

**UFO**  
GARAGE  
PODCAST

Dave Scott  
**UFO CON 2020**

1  
00:00:06,829 --> 00:00:02,000  
what's up UFO garage we're here with

2  
00:00:09,350 --> 00:00:06,839  
Dave Skye spaced-out radio man how you

3  
00:00:11,959 --> 00:00:09,360  
doing today brother I'm good good coming

4  
00:00:13,490 --> 00:00:11,969  
through a little bit of a cold but you

5  
00:00:16,400 --> 00:00:13,500  
know like I made it through the entire

6  
00:00:18,950 --> 00:00:16,410  
Canadian winter without a cold first

7  
00:00:22,279 --> 00:00:18,960  
time ever and like three days before I

8  
00:00:28,640 --> 00:00:22,289  
come down to UFO Con my son gets sick at

9  
00:00:30,589 --> 00:00:28,650  
school come on like the timing couldn't

10  
00:00:32,209 --> 00:00:30,599  
be worse right right but you know I

11  
00:00:34,850 --> 00:00:32,219  
guess that's just the way it goes

12  
00:00:39,200 --> 00:00:34,860  
sometimes nothing like coming to sunny

13  
00:00:42,290 --> 00:00:39,210

California with a cold I left home at

14

00:00:43,610 --> 00:00:42,300

3:10 in the morning on Wednesday to

15

00:00:46,940 --> 00:00:43,620

catch a flight I had to drive to

16

00:00:49,430 --> 00:00:46,950

Vancouver and when I left home it was

17

00:01:02,810 --> 00:00:49,440

minus 18 degrees Celsius so it's about

18

00:01:04,429 --> 00:01:02,820

minus 12 Fahrenheit gnarly I think the

19

00:01:06,740 --> 00:01:04,439

only time I've ever experienced a cold

20

00:01:08,480 --> 00:01:06,750

like that I come from like a military

21

00:01:11,780 --> 00:01:08,490

family and so we used to live in Germany

22

00:01:13,700 --> 00:01:11,790

and holy crap like like so much snow

23

00:01:15,620 --> 00:01:13,710

like I've never seen that much snow ever

24

00:01:18,050 --> 00:01:15,630

like anywhere else in my entire life and

25

00:01:20,240 --> 00:01:18,060

then we like you know live in Texas our

26  
00:01:22,219 --> 00:01:20,250  
whole life and and man you know you just

27  
00:01:25,399 --> 00:01:22,229  
kind of develop that all right once it

28  
00:01:33,460 --> 00:01:25,409  
gets to about like in the 50s okay now

29  
00:01:37,460 --> 00:01:35,990  
anything after that but like I'm one of

30  
00:01:39,649 --> 00:01:37,470  
those people though I would prefer it to

31  
00:01:41,929 --> 00:01:39,659  
be over a hundred degrees than like

32  
00:01:44,420 --> 00:01:41,939  
freezing cold any day of the week like

33  
00:01:50,359 --> 00:01:44,430  
this is perfect this yeah I'm digging

34  
00:01:52,940 --> 00:01:50,369  
this weather and I'm sweating well yeah

35  
00:01:55,190 --> 00:01:52,950  
man so I mean we saw your your your

36  
00:01:57,649 --> 00:01:55,200  
first speech and then we watched you

37  
00:02:00,380 --> 00:01:57,659  
interview a Kevin day that was awesome

38  
00:02:02,330 --> 00:02:00,390

man so I guess for you know a lot of

39

00:02:04,670 --> 00:02:02,340

people already know you and your show

40

00:02:06,679 --> 00:02:04,680

but for those who are maybe just kind of

41

00:02:08,809 --> 00:02:06,689

coming into this tell them who you are

42

00:02:11,960 --> 00:02:08,819

and what you do man I I host a show

43

00:02:12,770 --> 00:02:11,970

called spaced out radio which runs seven

44

00:02:14,720 --> 00:02:12,780

days a week I

45

00:02:16,370 --> 00:02:14,730

Monday through Friday and then we have a

46

00:02:18,860 --> 00:02:16,380

weekend crew right now of Everett themer

47

00:02:21,380 --> 00:02:18,870

we're looking for a new Saturday host to

48

00:02:24,559 --> 00:02:21,390

kind of take things on and and and join

49

00:02:26,449 --> 00:02:24,569

our team right now but you know it's

50

00:02:28,640 --> 00:02:26,459

something that we do out of love and

51  
00:02:30,500 --> 00:02:28,650  
passion you know there's there's a lot

52  
00:02:32,390 --> 00:02:30,510  
that we're trying to do you know we're

53  
00:02:34,760 --> 00:02:32,400  
just not a podcast we're a live radio

54  
00:02:37,309 --> 00:02:34,770  
show we're a business right yeah we're

55  
00:02:39,620 --> 00:02:37,319  
we're quite fledgling but you know we're

56  
00:02:42,110 --> 00:02:39,630  
trying to be able to to bring this

57  
00:02:44,210 --> 00:02:42,120  
message to the masses you know because

58  
00:02:46,640 --> 00:02:44,220  
one of the things and God bless art Bell

59  
00:02:49,580 --> 00:02:46,650  
you know I remember when I worked in

60  
00:02:52,550 --> 00:02:49,590  
terrestrial radio you'd walk into the

61  
00:02:55,009 --> 00:02:52,560  
studio and you'd have to go do your your

62  
00:02:57,979 --> 00:02:55,019  
news or your sports or whatever but

63  
00:02:59,540 --> 00:02:57,989

inside the newsroom we actually had art

64

00:03:03,590 --> 00:02:59,550

bell playing on a different radio

65

00:03:06,170 --> 00:03:03,600

station oh and and one thing that I

66

00:03:08,360 --> 00:03:06,180

always say to people guys is there's a

67

00:03:10,850 --> 00:03:08,370

lot of people doing podcasts and show is

68

00:03:12,949 --> 00:03:10,860

out there whether it's it's on radio or

69

00:03:16,759 --> 00:03:12,959

whether it's on internet radio or

70

00:03:18,380 --> 00:03:16,769

podcasts or YouTube or or whatever and I

71

00:03:21,319 --> 00:03:18,390

always like to remind people there's

72

00:03:24,920 --> 00:03:21,329

only one art bell absolutely you know

73

00:03:26,509 --> 00:03:24,930

and so many of us who are trying to cut

74

00:03:28,910 --> 00:03:26,519

our teeth into this and I've been doing

75

00:03:32,180 --> 00:03:28,920

this five years now we're all trying

76

00:03:34,069 --> 00:03:32,190

really hard to mark our own niche will

77

00:03:36,020 --> 00:03:34,079

never be art Bell the biggest problem

78

00:03:39,680 --> 00:03:36,030

that we have in a paranormal industry is

79

00:03:42,410 --> 00:03:39,690

the best came first right right okay

80

00:03:44,750 --> 00:03:42,420

yeah you know like in hockey it took 70

81

00:03:46,280 --> 00:03:44,760

years for the NHL to get Wayne Gretzky

82

00:03:49,460 --> 00:03:46,290

Yeah right

83

00:03:52,550 --> 00:03:49,470

it took baseball 30 years before Babe

84

00:03:54,650 --> 00:03:52,560

Ruth hmm it took boxing literally

85

00:03:58,670 --> 00:03:54,660

hundreds of years before Muhammad Ali

86

00:04:01,490 --> 00:03:58,680

yeah and yet in radio when it comes to

87

00:04:06,710 --> 00:04:01,500

paranormal radio especially the best

88

00:04:08,690 --> 00:04:06,720

came out of the gate first and we're all

89

00:04:10,520 --> 00:04:08,700

judged on that yeah and what I always

90

00:04:13,099 --> 00:04:10,530

remind people whether it's our show or

91

00:04:14,780 --> 00:04:13,109

whether it's anybody else's show give

92

00:04:17,090 --> 00:04:14,790

them a few weeks give them a few

93

00:04:18,650 --> 00:04:17,100

episodes before you say all that guys

94

00:04:20,509 --> 00:04:18,660

just trying to be like our Bell or that

95

00:04:22,250 --> 00:04:20,519

woman's trying to be like our belt we're

96

00:04:24,680 --> 00:04:22,260

not trying to be like our Bell we're

97

00:04:26,150 --> 00:04:24,690

trying to be ourselves right right yeah

98

00:04:28,220 --> 00:04:26,160

and that's how we grow because there's

99

00:04:30,620 --> 00:04:28,230

still a lot of disappointed people out

100

00:04:32,720 --> 00:04:30,630

there that art is unfortunately passed

101  
00:04:36,020 --> 00:04:32,730  
away and you know when he stopped doing

102  
00:04:39,050 --> 00:04:36,030  
his show but at the same time there's a

103  
00:04:40,400 --> 00:04:39,060  
lot of good broadcasts out there and we

104  
00:04:42,770 --> 00:04:40,410  
just have to be able to give those

105  
00:04:44,810 --> 00:04:42,780  
people to support and the opportunity to

106  
00:04:46,550 --> 00:04:44,820  
do it and if you listen to my show great

107  
00:04:48,800 --> 00:04:46,560  
if you don't listen to my show but you

108  
00:04:51,350 --> 00:04:48,810  
listen to say Jimmy Church or or Connie

109  
00:04:54,020 --> 00:04:51,360  
Willis or Clyde Lewis alright it's some

110  
00:04:54,620 --> 00:04:54,030  
of the best out there fine that's

111  
00:04:56,480 --> 00:04:54,630  
beautiful

112  
00:04:58,400 --> 00:04:56,490  
I'll just listen because there's good

113  
00:05:01,070 --> 00:04:58,410

topics and good people in this field

114

00:05:03,290 --> 00:05:01,080

everywhere yeah absolutely man yeah yeah

115

00:05:06,110 --> 00:05:03,300

that is super important like you know

116

00:05:08,600 --> 00:05:06,120

make it your own be yourself you you

117

00:05:10,490 --> 00:05:08,610

can't be these you know these other you

118

00:05:12,740 --> 00:05:10,500

know these other people who are great

119

00:05:14,900 --> 00:05:12,750

you know and I know that we had had a

120

00:05:16,430 --> 00:05:14,910

comment one time where you know I said

121

00:05:18,380 --> 00:05:16,440

that you know I really enjoyed Clyde

122

00:05:21,530 --> 00:05:18,390

Lewis like I love to show you know it

123

00:05:25,160 --> 00:05:21,540

was like it was you know coast to coast

124

00:05:26,870 --> 00:05:25,170

and then well actually was it was Clyde

125

00:05:28,430 --> 00:05:26,880

Lewis first you know Ground Zero and the

126

00:05:30,320 --> 00:05:28,440

coast to coast would come on and I would

127

00:05:32,870 --> 00:05:30,330

stay up late just to catch those two

128

00:05:34,580 --> 00:05:32,880

shows you know and you know we had a

129

00:05:36,260 --> 00:05:34,590

comet they were like oh you guys are

130

00:05:37,940 --> 00:05:36,270

nothing like Clyde Lewis it was like no

131

00:05:40,700 --> 00:05:37,950

but that's the points that we're not

132

00:05:43,880 --> 00:05:40,710

trying to like buy those you gotta be

133

00:05:46,070 --> 00:05:43,890

your own thing you know yeah everybody

134

00:05:47,000 --> 00:05:46,080

wants to throw this copycat label out

135

00:05:48,560 --> 00:05:47,010

there uh-huh

136

00:05:51,140 --> 00:05:48,570

when all you're trying to do is be

137

00:05:54,350 --> 00:05:51,150

yourself yeah and it's unfair it's a

138

00:05:56,720 --> 00:05:54,360

it's obtuse thinking yeah and we just

139

00:05:58,370 --> 00:05:56,730

have to you know support each other you

140

00:06:01,250 --> 00:05:58,380

know like right how much bitching and

141

00:06:05,980 --> 00:06:01,260

moaning in this entire field for what

142

00:06:09,350 --> 00:06:05,990

there is like do you know all it takes

143

00:06:12,260 --> 00:06:09,360

it's like you know think about it in a

144

00:06:15,020 --> 00:06:12,270

retail selection man like you go to the

145

00:06:17,510 --> 00:06:15,030

mall how many clothing stores are there

146

00:06:20,420 --> 00:06:17,520

there's you know the average I'll say 20

147

00:06:22,610 --> 00:06:20,430

30 average mall yeah okay imagine if you

148

00:06:23,870 --> 00:06:22,620

had one because that's what the pair of

149

00:06:25,460 --> 00:06:23,880

normal community you're not art Bell

150

00:06:30,980 --> 00:06:25,470

you're not George Noory you're not

151

00:06:33,409 --> 00:06:30,990

George Noory yeah I know I know oh yeah

152

00:06:36,740 --> 00:06:33,419

you know so just just sit back and relax

153

00:06:38,100 --> 00:06:36,750

and be thankful that there are this many

154

00:06:40,200 --> 00:06:38,110

people out there

155

00:06:42,929 --> 00:06:40,210

yeah some better than others right yeah

156

00:06:45,409 --> 00:06:42,939

who want to get some sort of message out

157

00:06:48,719 --> 00:06:45,419

because they feel it's their drive their

158

00:06:56,309 --> 00:06:48,729

ability their duty to do that I think

159

00:07:01,439 --> 00:06:56,319

you said dude dude that's our niche

160

00:07:03,059 --> 00:07:01,449

right there but man yeah so I was

161

00:07:05,279 --> 00:07:03,069

looking through you know like your show

162

00:07:09,779 --> 00:07:05,289

and like how it's all set up and dude

163

00:07:11,969 --> 00:07:09,789

like every single day that's impressive

164

00:07:13,559 --> 00:07:11,979

you know what I'm saying yeah and I

165

00:07:15,450 --> 00:07:13,569

would assume that's this is like what

166

00:07:16,890 --> 00:07:15,460

