

1
00:00:00,980 --> 00:00:00,770

[Music]

2
00:00:04,450 --> 00:00:00,990

[Applause]

3
00:00:08,980 --> 00:00:06,429

this is another episode you look so good

4
00:00:11,590 --> 00:00:08,990

right I'm Pam I'm Joe and this is where

5
00:00:14,980 --> 00:00:11,600

we talk about UFOs aliens and all things

6
00:00:18,429 --> 00:00:14,990

weird welcome back everybody how's it

7
00:00:22,240 --> 00:00:18,439

going great it's going great

8
00:00:25,180 --> 00:00:22,250

awesome dude tonight on the show we're

9
00:00:28,060 --> 00:00:25,190

gonna have Peter Benson with us he's

10
00:00:30,090 --> 00:00:28,070

gonna talk about this necklace that you

11
00:00:32,709 --> 00:00:30,100

see here and he's gonna talk about

12
00:00:34,630 --> 00:00:32,719

tutoring technology and all the stones

13
00:00:40,600 --> 00:00:34,640

that are used inside of it all that

14

00:00:44,670 --> 00:00:40,610

stuff works sounds fine yes man and it's

15

00:00:46,840 --> 00:00:44,680

it's a pretty cool story yeah I'm stoked

16

00:00:49,510 --> 00:00:46,850

there's a lot of science and math

17

00:00:52,290 --> 00:00:49,520

involved but I don't want to say too

18

00:00:56,260 --> 00:00:52,300

much there's also like a lot of like

19

00:01:00,069 --> 00:00:56,270

things we don't understand yeah involved

20

00:01:02,650 --> 00:01:00,079

as well and also there's some stuff and

21

00:01:08,530 --> 00:01:02,660

there's these things right

22

00:01:11,109 --> 00:01:08,540

also Wow and furthermore yeah and and

23

00:01:13,870 --> 00:01:11,119

you said furthermore and further Wow

24

00:01:15,460 --> 00:01:13,880

okay yeah yeah so anyways uh yeah I'm

25

00:01:18,010 --> 00:01:15,470

super stoked to have him on yeah II

26

00:01:20,890 --> 00:01:18,020

don't met him in Vivian and go phoukong

27

00:01:23,200 --> 00:01:20,900

great people and yeah she was great and

28

00:01:26,500 --> 00:01:23,210

I'm sure he's gonna be awesome too cuz

29

00:01:27,820 --> 00:01:26,510

yeah these things are pretty sweet they

30

00:01:30,429 --> 00:01:27,830

weren't uh I don't know

31

00:01:33,190 --> 00:01:30,439

yeah I'm excited to ask him questions

32

00:01:34,840 --> 00:01:33,200

about that definitely dude well uh I

33

00:01:36,520 --> 00:01:34,850

mean let's just go ahead and get into it

34

00:01:38,530 --> 00:01:36,530

today man I think we need to let the

35

00:01:40,420 --> 00:01:38,540

Facebook stuff just keep kind of

36

00:01:43,270 --> 00:01:40,430

building a little bit I'm excited to get

37

00:01:44,350 --> 00:01:43,280

into this like little story and like you

38

00:01:46,660 --> 00:01:44,360

know we've been kind of spitting out

39

00:01:48,429 --> 00:01:46,670

content like crazy lately yeah you know

40

00:01:49,859 --> 00:01:48,439

we're gonna let the Facebook fill up a

41

00:01:52,510 --> 00:01:49,869

little bit more and then we'll hit that

42

00:01:54,130 --> 00:01:52,520

next week dude yeah let's go ahead and

43

00:01:55,290 --> 00:01:54,140

get into this with Peter Vincent dope

44

00:01:55,770 --> 00:01:55,300

all right man

45

00:01:59,310 --> 00:01:55,780

[Music]

