

1  
00:00:09,080 --> 00:00:05,440

[Music]

2  
00:00:10,970 --> 00:00:09,090

this is another episode of UFO cries I'm

3  
00:00:13,879 --> 00:00:10,980

Ben and I'm Joe and this is where we

4  
00:00:17,240 --> 00:00:13,889

talk about UFOs aliens and all things we

5  
00:00:20,870 --> 00:00:17,250

oh yeah what's up dude what's going on

6  
00:00:24,439 --> 00:00:20,880

man episode 34 all right here we go

7  
00:00:25,820 --> 00:00:24,449

what's what's going on today dude not a

8  
00:00:28,220 --> 00:00:25,830

lot man you ready to look at some

9  
00:00:30,470 --> 00:00:28,230

facebook stuff we got a tenant yeah

10  
00:00:32,840 --> 00:00:30,480

awesome posts yeah you guys have been

11  
00:00:34,580 --> 00:00:32,850

killing it with the Facebook post lately

12  
00:00:39,200 --> 00:00:34,590

yes we got so much stuff to go through

13  
00:00:41,299 --> 00:00:39,210

so yeah dude I mean uh yeah yeah hey you

14

00:00:44,840 --> 00:00:41,309

know one cool thing that I'd like to

15

00:00:47,029 --> 00:00:44,850

point out to all of our group members

16

00:00:49,790 --> 00:00:47,039

and like just the people who listen to

17

00:00:52,819 --> 00:00:49,800

the show and and all that stuff man like

18

00:00:56,389 --> 00:00:52,829

I would like to give out especially for

19

00:00:59,630 --> 00:00:56,399

our page the the not having to babysit

20

00:01:01,639 --> 00:00:59,640

[h\_\_h] award because there's so many

21

00:01:03,700 --> 00:01:01,649

pages on Facebook you know there's

22

00:01:06,260 --> 00:01:03,710

there's so many things that you know

23

00:01:08,510 --> 00:01:06,270

there's all kinds of stuff right and

24

00:01:10,429 --> 00:01:08,520

there's and there's always like there's

25

00:01:12,649 --> 00:01:10,439

always like it's always like that one

26

00:01:13,190 --> 00:01:12,659

[h\_\_h] the greens and everything for

27

00:01:15,469 --> 00:01:13,200

everybody

28

00:01:18,109 --> 00:01:15,479

Zach not on our our group yeah dude we

29

00:01:20,810 --> 00:01:18,119

have got like the coolest group members

30

00:01:22,850 --> 00:01:20,820

and for that I thank you guys yeah

31

00:01:24,649 --> 00:01:22,860

especially dealing with a topic that is

32

00:01:27,320 --> 00:01:24,659

like you know it's it's it's it's

33

00:01:29,780 --> 00:01:27,330

definitely uh weird and out there you

34

00:01:32,450 --> 00:01:29,790

know yeah um but you know I think one

35

00:01:35,990 --> 00:01:32,460

thing that kind of saves us from from

36

00:01:39,050 --> 00:01:36,000

that happening is is uh nobody really

37

00:01:41,510 --> 00:01:39,060

knows are you gonna talk to a [h\_\_h] on

38

00:01:43,160 --> 00:01:41,520

something that you don't know anything

39

00:01:44,569 --> 00:01:43,170

you know you don't know the truth I

40

00:01:47,510 --> 00:01:44,579

don't know the truth we're all just

41

00:01:49,160 --> 00:01:47,520

guessing here yeah you know so I know a

42

00:01:51,350 --> 00:01:49,170

little bit about like you know the

43

00:01:52,880 --> 00:01:51,360

secret space program uniform oh yeah

44

00:01:56,950 --> 00:01:52,890

dude which is you know the slinky slinky

45

00:01:59,450 --> 00:01:56,960

hat as we all know obviously right I

46

00:02:01,700 --> 00:01:59,460

want to make that happen so bad dude

47

00:02:02,179 --> 00:02:01,710

dude it's it's going down it's going

48

00:02:05,690 --> 00:02:02,189

down

49

00:02:07,160 --> 00:02:05,700

slinky hats we should do that for for

50

00:02:08,540 --> 00:02:07,170

UFO con we should we should bring

51  
00:02:10,160 --> 00:02:08,550  
ourselves should make some slinky had

52  
00:02:11,280 --> 00:02:10,170  
some dreams they'll have a secret space

53  
00:02:14,240 --> 00:02:11,290  
program

54  
00:02:16,380 --> 00:02:14,250  
and they'd like a slinky on top

55  
00:02:20,220 --> 00:02:16,390  
everyone's gonna take a super seriously

56  
00:02:22,770 --> 00:02:20,230  
yeah oh dude yes it's gonna be awesome

57  
00:02:25,619 --> 00:02:22,780  
but uh yeah I just wanted to I just

58  
00:02:27,569 --> 00:02:25,629  
wanted to bring that up I mean yeah we

59  
00:02:29,309 --> 00:02:27,579  
got some we got some great great members

60  
00:02:30,869 --> 00:02:29,319  
dude we do thank you guys hell yeah

61  
00:02:32,610 --> 00:02:30,879  
thank you very much man thank you very

62  
00:02:35,280 --> 00:02:32,620  
much so yeah man let's get into this

63  
00:02:37,170 --> 00:02:35,290

let's do it a Facebook post I posted

64

00:02:39,059 --> 00:02:37,180

well I guess this is just the newest one

65

00:02:43,110 --> 00:02:39,069

since lacs last week but that super

66

00:02:45,509 --> 00:02:43,120

clear footage I mean the photos are

67

00:02:47,610 --> 00:02:45,519

awesome but the video is pretty sick

68

00:02:48,360 --> 00:02:47,620

like the photos they zoom in super super

69

00:02:51,030 --> 00:02:48,370

crazy

70

00:02:53,280 --> 00:02:51,040

what like so I showed my wife this is

71

00:03:02,940 --> 00:02:53,290

she was like if that's what they look

72

00:03:05,369 --> 00:03:02,950

like I'm gonna be super bummed yeah I

73

00:03:07,410 --> 00:03:05,379

mean the video is cool the videos super

74

00:03:09,089 --> 00:03:07,420

tight though but like the fact that they

75

00:03:10,229 --> 00:03:09,099

were able to zoom in was super cool

76

00:03:12,720 --> 00:03:10,239

because you can't really see it that

77

00:03:17,699 --> 00:03:12,730

clearly on the video yeah but the the

78

00:03:22,860 --> 00:03:17,709

clear clear photos my wife was like just

79

00:03:25,110 --> 00:03:22,870

was like what terrible but uh I mean

80

00:03:27,599 --> 00:03:25,120

yeah dudes I mean if you if you you know

81

00:03:30,030 --> 00:03:27,609

looking at this thing like I wonder how

82

00:03:32,759 --> 00:03:30,040

how big it was ya know what I'm saying

83

00:03:34,710 --> 00:03:32,769

like it doesn't look that big but I bet

84

00:03:37,080 --> 00:03:34,720

like if it landed on your front lawn

85

00:03:40,199 --> 00:03:37,090

it's probably you know a good you know

86

00:03:42,539 --> 00:03:40,209

one story sighs maybe I would think yeah

87

00:03:44,400 --> 00:03:42,549

at least it looks pretty damn big like

88

00:03:48,119 --> 00:03:44,410

the size of a building or something yeah

89

00:03:50,490 --> 00:03:48,129

maybe like like a one-story a one-story

90

00:03:52,650 --> 00:03:50,500

like a blockbuster maybe like it kids

91

00:03:54,599 --> 00:03:52,660

like fit in maybe like your living room

92

00:03:57,479 --> 00:03:54,609

plus a little bit of this room but it

93

00:03:59,069 --> 00:03:57,489

wouldn't go like in do you like past

94

00:04:00,930 --> 00:03:59,079

y'all's kitchen right you know what I'm

95

00:04:03,240 --> 00:04:00,940

saying exactly I mean it's pretty

96

00:04:07,319 --> 00:04:03,250

sizable yeah it's pretty sizable super

97

00:04:10,050 --> 00:04:07,329

interesting oh yeah it's a pretty long

98

00:04:12,330 --> 00:04:10,060

video I mean man that thing looks legit

99

00:04:15,420 --> 00:04:12,340

right yeah yeah it's it's it's pretty

100

00:04:21,719 --> 00:04:15,430

nuts man it's a was taken in Florida

101  
00:04:22,440 --> 00:04:21,729  
right what California California San

102  
00:04:23,370 --> 00:04:22,450  
Diego

103  
00:04:25,500 --> 00:04:23,380  
what's up scene

104  
00:04:28,620 --> 00:04:25,510  
a lot of listeners from the California

105  
00:04:30,930 --> 00:04:28,630  
area yeah dude I mean what do you think

106  
00:04:34,740 --> 00:04:30,940  
about that thing does it look do you

107  
00:04:36,360 --> 00:04:34,750  
think it's real I mean it doesn't I mean

108  
00:04:38,340 --> 00:04:36,370  
obviously the pike I think got a good

109  
00:04:46,770 --> 00:04:38,350  
picture of it it looks real it looked

110  
00:04:47,580 --> 00:04:46,780  
real to me moving on I haven't even

111  
00:04:48,960 --> 00:04:47,590  
clicked on that yet

112  
00:04:50,580 --> 00:04:48,970  
I haven't got a chance to look into it

113  
00:04:52,350 --> 00:04:50,590

yet either Mary Joseph we're gonna get

114

00:04:56,010 --> 00:04:52,360

to that one though yeah I do for sure

115

00:04:58,620 --> 00:04:56,020

Joshua what's up Josh sup dude hey man

116

00:04:59,880 --> 00:04:58,630

thanks for thanks for listening and he's

117

00:05:01,230 --> 00:04:59,890

heading haven't listened in a while but

118

00:05:03,600 --> 00:05:01,240

I guess he started back up because he

119

00:05:06,480 --> 00:05:03,610

likes to binge listen which I'll get it

120

00:05:09,990 --> 00:05:06,490

I get it I get it

121

00:05:11,250 --> 00:05:10,000

so yeah thanks for uh thanks for

122

00:05:14,640 --> 00:05:11,260

listening man I hope you got those

123

00:05:29,220 --> 00:05:14,650

photos we sent them down there so I got

124

00:05:32,520 --> 00:05:29,230

a little awesome Dan well we're gonna

125

00:05:33,270 --> 00:05:32,530

get to you here just a sec yeah yeah

126

00:05:36,420 --> 00:05:33,280

that's pretty sweet

127

00:05:39,150 --> 00:05:36,430

yeah thanks for listening dude oh yeah

128

00:05:44,000 --> 00:05:39,160

so Joe you uh you edited this little UFO

129

00:05:49,740 --> 00:05:47,400

yeah we need to add that sound bite on

130

00:05:52,080 --> 00:05:49,750

just like the sound bite like on the

131

00:05:54,090 --> 00:05:52,090

website yeah I think we should maybe get

132

00:05:56,400 --> 00:05:54,100

it up on like maybe we can upload it to

133

00:05:58,470 --> 00:05:56,410

Spreaker yeah let's do it just uh you

134

00:06:01,410 --> 00:05:58,480

know just a little thing yeah so people

135

00:06:03,060 --> 00:06:01,420

know we're at yeah sounds good dan

136

00:06:05,280 --> 00:06:03,070

Warren yeah dude

137

00:06:08,880 --> 00:06:05,290

he posted about the Vatican prepares

138

00:06:10,980 --> 00:06:08,890

Conference on extraterrestrial life dude

139

00:06:14,700 --> 00:06:10,990

doesn't surprise me

140

00:06:17,370 --> 00:06:14,710

I believe the Vatican knows a whole lot

141

00:06:19,440 --> 00:06:17,380

probably dude they probably know a whole

142

00:06:21,810 --> 00:06:19,450

lot their library their underground

143

00:06:24,150 --> 00:06:21,820

library is just packed full of books

144

00:06:26,160 --> 00:06:24,160

that they won't let the public read yeah

145

00:06:28,290 --> 00:06:26,170

yeah it's just they've known that this

146

00:06:31,950 --> 00:06:28,300

[h\_\_\h] is coming for ages

147

00:06:34,230 --> 00:06:31,960

yeah it's millennia of history yeah that

148

00:06:36,360 --> 00:06:34,240

some other people don't even know about

149

00:06:37,740 --> 00:06:36,370

you're there they have a

150

00:06:41,370 --> 00:06:37,750

like one of the most sophisticated

151  
00:06:43,530 --> 00:06:41,380  
telescopes in like all of telescopes

152  
00:06:45,300 --> 00:06:43,540  
yeah it was a large it's called like the

153  
00:06:47,010 --> 00:06:45,310  
morning star which is like Satan

154  
00:06:51,780 --> 00:06:47,020  
yeah it's called Lucifer it's called

155  
00:06:52,980 --> 00:06:51,790  
Lucifer it's called Lucifer they could

156  
00:06:56,010 --> 00:06:52,990  
have like hit it and called it the

157  
00:06:57,300 --> 00:06:56,020  
Morningstar they were like just name it

158  
00:07:02,879 --> 00:06:57,310  
loose they should have just called it

159  
00:07:06,840 --> 00:07:02,889  
Jeb weightless suspecting the devil

160  
00:07:09,900 --> 00:07:06,850  
telescope it looks straight right into

161  
00:07:11,790 --> 00:07:09,910  
Satan's [h\_\_\h] hey speaking of Satan

162  
00:07:13,680 --> 00:07:11,800  
why are you making all those satanic

163  
00:07:15,270 --> 00:07:13,690

hand signs do so which one was she

164

00:07:16,770 --> 00:07:15,280

referring to because I looked at the the

165

00:07:20,629 --> 00:07:16,780

time signature and I wasn't making any

166

00:07:23,610 --> 00:07:20,639

hands would she talk about the horns

167

00:07:30,750 --> 00:07:23,620

this meas rock and roll lady rock and

168

00:07:35,430 --> 00:07:30,760

roll hail Santa all hail Santa gonna be

169

00:07:38,850 --> 00:07:35,440

like at three minutes or 44 seconds they

170

00:07:41,010 --> 00:07:38,860

made multiple satanic hand signs they're

171

00:07:47,930 --> 00:07:41,020

gonna like run this podcast in Reverse

172

00:07:52,860 --> 00:07:50,790

love that part a little Nikki or they're

173

00:07:54,000 --> 00:07:52,870

like what do you think the odds man is

174

00:07:56,460 --> 00:07:54,010

trying to say here and he's like

175

00:08:01,680 --> 00:07:56,470

absolutely nothing Bobby's like the Oz

176

00:08:04,050 --> 00:08:01,690

man was a straight shooter I command you

177

00:08:06,659 --> 00:08:04,060

in the name of Lucifer to spread the

178

00:08:08,040 --> 00:08:06,669

blood of the innocent nikki is so like

179

00:08:10,770 --> 00:08:08,050

one of the most underrated Sandler

180

00:08:12,900 --> 00:08:10,780

movies hell yeah I love little Nikki man

181

00:08:14,760 --> 00:08:12,910

that opening scene is like one of my

182

00:08:17,189 --> 00:08:14,770

favorite things of all time we're like

183

00:08:19,950 --> 00:08:17,199

the camera zooms in on the castle and

184

00:08:21,870 --> 00:08:19,960

then you hear van Halen playing and then

185

00:08:23,670 --> 00:08:21,880

he's playing on his pitch for us playing

186

00:08:25,800 --> 00:08:23,680

the bass on his pitch for his room

187

00:08:28,290 --> 00:08:25,810

that's awesome I love that damn movie

188

00:08:33,420 --> 00:08:28,300

yeah yeah for sure that's a good one but

189

00:08:34,709 --> 00:08:33,430

yeah dude depta you know he says here

190

00:08:36,570 --> 00:08:34,719

don't know anything about the

191

00:08:38,600 --> 00:08:36,580

credibility of the source their website

192

00:08:42,060 --> 00:08:38,610

seems to be all Fringe all the time but

193

00:08:44,370 --> 00:08:42,070

I've always been curious about what what

194

00:08:45,690 --> 00:08:44,380

records the Vatican has and they don't

195

00:08:47,340 --> 00:08:45,700

want anyone to know about well we know

196

00:08:49,630 --> 00:08:47,350

what records it's all Chicago records

197

00:08:53,840 --> 00:08:49,640

it's all Chicago records

198

00:08:55,220 --> 00:08:53,850

yeah dude but yeah I'm the same way man

199

00:08:58,250 --> 00:08:55,230

I don't know about the credibility of

200

00:09:02,750 --> 00:08:58,260

the source but the topic itself and the

201  
00:09:04,160 --> 00:09:02,760  
Vatican and aliens definitely I mean

202  
00:09:06,290 --> 00:09:04,170  
that's that's something that we need to

203  
00:09:07,850 --> 00:09:06,300  
get into a little bit more and do a

204  
00:09:11,660 --> 00:09:07,860  
little bit more research but the stuff

205  
00:09:14,750 --> 00:09:11,670  
that I do know about and you know have

206  
00:09:16,880 --> 00:09:14,760  
heard about it is pretty wild I mean

207  
00:09:19,610 --> 00:09:16,890  
these guys you know they they literally

208  
00:09:21,079 --> 00:09:19,620  
like for for thousands of years man like

209  
00:09:23,329 --> 00:09:21,089  
they've just send people out to go

210  
00:09:25,430 --> 00:09:23,339  
record history and they bring it back

211  
00:09:27,050 --> 00:09:25,440  
and they set it down like you know in

212  
00:09:28,579 --> 00:09:27,060  
their little chambers and they [h\_\_\h]

