00:00:01,100 --> 00:00:06,579

[Music]

2
00:00:12,020 --> 00:00:10,129

this is another episode of UFO karai I'm

3
00:00:14,570 --> 00:00:12,030

Ben and I'm Joe and this is where we

4
00:00:16,250 --> 00:00:14,580

talk about UFOs aliens and all things

5
00:00:19,040 --> 00:00:16,260

weird

6
00:00:20,779 --> 00:00:19,050

yeah dude hmm so it's gonna be a pretty

7
00:00:24,080 --> 00:00:20,789

good episode today it's gonna be a

8
00:00:26,410 --> 00:00:24,090

scorcher yeah it's hot we've got mr.

9
00:00:29,000 --> 00:00:26,420

Terry Lovelace coming on with us today

10
00:00:32,740 --> 00:00:29,010

and that's gonna be exciting I'm pretty

11
00:00:35,000 --> 00:00:32,750

excited to hear the stories man I mean

12
00:00:38,959 --> 00:00:35,010

it's it's been one of my favorite

13
00:00:40,340 --> 00:00:38,969

stories so far yeah you know I really

14

00:00:41,840 --> 00:00:40,350

just kind of looking into this stuff I

15

00:00:44,119 --> 00:00:41,850

mean you definitely have the classics

16

00:00:46,010 --> 00:00:44,129

but out of the new stuff that's kind of

17

00:00:49,819 --> 00:00:46,020

come out lately

18

00:00:52,549 --> 00:00:49,829

Terry Lovelace his story is pretty

19

00:00:54,590 --> 00:00:52,559

awesome dude it's my new favorite story

20

00:00:56,990 --> 00:00:54,600

there's so much to it and like we didn't

21

00:00:58,700 --> 00:00:57,000

even go through the whole thing right

22

00:01:00,650 --> 00:00:58,710

right I don't know if we're talking

23

00:01:01,849 --> 00:01:00,660

about like before we started yeah

24

00:01:03,560 --> 00:01:01,859

whatever

25

00:01:06,679 --> 00:01:03,570

we already recorded it we're doing the

26

00:01:11,570 --> 00:01:06,689

intro afterwards so yeah so I'm excited

27

00:01:14,210 --> 00:01:11,580

about that and we also had a little fun

28

00:01:17,240 --> 00:01:14,220

earlier today yeah we did we did a we

29

00:01:19,700 --> 00:01:17,250

did a wife episode with out with our

30

00:01:22,039 --> 00:01:19,710

wives so that'll be coming out too so

31

00:01:24,890 --> 00:01:22,049

you guys you guys stay tuned for that

32

00:01:27,289 --> 00:01:24,900

yeah that'll be interesting that's gonna

33

00:01:29,569 --> 00:01:27,299

be fun yeah man but uh what have we got

34

00:01:32,569 --> 00:01:29,579

on the Facebook for today man yeah dude

35

00:01:35,359 --> 00:01:32,579

if you guys want to join the group look

36

00:01:37,130 --> 00:01:35,369

on Facebook for UFO garage podcast group

37

00:01:39,170 --> 00:01:37,140

and join the conversation everybody's

38

00:01:42,490 --> 00:01:39,180

you know talking about their experiences

39

00:01:44,899 --> 00:01:42,500

or posting funny stuff or you know FBI

40

00:01:46,700 --> 00:01:44,909

drones that look like insects things

41

00:01:48,530 --> 00:01:46,710

like that everybody's doing it yeah

42

00:01:54,710 --> 00:01:48,540

everyone's doing just come on oh cool

43

00:01:58,100 --> 00:01:54,720

kids come on all right so the first post

44

00:02:00,800 --> 00:01:58,110

Joseph the CIA had insect drones in the

45

00:02:02,929 --> 00:02:00,810

1970s so what do they have today and it

46

00:02:05,359 --> 00:02:02,939

looks like this Laura and it looks like

47

00:02:07,330 --> 00:02:05,369

a dragonfly looks pretty sick and then

48

00:02:10,940 --> 00:02:07,340

in the 70s they had had these things

49

00:02:13,369 --> 00:02:10,950

that's small retroreflectors tiny glass

50

00:02:13,610 --> 00:02:13,379

beads that reflect laser light back and

51

00:02:17,149 --> 00:02:13,620

it's

52

00:02:19,100 --> 00:02:17,159

source the CIA was able to analyze the

53

00:02:20,509 --> 00:02:19,110

beam vibration and glass and recreate

54

00:02:25,230 --> 00:02:20,519

the vibrations that disturbed it

55

00:02:31,270 --> 00:02:27,729

[Music]

56

00:02:35,690 --> 00:02:31,280

yeah so what do they have now nanobots

57

00:02:38,960 --> 00:02:35,700

nanobots yeah dude we got we need to

58

00:02:40,970 --> 00:02:38,970

make that movie we do that's how they do

59

00:02:43,009 --> 00:02:40,980

it man they used to have bugs now they

60

00:02:45,080 --> 00:02:43,019

have nanobots yeah and they put the

61

00:02:47,330 --> 00:02:45,090

nanobots in our medicine and they spray

62

00:02:49,190 --> 00:02:47,340

it particulates in the air right and

63

00:02:50,690 --> 00:02:49,200

then they we ingest them and then they

64

00:02:52,670 --> 00:02:50,700

know everything about us through the

65

00:02:55,039 --> 00:02:52,680

nanobots that we have ingested

66

00:02:57,110 --> 00:02:55,049

unknowingly right and without consent

67

00:03:00,349 --> 00:02:57,120

right and pretty soon we're gonna get

68

00:03:03,229 --> 00:03:00,359

we're gonna get ads being like hey yeah

69

00:03:05,509 --> 00:03:03,239

nah rain have you had bad gas lately try

70

00:03:07,130 --> 00:03:05,519

this product that's pretty much what's

71

00:03:12,830 --> 00:03:07,140

gonna happen yep it's gonna link to your

72

00:03:16,220 --> 00:03:12,840

Google account yeah yeah I mean yeah

73

00:03:18,020 --> 00:03:16,230

nanobots it may have some kind of

74

00:03:20,289 --> 00:03:18,030

connection to the corona virus who knows

75

00:03:24,819 --> 00:03:20,299

I don't know I don't know man

76

00:03:27,349 --> 00:03:24,829

viruses viruses all right also also

77

00:03:29,720 --> 00:03:27,359

antibacterial soap kills bacteria and

78

00:03:32,300 --> 00:03:29,730

not viruses so if you're just washing

79

00:03:33,680 --> 00:03:32,310

your hands with Purell that's not enough

80

00:03:37,250 --> 00:03:33,690

you should just wash your hands yeah

81

00:03:38,960 --> 00:03:37,260

definitely okay it's okay

82

00:03:41,869 --> 00:03:38,970

it kills like a lot of the good bacteria

83

00:03:44,930 --> 00:03:41,879

as well right which is kind of like you

84

00:03:46,759 --> 00:03:44,940

know and maybe and productive maybe

85

00:03:47,960 --> 00:03:46,769

people who even washing their hands too

86

00:03:49,640 --> 00:03:47,970

much and that's why we're in this

87

00:03:51,650 --> 00:03:49,650

predicament we are in the first place

88

00:03:54,430 --> 00:03:51,660

maybe that's what it is so stop washing

89

00:03:58,309 --> 00:03:54,440

your hands that's right that's right

90

00:04:01,849 --> 00:03:58,319

it's like a George Carlin skit where he

91

00:04:05,569 --> 00:04:01,859

talks about like washing his hands and

92

00:04:12,530 --> 00:04:05,579

he's like he's like you know when I wash

93

00:04:13,909 --> 00:04:12,540

my hands when I [h__h] on them he's like

94

00:04:16,310 --> 00:04:13,919

maybe a little more frequently during

95

00:04:18,140 --> 00:04:16,320

holidays you know but other than that

96

00:04:23,709 --> 00:04:18,150

you know he's like why do people washing

97

00:04:26,730 --> 00:04:23,719

their hands all the time that's awesome

98

00:04:28,710 --> 00:04:26,740

Dan Carlin he's a good guy

99

00:04:30,659 --> 00:04:28,720

George Carlin George Carlin and Carlin

100

00:04:32,730 --> 00:04:30,669

in cut yeah he's the hardcore history

101
00:04:35,219 --> 00:04:32,740
yeah he's the hardcore history Coahoma

102
00:04:36,930 --> 00:04:35,229
said dan Carlin - is that gonna go if

103
00:04:39,409 --> 00:04:36,940
you haven't checked out Dan Carlin check

104
00:04:42,540 --> 00:04:39,419
out Dan yes because his stuff is awesome

105
00:04:45,420 --> 00:04:42,550
Mongolian series about the steppe people

106
00:04:48,629 --> 00:04:45,430
that's holy [h__h] Genghis Khan Genghis

107
00:04:51,420 --> 00:04:48,639
Khan as he pronounced it but yeah great

108
00:04:55,249 --> 00:04:51,430
stuff okay what's the next post Dakota

109
00:04:57,629 --> 00:04:55,259
we need to interview Dakota ASAP because

110
00:05:00,659 --> 00:04:57,639
it looks like we have some some

111
00:05:03,540 --> 00:05:00,669
illustrations of her experience Dakota

112
00:05:05,309 --> 00:05:03,550
has been abducted she has lots of notes

113
00:05:07,529 --> 00:05:05,319

it looks like and some cool

114

00:05:09,540 --> 00:05:07,539

illustrations I want to know more man I

115

00:05:11,129 --> 00:05:09,550

want to know more as well looks like she

116

00:05:13,800 --> 00:05:11,139

she had a breakthrough from the last

117

00:05:16,200 --> 00:05:13,810

time we talked about her and looks like

118

00:05:17,790 --> 00:05:16,210

she has a little more notes yeah yeah

119

00:05:19,140 --> 00:05:17,800

that'd be interesting got to get her on

120

00:05:20,550 --> 00:05:19,150

the podcast that's awesome

121

00:05:23,480 --> 00:05:20,560

looks like this illustration says

122

00:05:26,909 --> 00:05:23,490

examination table on their UFO ship

123

00:05:29,909 --> 00:05:26,919

instead of some day all right what's

124

00:05:32,640 --> 00:05:29,919

next oh the next post is a it's a phone

125

00:05:36,629 --> 00:05:32,650

it's a photo of the internet explorer

126

00:05:40,770 --> 00:05:36,639

logo in in a in a airplane passenger

127

00:05:44,180 --> 00:05:40,780

seat on my way to a trade area 51 guys

128

00:05:48,180 --> 00:05:44,190

[Laughter]

129

00:05:51,420 --> 00:05:48,190

it's so good good post will quit him

130

00:05:53,730 --> 00:05:51,430

that's great that's the next post this

131

00:05:56,459 --> 00:05:53,740

oh this makeup artist Joseph posted

132

00:05:59,610 --> 00:05:56,469

there yeah that was pretty cool haven't

133

00:06:06,749 --> 00:05:59,620

seen this one she starts out with a

134

00:06:12,159 --> 00:06:09,219

just from observation she needs to find

135

00:06:13,989 --> 00:06:12,169

a new bra as you can see the marks under

136

00:06:16,540 --> 00:06:13,999

her boobs and that's not safe

137

00:06:18,790 --> 00:06:16,550

younger ladies your boob or your bra's

138

00:06:21,939 --> 00:06:18,800

too tight that's right and and and

139

00:06:24,790 --> 00:06:21,949

honestly it apparently science has shown

140

00:06:29,140 --> 00:06:24,800

that not wearing a bra is actually

141

00:06:31,600 --> 00:06:29,150

healthier for you you know so burn your

142

00:06:35,679 --> 00:06:31,610

bra ladies bernal yeah

143

00:06:38,909 --> 00:06:35,689

we're total feminist that's us that's us

144

00:06:43,059 --> 00:06:38,919

dude we're feminist through through I

145

00:06:47,019 --> 00:06:43,069

don't even think like I'll think we can

146

00:06:50,860 --> 00:06:47,029

claim that cuz like no joke even even

147

00:06:52,779 --> 00:06:50,870

know anything about feminism but you

148

00:06:55,390 --> 00:06:52,789

know like be nice right yeah just be

149

00:06:58,029 --> 00:06:55,400

just be a good human that's right yeah

150

00:07:01,450 --> 00:06:58,039

that's right but yeah in her case maybe

151
00:07:03,489 --> 00:07:01,460
maybe get a new one yeah that's a cool

152
00:07:09,219 --> 00:07:03,499
little guy I like that a little alien

153
00:07:09,909 --> 00:07:09,229
that's cool I'll get back all right

154
00:07:13,360 --> 00:07:09,919
what's next

155
00:07:15,519 --> 00:07:13,370
Oh lizard people my new wrong snake

156
00:07:18,249 --> 00:07:15,529
people I like it yeah did you watch this

157
00:07:20,519 --> 00:07:18,259
one I caught it just a little bit that

158
00:07:31,300 --> 00:07:20,529
dude smells his own farts for sure right

159
00:07:37,079 --> 00:07:31,310
look at this guy dude I think that said

160
00:07:37,089 --> 00:07:48,149
okay guys comedian that was pretty good

161
00:08:02,019 --> 00:07:54,239
oh my god

162
00:08:04,329 --> 00:08:02,029
dude bro that's too much that's too much

163
00:08:08,409 --> 00:08:04,339

flex he's flexing on I don't even

164

00:08:11,019 --> 00:08:08,419

understand I don't like it snake people

165

00:08:12,939 --> 00:08:11,029

all right what's the next post uh Steven

166

00:08:15,000 --> 00:08:12,949

Green Street on Twitter did you look at

167

00:08:19,470 --> 00:08:15,010

this one I haven't seen known yet

168

00:08:20,940 --> 00:08:19,480

nice one she ticky click okay we got to

169

00:08:22,740 --> 00:08:20,950

get on Twitter man I don't know how to

170

00:08:24,720 --> 00:08:22,750

do Twitter but we apparently we have to

171

00:08:26,580 --> 00:08:24,730

get on Twitter yeah I know me either I

172

00:08:31,620 --> 00:08:26,590

don't know how to do Twitter either I

173

00:08:35,750 --> 00:08:31,630

don't know how to [h__h] this is gonna

174

00:08:38,909 --> 00:08:35,760

stereo a NASA camera which films the Sun

175

00:08:41,850 --> 00:08:38,919

captured a circular UFO right side of

176

00:08:44,640 --> 00:08:41,860

the screen the unidentified object

177

00:08:50,430 --> 00:08:44,650

appears to shoot or eject something left

178

00:08:53,790 --> 00:08:50,440

side okay the left side is Mercury and

179

00:08:58,140 --> 00:08:53,800

Venus official explanations is a high

180

00:09:00,420 --> 00:08:58,150

voltage anomaly I'm still unsure what

181

00:09:03,030 --> 00:09:00,430

I'm looking at here I think this thing

182

00:09:05,400 --> 00:09:03,040

right here is the UFO you see how all

183

00:09:07,980 --> 00:09:05,410

the energy is going around it all right

184

00:09:09,720 --> 00:09:07,990

oh and then it kind of shot something

185

00:09:12,060 --> 00:09:09,730

out of the front of it a second ago

186

00:09:14,160 --> 00:09:12,070

what's all the like the wind slash of

187

00:09:17,580 --> 00:09:14,170

water that looks like it's good it's the

188

00:09:20,580 --> 00:09:17,590

the Sun radiation Oh God coming off the

189

00:09:23,580 --> 00:09:20,590

Sun oh yeah well that's crazy so that

190

00:09:27,150 --> 00:09:23,590

looks like a big tic-tac Bennett yeah

191

00:09:27,540 --> 00:09:27,160

that's cool interesting yeah that's

192

00:09:30,480 --> 00:09:27,550

awesome

193

00:09:37,350 --> 00:09:30,490

damn I thought it was sperm in an egg

194

00:09:40,590 --> 00:09:37,360

top six oh yeah that t-shirt from Sonny

195

00:09:43,260 --> 00:09:40,600

nice alright so let's see what that

196

00:09:46,320 --> 00:09:43,270

what's the next post here latest UFO

197

00:09:48,590 --> 00:09:46,330

sighting UFO chases jet I think we did

198

00:09:54,030 --> 00:09:48,600

this one on the last uh oh we did yeah

199

00:09:57,450 --> 00:09:54,040

believe so okay keep oh I've seen this

200

00:10:00,690 --> 00:09:57,460

floating around so let's see

201
00:10:04,200 --> 00:10:00,700
yeah Joseph posted coincidence probably

202
00:10:07,110 --> 00:10:04,210
and it's it's it's book of predictions

203
00:10:09,840 --> 00:10:07,120
that somebody put together and the

204
00:10:12,150 --> 00:10:09,850
prediction is in around 2020 a severe

205
00:10:14,220 --> 00:10:12,160
pneumonia like illness will spread

206
00:10:17,910 --> 00:10:14,230
throughout the globe attacking the lungs

207
00:10:20,880 --> 00:10:17,920
and the bronchial tubes and resisting

208
00:10:23,190 --> 00:10:20,890
all known treatments almost more

209
00:10:24,990 --> 00:10:23,200
baffling than the illness itself will be

210
00:10:27,840 --> 00:10:25,000
the fact that it will suddenly vanish as

211
00:10:31,980 --> 00:10:27,850
quickly as it arrived attack

212
00:10:33,960 --> 00:10:31,990
attack again then Oh attack again ten

213
00:10:34,530 --> 00:10:33,970

years later and then disappear

214

00:10:38,870 --> 00:10:34,540

completely

215

00:10:40,740 --> 00:10:38,880

okay so coronavirus connection there uh

216

00:10:47,720 --> 00:10:40,750

it's gonna go away

217

00:10:50,550 --> 00:10:47,730

so yeah yeah pretty soon yeah cool I

218

00:10:53,280 --> 00:10:50,560

mean it's pretty close it's pretty close

219

00:10:56,790 --> 00:10:53,290

I don't know a lot about sicknesses and

220

00:11:00,749 --> 00:10:56,800

stuff right yeah I'm gonna I'm gonna get

221

00:11:03,180 --> 00:11:00,759

on this dude this uh take an audio book

222

00:11:03,720 --> 00:11:03,190

and ambush ambush yeah that's pretty

223

00:11:07,350 --> 00:11:03,730

cool

224

00:11:10,590 --> 00:11:07,360

Phillips post about ambush listen to on

225

00:11:13,050 --> 00:11:10,600

audible okay chapter 46 dude you really

226

00:11:15,389 --> 00:11:13,060

you're pretty deep into that chapter 46

227

00:11:17,280 --> 00:11:15,399

hell yeah oh yeah nine minutes and 51

228

00:11:18,329 --> 00:11:17,290

seconds remaining that would be

229

00:11:20,340 --> 00:11:18,339

something though that you could just

230

00:11:21,809 --> 00:11:20,350

throw on listen to all day yeah that's

231

00:11:23,759 --> 00:11:21,819

something up yeah

232

00:11:26,939 --> 00:11:23,769

I recommend listening to this podcast

233

00:11:32,639 --> 00:11:26,949

all day at work whatever whenever we're

234

00:11:34,530 --> 00:11:32,649

done then you throw on ambush yeah so it

235

00:11:37,110 --> 00:11:34,540

says reminds of reminds them of the

236

00:11:43,850 --> 00:11:37,120

baubles our story although it's fiction

237

00:11:46,949 --> 00:11:43,860

so cool what's next oh hell yeah I did

238

00:11:51,150 --> 00:11:46,959

an expose from sunny is this uh-huh this

239

00:11:56,639 --> 00:11:51,160

[\h__\h] and balls in this guy it's like a

240

00:11:59,220 --> 00:11:56,649

kite I love it like there are posts from

241

00:12:01,050 --> 00:11:59,230

everybody in the group is like some are

242

00:12:04,889 --> 00:12:01,060

very serious and like hey check this out

243

00:12:05,939 --> 00:12:04,899

and so I mean that's our that's our

244

00:12:08,759 --> 00:12:05,949

humor though I love it

245

00:12:13,430 --> 00:12:08,769

yeah it's very mixed you gotta throw

246

00:12:16,460 --> 00:12:13,440

some some humor in there every now yeah

247

00:12:19,410 --> 00:12:16,470

[Laughter]

