Justin
UFO CON 2020

1
00:00:03,379 --> 00:00:02,149
what's up UFO garage good morning

2
00:00:05,930 --> 00:00:03,389
everybody

3
00:00:07,400 --> 00:00:05,940
we're we're drinking our coffee working

4
00:00:09,440 --> 00:00:07,410
off a little bit of a hangover this

5
00:00:10,850 --> 00:00:09,450
morning it was uh we had a great night

6
00:00:13,730 --> 00:00:10,860
last night getting to hang out with

7
00:00:16,160 --> 00:00:13,740
everybody but this morning we've got a

8
00:00:17,960 --> 00:00:16,170
special little treat we've got our buddy

9
00:00:21,560 --> 00:00:17,970
Justin right here he's been in the table

10
00:00:24,230 --> 00:00:21,570
right next to us and you know kind of

11
00:00:26,750 --> 00:00:24,240
everybody has her own idea about the the

12
00:00:29,929 --> 00:00:26,760
ETS the aliens you know and uh their own

13
00:00:32,089 --> 00:00:29,939

agenda and stuff and just sitting here

14

00:00:34,639 --> 00:00:32,099

chit-chatting with with him I mean we've

15

00:00:36,139 --> 00:00:34,649

uh we've got a pretty interesting uh you

16

00:00:39,290 --> 00:00:36,149

know the other side of the coin yeah

17

00:00:41,000 --> 00:00:39,300

about a balanced perspective exactly

18

00:00:43,549 --> 00:00:41,010

it's it's kind of one that you don't

19

00:00:45,229 --> 00:00:43,559

hear as often so I'm pretty excited

20

00:00:47,180 --> 00:00:45,239

about that Justin man how you doing

21

00:00:48,200 --> 00:00:47,190

today I'm doing very well guys thank you

22

00:00:50,000 --> 00:00:48,210

very much for having me

23

00:00:51,319 --> 00:00:50,010

good good so if you know my man just

24

00:00:53,689 --> 00:00:51,329

tell everybody a little bit about

25

00:00:56,209 --> 00:00:53,699

yourself and what you do and and you

26

00:00:57,860 --> 00:00:56,219

know why you're here all right my name

27

00:01:00,470 --> 00:00:57,870

is Justin I am a student of the new

28

00:01:03,020 --> 00:01:00,480

message and we are based out of Boulder

29

00:01:04,609 --> 00:01:03,030

Colorado we have people in over 22

30

00:01:06,770 --> 00:01:04,619

countries right now all around the world

31

00:01:11,420 --> 00:01:06,780

and we are spreading the word and the

32

00:01:13,190 --> 00:01:11,430

word is extreme caution I mean at an

33

00:01:15,170 --> 00:01:13,200

event like this you have a lot of people

34

00:01:16,760 --> 00:01:15,180

welcoming aliens down thinking they're

35

00:01:18,289 --> 00:01:16,770

spiritually advanced they're our star

36

00:01:20,240 --> 00:01:18,299

brothers they're here to help us and all

37

00:01:22,010 --> 00:01:20,250

of that and I hate to be the one to

38

00:01:24,140 --> 00:01:22,020

break it to you but there is no evidence

39

00:01:26,690 --> 00:01:24,150

that that is true and there is plenty of

40

00:01:28,340 --> 00:01:26,700

evidence to the contrary now there are

41

00:01:29,899 --> 00:01:28,350

good aliens around as far as we know

42

00:01:31,550 --> 00:01:29,909

we've gotten some real messages from

43

00:01:33,410 --> 00:01:31,560

some good ones they came into the solar

44

00:01:35,450 --> 00:01:33,420

system about 20 years ago gave us a

45

00:01:37,609 --> 00:01:35,460

bunch of information all of our

46

00:01:40,550 --> 00:01:37,619

information is free online you can just

47

00:01:43,310 --> 00:01:40,560

download it and their message was very

48

00:01:45,710 --> 00:01:43,320

stark very stark and what people really

49

00:01:48,620 --> 00:01:45,720

don't want to hear which is you are a

50

00:01:50,840 --> 00:01:48,630

bunch of dumb monkeys we don't want to

51
00:01:52,730 --> 00:01:50,850
give you technology alliances any kind

52
00:01:55,130 --> 00:01:52,740
of treaties or anything but because you

53
00:01:56,780 --> 00:01:55,140
have a spiritual nature and because you

54
00:01:58,310 --> 00:01:56,790
have potential to be way better than you

55
00:02:01,819 --> 00:01:58,320
are we are going to tell you what is

56
00:02:03,260 --> 00:02:01,829
going on and they did and that's what

57
00:02:04,700 --> 00:02:03,270
I'm handing out over there is all the

58
00:02:07,100 --> 00:02:04,710
information that we have right now

59
00:02:10,369 --> 00:02:07,110
that's published which is only about 40%

60
00:02:12,199 --> 00:02:10,379
of what we've gotten so far but the gist

61
00:02:13,070 --> 00:02:12,209
of it is what the one thing that people

62
00:02:16,280 --> 00:02:13,080
have to

63
00:02:19,010 --> 00:02:16,290

is that the laws of nature are kind of

64

00:02:22,400 --> 00:02:19,020

stark they're the strong prey upon the

65

00:02:25,340 --> 00:02:22,410

weak if they can life competes and these

66

00:02:29,060 --> 00:02:25,350

laws of nature do not change with scale

67

00:02:30,860 --> 00:02:29,070

or technology a lot of people say oh if

68

00:02:32,690 --> 00:02:30,870

they're so advanced that they can get

69

00:02:35,660 --> 00:02:32,700

here then what do they need from us

70

00:02:38,450 --> 00:02:35,670

well they need whatever life needs and

71

00:02:39,980 --> 00:02:38,460

whatever is valuable and you can look at

72

00:02:41,690 --> 00:02:39,990

nature you can look at what happened the

73

00:02:44,120 --> 00:02:41,700

Americas when the Europeans arrived and

74

00:02:45,740 --> 00:02:44,130

they did not come here and say oh we're

75

00:02:48,170 --> 00:02:45,750

here to take everything you have this

76

00:02:49,580 --> 00:02:48,180

valuable no they said look at us look

77

00:02:51,590 --> 00:02:49,590

how wonderful we are here's all these

78

00:02:53,900 --> 00:02:51,600

goodies check it out and the same thing

79

00:02:56,420 --> 00:02:53,910

with Belgium Belgium going to Congo you

80

00:02:59,140 --> 00:02:56,430

know a lot of people say these these

81

00:03:01,670 --> 00:02:59,150

beings are being honest and we have

82

00:03:03,560 --> 00:03:01,680

evidence to the contrary you know let's

83

00:03:05,750 --> 00:03:03,570

face it no serial killer a criminal is

84

00:03:07,400 --> 00:03:05,760

going to admit to you that they are a

85

00:03:09,800 --> 00:03:07,410

bad person and it's the same with these

86

00:03:11,420 --> 00:03:09,810

aliens I mean they come here they kidnap

87

00:03:14,390 --> 00:03:11,430

people they do experiments on people

88

00:03:15,950 --> 00:03:14,400

they kill people if you might want to

89

00:03:17,750 --> 00:03:15,960

look up human mutilations if you've

90

00:03:20,360 --> 00:03:17,760

looked up cattle mutilations human

91

00:03:24,590 --> 00:03:20,370

relations is a big cover-up very ghastly

92

00:03:27,199 --> 00:03:24,600

stuff but anyway we're sitting here

93

00:03:29,120 --> 00:03:27,209

saying look the stakes are high here the

94

00:03:30,650 --> 00:03:29,130

stakes are incredibly high people are

95

00:03:31,820 --> 00:03:30,660

inviting these things down we don't know

96

00:03:34,070 --> 00:03:31,830

who they are we don't know anything

97

00:03:37,070 --> 00:03:34,080

about them except that they lie like

98

00:03:38,410 --> 00:03:37,080