you do full-time right I mean that's

167

00:07:19,080 --> 00:07:16,900

that's just kind of see that's that's

168

00:07:19,589 --> 00:07:19,090

awesome yeah we do we try and do one a

169

00:07:24,390 --> 00:07:19,599

week

170

00:07:26,610 --> 00:07:24,400

we still are putting in you know 50 plus

171

00:07:28,770 --> 00:07:26,620

hours I had regular jobs you know but

172

00:07:30,839 --> 00:07:28,780

still trying to do this and keep it

173

00:07:32,850 --> 00:07:30,849

going on cuz you said man it is cool

174

00:07:34,619 --> 00:07:32,860

it's it really important and it's

175

00:07:36,269 --> 00:07:34,629

something that you know you try and just

176

00:07:39,570 --> 00:07:36,279

try to get the word out you know

177

00:07:41,939 --> 00:07:39,580

absolutely and I can honestly say and

178

00:07:43,469 --> 00:07:41,949

I've said this story many times but you

179

00:07:46,950 --> 00:07:43,479

know there's always people who are like

180

00:07:51,899 --> 00:07:46,960

ah that's BS but God's honest truth if I

181

00:07:55,649 --> 00:07:51,909

would have known how much there was for

182

00:07:58,409 --> 00:07:55,659

people doing this type of a broadcast I

183

00:08:01,379 --> 00:07:58,419

probably never would have done it like

184

00:08:03,869 --> 00:08:01,389

when I left terrestrial radio in 2007

185

00:08:07,379 --> 00:08:03,879

and I signed off the air for the final

186

00:08:10,140 --> 00:08:07,389

time I walked away from radio right I

187

00:08:13,589 --> 00:08:10,150

didn't know what podcasting was I had no

188

00:08:15,689 --> 00:08:13,599

idea blood BlogTalkRadio I I didn't even

189

00:08:18,390 --> 00:08:15,699

know up until recently how to put a

190

00:08:20,070 --> 00:08:18,400

YouTube video on right

191

00:08:24,570 --> 00:08:20,080

I just didn't know like I'm very

192

00:08:26,279 --> 00:08:24,580

technically naive and so where I come

193

00:08:27,899 --> 00:08:26,289

from in Canada the only thing we had for

194

00:08:31,320 --> 00:08:27,909

paranormal was coast to coast

195

00:08:34,350 --> 00:08:31,330

yeah and so when we started spaced out

196

00:08:37,589 --> 00:08:34,360

radio I remember my friend Johnny Enoch

197

00:08:40,079 --> 00:08:37,599

he was saying well we're gonna put this

198

00:08:41,759 --> 00:08:40,089

on radio I'm like well what radio

199

00:08:43,829 --> 00:08:41,769

station is gonna pick us up you just

200

00:08:45,509 --> 00:08:43,839

don't walk into a radio station say hey

201  
00:08:47,389 --> 00:08:45,519  
I have a show and they say okay let's

202  
00:08:50,910 --> 00:08:47,399  
put you on the air Yeah right right

203  
00:08:51,510 --> 00:08:50,920  
trust us it's good it just doesn't work

204  
00:08:55,040 --> 00:08:51,520  
that way

205  
00:08:57,750 --> 00:08:55,050  
yeah and then he introduced me to

206  
00:09:00,690 --> 00:08:57,760  
BlogTalkRadio and mix ler and all of

207  
00:09:03,269 --> 00:09:00,700  
these these online broadcast forums and

208  
00:09:05,310 --> 00:09:03,279  
I knew nothing about it I knew nothing

209  
00:09:09,630 --> 00:09:05,320  
because well like I said when I walked

210  
00:09:12,210 --> 00:09:09,640  
away from radio I walked away and I've

211  
00:09:13,889 --> 00:09:12,220  
literally had to find my own niche over

212  
00:09:15,990 --> 00:09:13,899  
time but if I would have known there

213  
00:09:17,940 --> 00:09:16,000

were literally thousands a pair of

214

00:09:19,590 --> 00:09:17,950

neural podcasts out there I don't know

215

00:09:22,290 --> 00:09:19,600

if I would have done it right yeah I

216

00:09:24,389 --> 00:09:22,300

really don't and I feel like there's

217

00:09:27,240 --> 00:09:24,399

more and more recently like in the past

218

00:09:29,639 --> 00:09:27,250

maybe three years they kind of blew up

219

00:09:31,560 --> 00:09:29,649

like there's there's podcasters like

220

00:09:33,360 --> 00:09:31,570

hundreds of podcasts just about Bigfoot

221

00:09:36,090 --> 00:09:33,370

you know I know dudes and things you

222

00:09:39,360 --> 00:09:36,100

know yeah it's kind of blown up for it

223

00:09:42,150 --> 00:09:39,370

has and you know without putting anybody

224

00:09:44,310 --> 00:09:42,160

down there's too many there's too many

225

00:09:49,440 --> 00:09:44,320

and what happens when you get too many

226

00:09:52,500 --> 00:09:49,450

is you you start to focus on only

227

00:09:55,139 --> 00:09:52,510

certain aspects of the research you're

228

00:09:58,350 --> 00:09:55,149

interested in you're not going after the

229

00:10:00,720 --> 00:09:58,360

full research because if something

230

00:10:03,300 --> 00:10:00,730

doesn't suit your parameters you're not

231

00:10:05,370 --> 00:10:03,310

going to cover it and that's what we see

232

00:10:08,610 --> 00:10:05,380

is there's so many different podcasts

233

00:10:10,740 --> 00:10:08,620

being broken down into segments like if

234

00:10:12,720 --> 00:10:10,750

you take Bigfoot okay you have the

235

00:10:15,300 --> 00:10:12,730

scientific community leaves it's a

236

00:10:17,880 --> 00:10:15,310

hominid believes it's a you know a

237

00:10:20,100 --> 00:10:17,890

relative of Gigantopithecus then you

238

00:10:21,980 --> 00:10:20,110

have the spiritual community who

239

00:10:23,760 --> 00:10:21,990

believes that it's an interdimensional

240

00:10:26,730 --> 00:10:23,770

shapeshifter much like a lot of

241

00:10:28,620 --> 00:10:26,740

indigenous people believe okay yeah and

242

00:10:30,480 --> 00:10:28,630

people who've had strange experiences

243

00:10:32,220 --> 00:10:30,490

they can't explain then you have the

244

00:10:33,480 --> 00:10:32,230

community who says Sasquatch are people

245

00:10:37,019 --> 00:10:33,490

too and should be given the right to

246

00:10:42,019 --> 00:10:37,029

vote right yeah I love all all of us but

247

00:10:46,590 --> 00:10:42,029

well so do I but do we really need a

248

00:10:48,269 --> 00:10:46,600

hundred podcasts of each yeah no no I

249

00:10:50,610 --> 00:10:48,279

think I think to play devil's advocate

250

00:10:54,150 --> 00:10:50,620

on that would be that there has been

251  
00:10:55,980 --> 00:10:54,160  
like this huge rise and interest of the

252  
00:10:58,740 --> 00:10:55,990  
subject as a whole like it's kind of

253  
00:11:00,870 --> 00:10:58,750  
like like had this new surge of like

254  
00:11:03,000 --> 00:11:00,880  
absolutely they were like so many people

255  
00:11:05,290 --> 00:11:03,010  
have have gotten this interest and I

256  
00:11:07,480 --> 00:11:05,300  
think a lot of these shows and stuff at

257  
00:11:10,000 --> 00:11:07,490  
started to pop up to kind of absolutely

258  
00:11:10,360 --> 00:11:10,010  
feel the the demand you know what I'm

259  
00:11:12,370 --> 00:11:10,370  
saying

260  
00:11:14,590 --> 00:11:12,380  
yeah and though eventually I think the

261  
00:11:15,310 --> 00:11:14,600  
you know the other ones will will die

262  
00:11:18,759 --> 00:11:15,320  
off you know

263  
00:11:21,610 --> 00:11:18,769

well we're in a time what happens is

264

00:11:23,710 --> 00:11:21,620

people get bored or they get stuck like

265

00:11:26,490 --> 00:11:23,720

I remember guys when I was at ten twelve

266

00:11:29,139 --> 00:11:26,500

listeners at night right and that hurt

267

00:11:31,360 --> 00:11:29,149

right and I was like really is this

268

00:11:33,720 --> 00:11:31,370

worth it then you see the numbers slowly

269

00:11:36,160 --> 00:11:33,730

to twenty to thirty to fifty to

270

00:11:38,769 --> 00:11:36,170

one-hundred creeping up mm-hmm and

271

00:11:40,509 --> 00:11:38,779

that's kind of where you have to stay

272

00:11:42,490 --> 00:11:40,519

focus a lot of people get frustrated

273

00:11:45,310 --> 00:11:42,500

over that or they they don't understand

274

00:11:47,740 --> 00:11:45,320

you know this thing right here is a

275

00:11:49,420 --> 00:11:47,750

powerful thing and if you don't know how

276  
00:11:52,060 --> 00:11:49,430  
to speak on if you don't know how to be

277  
00:11:54,100 --> 00:11:52,070  
comfortable on a microphone it's very

278  
00:11:55,569 --> 00:11:54,110  
difficult yeah you know you get the

279  
00:11:57,759 --> 00:11:55,579  
people who will do the play-by-play

280  
00:12:01,050 --> 00:11:57,769  
well I'm hold on one second here I'm

281  
00:12:06,190 --> 00:12:03,790  
that coffee is really really good I'm

282  
00:12:14,019 --> 00:12:06,200  
just gonna put my cup down now yeah yeah

283  
00:12:14,980 --> 00:12:14,029  
we don't need a play-by-play right you

284  
00:12:17,019 --> 00:12:14,990  
know I've been watching what you guys

285  
00:12:19,180 --> 00:12:17,029  
are doing I'm always listening man I'm

286  
00:12:21,370 --> 00:12:19,190  
always listening what you guys do you

287  
00:12:24,160 --> 00:12:21,380  
guys just come in here you have fun and

288  
00:12:25,810 --> 00:12:24,170

you you know you just talk and let's

289

00:12:28,030 --> 00:12:25,820

talk about some fun subjects and that's

290

00:12:30,490 --> 00:12:28,040

what it needs to be like you guys you

291

00:12:32,920 --> 00:12:30,500

don't care about what the subject matter

292

00:12:35,590 --> 00:12:32,930

is let's just toss talk about yeah you

293

00:12:38,500 --> 00:12:35,600

know just various people so many people

294

00:12:40,870 --> 00:12:38,510

you know Bigfoot's a big hairy monkey

295

00:12:43,449 --> 00:12:40,880

and you know or you get a lot of the

296

00:12:47,139 --> 00:12:43,459

paranormal podcasts out there what kind

297

00:12:49,689 --> 00:12:47,149

of equipment do you use oh you use that

298

00:12:52,660 --> 00:12:49,699

right yeah I stopped using that about

299

00:12:54,100 --> 00:12:52,670

six years ago because you know I heard

300

00:12:56,110 --> 00:12:54,110

for a friend of a friend of a friend who

301  
00:12:57,970 --> 00:12:56,120  
says that doesn't work properly and I

302  
00:12:59,380 --> 00:12:57,980  
believed what they said so I can't

303  
00:13:04,930 --> 00:12:59,390  
believe you're still using that out

304  
00:13:06,970 --> 00:13:04,940  
right I think one thing that helps us

305  
00:13:09,970 --> 00:13:06,980  
out a lot too is the fact that we're not

306  
00:13:11,439 --> 00:13:09,980  
trying to bestow knowledge upon you

307  
00:13:13,110 --> 00:13:11,449  
we're not trying to tell you like

308  
00:13:14,440 --> 00:13:13,120  
because what we know and what we think

309  
00:13:16,509 --> 00:13:14,450  
we're

310  
00:13:18,280 --> 00:13:16,519  
we want to learn if you have something

311  
00:13:20,079 --> 00:13:18,290  
to say we want to learn about it and we

312  
00:13:22,480 --> 00:13:20,089  
want to adapt to translate to the

313  
00:13:24,400 --> 00:13:22,490

listeners like you learn along with us

314

00:13:26,590 --> 00:13:24,410

at the same time you know and that's

315

00:13:28,600 --> 00:13:26,600

that's kind of like our goal it's it's

316

00:13:30,850 --> 00:13:28,610

not to teach you it's to have you learn

317

00:13:34,030 --> 00:13:30,860

at the same time as we are I have a

318

00:13:37,090 --> 00:13:34,040

slogan for spaced-out radio it is we

319

00:13:39,670 --> 00:13:37,100

believe everybody and the reason why we

320

00:13:43,150 --> 00:13:39,680

do that is I've never sat in your shoes

321

00:13:45,550 --> 00:13:43,160

I've never stood in your shoes okay

322

00:13:48,670 --> 00:13:45,560

so Who am I to sit there and say that

323

00:13:51,430 --> 00:13:48,680

your experience is wrong your experience

324

00:13:53,259 --> 00:13:51,440

is already right you know I've had

325

00:13:55,710 --> 00:13:53,269

things happen to me man that I can't

326

00:13:58,540 --> 00:13:55,720

explain they are completely different

327

00:14:01,150 --> 00:13:58,550

than what everybody else is reported

328

00:14:03,790 --> 00:14:01,160

does that mean I'm wrong with what I saw

329

00:14:05,889 --> 00:14:03,800

I don't think so right I don't think my

330

00:14:08,650 --> 00:14:05,899

eyes are lying tanned right Yeah right

331

00:14:10,629 --> 00:14:08,660

it's your experience yeah if you're

332

00:14:13,030 --> 00:14:10,639

comfortable with would you like to [h\_\_h]