248

00:12:21,300 --> 00:12:19,420

like we go through some Facebook stuff

249

00:12:28,050 --> 00:12:21,310

it like the first post is a dick and

250

00:12:30,360 --> 00:12:28,060

balls yeah that's great yeah that's

251

00:12:33,329 --> 00:12:30,370

great I like how it the title or the

252

00:12:35,340 --> 00:12:33,339

quote is uh it's like the bat signal for

253

00:12:38,980 --> 00:12:35,350

your mob

254

00:12:40,329 --> 00:12:38,990

that's even better oh yeah that's

255

00:12:42,579 --> 00:12:40,339

amazing yeah dude

256

00:12:44,710 --> 00:12:42,589

well that's uh that's it for the the

257

00:12:47,250 --> 00:12:44,720

Facebook stuff man was pretty pretty

258

00:12:49,420 --> 00:12:47,260

quick and easy pretty simple yeah um I I

259

00:12:50,949 --> 00:12:49,430

guess maybe we should get into this

260

00:13:05,079 --> 00:12:50,959

Terry Lovelace nice man what do you

261

00:13:07,000 --> 00:13:05,089

think let's do this alright guys so we

262

00:13:11,350 --> 00:13:07,010

have got mr. Terry Lovelace with us

263

00:13:15,100 --> 00:13:11,360

today and I'm extremely excited about

264

00:13:18,939 --> 00:13:15,110

this Terry I've I have heard your story

265

00:13:21,639 --> 00:13:18,949

a couple times and I'm I'm about halfway

266

00:13:25,840 --> 00:13:21,649

through your book now and your book is

267

00:13:27,519 --> 00:13:25,850

awesome incident at Devil's Den man it's

268

00:13:29,530 --> 00:13:27,529

probably one of my favorite reads you

269

00:13:32,110 --> 00:13:29,540

know in a while to be honest with you so

270

00:13:34,540 --> 00:13:32,120

I'm super glad that you were here so I

271

00:13:37,569 --> 00:13:34,550

guess for everybody who is kind of new

272

00:13:39,639 --> 00:13:37,579

to you and to all this stuff kind of

273

00:13:42,970 --> 00:13:39,649

just say hi to everybody and tell them

274

00:13:44,920 --> 00:13:42,980

what you're about man yeah hi everyone

275

00:13:50,769 --> 00:13:44,930

glad to be here Ben and show her the

276

00:13:53,620 --> 00:13:50,779

best yeah my name is Terry lovely I'm 65

277

00:13:55,569 --> 00:13:53,630

year old retired lawyer I'm a former

278

00:13:58,660 --> 00:13:55,579

assistant attorney general for the US

279

00:14:00,460 --> 00:13:58,670

territories of American Samoa and a

280

00:14:04,600 --> 00:14:00,470

former state's attorney for the state of

281

00:14:07,090 --> 00:14:04,610

Vermont but I'm retired yeah but that's

282

00:14:09,340 --> 00:14:07,100

why that's why I published incident it

283

00:14:11,050 --> 00:14:09,350

bevels done had I published that during

284

00:14:12,509 --> 00:14:11,060

my legal career it would not have gone

285

00:14:15,100 --> 00:14:12,519

well

286

00:14:17,710 --> 00:14:15,110

yeah we're hold Joe's holding up the

287

00:14:20,009 --> 00:14:17,720

book right now so yeah I mean I can only

288

00:14:23,920 --> 00:14:20,019

imagine in that line of work

289

00:14:28,059 --> 00:14:23,930

this topic is often kind of shunned in a

290

00:14:29,530 --> 00:14:28,069

way so I I sympathize yeah you know it

291

00:14:31,150 --> 00:14:29,540

is and it's a shame that there are a

292

00:14:33,519 --> 00:14:31,160

couple professions like that you know

293

00:14:37,150 --> 00:14:33,529

academia is another one I got a friend

294

00:14:42,160 --> 00:14:37,160

who's a history professor who is really

295

00:14:44,620 --> 00:14:42,170

truly a psychic medium and we do you

296

00:14:46,509 --> 00:14:44,630

know Huey he's been a psychic medium all

297

00:14:47,449 --> 00:14:46,519

his life but he waited until he was 62

298

00:14:52,639 --> 00:14:47,459

to write a book

299

00:14:53,960 --> 00:14:52,649

go public about keep up you know he is a

300

00:14:57,470 --> 00:14:53,970

history professor he thought he was

301

00:14:59,600 --> 00:14:57,480

going to get fired you know they they

302

00:15:01,100 --> 00:14:59,610

ended up giving them a telling him to

303

00:15:04,519 --> 00:15:01,110

write the curriculum and now he teaches

304

00:15:06,710 --> 00:15:04,529

a paranormal class at Citrus College

305

00:15:09,350 --> 00:15:06,720

huland or California oh that's awesome

306

00:15:10,639 --> 00:15:09,360

Amos back to brew Solheim all right on

307

00:15:12,319 --> 00:15:10,649

we have to look him up today I'm gonna

308

00:15:15,230 --> 00:15:12,329

have to take his course yeah seriously

309

00:15:18,220 --> 00:15:15,240

that's pretty awesome yeah it is kind of

310

00:15:20,540 --> 00:15:18,230

a bummer man that in in certain fields

311

00:15:23,960 --> 00:15:20,550

you know when you talk about this

312

00:15:26,809 --> 00:15:23,970

subject it's like an automatic dismissal

313

00:15:28,850 --> 00:15:26,819

of you as a person your character

314

00:15:30,790 --> 00:15:28,860

everything about you and all the hard

315

00:15:33,999 --> 00:15:30,800

work you put in to become that person

316

00:15:37,040 --> 00:15:34,009

and that's that's a real bummer for sure

317

00:15:39,739 --> 00:15:37,050

yeah yeah you know but I think times

318

00:15:42,499 --> 00:15:39,749

were changing I mean I look at how many

319

00:15:45,710 --> 00:15:42,509

people with 10 conferences and you know

320

00:15:47,720 --> 00:15:45,720

I just I just got into this in 2018 so

321

00:15:53,569 --> 00:15:47,730

I'm only 2 years next month

322

00:15:55,759 --> 00:15:53,579

I've been into this and you know my I'm

323

00:15:59,749 --> 00:15:55,769

really happy my book today received its

324

00:16:02,389 --> 00:15:59,759

300th review Oh huh awesome so I'm

325

00:16:05,539 --> 00:16:02,399

delighted about that 4.6 stars out of 5

326

00:16:07,780 --> 00:16:05,549

Oh congratulations man that's that's a

327

00:16:11,090 --> 00:16:07,790

huge achievement dang that's awesome

328

00:16:13,340 --> 00:16:11,100

yeah it's a it's a great book man like I

329

00:16:15,739 --> 00:16:13,350

said I'm about halfway through it but

330

00:16:19,460 --> 00:16:15,749

man this has been one of my favorite

331

00:16:21,139 --> 00:16:19,470

reads that I've done so far you know and

332

00:16:24,619 --> 00:16:21,149

dealing with this stuff I mean we read

333

00:16:28,100 --> 00:16:24,629

stuff all the time right and Men you do

334

00:16:31,129 --> 00:16:28,110

such a good job you know in the writing

335

00:16:32,960 --> 00:16:31,139

with with the book and just how I think

336

00:16:35,179 --> 00:16:32,970

one of my favorite parts is is just the

337

00:16:39,169 --> 00:16:35,189

way you're able to convey what it's like

338

00:16:41,989 --> 00:16:39,179

to be a child having an experience and

339

00:16:44,179 --> 00:16:41,999

not being able to explain it to anybody

340

00:16:45,799 --> 00:16:44,189

you know like that really kind of brings

341

00:16:48,230 --> 00:16:45,809

you back to your childhood and like

342

00:16:50,689 --> 00:16:48,240

maybe some experiences maybe you know

343

00:16:52,369 --> 00:16:50,699

we've had personally as ourselves on

344

00:16:54,889 --> 00:16:52,379

like ah you know I never thought about

345

00:16:56,539 --> 00:16:54,899

it because it's always chalked off to

346

00:16:59,840 --> 00:16:56,549

just being an overactive imagination

347

00:17:00,680 --> 00:16:59,850

right but you know as a child there's no

348

00:17:04,809 --> 00:17:00,690

reason that a

349

00:17:07,939 --> 00:17:04,819

I'll can't experience something as well

350

00:17:10,460 --> 00:17:07,949

absolutely you know I I didn't discount

351

00:17:13,400 --> 00:17:10,470

anything my children said you know I I

352

00:17:15,530 --> 00:17:13,410

uh I was eight years old like four saw a

353

00:17:18,620 --> 00:17:15,540

UFO I saw a flying saucer my backyard

354

00:17:20,600 --> 00:17:18,630

and I told my parents and they they they

355

00:17:22,400 --> 00:17:20,610

they were wiggled out they were like you

356

00:17:24,050 --> 00:17:22,410

know Terry I don't know what you saw but

357

00:17:24,770 --> 00:17:24,060

I tell you you did not see a flying

358

00:17:27,679 --> 00:17:24,780

saucer

359

00:17:29,720 --> 00:17:27,689

and you know it was the 1960s it was a

360

00:17:31,310 --> 00:17:29,730

different time you know and they're like

361

00:17:32,810 --> 00:17:31,320

look you can't tell people that don't

362

00:17:35,300 --> 00:17:32,820

think there's something wrong with you

363

00:17:39,350 --> 00:17:35,310

ya think there's wrong with us all right

364

00:17:40,940 --> 00:17:39,360

Oh bad reflection on the family so but

365

00:17:44,030 --> 00:17:40,950

yeah times we're changing for the better

366

00:17:46,370 --> 00:17:44,040

yeah yeah man I could only imagine I I

367

00:17:48,620 --> 00:17:46,380

think one of the the things that like

368

00:17:51,470 --> 00:17:48,630

I've taken from the book so far as you

369

00:17:55,760 --> 00:17:51,480

know when you're talking about the

370

00:17:59,240 --> 00:17:55,770

monkeys in the room right yeah man that

371

00:18:01,880 --> 00:17:59,250

that's gotta be an insane experience and

372

00:18:03,830 --> 00:18:01,890

then you know that happening you know

373

00:18:06,080 --> 00:18:03,840

your your parents not understand what's

374

00:18:08,870 --> 00:18:06,090

going on and then all of a sudden it's

375

00:18:11,960 --> 00:18:08,880

like oh well now I saw this this UFO in

376

00:18:15,080 --> 00:18:11,970

the backyard you know I do have thrown

377

00:18:24,380 --> 00:18:15,090

them for a loop for sure you know yeah

378

00:18:26,350 --> 00:18:24,390

yeah that's what's that I hate speak oh

379

00:18:28,610 --> 00:18:26,360

yeah I said if you'd like it I'd like to

380

00:18:31,370 --> 00:18:28,620

share with you guys and share with your

381

00:18:33,530 --> 00:18:31,380

audience you know what happened to me

382

00:18:35,750 --> 00:18:33,540

and how I got here and why I wrote the

383

00:18:40,280 --> 00:18:35,760

book yeah absolutely we drive that we'd

384

00:18:44,660 --> 00:18:40,290

love that yeah you know in 2012 I

385

00:18:49,190 --> 00:18:44,670

retired early I retired in January of

386

00:18:51,800 --> 00:18:49,200

2012 in the state of Vermont and about

387

00:18:54,200 --> 00:18:51,810

10 months later I'm living in Dallas now

388

00:18:55,960 --> 00:18:54,210

and I got up one morning and I couldn't

389

00:18:58,670 --> 00:18:55,970

bear weight on my right leg

390

00:19:02,270 --> 00:18:58,680

so I went to the hospital to get an

391

00:19:04,670 --> 00:19:02,280

x-ray and I get on the x-ray table and

392

00:19:07,460 --> 00:19:04,680

the x-ray tech takes a shot or a couple

393

00:19:10,310 --> 00:19:07,470

shots and comes out it looks perplexed

394

00:19:12,260 --> 00:19:10,320

and repeats it and then she asked me she

395

00:19:13,260 --> 00:19:12,270

says have you been in it up automobile

396

00:19:15,030 --> 00:19:13,270

accident

397

00:19:16,740 --> 00:19:15,040

shrapnel wound or something that could

398

00:19:19,500 --> 00:19:16,750

account for a piece of metal in your leg

399

00:19:20,970 --> 00:19:19,510

and right now you know I've never

400

00:19:24,600 --> 00:19:20,980

injured this like you know there's

401
00:19:26,220 --> 00:19:24,610
skinned knee when I was a kid and she

402
00:19:27,570 --> 00:19:26,230
says well you got some strange stuff

403
00:19:31,620 --> 00:19:27,580
going on in your leg

404
00:19:33,360 --> 00:19:31,630
Wow and I said can I see and she said

405
00:19:34,830 --> 00:19:33,370
well I called the radiologist down he's

406
00:19:38,310 --> 00:19:34,840
going to come downhill he'll talk to you

407
00:19:41,160 --> 00:19:38,320
about it so radiologist comes down and

408
00:19:45,170 --> 00:19:41,170
he pops these two films up on the view

409
00:19:48,720 --> 00:19:45,180
box and above my knee and to the right

410
00:19:51,330 --> 00:19:48,730
there's what looks like it's just about

411
00:19:53,520 --> 00:19:51,340
the size of a fingernail it's perfectly

412
00:19:56,550 --> 00:19:53,530
square with two wires coming out of it

413
00:20:00,270 --> 00:19:56,560

we've seen that photo and it is very

414

00:20:01,740 --> 00:20:00,280

interesting yeah and you know he says I

415

00:20:04,530 --> 00:20:01,750

don't know what this is but this is a

416

00:20:07,980 --> 00:20:04,540

manufactured item this isn't a naturally

417

00:20:09,900 --> 00:20:07,990

occurring in your body and he said you

418

00:20:12,090 --> 00:20:09,910

know to get this object deep in your leg

419

00:20:13,920 --> 00:20:12,100

and into your fashio they had to breach

420

00:20:15,870 --> 00:20:13,930

the integrity of your skin with them

421

00:20:18,210 --> 00:20:15,880

with an incision and he says you're

422

00:20:19,680 --> 00:20:18,220

going to have a scar right there I'm

423

00:20:23,930 --> 00:20:19,690

like doctor I don't I don't have any

424

00:20:27,660 --> 00:20:23,940

scars and he insisted I had to have and

425

00:20:31,100 --> 00:20:27,670

examine my leg and was really really

426
00:20:36,150 --> 00:20:31,110
perplexed when he could not find a scar

427
00:20:37,100 --> 00:20:36,160
yes no entry no signs of an incision or

428
00:20:40,020 --> 00:20:37,110
anything like that

429
00:20:41,670 --> 00:20:40,030
you know right you know I asked him I

430
00:20:43,620 --> 00:20:41,680
said doctor how often is it that you

431
00:20:46,170 --> 00:20:43,630
find a foreign object under the body at

432
00:20:48,570 --> 00:20:46,180
this depth without there being a

433
00:20:51,210 --> 00:20:48,580
corresponding scar right and he said

434
00:20:57,690 --> 00:20:51,220
never been a radiologist 23 years I've

435
00:20:59,280 --> 00:20:57,700
never seen this before you know you got

436
00:21:02,300 --> 00:20:59,290
some stuff going on below your knee too

437
00:21:05,040 --> 00:21:02,310
and he popped the other one end and

438
00:21:07,440 --> 00:21:05,050

there's an arrangement of what looks

439

00:21:08,940 --> 00:21:07,450

like marbles or tic-tacs

440

00:21:11,460 --> 00:21:08,950

they're small they're int but they're

441

00:21:13,650 --> 00:21:11,470

arranged in a like a floral pattern or

442

00:21:16,560 --> 00:21:13,660

example yeah with a little dot in the

443

00:21:18,570 --> 00:21:16,570

middle and he says you know on x-ray

444

00:21:21,930 --> 00:21:18,580

film these are about the consistency of

445

00:21:25,080 --> 00:21:21,940

bone tissue but he says you know I've

446

00:21:27,070 --> 00:21:25,090

never seen bones issues just sprout in

447

00:21:29,950 --> 00:21:27,080

the middle of a muscle yes less

448

00:21:31,769 --> 00:21:29,960

arranged itself in a symmetrical form he

449

00:21:35,399 --> 00:21:31,779

says I have no idea what this is

450

00:21:38,470 --> 00:21:35,409

Wow is then on the back of your calf

451
00:21:41,379 --> 00:21:38,480
kind of yeah yeah a calf muscle is still

452
00:21:43,600 --> 00:21:41,389
there there was a guy there that was

453
00:21:46,080 --> 00:21:43,610
testing for implants right yeah yeah

454
00:21:53,369 --> 00:21:46,090
yeah did you did you check that guy out

455
00:21:56,590 --> 00:21:53,379
yeah yeah UFO Khan I did I I stopped and

456
00:21:59,379 --> 00:21:56,600
he used some kind of instrument and he

457
00:22:02,799 --> 00:21:59,389
says the your calf muscles your right

458
00:22:04,029 --> 00:22:02,809
leg is highly highly magnetic Wow

459
00:22:06,700 --> 00:22:04,039
interesting

460
00:22:07,930 --> 00:22:06,710
okay yeah so I mean obviously you

461
00:22:09,639 --> 00:22:07,940
already knew this that there was

462
00:22:12,970 --> 00:22:09,649
something weird going on so it kind of

463
00:22:14,680 --> 00:22:12,980

confirmed number one with the with your

464

00:22:16,720 --> 00:22:14,690

doctor but also you knowing these

465

00:22:19,180 --> 00:22:16,730

foreign objects were there but you had a

466

00:22:20,619 --> 00:22:19,190

third party confirmed that there's

467

00:22:22,810 --> 00:22:20,629

definitely something in your leg not

468

00:22:27,299 --> 00:22:22,820

only is it just not a part of your body

469

00:22:31,210 --> 00:22:27,309

but it's magnetic yeah that's strange

470

00:22:33,340 --> 00:22:31,220

well you know I I really had no desire

471

00:22:37,749 --> 00:22:33,350

to write a book or interest in speaking

472

00:22:41,340 --> 00:22:37,759

about this stuff you know I had resigned

473

00:22:46,180 --> 00:22:41,350

myself that you know I have the PTSD

474

00:22:47,830 --> 00:22:46,190

from 1977 but you know I was resigned to

475

00:22:52,200 --> 00:22:47,840

live with that but something about

476

00:22:56,229 --> 00:22:52,210

seeing those x-rays just just really

477

00:22:58,389 --> 00:22:56,239

just really was like a wake-up call it

478

00:23:00,399 --> 00:22:58,399

was like I had I had to face the fact

479

00:23:03,700 --> 00:23:00,409

that these things put their hands on me

480

00:23:06,759 --> 00:23:03,710

you know and that was that was hard to

481

00:23:08,379 --> 00:23:06,769

process right and that's when I became

482

00:23:11,499 --> 00:23:08,389

determined I was going to write about it

483

00:23:14,619 --> 00:23:11,509

and speak about it and that's been a

484

00:23:17,680 --> 00:23:14,629

good thing you know it was crazy as I

485

00:23:20,080 --> 00:23:17,690

was a runner for four years and every

486

00:23:22,029 --> 00:23:20,090

time I do a run you know I didn't run

487

00:23:24,609 --> 00:23:22,039

marathons but I'd run four or five miles

488

00:23:27,729 --> 00:23:24,619

every day but I ran bout everyday and

489

00:23:30,009 --> 00:23:27,739

it's a two-mile mark in my run I mean

490

00:23:34,419 --> 00:23:30,019

give or take 50 yards there was a spot

491

00:23:36,909 --> 00:23:34,429

on my on my right leg by the knee just

492

00:23:40,440 --> 00:23:36,919

above the knee and lateral that would go

493

00:23:43,020 --> 00:23:40,450

completely numb and it was

494

00:23:45,720 --> 00:23:43,030

it was a perfect circle I could take a

495

00:23:48,210 --> 00:23:45,730

pen and delineate the edges of it

496

00:23:51,180 --> 00:23:48,220

it was perfectly round and it would stay

497

00:23:52,770 --> 00:23:51,190

down you know like like a dentist shot

498

00:23:54,630 --> 00:23:52,780

of Novocain in your mouth it would stain

499

00:23:57,630 --> 00:23:54,640

them for about 30 minutes and then we're

500

00:23:59,550 --> 00:23:57,640

off and I asked my doctor about it and

501
00:24:01,440 --> 00:23:59,560
she says it sounds like some kind of

502
00:24:02,760 --> 00:24:01,450
hymns the aesthetic reaction she called

503
00:24:04,350 --> 00:24:02,770
it she said you know it's probably

504
00:24:08,730 --> 00:24:04,360
nothing to worry about

505
00:24:11,340 --> 00:24:08,740
so I did and that was 1980 but then when

506
00:24:13,680 --> 00:24:11,350
I saw that history when I saw that x-ray

507
00:24:16,440 --> 00:24:13,690
I realized that this thing that looks

508
00:24:19,110 --> 00:24:16,450
like a computer chip lays right

509
00:24:25,110 --> 00:24:19,120
underneath that spot that would go numb

510
00:24:27,260 --> 00:24:25,120
when I ran so that that you know told me

511
00:24:30,260 --> 00:24:27,270
that that's been with me since at least

512
00:24:35,330 --> 00:24:30,270
1979 yeah right

513
00:24:39,240 --> 00:24:35,340

probably 1977 when when Toby and I were

514

00:24:41,460 --> 00:24:39,250

you know were abducted so I want to hear

515

00:24:42,480 --> 00:24:41,470

I would love to hear about that story if

516

00:24:44,100 --> 00:24:42,490

you want to tell it

517

00:24:46,740 --> 00:24:44,110

so the abduction story I was gonna ask

518

00:24:48,480 --> 00:24:46,750

how did this all start do you I mean I

519

00:24:49,650 --> 00:24:48,490

Jo's read some of the book and I've

520

00:24:51,090 --> 00:24:49,660

heard a little bit about your story but

521

00:24:55,200 --> 00:24:51,100

I'd love to hear it from your in your

522

00:24:58,020 --> 00:24:55,210

words sure sure ah here's what happened

523

00:24:59,400 --> 00:24:58,030

I was when I got out of high school I

524

00:25:03,020 --> 00:24:59,410

joined the military I joined the Air

525

00:25:06,900 --> 00:25:03,030

Force and I was active duty from 1973 to

526

00:25:09,990 --> 00:25:06,910

1979 for six years and I was trained as

527

00:25:11,820 --> 00:25:10,000

a medic and an EMT and I worked in the

528

00:25:16,940 --> 00:25:11,830

emergency room at Whiteman Air Force

529

00:25:20,250 --> 00:25:16,950

Base which is just east of Kansas City

530

00:25:23,850 --> 00:25:20,260

and it was in a remote area back then it

531

00:25:26,730 --> 00:25:23,860

was a sac base with b-52s and Minutemen

532

00:25:29,160 --> 00:25:26,740

- ICBM missiles scattered out of them in

533

00:25:30,960 --> 00:25:29,170

the soybean fields now it's the home to

534

00:25:35,210 --> 00:25:30,970

the b-2 bombers that's where they're

535

00:25:38,310 --> 00:25:35,220

located yeah but the base is still there

536

00:25:40,500 --> 00:25:38,320

so we work nights in the emergency room

537

00:25:43,800 --> 00:25:40,510

driving an ambulance from 11 to 7th or

538

00:25:45,990 --> 00:25:43,810

whatever whatever came up and we're

539

00:25:47,460 --> 00:25:46,000

working tonight and my buddy says you

540

00:25:50,450 --> 00:25:47,470

know about two o'clock in the morning he

541

00:25:53,790 --> 00:25:50,460

says hey I got an idea let's go camping

542

00:25:54,570 --> 00:25:53,800

and I'm like are you nuts man you know

543

00:25:56,460 --> 00:25:54,580

we're

544

00:25:58,470 --> 00:25:56,470

city kids Toby I mean I had never been

545

00:26:00,120 --> 00:25:58,480

camping in my life I grew up in st.