213  
00:09:29,210 --> 00:09:28,589

hide it away from people why all the

214

00:09:31,220 --> 00:09:29,220

secrecy

215

00:09:32,600 --> 00:09:31,230

what what's the point in like recording

216

00:09:35,410 --> 00:09:32,610

on this stuff and not letting the public

217

00:09:38,630 --> 00:09:35,420

read it right unless it's something

218

00:09:40,550 --> 00:09:38,640

super weird or it's like they just like

219

00:09:42,620 --> 00:09:40,560

some powerful information that they

220

00:09:44,300 --> 00:09:42,630

don't want the public to know right or

221

00:09:46,280 --> 00:09:44,310

maybe it's like this nice they're

222

00:09:47,750 --> 00:09:46,290

protecting us from knowing that there's

223

00:09:52,130 --> 00:09:47,760

aliens all around us all the time

224

00:09:54,290 --> 00:09:52,140

watching this as we take showers I mean

225

00:09:57,100 --> 00:09:54,300

I'd be okay with knowing that you know

226

00:10:00,800 --> 00:09:57,110

like honestly I'm okay with it

227

00:10:03,800 --> 00:10:00,810

definitely okay with [h\_\_h] yeah man I

228

00:10:07,699 --> 00:10:03,810

mean you know the the Pope's even come

229

00:10:13,160 --> 00:10:07,709

out and said you know like we should we

230

00:10:15,140 --> 00:10:13,170

should accept our space brethren ya know

231

00:10:18,769 --> 00:10:15,150

yeah big thing that came out a couple

232

00:10:20,329 --> 00:10:18,779

years ago yeah you know Lord will has

233

00:10:22,550 --> 00:10:20,339

other creations on there than us which

234

00:10:25,940 --> 00:10:22,560

is pretty progressive yeah I mean it is

235

00:10:27,710 --> 00:10:25,950

it is you know and you know there's a

236

00:10:32,750 --> 00:10:27,720

lot of there's a lot of conspiracy to

237

00:10:33,800 --> 00:10:32,760

the Vatican and and you know really kind

238

00:10:37,010 --> 00:10:33,810

of being like this

239

00:10:37,400 --> 00:10:37,020

this dark occult you know what I'm

240

00:10:42,170 --> 00:10:37,410

saying

241

00:10:48,019 --> 00:10:42,180

and and what is it the the the three

242

00:10:50,810 --> 00:10:48,029

cities the three city states conspiracy

243

00:10:53,000 --> 00:10:50,820

where we're like the world power is

244

00:10:56,150 --> 00:10:53,010

basically revolve around how do you

245

00:10:59,510 --> 00:10:56,160

control a massive population and it's

246

00:11:02,720 --> 00:10:59,520

it's you control their faith and control

247

00:11:05,150 --> 00:11:02,730

their money and you control the military

248

00:11:07,520 --> 00:11:05,160

yeah and so how'd you talk about this

249

00:11:09,050 --> 00:11:07,530

yeah like that Washington obviously is

250

00:11:12,680 --> 00:11:09,060

the military might right

251  
00:11:14,420 --> 00:11:12,690  
because Washington isn't a state right

252  
00:11:16,400 --> 00:11:14,430  
or anything it's its own it's the same

253  
00:11:19,730 --> 00:11:16,410  
thing yeah the own thing that's not

254  
00:11:23,240 --> 00:11:19,740  
weird the Vatican isn't a country it's

255  
00:11:24,440 --> 00:11:23,250  
it's its own little thing inside of you

256  
00:11:25,970 --> 00:11:24,450  
know Island yeah

257  
00:11:28,130 --> 00:11:25,980  
but not an island there's not an island

258  
00:11:31,580 --> 00:11:28,140  
right yeah and then and then the World

259  
00:11:34,340 --> 00:11:31,590  
Bank which came from England right so

260  
00:11:37,190 --> 00:11:34,350  
yeah like like London isn't isn't

261  
00:11:40,370 --> 00:11:37,200  
technically a part of England it's its

262  
00:11:42,350 --> 00:11:40,380  
own district as well yeah so all three

263  
00:11:44,240 --> 00:11:42,360

of these places are their own district

264

00:11:46,520 --> 00:11:44,250

they all have their own rules they all

265

00:11:47,480 --> 00:11:46,530

have like their own little constitutions

266

00:11:50,270 --> 00:11:47,490

they all have their own little

267

00:11:53,570 --> 00:11:50,280

militaries they all have you know and

268

00:11:57,140 --> 00:11:53,580

and so these three entities you know

269

00:11:59,260 --> 00:11:57,150

control the world basically I mean so

270

00:12:06,050 --> 00:11:59,270

world domination has already happened

271

00:12:08,000 --> 00:12:06,060

like dude yeah the the banking thing is

272

00:12:10,540 --> 00:12:08,010

weird I don't know enough about this I

273

00:12:12,560 --> 00:12:10,550

should watch the zeitgeist again but

274

00:12:16,400 --> 00:12:12,570

there's a second one it's all about

275

00:12:18,830 --> 00:12:16,410

currency yeah basically how the world

276

00:12:20,660 --> 00:12:18,840

banking system is set up and like all

277

00:12:23,750 --> 00:12:20,670

the countries that have the world

278

00:12:25,460 --> 00:12:23,760

banking system now you know are already

279

00:12:27,860 --> 00:12:25,470

in debt before they even like a house

280

00:12:30,230 --> 00:12:27,870

they have been invaded at some point and

281

00:12:31,970 --> 00:12:30,240

then once the government Falls then one

282

00:12:33,920 --> 00:12:31,980

of the first things to come in is the

283

00:12:36,020 --> 00:12:33,930

central banking system right and if you

284

00:12:39,950 --> 00:12:36,030

look at the countries that are don't

285

00:12:41,990 --> 00:12:39,960

have the central banking system we're

286

00:12:44,930 --> 00:12:42,000

currently invading them now yeah in

287

00:12:46,580 --> 00:12:44,940

toppling their governments right yeah so

288

00:12:48,860 --> 00:12:46,590

I mean I don't know it's a it's a it's a

289

00:12:50,450 --> 00:12:48,870

crazy ass you know crazy conspiracy you

290

00:12:51,980 --> 00:12:50,460

can go wherever you want to with it but

291

00:12:54,020 --> 00:12:51,990

right yeah I mean that's just some

292

00:12:55,580 --> 00:12:54,030

theories it's just some theories well

293

00:13:00,500 --> 00:12:55,590

we'll see we'll see in the next couple

294

00:13:04,390 --> 00:13:00,510

of years yeah dude hey guys thanks for

295

00:13:06,800 --> 00:13:04,400

adding me to this group Tasha what's up

296

00:13:08,420 --> 00:13:06,810

group yeah man thanks for coming along

297

00:13:13,250 --> 00:13:08,430

thanks for coming along

298

00:13:15,560 --> 00:13:13,260

let's see flat earther did the dinosaurs

299

00:13:19,329 --> 00:13:15,570

oh yeah Joseph posted the Flat Earth

300

00:13:30,470 --> 00:13:26,240

that's how dinosaurs died I wish I could

301  
00:13:34,460 --> 00:13:30,480  
fullscreen that fly off into space

302  
00:13:36,500 --> 00:13:34,470  
that's amazing oh but Chris is Chris's

303  
00:13:37,370 --> 00:13:36,510  
comment is even more funnier this is

304  
00:13:40,759 --> 00:13:37,380  
ridiculous

305  
00:13:46,460 --> 00:13:40,769  
it assumes dinosaurs were real that's

306  
00:13:49,879 --> 00:13:46,470  
one oh yeah oh yeah dance did I love

307  
00:13:50,689 --> 00:13:49,889  
that character style of this yeah that's

308  
00:13:52,009 --> 00:13:50,699  
what we should go for it

309  
00:13:52,970 --> 00:13:52,019  
like it's a little more realistic where

310  
00:13:55,490 --> 00:13:52,980  
there's like some highlights and

311  
00:13:57,650 --> 00:13:55,500  
lowlights and stuff yeah but that's dope

312  
00:14:00,889 --> 00:13:57,660  
I love that dude and then with our

313  
00:14:04,699 --> 00:14:00,899

Impala also yeah big fan of pimps II

314

00:14:08,300 --> 00:14:04,709

love pimp see all right moving on

315

00:14:12,110 --> 00:14:08,310

Oh what about this this fact-check the

316

00:14:18,230 --> 00:14:12,120

CGI yeah so Joseph

317

00:14:19,430 --> 00:14:18,240

I love the post yeah um you know we

318

00:14:20,930 --> 00:14:19,440

can't really see it right now but it was

319

00:14:22,730 --> 00:14:20,940

like this lightning ball that like went

320

00:14:24,500 --> 00:14:22,740

across this railroad track well you can

321

00:14:27,560 --> 00:14:24,510

see the video if you click see the video

322

00:14:30,740 --> 00:14:27,570

right down there but as you all know the

323

00:14:35,509 --> 00:14:30,750

almighty Facebook decided we're gonna

324

00:14:40,130 --> 00:14:35,519

fact-check your videos right and Joseph

325

00:14:42,920 --> 00:14:40,140

put at the top I caught this off the

326

00:14:45,560 --> 00:14:42,930

Ghostbusters fan page and then almighty

327

00:14:53,620 --> 00:14:45,570

Facebook was like this video is fake

328

00:14:57,680 --> 00:14:53,630

wait a minute here's why Ghostbusters

329

00:15:00,710 --> 00:14:57,690

what do you go away you're blowing it

330

00:15:01,280 --> 00:15:00,720

and you're making this not any fun no

331

00:15:03,949 --> 00:15:01,290

all right

332

00:15:06,500 --> 00:15:03,959

and then also like how can how can they

333

00:15:08,449 --> 00:15:06,510

expect us to be critical thinkers just

334

00:15:11,269 --> 00:15:08,459

kind of worked through the process on

335

00:15:13,490 --> 00:15:11,279

our own exactly ask our guests is being

336

00:15:15,530 --> 00:15:13,500

patted on the bottom exactly and me and

337

00:15:18,259 --> 00:15:15,540

you kind of sit here a banter when you

338

00:15:22,250 --> 00:15:18,269

when you cover my video and it says

339

00:15:23,750 --> 00:15:22,260

false information check by independent

340

00:15:26,090 --> 00:15:23,760

fact and then what's hilarious is that

341

00:15:28,250 --> 00:15:26,100

everybody in our comment section before

342

00:15:29,510 --> 00:15:28,260

they fact check it was like that's CGI

343

00:15:31,760 --> 00:15:29,520

yeah yeah

344

00:15:34,010 --> 00:15:31,770

it was like and then Facebook swoops in

345

00:15:36,260 --> 00:15:34,020

to save the day and it says false yeah

346

00:15:40,820 --> 00:15:36,270

this video is CGI I didn't need you

347

00:15:42,620 --> 00:15:40,830

Facebook yeah no [h\_\_h] we we got it okay

348

00:15:48,590 --> 00:15:42,630

so Facebook things were all down oh my

349

00:15:51,110 --> 00:15:48,600

god dude we have so many so many

350

00:15:53,930 --> 00:15:51,120

Joseph's yeah we have a like this I said

351

00:15:55,940 --> 00:15:53,940

third or the fourth one now yeah a lot

352

00:16:00,079 --> 00:15:55,950

of Chris's a lot of yeah a lot of

353

00:16:03,320 --> 00:16:00,089

Joseph's hey there's a conspiracy all on

354

00:16:05,240 --> 00:16:03,330

its own hey man I'll tell you what yeah

355

00:16:08,150 --> 00:16:05,250

that's a long-ass video but I think

356

00:16:09,829 --> 00:16:08,160

we've seen a lot of this where it goes

357

00:16:12,740 --> 00:16:09,839

through the different species what are

358

00:16:15,350 --> 00:16:12,750

these guys dude what legends of

359

00:16:17,210 --> 00:16:15,360

leprechauns and troll okay I just I've

360

00:16:29,630 --> 00:16:17,220

never seen that somehow knows baby

361

00:16:30,860 --> 00:16:29,640

people like Skyrim character yeah I mean

362

00:16:33,800 --> 00:16:30,870

there's some new ones that I haven't

363

00:16:35,510 --> 00:16:33,810

seen but I've seen a lot of these that's

364

00:16:44,769 --> 00:16:35,520

a cockroach videos like Cucaracha

365

00:16:56,060 --> 00:16:52,660

was like what if he was like purple I

366

00:17:02,600 --> 00:16:56,070

know we call ourselves the orange but

367

00:17:05,120 --> 00:17:02,610

you're purple no we're not you will go

368

00:17:06,169 --> 00:17:05,130

get me a doctor you will give me a

369

00:17:09,949 --> 00:17:06,179

doctor

370

00:17:12,439 --> 00:17:09,959

have you seen let's get on SNL it's

371

00:17:14,720 --> 00:17:12,449

Bobby Moynihan he's like they're doing

372

00:17:18,799 --> 00:17:14,730

like a Star Wars bit I'm doing like the

373

00:17:21,350 --> 00:17:18,809

force and he's trying to be George Lucas

374

00:17:27,079 --> 00:17:21,360

he's like telling the the PA behind Cena

375

00:17:28,970 --> 00:17:27,089

you will go get me a diet coke okay so

376

00:17:31,730 --> 00:17:28,980

oh is this the CIA document that you

377

00:17:33,910 --> 00:17:31,740

pulled up yeah yeah that was pretty cool

378

00:17:36,350 --> 00:17:33,920

is this the one you're talking about uh

379

00:17:39,200 --> 00:17:36,360

no no this is a different one okay

380

00:17:42,900 --> 00:17:39,210

that's the FBI document Oh

381

00:17:44,550 --> 00:17:42,910

I also posted a link to NSA documents so

382

00:17:47,820 --> 00:17:44,560

this week ladies and gentlemen we've got

383

00:17:52,290 --> 00:17:47,830

CIA we've got FBI and we've got in SA

384

00:17:54,900 --> 00:17:52,300

yeah yeah that document though was kind

385

00:18:00,990 --> 00:17:54,910

of crazy because yeah it talks it talks

386

00:18:05,730 --> 00:18:01,000

about they found this this crashed this

387

00:18:07,740 --> 00:18:05,740

crashed object and then the military

388

00:18:09,240 --> 00:18:07,750

would you go check it out and there was

389

00:18:12,090 --> 00:18:09,250

a couple guys hiding behind some trees

390

00:18:16,680 --> 00:18:12,100

um but these beings came out of the

391

00:18:20,850 --> 00:18:16,690

craft and they all combined into a one

392

00:18:23,790 --> 00:18:20,860

being right what ooh which which I would

393

00:18:25,770 --> 00:18:23,800

like to point out um kind of makes me

394

00:18:27,480 --> 00:18:25,780

believe that the story of Bill and Ted

395

00:18:30,000 --> 00:18:27,490

is a true story

396

00:18:33,980 --> 00:18:30,010

because remember when stationed combined

397

00:18:37,110 --> 00:18:33,990

the two the two guys a little alien

398

00:18:44,630 --> 00:18:37,120

station and then and then [h\_\_h] he

399

00:18:54,810 --> 00:18:46,170

yeah dude

400

00:18:57,450 --> 00:18:54,820

so station right on these aliens

401  
00:19:00,300 --> 00:18:57,460  
combined and one thing and it was like

402  
00:19:02,880 --> 00:19:00,310  
this glowing like ball I was like an orb

403  
00:19:07,500 --> 00:19:02,890  
and then it like it put out this big

404  
00:19:09,210 --> 00:19:07,510  
energy and the energy was like so potent

405  
00:19:17,570 --> 00:19:09,220  
that it like turn these dudes to like

406  
00:19:26,280 --> 00:19:24,720  
love it almost isn't weird yeah they're

407  
00:19:29,510 --> 00:19:26,290  
like the master engineers of the

408  
00:19:32,040 --> 00:19:29,520  
universe and so here they're there

409  
00:19:34,710 --> 00:19:32,050  
they're building like robot Isis I

410  
00:19:36,570 --> 00:19:34,720  
remember a little bit about this there's

411  
00:19:39,150 --> 00:19:36,580  
the evil Isis and they're trying to

412  
00:19:48,269 --> 00:19:39,160  
fight the evil us is right so they build

413  
00:19:58,629 --> 00:19:57,159

initiate final plan now you got it okay

414

00:20:01,890 --> 00:19:58,639

let's get forward to the station part

415

00:20:16,270 --> 00:20:04,770

[Music]

416

00:20:22,330 --> 00:20:20,710

I can't wait for the third one to come

417

00:20:23,860 --> 00:20:22,340

out are they really doing it they're

418

00:20:46,930 --> 00:20:23,870

really doing oh my god that's amazing

419

00:20:48,700 --> 00:20:46,940

yeah so yeah that's said that's what the

420

00:20:50,680 --> 00:20:48,710

CIA document was well that's what it's

421

00:20:53,710 --> 00:20:50,690

about it's about station

422

00:20:57,840 --> 00:20:53,720

they met station oh my god three little

423

00:21:00,760 --> 00:20:57,850

stations turned into one big station

424

00:21:04,720 --> 00:21:00,770

Chris haven't had a chance to check out

425

00:21:07,390 --> 00:21:04,730

the last part three yet of the Jack

426

00:21:11,640 --> 00:21:07,400

Carroll man memoirs yeah

427

00:21:15,370 --> 00:21:11,650

manners the man worse mayor but gonna

428

00:21:29,940 --> 00:21:15,380

absolutely oh we're gonna we're sure

429

00:21:41,620 --> 00:21:29,950

we're gonna oh he's like perfect timing

430

00:21:43,120 --> 00:21:41,630

okay okay so dude we were talking about

431

00:21:46,290 --> 00:21:43,130

this we've talked about this one of our

432

00:21:52,800 --> 00:21:46,300

first episodes ever yeah this Chinese

433

00:21:56,950 --> 00:21:55,510

so the guy so what's the point of I

434

00:21:58,150 --> 00:21:56,960

didn't I didn't get a chance to read I

435

00:22:01,060 --> 00:21:58,160

haven't got a chance to read through

436

00:22:03,040 --> 00:22:01,070

this yeah no I know but the original one

437

00:22:05,500 --> 00:22:03,050

was the fact that the guy had made the

438

00:22:07,420 --> 00:22:05,510

technology tried to patent it and then

439

00:22:10,240 --> 00:22:07,430

the Patent Office wouldn't patent it

440

00:22:13,000 --> 00:22:10,250

right and then there he was like I take

441

00:22:16,720 --> 00:22:13,010

it to China and then and then the Navy

442

00:22:18,670 --> 00:22:16,730

or something was like Oh back here yeah

443

00:22:22,480 --> 00:22:18,680

we already have the patent for you I

444

00:22:23,860 --> 00:22:22,490

think they patented it so but I have to

445

00:22:25,540 --> 00:22:23,870

we have to read through that one yeah

446

00:22:28,600 --> 00:22:25,550

hit it on the next one because maybe

447

00:22:30,590 --> 00:22:28,610

there's uh some more news that just came

448

00:22:34,370 --> 00:22:30,600

out maybe

449

00:22:38,480 --> 00:22:34,380

maybe why me alright we gotta check out

450

00:22:40,880 --> 00:22:38,490

our new buddy greens orb that I summoned

451  
00:22:44,750 --> 00:22:40,890  
yes sir so creep I mean what you think

452  
00:22:47,320 --> 00:22:44,760  
summons orbs so it's interesting this is

453  
00:22:49,159 --> 00:22:47,330  
a still image right immediately but you

454  
00:22:52,240 --> 00:22:49,169  
really don't know what its gonna get

455  
00:22:55,400 --> 00:22:52,250  
that dang zoo man yeah it's definitely a

456  
00:22:59,200 --> 00:22:55,410  
square and whatever or something inside

457  
00:23:02,060 --> 00:22:59,210  
the center looks to be about a cube or

458  
00:23:05,120 --> 00:23:02,070  
squares it looks like a keyhole

459  
00:23:06,680 --> 00:23:05,130  
it does look or something's like in

460  
00:23:08,990 --> 00:23:06,690  
front of it and then oh I like it looks

461  
00:23:10,220 --> 00:23:09,000  
like it changes a little bit I mean so

462  
00:23:11,390 --> 00:23:10,230  
there's there's a couple things like

463  
00:23:14,210 --> 00:23:11,400

obviously there's something in the sky

464

00:23:17,120 --> 00:23:14,220

with that we're a color coming off but

465

00:23:18,320 --> 00:23:17,130

uh like pixelation like video there's

466

00:23:19,970 --> 00:23:18,330

some weird artifacts that can happen

467

00:23:21,799 --> 00:23:19,980

when you pixel a video that's not a high

468

00:23:23,090 --> 00:23:21,809

resolution right right yeah objects far

469

00:23:25,070 --> 00:23:23,100

away they can make them look weird you

470

00:23:27,590 --> 00:23:25,080

can take a photo with a cell phone

471

00:23:30,950 --> 00:23:27,600

camera of a plane that's far away and

472

00:23:31,279 --> 00:23:30,960

it'll look square so I don't know what

473

00:23:33,260 --> 00:23:31,289

that is

474

00:23:36,020 --> 00:23:33,270

I'd love to see more like I'm super

475

00:23:38,090 --> 00:23:36,030

interested that you can summon these UFO

476

00:23:39,890 --> 00:23:38,100

so I want to see more stuff I'm not

477

00:23:41,120 --> 00:23:39,900

saying that that it was just an artifact

478

00:23:43,640 --> 00:23:41,130

I'm just saying that that's a

479

00:23:45,860 --> 00:23:43,650

possibility I'm not totally like trying

480

00:23:47,899 --> 00:23:45,870

to like discredited or whatever but dude

481

00:23:49,490 --> 00:23:47,909

I mean I have no idea what this is yeah

482

00:23:50,899 --> 00:23:49,500

I don't know what it is I would do it I

483

00:23:55,520 --> 00:23:50,909

would actually like to talk to you and

484

00:23:57,799 --> 00:23:55,530

in kind of talk us through this because

485

00:24:00,200 --> 00:23:57,809

I mean that's pretty cool especially if

486

00:24:02,779 --> 00:24:00,210

you can just kind of do this I mean I

487

00:24:04,730 --> 00:24:02,789

mean you know like you know like Melinda

488

00:24:06,980 --> 00:24:04,740

and then they're like hey you know like

489

00:24:10,159 --> 00:24:06,990

just hang out just just hang out there's

490

00:24:12,590 --> 00:24:10,169

something about us that if we're there

491

00:24:15,020 --> 00:24:12,600

more than likely you'll see a UFO yeah

492

00:24:16,820 --> 00:24:15,030

right so stay away the mag maybe maybe

493

00:24:19,340 --> 00:24:16,830

he's got kind of the same thing he's

494

00:24:23,390 --> 00:24:19,350

like hey I just I'm just living my life

495

00:24:25,250 --> 00:24:23,400

and these things show up right yeah but

496

00:24:27,549 --> 00:24:25,260

yeah it does I mean it looks like a like

497

00:24:30,049 --> 00:24:27,559

a keyhole yeah that's it

498

00:24:31,669 --> 00:24:30,059

soon you're sick yeah I want to hear

499

00:24:39,130 --> 00:24:31,679

more I'm the keymaster you the

500

00:24:41,350 --> 00:24:39,140

gatekeeper ghostbusters Rick Moranis

501  
00:24:43,700 --> 00:24:41,360  
recently watch Ghostbusters dude it's a

502  
00:24:46,190 --> 00:24:43,710  
trippy ass move

503  
00:24:48,590 --> 00:24:46,200  
it's awesome dude have you have you seen

504  
00:24:50,300 --> 00:24:48,600  
the new one with the or wait has it come

505  
00:24:52,910 --> 00:24:50,310  
out yet no no one with a little kids

506  
00:24:54,350 --> 00:24:52,920  
yeah the new one hasn't come out yet but

507  
00:24:57,020 --> 00:24:54,360  
it's the dude from stranger things yeah

508  
00:24:58,280 --> 00:24:57,030  
yeah I've heard about it or I watched an

509  
00:25:00,260 --> 00:24:58,290  
interview with that one of the kids one

510  
00:25:03,740 --> 00:25:00,270  
of the actors but not whole thing kids

511  
00:25:05,840 --> 00:25:03,750  
come out yet uh dude so what do you

512  
00:25:09,650 --> 00:25:05,850  
think about this men in black video dude

513  
00:25:12,040 --> 00:25:09,660

yeah and sparks yeah posted so I've seen

514

00:25:17,620 --> 00:25:12,050

this video before

515

00:25:27,340 --> 00:25:17,630

and dude first off make it quick and

516

00:25:31,120 --> 00:25:27,350

it's a nine minute video I mean III

517

00:25:33,550 --> 00:25:31,130

think I don't know there's not enough

518

00:25:38,470 --> 00:25:33,560

context to it there's not enough context

519

00:25:40,420 --> 00:25:38,480

to it I like the idea do sin if and if

520

00:25:42,940 --> 00:25:40,430

this if this were to be like a real

521

00:25:46,570 --> 00:25:42,950

situation that goes down yeah right

522

00:25:47,620 --> 00:25:46,580

in you're a police officer the fact that

523

00:25:50,890 --> 00:25:47,630

somebody would be able to have the

524

00:25:52,840 --> 00:25:50,900

mental capacity to well not a police

525

00:25:55,750 --> 00:25:52,850

officer just he's a security guard

526

00:25:59,830 --> 00:25:55,760

so all right security guard yeah the the

527

00:26:01,960 --> 00:25:59,840

fact that like you know something could

528

00:26:05,020 --> 00:26:01,970

come in look at you and you would just

529

00:26:07,150 --> 00:26:05,030

get up without grabbing your gun you

530

00:26:09,160 --> 00:26:07,160

know and just go with it like is kind of

531

00:26:11,110 --> 00:26:09,170

crazy like leave your purse leave all

532

00:26:21,190 --> 00:26:11,120

your personal behind yeah you're behind

533

00:26:23,380 --> 00:26:21,200

you're behind guys all right yeah are

534

00:26:27,400 --> 00:26:23,390

your personal things behind me

535

00:26:29,590 --> 00:26:27,410

don't forget your buddies yeah

536

00:26:33,070 --> 00:26:29,600

that's I mean that's that's pretty crazy

537

00:26:37,450 --> 00:26:33,080

so I can't want to just skip ahead for

538

00:26:48,100 --> 00:26:37,460

YouTube purposes the guy walks in oh my

539

00:26:49,390 --> 00:26:48,110

god that's so creepy and he's so tall

540

00:26:50,620 --> 00:26:49,400

and compared to the guy that walked out

541

00:26:53,020 --> 00:26:50,630

of the friends yeah it's like [h\_\_h]

542

00:26:55,390 --> 00:26:53,030

feet tall he looks

543

00:26:58,150 --> 00:26:55,400

I mean bald and he just does this little

544

00:27:00,520 --> 00:26:58,160

hand movement she's got her gun just

545

00:27:03,190 --> 00:27:00,530

pulls out the [h\_\_h] inner handle and

546

00:27:04,420 --> 00:27:03,200

puts it softly away so people are just

547

00:27:08,800 --> 00:27:04,430

listening to this we're watching this

548

00:27:10,570 --> 00:27:08,810

video on our Facebook group and it's a

549

00:27:12,220 --> 00:27:10,580

video of a supposed man in black

550

00:27:15,070 --> 00:27:12,230

encounter and it this woman's at a law

551  
00:27:17,020 --> 00:27:15,080  
office it's being narrated by a security

552  
00:27:19,210 --> 00:27:17,030  
guard and it's just a weird encounter of

553  
00:27:20,380 --> 00:27:19,220  
a guy with a black suit walking in doing

554  
00:27:21,940 --> 00:27:20,390  
some hand movements and basically

555  
00:27:24,580 --> 00:27:21,950  
control it looks like it's controlling

556  
00:27:26,110 --> 00:27:24,590  
the mind of this yes receptionist

557  
00:27:27,490 --> 00:27:26,120  
she just at first seemed like really

558  
00:27:29,560 --> 00:27:27,500  
distracted and then he did this hand

559  
00:27:30,880 --> 00:27:29,570  
movement and she totally changed

560  
00:27:34,169 --> 00:27:30,890  
demeanor and walked out with the guy and

561  
00:27:39,250 --> 00:27:34,179  
left a pistol behind but what if what if

562  
00:27:42,970 --> 00:27:39,260  
he was like hey baby want to go to the

563  
00:27:44,950 --> 00:27:42,980

Cheesecake Factory and she was like get

564

00:27:48,519 --> 00:27:44,960

away from me I have my gun you creep and

565

00:27:51,279 --> 00:27:48,529

he's like heck but we can go to the

566

00:27:52,750 --> 00:27:51,289

Cheesecake Factory in my Ferrari and she

567

00:27:55,870 --> 00:27:52,760

was like oh for Robbie

568

00:27:56,980 --> 00:27:55,880

I love Ferraris and he's like that's

569

00:27:58,990 --> 00:27:56,990

right baby

570

00:28:01,600 --> 00:27:59,000

and then so like she pulls the clip out

571

00:28:03,220 --> 00:28:01,610

and and that's why she leaves her purse

572

00:28:07,480 --> 00:28:03,230

and everything behind right cuz you see

573

00:28:09,519 --> 00:28:07,490

no money you don't need no money Danny

574

00:28:12,159 --> 00:28:09,529

they're gonna Cheesecake Factory in a

575

00:28:14,049 --> 00:28:12,169

Ferrari die do you already know purse

576

00:28:17,769 --> 00:28:14,059

when you're going into Cheesecake

577

00:28:21,789 --> 00:28:17,779

Factory that's right yeah so that also

578

00:28:24,549 --> 00:28:21,799

is a possibility yeah definitely these

579

00:28:25,750 --> 00:28:24,559

chairs are making so much it's new I

580

00:28:27,399 --> 00:28:25,760

don't know if you guys noticed but I'm a

581

00:28:30,159 --> 00:28:27,409

little bit taller today yeah I did

582

00:28:40,480 --> 00:28:30,169

you're sitting in a legit computer chair

583

00:28:43,269 --> 00:28:40,490

it's like a baller Oh baller got it was

584

00:28:45,130 --> 00:28:43,279

a palm dude Sonny do this [h\_\_\h] cracked

585

00:29:01,539 --> 00:28:45,140

me up when I first saw it like this

586

00:29:03,430 --> 00:29:01,549

rainbow cloud things me of another Adam

587

00:29:05,980 --> 00:29:03,440

Sandler reference whatever is like I've

588

00:29:11,950 --> 00:29:05,990

never seen a blue duck before and so I

589

00:29:14,529 --> 00:29:11,960

made the duck blue I've never seen this

590

00:29:17,889 --> 00:29:14,539

before and I don't know what it is and

591

00:29:20,740 --> 00:29:17,899

I'm not too sure what oh what a

592

00:29:23,169 --> 00:29:20,750

chemtrail looks like has anyone ever

593

00:29:25,029 --> 00:29:23,179

seen one of these before I took that

594

00:29:27,549 --> 00:29:25,039

picture over my house in Fresno

595

00:29:29,590 --> 00:29:27,559

California I have a Galaxy Note phone

596

00:29:32,049 --> 00:29:29,600

and I can draw on screen when I take a

597

00:29:33,970 --> 00:29:32,059

picture so I drew the dragon head

598

00:29:34,470 --> 00:29:33,980

because I thought I seen one in the

599

00:29:36,659 --> 00:29:34,480

clouds

600

00:29:40,109 --> 00:29:36,669

[Laughter]

601  
00:29:40,919 --> 00:29:40,119  
is it looked really cool and it was

602  
00:29:45,149 --> 00:29:40,929  
really pretty

603  
00:29:47,279 --> 00:29:45,159  
it looks awesome yeah it is pretty cool

604  
00:29:49,769 --> 00:29:47,289  
I think Gary had a really good reply to

605  
00:29:52,680 --> 00:29:49,779  
it yeah yeah I've personally never seen

606  
00:29:54,570 --> 00:29:52,690  
anything like that um but yeah I mean

607  
00:29:56,340 --> 00:29:54,580  
Gary's explanation that makes water

608  
00:29:58,349 --> 00:29:56,350  
vapor it's like it's a rainbow in this

609  
00:30:01,590 --> 00:29:58,359  
guy yeah yeah I've never seen one

610  
00:30:03,299 --> 00:30:01,600  
personal yeah just a big floating prism

611  
00:30:06,539 --> 00:30:03,309  
it looks dope though did ya that's

612  
00:30:08,820 --> 00:30:06,549  
pretty sick and it is cool how like

613  
00:30:11,669 --> 00:30:08,830

there's these clouds and then there's

614

00:30:13,799 --> 00:30:11,679

just this just it seems pretty out of

615

00:30:17,279 --> 00:30:13,809

place it does it's just like a line

616

00:30:17,999 --> 00:30:17,289

across the sky yeah for no reason yeah

617

00:30:20,549 --> 00:30:18,009

interesting

618

00:30:22,799 --> 00:30:20,559

I think the dragon is a good touch

619

00:30:24,930 --> 00:30:22,809

though I think it makes the picture

620

00:30:28,200 --> 00:30:24,940

makes more sense with the dragon the

621

00:30:30,899 --> 00:30:28,210

dragon exactly you're like oh okay like

622

00:30:32,700 --> 00:30:30,909

dragon I didn't really know what I was

623

00:30:46,169 --> 00:30:32,710

looking at but I loved it I love that

624

00:30:48,509 --> 00:30:46,179

dude he's great no I missed this one but

625

00:30:51,720 --> 00:30:48,519

I think it has something to do related

626

00:30:53,999 --> 00:30:51,730

to we he had posted another thing about

627

00:30:55,560 --> 00:30:54,009

how people were trying to get the FOIA

628

00:30:57,599 --> 00:30:55,570

documents oh yeah Freedom of Information

629

00:30:59,310 --> 00:30:57,609

Act right right and they're like nah

630

00:31:01,499 --> 00:30:59,320

we're good we don't have it anymore

631

00:31:03,330 --> 00:31:01,509

yeah we sent it to somebody else I don't

632

00:31:05,099 --> 00:31:03,340

I don't know if that's what this

633

00:31:07,200 --> 00:31:05,109

specifically has to do it there's

634

00:31:10,229 --> 00:31:07,210

probably more information in this by the

635

00:31:12,570 --> 00:31:10,239

way the black vault is a badass website

636

00:31:14,430 --> 00:31:12,580

I love the black vault it's just a

637

00:31:16,680 --> 00:31:14,440

collection of government documents

638

00:31:19,590 --> 00:31:16,690

that's sick that's all it is so is it on

639

00:31:21,690 --> 00:31:19,600

like is it government related or no it's

640

00:31:24,359 --> 00:31:21,700

a guy who started a website it's all

641

00:31:26,070 --> 00:31:24,369

FOIA requests and like old government

642

00:31:28,320 --> 00:31:26,080

documents that you would never think to

643

00:31:30,509 --> 00:31:28,330

think of and he's gotten yeah everything

644

00:31:33,509 --> 00:31:30,519

from like military stuff - UFO crash

645

00:31:36,810 --> 00:31:33,519

it's like just weird conspiracy things

646

00:31:39,149 --> 00:31:36,820

that the government actually like took

647

00:31:40,919 --> 00:31:39,159

time to investigate it's got everything

648

00:31:42,419 --> 00:31:40,929

dang that's awesome absolutely

649

00:31:43,409 --> 00:31:42,429

everything it's it's pretty odd that

650

00:31:47,110 --> 00:31:43,419

guys awesome

651

00:31:54,830 --> 00:31:49,400

[Music]