333

00:14:16,090 --> 00:14:13,040

could you share your experience that you

334

00:14:21,040 --> 00:14:16,100

experience I know you have this little

335

00:14:22,600 --> 00:14:21,050

friend Karl Karl Karl is this something

336

00:14:25,329 --> 00:14:22,610

that happened at the studio or is this

337

00:14:26,620 --> 00:14:25,339

something that okay at your house or do

338

00:14:31,329 --> 00:14:26,630

you want the long version or the short

339

00:14:34,269 --> 00:14:31,339

version version man all right so I'm

340

00:14:37,389 --> 00:14:34,279

somebody I always have my outdoor lights

341

00:14:41,710 --> 00:14:37,399

on mm-hmm and this happened at my

342

00:14:44,019 --> 00:14:41,720

previous home and for some reason that

343

00:14:46,689 --> 00:14:44,029

week I just was always forgetting to

344

00:14:48,579 --> 00:14:46,699

turn my outdoor lights on and I lived in

345

00:14:51,220 --> 00:14:48,589

a subdivision I had a rancher style

346

00:14:52,480 --> 00:14:51,230

house so you know all the fronts look

347

00:14:54,850 --> 00:14:52,490

the same they have the big bay window

348

00:14:57,460 --> 00:14:54,860

for the living room then the front door

349

00:15:00,370 --> 00:14:57,470

then a bedroom and then the garage door

350

00:15:03,460 --> 00:15:00,380

right that's pretty much what it is and

351

00:15:05,110 --> 00:15:03,470

we had moved my daughter downstairs into

352

00:15:07,449 --> 00:15:05,120

a brand new bedroom that we built for

353

00:15:10,300 --> 00:15:07,459

her and I kind of converted her old

354

00:15:14,559 --> 00:15:10,310

bedroom into my first pseudo radio

355

00:15:16,840 --> 00:15:14,569

studio right on yeah and about three

356

00:15:19,809 --> 00:15:16,850

nights of not turning my outside lights

357

00:15:21,430 --> 00:15:19,819

on actually let me preface this first we

358

00:15:23,500 --> 00:15:21,440

always have one of those houses back

359

00:15:25,780 --> 00:15:23,510

then where all of our friends could come

360

00:15:26,730 --> 00:15:25,790

over at any time they all knew our code

361

00:15:29,010 --> 00:15:26,740

do our garage

362

00:15:30,990 --> 00:15:29,020

storage nice new that are you know just

363

00:15:33,240 --> 00:15:31,000

text a message and front door will be

364

00:15:35,460 --> 00:15:33,250

unlocked like yeah I wanted one of those

365

00:15:44,699 --> 00:15:35,470

community homes so absolutely my buddies

366

00:15:46,170 --> 00:15:44,709

you know cool yes I hated going out the

367

00:15:50,400 --> 00:15:46,180

beer is always cold that the coffee's

368

00:15:52,889 --> 00:15:50,410

always on yeah right and so we ended up

369

00:15:54,720 --> 00:15:52,899

you know just always having people over

370

00:15:56,850 --> 00:15:54,730

so it was not out of the realm of

371

00:15:59,340 --> 00:15:56,860

possibility for somebody to come over at

372

00:16:01,560 --> 00:15:59,350

like 9:30 10:00 10:30 11:00 at night

373

00:16:03,420 --> 00:16:01,570

mm-hmm and I'm a night owl so I don't

374

00:16:07,280 --> 00:16:03,430

care right I usually go to bed around

375

00:16:12,930 --> 00:16:07,290

1:30 2 o'clock every morning yeah and

376

00:16:16,500 --> 00:16:12,940

excuse me and so on this particular

377

00:16:19,740 --> 00:16:16,510

night it was April 20th 2015 so yeah of

378

00:16:22,500 --> 00:16:19,750

course the 4/20 everybody like smoking

379

00:16:23,670 --> 00:16:22,510

Dave I don't smoke pot okay yes I come

380

00:16:27,720 --> 00:16:23,680

from Canada I'm from one of the only

381

00:16:31,019 --> 00:16:27,730

ones who doesn't smoke pot right and so

382

00:16:33,060 --> 00:16:31,029

all of a sudden it's about 10:17 this is

383

00:16:36,690 --> 00:16:33,070

only when I had a two hour show I was

384

00:16:39,090 --> 00:16:36,700

interviewing a guy named Harvey Kraft

385

00:16:42,510 --> 00:16:39,100

and we were talking Buddha of all topics

386

00:16:44,250 --> 00:16:42,520

and out of the corner of my eye so if

387

00:16:45,600 --> 00:16:44,260

I'm facing here so if I'm facing the

388

00:16:47,760 --> 00:16:45,610

camera that's where my computer screen

389

00:16:50,880 --> 00:16:47,770

is and the window would be to my left

390

00:16:53,130 --> 00:16:50,890

about three four feet and out of the

391

00:16:57,660 --> 00:16:53,140

corner of my eye I see something move

392

00:17:01,110 --> 00:16:57,670

out the window and so my first

393

00:17:04,020 --> 00:17:01,120

inclination is oh crap somebody's come

394

00:17:06,419 --> 00:17:04,030

over they're going to come ring the

395

00:17:09,689 --> 00:17:06,429

doorbell or knock on the front door and

396

00:17:11,790 --> 00:17:09,699

my dogs are going to bark and at that

397

00:17:13,559 --> 00:17:11,800

time I had a little chihuahua dachshund

398

00:17:15,840 --> 00:17:13,569

where if there was a knock at the door

399

00:17:21,569 --> 00:17:15,850

that was the equivalent of about 25

400

00:17:23,970 --> 00:17:21,579

minutes of barking okay so here I am

401

00:17:27,449 --> 00:17:23,980

thinking crap you know like it's a thin

402

00:17:30,299 --> 00:17:27,459

wall in between in between the room and

403

00:17:31,890 --> 00:17:30,309

and the front door in the hallway area

404

00:17:34,950 --> 00:17:31,900

there and I'm thinking crap this is

405

00:17:36,000 --> 00:17:34,960

going to be a lot of noise a lot of

406

00:17:40,169 --> 00:17:36,010

noise

407

00:17:43,740 --> 00:17:40,179

and there's no knock at the door there's

408

00:17:46,470 --> 00:17:43,750

no dogs barking so and I get up and I

409

00:17:48,180 --> 00:17:46,480

only had probably three or four friends

410

00:17:50,490 --> 00:17:48,190

that knew I was actually doing the radio

411

00:17:52,830 --> 00:17:50,500

show at that time my parents didn't even

412

00:17:57,150 --> 00:17:52,840

know I was doing this right yeah yeah

413

00:17:59,190 --> 00:17:57,160

nice and so here I am broadcasting and

414

00:18:03,360 --> 00:17:59,200

I'd swivel my chair and look out the

415

00:18:06,890 --> 00:18:03,370

window to see who is there and I look

416

00:18:11,130 --> 00:18:06,900

and on the other side of the window

417

00:18:14,039 --> 00:18:11,140

there is this big gray head with giant

418

00:18:18,480 --> 00:18:14,049

black eyes staring back at me out of the

419

00:18:22,650 --> 00:18:18,490

corner of the window I looked at it and

420

00:18:26,250 --> 00:18:22,660

I went oh [h\_\_h] thank God my microphone

421

00:18:29,450 --> 00:18:26,260

was on mute right I fell back in my

422

00:18:32,100 --> 00:18:29,460

chair I immediately got up jumped up and

423

00:18:34,380 --> 00:18:32,110

what like it's only one and a half steps

424

00:18:36,990 --> 00:18:34,390

to the window all right looked out the

425

00:18:40,169 --> 00:18:37,000

window this thing was gone like

426

00:18:44,430 --> 00:18:40,179

completely gone yes all right

427

00:18:46,650 --> 00:18:44,440

and if it was a human I would have seen

428

00:18:48,810 --> 00:18:46,660

them go down my driveway and I didn't

429

00:18:50,850 --> 00:18:48,820

have a long driveway I would have seen

430

00:18:52,980 --> 00:18:50,860

them by my vehicle I would have seen

431

00:18:54,930 --> 00:18:52,990

them on my front yard or running away or

432

00:18:57,030 --> 00:18:54,940

going to the front of my house something

433

00:19:01,080 --> 00:18:57,040

in the meantime in my headphones harvey

434

00:19:04,310 --> 00:19:01,090

craft is yep yeah this is how I got into

435

00:19:07,590 --> 00:19:04,320

it knows nothing about what is going on

436

00:19:08,340 --> 00:19:07,600

right so I come back on or I text my

437

00:19:11,070 --> 00:19:08,350

wife first

438

00:19:12,230 --> 00:19:11,080

and I said alien at the window get in

439

00:19:16,860 --> 00:19:12,240

here now

440

00:19:19,890 --> 00:19:16,870

my wife is very empathic oh wow so she

441

00:19:22,680 --> 00:19:19,900

comes in and Harvey still chatting still

442

00:19:24,870 --> 00:19:22,690

chatting and she's putting her hands up

443

00:19:26,850 --> 00:19:24,880

and her hands immediately my wife always

444

00:19:29,580 --> 00:19:26,860

has cold hands and her hands are

445

00:19:33,720 --> 00:19:29,590

immediately burning totally picking up

446

00:19:35,549 --> 00:19:33,730

on the energy oh and and so she

447

00:19:37,919 --> 00:19:35,559

immediately runs to the kitchen grabs

448

00:19:42,070 --> 00:19:37,929

the sage and she's and the Palo Santo

449

00:19:46,050 --> 00:19:42,080

wood whew hallelujah

450

00:19:50,980 --> 00:19:46,060

you know and going from there yeah and

451

00:19:53,170 --> 00:19:50,990

yeah dang I have you is this the first

452

00:19:57,220 --> 00:19:53,180

kind of encounter or experience or weird

453

00:19:59,500 --> 00:19:57,230

that he was no no okay no so this is the

454

00:20:01,720 --> 00:19:59,510

first time you saw Carl that's the first

455

00:20:06,760 --> 00:20:01,730

time I saw Carl now Carl did come back

456

00:20:09,400 --> 00:20:06,770

okay it took two years October 27th 2017

457

00:20:11,680 --> 00:20:09,410

I was interviewing Olaf Phillips and we

458

00:20:13,180 --> 00:20:11,690

were talking secret space program mm-hmm

459

00:20:14,970 --> 00:20:13,190

and by the way you guys got to get all

460

00:20:17,350 --> 00:20:14,980

of Phillips on your show okay

461

00:20:19,720 --> 00:20:17,360

he's actually gonna come here tonight Oh

462

00:20:23,710 --> 00:20:19,730

awesome chance so make sure I introduce

463

00:20:26,500 --> 00:20:23,720

you guys be cool and what one of the

464

00:20:32,080 --> 00:20:26,510

great guys in this field and anyways oh

465

00:20:34,240 --> 00:20:32,090

love is is hanging out and and we're

466

00:20:36,640 --> 00:20:34,250

doing our thing on the show and all of a

467

00:20:39,730 --> 00:20:36,650

sudden like four people who've had the

468

00:20:42,550 --> 00:20:39,740

experience what happens to you is

469

00:20:46,180 --> 00:20:42,560

immediately you recognize the energy

470

00:20:48,250 --> 00:20:46,190

that follows with it so for instance you

471

00:20:49,600 --> 00:20:48,260

know ghost people they'll always know

472

00:20:50,860 --> 00:20:49,610

when a ghost is around and you're like

473

00:20:52,990 --> 00:20:50,870

how do you tell they'll be like I just

474

00:20:55,930 --> 00:20:53,000

know like the board they'll say I can

475

00:20:57,940 --> 00:20:55,940

feel it right okay and that's exactly

476

00:21:00,640 --> 00:20:57,950

what happens except with

477

00:21:03,660 --> 00:21:00,650

extraterrestrials yeah okay exact same

478

00:21:07,210 --> 00:21:03,670

thing so here I am broadcast is about

479

00:21:10,000 --> 00:21:07,220

11:35 Pacific time and we only got like

480

00:21:14,020 --> 00:21:10,010

25 minutes left in the show and all of a

481

00:21:18,760 --> 00:21:14,030

sudden I get hit with this energy and I

482

00:21:22,690 --> 00:21:18,770

know it's Carl don't words Carl and and

483

00:21:27,550 --> 00:21:22,700

so old lives chatting away I cut off off

484

00:21:29,980 --> 00:21:27,560

I said all of Carl's back you can hear

485

00:21:32,080 --> 00:21:29,990

this dude and he's like what I said

486

00:21:34,390 --> 00:21:32,090

Carl's back he's like was he at your

487

00:21:36,340 --> 00:21:34,400

window and I'm like no I can feel him he

488

00:21:41,110 --> 00:21:36,350

is here this is the first time I have

489

00:21:43,150 --> 00:21:41,120

felt him in two years he is here and so