46

00:02:05,470 --> 00:02:02,500

all right so we have got a beautiful

47

00:02:08,469 --> 00:02:05,480

Benson here with us tonight how you

48

00:02:09,160 --> 00:02:08,479

doing Peter I'm doing pretty good how

49

00:02:10,510 --> 00:02:09,170

you doing guys

50

00:02:14,080 --> 00:02:10,520

awesome man we're doing really really

51
00:02:17,740 --> 00:02:14,090
good and so we met you out at a UFO con

52
00:02:19,360 --> 00:02:17,750
out in California and that was a pretty

53
00:02:20,830 --> 00:02:19,370
fun time man I gotta say that was that

54
00:02:23,800 --> 00:02:20,840
was really awesome nothing to meet

55
00:02:26,950 --> 00:02:23,810
everybody out there so yeah man it was

56
00:02:29,260 --> 00:02:26,960
amazing time it was Mandy really was so

57
00:02:30,790 --> 00:02:29,270
for all of our listeners and everybody

58
00:02:33,730 --> 00:02:30,800
who's uh checking out the podcast

59
00:02:36,070 --> 00:02:33,740
tonight going ahead and just introduce

60
00:02:40,840 --> 00:02:36,080
yourself and and let everybody know what

61
00:02:44,670 --> 00:02:40,850
you're about man no problem named Pete

62
00:02:48,390 --> 00:02:44,680
Benson energies of service I create

63
00:02:55,210 --> 00:02:48,400

tensor technology energy products

64

00:02:58,870 --> 00:02:55,220

pendants coils rings anklets all of them

65

00:03:03,430 --> 00:02:58,880

are for healing or just energy use

66

00:03:05,290 --> 00:03:03,440

working with people or on yourself the

67

00:03:09,250 --> 00:03:05,300

pendants are extremely powerful anklets

68

00:03:11,949 --> 00:03:09,260

are extremely powerful and this has been

69

00:03:13,660 --> 00:03:11,959

a journey for me basically started about

70

00:03:16,750 --> 00:03:13,670

four years ago working with this stuff

71

00:03:19,720 --> 00:03:16,760

and before that as a mechanic and

72

00:03:24,430 --> 00:03:19,730

engineering technician so my night job

73

00:03:27,820 --> 00:03:24,440

you know awesome yeah man so I I

74

00:03:31,000 --> 00:03:27,830

actually have one of the dependence from

75

00:03:32,740 --> 00:03:31,010

you guys and you know to be honest with

76

00:03:34,960 --> 00:03:32,750

you even though I don't a hundred

77

00:03:37,690 --> 00:03:34,970

percent understand it hopefully I'll

78

00:03:41,110 --> 00:03:37,700

have a better understanding tonight you

79

00:03:44,010 --> 00:03:41,120

know I I feel pretty good and I wear it

80

00:03:47,979 --> 00:03:44,020

every day and I absolutely love it man

81

00:03:51,430 --> 00:03:47,989

yeah yeah you have a peridot and Tiger

82

00:03:55,000 --> 00:03:51,440

eye pendant with the two emotional rings

83

00:03:56,440 --> 00:03:55,010

yeah yeah when he when he put it on he

84

00:03:58,540 --> 00:03:56,450

came back to the booth and he was like

85

00:04:00,550 --> 00:03:58,550

I've never really experienced anything

86

00:04:02,530 --> 00:04:00,560

like this but like as soon as I put this

87

00:04:05,140 --> 00:04:02,540

on you were talking about you've had

88

00:04:06,880 --> 00:04:05,150

some stomach issues and when was that

89

00:04:08,940 --> 00:04:06,890

correct yeah and when you put it on you

90

00:04:11,790 --> 00:04:08,950

kind of like

91

00:04:13,589 --> 00:04:11,800

loosened up and I got hot yeah Ches got

92

00:04:16,229 --> 00:04:13,599

hot it was pretty it was pretty insane

93

00:04:18,750 --> 00:04:16,239

and I went to the I went to the the

94

00:04:21,240 --> 00:04:18,760

bathroom to check out the mirror and I I

95

00:04:24,300 --> 00:04:21,250

pulled my shirt down and it was like a a

96

00:04:26,969 --> 00:04:24,310

red circle like right around where the

97

00:04:29,610 --> 00:04:26,979

the the pennant was was sitting and so I

98

00:04:31,409 --> 00:04:29,620

found that pretty interesting because

99

00:04:33,390 --> 00:04:31,419

I've never had anything like that happen

100

00:04:35,690 --> 00:04:33,400

to me just by putting something on

101
00:04:38,460 --> 00:04:35,700
before so that was cool

102
00:04:41,460 --> 00:04:38,470
ya know these pendants are actually very

103
00:04:43,740 --> 00:04:41,470
powerful and when we go to shows and

104
00:04:45,390 --> 00:04:43,750
stuff like that we have all the

105
00:04:48,210 --> 00:04:45,400
different variables on you know stones

106
00:04:49,650 --> 00:04:48,220
and ring type and stuff like that and I

107
00:04:50,969 --> 00:04:49,660
tell people it's like when you put it on

108
00:04:53,610 --> 00:04:50,979
or hold it to your chest as if you're

109
00:04:55,560 --> 00:04:53,620
going to wear it if it feels cold it's

110
00:04:57,420 --> 00:04:55,570
not going to help you if you feel

111
00:05:01,080 --> 00:04:57,430
something and you just feel into it and

112
00:05:03,240 --> 00:05:01,090
it influences you that's what it's

113
00:05:04,770 --> 00:05:03,250

talking to you and whatever influences

114

00:05:07,260 --> 00:05:04,780

are the most it'll actually it depends

115

00:05:10,800 --> 00:05:07,270

on what you need yeah it was it was

116

00:05:14,370 --> 00:05:10,810

really interesting because even Chris

117

00:05:16,529 --> 00:05:14,380

Bledsoe his wife I guess she had stopped

118

00:05:18,719 --> 00:05:16,539

by y'all's table and maybe put one on or

119

00:05:21,300 --> 00:05:18,729

something like that and she saw that I

120

00:05:23,520 --> 00:05:21,310

had one and she asked me she was like

121

00:05:25,350 --> 00:05:23,530

hey did anything happen to you and I was

122

00:05:27,570 --> 00:05:25,360

like yeah my chest got really hot and

123

00:05:29,580 --> 00:05:27,580

she was like wow she was like I wasn't

124

00:05:32,190 --> 00:05:29,590

gonna say anything because I don't know

125

00:05:34,440 --> 00:05:32,200

anything about that kind of stuff but I

126

00:05:36,060 --> 00:05:34,450

got warm when I put it on too and I was

127

00:05:37,920 --> 00:05:36,070

like that's that's really crazy that

128

00:05:39,870 --> 00:05:37,930

it's working like you know and that was

129

00:05:42,120 --> 00:05:39,880

that it kind of solidified it for me on

130

00:05:43,980 --> 00:05:42,130

like well it happened to me maybe that

131

00:05:45,930 --> 00:05:43,990

was just like a happenstance type thing

132

00:05:48,029 --> 00:05:45,940

but then she said the exact same thing

133

00:05:51,510 --> 00:05:48,039

and I was like wow that's pretty

134

00:05:55,170 --> 00:05:51,520

incredible yeah she tried on I think it

135

00:05:56,760 --> 00:05:55,180

was the selenite and ruby uh-huh and and

136

00:05:58,409 --> 00:05:56,770

you could tell she was starting to feel

137

00:05:59,879 --> 00:05:58,419

it was getting warmer and she was

138

00:06:01,770 --> 00:05:59,889

getting a little bit you know a little

139

00:06:02,969 --> 00:06:01,780

bit disoriented as the energy it was

140

00:06:05,670 --> 00:06:02,979

really trying to you know starting to

141

00:06:08,219 --> 00:06:05,680

get to her it's pretty good yeah yeah

142

00:06:12,390 --> 00:06:08,229

that's awesome man so can you kind of go

143

00:06:16,980 --> 00:06:12,400

into tensor technology and kind of what

144

00:06:19,920 --> 00:06:16,990

that is and what it all entails sure um

145

00:06:22,080 --> 00:06:19,930

the tensor technology was I like to call

146

00:06:25,379 --> 00:06:22,090

it rediscovered by slim Sperling

147

00:06:27,750 --> 00:06:25,389

in the early 90s and what he discovered

148

00:06:30,720 --> 00:06:27,760

is when you take a piece of wire fold it

149

00:06:33,300 --> 00:06:30,730

over as one piece of wire it makes a U

150

00:06:35,760 --> 00:06:33,310

and at that point you spin it clockwise

151
00:06:37,320 --> 00:06:35,770
to give it a positive energy and then

152
00:06:40,890 --> 00:06:37,330
connect the wires back onto themselves

153
00:06:43,879 --> 00:06:40,900
it created a positive energy outflow

154
00:06:47,310 --> 00:06:43,889
from the ring in both directions

155
00:06:49,140 --> 00:06:47,320
disfigure it as a ring with two

156
00:06:51,930 --> 00:06:49,150
floodlights coming out of the sides and

157
00:06:55,680 --> 00:06:51,940
in the actual tensor field is actually

158
00:06:57,810 --> 00:06:55,690
in the middle of the ring and that's

159
00:06:59,190 --> 00:06:57,820
where some of that's that's one of the

160
00:07:00,120 --> 00:06:59,200
aspects of the power of it and the other

161
00:07:02,580 --> 00:07:00,130
part is actually the energy

162
00:07:04,440 --> 00:07:02,590
transmissions out so when you actually

163
00:07:06,090 --> 00:07:04,450

have a pendant like that the actual

164

00:07:08,850 --> 00:07:06,100

tensor field is interacting with all

165

00:07:10,440 --> 00:07:08,860

those crystals and it amplifies the

166

00:07:12,780 --> 00:07:10,450

energy of those crystals in that tensor

167

00:07:14,490 --> 00:07:12,790

field so when you're wearing it you're

168

00:07:16,469 --> 00:07:14,500

getting next the energy of that like the

169

00:07:17,969 --> 00:07:16,479

peridot and tigereye on yours it's

170

00:07:22,110 --> 00:07:17,979

amplifying it and then projecting it

171

00:07:24,900 --> 00:07:22,120

into your energy field so that's what

172

00:07:28,380 --> 00:07:24,910

the onus on the pen the regular pendants

173

00:07:30,330 --> 00:07:28,390

and stuff like that so yeah these look

174

00:07:34,230 --> 00:07:30,340

that one's a little bit off yeah

175

00:07:37,140 --> 00:07:34,240

oh we good here yeah that one's that's

176

00:07:40,640 --> 00:07:37,150

our that's my M record Archangel

177

00:07:42,960 --> 00:07:40,650

Metatron pendant nice that one music

178

00:07:45,300 --> 00:07:42,970

yeah that one actually creates an energy

179

00:07:47,370 --> 00:07:45,310

field right above your well I think I

180

00:07:49,710 --> 00:07:47,380

believe it to be your emotional field

181

00:07:51,690 --> 00:07:49,720

just above your scanner case it creates

182

00:07:54,300 --> 00:07:51,700

a bubble around you you know like

183

00:07:56,550 --> 00:07:54,310

shields up kind of deal well cool cool

184

00:08:00,870 --> 00:07:56,560

I felt I felt like I need that on a

185

00:08:04,469 --> 00:08:00,880

regular basis oh I do I wear one all the

186

00:08:06,920 --> 00:08:04,479

time yeah oh yeah so that's the one that

187

00:08:10,050 --> 00:08:06,930

you're wearing is the the Metatron

188

00:08:12,900 --> 00:08:10,060

medallion yes that's the one I wear all

189

00:08:16,650 --> 00:08:12,910

the time that's awesome I like that

190

00:08:18,750 --> 00:08:16,660

well I'm cancer water water element so

191

00:08:20,520 --> 00:08:18,760

when I go into a room I tend to and you

192

00:08:21,860 --> 00:08:20,530

know absorb everybody else's energy so

193

00:08:24,990 --> 00:08:21,870

I'm trying to keep it so I don't

194

00:08:29,570 --> 00:08:25,000

emotional energy right I simple guys I'm

195

00:08:31,950 --> 00:08:29,580

June 28 I'm a cancer as well yeah yeah

196

00:08:33,449 --> 00:08:31,960

when your water you absorb everybody

197

00:08:34,730 --> 00:08:33,459

else's emotions it's trying to seal

198

00:08:38,240 --> 00:08:34,740

yourself off from that

199

00:08:40,250 --> 00:08:38,250

definitely beneficial man yeah yeah and

200

00:08:43,159 --> 00:08:40,260

the anklets the Archangel Metatron

201
00:08:45,920 --> 00:08:43,169
anklets which was the original channeled

202
00:08:48,650 --> 00:08:45,930
message those have you ever seen the

203
00:08:49,910 --> 00:08:48,660
image of you know the human being we're

204
00:08:51,970 --> 00:08:49,920
standing there at a pitcher with his

205
00:08:55,100 --> 00:08:51,980
arms out like in the davinci picture

206
00:08:57,829 --> 00:08:55,110
with that we call it the toroidal field

207
00:08:59,420 --> 00:08:57,839
over the body yeah yeah sure showing the

208
00:09:03,170 --> 00:08:59,430
energy field of our interview of our

209
00:09:05,810 --> 00:09:03,180
energy the Vitruvian yeah the Tribune

210
00:09:06,860 --> 00:09:05,820
man and then figure it with the torus of

211
00:09:10,420 --> 00:09:06,870
energy around us

212
00:09:13,040 --> 00:09:10,430
well the original anklet which is these

213
00:09:14,840 --> 00:09:13,050

right here yes this was actually a

214

00:09:16,760 --> 00:09:14,850

channeled message for Metatron basically

215

00:09:18,949 --> 00:09:16,770

what it does is it caps the tort the

216

00:09:22,250 --> 00:09:18,959

tent that we call it the bubble so the

217

00:09:24,320 --> 00:09:22,260

energy of others will not get to you you

218

00:09:26,680 --> 00:09:24,330

let me put those on yeah you let me put

219

00:09:30,680 --> 00:09:26,690

those on at the at the conference and

220

00:09:33,350 --> 00:09:30,690

that was kind of cool I felt like I felt

221

00:09:36,019 --> 00:09:33,360

a little heavier yeah like it was cool

222

00:09:37,250 --> 00:09:36,029

it was cool that's awesome yeah I'm

223

00:09:38,680 --> 00:09:37,260

gonna have to pick one of those up for

224

00:09:43,000 --> 00:09:38,690

me man

225

00:09:45,769 --> 00:09:43,010

yeah oh yeah there was a woman that was

226

00:09:49,130 --> 00:09:45,779

another booth a little further down from

227

00:09:51,010 --> 00:09:49,140

you guys that gave us a reading both Joe

228

00:09:54,410 --> 00:09:51,020

and I she kind of she couldn't really

229

00:09:56,240 --> 00:09:54,420

kind of pinpoint my situation she said

230

00:09:57,860 --> 00:09:56,250

there's a lot happening but she didn't

231

00:09:59,930 --> 00:09:57,870

even know anything about me and she said

232

00:10:02,870 --> 00:09:59,940

that when you walk to a room you're very

233

00:10:05,269 --> 00:10:02,880

sensitive to other people's energies and

234

00:10:08,449 --> 00:10:05,279

you affect them just as adversely and I

235

00:10:11,120 --> 00:10:08,459

was like yeah yeah my vibes off like

236

00:10:13,160 --> 00:10:11,130

it's kind of sometimes it affects other

237

00:10:14,900 --> 00:10:13,170

people and if other people are being

238

00:10:17,540 --> 00:10:14,910

kind of weird it definitely affects me

239

00:10:20,480 --> 00:10:17,550

so I think I think that's kind of the

240

00:10:23,380 --> 00:10:20,490

same vibe that that you know anklet is

241

00:10:27,079 --> 00:10:23,390

kind of trying to protect you from right

242

00:10:28,850 --> 00:10:27,089

yeah I work as the engineering

243

00:10:31,370 --> 00:10:28,860

technician during day and do tensor

244

00:10:33,350 --> 00:10:31,380

technology at night kind of deal when I

245

00:10:35,750 --> 00:10:33,360

go into work to be the engineering

246

00:10:37,579 --> 00:10:35,760

technician I wear one on each leg to

247

00:10:41,389 --> 00:10:37,589

keep myself isolated from that type of

248

00:10:43,220 --> 00:10:41,399

energy that's also in it yeah believe me

249

00:10:45,250 --> 00:10:43,230

that helps when you're in that yo

250

00:10:46,630 --> 00:10:45,260

everybody's

251

00:10:48,310 --> 00:10:46,640

the majority of folks I should say our

252

00:10:49,870 --> 00:10:48,320

left brain so they don't understand

253

00:10:52,810 --> 00:10:49,880

energy and they start projecting their

254

00:10:57,760 --> 00:10:52,820

energy around like you know like the

255

00:10:59,620 --> 00:10:57,770

squirt gun fighters yeah I feel like

256

00:11:02,200 --> 00:10:59,630

since I've been wearing this pendant I

257

00:11:03,940 --> 00:11:02,210

have a tendency to not throw my energy

258

00:11:06,850 --> 00:11:03,950

around as much I feel a little more

259

00:11:09,370 --> 00:11:06,860

level-headed you know yeah it's neat

260

00:11:11,260 --> 00:11:09,380

yeah her dote is a very high vibrational

261

00:11:13,720 --> 00:11:11,270

stone and the tigereye is a very high

262

00:11:15,610 --> 00:11:13,730

vibrational stone they're very the

263

00:11:20,680 --> 00:11:15,620

peridot is were very foot much of

264

00:11:21,940 --> 00:11:20,690

abundance would element prosperity I'm

265

00:11:24,340 --> 00:11:21,950

trying I'm trying to think of all the

266

00:11:27,790 --> 00:11:24,350

aspects of it and tigereye is also like

267

00:11:29,200 --> 00:11:27,800

a third eye high vibration stone so it

268

00:11:30,940 --> 00:11:29,210

basically will help bring your Aranea

269

00:11:32,890 --> 00:11:30,950

your your vibration to a higher state

270

00:11:35,890 --> 00:11:32,900

you know the lower vibrational stuff

271

00:11:38,980 --> 00:11:35,900

won't impact you as much yeah yeah I

272

00:11:41,140 --> 00:11:38,990

notice it in traffic yeah cuz I will

273

00:11:44,350 --> 00:11:41,150

lose my mind in traffic sometimes well I

274

00:11:45,670 --> 00:11:44,360

will like are you kidding me like not

275

00:11:47,380 --> 00:11:45,680

using a blinker is like one of my

276

00:11:48,520 --> 00:11:47,390

biggest pet peeves yeah it's like now

277

00:11:52,329 --> 00:11:48,530

it's just like kind of rolls off my

278

00:11:54,370 --> 00:11:52,339

shoulders that's like the bane of my

279

00:11:56,410 --> 00:11:54,380

existence is sitting in traffic luckily

280

00:11:59,170 --> 00:11:56,420

I work from home right now so there's

281

00:12:02,320 --> 00:11:59,180

not a lot of traffic but yeah say that

282

00:12:05,079 --> 00:12:02,330

yeah deep I mean you seem like a very

283

00:12:07,900 --> 00:12:05,089

grounded individual I mean it's just I'm

284

00:12:10,810 --> 00:12:07,910

so new and that the the realm of like

285

00:12:12,940 --> 00:12:10,820

energy and I just don't know enough I'm