crazy and if they take over here you

99

00:03:40,850 --> 00:03:38,420

know and just look at what happened

100

00:03:43,610 --> 00:03:40,860

historically to the Native Americans

101
00:03:46,010 --> 00:03:43,620
their whole cultures were destroyed and

102
00:03:46,910 --> 00:03:46,020
these things they look at us like a

103
00:03:48,590 --> 00:03:46,920
lower life-form

104
00:03:50,570 --> 00:03:48,600
I mean if we treat our fellow humans

105
00:03:53,540 --> 00:03:50,580
like that right right look at the way we

106
00:03:55,880 --> 00:03:53,550
treat animals I'll imagine them treating

107
00:03:59,300 --> 00:03:55,890
us like that you know yeah yeah it seems

108
00:04:01,460 --> 00:03:59,310
to be a it seems to be a thing on you

109
00:04:03,710 --> 00:04:01,470
know when you're looking at this this

110
00:04:06,050 --> 00:04:03,720
subject it does kind of seem like we are

111
00:04:08,180 --> 00:04:06,060
like the zoo animals you know compared

112
00:04:10,070 --> 00:04:08,190
to them you know exactly well look what

113
00:04:11,900 --> 00:04:10,080

look what they do they catch people they

114

00:04:13,460 --> 00:04:11,910

do experiments on them they tag them

115

00:04:15,949 --> 00:04:13,470

just like animals in the wild so they

116

00:04:17,420 --> 00:04:15,959

can track them down afterwards I mean

117

00:04:20,240 --> 00:04:17,430

all of this is done without permission

118

00:04:22,400 --> 00:04:20,250

and some people say oh well I gave them

119

00:04:24,860 --> 00:04:22,410

permission at a past life oh yeah right

120

00:04:26,420 --> 00:04:24,870

come on this is this is typical

121

00:04:26,840 --> 00:04:26,430

cognitive dissonance where people are

122

00:04:28,760 --> 00:04:26,850

trying to

123

00:04:31,520 --> 00:04:28,770

justify their positions and points of

124

00:04:34,040 --> 00:04:31,530

view any way they can because the truth

125

00:04:37,190 --> 00:04:34,050

is just a little too much you know to

126

00:04:39,620 --> 00:04:37,200

realize that we are being visited by

127

00:04:42,470 --> 00:04:39,630

resource explorers that are here to take

128

00:04:44,570 --> 00:04:42,480

whatever is valuable here and what we

129

00:04:47,570 --> 00:04:44,580

know about is that the what's valued on

130

00:04:49,730 --> 00:04:47,580

this planet is not gold silver and oil

131

00:04:52,040 --> 00:04:49,740

and stuff like that it's biodiversity

132

00:04:54,020 --> 00:04:52,050

planet so with this kind of biodiversity

133

00:04:56,870 --> 00:04:54,030

are incredibly rare and incredibly

134

00:04:58,570 --> 00:04:56,880

valuable and you know they use it for

135

00:05:02,690 --> 00:04:58,580

the same thing we do they use it for

136

00:05:07,700 --> 00:05:02,700

fuel and food and medicine and slaves

137

00:05:09,680 --> 00:05:07,710

human beings make great slaves so we got

138

00:05:12,140 --> 00:05:09,690

to assert ourselves here we have to

139

00:05:13,610 --> 00:05:12,150

unite as a race we have to take care of

140

00:05:16,700 --> 00:05:13,620

our environment because as far as we

141

00:05:18,350 --> 00:05:16,710

know every star you see it up in the sky

142

00:05:19,790 --> 00:05:18,360

at night is already taken there's

143

00:05:21,890 --> 00:05:19,800

already something going on there and has

144

00:05:23,960 --> 00:05:21,900

been for a very long time so we're not

145

00:05:25,970 --> 00:05:23,970

going anywhere we step outside the solar

146

00:05:27,110 --> 00:05:25,980

system we're gonna be eaten alive so

147

00:05:29,240 --> 00:05:27,120

that means we have to take care of

148

00:05:30,890 --> 00:05:29,250

everything we've got here you know all

149

00:05:33,740 --> 00:05:30,900

of our animals all our plants our water

150

00:05:35,990 --> 00:05:33,750

or air land all of it because this is

151
00:05:38,240 --> 00:05:36,000
our turf this is where we're going to be

152
00:05:39,980 --> 00:05:38,250
living for the next 500 million years as

153
00:05:42,860 --> 00:05:39,990
long as this planets habitable right

154
00:05:45,560 --> 00:05:42,870
right so you know we're big on that and

155
00:05:48,440 --> 00:05:45,570
Wars and conflict are completely

156
00:05:49,850 --> 00:05:48,450
unnecessary and we better stop it right

157
00:05:51,740 --> 00:05:49,860
away we're using up way too many

158
00:05:53,570 --> 00:05:51,750
resources and creating too much you know

159
00:05:56,120 --> 00:05:53,580
bad will amongst the human family and

160
00:05:57,530 --> 00:05:56,130
the human family needs to unite and by

161
00:05:59,000 --> 00:05:57,540
unite I don't mean we all have to live

162
00:06:01,100 --> 00:05:59,010
together but I mean we have to all

163
00:06:03,410 --> 00:06:01,110

realize what's going on what we what

164

00:06:05,060 --> 00:06:03,420

we're facing and we ought to cooperate

165

00:06:06,140 --> 00:06:05,070

in order to you know make this place a

166

00:06:10,610 --> 00:06:06,150

better place to live

167

00:06:15,380 --> 00:06:10,620

yeah yeah if there was is there anything

168

00:06:18,140 --> 00:06:15,390

that you know us as humans when we if we

169

00:06:20,210 --> 00:06:18,150

were to unite you know the bad aliens

170

00:06:23,390 --> 00:06:20,220

are here is there anything that we could

171

00:06:25,820 --> 00:06:23,400

possibly do about it anyways or is that

172

00:06:27,890 --> 00:06:25,830

oh yeah you seem sure I think oh yeah

173

00:06:30,260 --> 00:06:27,900

yeah well the aliens that are here they

174

00:06:31,640 --> 00:06:30,270

need our cooperation that's why they're

175

00:06:34,280 --> 00:06:31,650

always kidnapping people and telling

176
00:06:35,840 --> 00:06:34,290
them how wonderful you know the aliens

177
00:06:37,159 --> 00:06:35,850
are and also how wonderful the people

178
00:06:38,330 --> 00:06:37,169
are you know a lot of people they'll say

179
00:06:39,740 --> 00:06:38,340
oh we yours

180
00:06:40,429 --> 00:06:39,750
you know you humans we need your

181
00:06:42,889 --> 00:06:40,439
emotions we

182
00:06:45,469 --> 00:06:42,899
or whatever we need your spirituality

183
00:06:47,959 --> 00:06:45,479
there they're feeding humans everything

184
00:06:50,209 --> 00:06:47,969
that humans want to hear you know to

185
00:06:52,009 --> 00:06:50,219
feed their egos and right now we just

186
00:06:53,359 --> 00:06:52,019
need to be aware I mean if people if

187
00:06:55,939 --> 00:06:53,369
we're not aware of what's going on we're

188
00:06:57,589 --> 00:06:55,949

powerless you know and if we are aware

189

00:06:59,299 --> 00:06:57,599

of what's going on then at least we can

190

00:07:02,059 --> 00:06:59,309

respond to it and we need to have a

191

00:07:03,559 --> 00:07:02,069

certain number of people responding in

192

00:07:06,229 --> 00:07:03,569

order to have any real effect on this

193

00:07:07,669 --> 00:07:06,239

because if we let things keep going the

194

00:07:09,199 --> 00:07:07,679

way they are you know and there are

195

00:07:11,989 --> 00:07:09,209

hybrids right now i mean they're they're

196