490

00:21:45,700 --> 00:21:43,160

we end up you know talked about this the

491

00:21:47,920 --> 00:21:45,710

entire ship the rest of the show and I'm

492

00:21:51,340 --> 00:21:47,930

like I got a sign off I gotta go look

493

00:21:52,780 --> 00:21:51,350

for this right so I go outside and I

494

00:21:54,580 --> 00:21:52,790

have broadcasts on my home I got this

495

00:21:58,330 --> 00:21:54,590

beautiful studio I'm in my new house

496

00:22:01,630 --> 00:21:58,340

now nice and and you got to realize I I

497

00:22:04,330 --> 00:22:01,640

live about 250 miles from where my first

498

00:22:08,830 --> 00:22:04,340

incident with Carl happened oh whoa okay

499

00:22:11,350 --> 00:22:08,840

yeah so I go outside and I live on about

500

00:22:15,430 --> 00:22:11,360

a half acre and my driveway is about a

501  
00:22:18,430 --> 00:22:15,440  
quarter acre long and I got these big

502  
00:22:21,250 --> 00:22:18,440  
long tall like 60 70 80 foot trees in my

503  
00:22:22,659 --> 00:22:21,260  
front yard and then my driveway kind of

504  
00:22:24,700 --> 00:22:22,669  
goes flat and then it tears down a

505  
00:22:28,510 --> 00:22:24,710  
little bit and in the back of my house

506  
00:22:30,220 --> 00:22:28,520  
is my carport right and so I walk

507  
00:22:32,169 --> 00:22:30,230  
through my carport both my vehicles are

508  
00:22:32,980 --> 00:22:32,179  
parked outside of the carport facing my

509  
00:22:37,330 --> 00:22:32,990  
backyard

510  
00:22:40,299 --> 00:22:37,340  
and I watched these best way I could

511  
00:22:42,580 --> 00:22:40,309  
describe them these like Nike swooshes

512  
00:22:46,180 --> 00:22:42,590  
that are like in a yin and yang position

513  
00:22:48,820 --> 00:22:46,190

okay okay float in between and about six

514

00:22:51,039 --> 00:22:48,830

feet in between my cars I've got all of

515

00:22:53,019 --> 00:22:51,049

on my cell phone and I'm telling him

516

00:22:57,970 --> 00:22:53,029

this and he's like are you gonna go over

517

00:23:00,250 --> 00:22:57,980

there I'm like yeah now

518

00:23:05,289 --> 00:23:00,260

you were a freighter oh absolutely my

519

00:23:08,049 --> 00:23:05,299

arson was about that but I had to yeah

520

00:23:09,850 --> 00:23:08,059

so I walk in between my I watched this

521

00:23:12,250 --> 00:23:09,860

orb as I'm starting to walk towards it

522

00:23:15,100 --> 00:23:12,260

this orb goes so from if what my cars

523

00:23:17,919 --> 00:23:15,110

are pulled in front facing this orb goes

524

00:23:22,019 --> 00:23:17,929

from rear end of the vehicles to the

525

00:23:25,029 --> 00:23:22,029

front and then came back and I was like

526

00:23:27,789 --> 00:23:25,039

okay I'm going up oh yeah I got a seat

527

00:23:29,230 --> 00:23:27,799

yeah so I walk through my carport and I

528

00:23:35,669 --> 00:23:29,240

go have a look and of course there's

529

00:23:36,940 --> 00:23:35,679

nothing there and but the energy is

530

00:23:44,830 --> 00:23:36,950

intense

531

00:23:47,980 --> 00:23:44,840

know saying oh love I gotta call my et

532

00:23:49,960 --> 00:23:47,990

guy guy name to our Keith Andrews and I

533

00:23:51,460 --> 00:23:49,970

said I need to talk to him so I gotta

534

00:23:53,710 --> 00:23:51,470

let you go so he's like no problem just

535

00:23:56,220 --> 00:23:53,720

keep me in touch so I hang up with him

536

00:23:59,610 --> 00:23:56,230

and I'm starting to get scared

537

00:24:02,070 --> 00:23:59,620

okay cuz like rightfully so yeah this is

538

00:24:04,620 --> 00:24:02,080

just it's an uncomfortable feeling yeah

539

00:24:07,950 --> 00:24:04,630

so what I do is I go back in my house

540

00:24:12,120 --> 00:24:07,960

run upstairs and above my carport I have

541

00:24:14,669 --> 00:24:12,130

a patio and I go stand on my patio and I

542

00:24:17,669 --> 00:24:14,679

get Keith on the phone just happens a

543

00:24:21,690 --> 00:24:17,679

couple minutes late before I called just

544

00:24:24,960 --> 00:24:21,700

happen to wake up for no reason now it's

545

00:24:29,700 --> 00:24:24,970

about 12:30 at night wakes up for no

546

00:24:32,580 --> 00:24:29,710

reason I said Keith Carl's back he's

547

00:24:35,070 --> 00:24:32,590

like really well pardon me

548

00:24:37,470 --> 00:24:35,080

I got a reverse that for a second so as

549

00:24:40,289 --> 00:24:37,480

I'm standing on my patio you remember

550

00:24:42,060 --> 00:24:40,299

the movie signs huh yeah remember where

551

00:24:44,970 --> 00:24:42,070

the kid crawls on top of the car with

552

00:24:45,389 --> 00:24:44,980

the with the the baby monitor and you

553

00:24:49,110 --> 00:24:45,399

sir

554

00:24:56,820 --> 00:24:49,120

uh-huh uh-huh yep so I start hearing in

555

00:24:59,100 --> 00:24:56,830

my yard up to my trees so I have this

556

00:25:03,330 --> 00:24:59,110

conversation I'm listening to this

557

00:25:08,220 --> 00:25:03,340

conversation of from my front yard into

558

00:25:10,860 --> 00:25:08,230

my back and they're talking whoa okay so

559

00:25:14,580 --> 00:25:10,870

I call up Heath down crap and bricks

560

00:25:17,879 --> 00:25:14,590

yeah okay yeah and I and I call up Keith

561

00:25:21,750 --> 00:25:17,889

of Mike Keith Carl's back and out of the

562

00:25:24,090 --> 00:25:21,760

blue he says okay I'm tuning in yeah I

563

00:25:26,970 --> 00:25:24,100

feel him there he's not alone he's got

564

00:25:31,049 --> 00:25:26,980

some buddies with him he goes just out

565

00:25:32,909 --> 00:25:31,059

of curiosity have you heard any sounds I

566

00:25:34,379 --> 00:25:32,919

didn't mention it Keith just out of the

567

00:25:36,090 --> 00:25:34,389

blue he says have you heard any sounds

568

00:25:39,060 --> 00:25:36,100

and I said well there's this

569

00:25:41,009 --> 00:25:39,070

conversation going on up and he goes

570

00:25:42,750 --> 00:25:41,019

does it sound more like this and he did

571

00:25:46,230 --> 00:25:42,760

something with his throat and I'm like

572

00:25:49,649 --> 00:25:46,240

that's it oh and he saw and as soon as I

573

00:25:54,299 --> 00:25:49,659

said that's it in my backyard it's right

574

00:25:57,360 --> 00:25:54,309

I'm like dude you totally got to be

575

00:25:59,850 --> 00:25:57,370

kidding it so here I am standing looking

576

00:26:04,830 --> 00:25:59,860

into my backyard and Keith is like can

577

00:26:07,080 --> 00:26:04,840

you see them like no and he's like he

578

00:26:08,490 --> 00:26:07,090

goes look behind your tree keith has

579

00:26:10,770 --> 00:26:08,500

never been to my house

580

00:26:13,289 --> 00:26:10,780

he goes look behind your tree so I

581

00:26:16,230 --> 00:26:13,299

didn't of a okay and my cherry tree is

582

00:26:18,840 --> 00:26:16,240

still quite full as its ready for winter

583

00:26:23,070 --> 00:26:18,850

to lose its leaves and everything and I

584

00:26:25,529 --> 00:26:23,080

still can't see anything right and he's

585

00:26:27,180 --> 00:26:25,539

like oh there there right then I look up

586

00:26:30,390 --> 00:26:27,190

my driveway and I'm trying to find the

587

00:26:31,560 --> 00:26:30,400

tree where the other guy is right and

588

00:26:39,210 --> 00:26:31,570

you know you see things out of your

589

00:26:42,090 --> 00:26:39,220

corner your ioves movement and so this

590

00:26:43,470 --> 00:26:42,100

went on for about 20-25 minutes so

591

00:26:46,200 --> 00:26:43,480

they're just playing hide-and-go-seek in

592

00:26:48,240 --> 00:26:46,210

your yard but here's the thing I noticed

593

00:26:51,659 --> 00:26:48,250

cuz this is now the second time this has

594

00:26:54,450 --> 00:26:51,669

happened to me okay when they want to

595

00:26:57,870 --> 00:26:54,460

get away they call you to a different

596

00:27:00,090 --> 00:26:57,880

area so all of a sudden I had this urge

597

00:27:02,310 --> 00:27:00,100

to go down

598

00:27:04,950 --> 00:27:02,320

I got a lake about two miles from my

599

00:27:07,649 --> 00:27:04,960

house and it's got a pull in you know

600

00:27:10,830 --> 00:27:07,659

and and the message that I was getting

601  
00:27:13,020 --> 00:27:10,840  
was hey go there to go to the lake

602  
00:27:15,390 --> 00:27:13,030  
you're gonna see our craft you're going

603  
00:27:17,039 --> 00:27:15,400  
to see other aliens there get your ass

604  
00:27:19,320 --> 00:27:17,049  
there now so me being the typical

605  
00:27:20,820 --> 00:27:19,330  
Canadian what I do is I'm a finger wall

606  
00:27:22,230 --> 00:27:20,830  
if I'm leaving my house at one o'clock

607  
00:27:23,940 --> 00:27:22,240  
in the morning I'm going to Tim Hortons

608  
00:27:27,750 --> 00:27:23,950  
first right

609  
00:27:35,190 --> 00:27:27,760  
so I Drive ten minutes into town grab

610  
00:27:38,070 --> 00:27:35,200  
myself a doughnut but I can still feel

611  
00:27:40,500 --> 00:27:38,080  
the energy yeah and then I Drive past my

612  
00:27:42,659 --> 00:27:40,510  
house go to the lake to the to the

613  
00:27:44,039 --> 00:27:42,669

parking area in the lake and of course

614

00:27:46,740 --> 00:27:44,049

I'm sitting there for like half an hour

615

00:27:48,810 --> 00:27:46,750

and there's nothing go back to my yard

616

00:27:53,310 --> 00:27:48,820

there's nothing so I think that's an

617

00:27:54,570 --> 00:27:53,320

escape mechanism right yeah and like I

618

00:27:56,970 --> 00:27:54,580

said that's the second time I've had

619

00:27:59,279 --> 00:27:56,980

that happen to me Wow but that's the

620

00:28:02,100 --> 00:27:59,289

legend of Carl Oh awesome man you just

621

00:28:03,299 --> 00:28:02,110

needed a name and and Carl's the first

622

00:28:05,580 --> 00:28:03,309

thing that popped into my head now

623

00:28:07,380 --> 00:28:05,590

psychically speaking I've heard from a

624

00:28:09,600 --> 00:28:07,390

number of psychics who say that they

625

00:28:11,549 --> 00:28:09,610

have connected with him and I never

626

00:28:13,200 --> 00:28:11,559

talked about this on air but they will

627

00:28:23,520 --> 00:28:13,210

actually say that Carl really doesn't

628

00:28:25,260 --> 00:28:23,530

like the name Carl all the names you

629

00:28:27,510 --> 00:28:25,270

chose Carl so what is your what is your

630

00:28:33,060 --> 00:28:27,520

buddy say that the the sound is what

631

00:28:34,919 --> 00:28:33,070

does he Wow that's crazy yeah that's

632

00:28:37,590 --> 00:28:34,929

interesting because yeah the the aura

633

00:28:39,570 --> 00:28:37,600

usually it's it's tell telepathy yeah

634

00:28:41,220 --> 00:28:39,580

you hear about the the audio you never

635

00:28:42,750 --> 00:28:41,230

really hear about like what they sound

636

00:28:49,350 --> 00:28:42,760

audible II well don't forget there's

637

00:28:52,590 --> 00:28:49,360

different species so yeah I mean am I

638

00:28:54,840 --> 00:28:52,600

happy about it absolutely yeah that's

639

00:28:58,200 --> 00:28:54,850

incredible man yeah it's a cool I mean

640

00:29:00,600 --> 00:28:58,210

you know but here's the thing guys a lot

641

00:29:02,419 --> 00:29:00,610

of people don't believe that story

642

00:29:06,389 --> 00:29:02,429

number one because I'm in the media

643

00:29:11,190 --> 00:29:06,399

number two because there is no proof

644

00:29:14,250 --> 00:29:11,200

right okay there is no photographs there

645

00:29:16,260 --> 00:29:14,260

is no audio recording there is no video

646

00:29:18,149 --> 00:29:16,270

recording there's nothing and the first