652

00:31:58,010 --> 00:31:54,840

I had it pulled up it was a it was a guy

653

00:32:03,200 --> 00:31:58,020

link guy yeah

654

00:32:06,920 --> 00:32:03,210

I think debunking aim results marketing

655

00:32:11,090 --> 00:32:06,930

an exemption right the evidence no one

656

00:32:12,620 --> 00:32:11,100

is talking about maybe maybe we're

657

00:32:14,870 --> 00:32:12,630

talking about it right now though yeah

658

00:32:19,190 --> 00:32:14,880

but I they don't know that we're talking

659

00:32:19,640 --> 00:32:19,200

about it yet all right we'll read it

660

00:32:22,520 --> 00:32:19,650

later

661

00:32:27,080 --> 00:32:22,530

yeah really guys we're already talking

662

00:32:29,480 --> 00:32:27,090

about it they didn't know that we knew

663

00:32:30,950 --> 00:32:29,490

that they knew they knew that that we

664

00:32:32,710 --> 00:32:30,960

knew the stuff and then we were gonna

665

00:32:35,630 --> 00:32:32,720

know the stuff right

666

00:32:38,810 --> 00:32:35,640

we're like smorc hey dude I've become a

667

00:32:41,060 --> 00:32:38,820

visual storyteller on the page oh yeah

668

00:32:44,000 --> 00:32:41,070

dude you're so legit bro hell yeah jewel

669

00:32:47,530 --> 00:32:44,010

storyteller well I get [h\_\_h] and that's

670

00:32:50,540 --> 00:32:47,540

where you can find the NSA documents of

671

00:32:52,730 --> 00:32:50,550

everything you see the UFO index was he

672

00:32:55,880 --> 00:32:52,740

on the innocent you were gonna show me

673

00:32:57,370 --> 00:32:55,890

the this one that's the the FBI doc my

674

00:33:04,490 --> 00:32:57,380

god

675

00:33:06,740 --> 00:33:04,500

hey hey dude I mean we got documents we

676  
00:33:08,150 --> 00:33:06,750  
got documents you know number one two

677  
00:33:10,970 --> 00:33:08,160  
three too many to count

678  
00:33:12,290 --> 00:33:10,980  
no I'm back a lot of talking I mean a

679  
00:33:13,310 --> 00:33:12,300  
and that's what people want right to

680  
00:33:15,500 --> 00:33:13,320  
layer words of proof

681  
00:33:17,450 --> 00:33:15,510  
where's the documents dude we got

682  
00:33:19,310 --> 00:33:17,460  
documents for days all right

683  
00:33:21,290 --> 00:33:19,320  
yeah doctor scientist doesn't refer to

684  
00:33:23,750 --> 00:33:21,300  
an actual doctor it's document its

685  
00:33:26,570 --> 00:33:23,760  
document yeah doctor scientists yeah

686  
00:33:29,390 --> 00:33:26,580  
yeah the doctor mints yeah doctor mints

687  
00:33:32,930 --> 00:33:29,400  
they're actual mints to make your breath

688  
00:33:36,430 --> 00:33:32,940

smell like man butter dude what a cool

689

00:33:40,010 --> 00:33:36,440

idea if you could somehow transfer

690

00:33:41,810 --> 00:33:40,020

everything in a document onto a mint eat

691

00:33:45,110 --> 00:33:41,820

the mint to make your breath smell good

692

00:33:48,130 --> 00:33:45,120

and then all the you know stuff and yeah

693

00:33:51,380 --> 00:33:48,140

the document is like in your head now

694

00:33:54,590 --> 00:33:51,390

yeah I'll take two that's what I would

695

00:33:56,570 --> 00:33:54,600

like to relearn math and history that

696

00:33:57,740 --> 00:33:56,580

would be sick I would take so many mints

697

00:34:01,790 --> 00:33:57,750

dude

698

00:34:05,720 --> 00:34:01,800

another good sphere video I mean bro I

699

00:34:12,810 --> 00:34:09,090

there's a little shiny balls a lot of

700

00:34:15,960 --> 00:34:12,820

balls in the sky do aliens like balls

701

00:34:19,860 --> 00:34:15,970

dude hoodies love ball love balls

702

00:34:20,340 --> 00:34:19,870

shiny shiny shiny ass balls look at this

703

00:34:23,520 --> 00:34:20,350

thing

704

00:34:29,490 --> 00:34:23,530

dude that's crazy love his music - this

705

00:34:47,659 --> 00:34:29,500

is [h\_\_h] it was like we were flying

706

00:34:52,080 --> 00:34:50,700

contain ourselves for long enough if we

707

00:34:54,149 --> 00:34:52,090

don't mute it look at this thing just

708

00:34:56,010 --> 00:34:54,159

like morphing back and forth you know

709

00:34:58,350 --> 00:34:56,020

what this reminds me of I uh I started

710

00:35:03,870 --> 00:34:58,360

watching uh oh dang it

711

00:35:05,670 --> 00:35:03,880

the dude from Mythbusters Adam something

712

00:35:09,330 --> 00:35:05,680

the redhead or the mustache redhead

713

00:35:12,720 --> 00:35:09,340

redhead yeah I can't think of what the

714

00:35:14,940 --> 00:35:12,730

thing oh no no it was from Chris Ramsey

715

00:35:16,740 --> 00:35:14,950

than the magician I follow a magician on

716

00:35:18,810 --> 00:35:16,750

YouTube anyway he'd got the he bought

717

00:35:20,910 --> 00:35:18,820

this little this little this little

718

00:35:23,160 --> 00:35:20,920

device that would that emit sound

719

00:35:28,350 --> 00:35:23,170

frequencies and you can suspend little

720

00:35:29,940 --> 00:35:28,360

droplets of water in space like little

721

00:35:31,350 --> 00:35:29,950

tiny speakers up above and below and

722

00:35:33,720 --> 00:35:31,360

then you got it like a syringe and like

723

00:35:35,490 --> 00:35:33,730

dropped a little piece of chocolate they

724

00:35:37,260 --> 00:35:35,500

got like a macro lens and zoomed in on

725

00:35:39,900 --> 00:35:37,270

it and the water droplet looks awfully

726

00:35:41,550 --> 00:35:39,910

like that that UFO that's cool just kind

727

00:35:44,670 --> 00:35:41,560

of like spinning around in geometric

728

00:35:46,650 --> 00:35:44,680

shapes so using frequency using

729

00:35:48,720 --> 00:35:46,660

frequency so what does that tell you

730

00:35:50,820 --> 00:35:48,730

that has something to do with the shape

731

00:35:53,670 --> 00:35:50,830

and what like visually that these ships

732

00:35:57,080 --> 00:35:53,680

are the hardest the frequency that the

733

00:35:59,850 --> 00:35:57,090

ship may be putting off yeah to you know

734

00:36:02,160 --> 00:35:59,860

come to our level right why around the

735

00:36:03,750 --> 00:36:02,170

way it does yeah by using frequency cuz

736

00:36:05,100 --> 00:36:03,760

I mean that's what they do like with all

737

00:36:07,830 --> 00:36:05,110

the like the levitation stuff like

738

00:36:12,120 --> 00:36:07,840

you've seen the guy he's got that lab

739

00:36:13,440 --> 00:36:12,130

where he turns on the the speakers yeah

740

00:36:15,240 --> 00:36:13,450

and he Tunes them to different

741

00:36:16,650 --> 00:36:15,250

frequencies and it's like levitating

742

00:36:19,860 --> 00:36:16,660

bowling balls and she

743

00:36:22,350 --> 00:36:19,870

yeah that's been around for a while all

744

00:36:24,890 --> 00:36:22,360

done and yeah I just I thought this was

745

00:36:27,480 --> 00:36:24,900

reminiscent it's the the way that the

746

00:36:29,220 --> 00:36:27,490

the spear is kind of morphing in and out

747

00:36:31,740 --> 00:36:29,230

that you match at UFO up in the corners

748

00:36:37,020 --> 00:36:31,750

fake by the way no this was the one

749

00:36:54,510 --> 00:36:37,030

we're looking but yeah do you lots of

750

00:36:59,070 --> 00:36:54,520

balls man lots of houses so Jax howdy

751  
00:37:05,490 --> 00:36:59,080  
count us over he makes a bet with Kyle

752  
00:37:08,010 --> 00:37:05,500  
and he loses like like a kings outfit

753  
00:37:09,600 --> 00:37:08,020  
with the crown and like great cape he

754  
00:37:20,100 --> 00:37:09,610  
goes to like Kyle's house and he's like

755  
00:37:22,200 --> 00:37:20,110  
tells us pairs is like yeah for some

756  
00:37:25,350 --> 00:37:22,210  
reason down the road stands like in this

757  
00:37:28,470 --> 00:37:25,360  
like in a very dire situation I think is

758  
00:37:31,050 --> 00:37:28,480  
it the Imaginationland when this happens

759  
00:37:33,690 --> 00:37:31,060  
and he's like in this scientific Wiz

760  
00:37:35,340 --> 00:37:33,700  
with all the scientists around and he's

761  
00:37:38,040 --> 00:37:35,350  
like trying to save the world and

762  
00:37:40,620 --> 00:37:38,050  
Cartman [h\_\_\h] ruins it like blast in

763  
00:37:43,590 --> 00:37:40,630

there and he was like no you can't move

764

00:37:45,480 --> 00:37:43,600

on until he licks my dad's a bounce and

765

00:37:48,720 --> 00:37:45,490

you're like he has a point here one

766

00:38:00,180 --> 00:37:48,730

thing it goes because gamma my adviser

767

00:38:04,470 --> 00:38:00,190

extra vinegary dude Stan I mean uh ya

768

00:38:08,940 --> 00:38:04,480

know captain Randy Randy is like my

769

00:38:11,250 --> 00:38:08,950

favorite favorite character Randy Marsh

770

00:38:17,400 --> 00:38:11,260

yeah the dad yeah dude yeah that's uh

771

00:38:28,350 --> 00:38:17,410

that's uh publicly known as with the the

772

00:38:29,700 --> 00:38:28,360

mute the musicians name Lord yeah it's

773

00:38:30,150 --> 00:38:29,710

funny how that show has grown up with us

774

00:38:31,289 --> 00:38:30,160

like I

775

00:38:33,480 --> 00:38:31,299

started watching it when I was in the

776

00:38:35,430 --> 00:38:33,490

sixth grade yeah and the star of the

777

00:38:37,740 --> 00:38:35,440

show has always been Cartman and then

778

00:38:39,960 --> 00:38:37,750

like at some point Randy started being

779

00:38:42,510 --> 00:38:39,970

the star of the show as weird mentoring

780

00:38:45,660 --> 00:38:42,520

act like our late 20s early 30s uh-huh

781

00:38:46,890 --> 00:38:45,670

now he's kind of like oh like we like

782

00:38:48,870 --> 00:38:46,900

the people that grew up on South Park

783

00:38:50,400 --> 00:38:48,880

relate more to Randy and then they then

784

00:38:52,529 --> 00:38:50,410

they do Cartman yeah I still miss

785

00:38:54,839 --> 00:38:52,539

Cartman episodes though yeah I mean like

786

00:38:57,240 --> 00:38:54,849

all in on Randy he's just always getting

787

00:38:58,829 --> 00:38:57,250

into some kind of crazy [h\_\_\h] like that's

788

00:39:01,620 --> 00:38:58,839

what I love about it I love it when he

789

00:39:05,819 --> 00:39:01,630

like tries to be a chef the creme

790

00:39:10,200 --> 00:39:05,829

fraiche episode too [h\_\_h] slow goddamn

791

00:39:12,210 --> 00:39:10,210

art it's so good alright so what about

792

00:39:15,900 --> 00:39:12,220

this Marilyn Marilyn Monroe Marilyn

793

00:39:17,670 --> 00:39:15,910

Monroe come food I mean somebody said

794

00:39:20,190 --> 00:39:17,680

what's the conspiracy I mean you know a

795

00:39:22,859 --> 00:39:20,200

little bit about it yeah so the the

796

00:39:25,589 --> 00:39:22,869

Marilyn Monroe case you know obviously

797

00:39:28,500 --> 00:39:25,599

she was you know sleeping around with

798

00:39:31,349 --> 00:39:28,510

the Kennedys like a perilous world yeah

799

00:39:36,599 --> 00:39:31,359

apparently she had went to like an Air

800

00:39:37,650 --> 00:39:36,609

Force Base and apparently Kennedy had

801  
00:39:42,630 --> 00:39:37,660  
told her some stuff

802  
00:39:44,400 --> 00:39:42,640  
oh and whenever they told her that look

803  
00:39:47,549 --> 00:39:44,410  
we can't hang out with you anymore you

804  
00:39:50,660 --> 00:39:47,559  
got to get out of here she was like well

805  
00:39:52,710 --> 00:39:50,670  
I'm gonna tell everybody what I know and

806  
00:39:54,750 --> 00:39:52,720  
she said she was gonna start talking

807  
00:39:56,339 --> 00:39:54,760  
yeah cuz they were like oh we can't hang

808  
00:39:58,049 --> 00:39:56,349  
out anymore yeah they were like we can't

809  
00:40:00,240 --> 00:39:58,059  
we can't do this anymore and so she was

810  
00:40:02,069 --> 00:40:00,250  
like well I'm gonna just tell everybody

811  
00:40:05,430 --> 00:40:02,079  
everything that I know we've heard the

812  
00:40:06,690 --> 00:40:05,440  
the tapped phone wire of somebody in the

813  
00:40:10,260 --> 00:40:06,700

White House talking to somebody at the

814

00:40:12,930 --> 00:40:10,270

CIA saying that hey oh girl has been

815

00:40:14,880 --> 00:40:12,940

talking like pillow talk with our boy

816

00:40:16,319 --> 00:40:14,890

yeah we can't we got to do something

817

00:40:20,549 --> 00:40:16,329

about that yeah we can't have that

818

00:40:22,529 --> 00:40:20,559

happening yeah yeah so dude so basically

819

00:40:24,539 --> 00:40:22,539

she knew some [h\_\_h] that she probably

820

00:40:26,970 --> 00:40:24,549

shouldn't have mm-hmm she was about to

821

00:40:29,460 --> 00:40:26,980

spill the beans cuz she I don't know

822

00:40:33,390 --> 00:40:29,470

that because she got ghosted I guess and

823

00:40:35,970 --> 00:40:33,400

the fact that this would be a good

824

00:40:38,789 --> 00:40:35,980

Lorien question but she did say that

825

00:40:41,400 --> 00:40:38,799

Kennedy being assassinated did have

826

00:40:42,609 --> 00:40:41,410

something to do with aliens in the UFO

827

00:40:45,099 --> 00:40:42,619

subject

828

00:40:48,809 --> 00:40:45,109

right I mean I've heard I've heard stuff

829

00:40:52,359 --> 00:40:48,819

that you know he was gonna try and

830

00:40:54,400 --> 00:40:52,369

actually drop like the nuclear arms deal

831

00:40:57,400 --> 00:40:54,410

and he was gonna try and do like a

832

00:41:01,420 --> 00:40:57,410

cooperative deal between all the the

833

00:41:02,980 --> 00:41:01,430

countries huh and and you know the

834

00:41:06,359 --> 00:41:02,990

people who are really running [h\_\_h] or

835

00:41:08,859 --> 00:41:06,369

like you're not gonna disarm our nukes

836

00:41:10,809 --> 00:41:08,869

like you're not gonna do that these guys

837

00:41:12,430 --> 00:41:10,819

even if you did that these guys are

838

00:41:13,960 --> 00:41:12,440

still gonna point nukes at us and you

839

00:41:15,730 --> 00:41:13,970

want to be friends with him I don't

840

00:41:17,769 --> 00:41:15,740

think so but that was like kind of a

841

00:41:19,660 --> 00:41:17,779

deal that he wanted to make yeah and so

842

00:41:22,120 --> 00:41:19,670

they were like no we're not having

843

00:41:23,319 --> 00:41:22,130

because he knew of the alien threat or

844

00:41:25,329 --> 00:41:23,329

the UFO threat okay

845

00:41:27,880 --> 00:41:25,339

time and so he was like look we need to

846

00:41:30,130 --> 00:41:27,890

figure this out but we can't figure this

847

00:41:32,470 --> 00:41:30,140

out if we're all fighting each other so

848

00:41:35,319 --> 00:41:32,480

I tell you what I'll put my guns down

849

00:41:38,380 --> 00:41:35,329

you put your guns down and then CIA was

850

00:41:40,210 --> 00:41:38,390

like do you think you are yeah like no

851  
00:41:42,789 --> 00:41:40,220  
and so they were like take them out I

852  
00:41:44,890 --> 00:41:42,799  
think dude I think it has something to

853  
00:41:47,220 --> 00:41:44,900  
do with that has to do with the

854  
00:41:58,079 --> 00:41:47,230  
technology that the these

855  
00:42:06,309 --> 00:42:01,749  
with a new technology that's free yeah

856  
00:42:09,670 --> 00:42:06,319  
that that that's a bad thing for all the

857  
00:42:12,910 --> 00:42:09,680  
people in power yeah everywhere right so

858  
00:42:15,039 --> 00:42:12,920  
so JFK was like hey people we've got

859  
00:42:16,299 --> 00:42:15,049  
like free energy and everything like

860  
00:42:18,130 --> 00:42:16,309  
we're just not letting you have it

861  
00:42:19,630 --> 00:42:18,140  
because we want to profit off of you we

862  
00:42:21,970 --> 00:42:19,640  
want to put that meter on you every

863  
00:42:23,920 --> 00:42:21,980

single household yeah like the people

864

00:42:26,140 --> 00:42:23,930

that are making money in the mean time I

865

00:42:27,940 --> 00:42:26,150

mean our small little window of history

866

00:42:29,319 --> 00:42:27,950

uh-huh they're not gonna have that they

867

00:42:31,539 --> 00:42:29,329

want to be they want to live like kings

868

00:42:35,140 --> 00:42:31,549

and queens right yeah they wanted to

869

00:42:38,079 --> 00:42:35,150

shut it down like no did yeah we want

870

00:42:41,650 --> 00:42:38,089

our it's all about power and control and

871

00:42:43,599 --> 00:42:41,660

and and and the money I think yeah I

872

00:42:46,630 --> 00:42:43,609

think it always comes down to economy

873

00:42:48,279 --> 00:42:46,640

and the rich it I mean that sounds like

874

00:42:49,839 --> 00:42:48,289

once you get to a certain point though

875

00:42:52,450 --> 00:42:49,849

it's like it doesn't really matter how

876

00:42:56,190 --> 00:42:52,460

much money you have it just it puts you

877

00:42:58,440 --> 00:42:56,200

in a status of like these these super

878

00:43:01,079 --> 00:42:58,450

Elite powerful people yeah and it's like

879

00:43:04,220 --> 00:43:01,089

well he can't tell me what to do because

880

00:43:06,390 --> 00:43:04,230

he's only got eighty billion dollars

881

00:43:09,990 --> 00:43:06,400

yeah what point did we have one hundred

882

00:43:11,700 --> 00:43:10,000

and thirty billion dollars and neither

883

00:43:16,050 --> 00:43:11,710

one of those people will ever go broke

884

00:43:18,450 --> 00:43:16,060

ever for like the next 20 generations of

885

00:43:20,520 --> 00:43:18,460

like their their family history but it's

886

00:43:22,890 --> 00:43:20,530

just the fact that like oh so this

887

00:43:25,500 --> 00:43:22,900

person has two hundred and fifty billion

888

00:43:28,319 --> 00:43:25,510

dollars what is a hundred and thirty

889

00:43:29,940 --> 00:43:28,329

billionaire you know dollar guy telling

890

00:43:32,490 --> 00:43:29,950

me you know what I'm saying yeah it's

891

00:43:34,260 --> 00:43:32,500

kind of like that whole like like you're

892

00:43:35,760 --> 00:43:34,270

gonna talk to the guy in the \$5,000 suit

893

00:43:36,720 --> 00:43:35,770

that way right you know what I'm saying

894

00:43:39,630 --> 00:43:36,730

it's kinda like that

895

00:43:41,220 --> 00:43:39,640

so yeah I love that like that that does

896

00:43:44,880 --> 00:43:41,230

have to have have to do with like power

897

00:43:46,319 --> 00:43:44,890

and status and and really it comes I

898

00:43:48,690 --> 00:43:46,329

think it comes down to influence and

899

00:43:51,000 --> 00:43:48,700

that's why our our cultural switch from

900

00:43:52,319 --> 00:43:51,010

you have to have money to have influence

901  
00:43:53,310 --> 00:43:52,329  
because people won't do stuff that you

902  
00:43:55,349 --> 00:43:53,320  
they don't want to do unless they're

903  
00:43:57,120 --> 00:43:55,359  
getting paid or they won't be directed

904  
00:43:58,290 --> 00:43:57,130  
to make decisions in a specific way

905  
00:43:59,940 --> 00:43:58,300  
unless they're being influenced by

906  
00:44:01,800 --> 00:43:59,950  
somebody they they think it's their

907  
00:44:04,380 --> 00:44:01,810  
decision that they're making so like

908  
00:44:06,150 --> 00:44:04,390  
these social media influencers that's

909  
00:44:08,130 --> 00:44:06,160  
why it's such a phenomenon right now and

910  
00:44:10,530 --> 00:44:08,140  
people are trying to like cash grab and

911  
00:44:12,180 --> 00:44:10,540  
do ads and stuff which hey fine like

912  
00:44:15,390 --> 00:44:12,190  
that's cool I'm not against that but

913  
00:44:18,510 --> 00:44:15,400

it's a toll totally different influences

914

00:44:20,790 --> 00:44:18,520

then than it was you know like the

915

00:44:23,460 --> 00:44:20,800

actors and actresses have been more

916

00:44:25,680 --> 00:44:23,470

powerful than most of the people in oil

917

00:44:27,359 --> 00:44:25,690

industries you know with what they say

918

00:44:29,370 --> 00:44:27,369

so what the whole people in oil industry

919

00:44:30,960 --> 00:44:29,380

say hey we don't want the public to

920

00:44:34,109 --> 00:44:30,970

think that oil is bad so they have

921

00:44:36,510 --> 00:44:34,119

so-and-so actor back in the 50s say well

922

00:44:42,599 --> 00:44:36,520

not bad hey cigarettes are not bad see

923

00:44:46,109 --> 00:44:42,609

ya yeah man I mean it's it's it's uh

924

00:44:48,329 --> 00:44:46,119

it's it's one big joke it's all it is

925

00:44:49,710 --> 00:44:48,339

you know but you know and in that

926  
00:44:50,940 --> 00:44:49,720  
documentary that we're gonna discuss

927  
00:44:54,630 --> 00:44:50,950  
there was a good point that was made

928  
00:44:56,309 --> 00:44:54,640  
that was like you know like introducing

929  
00:44:58,710 --> 00:44:56,319  
this new technology could completely

930  
00:45:01,410 --> 00:44:58,720  
ruin you know like you know the fossil

931  
00:45:03,870 --> 00:45:01,420  
fuel industry but yeah it's like okay

932  
00:45:05,940 --> 00:45:03,880  
well that's like saying well then don't

933  
00:45:07,770 --> 00:45:05,950  
make the car because it's gonna put the

934  
00:45:09,690 --> 00:45:07,780  
horse and buggy industry right out of

935  
00:45:11,819 --> 00:45:09,700  
business it's a good point or do

936  
00:45:13,950 --> 00:45:11,829  
invent the computer because all

937  
00:45:16,410 --> 00:45:13,960  
typewriters are gonna go obsolete right

938  
00:45:18,299 --> 00:45:16,420

you know it's kind of it's a great point

939

00:45:21,150 --> 00:45:18,309

it's coming to say anything I like okay

940

00:45:23,730 --> 00:45:21,160

so we're just not gonna do something to

941

00:45:26,760 --> 00:45:23,740

because it might cut into somebody

942

00:45:30,569 --> 00:45:26,770

else's paycheck yeah unfortunately when

943

00:45:33,180 --> 00:45:30,579

it comes to the energy sector of things

944

00:45:36,390 --> 00:45:33,190

you got people who are running nations

945

00:45:39,120 --> 00:45:36,400

who have their hands in it so it's it's

946

00:45:40,920 --> 00:45:39,130

easier for them to control right yeah

947

00:45:44,309 --> 00:45:40,930

and that's where the issue is you know

948

00:45:46,620 --> 00:45:44,319

like I mean like I don't know maybe

949

00:45:47,910 --> 00:45:46,630

maybe somebody who was really powerful

950

00:45:50,490 --> 00:45:47,920

you know had the horse and buggy

951  
00:45:52,970 --> 00:45:50,500  
industry right and until Ford killed how

952  
00:45:57,180 --> 00:45:52,980  
many horsepower do you think he had one

953  
00:46:01,079 --> 00:45:57,190  
one horsepower and the Ford was like I

954  
00:46:05,609 --> 00:46:01,089  
can make a car with floor and you don't

955  
00:46:11,910 --> 00:46:05,619  
have to clean up poop it was like four

956  
00:46:15,539 --> 00:46:11,920  
horses they're like dude I could just

957  
00:46:18,960 --> 00:46:15,549  
put water in this thing and instead of

958  
00:46:21,809 --> 00:46:18,970  
having to buy hay yeah and in Auto water

959  
00:46:24,569 --> 00:46:21,819  
you know also the electric car was

960  
00:46:26,460 --> 00:46:24,579  
invented right before the invented

961  
00:46:28,859 --> 00:46:26,470  
before yeah he made an electric motor

962  
00:46:35,000 --> 00:46:28,869  
bustable engine right yeah yeah which is

963  
00:46:38,430 --> 00:46:35,010

pretty sick yeah and in oil

964

00:46:44,010 --> 00:46:38,440

the gasoline we're living off of

965

00:46:49,140 --> 00:46:44,020

dinosaur soup okay in plant soup I have

966

00:46:53,880 --> 00:46:49,150

a question okay so yes if if if oil

967

00:46:57,960 --> 00:46:53,890

right is is basically dead plants and

968

00:47:00,059 --> 00:46:57,970

animals that have decayed underground

969

00:47:03,170 --> 00:47:00,069

for you know hundreds of thousands of

970

00:47:06,440 --> 00:47:03,180

years and that's what creates oil right

971

00:47:09,480 --> 00:47:06,450

why is there only oil in certain places

972

00:47:14,400 --> 00:47:09,490

did dead animals and plants only exist

973

00:47:17,910 --> 00:47:14,410

in certain places like there's plants

974

00:47:18,770 --> 00:47:17,920

and plants and animals everywhere why is

975

00:47:21,650 --> 00:47:18,780

it there

976

00:47:23,510 --> 00:47:21,660

endless amount of oil everywhere if

977

00:47:25,339 --> 00:47:23,520

that's the case also why is there so

978

00:47:31,490 --> 00:47:25,349

much oil in Antartica if there wasn't

979

00:47:32,960 --> 00:47:31,500

any life there ever exactly right so why

980

00:47:34,670 --> 00:47:32,970

is all the oil in Antartica underneath

981

00:47:37,339 --> 00:47:34,680

the pyramids I was thinking about if

982

00:47:39,530 --> 00:47:37,349

anybody knows that answer please let me

983

00:47:41,599 --> 00:47:39,540

know yeah I don't know either I could

984

00:47:42,770 --> 00:47:41,609

just I could just be dumb maybe like

985

00:47:44,930 --> 00:47:42,780

we're done for sure it'd be like

986

00:47:47,450 --> 00:47:44,940

underground there's like it's like

987

00:47:50,630 --> 00:47:47,460

slanted right and it all funnels into

988

00:47:52,910 --> 00:47:50,640

this one area that holds the oil or I

989

00:47:54,950 --> 00:47:52,920

mean I just I don't get it personally

990

00:47:57,650 --> 00:47:54,960

because here I mean you know your

991

00:48:01,250 --> 00:47:57,660

screensaver is desert right yes and so

992

00:48:05,510 --> 00:48:01,260

if if there was no oil there I would

993

00:48:07,460 --> 00:48:05,520

understand but the most oil like

994

00:48:11,330 --> 00:48:07,470

anywhere on the planet is in the desert

995

00:48:14,300 --> 00:48:11,340

it is yeah wait a second is this kind of

996

00:48:16,970 --> 00:48:14,310

a conspiracy that was put on by like the

997

00:48:19,910 --> 00:48:16,980

oil industry where there actually is an

998

00:48:23,450 --> 00:48:19,920

endless abundant amount of oil and they

999

00:48:25,579 --> 00:48:23,460

said look there's only a little bit we

1000

00:48:28,040 --> 00:48:25,589

got to keep it in reserves and so they

1001

00:48:29,960 --> 00:48:28,050

can control the price of oil it's kind

1002

00:48:31,730 --> 00:48:29,970

of like they did with the diamond right

1003

00:48:35,780 --> 00:48:31,740

there's just a shitload of diamonds but

1004

00:48:39,160 --> 00:48:35,790

they bought it all up like this isn't a

1005

00:48:42,530 --> 00:48:39,170

precious stone it's everywhere right um

1006

00:48:44,540 --> 00:48:42,540

I don't know I don't know about that but

1007

00:48:47,060 --> 00:48:44,550

this kind of leads into some stuff I

1008

00:48:49,520 --> 00:48:47,070

took notes about from a question and

1009

00:48:51,290 --> 00:48:49,530

this kind of leads into like yeah cert

1010

00:48:54,550 --> 00:48:51,300

places on the earth used to be very

1011

00:48:58,670 --> 00:48:54,560

different yeah it kind of goes back to

1012

00:49:01,339 --> 00:48:58,680

Robert shox research into the Sphinx and

1013

00:49:03,920 --> 00:49:01,349

how there there's water erosion and not

1014

00:49:05,990 --> 00:49:03,930

wind erosion because the climate it's

1015

00:49:08,359 --> 00:49:06,000

like the Sphinx is so much older than we

1016

00:49:10,040 --> 00:49:08,369

think it is because obviously it was

1017

00:49:11,599 --> 00:49:10,050

eroded by water so that means that there

1018

00:49:13,220 --> 00:49:11,609

had been a lot of water back then in the

1019

00:49:15,500 --> 00:49:13,230

day so that means the last time there

1020

00:49:16,880 --> 00:49:15,510

wasn't that much water was 10th out at

1021

00:49:21,050 --> 00:49:16,890

least 10,000 years ago

1022

00:49:22,430 --> 00:49:21,060

so even up to 10,000 to 13,000 which was

1023

00:49:24,920 --> 00:49:22,440

like in the middle of the dry hunger

1024

00:49:28,000 --> 00:49:24,930

driest period the the earth was very

1025

00:49:30,320 --> 00:49:28,010

very different there was a lot more ice

1026

00:49:32,329 --> 00:49:30,330

collected at the North Pole and South

1027

00:49:34,759 --> 00:49:32,339

Pole so there was a lot more

1028

00:49:36,559 --> 00:49:34,769

less water in the ocean so sea level was

1029

00:49:38,239 --> 00:49:36,569

lower so civilizations that's why you

1030

00:49:39,799 --> 00:49:38,249

find all these underwater pyramids and

1031

00:49:41,749 --> 00:49:39,809

all these underwater monoliths like the

1032

00:49:45,279 --> 00:49:41,759

Bimini Road and things like that yeah I

1033

00:49:48,289 --> 00:49:45,289

mean trade routes so that's why like

1034

00:49:49,849 --> 00:49:48,299

just things aren't always gonna be like

1035

00:49:51,920 --> 00:49:49,859

the desert the Saharan desert wasn't

1036

00:49:53,509 --> 00:49:51,930

always the Sahara dude so the reason

1037

00:49:56,479 --> 00:49:53,519

that why there's oil is because it was a

1038

00:50:01,489 --> 00:49:56,489

[\h\_\_\h] ton of [\h\_\_\h] dinosaurs back in

1039

00:50:04,700 --> 00:50:01,499

the day you know so did the sea level

1040

00:50:06,289 --> 00:50:04,710

rise because all the Egyptians were like

1041

00:50:16,770 --> 00:50:06,299

driving their cars and [\h\_\_\h] that's

1042

00:50:18,910 --> 00:50:16,780

exactly you've seen the best in Egypt

1043

00:50:21,529 --> 00:50:18,920

[Laughter]