286

00:12:14,230 --> 00:12:12,950

kind of ignorant as I'm just kind of

287

00:12:16,060 --> 00:12:14,240

just getting into it and after meeting

288

00:12:18,160 --> 00:12:16,070

you and Vivian I'm I'm definitely

289

00:12:20,079 --> 00:12:18,170

starting to like cross that bridge

290

00:12:22,030 --> 00:12:20,089

what crossed that bridge for you have

291

00:12:23,500 --> 00:12:22,040

you always been into this type of thing

292

00:12:27,100 --> 00:12:23,510

that a lot of people just don't know

293

00:12:31,420 --> 00:12:27,110

about or what was your journey like um

294

00:12:33,220 --> 00:12:31,430

like most when you actually have one of

295

00:12:35,170 --> 00:12:33,230

those pivotal moments in your life when

296

00:12:37,660 --> 00:12:35,180

you're either under extreme amount of

297

00:12:39,640 --> 00:12:37,670

stress or things happen in your life

298

00:12:41,560 --> 00:12:39,650

that you have no control over and it's

299

00:12:43,620 --> 00:12:41,570

one of those life changes where you you

300

00:12:46,720 --> 00:12:43,630

make a decision what are you going to do

301
00:12:48,310 --> 00:12:46,730
and you know of course on your way down

302
00:12:50,470 --> 00:12:48,320
you try to find things what's going on

303
00:12:51,850 --> 00:12:50,480
and then when you're coming back up try

304
00:12:54,970 --> 00:12:51,860
to you're fine you already found the

305
00:12:58,240 --> 00:12:54,980
resources you start learning from I

306
00:13:00,130 --> 00:12:58,250
started learning from Michael Newton

307
00:13:04,390 --> 00:13:00,140
who did who wrote a bunch of books on

308
00:13:06,460 --> 00:13:04,400
you know NDEs near death experiences and

309
00:13:08,440 --> 00:13:06,470
it showed you the spiritual side of

310
00:13:09,940 --> 00:13:08,450
things and I thought you know I read I

311
00:13:12,610 --> 00:13:09,950
didn't get a couple books read a couple

312
00:13:17,380 --> 00:13:12,620
of his and Brian white read a couple of

313
00:13:19,630 --> 00:13:17,390

his books and they basically showed you

314

00:13:21,220 --> 00:13:19,640

know if you can believe any of it and

315

00:13:24,460 --> 00:13:21,230

kind of gave you an idea of what could

316

00:13:27,040 --> 00:13:24,470

be you know if this is true and it gives

317

00:13:28,840 --> 00:13:27,050

you a okay this is true okay I'm here

318

00:13:32,620 --> 00:13:28,850

for a bigger reason than you know what

319

00:13:34,570 --> 00:13:32,630

I'm doing right and I need to understand

320

00:13:37,060 --> 00:13:34,580

it so that was the beginning of my

321

00:13:39,370 --> 00:13:37,070

journey and then I started going into

322

00:13:43,660 --> 00:13:39,380

Dolores Canon with and you know with all

323

00:13:46,420 --> 00:13:43,670

of her would call it typical hypno

324

00:13:48,520 --> 00:13:46,430

regressions and stuff right yeah some

325

00:13:51,970 --> 00:13:48,530

crazy stories from her it was really

326

00:13:54,580 --> 00:13:51,980

those are really cool but yeah from

327

00:13:56,380 --> 00:13:54,590

there I started looking into other

328

00:13:58,840 --> 00:13:56,390

things I ended up finding slim Sperling

329

00:14:02,770 --> 00:13:58,850

and he open sourced all of his

330

00:14:04,300 --> 00:14:02,780

technology for tensor he has a book that

331

00:14:05,560 --> 00:14:04,310

he worked with to get done and then

332

00:14:09,130 --> 00:14:05,570

there was another book on his head

333

00:14:10,990 --> 00:14:09,140

written on him and these books were

334

00:14:13,270 --> 00:14:11,000

absolutely amazing and it gave an idea

335

00:14:18,670 --> 00:14:13,280

of how to create these rings and the

336

00:14:19,900 --> 00:14:18,680

instruction to do Wow Wow yeah are

337

00:14:21,910 --> 00:14:19,910

they're making him I couldn't get I

338

00:14:24,370 --> 00:14:21,920

wasn't able to get them to work believe

339

00:14:26,740 --> 00:14:24,380

it or not I'm the frick to two or three

340

00:14:28,030 --> 00:14:26,750

rings I made I was like they looked okay

341

00:14:30,760 --> 00:14:28,040

but they didn't feel like they were

342

00:14:32,440 --> 00:14:30,770

working so I let it sit for a little

343

00:14:34,480 --> 00:14:32,450

while I'd read some more did more

344

00:14:36,220 --> 00:14:34,490

meditations and about six months later I

345

00:14:39,040 --> 00:14:36,230

started making rings again and when they

346

00:14:40,930 --> 00:14:39,050

started making then they worked it was

347

00:14:43,120 --> 00:14:40,940

more of I think my level of

348

00:14:45,910 --> 00:14:43,130

consciousness and understanding and the

349

00:14:48,210 --> 00:14:45,920

intention bucker creation yeah that

350

00:14:50,770 --> 00:14:48,220

makes sense that makes a lot of sense

351

00:14:53,260 --> 00:14:50,780

yeah yeah it's hard to like create

352

00:14:56,140 --> 00:14:53,270

something and want to put it out to the

353

00:14:59,490 --> 00:14:56,150

world if you don't connect with it

354

00:15:03,220 --> 00:14:59,500

yourself right yeah exactly

355

00:15:05,380 --> 00:15:03,230

Wow Dan it's cool man Pete I'll be

356

00:15:08,230 --> 00:15:05,390

honest with you my dog is going crazy so

357

00:15:08,710 --> 00:15:08,240

I I had to go take care of her close the

358

00:15:11,049 --> 00:15:08,720

door

359

00:15:12,729 --> 00:15:11,059

so Joe heard about half I heard the

360

00:15:16,389 --> 00:15:12,739

first half so I've really feel a little

361

00:15:17,859 --> 00:15:16,399

left out talking about I don't want to

362

00:15:19,269 --> 00:15:17,869

make you repeat yourself basically we

363

00:15:20,559 --> 00:15:19,279

went into like how he kind of got into

364

00:15:22,389 --> 00:15:20,569

it all the books that he was reading

365

00:15:25,209 --> 00:15:22,399

yeah and where he is now

366

00:15:27,009 --> 00:15:25,219

okay to to you know yeah to be able to

367

00:15:28,809 --> 00:15:27,019

make this stuff right and then that's

368

00:15:30,849 --> 00:15:28,819

pretty much where you walk back okay you

369

00:15:32,409 --> 00:15:30,859

caught the story yeah I just just missed

370

00:15:33,669 --> 00:15:32,419

some of the books that he read got it

371

00:15:35,919 --> 00:15:33,679

you're good I didn't want to interrupt

372

00:15:37,539 --> 00:15:35,929

you and be like hey my dog you know but

373

00:15:39,069 --> 00:15:37,549

I mean I'm doing it now but I just

374

00:15:40,769 --> 00:15:39,079

wanted to be honest with you like I just

375

00:15:43,059 --> 00:15:40,779

want to be like oh yeah totally

376

00:15:46,809 --> 00:15:43,069

cuz when you see the video you to see

377

00:15:48,839 --> 00:15:46,819

Ben leave for a sec yeah yeah I live I

378

00:15:50,919 --> 00:15:48,849

live between two churches and my dog

379

00:15:53,559 --> 00:15:50,929

yeah there's people walking all over the

380

00:15:55,389 --> 00:15:53,569

place she goes crazy so see well maybe

381

00:15:56,529 --> 00:15:55,399

one day we'll get a studio and we'll you

382

00:15:57,549 --> 00:15:56,539

know we won't have to worry about that

383

00:16:01,179 --> 00:15:57,559

right right

384

00:16:03,849 --> 00:16:01,189

so Pete know that banner behind you man

385

00:16:05,979 --> 00:16:03,859

what does that is that like symbolize

386

00:16:10,659 --> 00:16:05,989

anything or is that just something that

387

00:16:12,969 --> 00:16:10,669

looks cool yeah actually that's Vivian's

388

00:16:15,039 --> 00:16:12,979

actual logo that's the Infinity link

389

00:16:19,389 --> 00:16:15,049

mostar's logo that's a light language

390

00:16:21,249 --> 00:16:19,399

Victorian light language oh yeah

391

00:16:22,419 --> 00:16:21,259

and when you end it with what it does is

392

00:16:24,539 --> 00:16:22,429

when you actually look at it it

393

00:16:27,129 --> 00:16:24,549

activates you whether you know it or not

394

00:16:28,779 --> 00:16:27,139

it's just you ended up doing drawing

395

00:16:31,419 --> 00:16:28,789

into it looking at the designs it's

396

00:16:33,879 --> 00:16:31,429

actually really cool it yeah cuz I'm

397

00:16:36,309 --> 00:16:33,889

looking at you but I keep noticing my

398

00:16:38,169 --> 00:16:36,319

eye wander over to this thing and it's

399

00:16:40,329 --> 00:16:38,179

it's it's neat because it looks kind of

400

00:16:42,099 --> 00:16:40,339

like a face up top and then like you

401
00:16:44,739 --> 00:16:42,109
know I don't know it almost looks like a

402
00:16:46,899 --> 00:16:44,749
being in itself that's cool yeah it

403
00:16:50,979 --> 00:16:46,909
looks really hot I can see some like

404
00:16:55,899 --> 00:16:50,989
eyes at the top almost yeah yeah it does

405
00:16:59,099 --> 00:16:55,909
kind of seem like a an old figure of

406
00:17:03,569 --> 00:16:59,109
some sort or some kind of chiseling type

407
00:17:05,470 --> 00:17:03,579
type figure so man so that is arcturion

408
00:17:09,600 --> 00:17:05,480
artwork that's pretty cool too

409
00:17:13,869 --> 00:17:09,610
to see ya dr. Ian light language lightly

410
00:17:15,609 --> 00:17:13,879
so when you uh when so you said you've

411
00:17:17,739 --> 00:17:15,619
been doing this for about like four

412
00:17:21,879 --> 00:17:17,749
years now so that's kind of the start of

413
00:17:24,429 --> 00:17:21,889

whenever you felt like you you had you

414

00:17:26,470 --> 00:17:24,439

had something with the

415

00:17:29,350 --> 00:17:26,480

technology that you're that you're using

416

00:17:34,180 --> 00:17:29,360

with these pennants and and you also

417

00:17:37,649 --> 00:17:34,190

make larger larger things that people

418

00:17:39,759 --> 00:17:37,659

can use as well correct oh yes no

419

00:17:42,759 --> 00:17:39,769

dependents were the small easy to go

420

00:17:43,960 --> 00:17:42,769

ones they anklets those are very

421

00:17:48,119 --> 00:17:43,970

powerful you can bring with you

422

00:17:50,409 --> 00:17:48,129

everywhere you go right so at this point

423

00:17:51,759 --> 00:17:50,419

with the energy shifting that's going on

424

00:17:56,200 --> 00:17:51,769

on the planet these are actually very

425

00:17:58,330 --> 00:17:56,210

useful tools to be wait when you end

426
00:17:59,649 --> 00:17:58,340
your at home I got a couple of them here

427
00:18:01,749 --> 00:17:59,659
I brought this what this was at the show

428
00:18:04,659 --> 00:18:01,759
at the UFO conference - yes this is

429
00:18:07,029 --> 00:18:04,669
coils and this is extremely powerful as

430
00:18:08,590 --> 00:18:07,039
well you know energy and one side energy

431
00:18:09,820 --> 00:18:08,600
out the other and it's just like I had a

432
00:18:11,799 --> 00:18:09,830
lot of fun having people stick their

433
00:18:15,249 --> 00:18:11,809
hands through it yes and then drop back

434
00:18:18,610 --> 00:18:15,259
through remember I I got to hold on to

435
00:18:20,169 --> 00:18:18,620
that during a when we interviewed Vivian

436
00:18:21,970 --> 00:18:20,179
and I'm telling you man that did

437
00:18:23,830 --> 00:18:21,980
something to me and I told you

438
00:18:26,409 --> 00:18:23,840

afterwards like I just want to stand in

439

00:18:29,289 --> 00:18:26,419

a bigger one well he put it he put it

440

00:18:31,720 --> 00:18:29,299

around my arm went up my arm and then as

441

00:18:34,570 --> 00:18:31,730

he was coming down my arm like my

442

00:18:36,940 --> 00:18:34,580

fingertips got all tingly mmm that was

443

00:18:38,350 --> 00:18:36,950

awesome it was crazy man I mean it it's

444

00:18:40,090 --> 00:18:38,360

insane that it actually does something

445

00:18:42,610 --> 00:18:40,100

to you and I don't know that's it's

446

00:18:44,049 --> 00:18:42,620

really cool like I say like yeah I

447

00:18:46,379 --> 00:18:44,059

didn't really I don't really know

448

00:18:48,340 --> 00:18:46,389

anything about this subject and I mean

449

00:18:51,039 --> 00:18:48,350

it was really cool to actually

450

00:18:54,100 --> 00:18:51,049

experience it it's pretty awesome yeah

451
00:18:56,590 --> 00:18:54,110
the tools are fun to play with and you

452
00:18:58,990 --> 00:18:56,600
know it's just they do a lot of work

453
00:19:01,389 --> 00:18:59,000
- that coil you know if you have like an

454
00:19:02,560 --> 00:19:01,399
ache or pain or a short shoulder you

455
00:19:04,539 --> 00:19:02,570
could put it on there and actually it'll

456
00:19:06,850 --> 00:19:04,549
draw off the energy that's causing the

457
00:19:08,440 --> 00:19:06,860
pain and pull off that and then you flip

458
00:19:12,279 --> 00:19:08,450
back over and put the energy back so

459
00:19:14,320 --> 00:19:12,289
your body can heal and we've had people

460
00:19:16,509 --> 00:19:14,330
use those to great effect

461
00:19:22,899 --> 00:19:16,519
one of our friends used it to heal their

462
00:19:25,990 --> 00:19:22,909
dog whoa that's cool man so I was

463
00:19:28,480 --> 00:19:26,000

thinking do you have one like that you

464

00:19:29,980 --> 00:19:28,490

can fit in a doorway yet cuz I've always

465

00:19:31,480 --> 00:19:29,990

wanted to put one in a doorway ever

466

00:19:33,940 --> 00:19:31,490

since you were explaining it to me and

467

00:19:36,159 --> 00:19:33,950

just walk through that thing every day

468

00:19:37,810 --> 00:19:36,169

whenever I get out of bed and I gotta

469

00:19:38,980 --> 00:19:37,820

leave the house you know

470

00:19:40,180 --> 00:19:38,990

walk through it and then when I come

471

00:19:44,590 --> 00:19:40,190

back I will have to walk through it

472

00:19:46,600 --> 00:19:44,600

again I don't have one for a regular

473

00:19:48,490 --> 00:19:46,610

penciler energy field that wide that

474

00:19:50,140 --> 00:19:48,500

large yet but yeah it's one of the

475

00:19:53,230 --> 00:19:50,150

things I'm working on that's awesome

476

00:19:55,360 --> 00:19:53,240

that's uh I do have one that's actually

477

00:19:56,830 --> 00:19:55,370

about seven feet around but it's uh that

478

00:19:59,260 --> 00:19:56,840

one is one of the that would have caught

479

00:20:00,970 --> 00:19:59,270

I call it the portal ring is the

480

00:20:02,950 --> 00:20:00,980

positive on one side negative on the

481

00:20:04,480 --> 00:20:02,960

other and it kind of pushes energy out

482

00:20:06,610 --> 00:20:04,490

or draws energy and I don't want that

483

00:20:09,910 --> 00:20:06,620

one you know out in the open kind of

484

00:20:12,670 --> 00:20:09,920

thing it's more you know we use that one

485

00:20:14,680 --> 00:20:12,680

for healers and people using dealing

486

00:20:16,120 --> 00:20:14,690

with a lot of people or energy where

487

00:20:17,710 --> 00:20:16,130

they can actually draw the energy off

488

00:20:19,090 --> 00:20:17,720

use intention to pull the energies out

489

00:20:21,430 --> 00:20:19,100

of you and then flip it back over and

490

00:20:23,470 --> 00:20:21,440

recharge well yeah and you were saying

491

00:20:25,510 --> 00:20:23,480

that the larger ones are pretty powerful

492

00:20:27,970 --> 00:20:25,520

I can't remember if you said you gave

493

00:20:30,430 --> 00:20:27,980

one to your mom I think or you gave

494

00:20:33,130 --> 00:20:30,440

point somebody and she's got super

495

00:20:36,640 --> 00:20:33,140

emotional because it was it was really

496

00:20:38,470 --> 00:20:36,650

powerful yep no she didn't understand

497

00:20:40,120 --> 00:20:38,480

what it was we put in there you know

498

00:20:41,560 --> 00:20:40,130

she's like oh this is pretty cool if she

499

00:20:43,390 --> 00:20:41,570

came in we don't visit us for a couple

500

00:20:46,330 --> 00:20:43,400

days she put it a suitcase brought it

501
00:20:47,650 --> 00:20:46,340
home put it in a sewing room and she was

502
00:20:50,380 --> 00:20:47,660
just doing stuff and she didn't realize

503
00:20:51,700 --> 00:20:50,390
why she was being so emotional and it

504
00:20:53,590 --> 00:20:51,710
was the emotional regulars when to

505
00:20:54,610 --> 00:20:53,600
actually help her emotions and what was

506
00:20:57,640 --> 00:20:54,620
actually reasons that you know were

507
00:20:58,930 --> 00:20:57,650
stuck in your energy field and I just

508
00:21:00,640 --> 00:20:58,940
kept on telling me that I'm like it's

509
00:21:04,300 --> 00:21:00,650
the ring and it that you have in their

510
00:21:06,310 --> 00:21:04,310
room it's going to cause that yes if you

511
00:21:08,500 --> 00:21:06,320
did she just kept on outburst it was

512
00:21:11,290 --> 00:21:08,510
especially entertaining that's why I why

513
00:21:13,390 --> 00:21:11,300

am I doing this that's super cool man

514

00:21:15,700 --> 00:21:13,400

you know you were telling me that with

515

00:21:19,120 --> 00:21:15,710

these pennants you can you can kind of

516

00:21:21,460 --> 00:21:19,130

give it an instruction something to help

517

00:21:23,890 --> 00:21:21,470

you with and then in that with you know

518

00:21:26,080 --> 00:21:23,900

with ease and grace because that's

519

00:21:29,920 --> 00:21:26,090

important because if not it can really

520

00:21:33,430 --> 00:21:29,930

just do its thing and at a pretty

521

00:21:36,460 --> 00:21:33,440

hardcore rate so I actually I actually

522

00:21:38,110 --> 00:21:36,470

did that you know just you know I got a

523

00:21:40,000 --> 00:21:38,120

lot of stuff going on right now it's

524

00:21:42,010 --> 00:21:40,010

like you know me and my wife just bought

525

00:21:44,080 --> 00:21:42,020