647

00:29:20,340 --> 00:29:18,159

question I always get asked by people is

648

00:29:24,750 --> 00:29:20,350

well you have an iPhone why didn't you

649

00:29:26,850 --> 00:29:24,760

just record it and I mean talk about my

650

00:29:30,659 --> 00:29:26,860

experiences I don't think I brag about

651  
00:29:32,549 --> 00:29:30,669  
them I talk about them and I want people

652  
00:29:35,610 --> 00:29:32,559  
to take me seriously but you got to

653  
00:29:38,130 --> 00:29:35,620  
trust my word right my experiences for

654  
00:29:43,110 --> 00:29:38,140  
me have been for me I am NOT a

655  
00:29:47,639 --> 00:29:43,120  
researcher okay I don't care about going

656  
00:29:50,639 --> 00:29:47,649  
into the going into a field or on a UFO

657  
00:29:53,190 --> 00:29:50,649  
watch or into a paranormal investigation

658  
00:29:56,279 --> 00:29:53,200  
or the forest looking for Bigfoot I

659  
00:29:58,289 --> 00:29:56,289  
don't care about carrying a camera right

660  
00:30:00,630 --> 00:29:58,299  
I am there for myself

661  
00:30:03,360 --> 00:30:00,640  
it sounds very selfish but I'm not a

662  
00:30:06,480 --> 00:30:03,370  
researcher I'm an experimenter who just

663  
00:30:09,180 --> 00:30:06,490

wants to take it all in absolutely don't

664

00:30:11,820 --> 00:30:09,190

need the photo because I already know

665

00:30:13,529 --> 00:30:11,830

what happened I don't need I mean is it

666

00:30:15,120 --> 00:30:13,539

nice like there's been times yeah where

667

00:30:17,220 --> 00:30:15,130

I said dammit I wish I would have taken

668

00:30:18,840 --> 00:30:17,230

a picture of it right right but also in

669

00:30:20,730 --> 00:30:18,850

the moment I mean it's kind of the last

670

00:30:23,310 --> 00:30:20,740

thing you're thinking about your phone

671

00:30:25,210 --> 00:30:23,320

yeah oh the moment you look down it

672

00:30:27,039 --> 00:30:25,220

could be gone when you look back

673

00:30:29,230 --> 00:30:27,049

you're wasting time by fiddling with

674

00:30:31,029 --> 00:30:29,240

your phone yeah and you're so you know

675

00:30:33,010 --> 00:30:31,039

absorbed with what's happening and

676

00:30:35,260 --> 00:30:33,020

you're probably so shaken by adrenaline

677

00:30:38,549 --> 00:30:35,270

you you would get a brewery photo anyway

678

00:30:42,310 --> 00:30:38,559

you know knowing about your shitty photo

679

00:30:44,560 --> 00:30:42,320

you can't win I just I just let it I

680

00:30:46,210 --> 00:30:44,570

just want it for being yeah absolutely

681

00:30:48,970 --> 00:30:46,220

you know and I don't think there is

682

00:30:50,710 --> 00:30:48,980

anything wrong with that you know a lot

683

00:30:53,860 --> 00:30:50,720

of people in this field have problems

684

00:30:55,870 --> 00:30:53,870

with it I don't you know I still want to

685

00:30:57,610 --> 00:30:55,880

be old school where I can trust

686

00:31:00,669 --> 00:30:57,620

someone's word that they're not gonna

687

00:31:03,070 --> 00:31:00,679

[h\_\_h] me yeah I'm not gonna BS you

688

00:31:05,380 --> 00:31:03,080

guys on my story I'm not gonna BS your

689

00:31:08,340 --> 00:31:05,390

audience I'm not gonna BS my audience

690

00:31:11,470 --> 00:31:08,350

right my audience continues to grow and

691

00:31:15,039 --> 00:31:11,480

I think that's because they feel I am a

692

00:31:17,470 --> 00:31:15,049

voice of reason that they can trust and

693

00:31:20,320 --> 00:31:17,480

as long as you don't break that code and

694

00:31:22,840 --> 00:31:20,330

break that trust people are going to

695

00:31:24,460 --> 00:31:22,850

take your word and it's not about trying

696

00:31:27,880 --> 00:31:24,470

to steer people in a different direction

697

00:31:30,279 --> 00:31:27,890

or or make them think like you are

698

00:31:33,039 --> 00:31:30,289

thinking it's about just being honest

699

00:31:36,070 --> 00:31:33,049

like what's wrong with just being honest

700

00:31:39,159 --> 00:31:36,080

right Yeah right in this field is filled

701  
00:31:42,010 --> 00:31:39,169  
with dishonesty because people want that

702  
00:31:44,620 --> 00:31:42,020  
15 minutes of fame right they want their

703  
00:31:47,740 --> 00:31:44,630  
story told oh did you hear about Joe

704  
00:31:55,390 --> 00:31:47,750  
Smith who you know had four alien

705  
00:31:57,520 --> 00:31:55,400  
implants up his ass but there is all of

706  
00:31:59,440 --> 00:31:57,530  
these people out there you know in

707  
00:32:01,320 --> 00:31:59,450  
research land we have all of these

708  
00:32:05,279 --> 00:32:01,330  
people who say they're conducting

709  
00:32:08,890 --> 00:32:05,289  
scientific experimentation when really

710  
00:32:11,440 --> 00:32:08,900  
they're only conducting opinion the

711  
00:32:12,970 --> 00:32:11,450  
prove or disprove their opinion yeah and

712  
00:32:15,000 --> 00:32:12,980  
you know that they haven't done anything

713  
00:32:17,440 --> 00:32:15,010

scientific since high school

714

00:32:21,640 --> 00:32:17,450

paranormal is the exact same way like I

715

00:32:24,460 --> 00:32:21,650

literally stop I literally like when I

716

00:32:26,529 --> 00:32:24,470

bring on a paranormal team now to talk

717

00:32:28,450 --> 00:32:26,539

about ghosts or whatever I will

718

00:32:31,240 --> 00:32:28,460

literally say to them if you use the

719

00:32:34,740 --> 00:32:31,250

word silent science our interview is

720

00:32:37,180 --> 00:32:34,750

over because nothing you do is

721

00:32:38,190 --> 00:32:37,190

scientifically yeah

722

00:32:41,759 --> 00:32:38,200

nothing

723

00:32:44,009 --> 00:32:41,769

no laboratory you have no control using

724

00:32:45,840 --> 00:32:44,019

technology is not scientific right

725

00:32:49,799 --> 00:32:45,850

you're just a camera crew there's a

726

00:32:51,869 --> 00:32:49,809

difference exactly and and you know when

727

00:32:55,499 --> 00:32:51,879

I've been blessed enough guys where I

728

00:32:56,999 --> 00:32:55,509

have people that I can talk to who have

729

00:33:00,359 --> 00:32:57,009

scientific background dude

730

00:33:03,090 --> 00:33:00,369

I was the dumbest guy in science it just

731

00:33:05,519 --> 00:33:03,100

never clicked in for me right right so

732

00:33:07,769 --> 00:33:05,529

I'm lucky enough where I have been able

733

00:33:10,859 --> 00:33:07,779

to develop relationships with real

734

00:33:12,810 --> 00:33:10,869

scientists with PhDs with doctorates who

735

00:33:14,999 --> 00:33:12,820

I can go to them at any time and say hey

736

00:33:15,840 --> 00:33:15,009

what do you think of this right how does

737

00:33:18,739 --> 00:33:15,850

this work

738

00:33:21,930 --> 00:33:18,749

yeah and that's where I get my my

739

00:33:23,700 --> 00:33:21,940

information from whereas if you look at

740

00:33:24,989 --> 00:33:23,710

the investigation between people lying

741

00:33:27,119 --> 00:33:24,999

about science when they're conducting

742

00:33:29,310 --> 00:33:27,129

opinion when you look at all these

743

00:33:31,590 --> 00:33:29,320

people out there who are saying they're

744

00:33:34,590 --> 00:33:31,600

they're journalists or investigative

745

00:33:36,840 --> 00:33:34,600

journalists but they've never worked for

746

00:33:38,909 --> 00:33:36,850

a news outlet or done anything freelance

747

00:33:41,820 --> 00:33:38,919

you know I'm sorry people you may not

748

00:33:45,570 --> 00:33:41,830

like this but writing a blog or doing a

749

00:33:48,779 --> 00:33:45,580

vlog on YouTube is not journalism mm-hmm

750

00:33:50,580 --> 00:33:48,789

okay learn the craft but everybody is

751  
00:33:52,619 --> 00:33:50,590  
looking for that upper hand so they can

752  
00:33:54,979 --> 00:33:52,629  
speak at a conference get that

753  
00:33:58,409 --> 00:33:54,989  
appearance on a television show or a

754  
00:34:01,080 --> 00:33:58,419  
documentary or a movie or write a book

755  
00:34:03,090 --> 00:34:01,090  
or something along those lines because

756  
00:34:05,249 --> 00:34:03,100  
the unfortunate part about this business

757  
00:34:08,129 --> 00:34:05,259  
there is no education there is no

758  
00:34:10,230 --> 00:34:08,139  
training and yeah absolutely there's

759  
00:34:11,879 --> 00:34:10,240  
definitely not I mean I feel like

760  
00:34:14,159 --> 00:34:11,889  
there's a big difference between a UFO

761  
00:34:16,020 --> 00:34:14,169  
researcher and a UFO enthusiast I think

762  
00:34:18,450 --> 00:34:16,030  
you had you had touched on that a little

763  
00:34:20,190 --> 00:34:18,460

bit and yes talk as well I could really

764

00:34:23,599 --> 00:34:20,200

appreciate that because we were kind of

765

00:34:26,190 --> 00:34:23,609

in the same kind of conversation like oh

766

00:34:28,980 --> 00:34:26,200

we have a podcast but we're not really

767

00:34:31,520 --> 00:34:28,990

we're like desk chair we read stuff and

768

00:34:35,700 --> 00:34:31,530

do these people's stories right

769

00:34:37,589 --> 00:34:35,710

researchers I don't know about we're

770

00:34:40,319 --> 00:34:37,599

just two dudes interested in the sub

771

00:34:41,789 --> 00:34:40,329

yeah and we like to talk about it you've

772

00:34:45,480 --> 00:34:41,799

got a good you got to get a better beard

773

00:34:48,010 --> 00:34:45,490

man yeah you got to get a better

774

00:34:49,810 --> 00:34:48,020

he says his looks more like a like a

775

00:34:55,210 --> 00:34:49,820

brillo pad if he grows it out yeah you

776

00:34:57,700 --> 00:34:55,220

can see no but you're right and and the

777

00:34:59,350 --> 00:34:57,710

problem is and it was funny because I

778

00:35:02,050 --> 00:34:59,360

was just talking to Kevin Dean Chris

779

00:35:05,230 --> 00:35:02,060

Bledsoe about this we have to as a

780

00:35:07,390 --> 00:35:05,240

community stop bullshitting each other I

781

00:35:09,700 --> 00:35:07,400

hope I can say that yeah absolutely we

782

00:35:12,700 --> 00:35:09,710

need to stop bullshitting each other

783

00:35:15,760 --> 00:35:12,710

stop trying to raise your own profile by

784

00:35:17,470 --> 00:35:15,770

lying about your resume because like I

785

00:35:19,750 --> 00:35:17,480

say with a lot of the and I'm gonna take

786

00:35:22,510 --> 00:35:19,760

it from a journalism standpoint okay I

787

00:35:24,580 --> 00:35:22,520

can prove my kindred n shalls' I'm I

788

00:35:27,490 --> 00:35:24,590

tell you what's radio stations I worked

789

00:35:29,830 --> 00:35:27,500

at you could go online and look those up

790

00:35:32,920 --> 00:35:29,840

I mean held just a couple weeks ago I

791

00:35:35,560 --> 00:35:32,930

had the Dean of broadcast journalism the

792

00:35:39,670 --> 00:35:35,570

Dean that I had underneath or above me

793

00:35:41,800 --> 00:35:39,680

okay on my show as a guest right so I

794

00:35:43,930 --> 00:35:41,810

can prove that yeah and I worked in the

795

00:35:46,540 --> 00:35:43,940

field worked in the industry you know

796

00:35:48,340 --> 00:35:46,550

but a lot for anybody out there watching

797

00:35:50,099 --> 00:35:48,350

this whether you're you're you're a

798

00:35:52,180 --> 00:35:50,109

writer and you're calling yourself an

799

00:35:54,099 --> 00:35:52,190

investigative journalist but you have no

800

00:35:55,510 --> 00:35:54,109

journalism if you're calling yourself a

801  
00:35:58,690 --> 00:35:55,520  
scientist look at that Michael shraddh

802  
00:36:06,099 --> 00:35:58,700  