1044

00:50:23,809 --> 00:50:21,539

for all we know that for all we know

1045

00:50:25,640 --> 00:50:23,819

there's been combustible engines a

1046

00:50:27,380 --> 00:50:25,650

million years ago and we just forgot

1047

00:50:29,479 --> 00:50:27,390

about it yeah you know we've always been

1048

00:50:30,620 --> 00:50:29,489

using oil because it's very easy and

1049

00:50:33,259 --> 00:50:30,630

it's like oh you just set it on fire

1050

00:50:34,670 --> 00:50:33,269

whoo that's a cool thing and then you

1051

00:50:36,499 --> 00:50:34,680

just don't look past it cuz it's like

1052

00:50:38,599 --> 00:50:36,509

right in front of your face yeah and

1053

00:50:41,209 --> 00:50:38,609

then like this other power source which

1054

00:50:42,979 --> 00:50:41,219

just takes a lot of math and like beyond

1055

00:50:44,989 --> 00:50:42,989

our capability of understanding to

1056

00:50:46,700 --> 00:50:44,999

figure out that like we're not ever

1057

00:50:49,219 --> 00:50:46,710

we're gonna get to that point

1058

00:50:51,410 --> 00:50:49,229

eventually but yeah you got to start out

1059

00:50:53,420 --> 00:50:51,420

oil you got to start out steam you gotta

1060

00:50:54,979 --> 00:50:53,430

start oil and then once people start

1061

00:50:56,209 --> 00:50:54,989

getting smart I feel like we're in that

1062

00:50:58,069 --> 00:50:56,219

transition where are we

1063

00:50:59,809 --> 00:50:58,079

yeah we're getting smarter my gonna

1064

00:51:00,650 --> 00:50:59,819

we're making a switch I mean they're

1065

00:51:01,519 --> 00:51:00,660

about to come out with an electric

1066

00:51:18,349 --> 00:51:01,529

Hummer

1067

00:51:19,190 --> 00:51:18,359

don't know what that is but I want it so

1068

00:51:20,989 --> 00:51:19,200

they're really coming up with an

1069

00:51:23,390 --> 00:51:20,999

electric Hummer yeah that's [\h\_\_\h] sick

1070

00:51:25,609 --> 00:51:23,400

they must have seen the rock dude guess

1071

00:51:29,479 --> 00:51:25,619

how many horses that sumbitch got watch

1072

00:51:32,029 --> 00:51:29,489

it tabby a thousand [\h\_\_\h] that's a lot of

1073

00:51:37,099 --> 00:51:32,039

horses there's a lot of horses really

1074

00:51:38,190 --> 00:51:37,109

invisible they're like little horses

1075

00:51:42,150 --> 00:51:38,200

me

1076  
00:51:43,980 --> 00:51:42,160  
yeah dude um let's see yeah I don't know

1077  
00:51:45,780 --> 00:51:43,990  
I just went off on a huge tangent we

1078  
00:51:55,470 --> 00:51:45,790  
can't get there although we were talking

1079  
00:51:57,270 --> 00:51:55,480  
about Marilyn Monroe fine fine Hey oh

1080  
00:51:58,200 --> 00:51:57,280  
that's literally the neck comment so

1081  
00:52:00,900 --> 00:51:58,210  
that was perfect timing

1082  
00:52:03,090 --> 00:52:00,910  
fine so Joshua you had a question so

1083  
00:52:05,430 --> 00:52:03,100  
this is your comment oh yeah with pole

1084  
00:52:07,860 --> 00:52:05,440  
shift could that be the reason why there

1085  
00:52:09,780 --> 00:52:07,870  
are pyramids under Antarctica and that

1086  
00:52:11,880 --> 00:52:09,790  
is also why things are flash-frozen

1087  
00:52:13,830 --> 00:52:11,890  
like the woolly mammoths and a few things

1088  
00:52:16,710 --> 00:52:13,840

other a few other things that they've

1089

00:52:20,490 --> 00:52:16,720

found from that era our or our

1090

00:52:21,360 --> 00:52:20,500

prehistoric age okay I was wondering if

1091

00:52:23,430 --> 00:52:21,370

maybe you could talk a little bit about

1092

00:52:24,630 --> 00:52:23,440

that because I'm I would like a little

1093

00:52:27,620 --> 00:52:24,640

bit more so talked about a little a

1094

00:52:31,860 --> 00:52:27,630

little bit of the Younger Dryas period

1095

00:52:35,640 --> 00:52:31,870

and that's all like research from gran

1096

00:52:38,700 --> 00:52:35,650

hancock oh yeah yeah like that's that's

1097

00:52:40,950 --> 00:52:38,710

uh that's definitely like from the Jo I

1098

00:52:44,010 --> 00:52:40,960

heard from him from the Jo Rogan podcast

1099

00:52:46,320 --> 00:52:44,020

I'll post a link to but yeah like

1100

00:52:48,750 --> 00:52:46,330

they're basically all my research that I

1101  
00:52:50,280 --> 00:52:48,760  
did not from do the Joe Rogan podcast is

1102  
00:52:51,810 --> 00:52:50,290  
that right so I started looking at the

1103  
00:52:53,190 --> 00:52:51,820  
magnetic shifts right I started they're

1104  
00:52:55,470 --> 00:52:53,200  
like okay where's what's the connection

1105  
00:52:58,080 --> 00:52:55,480  
between magnetic shifts and like the

1106  
00:53:00,990 --> 00:52:58,090  
lower and some lowering of sea levels

1107  
00:53:02,880 --> 00:53:01,000  
and why there's pyramids underwater so

1108  
00:53:06,420 --> 00:53:02,890  
how do you connect that so started I

1109  
00:53:07,830 --> 00:53:06,430  
started it like the the pole stuff and

1110  
00:53:09,570 --> 00:53:07,840  
so what I found is like there's so

1111  
00:53:10,650 --> 00:53:09,580  
there's - there's there's basically two

1112  
00:53:12,450 --> 00:53:10,660  
north poles there's one that's

1113  
00:53:14,930 --> 00:53:12,460

geographic there's one in the north and

1114

00:53:18,650 --> 00:53:14,940

there's one on the south yeah but

1115

00:53:21,510 --> 00:53:18,660

they're both called the North Pole

1116

00:53:24,150 --> 00:53:21,520

that's north one what about this one

1117

00:53:26,820 --> 00:53:24,160

yeah that's a Northland well if you

1118

00:53:33,510 --> 00:53:26,830

living in China or Australia or honor

1119

00:53:36,270 --> 00:53:33,520

China it's north notice it like the exit

1120

00:53:40,890 --> 00:53:36,280

sometimes like with an a is an ER China

1121

00:53:46,170 --> 00:53:40,900

time or like or a why is it like Monday

1122

00:53:50,160 --> 00:53:46,180

Tuesday Wednesday uh-huh well I was in

1123

00:53:56,160 --> 00:53:54,269

the car owner of a versa charter or

1124

00:54:00,509 --> 00:53:56,170

completely mispronounced all together

1125

00:54:09,960 --> 00:54:00,519

like homosexual homicide or Musa Lambs

1126

00:54:10,650 --> 00:54:09,970

did you call my son okay okay so there's

1127

00:54:12,779 --> 00:54:10,660

two North Pole's

1128

00:54:14,880 --> 00:54:12,789

one is like human geographical we know

1129

00:54:16,440 --> 00:54:14,890

where it is but the other ones a

1130

00:54:19,170 --> 00:54:16,450

magnetic one like that's actual true

1131

00:54:22,349 --> 00:54:19,180

north and it's been shifting forever

1132

00:54:25,410 --> 00:54:22,359

like over the last 150 years the poles

1133

00:54:27,630 --> 00:54:25,420

moved over 600 miles and the last few

1134

00:54:30,690 --> 00:54:27,640

years though it's been moving Northwest

1135

00:54:32,910 --> 00:54:30,700

flow at the rate of speed like 25 miles

1136

00:54:34,620 --> 00:54:32,920

a year so yeah speeding up so what

1137

00:54:36,269 --> 00:54:34,630

happens when a pole shift and this has

1138

00:54:38,460 --> 00:54:36,279

happened in the past it hasn't happened

1139

00:54:40,620 --> 00:54:38,470

in about 300,000 years but when it does

1140

00:54:43,470 --> 00:54:40,630

happen there's this chaotic and this is

1141

00:54:46,140 --> 00:54:43,480

all like recorded in ice ice cores and

1142

00:54:47,519 --> 00:54:46,150

that's how like scientists know and the

1143

00:54:49,200 --> 00:54:47,529

geology and all that stuff I don't know

1144

00:54:51,509 --> 00:54:49,210

I'm not a geologist just a doctor

1145

00:54:53,549 --> 00:54:51,519

science doctor scientists but when that

1146

00:54:55,440 --> 00:54:53,559

happens it's like basically our

1147

00:54:57,450 --> 00:54:55,450

deflector shield goes down like when

1148

00:54:59,700 --> 00:54:57,460

that happens there's not like just one

1149

00:55:02,490 --> 00:54:59,710

pole there's a bunch of them yeah so all

1150

00:55:05,160 --> 00:55:02,500

of our compasses won't work when it when

1151

00:55:07,079 --> 00:55:05,170

it happens and it inevitably will our

1152

00:55:10,730 --> 00:55:07,089

defenses will go down because our

1153

00:55:13,200 --> 00:55:10,740

magnetic poles are gonna be like shared

1154

00:55:15,660 --> 00:55:13,210

satellites we'll know what's going on

1155

00:55:17,519 --> 00:55:15,670

yeah but also like the the protection

1156

00:55:20,039 --> 00:55:17,529

that our magnetic field gives us from

1157

00:55:22,289 --> 00:55:20,049

cosmic rays is gonna go like really weak

1158

00:55:24,660 --> 00:55:22,299

it's not it's gonna be concentrated so

1159

00:55:27,120 --> 00:55:24,670

we're all gonna get a huge sunburn and

1160

00:55:28,890 --> 00:55:27,130

possibly die of radiation poisoning and

1161

00:55:30,359 --> 00:55:28,900

all of our you know like people talk

1162

00:55:31,980 --> 00:55:30,369

about solar flares all the time it's

1163

00:55:34,380 --> 00:55:31,990

basically a big solar flare if you're

1164

00:55:40,700 --> 00:55:34,390

not protected by the magnetic and birds

1165

00:55:52,710 --> 00:55:50,670

you idiots but anyway yeah like yeah so

1166

00:55:56,490 --> 00:55:52,720

I just went through all that yeah

1167

00:55:58,170 --> 00:55:56,500

animals go crazy so I guess I already

1168

00:56:01,019 --> 00:55:58,180

said I already said what what I think

1169

00:56:03,059 --> 00:56:01,029

what would happen is if the magnetic

1170

00:56:04,829 --> 00:56:03,069

poles were to shift that

1171

00:56:06,749 --> 00:56:04,839

Sara Lee doesn't have to coincide with a

1172

00:56:09,120 --> 00:56:06,759

cataclysm but it could be like the start

1173

00:56:10,609 --> 00:56:09,130

of a Kazakh Cataclysm and because if

1174

00:56:13,019 --> 00:56:10,619

you're letting a lot of radiation

1175

00:56:14,219 --> 00:56:13,029

there's probably a lot of heat so it's

1176

00:56:17,009 --> 00:56:14,229

probably gonna melt a lot of the ice

1177

00:56:18,839 --> 00:56:17,019

caps and yeah definitely more water in

1178

00:56:20,880 --> 00:56:18,849

the ocean therefore like rising sea

1179

00:56:23,160 --> 00:56:20,890

level so all of our cities on the coast

1180

00:56:24,959 --> 00:56:23,170

I mean if our ice caps melt all together

1181

00:56:26,670 --> 00:56:24,969

like dude we're gonna be sitting on the

1182

00:56:28,259 --> 00:56:26,680

coast right here in Austin Texas right

1183

00:56:30,449 --> 00:56:28,269

yeah exactly

1184

00:56:32,279 --> 00:56:30,459

I'm glad you did the research on this

1185

00:56:34,739 --> 00:56:32,289

because I know you've heard me go on

1186

00:56:37,289 --> 00:56:34,749

this rant before yeah on how like I

1187

00:56:39,539 --> 00:56:37,299

think pole ships have a lot more to do

1188

00:56:42,930 --> 00:56:39,549

with this whole climate change thing

1189

00:56:44,519 --> 00:56:42,940

then kind of the more politicized stuff

1190

00:56:47,219 --> 00:56:44,529

that people are going after right now

1191

00:56:50,459 --> 00:56:47,229

correct it's just that with the more

1192

00:56:53,160 --> 00:56:50,469

politicized stuff you can actually make

1193

00:56:54,719 --> 00:56:53,170

it seem like you can make a change right

1194

00:56:56,549 --> 00:56:54,729

it seems like there's something you can

1195

00:56:59,819 --> 00:56:56,559

do you can do anything about it yeah

1196

00:57:01,920 --> 00:56:59,829

exactly but a pole shift you can't so if

1197

00:57:04,019 --> 00:57:01,930

that is the case we're not gonna tell

1198

00:57:05,729 --> 00:57:04,029

the public because there's nothing we

1199

00:57:07,769 --> 00:57:05,739

can do about it yeah and it's kind of

1200

00:57:09,660 --> 00:57:07,779

like we don't want to create chaos right

1201

00:57:12,329 --> 00:57:09,670

it's almost like they're trying to

1202

00:57:13,829 --> 00:57:12,339

protect you right well it's almost like

1203

00:57:15,299 --> 00:57:13,839

that that frame of mine if you tell

1204

00:57:16,890 --> 00:57:15,309

somebody they're gonna die in two weeks

1205

00:57:19,920 --> 00:57:16,900

what would you do you probably do some

1206

00:57:22,589 --> 00:57:19,930

you know very off stuff maybe not like

1207

00:57:29,670 --> 00:57:22,599

go skydiving yeah that'd be really

1208

00:57:32,039 --> 00:57:29,680

motivated it's a gym well I'd be a very

1209

00:57:34,349 --> 00:57:32,049

productive person if you have the means

1210

00:57:35,969 --> 00:57:34,359

to do that but what about people living

1211

00:57:37,769 --> 00:57:35,979

on the streets you know even if I didn't

1212

00:57:40,199 --> 00:57:37,779

have the means to do it I would go there

1213

00:57:47,299 --> 00:57:40,209

and they'd be like sure that's \$300 and

1214

00:57:56,640 --> 00:57:50,519

24-hour fitness would be like okay just

1215

00:57:59,819 --> 00:57:56,650

[h\_\_\h] come on try to work I'm trying

1216

00:58:03,839 --> 00:57:59,829

to work out my nipples I've got two

1217

00:58:08,130 --> 00:58:03,849

weeks let me in let me do it yeah dude

1218

00:58:12,150 --> 00:58:08,140

but ya know yes the magnetic north or

1219

00:58:13,799 --> 00:58:12,160

the the North has been moving way faster

1220

00:58:15,719 --> 00:58:13,809

Lee yeah yeah

1221

00:58:16,770 --> 00:58:15,729

so although this if you want to look up

1222

00:58:19,440 --> 00:58:16,780

Randle cars

1223

00:58:21,300 --> 00:58:19,450

Karlsson and graham Hancock's their

1224

00:58:23,730 --> 00:58:21,310

research it's really interesting

1225

00:58:26,880 --> 00:58:23,740

they give numbers between 10,000 and

1226  
00:58:29,010 --> 00:58:26,890  
12,000 years ago and that's like what

1227  
00:58:32,370 --> 00:58:29,020  
they've dated gobekli tepe to be that's

1228  
00:58:34,740 --> 00:58:32,380  
the age so somewhere around that that

1229  
00:58:37,440 --> 00:58:34,750  
time in period they were it's it was

1230  
00:58:39,570 --> 00:58:37,450  
right after the the major Ice Age and

1231  
00:58:42,300 --> 00:58:39,580  
then it warmed up a lot and then holy

1232  
00:58:42,960 --> 00:58:42,310  
[h\_\_\h] there's a comment or maybe this

1233  
00:58:45,810 --> 00:58:42,970  
backwards

1234  
00:58:47,430 --> 00:58:45,820  
it was warm and then that it got really

1235  
00:58:49,110 --> 00:58:47,440  
really cold and there was woolly mammoth

1236  
00:58:51,140 --> 00:58:49,120  
everywhere right and then there's this

1237  
00:58:54,360 --> 00:58:51,150  
big Cataclysm event which they think

1238  
00:58:56,100 --> 00:58:54,370

Randall Carlson and Graham Hancock think

1239

00:58:58,950 --> 00:58:56,110

that a comet or an asteroid hit

1240

00:59:01,470 --> 00:58:58,960

somewhere in North America which like

1241

00:59:03,750 --> 00:59:01,480

melted all the northern ice caps right

1242

00:59:06,050 --> 00:59:03,760

which caused a huge flood and that goes

1243

00:59:08,520 --> 00:59:06,060

along with like Noah's Flood like so

1244

00:59:10,290 --> 00:59:08,530

anyway all because they predict like

1245

00:59:12,900 --> 00:59:10,300

that humans were actually living on

1246

00:59:15,090 --> 00:59:12,910

North America up to 130 thousand years

1247

00:59:16,980 --> 00:59:15,100

ago and there's evidence like Serpent

1248

00:59:18,810 --> 00:59:16,990

Mound which is like this huge like

1249

00:59:21,540 --> 00:59:18,820

looking at Serpent Mound like it's dope

1250

00:59:24,030 --> 00:59:21,550

I'm actually in fact there was like

1251  
00:59:26,760 --> 00:59:24,040  
massive stones that were the size of

1252  
00:59:29,610 --> 00:59:26,770  
like tankers that are all the way down

1253  
00:59:32,790 --> 00:59:29,620  
into like Utah that came from Alaska

1254  
00:59:35,790 --> 00:59:32,800  
right there's massive stones that moved

1255  
00:59:38,520 --> 00:59:35,800  
all the way down here and you can see

1256  
00:59:40,440 --> 00:59:38,530  
the effects on it on the on the the

1257  
00:59:42,030 --> 00:59:40,450  
surface of the planet because it's kind

1258  
00:59:43,740 --> 00:59:42,040  
of like when you look at ad down at the

1259  
00:59:45,450 --> 00:59:43,750  
ocean and it leaves the ripples on the

1260  
00:59:48,240 --> 00:59:45,460  
bottom of the ocean when the hides go

1261  
00:59:50,730 --> 00:59:48,250  
out it's the same thing across in the

1262  
00:59:52,800 --> 00:59:50,740  
entire North American like you know like

1263  
00:59:55,170 --> 00:59:52,810

everywhere from like New Mexico all the

1264

00:59:58,230 --> 00:59:55,180

way up into Canada you can see these

1265

01:00:00,780 --> 00:59:58,240

giant ripples across the land so what

1266

01:00:03,630 --> 01:00:00,790

did you say it was from the an impact no

1267

01:00:05,580 --> 01:00:03,640

it was it was there used to be huge

1268

01:00:07,680 --> 01:00:05,590

glaciers that came all the way down here

1269

01:00:10,350 --> 01:00:07,690

and something happened that they receded

1270

01:00:13,920 --> 01:00:10,360

and melted you know super fast got it

1271

01:00:17,160 --> 01:00:13,930

and so but they know that this this huge

1272

01:00:20,400 --> 01:00:17,170

huge glacier event took place because

1273

01:00:22,260 --> 01:00:20,410

you know it moved like mountains down

1274

01:00:24,330 --> 01:00:22,270

here well some say that that's how the

1275

01:00:25,920 --> 01:00:24,340

Grand Canyon was carved right it wasn't

1276

01:00:28,380 --> 01:00:25,930

carved out over millions of years it

1277

01:00:29,920 --> 01:00:28,390

happened within a couple maybe a hundred

1278

01:00:32,799 --> 01:00:29,930

years or 50 years yeah

1279

01:00:35,170 --> 01:00:32,809

same same thing it was like a glacier

1280

01:00:38,079 --> 01:00:35,180

and then all this just smashing how

1281

01:00:40,420 --> 01:00:38,089

sharp ice is and how hard it can be and

1282

01:00:41,890 --> 01:00:40,430

how heavy dude ya can chip away at some

1283

01:00:51,640 --> 01:00:41,900

rocks bro like oh yeah

1284

01:00:53,049 --> 01:00:51,650

so sandstone is sandy you know what's

1285

01:00:56,049 --> 01:00:53,059

the worst is having sand in your pants

1286

01:00:59,140 --> 01:00:56,059

oh yeah bro that's the worst [h\_\_\h]

1287

01:01:03,190 --> 01:00:59,150

feeling I'm not a fan of the beach I'm

1288

01:01:04,990 --> 01:01:03,200

just not this is not you can't get wet

1289

01:01:06,400 --> 01:01:05,000

and then just relax you have to be like

1290

01:01:06,849 --> 01:01:06,410

all [h\_\_h] where's the towel where's the

1291

01:01:08,770 --> 01:01:06,859

towel

1292

01:01:15,400 --> 01:01:08,780

yes the moment you put your finger down

1293

01:01:18,010 --> 01:01:15,410

I will [h\_\_h] my whole sucks yeah that's

1294

01:01:23,220 --> 01:01:21,040

I think that's oh so just a list of

1295

01:01:29,200 --> 01:01:23,230

underwater pyramids and monoliths

1296

01:01:31,480 --> 01:01:29,210

Yonaguni monument and japan i think that

1297

01:01:39,030 --> 01:01:31,490

was some visuals for the magnetic of the

1298

01:01:43,349 --> 01:01:39,040

earth here's that magnetic pole movie ok

1299

01:01:53,309 --> 01:01:43,359

Bimini Road dude look up look at this

1300

01:02:03,690 --> 01:02:02,020

sexy lady sexy lady I wish I would have

1301  
01:02:06,549 --> 01:02:03,700  
caught that that would have been doing

1302  
01:02:08,349 --> 01:02:06,559  
it's the ladies man as they're going

1303  
01:02:19,329 --> 01:02:08,359  
tonight hello hello hello

1304  
01:02:21,880 --> 01:02:19,339  
have you tried doing it in a but that

1305  
01:02:28,420 --> 01:02:21,890  
booty looked like two Christmas hams

1306  
01:02:31,720 --> 01:02:28,430  
dude no we could do oh dude the ladies

1307  
01:02:33,430 --> 01:02:31,730  
man is like one of my favorite like SNL

1308  
01:02:34,740 --> 01:02:33,440  
skits I'm so glad I got made into a

1309  
01:02:37,839 --> 01:02:34,750  
movie

1310  
01:02:42,740 --> 01:02:37,849  
wait should I type in that ladies man

1311  
01:02:53,090 --> 01:02:42,750  
what ladies man scene mix mix

1312  
01:02:53,540 --> 01:02:53,100  
ah sales tape probably oh yeah this must

1313  
01:03:00,100 --> 01:02:53,550

be it

1314

01:03:13,100 --> 01:03:00,110

yeah we play all the biggest names in

1315

01:04:22,190 --> 01:03:13,110

Yanni goes by the name of you but I'm

1316

01:04:25,940 --> 01:04:22,200

not too familiar with your show one of

1317

01:04:26,390 --> 01:04:25,950

the best DVDs of everyone money well

1318

01:04:28,850 --> 01:04:26,400

spent

1319

01:04:31,640 --> 01:04:28,860

that's for sure hello anyway I bought a

1320

01:04:34,600 --> 01:04:31,650

house about a car doesn't compare to the

1321

01:04:40,070 --> 01:04:34,610

ladies man DVD that's for sure

1322

01:04:42,200 --> 01:04:40,080

possession but yeah dude this pictures

1323

01:04:44,150 --> 01:04:42,210

our Bimini Road look it up it's sick

1324

01:04:46,220 --> 01:04:44,160

look at this thing him and a Bimini Road

1325

01:04:49,460 --> 01:04:46,230

you telling me that that's not man-made

1326

01:04:49,880 --> 01:04:49,470

come on yeah come here dude mylar

1327

01:04:53,120 --> 01:04:49,890

balloons

1328

01:04:55,760 --> 01:04:53,130

yeah dude [h\_\_h] stink gas wears it

1329

01:05:02,339 --> 01:04:58,260

the other example of underwater

1330

01:05:04,349 --> 01:05:02,349

monoliths is uh the Azores Islands near

1331

01:05:08,069 --> 01:05:04,359

Portugal no it's this is at a depth of

1332

01:05:11,339 --> 01:05:08,079

40 meters and it they just have radio

1333

01:05:12,779 --> 01:05:11,349

radar evidence of this this is this is

1334

01:05:15,359 --> 01:05:12,789

like a artists mock-up that's not real

1335

01:05:18,000 --> 01:05:15,369

by the way if you're looking at it while

1336

01:05:19,799 --> 01:05:18,010

you're listening but that is they should

1337

01:05:24,240 --> 01:05:19,809

like something go down there and take a

1338

01:05:28,109 --> 01:05:24,250

picture of it yeah but dude this is a

1339

01:05:31,829 --> 01:05:28,119

[h\_\_\h] pyramid that is a goonie

1340

01:05:35,970 --> 01:05:31,839

underwater pyramid in Japan 18 feet deep

1341

01:05:43,819 --> 01:05:35,980

that's where sushi came from yeah it's a

1342

01:05:47,670 --> 01:05:43,829

sushi restaurant that picture is cool

1343

01:05:50,279 --> 01:05:47,680

the monument in Japan no the that one

1344

01:05:53,160 --> 01:05:50,289

down down that right there it's the same

1345

01:05:55,289 --> 01:05:53,170

pyramid is it really yeah I like those

1346

01:06:00,059 --> 01:05:55,299

little designs that are on it that's

1347

01:06:01,319 --> 01:06:00,069

cool yep that's sick and that weird

1348

01:06:05,069 --> 01:06:01,329

that's so cool

1349

01:06:06,480 --> 01:06:05,079

yeah so climate change that's what

1350

01:06:09,240 --> 01:06:06,490

happens to pyramids that's why things

1351

01:06:10,890 --> 01:06:09,250

are in the water I guess huh yeah those

1352

01:06:12,569 --> 01:06:10,900

are just those are just three legit ones

1353

01:06:14,339 --> 01:06:12,579

I looked up a lot there's a lot of them

1354

01:06:17,099 --> 01:06:14,349

out there but I looked up Snopes and

1355

01:06:18,750 --> 01:06:17,109

there's a lot of debunked stops I like

1356

01:06:22,200 --> 01:06:18,760

how it's under water but they labeled a

1357

01:06:31,319 --> 01:06:22,210

triangular pool is it just a pool now or

1358

01:06:40,589 --> 01:06:31,329

like the gate is a pool the main Terrace

1359

01:06:42,329 --> 01:06:40,599

is no pool turtles on it turtles okay oh

1360

01:06:47,910 --> 01:06:42,339

dude what did you think about the shrine

1361

01:06:52,829 --> 01:06:47,920

dude this hilarious oh and then Gary's

1362

01:06:55,380 --> 01:06:52,839

doing antis gear you posted this one was

1363

01:06:58,650 --> 01:06:55,390

like just listen to the podcast about

1364

01:07:02,250 --> 01:06:58,660

mantis and reminded me this little guy

1365

01:07:04,019 --> 01:07:02,260

ran two years ago and then you said yeah

1366

01:07:06,660 --> 01:07:04,029

what if he had a top hat and some fake

1367

01:07:19,950 --> 01:07:15,660

all of us like oh dude that's hilarious

1368

01:07:21,049 --> 01:07:19,960

that's ballsy I laughed so hard all that

1369

01:07:26,489 --> 01:07:21,059

yeah

1370

01:07:30,839 --> 01:07:26,499

ridiculous uh let's see we got some some

1371

01:07:33,059 --> 01:07:30,849

comments yeah identified maybe oh yeah

1372

01:07:35,279 --> 01:07:33,069

so Darren's like looks like a square

1373

01:07:37,529 --> 01:07:35,289

inside of a sphere isn't that what Ryan

1374

01:07:39,089 --> 01:07:37,539

graves aside described and unidentified

1375

01:07:41,549 --> 01:07:39,099

yeah he said when they got caught when

1376  
01:07:43,289 --> 01:07:41,559  
he got close to it yeah there was like a

1377  
01:07:45,390 --> 01:07:43,299  
little square inside yeah he said it was

1378  
01:07:46,859 --> 01:07:45,400  
just a cube with a [h\_\_h] what did he

1379  
01:07:48,509 --> 01:07:46,869  
say it was a cube with a circle inside

1380  
01:07:51,059 --> 01:07:48,519  
was it a circle with a nose a circle

1381  
01:07:53,430 --> 01:07:51,069  
with a cubed okay got it got it was a

1382  
01:08:00,239 --> 01:07:53,440  
circle like Mark Cuban inside I was

1383  
01:08:03,200 --> 01:08:00,249  
gonna say a sandwich or oh alright

1384  
01:08:06,089 --> 01:08:03,210  
well [h\_\_h] dude that's all for Facebook