a new house I got a new baby going on

526

00:21:46,060 --> 00:21:44,090

you know work there's just so many

527

00:21:47,860 --> 00:21:46,070

things like in life that are that are

528

00:21:48,159 --> 00:21:47,870

happening like at this moment that it

529

00:21:51,430 --> 00:21:48,169

was

530

00:21:54,539 --> 00:21:51,440

like hey can you kind of balance me and

531

00:21:58,749 --> 00:21:54,549

maybe make my life not feel as stressful

532

00:22:01,509 --> 00:21:58,759

with ease and grace and man I gotta say

533

00:22:04,029 --> 00:22:01,519

man whether it's just a mind trick or it

534

00:22:06,669 --> 00:22:04,039

or it's actually working I don't know

535

00:22:09,789 --> 00:22:06,679

but I definitely feel a difference and

536

00:22:12,159 --> 00:22:09,799

it's it's really awesome that that it it

537

00:22:14,019 --> 00:22:12,169

happened you know I believe that you

538

00:22:17,139 --> 00:22:14,029

know from the moment that I put it on in

539

00:22:18,970 --> 00:22:17,149

that that he hit my chest you know that

540

00:22:21,190 --> 00:22:18,980

maybe there's actually something going

541

00:22:23,320 --> 00:22:21,200

on here and and you know everything that

542

00:22:25,090 --> 00:22:23,330

you know I'm kind of asked it to do it's

543

00:22:28,560 --> 00:22:25,100

it's actually kind of helped me out a

544

00:22:31,629 --> 00:22:28,570

lot yes

545

00:22:33,399 --> 00:22:31,639

what these tools are are basically a

546

00:22:36,099 --> 00:22:33,409

physical manifestation of something

547

00:22:37,960 --> 00:22:36,109

that's in the energetic ether so these

548

00:22:39,310 --> 00:22:37,970

tools are a vibration level just a

549

00:22:41,139 --> 00:22:39,320

little bit higher than us so they're

550

00:22:44,019 --> 00:22:41,149

they're basically planted there for us

551

00:22:45,369 --> 00:22:44,029

to use so by putting an intention on it

552

00:22:47,979 --> 00:22:45,379

you're basically putting an intention on

553

00:22:50,049 --> 00:22:47,989

your own energy go by you know this by

554

00:22:52,810 --> 00:22:50,059

default it's just a placeholder for you

555

00:22:55,419 --> 00:22:52,820

to play YUM it is a mind trick to put

556

00:22:56,769 --> 00:22:55,429

the intentions on it right but you're

557

00:22:58,359 --> 00:22:56,779

putting it on the pendant and you're

558

00:23:00,129 --> 00:22:58,369

basically saying okay the pendants doing

559

00:23:03,399 --> 00:23:00,139

the work and you can allow that to

560

00:23:05,680 --> 00:23:03,409

happen yeah yeah that's that's that's

561

00:23:07,840 --> 00:23:05,690

kind of how how it feels for sure yeah

562

00:23:10,930 --> 00:23:07,850

you know and so you were saying with

563

00:23:13,269 --> 00:23:10,940

these with these rings the there's a

564

00:23:15,099 --> 00:23:13,279

there's different levels correct with

565

00:23:17,249 --> 00:23:15,109

the way that they're wound some are a

566

00:23:19,539 --> 00:23:17,259

little tighter and some are a little bit

567

00:23:21,960 --> 00:23:19,549

less tight I guess or they're thicker

568

00:23:24,249 --> 00:23:21,970

and they do different things correct

569

00:23:26,560 --> 00:23:24,259

it's actually the length of the copper

570

00:23:28,180 --> 00:23:26,570

okay just a little bit now so ones will

571

00:23:30,039 --> 00:23:28,190

be this big a little bit bigger you know

572

00:23:33,729 --> 00:23:30,049

just the size itself so it's actually

573

00:23:34,930 --> 00:23:33,739

the length of the copper itself and it's

574

00:23:36,570 --> 00:23:34,940

like dialing your radio it's a different

575

00:23:40,869 --> 00:23:36,580

frequency for the different sized rings

576

00:23:44,979 --> 00:23:40,879

so and it's like like I was saying we

577

00:23:47,349 --> 00:23:44,989

have bigger ones right yeah that's

578

00:23:49,570 --> 00:23:47,359

awesome it's like a hula hooper could

579

00:23:52,930 --> 00:23:49,580

like have amazing energy during the show

580

00:23:55,299 --> 00:23:52,940

that's awesome absolutely absolutely

581

00:23:57,009 --> 00:23:55,309

we got a unity ring here and a galactic

582

00:23:58,509 --> 00:23:57,019

ring here and you can see there's one

583

00:24:00,279 --> 00:23:58,519

too little bit not quite as round as

584

00:24:02,050 --> 00:24:00,289

they were at one point in time but you

585

00:24:05,020 --> 00:24:02,060

can see one just a little bit bigger

586

00:24:07,270 --> 00:24:05,030

right yeah uh-huh yeah so the Galactic

587

00:24:09,190 --> 00:24:07,280

is the bigger one so they do when you

588

00:24:11,560 --> 00:24:09,200

use those and you can actually run them

589

00:24:12,670 --> 00:24:11,570

over your body you can actually feel it

590

00:24:16,150 --> 00:24:12,680

when it actually interacts with

591

00:24:19,270 --> 00:24:16,160

something that it needs to clear Wow Wow

592

00:24:22,060 --> 00:24:19,280

yeah awesome so how many different sizes

593

00:24:25,300 --> 00:24:22,070

are there as many as you want or there

594

00:24:28,390 --> 00:24:25,310

it's specific to certain things well

595

00:24:30,220 --> 00:24:28,400

right now I believe I have I remember

596

00:24:32,710 --> 00:24:30,230

right I think it's 11 or 12 different

597

00:24:35,710 --> 00:24:32,720

frequencies and you can actually use the

598

00:24:37,480 --> 00:24:35,720

harmonics of each one and their size

599

00:24:39,700 --> 00:24:37,490

harmonic and it actually will replicate

600

00:24:42,280 --> 00:24:39,710

from smoke like really really small like

601
00:24:43,900 --> 00:24:42,290
dependent yeah you know all the way up

602
00:24:45,790 --> 00:24:43,910
to the big size emotional which is

603
00:24:49,060 --> 00:24:45,800
similar to you know similar to one of

604
00:24:51,130 --> 00:24:49,070
these right and he'll do the same thing

605
00:24:55,540 --> 00:24:51,140
but the you know the bigger the ring the

606
00:24:57,820 --> 00:24:55,550
bigger the job yeah so what so what

607
00:24:59,920 --> 00:24:57,830
would you I guess what would you use the

608
00:25:01,890 --> 00:24:59,930
I guess so small one you can take with

609
00:25:05,260 --> 00:25:01,900
you everywhere it's it's just very

610
00:25:07,600 --> 00:25:05,270
useful like in everyday applications the

611
00:25:09,730 --> 00:25:07,610
bigger ones when you say bigger jobs I

612
00:25:13,330 --> 00:25:09,740
kind of explain that a little bit like

613
00:25:16,120 --> 00:25:13,340

what would be a bigger job I guess okay

614

00:25:17,410 --> 00:25:16,130

so the bigger job is doing meditations

615

00:25:19,900 --> 00:25:17,420

with it you can put it on the floor

616

00:25:21,940 --> 00:25:19,910

underneath a chair or anything you know

617

00:25:23,890 --> 00:25:21,950

crossing legs on the floor or doing

618

00:25:26,050 --> 00:25:23,900

whatever you can put the ring underneath

619

00:25:28,420 --> 00:25:26,060

and when you're in that field it'll

620

00:25:31,720 --> 00:25:28,430

actually impact you and actually cause

621

00:25:33,100 --> 00:25:31,730

that reaction you're looking for or you

622

00:25:35,800 --> 00:25:33,110

can actually literally just bring it

623

00:25:37,090 --> 00:25:35,810

over your body and as you're going over

624

00:25:38,800 --> 00:25:37,100

your body you'll actually feel it

625

00:25:39,850 --> 00:25:38,810

hitting that you know the little spots

626

00:25:42,460 --> 00:25:39,860

of where you're at where you're

627

00:25:44,410 --> 00:25:42,470

impacting and the more you go over it

628

00:25:46,360 --> 00:25:44,420

the less of an impact just so it'll

629

00:25:50,170 --> 00:25:46,370

start wearing it you know dissipating

630

00:25:53,740 --> 00:25:50,180

that energy that's being blocked so when

631

00:25:56,230 --> 00:25:53,750

you're when your energy is blocked and

632

00:25:59,080 --> 00:25:56,240

you're using these these rings and going

633

00:26:03,820 --> 00:25:59,090

over the body it's it's it's helping to

634

00:26:05,440 --> 00:26:03,830

release this energy so I guess because I

635

00:26:07,510 --> 00:26:05,450

kind of had the same question question

636

00:26:10,270 --> 00:26:07,520

for for Vivian is like how would you

637

00:26:12,940 --> 00:26:10,280

know like as a regular person who maybe

638

00:26:14,440 --> 00:26:12,950

doesn't know anything about this you

639

00:26:15,320 --> 00:26:14,450

know is it just kind of a thing where

640

00:26:17,930 --> 00:26:15,330

you have to listen

641

00:26:20,930 --> 00:26:17,940

your body to kind of feel where the

642

00:26:23,660 --> 00:26:20,940

energy is or you know just this you know

643

00:26:25,760 --> 00:26:23,670

your intent have anything to do with the

644

00:26:29,360 --> 00:26:25,770

the blockage and the unblock edge or

645

00:26:34,280 --> 00:26:29,370

does the ring kind of know itself you

646

00:26:37,100 --> 00:26:34,290

know where the energy is well what

647

00:26:39,710 --> 00:26:37,110

you're doing is you have to let go of

648

00:26:42,770 --> 00:26:39,720

what to expect so you have to go by how

649

00:26:44,540 --> 00:26:42,780

you feel not what you expect to feel you

650

00:26:47,540 --> 00:26:44,550

have to let go of expectation and let

651
00:26:48,860 --> 00:26:47,550
the Rings do what they do know when

652
00:26:50,600 --> 00:26:48,870
you're going over your body if it's

653
00:26:52,460 --> 00:26:50,610
going to hit if it hit something and

654
00:26:53,870 --> 00:26:52,470
you're expecting a reaction you're not

655
00:26:55,310 --> 00:26:53,880
going to feel what you're expecting

656
00:26:55,640 --> 00:26:55,320
because it normally doesn't happen that

657
00:26:57,530 --> 00:26:55,650
way

658
00:26:58,730 --> 00:26:57,540
right unless you're familiar unless

659
00:27:00,170 --> 00:26:58,740
you're familiar with the ring and you're

660
00:27:01,640 --> 00:27:00,180
doing it a couple times a week and

661
00:27:03,740 --> 00:27:01,650
you'll okay that's what that is okay

662
00:27:05,240 --> 00:27:03,750
cool then you keep working it but if

663
00:27:08,030 --> 00:27:05,250

you're unfamiliar with it you have to

664

00:27:10,880 --> 00:27:08,040

get rid of any expectations you have to

665

00:27:12,730 --> 00:27:10,890

just let the energy be and as it works

666

00:27:15,170 --> 00:27:12,740

with you it will actually help you

667

00:27:17,840 --> 00:27:15,180

understand what's where you're holding

668

00:27:19,910 --> 00:27:17,850

it it may not if you actually working on

669

00:27:22,040 --> 00:27:19,920

it you can meditate on what you're

670

00:27:24,080 --> 00:27:22,050

hitting let's say if it was a there was

671

00:27:26,270 --> 00:27:24,090

a core pain in my shoulder and I go over

672

00:27:27,710 --> 00:27:26,280

it was an emotional ring why do I have

673

00:27:29,870 --> 00:27:27,720

an ache a pain in my shoulder and

674

00:27:33,220 --> 00:27:29,880

meditate on that pain where is that

675

00:27:35,690 --> 00:27:33,230

source what is causing it right right

676

00:27:37,490 --> 00:27:35,700

and then if you you know don't

677

00:27:39,170 --> 00:27:37,500

necessarily have to understand it but

678

00:27:41,660 --> 00:27:39,180

you can also just you know just say it's

679

00:27:45,740 --> 00:27:41,670

like okay I release that energy and what

680

00:27:48,740 --> 00:27:45,750

that ring helped clear it interesting so

681

00:27:51,530 --> 00:27:48,750

when you see this stuff kind of on the

682

00:27:53,780 --> 00:27:51,540

market like the copper socks or the

683

00:27:56,450 --> 00:27:53,790

copper or you know elbow braces knee

684

00:28:00,280 --> 00:27:56,460

braces is that kind of utilizing maybe

685

00:28:03,080 --> 00:28:00,290

like the same the I guess the the same

686

00:28:05,420 --> 00:28:03,090

concept is it a little bit different in

687

00:28:08,690 --> 00:28:05,430

in a way that it's used or how does that

688

00:28:11,240 --> 00:28:08,700

work do you think no copper has always

689

00:28:14,810 --> 00:28:11,250

been a metal that has been beneficial to

690

00:28:17,540 --> 00:28:14,820

man always has they've known this for a

691

00:28:18,950 --> 00:28:17,550

very very long time that's why if you

692

00:28:20,210 --> 00:28:18,960

have you know if you find if you can get

693

00:28:22,580 --> 00:28:20,220

a hold here grandparents are your great

694

00:28:24,080 --> 00:28:22,590

grandparents or find out through the

695

00:28:26,570 --> 00:28:24,090

family tree if they used to wear a

696

00:28:28,270 --> 00:28:26,580

copper bracelet because copper itself

697

00:28:30,310 --> 00:28:28,280

will take

698

00:28:32,470 --> 00:28:30,320

care of was the microbes met you know

699

00:28:34,230 --> 00:28:32,480

bacteria viruses and stuff like that if

700

00:28:37,870 --> 00:28:34,240

you had leave a copper plate out

701
00:28:38,980 --> 00:28:37,880
hospitals I wasn't a study I think it

702
00:28:41,250 --> 00:28:38,990
was like six months ago I don't remember

703
00:28:44,020 --> 00:28:41,260
all the details so don't quote me but

704
00:28:45,700 --> 00:28:44,030
they had two plates and they were doing

705
00:28:47,230 --> 00:28:45,710
a test one was stainless steel which all

706
00:28:49,240 --> 00:28:47,240
of our nice new hospitals have stainless

707
00:28:52,330 --> 00:28:49,250
steel and one was a copper plate and

708
00:28:55,090 --> 00:28:52,340
they put that mersa virus a drop on each

709
00:28:57,280 --> 00:28:55,100
and within 30 seconds the copper plate

710
00:28:59,260 --> 00:28:57,290
the MRSA was dead why on the stainless

711
00:29:04,990 --> 00:28:59,270
yeah the stainless steel the MRSA was

712
00:29:06,130 --> 00:29:05,000
growing so no are you talking to the CDC

713
00:29:08,800 --> 00:29:06,140

right now my chance

714

00:29:11,020 --> 00:29:08,810

huh like how to get rid of this corona

715

00:29:15,280 --> 00:29:11,030

crap because uh I mean that's that's

716

00:29:18,670 --> 00:29:15,290

pretty interesting yeah you know it's I

717

00:29:20,190 --> 00:29:18,680

believe the the the impact the copper

718

00:29:22,450 --> 00:29:20,200

has on the body and what it can do for

719

00:29:24,100 --> 00:29:22,460

antibacterial and stuff like that I'd

720

00:29:25,780 --> 00:29:24,110

say have known that for a long time and

721

00:29:28,510 --> 00:29:25,790

if you go back you'll end up remembering

722

00:29:32,050 --> 00:29:28,520

that they used to put like silver in

723

00:29:33,550 --> 00:29:32,060

milk when the milk truck drop off milk

724

00:29:36,100 --> 00:29:33,560

they would actually put a silver coin in

725

00:29:38,370 --> 00:29:36,110

the milk milk container which silver

726

00:29:40,360 --> 00:29:38,380

would keep the bacteria from growing Oh

727

00:29:42,580 --> 00:29:40,370

interesting and remember when they had

728

00:29:44,710 --> 00:29:42,590

silver tree all the silver where they

729

00:29:49,960 --> 00:29:44,720

used to have and yeah yeah that actually

730

00:29:56,530 --> 00:29:49,970

killed bacteria in the water you're an

731

00:29:58,060 --> 00:29:56,540

official doctor scientist yes well

732

00:30:01,930 --> 00:29:58,070

that's kind of an inside joke doctor

733

00:30:05,320 --> 00:30:01,940

scientist is like an over an over

734

00:30:07,300 --> 00:30:05,330

expectation of our knowledge absolutely

735

00:30:09,040 --> 00:30:07,310

no these are just things I've picked up

736

00:30:10,750 --> 00:30:09,050

over time and I just find it completely

737

00:30:12,940 --> 00:30:10,760

amazing that these have all been around

738

00:30:15,010 --> 00:30:12,950

but we're ignoring the fact that you

739

00:30:16,390 --> 00:30:15,020

know our descendants we're descendants

740

00:30:18,640 --> 00:30:16,400

of people that knew this but we don't

741

00:30:20,680 --> 00:30:18,650

know it now yeah right

742

00:30:23,080 --> 00:30:20,690

yeah well I'm thinking about like the

743

00:30:24,640 --> 00:30:23,090

origins of metallurgy and you know they

744

00:30:28,120 --> 00:30:24,650

always talk about like the Bronze Age

745

00:30:30,370 --> 00:30:28,130

and the copper copper was used I don't

746

00:30:32,320 --> 00:30:30,380

know how many years ago but the fact

747

00:30:33,640 --> 00:30:32,330

that they used to use gold and copper is

748

00:30:36,130 --> 00:30:33,650

jewelry not only because it's a

749

00:30:38,590 --> 00:30:36,140

malleable substance a malleable metal

750

00:30:41,380 --> 00:30:38,600

substance that would last a long time in

751
00:30:44,110 --> 00:30:41,390
the shape that was given but the

752
00:30:46,350 --> 00:30:44,120
medical property properties I think this

753
00:30:50,220 --> 00:30:46,360
this it's often kind of chalked up to

754
00:30:53,940 --> 00:30:50,230
like you know who how or whatever

755
00:30:57,370 --> 00:30:53,950
superstition but I mean if there's been

756
00:30:58,720 --> 00:30:57,380
studies and tests is done on it that

757
00:31:02,680 --> 00:30:58,730
could be validated I mean that there's

758
00:31:06,160 --> 00:31:02,690
something to say to that yeah yeah yeah

759
00:31:10,270 --> 00:31:06,170
I think cordial silver colloidal

760
00:31:11,980 --> 00:31:10,280
colloidal silver yeah not not

761
00:31:15,159 --> 00:31:11,990
specifically I think that's what they

762
00:31:18,640 --> 00:31:15,169
sell on the Infowars

763
00:31:20,590 --> 00:31:18,650

oh is it I think so yeah yeah okay yeah

764

00:31:22,150 --> 00:31:20,600

just everywhere cláudio silver is