00:07:15,259 --> 00:07:11,999

creating a hybrid race to rule over us

197

00:07:17,509 --> 00:07:15,269

because the aliens immune systems cannot

198

00:07:20,359 --> 00:07:17,519

survive here they're not conditioned to

199

00:07:21,739 --> 00:07:20,369

deal with the contamination down here so

200

00:07:23,659 --> 00:07:21,749

they've been creating hybrids for

201
00:07:25,549 --> 00:07:23,669
decades and putting them slowly into

202
00:07:27,559 --> 00:07:25,559
powers positions of power around the

203
00:07:29,179 --> 00:07:27,569
world because they don't have to control

204
00:07:32,269 --> 00:07:29,189
me and you they just have to control the

205
00:07:33,829 --> 00:07:32,279
people in charge right right yeah so I'm

206
00:07:36,439 --> 00:07:33,839
curious we we talked a little bit about

207
00:07:38,809 --> 00:07:36,449
this yesterday but is there

208
00:07:41,540 --> 00:07:38,819
I mean maybe speak to like maybe a

209
00:07:45,409 --> 00:07:41,550
galactic rule or law or some kind of

210
00:07:48,439 --> 00:07:45,419
governing force yeah no that's a good

211
00:07:52,100 --> 00:07:48,449
point as far as we know it's pretty much

212
00:07:53,899 --> 00:07:52,110
the Wild West up there above because we

213
00:07:55,850 --> 00:07:53,909

are in a very densely populated part of

214

00:07:57,350 --> 00:07:55,860

the galaxy there's a lot of trade going

215

00:07:59,149 --> 00:07:57,360

on and things going through the solar

216

00:08:01,579 --> 00:07:59,159

system all the time refueling at the Sun

217

00:08:05,029 --> 00:08:01,589

you can always look up Soho telescope

218

00:08:07,159 --> 00:08:05,039

UFO footage for that there are rules

219

00:08:09,079 --> 00:08:07,169

you're not allowed to just invade a

220

00:08:11,029 --> 00:08:09,089

planet and they wouldn't want to I mean

221

00:08:13,129 --> 00:08:11,039

when you look at our movies you know the

222

00:08:14,569 --> 00:08:13,139

the armadas of spaceships arrive and

223

00:08:17,119 --> 00:08:14,579

they shoot it out with us and everything

224

00:08:18,949 --> 00:08:17,129

well that's ridiculous right they don't

225

00:08:20,449 --> 00:08:18,959

want to damage anything down here that

226

00:08:21,739 --> 00:08:20,459

if they take over a planet they want the

227

00:08:24,469 --> 00:08:21,749

plant to be completely intact

228

00:08:26,389 --> 00:08:24,479

infrastructure communications everything

229

00:08:29,119 --> 00:08:26,399

so when they take over it's without even

230

00:08:30,979 --> 00:08:29,129

firing a shot it's all done covertly you

231

00:08:32,209 --> 00:08:30,989

know and a planet like this could be

232

00:08:34,399 --> 00:08:32,219

taken over and the people wouldn't even

233

00:08:37,069 --> 00:08:34,409

realize it you know it's it's almost

234

00:08:38,659 --> 00:08:37,079

like like new management like they come

235

00:08:41,420 --> 00:08:38,669

in they don't want to ruin the business

236

00:08:43,879 --> 00:08:41,430

they want to come in and kind of quietly

237

00:08:45,949 --> 00:08:43,889

you know get control of the situation

238

00:08:47,569 --> 00:08:45,959

they don't want to really it's you think

239

00:08:49,639 --> 00:08:47,579

it would take way too long away too many

240

00:08:51,949 --> 00:08:49,649

resources to have to start all over

241

00:08:53,080 --> 00:08:51,959

we've got pre-existing infrastructure in

242

00:08:55,540 --> 00:08:53,090

place already

243

00:08:57,370 --> 00:08:55,550

makes sense and they're very smart and

244

00:08:59,440 --> 00:08:57,380

and the rules are also even if they

245

00:09:01,690 --> 00:08:59,450

wanted to they couldn't do that you know

246

00:09:04,450 --> 00:09:01,700

that kind of aggression is forbidden in

247

00:09:06,760 --> 00:09:04,460

in densely populated parts however there

248

00:09:10,090 --> 00:09:06,770

are two stipulations by which a planet

249

00:09:12,430 --> 00:09:10,100

can be taken over and one of them is

250

00:09:14,380 --> 00:09:12,440

okay let's look at it as if the earth is

251
00:09:16,480 --> 00:09:14,390
a protected ecosystem kind of like the

252
00:09:17,769 --> 00:09:16,490
Galapagos Islands okay you're not

253
00:09:19,180 --> 00:09:17,779
allowed to go there and set up a house

254
00:09:21,610 --> 00:09:19,190
or anything it's just for research

255
00:09:22,990 --> 00:09:21,620
purposes but if the scientists that

256
00:09:25,030 --> 00:09:23,000
we're looking there noticed that the

257
00:09:27,460 --> 00:09:25,040
rodent population was reproducing out of

258
00:09:28,870 --> 00:09:27,470
control and destroying you know eating

259
00:09:30,760 --> 00:09:28,880
all the lizard eggs or whatever grows

260
00:09:32,769 --> 00:09:30,770
there you know they wouldn't let it go

261
00:09:35,200 --> 00:09:32,779
on forever right that Island would be

262
00:09:36,550 --> 00:09:35,210
way too valuable so they would start

263
00:09:38,530 --> 00:09:36,560

setting traps and getting rid of the

264

00:09:40,030 --> 00:09:38,540

rodents okay it's the same thing here if

265

00:09:41,710 --> 00:09:40,040

we're trashing the environment to such a

266

00:09:43,930 --> 00:09:41,720

degree that we're ruining the value of

267

00:09:46,630 --> 00:09:43,940

this world then they have permission to

268

00:09:49,540 --> 00:09:46,640

interfere down here and the second thing

269

00:09:52,720 --> 00:09:49,550

that will enable them to interfere is if

270

00:09:55,060 --> 00:09:52,730

we invite them down if to the observers

271

00:09:57,190 --> 00:09:55,070

the native species of this planet the

272

00:09:59,140 --> 00:09:57,200

dominant species which is us is inviting

273

00:10:01,000 --> 00:09:59,150

them down and letting them take control

274

00:10:02,350 --> 00:10:01,010

then they can come down and take control

275

00:10:04,120 --> 00:10:02,360

and right now people are doing that

276

00:10:05,680 --> 00:10:04,130

they're doing that in government they're

277

00:10:07,660 --> 00:10:05,690

doing that in industry they're doing it

278

00:10:09,970 --> 00:10:07,670

and religions they're doing that in

279

00:10:11,530 --> 00:10:09,980

conventions like this you know people go

280

00:10:13,329 --> 00:10:11,540

to a contact in the desert and they

281

00:10:16,230 --> 00:10:13,339

invite them down you know they sit there

282

00:10:18,010 --> 00:10:16,240

you know saying take me away and and

283

00:10:19,300 --> 00:10:18,020

supporting them and that's what the

284

00:10:21,400 --> 00:10:19,310

aliens need because they're here in

285

00:10:23,200 --> 00:10:21,410

small groups it's not a giant group of

286

00:10:25,660 --> 00:10:23,210

aliens there's many different races we

287

00:10:28,930 --> 00:10:25,670

don't know how many but yeah but they

288

00:10:30,280 --> 00:10:28,940

are they need our cooperation you know

289

00:10:32,079 --> 00:10:30,290

and they also need us to do the work

290

00:10:33,970 --> 00:10:32,089

down here if they do take over they're

291

00:10:35,920 --> 00:10:33,980