1385  
01:08:08,160 --> 01:08:06,099  
do we want that was good

1386  
01:08:11,489 --> 01:08:08,170  
yeah that was I mean that's it's like

1387  
01:08:15,359 --> 01:08:11,499  
been over over an hour for sure we could

1388  
01:08:18,749 --> 01:08:15,369

stop it here just because yeah I want to

1389

01:08:21,300 --> 01:08:18,759

I want to talk more about like our ideas

1390

01:08:23,669 --> 01:08:21,310

that we had earlier yeah like what our

1391

01:08:26,160 --> 01:08:23,679

somebody steals on dude maybe we

1392

01:08:31,950 --> 01:08:26,170

shouldn't talk about ocean the nano bot

1393

01:08:34,050 --> 01:08:31,960

movie is gonna be so epic if we do we

1394

01:08:36,809 --> 01:08:34,060

gotta like hire some legit voice actor

1395

01:08:38,689 --> 01:08:36,819

actors no no like straight-up

1396

01:08:41,669 --> 01:08:38,699

actors but they're not even on camera

1397

01:08:45,899 --> 01:08:41,679

like they're so small all you see the

1398

01:08:49,229 --> 01:08:45,909

background dude okay let's not share

1399

01:08:50,579 --> 01:08:49,239

with it well we should definitely bring

1400

01:08:52,200 --> 01:08:50,589

the slinky hit we should make slinky

1401

01:08:57,079 --> 01:08:52,210

hats and bring him to total oh god

1402

01:09:05,039 --> 01:08:57,089

totally okay I need to go pee didn't

1403

01:09:07,169 --> 01:09:05,049

like that yeah okay I could do that yeah

1404

01:09:09,720 --> 01:09:07,179

guys uh so don't forget to go check out

1405

01:09:12,870 --> 01:09:09,730

Phoenix shaving Doug over there and

1406

01:09:15,859 --> 01:09:12,880

Phoenix he's got he's got great stuff

1407

01:09:20,470 --> 01:09:15,869

man so if you if you want that that

1408

01:09:23,590 --> 01:09:20,480

that's smooth baby but smooth

1409

01:09:25,750 --> 01:09:23,600

definitely check out what Doug has and

1410

01:09:27,850 --> 01:09:25,760

if if you're worried about shaving and

1411

01:09:29,230 --> 01:09:27,860

you use conventional cartridges and

1412

01:09:31,870 --> 01:09:29,240

things like that and every time you

1413

01:09:35,250 --> 01:09:31,880

shave you're getting razor bumps and

1414

01:09:37,600 --> 01:09:35,260

like scabs or you cut yourself you know

1415

01:09:40,570 --> 01:09:37,610

maybe maybe this is what you want to

1416

01:09:42,490 --> 01:09:40,580

check out because they're doing it right

1417

01:09:44,320 --> 01:09:42,500

over that Phoenix shaving and if you

1418

01:09:46,030 --> 01:09:44,330

have any questions you can check out

1419

01:09:48,280 --> 01:09:46,040

Phoenix shaving comm you can check out

1420

01:09:52,030 --> 01:09:48,290

Doug Smith on YouTube he's got all these

1421

01:09:53,320 --> 01:09:52,040

awesome shaving tutorials and like what

1422

01:09:55,180 --> 01:09:53,330

you're doing right what you're doing

1423

01:09:57,160 --> 01:09:55,190

wrong different products that you should

1424

01:10:00,580 --> 01:09:57,170

be using on your face to keep your face

1425

01:10:03,100 --> 01:10:00,590

looking great healthy young so youthful

1426

01:10:05,860 --> 01:10:03,110

you know what I'm saying they got it all

1427

01:10:09,070 --> 01:10:05,870

and not to discriminate against you

1428

01:10:11,620 --> 01:10:09,080

bearded folks me included um they've got

1429

01:10:14,070 --> 01:10:11,630

great beard care products as well I use

1430

01:10:18,300 --> 01:10:14,080

the beard cube it's a shampoo and

1431

01:10:23,190 --> 01:10:18,310

conditioner all-in-one and dude I mean

1432

01:10:26,920 --> 01:10:23,200

at the last UFO Congress I bought a cube

1433

01:10:29,590 --> 01:10:26,930

that was what man that was September so

1434

01:10:33,610 --> 01:10:29,600

yeah October November December January

1435

01:10:37,090 --> 01:10:33,620

we're going into February like tomorrow

1436

01:10:39,100 --> 01:10:37,100

or no way the day after tomorrow

1437

01:10:41,950 --> 01:10:39,110

I've still got like this much of the

1438

01:10:44,710 --> 01:10:41,960

cube left so I mean the things awesome I

1439

01:10:46,420 --> 01:10:44,720

get all my soaps from there I've even

1440

01:10:49,870 --> 01:10:46,430

gotten the deodorants from there too I

1441

01:10:52,960 --> 01:10:49,880

mean these guys have everything to make

1442

01:10:56,350 --> 01:10:52,970

you smell good after shaves you know

1443

01:10:58,330 --> 01:10:56,360

they got little little car since for

1444

01:11:01,180 --> 01:10:58,340

your car I mean they're gonna hook you

1445

01:11:03,430 --> 01:11:01,190

up so go check out Phoenix shaving and

1446

01:11:04,930 --> 01:11:03,440

Doug over there and see if they can get

1447

01:11:06,790 --> 01:11:04,940

you hooked up don't forget to go to the

1448

01:11:08,950 --> 01:11:06,800

website and you can click on the link

1449

01:11:10,720 --> 01:11:08,960

and I think it's 10% off right if you

1450

01:11:13,840 --> 01:11:10,730

click on the link or there's I got a

1451

01:11:16,840 --> 01:11:13,850

promo code or it directs you with our

1452

01:11:18,640 --> 01:11:16,850

link also go check out abduction 51

1453

01:11:20,020 --> 01:11:18,650

those guys are still doing and still

1454

01:11:22,750 --> 01:11:20,030

kickin it they still got the cool

1455

01:11:25,270 --> 01:11:22,760

threads if you're into alien gear you

1456

01:11:28,150 --> 01:11:25,280

know they got it alright you know so uh

1457

01:11:29,710 --> 01:11:28,160

they got some good shirts dad dude I

1458

01:11:31,390 --> 01:11:29,720

love their shirts I'm actually gonna

1459

01:11:33,459 --> 01:11:31,400

order somewhere stuff I think before the

1460

01:11:36,040 --> 01:11:33,469

before the conference

1461

01:11:39,100 --> 01:11:36,050

yeah Phoenix shake me shake me go right

1462

01:11:41,590 --> 01:11:39,110

here I love having this this this up on

1463

01:11:46,600 --> 01:11:41,600

the on the screen now yeah you guys can

1464

01:11:51,459 --> 01:11:46,610

see it all and then abduction 51 let's

1465

01:11:52,900 --> 01:11:51,469

see yeah this I mean for the just the

1466

01:11:54,370 --> 01:11:52,910

audio it's not gonna be as compelling

1467

01:11:57,090 --> 01:11:54,380

but for YouTube is definitely like

1468

01:12:03,100 --> 01:11:57,100

there's more they're making changes

1469

01:12:05,590 --> 01:12:03,110

making train okay well what are you

1470

01:12:08,380 --> 01:12:05,600

trying to call me liar hi my trunk call

1471

01:12:11,020 --> 01:12:08,390

me a liar well eventually go to

1472

01:12:12,280 --> 01:12:11,030

abduction 51 and now have well I mean

1473

01:12:14,439 --> 01:12:12,290

that's probably a good thing because

1474

01:12:15,610 --> 01:12:14,449

when the site comes back up I wonder if

1475

01:12:18,850 --> 01:12:15,620

this is gonna be like a bunch a new

1476

01:12:20,260 --> 01:12:18,860

stuff on I bet there is somewhere on

1477

01:12:22,360 --> 01:12:20,270

Instagram that they're like we got a

1478

01:12:24,310 --> 01:12:22,370

bunch new t-shirts and we're like fixing

1479

01:12:29,740 --> 01:12:24,320

the site and I'm just now remembering

1480

01:12:31,150 --> 01:12:29,750

remembering and also memory if if if you

1481

01:12:34,360 --> 01:12:31,160

don't have time to go to all these

1482

01:12:36,189 --> 01:12:34,370

websites but you do want to choose one I

1483

01:12:39,340 --> 01:12:36,199

definitely have to recommend going to

1484

01:12:41,380 --> 01:12:39,350

UFO garage BC calm right because we're

1485

01:12:43,450 --> 01:12:41,390

also gonna hook you up with t-shirts and

1486

01:12:47,350 --> 01:12:43,460

hats and hoodies and beanies and socks

1487

01:12:50,860 --> 01:12:47,360

and and all kinds of stuff and it helps

1488

01:12:53,500 --> 01:12:50,870

it helps out the show I forgot about

1489

01:12:56,290 --> 01:12:53,510

that sure it helps out the show and it

1490

01:12:58,600 --> 01:12:56,300

helps keep the podcast going alright so

1491

01:13:01,750 --> 01:12:58,610

we definitely appreciate all the support

1492

01:13:04,600 --> 01:13:01,760

oh also while we're at it dude um hey

1493

01:13:06,939 --> 01:13:04,610

guys thank you so much for the GoFundMe

1494

01:13:10,150 --> 01:13:06,949

yes we are kicking ass on that thing

1495

01:13:12,669 --> 01:13:10,160

we've got a little bit of time left and

1496

01:13:14,890 --> 01:13:12,679

I think we're like 200 bucks away from

1497

01:13:17,860 --> 01:13:14,900

from our goal so if you guys are

1498

01:13:19,840 --> 01:13:17,870

listening you know anything helps we're

1499

01:13:21,640 --> 01:13:19,850

not asking for huge donations but if you

1500

01:13:23,860 --> 01:13:21,650

know you could pitch in a dollar five

1501

01:13:25,360 --> 01:13:23,870

dollars whatever you want to it's

1502

01:13:28,120 --> 01:13:25,370

definitely gonna help us out man and

1503

01:13:32,169 --> 01:13:28,130

everybody who has donated thank you very

1504

01:13:33,729 --> 01:13:32,179

much appreciate that super cool I mean

1505

01:13:35,439 --> 01:13:33,739

we didn't even think we were gonna get

1506

01:13:38,800 --> 01:13:35,449

that much yeah who didn't think people

1507

01:13:41,169 --> 01:13:38,810

cared about us no but uh looks like we

1508

01:13:44,629 --> 01:13:41,179

were wrong thank you guys like us that's

1509

01:13:46,010 --> 01:13:44,639

fun hey I'm not gonna find that

1510

01:13:47,810 --> 01:13:46,020

this is gonna take a while what is it

1511

01:13:49,760 --> 01:13:47,820

the I was gonna fight trying to find the

1512

01:13:51,169 --> 01:13:49,770

GoFundMe but I can't find it oh it's a

1513

01:13:59,470 --> 01:13:51,179

little bit further down it's not that

1514

01:14:03,470 --> 01:13:59,480

far away keep on swimming keep things oh

1515

01:14:08,629 --> 01:14:06,620

sweet dude it's wait we're almost at

1516

01:14:09,830 --> 01:14:08,639

three hundred dollars dude we're asking

1517

01:14:11,899 --> 01:14:09,840

for five hundred dollars just for the

1518

01:14:13,879 --> 01:14:11,909

the banner and maybe some shirts and

1519

01:14:15,080 --> 01:14:13,889

some stickers all right yeah thank you

1520

01:14:16,520 --> 01:14:15,090

guys so much for donating this is

1521

01:14:18,379 --> 01:14:16,530

awesome that's pretty awesome so it's

1522

01:14:19,910 --> 01:14:18,389

pretty awesome though I might have to

1523

01:14:27,020 --> 01:14:19,920

donate ten bucks just so we can get to

1524

01:14:28,370 --> 01:14:27,030

them okay cool man okay so dude what's

1525

01:14:30,800 --> 01:14:28,380

next do you want to do you want to check

1526

01:14:35,720 --> 01:14:30,810

out oh what's this first yeah it's uh

1527

01:14:38,060 --> 01:14:35,730

voices oh so quick history lesson if you

1528

01:14:40,310 --> 01:14:38,070

didn't know the big guy you John F

1529

01:14:44,990 --> 01:14:40,320

Kennedy speech was done at the

1530

01:14:48,290 --> 01:14:45,000

University of rice here in Texas the

1531

01:14:51,830 --> 01:14:48,300

funny story about it is that when rice

1532

01:14:53,750 --> 01:14:51,840

plays Texas they they never win right

1533

01:14:56,930 --> 01:14:53,760

rice never wins rights never corn song

1534

01:14:58,520 --> 01:14:56,940

but it's hilarious to me in this speech

1535

01:15:01,879 --> 01:14:58,530

because he's talking about all the hard

1536

01:15:04,000 --> 01:15:01,889

things you know why do we want to do

1537

01:15:06,800 --> 01:15:04,010

this why do we choose to you know

1538

01:15:09,590 --> 01:15:06,810

explore the world why do we choose to

1539

01:15:12,410 --> 01:15:09,600

climb the highest mountain why does what

1540

01:15:14,450 --> 01:15:12,420

does Rice play Texas you know that's

1541

01:15:16,370 --> 01:15:14,460

what the like the premise of the speech

1542

01:15:18,470 --> 01:15:16,380

was as soon as he says that then he

1543

01:15:20,600 --> 01:15:18,480

relates it to like going to the moon and

1544

01:15:22,459 --> 01:15:20,610

it's like I don't know that's a good

1545

01:15:25,220 --> 01:15:22,469

comparison dude because that kind of

1546

01:15:26,959 --> 01:15:25,230

means that they have a better chance of

1547

01:15:30,919 --> 01:15:26,969

making it to the moon than beating UT

1548

01:15:32,450 --> 01:15:30,929

Texas where they going to the moon is a

1549

01:15:35,109 --> 01:15:32,460

bad idea because we might not be able to

1550

01:15:38,840 --> 01:15:35,119

do it we're just doing it cuz it's hard

1551

01:15:40,700 --> 01:15:38,850

but it in all respects rice used to be a

1552

01:15:42,229 --> 01:15:40,710

great football program it's a great

1553

01:15:44,209 --> 01:15:42,239

school just I don't know I don't know

1554

01:15:46,580 --> 01:15:44,219

anything about [h\_\_h] sports lots and

1555

01:15:47,270 --> 01:15:46,590

lots of scientists dude yeah lots of

1556

01:15:50,950 --> 01:15:47,280

scientists

1557

01:15:53,479 --> 01:15:50,960

maybe like one or two but I know like

1558

01:15:56,540 --> 01:15:53,489

engineers and like people who have been

1559

01:15:58,610 --> 01:15:56,550

to space like Rice damned

1560

01:16:00,590 --> 01:15:58,620

there's a lot of smart people oh yeah a

1561

01:16:02,900 --> 01:16:00,600

lot of smart people so they don't need

1562

01:16:04,400 --> 01:16:02,910

to play good football now they'll need

1563

01:16:07,240 --> 01:16:04,410

it they're running the world right

1564

01:16:14,150 --> 01:16:07,250

they're making a lot of changes just to

1565

01:16:16,580 --> 01:16:14,160

change it maybe we'll ask why climb the

1566

01:16:22,970 --> 01:16:16,590

highest mountain well maybe watch the

1567

01:16:30,800 --> 01:16:22,980

whole thing or scale Texas we choose to

1568

01:16:34,040 --> 01:16:30,810

go to the moon not because they are easy

1569

01:16:37,430 --> 01:16:34,050

but because they are hard because that

1570

01:16:40,880 --> 01:16:37,440

goal will serve to organize and measure

1571

01:16:48,940 --> 01:16:40,890

the best of our energies and skills he

1572

01:16:55,400 --> 01:16:51,650

re-entering the atmosphere at speeds of

1573

01:16:57,650 --> 01:16:55,410

over 25,000 miles per hour causing heat

1574

01:17:01,460 --> 01:16:57,660

about half a tone the temperature of the

1575

01:17:06,650 --> 01:17:01,470

Sun almost as hot as it is here today my

1576

01:17:13,340 --> 01:17:06,660

balls are sweating just for my shiny

1577

01:17:16,100 --> 01:17:13,350

balls that's awesome yeah good little

1578

01:17:18,470 --> 01:17:16,110

good little speech that's dope man who's

1579

01:17:20,360 --> 01:17:18,480

in there cracking jokes dude just crack

1580

01:17:23,990 --> 01:17:20,370

a joke this is yeah I like that guy man

1581

01:17:26,120 --> 01:17:24,000

yeah I'd vote for him absolutely you

1582

01:17:27,650 --> 01:17:26,130

know what I mean better than anything we

1583

01:17:29,480 --> 01:17:27,660

have today that's for damn sure

1584

01:17:32,270 --> 01:17:29,490

you know Mayor Bloomberg is running for

1585

01:17:34,280 --> 01:17:32,280

president the mayor of Newton Newton was

1586

01:17:36,710 --> 01:17:34,290

it he the mayor of New York for a while

1587

01:17:39,200 --> 01:17:36,720

don't you know do you know him

1588

01:17:42,920 --> 01:17:39,210

terrible accent all right I'm gonna stop

1589

01:17:43,370 --> 01:17:42,930

that you can't sway me that's all I'm

1590

01:17:45,170 --> 01:17:43,380

gonna say

1591

01:17:47,690 --> 01:17:45,180

so I don't want to talk about politics

1592

01:17:50,810 --> 01:17:47,700

yeah we'll leave it there okay so well I

1593

01:17:53,030 --> 01:17:50,820

had this idea I said Joe we should like

1594

01:17:58,240 --> 01:17:53,040

watch on acknowledge because well I mean

1595

01:18:01,130 --> 01:17:58,250

obviously dude it's the most prolific

1596

01:18:02,390 --> 01:18:01,140

movie document documentary that's come

1597

01:18:03,920 --> 01:18:02,400

out in a really long time it's like

1598

01:18:05,930 --> 01:18:03,930

really well produced it doesn't look

1599

01:18:08,540 --> 01:18:05,940

like a stray another [h\_\_h] 60s it's

1600

01:18:10,190 --> 01:18:08,550

not boring that the pacing is well done

1601

01:18:12,110 --> 01:18:10,200

the audios consistent

1602

01:18:16,220 --> 01:18:12,120

and good yeah it's a good document it's

1603

01:18:18,200 --> 01:18:16,230

well put-together edited and as far as

1604

01:18:22,660 --> 01:18:18,210

like structure there's not a whole but

1605

01:18:25,070 --> 01:18:22,670

they do do it in like do do they do like

1606

01:18:26,120 --> 01:18:25,080

separate it into acts like act one

1607

01:18:30,490 --> 01:18:26,130

through three uh-huh

1608

01:18:33,320 --> 01:18:30,500

but there's just so much haha you know

1609

01:18:34,850 --> 01:18:33,330

yeah dude yeah like maybe we just watch

1610

01:18:35,900 --> 01:18:34,860

it and we could skip around and just

1611

01:18:39,170 --> 01:18:35,910

kind of like break it down because

1612

01:18:41,240 --> 01:18:39,180

there's no number one there's there's so

1613

01:18:43,910 --> 01:18:41,250

many there's so much footage in this

1614

01:18:46,880 --> 01:18:43,920

this documentary that I've never seen

1615

01:18:49,430 --> 01:18:46,890

before really cool really cool footage

1616

01:18:52,210 --> 01:18:49,440

so I don't know where they are in the

1617

01:18:53,600 --> 01:18:52,220

before we get started on this right I

1618

01:18:58,730 --> 01:18:53,610

understand

1619

01:18:59,680 --> 01:18:58,740

Steven Greer is is highly 0 what's the

1620

01:19:06,190 --> 01:18:59,690

word I'm looking for

1621

01:19:08,750 --> 01:19:06,200

provocative no [h\_\_\h] people controversial

1622

01:19:11,930 --> 01:19:08,760

controversial thank you I understand

1623

01:19:17,000 --> 01:19:11,940

he's he's really controversial in the in

1624

01:19:20,330 --> 01:19:17,010

the in the UFO field you know I I don't

1625

01:19:22,250 --> 01:19:20,340

know the guy never met the guy we're

1626

01:19:26,660 --> 01:19:22,260

going just kind of based off of some of

1627

01:19:28,760 --> 01:19:26,670

this stuff and you know even not coming

1628

01:19:31,100 --> 01:19:28,770

out of Steven Greer's mouth a lot of

1629

01:19:33,590 --> 01:19:31,110

this stuff I have heard you know just

1630

01:19:35,840 --> 01:19:33,600

kind of circulating through the people

1631

01:19:38,470 --> 01:19:35,850

that we've talked to and and just you

1632

01:19:42,110 --> 01:19:38,480

know just kind of all over the place so

1633

01:19:44,930 --> 01:19:42,120

we're not really endorsing Steven Greer

1634

01:19:47,450 --> 01:19:44,940

himself or whatever but I mean you know

1635

01:19:49,790 --> 01:19:47,460

it there's you've got a lot of a lot of

1636

01:19:53,030 --> 01:19:49,800

you know documents in this documentary a

1637

01:19:54,800 --> 01:19:53,040

lot of people in this documentary some

1638

01:19:56,630 --> 01:19:54,810

that are even gonna be at the conference

1639

01:19:58,610 --> 01:19:56,640

yeah there's gonna be quite a few of

1640

01:19:59,930 --> 01:19:58,620

them in this document documentary that

1641

01:20:02,720 --> 01:19:59,940

are gonna be at the conference so I'm

1642

01:20:04,790 --> 01:20:02,730

excited about that like I said I never

1643

01:20:06,830 --> 01:20:04,800

met Steven Greer I I think the whole

1644

01:20:08,960 --> 01:20:06,840

thing is though right is is they just

1645

01:20:11,060 --> 01:20:08,970

kind of say like you know he's just he's

1646

01:20:13,310 --> 01:20:11,070

conning people out of their money or

1647

01:20:16,040 --> 01:20:13,320

like he's in it for the money or just

1648

01:20:17,690 --> 01:20:16,050

all the money and likes I've seen some

1649

01:20:18,980 --> 01:20:17,700

of his like shirt lectures and I don't

1650

01:20:21,890 --> 01:20:18,990

know the guy I've never met him but it

1651

01:20:22,790 --> 01:20:21,900

does kind of come off like it's all

1652

01:20:23,240 --> 01:20:22,800

about me

1653

01:20:32,060 --> 01:20:23,250

like

1654

01:20:33,950 --> 01:20:32,070

a nice Jack Black reference to but I

1655

01:20:36,980 --> 01:20:33,960

don't know I feel like if you're at this

1656

01:20:39,560 --> 01:20:36,990

beast that so much for the ufology field

1657

01:20:45,260 --> 01:20:39,570

though like maybe he does deserve that

1658

01:20:48,920 --> 01:20:45,270

amount of of he's just focused on some

1659

01:20:51,170 --> 01:20:48,930

weird I guess conflicting things like

1660

01:20:53,780 --> 01:20:51,180

personality-wise but why the [h\_\_h] does

1661

01:20:55,730 --> 01:20:53,790

that matter if he's got some quirks it

1662

01:20:57,410 --> 01:20:55,740

doesn't matter to me the fact is that

1663

01:21:00,650 --> 01:20:57,420

he's done so much [h\_\_\h] for this

1664

01:21:03,800 --> 01:21:00,660

community I understand that this stuff

1665

01:21:10,370 --> 01:21:03,810

costs money right it's not cheap to do

1666

01:21:12,380 --> 01:21:10,380

this you know and especially if you are

1667

01:21:15,230 --> 01:21:12,390

doing it full-time like I don't know

1668

01:21:19,640 --> 01:21:15,240

like maybe he has this like chosen one

1669

01:21:21,770 --> 01:21:19,650

complex right and I feel like some

1670

01:21:26,210 --> 01:21:21,780

people might see it that way and some

1671

01:21:28,190 --> 01:21:26,220

people do kind of like very eerily like

1672

01:21:30,620 --> 01:21:28,200

kind of like worship this dude yeah you

1673

01:21:32,750 --> 01:21:30,630

know what I'm saying like it's our small

1674

01:21:34,190 --> 01:21:32,760

community and it's a little bit it's a

1675

01:21:36,200 --> 01:21:34,200

little it's a little off-putting to me

1676

01:21:39,860 --> 01:21:36,210

yeah and people are like oh my god

1677

01:21:45,590 --> 01:21:39,870

Steven Greer right um but you know like

1678

01:21:48,920 --> 01:21:45,600

I understand right so I mean we're doing

1679

01:21:50,930 --> 01:21:48,930

a fundraiser right to go you know to UFO

1680

01:21:53,150 --> 01:21:50,940

con you know like we sell t-shirts and

1681

01:21:55,610 --> 01:21:53,160

things like that to help keep what we're

1682

01:21:57,320 --> 01:21:55,620

doing going yeah I understand that he's

1683

01:22:00,260 --> 01:21:57,330

on the kind of a larger scale it

1684

01:22:02,720 --> 01:22:00,270

probably takes us a whole lot more money

1685

01:22:05,090 --> 01:22:02,730

to do that so he has to charge for

1686

01:22:07,460 --> 01:22:05,100

things I I you know I understand that

1687

01:22:09,200 --> 01:22:07,470

do the same thing to sell t-shirts and

1688

01:22:10,580 --> 01:22:09,210

stuff but you know like like like kind

1689

01:22:12,290 --> 01:22:10,590

of what we were talking about earlier

1690

01:22:14,330 --> 01:22:12,300

about like you know going on a podcast

1691

01:22:14,690 --> 01:22:14,340

and he's like so yeah that's a good

1692

01:22:16,010 --> 01:22:14,700

point

1693

01:22:17,960 --> 01:22:16,020

how much are you gonna how much you're

1694

01:22:20,240 --> 01:22:17,970

gonna pay me did I need to know

1695

01:22:24,590 --> 01:22:20,250

questions beforehand yeah it's like well

1696

01:22:26,750 --> 01:22:24,600

I mean no dude like I don't know I kinda

1697

01:22:28,640 --> 01:22:26,760

I I get the dickish vibe yeah you know I

1698

01:22:30,500 --> 01:22:28,650

guess if dick is so certain people said

1699

01:22:32,660 --> 01:22:30,510

like he's kind of a dick right right and

1700

01:22:35,150 --> 01:22:32,670

and and that that girl that was out of

1701

01:22:36,589 --> 01:22:35,160

the Congress right she was like I took a

1702

01:22:38,629 --> 01:22:36,599

picture with Steven Greer and like

1703

01:22:39,709 --> 01:22:38,639

she was so proud of that because cuz he

1704

01:22:41,389 --> 01:22:39,719

doesn't take pictures he doesn't take

1705

01:22:43,279 --> 01:22:41,399

pictures with anybody right and there's

1706

01:22:45,739 --> 01:22:43,289

that like halo effect right we're like

1707

01:22:48,669 --> 01:22:45,749

yeah yeah idolize these people like

1708

01:22:51,770 --> 01:22:48,679

right right so I think as long as we

1709

01:22:53,929 --> 01:22:51,780

understand that there's no idolization

1710

01:22:57,799 --> 01:22:53,939

going on here whatsoever yeah I think

1711

01:22:59,540 --> 01:22:57,809

documentary is pretty cool I think it's

1712

01:23:01,189 --> 01:22:59,550

yeah I mean I think I think it's I think

1713

01:23:04,879 --> 01:23:01,199

it's interesting the fact that you can

1714

01:23:07,609 --> 01:23:04,889

get all these people in one film and all

1715

01:23:09,259 --> 01:23:07,619

this like this footage dude where I

1716

01:23:11,419 --> 01:23:09,269

haven't seen most of the stuff that's in

1717

01:23:13,189 --> 01:23:11,429

this video or in this movie right it's

1718

01:23:14,449 --> 01:23:13,199

great I think it's great I did see

1719

01:23:16,509 --> 01:23:14,459

something that kind of threw me off a

1720

01:23:20,209 --> 01:23:16,519

little bit oh [h\_\_h] what does that mean

1721

01:23:24,520 --> 01:23:20,219

remember the commercial the space

1722

01:23:26,569 --> 01:23:24,530

commercial yes so that was for

1723

01:23:28,429 --> 01:23:26,579

Independence Day we've talked about this

1724

01:23:31,969 --> 01:23:28,439

on the podcast and it's featured in this

1725

01:23:34,939 --> 01:23:31,979

it's in this documentary so as like like

1726

01:23:36,649 --> 01:23:34,949

it's real I yeah so I get why you're

1727

01:23:40,879 --> 01:23:36,659

saying that that was one thing that I

1728

01:23:42,500 --> 01:23:40,889

caught that it was like right so the

1729

01:23:44,779 --> 01:23:42,510

difference is like with with our

1730

01:23:47,209 --> 01:23:44,789

platform when we talk cuz we did talk

1731

01:23:51,080 --> 01:23:47,219

about that commercial like it was it was

1732

01:23:53,359 --> 01:23:51,090

oh [h\_\_h] that's oh it's proof but then we

1733

01:23:54,919 --> 01:23:53,369

retracted that and then in like the next

1734

01:23:57,109 --> 01:23:54,929

episode like yeah hey we did our

1735

01:23:59,449 --> 01:23:57,119

research and it's wrong the thing that I

1736

01:24:01,040 --> 01:23:59,459

can't do now is at the time maybe he

1737

01:24:02,599 --> 01:24:01,050

thought was legit and they can't like go

1738

01:24:05,689 --> 01:24:02,609

back and say hey guys sorry about that

1739

01:24:07,040 --> 01:24:05,699

so I get I get that but at the same time

1740

01:24:09,979 --> 01:24:07,050

it does kind of arc me if you're gonna

1741

01:24:12,199 --> 01:24:09,989

put something in stone on a documentary

1742

01:24:13,819 --> 01:24:12,209

check your facts do you'd like right all

1743

01:24:16,790 --> 01:24:13,829

it takes is a Google like was this

1744

01:24:18,919 --> 01:24:16,800

Independence Day then like very easily

1745

01:24:21,649 --> 01:24:18,929

also that's kind of another interesting

1746

01:24:23,810 --> 01:24:21,659

point is that like I know like I mean

1747

01:24:26,299 --> 01:24:23,820

there's a there's a few people that like

1748

01:24:28,939 --> 01:24:26,309

in do you follow jeer ight then are like

1749

01:24:31,790 --> 01:24:28,949

I don't watch space movies I don't watch

1750

01:24:33,469 --> 01:24:31,800

alien movies right so you know like

1751

01:24:35,119 --> 01:24:33,479

really that's the best part it's so fun

1752

01:24:37,069 --> 01:24:35,129

like yeah but but they're the real

1753

01:24:39,189 --> 01:24:37,079

standoffish about it like oh it just

1754

01:24:42,049 --> 01:24:39,199

doesn't interest me right but it's like

1755

01:24:43,759 --> 01:24:42,059

well maybe if you did watch some sci-fi

