UFOS ALIENS & ALL THINGS WEIRD

ufogaragpc.com

 [ufogearage](https://www.instagram.com/ufogearage)

1
00:00:01,080 --> 00:00:05,200

[Music]

2
00:00:09,230 --> 00:00:07,849

this is another episode of the UFO

3
00:00:10,759 --> 00:00:09,240

garage I'm Ben

4
00:00:14,720 --> 00:00:10,769

and I'm Joe and this is where we talk

5
00:00:16,580 --> 00:00:14,730

about UFOs aliens and all things weird I

6
00:00:18,550 --> 00:00:16,590

guess right with our wives with our

7
00:00:22,070 --> 00:00:18,560

wives that's right ladies and gentlemen

8
00:00:26,810 --> 00:00:22,080

today we've got some special guests with

9
00:00:30,830 --> 00:00:26,820

us today we have our wives with us yeah

10
00:00:33,799 --> 00:00:30,840

so we got an interesting message and

11
00:00:36,860 --> 00:00:33,809

basically stating that you know hey I'm

12
00:00:39,350 --> 00:00:36,870

super into this are y'all's wives into

13
00:00:41,150 --> 00:00:39,360

this because mine is not right and and

14

00:00:43,490 --> 00:00:41,160

that kind of seems to be like consensus

15

00:00:45,979 --> 00:00:43,500

a little bit it's it's definitely a

16

00:00:48,619 --> 00:00:45,989

strange topic right something that maybe

17

00:00:50,840 --> 00:00:48,629

you wouldn't usually uh your wife might

18

00:00:52,729 --> 00:00:50,850

not usually be into it's the same thing

19

00:00:55,610 --> 00:00:52,739

is like building hot rods out in the

20

00:00:57,229 --> 00:00:55,620

garage or football or something like

21

00:00:58,700 --> 00:00:57,239

that right you know it's just this is

22

00:01:00,439 --> 00:00:58,710

something that you know a lot of times

23

00:01:03,200 --> 00:01:00,449

it may be they're not interested in

24

00:01:05,359 --> 00:01:03,210

which is totally cool yeah right it's

25

00:01:07,160 --> 00:01:05,369

but we're gonna do this little thing

26

00:01:08,570 --> 00:01:07,170

today I think it's gonna be really

27

00:01:12,050 --> 00:01:08,580

awesome and kind of show some

28

00:01:14,600 --> 00:01:12,060

perspective that like hey wives you're

29

00:01:16,580 --> 00:01:14,610

not the only ones and husbands or

30

00:01:18,410 --> 00:01:16,590

boyfriends you're not the only ones

31

00:01:21,499 --> 00:01:18,420

either we all deal with it you know it's

32

00:01:23,899 --> 00:01:21,509

kind of a funky little subject so yeah

33

00:01:27,880 --> 00:01:23,909

man so let's introduce everybody will

34

00:01:41,600 --> 00:01:27,890

start with Amanda say hi hi out there

35

00:01:56,749 --> 00:01:51,730

this smells pretty bad pair of peaches

36

00:01:58,700 --> 00:01:56,759

it's a good beer so Jesse had a good

37

00:02:00,859 --> 00:01:58,710

idea of maybe let's just kind of

38

00:02:01,910 --> 00:02:00,869

introduce like how we how we met which

39

00:02:03,590 --> 00:02:01,920

was interesting we have a pretty

40

00:02:06,649 --> 00:02:03,600

interesting story it also also

41

00:02:07,940 --> 00:02:06,659

interesting first date topic right you

42

00:02:09,830 --> 00:02:07,950

remember that what we talked about her

43

00:02:13,620 --> 00:02:09,840

birthday

44

00:02:15,870 --> 00:02:13,630

what do you want to tell the story I'll

45

00:02:24,990 --> 00:02:15,880

say a line and you can say a lining

46

00:02:27,150 --> 00:02:25,000

yeah so we were both set to be at an

47

00:02:30,960 --> 00:02:27,160

event on the same night but did not know

48

00:02:34,229 --> 00:02:30,970

each other yet and the event was in

49

00:02:39,120 --> 00:02:34,239

downtown Austin on sixth Street oh yeah

50

00:02:43,580 --> 00:02:39,130

and my social group was hosting the

51
00:02:47,910 --> 00:02:43,590
event and had hired Ben and Joe's band

52
00:02:52,020 --> 00:02:47,920
to play yeah we used to rock do we used

53
00:02:54,949 --> 00:02:52,030
to play music so the story goes way back

54
00:02:57,750 --> 00:02:54,959
it's pretty cool and the guys we're

55
00:03:01,050 --> 00:02:57,760
passionate about hobbies from the

56
00:03:03,059 --> 00:03:01,060
beginning in the music side yeah and in

57
00:03:06,059 --> 00:03:03,069
our first art so we went on our first

58
00:03:08,100 --> 00:03:06,069
date like a week later that weekend or

59
00:03:10,080 --> 00:03:08,110
something right yeah and and what did I

60
00:03:15,300 --> 00:03:10,090
what was one of the first things we

61
00:03:20,630 --> 00:03:15,310
talked about I believe you asked me if I

62
00:03:30,330 --> 00:03:28,229
in the car ride to the restaurant so

63
00:03:35,490 --> 00:03:30,340

she's like I'm Catholic and I say well

64

00:03:38,819 --> 00:03:35,500

what do you think about aliens but you

65

00:03:43,280 --> 00:03:38,829

took it in stride you were like ah yeah

66

00:03:45,360 --> 00:03:43,290

I mean you were very open to it yeah

67

00:03:48,420 --> 00:03:45,370

what did you think what did you think

68

00:03:49,740 --> 00:03:48,430

about that one now what I asked I didn't

69

00:03:55,620 --> 00:03:49,750

know those two went into the same

70

00:03:57,199 --> 00:03:55,630

category and I was interested in your

71

00:04:00,270 --> 00:03:57,209

interests I wanted to learn more yeah

72

00:04:01,830 --> 00:04:00,280

cool nice so that's that's the genesis

73

00:04:06,690 --> 00:04:01,840

so is there it was there since the

74

00:04:10,319 --> 00:04:06,700

beginning yeah how about you guys do you

75

00:04:14,099 --> 00:04:10,329

guys have an alien of centered story as

76

00:04:17,599 --> 00:04:14,109

well I don't think really we have an

77

00:04:19,649 --> 00:04:17,609

alien centered story I think it's uh I

78

00:04:22,830 --> 00:04:19,659

think it was something that was kind of

79

00:04:24,600 --> 00:04:22,840

like learned over time right yeah

80

00:04:27,659 --> 00:04:24,610

so like the music thing was really big

81

00:04:29,610 --> 00:04:27,669

for us but then the alien stuff was just

82

00:04:30,120 --> 00:04:29,620

kind of always there just kind of

83

00:04:32,640 --> 00:04:30,130

happened

84

00:04:34,580 --> 00:04:32,650

yeah so well Joe is always into it I'm

85

00:04:36,750 --> 00:04:34,590

like okay whatever

86

00:04:44,219 --> 00:04:36,760

cool you can tell me about it but I

87

00:04:53,090 --> 00:04:44,229

probably won't remember the last day I

88

00:05:00,440 --> 00:04:55,260

where goes in the one year and and out

89

00:05:06,180 --> 00:05:03,150

so I mean yeah I think that's kind of a

90

00:05:08,700 --> 00:05:06,190

that's kind of the the the similar story

91

00:05:10,350 --> 00:05:08,710

that I think a lot more people have then

92

00:05:11,430 --> 00:05:10,360

than not you know I think it's really

93

00:05:13,230 --> 00:05:11,440

rare that both people are like really

94

00:05:15,900 --> 00:05:13,240

really passionate about the same exact

95

00:05:17,460 --> 00:05:15,910

thing and like to talk about it so you

96

00:05:20,010 --> 00:05:17,470

know I think I think having this having

97

00:05:21,450 --> 00:05:20,020

you guys on is important to kind of show

98

00:05:24,779 --> 00:05:21,460

our listeners they're like hey yeah like

99

00:05:27,930 --> 00:05:24,789

you said yeah I definitely say like it's

100

00:05:30,510 --> 00:05:27,940

something that he's into and it puts him

101
00:05:32,060 --> 00:05:30,520
in a happy place because like especially

102
00:05:35,730 --> 00:05:32,070
like when the music and y'all's ban

103
00:05:38,430 --> 00:05:35,740
stopped when Dom went to California yeah

104
00:05:50,070 --> 00:05:38,440
it was like I need an outlet I need an

105
00:05:52,080 --> 00:05:50,080
outlet yeah next logical step yeah like

106
00:05:54,540 --> 00:05:52,090
like perfect example the other night we

107
00:05:57,719 --> 00:05:54,550
went out to go eat right and we were

108
00:06:00,750 --> 00:05:57,729
talking about infinity and like how big

109
00:06:03,620 --> 00:06:00,760
infinity is like you can go one to

110
00:06:07,140 --> 00:06:03,630
infinity or you can go one point

111
00:06:09,180 --> 00:06:07,150
infinity and never even make it to to to

112
00:06:12,089 --> 00:06:09,190
get to infinity that's or you can go

113
00:06:14,460 --> 00:06:12,099

zero point infinity and never even make

114

00:06:16,230 --> 00:06:14,470

it to one like just how massive infinity

115

00:06:17,879 --> 00:06:16,240

is right yeah we just got into this

116

00:06:21,150 --> 00:06:17,889

conversation and then we started talking

117

00:06:23,370 --> 00:06:21,160

about a deeper side and and his

118

00:06:24,839 --> 00:06:23,380

experience and I was telling her about

119

00:06:25,350 --> 00:06:24,849

the experience and she was like oh

120

00:06:28,020 --> 00:06:25,360

really

121

00:06:29,879 --> 00:06:28,030

it was like yeah so we got into it we

122

00:06:30,930 --> 00:06:29,889

started you know chit-chatting about it

123

00:06:32,250 --> 00:06:30,940

and I was like I'll show you a video

124

00:06:34,559 --> 00:06:32,260

whenever we get in the car

125

00:06:36,570 --> 00:06:34,569

we get in the car we start driving

126

00:06:40,320 --> 00:06:36,580

and I throw on the deep Prasad video

127

00:06:43,889 --> 00:06:40,330

well yeah yeah there's the quantum guy

128

00:06:46,679 --> 00:06:43,899

and so so in front of us is a truck and

129

00:06:49,019 --> 00:06:46,689

it's it's got a pin on a trailer and

130

00:06:51,600 --> 00:06:49,029

it's got a sheep in there right and the

131

00:06:54,209 --> 00:06:51,610

whole time deep is going into like his

132

00:06:56,820 --> 00:06:54,219

his big speech she's like oh that poor

133

00:07:08,020 --> 00:06:56,830

she's not even paying at it like that

134

00:07:08,030 --> 00:07:17,510

[Laughter]