Michael shraddh I am totally fangirling

803  
00:36:08,230 --> 00:36:06,109  
right now Michael shred I know you can't

804  
00:36:13,630 --> 00:36:08,240  
see him on camera Michael Pratt in my

805  
00:36:16,720 --> 00:36:13,640  
opinion is the number one aircraft UFO

806  
00:36:19,450 --> 00:36:16,730  
historian out there the number one and

807  
00:36:19,990 --> 00:36:19,460  
we are so blessed to have a gentleman

808  
00:36:22,480 --> 00:36:20,000  
like this

809  
00:36:26,859 --> 00:36:22,490  
I totally fangirl all over him like I I

810  
00:36:29,560 --> 00:36:26,869  
get like honestly you are one of the

811  
00:36:30,880 --> 00:36:29,570  
best and and you know the the the fact

812  
00:36:34,200 --> 00:36:30,890  
that we actually get to be in your

813  
00:36:37,060 --> 00:36:34,210

presence with your hard work honestly

814

00:36:38,680 --> 00:36:37,070

know that that's just being way too

815

00:36:40,780 --> 00:36:38,690

honest and candid there that's the

816

00:36:43,330 --> 00:36:40,790

research thank you Michael

817

00:36:47,140 --> 00:36:43,340

I love Michael strap yeah anybody has

818

00:36:51,370 --> 00:36:47,150

the has the chance to go on YouTube

819

00:36:53,260 --> 00:36:51,380

Michael shradh sch our ATT please do

820

00:36:54,400 --> 00:36:53,270

yourself a favor he's got some great

821

00:37:01,960 --> 00:36:54,410

stand look

822

00:37:03,760 --> 00:37:01,970

him up he is like like Goodall has had

823

00:37:05,470 --> 00:37:03,770

nothing but awesome stuff to say about

824

00:37:07,299 --> 00:37:05,480

it what was I saying before oh yeah but

825

00:37:10,599 --> 00:37:07,309

about I think it was about the research

826

00:37:12,910 --> 00:37:10,609

yeah yeah just okay you know be yourself

827

00:37:14,920 --> 00:37:12,920

like if you're out there stop lying

828

00:37:16,510 --> 00:37:14,930

about your credentials stop lying about

829

00:37:18,099 --> 00:37:16,520

what you're doing or what you're looking

830

00:37:20,710 --> 00:37:18,109

for stop saying you're conducting

831

00:37:22,180 --> 00:37:20,720

scientific experimentation when you

832

00:37:26,500 --> 00:37:22,190

haven't conducted a scientific

833

00:37:29,470 --> 00:37:26,510

experiment since grade 10 okay get back

834

00:37:31,029 --> 00:37:29,480

to being yourself because here's the

835

00:37:33,549 --> 00:37:31,039

thing ladies and gentlemen that every

836

00:37:36,549 --> 00:37:33,559

mostly everybody forgets in this field

837

00:37:38,109 --> 00:37:36,559

except the upper echelons people in that

838

00:37:41,049 --> 00:37:38,119

upper echelon that we all want to try

839

00:37:45,789 --> 00:37:41,059

and strive to be like okay and that is

840

00:37:49,720 --> 00:37:45,799

this do yourself a favor and just be

841

00:37:52,089 --> 00:37:49,730

honest because if we can't or pardon me

842

00:37:55,059 --> 00:37:52,099

if you are willing to lie about your

843

00:37:57,370 --> 00:37:55,069

credentials and lie about what you do

844

00:38:00,789 --> 00:37:57,380

because you've convinced yourself this

845

00:38:04,420 --> 00:38:00,799

is the way to go we cannot trust your

846

00:38:05,859 --> 00:38:04,430

research so for those out there once

847

00:38:07,599 --> 00:38:05,869

again because of a journalist I'll pick

848

00:38:09,779 --> 00:38:07,609

I'll pick on the journalism crowd out

849

00:38:12,250 --> 00:38:09,789

there or the fake journalism right on

850

00:38:13,630 --> 00:38:12,260

all right for those out there who are

851  
00:38:17,339 --> 00:38:13,640  
putting on their resume that they're a

852  
00:38:23,079 --> 00:38:17,349  
journalist but they they're not okay

853  
00:38:26,799 --> 00:38:23,089  
stop right how can we trust your word

854  
00:38:29,019 --> 00:38:26,809  
your research anything that you write if

855  
00:38:32,950 --> 00:38:29,029  
you are willing to lie about your

856  
00:38:36,309 --> 00:38:32,960  
credentials and that's what kills this

857  
00:38:39,220 --> 00:38:36,319  
field guys you talk to anybody in the

858  
00:38:41,589 --> 00:38:39,230  
upper echelon of researchers they will

859  
00:38:43,779 --> 00:38:41,599  
tell you that yeah okay whether it's

860  
00:38:46,240 --> 00:38:43,789  
good day whether it's Kevin day whether

861  
00:38:48,069 --> 00:38:46,250  
it's it's Michael shred whether it's

862  
00:38:51,670 --> 00:38:48,079  
grant Cameron Richard Dolan

863  
00:38:53,880 --> 00:38:51,680

Lorien Fenton many others there's a huge

864

00:38:59,760 --> 00:38:53,890

list right right

865

00:39:02,730 --> 00:38:59,770

excuse me blame my son for the cold but

866

00:39:04,680 --> 00:39:02,740

but that is something that we all need

867

00:39:07,770 --> 00:39:04,690

to strive for yeah and the problem that

868

00:39:10,260 --> 00:39:07,780

we have in this community is we have too

869

00:39:13,410 --> 00:39:10,270

many people saying yeah but she's a nice

870

00:39:15,210 --> 00:39:13,420

person yeah but he's a nice guy yeah but

871

00:39:16,220 --> 00:39:15,220

that person is really really

872

00:39:18,870 --> 00:39:16,230

good-looking

873

00:39:21,510 --> 00:39:18,880

yeah whatever it may be there's always a

874

00:39:23,280 --> 00:39:21,520

yeah but let's stop the abbot's

875

00:39:25,710 --> 00:39:23,290

everybody always talks about how do we

876

00:39:28,590 --> 00:39:25,720

fix this community how do we clean up

877

00:39:31,860 --> 00:39:28,600

this community it's real simple stop

878

00:39:34,050 --> 00:39:31,870

supporting those who are lying about

879

00:39:37,880 --> 00:39:34,060

their credentials doesn't matter what

880

00:39:40,860 --> 00:39:37,890

field whether it's UFOs Bigfoot dog man

881

00:39:44,340 --> 00:39:40,870

psychic and tension yeah paranormal

882

00:39:46,890 --> 00:39:44,350

ghosts does not matter guys the formula

883

00:39:49,230 --> 00:39:46,900

works the same you know every area of

884

00:39:52,350 --> 00:39:49,240

research and when we stop supporting

885

00:39:56,910 --> 00:39:52,360

those whether they have a podcast a blog

886

00:39:59,880 --> 00:39:56,920

a television show a conference when we

887

00:40:01,800 --> 00:39:59,890

stop supporting those people we're all

888

00:40:04,410 --> 00:40:01,810

going to be better off and for you guys

889

00:40:06,540 --> 00:40:04,420

being new in this field you know sure

890

00:40:09,180 --> 00:40:06,550

some of the names are enticing they're

891

00:40:10,500 --> 00:40:09,190

exciting but when you look at their

892

00:40:12,510 --> 00:40:10,510

credentials it's probably something

893

00:40:15,060 --> 00:40:12,520

you've never thought of when you look at

894

00:40:16,710 --> 00:40:15,070

their credentials say look okay this guy

895

00:40:20,040 --> 00:40:16,720

says he's a scientist where did he go to

896

00:40:23,400 --> 00:40:20,050

school right right now if he says I'm an

897

00:40:26,520 --> 00:40:23,410

amateur scientist we're all amateurs at

898

00:40:29,010 --> 00:40:26,530

something right and if he says I am a

899

00:40:31,710 --> 00:40:29,020

scientist where'd you go to school

900

00:40:34,530 --> 00:40:31,720

where'd you get your degree Yeah right

901  
00:40:35,010 --> 00:40:34,540  
if they say they're a journalist where

902  
00:40:37,770 --> 00:40:35,020  
did he work

903  
00:40:40,650 --> 00:40:37,780  
yeah because writing a little blog or

904  
00:40:43,710 --> 00:40:40,660  
vlog is not journalism for some internet

905  
00:40:45,750 --> 00:40:43,720  
UFO website or Bigfoot site or

906  
00:40:49,050 --> 00:40:45,760  
paranormal say that's not journalism you

907  
00:40:51,030 --> 00:40:49,060  
have no clue what beat did he work yeah

908  
00:40:53,010 --> 00:40:51,040  
just try and keep the routine tagged

909  
00:40:55,920 --> 00:40:53,020  
together sometimes that's a great word

910  
00:40:58,260 --> 00:40:55,930  
yeah he protects the integrity I mean if

911  
00:41:00,120 --> 00:40:58,270  
you have integrity and you suck you know

912  
00:41:01,440 --> 00:41:00,130  
like that's cool at least you're honest

913  
00:41:02,970 --> 00:41:01,450

yeah I know what I'm saying

914

00:41:05,310 --> 00:41:02,980

yeah and people would probably respect

915

00:41:06,780 --> 00:41:05,320

that a lot more yeah absolutely

916

00:41:08,640 --> 00:41:06,790

and I also want to preface this because

917

00:41:10,530 --> 00:41:08,650

it's the Canadian in me I don't want

918

00:41:12,650 --> 00:41:10,540

people to think that you know I'm trying

919

00:41:15,240 --> 00:41:12,660

to put myself for my show on a pedestal

920

00:41:17,760 --> 00:41:15,250

above and beyond everybody else's or

921

00:41:19,320 --> 00:41:17,770

what I am is a journalist above them and

922

00:41:19,800 --> 00:41:19,330

beyond everybody else that isn't the

923

00:41:23,280 --> 00:41:19,810

case

924

00:41:25,410 --> 00:41:23,290

I just want clean research when I bring

925

00:41:27,570 --> 00:41:25,420

somebody on my show I want it to be

926

00:41:29,190 --> 00:41:27,580

clean I want it to be true I want it to

927

00:41:31,650 --> 00:41:29,200

be trusted I don't care what road it

928

00:41:33,360 --> 00:41:31,660

goes down right all right

929

00:41:35,100 --> 00:41:33,370

that doesn't matter I want to know where

930

00:41:36,630 --> 00:41:35,110

your research goes but I want to know

931

00:41:38,730 --> 00:41:36,640

that your research is prevalent because

932

00:41:42,240 --> 00:41:38,740

you've been honest with your credentials

933

00:41:44,040 --> 00:41:42,250

yeah yeah yeah that's great I love that

934

00:41:46,380 --> 00:41:44,050

man yeah definitely you got it you got

935

00:41:49,290 --> 00:41:46,390

to keep it like you said keep it clean

936

00:41:51,720 --> 00:41:49,300

and keep it you know honest you know

937

00:41:54,060 --> 00:41:51,730

honesty is is gonna get you you know a

938

00:41:56,010 --> 00:41:54,070

lot further you know because I mean

939

00:41:59,700 --> 00:41:56,020

especially in this community like you

940

00:42:01,680 --> 00:41:59,710

said there is a lot of I guess hacks for

941

00:42:03,240 --> 00:42:01,690

lack of a better word but at the same

942

00:42:06,480 --> 00:42:03,250

time you know you start to see that

943

00:42:08,160 --> 00:42:06,490

those people also really get exposed and

944

00:42:11,640 --> 00:42:08,170

you know you kind of make like one

945

00:42:13,410 --> 00:42:11,650

little mistake and that's it yeah people

946

00:42:15,480 --> 00:42:13,420

turn on you I feel like some sometimes

947

00:42:16,410 --> 00:42:15,490

it's like you turn on that afterburner

948

00:42:18,180 --> 00:42:16,420

some people that don't have the

949

00:42:20,100 --> 00:42:18,190

credentials and then they get famous for

950

00:42:21,930 --> 00:42:20,110

something like you know I think we both

951  
00:42:23,520 --> 00:42:21,940  
know who we're talking about yeah the

952  
00:42:25,110 --> 00:42:23,530  
quarry good thing you know I think

953  
00:42:26,880 --> 00:42:25,120  
there's a lot of controversy controversy

954  
00:42:31,860 --> 00:42:26,890  
era there's there's more than just

955  
00:42:34,440 --> 00:42:31,870  
quarry good guy one person out there

956  
00:42:36,810 --> 00:42:34,450  
right now claims to be an investigative

957  
00:42:39,330 --> 00:42:36,820  
journalist and he went on Twitter

958  
00:42:41,010 --> 00:42:39,340  
slamming somebody yeah this guy doesn't

959  
00:42:44,670 --> 00:42:41,020  