546

00:26:02,759 --> 00:26:00,130

Louis Missouri he grew up in Flint

547

00:26:06,240 --> 00:26:02,769

Michigan and I'm like you know what do

548

00:26:09,360 --> 00:26:06,250

we know about campus I've never given it

549

00:26:11,130 --> 00:26:09,370

a 5 and he says no no think about it

550

00:26:14,610 --> 00:26:11,140

would be cool you know because I I just

551
00:26:16,139 --> 00:26:14,620
bought a new camera with some lenses and

552
00:26:18,210 --> 00:26:16,149
I want to Diana and I had a little

553
00:26:19,799 --> 00:26:18,220
black-and-white darkroom set up in my

554
00:26:23,279 --> 00:26:19,809
house so I could develop black-and-white

555
00:26:26,970 --> 00:26:23,289
prints but unfortunately both of us

556
00:26:28,500 --> 00:26:26,980
lived on base in NCO housing and when

557
00:26:29,820 --> 00:26:28,510
you live on a nuclear base they're just

558
00:26:35,070 --> 00:26:29,830
hidden a whole lot you can go out and

559
00:26:37,049 --> 00:26:35,080
photograph right illegally so you know

560
00:26:41,789 --> 00:26:37,059
he made a good point we'd make this trip

561
00:26:43,919 --> 00:26:41,799
down to Devil's Den State Park and find

562
00:26:45,419 --> 00:26:43,929
it a piece of high ground not seeing a

563
00:26:49,680 --> 00:26:45,429

campground but find a piece of high

564

00:26:54,919 --> 00:26:49,690

ground and see he was an amateur

565

00:26:57,299 --> 00:26:54,929

astronomer and a math wizard he was and

566

00:26:59,970 --> 00:26:57,309

he wanted to go to University of

567

00:27:02,310 --> 00:26:59,980

Michigan studying physics for undergrad

568

00:27:06,230 --> 00:27:02,320

and then get you know to graduate

569

00:27:08,070 --> 00:27:06,240

working and astronomy or cosmology and I

570

00:27:10,019 --> 00:27:08,080

wanted to go to University of Michigan

571

00:27:14,279 --> 00:27:10,029

to go to law school which I ultimately

572

00:27:15,240 --> 00:27:14,289

did so he both had big plans but this

573

00:27:18,269 --> 00:27:15,250

guy you know

574

00:27:20,039 --> 00:27:18,279

I I wish I could have asked him back in

575

00:27:22,680 --> 00:27:20,049

the day where did this obsession with

576

00:27:24,629 --> 00:27:22,690

the sky khon fall yeah because he was

577

00:27:26,700 --> 00:27:24,639

obsessed with the night sky I mean he

578

00:27:28,440 --> 00:27:26,710

could point out the constellations and

579

00:27:31,110 --> 00:27:28,450

tell me when satellites were gonna come

580

00:27:35,039 --> 00:27:31,120

over and stuff it was amazing

581

00:27:37,019 --> 00:27:35,049

was he this good guy so that was thin

582

00:27:38,879 --> 00:27:37,029

state partners a little over six hours

583

00:27:42,330 --> 00:27:38,889

drive south Whiteman Air Force Base

584

00:27:45,779 --> 00:27:42,340

depending on how fast you drive and we

585

00:27:47,370 --> 00:27:45,789

piled in my old Chevy and you know we've

586

00:27:49,860 --> 00:27:47,380

never been camping but you know it ain't

587

00:27:51,600 --> 00:27:49,870

rocket science yeah

588

00:27:54,000 --> 00:27:51,610

you just make a fire and you know sit up

589

00:27:55,560 --> 00:27:54,010

on the ground yeah you know we were I

590

00:27:57,930 --> 00:27:55,570

mean we were a couple of nerds so we

591

00:28:00,000 --> 00:27:57,940

went about it you know the Nerds way and

592

00:28:06,870 --> 00:28:00,010

you know we made it less within a

593

00:28:08,070 --> 00:28:06,880

library look for camping so yeah so we

594

00:28:11,279 --> 00:28:08,080

got a little tips and there

595

00:28:14,190 --> 00:28:11,289

mrs. swipe some blankets from the

596

00:28:18,029 --> 00:28:14,200

hospital and military strength eat

597

00:28:20,850 --> 00:28:18,039

military strength sunscreen and a cooler

598

00:28:27,570 --> 00:28:20,860

full of hot dogs one six-pack of beer

599

00:28:31,580 --> 00:28:27,580

and only one chips one of us with the

600

00:28:36,720 --> 00:28:31,590

drinkers you know guys enough for us so

601
00:28:39,630 --> 00:28:36,730
we made the trip down and we found well

602
00:28:41,909 --> 00:28:39,640
first of all we died - Park Rangers and

603
00:28:44,310 --> 00:28:41,919
we took a blacktop road that became a

604
00:28:46,680 --> 00:28:44,320
gravel road that became a dirt road and

605
00:28:49,230 --> 00:28:46,690
then there was a chain across the world

606
00:28:51,539 --> 00:28:49,240
I'll post on either side of the road and

607
00:28:53,399 --> 00:28:51,549
a chain stretched across and with a sign

608
00:28:55,049 --> 00:28:53,409
that said you know no admittance know

609
00:28:58,379 --> 00:28:55,059
hiking no camping or fishing or hunting

610
00:29:01,590 --> 00:28:58,389
you know no trespassing you know just a

611
00:29:04,019 --> 00:29:01,600
stern warning and I said ah man I guess

612
00:29:05,820 --> 00:29:04,029
we got to find another another way cuz

613
00:29:08,970 --> 00:29:05,830

we could see there was a hill yeah you

614

00:29:11,669 --> 00:29:08,980

know incline it we wanted to go camp on

615

00:29:15,620 --> 00:29:11,679

top of and my buddy says no wait a

616

00:29:19,259 --> 00:29:15,630

minute and he hops out of the car and

617

00:29:20,639 --> 00:29:19,269

chain across the road had a padlock on

618

00:29:22,860 --> 00:29:20,649

what they've done is they just locked

619

00:29:25,320 --> 00:29:22,870

the chain on itself to make like a loop

620

00:29:28,470 --> 00:29:25,330

or a news I just draped it over the post

621

00:29:31,710 --> 00:29:28,480

right so he gets up picks this up and

622

00:29:35,070 --> 00:29:31,720

lets it drop to the ground at home and

623

00:29:36,690 --> 00:29:35,080

boom we're in you know you know the only

624

00:29:40,289 --> 00:29:36,700

mistake we made it from sure to put the

625

00:29:45,240 --> 00:29:40,299

chain back up I'll explain that there

626
00:29:46,799 --> 00:29:45,250
and okay so we drove and my friend he

627
00:29:48,210 --> 00:29:46,809
really did have an unerring sense of

628
00:29:50,700 --> 00:29:48,220
direction I mean he's one of these guys

629
00:29:51,810 --> 00:29:50,710
you know you could spin him around and

630
00:29:52,710 --> 00:29:51,820
he would take a minute and tell you

631
00:29:54,990 --> 00:29:52,720
which way is north

632
00:29:59,399 --> 00:29:55,000
I mean you know he could never get lost

633
00:30:01,620 --> 00:29:59,409
it's awesome and he he guided me up this

634
00:30:04,830 --> 00:30:01,630
incline you know make her right here

635
00:30:08,610 --> 00:30:04,840
make a left there and we ended up we

636
00:30:11,370 --> 00:30:08,620
crested this hill and we were in this

637
00:30:13,950 --> 00:30:11,380
big open metal and it was just gorgeous

638
00:30:16,710 --> 00:30:13,960

it was beautiful it when you don't grasp

639

00:30:21,029 --> 00:30:16,720

a little less than be high and some late

640

00:30:21,870 --> 00:30:21,039

blooming wildflowers and you know we had

641

00:30:24,990 --> 00:30:21,880

the

642

00:30:26,790 --> 00:30:25,000

we were on up like a plateau with a nice

643

00:30:27,690 --> 00:30:26,800

view of the forest you know all around

644

00:30:32,340 --> 00:30:27,700

us

645

00:30:33,810 --> 00:30:32,350

photography you know he could he could

646

00:30:37,020 --> 00:30:33,820

watch the night sky without light

647

00:30:38,730 --> 00:30:37,030

pollution and there's perfect place to

648

00:30:40,530 --> 00:30:38,740

camp that sounds awesome he set up her

649

00:30:43,710 --> 00:30:40,540

you know I think I sent you guys

650

00:30:46,560 --> 00:30:43,720

pictures the place where we stayed yeah

651
00:30:48,710 --> 00:30:46,570
I thought I thought you know I didn't

652
00:30:51,060 --> 00:30:48,720
look it up on Google Earth or even try

653
00:30:52,890 --> 00:30:51,070
you know that place has got to be

654
00:30:55,050 --> 00:30:52,900
covered with 40 year old mathura trees

655
00:30:56,790 --> 00:30:55,060
by now huh well it's like a it's like a

656
00:31:00,870 --> 00:30:56,800
clearing from the photos that you sent

657
00:31:06,150 --> 00:31:00,880
us it's it's like a clearing yeah and I

658
00:31:08,040 --> 00:31:06,160
had a guy off my Facebook page

659
00:31:09,930 --> 00:31:08,050
I got an incident at Devil's Den

660
00:31:13,200 --> 00:31:09,940
Facebook page

661
00:31:14,820 --> 00:31:13,210
a guy from Alabama was a landscaper sent

662
00:31:16,440 --> 00:31:14,830
me a message and said you know hey I do

663
00:31:18,170 --> 00:31:16,450

this for a living I can tell you I can

664

00:31:21,090 --> 00:31:18,180

see tractor marks

665

00:31:24,000 --> 00:31:21,100

he says that's cut that field is cut oh

666

00:31:26,130 --> 00:31:24,010

yeah it looks yeah sure does even from

667

00:31:27,870 --> 00:31:26,140

the Google map photo that you sent us it

668

00:31:32,310 --> 00:31:27,880

does look like there's some some type of

669

00:31:34,260 --> 00:31:32,320

tracks yeah so you know it's and there's

670

00:31:35,700 --> 00:31:34,270

no paved road it's just it's just got to

671

00:31:39,300 --> 00:31:35,710

be a tractor it's just that that two

672

00:31:41,370 --> 00:31:39,310

dirt road that dirt road is still there

673

00:31:44,340 --> 00:31:41,380

there are some buildings there now that

674

00:31:46,110 --> 00:31:44,350

weren't there you know back in 1977 it

675

00:31:48,720 --> 00:31:46,120

was way out in the wilderness done Oh

676
00:31:51,270 --> 00:31:48,730
interesting often but you know I found

677
00:31:53,280 --> 00:31:51,280
out that it is actually that land is

678
00:31:56,520 --> 00:31:53,290
actually not part of Devil's Den State

679
00:31:59,270 --> 00:31:56,530
Park it's actually under the beer it's

680
00:32:01,440 --> 00:31:59,280
owned by the federal government and

681
00:32:05,910 --> 00:32:01,450
managed by the Bureau of Land Management

682
00:32:08,690 --> 00:32:05,920
whoa so just just that small little area

683
00:32:11,790 --> 00:32:08,700
or their areas surrounding it as well

684
00:32:13,800 --> 00:32:11,800
some of the area surrounding it but it's

685
00:32:15,930 --> 00:32:13,810
pretty much carved out to be around that

686
00:32:18,570 --> 00:32:15,940
place if you go to Google Earth it'll

687
00:32:22,260 --> 00:32:18,580
show you the yellow the yellow

688
00:32:25,140 --> 00:32:22,270

property lines right right but it's

689

00:32:27,810 --> 00:32:25,150

carved out of Devil's Den Wow

690

00:32:30,000 --> 00:32:27,820

and it is an it is federal land and it

691

00:32:33,390 --> 00:32:30,010

an entry to there is restricted to this

692

00:32:34,230 --> 00:32:33,400

day Wow it makes me wonder why would the

693

00:32:37,859 --> 00:32:34,240

federal government

694

00:32:40,799 --> 00:32:37,869

you know burn gas for 40 years to cut at

695

00:32:41,940 --> 00:32:40,809

the top of a plateau you know yeah in

696

00:32:46,409 --> 00:32:41,950

the middle of a horse

697

00:32:50,180 --> 00:32:46,419

sorry fishy about that yeah so well back

698

00:32:54,509 --> 00:32:50,190

to us I mean wheezes for June of 1977

699

00:32:57,090 --> 00:32:54,519

and we set up our tent and you know get

700

00:32:58,710 --> 00:32:57,100

out our air mattresses and you know you

701
00:33:01,169 --> 00:32:58,720
did we did all the fun stuff you do when

702
00:33:03,950 --> 00:33:01,179
you can't buy and unit built a big

703
00:33:06,960 --> 00:33:03,960
bonfire and burn some hot dogs you know

704
00:33:09,690 --> 00:33:06,970
had a beer apiece and we're kicked back

705
00:33:11,869 --> 00:33:09,700
on these air mattresses and I remember

706
00:33:14,489 --> 00:33:11,879
saying to my friend I said you know I

707
00:33:16,169 --> 00:33:14,499
can see the allure of this I can see why

708
00:33:19,409 --> 00:33:16,179
people like this this is pretty cool

709
00:33:21,419 --> 00:33:19,419
yeah and you know I asked a glutton so

710
00:33:24,629 --> 00:33:21,429
yeah I told you you know this this is

711
00:33:27,930 --> 00:33:24,639
this is nice and it was nice and we're

712
00:33:30,029 --> 00:33:27,940
talking and we're just uh you know just

713
00:33:33,149 --> 00:33:30,039

talking in there came a lull in our

714

00:33:36,690 --> 00:33:33,159

conversation and we kind of both got

715

00:33:38,279 --> 00:33:36,700

quiet and I noticed that just like 15

716

00:33:40,019 --> 00:33:38,289

minutes earlier and this sounds so

717

00:33:41,639 --> 00:33:40,029

cliche I mean it's like it's like

718

00:33:44,369 --> 00:33:41,649

straight out of a movie but I swear to

719

00:33:46,799 --> 00:33:44,379

God that it's true that the crickets are

720

00:33:47,430 --> 00:33:46,809

the tree frogs all the noise of the

721

00:33:50,700 --> 00:33:47,440

forest

722

00:33:53,129 --> 00:33:50,710

it's that mm-hmm then it was absolutely

723

00:33:55,129 --> 00:33:53,139

except for the crackling of our fire it

724

00:33:58,549 --> 00:33:55,139

was dead silent Wow

725

00:34:01,350 --> 00:33:58,559

and even the breeze that we'd enjoyed

726

00:34:05,249 --> 00:34:01,360

just a little bit earlier had stopped

727

00:34:08,250 --> 00:34:05,259

Wow and it was weirdly still and it

728

00:34:12,059 --> 00:34:08,260

unnerved me I was a little good weighed

729

00:34:14,309 --> 00:34:12,069

down by it and I I asked my friend you

730

00:34:18,059 --> 00:34:14,319

know like he'd know you know I have a

731

00:34:20,669 --> 00:34:18,069

nice yeah hey man is this normal you

732

00:34:24,180 --> 00:34:20,679

know it just feels really really still

733

00:34:25,710 --> 00:34:24,190

out here all of a sudden quiet you know

734

00:34:26,879 --> 00:34:25,720

I kind of blows it off and since yeah

735

00:34:28,859 --> 00:34:26,889

well you know we've been laughing at

736

00:34:30,960 --> 00:34:28,869

cutting off but you know they'll be back

737

00:34:35,190 --> 00:34:30,970

crickets the tree frogs they'll all come

738

00:34:38,760 --> 00:34:35,200

back its weight no big deal so but it

739

00:34:40,379 --> 00:34:38,770

did it it bothered me had I been there

740

00:34:41,190 --> 00:34:40,389

by myself I've been in the car and out

741

00:34:43,619 --> 00:34:41,200

of there

742

00:34:48,690 --> 00:34:43,629

right yeah yeah cuz usually I'm nothing

743

00:34:51,659 --> 00:34:48,700

like Dan a night you know yeah so I just

744

00:34:55,399 --> 00:34:51,669

kicked back and you know we had some

745

00:34:57,960 --> 00:34:55,409

more conversation and we're talking and

746

00:35:00,720 --> 00:34:57,970

something gets his attention and he

747

00:35:03,839 --> 00:35:00,730

turns his head to the left in

748

00:35:07,069 --> 00:35:03,849

mid-sentence and he asked me he says hey

749

00:35:09,300 --> 00:35:07,079

Terry were those lights there before and

750

00:35:14,099 --> 00:35:09,310

I'm like what likes what are you talking

751
00:35:16,140 --> 00:35:14,109
about man and on the horizon I can lean

752
00:35:18,300 --> 00:35:16,150
back and looking back at him and see on

753
00:35:21,030 --> 00:35:18,310
the horizon actually just above the

754
00:35:24,270 --> 00:35:21,040
horizon there were there was a perfect

755
00:35:27,089 --> 00:35:24,280
triangle of three little stars in a

756
00:35:29,160 --> 00:35:27,099
tight triangle and they were too far

757
00:35:31,410 --> 00:35:29,170
above the horizon to have been lights

758
00:35:35,220 --> 00:35:31,420
like from a train or a parking lot or

759
00:35:37,230 --> 00:35:35,230
something and they were stationary and

760
00:35:39,720 --> 00:35:37,240
we watched them and they didn't move so

761
00:35:41,220 --> 00:35:39,730
you and we knew that we didn't have any

762
00:35:43,530 --> 00:35:41,230
aircraft that had that kind of light

763
00:35:47,550 --> 00:35:43,540

configuration the key things were static

764

00:35:52,500 --> 00:35:47,560

and we're kicking around what this thing

765

00:35:55,020 --> 00:35:52,510

could be and then it moves and at first

766

00:35:59,880 --> 00:35:55,030

it will taste like it's on an axis and

767

00:36:02,280 --> 00:35:59,890

does a slow about 3/4 turn ending with

768

00:36:05,670 --> 00:36:02,290

the apex of the triangle pointing up and

769

00:36:09,150 --> 00:36:05,680

then it starts it starts to climb into

770

00:36:10,650 --> 00:36:09,160

the sky uh-huh and I'll tell you it was

771

00:36:14,970 --> 00:36:10,660

a beautiful night I mean there were just

772

00:36:19,530 --> 00:36:14,980

a trillion stars up not a cloud in the

773

00:36:21,780 --> 00:36:19,540

sky and the Starlight was bright enough

774

00:36:26,359 --> 00:36:21,790

to cast a small shadow that's how bright

775

00:36:29,370 --> 00:36:26,369

it was wow that's really cool damn and

776

00:36:32,640 --> 00:36:29,380

we could see this thing inside these

777

00:36:36,780 --> 00:36:32,650

three lights it was jet black against a

778

00:36:39,450 --> 00:36:36,790

blue sky right and as it climbed of

779

00:36:41,670 --> 00:36:39,460

course it went past fields the Stars and

780

00:36:44,280 --> 00:36:41,680

they were blank out and then blink back

781

00:36:46,559 --> 00:36:44,290

on is it past right so we knew it was

782

00:36:49,109 --> 00:36:46,569

one solid object and that three objects

783

00:36:50,970 --> 00:36:49,119

operating in unison right I think I

784

00:36:52,650 --> 00:36:50,980

think just for a second I think a lot of

785

00:36:55,050 --> 00:36:52,660

people that live in the city don't

786

00:36:58,500 --> 00:36:55,060

really that have never seen the nights

787

00:37:00,720 --> 00:36:58,510

and truly like on pollute like polluted

788

00:37:03,000 --> 00:37:00,730

place that the sky is actually just this

789

00:37:05,190 --> 00:37:03,010

deep purple and there is a lot of light

790

00:37:07,200 --> 00:37:05,200

in the sky even though you know it's

791

00:37:09,240 --> 00:37:07,210

just stars so yeah I'm just trying to

792

00:37:11,820 --> 00:37:09,250

like I'm visualizing and I've witnessed

793

00:37:12,900 --> 00:37:11,830

the stars like that a few times but yeah

794

00:37:15,420 --> 00:37:12,910

you would be able to tell the difference

795

00:37:18,300 --> 00:37:15,430

between a solid black object and then

796

00:37:20,100 --> 00:37:18,310

the night sky like for some people maybe

797

00:37:22,860 --> 00:37:20,110

listening like oh well yeah it was just

798

00:37:25,050 --> 00:37:22,870

how could you even tell but you can yeah

799

00:37:27,000 --> 00:37:25,060

that's kind of what I was thinking yeah

800

00:37:29,460 --> 00:37:27,010

you know it really was my first time

801
00:37:31,940 --> 00:37:29,470
camping and my first time looking at the

802
00:37:33,840 --> 00:37:31,950
night sky without light pollution and

803
00:37:38,280 --> 00:37:33,850
and it wasn't me

804
00:37:41,930 --> 00:37:38,290
it was beautiful you know so we know we

805
00:37:44,010 --> 00:37:41,940
watched this thing and it got bigger and

806
00:37:46,520 --> 00:37:44,020
you know the points the light always

807
00:37:50,910 --> 00:37:46,530
remained exactly distant to one another

808
00:37:54,740 --> 00:37:50,920
because it just got larger and it

809
00:37:57,110 --> 00:37:54,750
climbed and hit like an altitude and

810
00:37:59,780 --> 00:37:57,120
then started to descent

811
00:38:03,900 --> 00:37:59,790
and that's the first time I noticed I

812
00:38:08,370 --> 00:38:03,910
felt this I felt this sense of calm wash

813
00:38:10,620 --> 00:38:08,380

over me where I had been you know kind

814

00:38:13,800 --> 00:38:10,630

of nervous about you know hope that the

815

00:38:18,330 --> 00:38:13,810

silence just you know 20 minutes earlier

816

00:38:21,690 --> 00:38:18,340

now I'm watching this thing and my mood

817

00:38:25,380 --> 00:38:21,700

is totally inappropriate I feel almost

818

00:38:28,950 --> 00:38:25,390

sedated I mean I'm just short of apathy

819

00:38:30,690 --> 00:38:28,960

yeah and we want this thing and the best

820

00:38:33,390 --> 00:38:30,700

way I can explain it is I felt more like

821

00:38:36,590 --> 00:38:33,400

an observer than a participant you know

822

00:38:39,450 --> 00:38:36,600

it's it was it was a weird sensation

823

00:38:43,440 --> 00:38:39,460

yeah as we watched such thing it's

824

00:38:45,630 --> 00:38:43,450

tumbling in the sky and it would go it

825

00:38:48,540 --> 00:38:45,640

was kind of cool it would go with the

826
00:38:50,910 --> 00:38:48,550
apex of the triangle go down and come

827
00:38:52,770 --> 00:38:50,920
back around so we see two lights and

828
00:38:57,210 --> 00:38:52,780
then three lights and then see it come

829
00:38:58,890 --> 00:38:57,220
swing back up and I remember having the

830
00:39:00,420 --> 00:38:58,900
feeling you know this thing's moving

831
00:39:04,260 --> 00:39:00,430
with purpose this thing isn't just

832
00:39:06,630 --> 00:39:04,270
tumbling through the sky yeah and I

833
00:39:08,520 --> 00:39:06,640
don't know where that came from but and

834
00:39:09,030 --> 00:39:08,530
then once it reached the ceiling it

835
00:39:12,060 --> 00:39:09,040
started to

836
00:39:16,410 --> 00:39:12,070
to send it was pretty obvious it was cut

837
00:39:18,930 --> 00:39:16,420
it was headed in our direction one of

838
00:39:22,320 --> 00:39:18,940

these guys down it got bigger and bigger

839

00:39:24,060 --> 00:39:22,330

and you know they're very little

840

00:39:26,430 --> 00:39:24,070

conversation between the two of us while

841

00:39:28,200 --> 00:39:26,440

we're watching this thing yeah you know

842

00:39:30,420 --> 00:39:28,210

my friend make some comment like you

843

00:39:32,340 --> 00:39:30,430

know boy it's really moving now or or

844

00:39:36,930 --> 00:39:32,350

something like that I don't recall if I

845

00:39:40,250 --> 00:39:36,940

even answered him right and we were both

846

00:39:45,150 --> 00:39:40,260

in the same that same kind of day's

847

00:39:46,590 --> 00:39:45,160

frame of mind and just we're just on

848

00:39:49,410 --> 00:39:46,600

these air mattresses launching this

849

00:39:52,290 --> 00:39:49,420

thing and the closer it gets the bigger

850

00:39:55,890 --> 00:39:52,300

it gets and we saw it we saw it move

851
00:39:58,050 --> 00:39:55,900
drop low and move across even with the

852
00:40:00,210 --> 00:39:58,060
lights on the apex of the triangle we

853
00:40:05,390 --> 00:40:00,220
could still see a shadow on the forest

854
00:40:10,740 --> 00:40:05,400
below us whoa Oh a black shadow huh yeah

855
00:40:13,320 --> 00:40:10,750
it eventually came to a stop right over

856
00:40:15,480 --> 00:40:13,330
the meadow and you can see that metal

857
00:40:19,620 --> 00:40:15,490
from the Google Earth photo is kind of

858
00:40:23,310 --> 00:40:19,630
triangle shapes yeah yeah it slid it

859
00:40:25,410 --> 00:40:23,320
slid right in there me and we were

860
00:40:29,640 --> 00:40:25,420
camping just off to the side by the tree

861
00:40:34,350 --> 00:40:29,650
line okay and uh and this thing was huge

862
00:40:39,090 --> 00:40:34,360
yeah that's big it was it was like a

863
00:40:41,760 --> 00:40:39,100

Walmart yeah and you know to this day I

864

00:40:45,660 --> 00:40:41,770

can't understand how how this thing

865

00:40:47,670 --> 00:40:45,670

wasn't seen inside counties yeah or how

866

00:40:49,470 --> 00:40:47,680

this thing wasn't seen by the people at

867

00:40:52,290 --> 00:40:49,480

the campground so just a couple miles

868

00:40:55,710 --> 00:40:52,300

away you recall any noise or anything

869

00:40:58,200 --> 00:40:55,720

coming out of it or I mean right at that

870

00:41:02,520 --> 00:40:58,210

time yeah that time it was dead silent

871

00:41:05,340 --> 00:41:02,530

now that would change later but like I

872

00:41:07,800 --> 00:41:05,350

say the things about 3,000 feet over our

873

00:41:12,720 --> 00:41:07,810

heads I've got a saw is a 30 story

874

00:41:15,480 --> 00:41:12,730

office building over our head and it's

875

00:41:18,240 --> 00:41:15,490

just absolutely enormous and while we're

876

00:41:22,290 --> 00:41:18,250

looking at this thing from underneath

877

00:41:22,760 --> 00:41:22,300

all we can see underneath is black it's

878

00:41:27,050 --> 00:41:22,770

not a

879

00:41:29,510 --> 00:41:27,060

dominated in any way pardon me and there

880

00:41:31,490 --> 00:41:29,520

came a light from the center of this

881

00:41:35,600 --> 00:41:31,500

thing right in the middle and in the

882

00:41:37,580 --> 00:41:35,610

center and it was it was a solid beam of

883

00:41:40,970 --> 00:41:37,590

light it was a kind of like a cylinder

884

00:41:43,430 --> 00:41:40,980

of white light like if you have you ever

885

00:41:46,400 --> 00:41:43,440

seen a high-power searchlight cut to fog

886

00:41:50,240 --> 00:41:46,410

yeah you can see a column of visible

887

00:41:54,080 --> 00:41:50,250

light this was like whoa and it was

888

00:41:57,230 --> 00:41:54,090

about six inches in diameter and it just

889

00:41:58,840 --> 00:41:57,240

bang popped on and landed squirt a

890

00:42:02,720 --> 00:41:58,850

little of our camp fire

891

00:42:09,020 --> 00:42:02,730

and I look at Toby he looks at me and we

892

00:42:13,940 --> 00:42:09,030

look at this thing and you know I was I

893

00:42:17,000 --> 00:42:13,950

was almost disinterested I mean I'm

894

00:42:19,670 --> 00:42:17,010

watching it but I'm not I'm not reacting

895

00:42:21,470 --> 00:42:19,680

appropriately I mean you know we should

896

00:42:25,070 --> 00:42:21,480

have been in the car and with the tire

897

00:42:26,570 --> 00:42:25,080

screaming and getting hot and you said

898

00:42:28,760 --> 00:42:26,580

kind of felt like an observer rather

899

00:42:31,640 --> 00:42:28,770

than a participant like yeah it's yeah

900

00:42:34,940 --> 00:42:31,650

interesting we're both you know almost

901
00:42:36,740 --> 00:42:34,950
sedated kickback watching this thing and

902
00:42:38,690 --> 00:42:36,750
that that light stayed on in the middle

903
00:42:41,500 --> 00:42:38,700
of the campfire for about a minute and

904
00:42:44,680 --> 00:42:41,510
then you know boom turned off again and

905
00:42:47,600 --> 00:42:44,690
then immediately after that there came

906
00:42:51,170 --> 00:42:47,610
like a laser about the diameter of a

907
00:42:53,390 --> 00:42:51,180
pencil kind of a bluish purple it came

908
00:42:57,050 --> 00:42:53,400
from the same place dead center of the

909
00:42:59,480 --> 00:42:57,060
craft over our heads and this light or

910
00:43:02,120 --> 00:42:59,490
laser and you know lasers were kind of

911
00:43:04,250 --> 00:43:02,130
new in 1977 I've seen them on television

912
00:43:07,400 --> 00:43:04,260
but I've never seen one for real right

913
00:43:09,920 --> 00:43:07,410

and you know this laser would land in

914

00:43:12,080 --> 00:43:09,930

the middle of our campground and stay in

915

00:43:14,390 --> 00:43:12,090

a spot for like 1/10 of a second and

916

00:43:17,420 --> 00:43:14,400

then reappear somewhere else

917

00:43:20,810 --> 00:43:17,430

whoa so it would dance around you know

918

00:43:22,730 --> 00:43:20,820

all over the camp ground like ten times

919

00:43:25,220 --> 00:43:22,740

a second it would be here in an air and

920

00:43:27,290 --> 00:43:25,230

then here and there and you know I had

921

00:43:29,390 --> 00:43:27,300

the feeling I'm like man this thing is

922

00:43:32,810 --> 00:43:29,400

scanning us I mean it's checking us out

923

00:43:34,760 --> 00:43:32,820

so it sounds to nimma trees and you know

924

00:43:37,160 --> 00:43:34,770

the light struck me in the chest a

925

00:43:41,060 --> 00:43:37,170

couple of times I didn't feel any

926

00:43:43,460 --> 00:43:41,070

I know that the the light hit my my

927

00:43:46,160 --> 00:43:43,470

friend they hit her car my car hit the

928

00:43:48,530 --> 00:43:46,170

tents and I just kind of hit the whole

929

00:43:51,440 --> 00:43:48,540

campground and that lasted for about

930

00:43:53,240 --> 00:43:51,450

three minutes and then just like you

931

00:43:57,920 --> 00:43:53,250

ever might like someone flipped the

932

00:44:02,570 --> 00:43:57,930

switch it's off and we're sitting there

933

00:44:06,980 --> 00:44:02,580

and it's still silent and I suddenly

934

00:44:10,040 --> 00:44:06,990

felt like so tired I mean I thought not

935

00:44:13,250 --> 00:44:10,050

tired but sleepy all I wanted to do is

936

00:44:15,020 --> 00:44:13,260

sleep and that's that's very unusual I

937