135

00:07:23,189 --> 00:07:20,959

so do you anything about the video I

136

00:07:25,439 --> 00:07:23,199

just remembered Joe telling me that he's

137

00:07:27,389 --> 00:07:25,449

up for a Nobel Prize Oh

138

00:07:29,129 --> 00:07:27,399

like he could win a Nobel Prize with the

139

00:07:31,350 --> 00:07:29,139

work that he's working on yeah yeah and

140

00:07:32,459 --> 00:07:31,360

then he was talking about didn't he have

141

00:07:34,709 --> 00:07:32,469

an experience

142

00:07:39,239 --> 00:07:34,719

yes that's what that's what the video is

143

00:07:40,920 --> 00:07:39,249

about so I don't really you just showed

144

00:07:43,049 --> 00:07:40,930

me deeper sad just doesn't know about

145

00:07:45,659 --> 00:07:43,059

about him do you want to kind of tell

146

00:07:47,519 --> 00:07:45,669

Jess like what what his deal is like he

147

00:07:49,290 --> 00:07:47,529

watched that video but yeah I mean I

148

00:07:50,639 --> 00:07:49,300

think that's what's most intimidating to

149

00:07:54,329 --> 00:07:50,649

me about all of this because I never

150

00:07:57,179 --> 00:07:54,339

know the names the names and the topics

151

00:07:59,129 --> 00:07:57,189

jump so quickly that is really hard to

152

00:08:01,259 --> 00:07:59,139

follow like when I'm talking about my

153

00:08:03,209 --> 00:08:01,269

work and talking about well I talked to

154

00:08:04,889 --> 00:08:03,219

this person today in this person and you

155

00:08:08,399 --> 00:08:04,899

have trouble following because I'm

156

00:08:12,149 --> 00:08:08,409

task-switching baby she you look for the

157

00:08:16,619 --> 00:08:12,159

Sheep so I made charts for you in the

158

00:08:18,959 --> 00:08:16,629

past to explain there's so many names

159

00:08:20,519 --> 00:08:18,969

it's true but I feel the same way maybe

160

00:08:22,529 --> 00:08:20,529

I need a chart that's understandable

161

00:08:23,909 --> 00:08:22,539

yeah maybe I should make a chart y'all

162

00:08:25,739 --> 00:08:23,919

should have all the guest y'all have

163

00:08:27,929 --> 00:08:25,749

because I've asked Joe I think like 10

164

00:08:29,699 --> 00:08:27,939

times who y'all were gonna be who was

165

00:08:38,370 --> 00:08:29,709

your guest today well to be fair I have

166

00:08:40,319 --> 00:08:38,380

to so yeah yeah and I thought it was

167

00:08:46,410 --> 00:08:40,329

from frozen that was the only thing that

168

00:08:48,090 --> 00:08:46,420

could stick for me Oh Rosalyn it ya know

169

00:08:50,069 --> 00:08:48,100

I I think with the I think with this

170

00:08:52,740 --> 00:08:50,079

it you're right Jess it definitely does

171

00:08:54,030 --> 00:08:52,750

I mean it it jumps all over the place

172

00:08:55,620 --> 00:08:54,040

like when you're dealing with something

173

00:08:57,809 --> 00:08:55,630

like this it's crazy because you start

174

00:09:00,090 --> 00:08:57,819

to explain one thing but in order for

175

00:09:02,910 --> 00:09:00,100

you to like understand that one thing I

176
00:09:05,579 --> 00:09:02,920
have to take you back you know 30 years

177
00:09:08,340 --> 00:09:05,589
to explain this first guy who did this

178
00:09:10,860 --> 00:09:08,350
thing that built this you know what it

179
00:09:13,319 --> 00:09:10,870
is today like it goes all over the place

180
00:09:16,290 --> 00:09:13,329
because dealing with so many different

181
00:09:17,939 --> 00:09:16,300
subjects like one thing is like okay you

182
00:09:20,249 --> 00:09:17,949
have the engineers you have the

183
00:09:23,009 --> 00:09:20,259
government people you have the CIA guys

184
00:09:24,840 --> 00:09:23,019
you have the experiences themselves and

185
00:09:26,790 --> 00:09:24,850
you have the ETS now they're all doing

186
00:09:30,329 --> 00:09:26,800
their own separate thing but we have

187
00:09:32,490 --> 00:09:30,339
this story that has to do with all six

188
00:09:35,699 --> 00:09:32,500

of these separate parties you know it's

189

00:09:38,790 --> 00:09:35,709

it's all like yes it does get within one

190

00:09:42,059 --> 00:09:38,800

story the the genesis of it could jump

191

00:09:44,370 --> 00:09:42,069

around from one you know little group to

192

00:09:47,340 --> 00:09:44,380

the other really fast because yeah it

193

00:09:48,900 --> 00:09:47,350

it's just it it's all just buried

194

00:09:50,430 --> 00:09:48,910

there's a bunch of buried stuff and when

195

00:09:52,470 --> 00:09:50,440

you're dealing with like a topic like

196

00:09:54,449 --> 00:09:52,480

this that's just shrouded and like

197

00:09:57,329 --> 00:09:54,459

mystery and there's a lot of secrecy

198

00:09:59,670 --> 00:09:57,339

going on you don't really know exactly

199

00:10:02,519 --> 00:09:59,680

what happened or what was said you just

200

00:10:04,590 --> 00:10:02,529

have some stuff to go off of like an

201

00:10:07,050 --> 00:10:04,600

official like a government official said

202

00:10:09,420 --> 00:10:07,060

this on camera so we have that testimony

203

00:10:11,370 --> 00:10:09,430

to go off of and then we have like you

204

00:10:14,269 --> 00:10:11,380

know documents that we could read and in

205

00:10:16,650 --> 00:10:14,279

reference like the what was the the

206

00:10:18,420 --> 00:10:16,660

secret conversation that was that was

207

00:10:21,720 --> 00:10:18,430

written up that just came out was like

208

00:10:22,470 --> 00:10:21,730

the Patterson or the Richardson document

209

00:10:29,400 --> 00:10:22,480

or something like that

210

00:10:32,100 --> 00:10:29,410

oh the Peters is something like that

211

00:10:35,639 --> 00:10:32,110

yeah the Wilson Donelson document you go

212

00:10:38,220 --> 00:10:35,649

yeah which was the Admiral yeah of the

213

00:10:41,189 --> 00:10:38,230

Navy and then a private company right

214

00:10:47,850 --> 00:10:41,199

yeah so like it just jumps all over the

215

00:10:49,499 --> 00:10:47,860

place I don't your eyes are like but I

216

00:10:52,319 --> 00:10:49,509

think that's in my nature because I

217

00:10:55,170 --> 00:10:52,329

don't go super deep on any anything

218

00:10:58,230 --> 00:10:55,180

really I have a lot of varied interests

219

00:10:59,759 --> 00:10:58,240

yeah and you all have a lot of varied

220

00:11:01,110 --> 00:10:59,769

interest but you go super deep and

221

00:11:03,360 --> 00:11:01,120

you're able to remember a lot of

222

00:11:09,420 --> 00:11:03,370

civics so I'm always impressed by that

223

00:11:12,480 --> 00:11:09,430

and impressed by your passion the last

224

00:11:14,579 --> 00:11:12,490

fact I want to share is that we all live

225

00:11:17,309 --> 00:11:14,589

together like right when we were first

226

00:11:26,220 --> 00:11:17,319

dating oh that's right which is kind of

227

00:11:29,220 --> 00:11:26,230

crazy I'm stone and then the orchard so

228

00:11:37,739 --> 00:11:29,230

Ben and Joe we're living together and we

229

00:11:40,230 --> 00:11:37,749

were so we got to see each other early

230

00:11:43,019 --> 00:11:40,240

on and I remember coming back to the

231

00:11:45,090 --> 00:11:43,029

apartment and Joe and Amanda would be

232

00:11:46,710 --> 00:11:45,100

like we just watch this documentary and

233

00:11:51,559 --> 00:11:46,720

then Joe is start talking about it and I

234

00:12:03,239 --> 00:11:54,540

documentaries do we love document I

235

00:12:05,910 --> 00:12:03,249

learned so much I think this the thing

236

00:12:07,710 --> 00:12:05,920

that like kind of like captivates me at

237

00:12:12,290 --> 00:12:07,720

Ben is that when you start looking into

238

00:12:15,720 --> 00:12:12,300

this kind of stuff you're like whoa like

239

00:12:18,090 --> 00:12:15,730

some stuff is is total [h__h] Brett

240

00:12:21,090 --> 00:12:18,100

and the same token there's a lot of

241

00:12:25,049 --> 00:12:21,100

stuff that there's like documents and

242

00:12:28,679 --> 00:12:25,059

footage and like it's such a mysterious

243

00:12:30,059 --> 00:12:28,689

thing that it's you know like me and Ben

244

00:12:33,119 --> 00:12:30,069

have had this conversation before like

245

00:12:36,449 --> 00:12:33,129

this is extremely fascinating that we're

246

00:12:38,579 --> 00:12:36,459

like on the cusp of like revealing a lot

247

00:12:40,259 --> 00:12:38,589

of this stuff and like you know we may

248

00:12:42,150 --> 00:12:40,269

never figure it out but there's just

249

00:12:45,419 --> 00:12:42,160

always more and more information coming

250

00:12:47,819 --> 00:12:45,429

out of this like whoa like yeah okay

251
00:12:49,919 --> 00:12:47,829
like we're talking about energy that can

252
00:12:52,460 --> 00:12:49,929
like technology that can like change the

253
00:12:55,079 --> 00:12:52,470
world yeah you know we're talking about

254
00:12:58,439 --> 00:12:55,089
if there ever were to be like a

255
00:13:01,319 --> 00:12:58,449
conspiracy of you know like world

256
00:13:03,569 --> 00:13:01,329
officials that were trying to actually

257
00:13:07,259 --> 00:13:03,579
harm the population or stop the

258
00:13:11,189 --> 00:13:07,269
population from succeeding like we have

259
00:13:13,319 --> 00:13:11,199
that as well like it's it like it's only

260
00:13:14,940 --> 00:13:13,329
one aspect of all this stuff but then

261
00:13:18,480 --> 00:13:14,950
when you start to branch out

262
00:13:21,210 --> 00:13:18,490
word you're like okay that affects like

263
00:13:23,550 --> 00:13:21,220

regular everyday society like on a on a

264

00:13:26,370 --> 00:13:23,560

big level yeah because if the chances

265

00:13:30,690 --> 00:13:26,380

are that they have discovered some sort

266

00:13:32,819 --> 00:13:30,700

of you know energy or some sort of you

267

00:13:35,129 --> 00:13:32,829

know science that could help the entire

268

00:13:37,259 --> 00:13:35,139

world and they're suppressing it like

269

00:13:39,480 --> 00:13:37,269

that affects us yeah I think I think

270

00:13:41,579 --> 00:13:39,490

that's why I'm the most interested in it

271

00:13:44,189 --> 00:13:41,589

is that it's not just aliens are real

272

00:13:46,740 --> 00:13:44,199

it's like this energy that they're able

273

00:13:48,240 --> 00:13:46,750

to harness and this physics that we just

274

00:13:50,519 --> 00:13:48,250

haven't been able to figure out yet

275

00:13:53,360 --> 00:13:50,529

that's what interests me the most yeah

276

00:13:55,439 --> 00:13:53,370

yeah like like I mean Steven Greer says

277

00:13:58,590 --> 00:13:55,449

it's not that they don't want you to

278

00:14:00,240 --> 00:13:58,600

know that the aliens are here it's how

279

00:14:02,850 --> 00:14:00,250

they're getting here and the technology

280

00:14:03,509 --> 00:14:02,860

that they're using to to actually get

281

00:14:07,680 --> 00:14:03,519

here yeah

282

00:14:15,540 --> 00:14:07,690

you know it's kind of deep you know it

283

00:14:21,550 --> 00:14:15,550

is really deep you know I always look

284

00:14:21,560 --> 00:14:33,920

[Laughter]

285

00:14:43,230 --> 00:14:40,800

Coneheads to is good like there's

286

00:14:45,569 --> 00:14:43,240

probably a spectrum that people fall on

287

00:14:48,689 --> 00:14:45,579

where they are really curious about the

288

00:14:51,630 --> 00:14:48,699

what if and very curious also about

289

00:14:58,079 --> 00:14:51,640

conspiracy overall hmm and I probably

290

00:15:01,139 --> 00:14:58,089

just fall like a 2 or 3 on that spectrum

291

00:15:10,319 --> 00:15:01,149

yes you and Joe or more of like a

292

00:15:11,699 --> 00:15:10,329

curious to Levin that makes this you

293

00:15:13,710 --> 00:15:11,709

make a good point because I think there

294

00:15:16,290 --> 00:15:13,720

it definitely depends on the type of

295

00:15:17,819 --> 00:15:16,300

person like it we're just very curious

296

00:15:19,980 --> 00:15:17,829

and like the unknown and like that

297

00:15:22,920 --> 00:15:19,990

excites us yeah a lot we want to figure

298

00:15:25,980 --> 00:15:22,930

it out and it just compels us to spend a

299

00:15:27,270 --> 00:15:25,990

lot of our time recording you know our

300

00:15:29,660 --> 00:15:27,280

conversations

301

00:15:32,100 --> 00:15:29,670

yeah the other night we're talking about

302

00:15:35,040 --> 00:15:32,110

like the whole if something were to come

303

00:15:38,130 --> 00:15:35,050

into our room at night mm-hmm Joe's like

304

00:15:39,570 --> 00:15:38,140

I never look out the our bedroom every

305

00:15:41,100 --> 00:15:39,580

time I have to get up go the restroom I

306

00:15:43,170 --> 00:15:41,110

just go straight to the restaurant I'm

307

00:15:45,260 --> 00:15:43,180

like oh no if I wake up like this the

308

00:15:49,020 --> 00:15:45,270

first place I look is out our door oh

309

00:15:53,520 --> 00:15:49,030

that's cool I have to know if somebody's

310

00:15:55,470 --> 00:15:53,530

looking at me right so we I mean have we

311

00:15:57,390 --> 00:15:55,480

had that conversation yet like no I'm

312

00:15:59,370 --> 00:15:57,400

like thinking about how we plan

313

00:16:01,290 --> 00:15:59,380

emergency escape routes and like we

314

00:16:01,830 --> 00:16:01,300

don't plan for emergencies we just jump

315

00:16:13,020 --> 00:16:01,840

out the window

316

00:16:14,610 --> 00:16:13,030

yeah feared to have to prepare but yeah

317

00:16:16,980 --> 00:16:14,620

we haven't we haven't come up with a

318

00:16:19,140 --> 00:16:16,990

plan but you know I just don't know how

319

00:16:21,600 --> 00:16:19,150

serious to take it I think it's because

320

00:16:25,830 --> 00:16:21,610

I'm scared that that it's a possibility

321

00:16:28,950 --> 00:16:25,840

you know if if an alien ever showed up

322

00:16:30,750 --> 00:16:28,960

in our house like what do you do well I

323

00:16:33,540 --> 00:16:30,760

think I would refer back I know what

324

00:16:35,440 --> 00:16:33,550

episode it was but where she's like no I

325

00:16:38,660 --> 00:16:35,450

don't have time for this leave me alone

326

00:16:41,880 --> 00:16:38,670

[Laughter]