765

00:31:23,950 --> 00:31:22,160

everywhere it's nano particle sized

766

00:31:26,289 --> 00:31:23,960

copper you know I'm gonna copper half

767

00:31:29,289 --> 00:31:26,299

the silver particles in the distilled

768

00:31:31,150 --> 00:31:29,299

water and you can ingest it and it will

769

00:31:35,770 --> 00:31:31,160

actually help take care of viruses and

770

00:31:40,659 --> 00:31:37,780

so can you yeah I mean you can't buy

771

00:31:45,340 --> 00:31:40,669

that at the grocery store right yes you

772

00:31:48,820 --> 00:31:45,350

can you can really know about this I

773

00:31:51,220 --> 00:31:48,830

don't know but um like Whole Foods or

774

00:31:53,500 --> 00:31:51,230

sprouts or Trader Joe's or winning out

775

00:31:54,220 --> 00:31:53,510

winning a local Whole Foods type yeah

776

00:31:55,960 --> 00:31:54,230

okay

777

00:31:57,400 --> 00:31:55,970

Saurus you know you know the organic

778

00:31:59,890 --> 00:31:57,410

shops would probably have it on the show

779

00:32:02,530 --> 00:31:59,900

I'm gonna have to talk to my local h-e-b

780

00:32:04,539 --> 00:32:02,540

yeah hey so uh for anyone out there

781

00:32:06,580 --> 00:32:04,549

thinking like oh I'm not just gonna eat

782

00:32:10,299 --> 00:32:06,590

metal well here's a little fact that I

783

00:32:12,789 --> 00:32:10,309

learned recently from Vsauce on YouTube

784

00:32:14,710 --> 00:32:12,799

is that give a like corn flake that or

785

00:32:16,840 --> 00:32:14,720

any kind of cereal that's full of iron

786

00:32:18,940 --> 00:32:16,850

right it's very very small but if you

787

00:32:21,220 --> 00:32:18,950

hold a magnet to it if you put that corn

788

00:32:22,870 --> 00:32:21,230

flake in a cup of water and you hold a

789

00:32:25,659 --> 00:32:22,880

magnet to it it will chase the little

790

00:32:27,310 --> 00:32:25,669

corn flake will chase the magnet so

791

00:32:30,940 --> 00:32:27,320

there's irony there's metals everywhere

792

00:32:32,530 --> 00:32:30,950

in your food the creepy part about the

793

00:32:34,810 --> 00:32:32,540

corn flake analogy is if you let the

794

00:32:36,190 --> 00:32:34,820

corn flake sit in there and dissolve you

795

00:32:41,919 --> 00:32:36,200

can put a magnet to it and actually pull

796

00:32:45,100 --> 00:32:41,929

the metal completely out science

797

00:32:48,039 --> 00:32:45,110

experiment for the weekend dude some

798

00:32:49,360 --> 00:32:48,049

ferrofluid type thing yeah yeah so you

799

00:32:51,190 --> 00:32:49,370

know it's it's weird because you know

800

00:32:53,580 --> 00:32:51,200

you think okay we have these

801
00:32:55,200 --> 00:32:53,590
advancements and technology

802
00:32:59,279 --> 00:32:55,210
there's new science coming out all the

803
00:33:02,610 --> 00:32:59,289
time you know why do you know this this

804
00:33:05,190 --> 00:33:02,620
ancient technology or this older stuff

805
00:33:07,980 --> 00:33:05,200
that like we knew it always

806
00:33:09,720 --> 00:33:07,990
it's very perplexing to me that that you

807
00:33:12,090 --> 00:33:09,730
know we just kind of sweep that under

808
00:33:14,430 --> 00:33:12,100
the rug like it never existed and we

809
00:33:16,470 --> 00:33:14,440
tend to forget it for some reason when

810
00:33:18,269 --> 00:33:16,480
it's like that's a very useful thing to

811
00:33:21,180 --> 00:33:18,279
know about like I just learned like

812
00:33:24,320 --> 00:33:21,190
eight new things like in the past five

813
00:33:27,870 --> 00:33:24,330

minutes that you know existed you know

814

00:33:31,010 --> 00:33:27,880

60 years ago yeah and I have I had no

815

00:33:33,690 --> 00:33:31,020

idea about it yeah that's so cool

816

00:33:34,470 --> 00:33:33,700

no definitely yeah I mean you gotta

817

00:33:35,909 --> 00:33:34,480

figure the medical establishment

818

00:33:38,010 --> 00:33:35,919

wouldn't wouldn't be making all this

819

00:33:39,720 --> 00:33:38,020

money on our medical bills if they had

820

00:33:40,950 --> 00:33:39,730

all this going on we had everything that

821

00:33:42,990 --> 00:33:40,960

was made of copper we wouldn't have a

822

00:33:48,450 --> 00:33:43,000

lot of infections and all these other

823

00:33:51,630 --> 00:33:48,460

things right man the dang the it's the

824

00:33:53,669 --> 00:33:51,640

man man so so my baby's born I'm gonna

825

00:33:55,380 --> 00:33:53,679

have a copper plate Cup yeah and just

826

00:33:57,840 --> 00:33:55,390

put the baby with the plate right so

827

00:33:59,639 --> 00:33:57,850

she'll be good don't throw the baby out

828

00:34:02,850 --> 00:33:59,649

with the bathwater into that copper it's

829

00:34:06,269 --> 00:34:02,860

right after today it's colloidal silver

830

00:34:08,520 --> 00:34:06,279

but make it baths and colonial silver

831

00:34:12,750 --> 00:34:08,530

water from now on exactly that's a

832

00:34:14,550 --> 00:34:12,760

credible that's so cool yeah man I so

833

00:34:17,490 --> 00:34:14,560

I'm just I'm thinking of all kinds of

834

00:34:19,349 --> 00:34:17,500

questions to ask you Pete I so me and

835

00:34:22,349 --> 00:34:19,359

Joe were talking about Metatron and you

836

00:34:23,820 --> 00:34:22,359

mentioned Metatron I I've done a little

837

00:34:26,579 --> 00:34:23,830

bit of research I just kind of want to

838

00:34:28,589 --> 00:34:26,589

hear what what's your relationship with

839

00:34:30,750 --> 00:34:28,599

Metatron what do you know about and what

840

00:34:34,710 --> 00:34:30,760

how is that played a role in the work

841

00:34:36,990 --> 00:34:34,720

that you're doing truthfully what had

842

00:34:39,359 --> 00:34:37,000

happened was I had a message I was

843

00:34:40,919 --> 00:34:39,369

having energy work done on me and the

844

00:34:42,480 --> 00:34:40,929

practitioner came out when we were

845

00:34:45,180 --> 00:34:42,490

finished we're talking and she was like

846

00:34:47,190 --> 00:34:45,190

I have a message for you it's from

847

00:34:49,680 --> 00:34:47,200

Archangel Metatron and you need to make

848

00:34:51,329 --> 00:34:49,690

these anklets and it's got to do this

849

00:34:53,040 --> 00:34:51,339

with a copper wire you got to have a

850

00:34:55,169 --> 00:34:53,050

ring and then you have to have mesh and

851
00:34:57,329 --> 00:34:55,179
you have to have these five stones and

852
00:35:00,079 --> 00:34:57,339
I'm like okay it took me you're gonna

853
00:35:03,780 --> 00:35:00,089
have to figure that out how to make it

854
00:35:05,490 --> 00:35:03,790
so my relationship really isn't strong I

855
00:35:07,740 --> 00:35:05,500
should say with that other than the fact

856
00:35:10,000 --> 00:35:07,750
that he'd just get inspiration

857
00:35:13,390 --> 00:35:10,010
what I'm creating with some of these

858
00:35:15,670 --> 00:35:13,400
tensor technology tools yeah yeah the

859
00:35:17,920 --> 00:35:15,680
pendant the Archangel Metatron pendant

860
00:35:19,540 --> 00:35:17,930
was that wasn't channeled that was just

861
00:35:22,230 --> 00:35:19,550
inspiration coming through it's like

862
00:35:24,760 --> 00:35:22,240
okay how can we you know make this work

863
00:35:26,050 --> 00:35:24,770

for folks that can't wear anything on

864

00:35:28,630 --> 00:35:26,060

their ankles can they still have a

865

00:35:32,350 --> 00:35:28,640

protection and it came out that these do

866

00:35:35,830 --> 00:35:32,360

work that way wow that's tough you know

867

00:35:37,210 --> 00:35:35,840

I'm super interested in that ya know

868

00:35:39,070 --> 00:35:37,220

they're fun they're a lot of fun it's

869

00:35:40,360 --> 00:35:39,080

like when you I guess your experience

870

00:35:44,080 --> 00:35:40,370

when you're in the big room and you put

871

00:35:45,940 --> 00:35:44,090

those two anklets on it's like like the

872

00:35:47,470 --> 00:35:45,950

co energetic cone of silence all of a

873

00:35:49,900 --> 00:35:47,480

sudden you're on your own energy and it

874

00:35:50,710 --> 00:35:49,910

just feels like the room just went

875

00:35:53,470 --> 00:35:50,720

completely quiet

876

00:35:55,120 --> 00:35:53,480

yeah but you can still hear everything

877

00:35:58,990 --> 00:35:55,130

but it went quiet like what was that

878

00:36:00,580 --> 00:35:59,000

what happened right dang yeah you take

879

00:36:02,200 --> 00:36:00,590

em off and it takes a few minutes for

880

00:36:03,730 --> 00:36:02,210

that energy to dissipate and it's like

881

00:36:07,690 --> 00:36:03,740

you still feel it ten minutes later

882

00:36:09,400 --> 00:36:07,700

we'll have live on my legs right so what

883

00:36:11,890 --> 00:36:09,410

was it like the first time that you

884

00:36:14,650 --> 00:36:11,900

created something from this message and

885

00:36:17,350 --> 00:36:14,660

to from message to inspiration to

886

00:36:22,260 --> 00:36:17,360

actually physically creating something

887

00:36:25,300 --> 00:36:22,270

like this like was it kind of I guess

888

00:36:27,310 --> 00:36:25,310

out and what kind of experience was it

889

00:36:29,140 --> 00:36:27,320

when you made this your first pendant

890

00:36:31,300 --> 00:36:29,150

based off of this this message I'm

891

00:36:33,250 --> 00:36:31,310

interested to see what your experience

892

00:36:35,680 --> 00:36:33,260

was like and that it actually works you

893

00:36:38,770 --> 00:36:35,690

know oh it worked and it worked very

894

00:36:40,300 --> 00:36:38,780

strongly you put it on and it's it

895

00:36:43,270 --> 00:36:40,310

doesn't feel like the cone of silence

896

00:36:45,700 --> 00:36:43,280

per se like the anklets do but you

897

00:36:47,530 --> 00:36:45,710

definitely have a like a feeling of

898

00:36:49,510 --> 00:36:47,540

calmness that comes over you when you're

899

00:36:51,910 --> 00:36:49,520

wearing it it just feels like okay

900

00:36:53,680 --> 00:36:51,920

because it's because it's your emotional

901
00:36:55,900 --> 00:36:53,690
field is like the first layer right over

902
00:36:59,860 --> 00:36:55,910
your skin and energy wise in the pendant

903
00:37:02,200 --> 00:36:59,870
that generates a field just over that so

904
00:37:03,520 --> 00:37:02,210
you know in the I mean this is not my

905
00:37:06,450 --> 00:37:03,530
words these are other people that are

906
00:37:08,830 --> 00:37:06,460
far more energetically tuned than I am

907
00:37:11,350 --> 00:37:08,840
because I can't really feel a lot of the

908
00:37:13,090 --> 00:37:11,360
energy tools I can feel the coil and I

909
00:37:16,720 --> 00:37:13,100
can feel some of the rings but not all

910
00:37:18,280 --> 00:37:16,730
the rings so I mean delidio actually

911
00:37:20,410 --> 00:37:18,290
told me the message for Archangel

912
00:37:21,190 --> 00:37:20,420
Metatron she was the guinea pig for all

913
00:37:22,780 --> 00:37:21,200

my tools when

914

00:37:24,880 --> 00:37:22,790

making them I first started making him

915

00:37:26,800 --> 00:37:24,890

and told me what they did and how they

916

00:37:31,060 --> 00:37:26,810

worked because I couldn't feel him

917

00:37:32,680 --> 00:37:31,070

Wow interesting yeah I think Peter I

918

00:37:35,260 --> 00:37:32,690

think me and you are on the same level

919

00:37:38,830 --> 00:37:35,270

because you know it's like you know I've

920

00:37:41,200 --> 00:37:38,840

had people you know hand me stones and

921

00:37:42,640 --> 00:37:41,210

and all kinds of stuff and I'm kind of

922

00:37:47,950 --> 00:37:42,650

the same way you know like I don't

923

00:37:50,530 --> 00:37:47,960

usually like feel stuff very often but

924

00:37:51,910 --> 00:37:50,540

but this I mean this pennant I mean that

925

00:37:54,400 --> 00:37:51,920

was like really one of my first

926

00:37:57,340 --> 00:37:54,410

experiences of like actually feeling

927

00:38:00,820 --> 00:37:57,350

something and it was really really

928

00:38:02,740 --> 00:38:00,830

something that's why I love going to

929

00:38:04,620 --> 00:38:02,750

conferences and talking with people and

930

00:38:07,710 --> 00:38:04,630

interacting with people with the tools

931

00:38:09,790 --> 00:38:07,720

it's like oh I don't feel anything

932

00:38:11,410 --> 00:38:09,800

okay well I'm gonna have fun I'm gonna

933

00:38:14,440 --> 00:38:11,420

torture you hit step in this ring and

934

00:38:16,570 --> 00:38:14,450

see what you feel well that's what I do

935

00:38:18,610 --> 00:38:16,580

I might do it all the time it I do it's

936

00:38:21,160 --> 00:38:18,620

like okay it's just like I'm trying to

937

00:38:23,650 --> 00:38:21,170

break the mindset of all left brain

938

00:38:26,110 --> 00:38:23,660

logic and everything else that doesn't

939

00:38:27,190 --> 00:38:26,120

exist you know if I can't see it this

940

00:38:28,810 --> 00:38:27,200

doesn't exist if you can't

941

00:38:30,880 --> 00:38:28,820

scientifically prove it which this stuff

942

00:38:31,090 --> 00:38:30,890

can be I just don't have the means to do

943

00:38:37,360 --> 00:38:31,100

it

944

00:38:42,220 --> 00:38:37,370

my scientific understanding yeah yeah I

945

00:38:46,300 --> 00:38:42,230

totally believe the the the pennant it

946

00:38:47,920 --> 00:38:46,310

uh it it kind of calls you you know

947

00:38:51,160 --> 00:38:47,930

because when I first stop out of the

948

00:38:53,950 --> 00:38:51,170

table I was walking by and my I caught

949

00:38:55,840 --> 00:38:53,960

that pennant and then I kept kind of

950

00:38:58,930 --> 00:38:55,850

browsing around and then I stopped by

951
00:39:01,570 --> 00:38:58,940
and then I I talked to you guys at the

952
00:39:03,460 --> 00:39:01,580
table and then Vivian was there I think

953
00:39:05,740 --> 00:39:03,470
you were out of the room at the time and

954
00:39:09,040 --> 00:39:05,750
Vivian was showing me all the stuff on

955
00:39:11,620 --> 00:39:09,050
the on the table and I just man I kept

956
00:39:14,950 --> 00:39:11,630
staring at this pin it and then she was

957
00:39:16,810 --> 00:39:14,960
like well does one speak to you and I

958
00:39:19,030 --> 00:39:16,820
was like this one this one has been

959
00:39:23,320 --> 00:39:19,040
catching my eye every single time I walk

960
00:39:25,120 --> 00:39:23,330
by this table and and yeah be that's and

961
00:39:29,950 --> 00:39:25,130
that's the one that I have on now so

962
00:39:32,350 --> 00:39:29,960
yeah I believe that yeah they do and

963
00:39:34,000 --> 00:39:32,360

when we do it we talk can we talk to

964

00:39:34,630 --> 00:39:34,010

folks about what they the bigger rings

965

00:39:36,160 --> 00:39:34,640

and when

966

00:39:39,310 --> 00:39:36,170

experimenting with them it's like you

967

00:39:41,500 --> 00:39:39,320

can just use what it calls to you and

968

00:39:43,960 --> 00:39:41,510

we've done actual classes here locally

969

00:39:46,180 --> 00:39:43,970

in Phoenix where we do a tensor

970

00:39:49,030 --> 00:39:46,190

technology class and I bring a whole

971

00:39:50,650 --> 00:39:49,040

stack of rings all different frequencies

972

00:39:51,880 --> 00:39:50,660

and you know and everybody starts

973

00:39:55,240 --> 00:39:51,890

playing with the Rings and which one

974

00:39:56,860 --> 00:39:55,250

which one resonates with you and it's

975

00:39:59,440 --> 00:39:56,870

amazing to watch people and which ones

976
00:40:01,210 --> 00:39:59,450
they which what they resonate with and

977
00:40:09,120 --> 00:40:01,220
it basically shows where they are and

978
00:40:13,960 --> 00:40:09,130
what they need to clear I would need to

979
00:40:17,010 --> 00:40:13,970
play with all the rings yeah yeah yeah

980
00:40:20,620 --> 00:40:17,020
because I you know I've never had like a

981
00:40:22,720 --> 00:40:20,630
cleansing or like a reading or anything

982
00:40:25,630 --> 00:40:22,730
like that it's never been something

983
00:40:27,430 --> 00:40:25,640
that's really crossed my mind but the

984
00:40:30,880 --> 00:40:27,440
more and more that I get into this stuff

985
00:40:33,280 --> 00:40:30,890
the more and more I I really want I want

986
00:40:35,920 --> 00:40:33,290
to do that I would be totally interested

987
00:40:38,290 --> 00:40:35,930
in learning more about that and kind of

988
00:40:40,300 --> 00:40:38,300

kind of how it works it was really

989

00:40:42,610 --> 00:40:40,310

incredible you know you know having

990

00:40:44,950 --> 00:40:42,620

Vivian on with us and her kind of just

991

00:40:48,010 --> 00:40:44,960

talking about you know all that stuff

992

00:40:49,540 --> 00:40:48,020

but man I would I would like to do that

993

00:40:51,790 --> 00:40:49,550

there may be something you'd like to do

994

00:40:53,830 --> 00:40:51,800

this yeah yeah be kind of cool awesome

995

00:40:55,390 --> 00:40:53,840

yeah do you guys do any kind of retreat

996

00:40:56,920 --> 00:40:55,400

or anything like that do you guys invite

997

00:41:00,430 --> 00:40:56,930

people somewhere like that I think that

998

00:41:02,980 --> 00:41:00,440

would be really fun right now we

999

00:41:05,290 --> 00:41:02,990

actually have watching a person coming

1000

00:41:06,850 --> 00:41:05,300

in this weekend that's planning on

1001

00:41:08,980 --> 00:41:06,860

working with viv for a couple days and

1002

00:41:11,230 --> 00:41:08,990

there's another one middle part another

1003

00:41:13,210 --> 00:41:11,240

person planning to come down from Canada

1004

00:41:15,270 --> 00:41:13,220