00:44:17,300 --> 00:44:15,030

mean we had been working the night shift

938

00:44:20,630 --> 00:44:17,310

for years I mean this the night was ours

939

00:44:24,500 --> 00:44:20,640

I mean yeah like I should have bothered

940

00:44:26,750 --> 00:44:24,510

you the way that it did yeah no no you

941

00:44:30,770 --> 00:44:26,760

know we were 22 years old we were you

942

00:44:32,210 --> 00:44:30,780

know healthiest I've ever been and you

943

00:44:33,470 --> 00:44:32,220

know I shouldn't have been sleepy it

944

00:44:37,310 --> 00:44:33,480

just makes no sense

945

00:44:41,000 --> 00:44:37,320

yeah my my friend said I guess show's

946

00:44:43,460 --> 00:44:41,010

over picked up picked up his air

947

00:44:45,830 --> 00:44:43,470

mattress and his blanket and threw it

948

00:44:48,710 --> 00:44:45,840

inside the tent and fell on top of it

949

00:44:52,430 --> 00:44:48,720

and I followed suit I was right after

950

00:44:55,520 --> 00:44:52,440

them and I threw meinem on the opposite

951
00:44:57,260 --> 00:44:55,530
side and fell on top of it and I

952
00:44:59,510 --> 00:44:57,270
remember I didn't I didn't take the time

953
00:45:01,250 --> 00:44:59,520
to take my boots off or my shirt off or

954
00:45:08,780 --> 00:45:01,260
anything I just fell in a Sarah mattress

955
00:45:11,750 --> 00:45:08,790
and boom I was out wow I mean yeah I

956
00:45:15,650 --> 00:45:11,760
mean I was just absolutely unconscious I

957
00:45:19,160 --> 00:45:15,660
had four hours or so passed you know I

958
00:45:22,400 --> 00:45:19,170
had no dreams no nothing just black and

959
00:45:24,110 --> 00:45:22,410
yeah that's really crazy because because

960
00:45:26,030 --> 00:45:24,120
you know we hear like all these

961
00:45:28,580 --> 00:45:26,040
different like abduct abduction

962
00:45:30,980 --> 00:45:28,590
experiences and things like that and and

963
00:45:33,740 --> 00:45:30,990

one of the common themes that seems to

964

00:45:36,800 --> 00:45:33,750

come up is either when they're put back

965

00:45:38,750 --> 00:45:36,810

or after the experience like they end up

966

00:45:41,210 --> 00:45:38,760

going straight to sleep like almost I

967

00:45:47,470 --> 00:45:41,220

get it just makes them tired for some

968

00:45:50,450 --> 00:45:47,480

reason yeah you know it's true I mean I

969

00:45:51,859 --> 00:45:50,460

think that they can control us

970

00:45:54,710 --> 00:45:51,869

I mean if they want to I think they can

971

00:45:57,829 --> 00:45:54,720

yeah or send out some kind of vibration

972

00:46:02,000 --> 00:45:57,839

or frequency that makes you feel calm or

973

00:46:04,040 --> 00:46:02,010

or sleepy or gets those those chemicals

974

00:46:06,170 --> 00:46:04,050

going in your brain somehow they're able

975

00:46:08,150 --> 00:46:06,180

to I mean yak that is in a sense

976

00:46:09,859 --> 00:46:08,160

controlling but really trying to think

977

00:46:12,170 --> 00:46:09,869

of the science behind it yeah it's not

978

00:46:13,820 --> 00:46:12,180

even like it almost like cuts into

979

00:46:16,579 --> 00:46:13,830

Oakland or something yeah yeah

980

00:46:19,760 --> 00:46:16,589

absolutely it just takes out the normal

981

00:46:21,980 --> 00:46:19,770

reaction you know seeing this thing and

982

00:46:24,349 --> 00:46:21,990

seeing the lights and then seeing a

983

00:46:26,359 --> 00:46:24,359

laser which is something new that you

984

00:46:29,710 --> 00:46:26,369

know you've only seen on TV before and

985

00:46:32,720 --> 00:46:29,720

to have that calm cool collected almost

986

00:46:36,050 --> 00:46:32,730

disinterested you know type of mindset

987

00:46:39,790 --> 00:46:36,060

while this is going on is something to

988

00:46:44,300 --> 00:46:39,800

be said about the experience for sure

989

00:46:48,530 --> 00:46:44,310

yeah yeah yeah well I woke up eventually

990

00:46:50,300 --> 00:46:48,540

and that was that was unique because I

991

00:46:53,329 --> 00:46:50,310

woke up and I didn't have my wits about

992

00:46:57,310 --> 00:46:53,339

me I was and it confused there were

993

00:46:59,810 --> 00:46:57,320

these green and yellow and white lights

994

00:47:02,420 --> 00:46:59,820

flashing them through the canvas of the

995

00:47:04,250 --> 00:47:02,430

tent and these lights were bright when

996

00:47:06,310 --> 00:47:04,260

make slash they light up this tent man

997

00:47:10,130 --> 00:47:06,320

like like a ball park at night I mean

998

00:47:11,900 --> 00:47:10,140

let's lift this thing up yeah I'm

999

00:47:14,630 --> 00:47:11,910

thinking oh well yeah I remember now

1000

00:47:16,460 --> 00:47:14,640

we're camping and I thought this must be

1001
00:47:18,710 --> 00:47:16,470
the overhead flashing lights of Park

1002
00:47:21,859 --> 00:47:18,720
Rangers there to kick us out I thought

1003
00:47:25,460 --> 00:47:21,869
they were right and then I heard this

1004
00:47:28,190 --> 00:47:25,470
noise and it was I described it as a

1005
00:47:29,930 --> 00:47:28,200
droning noise what it was like is if

1006
00:47:33,020 --> 00:47:29,940
you've ever stood next to a big piece of

1007
00:47:35,540 --> 00:47:33,030
industrial machinery it's making noise

1008
00:47:37,670 --> 00:47:35,550
the noise is more powerful than it is

1009
00:47:40,250 --> 00:47:37,680
loud you know you can feel it

1010
00:47:42,320 --> 00:47:40,260
reverberate in your chest and that's

1011
00:47:46,550 --> 00:47:42,330
what this was like but it was a low bass

1012
00:47:48,290 --> 00:47:46,560
slung so and I thought you know park

1013
00:47:49,790 --> 00:47:48,300

ranger running a generator in the back

1014

00:47:52,790 --> 00:47:49,800

of a truck that doesn't make sense

1015

00:47:56,450 --> 00:47:52,800

either right and then I get to my elbows

1016

00:47:58,420 --> 00:47:56,460

and I realize I'm in pain and I looked

1017

00:47:59,570 --> 00:47:58,430

down my boots and my boots are undone

1018

00:48:01,760 --> 00:47:59,580

huh

1019

00:48:04,370 --> 00:48:01,770

and I thought nah how did that happen

1020

00:48:07,160 --> 00:48:04,380

and I pour my boots off my sock

1021

00:48:08,599 --> 00:48:07,170

around sideways yeah one of the things

1022

00:48:12,829 --> 00:48:08,609

they teach you in the military is to

1023

00:48:15,440 --> 00:48:12,839

take care of your feet yeah you know I I

1024

00:48:19,009 --> 00:48:15,450

did I would never never have done that

1025

00:48:20,990 --> 00:48:19,019

you know I I take the time I put them on

1026

00:48:23,930 --> 00:48:21,000

I put him on correctly lace up my boots

1027

00:48:26,450 --> 00:48:23,940

and then once I got that done I turned

1028

00:48:28,400 --> 00:48:26,460

my attention to my friend and he's on

1029

00:48:34,190 --> 00:48:28,410

his knees and he's peeking out through

1030

00:48:36,289 --> 00:48:34,200

his flap of the tent and in one of these

1031

00:48:37,970 --> 00:48:36,299

flashes of white light I can see he's

1032

00:48:42,440 --> 00:48:37,980

got tracks of tears running down the

1033

00:48:44,900 --> 00:48:42,450

side of his cheek and I'm like whoa and

1034

00:48:48,440 --> 00:48:44,910

that that scared me you know when I saw

1035

00:48:50,420 --> 00:48:48,450

that that Toby had been crying that

1036

00:48:52,609 --> 00:48:50,430

really scared me all of that all of that

1037

00:48:55,609 --> 00:48:52,619

disinterest in borderline apathy I

1038

00:48:58,640 --> 00:48:55,619

thought they'll go on oh man kind of a

1039

00:49:02,660 --> 00:48:58,650

wake up I will call genuinely genuinely

1040

00:49:07,400 --> 00:49:02,670

afraid and just I didn't know what was

1041

00:49:09,499 --> 00:49:07,410

going on and I asked my friend you know

1042

00:49:13,490 --> 00:49:09,509

what is it Toby said Park Rangers what's

1043

00:49:15,259 --> 00:49:13,500

out there and he said something to the

1044

00:49:15,980 --> 00:49:15,269

effect of keep your voice down they're

1045

00:49:22,069 --> 00:49:15,990

still out there

1046

00:49:24,890 --> 00:49:22,079

to my knees and I pull back my flap of

1047

00:49:27,200 --> 00:49:24,900

the tent just about an inch so I can't

1048

00:49:28,670 --> 00:49:27,210

eat that into this metal because these

1049

00:49:32,240 --> 00:49:28,680

lights are still flashing I don't know

1050

00:49:34,759 --> 00:49:32,250

what what to expect and this I noticed

1051

00:49:38,319 --> 00:49:34,769

two things that is that this thing that

1052

00:49:42,950 --> 00:49:38,329

had been 3,000 feet over our heads just

1053

00:49:47,150 --> 00:49:42,960

you know for four hours ago or so had

1054

00:49:49,339 --> 00:49:47,160

now descended and instead of being 3,000

1055

00:49:54,230 --> 00:49:49,349

feet over our heads it's now 30 feet

1056

00:49:57,980 --> 00:49:54,240

over the meadow oh right on top of us

1057

00:50:01,730 --> 00:49:57,990

and that was the first thing I noticed

1058

00:50:04,430 --> 00:50:01,740

and and the enormity of the thing really

1059

00:50:07,309 --> 00:50:04,440

sunk in when it got that low I could see

1060

00:50:13,190 --> 00:50:07,319

that this thing was just monster right

1061

00:50:15,230 --> 00:50:13,200

huge and I saw these kids I saw what I

1062

00:50:18,109 --> 00:50:15,240

thought were kids like it doesn't maybe

1063

00:50:20,390 --> 00:50:18,119

15 of them walking around

1064

00:50:22,430 --> 00:50:20,400

and they're all paired up in twos and

1065

00:50:23,210 --> 00:50:22,440

threes I remember I asked my friend I

1066

00:50:24,890 --> 00:50:23,220

said hey Toby

1067

00:50:26,539 --> 00:50:24,900

man what the hell are these kids doing

1068

00:50:29,509 --> 00:50:26,549

out here in the middle of nowhere

1069

00:50:31,460 --> 00:50:29,519

well in the middle of the night and

1070

00:50:33,799 --> 00:50:31,470

that's when he said Terry man those

1071

00:50:35,690 --> 00:50:33,809

ain't no little kids oh look at him

1072

00:50:41,029 --> 00:50:35,700

they're not human they're not human

1073

00:50:44,599 --> 00:50:41,039

beings and I looked and he was right

1074

00:50:46,759 --> 00:50:44,609

here's it were not human beings their

1075

00:50:50,440 --> 00:50:46,769

heads were disproportionately large I

1076
00:50:55,359 --> 00:50:50,450
mean like the typical guys you see on TV

1077
00:50:58,039 --> 00:50:55,369
yeah you know spindly bodies thin limbs

1078
00:51:00,140 --> 00:50:58,049
and they walked with a distinctive gait

1079
00:51:02,410 --> 00:51:00,150
they walk like their feet were sore or

1080
00:51:07,210 --> 00:51:02,420
something they were almost limping hmm

1081
00:51:10,730 --> 00:51:07,220
but they had a real distinctive walk and

1082
00:51:13,579 --> 00:51:10,740
there was a column of white light like

1083
00:51:15,769 --> 00:51:13,589
the one that hit our campfire only this

1084
00:51:18,339 --> 00:51:15,779
one was about maybe 25 feet in diameter

1085
00:51:21,230 --> 00:51:18,349
and it was a column perfectly circular

1086
00:51:24,769 --> 00:51:21,240
and it just like somebody flipped the

1087
00:51:26,809 --> 00:51:24,779
switch this light came on and as soon as

1088
00:51:30,109 --> 00:51:26,819

this light came on all of these little

1089

00:51:33,289 --> 00:51:30,119

guys turned in that direction and headed

1090

00:51:37,009 --> 00:51:33,299

for the light and they were all paired

1091

00:51:39,650 --> 00:51:37,019

up but they were in different places

1092

00:51:42,140 --> 00:51:39,660

they all over around the meadow and as

1093

00:51:47,690 --> 00:51:42,150

they get to this light they would walk

1094

00:51:49,279 --> 00:51:47,700

in into this beam of light and glow from

1095

00:51:53,470 --> 00:51:49,289

the light for just a second and then

1096

00:51:58,609 --> 00:51:53,480

just dissolved and they were gone Wow

1097

00:52:03,190 --> 00:51:58,619

and we watch this pretty freaked out we

1098

00:52:08,089 --> 00:52:03,200

watch this go on and until the last two

1099

00:52:10,999 --> 00:52:08,099

were gone and then that that column a

1100

00:52:13,120 --> 00:52:11,009

white light shut off and that's when I

1101
00:52:18,739 --> 00:52:13,130
noticed that that humming noise too

1102
00:52:22,009 --> 00:52:18,749
abruptly stopped and the the lights on

1103
00:52:25,269 --> 00:52:22,019
the apex on the points of the triangle

1104
00:52:29,059 --> 00:52:25,279
because we could only see two of them

1105
00:52:31,249 --> 00:52:29,069
where they had been green and yellow and

1106
00:52:31,830 --> 00:52:31,259
white before they switched to solid

1107
00:52:37,850 --> 00:52:31,840
white

1108
00:52:40,380 --> 00:52:37,860
hmm and we watched this thing take off

1109
00:52:42,600 --> 00:52:40,390
and I mean it didn't take off like out

1110
00:52:43,770 --> 00:52:42,610
like a racket I mean it just it lifted

1111
00:52:47,820 --> 00:52:43,780
off like a hot-air balloon

1112
00:52:52,260 --> 00:52:47,830
oh oh yeah it kind of slowly ascending

1113
00:52:54,420 --> 00:52:52,270

lowly deliberately yep straight up and

1114

00:52:56,460 --> 00:52:54,430

we watched it until it became three

1115

00:52:58,380 --> 00:52:56,470

little dots of light we watched it till

1116

00:53:02,580 --> 00:52:58,390

it was a single point of light and then

1117

00:53:03,630 --> 00:53:02,590

gone Wow so huh I gotta unpack your

1118

00:53:05,730 --> 00:53:03,640

because there's so much that just

1119

00:53:07,800 --> 00:53:05,740

happened I'm like the way that you're

1120

00:53:11,670 --> 00:53:07,810

telling and I'm visualizing every moment

1121

00:53:13,680 --> 00:53:11,680

and it's very vivid so yeah so you're

1122

00:53:18,030 --> 00:53:13,690

you guys are in this meadow and and this

1123

00:53:21,120 --> 00:53:18,040

huge Walmart size ship shows up weird

1124

00:53:23,370 --> 00:53:21,130

lights lasers and then you go to sleep

1125

00:53:25,560 --> 00:53:23,380

wake up and there's there's a bunch of

1126

00:53:27,930 --> 00:53:25,570

kids walking around and you literally

1127

00:53:32,130 --> 00:53:27,940

see them being beamed up like like the

1128

00:53:33,840 --> 00:53:32,140

movies you know yeah man I mean so after

1129

00:53:36,630 --> 00:53:33,850

they get beamed up and you're witnessing

1130

00:53:38,820 --> 00:53:36,640

this like how I'm curious like what was

1131

00:53:41,730 --> 00:53:38,830

the timeframe of when you notice hey

1132

00:53:43,470 --> 00:53:41,740

these are not humans and like did you

1133

00:53:45,690 --> 00:53:43,480

guys talk or like you know hit each

1134

00:53:47,910 --> 00:53:45,700

other like are you seeing this - or what

1135

00:53:50,160 --> 00:53:47,920

was your we whispered we whispered a

1136

00:53:51,180 --> 00:53:50,170

little bit back and forth my friend

1137

00:53:54,750 --> 00:53:51,190

actually were starting to hyperventilate

1138

00:53:58,680 --> 00:53:54,760

and I I focused for a second on helping

1139

00:54:00,600 --> 00:53:58,690

him slow is breathing down yeah and but

1140

00:54:02,190 --> 00:54:00,610

we were afraid to make any noise we were

1141

00:54:04,020 --> 00:54:02,200

we were we didn't know if they'd left

1142

00:54:07,560 --> 00:54:04,030

somebody out still was somebody was

1143

00:54:09,690 --> 00:54:07,570

still out there or what right and you

1144

00:54:11,910 --> 00:54:09,700

know I never had a clear linear memory

1145

00:54:15,450 --> 00:54:11,920

of what happened to us sir and they took

1146

00:54:18,750 --> 00:54:15,460

us but I I just had flashes bits and

1147

00:54:20,520 --> 00:54:18,760

pieces right and that's what I've been

1148

00:54:23,370 --> 00:54:20,530

left with it's been you know subject in

1149

00:54:23,970 --> 00:54:23,380

my nightmares for 40 years I can't

1150

00:54:26,970 --> 00:54:23,980

imagine

1151
00:54:28,680 --> 00:54:26,980
so is it sounds like they were certainly

1152
00:54:32,310 --> 00:54:28,690
were searching for something did you get

1153
00:54:33,840 --> 00:54:32,320
that sense at all or is this yeah it

1154
00:54:37,530 --> 00:54:33,850
like sounds like there was a lot of a

1155
00:54:39,120 --> 00:54:37,540
lot of you know people out there and it

1156
00:54:42,030 --> 00:54:39,130
sounds like they're like doing a search

1157
00:54:45,450 --> 00:54:42,040
party of some sort you know what I

1158
00:54:47,550 --> 00:54:45,460
didn't get that impression okay

1159
00:54:50,490 --> 00:54:47,560
the impression that they were just kind

1160
00:54:53,250 --> 00:54:50,500
of enjoying the scenery walking around I

1161
00:54:55,380 --> 00:54:53,260
mean I didn't I didn't see them looking

1162
00:54:56,760 --> 00:54:55,390
down or looking at the ground

1163
00:54:59,940 --> 00:54:56,770

I think we're searching for something

1164

00:55:03,420 --> 00:54:59,950

right they were just pairing up and you

1165

00:55:05,160 --> 00:55:03,430

know just looking around hey you know

1166

00:55:10,410 --> 00:55:05,170

they were enjoying the view as much as

1167

00:55:12,930 --> 00:55:10,420

you guys were I guess Wow yeah so the

1168

00:55:16,320 --> 00:55:12,940

time that you guys went to sleep - the

1169

00:55:20,220 --> 00:55:16,330

time that y'all woke up in and saw these

1170

00:55:21,930 --> 00:55:20,230

things were we all taken during that

1171

00:55:24,720 --> 00:55:21,940

time where you thought you were sleeping

1172

00:55:28,170 --> 00:55:24,730

and then maybe put back and they were

1173

00:55:30,270 --> 00:55:28,180

getting ready to leave we were but

1174

00:55:33,210 --> 00:55:30,280

that's exactly in fact exact exactly the

1175

00:55:35,010 --> 00:55:33,220

scenario both of our watches we had

1176

00:55:37,800 --> 00:55:35,020

lined up watches at the time you know

1177

00:55:40,140 --> 00:55:37,810

that's that's what we had mechanical

1178

00:55:43,020 --> 00:55:40,150

watches both of our watches had stopped

1179

00:55:45,870 --> 00:55:43,030

at 240 Wow Wow

1180

00:55:53,520 --> 00:55:45,880

okay we were going somewhere between

1181

00:55:55,680 --> 00:55:53,530

four and five hours whoa and you know we

1182

00:55:59,070 --> 00:55:55,690

were so scared at this point we watched

1183

00:56:01,190 --> 00:55:59,080

this thing take off and I mean I know

1184

00:56:05,099 --> 00:56:01,200

it's just a piece of canvas over my head

1185

00:56:08,550 --> 00:56:05,109

but I felt like I had cover you know I

1186

00:56:11,310 --> 00:56:08,560

felt if I if I go outside the tent I'm

1187

00:56:14,670 --> 00:56:11,320

gonna be vulnerable right and you know I

1188

00:56:17,480 --> 00:56:14,680

still to this day don't feel comfortable

1189

00:56:20,099 --> 00:56:17,490

walking across a large open space

1190

00:56:22,560 --> 00:56:20,109

everybody I'll walk a mile to get around

1191

00:56:25,170 --> 00:56:22,570

it rather than cut across an open space

1192

00:56:27,720 --> 00:56:25,180

especially if I'm alone yeah I mean

1193

00:56:32,400 --> 00:56:27,730

that's understandable yeah

1194

00:56:36,540 --> 00:56:32,410

very understandable seriously so we sat

1195

00:56:37,980 --> 00:56:36,550

there and for probably 30 minutes trying

1196

00:56:41,970 --> 00:56:37,990

to just try to pull our stuff together

1197

00:56:44,700 --> 00:56:41,980

you know and tobey's this look man we

1198

00:56:47,460 --> 00:56:44,710

got to get out of here he says take your

1199

00:56:49,800 --> 00:56:47,470

keys I got a flashlight let's bolt

1200

00:56:52,349 --> 00:56:49,810

through the car let's get in and get out

1201
00:56:54,810 --> 00:56:52,359
of here and you know the thought of

1202
00:56:57,750 --> 00:56:54,820
taking our cooler you know his backpack

1203
00:56:59,130 --> 00:56:57,760
the tent you know none of that matter we

1204
00:57:02,370 --> 00:56:59,140
left it off

1205
00:57:04,140 --> 00:57:02,380
yeah yeah we left everything all we

1206
00:57:09,660 --> 00:57:04,150
wanted was to put distance between us

1207
00:57:12,720 --> 00:57:09,670
and that net that metal and we bolted

1208
00:57:17,100 --> 00:57:12,730
for the car got in slammed the doors and

1209
00:57:18,600 --> 00:57:17,110
lock them and he asked me sis are you

1210
00:57:21,000 --> 00:57:18,610
sure we're good and I knew what he meant

1211
00:57:22,350 --> 00:57:21,010
and I turned on the dome light I've

1212
00:57:25,670 --> 00:57:22,360
looked under the seats and in the

1213
00:57:27,960 --> 00:57:25,680

backseat and you all around too and

1214

00:57:30,180 --> 00:57:27,970

because the car had been unlocked and

1215

00:57:32,430 --> 00:57:30,190

you know nobody there's nothing in there

1216

00:57:36,180 --> 00:57:32,440

with us car started right up thankfully

1217

00:57:37,860 --> 00:57:36,190

and that's when I noticed and I asked

1218

00:57:39,300 --> 00:57:37,870

him I said man find me something to

1219

00:57:42,990 --> 00:57:39,310

drink I'll drink anything if it's not

1220

00:57:44,580 --> 00:57:43,000

poisonous I was really really thirsty I

1221

00:57:48,540 --> 00:57:44,590

mean it was the most first day I'd ever

1222

00:57:51,300 --> 00:57:48,550

been in my life I find out later that we

1223

00:57:53,340 --> 00:57:51,310

were both acutely dehydrated yeah that's

1224

00:57:55,200 --> 00:57:53,350

similar to the Travis Walton kind of

1225

00:57:57,660 --> 00:57:55,210

inherent Mitchell he explained yet both

1226

00:58:02,160 --> 00:57:57,670

of those guys experienced very extreme

1227

00:58:04,830 --> 00:58:02,170

thirst and dehydration yeah and we were

1228

00:58:06,510 --> 00:58:04,840

both burned as well we had what was like

1229

00:58:10,380 --> 00:58:06,520

the worst sunburn you could have without

1230

00:58:12,600 --> 00:58:10,390

blistering Oh Dan oh but I had it on the

1231

00:58:15,450 --> 00:58:12,610

soles of my feet I had it under my arms

1232

00:58:20,190 --> 00:58:15,460

I mean I had it everywhere Wow

1233

00:58:22,170 --> 00:58:20,200

and and it was painful and well what was

1234

00:58:24,720 --> 00:58:22,180

more painful was when the Sun finally

1235

00:58:27,440 --> 00:58:24,730

came out you know we're on a two-lane

1236

00:58:30,060 --> 00:58:27,450

blacktop by this time headed north and

1237

00:58:32,070 --> 00:58:30,070

as soon as the Sun came up man

1238

00:58:34,860 --> 00:58:32,080

my eyes were just could not take the

1239

00:58:37,830 --> 00:58:34,870

sunlight I mean I had a set of cheap

1240

00:58:40,710 --> 00:58:37,840

shades but you know it felt like I had

1241

00:58:44,850 --> 00:58:40,720

sand in my eyes Wow yeah found out later

1242

00:58:48,240 --> 00:58:44,860

that I had what they call arc arc

1243

00:58:49,590 --> 00:58:48,250

welders burns yeah laughs you know what

1244

00:58:52,200 --> 00:58:49,600

an arc loader would get if he didn't

1245

00:58:54,660 --> 00:58:52,210

didn't couldn't pull his mask down right

1246

00:58:57,540 --> 00:58:54,670

basically it's a sunburn to the cornea

1247

00:59:02,850 --> 00:58:57,550

of your eyes uh-huh Wow

1248

00:59:05,310 --> 00:59:02,860

and that's very painful so we we drove I

1249

00:59:06,780 --> 00:59:05,320

drove as fast as I could think I could

1250

00:59:11,640 --> 00:59:06,790

get away with without getting us caught

1251

00:59:12,750 --> 00:59:11,650

over and we made it back to base we

1252

00:59:16,850 --> 00:59:12,760

stopped and we got

1253

00:59:21,180 --> 00:59:16,860

got some soda and you know tried to

1254

00:59:23,610 --> 00:59:21,190

quench our thirst and I went through six

1255

00:59:26,850 --> 00:59:23,620

cans Lauren soda like nothing you know

1256

00:59:29,940 --> 00:59:26,860

my my friend downs this gal and a great

1257

00:59:31,830 --> 00:59:29,950

drink and you know whatever they did to

1258

00:59:34,140 --> 00:59:31,840

me they did they gave him a double dose

1259

00:59:36,300 --> 00:59:34,150

because he was he was sick he was curled

1260

00:59:39,780 --> 00:59:36,310

up in a ball on the big bench seat of

1261

00:59:42,450 --> 00:59:39,790

this Chevy and just kind of hugging this

1262

00:59:47,160 --> 00:59:42,460

bottle of grape drink to his chest man

1263

00:59:50,430 --> 00:59:47,170

Wow we got back we got we got on base

1264

00:59:52,340 --> 00:59:50,440

and we both lived in m-seal house and

1265

00:59:55,590 --> 00:59:52,350

only a couple blocks from one another

1266

00:59:58,830 --> 00:59:55,600

and I dropped him off at his house and I

1267

01:00:01,500 --> 00:59:58,840

think all I said was see ya and you know

1268

01:00:03,330 --> 01:00:01,510

he's got a flashlight in his hand then I

1269

01:00:06,270 --> 01:00:03,340

drove a couple blocks down to my house

1270

01:00:07,920 --> 01:00:06,280

you know when I walk in the door my

1271

01:00:09,900 --> 01:00:07,930

wife's like oh you're back early and

1272

01:00:13,410 --> 01:00:09,910

she's like looks at me in like oh my god

1273

01:00:19,820 --> 01:00:13,420

what happened to you yeah I told truth I

1274

01:00:23,130 --> 01:00:19,830

don't know what do we have to drink and

1275

01:00:24,840 --> 01:00:23,140

she made some powdered lemonade and I'm

1276

01:00:29,190 --> 01:00:24,850

just pounding that stuff I mean I just

1277

01:00:33,750 --> 01:00:29,200

cannot get enough and she helps me get

1278

01:00:36,060 --> 01:00:33,760

my boots off and she puts her hand in my

1279

01:00:38,220 --> 01:00:36,070

forehead she says you Jesus you're

1280

01:00:43,410 --> 01:00:38,230

throwing it up and she took my

1281

01:00:46,440 --> 01:00:43,420

temperature and I had 103 Plus oh so you

1282

01:00:49,760 --> 01:00:46,450

know that you know I had terrible body

1283

01:00:52,680 --> 01:00:49,770

aches and I think that was probably

1284

01:00:55,290 --> 01:00:52,690

contributed to it so she gave me you

1285

01:00:57,660 --> 01:00:55,300

know a couple aspirin and you know I

1286

01:01:00,420 --> 01:00:57,670

continued to drink water and I got in

1287

01:01:04,170 --> 01:01:00,430

the bathtub and in some cool water and

1288

01:01:06,150 --> 01:01:04,180

my temp came down 101 and she says you

1289

01:01:08,430 --> 01:01:06,160

know you got to go to the hospital yeah

1290

01:01:11,220 --> 01:01:08,440

I know but you know you got to realize

1291

01:01:11,790 --> 01:01:11,230

it I worked in hospital Toby and I both

1292

01:01:14,220 --> 01:01:11,800

did

1293

01:01:16,710 --> 01:01:14,230

right I mean all the people there were

1294

01:01:18,930 --> 01:01:16,720

our friends and everybody there knew we

1295

01:01:23,790 --> 01:01:18,940

were taking this big camping trip you

1296

01:01:26,370 --> 01:01:23,800

know and it was kind of it was kind of

1297

01:01:28,950 --> 01:01:26,380

embarrassing but you know it was it was

1298

01:01:31,770 --> 01:01:28,960

nice because you know medical people

1299

01:01:34,560 --> 01:01:31,780

take care of their own you know yeah so

1300

01:01:38,340 --> 01:01:34,570

we were treated very well by the doctors

1301

01:01:40,920 --> 01:01:38,350

and nurses especially yeah and while it

1302

01:01:42,780 --> 01:01:40,930

was in the emergency room I had probably

1303

01:01:45,180 --> 01:01:42,790

the most thorough medical exam I'd ever

1304

01:01:48,600 --> 01:01:45,190

had in my life

1305

01:01:50,910 --> 01:01:48,610

and then the base commander who I seen a

1306

01:01:53,940 --> 01:01:50,920

couple times never spoke to the guy you

1307

01:01:56,190 --> 01:01:53,950

know and the hospital commander and two

1308

01:01:58,410 --> 01:01:56,200

guys in civilian clothes just kidnap

1309

01:02:01,580 --> 01:01:58,420

suits just casual clothes that I didn't

1310

01:02:05,520 --> 01:02:01,590

know came in to the emergency room and

1311

01:02:07,550 --> 01:02:05,530

asked the doctor to excuse himself so

1312

01:02:09,900 --> 01:02:07,560

doctor goes out of the room

1313

01:02:12,630 --> 01:02:09,910

shuts the door and it's just me and

1314

01:02:15,360 --> 01:02:12,640

these two officers and these two guys in

1315

01:02:17,130 --> 01:02:15,370

civilian clothes and the hospital

1316

01:02:21,060 --> 01:02:17,140

commander speaks to me he's the only guy

1317

01:02:23,370 --> 01:02:21,070

that spoke to me and we actually had a

1318

01:02:25,710 --> 01:02:23,380

despite the difference in rank you know

1319

01:02:28,350 --> 01:02:25,720

he was an officer I was an enlisted guy

1320

01:02:30,000 --> 01:02:28,360

we we had a great rapport I mean he was

1321

01:02:31,590 --> 01:02:30,010