327

00:16:43,079 --> 00:16:41,890

comment in the community to have so

328

00:16:45,720 --> 00:16:43,089

escape route

329

00:16:48,300 --> 00:16:45,730

well abductees they it happens to them

330

00:16:50,880 --> 00:16:48,310

so often that I mean what the reference

331

00:16:51,300 --> 00:16:50,890

man is talking to was it Melinda or was

332

00:16:54,780 --> 00:16:51,310

it

333

00:16:56,940 --> 00:16:54,790

Ronnie Sprague had that story oh wow got

334

00:16:58,230 --> 00:16:56,950

it right yeah so they show these aliens

335

00:17:01,340 --> 00:16:58,240

just show up to these people all the

336

00:17:04,410 --> 00:17:01,350

time to like hey come on come on jump in

337

00:17:09,150 --> 00:17:04,420

so I guess this person was like hey not

338

00:17:10,770 --> 00:17:09,160

tonight I do not feel feel like for

339

00:17:13,079 --> 00:17:10,780

abductees it happens all the time like

340

00:17:15,569 --> 00:17:13,089

they just show up and say hey let's go

341

00:17:18,059 --> 00:17:15,579

and it apparently caught the et

342

00:17:20,100 --> 00:17:18,069

off-guard because what they'll do a lot

343

00:17:23,160 --> 00:17:20,110

of times is they've kind of linked like

344

00:17:26,220 --> 00:17:23,170

the owl to like abduction experiences

345

00:17:28,380 --> 00:17:26,230

and strange things that happen and a lot

346

00:17:30,810 --> 00:17:28,390

of times they'll screen memory so

347

00:17:33,600 --> 00:17:30,820

something's happening to you but you

348

00:17:36,150 --> 00:17:33,610

don't you don't remember it you see

349

00:17:38,730 --> 00:17:36,160

something else you know out in the

350

00:17:40,169 --> 00:17:38,740

distance or you know you you're like oh

351

00:17:41,130 --> 00:17:40,179

is that an alien well they'll screen

352

00:17:42,840 --> 00:17:41,140

memory you too

353

00:17:46,500 --> 00:17:42,850

like no it's just an owl or it's a fox

354

00:17:50,220 --> 00:17:46,510

or something out in the woods right they

355

00:17:53,040 --> 00:17:50,230

can even take you and be gone for hours

356

00:17:55,770 --> 00:17:53,050

and put you back right before they took

357

00:17:57,540 --> 00:17:55,780

you and then your memory is completely

358

00:17:59,190 --> 00:17:57,550

blank you just think you were standing

359

00:18:01,410 --> 00:17:59,200

there looking out the window there's

360

00:18:02,730 --> 00:18:01,420

something so there really is no escape

361

00:18:05,190 --> 00:18:02,740

route

362

00:18:06,840 --> 00:18:05,200

yeah right yeah but yeah all you could

363

00:18:09,270 --> 00:18:06,850

do is just say hey maybe not tonight

364

00:18:12,060 --> 00:18:09,280

yeah but in this woman's case she

365

00:18:14,730 --> 00:18:12,070

actually saw it and like ran out side

366

00:18:17,220 --> 00:18:14,740

and was telling it no no no get away

367

00:18:19,710 --> 00:18:17,230

confronted it and I'll tried to scream

368

00:18:21,720 --> 00:18:19,720

memory and like it freaked out and it

369

00:18:23,460 --> 00:18:21,730

like tripped and like ran away like out

370

00:18:23,640 --> 00:18:23,470

little woods because it wasn't expecting

371

00:18:25,680 --> 00:18:23,650

that

372

00:18:28,500 --> 00:18:25,690

like it doesn't probably usually happen

373

00:18:30,330 --> 00:18:28,510

right but it wasn't it tried to to make

374

00:18:34,860 --> 00:18:30,340

her think it was an owl but she saw the

375

00:18:36,620 --> 00:18:34,870

being like it tripped it I I was

376

00:18:40,260 --> 00:18:36,630

envisioning an owl tripping but it

377

00:18:42,330 --> 00:18:40,270

wasn't it the alien being yeah because

378

00:18:53,790 --> 00:18:42,340

because it it's like it's like his

379

00:18:56,940 --> 00:18:53,800

glasses fall off he's like to imagine

380

00:19:00,120 --> 00:18:56,950

like alien contact dude how big a

381

00:19:03,860 --> 00:19:00,130

massive contact like big is like a

382

00:19:13,050 --> 00:19:10,650

it's a suction noise yeah what's the

383

00:19:17,630 --> 00:19:13,060

opinion of the community about like

384

00:19:22,380 --> 00:19:17,640

fictitious films that are representing

385

00:19:30,540 --> 00:19:22,390

experiences like I think that's an

386

00:19:32,540 --> 00:19:30,550

extreme or humorous rendition but yeah

387

00:19:35,310 --> 00:19:32,550

like like what's like what's our

388

00:19:37,260 --> 00:19:35,320

thoughts on on the movies that like kind

389

00:19:39,660 --> 00:19:37,270

of make fun of the subject or just like

390

00:19:41,670 --> 00:19:39,670

in general recreations of movies like

391

00:19:44,310 --> 00:19:41,680

this it was like serious ones like fire

392

00:19:46,860 --> 00:19:44,320

in the sky which is the Travis Walton

393

00:19:48,870 --> 00:19:46,870

story it's it's a very serious movie

394

00:19:50,820 --> 00:19:48,880

it's kind of a thriller really yeah and

395

00:19:53,120 --> 00:19:50,830

then there's Coneheads like there's this

396

00:19:55,060 --> 00:19:53,130

like a huge spectrum I think I

397

00:19:56,620 --> 00:19:55,070

appreciate all of them cuz I

398

00:19:59,320 --> 00:19:56,630

anything that has to do with aliens but

399

00:20:00,519 --> 00:19:59,330

yeah if you can laugh and then have also

400

00:20:02,830 --> 00:20:00,529

watch another movie that's really

401

00:20:05,289 --> 00:20:02,840

serious and kind of spooky that one

402

00:20:10,259 --> 00:20:05,299

where they went into the cabin with

403

00:20:14,440 --> 00:20:10,269

what's-his-name Christopher Walken oh

404

00:20:17,529 --> 00:20:14,450

that was a communion the Willys fever

405

00:20:19,629 --> 00:20:17,539

story yeah dude I want to watch that

406

00:20:20,889 --> 00:20:19,639

movie so bad are you seven found it yes

407

00:20:31,690 --> 00:20:20,899

so ya'll said you rented it from the

408

00:20:34,240 --> 00:20:31,700

video store and I think that's like what

409

00:20:36,009 --> 00:20:34,250

our conversation started like what if we

410

00:20:38,980 --> 00:20:36,019

see something in our room because he saw

411

00:20:44,950 --> 00:20:38,990

an alien key pop it in the room yeah

412

00:20:47,830 --> 00:20:44,960

yeah just like slowly comes it's dude

413

00:20:50,230 --> 00:20:47,840

like it's it's emotionless like the eyes

414

00:20:52,119 --> 00:20:50,240

are just big and then like the door is

415

00:20:54,340 --> 00:20:52,129

open and then from the other side of the

416

00:20:56,649 --> 00:20:54,350

door you slowly see it like just move

417

00:21:00,789 --> 00:20:56,659

into frame yeah like puts its hands

418

00:21:02,529 --> 00:21:00,799

around also if you're an alien with a

419

00:21:06,850 --> 00:21:02,539

big head like you're gonna see that head

420

00:21:10,450 --> 00:21:06,860

way before it's like this big dome like

421

00:21:12,430 --> 00:21:10,460

yes I I think I think the community's

422

00:21:17,529 --> 00:21:12,440

opinion on the on the film's though is

423

00:21:20,110 --> 00:21:17,539

like there there is a there is an

424

00:21:22,690 --> 00:21:20,120

entertainment aspect to it right yeah um

425

00:21:25,450 --> 00:21:22,700

but there's also like this serious side

426

00:21:28,600 --> 00:21:25,460

yeah and I think the goofy movies like

427

00:21:31,389 --> 00:21:28,610

you know like Mars attack or Coneheads

428

00:21:33,039 --> 00:21:31,399

or whatever I think people don't have a

429

00:21:35,200 --> 00:21:33,049

problem with it because they understand

430

00:21:38,080 --> 00:21:35,210

that it's just satire it's it's dealing

431

00:21:39,909 --> 00:21:38,090

with the subject of different

432

00:21:42,759 --> 00:21:39,919

civilization yeah when it comes to the

433

00:21:44,830 --> 00:21:42,769

more serious movies I think people have

434

00:21:47,619 --> 00:21:44,840

more problems with the serious movies

435

00:21:49,960 --> 00:21:47,629

because they want a 100% accurate

436

00:21:51,430 --> 00:21:49,970

depiction of what happened yeah but

437

00:21:53,200 --> 00:21:51,440

usually that doesn't happen because it's

438

00:21:55,090 --> 00:21:53,210

Hollywood right right Hollywood you know

439

00:21:56,799 --> 00:21:55,100

they're there to make a buck they got to

440

00:21:58,960 --> 00:21:56,809

put scary stuff in we're scary stuff

441

00:22:01,690 --> 00:21:58,970

isn't even supposed to be there you know

442

00:22:05,200 --> 00:22:01,700

they may embellish some things a little

443

00:22:08,440 --> 00:22:05,210

more than usual but you know yeah I

444

00:22:14,590 --> 00:22:08,450

think overall like people don't have a

445

00:22:17,460 --> 00:22:14,600

yeah you know yeah yeah I'd like to know

446

00:22:20,200 --> 00:22:17,470

you go I was gonna say I mean I think

447

00:22:23,440 --> 00:22:20,210

it's just one more way for this you know

448

00:22:26,980 --> 00:22:23,450

this phenomena to get out into the the

449

00:22:28,540 --> 00:22:26,990

culture like we're already so influenced

450

00:22:30,220 --> 00:22:28,550

by alien movies already

451

00:22:32,380 --> 00:22:30,230

I mean alien movies has been around

452

00:22:35,410 --> 00:22:32,390

since you know since movies were movies

453

00:22:37,920 --> 00:22:35,420

right so so it's always been there and

454

00:22:40,450 --> 00:22:37,930

even like a you know like maybe like

455

00:22:43,000 --> 00:22:40,460

some people do know some stuff and

456

00:22:46,800 --> 00:22:43,010

that's how they slowly acclimate the the

457

00:22:49,120 --> 00:22:46,810

population to the actual arrival of

458

00:22:50,710 --> 00:22:49,130

extraterrestrials so when they get here

459

00:22:52,930 --> 00:22:50,720

it's not really that big of a shock to

460

00:22:54,700 --> 00:22:52,940

us because we may have seen some things

461

00:22:56,770 --> 00:22:54,710

that are similar so what's actually

462

00:22:59,350 --> 00:22:56,780

gonna happen in the movies right so they

463

00:23:01,270 --> 00:22:59,360

you know the the trickle disclosure or

464

00:23:03,610 --> 00:23:01,280

whatever you want to call it right no

465

00:23:06,370 --> 00:23:03,620

well then what but so much of our

466

00:23:09,190 --> 00:23:06,380

culture like we rely like we react to

467

00:23:11,500 --> 00:23:09,200

things based off of what we've seen you

468

00:23:16,060 --> 00:23:11,510

know like I remember growing up watching

469

00:23:19,450 --> 00:23:16,070

a what's uh Cory Matthews what's show is

470

00:23:21,580 --> 00:23:19,460

that Boy Meets World I remember like a

471

00:23:23,320 --> 00:23:21,590

specific incidents where he reacted to

472

00:23:26,440 --> 00:23:23,330

this this kid who was being an [h__h]

473

00:23:28,270 --> 00:23:26,450

and I like remember I had some I had a

474

00:23:31,210 --> 00:23:28,280

similar situation in my life and I

475

00:23:34,990 --> 00:23:31,220

reacted exactly like Cory Matthews did

476
00:23:37,810 --> 00:23:35,000
you know it's the same thing like but on

477
00:23:39,700 --> 00:23:37,820
a bigger scale right great like I think

478
00:23:42,100 --> 00:23:39,710
these movies are like influencing the

479
00:23:43,180 --> 00:23:42,110
public on how to react to aliens which

480
00:23:45,570 --> 00:23:43,190
you've got to be careful with too

481
00:23:48,610 --> 00:23:45,580
because a lot of them are from the

482
00:23:50,440 --> 00:23:48,620
attack side right but you know we had

483
00:23:53,080 --> 00:23:50,450
Justin on so like you got to stay

484
00:23:56,620 --> 00:23:53,090
prepared for that all right but do we

485
00:23:58,510 --> 00:23:56,630
know like 100% for certain you know I

486
00:24:01,060 --> 00:23:58,520
mean we've had both opinions on like

487
00:24:02,830 --> 00:24:01,070
they're good and they're bad so it's

488
00:24:04,470 --> 00:24:02,840

best to just keep an open mind

489

00:24:07,450 --> 00:24:04,480

yeah we all seen those YouTube videos

490

00:24:09,550 --> 00:24:07,460

it's like that alien Halloween costume

491

00:24:11,890 --> 00:24:09,560

and I'm like they're pretending like

492

00:24:14,230 --> 00:24:11,900

they're being taken oh yeah yeah right

493

00:24:17,970 --> 00:24:14,240

yeah it's like the inflatable one yeah

494

00:24:21,310 --> 00:24:17,980

[Laughter]