1756

01:24:46,339 --> 01:24:43,769

movies you would have caught the fact

1757

01:24:48,259 --> 01:24:46,349

that was an independence thing like

1758

01:24:49,970 --> 01:24:48,269

instead of instead of like oh it's

1759

01:24:51,170 --> 01:24:49,980

almost like for some people with like

1760

01:24:53,210 --> 01:24:51,180

they think it like helps their

1761

01:24:54,440 --> 01:24:53,220

credibility like oh yeah I do all this

1762

01:24:57,050 --> 01:24:54,450

research and I have all this information

1763

01:24:59,840 --> 01:24:57,060

but I don't watch you know sci-fi movies

1764

01:25:02,150 --> 01:24:59,850

yeah I don't know like that's silly like

1765

01:25:03,710 --> 01:25:02,160

what's a [h\_\_h] sci-fi movie man come

1766

01:25:09,680 --> 01:25:03,720

on cuz you wouldn't make mistakes like

1767

01:25:11,060 --> 01:25:09,690

this seriously yeah Oh TV Cerrone hey

1768

01:25:16,130 --> 01:25:11,070

we're not talking [h\_\_h] about anybody

1769

01:25:17,330 --> 01:25:16,140

just uh you know we're just you know you

1770

01:25:18,500 --> 01:25:17,340

know this is a podcast and you're

1771

01:25:25,360 --> 01:25:18,510

supposed to talk so that's what we're

1772

01:25:29,060 --> 01:25:28,160

we're just two guys with slinky hats

1773

01:25:31,250 --> 01:25:29,070

yeah

1774

01:25:34,340 --> 01:25:31,260

doctor scientists we don't know [h\_\_h] we

1775

01:25:35,780 --> 01:25:34,350

are the UFO garage podcast yeah okay all

1776

01:25:37,370 --> 01:25:35,790

right so you want to watch a little bit

1777

01:25:38,960 --> 01:25:37,380

of it yeah you skip around we don't have

1778

01:25:41,300 --> 01:25:38,970

to watch like the whole thing like and

1779

01:25:45,410 --> 01:25:41,310

we're sure he don't row I mean this here

1780

01:25:49,660 --> 01:25:45,420

is Richard Doty right hey he's a special

1781

01:25:52,970 --> 01:25:49,670

agent it was assigned to the office

1782

01:25:55,370 --> 01:25:52,980

office OSI office of special

1783

01:25:58,400 --> 01:25:55,380

intelligence at Kirtland Air Force Base

1784

01:26:03,860 --> 01:25:58,410

doh yeah he was on a project that was

1785

01:26:06,770 --> 01:26:03,870

about like finding UFOs and like like

1786

01:26:09,710 --> 01:26:06,780

researching alien visitation to the

1787

01:26:11,060 --> 01:26:09,720

plant whoa so he knows something he

1788

01:26:14,090 --> 01:26:11,070

knows something I remember at one point

1789

01:26:16,190 --> 01:26:14,100

he was like oh sorry yeah yeah I can't

1790

01:26:18,440 --> 01:26:16,200

really talk I can't talk about that it's

1791

01:26:19,760 --> 01:26:18,450

like yeah we'll get to it hopefully they

1792

01:26:23,930 --> 01:26:19,770

agree or the background was like well

1793

01:26:25,850 --> 01:26:23,940

when I was briefing the the you know the

1794

01:26:27,140 --> 01:26:25,860

head of Central Intelligence yeah that's

1795

01:26:30,670 --> 01:26:27,150

what the that's what the whole

1796

01:26:34,850 --> 01:26:30,680

discussion was about he was like yeah

1797

01:26:39,229 --> 01:26:34,860

yeah I mean all right let's see what he

1798

01:26:41,810 --> 01:26:39,239

has to say oh oh no rolls and they'd

1799

01:26:43,280 --> 01:26:41,820

have this headset on in this heads so

1800

01:26:45,740 --> 01:26:43,290

this is a really interesting part I'd

1801  
01:26:48,050 --> 01:26:45,750  
like three bodies of human shape but

1802  
01:26:49,390 --> 01:26:48,060  
only three feet tall because become I

1803  
01:26:51,939 --> 01:26:49,400  
mean I turned off

1804  
01:26:53,979 --> 01:26:51,949  
well you know your charge website after

1805  
01:26:56,530 --> 01:26:53,989  
we released Amina the Sharda jerk this

1806  
01:26:58,180 --> 01:26:56,540  
wasn't it was it more or less than over

1807  
01:27:00,879 --> 01:26:58,190  
I'm gonna pause it cuz I don't know like

1808  
01:27:04,600 --> 01:27:00,889  
what the rules and stuff are on all this

1809  
01:27:07,300 --> 01:27:04,610  
stuff but I would like to point out let

1810  
01:27:10,600 --> 01:27:07,310  
me see here let me see her where to go

1811  
01:27:17,189 --> 01:27:10,610  
where to go where to go the document I

1812  
01:27:17,199 --> 01:27:32,729  
okay they just showed that let me see

1813  
01:27:36,550 --> 01:27:35,229

Roswell's almost become a joke because

1814

01:27:39,419 --> 01:27:36,560

there's so much myth and narrative

1815

01:27:41,530 --> 01:27:39,429

around it but if you look at the

1816

01:27:43,359 --> 01:27:41,540

building yeah this document right here

1817

01:27:47,339 --> 01:27:43,369

her Hoover three so-called flying

1818

01:27:51,580 --> 01:27:47,349

saucers had been recovered in New Mexico

1819

01:27:53,439 --> 01:27:51,590

three bodies of human shape we found the

1820

01:27:55,000 --> 01:27:53,449

document that's the one this is the one

1821

01:27:58,830 --> 01:27:55,010

the one that you pulled out huh

1822

01:28:03,609 --> 01:27:58,840

FBI yep yeah dude yep there it is

1823

01:28:07,990 --> 01:28:03,619

did a little digging so what can we read

1824

01:28:11,379 --> 01:28:08,000

from this yeah give investigation there

1825

01:28:13,570 --> 01:28:11,389

you go the investigator for the Air

1826

01:28:15,879 --> 01:28:13,580

Force stated that there

1827

01:28:19,109 --> 01:28:15,889

let me see it's hard to read that I

1828

01:28:21,370 --> 01:28:19,119

so-called flying saucers yeah have been

1829

01:28:23,620 --> 01:28:21,380

recovered in New Mexico they were

1830

01:28:27,970 --> 01:28:23,630

described as being circular in shape

1831

01:28:30,609 --> 01:28:27,980

with raised centers raised approximately

1832

01:28:33,430 --> 01:28:30,619

50 feet in diameter each one was

1833

01:28:35,919 --> 01:28:33,440

occupied by three bodies of human shape

1834

01:28:37,089 --> 01:28:35,929

but only had but only three two feet

1835

01:28:48,430 --> 01:28:37,099

tall

1836

01:28:50,680 --> 01:28:48,440

a very fine texture there you go that's

1837

01:28:54,970 --> 01:28:50,690

the that's the the leotard thing again

1838

01:28:58,359 --> 01:28:54,980

man each body was bandaged in a manner

1839

01:29:00,459 --> 01:28:58,369

similar to the blackout suit used by

1840

01:29:02,620 --> 01:29:00,469

speed flier yeah there you go

1841

01:29:05,200 --> 01:29:02,630

and that and

1842

01:29:07,180 --> 01:29:05,210

and the pilot in test pilots yeah so the

1843

01:29:08,740 --> 01:29:07,190

suppression suit said that's weird right

1844

01:29:11,260 --> 01:29:08,750

from blacking out yeah

1845

01:29:13,300 --> 01:29:11,270

according to mr. blank informant the

1846

01:29:15,729 --> 01:29:13,310

saucers were found in New Mexico due to

1847

01:29:19,030 --> 01:29:15,739

the fact that the government has a very

1848

01:29:20,709 --> 01:29:19,040

high-powered radar set up in the area

1849

01:29:23,399 --> 01:29:20,719

and is believed the radar inner

1850

01:29:25,780 --> 01:29:23,409

interferes with the controlling

1851  
01:29:28,720 --> 01:29:25,790  
mechanics of the saucer so the radar

1852  
01:29:30,550 --> 01:29:28,730  
interferes with the way that the saucers

1853  
01:29:32,229 --> 01:29:30,560  
are flying in some way that's what they

1854  
01:29:32,740 --> 01:29:32,239  
were saying right that's what they

1855  
01:29:35,050 --> 01:29:32,750  
believe

1856  
01:29:38,129 --> 01:29:35,060  
yeah so further evaluation was attached

1857  
01:29:41,470 --> 01:29:38,139  
are attempted by blanky blank

1858  
01:29:44,169 --> 01:29:41,480  
concerning the above yeah the UH the

1859  
01:29:47,470 --> 01:29:44,179  
blackouts are always funny that's so is

1860  
01:29:51,760 --> 01:29:47,480  
that just what the one-page yeah oh okay

1861  
01:29:54,550 --> 01:29:51,770  
cool all right sweet well continue on

1862  
01:29:57,040 --> 01:29:54,560  
yeah so good fine because I was like I

1863  
01:29:59,260 --> 01:29:57,050

was like good like maybe some of these

1864

01:30:01,479 --> 01:29:59,270

documents you just [h\_\_h] making up but

1865

01:30:03,669 --> 01:30:01,489

then I did some digging and I found it

1866

01:30:06,340 --> 01:30:03,679

yeah so I mean here you go there's one

1867

01:30:09,399 --> 01:30:06,350

hold up a lot of papers like I have a

1868

01:30:15,330 --> 01:30:09,409

document right here puts away anybody

1869

01:30:18,700 --> 01:30:15,340

kind of reads it you know a folder yeah

1870

01:30:21,399 --> 01:30:18,710

three feet the case become the number

1871

01:30:25,629 --> 01:30:21,409

one document viewed on the FBI website

1872

01:30:27,160 --> 01:30:25,639

it's hard to find it wasn't it was it

1873

01:30:28,240 --> 01:30:27,170

more or less than over here's homeboy

1874

01:30:31,479 --> 01:30:28,250

right here yeah

1875

01:30:33,180 --> 01:30:31,489

it wasn't that you can I say his

1876

01:30:36,910 --> 01:30:33,190

moustache is [\h\_\_\h] sick by the way

1877

01:30:39,879 --> 01:30:36,920

yeah yeah problem proce - bill uhouse

1878

01:30:41,140 --> 01:30:39,889

did I just did some research on Bill you

1879

01:30:46,030 --> 01:30:41,150

out oh you did yeah

1880

01:30:49,450 --> 01:30:46,040

what'd you find uh he he's like a bill

1881

01:30:52,689 --> 01:30:49,460

he's a contact D oh [\h\_\_\h] yeah that's

1882

01:30:55,149 --> 01:30:52,699

cool around a flatbed to take it up to

1883

01:30:58,810 --> 01:30:55,159

area 51 the interior he sounds like a

1884

01:31:03,729 --> 01:30:58,820

contacting like a lot of them kind of

1885

01:31:09,760 --> 01:31:03,739

like had lately like have this like good

1886

01:31:12,740 --> 01:31:09,770

old boy like I love it actual levers or

1887

01:31:15,410 --> 01:31:12,750

flight control systems that we would

1888

01:31:17,150 --> 01:31:15,420

as a flight control system but the

1889

01:31:19,610 --> 01:31:17,160

eventually I think over some time

1890

01:31:21,890 --> 01:31:19,620

figured it out and it was done all by

1891

01:31:25,540 --> 01:31:21,900

hands the creatures would put their it's

1892

01:31:28,490 --> 01:31:25,550

done all by in 64 controllers 16 floors

1893

01:31:32,060 --> 01:31:28,500

they'd have this headset on and his

1894

01:31:33,860 --> 01:31:32,070

headset would somehow control or help

1895

01:31:40,250 --> 01:31:33,870

him control the aircraft and make

1896

01:31:43,580 --> 01:31:40,260

popcorn on the other room yes what

1897

01:31:47,420 --> 01:31:43,590

creatures were about four foot some of

1898

01:31:49,820 --> 01:31:47,430

the creatures were mangled but they

1899

01:31:53,540 --> 01:31:49,830

could Bob easy in your bodies right

1900

01:31:56,420 --> 01:31:53,550

you're torn apart there were four aliens

1901

01:31:59,600 --> 01:31:56,430

aboard that thing and those daily just

1902

01:32:02,120 --> 01:31:59,610

went to Los Alamos and I'm sorry miss I

1903

01:32:03,320 --> 01:32:02,130

misspoke about you bill uhouse he's not

1904

01:32:05,920 --> 01:32:03,330

a count contactee

1905

01:32:08,690 --> 01:32:05,930

he's another dude that worked at area 51

1906

01:32:09,920 --> 01:32:08,700

around the same time that Bob Lazar had

1907

01:32:13,280 --> 01:32:09,930

worked at area 51

1908

01:32:17,420 --> 01:32:13,290

oh and he has photo evidence of so what

1909

01:32:19,100 --> 01:32:17,430

he worked on was the simulations that so

1910

01:32:21,080 --> 01:32:19,110

like if you're flying a jet right you

1911

01:32:22,790 --> 01:32:21,090

want to fly in the simulation very

1912

01:32:25,490 --> 01:32:22,800

similar to the jet you're gonna fly well

1913

01:32:26,930 --> 01:32:25,500

he built simulations for those Jets oh

1914

01:32:28,280 --> 01:32:26,940

that's cool and they brought him in on

1915

01:32:30,410 --> 01:32:28,290

this special project he wasn't allowed

1916

01:32:33,440 --> 01:32:30,420

to talk about and he built some

1917

01:32:35,960 --> 01:32:33,450

simulations for these alien reproduction

1918

01:32:38,030 --> 01:32:35,970

vehicles so they actually built these

1919

01:32:39,680 --> 01:32:38,040

simulations but they he also got to see

1920

01:32:41,630 --> 01:32:39,690

the craft themselves and he's God's

1921

01:32:43,790 --> 01:32:41,640

video yeah he's got some video and some

1922

01:32:45,470 --> 01:32:43,800

photos and look sick whoa yeah and it

1923

01:32:47,660 --> 01:32:45,480

couldn't just be of the simulation than

1924

01:32:49,880 --> 01:32:47,670

he was working on uh-huh yeah but yeah

1925

01:32:51,770 --> 01:32:49,890

it looks really awesome we were told if

1926

01:32:54,170 --> 01:32:51,780

the extra-terrestrial went to Kirtland

1927

01:32:57,020 --> 01:32:54,180

Field Kirtland Air Force Base and then

1928

01:33:00,350 --> 01:32:57,030

on to Los Alamos - pathologist said it

1929

01:33:02,750 --> 01:33:00,360

wasn't anything another dude like hey

1930

01:33:08,150 --> 01:33:02,760

man I'll tell you what they're all like

1931

01:33:09,260 --> 01:33:08,160

Hank Hill they all now sell propane and

1932

01:33:13,319 --> 01:33:09,270

propane accessories

1933

01:33:15,539 --> 01:33:13,329

was a child because it was small

1934

01:33:17,849 --> 01:33:15,549

then I looked at this head law then I

1935

01:33:20,009 --> 01:33:17,859

looked at this theater from dr. spindly

1936

01:33:22,619 --> 01:33:20,019

the body would hit was ready but the

1937

01:33:24,989 --> 01:33:22,629

creatures were approximately four foot

1938

01:33:27,509 --> 01:33:24,999

they had didn't appear to have any years

1939

01:33:30,000 --> 01:33:27,519

they only had two offices they didn't

1940

01:33:32,099 --> 01:33:30,010

have your loved had two year canals they

1941

01:33:35,369 --> 01:33:32,109

had an indentation for nose very very

1942

01:33:37,649 --> 01:33:35,379

big eyes baby Larry calls the fingers

1943

01:33:40,139 --> 01:33:37,659

had no thumbs just four four fingers

1944

01:33:42,000 --> 01:33:40,149

suction devices under tips of their

1945

01:33:44,219 --> 01:33:42,010

fingers you know therefore fragile

1946

01:33:47,519 --> 01:33:44,229

fingers and alone are real short joy

1947

01:33:50,099 --> 01:33:47,529

almost looked like they were nude but

1948

01:33:52,969 --> 01:33:50,109

they actually had a very thin but

1949

01:33:55,559 --> 01:33:52,979

tight-fitting suit on one was alive

1950

01:33:58,319 --> 01:33:55,569

partially alive at the time that this

1951  
01:34:02,269 --> 01:33:58,329  
happened they died and I believe it was

1952  
01:34:04,109 --> 01:34:02,279  
1952 but the the bodies of the

1953  
01:34:05,579 --> 01:34:04,119  
extraterrestrials that were found at the

1954  
01:34:07,379 --> 01:34:05,589  
scene what a bummer they would have

1955  
01:34:10,369 --> 01:34:07,389  
really enjoyed rock and roll and I know

1956  
01:34:13,469 --> 01:34:10,379  
a man sent to wright-patt Field in

1957  
01:34:18,179 --> 01:34:13,479  
Dayton Ohio one of the briefing officers

1958  
01:34:19,930 --> 01:34:18,189  
are they trying to hide this guy so you

1959  
01:34:22,609 --> 01:34:19,940  
gotta turn the light off you dummies

1960  
01:34:25,019 --> 01:34:22,619  
[Laughter]

1961  
01:34:27,419 --> 01:34:25,029  
yeah I mean like this is the pretty

1962  
01:34:30,029 --> 01:34:27,429  
table right here Rosman

1963  
01:34:32,939 --> 01:34:30,039

there was a flurry of et activity across

1964

01:34:34,979 --> 01:34:32,949

the globe dr. Greer spent eight years

1965

01:34:37,079 --> 01:34:34,989

trying to persuade members of Congress

1966

01:34:38,579 --> 01:34:37,089

and other high-level hey did you know

1967

01:34:40,559 --> 01:34:38,589

that Stephen gray is a doctor to

1968

01:34:42,569 --> 01:34:40,569

disclose what was happening is that why

1969

01:34:46,079 --> 01:34:42,579

they call him dr. Greer I think I think

1970

01:34:47,819 --> 01:34:46,089

so it has something to do and one he

1971

01:34:50,579 --> 01:34:47,829

formed the disclosure always got a gun

1972

01:34:53,099 --> 01:34:50,589

to that fall was always strapped what

1973

01:34:55,349 --> 01:34:53,109

you're about to see his first-hand

1974

01:34:57,860 --> 01:34:55,359

witness testimony of events over the

1975

01:34:59,439 --> 01:34:57,870

past 50 years

1976

01:35:01,240 --> 01:34:59,449

[Music]

1977

01:35:04,840 --> 01:35:01,250

many are telling their stories for the

1978

01:35:07,780 --> 01:35:04,850

first time I would do what this is carry

1979

01:35:10,840 --> 01:35:07,790

a gun I mean I'm doing stuff like this

1980

01:35:13,270 --> 01:35:10,850

dude for real like people you hear so

1981

01:35:14,169 --> 01:35:13,280

many stories of like men in black or CIA

1982

01:35:17,709 --> 01:35:14,179

shakedowns

1983

01:35:20,169 --> 01:35:17,719

nah dude Grier try not to get get God

1984

01:35:24,340 --> 01:35:20,179

hell yeah dude I respect that

1985

01:35:25,630 --> 01:35:24,350

obviously Buzz Aldrin dude but he's a

1986

01:35:30,250 --> 01:35:25,640

Ladykiller by the way dude

1987

01:35:33,640 --> 01:35:30,260

yeah well we should go boldly where man

1988

01:35:36,570 --> 01:35:33,650

has not gone before flyby the Comets

1989

01:35:40,090 --> 01:35:36,580

visit asteroids visit the moon of Mars

1990

01:35:43,150 --> 01:35:40,100

there's a monolith there a very unusual

1991

01:35:45,310 --> 01:35:43,160

structure on this yeah little potato

1992

01:35:47,709 --> 01:35:45,320

shaped I've seen it ascertained that

1993

01:35:50,229 --> 01:35:47,719

goes around Mars once in seven hours

1994

01:35:51,610 --> 01:35:50,239

when people find out about that they're

1995

01:35:55,209 --> 01:35:51,620

gonna say who put that there

1996

01:35:59,350 --> 01:35:55,219

who put that there dr. Greer so people

1997

01:36:01,270 --> 01:35:59,360

with potato aliases obtaineth his uncle

1998

01:36:02,919 --> 01:36:01,280

helped to design the original lunar

1999

01:36:07,450 --> 01:36:02,929

module that put the first men on the

2000

01:36:11,020 --> 01:36:07,460

moon in 1961 so I mean that's [h\_\_h]

2001

01:36:12,550 --> 01:36:11,030

cool like yeah yeah that's dope that

2002

01:36:15,939 --> 01:36:12,560

he's I mean he's been around this [h\_\_h]

2003

01:36:20,320 --> 01:36:15,949

forever and his family worked with NASA

2004

01:36:23,080 --> 01:36:20,330

right right and I mean yeah again he's

2005

01:36:26,080 --> 01:36:23,090

just a super important figure it's well

2006

01:36:27,970 --> 01:36:26,090

connected and I don't know yeah he's got

2007

01:36:28,870 --> 01:36:27,980

a I mean yeah he's definitely got some

2008

01:36:31,240 --> 01:36:28,880

connections

2009

01:36:33,760 --> 01:36:31,250

oh but now did you have it paused is

2010

01:36:39,370 --> 01:36:33,770

that an alien in the window oh my god

2011

01:36:44,530 --> 01:36:39,380

dude how dope Adobe was a mantis with

2012

01:36:48,160 --> 01:36:44,540

lips in the top hat o greatest it's just

2013

01:36:51,640 --> 01:36:48,170

uh it's just Becky just Becky in the

2014

01:36:55,930 --> 01:36:51,650

shot she's like taking her like her top

2015

01:36:58,180 --> 01:36:55,940

off she's like trying to distract yeah

2016

01:37:01,689 --> 01:36:58,190

this guy's got a cool story

2017

01:37:02,110 --> 01:37:01,699

yeah about how they do shoot the missile

2018

01:37:06,910 --> 01:37:02,120

in the air

2019

01:37:09,220 --> 01:37:06,920

Orion and UFO comes in a frame and hits

2020

01:37:12,540 --> 01:37:09,230

all four sides of it with a beam in his

2021

01:37:15,910 --> 01:37:12,550

arms the missile yeah flies out the way

2022

01:37:18,010 --> 01:37:15,920

and the warhead tumbles out of the

2023

01:37:19,810 --> 01:37:18,020

hottest base when the lights came on

2024

01:37:23,100 --> 01:37:19,820

major Mansmann turned around I looked at

2025

01:37:27,100 --> 01:37:23,110

me and said have you seen his video with

2026

01:37:29,920 --> 01:37:27,110

Bill Nye no like the clip duty Punk's

2027

01:37:31,540 --> 01:37:29,930

the [h\_\_\h] out of Bill Nye well said

2028

01:37:33,850 --> 01:37:31,550

yeah how come he Punk's and was that

2029

01:37:36,280 --> 01:37:33,860

because well cuz he was telling this

2030

01:37:38,140 --> 01:37:36,290

story and then bill and I was like let's

2031

01:37:39,760 --> 01:37:38,150

think of some some reasonable things

2032

01:37:41,140 --> 01:37:39,770

that could that could have taken place

2033

01:37:42,850 --> 01:37:41,150

he's like Oh what are you gonna do

2034

01:37:45,610 --> 01:37:42,860

you're gonna gonna do an experiment with

2035

01:37:50,350 --> 01:37:45,620

some baking soda that was him yeah I saw

2036

01:37:52,240 --> 01:37:50,360

that yeah oh my tears into Bill it feels

2037

01:37:56,890 --> 01:37:52,250

like Wolfer not gonna discuss this you

2038

01:37:59,680 --> 01:37:56,900

know and that's when he was like he's

2039

01:38:01,690 --> 01:37:59,690

like I know what the hell I saw you're

2040

01:38:03,880 --> 01:38:01,700

not gonna sit here and tell me what I do

2041

01:38:08,320 --> 01:38:03,890

what I didn't see all right well good

2042

01:38:13,300 --> 01:38:08,330

for him for sticking up for me used to

2043

01:38:17,250 --> 01:38:13,310

be a janitor like Roy to bill I really

2044

01:38:19,570 --> 01:38:17,260

used to be a janitor I think he did

2045

01:38:22,420 --> 01:38:19,580

let's ask Facebook I'm sure they'll

2046

01:38:24,970 --> 01:38:22,430

check us yeah tell us or [h\_\_h] YouTube

2047

01:38:38,980 --> 01:38:24,980

I'm gonna make a post it's funny though

2048

01:38:42,060 --> 01:38:38,990

Bill Nye was a janitor yeah bro also a

2049

01:38:43,900 --> 01:38:42,070

lot of these guys in this documentary

2050

01:38:46,480 --> 01:38:43,910

they look like they're getting ready

2051

01:38:49,060 --> 01:38:46,490

time dude if you know what I mean I like

2052

01:38:50,530 --> 01:38:49,070

the way you said that because yeah dude

2053

01:38:52,540 --> 01:38:50,540

a lot of these people have been in these

2054

01:38:53,250 --> 01:38:52,550

projects and then you know sworn to

2055

01:38:57,520 --> 01:38:53,260

secrecy

2056

01:38:59,860 --> 01:38:57,530

and they know that they're about to go

2057

01:39:01,810 --> 01:38:59,870

on to the next level yep and you know

2058

01:39:03,310 --> 01:39:01,820

they're coming out and it's it's always

2059

01:39:05,110 --> 01:39:03,320

been a thing everybody that's come out

2060

01:39:09,250 --> 01:39:05,120

in the past ten years has always been

2061

01:39:11,290 --> 01:39:09,260

kind of an older dude yeah yeah and you

2062

01:39:13,060 --> 01:39:11,300

know another thing about this is that a

2063

01:39:15,070 --> 01:39:13,070

lot of the clips that they are using

2064

01:39:17,380 --> 01:39:15,080

other than like the UFO footage and

2065

01:39:19,150 --> 01:39:17,390

stuff huh I've seen most of these clips

2066

01:39:20,650 --> 01:39:19,160

it's a lot of stock there's a lot of

2067

01:39:24,640 --> 01:39:20,660

stock footage for sure there really is

2068

01:39:30,430 --> 01:39:27,310

what do you call it oh this is a good

2069

01:39:32,859 --> 01:39:30,440

one I'm just gonna put this out there

2070

01:39:34,689 --> 01:39:32,869

because I know it's coming upward they

2071

01:39:36,399 --> 01:39:34,699

have they have Hillary Clinton on there

2072

01:39:39,640 --> 01:39:36,409

and she's like oh you know the new term

2073

01:39:41,560 --> 01:39:39,650

is UAP yes but that's what they're using

2074

01:39:43,330 --> 01:39:41,570

she kind of appreciate that that I mean

2075

01:39:48,760 --> 01:39:43,340

she did that I don't know first of all I

2076

01:39:52,810 --> 01:39:48,770

hate the term you ap sorry sorry if

2077

01:39:56,439 --> 01:39:52,820

you're you a you were [h\_\_h] if you're you

2078

01:39:57,970 --> 01:39:56,449

ap person I'm sorry I'm just well I like

2079

01:40:00,819 --> 01:39:57,980

UFO I do too

2080

01:40:02,589 --> 01:40:00,829

this is it's my thing and and it's also

2081

01:40:04,629 --> 01:40:02,599

like okay so the government came up with

2082

01:40:06,609 --> 01:40:04,639

this term called UFO and then they were

2083

01:40:09,640 --> 01:40:06,619

like everybody's crazy for believe in

2084

01:40:11,919 --> 01:40:09,650

UFOs we're gonna call them ua ap's why

2085

01:40:14,470 --> 01:40:11,929

because they're unidentified aerial

2086

01:40:17,319 --> 01:40:14,480

phenomena which just is exactly what a

2087

01:40:19,060 --> 01:40:17,329

UFO is and but they were like yeah but

2088

01:40:20,799 --> 01:40:19,070

we're gonna call it you ap now and it's

2089

01:40:21,879 --> 01:40:20,809

like what didn't you come up with UFO in

2090

01:40:23,310 --> 01:40:21,889

the first place and they're like yeah

2091

01:40:26,859 --> 01:40:23,320

but I like this one better

2092

01:40:28,600 --> 01:40:26,869

it's like what can I just call the UFO

2093

01:40:32,350 --> 01:40:28,610

because it has a stigma that's your

2094

01:40:34,569 --> 01:40:32,360

fault there's this stigma you did this I

2095

01:40:37,299 --> 01:40:34,579

want to keep calling it a UFO

2096

01:40:40,390 --> 01:40:37,309

I don't care what you say alright I'm

2097

01:40:42,040 --> 01:40:40,400

behind you on that 100% so what this

2098

01:40:45,700 --> 01:40:42,050

what this podcast speak better if it was

2099

01:40:49,870 --> 01:40:45,710

you ap garage no that's a lame is [h\_\_\h]

2100

01:40:50,649 --> 01:40:49,880

you ap garage no it just doesn't have a

2101

01:40:52,299 --> 01:40:50,659

good ring to it

2102

01:40:54,879 --> 01:40:52,309

I mean you ap works with certain things

2103

01:40:57,640 --> 01:40:54,889

but not not through this but alright

2104

01:41:00,459 --> 01:40:57,650

alright yeah cuz cuz then it'd be the

2105

01:41:02,049 --> 01:41:00,469

you ap podcast so it'd be like I don't

2106

01:41:04,240 --> 01:41:02,059

like to pee pees next week I don't like

2107

01:41:09,490 --> 01:41:04,250

to pee pees you chose I'm glad you got

2108

01:41:19,359 --> 01:41:09,500

there you beat me to it

2109

01:41:21,479 --> 01:41:19,369

I did I try like you you had too much

2110

01:41:25,359 --> 01:41:21,489

length in your paws

2111

01:41:29,840 --> 01:41:25,369

I shaft did you for for you know I've

2112

01:41:32,730 --> 01:41:29,850

got too much go ahead

2113

01:41:34,410 --> 01:41:32,740

no it's just natural instinct for a dude

2114

01:41:37,410 --> 01:41:34,420

like even whenever you walk into a

2115

01:41:40,230 --> 01:41:37,420

urinal it's always like dude empty yo

2116

01:41:42,720 --> 01:41:40,240

its it's just not natural to have to pee

2117

01:41:45,360 --> 01:41:42,730

pees next reach no have you seen that

2118

01:41:48,930 --> 01:41:45,370

diagram where there's like six urinals

2119

01:41:50,430 --> 01:41:48,940

and it's like what a in in six stalls

2120

01:41:53,790 --> 01:41:50,440

next to each other what a girl sees is

2121

01:41:58,020 --> 01:41:53,800

like six urinals but a guy sees one two

2122

01:42:01,050 --> 01:41:58,030

three yeah like there's only three to

2123

01:42:06,800 --> 01:42:01,060

choose from because like people who

2124

01:42:12,410 --> 01:42:10,380

[h\_\_\h] line out the door like dude I'm

2125

01:42:15,960 --> 01:42:12,420

not gonna like come in there and just

2126

01:42:18,030 --> 01:42:15,970

those dividers are not tall enough and

2127

01:42:20,190 --> 01:42:18,040

wide and it's funny because whenever you

2128

01:42:21,660 --> 01:42:20,200

do see a guy who's like oh [\h\_\_\h] this and

2129

01:42:22,710 --> 01:42:21,670

he goes to stand between two teeth

2130

01:42:25,200 --> 01:42:22,720

always takes a [\h\_\_\h]