to but literally come down for a

1005

00:41:18,730 --> 00:41:15,280

vacation and work would just do that

1006

00:41:20,320 --> 00:41:18,740

scheduling a class or retreat we haven't

1007

00:41:22,780 --> 00:41:20,330

gotten that far yet but we're really

1008

00:41:26,680 --> 00:41:22,790

close to it yeah it's it's getting there

1009

00:41:29,020 --> 00:41:26,690

yeah yeah because we have 10-foot by

1010

00:41:31,360 --> 00:41:29,030

10-foot Giza pyramid you know with the

1011

00:41:35,020 --> 00:41:31,370

tensor rings in it and it's it's

1012

00:41:37,380 --> 00:41:35,030

amazingly powerful yeah dang I feel like

1013

00:41:39,370 --> 00:41:37,390

I mean I don't know you and Vivian's

1014

00:41:40,810 --> 00:41:39,380

background story but I feel like you

1015

00:41:42,670 --> 00:41:40,820

guys are working together in a lot of

1016

00:41:46,090 --> 00:41:42,680

ways which i think would be really

1017

00:41:47,530 --> 00:41:46,100

interesting yeah we do it's like she

1018

00:41:48,070 --> 00:41:47,540

does a lot of the healing work and the

1019

00:41:49,810 --> 00:41:48,080

energy side

1020

00:41:51,730 --> 00:41:49,820

I create the tools that actually amplify

1021

00:41:54,490 --> 00:41:51,740

her work and they actually allow people

1022

00:41:56,320 --> 00:41:54,500

to take home some of the tools that you

1023

00:41:59,320 --> 00:41:56,330

know that'll help continue the work that

1024

00:42:00,730 --> 00:41:59,330

she does yeah yeah definitely like at

1025

00:42:03,910 --> 00:42:00,740

the conference I was saying you know

1026
00:42:05,800 --> 00:42:03,920
she's kind of like the the messenger and

1027
00:42:07,810 --> 00:42:05,810
you're like the engineer you know it's

1028
00:42:11,230 --> 00:42:07,820
like with you guys together it makes

1029
00:42:14,800 --> 00:42:11,240
like this perfect this perfect team to

1030
00:42:16,360 --> 00:42:14,810
do you guys are doing for sure yeah yeah

1031
00:42:18,130 --> 00:42:16,370
we definitely have a synergy of what the

1032
00:42:21,520 --> 00:42:18,140
work we do yeah we complement each

1033
00:42:25,260 --> 00:42:21,530
other's work for sure Pete IVA I've kind

1034
00:42:28,420 --> 00:42:25,270
of a strange question for you okay

1035
00:42:30,040 --> 00:42:28,430
preface it that way but okay so I've

1036
00:42:33,280 --> 00:42:30,050
been thinking about this kind of

1037
00:42:35,320 --> 00:42:33,290
recently and and this kind of question

1038
00:42:38,580 --> 00:42:35,330

popped into my mind like I've heard of a

1039

00:42:42,160 --> 00:42:38,590

few people that are kind of in the UFO

1040

00:42:45,040 --> 00:42:42,170

abduction or experience or realm that

1041

00:42:47,380 --> 00:42:45,050

some people have this message like we

1042

00:42:50,050 --> 00:42:47,390

need to work on ourselves and and this

1043

00:42:52,660 --> 00:42:50,060

has ties to extraterrestrials contacting

1044

00:42:54,040 --> 00:42:52,670

humans and saying like ultimately you

1045

00:42:56,680 --> 00:42:54,050

guys need to get your stuff together and

1046

00:42:59,320 --> 00:42:56,690

really become more spiritual and lifted

1047

00:43:01,240 --> 00:42:59,330

and that was kind of our the the message

1048

00:43:03,730 --> 00:43:01,250

that we got to with Vivian and I kind of

1049

00:43:06,220 --> 00:43:03,740

want to run that same question by you do

1050

00:43:08,350 --> 00:43:06,230

you think that's our our mission as

1051
00:43:13,650 --> 00:43:08,360
humans right now in this this period of

1052
00:43:16,330 --> 00:43:13,660
time or manure helping and that push the

1053
00:43:18,750 --> 00:43:16,340
crusade in that direction is that guy is

1054
00:43:24,190 --> 00:43:18,760
that kind of like your ultimate goal

1055
00:43:26,350 --> 00:43:24,200
yeah what I found was in my path as the

1056
00:43:28,770 --> 00:43:26,360
more I let go of some of the 3d

1057
00:43:31,240 --> 00:43:28,780
environment and social programming and

1058
00:43:33,070 --> 00:43:31,250
trying to understand what's going on

1059
00:43:36,880 --> 00:43:33,080
around me trying to feel more of the

1060
00:43:38,710 --> 00:43:36,890
energy around me and healing doing work

1061
00:43:41,050 --> 00:43:38,720
with like doing a retreat or whatnot but

1062
00:43:42,340 --> 00:43:41,060
working with those and doing energy

1063
00:43:45,250 --> 00:43:42,350

healing all on that line

1064

00:43:47,200 --> 00:43:45,260

you end up changing your vibration and

1065

00:43:49,150 --> 00:43:47,210

it increases the higher your vibrational

1066

00:43:52,450 --> 00:43:49,160

state the less bott less things bother

1067

00:43:56,110 --> 00:43:52,460

you and you see things differently and

1068

00:43:57,490 --> 00:43:56,120

it's actually it's refreshing at the

1069

00:44:00,910 --> 00:43:57,500

same time when you start looking back

1070

00:44:01,810 --> 00:44:00,920

it's like another one of the gentlemen I

1071

00:44:04,120 --> 00:44:01,820

listen to is

1072

00:44:06,130 --> 00:44:04,130

basically says at the time I was doing

1073

00:44:09,040 --> 00:44:06,140

those things my consciousness was doing

1074

00:44:10,960 --> 00:44:09,050

the best it could so as my consciousness

1075

00:44:12,370 --> 00:44:10,970

raised now you look coming I'm looking

1076

00:44:12,880 --> 00:44:12,380

back now and I was like why did I do

1077

00:44:18,340 --> 00:44:12,890

that

1078

00:44:20,140 --> 00:44:18,350

yeah you know and then and then as you

1079

00:44:21,880 --> 00:44:20,150

go and as you mature and your

1080

00:44:24,520 --> 00:44:21,890

consciousness goes up you actually

1081

00:44:27,190 --> 00:44:24,530

reference things completely different so

1082

00:44:29,190 --> 00:44:27,200

when you work on yourself your vibration

1083

00:44:32,320 --> 00:44:29,200

changes you're meant how your mental

1084

00:44:34,180 --> 00:44:32,330

projections change so you have less

1085

00:44:36,160 --> 00:44:34,190

negative energy coming from you and one

1086

00:44:37,900 --> 00:44:36,170

where positive energy and the point is

1087

00:44:39,400 --> 00:44:37,910

is to clear all the negative energies

1088

00:44:42,250 --> 00:44:39,410

and fear and all these things that

1089

00:44:44,530 --> 00:44:42,260

they're trying to push into us yeah

1090

00:44:47,770 --> 00:44:44,540

that's that's that's pretty spot-on I

1091

00:44:49,540 --> 00:44:47,780

feel like you know like because when we

1092

00:44:51,010 --> 00:44:49,550

sat down with Viviane like she was one

1093

00:44:52,750 --> 00:44:51,020

of the first interviews that we did you

1094

00:44:55,660 --> 00:44:52,760

know we got there were kind of you know

1095

00:44:57,550 --> 00:44:55,670

like getting everything together and you

1096

00:44:59,860 --> 00:44:57,560

know it was kind of like it was a little

1097

00:45:01,750 --> 00:44:59,870

weird at first like we weren't sure like

1098

00:45:03,430 --> 00:45:01,760

what was gonna happen and what was going

1099

00:45:05,020 --> 00:45:03,440

on and then you know we had an

1100

00:45:08,050 --> 00:45:05,030

environment yeah yeah we had her sit

1101

00:45:12,430 --> 00:45:08,060

down with us for you know 45 minutes and

1102

00:45:12,880 --> 00:45:12,440

like my whole demeanor was completely

1103

00:45:16,060 --> 00:45:12,890

different

1104

00:45:19,150 --> 00:45:16,070

yeah like the whole mood changed and it

1105

00:45:21,580 --> 00:45:19,160

was like just being around her I feel

1106

00:45:24,520 --> 00:45:21,590

like kind of raised our our vibration

1107

00:45:26,800 --> 00:45:24,530

yeah right except for yeah yeah it was

1108

00:45:29,920 --> 00:45:26,810

incredible the sound healing guy across

1109

00:45:31,930 --> 00:45:29,930

the way made it a little irritating and

1110

00:45:33,970 --> 00:45:31,940

made been sick with his with his tones

1111

00:45:36,640 --> 00:45:33,980

and that was that was interesting now he

1112

00:45:38,740 --> 00:45:36,650

had this effect with the tones that that

1113

00:45:40,990 --> 00:45:38,750

guy was using but but yeah like Vivian

1114

00:45:43,270 --> 00:45:41,000

came in and like really like calm the

1115

00:45:45,730 --> 00:45:43,280

whole situation down just was sitting

1116

00:45:47,980 --> 00:45:45,740

next to her that 45 minutes I couldn't

1117

00:45:50,920 --> 00:45:47,990

imagine like actually sitting down and

1118

00:45:53,850 --> 00:45:50,930

doing a whole session and then using the

1119

00:45:56,680 --> 00:45:53,860

Rings and and putting it all together

1120

00:46:00,220 --> 00:45:56,690

that would be an experience probably

1121

00:46:02,980 --> 00:46:00,230

like you know I've never had yeah ya

1122

00:46:06,820 --> 00:46:02,990

know the viv is definitely a high

1123

00:46:08,710 --> 00:46:06,830

vibration and now being and when you're

1124

00:46:11,590 --> 00:46:08,720

around her you are influenced by her

1125

00:46:15,640 --> 00:46:11,600

energy and it will definitely transform

1126

00:46:19,780 --> 00:46:15,650

you then I definitely understand that

1127

00:46:21,400 --> 00:46:19,790

completely in and what it is is when

1128

00:46:23,590 --> 00:46:21,410

she's around people and if you're not

1129

00:46:25,570 --> 00:46:23,600

ready for it it'll give you a little bit

1130

00:46:27,610 --> 00:46:25,580

of a short-circuit

1131

00:46:28,930 --> 00:46:27,620

you know first server if you're not

1132

00:46:30,790 --> 00:46:28,940

quite ready for it we've actually

1133

00:46:32,230 --> 00:46:30,800

experienced that did that it that we

1134

00:46:33,700 --> 00:46:32,240

experienced that at the show actually

1135

00:46:38,770 --> 00:46:33,710

Wow

1136

00:46:40,210 --> 00:46:38,780

yeah and that's for their best what'll

1137

00:46:41,140 --> 00:46:40,220

happen is it'll short-circuit them and

1138

00:46:42,580 --> 00:46:41,150

then all of a sudden they'll come around

1139

00:46:44,020 --> 00:46:42,590

going what was that and then they'll

1140

00:46:49,000 --> 00:46:44,030

have to actually learn and recover from

1141

00:46:51,130 --> 00:46:49,010

it integrate their change but yeah the

1142

00:46:55,750 --> 00:46:51,140

you know the energy changes around us

1143

00:46:58,870 --> 00:46:55,760

are very profound and we need to accept

1144

00:47:00,790 --> 00:46:58,880

it and actually move towards that yeah

1145

00:47:03,640 --> 00:47:00,800

yeah

1146

00:47:05,440 --> 00:47:03,650

and the energy tools that I create with

1147

00:47:08,110 --> 00:47:05,450

the intention based technology the

1148

00:47:10,690 --> 00:47:08,120

tensor technology yes they have a base

1149

00:47:12,870 --> 00:47:10,700

platform energy signature to them so

1150

00:47:16,900 --> 00:47:12,880

they'll do an emotional energy clearing

1151
00:47:21,040 --> 00:47:16,910
root chakra or sacral or you know third

1152
00:47:24,400 --> 00:47:21,050
eye but you can also add an intention

1153
00:47:26,380 --> 00:47:24,410
based what you want to clear right you

1154
00:47:28,740 --> 00:47:26,390
can also add a pendant you can tell it

1155
00:47:31,510 --> 00:47:28,750
to it's like we've used it's like okay

1156
00:47:33,070 --> 00:47:31,520
we just got pinged by an energy field

1157
00:47:34,510 --> 00:47:33,080
and it was very unpleasant can you

1158
00:47:38,530 --> 00:47:34,520
please shield me from any of that energy

1159
00:47:42,400 --> 00:47:38,540
field you know negative energies and it

1160
00:47:44,320 --> 00:47:42,410
will assist in that aspect yeah yeah you

1161
00:47:47,020 --> 00:47:44,330
can you can definitely feel it you know

1162
00:47:50,830 --> 00:47:47,030
you were you were talking about a little

1163
00:47:54,490 --> 00:47:50,840

bit earlier that there's like a shift

1164

00:47:57,430 --> 00:47:54,500

going on you know and with our planet or

1165

00:47:59,830 --> 00:47:57,440

in this time that we're in right now can

1166

00:48:02,590 --> 00:47:59,840

you explain that shift a little bit

1167

00:48:05,050 --> 00:48:02,600

because I mean I feel like maybe even to

1168

00:48:06,910 --> 00:48:05,060

the regular person we can all feel it

1169

00:48:12,400 --> 00:48:06,920

but I don't think a lot of people

1170

00:48:13,720 --> 00:48:12,410

understand what that is yeah if you look

1171

00:48:15,400 --> 00:48:13,730

it up as actually as a couple of

1172

00:48:18,670 --> 00:48:15,410

websites online now that actually have

1173

00:48:21,550 --> 00:48:18,680

it's called the human residence the

1174

00:48:24,430 --> 00:48:21,560

planet user has been resonating at about

1175

00:48:27,460 --> 00:48:24,440

seven Hertz and over the last couple

1176

00:48:27,990 --> 00:48:27,470

years it's actually gone way up and come

1177

00:48:31,320 --> 00:48:28,000

wave

1178

00:48:34,140 --> 00:48:31,330

back down like 130 Hertz and then back

1179

00:48:36,420 --> 00:48:34,150

down to 7 8 back to 60 back down up and

1180

00:48:38,520 --> 00:48:36,430

down up and down up and down and when it

1181

00:48:40,320 --> 00:48:38,530

goes way up it's increasing everybody's

1182

00:48:43,100 --> 00:48:40,330

vibration because we're all on the earth

1183

00:48:45,060 --> 00:48:43,110

so planet vibration changes we change

1184

00:48:46,920 --> 00:48:45,070

and that was the intention of the

1185

00:48:48,480 --> 00:48:46,930

anklets is the actual intention was to

1186

00:48:49,680 --> 00:48:48,490

actually keep you in your own vibration

1187

00:48:51,840 --> 00:48:49,690

when everybody else around you including

1188

00:48:55,530 --> 00:48:51,850

the planet goes up and down and goes

1189

00:48:57,720 --> 00:48:55,540

AWOL Wow so it keeps you stable so your

1190

00:49:01,470 --> 00:48:57,730

energies field can go up and not be

1191

00:49:02,220 --> 00:49:01,480

drawn back down so as you increase in

1192

00:49:03,570 --> 00:49:02,230

vibration

1193

00:49:05,130 --> 00:49:03,580

those anklets will keep you in your own

1194

00:49:07,560 --> 00:49:05,140

vibrational state without being drawn

1195

00:49:11,610 --> 00:49:07,570

back down by others or the planet so you

1196

00:49:12,840 --> 00:49:11,620

can you can increase so you get is like

1197

00:49:14,100 --> 00:49:12,850

a mainstream media and everybody they're

1198

00:49:15,770 --> 00:49:14,110

trying to bring everybody right back now

1199

00:49:18,030 --> 00:49:15,780

oh absolutely

1200

00:49:19,440 --> 00:49:18,040

yeah it's off here so they're trying to

1201
00:49:23,340 --> 00:49:19,450
bring you down to the lowest vibrational

1202
00:49:24,720 --> 00:49:23,350
state they can fake news oh yeah whether

1203
00:49:26,700 --> 00:49:24,730
it's fake news or not if they're

1204
00:49:28,200 --> 00:49:26,710
relevant it's all negative and fear yeah

1205
00:49:31,020 --> 00:49:28,210
absolutely there's a lot of going on

1206
00:49:32,520 --> 00:49:31,030
that going on with the corona virus and

1207
00:49:35,220 --> 00:49:32,530
stuff like I'm sick of it it's just

1208
00:49:37,230 --> 00:49:35,230
fear-mongering right now I feel like I

1209
00:49:39,030 --> 00:49:37,240
feel like what you're talking about Pete

1210
00:49:41,340 --> 00:49:39,040
is kind of like this voltage regulator

1211
00:49:43,500 --> 00:49:41,350
within within a circuit it just kind of

1212
00:49:46,260 --> 00:49:43,510
makes sure that any kind of extra

1213
00:49:48,750 --> 00:49:46,270

voltage gets kind of you know dampened

1214

00:49:51,120 --> 00:49:48,760

down and it's just this little this tool

1215

00:49:54,240 --> 00:49:51,130

that make sure that hey you're good

1216

00:49:55,800 --> 00:49:54,250

you're safe you're grounded yeah yeah

1217

00:49:57,140 --> 00:49:55,810

that's awesome that's a really cool

1218

00:49:59,670 --> 00:49:57,150

that's awesome

1219

00:50:01,890 --> 00:49:59,680

yeah so the anklets in the pendant you

1220

00:50:03,870 --> 00:50:01,900

know both tend to be doing that for you

1221

00:50:04,950 --> 00:50:03,880

so when you wear them it definitely

1222

00:50:07,230 --> 00:50:04,960

helps you especially when the

1223

00:50:08,400 --> 00:50:07,240

vibrational changes happen and if you

1224

00:50:10,530 --> 00:50:08,410

look at the websites that show the

1225

00:50:11,820 --> 00:50:10,540

Schumann resonance changes we wish went

1226

00:50:14,790 --> 00:50:11,830

through a couple spikes it's the last

1227

00:50:17,010 --> 00:50:14,800

couple days ago well you know up to was

1228

00:50:19,070 --> 00:50:17,020

up to uh was the two days ago was up to

1229

00:50:23,400 --> 00:50:19,080

40 Hertz now it's back down again so

1230

00:50:25,290 --> 00:50:23,410

what is what is that that device you

1231

00:50:27,540 --> 00:50:25,300

said you mentioned a website what what's

1232

00:50:29,850 --> 00:50:27,550

the mechanism of that device is it what

1233

00:50:31,260 --> 00:50:29,860

is it recording it's just the

1234

00:50:32,670 --> 00:50:31,270

vibrational state of the planet what

1235

00:50:34,260 --> 00:50:32,680

their I guess from what I understand I

1236

00:50:36,000 --> 00:50:34,270

don't know all the details behind human

1237

00:50:38,430 --> 00:50:36,010

residence I just know it's a vibrational

1238

00:50:39,380 --> 00:50:38,440

state of the planet and us being on the

1239

00:50:41,720 --> 00:50:39,390

planet okay

1240

00:50:43,640 --> 00:50:41,730

and as we're trying to increase our

1241

00:50:46,400 --> 00:50:43,650

vibrational state to you know the higher

1242