just he was a good officer he's a good

1322

01:02:35,430 --> 01:02:31,600

guy

1323

01:02:37,640 --> 01:02:35,440

but he's very formal and he says sorry

1324

01:02:40,770 --> 01:02:37,650

the lovely sure to have no contact with

1325

01:02:43,260 --> 01:02:40,780

Sergeant Tobias in any way shape or form

1326

01:02:45,720 --> 01:02:43,270

that means no speaking to him by phone

1327

01:02:47,520 --> 01:02:45,730

no visiting with him if you run into him

1328

01:02:48,890 --> 01:02:47,530

at the base exchange or to turn around

1329

01:02:51,210 --> 01:02:48,900

and walk in the opposite direction

1330

01:02:53,430 --> 01:02:51,220

you're not to try to contact him through

1331

01:02:55,860 --> 01:02:53,440

or any third parties pass some any notes

1332

01:02:58,530 --> 01:02:55,870

you're not to give him anything he's not

1333

01:03:01,830 --> 01:02:58,540

to give you anything do you understand

1334

01:03:03,750 --> 01:03:01,840

me and I said yes sir and he says that's

1335

01:03:06,090 --> 01:03:03,760

an order I said yes sir I understand

1336

01:03:08,130 --> 01:03:06,100

Mike I didn't understand right and this

1337

01:03:11,700 --> 01:03:08,140

is your buddy Toby right that's just

1338

01:03:13,710 --> 01:03:11,710

Toby yes okay yeah the order is to have

1339

01:03:19,170 --> 01:03:13,720

no contact with one another well that's

1340

01:03:21,050 --> 01:03:19,180

good and yeah you know this all goes

1341

01:03:23,850 --> 01:03:21,060

back to what I think happened was that

1342

01:03:25,320 --> 01:03:23,860

we didn't put that chain back up across

1343

01:03:29,550 --> 01:03:25,330

the road we left it

1344

01:03:33,780 --> 01:03:29,560

oh yeah and I think the Park Rangers saw

1345

01:03:36,780 --> 01:03:33,790

that and then followed it and then found

1346

01:03:38,970 --> 01:03:36,790

our little campsite mm-hmm and totally

1347

01:03:39,750 --> 01:03:38,980

had his backpack there that had his name

1348

01:03:41,700 --> 01:03:39,760

and his

1349

01:03:45,960 --> 01:03:41,710

his address you know Whiteman Air Force

1350

01:03:49,580 --> 01:03:45,970

Base and his phone number so Park

1351

01:03:54,210 --> 01:03:49,590

Rangers I found out later had called the

1352

01:03:55,980 --> 01:03:54,220

security police at the base and said hey

1353

01:03:58,290 --> 01:03:55,990

looks like to your Airmen are down here

1354

01:03:59,490 --> 01:03:58,300

screwing around they got a campsite set

1355

01:04:02,040 --> 01:03:59,500

up it looks like they're going to come

1356

01:04:03,660 --> 01:04:02,050

back we don't know what they're doing

1357

01:04:06,000 --> 01:04:03,670

but they're trespassing on the federal

1358

01:04:08,910 --> 01:04:06,010

property I didn't believe it was tribal

1359

01:04:11,490 --> 01:04:08,920

property at the time I didn't find that

1360

01:04:14,610 --> 01:04:11,500

out until this Google Earth engine right

1361

01:04:15,750 --> 01:04:14,620

oh wow so you know yeah so I thought

1362

01:04:20,430 --> 01:04:15,760

what's the big deal you know I'm in a

1363

01:04:23,700 --> 01:04:20,440

state park what's the big deal but I'm

1364

01:04:27,390 --> 01:04:23,710

in uh in a hospital room and I was my

1365

01:04:29,310 --> 01:04:27,400

hospital for two days three nights for

1366

01:04:34,050 --> 01:04:29,320

three days opposite three days two

1367

01:04:35,880 --> 01:04:34,060

nights and on my last night there my

1368

01:04:39,240 --> 01:04:35,890

night nurse came in and was gonna give

1369

01:04:42,480 --> 01:04:39,250

me some pain meds and an injection which

1370

01:04:44,580 --> 01:04:42,490

was great because I needed it and but

1371

01:04:48,860 --> 01:04:44,590

when she came in he's two guys in blue

1372

01:04:52,380 --> 01:04:48,870

suits followed her into my room and

1373

01:04:53,730 --> 01:04:52,390

they'll go one guy enemy these guys look

1374

01:04:56,190 --> 01:04:53,740

like cops I mean I don't want to

1375

01:04:57,630 --> 01:04:56,200

stereotype anybody I mean I you know I

1376

01:05:00,210 --> 01:04:57,640

was a plastic you too I worked with

1377

01:05:02,760 --> 01:05:00,220

police officer out of respect but I mean

1378

01:05:04,980 --> 01:05:02,770

you know these guys cops

1379

01:05:07,050 --> 01:05:04,990

yeah it's just no mistaking them

1380

01:05:09,180 --> 01:05:07,060

sometimes you can tell for sure oh yeah

1381

01:05:11,190 --> 01:05:09,190

you know what you but shoulder-holster

1382

01:05:12,600 --> 01:05:11,200

you know they got their their suit coats

1383

01:05:14,730 --> 01:05:12,610

on button and you see their shoulder

1384

01:05:16,980 --> 01:05:14,740

holsters and they walk with kind of that

1385

01:05:21,890 --> 01:05:16,990

swagger and this guy had this that was

1386

01:05:25,650 --> 01:05:21,900

about 50 and he had this flattop haircut

1387

01:05:29,760 --> 01:05:25,660

that's like they weren't 50 yeah that's

1388

01:05:36,420 --> 01:05:29,770

the giveaway it's like if get on the

1389

01:05:39,680 --> 01:05:36,430

ground was a haircut yeah you know they

1390

01:05:42,690 --> 01:05:39,690

they showed me their identification and

1391

01:05:43,920 --> 01:05:42,700

they told the nurse I said this or no

1392

01:05:45,630 --> 01:05:43,930

they told the nurse if that's gonna

1393

01:05:48,480 --> 01:05:45,640

sedate sergeant Lovelace is gonna have

1394

01:05:50,190 --> 01:05:48,490

to wait and then I think it has to add

1395

01:05:53,609 --> 01:05:50,200

and shut the door on your way out

1396

01:05:55,259 --> 01:05:53,619

oh sure

1397

01:05:59,039 --> 01:05:55,269

whoa there's no need for that as

1398

01:06:01,499 --> 01:05:59,049

aggressive yeah so she she leaves the

1399

01:06:04,019 --> 01:06:01,509

room in a hop you know and they showed

1400

01:06:07,079 --> 01:06:04,029

us there's a nurse and me they showed

1401

01:06:08,239 --> 01:06:07,089

their badges their credentials and they

1402

01:06:11,279 --> 01:06:08,249

were from the Office of Special

1403

01:06:13,799 --> 01:06:11,289

Investigation or OSI that's the

1404

01:06:18,539 --> 01:06:13,809

investigative branch of the Air Force's

1405

01:06:20,730 --> 01:06:18,549

security police it's like oh ascites to

1406

01:06:23,960 --> 01:06:20,740

the Air Force kind of what NCIS is to

1407

01:06:28,739 --> 01:06:23,970

the Navy if that makes sense okay yeah

1408

01:06:31,079 --> 01:06:28,749

so these guys the guy that did all the

1409

01:06:33,900 --> 01:06:31,089

talking was the guy with the flattop the

1410

01:06:38,989 --> 01:06:33,910

guy about 50 he was a major his sidekick

1411

01:06:41,940 --> 01:06:38,999

was a captain he didn't say much and he

1412

01:06:45,329 --> 01:06:41,950

they pulled up tears right beside my bed

1413

01:06:47,970 --> 01:06:45,339

and they cranked my there was a crank

1414

01:06:49,470 --> 01:06:47,980

that not an electric dead captain went

1415

01:06:50,999 --> 01:06:49,480

to the bottom to the end of the bed and

1416

01:06:55,109 --> 01:06:51,009

cranked it up so I'm sitting in an

1417

01:06:56,730 --> 01:06:55,119

upright position and this major flips on

1418

01:07:00,029 --> 01:06:56,740

the overhead lights now they'd had the

1419

01:07:03,599 --> 01:07:00,039

lights off in the room because my eyes

1420

01:07:05,339 --> 01:07:03,609

hurt right yeah my comfort and I said

1421

01:07:08,339 --> 01:07:05,349

sir that really hurts my eyes could you

1422

01:07:09,599 --> 01:07:08,349

please turn those off and he says and

1423

01:07:12,259 --> 01:07:09,609

you know what I don't know if you guys

1424

01:07:16,410 --> 01:07:12,269

have ever talked to Calvin Parker or not

1425

01:07:19,019 --> 01:07:16,420

no not yet we loved it yeah yeah he's

1426

01:07:21,599 --> 01:07:19,029

always a great guy huh and he's got this

1427

01:07:23,789 --> 01:07:21,609

Louisiana accent oh yeah very

1428

01:07:25,589 --> 01:07:23,799

distinctive yeah and this guy this guy

1429

01:07:28,259 --> 01:07:25,599

you know it can't kind of talk sideways

1430

01:07:31,950 --> 01:07:28,269

right you know this guy had that same

1431

01:07:33,809 --> 01:07:31,960

accent and he says can't work in a camp

1432

01:07:34,319 --> 01:07:33,819

we're gonna dark here son gotta see what

1433

01:07:39,120 --> 01:07:34,329

we're doing

1434

01:07:40,609 --> 01:07:39,130

uh-huh and I asked him I said sir am I

1435

01:07:43,710 --> 01:07:40,619

in some kind of trouble

1436

01:07:45,359 --> 01:07:43,720

and he gets this big grin on his face

1437

01:07:49,079 --> 01:07:45,369

and he looks at the captain and the

1438

01:07:51,950 --> 01:07:49,089

captain laughs and he says son would we

1439

01:07:55,680 --> 01:07:51,960

be here if you weren't in trouble

1440

01:07:58,890 --> 01:07:55,690

and I thought oh my god what we do we

1441

01:08:00,870 --> 01:07:58,900

burn the forest down or something yeah I

1442

01:08:02,849 --> 01:08:00,880

mean I'm scared I mean I you know I've

1443

01:08:05,039 --> 01:08:02,859

been lived a pretty straight life I've

1444

01:08:06,020 --> 01:08:05,049

never been in trouble with uh you know

1445

01:08:10,700 --> 01:08:06,030

of any kind

1446

01:08:15,050 --> 01:08:10,710

and uh you know I was just scared to

1447

01:08:16,520 --> 01:08:15,060

death and he said well you know and it's

1448

01:08:19,970 --> 01:08:16,530

his purpose there I think was to

1449

01:08:22,190 --> 01:08:19,980

intimidate me and he says you know we

1450

01:08:24,349 --> 01:08:22,200

found the park rangers found your little

1451

01:08:27,110 --> 01:08:24,359

campsite down there and he says that

1452

01:08:30,020 --> 01:08:27,120

that tells me to plan to come back and

1453

01:08:32,210 --> 01:08:30,030

lisas let me ask it you always have a

1454

01:08:33,320 --> 01:08:32,220

little marijuana platform out there is

1455

01:08:37,610 --> 01:08:33,330

that what this is all about

1456

01:08:39,620 --> 01:08:37,620

oh now you know what this is 1977 this

1457

01:08:40,520 --> 01:08:39,630

is a different time yeah I mean that

1458

01:08:43,910 --> 01:08:40,530

could have that could have meant

1459

01:08:46,070 --> 01:08:43,920

Leavenworth Penitentiary no you know

1460

01:08:48,050 --> 01:08:46,080

loss of my stripes loss of my pay

1461

01:08:50,630 --> 01:08:48,060

dishonorable discharge ruin your life

1462

01:08:52,730 --> 01:08:50,640

and that really scared me because I

1463

01:08:54,650 --> 01:08:52,740

thought you know what if I haven't stand

1464

01:08:59,180 --> 01:08:54,660

somebody is growing marijuana out there

1465

01:09:02,780 --> 01:08:59,190

and it you know hang it on us exactly so

1466

01:09:04,610 --> 01:09:02,790

but I you know in retrospect I think his

1467

01:09:07,970 --> 01:09:04,620

purpose there was just to intimidate me

1468

01:09:09,680 --> 01:09:07,980

and he had that down to a science cuz I

1469

01:09:15,079 --> 01:09:09,690

was I was certainly intimidated right

1470

01:09:17,150 --> 01:09:15,089

and he said you know he laid out some

1471

01:09:19,670 --> 01:09:17,160

forms on my tray table I'm sure what are

1472

01:09:21,530 --> 01:09:19,680

these you know the lights are on my eyes

1473

01:09:23,450 --> 01:09:21,540

hurt I think I can't really can't read

1474

01:09:25,640 --> 01:09:23,460

he said Sunday's our waiver and consent

1475

01:09:28,309 --> 01:09:25,650

forms these give us the right to take a

1476

01:09:30,140 --> 01:09:28,319

look at and to talk to you and you can

1477

01:09:32,240 --> 01:09:30,150

talk to us and gives us the right to

1478

01:09:34,130 --> 01:09:32,250

take a look in your house to see if you

1479

01:09:35,930 --> 01:09:34,140

got any contraband like marijuana

1480

01:09:37,849 --> 01:09:35,940

you got any marijuana in your house do

1481

01:09:39,110 --> 01:09:37,859

you son get any marijuana in your car

1482

01:09:40,760 --> 01:09:39,120

you don't mind if you take a look

1483

01:09:42,410 --> 01:09:40,770

through these jeez yeah what's the deal

1484

01:09:44,630 --> 01:09:42,420

with that I was way off

1485

01:09:52,760 --> 01:09:44,640

I can't imagine when you were like no

1486

01:09:54,500 --> 01:09:52,770

it's actually alien yeah I had nothing

1487

01:09:55,820 --> 01:09:54,510

to hide in my house he said what he had

1488

01:09:57,800 --> 01:09:55,830

nothing to hide you wouldn't mind giving

1489

01:10:00,680 --> 01:09:57,810

this frickin sandwich announced you know

1490

01:10:03,080 --> 01:10:00,690

and he puts a pen in my hand you know so

1491

01:10:06,020 --> 01:10:03,090

under duress you know I I considered it

1492

01:10:08,750 --> 01:10:06,030

to rest I signed and gave them consent

1493

01:10:12,740 --> 01:10:08,760

to go to my house and scare the hell out

1494

01:10:15,220 --> 01:10:12,750

of my poor wife this is yeah come in and

1495

01:10:18,770 --> 01:10:15,230

they they look through my photographs

1496

01:10:19,970 --> 01:10:18,780

and all my prints I think they wanted to

1497

01:10:22,280 --> 01:10:19,980

sleep I was photographing

1498

01:10:24,290 --> 01:10:22,290

you know nuclear sites or something I

1499

01:10:26,240 --> 01:10:24,300

don't know what they were thinking

1500

01:10:27,770 --> 01:10:26,250

like I said you can't think you can't

1501

01:10:31,910 --> 01:10:27,780

take many pictures when you live on a

1502

01:10:34,340 --> 01:10:31,920

military base with nukes and right I had

1503

01:10:39,200 --> 01:10:34,350

I had telephoto lens and I had taken

1504

01:10:42,470 --> 01:10:39,210

some pictures of the full room speaker

1505

01:10:44,240 --> 01:10:42,480

as I could and I develop some press and

1506

01:10:45,710 --> 01:10:44,250

you know they took those prints and the

1507

01:10:50,380 --> 01:10:45,720

negatives of the full moon for some

1508

01:10:53,630 --> 01:10:50,390

reason uh-huh weird weird yeah

1509

01:10:56,570 --> 01:10:53,640

interesting great so they wanted all any

1510

01:10:59,570 --> 01:10:56,580

kind of evidence that you or yep

1511

01:11:02,750 --> 01:10:59,580

I mean I like part of my brain wants to

1512

01:11:04,610 --> 01:11:02,760

say they were trying to see if you were

1513

01:11:06,980 --> 01:11:04,620

some kind of spy but the other part of

1514

01:11:08,950 --> 01:11:06,990

me wants to say like they were they were

1515

01:11:11,930 --> 01:11:08,960

wanting to know if you got a photo of

1516

01:11:15,440 --> 01:11:11,940

et's craft right right this guy's

1517

01:11:17,750 --> 01:11:15,450

looking go and get him yeah that's the

1518

01:11:20,060 --> 01:11:17,760

real purpose of the exercise you know

1519

01:11:22,580 --> 01:11:20,070

they got done they may wind up their

1520

01:11:25,460 --> 01:11:22,590

interrogation of me you know and a

1521

01:11:27,860 --> 01:11:25,470

captain leaves and the nurse isn't in

1522

01:11:29,690 --> 01:11:27,870

the wrong and he makes sure my door is

1523

01:11:32,600 --> 01:11:29,700

shut ahead of my bed is right near the

1524

01:11:35,300 --> 01:11:32,610

door and he leans against the door with

1525

01:11:38,540 --> 01:11:35,310

his hand on it so nobody can come in and

1526

01:11:42,560 --> 01:11:38,550

he gets down next to my ear and he says

1527

01:11:46,190 --> 01:11:42,570

almost in a whisper he says son I know

1528

01:11:48,620 --> 01:11:46,200

and you know you two knuckleheads

1529

01:11:52,180 --> 01:11:48,630

stumbled onto something out there didn't

1530

01:11:54,800 --> 01:11:52,190

you oh so he's trying to like answer

1531

01:11:56,510 --> 01:11:54,810

okay so he's trying to put you in like a

1532

01:11:59,060 --> 01:11:56,520

like a state of submission like

1533

01:12:01,790 --> 01:11:59,070

intimidation and then now he's trying to

1534

01:12:03,350 --> 01:12:01,800

get the truth out of you yeah he wants

1535

01:12:05,000 --> 01:12:03,360

me to tell him I saw a UFO

1536

01:12:06,740 --> 01:12:05,010

you know I'm not about to do that

1537

01:12:08,990 --> 01:12:06,750

because I know that if I do that I risk

1538

01:12:13,340 --> 01:12:09,000

ending up on a psych ward you know all

1539

01:12:17,930 --> 01:12:13,350

right so I didn't answer the guy and

1540

01:12:20,240 --> 01:12:17,940

then he can't change his he can't drop

1541

01:12:24,770 --> 01:12:20,250

the tough-guy aspect from his face and

1542

01:12:27,920 --> 01:12:24,780

he says you know I think you know what

1543

01:12:28,640 --> 01:12:27,930

I'm talking about don't you and I still

1544

01:12:31,970 --> 01:12:28,650

didn't answer

1545

01:12:33,709 --> 01:12:31,980

Wow and he says son all I want to know

1546

01:12:35,750 --> 01:12:33,719

is that you're taking

1547

01:12:37,910 --> 01:12:35,760

pictures of how many pictures did you

1548

01:12:41,239 --> 01:12:37,920

take of it and where's your camera and

1549

01:12:44,450 --> 01:12:41,249

where should film and I told him the

1550

01:12:45,950 --> 01:12:44,460

truth and the truth was I mean I was an

1551

01:12:47,750 --> 01:12:45,960

amateur photographer you know how it is

1552

01:12:49,459 --> 01:12:47,760

when you're when you got a hobby I mean

1553

01:12:50,839 --> 01:12:49,469

I should have been out there

1554

01:12:52,819 --> 01:12:50,849

photographing this thing from every

1555

01:12:55,310 --> 01:12:52,829

angle right yeah right

1556

01:12:58,160 --> 01:12:55,320

good thought the photographic never

1557

01:12:58,700 --> 01:12:58,170

crossed my mind yeah you never crossed

1558

01:13:01,790 --> 01:12:58,710

my mind

1559

01:13:03,770 --> 01:13:01,800

and it was a bit awkward anyway I left

1560

01:13:05,330 --> 01:13:03,780

my camera my good camera at home now

1561

01:13:07,609 --> 01:13:05,340

told me he had a camera in his back

1562

01:13:09,290 --> 01:13:07,619

package so we certainly could have taken

1563

01:13:11,140 --> 01:13:09,300

pictures of the thing but you know

1564

01:13:13,189 --> 01:13:11,150

neither one of us thought to do that

1565

01:13:16,609 --> 01:13:13,199

yeah I heard other people say that

1566

01:13:18,649 --> 01:13:16,619

before too absolutely no they saw

1567

01:13:22,129 --> 01:13:18,659

something crazy and thought of taking a

1568

01:13:24,620 --> 01:13:22,139

picture never crossed their money so he

1569

01:13:27,439 --> 01:13:24,630

knew I don't know how he knew but he

1570

01:13:30,020 --> 01:13:27,449

knew dad that kind of goes back to like

1571

01:13:32,660 --> 01:13:30,030

how the whole area is kind of blocked

1572

01:13:35,000 --> 01:13:32,670

off in the first place you know and then

1573

01:13:37,640 --> 01:13:35,010

and then you guys show up and you know

1574

01:13:40,580 --> 01:13:37,650

then come to find out later on in life

1575

01:13:42,379 --> 01:13:40,590

that that's that's you know PLM property

1576

01:13:45,739 --> 01:13:42,389

that's like run by the government like

1577

01:13:49,390 --> 01:13:45,749

they probably knew that that happens

1578

01:13:51,830 --> 01:13:49,400

pretty often in that specific area and

1579

01:13:53,600 --> 01:13:51,840

seeing all your stuff there they

1580

01:13:56,000 --> 01:13:53,610

probably put two and two together it was

1581

01:13:59,839 --> 01:13:56,010

like oh they probably ran into that

1582

01:14:02,319 --> 01:13:59,849

crash and they ran away yeah I think

1583

01:14:04,819 --> 01:14:02,329

that's absolutely right well you know I

1584

01:14:06,770 --> 01:14:04,829

have a few memories from being on that

1585

01:14:09,819 --> 01:14:06,780

craft and one of the memories that I

1586

01:14:13,879 --> 01:14:09,829

have is there were about five or six

1587

01:14:15,589 --> 01:14:13,889

it's like five guys and a woman and they

1588

01:14:17,330 --> 01:14:15,599

were young I mean they were like a lot

1589

01:14:20,750 --> 01:14:17,340

like us they were like you know 19

1590

01:14:26,270 --> 01:14:20,760

through maybe 22 but I was 22 at the

1591

01:14:27,410 --> 01:14:26,280

time Toby was 23 and they were dressed

1592

01:14:29,810 --> 01:14:27,420

in these weird

1593

01:14:32,899 --> 01:14:29,820

these tan colored flight suits that I'd

1594

01:14:35,689 --> 01:14:32,909

never seen before and they had what

1595

01:14:38,689 --> 01:14:35,699

looked to me to be standard-issue combat

1596

01:14:44,209 --> 01:14:38,699

boots on whoa yeah we had military

1597

01:14:45,859 --> 01:14:44,219

haircuts and the woman was I remember

1598

01:14:47,360 --> 01:14:45,869

her welcome she was kind of cute

1599

01:14:52,660 --> 01:14:47,370

actually she was

1600

01:14:55,040 --> 01:14:52,670

petite Latinos go with a ponytail and

1601
01:14:56,840 --> 01:14:55,050
these guys wouldn't look in our

1602
01:14:59,240 --> 01:14:56,850
direction they would not look at us make

1603
01:15:01,760 --> 01:14:59,250
eye contact with them and I believe that

1604
01:15:04,130 --> 01:15:01,770
they were members of the crew I really

1605
01:15:05,690 --> 01:15:04,140
do because the one guy from my angle I

1606
01:15:07,040 --> 01:15:05,700
couldn't see what he was doing but he

1607
01:15:10,820 --> 01:15:07,050
was doing something to what looked like

1608
01:15:12,230 --> 01:15:10,830
a panel on the law yeah okay so inside

1609
01:15:15,110 --> 01:15:12,240
the craft you're you're remembering

1610
01:15:18,680 --> 01:15:15,120
human humanoid people like just just

1611
01:15:20,960 --> 01:15:18,690
like you and me not absolutely okay not

1612
01:15:23,630 --> 01:15:20,970
you know these weren't hybrids of these

1613
01:15:25,610 --> 01:15:23,640

these these Manny look like human beings

1614

01:15:27,830 --> 01:15:25,620

I don't know thinking this earth or not

1615

01:15:29,690 --> 01:15:27,840

but I think so you know they had some

1616

01:15:32,570 --> 01:15:29,700

kind of orange insignia round orange

1617

01:15:34,160 --> 01:15:32,580

insignia on their shoulders yeah and I

1618

01:15:36,440 --> 01:15:34,170

they weren't close enough that I could

1619

01:15:37,940 --> 01:15:36,450

get a glimpse of it and see what that I

1620

01:15:41,090 --> 01:15:37,950

would love to know know what that patch

1621

01:15:43,940 --> 01:15:41,100

you said right yeah interesting so they

1622

01:15:46,880 --> 01:15:43,950

had a distinctive outfit on almost like

1623

01:15:49,670 --> 01:15:46,890

some type of uniform obviously they had

1624

01:15:51,560 --> 01:15:49,680

combat boots so I'm just trying to break

1625

01:15:54,800 --> 01:15:51,570

it down in my head like you know you

1626

01:15:56,540 --> 01:15:54,810

hear I've heard a few stories that you

1627

01:15:59,030 --> 01:15:56,550

know the the military is working with

1628

01:16:01,370 --> 01:15:59,040

these et and certain and on certain

1629

01:16:04,160 --> 01:16:01,380

certain drills or or sometimes it's

1630

01:16:07,460 --> 01:16:04,170

they're actually military that that's

1631

01:16:09,470 --> 01:16:07,470

helping out ETS or it's uh it's it's

1632

01:16:11,750 --> 01:16:09,480

literally a screen it's a screen menu or

1633

01:16:14,210 --> 01:16:11,760

not menu but screen memory that they put

1634

01:16:17,420 --> 01:16:14,220

in your head that you remember them as

1635

01:16:21,620 --> 01:16:17,430

as humans but it was actually the greys

1636

01:16:24,920 --> 01:16:21,630

or whatever or whatever yeah yeah cuz

1637

01:16:26,240 --> 01:16:24,930

they can they can control her mind eh no

1638

01:16:28,120 --> 01:16:26,250

doubt about that you know what I think I

1639

01:16:32,330 --> 01:16:28,130

think there are three possibilities and

1640

01:16:35,060 --> 01:16:32,340

I think that we're either working

1641

01:16:35,870 --> 01:16:35,070

shoulder-to-shoulder with them in some

1642

01:16:41,210 --> 01:16:35,880

kind of agreement

1643

01:16:43,310 --> 01:16:41,220

yeah or we're in just a flat-out trading

1644

01:16:46,760 --> 01:16:43,320

agreement like a quid pro quo you know

1645

01:16:48,710 --> 01:16:46,770

they give us technology and we give them

1646

01:16:51,590 --> 01:16:48,720

the limited right to maybe take people

1647

01:16:53,540 --> 01:16:51,600

now and then or take cattle you know I

1648

01:16:57,200 --> 01:16:53,550

think a david Politis and it's missing

1649

01:17:00,260 --> 01:16:57,210

for one one series yes people go missing

1650

01:17:04,500 --> 01:17:00,270

from state and federal parks yeah

1651
01:17:06,420 --> 01:17:04,510
really crazy circumstances and and to

1652
01:17:07,890 --> 01:17:06,430
try to get a list of missing people like

1653
01:17:09,750 --> 01:17:07,900
you have to pay them like a million

1654
01:17:13,140 --> 01:17:09,760
dollars or something is pretty expensive

1655
01:17:16,410 --> 01:17:13,150
do ya list yeah

1656
01:17:17,850 --> 01:17:16,420
you know he's he's gonna speak at Eureka

1657
01:17:20,280 --> 01:17:17,860
Springs I don't know if you guys are

1658
01:17:21,450 --> 01:17:20,290
planning on going or not I haven't heard

1659
01:17:24,390 --> 01:17:21,460
of that one yet but it sounds

1660
01:17:27,120 --> 01:17:24,400
interesting yeah yeah Eureka Springs is

1661
01:17:30,530 --> 01:17:27,130
this would be their 33rd year it'll be

1662
01:17:34,500 --> 01:17:30,540
my first time going I'm gonna speak and

1663
01:17:35,850 --> 01:17:34,510

David Politis will be there so I'll get

1664

01:17:39,240 --> 01:17:35,860

a chance to meet him he doesn't return

1665

01:17:41,640 --> 01:17:39,250

my email so okay and track the guy down

1666

01:17:45,240 --> 01:17:41,650

and talk to ya

1667

01:17:48,840 --> 01:17:45,250

yeah so do you think this is uh you like

1668

01:17:51,270 --> 01:17:48,850

maybe had a type of like like a mylabs

1669

01:17:54,630 --> 01:17:51,280

experience like with the military

1670

01:17:59,490 --> 01:17:54,640

abduction type thing you know people ask

1671

01:18:05,040 --> 01:17:59,500

me that a lot and I don't know I I ask

1672

01:18:07,200 --> 01:18:05,050

to God don't know I know this for

1673

01:18:09,150 --> 01:18:07,210

wondering some reason or another I mean

1674

01:18:10,370 --> 01:18:09,160

most people spend a whole life and never

1675

01:18:16,730 --> 01:18:10,380

see a URL

1676

01:18:23,190 --> 01:18:16,740

yeah and I've seen UFOs since I was 8

1677

01:18:24,780 --> 01:18:23,200

Rand Steve into this day yeah so do you

1678

01:18:27,150 --> 01:18:24,790

think you know do you think the

1679

01:18:30,750 --> 01:18:27,160

experience is that maybe you had as a

1680

01:18:33,630 --> 01:18:30,760

younger child were in some way preparing

1681

01:18:37,230 --> 01:18:33,640

you maybe for the this this specific

1682

01:18:40,680 --> 01:18:37,240

experience you know I think there's it's

1683

01:18:43,620 --> 01:18:40,690

all connected in some way yeah I don't

1684

01:18:43,860 --> 01:18:43,630

know how but it's all connected in some

1685

01:18:47,220 --> 01:18:43,870

way

1686

01:18:52,400 --> 01:18:47,230

I had a young a guy from to the Stars

1687

01:18:54,810 --> 01:18:52,410

Academy at ETS a guy's yeah Louella no

1688

01:18:57,960 --> 01:18:54,820

explained to me that some people or what

1689

01:19:00,750 --> 01:18:57,970

they call targeted individuals hmm yeah

1690

01:19:04,070 --> 01:19:00,760

and he said you are a target of

1691

01:19:07,410 --> 01:19:04,080

individual it sounds like it yeah yeah

1692

01:19:09,990 --> 01:19:07,420

so they're very whoever is doing this is

1693

01:19:12,210 --> 01:19:10,000

very interested in specific people and

1694

01:19:13,289 --> 01:19:12,220

you had you happen to be one of those

1695

01:19:15,839 --> 01:19:13,299

specific people

1696

01:19:17,789 --> 01:19:15,849

d do you feel the sense of like maybe

1697

01:19:20,669 --> 01:19:17,799

there's something in your DNA that you

1698

01:19:21,719 --> 01:19:20,679

know it's like a lineage thing or you

1699

01:19:24,719 --> 01:19:21,729

think it's just random

1700

01:19:28,289 --> 01:19:24,729

what are your up just curious I had no

1701

01:19:32,250 --> 01:19:28,299

idea you know I wonder if my dad may

1702

01:19:33,779 --> 01:19:32,260

have done taken because he had a he

1703

01:19:36,229 --> 01:19:33,789

tried to hide it but he had a real

1704

01:19:38,879 --> 01:19:36,239

interest in UFOs okay and whenever

1705

01:19:41,489 --> 01:19:38,889

whenever anything came on the TV he had

1706

01:19:43,949 --> 01:19:41,499

to listen to it and one time in st.