495

00:24:24,639 --> 00:24:21,320

yeah I see you you're

496

00:24:26,080 --> 00:24:24,649

I looked over at the phone you haven't I

497

00:24:30,820 --> 00:24:26,090

think I feel like you're interviewing us

498

00:24:32,620 --> 00:24:30,830

I was just reflecting on the movies that

499

00:24:34,480 --> 00:24:32,630

I like oh yeah

500

00:24:36,340 --> 00:24:34,490

that not fall into this category and I

501
00:24:38,529 --> 00:24:36,350
was looking up what their actual names

502
00:24:41,529 --> 00:24:38,539
were thank you because I do not have the

503
00:24:45,159 --> 00:24:41,539
impressive memories of both of you so I

504
00:24:46,590 --> 00:24:45,169
wrote down a rival with Amy Adams what

505
00:24:48,909 --> 00:24:46,600
did you what did you think about that I

506
00:24:53,200 --> 00:24:48,919
I thought it was very thought-provoking

507
00:24:58,409 --> 00:24:53,210
and I liked that there was a lot of

508
00:25:01,810 --> 00:24:58,419
decoding involved and I liked that she

509
00:25:04,119 --> 00:25:01,820
brought a sense of like peace and

510
00:25:06,340 --> 00:25:04,129
understanding to the scenario that had

511
00:25:09,310 --> 00:25:06,350
been very intense and almost violent

512
00:25:12,310 --> 00:25:09,320
yeah when I was younger the one that

513
00:25:13,659 --> 00:25:12,320

freaked me out the most was signs cuz

514

00:25:16,180 --> 00:25:13,669

like we always watched it at my dad's

515

00:25:23,590 --> 00:25:16,190

house my dad lives in the country oh no

516

00:25:25,749 --> 00:25:23,600

and so like it always freaked me out I

517

00:25:28,389 --> 00:25:25,759

don't know why because I always have

518

00:25:30,460 --> 00:25:28,399

water yeah I was gonna say is that why

519

00:25:40,320 --> 00:25:30,470

you leave like three quarter bottles of

520

00:25:43,659 --> 00:25:40,330

water all over the house a 20 pack of

521

00:25:52,230 --> 00:25:43,669

bottled water and then by the end of the

522

00:25:56,440 --> 00:25:54,759

so I can't remember is there are the

523

00:25:58,090 --> 00:25:56,450

aliens like afraid of water or something

524

00:26:05,350 --> 00:25:58,100

yeah yeah okay

525

00:26:06,930 --> 00:26:05,360

yeah it spills on when they die yeah I

526

00:26:09,369 --> 00:26:06,940

haven't seen in a while

527

00:26:11,169 --> 00:26:09,379

what a terrible weakness to have like

528

00:26:14,940 --> 00:26:11,179

Europe you can't have water

529

00:26:18,490 --> 00:26:14,950

yeah rains Walton you're done yeah man

530

00:26:20,379 --> 00:26:18,500

must be from the desert well that would

531

00:26:24,610 --> 00:26:20,389

be like I guess the weakness of a

532

00:26:26,560 --> 00:26:24,620

vampire with sunlight oh yeah yeah it

533

00:26:30,989 --> 00:26:26,570

was gonna be walking around the dark

534

00:26:40,930 --> 00:26:35,320

so if you were in a be any Amy Adams

535

00:26:46,450 --> 00:26:40,940

position in arrival what would you do an

536

00:26:51,519 --> 00:26:46,460

arrival I just hope to be as wise as her

537

00:26:58,060 --> 00:26:51,529

I don't know if I would even be able to

538

00:27:15,099 --> 00:26:58,070

like process it brave brave brave and

539

00:27:18,700 --> 00:27:15,109

strong he's flexing right what else you

540

00:27:20,259 --> 00:27:18,710

got 100 Nile ation Carson I'll always

541

00:27:23,499 --> 00:27:20,269

look at that word in it and I want to

542

00:27:26,349 --> 00:27:23,509

say inhalation inhalation noise

543

00:27:28,749 --> 00:27:26,359

I wrote annihilation and the girl with

544

00:27:30,639 --> 00:27:28,759

all the gifts which is we first listen

545

00:27:34,389 --> 00:27:30,649

to that in book form on our road trip oh

546

00:27:37,899 --> 00:27:34,399

yeah we watch the video but both of

547

00:27:39,969 --> 00:27:37,909

those are more mutations that create

548

00:27:42,009 --> 00:27:39,979

these unique atmospheres and

549

00:27:48,459 --> 00:27:42,019

environments which i think is more

550

00:27:52,959 --> 00:27:48,469

tangible to me yeah but they yeah unique

551
00:27:57,310 --> 00:27:52,969
beings based on science science yeah

552
00:27:59,079 --> 00:27:57,320
which is I definitely see that aliens

553
00:28:01,629 --> 00:27:59,089
came about in that way and yeah that's

554
00:28:03,519 --> 00:28:01,639
one of your interests well cuz we're

555
00:28:06,009 --> 00:28:03,529
doctors scientists yeah yeah absolutely

556
00:28:08,919 --> 00:28:06,019
yeah just like how different planets

557
00:28:13,989 --> 00:28:08,929
have different molecular makeups and

558
00:28:16,089 --> 00:28:13,999
life you know could could start you know

559
00:28:18,729 --> 00:28:16,099
with a completely different chemical

560
00:28:22,599 --> 00:28:18,739
form mixture than how life started here

561
00:28:29,519 --> 00:28:22,609
on earth Yeah right doctor scientist

562
00:28:35,510 --> 00:28:29,529
wife's you will now introduce yourselves

563
00:28:35,520 --> 00:28:40,290

[Laughter]