not gonna be you know replant the trees

292

00:10:38,050 --> 00:10:35,930

and doing all the work that needs to be

293

00:10:40,090 --> 00:10:38,060

done there right that's us you know and

294

00:10:41,860 --> 00:10:40,100

and the human race is a valuable

295

00:10:46,900 --> 00:10:41,870

resource here we're part of the

296

00:10:50,019 --> 00:10:46,910

resources you know so you are you of the

297

00:10:51,970 --> 00:10:50,029

idea that the human race is native to

298

00:10:54,130 --> 00:10:51,980

earth or do you think that I'm just

299

00:10:55,960 --> 00:10:54,140

curious I like to ask yeah this question

300

00:10:57,880 --> 00:10:55,970

like do you think it was genetically

301
00:10:59,470 --> 00:10:57,890
modified to be the heel and the homo

302
00:11:01,290 --> 00:10:59,480
sapien that we are do you think we were

303
00:11:04,600 --> 00:11:01,300
naturally

304
00:11:06,670 --> 00:11:04,610
that's a very good question and the

305
00:11:08,140 --> 00:11:06,680
evidence is very murky on that there is

306
00:11:09,490 --> 00:11:08,150
evidence that we have been tampered with

307
00:11:11,320 --> 00:11:09,500
over the century you know two hundred

308
00:11:11,620 --> 00:11:11,330
thousand years ago something changed you

309
00:11:13,270 --> 00:11:11,630
know

310
00:11:14,980 --> 00:11:13,280
so races could have been here and

311
00:11:18,490 --> 00:11:14,990
tinkered with us you know we know that

312
00:11:20,530 --> 00:11:18,500
we also know that whatever a race is a

313
00:11:22,210 --> 00:11:20,540

visited have tried to set up colonies

314

00:11:24,430 --> 00:11:22,220

and for some reason or another maybe

315

00:11:26,590 --> 00:11:24,440

they couldn't survive the the the

316

00:11:27,910 --> 00:11:26,600

contamination or whatever but they're

317

00:11:28,540 --> 00:11:27,920

all gone but they left their debris

318

00:11:30,040 --> 00:11:28,550

everywhere

319

00:11:32,770 --> 00:11:30,050

I mean just look around look at Baalbek

320

00:11:35,980 --> 00:11:32,780

look at you know Peru look at puma punku

321

00:11:38,320 --> 00:11:35,990

look at you know the center of Machu

322

00:11:39,100 --> 00:11:38,330

Picchu I mean they have left evidence

323

00:11:40,840 --> 00:11:39,110

everywhere

324

00:11:42,160 --> 00:11:40,850

that they were here and it's just

325

00:11:44,110 --> 00:11:42,170

basically that they call it what do they

326

00:11:46,510 --> 00:11:44,120

call it out of place artifacts yeah you

327

00:11:48,460 --> 00:11:46,520

know yeah it just ignored really yeah

328

00:11:50,260 --> 00:11:48,470

that's awesome it's like the best part

329

00:11:52,930 --> 00:11:50,270

of ancient aliens right like you see all

330

00:11:54,760 --> 00:11:52,940

this debris and like leftover remains I

331

00:11:57,280 --> 00:11:54,770

mean it's obvious I mean we talk about

332

00:11:59,950 --> 00:11:57,290

this all the time on the show like yeah

333

00:12:01,930 --> 00:11:59,960

and it's yeah of course like ancient

334

00:12:04,120 --> 00:12:01,940

aliens is one of the most famous like TV

335

00:12:07,300 --> 00:12:04,130

shows and people can relate to that and

336

00:12:09,190 --> 00:12:07,310

the evidence is just all around us it's

337

00:12:10,900 --> 00:12:09,200

everywhere look of the Coneheads felt I

338

00:12:12,370 --> 00:12:10,910

mean god they found over 300 of those

339

00:12:14,680 --> 00:12:12,380

around the world and that's direct

340

00:12:17,920 --> 00:12:14,690

evidence of a hybrid asian program yeah

341

00:12:23,020 --> 00:12:17,930

so yeah we we found an illustration of

342

00:12:24,870 --> 00:12:23,030

the elongated skulls it's it's like a

343

00:12:27,520 --> 00:12:24,880

facial reconstruction of oh yeah

344

00:12:32,380 --> 00:12:27,530

elongated skull and he just has like a

345

00:12:33,730 --> 00:12:32,390

really droopy like long nose but yeah

346

00:12:35,890 --> 00:12:33,740

yeah cuz you can you can see the

347

00:12:37,990 --> 00:12:35,900

difference in just the regular like

348

00:12:40,750 --> 00:12:38,000

elongated skull as opposed to like a

349

00:12:42,460 --> 00:12:40,760

binded skull oh yeah create that that

350

00:12:44,040 --> 00:12:42,470

look you know and you can see the

351
00:12:46,060 --> 00:12:44,050
difference there are four different

352
00:12:48,010 --> 00:12:46,070
differences major differences between

353
00:12:50,860 --> 00:12:48,020
the real conehead skulls and the

354
00:12:53,560 --> 00:12:50,870
modified human ones one is larger jaws

355
00:12:57,850 --> 00:12:53,570
the second is they have a larger

356
00:13:00,810 --> 00:12:57,860
internal capacity 1500 cubic centimeters

357
00:13:04,060 --> 00:13:00,820
as opposed to 1200 for a normal human

358
00:13:07,210 --> 00:13:04,070
and 1100 for a bound skull it's actually

359
00:13:09,850 --> 00:13:07,220
smaller with the bound skulls the third

360
00:13:12,100 --> 00:13:09,860
thing is

361
00:13:14,230 --> 00:13:12,110
I think there's two sutures on top of

362
00:13:16,949 --> 00:13:14,240
the head instead of three which is a big

363
00:13:19,000 --> 00:13:16,959

one you know you can't modify that no

364

00:13:23,319 --> 00:13:19,010

regular human skull is kind of like a

365

00:13:25,930 --> 00:13:23,329

like an angry part at this point yeah

366

00:13:29,410 --> 00:13:25,940

yeah the real conehead ones only up to

367

00:13:31,269 --> 00:13:29,420

interesting yeah and the also the the

368

00:13:33,069 --> 00:13:31,279

modified human skulls have indentations

369

00:13:35,079 --> 00:13:33,079

on the side where they bind it because

370

00:13:38,410 --> 00:13:35,089

it pushes a it makes a concave surface

371

00:13:41,590 --> 00:13:38,420

on the the real conehead skulls it's

372

00:13:43,360 --> 00:13:41,600

it's a convex oh wow so yeah there it

373

00:13:44,740 --> 00:13:43,370

it's it's a done deal I mean anybody who

374

00:13:46,600 --> 00:13:44,750

says that these are all modified human

375

00:13:48,880 --> 00:13:46,610

skulls has simply not done their

376

00:13:52,060 --> 00:13:48,890

homework right right yeah I mean you can

377

00:13:54,220 --> 00:13:52,070

I mean just looking at it just opening

378

00:13:56,410 --> 00:13:54,230

your eyes and looking at it you can see

379

00:13:59,230 --> 00:13:56,420

that there's something that's different

380

00:14:00,790 --> 00:13:59,240

there you know yeah yeah you can just I

381

00:14:02,560 --> 00:14:00,800

don't know I mean it's kind of one of

382

00:14:04,569 --> 00:14:02,570

those things where sometimes people just

383

00:14:06,430 --> 00:14:04,579

block stuff like that out right because

384

00:14:08,259 --> 00:14:06,440

it doesn't it doesn't flow in with

385

00:14:10,090 --> 00:14:08,269

they're just what they perceive to be

386

00:14:12,430 --> 00:14:10,100

reality doesn't you know it doesn't fit

387

00:14:15,939 --> 00:14:12,440

in their world and it's just too strange

388

00:14:17,710 --> 00:14:15,949

for them to even get that hurdle yeah

389

00:14:19,449 --> 00:14:17,720