1707

01:19:47,639 --> 01:19:43,959

Louis back you know I think I was about

1708

01:19:51,629 --> 01:19:47,649

15 or so there was a news report about a

1709

01:19:54,179 --> 01:19:51,639

UFO over the st. Louis area that was

1710

01:19:57,149 --> 01:19:54,189

bottle shaped and green and glowing

1711

01:20:00,089 --> 01:19:57,159

green and my dad grant system oculars

1712

01:20:03,539 --> 01:20:00,099

and it goes outside and they didn't see

1713

01:20:06,689 --> 01:20:03,549

anything but comes back in and I'm like

1714

01:20:10,289 --> 01:20:06,699

so Dan you think that's uh flying

1715

01:20:13,829 --> 01:20:10,299

saucers I didn't use the word UFO I see

1716

01:20:16,079 --> 01:20:13,839

a flying saucer right yeah yeah we said

1717

01:20:18,899 --> 01:20:16,089

nice as you know that's something from

1718

01:20:20,849 --> 01:20:18,909

the Russians that's not that's not from

1719

01:20:22,139 --> 01:20:20,859

outer space that's that's something from

1720

01:20:26,129 --> 01:20:22,149

the that was his answer for everything

1721

01:20:28,889 --> 01:20:26,139

but it's Russian yeah I don't think so

1722

01:20:31,589 --> 01:20:28,899

yeah they also keep oblique that yeah

1723

01:20:33,899 --> 01:20:31,599

yeah you know that's kind of a common

1724

01:20:36,689 --> 01:20:33,909

theme through the beginning half of the

1725

01:20:38,489 --> 01:20:36,699

book you know is like you know your dad

1726

01:20:41,250 --> 01:20:38,499

is it seems like he's a little

1727

01:20:43,619 --> 01:20:41,260

dismissive of it but it definitely seems

1728

01:20:46,649 --> 01:20:43,629

to like pique his interest enough to

1729

01:20:48,419 --> 01:20:46,659

want to help you out with it you know as

1730

01:20:50,819 --> 01:20:48,429

opposed to just being like yeah it's an

1731

01:20:53,669 --> 01:20:50,829

overactive imagination go back to sleep

1732

01:20:56,489 --> 01:20:53,679

you know he he he deploys the tape you

1733

01:20:59,519 --> 01:20:56,499

know the tape in your room and and then

1734

01:21:01,109 --> 01:20:59,529

he takes you to the doctor and it seems

1735

01:21:02,609 --> 01:21:01,119

like he's definitely interested in

1736

01:21:04,619 --> 01:21:02,619

what's happening to you which kind of

1737

01:21:07,199 --> 01:21:04,629

makes me wonder you know he may have had

1738

01:21:10,559 --> 01:21:07,209

this interest maybe something did happen

1739

01:21:12,959 --> 01:21:10,569

to him or maybe it was your experiences

1740

01:21:15,029 --> 01:21:12,969

that you know kind of turned him on to

1741

01:21:18,809 --> 01:21:15,039

the idea of like well I don't think my

1742

01:21:21,469 --> 01:21:18,819

kid is crazy personally but is he seeing

1743

01:21:25,049 --> 01:21:21,479

something that I can't explain you know

1744

01:21:26,670 --> 01:21:25,059

yeah yeah we are his words to me and I

1745

01:21:28,710 --> 01:21:26,680

remember them were you know

1746

01:21:30,900 --> 01:21:28,720

look you know you can't tell people you

1747

01:21:32,340 --> 01:21:30,910

saw a UFO if you do they're gonna think

1748

01:21:34,470 --> 01:21:32,350

you're crazy they're gonna think there's

1749

01:21:36,090 --> 01:21:34,480

something wrong with you and then sure

1750

01:21:37,650 --> 01:21:36,100

enough you see you know if you tell

1751

01:21:39,240 --> 01:21:37,660

people you saw a flying saucer they're

1752

01:21:41,970 --> 01:21:39,250

gonna think something's wrong with us

1753

01:21:45,240 --> 01:21:41,980

yeah and that was Kennedy at nineteen

1754

01:21:48,920 --> 01:21:45,250

sixties mentality of you know the

1755

01:21:53,670 --> 01:21:48,930

perfect family and harmony and you know

1756

01:21:55,410 --> 01:21:53,680

it was just it was a different time yeah

1757

01:21:56,820 --> 01:21:55,420

what am i one of my favorite parts of

1758

01:21:58,620 --> 01:21:56,830

the book is where you're talking about

1759

01:22:01,170 --> 01:21:58,630

how your dad didn't understand what

1760

01:22:03,150 --> 01:22:01,180

light running was like how is for you

1761

01:22:05,040 --> 01:22:03,160

know like he did a lot of military stuff

1762

01:22:06,930 --> 01:22:05,050

and like running was was like you know

1763

01:22:08,730 --> 01:22:06,940

when it was time to be in danger but

1764

01:22:10,470 --> 01:22:08,740

like you were like no I run to stay in

1765

01:22:13,440 --> 01:22:10,480

shape he was like why are you running I

1766

01:22:15,390 --> 01:22:13,450

thought that was interesting well you

1767

01:22:17,220 --> 01:22:15,400

know you know what that I thought about

1768

01:22:18,690 --> 01:22:17,230

that too it is really his question at

1769

01:22:21,480 --> 01:22:18,700

the time wasn't as dumb as it sounds

1770

01:22:24,630 --> 01:22:21,490

today because if you look through old

1771

01:22:26,640 --> 01:22:24,640

photos old motion pictures you won't

1772

01:22:32,900 --> 01:22:26,650

find anybody running on the street

1773

01:22:38,820 --> 01:22:36,060

yes so really the concept of being out

1774

01:22:41,520 --> 01:22:38,830

and running on the street you know just

1775

01:22:43,680 --> 01:22:41,530

for exercise which was a fort was a full

1776

01:22:45,870 --> 01:22:43,690

with a new idea yeah I wonder what they

1777

01:22:48,570 --> 01:22:45,880

would you know a person from that time

1778

01:22:50,040 --> 01:22:48,580

period would think if they came to the

1779

01:22:52,050 --> 01:22:50,050

current day and just saw people running

1780

01:22:58,950 --> 01:22:52,060

all over the place like what are they

1781

01:23:01,070 --> 01:22:58,960

running from I knew it's a kid if I was

1782

01:23:03,270 --> 01:23:01,080

running down the street a complication

1783

01:23:04,770 --> 01:23:03,280

yeah just because you're running they

1784

01:23:11,040 --> 01:23:04,780

probably start chasing you why are you

1785

01:23:14,220 --> 01:23:11,050

running sir exercise and so Terry these

1786

01:23:19,260 --> 01:23:14,230

these implants that you have are they

1787

01:23:24,060 --> 01:23:19,270

both still in there the implant that was

1788

01:23:30,630 --> 01:23:24,070

above my leg was taken out not by not by

1789

01:23:34,500 --> 01:23:30,640

doctors but by et Oh November 17th 2017

1790

01:23:36,440 --> 01:23:34,510

I woke up and I had wounds on top of my

1791

01:23:39,530 --> 01:23:36,450

leg and

1792

01:23:41,360 --> 01:23:39,540

hi you know my legs hurt I told my wife

1793

01:23:42,980 --> 01:23:41,370

I said they came and they got there they

1794

01:23:45,740 --> 01:23:42,990

got that thing out of my leg last night

1795

01:23:48,170 --> 01:23:45,750

oh man laws and cases where you you

1796

01:23:51,140 --> 01:23:48,180

gotta get up you gotta get an x-ray you

1797

01:23:56,330 --> 01:23:51,150

know find out other things below my leg

1798

01:23:58,370 --> 01:23:56,340

are still there huh but the thing that

1799

01:24:02,630 --> 01:23:58,380

was there about the size of a fingernail

1800

01:24:05,390 --> 01:24:02,640

that's gone they took that somehow and I

1801
01:24:06,620 --> 01:24:05,400
went to I thought where I go to get an

1802
01:24:11,720 --> 01:24:06,630
x-ray because you know if you go to a

1803
01:24:13,250 --> 01:24:11,730
stand in radiology place pardon but they

1804
01:24:17,300 --> 01:24:13,260
won't you know they won't give you an

1805
01:24:20,000 --> 01:24:17,310
x-ray on demand I mean you know so I

1806
01:24:22,430 --> 01:24:20,010
went to this chiropractor's office right

1807
01:24:27,230 --> 01:24:22,440
and what I did was I took copies of my

1808
01:24:30,890 --> 01:24:27,240
x-ray on copy paper because I knew I

1809
01:24:34,670 --> 01:24:30,900
knew you know chiropractors look at a

1810
01:24:35,990 --> 01:24:34,680
hundred x-rays a week yeah so I didn't

1811
01:24:38,210 --> 01:24:36,000
have an appointment I get there this

1812
01:24:39,830 --> 01:24:38,220
guy's like super busy and I said if you

1813
01:24:41,750 --> 01:24:39,840

could squeeze me in I'd be you know

1814

01:24:44,960 --> 01:24:41,760

really grateful tell the receptionist

1815

01:24:47,510 --> 01:24:44,970

and she says are a it's gonna be a wait

1816

01:24:50,030 --> 01:24:47,520

sorry wait like 45 minutes in a waiting

1817

01:24:52,160 --> 01:24:50,040

room and finally he calls me back and he

1818

01:24:54,890 --> 01:24:52,170

says okay well you hurt and I said well

1819

01:24:57,040 --> 01:24:54,900

I heard at the top of my legs but the

1820

01:24:58,970 --> 01:24:57,050

real reason I'm here is I think that

1821

01:25:01,670 --> 01:24:58,980

extraterrestrial beings came into my

1822

01:25:04,130 --> 01:25:01,680

room night before last while I was

1823

01:25:08,000 --> 01:25:04,140

asleep and took this implant out of my

1824

01:25:10,220 --> 01:25:08,010

leg and he thinks I'm crazy you got me

1825

01:25:13,700 --> 01:25:10,230

by the elbow and he's walking me toward

1826

01:25:15,470 --> 01:25:13,710

the door oh man and I'm holding this

1827

01:25:20,030 --> 01:25:15,480

piece of paper up in front of his face

1828

01:25:22,730 --> 01:25:20,040

and he stops in his tracks and looks at

1829

01:25:25,190 --> 01:25:22,740

both of them and he says come with me

1830

01:25:26,900 --> 01:25:25,200

Eddie took me into his office and shut

1831

01:25:28,430 --> 01:25:26,910

the door and you know his phone's

1832

01:25:31,250 --> 01:25:28,440

ringing and people were knocking at the

1833

01:25:33,050 --> 01:25:31,260

door and he says let me see your legs

1834

01:25:35,810 --> 01:25:33,060

and I showed him with the words that I

1835

01:25:38,120 --> 01:25:35,820

had and he says tell me about these and

1836

01:25:40,490 --> 01:25:38,130

I gave him like the capsule version you

1837

01:25:42,770 --> 01:25:40,500

know I was camping in 1977 I think

1838

01:25:44,960 --> 01:25:42,780

that's when they put them you know I run

1839

01:25:48,290 --> 01:25:44,970

to good goes numb at the two mile mark

1840

01:25:49,779 --> 01:25:48,300

the whole thing you know in four minutes

1841

01:25:52,310 --> 01:25:49,789

and

1842

01:25:55,640 --> 01:25:52,320

he says well I'm gonna race your script

1843

01:25:58,160 --> 01:25:55,650

for an x-ray and he told me would it go

1844

01:26:02,479 --> 01:25:58,170

gave me the piece of paper said I'll pay

1845

01:26:05,359 --> 01:26:02,489

for it oh just don't use my name or the

1846

01:26:06,379 --> 01:26:05,369

name of my clinic in your book cuz I

1847

01:26:09,259 --> 01:26:06,389

told him I'm gonna write a book about

1848

01:26:11,560 --> 01:26:09,269

this yeah and I gave him my word I

1849

01:26:14,990 --> 01:26:11,570

wouldn't and I've been true to my word

1850

01:26:17,270 --> 01:26:15,000

so I wouldn't I got the x-ray and I held

1851

01:26:19,299 --> 01:26:17,280

it up to the light and sure enough that

1852

01:26:23,540 --> 01:26:19,309

thing that was there was gone

1853

01:26:25,549 --> 01:26:23,550

whoa and he asked me to drop the x-rays

1854

01:26:27,649 --> 01:26:25,559

off at his office so he could look at

1855

01:26:31,459 --> 01:26:27,659

her and and I did I just dropped him off

1856

01:26:34,339 --> 01:26:31,469

I didn't wait to see him and he caused

1857

01:26:36,589 --> 01:26:34,349

me up after dinner that evening and said

1858

01:26:39,399 --> 01:26:36,599

well you saw your x-rays right and I

1859

01:26:42,140 --> 01:26:39,409

said yeah there's nothing there anymore

1860

01:26:44,870 --> 01:26:42,150

and he says well they took out the thing

1861

01:26:48,589 --> 01:26:44,880

by your knee but he said they left

1862

01:26:51,410 --> 01:26:48,599

something he said they left two wires in

1863

01:26:54,439 --> 01:26:51,420

your leg there are two tiny wires

1864

01:26:56,299 --> 01:26:54,449

parallel to one another about a quarter

1865

01:27:00,080 --> 01:26:56,309

of an inch long running parallel with

1866

01:27:01,669 --> 01:27:00,090

your femur lots and I didn't see those

1867

01:27:04,180 --> 01:27:01,679

so I got the x-rays back

1868

01:27:06,169 --> 01:27:04,190

I had possession with the x-rays now and

1869

01:27:07,759 --> 01:27:06,179

you know you hold it up to the light you

1870

01:27:09,200 --> 01:27:07,769

can see them a whole lot better the

1871

01:27:11,450 --> 01:27:09,210

picture didn't turn out so well in the

1872

01:27:13,339 --> 01:27:11,460

book cause it's grainy right but on

1873

01:27:16,220 --> 01:27:13,349

x-ray film you can see it it's good it's

1874

01:27:19,100 --> 01:27:16,230

very clear yeah there are two wires in

1875

01:27:21,169 --> 01:27:19,110

there I'm the doctor I'm like hey you

1876

01:27:24,020 --> 01:27:21,179

know if these guys if these beings are

1877

01:27:26,330 --> 01:27:24,030

so advanced you know they're 500 runs up

1878

01:27:27,350 --> 01:27:26,340

the evolutionary ladder how could they

1879

01:27:30,140 --> 01:27:27,360

be so inept

1880

01:27:34,100 --> 01:27:30,150

as to leave two wires am i right and my

1881

01:27:36,049 --> 01:27:34,110

leg right and he said I loved his answer

1882

01:27:36,709 --> 01:27:36,059

he said they don't do anything by

1883

01:27:38,509 --> 01:27:36,719

accident

1884

01:27:41,120 --> 01:27:38,519

I'm sure this guy was an experimenter

1885

01:27:43,129 --> 01:27:41,130

national so he was on because able to

1886

01:27:44,990 --> 01:27:43,139

anything by accident he says what they

1887

01:27:51,100 --> 01:27:45,000

did if they gave you an upgrade he says

1888

01:27:59,089 --> 01:27:54,140

that's insane so we were looking at

1889

01:28:01,790 --> 01:27:59,099

pictures of vintage capacitors and we

1890

01:28:02,659 --> 01:28:01,800

found an image and it it's crazy like

1891

01:28:10,609 --> 01:28:02,669

how

1892

01:28:13,100 --> 01:28:10,619

like a 2.5 millimeter square body with

1893

01:28:18,020 --> 01:28:13,110

these young antennas off the top of it

1894

01:28:20,029 --> 01:28:18,030

and the the the the coincidence of the

1895

01:28:23,810 --> 01:28:20,039

way that it looks compared to like

1896

01:28:27,679 --> 01:28:23,820

what's in your leg is is astound it's

1897

01:28:29,870 --> 01:28:27,689

it's a square ceramic capacitor with

1898

01:28:31,699 --> 01:28:29,880

with the two terminals you know and it's

1899

01:28:33,739 --> 01:28:31,709

like this photo that we're looking at it

1900

01:28:35,719 --> 01:28:33,749

sits in comparison to a coin and I mean

1901

01:28:37,639 --> 01:28:35,729

this thing is tiny which i think is kind

1902

01:28:39,919 --> 01:28:37,649

of comparable that was what was in your

1903

01:28:41,810 --> 01:28:39,929

your leg is very yeah I love they just

1904

01:28:44,830 --> 01:28:41,820

look really similar I'm not saying it

1905

01:28:47,659 --> 01:28:44,840

was the same thing but I I saw that

1906

01:28:50,089 --> 01:28:47,669

sorry go that's a smart thing what I

1907

01:28:51,949 --> 01:28:50,099

kind of had the same thought is that you

1908

01:28:55,339 --> 01:28:51,959

know did my government put this thing in

1909

01:28:57,109 --> 01:28:55,349

my leg if they did right I had a friend

1910

01:28:59,750 --> 01:28:57,119

who worked for I went to law school with

1911

01:29:01,850 --> 01:28:59,760

a guy he worked for Treasury for a while

1912

01:29:04,939 --> 01:29:01,860

and then he went to work for the Bureau

1913

01:29:08,209 --> 01:29:04,949

of Alcohol Tobacco and Firearms and the

1914

01:29:10,009 --> 01:29:08,219

B ATF I don't know if you guys ever

1915

01:29:14,479 --> 01:29:10,019

heard of and recall the Lockerbie

1916

01:29:16,669 --> 01:29:14,489

Scotland bombing a great big great big

1917

01:29:20,569 --> 01:29:16,679

humongous airplane full of people from

1918

01:29:23,139 --> 01:29:20,579

the states had a bomb planted in it and

1919

01:29:27,439 --> 01:29:23,149

it blew up over Lockerbie Scotland

1920

01:29:29,500 --> 01:29:27,449

filled everybody and the girl of Alcohol

1921

01:29:32,870 --> 01:29:29,510

Tobacco and Firearms investigated the

1922

01:29:39,560 --> 01:29:32,880

wreckage and they found parts of a radio

1923

01:29:41,169 --> 01:29:39,570

that had explosives residue on them oh

1924

01:29:44,449 --> 01:29:41,179

wow

1925

01:29:47,029 --> 01:29:44,459

as a direct result of that the Bureau of

1926

01:29:49,909 --> 01:29:47,039

Alcohol Tobacco and Firearms has the

1927

01:29:52,009 --> 01:29:49,919

most extensive database of electrical

1928

01:29:55,459 --> 01:29:52,019

components anywhere in the world

1929

01:29:58,609 --> 01:29:55,469

I mean if it's manufactured to go on a

1930

01:30:00,080 --> 01:29:58,619

motherboard or in a radio somewhere

1931

01:30:03,290 --> 01:30:00,090

they're going to have a picture of it

1932

01:30:04,759 --> 01:30:03,300

okay so I told him I said I'm gonna send

1933

01:30:06,830 --> 01:30:04,769

you this can you can you look it up for

1934

01:30:13,089 --> 01:30:06,840

me and tell me you know if it's in your

1935

01:30:16,310 --> 01:30:13,099

database and it's not whoa that's crazy

1936

01:30:19,580 --> 01:30:16,320

so yeah I mean either it's a

1937

01:30:22,129 --> 01:30:19,590

dark government program that you know

1938

01:30:24,800 --> 01:30:22,139

creates these capacitors or whatever it

1939

01:30:27,560 --> 01:30:24,810

is or it's it's et and they just it's a

1940

01:30:31,100 --> 01:30:27,570

similar design right like it could be

1941

01:30:32,419 --> 01:30:31,110

one of the other other yeah you know and

1942

01:30:36,500 --> 01:30:32,429

I thought maybe it's made intentionally

1943

01:30:37,790 --> 01:30:36,510

to look like something sir yeah yeah

1944

01:30:39,859 --> 01:30:37,800

that that would be the best way to

1945

01:30:41,720 --> 01:30:39,869

conceal it the only thing I can think of

1946

01:30:43,310 --> 01:30:41,730

is that you know this design like the

1947

01:30:44,839 --> 01:30:43,320

capacitor is it's kind of like a tiny

1948

01:30:46,850 --> 01:30:44,849

little battery so it would have to be

1949

01:30:49,160 --> 01:30:46,860

attached to something you know it's like

1950

01:30:51,740 --> 01:30:49,170

it's not well your body I mean your your

1951

01:30:54,439 --> 01:30:51,750

body is constantly sending electrical

1952

01:30:56,450 --> 01:30:54,449

signals throughout your body it's like

1953

01:30:58,459 --> 01:30:56,460

its own little battery basically so I

1954

01:31:00,919 --> 01:30:58,469

mean why wouldn't you be able to run

1955

01:31:03,050 --> 01:31:00,929

maybe a tiny little piece of equipment

1956

01:31:04,640 --> 01:31:03,060

off of your own body's electrical signal

1957

01:31:06,530 --> 01:31:04,650

and it would have to be very small so

1958

01:31:08,629 --> 01:31:06,540

that since what the size of this thing I

1959

01:31:13,850 --> 01:31:08,639

mean we're just doctor scientists we

1960

01:31:15,500 --> 01:31:13,860

don't know where talk about but man I'm

1961

01:31:17,330 --> 01:31:15,510

just yeah we're we're just looking

1962

01:31:18,879 --> 01:31:17,340

through that photo and we'll post it for

1963

01:31:21,560 --> 01:31:18,889

those listening we're gonna post these

1964

01:31:22,640 --> 01:31:21,570

as long as that's okay Terry for us to

1965

01:31:24,350 --> 01:31:22,650

post these these photos that were

1966

01:31:26,209 --> 01:31:24,360

looking at absolutely please please

1967

01:31:28,520 --> 01:31:26,219

share them with your awesome your

1968

01:31:30,979 --> 01:31:28,530

audience awesome appreciate yeah yeah I

1969

01:31:33,979 --> 01:31:30,989

know listening to Al Orion Fenton's show

1970

01:31:37,069 --> 01:31:33,989

I've heard you on her show as well you

1971

01:31:40,430 --> 01:31:37,079

know she she's talked about how maybe

1972

01:31:43,669 --> 01:31:40,440

these implants are now being upgraded to

1973

01:31:46,520 --> 01:31:43,679

a more like organic type of you know

1974

01:31:48,500 --> 01:31:46,530

maybe like biotech of some sort how you

1975

01:31:50,270 --> 01:31:48,510

know like a lot of this stuff is metal

1976

01:31:52,790 --> 01:31:50,280

but the new ones that are being

1977

01:31:59,540 --> 01:31:52,800

implanted in people are are you know a

1978

01:32:01,010 --> 01:31:59,550

little more undetectable yeah yeah you

1979

01:32:03,770 --> 01:32:01,020

know I would assume that their

1980

01:32:06,050 --> 01:32:03,780

technology you know advances that our

1981

01:32:08,149 --> 01:32:06,060

rate probably exponentially higher than

1982

01:32:10,010 --> 01:32:08,159

ours right I mean I want the

1983

01:32:14,089 --> 01:32:10,020

advancements that we've made since the

1984

01:32:17,600 --> 01:32:14,099

1960s and you know I'm sure that they

1985

01:32:22,220 --> 01:32:17,610

upgrade their super equipment now right

1986

01:32:23,870 --> 01:32:22,230

absolutely yeah Wow so what about the

1987

01:32:25,430 --> 01:32:23,880

one in the back of your leg do you have

1988

01:32:28,899 --> 01:32:25,440

any plans for that do you plan on

1989

01:32:30,140 --> 01:32:28,909

leaving it does it bother you or I mean

1990

01:32:36,350 --> 01:32:30,150

don't

1991

01:32:38,689 --> 01:32:36,360

was in my calf muscle I'm told by a

1992

01:32:42,080 --> 01:32:38,699

couple radiologists that they are it

1993

01:32:44,000 --> 01:32:42,090

does look like bone tissue huh

1994

01:32:46,459 --> 01:32:44,010

they said that they could take it out

1995

01:32:49,250 --> 01:32:46,469

but I probably you know have a messed up

1996

01:32:51,020 --> 01:32:49,260

leg afterwards huh because where they

1997

01:32:52,640 --> 01:32:51,030

take it out you know that's gonna leave

1998

01:32:57,350 --> 01:32:52,650

a big hole it's going to have to heal

1999

01:32:59,270 --> 01:32:57,360

right and I you know I just they tell me

2000

01:33:01,840 --> 01:32:59,280

that it's likely if they if they took

2001
01:33:05,000 --> 01:33:01,850
them out it's just gonna be bone tissue

2002
01:33:07,729 --> 01:33:05,010
yeah interesting magnetic bone tissue

2003
01:33:10,280 --> 01:33:07,739
bones right yes where I was gonna ask

2004
01:33:12,890 --> 01:33:10,290
next was the what about the magnetic

2005
01:33:15,560 --> 01:33:12,900
part of it though I mean that's that's

2006
01:33:17,300 --> 01:33:15,570
pretty interesting I mean huh

2007
01:33:19,070 --> 01:33:17,310
that is wild yeah we're looking at the

2008
01:33:21,770 --> 01:33:19,080
photo right now and the floral the

2009
01:33:26,149 --> 01:33:21,780
flower pattern is super interesting man

2010
01:33:30,530 --> 01:33:26,159
that doesn't look natural no should not

2011
01:33:32,810 --> 01:33:30,540
should not be in your leg but um so I'm

2012
01:33:34,610 --> 01:33:32,820