564

00:28:45,380 --> 00:28:43,110

I feel like just being on the show

565

00:28:53,970 --> 00:28:45,390

you're now dr. scientists yourself

566

00:28:55,230 --> 00:28:53,980

official official doctor well do I want

567

00:28:56,460 --> 00:28:55,240

to look at some videos and get some

568

00:29:02,430 --> 00:28:56,470

reactions on what you guys think

569

00:29:06,270 --> 00:29:02,440

let's check it out all right so one of

570

00:29:08,010 --> 00:29:06,280

them my creepy okay so this is we we

571

00:29:09,330 --> 00:29:08,020

just chose a couple of videos that we

572

00:29:10,710 --> 00:29:09,340

really like it I just come want to see

573

00:29:12,150 --> 00:29:10,720

what you guys think I don't know Amanda

574

00:29:14,940 --> 00:29:12,160

you might have seen these I don't think

575

00:29:17,460 --> 00:29:14,950

justice seen these some of the most

576

00:29:21,390 --> 00:29:17,470

compelling videos the first one is the

577

00:29:23,310 --> 00:29:21,400

2007 UFO incident and Turkey and it's

578

00:29:25,850 --> 00:29:23,320

off the coast of Turkey off over the

579

00:29:27,930 --> 00:29:25,860

water and some people claim that

580

00:29:29,580 --> 00:29:27,940

actually I don't want to even set it up

581

00:29:46,800 --> 00:29:29,590

I just kind of want to see us reaction

582

00:29:48,450 --> 00:29:46,810

to it before I explain I was like so

583

00:29:51,810 --> 00:29:48,460

they normally do you normally see more

584

00:29:54,210 --> 00:29:51,820

sightings like on full moons I don't I

585

00:30:07,240 --> 00:29:54,220

don't think they're they're very picky

586

00:30:13,060 --> 00:30:10,930

so thing is pretty massive yeah so he's

587

00:30:21,100 --> 00:30:13,070

standing by the beach right and he's

588

00:30:22,870 --> 00:30:21,110

zooming in over the water so do you

589

00:30:30,070 --> 00:30:22,880

think he's getting like his energy from

590

00:30:32,470 --> 00:30:30,080

the full moon cause like when we went to

591

00:30:34,210 --> 00:30:32,480

Sedona and I know once you were in

592

00:30:44,409 --> 00:30:34,220

Sedona like those vortexes and

593

00:30:48,399 --> 00:30:44,419

everything like they power up there and

594

00:30:50,830 --> 00:30:48,409

they also have a were they did the the

595

00:30:53,350 --> 00:30:50,840

measurements they took the measurements

596

00:30:56,409 --> 00:30:53,360

of how far out it was how high up it was

597

00:31:00,640 --> 00:30:56,419

and how how big the craft was and they

598

00:31:02,169 --> 00:31:00,650

also did some some lighting on the

599

00:31:05,610 --> 00:31:02,179

imaging where they they messed with the

600

00:31:09,549 --> 00:31:05,620

lighting and in the middle you can see

601
00:31:13,600 --> 00:31:09,559
three little faces in a window that's

602
00:31:15,279 --> 00:31:13,610
awesome so right now it's just hovering

603
00:31:16,600 --> 00:31:15,289
right now it's just hovering yeah it's

604
00:31:19,000 --> 00:31:16,610
not doing anything it's just sitting

605
00:31:34,360 --> 00:31:19,010
there getting powered up by the moon

606
00:31:36,039 --> 00:31:34,370
yeah moon power helium-3 so what do you

607
00:31:37,779 --> 00:31:36,049
think what can you tell what you're

608
00:31:42,279 --> 00:31:37,789
looking at or do you have an opinion

609
00:31:43,659 --> 00:31:42,289
yeah I guess right now like cuz this is

610
00:32:00,580 --> 00:31:43,669
just hovering I kinda want to see some

611
00:32:02,680 --> 00:32:00,590
action the beach the whole beach was was

612
00:32:07,140 --> 00:32:02,690
covered in it was covered in blood

613
00:32:09,610 --> 00:32:07,150

no in moon so it's all the time change

614

00:32:12,880 --> 00:32:09,620

everywhere it's been hovering for almost

615

00:32:15,430 --> 00:32:12,890

what two hours yeah okay so is that

616

00:32:16,810 --> 00:32:15,440

typical or sometimes it just like it

617

00:32:20,890 --> 00:32:16,820

could be seconds and then

618

00:32:22,600 --> 00:32:20,900

yeah it just depends it just depends so

619

00:32:27,340 --> 00:32:22,610

it looks like there's like some lego man

620

00:32:28,960 --> 00:32:27,350

in there right I could see big I could

621

00:32:35,890 --> 00:32:28,970

see two big head if you look in the very

622

00:32:36,910 --> 00:32:35,900

middle of it yeah at the top those are

623

00:32:40,860 --> 00:32:36,920

supposed to be yeah

624

00:32:43,960 --> 00:32:40,870

faces yeah supposed to be from who

625

00:32:45,430 --> 00:32:43,970

whoever's piloting the crap maybe

626

00:32:48,070 --> 00:32:45,440

they're just enjoying the beach view

627

00:32:49,060 --> 00:32:48,080

could be I'd like to I'd like to think

628

00:32:53,410 --> 00:32:49,070

that as well for some beachfront

629

00:32:57,160 --> 00:32:53,420

property you know I think I like this

630

00:33:00,550 --> 00:32:57,170

area except for those creeps there a new

631

00:33:04,150 --> 00:33:00,560

telescope no privacy every time we come

632

00:33:07,080 --> 00:33:04,160

here there's no privacy every time if

633

00:33:16,270 --> 00:33:15,100

so yeah the time changed again now this

634

00:33:17,290 --> 00:33:16,280

is a long video so we don't have to

635

00:33:24,490 --> 00:33:17,300

watch this yeah we're not gonna watch

636

00:33:26,500 --> 00:33:24,500

the hotels basically what yep and it's

637

00:33:29,110 --> 00:33:26,510

because the Sun is probably coming up

638

00:33:32,320 --> 00:33:29,120

and so the Sun is probably reflecting

639

00:33:35,740 --> 00:33:32,330

off the ship to make it Orange or it

640

00:33:41,200 --> 00:33:35,750

could just be turning orange yeah it's

641

00:33:43,390 --> 00:33:41,210

just like the lights on the ship so this

642

00:33:44,530 --> 00:33:43,400

gives you a better like view of where

643

00:34:04,030 --> 00:33:44,540

he's filming from because you can

644

00:34:07,240 --> 00:34:04,040

actually see those tell you about the

645

00:34:09,520 --> 00:34:07,250

time this was a couple weeks ago we were

646

00:34:13,180 --> 00:34:09,530

we were at her house we just like eaten

647

00:34:23,380 --> 00:34:13,190

and his mom called she step outside

648

00:34:25,330 --> 00:34:23,390

there's three lights to the gas station

649

00:34:26,680 --> 00:34:25,340

and we were sitting there and this thing

650

00:34:30,010 --> 00:34:26,690

was just sitting there

651
00:34:32,800 --> 00:34:30,020
woman what as it was getting dark like

652
00:34:35,770 --> 00:34:32,810
as was getting later and later like it

653
00:34:37,659 --> 00:34:35,780
just slowly like went down really yeah

654
00:34:38,860 --> 00:34:37,669
yeah I showed you pictures of it it was

655
00:34:41,620 --> 00:34:38,870
it was like two months ago

656
00:34:43,659 --> 00:34:41,630
oh yeah I'll show you the pictures again

657
00:34:46,090 --> 00:34:43,669
heck they're not very impressive but I

658
00:34:48,970 --> 00:34:46,100
mean it was interesting definitely

659
00:34:50,409 --> 00:34:48,980
interesting so they were like like balls

660
00:34:52,390 --> 00:34:50,419
of white in the sky well there was three

661
00:34:54,250 --> 00:34:52,400
of them at first yeah and then it went

662
00:34:59,020 --> 00:34:54,260
down to two okay which is weird

663
00:35:02,560 --> 00:34:59,030

I think could have been Jupiter and

664

00:35:06,310 --> 00:35:02,570

Venus and but that third one I don't

665

00:35:07,990 --> 00:35:06,320

know what happened from when we were at

666

00:35:09,970 --> 00:35:08,000

it look like it probably was what in

667

00:35:14,800 --> 00:35:09,980

Round Rock it looked like it was over

668

00:35:17,590 --> 00:35:14,810

over Round Rock my uh my mom had a and

669

00:35:21,220 --> 00:35:17,600

Jim had an experience going right

670

00:35:23,350 --> 00:35:21,230

driving through Round Rock they saw a

671

00:35:25,120 --> 00:35:23,360

really really bright like they thought a

672

00:35:28,150 --> 00:35:25,130

plane had crashed on the side of the

673

00:35:30,550 --> 00:35:28,160

highway huh one night and it was just it

674

00:35:32,920 --> 00:35:30,560

just you know no fire no no smoke or

675

00:35:35,170 --> 00:35:32,930

anything but big bright lights just

676

00:35:36,820 --> 00:35:35,180

crashed right beside them they kept

677

00:35:40,240 --> 00:35:36,830

going and we're like freaked out and

678

00:35:42,820 --> 00:35:40,250

like pulled over to see to help but yeah

679

00:35:44,470 --> 00:35:42,830

something about Round Rock anyway that's

680

00:35:46,270 --> 00:35:44,480

a crazy story to like tell in passing

681

00:35:49,780 --> 00:35:46,280

but yeah that's it's a cool story we'll

682

00:35:55,360 --> 00:35:49,790

have to tell in detail one what's the

683

00:35:59,350 --> 00:35:55,370

next one that one says the most famous

684

00:36:02,150 --> 00:35:59,360

is that a marketing technique for do you

685

00:36:06,320 --> 00:36:02,160

all consider that to be the most famous

686

00:36:09,440 --> 00:36:06,330

it's pretty up there on like is this is

687

00:36:12,170 --> 00:36:09,450

the individual does he make it famous or

688

00:36:15,170 --> 00:36:12,180

the duration of the footage does that

689

00:36:17,390 --> 00:36:15,180

make it famous it's really the its it's

690

00:36:20,060 --> 00:36:17,400

really the the sighting and the amount

691

00:36:22,160 --> 00:36:20,070

of like research that people have done

692

00:36:25,100 --> 00:36:22,170

like so when something like this comes

693

00:36:27,100 --> 00:36:25,110

out immediately there are hundreds of

694

00:36:29,000 --> 00:36:27,110

debunkers that come out and they

695

00:36:32,330 --> 00:36:29,010

automatically start trying to debunk

696

00:36:34,280 --> 00:36:32,340

everything and once you get down the

697

00:36:36,890 --> 00:36:34,290

line to you know a couple hundred people

698

00:36:40,400 --> 00:36:36,900

who can't debunk it then people start

699

00:36:41,630 --> 00:36:40,410

saying well what what is this all these

700

00:36:43,610 --> 00:36:41,640

people have tried to debunk it and

701
00:36:46,130 --> 00:36:43,620
nobody can't debunk it then they have

702
00:36:47,900 --> 00:36:46,140
you know like professionals look at the

703
00:36:50,060 --> 00:36:47,910
footage in the film the tape and they're

704
00:36:53,390 --> 00:36:50,070
like well there's no CGI there's no

705
00:36:55,430 --> 00:36:53,400
editing these guys can't debunk it we've

706
00:36:58,550 --> 00:36:55,440
done all the calculations and it looks

707
00:36:59,330 --> 00:36:58,560
to be about this big and that looks

708
00:37:01,730 --> 00:36:59,340
about right

709
00:37:04,160 --> 00:37:01,740
yeah and the end of it is basically I

710
00:37:06,760 --> 00:37:04,170
can't tell you what it is because I have

711
00:37:11,420 --> 00:37:06,770
no idea but in my professional opinion

712
00:37:14,710 --> 00:37:11,430
it's not a hoax yeah do the videos

713
00:37:18,440 --> 00:37:14,720

usually come out on YouTube first is it

714

00:37:20,270 --> 00:37:18,450

no a lot of times they'll circulate like

715

00:37:23,390 --> 00:37:20,280

within the community and then eventually

716

00:37:26,570 --> 00:37:23,400

they'll make it on YouTube the

717

00:37:28,910 --> 00:37:26,580

interesting thing about that is if you

718

00:37:30,410 --> 00:37:28,920

if you have something of significance

719

00:37:33,800 --> 00:37:30,420

which will come into play with the

720

00:37:36,380 --> 00:37:33,810

skinny Bob video where would be the best

721

00:37:38,930 --> 00:37:36,390

place to hide it and basically in plain

722

00:37:40,970 --> 00:37:38,940

sight you would you would hide things of

723

00:37:43,160 --> 00:37:40,980

significance on a platform that's full

724

00:37:45,740 --> 00:37:43,170

of crap and then nobody would think

725

00:37:49,670 --> 00:37:45,750

twice about it right so you know it kind

726
00:37:52,270 --> 00:37:49,680
of you know it kind of depends yeah on

727
00:37:59,480 --> 00:37:52,280
where it's coming from

728
00:38:01,640 --> 00:37:59,490
all right think of that video of where

729
00:38:03,020 --> 00:38:01,650
you're told to stare at a basketball

730
00:38:10,430 --> 00:38:03,030
player and like how many times they're

731
00:38:13,520 --> 00:38:10,440
dribbling and a gorilla runs across like

732
00:38:14,570 --> 00:38:13,530
hiding in plain sight yes just yeah it's

733
00:38:15,420 --> 00:38:14,580
all just

734
00:38:17,570 --> 00:38:15,430
actions yeah

735
00:38:20,990 --> 00:38:17,580
[Music]

736
00:38:24,290 --> 00:38:21,000
attention look here there's a word for

737
00:38:28,610 --> 00:38:24,300
that that's about misdirection there you

738
00:38:30,140 --> 00:38:28,620

go yeah yeah yeah it's I mean uh most of

739

00:38:33,950 --> 00:38:30,150

the videos that I've seen here all have

740

00:38:36,680 --> 00:38:33,960

all been on YouTube so I mean yeah so

741

00:38:38,390 --> 00:38:36,690

that for instance until now till now

742

00:38:42,820 --> 00:38:38,400

that was on the podcast

743

00:38:47,960 --> 00:38:45,110

you'll get in the inner circle

744

00:38:51,340 --> 00:38:47,970

yeah maybe that'd be cool what if there

745

00:38:53,410 --> 00:38:51,350

was an inner circle sightings video yeah

746

00:38:56,710 --> 00:38:53,420

[Music]