think I'm a journalist I and I went on

960  
00:42:47,820 --> 00:42:44,680  
there and I said you're not right I said

961  
00:42:50,100 --> 00:42:47,830  
you're not I said if you are I said tell

962  
00:42:53,490 --> 00:42:50,110  
me what what station did you work at

963  
00:42:55,310 --> 00:42:53,500

what paper did you write for what's your

964

00:42:57,240 --> 00:42:55,320

credentials where did you go to school

965

00:43:00,480 --> 00:42:57,250

what's your background

966

00:43:04,770 --> 00:43:00,490

I could provide mine what's yours shut

967

00:43:07,890 --> 00:43:04,780

him right up right yeah yeah shut him

968

00:43:09,780 --> 00:43:07,900

right now but so doing this whole radio

969

00:43:12,450 --> 00:43:09,790

thing man I know that you you know you

970

00:43:13,410 --> 00:43:12,460

were the journalist you put in your time

971

00:43:16,140 --> 00:43:13,420

you did your thing

972

00:43:18,640 --> 00:43:16,150

what kind of branched out like what what

973

00:43:20,049 --> 00:43:18,650

made you branch out into like the

974

00:43:21,730 --> 00:43:20,059

you know the UFO phenomenon the

975

00:43:24,279 --> 00:43:21,740

paranormal was it because of our

976

00:43:25,420 --> 00:43:24,289

experiences or is it you know just

977

00:43:29,009 --> 00:43:25,430

something you were interested in and

978

00:43:33,339 --> 00:43:29,019

then the experience started to happen no

979

00:43:36,400 --> 00:43:33,349

when I was started my experiences my

980

00:43:38,259 --> 00:43:36,410

experiences started heavily in December

981

00:43:40,299 --> 00:43:38,269

of 2011 uh-huh

982

00:43:43,839 --> 00:43:40,309

and I didn't start spaced out radio

983

00:43:48,730 --> 00:43:43,849

until November 30th 2014 so literally

984

00:43:52,779 --> 00:43:48,740

three years I was going on the Internet

985

00:43:56,079 --> 00:43:52,789

try watching every ghost show UFO show

986

00:43:59,620 --> 00:43:56,089

Bigfoot show any documentary I could

987

00:44:01,120 --> 00:43:59,630

find on cable to try and figure out what

988

00:44:03,789 --> 00:44:01,130

was going on with me I was going to the

989

00:44:05,470 --> 00:44:03,799

bookstores trying to find anything okay

990

00:44:07,960 --> 00:44:05,480

like when I had my Bigfoot experience

991

00:44:10,390 --> 00:44:07,970

you know trying to figure out what

992

00:44:12,579 --> 00:44:10,400

happened there all right and was this

993

00:44:14,140 --> 00:44:12,589

what other people were seeing and UFOs

994

00:44:18,430 --> 00:44:14,150

like when I had a black triangle

995

00:44:21,609 --> 00:44:18,440

hovering over my house okay it's entire

996

00:44:23,589 --> 00:44:21,619

undercarriage was lit up it wasn't just

997

00:44:26,319 --> 00:44:23,599

like three balls yeah I see on every

998

00:44:31,269 --> 00:44:26,329

photo yeah so there were similarities

999

00:44:34,329 --> 00:44:31,279

that I was finding online but no it was

1000

00:44:37,359 --> 00:44:34,339

never quite enough to say that's my

1001  
00:44:39,359 --> 00:44:37,369  
experience yeah and so my good friend

1002  
00:44:41,950 --> 00:44:39,369  
Johnny Enoch

1003  
00:44:43,420 --> 00:44:41,960  
came up and he's like dude we got to get

1004  
00:44:45,640 --> 00:44:43,430  
you back on the radio and I'm like no

1005  
00:44:49,029 --> 00:44:45,650  
dude I'm not going back on the radio you

1006  
00:44:50,410 --> 00:44:49,039  
know not doing that and he's like but

1007  
00:44:52,359 --> 00:44:50,420  
the more I thought about it the more he

1008  
00:44:55,289 --> 00:44:52,369  
pressed the more I thought you know what

1009  
00:44:57,910 --> 00:44:55,299  
this is a good way for me selfishly to

1010  
00:45:00,099 --> 00:44:57,920  
try and get answers to what I'm seeing

1011  
00:45:01,779 --> 00:45:00,109  
because I could ask questions like have

1012  
00:45:04,930 --> 00:45:01,789  
you ever seen a black triangle that's

1013  
00:45:07,989 --> 00:45:04,940

all lit up right right right right

1014

00:45:09,489 --> 00:45:07,999

dang that's super fun it sounds like

1015

00:45:11,470 --> 00:45:09,499

really fun trying to get to the bottom

1016

00:45:13,960 --> 00:45:11,480

of it and yeah that's that's the best

1017

00:45:16,059 --> 00:45:13,970

part about what we do is trying to get

1018

00:45:17,470 --> 00:45:16,069

those answers you know it just didn't

1019

00:45:20,200 --> 00:45:17,480

talk to people and hear their stories

1020

00:45:22,299 --> 00:45:20,210

you know connecting the similarities

1021

00:45:23,620 --> 00:45:22,309

finding the differences you know it's

1022

00:45:25,989 --> 00:45:23,630

like wow that's story sounds very

1023

00:45:28,390 --> 00:45:25,999

similar but this one huge difference is

1024

00:45:30,380 --> 00:45:28,400

very interesting you know and and that's

1025

00:45:32,000 --> 00:45:30,390

that's super cool I love that yeah

1026

00:45:34,580 --> 00:45:32,010

I think you hit it right on the head

1027

00:45:36,980 --> 00:45:34,590

there we're all there's always that one

1028

00:45:39,980 --> 00:45:36,990

big difference yeah nothing is ever the

1029

00:45:41,810 --> 00:45:39,990

same so like for instance the the ETS

1030

00:45:44,120 --> 00:45:41,820

that I have seen people have seen

1031

00:45:47,150 --> 00:45:44,130

something similar but they haven't seen

1032

00:45:48,740 --> 00:45:47,160

what I have seen right right right

1033

00:45:51,050 --> 00:45:48,750

and that's that's what I don't

1034

00:45:52,970 --> 00:45:51,060

understand that's the thrill of trying

1035

00:45:53,570 --> 00:45:52,980

to figure out what is going on yeah

1036

00:45:55,630 --> 00:45:53,580

right

1037

00:45:59,330 --> 00:45:55,640

and this is why we can't shoot down

1038

00:46:03,110 --> 00:45:59,340

people's experiences right it's too easy

1039

00:46:05,570 --> 00:46:03,120

to try and debunk somebody because how

1040

00:46:07,910 --> 00:46:05,580

do we debunk in the paranormal I don't

1041

00:46:11,080 --> 00:46:07,920

believe you yeah that's all you have to

1042

00:46:14,030 --> 00:46:11,090

do it is easy you're exactly right

1043

00:46:15,800 --> 00:46:14,040

exactly right yeah

1044

00:46:18,440 --> 00:46:15,810

and it's it's kind of it's kind of nice

1045

00:46:20,390 --> 00:46:18,450

to see that there's a lot of people who

1046

00:46:22,160 --> 00:46:20,400

still do that but it really seems like

1047

00:46:23,810 --> 00:46:22,170

the tightest train is starting to change

1048

00:46:25,100 --> 00:46:23,820

and it's kind of like alright so there's

1049

00:46:28,580 --> 00:46:25,110

all these people are having these

1050

00:46:31,280 --> 00:46:28,590

experiences and what point are all these

1051

00:46:32,900 --> 00:46:31,290

people officially crazy or lying you

1052

00:46:35,720 --> 00:46:32,910

know and it's kind of hard to you know

1053

00:46:38,060 --> 00:46:35,730

discount that it's like well there's a

1054

00:46:40,910 --> 00:46:38,070

lot there's a whole lot and they can't

1055

00:46:42,740 --> 00:46:40,920

all be okay we always want to put people

1056

00:46:45,320 --> 00:46:42,750

down in the Internet age we don't want

1057

00:46:47,540 --> 00:46:45,330

to take people's word anymore mm-hmm you

1058

00:46:49,870 --> 00:46:47,550

know especially with social media what's

1059

00:46:53,450 --> 00:46:49,880

wrong with changing that focus and

1060

00:46:55,930 --> 00:46:53,460

believing it why are we not allowed to

1061

00:46:58,280 --> 00:46:55,940

do that guys yeah absolutely right

1062

00:46:59,600 --> 00:46:58,290

what's wrong was saying to somebody and

1063

00:47:01,970 --> 00:46:59,610

looking them in the eye because they've

1064

00:47:04,130 --> 00:47:01,980

had something traumatic happen and they

1065

00:47:06,500 --> 00:47:04,140

feel the need that they need to reach

1066

00:47:08,720 --> 00:47:06,510

out to you and tell you their story yeah

1067

00:47:09,560 --> 00:47:08,730

what's wrong with being able to say to

1068

00:47:13,700 --> 00:47:09,570

that person

1069

00:47:15,170 --> 00:47:13,710

I believe you yeah all right it's like

1070

00:47:17,420 --> 00:47:15,180

walking up you know and I'm not trying

1071

00:47:19,850 --> 00:47:17,430

to be all profound here okay but it's

1072

00:47:21,730 --> 00:47:19,860

like walking up to a stranger on a

1073

00:47:24,170 --> 00:47:21,740

sidewalk and just saying good morning

1074

00:47:27,590 --> 00:47:24,180

maybe that says maybe they've had a

1075

00:47:29,660 --> 00:47:27,600

shitty day yeah maybe you know that that

1076  
00:47:32,150 --> 00:47:29,670  
woman that you that you just said good

1077  
00:47:34,370 --> 00:47:32,160  
morning to you know maybe her child just

1078  
00:47:36,320 --> 00:47:34,380  
died in hospital or her husband left her

1079  
00:47:38,960 --> 00:47:36,330  
for another woman and now and she's

1080  
00:47:41,240 --> 00:47:38,970  
homeless ever like you just don't know

1081  
00:47:43,730 --> 00:47:41,250  
what a person is going through yeah and

1082  
00:47:45,950 --> 00:47:43,740  
and and I realize it sounds like it

1083  
00:47:48,550 --> 00:47:45,960  
extreme example but when it comes to

1084  
00:47:51,200 --> 00:47:48,560  
this field it's very similar because

1085  
00:47:53,210 --> 00:47:51,210  
there's a lot of people out there who

1086  
00:47:55,820 --> 00:47:53,220  
work who are do you know committing

1087  
00:47:57,830 --> 00:47:55,830  
suicide losing friends absolutely are

1088  
00:48:00,770 --> 00:47:57,840

you know because they don't want the et

1089

00:48:04,070 --> 00:48:00,780

content to continue mm-hmm I have two

1090

00:48:07,640 --> 00:48:04,080

listeners that I know of that literally

1091

00:48:09,350 --> 00:48:07,650

were about to commit suicide until they

1092

00:48:12,260 --> 00:48:09,360

heard the show to learn that they

1093

00:48:14,600 --> 00:48:12,270

weren't alone Wow and they reached out

1094

00:48:17,480 --> 00:48:14,610

to me and literally it brought tears to

1095

00:48:18,920 --> 00:48:17,490

my eyes yeah powerful stuff right not

1096

00:48:20,660 --> 00:48:18,930

you know because you don't when you're

1097

00:48:22,940 --> 00:48:20,670

when you're putting on a nightly show

1098

00:48:24,140 --> 00:48:22,950

you don't think about that mm-hmm

1099

00:48:26,330 --> 00:48:24,150

you really don't all you're thinking

1100

00:48:28,760 --> 00:48:26,340

about is okay what can I get out of my

1101

00:48:32,240 --> 00:48:28,770

guess you're not realizing the impact

1102

00:48:35,060 --> 00:48:32,250

you're having on your listener and when

1103

00:48:37,130 --> 00:48:35,070

you realize that they have they have a

1104

00:48:38,630 --> 00:48:37,140

bond with you and they've they trust

1105

00:48:40,790 --> 00:48:38,640

your word and that you're not gonna lead

1106

00:48:43,609 --> 00:48:40,800

them astray mm-hmm and then you tell

1107

00:48:46,160 --> 00:48:43,619

them that you believe them it's very

1108

00:48:48,620 --> 00:48:46,170

powerful yeah you know yes and what's

1109

00:48:51,050 --> 00:48:48,630

wrong with believing people just because

1110

00:48:53,060 --> 00:48:51,060

your research doesn't show or your

1111

00:48:55,240 --> 00:48:53,070

photographs don't match up or your video

1112

00:48:59,300 --> 00:48:55,250

doesn't match up who cares

1113

00:49:02,540 --> 00:48:59,310

absolutely yep yeah we've recently

1114

00:49:04,250 --> 00:49:02,550

started to kind of find that out

1115

00:49:06,440 --> 00:49:04,260