2131

01:42:31,230 --> 01:42:25,210

nearly urinal you're like like that

2132

01:42:33,570 --> 01:42:31,240

guy's drunk that level or I'm too drunk

2133

01:42:35,640 --> 01:42:33,580

to care for sure yeah dude but dude I've

2134

01:42:38,160 --> 01:42:35,650

witnessed dudes taking shits in the in

2135

01:42:43,050 --> 01:42:38,170

urinals bro that's like gnarly that's

2136

01:42:46,140 --> 01:42:43,060

not what it's for is it no it's not what

2137

01:42:56,780 --> 01:42:46,150

if you're pooping Pete that's weird you

2138

01:43:04,050 --> 01:42:58,560

1961

2139

01:43:06,540 --> 01:43:04,060

Nellis Air Force Base whether sought or

2140

01:43:07,860 --> 01:43:06,550

unsought by the military-industrial

2141

01:43:09,630 --> 01:43:07,870

complex

2142

01:43:12,420 --> 01:43:09,640

you know because you think of generals

2143

01:43:16,400 --> 01:43:12,430

and you think of conservatives are now

2144

01:43:18,360 --> 01:43:16,410

saying very probe military-industrial

2145

01:43:20,070 --> 01:43:18,370

intelligence calm they're still they're

2146

01:43:21,510 --> 01:43:20,080

still on act one and they're like

2147

01:43:23,520 --> 01:43:21,520

they're all over the place it's very

2148

01:43:25,710 --> 01:43:23,530

hard to follow it's just a lot of

2149

01:43:27,060 --> 01:43:25,720

information all at once yeah so like me

2150

01:43:29,220 --> 01:43:27,070

trying to like take notes about this

2151  
01:43:31,530 --> 01:43:29,230  
it's it was pretty difficult like trying

2152  
01:43:42,169 --> 01:43:31,540  
to do like timing why is this rated

2153  
01:43:48,689 --> 01:43:47,399  
more ass time more ass time because

2154  
01:43:50,099 --> 01:43:48,699  
you're sitting it we were sitting down

2155  
01:43:51,779 --> 01:43:50,109  
when you're watching TV who stands and

2156  
01:43:57,770 --> 01:43:51,789  
watches TV besides Michael Scott and his

2157  
01:44:02,699 --> 01:44:00,029  
illegal part of it he's not talking

2158  
01:44:04,919 --> 01:44:02,709  
about the conventional military but it's

2159  
01:44:07,290 --> 01:44:04,929  
now the military industrial intelligence

2160  
01:44:08,429 --> 01:44:07,300  
hey dude okay do you know the new this

2161  
01:44:11,729 --> 01:44:08,439  
is yeah he's one of the Doobie Brothers

2162  
01:44:13,829 --> 01:44:11,739  
full he always wears a scarf it

2163  
01:44:16,139 --> 01:44:13,839

everything he's in he's got a scarf and

2164

01:44:17,790 --> 01:44:16,149

I honestly I respect that I like that

2165

01:44:20,129 --> 01:44:17,800

stuff like you know like dudes that wear

2166

01:44:23,099 --> 01:44:20,139

bowties to everything Bill Nye is one of

2167

01:44:36,599 --> 01:44:23,109

them I respect it for that consistency

2168

01:44:38,669 --> 01:44:36,609

is key in the country so this is when

2169

01:44:41,879 --> 01:44:38,679

they start getting into like black

2170

01:44:47,659 --> 01:44:41,889

budget things with like the the bushes

2171

01:44:49,529 --> 01:44:47,669

and I will will just shocking are

2172

01:44:52,559 --> 01:44:49,539

attempting to establish what they

2173

01:44:54,509 --> 01:44:52,569

themselves referred to as fools that's

2174

01:44:56,609 --> 01:44:54,519

crazy they showed that on TV bro

2175

01:44:58,739 --> 01:44:56,619

and so the bombings on TV yeah the

2176

01:45:00,419 --> 01:44:58,749

bombings on TV like after 9/11 and they

2177

01:45:02,309 --> 01:45:00,429

were like all right they were like here

2178

01:45:05,279 --> 01:45:02,319

it comes and then like I remember the TV

2179

01:45:08,579 --> 01:45:05,289

like Mazon the news and they were like

2180

01:45:11,069 --> 01:45:08,589

and the airstrikes are about to happen

2181

01:45:13,009 --> 01:45:11,079

like they just showed like a dark screen

2182

01:45:16,469 --> 01:45:13,019

right and then out of nowhere was fire

2183

01:45:18,750 --> 01:45:16,479

all these and dude like everybody like

2184

01:45:20,759 --> 01:45:18,760

on the news was acting like it was 4th

2185

01:45:23,159 --> 01:45:20,769

of July they were like and the bombing

2186

01:45:25,919 --> 01:45:23,169

has started like bro that's like SWAT

2187

01:45:27,899 --> 01:45:25,929

some idiocracy type [h\_\_h] why you'd there

2188

01:45:30,029 --> 01:45:27,909

were so far removed of what's actually

2189

01:45:32,879 --> 01:45:30,039

happening in the video yeah that those

2190

01:45:36,119 --> 01:45:32,889

fireballs those are people dying yeah

2191

01:45:37,979 --> 01:45:36,129

they I mean the success rate of killing

2192

01:45:41,429 --> 01:45:37,989

people from bombs and like drone strikes

2193

01:45:43,020 --> 01:45:41,439

it was like so [h\_\_h] low of killing

2194

01:45:44,879 --> 01:45:43,030

the actual person that they're targeting

2195

01:45:46,349 --> 01:45:44,889

and it's mostly innocent people that

2196

01:45:49,699 --> 01:45:46,359

don't even [h\_\_h] care

2197

01:45:52,259 --> 01:45:49,709

yeah that's it's terrible it's terrible

2198

01:45:55,290 --> 01:45:52,269

yeah but yeah good point why the [h\_\_h]

2199

01:45:56,700 --> 01:45:55,300

did they show that on TV I have no idea

2200

01:45:58,589 --> 01:45:56,710

that was crazy I think it's a good

2201

01:46:00,899 --> 01:45:58,599

example of brainwashing dude it is

2202

01:46:02,850 --> 01:46:00,909

that's exactly what it is yeah I mean

2203

01:46:06,419 --> 01:46:02,860

Lane washing you think of it like spiral

2204

01:46:08,640 --> 01:46:06,429

thing but that is brainwashing didn't

2205

01:46:09,120 --> 01:46:08,650

like the fact that no one like blinked

2206

01:46:11,640 --> 01:46:09,130

and I

2207

01:46:13,020 --> 01:46:11,650

oh yeah well they brought down 9/11 we

2208

01:46:14,760 --> 01:46:13,030

might as well just go bomb the [h\_\_h] out

2209

01:46:19,169 --> 01:46:14,770

of him we thought that was okay to show

2210

01:46:20,819 --> 01:46:19,179

on TV yeah that's it that's that's nuts

2211

01:46:25,500 --> 01:46:20,829

I mean I know there's a lot of people

2212

01:46:28,919 --> 01:46:25,510

that disagree with that right like maybe

2213

01:46:32,040 --> 01:46:28,929

liberals right you know what I mean

2214

01:46:35,339 --> 01:46:32,050

like on a on a human level man that's

2215

01:46:38,339 --> 01:46:35,349

like that's that's deep you like take

2216

01:46:43,020 --> 01:46:38,349

that in and also showing 9/11 on TV

2217

01:46:43,589 --> 01:46:43,030

over and over and over again yeah that's

2218

01:46:45,209 --> 01:46:43,599

gruesome

2219

01:46:47,399 --> 01:46:45,219

well that's the thing about news is

2220

01:46:49,290 --> 01:46:47,409

people like bad news yeah like you're

2221

01:46:51,359 --> 01:46:49,300

watching the Towers fall on your life

2222

01:46:54,510 --> 01:46:51,369

oh there's thousands of people just

2223

01:46:56,189 --> 01:46:54,520

being smushed right now yeah okay but

2224

01:46:58,200 --> 01:46:56,199

again it's like the double edged sword

2225

01:47:00,000 --> 01:46:58,210

do you want to know D or do you not want

2226

01:47:02,189 --> 01:47:00,010

to that well that footage showing that

2227

01:47:05,310 --> 01:47:02,199

footage over and over and over again is

2228

01:47:06,109 --> 01:47:05,320

what made the bombing footage acceptable

2229

01:47:08,189 --> 01:47:06,119

to all of us

2230

01:47:10,680 --> 01:47:08,199

know what I'm saying so that's like

2231

01:47:12,510 --> 01:47:10,690

that's some subliminal like that's

2232

01:47:14,580 --> 01:47:12,520

brainwashing right there exist yeah

2233

01:47:19,379 --> 01:47:14,590

that's a good point like it like set

2234

01:47:22,200 --> 01:47:19,389

this it it made you so mad that yeah you

2235

01:47:24,030 --> 01:47:22,210

were like well this is acceptable right

2236

01:47:26,700 --> 01:47:24,040

especially when you didn't have to pull

2237

01:47:30,510 --> 01:47:26,710

the trigger right you just watched it on

2238

01:47:32,910 --> 01:47:30,520

your TV right and it's it's really easy

2239

01:47:35,370 --> 01:47:32,920

to like get behind something like that

2240

01:47:38,100 --> 01:47:35,380

when you don't have to go do it I mean

2241

01:47:40,109 --> 01:47:38,110

even now like right I mean yeah there

2242

01:47:42,479 --> 01:47:40,119

was a lot of people on the ground during

2243

01:47:45,629 --> 01:47:42,489

those wars but you know a lot of it is

2244

01:47:47,819 --> 01:47:45,639

is fought you know like by pushing a

2245

01:47:50,399 --> 01:47:47,829

button and send in some [h\_\_h] like miles

2246

01:47:56,160 --> 01:47:50,409

away and 64 controllers man right yeah

2247

01:47:58,859 --> 01:47:56,170

yeah maybe it's Xbox but it's it's dude

2248

01:48:01,799 --> 01:47:58,869

I mean it's it's all right it's dirty

2249

01:48:05,220 --> 01:48:01,809

enough politics it's bumming me out

2250

01:48:06,859 --> 01:48:05,230

yeah was a bummer yeah there became to

2251

01:48:08,959 --> 01:48:06,869

be this bifurcation

2252

01:48:12,020 --> 01:48:08,969

that this separation bifurcation award I

2253

01:48:15,169 --> 01:48:12,030

think he made it up to George Bush isms

2254

01:48:17,149 --> 01:48:15,179

yeah in the deep black programs deep

2255

01:48:19,280 --> 01:48:17,159

black acknowledge but we're talking

2256

01:48:20,120 --> 01:48:19,290

about the black budget the deep neat

2257

01:48:22,370 --> 01:48:20,130

black Bunnel

2258

01:48:23,899 --> 01:48:22,380

super-secret unacknowledged budget that

2259

01:48:27,609 --> 01:48:23,909

runs in the hundred to two hundred

2260

01:48:30,740 --> 01:48:27,619

billion all year I'm being conservative

2261

01:48:32,600 --> 01:48:30,750

my oh three budget as our form of

2262

01:48:41,300 --> 01:48:32,610

editing we just say butthole every three

2263

01:48:43,399 --> 01:48:41,310

seconds to think of the cake twenty five

2264

01:48:45,169 --> 01:48:43,409

percent of what it already spends

2265

01:48:47,720 --> 01:48:45,179

according to some estimates we cannot

2266

01:48:49,010 --> 01:48:47,730

track two point three trillion dollars

2267

01:48:50,660 --> 01:48:49,020

there's a father of the New World Order

2268

01:48:53,270 --> 01:48:50,670

right there yeah brilliant

2269

01:48:55,280 --> 01:48:53,280

with a tea that's eight thousand dollars

2270

01:48:56,629 --> 01:48:55,290

for every man woman and child in America

2271

01:48:58,070 --> 01:48:56,639

we're spending

2272

01:49:00,020 --> 01:48:58,080

I've never even owned eight thousand

2273

01:49:02,839 --> 01:49:00,030

dollars I wasn't seen that in my bank

2274

01:49:03,560 --> 01:49:02,849

account at once ever ever he's gonna be

2275

01:49:06,919 --> 01:49:03,570

at the conference

2276

01:49:08,479 --> 01:49:06,929

oh nice what's up strat mmm-hmm

2277

01:49:10,370 --> 01:49:08,489

I kind of want to skip through so much

2278

01:49:15,709 --> 01:49:10,380

yeah go for it oh here let's listen to

2279

01:49:17,780 --> 01:49:15,719

the listen to this screech thing I do I

2280

01:49:19,520 --> 01:49:17,790

go right into those files and see what

2281

01:49:21,950 --> 01:49:19,530

was going on right and he said that he

2282

01:49:28,160 --> 01:49:21,960

did do that yes and that he didn't find

2283

01:49:31,070 --> 01:49:28,170

anything well I'm good I'm gonna do it

2284

01:49:33,169 --> 01:49:31,080

again yeah doesn't mean that she's gonna

2285

01:49:37,450 --> 01:49:33,179

find anything there's a new name

2286

01:49:39,800 --> 01:49:37,460

it's unexplained aerial phenomenon

2287

01:49:42,109 --> 01:49:39,810

unexplained aerial phenomena really yep

2288

01:49:43,729 --> 01:49:42,119

UAP that's the latest nomenclature I

2289

01:49:45,709 --> 01:49:43,739

like the old one I like you I fall I

2290

01:49:48,080 --> 01:49:45,719

don't know why within a couple months of

2291

01:49:50,629 --> 01:49:48,090

me my boy he likes the old one too yeah

2292

01:49:52,339 --> 01:49:50,639

so ok you know that part in Dumb and

2293

01:49:53,359 --> 01:49:52,349

Dumber where they're like you want to

2294

01:49:54,879 --> 01:49:53,369

hear the most annoying sound in the

2295

01:50:00,200 --> 01:49:54,889

world and then they make that noise

2296

01:50:05,089 --> 01:50:00,210

yeah every time I hear Hillary Clinton

2297

01:50:06,890 --> 01:50:05,099

talk that's what I think of I don't have

2298

01:50:09,290 --> 01:50:06,900

an opinion I don't know enough to have

2299

01:50:11,660 --> 01:50:09,300

an opinion on politics I'm sorry I hate

2300

01:50:14,030 --> 01:50:11,670

her right and I'm okay with saying that

2301

01:50:15,919 --> 01:50:14,040

but I don't really like any other

2302

01:50:20,090 --> 01:50:15,929

options so who cares

2303

01:50:22,220 --> 01:50:20,100

ah dude like but what she said about

2304

01:50:24,620 --> 01:50:22,230

I'm gonna look at it again that means

2305

01:50:25,160 --> 01:50:24,630

nothing nothing that doesn't mean

2306

01:50:27,680 --> 01:50:25,170

anything

2307

01:50:31,850 --> 01:50:27,690

it what it is is it's a cultural like

2308

01:50:32,360 --> 01:50:31,860

rally like oh [h\_\_\h] she's an alien's [h\_\_\h]

2309

01:50:34,520 --> 01:50:32,370

yeah

2310

01:50:36,320 --> 01:50:34,530

let's dope it's like one little little

2311

01:50:38,060 --> 01:50:36,330

sugar a little sprinkle sprinkle like

2312

01:50:39,830 --> 01:50:38,070

that's one little subliminal thing like

2313

01:50:41,990 --> 01:50:39,840

oh she's on my side I'm not crazy

2314

01:50:44,090 --> 01:50:42,000

she knows that their side out there but

2315

01:50:47,300 --> 01:50:44,100

dude we all know that the president

2316

01:50:49,670 --> 01:50:47,310

doesn't have any access to that right

2317

01:50:53,990 --> 01:50:49,680

those black budget the black hole black

2318

01:50:56,420 --> 01:50:54,000

butt whole project presidents don't have

2319

01:50:59,710 --> 01:50:56,430

access to that no no and like Gary was

2320

01:51:03,350 --> 01:50:59,720

saying on the podcast he was like yeah I

2321

01:51:05,540 --> 01:51:03,360

dare you you know like yeah yeah once

2322

01:51:07,520 --> 01:51:05,550

you actually find out like somebody

2323

01:51:10,460 --> 01:51:07,530

she's like tweeter like triple dog dare

2324

01:51:11,810 --> 01:51:10,470

you yeah go for it yeah yeah do it see

2325

01:51:13,700 --> 01:51:11,820

what happens because once you once you

2326

01:51:16,100 --> 01:51:13,710

find out what's actually happening and

2327

01:51:19,100 --> 01:51:16,110

realize you can't tell the public that

2328

01:51:20,900 --> 01:51:19,110

yeah like yeah like Bernie Sanders has

2329

01:51:22,880 --> 01:51:20,910

said that [h\_\_\h] like there's so many like

2330

01:51:25,010 --> 01:51:22,890

presidential candidates who always say

2331

01:51:26,540 --> 01:51:25,020

that yeah to me that's annoying

2332

01:51:29,450 --> 01:51:26,550

I think it's annoying too it's annoying

2333

01:51:30,590 --> 01:51:29,460

I mean at this point they don't care

2334

01:51:32,870 --> 01:51:30,600

they don't give a [h\_\_\h] about it

2335

01:51:34,760 --> 01:51:32,880

no they're just they're kind of just

2336

01:51:36,560 --> 01:51:34,770

doing it for votes not at all that's all

2337

01:51:39,770 --> 01:51:36,570

it is dude it's all political

2338

01:51:45,920 --> 01:51:39,780

yeah none of them care about you I don't

2339

01:51:48,050 --> 01:51:45,930

give a [h\_\_h] yeah none of look at I'm so

2340

01:51:51,740 --> 01:51:48,060

bright I'm trying to like bright yours

2341

01:51:54,650 --> 01:51:51,750

up I still say dark when you did that

2342

01:51:56,420 --> 01:51:54,660

dude that was weird but there's is like

2343

01:52:00,020 --> 01:51:56,430

way dimmer than mine I'm gonna switch oh

2344

01:52:01,940 --> 01:52:00,030

oh yours is so bright I've got mine all

2345

01:52:03,860 --> 01:52:01,950

the way down and I've got yours all the

2346

01:52:05,570 --> 01:52:03,870

way up there I could go much brighter ah

2347

01:52:09,710 --> 01:52:05,580

that's why I wanted to switch the

2348

01:52:11,810 --> 01:52:09,720

batteries we can see your face a lot

2349

01:52:15,860 --> 01:52:11,820

better now do you you want to switch

2350

01:52:20,510 --> 01:52:15,870

back oh we should have switched

2351

01:52:22,940 --> 01:52:20,520

batteries it was a lot brighter earlier

2352

01:52:25,280 --> 01:52:22,950

though yeah we should yeah are using

2353

01:52:28,339 --> 01:52:25,290

Duracell they're energizer they're

2354

01:52:31,819 --> 01:52:28,349

Energizer Bunny dude now the money

2355

01:52:36,530 --> 01:52:31,829

yeah yours is way dimmer than it is now

2356

01:52:38,810 --> 01:52:36,540

well [h\_\_h] let's just switch it sent me

2357

01:52:39,319 --> 01:52:38,820

that now your dimmer yeah what's the

2358

01:52:45,350 --> 01:52:39,329

point

2359

01:52:51,439 --> 01:52:45,360

I don't know CIA director I get a visit

2360

01:52:55,040 --> 01:52:51,449

from 1a bill you're CIA during that the

2361

01:52:57,379 --> 01:52:55,050

president do exist because I've seen one

2362

01:53:00,830 --> 01:52:57,389

Jimmy Carter he's seen one get a Jimmy

2363

01:53:03,859 --> 01:53:00,840

Jimmy dude he's still alive oh dude we

2364

01:53:08,870 --> 01:53:03,869

should have him on the podcast how dope

2365

01:53:10,700 --> 01:53:08,880

would that be bro dude let's do it

2366

01:53:12,470 --> 01:53:10,710

even if we had him for like 15 minutes

2367

01:53:13,129 --> 01:53:12,480

let's reach out to him the cinema letter

2368

01:53:14,479 --> 01:53:13,139

let's try it

2369

01:53:17,720 --> 01:53:14,489

he would love that let's see what we

2370

01:53:20,089 --> 01:53:17,730

could do yeah yeah this [h\_\_h] light is

2371

01:53:23,270 --> 01:53:20,099

so dim dude it was like it looks like

2372

01:53:25,069 --> 01:53:23,280

you're in a shadow right now okay let's

2373

01:53:32,200 --> 01:53:25,079

lay in the shadows I'll see what Stephen

2374

01:53:40,819 --> 01:53:38,060

what do you mean you will be erased if

2375

01:53:47,990 --> 01:53:40,829

you tell that's like your mom was gonna

2376

01:53:51,439 --> 01:53:48,000

get a race they're like yo yo Birkenau

2377

01:53:53,839 --> 01:53:51,449

gonna be a race girl they will find you

2378

01:53:59,810 --> 01:53:53,849

and we will kill you that's not what

2379

01:54:00,410 --> 01:53:59,820

your mama said last night I will shoot

2380

01:54:02,959 --> 01:54:00,420

you

2381

01:54:08,240 --> 01:54:02,969

like a shot yo mama my name is Donna

2382

01:54:12,220 --> 01:54:08,250

McDonough 1962 okay is this oh this is

2383

01:54:24,350 --> 01:54:12,230

the meril is back it up let's back it up

2384

01:54:26,419 --> 01:54:24,360

all right all of you people who think

2385

01:54:27,950 --> 01:54:26,429

that all these secret societies everyone

2386

01:54:30,020 --> 01:54:27,960

in it knows everything they don't know

2387

01:54:32,299 --> 01:54:30,030

anything and he said to me that needs to

2388

01:54:35,720 --> 01:54:32,309

be a memo that Marilyn Monroe didn't die

2389

01:54:41,020 --> 01:54:38,750

he's neither did Jimi Hendrix yeah he

2390

01:54:46,760 --> 01:54:41,030

was he was murdered straight up murdered

2391

01:54:49,640 --> 01:54:46,770

jimothy late and I said well I didn't

2392

01:54:51,740 --> 01:54:49,650

until I got this document it's a virtual

2393

01:54:53,930 --> 01:54:51,750

death warrant because she was found a

2394

01:54:55,430 --> 01:54:53,940

couple days later so what he's talking

2395

01:54:57,340 --> 01:54:55,440

about just for copyright issues I want

2396

01:55:00,410 --> 01:54:57,350

to stop it and just kind of explain like

2397

01:55:03,380 --> 01:55:00,420

so basically he has this document going

2398

01:55:08,120 --> 01:55:03,390

back and forth from these Attorney

2399

01:55:12,290 --> 01:55:08,130

General people about about pillow talk

2400

01:55:30,890 --> 01:55:12,300

between Marilyn Monroe in the JFK

2401  
01:55:41,390 --> 01:55:30,900  
brothers awesome other [\h\_\_\h] you do earth

2402  
01:55:44,320 --> 01:55:41,400  
go hard stubborn thirstiest [\h\_\_\h] please

2403  
01:55:51,980 --> 01:55:44,330  
give me a sprays giving me a sprite

2404  
01:55:55,730 --> 01:55:51,990  
please don't neglect the brain come back

2405  
01:56:03,260 --> 01:55:55,740  
oh yeah you ever heard other comebacks

2406  
01:56:07,120 --> 01:56:03,270  
do you know what he said come back this

2407  
01:56:10,310 --> 01:56:07,130  
joke in Parks and Rec where Andy says

2408  
01:56:12,020 --> 01:56:10,320  
hey I know another come back and like

2409  
01:56:14,150 --> 01:56:12,030  
what what do you mean yeah I've seen a

2410  
01:56:16,640 --> 01:56:14,160  
comeback before uh you know Kim

2411  
01:56:20,930 --> 01:56:16,650  
Kardashian she gets to come on her back

2412  
01:56:23,510 --> 01:56:20,940  
at the end of it so dude Parks and Rec

2413  
01:56:25,370 --> 01:56:23,520

it's a great great outtakes and this is

2414

01:56:27,920 --> 01:56:25,380

referring to the

2415

01:56:29,480 --> 01:56:27,930

had been having an affair with not one

2416

01:56:31,040 --> 01:56:29,490

but both Kennedy brothers and it was

2417

01:56:32,960 --> 01:56:31,050

becoming conspicuous as they broke it

2418

01:56:35,240 --> 01:56:32,970

off but both Hochberg indicated in so

2419

01:56:38,300 --> 01:56:35,250

many words that she had secrets to tell

2420

01:56:41,270 --> 01:56:38,310

no doubt arising from her trysts with

2421

01:56:43,070 --> 01:56:41,280

the present risks one such secret

2422

01:56:45,380 --> 01:56:43,080

mentions the visit of the president at a

2423

01:56:49,760 --> 01:56:45,390

secret airbase for the purpose of

2424

01:56:51,050 --> 01:56:49,770

inspecting secret airbase bro now this

2425

01:56:53,450 --> 01:56:51,060

is 1962

2426

01:56:55,640 --> 01:56:53,460

Calgon said if the story is true would

2427

01:56:57,350 --> 01:56:55,650

be a terrible embarrassment for Jack and

2428

01:57:01,450 --> 01:56:57,360

his plans to have NASA put men on the

2429

01:57:03,830 --> 01:57:01,460

moon bro what a pimp though he was like

2430

01:57:05,000 --> 01:57:03,840

Mehra know what up girl and she was like

2431

01:57:11,720 --> 01:57:05,010

I don't wanna have anything to do with

2432

01:57:12,710 --> 01:57:11,730

you and he was like I don't believe what

2433

01:57:13,610 --> 01:57:12,720

you talked about you know about the

2434

01:57:15,470 --> 01:57:13,620

manion's

2435

01:57:17,630 --> 01:57:15,480

I want to take a ride in my limo I've

2436

01:57:22,310 --> 01:57:17,640

got my own limo thank you but I know

2437

01:57:24,410 --> 01:57:22,320

about him drinking champagne

2438

01:57:26,830 --> 01:57:24,420

she's like prove it and he's like hop in

2439

01:57:30,800 --> 01:57:26,840

and then they go to this secret airbase

2440

01:57:31,550 --> 01:57:30,810

and she's like oh I'm totally having sex

2441

01:57:34,520 --> 01:57:31,560

with you tonight

2442

01:57:40,520 --> 01:57:34,530

and then boom they're both dead yeah

2443

01:57:44,270 --> 01:57:40,530

dude so bro something happened I mean we

2444

01:57:47,060 --> 01:57:44,280

crack all these cases then I'm not on

2445

01:57:49,130 --> 01:57:47,070

crack but we will we've cracked so many

2446

01:57:51,260 --> 01:57:49,140

cases totally yeah I mean propulsion

2447

01:57:56,360 --> 01:57:51,270

systems what happened is Kenny a Marilyn

2448

01:57:58,070 --> 01:57:56,370

Monroe polar shift solar [h\_\_h] we're

2449

01:58:02,920 --> 01:57:58,080

killing it over here stuff we've got

2450

01:58:11,210 --> 01:58:07,400

answers ask us yeah ask yeah we don't we

2451  
01:58:14,110 --> 01:58:11,220  
totally know what's happening I want to

2452  
01:58:19,640 --> 01:58:14,120  
see them president clinton rides in UFO

2453  
01:58:23,450 --> 01:58:19,650  
hillary clinton adopts a they will

2454  
01:58:26,570 --> 01:58:23,460  
refused to publish information which

2455  
01:58:29,840 --> 01:58:26,580  
another alien balls did the information

2456  
01:58:31,990 --> 01:58:29,850  
they love balls no the corruption of the

2457  
01:58:36,140 --> 01:58:32,000  
media means that you have been

2458  
01:58:37,000 --> 01:58:36,150  
undermined democracy and our basic

2459  
01:58:39,620 --> 01:58:37,010  
constitute

2460  
01:58:41,630 --> 01:58:39,630  
protectionists because if you control

2461  
01:58:43,550 --> 01:58:41,640  
the information hollows through the

2462  
01:58:45,710 --> 01:58:43,560  
elite media and the only place you can

2463  
01:58:48,200 --> 01:58:45,720

get this information is through the

2464

01:58:51,200 --> 01:58:48,210

tabloids official photo pros its

2465

01:58:53,090 --> 01:58:51,210

discredit or on the internet like

2466

01:58:55,130 --> 01:58:53,100

zoidberg information that's mixed in

2467

01:58:57,680 --> 01:58:55,140

with the real information that you don't

2468

01:59:01,100 --> 01:58:57,690

know what to make of it there creates

2469

01:59:03,590 --> 01:59:01,110

this complete confusion when you go to a

2470

01:59:07,400 --> 01:59:03,600

supermarket checkout and you look at the

2471

01:59:10,610 --> 01:59:07,410

tabloids the activity okay dude I want

2472

01:59:12,530 --> 01:59:10,620

to see some of this footage but I'll

2473

01:59:24,530 --> 01:59:12,540

stand or say go to Congress to get more

2474

01:59:26,750 --> 01:59:24,540

funding why would anybody was launched a

2475

01:59:30,290 --> 01:59:26,760

u.s. air force to allay fears from the

2476  
01:59:32,450 --> 01:59:30,300  
public of 80 activity and to assure them

2477  
01:59:40,460 --> 01:59:32,460  
that they were doing everything in their

2478  
01:59:43,730 --> 01:59:40,470  
power to look into this we've all seen

2479  
01:59:55,010 --> 01:59:43,740  
this one can we go back to that model

2480  
01:59:57,710 --> 01:59:55,020  
that someone's like quick we've got 10

2481  
02:00:00,020 --> 01:59:57,720  
minutes the highest funded Department of

2482  
02:00:06,710 --> 02:00:00,030  
the entire world and that's what they

2483  
02:00:08,930 --> 02:00:06,720  
come up with it was like it was like hey

2484  
02:00:10,970 --> 02:00:08,940  
Hank has his drums in the back he's like

2485  
02:00:14,530 --> 02:00:10,980  
not my drums and if I go get that kick

2486  
02:00:16,730 --> 02:00:14,540  
drum and they just cut a hole in it

2487  
02:00:22,310 --> 02:00:16,740  
they're like this is what it look like a

2488  
02:00:24,140 --> 02:00:22,320

[h\_\_h] dangling from a string where's

2489

02:00:24,560 --> 02:00:24,150

the stapler they just say for that [h\_\_h]