747

00:38:59,060 --> 00:38:56,720

this other one but this one this is also

748

00:39:02,090 --> 00:38:59,070

super famous one because it was caught

749

00:39:04,910 --> 00:39:02,100

on tape by bird filmed by multiple

750

00:39:07,490 --> 00:39:04,920

people not just one person yeah it was

751

00:39:10,640 --> 00:39:07,500

like actual like Israeli people some

752

00:39:12,320 --> 00:39:10,650

American tourists yeah there's like four

753

00:39:14,060 --> 00:39:12,330

different angles of this one yeah which

754

00:39:17,440 --> 00:39:14,070

is pretty cool yeah and this one was

755

00:39:19,100 --> 00:39:17,450

taken over Dome of the rock yeah in

756

00:39:28,810 --> 00:39:19,110

Jerusalem yeah yeah

757

00:39:36,680 --> 00:39:33,980

pregnant lady Pro yeah so this one's

758

00:39:38,240 --> 00:39:36,690

pretty interesting the zoomed out one is

759

00:39:40,280 --> 00:39:38,250

pretty cool too because you see the big

760

00:39:41,660 --> 00:39:40,290

flash that it makes yeah it's

761

00:39:44,750 --> 00:39:41,670

interesting that you can't see the flash

762

00:39:46,760 --> 00:39:44,760

on this close-up one and also these like

763

00:39:49,130 --> 00:39:46,770

the orb itself how it's doing that like

764

00:39:57,260 --> 00:39:49,140

wavy things I've been noticing that a

765

00:40:08,030 --> 00:39:57,270

lot yeah it's dancing in there I'll take

766

00:40:21,230 --> 00:40:08,040

a beer yeah boom and shoot ah you missed

767

00:40:22,279 --> 00:40:21,240

it here I'll play it again for you there

768

00:40:27,890 --> 00:40:22,289

you go where's

769

00:40:33,589 --> 00:40:27,900

that it's in Jerusalem Dome of the rock

770

00:40:34,999 --> 00:40:33,599

temple mound okay yeah and it just drops

771

00:40:36,439 --> 00:40:35,009

into four but it's created a zoomed out

772

00:40:38,749 --> 00:40:36,449

version you can see it come all the way

773

00:40:42,549 --> 00:40:38,759

down from the sky all right hold on stay

774

00:40:51,919 --> 00:40:49,699

boom so was this shared to y'all by one

775

00:41:03,739 --> 00:40:51,929

of your listeners or did y'all just find

776

00:41:05,689 --> 00:41:03,749

this no this is just on the internet we

777

00:41:09,739 --> 00:41:05,699

see like things like this a mrs. hit me

778

00:41:12,289 --> 00:41:09,749

all the time yeah so I mean that's a

779

00:41:16,609 --> 00:41:12,299

pretty interesting one um

780

00:41:27,649 --> 00:41:16,619

boo oh yeah there's the zoo okay that's

781

00:41:32,390 --> 00:41:27,659

cool yeah so what have the debunkers had

782

00:41:35,029 --> 00:41:32,400

to say about this they're nothing they

783

00:41:36,259 --> 00:41:35,039

can't they yeah they try to debunk it I

784

00:41:39,679 --> 00:41:36,269

have a question

785

00:41:42,559 --> 00:41:39,689

okay so each craft is shaped differently

786

00:41:48,949 --> 00:41:42,569

so do you think depending on the shape

787

00:41:50,509 --> 00:41:48,959

of the craft there from like like a

788

00:41:55,429 --> 00:41:50,519

different place like a different place

789

00:41:57,679 --> 00:41:55,439

or a planet or like part of their yeah

790

00:41:59,029 --> 00:41:57,689

the right word to put it could be I mean

791

00:42:01,159 --> 00:41:59,039

there's there's been like sightings and

792

00:42:04,189 --> 00:42:01,169

stories of like one of the earliest UFO

793

00:42:05,599 --> 00:42:04,199

UFO incidents is like the person got a

794

00:42:07,370 --> 00:42:05,609

really good look at the ship said it

795

00:42:10,039 --> 00:42:07,380

looked kind of like a trash can like it

796

00:42:11,630 --> 00:42:10,049

look terrible yeah and then some look

797

00:42:13,699 --> 00:42:11,640

you know like triangles a different

798

00:42:16,009 --> 00:42:13,709

shape so probably yeah they're probably

799

00:42:20,029 --> 00:42:16,019

all from different places yeah maybe or

800

00:42:23,630 --> 00:42:20,039

or it's it's it's kind of like us you

801
00:42:27,499 --> 00:42:23,640
know we don't all drive you know Priuses

802
00:42:29,929 --> 00:42:27,509
right like some people got trucks some

803
00:42:33,320 --> 00:42:29,939
people have Mercedes a staple you say

804
00:42:36,060 --> 00:42:33,330
some people got trucks now you got your

805
00:42:36,870 --> 00:42:36,070
yeah so I mean it could be the same

806
00:42:39,210 --> 00:42:36,880
thing right

807
00:42:41,130 --> 00:42:39,220
or maybe the smaller things that we're

808
00:42:44,010 --> 00:42:41,140
seeing the orbs and stuff have come down

809
00:42:45,810 --> 00:42:44,020
from a larger craft that's still up in

810
00:42:47,850 --> 00:42:45,820
the atmosphere that we can't see or it's

811
00:42:50,400 --> 00:42:47,860
hanging out in space you know near the

812
00:42:52,470 --> 00:42:50,410
moon maybe their transports maybe some

813
00:43:01,860 --> 00:42:52,480

are like the sports cars of the UFOs

814

00:43:03,570 --> 00:43:01,870

where they're just you know but some

815

00:43:05,850 --> 00:43:03,580

could be just doing like recon so they

816

00:43:08,220 --> 00:43:05,860

haul ass and you can't really see them

817

00:43:10,500 --> 00:43:08,230

occasionally people will catch them you

818

00:43:12,360 --> 00:43:10,510

know on their cameras and then maybe

819

00:43:14,130 --> 00:43:12,370

some of them aren't meant to do that so

820

00:43:17,910 --> 00:43:14,140

they just come down here and hover and

821

00:43:20,790 --> 00:43:17,920

you know I don't know maybe one craft is

822

00:43:22,560 --> 00:43:20,800

for a particular job correct yeah

823

00:43:24,360 --> 00:43:22,570

it's possible I mean we don't know

824

00:43:27,500 --> 00:43:24,370

because I mean there's there's there's

825

00:43:30,060 --> 00:43:27,510

accounts of people saying I saw the ship

826

00:43:33,690 --> 00:43:30,070

and it looked you know it was like a

827

00:43:36,750 --> 00:43:33,700

saucer ship say 45 feet long or whatever

828

00:43:38,730 --> 00:43:36,760

right and then when they go inside of

829

00:43:41,190 --> 00:43:38,740

the ship it's the size of like a

830

00:43:43,320 --> 00:43:41,200

warehouse and a giant warehouse so the

831

00:43:44,940 --> 00:43:43,330

the space inside of the craft is

832

00:43:47,640 --> 00:43:44,950

completely different than what is being

833

00:43:54,590 --> 00:43:47,650

shown to you on the outside some Harry

834

00:43:59,400 --> 00:43:57,210

nobody nobody's ever like made made a

835

00:44:01,590 --> 00:43:59,410

claim that like yeah these guys

836

00:44:08,250 --> 00:44:01,600

definitely stopped by pier 1 they picked

837

00:44:11,160 --> 00:44:08,260

me up out of a UFO a night oh they have

838

00:44:12,750 --> 00:44:11,170

so many decorative plants on stage where

839

00:44:16,740 --> 00:44:12,760

did you get these frames this counter

840

00:44:21,720 --> 00:44:16,750

for those stunning it's real marble oh

841

00:44:23,580 --> 00:44:21,730

it looks real ya know everybody it seems

842

00:44:25,470 --> 00:44:23,590

to be that the aliens or shitty

843

00:44:27,690 --> 00:44:25,480

decorators dude yeah it's a good point

844

00:44:29,460 --> 00:44:27,700

have no taste no taste I would think

845

00:44:35,970 --> 00:44:29,470

that everything on there would be like

846

00:44:38,820 --> 00:44:35,980

stainless steel yeah yeah yeah smooth

847

00:44:40,880 --> 00:44:38,830

easy clean yeah some people have even

848

00:44:44,010 --> 00:44:40,890

said that it's almost like a really like

849

00:44:45,599 --> 00:44:44,020

weird hard plastic that looks like he

850

00:44:48,029 --> 00:44:45,609

was pressed into a mold

851
00:44:50,609 --> 00:44:48,039
because there's no seams at all on the

852
00:44:52,680 --> 00:44:50,619
ship it's all like one solid piece and

853
00:44:55,380 --> 00:44:52,690
that's also just one type of ship right

854
00:44:58,799 --> 00:44:55,390
I remember when y'all played a Nana wack

855
00:45:02,940 --> 00:44:58,809
and y'all decided to go on that remember

856
00:45:12,539 --> 00:45:02,950
the in the festival is a Gravitron but

857
00:45:23,569 --> 00:45:12,549
they got on the outside the worker I was

858
00:45:35,700 --> 00:45:26,670
very kind of kind of yeah it was way

859
00:45:37,859 --> 00:45:35,710
more fun as a kid yep yep watch this

860
00:45:39,900 --> 00:45:37,869
other one Jess what do you think of that

861
00:45:42,660 --> 00:45:39,910
first one the one in the dark that's

862
00:45:46,039 --> 00:45:42,670
over the water what are your opinions is

863
00:45:48,749 --> 00:45:46,049

it look convincing to you

864

00:45:56,180 --> 00:45:48,759

alright you just just like you don't

865

00:46:06,930 --> 00:45:56,190

know what you're looking at submarine

866

00:46:07,769 --> 00:46:06,940

Yellow Submarine that's exact like

867

00:46:10,529 --> 00:46:07,779

that's a UFO

868

00:46:12,900 --> 00:46:10,539

I mean it's convincing to me yes but I

869

00:46:14,849 --> 00:46:12,910

want to see more action on it but I

870

00:46:15,989 --> 00:46:14,859

think this is probably one of those

871

00:46:23,220 --> 00:46:15,999

crafts where they're just kind of

872

00:46:26,220 --> 00:46:23,230

observing yeah literally like they can't

873

00:46:32,309 --> 00:46:26,230

even see us like we could totally see

874

00:46:34,130 --> 00:46:32,319

you okay so we have pretty convincing

875

00:46:40,109 --> 00:46:34,140

would like more action and then

876

00:46:42,269 --> 00:46:40,119

submarine so what are your thoughts

877

00:46:44,670 --> 00:46:42,279

about the the ball of light that shot up

878

00:46:50,489 --> 00:46:44,680

from the dome on the rock do you think

879

00:46:52,319 --> 00:46:50,499

it could be CG iron are you convinced it

880

00:46:55,349 --> 00:46:52,329

just looks like an interesting

881

00:46:58,019 --> 00:46:55,359

phenomenon that occurred I guess I don't

882

00:46:59,490 --> 00:46:58,029

jump immediately to like it's an alien I

883

00:47:02,070 --> 00:46:59,500

guess I try to find some

884

00:47:04,620 --> 00:47:02,080

logical explanation yeah I think to like

885

00:47:09,330 --> 00:47:04,630

actually be there it's different than

886

00:47:11,160 --> 00:47:09,340

seeing it because it's hard to I mean I

887

00:47:12,930 --> 00:47:11,170

believe it but at the same time it's

888

00:47:17,310 --> 00:47:12,940

like I kind of want to see it with my

889

00:47:19,590 --> 00:47:17,320

own eyes right and that's also an

890

00:47:21,810 --> 00:47:19,600

interesting perspective to on like when

891

00:47:24,240 --> 00:47:21,820

we see these crafts should we

892

00:47:25,950 --> 00:47:24,250

automatically jump to alien right

893

00:47:28,650 --> 00:47:25,960

because we don't even know it's pilot

894

00:47:31,530 --> 00:47:28,660

yeah that's inside it could possibly be

895

00:47:33,210 --> 00:47:31,540

a drone sent here from somewhere else

896

00:47:36,120 --> 00:47:33,220

because that's the way we do things

897

00:47:39,450 --> 00:47:36,130

right we don't we don't send you know

898

00:47:42,180 --> 00:47:39,460

humans to go you know visit outside of

899

00:47:43,740 --> 00:47:42,190

Pluto we send satellites and drones and

900

00:47:46,260 --> 00:47:43,750

things like that and take pictures of

901
00:47:49,050 --> 00:47:46,270
stuff to send it back to us and report

902
00:47:51,060 --> 00:47:49,060
back to home yeah you know so it's very

903
00:47:54,600 --> 00:47:51,070
possibly could be something like that

904
00:47:56,940 --> 00:47:54,610
too yeah you know or or you know like a

905
00:48:00,210 --> 00:47:56,950
chimpanzee when we put we put chimps in

906
00:48:03,770 --> 00:48:00,220
space it could be just a pansy it could

907
00:48:06,810 --> 00:48:03,780
be but yeah it's interesting

908
00:48:09,540 --> 00:48:06,820
okay so this one is called skinny Bob

909
00:48:12,540 --> 00:48:09,550
this is the next video so I'm still on

910
00:48:14,370 --> 00:48:12,550
the fence on this one whether or not

911
00:48:17,190 --> 00:48:14,380
we're looking at an actual alien so I

912
00:48:22,460 --> 00:48:17,200
don't know I'm still open but once you

913
00:48:25,980 --> 00:48:22,470

see it I find just gonna laugh oh I

914

00:48:29,580 --> 00:48:25,990

think it's pretty convincing but I still

915

00:48:30,820 --> 00:48:29,590

don't know is it playing the music I

916

00:48:35,800 --> 00:48:30,830

think it is

917

00:48:38,110 --> 00:48:35,810

[Laughter]

918

00:48:42,390 --> 00:48:38,120

so we're trying to figure out if this is

919

00:48:47,050 --> 00:48:44,620

which again is one of those things like

920

00:48:51,610 --> 00:48:47,060

if it was a real alien why would it be

921

00:48:53,080 --> 00:48:51,620

on YouTube right I guess like when you

922

00:48:58,879 --> 00:48:53,090

first looked at it it kind of just looks

923

00:49:04,499 --> 00:49:01,979

like its shadow or something look at him

924

00:49:05,969 --> 00:49:04,509

walking yep he's a bunch of him

925

00:49:09,719 --> 00:49:05,979

they've all got turtlenecks and then

926
00:49:11,729 --> 00:49:09,729
there's the median to suppose a meeting

927
00:49:16,439 --> 00:49:11,739
that they had yeah and so the story

928
00:49:20,069 --> 00:49:16,449
behind that is is this happened this

929
00:49:23,399 --> 00:49:20,079
happened in Russia and after the fall of

930
00:49:25,499 --> 00:49:23,409
the Soviet Union the KGB started to kind

931
00:49:27,569 --> 00:49:25,509
of fall apart and a lot of that stuff

932
00:49:29,519 --> 00:49:27,579
got sold on the black market and was

933
00:49:32,729 --> 00:49:29,529
acquired by you know United States

934
00:49:34,259 --> 00:49:32,739
intelligence and also you know random

935
00:49:37,139 --> 00:49:34,269
people who had the money to purchase it

936
00:49:41,309 --> 00:49:37,149
the guy who posted that original video

937
00:49:43,769 --> 00:49:41,319
only posted three videos and then we'd

938
00:49:48,109 --> 00:49:43,779

never heard from him again and the only

939

00:49:51,689 --> 00:49:48,119

things he posted were the the UFO crash

940

00:49:53,489 --> 00:49:51,699

skinny Bob and then the family reunion

941

00:49:56,579 --> 00:49:53,499

which is that last clip that you saw of

942

00:49:59,159 --> 00:49:56,589

the all the ETS walking and the story

943

00:50:03,029 --> 00:49:59,169

behind it is that there was some sort of

944

00:50:07,739 --> 00:50:03,039

treaty that was being discussed between

945

00:50:10,409 --> 00:50:07,749

the KGB and the and the ETS and somebody

946

00:50:12,569 --> 00:50:10,419

had filmed it and weren't wasn't

947

00:50:15,269 --> 00:50:12,579

supposed to so the e t--'s got upset

948

00:50:19,409 --> 00:50:15,279

they left and then they came back years

949

00:50:21,209 --> 00:50:19,419

later to renegotiate whatever treaty it

950

00:50:24,359 --> 00:50:21,219

is that they were supposed to be signing

951
00:50:26,849 --> 00:50:24,369
at the time and so we see skinny Bob and

952
00:50:30,239 --> 00:50:26,859
that's basically supposed to be them

953
00:50:32,759 --> 00:50:30,249
filming him to get measurements and you

954
00:50:35,189 --> 00:50:32,769
know basically like study him while he's

955
00:50:37,379 --> 00:50:35,199
in the office basically and then the

956
00:50:38,879 --> 00:50:37,389
rest of it is a secret film that

957
00:50:41,339 --> 00:50:38,889
somebody was filming that they weren't

958
00:50:44,939 --> 00:50:41,349
supposed to of the family of E cheese

959
00:50:46,529 --> 00:50:44,949
coming with the Soviets to discuss the

960
00:50:49,379 --> 00:50:46,539
treaty so that's what's interesting

961
00:50:51,749 --> 00:50:49,389
about this is this guy posted these

962
00:50:53,899 --> 00:50:51,759
three videos and then nobody's ever

963
00:50:57,029 --> 00:50:53,909

heard from him again

964

00:50:59,129 --> 00:50:57,039

film industries Hollywood everybody's

965

00:51:00,749 --> 00:50:59,139

trying to contact this guy or contact

966

00:51:02,639 --> 00:51:00,759

whoever's created it they've offered

967

00:51:04,979 --> 00:51:02,649

them a million dollars if they could

968

00:51:07,349 --> 00:51:04,989

recreate it because if it's if it's CGI

969

00:51:09,269 --> 00:51:07,359

it's like some of the best work that's

970

00:51:11,900 --> 00:51:09,279

yeah ever been done because it happened

971

00:51:14,700 --> 00:51:11,910

because it was published so early

972

00:51:18,780 --> 00:51:14,710

that's yeah that's the thing is it's old

973

00:51:21,150 --> 00:51:18,790

film but if it is newly created they're

974

00:51:23,550 --> 00:51:21,160

like that's extremely good yeah

975

00:51:25,290 --> 00:51:23,560

whatever it is that you did yeah so like

976
00:51:26,370 --> 00:51:25,300
those aliens that we just saw going to

977
00:51:29,820 --> 00:51:26,380
their meeting like would they be

978
00:51:32,370 --> 00:51:29,830
considered Grey's behind yeah type of

979
00:51:34,770 --> 00:51:32,380
gray there's apparently just all kinds

980
00:51:36,180 --> 00:51:34,780
of different Grey's like it's not just

981
00:51:41,850 --> 00:51:36,190
one there's like a bunch of different

982
00:51:47,460 --> 00:51:41,860
types which I guess I'm surprised that

983
00:51:49,440 --> 00:51:47,470
it's good CGI to you because we've in

984
00:51:52,980 --> 00:51:49,450
Star Wars for example they recreated

985
00:51:54,780 --> 00:51:52,990
Princess Leia's character oh yeah and I

986
00:51:56,150 --> 00:51:54,790
thought that was pretty convincing and

987
00:51:58,620 --> 00:51:56,160
she's not alive anymore

988
00:52:01,080 --> 00:51:58,630

could you still tell that it wasn't her

989

00:52:03,710 --> 00:52:01,090

though yeah but that's that's like the

990

00:52:07,820 --> 00:52:03,720

farthest we've ever pushed this limit of

991

00:52:11,580 --> 00:52:07,830

advanced technology in my opinion and I

992

00:52:13,740 --> 00:52:11,590

think that is I mean the colors the

993

00:52:16,740 --> 00:52:13,750

visuals are much more compelling to me

994

00:52:18,360 --> 00:52:16,750

than just right so she's in black and

995

00:52:20,940 --> 00:52:18,370

white and looks kind of like low-budget

996

00:52:23,970 --> 00:52:20,950

yeah like a sepia tone kind of grainy

997

00:52:25,800 --> 00:52:23,980

yeah I get that yeah I mean when when

998

00:52:28,110 --> 00:52:25,810

footage is like that and it's just two

999

00:52:30,510 --> 00:52:28,120

colors basically it's a lot easier to

1000

00:52:32,850 --> 00:52:30,520

fake stuff cuz you're not working with

1001
00:52:35,100 --> 00:52:32,860
the spectrum of like skin tones and

1002
00:52:41,760 --> 00:52:35,110
shadow so I get your point it's a point

1003
00:52:46,110 --> 00:52:41,770
and with the music lay over it trying to

1004
00:52:48,330 --> 00:52:46,120
convince you yeah so maybe I missed the

1005
00:52:52,650 --> 00:52:48,340
mark on no no you make a valid point

1006
00:52:57,870 --> 00:52:52,660
maybe I'm not giving due respect to

1007
00:53:04,410 --> 00:52:57,880
skinny but this video does not aliens

1008
00:53:07,320 --> 00:53:04,420
and turtlenecks I can't think of any

1009
00:53:13,130 --> 00:53:07,330
other videos to show them but so what

1010
00:53:18,960 --> 00:53:16,950
tomorrow the big thing was we've made

1011
00:53:20,650 --> 00:53:18,970
we've made contact there is something

1012
00:53:27,250 --> 00:53:20,660
else out there

1013
00:53:29,500 --> 00:53:27,260

yeah well let's see it alright so what

1014

00:53:31,930 --> 00:53:29,510

if you're watching the news and Trump is

1015

00:53:32,710 --> 00:53:31,940

shaking hands with a tall gray what

1016

00:53:35,079 --> 00:53:32,720

would you do that

1017

00:53:36,910 --> 00:53:35,089

what do you being scared or would it

1018

00:53:40,120 --> 00:53:36,920

just be like oh okay there's aliens no

1019

00:53:41,710 --> 00:53:40,130

see that kind of goes back to the Mars

1020

00:53:43,120 --> 00:53:41,720

attack when they were thought they were

1021

00:53:44,680 --> 00:53:43,130

all nice and then all of a sudden they

1022

00:53:55,779 --> 00:53:44,690

start blowing everybody up with their

1023

00:53:57,520 --> 00:53:55,789

guns yeah but I think that already

1024

00:54:00,520 --> 00:53:57,530

happened I think it would already happen

1025

00:54:07,960 --> 00:54:00,530

because if they're really wanting to

1026
00:54:13,059 --> 00:54:12,190
more technologically advanced so it

1027
00:54:16,750 --> 00:54:13,069
already happened

1028
00:54:18,640 --> 00:54:16,760
yeah so you kind of like first off kind

1029
00:54:20,950 --> 00:54:18,650
of feeling a little bit of fear like oh

1030
00:54:27,010 --> 00:54:20,960
yeah definitely definitely be

1031
00:54:31,470 --> 00:54:27,020
standoffish let's put a like Bertie

1032
00:54:38,950 --> 00:54:35,730
[Laughter]