ourselves like that connection that you

1116

00:49:08,030 --> 00:49:06,450

have between the listeners and what it

1117

00:49:10,280 --> 00:49:08,040

is that you're doing you know we get

1118

00:49:12,470 --> 00:49:10,290

like these awesome like you know just

1119

00:49:14,570 --> 00:49:12,480

letters and and and messages and it's

1120

00:49:16,370 --> 00:49:14,580

like wow that's really awesome that you

1121

00:49:19,400 --> 00:49:16,380

were able to like connect with somebody

1122

00:49:21,170 --> 00:49:19,410

on that level for them to care enough to

1123

00:49:23,060 --> 00:49:21,180

reach out to you and talk to you

1124

00:49:25,490 --> 00:49:23,070

absolutely but what did it cost you

1125

00:49:28,270 --> 00:49:25,500

nothing man just a couple minutes of our

1126

00:49:31,040 --> 00:49:28,280

time of stuff that we enjoy doing

1127

00:49:33,440 --> 00:49:31,050

yeah it's really been fun it's to see

1128

00:49:35,300 --> 00:49:33,450

that grow like yeah it's part of but it

1129

00:49:36,980 --> 00:49:35,310

didn't cost you anything to be human

1130

00:49:39,080 --> 00:49:36,990

yeah yeah absolutely

1131

00:49:41,390 --> 00:49:39,090

yeah there are people out there guys

1132

00:49:43,220 --> 00:49:41,400

whether they're at this conference or

1133

00:49:45,880 --> 00:49:43,230

whether they are just sitting at home

1134

00:49:48,050 --> 00:49:45,890

because they've had some horrible alien

1135

00:49:49,970 --> 00:49:48,060

experiences and they're afraid of the

1136

00:49:52,490 --> 00:49:49,980

world okay

1137

00:49:55,340 --> 00:49:52,500

yeah that's wrong with telling them I

1138

00:49:56,360 --> 00:49:55,350

believe you this may have caught dice uh

1139

00:50:00,650 --> 00:49:56,370

I think

1140

00:50:02,210 --> 00:50:00,660

I'm a pretty good guy sorry about that

1141

00:50:06,830 --> 00:50:02,220

yeah not trying to scare you with my

1142

00:50:09,410 --> 00:50:06,840

cough oh no I worry about but what what

1143

00:50:11,750 --> 00:50:09,420

is wrong with telling someone that you

1144

00:50:13,130 --> 00:50:11,760

believe them what is wrong with saying

1145

00:50:15,710 --> 00:50:13,140

you know what I don't think you're

1146

00:50:18,110 --> 00:50:15,720

psycho I don't think you're lying

1147

00:50:19,430 --> 00:50:18,120

I believe you then what happened because

1148

00:50:24,050 --> 00:50:19,440

there's a lot of people who have lost

1149

00:50:26,600 --> 00:50:24,060

friends family I know I because of my

1150

00:50:29,240 --> 00:50:26,610

experiences I lost my best friend of 28

1151  
00:50:31,940 --> 00:50:29,250  
years and turned on me this is a guy I

1152  
00:50:36,190 --> 00:50:31,950  
supported right yeah there are a lot of

1153  
00:50:40,400 --> 00:50:36,200  
[h\_\_h] all right and when I needed him I

1154  
00:50:41,360 --> 00:50:40,410  
got the screw you right that sucks

1155  
00:50:42,920 --> 00:50:41,370  
haven't talked to him in three years

1156  
00:50:47,030 --> 00:50:42,930  
apparently he's getting married this

1157  
00:50:51,530 --> 00:50:47,040  
weekend oh yeah or this in a week from

1158  
00:50:55,010 --> 00:50:51,540  
now doesn't know that I know you know

1159  
00:50:56,990 --> 00:50:55,020  
that's heavy yeah yeah I would love to

1160  
00:50:59,630 --> 00:50:57,000  
be his best man right I'm the guy who

1161  
00:51:01,100 --> 00:50:59,640  
introduced him to his wife Wow not your

1162  
00:51:05,060 --> 00:51:01,110  
wife Yeah right

1163  
00:51:07,940 --> 00:51:05,070

yeah but is what it is I can't do

1164

00:51:10,010 --> 00:51:07,950

anything about it because my choice of

1165

00:51:13,550 --> 00:51:10,020

lifestyle in wanting to learn about my

1166

00:51:15,590 --> 00:51:13,560

experience was more important and I

1167

00:51:17,690 --> 00:51:15,600

didn't want to come on that journey yeah

1168

00:51:20,060 --> 00:51:17,700

and there's a lot of people out there so

1169

00:51:21,860 --> 00:51:20,070

the powerful words of I believe you look

1170

00:51:25,280 --> 00:51:21,870

we're all smart enough to see through

1171

00:51:27,950 --> 00:51:25,290

[h\_\_h] all right I remember I had a

1172

00:51:31,100 --> 00:51:27,960

guest on Oh about three and a half years

1173

00:51:33,590 --> 00:51:31,110

ago who was trying to say that he was

1174

00:51:34,730 --> 00:51:33,600

being protected by men in black and like

1175

00:51:35,990 --> 00:51:34,740

all of a sudden it was like he was

1176

00:51:41,390 --> 00:51:36,000

reading out of a comic book

1177

00:51:42,890 --> 00:51:41,400

Yeah right as my job as host you know a

1178

00:51:44,450 --> 00:51:42,900

lot of people why didn't you cut him off

1179

00:51:48,200 --> 00:51:44,460

everybody wants to cut everybody off

1180

00:51:52,090 --> 00:51:48,210

these days no let him make an ass out of

1181

00:51:55,730 --> 00:51:52,100

himself yeah okay and dig his own grave

1182

00:51:58,130 --> 00:51:55,740

listen for me to do I bring the people

1183

00:52:01,250 --> 00:51:58,140

on I try and vet the people as best as I

1184

00:52:03,020 --> 00:52:01,260

can right right and my team tries to but

1185

00:52:04,910 --> 00:52:03,030

in the end the person's gonna make or

1186

00:52:06,980 --> 00:52:04,920

break themselves it's up to the audience

1187

00:52:08,839 --> 00:52:06,990

to choose whether or not a believable

1188

00:52:10,849 --> 00:52:08,849

it's not my choice right

1189

00:52:13,700 --> 00:52:10,859

I I just try and bring the credibility

1190

00:52:16,700 --> 00:52:13,710

as sometimes you fail in times you can't

1191

00:52:18,469 --> 00:52:16,710

oh you can't always you know yeah you

1192

00:52:23,109 --> 00:52:18,479

know can I just one I had one gentleman

1193

00:52:26,120 --> 00:52:23,119

on who about halfway through the show

1194

00:52:28,849 --> 00:52:26,130

started wanting to talk about these

1195

00:52:32,450 --> 00:52:28,859

magic staffs that he was created and

1196

00:52:34,910 --> 00:52:32,460

selling for \$2,100 Canadian whoa

1197

00:52:36,620 --> 00:52:34,920

staffs yeah and that everybody should

1198

00:52:39,200 --> 00:52:36,630

have a magic staff and he started making

1199

00:52:42,799 --> 00:52:39,210

it into an infomercial Oh on your show

1200

00:52:44,210 --> 00:52:42,809

on my show so finally I thank God thank

1201  
00:52:47,870 --> 00:52:44,220  
God I only had the guy booked for two

1202  
00:52:50,059 --> 00:52:47,880  
hours not three okay okay but I came

1203  
00:52:52,519 --> 00:52:50,069  
back on the air and I said and I

1204  
00:52:54,799 --> 00:52:52,529  
apologize to my listeners and I said you

1205  
00:52:58,039 --> 00:52:54,809  
know this I I apologize he stopped

1206  
00:53:01,069 --> 00:52:58,049  
answering my questions you know and he

1207  
00:53:04,130 --> 00:53:01,079  
went into full infomercial about this

1208  
00:53:06,890 --> 00:53:04,140  
staff I said I do not I said I do not

1209  
00:53:10,719 --> 00:53:06,900  
condone buying this I know nothing about

1210  
00:53:14,739 --> 00:53:10,729  
this please \$2,100 for a lot of you is

1211  
00:53:17,930 --> 00:53:14,749  
more than your monthly income yeah

1212  
00:53:19,910 --> 00:53:17,940  
stay away yeah all right or if you

1213  
00:53:22,039 --> 00:53:19,920

choose to that you want to do it but I

1214

00:53:25,789 --> 00:53:22,049

am not endorsing this product definitely

1215

00:53:29,690 --> 00:53:25,799

definitely okay and that honesty is what

1216

00:53:30,229 --> 00:53:29,700

you need to do right yeah do I know if

1217

00:53:32,749 --> 00:53:30,239

it works

1218

00:53:36,049 --> 00:53:32,759

no but you don't turn my interview into

1219

00:53:39,799 --> 00:53:36,059

an infamous Eling a whole bunch of crap

1220

00:53:44,209 --> 00:53:39,809

that you're making yeah I try out the

1221

00:53:47,089 --> 00:53:44,219

magic staff for sure I don't know okay

1222

00:53:48,680 --> 00:53:47,099

we'll try this out live you know a live

1223

00:53:51,200 --> 00:53:48,690

stream with the magics that sounds like

1224

00:53:53,890 --> 00:53:51,210

if it works yeah cool yeah still not

1225

00:53:56,719 --> 00:53:53,900

telling you to buy it but it does work

1226

00:53:59,809 --> 00:53:56,729

this is a piece of [h\_\_h] I use it for

1227

00:54:02,390 --> 00:53:59,819

hiking I mean I just want to know

1228

00:54:04,370 --> 00:54:02,400

because in my three years since doing

1229

00:54:06,049 --> 00:54:04,380

that interview for two years I still

1230

00:54:08,749 --> 00:54:06,059

haven't seen anybody walking around with

1231

00:54:10,579 --> 00:54:08,759

the staff I'll tell you right now if I'm

1232

00:54:12,829 --> 00:54:10,589

walking around with the staff a my beard

1233

00:54:14,839 --> 00:54:12,839

better be about three feet long yes my

1234

00:54:18,900 --> 00:54:14,849

hair must be about another foot longer

1235

00:54:22,589 --> 00:54:18,910

and I better be wearing a cape

1236

00:54:24,240 --> 00:54:22,599

a role yes if somebody comes comes at

1237

00:54:26,940 --> 00:54:24,250

you like like The Wizard game where you

1238

00:54:34,109 --> 00:54:26,950

finish appear that beer cannon - you

1239

00:54:38,460 --> 00:54:37,289

well that's super interesting dude I I

1240

00:54:41,430 --> 00:54:38,470

think we should leave it there

1241

00:54:44,039 --> 00:54:41,440

definitely I I love that what's wrong

1242

00:54:46,740 --> 00:54:44,049

with believing somebody yeah you know

1243

00:54:49,829 --> 00:54:46,750

say it's a beautiful way to kind of in

1244

00:54:52,289 --> 00:54:49,839

that yeah and just uh yeah there is

1245

00:54:54,630 --> 00:54:52,299

nothing wrong with believing somebody do

1246

00:54:56,789 --> 00:54:54,640

your own you know investigating your own

1247

00:54:59,279 --> 00:54:56,799

research come to your own conclusion at

1248

00:55:02,309 --> 00:54:59,289

the end of the day it is up to you on

1249

00:55:04,650 --> 00:55:02,319

how you feel but don't automatically

1250

00:55:07,799 --> 00:55:04,660

dismiss people just because the story

1251  
00:55:09,480 --> 00:55:07,809  
sounds a little strange because it is a

1252  
00:55:10,289 --> 00:55:09,490  
little strange and we're all just trying

1253  
00:55:12,120 --> 00:55:10,299  
to figure it out

1254  
00:55:13,559 --> 00:55:12,130  
absolutely and we should have say cuz

1255  
00:55:15,930 --> 00:55:13,569  
you guys would tell me the whole time

1256  
00:55:18,150 --> 00:55:15,940  
that one of your fans is a fan of mine

1257  
00:55:19,500 --> 00:55:18,160  
Joseph oh yes yeah we got to give a show

1258  
00:55:21,180 --> 00:55:19,510  
Joseph how you doing brother

1259  
00:55:23,490 --> 00:55:21,190  
hope you have a great time there is a

1260  
00:55:26,910 --> 00:55:23,500  
present for you that these guys have

1261  
00:55:28,589 --> 00:55:26,920  
from me so make sure you have fun with

1262  
00:55:30,210 --> 00:55:28,599  
it and enjoy it thank you so much for

1263  
00:55:32,849 --> 00:55:30,220

being a listener and to anybody else who

1264

00:55:34,710 --> 00:55:32,859

you know wants and have this these guys

1265

00:55:36,870 --> 00:55:34,720

is great podcast tune it on in and

1266

00:55:38,700 --> 00:55:36,880

hopefully if you give us a try maybe we

1267

00:55:42,559 --> 00:55:38,710

can earn one or two of your listening

1268

00:55:45,150 --> 00:55:42,569

ears yeah cool man all right you guys

1269

00:55:46,500 --> 00:55:45,160

alright guys well it was good talking to
