01:24:07,130

but I definitely want to talk to Robert

1811

01:24:12,850 --> 01:24:09,620

and kind of get some more stories

1812

01:24:16,630 --> 01:24:12,860

because he's you know he's got some yeah

1813

01:24:18,730 --> 01:24:16,640

I'm story time between the the hand in

1814

01:24:22,210 --> 01:24:18,740

the stomach and then seeing the burrito

1815

01:24:25,060 --> 01:24:22,220

crawling on the ground and being having

1816

01:24:26,920 --> 01:24:25,070

your seed extracted from you dude what

1817

01:24:28,870 --> 01:24:26,930

the hell yeah

1818

01:24:32,980 --> 01:24:28,880

I mean I want to know more about the

1819

01:24:34,030 --> 01:24:32,990

burrito stuff but me too yeah yeah me

1820

01:24:35,500 --> 01:24:34,040

too that's awesome

1821

01:24:37,360 --> 01:24:35,510

yeah I want to talk to him we should

1822

01:24:38,290 --> 01:24:37,370

reach out to him yeah there's gonna be

1823

01:24:40,150 --> 01:24:38,300

some cool people

1824

01:24:42,310 --> 01:24:40,160

Melinda Leslie will be there some Olinda

1825

01:24:43,080 --> 01:24:42,320

guys have uh we've already had her on

1826

01:24:58,780 --> 01:24:43,090

the show

1827

01:25:01,000 --> 01:24:58,790

barber G yeah man so that's uh that's

1828

01:25:02,980 --> 01:25:01,010

just a few people from UFO con that I

1829

01:25:04,990 --> 01:25:02,990

think is gonna be is gonna be pretty

1830

01:25:06,610 --> 01:25:05,000

cool man yeah dude I'm stoked

1831

01:25:07,690 --> 01:25:06,620

pretty cool stuff so that's guys if

1832

01:25:10,240 --> 01:25:07,700

y'all haven't gotten your tickets yet

1833

01:25:13,840 --> 01:25:10,250

you a folk on 20/20 San Francisco that's

1834

01:25:16,420 --> 01:25:13,850

coming up 32 days 2 hours 32 minutes and

1835

01:25:17,170 --> 01:25:16,430

3 seconds oh wow they have a legit timer

1836

01:25:20,110 --> 01:25:17,180

yeah

1837

01:25:23,260 --> 01:25:20,120

so that's and there's only 300 seats and

1838

01:25:25,660 --> 01:25:23,270

these guests are gonna be amazing

1839

01:25:27,400 --> 01:25:25,670

I don't yeah I'm so excited like that's

1840

01:25:30,580 --> 01:25:27,410

that's kind of what you want in a

1841

01:25:33,460 --> 01:25:30,590

conference for for for aliens if you're

1842

01:25:35,740 --> 01:25:33,470

really in the aliens you want to hear

1843

01:25:38,140 --> 01:25:35,750

people's stories like their abductions

1844

01:25:40,720 --> 01:25:38,150

or their relationship with with aliens

1845

01:25:42,790 --> 01:25:40,730

like that's the weird stuff that I want

1846

01:25:44,410 --> 01:25:42,800

to know yeah yeah and there's gonna be

1847

01:25:46,630 --> 01:25:44,420

like a couple scientists there right

1848

01:25:50,350 --> 01:25:46,640

George Noory is gonna be there yeah so

1849

01:25:51,460 --> 01:25:50,360

it'll be pretty cool and I'm excited to

1850

01:25:53,410 --> 01:25:51,470

see it because you know a lot of these

1851

01:25:56,290 --> 01:25:53,420

conferences they do have people who just

1852

01:25:58,030 --> 01:25:56,300

just write books or are researchers or

1853

01:25:59,170 --> 01:25:58,040

just do the science

1854

01:26:01,870 --> 01:25:59,180

there's not a lot of people who have

1855

01:26:04,330 --> 01:26:01,880

actually had the contact but this is

1856

01:26:06,460 --> 01:26:04,340

basically all people who have had

1857

01:26:10,600 --> 01:26:06,470

contact who have been abducted

1858

01:26:13,540 --> 01:26:10,610

who are hybrids lega it's gonna be nuts

1859

01:26:15,040 --> 01:26:13,550

whoa sorry about that camera dad trying

1860

01:26:16,630 --> 01:26:15,050

to fix some kinks right yeah it's the

1861

01:26:18,910 --> 01:26:16,640

first time we use it so I don't really

1862

01:26:20,980 --> 01:26:18,920

know but yeah you have folk on 20/20

1863

01:26:22,390 --> 01:26:20,990

there's gonna be sick I mean all these

1864

01:26:26,050 --> 01:26:22,400

people that are gonna be there are gonna

1865

01:26:28,810 --> 01:26:26,060

be legit right or you know until we find

1866

01:26:31,120 --> 01:26:28,820

out their story so we'll see but yeah I

1867

01:26:36,970 --> 01:26:31,130

mean it's gonna be it's gonna be awesome

1868

01:26:39,130 --> 01:26:36,980

so yeah dude I mean what you owe check

1869

01:26:40,900 --> 01:26:39,140

out UFO garage PC com4 shirts and hats

1870

01:26:43,330 --> 01:26:40,910

and merch to support the podcast if you

1871

01:26:46,540 --> 01:26:43,340

like it yeah yeah and don't forget uh we

1872

01:26:47,950 --> 01:26:46,550

got the GoFundMe go on right now so man

1873

01:26:50,200 --> 01:26:47,960

we'd appreciate the help like I said

1874

01:26:52,630 --> 01:26:50,210

five dollars you know ten dollars you

1875

01:26:56,320 --> 01:26:52,640

know Tony you know maybe maybe thirty

1876

01:26:59,500 --> 01:26:56,330

forty someone maybe maybe 50 60 70 80

1877

01:27:02,020 --> 01:26:59,510

maybe a thousand maybe maybe 3,000 maybe

1878

01:27:03,730 --> 01:27:02,030

one minute maybe 1 million you know how

1879

01:27:08,410 --> 01:27:03,740

many how many banners we could buy with

1880

01:27:10,480 --> 01:27:08,420

one so many banners 100 meters yeah dude

1881

01:27:18,760 --> 01:27:10,490

all right man well I think that's it for

1882

01:27:20,080 --> 01:27:18,770

us today so do you ROG see you next time