looking through these other photos so I

2013
01:33:36,890 --> 01:33:34,620

think the most compelling when I want to

2014

01:33:40,610 --> 01:33:36,900

ask you about this the your screen

2015

01:33:43,820 --> 01:33:40,620

capture of your phone says it's Tuesday

2016

01:33:46,280 --> 01:33:43,830

the 16th 2019 and you

2017

01:33:49,580 --> 01:33:46,290

it says flights climb and it says six

2018

01:33:53,419 --> 01:33:49,590

floors at 524 a.m. can you explain that

2019

01:33:56,300 --> 01:33:53,429

a little bit I sure can

2020

01:33:59,000 --> 01:33:56,310

I think they took me that night I'll

2021

01:34:03,439 --> 01:33:59,010

tell you what happen inside I woke up at

2022

01:34:06,350 --> 01:34:03,449

5:55 a.m. absolutely out of breath my

2023

01:34:09,020 --> 01:34:06,360

blood pressure was like 220 over 110 my

2024

01:34:12,500 --> 01:34:09,030

pulse was tachycardic like you know 150

2025

01:34:15,290 --> 01:34:12,510

or something yeah and I'm thinking I'm

2026
01:34:18,470 --> 01:34:15,300
having a heart attack right and I mean I

2027
01:34:20,930 --> 01:34:18,480
woke up from a sound sleep like this so

2028
01:34:22,130 --> 01:34:20,940
I told my wife I said call call an

2029
01:34:24,020 --> 01:34:22,140
ambulance I think I'm having a heart

2030
01:34:26,689 --> 01:34:24,030
attack yeah and he took me to the

2031
01:34:29,720 --> 01:34:26,699
hospital and I had our attack before so

2032
01:34:35,840 --> 01:34:29,730
I know the drill no chest x-ray cardiac

2033
01:34:37,160 --> 01:34:35,850
enzymes your chest x-ray and so they do

2034
01:34:38,840 --> 01:34:37,170
all the tests on me and they say you

2035
01:34:40,729 --> 01:34:38,850
know you're you're fine and by the time

2036
01:34:43,399 --> 01:34:40,739
we get to the hospital my pulse is down

2037
01:34:44,410 --> 01:34:43,409
my blood pressure's down and I'm back to

2038
01:34:47,900 --> 01:34:44,420

normal

2039

01:34:50,630 --> 01:34:47,910

now I should I should qualify this and

2040

01:34:54,980 --> 01:34:50,640

tell you that I sleep with the t-shirt

2041

01:34:57,980 --> 01:34:54,990

off with a pocket because and headphones

2042

01:35:00,980 --> 01:34:57,990

because I can't hear in Oasis at night

2043

01:35:02,720 --> 01:35:00,990

if I heard I mean if I hear a noise at

2044

01:35:04,490 --> 01:35:02,730

night I freak out I get up with a

2045

01:35:06,530 --> 01:35:04,500

flashlight and a pistol and I got a

2046

01:35:08,960 --> 01:35:06,540

search the whole house is right right I

2047

01:35:11,090 --> 01:35:08,970

would do the same thing man huh I mean

2048

01:35:14,170 --> 01:35:11,100

so you know I I sleep with these

2049

01:35:21,550 --> 01:35:14,180

headphones on and I listen to you know

2050

01:35:26,540 --> 01:35:21,560

432 Hertz music or you know some type of

2051
01:35:32,050 --> 01:35:26,550
meditation type type of recording yeah

2052
01:35:35,540 --> 01:35:32,060
and that's that's what I sleep with so

2053
01:35:37,730 --> 01:35:35,550
that evening you know I got home I told

2054
01:35:39,470 --> 01:35:37,740
my wife I got to go out cuz I try to

2055
01:35:43,220 --> 01:35:39,480
walk a mile and a half a day for you

2056
01:35:44,960 --> 01:35:43,230
know keep me somewhat healthy and I told

2057
01:35:48,020 --> 01:35:44,970
her about 7:30 after dinner I said I'm

2058
01:35:51,260 --> 01:35:48,030
gonna go out and do a quick mile walk

2059
01:35:53,480 --> 01:35:51,270
and then I'll be back and I pulled my

2060
01:35:57,800 --> 01:35:53,490
phone out and I turned on my health app

2061
01:35:59,270 --> 01:35:57,810
which I hadn't even looked at yes and I

2062
01:36:00,500 --> 01:35:59,280
looked at my health app and the first

2063
01:36:02,690 --> 01:36:00,510

thing I'd noticed and you know I taken

2064

01:36:04,400 --> 01:36:02,700

like 24 steps the entire day because I

2065

01:36:07,130 --> 01:36:04,410

spent the whole day in hospital right

2066

01:36:09,500 --> 01:36:07,140

and then I know I saw the red bar for

2067

01:36:11,930 --> 01:36:09,510

stairs now I never see stairs on my

2068

01:36:17,090 --> 01:36:11,940

phone I mean I've lived in a ranch house

2069

01:36:19,940 --> 01:36:17,100

with no stairs right basement and I saw

2070

01:36:25,100 --> 01:36:19,950

six flights of stairs and then I saw the

2071

01:36:26,810 --> 01:36:25,110

time 5:24 a.m. whoa five 5:24 a.m. to

2072

01:36:31,280 --> 01:36:26,820

the best of my knowledge I was asleep in

2073

01:36:33,800 --> 01:36:31,290

bed yeah when I got that I can woke up

2074

01:36:36,230 --> 01:36:33,810

at five fifty five out of breath my ear

2075

01:36:37,940 --> 01:36:36,240

buds were on my chest and my phone had

2076
01:36:41,390 --> 01:36:37,950
been unplugged from the wall you know

2077
01:36:44,750 --> 01:36:41,400
it's the batteries man so but never

2078
01:36:47,330 --> 01:36:44,760
occurred to me until I saw that and I

2079
01:36:49,520 --> 01:36:47,340
took it to t-mobile and I asked the guy

2080
01:36:51,200 --> 01:36:49,530
said what you know can you explain this

2081
01:36:53,620 --> 01:36:51,210
to me because normally if I climb six

2082
01:36:56,660 --> 01:36:53,630
flights of stairs you know the the

2083
01:36:57,830 --> 01:36:56,670
x-axis on the left indicates height

2084
01:37:00,460 --> 01:36:57,840
ratios

2085
01:37:04,760 --> 01:37:00,470
box represents ten feet in height and

2086
01:37:07,070 --> 01:37:04,770
then the y-axis from the bottom as it

2087
01:37:10,820 --> 01:37:07,080
goes from left to right indicates

2088
01:37:12,440 --> 01:37:10,830

passage of time so it would take me a

2089

01:37:14,570 --> 01:37:12,450

couple minutes to walk a big flight of

2090

01:37:16,220 --> 01:37:14,580

stairs and in another couple minutes I

2091

01:37:18,860 --> 01:37:16,230

would get that ik a stair step type

2092

01:37:23,710 --> 01:37:18,870

effect as time passed and I walked up

2093

01:37:27,070 --> 01:37:23,720

stairs right yeah and the guy says you

2094

01:37:33,200 --> 01:37:27,080

you walk six flights of stairs between

2095

01:37:38,540 --> 01:37:33,210

523 and 524 a.m. oh so like immediately

2096

01:37:42,050 --> 01:37:38,550

so then I trade up that measure he says

2097

01:37:43,730 --> 01:37:42,060

by changing barometric pressure he says

2098

01:37:45,020 --> 01:37:43,740

I doubt you could climb six flights of

2099

01:37:47,930 --> 01:37:45,030

stairs in under a minute

2100

01:37:50,480 --> 01:37:47,940

he said okay I could do it but he said

2101

01:37:58,580 --> 01:37:50,490

it looks to me like you were 60 feet

2102

01:38:00,590 --> 01:37:58,590

over your house at 524 a.m. that is

2103

01:38:03,110 --> 01:38:00,600

intense and just seeing like the proof

2104

01:38:04,850 --> 01:38:03,120

right in front of me I mean yeah the

2105

01:38:06,440 --> 01:38:04,860

stories are already awesome but like

2106

01:38:10,540 --> 01:38:06,450

seeing your screen captures or you

2107

01:38:13,760 --> 01:38:10,550

imagine being the team old guy he had

2108

01:38:17,330 --> 01:38:13,770

the t-mobile guy was pretty laid out I

2109

01:38:19,520 --> 01:38:17,340

took it to app and the lady at Apple

2110

01:38:20,480 --> 01:38:19,530

said oh you know it's probably something

2111

01:38:22,490 --> 01:38:20,490

about the phone I'll run a diagnostic

2112

01:38:24,350 --> 01:38:22,500

for you can you leave it and I'm like

2113

01:38:26,000 --> 01:38:24,360

sure I'll leave it was Jim she says come

2114

01:38:30,560 --> 01:38:26,010

back after 4:00 I have it ready for you

2115

01:38:32,120 --> 01:38:30,570

and because I was going to say you know

2116

01:38:34,400 --> 01:38:32,130

this is a warranty issue at this you

2117

01:38:38,300 --> 01:38:34,410

know this thing is as a problem you know

2118

01:38:39,980 --> 01:38:38,310

I want it fixed but you know when I knew

2119

01:38:43,700 --> 01:38:39,990

there wasn't anything wrong to fall I

2120

01:38:46,010 --> 01:38:43,710

really didn't I just knew that yeah

2121

01:38:51,680 --> 01:38:46,020

because it was just too coincidental

2122

01:38:53,090 --> 01:38:51,690

that it would tie in with with my you

2123

01:38:56,390 --> 01:38:53,100

know I'm believing that I'm never art

2124

01:38:58,700 --> 01:38:56,400

attack it just doesn't make sense like

2125

01:39:00,920 --> 01:38:58,710

okay I can I kick up my phone and the

2126
01:39:03,560 --> 01:39:00,930
lady says I can't find any defect in

2127
01:39:08,420 --> 01:39:03,570
your phone none whatsoever

2128
01:39:11,870 --> 01:39:08,430
there's nothing to fix oh so so it's not

2129
01:39:14,510 --> 01:39:11,880
your phone no

2130
01:39:17,750 --> 01:39:14,520
and so I said you know could I get could

2131
01:39:18,980 --> 01:39:17,760
I get that in writing please and again

2132
01:39:20,930 --> 01:39:18,990
she says well that's a warranty issue

2133
01:39:24,830 --> 01:39:20,940
and she says that's an issue we wouldn't

2134
01:39:27,230 --> 01:39:24,840
want to get involved because she says

2135
01:39:29,810 --> 01:39:27,240
you know who's to say you didn't put

2136
01:39:32,570 --> 01:39:29,820
your phone on a drum and send it 60 feet

2137
01:39:36,290 --> 01:39:32,580
up in the air you know okay your your

2138
01:39:38,570 --> 01:39:36,300

your your you know your you know it's

2139

01:39:40,850 --> 01:39:38,580

proof but it's only anecdotal proof

2140

01:39:47,870 --> 01:39:40,860

right you know so yeah because I have

2141

01:39:50,900 --> 01:39:47,880

nothing better to do at 524 am stories

2142

01:39:54,740 --> 01:39:50,910

above - I didn't drop 800 bucks on an

2143

01:39:56,870 --> 01:39:54,750

ambulance right in an ER visit and you

2144

01:39:59,540 --> 01:39:56,880

you included that that photo as well so

2145

01:40:02,900 --> 01:39:59,550

yeah it's I mean it's all right here so

2146

01:40:07,640 --> 01:40:02,910

man as far as proof goes you've got the

2147

01:40:09,950 --> 01:40:07,650

paperwork to back it up so man that's

2148

01:40:13,070 --> 01:40:09,960

just it's it's just hearing you talk

2149

01:40:15,680 --> 01:40:13,080

about it I mean I don't know it's it's

2150

01:40:18,890 --> 01:40:15,690

so it seems like these these incidences

2151
01:40:22,700 --> 01:40:18,900
just just kind of started picking up and

2152
01:40:25,040 --> 01:40:22,710
you know it 2019 and then this so it's

2153
01:40:27,440 --> 01:40:25,050
your first incident started in the 70s

2154
01:40:29,450 --> 01:40:27,450
and then did it just start to pick up

2155
01:40:33,440 --> 01:40:29,460
recently or is it kind of been a steady

2156
01:40:35,720 --> 01:40:33,450
stream so it it kicked up whenever I

2157
01:40:40,310 --> 01:40:35,730
wrote the book oh really

2158
01:40:42,350 --> 01:40:40,320
I next month March 10th well Moe in two

2159
01:40:50,200 --> 01:40:42,360
days two days my book will have been on

2160
01:40:53,450 --> 01:40:50,210
Amazon for two years okay and you know

2161
01:40:55,520 --> 01:40:53,460
within about 60 days after it puts a

2162
01:40:58,070 --> 01:40:55,530
book on the market strange things

2163
01:41:01,150 --> 01:40:58,080

started to happen you know times a long

2164

01:41:05,330 --> 01:41:01,160

calls me up on a thought you know with

2165

01:41:09,740 --> 01:41:05,340

Lou Elizondo and the other guys from to

2166

01:41:14,150 --> 01:41:09,750

the Stars Academy yeah yeah want to talk

2167

01:41:16,940 --> 01:41:14,160

to me about my implant and then about a

2168

01:41:20,450 --> 01:41:16,950

month after that I start getting these

2169

01:41:25,640 --> 01:41:20,460

helicopters and it sounds cliché too but

2170

01:41:28,189 --> 01:41:25,650

yeah i i I showed some slides of it

2171

01:41:30,439 --> 01:41:28,199

than my talk at San Francisco for the

2172

01:41:34,610 --> 01:41:30,449

first time yeah right I've got pictures

2173

01:41:37,550 --> 01:41:34,620

of 189 helicopters flew over my house I

2174

01:41:38,510 --> 01:41:37,560

gotta broke down by make model and a

2175

01:41:42,229 --> 01:41:38,520

month

2176

01:41:45,110 --> 01:41:42,239

damn and you know there were military

2177

01:41:49,160 --> 01:41:45,120

helicopters Robertson r44 Robertson our

2178

01:41:52,189 --> 01:41:49,170

22s and Airbus 350 s that the Texas

2179

01:41:56,060 --> 01:41:52,199

State Police use but these were all

2180

01:42:00,320 --> 01:41:56,070

painted black and white no markings on

2181

01:42:01,790 --> 01:42:00,330

them whatsoever the pilots they would

2182

01:42:03,979 --> 01:42:01,800

sometimes get clothes on if I could see

2183

01:42:06,380 --> 01:42:03,989

inside the pilots will wore white

2184

01:42:11,720 --> 01:42:06,390

helmets now that's interesting because I

2185

01:42:13,310 --> 01:42:11,730

have a friend my friend who I mentioned

2186

01:42:16,430 --> 01:42:13,320

earlier actually the guy who teaches and

2187

01:42:18,530 --> 01:42:16,440

and teaches history he was a history

2188

01:42:21,020 --> 01:42:18,540

professor he was in the army he was a

2189

01:42:23,209 --> 01:42:21,030

helicopter pilot in the army and his

2190

01:42:26,270 --> 01:42:23,219

wife is a flight instructor okay

2191

01:42:28,310 --> 01:42:26,280

helicopter flight instructor so I sent

2192

01:42:30,080 --> 01:42:28,320

him I said well I got these helicopters

2193

01:42:31,970 --> 01:42:30,090

buzzing my house can you check these

2194

01:42:32,810 --> 01:42:31,980

photos out and tell me like who these

2195

01:42:37,850 --> 01:42:32,820

guys are

2196

01:42:39,919 --> 01:42:37,860

and I said of the helicopters he looked

2197

01:42:43,430 --> 01:42:39,929

at them broke them down for me as far as

2198

01:42:45,410 --> 01:42:43,440

makin model and identified that most of

2199

01:42:48,140 --> 01:42:45,420

them had some kind of weird light

2200

01:42:51,050 --> 01:42:48,150

anomaly like a like a weird searchlight

2201

01:42:53,870 --> 01:42:51,060

thing attached to them okay and that was

2202

01:42:56,050 --> 01:42:53,880

part of my slideshow and he said it

2203

01:42:57,979 --> 01:42:56,060

doesn't belong in the aircraft

2204

01:43:01,820 --> 01:42:57,989

interesting and that's what made the

2205

01:43:05,200 --> 01:43:01,830

observation that civilian pilots do not

2206

01:43:08,110 --> 01:43:05,210

wear helmets they consider it to being a

2207

01:43:10,490 --> 01:43:08,120

hazard because it you know blacks there

2208

01:43:13,610 --> 01:43:10,500

interferes with their view all right

2209

01:43:17,570 --> 01:43:13,620

right okay so but military pilots are

2210

01:43:19,899 --> 01:43:17,580

required to wear helmets that's very

2211

01:43:22,790 --> 01:43:19,909

interesting so it has to be I mean a

2212

01:43:24,560 --> 01:43:22,800

military there was yeah

2213

01:43:26,419 --> 01:43:24,570

well it's obviously military because

2214

01:43:27,709 --> 01:43:26,429

none of these helicopters had markings

2215

01:43:31,070 --> 01:43:27,719

on them of any kind

2216

01:43:32,720 --> 01:43:31,080

not a single not a that a number not a

2217

01:43:34,780 --> 01:43:32,730

letter nothing and they're supposed to l

2218

01:43:37,790 --> 01:43:34,790

mean almost up the wall you know there's

2219

01:43:39,500 --> 01:43:37,800

catified federal regulation 45 so you've

2220

01:43:42,169 --> 01:43:39,510

got to display a large

2221

01:43:45,080 --> 01:43:42,179

let you know the alphabetical symbol in

2222

01:43:46,580 --> 01:43:45,090

like Nancy right followed by a string of

2223

01:43:49,520 --> 01:43:46,590

letters that identifying that particular

2224

01:43:51,229 --> 01:43:49,530

craft yeah and and there was there's

2225

01:43:53,330 --> 01:43:51,239

nothing on these on these helicopters

2226

01:43:54,620 --> 01:43:53,340

nothing and then when I blown up the

2227

01:43:56,930 --> 01:43:54,630

helicopter is trying to find

2228

01:43:59,870 --> 01:43:56,940

identification marks on them then I'm

2229

01:44:02,540 --> 01:43:59,880

finding UFOs in the background yeah yeah

2230

01:44:05,299 --> 01:44:02,550

the one I'm looking at that's pretty

2231

01:44:07,339 --> 01:44:05,309

good one yes you did yeah we're looking

2232

01:44:10,100 --> 01:44:07,349

at it right now and it's pretty it's

2233

01:44:12,439 --> 01:44:10,110

yeah it's pretty out there I mean it's

2234

01:44:14,330 --> 01:44:12,449

it's right there yeah it's funny when

2235

01:44:17,479 --> 01:44:14,340

you start looking at it in detail and

2236

01:44:19,640 --> 01:44:17,489

then you see you see a UFO so I'm just

2237

01:44:20,810 --> 01:44:19,650

curious like all types of things are

2238

01:44:23,270 --> 01:44:20,820

going through my head but like do you

2239

01:44:25,310 --> 01:44:23,280

think that UFO was just hanging out and

2240

01:44:27,500 --> 01:44:25,320

you know kind of watching you and then

2241

01:44:31,430 --> 01:44:27,510

and then the the helicopter showed up or

2242

01:44:33,830 --> 01:44:31,440

did the helicopter show up - it's crazy

2243

01:44:37,310 --> 01:44:33,840

they were like on a schedule I swear to

2244

01:44:39,560 --> 01:44:37,320

God they came three or four times a week

2245

01:44:41,330 --> 01:44:39,570

I mean you know and at first it was kind

2246

01:44:43,009 --> 01:44:41,340

of funny it was kind of a joke but you

2247

01:44:46,120 --> 01:44:43,019

know it kind of wore us down

2248

01:44:48,580 --> 01:44:46,130

it really did it ah I can imagine and

2249

01:44:52,009 --> 01:44:48,590

you know it's this time of the morning

2250

01:44:53,810 --> 01:44:52,019

to go out and photograph them I had a

2251

01:44:55,640 --> 01:44:53,820

big tree in front of my house and I

2252

01:44:55,910 --> 01:44:55,650

would had the Morning Sun right next to

2253

01:44:57,890 --> 01:44:55,920

him

2254

01:45:01,549 --> 01:44:57,900

so my field of view was really limited

2255

01:45:04,129 --> 01:45:01,559

to 180 degrees and these helicopters can

2256

01:45:05,899 --> 01:45:04,139

come I mean they would buzz my house it

2257

01:45:11,149 --> 01:45:05,909

could you know do donuts around my house

2258

01:45:12,830 --> 01:45:11,159

and and then like I say then I don't

2259

01:45:14,509 --> 01:45:12,840

know if the UFOs were chasing the

2260

01:45:16,970 --> 01:45:14,519

helicopters are the helicopters chasing

2261

01:45:19,669 --> 01:45:16,980

the UFOs right or if they were there on

2262

01:45:22,549 --> 01:45:19,679

a joint mission I don't know you know so

2263

01:45:24,200 --> 01:45:22,559

in we're all these helicopter incidences

2264

01:45:26,540 --> 01:45:24,210

during the day or were there some at

2265

01:45:30,140 --> 01:45:26,550

night that took place there were only

2266

01:45:32,600 --> 01:45:30,150

two at night okay wait - at night sound

2267

01:45:35,299 --> 01:45:32,610

I have a question about that so the ones

2268

01:45:37,790 --> 01:45:35,309

at night did the helicopters have the

2269

01:45:39,560 --> 01:45:37,800

flashing lights or did they have any cut

2270

01:45:43,009 --> 01:45:39,570

- kind of lights on it you know like

2271

01:45:45,500 --> 01:45:43,019

there's there's a FFA yeah be good okay

2272

01:45:48,140 --> 01:45:45,510

they did okay that they have to have the

2273

01:45:50,990 --> 01:45:48,150

flashing red light okay so they

2274

01:45:53,370 --> 01:45:51,000

definitely did this had a flashing red

2275

01:45:55,650 --> 01:45:53,380

light underneath and it had

2276

01:45:59,520 --> 01:45:55,660

flashing light that I think was white on

2277

01:46:02,370 --> 01:45:59,530

the tail okay and it also had this what

2278

01:46:04,830 --> 01:46:02,380

what my what dr. Bruce calls a light

2279

01:46:08,220 --> 01:46:04,840

anomaly it also had this large maybe two

2280

01:46:09,900 --> 01:46:08,230

foot wide disc that was just slightly

2281

01:46:13,680 --> 01:46:09,910

illuminated just slightly glowing

2282

01:46:15,990 --> 01:46:13,690

attached to the booth of the thing sorry

2283

01:46:19,470 --> 01:46:16,000

me and we saw that all that twice like

2284

01:46:21,150 --> 01:46:19,480

around midnight oh but it was all over

2285

01:46:24,300 --> 01:46:21,160

our house and so obviously you could

2286

01:46:27,720 --> 01:46:24,310

feel and hear it and stuff yeah oh yeah

2287

01:46:30,120 --> 01:46:27,730

yeah I I'm just this is just something

2288

01:46:32,520 --> 01:46:30,130

random about some of my experiences but

2289

01:46:34,920 --> 01:46:32,530

me at me and my wife of both both

2290

01:46:38,730 --> 01:46:34,930

witnesses witnessed helicopters in the

2291

01:46:41,430 --> 01:46:38,740

Austin area at night with no like no

2292

01:46:43,290 --> 01:46:41,440

lights but one single no flashing lights

2293

01:46:46,260 --> 01:46:43,300

but one single red light in the front

2294

01:46:48,000 --> 01:46:46,270

and it's it's just this you know you can

2295

01:46:49,920 --> 01:46:48,010

hear it it's a helicopter obviously

2296

01:46:52,260 --> 01:46:49,930

there wasn't over the house it was like

2297

01:46:53,750 --> 01:46:52,270

in the city but there there are those

2298

01:46:56,760 --> 01:46:53,760

there's there's something going on with

2299

01:46:58,230 --> 01:46:56,770

helicopters that don't have to have that

2300

01:47:01,290 --> 01:46:58,240

flashing light which tells me it's

2301

01:47:04,160 --> 01:47:01,300

probably something military or as well

2302

01:47:07,140 --> 01:47:04,170

as curious to ask for you out about the

2303

01:47:10,080 --> 01:47:07,150

law if I went as far as to call the FAA

2304

01:47:12,660 --> 01:47:10,090

and I'm like look you know if there if

2305

01:47:14,010 --> 01:47:12,670

there are if they are governor he didn't

2306

01:47:18,150 --> 01:47:14,020

use the word military said if they are

2307

01:47:20,790 --> 01:47:18,160

government they're exempt right and that

2308

01:47:24,930 --> 01:47:20,800

can mean anything like any program right

2309

01:47:31,760 --> 01:47:24,940

yep yeah yeah they could say like it's

2310

01:47:37,650 --> 01:47:34,710

Department yep yeah that's insane so I

2311

01:47:39,630 --> 01:47:37,660

think like as you were saying it is kind

2312

01:47:43,140 --> 01:47:39,640

of a different time now you know you've

2313

01:47:47,550 --> 01:47:43,150

been contacted by T TSA Lou Elizondo you

2314

01:47:51,570 --> 01:47:47,560

know and all these guys so other than

2315

01:47:54,660 --> 01:47:51,580

your your your encounter when you were

2316

01:47:58,380 --> 01:47:54,670

in the hospital after your Devil's Den

2317

01:48:00,570 --> 01:47:58,390

incident you've had these what we assume

2318

01:48:03,590 --> 01:48:00,580

to be military helicopters flying around

2319

01:48:06,529 --> 01:48:03,600

your house have any other like