well the reason people don't want to

390

00:14:21,699 --> 00:14:19,459

look at this is because it will demand

391

00:14:23,199 --> 00:14:21,709

that you respond to it you know if

392

00:14:25,300 --> 00:14:23,209

people were to actually acknowledge that

393

00:14:26,800 --> 00:14:25,310

oh yeah aliens were here and many times

394

00:14:29,110 --> 00:14:26,810

in the past they're out of history and

395

00:14:30,939 --> 00:14:29,120

they have left to Bri here and tried to

396

00:14:33,040 --> 00:14:30,949

start colonies and modified humans

397

00:14:35,620 --> 00:14:33,050

genetically over the last few million

398

00:14:37,150 --> 00:14:35,630

years and you know they would have to

399

00:14:38,530 --> 00:14:37,160

pay attention to this and once you pay

400

00:14:40,360 --> 00:14:38,540

attention to it then you got to look at

401
00:14:43,150 --> 00:14:40,370
all the evidence and it's not all roses

402
00:14:45,430 --> 00:14:43,160
that's for sure right you know do you

403
00:14:50,110 --> 00:14:45,440
believe that there's a system in place

404
00:14:53,050 --> 00:14:50,120
right now that's monitoring this going

405
00:14:54,610 --> 00:14:53,060
on like from the humans matter and you

406
00:14:56,680 --> 00:14:54,620
and I talking well no no no like

407
00:14:58,660 --> 00:14:56,690
monitoring like the situation like with

408
00:15:00,670 --> 00:14:58,670
the ETS I mean we you know we've heard

409
00:15:02,110 --> 00:15:00,680
about the government we heard we heard

410
00:15:04,480 --> 00:15:02,120
about you know all the people that are

411
00:15:06,040 --> 00:15:04,490
involved some people are taken and then

412
00:15:09,220 --> 00:15:06,050
they're observed and you know there's

413
00:15:11,380 --> 00:15:09,230

these different you know factions going

414

00:15:13,329 --> 00:15:11,390

on but with what you're talking about

415

00:15:15,970 --> 00:15:13,339

specifically you guys run this little

416

00:15:18,490 --> 00:15:15,980

organization you know you you all seem

417

00:15:21,910 --> 00:15:18,500

to do y'all's homework on the you know

418

00:15:23,369 --> 00:15:21,920

on the on the topic is there is there an

419

00:15:26,900 --> 00:15:23,379

organization improv

420

00:15:30,150 --> 00:15:26,910

that is you know I guess dealing with it

421

00:15:31,739 --> 00:15:30,160

head-on or is it is do you think there's

422

00:15:32,879 --> 00:15:31,749

just stuff that's trying to warn people

423

00:15:34,859 --> 00:15:32,889

about it right now

424

00:15:36,329 --> 00:15:34,869

it's it's hard to say there's so much

425

00:15:38,249 --> 00:15:36,339

that we don't really know what's going

426

00:15:39,929 --> 00:15:38,259

on behind the scenes I would like to

427

00:15:41,460 --> 00:15:39,939

think that there's government agencies

428

00:15:44,009 --> 00:15:41,470

that are looking at this very critically

429

00:15:45,389 --> 00:15:44,019

but we don't really know you know people

430

00:15:47,849 --> 00:15:45,399

have come out and government talked

431

00:15:51,419 --> 00:15:47,859

about it as you know and they're usually

432

00:15:52,859 --> 00:15:51,429

just lone voices as far as we know the

433

00:15:54,539 --> 00:15:52,869

best thing that we can do right now is

434

00:15:56,369 --> 00:15:54,549

raise consciousness and awareness on

435

00:15:57,689 --> 00:15:56,379

this subject you know which is why we

436

00:16:00,359 --> 00:15:57,699

give away all of our information online

437

00:16:02,759 --> 00:16:00,369

for free and at these conventions and

438

00:16:04,379 --> 00:16:02,769

all because like I said if people don't

439

00:16:07,259 --> 00:16:04,389

know what's happening they can't do

440

00:16:09,029 --> 00:16:07,269

anything right and like we estimate that

441

00:16:10,829 --> 00:16:09,039

we need to have at least four percent of

442

00:16:11,609 --> 00:16:10,839

the human population aware of what's

443

00:16:14,849 --> 00:16:11,619

going on

444

00:16:17,819 --> 00:16:14,859

to affect any kind of change in this

445

00:16:19,289 --> 00:16:17,829

topic now 4% of the human population of

446

00:16:21,899 --> 00:16:19,299

what is a close eight billion seven and

447

00:16:24,329 --> 00:16:21,909

a half billion now is about 280 million

448

00:16:25,769 --> 00:16:24,339

people well that's an awful lot of

449

00:16:28,199 --> 00:16:25,779

people that need to wake up you know

450

00:16:32,639 --> 00:16:28,209

absolutely is it's a little more than

451
00:16:35,189 --> 00:16:32,649
our here this weekend oh yeah yeah so

452
00:16:37,199 --> 00:16:35,199
I'm curious man like how did you get

453
00:16:39,719 --> 00:16:37,209
started and how did you get interested

454
00:16:41,340 --> 00:16:39,729
well I studied this for about five or

455
00:16:44,279 --> 00:16:41,350
six years before I found the new message

456
00:16:48,239 --> 00:16:44,289
and I looked into David Icke I looked

457
00:16:50,609 --> 00:16:48,249
into you know the Pleiadians and and you

458
00:16:53,849 --> 00:16:50,619
know all this stuff about Nibiru and and

459
00:16:56,639 --> 00:16:53,859
you know the Anunnaki and the historical

460
00:16:59,299 --> 00:16:56,649
stuff and and I found it just to be so

461
00:17:05,549 --> 00:16:59,309
confusing you know it was just there was

462
00:17:07,230 --> 00:17:05,559
all over the map right and there was you

463
00:17:10,259 --> 00:17:07,240

know like I said was more baffling than

464

00:17:11,909 --> 00:17:10,269

anything else and then when I finally

465

00:17:13,919 --> 00:17:11,919

found the new message it stumbled upon

466

00:17:16,679 --> 00:17:13,929

it there was a video on YouTube if you

467

00:17:18,269 --> 00:17:16,689

type in allies of humanity you can find

468

00:17:20,939 --> 00:17:18,279

it and it's got had this this little

469

00:17:23,429 --> 00:17:20,949

cheesy computer-generated lady's head

470

00:17:25,049 --> 00:17:23,439

and they had taken the entire text of

471

00:17:26,369 --> 00:17:25,059

the first allies book there's four of

472

00:17:28,379 --> 00:17:26,379

them which are the messages from the

473

00:17:29,999 --> 00:17:28,389

good aliens and I just started listening

474

00:17:32,549 --> 00:17:30,009

to it and within a few minutes I was

475

00:17:34,859 --> 00:17:32,559

like oh my god what am i listening to

476
00:17:36,720 --> 00:17:34,869
and it's like all the whirling little

477
00:17:36,880 --> 00:17:36,730
puzzle pieces that were just confusing

478
00:17:38,530 --> 00:17:36,890
me

479
00:17:40,270 --> 00:17:38,540
for years just started popping into

480
00:17:42,730 --> 00:17:40,280
place one after the other after the

481
00:17:44,380 --> 00:17:42,740
other and I listened to it for maybe an

482
00:17:47,560 --> 00:17:44,390
hour and a half that night and then I

483
00:17:50,500 --> 00:17:47,570
just I just devoured it you know like

484
00:17:52,360 --> 00:17:50,510
every single question I had and not the

485
00:17:54,100 --> 00:17:52,370
details you know people say oh well

486
00:17:55,210 --> 00:17:54,110