1033
00:54:40,630 --> 00:54:38,960
what would you do Jess well like they're

1034
00:54:43,480 --> 00:54:40,640
shaking hands I feel like that's not

1035
00:54:46,029 --> 00:54:43,490
very intimidating that's like an

1036
00:54:48,010 --> 00:54:46,039
approachable posture and what if they

1037
00:54:51,670 --> 00:54:48,020
high-five like I mean that's really

1038
00:54:55,000 --> 00:54:51,680

exciting I feel like I'd probably be

1039

00:54:56,650 --> 00:54:55,010

hopeful like they're there other group

1040

00:55:01,390 --> 00:54:56,660

so we can connect with and learn from

1041

00:55:03,519 --> 00:55:01,400

and other places we can live we're not

1042

00:55:11,549 --> 00:55:03,529

doing such a great job maintaining our

1043

00:55:14,589 --> 00:55:11,559

parent home and they mean peace we could

1044

00:55:19,200 --> 00:55:14,599

because we're very like great call out

1045

00:55:21,579 --> 00:55:19,210

mm-hmm I was gonna go quite pretty day

1046

00:55:24,460 --> 00:55:21,589

so so Jess you said something

1047

00:55:26,710 --> 00:55:24,470

interesting at the beginning on when you

1048

00:55:28,960 --> 00:55:26,720

first met bin and he was asking you

1049

00:55:30,430 --> 00:55:28,970

about the religion and the aliens you

1050

00:55:33,360 --> 00:55:30,440

were like I didn't realize it those two

1051
00:55:40,320 --> 00:55:33,370
like even like had a connection

1052
00:55:42,530 --> 00:55:40,330
you know I mean does it is it is it an

1053
00:55:45,810 --> 00:55:42,540
interesting thought to you that the

1054
00:55:51,390 --> 00:55:45,820
possibility of the connection being a

1055
00:55:53,490 --> 00:55:51,400
lot bigger than what we think it is yeah

1056
00:55:59,970 --> 00:55:53,500
I've heard you talk about that a little

1057
00:56:01,980 --> 00:55:59,980
bit and I imagine there's a lot more

1058
00:56:11,240 --> 00:56:01,990
that goes on than what we see in the

1059
00:56:14,340 --> 00:56:11,250
media as a whole sheltered compared to

1060
00:56:16,860 --> 00:56:14,350
you know even even people who have

1061
00:56:19,410 --> 00:56:16,870
supposedly met these things have also

1062
00:56:22,050 --> 00:56:19,420
talked about how you know the ETS

1063
00:56:26,760 --> 00:56:22,060

themselves say that they answer to

1064

00:56:30,510 --> 00:56:26,770

source and so we still don't know what

1065

00:56:33,510 --> 00:56:30,520

source is and maybe this whole thing is

1066

00:56:36,080 --> 00:56:33,520

kind of the same for us as it is for

1067

00:56:38,400 --> 00:56:36,090

them maybe they just have a better

1068

00:56:40,230 --> 00:56:38,410

understanding of what it is because

1069

00:56:43,380 --> 00:56:40,240

they've been around for so much longer

1070

00:56:45,600 --> 00:56:43,390

than we have you know and maybe at the

1071

00:56:48,750 --> 00:56:45,610

beginning of our species

1072

00:56:51,480 --> 00:56:48,760

something did make contact and try and

1073

00:56:53,820 --> 00:56:51,490

teach us about this source and we

1074

00:56:56,850 --> 00:56:53,830

developed it into what we consider to be

1075

00:56:58,710 --> 00:56:56,860

current day religions right because it's

1076
00:57:01,650 --> 00:56:58,720
weird that all religions kind of have

1077
00:57:06,210 --> 00:57:01,660
like the same story people from the sky

1078
00:57:08,300 --> 00:57:06,220
came down and then it's all the

1079
00:57:10,560 --> 00:57:08,310
differences in the religions are all

1080
00:57:12,750 --> 00:57:10,570
human differences or cultural

1081
00:57:15,780 --> 00:57:12,760
differences or or you know where you

1082
00:57:19,980 --> 00:57:15,790
live type differences but the the the

1083
00:57:22,770 --> 00:57:19,990
initial idea of all these things kind of

1084
00:57:26,180 --> 00:57:22,780
follow the same the same pattern yeah

1085
00:57:28,650 --> 00:57:26,190
you know yeah I could imagine it being a

1086
00:57:30,600 --> 00:57:28,660
spiritual experience to have that type

1087
00:57:34,170 --> 00:57:30,610
of encounter because you're meeting

1088
00:57:36,180 --> 00:57:34,180

someone who's totally new and has had a

1089

00:57:37,710 --> 00:57:36,190

very different life experience and may

1090

00:57:40,380 --> 00:57:37,720

interpret and perceive things in

1091

00:57:42,780 --> 00:57:40,390

different ways it kind of makes me think

1092

00:57:45,660 --> 00:57:42,790

about humans connections with animals

1093

00:57:46,950 --> 00:57:45,670

and how we can just innately understand

1094

00:57:47,259 --> 00:57:46,960

even though we're not speaking the same

1095

00:57:49,870 --> 00:57:47,269

way

1096

00:57:53,130 --> 00:57:49,880

and we live in different environments we

1097

00:57:58,289 --> 00:57:53,140

can understand that sense of fear joy or

1098

00:58:00,819 --> 00:57:58,299

excitement it's a different species but

1099

00:58:02,499 --> 00:58:00,829

yeah we're cut from the same cloth don't

1100

00:58:05,469 --> 00:58:02,509

they say that a lot of our DNA is

1101

00:58:08,409 --> 00:58:05,479

similar back - yeah types of animals

1102

00:58:10,329 --> 00:58:08,419

like it'd be interesting if we met

1103

00:58:12,819 --> 00:58:10,339

aliens and found that our DNA was the

1104

00:58:15,459 --> 00:58:12,829

same as aliens yeah well apparently we

1105

00:58:18,579 --> 00:58:15,469

are all the DNA is basically human at

1106

00:58:21,789 --> 00:58:18,589

some point right like all babies are

1107

00:58:24,639 --> 00:58:21,799

apparently you if you test like that at

1108

00:58:27,459 --> 00:58:24,649

a camera or at a combi skeleton yeah

1109

00:58:28,899 --> 00:58:27,469

like they say it's human DNA but I mean

1110

00:58:30,130 --> 00:58:28,909

if it follows the same pattern it kind

1111

00:58:33,309 --> 00:58:30,140

of looks human it's probably gonna have

1112

00:58:35,859 --> 00:58:33,319

you DNA that's similar to humans anyways

1113

00:58:37,809 --> 00:58:35,869

they counted out that it's not alien

1114

00:58:40,959 --> 00:58:37,819

right yeah it's just that certain

1115

00:58:43,689 --> 00:58:40,969

strands within their DNA are active

1116

00:58:46,269 --> 00:58:43,699

whereas the certain strands in our DNA

1117

00:58:48,370 --> 00:58:46,279

are not active yeah we have all these

1118

00:58:51,339 --> 00:58:48,380

strands that are turned off and not used

1119

00:58:55,979 --> 00:58:51,349

but what happens if they get turned on

1120

00:58:59,049 --> 00:58:55,989

and are being used turned on baby yeah

1121

00:59:01,689 --> 00:58:59,059

you and I met but I remember you told me

1122

00:59:05,649 --> 00:59:01,699

that when we first met you thought I was

1123

00:59:13,389 --> 00:59:05,659

what a Nordic yeah totally so y'all do

1124

00:59:16,239 --> 00:59:13,399

have an alien well Jose Jose told that

1125

00:59:16,899 --> 00:59:16,249

you have a past right yeah dude I'm a

1126

00:59:23,769 --> 00:59:16,909

lion

1127

00:59:26,109 --> 00:59:23,779

yeah it was cool yeah so at UFO con we

1128

00:59:27,609 --> 00:59:26,119

for the listeners out there we did we

1129

00:59:29,109 --> 00:59:27,619

already talked about this or no I don't

1130

00:59:39,519 --> 00:59:29,119

think we talked about this okay that's a

1131

00:59:44,019 --> 00:59:39,529

good story stone Muse format magic box

1132

00:59:45,639 --> 00:59:44,029

stone Muse magic oh the stone muse calm

1133

00:59:47,439 --> 00:59:45,649

I can't remember her name but she was

1134

00:59:48,879 --> 00:59:47,449

like the nicest lady ever yeah she was

1135

00:59:51,099 --> 00:59:48,889

super nice super awesome

1136

00:59:53,679 --> 00:59:51,109

so I walk up to her cuz she has she's in

1137

00:59:55,179 --> 00:59:53,689

the she has like her booth and a bunch

1138

00:59:56,799 --> 00:59:55,189

of jewelry and stuff I was just checking

1139

00:59:59,949 --> 00:59:56,809

it out and like crystals and stuff and

1140

01:00:00,370 --> 00:59:59,959

she was like just very very open and

1141

01:00:01,690 --> 01:00:00,380

nice to me

1142

01:00:04,569 --> 01:00:01,700

still we just started chit-chatting and

1143

01:00:09,009 --> 01:00:04,579

in and she started telling me her story

1144

01:00:12,759 --> 01:00:09,019

like her son is an alien hybrid and he's

1145

01:00:14,950 --> 01:00:12,769

like a part part lion person I can't

1146

01:00:21,359 --> 01:00:14,960

remember what starts just a deliriant

1147

01:00:23,710 --> 01:00:21,369

there alarians yeah she did yeah and so

1148

01:00:26,559 --> 01:00:23,720

more to the story is is that he's

1149

01:00:28,029 --> 01:00:26,569

autistic and he has like a very he's

1150

01:00:30,130 --> 01:00:28,039

since ever since he was born

1151
01:00:32,559 --> 01:00:30,140
ever since he could talk he's very much

1152
01:00:34,990 --> 01:00:32,569
like hey I was put on this earth to do

1153
01:00:36,670 --> 01:00:35,000
something very important and that's just

1154
01:00:39,099 --> 01:00:36,680
how he talks and everything's very

1155
01:00:41,799 --> 01:00:39,109
direct like I'm here for a purpose I'm

1156
01:00:43,509 --> 01:00:41,809
not from here I'm like still trying to

1157
01:00:46,200 --> 01:00:43,519
like figure out the purpose I use here

1158
01:00:48,609 --> 01:00:46,210
for yeah I mean I may be she yeah I

1159
01:00:55,150 --> 01:00:48,619
don't think I asked that question like

1160
01:00:56,799 --> 01:00:55,160
well what's his purpose is just a really

1161
01:00:58,690 --> 01:00:56,809
interesting story but anyway she was

1162
01:01:01,900 --> 01:00:58,700
telling me all about that and Joe walks

1163
01:01:03,609 --> 01:01:01,910

up and she goes yeah so like your friend

1164

01:01:06,609 --> 01:01:03,619

here my son is like a lion he's very

1165

01:01:08,319 --> 01:01:06,619

very direct and and he knows his [h__h]