2490

02:00:27,410 --> 02:00:24,570

together

2491

02:00:29,030 --> 02:00:27,420

it was pantyhose and like like the

2492

02:00:34,060 --> 02:00:29,040

burliest man in the office is like are

2493

02:00:38,060 --> 02:00:36,800

infrastructure the ridicule this little

2494

02:00:39,980 --> 02:00:38,070

guy I've seen he looks like it looks

2495

02:00:43,750 --> 02:00:39,990

like the head of bender from Futurama

2496

02:00:46,040 --> 02:00:43,760

oh yeah cases they know positively right

2497

02:00:46,969 --> 02:00:46,050

does like a cigar hanging out of his

2498

02:00:49,759 --> 02:00:46,979

mouth

2499

02:00:51,100 --> 02:00:49,769

and extraterrestrial beings that's

2500

02:00:54,759 --> 02:00:51,110

perfectly clear

2501

02:01:00,229 --> 02:00:54,769

Paul always has his awesome scarf on Ian

2502

02:01:02,089 --> 02:01:00,239

oh that was a pretty good one communique

2503

02:01:04,419 --> 02:01:02,099

Jake got a scientific theocracy you have

2504

02:01:14,500 --> 02:01:04,429

the hiccups damn pollute it be some [h\_\_h]

2505

02:01:28,699 --> 02:01:18,739

but you punched me that's a natural

2506

02:01:31,250 --> 02:01:28,709

human reaction but yeah dude I've never

2507

02:01:38,149 --> 02:01:31,260

seen any of this but it this one's

2508

02:01:41,379 --> 02:01:38,159

pretty cool - yeah dude don't lie you

2509

02:01:45,350 --> 02:01:43,580

is that the one where he not with the

2510

02:01:47,479 --> 02:01:45,360

laser beam this is one we he takes a

2511

02:01:49,879 --> 02:01:47,489

right turn boom and the beam shoots up

2512

02:01:56,209 --> 02:01:49,889

oh yeah that's right and just go past

2513

02:01:59,000 --> 02:01:56,219

him ah dude swamp gas so on all that

2514

02:02:01,699 --> 02:01:59,010

swamp gas I didn't need to convince him

2515

02:02:04,910 --> 02:02:01,709

that the UFO okay so here they're

2516

02:02:07,189 --> 02:02:04,920

talking about I know the math science

2517

02:02:09,020 --> 02:02:07,199

doctor helped put off lives in Austin by

2518

02:02:12,919 --> 02:02:09,030

the way my kind of a quiet empty lake

2519

02:02:16,609 --> 02:02:12,929

that's more like the amount of energy

2520

02:02:19,640 --> 02:02:16,619

and a cubic meter of space time was 10

2521

02:02:22,310 --> 02:02:19,650

to the 26th power a 10 with 26 zeros

2522

02:02:25,729 --> 02:02:22,320

behind in joules per cubic meter and

2523

02:02:28,660 --> 02:02:25,739

that's enough energy even in a coffee

2524

02:02:32,089 --> 02:02:28,670

cup to boil all the oceans yeah

2525

02:02:34,969 --> 02:02:32,099

that's dumb that's [h\_\_h] sick I love

2526

02:02:36,379 --> 02:02:34,979

that so now I think at this point they

2527

02:02:38,989 --> 02:02:36,389

start talking about the repercussions

2528

02:02:41,989 --> 02:02:38,999

and basically what we've been talking

2529

02:02:43,729 --> 02:02:41,999

about for you know ever since we started

2530

02:02:45,890 --> 02:02:43,739

talking about aliens and like getting it

2531

02:02:47,629 --> 02:02:45,900

to the point where why don't they want

2532

02:02:50,259 --> 02:02:47,639

us to have the technology well they kind

2533

02:02:53,930 --> 02:02:50,269

of go in on on this uh-huh

2534

02:02:55,189 --> 02:02:53,940

dr. Greer said dr. Greer says a lot of

2535

02:02:57,049 --> 02:02:55,199

the same similar stuff that we've been

2536

02:03:00,500 --> 02:02:57,059

saying for a while it'd be cool if we

2537

02:03:02,540 --> 02:03:00,510

call them Steve you probably

2538

02:03:05,150 --> 02:03:02,550

you would probably correct us did I bet

2539

02:03:08,660 --> 02:03:05,160

he would I bet he would - I don't know

2540

02:03:12,500 --> 02:03:08,670

we don't know the guy yet yet but I bet

2541

02:03:14,600 --> 02:03:12,510

he would be like it's doctor it's

2542

02:03:16,430 --> 02:03:14,610

doctors we might be a trauma doctor

2543

02:03:27,010 --> 02:03:16,440

there were like Oh

2544

02:03:30,860 --> 02:03:27,020

our apologies doctor Steve hey dr. Steve

2545

02:03:32,630 --> 02:03:30,870

hey dr. Steve dr. Steve dude if we would

2546

02:03:34,430 --> 02:03:32,640

talk to him for 30 seconds wait 10

2547

02:03:35,390 --> 02:03:34,440

seconds he would never talk to his ever

2548

02:03:39,230 --> 02:03:35,400

again dude

2549

02:03:42,680 --> 02:03:39,240

that's what would happen or he would

2550

02:03:45,560 --> 02:03:42,690

really like us yeah well if you like

2551  
02:03:48,650 --> 02:03:45,570  
[h\_\_h] logan paul and his crew that was

2552  
02:03:50,930 --> 02:03:48,660  
that was the most cringy interview of

2553  
02:03:53,510 --> 02:03:50,940  
ever watched yeah you guys think we're

2554  
02:03:56,900 --> 02:03:53,520  
bad yeah if you guys think that check

2555  
02:03:59,300 --> 02:03:56,910  
out [h\_\_h] hey reira believe you don't

2556  
02:04:05,930 --> 02:03:59,310  
like us check that [h\_\_h] out

2557  
02:04:07,640 --> 02:04:05,940  
oh here's where's that clip yeah she was

2558  
02:04:16,940 --> 02:04:07,650  
5 so what does he say about it before I

2559  
02:04:20,180 --> 02:04:16,950  
want to know they know that we couldn't

2560  
02:04:20,780 --> 02:04:20,190  
but it's a way of manipulating the

2561  
02:04:22,660 --> 02:04:20,790  
public

2562  
02:04:26,630 --> 02:04:22,670  
[Music]

2563  
02:04:29,470 --> 02:04:26,640

jingoism that false nationalism and

2564

02:04:31,540 --> 02:04:29,480

creating the boogeyman outer space

2565

02:04:34,069 --> 02:04:31,550

[Music]

2566

02:04:37,250 --> 02:04:34,079

are you what's he even working on no is

2567

02:04:43,129 --> 02:04:37,260

that it even says down here actual US

2568

02:04:45,020 --> 02:04:43,139

Army Recruiting yes five years old of

2569

02:04:46,850 --> 02:04:45,030

course I worry about her I fought in the

2570

02:04:48,949 --> 02:04:46,860

war in 96 I know what those things are

2571

02:04:52,159 --> 02:04:48,959

capable of but I know what my daughter

2572

02:04:56,629 --> 02:04:52,169

is capable of and I know this planet is

2573

02:05:03,020 --> 02:05:00,109

do you think that maybe they could pull

2574

02:05:07,250 --> 02:05:03,030

it off do you think that maybe like

2575

02:05:11,899 --> 02:05:07,260

after the movie came out the army was

2576

02:05:14,090 --> 02:05:11,909

like causes its harm you sorry you think

2577

02:05:17,510 --> 02:05:14,100

you think after the movie came out right

2578

02:05:19,760 --> 02:05:17,520

and that was doubt that was shown I'm

2579

02:05:22,540 --> 02:05:19,770

wondering if it was me was like hey let

2580

02:05:26,090 --> 02:05:22,550

us endorse that and you can put our our

2581

02:05:28,490 --> 02:05:26,100

insignia on it and down the road like we

2582

02:05:30,859 --> 02:05:28,500

can still use this as like an actual

2583

02:05:34,370 --> 02:05:30,869

like army commercial right just to show

2584

02:05:36,740 --> 02:05:34,380

like the the you know the scientific you

2585

02:05:38,950 --> 02:05:36,750

know advancement right the military but

2586

02:05:41,840 --> 02:05:38,960

what's been known that the military does

2587

02:05:44,290 --> 02:05:41,850

sponsor a lot of Hollywood film right so

2588

02:05:47,209 --> 02:05:44,300

I mean that's a known thing yeah they

2589

02:05:49,340 --> 02:05:47,219

donate certain technology and planes

2590

02:05:50,450 --> 02:05:49,350

just so that they know all of the

2591

02:05:52,520 --> 02:05:50,460

third-world countries that are

2592

02:05:54,050 --> 02:05:52,530

eventually gonna see these movies are

2593

02:05:55,879 --> 02:05:54,060

gonna be like I don't want to [h\_\_h] with

2594

02:05:59,870 --> 02:05:55,889

America I've seen that movie so it's

2595

02:06:02,270 --> 02:05:59,880

alright and yeah so what I think it's

2596

02:06:04,729 --> 02:06:02,280

made up but I can't remember I think it

2597

02:06:07,100 --> 02:06:04,739

was Independence Day that came out in

2598

02:06:08,479 --> 02:06:07,110

1996 right remember when the dude in the

2599

02:06:10,790 --> 02:06:08,489

commercial says I fought in the war of

2600

02:06:15,109 --> 02:06:10,800

96 right so that's that connection yeah

2601  
02:06:19,520 --> 02:06:15,119  
yeah but they also in Independence Day

2602  
02:06:20,959 --> 02:06:19,530  
they also talked about yeah there's a

2603  
02:06:25,250 --> 02:06:20,969  
base out in the middle of the desert

2604  
02:06:27,200 --> 02:06:25,260  
they never say or at 51 they just talk

2605  
02:06:29,689 --> 02:06:27,210  
about a base that's out in the movie

2606  
02:06:30,439 --> 02:06:29,699  
they drive across that lake bed that dry

2607  
02:06:33,320 --> 02:06:30,449  
lakebed

2608  
02:06:35,780 --> 02:06:33,330  
ha ha ha they never say well did they

2609  
02:06:38,270 --> 02:06:35,790  
say it in that in that commercial

2610  
02:06:41,570 --> 02:06:38,280  
no everything okay no they don't say it

2611  
02:06:44,479 --> 02:06:41,580  
in that commercial I just don't think

2612  
02:06:46,879 --> 02:06:44,489  
they like endorse that part like enough

2613  
02:06:49,370 --> 02:06:46,889

yeah you know so it's very a 51 part of

2614

02:06:51,229 --> 02:06:49,380

it yeah like not we're not saying it

2615

02:06:53,750 --> 02:06:51,239

because the government didn't even like

2616

02:06:56,780 --> 02:06:53,760

officially like acknowledge area 51

2617

02:06:58,520 --> 02:06:56,790

until 2013 Yeah right they didn't they

2618

02:07:01,820 --> 02:06:58,530

said that doesn't exist well yeah that's

2619

02:07:03,290 --> 02:07:01,830

not a base that's just a rumor which is

2620

02:07:06,140 --> 02:07:03,300

crazy because when you think about it

2621

02:07:09,800 --> 02:07:06,150

it's like we've all known about area 51

2622

02:07:10,229 --> 02:07:09,810

since we were like kids yeah called area

2623

02:07:12,630 --> 02:07:10,239

50

2624

02:07:14,850 --> 02:07:12,640

this and that and then in 2013 they were

2625

02:07:17,370 --> 02:07:14,860

like alright guys we got to get

2626  
02:07:22,740 --> 02:07:17,380  
something off our chest yeah we have a

2627  
02:07:23,820 --> 02:07:22,750  
base and it's called and we're like oh

2628  
02:07:27,060 --> 02:07:23,830  
yeah

2629  
02:07:30,800 --> 02:07:27,070  
I knew that I know like people have been

2630  
02:07:36,240 --> 02:07:34,140  
like I don't know if you guys knew it

2631  
02:07:41,280 --> 02:07:36,250  
but there's there's been a base there

2632  
02:07:42,900 --> 02:07:41,290  
this whole time whole time let's see

2633  
02:07:48,930 --> 02:07:42,910  
here I can't remember what's at the very

2634  
02:07:51,750 --> 02:07:48,940  
and I know it is credits point where

2635  
02:07:55,050 --> 02:07:51,760  
we're at now into our planet and each

2636  
02:07:57,360 --> 02:07:55,060  
other but we're also developing weapon

2637  
02:07:59,640 --> 02:07:57,370  
systems that are potentially a threat in

2638  
02:08:01,380 --> 02:07:59,650

space so it gets it gets political at

2639

02:08:03,540 --> 02:08:01,390

the end or huh like it starts talking

2640

02:08:05,910 --> 02:08:03,550

about a lot of political stuff but that

2641

02:08:07,890 --> 02:08:05,920

makes sense to me too like we're not

2642

02:08:10,410 --> 02:08:07,900

only like developing stuff that is

2643

02:08:13,350 --> 02:08:10,420

screwing ourselves but it's also getting

2644

02:08:15,840 --> 02:08:13,360

like advanced enough to like maybe start

2645

02:08:32,600 --> 02:08:15,850

screwing with other things out there

2646

02:08:38,010 --> 02:08:36,270

you're messing with us right I'm not

2647

02:08:40,020 --> 02:08:38,020

even not even messing with us

2648

02:08:43,500 --> 02:08:40,030

I mean they're just watching this dude

2649

02:08:46,260 --> 02:08:43,510

we're all it's it's a TV show yeah we're

2650

02:08:49,380 --> 02:08:46,270

close to the Krantz already yeah it's a

2651  
02:08:52,800 --> 02:08:49,390  
TV show man I don't know I'm convinced

2652  
02:08:54,660 --> 02:08:52,810  
at this point there I guess I mean after

2653  
02:08:57,209 --> 02:08:54,670  
watching this like I don't know if I

2654  
02:08:59,760 --> 02:08:57,219  
hyped it up too much but this I mean

2655  
02:09:00,120 --> 02:08:59,770  
this is a very compelling really well

2656  
02:09:04,709 --> 02:09:00,130  
done

2657  
02:09:07,560 --> 02:09:04,719  
document got documentary movie whatever

2658  
02:09:10,020 --> 02:09:07,570  
the Independence Day part so they're so

2659  
02:09:12,690 --> 02:09:10,030  
therein lies the the question like okay

2660  
02:09:15,390 --> 02:09:12,700  
well if they can say actual US army

2661  
02:09:19,470 --> 02:09:15,400  
footage right at the bottom screen then

2662  
02:09:22,950 --> 02:09:19,480  
what else are they fudging on or right

2663  
02:09:24,030 --> 02:09:22,960

yeah a little bit yeah that's that's my

2664

02:09:25,920 --> 02:09:24,040

question as well

2665

02:09:27,720 --> 02:09:25,930

yeah Wars like if you listen to our show

2666

02:09:29,820 --> 02:09:27,730

like you wouldn't know what [h\_\_h] is

2667

02:09:31,500 --> 02:09:29,830

true or not because it's all we just

2668

02:09:35,040 --> 02:09:31,510

goof around you know we don't really

2669

02:09:36,840 --> 02:09:35,050

know but they're claiming actual US army

2670

02:09:39,240 --> 02:09:36,850

footage were you ever will find anything

2671

02:09:49,910 --> 02:09:39,250

on Google yeah it's it's literally if

2672

02:10:04,320 --> 02:10:03,210

commercial new recruitment video NPR

2673

02:10:27,720 --> 02:10:04,330

let's check that out

2674

02:10:30,420 --> 02:10:27,730

says military recruitment referrals long

2675

02:10:32,700 --> 02:10:30,430

after World War two US Army commercial

2676  
02:10:34,260 --> 02:10:32,710  
still showed classic images of soldiers

2677  
02:10:43,890 --> 02:10:34,270  
jumping from planes wading through

2678  
02:10:45,990 --> 02:10:43,900  
swamps and driving tanks NPR's Neto

2679  
02:10:47,760 --> 02:10:46,000  
Derby tells us about an ad released this

2680  
02:10:49,650 --> 02:10:47,770  
week with a surprisingly different

2681  
02:10:51,660 --> 02:10:49,660  
approach it seemed so normal at the

2682  
02:10:53,250 --> 02:10:51,670  
beginning a middle-aged man and a plaid

2683  
02:10:57,110 --> 02:10:53,260  
shirt and an army base what is it about

2684  
02:11:00,530 --> 02:10:57,120  
NPR that has this sound I don't

2685  
02:11:04,290 --> 02:11:00,540  
understand sounds like a library smells

2686  
02:11:07,950 --> 02:11:04,300  
exactly exactly what fer is yeah it

2687  
02:11:11,790 --> 02:11:07,960  
sounds like a library smells exactly

2688  
02:11:14,790 --> 02:11:11,800

like like old wood veneer paneled walls

2689

02:11:16,860 --> 02:11:14,800

with like red [h\_\_h] old brick that was

2690

02:11:19,470 --> 02:11:16,870

used from an old brick factory that that

2691

02:11:22,020 --> 02:11:19,480

was out of business and they repurposed

2692

02:11:23,760 --> 02:11:22,030

it for the frontline Stan it's almost

2693

02:11:27,600 --> 02:11:23,770

like a requirement that you have to talk

2694

02:11:31,260 --> 02:11:27,610

like that to work at NPR there's there's

2695

02:11:33,390 --> 02:11:31,270

a like a musical quality to it where

2696

02:11:35,510 --> 02:11:33,400

there's notes that you can't go above or

2697

02:11:37,709 --> 02:11:35,520

below right it's like this robotic

2698

02:11:40,109 --> 02:11:37,719

almost like the you know the news

2699

02:11:43,200 --> 02:11:40,119

the news anchors that say that tonight

2700

02:11:45,060 --> 02:11:43,210

we come back to George Carlin on

2701

02:11:48,419 --> 02:11:45,070

Pingping loan but you know yeah yeah

2702

02:11:53,100 --> 02:11:48,429

yeah but someone off camera are you is

2703

02:11:56,250 --> 02:11:53,110

that music dude oh they're talking about

2704

02:11:57,839 --> 02:11:56,260

the same [h\_\_h] yeah she's a born leader I

2705

02:11:59,969 --> 02:11:57,849

know I've been taking orders from her

2706

02:12:05,189 --> 02:11:59,979

since she was five years old I want to

2707

02:12:08,609 --> 02:12:05,199

know how it got from Independence Day to

2708

02:12:10,529 --> 02:12:08,619

the army right like that's we should

2709

02:12:12,270 --> 02:12:10,539

follow this lead we should yeah cuz I

2710

02:12:14,219 --> 02:12:12,280

want to I want to know like yeah your

2711

02:12:16,229 --> 02:12:14,229

question is was it really meant for the

2712

02:12:18,060 --> 02:12:16,239

movie or or it wasn't meant for the

2713

02:12:21,839 --> 02:12:18,070

movie in hopes that later we could use

2714

02:12:23,069 --> 02:12:21,849

that yeah I'd love to know we you know

2715

02:12:26,370 --> 02:12:23,079

we should follow this lead is what

2716

02:12:30,270 --> 02:12:26,380

agency created it can we can we find the

2717

02:12:32,459 --> 02:12:30,280

the Independence Day footage and see if

2718

02:12:35,250 --> 02:12:32,469

there's any army logos in that footage

2719

02:12:37,620 --> 02:12:35,260

because if the new footage has the army

2720

02:12:39,660 --> 02:12:37,630

logo then they had to have like been

2721

02:12:44,009 --> 02:12:39,670

sponsored by them later on so what

2722

02:12:52,339 --> 02:12:44,019

should I hear you type in Independence

2723

02:13:01,049 --> 02:12:52,349

Day bonus Independence Day

2724

02:13:11,209 --> 02:13:01,059

bonus footage recruitment video where am

2725

02:13:23,479 --> 02:13:19,120

Paulo Terry recruitment my is this hey

2726

02:13:27,140 --> 02:13:23,489

some dead air space hey make sure thanks

2727

02:13:27,949 --> 02:13:27,150

for listening we've totally not stopped

2728

02:13:42,799 --> 02:13:27,959

okay here we go

2729

02:13:44,649 --> 02:13:42,809

and here we go that's know I've been

2730

02:13:54,850 --> 02:13:44,659

against another attack

2731

02:13:57,850 --> 02:13:54,860

the earth space defense no I guess I

2732

02:13:59,110 --> 02:13:57,860

don't know I don't know dude yeah we'll

2733

02:14:03,550 --> 02:13:59,120

have to pick it back up on the new yeah

2734

02:14:05,439 --> 02:14:03,560

yeah yeah but dude I'd love to know the

2735

02:14:07,649 --> 02:14:05,449

leak let's let's follow that lead down

2736

02:14:09,209 --> 02:14:07,659

and figure out what I'm down yeah dude

2737

02:14:12,490 --> 02:14:09,219

I'm down

2738

02:14:16,740 --> 02:14:12,500

well dude ah I mean we're finished with

2739

02:14:20,050 --> 02:14:16,750

the thing do we have any other topics

2740

02:14:24,250 --> 02:14:20,060

nothing so yeah I guess just a friendly

2741

02:14:26,050 --> 02:14:24,260

reminder to go to UFO garage PC comm go

2742

02:14:28,810 --> 02:14:26,060

check out the GoFundMe yeah

2743

02:14:32,879 --> 02:14:28,820

help us help us get on out to California

2744

02:14:37,570 --> 02:14:32,889

i watch it go ahead Nick help us get out

2745

02:14:40,390 --> 02:14:37,580

big good friend Ocala for night yeah

2746

02:14:42,459 --> 02:14:40,400

well uh you know the people say that the

2747

02:14:44,110 --> 02:14:42,469

weather is nice and the people are nicer

2748

02:14:46,090 --> 02:14:44,120

out there California is the place you

2749

02:14:50,790 --> 02:14:46,100

wanna be so we loaded up the family and

2750

02:14:54,939 --> 02:14:50,800

moved to Beverly oh is it me who's that

2751  
02:14:56,919 --> 02:14:54,949  
Beverly Hillbillies what are we gonna do

2752  
02:14:59,169 --> 02:14:56,929  
we get there dude are we gonna go

2753  
02:15:01,959 --> 02:14:59,179  
straight to there dude I guess so I mean

2754  
02:15:04,600 --> 02:15:01,969  
we're gonna be like basically like going

2755  
02:15:07,300 --> 02:15:04,610  
all day uh oh that's right

2756  
02:15:10,419 --> 02:15:07,310  
well I was hoping like O'Connor we could

2757  
02:15:13,060 --> 02:15:10,429  
eat lunch at Hooters everyday like the

2758  
02:15:15,010 --> 02:15:13,070  
only food around yeah well this one they

2759  
02:15:18,870 --> 02:15:15,020  
said they has a Bennigan's inside of it

2760  
02:15:21,700 --> 02:15:18,880  
right oh [h\_\_\h] it is awesome

2761  
02:15:24,459 --> 02:15:21,710  
what bin again yeah dude we're going to

2762  
02:15:26,669 --> 02:15:24,469  
Bennigan's what going to bed again know

2763  
02:15:28,930 --> 02:15:26,679

our names

2764

02:15:31,240 --> 02:15:28,940

okay so what's the plan are we gonna

2765

02:15:33,070 --> 02:15:31,250

like I mean we got to set up our booth

2766

02:15:35,500 --> 02:15:33,080

and we're just gonna be just there all

2767

02:15:36,910 --> 02:15:35,510

all day basically pretty much dude is it

2768

02:15:39,720 --> 02:15:36,920

Friday Saturday and Sunday or is it

2769

02:15:41,919 --> 02:15:39,730

Thursday Friday Saturday Thursday Friday

2770

02:15:46,959 --> 02:15:41,929

Thursday Friday Saturday Sunday

2771

02:15:48,399 --> 02:15:46,969

oh so 20th 21st 22nd a third okay it's

2772

02:15:50,439 --> 02:15:48,409

one of those weird things where it looks

2773

02:15:51,910 --> 02:15:50,449

like it's 3:00 right but it's really for

2774

02:15:54,790 --> 02:15:51,920

it's not yeah yeah

2775

02:15:58,570 --> 02:15:54,800

damn dude yeah it's gonna be sick I

2776

02:16:02,050 --> 02:15:58,580

wonder so if we can yeah I'd love to

2777

02:16:03,550 --> 02:16:02,060

just hanging out in that area as much as

2778

02:16:05,530 --> 02:16:03,560

possible and just kind of like people

2779

02:16:06,820 --> 02:16:05,540

like Lorien was saying just catching

2780

02:16:08,830 --> 02:16:06,830

people that are just attending

2781

02:16:12,370 --> 02:16:08,840

yeah totally that'd be cool I think we

2782

02:16:15,610 --> 02:16:12,380

should print out a little little little

2783

02:16:20,350 --> 02:16:15,620

signs of for abduction 51 in Phoenix

2784

02:16:22,330 --> 02:16:20,360

shaving okay yeah yeah dude what if we

2785

02:16:23,560 --> 02:16:22,340

did like a promotional little card thing

2786

02:16:25,450 --> 02:16:23,570

with our logo and then there are

2787

02:16:26,170 --> 02:16:25,460

sponsors logo on the back that'd be cool

2788

02:16:28,090 --> 02:16:26,180

not people

2789

02:16:29,410 --> 02:16:28,100

yeah that'd be kind of sick instead of

2790

02:16:31,720 --> 02:16:29,420

business cards do you like a postcard

2791

02:16:33,370 --> 02:16:31,730

kind of size thing I'm kind of sick yeah

2792

02:16:36,490 --> 02:16:33,380

that would be cool man I also like

2793

02:16:38,760 --> 02:16:36,500

Hannah I don't know something like that

2794

02:16:43,419 --> 02:16:38,770

people are gonna remember condoms dude

2795

02:16:45,910 --> 02:16:43,429

that's exactly what I was thinking

2796

02:16:54,480 --> 02:16:45,920

staple our thing to the middle of it

2797

02:17:01,060 --> 02:17:00,520

sticker making space babies oh that's

2798

02:17:05,890 --> 02:17:01,070

awesome

2799

02:17:07,510 --> 02:17:05,900

right I kind of want to bring it back to

2800

02:17:10,000 --> 02:17:07,520

our website just so it's cool on your

2801

02:17:12,010 --> 02:17:10,010

hand but I do well that was a fun

2802

02:17:13,900 --> 02:17:12,020

episode that was awesome man yeah it was

2803

02:17:18,010 --> 02:17:13,910

a good good good one for sure

2804

02:17:20,200 --> 02:17:18,020

yeah did alright and we'll try to get a

2805

02:17:21,459 --> 02:17:20,210

guest on yeah for next week let's do it

2806

02:17:23,260 --> 02:17:21,469

we'll reach out to some people and

2807

02:17:24,459 --> 02:17:23,270

hopefully we'll have a guest song for

2808

02:17:26,950 --> 02:17:24,469

you guys next week yeah I like to

2809

02:17:28,720 --> 02:17:26,960

stagger like goofy video movie episodes

2810

02:17:29,169 --> 02:17:28,730

and then guest episodes I think that's

2811

02:17:32,230 --> 02:17:29,179

good

2812

02:17:42,060 --> 02:17:32,240

man dope