where are they from who are they at we

487
00:17:56,710 --> 00:17:55,220
don't know where the Allies are and

488
00:17:57,880 --> 00:17:56,720

they're not telling us they don't want

489

00:17:59,830 --> 00:17:57,890

to be followed back to their homeworld

490

00:18:02,080 --> 00:17:59,840

and punished for forewarning the dumb

491

00:18:05,020 --> 00:18:02,090

monkeys yeah absolutely

492

00:18:09,130 --> 00:18:05,030

oh my gosh yeah that's it's such a cool

493

00:18:10,690 --> 00:18:09,140

I think it's important to have this this

494

00:18:14,200 --> 00:18:10,700

side of the whole thing out right

495

00:18:16,390 --> 00:18:14,210

because I mean it's better to be you

496

00:18:18,040 --> 00:18:16,400

know on the side of caution and protect

497

00:18:18,790 --> 00:18:18,050

yourself because what's the worst that

498

00:18:21,130 --> 00:18:18,800

can happen

499

00:18:23,590 --> 00:18:21,140

even if you were wrong right yeah

500

00:18:26,170 --> 00:18:23,600

exactly it's considering the stakes

501

00:18:28,170 --> 00:18:26,180

right stakes are the you know either

502

00:18:31,120 --> 00:18:28,180

freedom or subjugation of the human race

503

00:18:33,790 --> 00:18:31,130

we need to look at this very soberly and

504

00:18:36,220 --> 00:18:33,800

from all angles and without the idealism

505

00:18:37,630 --> 00:18:36,230

without the wishful thinking and without

506

00:18:39,550 --> 00:18:37,640

the rose-colored glasses and the

507

00:18:41,530 --> 00:18:39,560

indoctrination of how wonderful this

508

00:18:44,080 --> 00:18:41,540

whole thing is we need to look at this

509

00:18:45,610 --> 00:18:44,090

very critically because like I said look

510

00:18:48,370 --> 00:18:45,620

what happens to primitive people when

511

00:18:50,410 --> 00:18:48,380

they get visited by advanced

512

00:18:52,750 --> 00:18:50,420

civilizations it does not go well for

513

00:18:55,240 --> 00:18:52,760

the natives that's right that's right

514

00:18:57,100 --> 00:18:55,250

I'm just thinking about I think I maybe

515

00:19:00,280 --> 00:18:57,110

had mentioned this to you yesterday but

516

00:19:02,200 --> 00:19:00,290

you know you hear all the time like so

517

00:19:04,390 --> 00:19:02,210

the presidents are all related to like

518

00:19:08,230 --> 00:19:04,400

one bloodline I wonder you you mentioned

519

00:19:10,750 --> 00:19:08,240

like one of the ways that they is in you

520

00:19:13,300 --> 00:19:10,760

know an alien species is infiltrating

521

00:19:15,430 --> 00:19:13,310

the human race is creating hybrids I

522

00:19:16,930 --> 00:19:15,440

wonder if that bloodline has anything to

523

00:19:19,900 --> 00:19:16,940

do with it taking control of the

524

00:19:21,250 --> 00:19:19,910

leadership and in the world you know you

525

00:19:23,200 --> 00:19:21,260

know there's a million things that I

526

00:19:25,900 --> 00:19:23,210

personally don't know about yeah and I

527

00:19:27,490 --> 00:19:25,910

think in depth that's one of them yeah I

528

00:19:29,740 --> 00:19:27,500

mean that there is evidence that the

529

00:19:32,080 --> 00:19:29,750

royal families go back really far you

530

00:19:34,840 --> 00:19:32,090

know I mean thousands of years and I

531

00:19:38,200 --> 00:19:34,850

don't really know what that means you

532

00:19:40,420 --> 00:19:38,210

know I don't you know they talk about

533

00:19:42,340 --> 00:19:40,430

Queen Elizabeth as being some sort of

534

00:19:46,000 --> 00:19:42,350

carnivorous reptilian shapeshifters and

535

00:19:47,500 --> 00:19:46,010

all that I don't know if it's true or

536

00:19:49,050 --> 00:19:47,510

not I mean it wouldn't surprise me but

537

00:19:50,730 --> 00:19:49,060

you know I couldn't

538

00:19:53,390 --> 00:19:50,740

there's evidence for that or no she's

539

00:19:55,920 --> 00:19:53,400

like a hundred and twenty right like

540

00:19:57,840 --> 00:19:55,930

routes it's like the Victorian there's

541

00:20:00,660 --> 00:19:57,850

all kinds of stuff everything from you

542

00:20:06,150 --> 00:20:00,670

know she gets transfused like new blood

543

00:20:08,790 --> 00:20:06,160

from my kids chrome and all to keep her

544

00:20:11,190 --> 00:20:08,800

her youthful yeah

545

00:20:12,360 --> 00:20:11,200

we have no idea what's true and not on

546

00:20:14,280 --> 00:20:12,370

that at least I don't

547

00:20:16,260 --> 00:20:14,290

it's that's such a fresh perspective

548

00:20:18,300 --> 00:20:16,270

like a lot of people that you talk to

549

00:20:19,980 --> 00:20:18,310

sometimes you know I mean this is only

550

00:20:21,030 --> 00:20:19,990

our second event but when you really

551

00:20:23,310 --> 00:20:21,040

start talking to people that are really

552

00:20:24,750 --> 00:20:23,320

into this that you know a lot of people

553

00:20:26,580 --> 00:20:24,760

have their certain they're stuck in like

554

00:20:28,650 --> 00:20:26,590

their ways and they know exactly what's

555

00:20:30,450 --> 00:20:28,660

happening not all not everybody but

556

00:20:32,190 --> 00:20:30,460

people are stuck in their ways oh yeah

557

00:20:34,050 --> 00:20:32,200

it's very fresh to like talk to somebody

558

00:20:35,910 --> 00:20:34,060

that you don't have all the answers but

559

00:20:38,280 --> 00:20:35,920

you definitely have like a perspective

560

00:20:40,920 --> 00:20:38,290

on hey maybe this isn't so good that

561

00:20:43,350 --> 00:20:40,930

we're just inviting these yeah we try

562

00:20:45,210 --> 00:20:43,360

and keep it real you know and we look at

563

00:20:47,280 --> 00:20:45,220

a lot of different stuff and we do

564

00:20:49,110 --> 00:20:47,290

realize that a lot of people are in

565

00:20:51,170 --> 00:20:49,120

favor of the aliens and especially it's

566

00:20:53,760 --> 00:20:51,180

because they've lost faith in humanity

567

00:20:56,310 --> 00:20:53,770

they look around our politics they look

568

00:20:57,780 --> 00:20:56,320

at our general foolishness and lack of

569

00:20:59,070 --> 00:20:57,790

awareness and they think oh there's got

570

00:21:01,020 --> 00:20:59,080

to be something smarter than us and

571

00:21:03,630 --> 00:21:01,030

let's invite it down and give it control

572

00:21:05,550 --> 00:21:03,640

well that's what they the beings want

573

00:21:08,880 --> 00:21:05,560

also they want us to lose faith in

574

00:21:11,550 --> 00:21:08,890

ourselves it's almost by design it kind

575

00:21:14,160 --> 00:21:11,560

of feels like yes it is partially by

576

00:21:17,100 --> 00:21:14,170

design you know yeah yeah yeah that

577

00:21:19,440 --> 00:21:17,110

point of like giving up you know I often

578

00:21:21,990 --> 00:21:19,450

you know you look around at politics

579

00:21:24,600 --> 00:21:22,000

like you said like every now and then

580

00:21:28,500 --> 00:21:24,610

like what are we doing some come save us

581

00:21:30,240 --> 00:21:28,510

we're so dumb oh yeah yeah exactly and

582

00:21:32,760 --> 00:21:30,250

you know our systems are not what I