1166

01:01:11,950 --> 01:01:08,329

and wants to get stuff done he's very

1167

01:01:14,920 --> 01:01:11,960

but she was she didn't like read me off

1168

01:01:16,240 --> 01:01:14,930

the bat she read Joe immediately yeah so

1169

01:01:17,890 --> 01:01:16,250

I was like we'll read me I want to know

1170

01:01:19,839 --> 01:01:17,900

what you think you know so she said okay

1171

01:01:21,640 --> 01:01:19,849

well let me give you a reading and she

1172

01:01:23,140 --> 01:01:21,650

was having trouble reading me she could

1173

01:01:24,789 --> 01:01:23,150

not figure it out so she like took a

1174

01:01:26,829 --> 01:01:24,799

break and went back to you for a second

1175

01:01:28,210 --> 01:01:26,839

we're like she was telling you what what

1176

01:01:30,039 --> 01:01:28,220

did she what did she explain to you

1177

01:01:36,779 --> 01:01:30,049

again she said that I'm probably

1178

01:01:39,339 --> 01:01:36,789

stubborn and hard-headed and whenever I

1179

01:01:43,480 --> 01:01:39,349

never I see something that I just go for

1180

01:01:47,319 --> 01:01:43,490

it yeah I have confidence and that also

1181

01:01:51,220 --> 01:01:47,329

my other lineage is is is the dwarf yeah

1182

01:01:53,319 --> 01:01:51,230

yeah which like it you make stuff right

1183

01:01:58,109 --> 01:01:53,329

right she said for some reason I feel

1184

01:02:01,150 --> 01:01:58,119

like you you uh you enjoy like the dirt

1185

01:02:05,650 --> 01:02:01,160

[h__h] yeah cuz a Libra is a lion right

1186

01:02:10,749 --> 01:02:05,660

cuz it's the scales the scales leo is

1187

01:02:14,200 --> 01:02:10,759

aligned Leo that's right yep yep yeah

1188

01:02:18,609 --> 01:02:14,210

which is apparently why we hang out you

1189

01:02:21,160 --> 01:02:18,619

he's a Viking and so I all the tools

1190

01:02:24,220 --> 01:02:21,170

that the Vikings used were like you know

1191

01:02:26,020 --> 01:02:24,230

in the north cold north culture were

1192

01:02:28,810 --> 01:02:26,030

made by the door so like the hammer of

1193

01:02:31,540 --> 01:02:28,820

Thor and the swords and all that stuff

1194

01:02:34,089 --> 01:02:31,550

we're all made from that it's funny that

1195

01:02:35,850 --> 01:02:34,099

you're considered a dwarf because we

1196

01:02:41,700 --> 01:02:35,860

have dwarf dogs

1197

01:03:01,630 --> 01:02:44,710

I want to Photoshop you guys riding

1198

01:03:09,190 --> 01:03:01,640

gizmo into battle not fair I'm a lot on

1199

01:03:12,220 --> 01:03:09,200

the line dwarf but yeah like she'd read

1200

01:03:13,930 --> 01:03:12,230

you like a book immediately and she was

1201
01:03:16,480 --> 01:03:13,940
having trouble with me she was like for

1202
01:03:18,460 --> 01:03:16,490
summary so she told us are like human

1203
01:03:21,040 --> 01:03:18,470
origin and then our alien origin right

1204
01:03:23,620 --> 01:03:21,050
right so your alien origin was deliriant

1205
01:03:26,400 --> 01:03:23,630
but your human origin was the dwarf

1206
01:03:29,380 --> 01:03:26,410
right so mine was the human origin was

1207
01:03:31,089 --> 01:03:29,390
Nordic or Viking Viking and then my

1208
01:03:32,650 --> 01:03:31,099
alien origin she was having a lot of

1209
01:03:36,099 --> 01:03:32,660
trouble figuring out what she was like

1210
01:03:38,859 --> 01:03:36,109
you're very all over the place like okay

1211
01:03:40,480 --> 01:03:38,869
yeah that makes it but you don't really

1212
01:03:43,329 --> 01:03:40,490
subscribe like you don't really have

1213
01:03:45,040 --> 01:03:43,339

help from one specific alien race you're

1214

01:03:47,589 --> 01:03:45,050

getting help from like a bunch of them

1215

01:03:49,630 --> 01:03:47,599

but right now I see a large white mantis

1216

01:03:52,359 --> 01:03:49,640

standing above you like protecting you

1217

01:03:55,270 --> 01:03:52,369

and you kind of have this mantis being

1218

01:03:57,160 --> 01:03:55,280

kind of protecting your your aura or

1219

01:03:59,770 --> 01:03:57,170

whatever which I thought was super cool

1220

01:04:03,310 --> 01:03:59,780

cuz I love mantis is yeah and a white

1221

01:04:04,570 --> 01:04:03,320

man too so dope but yeah like so the

1222

01:04:06,640 --> 01:04:04,580

difference between joe is that he

1223

01:04:08,620 --> 01:04:06,650

doesn't need help from any alien species

1224

01:04:11,050 --> 01:04:08,630

so he had no protectors or whatever

1225

01:04:13,359 --> 01:04:11,060

right so he's right your protector is

1226

01:04:15,460 --> 01:04:13,369

you yeah she said something similar to

1227

01:04:21,400 --> 01:04:15,470

that right yeah and then yeah I've got a

1228

01:04:23,050 --> 01:04:21,410

budget because I need help but yeah it

1229

01:04:26,670 --> 01:04:23,060

was cool

1230

01:04:28,570 --> 01:04:26,680

you said you really liked the Mantis

1231

01:04:31,990 --> 01:04:28,580

people yeah

1232

01:04:34,690 --> 01:04:32,000

is that a what are the common networking

1233

01:04:36,280 --> 01:04:34,700

questions when you're at these events is

1234

01:04:38,050 --> 01:04:36,290

it like what's your favorite alien race

1235

01:04:41,950 --> 01:04:38,060

like does that come up as a first three

1236

01:04:44,200 --> 01:04:41,960

questions I know it hasn't not really

1237

01:04:46,930 --> 01:04:44,210

that has the the tenancy I feel like it

1238

01:04:49,210 --> 01:04:46,940

might have some kind of like negative

1239

01:04:50,800 --> 01:04:49,220

connotation if your it sounds like hey

1240

01:04:53,440 --> 01:04:50,810

so what's your favorite alien I feel

1241

01:04:55,030 --> 01:04:53,450

like that might come off is maybe you're

1242

01:04:57,400 --> 01:04:55,040

making fun of that person or something

1243

01:04:59,920 --> 01:04:57,410

so we unless we're getting into like a

1244

01:05:03,220 --> 01:04:59,930

deep combo like we were with this lady

1245

01:05:05,590 --> 01:05:03,230

like very hey like we're respective of

1246

01:05:07,000 --> 01:05:05,600

what you're saying we know we don't

1247

01:05:09,070 --> 01:05:07,010

really know anything about what she's

1248

01:05:10,630 --> 01:05:09,080

saying it's just really interesting but

1249

01:05:13,090 --> 01:05:10,640

yeah I don't think you've lead off with

1250

01:05:15,370 --> 01:05:13,100

that question okay one that would Joe

1251

01:05:20,590 --> 01:05:15,380

would ask on that Joe asked when he was

1252

01:05:24,210 --> 01:05:20,600

doing like yeah I think most of

1253

01:05:27,190 --> 01:05:24,220

conversations are kind of like you know

1254

01:05:29,890 --> 01:05:27,200

they're very pleasant yeah you know up

1255

01:05:32,770 --> 01:05:29,900

upfront it's like you know hey how are

1256

01:05:34,630 --> 01:05:32,780

you and blah blah blah shooting the [h__\h]

1257

01:05:37,090 --> 01:05:34,640

how many times have you been to one of

1258

01:05:40,120 --> 01:05:37,100

these and you know it's kinda like ya

1259

01:05:44,050 --> 01:05:40,130

know what's your experience like yeah

1260

01:05:46,930 --> 01:05:44,060

and in a lot with alien con it was like

1261

01:05:48,760 --> 01:05:46,940

every other person for in stagette

1262

01:05:52,210 --> 01:05:48,770

example is this woman I got our business

1263

01:05:54,010 --> 01:05:52,220

card but she's uh in her 70s and she

1264

01:05:55,930 --> 01:05:54,020

just had a first experience like a

1265

01:05:57,730 --> 01:05:55,940

couple months ago and she traveled here

1266

01:06:01,480 --> 01:05:57,740

from was it Germany or something right

1267

01:06:03,040 --> 01:06:01,490

and she's like this old woman just

1268

01:06:05,230 --> 01:06:03,050

hanging out and she was like so happy

1269

01:06:08,050 --> 01:06:05,240

but she was like yeah I just started

1270

01:06:09,640 --> 01:06:08,060

getting abducted like recently and so

1271

01:06:11,260 --> 01:06:09,650

those conversations because we because

1272

01:06:13,240 --> 01:06:11,270

we had the podcast table she was like

1273

01:06:17,140 --> 01:06:13,250

hey I have a cool story can I talk to

1274

01:06:23,830 --> 01:06:17,150

you guys if she's had any lifestyle

1275

01:06:28,030 --> 01:06:23,840

changes or any like oh yeah she's she's

1276

01:06:29,789 --> 01:06:28,040

abducted by helin like on her first

1277

01:06:32,079 --> 01:06:29,799

experience like was there anything

1278

01:06:33,880 --> 01:06:32,089

happen in her life to change like she

1279

01:06:39,880 --> 01:06:33,890

went vegan and then started having like

1280

01:06:42,670 --> 01:06:39,890

UFO it's possible man it's possible I

1281

01:06:43,930 --> 01:06:42,680

don't know but you know it was

1282

01:06:46,440 --> 01:06:43,940

interesting is that a lot of these

1283

01:06:50,019 --> 01:06:46,450

people that show up at these conferences

1284

01:06:51,309 --> 01:06:50,029

have these experiences and they have

1285

01:06:54,370 --> 01:06:51,319

nobody to talk to

1286

01:06:58,299 --> 01:06:54,380

yeah including their spouses it could be

1287

01:06:59,430 --> 01:06:58,309

very alienating ah so what you did there

1288

01:07:03,670 --> 01:06:59,440

Oh

1289

01:07:07,150 --> 01:07:03,680

sound of us high-fiving but yeah I mean

1290

01:07:09,960 --> 01:07:07,160

like who I mean when something happens

1291

01:07:14,349 --> 01:07:09,970

to you that is completely unexplainable

1292

01:07:18,430 --> 01:07:14,359

how do you go about talking about that

1293

01:07:20,499 --> 01:07:18,440

with anybody like it sounds crazy yeah

1294

01:07:24,460 --> 01:07:20,509

until you get to one of these these

1295

01:07:26,079 --> 01:07:24,470

events and then it's like whatever story

1296

01:07:28,480 --> 01:07:26,089

you were gonna tell I promise you

1297

01:07:31,240 --> 01:07:28,490

there's something like 10 times whatever

1298

01:07:34,720 --> 01:07:31,250

you just said you know there's there's

1299

01:07:37,180 --> 01:07:34,730

something always you know but it's it's

1300

01:07:39,160 --> 01:07:37,190

the perfect place to to do that though

1301

01:07:41,230 --> 01:07:39,170

you know because it's the one place you

1302

01:07:43,809 --> 01:07:41,240

don't feel you know like an outcast you

1303

01:07:45,609 --> 01:07:43,819

don't feel like a weirdo you just want

1304

01:07:47,859 --> 01:07:45,619

to answers man yeah you just want

1305

01:07:49,359 --> 01:07:47,869

answers yeah it's like if somebody stole

1306

01:07:51,099 --> 01:07:49,369

your car and you're like what the hell

1307

01:07:53,200 --> 01:07:51,109

happen to my car and you tell the cops

1308

01:07:54,759 --> 01:07:53,210

and they're like you're crazy nobody's

1309

01:07:57,220 --> 01:07:54,769

stole your car and you're like but the

1310

01:07:59,740 --> 01:07:57,230

car isn't here where did it go can you

1311

01:08:02,349 --> 01:07:59,750

help me they're like that's ridiculous

1312

01:08:04,120 --> 01:08:02,359

we're not wasting time on that it's like

1313

01:08:06,759 --> 01:08:04,130

whoa but except for this happened to you

1314

01:08:08,920 --> 01:08:06,769

physically and you want to tell somebody

1315

01:08:10,870 --> 01:08:08,930

and they're like that sounds crazy

1316

01:08:13,930 --> 01:08:10,880

I think mike is crazy and their mics

1317

01:08:17,289 --> 01:08:13,940

like I'm not crazy I just I need some

1318

01:08:20,740 --> 01:08:17,299

help like I want help yeah it's it's a

1319

01:08:22,870 --> 01:08:20,750

good analogy it's kind of sad this you

1320

01:08:26,680 --> 01:08:22,880

know that these people can't you know

1321

01:08:28,990 --> 01:08:26,690

can't talk about it sometimes so I think

1322

01:08:31,689 --> 01:08:29,000

I think they're really good yeah I think

1323

01:08:32,979 --> 01:08:31,699

they're good places for people yeah so

1324

01:08:38,169 --> 01:08:32,989

are you convinced or you do you want to

1325

01:08:39,839 --> 01:08:38,179

come to the next class it'll be next

1326

01:08:41,579 --> 01:08:39,849

year even the baby's born

1327

01:08:45,990 --> 01:08:41,589

I'm gonna go I'll be your merch girl

1328

01:08:48,870 --> 01:08:46,000

again heck yeah nice so me a ping could

1329

01:08:51,089 --> 01:08:48,880

just go tag interviews all day yeah he's

1330

01:08:52,649 --> 01:08:51,099

sick we we're so bad at our own merch

1331

01:08:56,399 --> 01:08:52,659

table that we didn't even put the shirts

1332

01:08:58,979 --> 01:08:56,409

out that we buy two of the four days

1333

01:09:00,599 --> 01:08:58,989

there was no shirts on our table so we

1334

01:09:19,439 --> 01:09:00,609

did the sell what we gave away two

1335

01:09:22,800 --> 01:09:19,449

shirts just paint or green it's in what

1336

01:09:24,180 --> 01:09:22,810

New Mexico contact in the desert I would

1337

01:09:25,499 --> 01:09:24,190

like to go next year for sure I think

1338

01:09:26,339 --> 01:09:25,509

that would be pretty good I'd be pretty

1339

01:09:29,189 --> 01:09:26,349

fun yeah

1340

01:09:31,229 --> 01:09:29,199

but Justin would disapprove Justin one

1341

01:09:36,050 --> 01:09:31,239

was again yeah I bet Justin is there

1342

01:09:41,099 --> 01:09:36,060

like a everybody stop it go home stop it

1343

01:09:46,349 --> 01:09:41,109

we call the aliens stop it stop meat

1344

01:09:51,240 --> 01:09:46,359

sacks so I didn't hear anything from

1345

01:09:59,310 --> 01:09:51,250

this but area 51 where everybody was

1346

01:10:08,010 --> 01:09:59,320

meeting there to to clap them cheeks to

1347

01:10:11,600 --> 01:10:08,020

see them dang aliens it sounds like from

1348

01:10:34,020 --> 01:10:11,610

what I've heard it was kind of a bust

1349

01:10:36,990 --> 01:10:34,030

people wearing foil hats yeah alright

1350

01:10:38,310 --> 01:10:37,000

man well man that was fun it was fun

1351

01:10:39,120 --> 01:10:38,320

Jess do you have any closing statements

1352

01:10:50,250 --> 01:10:39,130

Amanda did you have any closing

1353

01:10:52,290 --> 01:10:50,260

statements I'm proud of y'all awesome

1354

01:10:54,990 --> 01:10:52,300

they're continuing to be so passionate

1355

01:10:58,350 --> 01:10:55,000

and it's really exciting to see their

1356

01:11:00,510 --> 01:10:58,360

podcast success and I think he's really

1357

01:11:02,910 --> 01:11:00,520

cool like you said Joe that a lot of

1358

01:11:05,100 --> 01:11:02,920

people don't have a place to go if they

1359

01:11:08,100 --> 01:11:05,110

have an experience or if this year ash

1360

01:11:14,970 --> 01:11:08,110

enough there so you guys create that