00:50:48,680 --> 00:50:46,410

levels this is actually gonna help us

1243

00:50:50,630 --> 00:50:48,690

yeah yeah keep up hey without actually

1244

00:50:51,860 --> 00:50:50,640

being impacted by the ups and downs of

1245

00:50:52,850 --> 00:50:51,870

everything in every round everything

1246

00:50:54,230 --> 00:50:52,860

around us

1247

00:50:56,750 --> 00:50:54,240

yeah well that's interesting because

1248

00:50:59,780 --> 00:50:56,760

like that's a that's kind of a new new

1249

00:51:04,760 --> 00:50:59,790

take for me I think on just like you

1250

00:51:07,250 --> 00:51:04,770

know like on a on a daily you know daily

1251
00:51:09,380 --> 00:51:07,260
that vibration can change throughout you

1252
00:51:11,180 --> 00:51:09,390
know you know throughout the planet but

1253
00:51:13,340 --> 00:51:11,190
because normally when you hear about it

1254
00:51:16,160 --> 00:51:13,350
it's like there's like these three

1255
00:51:17,780 --> 00:51:16,170
thousand year cycles where the vibration

1256
00:51:19,550 --> 00:51:17,790
of the you know everything is different

1257
00:51:22,430 --> 00:51:19,560
but that's interesting to know that

1258
00:51:25,340 --> 00:51:22,440
while yes that may be true we're also

1259
00:51:28,430 --> 00:51:25,350
still dealing with that on a daily basis

1260
00:51:31,010 --> 00:51:28,440
as well yes yes we are

1261
00:51:32,060 --> 00:51:31,020
yeah yeah there's cycles for everything

1262
00:51:35,390 --> 00:51:32,070
whether it's just you know the weather

1263
00:51:37,130 --> 00:51:35,400

cycle is solar cycle or galactic cycle I

1264

00:51:39,410 --> 00:51:37,140

mean we've got all these different

1265

00:51:41,150 --> 00:51:39,420

cycles overlapping whether there have

1266

00:51:46,040 --> 00:51:41,160

been flow so what happens when they all

1267

00:51:49,430 --> 00:51:46,050

peak at the same time so so if we're at

1268

00:51:52,250 --> 00:51:49,440

a higher vibrational state right and we

1269

00:51:54,950 --> 00:51:52,260

just so happen to all have like these

1270

00:51:57,860 --> 00:51:54,960

maybe these pennants or the the you know

1271

00:52:01,040 --> 00:51:57,870

that the ankle bracelets you know and

1272

00:52:04,190 --> 00:52:01,050

you can kind of kind of keep yourself

1273

00:52:09,100 --> 00:52:04,200

where we are at that moment and keep it

1274

00:52:11,420 --> 00:52:09,110

from going down I mean what is I mean

1275

00:52:13,120 --> 00:52:11,430

what are the possibilities I mean it

1276

00:52:15,530 --> 00:52:13,130

kind of sounds like the the

1277

00:52:17,900 --> 00:52:15,540

possibilities are endless you know like

1278

00:52:18,950 --> 00:52:17,910

as high as the vibration of the of the

1279

00:52:23,030 --> 00:52:18,960

planet can go

1280

00:52:26,720 --> 00:52:23,040

I mean is there also work that you have

1281

00:52:29,390 --> 00:52:26,730

to do like on yourself as well to keep

1282

00:52:32,090 --> 00:52:29,400

that vibration high or these tools just

1283

00:52:35,210 --> 00:52:32,100

simply something that you can use to you

1284

00:52:36,890 --> 00:52:35,220

know kind of ride it out no that's part

1285

00:52:38,780 --> 00:52:36,900

of the that's part of the process yeah

1286

00:52:40,670 --> 00:52:38,790

so the tools will actually help you stay

1287

00:52:43,070 --> 00:52:40,680

in your vibrational state right

1288

00:52:45,650 --> 00:52:43,080

so now it's your job to you know change

1289

00:52:47,630 --> 00:52:45,660

your diet you know work more towards you

1290

00:52:49,250 --> 00:52:47,640

know a more vegetarian type no you know

1291

00:52:52,280 --> 00:52:49,260

I'm not taking an animal's life for your

1292

00:52:53,210 --> 00:52:52,290

food source you know try to make sure

1293

00:52:55,970 --> 00:52:53,220

you're balancing your

1294

00:52:58,370 --> 00:52:55,980

food versus you know and that type try

1295

00:53:00,710 --> 00:52:58,380

to focus your energy meditate become

1296

00:53:02,450 --> 00:53:00,720

more conscious of your thoughts change

1297

00:53:05,300 --> 00:53:02,460

your thought process it's all the

1298

00:53:07,070 --> 00:53:05,310

vibration so when you clear more and

1299

00:53:09,620 --> 00:53:07,080

more your vibration goes up more and

1300

00:53:11,599 --> 00:53:09,630

more so it's definitely a product that's

1301

00:53:13,430 --> 00:53:11,609

in progress so the tool will help you

1302

00:53:15,650 --> 00:53:13,440

maintain what you have without being

1303

00:53:17,300 --> 00:53:15,660

impacted by everybody else but it does

1304

00:53:19,040 --> 00:53:17,310

it's it's you know it's on everybody

1305

00:53:22,040 --> 00:53:19,050

else and now it's on you to actually do

1306

00:53:27,290 --> 00:53:22,050

the work right right the tool is only

1307

00:53:34,339 --> 00:53:27,300

there to help you man no I'm man I love

1308

00:53:36,530 --> 00:53:34,349

barbecue so much I've got a freezer full

1309

00:53:37,730 --> 00:53:36,540

of venison I just I hunted for the first

1310

00:53:38,780 --> 00:53:37,740

time in my whole life

1311

00:53:43,180 --> 00:53:38,790

and I've got a freezer full of venison

1312

00:53:46,160 --> 00:53:43,190

and now I'm like well damn it well

1313

00:53:48,020 --> 00:53:46,170

basically you know bless the animal and

1314

00:53:51,050 --> 00:53:48,030

say thank you for you know for giving

1315

00:53:54,530 --> 00:53:51,060

your life right and work on that aspect

1316

00:53:56,750 --> 00:53:54,540

of it up front now at least give the

1317

00:53:58,099 --> 00:53:56,760

energy a positive spin because you're

1318

00:54:01,250 --> 00:53:58,109

basically taking the animal at that

1319

00:54:03,230 --> 00:54:01,260

point there was fear and energy that was

1320

00:54:05,900 --> 00:54:03,240

actually used you know caused by it you

1321

00:54:08,660 --> 00:54:05,910

know by what happened right you know

1322

00:54:11,089 --> 00:54:08,670

that that's pretty animal yeah there was

1323

00:54:12,680 --> 00:54:11,099

a you end up ingesting that energy and

1324

00:54:14,120 --> 00:54:12,690

you don't want to ingest that energy so

1325

00:54:17,240 --> 00:54:14,130

you have to negate the energy before you

1326

00:54:19,220 --> 00:54:17,250

ingest it right oh yeah I mean yeah I

1327

00:54:21,290 --> 00:54:19,230

mean this is I'll keep this short but

1328

00:54:23,960 --> 00:54:21,300

there was a moment I took two shots on

1329

00:54:25,430 --> 00:54:23,970

the animal and the first one it brought

1330

00:54:28,220 --> 00:54:25,440

him down when he was still alive and my

1331

00:54:29,810 --> 00:54:28,230

buddy was like you know I was like I was

1332

00:54:31,609 --> 00:54:29,820

feeling bad because this animal is still

1333

00:54:33,890 --> 00:54:31,619

alive and I said I've got to do

1334

00:54:35,540 --> 00:54:33,900

something should I go down there like he

1335

00:54:38,810 --> 00:54:35,550

said no just you know take another shot

1336

00:54:41,349 --> 00:54:38,820

and you know place it right and and you

1337

00:54:44,570 --> 00:54:41,359

know I took another shot and he

1338

00:54:47,990 --> 00:54:44,580

peacefully or not peacefully but very

1339

00:54:50,359 --> 00:54:48,000

fast what was down but that moment felt

1340

00:54:52,670 --> 00:54:50,369

like a a lifetime between the time that

1341

00:54:54,589 --> 00:54:52,680

he was in agony I could see it and I

1342

00:54:56,780 --> 00:54:54,599

feel like we're gonna use all lose a lot

1343

00:54:58,190 --> 00:54:56,790

in listeners but me explaining this well

1344

00:55:00,500 --> 00:54:58,200

you know it's it is a lot different

1345

00:55:02,830 --> 00:55:00,510

though cuz you're making that connection

1346

00:55:04,420 --> 00:55:02,840

but I was I was very aware yeah

1347

00:55:07,540 --> 00:55:04,430

yeah you're making that connection with

1348

00:55:09,310 --> 00:55:07,550

the food that you're eating as opposed

1349

00:55:11,530 --> 00:55:09,320

to you know it is so easy to just go to

1350

00:55:14,080 --> 00:55:11,540

McDonald's or a run to the grocery store

1351
00:55:15,670 --> 00:55:14,090
yeah you have no connection with what it

1352
00:55:18,250 --> 00:55:15,680
is that you're putting in your body but

1353
00:55:21,310 --> 00:55:18,260
you know you you actually had to make

1354
00:55:23,410 --> 00:55:21,320
that physical connection and how do you

1355
00:55:25,360 --> 00:55:23,420
feed your family for the next year yeah

1356
00:55:28,360 --> 00:55:25,370
that was a big part of it because I'm

1357
00:55:30,910 --> 00:55:28,370
trying to get away from buying steak and

1358
00:55:33,640 --> 00:55:30,920
stuff from the the the supermarket and

1359
00:55:36,490 --> 00:55:33,650
all that and I like meat a lot so this

1360
00:55:37,990 --> 00:55:36,500
was like a big you know wake-up kind of

1361
00:55:39,610 --> 00:55:38,000
thing and it really did wake me up like

1362
00:55:40,540 --> 00:55:39,620
I'll never look at packaged meat the

1363
00:55:42,160 --> 00:55:40,550

same ever again

1364

00:55:44,440 --> 00:55:42,170

because I went this the whole experience

1365

00:55:47,140 --> 00:55:44,450

but yeah yeah there was definitely like

1366

00:55:50,230 --> 00:55:47,150

a moment of of like thank you so much

1367

00:55:52,540 --> 00:55:50,240

for this bounty after you know walking

1368

00:55:54,400 --> 00:55:52,550

up to the animal and no realizing like I

1369

00:55:56,860 --> 00:55:54,410

just took a life you know it was pretty

1370

00:55:59,170 --> 00:55:56,870

heavy and also maybe I might be a

1371

00:56:00,880 --> 00:55:59,180

vegetarian after this dude yeah yeah it

1372

00:56:03,130 --> 00:56:00,890

definitely puts you in that perspective

1373

00:56:08,320 --> 00:56:03,140

of like oh crap yeah look what I just

1374

00:56:11,380 --> 00:56:08,330

did no well it was a while back for me I

1375

00:56:13,240 --> 00:56:11,390

ended up walking on Costco and that when

1376
00:56:15,280 --> 00:56:13,250
I was walking through the frozen meat

1377
00:56:17,260 --> 00:56:15,290
section I literally started getting

1378
00:56:20,380 --> 00:56:17,270
dizzy and I'm like what the hell was

1379
00:56:21,820 --> 00:56:20,390
this and I didn't actually didn't it

1380
00:56:23,650 --> 00:56:21,830
didn't go away until I got out of that

1381
00:56:26,320 --> 00:56:23,660
area and then we friendly realized what

1382
00:56:29,470 --> 00:56:26,330
it was it was the energy all that meat

1383
00:56:32,260 --> 00:56:29,480
oh let's go I just got chills man yeah

1384
00:56:33,820 --> 00:56:32,270
it's the problem is we've been so

1385
00:56:37,690 --> 00:56:33,830
disconnected with our food source right

1386
00:56:41,110 --> 00:56:37,700
and the process of you know big food and

1387
00:56:42,220 --> 00:56:41,120
the big you know the nastiness that

1388
00:56:44,650 --> 00:56:42,230

actually happens to these poor animals

1389

00:56:46,890 --> 00:56:44,660

and it's one of those things it's like

1390

00:56:51,660 --> 00:56:46,900

need to understand what we're doing

1391

00:56:55,750 --> 00:56:51,670

absolutely you know it's it's weird

1392

00:56:58,320 --> 00:56:55,760

because I mean it's a strange like thing

1393

00:57:03,220 --> 00:56:58,330

to think about right because I mean now

1394

00:57:05,680 --> 00:57:03,230

even we know that even plants even

1395

00:57:08,620 --> 00:57:05,690

plants seem to have feelings they have a

1396

00:57:12,610 --> 00:57:08,630

connection with with energies and things

1397

00:57:14,800 --> 00:57:12,620

like that and it's like it's it's almost

1398

00:57:16,390 --> 00:57:14,810

encompassing this whole thing on like

1399

00:57:20,290 --> 00:57:16,400

just having respect

1400

00:57:21,550 --> 00:57:20,300

for the world that you live in right you

1401
00:57:23,770 --> 00:57:21,560
know because there's been studies done

1402
00:57:27,670 --> 00:57:23,780
on you know there was a guy who had all

1403
00:57:30,190 --> 00:57:27,680
these fruit trees these particular fruit

1404
00:57:32,350 --> 00:57:30,200
trees he would say really nice things to

1405
00:57:34,060 --> 00:57:32,360
them and he would talk to them and then

1406
00:57:35,800 --> 00:57:34,070
the other fruit trees you know he would

1407
00:57:38,320 --> 00:57:35,810
he would cuss at him or he wouldn't say

1408
00:57:40,720 --> 00:57:38,330
anything and the the trees that you know

1409
00:57:41,500 --> 00:57:40,730
he talked nice to and and took care of

1410
00:57:44,800 --> 00:57:41,510
really well

1411
00:57:47,560 --> 00:57:44,810
they grew like you know a lot better

1412
00:57:49,690 --> 00:57:47,570
than you know the trees that you know he

1413
00:57:51,580 --> 00:57:49,700

was mean to and they produce better

1414

00:57:52,960 --> 00:57:51,590

fruit and everything and it's almost

1415

00:57:54,610 --> 00:57:52,970

kind of the same thing like when you're

1416

00:57:56,590 --> 00:57:54,620

looking in the animal world on what

1417

00:57:59,080 --> 00:57:56,600

happens you know with the way that you

1418

00:58:02,470 --> 00:57:59,090

treat an animal and how that reacts as

1419

00:58:04,900 --> 00:58:02,480

well you know and it really is it really

1420

00:58:08,290 --> 00:58:04,910

encompasses no matter it whether it's an

1421

00:58:11,800 --> 00:58:08,300

animal or a plant you should just try to

1422

00:58:13,420 --> 00:58:11,810

be a good human being to the planet that

1423

00:58:17,530 --> 00:58:13,430

you live on you know and that's kind of

1424

00:58:19,840 --> 00:58:17,540

a bottom line yeah it's our society has

1425

00:58:21,910 --> 00:58:19,850

turned into a consumer base and we

1426
00:58:23,710 --> 00:58:21,920
forget what the source thing is of any

1427
00:58:28,000 --> 00:58:23,720
of the materials we you know we either

1428
00:58:29,740 --> 00:58:28,010
use or ingest and we know it's there is

1429
00:58:31,240 --> 00:58:29,750
you know they find the issues with you

1430
00:58:33,430 --> 00:58:31,250
know the energy of the meats there's

1431
00:58:35,470 --> 00:58:33,440
actually they've actually done what I

1432
00:58:37,750 --> 00:58:35,480
think it was a recording of a sound

1433
00:58:43,390 --> 00:58:37,760
coming from a plant when it was hurt so

1434
00:58:45,730 --> 00:58:43,400
I mean they yeah it's interesting they

1435
00:58:47,890 --> 00:58:45,740
they did a study with like when you mow

1436
00:58:49,960 --> 00:58:47,900
the grass the reason that there's so

1437
00:58:51,640 --> 00:58:49,970
many like mosquitoes and gnats and bugs

1438
00:58:53,590 --> 00:58:51,650

that come around is because the grass is

1439

00:58:55,780 --> 00:58:53,600

putting off this this pheromone that

1440

00:58:57,370 --> 00:58:55,790

attracts the bugs to keep you from

1441

00:59:00,340 --> 00:58:57,380

cutting it because it doesn't like it

1442

00:59:04,480 --> 00:59:00,350

when it's when it's cut yeah yeah it's

1443

00:59:08,440 --> 00:59:04,490

super interesting that's insane

1444

00:59:10,840 --> 00:59:08,450

yeah I love that yeah we need to uh we

1445

00:59:13,900 --> 00:59:10,850

need to make tensor rings for yards and

1446

00:59:15,430 --> 00:59:13,910

stuff yeah yeah I actually was planning

1447

00:59:17,740 --> 00:59:15,440

on you know putting him out around the

1448

00:59:19,480 --> 00:59:17,750

plants and stuff like that yeah I bet

1449

00:59:20,920 --> 00:59:19,490

they would be pretty interesting that

1450

00:59:22,690 --> 00:59:20,930

would be a really cool experience

1451

00:59:25,060 --> 00:59:22,700

I'm love to see what that what would

1452

00:59:26,680 --> 00:59:25,070

happen yeah yeah like maybe just build

1453

00:59:28,810 --> 00:59:26,690

like a small one and put them on like

1454

00:59:29,980 --> 00:59:28,820

you know little stakes and just stick

1455

00:59:31,450 --> 00:59:29,990

them in your gardens and

1456

00:59:35,050 --> 00:59:31,460

see what happens that would be super

1457

00:59:36,370 --> 00:59:35,060

cool actually there was one we did the

1458

00:59:38,260 --> 00:59:36,380

lady who actually was experimenting with

1459

00:59:40,870 --> 00:59:38,270

the rings I had she put a ring around a

1460

00:59:44,080 --> 00:59:40,880

plant and it was actually not it wasn't

1461

00:59:45,940 --> 00:59:44,090

doing very well and three weeks after

1462

00:59:47,680 --> 00:59:45,950

she put the ring on it it had doubled in

1463

00:59:49,780 --> 00:59:47,690

size and its health was completely

1464

00:59:51,970 --> 00:59:49,790

turned around Wow

1465

00:59:54,100 --> 00:59:51,980

see I'd love for that to be documented

1466

00:59:55,810 --> 00:59:54,110

somewhere like I'd love to write an

1467

00:59:58,330 --> 00:59:55,820

article about that because that would be

1468

00:59:59,590 --> 00:59:58,340

really awesome I mean ever proving that

1469

01:00:03,940 --> 00:59:59,600

these things are actually doing

1470

01:00:06,250 --> 01:00:03,950

something yeah there was a there's a

1471

01:00:09,760 --> 01:00:06,260

book out there on his website dancing

1472

01:00:13,150 --> 01:00:09,770

with water and they did some experiments

1473

01:00:15,580 --> 01:00:13,160

with the tensor technology and it

1474

01:00:18,040 --> 01:00:15,590

basically showed that if you take one of

1475

01:00:19,720 --> 01:00:18,050

the tensor rings and you basically have

1476

01:00:22,210 --> 01:00:19,730

an equal volume of water and you measure

1477

01:00:24,010 --> 01:00:22,220

it out exactly the same and you put one