583

00:21:34,860 --> 00:21:32,770

would call we think of our politics and

584

00:21:36,660 --> 00:21:34,870

our system is being corrupt and and

585

00:21:38,430 --> 00:21:36,670

they're you know of course nothing's

586

00:21:39,810 --> 00:21:38,440

perfect down here you know I mean that's

587

00:21:42,660 --> 00:21:39,820

a given there's no perfection in the

588

00:21:44,520 --> 00:21:42,670

whole universe really but here our

589

00:21:46,290 --> 00:21:44,530

systems aren't really that corrupt

590

00:21:48,090 --> 00:21:46,300

they're actually kind of okay it's just

591

00:21:49,470 --> 00:21:48,100

that the people that gravitate towards

592

00:21:51,480 --> 00:21:49,480

them have a tendency of being corrupt

593

00:21:53,340 --> 00:21:51,490

and opportunistic right right but you

594

00:21:54,780 --> 00:21:53,350

know the idea of you know voting for

595

00:21:56,490 --> 00:21:54,790

people that are gonna do what's best for

596

00:21:59,400 --> 00:21:56,500

your society and it that kind of makes

597

00:22:01,470 --> 00:21:59,410

sense you know we just got a work on the

598

00:22:02,510 --> 00:22:01,480

caliber of people we let get into those

599

00:22:04,220 --> 00:22:02,520

positions yeah

600

00:22:06,500 --> 00:22:04,230

yeah yeah I'm loving that because you

601
00:22:08,720 --> 00:22:06,510
know when you're here you meet the you

602
00:22:11,660 --> 00:22:08,730
meet the real spiritual people that are

603
00:22:14,480 --> 00:22:11,670
like loving light aliens when you meet

604
00:22:16,190 --> 00:22:14,490
the nuts-and-bolts technical aspect

605
00:22:18,290 --> 00:22:16,200
people have and its really kind of the

606
00:22:20,780 --> 00:22:18,300
only you know things that you hear about

607
00:22:23,060 --> 00:22:20,790
it and then I love this guy because it's

608
00:22:25,790 --> 00:22:23,070
like well maybe you don't want that to

609
00:22:28,760 --> 00:22:25,800
happen at all it's a great love it I

610
00:22:30,980 --> 00:22:28,770
love it it's great I really appreciate

611
00:22:32,390 --> 00:22:30,990
you guys let me have my say I mean we're

612
00:22:34,880 --> 00:22:32,400
considered kind of the bad boys of the

613
00:22:36,530 --> 00:22:34,890

UFO community you know people like to

614

00:22:39,380 --> 00:22:36,540

fight with us they come over and they're

615

00:22:41,180 --> 00:22:39,390

always arguing oh my god they they saved

616

00:22:42,650 --> 00:22:41,190

my life they cured my cancer and I'm

617

00:22:44,360 --> 00:22:42,660

like well you know one thing you got to

618

00:22:46,550 --> 00:22:44,370

keep in mind we think we're devious and

619

00:22:49,760 --> 00:22:46,560

clever and all that as human beings they

620

00:22:52,040 --> 00:22:49,770

are upon lightyears ahead of us in that

621

00:22:53,330 --> 00:22:52,050

they are so friggin smart that they deal

622

00:22:55,250 --> 00:22:53,340

with in what we call the mental

623

00:22:56,990 --> 00:22:55,260

environment now they might have just

624

00:22:58,880 --> 00:22:57,000

given that person cancer and then when

625

00:23:00,140 --> 00:22:58,890

the person goes back all weepy and sick

626
00:23:01,750 --> 00:23:00,150
that they're gonna die they come down

627
00:23:03,620 --> 00:23:01,760
and cure it and suddenly that person's

628
00:23:06,590 --> 00:23:03,630
owes them forever

629
00:23:08,420 --> 00:23:06,600
you know just never underestimate how

630
00:23:10,130 --> 00:23:08,430
clever these things are and they've been

631
00:23:12,260 --> 00:23:10,140
doing this forever they know how to take

632
00:23:14,510 --> 00:23:12,270
over planets this is this is what

633
00:23:15,950 --> 00:23:14,520
they're good at you know yeah yeah the

634
00:23:19,640 --> 00:23:15,960
ones that are visiting now we call them

635
00:23:21,020 --> 00:23:19,650
resource explorers they actually they

636
00:23:22,880 --> 00:23:21,030
will go into an area where there's

637
00:23:25,280 --> 00:23:22,890
turmoil and and potential and they'll

638
00:23:27,800 --> 00:23:25,290

secure the resources for other groups

639

00:23:29,780 --> 00:23:27,810

other groups as far as we know are we

640

00:23:31,850 --> 00:23:29,790

call them collectives which are

641

00:23:33,890 --> 00:23:31,860

alliances of up to hundreds of planets

642

00:23:36,440 --> 00:23:33,900

allied for resource acquisition and

643

00:23:39,800 --> 00:23:36,450

trade empires which are smaller they're

644

00:23:42,140 --> 00:23:39,810

one central star system controlling you

645

00:23:44,330 --> 00:23:42,150

know maybe a few dozen planets or star

646

00:23:46,130 --> 00:23:44,340

systems around it they don't get very

647

00:23:48,380 --> 00:23:46,140

big because it's too hard to hold a

648

00:23:49,640 --> 00:23:48,390

system like that together yeah but

649

00:23:51,200 --> 00:23:49,650

there's everything you could imagine up

650

00:23:53,030 --> 00:23:51,210

there that the more spiritually advanced

651
00:23:54,380 --> 00:23:53,040
races are kind of like Buddhist monks

652
00:23:56,960 --> 00:23:54,390
they keep themselves they're

653
00:23:58,760 --> 00:23:56,970
self-sufficient they're discrete they

654
00:24:01,880 --> 00:23:58,770
only trade with maybe a few of their

655
00:24:03,530 --> 00:24:01,890
trusted neighbors you know but freedom

656
00:24:05,480 --> 00:24:03,540
the kind of freedom that we have here

657
00:24:07,760 --> 00:24:05,490
the freedom that we have to talk and

658
00:24:11,120 --> 00:24:07,770
travel and quit our jobs and all it's

659
00:24:14,270 --> 00:24:11,130
virtually unknown up there mostly most

660
00:24:16,490 --> 00:24:14,280
societies are hierarchical with

661
00:24:18,529 --> 00:24:16,500
genetically engineered slave races

662
00:24:19,669 --> 00:24:18,539
as far as we know like gray aliens and

663
00:24:21,350 --> 00:24:19,679

some of the ones that are here now are

664

00:24:23,120 --> 00:24:21,360

just genetically engineered clones

665

00:24:24,919 --> 00:24:23,130

they're just here to do the biddings of

666

00:24:25,430 --> 00:24:24,929

other ones who we don't have any idea

667

00:24:28,130 --> 00:24:25,440

who they are

668

00:24:30,230 --> 00:24:28,140

so it's very mysterious I mean it's

669

00:24:31,430 --> 00:24:30,240

mysterious but simple too yeah yeah we

670

00:24:34,460 --> 00:24:31,440

just got to make sure that we don't end

671

00:24:36,169 --> 00:24:34,470

up being that slave race yeah oh it

672

00:24:37,669 --> 00:24:36,179

would just be ghastly and in some of the

673

00:24:39,470 --> 00:24:37,679

books that we have over there describe

674

00:24:40,880 --> 00:24:39,480

what it would be like if we got taken

675

00:24:44,180 --> 00:24:40,890

over well

676
00:24:46,460 --> 00:24:44,190
imagine for a minute everybody being

677
00:24:48,440 --> 00:24:46,470
listened to constantly tagged like an

678
00:24:50,419 --> 00:24:48,450
animal taser bracelet on you you say the

679
00:24:53,299 --> 00:24:50,429
wrong thing you get punished you keep

680
00:24:54,620 --> 00:24:53,309