2320

01:48:09,500 --> 01:48:06,539

organizations military wise or may

2321

01:48:12,859 --> 01:48:09,510

like secret military wise like tried to

2322

01:48:16,909 --> 01:48:12,869

contact you about this other than like T

2323

01:48:18,319 --> 01:48:16,919

TSA in these helicopters no no nobody

2324

01:48:21,049 --> 01:48:18,329

from the government nobody from the

2325

01:48:24,020 --> 01:48:21,059

government's contacted me now I did have

2326

01:48:26,689 --> 01:48:24,030

an odd experience in my old neighborhood

2327

01:48:29,389 --> 01:48:26,699

we sold our home you know my life didn't

2328

01:48:32,929 --> 01:48:29,399

intended to stay in we sold our home and

2329

01:48:34,899 --> 01:48:32,939

moved and the first morning in our new

2330

01:48:37,759 --> 01:48:34,909

house right

2331

01:48:39,889 --> 01:48:37,769

nine o'clock straight up I hear thump

2332

01:48:42,169 --> 01:48:39,899

thump thump thump thump thump and my

2333

01:48:44,929 --> 01:48:42,179

wife wakes up and she's like oh no I'm

2334

01:48:48,020 --> 01:48:44,939

like yeah I went outside and there is

2335

01:48:50,959 --> 01:48:48,030

400 feet over our house was huge I love

2336

01:48:52,879 --> 01:48:50,969

grant helicopter and it sees me come out

2337

01:48:55,789 --> 01:48:52,889

the door you know with my camera in my

2338

01:48:57,949 --> 01:48:55,799

hand and it peels off to the right and

2339

01:48:59,659 --> 01:48:57,959

it was just kind of like yeah we're we

2340

01:49:04,129 --> 01:48:59,669

don't worry rat we got me and I think

2341

01:49:05,659 --> 01:49:04,139

that was the message yeah damn man

2342

01:49:07,520 --> 01:49:05,669

so they don't even need to make direct

2343

01:49:11,689 --> 01:49:07,530

contact they know where you're at

2344

01:49:15,169 --> 01:49:11,699

already yeah and by TTS a is kind of

2345

01:49:16,429 --> 01:49:15,179

just like this almost like a like a like

2346

01:49:18,139 --> 01:49:16,439

a front for the people behind the

2347

01:49:20,389 --> 01:49:18,149

curtain you know like they do the

2348

01:49:21,889 --> 01:49:20,399

interviews they do the contact you know

2349

01:49:24,829 --> 01:49:21,899

they help people with whatever they need

2350

01:49:27,969 --> 01:49:24,839

help with that's Beth that's really

2351

01:49:31,399 --> 01:49:27,979

interesting usually I have I'm curious

2352

01:49:33,409 --> 01:49:31,409

Terry if so we in your experience what

2353

01:49:36,379 --> 01:49:33,419

was it you spoke of a phone call that

2354

01:49:37,759 --> 01:49:36,389

you had with Lou Lou Elizondo and we've

2355

01:49:39,739 --> 01:49:37,769

heard you know through the grapevine

2356

01:49:41,719 --> 01:49:39,749

that they've actually come out and and

2357

01:49:44,029 --> 01:49:41,729

and talked to people in person and done

2358

01:49:45,949 --> 01:49:44,039

tests on some of you know some people's

2359

01:49:48,500 --> 01:49:45,959

implants have they scheduled anything

2360

01:49:51,979 --> 01:49:48,510

they could oh they did yeah Lou Lou is

2361

01:49:57,500 --> 01:49:51,989

at my house June of last year okay and

2362

01:50:00,229 --> 01:49:57,510

spent two days and coincidentally a and

2363

01:50:02,869 --> 01:50:00,239

E with Lou Elizondo was supposed to be

2364

01:50:06,199 --> 01:50:02,879

here Wednesday of this week oh wow

2365

01:50:09,619 --> 01:50:06,209

coming up awesome and they cancelled on

2366

01:50:15,469 --> 01:50:09,629

Friday because AME has a policy about

2367

01:50:17,000 --> 01:50:15,479

you know travel with the coronavirus so

2368

01:50:18,240 --> 01:50:17,010

they said well we're going to postpone

2369

01:50:21,540 --> 01:50:18,250

it but

2370

01:50:23,070 --> 01:50:21,550

we'll reschedule so good yeah that's

2371

01:50:24,420 --> 01:50:23,080

good almost I was thinking maybe they

2372

01:50:26,970 --> 01:50:24,430

found out you were coming on our podcast

2373

01:50:31,620 --> 01:50:26,980

nah we'll just get all the information

2374

01:50:45,360 --> 01:50:31,630

from UFO garage guys yeah they did warn

2375

01:50:48,660 --> 01:50:45,370

me about your pretty squared up guy you

2376

01:50:54,930 --> 01:50:48,670

know yeah he's real nice a little bit of

2377

01:50:57,510 --> 01:50:54,940

a troublemaker sometimes okay I'm gonna

2378

01:50:58,950 --> 01:50:57,520

let you guys go I can't my wife has made

2379

01:51:02,070 --> 01:50:58,960

me dinner yeah absolutely

2380

01:51:05,400 --> 01:51:02,080

I'm gonna go read no it's good man

2381

01:51:07,410 --> 01:51:05,410

well it's been an absolute pleasure to

2382

01:51:09,390 --> 01:51:07,420

speak with you man one of your your

2383

01:51:10,440 --> 01:51:09,400

story has has kind of been one of my

2384

01:51:13,590 --> 01:51:10,450

favorites

2385

01:51:15,720 --> 01:51:13,600

up to now work on the same in the fact

2386

01:51:19,680 --> 01:51:15,730

that we kind of both just entered this

2387

01:51:22,320 --> 01:51:19,690

this arena of you know the UFO field a

2388

01:51:23,910 --> 01:51:22,330

little bit and I mean it's it's

2389

01:51:25,800 --> 01:51:23,920

incredible that that we're getting to

2390

01:51:27,360 --> 01:51:25,810

talk to you man because it's like I said

2391

01:51:29,670 --> 01:51:27,370

it's been one of my favorite stories so

2392

01:51:31,440 --> 01:51:29,680

far and I really enjoyed it

2393

01:51:34,530 --> 01:51:31,450

do you have anything that you would like

2394

01:51:36,600 --> 01:51:34,540

to plug your website your book all that

2395

01:51:38,070 --> 01:51:36,610

stuff before you go you know what yeah I

2396

01:51:39,420 --> 01:51:38,080

would like I would like to tell your

2397

01:51:42,840 --> 01:51:39,430

listeners that they'd like to read my

2398

01:51:46,740 --> 01:51:42,850

book it's incident at Devil's Den it's

2399

01:51:49,500 --> 01:51:46,750

on Amazon and it's available in a cheap

2400

01:51:52,800 --> 01:51:49,510

Kindle version or paperback that has the

2401

01:51:55,500 --> 01:51:52,810

photographs in it and the x-rays or

2402

01:51:57,150 --> 01:51:55,510

there's an audio book that I did I was

2403

01:51:58,350 --> 01:51:57,160

told to get a voice artist but I didn't

2404

01:52:03,000 --> 01:51:58,360

want to do that I wanted to tell a story

2405

01:52:06,030 --> 01:52:03,010

myself yes I love that that's awesome so

2406

01:52:08,250 --> 01:52:06,040

so yeah look it up and you know people

2407

01:52:11,430 --> 01:52:08,260

are going to be staying home more so get

2408

01:52:12,990 --> 01:52:11,440

something to wear are you gonna be

2409

01:52:15,720 --> 01:52:13,000

speaking at next you have another

2410

01:52:19,740 --> 01:52:15,730

conference coming up soon yeah I do

2411

01:52:21,240 --> 01:52:19,750

Ozark Publishing has this is the one

2412

01:52:23,100 --> 01:52:21,250

that David Politis is going to be in

2413

01:52:27,270 --> 01:52:23,110

Eureka Springs Arkansas

2414

01:52:29,760 --> 01:52:27,280

April 9th 312 I'll be down there and

2415

01:52:31,819 --> 01:52:29,770

speaking and I'll have some books with

2416

01:52:34,530 --> 01:52:31,829

me and

2417

01:52:35,459 --> 01:52:34,540

you know talk to anybody to answer any

2418

01:52:37,350 --> 01:52:35,469

questions

2419

01:52:38,399 --> 01:52:37,360

love to hear your stories if you if

2420

01:52:42,300 --> 01:52:38,409

you're there and you want to come by

2421

01:52:44,339 --> 01:52:42,310

please do also oh yeah yeah well thank

2422

01:52:47,370 --> 01:52:44,349

you so much Manny this has been this is

2423

01:52:49,379 --> 01:52:47,380

my new favorite story of all time now so

2424

01:52:57,089 --> 01:52:49,389

thank you so much for being on the show

2425

01:52:58,169 --> 01:52:57,099

man that's my favorite podcast all right

2426

01:53:02,569 --> 01:52:58,179

sounds good

2427

01:53:07,140 --> 01:53:02,579

all right I'll talk to you later bye

2428

01:53:09,000 --> 01:53:07,150

whoa yeah I mean every time we finish a

2429

01:53:10,709 --> 01:53:09,010

conversation with somebody I know like

2430

01:53:12,750 --> 01:53:10,719

our reactions are kind of probably the

2431

01:53:15,479 --> 01:53:12,760

same every time but it was like every

2432

01:53:19,500 --> 01:53:15,489

single one that we do is just more and

2433

01:53:25,979 --> 01:53:19,510

more like mind-blowing uh every time

2434

01:53:28,680 --> 01:53:25,989

it's like dude I met you met Terry at

2435

01:53:31,319 --> 01:53:28,690

your folk on I had no idea who he was

2436

01:53:32,879 --> 01:53:31,329

you just I mean you were really

2437

01:53:34,800 --> 01:53:32,889

fascinated in this story and I hadn't

2438

01:53:35,790 --> 01:53:34,810

heard it and I felt kind of bad like hey

2439

01:53:37,800 --> 01:53:35,800

give me the cliff notes

2440

01:53:39,270 --> 01:53:37,810

yeah but I'm glad you didn't divulge too

2441

01:53:41,370 --> 01:53:39,280

much information cuz hearing it for the

2442

01:53:43,229 --> 01:53:41,380

first time was really awesome from from

2443

01:53:46,709 --> 01:53:43,239

the you know the horse's mouth yeah that

2444

01:53:47,910 --> 01:53:46,719

was yeah it's a great story and there's

2445

01:53:50,040 --> 01:53:47,920

more to it too

2446

01:53:51,959 --> 01:53:50,050

yeah and we didn't even I mean we

2447

01:53:54,000 --> 01:53:51,969

scratch the surface we got pretty deep

2448

01:53:56,069 --> 01:53:54,010

in there but there's more yeah there's

2449

01:53:58,319 --> 01:53:56,079

more yeah and it's continuously

2450

01:54:00,359 --> 01:53:58,329

happening yeah so he's somebody that we

2451
01:54:03,419 --> 01:54:00,369
can definitely have on the show again

2452
01:54:06,000 --> 01:54:03,429
you know like and just kind of stay

2453
01:54:07,939 --> 01:54:06,010
updated with them cuz it seems to be

2454
01:54:12,120 --> 01:54:07,949
happening still I mean we got one in

2455
01:54:16,560 --> 01:54:12,130
2019 yeah April of 2019 right you know

2456
01:54:18,359 --> 01:54:16,570
dude uh I'm just so glad we got to even

2457
01:54:20,160 --> 01:54:18,369
have him on the show man like yeah we

2458
01:54:22,140 --> 01:54:20,170
got to talk to this guy like that was

2459
01:54:24,089 --> 01:54:22,150
that's really cool it is super cool yeah

2460
01:54:26,430 --> 01:54:24,099
I would love to keep keep in touch with

2461
01:54:26,790 --> 01:54:26,440
him and you know get updated that'd be

2462
01:54:28,770 --> 01:54:26,800
awesome

2463
01:54:30,450 --> 01:54:28,780

definitely definitely and once again

2464

01:54:32,069 --> 01:54:30,460

guys if you all haven't checked it out

2465

01:54:35,280 --> 01:54:32,079

yet definitely check it out

2466

01:54:36,990 --> 01:54:35,290

incident Devil's Den dude it's been a

2467

01:54:39,000 --> 01:54:37,000

it's been a great read it's been

2468

01:54:40,950 --> 01:54:39,010

something that it's kept me interested

2469

01:54:43,530 --> 01:54:40,960

like I was telling you man a lot of

2470

01:54:45,030 --> 01:54:43,540

times when I read stuff I'm reading it

2471

01:54:45,510 --> 01:54:45,040

for like you know it seems like it's

2472

01:54:48,390 --> 01:54:45,520

like I'm

2473

01:54:51,540 --> 01:54:48,400

but I'm just like putting information in

2474

01:54:54,180 --> 01:54:51,550

my head but this has been like a story

2475

01:54:56,130 --> 01:54:54,190

that like puts you like in the place

2476

01:54:57,750 --> 01:54:56,140

like like even him like telling the

2477

01:55:00,090 --> 01:54:57,760

stories he was really good at telling

2478

01:55:02,490 --> 01:55:00,100

stories yeah and I feel like he portrays

2479

01:55:04,530 --> 01:55:02,500

that really well like in the book like

2480

01:55:06,330 --> 01:55:04,540

very rarely do I read a book and I get

2481

01:55:10,050 --> 01:55:06,340

like the creeps you know what I'm saying

2482

01:55:11,970 --> 01:55:10,060

but I mean he's got a very interesting

2483

01:55:13,560 --> 01:55:11,980

story even stuff that happened to him

2484

01:55:16,080 --> 01:55:13,570

when he was younger that we didn't

2485

01:55:17,250 --> 01:55:16,090

really get into on the podcast but if

2486

01:55:19,620 --> 01:55:17,260

you want to know about that

2487

01:55:21,570 --> 01:55:19,630

listen to his audiobook maybe pick up

2488

01:55:24,570 --> 01:55:21,580

the book it I mean you won't regret it

2489

01:55:27,030 --> 01:55:24,580

it's really really awesome yeah so man

2490

01:55:30,030 --> 01:55:27,040

that was awesome dude yeah it was great

2491

01:55:31,200 --> 01:55:30,040

it was great dude yes well sweet dude

2492

01:55:34,020 --> 01:55:31,210

yeah

2493

01:55:35,670 --> 01:55:34,030

do we have anybody that we can plug that

2494

01:55:42,180 --> 01:55:35,680

what's coming up next that we can think

2495

01:55:45,960 --> 01:55:42,190

I'm sorry I can't remember yeah so we

2496

01:55:47,940 --> 01:55:45,970

had Vivian on we had Vivian on

2497

01:55:50,400 --> 01:55:47,950

so this Thursday we're gonna be having

2498

01:55:54,300 --> 01:55:50,410

her fiance Peter yeah on and he's the

2499

01:55:56,460 --> 01:55:54,310

guy who makes the actual necklaces that

2500

01:56:00,810 --> 01:55:56,470

I was wearing in that video and so we're

2501

01:56:04,710 --> 01:56:00,820

gonna be talking to him I mean other

2502

01:56:07,040 --> 01:56:04,720

than him making the necklaces and being

2503

01:56:10,800 --> 01:56:07,050

in contact with the Archangel Metatron

2504

01:56:13,230 --> 01:56:10,810

Metatron right that's really all I know

2505

01:56:16,800 --> 01:56:13,240

so I'm really interested to talk to him

2506

01:56:18,060 --> 01:56:16,810

and kind of see you know how how this

2507

01:56:19,620 --> 01:56:18,070

happened to him yeah

2508

01:56:22,620 --> 01:56:19,630

you know that's gonna be an interesting

2509

01:56:25,200 --> 01:56:22,630

story so I'm super stoked to have have

2510

01:56:28,590 --> 01:56:25,210

him on yeah and I get to talk to him and

2511

01:56:30,540 --> 01:56:28,600

yeah yeah that's custom I mean they're

2512

01:56:33,060 --> 01:56:30,550

just both of those people were super

2513

01:56:36,150 --> 01:56:33,070

chill and awesome like they wives so I'm

2514

01:56:38,550 --> 01:56:36,160

excited to talk to they absolutely work

2515

01:56:41,250 --> 01:56:38,560

yeah absolutely word man so yeah we'll

2516

01:56:44,520 --> 01:56:41,260

get some of these these images that

2517

01:56:46,740 --> 01:56:44,530

Terry sent us up on the maybe we can do

2518

01:56:49,320 --> 01:56:46,750

the site and we can do Facebook yeah and

2519

01:56:51,900 --> 01:56:49,330

I'll do the YouTube video I'll splice in

2520

01:56:54,480 --> 01:56:51,910

the images to definitely definitely so

2521

01:56:57,400 --> 01:56:54,490

it'll also be up on YouTube guys don't

2522

01:57:01,900 --> 01:56:57,410

forget to go check out abduction 51

2523

01:57:04,090 --> 01:57:01,910

and go check out the threads baby from

2524

01:57:06,580 --> 01:57:04,100

across the pond and also don't forget to

2525

01:57:07,870 --> 01:57:06,590

go check out Phoenix shaving and Phoenix

2526

01:57:09,970 --> 01:57:07,880

shaving dot-com

2527

01:57:14,350 --> 01:57:09,980

they've got all your facial hair and

2528

01:57:17,160 --> 01:57:14,360

shaving needs yeah man I need a shave

2529

01:57:20,680 --> 01:57:17,170

yeah you need to shave that beard going

2530

01:57:25,600 --> 01:57:20,690

well that's why if you grow like a real

2531

01:57:27,430 --> 01:57:25,610

beard then you can hide the neck beard

2532

01:57:29,260 --> 01:57:27,440

oh I can't even grow sideburns

2533

01:57:31,390 --> 01:57:29,270

I'll be honest with you dude I'm a I'm a

2534

01:57:33,190 --> 01:57:31,400

like trim up and shave like once every

2535

01:57:36,910 --> 01:57:33,200

two months yeah which is kind of

2536

01:57:40,570 --> 01:57:36,920

ridiculous neck yeah shave okay I never

2537

01:57:43,690 --> 01:57:40,580

never see your necks yeah and I just

2538

01:57:46,480 --> 01:57:43,700

honestly never think about it but oh

2539

01:57:49,000 --> 01:57:46,490

with Phoenix shaving you can get a nice

2540

01:57:50,980 --> 01:57:49,010

clean shave oh yeah oh yeah one thing

2541

01:57:53,920 --> 01:57:50,990

that does get used all the time is my

2542

01:57:56,800 --> 01:57:53,930

beard cream my beard oil and my beard

2543

01:58:00,730 --> 01:57:56,810

soaps crimes and lashings crumbs and

2544

01:58:04,750 --> 01:58:00,740

lashing wraps and lashes Jack Blackie

2545

01:58:07,060 --> 01:58:04,760

does the episode of cramps lashes that's

2546

01:58:09,880 --> 01:58:07,070

great and

2547

01:58:13,210 --> 01:58:09,890

most importantly don't forget to check

2548

01:58:15,790 --> 01:58:13,220

out UFO garage cc.com got some friend

2549

01:58:18,250 --> 01:58:15,800

yeah we got some new shirts bro you made

2550

01:58:20,470 --> 01:58:18,260

a v-neck I've made a v-neck bro you made

2551

01:58:21,940 --> 01:58:20,480

a v-neck this I don't know if you guys

2552

01:58:24,160 --> 01:58:21,950

know that but this fools neck is so

2553

01:58:27,280 --> 01:58:24,170

sensitive it is he's gotta wear v-neck

2554

01:58:29,770 --> 01:58:27,290

sometimes that's true it's a very very

2555

01:58:34,960 --> 01:58:29,780

sensitive neck that's right who doesn't

2556

01:58:36,430 --> 01:58:34,970

shave yeah we got that one in the one

2557

01:58:38,470 --> 01:58:36,440

you were wearing on the last episode so

2558

01:58:40,540 --> 01:58:38,480

it now you changed it though right to

2559

01:58:43,270 --> 01:58:40,550

the Impala across the front with UFO

2560

01:58:47,170 --> 01:58:43,280

garage I made another one so there's you

2561

01:58:49,480 --> 01:58:47,180

there's two Phoenix now yeah so the the

2562

01:58:51,460 --> 01:58:49,490

the second one it's it shows up on the

2563

01:58:53,290 --> 01:58:51,470

website so it's the black v-neck on the

2564

01:58:54,880 --> 01:58:53,300

back it's really big the Impala and then

2565

01:58:56,500 --> 01:58:54,890

the logo there's nothing on the front

2566

01:58:58,480 --> 01:58:56,510

cuz I don't like [h__h] on the front

2567

01:59:00,040 --> 01:58:58,490

usually of my shirts that I wear so I

2568

01:59:02,290 --> 01:59:00,050

wanted a blank shirt but with like

2569

01:59:04,630 --> 01:59:02,300

represent them on the back cool yeah

2570

01:59:06,490 --> 01:59:04,640

cool awesome man that sounds good

2571

01:59:07,750 --> 01:59:06,500

oh dude it's about to be summertime so

2572

01:59:09,610 --> 01:59:07,760

we might have to bring the tank tops

2573

01:59:11,710 --> 01:59:09,620

back oh [h__h]

2574

01:59:13,930 --> 01:59:11,720

because we sold so many of our banned

2575

01:59:16,690 --> 01:59:13,940

tank tops that one time well we did have

2576

01:59:19,360 --> 01:59:16,700

a tank top on the on the old one that

2577

01:59:21,100 --> 01:59:19,370

you had made so we should throw that

2578

01:59:23,530 --> 01:59:21,110

back up on there again consumed summer

2579

01:59:25,390 --> 01:59:23,540

times right around the corner and we

2580

01:59:27,280 --> 01:59:25,400

know sometimes rocking a hoodie or a

2581

01:59:29,230 --> 01:59:27,290

t-shirt can get a little warm in the

2582

01:59:31,300 --> 01:59:29,240

summertime depending on where you are I

2583

01:59:33,330 --> 01:59:31,310

know down here in Texas dude I'm sweaty

2584

01:59:37,150 --> 01:59:33,340

yeah you look sweaty

2585

01:59:39,370 --> 01:59:37,160

so yeah dude we'll throw those back up

2586

01:59:43,060 --> 01:59:39,380

there for you guys hell yeah but yeah

2587

01:59:45,220 --> 01:59:43,070

you can find all the episodes all of our

2588

01:59:48,340 --> 01:59:45,230

affiliates and pictures of our pretty

2589

01:59:50,590 --> 01:59:48,350

faces and also pictures that have been

2590

01:59:52,270 --> 01:59:50,600

you know given to us by like our guests

2591

01:59:55,240 --> 01:59:52,280

and stuff so definitely go check those

2592

01:59:57,100 --> 01:59:55,250

out on the website UFO garage PC comm

2593

01:59:58,780 --> 01:59:57,110

hell yeah hey and if you guys have a

2594

02:00:00,730 --> 01:59:58,790

story anybody listening out there that's

2595

02:00:05,890 --> 02:00:00,740

had an experience feel free to email us

2596

02:00:08,380 --> 02:00:05,900

at UFO garage PC at gmail.com cuz man

2597

02:00:09,940 --> 02:00:08,390

we're always looking for awesome stories

2598

02:00:12,550 --> 02:00:09,950

you've had a few people reach out on

2599

02:00:15,100 --> 02:00:12,560

Facebook on the group we've got the UFO

2600

02:00:17,620 --> 02:00:15,110

garage podcast group and you know

2601
02:00:19,780 --> 02:00:17,630
everybody's talking back and forth about

2602
02:00:22,360 --> 02:00:19,790
their own experiences or just posting

2603
02:00:23,800 --> 02:00:22,370
funny photos yeah but if you guys that

2604
02:00:25,360 --> 02:00:23,810
are listening out there if you all have

2605
02:00:26,890 --> 02:00:25,370
an experience or know somebody in your

2606
02:00:27,430 --> 02:00:26,900
town that's had an experience I want to

2607
02:00:29,410 --> 02:00:27,440
share it

2608
02:00:31,090 --> 02:00:29,420
email us cuz I mean that's what this

2609
02:00:32,710 --> 02:00:31,100
podcast is all about is sharing these

2610
02:00:34,600 --> 02:00:32,720
stories yeah I'm definitely like to

2611
02:00:37,000 --> 02:00:34,610
contact maybe some of our listeners like

2612
02:00:39,460 --> 02:00:37,010
I know creates been posting some stuff

2613
02:00:41,470 --> 02:00:39,470

yeah Dakota's posted some things right I

2614

02:00:43,870 --> 02:00:41,480

want to talk to her too Chris had

2615

02:00:46,060 --> 02:00:43,880

reached out to us and I was talking

2616

02:00:48,610 --> 02:00:46,070

about wanting to maybe talk about his

2617

02:00:51,280 --> 02:00:48,620

experience yeah so you know we'd love to

2618

02:00:53,140 --> 02:00:51,290

get to get you guys on no I'm and talk

2619

02:00:54,760 --> 02:00:53,150

to y'all because I mean that's you know

2620

02:00:56,860 --> 02:00:54,770

that's why we do this in the first place

2621

02:00:59,650 --> 02:00:56,870

it's not always about you know the the

2622

02:01:00,850 --> 02:00:59,660

big speakers and stuff but I mean

2623

02:01:02,770 --> 02:01:00,860

there's just regular everyday people

2624

02:01:05,980 --> 02:01:02,780

just like us who have these experiences

2625

02:01:07,390 --> 02:01:05,990

and we want to want everybody to know

2626

02:01:09,160 --> 02:01:07,400

about it if you want people to know

2627

02:01:11,530 --> 02:01:09,170

about it so definitely hit us up and let

2628

02:01:13,120 --> 02:01:11,540

us know right yeah awesome man