1478

01:00:25,660 --> 01:00:24,020

inside of a tensor ring and one not

1479

01:00:27,670 --> 01:00:25,670

inside of a tensor ring forty-eight

1480

01:00:29,560 --> 01:00:27,680

hours later you can weigh it again and

1481

01:00:36,760 --> 01:00:29,570

the water that's in the tensor ring gets

1482

01:00:39,340 --> 01:00:36,770

lighter what my braciolo state goes up

1483

01:00:42,010 --> 01:00:39,350

so it gets lighter oh how cool man

1484

01:00:43,810 --> 01:00:42,020

that's awesome that's cool dude I'll be

1485

01:00:49,630 --> 01:00:43,820

both wearing this I can drop some weight

1486

01:00:52,150 --> 01:00:49,640

I did like two of those telling you man

1487

01:00:54,580 --> 01:00:52,160

yeah cuz I mean Illi work in the

1488

01:00:56,890 --> 01:00:54,590

landscaping industry man if you can make

1489

01:00:59,880 --> 01:00:56,900

that if you can make that happen man I

1490

01:01:02,260 --> 01:00:59,890

might have to give you a call just

1491

01:01:04,090 --> 01:01:02,270

imagine like you plant you plant a tree

1492

01:01:06,460 --> 01:01:04,100

with the ring around it the tinsel ring

1493

01:01:08,740 --> 01:01:06,470

since our ring and then it grows and

1494

01:01:14,590 --> 01:01:08,750

then kind of engulfs the ring so it's

1495

01:01:17,530 --> 01:01:14,600

always gonna be inside of this tree yeah

1496

01:01:20,410 --> 01:01:17,540

that would be way cool yeah yeah so I

1497

01:01:22,240 --> 01:01:20,420

mean where do you see this thing where

1498

01:01:23,950 --> 01:01:22,250

do you see this going I mean in the

1499

01:01:27,430 --> 01:01:23,960

future like what's the ultimate goal for

1500

01:01:29,349 --> 01:01:27,440

this so for the tensor technology yeah I

1501

01:01:32,500 --> 01:01:29,359

mean just for everything really

1502

01:01:34,180 --> 01:01:32,510

yeah well the tensor technology like I'd

1503

01:01:35,680 --> 01:01:34,190

mentioned earlier is basically a

1504

01:01:38,560 --> 01:01:35,690

placeholder at a higher vibrational

1505

01:01:41,849 --> 01:01:38,570

state so basically they're tools to help

1506

01:01:43,930 --> 01:01:41,859

us grow and learn and expand our own

1507

01:01:45,610 --> 01:01:43,940

understanding of consciousness

1508

01:01:47,890 --> 01:01:45,620

and what it is and what it means to be

1509

01:01:49,660 --> 01:01:47,900

who we are and help us understand where

1510

01:01:51,100 --> 01:01:49,670

we all come from it's you know we all

1511

01:01:52,840 --> 01:01:51,110

have a different sole source whether

1512

01:01:57,460 --> 01:01:52,850

it's you know angelic or whether it's a

1513

01:01:58,960 --> 01:01:57,470

you know an ET source or whatnot you

1514

01:02:02,770 --> 01:01:58,970

know it helps us understand who we are

1515

01:02:05,380 --> 01:02:02,780

and what we're doing here yes yes well

1516

01:02:07,150 --> 01:02:05,390

that we need to find some way to get

1517

01:02:09,670 --> 01:02:07,160

this stuff in the hands of everybody

1518

01:02:12,250 --> 01:02:09,680

yeah I like that you didn't say I want

1519

01:02:14,140 --> 01:02:12,260

to just you know have like sell a bunch

1520

01:02:17,440 --> 01:02:14,150

of products you're literally just like

1521

01:02:20,080 --> 01:02:17,450

you want the the the humans you know we

1522

01:02:20,740 --> 01:02:20,090

you want us to improve like that that

1523

01:02:24,400 --> 01:02:20,750

was a great answer

1524

01:02:26,020 --> 01:02:24,410

ya know that I mean the side effect is I

1525

01:02:28,270 --> 01:02:26,030

may sell some product but the tools are

1526

01:02:29,830 --> 01:02:28,280

there I mean that the you make it yes

1527

01:02:30,880 --> 01:02:29,840

I'm Sperling wrote the books you can get

1528

01:02:32,290 --> 01:02:30,890

the tech no you can only get the

1529

01:02:34,990 --> 01:02:32,300

understanding and make and make them on

1530

01:02:36,310 --> 01:02:35,000

your own yeah and I'm not you know it's

1531

01:02:37,930 --> 01:02:36,320

perfectly it's right there it's in book

1532

01:02:40,090 --> 01:02:37,940

it's in black and white yeah everybody

1533

01:02:41,800 --> 01:02:40,100

can make them right as long as you're as

1534

01:02:45,790 --> 01:02:41,810

long as your intention is there you can

1535

01:02:47,290 --> 01:02:45,800

make them you know it's and I just want

1536

01:02:49,060 --> 01:02:47,300

to make as many tools as I possibly can

1537

01:02:52,840 --> 01:02:49,070

to help everybody understand what's

1538

01:02:54,430 --> 01:02:52,850

going on and grow yeah you know it's you

1539

01:02:59,770 --> 01:02:54,440

drive around on the highway I'm like wow

1540

01:03:04,630 --> 01:02:59,780

you could use that well man I appreciate

1541

01:03:06,190 --> 01:03:04,640

your your intention man I yeah yeah and

1542

01:03:08,470 --> 01:03:06,200

there's nothing wrong with selling

1543

01:03:11,320 --> 01:03:08,480

product especially you know it's like

1544

01:03:12,430 --> 01:03:11,330

you helping people it really enforces

1545

01:03:14,860 --> 01:03:12,440

kind of like what we've talked about

1546

01:03:17,800 --> 01:03:14,870

ethical purchasing oh yeah yeah you know

1547

01:03:20,290 --> 01:03:17,810

it allows you to find something that you

1548

01:03:22,480 --> 01:03:20,300

know you've witnessed works you know I

1549

01:03:25,420 --> 01:03:22,490

know that it works you know it's it's

1550

01:03:27,880 --> 01:03:25,430

it's it's a it's a kind of an ethical

1551

01:03:30,310 --> 01:03:27,890

purchase you know it really does help

1552

01:03:32,950 --> 01:03:30,320

and man I you know like I said I've

1553

01:03:35,860 --> 01:03:32,960

never been one for like really like the

1554

01:03:39,000 --> 01:03:35,870

placebo effect or anything like that but

1555

01:03:43,480 --> 01:03:39,010

this this this pennant that you guys

1556

01:03:46,390 --> 01:03:43,490

gave me is just I mean it's it's done a

1557

01:03:48,100 --> 01:03:46,400

lot and and it's weird because you know

1558

01:03:50,680 --> 01:03:48,110

it's it's it's something that you don't

1559

01:03:53,080 --> 01:03:50,690

wouldn't really notice on a day-to-day

1560

01:03:53,800 --> 01:03:53,090

basis but man it's it's it's been

1561

01:03:55,420 --> 01:03:53,810

awesome

1562

01:03:57,789 --> 01:03:55,430

ever since I've had it and I can

1563

01:04:01,719 --> 01:03:57,799

definitely feel like you said my

1564

01:04:04,539 --> 01:04:01,729

energy is is different my my mood is

1565

01:04:07,239 --> 01:04:04,549

different the way I interact the way

1566

01:04:09,939 --> 01:04:07,249

people interact with me

1567

01:04:11,549 --> 01:04:09,949

it's it's definitely changed and it's

1568

01:04:14,259 --> 01:04:11,559

incredible man

1569

01:04:16,229 --> 01:04:14,269

ya know they're very powerful tools and

1570

01:04:19,390 --> 01:04:16,239

that's why when I show people I'm like

1571

01:04:20,910 --> 01:04:19,400

then what well what do I expect I'm like

1572

01:04:23,829 --> 01:04:20,920

I can't tell you that

1573

01:04:26,019 --> 01:04:23,839

exactly yeah cuz I had no idea what to

1574

01:04:28,509 --> 01:04:26,029

expect no yeah yeah exactly

1575

01:04:30,279 --> 01:04:28,519

it's it's kind of like explaining to

1576

01:04:32,229 --> 01:04:30,289

somebody like what getting a tattoo

1577

01:04:34,179 --> 01:04:32,239

feels like like I can't really explain

1578

01:04:36,130 --> 01:04:34,189

it you just kind of have to do it and

1579

01:04:37,900 --> 01:04:36,140

find out I can't explain what it's

1580

01:04:40,089 --> 01:04:37,910

happened to me and how it felt for me

1581

01:04:41,410 --> 01:04:40,099

but for you it's gonna be completely

1582

01:04:44,979 --> 01:04:41,420

different because you have completely

1583

01:04:46,179 --> 01:04:44,989

different issues than I do yeah yeah

1584

01:04:48,669 --> 01:04:46,189

exactly

1585

01:04:51,759 --> 01:04:48,679

now yeah I appreciate that perspective

1586

01:04:54,789 --> 01:04:51,769

man I mean there's there's a lot of

1587

01:04:56,979 --> 01:04:54,799

people that want to want to help other

1588

01:04:58,779 --> 01:04:56,989

people and then sometimes you kind of go

1589

01:05:00,400 --> 01:04:58,789

down this road of like well I need to

1590

01:05:01,660 --> 01:05:00,410

keep this thing going but I mean the

1591

01:05:03,519 --> 01:05:01,670

vibe that I'm getting from you this

1592

01:05:05,079 --> 01:05:03,529

whole time is like I just want to help

1593

01:05:07,630 --> 01:05:05,089

people it's not about it's not about

1594

01:05:09,669 --> 01:05:07,640

money it's not about you know feeding

1595

01:05:12,069 --> 01:05:09,679

people [h__h] it's literally like hey

1596

01:05:15,039 --> 01:05:12,079

I I came across this thing and now I'm

1597

01:05:17,650 --> 01:05:15,049

making it and let's see what happened

1598

01:05:19,179 --> 01:05:17,660

now yeah so yeah I appreciate ya I'm

1599

01:05:21,130 --> 01:05:19,189

making them trying to make the best you

1600

01:05:22,749 --> 01:05:21,140

know the best looking tools I can to

1601
01:05:25,120 --> 01:05:22,759
make it impactful for people and that's

1602
01:05:26,559 --> 01:05:25,130
basically my goal I mean can I make a

1603
01:05:28,419 --> 01:05:26,569
perfect tool to help to everybody I

1604
01:05:30,699 --> 01:05:28,429
doubt it but I'll try my best to do it

1605
01:05:33,669 --> 01:05:30,709
yeah awesome that's great man that's

1606
01:05:36,939 --> 01:05:33,679
great well Peter man this has been

1607
01:05:38,650 --> 01:05:36,949
absolutely awesome I'm sorry we weren't

1608
01:05:40,419 --> 01:05:38,660
able to get you at the conference but

1609
01:05:42,579 --> 01:05:40,429
I'm so glad we were able to make this

1610
01:05:44,499 --> 01:05:42,589
happen tonight yes I've been pretty

1611
01:05:47,709 --> 01:05:44,509
excited to talk to you about this and

1612
01:05:50,380 --> 01:05:47,719
just learn more about it and it's it's

1613
01:05:53,559 --> 01:05:50,390

it's something that I since meeting you

1614

01:05:57,579 --> 01:05:53,569

guys and just seeing the stuff that you

1615

01:05:59,679 --> 01:05:57,589

make I have been really interested in it

1616

01:06:02,229 --> 01:05:59,689

and you know just just everything about

1617

01:06:03,939 --> 01:06:02,239

it man it's been really really cool so

1618

01:06:05,079 --> 01:06:03,949

I'm glad we were able to make this

1619

01:06:08,169 --> 01:06:05,089

happen

1620

01:06:10,239 --> 01:06:08,179

is there anything like a website or

1621

01:06:11,630 --> 01:06:10,249

anything that you'd like to plug so

1622

01:06:13,820 --> 01:06:11,640

people know about you guys

1623

01:06:17,840 --> 01:06:13,830

and know about how to get this this

1624

01:06:20,060 --> 01:06:17,850

stuff from you yeah yeah my website is

1625

01:06:22,040 --> 01:06:20,070

energies of service comm and it's

1626
01:06:24,950 --> 01:06:22,050
actually embedded inside of its actual

1627
01:06:27,560 --> 01:06:24,960
shopping area for infant healing from

1628
01:06:29,390 --> 01:06:27,570
the stars Vivian's website but I have

1629
01:06:31,640 --> 01:06:29,400
the store inside of the Boone's website

1630
01:06:33,980 --> 01:06:31,650
that actually has the the anklets and

1631
01:06:35,870 --> 01:06:33,990
the pendants we don't have the tensor

1632
01:06:38,530 --> 01:06:35,880
rings up on the website yet but we're

1633
01:06:41,390 --> 01:06:38,540
working on that awesome awesome awesome

1634
01:06:42,650 --> 01:06:41,400
yeah Peter this has been uh thank you so

1635
01:06:44,570 --> 01:06:42,660
my no you can't see us but thank you so

1636
01:06:46,490 --> 01:06:44,580
much man that man that was that was

1637
01:06:48,740 --> 01:06:46,500
awesome yeah sorry we couldn't figure

1638
01:06:50,900 --> 01:06:48,750

out the the video will work on that one

1639

01:06:52,670 --> 01:06:50,910

but it was all your camera quality is

1640

01:06:55,490 --> 01:06:52,680

great so I'm sure the viewers are gonna

1641

01:06:58,010 --> 01:06:55,500

love that it is and if you ever have

1642

01:07:00,860 --> 01:06:58,020

anything else that yeah you come up with

1643

01:07:03,140 --> 01:07:00,870

or yet you have something new feel free

1644

01:07:05,480 --> 01:07:03,150

to you know let us know and and we'll

1645

01:07:07,040 --> 01:07:05,490

get it out on the podcast and we'll tell

1646

01:07:08,270 --> 01:07:07,050

people about about all the stuff that

1647

01:07:09,440 --> 01:07:08,280

y'all are doing yeah

1648

01:07:11,840 --> 01:07:09,450

alright and we'll put it on our website

1649

01:07:13,370 --> 01:07:11,850

too yeah definitely definitely we'd love

1650

01:07:16,280 --> 01:07:13,380

to yeah we'd love to plug you guys on

1651

01:07:19,220 --> 01:07:16,290

the website put that up and and and help

1652

01:07:21,230 --> 01:07:19,230

you guys out absolutely appreciate it

1653

01:07:22,220 --> 01:07:21,240

guys it's been fun yeah no no worries

1654

01:07:24,560 --> 01:07:22,230

man no worries

1655

01:07:27,950 --> 01:07:24,570

well again Peter thank you very much and

1656

01:07:29,210 --> 01:07:27,960

uh that was awesome yeah and I and I

1657

01:07:32,810 --> 01:07:29,220

hope you have a girl a great night

1658

01:07:33,980 --> 01:07:32,820

tonight man thanks thanks we're looking

1659

01:07:36,350 --> 01:07:33,990

forward to it but I gonna be going up to

1660

01:07:38,120 --> 01:07:36,360

dinner here shortly alright sounds good

1661

01:07:39,190 --> 01:07:38,130

man alright brother we'll talk to you

1662

01:07:46,860 --> 01:07:39,200

later all right

1663

01:07:51,050 --> 01:07:49,420

[Applause]

1664

01:07:54,200 --> 01:07:51,060

that was awesome

1665

01:07:57,260 --> 01:07:54,210

yeah it was so cool to have him on yeah

1666

01:08:00,190 --> 01:07:57,270

and kind of explained you know what it

1667

01:08:03,050 --> 01:08:00,200

is a does what tensor technology is like

1668

01:08:06,380 --> 01:08:03,060

how he builds these things and like what

1669

01:08:08,090 --> 01:08:06,390

they do like I said man I mean it's

1670

01:08:10,250 --> 01:08:08,100

pretty interesting you know I've got

1671

01:08:12,950 --> 01:08:10,260

mine on y'all probably see me wear it a

1672

01:08:15,670 --> 01:08:12,960

couple times but yeah I mean it's it's

1673

01:08:18,650 --> 01:08:15,680

if nothing else it looks cool Yeah right

1674

01:08:20,180 --> 01:08:18,660

well if it makes you feel good to you

1675

01:08:21,950 --> 01:08:20,190

you know what's funny about this though

1676

01:08:24,020 --> 01:08:21,960

I thought about it cuz I listen to one

1677

01:08:26,750 --> 01:08:24,030

of our first episodes in one of our

1678

01:08:29,390 --> 01:08:26,760

first episodes we were talking about how

1679

01:08:34,250 --> 01:08:29,400

like some UFO people are kind of strange

1680

01:08:36,230 --> 01:08:34,260

and and you were saying yeah you're

1681

01:08:40,640 --> 01:08:36,240

always watching this show with some guy

1682

01:08:44,180 --> 01:08:40,650

was a big necklace on yes and now I have

1683

01:08:47,539 --> 01:08:44,190

a big necklace on and I think that what

1684

01:08:50,329 --> 01:08:47,549

this does to you it makes you buy big

1685

01:08:54,289 --> 01:08:50,339

necklaces yeah but it's cool cuz I like

1686

01:08:54,980 --> 01:08:54,299

it now it's like what I don't hate it I

1687

01:08:57,530 --> 01:08:54,990

like it

1688

01:08:59,059 --> 01:08:57,540

you get you over my dying in - man I'm

1689

01:09:01,910 --> 01:08:59,069

just waiting for the right medallion to

1690

01:09:04,460 --> 01:09:01,920

come across my I don't know my

1691

01:09:07,220 --> 01:09:04,470

consciousness I don't know Maya you have

1692

01:09:10,789 --> 01:09:07,230

like a connection with this thing bro

1693

01:09:13,490 --> 01:09:10,799

why didn't you ask Peter to peruse the

1694

01:09:18,559 --> 01:09:13,500

you know the merchandise say to rock you

1695

01:09:19,160 --> 01:09:18,569

let me Peru you'd be like yeah come on

1696

01:09:23,170 --> 01:09:19,170

in here

1697

01:09:26,840 --> 01:09:23,180

yeah oh you're such a nice dude he is

1698

01:09:29,510 --> 01:09:26,850

next time next time I I thoroughly

1699

01:09:30,110 --> 01:09:29,520

enjoyed that baby yeah yeah that's cool

1700

01:09:33,559 --> 01:09:30,120

that's cool

1701

01:09:36,230 --> 01:09:33,569

hope you guys enjoyed - yeah yeah and

1702

01:09:39,320 --> 01:09:36,240

definitely check him out on his website

1703

01:09:43,120 --> 01:09:39,330

yeah he said earlier yeah you said it

1704

01:09:45,829 --> 01:09:43,130

earlier we'll put it we'll put it in the

1705

01:09:47,570 --> 01:09:45,839

description below that's right yeah

1706

01:09:49,309 --> 01:09:47,580

that's right we'll put it in there yeah

1707

01:09:52,099 --> 01:09:49,319

go check his stuff out and we'll see if

1708

01:09:53,809 --> 01:09:52,109

we can chitchat with them and maybe get

1709

01:09:55,880 --> 01:09:53,819

like a little banner or something where

1710

01:09:57,470 --> 01:09:55,890

people can go check out what it is that

1711

01:09:58,160 --> 01:09:57,480

they're they got going on I think that

1712

01:10:01,070 --> 01:09:58,170

would be kind of cool

1713

01:10:08,690 --> 01:10:01,080

put it on her website did which is UFO

1714

01:10:09,710 --> 01:10:08,700

garage PC alright guys thanks for

1715

01:10:12,610 --> 01:10:09,720

hanging out with us tonight