doing it you get destroyed you can't

681
00:24:56,049 --> 00:24:54,630
decide if you're going to reproduce or

682
00:24:58,279 --> 00:24:56,059
not what kind of work you're gonna do

683
00:25:01,640 --> 00:24:58,289
they assign it to you

684
00:25:04,070 --> 00:25:01,650
anybody who's unwanted or undesirable or

685
00:25:06,620 --> 00:25:04,080
sick or old or anything at all

686
00:25:09,320 --> 00:25:06,630
immediately eliminated and this is where

687
00:25:11,990 --> 00:25:09,330
it really gets gross they you know we

688
00:25:14,539 --> 00:25:12,000

are good for food and bio components

689

00:25:16,730 --> 00:25:14,549

also imagine them I mean you and I were

690

00:25:18,680 --> 00:25:16,740

way too polluted to be good for food or

691

00:25:21,980 --> 00:25:18,690

bio components but imagine our children

692

00:25:25,850 --> 00:25:21,990

being harvested for these things right

693

00:25:28,640 --> 00:25:25,860

just like chickens well that is so scary

694

00:25:32,419 --> 00:25:28,650

like I've heard stories of like you know

695

00:25:34,340 --> 00:25:32,429

people humans will people seeing this

696

00:25:37,100 --> 00:25:34,350

stuff maybe in a dream or an abduction

697

00:25:39,710 --> 00:25:37,110

scenario where people are literally as

698

00:25:42,560 --> 00:25:39,720

cattle like em in a meat locker like a

699

00:25:44,299 --> 00:25:42,570

refrigerator type situation yeah you

700

00:25:46,220 --> 00:25:44,309

know and a reptilian ship or something

701

00:25:47,659 --> 00:25:46,230

like that yeah that's the most

702

00:25:49,399 --> 00:25:47,669

terrifying situation not getting

703

00:25:51,049 --> 00:25:49,409

everything go well you know with what

704

00:25:53,120 --> 00:25:51,059

amazes me is how many people at a

705

00:25:56,930 --> 00:25:53,130

convention like this are willing to risk

706

00:25:58,640 --> 00:25:56,940

that okay instead of being skeptical and

707

00:25:59,690 --> 00:25:58,650

discerning and really trying to

708

00:26:02,570 --> 00:25:59,700

understand what's going on they're

709

00:26:04,460 --> 00:26:02,580

willing to risk our entire future of the

710

00:26:06,680 --> 00:26:04,470

human race and this is eternal slavery

711

00:26:08,870 --> 00:26:06,690

we're talking about here for their

712

00:26:11,149 --> 00:26:08,880

idealism and wishful thinking that's it

713

00:26:12,710 --> 00:26:11,159

oh because they can't deal with anything

714

00:26:15,080 --> 00:26:12,720

negative oh I'm putting fear out there

715

00:26:17,990 --> 00:26:15,090

I'm a fear monger listen if you see a

716

00:26:20,180 --> 00:26:18,000

sign by a river that says piranhas don't

717

00:26:22,100 --> 00:26:20,190

go swimming here is that fear mongering

718

00:26:23,450 --> 00:26:22,110

or telling you caution you know yeah

719

00:26:24,950 --> 00:26:23,460

that's a really good point yeah yeah it

720

00:26:26,779 --> 00:26:24,960

doesn't hear a real all rivers are bad

721

00:26:29,540 --> 00:26:26,789

yeah you know it's just saying like hey

722

00:26:31,040 --> 00:26:29,550

dude don't don't go in there

723

00:26:33,170 --> 00:26:31,050

you know I think it's a really important

724

00:26:34,910 --> 00:26:33,180

message you know and that's that's what

725

00:26:36,800 --> 00:26:34,920

this podcast is about is like hearing

726
00:26:38,360 --> 00:26:36,810
you know we there's has to be a balanced

727
00:26:40,910 --> 00:26:38,370
approach to this stuff oh yeah you know

728
00:26:42,320 --> 00:26:40,920
there has to be that cautionary tale I'm

729
00:26:44,300 --> 00:26:42,330
so glad to like have you on the show

730
00:26:47,360 --> 00:26:44,310
today oh thank you I really appreciate

731
00:26:50,840 --> 00:26:47,370
it guys it's it's been a true pleasure

732
00:26:53,030 --> 00:26:50,850
and joy yeah man well I think that's

733
00:26:54,860 --> 00:26:53,040
about it for me man thank you again for

734
00:26:57,050 --> 00:26:54,870
coming and sitting down and

735
00:26:58,790 --> 00:26:57,060
chit-chatting with us and spreading the

736
00:27:00,620 --> 00:26:58,800
message man get the warning out there

737
00:27:03,260 --> 00:27:00,630
yeah where can people find out more

738
00:27:06,160 --> 00:27:03,270

about you oh that's great well I would

739

00:27:09,170 --> 00:27:06,170

say a good start is a new message org

740

00:27:11,780 --> 00:27:09,180

and then there's allies of humanity org

741

00:27:13,310 --> 00:27:11,790

there's great waves of change org which

742

00:27:17,600 --> 00:27:13,320

talks about the future and how we could

743

00:27:19,760 --> 00:27:17,610

prepare for it and what's the last one

744

00:27:21,800 --> 00:27:19,770

there's there's several websites but I

745

00:27:22,910 --> 00:27:21,810

just go around and Bop around and see

746

00:27:25,070 --> 00:27:22,920

what's going on and just download

747

00:27:26,750 --> 00:27:25,080

everything I would say go to the allies

748

00:27:27,170 --> 00:27:26,760

of humanity download life in the

749

00:27:30,020 --> 00:27:27,180

universe

750

00:27:32,840 --> 00:27:30,030

it's mind-bending book talks about how

751
00:27:34,550 --> 00:27:32,850
what's going on here allies book one is

752
00:27:36,260 --> 00:27:34,560
a good one and there is another book

753
00:27:40,790 --> 00:27:36,270
called steps and knowledge which was

754
00:27:43,760 --> 00:27:40,800
given to us it's 365 pages of exercises

755
00:27:45,740 --> 00:27:43,770
for your mind you focus your mind so

756
00:27:47,090 --> 00:27:45,750
that you can see through deceptions so

757
00:27:49,310 --> 00:27:47,100
that you can understand what's going on

758
00:27:51,950 --> 00:27:49,320
and even get more of a direction in your

759
00:27:53,840 --> 00:27:51,960
life as far as realizing how important

760
00:27:56,420 --> 00:27:53,850
these times are that we're living in and

761
00:27:58,250 --> 00:27:56,430
how everybody alive today has something

762
00:27:59,180 --> 00:27:58,260
important that they have to do I mean

763
00:28:00,830 --> 00:27:59,190

look what you're doing here you're

764

00:28:02,600 --> 00:28:00,840

spreading the word to I don't know how

765

00:28:05,510 --> 00:28:02,610

many people but we don't know you know

766

00:28:07,370 --> 00:28:05,520

yeah it's definitely growing better

767

00:28:10,610 --> 00:28:07,380

right you know that something is moving

768

00:28:12,590 --> 00:28:10,620

humanity to wake up and and become more

769

00:28:15,500 --> 00:28:12,600

aware and hopefully more responsible too

770

00:28:17,180 --> 00:28:15,510

you know absolutely I would say anybody

771

00:28:19,070 --> 00:28:17,190

who's listening to this just check that

772

00:28:20,630 --> 00:28:19,080

check out those sites and share it with

773

00:28:24,260 --> 00:28:20,640

your friends and you know see what's

774

00:28:26,810 --> 00:28:24,270

happening it's cool man thank you I

775

00:28:28,820 --> 00:28:26,820

really appreciate it yeah all right guys

776

00:28:30,470 --> 00:28:28,830

well that's gonna be it for us right now
